ARTICLE VII

(b) the Borrower shall fail to pay any interest on any Loan or any fee or any other amount (other than an amount referred to in Section 7.01(a)) payable under this Agreement or any other Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of five (5) Business Days;

(f) the Borrower or any Material Subsidiary shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Indebtedness of the Borrower or such Material Subsidiary, as applicable, when and as the same shall become due and payable, which is not cured within any applicable grace period provided for in the applicable agreement or instrument under which such Indebtedness was created;

(g) any event or condition occurs that results in any Material Indebtedness of the Borrower or any Material Subsidiary becoming due prior to its scheduled maturity or that enables or permits, after the expiration of any applicable grace period, and delivery of any applicable required notice, provided in the applicable agreement or instrument under which such Indebtedness was created, the holder or holders of such Material Indebtedness or any trustee or agent on its or their behalf to cause such Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity (other than any event or condition (x) causing or permitting the holders of any Convertible Indebtedness, to be converted into or by reference to the common stock of the Borrower (and cash in lieu of fractional shares) or (y) requiring an offer to repay or redeem any Convertible Indebtedness or requiring Convertible Indebtedness to be redeemed or prepaid to the extent such prepayment or redemption is permitted under this Agreement); provided that this clause (g) shall not apply to (i) secured Indebtedness that becomes due as a result of the sale, transfer or other disposition (including as a result of a casualty or condemnation event) of the property or assets securing such Indebtedness, (ii) any Material Indebtedness that becomes due as a result of a refinancing thereof permitted by Section 6.01, (iii) any reimbursement obligation in respect of a letter of credit, bankers acceptance or similar obligation as a result of a drawing thereunder by a beneficiary thereunder in accordance with its terms and (iv) any such Material Indebtedness that is mandatorily prepayable, redeemable or able to be repurchased prior to

the scheduled maturity thereof (A) with the proceeds of the issuance of capital stock, the incurrence of other Indebtedness, the sale or other disposition of any assets or a casualty or other proceeds-generating event, so long as such Material Indebtedness that has become due is so prepaid in full with such net proceeds required to be used to prepay such Material Indebtedness when due (or within any applicable grace period) or (B) constituting a “special mandatory redemption” or similar requirement applicable to debt securities incurred to finance one or more transactions if such transaction(s) will not be consummated or are not consummated within a specified timeframe, in the case of clauses (A) and (B) above, provided that such event shall not have otherwise resulted in an event of default with respect to such Material Indebtedness;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrower or any Material Subsidiary or its debts, or of a substantial part of its assets, under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any Material Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed, undischarged and unstayed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(j) the Borrower or any Material Subsidiary shall become unable, admit in writing its inability or fail generally to pay its debts as they become due;

(k) one or more final judgments for the payment of money in an aggregate amount in excess of \$40,000,000 (to the extent not paid, fully bonded or covered by a solvent and unaffiliated insurer that has not denied coverage) shall be rendered against the Borrower, any Material Subsidiary or any combination thereof and the same shall remain undischarged, unvacated and undismissed for a period of sixty (60) consecutive days during which execution shall not be effectively stayed (by reason of pending appeal or otherwise), or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Borrower or any Material Subsidiary to enforce any such judgment and such action shall not have been stayed;

(l) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred, could reasonably be expected to result in a Material Adverse Effect;

(m) a Change in Control shall occur;

(n) any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder or satisfaction in full in cash of all Secured Obligations (other than in respect of (i) unasserted indemnification and expense reimbursement contingent indemnification obligations that survive the termination of this Agreement or obligations and liabilities under any Swap Agreement or Banking Services Agreement, in each case, not yet due and payable, or (ii) any letter of credit that shall remain outstanding that has been cash collateralized on terms reasonably satisfactory to the Administrative Agent), ceases to be in full force and effect in all material respects); or a Loan Party contests in writing the validity or enforceability of any provision of any

(o) any Collateral Document, after execution thereof, shall for any reason (other than (i) as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 6.03 or 6.04), (ii) to the extent any loss of perfection or priority results solely from (A) the Administrative Agent no longer having possession of certificates actually delivered to it representing Equity Interests pledged under any Collateral Document or (B) a UCC filing having lapsed because a UCC continuation statement was not filed in a timely manner or (iii) the satisfaction in full in cash of all Secured Obligations) fail to create a valid and perfected security interest in any material portion of the Collateral purported to be covered thereby; or

(p) there shall occur an Exclusion Event.

SECTION 7.02. Remedies Upon an Event of Default. If an Event of Default occurs (other than an event with respect to the Borrower described in Section 7.01(h) or 7.01(i) occurring upon the occurrence of an actual or deemed entry of an order for relief under the Bankruptcy Code of the United States), and at any time thereafter during the continuance of such Event of Default, the Administrative Agent may with the consent of the Required Lenders, and shall at the request of the Required Lenders, by notice to the Borrower, take any or all of the following actions, at the same or different times:

(a) terminate the Commitments, and thereupon the Commitments shall terminate immediately;

(b) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other Secured Obligations accrued hereunder and under any other Loan Document, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and the other Loan Parties;

(c) require that the Borrower provide cash collateral as required in Section 2.06(j); and

(d) exercise on behalf of itself, the Lenders and the Issuing Banks all rights and remedies available to it, the Lenders and the Issuing Banks under the Loan Documents and applicable law;

provided, however, that upon the occurrence and during the continuance of any Event of Default attributable to a failure to comply with Section 6.12, (x) actions pursuant to Section 7.02(a) or Section 7.02(b) may be taken solely by the Required Revolving Lenders with respect to the Revolving Loans only (without the requirement for Required Lender action) or by the Administrative Agent at the direction of the Required Revolving Lenders, and (y) only if action has been taken in respect of such Event of Default under Section 7.02(a) or Section 7.02(b) (with respect to the Revolving Loans) by the Required Revolving Lenders or by the Administrative Agent at the direction of the Required Revolving Lenders, then such Event of Default will be deemed to be an Event of Default with respect to all Lenders hereunder and the remedies set forth above may be exercised in respect of all Loans.

If an Event of Default described in Section 7.01(h) or 7.01(i) occurs upon the occurrence of an actual or deemed entry of an order for relief under the Bankruptcy Code of the United States with

respect to the Borrower, the Commitments shall automatically terminate and the principal of the Loans then outstanding and cash collateral for the LC Exposure, together with accrued interest thereon and all fees and other Secured Obligations accrued hereunder and under any other Loan Document, shall automatically become due and payable, and the obligation of the Borrower to cash collateralize the LC Exposure as provided in clause (c) above shall automatically become effective, in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

In addition to any other rights and remedies granted to the Administrative Agent and the Lenders in the Loan Documents, the Administrative Agent on behalf of the Lenders may exercise all rights and remedies of a secured party under the UCC or any other applicable law. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Loan Party or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived by the Borrower on behalf of itself and its Subsidiaries), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, or consent to the use by any Loan Party of any cash collateral arising in respect of the Collateral on such terms as the Administrative Agent deems reasonable, and/or may forthwith sell, lease, assign give an option or options to purchase or otherwise dispose of and deliver, or acquire by credit bid on behalf of the Secured Parties, the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Administrative Agent or any Lender or elsewhere, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery, all without assumption of any credit risk. The Administrative Agent or any Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Loan Party, which right or equity is hereby waived and released by the Borrower on behalf of itself and its Subsidiaries. The Borrower further agrees on behalf of itself and its Subsidiaries, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at the premises of the Borrower, another Loan Party or elsewhere. The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Article VII, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any other way relating to the Collateral or the rights of the Administrative Agent and the Lenders hereunder, including reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Secured Obligations, in such order as set forth in Section 7.03, and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including Section 9-615(a)(3) of the New York Uniform Commercial Code, need the Administrative Agent account for the surplus, if any, to any Loan Party. To the extent permitted by applicable law, the Borrower on behalf of itself and its Subsidiaries waives all Liabilities it may acquire against the Administrative Agent or any Lender arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

SECTION 7.03. Application of Payments. Notwithstanding anything herein to the contrary, following the occurrence and during the continuance of an Event of Default, and notice thereof to the Administrative Agent by the Borrower or the Required Lenders:

(a) all payments received on account of the Secured Obligations shall, subject to Section 2.21, be applied by the Administrative Agent as follows:

(i) first, to payment of that portion of the Secured Obligations constituting fees, indemnities, expenses and other amounts payable to the Administrative Agent (including fees and disbursements and other charges of counsel to the Administrative Agent payable under Section 9.03 and amounts pursuant to Section 2.12(c) payable to the Administrative Agent in its capacity as such);

(ii) second, to payment of that portion of the Secured Obligations constituting fees, expenses, indemnities and other amounts (other than principal, reimbursement obligations in respect of LC Disbursements, interest and Letter of Credit fees) payable to the Lenders, the Issuing Banks and the other Secured Parties (including fees and disbursements and other charges of counsel to the Lenders and the Issuing Banks payable under Section 9.03) arising under the Loan Documents, ratably among them in proportion to the respective amounts described in this clause (ii) payable to them;

(iii) third, to payment of that portion of the Secured Obligations constituting accrued and unpaid Letter of Credit fees and charges and interest on the Loans and unreimbursed LC Disbursements, ratably among the Lenders and the Issuing Banks in proportion to the respective amounts described in this clause (iii) payable to them;

(iv) fourth, (A) to payment of that portion of the Secured Obligations constituting unpaid principal of the Loans and unreimbursed LC Disbursements, (B) to cash collateralize that portion of LC Exposure comprising the undrawn amount of Letters of Credit to the extent not otherwise cash collateralized by the Borrower pursuant to Section 2.06 or 2.21; provided that (x) any such amounts applied pursuant to subclause (B) above shall be paid to the Administrative Agent for the account of the Issuing Banks to cash collateralize Secured Obligations in respect of Letters of Credit, (y) subject to Section 2.06 or 2.21, amounts used to cash collateralize the aggregate amount of Letters of Credit pursuant to this clause (iv) shall be used to satisfy drawings under such Letters of Credit as they occur and (z) upon the expiration of any Letter of Credit (without any pending drawings), the pro rata share of cash collateral shall be distributed to the other Secured Obligations, if any, in the order set forth in this Section 7.03 and (C) to any other amounts owing with respect to Banking Services Obligations and Swap Obligations, in each case, ratably among the Lenders and the Issuing Banks and any other applicable Secured Parties in proportion to the respective amounts described in this clause (iv) payable to them;

(v) fifth, to the payment in full of all other Secured Obligations, in each case ratably among the Administrative Agent, the Lenders, the Issuing Banks and the other Secured Parties based upon the respective aggregate amounts of all such Secured Obligations owing to them in accordance with the respective amounts thereof then due and payable; and

(vi) finally, the balance, if any, after all Secured Obligations (other than Unliquidated Obligations) have been indefeasibly paid in full, to the Borrower or as otherwise required by law; and

(b) if any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired (without any pending drawings), such remaining amount shall be applied to the other Secured Obligations, if any, in the order set forth above.

ARTICLE VIII

The Administrative AgentSECTION 8.01. Authorization and Action.

(a) Each Lender and each Issuing Bank hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors and assigns to serve as the administrative agent and collateral agent under the Loan Documents and each Lender and each Issuing Bank authorizes the Administrative Agent to take such actions as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Administrative Agent under such agreements and to exercise such powers as are reasonably incidental thereto. Further, each of the Lenders and the Issuing Bank, on behalf of itself and any of its Affiliates that are Secured Parties, hereby irrevocably empower and authorize JPMorgan Chase Bank, N.A. (in its capacity as Administrative Agent) to execute and deliver the Collateral Documents and all related documents or instruments as shall be necessary or appropriate to effect the purposes of the Collateral Documents. In addition, to the extent required under the laws of any jurisdiction other than within the United States, each Lender and each Issuing Bank hereby grants to the Administrative Agent any required powers of attorney to execute and enforce any Collateral Document governed by the laws of such jurisdiction on such Lender's or the Issuing Bank's behalf. Without limiting the foregoing, each Lender and each Issuing Bank hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender and each Issuing Bank; provided, however, that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Lenders and the Issuing Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuing Banks

(except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. The motivations of the Administrative Agent, the Arrangers, the Co-Documentation Agents and the Co-Syndication Agents are commercial in nature and not to invest in the general performance or operations of the Borrower. Without limiting the generality of the foregoing:

(i) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender, any Issuing Bank or any other Secured Party other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and/or the transactions contemplated hereby;

(ii) where the Administrative Agent is required or deemed to act as a trustee in respect of any Collateral over which a security interest has been created pursuant to a Loan Document expressed to be governed by the laws of any jurisdiction other than the United States of America, or is required or deemed to hold any Collateral “on trust” pursuant to the foregoing, the obligations and liabilities of the Administrative Agent to the Secured Parties in its capacity as trustee shall be excluded to the fullest extent permitted by applicable law; and

(iii) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender for any sum or the profit element of any sum received by the Administrative Agent for its own account.

(d) The Administrative Agent may perform any of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities pursuant to this Agreement. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(e) None of any Co-Syndication Agent, Co-Documentation Agent or any Arranger shall have obligations or duties whatsoever in such capacity under this Agreement or any other Loan Document and shall incur no liability hereunder or thereunder in such capacity, but all such persons shall have the benefit of the indemnities provided for hereunder.

(f) In case of the pendency of any proceeding with respect to any Loan Party under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any reimbursement obligation in respect of any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand

on any Loan Party) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Disbursements and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.17 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or any Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank in any such proceeding.

(g) The provisions of this Article VIII are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article VIII, none of the Borrower or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations provided under the Loan Documents, to have agreed to the provisions of this Article VIII.

SECTION 8.02. Administrative Agent's Reliance, Limitation of Liability, Etc.

(a) Neither the Administrative Agent nor any of its Related Parties shall be (i) liable for any action taken or omitted to be taken by such party, the Administrative Agent or any of its Related Parties under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and non-appealable judgment) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party to perform its obligations hereunder or thereunder.

(b) The Administrative Agent shall be deemed not to have knowledge of any (i) notice of any of the events or circumstances set forth or described in Section 5.02 unless and until written notice thereof (stating that it is a “notice under Section 5.02” in respect of this Agreement and identifying the specific clause under said Section) is given to the Administrative Agent by the Borrower or (ii) notice of any Default or Event of Default unless and until written notice thereof (stating that it is a “notice of Default” or a “notice of an Event of Default”) is given to the Administrative Agent by the Borrower, a Lender or the Issuing Bank, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent or (vi) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any Liabilities, costs or expenses suffered by the Borrower, any Subsidiary, any Lender or any Issuing Bank as a result of, any determination of the Credit Exposure, any of the component amounts thereof or any portion thereof attributable to each Lender or the Issuing Bank or any Dollar Equivalent thereof.

(c) Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 9.04, (ii) may rely on the Register to the extent set forth in Section 9.04(b), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Lender or any Issuing Bank and shall not be responsible to any Lender or Issuing Bank for any statements, warranties or representations made by or on behalf of any Loan Party in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, may presume that such condition is satisfactory to such Lender or such Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or such Issuing Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

SECTION 8.03. Posting of Communications.

(a) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications available to the Lenders and the Issuing Banks by posting the Communications on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic platform chosen by the Administrative Agent to be its electronic transmission system (the “Approved Electronic Platform”).

(b) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Effective Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Approved Electronic Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and the Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(c) THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS ARE PROVIDED “AS IS” AND “AS AVAILABLE”. THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED ELECTRONIC PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE APPROVED ELECTRONIC PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY CO-SYNDICATION AGENT, ANY CO-DOCUMENTATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, “APPLICABLE PARTIES”) HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING BANK OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY’S OR THE ADMINISTRATIVE AGENT’S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED ELECTRONIC PLATFORM.

(d) Each Lender and each Issuing Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender and each Issuing Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender’s or each Issuing Bank’s (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(e) Each of the Lenders, each of the Issuing Banks and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent’s generally applicable document retention procedures and policies.

(f) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuing Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 8.04. The Administrative Agent Individually. With respect to its Commitments, Letter of Credit Commitments, Loans (including Swingline Loans) and Letters of Credit,

the Person serving as the Administrative Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender or Issuing Bank, as the case may be. The terms “Issuing Banks”, “Lenders”, “Required Lenders”, “Required Revolving Lenders” and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender, an Issuing Bank or as one of the Required Lenders or Required Revolving Lenders, as applicable. The Person serving as the Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust or other business with, the Borrower, any Subsidiary or any Affiliate of any of the foregoing as if such Person was not acting as the Administrative Agent and without any duty to account therefor to the Lenders or the Issuing Banks.

SECTION 8.05. Successor Administrative Agent.

(a) The Administrative Agent may resign at any time by giving 30 days’ prior written notice thereof to the Lenders, the Issuing Banks and the Borrower, whether or not a successor Administrative Agent has been appointed. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent’s giving of notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York or an Affiliate of any such bank. In either case, such appointment shall be subject to the prior written approval of the Borrower (which approval may not be unreasonably withheld and shall not be required while an Event of Default has occurred and is continuing). Upon the acceptance of any appointment as Administrative Agent by a successor Administrative Agent, such successor Administrative Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Administrative Agent. Upon the acceptance of appointment as Administrative Agent by a successor Administrative Agent, the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. Prior to any retiring Administrative Agent’s resignation hereunder as Administrative Agent, the retiring Administrative Agent shall take such action as may be reasonably necessary to assign to the successor Administrative Agent its rights as Administrative Agent under the Loan Documents.

(b) Notwithstanding paragraph (a) of this Section, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuing Banks and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents; provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Collateral Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties, and continue to be entitled to the rights set forth in such Collateral Document and Loan Document, and, in the case of any Collateral in the possession of the Administrative Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this Section (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Collateral Document, including any action required to maintain the perfection of any such security interest) and (ii) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than

the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall directly be given or made to each Lender and each Issuing Bank. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article VIII and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (i) above.

SECTION 8.06. Acknowledgements of Lenders and Issuing Banks.

(a) Each Lender and each Issuing Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) in participating as a Lender, it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender or the Issuing Bank, in each case in the ordinary course of business, and not for the purpose of investing in the general performance or operations of the Borrower, or for the purpose of purchasing, acquiring or holding any other type of financial instrument such as a security (and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing, such as a claim under federal or state securities law), (iii) it has, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent or any other Lender or the Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder and (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or the Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each Lender and the Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent or any other Lender or the Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement on the Effective Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

(c)

(i) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall

promptly, but in no event later than one (1) Business Day thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 8.06(c) shall be conclusive, absent manifest error.

(ii) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a “Payment Notice”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one (1) Business Day thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations (or any other Secured Obligations) owed by the Borrower or any other Loan Party.

(iv) Each party’s obligations under this Section 8.06(c) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 8.07. Collateral Matters.

(a) Except with respect to the exercise of setoff rights in accordance with Section 9.08 or with respect to a Secured Party’s right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan

Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof. In its capacity, the Administrative Agent is a “representative” of the Secured Parties within the meaning of the term “secured party” as defined in the UCC. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Secured Obligations, the Administrative Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Administrative Agent on behalf of the Secured Parties. The Lenders hereby authorize the Administrative Agent, at its option and in its discretion, to release any Lien granted to or held by the Administrative Agent upon any Collateral (i) as described in Section 9.02(d); (ii) as permitted by, but only in accordance with, the terms of the applicable Loan Document; or (iii) if approved, authorized or ratified in writing by the Required Lenders, unless such release is required to be approved by all of the Lenders hereunder. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Administrative Agent’s authority to release particular types or items of Collateral pursuant hereto. Upon any sale or transfer of assets constituting Collateral which is permitted pursuant to the terms of any Loan Document, or consented to in writing by the Required Lenders or all of the Lenders, as applicable, and upon at least five (5) Business Days’ prior written request by the Borrower to the Administrative Agent, the Administrative Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Administrative Agent for the benefit of the Secured Parties herein or pursuant hereto upon the Collateral that was sold or transferred; provided, however, that (i) the Administrative Agent shall not be required to execute any such document on terms which, in the Administrative Agent’s reasonable opinion, would expose the Administrative Agent to liability or create any obligation or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Secured Obligations or any Liens upon (or obligations of the Loan Parties in respect of) all interests retained by any Loan Party, including (without limitation) the proceeds of the sale, all of which shall continue to constitute part of the Collateral. Any execution and delivery by the Administrative Agent of documents in connection with any such release shall be without recourse to or warranty by the Administrative Agent.

(b) In furtherance of the foregoing and not in limitation thereof, no Banking Services Agreement or Swap Agreement will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under any Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such Banking Services Agreement or Swap Agreement, as applicable, shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(c) The Secured Parties irrevocably authorize the Administrative Agent, at its option and in its discretion, to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(b). The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders or any other Secured Party for any failure to monitor or maintain any portion of the Collateral.

SECTION 8.08. Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Secured Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either

directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Secured Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Secured Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Secured Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Secured Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of Secured Obligations credit bid by the acquisition vehicle or otherwise), such Secured Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Secured Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Secured Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Secured Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

SECTION 8.09. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents or any of their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents or any of their respective Affiliates is a fiduciary with respect to the Collateral or the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(c) The Administrative Agent and each Arranger and each Co-Documentation Agent and Co-Syndication Agent each hereby informs the Lenders that each such Person is not undertaking to provide investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Loan Documents, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, arrangement fees, facility fees, commitment fees,

upfront fees, underwriting fees, ticking fees, agency fees, administrative agent fees or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

SECTION 8.10. Borrower Communications. (a) The Administrative Agent, the Lenders and the Issuing Banks agree that the Borrower may, but shall not be obligated to, make any Borrower Communications to the Administrative Agent through an electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Approved Borrower Portal").

(b) Although the Approved Borrower Portal and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Amendment No. 3 Effective Date, a user ID/password authorization system), each of the Lenders, each of the Issuing Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of the Borrower that are added to the Approved Borrower Portal, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and the Borrower hereby approves distribution of Borrower Communications through the Approved Borrower Portal and understands and assumes the risks of such distribution.

(c) THE APPROVED BORROWER PORTAL IS PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER COMMUNICATION, OR THE ADEQUACY OF THE APPROVED BORROWER PORTAL AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED BORROWER PORTAL AND THE BORROWER COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE BORROWER COMMUNICATIONS OR THE APPROVED BORROWER PORTAL. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY CO-DOCUMENTATION AGENT, ANY CO-SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, "APPLICABLE PARTIES") HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING BANK OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S TRANSMISSION OF BORROWER COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED BORROWER PORTAL.

(d) Each of the Lenders, each of the Issuing Banks and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Borrower Communications on the Approved Borrower Portal in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(e) Nothing herein shall prejudice the right of the Borrower to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

ARTICLE IX

and

(vi) if to any other Lender or Issuing Bank, to it at its address (or telecopy number) set forth in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through Approved Electronic Platforms or Approved Borrower Portals, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to any Loan Party, the Lenders, the Administrative Agent and the Issuing Banks hereunder may be delivered or furnished by using Approved Electronic Platforms or Approved Borrower Portals (as applicable), in each case, pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

SECTION 9.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Except as provided in Section 2.20 with respect to an Incremental Term Loan Amendment or as provided in Section 2.14(b) and Section 2.14(c), neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly affected thereby (except that none of (A) any amendment or modification of the Financial Covenants (or defined terms used in the Financial Covenants) or (B) the waiver or reduction of any obligation of the Borrower to pay interest or fees at the applicable default rate set forth in Section 2.13(c) shall constitute a reduction in the rate of interest or fees for purposes of this clause (ii)), (iii) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon (other than interest payable at the applicable default rate set forth in Section 2.13(c)), or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby, (iv) change Section 2.09(c) or 2.18(b) or (c) in a manner that would alter the ratable reduction of Commitments or the pro rata sharing of payments required thereby, without the written consent of each Lender, (v) change the payment waterfall provisions of Section 2.21(b) or 7.03 without the written consent of each Lender, (vi) [reserved], (vii) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender (it being understood that, solely with the consent of the parties prescribed by Section 2.20 to be parties to an Incremental Term Loan Amendment, Incremental Term Loans may be included in the determination of Required Lenders on substantially the same basis as the Commitments and the Loans are included on the Effective Date), (viii) (A) release the Borrower from its obligations under Article X or (B) release all or substantially all of the Subsidiary Guarantors from their obligations under the Subsidiary Guaranty, in each case, without the written consent of each Lender, or (ix) except as provided in clause (d) of this Section or in any Collateral Document, release all or substantially all of the Collateral, without the written consent of each Lender; provided further

that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, such Issuing Bank or the Swingline Lender, as the case may be (it being understood that any change to Section 2.21 shall require the consent of the Administrative Agent, the Issuing Banks and the Swingline Lender); and provided further that no such agreement shall amend or modify the provisions of Section 2.06 without the prior written consent of the Administrative Agent and such Issuing Bank. Notwithstanding the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be directly affected by such amendment, waiver or other modification.

(c) Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more credit facilities (in addition to the Incremental Term Loans pursuant to an Incremental Amendment) to this Agreement and to permit extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Revolving Loans, the initial Term Loans, Incremental Term Loans and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and Lenders (it being understood and agreed that any such amendment in connection with new or increases to the Commitments and/or Incremental Term Loans in accordance with Section 2.20 shall require solely the consent of the parties prescribed by such Section and shall not require the consent of the Required Lenders).

(d) The Lenders hereby irrevocably authorize the Administrative Agent, at its option and in its sole discretion, to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (i) upon the satisfaction of the Final Release Conditions, (ii) upon the termination of all the Commitments, payment and satisfaction in full in cash of all Secured Obligations (other than Swap Obligations not yet due and payable, Banking Services Obligations not yet due and payable, Unliquidated Obligations for which no claim has been made and other Obligations expressly stated to survive such payment and termination), and the cash collateralization of all Unliquidated Obligations in a manner satisfactory to the Administrative Agent, (iii) constituting property being sold or disposed of if the Borrower certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), (iv) constituting property leased to the Borrower or any Subsidiary under a lease which has expired or been terminated in a transaction permitted under this Agreement, or (v) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII. Any such release shall not in any manner discharge, affect, or impair the Secured Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral (except to the extent any of the foregoing constitutes Excluded Assets). In addition, each of the Lenders, on behalf of itself and any of its Affiliates that are Secured Parties, irrevocably authorizes the Administrative Agent, at its option and in its discretion, (i) to subordinate any Lien on any assets granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(e) or (ii) in the event that the Borrower shall have advised the Administrative Agent that, notwithstanding the use by the Borrower of commercially reasonable efforts to obtain the consent of such holder (but without the requirement to pay any sums to obtain such consent) to permit the Administrative Agent to retain its liens (on a subordinated basis as contemplated by clause (i) above), the holder of such other Indebtedness requires, as a condition to the extension of such credit, that the Liens on such assets

granted to or held by the Administrative Agent under any Loan Document be released, to release the Administrative Agent's Liens on such assets.

(e) If, in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender" or "each Lender directly affected thereby," the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a "Non-Consenting Lender"), then the Borrower may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Borrower and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, (ii) the Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrower hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender and (iii) such Non-Consenting Lender shall have received the outstanding principal amount of its Loans and participations in LC Disbursements. Each party hereto agrees that (i) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto.

(f) Notwithstanding anything to the contrary herein the Administrative Agent may, with the consent of the Borrower or other applicable Loan Parties only, amend, modify or supplement this Agreement or any of the other Loan Documents (i) to cure any ambiguity, omission, mistake, defect or inconsistency or correct any typographical error or other manifest error in any Loan Document, (ii) to comply with local law or advice of local counsel in any jurisdiction the laws of which govern any Collateral Document or that are relevant to the creation, perfection, protection and/or priority of any Lien in favor of the Administrative Agent or (iii) to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties.

SECTION 9.03. Expenses; Limitation of Liability; Indemnity, Etc.

(a) Expenses. The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Arrangers (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of a single firm as primary counsel, along with such specialist counsel as may reasonably be required by the Administrative Agent, and a single firm of local counsel in each applicable jurisdiction), in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facilities provided for herein, the preparation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or

waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank or any Lender (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of a single firm as primary counsel to all such parties, along with such specialist counsel as may reasonably be required by the Administrative Agent, and a single firm of local counsel in each applicable jurisdiction, for the Administrative Agent, and, in the event of an actual or reasonably perceived conflict of interest (as reasonably determined by the Administrative Agent or the applicable Issuing Bank or Lender), one additional firm of primary counsel for each group of similarly affected persons, and to the extent required, one firm of local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions)) in connection with the enforcement, collection or protection of its rights in connection with this Agreement and any other Loan Document, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses (subject to the foregoing limitations with respect to legal fees and expenses) incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) Limitation of Liability. To the extent permitted by applicable law (i) the Borrower and any other Loan Party shall not assert, and the Borrower and each other Loan Party hereby waives, any claim against the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent, any Issuing Bank and any Lender, and any Related Party of any of the foregoing Persons (each such Person being called a “Lender-Related Person”) for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet, any Approved Electronic Platform and any Approved Borrower Portal), other than any such claims for direct or actual damages that are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from the gross negligence or willful misconduct of such Lender-Related Person and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this Section 9.03(b) shall relieve the Borrower or any other Loan Party of any obligation it may have to indemnify an Indemnitee, as provided in Section 9.03(c), against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(c) Indemnity. The Borrower shall indemnify the Administrative Agent, each Arranger, each Co-Syndication Agent, each Co-Documentation Agent, the Swingline Lender, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all Liabilities and related reasonable and documented out-of-pocket expenses (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of a single firm of primary counsel for all Indemnitees, along with such specialist counsel as may reasonably be required by the Administrative Agent, and a single firm of local counsel in each applicable jurisdiction for all Indemnitees and, in the event of an actual or reasonably perceived conflict of interest (as reasonably determined by the applicable Indemnitee), one additional firm of counsel to each group of similarly affected Indemnitees and to the extent required, one firm or local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions)) incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby,

the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any act or omission of the Administrative Agent in connection with the administration of this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, (iv) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (v) any actual or prospective Proceeding in any jurisdiction relating to any of the foregoing (including in relation to enforcing the terms of the limitation of liability and indemnification referred to above), whether or not such Proceeding is brought by the Borrower or any other Loan Party or its or their respective equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such Liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from (i) the gross negligence or willful misconduct of such Indemnitee or any of its Controlled Related Parties in performing its activities or in furnishing its commitments or services under this Agreement or the other Loan Documents, (ii) a breach in bad faith by such Indemnitee or any of its Controlled Related Parties of its material obligations under this Agreement or the other Loan Documents or (iii) any dispute solely among Indemnitees (not arising from any act or omission of the Borrower or any of its Affiliates) other than claims against an Indemnitee acting in its capacity as, or in fulfilling its role as, the Administrative Agent, an Arranger, the Swingline Lender or an Issuing Bank under this Agreement or the other Loan Documents). As used above, a “Controlled Related Party” of an Indemnitee means (1) any Controlling Person or Controlled Affiliate of such Indemnitee, (2) the respective directors, officers, or employees of such Indemnitee or any of its Controlling Persons or Controlled Affiliates and (3) the respective agents or representatives of such Indemnitee or any of its Controlling Persons or Controlled Affiliates, in the case of this clause (3), acting at the instructions of such Indemnitee, Controlling Person or Controlled Affiliate; provided that each reference to a Controlling Person, Controlled Affiliate, director, officer or employee in this sentence pertains to a Controlling Person, Controlled Affiliate, director, officer or employee involved in the arrangement, negotiation or syndication of the credit facilities evidenced by this Agreement. This Section 9.03(c) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(d) Lender Reimbursement. To the extent that the Borrower fails to pay any amount required to be paid by it under paragraph (a) or (c) of this Section 9.03, each Lender severally agrees to pay to the Administrative Agent, and each Lender severally agrees to pay to each Issuing Bank, the Swingline Lender, and each Related Party of any of the foregoing Persons (each, an “Agent-Related Person”), as the case may be, such Lender’s Applicable Percentage (determined as of the time that the applicable payment is sought) of such unpaid amount (it being understood that the Borrower’s failure to pay any such amount shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or Liability or related expense, as the case may be, was incurred by or asserted against such Agent-Related Person in its capacity as such.

(e) Payments. All amounts due under this Section 9.03 shall be payable not later than thirty (30) days after written demand therefor.

SECTION 9.04. Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the relevant Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder

without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the relevant Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments, participations in Letters of Credit and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Borrower (provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received written notice thereof); provided, further, that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default under Section 7.01(a), (b), (h), (i) or (j) has occurred and is continuing, any other assignee;

(B) the Administrative Agent;

(C) the Issuing Banks; provided that no consent of an Issuing Bank shall be required if (x) an Event of Default occurs with respect to the Borrower under Section 7.01(h) or 7.01(i) and (y) such Issuing Bank has no outstanding Letters of Credit at that time; provided further that no consent of any Issuing Bank shall be required for an assignment of all or any portion of a Term Loan; and

(D) the Swingline Lender; provided that no consent of the Swingline Lender shall be required if (x) an Event of Default occurs with respect to the Borrower under Section 7.01(h) or 7.01(i) and (y) such Swingline Lender has no outstanding Swingline Loans at that time; provided further that no consent of the Swingline Lender shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date set forth in the Assignment and Assumption with respect to such assignment delivered to the Administrative Agent and determined on an aggregate basis) shall not be less than \$5,000,000 (in the case of Revolving Commitments and Revolving Loans) or \$1,000,000 (in the case of a Term Loan) unless each of the Borrower and the Administrative Agent otherwise consent; provided that no such consent of the Borrower shall be required if an Event of Default under Section 7.01(a), (b), (h), (i) or (j) has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with a processing and recordation fee of \$3,500, such fee to be paid by either the assigning Lender or the assignee Lender or shared between such Lenders; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including federal and state securities laws.

For the purposes of this Section 9.04(b), the terms "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

"Ineligible Institution" means (a) a natural person, (b) a Defaulting Lender or its Lender Parent, (c) the Borrower, any of its Subsidiaries or any of its Affiliates, (d) a company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof or (e) a Disqualified Institution.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of,

and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive (absent manifest error), and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(c), 2.06(d) or (e), 2.07(b), 2.18(e) or 9.03(d), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of, or notice to, the Borrower, the Administrative Agent, the Issuing Banks or the Swingline Lender, sell participations to one or more banks or other entities (a “Participant”), other than an Ineligible Institution, in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower’s request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(d) as though it were a Lender. Each Lender that sells a participation

shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or Section 1.163-5(b) of the Proposed United States Treasury Regulations (or, in each case, any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority having jurisdiction over such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Disqualified Institutions.

(i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the "Trade Date") on which the assigning Lender entered into a binding agreement to sell and assign or grant a participation in all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment or participation in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee or Participant that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a written supplement to the list of "Disqualified Institutions" referred to in, the definition of "Disqualified Institution"), (x) such assignee or Participant shall not retroactively be disqualified from becoming a Lender or Participant and (y) the execution by the Borrower of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Institution. Any assignment or participation in violation of this clause (e)(i) shall not be void, but the other provisions of this clause (e) shall apply.

(ii) If any assignment or participation is made to any Disqualified Institution without the Borrower's prior written consent in violation of clause (i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.04), all of its interest, rights and obligations under this Agreement to one or more Persons (other than an Ineligible Institution, the Borrower, any of the Borrower's Subsidiaries or any of the Borrower's Affiliates) at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions to whom an assignment or participation is made in violation of clause (i) above (A) will not have the right to (x) receive information, reports or other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter and (y) for purposes of voting on any plan of reorganization, each Disqualified Institution party hereto hereby agrees (1) not to vote on such plan of reorganization, (2) if such Disqualified Institution does vote on such plan of reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other applicable laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such plan of reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other applicable laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the “DQ List”) on an Approved Electronic Platform, including that portion of such Approved Electronic Platform that is designated for “public side” Lenders and/or (B) provide the DQ List to each Lender or potential Lender requesting the same.

(v) The Administrative Agent and the Lenders shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, neither the Administrative Agent nor any Lender shall (x) be obligated to ascertain, monitor or inquire as to whether any other Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, by any other Person to any Disqualified Institution.

(f) Notwithstanding anything to the contrary contained in this Agreement, any Lender may assign all or a portion of its Term Loans to any Purchasing Borrower Party in accordance with this Section 9.04(f) (which assignment shall not constitute a prepayment of Loans for any purposes of this Agreement and the other Loan Documents); provided that:

- (i) no Event of Default has occurred and is continuing or would result therefrom,
- (ii) such assignment shall be made pursuant to (i) a bona fide open market purchase on a non-pro rata basis for cash consideration or (ii) an Auction Purchase Offer open to all Lenders of the applicable Class conducted in accordance with the Auction Procedures;
- (iii) any Term Loans assigned to any Purchasing Borrower Party shall, without further action by any Person, be automatically and permanently cancelled for all purposes and no longer

outstanding (and may not be resold by any Purchasing Borrower Party), it being understood and agreed that any gains or losses by any Purchasing Borrower Party upon purchase or acquisition and cancellation of such Term Loans shall not be taken into account in the calculation of Excess Cash Flow, Consolidated Net Income or Consolidated EBITDA;

(iv) in no event shall any Purchasing Borrower Party be entitled to vote hereunder in connection with the assigned Term Loans;

(v) no more than one (1) Auction Purchase Offer with respect to any Class may be ongoing at any one time, no more than four (4) Auction Purchase Offers (regardless of Class) may be made in any one year and any Auction Purchase Offer with respect to any Class shall be offered to all Term Lenders holding Term Loans of such Class on a pro rata basis;

(vi) no Purchasing Borrower Party may use the proceeds from Revolving Loans or Swingline Loans to purchase any Term Loans; and

(vii) the aggregate outstanding principal amount of the Term Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans purchased pursuant to this Section 9.04(f) and each principal repayment installment with respect to the Term Loans of such Class shall be reduced pro rata by the aggregate principal amount of Term Loans purchased; provided that any such assignment shall not constitute a voluntary or mandatory prepayment for any other purpose under this Agreement or the other Loan Documents.

In connection with any Term Loans assigned and cancelled pursuant to this Section 9.04(f), the Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation. Any payment made by any Purchasing Borrower Party in connection with an assignment permitted by this Section 9.04(f) shall not be subject to any of the pro rata payment or sharing requirements of this Agreement.

Notwithstanding anything to the contrary contained herein, the Administrative Agent shall not (a) be required to serve as the auction agent for, or have any other obligations to participate in (other than mechanical administrative duties), or to facilitate any, Dutch auction unless it is reasonably satisfied with the terms and restrictions of such auction or (b) have any obligation to participate in, arrange, sell or otherwise facilitate, and will have no liability in connection with, any open market purchases by the Borrower or any Subsidiary. Each Purchasing Borrower Party waives any rights to bring any action in connection with this Agreement against the Administrative Agent in its capacity as such, including, without limitation, with respect to any duties or obligations or alleged duties or obligations of such agent under the Loan Documents.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid (except for Unliquidated Obligations) or any Letter of Credit is outstanding (unless such Letter of Credit has been cash collateralized or backstopped pursuant to arrangements reasonably satisfactory to the Administrative Agent) and so long

as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to (i) fees payable to the Administrative Agent and (ii) the reductions of the Letter of Credit Commitment of any Issuing Bank constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.01(a)), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each other Loan Party hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Borrower and the other Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) agrees that the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any

other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent's and/or any Lender's reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower and/or any other Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.07. Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, the Issuing Bank, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final) at any time held, and other obligations at any time owing, by such Lender, the Issuing Bank or any such Affiliate, to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or the Issuing Bank or their respective Affiliates, irrespective of whether or not such Lender, the Issuing Bank or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower may be contingent or unmatured or are owed to a branch office or Affiliate of such Lender or the Issuing Bank different from the branch office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so setoff shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.21 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Bank, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Secured Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, the Issuing Bank and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, such Issuing Bank or their respective Affiliates may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN ANY SUCH OTHER LOAN DOCUMENT) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(b) Each of the Lenders and the Administrative Agent hereby irrevocably and unconditionally agrees that, notwithstanding the governing law provisions of any applicable Loan Document, any claims brought against the Administrative Agent by any Secured Party relating to this Agreement, any other Loan Document, the Collateral or the consummation or administration of the

transactions contemplated hereby or thereby shall be construed in accordance with and governed by the law of the State of New York.

(c) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may (and any such claims, cross-claims or third party claims brought against the Administrative Agent or any of its Related Parties may only) be heard and determined in such Federal (to the extent permitted by law) or New York State court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall (i) affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction (ii) waive any statutory, regulatory, common law, or other rule, doctrine, legal restriction, provision or the like providing for the treatment of bank branches, bank agencies, or other bank offices as if they were separate juridical entities for certain purposes, including Uniform Commercial Code Sections 4-106, 4-A-105(1)(b), and 5-116(b), UCP 600 Article 3 and ISP98 Rule 2.02, and URDG 758 Article 3(a), or (iii) affect which courts have or do not have personal jurisdiction over the issuing bank or beneficiary of any Letter of Credit or any advising bank, nominated bank or assignee of proceeds thereunder or proper venue with respect to any litigation arising out of or relating to such Letter of Credit with, or affecting the rights of, any Person not a party to this Agreement, whether or not such Letter of Credit contains its own jurisdiction submission clause.

(d) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (c) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(e) Each of the parties hereto hereby irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and its and their respective directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); provided that the disclosing Administrative Agent, Issuing Bank or Lender, as applicable, shall be responsible for compliance by such Persons with the provisions of this Section 9.12, (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners) purporting to have jurisdiction over the Administrative Agent, Issuing Bank, the applicable Lender or its or their applicable Affiliates, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided that the Administrative Agent or such Lender, as applicable, agrees that it will, to the extent practicable and other than with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, notify the Borrower promptly thereof, unless such notification is prohibited by law, rule or regulation), (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (1) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (it being understood that the DQ List may be disclosed to any assignee or Participant, or prospective assignee or Participant, in reliance on this clause (f) subject to such agreement), (2) to any swap or derivative transaction relating to the Borrower and its obligations or (3) to any potential or actual insurer or reinsurer in connection with providing insurance, reinsurance or credit risk mitigation coverage under which payments are to be made or may be made by reference to this Agreement, (g) on a confidential basis to (1) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein or (2) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of identification numbers with respect to the credit facilities provided for herein, (h) with the prior written consent of the Borrower or (i) to the extent such Information (1) becomes publicly available other than as a result of a breach of this Section or (2) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by the Borrower and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. For the avoidance of doubt, nothing in this Section 9.12 shall prohibit any Person from voluntarily disclosing or providing any Information within the scope of this confidentiality provision to any governmental, regulatory or self-regulatory organization (any such entity, a "Regulatory Authority") to the extent that any such prohibition on disclosure set forth in this Section 9.12 shall be prohibited by the laws or regulations applicable to such Regulatory Authority.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THE IMMEDIATELY PRECEDING PARAGRAPH FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING

THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

SECTION 9.13. USA PATRIOT Act. Each Lender that is subject to the requirements of the Patriot Act and the requirements of the Beneficial Ownership Regulation hereby notifies each Borrower and each other Loan Party that, pursuant to the requirements of the Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the such Borrower or such Loan Party, which information includes the name, address and tax identification number of such Borrower and such Loan Party and other information that will allow such Lender to identify such Borrower and such Loan Party in accordance with the Patriot Act and the Beneficial Ownership Regulation and other applicable “know your customer” and anti-money laundering rules and regulations.

SECTION 9.14. Releases of Subsidiary Guarantors.

(a) A Subsidiary Guarantor shall automatically be released from its obligations under the Loan Documents upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Guarantor ceases to be a Subsidiary, or becomes an Excluded Subsidiary (other than as a result of clause (f) of the definition of “Excluded Subsidiary”); provided that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise. Upon any sale or other disposition (other than any lease or license) by any Loan Party (other than to the Borrower or any Loan Party) of any Collateral in a transaction permitted under this Agreement, or if the Person owning such Collateral shall cease to be a Loan Party, or upon the effectiveness of any written consent to the release of the security interest created under any Collateral Document in any Collateral pursuant to Section 9.02, the security interests in such Collateral created by the Collateral Documents shall be automatically released. In connection with any termination or release pursuant to this Section (including pursuant to clause (b) or (c) below), the Administrative Agent shall (and is hereby irrevocably authorized by each Lender to) execute and deliver to any Loan Party, at such Loan Party’s expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent except as may otherwise be expressly agreed in writing by the Administrative Agent and such Loan Party.

(b) Further, the Administrative Agent shall (and is hereby irrevocably authorized by each Lender to), upon the request of the Borrower, release any Subsidiary Guarantor from its obligations under the Subsidiary Guaranty if (i) such Subsidiary Guarantor is no longer a Material Domestic Subsidiary,

or is otherwise not required pursuant to the terms of this Agreement to be a Subsidiary Guarantor or (ii) such release is approved, authorized or ratified by the requisite Lenders pursuant to Section 9.02.

(c) At such time as the principal and interest on the Loans, all LC Disbursements, the fees, expenses and other amounts payable under the Loan Documents and the other Secured Obligations (other than Swap Obligations not yet due and payable, Banking Services Obligations not yet due and payable, Unliquidated Obligations for which no claim has been made and other Obligations expressly stated to survive such payment and termination) shall have been paid in full in cash, the Commitments shall have been terminated and no Letters of Credit shall be outstanding (or any outstanding Letters of Credit shall have been cash collateralized or backstopped pursuant to arrangements reasonably satisfactory to the Administrative Agent) (the foregoing, collectively, the “Final Release Conditions”), the Subsidiary Guaranty and all obligations (other than those expressly stated to survive such termination) of each Subsidiary Guarantor thereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any Person.

SECTION 9.15. Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession or control. Should any Lender (other than the Administrative Agent) obtain possession or control of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent’s request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent’s instructions.

SECTION 9.16. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the applicable Overnight Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.17. No Fiduciary Duty, etc.

(a) The Borrower acknowledges and agrees, and acknowledges its Subsidiaries’ understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm’s length contractual counterparty to the Borrower with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any other person. The Borrower agrees that it will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, the Borrower acknowledges and agrees that no Credit Party is advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. The Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated

herein or in the other Loan Documents, and the Credit Parties shall have no responsibility or liability to the Borrower with respect thereto.

(b) The Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party, together with its Affiliates, in addition to providing or participating in commercial lending facilities such as that provided hereunder, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the Borrower, its Subsidiaries and other companies with which the Borrower or any of its Subsidiaries may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(c) In addition, the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its Affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrower or any of its Subsidiaries may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. The Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower or any of its Subsidiaries, confidential information obtained from other companies.

SECTION 9.18. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.19. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 9.20. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or any Lender from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or any Lender in such currency, the Administrative Agent or such Lender, as the case may be, agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

SECTION 9.21. Restrictions on Certain Amendments. Notwithstanding anything to the contrary in this Agreement, (a) (1) no amendment, modification or waiver to this Agreement shall (i) change any of the provisions of this Section 9.21(a) without the written consent of each Lender or (ii)

without the prior written consent of each Lender directly and adversely affected thereby, (x) subordinate the Obligations hereunder to any other Indebtedness, or (y) subordinate the Liens securing the Obligations to Liens securing any other Indebtedness, and (2) any amendment or waiver that by its terms affects the rights or duties of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) will require only the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto if such Class of Lenders were the only Class of Lenders; (b) no Lender or Issuing Bank shall be required to make Loans or issue Letters of Credit, as applicable, in a currency other than an Agreed Currency (as defined in this Agreement immediately prior to the Amendment No. 3 Effective Date) without its consent, and (c) (1) no amendment, modification or waiver to this Agreement shall (i) change any of the provisions of this Section 9.21(c) or the definition of "Required Revolving Lenders" or any other provision hereof specifying the number or percentage of Revolving Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder with respect to the Revolving Facility without the written consent of each Revolving Lender and (2) prior to the repayment in full of all Revolving Loans and termination of all Revolving Commitments, only the Required Revolving Lenders may (w) amend, waive or otherwise modify any condition set forth in Section 4.02 in respect of any Revolving Loans or Letters of Credit, (x) amend or otherwise modify Section 6.12 or, solely for purposes of Section 6.12, the defined terms used, directly or indirectly, therein, or (y) waive any noncompliance with Section 6.12 or any Event of Default resulting from any such noncompliance, and in each case they may do so without the consent of any other Lender.

ARTICLE X

Borrower Guarantee

In order to induce the Lenders to extend credit to the Borrower hereunder and for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), the Borrower hereby absolutely and irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety, the payment when and as due of the Specified Ancillary Obligations of the Subsidiaries. The Borrower further agrees that the due and punctual payment of such Specified Ancillary Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee hereunder notwithstanding any such extension or renewal of any such Specified Ancillary Obligation.

The Borrower waives presentment to, demand of payment from and protest to any Subsidiary of any of the Specified Ancillary Obligations, and also waives notice of acceptance of its obligations and notice of protest for nonpayment. The obligations of the Borrower hereunder shall not be affected by (a) the failure of any applicable Lender (or any of its Affiliates) to assert any claim or demand or to enforce any right or remedy against any Subsidiary under the provisions of any Banking Services Agreement, any Swap Agreement or otherwise; (b) any extension or renewal of any of the Specified Ancillary Obligations; (c) any rescission, waiver, amendment or modification of, or release from, any of the terms or provisions of the Specified Ancillary Obligations; (d) any default, failure or delay, willful or otherwise, in the performance of any of the Specified Ancillary Obligations; (e) the failure of any applicable Lender (or any of its Affiliates) to take any steps to perfect and maintain any security interest in, or to preserve any rights to, any security or collateral for the Specified Ancillary Obligations, if any; (f) any change in the corporate, partnership or other existence, structure or ownership of any Subsidiary or any other guarantor of any of the Specified Ancillary Obligations; (g) the enforceability or validity of the Specified Ancillary Obligations or any part thereof or the genuineness, enforceability or validity of any agreement relating thereto or with respect to any collateral securing the Specified Ancillary Obligations or any part thereof, or any other invalidity or unenforceability relating to or against any Subsidiary or any other guarantor of any of the Specified Ancillary Obligations, for any reason related to this Agreement, any

other Loan Document, any Banking Services Agreement, any Swap Agreement, or any provision of applicable law, decree, order or regulation of any jurisdiction purporting to prohibit the payment by such Subsidiary or any other guarantor of the Specified Ancillary Obligations, of any of the Specified Ancillary Obligations or otherwise affecting any term of any of the Specified Ancillary Obligations; or (h) any other act, omission or delay to do any other act which may or might in any manner or to any extent vary the risk of the Borrower or otherwise operate as a discharge of a guarantor as a matter of law or equity or which would impair or eliminate any right of the Borrower to subrogation, in each case, other than payment in full in cash of all Specified Ancillary Obligations or satisfaction otherwise of the Final Release Conditions.

The Borrower further agrees that its agreement hereunder constitutes a guarantee of payment when due (whether or not any bankruptcy or similar proceeding shall have stayed the accrual or collection of any of the Specified Ancillary Obligations or operated as a discharge thereof) and not merely of collection, and waives any right to require that any resort be had by any applicable Lender (or any of its Affiliates) to any balance of any deposit account or credit on the books of the Administrative Agent, any Issuing Bank or any Lender in favor of any Subsidiary or any other Person.

The obligations of the Borrower hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever, by reason of the invalidity, illegality or unenforceability of any of the Specified Ancillary Obligations, any impossibility in the performance of any of the Specified Ancillary Obligations or otherwise.

The Borrower further agrees that its obligations hereunder shall constitute a continuing and irrevocable guarantee of all Specified Ancillary Obligations now or hereafter existing and shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Specified Ancillary Obligation (including a payment effected through exercise of a right of setoff) is rescinded, or is or must otherwise be restored or returned by any applicable Lender (or any of its Affiliates) upon the insolvency, bankruptcy or reorganization of any Subsidiary or otherwise (including pursuant to any settlement entered into by a holder of Specified Ancillary Obligations in its discretion).

In furtherance of the foregoing and not in limitation of any other right which any applicable Lender (or any of its Affiliates) may have at law or in equity against the Borrower by virtue hereof, upon the failure of any Subsidiary to pay any Specified Ancillary Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, the Borrower hereby promises to and will, upon receipt of written demand by any applicable Lender (or any of its Affiliates), forthwith pay, or cause to be paid, to such applicable Lender (or any of its Affiliates) in cash an amount equal to the unpaid principal amount of such Specified Ancillary Obligations then due, together with accrued and unpaid interest thereon. The Borrower further agrees that if payment in respect of any Specified Ancillary Obligation shall be due in a currency other than Dollars and/or at a place of payment other than New York, Chicago or any other officer, branch, affiliate or correspondent bank of the applicable Lender for such currency and if, by reason of any Change in Law, disruption of currency or foreign exchange markets, war or civil disturbance or other event, payment of such Specified Ancillary Obligation in such currency or at such place of payment shall be impossible or, in the reasonable judgment of any applicable Lender (or any of its Affiliates), disadvantageous to such applicable Lender (or any of its Affiliates) in any material respect, then, at the election of such applicable Lender, the Borrower shall make payment of such Specified Ancillary Obligation in Dollars (based upon the Dollar Equivalent of such Specified Ancillary Obligation on the date of payment) and/or in New York, Chicago or such other payment office as is designated by such applicable Lender (or its Affiliate) and, as a separate and independent obligation, shall indemnify such applicable Lender (and any of its Affiliates) against any losses or reasonable out-of-pocket expenses that it shall sustain as a result of such alternative payment.

