purchase price of \$14,500,000.00, subject to adjustment as set forth in the APA; and the Debtors having determined that the Successful Bidder has submitted the highest and best bid for the Assets; and the Court having conducted a hearing to approve the sale to the Successful Bidder upon the terms and conditions set forth in the APA on November 22, 2024 (the “Sale Hearing”) at which time all interested parties were offered an opportunity to be heard; and all parties in interest having been heard, or having had the opportunity to be heard, regarding entry of this Order (the “Sale Order”) and approval of the Sale and APA; and the Court having found the filing of the *Memorandum of Order Authorizing Sale Free and Clear of All Liens, Claims, and Encumbrances* (the “Memorandum of Sale Order”), substantially in the form attached hereto as **Exhibit 2**, with the appropriate clerk or recorder is proper; and it appearing that due and appropriate notice of the Motion, the Bid Procedures Order, the Bid and Sale Procedures, the Auction, the Sale, the Assumption and Assignment Procedures, and the Sale Hearing having been given; and it appearing that no other notice of the relief granted by this Sale Order need be given; and this Court being fully advised in the premises; this Court, based upon the arguments, testimony and evidence presented to it, hereby makes the following findings of fact and conclusions of law:²

A. This Court has jurisdiction to hear and determine the Motion and to grant the relief requested therein pursuant to 28 U.S.C. §§ 157 and 1334. Venue of these Bankruptcy Cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

B. This Sale Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). To any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure as made applicable by Bankruptcy Rule 7054, this Court

expressly finds that there is no just reason for delay in the implementation of this Sale Order, and expressly directs entry of judgment as set forth herein.

C. This proceeding is a “core proceeding” within the meaning of 28 U.S.C. § 157(b)(2)(A), (N) and (O).

D. The statutory predicates for the Motion are §§ 105, 363 and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006 and 9007.

E. As evidenced by the affidavits of service filed with the Court, and based upon the representations of counsel at the Sale Hearing: (i) proper, timely and adequate notice of the Motion, the Bid Procedures Order, the Sale Hearing, the Sale, the Auction and the Assumption and Assignment Procedures has been provided in accordance with Bankruptcy Rules 2002, 6004, and 9007; (ii) such notice was good, sufficient and appropriate under the circumstances; and (iii) no other or further notice of the Motion, the Bid Procedures Order, the Sale Hearing, the Auction, the Assumption and Assignment Procedures or the Bid and Sale Procedures is necessary or shall be required.

F. A reasonable opportunity to object or be heard with respect to the Motion and the Sale has been afforded to all interested persons and entities, including, without limitation: (i) the Office of the United States Trustee; (ii) counsel for the Committee; (iii) UMB Bank, N.A., in its capacity as bond trustee (the “Bond Trustee”), (iv) Lument Real Estate Capital, LLC (“Lument”), f/k/a Lancaster Pollard Mortgage Company, (v) the United States Department of Housing and Urban Development (including the U.S. Department of Justice in its capacity as counsel) (“HUD” and together with Lument, the “HUD Related Parties”), (vi) all entities known by the Debtors to have expressed an interest in acquiring the Assets since the Petition Date; and (vii) all other parties who filed requests for notice under Bankruptcy Rule 2002. The Debtors also gave due and proper

notice of the Sale and assumption and assignment of each of the executory contracts listed on the *Amended Notice to Counterparties to Executory Contracts and Unexpired Leases of the Debtors that May be Assumed and Assigned in Connection with Sale* [Docket No. 369] (the “Cure Notice”) to each non-Debtor party to such contracts.

G. Notice, as specified in the preceding paragraphs and as evidenced by the affidavits of service filed with the Court, has been provided in the form and manner specified in the Motion and required by the Bid Procedures Order, and the Court finds that the notice is adequate and sufficient in all respects to bind all creditors and parties in interest in this Chapter 11 Case.

H. The process for the sale of the Assets was conducted in accordance with the Bid Procedures Order and in a non-collusive, fair, and good faith manner.

I. A reasonable opportunity has been given to any interested party to make a higher or better offer for the Assets.

J. The Successful Bidder is purchasing the Assets in good faith and is a good faith purchaser within the meaning of § 363(m) of the Bankruptcy Code, and is therefore entitled to the protection of that provision.

K. The APA attached hereto as **Exhibit 1** was negotiated, proposed, and entered into by the Debtors and the Successful Bidder without collusion, in good faith, and from arms-length bargaining positions. Neither the Debtors, nor the Successful Bidder, has engaged in any conduct that would cause or permit the Sale or any part of the transactions contemplated by the APA to be avoidable under § 363(n) of the Bankruptcy Code.

L. As demonstrated by (i) the evidence proffered at the Sale Hearing; and (ii) the representations of counsel made on the record at the Sale Hearing, the Debtors afforded interested

potential purchasers a full and fair opportunity to qualify as Qualified Bidders under the Bid Procedures and to submit an offer for the Assets.

M. The Successful Bidder is not an “insider” of the Debtors as that term is defined in § 101(31) of the Bankruptcy Code.

N. The consideration provided by the Successful Bidder for the Assets pursuant to the APA: (i) is fair and reasonable; (ii) is the highest and best offer for the Assets; (iii) will provide a greater recovery for all of the Debtors’ stakeholders than would be provided by any other practical available alternative; and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Transfer Act or the Uniform Voidable Transactions Act, as applicable, and all other applicable laws.

O. The Debtors have demonstrated a sufficient basis and compelling circumstances requiring the Debtors to enter into the APA and sell the Assets under § 363 of the Bankruptcy Code, and such actions are appropriate exercises of the Debtors’ business judgment and are in the best interests of the Debtors, their estates and their creditors.

P. The marketing and bidding processes implemented by the Debtors and their advisors, as set forth in the Motion, were fair, proper, and reasonably calculated to result in the best value received for the Assets.

Q. The Debtors have full authority and power to execute and deliver the APA, related agreements, and all other documents contemplated by the APA, to perform their obligations therein, and to consummate the Sale. No additional consents or approvals, other than those provided in the APA, are necessary or required for the Debtors to enter into the APA, perform their obligations therein, and consummate the Sale.

R. The Successful Bidder would not have entered into the APA and would not consummate the transactions thereby, thus adversely affecting the Debtors and their residents, estate and creditors, if the Assets were not sold to it free and clear of all Claims and Encumbrances, except those expressly assumed by the Successful Bidder. A sale of the Assets other than one free and clear of all such Claims and Encumbrances would adversely impact the Debtors' estates, residents and creditors, and would yield substantially less value to the Debtors' estates.

S. The provisions of § 363(f) of the Bankruptcy Code have been satisfied pursuant to the terms of this Sale Order.

T. The Bond Trustee and the DIP Lender have consented to the sale of the Assets pursuant to the APA free and clear of Claims and Encumbrances, including any Claims and Encumbrances of the Bond Trustee or the DIP Lender against the Assets, pursuant to the terms of this Sale Order.

