**DECLARATION OF CHAD J. SHANDLER IN SUPPORT OF
DEBTORS' CHAPTER 11 PETITIONS AND FIRST DAY RELIEF**

I, Chad J. Shandler, pursuant to section 1746 of title 28 of the United States Code, hereby declare that the following is true and correct:

1. I am the Chief Transformation Officer ("**CTO**") of ModivCare Inc. ("**ModivCare**" or the "**Company**") and its debtor affiliates (collectively the "**Debtors**"). I submit this first day declaration (this "**Declaration**") in support of (a) the Debtors' prearranged Chapter 11 Cases to implement a consensual and comprehensive restructuring of the Debtors' balance sheet, and (b) the Debtors' Petitions and all "first-day" motions and applications filed by the Debtors (collectively, the "**First Day Pleadings**").

2. I was appointed as CTO on January 9, 2025. Prior to my appointment as CTO, I provided financial advisory services to the Debtors in connection with my role as a Senior Managing Director at FTI Consulting, Inc. ("**FTI**"). Since commencing work for the Debtors on November 29, 2024, together with the FTI team, I have been personally involved with the Debtors' business and operations and their restructuring process. Accordingly, I have acquired significant knowledge of the Debtors, their businesses, and the circumstances that led to the commencement

¹ A complete list of each of the Debtors in these chapter 11 cases (the "**Chapter 11 Cases**") and the last four digits of each Debtor's taxpayer identification number (if applicable) may be obtained on the website of the Debtors' proposed claims and noticing agent at <https://www.veritaglobal.net/ModivCare>. of the Chapter 11 Cases, as well as the Debtors' financial affairs, capital structure, operations, and related matters.²

3. I have been a Senior Managing Director at FTI for approximately seven years and serve as the Co-Leader of the Healthcare Practice and Co-Leader of Healthcare Restructuring Services. My practice focuses on identifying restructuring alternatives, developing financial and operating plans and building consensus with stakeholders across a wide spectrum of healthcare assignments. My expertise includes serving as a chief restructuring officer and advising stakeholders with an emphasis in a variety of healthcare sectors including hospitals, senior living and housing, freestanding emergency rooms, physician practices, and life sciences. I am often asked to serve in an interim management or financial advisory role to lead the restructuring and/or business transformation efforts of companies including but not limited to assessing financial performance, liquidity management, negotiating with stakeholders, comparing operating results to industry norms, developing "bottoms-up" multi-year financial forecasts, support asset sales and due diligence processes, arranging financing and evaluate marketing plans, marketing efforts, and demographics of primary market areas and otherwise advise with respect to restructuring options. A representative list of my previous clients involving restructuring matters includes Steward Health Care, Prospect Healthcare, Northwest Senior Housing Corporation, Tarrant County Senior Living Centre, Inc., Neighbors Health, CUE Health, Amsterdam House Continuing Care Retirement Community, Dowling College, and Beverly Community Hospital.

4. As set forth above, I am knowledgeable about, and familiar with, the Debtors' day-to-day operations, business and financial affairs, books and records, and the circumstances that led to the commencement of the Chapter 11 Cases. Except as otherwise indicated herein, the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents, information provided to me by employees working under my supervision, my opinion based upon

experience, knowledge, and information concerning the Debtors' operations and financial condition, my own reasonable inquiry, and/or my discussions with the Debtors' other officers, directors, and restructuring advisors, including professionals at Latham & Watkins LLP ("**Latham**"), Hunton Andrews Kurth LLP ("**Hunton**"), Moelis & Company ("**Moelis**"), FTI,³ and Kurtzman Carson Consultants, LLC d/b/a Verita Global ("**Verita**" and, together with Latham, Hunton, Moelis, and FTI, the "**Advisors**"). If called upon to testify, I would testify to the facts set forth in this Declaration.

PRELIMINARY STATEMENT

5. ModivCare comes before the Court having entered into a restructuring support agreement for a comprehensive restructuring, deleveraging its balance sheet, and injecting much needed liquidity into the businesses (the "**Restructuring**"). The Company has secured substantial creditor support. Specifically, the Restructuring is supported by holders of approximately (a) 90% of the aggregate outstanding principal amount under the First Lien Facility, and (b) 70% of the aggregate outstanding principal amount under the Second Lien Notes (as defined herein and collectively, the "**Consenting Creditors**") that are party to that certain *Restructuring Support Agreement* dated as of August 20, 2025, annexed hereto as **Exhibit A** (as amended from time to time and including all exhibits and schedules thereto, the "**Restructuring Support Agreement**").

6. The Restructuring contemplated by the Restructuring Support Agreement will substantially reduce the Company's balance sheet liabilities from approximately \$1.4 billion in total funded debt to approximately \$300 million in total funded debt upon emergence. It also provides for, among other things:

- the funding of the Chapter 11 Cases through a backstopped \$100 million new money debtor-in-possession financing facility (the "**DIP Financing**");
- the commitment to convert all outstanding DIP Loans and claims on the Effective Date of the Plan to term loans under a takeback loan facility (the "**Exit Term Loan Facility**");

³ In addition to providing the services of a CTO, FTI provides temporary employees to assist the CTO and otherwise provide financial advisory services to the Debtors.

- the ability for the Reorganized Debtors to enter into a \$250 million Exit Revolver Credit Agreement, inclusive of a \$150 million sublimit for the issuance of letters of credit, which are often required by the Company's contract counterparties, and which may facilitate greater free cash flow, given the current collateral requirements of the Company's surety providers; and
- an equity rights offering, open to holders of Unsecured Notes and Other General Unsecured Creditors.

7. ModivCare Inc. traces its roots back over thirty years, and certain of its business segments began providing non-emergency medical transportation ("**NEMT**") services to government-sponsored healthcare programs in the 1980s. Since its founding, ModivCare has grown into a leading technology-enabled healthcare services company, connecting members to essential care through NEMT, personal care services ("**PCS**"), and remote patient monitoring ("**RPM**"). The Company's corporate segment includes general corporate services as well as the Company's virtual care and community-based monitoring innovation programs; additionally, the Company's ownership stake and minority interest in a national provider network of community-based clinicians delivering in-home and on-site services ("**Corporate**," and together with NEMT, PCS, and RPM, the "**Business Segments**"). Over the past decade, ModivCare has transformed into one of the nation's largest providers of supportive care solutions, serving millions of members annually across 48 states and the District of Columbia, including Texas, through a workforce of approximately 23,675 employees and thousands of contracted third-party transportation providers and their respective drivers who are employed by the Debtors and their non-Debtor affiliates.

8. ModivCare's services are engrained in the everyday lives of vulnerable populations. For example, ModivCare coordinates millions of annual rides to and from doctors' offices, dialysis centers, and hospitals for Medicaid and Medicare members; provides in-home personal care services that allow seniors and persons with disabilities to live independently; and offers connected-care monitoring and digital engagement tools that promote preventive health and reduce avoidable hospitalizations, often in rural settings. Through these services, ModivCare plays

a critical role in supporting healthcare access and addressing social determinants of health for some of the nation's most at-risk communities.

9. For the fiscal year ending December 31, 2024, ModivCare generated approximately \$2.79 billion in service revenue and \$161.1 million in adjusted EBITDA. Despite the strength and societal importance of its platform, ModivCare is weighed down by approximately \$1.4 billion in funded debt, substantial annual interest expense, and persistent cash flow pressure. ModivCare reported a net loss of \$201.3 million in 2024 and negative free cash flow of \$34.0 million, and in the first quarter of 2025, revenues declined nearly 5% year-over-year, with adjusted EBITDA of \$32.6 million. The Company's revolving credit facility is fully drawn, including \$75 million principal coming due and owing in January 2026, and its leverage ratio is unsustainable.

10. In addition to its balance sheet challenges, macroeconomic and industry-wide factors have further pressured the business. Plan changes in Medicare Advantage and working capital mismatches have reduced cash inflows and put further liquidity timing demands on the Debtors. Contract counterparties have increasingly demanded more restrictive terms, while rumors of a potential restructuring and perceptions of financial instability have led to counterparty de-risking. These dynamics, combined with rising costs of care delivery, have exacerbated ModivCare's liquidity strain.

11. In January 2025 and March 2025, ModivCare exchanged approximately \$271 million of Unsecured Notes for Second Lien Notes and raised approximately \$105 million—comprising \$75 million in new first lien secured debt and an additional \$30 million via the issuance of Second Lien Notes—to secure vital liquidity and covenant relief and stave off an immediate chapter 11 filing. While the measures bought time and temporarily stabilized operations, they did not address ModivCare's fundamental leverage and increasing liquidity challenges, making a comprehensive restructuring ultimately unavoidable.

12. Following the events of January 2025, ModivCare continued to struggle with a heavy debt load—approximately \$1.4 billion as of March 2025—and high cash interest costs that constrained liquidity and growth. At the same time, the Company has faced persistent industry

headwinds, including reimbursement pressure from state Medicaid programs, labor cost inflation, and mounting competition from regional and tech-driven entrants. These challenges have been compounded by regulatory changes that cut Medicaid funding and eligibility, as well as Medicare Advantage plan design changes reducing supplemental benefits, further pressuring revenues. Moreover, customer non-renewals, delays in customer contract repricing, increased volume under certain of its customer contracts, delays in patient approvals for certain services, surety collateral demands, and looming covenant breaches have left the Company with rapidly deteriorating liquidity, ultimately necessitating a comprehensive restructuring.

13. Recognizing the urgency of the situation, in June 2025 the Company retained Latham to assist in evaluating strategic alternatives, as well as assist with particular matters related to the healthcare sector. Latham, along with Moelis and FTI, quickly helped the Company evaluate a number of strategic alternatives, including out of court and sale transactions. However, after serious consideration of all viable and theoretical options, it was determined that a substantial deleveraging and capital infusion was required to ensure that the Company's capital structure, and its ability to continue providing solutions to its customers, remained stable and best positioned for the long-term. Accordingly, the only viable, executable, and responsible near term option was an in-court restructuring through a pre-arranged chapter 11 with its existing first and second lien lenders. The Company thus entered into the Restructuring.

14. The Restructuring Support Agreement also provides the Company with a quick path to exit consistent with the milestones set forth below:

Event	Deadline
Interim DIP Order	3 days after the Petition Date
Filing of Plan and Disclosure Statement	15 days after the Petition Date
Final DIP Order	45 days after the Petition Date
Disclosure Statement Order	45 days after the Petition Date
Confirmation Order	90 days after the Petition Date
Effective Date	110 days after the Petition Date

15. The Restructuring is the product of extensive arm's-length negotiations among the Debtors and their key stakeholders and is the best available path for the Debtors to strengthen their

business, while allowing business operations to continue without unnecessary disruption. The commencement of the Chapter 11 Cases is a crucial step in the Company's journey to right-size its capital structure and maintain customer confidence in its ability to continue providing crucial and innovating healthcare products. With the support of their key stakeholders, the Debtors expect to emerge from chapter 11 on an expeditious timeframe, with a healthier balance sheet and the ability to continue serving their customers.

16. On the date hereof (the "***Petition Date***"), ModivCare and its affiliates filed voluntary petitions in the United States Bankruptcy Court commencing cases for relief under Chapter 11 of title 11 of the United States Code. To minimize disruption to its operations and protect stakeholder value, ModivCare has filed motions and pleadings seeking various forms of "first day" relief (the "***First Day Pleadings***"). I am familiar with the contents of each First Day Pleading and believe that the relief sought therein is critical to preserving ModivCare's business, maintaining continuity of services for its members, stabilizing relationships with counterparties, and ensuring the success of these Chapter 11 Cases. The facts set forth in the First Day Pleadings are incorporated herein by reference.

17. To familiarize the Court with ModivCare, its businesses, the circumstances leading to these chapter 11 cases, and the relief ModivCare is seeking in the First Day Pleadings, I have organized this declaration as follow:

- Part I describes the Company's business, its history, its current operations, and its organizational and capital structures.
- Part II describes the events leading to the filing of the Chapter 11 Cases and the Debtors' efforts to identify a viable strategic alternative.
- Part III lists the First Day Pleadings and provides support for the relief requested therein.

I. BACKGROUND

A. History & Corporate Structure

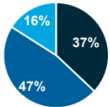

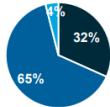

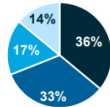

18. Founded in 1996 as The Providence Services Corporation, ModivCare concentrates on connecting people to their healthcare providers to improve outcomes and overall patient health. ModivCare became publicly traded in 2003 through an initial public offering and currently trades on the NASDAQ under the ticker MODV. The Company has grown from a stand-alone non-emergency medical transportation provider to a multi-faceted supportive care solutions provider. The Company has expanded organically and by acquiring several businesses, including: (a) Charter LCI Corporation, the parent company of LogistiCare, Inc. (which is now ModivCare Solutions, LLC) in 2007; (b) Matrix Medical Network (“*Matrix*”) in 2014 (which ModivCare later sold the majority interest to Frazier Healthcare Partners); (c) Circulation, Inc. in 2018; (d) National MedTrans, LLC in 2020; (e) OEP AM, Inc. (d/b/a Simplura Health Group) in 2020; (f) WellRyde in 2021; (g) Care Finders Total Care in 2021; (h) VRI Intermediate Holdings, LLC in 2021; and (i) Guardian Medical Monitoring in 2022.

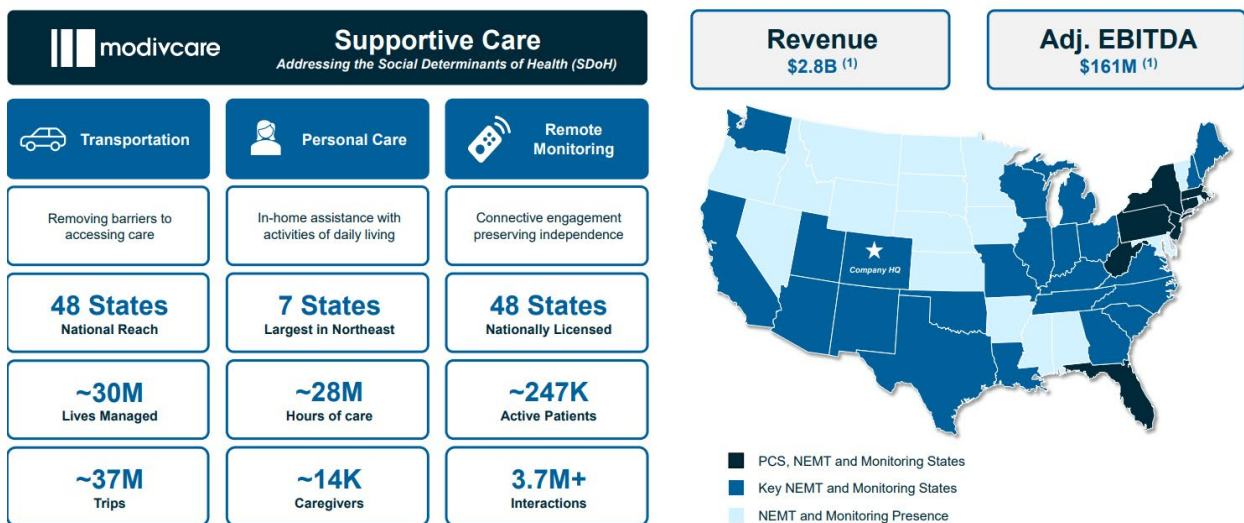

19. The Company’s headquarters are located in Denver, Colorado. Today, the Company has operations throughout 48 states and the District of Columbia. The Company has developed a complex corporate structure to support these operations. The chart attached hereto as **Exhibit B** provides a detailed overview of the Debtors’ corporate structure.

B. Current Business Operations

20. ModivCare’s four Business Segments—NEMT, PCS, RPM, and Corporate—provide patient-centric services to its customers. These Business Segments roll up into centralized and standardized operations, which enable the Company to cultivate best practices and efficiencies. Through these processes, the Company generally seeks to have a positive impact by closing certain health gaps and addressing the social determinants of health by serving those in need. The Business Segments are designed to achieve these goals, improve access to care, and adapt to the ever changing healthcare industry, which must prepare for and react to anticipated shifts in the demographic dynamics of the United States, including an aging population with

increased life expectancies (which is expected to increase general demand for healthcare services), an increasing prevalence in chronic illness (which require active and ongoing monitoring of patient health and data), an increasing demand for value-based versus fee-for-service care, and an increasing demand for in-home care.⁴

C. Business Segments

21. **NEMT.** Through NEMT, the Company provides non-emergency medical transportation to members of public and private insurance providers (the “*Payers*”), including the

state Medicaid and Medicare agencies, and managed care organizations (“*MCOs*”). The Company’s primary customers are typically Medicaid or Medicare eligible members whose limited mobility or financial resources impede their ability to access necessary healthcare and social services. The Company applies its proprietary technology platform to a network of approximately 4,100 transportation resources, including on-demand transportation network companies, mass transit entities, mileage reimbursement programs, taxis, and county-based emergency service providers. Through these partnerships, ModivCare has become one of the nation’s largest manager of non-emergency medical transportation for state governments and MCOs. In 2024, the Company managed approximately 36.8 million trips for approximately 29.5 million average monthly members.

22. **PCS.** Through PCS, the Company provides in-home personal care services to customers by placing non-medical personal care assistants, home health aides, and skilled nurses in the home setting. The Company places these in-home resources with Medicaid patients in need of assistance, including senior citizens and disabled adults. ModivCare’s PCS segment Payors include government agencies, MCOs, commercial insurers and private individuals. In 2024, ModivCare had approximately 14,000 caregivers throughout seven states who provided approximately 28 million hours of patient care.

23. **RPM.** Through RPM, the Company provides in-home monitoring services to support patient self-management and care management operations. The RPM business segment enables seniors, the chronically ill, and people with disabilities to maintain their long-term independence by avoiding moves to long-term care facilities and preventable emergency room visits and hospitalizations. ModivCare provides a variety of services that leverage personal emergency response systems, monitoring devices, relationship-based care and data-driven patient engagement solutions. In 2024, the Company served approximately 247,000 members of government insurance programs, members of healthcare provider organizations, and private individuals through RPM.

24. **Corporate.** Through Corporate, the Company’s subsidiary, Higi Care LLC (“**Higi**”), provides data-driven personal health technologies through the placement of health monitoring systems at certain third-party brick and mortar stores, and community health monitoring services (under a management services organization “friendly PC” model). Corporate also includes the Company’s revenue from its non-controlling interest in a joint venture that maintains a national network of community-based clinicians who provide in-home and on-location services. Finally, Corporate includes the Company’s activities related to accounting, finance, internal audit and tax, and key corporate development functions.

D. Expansion Efforts

25. Over the last several years, and as illustrated in the chart below, ModivCare made substantial acquisitions to expand its services and offerings. Those efforts were made in response to increased demand for the Company’s services before and during the Covid-19 pandemic. With these investments, ModivCare is now the leader in the non-emergency medical transportation industry and continues to grow in other key healthcare segments.

Date	Segment	Target	Purpose
May 2020	NEMT	National MedTrans, LLC	<ul style="list-style-type: none"> Added more than 5,000,000 annual trips on behalf of Medicaid agencies and MCOs

September 2021	RPM	VRI Intermediate Holdings, LLC	<ul style="list-style-type: none"> Formed the foundation of RPM operations
May 2022	RPM	Guardian Medical Monitoring	<ul style="list-style-type: none"> Expanded RPM

26. Since 2022, ModivCare and its management team has proactively reshaped its operations and governance to meet evolving market demands, including: (a) establishing a new \$325 million senior secured revolving credit facility in early 2022 to strengthen liquidity and

financial flexibility; (b) centrally consolidating and digitizing core platforms across NEMT, PCS, and RPM to boost operational efficiency and scale cost-savings; (c) launching targeted cost-control and restructuring initiatives that reduced expenses and streamlined operations; and (d) refreshing governance and leadership by appointing new independent board members and transitioning senior executives to drive modernization and transformation. The Company is also in the process of exploring artificial intelligence and automation to optimize its businesses, but these efforts have been delayed by imminent liquidity shortfalls, debt maturities, and looming covenant defaults.

E. Revenue Breakdown

27. The Company's revenue streams are primarily driven by the NEMT segment and complemented by the PCS, RPM, and Corporate segments, as shown below⁵:

Segment	Year Ended December 31, 2023 ⁶	Year Ended December 31, 2024	Quarter Ended March 31, 2025
NEMT	\$1,951,447	\$1,957,275	\$449,007

RPM	\$77,941	\$77,739	\$18,125
Corporate and Other	\$6,167	\$7,273	\$1,735
Consolidated ModivCare	\$2,751,170	\$2,787,586	\$650,654

F. Employee Workforce

28. The Debtors employ approximately 20,160 employees in the United States. To supplement the services performed and duties executed by the employees, the Debtors currently have approximately 1,620 engagements with contract workers and temporary staff. Contracted labor, who complete discrete projects and fulfill duties similar to the job functions of employees, are a critical and cost-effective supplement to the employees. Certain members of the workforce employed by Debtor All Metro Aids, Inc. are represented by United Healthcare Workers East and are party to a collective bargaining agreement.

G. Governance & Management

29. ModivCare is governed by its board of directors (the “**Board**”). On June 17, 2025, ModivCare held its annual meeting of shareholders, during which the Board was elected for a one-year term. The current Board consists of the seven directors listed below:

⁵ Figures are in thousands and based on ModivCare's public filings for the relevant periods.

⁶ Excludes \$5,037k of grant income for the year ended December 31, 2023.

Name	Position
Todd J. Carter	Director
Alec Cunningham	Director
David Mounts Gonzalez	Director
Leslie V. Norwalk	Director, Chairperson of the Board
Erin L. Russell	Director
L. Heath Sampson	Director and CEO
Daniel B. Silvers	Director

30. In connection with the terms of the Fifth Amendment (as defined and described below), the Company was required by the terms of its debt documents to appoint three independent directors from a list of directors provided by the First Lien Lenders. The final of these new independent directors was seated on April 24, 2025. The candidate list was highly negotiated with the Debtors and each independent director candidate had to have requisite expertise (including serving on public companies and within the healthcare industry) and independence. The Board also established a committee comprised of three directors to oversee sales and marketing processes for the PCS and RPM segments (the “**Strategic Alternatives Committee**”).⁷ Since April 2025, the members of the Strategic Alternatives Committee have been Alec Cunningham, Erin L. Russell (Chairperson), and Daniel B. Silvers.

31. In addition, on June 20, 2025, the Board established a special committee of the Board (the “**Capital Structure Committee**”) to investigate, review, evaluate, analyze, negotiate, and make recommendations to the Board to approve or reject, any changes to the Company’s capital structure including all restructuring matters. The members of the Capital Structure Committee are Todd J. Carter, Alec Cunningham, David Mounts Gonzales, Erin L. Russell, and Daniel B. Silvers (Chairperson). In the lead up to the Chapter 11 Cases, each of the Strategic Alternatives Committee and the Capital Structure Committee met at least weekly and have been coordinating amongst each other to discuss the various issues facing the Company and to explore

all available options, including out-of-court options, sale, processes, and in-court processes, for the Company to address its financial challenges and maximize value.

32. The Board also has three other committees: (a) a committee to oversee management’s conduct of the Company’s financial reporting process (the “***Audit Committee***”); (b) a committee to assist the Board in discharging its responsibilities relating to executive compensation (the “***Compensation Committee***”); and (c) a committee to establish criteria for selecting new directors, to recommend a slate of nominees for election at the annual shareholder meeting, and to oversee healthcare compliance (the “***Nominating and Governance Committee***”). All directors, regardless of whether such director is a member of a committee of the Board, are invited to attend meetings of the various committees of the Board.

H. Capital Structure

33. The Debtors have both secured and unsecured funded debt claims. A summary of the approximate outstanding principal amounts of the Debtors’ funded debt obligations as of the Petition Date is set forth below.

First Lien Revolving Credit Facility	\$270.7 million	February 3, 2027	SOFR + 4.25%
First Lien Term Loan B	\$522.2 million	July 1, 2031	SOFR + 4.75%
Second Lien Notes	\$316.2 million	October 1, 2029	5.0% Cash (10% PIK Toggle)
Total Secured Debt	\$1,187.9 million		
Unsecured Notes	\$228.8 million	October 1, 2029	5.0%
Total Funded Debt	\$1,416.7 million		

i. First Lien Facility

34. ModivCare is party to that certain *Credit Agreement*, dated as of February 3, 2022 (as amended by (a) the *Amendment No. 1 to Credit Agreement*, dated as of June 26, 2023, (b) the *Amendment No. 2 to Credit Agreement*, dated as of February 22, 2024, (c), the *Amendment No. 3 to Credit Agreement*, dated as of July 1, 2024, (d) the *Amendment No. 4 to the Credit Agreement*,

dated as of September 30, 2024, and (e) the *Amendment No. 5 to Credit Agreement*, dated as of January 9, 2025 (the “**Fifth Amendment**”), and as further amended, restated, amended and restated, supplemented or otherwise modified from time to time prior to the Petition Date, the “**First Lien Credit Agreement**”), with, among other parties, JPMorgan Chase Bank, N.A., as administrative agent (including any successor thereto,⁸ the “**First Lien Agent**”), Wells Fargo and the other lenders party thereto (collectively, the “**First Lien Lenders**”), and certain subsidiaries of ModivCare from time to time party thereto as guarantors. The First Lien Credit Agreement is secured by a first priority lien on substantially all of the property and assets of ModivCare and its guarantor subsidiaries.

35. As of the Petition Date, the Company has approximately \$871.7 million outstanding under the First Lien Credit Agreement, comprising (a) \$270.7 million in unpaid principal amount of revolving loans, plus accrued and unpaid interest, fees, costs (the “**First Lien RCF Facility**”), (b) \$522.2 million in unpaid principal amount of term loans, plus accrued and unpaid interest, fees, costs, and expenses due July 2031 (the “**First Lien Term Loans**”), and (c) \$78.8 million in unpaid principal amount of term loans, plus accrued and unpaid interest, fees, costs, and expenses due January 2026 (the “**First Lien Incremental**” and together with the First Lien RCF Facility, and the First Lien Term Loans, the “**First Lien Facility**”). The First Lien Incremental was provided to the Company pursuant to the Fifth Amendment.

ii. Second Lien Notes

36. As described more fully in paragraph (iii) below, ModivCare is party to an Unsecured Notes Indenture (as defined below). Pursuant to the Fifth Amendment, ModivCare entered into an exchange agreement (the “**Exchange Agreement**”), dated January 9, 2025. As required by the Exchange Agreement, certain of the Unsecured Notes (as defined below) were exchanged pursuant to certain *Second Lien Senior Secured PIK Toggle Notes due October 1, 2029* (the “**Second Lien Notes**”), issued by ModivCare and pursuant to that certain *Second Lien Senior*

⁸ JPMorgan Chase Bank, N.A. has provided notice of intention to resign as First Lien Agent and will be replaced by Wilmington Trust National Association.

Secured PIK Toggle Notes Indenture, dated as of March 7, 2025 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time prior to the Petition Date, the “**Second Lien Notes Indenture**”), by and between ModivCare, as issuer, Ankura Trust Company, LLC, as trustee and notes collateral agent, the subsidiaries of ModivCare from time to time party thereto as guarantors, and holders of Second Lien Notes (the “**Second Lien Noteholders**”). The Second Lien Notes are secured by a second priority lien substantially all of the property and assets of ModivCare and its guarantor subsidiaries. As of the Petition Date, the principal amount under the Second Lien Notes is approximately \$316.2 million.

iii. Unsecured Notes

37. ModivCare is the issuer of certain 5.000% *Senior Unsecured Notes due October 1, 2029* (the “**Unsecured Notes**”) issued pursuant to that certain *Senior Notes Indenture*, dated August 24, 2021 (as amended prior to the date hereof, the “**Unsecured Notes Indenture**”), by and between ModivCare, as issuer, and Wilmington Saving Fund Society, FSB (as successor to The Bank of New York Mellon Trust Company, N.A.) as trustee, and the subsidiaries of ModivCare from time to time party thereto as guarantors. In connection with the Exchange Agreement, the requisite holders of Unsecured Notes entered into that certain Fifth Supplemental Indenture, dated as of March 7, 2025, which, among other things, released all the guarantors of their guarantees under the Unsecured Notes Indenture. Accordingly, the Unsecured Notes are only an obligation of ModivCare, as issuer under the Unsecured Notes Indenture. The remaining balance of these Unsecured Notes are those that were not exchanged pursuant to the Exchange Agreement. As of the Petition Date, the principal amount under the Unsecured Notes is approximately \$228.8 million.

I. Other Non-Funded Debtor Obligations

i. Trade Claims

38. In the ordinary course of business, the Debtors utilize certain vendors and service providers (the “**Trade Creditors**”). As of the Petition Date, the Debtors estimate that the aggregate amount of trade claims outstanding is approximately \$123.9 million, the majority of which is owed

to transportation providers. These transportation providers, and certain other Trade Creditors, are a vital part of the Company's ability to continue providing much needed services to the Debtors' customers and patients. Any interruption, even briefly, in the flow of goods and services from such creditors would have an immediate and adverse impact on the Debtors' ability to continue operating in the ordinary course. Accordingly, as noted below, the Debtors' filed the Critical Vendor Motion to ensure that the Debtors can pay prepetition amounts owed to those Trade Creditors who are critical to the Debtors' business.⁹

ii. Other General Unsecured Claims

39. As of the Petition Date, the Debtors anticipate approximately \$25 million on account of claims against the Debtors (other than the Unsecured Notes, intercompany claims and claims of Trade Creditors described herein) as of the Petition Date that are neither secured by collateral nor entitled to priority under the Bankruptcy Code.

II. KEY EVENTS LEADING TO COMMENCEMENT OF CHAPTER 11 CASES

40. The need to commence these Chapter 11 Cases was a result of a number of factors, including an unsustainable capital structure, rapidly deteriorating liquidity, negative industry trends, and customer de-risking by reducing exposure with ModivCare. In an attempt to preserve and maximize value, ModivCare and its management team have been, and continue to seek to, implementing turnaround initiatives to assure that the Company is operating at an optimal level despite the challenging capital structure.

A. Financial Challenges

41. The Debtors' financial challenges date back to prior to the Fifth Amendment. As of the twelve-month period ending March 2025, the Company's funded debt is approximately \$1.4 billion and adjusted EBITDA is \$162 million. The Debtors' current balance sheet has had a corresponding negative and restrictive impact on the Debtors' liquidity and growth prospects.

⁹ "**Critical Vendor Motion**" means that certain *Emergency Motion of Debtors for Entry of Interim and Final Orders (A) Authorizing Payment of Prepetition Trade Claims in the Ordinary Course of Business and (B) Granting Related Relief*, filed concurrently herewith.

The Debtors' unhedged annual cash interest expense for fiscal year 2025 under the prepetition capital structure would be in excess of \$100 million¹⁰ at current interest rates.

B. Persistent Negative Industry Trends

42. The non-emergency medical transportation and personal care services industries have faced persistent headwinds over the past several years. Demographic shifts, evolving government reimbursement models, and tightening regulatory oversight have created sustained pressures on both cost structures and margins. In particular, state Medicaid programs and MCOs—the Company's primary customers—have steadily increased their focus on cost containment, frequently driving reimbursement rates downward while simultaneously raising service quality expectations. At the same time, the broader healthcare services sector has experienced significant wage inflation, particularly for caregivers and transportation providers, as labor shortages and competition for skilled workers have intensified.

43. Further compounding these challenges, companies like ModivCare must navigate heightened insurance premiums and dynamic reimbursement and regulatory requirements tied to evolving federal and state regulatory frameworks. In addition, the industry has seen mounting competitive pressures from smaller, more nimble regional operators and technology-driven entrants seeking to capture market share through lower-cost models, but without the same geographic range and scale. The net effect has been a highly competitive pricing environment in which customers prioritize cost savings, while providers struggle to absorb rising operating expenses.

44. Historically, ModivCare has sought to address these industry headwinds through investment in technology, strategic acquisitions, and efforts to achieve economies of scale and operational efficiencies. However, the Company's ability to fully mitigate the impact of these structural industry changes has been constrained by its capital structure and liquidity profile. As a result, persistent adverse industry dynamics, combined with escalating operating costs and

¹⁰ Assumes all cash interest and no PIK is elected.

pricing pressures, have materially impacted ModivCare's revenues, margins, and financial flexibility.

C. Changes in the Regulatory Landscape

45. In addition to the aforementioned challenges, the Debtors' are also responding to certain regulatory challenges. The Debtors' significant customers are anticipating or have already begun implementing various state budget cuts, largely arising from: (a) the One Big Beautiful Bill Act (the "**BBB**"), which marks a sizeable regulatory change in the healthcare industry and imposes significant reductions in the funding of and services covered by the Medicaid program, as well as the number of persons enrolled in Medicaid; and (b) the Budget Control Act of 2011 (the "**BCA**") and American Rescue Plan Act of 2021 (the "**ARPA**") and, together with the BBB and BCA, the "**Acts**"), which have resulted or will result in additional Medicare payment reductions, and thus a reduction in supplemental benefits (including NEMT services) offered by Medicare Advantage plans.¹¹ Because many, if not all, of the Debtors' most significant customers are implementing, and/or considering the implementation of, budget cuts in response to the Acts, the Debtors anticipate adverse effects on their businesses and revenues in 2026.

46. Further, it is difficult to predict whether, when or what other deficit reduction initiatives may be proposed by Congress. The Company anticipates that the federal budget deficit will continue to place pressures on government healthcare programs and impose additional spending reductions. These pressures have increased uncertainty in the healthcare industry, and this uncertainty has affected government agencies, companies operating in the industry (including the Debtors), and patients.

D. Emergency Funding and the Fifth Amendment

47. The growth of ModivCare's services through the acquisitions has required substantial investment of capital, and the service of debt associated with the acquisitions has placed substantial stress on the Debtors. Recognizing the potential risks relating to the Company's

¹¹ The ARPA was to take effect in January 2022. However, Congress delayed implementation of the reduction until 2025 and has yet to take action related to the ARPA payment reduction for 2025 or 2026.

indebtedness, the Company began the process of evaluating strategic alternatives in the second-half of 2024. The Company hired FTI and Moelis to assist with this process and to help rationalize its business, reduce discretionary capital expenditures, and preserve liquidity. The Company also sought to raise funds in the public markets, including from its existing lenders, to provide additional liquidity and address leverage concerns.

48. Ultimately, in January 2025, the Company undertook a series of capital structure initiatives designed to bolster liquidity and stabilize operations. These initiatives included entering into the Fifth Amendment, which infused \$75 million of new liquidity into the Company. In March 2025, the Company consummated two transactions pursuant to which it issued \$30 million of new Second Lien Notes and exchanged approximately \$271 million of existing Unsecured Notes for additional Second Lien Notes. Together, these transactions raised over \$105 million in new financing and facilitated broad-based support across the Company's capital structure. Absent the Fifth Amendment and Second Lien Notes and their incremental critical liquidity, the Company may have been forced to commence these Chapter 11 Cases at that time. In exchange, the First Lien Lenders limited certain baskets and imposed certain covenants on the Debtors.

E. Rapidly Deteriorating Liquidity

49. While the aforementioned actions provided important near-term liquidity, they ultimately proved insufficient to overcome persistent industry headwinds and the Company's overall leverage profile. During the first half of 2025, and through July of 2025, the Company has continued to experience operational challenges, including non-renewals from certain key customers, delays in key customer repricing, increased volume of per-member rides under shared-risk contracts¹², and the Debtors' failure to transition to fee-for-service contracts. These developments further intensified the Company's already difficult situation and raised broader concerns about its ability to maintain and grow its commercial relationships. The Company also

¹² A majority of the Company's contracts are on a capitated risk-sharing model under which payment is not based on services provided, but is generally paid on a per member per month basis. An increase in rides requested per enrolled member impacts the liquidity of the Company and puts added operational and resource strain on available drivers within a given geographic network.

recognized the legitimate risk that additional customers—many of whom have contracts terminable for convenience—could choose to disengage. As a result, customer derisking and stabilization became a central focus for the Company and its stakeholders.

50. The Company's precarious financial condition also heightened concerns with its surety providers. Historically, certain sureties have required some level of collateral, typically a letter of credit, to support performance obligations and could demand additional collateral in light of the Company's deteriorating financial position. Any additional demands would further strain liquidity, which has been the case in 2025. In January 2025, the Company had no posted collateral. As of June 30, 2025, however, with no ability to provide further letters of credit, the Company has posted \$38.3 million of cash collateral relating to \$76.5 million outstanding surety bonds. The Company had no choice but to meet the demands for collateral because if the Company were unable to satisfy these collateral requirements, it could be deemed in breach of certain customer contracts, potentially leading to contract terminations and a downward spiral that would further destabilize the business.

51. In addition to these ongoing operational issues, the Company recognized that it would be unable to satisfy certain financial conditions and covenants under the First Lien Credit Agreement, especially if the Company were to repay the Incremental Facility upon its maturity in January 2026. Given these mounting pressures, the Company refocused on potential strategic alternatives, including a potential third-party equity investment, an out-of-court restructuring, and an in-court restructuring process.

F. Negotiation of the Restructuring

52. In the months leading up to the Petition Date, the Debtors and their advisors engaged in a thorough and good-faith process to evaluate and pursue a range of strategic alternatives. These efforts included incremental amendments, potential equity infusions, junior capital solutions, and targeted asset sales, alongside extensive negotiations with key creditor constituencies. Although the Debtors explored each of these paths with diligence, none proved actionable on the required timeline or adequate to address the Company's capital structure and

liquidity challenges. The Debtors ultimately determined that a comprehensive, court-supervised restructuring represented the best and only viable path forward.

53. While the Debtors had hoped the Fifth Amendment and incremental Second Lien Notes would give them the liquidity and time to holistically address, they ultimately determined that commencing the Chapter 11 Cases was necessary to implement a comprehensive deleveraging and strengthen their financial position. In evaluating their options, the Debtors also considered whether incremental amendments, extensions, or covenant relief could provide a bridge solution, but these measures proved inadequate to resolve the Company's structural balance sheet challenges. Accordingly, the Debtors initiated these cases to effectuate a restructuring that will: (a) reduce funded debt (including accrued but unpaid interest) by approximately \$1.1 billion, (b) lower annual cash interest expense in light of the reduced funded debt; and (c) enable the Company to continue operating with a substantially improved balance sheet and liquidity profile.

54. In early July 2025, the Debtors executed non-disclosure agreements with a group of First Lien Lenders and Second Lien Noteholders that ultimately became the Consenting Creditors to explore strategic alternatives. As an initial step, the Debtors sought to elicit a proposal that would provide additional liquidity to address near-term maturities and covenant pressure, but those efforts did not yield a viable solution given the lenders lack of interest in providing out-of-court financing so soon after the Incremental Facility. The Debtors also analyzed a potential out-of-court junior investment, which was presented by the Debtors and their advisors, together with certain members of the Board, to the lenders and their advisors. None of these proposals gained traction. Following these efforts, the Debtors and their advisors commenced protracted, arm's-length negotiations with the Consenting Creditors regarding a comprehensive restructuring transaction.

55. At the same time, the Debtors pursued other strategic options, including potential equity investments and sales of PCS and RPM. In the weeks leading up to the Petition Date, the Debtors executed non-disclosure agreements with two existing equity holders expressing interest in a potential investment and with over 15 potential strategic and financial bidders who expressed

interest in acquiring PCS and RPM from the Debtors. The Debtors carefully evaluated these alternatives with their advisors but concluded that neither the existing equity holders nor the contemplated asset sales proposed actionable transactions to address the Company's liquidity and debt burdens.

56. After weeks of negotiations with the Consenting Creditors and discussions with potential equity investors and potential bidders, the Debtors, with the assistance of the Advisors, determined that the proposed Restructuring with the Consenting Creditors was the only actionable option and the best path forward. The process involved weeks of intense, arm's-length negotiations, including the exchange of multiple iterations of term sheets addressing both the Restructuring and the DIP Financing. Having exhausted other strategic alternatives, these negotiations culminated in the agreement now before the Court, which the Debtors believe provides the most viable path to maximize value and ensure the Company's long-term stability.

G. Restructuring Support Agreement

57. On August 20, 2025, following extensive, good faith, arms' length negotiations, the Debtors entered into the Restructuring Support Agreement with the Consenting Creditors.¹³ Pursuant to the Restructuring Support Agreement, the Consenting Creditors agreed to support the Restructuring by, among other things:

- providing \$100 million in DIP financing to fund these Chapter 11 Cases and agreeing to roll such claims into an Exit Term Loan Facility;
- agreeing to exchange First Lien Claims for up to \$200 million of an Exit Term Loan Facility and 98% of the pro forma equity of the Company, subject to dilution¹⁴;
- agreeing to exchange Second Lien Claims for 2% of the pro forma equity of the Company, subject to dilution;
- providing the opportunity for certain holders of claims to participate in an equity rights offering of up to \$200 million; and

¹³ The Restructuring Support Agreement is attached hereto as **Exhibit A**.

¹⁴ Subject to dilution by the DIP Backstop Premium, Equity Rights Offering, Series A Warrants, Series B Warrants, Series C Warrants, and the MIP.

- permitting the Reorganized Debtors to enter into a \$250 million Exit Revolver Credit Agreement, which provides for a \$150 million LC sublimit.¹⁵

58. Upon consummation, the Restructuring will affect a significant deleveraging of the Debtors' capital structure by reducing the Company's total funded debt (including accrued but unpaid interest) by at least \$1.1 billion.

III. FACTS SUPPORTING RELIEF SOUGHT IN FIRST DAY PLEADINGS

59. In furtherance of their objective of preserving value for all stakeholders, the Debtors have filed the following First Day Pleadings and related orders (the "***Proposed Orders***") contemporaneously herewith, and have therein requested that the Court consider entering the Proposed Orders granting the relief sought in First Day Pleadings. The facts set forth in each of the First Day Pleadings are incorporated herein in their entirety. The First Day Pleadings include:

C. Other Motions

- 60. Together, the Restructuring Support Agreement and the transactions and agreements contemplated under the foregoing will accomplish a substantial restructuring of the

Debtors' balance sheet. As a result of the diligent negotiations and hard work by the various constituents, including the Debtors, the Consenting Creditors, and the advisors to each, the Debtors have preserved the going concern value of the business, maximized creditor and stakeholder recovery, and minimized disruption to the day-to-day operations. Accordingly, the expedited Chapter 11 Cases will best position the Debtors for future success while providing the most value for the Debtors' estates and stakeholders.

61. I have reviewed each of the First Day Pleadings, Proposed Orders, and exhibits thereto, or have otherwise had their contents explained to me, and the facts set forth therein are true and correct to the best of my knowledge, information, and belief. Moreover, I believe that the relief sought in each of the First Day Pleadings is vital to enabling the Debtors to make the transition to, and operate in, chapter 11 with minimal employee attrition and disruption to their businesses, and without loss of productivity or value. I further believe that the relief sought in each of the First Day Pleadings constitutes a critical element in the Debtors' ability to successfully maximize value for the benefit of their estates and represents a prudent exercise of the Debtors' business judgement.

D. DIP Motion

62. In parallel with the restructuring transaction negotiations, and as further detailed in the *Emergency Motion of Debtors for Entry of Interim and Final Orders (A) Authorizing Debtors' to (I) Obtain Senior Secured Priming Superpriority Postpetition Financing and (II) Use Cash Collateral, (B) Granting Liens and Providing Claims with Superpriority Administrative Expense Status, (C) Granting Adequate Protection to the Prepetition Secured Parties, (D) Modifying the Automatic Stay, (E) Scheduling a Final Hearing and (F) Granting Related Relief* (the "**DIP Motion**"), filed contemporaneously herewith, the Debtors engaged in good faith, arm's-length negotiations with the Required Consenting Term Lenders regarding the DIP Facilities and the consensual use of the Cash Collateral.

63. Pursuant to the relief requested in the DIP Motion and proposed orders, the Debtors will use the proceeds of the DIP Facility and Cash Collateral to fund operating expenses associated

with the Debtors' businesses and the administrative expenses of the Chapter 11 Cases, consistent with an agreed Approved DIP Budget. In return, the Debtors have agreed to provide the Prepetition Secured Parties with a typical adequate protection package that includes liens and superpriority claims against the Debtors, payment of professional fees, expenses, and certain reporting and budgeting obligations. This will, in turn, maximize value for all of the Debtors' stakeholders.

64. The Debtors' access to the DIP Facilities and Cash Collateral during the Chapter 11 Cases is critical to achieving a successful restructuring. To continue to operate their businesses in the ordinary course, the Debtors require access to cash to fund ordinary course operations, payroll obligations, and other costs. Without access to the DIP Facilities and Cash Collateral, the Debtors would be unable to fund ongoing operations even for the short projected duration of the Chapter 11 Cases. Thus, the Debtors require immediate access to the DIP Facilities and Cash Collateral pursuant to relief requested in the DIP Motion to ensure that they have sufficient liquidity to operate their business and pursue a restructuring transaction.

IV. CONCLUSION

65. The above describes the Debtors' business and capital structure, the factors that precipitated the commencement of the Chapter 11 Cases, and the critical need for the Debtors to obtain the relief set forth in the First Day Pleadings. The provisions of the Bankruptcy Code will assist the Debtors in achieving their financial reorganization and reestablishing themselves as a healthy economic enterprise able to effectively compete in their industry for the benefit of their economic stakeholders and employees.

(g) if applicable, use commercially reasonable efforts to obtain, or assist the Company Entities in obtaining, any and all required governmental, regulatory and/or third-party approvals to effectuate the Restructuring on the terms contemplated by this Agreement, including the Restructuring Term Sheet, and the Plan;

(h) to the extent any legal or structural impediment arises that would prevent, hinder, or delay the consummation of the Restructuring, negotiate with the Company Entities and the other Consenting Creditors in good faith with respect to additional or alternative provisions to address any such legal or structuring impediment to the Restructuring;

(i) with respect to the Consenting First Lien Lenders that are Backstop Parties, fund the DIP Facility in accordance with the DIP Documents and the other Definitive Documents;

(j) to the extent it is permitted to elect whether to (i) opt out of the releases set forth in the Plan, or (ii) if the Bankruptcy Court requires opting in to give effect to the releases set forth in the Plan, not elect to opt out of, or elect to opt in to (as applicable), the releases set forth in the Plan by timely delivering its duly executed and completed ballot(s) indicating such election;

Section 4.02 Transfers.

(a) Each Consenting Creditor agrees that, during the Support Period, it shall not sell, assign, loan, issue, pledge, hypothecate, transfer, participate, or otherwise dispose of (“**Transfer**”), directly or indirectly, in whole or in part, any Claims against or Interest in the Company Entities, option thereon, or right or interest therein (including any beneficial ownership as defined in Rule 13d-3 under the Exchange Act, or by granting any proxies, depositing any Claims or Interest into a voting trust or entering into a voting agreement with respect to such Claims), and any purported Transfer shall be void *ab initio* and without effect unless the transferee thereof either:

(i) is a Consenting Creditor and the transferee provides notice of such Transfer (including the amount and type of Claims and/or Interests transferred) to Company Entities’ Counsel and the First Lien Agent and Consenting Creditor Counsel within three (3) Business Days following the consummation of such Transfer; or

(ii) before such Transfer, agrees in writing for the benefit of the Parties to become, effective upon the consummation of such Transfer, a Consenting Creditor for all purposes hereunder and to be bound by all of the terms of this Agreement applicable to a Consenting Creditor (including with respect to any and all Claims against and Interests in the Company Entities it already may hold before such Transfer) by executing a joinder agreement in the form attached hereto as Exhibit B (a “**Joinder Agreement**”) and delivering an executed copy of such Joinder Agreement to Company Entities’ Counsel and the First Lien Agent and Consenting Creditor Counsel within one (1) Business Day of the consummation of such Transfer. Upon compliance with the foregoing, the transferor shall be deemed to relinquish its rights (and be released from its obligations, except for any claim for breach of this Agreement that occurs prior to such Transfer) under this Agreement to the extent of such transferred rights and obligations. Each Consenting Creditor agrees that any Transfer of any Claim against the Company Entities that does not comply with the terms and procedures set forth herein shall be deemed void *ab initio*, and each other Party shall have the right to enforce the voiding of such Transfer.

(b) Notwithstanding anything to the contrary in this Agreement, a Consenting Creditor may Transfer Claims against the Company Entities to an entity that is acting in its capacity as a Qualified Marketmaker without the requirement that the Qualified Marketmaker be or become an Entity identified in Section 4.02(a) hereof (a “**Permitted Transferee**”); *provided* that (i) any such Qualified Marketmaker may only subsequently Transfer the right, title or interest to such Claims to a transferee that is or becomes a Permitted Transferee at the time of such Transfer, (ii) any transferee satisfies Section 4.02(a) of this Agreement, (iii) such transferor shall be solely responsible for the Qualified Marketmaker’s failure to comply with the requirements of this Section 4.02(b), and (iv) the Transfer documentation between such Consenting Creditor and such Qualified Marketmaker shall contain a covenant providing for the requirements of this Section 4.02(b). To the extent that a Consenting Creditor is acting in its capacity as a Qualified

Marketmaker, it may Transfer (by purchase, sale, assignment, participation, or otherwise) any right, title, or interests in the Claims against or Interest in the Company Entities that the Qualified Marketmaker acquires from a holder of the such Claims or Interest who is not a Consenting Creditor without the requirement that the transferee be a Permitted Transferee.

(c) If at the time of a proposed Transfer of any Claims against the Company Entities to a Qualified Marketmaker, such Claims: (i) may be voted or consent solicited with respect to the Restructuring, then the proposed transferor must first vote or consent such Claims in accordance with Section 4.01, or (ii) have not yet been and may yet be voted or consent solicited with respect to the Plan and/or the Restructuring and such Qualified Marketmaker does not Transfer such Claims to a Permitted Transferee before the third (3rd) Business Day before the expiration of an applicable voting or consent deadline (such date, the “***Qualified Marketmaker Joinder Date***”), such Qualified Marketmaker shall be required to (and the Transfer documentation between the applicable Consenting Creditor and such Qualified Marketmaker shall provide that such Qualified Marketmaker shall), on the first Business Day immediately after the Qualified Marketmaker Joinder Date, become a Consenting Creditor with respect to such Claims in accordance with the terms hereof; *provided, further*, that the Qualified Marketmaker shall automatically, and without further notice or action, no longer be a Consenting Creditor with respect to such Claim at such time as such Claim has been Transferred by such Qualified Marketmaker to a transferee that is a Permitted Transferee in accordance with this Agreement.

Section 4.03 Additional Claims. This Agreement shall in no way be construed to preclude the Consenting Creditors from acquiring additional Claims or Transferring Claims in accordance with this Article 4, and each Consenting Creditor agrees that to the extent any Consenting Creditor (i) acquires additional Claims against the Company Entities entitled to vote on the Plan or (ii) Transfers any Claims against the Company Entities in accordance with this Article 4, then, in each case, each such Consenting Creditor shall promptly notify Company Entities’ Counsel and the First Lien Agent and Consenting Creditor Counsel, and each such Consenting Creditor hereby agrees that such additional Claims shall be subject to this Agreement, and that, for the duration of the Support Period, it shall vote (or cause to be voted) any such additional Claims to accept the Plan and not change or withdraw (or cause to be changed or withdrawn) any such vote.

Section 4.04 The covenants and agreements of the Consenting Creditors in this Article 4 are several and not joint.

Section 4.05 The Company Entities understand that the Consenting Creditors are engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, each Company Entity acknowledges and agrees that the obligations set forth in this Agreement shall only apply to the trading desk(s) and/or business group(s) of the Consenting Creditors that manage and/or supervise each Consenting Creditor’s investment in or Claim against the Company Entities and shall not apply to any other trading desk or business group of the Consenting Creditor, so long as it is not acting at the direction or for the benefit of such Consenting Creditor or unless it becomes party hereto. It is further understood and agreed that the covenants, representations, and warranties in this Agreement by a Consenting Creditor that is the nominee, investment advisor, sub-advisor, or manager to funds and/or accounts that hold or beneficially hold Claims are made with respect to, and on behalf of, such funds and/or managed accounts and not such nominee,

investment advisor, or manager in its individual capacity or any other affiliate of such nominee, investment advisor, or manager and, if applicable, are made severally (and not jointly) with respect to the funds and/or accounts managed by it.

Section 4.06 Nothing in this Agreement shall (i) prohibit any Consenting Creditor from taking any action that is not in violation of this Agreement, (ii) prevent any Consenting Creditor from enforcing this Agreement or any Definitive Document or contesting whether any matter, fact or thing is a breach of, or is inconsistent with, this Agreement or any Definitive Document, (iii) be construed to limit any Consenting Creditor's rights under any applicable note, other loan document, instrument, and/or applicable law, including the right to purchase, sell, or enter into any transactions regarding any Claim, subject to the terms hereof and any applicable agreements or law governing such Claim, (iv) constitute a waiver, amendment or modification of any term or provision of the First Lien Credit Agreement or the Second Lien Indenture, (v) constitute a termination or release of any liens on, or security interests in, any of the assets or properties of the Company Entities that secure the obligations under the relevant Claims, (vi) affect the ability of any Consenting Creditor to consult with any other Consenting Creditor, the Company Entities, or any other party in interest in the Chapter 11 Cases (including any other official committee or the United States Trustee) so long as such consultation does not violate such Consenting Creditor's support obligations set forth herein, any applicable Confidentiality Agreement, or applicable law, including the Bankruptcy Code, (vii) impair or waive the rights of any Consenting Creditor to assert or raise any objection in any court having jurisdiction over the Company Entities or the Restructuring to the extent such action is consistent with this Agreement, (viii) prohibit any Consenting Creditor from appearing as a party in interest in any matter to be adjudicated in the Chapter 11 Cases, so long as such appearance and any positions advocated in connection therewith are not in violation of this Agreement and are not for the purpose of delaying, interfering, impeding, or taking any other action to delay, interfere, or impede, directly or indirectly, the Restructuring Term Sheet, the Plan or the Restructuring contemplated thereby, (ix) prevent any Consenting Creditor from taking any action that is required by applicable law, (x) require any Consenting Creditor to take any action that is prohibited by applicable law or to waive or forego the benefit of any applicable legal privilege, (xi) require any Consenting Creditor to incur, assume, become liable in respect of or suffer to exist any expenses, liabilities, or other obligations, or agree to or become bound by any commitments, undertakings, concessions, indemnities, or other arrangements that could result in expenses, liabilities, or other obligations to such Consenting Creditor, or (xii) require any Consenting Creditor to fund or commit to fund any additional amounts (other than as agreed in connection with the DIP Facility) without such Consenting Creditor's written consent.

Section 4.07 Forbearance.

(a) Subject to any rights or remedies granted to the Consenting Creditors pursuant to this Agreement, the Definitive Documents, including the DIP Documents, or any order of the Bankruptcy Court, during the Support Period, the Consenting Creditors agree to forbear from exercising (and agree to direct any agent or trustee to forbear from exercising) any rights or remedies they may have under the Prepetition Funded Debt Documents (whether under U.S. or non-U.S. law) with respect to any breaches, defaults, events of default or potential defaults by the Company Entities (including any such breaches, defaults, events of default, or potential defaults resulting from any maturities occurring during the Support Period). Each Consenting Creditor

agrees that this Agreement constitutes a direction to the First Lien Agent and the Second Lien Trustee to refrain, during the Support Period, from exercising any remedy available or power conferred to the First Lien Agent or Second Lien Trustee against the Company Entities or any subsidiaries or any of their assets except as necessary to effectuate the Restructuring.

(b) Except to the extent provided or expressly contemplated under this Agreement or any Definitive Documents, including the DIP Documents, each Consenting Creditor further agrees that if any applicable administrative agent, collateral agent, or indenture trustee takes any action inconsistent with any such Consenting Creditor's obligations under this Section 4.07, such Consenting Creditor shall use commercially reasonable efforts to direct and cause such administrative agent, collateral agent, or indenture trustee (as applicable) to cease and refrain from taking such actions. For the avoidance of doubt, the foregoing forbearance shall not be construed to impair the ability of the Consenting Creditors to take any remedial action, subject to the terms of the Prepetition Funded Debt Documents or otherwise, as applicable, at any time from and after the Termination Date (unless the Termination Date occurs solely as a result of the occurrence of the Effective Date).

5. Agreements of the Company Entities.

Section 5.01 Subject to the terms of this Agreement (including Section 6.01) and the Definitive Documents, the Company Entities hereby covenant and agree during the Support Period:

material respects with this Agreement and such other terms and conditions as are acceptable to Required Consenting First Lien Lenders and the Company Entities; *provided, further*, that the foregoing shall not apply to any retention applications, fee applications, or related declarations hired by the Company Entities' Advisors;

(d) in connection with the Chapter 11 Cases, to timely file with the Bankruptcy Court a written objection to any motion filed with the Bankruptcy Court by any Entity seeking the entry of an order (i) directing the appointment of an examiner with enlarged powers relating to the operation of the Company Entities' business (powers beyond those set forth in section 1106(a)(3) and (4) of the Bankruptcy Code), (ii) converting any of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, (iii) dismissing any of the Chapter 11 Cases, (iv) for relief that (y) is materially inconsistent with this Agreement or (z) would frustrate the purposes of this Agreement, including by preventing consummation of the Restructuring, or (v) modifying or terminating the Company Entities' exclusive right to file and/or solicit acceptances of a plan of reorganization (except if such relief is granted pursuant to a motion filed with the consent of the Required Consenting First Lien Lenders);

(f) that regardless of whether the Restructuring is consummated, the Company Entities shall promptly pay in full and in Cash all Restructuring Fees and Expenses when incurred and invoiced in accordance with this Agreement, the relevant engagement letters and/or fee arrangements, and shall continue to pay such amounts as they come due, and otherwise in accordance with this Agreement, the applicable engagement letters and/or fee arrangements (including under any DIP Order) of the First Lien Agent and Consenting Creditor Advisors (and not terminate such engagement letters and/or fee arrangements or seek to reject them in the Chapter 11 Cases);

(g) to promptly notify the Consenting Creditors, in writing, of any material governmental or third-party complaints, litigations, investigations, or hearings (or communications indicating that the same may be contemplated or threatened);

(h) to timely file a formal written response in opposition to, or take all appropriate actions to oppose (if circumstances do not allow for the filing of a formal written

response), any objection filed with the Bankruptcy Court by any Entity with respect to the entry of the Interim DIP Order and/or Final DIP Order;

(i) to use commercially reasonable efforts to cause each of the Milestones to be satisfied; and

(j) to not directly or indirectly take any action that would be inconsistent with this Agreement, the Definitive Documents, or interfere with the Restructuring (including encouraging another person to undertake any action prohibited by this Agreement or the Definitive Documents).

Section 5.02 Subject to Section 6.01, the Company Entities covenant and agree that, during the Support Period, each of the Company Entities shall not directly or indirectly:

(a) through any Entity, (i) seek or solicit any Alternative Restructuring, or (ii) object to or take any other action that is inconsistent with or that would reasonably be expected to prevent, interfere with, delay, or impede the Solicitation, approval of, and entry of orders regarding the Definitive Documents, or the confirmation and consummation of the Plan and the Restructuring (including by filing any motion, pleading, or other document with the Bankruptcy Court or any other court that is inconsistent with this Agreement, the Plan or any of the other Definitive Documents);

(b) amend or modify any of the Definitive Documents in a manner that is inconsistent with any such document, this Agreement, or the Plan;

(c) without prior written consent of the Required Consenting First Lien Lenders, consummate or enter into a definitive agreement evidencing any merger, consolidation, disposition of material assets, acquisition of material assets, or similar transaction, pay any dividend, or incur any indebtedness for borrowed money, in each case outside the ordinary course of business and other than as contemplated by the Plan, this Agreement, and the Restructuring (including incurrence of indebtedness in connection with the DIP Facility consistent with this Agreement and the DIP Documents); and

6. Additional Provisions Regarding Company Entities' Commitments.

Section 6.01 Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall require a Company Entity or the board of directors, board of managers, or similar governing body of a Company Entity to take any action or to refrain from taking any action that is inconsistent with a Fiduciary Out Determination, written notice of which shall be given by

the Company Entities to the Consenting Creditors (and the First Lien Agent and Consenting Creditor Counsel) by not less than one (1) Business Day after the date of such Fiduciary Out Determination (email among counsel being sufficient). Upon written notice of a Fiduciary Out Determination, the Company Entities, the Required Consenting First Lien Lenders, or the Required Consenting Second Lien Noteholders may terminate this Agreement in accordance with Article 7 hereof.

Section 6.02 Notwithstanding anything to the contrary in this Agreement (but subject to Section 6.01), if the Company Entities receive a written or oral proposal or expression of interest from any Person or Entity regarding any Alternative Restructuring that their board of directors, board of managers, or similar governing body determines in good faith, upon the advice of outside counsel, that failure to take action would be inconsistent with the fiduciary duties, if any, of the members of such board or governing body under applicable law, the Company Entities shall have the right to: (i) consider, respond to, facilitate, discuss, negotiate, support, or otherwise pursue such Alternative Restructuring, (ii) provide access to non-public information concerning the Company Entities to any Person or Entity and enter into any confidentiality agreement with such Person or Entity in connection therewith, and (iii) otherwise cooperate with, assist, or participate in any inquiries, proposals, discussions, or negotiations of such Alternative Restructuring *provided, however* the Company Entities shall (i) notify (including delivering a summary notice of material terms of any Alternative Restructuring proposal reasonably necessary to inform the Required Consenting Creditors) the Required Consenting Creditors and the First Lien Agent and Consenting Creditor Counsel of any of the actions set forth in this Section 6.02 within two (2) Business Days; *provided* that to the extent any Company Entity is bound by a confidentiality agreement with the party providing the Alternative Restructuring proposal, such Company Entity shall ensure that such confidentiality agreement does not prohibit the Company Entities from disclosing the terms of the Alternative Restructuring in accordance with its obligations hereunder; (ii) respond promptly to information requests and questions from the First Lien Agent and Consenting Creditor Advisors with respect to any of the actions set forth in this Section 6.02; and (iii) keep the First Lien Agent and Consenting Creditor Advisors reasonably informed with respect to any amendments, modifications, or other changes to, or any further developments of, any such Alternative Restructuring, in any such case as is necessary to keep such counsel reasonably informed as to the status and substance of such discussions, negotiations, amendments, modifications, changes, and/or developments.

Section 6.03 Nothing in this Agreement shall: (i) impair or waive the rights of the Company Entities to assert or raise any objection permitted under this Agreement in connection with the Restructuring; or (ii) prevent the Company Entities from enforcing this Agreement or contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement.

7. Termination of Agreement.

Section 7.01 Generally.

(a) This Agreement will automatically terminate upon the Effective Date (as to all Parties).

(b) This Agreement will terminate, unless cured in accordance with this Agreement, three (3) Business Days following the receipt of written notice (the “**Notice Period**”), delivered in accordance with Article 22 hereof, to the other Parties (as applicable) from (i) the Required Consenting First Lien Lenders, at any time after the occurrence of any Consenting First Lien Lender Termination Event, (ii) the Required Consenting Second Lien Noteholders, who may only terminate this Agreement as to the Consenting Second Lien Noteholders, at any time after the occurrence of any Consenting Second Lien Noteholder Termination Event, or (iii) the Company Entities at any time after the occurrence of any Company Entity Termination Event. No Party may terminate this Agreement based on a Consenting First Lien Lender Termination Event, Consenting Second Lien Noteholder Termination Event, or Company Entity Termination Event, as applicable, caused (directly or indirectly) by such Party’s failure to perform or comply in all material respects with the terms and conditions of this Agreement (including the failure to meet a Milestone, which has not been waived or extended) unless such failure to perform or comply arises as a result of another Party’s prior failure to perform or comply in all material respects with the terms and conditions of this Agreement (including the failure to meet a Milestone, which has not been waived or extended). For the avoidance of doubt, termination of this Agreement by the Required Consenting Second Lien Noteholders shall not terminate this Agreement as between the Consenting First Lien Lenders and the Company Entities.

(c) Each of the dates and time periods referenced in: (i) Section 7.02 may be extended by notice from, and with the consent of, the Required Consenting First Lien Lenders to the other Parties; (ii) Section 7.03 may be extended by notice from, and with the consent of, the Required Consenting Second Lien Noteholders to the other Parties; and (iii) Section 7.04 may be extended by notice from, and with the consent of, the Company Entities to the other Parties. (k) the Bankruptcy Court grants relief terminating, annulling, or modifying the automatic stay (as set forth in section 362 of the Bankruptcy Code) with regard to any assets of the Company Entities having an aggregate fair market value in excess of \$1,000,000 and such order materially and adversely affects the Company Entities’ ability to operate their business in the ordinary course or to consummate the Restructuring;

Section 7.03 A "***Consenting Second Lien Noteholder Termination Event***" will mean any of the following:

Section 7.05 Mutual Termination. This Agreement may be terminated by mutual written agreement of the Company Entities, the Required Consenting First Lien Lenders, and the Required Consenting Second Lien Lenders. The Company Entities will deliver written notice of any such termination to all Parties in accordance with Article 22 hereof.

Section 7.06 Effect of Termination. Upon the termination of this Agreement in accordance with this Article 7 as to a Party, this Agreement will be void and of no further force or effect and each Party subject to such termination will, except as provided in this Section 7.06 and in Article 16, be immediately released from its liabilities, obligations, commitments, undertakings and agreements under or related to this Agreement and will have all the rights and remedies that it would have had and will be entitled to take all actions, whether with respect to the Restructuring or otherwise, that it would have been entitled to take had it not entered into this Agreement, including all rights and remedies available to it under applicable law and the Prepetition Funded Debt Documents; *provided* that in no event will any such termination relieve a Party from liability for its breach or non-performance of its obligations hereunder before the date of such termination.

Section 7.07 No Waiver. If the Restructuring is not consummated, nothing herein shall be construed as a waiver by any Party of any or all of such Party's rights, and the Parties expressly reserve any and all of their respective rights as if the Parties had not entered this Agreement. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce the Agreement's terms.

8. Additional Documents. Each Party hereby covenants and agrees to cooperate with each other in good faith in connection with, and will exercise commercially reasonable efforts with respect to, the negotiation, drafting and execution and delivery of the Definitive Documents subject to the consent rights otherwise contained in this Agreement. Notwithstanding anything herein to the contrary, nothing herein shall require any Initial Consenting First Lien Lender or Initial

Consenting Second Lien Noteholder to provide any information that it determines, in its sole discretion, to be sensitive or confidential.

9. Inconsistency of Terms. In the event there is any inconsistency between the terms of the Restructuring Term Sheet and this Agreement (excluding the Restructuring Term Sheet), the terms of the Restructuring Term Sheet shall prevail.

10. Representations and Warranties.

Section 10.01 Each Party, severally (and not jointly), represents and warrants to the other Parties that the following statements are true, correct and complete as of the date hereof (or such later date that such Party first becomes bound by this Agreement) and solely with respect to the Company Entities, subject to any limitations or approvals arising from or required by the commencement of the Chapter 11 Cases:

(a) such Party is validly existing and in good standing under the laws of its jurisdiction of incorporation or organization, and has all requisite corporate, partnership, limited liability company or similar authority to enter into this Agreement and carry out the transactions contemplated hereby and perform its obligations contemplated hereunder; and the execution and delivery of this Agreement and the performance of such Party's obligations hereunder have been duly authorized by all necessary corporate, limited liability company, partnership or other similar action on its part;

(b) the execution, delivery and performance by such Party of this Agreement does not and shall not (i) violate any provision of law, rule or regulation applicable to it or its charter or bylaws (or other similar governing documents), or (ii) conflict with, result in a breach of or constitute a default under (with or without notice or lapse of time or both) any material contractual obligation to which it is a party or it or its assets are bound, in each case, other than any such violation, conflict, breach or default with respect to which a waiver has been obtained prior to the Support Effective Date and which waiver has not been subsequently revoked;

(c) the execution, delivery and performance by such Party of this Agreement does not and will not require any registration or filing with, consent or approval of, or notice to, or other action to, with or by, any federal, state or governmental authority or regulatory body, except (i) such filings that may be reasonably necessary in connection with the Chapter 11 Cases, (ii) filings that ModivCare is required to make with the U.S. Securities and Exchange Commission (the "**SEC**"), and (iii) such filings as may be necessary or required for disclosure to any applicable regulatory body or Governmental Unit whose approval or consent is determined by the Company Entities to be necessary to consummate the Restructuring; and

(d) this Agreement is the legally valid and binding obligation of such Party, enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability or a ruling of a court.

Section 10.02 Each Consenting Creditor severally (and not jointly), represents and warrants to the other Parties that as of the date hereof (or such later date that such Party first becomes bound by this Agreement), such Consenting Creditor:

(a) is not a Qualified Marketmaker with respect to the First Lien Claims or Second Lien Claims (as applicable) set forth below its name on its signature page to this Agreement; and

(b) (i) is the beneficial owner of the Claims set forth below its name on the applicable signature page of this Agreement, (ii) has, with respect to such beneficial ownership of such Claims (or upon the return of any Loaned Claims (as defined below), will have), (A) sole investment or voting discretion with respect to such Claims, (B) full power and authority to vote on and consent to matters concerning such Claims, and (C) full power and authority to bind or act on the behalf of, the beneficial owners of such Claims; or (iii) to the extent it has loaned or transferred any Claims to any third-party on a temporary basis pursuant to any loan or repurchase agreement (any such Claims, the “*Loaned Claims*”), it has recalled any Loaned Claims to the extent possible, and will use commercially reasonable efforts to beneficially own any such Loaned Claims as soon as reasonably practicable), and, having made reasonable inquiry, is not the beneficial or record owner or the nominee, investment manager, advisor or sub-advisor for a beneficial or record owner of any Claims other than those reflected in, such Consenting Creditor’s signature page to this Agreement or a Joinder Agreement, as applicable (as may be updated).

(c) For the avoidance of doubt and notwithstanding anything in this Agreement to the contrary, any Consenting Creditor’s inability to vote, consent, or take any other action with respect to Loaned Claims shall not be a breach or default of such Consenting Creditor’s obligations under this Agreement or any Definitive Document.

11. Disclosure; Publicity.

Section 11.01 The Company Entities shall submit drafts to the First Lien Agent and Consenting Creditor Counsel of any press releases, public filings, public announcements, other public documents (including any and all filings with the SEC) or other communications with any news media or to be filed with the SEC, in each case, to be made by the Company Entities relating to this Agreement (or the transactions contemplated hereby) or that constitute disclosure of the existence or terms of this Agreement or any amendment to the terms of this Agreement at least one (1) Business Day, or as soon as reasonably practicable, before making any such disclosure or filing and shall afford them a reasonable opportunity to comment on such documents and disclosures, and shall consider any such reasonable comments in good faith.