Upon payment by the Borrower of any sums as provided above, all rights of the Borrower against any Subsidiary arising as a result thereof by way of right of subrogation or otherwise shall in all respects be subordinated and junior in right of payment to the prior indefeasible payment in full in cash of all the Specified Ancillary Obligations owed by such Subsidiary to the applicable Lender (or its applicable Affiliates).

The Borrower hereby absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each Subsidiary Guarantor to honor all of its obligations under the Subsidiary Guaranty in respect of Specified Swap Obligations (provided, however, that the Borrower shall only be liable under this paragraph for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this paragraph or otherwise under this Article X voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The Borrower intends that this paragraph constitute, and this paragraph shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each Subsidiary Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Nothing shall discharge or satisfy the liability of the Borrower hereunder except the full performance and payment in cash of the Secured Obligations.

THIS AMENDMENT NO. 5 (this “Amendment”) is made as of January 9, 2025, by and among ModivCare Inc., a corporation organized under the laws of the State of Delaware (the “Borrower”), the financial institutions listed on the signature pages hereof and JPMorgan Chase Bank, N.A., as administrative agent (the “Administrative Agent”), under that certain Credit Agreement, dated as of February 3, 2022, by and among the Borrower, the Lenders and the Administrative Agent (as amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the “Credit Agreement” and as further amended by this Amendment, the “Amended Credit Agreement”). WHEREAS, Borrower has informed the Agent and Revolving Lenders that certain Defaults and Events of Default have occurred and are continuing through the date hereof under Section 7.01(d) of the Credit Agreement as a result of the Borrower’s failure to comply with Section 6.12(c) of the Credit Agreement, (with respect to the fiscal quarter ending December 31, 2024), (the “Covenant Event of Default”) and the Required Revolving Lenders have agreed to waive the Event of Default pursuant to the terms hereof;

WHEREAS the Borrower has requested that the requisite Revolving Lenders, the Amendment No. 5 Term Lenders and requisite Lenders and the Administrative Agent agree to make certain amendments to the Credit Agreement;

WHEREAS, the Borrower, the Revolving Lenders party hereto, the Amendment No. 5 Term Lenders party hereto and the other Lenders party hereto and the Administrative Agent have so agreed on the terms and conditions set forth herein;

a “Lender” and a “Term Lender” under the Amended Credit Agreement and the other Loan Documents.

- b) Each Amendment No. 5 Incremental Term Lender, to the extent not a Lender under the Credit Agreement, (i) represents and warrants that (x) it has received a copy of the Credit Agreement (and the Amended Credit Agreement contemplated by this Amendment), and has received or has been accorded the opportunity to receive copies of the most recent financial statements delivered under the Credit Agreement and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Amendment, and (y) it has, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder; (ii) agrees that it will, independently and without reliance on the Administrative Agent or any Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Loan Documents; (iii) appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under the Loan Documents as are delegated to the Administrative Agent by the terms thereof, together with such powers as are reasonably incidental thereto; (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities (iv) acknowledges and agrees that the Administrative Agent is and shall be entitled to all of the indemnifications, exculpations and other rights and protections set forth in the Credit Agreement (including as amended hereby) and the other Loan Documents (including, without limitation, those set forth in Article VIII of the Credit Agreement (including as amended hereby)); and (v) agrees that it will perform in accordance with their terms all the obligations which by the terms of the Amended Credit Agreement and other Loan Documents as are required to be performed by it as a Lender.

6. Representations and Warranties. The Borrower hereby represents and warrants as follows:

(a) This Amendment and the Amended Credit Agreement constitute legal, valid and binding obligations of the Borrower and are enforceable against the Borrower in accordance with their terms, subject to (i) applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors’ rights generally, (ii) general principles of equity, regardless of whether considered in a proceeding in equity or at law and (iii) requirements of reasonableness, good faith and fair dealing.

7. Reference to and Effect on the Credit Agreement.

(a) Upon the effectiveness hereof, each reference to the Credit Agreement in the Credit Agreement or any other Loan Document shall mean and be a reference to the Amended Credit Agreement.

(b) Each Loan Document and all other documents, instruments and agreements executed and/or delivered in connection therewith shall remain in full force and effect and are hereby ratified and confirmed.

(c) The execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of the Administrative Agent or the Lenders, nor constitute a waiver of any provision of the Credit Agreement (as amended hereby), the other Loan Documents or any other documents, instruments and agreements executed and/or delivered in connection therewith.

(d) This Amendment is a Loan Document.

8. Release; Covenants; Acknowledgement.

(a) In consideration of, among other things, Administrative Agent's and the Lenders' execution and delivery of this Amendment, the Borrower and each Subsidiary Guarantor (by virtue of its execution of the Consent and Reaffirmation attached hereto) (the Borrower and the Subsidiary Guarantors, the "Loan Parties" and each a "Loan Party"), on behalf of itself and its agents, representatives, officers, directors, advisors, employees, subsidiaries, affiliates, successors, and assigns (each a "Releasor" and collectively the "Releasors"), hereby absolutely, unconditionally and irrevocably releases and forever discharges the Administrative Agent, each Lender, each other Secured Party and each of their respective affiliates, subsidiaries, shareholders and "controlling persons" (within the meaning of the federal securities laws), and their respective successors and assigns and each and all of the officers, directors, partners, employees, agents, attorneys, insurers, and other representatives of each of the foregoing (each a "Released Party" and collectively the "Released Parties"), from any and all claims, demands or causes of action of any kind, nature or description (including, without limitation, crossclaims, counterclaims, rights of set-off, and recoupment) (collectively, the "Claims"), whether arising in law or equity or upon contract or tort or under any state or federal law or otherwise, which any Loan Party has had, now has or has made claim to have against any such person for or by reason of any act, omission, matter, cause or thing whatsoever in connection with the Credit Agreement arising from the beginning of time to and including the Amendment No. 5 Effective Date, whether such claims, demands and causes of action are matured or unmatured or known or unknown. It is the intention of each Loan Party in providing this release that the same shall be effective as a bar to each and every claim, demand and cause of action specified in the immediately preceding sentence. Each Loan Party acknowledges that it may hereafter discover facts different from or in addition to those now known or believed to be true with respect to such claims, demands, or causes of action and agree that this instrument shall be and remain effective in all respects notwithstanding any such differences or additional facts. Each Loan Party understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense and may be used as a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

(b) Each Loan Party, on behalf of itself and its successors, assigns, and other legal representatives, hereby absolutely, unconditionally and irrevocably, covenants and agrees with and in favor of each Released Party above that it will not sue (at law, in equity, in any regulatory proceeding or otherwise) any Released Party on the basis of any claim released, remised and discharged by any Loan Party pursuant to the above release. If any Loan Party or any of their successors, assigns or other legal representatives violates the foregoing covenant, each Loan Party, for itself and its successors, assigns and

legal representatives, agrees to pay, in addition to such other damages as any Released Party may sustain as a result of such violation, all reasonable attorneys' fees and out-of-pocket costs incurred by such Released Party as a result of such violation.

(c) Notwithstanding anything herein to the contrary, the Releasors shall not release the Releasees pursuant to clauses 8(a) and (b), nor indemnify the Releasees pursuant to clauses 8(a) and (b), if such release or indemnity, as applicable, arises as a result of such Releasee's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision) and to the extent, the Releasees have breached the provisions of this Amendment.

(d) Each Loan Party represents and warrants that, as of the date hereof, there are no liabilities, claims, suits, debts, liens, losses, causes of action, demands, rights, damages or costs, or expenses of any kind, character or nature whatsoever, known or unknown, fixed or contingent, which any Loan Party may have or claim to have against any Released Party arising with respect to the Secured Obligations, the Credit Agreement, this Amendment or any other Loan Document.

(e) To the extent that, notwithstanding the New York choice of law provisions in this Amendment, the Credit Agreement and the other Loan Documents, California law is deemed to apply to the release and indemnification provisions set forth herein, each Loan Party warrants, represents and agrees that they are fully aware of California Civil Code Section 1542, which provides as follows:

SECTION 1542. GENERAL RELEASE. A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

(f) Each Loan Party hereby knowingly and voluntarily waive and relinquish the provisions, rights and benefits of California Civil Code Section 1542 and all similar federal or state laws, rights, rules, or legal principles of any other jurisdiction that may be applicable herein, and any rights they may have to invoke the provisions of any such law now or in the future with respect to the Claims being released pursuant to this Section 8, and each Loan Party hereby agrees and acknowledges that this is an essential term of the releases set forth in this Section 8. In connection with such releases, each Loan Party acknowledges that they are aware that they or their attorneys or others may hereafter discover claims or facts presently unknown or unsuspected in addition to or different from those which they now know or believe to be true with respect to the subject matter of the Claims being released pursuant to this Section 8. Nevertheless, it is the intention of each Loan Party in executing this Amendment to fully, finally, and forever settle and release all matters and all claims relating thereto, which exist, hereafter may exist or might have existed (whether or not previously or currently asserted in any action) constituting Claims released pursuant to this Section 8.

(g) The provisions of this Section 8 (the "Release Provisions") shall survive the termination of this Amendment, the Credit Agreement, and the other Loan Documents and payment in full of the Secured Obligations. The Borrower and the other Loan Parties acknowledge and agree that the Administrative Agent and the Lenders are entering into this Amendment in reliance upon, and in consideration for, among other things, the general releases and indemnities contained in the Release Provisions and the other covenants, agreements, representations, and warranties of the Borrower and the other Loan Parties hereunder.

9. Governing Law. This Amendment shall be construed in accordance with and governed by the law of the State of New York.

10. Headings. Section headings used herein are for convenience of reference only, are not part of this Amendment and shall not affect the construction of, or be taken into consideration in interpreting, this Amendment.

11. Counterparts. This Amendment may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Amendment and/or any document to be signed in connection with this Amendment and the transactions contemplated hereby shall be deemed to include Electronic Signatures (as defined below), deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be. As used herein, “Electronic Signatures” means any electronic symbol or process attached to, or associated with, any contract or other record and adopted by a person with the intent to sign, authenticate or accept such contract or record.

SECTION 1.02. Classification of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Class (e.g., a “Revolving Loan”, “Initial Term Loan” or “Amendment No. 5 Incremental Term Loan”) or by Type (e.g., a “Term Benchmark Loan” or an “RFR Loan”) or by Class and Type (e.g., a “Term Benchmark Revolving Loan” or an “RFR Revolving Loan”). Borrowings also may be classified and referred to by Class (e.g., a “Revolving Borrowing”) or by Type (e.g., a “Term Benchmark Borrowing” or an “RFR Borrowing”) or by Class and Type (e.g., a “Term Benchmark Revolving Borrowing” or an “RFR Revolving Borrowing”).

SECTION 1.03. Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The word “will” shall be construed to have the same meaning and effect as the word “shall”. The word “law” shall be construed as referring to all statutes, rules, regulations, codes and other laws (including official rulings and interpretations thereunder having the force of law or with which affected Persons customarily comply), and all judgments, orders and decrees, of all Governmental Authorities. Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, restated, supplemented or otherwise modified (subject to any restrictions on such amendments, restatements, supplements or modifications set forth herein), (b) any definition of or reference to any law, statute, rule or regulation shall, unless otherwise specified, be construed as referring thereto as from time to time amended, supplemented or otherwise modified (including by succession of comparable successor laws), (c) any reference herein to any Person shall be construed to include such Person’s successors and assigns (subject to any restrictions on assignment set forth herein) and, in the case of any Governmental Authority, any other Governmental Authority that shall have succeeded to any or all functions thereof, (d) the words “herein”, “hereof” and “hereunder”, and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (e) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement and (f) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

SECTION 1.04. Accounting Terms; GAAP; Pro Forma Calculations. (a) Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that, if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to (i) any election under Financial Accounting Standards Board Accounting Standards Codification 825 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any Subsidiary at “fair value”, as defined therein and (ii) any treatment of Indebtedness under Accounting Standards Codification 470-20 or 2015-03 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof. Notwithstanding anything to the contrary contained in this Section 1.04(a) or in the definition of “Capital Lease Obligations,” any change in accounting for leases pursuant to GAAP resulting from the adoption of Financial Accounting Standards Board Accounting Standards Update No. 2016-02, Leases (Topic 842) (“FAS 842”), to the extent such adoption would require treating any lease (or similar arrangement conveying the right to use) as a capital lease or a financing lease where such lease (or similar arrangement) would not have been required to be so treated under GAAP as in effect on December 31, 2015, such lease shall not be considered a capital lease or a financing lease, and all calculations and deliverables under this Agreement or any other Loan Document shall be made or delivered, as applicable, in accordance therewith.

(b) (i) Notwithstanding anything to the contrary herein, financial ratios and tests, including the Interest Coverage Ratio, Secured Net Leverage Ratio and Total Net Leverage Ratio shall be calculated in the manner prescribed by this Section 1.04(b); provided that notwithstanding anything to the contrary in Section 1.04(b)(ii), (iii) or (iv), when calculating the Total Net Leverage Ratio for purposes of the definition of “Applicable Rate”, and when calculating the Interest Coverage Ratio and Total Net Leverage Ratio for purposes of determining actual compliance (and not pro forma compliance or compliance on a pro forma basis) with any covenant set forth in Section 6.12, the events described in this Section 1.04(b) that occurred subsequent to the end of the applicable Test Period shall not be given pro forma effect. In addition, whenever a financial ratio or test is to be calculated on a pro forma basis, the reference to the “Test Period” for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the most recently ended Test Period.

(~~ii~~) For purposes of calculating any financial ratio or test, Specified Transactions (with any incurrence or repayment of any Indebtedness in connection therewith to be subject to Section 1.04(b)(iv)) that have been made (1) during the applicable Test Period and (2) if applicable as described in Section 1.04(b)(i), subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a pro forma basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period. If since the beginning of any applicable Test Period any Person that subsequently became a Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Subsidiaries since the beginning of such Test Period shall have made any

Specified Transaction that would have required adjustment pursuant to this Section 1.04(b), then such financial ratio or test (or the calculation of Consolidated EBITDA) shall be calculated to give pro forma effect thereto in accordance with this Section 1.04(b).

(iii) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower and include, for the avoidance of doubt, the amount of cost savings, operating expense reductions, other operating improvements and cost synergies either (1) projected by the Borrower in good faith to be reasonably anticipated to be realizable within twenty-four (24) months of the date thereof or (2) determined on a basis consistent with Article 11 of Regulation S-X promulgated under the Exchange Act and as interpreted by the staff of the Securities and Exchange Commission (or any successor agency), in each case in accordance with (and without duplication of, and subject to the limitations set forth in) clause (xv) of the definition of “Consolidated EBITDA” (calculated on a *pro forma* basis as though such cost savings, operating expense reductions, other operating improvements and cost synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions, other operating improvements and cost synergies were realized during the entirety of such period), and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized relating to such Specified Transaction.

(iv) In the event that the Borrower or any Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of any financial ratio or test (in each case, other than Indebtedness incurred or repaid under any revolving credit facility), (1) during the applicable Test Period or (2) subject to Section 1.04(b)(i) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Test Period.

(v) Any provision requiring the *pro forma* compliance with Section 6.12 shall be made assuming that compliance with the Interest Coverage Ratio, the Total Net Leverage Ratio or minimum Liquidity, as applicable, pursuant to such Section is required with respect to the most recent Test Period or fiscal quarter-end, as applicable, prior to such time.

(vi) If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Swap Agreement applicable to such Indebtedness).

SECTION 1.05. Interest Rates; Benchmark Notification. The interest rate on a Loan denominated in Dollars or an Alternative Currency may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 2.14(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

SECTION 1.06. Status of Obligations. In the event that the Borrower or any other Loan Party shall at any time issue or have outstanding any Subordinated Indebtedness, the Borrower shall take or cause such other Loan Party to take all such actions as shall be necessary to cause the Secured Obligations to constitute senior indebtedness (however denominated) in respect of such Subordinated Indebtedness and to enable the Administrative Agent and the Lenders to have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness. Without limiting the foregoing, the Secured Obligations are hereby designated as “senior indebtedness” and as “designated senior indebtedness” and words of similar import under and in respect of any indenture or other agreement or instrument under which such Subordinated Indebtedness is outstanding and are further given all such other designations as shall be required under the terms of any such Subordinated Indebtedness in order that the Lenders may have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness.

SECTION 1.07. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Equivalent of the stated amount of such Letter of Credit available to be drawn at such time; provided that, with respect to any Letter of Credit that, by its terms or the terms of any Letter of Credit Agreement related thereto, provides for one or more automatic increases in the available amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Equivalent of the maximum amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum amount is available to be drawn at such time.

SECTION 1.08. Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

SECTION 1.09. Exchange Rates; Currency Equivalents.

(a) The Administrative Agent or the applicable Issuing Bank, as applicable, shall determine the Dollar Equivalent amounts of Term Benchmark Borrowings or RFR Borrowings or Letter of Credit extensions denominated in Alternative Currencies. Such Dollar Equivalent shall become effective as of such Revaluation Date and shall be the Dollar Equivalent of such amounts until the next Revaluation Date to occur. Except for purposes of financial statements delivered by the Borrower hereunder or calculating financial covenants hereunder or except as otherwise provided herein, the applicable amount of any Agreed Currency (other than Dollars) for purposes of the Loan Documents shall be such Dollar Equivalent amount as so determined by the Administrative Agent or the Issuing Bank, as applicable.

(b) Wherever in this Agreement in connection with a Borrowing, conversion, continuation or prepayment of a Term Benchmark Loan or an RFR Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Borrowing, Loan or Letter of Credit is denominated in an Alternative Currency, such amount shall be the Dollar Equivalent of such amount (rounded to the nearest unit of such Alternative Currency, with 0.5 of a unit being rounded upward), as determined by the Administrative Agent or the applicable Issuing Bank, as the case may be.

SECTION 1.10. Limited Condition Transactions. As it relates to any action being taken solely or primarily in connection with a Limited Condition Acquisition, for purposes of:

(a) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or financial test (other than actual (and not pro forma) compliance with Section 6.12 or in the case of any determination under Section 4.02 with respect to obligation of each Revolving Lender to make a Revolving Loan or Swingline Loan on the occasion of any Borrowing, or of the Issuing Banks to issue, amend or extend any Letter of Credit),

(b) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated EBITDA) or,

(c) testing whether a Default or Event of Default has occurred or would result therefrom (other than for any determination under Section 4.02 with respect to obligation of each Revolving Lender to make a Revolving Loan or Swingline Loan on the occasion of any Borrowing, or of the Issuing Banks to issue, amend or extend any Letter of Credit),

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "LCT Election"), the date of determination of whether any such action is permitted hereunder, any such provision is complied with, any such tested availability is sufficient, and any such Default or Event of Default exists, in each case, shall be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "LCT Test Date"), and if, after giving effect to the Limited Condition Acquisition on a pro forma basis (and the other

transactions to be entered into in connection therewith, including any incurrence of Indebtedness and the use of proceeds thereof, as if they had occurred on the first day of the most recently ended Test Period prior to the LCT Test Date), the Borrower or the applicable Subsidiary would have been permitted to take such action on the relevant LCT Test Date in compliance with such provision, ratio, test or basket, such provision, ratio, test or basket shall be deemed to have been complied with or if no such Default or Event of Default shall exist on such LCT Test Date and no Specified Event of Default shall exist on the date of consummation of such Limited Condition Acquisition, then such condition shall be deemed satisfied on the date of consummation of such Limited Condition Acquisition; provided, that, if financial statements for one or more subsequent fiscal periods shall have become available, the Borrower may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the provisions, ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such provision, ratio, test or basket, including due to fluctuations in Consolidated EBITDA of the Borrower or the Person subject to such Limited Condition Acquisition or at or prior to the consummation of the relevant transaction or any Default or Event of Default has occurred and is continuing on the date of such Limited Condition Acquisition, such provisions, baskets, tests or ratios or requirement will not be deemed to have failed to have been complied with as a result of such circumstance; however, if any provisions or ratios improve or baskets increase as a result of such fluctuations, such improved provisions, ratios or baskets may be utilized. If the Borrower has made an LCT Election for any Limited Condition Acquisition, then in connection with any calculation of any ratio, test or basket availability with respect to any transaction permitted hereunder (each, a “Subsequent Transaction”) following the relevant LCT Test Date and prior to the earliest of the date on which such Limited Condition Acquisition is consummated, the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition or the 120th day following the signing of the definitive agreement for such Limited Condition Acquisition, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis (i) assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated and (ii) solely in the case of a Subsequent Transaction constituting a Restricted Payment, assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have not been consummated.

SECTION 1.11. Amendment No. 3 Effective Date Reallocations. The parties to this Agreement agree that, on the Amendment No. 3 Effective Date: (a) the “Revolving Commitments” (as defined in this Agreement immediately prior to the Amendment No. 3 Effective Date) shall be allocated between, and redesignated as, 2027 Revolving Commitments and 2028 Revolving Commitments hereunder and (b) the Administrative Agent shall make such other reallocations, sales, assignments or other relevant actions in respect of each Lender’s credit and loan exposure under the this Agreement immediately prior to the Amendment No. 3 Effective Date as are necessary in order that each such Lender’s Revolving Credit Exposure hereunder reflects such Lender’s 2027 Applicable Percentage or 2028 Applicable Percentage, as applicable, of the outstanding aggregate Revolving Credit Exposure on the Amendment No. 3 Effective Date.

SECTION 2.01. Commitments. Subject to the terms and conditions set forth herein, (a) each 2027 Revolving Lender (severally and not jointly) agrees to make 2027 Revolving Loans to the Borrower in Agreed Currencies from time to time during the 2027 Availability Period in an aggregate principal amount that will not result (after giving effect to any application of proceeds of such Borrowing to any Swingline Loans outstanding pursuant to Section 2.10(a)) in, subject to Sections 1.09 and 2.11(b), (i) such Lender’s 2027 Revolving Credit Exposure exceeding such Lender’s 2027 Revolving Commitment, (ii) the total 2027 Revolving Credit Exposures exceeding the sum of the total 2027 Revolving Commitments, (iii) the Total Revolving Credit Exposure exceeding the aggregate Revolving Commitments, (iv) the total 2027 Revolving Credit Exposures denominated in Alternative Currencies exceeding the 2027 Alternative Currency Sublimit or (v) the Total Revolving Credit Exposure denominated in Alternative Currencies exceeding the Alternative Currency Sublimit, (b) each 2028 Revolving Lender (severally and not jointly) agrees to make 2028 Revolving Loans to the Borrower in Agreed Currencies from time to time during the 2028 Availability Period in an aggregate principal amount that will not result (after giving effect to any application of proceeds of such Borrowing to any Swingline Loans outstanding pursuant to Section 2.10(a)) in, subject to Sections 1.09 and 2.11(b), (i) such Lender’s 2028 Revolving Credit Exposure exceeding such Lender’s 2028 Revolving Commitment, (ii) the total 2028 Revolving Credit Exposures exceeding the sum of the total 2028 Revolving Commitments, (iii) the Total Revolving Credit Exposure exceeding the aggregate Revolving Commitments, (iv) the total 2028 Revolving Credit Exposures denominated in Alternative Currencies exceeding the 2028 Alternative Currency Sublimit or (v) the Total Revolving Credit Exposure denominated in Alternative Currencies exceeding the Alternative Currency Sublimit, ~~and~~ (c) each Term Lender with ~~an~~ Initial Term Loan Commitment (severally and not jointly) agrees to make ~~an~~ Initial Term Loan to the Borrower in Dollars on the Amendment No. 3 Effective Date, in an amount equal to such Lender’s Initial Term Loan Commitment by making immediately available funds available to the Administrative Agent’s designated account, not later than the time specified by the Administrative Agent and (d) each Amendment No. 5 Incremental Term Lender with an Amendment No. 5 Incremental Term Commitment (severally and not jointly) agrees to make an Amendment No. 5 Incremental Term Loan to the Borrower in Dollars on the Amendment No. 5 Effective Date, in an amount equal to such Lender’s Amendment No. 5 Incremental Term Commitment by making immediately available funds available to the Administrative Agent’s designated account, not later than the time specified by the Administrative Agent. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

(A) (i) On the Amendment No. 5 Effective Date, the Borrower shall be deemed to have requested ratably from each Lender holding a 2027 Revolving Commitment or a 2028 Revolving

Commitment who consents to the Amendment No. 5 a term loan in an aggregate amount equal to the Consent Fee (as defined in Amendment No. 5) payable to such Lender, and (ii) on each date the Borrower is required to make an Applicable Rate Increase Payment, the Borrower shall be deemed to have requested ratably from each Lender holding a 2027 Revolving Loan or a 2028 Revolving Loan, a term loan in an aggregate amount equal to the Applicable Rate Increase Payment payable to such Lenders on the applicable Interest Payment Date; and (B) each Lender holding a 2027 Revolving Commitment or 2028 Revolving Commitment, as applicable, shall be deemed to have made its pro rata portion of the term loans referred to in the preceding clause (A) on the Amendment No. 5 Effective Date or applicable Interest Payment Date, as applicable (all such term loans deemed made pursuant to the foregoing clauses (i) and (ii) with respect to 2027 Revolving Commitments or 2027 Revolving Loans, the “Revolver PIK 2027 Loan” and all such term loans deemed made pursuant to the foregoing clauses (i) and (ii) with respect to 2028 Revolving Commitments or 2028 Revolving Loans, the “Revolver PIK 2028 Loan”, together with the Revolver PIK 2027 Loan, the “Revolver PIK Loans”). For the avoidance of doubt, the deemed advance of the Revolver PIK Loans on the Amendment No. 5 Effective Date or applicable Interest Payment Date shall not be subject to the availability of, and such deemed advance shall not constitute the utilization of, any Revolving Commitment. The principal amount of the outstanding Revolver PIK Loan will accrue interest in accordance with Section 2.13. Any amount of the Revolver PIK Loan repaid may not be reborrowed.

SECTION 2.02. Loans and Borrowings. (a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the applicable Lenders ratably in accordance with their respective Commitments of the applicable Class; provided, however, that (i) until the 2027 Maturity Date, each Borrowing of Revolving Loans shall consist of both Classes of Revolving Loans (including both 2027 Revolving Loans and 2028 Revolving Loans) made by the Revolving Lenders (including both the 2027 Revolving Lenders and the 2028 Revolving Lenders) ratably in accordance with their respective Revolving Commitments on the date such Revolving Loans are made hereunder and (ii) on and after the 2027 Maturity Date, each Borrowing of Revolving Loans shall consist of 2028 Revolving Loans made by the 2028 Revolving Lenders ratably in accordance with their respective 2028 Revolving Commitments on the date such Revolving Loans are made hereunder. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender’s failure to make Loans as required. Any Swingline Loan shall be made in accordance with the procedures set forth in Section 2.05. The Term Loans shall amortize as set forth in Section 2.10.

(b) Subject to Section 2.14, (i) each Revolving Borrowing and Revolver PIK Loan shall be comprised (A) in the case of Borrowings in Dollars, entirely of ABR Loans, Term Benchmark Loans or RFR Loans and (B) in the case of Borrowings in any other Agreed Currency, entirely of Term Benchmark Loans or RFR Loans, as applicable, in each case of the same Agreed Currency, as the Borrower may request in accordance herewith, and (ii) each Term Loan Borrowing shall be comprised entirely of ABR Loans or Term Benchmark Loans. Each Swingline Loan shall be an ABR Loan. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.14, 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Term Benchmark Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 (or, if such Borrowing is denominated in an Alternative Currency, 500,000 units of such currency) and not less than \$1,000,000 (or, if such Borrowing is denominated in an Alternative Currency, 1,000,000 units

of such currency). At the time that each ABR Borrowing and/or RFR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Dollar Equivalent of \$500,000 and not less than the Dollar Equivalent of \$1,000,000; provided that an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unused balance of the aggregate Revolving Commitments or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e). Each Swingline Loan shall be in an amount that is an integral multiple of \$100,000 and not less than \$500,000. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) Term Benchmark or RFR Borrowings outstanding (in the aggregate for all Term Benchmark Borrowings and RFR Borrowings).

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the applicable Maturity Date.

SECTION 2.03. Requests for Borrowings. To request a Revolving Borrowing or Term Loan Borrowing, the Borrower shall notify the Administrative Agent of such request by irrevocable written notice (via a written Borrowing Request signed by ~~a Responsible Officer of the Borrower~~ the Chief Transformation Officer) (provided, that a Borrowing Request with respect to funding of a transaction permitted hereunder may state that such notice is conditioned upon the completion of such transaction, in which case, such Borrowing Request may be revoked by the Borrower if the transaction is not consummated at the time specified; provided further that, if such Borrowing Request is submitted through an Approved Borrower Portal, the foregoing signature requirement may be waived at the sole discretion of the Administrative Agent) (a)(i)(x) in the case of a Term Benchmark Borrowing denominated in Dollars, not later than ~~9:00 a.m.~~ 11:00 a.m., New York City time, ~~two~~ three (23) U.S. Government Securities Business Days before the date of the proposed Borrowing or (y) in the case of an RFR Borrowing denominated in Dollars, not later than ~~9:00 a.m.~~ 11:00 a.m., New York City time, ~~two~~ five (25) U.S. Government Securities Business Days before the date of the proposed Borrowing, (ii) in the case of a Term Benchmark Borrowing denominated in euros, not later than ~~9:00 a.m.~~ 12:00 p.m., New York City time, ~~two~~ three (23) Business Days before the date of the proposed Borrowing, (iii) in the case of an RFR Borrowing denominated in Pounds Sterling, not later than ~~9:00 a.m.~~ 11:00 a.m., New York City time, ~~two~~ five (25) RFR Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 12:00 p.m., New York City time on the date of the proposed Borrowing. Each such Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) the Agreed Currency and aggregate principal amount of the requested Borrowing;

(ii) the date of such Borrowing, which shall be a Business Day;

(iii) whether such Borrowing is to be an ABR Borrowing, a Term Benchmark Borrowing or an RFR Borrowing and whether such Borrowing is a Revolving Borrowing or a Term Loan Borrowing;

(iv) in the case of a Term Benchmark Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(v) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.07: (provided that in the case of the

Amendment No. 5 Incremental Term Loans, the Borrowing Request shall specify the Amendment No. 5 Collateral Account unless otherwise agreed by the Administrative Agent and the Required Amendment No. 5 Incremental Term Lenders).

If no election as to the currency of a Borrowing is specified, then the requested Borrowing shall be made in Dollars. If no election as to the Type of Borrowing is specified, then, in the case of a Borrowing denominated in Dollars, the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Term Benchmark Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Notwithstanding the foregoing, in no event shall the Borrower be permitted to request pursuant to this Section 2.03, a CBR Loan or, prior to a Benchmark Transition Event and Benchmark Replacement Date with respect to the Term SOFR Rate, an RFR Loan bearing interest based on Daily Simple SOFR (it being understood and agreed that a Central Bank Rate and Daily Simple SOFR shall only apply to the extent provided in Section 2.08(e) (solely with respect to the Central Bank Rate), 2.14(a) and 2.14(f)), as applicable.

SECTION 2.04. [Reserved].

SECTION 2.05. Swingline Loans. (a) Subject to the terms and conditions set forth herein, the Swingline Lender may agree, but shall have no obligation, to make Swingline Loans in Dollars to the Borrower from time to time during the 2028 Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding the Swingline Sublimit, (ii) the Swingline Lender's Revolving Credit Exposure exceeding its Revolving Commitment, (iii) the Dollar Equivalent of any 2027 Revolving Lender's 2027 Revolving Credit Exposure exceeding such 2027 Revolving Lender's 2027 Revolving Commitment, (iv) the Dollar Equivalent of the total 2027 Revolving Credit Exposures exceeding the sum of the total 2027 Revolving Commitments, (v) the Dollar Equivalent of any 2028 Revolving Lender's 2028 Revolving Credit Exposure exceeding such 2028 Revolving Lender's 2028 Revolving Commitment, (vi) the Dollar Equivalent of the total 2028 Revolving Credit Exposures exceeding the sum of the total 2028 Revolving Commitments or (vii) the Dollar Equivalent of the Total Revolving Credit Exposure exceeding the aggregate Revolving Commitments; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent of such request by irrevocable written notice (via a written Borrowing Request in a form approved by the Administrative Agent and signed by a Responsible Officer of the Borrower; provided that, if such Borrowing Request is submitted through an Approved Borrower Portal, the foregoing signature requirement may be waived at the sole discretion of the Administrative Agent), not later than 12:00 noon, New York City time, on the day of a proposed Swingline Loan. Each such notice shall be in a form approved by the Administrative Agent, shall be irrevocable and shall specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Borrower. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to an account of the Borrower with the Administrative Agent designated for such purpose (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e), by

remittance to such Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan.

(c) The Swingline Lender may by written notice given to the Administrative Agent require the Revolving Lenders to acquire participations in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Applicable Percentage (after giving effect to the reallocation provisions of this Section 2.05(c)) of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, promptly upon receipt of such notice from the Administrative Agent (and in any event, if such notice is received by 12:00 noon, New York City time, on a Business Day, no later than 5:00 p.m., New York City time, on such Business Day and if received after 12:00 noon, New York City time, on a Business Day, no later than 10:00 a.m., New York City time, on the immediately succeeding Business Day), to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Applicable Percentage (after giving effect to the reallocation provisions of this Section 2.05(c)) of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever; provided that on the 2027 Maturity Date, the participations so acquired by the 2027 Revolving Lenders shall be reallocated to the 2028 Revolving Lenders ratably in accordance with such 2028 Revolving Lenders' respective Applicable Percentages determined after giving effect to the termination of the 2027 Revolving Commitments (provided that, to the extent such reallocation shall cause the total 2028 Revolving Credit Exposures to exceed the 2028 Revolving Commitments, the Borrower shall, on such date of reallocation, prepay 2028 Revolving Loans and/or cash collateralize outstanding LC Exposure in an amount sufficient to eliminate any such excess). Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(d) The Swingline Lender may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Revolving Lenders of any such replacement of the Swingline Lender. At the time any such replacement shall become effective, the Borrower shall pay all unpaid interest accrued for the account of the replaced Swingline Lender pursuant to Section 2.13(a). From and after the effective date of any such replacement, (i) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to

Swingline Loans made thereafter and (ii) references herein to the term “Swingline Lender” shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline Lenders, as the context shall require. After the replacement of a Swingline Lender hereunder, the replaced Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to its replacement, but shall not be required to make additional Swingline Loans.

(e) Subject to the appointment and acceptance of a successor Swingline Lender, the Swingline Lender may resign as a Swingline Lender at any time upon thirty (30) days’ prior written notice to the Administrative Agent, the Borrower and the Revolving Lenders, in which case, such Swingline Lender shall be replaced in accordance with Section 2.05(d) above.

SECTION 2.06. Letters of Credit. (a) General. Subject to the terms and conditions set forth herein, the Borrower may request any Issuing Bank to issue Letters of Credit denominated in Agreed Currencies as the applicant thereof for the support of its or its Subsidiaries’ obligations, in a form reasonably acceptable to the Administrative Agent and the relevant Issuing Bank, at any time and from time to time during the 2028 Availability Period; provided that there shall not at any time be more than a total of twenty (20) Letters of Credit outstanding. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto, and from and after the Effective Date, shall be governed by the terms and conditions hereof.

(b) Notice of Issuance, Amendment, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or telecopy (or transmit by electronic communication, including an Approved Borrower Portal, if arrangements for doing so have been approved by the relevant Issuing Bank) to an Issuing Bank selected by it and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment or extension, but in any event no less than three (3) Business Days) a written notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the Agreed Currency applicable thereto, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend or extend such Letter of Credit. In addition, as a condition to any such Letter of Credit issuance, the Borrower shall have entered into a continuing agreement (or other letter of credit agreement) for the issuance of letters of credit and/or shall submit a letter of credit application, in each case, as required by the relevant Issuing Bank and using the relevant Issuing Bank’s standard form (each, a “Letter of Credit Agreement”). In the event of any conflict between the terms and conditions of this Agreement and the terms and conditions of any Letter of Credit Agreement, the terms and conditions of this Agreement shall control. A Letter of Credit shall be issued, amended or extended only if (and upon issuance, amendment or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment or extension (i) the amount of the LC Exposure shall not exceed \$60,000,000, (ii)(x) the aggregate undrawn amount of all outstanding Letters of Credit issued by any Issuing Bank at such time plus (y) the aggregate amount of all LC Disbursements made by such Issuing Bank that have not yet been reimbursed by or on behalf of the Borrower at such time (such sum for any Issuing Bank at any time of determination, its “Outstanding LC Amount”) shall not exceed such Issuing Bank’s Letter of Credit Commitment) (provided that, notwithstanding this clause (ii) but at all times subject to the immediately preceding clause (i) and the immediately succeeding clauses (iii) and (iv), an Issuing Bank may, in its sole discretion, agree to issue, amend or extend a Letter of Credit if such issuance, amendment or extension would cause such Issuing Bank’s Outstanding LC Amount to exceed its Letter of Credit Commitment, (iii) the LC Exposure shall not exceed the total Letter of Credit Commitments, (iv) (x) no 2027 Revolving Lender’s 2027 Revolving Credit Exposure

shall exceed its 2027 Revolving Commitment and the total 2027 Revolving Credit Exposures shall not exceed the sum of the total 2027 Revolving Commitments, (y) no 2028 Revolving Lender's 2028 Revolving Credit Exposure shall exceed its 2028 Revolving Commitment and the total 2028 Revolving Credit Exposures shall not exceed the sum of the total 2028 Revolving Commitments and (z) no Revolving Lender's Revolving Credit Exposure shall exceed its Revolving Commitment and the Total Revolving Credit Exposure shall not exceed aggregate Revolving Commitments and (v) (x) the total 2027 Revolving Credit Exposures in Alternative Currencies shall not exceed the 2027 Alternative Currency Sublimit, (y) the total 2028 Revolving Credit Exposures in Alternative Currencies shall not exceed the 2028 Alternative Currency Sublimit and (z) the Revolving Credit Exposure of all Lenders in Alternative Currencies shall not exceed the Alternative Currency Sublimit. The Borrower may, at any time and from time to time, reduce the Letter of Credit Commitment of any Issuing Bank with the consent of such Issuing Bank; provided that the Borrower shall not reduce the Letter of Credit Commitment of any Issuing Bank if, after giving effect of such reduction, the conditions set forth in the immediately preceding clauses (i) through (iv) shall not be satisfied.

No Issuing Bank shall be under any obligation to issue, amend or extend any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing, amending or extending such Letter of Credit, or request that such Issuing Bank refrain from issuing, amending or extending such Letter of Credit, or any law applicable to such Issuing Bank shall prohibit the issuance, amendment or extension of letters of credit generally or such Letter of Credit in particular, or any such order, judgment or decree, or law shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital or liquidity requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense that was not applicable on the Effective Date and that such Issuing Bank in good faith deems material to it; or

(ii) the issuance, amendment or extension of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally.

(c) Expiration Date. Each Letter of Credit shall expire (or be subject to termination by notice from the relevant Issuing Bank to the beneficiary thereof) at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any extension of the expiration date thereof, one year after such extension) and (ii) the date that is five (5) Business Days prior to the 2028 Maturity Date; provided that any Letter of Credit with a one-year tenor may contain customary automatic extension provisions agreed upon by the Borrower and the Issuing Bank that provide for the extension thereof for additional one-year periods (which shall in no event extend beyond the date referenced in clause (ii) above), subject to a right on the part of the Issuing Bank to prevent any such extension from occurring by giving notice to the beneficiary in advance of any such extension.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount or extending the expiration date thereof) and without any further action on the part of any Issuing Bank or the Revolving Lenders, each Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from each Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit; provided that on the 2027 Maturity Date, the participations so granted and acquired by the 2027 Revolving Lenders shall be reallocated to the 2028 Revolving Lenders

ratably in accordance with the 2028 Revolving Lenders' respective Applicable Percentages determined after giving effect to the termination of the 2027 Commitments (provided that, to the extent such reallocation shall cause the total 2028 Revolving Credit Exposures to exceed the 2028 Revolving Commitments, the Borrower shall, on such date of reallocation, prepay 2028 Revolving Loans and/or cash collateralize outstanding LC Exposure in an amount sufficient to eliminate any such excess). In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the relevant Issuing Bank, such Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason, including after the Maturity Date. Each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit and to make payments in respect of such acquired participations are absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments.

(e) Reimbursement. If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount in the currency of such LC Disbursement equal to such LC Disbursement, not later than 12:00 noon, New York City time, on the Business Day immediately following the day that the Borrower receives such notice; provided that, (x) if such LC Disbursement is denominated in Dollars, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.05 that such payment be financed with an ABR Revolving Borrowing or Swingline Loan in an equivalent amount of such LC Disbursement or (y) if such LC Disbursement is denominated in an Alternative Currency, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be converted into an equivalent amount of an ABR Revolving Borrowing denominated in Dollars in an amount equal to the Dollar Equivalent of such Alternative Currency, and, in each case, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing or Swingline Loan, as applicable. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the relevant Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the relevant Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement. If the Borrower's reimbursement of, or obligation to reimburse, any amounts in any Alternative Currency would subject the Administrative Agent, any Issuing Bank or any Lender to any stamp duty, ad valorem charge or similar tax that would not be payable if such reimbursement were made or required to be made in Dollars, the Borrower shall, at its option, either (x) pay the amount of any such tax requested by the Administrative Agent, the relevant Issuing Bank or the relevant Lender or (y) reimburse each LC Disbursement made in such Alternative Currency in

Dollars, in an amount equal to the Dollar Equivalent thereof calculated on the date such LC Disbursement is made.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Agreement or this Agreement, or any term or provision therein or herein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) any payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder or (v) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to the Borrower or any Subsidiary or in the relevant currency markets generally. Neither the Administrative Agent, the Revolving Lenders nor any Issuing Bank, nor any of their respective Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, document, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms, any error in translation or any consequence arising from causes beyond the control of the relevant Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, each Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, within the time allowed by applicable law or the specific terms of the Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly after such examination notify the Administrative Agent and the Borrower by telephone (confirmed by telecopy or electronic mail) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that such notice need not be given prior to payment by such Issuing Bank and any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full in the applicable currency on the date

such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the reimbursement is due and payable, at the rate per annum then applicable to ABR Revolving Loans and such interest shall be due and payable on the date when such reimbursement is payable; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(d) shall apply. Interest accrued pursuant to this paragraph shall be for the account of such Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank for such LC Disbursement shall be for the account of such Lender to the extent of such payment.

(i) Replacement and Resignation of an Issuing Bank. (A) Any Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Revolving Lenders of any such replacement of the Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit then outstanding and issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit or extend or otherwise amend any existing Letter of Credit.

(B) Subject to the appointment and acceptance of a successor Issuing Bank, any Issuing Bank may resign as an Issuing Bank at any time upon thirty days' prior written notice to the Administrative Agent, the Borrower and the Revolving Lenders, in which case, such Issuing Bank shall be replaced in accordance with Section 2.06(i)(A) above.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account or accounts with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "Collateral Account"), an amount in cash equal to 105% of the LC Exposure in the applicable currencies as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in Section 7.01(h) or 7.01(i). The Borrower also shall deposit cash collateral pursuant to this paragraph as and to the extent required by Section 2.11. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. In addition, and without limiting the foregoing or Section 2.06(c), if any LC Exposure remains outstanding after the expiration date specified in Section 2.06(c), the Borrower shall immediately deposit into the Collateral Account an amount in cash equal to 105% of such LC Exposure as of such date plus any accrued and unpaid interest thereon. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account and the Borrower hereby grants the Administrative Agent a security interest in the Collateral Account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such

deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the relevant Issuing Bank for LC Disbursements for which it has not been reimbursed, together with related fees, costs and customary processing charges, and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Secured Obligations. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.11(a), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower as and to the extent that, immediately after giving effect to such return, the Total Revolving Credit Exposure would not exceed the aggregate Revolving Commitments, and no Event of Default shall have occurred and be continuing.

(k) Letters of Credit Issued for Account of Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder supports any obligations of, or is for the account of, a Subsidiary, or states that a Subsidiary is the “account party,” “applicant,” “customer,” “instructing party,” or the like of or for such Letter of Credit, and without derogating from any rights of the relevant Issuing Bank (whether arising by contract, at law, in equity or otherwise) against such Subsidiary in respect of such Letter of Credit, the Borrower (i) shall reimburse, indemnify and compensate the relevant Issuing Bank hereunder for such Letter of Credit (including to reimburse any and all drawings thereunder) as if such Letter of Credit had been issued solely for the account of the Borrower and (ii) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of such Letters of Credit for its Subsidiaries inures to the benefit of the Borrower, and that the Borrower’s business derives substantial benefits from the businesses of such Subsidiaries.

(l) Issuing Bank Agreements. Each Issuing Bank agrees that, unless otherwise requested by the Administrative Agent, such Issuing Bank shall report in writing to the Administrative Agent (i) on or prior to each Business Day on which such Issuing Bank expects to issue, amend or extend any Letter of Credit, the date of such issuance, amendment or extension, and the aggregate face amount and currency of the Letters of Credit to be issued, amended or extended by it and outstanding after giving effect to such issuance, amendment or extension occurred (and whether the amount thereof changed), (ii) on each Business Day on which such Issuing Bank pays any amount in respect of one or more drawings under Letters of Credit, the date of such payment(s) and the amount of such payment(s), (iii) on any Business Day on which the Borrower fails to reimburse any amount required to be reimbursed to such Issuing Bank on such day, the date of such failure and the amount and currency of such payment in respect of Letters of Credit and (iv) on any other Business Day, such other information as the Administrative Agent shall reasonably request.

SECTION 2.07. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof solely by wire transfer of immediately available funds by 12:00 noon, New York City time (or in the case of an ABR Borrowing, prior to 1:00 p.m., New York City time), to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that (i) Term Loans shall be made as provided in Section 2.01(c) or Section 2.01(d), as applicable and (ii) Swingline Loans shall be made as provided in Section 2.05. Except in respect of the provisions of this Agreement covering the reimbursement of Letters of Credit, the Administrative Agent will make such Loans available to the Borrower by promptly crediting the funds so received in the aforesaid account of the Administrative Agent to an account of the Borrower maintained with the Administrative Agent in New York City and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the relevant Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing (or in the case of an ABR Borrowing, prior to 12:00 noon, New York City time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the applicable Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans or in the case of Alternative Currencies, in accordance with such market practice, in each case, as applicable. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.08. Interest Elections. (a) Each Borrowing initially shall be of the Type and Agreed Currency specified in the applicable Borrowing Request and, in the case of a Term Benchmark Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Term Benchmark Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be signed by a Responsible Officer of the Borrower; provided that, if such Interest Election Request is submitted through an Approved Borrower Portal, the foregoing signature requirement may be waived at the sole discretion of the Administrative Agent.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Agreed Currency and the principal amount of the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing (in the case of Borrowings denominated in Dollars) or a Term Benchmark Borrowing or an RFR Borrowing; and

(iv) if the resulting Borrowing is a Term Benchmark Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Term Benchmark Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

Notwithstanding the foregoing, in no event shall the Borrower be permitted to request pursuant to this Section 2.08(c), a CBR Loan or, prior to a Benchmark Transition Event and Benchmark Replacement Date with respect to the Term SOFR Rate, an RFR Loan bearing interest based on Daily Simple SOFR (it being understood and agreed that a Central Bank Rate and Daily Simple SOFR shall only apply to the extent provided in Section 2.08(e) (solely with respect to the Central Bank Rate), 2.14(a) and 2.14(f)), as applicable.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Term Benchmark Borrowing in Dollars prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be deemed to have an Interest Period that is the same as the immediately preceding Interest Period. If the Borrower fails to deliver a timely and complete Interest Election Request with respect to a Term Benchmark Borrowing in an Alternative Currency prior to the end of the Interest Period therefor, then, unless such Term Benchmark Borrowing is repaid as provided herein, the Borrower shall be deemed to have selected that such Term Benchmark Borrowing shall automatically be continued as a Term Benchmark Borrowing in its original Agreed Currency with an Interest Period of one month at the end of such Interest Period. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Term Benchmark Borrowing or an RFR Borrowing and (ii) unless repaid, (x) (A) each Term Benchmark Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (B) each RFR Borrowing denominated in Dollars shall be converted to an ABR Borrowing immediately and (y) each Term Benchmark Borrowing and each RFR Borrowing, in each case denominated in an Alternative Currency

shall bear interest at the Central Bank Rate for the applicable Agreed Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Agreed Currency other than Dollars shall either be (A) converted to an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) at the end of the Interest Period, as applicable, therefor or (B) prepaid at the end of the applicable Interest Period, as applicable, in full; provided that if no election is made by the Borrower by the earlier of (x) the date that is three Business Days after receipt by the Borrower of such notice and (y) the last day of the current Interest Period for the applicable Term Benchmark Loan, the Borrower shall be deemed to have elected clause (A) above.

SECTION 2.09. Termination and Reduction of Commitments. (a) Unless previously terminated (i) the Initial Term Loan Commitments ~~shall terminate~~terminated upon the making of the Term Loans on the Amendment No. 3 Effective Date, (ii) the 2027 Revolving Commitments shall terminate on the 2027 Maturity Date, (iii) the 2028 Revolving Commitments shall terminate on the 2028 Maturity Date ~~and~~, (iv) the Amendment No. 5 Incremental Term Commitments shall terminate upon the making of the Amendment No. 5 Incremental Term Loans on the Amendment No. 5 Effective Date and (v) all other Commitments shall terminate on the applicable Maturity Date.

(b) The Borrower may at any time terminate, or from time to time reduce, the Revolving Commitments of any Class; provided that (i) each reduction of the Revolving Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments of any Class if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, (A) the Dollar Equivalent of any Lender's Revolving Credit Exposure would exceed its Revolving Commitment, (B) the Dollar Equivalent of any 2027 Revolving Lender's 2027 Revolving Credit Exposure would exceed its 2027 Revolving Commitment, (C) the Dollar Equivalent of any 2028 Revolving Lender's 2028 Revolving Credit Exposure would exceed its 2028 Revolving Commitment or (D) the Dollar Equivalent of the Total Revolving Credit Exposure would exceed the aggregate Revolving Commitments.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments of any Class under paragraph (b) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments of any Class delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or other transactions specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the applicable Lenders in accordance with their respective Commitments of the applicable Class.

SECTION 2.10. Repayment and Amortization of Loans; Evidence of Debt.

(a) Repayment of Loans. The Borrower hereby unconditionally promises to pay (A) to the Administrative Agent for the account of each 2027 Revolving Lender the then unpaid principal amount of each 2027 Revolving Loan and Revolver PIK 2027 Loan on the 2027 Maturity Date in the currency of such Loan, (B) to the Administrative Agent for the account of each 2028 Revolving Lender the then unpaid principal amount of each 2028 Revolving Loan and Revolver PIK 2028 Loan on the 2028 Maturity Date in the currency of such Loan and (C) to the Administrative Agent for the account of the

Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of the 2027 Maturity Date (or, following the 2027 Maturity Date, the 2028 Maturity Date) and the fifth (5th) Business Day after such Swingline Loan is made; provided that on each date that a Revolving Borrowing is made, the Borrower shall repay all Swingline Loans then outstanding and the proceeds of any such Borrowing shall be applied by the Administrative Agent to repay any Swingline Loans outstanding. The Borrower shall repay Initial Term Loans on the last day of each March, June, September and December (commencing with September 30, 2024) in an aggregate principal amount equal to 0.25% of the aggregate principal amount of all Term Loans outstanding on the Amendment No. 3 Effective Date (which payments shall be adjusted from time to time pursuant to Section 2.11(a) and Section 2.11(e)). To the extent not previously repaid, all unpaid Initial Term Loans shall be paid in full in Dollars by the Borrower on the Maturity Date. To the extent not previously repaid, all unpaid Amendment No. 5 Incremental Term Loans shall be paid in full in Dollars by the Borrower on the Amendment No. 5 Incremental Term Loan Maturity Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class, Agreed Currency and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the Obligations (including, without limitation, the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement).

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form.

(f) The Subsidiary Guarantors are co-obligors for all purposes under this Agreement and fully liable for all Obligations under this Agreement.

