IN RE LEFEVER MATTSON, A CALIFORNIA CORPORATION, *ET AL.*

LEAD CASE NO. 24-10545 (CN)

**GENERAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND  
DISCLAIMERS REGARDING DEBTORS' SCHEDULES OF ASSETS AND  
LIABILITIES; STATEMENTS OF FINANCIAL AFFAIRS; AND LISTS OF EQUITY  
SECURITY HOLDERS**

On September 12, 2024, LeFever Mattson, a California corporation, (“LeFever Mattson”) and certain of its affiliates (collectively, the “Debtors”), each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) with the United States Bankruptcy Court for the Northern District of California (Santa Rosa Division) (the “Bankruptcy Court”), commencing the chapter 11 cases now jointly administered, for procedural purposes only pursuant to Rule 1015 of the Federal Rules of Bankruptcy Procedure (“Bankruptcy Rules”), under Lead Case No. 24-10545 (CN) (the “Chapter 11 Cases”). One of the Debtors, Windscape Apartments, LLC, filed its chapter 11 petition on August 6, 2024. Two of the Debtors, Pinewood Condominiums, LP, and Ponderosa Pines, LP, filed their chapter 11 petitions on October 2, 2024. A related entity, K S Mattson Partners, LP, (“KSMP”) was the debtor in an involuntary petition filed on November 22, 2024. The order for relief for KSMP was entered by the Bankruptcy Court on June 9, 2025, and the chapter 11 case of KSMP is now jointly administered with the Debtors. Unless otherwise indicated, “Debtors” as used herein excludes KSMP. The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

**OVERVIEW OF GENERAL NOTES**

Each of the Debtors filed separate Schedules of Assets and Liabilities (“Schedules”), Statements of Financial Affairs (“Statements”), and Lists of Equity Security Holders (“Lists”) on November 15, 2024 [Dkt. Nos. 292–353]. Certain Debtors have filed herewith separate amended Schedules and Statements. These *General Notes and Statement of Limitations, Methodology, and Disclaimers Regarding Debtors’ Schedules of Assets and Liabilities, Statements of Financial Affairs, and Lists of Equity Security Holders* (the “General Notes”) relate to each of the Debtors’ Schedules, Statements, and Lists and set forth the basis upon which the Schedules, Statements, and Lists are presented. **These General Notes pertain to, are incorporated by reference in, and comprise an integral part of the Schedules, Statements, and Lists and should be referred to and considered in connection with any review of the Schedules, Statements, and Lists.** The General Notes are in addition to any specific notes contained in any Debtor’s Schedules, Statements, and Lists. The General Notes are presented for each individual Debtor; however, each provision contained in the General Notes may not apply to all Debtors. Disclosure of information in one Schedule, Statement, or List, exhibit, or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, or List, exhibit, or continuation sheet. Nothing contained in the Schedules, Statements, and Lists shall constitute a waiver of any rights or claims of the Debtors against any third party, or in or with respect to any aspect of these Chapter 11 Cases.

**The Schedules, Statements, Lists, and General Notes should not be relied upon by any person for information relating to the current or future financial conditions, events, or performance of any of the Debtors.**

The Schedules, Statements, and Lists have been prepared, pursuant to section 521 of the Bankruptcy Code and Bankruptcy Rule 1007, by the Debtors' management with the assistance of their advisors and other professionals. The Schedules, Statements, and Lists contain unaudited information, which is subject to further review and potential adjustment. Reasonable efforts have been made to provide accurate and complete information herein based upon information that was available at the time of preparation; however, subsequent information or discovery thereof may result in material changes to the Schedules, Statements, and Lists, and inadvertent errors or omissions may exist. Nothing contained in the Schedules, Statements, and Lists shall constitute a waiver of any of the Debtors' rights with respect to the Chapter 11 Cases, including with respect to any issues involving substantive consolidation, recharacterization, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

The Debtors reserve all rights to amend, modify, or supplement the Schedules, Statements, and Lists from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim or interest reflected on the Schedules, Statements, and Lists as to amount, liability or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Schedules, Statements, and Lists shall constitute an admission of any claims or a waiver of any of the Debtors' rights with respect to the Chapter 11 Cases, including with respect to any issues involving causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

The Schedules, Statements, and Lists for each Debtor have been signed by an authorized officer or representative for each of the Debtors (the "Signatory"). In reviewing and signing the Schedules, Statements, and Lists, the Signatory necessarily relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors and other professionals. The Signatory has not (and could not have) personally verified the accuracy of each such statement and representation, including, without limitation, statements and representations concerning amounts owed to creditors, classification of such amounts, and their addresses.