U. Subject to the right of parties to object pursuant to the terms of this Sale Order, the Debtors may assume each contract and lease listed on applicable schedule of the APA, as such Schedules may be amended pursuant to the APA and this Sale Order (the "Assigned Executory Contracts"), and assign each of them to the Successful Bidder pursuant to §§ 363 and 365 of the Bankruptcy Code and this Sale Order notwithstanding any anti-assignment clause or other provision in the Assigned Executory Contracts, as provided by § 365(f) of the Bankruptcy Code.

V. The counterparties to the agreements that were not listed on the Cure Notice shall be provided notice of the assumption and assignment of the Assigned Executory Contracts and the proposed cure amounts in connection therewith, if any, pursuant to the procedures set forth in the Bid Procedures Order.

W. The Court's approval of this Sale and entry of this Sale Order are predicated on the Buyers' representations that: (1) neither Ephram Lahasky ("Lahasky"), MED Healthcare Partners LLC ("MED-HP"), any member or manager of MED-HP, nor any other Person that is an Affiliate of either Lahasky or MED-HP (collectively, the "Excluded Persons") is now or hereafter will be: (a) a Buyer or a Buyer's designee under the APA, (b) a Person that owns or controls, directly or indirectly, any financial or other interest in any Buyer or a Buyer's designee under the APA, or (c) a Person that has any role whatsoever in the management or operation of any Facility, Business, or Asset to be acquired by a Buyer or a Buyer's designee under the APA; and (2) no agreement exists whereby any Excluded Person has a right to purchase or has been promised the right to purchase or otherwise acquire or receive any direct or indirect ownership or financial, economic, or other interest in any Buyer or any Buyer's designee under the APA or any Facility, Business, or Asset to be acquired by a Buyer or a Buyer's designee under the APA (the "Predicate Representations").

X. If any Predicate Representation is determined to have been false when made or is later (including post-Closing) breached by a Buyer, notwithstanding section 363(m) of the Bankruptcy Code or anything to the contrary in this Sale Order, parties in interest may seek appropriate relief from this Court or another court or adjudicative body of competent jurisdiction.

IT IS HEREBY ORDERED, ADJUDGED AND DECREED, EFFECTIVE IMMEDIATELY, AS FOLLOWS:

1. The relief requested in the Motion is **GRANTED** and **APPROVED** in all respects. The Debtors' entry into the APA and the Sale is hereby **GRANTED** and **APPROVED** in all respects. The terms and conditions of the APA are hereby **GRANTED** and **APPROVED** in all respects.

2. All objections to the relief sought in the Motion that have not been previously resolved or withdrawn are hereby overruled on their merits and with prejudice; *provided, however*, that any Assumption Objections and Assignment Objections not timely heard or dealt with at the Sale Hearing based upon the Bid Procedures Order filed in connection with the Assigned Executory Contracts shall be determined in accordance with the Bid Procedures Order.

3. The Debtors are authorized and directed to take any and all actions necessary or appropriate to (i) consummate the Sale in accordance with the Motion, the APA and this Sale Order, and (ii) perform, consummate, implement and close fully the Sale, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the APA, including filing the Memorandum of Sale Order substantially in the form attached hereto as **Exhibit 2** with the appropriate clerk or recorder. After the date of entry of this Sale Order, the Debtors and the Successful Bidder may, after notice to (a) the Bond Trustee, (b) the Committee, (c) the United States (with respect to any Federal Interest (as defined herein), including the HUD Facilities (each, as defined in the APA)), and Assets that are subject to liens securing the HUD Debt immediately prior to the Closing, and (d) Lument (with respect to the HUD Facilities, the HUD Debt, and Assets that are subject to liens securing the HUD Debt immediately prior to the Closing only), enter into any amendment, supplement, or modification to the APA that is not material or is not adverse to the Debtors' estates, the Bond Trustee, any Federal Interests (as to the United States), or Lument without the need of further notice, hearing or Court order.

4. Those holders of Claims and Encumbrances and other non-Debtor parties who did not object, or who withdrew their objections prior to entry of this Sale Order are deemed to have consented to this Sale Order, the Sale and the APA pursuant to § 363(f)(2) of the Bankruptcy Code and are enjoined from taking any action against the Successful Bidder, its affiliates, or any agent

of the foregoing to recover any claim which such person or entity has against the Debtor. Those holders of Claims and Encumbrances and other non-Debtor parties who did object, if any, fall within one or more of the other subsections of § 363(f) of the Bankruptcy Code and are adequately protected by having their Claims and Encumbrances, if any, attach to the proceeds of the Sale ultimately attributable to the property against or in which they assert a Claim and Encumbrance with the same validity and priority that existed immediately prior to consummation of the Sale.

Sale and Transfer of the Assets

5. The APA, related transaction documents, all transactions contemplated thereby and all of the terms and conditions thereof are hereby **APPROVED**.

6. Upon closing of the Sale with the Successful Bidder (the “Closing”), the Assets transferred, sold, and delivered to the Successful Bidder pursuant to the APA shall be free and clear of all Claims and Encumbrances of any person or entity, except those Claims and Encumbrances expressly assumed by the Successful Bidder, including without limitation the HUD Debt to the extent assumed in accordance with the APA and pursuant to the consent and approval of HUD and Lument, with all such Claims and Encumbrances attaching automatically to the proceeds of the Sale in the same manner, validity and priority that they attached to the Assets prior to the Closing. The transfer of the Assets to the Successful Bidder constitutes a legal, valid, and effective transfer of the Assets and shall vest the Successful Bidder with all right, title, and interest in and to the Assets described in the APA.

7. Upon Closing, this Sale Order shall be construed as, and shall constitute for any and all purposes, a full and complete general assignment, conveyance and transfer of the Assets pursuant to the terms of the APA.

8. Notwithstanding anything in this Sale Order or the APA to the contrary, the Assets sold to the Successful Bidder pursuant to the APA and this Sale Order shall not include any charitable funds held by or on behalf of the Debtors.

9. Upon Closing, except as permitted by the APA or this Sale Order, all persons and entities, including, but not limited to, the Debtors and their creditors, residents, employees, former employees and shareholders, administrative agencies, tax and regulatory authorities, governmental departments, secretaries of state, federal, state and local officials, and their respective successors or assigns, including, but not limited to, persons asserting any Claims and Encumbrances against the Assets (except with respect to any Claims or Encumbrances that have been assumed pursuant to the APA and this Sale Order, including the HUD Debt, to the extent so assumed), shall be permanently and forever barred, restrained and enjoined from commencing or continuing in any manner any action or other proceeding of any kind against the Assets or the Successful Bidder (or its members, representatives, or affiliates) as alleged successor or otherwise, with respect to (i) any Claims and Encumbrances on or in respect of the Assets, and (ii) recovering from any claim which such person or entity had solely against the Debtors or any of the Debtors' subsidiaries, affiliates, directors, officers, agents, representatives, employees, investors, owners, shareholders, partners, or joint venturers.

10. The terms and provisions of this Sale Order shall be binding in all respects upon all entities, including, but not limited to the Debtors, the Successful Bidder, creditors, residents, employees, former employees and shareholders, administrative agencies, governmental departments, secretaries of state, federal, state and local officials and their respective successors or assigns, including, but not limited to, persons asserting any Claim and Encumbrance against or

interest in the Debtors' estates or the Assets, including any subsequent appointment of a trustee or other fiduciary under any section of the Bankruptcy Code.