SECTION 2.11. Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with the provisions of this Section 2.11(a). The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by written notice of any prepayment hereunder (i) (x) in the case of prepayment of (A) a Term Benchmark Borrowing denominated in Dollars, not later than ~~9:00 a.m.~~ 11:00 a.m., New York City time, ~~two~~ three (23) Business Days before the date of prepayment, (B) an RFR Borrowing denominated in Dollars, not later than ~~9:00 a.m.~~ 11:00 a.m., New York City time, ~~two~~ five (25) RFR Business Days before the date of prepayment and (C) a Term Benchmark Borrowing

denominated in ~~euro~~euros, not later than ~~9:00 a.m.~~12:00 p.m., New York City time, ~~two~~three (23) Business Days before the date of prepayment, (y) in the case of prepayment of an RFR Borrowing denominated in Pounds Sterling, not later than ~~9:00 a.m.~~11:00 a.m., New York City time, ~~two~~five (25) RFR Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 p.m., New York City time, on the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 12:00 noon, New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, (1) if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09, and (2) a notice of prepayment delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or other transactions specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Revolving Loans and the Revolver PIK Loans included in the prepaid Borrowing, each voluntary prepayment of a Term Loan Borrowing shall be applied ratably to the Term Loans included in the prepaid Term Loan Borrowing in such order of application as directed by the Borrower (and in the absence of such direction, in direct order of maturity), and each mandatory prepayment of a Term Loan Borrowing shall be applied in accordance with Section 2.11(e) or Section 2.11(h), as applicable; provided however, following the Amendment No. 5 Effective Date, any optional repayment by the Borrower shall be applied in the following order: first, to the repayment of the Amendment No. 5 Incremental Term Loans until the Amendment No. 5 Incremental Term Loans are paid in full; second, to repay any outstanding Revolving Loans (without, for the avoidance of doubt, any permanent reduction of Revolving Commitments) and Revolver PIK Loans on a pro rata basis in an amount not to exceed \$50,000,000; and finally, pro rata between the outstanding Initial Term Loans (in the inverse order of maturity), any outstanding Revolving Loans (with a permanent reduction for Revolving Commitments on a dollar for dollar basis with any repayment of Revolving Loans) and any outstanding Revolver PIK Loans. Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.13 and (ii) break funding payments pursuant to Section 2.16 (if any).

(b) If at any time, (i) other than as a result of fluctuations in currency exchange rates, (A) the aggregate principal Dollar Equivalent of the Total Revolving Credit Exposure (calculated, with respect to those Credit Events denominated in Alternative Currencies, as of the most recent Revaluation Date with respect to each such Credit Event) exceeds the aggregate Revolving Commitments or (B) the aggregate principal Dollar Equivalent of the Total Revolving Credit Exposure denominated in Alternative Currencies (the “Alternative Currency Exposure”) (so calculated), as of the most recent Revaluation Date with respect to each such Credit Event, exceeds the Alternative Currency Sublimit or (ii) solely as a result of fluctuations in currency exchange rates, (A) the aggregate principal Dollar Equivalent of the Total Revolving Credit Exposure (so calculated as of the most recent Revaluation Date with respect to each such Credit Event) exceeds 105% of the aggregate Revolving Commitments or (B) the Alternative Currency Exposure, as of the most recent Revaluation Date with respect to each such Credit Event, exceeds 105% of the Alternative Currency Sublimit, the Borrower shall in each case immediately repay Borrowings or cash collateralize LC Exposure in an account with the Administrative Agent pursuant to Section 2.06(j), as applicable, in an aggregate principal amount sufficient to cause (x) the aggregate Dollar Equivalent of the Total Revolving Credit Exposure (so calculated) to be less than or

equal to the aggregate Revolving Commitments and (y) the Alternative Currency Exposure to be less than or equal to the Alternative Currency Sublimit, as applicable.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any of its Subsidiaries in respect of (i) any Matrix Disposition, the Borrower shall, within five (5) Business Days after such Net Proceeds are received, prepay the Obligations as set forth in Section 2.11(e) below in an aggregate amount equal to 100% of such Net Proceeds; provided that, if the Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Total Net Leverage Ratio is less than 3.00 to 1.00 (and reasonably detailed calculations with respect thereto are provided in such certificate) as of the last day of the most recently ended Test Period, then up to 25% of such Net Proceeds may be used instead to prepay other Indebtedness then outstanding (each such prepayment, a “Permitted Matrix Disposition Prepayment”) or for the general corporate purposes of the Borrower and its Subsidiaries or (ii) any Prepayment Event in an amount in excess of ~~\$50,000,000, individually, or \$100,000,000~~ 5,000,000 in the aggregate for all such Prepayment Events, the Borrower shall, within five (5) Business Days after such Net Proceeds are received, prepay the Obligations as set forth in Section 2.11(e) below in an aggregate amount equal to 100% of the amount of such Net Proceeds in excess of such ~~thresholds~~ threshold (each such amount, a “Sweep Amount”); ~~provided that, in the case of any event described in clause (a) or (b) of the definition of the term “Prepayment Event”, if the Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Borrower or its relevant Subsidiaries intend to apply such Sweep Amount (or a portion thereof specified in such certificate) within 365 days after receipt of such Sweep Amount, to acquire (or replace or rebuild) real property, equipment or other assets of a general type to be used in the business of the Borrower and/or its Subsidiaries, then no prepayment shall be required pursuant to this clause (ii) in respect of up to 50% of such Sweep Amount (or a portion thereof specified in such certificate) (or up to 100% of such Sweep Amount (or a portion thereof specified in such certificate) (x) in the case of any event described in clause (a) of the definition of the term “Prepayment Event” so long as the Total Net Leverage Ratio is less than 4.00 to 1.00 (and reasonably detailed calculations with respect thereto are provided in such certificate) as of the last day of the most recently ended Test Period or (y) in the case of any event described in clause (b) of the definition of the term “Prepayment Event”); provided further that to the extent of any such Sweep Amount therefrom that has not been so applied by the end of such 365-day period (or committed to be applied by the end of the 365-day period and applied within 180 days after the end of such 365-day period), then a prepayment shall be required at such time in an amount equal to such Sweep Amount that has not been so applied.~~

(d) The Borrower shall prepay the Obligations on the date that is five (5) Business Days after the earlier of (i) the date on which the Borrower’s annual audited financial statements for the immediately preceding fiscal year (commencing with the fiscal year ending December 31, 2025) are delivered pursuant to Section 5.01 or (ii) the date on which such annual audited financial statements were required to be delivered pursuant to Section 5.01, in an amount equal to (A) the ECF Percentage of the Borrower’s Excess Cash Flow for such immediately preceding fiscal year, less (B) at the Borrower’s option, any optional prepayment of Indebtedness under the Loan Documents in accordance with Section 2.11(a) during such preceding fiscal year or (without duplication) after the end of such preceding fiscal year and prior to the such Excess Cash Flow prepayment date (excluding (i) any such optional prepayments made during such preceding fiscal year that reduced the amount required to be prepaid pursuant to this Section 2.11(d) in the prior fiscal year and (ii) any such optional prepayments of revolving Indebtedness except to the extent any related commitment is permanently reduced in connection with such repayment); provided, that no prepayment under this Section 2.11(d) shall be required unless the amount thereof would exceed \$3,000,000 (and in which case only the amount in excess of \$3,000,000 shall be required to be prepaid). As used herein, “ECF Percentage” means (w) seventy-five percent (75%) if the Total Net Leverage Ratio as of the last day of such period was greater than 4.40 to 1.00, (x) fifty percent (50%) if the Total Net Leverage Ratio as of the last day of such period

was greater than 3.90 to 1.00 but less than or equal to 4.40 to 1.00, (y) twenty-five percent (25%) if the Total Net Leverage Ratio as of the last day of such period was greater than 3.40 to 1.00 but less than or equal to 3.90 to 1.00, and (z) zero percent (0%) if the Total Net Leverage Ratio as of the last day of such period was less than or equal to 3.40 to 1.00. Each Excess Cash Flow prepayment shall be accompanied by a certificate signed by a Financial Officer certifying in reasonable detail the manner in which Excess Cash Flow and the resulting prepayment were calculated.

(e) All such amounts pursuant to Sections 2.11(c) and (d) shall be applied to installments of the Term Loans as directed by the Borrower (and in the absence of such direction, in direct order of maturity); provided however, following the Amendment No. 5 Effective Date, the Borrower shall direct the application of all such prepayments of Term Loans to the installment of Amendment No. 5 Incremental Term Loans due on the Amendment No. 5 Incremental Term Loan Maturity Date until such Amendment No. 5 Incremental Term Loans are paid in full. Except as otherwise contemplated by this Agreement or provided in, or intended with respect to, any Incremental Amendment (provided, that such Incremental Amendment may not, without the consent of the requisite Lenders in accordance with Section 9.02, provide that the applicable Class of Term Loans receive a greater than pro rata portion of mandatory prepayments of Term Loans pursuant to Section 2.11(c) or (d) than would otherwise be permitted by this Agreement), in each case effectuated or issued in a manner consistent with this Agreement, each prepayment of Term Loans pursuant to Section 2.11(c) or (d) shall be allocated ratably to the Term Loans and Incremental Term Loans (if any) then outstanding.

(f) With respect to any prepayment of Term Loans pursuant to Section 2.11(c) or (d), unless otherwise specified in the applicable Incremental Amendment, any Term Lender, at its option, may elect not to accept such prepayment. The Borrower shall notify the Administrative Agent of any event giving rise to a prepayment under Section 2.11(c) or (d) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment that is required to be made under this Section 2.11(c) or (d). Any Lender may decline to accept all (but not less than all) of its share of any such prepayment (the “Retained Declined Proceeds”) by providing written notice to the Administrative Agent no later than two (2) Business Days after the date of such Lender’s receipt of notice from the Administrative Agent regarding such prepayment. If the Lender does not give a notice to the Administrative Agent on or prior to such second Business Day informing the Administrative Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. Such Lender’s Retained Declined Proceeds may be retained by the Borrower and thereafter shall not be subject to any prepayment obligation under Section 2.11(c) or (d).

(g) Notwithstanding anything to the contrary in Section 2.11(c) or (d), to the extent any or all of the Net Proceeds of any Prepayment Event by any Foreign Subsidiary of the Borrower, the Net Proceeds of such Prepayment Event received by such Subsidiary or Excess Cash Flow attributable to such Subsidiary, are prohibited or delayed by any applicable local law (including financial assistance, corporate benefit restrictions on upstreaming of cash intra group and the fiduciary and statutory duties of the directors of such Subsidiary) from being repatriated or passed on to or used for the benefit of the Borrower or any applicable Domestic Subsidiary of the Borrower or if the Borrower has determined in good faith that repatriation of any such amount to the Borrower or any such applicable Domestic Subsidiary would have material adverse tax consequences (including a material acceleration of the point in time when such earnings would otherwise be taxed) with respect to such amount, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to prepay the Term Loans at the times provided in Section 2.11(c) or (d) but may be retained by the applicable Subsidiary so long, but only so long, as the applicable local law will not permit repatriation or the passing on to or otherwise using for the benefit of the Borrower or the applicable Domestic Subsidiary, or the Borrower believes in good faith that such material adverse tax consequence would result, and once such

repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law or the Borrower determines in good faith such repatriation would no longer have such material adverse tax consequences, such repatriation will be promptly effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than five (5) Business Days after such repatriation) applied (net of taxes payable or reasonably estimated to be payable as a result thereof) to the prepayment of the Term Loans pursuant to Section 2.11(c) or (d) (provided that no such prepayment of the Term Loans pursuant to Section 2.11(c) or (d) shall be required in the case of any such Net Proceeds or Excess Cash Flow the repatriation of which the Borrower believes in good faith would result in material adverse tax consequences, if on or before the date on which such Net Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments (or such Excess Cash Flow would have been so required if it were Net Proceeds), the Borrower applies an amount equal to the amount of such Net Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Proceeds or Excess Cash Flow had been received by the Borrower rather than such Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Proceeds or Excess Cash Flow that would be calculated if received by such Subsidiary).)

(h) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any of its Subsidiaries in respect of any sale (in whole or in part) of the Personal Care Business or Remote Monitoring Business, the Borrower shall, within five (5) Business Days after such Net Proceeds are received, prepay the Obligations in an aggregate amount equal to 100% of such Net Proceeds as follows: first, to the repayment of the Amendment No. 5 Incremental Term Loans until the Amendment No. 5 Incremental Term Loans are paid in full; second, to repay any outstanding Revolving Loans (without, for the avoidance of doubt, any permanent reduction of Revolving Commitments) and Revolver PIK Loans on a pro rata basis in an amount not to exceed \$50,000,000; and finally, pro rata between the outstanding Initial Term Loans (in the reverse order of maturity), any outstanding Revolving Loans (with a permanent reduction for Revolving Commitments on a dollar for dollar basis with any repayment of Revolving Loans) and any outstanding Revolver PIK Loans.

(i) ~~(h) All~~ (i) All (a) prepayments of Initial Term Loans pursuant to Section 2.11(a) or Section 2.11(c) effected on or prior to the six-month anniversary of the Amendment No. 3 Effective Date with the proceeds of a Repricing Transaction and ~~(h) b~~ amendments, amendments and restatements or other modifications of this Agreement on or prior to the six-month anniversary of the Amendment No. 3 Effective Date constituting Repricing Transactions in respect of any Initial Term Loans shall, in each case, be accompanied by a fee payable to the ~~applicable~~ applicable Term Lenders in an amount equal to 1.00% of the aggregate principal amount of the Initial Term Loans so prepaid, in the case of a transaction described in clause (i) of this paragraph, or 1.00% of the aggregate principal amount of the Initial Term Loans affected by such amendment, amendment and restatement or other modification (including any such Initial Term Loans assigned as part of such amendment, amendment and restatement or other modification in connection with the replacement of a Term Lender not consenting thereto), in the case of a transaction described in clause ~~(h) b~~ of this paragraph. Such fee shall be paid by the Borrower to the Administrative Agent, for the account of the applicable Initial Term Lenders in respect of the applicable Initial Term Loans, on the date of such prepayment or amendment.

(ii) If any Make-Whole Event occurs, then the Borrower shall pay to the Administrative Agent, for the account of the Term Lenders holding Amendment No. 5 Incremental Term Loans in accordance with their pro rata shares, the Make-Whole Amount. In any such case, the Make-Whole Amount shall constitute part of the Obligations payable by the Borrower (and guaranteed by the Guarantors) in respect of the Amendment No. 5 Incremental Term Loans and constitutes liquidated damages, not unmatured interest or a penalty, as the actual amount of damages to the

Amendment No. 5 Incremental Term Lenders as a result of the relevant Make-Whole Event would be impracticable and extremely difficult to ascertain. The Make-Whole Amount is provided by mutual agreement of the Borrower and the Guarantors and the applicable Term Lenders as a reasonable estimation and calculation of such actual lost profits and other actual damages of such Term Lenders. Without limiting the generality of the foregoing, it is understood and agreed that upon the occurrence of any Make-Whole Event, the Make-Whole Premium shall be automatically and immediately due and payable and shall constitute part of the Obligations payable by the Borrower (and guaranteed by the Guarantors) in respect of the Amendment No. 5 Incremental Term Loans, which Obligations are secured by the Collateral. The Make-Whole Amount shall also be automatically and immediately due and payable if the Amendment Not. 5 Incremental Term Loans are satisfied, released or discharged by foreclosure (whether by power of judicial proceeding or otherwise), deed in lieu of foreclosure or by any other means. THE BORROWER AND THE GUARANTORS HEREBY EXPRESSLY WAIVE (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR OTHER LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING MAKE-WHOLE AMOUNT IN CONNECTION WITH ANY SUCH EVENTS, ANY RESCISSION OF SUCH ACCELERATION OR THE COMMENCEMENT OF ANY BANKRUPTCY OR INSOLVENCY EVENT. The Borrower and the Guarantors expressly agree (to the fullest extent it and they may lawfully do so) that with respect to the Make-Whole Amount payable under the terms of this Agreement: (i) the Make-Whole Amount is reasonable and is the product of an arm's length transaction between sophisticated business parties, ably represented by counsel; (ii) the Make-Whole Amount shall be payable notwithstanding the then-prevailing market rates at the time payment is made; (iii) there has been a course of conduct between the Amendment No. 5 Incremental Term Lenders and the Borrower and the Guarantors giving specific consideration in this transaction for such agreement to pay the Make-Whole Amount; and (iv) the Borrower and the Guarantors shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Borrower and the Guarantors expressly acknowledge that their agreement to pay the Make-Whole Amount as herein described is a material inducement to the Amendment No. 5 Incremental Term Lenders' agreement to enter into Amendment No. 5.

SECTION 2.12. Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each applicable Lender in respect of such Lender's Revolving Commitment, a commitment fee (the "Commitment Fee"), which shall accrue at the Applicable Rate applicable to the Commitment Fee on the daily amount of the Available Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which such Revolving Commitment terminates. Commitment Fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on the fifteenth (15th) day following such last day and on the date on which the applicable Revolving Commitments terminate, commencing on the first such date to occur after the date hereof. All Commitment Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day and the last day of each period but excluding the date on which the applicable Revolving Commitments terminate).

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in each outstanding Letter of Credit, which shall accrue on the Dollar Equivalent of the daily maximum stated amount then available to be drawn under such Letter of Credit at the same Applicable Rate used to determine the interest rate applicable to Term Benchmark Revolving Loans, during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure and (ii) to each Issuing Bank for its own

account a fronting fee with respect to each Letter of Credit issued by such Issuing Bank, which shall accrue at the rate of 0.125% per annum on the Dollar Equivalent of the daily maximum stated amount then available to be drawn under such Letter of Credit during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure with respect to Letters of Credit issued by such Issuing Bank, as well as such Issuing Bank's standard fees with respect to the issuance, amendment or extension of any Letter of Credit and other processing fees, and other standard costs and charges, of such Issuing bank relating the Letters of Credit as from time to time in effect. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the fifteenth (15th) day following such last day, commencing on the first such date to occur after the Effective Date; provided that all such fees owing to 2027 Revolving Lenders or 2028 Revolving Lenders, as applicable, shall be payable on the date on which the 2027 Revolving Commitments or the 2028 Revolving Commitments, as applicable, terminate and any such fees accruing after the date on which the applicable Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within ten (10) days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, and to the Lenders, as applicable, the fees payable in the amounts and at the times separately agreed upon between the Borrower and either the Administrative Agent or the Lenders, as applicable, from time to time.

(d) All fees payable hereunder shall be paid on the dates due, in Dollars (except as otherwise expressly provided in this Section 2.12) and immediately available funds, to the Administrative Agent (or to the relevant Issuing Bank, in the case of fees payable to it) for distribution, in the case of Commitment Fees and participation fees, to the applicable Lenders. Fees paid shall not be refundable under any circumstances.

(b) The Revolving Loans and Revolver PIK Loans comprising each Term Benchmark Borrowing shall bear interest at the applicable Relevant Adjusted Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate; ~~and the Initial~~ Term Loans comprising each Term Benchmark Borrowing shall bear interest at the Adjusted Term SOFR Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate- for Initial Term Loans; the Amendment No. 5 Incremental Term Loans comprising each Term Benchmark Borrowing shall bear interest at the Adjusted Term SOFR Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate for Amendment No. 5 Incremental Term Loans.

(c) Each RFR Revolving Loan and RFR Revolver PIK Loan shall bear interest at a rate per annum equal to the applicable Adjusted Daily Simple RFR plus the Applicable Rate.

(d) Notwithstanding the foregoing, if any ~~principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to~~ Event of Default has occurred and is continuing, upon election (which such election may be retroactive to when the Event of Default first occurred) of the Administrative Agent (at the direction of the Required Lenders), or automatically upon any Specified Event of Default, the outstanding Obligations shall accrue interest at the rate of (i) in the case of ~~overdue~~ principal of any

Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of 2027 Revolving Loans ~~or~~, Revolver PIK 2027 Loans, 2028 Revolving Loans or Revolver PIK 2028 Loans, as applicable, upon termination of the 2027 Revolving Commitments or the 2028 Revolving Commitments, as applicable; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Loan prior to the end of the 2027 Availability Period or the 2028 Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term Benchmark Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) Interest computed by reference to the Term SOFR Rate, the EURIBOR Rate or the Daily Simple RFR with respect to Dollars hereunder shall be computed on the basis of a year of 360 days. Interest computed by reference to the Daily Simple RFR with respect to Pounds Sterling or the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year). In each case interest shall be payable for the actual number of days elapsed (including the first day but excluding the last day). All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as of the applicable date of determination. The applicable Alternate Base Rate, Relevant Rate, Adjusted Daily Simple RFR or Daily Simple RFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest. (a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 2.14, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining any Relevant Rate or Relevant Adjusted Rate (including because the Relevant Screen Rate is not available or published on a current basis), for the applicable Agreed Currency and such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple RFR for the applicable Agreed Currency; or

(ii) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Relevant Rate or Relevant Adjusted Rate for the applicable Agreed Currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Agreed Currency and such Interest Period or (B) at any time, the applicable Adjusted Daily Simple RFR, Daily Simple RFR or RFR for the applicable Agreed Currency will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Agreed Currency;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Interest Election Request in

accordance with the terms of Section 2.08 or a new Borrowing Request in accordance with the terms of Section 2.03, (A) for Loans denominated in Dollars, (1) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Borrowing Request that requests a Term Benchmark Borrowing shall instead be deemed to be an Interest Election Request or a Borrowing Request, as applicable, for (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.14(a)(i) or (ii) above or (y) an ABR Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.14(a)(i) or (ii) above and (2) any Borrowing Request that requests an RFR Borrowing shall instead be deemed to be a Borrowing Request, as applicable, for an ABR Borrowing and (B) for Loans denominated in an Alternative Currency, any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Borrowing Request that requests a Term Benchmark Borrowing or an RFR Borrowing, in each case, for the relevant Benchmark, shall be ineffective; *provided* that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Currency is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.14 with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.08 or a new Borrowing Request in accordance with the terms of Section 2.03, (A) for Loans denominated in Dollars, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.14(a)(i) or (ii) above or (y) an ABR Loan if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.14(a)(i) or (ii) above, on such day, and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute an ABR Loan and (C) for Loans denominated in an Alternative Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; *provided* that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Alternative Currency shall, at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Alternative Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; *provided* that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected RFR Loans denominated in any Alternative Currency, at the Borrower's election, shall either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) immediately or (B) be prepaid in full immediately.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document (and any Swap Agreement shall be deemed not to be a "Loan Document" for purposes of this Section 2.14), if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business

Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate or EURIBOR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for (i) a Term Benchmark Borrowing, conversion to or continuation of Term Benchmark Loans to be made, converted or continued or (ii) an RFR Borrowing or conversion to RFR Loans, during any Benchmark Unavailability Period and, failing that, either (x) the Borrower will be deemed to have converted any request for (1) a Term Benchmark Borrowing or RFR Borrowing, as applicable, denominated in Dollars into a request for a Borrowing of or conversion to (A) solely with respect to any such request for a Term Benchmark Borrowing, an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (B) an ABR Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event or (y) any request relating to a Term Benchmark Borrowing or RFR Borrowing denominated in an Alternative Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current

Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Currency is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Agreed Currency is implemented pursuant to this Section 2.14, (A) for Loans denominated in Dollars (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (y) an ABR Loan if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event, on such day and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute an ABR Loan and (C) for Loans denominated in an Alternative Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Alternative Currency shall, at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Alternative Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected RFR Loans denominated in any Alternative Currency, at the Borrower's election, shall either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) immediately or (B) be prepaid in full immediately.

SECTION 2.15. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender or Issuing Bank (except any such reserve requirement reflected in the Adjusted EURIBOR Rate);

(ii) impose on any Lender or any Issuing Bank or the applicable offshore interbank market for the applicable Agreed Currency any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender, Issuing Bank or such other Recipient of making, continuing, converting or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of

any sum received or receivable by such Lender, Issuing Bank or such other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender, such Issuing Bank or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered as reasonably determined by the Administrative Agent, such Lender or such Issuing Bank (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and generally consistent with similarly situated customers of the Administrative Agent, such Lender or such Issuing Bank, as applicable, under agreements having provisions similar to this Section 2.15, after consideration of such factors as the Administrative Agent, such Lender or such Issuing Bank, as applicable, then reasonably determines to be relevant).

(b) If any Lender or any Issuing Bank determines that any Change in Law affecting such Lender or Issuing Bank or any lending office of such Lender or such Lender's or Issuing Bank's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered as reasonably determined by the Administrative Agent, such Lender or such Issuing Bank (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and generally consistent with similarly situated customers of the Administrative Agent, such Lender or such Issuing Bank, as applicable, under agreements having provisions similar to this Section 2.15, after consideration of such factors as the Administrative Agent, such Lender or such Issuing Bank, as applicable, then reasonably determines to be relevant).

(c) A certificate of a Lender or an Issuing Bank setting forth, in reasonable detail, the basis and calculation of the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments.

(a) With respect to Term Benchmark Loans, in the event of (i) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (ii) the conversion of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto, (iii) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(a) and is revoked in accordance therewith), (iv) the assignment of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 2.19 or 9.02(d) or (v) the failure by the Borrower to make any payment of any Term Benchmark Loan or drawing under any Letter of Credit (or interest due thereof) denominated in an Alternative Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth in reasonable detail the calculation of any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(b) With respect to RFR Loans, in the event of (i) the payment of any principal of any RFR Loan other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (ii) the failure to borrow or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(a) and is revoked in accordance therewith), (iii) the assignment of any RFR Loan other than on the Interest Payment Date applicable thereto as a result of a request by the Company pursuant to Section 2.19 or 9.02(d) or (iv) the failure by the Borrower to make any payment of any Loan or drawing under any Letter of Credit (or interest due thereof) denominated in an Alternative Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth in reasonable detail the calculation of any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

SECTION 2.17. Taxes. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or

the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), an executed copy of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) an executed copy of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g),

in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 2.17, the term "Lender" includes the Issuing Banks and the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Allocations of Proceeds; Pro Rata Treatment; Sharing of Setoffs.

(a) (i) Except with respect to principal of and interest on Loans denominated in an Alternative Currency, the Borrower shall make each payment or prepayment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) in Dollars prior to 12:00 noon, New York City time, on the date when due or the date fixed for any prepayment hereunder and (ii) all payments with respect to principal and interest on Loans denominated in an Alternative Currency shall be made in such Alternative Currency not later than the Applicable Time specified by the Administrative Agent on the dates specified herein, in each case in immediately available funds, without set-off, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made (i) in the same currency in which the applicable Credit Event was made and (ii) to the Administrative Agent at its offices at 10 South Dearborn Street, Chicago, Illinois 60603 or, in the case of a Credit Event denominated in an Alternative Currency, the Administrative Agent's Term Benchmark Payment Office for such currency, except payments to be made directly to an Issuing Bank or the Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments denominated in the same currency received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Subject to the proviso in the definition of Interest Period, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Notwithstanding the foregoing provisions of this Section, if, after the making of any Credit Event in any Alternative Currency, currency control or exchange regulations are imposed in the country which issues such currency with the result that the type of currency in which the Credit Event was made (the "Original Currency") no longer exists or the Borrower is not able to make payment to the Administrative Agent for the account of the Lenders in such Original Currency, then all payments to be made by the Borrower hereunder in such currency shall instead be made when due in Dollars in an amount equal to the Dollar Equivalent (as of the date of repayment) of

such payment due, it being the intention of the parties hereto that the Borrower takes all risks of the imposition of any such currency control or exchange regulations.

(b) At any time that payments are not required to be applied in the manner required by Section 7.03, if at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If, except as expressly provided herein, any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender of the same Class, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements and Swingline Loans to any assignee or participant, other than to the Company or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received, prior to any date on which any payment is due to the Administrative Agent for the account of the relevant Lenders or the relevant Issuing Banks pursuant to the terms hereof or any other Loan Document (including any date that is fixed for prepayment by notice from the Borrower to the Administrative Agent pursuant to Section 2.11(b)), notice from the Borrower that the Borrower will not make such payment or prepayment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the relevant Lenders or the relevant Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the relevant Lenders or the relevant Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed

to it to but excluding the date of payment to the Administrative Agent, at the applicable Overnight Rate.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and if a Revolving Commitment is being assigned, the Issuing Banks and the Swingline Lender), which consent shall not unreasonably be withheld, conditioned or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and funded participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that (i) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto.

SECTION 2.20. Incremental Facilities.

(a) The Borrower may, at any time, on one or more occasions after the Amendment No. ~~35~~ Effective Date pursuant to an Incremental Amendment (i) add one or more new Classes of term facilities and/or increase the principal amount of the Term Loans of any existing Class by requesting new

commitments to provide such Term Loans (any such new Class or increase, an “Incremental Term Facility” and any loan made pursuant to any Incremental Term Facility, an “Incremental Term Loan”) and/or (ii) increase the aggregate amount of the 2028 Revolving Commitments (an “Incremental Revolving Facility” and, together with any Incremental Term Facility, “Incremental Facilities”; and the loans thereunder, “Incremental Revolving Loans” and any Incremental Revolving Loans, together with any Incremental Term Loans, “Incremental Loans”) in an aggregate principal amount not to exceed the Maximum Expansion Amount; provided that

(i) no Incremental Commitment in respect of any Incremental Term Facility may be in an amount that is less than \$5,000,000 (or such lesser amount to which the Administrative Agent may reasonably agree),

(ii) except as the Borrower and any Lender may separately agree, no Lender shall be obligated to provide any Incremental Commitment, and the determination to provide any Incremental Commitment shall be within the sole and absolute discretion of such Lender,

(iii) no Incremental Facility or Incremental Loan (nor the creation, provision or implementation thereof) shall require the approval of any existing Lender other than in its capacity, if any, as a lender providing all or part of any Incremental Commitment or Incremental Loan,

(iv) except as otherwise permitted herein (including with respect to margin, pricing (including any MFN provision), maturity, Weighted Average Life to Maturity and fees), the terms of any Incremental Term Facility will not be materially more restrictive (when taken as a whole) on the Borrower than the existing applicable Credit Facilities (except for terms (x) applicable only to periods after the latest Maturity Date with respect to the Term Loan Facility or (y) that are concomitantly added for the benefit of the existing applicable Credit Facilities) or to the extent that such terms are not consistent with the foregoing, such terms must be reasonably acceptable to the Administrative Agent,

(v) the All-In Yield (and the components thereof) applicable to any Incremental Facility shall be determined by the Borrower and the lender or lenders providing such Incremental Facility; provided that the All-In Yield applicable to any Incremental Term Facility incurred or established prior to the date that is eighteen (18) months after the Amendment No. 35 Effective Date may not be more than 0.50% per annum higher than the All-In Yield applicable to the then-existing Initial Term Loans or Amendment No. 5 Incremental Term Loans, as applicable, unless the Applicable Rate (and/or, as provided in the proviso below, the Alternate Base Rate floor or Floor) with respect to such Initial Term Loans or Amendment No. 5 Incremental Term Loans, as applicable, is adjusted such that the All-In Yield on such Term Loans is not more than 0.50% per annum less than the All-In Yield with respect to such Incremental Facility; provided, further, that any increase in All-In Yield applicable to any Initial Term ~~Loan~~ Loans or Amendment No. 5 Incremental Term Loans, as applicable, due to the application or imposition of an Alternate Base Rate floor or Floor on any such Incremental Term Loan may, at the election of the Borrower, be effected through an increase in the Alternate Base Rate floor or Floor applicable to such Term Loan,

(vi) the final maturity date with respect to any Class of Incremental Term Loans shall be no earlier than the Maturity Date of the Initial Term Loans; provided that this clause (vi) shall not apply to any bridge financing converting to, or intended to be refinanced by, Indebtedness complying with this clause (vi) and clause (vii) below,

(vii) the Weighted Average Life to Maturity of any Incremental Term Facility shall be no shorter than the remaining Weighted Average Life to Maturity of any then-existing tranche of Initial Term Loans (without giving effect to any prepayment thereof); provided that this clause (vii) shall not apply to any bridge financing converting to, or intended to be refinanced by, Indebtedness complying with this clause (vii) and clause (vi) above,

(viii) subject to clauses (vi) and (vii) above, any Incremental Term Facility may otherwise have an amortization schedule as determined by the applicable Borrower and the lenders providing such Incremental Term Facility,

(ix) subject to clause (v) above, to the extent applicable, any fees payable in connection with any Incremental Facility shall be determined by the applicable Borrower and the arrangers and/or lenders providing such Incremental Facility,

(x) (A) each Incremental Term Facility or Incremental Revolving Facility shall rank *pari passu* with the Term Loans and Revolving Loans in right of payment and security and (B) no Incremental Facility may be (x) guaranteed by any Person which is not a Loan Party or (y) secured by any assets other than the Collateral,

(xi) (A) no Default or Event of Default shall exist immediately prior to or after giving effect to such Incremental Facility (provided, that, notwithstanding and in lieu of the foregoing, if the Borrower shall have made an LCT Election in accordance with Section 1.08, no Default or Event of Default shall exist immediately prior to the LCT Test Date and no Specified Event of Default shall exist immediately prior to or after giving effect to such Incremental Facility), and (B) the representations and warranties of the Loan Parties (or, if agreed to by the lenders thereof, customary "SunGard" representations and warranties) set forth in this Agreement and the other Loan Documents shall be true and correct in all material respects (or if qualified by materiality or Material Adverse Effect, in all respects) on and as of the date such Incremental Facility becomes effective with the same effect as though such representations and warranties had been made on and as of such date; provided that to the extent that any representation and warranty specifically refers to a given date or period, it shall be true and correct in all material respects as of such date or for such period,

(xii) any Incremental Term Facility shall participate (A) in any voluntary prepayment of Term Loans as set forth in Section 2.11(a) and (B) in any mandatory prepayment of Term Loans as set forth in Section 2.11(c) and (d), in each case, to the extent provided in such Sections,

(xiii) the proceeds of any Incremental Facility may be used for working capital and/or purchase price adjustments and other general corporate purposes and any other use not prohibited by this Agreement, and

(xiv) on the date of the Borrowing of any Incremental Term Loans that will be of the same Class as any then-existing Class of Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.08 or 2.13, such Incremental Term Loans shall be added to (and constitute a part of, be of the same Type as and, at the election of the Borrower, have the same Interest Period as) each Borrowing of outstanding Term Loans of such Class on a pro rata basis (based on the relative sizes of such Borrowings), so that each Term Lender providing such Incremental Term Loans will participate proportionately in each then-outstanding Borrowing of Term Loans of such Class; it being acknowledged that the application of this clause (a)(xiv) may result in new Incremental Term Loans having an Interest Period (the duration of which may be

less than one month) that begins during an Interest Period then applicable to outstanding Term Benchmark Loans of the relevant Class and which ends on the last day of such Interest Period.

(b) Incremental Commitments may be provided by any existing Lender, or by any other eligible assignee (any such other lender being called an “Incremental Lender”); provided that the Administrative Agent (and, in the case of any Incremental Revolving Facility, the Swingline Lender and any Issuing Bank) shall have a right to consent (such consent not to be unreasonably withheld or delayed) to the relevant Incremental Lender’s provision of Incremental Commitments if such consent would be required under Section 9.04 for an assignment of Loans to such Incremental Lender, mutatis mutandis, to the same extent as if the relevant Incremental Commitments and related Obligations had been acquired by such Lender by way of assignment.

(c) Each Lender or Incremental Lender providing a portion of any Incremental Commitment shall execute and deliver to the Administrative Agent and the Borrower all such documentation (including the relevant Incremental Amendment) as may be reasonably required by the Administrative Agent to evidence and effectuate such Incremental Commitment. On the effective date of such Incremental Commitment, each Incremental Lender shall become a Lender for all purposes in connection with this Agreement.

(d) As conditions precedent to the effectiveness of any Incremental Facility or the making of any Incremental Loans, (i) upon its reasonable request, the Administrative Agent shall be entitled to receive customary written opinions of counsel, as well as such reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the Administrative Agent shall be entitled to receive, from each Incremental Lender, an Administrative Questionnaire and such other documents as it shall reasonably require from such Incremental Lender, (iii) the Administrative Agent, on behalf of the Incremental Lenders, or the Incremental Lenders, as applicable, shall have received the amount of any fees payable to the Incremental Lenders in respect of such Incremental Facility or Incremental Loans, (iv) subject to Section 2.20(h), the Administrative Agent shall have received a Borrowing Request as if the relevant Incremental Loans were subject to Section 2.03 or another written request the form of which is reasonably acceptable to the Administrative Agent (it being understood and agreed that the requirement to deliver a Borrowing Request shall not result in the imposition of any additional condition precedent to the availability of the relevant Incremental Loans) and (v) the Administrative Agent shall be entitled to receive a certificate of the Borrower signed by a Financial Officer thereof (A) certifying and attaching a copy of the resolutions adopted by the governing body of the Borrower approving or consenting to such Incremental Facility or Incremental Loans and (B) to the extent applicable, certifying that the condition set forth in clause (a)(xi) above has been satisfied.

(e) Upon the implementation of any Incremental Revolving Facility pursuant to this Section 2.20:

(i) each 2028 Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each relevant Incremental Revolving Facility Lender, and each relevant Incremental Revolving Facility Lender will automatically and without further act be deemed to have assumed a portion of such 2028 Revolving Lender’s participations hereunder in outstanding Letters of Credit and Swingline Loans such that, after giving effect to each deemed assignment and assumption of participations, all of the 2028 Revolving Lenders’ (including each Incremental Revolving Facility Lender) (A) participations hereunder in Letters of Credit and (B) participations hereunder in Swingline Loans shall be held on a pro rata basis on the basis of their respective 2028 Revolving Commitments

(after giving effect to any increase in the 2028 Revolving Commitment pursuant to this Section 2.20); and

(ii) the existing 2028 Revolving Lenders shall assign 2028 Revolving Loans to certain other 2028 Revolving Lenders (including the 2028 Revolving Lenders providing the relevant Incremental Revolving Facility), and such other 2028 Revolving Lenders (including the 2028 Revolving Lenders providing the relevant Incremental Revolving Facility) shall purchase such 2028 Revolving Loans, in each case to the extent necessary so that all of the 2028 Revolving Lenders participate in each outstanding Borrowing of 2028 Revolving Loans pro rata on the basis of their respective 2028 Revolving Commitments (after giving effect to any increase in the 2028 Revolving Commitment pursuant to this Section 2.20); it being understood and agreed that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to this clause (ii).

(f) On the date of effectiveness of any Incremental Revolving Facility, the maximum amount of LC Exposure and/or Swingline Loans, as applicable, permitted hereunder shall increase by an amount, if any, agreed upon by the Borrower, the Administrative Agent and the relevant Issuing Bank and/or the Swingline Lender, as applicable.

(g) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Amendment and/or any amendment to any other Loan Document as may be necessary in order to establish new Classes or sub-Classes in respect of Loans or commitments pursuant to this Section 2.20, such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Classes or sub-Classes, in each case on terms consistent with this Section 2.20 and such other amendments as are described in Section 9.02.

(h) Notwithstanding anything to the contrary in this Section 2.20 or in any other provision of any Loan Document, if the proceeds of any Incremental Facility are intended to be applied to finance a Permitted Acquisition or other similar Investment and the lenders providing such Incremental Facility so agree, the availability thereof shall be subject to customary "SunGard" or "certain funds" conditionality.

(i) This Section 2.20 shall supersede any provision in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.21. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 7.03 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank or the Swingline Lender hereunder; third, to cash

collateralize LC Exposure with respect to such Defaulting Lender in accordance with this Section; fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) cash collateralize future LC Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with this Section; sixth, to the payment of any amounts owing to the Lenders, the Issuing Banks or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any Issuing Bank or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure and Swingline Loans are held by the Lenders pro rata in accordance with the Commitments without giving effect to clause (d) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto;

(c) the Commitment and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided, further, that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders directly affected thereby shall not, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof;

(d) if any Swingline Exposure or LC Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the Swingline Exposure and LC Exposure of such Defaulting Lender (other than, in the case of a Defaulting Lender that is the Swingline Lender, the portion of such Swingline Exposure referred to in clause (b) of the definition of such term) shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent that such reallocation does not, as to any non-Defaulting Lender, cause such non-Defaulting Lender's Revolving Credit Exposure to exceed its Revolving Commitment;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, within one (1) Business Day following notice by the Administrative Agent (x) first, prepay such Swingline Exposure and (y) second, cash collateralize for the benefit of the relevant Issuing Bank only the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure

(after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.12(a) and Section 2.12(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of any Issuing Bank or any other Lender hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the relevant Issuing Bank until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(e) so long as such Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loan and the Issuing Banks shall not be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.21(d), and Swingline Exposure related to any such newly made Swingline Loan or LC Exposure related to any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.21(d)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender Parent shall occur following the date hereof and for so long as such event shall continue or (ii) the Swingline Lender or any Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Swingline Lender shall not be required to fund any Swingline Loan and such Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Swingline Lender or such Issuing Bank, as the case may be, shall have entered into arrangements with the Borrower or such Lender, satisfactory to the Swingline Lender or the Issuing Banks, as the case may be, to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Borrower, the Swingline Lender and the Issuing Banks each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; provided, further, that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

SECTION 2.22. Loan Modification Offers.

(a) The Borrower may on one or more occasions, by written notice to the Administrative Agent, make one or more offers (each, a “Loan Modification Offer”) to all the Lenders of one or more Classes (each Class subject to such a Loan Modification Offer, an “Affected Class”) to make one or more Permitted Amendments pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower. Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective (which shall not be less than ten (10) Business Days nor more than thirty (30) Business Days after the date of such notice, unless otherwise agreed to by the Administrative Agent). Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the “Accepting Lenders”) and, in the case of any Accepting Lender, only with respect to such Lender’s Loans and Commitments of such Affected Class as to which such Lender’s acceptance has been made. With respect to all Permitted Amendments consummated by the Borrower pursuant to this Section 2.22, (i) such Permitted Amendments shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.11 and (ii) any Loan Modification Offer, unless contemplating a Maturity Date already in effect hereunder pursuant to a previously consummated Permitted Amendment, must be in a minimum amount of (i) not less than \$25,000,000 and (ii) an integral multiple of \$5,000,000 in excess thereof (or such lesser amount as may be approved by the Administrative Agent in its reasonable discretion); provided that the Borrower may at its election specify as a condition (a “Minimum Extension Condition”) to consummating any such Permitted Amendment that a minimum amount (to be determined and specified in the relevant Loan Modification Offer in the Borrower’s sole discretion and which may be waived by the Borrower) of Commitments or Loans of any or all Affected Classes be extended.

(b) A Permitted Amendment shall be effected pursuant to a Loan Modification Agreement executed and delivered by the Borrower, each applicable Accepting Lender and the Administrative Agent; provided that, no Permitted Amendment shall become effective unless (i) no Event of Default shall have occurred and be continuing on the date of effectiveness thereof, (ii) on the date of effectiveness thereof, the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct (x) in the case of the representations and warranties qualified as to materiality, in all respects and (y) otherwise, in all material respects, in each case on and as of such date, except in the case of any such representation and warranty that specifically relates to an earlier date, in which case such representation and warranty shall be so true and correct on and as of such earlier date, (iii) the Borrower shall have delivered to the Administrative Agent (x) such legal opinions, board resolutions, secretary’s certificates, officer’s certificates and other documents as shall reasonably be requested by the Administrative Agent in connection therewith and (y) such reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that the Loans and Commitments subject to such Loan Modification Offer are provided with the benefit of the applicable Loan Documents and (iv) any applicable Minimum Extension Condition shall be satisfied (unless waived by the Borrower). The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each Loan Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders (and with the consent of the Administrative Agent), effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section, including any amendments necessary to treat the applicable Loans and/or Commitments of the Accepting Lenders as a new Class of loans and/or commitments hereunder; provided that, in the case of any Loan Modification Offer relating to Revolving Commitments ~~or~~, Revolving Loans or Revolver PIK Loans of any Class, (i) all Borrowings, all prepayments of Revolving Loans or Revolver PIK Loans and all reductions of Revolving Commitments of such Class shall continue to be made on a ratable basis among all Lenders of

such Class, based on the relative amounts of their Commitments of such Class (i.e., both extended and non-extended), until the repayment of the Loans attributable to the non-extended Commitments of such Class (and the termination of the non-extended Commitments of such Class) on the relevant Maturity Date, (ii) except as otherwise agreed to by each Issuing Bank and the Swingline Lender, the allocation of the participation exposure with respect to any then-existing or subsequently issued or made Letter of Credit or Swingline Loan as between the commitments of such new Class and the remaining Revolving Commitments shall be made on a ratable basis as between the commitments of such new Class and the remaining Revolving Commitments, (iii) the Availability Period and the Maturity Date, as such terms are used with reference to Letters of Credit or Swingline Loans, may not be extended without the prior written consent of each Issuing Bank or the Swingline Lender, as applicable and (iv) at no time shall there be more than three (3) Classes of Revolving Commitments hereunder, unless otherwise agreed by the Administrative Agent.

This Section 2.22 shall supersede any provisions in Section 2.18(c) or Section 9.02 to the contrary.

(b) Each of the Borrower and its Subsidiaries owns, or is licensed to use (subject to the knowledge-qualified infringement representation in this Section 3.05(b)), all trademarks, trade names, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and its Subsidiaries, to any Loan Party's knowledge, does not infringe upon the rights of any other Person, except for any such infringements, or ownership or license issues, that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

The Administrative Agent or any Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Loan Party, which right or equity is hereby waived and released by the Borrower on behalf of itself and its Subsidiaries. The Borrower further agrees on behalf of itself and its Subsidiaries, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at the premises of the Borrower, another Loan Party or elsewhere. The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Article VII, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any other way relating to the Collateral or the rights of the Administrative Agent and the Lenders hereunder, including reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Secured Obligations, in such order as set forth in Section 7.03, and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including Section 9-615(a)(3) of the New York Uniform Commercial Code, need the Administrative Agent account for the surplus, if any, to any Loan Party. To the extent permitted by applicable law, the Borrower on behalf of itself and its Subsidiaries waives all Liabilities it may acquire against the Administrative Agent or any Lender arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

SECTION 7.03. Application of Payments. Notwithstanding anything herein to the contrary, following the occurrence and during the continuance of an Event of Default, and notice thereof to the Administrative Agent by the Borrower or the Required Lenders:

(a) all payments received on account of the Secured Obligations shall, subject to Section 2.21, be applied by the Administrative Agent as follows:

(i) first, to payment of that portion of the Secured Obligations constituting fees, indemnities, expenses and other amounts payable to the Administrative Agent (including fees and disbursements and other charges of counsel to the Administrative Agent payable under Section 9.03 and amounts pursuant to Section 2.12(c) payable to the Administrative Agent in its capacity as such);

(ii) second, to payment of that portion of the Secured Obligations constituting fees, expenses, indemnities and other amounts (other than principal, reimbursement obligations in respect of LC Disbursements, interest and Letter of Credit fees) payable to the Lenders, the Issuing Banks and the other Secured Parties (including fees and disbursements and other charges of counsel to the Lenders and the Issuing Banks payable under Section 9.03) arising under the Loan Documents, ratably among them in proportion to the respective amounts described in this clause (ii) payable to them;

(iii) third, to payment of that portion of the Secured Obligations constituting accrued and unpaid Letter of Credit fees and charges and interest on the Loans and unreimbursed LC Disbursements, ratably among the Lenders and the Issuing Banks in proportion to the respective amounts described in this clause (iii) payable to them;

(iv) fourth, (A) to payment of that portion of the Secured Obligations constituting unpaid principal of the Loans and unreimbursed LC Disbursements, (B) to cash collateralize that portion of LC Exposure comprising the undrawn amount of Letters of Credit to the extent not otherwise cash collateralized by the Borrower pursuant to Section 2.06 or 2.21; provided that (x) any such amounts applied pursuant to subclause (B) above shall be paid to the Administrative Agent for the account of the Issuing Banks to cash collateralize Secured Obligations in respect of Letters of Credit, (y) subject to Section 2.06 or 2.21, amounts used to cash collateralize the aggregate amount of Letters of Credit pursuant to this clause (iv) shall be used to satisfy drawings under such Letters of Credit as they occur and (z) upon the expiration of any Letter of Credit (without any pending drawings), the pro rata share of cash collateral shall be distributed to the other Secured Obligations, if any, in the order set forth in this Section 7.03 and (C) to any other amounts owing with respect to Banking Services Obligations and Swap Obligations, in each case, ratably among the Lenders and the Issuing Banks and any other applicable Secured Parties in proportion to the respective amounts described in this clause (iv) payable to them;

(v) fifth, to the payment in full of all other Secured Obligations, in each case ratably among the Administrative Agent, the Lenders, the Issuing Banks and the other Secured Parties based upon the respective aggregate amounts of all such Secured Obligations owing to them in accordance with the respective amounts thereof then due and payable; and

(vi) finally, the balance, if any, after all Secured Obligations (other than Unliquidated Obligations) have been indefeasibly paid in full, to the Borrower or as otherwise required by law; and

(b) if any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired (without any pending drawings), such remaining amount shall be applied to the other Secured Obligations, if any, in the order set forth above.

ARTICLE VIII

The Administrative Agent

SECTION 8.01. Authorization and Action.

(a) Each Lender and each Issuing Bank hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors and assigns to serve as the administrative agent and collateral agent under the Loan Documents and each Lender and each Issuing Bank authorizes the Administrative Agent to take such actions as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Administrative Agent under such agreements and to exercise such powers as are reasonably incidental thereto. Further, each of the Lenders and the Issuing Bank, on behalf of itself and any of its Affiliates that are Secured Parties, hereby irrevocably empower and authorize JPMorgan Chase Bank, N.A. (in its capacity as Administrative Agent) to execute and deliver the Collateral Documents and all related documents or instruments as shall be necessary or appropriate to effect the purposes of the Collateral Documents. In addition, to the extent required under the laws of any jurisdiction other than within the United States, each Lender and each Issuing Bank hereby grants to the Administrative Agent any required powers of attorney to execute and enforce any Collateral Document governed by the laws of such jurisdiction on such Lender's or the Issuing Bank's behalf. Without limiting the foregoing, each Lender and each Issuing Bank hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender and each Issuing Bank; provided, however, that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Lenders and the Issuing Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties

hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuing Banks (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. The motivations of the Administrative Agent, the Arrangers, the Co-Documentation Agents and the Co-Syndication Agents are commercial in nature and not to invest in the general performance or operations of the Borrower. Without limiting the generality of the foregoing:

(i) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender, any Issuing Bank or any other Secured Party other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and/or the transactions contemplated hereby;

(ii) where the Administrative Agent is required or deemed to act as a trustee in respect of any Collateral over which a security interest has been created pursuant to a Loan Document expressed to be governed by the laws of any jurisdiction other than the United States of America, or is required or deemed to hold any Collateral “on trust” pursuant to the foregoing, the obligations and liabilities of the Administrative Agent to the Secured Parties in its capacity as trustee shall be excluded to the fullest extent permitted by applicable law; and

(iii) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender for any sum or the profit element of any sum received by the Administrative Agent for its own account.

(d) The Administrative Agent may perform any of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities pursuant to this Agreement. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

(e) None of any Co-Syndication Agent, Co-Documentation Agent or any Arranger shall have obligations or duties whatsoever in such capacity under this Agreement or any other Loan

Document and shall incur no liability hereunder or thereunder in such capacity, but all such persons shall have the benefit of the indemnities provided for hereunder.

(f) In case of the pendency of any proceeding with respect to any Loan Party under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any reimbursement obligation in respect of any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Loan Party) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Disbursements and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.17 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Lender or any Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank in any such proceeding.

(g) The provisions of this Article VIII are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article VIII, none of the Borrower or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations provided under the Loan Documents, to have agreed to the provisions of this Article VIII.

SECTION 8.02. Administrative Agent's Reliance, Limitation of Liability, Etc.

(a) Neither the Administrative Agent nor any of its Related Parties shall be (i) liable for any action taken or omitted to be taken by such party, the Administrative Agent or any of its Related Parties under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and non-appealable judgment) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer

thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party to perform its obligations hereunder or thereunder.

(b) The Administrative Agent shall be deemed not to have knowledge of any (i) notice of any of the events or circumstances set forth or described in Section 5.02 unless and until written notice thereof (stating that it is a "notice under Section 5.02" in respect of this Agreement and identifying the specific clause under said Section) is given to the Administrative Agent by the Borrower or (ii) notice of any Default or Event of Default unless and until written notice thereof (stating that it is a "notice of Default" or a "notice of an Event of Default") is given to the Administrative Agent by the Borrower, a Lender or the Issuing Bank, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent or (vi) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any Liabilities, costs or expenses suffered by the Borrower, any Subsidiary, any Lender or any Issuing Bank as a result of, any determination of the Credit Exposure, any of the component amounts thereof or any portion thereof attributable to each Lender or the Issuing Bank or any Dollar Equivalent thereof.