Section 11.02 Except as required by law (or as requested by any regulatory or self-regulatory authority consistent with ordinary business practice and to the extent not specifically related to the Company Entities or in connection with the Restructuring) or otherwise permitted under the terms of any other agreement between the Company Entities and the applicable Consenting Creditors, no Party or its advisors will disclose to any Person, other than to Company Entities’ Counsel (which shall not disclose any Consenting Creditor’s individual holdings absent such Consenting Creditor’s express prior written consent), the principal amount or percentage of any First Lien Claims and/or Second Lien Claims, or any other securities of ModivCare held by any Consenting Creditor, in each case, without the Consenting Creditor’s prior written consent; *provided* that (i) if such disclosure is required by law, subpoena, or other legal process or regulation, to the extent permitted by applicable law, the disclosing Party will afford the applicable Consenting Creditor a reasonable opportunity to review and comment in advance of such

disclosure and will take all reasonable measures to limit such disclosure to the extent required by such law, subpoena or other legal process or regulation, and (ii) the foregoing shall not prohibit the disclosure of the aggregate percentage or aggregate principal amount of the First Lien Claims and/or Second Lien Notes held by all the Consenting Creditors collectively. Any public filing of this Agreement, with the Bankruptcy Court or otherwise, which includes executed signature pages to this Agreement shall include such signature pages only in redacted form with respect to the holdings of each Consenting Creditor (*provided* that the holdings disclosed in such signature pages may be filed in unredacted form with the Bankruptcy Court under seal).

12. Amendments and Waivers. Except as otherwise expressly set forth herein, this Agreement, including the exhibits hereto, may not be waived, modified, amended or supplemented except in a writing signed by the (i) Company Entities and the (ii) Required Consenting First Lien Lenders. Notwithstanding anything herein to the contrary, for the avoidance of doubt, (A) no amendment, modification, waiver, or supplement of the definition of “Required Consenting Creditors” shall be effective without the consent of each Consenting Creditor; *provided, however*, that such Consenting Creditor is not in material breach of this Agreement; (B) no amendment, modification, waiver, or supplement of the definition of “Required Consenting First Lien Lenders” shall be effective without the consent of each Consenting First Lien Lender; *provided, however*, such Consenting First Lien Lender is not in material breach of this Agreement; (C) no amendment, modification, waiver, or supplement of the definition of “Required Consenting Second Lien Noteholders” shall be effective without the consent of each Consenting Second Lien Noteholder; *provided, however*, such Consenting Second Lien Noteholder is not in material breach of this Agreement; (D) no amendment modification, waiver, or supplement that would adversely and disproportionately impact the Consenting Second Lien Noteholders as to any other class of Consenting Creditors hereunder or adversely alter the treatment of the Second Lien Claims set forth in the Restructuring Term Sheet shall be effective without the prior written consent of (x) the Required Consenting Second Lien Noteholders and (y) each Consenting Second Lien Noteholder party hereto as of the Support Effective Date; (E) no amendment modification, waiver, or supplement that would beneficially impact the Consenting Second Lien Noteholders as to any other class of Consenting Creditors hereunder or beneficially alter the treatment of the Second Lien Claims set forth in the Restructuring Term Sheet shall be effective without the prior written consent of the Required Consenting First Lien Lenders determined without including any First Lien Claims held by any Consenting First Lien Lender that also holds Second Lien Claims with a face amount greater than 20% of the face amount of such Consenting First Lien Lender’s First Lien Claims; (F) no amendment modification, waiver, or supplement that would beneficially impact the Consenting Second Lien Noteholders as to any other class of Consenting Creditors hereunder or beneficially alter the treatment of the Second Lien Claims set forth in the Restructuring Term Sheet shall be effective without the prior written consent of the Required Consenting Second Lien Noteholders; (G) no amendment, modification, supplement or waiver which materially, adversely and disproportionately affects the Claims held by any Consenting First Lien Lender as compared to any other Consenting First Lien Lender shall be effective without the written consent of such Consenting First Lien Lender; (H) no amendment, modification, supplement or waiver which materially, adversely and disproportionately affects the Claims held by any Consenting Second Lien Noteholder as compared to any other Consenting Second Lien Noteholder shall be effective without the written consent of such Consenting Second Lien

Noteholders; and (I) no amendment, modification, waiver, or supplement of this Article 12 shall be effective without the consent of each Consenting Creditor.

13. Effectiveness. This Agreement will become effective and binding (i) as to the Company Entities, Initial Consenting First Lien Lenders, and Initial Consenting Second Lien Noteholders on the Support Effective Date, (ii) as to any Consenting Creditor that enters into a Joinder Agreement on or following the Support Effective Date, upon delivery to the Company Entities and the Required Consenting Creditors of such validly completed Joinder Agreement; and (iii) as to any Permitted Transferee, upon delivery of a validly completed Joinder Agreement; *provided*, that signature pages executed by Consenting Creditors will be delivered to (A) the Company Entities, the other Consenting Creditors, and in a redacted form that removes such Consenting Creditor's holdings of the First Lien Claims or Second Lien Claims and (B) the Company Entities' Advisors in an unredacted form (to be held by the Company Entities' Advisors on a professionals' eyes only basis) and the First Lien Agent and Consenting Creditor Counsel (to be held by each such counsel on a professionals' eyes only basis).

14. Governing Law; Jurisdiction; Waiver of Jury Trial. THIS AGREEMENT AND ANY DISPUTE, CLAIM, COUNTERCLAIM OR CAUSE OF ACTION (WHETHER IN TORT, CONTRACT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY) WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY CONFLICTS OF LAW PROVISIONS WHICH WOULD REQUIRE THE APPLICATION OF THE LAW OF ANY OTHER JURISDICTION. BY ITS EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE PARTIES HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ANY LEGAL ACTION, SUIT OR PROCEEDING AGAINST IT (WHETHER IN TORT, CONTRACT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY) WITH RESPECT TO ANY MATTER UNDER OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT RENDERED IN ANY SUCH ACTION, SUIT OR PROCEEDING, MAY BE BROUGHT IN ANY FEDERAL OR STATE COURT IN THE BOROUGH OF MANHATTAN IN THE CITY OF NEW YORK, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE PARTIES HEREBY IRREVOCABLY ACCEPTS AND SUBMITS ITSELF TO THE NONEXCLUSIVE JURISDICTION OF EACH SUCH COURT, GENERALLY AND UNCONDITIONALLY, WITH RESPECT TO ANY SUCH ACTION, SUIT OR PROCEEDING. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT (WHETHER IN TORT, CONTRACT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY) OR THE RESTRUCTURING CONTEMPLATED HEREBY. NOTWITHSTANDING THE FOREGOING, DURING THE PENDENCY OF THE CHAPTER 11 CASES, ALL PROCEEDINGS CONTEMPLATED BY THIS ARTICLE 14 SHALL BE BROUGHT IN THE BANKRUPTCY COURT AND, WITH RESPECT TO SUCH CLAIMS, (I) IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT, (II) WAIVES ANY OBJECTION TO LAYING VENUE IN ANY SUCH ACTION OR PROCEEDING IN THE BANKRUPTCY COURT, AND (III) WAIVES ANY OBJECTION THAT THE BANKRUPTCY COURT IS AN

INCONVENIENT FORUM OR DOES NOT HAVE JURISDICTION OVER ANY PARTY HERETO.

15. Remedies/Specific Performance. All remedies that are available at law or in equity, including specific performance and injunctive or other equitable relief, to any Party for a breach of this Agreement by another Party shall be available to each non-breaching Party (and for the avoidance of doubt, it is agreed by the other Parties that money damages would not be a sufficient remedy for any breach of this Agreement by any Party and each non-breaching Party will be entitled to seek specific performance and injunctive or other equitable relief as a remedy of any such breach); *provided* that in connection with any remedy for specific performance, injunctive or other equitable relief asserted in connection with this Agreement, each Party agrees to waive the requirement for the securing or posting of a bond in connection with any remedy and to waive the necessity of proving the inadequacy of money damages. All rights, powers, and remedies provided under this Agreement or otherwise available at law or in equity will be cumulative and not alternative, and the exercise of any remedy, power, or remedy by any Party will not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party or any other Person.

16. Survival. Notwithstanding the termination of this Agreement pursuant to Article 7 hereof, Section 7.07, Articles 9, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, and 26, (and, to the extent applicable to the interpretation of such surviving sections, Article 1) will survive such termination and will continue in full force and effect for the benefit of the Parties in accordance with the terms hereof.

17. Headings. The headings of the Articles, Sections, paragraphs and subsections of this Agreement are inserted for convenience only and will not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

18. Successors and Assigns; Severability; Several Obligations. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors and permitted assigns. The rights or obligations of any Party under this Agreement may not be assigned, delegated, or transferred to any other Person except as expressly permitted herein. If any provision of this Agreement, or the application of any such provision to any person or circumstance, will be held invalid or unenforceable in whole or in part, such invalidity or unenforceability will attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement will continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the

greatest extent possible. The agreements, representations and obligations of the Parties are, in all respects, ratable and several and neither joint nor joint and several.

19. No Third-Party Beneficiaries. Unless expressly stated herein, this Agreement will be solely for the benefit of the Parties and no other person or entity will be a third-party beneficiary hereof or have any rights hereunder.

20. Prior Negotiations; Entire Agreement. This Agreement, including the exhibits and schedules hereto, constitutes the entire agreement of the Parties, and supersedes all other prior agreements and negotiations, with respect to the subject matter hereof, except that the Parties acknowledge that any Confidentiality Agreements or agreements with respect to shared or common interest heretofore executed between the Company Entities and any Consenting Creditor (or the First Lien Agent and Consenting Creditor Advisors) and any engagement letters and/or fee arrangements will continue in full force and effect in accordance with the terms thereof.

21. Counterparts. This Agreement may be executed in several counterparts, each of which will be deemed to be an original, and all of which together will be deemed to be one and the same agreement. The words “execution,” “signed,” “signature,” and words of like import in this Agreement including any Joinder Agreement shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

23. Reservation of Rights; No Admission. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict the ability of each of the Parties (i) to protect and preserve its rights, remedies and interests, including its claims against any of the other Parties (or their respective affiliates or subsidiaries), (ii) purchase, sell, or enter into any transactions in connection with the First Lien Claims and/or Second Lien Claims, (iii) enforce any right under or with respect to the First Lien Credit Agreement and any related documents, the Second Lien Indenture and any related documents, any of the First Lien Claims and/or any of the Second Lien Claims, subject to the terms hereof, (iv) consult with other Consenting Creditors, other holders of First Lien Claims and/or Second Lien Claims, or any other Party regarding the Restructuring, or (v) enforce any right, remedy, condition, consent or approval requirement under this Agreement or in any of the Definitive Documents. Each of the Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert.

24. Relationship Among Parties. It is understood and agreed that no Consenting Creditor has any fiduciary duty, any duty of trust or confidence of any kind or form, or any other duty or responsibility, to or with any other Consenting Creditor, any of the Company Entities, or any other creditor or interest holder of the Company Entities, and, except as expressly provided in this Agreement, there are no commitments between them as a result of this Agreement. In this regard, it is understood and agreed that any Consenting Creditor may acquire First Lien Claims, Second Lien Claims, or other debt or equity securities of the Company Entities without the consent of the Company Entities or any other creditor, subject to applicable securities laws, the terms of this Agreement, and the terms of any applicable Confidentiality Agreement; *provided* that no

Consenting Creditor will have any responsibility for any such acquisition to any other entity by virtue of this Agreement.

25. No Solicitation; Representation by Counsel; Adequate Information.

Section 25.01 This Agreement and the transactions contemplated herein are the product of negotiations among the Parties, together with their respective representatives. Notwithstanding anything herein to the contrary, this Agreement is not and shall not be deemed to be an offer with respect to any securities or solicitation of votes for the acceptance of a plan of reorganization for purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise.

Section 25.02 Each Party acknowledges that it has had an opportunity to receive information from the Company Entities and that it has been represented by counsel in connection with this Agreement and the transactions contemplated hereby. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel will have no application and is expressly waived.

Section 25.03 Each Initial Consenting Creditor (and, to the extent applicable, each other Consenting Creditor) acknowledges, agrees, and represents to the other Parties that it (i) is an “accredited investor” as such term is defined in Rule 501(a) of the Securities Act, (ii) is a “qualified institutional buyer” as such term is defined in Rule 144A of the Securities Act, (iii) understands that (A) any securities to be acquired by it pursuant to the Restructuring have not been registered under the Securities Act and (B) that some or all of such securities will be offered and sold pursuant to an exemption from registration contained in the Securities Act, based in part upon such Consenting Creditor’s representations contained in this Agreement and cannot be sold unless subsequently registered under the Securities Act or an exemption from registration is available, and (iv) has such knowledge and experience in financial and business matters that such Consenting Creditor is capable of evaluating the merits and risks of the securities to be acquired by it pursuant to the Restructuring and understands and is able to bear any economic risks with such investment.

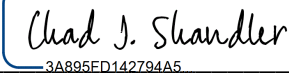

26. Restructuring Fees and Expenses. Whether or not the transactions contemplated by this Agreement are consummated, the Company Entities hereby agree, on a joint and several basis, to pay in Cash the Restructuring Fees and Expenses as follows: (i) all accrued and unpaid Restructuring Fees and Expenses for which an invoice has been received by the Company Entities on or before the date that is two (2) days prior to the Support Effective Date shall be paid in full in Cash on the Support Effective Date; (ii) after the Support Effective Date and prior to the Termination Date, all accrued and unpaid Restructuring Fees and Expenses shall be paid in full in Cash by the Company Entities on a regular and continuing basis, in accordance with the terms of this Agreement, the applicable engagement letter or reimbursement letter and the provisions of the First Lien Credit Documents; (iii) upon termination of this Agreement, all accrued and unpaid Restructuring Fees and Expenses incurred up to (and including) the applicable Termination Date shall be paid under this Agreement, any engagement letters, or fee reimbursement letters and the provisions of the First Lien Credit Documents, in full in Cash promptly (but in any event within five (5) Business Days); and (iv) on the Effective Date, all accrued and unpaid Restructuring Fees and Expenses of the First Lien Agent and Consenting Creditor Advisors through the Effective Date

shall be paid under this Agreement, any engagement letters or fee reimbursement letters and the provisions of the First Lien Credit Documents, in full in Cash.

27. Miscellaneous. When a reference is made in this Agreement to an Article, Section, Exhibit, or Schedule, such reference shall be to an Article, Section, Exhibit, or Schedule, respectively, of or attached to this Agreement unless otherwise indicated. Unless the context of this Agreement otherwise requires, (i) words using the singular or plural number also include the plural or singular number, respectively, (ii) the terms “hereof,” “herein,” “hereby,” and derivative or similar words refer to this entire Agreement, (iii) the words “include,” “includes,” and “including” when used herein shall be deemed in each case to be followed by the words “without limitation,” and (iv) the word “or” shall not be exclusive and shall be read to mean “and/or.” The Parties agree that they have been represented by legal counsel during the negotiation and execution of this Agreement and, therefore, waive the application of any law, regulation, holding, or rule of construction providing that ambiguities in an agreement or other document shall be construed against the party drafting such agreement or document.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed and delivered by their respective duly authorized officers, solely in their respective capacity as officers of the undersigned and not in any other capacity, as of the date first set forth above.

The Equity Rights will allow the Eligible Holders thereof, on a record date to be determined prior to the Effective Date, to purchase New Common Interests at a valuation at which First Lien Lenders would recover 100% on account of their Allowed First Lien Claims, and the Second Lien Noteholders would recover 75% on account of their Allowed Second Lien Claims. The proceeds of the Equity Rights Offering shall fund Cash payments to holders of Allowed First Lien Claims.
New Common Interests	On the Effective Date, the Reorganized Company Entities shall issue one or more classes of New Common Interests. New Common Interests distributed pursuant to the Equity Option (as defined below) shall not reduce the aggregate amount of Exit Term Loans available for distribution. The terms of the New Common Interests shall be consistent in all respects with the terms and conditions set forth in this Restructuring Term Sheet and otherwise agreed between the Company Entities and the Required Consenting First Lien Lenders.

³ An “**Eligible Holder**” means a holder of an Allowed Unsecured Notes Claim or Allowed Other General Unsecured Claim that is an Accredited Investor or Qualified Institutional Buyer (each as defined in the Securities Act).

⁴ The “**Securities Act**” means the Securities Act of 1933, as amended.

New Warrants	On the Effective Date, the Company Entities will (i) enter into definitive documents to issue the New Warrants, which shall be on terms and conditions that are consistent in all respects with the terms and conditions in this Restructuring Term Sheet and otherwise agreed between the Company Entities, the Required Consenting First Lien Lenders and the Required Consenting Second Lien Noteholders, and (ii) issue to the Second Lien Noteholders the Series A Warrants, the Series B Warrants, and the Series C Warrants (each as defined in the New Warrants Term Sheet (as defined below), and collectively, the “ New Warrants ”) on terms and conditions consistent with the term sheet attached hereto as <u>Annex 3</u> (the “ New Warrants Term Sheet ”) and otherwise in a form and substance reasonably acceptable to the Required Consenting Creditors and the Company Entities. For the avoidance of doubt, the New Warrants are subject to dilution by the MIP.

Annex 2
DIP Facility Term Sheet

Senior Secured Debtor in Possession Facility

Summary of Terms and Conditions¹

Set forth below is a summary of the principal terms and conditions for the DIP Facility (as defined herein). This summary of terms and conditions (together with all annexes, exhibits, and schedules attached hereto, as may be amended, amended and restated, supplemented or otherwise modified from time to time, this “**DIP Term Sheet**”) does not purport to summarize all of the terms, conditions, representations, warranties, and other provisions with respect to the DIP Facility which would be contained in the DIP Credit Agreement (as defined herein) and the other DIP Facility Documents (as defined herein). The obligations of the DIP Lenders (as defined herein) to provide the DIP Facility are conditioned upon entry of the DIP Orders (as defined herein) and the other terms and conditions set forth herein.

Borrower: ModivCare Inc., a Delaware corporation (the “**Borrower**”), in its capacity as a debtor and debtor in possession in a case under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) to be filed in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”) (the date of such filing, the “**Borrower Petition Date**”).

Guarantors: The obligations of the Borrower under the DIP Facility will be guaranteed by each material domestic subsidiary of the Borrower (collectively, the “**Guarantors**” and, together with Borrower, the “**Debtors**” or the “**Loan Parties**”; the obligations of the Loan Parties under the DIP Facility that are payable as set forth herein, collectively, the “**DIP Obligations**”), each of which will be a debtor and a debtor in possession in cases commenced under chapter 11 of the Bankruptcy Code in the Bankruptcy Court (collectively, the “**Guarantors’ Chapter 11 Cases**” and, together with the Borrower’s chapter 11 case, collectively, the “**Chapter 11 Cases**”), filed subsequent to, but jointly administered with, the Borrower’s chapter 11 case (the date of such filing, the “**Guarantor Petition Date**”; “**Petition Date**” shall mean the Borrower Petition Date or the Guarantor Petition Date, as the context requires). For the avoidance of doubt, each Debtor shall be a Guarantor under the DIP Facility.

Prepetition Credit Facility and First Lien Lenders: The Borrower is party to that certain Credit Agreement, dated as of February 3, 2022 (as amended, waived, supplemented, or otherwise modified prior to the Petition Date, the “**Prepetition Credit Agreement**” and the facilities thereunder, the “**Prepetition Facilities**”), by and among the Borrower, the lenders party thereto from time to time (the “**First Lien Lenders**”), JPMorgan Chase Bank, N.A., as agent (the “**Prepetition Agent**”), governing the following indebtedness:

- (a) **Prepetition Revolving Loans:** indebtedness currently outstanding under the Prepetition Credit Agreement in the aggregate principal amount (exclusive of PIK interest on consent fees) of approximately \$270,975,000 in respect of the “Revolving Loans” (as defined in the Prepetition Credit Agreement) thereunder (the “**Prepetition Revolving Loans**”), plus all accrued and unpaid interest thereon, fees, letter of credit reimbursement obligations, and expenses incurred in connection therewith, but excluding undrawn

¹ Capitalized terms used but not defined herein have the meanings ascribed to such terms in the Restructuring Support Agreement (as defined herein) or the backstop agreement to which this DIP Term Sheet is attached, as the context requires.

outstanding letters of credit (collectively, the “**Prepetition Revolving Loan Obligations**”);

- (b) **Prepetition Initial Term Loans**: indebtedness currently outstanding under the Prepetition Credit Agreement in the aggregate principal amount of approximately \$522,239,937.63 in respect of the “Initial Term Loans” (as defined in the Prepetition Credit Agreement) thereunder (the “**Prepetition Initial Term Loans**”), plus all accrued and unpaid interest thereon, fees, and expenses incurred in connection therewith (collectively, the “**Prepetition Initial Term Loan Obligations**”); and
- (c) **Prepetition Incremental Term Loans**: indebtedness currently outstanding under the Prepetition Credit Agreement, in the aggregate principal amount of approximately \$78,750,000 in respect of the “Amendment No. 5 Incremental Term Loans” (as defined in the Prepetition Credit Agreement) thereunder (the “**Prepetition Incremental Loans**”, together with the Prepetition Initial Term Loans, the “**Prepetition Term Loans**”, and collectively, with the Prepetition Revolving Loans, the “**Prepetition Loans**”), plus all accrued and unpaid interest thereon, fees, and expenses incurred in connection therewith (collectively, the “**Prepetition Incremental Term Loan Obligations**”, and together with the Prepetition Initial Term Loan Obligations, the “**Prepetition Term Loan Obligations**”, and collectively with the Prepetition Revolving Loan Obligations, the “**Prepetition Obligations**”).

DIP Lenders: The DIP Facility shall be provided by the DIP Lenders as set forth herein.

The term “**DIP Lenders**” shall mean, subject to the Syndication Procedures below, each “Lender” or “Affiliate” thereof with a DIP commitment (the “**DIP Commitment**”) listed in Schedule 2.01(A) to the DIP Credit Agreement that elects to fund such DIP Commitment through providing DIP Loans, together with their successors and assigns.

Pursuant to the DIP Credit Agreement and Restructuring Support Agreement (as defined herein), the DIP Commitments shall be fully backstopped and structured by certain First Lien Lenders or their affiliates (the “**Backstop Parties**”). The DIP Loans shall be available to all First Lien Lenders on a pro rata basis in accordance with procedures acceptable to the Backstop Parties.

Pursuant to syndication procedures acceptable to the Backstop Parties (the “**Syndication Procedures**”), all holders of First Lien Claims (who become parties to the Restructuring Support Agreement in accordance with its terms prior to the closing of the DIP Facility syndication process) will be eligible to subscribe for their *pro rata* share of the commitments to fund DIP Loans based on their respective *pro rata* holdings of their First Lien Claims by committing to purchase such DIP Loans from Jefferies Capital Services, LLC. The subscription period for these commitments pursuant to the Syndication Procedures shall be twenty (20) days from the Borrower Petition Date.

To the extent that a holder of First Lien Claims (i) does not execute the Restructuring Support Agreement (in which case, such holder shall have no right to subscribe for any portion of the DIP Facility) or (ii) executes the Restructuring Support Agreement

but does not subscribe for its *pro rata* portion of the DIP Facility in accordance with the Syndication Procedures, then (in either case) each Backstop Party shall, severally and not jointly, increase its *pro rata* share of the DIP Facility for any portion of the DIP Facility that is not subscribed for by the holder of such First Lien Claims.

The DIP Loans will initially be funded by Jefferies Capital Services, LLC, as fronting lender (the “**Fronting Lender**”) and subsequently assigned to the initial DIP Lenders pursuant to the terms of a letter agreement between the Borrower and the Fronting Letter (the “**Fronting Letter**”).

DIP Agent: Wilmington Trust, N.A. shall act as administrative agent and collateral agent with respect to the DIP Facility (in such capacity, the “**DIP Agent**”).

DIP Facility: A senior secured superpriority priming debtor in possession facility in an aggregate principal amount of \$100,000,000 (the “**DIP Facility**”) comprised of two or more draws of new money term loans (collectively, the “**DIP Loans**”) which (i) \$62,500,000 of DIP Loans shall be made available to the Borrower in a single draw following entry of an order approving the DIP Facility on an interim basis on terms acceptable to the Required DIP Lenders (as defined herein) (the “**Interim DIP Order**”) and (ii) \$37,500,000 of DIP Loans shall be made available to the Borrower following entry of an order approving the DIP Facility on a final basis on terms acceptable to the Required DIP Lenders (the “**Final DIP Order**” and together the Interim DIP Order, the “**DIP Orders**”), in each case in accordance with the terms of this DIP Term Sheet and the DIP Facility Documents.

All DIP Loans shall become due and payable on, and all unfunded DIP Commitments shall be terminated upon, the occurrence of a DIP Termination Event (as defined herein). Once repaid, DIP Loans shall not be reborrowed.

DIP Termination Event: The “**DIP Termination Event**” with respect to the DIP Facility shall be the earliest to occur of:

(a) the date that is six (6) months after the Closing Date, subject to a single three (3) month extension at the request of the Borrower and with the consent of the Required DIP Lenders in their sole discretion;

(b) the substantial consummation (as defined in section 1101 of the Bankruptcy Code and which for purposes hereof shall be no later than the “effective date” thereof) of a plan of reorganization filed in the Chapter 11 Cases that is confirmed pursuant to an order entered by the Bankruptcy Court;

(c) the date on which the DIP Loans are accelerated as a result of an Event of Default and all unfunded DIP Commitments (if any) have been terminated in accordance with the DIP Credit Agreement, by operation of law or otherwise;

(d) the consummation of a sale of all or substantially all of the assets of the Debtors pursuant to section 363 of the Bankruptcy Code; and

(e) dismissal of the Chapter 11 Cases or conversion of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code or appointment of a Chapter 11 trustee or examiner.

Amortization: None.

DIP Priority Account and Use of Proceeds: The proceeds of the DIP Loans shall be funded into a restricted account (such account, the “**Restricted Account**”) and released solely in accordance with the Approved Budget (as defined herein).

The proceeds of the DIP Loans shall be used, in each case, subject to the DIP Orders and in accordance with the Approved Budget:

- (i) for the payment of working capital and other general corporate needs of the Debtors in the ordinary course of business;
- (ii) for the payment of the fees, costs, and expenses of administering the Chapter 11 Cases;
- (iii) to pay obligations arising from or related to the Carve-Out (as defined in the DIP Orders);
- (iv) to pay such other prepetition obligations as approved by the Bankruptcy Court;

- (vi) for other general corporate purposes.

DIP Facility Documents: “**Documentation Principles**” means that the DIP Facility will be documented (i) in a credit agreement (the “**DIP Credit Agreement**”), which shall be based upon the Prepetition Credit Agreement and other customary guarantee, security, and other relevant documentation as mutually agreed by the Borrower and the Required DIP Lenders and (ii) through the terms of the DIP Orders (collectively, the “**DIP Facility Documents**”). It is agreed and understood that the DIP Credit Agreement will permit all transactions approved by Approved Budget and any subsequent Approved Budget, including any investments in foreign subsidiaries, and will permit the issuance or extension of two “Specified Letters of Credit” and the “Intact Contract”, each to be defined therein. Notwithstanding anything herein to the contrary, the DIP Liens on the DIP Collateral shall be created and perfected by the Interim DIP Order and Final DIP Order, as applicable, and no mortgages or other perfection documentation or action (other than UCC-1 financing statements), including mortgages, control agreements, landlord waivers, foreign law perfection actions, third party consents or orders, or delivery of stock certificates or any other possessory collateral shall be required; provided that, upon the reasonable request of the DIP Lenders, the Loan Parties shall make filings or take any other actions with respect to the perfection of liens.

Interest Rates and Fees:	As set forth on <u>Annex A-1</u> attached hereto and in any applicable fee letters.
Optional Prepayments:	The Borrower shall have the right at any time and from time to time to prepay any DIP Loan in whole or in part, without premium or penalty, subject to payment of the Exit Fee and without prejudice to the Backstop Premium.
Mandatory Prepayments:	Mandatory prepayments of the DIP Loans shall be required with 100% of the net cash proceeds from (A) the sale or other disposition of DIP Collateral outside the ordinary course of business, (B) any casualty events, insurance, and condemnation proceeds in respect of any DIP Collateral, (C) any non-permitted sale or issuance of debt for borrowed money, evidenced by bonds, notes, or debentures, and (D) any extraordinary receipts; provided however, any amounts otherwise required to be prepaid pursuant to clauses (B) or (D) above that have been deposited into the Restricted Account shall not be required to be repaid. The DIP Credit Agreement shall contain customary provisions permitting the DIP Lenders to decline to accept mandatory prepayments.
Security and Priority:	<p>The DIP Obligations shall be, subject solely to (i) the Carve-Out and (ii) certain liens senior in priority by operation of law to the liens of the First Lien Lenders under the Prepetition Credit Agreement, but solely to the extent such liens were valid, properly perfected, and non-avoidable as of the Petition Date, or valid, non-avoidable, senior priority liens in existence as of the Petition Date that are perfected after the Petition Date as permitted by section 546(b) of the Bankruptcy Code (the “Permitted Liens”):</p> <ul style="list-style-type: none"> (a) pursuant to section 364(c)(1) of the Bankruptcy Code, entitled to joint and several superpriority administrative expense claim status in all of the Chapter 11 Cases (the “DIP Superpriority Claims”); and (b) pursuant to sections 364(c)(2), 364(c)(3), and 364(d)(1) of the Bankruptcy Code, secured by fully perfected senior security interests and liens on the DIP Collateral (as defined herein) (collectively, the “DIP Liens”), <p>in each case, as described in further detail in the DIP Orders.</p> <p>The DIP Liens shall be effective and perfected upon entry of the DIP Orders without the necessity of the execution, filing, or recordation of mortgages, security agreements, pledge agreements, financing statements, account control agreements, or other agreements.</p> <p>“DIP Collateral” means, subject to Documentation Principles (i) the Loan Parties’ interest in all assets and properties, whether tangible, intangible, real, personal, or mixed, whether now owned by or owing to, or hereafter acquired by, or arising in favor of, the Loan Parties (including under any trade names, styles, or derivations thereof), and whether owned or consigned by or to, or leased from or to, the Loan Parties, and regardless of where located, in each case to the extent such assets and properties constitute “Collateral” (as defined in the Prepetition Credit Agreement); and (ii) property of the Loan Parties, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date is not subject to valid, perfected, and non-avoidable liens (or perfected after the Petition Date to the extent permitted</p>

Notwithstanding anything to the contrary herein, to the extent a DIP Lien cannot attach to the DIP Collateral pursuant to applicable law, the DIP Liens granted pursuant to the DIP Orders shall attach to the Loan Parties' economic rights, including, without limitation, any and all such proceeds of such DIP Collateral and any Excluded Assets.

"Excluded Assets" means, subject to the Documentation Principles, (i) property that cannot be subject to liens pursuant to applicable law, rule, contract, or regulation (including any requirement to obtain the consent (after the use of commercially reasonable efforts to obtain such consent) of any governmental authority or third party, unless such consent has been obtained) or restrictions of contract (including, without limitation, federal concessions as well as equipment leases and financing arrangements) existing on the Closing Date or the time of entry of such contract (other than to the extent such restriction is ineffective under the Uniform Commercial Code or other applicable law), (ii) any asset to the extent the provision of a security interest with respect to such asset would result in material and adverse tax consequences to the Borrower or any of its subsidiaries, to the extent consented by the Required DIP Lenders, and (iii) any asset where the cost of obtaining a security interest therein exceeds the practical benefit to the DIP Lenders, as determined in the sole discretion of the Required DIP Lenders; provided, however, that Excluded Assets referred to in clauses (i) through (iii) shall not include any proceeds, substitutions, or replacements of any Excluded Assets. Except as specified by the Required DIP Lenders, no Debtor shall be required to take any action under the law of any non-U.S. jurisdiction to create or perfect a security interest in any assets located outside the United States or any other assets that require such action, including any intellectual property registered in any non-U.S. jurisdiction (and no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction shall be required).

Warrant Term Sheet

This term sheet (including all exhibits, annexes, appendices and schedules to this term sheet, as amended, supplemented or otherwise modified from time to time, this “Term Sheet”) summarizes certain material terms and conditions of each tranche of Warrants (as defined below) to be structured pursuant to the terms and conditions of the Restructuring Support Agreement to which this Term Sheet is attached (the “Restructuring Support Agreement”) and issued in connection with the Plan contemplated under the Restructuring Support Agreement. This Term Sheet does not summarize all terms, conditions, representations and other provisions with respect to the transactions referred to herein, which will be set forth in the Definitive Documents with respect to each tranche of Warrants and further determined in accordance with the Restructuring Support Agreement and the Plan. Capitalized terms used herein but not otherwise defined have the meanings given to such terms in the Restructuring Support Agreement.

exercise of the Warrants but subject to dilution by New Common Interests issued pursuant to the MIP.

Exercise Price

The Series A Warrants will have an initial exercise price per share equal to (i) the total equity value implied by a total enterprise value of the Issuer as of the Effective Date (after giving effect to the Restructuring) of \$971,000,000 divided by (ii) the number of New Common Interests issued and outstanding on the Effective Date after giving effect to the consummation of the Restructuring and assuming the full exercise of the Series A Warrants.

The Series B Warrants will have an initial exercise price per share equal to (i) the total equity value implied by a total enterprise value of the Issuer as of the Effective Date (after giving effect to the Restructuring) of \$1,058,100,000 divided by (ii) the number of New Common Interests issued and outstanding on the Effective Date after giving effect to the consummation of the Restructuring and assuming the full exercise of the Series A Warrants and the Series B Warrants.

The Series C Warrants will have an initial exercise price per share equal to (i) the total equity value implied by a total enterprise value of the Issuer as of the Effective Date (after giving effect to the Restructuring) of \$1,145,200,000 divided by (ii) the number of New Common Interests issued and outstanding on the Effective Date after giving effect to the consummation of the Restructuring and assuming the full exercise of the Warrants.

Expiration Date

The Warrants will automatically expire on the five (5) year anniversary of the Effective Date (such date, the “Expiration Date”).

Exercisability

Each whole Warrant may be exercised for one New Common Interest, subject to adjustment. Each Warrant may be exercised at any time and from time to time at the option of the holder thereof.

The issuance of New Common Interests pursuant to the exercise of Warrants will be subject to payment in full by the holder of such Warrants of the applicable aggregate exercise price by wire transfer of immediately available funds to the Issuer or by “cashless” exercise based on the value of New Common Interests as of the time of exercise as set forth in the Definitive Documents with respect to the Warrants.

Issuance

The Warrants and the New Common Interests issuable upon exercise of the Warrants will be exempt from registration under the Securities Act pursuant to Section 1145 of the Bankruptcy Code or another available exemption from registration.

Adjustments

The number of New Common Interests issuable upon exercise of, and the exercise price per New Common Interest of, each Warrant will be adjusted for, among other events, (i) corporate structural events (*e.g.*, recapitalizations, reclassifications, splits, reverse splits, reorganizations, consolidations, mergers, dividends and distributions in New Common Interests, tender offers and exchange offers), (ii) dividends and distributions of property or securities (including cash and rights to participate in equity issuances) and (iii) issuances of New Common Interests below a threshold price with such threshold and adjustment mechanics to be set forth in the applicable Definitive Documents. No adjustment will be made for issuances pursuant to the MIP.

Change of Control Protection

The Warrants will not have Black Scholes protection. Any outstanding Warrants will be automatically exercised on a cashless basis in connection with any change of control transaction or listing event, each as will be defined in the Definitive Documents governing the Warrants.

Notices

The Issuer will provide holders of the Warrants at least 15 Business Days' prior written notice before establishing a record date of the New Common Interests for purposes of customary equityholder events (*e.g.*, recapitalizations, reclassifications, splits, reverse splits, reorganizations, consolidations, mergers, dividends and distributions in New Common Interests, tender offers and exchange offers).

Redemption

The Warrants will not be subject to redemption by the Issuer or any other Person.

Transfer Restrictions

The Warrants will be transferable, subject to, among other things, restrictions under applicable law and customary restrictions to prevent the Reorganized Parent from being required to register as a public company under the Exchange Act.

Amendments

All amendments to the Warrants (other than purely administrative amendments) will require the consent of holders of not less than a majority of the applicable series of Warrants, except that any amendment that has the effect of increasing the exercise price of such Warrants or amending the Expiration Date to an earlier date will require the consent of each affected Warrant holder.

Voting Rights; Participation

Holders of the Warrants will have no voting or other rights to participate as a holder of New Common Interests on account of such Warrants unless and until such Warrants are exercised for New

Common Interests, in which case the holder will have the same voting rights with respect to the New Common Interests acquired on exercise (but not any remaining Warrants) as applicable to any other New Common Interest.

ERISA

By accepting a Warrant, the holder of such Warrant will be deemed to represent that either (i) it does not hold “plan assets” subject to the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), or Section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”), or (ii) its acquisition, holding and exercise of Warrants will not result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code.

Form; Documentation

The Warrants will be evidenced by certificates or issued in direct registration format. In addition to the terms specified in this Term Sheet, the Definitive Documents for each of the Warrants will contain customary terms for transactions of this nature.

(i) **Prepetition Second Lien Facility.** Pursuant to that certain Second Lien Senior Secured PIK Toggle Notes Indenture, dated as of March 7, 2025 (as amended, restated or otherwise modified from time to time, the "**Prepetition Second Lien Indenture**," and collectively with any other agreements and documents executed or delivered in connection therewith, including the "Loan Documents" as defined therein, each as may be amended, restated, supplemented, or otherwise modified from time to time, the "**Prepetition Second Lien Loan Documents**" together with the Prepetition First Lien Loan Documents, the "**Prepetition Loan Documents**"), among (a) ModivCare Inc., as issuer, and the other Debtors that are guarantors, (b) the Holders of Notes (as defined in the Prepetition Second Lien Indenture) issued in connection therewith (collectively, the "**Prepetition Second Lien Noteholders**"), and (c) Ankura Trust Company, LLC, as notes collateral agent (in such capacity, the "**Prepetition Second Lien Trustee**" and, together with the Prepetition Second Lien Noteholders and any other party to which Prepetition Second Lien Obligations are

owed, the “Prepetition Second Lien Secured Parties”), the Prepetition Second Lien Secured Parties agreed to extend financial accommodations to the Borrower pursuant to the Prepetition Second Lien Loan Documents. All obligations of the Debtors arising under the Prepetition Second Lien Indenture (including the “Obligations” as defined therein, whether or not arising under the Prepetition Second Lien Loan Documents) or the other Prepetition Second Lien Loan Documents shall collectively be referred to herein as the “Prepetition Second Lien Obligations.”

(ii) Prepetition Second Liens and Prepetition Second Lien Collateral.

Pursuant to the Security Documents (as defined in the Prepetition Second Lien Indenture) (as such documents were amended, restated, supplemented, or otherwise modified from time to time, the “Prepetition Second Lien Collateral Documents”), by and among each of the Grantors and the Prepetition Second Lien Trustee, each Grantor granted to the Prepetition Second Lien Trustee, for the benefit of itself and the other Prepetition Second Lien Secured Parties, to secure the Prepetition Second Lien Obligations, a second priority security interest in and continuing Lien (the “Prepetition Second Liens”) on substantially all of such Grantor’s assets and properties (which, for the avoidance of doubt, includes Cash Collateral) and all proceeds, products, accessions, rents, and profits thereof, in each case whether then owned or existing or thereafter acquired or arising. All “Collateral” as defined in the Prepetition Second Lien Indenture granted or pledged by such Grantors pursuant to any Prepetition Second Lien Collateral Document or any other Prepetition Second Lien Loan Document shall collectively be referred to herein as the “Prepetition Second Lien Collateral.” As of the Petition Date, (I) the Prepetition Second Liens (a) are legal, valid, binding, enforceable, and perfected Liens, (b) were granted to, or for the benefit of, the Prepetition Second Lien Secured Parties for fair consideration and reasonably equivalent value, (c) are not subject to avoidance, recharacterization, or subordination pursuant to the Bankruptcy Code or

applicable non-bankruptcy law (except for the priming contemplated herein), and (d) are subject and subordinate only to (A) the DIP Liens (as defined below), (B) the Prepetition First Liens, (C) the Carve-Out (as defined below), and (D) the Prepetition Prior Liens, and (II) (w) the Prepetition Second Lien Obligations constitute legal, valid, and binding obligations of the applicable Debtors, enforceable in accordance with the terms of the applicable Prepetition Second Lien Loan Documents (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code), (x) no setoffs, recoupments, offsets, defenses, or counterclaims to any of the Prepetition Second Lien Obligations exist, (y) no portion of the Prepetition Second Lien Obligations or any payments made to any or all of the Prepetition Second Lien Secured Parties are subject to avoidance, disallowance, disgorgement, recharacterization, recovery, subordination, attack, offset, counterclaim, defense, or “claim” (as defined in section 101(5) of the Bankruptcy Code) of any kind pursuant to the Bankruptcy Code or applicable non-bankruptcy law, and (z) each of the Subsidiary Guarantees (as defined in the Prepetition Second Lien Indenture) shall continue in full force and effect to unconditionally guaranty the Prepetition Second Lien Obligations notwithstanding any use of Cash Collateral permitted hereunder or any financing and financial accommodations extended by the DIP Secured Parties to the Debtors pursuant to the terms of this Interim Order or the DIP Loan Documents.

(iii) Amounts Owed under Prepetition Second Lien Loan Documents. As of the Petition Date, the applicable Debtors owed the Prepetition Second Lien Secured Parties, pursuant to the Prepetition Second Lien Loan Documents, without defense, counterclaim, reduction or offset of any kind, in respect of loans made, letters of credit issued and other financial accommodations made by the Prepetition Second Lien Secured Parties, an aggregate principal amount of not less than \$316, 233, 250 with respect to the Notes Obligations (as defined in the Prepetition Second

Lien Indenture), *plus* all accrued and hereafter accruing and unpaid interest thereon and any additional fees, expenses (including any reasonable attorneys', accountants', appraisers', and financial advisors' fees and expenses that are chargeable or reimbursable under the Prepetition Second Lien Loan Documents), and other amounts now or hereafter due under the Prepetition Second Lien Loan Documents.

(iv) Release of Claims. Subject to the reservation of rights set forth in Paragraph 6 below, each Debtor and its estate shall be deemed to have forever waived, discharged, and released each of the Prepetition Second Lien Secured Parties and their respective affiliates, assigns or successors and the respective members, managers, equity holders, affiliates, agents, attorneys, financial advisors, consultants, officers, directors, employees and other representatives of the foregoing (all of the foregoing, collectively, the "Prepetition Second Lien Secured Party Releasees") from any and all "claims" (as defined in section 101(5) of the Bankruptcy Code), counterclaims, causes of action (including causes of action in the nature of "lender liability"), defenses, setoff, recoupment, other offset rights and other rights of disgorgement or recovery against any and all of the Prepetition Second Lien Secured Party Releasees, whether arising at law or in equity, relating to and/or otherwise in connection with the Prepetition Second Lien Obligations, the Prepetition Second Liens, or the debtor-creditor relationship between any of the Prepetition Second Lien Secured Parties, on the one hand, and any of the Debtors, on the other hand, including (I) any recharacterization, subordination, avoidance, disallowance or other claim arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of applicable state law, federal law, or municipal law and (II) any right or basis to challenge or object to the amount, validity, or enforceability of the Prepetition Second Lien Obligations or any payments or other transfers made on account of the Prepetition Second Lien

Obligations, or the validity, enforceability, priority, or non-avoidability of the Prepetition Second Liens securing the Prepetition Second Lien Obligations, including any right or basis to seek any disgorgement or recovery of payments of cash or any other distributions or transfers previously received by any of the Prepetition Second Lien Secured Party Releasees.

F. Cash Collateral. All of the Debtors' cash, including any cash in deposit accounts of the Debtors, wherever located, constitutes Cash Collateral of the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties.

G. Intercreditor Agreement. The Intercreditor Agreement, dated as of March 7, 2025 (as amended, restated, supplemented, or otherwise modified in accordance with its terms, the "Intercreditor Agreement"), sets forth subordination and other provisions governing the relative priorities and rights of the Prepetition First Lien Secured Parties and their respective Prepetition First Lien Obligations and Prepetition First Liens, on the one hand, and the Prepetition Second Lien Secured Parties and their respective Prepetition Second Lien Obligations and Prepetition Second Liens, on the other hand. Pursuant to section 510 of the Bankruptcy Code, such Intercreditor Agreement and any other intercreditor agreement or subordination agreement between and/or among the Prepetition First Lien Agent, the Prepetition Second Lien Trustee, any Prepetition First Lien Lender, any Prepetition Second Lien Noteholder, any Debtor or affiliate thereof, and any other applicable intercreditor or subordination provisions contained in any credit agreement, security agreement, indenture or related document, (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights and remedies of the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties (including the relative priorities, rights and remedies of such parties with respect to the replacement liens and administrative expense claims and superpriority administrative expense claims granted, or

amounts payable, by the Debtors under this Interim Order or otherwise and the modification of the automatic stay), and (iii) shall not be amended, altered or modified by the terms of this Interim Order or the DIP Loan Documents, and for avoidance of doubt, any acts or omissions by any Prepetition Second Lien Secured Party in connection with any chapter 11 plan of reorganization or liquidation in these Chapter 11 Cases (whether confirmed under section 1129(a) or (b) of the Bankruptcy Code), and any distributions on account of, or other treatment of, any Prepetition Second Lien Obligations pursuant to any such plan, shall remain subject to the Intercreditor Agreement (including its turnover provisions) or any other applicable intercreditor or subordination provisions.

H. **Findings Regarding the DIP Facility.**

(i) **Need for Postpetition Financing.** The Debtors have an immediate need to obtain the DIP Facility and use Cash Collateral to, among other things, permit the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers, and customers, to make payroll, to make capital expenditures, to satisfy other working capital and operational needs, and to otherwise preserve the value of the Debtors' estates. The Debtors' access to sufficient working capital and liquidity through the use of Cash Collateral and borrowing under the DIP Facility is vital to a successful reorganization and/or to otherwise preserve the enterprise value of the Debtors' estates. Immediate and irreparable harm will be caused to the Debtors and their estates if immediate financing is not obtained and permission to use Cash Collateral is not granted, in each case in accordance with the terms of this Interim Order and the DIP Loan Documents.

(ii) **No Credit Available on More Favorable Terms.** The Debtors have been and continue to be unable to obtain financing on more favorable terms from sources other

than the DIP Secured Parties under the DIP Loan Documents and this Interim Order. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense or secured credit allowable only under sections 364(c)(1), 364(c)(2), or 364(c)(3) of the Bankruptcy Code. The Debtors are unable to obtain secured credit under section 364(d)(1) of the Bankruptcy Code without (a) granting to the DIP Secured Parties the rights, remedies, privileges, benefits, and protections provided herein and in the DIP Loan Documents, including the DIP Liens and the DIP Superpriority Claims (as defined below), (b) allowing the DIP Secured Parties to provide the loans, letters of credit, and other financial accommodations under the DIP Facility on the terms set forth herein and in the DIP Loan Documents, (c) granting to the Prepetition First Lien Secured Parties the rights, remedies, privileges, benefits, and protections provided herein and in the DIP Loan Documents, including the Prepetition First Lien Adequate Protection, and (d) granting to the Prepetition Second Lien Secured Parties the rights, remedies, privileges, benefits, and protections provided herein and in the DIP Loan Documents, including the Prepetition Second Lien Adequate Protection (all of the foregoing described in clauses (a), (b), (c) and (d) above, collectively, the “DIP Protections”).

I. **Interim Financing.** During the Interim Period (as defined below), the DIP Secured Parties and, as applicable, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties are willing to provide financing to the Debtors and/or consent to the use of Cash Collateral by the Debtors, subject to (i) the entry of this Interim Order, and (ii) the terms and conditions of the DIP Loan Documents.

J. **Adequate Protection for Prepetition Secured Parties.** The Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties have agreed to permit the Debtors to use the Prepetition First Lien Collateral and Prepetition Second Lien Collateral,

respectively, including the Cash Collateral, during the Interim Period, subject to the terms and conditions set forth herein, including the protections afforded a party acting in “good faith” under section 364(e) of the Bankruptcy Code. In addition, the DIP Facility contemplated hereby provides for a priming of the Prepetition First Liens and the Prepetition Second Liens pursuant to section 364(d) of the Bankruptcy Code. The Prepetition First Lien Secured Parties and Prepetition Second Lien Secured Parties are entitled to the adequate protection as set forth herein pursuant to sections 361, 362, 363, and 364 of the Bankruptcy Code. Based on the DIP Motion and on the record presented to this Court at the Interim Hearing, the terms of the proposed adequate protection arrangements, use of the Cash Collateral, and the DIP Facility contemplated hereby are fair and reasonable, reflect the Debtors’ prudent exercise of business judgment consistent with their fiduciary duties, and constitute reasonably equivalent value and fair consideration for the consent of the Prepetition First Lien Secured Parties. Prepetition First Lien Lenders holding more than 50% of the aggregate principal balance of the Loans (as defined in the Prepetition First Lien Credit Agreement) (which Prepetition First Lien Lenders constitute “Required Lenders,” as defined in the Prepetition First Lien Credit Agreement, the “Required Prepetition First Lien Lenders”) have expressly consented to the entry of this Interim Order and the relief provided herein and pursuant to the terms of the Prepetition First Lien Credit Agreement, the consents of such Prepetition First Lien Lenders are binding on all Prepetition First Lien Secured Parties. [None of the remaining Prepetition First Lien Secured Parties has filed an objection to the entry of this Interim Order or the relief provided herein], and in any event, the prepetition Liens and security interests of such parties are adequately protected pursuant to the terms of this Interim Order. Notwithstanding anything to the contrary herein, the Prepetition First Lien Secured Parties’ consent to the DIP Facility and to the priming of the Prepetition First Liens by the DIP Liens is expressly limited to

the present DIP Facility and the DIP Liens securing same and shall not be applicable to any other debtor-in-possession credit facility, even if it contains substantially the same economic terms as this DIP Facility. Pursuant to the terms of the Intercreditor Agreement, the Prepetition Second Lien Noteholders are deemed to have consented to the entry of this Interim Order and the relief provided herein.

K. **Section 552.** In light of the subordination of their Liens and superpriority administrative claims to the Carve-Out and the DIP Liens, each of the Prepetition First Lien Secured Parties is entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and, subject to the entry of the Final Order, the “equities of the case” exception shall not apply.

L. **Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The DIP Secured Parties have indicated a willingness to provide postpetition secured financing via the DIP Facility to the Debtors in accordance with the DIP Loan Documents and this Interim Order.

(ii) The terms and conditions of the DIP Facility and the DIP Backstop Commitment Letters (as defined in the Restructuring Support Agreement) as set forth in the DIP Loan Documents, and the DIP Backstop Commitment Letters and this Interim Order, and the fees, expenses and other charges paid and to be paid thereunder or in connection therewith (including, without limitation, the Backstop Premium (as defined in the DIP Backstop Commitment Letters)), are fair, reasonable, and the best available under the circumstances, and the Debtors’ agreement to the terms and conditions of the DIP Loan Documents and to the payment of such fees reflect the Debtors’ exercise of prudent business judgment consistent with their fiduciary duties. Such terms and conditions are supported by reasonably equivalent value and fair consideration.

(iii) The DIP Secured Parties, the Prepetition First Lien Secured Parties and the Debtors, with the assistance and counsel of their respective advisors, have acted in good faith and at arms' length in, as applicable, negotiating, consenting to, and/or agreeing to, the DIP Facility, the Debtors' use of the DIP Collateral and the Prepetition First Lien Collateral (including Cash Collateral), the DIP Loan Documents and the DIP Protections (including the Prepetition First Lien Adequate Protection and the Prepetition Second Lien Adequate Protection). The DIP Obligations (including all advances that are made at any time to the Debtors under the DIP Loan Documents) and the Debtors' use of the DIP Collateral, the Prepetition First Lien Collateral and the Prepetition Second Lien Collateral (including Cash Collateral) shall be deemed to have been extended and/or consented to by the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties for valid business purposes and uses and in good faith, as that term is used in section 364(e) of the Bankruptcy Code, and in express and good faith reliance upon the protections offered by section 364(e) of the Bankruptcy Code and this Interim Order, and, accordingly, the DIP Liens, the DIP Superpriority Claims, the Prepetition First Lien Adequate Protection, the Prepetition Second Lien Adequate Protection and the other DIP Protections shall be entitled to the full protection of section 364(e) of the Bankruptcy Code and this Interim Order in the event this Interim Order or any other order or any provision hereof or thereof is vacated, reversed, amended, or modified, on appeal or otherwise.

M. **Relief Essential; Best Interest.** For the reasons stated above, the Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), and the Bankruptcy Local Rules. Absent granting the relief set forth in this Interim Order, the Debtors' estates, their businesses and properties and their ability to successfully reorganize or otherwise preserve the enterprise value of the Debtors' estates will be immediately

and irreparably harmed. Consummation of the DIP Facility and authorization of the use of Cash Collateral in accordance with this Interim Order and the DIP Loan Documents is therefore in the best interests of the Debtors' estates and consistent with their fiduciary duties. Based on all of the foregoing, sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the applicable Local Rules.

NOW, THEREFORE, based on the DIP Motion and the record before this Court with respect to the DIP Motion, and with the consent of the Debtors, the Prepetition First Lien Agent and the requisite Prepetition First Lien Secured Parties (on behalf of all of the Prepetition First Lien Secured Parties), the Prepetition Second Lien Trustee (on behalf of all of the Prepetition Second Lien Secured Parties) and the DIP Agent (on behalf of all of the DIP Secured Parties) to the form and entry of this Interim Order, and good and sufficient cause appearing therefor,

IT IS ORDERED that:

1. **Motion Granted.** The DIP Motion is hereby granted on an interim basis in accordance with the terms and conditions set forth in this Interim Order and the DIP Loan Documents. Any objections to the DIP Motion with respect to the entry of this Interim Order that have not been withdrawn, waived, or settled, and all reservations of rights included therein, are hereby denied and overruled.

2. **DIP Loan Documents and DIP Protections.**

(a) **Approval of DIP Loan Documents.** The Debtors are expressly and immediately authorized to establish the DIP Facility, to execute, deliver, and perform under the DIP Loan Documents and this Interim Order, to incur the DIP Obligations (as defined below), in accordance with, and subject to, the terms of this Interim Order and the DIP Loan Documents, and to execute, deliver, and perform under all other instruments, certificates, agreements, and documents that

may be required or necessary for the performance by the applicable Debtors under the DIP Loan Documents and the creation and perfection of the DIP Liens described in, and provided for, by this Interim Order and the DIP Loan Documents. The Debtors are hereby authorized and empowered to do and perform all acts and pay the principal, interest, fees, expenses, and other amounts described in the DIP Loan Documents as such become due pursuant to the DIP Loan Documents and this Interim Order, including all closing fees, administrative fees, commitment fees, and reasonable attorneys', financial advisors', and accountants' fees, and disbursements arising under the DIP Loan Documents and this Interim Order, which amounts shall not be subject to further approval of this Court and shall be non-refundable and not subject to challenge in any respect; provided, however, that the payment of the fees and expenses of the Lender Professionals (as defined below) shall be subject to the provisions of Paragraph 20(b). Upon their execution and delivery, the DIP Loan Documents shall represent the legal, valid and binding obligations of the applicable Debtors enforceable against such Debtors in accordance with their terms. Each officer of a Debtor (including the Chief Transformation Officer) acting singly is hereby authorized to execute and deliver each of the DIP Loan Documents, such execution and delivery to be conclusive evidence of such officer's respective authority to act in the name of and on behalf of the Debtors.

(b) DIP Obligations. For purposes of this Interim Order, the term "DIP Obligations" shall mean all amounts and other obligations and liabilities owing by the respective Debtors under the DIP Credit Agreement and other DIP Loan Documents (including all "Obligations" as defined in the DIP Credit Agreement) and shall include the principal of, interest on, and fees, costs, expenses, and other charges owing in respect of, such amounts (including any reasonable attorneys', accountants', financial advisors', and other fees, costs, and expenses that are chargeable

or reimbursable under the DIP Loan Documents and/or this Interim Order), and any obligations in respect of indemnity claims, whether contingent or otherwise.

(c) Authorization to Incur DIP Obligations and Use Cash Collateral. To enable the Debtors to continue to operate their businesses and preserve and maximize the value of their estates, during the period from the entry of this Interim Order through and including the earliest to occur of (i) the entry of the Final Order, or (ii) the Termination Declaration (as defined below), in each case unless extended by written agreement of the Required DIP Lenders and Required Prepetition First Lien Lenders (the period from the entry of this Interim Order through and including such earliest date, the “Interim Period”), (I) the Borrower is hereby authorized to (a) incur DIP Obligations in an aggregate principal amount not to exceed \$62.5 million under the DIP Facility and (b) use Cash Collateral and (II) any proposed use of the proceeds of DIP Loans or use of Cash Collateral shall be consistent with the terms and conditions of this Interim Order and the DIP Loan Documents, including the Approved Budget and the Budget Covenants as defined and contained in Paragraph 2(e) below. Following the entry of the Final Order, the Borrower’s authority to incur further DIP Obligations, if any, and use further Cash Collateral will be governed by the terms of such Final Order and the DIP Loan Documents. All DIP Obligations shall be unconditionally guaranteed, on a joint and several basis, by the DIP Guarantors, as further provided in the DIP Loan Documents.

(d) DIP Account. The Debtors shall, immediately upon receipt of any proceeds of the DIP Facility, deposit such amounts into a segregated account (the “DIP Account”) of the Borrower, which amounts may only be drawn in accordance with the Approved Budget (subject to Budget Covenants), the terms and conditions of this Interim Order, and the DIP Credit Agreement, and with all funds held in the DIP Account deemed to be DIP Collateral. Once withdrawn from the

DIP Account, the funds shall continue to be DIP Collateral until such funds are first used by the Debtors, and at all times the Debtors shall, notwithstanding any potential commingling, establish commercially reasonable internal cash management procedures to allow for the continued tracing of such funds. Funds in the DIP Account will become available to be drawn by and/or shall be disbursed to the Debtors in accordance with the Approved Budget (subject to Budget Covenants), this Interim Order, and the DIP Credit Agreement.

(e) Budget. Attached hereto as Schedule 1 is a rolling 13-week cash flow budget (the “Initial Approved Budget”) that reflects on a line-item basis the Debtors’ (i) weekly projected cash receipts (including from non-ordinary course assets sales), (ii) weekly projected disbursements (including ordinary course operating expenses, bankruptcy-related expenses under the Chapter 11 Cases, capital expenditures, and estimated fees and expenses of the DIP Agent (including counsel and financial advisors therefor) and any other fees and expenses relating to the DIP Facility), (iii) the sum of weekly unrestricted cash on hand and cash in the segregated account (collectively, “Liquidity”). The Debtors shall prepare and deliver to the DIP Agent (for distribution to the DIP Lenders) an updated “rolling” 13-week budget in accordance with Schedule 5.01(f) to the DIP Credit Agreement (or, at the option of the Borrower, more frequently) (the “Updated Budget”), which shall become the then “Approved Budget” upon approval by Required DIP Lenders in their sole discretion (and to the extent any Updated Budget is not approved by the Required DIP Lenders, the Approved Budget that is then in effect shall continue to constitute the Approved Budget for purposes of the DIP Facility); provided, however, that (i) the Updated Budget will be deemed approved unless the Required DIP Lenders provide written notice of their objection thereto (email being sufficient) within three (3) Business Days of the delivery of such Updated Budget, and during such period, the Initial Approved Budget or most recent Approved Budget, as

applicable, shall remain in effect (the “Interim Approval Period”), (ii) following the Interim Approval Period, if no objection is received from the Required DIP Lenders pursuant to clause (i), the Updated Budget shall be deemed the “Approved Budget” (it being understood that the Approved Budget shall be the initial Approved Budget until superseded by an approved Updated Budget), and (iii) the Required DIP Lenders shall not have any obligation to approve any Updated Budget. The Borrower shall provide, on or prior to the Friday of each week, Approved Budget variance reports on a line-item basis and Liquidity reports, in each case, for the cumulative Reporting Period pursuant to Schedule 5.01(f) to the DIP Credit Agreement and a computation of Liquidity as of the preceding calendar week-end. Notwithstanding anything to the contrary in this Interim Order, the professional fees, costs and expenses of the DIP Agent’s advisors and the Prepetition First Lien Agent’s advisors, respectively, shall be due, payable and paid in accordance with the terms of this Interim Order notwithstanding any budgeted amounts for such fees, costs and expenses set forth in the Approved Budget, and the Debtors shall not be deemed to have breached the terms of the Approved Budget or the Budget Covenants (as defined in 2(f)) to the extent the actual amount of such fees, costs and expenses exceed the applicable budgeted amounts as set forth in the Approved Budget. For the avoidance of doubt, the foregoing shall not limit the timely payment of Allowed Professional Fees that benefit from the Carve-Out as set forth in Paragraph 7.

(f) Budget Covenants. The Debtors shall only incur DIP Obligations and expend Cash Collateral and other DIP Collateral proceeds in accordance with the Approved Budget (and in the case of the costs and expenses of the Required DIP Lenders and the Required Prepetition First Lien Lenders, in accordance with the DIP Loan Documents and this Interim Order without being limited by the Approved Budget), subject to the following Permitted Variances (as defined

below). As of the last date of each Test Period, (1) the unfavorable variance (as compared to the Approved Budget) of the cumulative operating cash receipts of the Debtors shall not exceed 15% and (2) the unfavorable variance (as compared to the Approved Budget) of the cumulative operating disbursements (other than professional fees and expenses incurred by the Debtors, the DIP Agent, and the advisors to the Backstop Parties) shall not exceed 15%, in each case, (collectively, the “Permitted Variances”). “Test Period” shall mean (i) initially, the period commencing on the Monday immediately prior to the Petition Date and ending on September 28, 2025, and (ii) thereafter, the four- or five-week period ending on the last Sunday of the month. For the avoidance of doubt, see Schedule 5.01(f) to the DIP Credit Agreement for Variance and Liquidity reporting. The foregoing budget-related covenants are collectively referred to herein as the “Budget Covenants.” For the avoidance of doubt, the foregoing shall not limit the timely payment of Allowed Professional Fees that benefit from the Carve-Out as set forth in Paragraph 7.

(g) Interest, Fees, Costs, Indemnities and Expenses. The DIP Obligations shall bear interest at the rates, and be due and payable (and paid), as set forth in, and in accordance with the terms and conditions of, this Interim Order and the DIP Loan Documents, in each case without further notice, motion, or application to, order of, or hearing before, this Court. The Debtors shall pay on demand all fees, costs, indemnities, expenses (including, subject to Paragraph 20(b), reasonable out-of-pocket legal and other professional fees and expenses of the DIP Agent) and other charges payable under the terms of the DIP Loan Documents. All such fees, costs, indemnities, expenses and disbursements, whether incurred, paid or required to be paid prepetition or post-petition and whether or not budgeted in the Approved Budget, are hereby affirmed, ratified, authorized and payable (and any funds held by the DIP Agent and/or its

professionals as of the Petition Date for payment of such fees, costs, indemnities, expenses and disbursements may be applied for payment) as contemplated in this Interim Order and the DIP Loan Documents, and, subject to the provisions of Paragraph 20(b) with respect to the fees and expenses of the Lender Professionals, shall be non-refundable and not subject to challenge in any respect.

(h) Use of DIP Facility and Proceeds of DIP Collateral. The Borrower shall use the proceeds of all DIP Collateral solely in accordance with this Interim Order and the DIP Loan Documents; provided, that the foregoing shall not limit the timely payment of Allowed Professional Fees that benefit from the Carve-Out as set forth in Paragraph 7. Without limiting the foregoing, the Debtors shall not be permitted to make any payments from the DIP Collateral, the proceeds of DIP Loans or otherwise on account of any prepetition debt or obligation prior to the effective date of a confirmed chapter 11 plan or plans with respect to any of the Debtors, except (a) with respect to the Prepetition First Lien Obligations as set forth in this Interim Order and a Final Order; (b) as provided in the First Day Orders, which First Day Orders shall be in form and substance reasonably acceptable to the Required DIP Lenders and the Required Prepetition First Lien Lenders; (c) as expressly provided in other orders of this Court in form and substance reasonably acceptable to the Required DIP Lenders and the Required Prepetition First Lien Lenders; or (d) as otherwise expressly provided in the DIP Credit Agreement.

(i) Conditions Precedent. The DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties each have no obligation to extend credit under the DIP Facility or permit use of any DIP Collateral, Prepetition First Lien Collateral or Prepetition Second Lien Collateral or any proceeds thereof, including Cash Collateral, as applicable, during the Interim Period unless and until all conditions precedent to the extension of

credit and/or use of DIP Collateral, Prepetition First Lien Collateral, Prepetition Second Lien Collateral or proceeds thereof under the DIP Loan Documents and this Interim Order have been satisfied in full or waived by the Required DIP Lenders and the Required Prepetition First Lien Lenders in accordance with the DIP Loan Documents or Prepetition First Lien Credit Agreement or Intercreditor Agreement, as applicable, and this Interim Order.

(j) DIP Liens. As security for the DIP Obligations, effective as of the Petition Date, the following security interests and Liens, which shall immediately and without any further action by any Person be valid, binding, permanent, perfected, continuing, enforceable, and non-avoidable upon the entry of this Interim Order, are hereby granted by the Debtors to the DIP Agent, for itself and the other DIP Secured Parties (all such security interests and Liens granted to the DIP Agent for the benefit of all the DIP Secured Parties pursuant to this Interim Order and the DIP Loan Documents, the “DIP Liens”), on all property of the Debtors, now existing or hereinafter acquired, including all cash and cash equivalents (whether maintained with the DIP Agent or otherwise), and any investment in such cash or cash equivalents, money, inventory, goods, accounts receivable, other rights to payment, intercompany loans and other investments, securities and other investment property, contracts, contract rights, properties, plants, equipment, machinery, general intangibles, payment intangibles, accounts, deposit accounts, documents, instruments, chattel paper, documents of title, letters of credit, letter of credit rights, supporting obligations, leases and other interests in leaseholds, real property, fixtures, patents, copyrights, trademarks, trade names, other intellectual property, intellectual property licenses, permits, franchise rights, capital stock and other equity interests of subsidiaries and in other entities, tax and other refunds, insurance proceeds, commercial tort claims, the proceeds of Avoidance Actions (subject to entry of the Final Order), and other causes of action, and proceeds relating thereto, proceeds arising under section

549 of the Bankruptcy Code (whether received by judgment, settlement or otherwise), all other Collateral (as defined in the DIP Loan Documents), and all other “property of the estate” (as defined in section 541 of the Bankruptcy Code) of any kind or nature, real or personal, tangible, intangible, or mixed, now existing or hereafter acquired or created, and all rents, products, substitutions, accessions, profits, replacements, and cash and non-cash proceeds of all of the foregoing, in each case wherever located; provided, however, that the DIP Liens on the proceeds of Avoidance Actions shall be subject to the entry of the Final Order and the DIP Liens shall not include any “Excluded Assets” (as defined in the DIP Loan Documents) (all of the foregoing collateral collectively referred to as the “DIP Collateral”):

- (I) pursuant to section 364(c)(2) of the Bankruptcy Code, a perfected, binding, continuing, enforceable, and non-avoidable first priority Lien (junior only to the Carve-Out) on all unencumbered DIP Collateral, including, subject to the entry of the Final Order, proceeds of the Debtors’ claims and causes of action under sections 502(d), 544, 545, 547, 548, 550 and 553 of the Bankruptcy Code and any other avoidance or similar action under the Bankruptcy Code or similar state or municipal law and the proceeds of each of the foregoing (collectively, the “Avoidance Actions”, which for avoidance of doubt, excludes proceeds arising from the Debtors’ claims and causes of action under section 549 of the Bankruptcy Code or similar state or municipal law), whether received by judgment, settlement, or otherwise;
- (II) pursuant to section 364(c)(3) of the Bankruptcy Code, a perfected, binding, continuing, enforceable, and non-avoidable Lien upon all DIP Collateral that is subject to the Prepetition Prior Liens, which DIP Lien shall be junior only to such Prepetition Prior Liens and the Carve-Out; and
- (III) pursuant to section 364(d)(1) of the Bankruptcy Code, a perfected, binding, continuing, enforceable and non-avoidable first priority, senior priming Lien on all other DIP Collateral (including Cash Collateral), which DIP Lien (x) shall be senior to the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens and senior and priming to (A) the Prepetition First Liens, (B) the Prepetition Second Liens and (C) any other Liens that are junior to the Prepetition First Liens or the First Lien Adequate Protection Liens, after giving effect to any intercreditor or subordination agreements (the Liens referenced in clauses (A) and (B), collectively, the “Primed Liens”) and shall be junior only to the Prepetition Prior Liens and the Carve-Out.

(k) DIP Lien Priority. Notwithstanding anything to the contrary contained in this Interim Order or the DIP Loan Documents, for the avoidance of doubt, the DIP Liens granted to the DIP Agent for the benefit of the DIP Secured Parties shall in each and every case be first priority senior Liens that (i) are subject only to the Prepetition Prior Liens and the Carve-Out, and (ii) except as provided in the immediately preceding sub-clause (i), are senior to all prepetition and postpetition Liens or other interests of any kind of any other person or entity (including the Primed Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens), whether created voluntarily or involuntarily (including by order of a court).

(l) Enforceable Obligations. The DIP Loan Documents shall constitute and evidence the valid and binding DIP Obligations of the Debtors, which DIP Obligations shall be enforceable against the Debtors, their estates and any successors thereto (including any trustee or other estate representative in any Successor Case (as defined below)), and their creditors and other parties-in-interest, in accordance with their terms. No obligation, payment, transfer, or grant of security under the DIP Credit Agreement, the other DIP Loan Documents, or this Interim Order shall be stayed, restrained, voidable, avoidable, disallowable or recoverable under the Bankruptcy Code or under any applicable law (including under sections 502(d), 544, 547, 548, or 549 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any avoidance, reduction, setoff, surcharge, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

(m) Superpriority Administrative Claim Status. In addition to the DIP Liens granted herein, effective immediately upon entry of this Interim Order, all of the DIP Obligations shall

constitute allowed superpriority administrative claims pursuant to section 364(c)(1) of the Bankruptcy Code, which shall have priority, subject only to the payment of the Carve-Out in full in cash in accordance with this Interim Order, over all administrative expense claims, adequate protection and other diminution claims (including the First Lien Adequate Protection Superpriority Claims and the Second Lien Adequate Protection Superpriority Claims (each as defined below)), priority and other unsecured claims, and all other claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including administrative expenses or other claims of the kinds specified in, or ordered pursuant to, sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546, 726, 1113, and 1114 or any other provision of the Bankruptcy Code or otherwise, whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy, or attachment (the “DIP Superpriority Claims”). The DIP Superpriority Claims shall, for purposes of section 1129(a)(9)(A) of the Bankruptcy Code, be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, shall be against each Debtor on a joint and several basis, and shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof, including, subject to the entry of the Final Order, the proceeds of Avoidance Actions. Other than as expressly provided in the DIP Credit Agreement and/or this Interim Order with respect to the Carve-Out, no costs or expenses of administration, including professional fees allowed and payable under sections 328, 330, or 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in these proceedings, or in any Successor Cases, and no priority claims are, or will be, senior to, prior to, or on a parity with the DIP Superpriority Claims or the DIP Obligations, or with any other claims of the DIP Secured Parties arising under the DIP Loan Documents and/or this Interim Order.