11. Upon Closing, except to the extent such liability is expressly assumed by the Successful Bidder under the APA (including the HUD Debt to the extent so assumed) or this Sale Order, all entities holding a Claim and Encumbrance of any kind and nature against the Assets hereby are barred from asserting such Claim and Encumbrance against the Successful Bidder and/or the Assets and, effective upon the transfer of the Assets to the Successful Bidder upon Closing, the Claims and Encumbrances shall attach to the proceeds of the Sale with the same force, validity, priority, and effect, if any, as against the Assets.

12. This Sale Order (i) is and shall be effective as a determination that, upon Closing, all Claims and Encumbrances existing as to the Assets conveyed to the Successful Bidder (other than Claims and Encumbrances against the HUD Facilities and their Assets securing the HUD Debt immediately before Closing to the extent such debt has been assumed) have been and hereby are adjudged to be unconditionally released, discharged, and terminated, with all such Claims and Encumbrances attaching automatically to the proceeds in the same manner, extent, validity, and priority as they existed at Closing, and (ii) shall be binding upon and govern the acts of all entities, including all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies or units, governmental departments or units, secretaries of state, federal, state and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Assets conveyed to the Successful Bidder. All Claims and Encumbrances of record as of the date of this Sale Order, other than those Claims and

Encumbrances against the HUD Facilities and their assets securing the HUD Debt to the extent such debt has been assumed in accordance with the APA and this Sale Order, shall be removed and stricken as against the Assets in accordance with the foregoing. All entities are authorized and specifically directed to strike all such recorded Claims and Encumbrances against the Assets from their records, official or otherwise. For the avoidance of doubt, in the event the HUD and Lument approve the assumption of the HUD Debt by the Successful Bidder (or its permitted designee), Debtors, Lument, and HUD are each authorized to take any and all actions required by HUD in connection with the assumption of the HUD Debt, including but not limited to amending the existing loan documents relating the HUD Debt, and any Claims and Encumbrances relating thereto, including as appropriate filing and/or recording any such documents as are necessary or appropriate to reflect the assumption of such HUD Debt by the Successful Bidder (or its permitted designee).

13. If any person or entity which has filed financing statements, mortgage, lis pendens or other documents or agreements evidencing Claims and Encumbrances on the Assets (other than with respect to those Claims and Encumbrances against the HUD Facilities and their assets securing the HUD Debt to the extent such debt has been assumed) shall not have delivered to the Debtor prior to Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of liens and easements and any other documents necessary for the purpose of documenting the release of all Claims and Encumbrances which the person or entity has or may assert with respect to the Assets, the Debtors are hereby authorized and directed upon Closing, and the Successful Bidder is hereby authorized upon Closing, to execute and file such statements, instruments, releases and other documents on behalf of such person or entity with respect to the Assets. Upon Closing of the Sale, each of the Debtors'

creditors is authorized and directed to execute such documents and take all such actions as may be necessary to release their respective Claims and Encumbrances against the Assets.

14. Upon a Closing, the Successful Bidder shall not be deemed to be (i) a successor to the Debtors, (ii) party to a *de facto* merger of the Successful Bidder and the Debtors or (iii) a mere continuation of the Debtors. Without limiting the generality of the foregoing, and except as specifically provided in the APA or as provided in this Sale Order, the Successful Bidder shall not be liable for any claims against the Debtors or any of its predecessors or affiliates, other than as expressly provided for in such APA or this Sale Order. Further, except as expressly provided in the APA or this Sale Order, the Successful Bidder is not assuming nor shall it in any way be liable or responsible, as successor or otherwise, for any claims, debts, obligations, Claims or Encumbrances of the Debtors or their estates of any kind or character in any way whatsoever relating to or arising from the Assets or the Debtors' operation or use of the Assets prior to the Closing, whether known or unknown as of the Closing, now existing or hereafter arising, whether fixed or contingent, under the laws of the United States, any state, territory, or possession of the United States, the District of Columbia or any other country or foreign jurisdiction, including but not limited to the following: (i) any labor or employment Agreements; (b) any mortgages, deeds of trust, and security interests; (ii) any pension, welfare, compensation, or other employee benefit plans, Agreements, practices, and programs, including, without limitation, any pension plan of the Debtors; (iii) any other employee, worker's compensation, occupational disease, or unemployment or temporary disability related claim, including, without limitation, claims that might otherwise arise under or pursuant to (a) the Employee Retirement Income Security Act, as amended, (b) the Fair Labor Standards Act, (c) Title VII of the Civil Rights Act of 1964, (d) the Federal Rehabilitation Act of 1973, (v) the National Labor Relations Act, (e) the WARN Act, (f) the Age

Discrimination in Employment Act, as amended, (g) the Americans with Disabilities Act, (h) the Family Medical Leave Act, (i) the Labor Management Relations Act, (j) the Multiemployer Pension Protection Act, (k) the Pension Protection Act, (l) the Consolidated Omnibus Budget Reconciliation Act of 1985, (m) the Comprehensive Environmental Response Compensation and Liability Act, (n) state discrimination laws, (o) state unemployment compensation laws or any other similar state laws, or (p) any other state or federal benefits or claims relating to any employment with the Debtors or any of its respective predecessors; (iv) any bulk sales or similar law; (v) any tax statutes or ordinances, including, without limitation, the Internal Revenue Code of 1986, as amended, or any state or local tax laws; (vi) any escheat or unclaimed property laws; (vii) to the extent not included in the foregoing, any of the Excluded Liabilities under the Agreement; and (viii) any theories of successor or transferee liability.

15. Successful Bidder stipulates and agrees that neither Successful Bidder, nor any designee thereof, nor any intended operator of any of the HUD Facilities nor any Affiliate or “insider” of the foregoing (with “insider” having the meaning given to it in Section 101 of the Bankruptcy Code with “Successful Bidder” being substituted in place of “debtor” as used therein) (i) has filed or emerged from bankruptcy within the last 5 years; (ii) has a history of not paying creditors in a timely manner; (iii) is insufficiently capitalized; (iv) has any delinquent federal debt that has not been resolved, including through an agreed upon repayment plan, (v) has any judgments against it or its principals that could significantly impact upon the financial position of the individual/firm or corporation or result in a determination that the individual, firm or corporation is an unacceptable credit risk; and (vi) is insolvent or subject to any pending bankruptcy or insolvency proceeding.

Sale Proceeds

16. Except for the payments made on account of Cure Amounts (as defined below), and all of the amounts needed to satisfy obligations of the Debtors and the Successful Bidder (including any permitted assignee thereof) to effectuate the assumption of the HUD Debt by the Successful Bidder (or its permitted assignee), including all reasonable legal fees, costs and expenses of Lument (the “Assumption Obligations”), the cash portion of the Purchase Price (including the release of the Escrow Deposit) received by the Debtors at Closing of a sale of the Assets to Successful Bidder with assumption of the HUD Debt (collectively, the “Net Cash Proceeds”) and the amounts on deposit in all segregated cash accounts associated with the Assets (including any reserves that have not been transferred as part of the assumption) and the amount reserved for Smart-Fill pursuant to Paragraph 53 of this Order, at such Closing with assumption of the HUD Debt shall be paid directly to UMB Bank, N.A. (“UMB”), in its capacity as DIP Lender and Bond Trustee, and the Debtors are authorized and directed to pay such amounts directly to the UMB in an amount up to the amount of outstanding prepetition and postpetition obligations of the Debtors to the DIP Lender and the Bond Trustee for indefeasible application by the DIP Lender or the Bond Trustee, as applicable, to all such outstanding obligations.