## **Schedules, Statements, and Lists General Notes**

1. Net Book Value of Assets. The Debtors do not have current market valuations for all of their assets as it would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets and resources for the Debtors to obtain current market valuations of all their assets. Accordingly, unless otherwise indicated herein, assets in the Schedules and Statements reflect net book values as of the end of the day on the applicable petition date for each Debtor. Net book values may vary, sometimes materially, from market values. Certain other assets may be listed as “unknown” amounts. Additionally, amounts ultimately realized may differ materially from net book value (or whatever value was ascribed). Certain depreciable assets with a net book value of zero (\$0) may also be included for completeness. The Debtors have not performed an analysis of impairment of fixed assets, goodwill, or other intangibles. The Debtors do not intend to amend these Schedules and Statements to reflect actual values.

2. Basis of Presentation. Information contained in the Schedules and Statements has been derived from the Debtors’ books and records and historical financial statements. The Schedules and Statements do not purport to represent financial statements prepared in accordance with United States Generally Accepted Accounting Principles (“GAAP”), nor are they intended to fully reconcile with the financial statements of each Debtor.

3. Amendment. Reasonable efforts have been made to prepare and file complete and accurate Schedules, Statements, and Lists. Despite these efforts, inadvertent errors or omissions may exist. The Debtors reserve all rights to, but are not required to, amend and/or supplement the Schedules, Statements, and Lists from time to time as is necessary and appropriate.

4. Recharacterization. The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate assets, liabilities, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtors’ business and operations, the Debtors may have improperly characterized, classified, categorized, or designated certain items. The Debtors reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements as necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the applicable petition date and remain executory and unexpired postpetition.

5. Confidentiality. There may be instances in the Schedules, Statements, and Lists where the Debtors have deemed it necessary and appropriate to redact or withhold from the public record information such as names, addresses, or amounts. Typically, the Debtors have used this approach because of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of an individual.

6. Cash Management System. Certain payments in the Schedules and Statements may have been made prepetition by one entity on behalf of another entity through the operation of the Debtors’ cash management system. The Debtors’ prepetition cash management system is described in the *Motion of Debtors for Interim and Final Orders (I) Approving Continued Use of the Debtors’ Cash Management System and Bank Accounts; (II) Authorizing the Debtors to Open and Close Bank*

*Accounts; and (III) Authorizing Banks to Honor Certain Prepetition Transfers* (the “Cash Management Motion”) dated September 12, 2024 [Docket No. 13].

7. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

8. Liabilities. The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on information and research that was conducted or available in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as they deem necessary or appropriate.

The liabilities listed on the Schedules and Statements do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor’s claim.

9. Property and Equipment. Unless otherwise indicated, owned property and equipment are presented at net book value.

10. Executory Contracts and Unexpired Leases. The listing of a contract or lease in the Schedules shall not be deemed an admission that such contract is an executory contract or unexpired lease, or that it is necessarily a binding, valid, and enforceable agreement. The Debtors hereby expressly reserve the right to assert that any contract or lease listed on the Debtors’ Schedules does not constitute an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code.

11. Leases. The Debtors may lease real property, furniture, fixtures, and equipment from certain third-party lessors. Such leases are presented in the Schedules and Statements, subject to the reservation of rights set forth herein. The Debtors have not included in the Schedules and Statements the future obligations of any leases. Nothing herein or in the Schedules or Statements shall be construed as a concession, admission or evidence as to the determination of the legal status of any leases (including whether any lease is a true lease or a financing agreement) identified in the Schedules or Statements, including whether such leases: (i) constitute an executory contract within the meaning of section 365 of the Bankruptcy Code or other applicable law; or (ii) have not expired or been terminated or otherwise are not current in full force and effect, and the Debtors reserve all of their rights.

12. Causes of Action. Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action or avoidance actions they may have, and neither these General Notes nor the Schedules and

Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions or in any way prejudice or impair the assertion of such claims.

13. Taxes. Claims listed on the Debtors' Schedule E/F include claims owing to various taxing authorities to which the Debtors may potentially be liable. However, certain of such claims may be subject to ongoing audits and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the claims listed on Schedule E/F. Therefore, the Debtors have listed estimated claim amounts, where possible, or alternatively listed such claims as unknown in amount and marked the claims as unliquidated, pending final resolution of ongoing audits or other outstanding issues. The Debtors reserve their rights to dispute or challenge whether such claims are entitled to priority.