(n) Priority of DIP Liens and DIP Superpriority Claims. Without affecting, modifying or limiting the scope or priority of the Carve-Out, the DIP Liens and the DIP Superpriority Claims: (A) shall not be subject to sections 506, 510, 549, 550, or 551 of the Bankruptcy Code, (B) shall not be subordinate to, or *pari passu* with, (x) any Lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or otherwise or (y) any Liens or claims of any Debtor or any direct or indirect subsidiary thereof against any Debtor or any of such Debtor's property, (C) shall be valid and enforceable against any trustee or any other estate representative elected or appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (each, a "Successor Case"), and/or upon the dismissal of any of the Chapter 11 Cases, and (D) notwithstanding anything to the contrary in any "first day" orders of this Court in any of the Chapter 11 Cases, shall be senior to any administrative claims arising under any such "first day" orders.

3. **Adequate Protection for Prepetition First Lien Secured Parties.** In consideration for the use of the Prepetition First Lien Collateral (including Cash Collateral) and the priming of the Prepetition First Liens, the Prepetition First Lien Agent, for the benefit of the Prepetition First Lien Secured Parties, shall receive the following adequate protection (collectively referred to as the "Prepetition First Lien Adequate Protection"):

(i) **First Lien Adequate Protection Liens.** To the extent there is a diminution in value of the interests of the Prepetition First Lien Secured Parties in the Prepetition First Lien Collateral (including Cash Collateral) from and after the Petition Date, whether or not resulting from the use, sale, or lease by the Debtors of the applicable Prepetition First Lien Collateral (including Cash Collateral), the granting of the DIP Superpriority Claims, the granting

of the DIP Liens, the subordination of the Prepetition First Liens thereto and to the Carve-Out, the imposition or enforcement of the automatic stay of section 362(a) of the Bankruptcy Code (“Diminution in Prepetition First Lien Collateral Value”), the Prepetition First Lien Agent, for the benefit of all the Prepetition First Lien Secured Parties, is hereby granted, subject to the terms and conditions set forth below, pursuant to sections 361 and 363(e) of the Bankruptcy Code, replacement Liens upon all of the DIP Collateral, including, subject to the entry of the Final Order, the proceeds of Avoidance Actions (such adequate protection replacement Liens, the “First Lien Adequate Protection Liens”), which First Lien Adequate Protection Liens on such DIP Collateral shall be subject and subordinate only to the DIP Liens, the Prepetition Prior Liens, and the Carve-Out.

(ii) First Lien Adequate Protection Superpriority Claims. To the extent of Diminution in Prepetition First Lien Collateral Value, the Prepetition First Lien Secured Parties are hereby further granted allowed superpriority administrative claims (such adequate protection superpriority claims, the “First Lien Adequate Protection Superpriority Claims”), pursuant to section 507(b) of the Bankruptcy Code, with priority over all administrative expense claims and priority and other unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including administrative expenses of the kind specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c) (subject to the entry of the Final Order to the extent provided in Paragraph 8), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provision of the Bankruptcy Code or otherwise, junior only to the DIP Superpriority Claims and the Carve-Out, and payable from and having recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof (including, subject to entry of the Final Order, all proceeds of Avoidance Actions; provided, however, that the

Prepetition First Lien Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the First Lien Adequate Protection Superpriority Claims unless and until all DIP Obligations have been Paid in Full (as defined below). Subject to the relative priorities set forth above, the First Lien Adequate Protection Superpriority Claims against each Debtor shall be allowed and enforceable against each Debtor and its estate on a joint and several basis. For purposes of this Interim Order, the terms “Paid in Full,” “Repaid in Full,” “Repay in Full,” and “Payment in Full” shall mean, with respect to any referenced DIP Obligations, Prepetition First Lien Obligations and/or Prepetition Second Lien Obligations, (i) the indefeasible payment in full in cash of such obligations, (ii) the termination or cash collateralization, in accordance with the DIP Loan Documents, Prepetition First Lien Loan Documents or Prepetition Second Lien Loan Documents, as applicable, of all undrawn letters of credit outstanding thereunder, and (iii) the termination of all credit commitments under the DIP Loan Documents, Prepetition First Lien Loan Documents and/or Prepetition Second Lien Loan Documents, as applicable; provided, however, that the First Lien Adequate Protection Superpriority Claims granted to the Prepetition First Lien Secured Parties may be impaired pursuant to any chapter 11 plan of reorganization in the Chapter 11 Cases with the vote of the applicable class of the holders of such claims that satisfies the requirements of section 1126 of the Bankruptcy Code, in which case, Paid in Full (or any of the other variants of this phrase referenced above) would occur upon consummation of such plan.

(iii) Priority of First Lien Adequate Protection Liens and First Lien Adequate Protection Superpriority Claims. Without affecting, modifying or limiting the scope or priority of the Carve-Out, the First Lien Adequate Protection Liens and the First Lien Adequate Protection Superpriority Claim (as defined below) (A) shall not be subject to sections 510, 549, 550, or 551 of the Bankruptcy Code or, subject to entry of the Final Order, section 506(c) of the

Bankruptcy Code or the “equities of the case” exception of section 552 of the Bankruptcy Code, (B) shall not be subordinate to, or *pari passu* with, (x) any Lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or otherwise or (y) any Liens or claims of any Debtor or any direct or indirect subsidiary thereof against any Debtor or any of such Debtor’s property, (C) shall be valid, binding, perfected and enforceable against any trustee or any other estate representative elected or appointed in the Chapter 11 Cases or any Successor Cases, and/or upon the dismissal of any of the Chapter 11 Cases, and (D) notwithstanding anything to the contrary in any “first day” orders of this Court in any of the Chapter 11 Cases, shall be senior to any administrative claims arising under any such “first day” orders.

(iv) Professional Fees and Interest. Without limiting any rights of the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties under section 506(b) of the Bankruptcy Code, which rights are hereby preserved, and in consideration, and as a requirement, for obtaining the consent of the Prepetition First Lien Secured Parties to the entry of this Interim Order and the Debtors’ consensual use of Cash Collateral as provided herein, the Debtors shall (i) pay or reimburse in cash the Prepetition First Lien Agent for any and all fees, costs, expenses, and charges (including, subject to Paragraph 20(b) below, the reasonable fees, costs, and expenses of counsel and financial advisors for the Prepetition First Lien Agent) to the extent, and at the times, payable under the Prepetition First Lien Loan Documents, including any unpaid fees, costs and expenses accrued prior to the Petition Date and (ii) pay to the applicable Prepetition First Lien Secured Parties interest on the Prepetition First Lien Obligations under the Prepetition First Lien Credit Agreement accruing at a rate of 2.00% above the applicable rate set forth in Section 2.13(c) of the Prepetition First Lien Credit Agreement, to be capitalized to the

outstanding principal of the Loans on the last Business Day of each calendar month after the Petition Date whether or not budgeted in the Approved Budget, and without further notice (except as provided in Paragraph 20(b) below with respect to postpetition professional fees, costs, and expenses), motion, or application to, order of, or hearing before, this Court.

(v) The Debtors shall deliver to the Prepetition First Lien Secured Parties all information, reports, documents and other material that the Debtors provide to the DIP Secured Parties pursuant to the DIP Loan Documents.

(vi) Unless otherwise expressly set forth herein, any consent or approval rights or similar rights granted or referenced in this Interim Order in favor of any or all of the DIP Agent, the other DIP Secured Parties, the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties may be exercised (or not exercised) in the sole discretion of such party.

(vii) Consent to Priming and Adequate Protection. The Prepetition First Lien Agent, on behalf of the Prepetition First Lien Secured Parties, consents to the Prepetition First Lien Adequate Protection and the priming provided for herein; provided, however, that such consent of the Prepetition First Lien Agent to the priming of the Prepetition First Liens and the use of Cash Collateral is expressly conditioned upon the entry of this Interim Order, and such consent shall not be deemed to extend to any other Cash Collateral usage or other replacement financing or debtor-in-possession financing other than the DIP Facility provided under the DIP Loan Documents; and provided, further, that such consent shall be of no force and effect in the event this Interim Order is not entered or is entered and subsequently reversed, modified, stayed, or amended (unless such reversal, modification, stay, or amendment is acceptable to the Prepetition First Lien Agent) or the DIP Loan Documents and DIP Facility as set forth herein are not approved.

(viii) Right to Seek Additional Adequate Protection. Under the

circumstances and given that the above-described adequate protection is consistent with the Bankruptcy Code, including section 506(b) thereof, this Court finds that the adequate protection provided herein is reasonable to protect the interests of the Prepetition First Lien Secured Parties. However, the Prepetition First Lien Agent, on behalf of the Prepetition First Lien Secured Parties, may request Court approval for additional or alternative adequate protection, without prejudice to any objection of the Debtors or any other party in interest to the grant of any additional or alternative adequate protection (except as provided in the Intercreditor Agreement); provided that any such additional or alternative adequate protection shall at all times be subordinate and junior to (i) the Carve-Out and (ii) the claims and Liens of the DIP Secured Parties granted under this Interim Order and the DIP Loan Documents. The consent of the Prepetition First Lien Secured Parties to the priming of the Prepetition First Liens by the DIP Liens and the Debtors' use of Cash Collateral on the terms set forth herein does not constitute, and shall not be construed as constituting, an acknowledgment or stipulation by the Prepetition First Lien Secured Parties that their respective interests in the Prepetition First Lien Collateral are adequately protected pursuant to this Interim Order or otherwise.

4. **Adequate Protection for Prepetition Second Lien Secured Parties.** In consideration for the use of the Prepetition Second Lien Collateral (including Cash Collateral) and the priming of the Prepetition Second Liens, the Prepetition Second Lien Trustee, for the benefit of the Prepetition Second Lien Secured Parties, shall receive the following adequate protection (collectively referred to as the "Prepetition Second Lien Adequate Protection"):

(i) **Second Lien Adequate Protection Liens.** To the extent there is a diminution in value of the interests of the Prepetition Second Lien Secured Parties in the Prepetition Second Lien Collateral (including Cash Collateral) from and after the Petition Date,

whether or not resulting from the use, sale, or lease by the Debtors of the applicable Prepetition Second Lien Collateral (including Cash Collateral), the granting of the DIP Superpriority Claims, the granting of the DIP Liens, the subordination of the Prepetition Second Liens thereto and to the Carve-Out, the imposition or enforcement of the automatic stay of section 362(a) of the Bankruptcy Code (“Diminution in Prepetition Second Lien Collateral Value”), the Prepetition Second Lien Trustee, for the benefit of all the Prepetition Second Lien Secured Parties, is hereby granted, subject to the terms and conditions set forth below, pursuant to sections 361 and 363(e) of the Bankruptcy Code, replacement Liens upon all of the DIP Collateral, including, subject to the entry of the Final Order, the proceeds of Avoidance Actions (such adequate protection replacement Liens, the “Second Lien Adequate Protection Liens”), which Second Lien Adequate Protection Liens on such DIP Collateral shall be subject and subordinate only to the DIP Liens, the Prepetition Prior Liens, the Prepetition First Liens, the First Lien Adequate Protection Liens and the Carve-Out.

(ii) Second Lien Adequate Protection Superpriority Claims. To the extent of Diminution in Prepetition Second Lien Collateral Value, the Prepetition Second Lien Secured Parties are hereby further granted allowed superpriority administrative claims (such adequate protection superpriority claims, the “Second Lien Adequate Protection Superpriority Claims”), pursuant to section 507(b) of the Bankruptcy Code, with priority over all administrative expense claims and priority and other unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including administrative expenses of the kind specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c) (subject to the entry of the Final Order to the extent provided in Paragraph 8), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provision of the Bankruptcy Code or otherwise, junior

only to the DIP Superpriority Claims, the First Lien Adequate Protection Superpriority Claims and the Carve-Out, and payable from and having recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof (including, subject to entry of the Final Order, all the proceeds of Avoidance Actions); provided, however, that the Prepetition Second Lien Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the Second Lien Adequate Protection Superpriority Claims unless and until all DIP Obligations and Prepetition First Lien Obligations have been Paid in Full; provided, further, that the Second Lien Adequate Protection Superpriority Claims granted to the Prepetition Second Lien Secured Parties may be impaired pursuant to any chapter 11 plan of reorganization in the Chapter 11 Cases with the vote of the applicable class of the holders of such claims that satisfies the requirements of section 1126 of the Bankruptcy Code, in which case, Paid in Full (or any of the other variants of this phrase referenced above) would occur upon consummation of such plan. Subject to the relative priorities set forth above, the Second Lien Adequate Protection Superpriority Claims against each Debtor shall be allowed and enforceable against each Debtor and its estate on a joint and several basis.

(iii) Priority of Second Lien Adequate Protection Liens and Second Lien Adequate Protection Superpriority Claims. Without affecting, modifying or limiting the scope or priority of the Carve-Out, the Second Lien Adequate Protection Liens and the Second Lien Adequate Protection Superpriority Claim (as defined below) (A) shall not be subject to sections 510, 549, 550, or 551 of the Bankruptcy Code or, subject to entry of the Final Order, section 506(c) of the Bankruptcy Code or the “equities of the case” exception of section 552 of the Bankruptcy Code, (B) shall not be subordinate to, or *pari passu* with, (x) any Lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or

otherwise or (y) any Liens or claims of any Debtor or any direct or indirect subsidiary thereof against any Debtor or any of such Debtor's property, (C) shall be valid, binding, perfected and enforceable against any trustee or any other estate representative elected or appointed in the Chapter 11 Cases or any Successor Cases, and/or upon the dismissal of any of the Chapter 11 Cases, and (D) notwithstanding anything to the contrary in any "first day" orders of this Court in any of the Chapter 11 Cases, shall be senior to any administrative claims arising under any such "first day" orders.

(iv) Second Lien Reporting. The Debtors shall deliver to the Prepetition Second Lien Secured Parties all information, reports, documents and other material that the Debtors provide to the DIP Secured Parties pursuant to the DIP Loan Documents.

(v) Consent to Priming and Adequate Protection. The Prepetition Second Lien Trustee, on behalf of the Prepetition Second Lien Secured Parties, consents to the Prepetition Second Lien Adequate Protection and the priming provided for herein; provided, however, that such consent of the Prepetition Second Lien Trustee to the priming of the Prepetition Second Liens and the use of Cash Collateral is expressly conditioned upon the entry of this Interim Order, and such consent shall not be deemed to extend to any other Cash Collateral usage or other replacement financing or debtor-in-possession financing other than the DIP Facility provided under the DIP Loan Documents; and provided, further, that such consent shall be of no force and effect in the event this Interim Order is not entered or is entered and subsequently reversed, modified, stayed, or amended (unless such reversal, modification, stay, or amendment is acceptable to the Prepetition Second Lien Trustee) or the DIP Loan Documents and DIP Facility as set forth herein are not approved.

5. **Automatic Postpetition Lien Perfection.** This Interim Order shall be sufficient and conclusive evidence of the validity, enforceability, perfection, and priority of the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens without the necessity of (a) filing or recording any financing statement, deed of trust, mortgage, or other instrument or document that may otherwise be required under the law of any jurisdiction, (b) obtaining “control” (as defined in any applicable Uniform Commercial Code or other law) over any DIP Collateral (and the DIP Agent and, after Payment in Full of the DIP Facility, the Prepetition First Lien Agent and, after Payment in Full of the Prepetition First Lien Credit Agreement, the Prepetition Second Lien Trustee shall be deemed, without any further action, to have control over all the Debtors’ deposit accounts, securities accounts and commodities accounts within the meaning of such Uniform Commercial Code and other law) or (c) taking any other action to validate or perfect the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens or to entitle the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens to the priorities granted herein. Notwithstanding the foregoing, each of the DIP Agent, the Prepetition First Lien Agent (in the latter case, solely with respect to the First Lien Adequate Protection Liens) and the Prepetition Second Lien Trustee (in the latter case, solely with respect to the Second Lien Adequate Protection Liens) may, each in their sole discretion, enter into and file, as applicable, financing statements, mortgages, security agreements, notices of Liens, and other similar documents, and is hereby granted relief from the automatic stay of section 362 of the Bankruptcy Code in order to do so, and all such financing statements, mortgages, security agreements, notices, and other agreements or documents shall be deemed to have been entered into, filed or recorded as of the Petition Date. The applicable Debtors shall execute and deliver to the DIP Agent, the Prepetition First Lien Agent

and/or the Prepetition Second Lien Trustee, as applicable, all such financing statements, mortgages, notices, and other documents as such parties may reasonably request to evidence and confirm the contemplated validity, perfection and priority of the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens, as applicable, granted pursuant hereto. Without limiting the foregoing, each of the DIP Agent, the Prepetition First Lien Agent and the Prepetition Second Lien Trustee may, in its discretion, file a photocopy of this Interim Order as a financing statement with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any Debtor has real or personal property, and in such event, the subject filing or recording officer shall be authorized to file or record such copy of this Interim Order. Subject to the entry of the Final Order, any provision of any lease, loan document, easement, use agreement, proffer, covenant, license, contract, organizational document, or other instrument or agreement that requires the payment of any fees or other monetary obligations to any governmental entity or non-governmental entity in order for the Debtors to pledge, grant, mortgage, sell, assign, or otherwise transfer any fee or leasehold interest or the proceeds thereof or other DIP Collateral is and shall be deemed to be inconsistent with the provisions of the Bankruptcy Code, and shall have no force or effect with respect to the Liens on such leasehold interests or other applicable DIP Collateral or the proceeds of any assignment and/or sale thereof by any Debtor, in favor of the DIP Secured Parties in accordance with the terms of the DIP Loan Documents and this Interim Order or in favor of the Prepetition First Lien Secured Parties or the Prepetition Second Lien Secured Parties in accordance with this Interim Order. To the extent that the Prepetition First Lien Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, financing statement, or account control agreements, listed as loss payee or additional insured under any of

the Debtors' insurance policies, or is the secured party under any of the Prepetition First Lien Loan Documents, the DIP Agent shall also be deemed to be the secured party under such account control agreements, loss payee or additional insured under the Debtors' insurance policies, and the secured party under each such Prepetition First Lien Loan Document, shall have all rights and powers attendant to that position (including rights of enforcement), and shall act in that capacity and distribute any proceeds recovered or received first, for the benefit of the DIP Secured Parties in accordance with the DIP Loan Documents and second, subsequent to Payment in Full of all DIP Obligations, for the benefit of the Prepetition First Lien Secured Parties and third, subsequent to the Payment in Full of all Prepetition First Lien Obligations, for the benefit of the Prepetition Second Lien Secured Parties. The Prepetition First Lien Agent shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's Liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Interim Order, is of a type such that perfection of a Lien therein may be accomplished only by possession or control by a secured party.

6. **Reservation of Certain Third Party Rights and Bar of Challenges and Claims.**

The Debtors' Stipulations shall be binding upon the Debtors in all circumstances upon entry of this Interim Order. The Debtors' Stipulations shall be binding upon the estates and each other party in interest, including the Committee, except to the extent and only to the extent such Committee or any other party in interest with standing (including any chapter 11 trustee) other than the Debtors (or if the Chapter 11 Cases are converted to cases under chapter 7 prior to the expiration of the Challenge Period (as defined below), the chapter 7 trustee in such Successor Case), upon the earlier of (x) with respect to any Committee, sixty (60) calendar days after the formation of any Committee, and (y) with respect to other parties in interest with requisite standing other than the Debtors or any Committee, sixty (60) calendar days following the date of entry of

this Interim Order (such time period established by the earlier of clauses (x) and (y), as the same may be extended in accordance with this Paragraph 6, shall be referred to as the “Challenge Period,” and the date that is the next Business Day after the termination of the Challenge Period in the event that either (i) no Challenge (as defined below) is properly raised during the Challenge Period or (ii) with respect only to those parties who properly file a Challenge, such Challenge is fully and finally adjudicated, shall be referred to as the “Challenge Period Termination Date”), has (I) commenced (A) a contested matter or adversary proceeding challenging or otherwise objecting to the admissions, stipulations, findings, or releases included in the Debtors’ Stipulations, (B) a contested matter or adversary proceeding against any or all of the Prepetition First Lien Secured Parties in connection with or related to the Prepetition First Lien Obligations, or the actions or inactions of any of the Prepetition First Lien Secured Parties arising out of or related to the Prepetition First Lien Obligations or the Prepetition First Lien Loan Documents, including any claim against any or all of the Prepetition First Lien Secured Parties in the nature of a “lender liability” cause of action, setoff, counterclaim, or defense to the Prepetition First Lien Obligations (including those under sections 506, 544, 547, 548, 549, 550, and/or 552 of the Bankruptcy Code or by way of suit against any of the Prepetition First Lien Secured Parties), or (C) a contested matter or adversary proceeding against any or all of the Prepetition Second Lien Secured Parties in connection with or related to the Prepetition Second Lien Obligations, or the actions or inactions of any of the Prepetition Second Lien Secured Parties arising out of or related to the Prepetition Second Lien Obligations or the Prepetition Second Lien Loan Documents, including any claim against any or all of the Prepetition Second Lien Secured Parties in the nature of a “lender liability” cause of action, setoff, counterclaim, or defense to the Prepetition Second Lien Obligations (including those under sections 506, 544, 547, 548, 549, 550, and/or 552 of the Bankruptcy Code

or by way of suit against any of the Prepetition Second Lien Secured Parties) (clauses (i) and (ii) collectively, the “Challenges” and, each individually, a “Challenge”), and (II) obtained a final, non-appealable order in favor of such party in interest sustaining any such Challenge in any such timely-filed contested matter, adversary proceeding, or other action (any such Challenge timely brought for which such a final and non-appealable order is so obtained, a “Successful Challenge”).

If a chapter 7 trustee or a chapter 11 trustee is appointed or elected during the Challenge Period, then the Challenge Period Termination Date with respect to such trustee only, shall be the later of (i) the last day of the Challenge Period and (ii) the date that is twenty-one (21) days after the date on which such trustee is appointed or elected. Except as otherwise expressly provided herein, from and after the Challenge Period Termination Date and for all purposes in these Chapter 11 Cases and any Successor Cases (and after the dismissal of these Chapter 11 Cases or any Successor Cases), (i) all payments made to or for the benefit of the Prepetition First Lien Secured Parties pursuant to, or otherwise authorized by, this Interim Order or otherwise (whether made prior to, on, or after the Petition Date) shall be indefeasible and not be subject to counterclaim, set-off, subordination, recharacterization, defense, disallowance, recovery or avoidance, (ii) any and all such Challenges by any party in interest shall be deemed to be forever released, waived, and barred, (iii) all of the Prepetition First Lien Obligations shall be deemed to be fully allowed claims within the meaning of section 506 of the Bankruptcy Code, and (iv) the Debtors’ Stipulations, including the release provisions therein, shall be binding on all parties in interest in these Chapter 11 Cases or any Successor Cases, including any Committee or chapter 11 or chapter 7 trustee. Notwithstanding the foregoing, to the extent any Challenge is timely asserted, the Debtors’ Stipulations and the other provisions in clauses (i) through (iv) in the immediately preceding sentence shall nonetheless remain binding and preclusive on any Committee and on any other party

in interest from and after the Challenge Period Termination Date, except to the extent that such Debtors' Stipulations or the other provisions in clauses (i) through (iv) of the immediately preceding sentence were expressly challenged in such Challenge and such Challenge becomes a Successful Challenge. The Challenge Period may be extended only with the written consent of the Prepetition First Lien Agent, with respect to the Prepetition First Lien Obligations, or by the Prepetition Second Lien Trustee, with respect to the Prepetition Second Lien Obligations, in their respective sole discretion. Notwithstanding any provision to the contrary herein, nothing in this Interim Order shall be construed to grant standing on any party in interest, including any Committee, to bring any Challenge on behalf of the Debtors' estates. The failure of any party in interest, including any Committee, to obtain an order of this Court prior to the Challenge Period Termination Date granting standing to bring any Challenge on behalf of the Debtors' estates shall not be a defense to failing to commence a Challenge prior to the Challenge Period Termination Date as required under this Paragraph 6 or to require or permit an extension of the Challenge Period Termination Date; provided, however, that if the Committee files a motion for standing to assert any Challenge prior to the Challenge Period Termination Date (and provided that the relevant pleading asserting such Challenge is attached as an exhibit to such motion), then the Challenge Period Termination Date shall be tolled, solely for the Committee and solely with respect to such Challenge set forth in the exhibit to such motion, until three (3) Business Days after the Court rules on such motion.

7. **Carve-Out.**

(i) As used in this Interim Order, the term "Carve-Out" means the sum of the following: (a) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the notice set forth in sub-

paragraph (ii) below); (b) all reasonable fees, costs, and expenses up to \$50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in subparagraph (ii) below); (c) to the extent allowed by the Court at any time, whether by interim or final compensation order, procedural order, or otherwise, all unpaid fees, costs, and expenses (collectively, the “Allowed Professional Fees”) earned, accrued or incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (collectively, the “Debtor Professionals”) at any time before or on the first Business Day following delivery by the DIP Agent of a Carve-Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice and without regard to whether such Allowed Professional Fees are provided for in the Approved Budget or when invoiced; (d) to the extent allowed by the Court at any time, whether by interim or final compensation order, procedural order, or otherwise, all Allowed Professional Fees earned, accrued or incurred in accordance with and subject to the Approved Budget by persons or firms retained by the Creditors Committee (if any) pursuant to section 328 or 1103 of the Bankruptcy Code (collectively, the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first Business Day following delivery by the DIP Agent of a Carve-Out Trigger Notice, whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice or when invoiced, and subject to the investigation budget set forth in Paragraph 16 below (the aggregate amounts set forth in clauses (a) through (d) above, the “Pre-Carve-Out Trigger Notice Amount”); and (e) Allowed Professional Fees of Debtor Professionals in an aggregate amount not to exceed \$2,500,000 and Allowed Professional Fees of Committee Professionals in an aggregate amount not to exceed \$250,000, in each case earned, accrued or incurred after the first Business Day following the date of delivery by the DIP Agent of the Carve-

Out Trigger Notice in accordance with sub-paragraph (ii) below (such date, the “Trigger Date”), to the extent allowed by the Court at any time, whether by interim or final compensation order, procedural order, or otherwise (the amounts set forth in this clause (e) being the “Post-Carve-Out Trigger Notice Amount” and, together with the Pre-Carve-Out Trigger Notice Amount, the “Carve-Out Amount”).

(ii) For purposes of the foregoing, “Carve-Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (at the direction of the Required DIP Lenders) to the Borrower, counsel to the Borrower (Latham & Watkins), the U.S. Trustee, and counsel to the Committee (if any), which notice (A) shall expressly state that the Post-Carve-Out Trigger Notice Amount has been invoked and (B) may be delivered only following the occurrence and during the continuation of Termination Event (as defined herein), the acceleration of the DIP Obligations under the DIP Loan Documents, and the termination of the Debtors’ consensual use of Cash Collateral under this Interim Order.

(iii) From and after the Petition Date, the Debtors shall utilize cash on hand, the proceeds from the DIP Facility, amounts held in the DIP Account, and/or any other available cash thereafter held by any Debtor to fund, on a weekly basis, the Pre-Carve-Out Trigger Notice Amount into the Escrow Account (as defined below) in an amount equal to the greatest of (A) the aggregate unpaid amount of estimated fees, costs, and expenses of Professional Persons included in all weekly estimates timely received by the Debtors in respect of the preceding week, (B) the aggregate unpaid amount of actual fees, costs, and expenses of Professional Persons earned, accrued or incurred at the applicable time, and (C) the aggregate amount of fees, costs, and expenses of Professional Persons provided for in the Approved Budget at the applicable time. As used herein, the term “Escrow Account” means a segregated account of the Borrower not subject

to the control of any DIP Secured Party, Prepetition First Lien Secured Party, and/or Prepetition Second Lien Secured Party (collectively, the “Funded Debt Secured Parties”).

(iv) Upon delivery of a Carve-Out Trigger Notice in accordance with sub-paragraph (ii) above, such Carve-Out Trigger Notice shall constitute a demand to, and approval for, the Debtors to utilize all cash on hand as of such date (including in the DIP Account) and any available cash thereafter generated by the Debtors to fund the Escrow Account in an amount equal to the Carve-Out Amount and to hold such amount in trust to pay the obligations benefitting from the Carve-Out.

(v) Upon delivery of a Carve-Out Trigger Notice in accordance with sub-paragraph (ii) above, and prior to the payment to any Funded Debt Secured Party on account of any claim or administrative expense held by such person or entity (whether postpetition, super priority, adequate protection, prepetition, or otherwise), the Debtors shall deposit into the Escrow Account cash available on the Trigger Date (or available thereafter) in an aggregate amount equal to the Carve-Out Amount. The funds in the Escrow Account shall be available only to satisfy the obligations benefitting from the Carve-Out in Paragraph 7(i) above, and the Funded Debt Secured Parties (A) shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of assets) of the Debtors unless and until the Escrow Account is funded in full in cash as provided above and (B) shall have a valid and perfected security interest upon any residual amount in the Escrow Account available following payment in full in cash of all obligations benefitting from the Carve-Out, subject to the lien and claim priorities set forth in this Interim Order.

(vi) Notwithstanding anything to the contrary in this Interim Order, the DIP Loan Documents, the Prepetition First Lien Loan Documents, and/or the Prepetition Second Lien Loan

Documents (collectively, including this Interim Order, the “Funded Debt Documents”), all claims and administrative expenses arising under, with respect to, or in connection with any Funded Debt Document (including the DIP Obligations, the DIP Superpriority Claims, the Prepetition First Lien Obligations, the First Lien Adequate Protection Superpriority Claims, the Prepetition Second Lien Obligations, and the Second Lien Adequate Protection Superpriority Claims) and all security interests and liens securing such claims and administrative expenses (including the DIP Liens, the Prepetition First Liens, the First Lien Adequate Protection Liens, the Prepetition Second Liens and the Second Lien Adequate Protection Liens) shall, in each case, be subject and subordinate to the payment in full in cash of the Carve-Out.

(vii) Notwithstanding anything to the contrary in any Funded Debt Document, (a) the failure of the Escrow Account to satisfy in full the Allowed Professional Fees of the Professional Persons shall not affect, limit, or otherwise modify the scope or priority of the Carve-Out, (b) in no way shall any Approved Budget, the Carve-Out, the Carve-Out Amount, the Escrow Account, or any other budget or financial projection delivered in connection with any Funded Debt Document be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Court at any time (including on an interim basis), and (c) the Debtors’ authority to use proceeds from the DIP Facility, the DIP Collateral, and/or Cash Collateral on account of, and to timely pay, the Allowed Professional Fees and the other obligations benefitting from the Carve-Out shall in no way be limited or deemed limited by any Approved Budget (other than as expressly set forth above as to the Allowed Professional Fees for the Committee Professionals).

(viii) Prior to the occurrence of the Termination Declaration Date (as defined below), the Debtors shall be permitted to pay Allowed Professional Fees (including on an interim basis), and

such payments shall not reduce or be deemed to reduce the Carve-Out. Moreover, for the avoidance of doubt, any amounts paid prior to the Carve-Out Trigger Notice shall not reduce or be deemed to reduce the Post-Carve-Out Trigger Notice Amount.

(ix) The DIP Agent shall be entitled to establish and maintain reserves against borrowing availability under the DIP Facility on account of the Carve-Out (including, for avoidance of doubt, the DIP Agent's estimate of future fees and expenses of the Debtor Professionals, the Committee Professionals and the Committee members that may be incurred before or after the delivery of Carve-Out Trigger Notice) in accordance with the terms of the DIP Credit Agreement.

(x) Without affecting, limiting, or otherwise modifying the scope or priority of the Carve-Out, neither the DIP Secured Parties nor the Prepetition First Lien Secured Parties shall be responsible for the direct payment or reimbursement of any fees or disbursements of any of the Debtor Professionals, Committee Professionals or Committee members incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Without affecting, limiting, or otherwise modifying the scope or priority of the Carve-Out, nothing in this Interim Order or otherwise shall be construed (i) to obligate any DIP Secured Party or any Prepetition First Lien Secured Party in any way to pay compensation to, or to reimburse expenses of, any of the Debtor Professionals, the Committee Professionals or Committee members, or to guarantee that the Debtors or their estates have sufficient funds to pay such compensation or reimbursement or (ii) to increase the Carve-Out if actual allowed fees and expenses of any of the Debtor Professionals, Committee Professionals or Committee members are higher in fact than the Carve-Out Amount. Notwithstanding any provision in this Paragraph 7 to the contrary, no portion of the Carve-Out, Cash Collateral, Prepetition First Lien Collateral, DIP Collateral or proceeds of

the DIP Facility shall be utilized for the payment of professional fees and disbursements to the extent restricted under Paragraph 16 hereof; provided that the foregoing shall not be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Court at any time (including on an interim basis). Nothing herein shall be construed as consent to the allowance of any professional fees or expenses of any of the Debtors, any Committee, any other official or unofficial committee in these Chapter 11 Cases or any Successor Cases, or of any other person or entity, or shall affect the right of any DIP Secured Party or any Prepetition First Lien Secured Party to object to the allowance and payment of any such fees and expenses.

8. **Waiver of 506(c) Claims.** Upon entry of this Interim Order in the case of the DIP Secured Parties (and their DIP Liens and their other rights in respect of the DIP Collateral, the Prepetition First Lien Collateral and Cash Collateral), and subject to the entry of the Final Order solely in the case of the Prepetition First Lien Secured Parties (and their Prepetition First Liens and their other rights in respect of the DIP Collateral, the Prepetition First Lien Collateral and Cash Collateral) and the Prepetition Second Lien Secured Parties (and their Prepetition Second Liens and their other rights in respect of the DIP Collateral, the Prepetition Second Lien Collateral and Cash Collateral), and as a further condition of (i) the DIP Facility and any obligation of the DIP Secured Parties to make credit extensions pursuant to the DIP Loan Documents (and the consent of the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties to the payment of the Carve-Out to the extent provided herein) and (ii) the Debtors' use of Cash Collateral pursuant to this Interim Order and a Final Order, (a) no costs or expenses of administration of the Chapter 11 Cases or any Successor Cases shall be charged against or recovered from or against any or all of the DIP Secured Parties and/or the Prepetition

First Lien Secured Parties, the Prepetition Second Lien Secured Parties, the Prepetition First Lien Collateral, the Prepetition Second Lien Collateral, the DIP Collateral and the Cash Collateral, in each case pursuant to section 506(c) of the Bankruptcy Code or otherwise, without the prior written consent of the DIP Agent, the Prepetition First Lien Agent and the Prepetition Second Lien Trustee, and (b) no such consent shall be implied from any other action, inaction, or acquiescence of any or all of the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties, and (c) the exercise prior to the entry of the Final Order of any rights under section 506(c) of the Bankruptcy Code or otherwise to charge any costs or expense of administration of the Chapter 11 Cases or any Successor Cases from or against the Prepetition First Lien Secured Parties or their Prepetition First Liens or the Prepetition Second Lien Secured Parties or their Prepetition Second Liens on or other interests in any or all of the DIP Collateral, the Prepetition First Lien Collateral, the Prepetition Second Lien Collateral and the Cash Collateral shall not impair and shall be subject to, and junior to, the DIP Liens on and the DIP Secured Parties' other interests in the DIP Collateral, the Prepetition First Lien Collateral, the Prepetition Second Lien Collateral and the Cash Collateral and the other DIP Protections accorded the DIP Secured Parties.

9. **After-Acquired Property.** Subject to and upon entry of the Final Order (but retroactive to the Petition Date), pursuant to section 552(a) of the Bankruptcy Code, all property acquired by the Debtors on or after the Petition Date is not, and shall not be, subject to any Lien of any person or entity resulting from any security agreement entered into by the Debtors prior to the Petition Date, except to the extent that such property constitutes proceeds of property of the Debtors that is subject to a valid, enforceable, perfected, and unavoidable Lien as of the Petition Date (or a valid, enforceable and unavoidable Lien that is perfected subsequent to the Petition Date

solely to the extent permitted by section 546(b) of the Bankruptcy Code) that is not subject to subordination or avoidance under the Bankruptcy Code or other provisions or principles of applicable law.

10. **Protection of DIP Secured Parties' and Prepetition First Lien Secured Parties'**

Rights.

(a) Unless the DIP Agent and the Prepetition First Lien Agent shall have provided their prior written consent or all DIP Obligations and First Lien Adequate Protection Superpriority Claims have been Paid in Full, there shall not be entered in any of these Chapter 11 Cases or any Successor Cases any order (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following: (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other Lien on all or any portion of the DIP Collateral or Prepetition First Lien Collateral and/or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claims, the Prepetition First Liens, the First Lien Adequate Protection Liens, the First Lien Adequate Protection Superpriority Claims, the Prepetition Second Liens, the Second Lien Adequate Protection Liens, the Second Lien Adequate Protection Superpriority Claims and/or the other DIP Protections; (ii) the use of Cash Collateral for any purpose other than Payment in Full of the DIP Obligations and the First Lien Adequate Protection Superpriority Claims or as otherwise permitted in the DIP Loan Documents and/or this Interim Order; provided that the foregoing shall not affect, modify or limit the scope or priority of the Carve-Out, (iii) the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any Debtor or any creditor's taking any setoff against any of its prepetition indebtedness based upon any such return of goods pursuant to

section 553 of the Bankruptcy Code or otherwise, or (iv) any modification of any of the DIP Secured Parties' or the Prepetition First Lien Secured Parties' rights under this Interim Order, the DIP Loan Documents or the Prepetition First Lien Loan Documents with respect to any DIP Obligations.

(b) The Debtors shall, until all DIP Obligations, Prepetition First Lien Obligations and First Lien Adequate Protection Superpriority Claims have been Paid in Full, (i) maintain books, records, and accounts to the extent and as required by the DIP Loan Documents, (ii) reasonably cooperate with, consult with during normal business hours, and provide to the DIP Secured Parties and the Prepetition First Lien Secured Parties all such information and documents that any or all of the Debtors are obligated (including upon reasonable written request by any of the DIP Secured Parties or the Prepetition First Lien Secured Parties) to provide under the DIP Loan Documents, the Prepetition Loan Documents (in the absence of the pendency of these Chapter 11 Cases) or the provisions of this Interim Order, (iii) during normal business hours and upon reasonable written request, permit consultants, advisors and other representatives (including third party representatives) of each of the DIP Agent and the Prepetition First Lien Agent to visit and inspect any of the Debtors' respective properties, to examine and make abstracts or copies from any of their respective books and records, to tour the Debtors' business premises and other properties, and to discuss, and provide advice with respect to, their respective affairs, finances, properties, business operations, and accounts with their respective officers, employees, independent public accountants and other professional advisors (other than legal counsel) as and to the extent required by the DIP Loan Documents and/or the Prepetition First Lien Loan Documents, (iv) during normal business hours and upon reasonable written request, permit the DIP Agent and the Prepetition First Lien Agent and their respective consultants, advisors and other

representatives to consult with the Debtors' management and advisors on matters concerning the Debtors' businesses, financial condition, operations and assets, and (v) during normal business hours and upon reasonable written request, permit the DIP Agent and the Prepetition First Lien Agent to conduct, at their discretion and at the Debtors' cost and expense, field audits, collateral examinations and inventory appraisals at reasonable times in respect of any or all of the DIP Collateral and the Prepetition First Lien Collateral. Notwithstanding anything to the contrary contained herein, the Debtors do not waive any right to attorney-client, work product, or similar privilege, and the Debtors shall not be required to provide the DIP Agent, the Prepetition First Lien Agent, or their respective counsel and financial advisors with any information subject to attorney-client privilege or consisting of attorney work product. For avoidance of doubt, the Prepetition First Lien Agent shall have the same access and cooperation rights as the DIP Agent for purposes of this subparagraph (b).

11. **Proceeds of Subsequent Financing.** Without limiting the provisions and protections of Paragraph 10 above, if at any time prior to the Payment in Full of all the DIP Obligations and the First Lien Adequate Protection Superpriority Claims (including subsequent to the confirmation of any chapter 11 plan or plans with respect to any of the Debtors), the Debtors' estates, any trustee, any examiner with enlarged powers, or any responsible officer subsequently appointed shall obtain credit or incur debt pursuant to sections 364(b), 364(c), 364(d), or any other provision of the Bankruptcy Code in violation of this Interim Order or the DIP Loan Documents, then, after payment or reservation in full in cash of the Carve-Out, all of the cash proceeds derived from such credit or debt and all Cash Collateral shall immediately be turned over to the DIP Agent for application to the DIP Obligations until Paid in Full and then to the First Lien Adequate Protection Superpriority Claims until Paid in Full.

12. **Cash Collection.** From and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Collateral or Prepetition First Lien Collateral or services provided by any Debtor and all Cash Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall be promptly deposited in the same lock-box and/or deposit accounts into which the collections and proceeds of the Prepetition First Lien Collateral were deposited under the Prepetition First Lien Loan Documents (or in such other accounts as are designated by the DIP Agent from time to time) (collectively, the “Cash Collection Accounts”), which accounts shall be subject to the liens of the DIP Agent and the Prepetition First Lien Agent (and the funds in such accounts may be used by the Debtors to the extent provided in this Interim Order and the DIP Loan Documents). Upon the direction of the DIP Agent or, following Payment in Full of the DIP Obligations, the Prepetition First Lien Agent, at any time after the occurrence of a Termination Event and subject to the provisions of Paragraph 7 and Paragraph 15, all proceeds in the Cash Collection Accounts shall be remitted to the DIP Agent for application to the DIP Obligations until Payment in Full and then to the Prepetition First Lien Agent for application to the Prepetition First Lien Obligations until Payment in Full, and the DIP Agent and the Prepetition First Lien Agent shall be entitled to take all action that is necessary or appropriate to effectuate the foregoing. Unless otherwise agreed to in writing by the DIP Agent and the Prepetition First Lien Agent, the Debtors shall maintain no accounts except those identified in the *Interim Order (A) Authorizing Debtors to (I) Continue Existing Cash Management System, (II) Maintain Existing Business Forms, and (III) Continue Intercompany Transactions; and (B) Granting Related Relief* (the “Interim Cash Management Order”) and the *Final Order (A) Authorizing Debtors to (I) Continue Existing Cash Management System, (II) Maintain Existing Business Forms, and (III) Continue*

Intercompany Transactions; and (B) Granting Related Relief (the “Final Cash Management Order” together with the Interim Cash Management Order, the “Cash Management Orders”). Subject to the provisions of Paragraph 7 and Paragraph 15, the Debtors and the financial institutions where the Debtors’ Cash Collection Accounts are maintained (including those accounts identified in the Cash Management Orders) are authorized and empowered to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP Agent or, following Payment in Full of the DIP Obligations, the Prepetition First Lien Agent.

13. Disposition of DIP Collateral; Credit Bid.

(a) Unless the DIP Obligations and the Prepetition First Lien Obligations are Paid in Full upon the closing of a sale or other disposition of the DIP Collateral or Prepetition First Lien Collateral, the Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral or any Prepetition First Lien Collateral (or enter into any binding agreement to do so) without the prior written consent of the DIP Agent and the Prepetition First Lien Agent (and no such consent shall be implied from any other action, inaction, or acquiescence by any DIP Secured Party or Prepetition First Lien Secured Party or any order of this Court), except in the ordinary course of business or as otherwise permitted in the DIP Loan Documents and/or the Prepetition First Lien Loan Documents, as applicable, and this Interim Order. Except to the extent otherwise expressly provided in the DIP Loan Documents and subject to Paragraph 7 of this Interim Order, all proceeds from the sale, transfer, lease, encumbrance or other disposition of any DIP Collateral outside the ordinary course of business shall be remitted to the DIP Agent for application to the DIP Obligations, in each case, in accordance with the terms of this Interim Order and the DIP Loan Documents or the Prepetition First Lien Loan Documents, as the case may be. In addition, the

Debtors are authorized and empowered to enter into such blocked account agreements (with cash dominion, if the DIP Agent so elects) with the DIP Agent and such financial institutions as the DIP Agent may require, and, if it so elects, the DIP Agent shall be entitled to enjoy the benefit of all control agreements to which the Prepetition First Lien Agent is a party without the need to enter into new blocked account agreements.

(b) Subject to Paragraph 6 of this Interim Order, the Prepetition First Lien Agent (or one or more of its designees, affiliates or assignees) (at the direction of Required Prepetition First Lien Lenders) shall have the unqualified right to credit bid up to the full amount of any Prepetition First Lien Obligations in any sale of the Prepetition First Lien Collateral (or any DIP Collateral subject to any First Lien Adequate Protection Liens) under or pursuant to (i) section 363 of the Bankruptcy Code, (ii) any plan of reorganization or plan of liquidation under section 1129 of the Bankruptcy Code to the extent any sale contemplated thereunder does not result in payment in full of all of the DIP Obligations on the effective date of such plan, or (iii) section 725 of the Bankruptcy Code. Subject to Paragraph 6 of this Interim Order, the Debtors, on behalf of themselves and their estates, stipulate and agree that any sale of all or part of the Prepetition First Lien Collateral (or any DIP Collateral subject to any First Lien Adequate Protection Liens) that does not include an unqualified right to credit bid up to the full amount of the Prepetition First Lien Obligations would mean that the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties will not receive the indubitable equivalent of their claims and interests. The DIP Agent (or one or more of its designees, affiliates or assignees) shall have the unqualified right to credit bid any or all of the DIP Obligations under or pursuant to (i) section 363 of the Bankruptcy Code, (ii) any plan of reorganization or plan of liquidation under section 1129 of the Bankruptcy Code, or (iii) section 725 of the Bankruptcy Code. If the DIP Agent or the Prepetition First Lien Agent or their respective

designees, affiliates or assignees make a credit bid in connection with any auction or other sale process relating to the sale or other disposition of any DIP Collateral or Prepetition First Lien Collateral, then for purposes of such auction or sale process or any applicable order of this Court, the DIP Agent and/or Prepetition First Lien Agent shall be automatically deemed to be a qualified bidder and its bid shall be automatically deemed to constitute a qualified bid, regardless of whether the qualified bidder or qualified bid requirements are satisfied.

14. **Termination Events.** The following shall constitute a termination event under this Interim Order and the DIP Loan Documents unless waived in writing by each of the DIP Agent and the Prepetition First Lien Agent (each, a “Termination Event”):

(a) The occurrence and continuation of an “Event of Default” under the DIP Credit Agreement, as set forth therein (a “DIP Default Termination Event”), including, for avoidance of doubt, (x) the failure to obtain entry of the Final Order, in form and substance acceptable to the DIP Agent and the Prepetition First Lien Agent, on or before 11:59 p.m. prevailing Eastern Time on the date that is 45 days from the Petition Date and (y) the Debtors’ failure to timely and strictly comply with any of the obligations and deadlines set forth on **Exhibit B** hereto thereto (the “Chapter 11 Milestones”).

(b) Any material breach by the Debtors of their obligations under the Restructuring Support Agreement (subject to any applicable cure periods), and any termination of the Restructuring Support Agreement by the Debtors or the Prepetition First Lien Lenders.

(c) Any other material breach, default or other violation by any of the Debtors of the terms and provisions of this Interim Order (subject to any applicable cure periods).

15. **Rights and Remedies Upon Termination Event.**

(a) Upon the occurrence and during the continuation of a Termination Event, following delivery by the DIP Agent (at the direction of the Required DIP Lenders) of written notice (a “Remedies Notice”), of not less than five (5) Business Days’, to the Debtors and Debtors’ counsel, the United States Trustee, and counsel to the Committee (if any) (the “Remedies Notice Period”), unless prior to such time the Court orders otherwise, the DIP Agent is hereby granted relief from the automatic stay, without further notice, hearing, motion, order or other action of any kind, to the extent necessary to permit the DIP Secured Parties to exercise (i) immediately upon the occurrence and during the continuance of any Termination Event, all rights and remedies under this Interim Order, the DIP Loan Documents and/or applicable non-bankruptcy law (other than those rights and remedies against the DIP Collateral as provided in subparagraph 15(b) below), including the right to (1) declare all DIP Obligations to be immediately due and payable, (2) declare the termination, reduction or restriction of any further commitment to extend credit to the Debtors, to the extent any such commitment remains, and/or (3) terminate the DIP Facility and any other DIP Loan Documents as to any future liability or obligation of the DIP Agent and the other DIP Secured Parties, but without affecting any of the DIP Obligations or the DIP Liens securing the DIP Obligations; and/or (ii) declare a termination, reduction or restriction on the ability of the Debtors to use any Cash Collateral (any such declaration under any of clauses 15(a)(i)(1), (2) or (3) or (ii) shall be made to the respective lead counsel to the Debtors, the Committee and the U.S. Trustee, and shall be referred to herein as a “Termination Declaration” and the date that is the earliest to occur of any such Termination Declaration being herein referred to as the “Termination Declaration Date”).

(b) In addition to the rights and remedies described above, on the later of: (i) the expiration of the Remedies Notice Period, including as such period may be tolled as provided

herein, and (ii) five (5) Business Days following the Termination Declaration Date, unless prior to such time this Court determines that a Termination Event has not occurred and/or is not continuing, the DIP Agent is hereby granted relief from the automatic stay, without further notice, hearing, motion, order or other action of any kind, to foreclose on, or otherwise enforce and realize on, its DIP Liens on all or any portion of the DIP Collateral, including by collecting accounts receivable and applying the proceeds thereof to the DIP Obligations, subject to the payment or reservation in full in cash of the Carve-Out as set forth in Paragraph 7. Prior to the expiration of the Remedies Notice Period, the Debtors and/or any Committee shall be entitled to request an emergency hearing with the Court. If a request for such hearing is made prior to the end of the Remedies Notice Period, then the Remedies Notice Period shall be continued until the Court hears and rules with respect thereto. During such Remedies Notice Period, (i) the Debtors may use Cash Collateral or any amounts previously or thereafter advanced under the DIP Credit Facility (a) to fund operations in accordance with the DIP Facility and the Approved Budget and (b) the Carve-Out; and (ii) the Debtors and the DIP Lenders consent to a hearing on an expedited basis to consider whether a Termination Event has occurred, and if a hearing to consider the foregoing is requested to be heard before the end of the Remedies Notice Period but is scheduled for a later date by the Bankruptcy Court, the Remedies Notice Period shall be automatically extended to the date of such hearing. Unless the Bankruptcy Court orders otherwise, upon the expiration of the Remedies Notice Period (subject to extension in the event an Emergency Motion is filed), the automatic stay shall automatically be deemed terminated, without further notice, hearing or order of the Bankruptcy Court, and the DIP Agent (acting at the instruction of the Required DIP Lenders under the DIP Loan Documents) shall be permitted to exercise all remedies set forth in the DIP Orders and in the DIP Loan Documents or applicable law, and the Debtors' right to use any Cash Collateral shall

immediately cease, subject to the payment or reservation in full in cash of the Carve-Out as set forth in Paragraph 7.

(c) Subject to Paragraph 6, upon the effectiveness of any relief from the automatic stay with respect to the DIP Facility pursuant to Paragraph 15(b) hereof, the Prepetition First Lien Agent shall have relief from the automatic stay to the same extent as the DIP Agent, and without further notice, hearing, motion, order or other action of any kind, to foreclose on, or otherwise enforce and realize on its Prepetition First Liens and the First Lien Adequate Protection Liens on, all or any portion of the DIP Collateral or Prepetition First Lien Collateral (including by collecting accounts receivable and applying the proceeds thereof to the Prepetition First Lien Obligations) or otherwise exercise remedies against the DIP Collateral or Prepetition First Lien Collateral permitted by this Interim Order, the Prepetition First Lien Loan Documents and/or applicable non-bankruptcy law; provided however, that any such foreclosure or other enforcement by the Prepetition First Lien Agent of any Prepetition First Liens or the First Lien Adequate Protection Liens or any other such exercise of remedies by the Prepetition First Lien Agent against the DIP Collateral or Prepetition First Lien Collateral shall not interfere with or otherwise be inconsistent with any foreclosure or other enforcement by the DIP Agent of any DIP Liens or other DIP Protections or any other exercise of remedies by the DIP Agent, and any proceeds received by the Prepetition First Lien Agent in connection with such foreclosure, enforcement or other exercise of remedies shall, subject to the payment or reservation in full in cash of the Carve-Out as set forth in Paragraph 7, be turned over to the DIP Agent for application to the DIP Obligations until Paid in Full.

(d) Subject to the provisions of Paragraph 6 hereof, all proceeds realized in connection with the exercise of the rights and remedies of the DIP Secured Parties or the

Prepetition First Lien Secured Parties shall be turned over first to the Debtors to fund the Carve-Out in full in cash, then to the DIP Agent for application to the DIP Obligations under, and in accordance with the provisions of, the DIP Loan Documents and this Interim Order until Payment in Full of all of the DIP Obligations and then to the Prepetition First Lien Agent for application to the Prepetition First Lien Obligations under, and in accordance with the provisions of, the Prepetition First Lien Loan Documents and this Interim Order until Payment in Full of the Prepetition First Lien Obligations.

(e) Subject to entry of the Final Order, and notwithstanding anything contained herein to the contrary, and without limiting any other rights or remedies of the DIP Agent or the other DIP Secured Parties contained in this Interim Order or the DIP Loan Documents, or otherwise available at law or in equity, and subject to the terms of the DIP Loan Documents, upon five (5) Business Days' written notice to the Debtors and any landlord, lienholder, licensor, or other third party owner of any leased or licensed premises or intellectual property that a Termination Event has occurred and is continuing, the DIP Agent (i) may, unless otherwise provided in any separate agreement by and between the applicable landlord or licensor and the DIP Agent (the terms of which shall be reasonably acceptable to the parties thereto), enter upon any leased or licensed premises of the Debtors for the purpose of exercising any remedy with respect to any DIP Collateral located thereon and (ii) shall be entitled to all of the Debtors' rights and privileges as lessee or licensee under the applicable license and to use any and all trademarks, trade names, copyrights, licenses, patents, or any other similar assets of the Debtors that are owned by or subject to a Lien of any third party and that are used by Debtors in their businesses, in the case of either subparagraph (i) or (ii) of this Paragraph 15(e) without interference from lienholders or licensors thereunder, subject to such lienholders' or licensors' rights under applicable law;

provided, however, that the DIP Agent, on behalf of the DIP Secured Parties, shall pay only rent and additional rent, fees, royalties, or other monetary obligations of the Debtors that first arise after the written notice referenced above from the DIP Agent and that accrue during the period of such occupancy or use by such DIP Agent calculated on a *per diem* basis. Nothing herein shall require the Debtors, the DIP Agent, or the other DIP Secured Parties to assume any lease, license or other contract under Bankruptcy Code section 365(a) as a precondition to the rights afforded to the DIP Agent and the other DIP Secured Parties in this Paragraph 15(e).

(f) Subject to the entry of the Final Order and Payment in Full of the DIP Obligations, notwithstanding anything contained herein to the contrary, and without limiting any other rights or remedies of the Prepetition First Lien Agent or the other Prepetition First Lien Secured Parties contained in this Interim Order or the Prepetition First Lien Loan Documents, or otherwise available at law or in equity, the Prepetition First Lien Agent shall succeed to, and be entitled to, all of the rights, remedies, benefits and protections accorded to the DIP Agent pursuant to Paragraph 15(e), as if all references therein to the “DIP Agent” and the “DIP Parties” are references to the “Prepetition First Lien Agent” and the “Prepetition First Lien Secured Parties.”

(g) The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby modified pursuant to the terms of this Interim Order and the DIP Loan Documents as necessary to (i) permit the Debtors to grant the First Lien Adequate Protection Liens, the Second Lien Adequate Protection Liens and the DIP Liens and to incur all liabilities and obligations to the DIP Secured Parties and the Prepetition First Lien Secured Parties under the DIP Loan Documents, the DIP Facility, and this Interim Order, (ii) subject to Paragraph 7, authorize the DIP Secured Parties and the Prepetition First Lien Secured Parties to retain and apply payments made in accordance with the DIP Loan Documents, the Prepetition First Lien Loan Documents and/or this

Interim Order, (iii) to permit each of the DIP Agent, the other DIP Secured Parties, the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties to perform any act authorized under this Interim Order and the DIP Loan Documents, and (iv) otherwise to the extent necessary to implement and effectuate the provisions of this Interim Order and the DIP Loan Documents.

16. **Restriction on Use of Proceeds**. Notwithstanding anything herein to the contrary, but subject to the last sentence of this Paragraph 16, no loans and/or proceeds from the DIP Facility (including the DIP Account), DIP Collateral, Cash Collateral (including any retainer held by any professionals for the below-referenced parties), Prepetition First Lien Collateral, Prepetition Second Lien Collateral or any portion of the Carve-Out may be used by (a) any Debtor, Committee or trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Cases, or any other person, party, or entity (including any of the Debtors' Professionals, the Committee's Professionals or the Committee members) to investigate (except as set forth below) or prosecute any Challenge (including any litigation or other action) against the DIP Secured Parties, the Prepetition First Lien Secured Parties or the Prepetition Second Lien Secured Parties (or to pay any professional fees and disbursements incurred in connection therewith) at any time; or (b) any Debtor, any Committee, or any trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Cases, or any other person, party, or entity (including any of the Debtors' Professionals, the Committee's Professionals or the Committee members) to (or to pay any professional fees and disbursements incurred in connection therewith): (i) request authorization to obtain postpetition loans or other financial accommodations pursuant to section 364(c) or (d) of the Bankruptcy Code, or otherwise, other than from the DIP Secured Parties, or to seek any modification to this Interim Order not approved by the DIP Agent and, to the extent such modification would affect the rights of any of the Prepetition First Lien Secured Parties, the

Prepetition First Lien Agent and, to the extent such modification would affect the rights of any of the Prepetition Second Lien Secured Parties, the Prepetition Second Lien Trustee; (ii) investigate (except as set forth below), assert, join, commence, support, or prosecute any action for any claim, counter-claim, action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination, or similar relief against, any or all of the DIP Secured Parties, the Prepetition First Lien Secured Parties, the Prepetition Second Lien Secured Parties, their respective affiliates, assigns or successors and the respective officers, directors, employees, agents, attorneys, representatives and other advisors of the foregoing, with respect to any transaction, occurrence, omission, action, or other matter (including formal or informal discovery proceedings in anticipation thereof), including (A) any Challenges and any Avoidance Actions or other actions arising under chapter 5 of the Bankruptcy Code; (B) any action with respect to the validity, enforceability, priority, and extent of the DIP Obligations, the Prepetition First Lien Obligations, and/or the Prepetition Second Lien Obligations or the validity, extent, and priority of the DIP Liens, the Prepetition First Liens, the Prepetition Second Liens, the First Lien Adequate Protection Liens or the Second Lien Adequate Protection Liens; (C) any action seeking to invalidate, set aside, avoid, or subordinate, in whole or in part, the DIP Liens, the other DIP Protections, the Prepetition First Liens, the First Lien Adequate Protection Liens, the other Prepetition First Lien Adequate Protection, the Prepetition Second Liens, the Second Lien Adequate Protection Liens, or the other Prepetition Second Lien Adequate Protection; (D) any action preventing, hindering, or otherwise delaying any or all of the DIP Secured Parties', and, after the Payment in Full of the DIP Obligations, the Prepetition First Lien Secured Parties' and/or the Prepetition Second Lien Secured Parties', assertion, enforcement, or realization on the Cash Collateral, the DIP Collateral, the Prepetition First Lien Collateral or the Prepetition Second Lien

Collateral in accordance with the DIP Loan Documents, the Prepetition First Lien Loan Documents or the Prepetition Second Lien Loan Documents, as applicable, or this Interim Order); and/or (E) any action seeking to modify any of the rights, remedies, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties hereunder or under the DIP Loan Documents, the Prepetition First Lien Loan Documents or the Prepetition Second Lien Loan Documents, as applicable, or any payments made thereunder or in respect thereof; provided, however, up to \$50,000 in the aggregate of the Carve-Out, any DIP Collateral, any Prepetition First Lien Collateral, any Prepetition Second Lien Collateral, any Cash Collateral and proceeds of the DIP Facility may be used by the Committee (to the extent such Committee is appointed) to investigate (but not to prosecute) the claims and/or Liens of the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties under the Prepetition First Lien Loan Documents and/or the Liens of the Prepetition Second Lien Trustee and the other Prepetition Second Lien Secured Parties under the Prepetition Second Lien Loan Documents (but in any case not the claims and/or Liens of the DIP Agent and the other DIP Secured Parties) so long as such investigation occurs within the Challenge Period; or (iii) use or seek to use Cash Collateral or sell or otherwise dispose of DIP Collateral or Prepetition First Lien Collateral, unless otherwise permitted hereby, without the prior written consent of the DIP Agent and the Prepetition First Lien Agent. For the avoidance of doubt, the foregoing limitations shall not (i) prevent or otherwise limit the Debtors and their professionals from being heard on whether a Termination Event has occurred and is continuing, (ii) be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Court at any time (including on an interim basis), or (iii) prohibit the Debtors' use of the DIP Collateral, Prepetition First Lien

Collateral, DIP Loans, Cash Collateral, proceeds of any of the foregoing, any portion of the Carve-Out or any other funds to respond to investigations by the Committee.

17. **Proofs of Claim.** The Prepetition First Lien Secured Parties, and the Prepetition Second Lien Secured Parties will not be required to file proofs of claim in any of the Chapter 11 Cases or Successor Cases for any claim allowed herein. The Debtors' Stipulations shall be deemed to constitute a timely filed proof of claim for the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties in respect of all Prepetition First Lien Obligations and Prepetition Second Lien Obligations, respectively. In addition, the Prepetition First Lien Secured Parties, the Prepetition Second Lien Secured Parties, and the DIP Secured Parties will not be required to file any request for allowance and/or payment of any administrative expenses, and this Interim Order shall be deemed to constitute a timely filed request for allowance and/or payment of any Prepetition First Lien Obligations or Prepetition Second Lien Obligations constituting administrative expenses or any DIP Obligations, as applicable. Notwithstanding any order entered by this Court in relation to the establishment of a bar date in any of the Chapter 11 Cases or Successor Cases to the contrary, each of the Prepetition First Lien Agent, for the benefit of itself and the other Prepetition First Lien Secured Parties, the Prepetition Second Lien Trustee, for the benefit of itself and the other Prepetition Second Lien Secured Parties, and the DIP Agent, for the benefit of itself and the other DIP Secured Parties, is hereby authorized and entitled, in its sole discretion, but not required, to file (and amend and/or supplement, in its discretion) in each of the Chapter 11 Cases or Successor Cases (i) in the case of Prepetition First Lien Agent, a proof of claim and/or aggregate proofs of claim in respect of any Prepetition First Lien Obligations, (ii) in the case of the Prepetition Second Lien Trustee, a proof of claim and/or aggregate proofs of claim in respect of any Prepetition Second Lien Obligations, and (ii) in the case of each of the Prepetition

First Lien Agent, Prepetition Second Lien Trustee, and the DIP Agent, a request or aggregate requests for allowance and/or payment of any portion of the Prepetition First Lien Obligations constituting administrative expenses or any DIP Obligations, as applicable.

18. **Preservation of Rights Granted Under the Interim Order.**

(a) No Non-Consensual Modification or Extension of Interim Order. The Debtors shall not seek any amendment, modification, or extension of this Interim Order (including through any chapter 11 plan of reorganization) without the prior written consent of the DIP Agent and the Prepetition First Lien Agent, and no such consent shall be implied by any other action, inaction, or acquiescence of the DIP Secured Parties or any of the Prepetition First Lien Secured Parties. In the event any or all of the provisions of this Interim Order are hereafter modified, amended, or vacated by a subsequent order of this Court or any other court, such modification, amendment, or vacatur shall not affect the validity, perfection, priority, allowability, enforceability, or non-avoidability of any advances, payments, or use of cash authorized or made hereby or pursuant to the DIP Loan Documents, or Lien, claim, priority or other DIP Protections authorized or created hereby or pursuant to the DIP Loan Documents, in each case incurred or arising prior to the actual receipt of written notice by the DIP Agent or the Prepetition First Lien Agent, as applicable, and in either case counsel thereto, of the effective date of such reversal, modification, vacatur, or stay. Based on the findings set forth in this Interim Order and in accordance with section 364(e) of the Bankruptcy Code, which is applicable to the DIP Facility, in the event any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated, or stayed by a subsequent order of this Court or any other court, the DIP Secured Parties and the Prepetition First Lien Secured Parties shall be entitled to the protections provided in section 364(e) of the Bankruptcy Code, and notwithstanding any such reversal, modification, vacatur, or

stay, any use of Cash Collateral or any DIP Obligations or any DIP Protections (including the Prepetition First Lien Adequate Protection) incurred or granted by the Debtors prior to the actual receipt of written notice by the DIP Agent or the Prepetition First Lien Agent, as applicable, of the effective date of such reversal, modification, vacatur, or stay shall remain in full force and effect and be binding on all parties in interest and be governed in all respects by the original provisions of this Interim Order (and shall maintain their respective priorities as provided by this Interim Order), and the DIP Secured Parties and the Prepetition First Lien Secured Parties shall be entitled to all of the DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted pursuant to section 364(e) of the Bankruptcy Code, this Interim Order, or the DIP Loan Documents.

(b) Dismissal. If any order dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or otherwise is at any time entered, then notwithstanding any such dismissal, (i) the DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively, shall remain in full force and effect and be binding on all parties in interest and be governed in all respects by the provisions of this Interim Order (and shall maintain their respective priorities as provided by this Interim Order) until all DIP Obligations and all Prepetition First Lien Obligations have been Paid in Full, and such order of dismissal shall so provide (in accordance with sections 105 and 349 of the Bankruptcy Code), and (ii) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing such DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections,

and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively.

(d) Survival of Interim Order. The provisions of this Interim Order and the DIP Loan Documents, any actions taken pursuant hereto or thereto, and all of the DIP Protections (including the Prepetition First Lien Adequate Protection), and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively, pursuant to this Interim Order and the DIP Loan Documents shall survive, and shall not be modified, impaired, or discharged by, the entry of any order confirming any plan of reorganization in any Chapter 11 Case or Successor Case, converting any Chapter 11 Case to a case under chapter 7, dismissing any of the Chapter 11 Cases, withdrawing of the reference of any of the Chapter 11 Cases or any Successor Cases or providing for abstention from handling or retaining of jurisdiction of any of the Chapter 11 Cases or any Successor Case in this Court, or terminating the joint administration of these Chapter 11 Cases or any Successor Case or by any other act or omission. The terms and provisions of this Interim Order, including all of the DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively, pursuant to this Interim Order and the DIP Loan Documents shall continue in full force and effect and be binding on all parties in interest notwithstanding the entry of any such order, and such DIP Protections (including the Prepetition First Lien Adequate Protection), and such other rights, remedies, Liens priorities, privileges, protections and benefits pursuant to this Interim Order and the DIP Loan Documents, shall continue in full force and effect in these proceedings and in any Successor Cases and after dismissal of any thereof, and shall maintain their

respective priorities as provided by this Interim Order. Without the express written consent of the DIP Lenders, the DIP Obligations shall not be discharged by the entry of an order confirming any such chapter 11 plan, the Debtors having waived such discharge pursuant to section 1141(d)(4) of the Bankruptcy Code.

19. **Insurance Policies.** Upon entry of this Interim Order, the DIP Agent, the other DIP Secured Parties, the Prepetition First Lien Agent (with respect to the Prepetition First Lien Adequate Protection) and the other Prepetition First Lien Secured Parties (with respect to the Prepetition First Lien Adequate Protection) shall be, and shall be deemed to be, without any further action or notice, named as additional insureds and loss payees, as applicable, on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral, and the Debtors shall take such actions as are reasonably requested by the DIP Agent or the Prepetition First Lien Agent from time to time to evidence or effectuate the foregoing.

20. **Other Rights and Obligations.**

(a) **Expenses.** To the extent provided in the DIP Loan Documents (and without limiting the Debtors' respective obligations thereunder), the applicable Debtors shall pay all reasonable expenses incurred by the DIP Agent (including the reasonable fees and disbursements of all counsel for the DIP Agent and any internal or third-party appraisers, consultants, advisors and auditors engaged by or for the benefit of the DIP Agent and/or its counsel) in connection with the preparation, execution, delivery, and administration of the DIP Loan Documents, this Interim Order, the Final Order, and any other agreements, instruments, pleadings, or other documents prepared or reviewed in connection with any of the foregoing, whether or not any or all of the transactions contemplated hereby or by the DIP Loan Documents are consummated.

(b) Notice of Professional Fees. Professionals for the DIP Agent and the Prepetition First Lien Agent (including professionals engaged by counsel to the DIP Agent or Prepetition First Lien Agent, as applicable) (collectively, the “Lender Professionals”) shall not be required to comply with the United States Trustee fee guidelines or submit invoices to this Court, United States Trustee, any Committee or any other party in interest. Copies of summary invoices submitted to the Debtors by such Lender Professionals shall be forwarded by the Debtors to the United States Trustee, counsel for any Committee, and such other parties as this Court may direct. If no objection to payment of the requested fees and expenses is made in writing (email being sufficient) by any of the Debtors, any Committee, or the United States Trustee within ten calendar days after delivery of such invoices, such invoices shall be promptly paid by the Debtors and, in any event, no later than three Business Days after expiration of such ten day period. The summary invoices shall be sufficiently detailed to enable a determination as to the reasonableness of such fees and expenses; provided, however, that such summary invoices may be redacted to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such summary invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine or other applicable privilege. If the Debtors, United States Trustee or any Committee object to the reasonableness of the fees and expenses of any of the Lender Professionals and cannot resolve such objection within ten days of receipt of such invoices, then the Debtors, United States Trustee, or the Committee, as the case may be, shall file with this Court and serve on such Lender Professionals an objection (the “Fee Objection”) limited to the issue of the reasonableness of such fees and expenses, and any failure by any such party to file a Fee Objection within such ten day period shall constitute a waiver of any right of such party

to object to the applicable invoice. Notwithstanding any provision herein to the contrary, any objection to, and any hearing on an objection to, payment of any fees, costs, and expenses set forth in a professional fee invoice in respect of Lender Professionals shall be limited to the reasonableness of the particular items or categories of the fees, costs, and expenses that are the subject of such objection. The Debtors shall timely pay in accordance with the terms and conditions of this Interim Order (a) the undisputed fees, costs, and expenses reflected on any invoice to which a Fee Objection has been timely filed and (b) all fees, costs and expenses on any invoice to which no Fee Objection has been timely filed. All such unpaid fees, costs, expenses, and charges of the DIP Agent that have not been disallowed by this Court on the basis of an objection filed by the Debtor, the United States Trustee or the Committee (or any subsequent trustee of the Debtors' estates) in accordance with the terms hereof shall constitute DIP Obligations and shall be secured by the DIP Collateral as specified in this Interim Order. Any and all fees, commissions, costs, and expenses paid prior to the Petition Date by any Debtor to the DIP Agent or the other DIP Secured Parties in connection with or with respect to the DIP Facility, the DIP Credit Agreement, or the other DIP Loan Documents are hereby approved in full and non-refundable and shall not otherwise be subject to any Challenge.

(c) Binding Effect. Subject only to Paragraph 6 above, the provisions of this Interim Order, including all findings herein, and the DIP Loan Documents shall be binding upon all parties in interest in these Chapter 11 Cases and any Successor Cases, including the DIP Secured Parties, the Prepetition First Lien Secured Parties, any Committee, and the Debtors and their respective estates, successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary or responsible person

appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors), whether in any of the Chapter 11 Cases, in any Successor Cases, or upon dismissal of any such Case or Successor Case; provided, however, that except to the extent expressly provided in Paragraph 6, the DIP Secured Parties and the Prepetition First Lien Secured Parties shall have no obligation to permit the use of Cash Collateral or to extend any financing to any chapter 7 or chapter 11 trustee or other responsible person appointed for the estates of the Debtors in any Chapter 11 Case or Successor Case.