17. The Assumption Obligations shall include all amounts necessary to (a) pay HUD Debt obligations that are due and payable as of the Closing Date, and (b) satisfy all reasonable outstanding legal fees, costs and expenses, and all other amount owed by the Debtors to Lument through the Closing Date relating to the HUD Debt, provided that (i) Lument will provide UMB supporting documentation of such amounts at least eleven (11) calendar days prior to the Closing date, and (ii) UMB shall have ten (10) calendar days to object to any requested amounts and, if the parties cannot resolve such disputes, the Debtors will pay the undisputed portion of such amounts with the disputed portion held in escrow pending resolution by the Bankruptcy Court; provided

that the scope of UMB's objection shall be limited to the reasonableness of such legal fees, expenses and other amounts and not as to whether Lument is an oversecured creditor. Debtors shall pay the undisputed Assumption Obligations to Lument immediately prior to Closing of the sale as to the HUD Facilities.

18. In connection with the assumption, UMB shall release its first-priority lien on Washington Village at the Closing of the Sale thereof, with such lien automatically attaching as a first-priority lien to the Net Cash Proceeds, and, upon Closing of the Sale with assumption of the HUD Debt, Lument (and, if applicable, HUD) shall release all of its liens and claims (including any liens and claims under the Final DIP Order) against any assets of the Debtors' estates that are not sold to the Successful Bidder; each release shall not require any further act or filing by any of the foregoing parties.

19. For the avoidance of all doubt, the Successful Bidder shall be responsible to satisfy any Assumption Fees and closing costs, including the fees, costs and expenses of Lument solely to the extent relating to the assumption of the HUD Debt, directly at Closing.

20. HUD and Lument will work in good faith to determine whether the reserve amounts currently held by Lument with respect to the Assets are consistent with or exceed the required reserve amounts and, upon approval of HUD, Lument will promptly return any excess reserve amounts to the Debtors, to be placed into the segregated cash account associated with the applicable Asset.

21. Notwithstanding anything to the contrary herein, in the event the Successful Bidder proceeds with the Closing by paying the entire Purchase Price in cash (i.e., without deduction for the HUD Debt assumed) (such event, a "Cash Closing") as contemplated in the APA, the rights

and objections of the Debtors, UMB, and the HUD Related Parties shall be reserved in full with respect to the allocation, use, or distribution of any proceeds resulting from a Cash Closing.

22. Successful Bidder acknowledges and agrees that the HUD Debt will include a prepayment premium in the event the Sale proceeds as a Cash Closing. Successful Bidder acknowledges and agrees that (i) Successful Bidder shall pay off, from its own funds and not as a part of the purchase price, the IHDA loan related to the Wabash Apartments and (ii) in the event of a Cash Closing for acquisition of one or both of the HUD Facilities, Successful Bidder shall increase the purchase price to include the required prepayment premium(s) associated with the retirement of the HUD Debt.

Assumption and Assignment of Assigned Executory Contracts

23. Notwithstanding any provisions in the APA to the contrary, the Successful Bidder may add or remove executory contracts and unexpired leases to the list of Assigned Executory Contracts until the date that is two (2) business days prior to closing of the Sale.

24. If, as to any Assigned Executory Contract, a counterparty does not assert an objection (an “Assumption Objection”) in accordance with the Cure Notice procedures by the objection deadline (the “Objection Deadline”), such Assigned Executory Contract shall be deemed assumed by the Debtors and assigned to the Successful Bidder pursuant to § 365 of the Bankruptcy Code without further order of the Court, effective as of the later of (i) the Objection Deadline; (ii) payment of the applicable cure amount, if any; and (iii) the date the Sale closes (the “Closing Date”). If, however, an Assumption Objection is received by the Objection Deadline, and the Debtors and/or the Successful Bidder is unable to resolve such Assumption Objection consensually, the proposed assumption and assignment which is the subject of the Assumption Objection shall be subject to further order of the Court, and the Debtors and/or the Successful Bidder shall promptly schedule a hearing to consider the Assumption Objection.

25. The Debtors have demonstrated that assuming and assigning the Assigned Executory Contracts in connection with the Sale is an exercise of their sound business judgment, and that such assumption and assignment is in the best interests of the Debtors' estates. Pursuant to the Assumption and Assignment Procedures, the Debtors will cure, or will provide adequate assurance of cure of, any defaults existing prior to the Closing Date, which is the effective date of the assumption of the Assigned Executory Contracts, and will provide for compensation or adequate assurance of compensation to any non-Debtor party to such contracts for any of their actual pecuniary losses resulting from any default arising prior to the Closing Date under the Assigned Executory Contracts, within the meaning of §363(b)(1)(B) of the Bankruptcy Code (collectively, the "Cure Amounts"). Pursuant to the APA, all Cure Amounts shall be funded by the Successful Bidder to the Debtor.

26. Subject to Paragraph 24 and payment of the Cure Amounts (which amounts may be satisfied or waived in part or whole according to any separate agreements with any non-Debtor party thereto), each Assigned Executory Contract will be in full force and effect and enforceable by the Successful Bidder against any non-Debtor party thereto in accordance with its terms upon the Closing of the Sale. The Debtors shall be relieved from any further liability with respect to the Assigned Executory Contracts after such assignment to and assumption by the Successful Bidder.

27. Unless otherwise agreed by any party potentially entitled to a Cure Amount, on the Closing Date or such other date as determined by the Court, the Debtor will pay in full all Cure Amounts in respect of all undisputed cure claims and all Cure Amounts that have been determined by this Court or resolved by agreement. Any agreements regarding Cure Amounts shall be binding as if and have the same effect as if the Court had made a final determination of such Cure Amounts

pursuant to this Sale Order and the motion or notice filed by the Debtor regarding assumption and assignment of such Assigned Executory Contracts.

28. Subject to Paragraph 24, except for the obligation to pay the Cure Amounts, each non-Debtor party to an Assigned Executory Contract hereby is forever barred, estopped, and permanently enjoined from asserting against the Debtors or the Successful Bidder, or the property of any of them, any default existing as of the date of the Sale Hearing, whether declared or known or unknown.

29. Any provisions in any Assigned Executory Contracts that prohibit or condition the assignment of any Assigned Executory Contracts or allow the non-Debtor party to such Assigned Executory Contract to terminate, recapture, impose any penalty, condition a renewal or extension, or modify or limit any term or condition upon the assignment of such Assigned Executory Contract, constitutes unenforceable anti-assignment provisions that are void and of no force and effect. Subject to Paragraph 24, all other requirements and conditions under §§ 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Successful Bidder of the Assigned Executory Contracts have been satisfied.