14. Unknown Amounts. Claim amounts that could not readily be quantified by the Debtors are scheduled as "unknown." These may include claims for prepetition services for which the Debtors have not yet received invoices or for Debtors with limited accounting information available (see General Note 31). The description of an amount as "unknown" is not intended to reflect upon the materiality of the amount.

15. Payment of Prepetition Claims Pursuant to First Day Orders. On or about September 25, 2024, the Bankruptcy Court entered interim orders (the "Interim Orders") authorizing, but not directing, the Debtors to, among other things, pay certain prepetition claims relating to (a) employee wages, salaries, and other compensation and benefits; (b) insurance premiums; and (c) the continued use of the Debtors' Cash Management System. Final orders granting such relief were entered on or about October 17-21, 2024 (the "Final Orders," and, collectively with the Interim Orders, the "First Day Orders"). In certain instances, the debtor has continued to make payments on outstanding secured debt. Where the Schedules list creditors and set forth the amounts attributable to such claims, such scheduled amounts reflect balances owed as of the applicable petition date. To the extent any adjustments are necessary to reflect any payments made on account of such claims following the commencement of these Chapter 11 Cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such adjustments have been included in the Schedules unless otherwise noted on the applicable Schedule. The Debtors reserve the right to update the Schedules to reflect payments made pursuant to the First Day Orders.

16. Employee Claims. The Bankruptcy Court entered a First Day Order granting the Debtors the authority, but not imposing on them the obligation, to pay certain prepetition employee wages, salaries, benefits, and other obligations in the ordinary course. Employee claims for prepetition amounts that were paid, or were authorized to be paid, pursuant to such orders of the Bankruptcy Court, may not be included in the Schedules and Statements.

17. Other Claims Paid Pursuant to Court Orders. Pursuant to certain orders of the Bankruptcy Court entered in the Debtors' Chapter 11 Cases, the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims. Accordingly, these liabilities may have been or may be satisfied in accordance with those orders, and therefore may not be listed in the Schedules and Statements.

18. Insiders. The Debtors have included all payments and distributions made to officers and managers during the twelve months preceding the applicable petition date. Included in the value reflected are cash payments to or for the benefit of the insider (inclusive of payroll, bonus and other employee benefits paid in cash). Persons have been included in the Statements for informational purposes only, and the listing of an individual as an insider is not intended to be and should not be construed as a legal characterization of that person as an insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims and defenses are reserved. Further, the Debtors do not take any position concerning (a) the person's influence over the control of the Debtors, (b) the person's management responsibilities and functions, (c) the person's decision-making or corporate authority, or (d) whether the person could successfully argue that he or she is not an insider under applicable law, including federal securities law, or any theories of liability or for any other purpose.

19. Excluded Assets and Liabilities. Other non-material assets and liabilities may have been excluded from the Schedules.

20. Intercompany Claims. Claims between the Debtors, as reflected in the applicable entities' balance sheet accounts, have been reported on Schedule A/B 71 and Schedule E/F. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as claims, interests, or not allowed at all. Such claims between the Debtors as reflected in their books and records do not completely reconcile as to each Debtor. Accordingly, the intercompany claims on Schedule E/F have been flagged as disputed. On February 14, 2025, the Debtors filed the *Debtors' Reservation of Rights Regarding Interdebtor Claims and Interests* [Dkt. No. 836], reserving all rights as to asserting claims between Debtors. The Debtors expressly reserve all rights with respect to intercompany claims and interests, including to assert that one or more Debtors or other entities should be substantively consolidated, and including to amend their Schedules, Statements, and Lists as needed to assert such intercompany claims and interests.

21. Litigation. Certain litigation actions reflected as claims against one Debtor may relate to any of the other Debtors. The Debtors have made commercially reasonable efforts to record these actions in the Schedules and Statements of the Debtor that is party to the action.

22. Claim Description. Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on these Schedules and Statements on any grounds, including, without limitation, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed." Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors' assets in which such creditors may have a lien has been undertaken. Moreover, the Debtors reserve all of their rights to, but are not required to, amend, supplement, or otherwise modify their Schedules and Statements as necessary and appropriate, including modifying claims descriptions and designations.