(c) Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 9.04, (ii) may rely on the Register to the extent set forth in Section 9.04(b), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Lender or any Issuing Bank and shall not be responsible to any Lender or Issuing Bank for any statements, warranties or representations made by or on behalf of any Loan Party in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, may presume that such condition is satisfactory to such Lender or such Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or such Issuing Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper

party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

SECTION 8.03. Posting of Communications.

(a) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications available to the Lenders and the Issuing Banks by posting the Communications on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic platform chosen by the Administrative Agent to be its electronic transmission system (the “Approved Electronic Platform”).

(b) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Effective Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Approved Electronic Platform, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and the Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(c) THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS ARE PROVIDED “AS IS” AND “AS AVAILABLE”. THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE APPROVED ELECTRONIC PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED ELECTRONIC PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE APPROVED ELECTRONIC PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY CO-SYNDICATION AGENT, ANY CO-DOCUMENTATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, “APPLICABLE PARTIES”) HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING BANK OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY’S OR THE ADMINISTRATIVE AGENT’S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED ELECTRONIC PLATFORM.

(d) Each Lender and each Issuing Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender and each Issuing Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender’s or each

Issuing Bank's (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(e) Each of the Lenders, each of the Issuing Banks and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(f) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuing Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 8.04. The Administrative Agent Individually. With respect to its Commitments, Letter of Credit Commitments, Loans (including Swingline Loans) and Letters of Credit, the Person serving as the Administrative Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender or Issuing Bank, as the case may be. The terms "Issuing Banks", "Lenders", "Required Lenders", "Required Revolving Lenders" and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender, an Issuing Bank or as one of the Required Lenders or Required Revolving Lenders, as applicable. The Person serving as the Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of banking, trust or other business with, the Borrower, any Subsidiary or any Affiliate of any of the foregoing as if such Person was not acting as the Administrative Agent and without any duty to account therefor to the Lenders or the Issuing Banks.

SECTION 8.05. Successor Administrative Agent.

(a) The Administrative Agent may resign at any time by giving 30 days' prior written notice thereof to the Lenders, the Issuing Banks and the Borrower, whether or not a successor Administrative Agent has been appointed. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York or an Affiliate of any such bank. In either case, such appointment shall be subject to the prior written approval of the Borrower (which approval may not be unreasonably withheld and shall not be required while an Event of Default has occurred and is continuing). Upon the acceptance of any appointment as Administrative Agent by a successor Administrative Agent, such successor Administrative Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Administrative Agent. Upon the acceptance of appointment as Administrative Agent by a successor Administrative Agent, the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. Prior to any retiring Administrative Agent's resignation hereunder as Administrative Agent, the retiring Administrative Agent shall take such action as may be reasonably necessary to assign to the successor Administrative Agent its rights as Administrative Agent under the Loan Documents.

(b) Notwithstanding paragraph (a) of this Section, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuing Banks and the

Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents; provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Collateral Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties, and continue to be entitled to the rights set forth in such Collateral Document and Loan Document, and, in the case of any Collateral in the possession of the Administrative Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this Section (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Collateral Document, including any action required to maintain the perfection of any such security interest) and (ii) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall directly be given or made to each Lender and each Issuing Bank. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article VIII and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (i) above.

SECTION 8.06. Acknowledgements of Lenders and Issuing Banks.

(a) Each Lender and each Issuing Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) in participating as a Lender, it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender or the Issuing Bank, in each case in the ordinary course of business, and not for the purpose of investing in the general performance or operations of the Borrower, or for the purpose of purchasing, acquiring or holding any other type of financial instrument such as a security (and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing, such as a claim under federal or state securities law), (iii) it has, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent or any other Lender or the Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder and (iv) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or the Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each Lender and the Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent or any other Lender or the Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this

Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement on the Effective Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

(c)

(i) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a “Payment”) were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one (1) Business Day thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Administrative Agent to any Lender under this Section 8.06(c) shall be conclusive, absent manifest error.

(ii) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a “Payment Notice”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one (1) Business Day thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the

rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations (or any other Secured Obligations) owed by the Borrower or any other Loan Party.

(iv) Each party's obligations under this Section 8.06(c) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 8.07. Collateral Matters.

(a) Except with respect to the exercise of setoff rights in accordance with Section 9.08 or with respect to a Secured Party's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof. In its capacity, the Administrative Agent is a "representative" of the Secured Parties within the meaning of the term "secured party" as defined in the UCC. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Secured Obligations, the Administrative Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Administrative Agent on behalf of the Secured Parties. The Lenders hereby authorize the Administrative Agent, at its option and in its discretion, to release any Lien granted to or held by the Administrative Agent upon any Collateral (i) as described in Section 9.02(d); (ii) as permitted by, but only in accordance with, the terms of the applicable Loan Document; or (iii) if approved, authorized or ratified in writing by the Required Lenders, unless such release is required to be approved by all of the Lenders hereunder. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Administrative Agent's authority to release particular types or items of Collateral pursuant hereto. Upon any sale or transfer of assets constituting Collateral which is permitted pursuant to the terms of any Loan Document, or consented to in writing by the Required Lenders or all of the Lenders, as applicable, and upon at least five (5) Business Days' prior written request by the Borrower to the Administrative Agent, the Administrative Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Administrative Agent for the benefit of the Secured Parties herein or pursuant hereto upon the Collateral that was sold or transferred; provided, however, that (i) the Administrative Agent shall not be required to execute any such document on terms which, in the Administrative Agent's reasonable opinion, would expose the Administrative Agent to liability or create any obligation or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Secured Obligations or any Liens upon (or obligations of the Loan Parties in respect of) all interests retained by any Loan Party, including (without limitation) the proceeds of the sale, all of which shall continue to constitute part of the Collateral. Any execution and delivery by the Administrative Agent of documents in connection with any such release shall be without recourse to or warranty by the Administrative Agent.

(b) In furtherance of the foregoing and not in limitation thereof, no Banking Services Agreement or Swap Agreement will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under any Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such Banking Services Agreement or Swap Agreement, as applicable, shall be deemed to have appointed the Administrative Agent to serve as administrative agent

and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(c) The Secured Parties irrevocably authorize the Administrative Agent, at its option and in its discretion, to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(b)(c). The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders or any other Secured Party for any failure to monitor or maintain any portion of the Collateral.

SECTION 8.08. Credit Bidding; DIP Considerations.

(a) ~~The~~ The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Secured Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Secured Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Secured Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Secured Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Secured Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Secured Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Secured Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Secured Obligations assigned to the acquisition vehicle exceeds the amount of Secured Obligations credit bid by the acquisition vehicle or otherwise),

such Secured Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Secured Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Secured Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Secured Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

(b) The Administrative Agent is hereby directed to oppose any debtor-in-possession financing that is not offered to all then existing Lenders on a pro rata basis and no Lender shall direct the Administrative Agent to take any contrary action. Notwithstanding anything to the contrary in this Agreement, no amendment, modification or waiver to this Agreement shall change any of the provisions of this Section 8.08(b) without the written consent of each Lender.

SECTION 8.09. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents or any of their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents or any of their respective Affiliates is a fiduciary with respect to the Collateral or the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(c) The Administrative Agent and each Arranger and each Co-Documentation Agent and Co-Syndication Agent each hereby informs the Lenders that each such Person is not undertaking to provide investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Loan Documents, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, arrangement fees, facility fees, commitment fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent fees or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

SECTION 8.10. Borrower Communications. (a) The Administrative Agent, the Lenders and the Issuing Banks agree that the Borrower may, but shall not be obligated to, make any Borrower Communications to the Administrative Agent through an electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Approved Borrower Portal").

(b) Although the Approved Borrower Portal and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Amendment No. 3 Effective Date, a user ID/password authorization system), each of the Lenders, each of the Issuing Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of the Borrower that are added to the Approved Borrower Portal, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and the Borrower hereby approves distribution of Borrower Communications through the Approved Borrower Portal and understands and assumes the risks of such distribution.

(c) THE APPROVED BORROWER PORTAL IS PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER COMMUNICATION, OR THE ADEQUACY OF THE APPROVED BORROWER PORTAL AND EXPRESSLY DISCLAIM

LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED BORROWER PORTAL AND THE BORROWER COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE BORROWER COMMUNICATIONS OR THE APPROVED BORROWER PORTAL. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY CO-DOCUMENTATION AGENT, ANY CO-SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, "APPLICABLE PARTIES") HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING BANK OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S TRANSMISSION OF BORROWER COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED BORROWER PORTAL.

(d) Each of the Lenders, each of the Issuing Banks and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Borrower Communications on the Approved Borrower Portal in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(e) Nothing herein shall prejudice the right of the Borrower to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

ARTICLE IX

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through Approved Electronic Platforms or Approved Borrower Portals, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to any Loan Party, the Lenders, the Administrative Agent and the Issuing Banks hereunder may be delivered or furnished by using Approved Electronic Platforms or Approved Borrower Portals (as applicable), in each case, pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

SECTION 9.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Except as provided in Section 2.20 with respect to an Incremental Term Loan Amendment or as provided in Section 2.14(b) and Section 2.14(c), neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly affected thereby (except that none of (A) any amendment or modification of the Financial Covenants (or defined terms used in the Financial Covenants) or (B) the waiver or reduction of any obligation of the Borrower to pay interest or fees at the applicable default rate set forth in Section 2.13(ed) shall constitute a reduction in the rate of interest or fees for purposes of this clause (ii)), (iii) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon (other than interest payable at the applicable default rate set forth in Section 2.13(ed)), or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby, (iv) change Section 2.09(c) or 2.18(b) or (c) in a manner that would alter the ratable reduction of Commitments or the pro rata sharing of payments required thereby, without the written consent of each Lender, (v) change the payment waterfall provisions of Section 2.21(b) or 7.03 without the written consent of each Lender, (vi) [reserved], (vii) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender (it being understood that, solely with the consent of the parties prescribed by Section 2.20 to be parties to an Incremental Term Loan Amendment, Incremental Term Loans may be included in the determination of Required Lenders on substantially the same basis as the Commitments and the Loans are included on the Effective Date), (viii) (A) release the Borrower from its obligations under Article X or (B) release all or substantially all of the Subsidiary Guarantors from their obligations under the Subsidiary Guaranty, in each case, without the written consent of each Lender, or (ix) except as provided in clause (d) of this Section or in any Collateral Document, release all or substantially all of the Collateral, without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, any Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, such Issuing Bank or the Swingline Lender, as the case may be (it being understood that any change to Section 2.21 shall require the consent of the Administrative Agent, the Issuing Banks and the Swingline Lender); and provided further that no such agreement shall amend or modify the provisions of Section 2.06 without the prior written consent of the Administrative Agent and such Issuing Bank. Notwithstanding

the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be directly affected by such amendment, waiver or other modification.

(c) Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (x) to add one or more credit facilities (in addition to the Incremental Term Loans pursuant to an Incremental Amendment) to this Agreement and to permit extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Revolving Loans, the initial Term Loans, Incremental Term Loans and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and Lenders (it being understood and agreed that any such amendment in connection with new or increases to the Commitments and/or Incremental Term Loans in accordance with Section 2.20 shall require solely the consent of the parties prescribed by such Section and shall not require the consent of the Required Lenders).

(d) The Lenders hereby irrevocably authorize the Administrative Agent, at its option and in its sole discretion, to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (i) upon the satisfaction of the Final Release Conditions, (ii) upon the termination of all the Commitments, payment and satisfaction in full in cash of all Secured Obligations (other than Swap Obligations not yet due and payable, Banking Services Obligations not yet due and payable, Unliquidated Obligations for which no claim has been made and other Obligations expressly stated to survive such payment and termination), and the cash collateralization of all Unliquidated Obligations in a manner satisfactory to the Administrative Agent, (iii) constituting property being sold or disposed of if the Borrower certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), (iv) constituting property leased to the Borrower or any Subsidiary under a lease which has expired or been terminated in a transaction permitted under this Agreement, or (v) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII. Any such release shall not in any manner discharge, affect, or impair the Secured Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral (except to the extent any of the foregoing constitutes Excluded Assets). In addition, each of the Lenders, on behalf of itself and any of its Affiliates that are Secured Parties, irrevocably authorizes the Administrative Agent, at its option and in its discretion, (i) to subordinate any Lien on any assets granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(e) or (ii) in the event that the Borrower shall have advised the Administrative Agent that, notwithstanding the use by the Borrower of commercially reasonable efforts to obtain the consent of such holder (but without the requirement to pay any sums to obtain such consent) to permit the Administrative Agent to retain its liens (on a subordinated basis as contemplated by clause (i) above), the holder of such other Indebtedness requires, as a condition to the extension of such credit, that the Liens on such assets granted to or held by the Administrative Agent under any Loan Document be released, to release the Administrative Agent's Liens on such assets.

(e) If, in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender" or "each Lender directly affected thereby," the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose

consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Borrower may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Borrower and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, (ii) the Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrower hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender and (iii) such Non-Consenting Lender shall have received the outstanding principal amount of its Loans and participations in LC Disbursements. Each party hereto agrees that (i) an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants), and (ii) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto.

(f) Notwithstanding anything to the contrary herein the Administrative Agent may, with the consent of the Borrower or other applicable Loan Parties only, amend, modify or supplement this Agreement or any of the other Loan Documents (i) to cure any ambiguity, omission, mistake, defect or inconsistency or correct any typographical error or other manifest error in any Loan Document, (ii) to comply with local law or advice of local counsel in any jurisdiction the laws of which govern any Collateral Document or that are relevant to the creation, perfection, protection and/or priority of any Lien in favor of the Administrative Agent or (iii) to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties.

SECTION 9.03. Expenses; Limitation of Liability; Indemnity, Etc.

(a) Expenses. The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Arrangers (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of a single firm as primary counsel, along with such specialist counsel as may reasonably be required by the Administrative Agent, and a single firm of local counsel in each applicable jurisdiction), in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facilities provided for herein, the preparation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank or any

Lender (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of a single firm as primary counsel to all such parties, along with such specialist counsel as may reasonably be required by the Administrative Agent, and a single firm of local counsel in each applicable jurisdiction, for the Administrative Agent, and, in the event of an actual or reasonably perceived conflict of interest (as reasonably determined by the Administrative Agent or the applicable Issuing Bank or Lender), one additional firm of primary counsel for each group of similarly affected persons, and to the extent required, one firm of local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions)) in connection with the enforcement, collection or protection of its rights in connection with this Agreement and any other Loan Document, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses (subject to the foregoing limitations with respect to legal fees and expenses) incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit; provided however, following the Amendment No. 5 Effective Date, the Borrower shall pay the reasonable and documented expenses of Chilmark Partners (as financial advisor to the Administrative Agent, Issuing Bank and Lenders) and Paul Hastings, LLP (primary counsel to Administrative Agent, Issuing Bank and the Lenders) on a monthly basis within five (5) Business Days following the receipt of an invoice from such advisors.

(b) Limitation of Liability. To the extent permitted by applicable law (i) the Borrower and any other Loan Party shall not assert, and the Borrower and each other Loan Party hereby waives, any claim against the Administrative Agent, any Arranger, any Co-Syndication Agent, any Co-Documentation Agent, any Issuing Bank and any Lender, and any Related Party of any of the foregoing Persons (each such Person being called a “Lender-Related Person”) for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet, any Approved Electronic Platform and any Approved Borrower Portal), other than any such claims for direct or actual damages that are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from the gross negligence or willful misconduct of such Lender-Related Person and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this Section 9.03(b) shall relieve the Borrower or any other Loan Party of any obligation it may have to indemnify an Indemnitee, as provided in Section 9.03(c), against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(c) Indemnity. The Borrower shall indemnify the Administrative Agent, each Arranger, each Co-Syndication Agent, each Co-Documentation Agent, the Swingline Lender, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all Liabilities and related reasonable and documented out-of-pocket expenses (which shall be limited, in the case of legal fees and expenses, to the reasonable and documented fees, disbursements and other charges of a single firm of primary counsel for all Indemnitees, along with such specialist counsel as may reasonably be required by the Administrative Agent, and a single firm of local counsel in each applicable jurisdiction for all Indemnitees and, in the event of an actual or reasonably perceived conflict of interest (as reasonably determined by the applicable Indemnitee), one additional firm of counsel to each group of similarly affected Indemnitees and to the extent required, one firm or local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions)) incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document, or any agreement or instrument contemplated

hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any act or omission of the Administrative Agent in connection with the administration of this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, (iv) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (v) any actual or prospective Proceeding in any jurisdiction relating to any of the foregoing (including in relation to enforcing the terms of the limitation of liability and indemnification referred to above), whether or not such Proceeding is brought by the Borrower or any other Loan Party or its or their respective equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such Liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from (i) the gross negligence or willful misconduct of such Indemnitee or any of its Controlled Related Parties in performing its activities or in furnishing its commitments or services under this Agreement or the other Loan Documents, (ii) a breach in bad faith by such Indemnitee or any of its Controlled Related Parties of its material obligations under this Agreement or the other Loan Documents or (iii) any dispute solely among Indemnities (not arising from any act or omission of the Borrower or any of its Affiliates) other than claims against an Indemnitee acting in its capacity as, or in fulfilling its role as, the Administrative Agent, an Arranger, the Swingline Lender or an Issuing Bank under this Agreement or the other Loan Documents). As used above, a “Controlled Related Party” of an Indemnitee means (1) any Controlling Person or Controlled Affiliate of such Indemnitee, (2) the respective directors, officers, or employees of such Indemnitee or any of its Controlling Persons or Controlled Affiliates and (3) the respective agents or representatives of such Indemnitee or any of its Controlling Persons or Controlled Affiliates, in the case of this clause (3), acting at the instructions of such Indemnitee, Controlling Person or Controlled Affiliate; provided that each reference to a Controlling Person, Controlled Affiliate, director, officer or employee in this sentence pertains to a Controlling Person, Controlled Affiliate, director, officer or employee involved in the arrangement, negotiation or syndication of the credit facilities evidenced by this Agreement. This Section 9.03(c) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(d) Lender Reimbursement. To the extent that the Borrower fails to pay any amount required to be paid by it under paragraph (a) or (c) of this Section 9.03, each Lender severally agrees to pay to the Administrative Agent, and each Lender severally agrees to pay to each Issuing Bank, the Swingline Lender, and each Related Party of any of the foregoing Persons (each, an “Agent-Related Person”), as the case may be, such Lender’s Applicable Percentage (determined as of the time that the applicable payment is sought) of such unpaid amount (it being understood that the Borrower’s failure to pay any such amount shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or Liability or related expense, as the case may be, was incurred by or asserted against such Agent-Related Person in its capacity as such.

(e) Payments. All amounts due under this Section 9.03 shall be payable not later than thirty (30) days after written demand therefor.

SECTION 9.04. Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the relevant Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the relevant Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments, participations in Letters of Credit and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Borrower (provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received written notice thereof); provided, further, that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default under Section 7.01(a), (b), (h), (i) or (j) has occurred and is continuing, any other assignee;

(B) the Administrative Agent;

(C) the Issuing Banks; provided that no consent of an Issuing Bank shall be required if (x) an Event of Default occurs with respect to the Borrower under Section 7.01(h) or 7.01(i) and (y) such Issuing Bank has no outstanding Letters of Credit at that time; provided further that no consent of any Issuing Bank shall be required for an assignment of all or any portion of a Term Loan; and

(D) the Swingline Lender; provided that no consent of the Swingline Lender shall be required if (x) an Event of Default occurs with respect to the Borrower under Section 7.01(h) or 7.01(i) and (y) such Swingline Lender has no outstanding Swingline Loans at that time; provided further that no consent of the Swingline Lender shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date set forth in the Assignment and Assumption with respect to such assignment delivered to the Administrative Agent and determined on an aggregate basis) shall not be less than \$5,000,000 (in the case of Revolving Commitments and Revolving Loans) or

\$1,000,000 (in the case of a Term Loan) unless each of the Borrower and the Administrative Agent otherwise consent; provided that no such consent of the Borrower shall be required if an Event of Default under Section 7.01(a), (b), (h), (i) or (j) has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with a processing and recordation fee of \$3,500, such fee to be paid by either the assigning Lender or the assignee Lender or shared between such Lenders; ~~and~~

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including federal and state securities laws; ~~and~~

(E) if the assignee shall be a Revolving Lender assigning Revolving Loans or Revolving Commitments, such assignee shall assign its ratable portion of Revolver PIK Loans in connection with any assignment of its Revolving Loans or Revolving Commitments.

For the purposes of this Section 9.04(b), the terms "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

"Ineligible Institution" means (a) a natural person, (b) a Defaulting Lender or its Lender Parent, (c) the Borrower, any of its Subsidiaries or any of its Affiliates, (d) a company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof or (e) a Disqualified Institution.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment

and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive (absent manifest error), and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(c), 2.06(d) or (e), 2.07(b), 2.18(e) or 9.03(d), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of, or notice to, the Borrower, the Administrative Agent, the Issuing Banks or the Swingline Lender, sell participations to one or more banks or other entities (a "Participant"), other than an Ineligible Institution, in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided

that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or Section 1.163-5(b) of the Proposed United States Treasury Regulations (or, in each case, any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority having jurisdiction over such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Disqualified Institutions.

(i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the "Trade Date") on which the assigning Lender entered into a binding agreement to sell and assign or grant a participation in all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment or participation in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee or Participant that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a written supplement to the list of "Disqualified Institutions" referred to in, the definition of "Disqualified Institution"), (x) such assignee or Participant shall not retroactively be disqualified from becoming a Lender or Participant and (y) the execution by the Borrower of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Institution. Any assignment or participation in violation of this clause (e)(i) shall not be void, but the other provisions of this clause (e) shall apply.

(ii) If any assignment or participation is made to any Disqualified Institution without the Borrower's prior written consent in violation of clause (i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.04), all of its interest, rights and obligations under this Agreement to one or more Persons (other than an Ineligible Institution, the Borrower, any of the Borrower's Subsidiaries or any of the Borrower's Affiliates) at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions to whom an assignment or participation is made in violation of clause (i) above (A) will not have the right to (x) receive information, reports or other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter and (y) for purposes of voting on any plan of reorganization, each Disqualified Institution party hereto hereby agrees (1) not to vote on such plan of reorganization, (2) if such Disqualified Institution does vote on such plan of reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other applicable laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such plan of reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other applicable laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the "DQ List") on an Approved Electronic Platform, including that portion of such Approved Electronic Platform that is designated for "public side" Lenders and/or (B) provide the DQ List to each Lender or potential Lender requesting the same.

(v) The Administrative Agent and the Lenders shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, neither the Administrative Agent nor any Lender shall (x) be obligated to ascertain, monitor or inquire as to whether any other Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, by any other Person to any Disqualified Institution.

(f) Notwithstanding anything to the contrary contained in this Agreement, any Lender may assign all or a portion of its Term Loans to any Purchasing Borrower Party in accordance

with this Section 9.04(f) (which assignment shall not constitute a prepayment of Loans for any purposes of this Agreement and the other Loan Documents); provided that:

(i) no Event of Default has occurred and is continuing or would result therefrom,

(ii) such assignment shall be made pursuant to (i) a bona fide open market purchase on a non-pro rata basis for cash consideration or (ii) an Auction Purchase Offer open to all Lenders of the applicable Class conducted in accordance with the Auction Procedures;

(iii) any Term Loans assigned to any Purchasing Borrower Party shall, without further action by any Person, be automatically and permanently cancelled for all purposes and no longer outstanding (and may not be resold by any Purchasing Borrower Party), it being understood and agreed that any gains or losses by any Purchasing Borrower Party upon purchase or acquisition and cancellation of such Term Loans shall not be taken into account in the calculation of Excess Cash Flow, Consolidated Net Income or Consolidated EBITDA;

(iv) in no event shall any Purchasing Borrower Party be entitled to vote hereunder in connection with the assigned Term Loans;

(v) no more than one (1) Auction Purchase Offer with respect to any Class may be ongoing at any one time, no more than four (4) Auction Purchase Offers (regardless of Class) may be made in any one year and any Auction Purchase Offer with respect to any Class shall be offered to all Term Lenders holding Term Loans of such Class on a pro rata basis;

(vi) no Purchasing Borrower Party may use the proceeds from Revolving Loans or Swingline Loans to purchase any Term Loans; and

(vii) the aggregate outstanding principal amount of the Term Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans purchased pursuant to this Section 9.04(f) and each principal repayment installment with respect to the Term Loans of such Class shall be reduced pro rata by the aggregate principal amount of Term Loans purchased; provided that any such assignment shall not constitute a voluntary or mandatory prepayment for any other purpose under this Agreement or the other Loan Documents.

In connection with any Term Loans assigned and cancelled pursuant to this Section 9.04(f), the Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation. Any payment made by any Purchasing Borrower Party in connection with an assignment permitted by this Section 9.04(f) shall not be subject to any of the pro rata payment or sharing requirements of this Agreement.

Notwithstanding anything to the contrary contained herein, the Administrative Agent shall not (a) be required to serve as the auction agent for, or have any other obligations to participate in (other than mechanical administrative duties), or to facilitate any, Dutch auction unless it is reasonably satisfied with the terms and restrictions of such auction or (b) have any obligation to participate in, arrange, sell or otherwise facilitate, and will have no liability in connection with, any open market purchases by the Borrower or any Subsidiary. Each Purchasing Borrower Party waives any rights to bring any action in connection with this Agreement against the Administrative Agent in its capacity as such, including, without limitation, with respect to any duties or obligations or alleged duties or obligations of such agent under the Loan Documents.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid (except for Unliquidated Obligations) or any Letter of Credit is outstanding (unless such Letter of Credit has been cash collateralized or backstopped pursuant to arrangements reasonably satisfactory to the Administrative Agent) and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to (i) fees payable to the Administrative Agent or the Lenders, as applicable, and (ii) the reductions of the Letter of Credit Commitment of any Issuing Bank constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.01(a)), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each other Loan Party hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Borrower and the other Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) agrees that the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent’s and/or any Lender’s reliance on or use of Electronic Signatures and/or transmissions by telecopy,

emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower and/or any other Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.07. Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, the Issuing Bank, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final) at any time held, and other obligations at any time owing, by such Lender, the Issuing Bank or any such Affiliate, to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or the Issuing Bank or their respective Affiliates, irrespective of whether or not such Lender, the Issuing Bank or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower may be contingent or unmatured or are owed to a branch office or Affiliate of such Lender or the Issuing Bank different from the branch office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so setoff shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.21 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Bank, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Secured Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, the Issuing Bank and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, such Issuing Bank or their respective Affiliates may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN ANY SUCH OTHER LOAN DOCUMENT) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(b) Each of the Lenders and the Administrative Agent hereby irrevocably and unconditionally agrees that, notwithstanding the governing law provisions of any applicable Loan Document, any claims brought against the Administrative Agent by any Secured Party relating to this Agreement, any other Loan Document, the Collateral or the consummation or administration of the transactions contemplated hereby or thereby shall be construed in accordance with and governed by the law of the State of New York.

(c) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the United States District Court for the Southern

District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may (and any such claims, cross-claims or third party claims brought against the Administrative Agent or any of its Related Parties may only) be heard and determined in such Federal (to the extent permitted by law) or New York State court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall (i) affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction (ii) waive any statutory, regulatory, common law, or other rule, doctrine, legal restriction, provision or the like providing for the treatment of bank branches, bank agencies, or other bank offices as if they were separate juridical entities for certain purposes, including Uniform Commercial Code Sections 4-106, 4-A-105(1)(b), and 5-116(b), UCP 600 Article 3 and ISP98 Rule 2.02, and URDG 758 Article 3(a), or (iii) affect which courts have or do not have personal jurisdiction over the issuing bank or beneficiary of any Letter of Credit or any advising bank, nominated bank or assignee of proceeds thereunder or proper venue with respect to any litigation arising out of or relating to such Letter of Credit with, or affecting the rights of, any Person not a party to this Agreement, whether or not such Letter of Credit contains its own jurisdiction submission clause.

(d) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (c) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(e) Each of the parties hereto hereby irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and its and their respective directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); provided that the disclosing Administrative Agent, Issuing Bank or Lender, as applicable, shall be responsible for compliance by such Persons with the provisions of this Section 9.12, (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners) purporting to have jurisdiction over the Administrative Agent, Issuing Bank, the applicable Lender or its or their applicable Affiliates, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided that the Administrative Agent or such Lender, as applicable, agrees that it will, to the extent practicable and other than with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, notify the Borrower promptly thereof, unless such notification is prohibited by law, rule or regulation), (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (1) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (it being understood that the DQ List may be disclosed to any assignee or Participant, or prospective assignee or Participant, in reliance on this clause (f) subject to such agreement), (2) to any swap or derivative transaction relating to the Borrower and its obligations or (3) to any potential or actual insurer or reinsurer in connection with providing insurance, reinsurance or credit risk mitigation coverage under which payments are to be made or may be made by reference to this Agreement, (g) on a confidential basis to (1) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein or (2) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of identification numbers with respect to the credit facilities provided for herein, (h) with the prior written consent of the Borrower or (i) to the extent such Information (1) becomes publicly available other than as a result of a breach of this Section or (2) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by the Borrower and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. For the avoidance of doubt, nothing in this Section 9.12 shall prohibit any Person from voluntarily disclosing or providing any Information within the scope of this confidentiality provision to any governmental, regulatory or self-regulatory organization (any such entity, a "Regulatory Authority") to the extent that any such prohibition on disclosure set forth in this Section 9.12 shall be prohibited by the laws or regulations applicable to such Regulatory Authority.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THE IMMEDIATELY PRECEDING PARAGRAPH FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING

THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

SECTION 9.13. USA PATRIOT Act. Each Lender that is subject to the requirements of the Patriot Act and the requirements of the Beneficial Ownership Regulation hereby notifies each Borrower and each other Loan Party that, pursuant to the requirements of the Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the such Borrower or such Loan Party, which information includes the name, address and tax identification number of such Borrower and such Loan Party and other information that will allow such Lender to identify such Borrower and such Loan Party in accordance with the Patriot Act and the Beneficial Ownership Regulation and other applicable “know your customer” and anti-money laundering rules and regulations.

SECTION 9.14. Releases of Subsidiary Guarantors.

(a) A Subsidiary Guarantor shall automatically be released from its obligations under the Loan Documents upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Guarantor ceases to be a Subsidiary, or becomes an Excluded Subsidiary (other than as a result of clause (f) of the definition of “Excluded Subsidiary”); provided that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise. Upon any sale or other disposition (other than any lease or license) by any Loan Party (other than to the Borrower or any Loan Party) of any Collateral in a transaction permitted under this Agreement, or if the Person owning such Collateral shall cease to be a Loan Party, or upon the effectiveness of any written consent to the release of the security interest created under any Collateral Document in any Collateral pursuant to Section 9.02, the security interests in such Collateral created by the Collateral Documents shall be automatically released. In connection with any termination or release pursuant to this Section (including pursuant to clause (b) or (c) below), the Administrative Agent shall (and is hereby irrevocably authorized by each Lender to) execute and deliver to any Loan Party, at such Loan Party’s expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent except as may otherwise be expressly agreed in writing by the Administrative Agent and such Loan Party.

(b) Further, the Administrative Agent shall (and is hereby irrevocably authorized by each Lender to), upon the request of the Borrower, release any Subsidiary Guarantor from its obligations under the Subsidiary Guaranty if (i) such Subsidiary Guarantor is no longer a Material Domestic Subsidiary, or is otherwise not required pursuant to the terms of this Agreement to be a Subsidiary

Guarantor or (ii) such release is approved, authorized or ratified by the requisite Lenders pursuant to Section 9.02.

(c) At such time as the principal and interest on the Loans, all LC Disbursements, the fees, expenses and other amounts payable under the Loan Documents and the other Secured Obligations (other than Swap Obligations not yet due and payable, Banking Services Obligations not yet due and payable, Unliquidated Obligations for which no claim has been made and other Obligations expressly stated to survive such payment and termination) shall have been paid in full in cash, the Commitments shall have been terminated and no Letters of Credit shall be outstanding (or any outstanding Letters of Credit shall have been cash collateralized or backstopped pursuant to arrangements reasonably satisfactory to the Administrative Agent) (the foregoing, collectively, the “Final Release Conditions”), the Subsidiary Guaranty and all obligations (other than those expressly stated to survive such termination) of each Subsidiary Guarantor thereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any Person.

SECTION 9.15. Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession or control. Should any Lender (other than the Administrative Agent) obtain possession or control of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent’s request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent’s instructions.

SECTION 9.16. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the applicable Overnight Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.17. No Fiduciary Duty, etc.

(a) The Borrower acknowledges and agrees, and acknowledges its Subsidiaries’ understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm’s length contractual counterparty to the Borrower with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any other person. The Borrower agrees that it will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, the Borrower acknowledges and agrees that no Credit Party is advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. The Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and

appraisal of the transactions contemplated herein or in the other Loan Documents, and the Credit Parties shall have no responsibility or liability to the Borrower with respect thereto.

(b) The Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party, together with its Affiliates, in addition to providing or participating in commercial lending facilities such as that provided hereunder, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the Borrower, its Subsidiaries and other companies with which the Borrower or any of its Subsidiaries may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(c) In addition, the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its Affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrower or any of its Subsidiaries may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. The Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower or any of its Subsidiaries, confidential information obtained from other companies.

SECTION 9.18. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.19. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

SECTION 9.20. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or any Lender from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or any Lender in such currency, the Administrative Agent or such Lender, as the case may be, agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

SECTION 9.21. Restrictions on Certain Amendments. Notwithstanding anything to the contrary in this Agreement, (a) (1) no amendment, modification or waiver to this Agreement shall (i) change any of the provisions of this Section 9.21(a) without the written consent of each Lender or (ii) without the prior written consent of each Lender directly and adversely affected thereby, (x) subordinate the Obligations hereunder to any other Indebtedness, or (y) subordinate the Liens securing the Obligations to Liens securing any other Indebtedness, and (2) any amendment or waiver that by its terms affects the rights or duties of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) will require only the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto if such Class of Lenders were the only Class of Lenders; (b) no Lender or Issuing Bank shall be required to make Loans or issue Letters of Credit, as applicable, in a currency other than an Agreed Currency (as defined in this Agreement immediately prior to the Amendment No. 35 Effective Date) without its consent, and (c) (1) no amendment, modification or waiver to this Agreement shall (i) change any of the provisions of this Section 9.21(c) or the definition of “Required Revolving Lenders” or any other provision hereof specifying the number or percentage of Revolving Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder with respect to the Revolving Facility without the written consent of each Revolving Lender and (2) prior to the repayment in full of all Revolving Loans and termination of all Revolving Commitments, only the Required Revolving Lenders may (w) amend, waive or otherwise modify any condition set forth in Section 4.02 in respect of any Revolving Loans or Letters of Credit, (x) amend or otherwise modify Section 6.12 or, solely for purposes of Section 6.12, the defined terms used, directly or indirectly, therein, or (y) waive any noncompliance with Section 6.12 or any Event of Default resulting from any such noncompliance, and in each case they may do so without the consent of any other Lender.

SECTION 9.22. Restrictions on Certain Amendment No. 5 Provisions. Notwithstanding anything to the contrary in this Agreement, (i) no amendment, modification or waiver to this Agreement shall (i) change any of the provisions of this Section 9.22 without the written consent of each Amendment No. 5 Incremental Term Lender and Revolving Lender, (ii) change the definition of “Required Amendment No. 5 Incremental Lenders” without the written consent of each Amendment No. 5 Incremental Term Loan Lender or (iii) amend or otherwise modify Section 6.13 or, solely for purposes of Section 6.13, the defined terms used, directly or indirectly, therein without the consent of the Required Amendment No. 5 Incremental Term Lenders and the Required Revolving Lenders.

ARTICLE X

Borrower Guarantee

In order to induce the Lenders to extend credit to the Borrower hereunder and for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), the Borrower hereby absolutely and irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety, the payment when and as due of the Specified Ancillary Obligations of the Subsidiaries. The Borrower further agrees that the due and punctual payment of such Specified Ancillary Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee hereunder notwithstanding any such extension or renewal of any such Specified Ancillary Obligation.

The Borrower waives presentment to, demand of payment from and protest to any Subsidiary of any of the Specified Ancillary Obligations, and also waives notice of acceptance of its obligations and notice of protest for nonpayment. The obligations of the Borrower hereunder shall not be affected by (a) the failure of any applicable Lender (or any of its Affiliates) to assert any claim or demand or to enforce any right or remedy against any Subsidiary under the provisions of any Banking Services Agreement, any Swap Agreement or otherwise; (b) any extension or renewal of any of the Specified Ancillary Obligations; (c) any rescission, waiver, amendment or modification of, or release from, any of the terms or provisions of the Specified Ancillary Obligations; (d) any default, failure or delay, willful or otherwise, in the performance of any of the Specified Ancillary Obligations; (e) the failure of any applicable Lender (or any of its Affiliates) to take any steps to perfect and maintain any security interest in, or to preserve any rights to, any security or collateral for the Specified Ancillary Obligations, if any; (f) any change in the corporate, partnership or other existence, structure or ownership of any Subsidiary or any other guarantor of any of the Specified Ancillary Obligations; (g) the enforceability or validity of the Specified Ancillary Obligations or any part thereof or the genuineness, enforceability or validity of any agreement relating thereto or with respect to any collateral securing the Specified Ancillary Obligations or any part thereof, or any other invalidity or unenforceability relating to or against any Subsidiary or any other guarantor of any of the Specified Ancillary Obligations, for any reason related to this Agreement, any other Loan Document, any Banking Services Agreement, any Swap Agreement, or any provision of applicable law, decree, order or regulation of any jurisdiction purporting to prohibit the payment by such Subsidiary or any other guarantor of the Specified Ancillary Obligations, of any of the Specified Ancillary Obligations or otherwise affecting any term of any of the Specified Ancillary Obligations; or (h) any other act, omission or delay to do any other act which may or might in any manner or to any extent vary the risk of the Borrower or otherwise operate as a discharge of a guarantor as a matter of law or equity or which would impair or eliminate any right of the Borrower to subrogation, in each case, other than payment in full in cash of all Specified Ancillary Obligations or satisfaction otherwise of the Final Release Conditions.

The Borrower further agrees that its agreement hereunder constitutes a guarantee of payment when due (whether or not any bankruptcy or similar proceeding shall have stayed the accrual or

collection of any of the Specified Ancillary Obligations or operated as a discharge thereof) and not merely of collection, and waives any right to require that any resort be had by any applicable Lender (or any of its Affiliates) to any balance of any deposit account or credit on the books of the Administrative Agent, any Issuing Bank or any Lender in favor of any Subsidiary or any other Person.

The obligations of the Borrower hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever, by reason of the invalidity, illegality or unenforceability of any of the Specified Ancillary Obligations, any impossibility in the performance of any of the Specified Ancillary Obligations or otherwise.

The Borrower further agrees that its obligations hereunder shall constitute a continuing and irrevocable guarantee of all Specified Ancillary Obligations now or hereafter existing and shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Specified Ancillary Obligation (including a payment effected through exercise of a right of setoff) is rescinded, or is or must otherwise be restored or returned by any applicable Lender (or any of its Affiliates) upon the insolvency, bankruptcy or reorganization of any Subsidiary or otherwise (including pursuant to any settlement entered into by a holder of Specified Ancillary Obligations in its discretion).

In furtherance of the foregoing and not in limitation of any other right which any applicable Lender (or any of its Affiliates) may have at law or in equity against the Borrower by virtue hereof, upon the failure of any Subsidiary to pay any Specified Ancillary Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, the Borrower hereby promises to and will, upon receipt of written demand by any applicable Lender (or any of its Affiliates), forthwith pay, or cause to be paid, to such applicable Lender (or any of its Affiliates) in cash an amount equal to the unpaid principal amount of such Specified Ancillary Obligations then due, together with accrued and unpaid interest thereon. The Borrower further agrees that if payment in respect of any Specified Ancillary Obligation shall be due in a currency other than Dollars and/or at a place of payment other than New York, Chicago or any other officer, branch, affiliate or correspondent bank of the applicable Lender for such currency and if, by reason of any Change in Law, disruption of currency or foreign exchange markets, war or civil disturbance or other event, payment of such Specified Ancillary Obligation in such currency or at such place of payment shall be impossible or, in the reasonable judgment of any applicable Lender (or any of its Affiliates), disadvantageous to such applicable Lender (or any of its Affiliates) in any material respect, then, at the election of such applicable Lender, the Borrower shall make payment of such Specified Ancillary Obligation in Dollars (based upon the Dollar Equivalent of such Specified Ancillary Obligation on the date of payment) and/or in New York, Chicago or such other payment office as is designated by such applicable Lender (or its Affiliate) and, as a separate and independent obligation, shall indemnify such applicable Lender (and any of its Affiliates) against any losses or reasonable out-of-pocket expenses that it shall sustain as a result of such alternative payment.

Upon payment by the Borrower of any sums as provided above, all rights of the Borrower against any Subsidiary arising as a result thereof by way of right of subrogation or otherwise shall in all respects be subordinated and junior in right of payment to the prior indefeasible payment in full in cash of all the Specified Ancillary Obligations owed by such Subsidiary to the applicable Lender (or its applicable Affiliates).

The Borrower hereby absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each Subsidiary Guarantor to honor all of its obligations under the Subsidiary Guaranty in respect of Specified Swap Obligations (provided, however, that the Borrower shall only be liable under this paragraph for the maximum amount of such

liability that can be hereby incurred without rendering its obligations under this paragraph or otherwise under this Article X voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The Borrower intends that this paragraph constitute, and this paragraph shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each Subsidiary Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Nothing shall discharge or satisfy the liability of the Borrower hereunder except the full performance and payment in cash of the Secured Obligations.

(b) Notwithstanding the date, time, method, manner or order of grant, attachment, recordation or perfection of any Liens on the Collateral securing the First Lien Secured Obligations or of any Liens on the Collateral securing the Second Lien Secured Obligations, and notwithstanding any provision of the UCC or any other applicable law, or the First Lien Loan Documents or the Second Lien Loan Documents, or any defect or deficiencies in, or failure to perfect or lapse in perfection of, or avoidance as a fraudulent conveyance or otherwise of, the Liens securing the First Lien Secured Obligations or any other circumstance whatsoever, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, the Second Lien Secured Agent, on behalf of itself and the Second Lien Secured Parties, hereby agrees that:

(i) any Lien on the Collateral securing any First Lien Secured Obligations now or hereafter held by or on behalf of the First Lien Secured Agent, any other First Lien Secured Parties or any agent or trustee therefor, regardless of how acquired, whether by grant, possession, statute (including any judgment lien), operation of law, subrogation or otherwise, shall be senior in all respects and prior to any Lien on the Collateral securing any of the Second Lien Secured Obligations;

(ii) any Lien on the Collateral securing any Second Lien Secured Obligations now or hereafter held by or on behalf of the Second Lien Secured Agent, any other Second Lien Secured Party or any agent or trustee therefor, regardless of how acquired, whether by grant, possession, statute (including any judgment lien), operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Collateral securing any of the First Lien Secured Obligations; and

(iii) all Liens on the Collateral securing any First Lien Secured Obligations shall be and remain senior in all respects and prior to all Liens on the Collateral securing any Second

Lien Secured Obligations for all purposes, whether or not such Liens securing any First Lien Secured Obligations are subordinated to any Lien securing any other obligation of the Grantors or any other Person.

Section 2.2. Waiver of Right to Contest Liens.

(a) The First Lien Secured Agent, acting on behalf of the First Lien Secured Parties, agrees that it and they shall not (and hereby waives any right to) take any action to contest or challenge (or assist or support any other Person in contesting or challenging), directly or indirectly, whether or not in any proceeding (including in any Insolvency or Liquidation Proceeding), the validity, priority, enforceability, or perfection of the Liens of the Second Lien Secured Agent and the Second Lien Lenders in respect of the Collateral or the Second Lien Secured Obligations or the provisions of this Agreement.

(b) The Second Lien Secured Agent, acting on behalf of the Second Lien Secured Parties, agrees that it and they shall not (and hereby waives any right to) take any action to contest or challenge (or assist or support any other Person in contesting or challenging), directly or indirectly, whether or not in any proceeding (including in any Insolvency or Liquidation Proceeding), the validity, priority, enforceability, or perfection of the Liens of the First Lien Secured Agent and the First Lien Lenders in respect of the Collateral or the First Lien Secured Obligations or the provisions of this Agreement. Except to the extent expressly set forth in this Agreement, the Second Lien Secured Agent, acting on behalf of the Second Lien Secured Parties, agrees that none of the Second Lien Secured Agent or Second Lien Secured Parties will take any action that would interfere with any Exercise of Secured Creditor Remedies or the Exercise of Unsecured Creditor Remedies undertaken by the Controlling Agent or any First Lien Lender under the First Lien Loan Documents with respect to the Collateral. Except to the extent expressly set forth in this Agreement, the Second Lien Secured Agent, acting on behalf of the Second Lien Secured Parties, hereby waives any and all rights it or the Second Lien Secured Parties may have as a junior lien creditor or otherwise to contest, protest, object to, or interfere with the manner in which the First Lien Secured Agent or any First Lien Lender seeks to enforce its Liens in any Collateral. The foregoing shall not be construed to prohibit any Agent from enforcing the provisions of this Agreement as to the relative priority of the parties hereto.

(c) Except to the extent expressly set forth in this Agreement, each First Lien Secured Agent, acting on behalf of its respective First Lien Secured Parties, agrees that none of it or the First Lien Secured Parties it represents will take any action that would interfere with any Exercise of Secured Creditor Remedies undertaken by the Controlling Agent. Except to the extent expressly set forth in this Agreement, each First Lien Secured Agent, acting on behalf of its respective First Lien Secured Parties, hereby waives any and all rights it or the First Lien Secured Parties may have as a junior lien creditor or otherwise to contest, protest, object to, or interfere with the manner in which the Controlling Agent seeks to enforce its Liens in any Collateral. The foregoing shall not be construed to prohibit any First Lien Secured Agent from enforcing the provisions of this Agreement as to the relative priority of the parties hereto.

Section 2.3. Remedies Standstill. The Second Lien Secured Agent, acting on behalf of the Second Lien Secured Parties agrees that, from the date hereof until the date upon which the Discharge of First Lien Secured Obligations shall have occurred, neither the Second Lien Secured Agent nor any Second Lien Secured Party will Exercise Any Secured Creditor Remedies with respect to any of the Collateral without the written consent of the Controlling Agent, and will not take, receive or accept any Proceeds of Collateral (other than Permitted Second Lien Payments); *provided, however*, that the Second Lien Secured Agent may Exercise Any Secured Creditor Remedies with respect to the Collateral after a period of at least one hundred eighty (180) days has elapsed, without the commencement of an Insolvency or Liquidation Proceeding, since the date on which the Controlling Agent receives an Enforcement Notice from the Second Lien Secured Agent of the existence of any Event of Default under the Second Lien Loan Documents,

which Event of Default is still continuing at the end of such period (the “**Standstill Period**”); *provided, however*, that notwithstanding anything herein to the contrary, in no event shall the Second Lien Secured Agent or any Second Lien Lender Exercise Any Secured Creditor Remedies with respect to the Collateral if, notwithstanding the expiration of the Standstill Period, the Controlling Agent shall have commenced and be diligently pursuing the exercise of its rights or remedies with respect to substantially all or any material portion of the Collateral.

The Second Lien Secured Agent, acting on behalf of the Second Lien Secured Parties further agrees that, from the date hereof until the date upon which the Discharge of First Lien Secured Obligations shall have occurred, neither the Second Lien Secured Agent nor any Second Lien Secured Party will Exercise Any Unsecured Creditor Remedies during the Standstill Period. Following the Standstill Period, the Second Lien Secured Agent and/or any Second Lien Secured Party shall be permitted to Exercise Unsecured Creditor Remedies as permitted under the Second Lien Loan Documents.

Notwithstanding the provisions of the prior paragraph or any other provision of this Agreement, nothing contained herein shall be construed to prevent any Agent or any Lender from (i) filing a claim or statement of interest with respect to the Obligations owed to it in any Insolvency or Liquidation Proceeding commenced by or against any Loan Party, (ii) taking any action (not adverse to the priority or perfection status of the Liens and related Obligations of any other Agent or other Lenders with respect to the Collateral in which such other Agent or other Lender has a priority Lien or priority of payment right with respect thereto or the rights of the other Agent or any of the other Lenders to exercise remedies in respect thereof) in order to create, perfect, preserve or protect (but not enforce) its Lien on any Collateral and including joining in (but not initiating or controlling) any foreclosure, sale or other judicial lien enforcement proceeding with respect to the Collateral initiated by the Controlling Agent or such other Agent or other Lender having a priority Lien or right of payment on such Collateral, (iii) filing any responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading filed by any Person objecting to or otherwise seeking disallowance of the claim or Lien of such Agent or Lender or otherwise make any agreements or file any motions pertaining to the First Lien Secured Obligations or Second Lien Secured Obligations owing to it, in each case, to the extent not in contravention of the terms of this Agreement, (iv) bidding for and purchasing Collateral at any private or judicial foreclosure sale of such Collateral initiated by the Controlling Agent (so long as such bid results in the Discharge of First Lien Secured Obligations and is otherwise subject to the limitations on credit bidding set forth in Section 7.1(m)), (v) voting on any Plan, filing any proof of claim, making other filings and making any arguments and motions in any Insolvency or Liquidation Proceeding of any Loan Party that are, in each case, consistent with and otherwise in accordance with the terms of this Agreement with respect to the First Lien Secured Obligations or Second Lien Secured Obligations and the Collateral; *provided* that no Secured Party shall propose, support or vote to accept any Plan that is inconsistent with this Agreement (including without limitation by classifying more than a single Series of Obligations in the same class) without the prior written consent of the Controlling Agent, (vi) subject to the prior paragraph, Exercising Any Secured Creditor Remedies on and after the last day of the Standstill Period or (vii) asserting or exercising all other rights and remedies as unsecured creditors (or filing any pleadings, objections, motions or agreements which assert, or seek to exercise, such rights and remedies), in each case (i) through (vii) above to the extent not inconsistent with or in violation of or which could result in a resolution inconsistent with the terms of this Agreement.

Section 2.4. Exercise of Rights.

(a) No Other Restrictions. Except as expressly set forth in this Agreement, the First Lien Secured Agent, each First Lien Lender, the Second Lien Secured Agent and each Second Lien Lender shall have any and all rights and remedies it may have as a creditor under applicable law, including the right to the Exercise of Secured Creditor Remedies; *provided, however*, that the Exercise of Secured Creditor

Remedies with respect to the Collateral shall be subject to the Lien Priority and to the provisions of this Agreement, including Sections 2.3 and 4.1 hereof. Each First Lien Secured Agent may enforce the provisions of the First Lien Loan Documents to which it is a party and the Controlling Agent may Exercise Any Secured Creditor Remedies, all in such order and in such manner as each may determine in the exercise of its sole discretion, consistent with the terms of this Agreement and mandatory provisions of applicable law; *provided, however*, that the First Lien Secured Agent and the Second Lien Secured Agent agrees to provide to each other Agent copies of any notices that it is required, under applicable law or the applicable First Lien Loan Documents or Second Lien Loan Documents, as applicable, to deliver to the Company or any Guarantor; *provided, further, however*, that such First Lien Secured Agent's failure to provide any such copies to the Second Lien Secured Agent shall not impair any First Lien Secured Agent's rights hereunder or under any of the First Lien Loan Documents and Second Lien Secured Agent's failure to provide any such copies to the First Lien Secured Agent (but not the Enforcement Notice) shall not impair any of such Second Lien Secured Agent's rights hereunder or under any of the Second Lien Loan Documents. The First Lien Secured Agent, each First Lien Lender, each Second Lien Lender and the Second Lien Secured Agent agrees that it will not institute any suit or other proceeding or assert in any suit, Insolvency or Liquidation Proceeding or other proceeding any claim, in the case of the Second Lien Secured Agent and each other Second Lien Secured Party, against the First Lien Secured Agent, any other First Lien Secured Party, and in the case of the First Lien Secured Agent and each other First Lien Secured Party, against the Second Lien Secured Agent or any other Second Lien Secured Party, the First Lien Secured Agent and such other First Lien Lenders, seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to, any action taken or omitted to be taken by such Person with respect to the Collateral which is consistent with the terms of this Agreement, and none of such parties shall be liable for any such action taken or omitted to be taken.

(b) Release of Liens; Amendments to Loan Documents.

(i) If at any time any Collateral is transferred to any Person other than a Loan Party after an Event of Default, in connection with any enforcement by, or with the consent of, the First Lien Secured Agent in accordance with the provisions of this Agreement, the First Lien Loan Documents (as applicable) and the Second Lien Loan Documents (as applicable), then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the Second Lien Secured Agent for the benefit of the Second Lien Secured Parties upon such Collateral will automatically be released and discharged upon the Disposition thereof and, to the extent that such Collateral includes the equity interests of a Grantor, such Grantor will automatically be released and discharged as well; *provided* that any Proceeds of any Collateral realized therefrom shall be applied pursuant to Section 4.1 hereof.