30. Subject to Paragraph 24, the Successful Bidder has provided adequate assurance of its future performance under the Assigned Executory Contracts within the meaning of § 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code.

31. Assumption of the Assigned Executory Contracts shall include any ancillary or related agreements, or rights appurtenant thereto, pursuant to which the Debtors have rights or licenses granted in connection with or under the Assigned Executory Contracts, so long as such ancillary or related agreements do not create additional obligations of the Debtors or Successful

Bidder beyond those set out in the Assigned Executory Contracts (unless Successful Bidder subsequently agrees to such obligations).

32. The Debtors and the Successful Bidder shall jointly file and serve a Notice of Closing and Schedule of Assigned Executory Contracts (the “Closing Notice”) within two (2) business days following the Closing, and service of such Closing Notice by CM/ECF shall be deemed sufficient in all regards. No assumption and assignment of any Assigned Executory Contract shall be binding on the Debtors and the Successful Bidder until the Closing of the APA pursuant to this Sale Order.

Additional Provisions

33. The provisions of this Sale Order and the APA and any actions taken pursuant hereto or thereto shall survive entry of any order which may be entered (i) confirming or consummating any plan of reorganization or liquidation of the Debtors; (ii) converting the Debtors’ Bankruptcy Cases from chapter 11 to chapter 7; (iii) dismissing the Debtors’ Bankruptcy Cases; or (iv) appointing a chapter 11 trustee or examiner, and the terms and provisions of the APA as well as the rights and interests granted pursuant to this Sale Order and the APA shall continue in these chapter 11 cases or any superseding case and shall be binding upon the Debtors, the Successful Bidder and their respective successors and permitted assigns. The post-closing obligations under the APA shall be unaffected and fully preserved, so that any successor, liquidating trust, chapter 7 trustee, or the like shall be obligated and required to comply with all post-Closing duties, including without limitation any further assurances, regardless of the status of these chapter 11 cases, without cost to, or the necessity of a motion or administrative claim from, the Successful Bidder.

34. Each and every federal, state, and governmental agency or department and any other person or entity is hereby directed to accept any and all documents and instruments necessary

and appropriate to consummate the transactions contemplated by the APA. A certified copy of **Exhibit 2** may be filed with the appropriate clerk or recorded with the recorder of any state, county, or local authority to act to cancel any of the Claims, Encumbrances, and Interests, and any other encumbrances of record, except the Assumed Liabilities.

35. Nothing contained in any order of any type or kind entered in these chapter 11 cases or any related proceeding subsequent to entry of this Sale Order, nor in any chapter 11 plan confirmed in these chapter 11 cases, shall conflict with or derogate from the provisions of the APA or the terms of this Sale Order, which shall be expressly preserved under the terms of such plan. To the extent, if any, anything contained in this Sale Order conflicts with a provision in the APA, the APA shall govern and control.

36. The Successful Bidder is purchasing the Assets in good faith and is a good faith purchaser within the meaning of § 363(m) of the Bankruptcy Code, and is therefore entitled to the protection of that provision. The consideration provided by the Successful Bidder for the Assets is fair and reasonable, and the Sale may not be avoided under § 363(n) of the Bankruptcy Code.

37. This Court retains jurisdiction, even after conversion of these chapter 11 cases to cases under chapter 7, to: (i) interpret, implement and enforce the terms and provisions of this Sale Order (including any injunctive relief provided in this Sale Order) and the terms of the APA, all amendments thereto and any waivers and consents thereunder and of each of the agreements executed in connection therewith; (ii) protect the Successful Bidder and the Assets from and against any of the Claims and Encumbrances, other than those expressly assumed by the Successful Bidder; (iii) resolve any disputes arising under or related to the APA or the Sale; (iv) adjudicate all issues concerning (alleged) pre-Closing Claims and Encumbrances and any other (alleged) interest(s) in and to the Assets, including the extent, validity, enforceability, priority and nature of

all such (alleged) Claims and Claims and Encumbrances and any other (alleged) interest(s); (v) adjudicate any disputes related to the Assigned Executory Contracts between the Debtors and the Successful Bidder or the Debtors and a counterparty to the Assigned Executory Contracts; and (vi) adjudicate any and all issues and/or disputes relating to the Debtors' right, title or interest in the Assets, the Motion, the APA and/or the Wind-Down Reserve.

38. From and after the date hereof, the Debtors and the Successful Bidder shall act in accordance with the terms of the APA.

39. This Sale Order shall be binding in all respects upon all creditors (whether known or unknown) of the Debtor, all successors and assigns of the Successful Bidder, the Debtors and their affiliates and subsidiaries, the Assets, and any subsequent trustees appointed in these chapter 11 cases or upon (i) a conversion of these chapter 11 cases to cases under chapter 7 or (ii) dismissal of these chapter 11 cases.

40. The failure specifically to include any particular provisions of the APA in this Sale Order shall not diminish or impair the efficacy of such provisions, it being the intent of the Court that the APA with the Successful Bidder and each and every provision, term and condition thereof be, and therefore is, authorized and approved in its entirety.

41. The provisions of this Sale Order are nonseverable and mutually dependent.

42. The automatic stay of § 362(a) of the Bankruptcy Code shall not apply to and otherwise shall not prevent the exercise or performance by any party of its rights or obligations under the APA with the Successful Bidder, including, without limitation, with respect to any cash held in escrow pursuant to the provisions thereof.

43. As to the United States, notwithstanding any provision to the contrary in this Sale Order, the APA, or any other document related to the transactions contemplated by the APA,

nothing shall: (1) release, nullify, preclude or enjoin the enforcement of any police or regulatory power or any liability that the Successful Bidder or any other entity would be subject to as the owner, lessor, lessee or operator of property that such entity owns, operates or leases after the date of entry of this Sale Order; (2) affect the setoff or recoupment rights of the United States; (3) confer exclusive jurisdiction to this Court except to the extent set forth in 28 U.S.C. § 1334 (as limited by any other provisions of the United States Code); (4) authorize the assumption, assignment, sale or other transfer of any federal (a) grants, (b) grant funds, (c) contracts, (d) agreements, (e) awards, (f) task orders, (g) property, (h) intellectual property, (i) patents, (j) leases, (k) certifications, (l) applications, (m) registrations, (n) billing numbers, (o) national provider identifiers, (p) provider transaction access numbers, (q) licenses, (r) permits, (s) covenants, (t) inventory, (u) guarantees, (v) indemnifications, (w) data, (x) records, or (y) any other interests belonging to the United States (collectively, “Federal Interests”) without compliance with all terms of the Federal Interests and with all applicable non-bankruptcy law; (5) be interpreted to set cure amounts or to require the United States to novate, approve or otherwise consent to the sale, assumption, assignment or other transfer of any Federal Interests; (6) waive, alter or otherwise limit the United States’ property rights; or (7) expand the scope of 11 U.S.C. § 525.