23. Debt Representatives. Claims relating to the repayment of principal, interest and other fees and expenses under agreements governing any syndicated credit facility where the identities of the

lenders or other parties in interest are not known with certainty are scheduled listing the administrative agent under the applicable credit facility.

24. Unliquidated Claim Amounts. Claim amounts that could not be readily quantified by the Debtors are scheduled as “unliquidated.” To the extent the Debtors are able to ascertain or estimate all or a portion of the claim amounts, they may have listed the known or estimated claim amount and marked the claims as unliquidated, pending final resolution of outstanding issues necessary to determine the total claim amount with certainty.

25. Liabilities. The Debtors have sought to allocate liabilities between prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve their right to, but are not required to, amend the Schedules and Statements as they deem appropriate to reflect this.

26. Guarantees and Other Second Liability Claims. The Debtors have used commercially reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, the “Guarantees”) in their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Where Guarantees have been identified, they have been included in the relevant Schedules D, E/F, G and H for the affected Debtor or Debtors. Guarantees have generally been included in Schedules of the guarantor Debtor as “contingent” unless otherwise specified. While the Debtors have used commercially reasonable efforts to locate and identify Guarantees, it is possible that Guarantees embedded in the Debtors’ executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. The Debtors reserve all of their rights to, but are not required to, amend, supplement, or modify the Schedules if additional Guarantees are identified.

27. Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed to be an admission that those intellectual property rights have been sold, abandoned, or terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that those intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights as to the legal status of all intellectual property rights.

28. Post-petition Agreements. The Debtors have entered into and may continue to enter into certain post-petition agreements with creditors and other counterparties such as secured lenders with respect to the amounts of pre-petition claims. The amounts listed in the Schedules and Statements represent amounts owed as of the applicable petition date and are not intended to be a waiver or repudiation of any such post-petition agreement. The Debtors reserve all of their rights to, but are not required to, amend, supplement, or otherwise modify their Schedules and Statements as necessary and appropriate to reflect such post-petition agreements, including modifying claims descriptions and designations.

29. Totals. All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements and exclude items identified as “unknown” or “unliquidated.” If there are unknown or unliquidated amounts, the actual totals may be materially different from the listed totals.

30. Joint Ownership of Debtors’ Properties. Certain Debtors co-own and operate investment properties. Where applicable, amounts in the Schedules and Statements have been apportioned based on this co-ownership. Attached to these General Notes as Annex A is a table of properties co-owned by the debtors.

31. 1050 Elm Street: There was conflicting information and uncertainty regarding the ownership of 1050 Elm Street, in Napa, California. The Debtors’ books and records reflected the property owner as Tradewinds Apartments, LP and the historical tax returns have been prepared as such. Further investigation has determined that the owner of 1050 Elm Street is Pinecone, LP. 1050 Elm Street is reported as an asset of Pinecone, LP in the amended Schedules and Statements.

### **Specific Disclosures with Respect to the Debtors’ Schedules**

32. Schedule A/B – Assets: Real and Personal Property. All values are as the applicable petition date. Bank account balances are as of the end of the day on the applicable petition date. Details with respect to the Debtors’ cash management system and bank accounts are provided in the Cash Management Motion. The cash balance as of the applicable petition date for all Debtors is presented on a book basis except for Home Tax Service of America, Inc., which is presented on a bank balance basis.

Net operating losses are listed in the Schedules as unknown, as the ability of the Debtors to utilize any available NOLs has not been evaluated.

The current value of a Debtors’ interest in non-publicly traded stock and interests in partnerships, etc., are presented as the original cost of the investment.

In connection with the operation of their businesses, the Debtors maintain numerous property and liability insurance programs through different insurance carriers that provide the Debtors with insurance coverage for claims relating to, among other things, workers’ compensation, property, liability, and employee health. The Debtors offer their employees: (i) medical insurance through Kaiser Foundation Health Plan, (ii) dental and vision coverage through Humana Inc. and (iii) life and accidental death and dismemberment through The Guardian Life Insurance Company of America. The Debtors’ also maintain a policy of directors’ and officers’ liability insurance.

The Debtors hold potential causes of action against Kenneth Mattson and other entities related to certain transactions effected by Mr. Mattson prior to the applicable petition dates.