(d) No Waiver. The failure of the Prepetition First Lien Secured Parties or the DIP Secured Parties to seek relief or otherwise exercise their rights and remedies under this Interim Order, the Prepetition First Lien Loan Documents, the DIP Loan Documents or otherwise (or any delay in seeking or exercising same) shall not constitute a waiver of any of such parties' rights hereunder, thereunder, or otherwise. Nothing contained in this Interim Order (including the authorization of the use of any Cash Collateral) shall impair or modify any rights, claims, or defenses available in law or equity to any Prepetition First Lien Secured Party or any DIP Secured Party, including rights of a party to a swap agreement, securities contract, commodity contract, forward contract, or repurchase agreement with a Debtor to assert rights of setoff or other rights with respect thereto as permitted by law (or the right of the Debtors to contest or object to such assertion). Except as provided by this Interim Order, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair, any right or ability of the Prepetition First Lien Secured Parties or the DIP Secured Parties under the Bankruptcy Code or under non-bankruptcy law to (i) request conversion of the Chapter 11 Cases or any Successor Cases to cases under chapter 7, dismissal of the Chapter 11 Cases or any Successor Cases, or the appointment of a trustee or examiner in the Chapter 11 Cases or any

Successor Cases, or to oppose the use of Cash Collateral in any Successor Case, (ii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, any chapter 11 plan or plans with respect to any of the Debtors or seek early termination of the Debtors' exclusive rights to propose a plan under the Bankruptcy Code, or (iii) exercise any of the rights, claims, or privileges (whether legal, equitable, or otherwise) of the DIP Secured Parties or the Prepetition First Lien Secured Parties, respectively, under the DIP Loan Documents or the Prepetition First Lien Loan Documents, the Bankruptcy Code or otherwise, in each case with the rights of the Debtors to contest or object thereto reserved. Except to the extent otherwise expressly provided in this Interim Order or by law, neither the commencement of the Chapter 11 Cases nor the entry of this Interim Order shall limit or otherwise modify the rights and remedies of the Prepetition First Lien Secured Parties under the Prepetition First Lien Loan Documents or with respect to any non-Debtor entities or their respective assets, whether such rights and remedies arise under the Prepetition First Lien Loan Documents, applicable law, or equity.

(e) No Third Party Rights. Except as explicitly provided for herein or in any DIP Loan Document, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder, or direct, indirect, or incidental beneficiary. In determining to make any loan (whether under the DIP Credit Agreement or otherwise) or to permit the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Loan Documents, the DIP Secured Parties and the Prepetition First Lien Secured Parties shall not (i) be deemed to be in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, as amended, or any similar federal,

state or local statute or regulation) or (ii) owe any fiduciary duty to the Debtors, their respective creditors, shareholders, or estates.

(f) No Marshaling. Subject to entry of the Final Order, neither the DIP Secured Parties nor the Prepetition First Lien Secured Parties shall be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition First Lien Collateral, as applicable.

(g) Amendments. The Debtors are authorized and empowered, without further notice and hearing or approval of this Court, to amend, modify, supplement, or waive any provision of the DIP Loan Documents in accordance with the provisions thereof, in each case unless such amendment, modification, supplement, or waiver is material. No waiver, modification, or amendment of any of the provisions of the DIP Loan Documents shall be effective unless set forth in writing, signed by or on behalf of the Borrower and the DIP Agent (after having obtained the approval of the requisite DIP Secured Parties under the DIP Credit Agreement) and, except as provided herein, approved by this Court. Notwithstanding the foregoing, no waiver, modification or amendment of any of the provisions of this Interim Order or the DIP Loan Documents that would directly and adversely affect the rights or interests of the Prepetition First Lien Secured Parties, as applicable, shall be effective unless also consented to in writing by the Prepetition First Lien Agent on behalf of the Prepetition First Lien Secured Parties (after obtaining the approval of the requisite Prepetition First Lien Secured Parties under the Prepetition First Lien Credit Agreement).

(h) Inconsistency. In the event of any inconsistency between the terms and conditions of the DIP Loan Documents and of this Interim Order, the provisions of this Interim Order shall govern and control. In the event of any inconsistency between the terms or conditions

of this Interim Order and the terms or conditions of any other order entered by this Court in the nature of a “first day order”, the provisions of this Interim Order shall govern and control.

(i) Enforceability. This Interim Order shall constitute findings of fact and conclusions of law pursuant to the Bankruptcy Rule 7052 and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon execution hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062 or 9024 or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry, and there shall be no stay of execution or effectiveness of this Interim Order.

(j) Reservation of Rights. Nothing in this Interim Order shall be deemed to constitute the consent of the DIP Secured Parties or the Prepetition First Lien Secured Parties, and except as expressly provided in the DIP Loan Documents, each of the foregoing expressly reserve the right to object, to entry of any Order of the Bankruptcy Court that provides for the sale or other disposition of all or substantially all of the assets of the Debtors (or any other sale or other disposition of assets of any of the Debtors outside the ordinary course of business) to any party unless, in connection and concurrently with any such event, the proceeds of such sale are or will be sufficient to satisfy Payment in Full of the DIP Obligations and the Prepetition First Lien Obligations on the closing date of such sale.

(k) Headings. Paragraph headings used herein are for convenience only and are not to affect the construction of, or to be taken into consideration in, interpreting this Interim Order.

21. **Necessary Action.** The Debtors are authorized to take any and all such actions as are necessary, required or appropriate to implement and effectuate the terms of this Interim Order, the DIP Loan Documents and the transactions contemplated hereunder and thereunder.

22. **Final Hearing**

If no objections to the relief sought in the Final Hearing are filed and served in accordance with this Interim Order, no Final Hearing may be held, and a separate Final Order may be presented by the Debtors and entered by this Court.

(b) **Final Hearing Notice.** Within three (3) days of entry of this Interim Order, the Debtors shall serve, by United States mail, first-class postage prepaid (such service constituting adequate notice of the Final Hearing), (i) notice of the entry of this Interim Order and of the Final Hearing (the “Final Hearing Notice”) and (ii) a copy of this Interim Order on the parties having been given notice of the Interim Hearing and to any other party that has filed a request for notices with this Court and to any Committee after the same has been appointed, or Committee counsel, if the same shall have been appointed. MOELIS' RETENTION

6. The Debtors originally engaged Moelis as investment banker, financial advisor and placement agent in December 2024 in the face of significant liquidity pressure and in need of near-term covenant relief under the Debtors' debt facilities. Moelis was engaged to assist the Debtors in assessing a range of transaction alternatives including a potential bank amendment, capital transaction, and/or sale transaction, among other things. Ultimately, in January 2025, after weeks discussing and assessing a range of transaction alternatives with their existing stakeholders and other third parties, the Debtors raised a \$75 million incremental term loan under the Prepetition First Lien Credit Agreement from existing lenders and uptiered \$251 million of Unsecured Notes into a newly created Prepetition Second Lien Notes.³ In connection with the January 2025

³ In connection with the *Exchange Agreement* dated as of January 9, 2025, the requisite holders of Unsecured Notes entered into that certain *Fifth Supplemental Indenture* dated as of March 7, 2025 to that certain Senior Notes Indenture, dated as of August 4, 2021 ("*Unsecured Notes Indenture*"), which, among other things, released all the guarantors of their guarantees under the Unsecured Notes Indenture. Accordingly, the Unsecured Notes are only obligations of ModivCare, Inc., as issuer under the Unsecured Notes Indenture.

transaction, to alleviate near-term covenant pressure, the Debtors also obtained financial covenant relief in the form of a reduction to the minimum liquidity covenant and a covenant holiday through the second quarter of 2025, with modified leverage and interest coverage ratio tests following expiration of the holiday, among other modifications. Subsequently, in March 2025, the Debtors issued an additional \$30 million of new money Prepetition Second Lien Notes and exchanged \$20 million of Unsecured Notes, providing the Debtors with additional liquidity. My team and I worked closely with the Debtors, their management team, the Debtors' creditors, other professionals and advisors, and other third parties throughout the process that led to these transactions.

7. More recently, the Debtors reengaged Moelis as investment banker and placement agent in early June 2025. Members of my team and I have been working closely with the Debtors and their management team, creditors, and other professionals and advisors to assist with the Debtors' restructuring efforts, including, but not limited to, (a) reviewing the Debtors' financials, business plan, and capital structure; (b) developing strategies to effectuate potential transactions; (c) engaging with the Debtors' creditors and their advisors to discuss potential restructuring solutions; (d) participating in meetings with the Debtors' capital structure committee and board of directors (the "**Board**") to keep them apprised of the restructuring negotiations and developments; (e) assisting the Debtors with soliciting, negotiating, and documenting the DIP Facility; and (f) preparing for the commencement of the Chapter 11 Cases. Through such work, Moelis has become well-acquainted with the Debtors' capital structure, liquidity needs, and business operations.

THE TERMS OF THE DIP FINANCING

8. The DIP Facility, which is being provided by certain Prepetition First Lien Lenders (collectively, the "**DIP Lenders**"), includes, among other things:

- a senior secured superpriority priming debtor-in-possession facility in an aggregate principal amount of \$100 million, providing an initial draw of up to \$62.5 million in DIP Loans following entry of the Interim DIP Order and a subsequent draw of up to \$37.5 million in DIP Loans upon entry of the Final DIP Order;
- a backstop premium (the “**Backstop Premium**”) of 20.0% of the reorganized Debtors’ pro forma equity, subject to dilution by the management incentive plan (the “**MIP**”), Series A Warrants, Series B Warrants, and Series C Warrants issued to the Prepetition Second Lien Noteholders (the “**New Warrants**”), and the equity rights offering (the “**Equity Rights Offering**”);
- an interest rate, payable in cash, of either (a) Secured Overnight Financing Rate (“**SOFR**”) plus 7.00% per annum or (b) Alternate Base Rate plus 6.00% per annum;
- an original issue discount (“**OID**”) of 2.00% of the DIP Facility commitments netted from proceeds at issuance (*i.e.*, 2% of \$100 million, which equals \$2 million);
- an exit fee (the “**Exit Commitment Fee**”) of 3.00% of the DIP Facility commitments (*i.e.*, 3% of \$100 million, which equals \$3 million), which is due and payable in cash upon termination of the DIP Facility commitments;
- a maturity date that is 6 months following execution of the DIP Credit Agreement, with the ability to extend by 3 additional months, subject to the terms of the DIP Credit Agreement; and
- the consensual use of Cash Collateral and a customary adequate-protection package.

THE DEBTORS’ NEED FOR POSTPETITION FINANCING AND ACCESS TO CASH COLLATERAL

9. Based on my discussions with management and the Debtors’ other advisors, my experience in restructuring matters, and my familiarity with the Debtors, I believe the Debtors require immediate access to the DIP Facility to allow them to continue operating during the Chapter 11 Cases, to provide necessary liquidity to allow the Debtors to pursue confirmation of a chapter 11 plan of reorganization, and to preserve the value of their estates for the benefit of all parties in interest. I also believe that without immediate postpetition financing and access to Cash Collateral, the Debtors will lack the necessary funding to meet working capital and business operating needs necessary to pursue a reorganization of the Debtors and to administer the Chapter

11 Cases, causing immediate and irreparable harm to the value of the Debtors' estates to the detriment of all stakeholders. Moreover, based on my experience, sufficient postpetition financing is necessary to send a strong signal to the Debtors' customers, vendors, patients, and the market more generally, that the Chapter 11 Cases are well-funded and that the Debtors will be able to continue operating in the ordinary course during the Chapter 11 Cases.

10. I also believe that a seamless transition into chapter 11 and the ability to continue operations uninterrupted is imperative for the Debtors to preserve their market share, the reputation of their businesses, and the loyalty and goodwill of their customers, vendors, and employees. Absent the ability to demonstrate that the Debtors have the means available to operate in the ordinary course, I believe that customers may seek alternative service providers, and vendors may refuse to do business with the Debtors.

11. As described in more detail in the First Day Declaration, the Debtors faced significant financial challenges leading to the commencement of the Chapter 11 Cases. These challenges included the impending maturity of the First Lien Incremental facility in January 2026, potential covenant breaches under the First Lien RCF Facility, and regulatory uncertainties due to recent federal law changes affecting Medicaid and Medicare funding. As described in the First Day Declaration, the Debtors received notices from certain of their key customers that such customers would not be renewing their respective contracts with the Debtors. These non-renewals are expected to significantly impact the Debtors' future financial performance. There is a risk that other customers may also reconsider their contractual relationships if the Debtors do not take substantial steps to address their capital structure and secure much needed liquidity support in the near term. Despite efforts to address these issues through the Fifth Amendment to the First Lien Facility in January 2025, I believe the Debtors' capital structure ultimately requires a

comprehensive restructuring to reduce the Debtors' quantum of debt, improve liquidity and reduce the overhang of the Debtors' capital structure on business operations. After exploring numerous available options, I believe the DIP Facility is the best available option to address the Debtors' liquidity needs.

12. The Debtors will enter the Chapter 11 Cases with approximately \$66 million of accessible cash-on-hand. Given the Debtors' ongoing cash needs, the Debtors require immediate access to the DIP Facility and Cash Collateral to avoid value-destructive impacts to the Debtors' estates. Indeed, without access to both the DIP Facility and Cash Collateral, the Debtors will suffer immediate and irreparable harm—including (but not limited to) being unable to pay their employees, satisfy their obligations to vendors and suppliers, or fund their business operations—all of which will be detrimental to all creditors and other parties in interest.

13. Based on my familiarity with the Debtors' operations and cash position, and my experience as a restructuring professional, I do not believe the Debtors can prudently operate their businesses solely relying on their available cash and cash equivalents at this time. Accordingly, I believe that the Debtors' proposed DIP Facility is necessary to sustain the Debtors' operations during the pendency of the Chapter 11 Cases in an effort to maximize the value of the Debtors and their estates to the benefit of all parties in interest.

THE DEBTORS' EFFORTS TO SECURE POSTPETITION FINANCING AND ENTRY INTO THE RSA INVOLVED GOOD FAITH, ARM'S LENGTH NEGOTIATIONS

14. Since the beginning of this summer, the Debtors and their advisors have been engaged in arm's length negotiations with a group of Prepetition First Lien Lenders and Prepetition Second Lien Noteholders (collectively, the "*Consenting Creditors*") to restructure the Debtors' prepetition liabilities while ensuring the necessary liquidity to stabilize operations throughout the Chapter 11 Cases. The Debtors initially contemplated a range of alternatives, including incurring

additional senior secured financing through a new incremental term loan facility. Advisors to the Consenting Creditors (the “*Consenting Creditor Advisors*”) informed the Debtors’ advisors that an additional incremental facility would not garner the necessary support from the requisite lenders, unless there were parties willing to invest funds on an equity basis or as junior debt. Despite their efforts, the Debtors were unable to secure such investment commitments.

15. In late July 2025, given the lack of any viable proposals from parties other than the Consenting Creditors, and after presenting an out-of-court term sheet that was rejected by the Consenting Creditors, the Debtors presented the Consenting Creditor Advisors with an in-court restructuring term sheet. This term sheet was designed to address the Debtors’ critical need for new capital in the form of post-petition debtor-in-possession financing and to outline the terms for significantly reducing the Debtors’ overall debt burden. The term sheet also included provisions for converting the DIP Facility into an exit term loan, which would materially facilitate the Debtors’ exit from Chapter 11 with a sustainable capital structure and a path forward for an expedited restructuring.

16. Through July and into August 2025, the Debtors, with the assistance of their advisors, engaged in negotiations with the Consenting Creditors and the Consenting Creditor Advisors to refine the terms of the restructuring proposal. The focus was on achieving a substantial deleveraging of the Debtors’ balance sheet and securing a capital infusion that would enable the Debtors to pursue and implement their business plan effectively. Critically, these negotiations culminated in certain Prepetition First Lien Lenders (the “*DIP Backstop Parties*”) committing to fund the full amount of the DIP Facility, which is critical to the Debtors as it ensures a fully committed DIP Facility. Further, the DIP Backstop Parties agreed to payment of the Backstop Premium entirely in equity of the reorganized Debtors (subject to dilution by the MIP, New

Warrants and the Equity Rights Offering), which allows the Debtors to retain meaningful liquidity rather than paying such liquidity out in additional fees.

17. By mid-August, the parties had reached a consensus on the key elements of an in-court restructuring transaction that included, among other things, a comprehensive framework for the Debtors' balance sheet deleveraging and addressed the necessary post-petition financing, exit financing, and pro forma liquidity required to support the Debtors' ongoing business operations and restructuring efforts. With these foundational elements in place, the Debtors and the Consenting Creditors commenced detailed negotiations on the terms of the restructuring support agreement (the "***RSA***").

18. In the days leading up to the Petition Date, one of the Debtors' largest equityholders, who also holds Prepetition Second Lien Notes and Unsecured Notes (the "***Alternate Provider***"), submitted a proposal for DIP financing (the "***Alternate Proposal***").⁴ This Alternate Proposal included new money commitments and adequate protection payments to the Prepetition First Lien Lenders. This Alternate Proposal, however, contemplated a priming loan facility senior to the Prepetition First Liens and consummation of a chapter 11 plan (the "***Alternate Plan***") materially different than the chapter 11 plan contemplated by the RSA. The Debtors promptly shared and discussed the Alternate Proposal with the Consenting Creditor Advisors to determine whether it presented a potential viable path for these Chapter 11 Cases. The Consenting Creditor Advisors informed the Debtors that they neither supported the Alternate Proposal nor the Alternate Plan. The Debtors' advisors, at the express request of the Board, also asked the Consenting Creditor Advisors whether the Consenting Creditors would consider matching the interest rate,

⁴ The Alternate Provider signed a confidentiality agreement with the Debtors on or about August 8, 2025, and received due diligence shortly thereafter.

backstop premium, and other fees included in the Alternate Proposal. The Consenting Creditors declined.

19. Subsequent to those discussions with the Consenting Creditor Advisors, the Debtors had further discussions with the advisors to the Alternate Provider regarding the Alternate Proposal and the Alternate Plan. After thorough review and discussions with their Board, the Debtors and their advisors determined not to proceed with the Alternate Proposal at this time. This decision was primarily due to the potential costs and complications of a priming dispute with the Prepetition First Lien Lenders at the outset of these Chapter 11 Cases and a subsequent contested plan confirmation process. Under the RSA, the Debtors retain their fiduciary out and will continue to negotiate with all parties to try to reach further consensus in these Chapter 11 Cases.

20. On August 20, 2025, following extensive, good-faith, arm's-length negotiations, the Debtors entered into the RSA with the Consenting Creditors. The RSA is supported by Prepetition First Lien Lenders that hold or otherwise control approximately 90% in principal amount of First Lien Claims, and Prepetition Second Lien Noteholders that hold or otherwise control approximately 70% in principal amount of Second Lien Claims. Pursuant to the RSA, the Consenting Creditors agreed to support the consensual restructuring of the Company's balance sheet by, among other things, (a) providing \$100 million in debtor-in-possession financing under the DIP Facility which will convert into takeback debt on the Effective Date, (b) exchanging existing First Lien Claims into up to \$200 million of takeback debt and their pro rata shares of 98% of reorganized equity (subject to dilution from the Backstop Premium, MIP, New Warrants and the Equity Rights Offering), (c) exchanging existing Second Lien Claims into 2% of reorganized equity (subject to dilution from the Backstop Premium, MIP, New Warrants and the Equity Rights Offering) and providing Second Lien Claims with the New Warrants, and (d)

providing Unsecured Notes the right to participate in the Equity Rights Offering as part of a broader recapitalization that substantially de-levers the Debtors' balance sheet by addressing approximately \$871.7 million in First Lien Claims, \$316.2 million in Second Lien Claims, and \$228.8 million in unsecured debt.

21. In reaching this agreement on the RSA, the Debtors were also able to obtain a number of crucial items in connection with the DIP Facility. In particular, the Debtors obtained a DIP Facility that (a) is open to all Prepetition First Lien Lenders, (b) is sized to meet the significant liquidity needs of the Debtors in the Chapter 11 Cases, (c) provides adequate time (through a six-month maturity, with the potential to extend by three additional months) to implement a value-maximizing restructuring while still ensuring the Debtors can quickly emerge from the Chapter 11 Cases, and (d) converts into an exit facility (the "*First Lien Takeback Facility*") upon the Debtors' emergence from Chapter 11.

THE ALTERNATE PROPOSAL IS NOT VIABLE

22. As described herein, it was not possible for the Debtors to obtain access to alternative post-petition financing because of their financial position and prepetition capital structure. Among other agreements, the majority of the Debtors are borrowers or guarantors under the Prepetition First Lien Facility. My understanding is that the Prepetition First Lien Lenders assert that the claims arising under the Prepetition First Lien Facility are secured by senior liens on substantially all of the Debtors' assets. Accordingly, substantially all of the Debtors' assets are encumbered under their existing capital structure.

23. I understand, based on the advice of Debtors' counsel, that to avoid a protracted and expensive priming fight in connection with any alternative post-petition financing facility, the Debtors would either need to (a) obtain the consent of the Prepetition First Lien Lenders to the priming of their liens by a third-party lender or (b) locate a third-party lender willing to provide

such postpetition financing on a junior basis. Neither of these two options are currently available to the Debtors (including from the Alternate Provider). In particular, the Consenting Creditor Advisors informed me that their clients would not consent to the priming of their liens to enable a third-party lender (including from the Alternate Provider) to provide the Debtors with financing and, as described below, third-party lenders (including the Alternate Provider) were unwilling to provide post-petition financing on a junior basis.

24. In consultation with the Debtors and their advisors, Moelis developed a list of parties not presently in the Debtors' capital structure that potentially could be interested in providing financing in order to create a competitive environment for raising necessary capital for the Debtors, and on the best terms available in the market. The Debtors, through their advisors, solicited proposals for DIP financing from 15 potential third-party lenders and three additional parties presently in the Debtors' capital structure but not Consenting Creditors.

25. Ultimately, the Debtors did not receive any DIP financing proposals from third parties other than the Alternate Provider. The other parties contacted by Moelis reported that they were unwilling to extend financing to the Debtors due to a number of factors, including the general unwillingness of such parties to engage in non-consensual priming fights and the lack of interest in providing postpetition financing on a junior basis (either unsecured or secured by liens junior to the Debtors' prepetition debt). The Alternate Provider was also unwilling to provide postpetition financing on a junior basis. In fact, the Alternate Proposal, which was the only other proposal the Debtors received was for a priming facility.

26. As noted above, the Debtors received an Alternate Proposal from the Alternate Provider shortly before the Petition Date. After discussions with the Consenting Creditor Advisors, the Debtors determined that the Alternate Proposal was untenable due to anticipated

opposition from the Consenting Creditors (both to the Alternate Proposal and the Alternate Plan), and that costs associated with a potential nonconsensual priming fight with the Prepetition First Lien Lenders would far outweigh any potential benefits or lower interest rates and closing fees associated with the Alternate Proposal. Additionally, the Alternate Proposal lacked the certainty of execution, unlike the DIP Facility. Accordingly, I believe that the DIP Facility remains the only viable financing option currently available to the Debtors under the circumstances.

THE TERMS OF THE DIP FACILITY ARE REASONABLE UNDER THE CIRCUMSTANCES

27. Based on my experience with postpetition financing transactions, as well as my involvement in the negotiation of the DIP Facility and pursuit of alternative postpetition financing proposals, I believe that the DIP Facility is the best—in fact, the only—financing option currently available to the Debtors under the circumstances. The proposed DIP Facility provides the Debtors with access to crucial liquidity at the outset of the Chapter 11 Cases and funding to allow the parties to work towards confirmation of the Plan and consummation of the Debtors’ overall restructuring transaction. Importantly, the DIP Facility also contemplates conversion into an exit facility through the First Lien Takeback Facility.

28. The DIP Lenders expressly conditioned their proposal on, among other things, what I understand from Debtors’ counsel are customary forms of adequate protection, estate releases, and standard stipulations regarding their liens and claims (which will be subject to a “Challenge Period” as set forth in the Interim DIP Order). Based on my experience and discussions with the Debtors’ advisors, I believe that the estate releases align with the scope typically granted to similarly situated lenders providing debtor-in-possession financing in other large, complex cases. Importantly, these releases include a Challenge Period, thereby preserving the rights of parties in interest. The DIP Lenders would not have been willing to extend the proposed DIP Facility

without the assurance of these estate releases. Furthermore, the releases are the result of good-faith, arm's-length negotiations between the Debtors and the DIP Lenders, each represented by capable and sophisticated advisors throughout the negotiations. The DIP Lenders also insisted on what I understand, based on my discussions with Debtors' counsel, are standard post-petition priming liens on substantially all of the Debtors' assets as part of the collateral package securing the DIP Facilities.

29. The transaction fees and interest to be paid under the proposed DIP Facility were the subject of arm's-length and good-faith negotiation between the Debtors and the DIP Lenders, are an integral component of the overall terms of the proposed DIP Facility, and were necessary to induce the DIP Lenders to provide financing of this magnitude under the expedited timeline necessitated by the challenges facing the Debtors' business. Given the cash position and operating condition of the Debtors, the timing, cost, and risk of administering the Chapter 11 Cases, and the lack of viable alternatives, and based on my experience as a restructuring professional and my knowledge of the market for DIP financing facilities of this structure and magnitude, I believe that the fees and interest under the DIP Facility are reasonable under the circumstances.

30. Specifically, the DIP Facility accrues interest, payable in cash, at the Debtors' election, at either SOFR + 7.00% per annum or Alternate Base Rate + 6.00% per annum. The DIP Facility contains an upfront OID of 2.0% of DIP Facility commitments (*i.e.* \$2 million), which is netted from proceeds at issuance in cash. Such fees are often found in DIP financing facilities.

31. The Backstop Premium is to be paid in the form of equity in the reorganized Debtors, which has significant advantages over fees paid in cash and fees that accrue to the balance of the debt. Cash fees effectively increase the amount of capital required and, in turn, result in increased fees and cash interest expense to reflect the increased capital. Accrued cash fees add

additional leverage and obligations to the balance sheet. In marked contrast, equity fees do not impose any additional costs on the balance sheet of the Company. Additionally, the Backstop Premium is not payable in cash if the DIP Facility is repaid in full in cash because the Debtors exercise their fiduciary out under the RSA. This feature materially benefits the Debtors and is unlike many of the comparable transactions I have reviewed.

32. The Backstop Premium to be paid to the DIP Backstop Parties is equal to 20% of the equity in the reorganized Debtors, subject to dilution of the MIP, New Warrants, and Equity Rights Offering. The Backstop Premium was required to induce the DIP Lenders to backstop the full amount of the DIP Loans at a pivotal and urgent point in the process, before the impact of the chapter 11 filing was known. The Backstop Premium is comparable to other backstop premiums included in similarly structured financing facilities, with the critical distinction and added benefit of having no cash fee component. Absent this arrangement, the Debtors would have needed to secure alternative financing to repay the DIP at exit, such as uncommitted exit financing or funding through an equity rights offering. While these types of alternatives can be viable, they generally carry their own costs and risks, including potential separate backstop premiums, funding at a discount to plan value, and additional transaction expenses. In certain circumstances, these costs may be cumulative and redundant, with less certainty of execution compared to the agreed DIP backstop. For these reasons, I believe the Backstop Premium is reasonable under the circumstances.

33. Additionally, the OID is equal to 2.00% of the DIP Facility, netted from proceeds at issuance, and the Exit Commitment Fee is equal to 3.00% of the DIP Facility payable in cash at exit. With no third-party lenders willing to provide postpetition financing to the Company, these fees are priced to incentivize all Prepetition First Lien Lenders to participate in the DIP Facility

and, in doing so, participate in the First Lien Takeback Facility. Lenders who participate in the DIP Facility are agreeing not only to lend money during the Chapter 11 Cases but also to convert that debt, and concomitant exposure, into a five-year term loan subordinate to a new money revolving facility. The fees are designed to compensate lenders for that risk. In addition, these fees are comparable to other fees included in similarly structured financing facilities, and the cash fees resulting from the conversion of the DIP Facility to the First Lien Takeback Facility are materially less than what I would expect an exit lender to charge on a stand-alone facility that repaid the DIP Facility in full in cash on the plan effective date. For these reasons, I believe the OID and Exit Commitment Fee are reasonable in these circumstances.

34. The terms of the DIP Facility also contain certain milestones that the Debtors must meet throughout the Chapter 11 Cases. The milestones were negotiated by the DIP Lenders as a condition to providing the DIP Facility, and the Debtors, in consultation with their legal and financial advisors, believe that the milestones provide them with adequate time to implement a value-maximizing restructuring. Based upon my experience, I believe the milestones are consistent with those in other chapter 11 cases.

35. An additional notable feature of the DIP Facility is the treatment upon the Debtors' emergence from Chapter 11. The DIP Facility converts into the First Lien Takeback Facility and does not require repayment in cash. This provides greater certainty for emergence without the need to raise otherwise uncommitted financing and preserves the Debtors' liquidity. Further, the First Lien Takeback Facility provides for the flexibility for the Debtors to raise a super priority Exit Revolver of up to \$250 million, which will provide the Debtors with needed liquidity post-emergence. Agreeing to roll into an exit facility with junior claims is another significant benefit of the DIP Facility.

36. In addition to providing the Debtors with incremental liquidity, the DIP Facility will provide the Debtors with access to the use of Cash Collateral on a consensual basis and will allow the Debtors to fund their business in the ordinary course, facilitating continued, uninterrupted operations and preserving the value of the Debtors' estate for the benefit of all stakeholders.

37. In sum, it is my professional opinion that the terms of the DIP Facility, taken as a whole, are reasonable under the circumstances and were the product of good-faith, arm's-length negotiations, and that the DIP Facility will allow the Debtors to seek to maximize the value of their estates. For all of the reasons set forth in this Declaration, I believe it would be appropriate for this Court to approve the DIP Facility and the use of Cash Collateral as contemplated by the DIP Motion, and absent approval of the DIP Facility I believe the Debtors would not be able to sustain their operations putting the success of the Debtors' proposed reorganization at risk to the detriment of all the Debtors' stakeholders.

INTERIM RELIEF IS WARRANTED

38. I believe that approval of the interim relief requested in the DIP Motion is necessary to avoid immediate and irreparable harm to the estates. I believe that, absent the interim relief requested by the DIP Motion, the Debtors will suffer significant, and potentially permanent, impairment to their business operations to the material detriment of their stakeholders. Approval of the relief requested in the DIP Motion on an interim basis will facilitate the uninterrupted operation of the Debtors' businesses, the maintenance of ordinary course relationships with essential vendors and customers, and the Debtors' ability to meet their working capital needs in the ordinary course.

CONCLUSION

39. Under the facts and circumstances of the Chapter 11 Cases, I believe that (a) the process to obtain debtor in possession financing produced the best, indeed the only, financing option available to the Debtors at this time, (b) the terms of the DIP Facility, taken as a whole, are reasonable and appropriate, and the DIP Facility should address the Debtors' anticipated liquidity needs, and (c) the relief requested in the DIP Motion is in the best interests of the Debtors and their estates.

“Benchmark” means, initially, with respect to any Benchmark Loan, the Relevant Rate; provided that if a Benchmark Transition Event and the related Benchmark Replacement Date have occurred with respect to the applicable Relevant Rate or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to clause (b) of Section 2.14.

“Benchmark”, when used in reference to any Loan or Borrowing, means that such Loan, or the Loans comprising such Borrowing, bears interest at a rate determined by reference to the Term SOFR Rate.

“Benchmark Replacement” means, for any Available Tenor, the sum of: (a) the alternate benchmark rate that is administratively feasible for the Agent and has been selected by the Required Lenders and the Borrower as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current Benchmark for syndicated credit facilities in the United States and (b) the related Benchmark Replacement Adjustment. “Benchmark Replacement Adjustment” means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable Interest Period and Available Tenor for any setting of such Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Required Lenders and the Borrower for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such

Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date and/or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for syndicated credit facilities at such time; provided that such Benchmark Replacement Adjustment is administratively feasible for the Agent.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement and/or any Benchmark Loan denominated in Dollars, any technical, administrative or operational changes (including changes to the definition of “Alternate Base Rate,” the definition of “Business Day,” the definition of “U.S. Government Securities Business Day,” the definition of “Interest Period,” timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Required Lenders decide may be appropriate to reflect the adoption and implementation of such Benchmark and to permit the administration thereof by the Agent in a manner substantially consistent with market practice (or, if the Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Required Lenders determine that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Required Lenders decide is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents); provided that such Benchmark Replacement Conforming Changes implement changes that are administratively feasible for the Agent.

“Benchmark Replacement Date” means, with respect to any Benchmark, the earliest to occur of the following events with respect to such then-current Benchmark:

- (2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the first date on which such Benchmark (or the published component used in the calculation thereof) has been or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or component thereof) have been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be no longer representative; provided, that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (3) and even if such Benchmark (or component thereof) or, if such Benchmark is a term rate, any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, (i) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

(2) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the NYFRB, the CME Term SOFR Administrator, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a Resolution Authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or Resolution Authority over the administrator for such Benchmark (or such component), in each case which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide such Benchmark (or such component thereof) or, if such Benchmark is a term rate, any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) are no longer, or as of a specified future date will no longer be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Unavailability Period” means, with respect to any Benchmark, the period (if any) (x) beginning at the time that a Benchmark Replacement Date pursuant to clauses (1) or (2) of that definition has occurred if, at such time, no Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.14 and (y) ending at the time that a Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.14.

SECTION 2.01. Commitments. Subject to the terms and conditions set forth herein, (a) each Lender with a Closing Date Term Loan Commitment (severally and not jointly) agrees to make a Closing Date Term Loan to the Borrower in Dollars on the Closing Date, in an amount equal to such Lender’s Closing Date Term Loan Commitment by making immediately available funds available to the Agent’s designated account, not later than the time specified by the Agent and (b) each Lender with a Delayed Draw Term Loan Commitment (severally and not jointly) agrees to make a Delayed Draw Term Loan to the Borrower in Dollars subject to the satisfaction of the Delayed Draw Closing Conditions, in an amount equal to such Lender’s Delayed Draw Term Loan Commitment by making immediately available funds available to the Agent’s designated account, not later than the time specified by the Agent. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

SECTION 2.02. Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Type made by the applicable Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender’s failure to make Loans as required.

(b) Subject to Section 2.14, each Term Loan Borrowing shall be comprised entirely of ABR Loans or Benchmark Loans. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.14, 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Benchmark Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 and not less than \$1,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 and not less than \$1,000,000. Borrowings of more than one Type

may be outstanding at the same time; provided that there shall not at any time be more than a total of two (2) Benchmark or ABR Borrowings outstanding (in the aggregate for all Benchmark Borrowings and ABR Borrowings).

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the applicable Maturity Date.

SECTION 2.03. Borrowing Requests. To request a Term Loan Borrowing, the Borrower shall notify the Agent of such request by irrevocable written notice (via a written Borrowing Request signed by the Chief Transformation Officer) (provided, that a Borrowing Request with respect to funding of a transaction permitted hereunder may state that such notice is conditioned upon the completion of such transaction, in which case, such Borrowing Request may be revoked by the Borrower if the transaction is not consummated at the time specified; provided further that, if such Borrowing Request is submitted through an Approved Borrower Portal, the foregoing signature requirement may be waived at the sole discretion of the Agent) (a) in the case of a Benchmark Borrowing, not later than 11:00 a.m., New York City time, three (3) U.S. Government Securities Business Days before the date of the proposed Borrowing and (b) in the case of an ABR Borrowing, not later than 12:00 p.m. New York City time one (1) Business Day prior to the date of the proposed Borrowing (or, in each case, such shorter period as the Agent (as directed by the Required Lenders) may agree. Each such Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the date of such Borrowing, which shall be a Business Day;
- (ii) whether such Borrowing is to be an ABR Borrowing or a Benchmark Borrowing;
- (iii) in the case of a Benchmark Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and
- (iv) the location and number of the Borrower's account to which funds are to be disbursed, which shall be the Segregated Account.

Each requested Borrowing shall be made in Dollars. If no election as to the Type of Borrowing is specified, then, in the case of a Borrowing denominated in Dollars, the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Benchmark Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Notwithstanding the foregoing, in no event shall the Borrower be permitted to request pursuant to this Section 2.03, prior to a Benchmark Transition Event and Benchmark Replacement Date with respect to the Term SOFR Rate, an RFR Loan bearing interest based on Daily Simple SOFR (it being understood and agreed that Daily Simple SOFR shall only apply to the extent provided in Section 2.14(a) and 2.14(f)), as applicable.

SECTION 2.04. [Reserved].

SECTION 2.05. [Reserved].

SECTION 2.06. [Reserved].

SECTION 2.07. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof solely by wire transfer of immediately available funds by 12:00 noon, New York City time (or in the case of an ABR Borrowing, prior to 1:00 p.m., New York City time), to the account of the Agent most recently designated by it for such purpose by notice to the Lenders; provided that Term Loans shall be made as provided in Section 2.01(a) or Section 2.01(b), as applicable. The Agent will make such Loans available to the Borrower by promptly crediting the funds so received in the aforesaid account of the Agent to an account of the Borrower maintained with the Agent in New York City and designated by the Borrower in the applicable Borrowing Request.

(b) Unless the Agent shall have received notice from a Lender prior to the proposed date of any Borrowing (or in the case of an ABR Borrowing, prior to 12:00 noon, New York City time, on the date of such Borrowing) that such Lender will not make available to the Agent such Lender's share of such Borrowing, the Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Agent, then the applicable Lender and the Borrower severally agree to pay to the Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Agent, at (i) in the case of such Lender, the greater of the applicable Overnight Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) The proceeds of the Loans shall be funded into a segregated account that is maintained at the institution specified in the applicable Borrowing Request (such account, the "Segregated Account") and used by the Borrower and its Subsidiaries solely in accordance with the Approved Budget; provided for the avoidance of doubt, there shall only be a single segregated Account.

SECTION 2.08. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Benchmark Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Benchmark Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Agent of such election by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be signed by a Responsible Officer of the Borrower; provided that, if such Interest Election Request is submitted through an Approved Borrower Portal, the foregoing signature requirement may be waived at the sole discretion of the Agent.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

- (i) the principal amount of the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);
- (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (iii) whether the resulting Borrowing is to be an ABR Borrowing or a Benchmark Borrowing; and
- (iv) if the resulting Borrowing is a Benchmark Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Benchmark Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

Notwithstanding the foregoing, in no event shall the Borrower be permitted to request pursuant to this Section 2.08(c), prior to a Benchmark Transition Event and Benchmark Replacement Date with respect to the Term SOFR Rate, an RFR Loan bearing interest based on Daily Simple SOFR (it being understood and agreed that Daily Simple SOFR shall only apply to the extent provided in Section 2.14(a) and 2.14(f)), as applicable.

(d) Promptly following receipt of an Interest Election Request, the Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Benchmark Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be deemed to have an Interest Period that is the same as the immediately preceding Interest Period.

SECTION 2.09. Termination of Commitments. Unless previously terminated the Term Loan Commitments shall terminate upon the making of the applicable Term Loans and all other Commitments shall terminate on the applicable Maturity Date.

SECTION 2.10. Repayment and Amortization of Loans; Evidence of Debt.

(a) Repayment of Loans. To the extent not previously repaid, the Borrower hereby unconditionally promises to pay to the Agent for the account of each Lender, all unpaid Term Loans in full in Dollars on the Maturity Date. Notwithstanding the foregoing, subject to the terms of the Restructuring Support Agreement, the Obligations may be converted to exit term loans in connection with a chapter 11 plan in accordance with the Restructuring Support Agreement. If any Applicable Premium Event occurs, any repayment or prepayment of Term Loans (including pursuant to this Section 2.10 or Section 2.11 below) shall be accompanied by the Applicable Premium Amount (including, for the avoidance of doubt any conversion of the Term Loans into exit term loans in connection with a chapter 11 plan in accordance with the Restructuring Support Agreement)

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Agent to maintain such accounts or any error therein shall not in any manner affect the Obligations (including, without limitation, the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement).

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form.

(f) The Subsidiary Guarantors are co-obligors for all purposes under this Agreement and fully liable for all Obligations under this Agreement.

SECTION 2.11. Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with the provisions of this Section 2.11(a). The Borrower shall notify the Agent by written notice of any prepayment hereunder (i) (x) in the case of prepayment of (A) a Benchmark Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 p.m., New York City time, on the date of prepayment. Promptly following receipt of any such notice relating to a Borrowing, the Agent shall advise the Lenders of the contents thereof. Each voluntary prepayment of a Term Loan Borrowing shall be applied ratably to the Term Loans included in the prepaid Term Loan Borrowing in such order of application as directed by the Borrower (and in the absence of such direction, in direct order of maturity), and each mandatory prepayment of a Term Loan Borrowing shall be applied in accordance with Section 2.11(e). Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.13, (ii) the Applicable Premium Amount and (iii) break funding payments pursuant to Section 2.16 (if any).

(b) [Reserved].

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any of its Subsidiaries in respect of any Prepayment Event, the Borrower shall, within five (5) Business Days after such Net Proceeds are received, prepay the Obligations as set forth in Section 2.11(e) below in an aggregate amount equal to 100% of the amount of such Net Proceeds in excess of such threshold; provided however, in lieu of a prepayment pursuant to this clause (c) Borrower shall be

permitted to deposit any Net Proceeds received with respect to transactions set forth in clauses (b) and (d) of the definition of "Prepayment Event" into the Segregated Account.

(d) [Reserved].

(e) All such amounts pursuant to Sections 2.11(c) shall be applied to the Term Loans and shall be allocated ratably to the Term Loans then outstanding.

(f) With respect to any prepayment of Term Loans pursuant to Section 2.11(c), any Lender, at its option, may elect not to accept such prepayment. The Borrower shall notify the Agent of any event giving rise to a prepayment under Section 2.11(c) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment that is required to be made under this Section 2.11(c). Any Lender may decline to accept all (but not less than all) of its share of any such prepayment (the "Retained Declined Proceeds") by providing written notice to the Agent no later than two (2) Business Days after the date of such Lender's receipt of notice from the Agent regarding such prepayment. If the Lender does not give a notice to the Agent on or prior to such second Business Day informing the Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. Such Lender's Retained Declined Proceeds may be retained by the Borrower and thereafter shall not be subject to any prepayment obligation under Section 2.11(c).

(g) [Reserved].

(h) [Reserved].

(i) (i) All prepayments of Term Loans pursuant to Section 2.10, 2.11(a) or Section 2.11(c) shall, in each case, be accompanied by the Applicable Premium Amount. Such Applicable Premium Amount shall be paid by the Borrower to the Administrative Agent, for the account of the applicable Lenders in respect of the applicable Term Loans, on the date of such prepayment.

(ii) If any Applicable Premium Event occurs, then the Borrower shall pay to the Administrative Agent, for the account of the Lenders in accordance with their pro rata shares, the Applicable Premium Amount. In any such case, the Applicable Premium Amount shall constitute part of the Obligations payable by the Borrower (and guaranteed by the Subsidiary Guarantors) in respect of the Term Loans and constitutes liquidated damages, not unmatured interest or a penalty, as the actual amount of damages to the Lenders as a result of the relevant Applicable Premium Event would be impracticable and extremely difficult to ascertain. The Applicable Premium Amount is provided by mutual agreement of the Borrower and the Subsidiary Guarantors and the applicable Lenders as a reasonable estimation and calculation of such actual lost profits and other actual damages of such Lenders. Without limiting the generality of the foregoing, it is understood and agreed that upon the occurrence of any Applicable Premium Event, the Applicable Premium Amount shall be automatically and immediately due and payable and shall constitute part of the Obligations payable by the Borrower (and guaranteed by the Subsidiary Guarantors) in respect of the Term Loans, which Obligations are secured by the Collateral. The Applicable Premium Amount shall also be automatically and immediately due and payable if the Term Loans are satisfied, released or discharged by foreclosure (whether by power of judicial Proceeding or otherwise), deed in lieu of foreclosure or by any other means. THE BORROWER AND THE GUARANTORS HEREBY EXPRESSLY WAIVE (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR OTHER

LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING APPLICABLE PREMIUM AMOUNT IN CONNECTION WITH ANY SUCH EVENTS, ANY RESCISSION OF SUCH ACCELERATION OR THE COMMENCEMENT OF ANY BANKRUPTCY OR INSOLVENCY EVENT. The Borrower and the Subsidiary Guarantors expressly agree (to the fullest extent it and they may lawfully do so) that with respect to the Applicable Premium Amount payable under the terms of this Agreement: (i) the Applicable Premium Amount is reasonable and is the product of an arm's length transaction between sophisticated business parties, ably represented by counsel; (ii) the Applicable Premium Amount shall be payable notwithstanding the then-prevailing market rates at the time payment is made; (iii) there has been a course of conduct between the Lenders and the Borrower and the Subsidiary Guarantors giving specific consideration in this transaction for such agreement to pay the Applicable Premium Amount; and (iv) the Borrower and the Subsidiary Guarantors shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Borrower and the Subsidiary Guarantors expressly acknowledge that their agreement to pay the Applicable Premium Amount as herein described is a material inducement to Lenders' agreement to enter into this Agreement

SECTION 2.12. Fees.

(a) The Borrower agrees to pay to the Agent, for their own account, and to the Lenders, as applicable, the fees payable in the amounts and at the times separately agreed upon between the Borrower and either the Agents or the Lenders, as applicable, from time to time.

(b) The Borrower shall pay to the Agent, for the benefit of the Lenders, a fee equal to 2.00% of the Closing Date Term Loans funded on the Closing Date (the "Closing Date Fee"). The Closing Date fee shall be fully earned, due and payable on the Closing Date and shall be taken in the form of original issue discount.

(c) The Borrower shall pay to the Agent, for the benefit of the Lenders, a fee equal to 2.00% of the Delayed Draw Term Loans funded on each borrowing of Delayed Draw Term Loans (the "Delayed Draw Closing Fee"). The Delayed Draw Closing Fee shall be fully earned, due and payable on the date of the Final DIP Order and shall be taken in the form of original issue discount.

(d) All fees payable hereunder shall be paid on the dates due, in Dollars (except as otherwise expressly provided in this Section 2.12) and immediately available funds, to the Agent for distribution to the applicable Lenders. Fees paid shall not be refundable under any circumstances.

SECTION 2.13. Interest.

(a) The Term Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Term Loans comprising each Benchmark Borrowing shall bear interest at the Term SOFR Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) [Reserved].

(d) Notwithstanding the foregoing, if any Event of Default has occurred and is continuing, the outstanding Obligations shall automatically accrue interest at the rate of (i) in the case of principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding

paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Benchmark Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) Interest computed by reference to the Term SOFR Rate, shall be computed on the basis of a year of 360 days. Interest computed by reference to Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year). In each case interest shall be payable for the actual number of days elapsed (including the first day but excluding the last day). All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as of the applicable date of determination. The applicable Alternate Base Rate or Relevant Rate, shall be determined by the Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest. (a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 2.14, if:

(i) the Agent or the Required Lenders determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining any Relevant Rate or Relevant Adjusted Rate (including because the Relevant Screen Rate is not available or published on a current basis), for such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple RFR for the applicable Agreed Currency; or

(ii) the Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Benchmark Borrowing, the Relevant Rate or Relevant Adjusted Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period or (B) at any time, the applicable Adjusted Daily Simple RFR, Daily Simple RFR or RFR for the applicable Agreed Currency will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Agreed Currency;

then the Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Agent (acting at the direction of the Required Lenders) notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.08 or a new Borrowing Request in accordance with the terms of Section 2.03, (1) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Benchmark Borrowing and any Borrowing Request that requests a Benchmark Borrowing shall instead be deemed to be an Interest Election Request or a Borrowing Request, as applicable, for (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.14(a)(i) or (ii) above or (y) an ABR Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.14(a)(i) or (ii) above

and (2) any Borrowing Request that requests an RFR Borrowing shall instead be deemed to be a Borrowing Request, as applicable, for an ABR Borrowing.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Agent (acting at the direction of the Required Lenders) will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for (i) a Benchmark Borrowing, conversion to or continuation of Benchmark Loans to be made, converted or continued or (ii) an RFR Borrowing or conversion to RFR Loans, during any Benchmark Unavailability Period and, failing that, either (x) the Borrower will be deemed to have converted any request for (1) a Benchmark Borrowing or RFR Borrowing,

as applicable, denominated in Dollars into a request for a Borrowing of or conversion to (A) solely with respect to any such request for a Benchmark Borrowing, an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (B) an ABR Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event. Furthermore, if any Benchmark Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Benchmark Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 2.14, (1) any Benchmark Loan shall on the last day of the Interest Period applicable to such Loan be converted by the Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (y) an ABR Loan if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event, on such day and (2) any RFR Loan shall on and from such day be converted by the Agent to, and shall constitute an ABR Loan.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender;

(ii) impose on any Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender, or such other Recipient of making, continuing, converting or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender or such other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender, or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered as reasonably determined by the Agent, or such Lender (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and generally consistent with similarly situated customers of the Agent, or such Lender, as applicable, under agreements having provisions similar to this Section 2.15, after consideration of such factors as the Agent, such Lender, as applicable, then reasonably determines to be relevant).

(b) If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered as reasonably determined by the Agent, or

such Lender (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and generally consistent with similarly situated customers of the Agent or such Lender, as applicable, under agreements having provisions similar to this Section 2.15, after consideration of such factors as the Agent, or such Lender as applicable, then reasonably determines to be relevant).

(c) A certificate of a Lender setting forth, in reasonable detail, the basis and calculation of the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments.

(a) With respect to Benchmark Loans, in the event of (i) the payment of any principal of any Benchmark Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (ii) the conversion of any Benchmark Loan other than on the last day of the Interest Period applicable thereto, (iii) the failure to borrow, convert, continue or prepay any Benchmark Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(a) and is revoked in accordance therewith), (iv) the assignment of any Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or 9.02(d) or (v) the failure by the Borrower to make any payment of any Benchmark Loan (or interest due thereof) denominated in an Agreed Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth in reasonable detail the calculation of any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(b) With respect to RFR Loans, in the event of (i) the payment of any principal of any RFR Loan other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (ii) the failure to borrow or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(a) and is revoked in accordance therewith), (iii) the assignment of any RFR Loan other than on the Interest Payment Date applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or 9.02(d) or (iv) the failure by the Borrower to make any payment of any Loan (or interest due thereof) denominated in an Agreed Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth in reasonable detail the calculation of any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower

shall pay such Lender the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

SECTION 2.17. Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Agent) or by the Agent shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Agent to the Lender from any other source against any amount due to the Agent under this paragraph (e).

(f) Status of Lenders. (1) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Agent, at the time or times reasonably requested by the Borrower or the Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Agent as will enable the Borrower or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(i)(A), (i)(B) and (i)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(2) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person and the Administrative Agent shall deliver to the Borrower and, in the case of a Lender, the Agent on or prior to the date on which such Lender or Administrative Agent, as the case may be, becomes a Lender or an Administrative Agent, as applicable, under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or, in the case of a Lender, the Agent), an executed copy of IRS Form W-9 certifying that such Lender or Administrative Agent, as applicable, is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation"

described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) an executed copy of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Agent as may be necessary for the Borrower and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender and the Administrative Agent agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and, in the case of a Lender, the Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental

Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) [reserved].

(i) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(j) Defined Terms. For purposes of this Section 2.17, the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Allocations of Proceeds; Pro Rata Treatment; Sharing of Setoffs.

(a) (i) The Borrower shall make each payment or prepayment required to be made by it hereunder (whether of principal, interest, fees or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) in Dollars prior to 12:00 noon, New York City time, on the date when due or the date fixed for any prepayment hereunder, in each case in immediately available funds, without set-off, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made (i) in the same currency in which the applicable Borrowing was made and (ii) to the Agent at its offices at 50 South Sixth Street, Suite 1290, Minneapolis, Minnesota 55402, Attention of Jeffrey Rose (Telephone No. (612) 217-5630) (Email: jrose@wilmingtontrust.com). The Agent shall distribute any such payments denominated in the same currency received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Subject to the proviso in the definition of Interest Period, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

(b) At any time that payments are not required to be applied in the manner required by Section 7.03, if at any time insufficient funds are received by and available to the Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If, except as expressly provided herein, any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value)

participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or Participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Agent shall have received, prior to any date on which any payment is due to the Agent for the account of the relevant Lenders pursuant to the terms hereof or any other Loan Document (including any date that is fixed for prepayment by notice from the Borrower to the Agent pursuant to Section 2.11(a)), notice from the Borrower that the Borrower will not make such payment or prepayment, the Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the relevant Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the relevant Lenders severally agrees to repay to the Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Agent, at the applicable Overnight Rate.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Agent, which consent shall not unreasonably be withheld, conditioned or delayed, (ii) such Lender shall have

received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that (i) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Agent and such parties are participants), and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto.

SECTION 2.20. [Reserved]

SECTION 2.21. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) any payment of principal, interest, fees or other amounts received by the Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 7.03 or otherwise) or received by the Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by the Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Agent hereunder; second, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Agent; third, if so determined by the Agent and the Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and in accordance with this Section; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; and sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto;

(c) the Commitment of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided, further, that any amendment,

waiver or other modification requiring the consent of all Lenders or all Lenders directly affected thereby shall not, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof;

ARTICLE III

Representations and Warranties

The Borrower represents and warrants to the Lenders that (with references in this Article III (other than Section 3.04(a) and the second sentence of Section 3.01) to “Subsidiaries” to exclude Captive Insurance Subsidiaries):

SECTION 3.01. Organization; Powers; Subsidiaries. Each of the Loan Parties (a) is duly organized, validly existing and in good standing (to the extent the concept is applicable in such jurisdiction) under the laws of the jurisdiction of its organization, and (b) except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, (i) has all requisite organizational power and authority to carry on its business as now conducted and (ii) is qualified to do business in, and, to the extent the concept is applicable in such jurisdiction, is in good standing in, every jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification. Schedule 3.01C hereto identifies each Subsidiary as of the Closing Date, noting whether such Subsidiary is a Material Domestic Subsidiary, the jurisdiction of its incorporation or organization, as the case may be, the percentage of issued and outstanding shares of each class of its capital stock or other Equity Interests owned by the Borrower and the other Subsidiaries and, if such percentage is not 100% (excluding (i) directors’ qualifying shares and (ii) shares issued to foreign nationals to the extent required by applicable law), a description of each class issued and outstanding. All of the outstanding shares of capital stock and other Equity Interests of each Subsidiary Guarantor and each other Subsidiary pledged to the Agent are validly issued and outstanding and, to the extent applicable, fully paid and nonassessable and, as of the Closing Date, all such shares and other Equity Interests indicated on Schedule 3.01C as owned by the Borrower or another Subsidiary are owned, beneficially and of record, by the Borrower or any Subsidiary free and clear of all Liens, other than Liens permitted pursuant to Section 6.02. Except as indicated on Schedule 3.01C hereto, as of the Closing Date, there are no outstanding commitments or other obligations of the Borrower or any Subsidiary to issue, and no options, warrants or other rights of any Person to acquire, any shares of any class of capital stock or other Equity Interests of the Borrower or any Subsidiary.

SECTION 3.02. Authorization; Enforceability. The Transactions are within each Loan Party’s organizational powers and have been duly authorized by all necessary organizational actions. The Loan Documents to which each Loan Party is a party have been duly executed and delivered by such Loan Party and constitute a legal, valid and binding obligation of such Loan Party, enforceable against such Loan Party in accordance with its terms, subject to (i) applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors’ rights generally, (ii) general principles of equity, regardless of whether considered in a Proceeding in equity or at law and (iii) requirements of reasonableness, good faith and fair dealing.

SECTION 3.03. Governmental Approvals; No Conflicts. (a) The Transactions do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority (the “Governmental Approvals”), except such as have been, or will be by the time required, obtained or made and are, or will be by the time required, in full force and effect and except for any filings, registrations, endorsements, notarizations, stampings and/or notifications necessary to perfect Liens created pursuant to the Loan Documents, (b) the Transactions will not violate in any material respect any applicable material law or regulation or the charter, by-laws or other organizational documents of any Loan Party or

any material order of any Governmental Authority binding upon any Loan Party or its assets, (c) the Transactions will not violate or result in a default under any indenture, material agreement or other material instrument binding upon any Loan Party or its assets, or give rise to a right thereunder to require any payment to be made by any Loan Party, except, in the case of clauses (b) and (c), for any such violations, defaults or rights that could not reasonably be expected to result in a Material Adverse Effect, (d) the Transactions will not result in the creation or imposition of any Lien on any asset of the Borrower or any of its Subsidiaries, other than Liens created or permitted under the Loan Documents and (e) the Transactions do not result in a limitation of any licenses, permits or other Governmental Approvals applicable to the business, operations or properties of any Loan Party or adversely affect the ability of any Loan Party to participate in any Medical Reimbursement Programs, except to the extent such limitation could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.04. Financial Condition; No Material Adverse Change.

(a) The Borrower has heretofore furnished to the Lenders its consolidated balance sheet and statements of income, stockholders equity and cash flows (i) as of and for the fiscal year ended December 31, 2024 reported on by KPMG LLP, independent public accountants, and (ii) as of and for the fiscal quarter and the portion of the fiscal year ended June 30, 2025, certified by its chief financial officer. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Borrower and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above.

(b) Since the Petition Date, there has been no material adverse change in the business, assets, results of operations or financial condition of the Borrower and its Subsidiaries, taken as a whole.

SECTION 3.05. Properties.

(a) Except for Liens permitted pursuant to Section 6.02, each of the Borrower and its Subsidiaries has good title to, or (to the knowledge of the Borrower or any Subsidiary) valid leasehold interests in, all its real and personal property (other than intellectual property, which is subject to Section 3.05(b)) material to its business, except as could not reasonably be expected to result in a Material Adverse Effect.

(b) Each of the Borrower and its Subsidiaries owns, or is licensed to use (subject to the knowledge-qualified infringement representation in this Section 3.05(b)), all trademarks, trade names, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and its Subsidiaries, to any Loan Party's knowledge, does not infringe upon the rights of any other Person, except for any such infringements, or ownership or license issues, that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.06. Litigation, Environmental and Labor Matters.

(a) Except as may be disclosed on Schedule 3.06(a), there are no actions, suits, Proceedings or investigations by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against the Borrower or any of its Subsidiaries (i) that could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that could reasonably be expected to adversely affect the rights and remedies of the Agent and/or the Lenders under this Agreement or any other Loan Documents.

(b) Except with respect to matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any of its Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) is subject to any Environmental Liability or (iii) has received written notice of any claim with respect to any Environmental Liability.

(c) There have been no material strikes, walkouts, work stoppages or other material labor difficulty within the last five years for the Borrower or any of its Subsidiaries.

SECTION 3.07. Compliance with Laws. Each of the Borrower and its Subsidiaries is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except (i) in instances in which such laws, regulations or orders are being contested in good faith by appropriate Proceedings diligently conducted (as reasonably determined by the Borrower) or (ii) where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.08. Investment Company Status. Neither the Borrower nor any of its Subsidiaries is required to be registered as an “investment company” under, the Investment Company Act of 1940.

SECTION 3.09. Taxes. (c) [reserved]; and

(d) exercise on behalf of itself and the Lenders all rights and remedies available to it, the Lenders under the Loan Documents and applicable law.

In addition to any other rights and remedies granted to the Agent and the Lenders in the Loan Documents, the Agent on behalf of the Lenders may exercise all rights and remedies of a secured party under the UCC or any other applicable law. Without limiting the generality of the foregoing, the Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Loan Party or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived by the Borrower on behalf of itself and its Subsidiaries), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, or consent to the use by any Loan Party of any cash collateral arising in respect of the Collateral on such terms as the Agent deems reasonable, and/or may forthwith sell, lease, assign give an option or options to purchase or otherwise dispose of and deliver, or acquire by credit bid on behalf of the Secured Parties, the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's

board or office of the Agent or any Lender or elsewhere, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery, all without assumption of any credit risk. The Agent or any Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Loan Party, which right or equity is hereby waived and released by the Borrower on behalf of itself and its Subsidiaries. The Borrower further agrees on behalf of itself and its Subsidiaries, at the Agent's request, to assemble the Collateral and make it available to the Agent at places which the Agent shall reasonably select, whether at the premises of the Borrower, another Loan Party or elsewhere. The Agent shall apply the net proceeds of any action taken by it pursuant to this Article VII, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any other way relating to the Collateral or the rights of the Agent and the Lenders hereunder, including reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Secured Obligations, in such order as set forth in Section 7.04, and only after such application and after the payment by the Agent of any other amount required by any provision of law, including Section 9-615(a)(3) of the New York Uniform Commercial Code, need the Agent account for the surplus, if any, to any Loan Party. To the extent permitted by applicable law, the Borrower on behalf of itself and its Subsidiaries waives all Liabilities it may acquire against the Agent or any Lender arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other Disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other Disposition.

(iii) third, to payment of that portion of the Secured Obligations constituting unpaid principal of the Loans;

(iv) fourth, to the payment in full of all other Secured Obligations, in each case ratably among the Agents, the Lenders, and the other Secured Parties based upon the respective aggregate amounts of all such Secured Obligations owing to them in accordance with the respective amounts thereof then due and payable; and

ARTICLE VIII

The Administrative Agent and Collateral AgentSECTION 8.01. Authorization and Action.

(a) Each Lender hereby irrevocably designates and appoints the entity named as Administrative Agent and Collateral Agent in the heading of this Agreement and its successors and assigns to serve as the administrative agent and collateral agent under the Loan Documents and each Lender authorizes the Agent to take such actions as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are expressly delegated to the Agent under such agreements and to exercise such powers as are reasonably incidental thereto. Further, each of the Lenders, on behalf of itself and any of its Affiliates that are Secured Parties, hereby irrevocably empower and authorize Wilmington Trust, National Association (in its capacity as Administrative Agent and Collateral Agent) to execute and deliver the Collateral Documents and all related documents or instruments as shall be necessary or appropriate to effect the purposes of the Collateral Documents. In addition, to the extent required under the laws of any jurisdiction other than within the United States, each Lender hereby grants to the Agent any required powers of attorney to execute and enforce any Collateral Document governed by the laws of such jurisdiction on such Lender's behalf. Without limiting the foregoing, each Lender hereby authorizes the Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Agent is a party, and to exercise all rights, powers and remedies that the Agent may have under such Loan Documents.

(b) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), the Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender; provided, however, that the Agent shall not be required to take any action that (i) the Agent in good faith believes exposes it to liability unless the Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Lenders with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) In performing its functions and duties hereunder and under the other Loan Documents, the Agent is acting solely on behalf of the Lenders (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and

administrative in nature. The motivations of the Agent are commercial in nature and not to invest in the general performance or operations of the Borrower. Without limiting the generality of the foregoing:

(i) the Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender or any other Secured Party other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Agent based on an alleged breach of fiduciary duty by the Agent in connection with this Agreement and/or the transactions contemplated hereby;

(ii) where the Agent is required or deemed to act as a trustee in respect of any Collateral over which a security interest has been created pursuant to a Loan Document expressed to be governed by the laws of any jurisdiction other than the United States of America, or is required or deemed to hold any Collateral “on trust” pursuant to the foregoing, the obligations and liabilities of the Agent to the Secured Parties in its capacity as trustee shall be excluded to the fullest extent permitted by applicable law; and

(iii) nothing in this Agreement or any Loan Document shall require the Agent to account to any Lender for any sum or the profit element of any sum received by the Agent for its own account.

(d) The Agent may perform any of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Agent. The Agent and any such sub-agent may perform any of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities pursuant to this Agreement. The Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(e) [reserved].

(f) In case of the pendency of any Proceeding with respect to any Loan Party under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on any Loan Party) shall be entitled and empowered (but not obligated) by intervention in such Proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.17 and 9.03) allowed in such judicial Proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such Proceeding is hereby authorized by each Lender and each other Secured Party to make such payments to the Agent and, in the event that the Agent shall consent to the making of such payments directly to the Lenders or the other Secured Parties, to pay to the Agent any amount due to it, in its capacity as the Agent, under the Loan Documents (including under Section 9.03). Nothing contained herein shall be deemed to authorize the Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or to authorize the Agent to vote in respect of the claim of any Lender in any such Proceeding.

(g) The provisions of this Article VIII are solely for the benefit of the Agent and the Lenders, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article VIII, none of the Borrower or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations provided under the Loan Documents, to have agreed to the provisions of this Article VIII.

SECTION 8.02. Agent's Reliance, Limitation of Liability, Etc.

(a) Neither the Agent nor any of its Related Parties shall be (i) liable for any action taken or omitted to be taken by such party in good faith and reasonably believed by it to be within the power conferred upon it (including without limitations for refusing to exercise discretion or for withholding its consent in the absence of its receipt of, or resulting from a failure, delay or refusal on the part of any Lender to provide, written instructions to exercise such discretion or grant such consent from any such Lender, as applicable), the Agent or any of its Related Parties under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall expressly provided for herein or in the other Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and non-appealable judgment), (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party to perform its obligations hereunder or thereunder, (iii) without any duty to take any discretionary actions or exercise discretionary powers and shall not be required to exercise any discretion or to take any action, but shall be required to act or refrain from acting (and shall be fully protected in so acting or refraining from acting) as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided herein or in the other Loan Documents); provided that, such Agent shall not be required to take any action (x) unless furnished with an indemnification satisfactory to such Agent from the Lenders with respect thereto or (y) that, in its opinion or in the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, (iv) liable for any error in judgment made by such party (or by an officer or other employee of such party) in good faith, (v) liable for any indirect, special, punitive or consequential damages (including without limitation, lost profits) whatsoever, even if such party has been informed of the likelihood thereof and regardless of the form of action, (vi) required to

take any action under this Agreement, the other Loan Documents or any related document if taking such action would (x) subject such party to a tax in any jurisdiction where it is not then subject to a tax or (y) would require such party to qualify to do business in any jurisdiction where it is not then so qualified, and (vii) under any duty as to any Collateral in its possession or in the possession of someone under its control or in the possession or control of any agent or nominee of the such party or any income thereon or as to the preservation of rights prior parties or any other rights pertaining thereto, except the duty to accord such of the Collateral as may be in its possession substantially the same care as it accords similar assets held for the benefit of third parties and the duty to account for monies received by it, and such party shall not be under any obligation to independently request or examine insurance coverage with respect to any collateral nor shall any such party be liable for the acts or omissions of any bank, depository bank, custodian, independent counsel of any other Person or any other party selected by the Agent with reasonable care or selected by any other party hereto that may hold or possess Collateral or documents related to Collateral, and the Agent shall not be required to monitor the performance of any such Persons holding Collateral (for the avoidance of doubt, the Agent shall not be responsible to the Lenders for the perfection of any lien or for the filing, form, content or renewal of any UCC financing statements, fixture filings, mortgages, deeds of trust and such other documents or instruments).

(b) The Agent shall be deemed not to have knowledge of any (i) notice of any of the events or circumstances set forth or described in Section 5.02 unless and until written notice thereof (stating that it is a “notice under Section 5.02” in respect of this Agreement and identifying the specific clause under said Section) is given to the Agent by the Borrower or (ii) notice of any Default or Event of Default unless and until written notice thereof (conspicuously marked as a “notice of Default” or a “notice of an Event of Default”) is given to the Agent by the Borrower, or a Lender, and received by an officer of such Agent responsible for the administration of this Agreement, and the Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Agent or (vi) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral.

(c) Without limiting the foregoing, the Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 9.04, (ii) may conclusively rely on the Register to the extent set forth in Section 9.04(b), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations made by or on behalf of any Loan Party in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, may presume that such condition is satisfactory to such Lender unless the Agent shall have received notice to the contrary from such Lender sufficiently in advance of the making of such Loan; and (vi) shall be entitled to conclusively rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such

Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof). The Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate. The Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders. Notwithstanding anything herein or in any other Loan Document to the contrary, and without limiting any rights, protections, immunities or indemnities to the Agent hereunder, phrases such as “satisfactory to the Agent,” “approved by the Agent,” “acceptable to the Agent,” “as determined by the Agent,” “in the Agent’s discretion,” “selected by the Agent,” “elected by the Agent,” “requested by the Agent,” and phrases of similar import that authorize and permit the Agent to approve, disapprove, determine, act or decline to act in its discretion shall be subject to the Agent receiving written direction from the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to take such action or to exercise such rights.

(d) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, the Agent shall not be under any obligation (i) to monitor, determine or verify the unavailability or cessation of any Benchmark (or other applicable benchmark interest rate), or whether or when there has occurred, or to give notice to any other transaction party of the occurrence of, any date on which such rate may be required to be transitioned or replaced in accordance with the terms of the Loan Documents, applicable law or otherwise, (ii) to select, determine or designate any replacement to such rate, or other successor or replacement benchmark index, or whether any conditions to the designation of such a rate have been satisfied, (iii) to select, determine or designate any adjustment or modifier to any replacement or successor index, or (iv) to determine whether or what any amendments to this Agreement or the other Loan Documents are necessary or advisable, if any, in connection with any of the foregoing. The Agent shall not be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Agreement or any other Loan Document as a result of the unavailability of any Benchmark (or other applicable benchmark interest rate), including as a result of any inability, delay, error or inaccuracy on the part of any other party, including without limitation any Lenders or Borrowers, in providing any direction, instruction, notice or information required or contemplated by the terms of this Agreement and reasonably required for the performance of such duties. The Agent shall have no liability for any interest rate published by any publication that is the source for determining the interest rates of the Loans, including but not limited to Bloomberg (or any successor source) and the Bloomberg or Reuters screen (or any successor source), or for any rates published on any publicly available source, including without limitation the Federal Reserve Bank of New York’s Website or any website administered by the Term SOFR Administrator, or in any of the foregoing cases for any delay, error or inaccuracy in the publication of any such rates, or for any subsequent correction or adjustment thereto.

(e) If at any time the Agent is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process (including orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any Collateral), the Agent is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate, and if the Agent complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, the Agent shall not be liable to any of the parties hereto or to any other Person even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

The Agent’s rights, protections, indemnities and immunities provided in this Agreement shall apply to the Agent for any actions taken or omitted to be taken under this Agreement and any other Loan Documents and any other related agreements in any of its respective capacities.

SECTION 8.03. Posting of Communications.

(a) The Borrower agrees that the Agent may, but shall not be obligated to, make any Communications available to the Lenders by posting the Communications on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic platform chosen by the Agent to be its electronic transmission system (the “Approved Electronic Platform”).

(b) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Agent from time to time (including, as of the Closing Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders, and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Approved Electronic Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders and the Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(c) THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS ARE PROVIDED “AS IS” AND “AS AVAILABLE”. THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED ELECTRONIC PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE APPROVED ELECTRONIC PLATFORM. IN NO EVENT SHALL THE AGENT OR ANY OF ITS RELATED PARTIES (COLLECTIVELY, “APPLICABLE PARTIES”) HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY’S OR THE AGENT’S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED ELECTRONIC PLATFORM.

(d) Each Lender agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (i) to notify the Agent in writing (which could be in the form of electronic communication) from time to time of such Lender’s email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(e) Each of the Lenders and the Borrower agrees that the Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Agent’s generally applicable document retention procedures and policies.

(f) Nothing herein shall prejudice the right of the Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 8.04. The Agent Individually. With respect to its Commitments and Loans, the Person serving as the Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender. The Person serving as the Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust or other business with, the Borrower, any Subsidiary or any Affiliate of any of the foregoing as if such Person was not acting as the Agent and without any duty to account therefor to the Lenders.

