NOTICE OF POTENTIAL ASSUMPTION OF CERTAIN OF DEBTORS' EXECUTORY CONTRACTS AND UNEXPIRED LEASES

TO: ALL NON-DEBTOR COUNTERPARTIES TO THE DEBTORS' EXECUTORY CONTRACTS AND UNEXPIRED LEASES LISTED ON THE SCHEDULE ATTACHED HERETO

Pursuant to the *Amended Order (A) Approving Disclosure Statement; (B) Scheduling Confirmation Hearing; (C) Establishing Related Objection and Voting Deadlines; (D) Approving Related Solicitation Procedures, Ballots, and Release Opt-Out Forms and Form and Manner of Notice; (E) Approving Procedures for Assumption of Executory Contracts and Unexpired Leases; (F) Approving Equity Rights Offering Procedures and Related Materials; and (G) Granting Related Relief* [Docket No. 552] (the "***Solicitation Procedures Order***")[2] entered by the United States Bankruptcy Court for the Southern District of Texas (the "***Court***") on October 17, 2025, the above-captioned debtors and debtors-in-possession (the "***Debtors***"), hereby provide notice (this "***Assumption Notice***") dated as of October 30, 2025 (the "***Notice Date***"), that one or more of the Debtors is party to the contract(s) or lease(s) (each a "***Designated Contract***") listed on **Schedule 1**[3] attached hereto (the "***Contract Schedule***") that the Debtors may choose to assume pursuant to section 365 of the Bankruptcy Code.

[1] A complete list of each of the Debtors in these Chapter 11 Cases (the "***Chapter 11 Cases***") and the last four digits of each Debtor's taxpayer identification number (if applicable) may be obtained on the website of the Debtors' claims and noticing agent at https://www.veritaglobal.net/ModivCare. Debtor ModivCare Inc.'s principal place of business and the Debtors' service address in the Chapter 11 Cases is 6900 E. Layton Avenue, Suite 1100 & 1200, Denver, Colorado 80237.

[2] Capitalized terms used but not defined herein have the meanings given to them in the Solicitation Procedures Order.

[3] Schedule 1 will be broken out into Schedules 1-A, 1-B, and 1-C to allow the Solicitation Agent to mail out the schedules in a cost-effective manner and avoid unnecessary expense for the Debtors.

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU OR ONE OF YOUR AFFILIATES IS A COUNTERPARTY (A "*COUNTERPARTY*") TO A DESIGNATED CONTRACT, WITH ONE OR MORE OF THE DEBTORS AS SET FORTH ON THE CONTRACT SCHEDULE ATTACHED HERETO AS SCHEDULE 1.[4]

For each of the Designated Contracts, the Contract Schedule sets forth the amount the Debtors' records reflect is owing to cure any monetary default under such Designated Contract (the "***Cure Amount***")[5] pursuant to section 365 of the Bankruptcy Code; *provided*, that each Cure Amount **does not reflect** ordinary course charges that have accrued since the commencement of the Chapter 11 Cases on August 20, 2025 (the "***Petition Date***"), which (a) remain unpaid and (b) are not overdue and have not otherwise triggered a default under the Designated Contract.

If the Contract Schedule lists a Cure Amount of $0.00 for a particular Designated Contract, the Debtors believe there is no overdue amount outstanding for that Designated Contract as of the Notice Date. If you agree with the Cure Amount associated with a Designated Contract to which you are a party as of Notice Date, you do not need to take any action. In accordance with the Solicitation Procedures Order, the Debtors shall pay Cure Amounts for those Designated Contracts that they ultimately assume as soon as reasonably practicable after the effective date of the assumption of such Designated Contract.

If you disagree with the Cure Amount set forth in the Contract Schedule, object to the proposed assumption of one or more Designated Contracts, or object to the Debtors' ability to provide adequate assurance of future performance with respect to any Designated Contract, you must file an objection (an "***Assumption Objection***") with the Court by no later than 4:00 p.m. (prevailing Central Time) on November 17, 2025 (the "***Assumption Objection Deadline***"). Any Assumption Objection must (a) be in writing; (b) set forth the name of the objecting party, the basis for the objection, and the specific grounds thereof; (c) comply with the Bankruptcy Rules, Bankruptcy Local Rules, and orders of the Court; and (d) be filed with the Court so that it is **actually received** no later than the Assumption Objection Deadline by the parties listed below (the "***Notice Parties***"). **Failure to submit an Assumption Objection by the Assumption Objection Deadline constitute a complete waiver of your right to dispute or otherwise reserve rights with respect to**: (a) the Cure Amount; (b) the ability of the Debtors to provide adequate assurance of future performance; or (c) any other matter pertaining the assumption of the relevant Designated Contract, including, but not limited to, any right or objection that you may be entitled to assert under section 365(c) of the Bankruptcy Code.

---

[4] This Assumption Notice is being sent to counterparties to contracts and leases that may be executory contracts and unexpired leases. This Assumption Notice is *not* an admission by the Debtors that such contract or lease is executory or unexpired.