33. Schedule D: Creditors Holding Secured Claims. Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D

of any Debtor. Certain claims may be listed on Schedule D as “unliquidated” because the value of the collateral securing such claims is unknown. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument (including without limitation, any intercompany agreement) related to such creditor’s claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. In certain instances, a Debtor may not be the borrower identified on a note or deed of trust secured by such Debtor’s property; in such instances the borrower identified on the note or deed of trust may be listed on Schedule H for that Debtor. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the General Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

34. Schedule E/F: Creditors Who Have Unsecured Claims. Listing a claim on Part 1 of Schedule E/F as priority does not constitute an admission by the Debtors of the claimant’s legal rights or a waiver of the Debtors’ right to recharacterize or reclassify the claim or contract. The Bankruptcy Court entered a number of First Day Orders granting authority to pay certain prepetition priority claims. Accordingly, only claims against Debtors for prepetition amounts as of the applicable petition date that have not been paid have been included in Part 1 of Schedule E/F. Amounts owed to taxing authorities related to property tax reassessments have been flagged as disputed to preserve the applicable Debtor’s option to review and dispute. The Debtors reserve their rights to object to any listed claims on the ground that, among other things, they have already been satisfied. With respect to tenants of the Debtors that have vacated their leased premises after the applicable petition date, their security deposit may have been returned in the ordinary course of business.

Part 2 of Schedule E/F does not include certain deferred charges, deferred liabilities or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the applicable petition date; however, they are reflected on the Debtors’ books and records. The claims listed in Part 2 of Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Part 2 of Schedule E/F was incurred or arose would be, in certain cases, unduly burdensome and cost prohibitive and, therefore, the Debtors have not listed a date for each claim listed on Part 2 of Schedule E/F. In addition, certain litigation or claims covered by insurance policies maintained by the Debtors may be excluded from Part 2 of Schedule E/F. The claims of individual creditors are generally listed at the amounts recorded on the Debtors’ books and records and may not reflect credits or allowances due from the creditor. The Debtors reserve all of their rights concerning credits or allowances. The Bankruptcy Court entered First Day Orders granting authority to the Debtors to pay certain prepetition obligations in the ordinary course of business. Accordingly, only claims against the Debtors for prepetition amounts that have not been paid as of the applicable petition date have been included in Part 2 of Schedule E/F. The Debtors reserve their rights to object to any listed

claims on the ground that, among other things, they have already been satisfied. Additionally, Part 2 of Schedule E/F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

The notes payable from related parties or affiliates reflect balances from the books and records as of the applicable petition date and are subject to further review. In most instances, a signed note does not exist, however amounts borrowed or loaned bear interest.

35. Schedule G: Executory Contracts and Unexpired Leases. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over-inclusions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may not have taken effect or be binding on any party and may have expired or been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases and contracts listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Nothing herein shall be construed as a concession or evidence that any of the contracts, agreements or leases identified on Schedule G: (i) constitute an executory contract within the meaning of section 365 of the Bankruptcy Code or other applicable law; or (ii) have not expired or been terminated or otherwise are not current in full force and effect. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on the Schedule, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument. Certain of these contracts or leases may have been modified, amended or supplemented by various documents, instruments or agreements that may not be listed, but are nonetheless incorporated by this reference. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Such contracts, agreements and leases are listed on Schedule G of each such Debtor.

36. Schedule H: Co-Debtors. In the ordinary course of their businesses, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their businesses. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because such claims are listed elsewhere in the Schedules and Statements, they have not been set forth individually on Schedule H. In certain instances, a Debtor may not be the borrower identified on a note or deed of trust secured by such Debtor's property and set forth on Schedule D; in such instances the borrower identified on the note or deed of trust may be listed on Schedule H for that Debtor. Schedule H also reflects guarantees by various Debtors. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. Further, the Debtors believe that certain of the guarantees reflected on Schedule H may have expired or are no longer enforceable. Thus, the Debtors reserve their right to amend the Schedules to the extent that additional guarantees are identified or such

guarantees are discovered to have expired or are unenforceable. Schedule H is furnished for informational purposes only to apprise parties in interest of co-debtor relationships of the Debtors as of the applicable petition date and is derived from documents in the possession of the Debtors. It is not an admission or recognition that any co-debtor liability exists or existed.

### **Specific Disclosures with Respect to the Debtors' Statements**

37. Statement 2: Income. To the extent a Debtor has negative income, that is indicative of a loss from the sale of an asset (i.e., Beach Pine 2024 and Red Spruce Tree 2023).