SECTION 8.05. Successor Agent.

(a) The Agent may resign at any time by giving 30 days' prior written notice thereof to the Lenders and the Borrower, whether or not a successor Agent has been appointed. Upon any such resignation, the Required Lenders shall have the right to appoint, or petition a court of competent jurisdiction to appoint, a successor Agent. If no successor Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Agent's giving of notice of resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent, which shall be a bank with an office in New York, New York or an Affiliate of any such bank. In either case, such appointment shall be subject to the prior written approval of the Borrower (which approval may not be unreasonably withheld and shall not be required while an Event of Default has occurred and is continuing). Upon the acceptance of any appointment as Agent by a successor Agent, such successor Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Agent. Upon the acceptance of appointment as Agent by a successor Agent, the retiring Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. Prior to any retiring Agent's resignation hereunder as Agent, the retiring Agent shall take such action as may be reasonably necessary to assign to the successor Agent its rights as Agent under the Loan Documents.

(b) Notwithstanding paragraph (a) of this Section, in the event no successor Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its intent to resign, the retiring Agent may give notice of the effectiveness of its resignation to the Lenders, and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents; provided that, solely for purposes of maintaining any security interest granted to the Agent under any Collateral Document for the benefit of the Secured Parties, the retiring Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties, and continue to be entitled to the rights set forth in such Collateral Document and Loan Document, and, in the case of any Collateral in the possession of the Agent, shall continue to hold such Collateral, in each case until such time as a successor Agent is appointed and accepts such appointment in accordance with this Section (it being understood and agreed that the retiring Agent shall have no duty or obligation to take any further action under any Collateral Document, including any action required to maintain the perfection of any such security interest) and (ii) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Agent for the account of any Person other than the Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Agent shall directly be given or made to each Lender. Following the effectiveness of the Agent's resignation from its capacity as such, the provisions of this Article VIII and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of

such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent and in respect of the matters referred to in the proviso under clause (i) above.

SECTION 8.06. Acknowledgements of Lenders.

(a) Each Lender represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) in participating as a Lender, it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender in the ordinary course of business, and not for the purpose of investing in the general performance or operations of the Borrower, or for the purpose of purchasing, acquiring or holding any other type of financial instrument such as a security (and each Lender agrees not to assert a claim in contravention of the foregoing, such as a claim under federal or state securities law), (iii) it has, independently and without reliance upon the Agent or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder and (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each Lender also acknowledges that it will, independently and without reliance upon the Agent, or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Agent or the Lenders on the Closing Date.

(c)

(i) Each Lender hereby agrees that (x) if the Agent notifies such Lender that the Agent has determined in its sole discretion that any funds received by such Lender from the Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one (1) Business Day thereafter (or such later date as the Agent, may, in its sole discretion, specify in writing), return to the Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Agent at the greater of the NYFRB Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the

Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Agent to any Lender under this Section 8.06(c) shall be conclusive, absent manifest error.

(ii) Each Lender hereby further agrees that if it receives a Payment from the Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Agent (or any of its Affiliates) with respect to such Payment (a “Payment Notice”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Agent of such occurrence and, upon demand from the Agent, it shall promptly, but in no event later than one (1) Business Day thereafter (or such later date as the Agent, may, in its sole discretion, specify in writing), return to the Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Agent at the greater of the NYFRB Rate and a rate determined by the Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations (or any other Secured Obligations) owed by the Borrower or any other Loan Party.

(iv) Each party’s obligations under this Section 8.06(c) shall survive the resignation or replacement of the Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 8.07. Collateral Matters.

(a) Except with respect to the exercise of setoff rights in accordance with Section 9.08 or with respect to a Secured Party’s right to file a proof of claim in an insolvency Proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Agent on behalf of the Secured Parties in accordance with the terms thereof. In its capacity, the Agent is a “representative” of the Secured Parties within the meaning of the term “secured party” as defined in the UCC. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Secured Obligations, the Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Agent on behalf of the Secured Parties. The Lenders hereby authorize the Agent, at its option and in its discretion, to release any Lien granted to or held by the Agent upon any Collateral (i) as described in Section 9.02(d); (ii) as permitted by, but only in accordance with, the terms of the applicable Loan Document; or (iii) if approved, authorized or ratified in writing by the Required Lenders, unless such release is required to be approved by all of the Lenders hereunder. Upon request by the Agent at any time, the Lenders will confirm in writing the Agent’s authority to release particular types or items of Collateral pursuant hereto. Upon any sale or transfer of assets constituting Collateral which is permitted pursuant to the terms of any Loan Document, or consented

to in writing by the Required Lenders or all of the Lenders, as applicable, and upon at least five (5) Business Days' prior written request by the Borrower to the Agent, the Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Agent for the benefit of the Secured Parties herein or pursuant hereto upon the Collateral that was sold or transferred; provided, however, that (i) the Agent shall not be required to execute any such document on terms which, in the Agent's reasonable opinion, would expose the Agent to liability or create any obligation or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Secured Obligations or any Liens upon (or obligations of the Loan Parties in respect of) all interests retained by any Loan Party, including (without limitation) the proceeds of the sale, all of which shall continue to constitute part of the Collateral. Any execution and delivery by the Agent of documents in connection with any such release shall be without recourse to or warranty by the Agent.

(b) [reserved].

(c) The Secured Parties irrevocably authorize the Agent, at its option and in its discretion, to subordinate any Lien on any property granted to or held by the Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(c). The Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Agent's Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Agent be responsible or liable to the Lenders or any other Secured Party for any failure to monitor or maintain any portion of the Collateral.

SECTION 8.08. Credit Bidding.

(a) The Secured Parties hereby irrevocably authorize the Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Secured Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Secured Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Agent at the direction of the Required Lenders on a ratable basis (with Secured Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Secured Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of

the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Secured Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of Secured Obligations credit bid by the acquisition vehicle or otherwise), such Secured Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Secured Obligations and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of such Secured Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Secured Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

SECTION 8.09. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Agent and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Agent or any of its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Agent or any of its Affiliates is a fiduciary with respect to the Collateral or the assets of such Lender (including in connection with the reservation or exercise of any rights by the Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(c) The Agent hereby informs the Lenders that it is not undertaking to provide investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Commitments, this Agreement and any other Loan Documents, (ii) may recognize a gain if it extended the Loans or the Commitments for an amount less than the amount being paid for an interest in the Loans or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, arrangement fees, facility fees, commitment fees, upfront fees, underwriting fees, ticking fees, agency fees, Agent fees or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

SECTION 8.10. Borrower Communications. (a) The Agent and the Lenders agree that the Borrower may, but shall not be obligated to, make any Borrower Communications to the Agent through an electronic platform chosen by the Agent to be its electronic transmission system (the "Approved Borrower Portal").

(b) Although the Approved Borrower Portal and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Agent from time to time, each of the Lenders and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Agent is not responsible for approving or vetting the representatives or contacts of the Borrower that are added to the Approved Borrower Portal, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders and the Borrower hereby approves distribution of Borrower Communications through the Approved Borrower Portal and understands and assumes the risks of such distribution.

(c) THE APPROVED BORROWER PORTAL IS PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER COMMUNICATION, OR THE ADEQUACY OF THE APPROVED BORROWER PORTAL AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED BORROWER PORTAL AND THE BORROWER COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE BORROWER COMMUNICATIONS OR THE APPROVED BORROWER

PORTAL. IN NO EVENT SHALL THE AGENT OR ANY OF ITS RELATED PARTIES (COLLECTIVELY, “APPLICABLE PARTIES”) HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER’S TRANSMISSION OF BORROWER COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED BORROWER PORTAL.

(d) Each of the Lenders and the Borrower agrees that the Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Borrower Communications on the Approved Borrower Portal in accordance with the Agent’s generally applicable document retention procedures and policies.

(e) Nothing herein shall prejudice the right of the Borrower to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 8.11. Additional Agent Related Provisions.

(a) The permissive rights of the Agent to do things enumerated in this Agreement shall not be construed as a duty and, with respect to such permissive rights, the Agent shall not be answerable for other than its gross negligence or willful misconduct.

(b) The Agent shall not be liable for any failure or delay in the performance of its obligations under this Agreement or any other Loan Document because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like which restrict or prohibit the providing of the services contemplated by this Agreement or any other Loan Document, inability to obtain material, equipment, or communications or computer facilities, or the failure of equipment or interruption of Federal Reserve Bank wire or telex or other communications or computer facilities, malware or ransomware attack, disease, epidemic or pandemic, quarantine, national emergency, utility failure, and other causes beyond its control whether or not of the same class or kind as specifically named above.

(c) Any corporation or association into which the Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which the Agent is a party, will be and become the successor Agent under this Agreement and will have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

ARTICLE IX

SECTION 9.01. Notices.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and subject to paragraph (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopy or e-mail, as follows:

(i) if to the Borrower, to it at 6900 Layton Avenue, Suite 1200, Denver Colorado 80237, Attention of Heath Sampson (Telephone No. (303) 728-7006) (Email: heath.sampson@modivcare.com);

(ii) if to the Agent, to it at 50 South Sixth Street, Suite 1290, Minneapolis, Minnesota 55402, Attention of Jeffrey Rose (Telephone No. (612) 217-5630) (Email: jrose@wilmingtontrust.com);

(iii) if to any other Lender, to it at its address set forth in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through Approved Electronic Platforms or Approved Borrower Portals, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to any Loan Party, the Lenders, and the Agent hereunder may be delivered or furnished by using Approved Electronic Platforms or Approved Borrower Portals (as applicable), in each case, pursuant to procedures approved by the Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Agent and the applicable Lender. The Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

SECTION 9.02. Waivers; Amendments.

(a) No failure or delay by the Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Agent, and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting

the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Agent, any Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly affected thereby (except that none of (A) any amendment or modification of the Financial Covenants (or defined terms used in the Financial Covenants) or (B) the waiver or reduction of any obligation of the Borrower to pay interest or fees at the applicable default rate set forth in Section 2.13(d) shall constitute a reduction in the rate of interest or fees for purposes of this clause (ii)), (iii) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon (other than interest payable at the applicable default rate set forth in Section 2.13(d)), or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby, (iv) change Section 2.09(e) or 2.18(b) or (c) in a manner that would alter the ratable reduction of Commitments or the pro rata sharing of payments required thereby, without the written consent of each Lender, (v) change the payment waterfall provisions of Section 2.21(b) or 7.03 without the written consent of each Lender, (vi) (x) subordinate the Liens to liens securing any other debt and/or (y) subordination of any Obligations in right of payment to the payment of any other debt, in each case, without consent of each Lender directly and adversely affected thereby; provided that, notwithstanding the foregoing, the Liens may be subordinated to liens securing such other debt and/or the Obligations may be subordinated in right of payment to such other debt, in each case, solely to the extent that such debt is provided by one or more existing Lenders and each other Lenders is offered a bona fide right to provide its pro rata share of such other debt on not less than five (5) Business Days' notice, (vii) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender, (viii) (A) release the Borrower from its obligations under Article X or (B) release all or substantially all of the Subsidiary Guarantors from their obligations under the Subsidiary Guaranty, in each case, without the written consent of each Lender, or (ix) except as provided in clause (d) of this Section or in any Collateral Document, release all or substantially all of the Collateral, without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Agent, hereunder without the prior written consent of the Agent. Notwithstanding the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be directly affected by such amendment, waiver or other modification.

(c) [reserved].

(d) The Lenders hereby irrevocably authorize the Agent, at its option and in its sole discretion, to release any Liens granted to the Agent by the Loan Parties on any Collateral (i) upon the satisfaction of the Final Release Conditions, (ii) upon the termination of all the Commitments, payment and satisfaction in full in cash of all Secured Obligations (other than Obligations for which no claim has been made and other Obligations expressly stated to survive such payment and termination), and the cash collateralization of all Unliquidated Obligations in a manner satisfactory to the Agent, (iii) constituting property being sold or disposed of if the Borrower certifies to the Agent that the sale or Disposition is made in compliance with the terms of this Agreement (and the Agent may rely conclusively on any such certificate, without further inquiry), (iv) constituting property leased to the Borrower or any Subsidiary

under a lease which has expired or been terminated in a transaction permitted under this Agreement, or (v) as required to effect any sale or other Disposition of such Collateral in connection with any exercise of remedies of the Agent and the Lenders pursuant to Article VII. Any such release shall not in any manner discharge, affect, or impair the Secured Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral (except to the extent any of the foregoing constitutes Excluded Assets).

(e) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender directly affected thereby,” the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Borrower may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Borrower and the Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, (ii) the Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrower hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender and (iii) such Non-Consenting Lender shall have received the outstanding principal amount of its Loans. Each party hereto agrees that (i) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Agent and such parties are participants), and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto.

(f) Notwithstanding anything to the contrary herein the Agent may, with the consent of the Borrower or other applicable Loan Parties only, amend, modify or supplement this Agreement or any of the other Loan Documents (i) to cure any ambiguity, omission, mistake, defect or inconsistency or correct any typographical error or other manifest error in any Loan Document, (ii) to comply with local law or advice of local counsel in any jurisdiction the laws of which govern any Collateral Document or that are relevant to the creation, perfection, protection and/or priority of any Lien in favor of the Agent or (iii) to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties.

SECTION 9.03. Expenses; Limitation of Liability; Indemnity, Etc.

(a) Expenses. The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Agent (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of a single firm as primary counsel, along with such specialist counsel as may reasonably be required by the Agent, and a single firm of local counsel in each applicable jurisdiction) and the Required Lenders (including the Lender Advisors), in

connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facilities provided for herein, the preparation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all reasonable and documented out-of-pocket expenses incurred by the Agent (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of a single firm as primary counsel to all such parties, along with such specialist counsel as may reasonably be required by the Agent, and a single firm of local counsel in each applicable jurisdiction, for the Agent, and, in the event of an actual or reasonably perceived conflict of interest (as reasonably determined by the Agent or the applicable Lender) and the Required Lenders (including the Lender Advisors), in connection with the enforcement, collection or protection of its rights in connection with this Agreement and any other Loan Document, including its rights under this Section, or in connection with the Loans made hereunder, including all such out-of-pocket expenses (subject to the foregoing limitations with respect to legal fees and expenses) incurred during any workout, restructuring or negotiations in respect of such Loans. The Borrower shall reimburse and pay all reasonable and documented out of pocket expense incurred by the Fronting Lender in connection with the Transaction (including as set forth in the Fronting Fee Letter).

(b) Limitation of Liability. To the extent permitted by applicable law (i) the Borrower and any other Loan Party shall not assert, and the Borrower and each other Loan Party hereby waives, any claim against the Agent, and any Lender, and any Related Party of any of the foregoing Persons (each such Person being called a “Lender-Related Person”) for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet, any Approved Electronic Platform and any Approved Borrower Portal), other than any such claims for direct or actual damages that are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from the gross negligence or willful misconduct of such Lender-Related Person and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or the use of the proceeds thereof; provided that, nothing in this Section 9.03(b) shall relieve the Borrower or any other Loan Party of any obligation it may have to indemnify an Indemnitee, as provided in Section 9.03(c), against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(c) Indemnity. The Borrower shall indemnify the Agent each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all Liabilities and related reasonable and documented out-of-pocket expenses (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of a single firm of primary counsel for all Indemnitees, along with such specialist counsel as may reasonably be required by the Agent, and a single firm of local counsel in each applicable jurisdiction for all Indemnitees and, in the event of an actual or reasonably perceived conflict of interest (as reasonably determined by the applicable Indemnitee), one additional firm of counsel to each group of similarly affected Indemnitees and to the extent required, one firm or local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions)) incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or the use of the proceeds therefrom, (iii) any act or omission of the

Agent in connection with the administration of this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, (iv) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (v) any actual or prospective Proceeding in any jurisdiction relating to any of the foregoing (including in relation to enforcing the terms of the limitation of liability and indemnification referred to above), whether or not such Proceeding is brought by the Borrower or any other Loan Party or its or their respective equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such Liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from (i) the gross negligence or willful misconduct of such Indemnitee or any of its Controlled Related Parties in performing its activities or in furnishing its commitments or services under this Agreement or the other Loan Documents, (ii) a breach in bad faith by such Indemnitee or any of its Controlled Related Parties of its material obligations under this Agreement or the other Loan Documents (it being understood that this clause (ii) shall not apply to the Agent) or (iii) any dispute solely among Indemnities (not arising from any act or omission of the Borrower or any of its Affiliates) other than claims against an Indemnitee acting in its capacity as, or in fulfilling its role as, the Agent, under this Agreement or the other Loan Documents). As used above, a “Controlled Related Party” of an Indemnitee means (1) any Controlling Person or Controlled Affiliate of such Indemnitee, (2) the respective directors, officers, or employees of such Indemnitee or any of its Controlling Persons or Controlled Affiliates and (3) the respective agents or representatives of such Indemnitee or any of its Controlling Persons or Controlled Affiliates, in the case of this clause (3), acting at the instructions of such Indemnitee, Controlling Person or Controlled Affiliate; provided that each reference to a Controlling Person, Controlled Affiliate, director, officer or employee in this sentence pertains to a Controlling Person, Controlled Affiliate, director, officer or employee involved in the arrangement, negotiation or syndication of the credit facilities evidenced by this Agreement. This Section 9.03(c) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim. For the avoidance of doubt, nothing herein shall limit any reimbursement or indemnity for the benefit of the Fronting Lender set forth in the Fronting Fee Letter.

(d) Lender Reimbursement. To the extent that the Borrower fails to pay any amount required to be paid by it under paragraph (a) or (c) of this Section 9.03, each Lender severally agrees to pay to the Agent, and each Related Party of any of the foregoing Persons (each, an “Agent-Related Person”), as the case may be, such Lender’s Applicable Percentage (determined as of the time that the applicable payment is sought) of such unpaid amount (it being understood that the Borrower’s failure to pay any such amount shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or Liability or related expense, as the case may be, was incurred by or asserted against such Agent-Related Person in its capacity as such.

(e) Payments. All amounts due under this Section 9.03 shall be payable not later than thirty (30) days after written demand therefor.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted

hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b)

(i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Borrower (provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Agent within five (5) Business Days after having received written notice thereof); provided, further, that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee; and

(B) the Agent;

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date set forth in the Assignment and Assumption with respect to such assignment delivered to the Agent and determined on an aggregate basis) shall not be less than \$1,000,000 unless each of the Borrower and the Agent otherwise consent; provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one tranche of Commitments or Loans (for the purposes of this Section 9.04(b)(ii)(B), the Closing Date Term Loan Commitments and the Closing Date Term Loans shall be a separate tranche from the Delayed Draw Term Loan Commitments and the Delayed Draw Term Loans);]

(C) the parties to each assignment shall execute and deliver to the Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Agent and the parties to the Assignment and Assumption are participants, together with a processing and recordation fee of \$3,500, such fee to be paid by either the assigning Lender or the assignee Lender or shared between such Lenders;

(D) the assignee, if it shall not be a Lender, shall deliver to the Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their Related Parties or their

respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including federal and state securities laws; and

(E) the assignee shall deliver a duly executed joinder to the Restructuring Support Agreement.

For the purposes of this Section 9.04(b), the terms "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

"Ineligible Institution" means (a) a natural person, (b) a Defaulting Lender or its Lender Parent, (c) the Borrower, any of its Subsidiaries or any of its Affiliates, (d) a company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof or (e) a Disqualified Institution.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive (absent manifest error), and the Borrower, the Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Agent and the parties to the Assignment and Assumption are participants, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Agent shall accept such

Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.07(b), 2.18 or 9.03(d), the Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of, or notice to, the Borrower or the Agent, sell participations to one or more banks or other entities (a "Participant"), other than an Ineligible Institution, in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrower, the Agent, and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or Section 1.163-5(b) of the Proposed United States Treasury Regulations (or, in each case, any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority having jurisdiction over

such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Disqualified Institutions.

(i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the “Trade Date”) on which the assigning Lender entered into a binding agreement to sell and assign or grant a participation in all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment or participation in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee or Participant that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a written supplement to the list of “Disqualified Institutions” referred to in, the definition of “Disqualified Institution”), (x) such assignee or Participant shall not retroactively be disqualified from becoming a Lender or Participant and (y) the execution by the Borrower of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Institution. Any assignment or participation in violation of this clause (e)(i) shall not be void, but the other provisions of this clause (e) shall apply.

(ii) If any assignment or participation is made to any Disqualified Institution without the Borrower’s prior written consent in violation of clause (i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Agent, require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.04), all of its interest, rights and obligations under this Agreement to one or more Persons (other than an Ineligible Institution, the Borrower, any of the Borrower’s Subsidiaries or any of the Borrower’s Affiliates) at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions to whom an assignment or participation is made in violation of clause (i) above (A) will not have the right to (x) receive information, reports or other materials provided to Lenders by the Borrower, the Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter and (y) for purposes of voting on any plan of reorganization, each Disqualified Institution party hereto hereby agrees (1) not to vote on such plan of reorganization, (2) if such Disqualified Institution does vote on such plan of reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other applicable laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such plan of reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other

applicable laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Agent shall have the right, and the Borrower hereby expressly authorizes the Agent, to (A) post the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the “DQ List”) on an Approved Electronic Platform, including that portion of such Approved Electronic Platform that is designated for “public side” Lenders and/or (B) provide the DQ List to each Lender or potential Lender requesting the same.

(v) The Agent and the Lenders shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, neither the Agent nor any Lender shall (x) be obligated to ascertain, monitor or inquire as to whether any other Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, by any other Person to any Disqualified Institution.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Agent, or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid (except for Unliquidated Obligations) and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements (including the Fee Letters) with respect to fees payable to the Agent or the Lenders (including the Fronting Lender), as applicable. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Agent and when the Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.01(a)), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document

shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Agent has agreed to accept any Electronic Signature, the Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each other Loan Party hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Agent, the Lenders, the Borrower and the other Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) agrees that the Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Agent's and/or any Lender's reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower and/or any other Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.07. Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final) at any time held, and other obligations at any time owing, by such Lender or any such Affiliate, to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or their respective Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower may be contingent or unmatured or are owed to a branch office or Affiliate of such Lender different from the branch office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so setoff shall be paid over immediately to the Agent for further application in accordance with the

provisions of Section 2.21 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Agent, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Agent a statement describing in reasonable detail the Secured Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, or their respective Affiliates may have. Each Lender agrees to notify the Borrower and the Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN ANY SUCH OTHER LOAN DOCUMENT) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(b) Each of the Lenders and the Agent hereby irrevocably and unconditionally agrees that, notwithstanding the governing law provisions of any applicable Loan Document, any claims brought against the Agent by any Secured Party relating to this Agreement, any other Loan Document, the Collateral or the consummation or administration of the transactions contemplated hereby or thereby shall be construed in accordance with and governed by the law of the State of New York.

(c) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, in any action or Proceeding arising out of or relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or Proceeding may (and any such claims, cross-claims or third party claims brought against the Agent or any of its Related Parties may only) be heard and determined in such Federal (to the extent permitted by law) or New York State court. Each of the parties hereto agrees that a final judgment in any such action or Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall (i) affect any right that the Agent or any Lender may otherwise have to bring any action or Proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction or (ii) waive any statutory, regulatory, common law, or other rule, doctrine, legal restriction, provision or the like providing for the treatment of bank branches, bank agencies, or other bank offices as if they were separate juridical entities for certain purposes, including Uniform Commercial Code Sections 4-106, 4-A-105(1)(b), and 5-116(b), UCP 600 Article 3 and ISP98 Rule 2.02, and URDG 758 Article 3(a).

(d) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or Proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (c) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or Proceeding in any such court.

(e) Each of the parties hereto hereby irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and its and their respective directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); provided that the disclosing Agent or Lender, as applicable, shall be responsible for compliance by such Persons with the provisions of this Section 9.12, (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners) purporting to have jurisdiction over the Agent, the applicable Lender or its or their applicable Affiliates, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided that the Agent or such Lender, as applicable, agrees that it will, to the extent practicable and other than with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, notify the Borrower promptly thereof, unless such notification is prohibited by law, rule or regulation), (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or Proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (1) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (it being understood that the DQ List may be disclosed to any assignee or Participant, or prospective assignee or Participant, in reliance on this clause (f) subject to such agreement), (2) to any swap or derivative transaction relating to the Borrower and its obligations or (3) to any potential or actual insurer or reinsurer in connection with providing insurance, reinsurance or credit risk mitigation coverage under which payments are to be made or may be made by reference to this Agreement, (g) on a confidential basis to (1) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein or (2) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of identification numbers with respect to the credit facilities provided for herein, (h) with the prior written consent of the Borrower or (i) to the extent such Information (1) becomes publicly available other than as a result of a breach of this Section or (2) becomes available to the Agent or any Lender on a nonconfidential basis from a source other than the Borrower. For the purposes of this Section, “Information” means all

information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. For the avoidance of doubt, nothing in this Section 9.12 shall prohibit any Person from voluntarily disclosing or providing any Information within the scope of this confidentiality provision to any governmental, regulatory or self-regulatory organization (any such entity, a “Regulatory Authority”) to the extent that any such prohibition on disclosure set forth in this Section 9.12 shall be prohibited by the laws or regulations applicable to such Regulatory Authority.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THE IMMEDIATELY PRECEDING PARAGRAPH FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

SECTION 9.13. USA PATRIOT Act. Each Lender that is subject to the requirements of the Patriot Act and the requirements of the Beneficial Ownership Regulation hereby notifies each Borrower and each other Loan Party that, pursuant to the requirements of the Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the such Borrower or such Loan Party, which information includes the name, address and tax identification number of such Borrower and such Loan Party and other information that will allow such Lender to identify such Borrower and such Loan Party in accordance with the Patriot Act and the Beneficial Ownership Regulation and other applicable “know your customer” and anti-money laundering rules and regulations.

SECTION 9.14. Releases of Subsidiary Guarantors.

(a) [Reserved].

(b) Further, the Agent shall (and is hereby irrevocably authorized by each Lender to), upon the request of the Borrower, release any Subsidiary Guarantor from its obligations under the Subsidiary Guaranty if such release is approved, authorized or ratified by the requisite Lenders pursuant to Section 9.02.

(c) At such time as the principal and interest on the Loans, the fees, expenses and other amounts payable under the Loan Documents and the other Secured Obligations (other than Unliquidated Obligations for which no claim has been made and other Obligations expressly stated to survive such payment and termination) shall have been paid in full in cash, the Commitments shall have been terminated (the foregoing, collectively, the “Final Release Conditions”), the Subsidiary Guaranty and all obligations (other than those expressly stated to survive such termination) of each Subsidiary Guarantor thereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any Person.

SECTION 9.15. Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Agent and the Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession or control. Should any Lender (other than the Agent) obtain possession or control of any such Collateral, such Lender shall notify the Agent thereof, and, promptly upon the Agent’s request therefor shall deliver such Collateral to the Agent or otherwise deal with such Collateral in accordance with the Agent’s instructions.

SECTION 9.16. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the applicable Overnight Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.17. No Fiduciary Duty, etc.

(a) The Borrower acknowledges and agrees, and acknowledges its Subsidiaries’ understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm’s length contractual counterparty to the Borrower with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any other Person. The Borrower agrees that it will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, the Borrower acknowledges and agrees that no Credit Party is advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. The Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated herein or in the other Loan Documents, and the Credit Parties shall have no responsibility or liability to the Borrower with respect thereto.

(b) The Borrower further acknowledges and agrees, and acknowledges its Subsidiaries’ understanding, that each Credit Party, together with its Affiliates, in addition to providing or participating in commercial lending facilities such as that provided hereunder, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment

banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the Borrower, its Subsidiaries and other companies with which the Borrower or any of its Subsidiaries may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(c) In addition, the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its Affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrower or any of its Subsidiaries may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. The Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower or any of its Subsidiaries, confidential information obtained from other companies.

SECTION 9.18. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.19. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any agreement or instrument that is a QFC (such support "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the

provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a Proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a Proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 9.20. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Agent or any Lender from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Agent or any Lender in such currency, the Agent or such Lender, as the case may be, agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

SECTION 9.21. Bankruptcy Matters. This Agreement, the other Loan Documents, and all Collateral Agent’s Liens and other rights and privileges created hereby or pursuant hereto or to any other Loan Document shall be binding upon each Debtor, the estate of each Debtor, and any trustee, other estate representative or any successor in interest of any Debtor in any Chapter 11 Case or any subsequent case under the Bankruptcy Code commenced under Chapter 7 of the Bankruptcy Code, and shall not be subject to Section 365 of the Bankruptcy Code. This Agreement and the other Loan Documents shall be binding upon, and inure to the benefit of, the successors of each Agent and the Lenders and their respective assigns, transferees and endorsees. The Collateral Agent’s Liens created by this Agreement and the other Loan Documents shall be and remain valid and perfected in the event of the substantive consolidation or conversion of any Chapter 11 Case or any other bankruptcy case of any Debtor to a case under Chapter 7 of the Bankruptcy Code or in the event of dismissal of any Chapter 11 Case or the release of any Collateral

from the jurisdiction of the Bankruptcy Court for any reason, without the necessity that the Collateral Agent file financing statements or otherwise perfect its Liens under applicable law.

SECTION 9.22. DIP Order Governs. In the event of a conflict between any provision of this Agreement and the DIP Order, the DIP Order shall govern.

Backstop Commitment Letter

Ladies and Gentlemen:

Reference is made to that certain Restructuring Support Agreement, dated as of August 20, 2025, which contemplates provision of a *Superpriority Secured Debtor in Possession Credit Agreement*, (including, without limitation, the exhibits and annexes attached thereto, and as the same may be amended, amended and restated, supplemented or modified from time to time, the “DIP Credit Agreement”), by and among ModivCare Inc., a Delaware corporation (the “Borrower”), the other guarantors party thereto, the lenders party thereto from time to time (the “DIP Lenders”) and Wilmington Trust, N.A., as administrative agent and collateral agent, providing for a \$100,000,000 (the “DIP Facility Commitment”) senior secured superpriority first lien term loan facility for the Borrower (the “DIP Facility”). Capitalized terms used but not otherwise defined herein are used with the meanings assigned to such terms in the DIP Credit Agreement or the Restructuring Support Agreement (as defined in the DIP Credit Agreement), as applicable. This letter is one of the “DIP Backstop Commitment Letters” referred to in the Restructuring Support Agreement.

1. Backstop Commitments.

To provide assurance that the DIP Facility shall be available on the terms and conditions set forth in the Restructuring Support Agreement, the undersigned (each, a “Backstop Party”) is pleased to advise the Borrower of its several and not joint commitment to “backstop” (the “Backstop Commitment”), by itself or through one or more funds managed by, or other affiliates of, such Backstop Party, (A) its *pro rata* amount of the DIP Facility Commitment based upon its holdings under the First Lien Credit Agreement (inclusive of positions held through committed but pending purchases, participations, total return swaps or similar structures), *plus* (B) the applicable amount of any “unsubscribed” portion of the DIP Facility Commitment, set forth on Schedule I hereto (as may be reallocated from time to time in accordance with the designation or transfer rights in Section 5 hereof; provided, for the avoidance of doubt, such aggregate Backstop Commitment shall not be reduced in accordance with any such designation or transfer), subject to the terms and conditions set forth in the Restructuring Support Agreement and the DIP Credit Agreement. The DIP Facility shall be offered for participation to each First Lien Lender under the First Lien Credit Agreement as of the date hereof. Each Backstop Party acknowledges that the DIP Credit Agreement will be executed by the Fronting Lender, which will act as an initial lender and fund all of such Backstop Party’s Backstop Commitment, and that the applicable Backstop Party will acquire its shares of the DIP Facility by assignment from the Fronting Lender in accordance with the assignment provisions of the DIP Documents.

2. Backstop Premium.

As consideration for the Backstop Commitment, the Borrower hereby agrees to pay (or cause to be paid) a backstop premium, which shall be earned upon the entry of the Interim DIP Order and payable on the Effective Date of the Plan contemplated under the Restructuring Support Agreement, equal to the

Backstop Party's share of the aggregate New Common Interests as set forth on **Schedule I** hereto, subject to dilution in accordance with the terms of the Restructuring Support Agreement (the "Backstop Premium").

Except as expressly provided above or otherwise agreed in writing by the Borrower and the person entitled to such payment, the Backstop Premium shall not be subject to reduction by way of set off or counterclaim.

The Borrower and each Backstop Party agree that, for U.S. federal and applicable state and local income tax purposes, (A) the entering into of the Backstop Commitment pursuant to this DIP Backstop Commitment Letter shall be treated as the sale of put options by such Backstop Party to the Borrower, except to the extent, if any, it is properly treated as a payment of additional consideration in respect of a Backstop Party's Claims against the Borrower and (B) accordingly, the Backstop Premium shall be treated as "put premium" in respect of such options or as amounts (if any) paid in respect of such Claims, and not, in each case, as a payment for service or as a fee (collectively, the "Intended Tax Treatment"). The Borrower and each Backstop Party shall prepare its respective U.S. federal and applicable state and local income tax returns in a manner consistent with the Intended Tax Treatment, and none of the Backstop Parties or the Borrower shall take any position or action with respect to U.S. taxes (whether in audits, tax returns or otherwise) inconsistent with the Intended Tax Treatment, except as otherwise required by a "determination" within the meaning of Section 1313(a) of the Internal Revenue Code of 1986, as amended. The Parties agree that, as of the date hereof, no deduction or withholding of tax is required by law with respect to the payment of the Backstop Premium under this DIP Backstop Commitment Letter.

3. Conditions to the Funding.

The obligation of the Backstop Parties to fund the amounts contemplated by this DIP Backstop Commitment Letter shall be subject to the satisfaction of each of the following conditions precedent:

A. **DIP Credit Agreement.** The DIP Credit Agreement shall be in form and substance acceptable to the Backstop Parties and the Borrower.

B. **Conditions Precedent under the DIP Credit Agreement.** All conditions to the Closing pursuant to the DIP Credit Agreement shall have been satisfied.

C. **Restructuring Support Agreement.** The Restructuring Support Agreement shall remain in full force and effect with respect to the Company Entities and the Consenting First Lien Lenders (subject to permitted amendments thereto in accordance with the terms thereof).

4. Termination.

This DIP Backstop Commitment Letter shall terminate (A) if any law or order shall have become effective or have been enacted, adopted or issued by any government authority that prohibits the implementation of the transactions contemplated by this DIP Backstop Commitment Letter, (B) if the Restructuring Support Agreement is terminated as to the Borrower and the Consenting First Lien Lenders by its terms, or (C) if the Closing Date for the initial borrowing under the DIP Credit Agreement has not occurred prior to August 31, 2025. Upon any termination pursuant to the terms herein, this DIP Backstop Commitment Letter shall forthwith become void and there shall be no further obligations or liabilities on the part of the Borrower or the Backstop Parties.

5. Designation; Permitted Transfers.

Each Backstop Party shall have the right upon written notice to the Company Entities and counsel to the DIP Agent (as defined in the DIP Facility Term Sheet) to require that all or any portion of its Backstop Commitment and/or Backstop Premium, in each case, at the Closing Date, be issued in the name(s) of, or delivered to one or more of, its affiliated or managed funds, or similar entities or other affiliates (provided such affiliated or managed funds, similar entities or other affiliates simultaneously become a party to the Restructuring Support Agreement), which notice of designation shall (A) specify the amount of such Backstop Commitment and/or Backstop Premium, as applicable, to be delivered to or issued in the name of each such related party at the Closing Date; and (B) contain a confirmation by such party of the obligations made by each Backstop Party under this DIP Backstop Commitment Letter; provided, that no such designation shall relieve such Backstop Party from any of its obligations under this DIP Backstop Commitment Letter.

In addition, each Backstop Party may transfer (each, a “Permitted Transfer”) the rights and obligations of such Backstop Party to provide the Backstop Commitment and to receive its Backstop Premium, provided, that, any transfer of any of the foregoing must comply with the requirements hereunder. Any Permitted Transfer must be to another “Backstop Party” (under one of the “DIP Backstop Commitment Letters” referred to in the Restructuring Support Agreement) or one or more of, its affiliated or managed funds, similar entities or other affiliates (provided such affiliated or managed funds, similar entities or other affiliates simultaneously become parties to the Restructuring Support Agreement) (collectively, the “Permitted Transferees”). Each transferring Backstop Party and Permitted Transferee must provide to the Company Entities and counsel to the DIP Agent, promptly (no later than two (2) Business Days after any Permitted Transfer) written notice of such Permitted Transfer, including by specifying the amount of such Backstop Commitment and/or Backstop Premium, as applicable, to be delivered to or issued in the name of each such Permitted Transferee. Any transfer in violation of this Section 5 shall be *void ab initio*. In the event a Backstop Party acquires any DIP Loans or First Lien Claims after the date hereof, such acquisition shall not increase such Backstop Party’s Backstop Commitment or Backstop Premium percentage, provided, that, this clause shall not in any way limit the right of any Backstop Party to complete Permitted Transfers pursuant to which such party may acquire additional Backstop Commitment and Backstop Premium from any other “Backstop Party” (under one of the “DIP Backstop Commitment Letters” referred to in the Restructuring Support Agreement) . For the avoidance of doubt, any Permitted Transfer shall release the existing Backstop Party from its obligations hereunder and the Permitted Transferee shall assume all such obligations.

6. Defaulting Party.

Section 4.02 Transfers.

(a) Each Consenting Creditor agrees that, during the Support Period, it shall not sell, assign, loan, issue, pledge, hypothecate, transfer, participate, or otherwise dispose of (“**Transfer**”), directly or indirectly, in whole or in part, any Claims against or Interest in the Company Entities, option thereon, or right or interest therein (including any beneficial ownership as defined in Rule 13d-3 under the Exchange Act, or by granting any proxies, depositing any Claims or Interest into a voting trust or entering into a voting agreement with respect to such Claims), and any purported Transfer shall be void *ab initio* and without effect unless the transferee thereof either:

(i) is a Consenting Creditor and the transferee provides notice of such Transfer (including the amount and type of Claims and/or Interests transferred) to Company Entities’ Counsel and the First Lien Agent and Consenting Creditor Counsel within three (3) Business Days following the consummation of such Transfer; or

(ii) before such Transfer, agrees in writing for the benefit of the Parties to become, effective upon the consummation of such Transfer, a Consenting Creditor for all purposes hereunder and to be bound by all of the terms of this Agreement applicable to a Consenting Creditor (including with respect to any and all Claims against and Interests in the Company Entities it already may hold before such Transfer) by executing a joinder agreement in the form attached hereto as Exhibit B (a “**Joinder Agreement**”) and delivering an executed copy of such Joinder Agreement to Company Entities’ Counsel and the First Lien Agent and Consenting Creditor Counsel within one (1) Business Day of the consummation of such Transfer. Upon compliance with the foregoing, the transferor shall be deemed to relinquish its rights (and be released from its obligations, except for any claim for breach of this Agreement that occurs prior to such Transfer) under this Agreement to the extent of such transferred rights and obligations. Each Consenting Creditor agrees that any Transfer of any Claim against the Company Entities that does not comply with the terms and procedures set forth herein shall be deemed void *ab initio*, and each other Party shall have the right to enforce the voiding of such Transfer.

(b) Notwithstanding anything to the contrary in this Agreement, a Consenting Creditor may Transfer Claims against the Company Entities to an entity that is acting in its capacity as a Qualified Marketmaker without the requirement that the Qualified Marketmaker be or become an Entity identified in Section 4.02(a) hereof (a “**Permitted Transferee**”); *provided* that (i) any such Qualified Marketmaker may only subsequently Transfer the right, title or interest to such Claims to a transferee that is or becomes a Permitted Transferee at the time of such Transfer, (ii) any transferee satisfies Section 4.02(a) of this Agreement, (iii) such transferor shall be solely responsible for the Qualified Marketmaker’s failure to comply with the requirements of this Section 4.02(b), and (iv) the Transfer documentation between such Consenting Creditor and such Qualified Marketmaker shall contain a covenant providing for the requirements of this Section 4.02(b). To the extent that a Consenting Creditor is acting in its capacity as a Qualified

Marketmaker, it may Transfer (by purchase, sale, assignment, participation, or otherwise) any right, title, or interests in the Claims against or Interest in the Company Entities that the Qualified Marketmaker acquires from a holder of the such Claims or Interest who is not a Consenting Creditor without the requirement that the transferee be a Permitted Transferee.

(c) If at the time of a proposed Transfer of any Claims against the Company Entities to a Qualified Marketmaker, such Claims: (i) may be voted or consent solicited with respect to the Restructuring, then the proposed transferor must first vote or consent such Claims in accordance with Section 4.01, or (ii) have not yet been and may yet be voted or consent solicited with respect to the Plan and/or the Restructuring and such Qualified Marketmaker does not Transfer such Claims to a Permitted Transferee before the third (3rd) Business Day before the expiration of an applicable voting or consent deadline (such date, the “***Qualified Marketmaker Joinder Date***”), such Qualified Marketmaker shall be required to (and the Transfer documentation between the applicable Consenting Creditor and such Qualified Marketmaker shall provide that such Qualified Marketmaker shall), on the first Business Day immediately after the Qualified Marketmaker Joinder Date, become a Consenting Creditor with respect to such Claims in accordance with the terms hereof; *provided, further*, that the Qualified Marketmaker shall automatically, and without further notice or action, no longer be a Consenting Creditor with respect to such Claim at such time as such Claim has been Transferred by such Qualified Marketmaker to a transferee that is a Permitted Transferee in accordance with this Agreement.

Section 4.03 Additional Claims. This Agreement shall in no way be construed to preclude the Consenting Creditors from acquiring additional Claims or Transferring Claims in accordance with this Article 4, and each Consenting Creditor agrees that to the extent any Consenting Creditor (i) acquires additional Claims against the Company Entities entitled to vote on the Plan or (ii) Transfers any Claims against the Company Entities in accordance with this Article 4, then, in each case, each such Consenting Creditor shall promptly notify Company Entities’ Counsel and the First Lien Agent and Consenting Creditor Counsel, and each such Consenting Creditor hereby agrees that such additional Claims shall be subject to this Agreement, and that, for the duration of the Support Period, it shall vote (or cause to be voted) any such additional Claims to accept the Plan and not change or withdraw (or cause to be changed or withdrawn) any such vote.

Section 4.04 The covenants and agreements of the Consenting Creditors in this Article 4 are several and not joint.

Section 4.05 The Company Entities understand that the Consenting Creditors are engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, each Company Entity acknowledges and agrees that the obligations set forth in this Agreement shall only apply to the trading desk(s) and/or business group(s) of the Consenting Creditors that manage and/or supervise each Consenting Creditor’s investment in or Claim against the Company Entities and shall not apply to any other trading desk or business group of the Consenting Creditor, so long as it is not acting at the direction or for the benefit of such Consenting Creditor or unless it becomes party hereto. It is further understood and agreed that the covenants, representations, and warranties in this Agreement by a Consenting Creditor that is the nominee, investment advisor, sub-advisor, or manager to funds and/or accounts that hold or beneficially hold Claims are made with respect to, and on behalf of, such funds and/or managed accounts and not such nominee,

investment advisor, or manager in its individual capacity or any other affiliate of such nominee, investment advisor, or manager and, if applicable, are made severally (and not jointly) with respect to the funds and/or accounts managed by it.

Section 4.06 Nothing in this Agreement shall (i) prohibit any Consenting Creditor from taking any action that is not in violation of this Agreement, (ii) prevent any Consenting Creditor from enforcing this Agreement or any Definitive Document or contesting whether any matter, fact or thing is a breach of, or is inconsistent with, this Agreement or any Definitive Document, (iii) be construed to limit any Consenting Creditor's rights under any applicable note, other loan document, instrument, and/or applicable law, including the right to purchase, sell, or enter into any transactions regarding any Claim, subject to the terms hereof and any applicable agreements or law governing such Claim, (iv) constitute a waiver, amendment or modification of any term or provision of the First Lien Credit Agreement or the Second Lien Indenture, (v) constitute a termination or release of any liens on, or security interests in, any of the assets or properties of the Company Entities that secure the obligations under the relevant Claims, (vi) affect the ability of any Consenting Creditor to consult with any other Consenting Creditor, the Company Entities, or any other party in interest in the Chapter 11 Cases (including any other official committee or the United States Trustee) so long as such consultation does not violate such Consenting Creditor's support obligations set forth herein, any applicable Confidentiality Agreement, or applicable law, including the Bankruptcy Code, (vii) impair or waive the rights of any Consenting Creditor to assert or raise any objection in any court having jurisdiction over the Company Entities or the Restructuring to the extent such action is consistent with this Agreement, (viii) prohibit any Consenting Creditor from appearing as a party in interest in any matter to be adjudicated in the Chapter 11 Cases, so long as such appearance and any positions advocated in connection therewith are not in violation of this Agreement and are not for the purpose of delaying, interfering, impeding, or taking any other action to delay, interfere, or impede, directly or indirectly, the Restructuring Term Sheet, the Plan or the Restructuring contemplated thereby, (ix) prevent any Consenting Creditor from taking any action that is required by applicable law, (x) require any Consenting Creditor to take any action that is prohibited by applicable law or to waive or forego the benefit of any applicable legal privilege, (xi) require any Consenting Creditor to incur, assume, become liable in respect of or suffer to exist any expenses, liabilities, or other obligations, or agree to or become bound by any commitments, undertakings, concessions, indemnities, or other arrangements that could result in expenses, liabilities, or other obligations to such Consenting Creditor, or (xii) require any Consenting Creditor to fund or commit to fund any additional amounts (other than as agreed in connection with the DIP Facility) without such Consenting Creditor's written consent.

Section 4.07 Forbearance.

(a) Subject to any rights or remedies granted to the Consenting Creditors pursuant to this Agreement, the Definitive Documents, including the DIP Documents, or any order of the Bankruptcy Court, during the Support Period, the Consenting Creditors agree to forbear from exercising (and agree to direct any agent or trustee to forbear from exercising) any rights or remedies they may have under the Prepetition Funded Debt Documents (whether under U.S. or non-U.S. law) with respect to any breaches, defaults, events of default or potential defaults by the Company Entities (including any such breaches, defaults, events of default, or potential defaults resulting from any maturities occurring during the Support Period). Each Consenting Creditor

agrees that this Agreement constitutes a direction to the First Lien Agent and the Second Lien Trustee to refrain, during the Support Period, from exercising any remedy available or power conferred to the First Lien Agent or Second Lien Trustee against the Company Entities or any subsidiaries or any of their assets except as necessary to effectuate the Restructuring.

(b) Except to the extent provided or expressly contemplated under this Agreement or any Definitive Documents, including the DIP Documents, each Consenting Creditor further agrees that if any applicable administrative agent, collateral agent, or indenture trustee takes any action inconsistent with any such Consenting Creditor's obligations under this Section 4.07, such Consenting Creditor shall use commercially reasonable efforts to direct and cause such administrative agent, collateral agent, or indenture trustee (as applicable) to cease and refrain from taking such actions. For the avoidance of doubt, the foregoing forbearance shall not be construed to impair the ability of the Consenting Creditors to take any remedial action, subject to the terms of the Prepetition Funded Debt Documents or otherwise, as applicable, at any time from and after the Termination Date (unless the Termination Date occurs solely as a result of the occurrence of the Effective Date).

5. Agreements of the Company Entities.

Section 5.01 Subject to the terms of this Agreement (including Section 6.01) and the Definitive Documents, the Company Entities hereby covenant and agree during the Support Period:

(a) to (i) take any and all actions reasonably necessary to implement and consummate the Restructuring in accordance with the terms and conditions set forth in this Agreement and the Restructuring Term Sheet, and (ii) pursue any necessary or appropriate federal, state, and local regulatory or governmental approvals to enable confirmation of the Plan and consummation of the Restructuring, including approvals from the Bankruptcy Court and/or any Governmental Unit whose approval or consent is determined by the Company Entities and/or the applicable Required Consenting Creditors to be necessary or appropriate to consummate the Restructuring;

material respects with this Agreement and such other terms and conditions as are acceptable to Required Consenting First Lien Lenders and the Company Entities; *provided, further*, that the foregoing shall not apply to any retention applications, fee applications, or related declarations hired by the Company Entities' Advisors;

(c) if applicable, to use commercially reasonable efforts to obtain, or assist the Consenting Creditors in obtaining, any and all required governmental, regulatory and/or third-party approvals (including Bankruptcy Court approvals) to effectuate the Restructuring on the terms contemplated by this Agreement and the Plan;

(d) in connection with the Chapter 11 Cases, to timely file with the Bankruptcy Court a written objection to any motion filed with the Bankruptcy Court by any Entity seeking the entry of an order (i) directing the appointment of an examiner with enlarged powers relating to the operation of the Company Entities' business (powers beyond those set forth in section 1106(a)(3) and (4) of the Bankruptcy Code), (ii) converting any of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, (iii) dismissing any of the Chapter 11 Cases, (iv) for relief that (y) is materially inconsistent with this Agreement or (z) would frustrate the purposes of this Agreement, including by preventing consummation of the Restructuring, or (v) modifying or terminating the Company Entities' exclusive right to file and/or solicit acceptances of a plan of reorganization (except if such relief is granted pursuant to a motion filed with the consent of the Required Consenting First Lien Lenders);

(f) that regardless of whether the Restructuring is consummated, the Company Entities shall promptly pay in full and in Cash all Restructuring Fees and Expenses when incurred and invoiced in accordance with this Agreement, the relevant engagement letters and/or fee arrangements, and shall continue to pay such amounts as they come due, and otherwise in accordance with this Agreement, the applicable engagement letters and/or fee arrangements (including under any DIP Order) of the First Lien Agent and Consenting Creditor Advisors (and not terminate such engagement letters and/or fee arrangements or seek to reject them in the Chapter 11 Cases);

(g) to promptly notify the Consenting Creditors, in writing, of any material governmental or third-party complaints, litigations, investigations, or hearings (or communications indicating that the same may be contemplated or threatened);

(h) to timely file a formal written response in opposition to, or take all appropriate actions to oppose (if circumstances do not allow for the filing of a formal written

response), any objection filed with the Bankruptcy Court by any Entity with respect to the entry of the Interim DIP Order and/or Final DIP Order;

(i) to use commercially reasonable efforts to cause each of the Milestones to be satisfied; and

(j) to not directly or indirectly take any action that would be inconsistent with this Agreement, the Definitive Documents, or interfere with the Restructuring (including encouraging another person to undertake any action prohibited by this Agreement or the Definitive Documents).

Section 5.02 Subject to Section 6.01, the Company Entities covenant and agree that, during the Support Period, each of the Company Entities shall not directly or indirectly:

(a) through any Entity, (i) seek or solicit any Alternative Restructuring, or (ii) object to or take any other action that is inconsistent with or that would reasonably be expected to prevent, interfere with, delay, or impede the Solicitation, approval of, and entry of orders regarding the Definitive Documents, or the confirmation and consummation of the Plan and the Restructuring (including by filing any motion, pleading, or other document with the Bankruptcy Court or any other court that is inconsistent with this Agreement, the Plan or any of the other Definitive Documents);

(b) amend or modify any of the Definitive Documents in a manner that is inconsistent with any such document, this Agreement, or the Plan;

(c) without prior written consent of the Required Consenting First Lien Lenders, consummate or enter into a definitive agreement evidencing any merger, consolidation, disposition of material assets, acquisition of material assets, or similar transaction, pay any dividend, or incur any indebtedness for borrowed money, in each case outside the ordinary course of business and other than as contemplated by the Plan, this Agreement, and the Restructuring (including incurrence of indebtedness in connection with the DIP Facility consistent with this Agreement and the DIP Documents); and

(d) except, in each case, (i) to the extent reasonably necessary to consummate the Restructuring or (ii) otherwise to achieve tax efficiency (taking into account the tax and non-tax considerations and the associated costs of the Company Entities and the Consenting First Lien Lenders), take any action or inaction that would cause a change to the tax classification, for United States federal income tax purposes, of any Company Entity; *provided* that any change to the tax classification for United States federal income tax purposes of any Company Entity pursuant to clause (ii) hereof shall be subject to the prior written consent of the Required Consenting First Lien Lenders.

6. Additional Provisions Regarding Company Entities' Commitments.

Section 6.01 Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall require a Company Entity or the board of directors, board of managers, or similar governing body of a Company Entity to take any action or to refrain from taking any action that is inconsistent with a Fiduciary Out Determination, written notice of which shall be given by

the Company Entities to the Consenting Creditors (and the First Lien Agent and Consenting Creditor Counsel) by not less than one (1) Business Day after the date of such Fiduciary Out Determination (email among counsel being sufficient). Upon written notice of a Fiduciary Out Determination, the Company Entities, the Required Consenting First Lien Lenders, or the Required Consenting Second Lien Noteholders may terminate this Agreement in accordance with Article 7 hereof.

Section 6.02 Notwithstanding anything to the contrary in this Agreement (but subject to Section 6.01), if the Company Entities receive a written or oral proposal or expression of interest from any Person or Entity regarding any Alternative Restructuring that their board of directors, board of managers, or similar governing body determines in good faith, upon the advice of outside counsel, that failure to take action would be inconsistent with the fiduciary duties, if any, of the members of such board or governing body under applicable law, the Company Entities shall have the right to: (i) consider, respond to, facilitate, discuss, negotiate, support, or otherwise pursue such Alternative Restructuring, (ii) provide access to non-public information concerning the Company Entities to any Person or Entity and enter into any confidentiality agreement with such Person or Entity in connection therewith, and (iii) otherwise cooperate with, assist, or participate in any inquiries, proposals, discussions, or negotiations of such Alternative Restructuring *provided, however* the Company Entities shall (i) notify (including delivering a summary notice of material terms of any Alternative Restructuring proposal reasonably necessary to inform the Required Consenting Creditors) the Required Consenting Creditors and the First Lien Agent and Consenting Creditor Counsel of any of the actions set forth in this Section 6.02 within two (2) Business Days; *provided* that to the extent any Company Entity is bound by a confidentiality agreement with the party providing the Alternative Restructuring proposal, such Company Entity shall ensure that such confidentiality agreement does not prohibit the Company Entities from disclosing the terms of the Alternative Restructuring in accordance with its obligations hereunder; (ii) respond promptly to information requests and questions from the First Lien Agent and Consenting Creditor Advisors with respect to any of the actions set forth in this Section 6.02; and (iii) keep the First Lien Agent and Consenting Creditor Advisors reasonably informed with respect to any amendments, modifications, or other changes to, or any further developments of, any such Alternative Restructuring, in any such case as is necessary to keep such counsel reasonably informed as to the status and substance of such discussions, negotiations, amendments, modifications, changes, and/or developments.

Section 6.03 Nothing in this Agreement shall: (i) impair or waive the rights of the Company Entities to assert or raise any objection permitted under this Agreement in connection with the Restructuring; or (ii) prevent the Company Entities from enforcing this Agreement or contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement.

7. Termination of Agreement.

Section 7.01 Generally.

(a) This Agreement will automatically terminate upon the Effective Date (as to all Parties).

(b) This Agreement will terminate, unless cured in accordance with this Agreement, three (3) Business Days following the receipt of written notice (the “**Notice Period**”), delivered in accordance with Article 22 hereof, to the other Parties (as applicable) from (i) the Required Consenting First Lien Lenders, at any time after the occurrence of any Consenting First Lien Lender Termination Event, (ii) the Required Consenting Second Lien Noteholders, who may only terminate this Agreement as to the Consenting Second Lien Noteholders, at any time after the occurrence of any Consenting Second Lien Noteholder Termination Event, or (iii) the Company Entities at any time after the occurrence of any Company Entity Termination Event. No Party may terminate this Agreement based on a Consenting First Lien Lender Termination Event, Consenting Second Lien Noteholder Termination Event, or Company Entity Termination Event, as applicable, caused (directly or indirectly) by such Party’s failure to perform or comply in all material respects with the terms and conditions of this Agreement (including the failure to meet a Milestone, which has not been waived or extended) unless such failure to perform or comply arises as a result of another Party’s prior failure to perform or comply in all material respects with the terms and conditions of this Agreement (including the failure to meet a Milestone, which has not been waived or extended). For the avoidance of doubt, termination of this Agreement by the Required Consenting Second Lien Noteholders shall not terminate this Agreement as between the Consenting First Lien Lenders and the Company Entities.

(c) Each of the dates and time periods referenced in: (i) Section 7.02 may be extended by notice from, and with the consent of, the Required Consenting First Lien Lenders to the other Parties; (ii) Section 7.03 may be extended by notice from, and with the consent of, the Required Consenting Second Lien Noteholders to the other Parties; and (iii) Section 7.04 may be extended by notice from, and with the consent of, the Company Entities to the other Parties. Notice provided in accordance with this Section 7.01(c) may be provided to the other Parties by electronic mail from and to the respective counsel to the Parties.

Section 7.02 A “**Consenting First Lien Lender Termination Event**” will mean any of the following:

(a) the Company Entities withdraw or modify the Plan or Disclosure Statement or file any motion or pleading with the Bankruptcy Court that is materially inconsistent with this Agreement or the Plan and such withdrawal, modification, motion, or pleading has not been revoked before five (5) Business Days after the Company Entities receive written notice (email among counsel being sufficient) from the Required Consenting First Lien Lenders that such withdrawal, modification, motion, or pleading is inconsistent with this Agreement or the Plan;

(b) the breach in any material respect by the Company Entities of any of the representations, warranties, covenants, or other obligations of the Company Entities set forth in this Agreement, which breach has not been cured within five (5) Business Days of written notice from the Required Consenting First Lien Lenders of such breach;

(c) if the Company Entities give notice of termination of this Agreement pursuant to this Article 7 which is not cured within the required period;

(d) the issuance by any Governmental Unit, including any regulatory authority or court of competent jurisdiction, of any final ruling, judgment or non-appealable order enjoining

the consummation of or rendering illegal the Restructuring, and such ruling, judgment or order has not been reversed or vacated by the later of (i) the Confirmation Date and (ii) seven (7) Business Days after such issuance;

(e) the failure to meet a Milestone, which has not been waived or extended by the Required Consenting First Lien Lenders;

Section 7.07 No Waiver. If the Restructuring is not consummated, nothing herein shall be construed as a waiver by any Party of any or all of such Party's rights, and the Parties expressly reserve any and all of their respective rights as if the Parties had not entered this Agreement. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce the Agreement's terms.

Notwithstanding anything herein to the contrary, nothing herein shall require any Initial Consenting First Lien Lender or Initial

Consenting Second Lien Noteholder to provide any information that it determines, in its sole discretion, to be sensitive or confidential.

9. Inconsistency of Terms. In the event there is any inconsistency between the terms of the Restructuring Term Sheet and this Agreement (excluding the Restructuring Term Sheet), the terms of the Restructuring Term Sheet shall prevail.

10. Representations and Warranties.

Section 10.01 Each Party, severally (and not jointly), represents and warrants to the other Parties that the following statements are true, correct and complete as of the date hereof (or such later date that such Party first becomes bound by this Agreement) and solely with respect to the Company Entities, subject to any limitations or approvals arising from or required by the commencement of the Chapter 11 Cases:

(c) the execution, delivery and performance by such Party of this Agreement does not and will not require any registration or filing with, consent or approval of, or notice to, or other action to, with or by, any federal, state or governmental authority or regulatory body, except (i) such filings that may be reasonably necessary in connection with the Chapter 11 Cases, (ii) filings that ModivCare is required to make with the U.S. Securities and Exchange Commission (the "**SEC**"), and (iii) such filings as may be necessary or required for disclosure to any applicable regulatory body or Governmental Unit whose approval or consent is determined by the Company Entities to be necessary to consummate the Restructuring; and

(d) this Agreement is the legally valid and binding obligation of such Party, enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability or a ruling of a court.

Section 10.02 Each Consenting Creditor severally (and not jointly), represents and warrants to the other Parties that as of the date hereof (or such later date that such Party first becomes bound by this Agreement), such Consenting Creditor:

(a) is not a Qualified Marketmaker with respect to the First Lien Claims or Second Lien Claims (as applicable) set forth below its name on its signature page to this Agreement; and

(b) (i) is the beneficial owner of the Claims set forth below its name on the applicable signature page of this Agreement, (ii) has, with respect to such beneficial ownership of such Claims (or upon the return of any Loaned Claims (as defined below), will have), (A) sole investment or voting discretion with respect to such Claims, (B) full power and authority to vote on and consent to matters concerning such Claims, and (C) full power and authority to bind or act on the behalf of, the beneficial owners of such Claims; or (iii) to the extent it has loaned or transferred any Claims to any third-party on a temporary basis pursuant to any loan or repurchase agreement (any such Claims, the “*Loaned Claims*”), it has recalled any Loaned Claims to the extent possible, and will use commercially reasonable efforts to beneficially own any such Loaned Claims as soon as reasonably practicable), and, having made reasonable inquiry, is not the beneficial or record owner or the nominee, investment manager, advisor or sub-advisor for a beneficial or record owner of any Claims other than those reflected in, such Consenting Creditor’s signature page to this Agreement or a Joinder Agreement, as applicable (as may be updated).

(c) For the avoidance of doubt and notwithstanding anything in this Agreement to the contrary, any Consenting Creditor’s inability to vote, consent, or take any other action with respect to Loaned Claims shall not be a breach or default of such Consenting Creditor’s obligations under this Agreement or any Definitive Document.

11. Disclosure; Publicity.

Section 11.01 The Company Entities shall submit drafts to the First Lien Agent and Consenting Creditor Counsel of any press releases, public filings, public announcements, other public documents (including any and all filings with the SEC) or other communications with any news media or to be filed with the SEC, in each case, to be made by the Company Entities relating to this Agreement (or the transactions contemplated hereby) or that constitute disclosure of the existence or terms of this Agreement or any amendment to the terms of this Agreement at least one (1) Business Day, or as soon as reasonably practicable, before making any such disclosure or filing and shall afford them a reasonable opportunity to comment on such documents and disclosures, and shall consider any such reasonable comments in good faith.

Section 11.02 Except as required by law (or as requested by any regulatory or self-regulatory authority consistent with ordinary business practice and to the extent not specifically related to the Company Entities or in connection with the Restructuring) or otherwise permitted under the terms of any other agreement between the Company Entities and the applicable Consenting Creditors, no Party or its advisors will disclose to any Person, other than to Company Entities’ Counsel (which shall not disclose any Consenting Creditor’s individual holdings absent such Consenting Creditor’s express prior written consent), the principal amount or percentage of any First Lien Claims and/or Second Lien Claims, or any other securities of ModivCare held by any Consenting Creditor, in each case, without the Consenting Creditor’s prior written consent; *provided* that (i) if such disclosure is required by law, subpoena, or other legal process or regulation, to the extent permitted by applicable law, the disclosing Party will afford the applicable Consenting Creditor a reasonable opportunity to review and comment in advance of such

disclosure and will take all reasonable measures to limit such disclosure to the extent required by such law, subpoena or other legal process or regulation, and (ii) the foregoing shall not prohibit the disclosure of the aggregate percentage or aggregate principal amount of the First Lien Claims and/or Second Lien Notes held by all the Consenting Creditors collectively. Any public filing of this Agreement, with the Bankruptcy Court or otherwise, which includes executed signature pages to this Agreement shall include such signature pages only in redacted form with respect to the holdings of each Consenting Creditor (*provided* that the holdings disclosed in such signature pages may be filed in unredacted form with the Bankruptcy Court under seal).

12. Amendments and Waivers. Except as otherwise expressly set forth herein, this Agreement, including the exhibits hereto, may not be waived, modified, amended or supplemented except in a writing signed by the (i) Company Entities and the (ii) Required Consenting First Lien Lenders. Notwithstanding anything herein to the contrary, for the avoidance of doubt, (A) no amendment, modification, waiver, or supplement of the definition of “Required Consenting Creditors” shall be effective without the consent of each Consenting Creditor; *provided, however*, that such Consenting Creditor is not in material breach of this Agreement; (B) no amendment, modification, waiver, or supplement of the definition of “Required Consenting First Lien Lenders” shall be effective without the consent of each Consenting First Lien Lender; *provided, however*, such Consenting First Lien Lender is not in material breach of this Agreement; (C) no amendment, modification, waiver, or supplement of the definition of “Required Consenting Second Lien Noteholders” shall be effective without the consent of each Consenting Second Lien Noteholder; *provided, however*, such Consenting Second Lien Noteholder is not in material breach of this Agreement; (D) no amendment modification, waiver, or supplement that would adversely and disproportionately impact the Consenting Second Lien Noteholders as to any other class of Consenting Creditors hereunder or adversely alter the treatment of the Second Lien Claims set forth in the Restructuring Term Sheet shall be effective without the prior written consent of (x) the Required Consenting Second Lien Noteholders and (y) each Consenting Second Lien Noteholder party hereto as of the Support Effective Date; (E) no amendment modification, waiver, or supplement that would beneficially impact the Consenting Second Lien Noteholders as to any other class of Consenting Creditors hereunder or beneficially alter the treatment of the Second Lien Claims set forth in the Restructuring Term Sheet shall be effective without the prior written consent of the Required Consenting First Lien Lenders determined without including any First Lien Claims held by any Consenting First Lien Lender that also holds Second Lien Claims with a face amount greater than 20% of the face amount of such Consenting First Lien Lender’s First Lien Claims; (F) no amendment modification, waiver, or supplement that would beneficially impact the Consenting Second Lien Noteholders as to any other class of Consenting Creditors hereunder or beneficially alter the treatment of the Second Lien Claims set forth in the Restructuring Term Sheet shall be effective without the prior written consent of the Required Consenting Second Lien Noteholders; (G) no amendment, modification, supplement or waiver which materially, adversely and disproportionately affects the Claims held by any Consenting First Lien Lender as compared to any other Consenting First Lien Lender shall be effective without the written consent of such Consenting First Lien Lender; (H) no amendment, modification, supplement or waiver which materially, adversely and disproportionately affects the Claims held by any Consenting Second Lien Noteholder as compared to any other Consenting Second Lien Noteholder shall be effective without the written consent of such Consenting Second Lien

Noteholders; and (I) no amendment, modification, waiver, or supplement of this Article 12 shall be effective without the consent of each Consenting Creditor.

14. Governing Law; Jurisdiction; Waiver of Jury Trial. THIS AGREEMENT AND ANY DISPUTE, CLAIM, COUNTERCLAIM OR CAUSE OF ACTION (WHETHER IN TORT, CONTRACT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY) WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY CONFLICTS OF LAW PROVISIONS WHICH WOULD REQUIRE THE APPLICATION OF THE LAW OF ANY OTHER JURISDICTION. BY ITS EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE PARTIES HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ANY LEGAL ACTION, SUIT OR PROCEEDING AGAINST IT (WHETHER IN TORT, CONTRACT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY) WITH RESPECT TO ANY MATTER UNDER OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT RENDERED IN ANY SUCH ACTION, SUIT OR PROCEEDING, MAY BE BROUGHT IN ANY FEDERAL OR STATE COURT IN THE BOROUGH OF MANHATTAN IN THE CITY OF NEW YORK, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE PARTIES HEREBY IRREVOCABLY ACCEPTS AND SUBMITS ITSELF TO THE NONEXCLUSIVE JURISDICTION OF EACH SUCH COURT, GENERALLY AND UNCONDITIONALLY, WITH RESPECT TO ANY SUCH ACTION, SUIT OR PROCEEDING. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT (WHETHER IN TORT, CONTRACT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY) OR THE RESTRUCTURING CONTEMPLATED HEREBY. NOTWITHSTANDING THE FOREGOING, DURING THE PENDENCY OF THE CHAPTER 11 CASES, ALL PROCEEDINGS CONTEMPLATED BY THIS ARTICLE 14 SHALL BE BROUGHT IN THE BANKRUPTCY COURT AND, WITH RESPECT TO SUCH CLAIMS, (I) IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT, (II) WAIVES ANY OBJECTION TO LAYING VENUE IN ANY SUCH ACTION OR PROCEEDING IN THE BANKRUPTCY COURT, AND (III) WAIVES ANY OBJECTION THAT THE BANKRUPTCY COURT IS AN

INCONVENIENT FORUM OR DOES NOT HAVE JURISDICTION OVER ANY PARTY HERETO.

15. Remedies/Specific Performance. All remedies that are available at law or in equity, including specific performance and injunctive or other equitable relief, to any Party for a breach of this Agreement by another Party shall be available to each non-breaching Party (and for the avoidance of doubt, it is agreed by the other Parties that money damages would not be a sufficient remedy for any breach of this Agreement by any Party and each non-breaching Party will be entitled to seek specific performance and injunctive or other equitable relief as a remedy of any such breach); *provided* that in connection with any remedy for specific performance, injunctive or other equitable relief asserted in connection with this Agreement, each Party agrees to waive the requirement for the securing or posting of a bond in connection with any remedy and to waive the necessity of proving the inadequacy of money damages. All rights, powers, and remedies provided under this Agreement or otherwise available at law or in equity will be cumulative and not alternative, and the exercise of any remedy, power, or remedy by any Party will not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party or any other Person.

16. Survival. Notwithstanding the termination of this Agreement pursuant to Article 7 hereof, Section 7.07, Articles 9, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, and 26, (and, to the extent applicable to the interpretation of such surviving sections, Article 1) will survive such termination and will continue in full force and effect for the benefit of the Parties in accordance with the terms hereof.

18. Successors and Assigns; Severability; Several Obligations. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors and permitted assigns. The rights or obligations of any Party under this Agreement may not be assigned, delegated, or transferred to any other Person except as expressly permitted herein. If any provision of this Agreement, or the application of any such provision to any person or circumstance, will be held invalid or unenforceable in whole or in part, such invalidity or unenforceability will attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement will continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the

greatest extent possible. The agreements, representations and obligations of the Parties are, in all respects, ratable and several and neither joint nor joint and several.

19. No Third-Party Beneficiaries. Unless expressly stated herein, this Agreement will be solely for the benefit of the Parties and no other person or entity will be a third-party beneficiary hereof or have any rights hereunder.

20. Prior Negotiations; Entire Agreement. This Agreement, including the exhibits and schedules hereto, constitutes the entire agreement of the Parties, and supersedes all other prior agreements and negotiations, with respect to the subject matter hereof, except that the Parties acknowledge that any Confidentiality Agreements or agreements with respect to shared or common interest heretofore executed between the Company Entities and any Consenting Creditor (or the First Lien Agent and Consenting Creditor Advisors) and any engagement letters and/or fee arrangements will continue in full force and effect in accordance with the terms thereof.

21. Counterparts. This Agreement may be executed in several counterparts, each of which will be deemed to be an original, and all of which together will be deemed to be one and the same agreement. The words “execution,” “signed,” “signature,” and words of like import in this Agreement including any Joinder Agreement shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

23. Reservation of Rights; No Admission. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict the ability of each of the Parties (i) to protect and preserve its rights, remedies and interests, including its claims against any of the other Parties (or their respective affiliates or subsidiaries), (ii) purchase, sell, or enter into any transactions in connection with the First Lien Claims and/or Second Lien Claims, (iii) enforce any right under or with respect to the First Lien Credit Agreement and any related documents, the Second Lien Indenture and any related documents, any of the First Lien Claims and/or any of the Second Lien Claims, subject to the terms hereof, (iv) consult with other Consenting Creditors, other holders of First Lien Claims and/or Second Lien Claims, or any other Party regarding the Restructuring, or (v) enforce any right, remedy, condition, consent or approval requirement under this Agreement or in any of the Definitive Documents. Each of the Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert.