(ii) Each Secured Party agrees that the Controlling Agent may enter into any amendment (and, upon request (and sole expense) of the Company, each Representative shall sign a consent to such amendment, as applicable) to any Security Document (including, without limitation, to release Liens securing any Series of Obligations) so long as such amendment is not prohibited by the terms of any Loan Document in effect on the date hereof, applies equally to each Series of Obligations and is not in contravention of this Agreement. Additionally, each Secured Party agrees that the Controlling Agent may enter into any amendment (and, upon request (and sole expense) of the Company, each Representative shall sign a consent to such amendment, as applicable) to any Security Document solely as such Security Document relates to a particular Series of Obligations (including, without limitation, to release Liens securing such Series of Obligations) so long as (x) such amendment is in accordance with the Security or Loan Document pursuant to which such Series of Obligations was incurred and (y) such amendment does not adversely affect the Secured Parties of any other Series of Obligations or their rights hereunder.

(iii) Each Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Controlling Agent to evidence and confirm any release of Collateral or Grantor, whether in connection with a sale of such assets by the relevant owner pursuant to the preceding clauses or otherwise, or amendment to any Security Document provided for in this Section.

(iv) The First Lien Loan Documents may not be amended without the consent of the Second Lien Secured Agent if such amendment would (A) contravene the provisions of this Agreement, (B) shorten the maturity or weighted average life to maturity of the outstanding obligations thereunder, (C)[reserved], (D) add or modify any restriction on payment or prepayment of the Second Lien Secured Obligations other than as set forth in this Agreement, (E) add any restriction on amendments, waivers or other modifications to the Second Lien Loan Documents other than as set forth in this Agreement or (F) provide for an increase in the all-in interest rate payable to the First Lien Lenders in an amount in excess of 2.00% (excluding any increase on account of imposition of the “default rate” in accordance with the terms of the First Lien Loan Documents).

(v) The Second Lien Loan Documents may not be amended without the consent of the First Lien Secured Agent if such amendment would (A) contravene the provisions of this Agreement, (B) shorten the maturity or weighted average life to maturity of the outstanding obligations thereunder, (C) provide for scheduled amortization payments with respect to the Second Lien Secured Obligations, (D) add or modify any restriction on payment or prepayment of the First Lien Secured Obligations other than as set forth in this Agreement, (E) add any restriction on amendments, waivers or other modifications to the First Lien Loan Documents other than as set forth in this Agreement or (F) provide for an increase in the all-in interest rate payable to the Second Lien Lenders in an amount in excess of 2.00% (excluding any increase on account of imposition of the “default rate” in accordance with the terms of the Second Lien Loan Documents).

Section 2.5. No New Liens.

(a) The parties hereto agree that, so long as the Discharge of First Lien Secured Obligations has not occurred, (i) none of the Grantors shall grant or permit any additional Liens on any asset or Property of any Grantor to secure any Obligation unless it has granted, or concurrently therewith grants, through documentation in form and substance satisfactory to the First Lien Secured Agent, a Lien on such asset or Property of such Grantor to secure the First Lien Secured Obligations, and (ii) none of the Grantors shall grant or permit any additional Liens on any asset or Property of any Grantor to secure any Second Lien Secured Obligation unless it has granted, or concurrently therewith grants, through documentation in form and substance satisfactory to the First Lien Secured Agent, a Lien on such asset or Property of such Grantor to secure the First Lien Secured Obligations; provided that this provision will not be violated if the First Lien Secured Agent is given a reasonable opportunity to accept a Lien on any asset or property and the First Lien Secured Agent states in writing that the First Lien Loan Documents in respect thereof prohibit the First Lien Secured Agent from accepting a Lien on such asset or property or the First Lien Secured Agent otherwise expressly declines in writing to accept a Lien on such asset or property (any such prohibited or declined Lien, a “**First Lien Declined Lien**”). So long as the Discharge of First Lien Secured Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any of the Grantors, the parties hereto agree that if any Secured Party shall acquire or hold any Lien on any assets of any Grantor securing any Obligation which assets are not also subject to the Lien of the First Lien Secured Agent under the applicable First Lien Loan Documents (other than a First Lien Declined Lien), then, without limiting any other rights and remedies available to the First Lien Secured Agent or the other First Lien Secured Parties, the applicable Agent for such parties, on behalf of itself and

its related Secured Parties, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens so granted shall be subject to Section 5.1(a).

(b) The parties hereto agree that, so long as the Discharge of Second Lien Secured Obligations has not occurred, (i) none of the Grantors shall grant or permit any additional Liens on any asset or Property of any Grantor to secure any Obligation unless it has granted, or concurrently therewith grants, through documentation in form and substance satisfactory to the Second Lien Secured Agent, a Lien on such asset or Property of such Grantor to secure the Second Lien Secured Obligations, and (ii) none of the Grantors shall grant or permit any additional Liens on any asset or Property of any Grantor to secure any First Lien Secured Obligation unless it has granted, or concurrently therewith grants, through documentation in form and substance satisfactory to the Second Lien Secured Agent, a Lien on such asset or Property of such Grantor to secure the Second Lien Secured Obligations; provided that this provision will not be violated if the Second Lien Secured Agent is given a reasonable opportunity to accept a Lien on any asset or property and the Second Lien Secured Agent states in writing that the Second Lien Loan Documents in respect thereof prohibit the Second Lien Secured Agent from accepting a Lien on such asset or property or the Second Lien Secured Agent otherwise expressly declines in writing to accept a Lien on such asset or property (any such prohibited or declined Lien, a “**Second Lien Declined Lien**”). So long as the Discharge of Second Lien Secured Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any of the Grantors, the parties hereto agree that if any Secured Party shall acquire or hold any Lien on any assets of any Grantor securing any Obligation which assets are not also subject to the Lien of the Second Lien Secured Agent under the applicable Second Lien Loan Documents (other than a Second Lien Declined Lien), then, without limiting any other rights and remedies available to the Second Lien Secured Agent or the other Second Lien Secured Parties, the applicable Agent for such parties, on behalf of itself and its related Secured Parties, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens so granted shall be subject to Section 5.1(b).

Section 2.6. Waiver of Marshalling. Until the Discharge of First Lien Secured Obligations (in the case of the Second Lien Secured Parties) or the Discharge of Second Lien Secured Obligations (in the case of the First Lien Secured Parties), as applicable, each Representative, on behalf of itself and the applicable Secured Parties, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Collateral or any other similar rights a secured creditor may have under applicable law.

ARTICLE 3 **PAYMENT SUBORDINATION**

Section 3.1. Agreement to Subordinate. The Borrower and each other Grantor covenants and agrees, and the Second Lien Representative, for itself and on behalf of the Second Lien Secured Parties, covenants and agrees, and each Second Lien Secured Party by accepting the Second Lien Indenture covenants and agrees that, anything in Second Lien Indenture to the contrary notwithstanding, the Second Lien Secured Obligations are subordinate and junior in right of payment, to the extent provided herein, to all First Lien Secured Obligations, whether outstanding on the date of execution of the Second Lien Indenture or thereafter created, incurred or assumed, and that the subordination is for the benefit of the First Lien Secured Parties.

Section 3.2. No Payment on Second Lien Secured Obligations in Certain Circumstances.

(a) No payment by the Borrower or any other Grantor with respect to the Second Lien Secured Obligations (whether such payment is a payment on account of principal (or premium, if any),

sinking funds or interest on the Second Lien Secured Obligations or otherwise) shall be made if either of the following occurs (each, a **“Payment Default”**):

- (i) the failure of any Grantor to pay, on a timely basis, any principal, interest, fees or other obligations under the First Lien Loan Documents including, without limitation, any default in payment of First Lien Secured Obligations after acceleration thereof; or
- (ii) any Default or Event of Default (as defined in the First Lien Credit Agreement) under any First Lien Loan Documents has occurred and the maturity of any First Lien Secured Obligations is accelerated in accordance with the applicable terms of the First Lien Loan Documents,

unless, in either case, the Payment Default has been cured or waived and any such acceleration has been rescinded or the Discharge of First Lien Secured Obligations has occurred; *provided, however*, that the Borrower may pay the Second Lien Secured Obligations without regard to the foregoing if (i) the Borrower and the Second Lien Representative receive written notice approving such payment from the First Lien Representative with respect to which a Payment Default has occurred and is continuing or (ii) such payment is made in kind or in equity interests of the Borrower. The Borrower shall promptly give notice to the Second Lien Representative of any occurrence of a Payment Default.

(b) The Borrower shall not pay the Second Lien Secured Obligations for a Payment Blockage Period (as defined below) during the continuance of any Default other than a Payment Default (a **“Non-Payment Default”**), with respect to any First Lien Secured Obligation that permits the First Lien Secured Parties in respect of such First Lien Secured Obligations to accelerate its maturity immediately without either further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods; *provided, however*, that the Borrower may pay the Second Lien Secured Obligations without regard to the foregoing if (i) the Borrower and the Second Lien Representative receive written notice approving such payment from the First Lien Representative with respect to which a Non-Payment Default has occurred and is continuing or (ii) such payment is made in kind or in equity interests of the Borrower (or any parent entity thereof).

(c) A **“Payment Blockage Period”** commences on the receipt by the Second Lien Representative (with a copy to the Borrower) of written notice (a **“Blockage Notice”**) of a Non-Payment Default from the First Lien Representative specifying an election to effect a Payment Blockage Period and ends 179 days after the date of receipt of such notice. The Payment Blockage Period will end earlier if such Payment Blockage Period is terminated:

- (i) by written notice to the Second Lien Representative and the Borrower from the Person or Persons who gave such Blockage Notice;
- (ii) because the Default giving rise to such Blockage Notice is cured, waived or otherwise no longer continuing; or
- (iii) because the Discharge of First Lien Secured Obligations has occurred.

(d) The Borrower may resume paying on the Second Lien Secured Obligations after the end of the Payment Blockage Period (including any missed payments), unless the First Lien Secured Parties or the First Lien Representative have accelerated the maturity of such First Lien Secured Obligations. The Second Lien Secured Obligations will not be subject to more than one Payment Blockage Period in any consecutive 360-day period, irrespective of the number of Defaults with respect to First Lien Secured Obligations during such period. In no event, however, may the total number of days during which

any Payment Blockage Period or Payment Blockage Periods is in effect exceed 179 days in the aggregate during any consecutive 360-day period, and there must be at least 181 days during any consecutive 360-day period during which no Payment Blockage Period is in effect. For purposes of this paragraph, no Default or Event of Default that existed or was continuing on the date of the commencement of any Payment Blockage Period with respect to the applicable First Lien Secured Obligations initiating such Payment Blockage Period shall be, or be made, the basis of the commencement of a subsequent Payment Blockage Period by the First Lien Representative, whether or not within a period of 360 consecutive days, unless such Default or Event of Default shall have been cured or waived for a period of not less than 90 consecutive days (it being acknowledged that any subsequent action, or any breach of any financial covenant during the period after the date of delivery of a Blockage Notice, that, in either case, would give rise to a Non-Payment Default pursuant to any provisions under which a Non-Payment Default previously existed or was continuing shall constitute a new Non-Payment Default for this purpose).

Section 3.3. Notices to Second Lien Representative. The Borrower shall give prompt written notice to the Second Lien Representative of any fact known to the Borrower which would prohibit the making of any payment to or by the Second Lien Representative in respect of the Second Lien Secured Obligations. Failure to give such notice shall not affect the subordination of the Second Lien Secured Obligations to the First Lien Secured Obligations. The Second Lien Representative shall be entitled to rely on the delivery to it of a written notice by a person representing himself or herself to be a First Lien Secured Party or the First Lien Representative to establish that such a notice has been given by a First Lien Secured Party or the First Lien Representative.

Section 3.4. Agreement of Grantors. Each Grantor, for itself, its successors and assigns, covenants and agrees, and the Second Lien Representative, for itself and on behalf of the Second Lien Secured Parties, covenants and agrees, and each Second Lien Secured Party by its acceptance thereof, likewise covenants and agrees, that the payment of any of the Second Lien Secured Obligations is hereby expressly subordinated, to the extent and in the manner hereinafter set forth, in right of payment to the prior Discharge of First Lien Secured Obligations, and the obligations of the Grantors under the First Lien Security Documents will in no way be diminished or otherwise affected by the provisions of this Agreement.

Section 3.5. Subordination Rights Not Impaired by Acts or Omissions of the Grantors or First Lien Secured Parties. No right of any present or future First Lien Secured Party to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act, in good faith, by any such First Lien Secured Party, or by any noncompliance by any Grantor with the terms, provisions and covenants of this Agreement or any First Lien Loan Document, regardless of any knowledge thereof which any such First Lien Secured Party may have or be otherwise charged with.

ARTICLE 4

ACTIONS OF THE PARTIES

Section 4.1. Certain Actions Permitted. Each First Lien Secured Agent and the Second Lien Secured Agent may make such demands or file such claims in respect of the First Lien Secured Obligations or the Second Lien Secured Obligations, as applicable, as are necessary to prevent the waiver or bar of such claims under applicable statutes of limitations or other statutes, court orders, or rules of procedure at any time. Nothing in this Agreement shall prohibit the receipt by the Second Lien Secured Agent or any Second Lien Lender of Permitted Second Lien Payments and other amounts owed in respect of the Second Lien Secured Obligations required pursuant to the terms of the Second Lien Indenture as in effect as of the date hereof so long as such receipt is not the direct or indirect result of the exercise by the Second Lien Secured Agent or any Second Lien Lender of rights or remedies as a creditor (including set-off with respect to

Collateral) or enforcement in contravention of this Agreement. Except as provided in Section 5.2, nothing in this Agreement shall prohibit the receipt by the First Lien Secured Agent or any First Lien Lender of the required payments of interest, principal and other amounts owed in respect of its First Lien Secured Obligations so long as such receipt is not the direct or indirect result of the exercise by the First Lien Secured Agent or a First Lien Lender of rights or remedies as a secured creditor (including set-off with respect to Collateral) or enforcement in contravention of this Agreement of any Lien held by any of them.

Section 4.2. Agents for Perfection.

(a) Appointment of Control Agent. Each of the Agents, on behalf of themselves and the respective Lenders under the applicable Credit Agreements, hereby appoint JPM as its control agent (in such capacity, together with any successor in such capacity appointed by the Agents, the “**Control Agent**”) for the limited purpose of acting as the agent on behalf of the Agents (on behalf of themselves and the applicable Lenders) for the purposes set forth herein. The Control Agent accepts such appointment and agrees to hold the Collateral in its possession or control (or in the possession or control of its agents or bailees) as Control Agent for the benefit of the Agents (on behalf of themselves and the applicable Lenders), and any permitted assignee of any thereof solely for the purpose of perfecting the security interest granted to such parties in such Collateral, subject to the terms and conditions of this Section 4.2. Each Agent hereby acknowledges that the Control Agent will obtain “control” under the UCC over each account that is part of the Collateral as contemplated by the Security Documents for the benefit of the Agents (on behalf of themselves and the applicable Lenders), pursuant to the control agreements relating to each such respective account.

(b) Indemnity of Control Agent. The Loan Parties hereby jointly and severally agree to pay, reimburse, indemnify and hold harmless the Control Agent and each Controlling Agent, in such capacity, to the same extent and on the same terms that the Loan Parties are required to do so for the Agent in accordance with the Credit Agreements. The Lenders hereby jointly and severally agree to pay, reimburse, indemnify and hold harmless each Control Agent and each Controlling Agent to the same extent and on the same terms that the Lenders are required to do so for the Agent in accordance with the applicable Credit Agreements to which they are party.

(c) Rights and Obligations of Control Agents. The provisions of Article [9.03] of the First Lien Credit Agreement and Article [] of the Second Lien Indenture, as applicable, shall inure to the benefit of the Control Agent and each Controlling Agent, in such capacity, in respect of this Agreement and the Security Documents and shall be binding upon all Loan Parties which are parties thereto, all Lenders and upon the parties hereto in such respect. In furtherance and not in derogation of the rights, privileges and immunities of the Control Agent and each Controlling Agent therein set forth:

(1) The Control Agent and the Controlling Agent is authorized to take all such actions as are provided to be taken by it as the Control Agent or Controlling Agent hereunder, under any First Lien Security Agreement, under any Second Lien Security Document or as instructed by the First Lien Secured Agent or the Second Lien Secured Agent as provided herein, in each case together with all other actions reasonably incidental thereto. As to any matters not expressly provided for herein (including, without limitation, the timing and methods of realization upon the Collateral) or in one or more of the First Lien Security Agreements or Second Lien Security Documents, the Control Agent or the Controlling Agent, as applicable, shall act or refrain from acting in accordance with written instructions from the applicable Agent (including the Control Agent acting at the written direction of the Controlling Agent), or, in the absence of such instructions or provisions, in accordance with its reasonable discretion.

(2) Neither the Control Agent nor the Controlling Agent shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of any Lien created under any First Lien Security Agreement or Second Lien Security Document in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder unless such action or omission constitutes gross negligence or willful misconduct. Neither the Control Agent nor the Controlling Agent shall have a duty to ascertain or inquire as to the performance or observance of any of the terms of this Agreement or any First Lien Security Agreement or Second Lien Security Document by any Loan Party. This Agreement shall not subject the Control Agent or the Controlling Agent to any obligation or liability except as expressly set forth herein. In particular, the Control Agent or the Controlling Agent shall not have any duty to investigate whether the Obligations of any Loan Party to the First Lien Secured Agent or the Second Lien Secured Agent or any First Lien Lender or Second Lien Lender are in default or whether the First Lien Secured Agent or the Second Lien Secured Agent is entitled under the First Lien Security Agreements or the Second Lien Security Documents, as applicable, or otherwise to give any instructions or notice of exclusive control. The Control Agent and Controlling Agent are fully entitled to rely upon such instructions as it believes in good faith to have originated from the First Lien Secured Agent or Second Lien Secured Agent.

(3) Except as set forth in clause (4) below, neither the Control Agent nor the Controlling Agent shall have any obligation whatsoever to the First Lien Secured Agent or the Second Lien Secured Agent or any First Lien Lender or Second Lien Lender, including, without limitation, any obligation to assure that the applicable Collateral is owned by any Loan Party or one of their respective Subsidiaries or to preserve rights or benefits of any Person except as expressly set forth in this Section 4.2.

(4) In acting on behalf of the First Lien Secured Agent and the First Lien Lenders and the Second Lien Secured Agent and the Second Lien Lenders, the duties or responsibilities of the Control Agent under this Section 4.2 shall be limited solely to:

(i) physically holding the applicable Collateral delivered to the Control Agent by any Loan Party as agent for the First Lien Secured Agent (on behalf of itself and the applicable First Lien Lenders) for purposes of perfecting the Lien held by the First Lien Secured Agent;

(ii) delivering the Collateral referred to in clause (i) above as set forth in Section 4.2(e);

(iii) to the extent applicable, entering into one or more control agreements in form and substance satisfactory to the First Lien Secured Agent with respect to Collateral consisting of deposit accounts, securities accounts, uncertificated securities or letter-of-credit rights and exercising the rights of the secured party thereunder in accordance with the instructions of, and on behalf of, the First Lien Secured Agent;

(iv) to the extent applicable, maintaining one or more Collateral Accounts as provided in (and as defined in) the First Lien Security Agreements; and

(v) delivering any notices received by it with respect to any item of Collateral in its possession or control to each of the applicable Agents.

(d) Limited Bailee for Perfection. The Control Agent agrees to hold any Collateral that may from time to time be in its possession or control (or in the possession or control of its agents or bailees) as bailee or as agent, as the case may be, for the benefit of each Representative (on behalf of the applicable

Lenders) solely for the purpose of perfecting the security interest granted to each Representative under the applicable Security Documents, subject to the terms and conditions of this Agreement. For the avoidance of doubt, solely for purposes of perfecting the Lien in favor of each Agent, the Control Agent agrees that it shall be the agent of each Representative with respect to any Collateral included in the Collateral that are controlled or held by the Control Agent. Except as set forth in this clause (e), the Control Agent shall have no obligation whatsoever to any Representative, Agent or any Lender including, without limitation, any obligation to assure that any Collateral is genuine or is owned by any Loan Party or one of their respective Subsidiaries or to preserve rights or benefits of any Person. In acting as agent or bailee on behalf of each Agent (on behalf of the applicable Lenders), the duties or responsibilities of the Control Agent under this Section 4.2(e) shall be limited solely to (x) physically holding (or causing its agent or bailee, as applicable, to hold) any Collateral that may from time to time be in its possession or control (or in the possession or control of its agents or bailees) as agent or bailee for each Agent (on behalf of the applicable Lenders) for purposes of perfecting the Lien held by such Agent and (y) delivering the Collateral referred to in subclause (4)(i) above as set forth in this Section 4.2(c).

(e) No Fiduciary Relationship. Neither First Lien Secured Agent or any other First Lien Secured Parties shall have by reason of the First Lien Loan Documents, the Second Lien Loan Documents, this Agreement or any other document, a fiduciary relationship in respect of any Second Lien Secured Agent or any other Second Lien Secured Party, and it is understood and agreed that the interests of the First Lien Secured Agent and the other First Lien Secured Parties, on the one hand, and the Second Lien Secured Agent and the other Second Lien Secured Parties, on the other hand, may differ and that the First Lien Secured Agent and the other First Lien Secured Parties shall be fully entitled to act in their own interest without taking into account the interests of the Second Lien Secured Agent or the other Second Lien Secured Parties.

(f) Delivery to Second Lien Secured Agent. Upon the Discharge of First Lien Secured Obligations, the Control Agent (or the Controlling Agent) shall deliver the applicable Collateral (other than any extended Collateral) pledged to the Second Lien Secured Parties held by it to the Second Lien Secured Agent together with any necessary endorsements (or otherwise allow the Second Lien Secured Agent to obtain control of such Collateral) without recourse or warranty, except in the event and to the extent (i) the First Lien Secured Agent, Control Agent or any other First Lien Secured Party has retained or otherwise acquired such Collateral in full or partial satisfaction of any of the First Lien Secured Obligations, (ii) such Collateral has been sold or otherwise Disposed of by the First Lien Secured Agent, Control Agent or any other First Lien Secured Party or by a Grantor not in violation of this Agreement or (iii) it is otherwise required by any order of any court or other Governmental Authority or applicable law or would result in the risk of liability of such First Lien Secured Party to any third party.

(g) Resignation of Control Agent. The Control Agent shall have the right to resign as Control Agent upon 30 days' notice to the First Lien Secured Agent and the Second Lien Secured Agent. Upon any such resignation by the Control Agent, the Controlling Agent shall have the right to appoint a successor Control Agent. If upon the effective date of such resignation no successor to such Control Agent has been appointed by the First Lien Secured Agent, the Control Agent shall deliver the Collateral held by it to the Controlling Agent, together with any necessary endorsements (or otherwise allow the Controlling Agent to obtain control of such Collateral), and the Controlling Agent shall accept and succeed to the role of the Control Agent as the agent for perfection on the Collateral.

Section 4.3. Insurance

(a) Unless and until the Discharge of First Lien Secured Obligations has occurred, the Second Lien Secured Agent, for itself and on behalf of the applicable Second Lien Lenders, agrees that during the continuance of an Event of Default, (i) the First Lien Secured Agent, the Control Agent and the

First Lien Lenders shall have the sole and exclusive right, as against the Second Lien Secured Agent, to adjust settlement of insurance claims in the event of any covered loss, theft or destruction of First Lien Collateral and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting such First Lien Collateral; (ii) all Proceeds of any such policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of such First Lien Collateral and to the extent required by the First Lien Loan Documents shall be applied in accordance with Section 5.1; and (iii) if any of the Second Lien Secured Agent, or any Second Lien Lender shall, at any time, receive any Proceeds of any such insurance policy or any such award or payment in contravention of this Agreement, it shall segregate and hold in trust and forthwith pay such Proceeds over to the Control Agent in accordance with the provisions of Section 5.1(c).

(b) Proceeds of Collateral include insurance Proceeds and, therefore, the Lien Priority and Payment Priority shall govern the ultimate Disposition of casualty insurance Proceeds and business interruption insurance Proceeds. To effectuate the foregoing, each Agent shall each receive separate loss payable endorsements naming themselves as loss payee and additional insured, as their interests may appear, with respect to policies which insure Collateral hereunder. The Control Agent (acting at the direction of the applicable Representative) shall have the right to adjust or settle any insurance policy or claim covering or constituting Collateral in the event of any loss thereunder and to approve any award granted in any condemnation, expropriation or similar proceeding affecting the Collateral. All Proceeds of such insurance shall be remitted to the applicable Agent or Control Agent, as the case may be, and each of the applicable Agents, and the Control Agent shall cooperate (if necessary) in a reasonable manner in effecting the payment of insurance proceeds in accordance with Section 5.1 hereof.

Section 4.4. No Additional Rights For the Loan Parties Hereunder. If any Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, the Loan Parties shall not be entitled to use such violation as a defense to any action by any Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any Secured Party.

ARTICLE 5

APPLICATION OF PROCEEDS

Section 5.1. Application of Proceeds.

(a) Solely to the extent that the applicable Obligations are then due and payable (whether by acceleration or otherwise), the Controlling Agent (or any other agent in possession thereof) will apply the Proceeds of any collection, sale, foreclosure or other realization upon, or any other Enforcement Action with respect to, any Collateral and the Proceeds thereof, including the Proceeds of any insurance policy required under any Security Document or otherwise covering the Collateral, any condemnation Proceeds with respect to the Collateral, and any other amounts required to be delivered to the Controlling Agent (or the Control Agent) by any Secured Party or Representative with respect to any Collateral pursuant to any other provision of this Agreement and for application in accordance with this Section 5.1(a), including any amounts received in connection with an Insolvency or Liquidation Proceeding or during any Standstill Period, in the following order of application:

(i) FIRST, to the payment of all fees, expenses, indemnities and any other amounts payable under this Agreement or any other Security Document to the Controlling Agent and the Control Agent, including, to the extent required to be paid or reimbursed under this Agreement or any other Security Document, any reasonable legal fees, costs and expenses or other liabilities of any kind incurred by the Controlling Agent, the Control Agent or any agent of the Controlling Agent or the Control Agent in connection with any Security Document and all amounts necessary to provide for the expenses of the Controlling Agent or the Control Agent in maintaining

and disposing of the Collateral (including, but not limited to, indemnification payments and reimbursements) and all amounts due and owing to any sub-agent of the Controlling Agent or the Control Agent pursuant to any collateral sub-agency agreement;

(ii) SECOND, to the payment in full of the First Lien Secured Obligations, including interest, fees, expenses, indemnity claims and other monetary obligations accrued during the pendency of an Insolvency or Liquidation Proceeding, whether or not constituting an allowed claim in such proceeding (the amounts so applied to be distributed in accordance with the relevant provisions of the First Lien Credit Agreement and any applicable *pari passu* intercreditor agreement with respect thereto);

(iii) THIRD, to the payment in full of the Second Lien Secured Obligations, including interest, fees, expenses, indemnity claims and other monetary obligations accrued during the pendency of an Insolvency or Liquidation Proceeding, whether or not constituting an allowed claim in such proceeding (the amounts so applied to be distributed in accordance with the relevant provisions of the Second Lien Indenture; and

(iv) FOURTH (x) in the case of Proceeds, as may be required by the First Lien Loan Documents and (y) in the case of other distributions, to such Person as shall be legally entitled to such other distributions, or as a court of competent jurisdiction may otherwise direct.

Notwithstanding the foregoing, if any Series of Obligations has released its Lien on any Collateral as described in the second sentence of Section 2.4(b)(ii), then such Series of Obligations and any related Senior Liens of that Series of Obligations thereafter shall not be entitled to share in the Proceeds of any Collateral so released by that Series of Obligations (other than Proceeds received concurrently with (and subject to) the release of such Senior Liens).

For the avoidance of doubt, the Controlling Agent shall only apply Proceeds in accordance with this Section 5.1 to the extent that such Proceeds are actually so received by the Controlling Agent; *provided* that the Agents and the Lenders agree to turn over to the Controlling Agent any Proceeds received by them that are required to be turned over to the Controlling Agent in accordance herewith. The Company acknowledges the priorities set forth in this Section 5.1 and agrees that it will not make any distributions to any Secured Party in contravention of this Section 5.1.

(b) Limited Obligation or Liability. In exercising remedies, whether as a secured creditor or otherwise, neither First Lien Secured Agent or the Controlling Agent shall have any obligation or liability to the Second Lien Secured Agent or to any Second Lien Lender (nor will the Controlling Agent have any obligation or liability to any other First Lien Secured Party) regarding the adequacy of any Proceeds or for any action or omission, save and except solely for an action or omission that breaches the express obligations undertaken by each party under the terms of this Agreement.

(c) Turnover Prior to Discharge. If at any time prior to the date upon which the Discharge of First Lien Secured Obligations shall have occurred, any Agent or Lender receives any payment or distribution of any kind or character (other than Permitted Second Lien Payments) at any time when such payment was not permitted pursuant to the terms of this Agreement, whether in cash, Property or securities, from or of any assets of any Loan Party (or any Loan Party's Subsidiaries), including on account of adequate protection payments, such Agent or Lender shall be deemed to receive and hold the same in trust as trustee for the benefit of the Controlling Agent and shall forthwith deliver such payment, distribution, or proceeds to the Controlling Agent in precisely the form received (except for any endorsement or assignment where necessary), for application in accordance with this Section 5.1 to any of the Obligations. In the event

of the failure of any Agent or Lender to make any such endorsement or assignment to the Controlling Agent within 5 Business Days after receipt of written request therefor from the Controlling Agent, such Controlling Agent and any of its officers or agents are hereby irrevocably authorized to make such endorsement or assignment and are hereby irrevocably appointed as the lawful attorney in fact of such Party solely for the purpose of enabling such Controlling Agent to make such endorsement or assignment.

Section 5.2. Specific Performance. Each of the Agents are hereby authorized to demand specific performance of this Agreement, whether or not any Borrower or any Guarantor shall have complied with any of the provisions of any of the Loan Documents, at any time when the other party shall have failed to comply with any of the provisions of this Agreement applicable to it. Each of the parties and their Representatives, for and on behalf of itself and the applicable Secured Parties, hereby irrevocably waives any defense based on the adequacy of a remedy at law that might be asserted as a bar to such remedy of specific performance

ARTICLE 6

INTERCREDITOR ACKNOWLEDGMENTS AND WAIVERS

Section 6.1. Acknowledgment of Liens and Payment Priorities. Each Loan Party acknowledges and agrees to all Lien Priorities and Payment Priorities as set forth herein.

Section 6.2. Reinstatement and Continuation of Agreement.

(a) If any First Lien Lender or First Lien Secured Agent is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of any Borrower, any Guarantor, or any other Person any payment made in satisfaction of all or any portion of the First Lien Secured Obligations (a “**Senior Recovery**”), then the First Lien Secured Obligations shall be reinstated to the extent of such Senior Recovery. If this Agreement shall have been terminated prior to such Senior Recovery, this Agreement shall be reinstated in full force and effect in the event of such Senior Recovery, and such prior termination shall not diminish, release, discharge, impair, or otherwise affect the Obligations of the parties from such date of reinstatement. All rights, interests, agreements, and obligations of the First Lien Secured Agent, the Second Lien Secured Agent, the First Lien Lenders, and the Second Lien Lenders under this Agreement shall remain in full force and effect and shall continue irrespective of the commencement of, or any discharge, confirmation, conversion, or dismissal of, any Insolvency or Liquidation Proceeding by or against any Borrower or any Guarantor or any other circumstance which otherwise might constitute a defense available to, or a discharge of any Borrower or any Guarantor in respect of the First Lien Secured Obligations or the Second Lien Secured Obligations. No priority or right of the First Lien Secured Agent or any First Lien Lender shall at any time be prejudiced or impaired in any way by any act or failure to act on the part of any Borrower or any Guarantor or by the noncompliance by any Person with the terms, provisions, or covenants of any of the First Lien Loan Documents, regardless of any knowledge thereof which the First Lien Secured Agent or any First Lien Lender may have.

Section 6.3. Purchase Option. Without prejudice to the enforcement of the First Lien Secured Parties’ remedies, the First Lien Secured Parties agree that following any of the following: (a) the delivery of a written notice to the Second Lien Secured Agent from the First Lien Representative that the First Lien Secured Parties have accelerated any of the First Lien Secured Obligations, (b) the delivery of written notice to the Second Lien Secured Agent from the First Lien Representative that a Default under the First Lien Loan Documents has occurred and is continuing and the Required First Lien Debtholders wish to commence an Enforcement Action or (c) the commencement of an Insolvency or Liquidation Proceeding (each, a “**Purchase Event**”), then, within forty-five (45) days of the Purchase Event (or such later date as the First Lien Representative may agree), one or more of the holders of the Second Lien Secured Obligations or any of their designated Affiliates (the “**Purchasers**”) may, by written notice to the First Lien Representative,

offer to purchase all, but not less than all, of the aggregate amount of First Lien Secured Obligations (including unfunded commitments under any First Lien Loan Document) at par, *plus* (i) any premium that would be applicable upon prepayment of the First Lien Secured Obligations and accrued and unpaid interest (including all interest accrued thereon after the commencement of any Insolvency or Liquidation Proceeding at the applicable post-default rate) and all unpaid fees and expenses (including breakage costs) then due and payable and (ii) if applicable, cash collateral to be furnished to the First Lien Secured Parties providing Letters of Credit under the First Lien Loan Documents in such outstanding face amounts plus fees thereon (in an amount equal to 105% thereof or such other amount as such First Lien Secured Party determines is reasonably necessary to secure such First Lien Secured Party in connection with any such outstanding and undrawn letters of credit). Promptly following the receipt of such notice, each First Lien Representative will deliver to each Second Lien Representative a statement of the amount of the First Lien Secured Obligations provided by the First Lien Secured Parties represented by each such First Lien Representative, if any, then outstanding and the amount of the cash collateral requested by any such First Lien Representative to be delivered pursuant to the applicable First Lien Loan Documents. If such right is exercised, the First Lien Secured Parties and the Second Payment Priority Secured Parties shall endeavor to close promptly thereafter but in any event within fifteen (15) Business Days of the request. If one or more of the Second Lien Secured Parties exercise such purchase right, it shall be exercised pursuant to documentation reasonably acceptable to each of the First Lien Representatives and the purchasing Second Lien Secured Parties. If none of the Second Lien Secured Parties timely exercises such right the Second Lien Secured Parties shall have no further rights or obligations pursuant to this Section 5.4 for such Purchase Event and the First Lien Secured Parties may take any further actions in their sole discretion in accordance with the First Lien Loan Documents and this Agreement. Each First Lien Secured Party will retain all rights to indemnification provided in the relevant First Lien Loan Documents for all claims and other amounts relating to the period prior to the purchase of the First Lien Secured Obligations pursuant to this Section 5.4.

ARTICLE 7

INSOLVENCY PROCEEDINGS

Section 7.1. Insolvency Matters.

(a) The Controlling Agent (on behalf of the First Lien Secured Parties), each First Lien Representative, for itself and on behalf of the First Lien Secured Parties, the Second Lien Secured Agent (on behalf of the Second Lien Secured Parties), each Second Lien Representative for itself and on behalf of the Second Lien Secured Parties, and the Company (on behalf of itself and the other Loan Parties) each acknowledges and agrees that because of, among other things, their differing rights to payment of the Proceeds of the Collateral, among other things as set forth in this Agreement, each series of Obligations is fundamentally different from each other Series of Obligations, are not substantially similar to any other Series of Obligations within the meaning of Bankruptcy Code Section 1122(a), and must be separately classified from each other Series of Obligations in any Plan proposed, confirmed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of more than one Series of Obligations constitute only one secured claim or are properly classified in one class (rather than separate claims or classes of secured claims), then each of the Secured Parties hereby acknowledges and agrees that all distributions shall be made in accordance with Section 5.1 of this Agreement and the First Lien Secured Parties shall be entitled to receive, in addition to amounts distributed to them from, or in respect of, the Collateral in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees, costs, expenses, premiums, and other charges, irrespective of whether a claim for such amounts is allowed or allowable in such Insolvency or Liquidation Proceeding, as if the First Lien Secured Agent had a senior Lien on the Collateral for all purposes hereunder before any distribution from, or in respect of, any Collateral is made in respect of the claims held by such Secured Parties, with all

Secured Parties) and the applicable Secured Parties acknowledging and agreeing to turn over to the First Lien Secured Agent amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this Section 7.1 and this Agreement, even if such turnover has the effect of reducing the claim or recovery of certain Secured Parties.

(b) None of the Representatives or any other Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) shall propose, vote in favor of, or otherwise directly or indirectly support any Plan that is inconsistent with the priorities or other provisions of this Agreement (including but not limited to Section 5.1), unless (i) as to the First Lien Secured Parties, such plan otherwise provides for the repayment in full in cash of the First Lien Secured Obligations on the effective date thereof, (ii) such a plan classifies the claims held by the Second Lien Secured Parties separately from the claims held by the First Lien Secured Parties and such plan provides for treatment that, taking into account the turnover obligations under Section 7.1(a), would provide for the Discharge of First Lien Secured Obligations on the effective date of such plan (or as soon thereafter as is reasonably practicable under the circumstances), or (iii) such Plan is supported by the holders of two-thirds of the aggregate amount of the outstanding First Lien Secured Obligations. Furthermore, none of any Representative or any other Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) shall object to or contest (or support any other party in objection or contesting) a Plan or other dispositive restructuring plan on the grounds that each Series of Obligations are classified separately.

(c) The parties hereto acknowledge that this Agreement is a “subordination agreement” under Section 510(a) of the Bankruptcy Code and shall continue in full force and effect, notwithstanding the commencement of any Insolvency or Liquidation Proceeding by or against the Company or any subsidiary of the Company. All references in this Agreement to the Company or any subsidiary of the Company or any other Grantor will include such Person or Persons as a debtor-in-possession and any receiver or trustee for such Person or Persons in an Insolvency or Liquidation Proceeding.

(d) Until the Discharge of First Lien Secured Obligations, if an Insolvency or Liquidation Proceeding has commenced, Second Lien Secured Agent, as holder of a Lien on the Collateral, will not contest, protest, or object to, and each Second Lien Secured Party will be deemed to have consented to:

(i) any use, sale, or lease of “cash collateral” (as defined in section 363(a) of the Bankruptcy Code), and

(ii) the Borrower or any other Grantor obtaining DIP Financing;

provided that the First Lien Representative consents in writing to such use, sale, or lease, or DIP Financing;

provided further that (A) the Second Lien Secured Agent retains its Lien on the Collateral to secure the Second Lien Secured Obligations (in each case, including Proceeds thereof arising after the commencement of the case under any Debtor Relief Laws) and such Lien has the same priority as existed prior to the commencement of the case under the subject Debtor Relief Laws, (B) any Second Lien Secured Party may seek adequate protection as permitted by Section 7.1(h), (C) the proposed DIP Financing does not compel any Loan Party to seek confirmation of a specific plan of reorganization for which all or substantially all of the material terms are set forth in the DIP Financing documentation, (D) the DIP Financing is otherwise not in contravention of the terms of this Agreement, (E) if the First Lien Secured Agent receives a replacement or adequate protection Lien on post-petition assets of the debtor to secure the First Lien Secured Obligations, the Second

Lien Secured Agent also receives a replacement or adequate protection Lien on such post-petition assets of the Loan Parties to secure the Second Lien Secured Obligations which is junior to the Liens of the First Lien Secured Agent on such post-petition assets and, in each case, if any of the above is not provided or granted, Second Lien Secured Agent may object under this Section 7.1 on such basis. Notwithstanding anything to the contrary contained herein, the foregoing provisions of this Section 7.1 shall not prevent the Second Lien Secured Agent and the other Second Lien Secured Parties from objecting to any provision in any DIP Financing or use, sale or lease of cash collateral relating to any provision or content of a plan of reorganization or other plan of similar effect under any Debtor Relief Laws which contravene the terms of this Agreement.

(e) Upon written request from the Controlling Agent, the Second Lien Secured Agent, as holder of a Lien on the Collateral, will join any objection by Controlling Agent to the use, sale, or lease of cash collateral for any purpose other than adequate protection payments to Second Lien Secured Parties.

(f) Each Representative, for itself and on behalf of each Secured Party, agrees that it will not object to, oppose or contest (or join with or support any third party objecting to, opposing or contesting) a sale or other Disposition of any Collateral (or any portion thereof) (or any bid or sale procedures for such sale or other Disposition of any Collateral) proposed to be consummated pursuant to Section 363 of the Bankruptcy Code or any other provision of the Bankruptcy Code, if the Controlling Agent shall have consented to such bid or sale procedures and/or to such sale or Disposition.

(g) Each Representative, for itself and on behalf of each other Secured Party, waives any claim that may be had against the Controlling Agent or any other Secured Party arising out of any DIP Financing Liens or administrative expense priority under Section 364 of the Bankruptcy Code (in each case that is granted in a manner that is consistent with this Agreement).

(h) Each Representative, for itself and on behalf of each other Secured Party, agrees that (A) no Representative nor any other Secured Party will object to, oppose or contest (or join with or support any third party objecting to, opposing or contesting) (i) any request by any First Lien Representative or any other First Lien Secured Party for adequate protection, including for payment of post-petition interest, or (ii) any objection by any First Lien Representative or any other First Lien Secured Party to any motion, relief, action or proceeding based on any First Lien Representative, or other First Lien Secured Party, as applicable, claiming a lack of adequate protection; and (B) no Secured Party (other than First Lien Secured Parties) will seek relief granting adequate protection, except in the case of liens or claims granted as adequate protection only to the extent such protection is subordinate to, and subordinate to matching adequate protection in favor of, the claims of the First Lien Secured Parties. Without limiting the generality of the foregoing, in any Insolvency Proceeding, (1) if the First Lien Secured Parties (or any subset thereof) are granted adequate protection in the form of additional collateral in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then the Second Lien Representative, for itself and on behalf of each Second Lien Secured Party, may seek or request adequate protection in the form of a replacement Lien on such additional collateral, which Lien is subordinated to the Liens securing all First Lien Secured Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing the Second Lien Secured Obligations are so subordinated to the Liens securing First Lien Secured Obligations under this Agreement, (ii) in the event any Second Lien Representative, for itself and on behalf of the Second Lien Secured Parties, seeks or requests adequate protection in the form of additional or replacement collateral and such adequate protection is granted (in each instance, to the extent such grant is otherwise permissible under the terms and conditions of this Agreement), then each Second Lien Representative, for itself and on behalf of each applicable Second Lien Secured Party, agrees that the First Lien Representative shall also be granted a Senior Lien on such additional or replacement collateral as security for the First Lien Secured Obligations and any such DIP Financing and that any Lien on such additional or replacement

collateral securing the Second Lien Secured Obligations shall be subordinated to the Liens on such collateral securing the First Lien Secured Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens granted to the First Lien Secured Parties as adequate protection on the same basis as the other Liens securing the Second Lien Secured Obligations are so subordinated to such Liens securing First Lien Secured Obligations under this Agreement (and, to the extent the First Lien Secured Parties are not granted such adequate protection in such form, any amounts recovered by or distributed to any Second Lien Secured Party pursuant to or as a result of any Lien on such additional or replacement collateral so granted to the Second Lien Secured Parties shall be subject to this Agreement), and (iii) in the event the First Lien Representative, for itself and on behalf of the applicable First Lien Secured Parties, seeks or requests adequate protection in the form of a superpriority claim, and such adequate protection is granted, then the Second Lien Representative, for itself and on behalf of each applicable Second Lien Secured Party, may request adequate protection in the form of a superpriority claim, which superpriority claim shall be junior to the superpriority claim of the First Lien Secured Parties and any payment in respect thereof shall be deemed to be proceeds of Collateral. Except to the extent expressly set forth in this Section 7.1, none of the Second Lien Representative nor other Second Lien Secured Parties may seek or shall be entitled to request or receive adequate protection without the prior written consent of the First Lien Representative unless such adequate protection is provided to the First Lien Secured Parties; provided, however, none of the Second Lien Representative or other Second Lien Secured Parties may seek or shall be entitled to request or receive adequate protection in the form of any cash payments without the prior written consent of the First Lien Representative. The Second Lien Representative agrees, pursuant to section 1129(a)(9) of the Bankruptcy Code, that such junior superpriority claims (including any claim arising under section 507(b) of the Bankruptcy Code) may be paid under any plan of reorganization in any combination of cash, debt, equity or other property having a value on the effective date of such plan equal to the allowed amount of such claims.

(i) Each Representative, for itself and on behalf of each other Secured Party, agrees that neither such Representative nor any other Secured Party shall seek relief (or support any other party seeking relief), pursuant to Section 362(d) of the Bankruptcy Code or otherwise, from the automatic stay of Section 362(a) of the Bankruptcy Code or from any other stay in any Insolvency or Liquidation Proceeding in respect of the Collateral without the prior written consent of the Controlling Agent.

(j) Each Representative, for itself and on behalf of each other Secured Party, agrees that neither such Representative nor any other Secured Party shall oppose or seek to challenge any claim by any Representative or any other Secured Party for allowance or payment in any Insolvency or Liquidation Proceeding of First Lien Secured Obligations consisting of post-petition interest or cash collateralization of all letters of credit in accordance with the priorities set forth in Section 5.1 hereof (and only to the extent of the value of the Liens securing the First Lien Secured Obligations in accordance with such priorities; it being understood that such value will be determined without regard to the existence of the Second Lien Secured Obligations).

(k) Without the express written consent of the First Lien Representative, in any Insolvency or Liquidation Proceeding involving any Grantor, none of the Second Lien Representatives or any other Second Lien Secured Parties shall oppose, object to or contest (or shall join with or support any third party in opposing, objecting to or contesting, as the case may be) (i) the determination of the extent of any Liens held by any First Lien Secured Party or the value of any claims of any such holder under Section 506(a) of the Bankruptcy Code or (ii) the payment to any First Lien Secured Party of interest, fees or expenses under Section 506(b) of the Bankruptcy Code.

(l) Notwithstanding anything to the contrary contained herein, if in any Insolvency or Liquidation Proceeding a determination is made that any Lien encumbering any Collateral is not enforceable for any reason, then each Representative for themselves and on behalf of their respective

Secured Parties agrees that, any distribution or recovery they may receive in respect of any Collateral (including assets that would constitute Collateral but for such determination) shall be segregated and held in trust and forthwith paid over to the Controlling Agent in the same form as received without recourse, representation or warranty (other than a representation of such Representative that it has not otherwise sold, assigned, transferred or pledged any right, title or interest in and to such distribution or recovery) but with any necessary endorsements or as a court of competent jurisdiction may otherwise direct in order to comply with Section 5.1.

(m) Each Representative, for itself and on behalf of each other Secured Party, hereby agrees that the Controlling Agent shall have the right to credit bid the applicable First Lien Secured Obligations and further that (subject to such credit bid providing for the Discharge of First Lien Secured Obligations immediately after giving effect to such credit bid) none of the Representatives or any other Secured Party shall oppose, object to or contest (or shall join with or support any third party in opposing, objecting to or contesting, as the case may be) such credit bid by the Controlling Agent. Each Representative, for itself and on behalf of the other Secured Parties, hereby agrees that the Second Lien Secured Parties may credit bid, or instruct the applicable Second Lien Representative to credit bid the Second Lien Secured Obligations in accordance with Sections 363(k) or 1129 of the Bankruptcy Code or any other applicable law, and further that none of the First Lien Representative or any other First Lien Secured Party shall oppose, object to or contest (or shall join with or support any third party in opposing, objecting to or contesting, as the case may be) such credit bid, in each case only if such bid includes a cash payment sufficient to provide for the Discharge of First Lien Secured Obligations and the Discharge of First Lien Secured Obligations occurs immediately after giving effect to such credit bid.

(n) Prior to the Discharge of First Lien Secured Obligations, without the consent of the First Lien Representative in its sole discretion, each Second Lien Representative, for itself and on behalf of each other Second Lien Secured Party agrees neither such Second Lien Representative nor any Second Lien Secured Party shall commence or join with any parties to commence an involuntary bankruptcy petition for the Company or any of its subsidiaries, or support entry of an order for relief in any involuntary bankruptcy proceedings against the Company or any of its subsidiaries, or seek the appointment of an examiner or a trustee for the Company or any of its subsidiaries.

(o) Each Representative, for itself and on behalf of each other Secured Party waives any right to assert or enforce any claim under Section 506(c) or 552 of the Bankruptcy Code as against any First Lien Secured Party or any of the Collateral unless determined otherwise by the Controlling Agent. The Second Lien Representative on behalf of the Second Lien Secured Parties waives: (a) any claim they may now or hereafter have arising out of the First Lien Secured Agent's election in any Proceeding of the application of section 1111(b)(2) of the Bankruptcy Code, out of any cash collateral or financing arrangement or out of any grant of security interest in the Collateral in any Proceeding; and (b) the right to, and agrees that it shall not, make an election to apply section 1111(b)(2) of the Bankruptcy Code in respect of its interest in the Collateral without the consent of the First Lien Secured Agent.

Section 7.2. Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of any reorganized Borrower or Guarantor, whether or not secured by Liens upon any property of such reorganized Borrower or Guarantor, are distributed, pursuant to a Plan, on account of more than one Series of Obligations, then the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such Plan.

Section 7.3. Applicability of Other Bankruptcy Laws. In the event that an Insolvency or Liquidation Proceeding is filed in a jurisdiction other than the United States or is governed by any Debtor Relief Laws other than the Bankruptcy Code, each reference in this Agreement to a section of the Bankruptcy Code shall be deemed to refer to the substantially similar or corresponding provision of the

Debtor Relief Laws applicable to such Insolvency or Liquidation Proceeding, or, in the absence of any specific similar or corresponding provision of such Debtor Relief Laws, such other general Debtor Relief Law as may be applied in order to achieve substantially the same result as would be achieved under each applicable section of the Bankruptcy Code.

Section 7.4. First Lien Secured Obligations Unconditional. All rights of the First Lien Secured Agent hereunder, and all agreements and obligations of the Second Lien Secured Agent and the Loan Parties (to the extent applicable) hereunder, shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any First Lien Loan Document or other Loan Document;

(b) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the First Lien Secured Obligations or the Second Lien Secured Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any First Lien Loan Document or Loan Document;

(c) any exchange, release, voiding, avoidance or non-perfection of any security interest in any Collateral or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding, restatement or increase of all or any portion of the First Lien Secured Obligations, the Second Lien Secured Obligations or any guarantee or guaranty thereof; or

(d) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Loan Party in respect of the First Lien Secured Obligations, the Second Lien Secured Obligations or of either Agent or any Loan Party, to the extent applicable, in respect of this Agreement.

ARTICLE 8 **MISCELLANEOUS**

Section 8.1. Rights of Subrogation. The Second Lien Secured Agent, on behalf of itself and the Second Lien Secured Parties, agrees that no payment to the First Lien Secured Agent or any First Lien Lender in accordance with or pursuant to the provisions of this Agreement shall entitle such Second Lien Secured Agent or any Second Lien Secured Party to exercise any rights of subrogation in respect thereof until the Discharge of First Lien Secured Obligations shall have occurred. Following the Discharge of First Lien Secured Obligations, the Controlling Agent agrees to execute such documents, agreements, and instruments as the Second Lien Secured Agent or any Second Lien Secured Party may reasonably request to evidence the transfer by subrogation to any such Person of an interest in the First Lien Secured Obligations resulting from payments to the First Lien Secured Agent by such Person, so long as all costs and expenses (including all reasonable legal fees and disbursements) incurred in connection therewith by the First Lien Secured Agent or the First Lien Lender are paid by such Person upon request for payment thereof.

Section 8.2. Further Assurances. The Parties will, at their own expense and at any time and from time to time, promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that either party may reasonably request, in order to protect any right or interest granted or purported to be granted hereby or to enable any party to exercise and enforce its rights and remedies hereunder; *provided, however*, that no party shall be required to pay over any payment or distribution, execute any instruments or documents, or take any other action referred to in this Section 8.2, to the extent that such action would contravene any law, order or other legal requirement or any of the terms or provisions of this Agreement, and in the event of a controversy or dispute, such party

may interplead any payment or distribution in any court of competent jurisdiction, without further responsibility in respect of such payment or distribution under this Section 8.2.

Section 8.3. Representations. The Second Lien Secured Agent, on behalf of itself and the Second Lien Secured Parties, represents and warrants that it has the requisite power and authority under the relevant Loan Documents to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and the Second Lien Lenders and that this Agreement shall be binding obligations of such Agent and the applicable Lenders in accordance with its terms. Each First Lien Secured Agent and the Collateral Agent represents and warrants that it has the requisite power and authority under the First Lien Loan Documents to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and the First Lien Lenders and that this Agreement shall be binding obligations of the First Lien Secured Agent, the Collateral Agent and the First Lien Lenders, enforceable against the First Lien Secured Agent, the Collateral Agent and the First Lien Lenders in accordance with its terms.