38. Statement 3: Payments or Transfers within 90 Days of the Petition Date. The dates identified in the date of payment column for payments made to creditors for goods or services, and other debts, within 90 days prior to the applicable petition date relate to one of the following: (i) the date of a wire transfer; (ii) the date of an ACH payment; or (iii) the issuance date for a check or money order. Although the Debtors have attempted to remove unfunded and rejected payments, there may be items in process; therefore, certain payments reflected in response to Statement 3 may not have been paid, and those amounts may also appear as unsecured non-priority claims in Schedule E/F as amounts owed to the same entities. Credits taken against balances owed to third parties are included in response to Statement 3. Payments or transfers made within the 90 days prior to the applicable petition date to non-employee directors and/or insiders are included in response to Statement 4, and not listed in response to Statement 3. Payments or transfers on account of payroll for employees are not included in response to Statement 3.

39. Statements 3 and 4: Prepetition transfers. Vendor payments reviewed for threshold amount by property. See General Note 30 regarding co-ownership of properties by Debtors. Even though a payment may have fallen below the threshold when allocated to each Debtor-owner, it has been included in this list if the total payment exceeded the threshold amount for an avoidable preference.

40. Statement 6: Setoffs. The Debtors routinely incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur in connection with a variety of ordinary and customary transactions or settlements and are done in accordance with the contractual arrangement or an agreed upon settlement, including, but not limited to, intercompany transactions, pricing discrepancies, refunds, negotiations, and/or other ordinary and customary billing disputes between the Debtors and their customers and/or suppliers. These normal setoffs and net payments are consistent with the ordinary course of business in the Debtors' industry and can be voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and nettings may have been accounted for when scheduling certain amounts, these ordinary course setoffs and nettings are not independently accounted for, and as such, have been excluded from the Statements.

41. Statement 7: Legal Actions, Administrative Proceedings, Court Actions, Executions, Attachments or Governmental Audits. The Debtors have used reasonable efforts to report all legal actions, proceedings, investigations, arbitrations, mediations, and audits by federal or state agencies in which the Debtors were involved in any capacity within one year prior to the applicable petition date.

As of the applicable petition date, several matters were in the litigation and dispute resolution process. The Debtors reserve all of their rights and defenses with respect to any and all listed lawsuits and administrative proceedings. The listing of any such suits and proceedings shall not constitute an admission by the Debtors of any liabilities or that the actions or proceedings were correctly filed against the Debtors or any affiliates of the Debtors. The Debtors also reserve their rights to assert that neither the Debtors nor any affiliate of the Debtors is an appropriate party to such actions or proceedings.

The Debtors are regularly involved in the ordinary course of their business in a number of eviction and collection actions against individual tenants. These actions have not been included in Statement 7.

42. Statement 10: Certain Losses. The losses listed in response to Statement 10 may exclude those incurred in the ordinary course of business, those where the amount is *de minimis*, or where the loss is less than the amount of the insurance deductible. The property values reported in response to Statement 10 are based on the actual or estimated costs, including labor costs, to repair the property.

43. Statement 11: Payments Related to Bankruptcy. All disbursements listed in response to Statement 11 were initiated and disbursed by each specific Debtor entity but were for the benefit of all Debtors. To the extent any of the firms listed in response to Statement 11 performed both bankruptcy and non-bankruptcy related work, the Debtors have attempted to identify only the payments related to bankruptcy. However, certain payments listed in response to Statement 11 may be for both bankruptcy and non-bankruptcy services.

44. Statement 13: Transfers Not Already Listed. These transfers include both purchases and sales.

45. Statement 14: Previous Addresses. The Debtors understand that Kenneth Mattson used the Vacaville P.O. Box address for years, and it has been included as previous address used by all Debtors

46. Statement 23: Environmental Liabilities. The environmental issue regarding soil contamination came to the Debtors' attention in March 2023.

47. Statement 26d: Financial Statements Issued. The Debtors do not know what financial statements Kenneth Mattson may have issued on behalf of the Debtors.

#### **Specific Disclosures with Respect to the Debtors' Lists**

48. "Unrecorded" Investors. The Debtors have been made aware of a number of individuals and entities that allege to hold equity interests in one or more of the Debtors that are not reflected in the Debtors' books and records. The identities and alleged interests that the Debtors are aware of are listed on Annex B attached to these General Notes. **Because Annex B is voluminous, it has only been included with the version of the General Notes attached to the Debtors' Omnibus List of Equity Security Holders.**