24. Relationship Among Parties. It is understood and agreed that no Consenting Creditor has any fiduciary duty, any duty of trust or confidence of any kind or form, or any other duty or responsibility, to or with any other Consenting Creditor, any of the Company Entities, or any other creditor or interest holder of the Company Entities, and, except as expressly provided in this Agreement, there are no commitments between them as a result of this Agreement. In this regard, it is understood and agreed that any Consenting Creditor may acquire First Lien Claims, Second Lien Claims, or other debt or equity securities of the Company Entities without the consent of the Company Entities or any other creditor, subject to applicable securities laws, the terms of this Agreement, and the terms of any applicable Confidentiality Agreement; *provided* that no

Consenting Creditor will have any responsibility for any such acquisition to any other entity by virtue of this Agreement.

25. No Solicitation; Representation by Counsel; Adequate Information.

Section 25.01 This Agreement and the transactions contemplated herein are the product of negotiations among the Parties, together with their respective representatives. Notwithstanding anything herein to the contrary, this Agreement is not and shall not be deemed to be an offer with respect to any securities or solicitation of votes for the acceptance of a plan of reorganization for purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise.

Section 25.02 Each Party acknowledges that it has had an opportunity to receive information from the Company Entities and that it has been represented by counsel in connection with this Agreement and the transactions contemplated hereby. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel will have no application and is expressly waived.

Section 25.03 Each Initial Consenting Creditor (and, to the extent applicable, each other Consenting Creditor) acknowledges, agrees, and represents to the other Parties that it (i) is an “accredited investor” as such term is defined in Rule 501(a) of the Securities Act, (ii) is a “qualified institutional buyer” as such term is defined in Rule 144A of the Securities Act, (iii) understands that (A) any securities to be acquired by it pursuant to the Restructuring have not been registered under the Securities Act and (B) that some or all of such securities will be offered and sold pursuant to an exemption from registration contained in the Securities Act, based in part upon such Consenting Creditor’s representations contained in this Agreement and cannot be sold unless subsequently registered under the Securities Act or an exemption from registration is available, and (iv) has such knowledge and experience in financial and business matters that such Consenting Creditor is capable of evaluating the merits and risks of the securities to be acquired by it pursuant to the Restructuring and understands and is able to bear any economic risks with such investment.

26. Restructuring Fees and Expenses. The Equity Rights will allow the Eligible Holders thereof, on a record date to be determined prior to the Effective Date, to purchase New Common Interests at a valuation at which First Lien Lenders would recover 100% on account of their Allowed First Lien Claims, and the Second Lien Noteholders would recover 75% on account of their Allowed Second Lien Claims. The proceeds of the Equity Rights Offering shall fund Cash payments to holders of Allowed First Lien Claims.
New Common Interests	On the Effective Date, the Reorganized Company Entities shall issue one or more classes of New Common Interests. New Common Interests distributed pursuant to the Equity Option (as defined below) shall not reduce the aggregate amount of Exit Term Loans available for distribution. The terms of the New Common Interests shall be consistent in all respects with the terms and conditions set forth in this Restructuring Term Sheet and otherwise agreed between the Company Entities and the Required Consenting First Lien Lenders.

³ An “**Eligible Holder**” means a holder of an Allowed Unsecured Notes Claim or Allowed Other General Unsecured Claim that is an Accredited Investor or Qualified Institutional Buyer (each as defined in the Securities Act).

⁴ The “**Securities Act**” means the Securities Act of 1933, as amended.

New Warrants	On the Effective Date, the Company Entities will (i) enter into definitive documents to issue the New Warrants, which shall be on terms and conditions that are consistent in all respects with the terms and conditions in this Restructuring Term Sheet and otherwise agreed between the Company Entities, the Required Consenting First Lien Lenders and the Required Consenting Second Lien Noteholders, and (ii) issue to the Second Lien Noteholders the Series A Warrants, the Series B Warrants, and the Series C Warrants (each as defined in the New Warrants Term Sheet (as defined below), and collectively, the “ New Warrants ”) on terms and conditions consistent with the term sheet attached hereto as <u>Annex 3</u> (the “ New Warrants Term Sheet ”) and otherwise in a form and substance reasonably acceptable to the Required Consenting Creditors and the Company Entities. For the avoidance of doubt, the New Warrants are subject to dilution by the MIP.

Summary of Terms and Conditions¹

Set forth below is a summary of the principal terms and conditions for the DIP Facility (as defined herein). This summary of terms and conditions (together with all annexes, exhibits, and schedules attached hereto, as may be amended, amended and restated, supplemented or otherwise modified from time to time, this “**DIP Term Sheet**”) does not purport to summarize all of the terms, conditions, representations, warranties, and other provisions with respect to the DIP Facility which would be contained in the DIP Credit Agreement (as defined herein) and the other DIP Facility Documents (as defined herein). The obligations of the DIP Lenders (as defined herein) to provide the DIP Facility are conditioned upon entry of the DIP Orders (as defined herein) and the other terms and conditions set forth herein.

Borrower: ModivCare Inc., a Delaware corporation (the “**Borrower**”), in its capacity as a debtor and debtor in possession in a case under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) to be filed in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”) (the date of such filing, the “**Borrower Petition Date**”).

Guarantors: The obligations of the Borrower under the DIP Facility will be guaranteed by each material domestic subsidiary of the Borrower (collectively, the “**Guarantors**” and, together with Borrower, the “**Debtors**” or the “**Loan Parties**”; the obligations of the Loan Parties under the DIP Facility that are payable as set forth herein, collectively, the “**DIP Obligations**”), each of which will be a debtor and a debtor in possession in cases commenced under chapter 11 of the Bankruptcy Code in the Bankruptcy Court (collectively, the “**Guarantors’ Chapter 11 Cases**” and, together with the Borrower’s chapter 11 case, collectively, the “**Chapter 11 Cases**”), filed subsequent to, but jointly administered with, the Borrower’s chapter 11 case (the date of such filing, the “**Guarantor Petition Date**”; “**Petition Date**” shall mean the Borrower Petition Date or the Guarantor Petition Date, as the context requires). For the avoidance of doubt, each Debtor shall be a Guarantor under the DIP Facility.

Prepetition Credit Facility and First Lien Lenders: The Borrower is party to that certain Credit Agreement, dated as of February 3, 2022 (as amended, waived, supplemented, or otherwise modified prior to the Petition Date, the “**Prepetition Credit Agreement**” and the facilities thereunder, the “**Prepetition Facilities**”), by and among the Borrower, the lenders party thereto from time to time (the “**First Lien Lenders**”), JPMorgan Chase Bank, N.A., as agent (the “**Prepetition Agent**”), governing the following indebtedness:

- (a) **Prepetition Revolving Loans:** indebtedness currently outstanding under the Prepetition Credit Agreement in the aggregate principal amount (exclusive of PIK interest on consent fees) of approximately \$270,975,000 in respect of the “**Revolving Loans**” (as defined in the Prepetition Credit Agreement) thereunder (the “**Prepetition Revolving Loans**”), plus all accrued and unpaid interest thereon, fees, letter of credit reimbursement obligations, and expenses incurred in connection therewith, but excluding undrawn

outstanding letters of credit (collectively, the “**Prepetition Revolving Loan Obligations**”);

- (b) **Prepetition Initial Term Loans**: indebtedness currently outstanding under the Prepetition Credit Agreement in the aggregate principal amount of approximately \$522,239,937.63 in respect of the “Initial Term Loans” (as defined in the Prepetition Credit Agreement) thereunder (the “**Prepetition Initial Term Loans**”), plus all accrued and unpaid interest thereon, fees, and expenses incurred in connection therewith (collectively, the “**Prepetition Initial Term Loan Obligations**”); and
- (c) **Prepetition Incremental Term Loans**: indebtedness currently outstanding under the Prepetition Credit Agreement, in the aggregate principal amount of approximately \$78,750,000 in respect of the “Amendment No. 5 Incremental Term Loans” (as defined in the Prepetition Credit Agreement) thereunder (the “**Prepetition Incremental Loans**”, together with the Prepetition Initial Term Loans, the “**Prepetition Term Loans**”, and collectively, with the Prepetition Revolving Loans, the “**Prepetition Loans**”), plus all accrued and unpaid interest thereon, fees, and expenses incurred in connection therewith (collectively, the “**Prepetition Incremental Term Loan Obligations**”, and together with the Prepetition Initial Term Loan Obligations, the “**Prepetition Term Loan Obligations**”, and collectively with the Prepetition Revolving Loan Obligations, the “**Prepetition Obligations**”).

Pursuant to the DIP Credit Agreement and Restructuring Support Agreement (as defined herein), the DIP Commitments shall be fully backstopped and structured by certain First Lien Lenders or their affiliates (the “**Backstop Parties**”). The DIP Loans shall be available to all First Lien Lenders on a pro rata basis in accordance with procedures acceptable to the Backstop Parties.

Pursuant to syndication procedures acceptable to the Backstop Parties (the “**Syndication Procedures**”), all holders of First Lien Claims (who become parties to the Restructuring Support Agreement in accordance with its terms prior to the closing of the DIP Facility syndication process) will be eligible to subscribe for their *pro rata* share of the commitments to fund DIP Loans based on their respective *pro rata* holdings of their First Lien Claims by committing to purchase such DIP Loans from Jefferies Capital Services, LLC. The subscription period for these commitments pursuant to the Syndication Procedures shall be twenty (20) days from the Borrower Petition Date.

To the extent that a holder of First Lien Claims (i) does not execute the Restructuring Support Agreement (in which case, such holder shall have no right to subscribe for any portion of the DIP Facility) or (ii) executes the Restructuring Support Agreement

but does not subscribe for its *pro rata* portion of the DIP Facility in accordance with the Syndication Procedures, then (in either case) each Backstop Party shall, severally and not jointly, increase its *pro rata* share of the DIP Facility for any portion of the DIP Facility that is not subscribed for by the holder of such First Lien Claims.

The DIP Loans will initially be funded by Jefferies Capital Services, LLC, as fronting lender (the “**Fronting Lender**”) and subsequently assigned to the initial DIP Lenders pursuant to the terms of a letter agreement between the Borrower and the Fronting Letter (the “**Fronting Letter**”).

DIP Agent: Wilmington Trust, N.A. shall act as administrative agent and collateral agent with respect to the DIP Facility (in such capacity, the “**DIP Agent**”).

DIP Facility: A senior secured superpriority priming debtor in possession facility in an aggregate principal amount of \$100,000,000 (the “**DIP Facility**”) comprised of two or more draws of new money term loans (collectively, the “**DIP Loans**”) which (i) \$62,500,000 of DIP Loans shall be made available to the Borrower in a single draw following entry of an order approving the DIP Facility on an interim basis on terms acceptable to the Required DIP Lenders (as defined herein) (the “**Interim DIP Order**”) and (ii) \$37,500,000 of DIP Loans shall be made available to the Borrower following entry of an order approving the DIP Facility on a final basis on terms acceptable to the Required DIP Lenders (the “**Final DIP Order**” and together the Interim DIP Order, the “**DIP Orders**”), in each case in accordance with the terms of this DIP Term Sheet and the DIP Facility Documents.

All DIP Loans shall become due and payable on, and all unfunded DIP Commitments shall be terminated upon, the occurrence of a DIP Termination Event (as defined herein). Once repaid, DIP Loans shall not be reborrowed.

DIP Termination Event: The “**DIP Termination Event**” with respect to the DIP Facility shall be the earliest to occur of:

(a) the date that is six (6) months after the Closing Date, subject to a single three (3) month extension at the request of the Borrower and with the consent of the Required DIP Lenders in their sole discretion;

(b) the substantial consummation (as defined in section 1101 of the Bankruptcy Code and which for purposes hereof shall be no later than the “effective date” thereof) of a plan of reorganization filed in the Chapter 11 Cases that is confirmed pursuant to an order entered by the Bankruptcy Court;

(c) the date on which the DIP Loans are accelerated as a result of an Event of Default and all unfunded DIP Commitments (if any) have been terminated in accordance with the DIP Credit Agreement, by operation of law or otherwise;

(d) the consummation of a sale of all or substantially all of the assets of the Debtors pursuant to section 363 of the Bankruptcy Code; and

(e) dismissal of the Chapter 11 Cases or conversion of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code or appointment of a Chapter 11 trustee or examiner.

Amortization: None.

DIP Priority Account and Use of Proceeds: The proceeds of the DIP Loans shall be funded into a restricted account (such account, the “**Restricted Account**”) and released solely in accordance with the Approved Budget (as defined herein).

The proceeds of the DIP Loans shall be used, in each case, subject to the DIP Orders and in accordance with the Approved Budget:

- (i) for the payment of working capital and other general corporate needs of the Debtors in the ordinary course of business;
- (ii) for the payment of the fees, costs, and expenses of administering the Chapter 11 Cases;
- (iii) to pay obligations arising from or related to the Carve-Out (as defined in the DIP Orders);
- (iv) to pay such other prepetition obligations as approved by the Bankruptcy Court;

It is agreed and understood that the DIP Credit Agreement will permit all transactions approved by Approved Budget and any subsequent Approved Budget, including any investments in foreign subsidiaries, and will permit the issuance or extension of two “Specified Letters of Credit” and the “Intact Contract”, each to be defined therein. Notwithstanding anything herein to the contrary, the DIP Liens on the DIP Collateral shall be created and perfected by the Interim DIP Order and Final DIP Order, as applicable, and no mortgages or other perfection documentation or action (other than UCC-1 financing statements), including mortgages, control agreements, landlord waivers, foreign law perfection actions, third party consents or orders, or delivery of stock certificates or any other possessory collateral shall be required; provided that, upon the reasonable request of the DIP Lenders, the Loan Parties shall make filings or take any other actions with respect to the perfection of liens.

Interest Rates and Fees:	As set forth on <u>Annex A-1</u> attached hereto and in any applicable fee letters.
Optional Prepayments:	The Borrower shall have the right at any time and from time to time to prepay any DIP Loan in whole or in part, without premium or penalty, subject to payment of the Exit Fee and without prejudice to the Backstop Premium.
Mandatory Prepayments:	Mandatory prepayments of the DIP Loans shall be required with 100% of the net cash proceeds from (A) the sale or other disposition of DIP Collateral outside the ordinary course of business, (B) any casualty events, insurance, and condemnation proceeds in respect of any DIP Collateral, (C) any non-permitted sale or issuance of debt for borrowed money, evidenced by bonds, notes, or debentures, and (D) any extraordinary receipts; provided however, any amounts otherwise required to be prepaid pursuant to clauses (B) or (D) above that have been deposited into the Restricted Account shall not be required to be repaid. The DIP Credit Agreement shall contain customary provisions permitting the DIP Lenders to decline to accept mandatory prepayments.
Security and Priority:	<p>The DIP Obligations shall be, subject solely to (i) the Carve-Out and (ii) certain liens senior in priority by operation of law to the liens of the First Lien Lenders under the Prepetition Credit Agreement, but solely to the extent such liens were valid, properly perfected, and non-avoidable as of the Petition Date, or valid, non-avoidable, senior priority liens in existence as of the Petition Date that are perfected after the Petition Date as permitted by section 546(b) of the Bankruptcy Code (the “Permitted Liens”):</p> <ul style="list-style-type: none"> (a) pursuant to section 364(c)(1) of the Bankruptcy Code, entitled to joint and several superpriority administrative expense claim status in all of the Chapter 11 Cases (the “DIP Superpriority Claims”); and (b) pursuant to sections 364(c)(2), 364(c)(3), and 364(d)(1) of the Bankruptcy Code, secured by fully perfected senior security interests and liens on the DIP Collateral (as defined herein) (collectively, the “DIP Liens”), <p>in each case, as described in further detail in the DIP Orders.</p> <p>The DIP Liens shall be effective and perfected upon entry of the DIP Orders without the necessity of the execution, filing, or recordation of mortgages, security agreements, pledge agreements, financing statements, account control agreements, or other agreements.</p> <p>“DIP Collateral” means, subject to Documentation Principles (i) the Loan Parties’ interest in all assets and properties, whether tangible, intangible, real, personal, or mixed, whether now owned by or owing to, or hereafter acquired by, or arising in favor of, the Loan Parties (including under any trade names, styles, or derivations thereof), and whether owned or consigned by or to, or leased from or to, the Loan Parties, and regardless of where located, in each case to the extent such assets and properties constitute “Collateral” (as defined in the Prepetition Credit Agreement); and (ii) property of the Loan Parties, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date is not subject to valid, perfected, and non-avoidable liens (or perfected after the Petition Date to the extent permitted</p>

Notwithstanding anything to the contrary herein, to the extent a DIP Lien cannot attach to the DIP Collateral pursuant to applicable law, the DIP Liens granted pursuant to the DIP Orders shall attach to the Loan Parties' economic rights, including, without limitation, any and all such proceeds of such DIP Collateral and any Excluded Assets.

"Excluded Assets" means, subject to the Documentation Principles, (i) property that cannot be subject to liens pursuant to applicable law, rule, contract, or regulation (including any requirement to obtain the consent (after the use of commercially reasonable efforts to obtain such consent) of any governmental authority or third party, unless such consent has been obtained) or restrictions of contract (including, without limitation, federal concessions as well as equipment leases and financing arrangements) existing on the Closing Date or the time of entry of such contract (other than to the extent such restriction is ineffective under the Uniform Commercial Code or other applicable law), (ii) any asset to the extent the provision of a security interest with respect to such asset would result in material and adverse tax consequences to the Borrower or any of its subsidiaries, to the extent consented by the Required DIP Lenders, and (iii) any asset where the cost of obtaining a security interest therein exceeds the practical benefit to the DIP Lenders, as determined in the sole discretion of the Required DIP Lenders; provided, however, that Excluded Assets referred to in clauses (i) through (iii) shall not include any proceeds, substitutions, or replacements of any Excluded Assets. Each whole Warrant may be exercised for one New Common Interest, subject to adjustment. Each Warrant may be exercised at any time and from time to time at the option of the holder thereof.

The issuance of New Common Interests pursuant to the exercise of Warrants will be subject to payment in full by the holder of such Warrants of the applicable aggregate exercise price by wire transfer of immediately available funds to the Issuer or by “cashless” exercise based on the value of New Common Interests as of the time of exercise as set forth in the Definitive Documents with respect to the Warrants.

Redemption

The Warrants will not be subject to redemption by the Issuer or any other Person.

Transfer Restrictions

The Warrants will be transferable, subject to, among other things, restrictions under applicable law and customary restrictions to prevent the Reorganized Parent from being required to register as a public company under the Exchange Act.

Amendments

All amendments to the Warrants (other than purely administrative amendments) will require the consent of holders of not less than a majority of the applicable series of Warrants, except that any amendment that has the effect of increasing the exercise price of such Warrants or amending the Expiration Date to an earlier date will require the consent of each affected Warrant holder.

**Voting Rights;
Participation**

Holders of the Warrants will have no voting or other rights to participate as a holder of New Common Interests on account of such Warrants unless and until such Warrants are exercised for New

(ii) Prepetition First Liens and Prepetition First Lien Collateral. Pursuant to the Collateral Documents (as defined in the Prepetition First Lien Credit Agreement) (as such documents were amended, restated, supplemented, or otherwise modified from time to time, the “Prepetition First Lien Collateral Documents”), by and among each of the Subsidiary Guarantors party thereto (the “Grantors”) and the Prepetition First Lien Agent, each Grantor granted to the Prepetition First Lien Agent, for the benefit of itself and the other Prepetition First Lien Secured Parties, to secure the Prepetition First Lien Obligations, a first priority security interest in and continuing Lien (the “Prepetition First Liens”) on substantially all of such Grantor’s assets and properties (which, for the avoidance of doubt, includes Cash Collateral) and all proceeds, products, accessions, rents, and profits thereof, in each case whether then owned or existing or thereafter acquired or arising. All “Collateral” as defined in the Prepetition First Lien Credit Agreement granted or pledged by such Grantors pursuant to any Prepetition First Lien Collateral Document or any other Prepetition First Lien Loan Document shall collectively be referred to herein as the “Prepetition First Lien Collateral.” As of the Petition Date, (I) the Prepetition First Liens (a) are legal, valid, binding, enforceable, and perfected Liens, (b) were granted to, or for the benefit of, the Prepetition First Lien Secured Parties for fair consideration and reasonably equivalent value, (c) are not subject to avoidance, recharacterization, or subordination pursuant to the Bankruptcy Code or applicable non-bankruptcy law (except for the priming contemplated herein), and (d) are

subject and subordinate only to (A) the DIP Liens (as defined below), (B) the Carve-Out (as defined below), and (C) the Prepetition Prior Liens, and (II) (w) the Prepetition First Lien Obligations constitute legal, valid, and binding obligations of the applicable Debtors, enforceable in accordance with the terms of the applicable Prepetition First Lien Loan Documents (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code), (x) no setoffs, recoupments, offsets, defenses, or counterclaims to any of the Prepetition First Lien Obligations exist, (y) no portion of the Prepetition First Lien Obligations or any payments made to any or all of the Prepetition First Lien Secured Parties are subject to avoidance, disallowance, disgorgement, recharacterization, recovery, subordination, attack, offset, counterclaim, defense, or “claim” (as defined in section 101(5) of the Bankruptcy Code) of any kind pursuant to the Bankruptcy Code or applicable non-bankruptcy law, and (z) each of the Guarantees (as defined in the Prepetition First Lien Credit Agreement) shall continue in full force and effect to unconditionally guaranty the Prepetition First Lien Obligations notwithstanding any use of Cash Collateral permitted hereunder or any financing and financial accommodations extended by the DIP Secured Parties to the Debtors pursuant to the terms of this Interim Order or the DIP Loan Documents.

(iii) Amounts Owed under Prepetition First Lien Loan Documents. As of the Petition Date, the applicable Debtors owed the Prepetition First Lien Secured Parties, pursuant to the Prepetition First Lien Loan Documents, without defense, counterclaim, reduction or offset of any kind, in respect of loans made, letters of credit issued and other financial accommodations made by the Prepetition First Lien Secured Parties, (x) an aggregate principal amount of not less than \$78,750,000 with respect to the Incremental Term Loans (as defined in the Prepetition First Lien Credit Agreement) (y) an aggregate principal amount of not less than \$270,699,086 with

respect to the Revolving Facility (as defined in the Prepetition First Lien Credit Agreement), but excluding outstanding letters of credit, and (z) and an aggregate principal amount of not less than \$522,239,937 with respect to the Term Loan Facility (as defined in the Prepetition First Lien Credit Agreement), *plus* all accrued and hereafter accruing and unpaid interest thereon and any additional fees, expenses (including any reasonable attorneys', accountants', appraisers', and financial advisors' fees and expenses that are chargeable or reimbursable under the Prepetition First Lien Loan Documents), and other amounts now or hereafter due under the Prepetition First Lien Loan Documents.

(iv) Release of Claims. Subject to the reservation of rights set forth in Paragraph 6 below, each Debtor and its estate shall be deemed to have forever waived, discharged, and released each of the Prepetition First Lien Secured Parties and their respective affiliates, assigns or successors and the respective members, managers, equity holders, affiliates, agents, attorneys, financial advisors, consultants, officers, directors, employees and other representatives of the foregoing (all of the foregoing, collectively, the "Prepetition First Lien Secured Party Releasees") from any and all "claims" (as defined in section 101(5) of the Bankruptcy Code), counterclaims, causes of action (including causes of action in the nature of "lender liability"), defenses, setoff, recoupment, other offset rights and other rights of disgorgement or recovery against any and all of the Prepetition First Lien Secured Party Releasees, whether arising at law or in equity, relating to and/or otherwise in connection with the Prepetition First Lien Obligations, the Prepetition First Liens, or the debtor-creditor relationship between any of the Prepetition First Lien Secured Parties, on the one hand, and any of the Debtors, on the other hand, including (I) any recharacterization, subordination, avoidance, disallowance or other claim arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of

applicable state law, federal law, or municipal law, and (II) any right or basis to challenge or object to the amount, validity, or enforceability of the Prepetition First Lien Obligations or any payments or other transfers made on account of the Prepetition First Lien Obligations, or the validity, enforceability, priority, or non-avoidability of the Prepetition First Liens securing the Prepetition First Lien Obligations, including any right or basis to seek any disgorgement or recovery of payments of cash or any other distributions or transfers previously received by any of the Prepetition First Lien Secured Party Releasees.

E. **Debtors' Stipulations Regarding the Prepetition Second Lien Facility.**

Subject only to the rights of parties in interest that are specifically set forth in Paragraph 6 below, the Debtors, on their behalf and on behalf of their estates, admit, stipulate, acknowledge, and agree as follows:

(i) Prepetition Second Lien Facility. Pursuant to that certain Second Lien Senior Secured PIK Toggle Notes Indenture, dated as of March 7, 2025 (as amended, restated or otherwise modified from time to time, the "Prepetition Second Lien Indenture," and collectively with any other agreements and documents executed or delivered in connection therewith, including the "Loan Documents" as defined therein, each as may be amended, restated, supplemented, or otherwise modified from time to time, the "Prepetition Second Lien Loan Documents" together with the Prepetition First Lien Loan Documents, the "Prepetition Loan Documents"), among (a) ModivCare Inc., as issuer, and the other Debtors that are guarantors, (b) the Holders of Notes (as defined in the Prepetition Second Lien Indenture) issued in connection therewith (collectively, the "Prepetition Second Lien Noteholders"), and (c) Ankura Trust Company, LLC, as notes collateral agent (in such capacity, the "Prepetition Second Lien Trustee" and, together with the Prepetition Second Lien Noteholders and any other party to which Prepetition Second Lien Obligations are

owed, the “Prepetition Second Lien Secured Parties”), the Prepetition Second Lien Secured Parties agreed to extend financial accommodations to the Borrower pursuant to the Prepetition Second Lien Loan Documents. All obligations of the Debtors arising under the Prepetition Second Lien Indenture (including the “Obligations” as defined therein, whether or not arising under the Prepetition Second Lien Loan Documents) or the other Prepetition Second Lien Loan Documents shall collectively be referred to herein as the “Prepetition Second Lien Obligations.”

(ii) Prepetition Second Liens and Prepetition Second Lien Collateral.

Pursuant to the Security Documents (as defined in the Prepetition Second Lien Indenture) (as such documents were amended, restated, supplemented, or otherwise modified from time to time, the “Prepetition Second Lien Collateral Documents”), by and among each of the Grantors and the Prepetition Second Lien Trustee, each Grantor granted to the Prepetition Second Lien Trustee, for the benefit of itself and the other Prepetition Second Lien Secured Parties, to secure the Prepetition Second Lien Obligations, a second priority security interest in and continuing Lien (the “Prepetition Second Liens”) on substantially all of such Grantor’s assets and properties (which, for the avoidance of doubt, includes Cash Collateral) and all proceeds, products, accessions, rents, and profits thereof, in each case whether then owned or existing or thereafter acquired or arising. All “Collateral” as defined in the Prepetition Second Lien Indenture granted or pledged by such Grantors pursuant to any Prepetition Second Lien Collateral Document or any other Prepetition Second Lien Loan Document shall collectively be referred to herein as the “Prepetition Second Lien Collateral.” As of the Petition Date, (I) the Prepetition Second Liens (a) are legal, valid, binding, enforceable, and perfected Liens, (b) were granted to, or for the benefit of, the Prepetition Second Lien Secured Parties for fair consideration and reasonably equivalent value, (c) are not subject to avoidance, recharacterization, or subordination pursuant to the Bankruptcy Code or

applicable non-bankruptcy law (except for the priming contemplated herein), and (d) are subject and subordinate only to (A) the DIP Liens (as defined below), (B) the Prepetition First Liens, (C) the Carve-Out (as defined below), and (D) the Prepetition Prior Liens, and (II) (w) the Prepetition Second Lien Obligations constitute legal, valid, and binding obligations of the applicable Debtors, enforceable in accordance with the terms of the applicable Prepetition Second Lien Loan Documents (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code), (x) no setoffs, recoupments, offsets, defenses, or counterclaims to any of the Prepetition Second Lien Obligations exist, (y) no portion of the Prepetition Second Lien Obligations or any payments made to any or all of the Prepetition Second Lien Secured Parties are subject to avoidance, disallowance, disgorgement, recharacterization, recovery, subordination, attack, offset, counterclaim, defense, or “claim” (as defined in section 101(5) of the Bankruptcy Code) of any kind pursuant to the Bankruptcy Code or applicable non-bankruptcy law, and (z) each of the Subsidiary Guarantees (as defined in the Prepetition Second Lien Indenture) shall continue in full force and effect to unconditionally guaranty the Prepetition Second Lien Obligations notwithstanding any use of Cash Collateral permitted hereunder or any financing and financial accommodations extended by the DIP Secured Parties to the Debtors pursuant to the terms of this Interim Order or the DIP Loan Documents.

(iii) Amounts Owed under Prepetition Second Lien Loan Documents. As of the Petition Date, the applicable Debtors owed the Prepetition Second Lien Secured Parties, pursuant to the Prepetition Second Lien Loan Documents, without defense, counterclaim, reduction or offset of any kind, in respect of loans made, letters of credit issued and other financial accommodations made by the Prepetition Second Lien Secured Parties, an aggregate principal amount of not less than \$316, 233, 250 with respect to the Notes Obligations (as defined in the Prepetition Second

Lien Indenture), *plus* all accrued and hereafter accruing and unpaid interest thereon and any additional fees, expenses (including any reasonable attorneys', accountants', appraisers', and financial advisors' fees and expenses that are chargeable or reimbursable under the Prepetition Second Lien Loan Documents), and other amounts now or hereafter due under the Prepetition Second Lien Loan Documents.

(iv)Release of Claims. Subject to the reservation of rights set forth in Paragraph 6 below, each Debtor and its estate shall be deemed to have forever waived, discharged, and released each of the Prepetition Second Lien Secured Parties and their respective affiliates, assigns or successors and the respective members, managers, equity holders, affiliates, agents, attorneys, financial advisors, consultants, officers, directors, employees and other representatives of the foregoing (all of the foregoing, collectively, the "Prepetition Second Lien Secured Party Releasees") from any and all "claims" (as defined in section 101(5) of the Bankruptcy Code), counterclaims, causes of action (including causes of action in the nature of "lender liability"), defenses, setoff, recoupment, other offset rights and other rights of disgorgement or recovery against any and all of the Prepetition Second Lien Secured Party Releasees, whether arising at law or in equity, relating to and/or otherwise in connection with the Prepetition Second Lien Obligations, the Prepetition Second Liens, or the debtor-creditor relationship between any of the Prepetition Second Lien Secured Parties, on the one hand, and any of the Debtors, on the other hand, including (I) any recharacterization, subordination, avoidance, disallowance or other claim arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of applicable state law, federal law, or municipal law and (II) any right or basis to challenge or object to the amount, validity, or enforceability of the Prepetition Second Lien Obligations or any payments or other transfers made on account of the Prepetition Second Lien

Obligations, or the validity, enforceability, priority, or non-avoidability of the Prepetition Second Liens securing the Prepetition Second Lien Obligations, including any right or basis to seek any disgorgement or recovery of payments of cash or any other distributions or transfers previously received by any of the Prepetition Second Lien Secured Party Releasees.

F. Cash Collateral. All of the Debtors' cash, including any cash in deposit accounts of the Debtors, wherever located, constitutes Cash Collateral of the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties.

G. Intercreditor Agreement. The Intercreditor Agreement, dated as of March 7, 2025 (as amended, restated, supplemented, or otherwise modified in accordance with its terms, the "Intercreditor Agreement"), sets forth subordination and other provisions governing the relative priorities and rights of the Prepetition First Lien Secured Parties and their respective Prepetition First Lien Obligations and Prepetition First Liens, on the one hand, and the Prepetition Second Lien Secured Parties and their respective Prepetition Second Lien Obligations and Prepetition Second Liens, on the other hand. Pursuant to section 510 of the Bankruptcy Code, such Intercreditor Agreement and any other intercreditor agreement or subordination agreement between and/or among the Prepetition First Lien Agent, the Prepetition Second Lien Trustee, any Prepetition First Lien Lender, any Prepetition Second Lien Noteholder, any Debtor or affiliate thereof, and any other applicable intercreditor or subordination provisions contained in any credit agreement, security agreement, indenture or related document, (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights and remedies of the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties (including the relative priorities, rights and remedies of such parties with respect to the replacement liens and administrative expense claims and superpriority administrative expense claims granted, or

amounts payable, by the Debtors under this Interim Order or otherwise and the modification of the automatic stay), and (iii) shall not be amended, altered or modified by the terms of this Interim Order or the DIP Loan Documents, and for avoidance of doubt, any acts or omissions by any Prepetition Second Lien Secured Party in connection with any chapter 11 plan of reorganization or liquidation in these Chapter 11 Cases (whether confirmed under section 1129(a) or (b) of the Bankruptcy Code), and any distributions on account of, or other treatment of, any Prepetition Second Lien Obligations pursuant to any such plan, shall remain subject to the Intercreditor Agreement (including its turnover provisions) or any other applicable intercreditor or subordination provisions.

H. **Findings Regarding the DIP Facility.**

(i) **Need for Postpetition Financing.** The Debtors have an immediate need to obtain the DIP Facility and use Cash Collateral to, among other things, permit the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers, and customers, to make payroll, to make capital expenditures, to satisfy other working capital and operational needs, and to otherwise preserve the value of the Debtors' estates. The Debtors' access to sufficient working capital and liquidity through the use of Cash Collateral and borrowing under the DIP Facility is vital to a successful reorganization and/or to otherwise preserve the enterprise value of the Debtors' estates. Immediate and irreparable harm will be caused to the Debtors and their estates if immediate financing is not obtained and permission to use Cash Collateral is not granted, in each case in accordance with the terms of this Interim Order and the DIP Loan Documents.

(ii) **No Credit Available on More Favorable Terms.** The Debtors have been and continue to be unable to obtain financing on more favorable terms from sources other

than the DIP Secured Parties under the DIP Loan Documents and this Interim Order. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense or secured credit allowable only under sections 364(c)(1), 364(c)(2), or 364(c)(3) of the Bankruptcy Code. The Debtors are unable to obtain secured credit under section 364(d)(1) of the Bankruptcy Code without (a) granting to the DIP Secured Parties the rights, remedies, privileges, benefits, and protections provided herein and in the DIP Loan Documents, including the DIP Liens and the DIP Superpriority Claims (as defined below), (b) allowing the DIP Secured Parties to provide the loans, letters of credit, and other financial accommodations under the DIP Facility on the terms set forth herein and in the DIP Loan Documents, (c) granting to the Prepetition First Lien Secured Parties the rights, remedies, privileges, benefits, and protections provided herein and in the DIP Loan Documents, including the Prepetition First Lien Adequate Protection, and (d) granting to the Prepetition Second Lien Secured Parties the rights, remedies, privileges, benefits, and protections provided herein and in the DIP Loan Documents, including the Prepetition Second Lien Adequate Protection (all of the foregoing described in clauses (a), (b), (c) and (d) above, collectively, the “DIP Protections”).

I. **Interim Financing.** During the Interim Period (as defined below), the DIP Secured Parties and, as applicable, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties are willing to provide financing to the Debtors and/or consent to the use of Cash Collateral by the Debtors, subject to (i) the entry of this Interim Order, and (ii) the terms and conditions of the DIP Loan Documents.

J. **Adequate Protection for Prepetition Secured Parties.** The Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties have agreed to permit the Debtors to use the Prepetition First Lien Collateral and Prepetition Second Lien Collateral,

respectively, including the Cash Collateral, during the Interim Period, subject to the terms and conditions set forth herein, including the protections afforded a party acting in “good faith” under section 364(e) of the Bankruptcy Code. In addition, the DIP Facility contemplated hereby provides for a priming of the Prepetition First Liens and the Prepetition Second Liens pursuant to section 364(d) of the Bankruptcy Code. The Prepetition First Lien Secured Parties and Prepetition Second Lien Secured Parties are entitled to the adequate protection as set forth herein pursuant to sections 361, 362, 363, and 364 of the Bankruptcy Code. Based on the DIP Motion and on the record presented to this Court at the Interim Hearing, the terms of the proposed adequate protection arrangements, use of the Cash Collateral, and the DIP Facility contemplated hereby are fair and reasonable, reflect the Debtors’ prudent exercise of business judgment consistent with their fiduciary duties, and constitute reasonably equivalent value and fair consideration for the consent of the Prepetition First Lien Secured Parties. Prepetition First Lien Lenders holding more than 50% of the aggregate principal balance of the Loans (as defined in the Prepetition First Lien Credit Agreement) (which Prepetition First Lien Lenders constitute “Required Lenders,” as defined in the Prepetition First Lien Credit Agreement, the “Required Prepetition First Lien Lenders”) have expressly consented to the entry of this Interim Order and the relief provided herein and pursuant to the terms of the Prepetition First Lien Credit Agreement, the consents of such Prepetition First Lien Lenders are binding on all Prepetition First Lien Secured Parties. [None of the remaining Prepetition First Lien Secured Parties has filed an objection to the entry of this Interim Order or the relief provided herein], and in any event, the prepetition Liens and security interests of such parties are adequately protected pursuant to the terms of this Interim Order. Notwithstanding anything to the contrary herein, the Prepetition First Lien Secured Parties’ consent to the DIP Facility and to the priming of the Prepetition First Liens by the DIP Liens is expressly limited to

the present DIP Facility and the DIP Liens securing same and shall not be applicable to any other debtor-in-possession credit facility, even if it contains substantially the same economic terms as this DIP Facility. Pursuant to the terms of the Intercreditor Agreement, the Prepetition Second Lien Noteholders are deemed to have consented to the entry of this Interim Order and the relief provided herein.

K. **Section 552.** In light of the subordination of their Liens and superpriority administrative claims to the Carve-Out and the DIP Liens, each of the Prepetition First Lien Secured Parties is entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and, subject to the entry of the Final Order, the “equities of the case” exception shall not apply.

L. **Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The DIP Secured Parties have indicated a willingness to provide postpetition secured financing via the DIP Facility to the Debtors in accordance with the DIP Loan Documents and this Interim Order.

(ii) The terms and conditions of the DIP Facility and the DIP Backstop Commitment Letters (as defined in the Restructuring Support Agreement) as set forth in the DIP Loan Documents, and the DIP Backstop Commitment Letters and this Interim Order, and the fees, expenses and other charges paid and to be paid thereunder or in connection therewith (including, without limitation, the Backstop Premium (as defined in the DIP Backstop Commitment Letters)), are fair, reasonable, and the best available under the circumstances, and the Debtors’ agreement to the terms and conditions of the DIP Loan Documents and to the payment of such fees reflect the Debtors’ exercise of prudent business judgment consistent with their fiduciary duties. Such terms and conditions are supported by reasonably equivalent value and fair consideration.

(iii) The DIP Secured Parties, the Prepetition First Lien Secured Parties and the Debtors, with the assistance and counsel of their respective advisors, have acted in good faith and at arms' length in, as applicable, negotiating, consenting to, and/or agreeing to, the DIP Facility, the Debtors' use of the DIP Collateral and the Prepetition First Lien Collateral (including Cash Collateral), the DIP Loan Documents and the DIP Protections (including the Prepetition First Lien Adequate Protection and the Prepetition Second Lien Adequate Protection). The DIP Obligations (including all advances that are made at any time to the Debtors under the DIP Loan Documents) and the Debtors' use of the DIP Collateral, the Prepetition First Lien Collateral and the Prepetition Second Lien Collateral (including Cash Collateral) shall be deemed to have been extended and/or consented to by the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties for valid business purposes and uses and in good faith, as that term is used in section 364(e) of the Bankruptcy Code, and in express and good faith reliance upon the protections offered by section 364(e) of the Bankruptcy Code and this Interim Order, and, accordingly, the DIP Liens, the DIP Superpriority Claims, the Prepetition First Lien Adequate Protection, the Prepetition Second Lien Adequate Protection and the other DIP Protections shall be entitled to the full protection of section 364(e) of the Bankruptcy Code and this Interim Order in the event this Interim Order or any other order or any provision hereof or thereof is vacated, reversed, amended, or modified, on appeal or otherwise.

M. **Relief Essential; Best Interest.** For the reasons stated above, the Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), and the Bankruptcy Local Rules. Absent granting the relief set forth in this Interim Order, the Debtors' estates, their businesses and properties and their ability to successfully reorganize or otherwise preserve the enterprise value of the Debtors' estates will be immediately

and irreparably harmed. Consummation of the DIP Facility and authorization of the use of Cash Collateral in accordance with this Interim Order and the DIP Loan Documents is therefore in the best interests of the Debtors' estates and consistent with their fiduciary duties. Based on all of the foregoing, sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the applicable Local Rules.

NOW, THEREFORE, based on the DIP Motion and the record before this Court with respect to the DIP Motion, and with the consent of the Debtors, the Prepetition First Lien Agent and the requisite Prepetition First Lien Secured Parties (on behalf of all of the Prepetition First Lien Secured Parties), the Prepetition Second Lien Trustee (on behalf of all of the Prepetition Second Lien Secured Parties) and the DIP Agent (on behalf of all of the DIP Secured Parties) to the form and entry of this Interim Order, and good and sufficient cause appearing therefor,

IT IS ORDERED that:

1. **Motion Granted.** The DIP Motion is hereby granted on an interim basis in accordance with the terms and conditions set forth in this Interim Order and the DIP Loan Documents. Any objections to the DIP Motion with respect to the entry of this Interim Order that have not been withdrawn, waived, or settled, and all reservations of rights included therein, are hereby denied and overruled.

2. **DIP Loan Documents and DIP Protections.**

(a) **Approval of DIP Loan Documents.** The Debtors are expressly and immediately authorized to establish the DIP Facility, to execute, deliver, and perform under the DIP Loan Documents and this Interim Order, to incur the DIP Obligations (as defined below), in accordance with, and subject to, the terms of this Interim Order and the DIP Loan Documents, and to execute, deliver, and perform under all other instruments, certificates, agreements, and documents that

may be required or necessary for the performance by the applicable Debtors under the DIP Loan Documents and the creation and perfection of the DIP Liens described in, and provided for, by this Interim Order and the DIP Loan Documents. The Debtors are hereby authorized and empowered to do and perform all acts and pay the principal, interest, fees, expenses, and other amounts described in the DIP Loan Documents as such become due pursuant to the DIP Loan Documents and this Interim Order, including all closing fees, administrative fees, commitment fees, and reasonable attorneys', financial advisors', and accountants' fees, and disbursements arising under the DIP Loan Documents and this Interim Order, which amounts shall not be subject to further approval of this Court and shall be non-refundable and not subject to challenge in any respect; provided, however, that the payment of the fees and expenses of the Lender Professionals (as defined below) shall be subject to the provisions of Paragraph 20(b). Upon their execution and delivery, the DIP Loan Documents shall represent the legal, valid and binding obligations of the applicable Debtors enforceable against such Debtors in accordance with their terms. Each officer of a Debtor (including the Chief Transformation Officer) acting singly is hereby authorized to execute and deliver each of the DIP Loan Documents, such execution and delivery to be conclusive evidence of such officer's respective authority to act in the name of and on behalf of the Debtors.

(b) DIP Obligations. For purposes of this Interim Order, the term "DIP Obligations" shall mean all amounts and other obligations and liabilities owing by the respective Debtors under the DIP Credit Agreement and other DIP Loan Documents (including all "Obligations" as defined in the DIP Credit Agreement) and shall include the principal of, interest on, and fees, costs, expenses, and other charges owing in respect of, such amounts (including any reasonable attorneys', accountants', financial advisors', and other fees, costs, and expenses that are chargeable

or reimbursable under the DIP Loan Documents and/or this Interim Order), and any obligations in respect of indemnity claims, whether contingent or otherwise.

(c) Authorization to Incur DIP Obligations and Use Cash Collateral. To enable the Debtors to continue to operate their businesses and preserve and maximize the value of their estates, during the period from the entry of this Interim Order through and including the earliest to occur of (i) the entry of the Final Order, or (ii) the Termination Declaration (as defined below), in each case unless extended by written agreement of the Required DIP Lenders and Required Prepetition First Lien Lenders (the period from the entry of this Interim Order through and including such earliest date, the “Interim Period”), (I) the Borrower is hereby authorized to (a) incur DIP Obligations in an aggregate principal amount not to exceed \$62.5 million under the DIP Facility and (b) use Cash Collateral and (II) any proposed use of the proceeds of DIP Loans or use of Cash Collateral shall be consistent with the terms and conditions of this Interim Order and the DIP Loan Documents, including the Approved Budget and the Budget Covenants as defined and contained in Paragraph 2(e) below. Following the entry of the Final Order, the Borrower’s authority to incur further DIP Obligations, if any, and use further Cash Collateral will be governed by the terms of such Final Order and the DIP Loan Documents. All DIP Obligations shall be unconditionally guaranteed, on a joint and several basis, by the DIP Guarantors, as further provided in the DIP Loan Documents.

(d) DIP Account. The Debtors shall, immediately upon receipt of any proceeds of the DIP Facility, deposit such amounts into a segregated account (the “DIP Account”) of the Borrower, which amounts may only be drawn in accordance with the Approved Budget (subject to Budget Covenants), the terms and conditions of this Interim Order, and the DIP Credit Agreement, and with all funds held in the DIP Account deemed to be DIP Collateral. Once withdrawn from the

DIP Account, the funds shall continue to be DIP Collateral until such funds are first used by the Debtors, and at all times the Debtors shall, notwithstanding any potential commingling, establish commercially reasonable internal cash management procedures to allow for the continued tracing of such funds. Funds in the DIP Account will become available to be drawn by and/or shall be disbursed to the Debtors in accordance with the Approved Budget (subject to Budget Covenants), this Interim Order, and the DIP Credit Agreement.

(e) Budget. Attached hereto as Schedule 1 is a rolling 13-week cash flow budget (the “Initial Approved Budget”) that reflects on a line-item basis the Debtors’ (i) weekly projected cash receipts (including from non-ordinary course assets sales), (ii) weekly projected disbursements (including ordinary course operating expenses, bankruptcy-related expenses under the Chapter 11 Cases, capital expenditures, and estimated fees and expenses of the DIP Agent (including counsel and financial advisors therefor) and any other fees and expenses relating to the DIP Facility), (iii) the sum of weekly unrestricted cash on hand and cash in the segregated account (collectively, “Liquidity”). The Debtors shall prepare and deliver to the DIP Agent (for distribution to the DIP Lenders) an updated “rolling” 13-week budget in accordance with Schedule 5.01(f) to the DIP Credit Agreement (or, at the option of the Borrower, more frequently) (the “Updated Budget”), which shall become the then “Approved Budget” upon approval by Required DIP Lenders in their sole discretion (and to the extent any Updated Budget is not approved by the Required DIP Lenders, the Approved Budget that is then in effect shall continue to constitute the Approved Budget for purposes of the DIP Facility); provided, however, that (i) the Updated Budget will be deemed approved unless the Required DIP Lenders provide written notice of their objection thereto (email being sufficient) within three (3) Business Days of the delivery of such Updated Budget, and during such period, the Initial Approved Budget or most recent Approved Budget, as

applicable, shall remain in effect (the “Interim Approval Period”), (ii) following the Interim Approval Period, if no objection is received from the Required DIP Lenders pursuant to clause (i), the Updated Budget shall be deemed the “Approved Budget” (it being understood that the Approved Budget shall be the initial Approved Budget until superseded by an approved Updated Budget), and (iii) the Required DIP Lenders shall not have any obligation to approve any Updated Budget. The Borrower shall provide, on or prior to the Friday of each week, Approved Budget variance reports on a line-item basis and Liquidity reports, in each case, for the cumulative Reporting Period pursuant to Schedule 5.01(f) to the DIP Credit Agreement and a computation of Liquidity as of the preceding calendar week-end. Notwithstanding anything to the contrary in this Interim Order, the professional fees, costs and expenses of the DIP Agent’s advisors and the Prepetition First Lien Agent’s advisors, respectively, shall be due, payable and paid in accordance with the terms of this Interim Order notwithstanding any budgeted amounts for such fees, costs and expenses set forth in the Approved Budget, and the Debtors shall not be deemed to have breached the terms of the Approved Budget or the Budget Covenants (as defined in 2(f)) to the extent the actual amount of such fees, costs and expenses exceed the applicable budgeted amounts as set forth in the Approved Budget. For the avoidance of doubt, the foregoing shall not limit the timely payment of Allowed Professional Fees that benefit from the Carve-Out as set forth in Paragraph 7.

(f) Budget Covenants. The Debtors shall only incur DIP Obligations and expend Cash Collateral and other DIP Collateral proceeds in accordance with the Approved Budget (and in the case of the costs and expenses of the Required DIP Lenders and the Required Prepetition First Lien Lenders, in accordance with the DIP Loan Documents and this Interim Order without being limited by the Approved Budget), subject to the following Permitted Variances (as defined

below). As of the last date of each Test Period, (1) the unfavorable variance (as compared to the Approved Budget) of the cumulative operating cash receipts of the Debtors shall not exceed 15% and (2) the unfavorable variance (as compared to the Approved Budget) of the cumulative operating disbursements (other than professional fees and expenses incurred by the Debtors, the DIP Agent, and the advisors to the Backstop Parties) shall not exceed 15%, in each case, (collectively, the “Permitted Variances”). “Test Period” shall mean (i) initially, the period commencing on the Monday immediately prior to the Petition Date and ending on September 28, 2025, and (ii) thereafter, the four- or five-week period ending on the last Sunday of the month. For the avoidance of doubt, see Schedule 5.01(f) to the DIP Credit Agreement for Variance and Liquidity reporting. The foregoing budget-related covenants are collectively referred to herein as the “Budget Covenants.” For the avoidance of doubt, the foregoing shall not limit the timely payment of Allowed Professional Fees that benefit from the Carve-Out as set forth in Paragraph 7.

(g) Interest, Fees, Costs, Indemnities and Expenses. The DIP Obligations shall bear interest at the rates, and be due and payable (and paid), as set forth in, and in accordance with the terms and conditions of, this Interim Order and the DIP Loan Documents, in each case without further notice, motion, or application to, order of, or hearing before, this Court. The Debtors shall pay on demand all fees, costs, indemnities, expenses (including, subject to Paragraph 20(b), reasonable out-of-pocket legal and other professional fees and expenses of the DIP Agent) and other charges payable under the terms of the DIP Loan Documents. All such fees, costs, indemnities, expenses and disbursements, whether incurred, paid or required to be paid prepetition or post-petition and whether or not budgeted in the Approved Budget, are hereby affirmed, ratified, authorized and payable (and any funds held by the DIP Agent and/or its

professionals as of the Petition Date for payment of such fees, costs, indemnities, expenses and disbursements may be applied for payment) as contemplated in this Interim Order and the DIP Loan Documents, and, subject to the provisions of Paragraph 20(b) with respect to the fees and expenses of the Lender Professionals, shall be non-refundable and not subject to challenge in any respect.

(h) Use of DIP Facility and Proceeds of DIP Collateral. The Borrower shall use the proceeds of all DIP Collateral solely in accordance with this Interim Order and the DIP Loan Documents; provided, that the foregoing shall not limit the timely payment of Allowed Professional Fees that benefit from the Carve-Out as set forth in Paragraph 7. Without limiting the foregoing, the Debtors shall not be permitted to make any payments from the DIP Collateral, the proceeds of DIP Loans or otherwise on account of any prepetition debt or obligation prior to the effective date of a confirmed chapter 11 plan or plans with respect to any of the Debtors, except (a) with respect to the Prepetition First Lien Obligations as set forth in this Interim Order and a Final Order; (b) as provided in the First Day Orders, which First Day Orders shall be in form and substance reasonably acceptable to the Required DIP Lenders and the Required Prepetition First Lien Lenders; (c) as expressly provided in other orders of this Court in form and substance reasonably acceptable to the Required DIP Lenders and the Required Prepetition First Lien Lenders; or (d) as otherwise expressly provided in the DIP Credit Agreement.

(i) Conditions Precedent. The DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties each have no obligation to extend credit under the DIP Facility or permit use of any DIP Collateral, Prepetition First Lien Collateral or Prepetition Second Lien Collateral or any proceeds thereof, including Cash Collateral, as applicable, during the Interim Period unless and until all conditions precedent to the extension of

credit and/or use of DIP Collateral, Prepetition First Lien Collateral, Prepetition Second Lien Collateral or proceeds thereof under the DIP Loan Documents and this Interim Order have been satisfied in full or waived by the Required DIP Lenders and the Required Prepetition First Lien Lenders in accordance with the DIP Loan Documents or Prepetition First Lien Credit Agreement or Intercreditor Agreement, as applicable, and this Interim Order.

(j) DIP Liens. As security for the DIP Obligations, effective as of the Petition Date, the following security interests and Liens, which shall immediately and without any further action by any Person be valid, binding, permanent, perfected, continuing, enforceable, and non-avoidable upon the entry of this Interim Order, are hereby granted by the Debtors to the DIP Agent, for itself and the other DIP Secured Parties (all such security interests and Liens granted to the DIP Agent for the benefit of all the DIP Secured Parties pursuant to this Interim Order and the DIP Loan Documents, the “DIP Liens”), on all property of the Debtors, now existing or hereinafter acquired, including all cash and cash equivalents (whether maintained with the DIP Agent or otherwise), and any investment in such cash or cash equivalents, money, inventory, goods, accounts receivable, other rights to payment, intercompany loans and other investments, securities and other investment property, contracts, contract rights, properties, plants, equipment, machinery, general intangibles, payment intangibles, accounts, deposit accounts, documents, instruments, chattel paper, documents of title, letters of credit, letter of credit rights, supporting obligations, leases and other interests in leaseholds, real property, fixtures, patents, copyrights, trademarks, trade names, other intellectual property, intellectual property licenses, permits, franchise rights, capital stock and other equity interests of subsidiaries and in other entities, tax and other refunds, insurance proceeds, commercial tort claims, the proceeds of Avoidance Actions (subject to entry of the Final Order), and other causes of action, and proceeds relating thereto, proceeds arising under section

549 of the Bankruptcy Code (whether received by judgment, settlement or otherwise), all other Collateral (as defined in the DIP Loan Documents), and all other “property of the estate” (as defined in section 541 of the Bankruptcy Code) of any kind or nature, real or personal, tangible, intangible, or mixed, now existing or hereafter acquired or created, and all rents, products, substitutions, accessions, profits, replacements, and cash and non-cash proceeds of all of the foregoing, in each case wherever located; provided, however, that the DIP Liens on the proceeds of Avoidance Actions shall be subject to the entry of the Final Order and the DIP Liens shall not include any “Excluded Assets” (as defined in the DIP Loan Documents) (all of the foregoing collateral collectively referred to as the “DIP Collateral”):

- (I) pursuant to section 364(c)(2) of the Bankruptcy Code, a perfected, binding, continuing, enforceable, and non-avoidable first priority Lien (junior only to the Carve-Out) on all unencumbered DIP Collateral, including, subject to the entry of the Final Order, proceeds of the Debtors’ claims and causes of action under sections 502(d), 544, 545, 547, 548, 550 and 553 of the Bankruptcy Code and any other avoidance or similar action under the Bankruptcy Code or similar state or municipal law and the proceeds of each of the foregoing (collectively, the “Avoidance Actions”, which for avoidance of doubt, excludes proceeds arising from the Debtors’ claims and causes of action under section 549 of the Bankruptcy Code or similar state or municipal law), whether received by judgment, settlement, or otherwise;
- (II) pursuant to section 364(c)(3) of the Bankruptcy Code, a perfected, binding, continuing, enforceable, and non-avoidable Lien upon all DIP Collateral that is subject to the Prepetition Prior Liens, which DIP Lien shall be junior only to such Prepetition Prior Liens and the Carve-Out; and
- (III) pursuant to section 364(d)(1) of the Bankruptcy Code, a perfected, binding, continuing, enforceable and non-avoidable first priority, senior priming Lien on all other DIP Collateral (including Cash Collateral), which DIP Lien (x) shall be senior to the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens and senior and priming to (A) the Prepetition First Liens, (B) the Prepetition Second Liens and (C) any other Liens that are junior to the Prepetition First Liens or the First Lien Adequate Protection Liens, after giving effect to any intercreditor or subordination agreements (the Liens referenced in clauses (A) and (B), collectively, the “Primed Liens”) and shall be junior only to the Prepetition Prior Liens and the Carve-Out.

(k) DIP Lien Priority. Notwithstanding anything to the contrary contained in this Interim Order or the DIP Loan Documents, for the avoidance of doubt, the DIP Liens granted to the DIP Agent for the benefit of the DIP Secured Parties shall in each and every case be first priority senior Liens that (i) are subject only to the Prepetition Prior Liens and the Carve-Out, and (ii) except as provided in the immediately preceding sub-clause (i), are senior to all prepetition and postpetition Liens or other interests of any kind of any other person or entity (including the Primed Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens), whether created voluntarily or involuntarily (including by order of a court).

(l) Enforceable Obligations. The DIP Loan Documents shall constitute and evidence the valid and binding DIP Obligations of the Debtors, which DIP Obligations shall be enforceable against the Debtors, their estates and any successors thereto (including any trustee or other estate representative in any Successor Case (as defined below)), and their creditors and other parties-in-interest, in accordance with their terms. No obligation, payment, transfer, or grant of security under the DIP Credit Agreement, the other DIP Loan Documents, or this Interim Order shall be stayed, restrained, voidable, avoidable, disallowable or recoverable under the Bankruptcy Code or under any applicable law (including under sections 502(d), 544, 547, 548, or 549 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any avoidance, reduction, setoff, surcharge, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

(m) Superpriority Administrative Claim Status. In addition to the DIP Liens granted herein, effective immediately upon entry of this Interim Order, all of the DIP Obligations shall

constitute allowed superpriority administrative claims pursuant to section 364(c)(1) of the Bankruptcy Code, which shall have priority, subject only to the payment of the Carve-Out in full in cash in accordance with this Interim Order, over all administrative expense claims, adequate protection and other diminution claims (including the First Lien Adequate Protection Superpriority Claims and the Second Lien Adequate Protection Superpriority Claims (each as defined below)), priority and other unsecured claims, and all other claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including administrative expenses or other claims of the kinds specified in, or ordered pursuant to, sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546, 726, 1113, and 1114 or any other provision of the Bankruptcy Code or otherwise, whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy, or attachment (the “DIP Superpriority Claims”). The DIP Superpriority Claims shall, for purposes of section 1129(a)(9)(A) of the Bankruptcy Code, be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, shall be against each Debtor on a joint and several basis, and shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof, including, subject to the entry of the Final Order, the proceeds of Avoidance Actions. Other than as expressly provided in the DIP Credit Agreement and/or this Interim Order with respect to the Carve-Out, no costs or expenses of administration, including professional fees allowed and payable under sections 328, 330, or 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in these proceedings, or in any Successor Cases, and no priority claims are, or will be, senior to, prior to, or on a parity with the DIP Superpriority Claims or the DIP Obligations, or with any other claims of the DIP Secured Parties arising under the DIP Loan Documents and/or this Interim Order.

(n) Priority of DIP Liens and DIP Superpriority Claims. Without affecting, modifying or limiting the scope or priority of the Carve-Out, the DIP Liens and the DIP Superpriority Claims: (A) shall not be subject to sections 506, 510, 549, 550, or 551 of the Bankruptcy Code, (B) shall not be subordinate to, or *pari passu* with, (x) any Lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or otherwise or (y) any Liens or claims of any Debtor or any direct or indirect subsidiary thereof against any Debtor or any of such Debtor's property, (C) shall be valid and enforceable against any trustee or any other estate representative elected or appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (each, a "Successor Case"), and/or upon the dismissal of any of the Chapter 11 Cases, and (D) notwithstanding anything to the contrary in any "first day" orders of this Court in any of the Chapter 11 Cases, shall be senior to any administrative claims arising under any such "first day" orders.

3. **Adequate Protection for Prepetition First Lien Secured Parties.** In consideration for the use of the Prepetition First Lien Collateral (including Cash Collateral) and the priming of the Prepetition First Liens, the Prepetition First Lien Agent, for the benefit of the Prepetition First Lien Secured Parties, shall receive the following adequate protection (collectively referred to as the "Prepetition First Lien Adequate Protection"):

(i) **First Lien Adequate Protection Liens.** To the extent there is a diminution in value of the interests of the Prepetition First Lien Secured Parties in the Prepetition First Lien Collateral (including Cash Collateral) from and after the Petition Date, whether or not resulting from the use, sale, or lease by the Debtors of the applicable Prepetition First Lien Collateral (including Cash Collateral), the granting of the DIP Superpriority Claims, the granting

of the DIP Liens, the subordination of the Prepetition First Liens thereto and to the Carve-Out, the imposition or enforcement of the automatic stay of section 362(a) of the Bankruptcy Code (“Diminution in Prepetition First Lien Collateral Value”), the Prepetition First Lien Agent, for the benefit of all the Prepetition First Lien Secured Parties, is hereby granted, subject to the terms and conditions set forth below, pursuant to sections 361 and 363(e) of the Bankruptcy Code, replacement Liens upon all of the DIP Collateral, including, subject to the entry of the Final Order, the proceeds of Avoidance Actions (such adequate protection replacement Liens, the “First Lien Adequate Protection Liens”), which First Lien Adequate Protection Liens on such DIP Collateral shall be subject and subordinate only to the DIP Liens, the Prepetition Prior Liens, and the Carve-Out.

(ii) First Lien Adequate Protection Superpriority Claims. To the extent of Diminution in Prepetition First Lien Collateral Value, the Prepetition First Lien Secured Parties are hereby further granted allowed superpriority administrative claims (such adequate protection superpriority claims, the “First Lien Adequate Protection Superpriority Claims”), pursuant to section 507(b) of the Bankruptcy Code, with priority over all administrative expense claims and priority and other unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including administrative expenses of the kind specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c) (subject to the entry of the Final Order to the extent provided in Paragraph 8), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provision of the Bankruptcy Code or otherwise, junior only to the DIP Superpriority Claims and the Carve-Out, and payable from and having recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof (including, subject to entry of the Final Order, all proceeds of Avoidance Actions; provided, however, that the

Prepetition First Lien Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the First Lien Adequate Protection Superpriority Claims unless and until all DIP Obligations have been Paid in Full (as defined below). Subject to the relative priorities set forth above, the First Lien Adequate Protection Superpriority Claims against each Debtor shall be allowed and enforceable against each Debtor and its estate on a joint and several basis. For purposes of this Interim Order, the terms “Paid in Full,” “Repaid in Full,” “Repay in Full,” and “Payment in Full” shall mean, with respect to any referenced DIP Obligations, Prepetition First Lien Obligations and/or Prepetition Second Lien Obligations, (i) the indefeasible payment in full in cash of such obligations, (ii) the termination or cash collateralization, in accordance with the DIP Loan Documents, Prepetition First Lien Loan Documents or Prepetition Second Lien Loan Documents, as applicable, of all undrawn letters of credit outstanding thereunder, and (iii) the termination of all credit commitments under the DIP Loan Documents, Prepetition First Lien Loan Documents and/or Prepetition Second Lien Loan Documents, as applicable; provided, however, that the First Lien Adequate Protection Superpriority Claims granted to the Prepetition First Lien Secured Parties may be impaired pursuant to any chapter 11 plan of reorganization in the Chapter 11 Cases with the vote of the applicable class of the holders of such claims that satisfies the requirements of section 1126 of the Bankruptcy Code, in which case, Paid in Full (or any of the other variants of this phrase referenced above) would occur upon consummation of such plan.

(iii) Priority of First Lien Adequate Protection Liens and First Lien Adequate Protection Superpriority Claims. Without affecting, modifying or limiting the scope or priority of the Carve-Out, the First Lien Adequate Protection Liens and the First Lien Adequate Protection Superpriority Claim (as defined below) (A) shall not be subject to sections 510, 549, 550, or 551 of the Bankruptcy Code or, subject to entry of the Final Order, section 506(c) of the

Bankruptcy Code or the “equities of the case” exception of section 552 of the Bankruptcy Code, (B) shall not be subordinate to, or *pari passu* with, (x) any Lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or otherwise or (y) any Liens or claims of any Debtor or any direct or indirect subsidiary thereof against any Debtor or any of such Debtor’s property, (C) shall be valid, binding, perfected and enforceable against any trustee or any other estate representative elected or appointed in the Chapter 11 Cases or any Successor Cases, and/or upon the dismissal of any of the Chapter 11 Cases, and (D) notwithstanding anything to the contrary in any “first day” orders of this Court in any of the Chapter 11 Cases, shall be senior to any administrative claims arising under any such “first day” orders.

(iv) Professional Fees and Interest. Without limiting any rights of the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties under section 506(b) of the Bankruptcy Code, which rights are hereby preserved, and in consideration, and as a requirement, for obtaining the consent of the Prepetition First Lien Secured Parties to the entry of this Interim Order and the Debtors’ consensual use of Cash Collateral as provided herein, the Debtors shall (i) pay or reimburse in cash the Prepetition First Lien Agent for any and all fees, costs, expenses, and charges (including, subject to Paragraph 20(b) below, the reasonable fees, costs, and expenses of counsel and financial advisors for the Prepetition First Lien Agent) to the extent, and at the times, payable under the Prepetition First Lien Loan Documents, including any unpaid fees, costs and expenses accrued prior to the Petition Date and (ii) pay to the applicable Prepetition First Lien Secured Parties interest on the Prepetition First Lien Obligations under the Prepetition First Lien Credit Agreement accruing at a rate of 2.00% above the applicable rate set forth in Section 2.13(c) of the Prepetition First Lien Credit Agreement, to be capitalized to the

outstanding principal of the Loans on the last Business Day of each calendar month after the Petition Date whether or not budgeted in the Approved Budget, and without further notice (except as provided in Paragraph 20(b) below with respect to postpetition professional fees, costs, and expenses), motion, or application to, order of, or hearing before, this Court.

(v) The Debtors shall deliver to the Prepetition First Lien Secured Parties all information, reports, documents and other material that the Debtors provide to the DIP Secured Parties pursuant to the DIP Loan Documents.

(vi) Unless otherwise expressly set forth herein, any consent or approval rights or similar rights granted or referenced in this Interim Order in favor of any or all of the DIP Agent, the other DIP Secured Parties, the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties may be exercised (or not exercised) in the sole discretion of such party.

(vii) Consent to Priming and Adequate Protection. The Prepetition First Lien Agent, on behalf of the Prepetition First Lien Secured Parties, consents to the Prepetition First Lien Adequate Protection and the priming provided for herein; provided, however, that such consent of the Prepetition First Lien Agent to the priming of the Prepetition First Liens and the use of Cash Collateral is expressly conditioned upon the entry of this Interim Order, and such consent shall not be deemed to extend to any other Cash Collateral usage or other replacement financing or debtor-in-possession financing other than the DIP Facility provided under the DIP Loan Documents; and provided, further, that such consent shall be of no force and effect in the event this Interim Order is not entered or is entered and subsequently reversed, modified, stayed, or amended (unless such reversal, modification, stay, or amendment is acceptable to the Prepetition First Lien Agent) or the DIP Loan Documents and DIP Facility as set forth herein are not approved.

(viii) Right to Seek Additional Adequate Protection. Under the

circumstances and given that the above-described adequate protection is consistent with the Bankruptcy Code, including section 506(b) thereof, this Court finds that the adequate protection provided herein is reasonable to protect the interests of the Prepetition First Lien Secured Parties. However, the Prepetition First Lien Agent, on behalf of the Prepetition First Lien Secured Parties, may request Court approval for additional or alternative adequate protection, without prejudice to any objection of the Debtors or any other party in interest to the grant of any additional or alternative adequate protection (except as provided in the Intercreditor Agreement); provided that any such additional or alternative adequate protection shall at all times be subordinate and junior to (i) the Carve-Out and (ii) the claims and Liens of the DIP Secured Parties granted under this Interim Order and the DIP Loan Documents. The consent of the Prepetition First Lien Secured Parties to the priming of the Prepetition First Liens by the DIP Liens and the Debtors' use of Cash Collateral on the terms set forth herein does not constitute, and shall not be construed as constituting, an acknowledgment or stipulation by the Prepetition First Lien Secured Parties that their respective interests in the Prepetition First Lien Collateral are adequately protected pursuant to this Interim Order or otherwise.

4. **Adequate Protection for Prepetition Second Lien Secured Parties.** In consideration for the use of the Prepetition Second Lien Collateral (including Cash Collateral) and the priming of the Prepetition Second Liens, the Prepetition Second Lien Trustee, for the benefit of the Prepetition Second Lien Secured Parties, shall receive the following adequate protection (collectively referred to as the "Prepetition Second Lien Adequate Protection"):

(i) **Second Lien Adequate Protection Liens.** To the extent there is a diminution in value of the interests of the Prepetition Second Lien Secured Parties in the Prepetition Second Lien Collateral (including Cash Collateral) from and after the Petition Date,

whether or not resulting from the use, sale, or lease by the Debtors of the applicable Prepetition Second Lien Collateral (including Cash Collateral), the granting of the DIP Superpriority Claims, the granting of the DIP Liens, the subordination of the Prepetition Second Liens thereto and to the Carve-Out, the imposition or enforcement of the automatic stay of section 362(a) of the Bankruptcy Code (“Diminution in Prepetition Second Lien Collateral Value”), the Prepetition Second Lien Trustee, for the benefit of all the Prepetition Second Lien Secured Parties, is hereby granted, subject to the terms and conditions set forth below, pursuant to sections 361 and 363(e) of the Bankruptcy Code, replacement Liens upon all of the DIP Collateral, including, subject to the entry of the Final Order, the proceeds of Avoidance Actions (such adequate protection replacement Liens, the “Second Lien Adequate Protection Liens”), which Second Lien Adequate Protection Liens on such DIP Collateral shall be subject and subordinate only to the DIP Liens, the Prepetition Prior Liens, the Prepetition First Liens, the First Lien Adequate Protection Liens and the Carve-Out.

(ii) Second Lien Adequate Protection Superpriority Claims. To the extent of Diminution in Prepetition Second Lien Collateral Value, the Prepetition Second Lien Secured Parties are hereby further granted allowed superpriority administrative claims (such adequate protection superpriority claims, the “Second Lien Adequate Protection Superpriority Claims”), pursuant to section 507(b) of the Bankruptcy Code, with priority over all administrative expense claims and priority and other unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including administrative expenses of the kind specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c) (subject to the entry of the Final Order to the extent provided in Paragraph 8), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provision of the Bankruptcy Code or otherwise, junior

only to the DIP Superpriority Claims, the First Lien Adequate Protection Superpriority Claims and the Carve-Out, and payable from and having recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof (including, subject to entry of the Final Order, all the proceeds of Avoidance Actions); provided, however, that the Prepetition Second Lien Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the Second Lien Adequate Protection Superpriority Claims unless and until all DIP Obligations and Prepetition First Lien Obligations have been Paid in Full; provided, further, that the Second Lien Adequate Protection Superpriority Claims granted to the Prepetition Second Lien Secured Parties may be impaired pursuant to any chapter 11 plan of reorganization in the Chapter 11 Cases with the vote of the applicable class of the holders of such claims that satisfies the requirements of section 1126 of the Bankruptcy Code, in which case, Paid in Full (or any of the other variants of this phrase referenced above) would occur upon consummation of such plan. Subject to the relative priorities set forth above, the Second Lien Adequate Protection Superpriority Claims against each Debtor shall be allowed and enforceable against each Debtor and its estate on a joint and several basis.