Section 8.4. Amendments. No amendment or waiver of any provision of this Agreement nor consent to any departure by any party hereto shall be effective unless it is in a written agreement executed by each Loan Party, the First Lien Secured Agent, the Second Lien Secured Agent and such waiver or consent shall be effective only in the specific instance and for the specific purpose set forth therein.

Section 8.5. Addresses for Notices. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telecopied, electronically submitted or sent by overnight express courier service or United States mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a telecopy or electronic transmission or five (5) days after deposit in the United States mail (certified, with postage prepaid and properly addressed). For the purpose hereof, the addresses of the parties hereto (until notice of a change thereof is delivered as provided in this Section) shall be as set forth below or, as to each party, at such other address as may be designated by such party in a written notice to each of the parties.

Section 8.6. No Waiver, Remedies. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 8.7. Continuing Agreement, Transfer of Secured Obligations. This Agreement is a continuing agreement and shall (a) remain in full force and effect until the Discharge of First Lien Secured Obligations (subject to the reinstatement provisions herein) shall have occurred, (b) be binding upon the parties and their successors and assigns, and (c) inure to the benefit of and be enforceable by the parties and their respective successors, transferees and assigns. Nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or in respect of this Agreement or any Collateral. All references to any Loan Party shall include any Loan Party as debtor-in-possession and any receiver or trustee for such Loan Party in any Insolvency or Liquidation Proceeding. Without limiting the generality of the foregoing clause (c), each Agent hereunder or any Lender may assign or otherwise transfer all or any portion of the First Lien Secured Obligations or the Second Lien Secured Obligations, as applicable, to any other Person (other than any Borrower, any Guarantor and any Subsidiary of any Borrower or any Guarantor) in accordance with the applicable Credit Agreements, and such other Person shall thereupon become vested with all the rights and obligations in respect thereof granted to the applicable Agents and/or Lenders, as the case may be, herein or otherwise. Each of the Secured Parties may continue, at any time and without notice to the other parties hereto, to extend credit and other financial accommodations, lend monies and provide Indebtedness to, or for the benefit of, any Loan Party on the faith hereof.

Section 8.8. Governing Law; Entire Agreement. This Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York; *provided* that all of the parties hereto shall retain all rights arising under federal law. This Agreement constitutes the entire agreement and understanding among the parties hereto with respect to the subject matter hereof and supersedes any prior agreements, written or oral, with respect thereto.

Section 8.9. Counterparts, Electronic Signatures. This Agreement may be executed in any number of counterparts (including by facsimile), each of which when so executed and delivered will be deemed an original, but all such counterparts together will constitute but one and the same instrument. The parties hereto may sign this Agreement and any collateral agency joinder and transmit the executed copy by electronic means, including facsimile or noneditable *.pdf files. The electronic copy of the executed Agreement and any collateral agency joinder is and shall be deemed an original signature. The words “delivery,” “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 8.10. No Third Party Beneficiaries. This Agreement is solely for the benefit of each of the First Lien Secured Agent, Control Agent, First Lien Lenders, the Second Lien Secured Agent and the Second Lien Lenders. No other Person (including the Company, any Guarantor or any Affiliate of the Company or any Guarantor, or any Subsidiary of the Company or any Guarantor) shall be deemed to be a third party beneficiary of this Agreement. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights, obligations and priorities as among the Secured Parties and the Series of Obligations covered hereby. None of the Company, any other Grantor or any other creditor thereof shall have any rights hereunder including, without limitation, with respect to designation of any class or classes of Obligations hereunder. Nothing in this Agreement is intended to or shall impair the obligations of the Company or any other Grantor, which are absolute and unconditional, to pay the Obligations as and when the same shall become due and payable in accordance with their terms. Nothing in this Agreement

shall relieve the Company or any Grantor from the performance of any term, covenant, condition or agreement on the Company's or such Grantor's part to be performed or observed under or in respect of any of the Collateral pledged by it or from any liability to any Person under or in respect of any of such Collateral or impose any obligation on any Agent to perform or observe any such term, covenant, condition or agreement on the Company's or such Grantor's part to be so performed or observed or impose any liability on any Agent for any act or omission on the part of the Company's or such Grantor relative thereto or for any breach of any representation or warranty on the part of the Company or such Grantor contained in this Agreement or any Loan Document, or in respect of the Collateral pledged by it.

Section 8.11. Headings. The headings of the articles and sections of this Agreement are inserted for convenience only and shall not be construed to affect the meaning or construction of any of the provisions hereof.

Section 8.12. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable in any jurisdiction, (a) the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby in such jurisdiction and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 8.13. Attorneys Fees. The parties hereto agree that if any dispute, arbitration, litigation, or other proceeding is brought with respect to the enforcement of this Agreement or any provision hereof, the prevailing party in such dispute, arbitration, litigation, or other proceeding shall be entitled to recover from the losing party its reasonable attorneys' fees and all other costs and expenses incurred in the enforcement of this Agreement, irrespective of whether suit is brought; *provided* that the foregoing shall not relieve the Loan Parties of their obligations under any of the Loan Documents.

Section 8.14. VENUE; JURY TRIAL WAIVER.

(a) EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN (OR, AT THE ELECTION OF THE CONTROLLING AGENT, OF ANY BANKRUPTCY COURT PRESIDING OVER A BANKRUPTCY OF THE COMPANY), OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN (OR, AS APPLICABLE, ANY BANKRUPTCY APPELLATE PANEL OR UNITED STATES DISTRICT COURT IN THE APPLICABLE DISTRICT WHERE SUCH BANKRUPTCY COURT RESIDES), AND ANY APPELLATE COURT THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY

SECURITY DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT. EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN THIS SECTION 8.14(a). EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(b) EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH OF THE PARTIES HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 8.15. Termination of this Agreement. Subject to Section 6.2, this Agreement shall automatically terminate upon the Discharge of First Lien Secured Obligations.

Section 8.16. No Warranties or Liability. Each Agent acknowledges and agrees that each other Agent has not made any representation or warranty with respect to the execution, validity, legality, completeness, collectability or enforceability of the Loan Documents. Except as otherwise provided in this Agreement, each Agent will be entitled to manage and supervise their respective extensions of credit to any Loan Party in accordance with law and their usual practices, modified from time to time as they deem appropriate.

Section 8.17. Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any Loan Documents, the provisions of this Agreement shall govern.

Section 8.18. Information Concerning Financial Condition of the Loan Parties. Each Agent hereby assumes responsibility for keeping itself informed of the financial condition of the Loan Parties and all other circumstances bearing upon the risk of nonpayment of the First Lien Secured Obligations or the Second Lien Secured Obligations. Each hereby agrees that no party shall have any duty to advise any other party of information known to it regarding such condition or any such circumstances. In the event any First Lien Secured Agent, the Second Lien Secured Agent or the Collateral Agent, such Person, in its sole discretion, undertakes at any time or from time to time to provide any information to any other party to this Agreement, (a) it shall be under no obligation (i) to provide any such information to such other party or any other party on any subsequent occasion, (ii) to undertake any investigation not a part of its regular business routine, or (iii) to disclose any other information, (b) it makes no representation as to the accuracy or completeness of any such information and shall not be liable for any information contained therein, and (c) the party receiving such information hereby agrees to hold the other party harmless from any action the receiving party may take or conclusion the receiving party may reach or draw from any such information, as well as from and against any and all losses, claims, damages, liabilities, and expenses to which such receiving party may become subject arising out of or in connection with the use of such information.

Section 8.19. Acknowledgment. The First Lien Secured Agent and the Second Lien Secured Agent acknowledge and agree that (i) as between the First Lien Secured Parties, the Borrowers and the Guarantors, the First Lien Loan Documents remain in full force and effect as written and are in no way modified hereby and (ii) as between the Second Lien Secured Parties, the Borrowers and the Guarantors, the Second Lien Loan Documents remain in full force and effect as written and are in no way modified hereby.

Section 8.20. Suspension of Payment Subordination. Notwithstanding anything to the contrary contained herein, if at any time the Second Lien Secured Obligations cease to be secured by a second priority Lien on the Collateral in favor of the Second Lien Secured Parties (whether as a result of any legal proceeding or otherwise), Section 2.3, Article 3, Section 5.1 or any other applicable section hereunder with respect to the subordination or prohibition of any payments in respect of the Second Lien Secured Obligations shall immediately and automatically, without further action, cease to be effective as of such date.

If an Expiration Date is not designated with respect to any record date set pursuant to this Section 1.05, the party hereto which set such record date shall be deemed to have initially designated the 90th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this clause (j).

Section 1.06 Limited Condition Transactions.

This Indenture provides that, as it relates to any action being taken solely in connection with a Limited Condition Transaction, for purposes of (i) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio or test, including the Secured Net Leverage Ratio and Total Net Leverage Ratio, or (ii) testing availability under baskets set forth in this Indenture, in each case, at the option of the Issuer (the Issuer's election to exercise such option in connection with any Limited Condition Transaction, an "*LCT Election*"), the date of determination of whether any such action is permitted under this Indenture shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "*LCT Test Date*"), and if, after giving pro forma effect to the Limited Condition Transaction (and the other transactions to be entered into in connection therewith, including any incurrence of Indebtedness and the use of proceeds thereof, as if they had occurred on the first day of the most recent period of four consecutive fiscal quarters of the Issuer ended prior to such date for which internal financial statements are available (except with respect to any incurrence or repayment of Indebtedness for purposes of the calculation of any leverage-based test or ratio, which shall in each case be treated as if they had occurred on the last day of such period)), the Issuer would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with; *provided* that, if financial statements for one or more subsequent fiscal periods

shall have become available, the Issuer may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date. For the avoidance of doubt, if the Issuer has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA of the Issuer and its Subsidiaries or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Restricted Payments, the making of any Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Issuer, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, (each, a “*Subsequent Transaction*”) following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Indenture, any such ratio, test or basket shall be required to be satisfied on a pro forma basis (i) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated and (ii) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have not been consummated.

ARTICLE 2 THE NOTES

Section 2.01 Form and Dating; Terms.

(a) Provisions relating to the Initial Notes, any PIK Notes, Additional Notes and any other Notes issued under this Indenture are set forth in *Appendix A*, which is hereby incorporated in and expressly made a part of this Indenture. The Notes and the Trustee’s certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rules or agreements with national securities exchanges to which the Issuer or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Issuer). Each Note shall be dated the date of its authentication. The Notes shall be in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof.

(b) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Issuer and the Trustee, by their execution and

delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Issuer pursuant to a Disposition Offer as provided in Section 4.10 of this Indenture or a Change of Control Offer as provided in Section 4.15 of this Indenture, and otherwise as not prohibited by this Indenture. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes ranking *pari passu* with the Initial Notes and any PIK Notes issued pursuant to this Indenture may be created and issued from time to time by the Issuer without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and any PIK Notes issued pursuant to this Indenture and shall have the same terms as to status, redemption or otherwise (other than issue date, issue price and, if applicable, the first Interest Payment Date and the first date from which interest will accrue) as the Initial Notes; *provided* that if any Additional Notes are not fungible with the Initial Notes and any PIK Notes for U.S. federal income tax purposes, such Additional Notes will be issued as a separate series under this Indenture and will have a separate CUSIP number and ISIN from the Initial Notes; *provided, further*, that the Issuer's ability to issue Additional Notes shall be subject to the Issuer's compliance with Section 4.09 of this Indenture. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

For the avoidance of doubt, unless represented by PIK Notes, the aggregate principal amount outstanding under any Note (as reflected in the books and records of the Trustee) shall include any increase in the aggregate principal amount of the applicable Global Notes as a result of any PIK Payments.

Section 2.02 Execution and Authentication.

(a) At least one Officer shall execute the Notes on behalf of the Issuer by manual or electronic (in ".pdf" format) signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

(b) A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto by the manual or electronic (in ".pdf" format) signature of an authorized signatory of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

(c) The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders, the Issuer or an Affiliate of the Issuer. As of the Issue Date, the Trustee has appointed The Huntington National Bank to act as Authenticating Agent.

(d) The Trustee shall authenticate upon a written order of the Issuer signed by one Officer of the Issuer (an “*Authentication Order*”), an Opinion of Counsel and an Officers’ Certificate (i) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$251.0 million, (ii) subject to the terms of this Indenture, Additional Notes and (iii) any Unrestricted Global Notes issued in exchange for any of the foregoing in accordance with this Indenture. Such Authentication Order shall specify (A) the number, principal amount of the Notes and the registered Holder of each Note to be authenticated, (B) the date on which the original issue of Notes is to be authenticated, (C) whether the Notes are to be Initial Notes, Additional Notes or Unrestricted Global Notes, (D) whether the Notes are to be issued as Definitive Notes or Global Notes, and (E) delivery instructions and such other information as the Trustee shall reasonably request.

(e) At any time and from time to time after the execution and delivery of this Indenture, the Trustee shall, upon receipt of an Authentication Order in connection with a PIK Payment, either, at the Issuer’s option, (1) authenticate and deliver PIK Notes in an aggregate principal amount specified in such Authentication Order, or (2) increase the aggregate principal amount of an outstanding Global Note in the amount set forth in such Authentication Order. Notwithstanding anything to the contrary contained in this Indenture, in connection with any PIK Payment (whether by an issuance of PIK Notes or by an increase in the aggregate principal amount of an outstanding Global Note as a result of a PIK Payment), only an Authentication Order shall be required to be delivered to the Trustee and no Officers’ Certificate or Opinion of Counsel shall be required to be delivered.

Section 2.03 Registrar and Paying Agent.

(a) The Issuer shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“*Registrar*”) and at least one office or agency where Notes may be presented for payment (“*Paying Agent*”). The Registrar shall keep a register of the Notes (“*Note Register*”) and of their transfer and exchange. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “*Registrar*” includes any co-registrar, and the term “*Paying Agent*” includes any additional paying agent. The Issuer may change any Paying Agent or Registrar without prior notice to any Holder. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

(b) The Issuer initially appoints DTC to act as Depositary with respect to the Global Notes. The Issuer initially appoints the Trustee to act as Paying Agent and Registrar for the Notes. The Trustee shall act as custodian with respect to the Global Notes.

Section 2.04 Paying Agent to Hold Money in Trust.

The Issuer shall, no later than 11:00 a.m. (New York City time) on each due date for the payment of principal, premium, if any, and Cash Interest on any of the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the Holders entitled to the same, and (unless such Paying Agent is the Trustee) the Issuer shall promptly

notify the Trustee of its action or failure so to act. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal, premium, if any, and interest on the Notes, and shall notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, a Paying Agent shall have no further liability for the money. If the Issuer or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer, the Trustee shall serve as Paying Agent for the Notes.

Notwithstanding anything to the contrary contained in this Indenture, any PIK Payment due shall be made in accordance with Section 2.14 hereof and, if made in accordance therewith, shall be deemed to comply with this Section 2.04.

Section 2.05 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least two Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 Transfer and Exchange.

(a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with *Appendix A*.

(b) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order and any other documents required by and in accordance with Section 2.02 of this Indenture or at the Registrar's request.

(c) No service charge shall be imposed in connection with any registration of transfer or exchange (other than pursuant to Section 2.07 of this Indenture), but the Holders shall be required to pay any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Section 2.10, Section 3.06, Section 4.10, Section 4.15 and Section 9.05 of this Indenture).

(d) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(e) Neither the Issuer nor the Registrar shall be required (1) to issue, to register the transfer of or to exchange any Note during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 of this Indenture and ending at the close of business on the day of selection, (2) to register the transfer of or to exchange any Note so selected for redemption, or tendered for repurchase (and not withdrawn) in connection with a Change of Control Offer or a Disposition Offer, in whole or in part, except the unredeemed or unpurchased portion of any Note being redeemed or repurchased in part or (3) to register the transfer of or to exchange any Note between a Record Date and the next succeeding Interest Payment Date.

(f) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal, premium, if any, and (subject to the Record Date provisions of the Notes) interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(g) Upon surrender for registration of transfer of any Note at the office or agency of the Issuer designated pursuant to Section 2.03(a) and in compliance with *Appendix A*, the Issuer shall execute, and the Trustee shall, upon receipt of an Authentication Order in accordance with Section 2.02, authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(h) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at the office or agency of the Issuer designated pursuant to Section 2.03(a) and in compliance with *Appendix A*. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuer shall execute, and the Trustee shall, upon receipt of an Authentication Order and in accordance with Section 2.02, authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of *Appendix A*.

(i) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by mail or by electronic transmission.

(j) Neither the Trustee nor the Registrar shall have any duty to monitor the Issuer's compliance with or have any responsibility with respect to the Issuer's compliance with any U.S. federal or state securities laws in connection with registrations of transfers and exchanges of the Notes. The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer or exchange imposed under this Indenture or under applicable law with respect to any transfer or exchange of any interest in any Notes (including any transfers between or among the Depositary's participants or Beneficial Owners of interests in any Global Note) other than to require delivery of such certificates and other documentation, or evidence as are expressly required by, and to do so if and when

expressly required by the terms of this Indenture or the Notes and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(k) The Issuer, the Trustee, and the Registrar reserve the right to require the delivery by any Holder or purchaser of a Note of such legal opinions, certifications or other evidence as may reasonably be required in order to determine that the proposed transfer of any Restricted Global Note or Definitive Note is being made in compliance with the Securities Act or the Exchange Act, or rules or regulations adopted by the SEC from time to time thereunder, and applicable state securities laws.

(l) The transferor shall also provide or cause to be provided to the Trustee all information requested in writing by the Trustee that is reasonably necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information. In connection with any proposed transfer outside the Book Entry Only system, there shall be provided to the Trustee all information requested in writing by the Trustee that is reasonably necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(m) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depositary.

Section 2.07 Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken and the Trustee receives evidence to its satisfaction of the ownership and loss, destruction or theft of such Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order in accordance with Section 2.02, shall authenticate a replacement Note if the Trustee's requirements are otherwise met. If required by the Trustee or the Issuer, an indemnity bond must be provided by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuer may charge the Holder for the expenses of the Issuer and the Trustee in replacing a Note. Every replacement Note is a contractual obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder. Notwithstanding the foregoing provisions of this Section 2.07, in case any mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

Section 2.08 Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof,

and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 of this Indenture, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

(b) If a Note is replaced pursuant to Section 2.07 of this Indenture, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the Uniform Commercial Code in effect in the State of New York.

(c) If the principal amount of any Note is considered paid under Section 4.01 of this Indenture, it ceases to be outstanding and interest on it ceases to accrue from and after the date of such payment.

(d) If a Paying Agent (other than the Issuer, a Subsidiary or an Affiliate of any thereof) holds, on the Stated Maturity of the Notes, any redemption date or any repurchase date, money sufficient to pay Notes payable or to be redeemed or purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

(e) For the avoidance of doubt, unless represented by PIK Notes, the aggregate principal amount outstanding under any Note (as reflected in the books and records of the Trustee) shall include any increase in the aggregate principal amount of the applicable Global Notes as a result of a PIK Payment.

Section 2.09 Treasury Notes.

In determining whether the Holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes beneficially owned by the Issuer, or by any Affiliate of the Issuer, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Issuer or any obligor upon the Notes or any Affiliate of the Issuer or of such other obligor.

Section 2.10 Temporary Notes.

Until Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order in accordance with Section 2.02, shall authenticate temporary Notes ("*Temporary Notes*"). Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for Temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes in exchange for Temporary Notes. Holders and beneficial owners, as the case may be, of Temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial owners, respectively, of Notes under this Indenture.

Section 2.11 Cancellation.

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee for cancellation any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall destroy cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all cancelled Notes shall, upon the written request of the Issuer, be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

(a) If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 of this Indenture. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money (other than with respect to a PIK Payment) equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Issuer of such special record date. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depository, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depository to each Holder, with a copy to the Trustee, a notice that states the special record date, the related payment date and the amount of such interest to be paid. Any PIK Payment due as part of defaulted interest shall be paid by the payment date in accordance with Section 2.14.

(b) Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue interest, which were carried by such other Note.

Section 2.13 CUSIP and ISIN Numbers.

The Issuer in issuing the Notes may use CUSIP or ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP or ISIN numbers in notices of redemption, exchange or repurchase as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed

on the Notes or as contained in any notice of redemption, exchange or repurchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption, exchange or repurchase shall not be affected by any defect in or omission of such numbers. The Issuer shall as promptly as practicable notify the Trustee in writing of any change in the CUSIP or ISIN numbers.

Section 2.14 Interest Rate, Payment of Interest; PIK Notes.

(a) With respect to each Interest Period, interest on the Notes shall, at the option of the Issuer, (i) accrue at a rate per annum equal to 5.000% (the “*Cash Interest Rate*”) and be payable in the form of Cash Interest, or (ii) accrue at a rate per annum equal to 10.000% and be payable in kind. Payment of interest in kind will be paid, (x) if the Notes are represented by one or more Definitive Notes, by issuing additional Notes (“*PIK Notes*”) in an aggregate principal amount equal to the relevant amount of interest to be paid in kind (rounded down to the nearest \$1.00) and the Trustee will, upon receipt of an Authentication Order, authenticate and deliver such PIK Notes in the form of Definitive Notes for original issuance to the Holders on the relevant Record Date, as shown by the records of the Registrar and (y) if the Notes are represented by one or more Global Notes registered in the name of, or held by, DTC or its nominee on the relevant Record Date, by increasing the aggregate principal amount of the outstanding Global Notes by an amount equal to the amount of interest to be paid in kind (rounded down to the nearest \$1.00) and the Trustee, upon receipt of an Authentication Order, will increase the principal amount of the outstanding Global Note by such amount. Interest will be calculated based on the outstanding principal of the Notes as of the beginning of the applicable Interest Period rounded down to the nearest \$1.00, *provided that* (A) the Issuer shall be deemed to have elected to pay PIK Interest in accordance with clause (ii) of this Section 2.14(a) unless the Issuer gives notice to the Trustee on or prior to the date that is 5 Business Days prior to an Interest Payment Date that the Issuer has elected to pay interest for the corresponding Interest Period in the form of Cash Interest in accordance with clause (i) of this Section 2.14(a) and (B) the Issuer shall not be permitted to pay PIK Interest on the Notes (and must pay interest solely in the form of Cash Interest on the Notes at the Cash Interest Rate) for any Interest Period if Liquidity (calculated on a pro forma basis assuming that such interest was paid solely in the form of Cash Interest at the Cash Interest Rate) on any applicable Record Date occurring on and after March 15, 2026, for any such Interest Period would exceed \$100.0 million.

(b) In connection with a PIK Payment in respect of the Notes, the Issuer shall, without the consent of Holders (and without regard to any restrictions or limitations set forth under Section 4.09), either increase the aggregate principal amount of outstanding Global Notes or issue PIK Notes under this Indenture. Any PIK Notes issued shall be consolidated with and form a single class with the Initial Notes or the Additional Notes, as applicable, and PIK Notes issued pursuant to this Indenture shall have the same terms as to status, redemption or otherwise (other than issue date, issue price and, if applicable, the first Interest Payment Date and the first date from which interest will accrue) as the Initial Notes or the Additional Notes, as applicable.

(c) On any Interest Payment Date on which the Issuer makes a PIK Payment by increasing the aggregate principal amount of an outstanding Global Note, the Trustee, or DTC at the direction of the Trustee, shall increase the outstanding aggregate principal amount of such Global Note pursuant to Section 2.14(a)(ii)(y) by an amount equal to the PIK Interest payable for

the relevant Interest Period on the outstanding aggregate principal amount of such Global Note on such Interest Payment Date, rounded down to the nearest \$1.00, to the credit of the Holders on the relevant Record Date and an adjustment will be made on the Notes Register maintained with the Registrar with respect to such Global Note to reflect such increase and such increase shall thereafter be part of the outstanding aggregate principal amount of the Notes for all purposes of this Indenture, the Security Documents and the Intercreditor Agreements. For the avoidance of doubt, following the increase in the aggregate principal amount of any outstanding Global Note as a result of a PIK Payment, such Global Note will bear interest on such increased aggregate principal amount from and after the date of such PIK Payment at the rate applicable to the Notes in the manner set forth in this Section 2.14.

(d) Any PIK Notes issued in certificated form pursuant to Section 2.14(a)(ii)(x) shall be issued in an aggregate principal amount equal to the amount of PIK Interest for the applicable Interest Period (rounded down to the nearest \$1.00), shall be dated as of the applicable Interest Payment Date and will bear interest from and after such Interest Payment Date. The Trustee shall authenticate and deliver the PIK Notes in certificated form for original issuance on the Interest Payment Date to the Holders of record on the relevant Record Date as set forth in an Authentication Order. All PIK Notes issued pursuant to a PIK Payment shall mature on the Stated Maturity of the Notes with respect to the Initial Notes or the Additional Notes, as applicable, shall be governed by, and subject to the terms, provisions and conditions of, this Indenture and shall have the same rights and benefits as the Initial Notes or the Additional Notes, as applicable. Any certificated PIK Notes shall be issued with the description “PIK” on the face of such PIK Note but shall be treated for all purposes under this Indenture with the same rights and obligations as the Initial Notes or the Additional Notes, as applicable.

(e) The Issuer shall be responsible for making all calculations required in order to determine the amount of PIK Interest payable on the Notes on any Interest Payment Date. The Issuer shall make the calculations in reasonable detail and in good faith and, absent manifest error, its calculations will be final and binding on the Holders. The Trustee shall have no duty to calculate or verify the Issuer’s calculations under the Notes and this Indenture. The Trustee is entitled to rely conclusively upon the accuracy of the Issuer’s calculations. Upon written request, the Issuer shall promptly provide a schedule of its calculations to the Trustee and the Paying Agent.

Section 2.15 Rights of the Trustee and Agents

(a) The Trustee and the Notes Collateral Agent (a) will not be charged with knowledge of the existence of any facts that would prohibit the making of any payment or distribution by the Trustee and the Paying Agent, and the Trustee and the Paying Agent may continue to make payments on the Notes, unless the Trustee has received at its corporate trust office (and the Paying Agent, if not the Trustee, has also received), at least three (3) Business Days prior to the date of such payment, written notice of facts from the Issuer that would prohibit the making of any payment or distribution by the Trustee and the Paying Agent.

(b) The Trustee and the Notes Collateral Agent shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any

participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes.

(c) All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to the registered Holders (which shall be DTC or its nominee in the case of a Global Note). The Trustee and the Notes Collateral Agent may conclusively rely and shall be fully protected in relying upon information furnished by DTC with respect to its members, participants and any beneficial owners in any Global Note.

ARTICLE 3 REDEMPTION

Section 3.01 Notices to Trustee.

If the Issuer elects to redeem Notes pursuant to Section 3.07 or Section 4.15(b) of this Indenture, it shall furnish to the Trustee, at least five Business Days before notice of redemption is required to be mailed or transmitted or caused to be mailed or transmitted to Holders pursuant to Section 3.03 of this Indenture (unless a shorter notice shall be agreed to by the Trustee) but not more than 60 days before a redemption date, an Officers' Certificate setting forth (a) the paragraph or subparagraph of such Note or Section of this Indenture pursuant to which the redemption shall occur, (b) the redemption date, (c) the principal amount of the Notes to be redeemed and (d) the redemption price, if then ascertainable.

Section 3.02 Selection.

(a) If less than all of the Notes are to be redeemed at any time, the Global Notes to be redeemed shall be selected for redemption in accordance with DTC's requirements, or, in the case of Definitive Notes, the Definitive Notes to be redeemed shall be selected by the Trustee on a pro rata basis, unless otherwise required by law or applicable stock exchange requirements.

(b) No Notes of \$1.00 or less can be redeemed in part.

(c) If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount of that Note that is to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest will cease to accrue on Notes or portions of Notes called for redemption unless the Issuer defaults in the payment of the redemption price or the applicable notice of redemption is conditional and the conditions are not satisfied or waived.

Section 3.03 Notice of Redemption.

(a) The Issuer shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depository, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depository, notices of redemption at least ten days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address, except that (i) redemption notices may be transmitted more than 60 days prior to a redemption date if the notice is issued in connection with a Legal Defeasance or Covenant Defeasance of the Notes or a satisfaction and discharge and (ii) notices of redemption pursuant to Section 4.15(c) shall be transmitted at least 30 days but not more than 60 days prior to the applicable redemption date.

(2) the redemption price, including the portion thereof representing any accrued and unpaid interest;

(3) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph or subparagraph of the Notes or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and

(9) if applicable, any condition to such redemption.

(c) At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense; *provided* that the Issuer shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(b) of this Indenture.

Section 3.04 Effect of Notice of Redemption.

Once a notice of redemption is transmitted or mailed in accordance with Section 3.03 of this Indenture, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price, except as otherwise set forth in this Section 3.04. Notice of any redemption of the Notes may, at the Issuer's discretion, be given prior to the completion or the occurrence thereof and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of a related transaction or event. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was delivered) as any or all conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

Section 3.05 Deposit of Redemption or Purchase Price.

(a) No later than 11:00 a.m. (New York City time) on the redemption or purchase date (or such later time as such date to which the Trustee may reasonably agree), the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the Holder of record on such Record Date. The Paying Agent shall promptly mail to each Holder whose Notes are to be redeemed or repurchased the applicable redemption or purchase price thereof and accrued and unpaid interest thereon. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

(b) If the Issuer complies with the provisions of Section 3.05(a) of this Indenture, on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the redemption or purchase date in respect of such Note will be paid on such redemption or purchase date to the Person in whose name such Note is registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with Section 3.05(a) of this Indenture, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and, to the extent lawful, on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 of this Indenture.

Section 3.06 Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Issuer shall issue and, upon receipt of an Authentication Order, the Trustee shall promptly authenticate and mail to the Holder (or cause to be transferred by book entry) at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same Indebtedness to the extent not redeemed; *provided* that each new Note shall be in a principal amount of \$1.00 or an integral multiple of \$1.00 in excess thereof.

(c) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of this Indenture.

Section 3.08 Mandatory Redemption.

The Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4 COVENANTS

Section 4.01 Payment of Notes.

(a) The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuer or a Subsidiary thereof, holds on the due date money deposited by or on

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03 Taxes.

The Issuer shall pay, and shall cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments and governmental levies except (a) such as are being contested in good faith and by appropriate negotiations or proceedings or (b) where the failure to effect such payment is not adverse in any material respect to the Holders.

Section 4.04 Reports.

(a) So long as any Notes are outstanding, the Issuer will furnish to the Trustee and the Holders:

(b) With respect to the reports required to be furnished by clause (a) above:

(1) no such reports referenced under Section 4.04(a)(3) above will be required to include as an exhibit or summary of terms of, any employment or compensatory arrangement agreement, plan or understanding between the Issuer (or any of its Subsidiaries) and any director, manager or executive officer, of the Issuer (or any of its Subsidiaries);

(6) trade secrets and other confidential information that is competitively sensitive in the good faith and reasonable determination of the Issuer may be excluded from any disclosures;

(7) to the extent that the Issuer is not a reporting company under the Exchange Act, in no event will such reports be required to be presented in

compliance with the requirements of the Public Company Accounting Oversight Board; and

(8) in no event will such reports contain compensation or beneficial ownership information.

(c) In addition, to the extent not satisfied by the reports required by this Section 4.04 or otherwise made publicly available by the Issuer, the Issuer will furnish to Holders thereof and prospective investors in the Notes, upon their request, the information, if any, required to be delivered pursuant to Rule 144A(d)(4) (or any successor provision) under the Securities Act.

(d) Notwithstanding anything to the contrary contained in this Indenture, the Issuer will be deemed to have furnished the reports referred to in clause (a) above if the Issuer has filed the corresponding reports containing such information with the SEC via the Electronic Data Gathering, Analysis and Retrieval System (or any successor system).

(e) The Issuer shall participate in quarterly conference calls after the delivery of the information referred to in Section 4.04(a)(1) or Section 4.04(a)(2) above (which may be a single conference call together with Issuer's equity investors and analysts) to discuss operating results and related matters. The participation of any Holders in such conference call shall be conditioned on the agreement of such Holders to (i) treat all information provided therein as confidential, (ii) not use such information for any purpose other than their investment in the Notes and (iii) not publicly disclose such information.

(f) It is understood that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been delivered to the Holders, posted on the Issuer's website or filed with the SEC. The posting or delivery of any such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive or actual notice of any information contained therein or determinable from information contained therein, including the Issuer's or any other Person's compliance with any of the covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on an Officers' Certificate).

(g) Notwithstanding any other provision of this Indenture, the sole remedy for an Event of Default relating to the failure to comply with the reporting obligations described under this Section 4.04 for the 30 days after the occurrence of such an Event of Default, consists exclusively of the right to receive additional interest on the principal amount of the Notes at a rate equal to 0.50% per annum. If the Issuer is required to pay additional interest to Holders, the Issuer shall provide a direction or order in the form of a written notice to the Trustee (and if the Trustee is not the Paying Agent, to the Paying Agent) of the Issuer's obligation to pay such additional interest no later than three Business Days prior to the date on which any such additional interest is scheduled to be paid. Such notice shall set forth the amount of additional interest to be paid by the Issuer on such payment date and direct the Trustee (or, if the Trustee is not the Paying Agent, to the Paying Agent) to make payment to the extent it receives funds from the Issuer to do so. The Trustee shall not at any time be under any duty or responsibility to any Holder to determine whether the additional interest is payable, or with respect to the nature, extent or calculation of the amount of the additional interest owed, or with respect to the method employed in such calculation of the additional interest.

(t) Investments (which may take the form of asset contributions) in Joint Ventures in an aggregate amount not exceeding (i) through the end of the Restricted Period, \$0 and (ii) thereafter, the greater of \$55.0 million and 27.5% of Consolidated EBITDA for such fiscal year, in any fiscal year; *provided* that any unused amount for any fiscal year, up to 50.0% of the maximum permitted amount for such fiscal year, may be carried over to the next succeeding fiscal year, but not to any subsequent fiscal year, and any amount carried over from the previous fiscal year shall be used after the permitted amount for each fiscal year;

(u) other Investments; *provided* that the aggregate amount of such Investment outstanding pursuant to this clause (u), when taken together with the aggregate amount of Restricted Payments made pursuant to Section 4.07(o), shall not exceed (i) through the end of the

Restricted Period, \$0 and (ii) thereafter, the greater of \$33.0 million and 16.5% of Consolidated EBITDA for the most recently ended Test Period at any time outstanding;

(w) Investments of Excluded WD Assets and of the Equity Interests of any Excluded WD Subsidiary;

(x) Investments of any Person existing at any time such Person becomes a Subsidiary of the Issuer or consolidates or merges with the Issuer or any of its Subsidiaries (including in connection with a Permitted Acquisition) and any modification, replacement, renewal or extension thereof to the extent not involving an additional cash Investment so long as such Investments were not made in contemplation of such Person becoming a Subsidiary of the Issuer or of such consolidation or merger; and

(y) other Investments, loans or advances made by the Issuer or any of its Subsidiaries so long as the aggregate amount of all such investments, loans and advances outstanding at any time does not exceed (i) through the end of the Restricted Period, \$0 and (ii) thereafter, the greater of \$33.0 million and 16.5% of Consolidated EBITDA for the most recently ended Test Period.

For purposes of covenant compliance with this Section 4.13, the amount of any Investment shall be the amount actually invested, without adjustment for subsequent increases or decreases in the value of such Investment, less any amount paid, repaid, returned, distributed or otherwise received in cash in respect of such Investment. For purposes of determining compliance with this Section 4.13, if any Investment (or a portion thereof) would be permitted pursuant to one or more provisions described above, the Issuer may divide and classify such Investment (or a portion thereof) in any manner that complies with this covenant and may later divide and reclassify any such Investment so long as the Investment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification. The outstanding amount of an Investment shall be reduced by dividends, distributions, repayments, repurchases, sale consideration or any other payments received in cash or Permitted Investments in respect of such Investment.

Section 4.14 Corporate Existence.

Subject to Article 5, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (1) its corporate existence and the corporate, partnership, limited liability company or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any such Subsidiary and (2) the rights (charter and statutory), licenses and franchises of the Issuer and its Subsidiaries; *provided* that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership, limited liability company or other existence of any of its Subsidiaries, if the Issuer in good faith shall

determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Subsidiaries, taken as a whole.

Section 4.15 Offer to Repurchase Upon a Change of Control.

(a) If a Change of Control occurs, each Holder will have the right to require the Issuer to repurchase all or any part (equal to \$1.00 or an integral multiple of \$1.00) of that Holder's Notes pursuant to an offer made by the Issuer (the "*Change of Control Offer*"). In the Change of Control Offer, the Issuer will offer to make a payment (the "*Change of Control Payment*") in cash equal to 101.0% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the Change of Control Payment Date, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control, the Issuer will transmit a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the date specified in such notice (the "*Change of Control Payment Date*"), which date will be no earlier than 30 days and no later than 60 days from the date such notice is transmitted, pursuant to the procedures required by this Indenture and described in such notice. The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.15 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Issuer will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

The Paying Agent will promptly transmit to each Holder properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and transmit (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) If Holders of not less than 90.0% in aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making an offer to purchase the Notes upon a Change of Control in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer shall have the right, upon not less than 30 nor more than 60 days' prior written notice, given not more than 30 days following the Change of Control Payment Date, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to 101.0% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest, if any, on the Notes redeemed to, but excluding, the date of redemption, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(d) The provisions described above in clauses (a) through (c) of this Section 4.15 that require the Issuer to make a Change of Control Offer following a Change of Control will be applicable whether or not any other provisions of this Indenture are applicable. Except as described above with respect to a Change of Control, this Indenture does not contain provisions that permit the Holders to require that the Issuer repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

(e) Notwithstanding anything to the contrary in this Section 4.15, the Issuer will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or (2) notice of redemption has been given pursuant to this Indenture in respect of all Notes pursuant to Section 3.07 of this Indenture, unless and until there is a Default in payment of the applicable redemption price.

(f) A Change of Control Offer may be made in advance of and conditioned on the occurrence of a Change of Control if there is a definitive agreement in place to consummate a transaction that would constitute a Change of Control if consummated at the time such Change of Control Offer is made.

Section 4.16 [Reserved].

Section 4.17 Additional Subsidiary Guarantees.

If the Issuer or any of its Subsidiaries acquires or creates another Subsidiary, other than an Excluded Subsidiary, or if any Excluded Subsidiary otherwise ceases to be an Excluded Subsidiary, in each case, after the Issue Date, then such newly acquired or created Subsidiary or Subsidiary that has ceased to be an Excluded Subsidiary, as applicable, will become a Subsidiary Guarantor and execute a supplemental indenture providing a Guarantee substantially in the form attached as Exhibit B.

Section 4.18 After-Acquired Collateral.

(a) As promptly as possible but in any event within sixty (60) days (or such later date as may be agreed upon by the First Lien Secured Agent (as defined in the First Lien/Second Lien Intercreditor Agreement)) after any Subsidiary becoming a Guarantor pursuant to Section 4.17, the Issuer shall cause such Subsidiary to become party to the Security Agreement as a Grantor and/or otherwise cause all of such Subsidiary's assets (other than Excluded Assets) to be subjected to a Lien securing the Notes Obligations in favor of the Notes Collateral Agent and shall take, or cause such Subsidiary to take, such actions, including execution of a joinder thereto, if applicable, as shall be necessary or reasonably requested by the Notes Collateral Agent to grant and perfect or record such Lien, in each case, to the extent contemplated by the Security Documents and subject to Permitted Liens and the Intercreditor Agreements, all at the Issuer's expense; *provided* that the Collateral in any event shall exclude Excluded Assets.

(b) If the Issuer or any Guarantor acquires any property or rights which are of a type constituting Collateral under any Security Document (excluding, for the avoidance of doubt, any Excluded Assets), the Issuer or such Guarantor will execute and deliver such security instruments, financing statements and such certificates as are required under this Indenture or any Security Document to vest in the Notes Collateral Agent a perfected security interest (subject to Permitted Liens) in such after-acquired collateral (or all of its assets, except Excluded Assets, in the case of a new Guarantor) and take such actions to add such after-acquired collateral to the Collateral, and thereupon all provisions of this Indenture and the Security Documents relating to the Collateral shall be deemed to relate to such after-acquired collateral to the same extent and with the same force and effect.

(c) Notwithstanding the foregoing, no Officers' Certificate or Opinion of Counsel will be required in connection with any additional Guarantors entering into the Security Documents or to vest in the Notes Collateral Agent a perfected security interest in after-acquired collateral owned by such Guarantors.

Section 4.19 Prepayments of Restricted Junior Debt and Amendments to Restricted Junior Debt Documents.

(a) The Issuer will not, and will not permit any Subsidiary to, directly or indirectly voluntarily prepay, defease or in substance defease, purchase, redeem, retire or otherwise acquire, in each case prior to the scheduled maturity date therefor, any Indebtedness of the Issuer, any Guarantor or any Subsidiary (other than intercompany Indebtedness permitted by Section 4.09(c)) that is subordinated in right of payment or in ranking of Liens to the Notes (such Indebtedness, "*Restricted Junior Debt*"; it being agreed for the avoidance of doubt that the Existing Unsecured Notes are not Restricted Junior Debt) (other than pursuant to any refinancings, renewals or replacements of such Indebtedness to extent permitted by Section 4.09); *provided* that so long as no Event of Default exists or would result therefrom, the Issuer, any Guarantor or any Subsidiary may prepay, redeem, purchase, defease or otherwise satisfy prior to the Stated Maturity thereof Restricted Junior Debt (i) with the proceeds of any issuance of Equity Interests of the Issuer, (ii) [reserved], (iii) consisting of any mandatory redemption, repayment or repurchase event not in the nature of a default (I) that is triggered by receipt of proceeds of a debt incurrence, equity issuance, asset sale, casualty or other proceeds-generating event and is only to the extent of proceeds received or (II) constituting a "special mandatory

redemption” or similar requirement applicable to debt securities incurred to finance one or more transactions if such transaction(s) will not be consummated or are not consummated within a specified timeframe, (iv) consisting of any customary bridge loans with the proceeds of Permitted Junior Debt incurred to refinance such bridge loans, (v) if at the time of such prepayment, redemption, repurchase, defeasement or other satisfaction there are no Notes Obligations outstanding and (vi) with the proceeds of any Permitted Junior Debt incurred to refinance such Indebtedness.

(b) Furthermore, the Issuer will not, and will not permit any Subsidiary to, amend the terms of any Restricted Junior Debt if such amendment, modification or change would add, modify or change any terms in a manner materially adverse to the interests of the Holders (*provided*, that if such Restricted Junior Debt, when originally incurred or at the time of such amendment, modification or change, would be permitted to be incurred having terms and conditions that give effect such amendment, modification or change, then such amendment, modification or change shall not be deemed adverse to the interests of the Holders).

(c) The Issuer will not, and will not permit any Subsidiary to, directly or indirectly voluntarily prepay, defease or in substance defease, purchase, redeem, retire or otherwise acquire, in each case prior to the Stated Maturity thereof, the Existing Unsecured Notes (other than in connection with (i) any refinancing of Existing Unsecured Notes with unsecured Indebtedness that has a Stated Maturity that is no sooner than, and a Weighted Average Life to Maturity that is no shorter than, such Existing Unsecured Notes being refinanced or (ii) the consummation of the transactions contemplated by the Exchange Agreements on the terms and subject to the conditions of the Exchange Agreements) unless, as of the date the applicable notice of redemption is given, after giving effect to such prepayment, redemption, repurchase, defeasement or other satisfaction on a pro forma basis, the Total Net Leverage Ratio shall not exceed 4.00 to 1.00.

Section 4.20 Healthcare Permits; Healthcare Fines.

The Issuer will not, and will not permit any of its Subsidiaries to:

(a) Permit or cause to suffer any revocation by a state or federal regulatory agency any Healthcare Permit to the extent such revocation could reasonably be expected to have a Material Adverse Effect, regardless of whether such Healthcare Permit was held by or originally issued for the benefit of the Issuer, a Subsidiary or a Contract Provider with whom the Issuer or Subsidiary has entered into a management agreement.

(b) Permit one or more penalties or fines in an aggregate amount in excess of \$22.0 million to be unpaid when due (subject to any applicable appeal period) by the Issuer or any Guarantor during any 12-month period under any Healthcare Law.

Section 4.21 Maintenance of Properties; Insurance.

The Issuer will, and will cause each of its Subsidiaries to, (a) keep and maintain all tangible property material to the conduct of its business in good working order and condition, ordinary wear and tear and casualty excepted and except (i) as otherwise permitted by Article 5

Section 4.22 Compliance with Laws.

(a) The Issuer will, and will cause each of its Subsidiaries to, comply with all laws, rules, regulations and orders of any Governmental Authority applicable to it or its property (including without limitation Environmental Laws), except (i) where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect or (ii) in instances in which such laws, rules, regulations or orders are being contested in good faith by appropriate proceedings diligently conducted (as reasonably determined by the Issuer).

(b) The Issuer will, and will cause each of its Subsidiaries to, ensure that (i) billing policies, arrangements, protocols and instructions will comply in all material respects with reimbursement requirements under Medicare, Medicaid and other Medical Reimbursement Programs and will be administered by properly trained personnel and (ii) medical director compensation arrangements and other arrangements with referring physicians will comply with applicable state and federal Healthcare Laws relating to self-referrals and anti-kickback measures, including 42 U.S.C. Section 1320a-7b(b)(1) - (b)(2) 42 U.S.C. and 42 U.S.C. Section 1395nn, except, in each case with respect to clauses (i) and (ii) above, where the failure to so comply would not result in a Material Adverse Effect.

(c) The Issuer will, and will cause each of its Subsidiaries to, maintain policies that are consistent with HIPAA in all material respects.

(d) The Issuer will maintain in effect and enforce policies and procedures designed to ensure material compliance by the Issuer, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions.

Section 4.24 Anti-Layering.

Notwithstanding anything herein to the contrary, the Issuer shall not, and shall not permit any Subsidiary to, incur any Indebtedness that is contractually subordinated or junior in right of payment to any other Indebtedness of the Issuer or such Subsidiary, as the case may be, unless such Indebtedness is expressly contractually subordinated or junior in right of payment, as applicable, to the Notes and the Guarantees (it being understood and agreed that Indebtedness shall not be considered junior in right of payment solely because it is unsecured or secured by Liens with a Junior Lien Priority to the Liens securing the Notes).

- (1) default in any payment of interest on any Note when due, continued for 30 days;
- (2) default in the payment of principal or premium, if any, on any Note when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration, or otherwise;

(A) is caused by a failure to pay principal at the final Stated Maturity of such Indebtedness (a “*Payment Default*”); or

(B) results in the acceleration of such Indebtedness prior to its express maturity

and, in each case, the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$44.0 million or more;

(11) the Issuer or any of the Issuer's Subsidiaries shall assert, in any pleading in any court of competent jurisdiction, that any security interest in any Security Document is invalid or unenforceable;

Section 6.02 Acceleration.

(a) In the case of an Event of Default arising under clauses (8) or (9) of Section 6.01 of this Indenture with respect to the Issuer or any Significant Subsidiary of the Issuer, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 30.0% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

(b) The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration or waive any existing Default or Event of Default and its consequences under this

Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes.

Section 6.03 Other Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

(a) Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, interest or premium, if any.

(b) The Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

(2) Holders of at least 30.0% in aggregate principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

(c) The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences

under this Indenture and the Security Documents except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes.

Section 6.05 Control by Majority.

Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or the Notes Collateral Agent, as applicable, or exercising any trust or power conferred on it. However, the Trustee or the Notes Collateral Agent, as applicable, may refuse to follow any direction that conflicts with law or this Indenture that the Trustee or the Notes Collateral Agent, as applicable, determines may be unduly prejudicial to the rights of other Holders or that may involve the Trustee or the Notes Collateral Agent, as applicable, in personal liability. Prior to taking any action under this Indenture, the Trustee or the Notes Collateral Agent, as applicable, shall be entitled to reasonable indemnification against all losses and expenses caused by taking or not taking such action.

Section 6.06 Limitation on Suits.

Subject to Section 6.07 of this Indenture, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

- (3) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
- (5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such written request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring

suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

Subject to the terms and conditions of the Intercreditor Agreement, if an Event of Default specified in clauses (1) or (2) of Section 6.01 of this Indenture occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer and each Guarantor for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter and all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 of this Indenture, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy are, to the extent permitted by law, cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or the Notes Collateral Agent, as applicable, or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or the Notes Collateral Agent, as applicable, or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or the Notes Collateral Agent, as applicable, or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Notes Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of each of the Trustee, the Notes Collateral Agent, and their agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes, including the Guarantors), its creditors or its property and is entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee or the Notes Collateral Agent, as applicable, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, the Notes Collateral Agent, and their agents and counsel, and any other amounts due the Trustee under Section 7.06 of this Indenture. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 of this Indenture out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

Subject to the Intercreditor Agreements, if the Trustee, the Notes Collateral Agent or any Agent collects any money or property pursuant to this Article 6, it shall pay out the money in the following order:

- (1) to the Trustee and the Notes Collateral Agent and their respective agents and attorneys for amounts due under Section 7.06 of this Indenture, including payment of all reasonable compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the Notes Collateral Agent, as applicable, and the costs and expenses of collection (including, without limitation, all reasonable out-of-pocket expenses incurred by the Notes Collateral Agent in connection with the sale, foreclosure, collection or realization of the Collateral or otherwise in connection with the Note Documents), and then to payment of the Notes Obligations;
- (2) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

(3) to the Issuer or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13. Promptly after any record date is set pursuant to this Section 6.13, the Trustee shall cause notice of such record date and payment date to be given to the Issuer and to each Holder in the manner set forth in Section 13.02 of this Indenture.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 of this Indenture, or a suit by Holders of more than 10.0% in principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE AND NOTES COLLATERAL AGENT

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing (of which the Trustee is deemed to have notice thereof within the meaning of Section 7.02(h)), the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the occurrence and continuance of an Event of Default (of which the Trustee is deemed to have notice thereof within the meaning of Section 7.02(h)):

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy or mathematical calculation or facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction in a final non-appealable judgment that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 of this Indenture.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee will be under no obligation to exercise any of the rights or powers under this Indenture, the Notes and the Guarantees at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense that may be incurred by it in compliance with such request.

(f) The permissive rights of the Trustee to take certain actions under this Indenture or the other Note Documents shall not be construed as a duty unless expressly specified herein or therein.

(g) The Trustee shall not be liable for interest on (or the investment of) any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01.

(i) Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Notes.

The provisions of this Section 7.01 shall survive satisfaction and discharge or the termination, for any reason, of this Indenture and the resignation and/or removal of the Trustee.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon and shall be fully protected in acting or refraining from acting upon any document (whether in original or electronic form)

believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine in good faith to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both which shall conform to the provisions of Section 13.05 of this Indenture. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture or the other Note Documents or its role hereunder or thereunder.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer or a Guarantor shall be sufficient if signed by an Officer of the Issuer or such Guarantor.

(f) No Depositary shall be deemed an agent of the Trustee, and the Trustee shall not be responsible for any act or omission by any Depositary.

(g) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(h) The Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default unless written notice of any event which is in fact such a Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the existence of a Default or Event of Default, the Notes and this Indenture. Delivery of reports to the Trustee pursuant to Section 4.04 shall not constitute notice to the Trustee of the information contained therein. After the occurrence and continuance of an Event of Default, the Trustee, acting in accordance with the terms of this Indenture, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture or the Security Documents. The Notes Collateral Agent shall take such action with respect to such Event of Default as may be requested by the Trustee.

(i) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to,

loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(j) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and under the Note Documents and each Agent, custodian and other Person employed to act hereunder, including the Notes Collateral Agent.

(k) Delivery of reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee shall have no duty to review or analyze reports delivered to it. Additionally, the Trustee shall not be obligated to monitor or confirm, on a continuing basis or otherwise, the Issuer's compliance with or the breach of any representation, warranty or covenant made in this Indenture or with respect to any reports or other documents filed with the SEC or any website or datasite under this Indenture or participate in any conference calls.

(l) The Trustee may request that the Issuer and each Guarantor deliver an Officers' Certificate setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(m) The Trustee shall not be required to give any note, bond or surety in respect of the performance of its powers and duties hereunder.

Section 7.03 Individual Rights of Trustee.

The Trustee or any Agent in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee or such Agent. However, in the event that the Trustee acquires any conflicting interest (within the meaning of the Trust Indenture Act of 1939, as amended) it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.09 of this Indenture.