44. Notwithstanding anything to the contrary in the Sale Motion, the APA, or this Sale Order, with respect to any Medicare Part A provider agreements to be included in the Sale (the “Assumed Provider Agreements”), the Debtors shall assume and assign to the Successful Bidder (in such capacity, the “Assignee”) and the Assignees shall accept assignment of the Assumed Provider Agreements as if such Assumed Provider Agreements are executory contracts being assumed and assigned pursuant to § 365 of the Bankruptcy Code, subject to regulatory approval pursuant to applicable non-bankruptcy law, including Title XVIII of the Social Security Act, 42

U.S.C. §§ 1395–1395 et. seq., all applicable Medicare regulations, and Medicare policies and procedures (together, “Medicare Program Law”).

45. In accordance with the Medicare Program Law, including 42 C.F.R. § 489.18, successor liability attaches to any claim arising under the Assumed Provider Agreements, and payments to the Assignees (or any future assignee under the provisions of Medicare Law) will be adjusted in accordance with 42 U.S.C. § 1395g(a) to account for prior overpayments and underpayments which may be determined in the future. Further, all setoff and recoupment rights under Medicare Program Law relating to the Assumed Provider Agreements are reserved. Nothing in this Sale Order, the APA, or any other documents relating to the Sale shall affect any liabilities under any Assumed Provider Agreements.

46. Nothing in this Sale Order, the APA, or any other document related to the Sale shall limit, modify, or in any way affect the authority of the United States Secretary (the “Secretary”) of the United States Department of Health and Human Services to regulate the enrollment or participation of Assignee or any other entity as a Medicare provider or the right and authority of the Secretary, the Centers for Medicare & Medicaid Services (“CMS”) or its contractors to review, approve, deny, or pay Medicare claims in the ordinary course of business in accordance with Medicare Program Law.

47. In the event of an inconsistency or conflict between any provision of the APA or any other document related to a transaction contemplated by the APA and this Sale Order, as to the United States, Paragraphs 43 to 46 of this Sale Order and federal law shall govern.

48. Nothing in this Sale Order, the APA, or any other document related to the Sale shall limit, modify, or in any way affect the regulatory authority of the United States Secretary of the United States Department of Housing and Urban Development with respect to a project insured

under Section 232 of the National Housing Act, including as to any transfer of physical assets, change of ownership (COO), change of operator (CHOP), or any use of a management agent, whether on an interim or final basis.

49. Upon the HUD Related Parties' approval of assumption of the HUD Debt by the Successful Bidder, the Bond Trustee will consent to release of the First-Priority Lien on Washington Villages at Closing of the Sale, notwithstanding the insufficiency of cash proceeds to satisfy in full the DIP Lien and all other amounts needed for Closing, including the Lument Fees (defined below).

50. The Bond Trustee will consent to use of the cash proceeds from the sale to HP Developers to satisfy the Lument Fees, including all fees and expenses of Vorys, B. Riley, and BluePrint incurred in the Debtors' bankruptcy cases, with such amounts subject to review by the Bond Trustee's counsel and a 10-day objection period. If no objection is asserted, the Lument Fees will be paid at Closing of the Sale. If there is an objection, the portion of such fees that are not objected to will be paid at Closing with the remaining amounts held in escrow subject to allowance by the Bankruptcy Court. To the extent there is a dispute, it is a dispute over the reasonableness of the fees and not a dispute as to whether Lument is over-secured and entitled to payment under § 506(b) of the Bankruptcy Code.

51. Lument will release its liens in unsold estate assets upon the closing of a Loan Assumption sale. If the sale is a cash sale, then Lument would retain its liens on unsold assets.

52. Notwithstanding anything to the contrary in the APA, in the event that HUD Approval (as defined in the APA) is not obtained or is denied on a final basis within 180 days following entry of this Sale Order, Successful Bidder shall have the option to proceed with the Closing by paying the entire Purchase Price in cash (i.e., without deduction for the HUD Debt

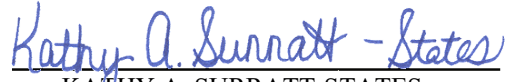

assumed) (such event, a “Cash Closing”). If a Cash Closing occurs, the rights and objections of the Debtors, the Successful Bidder, the DIP Lender, the Bond Trustee, and the HUD Related Parties shall be reserved in full with respect to the allocation, use, or distribution of any proceeds resulting from a Cash Closing. Lument will not put the loan to HUD while HUD is considering the loan assumption request from the Successful Bidder.

53. Upon a Closing, the Debtors shall holdback and retain from the proceeds of the sale of any assets to which any liens of Smart-Fill Management Group, Inc. (“Smart-Fill”) attach the Smart-Fill Holdback (as defined below) with regard to any adequate protection claims of Smart-Fill as referenced in Paragraph 23 of the *Supplemental Final Order (1) Authorizing Debtors in Possession to Obtain Post-Petition Financing; (2) Authorizing Debtors in Possession to Use Cash Collateral; (3) Providing Adequate Protection; and (4) Granting Liens, Security Interests and Superpriority Claims* (Docket No 377) (the “Supplemental DIP Order”). The Smart-Fill Holdback for all of the sale orders shall be equal to a sum not to exceed the lesser of a) \$475,745.91, b) the amount that Smart-Fill, UMB and the Debtors agree, or c) the amount the Court determines with regard to amounts due, if any, for Smart-Fill’s adequate protection claim as described in the Supplemental DIP Order. The DIP Lender and the Bond Trustee shall retain their claims and liens against such Smart-Fill Holdback. Smart-Fill, Debtors, the DIP Lender, Bond Trustee and the Committee shall reserve all of their respective rights, remedies and defenses with regard to the claims of Smart-Fill, including claims arising from the failure of adequate protection and the priority or timing of any payment of the Smart-Fill claims.

54. The Bankruptcy Clerk is hereby authorized and instructed to issue a separate certified copy of just **Exhibit No. 2**, without the cover sheet for **Exhibit No. 2**, to any party so requesting the same for purposes of recordation of **Exhibit No. 2**.

55. This Sale Order shall take effect immediately and shall not be stayed pursuant to Bankruptcy Rules 6004(g), 6004(h), 6006(d), 7062, or otherwise.

Not later than two (2) business days after the date of this Order, the Debtors shall serve a copy of the Order and shall file a certificate of service no later than twenty-four (24) hours after service.

Section 8.01 Facility Employees.

For the purposes of this Section 8.01, "actively working" shall mean those employees who are in good standing with Seller and/or an Affiliate of Seller and who are not temporarily absent from active employment by reason of disability, illness, injury, workers' compensation, approved leave of absence or layoff. Buyer reserves the right, at its sole discretion, to establish new terms and conditions of employment with all Hired Employees. Hired Employees, at the option of Buyer, shall be required to submit to and pass background checks, pre-employment physicals and drug screening as a condition to their hiring and retention by Buyer.
- (b) Buyer shall offer immediate employment to a sufficient number of Facility Employees, such that no period of unemployment shall occur with respect to such Facility Employees between employment with the Sellers and employment with Buyer, and such that there will be no violation of the WARN Act or any comparable state or local laws, with such employment with the Buyer to commence as of the Effective Time. If Buyer fails to offer immediate employment to substantially all of the Facility Employees, Buyer acknowledges and agrees that it shall be responsible for the payment of any amounts or liabilities arising or due under the WARN Act or any comparable state or local laws. In furtherance and not in limitation of the foregoing, Buyer shall treat prior service with Sellers reflected in the information provided above as service with Buyer for purposes of determining eligibility to participate and vesting in all benefits programs maintained by Buyer. Sellers shall cooperate with Buyer in providing information reasonably requested by Buyer to facilitate hiring and establishing benefits for Hired Employees who accept employment with Buyer. This Agreement shall not be deemed to create or grant to any Hired Employee any third-party beneficiary rights or claims or any cause of action of any kind or nature.