(iii) Priority of Second Lien Adequate Protection Liens and Second Lien Adequate Protection Superpriority Claims. Without affecting, modifying or limiting the scope or priority of the Carve-Out, the Second Lien Adequate Protection Liens and the Second Lien Adequate Protection Superpriority Claim (as defined below) (A) shall not be subject to sections 510, 549, 550, or 551 of the Bankruptcy Code or, subject to entry of the Final Order, section 506(c) of the Bankruptcy Code or the “equities of the case” exception of section 552 of the Bankruptcy Code, (B) shall not be subordinate to, or *pari passu* with, (x) any Lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or

otherwise or (y) any Liens or claims of any Debtor or any direct or indirect subsidiary thereof against any Debtor or any of such Debtor's property, (C) shall be valid, binding, perfected and enforceable against any trustee or any other estate representative elected or appointed in the Chapter 11 Cases or any Successor Cases, and/or upon the dismissal of any of the Chapter 11 Cases, and (D) notwithstanding anything to the contrary in any "first day" orders of this Court in any of the Chapter 11 Cases, shall be senior to any administrative claims arising under any such "first day" orders.

(iv) Second Lien Reporting. The Debtors shall deliver to the Prepetition Second Lien Secured Parties all information, reports, documents and other material that the Debtors provide to the DIP Secured Parties pursuant to the DIP Loan Documents.

(v) Consent to Priming and Adequate Protection. The Prepetition Second Lien Trustee, on behalf of the Prepetition Second Lien Secured Parties, consents to the Prepetition Second Lien Adequate Protection and the priming provided for herein; provided, however, that such consent of the Prepetition Second Lien Trustee to the priming of the Prepetition Second Liens and the use of Cash Collateral is expressly conditioned upon the entry of this Interim Order, and such consent shall not be deemed to extend to any other Cash Collateral usage or other replacement financing or debtor-in-possession financing other than the DIP Facility provided under the DIP Loan Documents; and provided, further, that such consent shall be of no force and effect in the event this Interim Order is not entered or is entered and subsequently reversed, modified, stayed, or amended (unless such reversal, modification, stay, or amendment is acceptable to the Prepetition Second Lien Trustee) or the DIP Loan Documents and DIP Facility as set forth herein are not approved.

5. **Automatic Postpetition Lien Perfection.** This Interim Order shall be sufficient and conclusive evidence of the validity, enforceability, perfection, and priority of the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens without the necessity of (a) filing or recording any financing statement, deed of trust, mortgage, or other instrument or document that may otherwise be required under the law of any jurisdiction, (b) obtaining “control” (as defined in any applicable Uniform Commercial Code or other law) over any DIP Collateral (and the DIP Agent and, after Payment in Full of the DIP Facility, the Prepetition First Lien Agent and, after Payment in Full of the Prepetition First Lien Credit Agreement, the Prepetition Second Lien Trustee shall be deemed, without any further action, to have control over all the Debtors’ deposit accounts, securities accounts and commodities accounts within the meaning of such Uniform Commercial Code and other law) or (c) taking any other action to validate or perfect the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens or to entitle the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens to the priorities granted herein. Notwithstanding the foregoing, each of the DIP Agent, the Prepetition First Lien Agent (in the latter case, solely with respect to the First Lien Adequate Protection Liens) and the Prepetition Second Lien Trustee (in the latter case, solely with respect to the Second Lien Adequate Protection Liens) may, each in their sole discretion, enter into and file, as applicable, financing statements, mortgages, security agreements, notices of Liens, and other similar documents, and is hereby granted relief from the automatic stay of section 362 of the Bankruptcy Code in order to do so, and all such financing statements, mortgages, security agreements, notices, and other agreements or documents shall be deemed to have been entered into, filed or recorded as of the Petition Date. The applicable Debtors shall execute and deliver to the DIP Agent, the Prepetition First Lien Agent

and/or the Prepetition Second Lien Trustee, as applicable, all such financing statements, mortgages, notices, and other documents as such parties may reasonably request to evidence and confirm the contemplated validity, perfection and priority of the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens, as applicable, granted pursuant hereto. Without limiting the foregoing, each of the DIP Agent, the Prepetition First Lien Agent and the Prepetition Second Lien Trustee may, in its discretion, file a photocopy of this Interim Order as a financing statement with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any Debtor has real or personal property, and in such event, the subject filing or recording officer shall be authorized to file or record such copy of this Interim Order. Subject to the entry of the Final Order, any provision of any lease, loan document, easement, use agreement, proffer, covenant, license, contract, organizational document, or other instrument or agreement that requires the payment of any fees or other monetary obligations to any governmental entity or non-governmental entity in order for the Debtors to pledge, grant, mortgage, sell, assign, or otherwise transfer any fee or leasehold interest or the proceeds thereof or other DIP Collateral is and shall be deemed to be inconsistent with the provisions of the Bankruptcy Code, and shall have no force or effect with respect to the Liens on such leasehold interests or other applicable DIP Collateral or the proceeds of any assignment and/or sale thereof by any Debtor, in favor of the DIP Secured Parties in accordance with the terms of the DIP Loan Documents and this Interim Order or in favor of the Prepetition First Lien Secured Parties or the Prepetition Second Lien Secured Parties in accordance with this Interim Order. To the extent that the Prepetition First Lien Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, financing statement, or account control agreements, listed as loss payee or additional insured under any of

the Debtors' insurance policies, or is the secured party under any of the Prepetition First Lien Loan Documents, the DIP Agent shall also be deemed to be the secured party under such account control agreements, loss payee or additional insured under the Debtors' insurance policies, and the secured party under each such Prepetition First Lien Loan Document, shall have all rights and powers attendant to that position (including rights of enforcement), and shall act in that capacity and distribute any proceeds recovered or received first, for the benefit of the DIP Secured Parties in accordance with the DIP Loan Documents and second, subsequent to Payment in Full of all DIP Obligations, for the benefit of the Prepetition First Lien Secured Parties and third, subsequent to the Payment in Full of all Prepetition First Lien Obligations, for the benefit of the Prepetition Second Lien Secured Parties. The Prepetition First Lien Agent shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's Liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Interim Order, is of a type such that perfection of a Lien therein may be accomplished only by possession or control by a secured party.

6. **Reservation of Certain Third Party Rights and Bar of Challenges and Claims.**

The Debtors' Stipulations shall be binding upon the Debtors in all circumstances upon entry of this Interim Order. The Debtors' Stipulations shall be binding upon the estates and each other party in interest, including the Committee, except to the extent and only to the extent such Committee or any other party in interest with standing (including any chapter 11 trustee) other than the Debtors (or if the Chapter 11 Cases are converted to cases under chapter 7 prior to the expiration of the Challenge Period (as defined below), the chapter 7 trustee in such Successor Case), upon the earlier of (x) with respect to any Committee, sixty (60) calendar days after the formation of any Committee, and (y) with respect to other parties in interest with requisite standing other than the Debtors or any Committee, sixty (60) calendar days following the date of entry of

this Interim Order (such time period established by the earlier of clauses (x) and (y), as the same may be extended in accordance with this Paragraph 6, shall be referred to as the “Challenge Period,” and the date that is the next Business Day after the termination of the Challenge Period in the event that either (i) no Challenge (as defined below) is properly raised during the Challenge Period or (ii) with respect only to those parties who properly file a Challenge, such Challenge is fully and finally adjudicated, shall be referred to as the “Challenge Period Termination Date”), has (I) commenced (A) a contested matter or adversary proceeding challenging or otherwise objecting to the admissions, stipulations, findings, or releases included in the Debtors’ Stipulations, (B) a contested matter or adversary proceeding against any or all of the Prepetition First Lien Secured Parties in connection with or related to the Prepetition First Lien Obligations, or the actions or inactions of any of the Prepetition First Lien Secured Parties arising out of or related to the Prepetition First Lien Obligations or the Prepetition First Lien Loan Documents, including any claim against any or all of the Prepetition First Lien Secured Parties in the nature of a “lender liability” cause of action, setoff, counterclaim, or defense to the Prepetition First Lien Obligations (including those under sections 506, 544, 547, 548, 549, 550, and/or 552 of the Bankruptcy Code or by way of suit against any of the Prepetition First Lien Secured Parties), or (C) a contested matter or adversary proceeding against any or all of the Prepetition Second Lien Secured Parties in connection with or related to the Prepetition Second Lien Obligations, or the actions or inactions of any of the Prepetition Second Lien Secured Parties arising out of or related to the Prepetition Second Lien Obligations or the Prepetition Second Lien Loan Documents, including any claim against any or all of the Prepetition Second Lien Secured Parties in the nature of a “lender liability” cause of action, setoff, counterclaim, or defense to the Prepetition Second Lien Obligations (including those under sections 506, 544, 547, 548, 549, 550, and/or 552 of the Bankruptcy Code

or by way of suit against any of the Prepetition Second Lien Secured Parties) (clauses (i) and (ii) collectively, the “Challenges” and, each individually, a “Challenge”), and (II) obtained a final, non-appealable order in favor of such party in interest sustaining any such Challenge in any such timely-filed contested matter, adversary proceeding, or other action (any such Challenge timely brought for which such a final and non-appealable order is so obtained, a “Successful Challenge”).

If a chapter 7 trustee or a chapter 11 trustee is appointed or elected during the Challenge Period, then the Challenge Period Termination Date with respect to such trustee only, shall be the later of (i) the last day of the Challenge Period and (ii) the date that is twenty-one (21) days after the date on which such trustee is appointed or elected. Except as otherwise expressly provided herein, from and after the Challenge Period Termination Date and for all purposes in these Chapter 11 Cases and any Successor Cases (and after the dismissal of these Chapter 11 Cases or any Successor Cases), (i) all payments made to or for the benefit of the Prepetition First Lien Secured Parties pursuant to, or otherwise authorized by, this Interim Order or otherwise (whether made prior to, on, or after the Petition Date) shall be indefeasible and not be subject to counterclaim, set-off, subordination, recharacterization, defense, disallowance, recovery or avoidance, (ii) any and all such Challenges by any party in interest shall be deemed to be forever released, waived, and barred, (iii) all of the Prepetition First Lien Obligations shall be deemed to be fully allowed claims within the meaning of section 506 of the Bankruptcy Code, and (iv) the Debtors’ Stipulations, including the release provisions therein, shall be binding on all parties in interest in these Chapter 11 Cases or any Successor Cases, including any Committee or chapter 11 or chapter 7 trustee. Notwithstanding the foregoing, to the extent any Challenge is timely asserted, the Debtors’ Stipulations and the other provisions in clauses (i) through (iv) in the immediately preceding sentence shall nonetheless remain binding and preclusive on any Committee and on any other party

in interest from and after the Challenge Period Termination Date, except to the extent that such Debtors' Stipulations or the other provisions in clauses (i) through (iv) of the immediately preceding sentence were expressly challenged in such Challenge and such Challenge becomes a Successful Challenge. The Challenge Period may be extended only with the written consent of the Prepetition First Lien Agent, with respect to the Prepetition First Lien Obligations, or by the Prepetition Second Lien Trustee, with respect to the Prepetition Second Lien Obligations, in their respective sole discretion. Notwithstanding any provision to the contrary herein, nothing in this Interim Order shall be construed to grant standing on any party in interest, including any Committee, to bring any Challenge on behalf of the Debtors' estates. The failure of any party in interest, including any Committee, to obtain an order of this Court prior to the Challenge Period Termination Date granting standing to bring any Challenge on behalf of the Debtors' estates shall not be a defense to failing to commence a Challenge prior to the Challenge Period Termination Date as required under this Paragraph 6 or to require or permit an extension of the Challenge Period Termination Date; provided, however, that if the Committee files a motion for standing to assert any Challenge prior to the Challenge Period Termination Date (and provided that the relevant pleading asserting such Challenge is attached as an exhibit to such motion), then the Challenge Period Termination Date shall be tolled, solely for the Committee and solely with respect to such Challenge set forth in the exhibit to such motion, until three (3) Business Days after the Court rules on such motion.

7. **Carve-Out.**

(i) As used in this Interim Order, the term "Carve-Out" means the sum of the following: (a) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the notice set forth in sub-

paragraph (ii) below); (b) all reasonable fees, costs, and expenses up to \$50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in subparagraph (ii) below); (c) to the extent allowed by the Court at any time, whether by interim or final compensation order, procedural order, or otherwise, all unpaid fees, costs, and expenses (collectively, the “Allowed Professional Fees”) earned, accrued or incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (collectively, the “Debtor Professionals”) at any time before or on the first Business Day following delivery by the DIP Agent of a Carve-Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice and without regard to whether such Allowed Professional Fees are provided for in the Approved Budget or when invoiced; (d) to the extent allowed by the Court at any time, whether by interim or final compensation order, procedural order, or otherwise, all Allowed Professional Fees earned, accrued or incurred in accordance with and subject to the Approved Budget by persons or firms retained by the Creditors Committee (if any) pursuant to section 328 or 1103 of the Bankruptcy Code (collectively, the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first Business Day following delivery by the DIP Agent of a Carve-Out Trigger Notice, whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice or when invoiced, and subject to the investigation budget set forth in Paragraph 16 below (the aggregate amounts set forth in clauses (a) through (d) above, the “Pre-Carve-Out Trigger Notice Amount”); and (e) Allowed Professional Fees of Debtor Professionals in an aggregate amount not to exceed \$2,500,000 and Allowed Professional Fees of Committee Professionals in an aggregate amount not to exceed \$250,000, in each case earned, accrued or incurred after the first Business Day following the date of delivery by the DIP Agent of the Carve-

Out Trigger Notice in accordance with sub-paragraph (ii) below (such date, the “Trigger Date”), to the extent allowed by the Court at any time, whether by interim or final compensation order, procedural order, or otherwise (the amounts set forth in this clause (e) being the “Post-Carve-Out Trigger Notice Amount” and, together with the Pre-Carve-Out Trigger Notice Amount, the “Carve-Out Amount”).

(ii) For purposes of the foregoing, “Carve-Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (at the direction of the Required DIP Lenders) to the Borrower, counsel to the Borrower (Latham & Watkins), the U.S. Trustee, and counsel to the Committee (if any), which notice (A) shall expressly state that the Post-Carve-Out Trigger Notice Amount has been invoked and (B) may be delivered only following the occurrence and during the continuation of Termination Event (as defined herein), the acceleration of the DIP Obligations under the DIP Loan Documents, and the termination of the Debtors’ consensual use of Cash Collateral under this Interim Order.

(iii) From and after the Petition Date, the Debtors shall utilize cash on hand, the proceeds from the DIP Facility, amounts held in the DIP Account, and/or any other available cash thereafter held by any Debtor to fund, on a weekly basis, the Pre-Carve-Out Trigger Notice Amount into the Escrow Account (as defined below) in an amount equal to the greatest of (A) the aggregate unpaid amount of estimated fees, costs, and expenses of Professional Persons included in all weekly estimates timely received by the Debtors in respect of the preceding week, (B) the aggregate unpaid amount of actual fees, costs, and expenses of Professional Persons earned, accrued or incurred at the applicable time, and (C) the aggregate amount of fees, costs, and expenses of Professional Persons provided for in the Approved Budget at the applicable time. As used herein, the term “Escrow Account” means a segregated account of the Borrower not subject

to the control of any DIP Secured Party, Prepetition First Lien Secured Party, and/or Prepetition Second Lien Secured Party (collectively, the “Funded Debt Secured Parties”).

(iv) Upon delivery of a Carve-Out Trigger Notice in accordance with sub-paragraph (ii) above, such Carve-Out Trigger Notice shall constitute a demand to, and approval for, the Debtors to utilize all cash on hand as of such date (including in the DIP Account) and any available cash thereafter generated by the Debtors to fund the Escrow Account in an amount equal to the Carve-Out Amount and to hold such amount in trust to pay the obligations benefitting from the Carve-Out.

(v) Upon delivery of a Carve-Out Trigger Notice in accordance with sub-paragraph (ii) above, and prior to the payment to any Funded Debt Secured Party on account of any claim or administrative expense held by such person or entity (whether postpetition, super priority, adequate protection, prepetition, or otherwise), the Debtors shall deposit into the Escrow Account cash available on the Trigger Date (or available thereafter) in an aggregate amount equal to the Carve-Out Amount. The funds in the Escrow Account shall be available only to satisfy the obligations benefitting from the Carve-Out in Paragraph 7(i) above, and the Funded Debt Secured Parties (A) shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of assets) of the Debtors unless and until the Escrow Account is funded in full in cash as provided above and (B) shall have a valid and perfected security interest upon any residual amount in the Escrow Account available following payment in full in cash of all obligations benefitting from the Carve-Out, subject to the lien and claim priorities set forth in this Interim Order.

(vi) Notwithstanding anything to the contrary in this Interim Order, the DIP Loan Documents, the Prepetition First Lien Loan Documents, and/or the Prepetition Second Lien Loan

Documents (collectively, including this Interim Order, the “Funded Debt Documents”), all claims and administrative expenses arising under, with respect to, or in connection with any Funded Debt Document (including the DIP Obligations, the DIP Superpriority Claims, the Prepetition First Lien Obligations, the First Lien Adequate Protection Superpriority Claims, the Prepetition Second Lien Obligations, and the Second Lien Adequate Protection Superpriority Claims) and all security interests and liens securing such claims and administrative expenses (including the DIP Liens, the Prepetition First Liens, the First Lien Adequate Protection Liens, the Prepetition Second Liens and the Second Lien Adequate Protection Liens) shall, in each case, be subject and subordinate to the payment in full in cash of the Carve-Out.

(vii) Notwithstanding anything to the contrary in any Funded Debt Document, (a) the failure of the Escrow Account to satisfy in full the Allowed Professional Fees of the Professional Persons shall not affect, limit, or otherwise modify the scope or priority of the Carve-Out, (b) in no way shall any Approved Budget, the Carve-Out, the Carve-Out Amount, the Escrow Account, or any other budget or financial projection delivered in connection with any Funded Debt Document be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Court at any time (including on an interim basis), and (c) the Debtors’ authority to use proceeds from the DIP Facility, the DIP Collateral, and/or Cash Collateral on account of, and to timely pay, the Allowed Professional Fees and the other obligations benefitting from the Carve-Out shall in no way be limited or deemed limited by any Approved Budget (other than as expressly set forth above as to the Allowed Professional Fees for the Committee Professionals).

(viii) Prior to the occurrence of the Termination Declaration Date (as defined below), the Debtors shall be permitted to pay Allowed Professional Fees (including on an interim basis), and

such payments shall not reduce or be deemed to reduce the Carve-Out. Moreover, for the avoidance of doubt, any amounts paid prior to the Carve-Out Trigger Notice shall not reduce or be deemed to reduce the Post-Carve-Out Trigger Notice Amount.

(ix) The DIP Agent shall be entitled to establish and maintain reserves against borrowing availability under the DIP Facility on account of the Carve-Out (including, for avoidance of doubt, the DIP Agent's estimate of future fees and expenses of the Debtor Professionals, the Committee Professionals and the Committee members that may be incurred before or after the delivery of Carve-Out Trigger Notice) in accordance with the terms of the DIP Credit Agreement.

(x) Without affecting, limiting, or otherwise modifying the scope or priority of the Carve-Out, neither the DIP Secured Parties nor the Prepetition First Lien Secured Parties shall be responsible for the direct payment or reimbursement of any fees or disbursements of any of the Debtor Professionals, Committee Professionals or Committee members incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Without affecting, limiting, or otherwise modifying the scope or priority of the Carve-Out, nothing in this Interim Order or otherwise shall be construed (i) to obligate any DIP Secured Party or any Prepetition First Lien Secured Party in any way to pay compensation to, or to reimburse expenses of, any of the Debtor Professionals, the Committee Professionals or Committee members, or to guarantee that the Debtors or their estates have sufficient funds to pay such compensation or reimbursement or (ii) to increase the Carve-Out if actual allowed fees and expenses of any of the Debtor Professionals, Committee Professionals or Committee members are higher in fact than the Carve-Out Amount. Notwithstanding any provision in this Paragraph 7 to the contrary, no portion of the Carve-Out, Cash Collateral, Prepetition First Lien Collateral, DIP Collateral or proceeds of

the DIP Facility shall be utilized for the payment of professional fees and disbursements to the extent restricted under Paragraph 16 hereof; provided that the foregoing shall not be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Court at any time (including on an interim basis). Nothing herein shall be construed as consent to the allowance of any professional fees or expenses of any of the Debtors, any Committee, any other official or unofficial committee in these Chapter 11 Cases or any Successor Cases, or of any other person or entity, or shall affect the right of any DIP Secured Party or any Prepetition First Lien Secured Party to object to the allowance and payment of any such fees and expenses.

8. **Waiver of 506(c) Claims.** Upon entry of this Interim Order in the case of the DIP Secured Parties (and their DIP Liens and their other rights in respect of the DIP Collateral, the Prepetition First Lien Collateral and Cash Collateral), and subject to the entry of the Final Order solely in the case of the Prepetition First Lien Secured Parties (and their Prepetition First Liens and their other rights in respect of the DIP Collateral, the Prepetition First Lien Collateral and Cash Collateral) and the Prepetition Second Lien Secured Parties (and their Prepetition Second Liens and their other rights in respect of the DIP Collateral, the Prepetition Second Lien Collateral and Cash Collateral), and as a further condition of (i) the DIP Facility and any obligation of the DIP Secured Parties to make credit extensions pursuant to the DIP Loan Documents (and the consent of the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties to the payment of the Carve-Out to the extent provided herein) and (ii) the Debtors' use of Cash Collateral pursuant to this Interim Order and a Final Order, (a) no costs or expenses of administration of the Chapter 11 Cases or any Successor Cases shall be charged against or recovered from or against any or all of the DIP Secured Parties and/or the Prepetition

First Lien Secured Parties, the Prepetition Second Lien Secured Parties, the Prepetition First Lien Collateral, the Prepetition Second Lien Collateral, the DIP Collateral and the Cash Collateral, in each case pursuant to section 506(c) of the Bankruptcy Code or otherwise, without the prior written consent of the DIP Agent, the Prepetition First Lien Agent and the Prepetition Second Lien Trustee, and (b) no such consent shall be implied from any other action, inaction, or acquiescence of any or all of the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties, and (c) the exercise prior to the entry of the Final Order of any rights under section 506(c) of the Bankruptcy Code or otherwise to charge any costs or expense of administration of the Chapter 11 Cases or any Successor Cases from or against the Prepetition First Lien Secured Parties or their Prepetition First Liens or the Prepetition Second Lien Secured Parties or their Prepetition Second Liens on or other interests in any or all of the DIP Collateral, the Prepetition First Lien Collateral, the Prepetition Second Lien Collateral and the Cash Collateral shall not impair and shall be subject to, and junior to, the DIP Liens on and the DIP Secured Parties' other interests in the DIP Collateral, the Prepetition First Lien Collateral, the Prepetition Second Lien Collateral and the Cash Collateral and the other DIP Protections accorded the DIP Secured Parties.

9. **After-Acquired Property.** Subject to and upon entry of the Final Order (but retroactive to the Petition Date), pursuant to section 552(a) of the Bankruptcy Code, all property acquired by the Debtors on or after the Petition Date is not, and shall not be, subject to any Lien of any person or entity resulting from any security agreement entered into by the Debtors prior to the Petition Date, except to the extent that such property constitutes proceeds of property of the Debtors that is subject to a valid, enforceable, perfected, and unavoidable Lien as of the Petition Date (or a valid, enforceable and unavoidable Lien that is perfected subsequent to the Petition Date

solely to the extent permitted by section 546(b) of the Bankruptcy Code) that is not subject to subordination or avoidance under the Bankruptcy Code or other provisions or principles of applicable law.

10. **Protection of DIP Secured Parties' and Prepetition First Lien Secured Parties'**

Rights.

(a) Unless the DIP Agent and the Prepetition First Lien Agent shall have provided their prior written consent or all DIP Obligations and First Lien Adequate Protection Superpriority Claims have been Paid in Full, there shall not be entered in any of these Chapter 11 Cases or any Successor Cases any order (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following: (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other Lien on all or any portion of the DIP Collateral or Prepetition First Lien Collateral and/or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claims, the Prepetition First Liens, the First Lien Adequate Protection Liens, the First Lien Adequate Protection Superpriority Claims, the Prepetition Second Liens, the Second Lien Adequate Protection Liens, the Second Lien Adequate Protection Superpriority Claims and/or the other DIP Protections; (ii) the use of Cash Collateral for any purpose other than Payment in Full of the DIP Obligations and the First Lien Adequate Protection Superpriority Claims or as otherwise permitted in the DIP Loan Documents and/or this Interim Order; provided that the foregoing shall not affect, modify or limit the scope or priority of the Carve-Out, (iii) the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any Debtor or any creditor's taking any setoff against any of its prepetition indebtedness based upon any such return of goods pursuant to

section 553 of the Bankruptcy Code or otherwise, or (iv) any modification of any of the DIP Secured Parties' or the Prepetition First Lien Secured Parties' rights under this Interim Order, the DIP Loan Documents or the Prepetition First Lien Loan Documents with respect to any DIP Obligations.

(b) The Debtors shall, until all DIP Obligations, Prepetition First Lien Obligations and First Lien Adequate Protection Superpriority Claims have been Paid in Full, (i) maintain books, records, and accounts to the extent and as required by the DIP Loan Documents, (ii) reasonably cooperate with, consult with during normal business hours, and provide to the DIP Secured Parties and the Prepetition First Lien Secured Parties all such information and documents that any or all of the Debtors are obligated (including upon reasonable written request by any of the DIP Secured Parties or the Prepetition First Lien Secured Parties) to provide under the DIP Loan Documents, the Prepetition Loan Documents (in the absence of the pendency of these Chapter 11 Cases) or the provisions of this Interim Order, (iii) during normal business hours and upon reasonable written request, permit consultants, advisors and other representatives (including third party representatives) of each of the DIP Agent and the Prepetition First Lien Agent to visit and inspect any of the Debtors' respective properties, to examine and make abstracts or copies from any of their respective books and records, to tour the Debtors' business premises and other properties, and to discuss, and provide advice with respect to, their respective affairs, finances, properties, business operations, and accounts with their respective officers, employees, independent public accountants and other professional advisors (other than legal counsel) as and to the extent required by the DIP Loan Documents and/or the Prepetition First Lien Loan Documents, (iv) during normal business hours and upon reasonable written request, permit the DIP Agent and the Prepetition First Lien Agent and their respective consultants, advisors and other

representatives to consult with the Debtors' management and advisors on matters concerning the Debtors' businesses, financial condition, operations and assets, and (v) during normal business hours and upon reasonable written request, permit the DIP Agent and the Prepetition First Lien Agent to conduct, at their discretion and at the Debtors' cost and expense, field audits, collateral examinations and inventory appraisals at reasonable times in respect of any or all of the DIP Collateral and the Prepetition First Lien Collateral. Notwithstanding anything to the contrary contained herein, the Debtors do not waive any right to attorney-client, work product, or similar privilege, and the Debtors shall not be required to provide the DIP Agent, the Prepetition First Lien Agent, or their respective counsel and financial advisors with any information subject to attorney-client privilege or consisting of attorney work product. For avoidance of doubt, the Prepetition First Lien Agent shall have the same access and cooperation rights as the DIP Agent for purposes of this subparagraph (b).

11. **Proceeds of Subsequent Financing.** Without limiting the provisions and protections of Paragraph 10 above, if at any time prior to the Payment in Full of all the DIP Obligations and the First Lien Adequate Protection Superpriority Claims (including subsequent to the confirmation of any chapter 11 plan or plans with respect to any of the Debtors), the Debtors' estates, any trustee, any examiner with enlarged powers, or any responsible officer subsequently appointed shall obtain credit or incur debt pursuant to sections 364(b), 364(c), 364(d), or any other provision of the Bankruptcy Code in violation of this Interim Order or the DIP Loan Documents, then, after payment or reservation in full in cash of the Carve-Out, all of the cash proceeds derived from such credit or debt and all Cash Collateral shall immediately be turned over to the DIP Agent for application to the DIP Obligations until Paid in Full and then to the First Lien Adequate Protection Superpriority Claims until Paid in Full.

12. **Cash Collection.** From and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Collateral or Prepetition First Lien Collateral or services provided by any Debtor and all Cash Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall be promptly deposited in the same lock-box and/or deposit accounts into which the collections and proceeds of the Prepetition First Lien Collateral were deposited under the Prepetition First Lien Loan Documents (or in such other accounts as are designated by the DIP Agent from time to time) (collectively, the “Cash Collection Accounts”), which accounts shall be subject to the liens of the DIP Agent and the Prepetition First Lien Agent (and the funds in such accounts may be used by the Debtors to the extent provided in this Interim Order and the DIP Loan Documents). Upon the direction of the DIP Agent or, following Payment in Full of the DIP Obligations, the Prepetition First Lien Agent, at any time after the occurrence of a Termination Event and subject to the provisions of Paragraph 7 and Paragraph 15, all proceeds in the Cash Collection Accounts shall be remitted to the DIP Agent for application to the DIP Obligations until Payment in Full and then to the Prepetition First Lien Agent for application to the Prepetition First Lien Obligations until Payment in Full, and the DIP Agent and the Prepetition First Lien Agent shall be entitled to take all action that is necessary or appropriate to effectuate the foregoing. Unless otherwise agreed to in writing by the DIP Agent and the Prepetition First Lien Agent, the Debtors shall maintain no accounts except those identified in the *Interim Order (A) Authorizing Debtors to (I) Continue Existing Cash Management System, (II) Maintain Existing Business Forms, and (III) Continue Intercompany Transactions; and (B) Granting Related Relief* (the “Interim Cash Management Order”) and the *Final Order (A) Authorizing Debtors to (I) Continue Existing Cash Management System, (II) Maintain Existing Business Forms, and (III) Continue*

Intercompany Transactions; and (B) Granting Related Relief (the “Final Cash Management Order” together with the Interim Cash Management Order, the “Cash Management Orders”). Subject to the provisions of Paragraph 7 and Paragraph 15, the Debtors and the financial institutions where the Debtors’ Cash Collection Accounts are maintained (including those accounts identified in the Cash Management Orders) are authorized and empowered to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP Agent or, following Payment in Full of the DIP Obligations, the Prepetition First Lien Agent.

13. Disposition of DIP Collateral; Credit Bid.

(a) Unless the DIP Obligations and the Prepetition First Lien Obligations are Paid in Full upon the closing of a sale or other disposition of the DIP Collateral or Prepetition First Lien Collateral, the Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral or any Prepetition First Lien Collateral (or enter into any binding agreement to do so) without the prior written consent of the DIP Agent and the Prepetition First Lien Agent (and no such consent shall be implied from any other action, inaction, or acquiescence by any DIP Secured Party or Prepetition First Lien Secured Party or any order of this Court), except in the ordinary course of business or as otherwise permitted in the DIP Loan Documents and/or the Prepetition First Lien Loan Documents, as applicable, and this Interim Order. Except to the extent otherwise expressly provided in the DIP Loan Documents and subject to Paragraph 7 of this Interim Order, all proceeds from the sale, transfer, lease, encumbrance or other disposition of any DIP Collateral outside the ordinary course of business shall be remitted to the DIP Agent for application to the DIP Obligations, in each case, in accordance with the terms of this Interim Order and the DIP Loan Documents or the Prepetition First Lien Loan Documents, as the case may be. In addition, the

Debtors are authorized and empowered to enter into such blocked account agreements (with cash dominion, if the DIP Agent so elects) with the DIP Agent and such financial institutions as the DIP Agent may require, and, if it so elects, the DIP Agent shall be entitled to enjoy the benefit of all control agreements to which the Prepetition First Lien Agent is a party without the need to enter into new blocked account agreements.

(b) Subject to Paragraph 6 of this Interim Order, the Prepetition First Lien Agent (or one or more of its designees, affiliates or assignees) (at the direction of Required Prepetition First Lien Lenders) shall have the unqualified right to credit bid up to the full amount of any Prepetition First Lien Obligations in any sale of the Prepetition First Lien Collateral (or any DIP Collateral subject to any First Lien Adequate Protection Liens) under or pursuant to (i) section 363 of the Bankruptcy Code, (ii) any plan of reorganization or plan of liquidation under section 1129 of the Bankruptcy Code to the extent any sale contemplated thereunder does not result in payment in full of all of the DIP Obligations on the effective date of such plan, or (iii) section 725 of the Bankruptcy Code. Subject to Paragraph 6 of this Interim Order, the Debtors, on behalf of themselves and their estates, stipulate and agree that any sale of all or part of the Prepetition First Lien Collateral (or any DIP Collateral subject to any First Lien Adequate Protection Liens) that does not include an unqualified right to credit bid up to the full amount of the Prepetition First Lien Obligations would mean that the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties will not receive the indubitable equivalent of their claims and interests. The DIP Agent (or one or more of its designees, affiliates or assignees) shall have the unqualified right to credit bid any or all of the DIP Obligations under or pursuant to (i) section 363 of the Bankruptcy Code, (ii) any plan of reorganization or plan of liquidation under section 1129 of the Bankruptcy Code, or (iii) section 725 of the Bankruptcy Code. If the DIP Agent or the Prepetition First Lien Agent or their respective

designees, affiliates or assignees make a credit bid in connection with any auction or other sale process relating to the sale or other disposition of any DIP Collateral or Prepetition First Lien Collateral, then for purposes of such auction or sale process or any applicable order of this Court, the DIP Agent and/or Prepetition First Lien Agent shall be automatically deemed to be a qualified bidder and its bid shall be automatically deemed to constitute a qualified bid, regardless of whether the qualified bidder or qualified bid requirements are satisfied.

14. **Termination Events.** The following shall constitute a termination event under this Interim Order and the DIP Loan Documents unless waived in writing by each of the DIP Agent and the Prepetition First Lien Agent (each, a “Termination Event”):

(a) The occurrence and continuation of an “Event of Default” under the DIP Credit Agreement, as set forth therein (a “DIP Default Termination Event”), including, for avoidance of doubt, (x) the failure to obtain entry of the Final Order, in form and substance acceptable to the DIP Agent and the Prepetition First Lien Agent, on or before 11:59 p.m. prevailing Eastern Time on the date that is 45 days from the Petition Date and (y) the Debtors’ failure to timely and strictly comply with any of the obligations and deadlines set forth on **Exhibit B** hereto thereto (the “Chapter 11 Milestones”).

(b) Any material breach by the Debtors of their obligations under the Restructuring Support Agreement (subject to any applicable cure periods), and any termination of the Restructuring Support Agreement by the Debtors or the Prepetition First Lien Lenders.

(c) Any other material breach, default or other violation by any of the Debtors of the terms and provisions of this Interim Order (subject to any applicable cure periods).

15. **Rights and Remedies Upon Termination Event.**

(a) Upon the occurrence and during the continuation of a Termination Event, following delivery by the DIP Agent (at the direction of the Required DIP Lenders) of written notice (a “Remedies Notice”), of not less than five (5) Business Days’, to the Debtors and Debtors’ counsel, the United States Trustee, and counsel to the Committee (if any) (the “Remedies Notice Period”), unless prior to such time the Court orders otherwise, the DIP Agent is hereby granted relief from the automatic stay, without further notice, hearing, motion, order or other action of any kind, to the extent necessary to permit the DIP Secured Parties to exercise (i) immediately upon the occurrence and during the continuance of any Termination Event, all rights and remedies under this Interim Order, the DIP Loan Documents and/or applicable non-bankruptcy law (other than those rights and remedies against the DIP Collateral as provided in subparagraph 15(b) below), including the right to (1) declare all DIP Obligations to be immediately due and payable, (2) declare the termination, reduction or restriction of any further commitment to extend credit to the Debtors, to the extent any such commitment remains, and/or (3) terminate the DIP Facility and any other DIP Loan Documents as to any future liability or obligation of the DIP Agent and the other DIP Secured Parties, but without affecting any of the DIP Obligations or the DIP Liens securing the DIP Obligations; and/or (ii) declare a termination, reduction or restriction on the ability of the Debtors to use any Cash Collateral (any such declaration under any of clauses 15(a)(i)(1), (2) or (3) or (ii) shall be made to the respective lead counsel to the Debtors, the Committee and the U.S. Trustee, and shall be referred to herein as a “Termination Declaration” and the date that is the earliest to occur of any such Termination Declaration being herein referred to as the “Termination Declaration Date”).

(b) In addition to the rights and remedies described above, on the later of: (i) the expiration of the Remedies Notice Period, including as such period may be tolled as provided

herein, and (ii) five (5) Business Days following the Termination Declaration Date, unless prior to such time this Court determines that a Termination Event has not occurred and/or is not continuing, the DIP Agent is hereby granted relief from the automatic stay, without further notice, hearing, motion, order or other action of any kind, to foreclose on, or otherwise enforce and realize on, its DIP Liens on all or any portion of the DIP Collateral, including by collecting accounts receivable and applying the proceeds thereof to the DIP Obligations, subject to the payment or reservation in full in cash of the Carve-Out as set forth in Paragraph 7. Prior to the expiration of the Remedies Notice Period, the Debtors and/or any Committee shall be entitled to request an emergency hearing with the Court. If a request for such hearing is made prior to the end of the Remedies Notice Period, then the Remedies Notice Period shall be continued until the Court hears and rules with respect thereto. During such Remedies Notice Period, (i) the Debtors may use Cash Collateral or any amounts previously or thereafter advanced under the DIP Credit Facility (a) to fund operations in accordance with the DIP Facility and the Approved Budget and (b) the Carve-Out; and (ii) the Debtors and the DIP Lenders consent to a hearing on an expedited basis to consider whether a Termination Event has occurred, and if a hearing to consider the foregoing is requested to be heard before the end of the Remedies Notice Period but is scheduled for a later date by the Bankruptcy Court, the Remedies Notice Period shall be automatically extended to the date of such hearing. Unless the Bankruptcy Court orders otherwise, upon the expiration of the Remedies Notice Period (subject to extension in the event an Emergency Motion is filed), the automatic stay shall automatically be deemed terminated, without further notice, hearing or order of the Bankruptcy Court, and the DIP Agent (acting at the instruction of the Required DIP Lenders under the DIP Loan Documents) shall be permitted to exercise all remedies set forth in the DIP Orders and in the DIP Loan Documents or applicable law, and the Debtors' right to use any Cash Collateral shall

immediately cease, subject to the payment or reservation in full in cash of the Carve-Out as set forth in Paragraph 7.

(c) Subject to Paragraph 6, upon the effectiveness of any relief from the automatic stay with respect to the DIP Facility pursuant to Paragraph 15(b) hereof, the Prepetition First Lien Agent shall have relief from the automatic stay to the same extent as the DIP Agent, and without further notice, hearing, motion, order or other action of any kind, to foreclose on, or otherwise enforce and realize on its Prepetition First Liens and the First Lien Adequate Protection Liens on, all or any portion of the DIP Collateral or Prepetition First Lien Collateral (including by collecting accounts receivable and applying the proceeds thereof to the Prepetition First Lien Obligations) or otherwise exercise remedies against the DIP Collateral or Prepetition First Lien Collateral permitted by this Interim Order, the Prepetition First Lien Loan Documents and/or applicable non-bankruptcy law; provided however, that any such foreclosure or other enforcement by the Prepetition First Lien Agent of any Prepetition First Liens or the First Lien Adequate Protection Liens or any other such exercise of remedies by the Prepetition First Lien Agent against the DIP Collateral or Prepetition First Lien Collateral shall not interfere with or otherwise be inconsistent with any foreclosure or other enforcement by the DIP Agent of any DIP Liens or other DIP Protections or any other exercise of remedies by the DIP Agent, and any proceeds received by the Prepetition First Lien Agent in connection with such foreclosure, enforcement or other exercise of remedies shall, subject to the payment or reservation in full in cash of the Carve-Out as set forth in Paragraph 7, be turned over to the DIP Agent for application to the DIP Obligations until Paid in Full.

(d) Subject to the provisions of Paragraph 6 hereof, all proceeds realized in connection with the exercise of the rights and remedies of the DIP Secured Parties or the

Prepetition First Lien Secured Parties shall be turned over first to the Debtors to fund the Carve-Out in full in cash, then to the DIP Agent for application to the DIP Obligations under, and in accordance with the provisions of, the DIP Loan Documents and this Interim Order until Payment in Full of all of the DIP Obligations and then to the Prepetition First Lien Agent for application to the Prepetition First Lien Obligations under, and in accordance with the provisions of, the Prepetition First Lien Loan Documents and this Interim Order until Payment in Full of the Prepetition First Lien Obligations.

(e) Subject to entry of the Final Order, and notwithstanding anything contained herein to the contrary, and without limiting any other rights or remedies of the DIP Agent or the other DIP Secured Parties contained in this Interim Order or the DIP Loan Documents, or otherwise available at law or in equity, and subject to the terms of the DIP Loan Documents, upon five (5) Business Days' written notice to the Debtors and any landlord, lienholder, licensor, or other third party owner of any leased or licensed premises or intellectual property that a Termination Event has occurred and is continuing, the DIP Agent (i) may, unless otherwise provided in any separate agreement by and between the applicable landlord or licensor and the DIP Agent (the terms of which shall be reasonably acceptable to the parties thereto), enter upon any leased or licensed premises of the Debtors for the purpose of exercising any remedy with respect to any DIP Collateral located thereon and (ii) shall be entitled to all of the Debtors' rights and privileges as lessee or licensee under the applicable license and to use any and all trademarks, trade names, copyrights, licenses, patents, or any other similar assets of the Debtors that are owned by or subject to a Lien of any third party and that are used by Debtors in their businesses, in the case of either subparagraph (i) or (ii) of this Paragraph 15(e) without interference from lienholders or licensors thereunder, subject to such lienholders' or licensors' rights under applicable law;

provided, however, that the DIP Agent, on behalf of the DIP Secured Parties, shall pay only rent and additional rent, fees, royalties, or other monetary obligations of the Debtors that first arise after the written notice referenced above from the DIP Agent and that accrue during the period of such occupancy or use by such DIP Agent calculated on a *per diem* basis. Nothing herein shall require the Debtors, the DIP Agent, or the other DIP Secured Parties to assume any lease, license or other contract under Bankruptcy Code section 365(a) as a precondition to the rights afforded to the DIP Agent and the other DIP Secured Parties in this Paragraph 15(e).

(f) Subject to the entry of the Final Order and Payment in Full of the DIP Obligations, notwithstanding anything contained herein to the contrary, and without limiting any other rights or remedies of the Prepetition First Lien Agent or the other Prepetition First Lien Secured Parties contained in this Interim Order or the Prepetition First Lien Loan Documents, or otherwise available at law or in equity, the Prepetition First Lien Agent shall succeed to, and be entitled to, all of the rights, remedies, benefits and protections accorded to the DIP Agent pursuant to Paragraph 15(e), as if all references therein to the “DIP Agent” and the “DIP Parties” are references to the “Prepetition First Lien Agent” and the “Prepetition First Lien Secured Parties.”

(g) The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby modified pursuant to the terms of this Interim Order and the DIP Loan Documents as necessary to (i) permit the Debtors to grant the First Lien Adequate Protection Liens, the Second Lien Adequate Protection Liens and the DIP Liens and to incur all liabilities and obligations to the DIP Secured Parties and the Prepetition First Lien Secured Parties under the DIP Loan Documents, the DIP Facility, and this Interim Order, (ii) subject to Paragraph 7, authorize the DIP Secured Parties and the Prepetition First Lien Secured Parties to retain and apply payments made in accordance with the DIP Loan Documents, the Prepetition First Lien Loan Documents and/or this

Interim Order, (iii) to permit each of the DIP Agent, the other DIP Secured Parties, the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties to perform any act authorized under this Interim Order and the DIP Loan Documents, and (iv) otherwise to the extent necessary to implement and effectuate the provisions of this Interim Order and the DIP Loan Documents.

16. **Restriction on Use of Proceeds**. Notwithstanding anything herein to the contrary, but subject to the last sentence of this Paragraph 16, no loans and/or proceeds from the DIP Facility (including the DIP Account), DIP Collateral, Cash Collateral (including any retainer held by any professionals for the below-referenced parties), Prepetition First Lien Collateral, Prepetition Second Lien Collateral or any portion of the Carve-Out may be used by (a) any Debtor, Committee or trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Cases, or any other person, party, or entity (including any of the Debtors' Professionals, the Committee's Professionals or the Committee members) to investigate (except as set forth below) or prosecute any Challenge (including any litigation or other action) against the DIP Secured Parties, the Prepetition First Lien Secured Parties or the Prepetition Second Lien Secured Parties (or to pay any professional fees and disbursements incurred in connection therewith) at any time; or (b) any Debtor, any Committee, or any trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Cases, or any other person, party, or entity (including any of the Debtors' Professionals, the Committee's Professionals or the Committee members) to (or to pay any professional fees and disbursements incurred in connection therewith): (i) request authorization to obtain postpetition loans or other financial accommodations pursuant to section 364(c) or (d) of the Bankruptcy Code, or otherwise, other than from the DIP Secured Parties, or to seek any modification to this Interim Order not approved by the DIP Agent and, to the extent such modification would affect the rights of any of the Prepetition First Lien Secured Parties, the

Prepetition First Lien Agent and, to the extent such modification would affect the rights of any of the Prepetition Second Lien Secured Parties, the Prepetition Second Lien Trustee; (ii) investigate (except as set forth below), assert, join, commence, support, or prosecute any action for any claim, counter-claim, action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination, or similar relief against, any or all of the DIP Secured Parties, the Prepetition First Lien Secured Parties, the Prepetition Second Lien Secured Parties, their respective affiliates, assigns or successors and the respective officers, directors, employees, agents, attorneys, representatives and other advisors of the foregoing, with respect to any transaction, occurrence, omission, action, or other matter (including formal or informal discovery proceedings in anticipation thereof), including (A) any Challenges and any Avoidance Actions or other actions arising under chapter 5 of the Bankruptcy Code; (B) any action with respect to the validity, enforceability, priority, and extent of the DIP Obligations, the Prepetition First Lien Obligations, and/or the Prepetition Second Lien Obligations or the validity, extent, and priority of the DIP Liens, the Prepetition First Liens, the Prepetition Second Liens, the First Lien Adequate Protection Liens or the Second Lien Adequate Protection Liens; (C) any action seeking to invalidate, set aside, avoid, or subordinate, in whole or in part, the DIP Liens, the other DIP Protections, the Prepetition First Liens, the First Lien Adequate Protection Liens, the other Prepetition First Lien Adequate Protection, the Prepetition Second Liens, the Second Lien Adequate Protection Liens, or the other Prepetition Second Lien Adequate Protection; (D) any action preventing, hindering, or otherwise delaying any or all of the DIP Secured Parties', and, after the Payment in Full of the DIP Obligations, the Prepetition First Lien Secured Parties' and/or the Prepetition Second Lien Secured Parties', assertion, enforcement, or realization on the Cash Collateral, the DIP Collateral, the Prepetition First Lien Collateral or the Prepetition Second Lien

Collateral in accordance with the DIP Loan Documents, the Prepetition First Lien Loan Documents or the Prepetition Second Lien Loan Documents, as applicable, or this Interim Order); and/or (E) any action seeking to modify any of the rights, remedies, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties hereunder or under the DIP Loan Documents, the Prepetition First Lien Loan Documents or the Prepetition Second Lien Loan Documents, as applicable, or any payments made thereunder or in respect thereof; provided, however, up to \$50,000 in the aggregate of the Carve-Out, any DIP Collateral, any Prepetition First Lien Collateral, any Prepetition Second Lien Collateral, any Cash Collateral and proceeds of the DIP Facility may be used by the Committee (to the extent such Committee is appointed) to investigate (but not to prosecute) the claims and/or Liens of the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties under the Prepetition First Lien Loan Documents and/or the Liens of the Prepetition Second Lien Trustee and the other Prepetition Second Lien Secured Parties under the Prepetition Second Lien Loan Documents (but in any case not the claims and/or Liens of the DIP Agent and the other DIP Secured Parties) so long as such investigation occurs within the Challenge Period; or (iii) use or seek to use Cash Collateral or sell or otherwise dispose of DIP Collateral or Prepetition First Lien Collateral, unless otherwise permitted hereby, without the prior written consent of the DIP Agent and the Prepetition First Lien Agent. For the avoidance of doubt, the foregoing limitations shall not (i) prevent or otherwise limit the Debtors and their professionals from being heard on whether a Termination Event has occurred and is continuing, (ii) be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Court at any time (including on an interim basis), or (iii) prohibit the Debtors' use of the DIP Collateral, Prepetition First Lien

Collateral, DIP Loans, Cash Collateral, proceeds of any of the foregoing, any portion of the Carve-Out or any other funds to respond to investigations by the Committee.

17. **Proofs of Claim.** The Prepetition First Lien Secured Parties, and the Prepetition Second Lien Secured Parties will not be required to file proofs of claim in any of the Chapter 11 Cases or Successor Cases for any claim allowed herein. The Debtors' Stipulations shall be deemed to constitute a timely filed proof of claim for the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties in respect of all Prepetition First Lien Obligations and Prepetition Second Lien Obligations, respectively. In addition, the Prepetition First Lien Secured Parties, the Prepetition Second Lien Secured Parties, and the DIP Secured Parties will not be required to file any request for allowance and/or payment of any administrative expenses, and this Interim Order shall be deemed to constitute a timely filed request for allowance and/or payment of any Prepetition First Lien Obligations or Prepetition Second Lien Obligations constituting administrative expenses or any DIP Obligations, as applicable. Notwithstanding any order entered by this Court in relation to the establishment of a bar date in any of the Chapter 11 Cases or Successor Cases to the contrary, each of the Prepetition First Lien Agent, for the benefit of itself and the other Prepetition First Lien Secured Parties, the Prepetition Second Lien Trustee, for the benefit of itself and the other Prepetition Second Lien Secured Parties, and the DIP Agent, for the benefit of itself and the other DIP Secured Parties, is hereby authorized and entitled, in its sole discretion, but not required, to file (and amend and/or supplement, in its discretion) in each of the Chapter 11 Cases or Successor Cases (i) in the case of Prepetition First Lien Agent, a proof of claim and/or aggregate proofs of claim in respect of any Prepetition First Lien Obligations, (ii) in the case of the Prepetition Second Lien Trustee, a proof of claim and/or aggregate proofs of claim in respect of any Prepetition Second Lien Obligations, and (ii) in the case of each of the Prepetition

First Lien Agent, Prepetition Second Lien Trustee, and the DIP Agent, a request or aggregate requests for allowance and/or payment of any portion of the Prepetition First Lien Obligations constituting administrative expenses or any DIP Obligations, as applicable.

18. **Preservation of Rights Granted Under the Interim Order.**

(a) No Non-Consensual Modification or Extension of Interim Order. The Debtors shall not seek any amendment, modification, or extension of this Interim Order (including through any chapter 11 plan of reorganization) without the prior written consent of the DIP Agent and the Prepetition First Lien Agent, and no such consent shall be implied by any other action, inaction, or acquiescence of the DIP Secured Parties or any of the Prepetition First Lien Secured Parties. In the event any or all of the provisions of this Interim Order are hereafter modified, amended, or vacated by a subsequent order of this Court or any other court, such modification, amendment, or vacatur shall not affect the validity, perfection, priority, allowability, enforceability, or non-avoidability of any advances, payments, or use of cash authorized or made hereby or pursuant to the DIP Loan Documents, or Lien, claim, priority or other DIP Protections authorized or created hereby or pursuant to the DIP Loan Documents, in each case incurred or arising prior to the actual receipt of written notice by the DIP Agent or the Prepetition First Lien Agent, as applicable, and in either case counsel thereto, of the effective date of such reversal, modification, vacatur, or stay. Based on the findings set forth in this Interim Order and in accordance with section 364(e) of the Bankruptcy Code, which is applicable to the DIP Facility, in the event any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated, or stayed by a subsequent order of this Court or any other court, the DIP Secured Parties and the Prepetition First Lien Secured Parties shall be entitled to the protections provided in section 364(e) of the Bankruptcy Code, and notwithstanding any such reversal, modification, vacatur, or

stay, any use of Cash Collateral or any DIP Obligations or any DIP Protections (including the Prepetition First Lien Adequate Protection) incurred or granted by the Debtors prior to the actual receipt of written notice by the DIP Agent or the Prepetition First Lien Agent, as applicable, of the effective date of such reversal, modification, vacatur, or stay shall remain in full force and effect and be binding on all parties in interest and be governed in all respects by the original provisions of this Interim Order (and shall maintain their respective priorities as provided by this Interim Order), and the DIP Secured Parties and the Prepetition First Lien Secured Parties shall be entitled to all of the DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted pursuant to section 364(e) of the Bankruptcy Code, this Interim Order, or the DIP Loan Documents.

(b) Dismissal. If any order dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or otherwise is at any time entered, then notwithstanding any such dismissal, (i) the DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively, shall remain in full force and effect and be binding on all parties in interest and be governed in all respects by the provisions of this Interim Order (and shall maintain their respective priorities as provided by this Interim Order) until all DIP Obligations and all Prepetition First Lien Obligations have been Paid in Full, and such order of dismissal shall so provide (in accordance with sections 105 and 349 of the Bankruptcy Code), and (ii) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing such DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections,

and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively.

(d) Survival of Interim Order. The provisions of this Interim Order and the DIP Loan Documents, any actions taken pursuant hereto or thereto, and all of the DIP Protections (including the Prepetition First Lien Adequate Protection), and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively, pursuant to this Interim Order and the DIP Loan Documents shall survive, and shall not be modified, impaired, or discharged by, the entry of any order confirming any plan of reorganization in any Chapter 11 Case or Successor Case, converting any Chapter 11 Case to a case under chapter 7, dismissing any of the Chapter 11 Cases, withdrawing of the reference of any of the Chapter 11 Cases or any Successor Cases or providing for abstention from handling or retaining of jurisdiction of any of the Chapter 11 Cases or any Successor Case in this Court, or terminating the joint administration of these Chapter 11 Cases or any Successor Case or by any other act or omission. The terms and provisions of this Interim Order, including all of the DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively, pursuant to this Interim Order and the DIP Loan Documents shall continue in full force and effect and be binding on all parties in interest notwithstanding the entry of any such order, and such DIP Protections (including the Prepetition First Lien Adequate Protection), and such other rights, remedies, Liens priorities, privileges, protections and benefits pursuant to this Interim Order and the DIP Loan Documents, shall continue in full force and effect in these proceedings and in any Successor Cases and after dismissal of any thereof, and shall maintain their

respective priorities as provided by this Interim Order. Without the express written consent of the DIP Lenders, the DIP Obligations shall not be discharged by the entry of an order confirming any such chapter 11 plan, the Debtors having waived such discharge pursuant to section 1141(d)(4) of the Bankruptcy Code.

19. **Insurance Policies.** Upon entry of this Interim Order, the DIP Agent, the other DIP Secured Parties, the Prepetition First Lien Agent (with respect to the Prepetition First Lien Adequate Protection) and the other Prepetition First Lien Secured Parties (with respect to the Prepetition First Lien Adequate Protection) shall be, and shall be deemed to be, without any further action or notice, named as additional insureds and loss payees, as applicable, on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral, and the Debtors shall take such actions as are reasonably requested by the DIP Agent or the Prepetition First Lien Agent from time to time to evidence or effectuate the foregoing.

20. **Other Rights and Obligations.**

(a) **Expenses.** To the extent provided in the DIP Loan Documents (and without limiting the Debtors' respective obligations thereunder), the applicable Debtors shall pay all reasonable expenses incurred by the DIP Agent (including the reasonable fees and disbursements of all counsel for the DIP Agent and any internal or third-party appraisers, consultants, advisors and auditors engaged by or for the benefit of the DIP Agent and/or its counsel) in connection with the preparation, execution, delivery, and administration of the DIP Loan Documents, this Interim Order, the Final Order, and any other agreements, instruments, pleadings, or other documents prepared or reviewed in connection with any of the foregoing, whether or not any or all of the transactions contemplated hereby or by the DIP Loan Documents are consummated.

(b) Notice of Professional Fees. Professionals for the DIP Agent and the Prepetition First Lien Agent (including professionals engaged by counsel to the DIP Agent or Prepetition First Lien Agent, as applicable) (collectively, the “Lender Professionals”) shall not be required to comply with the United States Trustee fee guidelines or submit invoices to this Court, United States Trustee, any Committee or any other party in interest. Copies of summary invoices submitted to the Debtors by such Lender Professionals shall be forwarded by the Debtors to the United States Trustee, counsel for any Committee, and such other parties as this Court may direct. If no objection to payment of the requested fees and expenses is made in writing (email being sufficient) by any of the Debtors, any Committee, or the United States Trustee within ten calendar days after delivery of such invoices, such invoices shall be promptly paid by the Debtors and, in any event, no later than three Business Days after expiration of such ten day period. The summary invoices shall be sufficiently detailed to enable a determination as to the reasonableness of such fees and expenses; provided, however, that such summary invoices may be redacted to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such summary invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine or other applicable privilege. If the Debtors, United States Trustee or any Committee object to the reasonableness of the fees and expenses of any of the Lender Professionals and cannot resolve such objection within ten days of receipt of such invoices, then the Debtors, United States Trustee, or the Committee, as the case may be, shall file with this Court and serve on such Lender Professionals an objection (the “Fee Objection”) limited to the issue of the reasonableness of such fees and expenses, and any failure by any such party to file a Fee Objection within such ten day period shall constitute a waiver of any right of such party

to object to the applicable invoice. Notwithstanding any provision herein to the contrary, any objection to, and any hearing on an objection to, payment of any fees, costs, and expenses set forth in a professional fee invoice in respect of Lender Professionals shall be limited to the reasonableness of the particular items or categories of the fees, costs, and expenses that are the subject of such objection. The Debtors shall timely pay in accordance with the terms and conditions of this Interim Order (a) the undisputed fees, costs, and expenses reflected on any invoice to which a Fee Objection has been timely filed and (b) all fees, costs and expenses on any invoice to which no Fee Objection has been timely filed. All such unpaid fees, costs, expenses, and charges of the DIP Agent that have not been disallowed by this Court on the basis of an objection filed by the Debtor, the United States Trustee or the Committee (or any subsequent trustee of the Debtors' estates) in accordance with the terms hereof shall constitute DIP Obligations and shall be secured by the DIP Collateral as specified in this Interim Order. Any and all fees, commissions, costs, and expenses paid prior to the Petition Date by any Debtor to the DIP Agent or the other DIP Secured Parties in connection with or with respect to the DIP Facility, the DIP Credit Agreement, or the other DIP Loan Documents are hereby approved in full and non-refundable and shall not otherwise be subject to any Challenge.

(c) Binding Effect. Subject only to Paragraph 6 above, the provisions of this Interim Order, including all findings herein, and the DIP Loan Documents shall be binding upon all parties in interest in these Chapter 11 Cases and any Successor Cases, including the DIP Secured Parties, the Prepetition First Lien Secured Parties, any Committee, and the Debtors and their respective estates, successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary or responsible person

appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors), whether in any of the Chapter 11 Cases, in any Successor Cases, or upon dismissal of any such Case or Successor Case; provided, however, that except to the extent expressly provided in Paragraph 6, the DIP Secured Parties and the Prepetition First Lien Secured Parties shall have no obligation to permit the use of Cash Collateral or to extend any financing to any chapter 7 or chapter 11 trustee or other responsible person appointed for the estates of the Debtors in any Chapter 11 Case or Successor Case.

(d) No Waiver. The failure of the Prepetition First Lien Secured Parties or the DIP Secured Parties to seek relief or otherwise exercise their rights and remedies under this Interim Order, the Prepetition First Lien Loan Documents, the DIP Loan Documents or otherwise (or any delay in seeking or exercising same) shall not constitute a waiver of any of such parties' rights hereunder, thereunder, or otherwise. Nothing contained in this Interim Order (including the authorization of the use of any Cash Collateral) shall impair or modify any rights, claims, or defenses available in law or equity to any Prepetition First Lien Secured Party or any DIP Secured Party, including rights of a party to a swap agreement, securities contract, commodity contract, forward contract, or repurchase agreement with a Debtor to assert rights of setoff or other rights with respect thereto as permitted by law (or the right of the Debtors to contest or object to such assertion). Except as provided by this Interim Order, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair, any right or ability of the Prepetition First Lien Secured Parties or the DIP Secured Parties under the Bankruptcy Code or under non-bankruptcy law to (i) request conversion of the Chapter 11 Cases or any Successor Cases to cases under chapter 7, dismissal of the Chapter 11 Cases or any Successor Cases, or the appointment of a trustee or examiner in the Chapter 11 Cases or any

Successor Cases, or to oppose the use of Cash Collateral in any Successor Case, (ii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, any chapter 11 plan or plans with respect to any of the Debtors or seek early termination of the Debtors' exclusive rights to propose a plan under the Bankruptcy Code, or (iii) exercise any of the rights, claims, or privileges (whether legal, equitable, or otherwise) of the DIP Secured Parties or the Prepetition First Lien Secured Parties, respectively, under the DIP Loan Documents or the Prepetition First Lien Loan Documents, the Bankruptcy Code or otherwise, in each case with the rights of the Debtors to contest or object thereto reserved. Except to the extent otherwise expressly provided in this Interim Order or by law, neither the commencement of the Chapter 11 Cases nor the entry of this Interim Order shall limit or otherwise modify the rights and remedies of the Prepetition First Lien Secured Parties under the Prepetition First Lien Loan Documents or with respect to any non-Debtor entities or their respective assets, whether such rights and remedies arise under the Prepetition First Lien Loan Documents, applicable law, or equity.

(e) No Third Party Rights. Except as explicitly provided for herein or in any DIP Loan Document, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder, or direct, indirect, or incidental beneficiary. In determining to make any loan (whether under the DIP Credit Agreement or otherwise) or to permit the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Loan Documents, the DIP Secured Parties and the Prepetition First Lien Secured Parties shall not (i) be deemed to be in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, as amended, or any similar federal,

state or local statute or regulation) or (ii) owe any fiduciary duty to the Debtors, their respective creditors, shareholders, or estates.

(f) No Marshaling. Subject to entry of the Final Order, neither the DIP Secured Parties nor the Prepetition First Lien Secured Parties shall be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition First Lien Collateral, as applicable.

(g) Amendments. The Debtors are authorized and empowered, without further notice and hearing or approval of this Court, to amend, modify, supplement, or waive any provision of the DIP Loan Documents in accordance with the provisions thereof, in each case unless such amendment, modification, supplement, or waiver is material. No waiver, modification, or amendment of any of the provisions of the DIP Loan Documents shall be effective unless set forth in writing, signed by or on behalf of the Borrower and the DIP Agent (after having obtained the approval of the requisite DIP Secured Parties under the DIP Credit Agreement) and, except as provided herein, approved by this Court. Notwithstanding the foregoing, no waiver, modification or amendment of any of the provisions of this Interim Order or the DIP Loan Documents that would directly and adversely affect the rights or interests of the Prepetition First Lien Secured Parties, as applicable, shall be effective unless also consented to in writing by the Prepetition First Lien Agent on behalf of the Prepetition First Lien Secured Parties (after obtaining the approval of the requisite Prepetition First Lien Secured Parties under the Prepetition First Lien Credit Agreement).

(h) Inconsistency. In the event of any inconsistency between the terms and conditions of the DIP Loan Documents and of this Interim Order, the provisions of this Interim Order shall govern and control. In the event of any inconsistency between the terms or conditions

of this Interim Order and the terms or conditions of any other order entered by this Court in the nature of a “first day order”, the provisions of this Interim Order shall govern and control.

(i) Enforceability. This Interim Order shall constitute findings of fact and conclusions of law pursuant to the Bankruptcy Rule 7052 and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon execution hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062 or 9024 or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry, and there shall be no stay of execution or effectiveness of this Interim Order.

(j) Reservation of Rights. Nothing in this Interim Order shall be deemed to constitute the consent of the DIP Secured Parties or the Prepetition First Lien Secured Parties, and except as expressly provided in the DIP Loan Documents, each of the foregoing expressly reserve the right to object, to entry of any Order of the Bankruptcy Court that provides for the sale or other disposition of all or substantially all of the assets of the Debtors (or any other sale or other disposition of assets of any of the Debtors outside the ordinary course of business) to any party unless, in connection and concurrently with any such event, the proceeds of such sale are or will be sufficient to satisfy Payment in Full of the DIP Obligations and the Prepetition First Lien Obligations on the closing date of such sale.

(k) Headings. Paragraph headings used herein are for convenience only and are not to affect the construction of, or to be taken into consideration in, interpreting this Interim Order.

**NOTICES, RESTRICTIONS, AND OTHER PROCEDURES REGARDING
(A) CERTAIN TRANSFERS OF INTERESTS IN THE DEBTORS, AND
(B) CLAIMS OF CERTAIN WORTHLESS STOCK DEDUCTIONS**

TO ALL PERSONS OR ENTITIES WITH EQUITY INTERESTS IN THE DEBTORS:

Pursuant to that certain *Order (A) Establishing Notification Procedures and Approving Restrictions on (I) Certain Transfers of Interests in the Debtors, and (II) Claims of Certain Worthless Stock Deductions; and (B) Granting Related Relief* (the “**Order**”) entered by the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”) on August 20, 2025, Docket No. (____), the following restrictions, notification requirements, and/or other procedures (collectively, the “**Procedures**”) apply to all trading and transfers of, and all claims of Worthless Stock Deductions (defined below) by a Majority Stockholder (defined below) with respect to, the Beneficial Ownership (defined below) of Common Stock (including indirect ownership of, and Options (defined below) to acquire, Beneficial Ownership of Common Stock (defined below)).²

¹ A complete list of each of the Debtors in these chapter 11 cases (the “**Chapter 11 Cases**”) and the last four digits of each Debtor’s taxpayer identification number (if applicable) may be obtained on the website of the Debtors’ proposed claims and noticing agent at <https://www.veritaglobal.net/ModivCare>. Debtor ModivCare Inc.’s principal place of business and the Debtors’ service address in these Chapter 11 Cases is 6900 E. Layton Avenue, Suite 1100 & 1200, Denver, Colorado 80237.

² Capitalized terms used, but not otherwise defined herein, shall have the same meanings ascribed to such terms in the Order.

A. Common Stock Restrictions.

1. Definitions. For purposes of these Procedures, the following terms have the following meanings:

i. **“Beneficial Ownership”** of Common Stock and Options to acquire Common Stock shall be determined in accordance with applicable rules under section 382 of title 26 of the United States Code (the **“Tax Code”**), title 26 of the Code of Federal Regulations (the **“Treasury Regulations”**), and rulings issued by the Internal Revenue Service (the **“IRS”**), and, thus, to the extent provided in those sources, from time to time shall include, without limitation, (A) direct and indirect ownership, determined without regard to any rule that treats stock of an entity as to which the constructive ownership rules apply as no longer owned by that entity (*e.g.*, a holding company would be considered to beneficially own all stock owned or acquired by its subsidiaries), (B) ownership by a holder’s family members, (C) ownership by any Entity, and (D) to the extent set forth in Treasury Regulations section 1.382-4, the ownership of an Option to acquire Beneficial Ownership of Common Stock.

ii. **“Common Stock”** shall mean common stock issued by ModivCare Inc. For the avoidance of doubt, by operation of the definition of Beneficial Ownership, an owner of an Option to acquire Beneficial Ownership of Common Stock may be treated as the owner of such Common Stock.

iii. **“Entity”** has the meaning assigned in section 1.382-3(a) of the Treasury Regulations, including any group of persons acting pursuant to a formal or informal understanding among themselves to make a coordinated acquisition of Common Stock.

iv. **“Majority Stockholder”** shall mean (A) any person or Entity that Beneficially Owns at least 7,149,570 shares of Common Stock (representing approximately 50% of all issued and outstanding shares of Common Stock) or (B) any person or Entity that would be a “50-percent shareholder” (within the meaning of section 382(g)(4)(D) of the Tax Code) with respect to its Beneficial Ownership of Common Stock if such person claimed a Worthless Stock Deduction at any time on or after the Petition Date.

v. **“Option”** shall mean all interests described in Treasury Regulations section 1.382-4(d)(9), including any contingent purchase, warrant, convertible debt, put, stock subject to risk of forfeiture, contract to acquire stock, or similar interest regardless of whether it is contingent or otherwise not currently exercisable.

vi. **“Substantial Stockholder”** shall mean any person or Entity that Beneficially Owns at least 643,460 shares of Common Stock (representing approximately 4.5% of all issued and outstanding Common Stock).

vii. **“Worthless Stock Deduction”** shall mean any claim (for U.S. federal income tax reporting purposes) of a worthlessness deduction under section 165 of the Tax Code with respect to Beneficial Ownership of Common Stock.

2. Notice of Substantial Stock Ownership. Any person or Entity that Beneficially Owns, at any time on or after the Petition Date, Common Stock in an amount sufficient to qualify

such person or Entity as a Substantial Stockholder shall file with the Bankruptcy Court a notice of such person's or Entity's substantial ownership (a "***Substantial Stock Ownership Notice***"), in substantially the form annexed to the Order as **Exhibit 1A**, which describes specifically and in detail such person's or Entity's Beneficial Ownership of Common Stock, on or before the date that is the later of (x) twenty (20) calendar days after the entry of the Order or (y) ten (10) business days after such person or Entity qualifies as a Substantial Stockholder. All Substantial Stock Ownership Notices shall be served on the following parties (collectively, the "***Disclosure Parties***"):

- (a) the Debtors, ModivCare Inc., 6900 E. Layton Avenue, Suite 1100 & 1200, Denver, Colorado 80237, Attn: General Counsel;
- (b) proposed co-counsel to the Debtors, Latham & Watkins LLP, 1271 Avenue of the Americas, New York, NY 10020, Attn: George Klidonas (george.klidonas@lw.com) and Jonathan Weichselbaum (jon.weichselbaum@lw.com);
- (c) proposed co-counsel to the Debtors, Hunton Andrews Kurth LLP, Attn: Timothy A. ("Tad") Davidson II (taddavidson@hunton.com), Brandon Bell (bbell@hunton.com);
- (d) counsel to the First Lien Agent and Consenting Creditors (as defined in the RSA) (the "***First Lien Agent and Consenting Creditor Counsel***"), Paul Hastings LLP (Attn: Kris Hansen, and Matt Warren (krishansen@paulhastings.com, and mattwarren@paulhastings.com));
- (e) counsel for any statutory committee appointed in the Chapter 11 Cases.

At the election of the filing Substantial Stockholder, the Substantial Stock Ownership Notice to be filed with the Bankruptcy Court (but not the Substantial Stock Ownership Notice that is served upon the Disclosure Parties) may be redacted to exclude the Substantial Stockholder's taxpayer identification number and the amount of Common Stock that the Substantial Stockholder Beneficially Owns.