Section 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation or warranty as to the validity or adequacy of this Indenture, the Notes or the Security Documents, or the other Note Documents, or the adequacy of the security for the Note Documents or the Security Documents. The Trustee shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture. The Trustee shall not be responsible for the use or application of any money received

by any Paying Agent other than the Trustee, and the Trustee shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication on the Notes. The Trustee shall be under no obligation to ascertain or to inquire as to the observance or performance of any of the agreements and covenants contained in, or conditions of, this Indenture or the other Note Documents or to inspect the properties, books, or records of the Issuer or any of its affiliates.

Section 7.05 Notice of Defaults.

If a Default occurs and is continuing and a Responsible Officer of Trustee has received written notice thereof (pursuant to Section 7.02(h)), the Trustee will transmit to each Holder a notice of the Default within 60 days after it is known to the Trustee (pursuant to Section 7.02(h)).

Section 7.06 Compensation and Indemnity.

(a) The Issuer and the Guarantors, jointly and severally, shall pay to the Trustee and the Notes Collateral Agent from time to time such compensation for its acceptance of this Indenture and services hereunder and under the Note Documents as the Issuer and the Trustee and the Notes Collateral Agent shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee and the Notes Collateral Agent promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services, except for any such disbursements, advances or expenses as shall have been caused by the willful misconduct, gross negligence or bad faith on the part of the Trustee or the Notes Collateral Agent, as the case may be. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's and Notes Collateral Agent's agents and counsel.

(b) The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee (in its individual capacity and its capacity as Trustee) and the Notes Collateral Agent (in its individual capacity and its capacity as Notes Collateral Agent) and any predecessor Trustee or Notes Collateral Agent (which for purposes of this Section 7.06 shall include each of their respective officers, directors, employees, agents, advisors, attorneys and representatives) for, and hold each of the Trustee, the Notes Collateral Agent and any predecessor harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the reasonable costs and expenses of enforcing this Indenture or other Note Documents against the Issuer or any Guarantor (including this Section 7.06) or defending themselves against any claim whether asserted by any Holder, the Issuer or any Guarantor, or any other Person or liability in connection with the acceptance, exercise or performance of any of their rights, powers or duties hereunder or thereunder). The Trustee and the Notes Collateral Agent, as the case may be, shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee or the Notes Collateral Agent to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee and the Notes Collateral Agent may have separate counsel and

the Issuer shall pay the reasonable fees and expenses of such counsel. Neither the Issuer nor any Guarantor needs to pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee and the Notes Collateral Agent through the willful misconduct, gross negligence or bad faith on the part of the Trustee or the Notes Collateral Agent, as the case may be.

(c) The obligations of the Issuer and the Guarantors under this Section 7.06 shall survive the satisfaction, discharge or the termination, for any reason, of this Indenture or any other Note Documents or the earlier resignation, removal, replacement of the Trustee and the Notes Collateral Agent.

(d) To secure the payment obligations of the Issuer and the Guarantors in this Section 7.06, the Trustee and the Notes Collateral Agent shall have a Lien prior to the Notes on all money or property held or collected by the Trustee or the Notes Collateral Agent, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

(e) When the Trustee or the Notes Collateral Agent incurs expenses or renders services after an Event of Default specified in Section 6.01(8) or Section 6.01(9) of this Indenture occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07. The Trustee may resign in writing at any time by giving 30 days' prior notice of such resignation to the Issuer and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.09 of this Indenture;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a receiver or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal

amount of the then outstanding Notes may remove the successor Trustee to replace it with another successor Trustee appointed by the Issuer.

(c) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuer's expense), the Issuer or the Holders of at least 10.0% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 of this Indenture, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall transmit a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the Trustee hereunder have been paid and such transfer shall be subject to the Lien provided for in Section 7.06 of this Indenture. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Issuer's obligations under this Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) As used in this Section 7.07, the term "Trustee" shall also include each Agent.

(g) A resigning Trustee shall have no responsibility or liability for any action or inaction of a successor Trustee.

Section 7.08 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the successor corporation or national banking association without any further act shall be the successor Trustee, subject to Section 7.09 of this Indenture.

Section 7.09 Eligibility; Disqualification.

This Indenture shall always have Trustee hereunder that is a company organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus as required by Section 310(a)(2) of the Trust Indenture Act.

Section 7.10 Security Documents and Intercreditor Agreements.

By their acceptance of the Notes, the Holders hereby authorize and direct the Trustee and the Notes Collateral Agent, as the case may be, to execute and deliver (including by

way of joinder) the First Lien/Second Lien Intercreditor Agreement (on behalf of the Trustee, the Notes Collateral Agent and the Holders), and the Security Documents in which the Trustee or the Notes Collateral Agent, as applicable, is named as a party, including the Security Agreement and any Security Documents executed on or after the Issue Date in accordance with Article 12. It is hereby expressly acknowledged and agreed that, in doing so, the Trustee and the Notes Collateral Agent are not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under, the Intercreditor Agreements or any Security Document, the Trustee and the Notes Collateral Agent each shall have all of the rights, privileges, benefits, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

Section 7.11 Limitation on Duty of Trustee in Respect of Collateral

(a) Beyond the exercise of reasonable care in the custody thereof and except as otherwise expressly set forth in the Note Documents, the Trustee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee in good faith.

(b) The Trustee shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of the Trustee, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Issuer to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. The Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture or the Note Documents by the Issuer and the Guarantors.

Section 7.12 Trustee in Other Capacities

References to the Trustee in Section 6.13 and Sections 7.01, 7.02, 7.03, 7.04, 7.06, 7.07 and 7.08 shall be understood to include the Trustee when acting in other capacities under the Indenture and other Note Documents, including, without limitation, as Notes Collateral Agent. Without limiting the foregoing, and for the avoidance of doubt, such Sections shall be read to apply to the Notes Collateral Agent, the Security Documents, the Intercreditor

Agreements and any other Note Document to which the Notes Collateral Agent is party, mutatis mutandis, in addition to this Indenture, and the Notes Collateral Agent shall be entitled to the same rights, benefits, privileges, powers, protections, indemnities and exculpations afforded to the Trustee by such Sections.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Issuer may, at its option and at any time, elect to have either Section 8.02 of this Indenture or Section 8.03 of this Indenture applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

(a) Upon the Issuer's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.02, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, be deemed to have been discharged from their obligations with respect to this Indenture, all outstanding Notes and Guarantees and the Liens, if any, on the Collateral securing the Notes will be automatically released (subject to the Security Documents) on the date the conditions set forth below are satisfied ("*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (1) through (4) below, and to have satisfied all of its other obligations under such Notes and this Indenture, including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders to receive payments in respect of the principal, premium, if any, and interest on the Notes when such payments are due, solely out of the trust created pursuant to this Indenture referred to in Section 8.04 of this Indenture;

(2) the Issuer's obligations with respect to the Notes concerning issuing the Temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for Note payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's and the Guarantors' obligations in connection therewith; and

(4) this Section 8.02.

(b) Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 of this Indenture.

Section 8.03 Covenant Defeasance.

Upon the Issuer's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.03, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.15, 4.16, and 4.17 of this Indenture with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 of this Indenture are satisfied and the Liens, if any, on the Collateral securing the Notes will be automatically released (subject to the Security Documents) ("*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to this Indenture and the outstanding Notes, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 of this Indenture, but, except as specified above, the remainder of this Indenture, and such Notes and the Guarantees shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.03 of this Indenture, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, an Event of Default specified in Section 6.01(4) (only with respect to covenants that are released as a result of such Covenant Defeasance), Section 6.01(5), Section 6.01(6), Section 6.01(7), Section 6.01(8) (solely with respect to Significant Subsidiaries of the Issuer) and Section 6.01(9) (solely with respect to Significant Subsidiaries of the Issuer) of this Indenture, in each case, shall not constitute an Event of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or Section 8.03 of this Indenture:

- (1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants engaged by the Issuer, to pay the principal of, or interest (and the Issuer shall be deemed to have elected to pay Cash Interest) and premium, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify

whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of Legal Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (a) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the beneficial owners of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement (including, without limitation, the Credit Agreement) or instrument (other than this Indenture) to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens in connection therewith);

(6) the Issuer must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with

The Legal Defeasance or Covenant Defeasance will be effective at the time at which all the applicable conditions above have been satisfied. Upon compliance with the foregoing, the Trustee, upon request by the Issuer, shall execute proper instrument(s) acknowledging such Legal Defeasance or Covenant Defeasance.

Section 8.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

(a) Subject to Section 8.06 of this Indenture, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 of this Indenture in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of all sums due and to become due thereon in respect of principal, premium, if any, and interest on the Notes, but such money need not be segregated from other funds except to the extent required by law.

(b) The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 of this Indenture or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders.

(c) Anything in this Article 8 to the contrary notwithstanding, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.04 of this Indenture which, in the opinion of an independent financial advisor expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) of this Indenture), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Issuer.

Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Securities in accordance with Section 8.02 or Section 8.03 of this Indenture, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under

this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or Section 8.03 of this Indenture until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or Section 8.03 of this Indenture, as the case may be; *provided* that, if the Issuer makes any payment of principal, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9 AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders.

(a) Notwithstanding Section 9.02 of this Indenture, the Issuer, the Guarantors, the Trustee and the Notes Collateral Agent may amend or supplement the Note Documents without the consent of any Holder:

- (1) to cure any mistake, ambiguity, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for the assumption of the Issuer's or a Guarantor's obligations to the Holders and Guarantees in the case of a merger, consolidation, Division or sale of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;
- (4) [reserved];
- (5) to make any change (including changing the CUSIP or other identifying number on any Notes) that would provide any additional rights or benefits to the Holders or that does not materially and adversely affect the legal rights hereunder of any Holder;
- (6) [reserved];
- (7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;
- (8) to allow any Guarantor to execute a supplemental indenture and/or a Guarantee with respect to the Notes;
- (9) to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture;

(10) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee or the Notes Collateral Agent for the benefit of the Notes Secured Parties, as additional security for the payment and performance of all or any portion of the Notes Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a Lien is required to be granted to or for the benefit of the Trustee or the Notes Collateral Agent pursuant to this Indenture, any of the Security Documents or otherwise;

(11) to add representatives with respect to Indebtedness intended to have Junior Lien Priority, Senior Lien Priority and/or Pari Passu Lien Priority to the Intercreditor Agreements, in each case to the extent the related Indebtedness and Liens are permitted under this Indenture;

(12) to enter into any intercreditor agreement having substantially similar terms with respect to the Holders as those set forth in the First Lien/Second Lien Intercreditor Agreement, or any joinder thereto;

(13) in the case of any Security Document, to include therein any legend required to be set forth therein pursuant to the Intercreditor Agreements or to modify any such legend as required by the Intercreditor Agreements;

(14) to provide for the succession of any parties to the Security Documents (and other amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of the Credit Agreement, this Indenture or any other agreement that is not prohibited by this Indenture; or

(15) to release Collateral from the Lien securing the Notes Obligations when permitted or required by the Security Documents, this Indenture and/or the Intercreditor Agreements.

(b) Subject to Section 9.02, upon the request of the Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture or other amendment, supplement or modification to the Note Documents, and upon receipt by the Trustee and the Notes Collateral Agent, as applicable, of the documents described in Section 13.04 of this Indenture, the Trustee and the Notes Collateral Agent shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture or other amendment, supplement or modification to the Note Documents authorized or permitted by the terms of this Indenture or other Note Document, but the Trustee and the Notes Collateral Agent shall not be obligated to enter into such amended or supplemental indenture or other amendment, supplement or modification to the Note Documents that affects its own rights, duties or immunities under this Indenture or otherwise. The Trustee and Notes Collateral Agent shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and Officers' Certificate stating that such amendment or supplement is authorized or permitted by this Indenture or other Note Document, as applicable.

Section 9.02 With Consent of Holders.

(a) Except as provided in Section 9.01 of this Indenture and this Section 9.02, the Issuer, the Guarantors, the Trustee and the Notes Collateral Agent may amend, supplement or otherwise modify any Note Documents with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, subject to Section 6.04 and Section 6.07 of this Indenture, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Note Documents may be waived with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Section 2.08 and Section 2.09 of this Indenture shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

(b) Upon the request of the Issuer, and upon delivery to the Trustee and, if applicable, the Notes Collateral Agent of evidence satisfactory to the Trustee and the Notes Collateral Agent of the consent of the Holders as aforesaid, and upon receipt by the Trustee and, if applicable, the Notes Collateral Agent of the documents described in Section 13.04 of this Indenture, the Trustee and, if applicable, the Notes Collateral Agent shall join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture or other amendment, supplement or modification to the Note Documents unless such amended or supplemental indenture or other amendment, supplement or modification directly affects the Trustee’s or the Notes Collateral Agent’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee or the Notes Collateral Agent, as applicable, may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture or other amendment, supplement or modification to the Note Documents.

(c) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement, waiver or modification. It shall be sufficient if such consent approves the substance of such proposed amendment, supplement, waiver or modification.

(d) After an amendment, supplement, waiver or modification under this Section 9.02 becomes effective, the Issuer will give to the Holders a notice briefly describing such amendment, supplement, waiver or modification. However, the failure of the Issuer to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of any such amendment, supplement, waiver or modification.

(e) However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the optional redemption of the Notes pursuant to Section 3.07 of this Indenture (other than provisions relating to notice period for consummating an optional redemption of the Notes).

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the contractual rights of Holders to receive payments of principal of, or interest or premium, if any, on, the Notes;

(7) make any change in the preceding amendment and waiver provisions;

(8) amend or otherwise modify any Security Documents or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing (x) the Liens on all or substantially all of the Collateral which secure the Notes Obligations or (y) all or substantially all of the value of the Guarantees; or

(9) permit the creation or the existence of any Subsidiary that would be “unrestricted” or otherwise excluded from the requirements, taken as a whole, applicable to Subsidiaries pursuant to this Indenture.

(f) Without the consent of each Holder directly and adversely affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder) (a) subordinate, in a single transaction or a series of related transactions, the Liens securing any of the Notes on any material portion of the Collateral in contractual lien or payment priority to the Liens on all or substantially all of the Collateral securing any other Indebtedness for borrowed money or (b) subordinate any of the Notes in contractual payment priority to any other Indebtedness for borrowed money (such Indebtedness, the “Senior Indebtedness”), in each case, unless each directly and adversely affected Holder has been or will be offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the principal amount of Notes that are directly and adversely affected thereby held by each Holder immediately prior to the incurrence of such Senior Indebtedness) of the Senior Indebtedness on the same terms (other than bona fide backstop fees, any arrangement or restructuring fees and reimbursement of counsel fees and other expenses in connection with the

negotiation of the terms of such transaction; such fees and expenses, “Ancillary Fees”) as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such directly and adversely affected Holder decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness. Any subordination expressly permitted by this Indenture as in effect on the Issue Date or any other Note Document as in effect on the Issue Date (including any Intercreditor Agreement as in effect on the Issue Date) shall not be restricted by this Section 9.02(f). For the avoidance of doubt, this Section 9.02(f) shall not (i) override the permission for (x) Liens expressly permitted by this Indenture as in effect on the Issue Date, or (y) Indebtedness expressly permitted by this Indenture as in effect on the Issue Date, (ii) restrict any amendment to this Indenture to increase the maximum amount of Indebtedness permitted to be incurred under Section 4.09(c), Section 4.09(e), Section 4.09(w), Section 4.09(y), Section 4.09(z), Section 4.09(aa), Section 4.09(dd) or Section 4.09(ee) that has been consented to by Holders of a majority in aggregate principal amount of the Notes then outstanding pursuant to Section 9.02(a) or (iii) apply to the incurrence of any “debtor-in-possession” financing.

Notwithstanding the foregoing, without the consent of the Holders of at least 66 2/3% in aggregate principal amount of all the outstanding Notes issued under this Indenture, no amendment or waiver may amend or otherwise modify any provisions in this Indenture with the effect of extending or adding any grace periods with respect to the payment of principal or interest on the Notes.

(f) A consent to any amendment, supplement or waiver of this Indenture, the Notes or the Guarantee by any Holder given in connection with a tender of such Holder’s Notes will not be rendered invalid by such tender.

Section 9.03 [Reserved].

Section 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder’s Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Issuer may, but shall not be obliged to, fix a record date pursuant to Section 1.05 of this Indenture for the purpose of determining the Holders entitled to consent to any amendment or waiver.

Section 9.05 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee and Notes Collateral Agent to Sign Amendments, etc.

The Trustee and the Notes Collateral Agent shall sign any amended or supplemental indenture, security documents, intercreditor agreements or other amendments, supplements or modifications to any Note Documents authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Collateral Agent, as applicable. The Issuer may not sign an amended or supplemental indenture, security document, intercreditor agreement or other amendment, supplement or modification to any Note Document until the Board of Directors of the Issuer approves it. In executing any amended or supplemental indenture, security document, intercreditor agreement or other amendment, supplement or modification to any Note Document, the Trustee and the Notes Collateral Agent, as applicable, shall be provided with and (subject to Section 7.01 of this Indenture) shall be fully protected in relying upon, in addition to the documents required by Section 13.04 of this Indenture, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture, security document, intercreditor agreement or other amendment, supplement or modification to any Note Document is authorized or permitted by this Indenture and the Note Documents. Notwithstanding the foregoing, no Opinion of Counsel shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit B hereto.

ARTICLE 10 GUARANTEES

Section 10.01 Guarantees.

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees, on a second lien senior secured basis, to each Holder and to the Trustee and the Notes Collateral Agent and their respective successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that: (1) the principal, premium, if any, and interest on the Notes shall be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal and interest on the Notes, if any, if lawful, and all other Obligations of the Issuer to the Holders, the Trustee or the Notes Collateral Agent hereunder or under the Notes shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal,

whether at Stated Maturity, by acceleration or otherwise (collectively, the “*Guaranteed Obligations*”). Failing payment by the Issuer when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each of the Guarantors hereby agrees that its obligations under its Guarantee shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder, the Trustee or the Notes Collateral Agent with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that its Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture, or pursuant to Section 10.05 of this Indenture.

(c) Each of the Guarantors also agrees, jointly and severally, to pay any and all costs and expenses (including reasonable attorneys’ fees and expenses) incurred by the Trustee, the Notes Collateral Agent or any Holder in enforcing any rights under this Section 10.01 of this Indenture.

(d) If any Holder, the Trustee or the Notes Collateral Agent is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or the Guarantors, any amount paid either to the Trustee, the Notes Collateral Agent or such Holder, each Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(e) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders, the Trustee and the Notes Collateral Agent, on the other hand, (1) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of its Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Obligations as provided in Article 6 of this Indenture, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of its Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders, the Trustee or the Notes Collateral Agent under any Guarantees.

(f) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation or reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer’s assets, and shall, to

the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Guarantees, whether as a “voidable preference,” “fraudulent transfer” or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(g) In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(h) Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee will be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor’s pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment, determined in accordance with GAAP.

Section 10.03 Execution and Delivery.

(a) To evidence its Guarantee set forth in Section 10.01 of this Indenture, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 of this Indenture shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 10.04 Guarantors May Consolidate, etc., on Certain Terms.

(a) Except as otherwise provided in this Section 10.04, a Subsidiary Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into another Person (other than the Issuer or another Subsidiary Guarantor) or consummate a Division as the Dividing Person (in each case, whether or not such Subsidiary Guarantor is the surviving Person), unless:

(1) immediately after giving effect to such transaction, no Event of Default exists; and

(2) either:

(A) the Person (if other than the Issuer or a Subsidiary Guarantor) acquiring the property in any such sale or disposition or the Person (if other than the Issuer or a Subsidiary Guarantor) formed by or surviving any such consolidation, merger or Division assumes all the obligations of that Subsidiary Guarantor under this Indenture and its Subsidiary Guarantee, pursuant to a supplemental indenture satisfactory to the Trustee; or

(B) such transaction does not violate Section 4.10 of this Indenture.

Section 10.05 Releases.

(a) The Subsidiary Guarantee of a Subsidiary Guarantor will be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Subsidiary Guarantor (including by way of merger, consolidation or Division) to a Person that is not (either before or after giving effect to such transaction) the Issuer or a Subsidiary Guarantor, if the sale or other disposition does not violate Section 4.10 of this Indenture;

(2) in connection with any sale of Capital Stock of that Subsidiary Guarantor following which such Subsidiary Guarantor is no longer a Subsidiary, if the sale or other disposition does not violate Section 4.10 of this Indenture;

(3) if any Subsidiary that is a Subsidiary Guarantor becomes an Excluded Subsidiary in accordance with the applicable provisions of this Indenture;

(4) upon Legal Defeasance or Covenant Defeasance in accordance with Article 8 of this Indenture or satisfaction and discharge of this Indenture in accordance with Article 11 of this Indenture; or

(5) as described in Article 9.

ARTICLE 11 SATISFACTION AND DISCHARGE

Section 11.01 Satisfaction and Discharge.

(a) This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the transmitting of a notice of redemption or otherwise or will become due and payable within one year and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(2) no Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

(3) the Issuer or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(4) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

(b) In addition, the Issuer must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

(c) Notwithstanding the satisfaction and discharge of this Indenture, the provisions of Section 7.06 of this Indenture shall survive, and if money shall have been deposited with the Trustee pursuant to Section 11.01(a)(1)(B) of this Indenture, the provisions of Section 11.02 and Section 8.06 of this Indenture shall survive.

Section 11.02 Application of Trust Money.

(a) Subject to the provisions of Section 8.06 of this Indenture, all money and Government Securities deposited with the Trustee pursuant to Section 11.01 of this Indenture shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest for whose payment such money has been deposited with the Trustee, but such money need not be segregated from other funds except to the extent required by law.

(b) If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 of this Indenture by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 of this Indenture; *provided* that if the Issuer has made any payment of principal, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent, as the case may be.

ARTICLE 12
COLLATERAL

Section 12.01 Security Documents

On and after the Issue Date, the due and punctual payment of the principal of, premium and interest on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium and interest on the Notes and payment and performance of all other Notes Obligations of the Issuer and the Guarantors to the Holders, the Trustee or the Notes Collateral Agent under this Indenture, the Notes, the Guarantees and the Security Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Security Documents. The Trustee, the Issuer and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Holders and the Trustee and pursuant to the terms of the Security Documents and the Intercreditor Agreements. Each Holder, by accepting a Note, consents and agrees to the terms

of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor Agreements, each as may be in effect or may be amended from time to time in accordance with their terms and this Indenture, and authorizes and directs the Notes Collateral Agent to enter into (including by way of joinder) the Security Documents, the Intercreditor Agreements on the Issue Date, and the Security Documents and any other intercreditor agreement not prohibited by the terms of this Indenture, if any, at any time after the Issue Date, if applicable, binding the Holders to the terms thereof, and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuer shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 12.01, to assure and confirm to the Notes Collateral Agent the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. On the Issue Date, the Issuer, the Guarantors, the Notes Collateral Agent and the Trustee, as applicable, will enter into (including by way of joinder) the Intercreditor Agreements and the other Security Documents establishing the terms of the security interests with respect to the Collateral. On or following the Issue Date, the Issuer and the Guarantors shall promptly execute, file or cause the filing of any and all further instruments and documents, and take any and all actions (including filing financing statements, continuation statements and amendments to financing statements), that may be necessary or that the Notes Collateral Agent may reasonably request in order to grant, preserve, maintain, protect and perfect (including the priority thereof) the security interests granted or purported to be granted by the Security Documents in the Collateral.

Section 12.02 Release of Collateral

(a) The Issuer and the Guarantors will be entitled to the automatic release of property and other assets constituting Collateral from the Liens securing the Notes and the Notes Obligations under any one or more of the following circumstances:

- (1) upon payment in full of the principal of, together with accrued and unpaid interest (including any premiums) on, the Notes and all other Obligations under this Indenture, the Guarantees and the Security Documents,
- (2) at the time such property or asset is sold, transferred or otherwise disposed of as part of or in connection with any sale, transfer or other disposition in a transaction not prohibited under this Indenture or any Note Document to any Person that is not the Issuer or that is not (and is not required to be) a Guarantor;
- (3) if such property or assets become Excluded Assets;
- (4) in the case of a Guarantor that is released from its Guarantee with respect to the Notes pursuant to the terms of this Indenture, the release of the property and assets of such Guarantor;
- (5) [reserved];

(6) in connection with any enforcement action taken in accordance with the First Lien/Second Lien Intercreditor Agreement;

(7) as described under Article 9 hereof;

(8) if such property is otherwise released in accordance with, and as expressly provided by the terms of, this Indenture, the Intercreditor Agreements or any other Security Document; or.

(9) upon a Legal Defeasance or Covenant Defeasance under this Indenture as described under Section 8.02 and Section 8.03 hereof, or a discharge of this Indenture as described under Section 11.01 hereof.

(c) With respect to any release of Collateral, upon receipt of an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent under this Indenture, the Security Documents and the Intercreditor Agreements, as applicable, to such release have been met and that it is permitted for the Notes Collateral Agent to execute and deliver the documents requested by the Issuer in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Notes Collateral Agent will promptly upon the request of the Issuer (and each Holder irrevocably authorizes the Notes Collateral Agent at any time to), at the Issuer's expense, execute and deliver to the applicable Grantor such documents as the Issuer may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents, or to evidence the release of the applicable Guarantor from its Guarantee, in each case in accordance with the terms of this Indenture, the Security Documents and the Intercreditor Agreements, as applicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officers' Certificate and Opinion of Counsel and notwithstanding any term hereof or in any Security Document or in the Intercreditor Agreements to the contrary, the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officers' Certificate and Opinion of Counsel, upon which it shall be entitled to conclusively rely.

Section 12.03 Suits to Protect the Collateral

Subject to the provisions of Article 7, the Security Documents and the Intercreditor Agreements, the Trustee, without the consent of the Holders, on behalf of the Holders, may (but shall not be obligated to), in its sole discretion, or may direct the Notes Collateral Agent to take all actions it determines in order to:

(a) enforce any of the terms of the Security Documents; and

(b) collect and receive any and all amounts payable in respect of the Notes Obligations hereunder.

Subject to the provisions of the Security Documents and the Intercreditor Agreements, the Trustee and the Notes Collateral Agent shall have the power to institute and to

maintain such suits and proceedings as the Trustee or the Notes Collateral Agent may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee or the Notes Collateral Agent may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 12.03 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.

Section 12.04 Authorization of Receipt of Funds by the Trustee Under the Security Documents

Subject to the provisions of the Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 12.05 Purchaser Protected

Subject to the provisions of the Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 12.06 Powers Exercisable by Receiver or Trustee

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 12 upon the Issuer or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article 12; and if the Trustee or the Notes Collateral Agent shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee, the Notes Collateral Agent or otherwise in accordance with the Intercreditor Agreements.

Section 12.07 Notes Collateral Agent

(a) The Issuer and each of the Holders by acceptance of the Notes hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Security Documents and the Intercreditor Agreements, and the Issuer and each of the Holders by acceptance of the Notes hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Security Documents and the Intercreditor Agreements, and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Security Documents and the Intercreditor Agreements, and consents and agrees to the terms of the Intercreditor Agreements and each Security Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 12.07. Each Holder agrees that any action taken by the Notes Collateral

Agent in accordance with the provisions of this Indenture, the Intercreditor Agreements, and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents or the Intercreditor Agreements, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Security Documents or the Intercreditor Agreements, to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents or the Intercreditor Agreements, or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. The parties hereto acknowledge and agree that the Notes Collateral Agent shall not be obligated to act as collateral agent for any debt issued after the date hereof (except in the event that PIK Notes or Additional Notes under this Indenture are issued), or for any party which becomes a creditor to the Issuer after the date hereof.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Security Documents and/or the Intercreditor Agreements, by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person’s Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a “Related Person”), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.

(c) The Notes Collateral Agent shall be entitled to conclusively rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, certification, electronic transmission, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and, subject to Section 12.07(n), upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, judgment, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents, the Intercreditor Agreements, or any other Note Document, unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate

principal amount of the Notes then outstanding as it determines and, if it so requests, it shall first be indemnified to its satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents, the Intercreditor Agreements, or any other Note Document in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(d) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless an officer of the Notes Collateral Agent shall have received written notice referring to this Indenture, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article 6 or the Holders of a majority in aggregate principal amount of the Notes then outstanding (subject to this Section 12.07). The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default.

(e) The Notes Collateral Agent may resign at any time by 30 days’ written notice to the Trustee and the Issuer, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Issuer shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may appoint a successor collateral agent, subject to the consent of the Issuer (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Issuer pursuant to the preceding sentence within 30 days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction, at the expense of the Issuer, to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. After the retiring Notes Collateral Agent’s resignation hereunder, the provisions of this Section 12.07 (and Section 7.07 hereof) shall continue to inure to its benefit and the retiring Notes Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture. If the Notes Collateral Agent consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Notes Collateral Agent.

(f) Ankura Trust Company, LLC shall initially act as Notes Collateral Agent and shall be authorized to appoint co-collateral agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Agreements, neither the Notes Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person (other than the request of the Trustee or the Holders of a majority of the aggregate principal amount of the Notes in accordance with this Indenture) or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Agent nor any of its officers, directors, employees' attorneys, representatives or agents shall be responsible for any act or failure to act hereunder, except to the extent such act is found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence, willful misconduct or bad faith.

(g) The Notes Collateral Agent is authorized and directed to (i) enter into the Security Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into (including by way of joinder) the Intercreditor Agreements on the Issue Date, (iii) enter into any other intercreditor arrangement or subordination agreement not prohibited by the terms hereof on or after the Issue Date, (iv) make the representations of the Holders set forth in the Security Documents or any of the Intercreditor Agreements, (v) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreements, and (vi) perform and observe its obligations under the Security Documents and the Intercreditor Agreements.

(h) The Trustee shall not, and shall not instruct the Notes Collateral Agent to, in each case unless specifically requested to do so by the Holders of a majority in aggregate principal amount of the Notes then outstanding, take or cause to be taken any action to enforce its rights under this Indenture or the other Note Documents or against any Grantor, including the commencement of any legal or equitable proceedings, to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

(i) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Notes Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article 6, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Security Documents and the Intercreditor Agreements.

(j) Subject to the Intercreditor Agreements, the Notes Collateral Agent is each Holder's agent for the purpose of perfecting the Holders' security interest in Collateral which, in accordance with Article 9 of the Uniform Commercial Code, can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the

Issuer, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent's instructions.

(k) The Notes Collateral Agent shall have no obligation whatsoever to the Trustee, any of the Holders or any of the Notes Secured Parties to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all or the Grantor's property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure, or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document or any of the Intercreditor Agreements, other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Security Documents or the Intercreditor Agreements it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, the Notes Collateral Agent shall have no other duty or liability whatsoever to the Trustee, any Holder, or any Notes Secured Party as to any of the foregoing, except for such liability resulting from the Notes Collateral Agent's own willful misconduct, gross negligence or bad faith (as determined by a final, non-appealable judgment of a court of competent jurisdiction).

(l) If the Issuer or any Guarantor (i) incurs any obligations in respect of Indebtedness with a Senior Lien Priority to the Notes Obligations at any time when no applicable intercreditor agreement is in effect or at any time when such Indebtedness entitled to the benefit of the Intercreditor Agreements is concurrently retired or (ii) delivers to the Notes Collateral Agent an Officers' Certificate so stating and requesting the Notes Collateral Agent to enter into an intercreditor agreement not prohibited hereunder in favor of a designated agent or representative for the holders of such Indebtedness so incurred, in each case, together with an Opinion of Counsel, the Notes Collateral Agent shall (and are hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Issuer, including legal fees and expenses of the Trustee and Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder; *provided* that neither an Officers' Certificate nor an Opinion of Counsel shall be required in connection with the Intercreditor Agreements to be entered into by the Notes Collateral Agent on the Issue Date. The Notes Collateral Agent shall enter any intercreditor agreement in accordance with Sections 7.10 and 13.20.

(m) No provision of this Indenture, the Intercreditor Agreements or any Security Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have received indemnity satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating

thereto. Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any Collateral or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause (m) if it no longer reasonably deems any indemnity, security or undertaking from the Issuer or the Holders to be sufficient.

(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and/or the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence, willful misconduct or bad faith, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Issuer (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) Neither the Notes Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Notes Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Issuer or any other Grantor under this Indenture, the Intercreditor Agreements and/or the Security Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Security Documents or the Intercreditor Agreements, or in any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Intercreditor Agreements or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor Agreements and any Security Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations,

business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the Intercreditor Agreements and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture, the Intercreditor Agreements and/or any Security Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the Intercreditor Agreements and the Security Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Security Documents or the Intercreditor Agreements.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Security Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in either of the Notes Collateral Agent or the Trustee's sole discretion may cause the Notes Collateral Agent or the Trustee, as applicable, to be considered an "owner or operator" under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act ("*CERCLA*"), 42 U.S.C. § 9601, et seq., or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under *CERCLA* or any other federal, state or local law, each of the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Issuer, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of either of the Notes Collateral Agent's or the Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for the Collateral to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Issuer or the Guarantors, Holders of a majority in

aggregate principal amount of the then outstanding Notes shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.

(r) Upon the receipt by the Notes Collateral Agent of a written request of the Issuer signed by two Officers (a “*Security Document Order*”), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document or amendment or supplement thereto permitted hereunder to be executed after the Issue Date; *provided* that the Notes Collateral Agent shall not be required to execute or enter into any such Security Document which, in the Notes Collateral Agent’s reasonable opinion is reasonably likely to adversely affect the rights, duties, liabilities or immunities of the Notes Collateral Agent or that the Notes Collateral Agent determines is reasonably likely to involve the Notes Collateral Agent in personal liability. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 12.07(q), and (ii) instruct the Notes Collateral Agent to execute and enter into such Security Document. Other than as set forth in this Indenture, any such execution of a Security Document shall be at the direction and expense of the Issuer, upon delivery to the Notes Collateral Agent of an Officers’ Certificate and Opinion of Counsel, each stating that all conditions precedent to the execution and delivery of the Security Document have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents (subject to the first sentence of this Section 12.07(q)).

(s) Each Holder, by acceptance of the Notes, agrees that the Notes Collateral Agent shall execute and deliver the Intercreditor Agreements and the Security Documents and all agreements, documents and instruments incidental thereto, and may enter into further intercreditor agreements in accordance with the terms hereof, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no obligation to exercise any discretion under this Indenture, the Intercreditor Agreements, any intercreditor agreement, or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes or the Trustee, as applicable. Each Holder, by acceptance of the Notes, authorizes and directs the Notes Collateral Agent to execute and deliver the Intercreditor Agreements in accordance with the term of this Indenture, in each case in its capacity as “representative” (or similar term) for itself and on behalf of the other Notes Secured Parties, and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof.

(t) After the occurrence and during the continuance of an Event of Default, the Trustee, acting at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or any of the Intercreditor Agreements.

(u) The Notes Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents or the Intercreditor Agreements, and to the extent not prohibited under the Intercreditor Agreements, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

(v) In each case that the Notes Collateral Agent may or is required hereunder or under any Security Document or any Intercreditor Agreement, to take any action (an “*Action*”), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or the Intercreditor Agreements, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, accompanied by indemnity, if requested, satisfactory to the Notes Collateral Agent. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, accompanied by indemnity, if requested, satisfactory to the Notes Collateral Agent, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(w) Notwithstanding anything to the contrary contained in this Indenture, any Security Document or the Intercreditor Agreements, in no event shall the Notes Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture or the Security Documents (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby. The Notes Collateral Agent makes no representation regarding the validity, effectiveness or enforceability of the Intercreditor Agreements.

(x) Before the Notes Collateral Agent acts or refrains from acting in each case at the request or direction of the Issuer or the Guarantors, other than as set forth in this Indenture, it may require an Officers’ Certificate and an Opinion of Counsel, which shall conform to the provisions of this Section 12.07 and Section 13.02 hereof. The Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(y) Notwithstanding anything to the contrary contained in this Indenture, the Notes Collateral Agent shall be entitled to act pursuant to the instructions of the Holders and the Trustee with respect to the Security Documents and the Collateral.

(z) The rights, privileges, benefits, immunities, indemnities and other protections given to the Trustee are extended to, and shall be enforceable by, the Notes Collateral Agent as if the Notes Collateral Agent were named as the Trustee herein and the Security Documents were named as this Indenture herein. The Notes Collateral Agent shall be entitled to compensation, reimbursement and indemnity as set forth in Section 7.06, as if references therein to Trustee were references to Notes Collateral Agent.

(aa) None of the Notes Collateral Agent or any of its Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture, any other Note Documents or the transactions contemplated thereby (except to the extent that the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence, willful misconduct or bad faith), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Issuer, any Grantor or any Affiliate of any Grantor, or any officer or Related Persons thereof, contained in this Indenture, or any other Note Documents, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, or any other Note Documents, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Security Documents, the Intercreditor Agreements, or for any failure of any Grantor or any other party to this Indenture, the Security Documents, Intercreditor Agreements to perform its obligations hereunder or thereunder. None of the Notes Collateral Agent or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, the Note Documents or to inspect the properties, books or records of any Grantor or any Grantor's Affiliates.

(bb) In the event of any dispute between or conflicting claims by or among the Notes Secured Parties and/or any other person or entity with respect to any Collateral, the Notes Collateral Agent shall be entitled, in its sole discretion, to refuse to comply with any and all claims, demands or instructions with respect to such Collateral so long as such dispute or conflict shall continue, and the Notes Collateral Agent shall not be or become liable in any way to the Notes Secured Parties for failure or refusal to comply with such conflicting claims, demands or instructions. The Notes Collateral Agent shall be entitled to refuse to act until, in its sole discretion, either (i) such conflicting or adverse claims or demands shall have been determined by a final order, judgment or decree of a court of competent jurisdiction, which order, judgment or decree is not subject to appeal, or settled by agreement between the conflicting parties as evidenced in a writing satisfactory to the Notes Collateral Agent or (ii) the Notes Collateral Agent shall have received security or an indemnity satisfactory to it sufficient to hold it harmless from and against any and all claims, losses and liabilities which it may incur by reason of so acting. The Notes Collateral Agent may, in addition, elect, in its sole discretion, to commence an interpleader action or seek other judicial relief or orders as it may deem, in its sole discretion, necessary. The costs and expenses (including reasonable attorney's fees and expenses) incurred in connection with such proceeding shall be paid by and shall be deemed a joint and several obligation of, the Notes Secured Parties (which, for purposes of this obligation, shall be deemed not to include the Notes Collateral Agent or the Trustee).

(cc) Upon any payment or distribution of assets hereunder, the Notes Collateral Agent shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which an insolvency proceeding is pending, or a certificate of the trustee in bankruptcy, liquidating trustee, custodian, receiver, assignee for the benefit of creditors, agent or other person making such payment or distribution in the insolvency proceeding, delivered to the Notes Collateral Agent, for the purpose of ascertaining the persons entitled to participate in such payment or distribution, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto.

(dd) The Issuer and the Guarantors, jointly and severally, shall indemnify the Notes Collateral Agent for, and hold the Notes Collateral Agent harmless against, any and all loss, damage, claim, liability, expenses and costs (including reasonable attorneys' fees and expenses and court costs) incurred in connection with any action, claim or suit brought to enforce the Notes Collateral Agent's right to indemnification and the acceptance or the performance of its duties hereunder (including the costs and expenses of enforcing any Note Documents against the Issuer or any of the Guarantors (including this Article 12) or defending itself against any claim whether asserted by any Holder, an Issuer or any Guarantor, any holder of other Indebtedness or any other Person or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). The Notes Collateral Agent shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Notes Collateral Agent to so notify the Issuer shall not relieve the Issuer or any Guarantor of their obligations hereunder. The Issuer and the Guarantors shall defend the claim and the Notes Collateral Agent may have separate counsel and the Issuer and the Guarantors shall pay the fees and expenses of such counsel. The obligations of the Issuer and the Guarantors under this Section 12.07(dd) shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Notes Collateral Agent. To secure the payment obligations of the Issuer and the Guarantors in this Section 12.07(dd), the Notes Collateral Agent shall have a Lien prior to the Notes and rights of the Holders on all money or property held or collected by the Trustee or Notes Collateral Agent, except for money and property held in trust to pay principal, premium, if any, and interest on the Notes. Such Lien shall survive the satisfaction and discharge of this Indenture. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee and the Notes Collateral Agent through the willful misconduct, gross negligence or bad faith on the part of the Trustee or the Notes Collateral Agent, as the case may be.

The Issuer, any Guarantor, the Trustee and the Notes Collateral Agent by like notice, may designate additional or different addresses for subsequent notices or communications.

(b) All notices and communications (other than those sent to Holders) shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; on the first date of which publication is made, if by publication; five calendar days after being deposited in the mail, postage prepaid, if mailed by first-class mail; the next Business Day after timely delivery to the courier, if mailed by overnight air courier guaranteeing next day delivery; when receipt acknowledged, if sent by facsimile or electronic transmission; *provided* that any notice or communication delivered to the Trustee shall be deemed effective upon actual receipt thereof.

(c) Any notice or communication to a Holder shall be electronically transmitted or mailed by first-class mail (certified or registered, return receipt requested) or by overnight air courier guaranteeing next day delivery to its address shown on the Note Register or by such other delivery system as the Trustee agrees to accept. Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders.

(d) Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(e) Notwithstanding any other provision herein, where this Indenture provides for notice of any event to any Holder of an interest in a Global Note (whether by mail or otherwise), such notice shall be sufficiently given if given to the Depositary for such Note (or its designee), according to the applicable procedures of such Depositary, if any, prescribed for the giving of such notice.

(f) The Trustee and the Notes Collateral Agent shall have the right to accept and act upon instructions, including funds transfer instructions (“*Instructions*”) given pursuant to this Indenture and delivered using the following communications methods: e-mail, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee and the Notes Collateral Agent, or another method or system specified by the Trustee and the Notes Collateral Agent, as available for use in connection with its services hereunder (collectively, “*Electronic Means*”); provided, however, that the Issuer and each Guarantor, as applicable, shall provide to the Trustee an incumbency certificate listing Officers with the authority to provide such Instructions (“*Authorized Officers*”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer and each Guarantor, as applicable, whenever a Person is to be added or deleted from the listing. If any of the Issuer and Guarantors, as applicable, elects to give Instructions to the Trustee and the Notes Collateral Agent using Electronic Means and the Trustee and the Notes Collateral Agent in its discretion elects to act upon such Instructions, the Trustee’s and the Notes Collateral Agent’s understanding of such Instructions shall be deemed controlling. Each of the Issuer and the Guarantors understands and agrees that the Trustee and the Notes Collateral Agent cannot determine the identity of the actual sender of such Instructions and that the Trustee and the Notes Collateral Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee and the Notes Collateral Agent have been sent by such Authorized Officer. Each of the Issuer and the Guarantors shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and the Notes Collateral Agent and that each of the Issuer and the Guarantors and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer or any Guarantor, as applicable. The Trustee and the Notes Collateral Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s and the Notes Collateral Agent’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are

inconsistent with a subsequent written instruction. Each of the Issuer and the Guarantors agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee and the Notes Collateral Agent, including without limitation the risk of the Trustee and the Notes Collateral Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and the Notes Collateral Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer or any Guarantor, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee and the Notes Collateral Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

(g) Except as otherwise expressly provided above, if a notice or communication is transmitted in the manner provided above within the time prescribed, it is duly given, whether or not the addressee receives it.

(h) If the Issuer transmits a notice or communication to Holders, it shall transmit a copy to the Trustee and the Notes Collateral Agent and each Agent at the same time.

Section 13.09 Waiver of Jury Trial.

EACH OF THE ISSUER, THE GUARANTORS, HOLDERS, THE TRUSTEE AND THE NOTES COLLATERAL AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE GUARANTEES, THE OTHER NOTE DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 of the Indenture and Section 2.2(c) of this Appendix A.

(c) *Book-Entry Provisions.* This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depositary.

The Issuer shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 2.02 of the Indenture and pursuant to an Authentication Order, authenticate and deliver initially one or more Global Notes that (i) shall be registered in the name of the Depositary for such Global Note or Global Notes or the nominee of such Depositary and (ii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary's instructions or held by the Trustee as Custodian.

Members of, or participants in, the Depositary ("Agent Members") shall have no rights under the Indenture with respect to any Global Note held on their behalf by the Depositary or by the Trustee as Custodian or under such Global Note, and the Depositary may be treated by the Issuer, the Trustee, each Agent and any agent of the Issuer or the Trustee or such Agent as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee, any Agent or any agent of the Issuer or the Trustee or such Agent from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices of such Depositary governing the exercise of the rights of a Holder of a beneficial interest in any Global Note.

(d) *Definitive Notes.* Except as provided in Section 2.2 or Section 2.3 of this Appendix A, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Definitive Notes.

(e) *PIK Notes.* In connection with any PIK Payment, the Issuer is entitled, without the consent of the Holders (and without regard to any restrictions or limitations set forth in Section 4.09 and Section 4.12), to increase the aggregate principal amount of an outstanding Global Note or to issue PIK Notes in the form of Global Notes or Definitive Notes under this Indenture having the same terms as the Initial Notes or the Additional Notes, as applicable, subject to Section 2.14, in the amount of the applicable PIK Payment.

Section 2.2 Transfer and Exchange.

(a) *Transfer and Exchange of Definitive Notes for Definitive Notes.* When Definitive Notes are presented to the Registrar with a request:

- (i) to register the transfer of such Definitive Notes; or
- (ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or his or her attorney duly authorized in writing; and

(2) in the case of Transfer Restricted Notes, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to Section 2.2(b) of this Appendix A or otherwise in accordance with the Restricted Notes Legend, and are accompanied by a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto.

(b) *Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.* A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Registrar, together with:

(i) a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto; and

(ii) written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depositary account to be credited with such increase,

the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depositary and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so cancelled. If the applicable Global Note is not then outstanding, the Issuer shall issue and the Trustee shall authenticate, upon an Authentication Order, a new applicable Global Note in the appropriate principal amount.

(c) *Transfer and Exchange of Global Notes.*

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depositary, in accordance with the Indenture (including applicable restrictions on transfer set forth in Section 2.2(d) of this Appendix A, if any) and the procedures of the Depositary therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the Depositary's procedures containing information regarding the participant account of the Depositary to be credited with a beneficial

interest in such Global Note, or another Global Note and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred.

(ii) the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.3 of this Appendix A), a Global Note may not be transferred except as a whole and not in part if the transfer is by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

(d) *Restrictions on Transfer of Global Notes; Voluntary Exchange of Interests in Transfer Restricted Global Notes for Interests in Unrestricted Global Notes.*

(i) Transfers by an owner of a beneficial interest in a Rule 144A Global Note to a transferee who takes delivery of such interest through another Restricted Global Note shall be made in accordance with the Applicable Procedures and the Restricted Notes Legend and only upon receipt by the Trustee of a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto.

(ii) During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures, the Restricted Notes Legend on such Regulation S Global Note and any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through a Rule 144A Global Note shall be made only in accordance with the Applicable Procedures and the Restricted Notes Legend and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period. Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of the Indenture.

(iii) Upon the expiration of the Distribution Compliance Period, beneficial interests in the Regulation S Global Note may be exchanged for beneficial interests in an Unrestricted Global Note upon certification in the form provided on the reverse side of the Form of Note in *Exhibit A* for an exchange from a Regulation S Global Note to an Unrestricted Global Note.

(iv) Beneficial interests in a Transfer Restricted Note that is a Rule 144A Global Note may be exchanged for beneficial interests in an Unrestricted Global Note if the Holder certifies in writing to the Registrar that its request for such exchange is in respect of a transfer made in reliance on Rule 144 (such certification to be in the form set forth on the reverse side of the Form of Note in *Exhibit A*) and/or upon delivery of such legal opinions, certifications and other information as the Issuer or the Trustee may reasonably request.

(v) If no Unrestricted Global Note is outstanding at the time of a transfer contemplated by the preceding clauses (iii) and (iv), the Issuer shall issue and the Trustee shall authenticate, upon an Authentication Order, a new Unrestricted Global Note in the appropriate principal amount.

Section 2.3 Definitive Notes.

(a) A Global Note deposited with the Depositary or with the Trustee as Custodian pursuant to Section 2.1 may be transferred to the beneficial owners thereof in the form of Definitive Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if such transfer complies with Section 2.2 of this Appendix A and if (i) the Depositary (x) notifies the Issuer that it is unwilling or unable to continue as a Depositary for such Global Note, or (y) at any time the Depositary ceases to be a “clearing agency” registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor Depositary within 120 days after the date of such notice, or (ii) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of the Definitive Notes, or (iii) an Event of Default has occurred and is continuing and the Registrar has received a request from the Depositary to exchange the Global Note for Definitive Notes. In addition, any Affiliate of the Issuer or any Guarantor that is a beneficial owner of all or part of a Global Note may have such Affiliate’s beneficial interest transferred to such Affiliate in the form of a Definitive Note by providing a written request to the Issuer and the Trustee and such Opinions of Counsel, certificates or other information as may be required by this Indenture or the Issuer or Trustee.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.3 shall be surrendered by the Depositary to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. Any portion of a Global Note transferred pursuant to this Section 2.3 shall be executed, authenticated and delivered only in denominations of \$1.00 and integral multiples of \$1.00 in excess thereof and registered in such names as the Depositary shall direct. Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. INTEREST. ModivCare Inc., a Delaware corporation (the “*Issuer*”), promises to pay interest on the principal amount of this Note at the interest rate set forth herein pursuant to Section 2.14 and Section 4.01 of the Indenture.

With respect to each Interest Period, interest on the Notes shall, at the option of the Issuer, (i) accrue at a rate per annum equal to 5.000% and be payable in the form of Cash Interest, or (ii) accrue at a rate per annum equal to 10.000% and be payable in kind. Payment of interest in kind shall be (x) if the Notes are represented by one or more Definitive Notes, by issuing PIK Notes in an aggregate principal amount equal to the relevant amount of interest to be paid in kind (rounded down to the nearest \$1.00) and the Trustee will, upon receipt of an Authentication Order, authenticate and deliver such PIK Notes in the form of Definitive Notes for original issuance to the Holders on the relevant Record Date, as shown by the records of the Registrar and (y) if the Notes are represented by one or more Global Notes registered in the name of, or held by, DTC or its nominee on the relevant Record Date, by increasing the aggregate principal amount of the outstanding Global Notes by an amount equal to the amount of interest to be paid in kind (rounded down to the nearest \$1.00) and the Trustee, upon receipt of an Authentication Order, will increase the principal amount of the outstanding Global Note by such amount. Interest will be calculated based on the outstanding principal of the Notes as of the beginning of the applicable Interest Period rounded down to the nearest \$1.00, *provided* that (A) the Issuer shall be deemed to have elected to pay Cash Interest in accordance with clause (i) above unless the Issuer gives notice to the Trustee on or prior to the date that is 5 Business Days prior to an Interest Payment Date that the Issuer has elected to pay interest for the corresponding Interest Period in the form of PIK Interest in accordance with clause (ii) above and (B) the Issuer shall not be permitted to pay PIK Interest on the Notes (and must pay interest solely in the form of Cash Interest on the Notes at the Cash Interest Rate) for any Interest Period if Liquidity (calculated on a pro forma basis assuming that such interest was paid solely in the form of Cash Interest at the Cash Interest Rate) on any applicable Record Date occurring on and after March 15, 2026, for any such Interest Period would exceed \$100.0 million.

2. The Issuer shall pay interest semi-annually in arrears on April 1 and October 1 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from and including October 1, 2024; *provided* that the first Interest Payment Date shall be April 1, 2025. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) at the same interest rate on the Notes to

the extent lawful. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

3. **METHOD OF PAYMENT.** The Issuer shall pay interest on the Notes to the Persons who are registered Holders at the close of business on March 15 and September 15 (whether or not a Business Day), as the case may be, immediately preceding the related Interest Payment Date, even if such Notes are cancelled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. Principal, premium, if any, and Cash Interest on the Notes shall be payable at the office or agency of the Issuer maintained for such purpose or, at the option of the Issuer, payment of Cash Interest and premium, if any, may be made by check mailed to the Holders at their respective addresses set forth in the Note Register; *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal, premium, if any, and Cash Interest on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuer or the Paying Agent at least five Business Days prior to the applicable payment date. Such payment shall be in such coin or currency of the United States as at the time of payment is legal tender for payment of public and private debts. Notwithstanding anything to the contrary herein, PIK Interest shall be paid in accordance with Section 2.14 of the Indenture.

4. **PAYING AGENT AND REGISTRAR.** Initially, Ankura Trust Company, LLC, the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice to the Holders. The Issuer or any of its Subsidiaries may act in any such capacity.