- (c) The applicable Seller shall provide Buyer, at least ten (10) days prior to the Closing Date, a schedule setting forth, for each of the Facility Employees, an estimated amount of accrued but unused paid time off (including any accrued vacation, sick and holiday time) (collectively, the “**Accrued PTO**”) and the estimate aggregate value of the Accrued PTO as of the Effective Time. Sellers shall provide Buyer, on the Closing Date, with an update schedule reflecting actual Accrued PTO amounts as of the Effective Time. Buyer shall assume the Accrued PTO liability, as updated on the Closing Date, with respect to the Hired Employees and Buyer will, thereafter, be responsible for paying the Hired Employees for their use of their Accrued PTO during their employment with Buyer and upon the termination of their employment with Buyer in accordance with the Buyer’s or its designee’s employment practices. The parties agree to take such reasonable actions as may be necessary, and otherwise to cooperate in good faith, to implement the purposes and intent of this Section 8.01(c).
- (d) Buyer shall provide COBRA continuation coverage (within the meaning of Section 4980B of the Internal Revenue Code and U.S. Treasury regulations thereunder) to all Facility Employees who are “M&A qualified beneficiaries” (within the meaning of Treasury Regulation Section 54.4980B-9, Q&A-4) for the duration of the period to which such Facility Employees are entitled to such coverage.
- (e) Seller or any Affiliate of Seller shall be responsible for the payment to the Facility Employees of all salaries and wages (excluding Accrued PTO) due for periods prior to 12:00 o’clock Midnight on the Closing Date. Anything to the contrary notwithstanding, this Agreement shall not be deemed to create or grant to any Hired Employee any third-party beneficiary rights or claims or any cause of action of any kind or nature. Seller or any Affiliate of Seller shall timely pay to all applicable governmental and regulatory authorities all employment-related taxes due with respect to the Facility Employees for periods prior to 12:00 o’clock Midnight on the Closing Date, including its share of all FICA, state and federal unemployment taxes and workers compensation insurance premiums.
- (f) Seller and/or its Affiliates shall be solely responsible for any and all service awards, health insurance premiums, dental insurance premiums, attendance bonuses, and Section 401(k) retirement plan contributions earned or due and owing to the Hired Employees as of the Closing Date.
- (g) **Employee Benefit Plans.** (i) **Schedule 8.01(g)** sets forth a list of each agreement relating to terms and conditions of employment and each other employee benefit plan, program or arrangement (including each employee benefit plan within the meaning of Section 3(3) of the United States Employee Retirement Income Security Act of 1974, as amended (“**ERISA**”) sponsored, maintained or contributed to or required to be contributed to by Seller and its Affiliates or by any trade or business, whether or not incorporated (including any Person considered a member of a “control group (as defined in Section 210(c) of ERISA), an “**ERISA Affiliate**”) that together with Seller would be deemed a “single employer” within the meaning of Section 4001(b)(1) of ERISA, in each case for the benefit

of any current or former employee of Seller or any of its Affiliates in connection with the Community, whether formal or informal and whether legally binding or not (the “*Employee Benefit Plans*”).

(ii) With respect to each of the Employee Benefit Plans, the Seller has heretofore made available to Buyer true, correct and complete copies of (w) the document governing each written Employee Benefit Plan or a written description of any Employee Benefit Plan that is not otherwise in writing, (x) if the Employee Benefit Plan is funded through a trust or any other funding vehicle, the trust or other funding agreement, (y) the most recent summary plan description and, with respect to any employee pension benefit plan within the meaning of Section 3(2) of ERISA, annual report on IRS Form 5500 Series, if required under ERISA or the Code, and (z) the most recent determination letter received from the IRS with respect to each Employee Benefit Plan that is intended to be qualified under Section 401(a) of the Code.

(iii) Except as set forth on Schedule 8.01(g), neither Seller nor any of its ERISA Affiliates have ever maintained, made contributions to, or been obligated to contribute to any plan, program or arrangement that is or was (x) subject to Title IV of ERISA, (y) a multiemployer plan within the meaning of Section 3(37) or Section 4001(a)(3) of ERISA, or (z) a welfare benefit fund within the meaning of Section 419 of the Code.

(iv) Each of the Employee Benefit Plans has been operated and administered in all material respects in accordance with its terms and applicable Law, including ERISA and the Code. Each of the Employee Benefit Plans that is intended to be “qualified” within the meaning of Section 401(a) of the Code is so qualified. Seller and/or its Affiliates has applied for and received a currently effective determination letter from the IRS stating that each such Employee Benefit Plan is so qualified, and no event has occurred which would affect such qualified status.

(v) None of the Seller, any of its ERISA Affiliates, any of the Employee Benefit Plans, any trust created thereunder, nor to the knowledge of the Seller, any trustee or administrator thereof has engaged in a transaction or has taken or failed to take any action in connection with which Buyer or any of its Affiliates could be subject to any material liability for either a civil penalty assessed pursuant to Section 409 or 502(i) of ERISA or a tax imposed pursuant to Section 4975, 4976 or 4980B of the Code.

(vi) There are no unpaid contributions with respect to any Employee Benefit Plan that are required to have been made under the terms of the Employee Benefit Plan or any applicable Law.

(vii) No Employee Benefit Plan provides benefits, including death or medical benefits (whether or not insured), with respect to current or former employees after retirement or other termination of service (other than (w) coverage mandated by Section 601 et seq. of ERISA or Section 4980B of the Code (“COBRA”)), (x) death benefits or retirement benefits under any “employee pension benefit plan,” as that term is defined in

Section 3(2) of ERISA, (y) benefits the full cost of which is borne by the current or former employee (or his or her beneficiary), or (z) deferred compensation benefits accrued as liabilities on the books of Seller and/or its Affiliates).

(viii) The consummation of the transactions contemplated by this Agreement will not, either alone or in combination with any other event, (x) entitle any current or former employee, officer, director or consultant of the Seller or any of its Affiliates to any payment, including severance pay, unemployment compensation (except employees not hired by Seller and/or its Affiliates after the closing) or any other similar termination payment, or (y) accelerate the time of payment or vesting, or increase the amount of, or otherwise enhance, any benefit due to any such employee, officer, director or consultant.

(ix) There are no pending or, to the Seller's Knowledge, threatened or anticipated claims by or on behalf of any Employee Benefit Plan, by any employee or beneficiary under any such Employee Benefit Plan or otherwise involving any such Employee Benefit Plan (other than routine claims for benefits).

(x) Neither Seller nor any of its ERISA Affiliates is a party to any agreement or understanding, whether written or unwritten, with the Pension Benefit Guaranty Corporation, the IRS, or the Department of Labor.