3. **Acquisition of Common Stock.** At least twenty (20) business days prior to the proposed date of any transfer of Beneficial Ownership of Common Stock (including indirectly or through the issuance or transfer of Options to acquire Beneficial Ownership of Common Stock) or exercise of any Option to acquire Beneficial Ownership of Common Stock, or other transaction that would result in an increase in the amount of Common Stock Beneficially Owned by any person or Entity that currently is or, as a result of the proposed transaction, would be a Substantial Stockholder (a "***Proposed Acquisition Transaction***"), such acquiring or increasing person or Entity, or Substantial Stockholder (a "***Proposed Transferee***") shall file with the Bankruptcy Court and serve upon the Disclosure Parties a notice of such Proposed Transferee's intent to purchase, acquire, or otherwise accumulate Beneficial Ownership of Common Stock and/or Options to acquire Beneficial Ownership of Common Stock (an "***Acquisition Notice***"), in substantially the form annexed to the Order as **Exhibit 1B**, which describes specifically and in detail the Proposed Acquisition Transaction. At the election of the Proposed Transferee, the Acquisition Notice to be

filed with the Bankruptcy Court (but not the Acquisition Notice that is served upon the Disclosure Parties) may be redacted to exclude the Proposed Transferee's taxpayer identification number and the amount of Common Stock that the Proposed Transferee Beneficially Owns.

4. Disposition of Common Stock. At least twenty (20) business days prior to the proposed date of any transfer or other transaction or disposition of Beneficial Ownership of Common Stock (including indirectly or through the issuance or transfer of Options to acquire Beneficial Ownership of Common Stock) that would result in either a decrease in the amount of Common Stock Beneficially Owned by a Substantial Stockholder or a person's or Entity's ceasing to be a Substantial Stockholder (a "***Proposed Disposition Transaction***" and, together with a Proposed Acquisition Transaction, a "***Proposed Transaction***"), such person, Entity, or Substantial Stockholder (a "***Proposed Transferor***") shall file with the Bankruptcy Court and serve upon the Disclosure Parties a notice of such Proposed Transferor's intent to sell, trade, or otherwise transfer the Beneficial Ownership of Common Stock or Options to acquire Beneficial Ownership of Common Stock (a "***Disposition Notice***" and, together with an Acquisition Notice, a "***Trading Notice***"), in substantially the form annexed to the Order as Exhibit 1C, which describes specifically and in detail the Proposed Disposition Transaction. At the election of the Proposed Transferor, the Disposition Notice to be filed with the Bankruptcy Court (but not the Disposition Notice that is served upon the Disclosure Parties) may be redacted to exclude the Proposed Transferor's taxpayer identification number and the amount of Common Stock that the Proposed Transferor Beneficially Owns.

5. Notice of Status as a Majority Stockholder. Any person or Entity that currently is or becomes a Majority Stockholder shall file with the Bankruptcy Court and serve upon the Disclosure Parties a notice of such status (a "***Majority Stockholder Notice***"), in substantially the form annexed to the Order as Exhibit 1D, which describes specifically and in detail such person's Beneficial Ownership of Common Stock, on or before the date that is the later of (x) twenty (20) calendar days after the entry of the Order or (y) ten (10) business days after such person qualifies as a Majority Stockholder. At the election of the Majority Stockholder, the Majority Stockholder Notice to be filed with the Bankruptcy Court (but not the Majority Stockholder Notice that is served upon the Disclosure Parties) may be redacted to exclude the Majority Stockholder's taxpayer identification number.

6. Notice of Intent to Claim a Worthless Stock Deduction. At least twenty (20) business days before a Majority Stockholder files any U.S. federal income tax return, or any amendment to such a return, claiming a Worthless Stock Deduction for a tax year of the Majority Stockholder ending on or before the effective date of a chapter 11 plan of reorganization for the Debtors, such Majority Stockholder shall file with the Bankruptcy Court and serve upon the Disclosure Parties advanced written notice of the intended Worthless Stock Deduction (a "***Worthless Stock Deduction Notice***"), in substantially the form annexed to the Order as Exhibit 1E. At the election of the Majority Stockholder, the Worthless Stock Deduction Notice to be filed with the Bankruptcy Court (but not the Worthless Stock Deduction Notice that is served upon the Disclosure Parties) may be redacted to exclude the Majority Stockholder's taxpayer identification number.

7. Objection Procedures. The Debtors shall have fifteen (15) business days after the filing of a Trading Notice or a Worthless Stock Deduction Notice (the "***Objection Period***") to file

with the Bankruptcy Court and serve on a Proposed Transferee or a Proposed Transferor, as the case may be, or a Majority Stockholder, as applicable, an objection (each, an “**Objection**”) to any Proposed Transaction described in such Trading Notice or any Worthless Stock Deduction described in such Worthless Stock Deduction Notice. If the Debtors file an Objection by the expiration of the Objection Period (the “**Objection Deadline**”), then the applicable Proposed Transaction or Worthless Stock Deduction shall not be effective unless and until approved by a final and nonappealable order of the Bankruptcy Court. If the Debtors do not file an Objection by the Objection Deadline or if the Debtors provide written authorization to the Proposed Transferee or the Proposed Transferor, as the case may be, or the Majority Stockholder, as applicable, approving the Proposed Transaction or the Worthless Stock Deduction prior to the Objection Deadline, then such Proposed Transaction or Worthless Stock Deduction may proceed solely as specifically described in the applicable Trading Notice or Worthless Stock Deduction Notice. Any further or alternative Proposed Transaction or Worthless Stock Deduction must be the subject of an additional Trading Notice or Worthless Stock Deduction Notice, as applicable, and Objection Period.

8. Notice of Order. Any person, Entity, or Nominee (as defined in the Motion) acting on such person’s or Entity’s behalf, who sells Beneficial Ownership of Common Stock to another person or Entity, shall be required to send a copy of the Notice of Order annexed to the Order as **Exhibit 1F** to the purchaser of such Beneficial Ownership of Common Stock or any Nominee acting on such purchaser’s behalf.

B. Noncompliance with the Procedures.

Any acquisition, disposition, transfer, trading of, or claim of Worthless Stock Deduction with respect to, Beneficial Ownership of Common Stock (including indirect ownership of, and Options to acquire, Beneficial Ownership of Common Stock) in violation of these Procedures shall be null and void *ab initio* as an act in violation of the automatic stay under section 362 of the Bankruptcy Code and pursuant to the Bankruptcy Court’s equitable powers under section 105(a) of the Bankruptcy Code. In the event that a Majority Stockholder claims a Worthless Stock Deduction in violation of these Procedures, such holder shall be required to file an amended U.S. federal income tax return revoking such deduction. Furthermore, any person or Entity that acquires, disposes of, transfers, or trades, or claims a Worthless Stock Deduction with respect to, Beneficial Ownership of Common Stock (including indirect ownership of, and Options to acquire, Beneficial Ownership of Common Stock) in violation of these Procedures shall be subject to sanctions as provided under the Order and by applicable law.

C. Debtors’ Right to Waive.

The Debtors may, after consultation with First Lien Agent and Consenting Creditor Counsel, in their sole discretion, waive, in writing, any and all of the foregoing restrictions, stays, and notification procedures.

If since the beginning of any applicable Test Period any Person that subsequently became a Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.04(b), then such financial ratio or test (or the calculation of Consolidated EBITDA) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.04(b).

(iii) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower and include, for the avoidance of doubt, the amount of cost savings, operating expense reductions, other operating improvements and cost synergies either (1) projected by the Borrower in good faith to be reasonably anticipated to be realizable within twenty-four (24) months of the date thereof or (2) determined on a basis consistent with Article 11 of Regulation S-X promulgated under the Exchange Act and as interpreted by the staff of the Securities and Exchange Commission (or any successor agency), in each case in accordance with (and without duplication of, and subject to the limitations set forth in) clause (xv) of the definition of “Consolidated EBITDA” (calculated on a *pro forma* basis as though such cost savings, operating expense reductions, other operating improvements and cost synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions, other operating improvements and cost synergies were realized during the entirety of such period), and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized relating to such Specified Transaction.

(iv) In the event that the Borrower or any Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any

Indebtedness included in the calculations of any financial ratio or test (in each case, other than Indebtedness incurred or repaid under any revolving credit facility), (1) during the applicable Test Period or (2) subject to Section 1.04(b)(i) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Test Period.

(v) Any provision requiring the *pro forma* compliance with Section 6.12 shall be made assuming that compliance with the Interest Coverage Ratio or Total Net Leverage Ratio, as applicable, pursuant to such Section is required with respect to the most recent Test Period prior to such time.

(vi) If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Swap Agreement applicable to such Indebtedness).

The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

In the event that the Borrower or any other Loan Party shall at any time issue or have outstanding any Subordinated Indebtedness, the Borrower shall take or cause such other Loan Party to take all such actions as shall be necessary to cause the Secured Obligations to constitute senior indebtedness (however denominated) in respect of such Subordinated Indebtedness and to enable the Administrative Agent and the Lenders to have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness. Without limiting the foregoing, the Secured Obligations are hereby designated as “senior indebtedness” and as “designated senior indebtedness” and words of similar import under and in respect of any indenture or other agreement or instrument under which such Subordinated Indebtedness is outstanding and are further given all such other designations as shall be required under the terms of any such Subordinated Indebtedness in order that the Lenders may have and

SECTION 1.07. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Equivalent of the stated amount of such Letter of Credit available to be drawn at such time; provided that, with respect to any Letter of Credit that, by its terms or the terms of any Letter of Credit Agreement related thereto, provides for one or more automatic increases in the available amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Equivalent of the maximum amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum amount is available to be drawn at such time.

SECTION 1.08. Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

SECTION 1.09. Exchange Rates; Currency Equivalents.

(a) The Administrative Agent or the applicable Issuing Bank, as applicable, shall determine the Dollar Equivalent amounts of Term Benchmark Borrowings or Letter of Credit extensions denominated in Alternative Currencies. Except for purposes of financial statements delivered by the Borrower hereunder or calculating financial covenants hereunder or except as otherwise provided herein, the applicable amount of any Agreed Currency (other than Dollars) for purposes of the Loan Documents shall be such Dollar Equivalent amount as so determined by the Administrative Agent or the Issuing Bank, as applicable.

(b) Wherever in this Agreement in connection with a Borrowing, conversion, continuation or prepayment of a Term Benchmark Loan or an RFR Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Borrowing, Loan or Letter of Credit is denominated in an Alternative Currency, such amount shall be the Dollar Equivalent of such amount (rounded to the nearest unit of such Alternative Currency, with 0.5 of a unit being rounded upward), as determined by the Administrative Agent or the applicable Issuing Bank, as the case may be.

SECTION 1.10. Limited Condition Transactions. As it relates to any action being taken solely or primarily in connection with a Limited Condition Acquisition, for purposes of:

(a) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or financial test (other than actual (and not pro forma) compliance with Section 6.12 or in the case of any determination under Section 4.02 with respect to obligation of each Revolving Lender to make a Revolving Loan or Swingline Loan on the occasion of any Borrowing, or of the Issuing Banks to issue, amend or extend any Letter of Credit),

(b) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated EBITDA) or,

(c) testing whether a Default or Event of Default has occurred or would result therefrom (other than for any determination under Section 4.02 with respect to obligation of each Revolving Lender to make a Revolving Loan or Swingline Loan on the occasion of any Borrowing, or of the Issuing Banks to issue, amend or extend any Letter of Credit),

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "LCT Election"), the date of determination of whether any such action is permitted hereunder, any such provision is complied with, any such tested availability is sufficient, and any such Default or Event of Default exists, in each case, shall be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "LCT Test Date"), and if, after giving effect to the Limited Condition Acquisition on a pro forma basis (and the other transactions to be entered into in connection therewith, including any incurrence of Indebtedness and the use of proceeds thereof, as if they had occurred on the first day of the most recently ended Test Period prior to the LCT Test Date), the Borrower or the applicable Subsidiary would have been permitted to take such action on the relevant LCT Test Date in compliance with such provision, ratio, test or basket, such provision, ratio, test or basket shall be deemed to have been complied with or if no such Default or Event of Default shall exist on such LCT Test Date then such condition shall be deemed satisfied on the date of consummation of such LCT Test Date; provided, that, if financial statements for one or more subsequent fiscal periods shall have become available, the Borrower may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the provisions, ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such provision, ratio, test or basket, including due to fluctuations in Consolidated EBITDA of the Borrower or the Person subject to such Limited Condition Acquisition or at or prior to the consummation of the relevant transaction or any Default or Event of Default has occurred and is continuing on the date of such Limited Condition Acquisition, such provisions, baskets, tests or ratios or requirement will not be deemed to have failed to have been complied with as a result of such circumstance; however, if any provisions or ratios improve or baskets increase as a result of such fluctuations, such improved provisions, ratios or baskets may be utilized. If the Borrower has made an LCT Election for any Limited Condition Acquisition, then in connection with any calculation of any ratio, test or basket availability with respect to any transaction permitted hereunder (each, a "Subsequent Transaction") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis (i) assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated and (ii) solely in the case of a Subsequent Transaction constituting a Restricted Payment, assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have not been consummated.

SECTION 1.11. Excluded WD Subsidiaries. Notwithstanding anything else to the contrary, upon written notice to the Administrative Agent, so long as no Event of Default exists and so long as no Excluded WD Subsidiary owns any intellectual property that is material to the business of the Borrower and its Subsidiaries, taken as a whole, the Borrower shall be permitted to designate any of the Excluded WD Subsidiaries as an "unrestricted subsidiary" for the purposes of this Agreement and other Loan Documents (any such subsidiary, an "Unrestricted Subsidiary"), pursuant to which (i) the assets of such entities so designated shall be treated as Investments pursuant to Section 6.05, (ii) the entities so

designated will not be considered subsidiaries of the Borrower for any purpose of this Agreement and will not otherwise be subject to the terms of this Agreement other than with respect to financial reporting (for the avoidance of doubt, such entities will not be subject to the representations and warranties, negative covenants, affirmative covenants, mandatory prepayments and event of defaults under this Agreement), (iii) the net income of such entities will not be taken into account for the purposes of calculating “Consolidated EBITDA” and “Consolidated Net Income” unless distributed to the Borrower or any of its other Subsidiaries (other than Unrestricted Subsidiaries), and (iv) the indebtedness of such entities will not be taken into account for the purposes of calculating “Consolidated Funded Indebtedness”, “Secured Net Leverage Ratio” and “Total Net Leverage Ratio”; provided that, each such Unrestricted Subsidiary shall have been or will promptly be designated an “unrestricted subsidiary” (or otherwise not subject to the covenants) under any other Indebtedness for borrowed money with an aggregate principal outstanding amount in excess of \$20,000,000.

SECTION 2.01. Commitments. Subject to the terms and conditions set forth herein, each Lender (severally and not jointly) agrees to make Revolving Loans to the Borrower in Agreed Currencies from time to time during the Availability Period in an aggregate principal amount that will not result (after giving effect to any application of proceeds of such Borrowing to any Swingline Loans outstanding pursuant to Section 2.10(a)) in, subject to Sections 1.09 and 2.11(b), (a) such Lender’s Revolving Credit Exposure exceeding such Lender’s Commitment, (b) the Total Revolving Credit Exposure exceeding the Aggregate Commitment or (c) the Total Revolving Credit Exposure denominated in Alternative Currencies exceeding the Alternative Currency Sublimit. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans.

SECTION 2.02. Loans and Borrowings. (a) Each Revolving Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Revolving Loans made by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender’s failure to make Loans as required. Any Swingline Loan shall be made in accordance with the procedures set forth in Section 2.05.

(b) Subject to Section 2.14, each Revolving Borrowing shall be comprised (A) in the case of Borrowings in Dollars, entirely of ABR Loans, Term Benchmark Loans or RFR Loans and (B) in the case of Borrowings in any other Agreed Currency, entirely of Term Benchmark Loans or RFR Loans, as applicable, in each case of the same Agreed Currency, as the Borrower may request in accordance herewith. Each Swingline Loan shall be an ABR Loan. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.14, 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Term Benchmark Revolving Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 (or, if such Borrowing is denominated in an Alternative Currency, 500,000 units of such currency) and not less than \$1,000,000 (or, if such Borrowing is denominated in an Alternative Currency,

1,000,000 units of such currency). At the time that each ABR Revolving Borrowing and/or RFR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Dollar Equivalent of \$500,000 and not less than the Dollar Equivalent of \$1,000,000; provided that an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unused balance of the Aggregate Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e). Each Swingline Loan shall be in an amount that is an integral multiple of \$100,000 and not less than \$500,000. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) Term Benchmark or RFR Borrowings outstanding (in the aggregate for all Term Benchmark Borrowings and RFR Borrowings).

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

SECTION 2.03. Requests for Revolving Borrowings. To request a Revolving Borrowing, the Borrower shall notify the Administrative Agent of such request by irrevocable written notice (via a written Borrowing Request signed by a Responsible Officer of the Borrower) (provided, that a Borrowing Request with respect to funding of a transaction permitted hereunder may state that such notice is conditioned upon the completion of such transaction, in which case, such Borrowing Request may be revoked by the Borrower if the transaction is not consummated at the time specified) (a)(i)(x) in the case of a Term Benchmark Borrowing denominated in Dollars, not later than 9:00 a.m., New York City time, two (2) Business Days before the date of the proposed Borrowing or (y) in the case of an RFR Borrowing denominated in Dollars, not later than 9:00 a.m., New York City time, two (2) Business Days before the date of the proposed Borrowing, (ii) in the case of a Term Benchmark Borrowing denominated in Euros, not later than 9:00 a.m., New York City time, two (2) Business Days before the date of the proposed Borrowing, (iii) in the case of an RFR Borrowing denominated in Pounds Sterling, not later than 9:00 a.m., New York City time, two (2) RFR Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 12:00 p.m., New York City time on the date of the proposed Borrowing. Each such Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the Agreed Currency and aggregate principal amount of the requested Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing is to be an ABR Borrowing, a Term Benchmark Borrowing or an RFR Borrowing;
- (iv) in the case of a Term Benchmark Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and
- (v) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.07.

If no election as to the currency of a Borrowing is specified, then the requested Borrowing shall be made in Dollars. If no election as to the Type of Revolving Borrowing is specified, then, in the case of a Borrowing denominated in Dollars, the requested Revolving Borrowing shall be an ABR Borrowing. If

no Interest Period is specified with respect to any requested Term Benchmark Revolving Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. [Reserved].

SECTION 2.05. Swingline Loans. (a) Subject to the terms and conditions set forth herein, the Swingline Lender may agree, but shall have no obligation, to make Swingline Loans in Dollars to the Borrower from time to time during the Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding the Swingline Sublimit, (ii) the Swingline Lender's Revolving Credit Exposure exceeding its Commitment or (iii) the Dollar Equivalent of the Total Revolving Credit Exposure exceeding the Aggregate Commitment; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent of such request by irrevocable written notice (via a written Borrowing Request in a form approved by the Administrative Agent and signed by a Responsible Officer of the Borrower), not later than 12:00 noon, New York City time, on the day of a proposed Swingline Loan. Each such notice shall be in a form approved by the Administrative Agent, shall be irrevocable and shall specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Borrower. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to an account of the Borrower with the Administrative Agent designated for such purpose (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e), by remittance to such Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan.

(c) The Swingline Lender may by written notice given to the Administrative Agent require the Lenders to acquire participations in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loan or Loans. Each Lender hereby absolutely and unconditionally agrees, promptly upon receipt of such notice from the Administrative Agent (and in any event, if such notice is received by 12:00 noon, New York City time, on a Business Day, no later than 5:00 p.m., New York City time, on such Business Day and if received after 12:00 noon, New York City time, on a Business Day, no later than 10:00 a.m., New York City time, on the immediately succeeding Business Day), to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Loans. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so

received by it from the Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(d) The Swingline Lender may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Lenders of any such replacement of the Swingline Lender. At the time any such replacement shall become effective, the Borrower shall pay all unpaid interest accrued for the account of the replaced Swingline Lender pursuant to Section 2.13(a). From and after the effective date of any such replacement, (i) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans made thereafter and (ii) references herein to the term "Swingline Lender" shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline Lenders, as the context shall require. After the replacement of a Swingline Lender hereunder, the replaced Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to its replacement, but shall not be required to make additional Swingline Loans.

(e) Subject to the appointment and acceptance of a successor Swingline Lender, the Swingline Lender may resign as a Swingline Lender at any time upon thirty (30) days' prior written notice to the Administrative Agent, the Borrower and the Lenders, in which case, such Swingline Lender shall be replaced in accordance with Section 2.05(d) above.

SECTION 2.06. Letters of Credit. (a) General. Subject to the terms and conditions set forth herein, the Borrower may request any Issuing Bank to issue Letters of Credit denominated in Agreed Currencies as the applicant thereof for the support of its or its Subsidiaries' obligations, in a form reasonably acceptable to the Administrative Agent and the relevant Issuing Bank, at any time and from time to time during the Availability Period. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto, and from and after the Effective Date, shall be governed by the terms and conditions hereof.

(b) Notice of Issuance, Amendment, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the relevant Issuing Bank) to an Issuing Bank selected by it and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment or extension, but in any event no less than three (3) Business Days) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the Agreed Currency applicable thereto, the name and address of the beneficiary thereof and such other

information as shall be necessary to prepare, amend or extend such Letter of Credit. In addition, as a condition to any such Letter of Credit issuance, the Borrower shall have entered into a continuing agreement (or other letter of credit agreement) for the issuance of letters of credit and/or shall submit a letter of credit application, in each case, as required by the relevant Issuing Bank and using the relevant Issuing Bank's standard form (each, a "Letter of Credit Agreement"). In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any Letter of Credit Agreement, the terms and conditions of this Agreement shall control. A Letter of Credit shall be issued, amended or extended only if (and upon issuance, amendment or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment or extension (i) the amount of the LC Exposure shall not exceed \$60,000,000, (ii)(x) the aggregate undrawn amount of all outstanding Letters of Credit issued by any Issuing Bank at such time plus (y) the aggregate amount of all LC Disbursements made by such Issuing Bank that have not yet been reimbursed by or on behalf of the Borrower at such time (such sum for any Issuing Bank at any time of determination, its "Outstanding LC Amount") shall not exceed such Issuing Bank's Letter of Credit Commitment) (provided that, notwithstanding this clause (ii) but at all times subject to the immediately preceding clause (i) and the immediately succeeding clauses (iii) and (iv), an Issuing Bank may, in its sole discretion, agree to issue, amend or extend a Letter of Credit if such issuance, amendment or extension would cause such Issuing Bank's Outstanding LC Amount to exceed its Letter of Credit Commitment, (iii) the LC Exposure shall not exceed the total Letter of Credit Commitments, (iv) no Lender's Revolving Credit Exposure shall exceed its Commitment and (v) the Revolving Credit Exposure of all Lenders in Alternative Currencies shall not exceed the Alternative Currency Sublimit. The Borrower may, at any time and from time to time, reduce the Letter of Credit Commitment of any Issuing Bank with the consent of such Issuing Bank; provided that the Borrower shall not reduce the Letter of Credit Commitment of any Issuing Bank if, after giving effect of such reduction, the conditions set forth in the immediately preceding clauses (i) through (iv) shall not be satisfied.

No Issuing Bank shall be under any obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any law applicable to such Issuing Bank shall prohibit, or require that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense that was not applicable on the Effective Date and that such Issuing Bank in good faith deems material to it; or

(ii) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally.

(c) Expiration Date. Each Letter of Credit shall expire (or be subject to termination by notice from the relevant Issuing Bank to the beneficiary thereof) at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any extension of the expiration date thereof, one year after such extension) and (ii) the date that is five (5) Business Days prior to the Maturity Date; provided that any Letter of Credit with a one-year tenor may contain customary automatic extension provisions agreed upon by the Borrower and the Issuing Bank that provide for the extension thereof for additional one-year periods (which shall in no event extend beyond the date referenced in clause (ii) above), subject to a right on the part of the Issuing Bank

to prevent any such extension from occurring by giving notice to the beneficiary in advance of any such extension.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount or extending the expiration date thereof) and without any further action on the part of any Issuing Bank or the Lenders, each Issuing Bank hereby grants to each Lender, and each Lender hereby acquires from each Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the relevant Issuing Bank, such Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason, including after the Maturity Date. Each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments.

(e) Reimbursement. If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount in the currency of such LC Disbursement equal to such LC Disbursement, not later than 12:00 noon, New York City time, on the Business Day immediately following the day that the Borrower receives such notice; provided that, (x) if such LC Disbursement is denominated in Dollars, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.05 that such payment be financed with an ABR Revolving Borrowing or Swingline Loan in an equivalent amount of such LC Disbursement or (y) if such LC Disbursement is denominated in an Alternative Currency, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be converted into an equivalent amount of an ABR Revolving Borrowing denominated in Dollars in an amount equal to the Dollar Equivalent of such Alternative Currency, and, in each case, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing or Swingline Loan, as applicable. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the relevant Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the relevant Issuing Bank or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement. If the Borrower's reimbursement of, or obligation to reimburse, any amounts in any Alternative Currency would subject the Administrative Agent, any Issuing Bank or any Lender to any stamp duty, ad valorem charge or similar tax that would not be payable if such reimbursement were made or required to be made in Dollars, the Borrower shall, at its option, either

(x) pay the amount of any such tax requested by the Administrative Agent, the relevant Issuing Bank or the relevant Lender or (y) reimburse each LC Disbursement made in such Alternative Currency in Dollars, in an amount equal to the Dollar Equivalent thereof calculated on the date such LC Disbursement is made.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Agreement or this Agreement, or any term or provision therein or herein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) any payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder or (v) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to the Borrower or any Subsidiary or in the relevant currency markets generally. Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their respective Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms, any error in translation or any consequence arising from causes beyond the control of the relevant Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, each Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, within the time allowed by applicable law or the specific terms of the Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly after such examination notify the Administrative Agent and the Borrower by telephone (confirmed by telecopy or electronic mail) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full in the applicable currency on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the reimbursement is due and payable, at the rate per annum then applicable to ABR Revolving Loans and such interest shall be due and payable on the date when such reimbursement is payable; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(d) shall apply. Interest accrued pursuant to this paragraph shall be for the account of such Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank for such LC Disbursement shall be for the account of such Lender to the extent of such payment.

(i) Replacement and Resignation of an Issuing Bank. (A) Any Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit then outstanding and issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit or extend or otherwise amend any existing Letter of Credit.

(B) Subject to the appointment and acceptance of a successor Issuing Bank, any Issuing Bank may resign as an Issuing Bank at any time upon thirty days' prior written notice to the Administrative Agent, the Borrower and the Lenders, in which case, such Issuing Bank shall be replaced in accordance with Section 2.06(i)(A) above.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders with LC Exposure representing greater than 50% of the total LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account or accounts with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders (the "Collateral Account"), an amount in cash equal to 105% of the LC Exposure in the applicable currencies as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in Section 7.01(h) or 7.01(i). The Borrower also shall deposit cash collateral pursuant to this paragraph as and to the extent required by Section 2.11. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. In addition, and without limiting the foregoing or Section 2.06(c), if any LC Exposure remains outstanding after the expiration date specified in Section 2.06(c), the Borrower shall immediately deposit into the Collateral Account an amount in cash equal to 105% of such LC Exposure as of such date plus any accrued and unpaid interest thereon. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account and the

Borrower hereby grants the Administrative Agent a security interest in the Collateral Account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the relevant Issuing Bank for LC Disbursements for which it has not been reimbursed, together with related fees, costs and customary processing charges, and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Secured Obligations. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.11(a), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower as and to the extent that, immediately after giving effect to such return, the Total Revolving Credit Exposure would not exceed the Aggregate Commitment, and no Event of Default shall have occurred and be continuing.

(k) Letters of Credit Issued for Account of Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder supports any obligations of, or is for the account of, a Subsidiary, or states that a Subsidiary is the "account party," "applicant," "customer," "instructing party," or the like of or for such Letter of Credit, and without derogating from any rights of the relevant Issuing Bank (whether arising by contract, at law, in equity or otherwise) against such Subsidiary in respect of such Letter of Credit, the Borrower (i) shall reimburse, indemnify and compensate the relevant Issuing Bank hereunder for such Letter of Credit (including to reimburse any and all drawings thereunder) as if such Letter of Credit had been issued solely for the account of the Borrower and (ii) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of such Letters of Credit for its Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

(l) Issuing Bank Agreements. Each Issuing Bank agrees that, unless otherwise requested by the Administrative Agent, such Issuing Bank shall report in writing to the Administrative Agent (i) on or prior to each Business Day on which such Issuing Bank expects to issue, amend or extend any Letter of Credit, the date of such issuance, amendment or extension, and the aggregate face amount and currency of the Letters of Credit to be issued, amended or extended by it and outstanding after giving effect to such issuance, amendment or extension occurred (and whether the amount thereof changed), (ii) on each Business Day on which such Issuing Bank pays any amount in respect of one or more drawings under Letters of Credit, the date of such payment(s) and the amount of such payment(s), (iii) on any Business Day on which the Borrower fails to reimburse any amount required to be reimbursed to such Issuing Bank on such day, the date of such failure and the amount and currency of such payment in respect of Letters of Credit and (iv) on any other Business Day, such other information as the Administrative Agent shall reasonably request.

SECTION 2.07. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof solely by wire transfer of immediately available funds by 12:00 noon, New York City time (or in the case of an ABR Borrowing, prior to 1:00 p.m., New York City time), to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.05. Except in respect of the provisions of this Agreement covering the reimbursement of Letters of Credit, the

Administrative Agent will make such Loans available to the Borrower by promptly crediting the funds so received in the aforesaid account of the Administrative Agent to an account of the Borrower maintained with the Administrative Agent in New York City and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the relevant Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing (or in the case of an ABR Borrowing, prior to 12:00 noon, New York City time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the applicable Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans or in the case of Alternative Currencies, in accordance with such market practice, in each case, as applicable. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.08. Interest Elections. (a) Each Borrowing initially shall be of the Type and Agreed Currency specified in the applicable Borrowing Request and, in the case of a Term Benchmark Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Term Benchmark Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be signed by a Responsible Officer of the Borrower.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Agreed Currency and the principal amount of the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing (in the case of Borrowings denominated in Dollars) or a Term Benchmark Borrowing or an RFR Borrowing; and

(iv) if the resulting Borrowing is a Term Benchmark Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Term Benchmark Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Term Benchmark Borrowing in Dollars prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be deemed to have an Interest Period that is the same as the immediately preceding Interest Period. If the Borrower fails to deliver a timely and complete Interest Election Request with respect to a Term Benchmark Borrowing in an Alternative Currency prior to the end of the Interest Period therefor, then, unless such Term Benchmark Borrowing is repaid as provided herein, the Borrower shall be deemed to have selected that such Term Benchmark Borrowing shall automatically be continued as a Term Benchmark Borrowing in its original Agreed Currency with an Interest Period of one month at the end of such Interest Period. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Revolving Borrowing may be converted to or continued as a Term Benchmark Borrowing and (ii) unless repaid, (x) each Term Benchmark Borrowing and each RFR Borrowing, in each case denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (y) each Term Benchmark Borrowing and each RFR Borrowing, in each case denominated in an Alternative Currency shall bear interest at the Central Bank Rate for the applicable Agreed Currency plus the CBR Spread; *provided* that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Agreed Currency other than Dollars shall either be (A) converted to an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) at the end of the Interest Period, as applicable, therefor or (B) prepaid at the end of the applicable Interest Period, as applicable, in full; *provided* that if no election is made by the Borrower by the earlier of (x) the date that is three Business Days after receipt by the Borrower of such notice and (y) the last day of the current Interest Period for the applicable Term Benchmark Loan, the Borrower shall be deemed to have elected clause (A) above.

SECTION 2.09. Termination and Reduction of Commitments. (a) Unless previously terminated all Commitments shall terminate on the Maturity Date.

(b) The Borrower may at any time terminate, or from time to time reduce, the Commitments; provided that (i) each reduction of the Commitments shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, (A) the Dollar Equivalent of any Lender's Revolving Credit Exposure would exceed its Commitment or (B) the Dollar Equivalent of the Total Revolving Credit Exposure would exceed the Aggregate Commitment.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or other transactions specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be made ratably among the applicable Lenders in accordance with their respective Commitments of the applicable Class.

SECTION 2.10. Repayment of Loans; Evidence of Debt.

(a) Repayment of Loans. The Borrower hereby unconditionally promises to pay (A) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan on the Maturity Date in the currency of such Loan and (B) to the Administrative Agent for the account of the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of the Maturity Date and the fifth (5th) Business Day after such Swingline Loan is made; provided that on each date that a Revolving Borrowing is made, the Borrower shall repay all Swingline Loans then outstanding and the proceeds of any such Borrowing shall be applied by the Administrative Agent to repay any Swingline Loans outstanding.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class, Agreed Currency and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the Obligations (including, without limitation, the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement).

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in the form attached hereto as Exhibit H. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form.

SECTION 2.11. Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with the provisions of this Section 2.11(a). The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by written notice of any prepayment hereunder (i) (x) in the case of prepayment of (A) a Term Benchmark Borrowing denominated in Dollars, not later than 9:00 a.m., New York City time, two (2) Business Days before the date of prepayment, (B) an RFR Borrowing denominated in Dollars, not later than 9:00 a.m., New York City time, two (2) RFR Business Days before the date of prepayment and (C) a Term Benchmark Borrowing denominated in euro, not later than 9:00 a.m., New York City time, two (2) Business Days before the date of prepayment, (y) in the case of prepayment of an RFR Borrowing denominated in Pounds Sterling, not later than 9:00 a.m., New York City time, two (2) RFR Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 p.m., New York City time, on the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 12:00 noon, New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, (1) if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09, and (2) a notice of prepayment delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or other transactions specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to a Revolving Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Revolving Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.13 and (ii) break funding payments pursuant to Section 2.16 (if any).

(b) If at any time, (i) other than as a result of fluctuations in currency exchange rates, (A) the aggregate principal Dollar Equivalent of the Total Revolving Credit Exposure (calculated, with respect to those Credit Events denominated in Alternative Currencies, as of the most recent Revaluation Date with respect to each such Credit Event) exceeds the Aggregate Commitment or (B) the aggregate principal Dollar Equivalent of the Total Revolving Credit Exposure denominated in Alternative Currencies (the “Alternative Currency Exposure”) (so calculated), as of the most recent Revaluation Date with respect to each such Credit Event, exceeds the Alternative Currency Sublimit or (ii) solely as a result of fluctuations in currency exchange rates, (A) the aggregate principal Dollar Equivalent of the Total Revolving Credit Exposure (so calculated as of the most recent Revaluation Date with respect to each such Credit Event) exceeds 105% of the Aggregate Commitment or (B) the Alternative Currency Exposure, as of the most recent Revaluation Date with respect to each such Credit Event, exceeds 105% of the Alternative Currency Sublimit, the Borrower shall in each case immediately repay Borrowings or

cash collateralize LC Exposure in an account with the Administrative Agent pursuant to Section 2.06(j), as applicable, in an aggregate principal amount sufficient to cause (x) the aggregate Dollar Equivalent of the Total Revolving Credit Exposure (so calculated) to be less than or equal to the Aggregate Commitment and (y) the Alternative Currency Exposure to be less than or equal to the Alternative Currency Sublimit, as applicable.

SECTION 2.12. Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each applicable Lender in respect of such Lender's Commitment, a commitment fee (the "Commitment Fee"), which shall accrue at the Applicable Rate applicable to the Commitment Fee on the daily amount of the Available Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which such Commitment terminates. Commitment Fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on the fifteenth (15th) day following such last day and on the date on which the applicable Commitments terminate, commencing on the first such date to occur after the date hereof. All Commitment Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day and the last day of each period but excluding the date on which the Commitments terminate).

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in each outstanding Letter of Credit, which shall accrue on the Dollar Equivalent of the daily maximum stated amount then available to be drawn under such Letter of Credit at the same Applicable Rate used to determine the interest rate applicable to Term Benchmark Revolving Loans, during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Commitment terminates and the date on which such Lender ceases to have any LC Exposure and (ii) to each Issuing Bank for its own account a fronting fee with respect to each Letter of Credit issued by such Issuing Bank, which shall accrue at the rate of 0.125% per annum on the Dollar Equivalent of the daily maximum stated amount then available to be drawn under such Letter of Credit during the period from and including the Effective Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases to be any LC Exposure with respect to Letters of Credit issued by such Issuing Bank, as well as such Issuing Bank's standard fees with respect to the issuance, amendment or extension of any Letter of Credit and other processing fees, and other standard costs and charges, of such Issuing bank relating the Letters of Credit as from time to time in effect. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the fifteenth (15th) day following such last day, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Commitments terminate and any such fees accruing after the date on which the Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within ten (10) days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, and to the Lenders, as applicable, the fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent from time to time.

(d) All fees payable hereunder shall be paid on the dates due, in Dollars (except as otherwise expressly provided in this Section 2.12) and immediately available funds, to the Administrative Agent (or to the relevant Issuing Bank, in the case of fees payable to it) for distribution, in the case of Commitment Fees and participation fees, to the Lenders. Fees paid shall not be refundable under any circumstances.

SECTION 2.13. Interest. (a) The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Term Benchmark Borrowing shall bear interest at the applicable Relevant Rate for the Interest Period in effect for such Borrowing, plus the Applicable Rate.

(c) Each RFR Loan shall bear interest at a rate per annum equal to the applicable Adjusted Daily Simple RFR plus the Applicable Rate.

(d) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Commitments; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term Benchmark Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) Interest computed by reference to the Term SOFR Rate, the EURIBOR Rate or the Daily Simple RFR with respect to Dollars hereunder shall be computed on the basis of a year of 360 days. Interest computed by reference to the Daily Simple RFR with respect to Pounds Sterling or the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) In each case interest shall be payable for the actual number of days elapsed (including the first day but excluding the last day). All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as of the applicable date of determination. The applicable Alternate Base Rate, Relevant Rate, Adjusted Daily Simple RFR or Daily Simple RFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest. (a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 2.14, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining any Relevant Rate or Relevant Adjusted Rate (including because the Relevant Screen Rate is not available or published on a current basis), for the applicable Agreed Currency and such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple RFR, Daily Simple RFR or RFR for the applicable Agreed Currency; or

(ii) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Relevant Rate or

Relevant Adjusted Rate for the applicable Agreed Currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Agreed Currency and such Interest Period or (B) at any time, the applicable Adjusted Daily Simple RFR, Daily Simple RFR or RFR for the applicable Agreed Currency will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Agreed Currency;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.08 or a new Borrowing Request in accordance with the terms of Section 2.03, (A) for Loans denominated in Dollars, (1) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Term Benchmark Borrowing and any Borrowing Request that requests a Term Benchmark Revolving Borrowing shall instead be deemed to be an Interest Election Request or a Borrowing Request, as applicable, for (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.14(a)(i) or (ii) above or (y) an ABR Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.14(a)(i) or (ii) above and (2) any Borrowing Request that requests an RFR Borrowing shall instead be deemed to be a Borrowing Request, as applicable, for an ABR Borrowing and (B) for Loans denominated in an Alternative Currency, any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Term Benchmark Borrowing and any Borrowing Request that requests a Term Benchmark Borrowing or an RFR Borrowing, in each case, for the relevant Benchmark, shall be ineffective; *provided* that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Currency is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.14 with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.08 or a new Borrowing Request in accordance with the terms of Section 2.03, (A) for Loans denominated in Dollars, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.14(a)(i) or (ii) above or (y) an ABR Loan if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.14(a)(i) or (ii) above, on such day, and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute an ABR Loan and (C) for Loans denominated in an Alternative Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; *provided* that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Alternative Currency shall, at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Alternative Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall

accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; *provided* that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected RFR Loans denominated in any Alternative Currency, at the Borrower's election, shall either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) immediately or (B) be prepaid in full immediately.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document (and any Swap Agreement shall be deemed not to be a "Loan Document" for purposes of this Section 2.14), if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate or EURIBOR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a

Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Borrowing or RFR Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) the Borrower will be deemed to have converted any request for (1) a Term Benchmark Borrowing denominated in Dollars into a request for a Borrowing of or conversion to (A) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (B) an ABR Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event or (y) any Term Benchmark Borrowing or RFR Borrowing denominated in an Alternative Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Currency is outstanding on the date of the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Agreed Currency is implemented pursuant to this Section 2.14, (A) for Loans denominated in Dollars (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (y) an ABR Loan if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event, on such day and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute an ABR Loan and (C) for Loans denominated in an Alternative Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; *provided* that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Alternative Currency shall, at the Borrower’s election prior to such day: (C) be prepaid by the Borrower on such day or (D) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Alternative Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; *provided* that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected RFR Loans denominated in any Alternative Currency, at the Borrower’s election, shall either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) immediately or (B) be prepaid in full immediately.

SECTION 2.15. Increased Costs. (a) If any Change in Law shall:

- (i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any

Lender (except any such reserve requirement reflected in the Adjusted Term SOFR Rate or the Adjusted EURIBOR Rate, as applicable) or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the applicable offshore interbank market for the applicable Agreed Currency any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or such other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender, such Issuing Bank or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered as reasonably determined by the Administrative Agent, such Lender or such Issuing Bank (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and generally consistent with similarly situated customers of the Administrative Agent, such Lender or such Issuing Bank, as applicable, under agreements having provisions similar to this Section 2.15, after consideration of such factors as the Administrative Agent, such Lender or such Issuing Bank, as applicable, then reasonably determines to be relevant).

(b) If any Lender or any Issuing Bank determines that any Change in Law affecting such Lender or Issuing Bank or any lending office of such Lender or such Lender's or Issuing Bank's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered as reasonably determined by the Administrative Agent, such Lender or such Issuing Bank (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and generally consistent with similarly situated customers of the Administrative Agent, such Lender or such Issuing Bank, as applicable, under agreements having provisions similar to this Section 2.15, after consideration of such factors as the Administrative Agent, such Lender or such Issuing Bank, as applicable, then reasonably determines to be relevant).

(c) A certificate of a Lender or an Issuing Bank setting forth, in reasonable detail, the basis and calculation of the amount or amounts necessary to compensate such Lender or such Issuing

Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments.

(a) With respect to Term Benchmark Loans, in the event of (i) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (ii) the conversion of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto, (iii) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(a) and is revoked in accordance therewith), (iv) the assignment of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 2.19 or 9.02(d) or (v) the failure by the Borrower to make any payment of any Term Benchmark Loan or drawing under any Letter of Credit (or interest due thereof) denominated in an Alternative Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth in reasonable detail the calculation of any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(b) With respect to RFR Loans, in the event of (i) the payment of any principal of any RFR Loan other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (ii) the failure to borrow or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(a) and is revoked in accordance therewith), (iii) the assignment of any RFR Loan other than on the Interest Payment Date applicable thereto as a result of a request by the Company pursuant to Section 2.19 or 9.02(d) or (iv) the failure by the Borrower to make any payment of any Loan or drawing under any Letter of Credit (or interest due thereof) denominated in an Alternative Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth in reasonable detail the calculation of any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the

Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

SECTION 2.17. Taxes. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), an executed copy of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent

shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) an executed copy of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund),

net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 2.17, the term "Lender" includes the Issuing Banks and the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Allocations of Proceeds; Pro Rata Treatment; Sharing of Setoffs.

(a) (i) Except with respect to principal of and interest on Loans denominated in an Alternative Currency, the Borrower shall make each payment or prepayment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) in Dollars prior to 12:00 noon, New York City time, on the date when due or the date fixed for any prepayment hereunder and (ii) all payments with respect to principal and interest on Loans denominated in an Alternative Currency shall be made in such Alternative Currency not later than the Applicable Time specified by the Administrative Agent on the dates specified herein, in each case in immediately available funds, without set-off, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made (i) in the same currency in which the applicable Credit Event was made and (ii) to the Administrative Agent at its offices at 10 South Dearborn Street, Chicago, Illinois 60603 or, in the case of a Credit Event denominated in an Alternative Currency, the Administrative Agent's Term Benchmark Payment Office for such currency, except payments to be made directly to an Issuing Bank or the Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments denominated in the same currency received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Subject to the proviso in the definition of Interest Period, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Notwithstanding the foregoing provisions of this Section, if, after the making of any Credit Event in any Alternative Currency, currency control or exchange regulations are imposed in the country which issues such currency

with the result that the type of currency in which the Credit Event was made (the “Original Currency”) no longer exists or the Borrower is not able to make payment to the Administrative Agent for the account of the Lenders in such Original Currency, then all payments to be made by the Borrower hereunder in such currency shall instead be made when due in Dollars in an amount equal to the Dollar Equivalent (as of the date of repayment) of such payment due, it being the intention of the parties hereto that the Borrower takes all risks of the imposition of any such currency control or exchange regulations.

(b) At any time that payments are not required to be applied in the manner required by Section 7.03, if at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements and Swingline Loans to any assignee or participant, other than to the Company or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received, prior to any date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks pursuant to the terms hereof or any other Loan Document (including any date that is fixed for prepayment by notice from the Borrower to the Administrative Agent pursuant to Section 2.11(b)), notice from the Borrower that the Borrower will not make such payment or prepayment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact

made such payment, then each of the Lenders or the Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the applicable Overnight Rate.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and if a Commitment is being assigned, the Issuing Banks and the Swingline Lender), which consent shall not unreasonably be withheld, conditioned or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and funded participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that (i) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto.

SECTION 2.20. Expansion Option. The Borrower may from time to time elect to increase the Commitments or enter into one or more tranches of term loans (each an "Incremental Term

Loan” and, together with any increase in the Commitments, each an “Incremental Facility”), in each case in minimum increments of \$5,000,000 so long as, after giving effect thereto, the aggregate amount of such increases and all such Incremental Term Loans does not exceed the Maximum Expansion Amount. The Borrower may arrange for any such increase or tranche to be provided by one or more Lenders (each Lender so agreeing to an increase in its Commitment, or to participate in such Incremental Term Loans, an “Increasing Lender”), or by one or more new banks, financial institutions or other entities (each such new bank, financial institution or other entity, an “Augmenting Lender”; provided that no Ineligible Institution may be an Augmenting Lender), which agree to increase their existing Commitments, or to participate in such Incremental Term Loans, or provide new Commitments, as the case may be; provided that (i) each Augmenting Lender, shall be subject to the approval of the Borrower and the Administrative Agent (which approval shall not be unreasonably withheld, delayed or conditioned) and (ii) (x) in the case of an Increasing Lender, the Borrower and such Increasing Lender execute an agreement substantially in the form of Exhibit C hereto, and (y) in the case of an Augmenting Lender, the Borrower and such Augmenting Lender execute an agreement substantially in the form of Exhibit D hereto. No consent of any Lender (other than the Lenders participating in the increase or any Incremental Term Loan) shall be required for any increase in Commitments or Incremental Term Loan pursuant to this Section 2.20. Increases and new Commitments and Incremental Term Loans created pursuant to this Section 2.20 shall become effective on the date agreed by the Borrower, the Administrative Agent and the relevant Increasing Lenders or Augmenting Lenders, and the Administrative Agent shall notify each Lender thereof. Notwithstanding the foregoing, no increase in the Commitments (or in the Commitment of any Lender) or tranche of Incremental Term Loans shall become effective under this paragraph unless, (i) subject to Section 1.10, on the proposed date of the effectiveness of such increase or Incremental Term Loans, (A) the conditions set forth in paragraphs (a) and (b) of Section 4.02 shall be satisfied or waived by the Required Lenders and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Borrower and (B) the Borrower shall be in compliance (on a pro forma basis) with the Financial Covenants and (ii) the Administrative Agent shall have received (x) documents and opinions consistent with those delivered on the Effective Date as to the organizational power and authority of the Borrower to borrow hereunder after giving effect to such increase or Incremental Term Loan and (y) reaffirmations from the Loan Parties. On the effective date of any increase in the Commitments or any Incremental Term Loans being made, (i) each relevant Increasing Lender and Augmenting Lender shall make available to the Administrative Agent such amounts in immediately available funds as the Administrative Agent shall determine, for the benefit of the other Lenders, as being required in order to cause, after giving effect to such increase and the use of such amounts to make payments to such other Lenders, each Lender’s portion of the outstanding Revolving Loans of all the Lenders to equal its Applicable Percentage of such outstanding Revolving Loans, and (ii) the Borrower shall be deemed to have repaid and reborrowed the minimum amount of outstanding Revolving Loans, as of the date of any increase in the Commitments (with such reborrowing to consist of the Types of Revolving Loans, with related Interest Periods if applicable, specified in a notice delivered by the Borrower, in accordance with the requirements of Section 2.03), that is sufficient to effect such ratability-preserving reallocations pursuant to the preceding clause (i). The deemed payments made pursuant to clause (ii) of the immediately preceding sentence shall be accompanied by payment of all accrued interest on the amount prepaid and shall be subject to indemnification by the Borrower pursuant to the provisions of Section 2.16 if the deemed payment occurs other than on the last day of the related Interest Periods. The Incremental Term Loans (a) shall rank *pari passu* in right of payment with the Revolving Loans, (b) shall not mature earlier than the Maturity Date (but may have amortization and/or customary prepayments prior to such date) and (c) shall be treated substantially the same as the Revolving Loans; provided that (i) the terms and conditions applicable to any tranche of Incremental Term Loans maturing after the Maturity Date may provide for material additional or different financial or other covenants or prepayment requirements applicable only during periods after the Maturity Date and (ii) the Incremental Term Loans may be priced differently (whether in the form of interest rate

margin, upfront fees, original issue discount, call protection or otherwise) than the Revolving Loans. Incremental Term Loans may be made hereunder pursuant to an amendment or restatement (an “Incremental Term Loan Amendment”) of this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Increasing Lender participating in such tranche, each Augmenting Lender participating in such tranche, if any, and the Administrative Agent. The Incremental Term Loan Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section 2.20. Nothing contained in this Section 2.20 shall constitute, or otherwise be deemed to be, a commitment on the part of any Lender to increase its Commitment hereunder, or provide Incremental Term Loans, at any time.

SECTION 2.21. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 7.03 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank or the Swingline Lender hereunder; third, to cash collateralize LC Exposure with respect to such Defaulting Lender in accordance with this Section; fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender’s potential future funding obligations with respect to Loans under this Agreement and (y) cash collateralize future LC Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with this Section; sixth, to the payment of any amounts owing to the Lenders, the Issuing Banks or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any Issuing Bank or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement or under any other Loan Document; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement or under any other Loan Document; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in the Borrower’s obligations corresponding to such Defaulting Lender’s LC Exposure and Swingline Loans are held by the Lenders pro rata in accordance with the Commitments without giving effect to clause (d) below. Any payments, prepayments or other amounts paid or payable

to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto;

(c) the Commitment and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided, further, that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders directly affected thereby shall not, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof;

(d) if any Swingline Exposure or LC Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the Swingline Exposure and LC Exposure of such Defaulting Lender (other than, in the case of a Defaulting Lender that is the Swingline Lender, the portion of such Swingline Exposure referred to in clause (b) of the definition of such term) shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent that such reallocation does not, as to any non-Defaulting Lender, cause such non-Defaulting Lender's Revolving Credit Exposure to exceed its Commitment;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, within one (1) Business Day following notice by the Administrative Agent (x) first, prepay such Swingline Exposure and (y) second, cash collateralize for the benefit of the relevant Issuing Bank only the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.12(a) and Section 2.12(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of any Issuing Bank or any other Lender hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the relevant Issuing Bank until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(e) so long as such Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loan and the Issuing Banks shall not be required to issue, amend or

increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.21(d), and Swingline Exposure related to any such newly made Swingline Loan or LC Exposure related to any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.21(d)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender Parent shall occur following the date hereof and for so long as such event shall continue or (ii) the Swingline Lender or any Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Swingline Lender shall not be required to fund any Swingline Loan and such Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Swingline Lender or such Issuing Bank, as the case may be, shall have entered into arrangements with the Borrower or such Lender, satisfactory to the Swingline Lender or the Issuing Banks, as the case may be, to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Borrower, the Swingline Lender and the Issuing Banks each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; provided, further, that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III

Representations and Warranties

The Borrower represents and warrants to the Lenders that (with references in this Article III (other than Section 3.04(a) and the second sentence of Section 3.01) to "Subsidiaries" to exclude Captive Insurance Subsidiaries):

All

SECTION 3.03. Governmental Approvals; No Conflicts. (a) The Transactions do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been, or will be by the time required, obtained or made and are, or will be by the time required, in full force and effect and except for any filings, registrations, endorsements, notarizations, stampings and/or notifications necessary to perfect Liens created pursuant to the Loan Documents, (b) the Transactions will not violate in any material respect any applicable material law or regulation or the charter, by-laws or other organizational documents of any Loan Party or any material order of any Governmental Authority binding upon any Loan Party or its assets, (c) the Transactions will not violate or result in a default under any indenture, material agreement or other material instrument binding upon any Loan Party or its assets, or give rise to a right thereunder to require any payment to be made by any Loan Party, except, in the case of clauses (b) and (c), for any such violations, defaults or rights that could not reasonably be expected to result in a Material Adverse Effect, (d) the Transactions will not result in the creation or imposition of any Lien on any asset of the Borrower or any of its Subsidiaries, other than Liens created or permitted under the Loan Documents and (e) the Transactions do not result in a limitation of any licenses, permits or other Governmental Approvals applicable to the business, operations or properties of any Loan Party or adversely affect the ability of any Loan Party to participate in any Medical Reimbursement Programs, except to the extent such limitation could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.04. Financial Condition; No Material Adverse Change. (b) Each of the Borrower and its Subsidiaries owns, or is licensed to use (subject to the knowledge-qualified infringement representation in this Section 3.05(b)), all trademarks, trade names, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and its Subsidiaries, to any Loan Party's knowledge, does not infringe upon the rights of any other Person, except for any such infringements, or ownership or license issues, that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(a) Except as may be disclosed on Schedule 3.06(a), there are no actions, suits, proceedings or investigations by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against the Borrower or any of its Subsidiaries (i) that could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that could reasonably be expected to adversely affect the rights and remedies of the Administrative Agent and/or the Lenders under this Agreement or any other Loan Documents.

SECTION 3.08. Investment Company Status. Neither the Borrower nor any of its Subsidiaries is required to be registered as an "investment company" under, the Investment Company Act of 1940.

SECTION 3.09. Taxes. Each of the Borrower and its Subsidiaries has filed or caused to be filed all federal income Tax returns and all other material Tax returns and reports required to have been filed by it and has paid, caused to be paid or made a provision for the payment of all federal income

SECTION 6.09. Restrictive Agreements. The Borrower will not, and will not permit any of its Subsidiaries to, directly or indirectly, enter into, incur or permit to exist any agreement or other arrangement that prohibits, restricts or imposes any condition upon (a) the ability of the Borrower or any Subsidiary Guarantor to create, incur or permit to exist any Lien upon any of its property or assets to secure the Secured Obligations (to the extent required by the Loan Documents), or (b) the ability of any Subsidiary to pay dividends or other distributions with respect to Loan Parties that are holders of its Equity Interests or to make or repay loans or advances to the Borrower or any other Subsidiary Guarantor, to the extent required by the Loan Documents, to Guarantee the Secured Obligations; provided that (i) this Section 6.09 shall not apply to (A) restrictions and conditions imposed by law or by any Loan

Document, (B) restrictions and conditions existing on the Effective Date identified on Schedule 6.09 and any amendment, modification, refinancing, replacement, renewal or extension thereof that does not materially expand the scope of any such restriction or condition taken as a whole, (C) restrictions and conditions imposed on any Subsidiary or asset by any agreements in existence at the time such Subsidiary became a Subsidiary or such asset was acquired, (D) customary restrictions and conditions contained in agreements relating to the sale of a Subsidiary pending such sale; provided that such restrictions and conditions apply only to the Subsidiary that is to be sold, (E) customary restrictions and conditions contained in any agreement relating to the disposition of any property pending the consummation of such disposition, (F) restrictions in the transfers of, or in the granting of Liens on, assets that are encumbered by a Lien permitted by Section 6.02, (G) restrictions or conditions set forth in any agreement governing Indebtedness permitted by Section 6.01; provided that such restrictions and conditions are customary for such Indebtedness as determined in the good faith judgment of the Borrower, (H) customary provisions restricting assignment of any agreement entered into in the ordinary course of business, (I) customary restrictions on cash or other deposits (including escrowed funds) or net worth imposed under contracts, (J) customary provisions in leases, licenses, sub-leases and sub-licenses and other contracts restricting assignment thereof and (K) the organizational documents of any Escrow Issuer; provided that such restrictions and conditions apply only to such Subsidiary and to any Equity Interests in such Subsidiary, (ii) clause (a) of this Section 6.09 shall not apply to restrictions or conditions imposed by any agreement relating to secured Indebtedness permitted by this Agreement if such restrictions or conditions apply only to the property or assets securing such Indebtedness, (iii) clause (a) of this Section 6.09 shall not apply to customary provisions in leases and other contracts restricting the assignment thereof, or to specific property to be sold pursuant to an executed agreement with respect to a permitted Disposition or other sale or disposition permitted by Section 6.04 and (iv) this Section 6.09 shall not apply to customary restrictions and conditions with respect to joint ventures.

SECTION 6.10. Prepayments of Restricted Junior Debt and Amendments to Restricted Junior Debt Documents.

(a) The Borrower will not, and will not permit any Subsidiary to, directly or indirectly voluntarily prepay, defease or in substance defease, purchase, redeem, retire or otherwise acquire, in each case prior to the scheduled maturity date therefor, any Indebtedness of any Loan Party or any Subsidiary (other than intercompany Indebtedness permitted by Section 6.01(c)) that is subordinated in right of payment or in ranking of Liens to the Loans (such Indebtedness, “Restricted Junior Debt”; it being agreed for the avoidance of doubt that the Senior Notes are not Restricted Junior Debt) (other than pursuant to any refinancings, renewals or replacements of such Indebtedness to extent permitted by Section 6.01); provided that that so long as no Event of Default exists or would result therefrom, any Loan Party or any Subsidiary may prepay, redeem, purchase, defease or otherwise satisfy prior to the scheduled maturity thereof Restricted Junior Debt (i) with the proceeds of any issuance of Equity Interests of the Borrower, (ii) [reserved], (iii) consisting of any mandatory redemption, repayment or repurchase event not in the nature of a default (I) that is triggered by receipt of proceeds of a debt incurrence, equity issuance, asset sale, casualty or other proceeds-generating event and is only to the extent of proceeds received or (II) constituting a “special mandatory redemption” or similar requirement applicable to debt securities incurred to finance one or more transactions if such transaction(s) will not be consummated or are not consummated within a specified timeframe, (iv) consisting of any bridge loans, extended term loans or other short-term indebtedness with the proceeds of Permitted Junior Debt incurred to refinance such bridge loans, extended term loans or other short-term indebtedness, (v) if at the time of such prepayment, redemption, repurchase, defeasement or other satisfaction (I) there are no Revolving Loans or other Secured Obligations outstanding and (II) after giving effect to such prepayment, redemption, repurchase, defeasement or other satisfaction on a pro forma basis, the Borrower shall be in compliance

with the Financial Covenants and (vi) with the proceeds of any Permitted Junior Debt incurred to refinance such Indebtedness.

(b) Furthermore, the Borrower will not, and will not permit any Subsidiary to, amend the terms of any Restricted Junior Debt if such amendment, modification or change would add, modify or change any terms in a manner materially adverse to the interests of the Lenders (provided, that if such Restricted Junior Debt, when originally incurred or at the time of such amendment, modification or change, would be permitted to be incurred having terms and conditions that give effect such amendment, modification or change, then such amendment, modification or change shall not be deemed adverse to the interests of the Lenders).

(c) The Borrower will not, and will not permit any Subsidiary to, directly or indirectly voluntarily prepay, defease or in substance defease, purchase, redeem, retire or otherwise acquire, in each case prior to the scheduled maturity date therefor, the Senior Notes (other than in connection with any refinancing of Senior Notes with unsecured Indebtedness that has a final maturity that is no sooner than, and a weighted average life to maturity that is no shorter than, such Senior Notes being refinanced) unless, as of the date the applicable notice of prepayment is given, after giving effect to such prepayment, redemption, repurchase, defeasement or other satisfaction on a pro forma basis, the Borrower shall be in compliance with the Financial Covenants.

SECTION 6.11. Healthcare Permits; Healthcare Fines. The Borrower will not, and will not permit any of its Subsidiaries to:

(a) Permit or cause to suffer any revocation by a state or federal regulatory agency any Governmental Approvals or Healthcare Permit to the extent such revocation could reasonably be expected to have a Material Adverse Effect, regardless of whether such Governmental Approvals or Healthcare Permit was held by or originally issued for the benefit of the Borrower, a Subsidiary or a Contract Provider with whom the Borrower or Subsidiary has entered into a management agreement.

(b) Permit one or more penalties or fines in an aggregate amount in excess of \$20,000,000 to be unpaid when due (subject to any applicable appeal period) by the Loan Parties during any 12-month period under any Healthcare Law.

SECTION 6.12. Financial Covenants.

(a) Maximum Total Net Leverage Ratio. The Borrower will not permit the Total Net Leverage Ratio, determined as of the end of each of its fiscal quarters ending on and after March 31, 2022, to be greater than the ratio set forth below under the caption “Maximum Total Net Leverage Ratio” opposite such fiscal quarter:

<u>Fiscal Quarters Ending</u>	<u>Maximum Total Net Leverage Ratio</u>
March 31, 2022 through December 31, 2022	5.50 to 1.00
March 31, 2023 through June 30, 2023	5.00 to 1.00
September 30, 2023 and thereafter	4.50 to 1.00

Notwithstanding the foregoing, the Borrower shall be permitted, but in no event on more than two (2) occasions, after the Effective Date (in the aggregate) to allow the Total Net Leverage Ratio permitted under Section 6.12(a) to be increased by 0.50 to 1.00 (but in no event to greater than 5.50 to 1.00) for a period of four consecutive fiscal quarters (such period, the “Adjusted Covenant Period”) in connection with a Permitted Acquisition or another Acquisition permitted hereunder occurring during the first of such four fiscal quarters if the aggregate consideration paid or to be paid in respect of such Acquisition exceeds \$100,000,000 (and in respect of which the Borrower shall provide notice in writing to the Administrative Agent (for distribution to the Lenders) of such increase and a transaction description of such Acquisition (regarding the name of the Person or summary description of the assets being acquired and the approximate purchase price)), so long as the Borrower is in compliance on a pro forma basis with the Total Net Leverage Ratio permitted under Section 6.12(a) (after giving effect to such increase) on the closing date of such Acquisition immediately after giving effect (including pro forma effect) to such Acquisition; provided that it is understood and agreed that (x) after an election of an Adjusted Covenant Period, the Borrower may not elect a new Adjusted Covenant Period for at least two (2) fiscal quarters following the end of an Adjusted Covenant Period and (y) at the end of an Adjusted Covenant Period, the maximum Total Net Leverage Ratio permitted pursuant to Section 6.12(a) shall revert to the maximum Total Net Leverage Ratio then otherwise in effect as of the end of such Adjusted Covenant Period and thereafter until another Adjusted Covenant Period (if any) is elected pursuant to the terms and conditions described above.

(b) Interest Coverage Ratio. The Borrower will not permit the ratio (the “Interest Coverage Ratio”), determined as of the end of each of its fiscal quarters ending on and after March 31, 2022, of (i) Consolidated EBITDA to (ii) Consolidated Interest Expense, in each case for the period of four (4) consecutive fiscal quarters ending with the end of such fiscal quarter, all calculated for the Borrower and its Subsidiaries on a consolidated basis, to be less than 3.00 to 1.00.

(p) there shall occur an Exclusion Event.

SECTION 7.02. Remedies Upon an Event of Default. If an Event of Default occurs (other than an event with respect to the Borrower described in Section 7.01(h) or 7.01(i) occurring upon

the occurrence of an actual or deemed entry of an order for relief under the Bankruptcy Code of the United States), and at any time thereafter during the continuance of such Event of Default, the Administrative Agent may with the consent of the Required Lenders, and shall at the request of the Required Lenders, by notice to the Borrower, take any or all of the following actions, at the same or different times:

(a) terminate the Commitments, and thereupon the Commitments shall terminate immediately;

(b) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other Secured Obligations accrued hereunder and under any other Loan Document, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and the other Loan Parties;

(c) require that the Borrower provide cash collateral as required in Section 2.06(j);
and

(d) exercise on behalf of itself, the Lenders and the Issuing Banks all rights and remedies available to it, the Lenders and the Issuing Banks under the Loan Documents and applicable law.

If an Event of Default described in Section 7.01(h) or 7.01(i) occurs upon the occurrence of an actual or deemed entry of an order for relief under the Bankruptcy Code of the United States with respect to the Borrower, the Commitments shall automatically terminate and the principal of the Loans then outstanding and cash collateral for the LC Exposure, together with accrued interest thereon and all fees and other Secured Obligations accrued hereunder and under any other Loan Document, shall automatically become due and payable, and the obligation of the Borrower to cash collateralize the LC Exposure as provided in clause (c) above shall automatically become effective, in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

In addition to any other rights and remedies granted to the Administrative Agent and the Lenders in the Loan Documents, the Administrative Agent on behalf of the Lenders may exercise all rights and remedies of a secured party under the UCC or any other applicable law. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Loan Party or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived by the Borrower on behalf of itself and its Subsidiaries), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, or consent to the use by any Loan Party of any cash collateral arising in respect of the Collateral on such terms as the Administrative Agent deems reasonable, and/or may forthwith sell, lease, assign give an option or options to purchase or otherwise dispose of and deliver, or acquire by credit bid on behalf of the Secured Parties, the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Administrative Agent or any Lender or elsewhere, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery, all without assumption of any credit risk. The Administrative Agent or any Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase

the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Loan Party, which right or equity is hereby waived and released by the Borrower on behalf of itself and its Subsidiaries. The Borrower further agrees on behalf of itself and its Subsidiaries, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at the premises of the Borrower, another Loan Party or elsewhere. The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Article VII, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any other way relating to the Collateral or the rights of the Administrative Agent and the Lenders hereunder, including reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Secured Obligations, in such order as set forth in Section 7.03, and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including Section 9-615(a)(3) of the New York Uniform Commercial Code, need the Administrative Agent account for the surplus, if any, to any Loan Party. To the extent permitted by applicable law, the Borrower on behalf of itself and its Subsidiaries waives all Liabilities it may acquire against the Administrative Agent or any Lender arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

SECTION 7.03. Application of Payments. Notwithstanding anything herein to the contrary, following the occurrence and during the continuance of an Event of Default, and notice thereof to the Administrative Agent by the Borrower or the Required Lenders:

(a) all payments received on account of the Secured Obligations shall, subject to Section 2.21, be applied by the Administrative Agent as follows:

(i) first, to payment of that portion of the Secured Obligations constituting fees, indemnities, expenses and other amounts payable to the Administrative Agent (including fees and disbursements and other charges of counsel to the Administrative Agent payable under Section 9.03 and amounts pursuant to Section 2.12(c) payable to the Administrative Agent in its capacity as such);

(ii) second, to payment of that portion of the Secured Obligations constituting fees, expenses, indemnities and other amounts (other than principal, reimbursement obligations in respect of LC Disbursements, interest and Letter of Credit fees) payable to the Lenders, the Issuing Banks and the other Secured Parties (including fees and disbursements and other charges of counsel to the Lenders and the Issuing Banks payable under Section 9.03) arising under the Loan Documents, ratably among them in proportion to the respective amounts described in this clause (ii) payable to them;

(iii) third, to payment of that portion of the Secured Obligations constituting accrued and unpaid Letter of Credit fees and charges and interest on the Loans and unreimbursed LC Disbursements, ratably among the Lenders and the Issuing Banks in proportion to the respective amounts described in this clause (iii) payable to them;

(iv) fourth, (A) to payment of that portion of the Secured Obligations constituting unpaid principal of the Loans and unreimbursed LC Disbursements, (B) to cash collateralize that portion of LC Exposure comprising the undrawn amount of Letters of Credit to the extent not otherwise cash collateralized by the Borrower pursuant to Section 2.06 or 2.21; provided that (x) any such amounts applied pursuant to subclause (B) above shall be paid to the Administrative

Agent for the account of the Issuing Banks to cash collateralize Secured Obligations in respect of Letters of Credit, (y) subject to Section 2.06 or 2.21, amounts used to cash collateralize the aggregate amount of Letters of Credit pursuant to this clause (iv) shall be used to satisfy drawings under such Letters of Credit as they occur and (z) upon the expiration of any Letter of Credit (without any pending drawings), the pro rata share of cash collateral shall be distributed to the other Secured Obligations, if any, in the order set forth in this Section 7.03 and (C) to any other amounts owing with respect to Banking Services Obligations and Swap Obligations, in each case, ratably among the Lenders and the Issuing Banks and any other applicable Secured Parties in proportion to the respective amounts described in this clause (iv) payable to them;

(v) fifth, to the payment in full of all other Secured Obligations, in each case ratably among the Administrative Agent, the Lenders, the Issuing Banks and the other Secured Parties based upon the respective aggregate amounts of all such Secured Obligations owing to them in accordance with the respective amounts thereof then due and payable; and

(vi) finally, the balance, if any, after all Secured Obligations (other than Unliquidated Obligations) have been indefeasibly paid in full, to the Borrower or as otherwise required by law; and

(b) if any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired (without any pending drawings), such remaining amount shall be applied to the other Secured Obligations, if any, in the order set forth above.

ARTICLE VIII

The Administrative Agent

SECTION 8.01. Authorization and Action.

(a) Each Lender and each Issuing Bank hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors and assigns to serve as the administrative agent and collateral agent under the Loan Documents and each Lender and each Issuing Bank authorizes the Administrative Agent to take such actions as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Administrative Agent under such agreements and to exercise such powers as are reasonably incidental thereto. Further, each of the Lenders and the Issuing Bank, on behalf of itself and any of its Affiliates that are Secured Parties, hereby irrevocably empower and authorize JPMorgan Chase Bank, N.A. (in its capacity as Administrative Agent) to execute and deliver the Collateral Documents and all related documents or instruments as shall be necessary or appropriate to effect the purposes of the Collateral Documents. In addition, to the extent required under the laws of any jurisdiction other than within the United States, each Lender and each Issuing Bank hereby grants to the Administrative Agent any required powers of attorney to execute and enforce any Collateral Document governed by the laws of such jurisdiction on such Lender's or the Issuing Bank's behalf. Without limiting the foregoing, each Lender and each Issuing Bank hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall

be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender and each Issuing Bank; provided, however, that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Lenders and the Issuing Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuing Banks (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. Without limiting the generality of the foregoing:

(i) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender, any Issuing Bank or any other Secured Party other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and/or the transactions contemplated hereby;

(ii) where the Administrative Agent is required or deemed to act as a trustee in respect of any Collateral over which a security interest has been created pursuant to a Loan Document expressed to be governed by the laws of any jurisdiction other than the United States of America, or is required or deemed to hold any Collateral “on trust” pursuant to the foregoing, the obligations and liabilities of the Administrative Agent to the Secured Parties in its capacity as trustee shall be excluded to the fullest extent permitted by applicable law; and

(iii) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender for any sum or the profit element of any sum received by the Administrative Agent for its own account.

(d) The Administrative Agent may perform any of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities pursuant to this Agreement. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(e) None of any Co-Syndication Agent, Co-Documentation Agent or any Arranger shall have obligations or duties whatsoever in such capacity under this Agreement or any other Loan Document and shall incur no liability hereunder or thereunder in such capacity, but all such persons shall have the benefit of the indemnities provided for hereunder.

(f) In case of the pendency of any proceeding with respect to any Loan Party under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any reimbursement obligation in respect of any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Loan Party) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Disbursements and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.17 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or any Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank in any such proceeding.

(g) The provisions of this Article VIII are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article VIII, none of the Borrower or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations provided under the Loan Documents, to have agreed to the provisions of this Article VIII.