[5] For the avoidance of doubt, any payment made by a Debtor to a Counterparty under an Executory Contract or Unexpired Lease prior to date that the Debtors' confirmed chapter 11 plan becomes effective will be deducted from the Cure Amount to reduce the outstanding balance.

Pursuant to the Solicitation Procedures Order, any Assumption Objection that is not timely filed and served by the Objection Deadline may not be considered by the Court and may be overruled without further notice. If you fail to timely file and serve an Assumption Objection, you shall be deemed to have consented to the Cure Amount proposed by the Debtors and shall be forever enjoined and barred from seeking any additional amounts or claims (as defined in section 101(5) of the Bankruptcy Code) that arose, accrued or were incurred at any time on or prior to the date of this Assumption Notice on account of the Debtors' cure obligations under section 365 of the Bankruptcy Code or otherwise from the Debtors, their estates, any reorganized Debtor (a "***Reorganized Debtor***"), any assignee with respect to the Designated Contracts, or any purchaser or transferee of the Debtors' or Reorganized Debtors' properties on account of the assumption and/or assignment of such Designated Contract.

In the event of a timely filed Assumption Objection by a Counterparty that is not resolved between the Debtors and the Counterparty, the Court shall hear such Assumption Objection and determine the amount of any disputed Cure Amount not settled by the parties at the Confirmation Hearing, which is scheduled to take place on December 8, 2025 at 9:00 a.m. (prevailing Central Time) in Courtroom 400, 4th Floor, 515 Rusk Street, Houston, TX 77002 or via videoconference, if necessary.[6] The Confirmation Hearing may be continued from time to time by the Court or the Debtors without further notice other than by such adjournment being announced in open court or by a notice of adjournment filed with the Court and served on such parties as the Court may order. Moreover, the Plan may be modified or amended, if necessary, pursuant to section 1127 of the Bankruptcy Code, prior to, during or as a result of the Confirmation Hearing, without further notice to parties in interest.

The Debtors' listing of a Designated Contract on the Contract Schedule shall not be deemed or construed as (a) a promise by the Debtors to seek the assumption of such Designated Contract,

[6] If the hearing occurs over video conference the Court will utilize GoToMeeting for the hearing. You should download the free GoToMeeting application on each device that will be used to connect to the hearing. If you choose to connect via a web browser, available literature suggests that Chrome is the preferred browser. Please note that connecting through a browser may limit the availability of some GoToMeeting features. To connect to the hearing, you should enter the meeting code "JudgePerez". You can also connect using the link on Judge Pérez's homepage on the Southern District of Texas website. Once connected to GoToMeeting, click the settings icon in the upper right corner and enter your name under the personal information setting. In either event, audio for the Confirmation Hearing will be available by using the Court's regular dial-in number. The dial-in number is (832) 917-1510. You will be responsible for your own long-distance charges. You will be asked to key in the conference room number. Judge Pérez's conference room number is 282694.

(b) a limitation or waiver on the Debtors' ability to amend, modify or supplement this Assumption Notice, including by providing an updated Cure Amount for a particular Designated Contract, which updated Cure Amount may be lower than the Cure Amount listed for such particular Designated Contract on this Notice, (c) a limitation or waiver on the Debtors' ability to seek to reject any Designated Contract, or (d) an admission that any Designated Contract is, in fact, an executory contract or unexpired lease under section 365 of the Bankruptcy Code. Moreover, the Debtors explicitly reserve their rights, in their sole discretion, to reject or assume each Designated Contract pursuant to section 365(a) of the Bankruptcy Code and nothing herein (a) alters in any way the prepetition nature of the Contracts and Leases or the validity, priority, or amount of any claims that a Counterparty may hold against the Debtors that under such Designated Contract, (b) creates a postpetition contract or agreement, or (c) elevates to administrative expense priority any claims of a counterparty to a Designated Contract against the Debtors that may arise under such Designated Contract. The Debtors reserve all their rights, claims and causes of action with respect to the contracts, leases and other agreements listed on the Contract Schedule.

The Debtors propose that the order confirming the Plan shall provide: to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned (as applicable) pursuant to the Plan or any prior order of the Court (including, without limitation, any "change in control" provision, "change of control" provision, or provision with words of similar import) prohibits, restricts or conditions, or purports to prohibit, restrict or condition, or is modified, breached or terminated, or deemed modified, breached or terminated by, (i) the commencement of the Chapter 11 Cases or the insolvency or financial condition of any Debtor at any time before the closing of its respective Chapter 11 Case, (ii) any Debtor's or any Reorganized Debtor's assumption or assumption and assignment (as applicable) of such Executory Contract or Unexpired Lease or (iii) the confirmation or consummation of the Plan, then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to modify or terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights or remedies with respect thereto, and any required consent under any such contract or lease shall be deemed satisfied by the confirmation of the Plan.