Section 8.02 Misdirected Payments. From and after the Closing, if any Seller or any of its respective Affiliates receives any right, property or asset that is a Purchased Asset, the applicable Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Buyer, and such asset will be deemed the property of Buyer held in trust by such Seller for Buyer until so transferred. From and after the Closing, if Buyer or any of its Affiliates receives any right, property or asset that is an Excluded Asset, Buyer shall promptly transfer or cause such of its Affiliates to transfer such asset (and shall promptly endorse and deliver any such right, property or asset that is received in the form of cash, checks, or other documents) to the applicable Seller, and such asset will be deemed the property of such Seller held in trust by Buyer for such Seller until so transferred.

ARTICLE IX TERMINATION

Section 9.01 Termination Prior to Closing.

- (a) This Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Closing:
 - (i) By the mutual written consent of Buyer and the Sellers;
 - (ii) By Buyer, by written notice to Sellers, if: (x) Buyer is not then in material breach of any provision of this Agreement and there has been a breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by Sellers pursuant to this Agreement that would

give rise to the failure of any of the conditions specified in Article VII, and such breach, inaccuracy or failure has not been cured by Sellers within ten (10) days of Sellers' receipt of written notice of such breach; or (y) any of the conditions set forth in Section 7.01 or Section 7.02 shall not have been, or it becomes apparent that any of such conditions will not be, satisfied by the date that is forty-five (45) days following the date on which the Sale Order is entered (the "***Conditions Satisfaction Deadline***"), unless such failure shall be due to the failure of Buyer to perform or comply with any of its representations, warranties or covenants contained in this Agreement and to be performed or complied with by Buyer prior to the Closing;

(iii) By the Sellers, by written notice to Buyer, if: (x) Sellers are not then in material breach of any provision of this Agreement and there has been a breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by Buyer pursuant to this Agreement that would give rise to the failure of any of the conditions specified in Article VII, and such breach, inaccuracy or failure has not been cured by Buyer within ten (10) days of Buyer's receipt of written notice of such breach; (y) any of the conditions set forth in Section 7.01 or Section 7.03 shall not have been, or it becomes apparent that any of such conditions will not be, satisfied Conditions Satisfaction Deadline, unless such failure shall be due to the failure of Sellers to perform or comply with any of their representations, warranties or covenants contained in this Agreement and to be performed or complied with by Sellers prior to the Closing;

(iv) By either the Sellers or Buyer in the event the Closing shall not have occurred on or before the Outside Closing Date (which Outside Closing Date may be extended by mutual agreement of Buyer and Seller), unless such delay is the result of an action or omission by the Party wishing to terminate this Agreement pursuant to this subsection.

Section 9.02 Effect of Termination.

- (a) In the event of the termination of this Agreement in accordance with this Article IX, this Agreement shall forthwith become void and there shall be no liability on the part of any Party hereto, except (i) as expressly set forth herein, (ii) in the event of termination pursuant to Section 9.01(a)(i), 9.01(a)(ii) (subject to such failure to meet a condition or delay thereunder not being a result of Buyer's breach), 9.01(a)(iv) or 9.01(a)(v), Buyer shall, within five (5) Business Days, be refunded the Escrow Deposit, and such refund shall be Buyer's sole and exclusive remedy with respect to this Agreement and the transactions contemplated herein; and (iii) in the event of termination by the Sellers pursuant to Section 9.01(a)(iii) (subject to such failure to meet a condition or delay thereunder not being a

result of Sellers' breach), Sellers shall retain the Escrow Deposit as liquidated damages and as Sellers' sole and exclusive remedy with respect to this Agreement and transactions contemplated herein. With respect to the foregoing clause (iii) and retention by the Sellers of the Escrow Deposit as liquidated damages, Sellers and Buyer agree that Sellers' actual damages would be extremely difficult or impracticable to determine, and that the amount of the Escrow Deposit is a reasonable estimate of the damages that Sellers would incur in such event.

- (b) Upon termination of this Agreement, the rights and obligations of the Parties under this Agreement shall likewise terminate, except that those obligations set forth in Section 10.01 and Section 10.02 shall survive termination of this Agreement.

HUD CHANGE OF OWNERSHIP REVIEW CHECKLIST

**Change of Ownership
Review Checklist
Section 232**

**U.S. Department of Housing and
Urban Development**
Office of Residential Care Facilities

Warning: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§ 287, 1001, 1010, 1012; 31 U.S.C. §3729, 3802).

Project Name: Project Number: Applicant Name:
--

SUBMISSION REQUIREMENTS:

- This checklist must be used for the following Change of Participant (CHOP) transaction types: Change of Borrower Entity, Change of Borrower's Controlling Participants(s), and Change of Borrower's IRS reporting structure. If the transaction also includes a Change of Operator or Change of Management Agent, you may use this checklist for the entire transaction.
- For more information on ORCF's CHOP criteria, please see the Healthcare Mortgage Insurance Program Handbook 4232.1, Section III, Chapter 7.
- If a CHOP is occurring in conjunction with the closing of a new Section 232 loan, **do not use this checklist.**
- For changes in Section 38 signatories that do not trigger a CHOP please contact your assigned Account Executive to discuss amending the Borrower's Regulatory Agreement.
- Note: If a Management Agent has been deemed an Operator, all Operator documents must be submitted for the management agent.
- Note: If a Hospital District is proposing to be the Operator under an Upper Payment Limit (UPL) program, all Operator documents (including the Operator Regulatory Agreement and Security Agreement) must be submitted for the Hospital entity as well as for the Sub-Operator entity responsible for the day-to-day operations. However, the Hospital entity is not required to execute the Cross-Default Guaranty as it is permitted to have other non-project related income. The Hospital District's Operator Security Agreement must include language that the revenues from IGT/UPL transactions are available for delinquencies and other project operating needs.

- Redlines of all HUD forms and of all revisions to the draft documents must be provided.
- **Portfolio Review Process:** To expedite portfolio CHOP reviews, the Lender may request a lead AE and lead attorney and designate a lead project. If the Lender elects this option, the Lender should submit the lead project's CHOP submission ahead of the other projects. The lead attorney will provide comments on the lead project submission. Once the lead project submission is legally acceptable, the Lender's counsel can draft and submit the CHOP submissions for the other projects in the portfolio. Note: For the other projects' submissions, redlines of HUD forms should generally be provided against the standard HUD form, NOT against the lead project's form (as each project may have deal-specific documents, special conditions, and/or riders).
- It is **critical** that you name each file according to the naming convention provided in the checklist **highlighted in green**. These highlighted numbers are important codes that "guide" the Portal system to recognize the type of transaction submitted, section number of the checklist, and the identity of the document. Therefore, using the naming conventions provided in the sample checklist that follows, appropriate file names for this submission package include **99901-a_Lender's Narrative [OR] 99901-a_LendersNarrative [OR] 99901-a_LNarrative**. In all three examples, the critically important portion of the file name is the five-digit number, dash, letter, and underscore that have been highlighted in green on the checklist.
- The below Transaction Factors will guide which documents may apply to your transaction.
