

United States Bankruptcy Court for The District of Delaware

Nu Ride Inc., Chapter 11, Case No. 23-10831 (MFW)

Subject: Response to Objection to Equity Interest Claims

Arvindkumar Mistry, Claim number 765

To Office of the Clerk of the United States Bankruptcy Court for District of Delaware

I am writing in response to the objection regarding my equity interest claim in Nu Ride Inc., (the "Debtor"). I believe this claim is based on legitimate ownership and supported by accurate, verifiable information, and I respectfully request that my equity interest not be disallowed.

### **1. Basis in Ownership of Equity Securities**

My claim is grounded in the actual ownership of equity securities in the Debtor, the wrongful conduct on the part of the debtor should be given due consideration. This equity interest is not based on any unsubstantiated or exaggerated information, but rather on documented rights and ownership in the Debtor's equity securities.

### **2. Supporting Evidence and Accurate Information**

To address any questions regarding the legitimacy of my claim, I have provided accurate, complete information that supports my ownership rights in the Debtor's equity, as listed on Schedule 1 claim number 765, in the amount of \$24,485.00. Schedule 1 of the document should adequately establish my ownership of equity and furthermore claim that such equity loss has caused hardship to my family. The misrepresentation of information and wrongful conduct by executives of this corporation has shaken my trust in those selected executives to lead corporations. Please consider my plea for return of equity interest, it's significant amount for my family.

### **Conclusion**

Given the documented basis of my claim and the supporting information provided, I respectfully request that this claim be allowed as a bona fide equity interest. Should you require any further documentation or clarification, I am more than willing to provide additional information as needed.

Thank you for your time and consideration of this matter.

Sincerely,

Arvindkumar Mistry