5. **INDENTURE.** The Issuer issued the Notes under an Indenture, dated as of March 7, 2025 (as amended or supplemented from time to time, the “*Indenture*”), by and among the Issuer, the Guarantors party thereto, the Trustee and the Notes Collateral Agent. This Note is one of a duly authorized issue of Notes of the Issuer designated as its 5.000% / 10.000% Second Lien Senior Secured PIK Toggle Notes due 2029. The Notes, the PIK Notes and any Additional Notes issued under the Indenture shall be treated as a single class of securities under the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. Any term used in this Note that is defined in the Indenture shall have the meaning assigned to it in the Indenture. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

6. **REDEMPTION AND REPURCHASE.** The Notes are subject to optional and mandatory redemption, and may be the subject of certain repurchase events, as further described in the Indenture. Except as provided in the Indenture, the Issuer shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. **DENOMINATIONS, TRANSFER, EXCHANGE.** The Notes are in registered form without coupons in minimum denominations of \$1.00 and integral multiples of \$1.00 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as

provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents, and Holders shall be required to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption or tendered for repurchase in connection with a Change of Control Offer, except for the unredeemed portion of any Note being redeemed or repurchased in part.

8. PERSONS DEEMED OWNERS. The registered Holder may be treated as its owner for all purposes.

9. AMENDMENT, SUPPLEMENT AND WAIVER. The Indenture, the Guarantees or the Notes may be amended or supplemented as provided in the Indenture.

10. DEFAULTS AND REMEDIES. The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. 13. CUSIP AND ISIN NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP and ISIN numbers to be printed on the Notes, and the Trustee may use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

Section 2.1. Relative Lien and Payment Priorities.

(a) The parties to this Agreement agree that the payment and satisfaction of all of the First Lien Secured Obligations will be secured equally and ratably by the Senior Liens established in favor of the First Lien Secured Agent for the benefit of the First Lien Secured Parties, notwithstanding the time of incurrence of any First Lien Secured Obligations or time or method of creation or perfection of any Senior Liens securing such First Lien Secured Obligations and notwithstanding any provision of the UCC or any other applicable law or any defect or deficiencies in, or failure to perfect or lapse in perfection of, or avoidance as a fraudulent conveyance or otherwise of, the Liens securing the First Lien Secured Obligations or any other circumstance whatsoever, whether or not any Insolvency or Liquidation Proceeding has been commenced against any Grantor, it being the intent of the parties that all First Lien Secured Obligations will be and are secured equally and ratably by all Senior Liens at any time granted by any Grantor to secure any First Lien Secured Obligations, whether or not upon property otherwise constituting collateral for such First Lien Secured Obligations, and that all such Senior Liens will be enforceable by the Controlling Agent for the benefit of all First Lien Secured Parties equally and ratably, subject to the terms of this Agreement. Except as otherwise set forth herein, the parties to this Agreement agree that it is their intention that the Collateral securing the First Lien Secured Obligations be identical.

(b) Notwithstanding the date, time, method, manner or order of grant, attachment, recordation or perfection of any Liens on the Collateral securing the First Lien Secured Obligations or of any Liens on the Collateral securing the Second Lien Secured Obligations, and notwithstanding any provision of the UCC or any other applicable law, or the First Lien Loan Documents or the Second Lien Note Documents, or any defect or deficiencies in, or failure to perfect or lapse in perfection of, or avoidance as a fraudulent conveyance or otherwise of, the Liens securing the First Lien Secured Obligations or any other circumstance whatsoever, whether or not any Insolvency or Liquidation Proceeding has been

(ii) any Lien on the Collateral securing any Second Lien Secured Obligations now or hereafter held by or on behalf of the Second Lien Secured Agent, any other Second Lien Secured Party or any agent or trustee therefor, regardless of how acquired, whether by grant, possession, statute (including any judgment lien), operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Collateral securing any of the First Lien Secured Obligations; and

Section 2.2. Waiver of Right to Contest Liens.

(a) The First Lien Secured Agent, acting on behalf of the First Lien Secured Parties, agrees that it and they shall not (and hereby waives any right to) take any action to contest or challenge (or assist or support any other Person in contesting or challenging), directly or indirectly, whether or not in any proceeding (including in any Insolvency or Liquidation Proceeding), the validity, priority, enforceability, or perfection of the Liens of the Second Lien Secured Agent and the Second Lien Holders in respect of the Collateral or the Second Lien Secured Obligations or the provisions of this Agreement.

(b) The Second Lien Secured Agent, acting on behalf of the Second Lien Secured Parties, agrees that it and they shall not (and hereby waives any right to) take any action to contest or challenge (or assist or support any other Person in contesting or challenging), directly or indirectly, whether or not in any proceeding (including in any Insolvency or Liquidation Proceeding), the validity, priority, enforceability, or perfection of the Liens of the First Lien Secured Agent and the First Lien Lenders in respect of the Collateral or the First Lien Secured Obligations or the provisions of this Agreement. Except to the extent expressly set forth in this Agreement, the Second Lien Secured Agent, acting on behalf of the Second Lien Secured Parties, agrees that none of the Second Lien Secured Agent or other Second Lien Secured Parties will take any action that would interfere with any Exercise of Secured Creditor Remedies or the Exercise of Unsecured Creditor Remedies undertaken by the Controlling Agent or any First Lien Lender under the First Lien Loan Documents with respect to the Collateral. Except to the extent expressly set forth in this Agreement, the Second Lien Secured Agent, acting on behalf of the Second Lien Secured Parties, hereby waives any and all rights it or the other Second Lien Secured Parties may have as a junior lien creditor or otherwise to contest, protest, object to, or interfere with the manner in which the First Lien Secured Agent or any First Lien Lender seeks to enforce its Liens in any Collateral. The foregoing shall not be construed to prohibit any Agent from enforcing the provisions of this Agreement as to the relative priority of the parties hereto.

(c) Except to the extent expressly set forth in this Agreement, the First Lien Secured Agent, acting on behalf of the First Lien Secured Parties, agrees that none of it or the First Lien Secured Parties it represents will take any action that would interfere with any Exercise of Secured Creditor Remedies undertaken by the Controlling Agent. Except to the extent expressly set forth in this Agreement, the First Lien Secured Agent, acting on behalf of the First Lien Secured Parties, hereby waives any and all rights it or the First Lien Secured Parties may have as a junior lien creditor or otherwise to contest, protest, object to, or interfere with the manner in which the Controlling Agent seeks to enforce its Liens in any Collateral. The foregoing shall not be construed to prohibit any First Lien Secured Agent from enforcing the provisions of this Agreement as to the relative priority of the parties hereto.

Section 2.3. Remedies Standstill. The Second Lien Secured Agent, acting on behalf of the Second Lien Secured Parties agrees that, from the date hereof until the date upon which the Discharge of First Lien Secured Obligations shall have occurred, neither the Second Lien Secured Agent nor any Second Lien Secured Party will Exercise Any Secured Creditor Remedies with respect to any of the Collateral without the written consent of the Controlling Agent, and will not take, receive or accept any Proceeds of Collateral (other than Permitted Second Lien Payments); *provided, however*, that the Second Lien Secured Agent may Exercise Any Secured Creditor Remedies with respect to the Collateral after a period of at least one hundred eighty (180) days has elapsed, without the commencement of an Insolvency or Liquidation Proceeding, since the date on which the Controlling Agent receives an Enforcement Notice from the Second Lien Secured Agent of the existence of any Event of Default under the Second Lien Note Documents, which Event of Default is still continuing at the end of such period (the “**Standstill Period**”); *provided, however*, that notwithstanding anything herein to the contrary, in no event shall the Second Lien Secured Agent or any Second Lien Holder Exercise Any Secured Creditor Remedies with respect to the Collateral if, notwithstanding the expiration of the Standstill Period, the Controlling Agent shall have commenced and be diligently pursuing the exercise of its rights or remedies with respect to substantially all or any material portion of the Collateral.

The Second Lien Secured Agent, acting on behalf of the Second Lien Secured Parties further agrees that, from the date hereof until the date upon which the Discharge of First Lien Secured Obligations shall have occurred, neither the Second Lien Secured Agent nor any Second Lien Secured Party will Exercise Any Unsecured Creditor Remedies during the Standstill Period. Following the Standstill Period, the Second Lien Secured Agent and/or any Second Lien Secured Party shall be permitted to Exercise Unsecured Creditor Remedies as permitted under the Second Lien Note Documents.

Notwithstanding the provisions of the prior paragraph or any other provision of this Agreement, nothing contained herein shall be construed to prevent any Agent, any First Lien Lender or any Second Lien Holder from (i) filing a claim or statement of interest with respect to the Obligations owed to it in any Insolvency or Liquidation Proceeding commenced by or against any Loan Party, (ii) taking any action (not adverse to the priority or perfection status of the Liens and related Obligations of any other Agent, other First Lien Lender or other Second Lien Holder with respect to the Collateral in which such other Agent, other First Lien Lender or other Second Lien Holder has a priority Lien or priority of payment right with respect thereto or the rights of the other Agent or any of the other Lenders to exercise remedies in respect thereof) in order to create, perfect, preserve or protect (but not enforce) its Lien on any Collateral and including joining in (but not initiating or controlling) any foreclosure, sale or other judicial lien enforcement proceeding with respect to the Collateral initiated by the Controlling Agent or such other Agent, other First Lien Lender or Second Lien Holder having a priority Lien or right of payment on such Collateral, (iii) filing any responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading filed by any Person objecting to or otherwise seeking disallowance of the claim or Lien of such Agent, First Lien Lender or Second Lien Holder or otherwise make any agreements or file any motions pertaining to the First Lien Secured Obligations or Second Lien Secured Obligations

owing to it, in each case, to the extent not in contravention of the terms of this Agreement, (iv) bidding for and purchasing Collateral at any private or judicial foreclosure sale of such Collateral initiated by the Controlling Agent (so long as such bid results in the Discharge of First Lien Secured Obligations and is otherwise subject to the limitations on credit bidding set forth in Section 7.1(m)), (v) voting on any Plan, filing any proof of claim, making other filings and making any arguments and motions in any Insolvency or Liquidation Proceeding of any Loan Party that are, in each case, consistent with and otherwise in accordance with the terms of this Agreement with respect to the First Lien Secured Obligations or Second Lien Secured Obligations and the Collateral; *provided* that no Secured Party shall propose, support or vote to accept any Plan that is inconsistent with this Agreement (including without limitation by classifying more than a single Series of Obligations in the same class) without the prior written consent of the Controlling Agent, (vi) subject to the prior paragraph, Exercising Any Secured Creditor Remedies on and after the last day of the Standstill Period or (vii) asserting or exercising all other rights and remedies as unsecured creditors (or filing any pleadings, objections, motions or agreements which assert, or seek to exercise, such rights and remedies), in each case (i) through (vii) above to the extent not inconsistent with or in violation of or which could result in a resolution inconsistent with the terms of this Agreement.

Section 2.4. Exercise of Rights.

(a) No Other Restrictions. Except as expressly set forth in this Agreement, the First Lien Secured Agent, each First Lien Lender, the Second Lien Secured Agent and each Second Lien Holder shall have any and all rights and remedies it may have as a creditor under applicable law, including the right to the Exercise of Secured Creditor Remedies; *provided, however*, that the Exercise of Secured Creditor Remedies with respect to the Collateral shall be subject to the Lien Priority and to the provisions of this Agreement, including Sections 2.3 and 4.1 hereof. The First Lien Secured Agent may enforce the provisions of the First Lien Loan Documents and the Controlling Agent may Exercise Any Secured Creditor Remedies, all in such order and in such manner as each may determine in the exercise of its sole discretion, consistent with the terms of this Agreement and mandatory provisions of applicable law; *provided, however*, that the First Lien Secured Agent and the Second Lien Secured Agent agrees to provide to each other Agent copies of any notices that it is required, under applicable law or the applicable First Lien Loan Documents or Second Lien Note Documents, as applicable, to deliver to any Loan Party; *provided, further, however*, that such First Lien Secured Agent's failure to provide any such copies to the Second Lien Secured Agent shall not impair any First Lien Secured Agent's rights hereunder or under any of the First Lien Loan Documents and Second Lien Secured Agent's failure to provide any such copies to the First Lien Secured Agent (but not the Enforcement Notice) shall not impair any of such Second Lien Secured Agent's rights hereunder or under any of the Second Lien Note Documents. The First Lien Secured Agent, each First Lien Lender, each Second Lien Holder and the Second Lien Secured Agent agrees that it will not institute any suit or other proceeding or assert in any suit, Insolvency or Liquidation Proceeding or other proceeding any claim, in the case of the Second Lien Secured Agent and each other Second Lien Secured Party, against the First Lien Secured Agent or any other First Lien Secured Party, and in the case of the First Lien Secured Agent and each other First Lien Secured Party, against the Second Lien Secured Agent or any other Second Lien Secured Party, in each case, seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to, any action taken or omitted to be taken by such Person with respect to the Collateral which is consistent with the terms of this Agreement, and none of such parties shall be liable for any such action taken or omitted to be taken

(b) Release of Liens; Amendments to Loan Documents.

(i) If at any time any Collateral is transferred to any Person other than a Loan Party after an Event of Default, in connection with any enforcement by, or with the consent of, the First Lien Secured Agent in accordance with the provisions of this Agreement, the First Lien Loan

Documents (as applicable) and the Second Lien Note Documents (as applicable), then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the Second Lien Secured Agent for the benefit of the Second Lien Secured Parties upon such Collateral will automatically be released and discharged upon the Disposition thereof and, to the extent that such Collateral includes the equity interests of a Grantor, such Grantor will automatically be released and discharged as well; *provided* that any Proceeds of any Collateral realized therefrom shall be applied pursuant to Section 4.1 hereof.

(ii) Each Secured Party agrees that the Controlling Agent may enter into any amendment (and, upon request (and sole expense) of the Company, each Representative shall sign a consent to such amendment, as applicable) to any Security Document (including, without limitation, to release Liens securing any Series of Obligations) so long as such amendment is not prohibited by the terms of any Loan Document in effect on the date hereof, applies equally to each Series of Obligations and is not in contravention of this Agreement. Additionally, each Secured Party agrees that the Controlling Agent may enter into any amendment (and, upon request (and sole expense) of the Company, each Representative shall sign a consent to such amendment, as applicable) to any Security Document solely as such Security Document relates to a particular Series of Obligations (including, without limitation, to release Liens securing such Series of Obligations) so long as (x) such amendment is in accordance with the Security Document or Loan Document pursuant to which such Series of Obligations was incurred and (y) such amendment does not adversely affect the Secured Parties of any other Series of Obligations or their rights hereunder.

(iii) Each Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Controlling Agent to evidence and confirm any release of Collateral or Grantor, whether in connection with a sale of such assets by the relevant owner pursuant to the preceding clauses or otherwise, or amendment to any Security Document provided for in this Section.

(iv) The First Lien Loan Documents may not be amended without the consent of the Second Lien Secured Agent if such amendment would (A) contravene the provisions of this Agreement, (B) shorten the maturity or weighted average life to maturity of the outstanding obligations thereunder, (C)[reserved], (D) add or modify any restriction on payment or prepayment of the Second Lien Secured Obligations other than as set forth in this Agreement, (E) add any restriction on amendments, waivers or other modifications to the Seconds Lien Loan Documents other than as set forth in this Agreement or (F) provide for an increase in the all-in interest rate payable to the First Lien Lenders in an amount in excess of 2.00% (excluding any increase on account of imposition of the “default rate” in accordance with the terms of the First Lien Loan Documents).

(v) The Second Lien Note Documents may not be amended without the consent of the First Lien Secured Agent if such amendment would (A) contravene the provisions of this Agreement, (B) shorten the maturity or weighted average life to maturity of the outstanding obligations thereunder, (C) provide for scheduled amortization payments with respect to the Second Lien Secured Obligations, (D) add or modify any restriction on payment or prepayment of the First Lien Secured Obligations other than as set forth in this Agreement, (E) add any restriction on amendments, waivers or other modifications to the First Lien Loan Documents other than as set forth in this Agreement or (F) provide for an increase in the all-in interest rate payable to the Second Lien Secured Parties in an amount in excess of 2.00% (excluding any increase on account of imposition of the “default rate” in accordance with the terms of the Second Lien Note Documents).

Section 2.5. No New Liens.

(a) The parties hereto agree that, so long as the Discharge of First Lien Secured Obligations has not occurred, (i) none of the Grantors shall grant or permit any additional Liens on any asset or Property of any Grantor to secure any Obligation unless it has granted, or concurrently therewith grants, through documentation in form and substance satisfactory to the First Lien Secured Agent, a Lien on such asset or Property of such Grantor to secure the First Lien Secured Obligations, and (ii) none of the Grantors shall grant or permit any additional Liens on any asset or Property of any Grantor to secure any Second Lien Secured Obligation unless it has granted, or concurrently therewith grants, through documentation in form and substance satisfactory to the First Lien Secured Agent, a Lien on such asset or Property of such Grantor to secure the First Lien Secured Obligations; provided that this provision will not be violated if the First Lien Secured Agent is given a reasonable opportunity to accept a Lien on any asset or property and the First Lien Secured Agent states in writing that the First Lien Loan Documents in respect thereof prohibit the First Lien Secured Agent from accepting a Lien on such asset or property or the First Lien Secured Agent otherwise expressly declines in writing to accept a Lien on such asset or property (any such prohibited or declined Lien, a **“First Lien Declined Lien”**). So long as the Discharge of First Lien Secured Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any of the Grantors, the parties hereto agree that if any Secured Party shall acquire or hold any Lien on any assets of any Grantor securing any Obligation which assets are not also subject to the Lien of the First Lien Secured Agent under the applicable First Lien Loan Documents (other than a First Lien Declined Lien), then, without limiting any other rights and remedies available to the First Lien Secured Agent or the other First Lien Secured Parties, the applicable Agent for such parties, on behalf of itself and its related Secured Parties, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens so granted shall be subject to Section 5.1(a).

(b) The parties hereto agree that, so long as the Discharge of Second Lien Secured Obligations has not occurred, (i) none of the Grantors shall grant or permit any additional Liens on any asset or Property of any Grantor to secure any Obligation unless it has granted, or concurrently therewith grants, through documentation in form and substance satisfactory to the Second Lien Secured Agent, a Lien on such asset or Property of such Grantor to secure the Second Lien Secured Obligations, and (ii) none of the Grantors shall grant or permit any additional Liens on any asset or Property of any Grantor to secure any First Lien Secured Obligation unless it has granted, or concurrently therewith grants, through documentation in form and substance satisfactory to the Second Lien Secured Agent, a Lien on such asset or Property of such Grantor to secure the Second Lien Secured Obligations; provided that this provision will not be violated if the Second Lien Secured Agent is given a reasonable opportunity to accept a Lien on any asset or property and the Second Lien Secured Agent states in writing that the Second Lien Note Documents in respect thereof prohibit the Second Lien Secured Agent from accepting a Lien on such asset or property or the Second Lien Secured Agent otherwise expressly declines in writing to accept a Lien on such asset or property (any such prohibited or declined Lien, a **“Second Lien Declined Lien”**). So long as the Discharge of Second Lien Secured Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any of the Grantors, the parties hereto agree that if any Secured Party shall acquire or hold any Lien on any assets of any Grantor securing any Obligation which assets are not also subject to the Lien of the Second Lien Secured Agent under the applicable Second Lien Note Documents (other than a Second Lien Declined Lien), then, without limiting any other rights and remedies available to the Second Lien Secured Agent or the other Second Lien Secured Parties, the applicable Agent for such parties, on behalf of itself and its related Secured Parties, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens so granted shall be subject to Section 5.1(b).

Section 2.6. Waiver of Marshalling. Until the Discharge of First Lien Secured Obligations (in the case of the Second Lien Secured Parties) or the Discharge of Second Lien Secured Obligations (in the case of the First Lien Secured Parties), as applicable, each Representative, on behalf of itself and the applicable Secured Parties, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Collateral or any other similar rights a secured creditor may have under applicable law.

ARTICLE 3 **PAYMENT SUBORDINATION**

Section 3.1. Agreement to Subordinate. Each Loan Party covenants and agrees, and the Second Lien Secured Agent, for itself and on behalf of the Second Lien Secured Parties, covenants and agrees, and each Second Lien Secured Party by accepting the Second Lien Indenture covenants and agrees that, anything in Second Lien Indenture to the contrary notwithstanding, the Second Lien Secured Obligations are subordinate and junior in right of payment, to the extent provided herein, to all First Lien Secured Obligations, whether outstanding on the date of execution of the Second Lien Indenture or thereafter created, incurred or assumed, and that the subordination is for the benefit of the First Lien Secured Parties.

Section 3.2. No Payment on Second Lien Secured Obligations in Certain Circumstances.

(a) No payment by any Loan Party with respect to the Second Lien Secured Obligations (whether such payment is a payment on account of principal (or premium, if any), sinking funds or interest on the Second Lien Secured Obligations or otherwise) shall be made if either of the following occurs (each, a “**Payment Default**”):

(i) the failure of any Grantor to pay, on a timely basis, any principal, interest, fees or other obligations under the First Lien Loan Documents including, without limitation, any default in payment of First Lien Secured Obligations after acceleration thereof; or

(ii) any Default or Event of Default (as defined in the First Lien Credit Agreement) under any First Lien Loan Documents has occurred and the maturity of any First Lien Secured Obligations is accelerated in accordance with the applicable terms of the First Lien Loan Documents,

unless, in either case, the Payment Default has been cured or waived and any such acceleration has been rescinded or the Discharge of First Lien Secured Obligations has occurred; *provided, however*, that the Company may pay the Second Lien Secured Obligations without regard to the foregoing if (i) the Company and the Second Lien Secured Agent receive written notice approving such payment from the First Lien Secured Agent with respect to which a Payment Default has occurred and is continuing or (ii) such payment is made in kind or in equity interests of the Company. The Company shall promptly give notice to the Second Lien Secured Agent of any occurrence of a Payment Default.

(b) The Company shall not pay the Second Lien Secured Obligations for a Payment Blockage Period (as defined below) during the continuance of any Default other than a Payment Default (a “**Non-Payment Default**”), with respect to any First Lien Secured Obligation that permits the First Lien Secured Parties in respect of such First Lien Secured Obligations to accelerate its maturity immediately without either further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods; *provided, however*, that the Company may pay the Second Lien

Secured Obligations without regard to the foregoing if (i) the Company and the Second Lien Secured Agent receive written notice approving such payment from the First Lien Secured Agent with respect to which a Non-Payment Default has occurred and is continuing or (ii) such payment is made in kind or in equity interests of the Company (or any parent entity thereof).

(c) A **“Payment Blockage Period”** commences on the receipt by the Second Lien Secured Agent (with a copy to the Company) of written notice (a **“Blockage Notice”**) of a Non-Payment Default from the First Lien Secured Agent specifying an election to effect a Payment Blockage Period and ends 179 days after the date of receipt of such notice. The Payment Blockage Period will end earlier if such Payment Blockage Period is terminated:

- (i) by written notice to the Second Lien Secured Agent and the Company from the Person or Persons who gave such Blockage Notice;
- (ii) because the Default giving rise to such Blockage Notice is cured, waived or otherwise no longer continuing; or
- (iii) because the Discharge of First Lien Secured Obligations has occurred.

(d) The Company may resume paying on the Second Lien Secured Obligations after the end of the Payment Blockage Period (including any missed payments), unless the First Lien Secured Parties or the First Lien Secured Agent have accelerated the maturity of such First Lien Secured Obligations. The Second Lien Secured Obligations will not be subject to more than one Payment Blockage Period in any consecutive 360-day period, irrespective of the number of Defaults with respect to First Lien Secured Obligations during such period. In no event, however, may the total number of days during which any Payment Blockage Period or Payment Blockage Periods is in effect exceed 179 days in the aggregate during any consecutive 360-day period, and there must be at least 181 days during any consecutive 360-day period during which no Payment Blockage Period is in effect. For purposes of this paragraph, no Default or Event of Default that existed or was continuing on the date of the commencement of any Payment Blockage Period with respect to the applicable First Lien Secured Obligations initiating such Payment Blockage Period shall be, or be made, the basis of the commencement of a subsequent Payment Blockage Period by the First Lien Secured Agent, whether or not within a period of 360 consecutive days, unless such Default or Event of Default shall have been cured or waived for a period of not less than 90 consecutive days (it being acknowledged that any subsequent action, or any breach of any financial covenant during the period after the date of delivery of a Blockage Notice, that, in either case, would give rise to a Non-Payment Default pursuant to any provisions under which a Non-Payment Default previously existed or was continuing shall constitute a new Non-Payment Default for this purpose).

Section 3.3. Notices to Second Lien Secured Agent. The Company shall give prompt written notice to the Second Lien Secured Agent of any fact known to the Company which would prohibit the making of any payment to or by the Second Lien Secured Agent in respect of the Second Lien Secured Obligations. Failure to give such notice shall not affect the subordination of the Second Lien Secured Obligations to the First Lien Secured Obligations. The Second Lien Secured Agent shall be entitled to rely on the delivery to it of a written notice by a person representing himself or herself to be a First Lien Secured Party or the First Lien Secured Agent to establish that such a notice has been given by a First Lien Secured Party or the First Lien Secured Agent.

Section 3.4. Agreement of Grantors. Each Grantor, for itself, its successors and assigns, covenants and agrees, and the Second Lien Secured Agent, for itself and on behalf of the Second Lien Secured Parties, covenants and agrees, and each Second Lien Secured Party by its acceptance thereof,

likewise covenants and agrees, that the payment of any of the Second Lien Secured Obligations is hereby expressly subordinated, to the extent and in the manner hereinafter set forth, in right of payment to the prior Discharge of First Lien Secured Obligations, and the obligations of the Grantors under the First Lien Security Documents will in no way be diminished or otherwise affected by the provisions of this Agreement.

Section 3.5. Subordination Rights Not Impaired by Acts or Omissions of the Grantors or First Lien Secured Parties. No right of any present or future First Lien Secured Party to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act, in good faith, by any such First Lien Secured Party, or by any noncompliance by any Grantor with the terms, provisions and covenants of this Agreement or any First Lien Loan Document, regardless of any knowledge thereof which any such First Lien Secured Party may have or be otherwise charged with.

ARTICLE 4

ACTIONS OF THE PARTIES

Section 4.1. Certain Actions Permitted. The First Lien Secured Agent and the Second Lien Secured Agent may make such demands or file such claims in respect of the First Lien Secured Obligations or the Second Lien Secured Obligations, as applicable, as are necessary to prevent the waiver or bar of such claims under applicable statutes of limitations or other statutes, court orders, or rules of procedure at any time. Nothing in this Agreement shall prohibit the receipt by the Second Lien Secured Agent or any Second Lien Holder of Permitted Second Lien Payments and other amounts owed in respect of the Second Lien Secured Obligations required pursuant to the terms of the Second Lien Indenture as in effect as of the date hereof so long as such receipt is not the direct or indirect result of the exercise by the Second Lien Secured Agent or any Second Lien Holder of rights or remedies as a creditor (including set-off with respect to Collateral) or enforcement in contravention of this Agreement. Except as provided in Section 5.2, nothing in this Agreement shall prohibit the receipt by the First Lien Secured Agent or any First Lien Lender of the required payments of interest, principal and other amounts owed in respect of its First Lien Secured Obligations so long as such receipt is not the direct or indirect result of the exercise by the First Lien Secured Agent or a First Lien Lender of rights or remedies as a secured creditor (including set-off with respect to Collateral) or enforcement in contravention of this Agreement of any Lien held by any of them.

Section 4.2. Agents for Perfection.

(a) Appointment of Control Agent. Each of the Agents, on behalf of themselves and the First Lien Lenders and Second Lien Holders under the First Lien Credit Agreement and the Second Lien Indenture, respectively, hereby appoint JPM as its control agent (in such capacity, together with any successor in such capacity appointed by the Agents, the “**Control Agent**”) for the limited purpose of acting as the agent on behalf of the Agents (on behalf of themselves and the First Lien Lenders or Second Lien Holders, as applicable) for the purposes set forth herein. The Control Agent accepts such appointment and agrees to hold the Collateral in its possession or control (or in the possession or control of its agents or bailees) as Control Agent for the benefit of the Agents (on behalf of themselves and the First Lien Lenders or Second Lien Holders, as applicable), and any permitted assignee of any of the foregoing solely for the purpose of perfecting the security interest granted to such parties in such Collateral, subject to the terms and conditions of this Section 4.2. Each Agent hereby acknowledges that the Control Agent will obtain “control” under the UCC over each account that is part of the Collateral as contemplated by the Security Documents for the benefit of the Agents (on behalf of themselves and the First Lien Lenders or Second Lien Holders, as applicable), pursuant to the control agreements relating to each such respective account.

(b) Indemnity of Control Agent. The Loan Parties hereby jointly and severally agree to pay, reimburse, indemnify and hold harmless the Control Agent and each Controlling Agent, in such capacity, to the same extent and on the same terms that the First Lien Loan Parties and the Second Lien Note Parties are required to do so for the First Lien Secured Agent and Second Lien Secured Agent, respectively, in accordance with the First Lien Credit Agreement and the Second Lien Indenture. Each of the First Lien Lenders and Second Lien Holders hereby jointly and severally agree to pay, reimburse, indemnify and hold harmless each Control Agent and each Controlling Agent to the same extent and on the same terms that the First Lien Lenders and Second Lien Holders are required to do so for the First Lien Secured Agent or Second Lien Secured Agent, as applicable, in accordance with the First Lien Credit Agreement or Second Lien Indenture, respectively.

(c) Rights and Obligations of Control Agents. The provisions of Section 9.03 of the First Lien Credit Agreement and Section 12.07 of the Second Lien Indenture, as applicable, shall inure to the benefit of the Control Agent and each Controlling Agent, in such capacity, in respect of this Agreement and the Security Documents and shall be binding upon all Loan Parties which are parties thereto, all First Lien Lenders and Second Lien Holders and upon the parties hereto in such respect. In furtherance and not in derogation of the rights, privileges and immunities of the Control Agent and each Controlling Agent therein set forth:

(1) The Control Agent and the Controlling Agent is authorized to take all such actions as are provided to be taken by it as the Control Agent or Controlling Agent hereunder, under any First Lien Security Agreement, under any Second Lien Security Document or as instructed by the First Lien Secured Agent or the Second Lien Secured Agent as provided herein, in each case together with all other actions reasonably incidental thereto. As to any matters not expressly provided for herein (including, without limitation, the timing and methods of realization upon the Collateral) or in one or more of the First Lien Security Agreements or Second Lien Security Documents, the Control Agent or the Controlling Agent, as applicable, shall act or refrain from acting in accordance with written instructions from the applicable Agent (including the Control Agent acting at the written direction of the Controlling Agent), or, in the absence of such instructions or provisions, in accordance with its reasonable discretion.

(2) Neither the Control Agent nor the Controlling Agent shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of any Lien created under any First Lien Security Agreement or Second Lien Security Document in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder unless such action or omission constitutes gross negligence or willful misconduct. Neither the Control Agent nor the Controlling Agent shall have a duty to ascertain or inquire as to the performance or observance of any of the terms of this Agreement or any First Lien Security Agreement or Second Lien Security Document by any Loan Party. This Agreement shall not subject the Control Agent or the Controlling Agent to any obligation or liability except as expressly set forth herein. In particular, the Control Agent or the Controlling Agent shall not have any duty to investigate whether the Obligations of any Loan Party to the First Lien Secured Agent or the Second Lien Secured Agent or any First Lien Lender or Second Lien Holder are in default or whether the First Lien Secured Agent or the Second Lien Secured Agent is entitled under the First Lien Security Agreements or the Second Lien Security Documents, as applicable, or otherwise to give any instructions or notice of exclusive control. The Control Agent and Controlling Agent are fully entitled to rely upon such instructions as it believes in good faith to have originated from the First Lien Secured Agent or Second Lien Secured Agent.

(3) Except as set forth in clause (4) below, neither the Control Agent nor the Controlling Agent shall have any obligation whatsoever to the First Lien Secured Agent or the

Second Lien Secured Agent or any First Lien Lender or Second Lien Holder, including, without limitation, any obligation to assure that the applicable Collateral is owned by any Loan Party or one of their respective Subsidiaries or to preserve rights or benefits of any Person except as expressly set forth in this Section 4.2.

(4) In acting on behalf of the First Lien Secured Agent and the other First Lien Secured Parties and the Second Lien Secured Agent and the other Second Lien Secured Parties, the duties or responsibilities of the Control Agent under this Section 4.2 shall be limited solely to:

(i) physically holding the applicable Collateral delivered to the Control Agent by any Loan Party as agent for the First Lien Secured Agent (on behalf of itself and the applicable First Lien Lenders) for purposes of perfecting the Lien held by the First Lien Secured Agent;

(ii) delivering the Collateral referred to in clause (i) above as set forth in Section 4.2(e);

(iii) to the extent applicable, entering into one or more control agreements in form and substance satisfactory to the First Lien Secured Agent with respect to Collateral consisting of deposit accounts, securities accounts, uncertificated securities or letter-of-credit rights and exercising the rights of the secured party thereunder in accordance with the instructions of, and on behalf of, the First Lien Secured Agent;

(iv) to the extent applicable, maintaining one or more Collateral Accounts as provided in (and as defined in) the First Lien Security Agreements; and

(v) delivering any notices received by it with respect to any item of Collateral in its possession or control to each of the applicable Agents.

(d) Limited Bailee for Perfection. The Control Agent agrees to hold any Collateral that may from time to time be in its possession or control (or in the possession or control of its agents or bailees) as bailee or as agent, as the case may be, for the benefit of each Representative (on behalf of the First Lien Lenders or Second Lien Holders, as applicable) solely for the purpose of perfecting the security interest granted to each Representative under the applicable Security Documents, subject to the terms and conditions of this Agreement. For the avoidance of doubt, solely for purposes of perfecting the Lien in favor of each Agent, the Control Agent agrees that it shall be the agent of each Representative with respect to any Collateral included in the Collateral that are controlled or held by the Control Agent. Except as set forth in this clause (e), the Control Agent shall have no obligation whatsoever to any Representative, Agent or any First Lien Lender or Second Lien Holder including, without limitation, any obligation to assure that any Collateral is genuine or is owned by any Loan Party or one of their respective Subsidiaries or to preserve rights or benefits of any Person. In acting as agent or bailee on behalf of each Agent (on behalf of the First Lien Lenders or Second Lien Holders, as applicable), the duties or responsibilities of the Control Agent under this Section 4.2(e) shall be limited solely to (x) physically holding (or causing its agent or bailee, as applicable, to hold) any Collateral that may from time to time be in its possession or control (or in the possession or control of its agents or bailees) as agent or bailee for each Agent (on behalf of the First Lien Lenders or Second Lien Holders, as applicable) for purposes of perfecting the Lien held by such Agent and (y) delivering the Collateral referred to in subclause (4)(i) above as set forth in this Section 4.2(c).

(e) No Fiduciary Relationship. Neither First Lien Secured Agent or any other First Lien Secured Parties shall have by reason of the First Lien Loan Documents, the Second Lien Note Documents, this Agreement or any other document, a fiduciary relationship in respect of any Second Lien Secured Agent or any other Second Lien Secured Party, and it is understood and agreed that the interests

of the First Lien Secured Agent and the other First Lien Secured Parties, on the one hand, and the Second Lien Secured Agent and the other Second Lien Secured Parties, on the other hand, may differ and that the First Lien Secured Agent and the other First Lien Secured Parties shall be fully entitled to act in their own interest without taking into account the interests of the Second Lien Secured Agent or the other Second Lien Secured Parties.

(f) *Delivery to Second Lien Secured Agent.* Upon the Discharge of First Lien Secured Obligations, the Control Agent (or the Controlling Agent) shall deliver the applicable Collateral (other than any extended Collateral) pledged to the Second Lien Secured Parties held by it to the Second Lien Secured Agent together with any necessary endorsements (or otherwise allow the Second Lien Secured Agent to obtain control of such Collateral) without recourse or warranty, except in the event and to the extent (i) the First Lien Secured Agent, Control Agent or any other First Lien Secured Party has retained or otherwise acquired such Collateral in full or partial satisfaction of any of the First Lien Secured Obligations, (ii) such Collateral has been sold or otherwise Disposed of by the First Lien Secured Agent, Control Agent or any other First Lien Secured Party or by a Grantor not in violation of this Agreement or (iii) it is otherwise required by any order of any court or other Governmental Authority or applicable law or would result in the risk of liability of such First Lien Secured Party to any third party.

(g) *Resignation of Control Agent.* The Control Agent shall have the right to resign as Control Agent upon 30 days' notice to the First Lien Secured Agent and the Second Lien Secured Agent. Upon any such resignation by the Control Agent, the Controlling Agent shall have the right to appoint a successor Control Agent. If upon the effective date of such resignation no successor to such Control Agent has been appointed by the First Lien Secured Agent, the Control Agent shall deliver the Collateral held by it to the Controlling Agent, together with any necessary endorsements (or otherwise allow the Controlling Agent to obtain control of such Collateral), and the Controlling Agent shall accept and succeed to the role of the Control Agent as the agent for perfection on the Collateral.

Section 4.3. Insurance.

(a) Unless and until the Discharge of First Lien Secured Obligations has occurred, the Second Lien Secured Agent, for itself and on behalf of the applicable Second Lien Secured Parties, agrees that during the continuance of an Event of Default, (i) the First Lien Secured Agent, the Control Agent and the First Lien Lenders shall have the sole and exclusive right, as against the Second Lien Secured Agent, to adjust settlement of insurance claims in the event of any covered loss, theft or destruction of First Lien Collateral and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting such First Lien Collateral; (ii) all Proceeds of any such policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of such First Lien Collateral and to the extent required by the First Lien Loan Documents shall be applied in accordance with Section 5.1; and (iii) if the Second Lien Secured Agent, or any Second Lien Holder shall, at any time, receive any Proceeds of any such insurance policy or any such award or payment in contravention of this Agreement, it shall segregate and hold in trust and forthwith pay such Proceeds over to the Control Agent in accordance with the provisions of Section 5.1(c).

(b) Proceeds of Collateral include insurance Proceeds and, therefore, the Lien Priority and Payment Priority shall govern the ultimate Disposition of casualty insurance Proceeds and business interruption insurance Proceeds. To effectuate the foregoing, each Agent shall each receive separate loss payable endorsements naming themselves as loss payee and additional insured, as their interests may appear, with respect to policies which insure Collateral hereunder. The Control Agent (acting at the direction of the applicable Representative) shall have the right to adjust or settle any insurance policy or claim covering or constituting Collateral in the event of any loss thereunder and to approve any award granted in any condemnation, expropriation or similar proceeding affecting the Collateral. All Proceeds of

such insurance shall be remitted to the applicable Agent or Control Agent, as the case may be, and each of the applicable Agents, and the Control Agent shall cooperate (if necessary) in a reasonable manner in effecting the payment of insurance proceeds in accordance with Section 5.1 hereof.

Section 4.4. No Additional Rights For the Loan Parties Hereunder. If any Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, the Loan Parties shall not be entitled to use such violation as a defense to any action by any Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any Secured Party.

ARTICLE 5

APPLICATION OF PROCEEDS

Section 5.1. Application of Proceeds.

(a) Solely to the extent that the applicable Obligations are then due and payable (whether by acceleration or otherwise), the Controlling Agent (or any other agent in possession thereof) will apply the Proceeds of any collection, sale, foreclosure or other realization upon, or any other Enforcement Action with respect to, any Collateral and the Proceeds thereof, including the Proceeds of any insurance policy required under any Security Document or otherwise covering the Collateral, any condemnation Proceeds with respect to the Collateral, and any other amounts required to be delivered to the Controlling Agent (or the Control Agent) by any Secured Party or Representative with respect to any Collateral pursuant to any other provision of this Agreement and for application in accordance with this Section 5.1(a), including any amounts received in connection with an Insolvency or Liquidation Proceeding or during any Standstill Period, in the following order of application:

(i) FIRST, to the payment of all fees, expenses, indemnities and any other amounts payable under this Agreement or any other Security Document to the Controlling Agent and the Control Agent, including, to the extent required to be paid or reimbursed under this Agreement or any other Security Document, any reasonable legal fees, costs and expenses or other liabilities of any kind incurred by the Controlling Agent, the Control Agent or any agent of the Controlling Agent or the Control Agent in connection with any Security Document and all amounts necessary to provide for the expenses of the Controlling Agent or the Control Agent in maintaining and disposing of the Collateral (including, but not limited to, indemnification payments and reimbursements) and all amounts due and owing to any sub-agent of the Controlling Agent or the Control Agent pursuant to any collateral sub-agency agreement;

(ii) SECOND, to the payment in full of the First Lien Secured Obligations, including interest, fees, expenses, indemnity claims and other monetary obligations accrued during the pendency of an Insolvency or Liquidation Proceeding, whether or not constituting an allowed claim in such proceeding (the amounts so applied to be distributed in accordance with the relevant provisions of the First Lien Credit Agreement and any applicable *pari passu* intercreditor agreement with respect thereto);

(iii) THIRD, to the payment in full of the Second Lien Secured Obligations, including interest, fees, expenses, indemnity claims and other monetary obligations accrued during the pendency of an Insolvency or Liquidation Proceeding, whether or not constituting an allowed claim in such proceeding (the amounts so applied to be distributed in accordance with the relevant provisions of the Second Lien Indenture; and

(iv) FOURTH (x) in the case of Proceeds, as may be required by the First Lien Loan Documents and (y) in the case of other distributions, to such Person as shall be legally entitled to such other distributions, or as a court of competent jurisdiction may otherwise direct.

Notwithstanding the foregoing, if any Series of Obligations has released its Lien on any Collateral as described in the second sentence of Section 2.4(b)(ii), then such Series of Obligations and any related Senior Liens of that Series of Obligations thereafter shall not be entitled to share in the Proceeds of any Collateral so released by that Series of Obligations (other than Proceeds received concurrently with (and subject to) the release of such Senior Liens).

For the avoidance of doubt, the Controlling Agent shall only apply Proceeds in accordance with this Section 5.1 to the extent that such Proceeds are actually so received by the Controlling Agent; *provided* that the Agents, the First Lien Lenders and the Second Lien Holders agree to turn over to the Controlling Agent any Proceeds received by them that are required to be turned over to the Controlling Agent in accordance herewith. The Company acknowledges the priorities set forth in this Section 5.1 and agrees that it will not make any distributions to any Secured Party in contravention of this Section 5.1.

(b) Limited Obligation or Liability. In exercising remedies, whether as a secured creditor or otherwise, neither First Lien Secured Agent or the Controlling Agent shall have any obligation or liability to the Second Lien Secured Agent or to any Second Lien Holder (nor will the Controlling Agent have any obligation or liability to any other First Lien Secured Party) regarding the adequacy of any Proceeds or for any action or omission, save and except solely for an action or omission that breaches the express obligations undertaken by each party under the terms of this Agreement.

(c) Turnover Prior to Discharge. If at any time prior to the date upon which the Discharge of First Lien Secured Obligations shall have occurred, any Agent, First Lien Lender or Second Lien Holder receives any payment or distribution of any kind or character (other than Permitted Second Lien Payments) at any time when such payment was not permitted pursuant to the terms of this Agreement, whether in cash, Property or securities, from or of any assets of any Loan Party (or any Loan Party's Subsidiaries), including on account of adequate protection payments, such Agent, First Lien Lender or Second Lien Holder shall be deemed to receive and hold the same in trust as trustee for the benefit of the Controlling Agent and shall forthwith deliver such payment, distribution, or proceeds to the Controlling Agent in precisely the form received (except for any endorsement or assignment where necessary), for application in accordance with this Section 5.1 to any of the Obligations. In the event of the failure of any Agent, First Lien Lender or Second Lien Holder to make any such endorsement or assignment to the Controlling Agent within 5 Business Days after receipt of written request therefor from the Controlling Agent, such Controlling Agent and any of its officers or agents are hereby irrevocably authorized to make such endorsement or assignment and are hereby irrevocably appointed as the lawful attorney in fact of such Party solely for the purpose of enabling such Controlling Agent to make such endorsement or assignment.

Section 5.2. Specific Performance. Each of the Agents are hereby authorized to demand specific performance of this Agreement, whether or not any Loan Party shall have complied with any of the provisions of any of the Loan Documents, at any time when the other party shall have failed to comply with any of the provisions of this Agreement applicable to it. Each of the parties and their Representatives, for and on behalf of itself and the applicable Secured Parties, hereby irrevocably waives any defense based on the adequacy of a remedy at law that might be asserted as a bar to such remedy of specific performance.

ARTICLE 6

INTERCREDITOR ACKNOWLEDGMENTS AND WAIVERS

Section 6.1. Acknowledgment of Liens and Payment Priorities. Each Loan Party acknowledges and agrees to all Lien Priorities and Payment Priorities as set forth herein.

Section 6.2. Reinstatement and Continuation of Agreement.

(a) If any First Lien Lender or First Lien Secured Agent is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of any Loan Party or any other Person any payment made in satisfaction of all or any portion of the First Lien Secured Obligations (a “**Senior Recovery**”), then the First Lien Secured Obligations shall be reinstated to the extent of such Senior Recovery. If this Agreement shall have been terminated prior to such Senior Recovery, this Agreement shall be reinstated in full force and effect in the event of such Senior Recovery, and such prior termination shall not diminish, release, discharge, impair, or otherwise affect the Obligations of the parties from such date of reinstatement. All rights, interests, agreements, and obligations of the First Lien Secured Agent, the Second Lien Secured Agent, the other First Lien Secured Parties, and the other Second Lien Secured Parties under this Agreement shall remain in full force and effect and shall continue irrespective of the commencement of, or any discharge, confirmation, conversion, or dismissal of, any Insolvency or Liquidation Proceeding by or against any Loan Party or any other circumstance which otherwise might constitute a defense available to, or a discharge of any Loan Party in respect of the First Lien Secured Obligations or the Second Lien Secured Obligations. No priority or right of the First Lien Secured Agent or any First Lien Lender shall at any time be prejudiced or impaired in any way by any act or failure to act on the part of any Loan Party or by the noncompliance by any Person with the terms, provisions, or covenants of any of the First Lien Loan Documents, regardless of any knowledge thereof which the First Lien Secured Agent or any First Lien Lender may have.

Section 6.3. Purchase Option. Without prejudice to the enforcement of the First Lien Secured Parties’ remedies, the First Lien Secured Parties agree that following any of the following: (a) the delivery of a written notice to the Second Lien Secured Agent from the First Lien Secured Agent that the First Lien Secured Parties have accelerated any of the First Lien Secured Obligations, (b) the delivery of written notice to the Second Lien Secured Agent from the First Lien Secured Agent that a Default under the First Lien Loan Documents has occurred and is continuing and the Required First Lien Debtholders wish to commence an Enforcement Action or (c) the commencement of an Insolvency or Liquidation Proceeding (each, a “**Purchase Event**”), then, within forty-five (45) days of the Purchase Event (or such later date as the First Lien Secured Agent may agree), one or more of the Second Lien Holders or any of their designated Affiliates (the “**Purchasers**”) may, by written notice to the First Lien Secured Agent, offer to purchase all, but not less than all, of the aggregate amount of First Lien Secured Obligations (including unfunded commitments under any First Lien Loan Document) at par, *plus* (i) any premium that would be applicable upon prepayment of the First Lien Secured Obligations and accrued and unpaid interest (including all interest accrued thereon after the commencement of any Insolvency or Liquidation Proceeding at the applicable post-default rate) and all unpaid fees and expenses (including breakage costs) then due and payable and (ii) if applicable, cash collateral to be furnished to the First Lien Secured Parties providing Letters of Credit under the First Lien Loan Documents in such outstanding face amounts plus fees thereon (in an amount equal to 105% thereof or such other amount as such First Lien Secured Party determines is reasonably necessary to secure such First Lien Secured Party in connection with any such outstanding and undrawn letters of credit). Promptly following the receipt of such notice, the First Lien Secured Agent will deliver to the Second Lien Secured Agent a statement of the amount of the First Lien Secured Obligations provided by the First Lien Secured Parties represented by each such First Lien Secured Agent, if any, then outstanding and the amount of the cash collateral requested by any such First Lien Secured Agent to be delivered pursuant to the applicable First Lien Loan Documents. If such right is exercised, the First Lien Secured Parties and the Second Lien Secured Parties shall endeavor to close promptly thereafter but in any event within fifteen (15) Business Days of the request. If one or more of the Second Lien Secured Parties

exercise such purchase right, it shall be exercised pursuant to documentation reasonably acceptable to the First Lien Secured Agent and the purchasing Second Lien Secured Parties. If none of the Second Lien Secured Parties timely exercises such right the Second Lien Secured Parties shall have no further rights or obligations pursuant to this Section 5.4 for such Purchase Event and the First Lien Secured Parties may take any further actions in their sole discretion in accordance with the First Lien Loan Documents and this Agreement. Each First Lien Secured Party will retain all rights to indemnification provided in the relevant First Lien Loan Documents for all claims and other amounts relating to the period prior to the purchase of the First Lien Secured Obligations pursuant to this Section 5.4.

ARTICLE 7

INSOLVENCY PROCEEDINGS

Section 7.1. Insolvency Matters.

(a) The Controlling Agent (on behalf of the First Lien Secured Parties), the First Lien Secured Agent, for itself and on behalf of the First Lien Secured Parties, the Second Lien Secured Agent (on behalf of the Second Lien Secured Parties) and the Company (on behalf of itself and the other Loan Parties) each acknowledges and agrees that because of, among other things, their differing rights to payment of the Proceeds of the Collateral, among other things as set forth in this Agreement, each series of Obligations is fundamentally different from each other Series of Obligations, are not substantially similar to any other Series of Obligations within the meaning of Bankruptcy Code Section 1122(a), and must be separately classified from each other Series of Obligations in any Plan proposed, confirmed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of more than one Series of Obligations constitute only one secured claim or are properly classified in one class (rather than separate claims or classes of secured claims), then each of the Secured Parties hereby acknowledges and agrees that all distributions shall be made in accordance with Section 5.1 of this Agreement and the First Lien Secured Parties shall be entitled to receive, in addition to amounts distributed to them from, or in respect of, the Collateral in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees, costs, expenses, premiums, and other charges, irrespective of whether a claim for such amounts is allowed or allowable in such Insolvency or Liquidation Proceeding, as if the First Lien Secured Agent had a senior Lien on the Collateral for all purposes hereunder before any distribution from, or in respect of, any Collateral is made in respect of the claims held by such Secured Parties, with all Secured Parties) and the applicable Secured Parties acknowledging and agreeing to turn over to the First Lien Secured Agent amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this Section 7.1 and this Agreement, even if such turnover has the effect of reducing the claim or recovery of certain Secured Parties.

(b) None of the Representatives or any other Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) shall propose, vote in favor of, or otherwise directly or indirectly support any Plan that is inconsistent with the priorities or other provisions of this Agreement (including but not limited to Section 5.1), unless (i) as to the First Lien Secured Parties, such plan otherwise provides for the repayment in full in cash of the First Lien Secured Obligations on the effective date thereof, (ii) such a plan classifies the claims held by the Second Lien Secured Parties separately from the claims held by the First Lien Secured Parties and such plan provides for treatment that, taking into account the turnover obligations under Section 7.1(a), would provide for the Discharge of First Lien Secured Obligations on the effective date of such plan (or as soon thereafter as is reasonably practicable under the circumstances), or (iii) such Plan is supported by the holders of two-thirds of the aggregate amount of the outstanding First Lien Secured Obligations. Furthermore, none of any Representative or any other Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) shall object to or contest (or

support any other party in objection or contesting) a Plan or other dispositive restructuring plan on the grounds that each Series of Obligations are classified separately.

(c) The parties hereto acknowledge that this Agreement is a “subordination agreement” under Section 510(a) of the Bankruptcy Code and shall continue in full force and effect, notwithstanding the commencement of any Insolvency or Liquidation Proceeding by or against the Company or any subsidiary of the Company. All references in this Agreement to the Company or any subsidiary of the Company or any other Grantor will include such Person or Persons as a debtor-in-possession and any receiver or trustee for such Person or Persons in an Insolvency or Liquidation Proceeding.

(d) Until the Discharge of First Lien Secured Obligations, if an Insolvency or Liquidation Proceeding has commenced, Second Lien Secured Agent, as holder of a Lien on the Collateral, will not contest, protest, or object to, and each Second Lien Secured Party will be deemed to have consented to:

(i) any use, sale, or lease of “cash collateral” (as defined in section 363(a) of the Bankruptcy Code), and

(ii) any Loan Party obtaining DIP Financing;

provided that the First Lien Secured Agent consents in writing to such use, sale, or lease, or DIP Financing;

provided further that (A) the Second Lien Secured Agent retains its Lien on the Collateral to secure the Second Lien Secured Obligations (in each case, including Proceeds thereof arising after the commencement of the case under any Debtor Relief Laws) and such Lien has the same priority as existed prior to the commencement of the case under the subject Debtor Relief Laws, (B) any Second Lien Secured Party may seek adequate protection as permitted by Section 7.1(h), (C) the proposed DIP Financing does not compel any Loan Party to seek confirmation of a specific plan of reorganization for which all or substantially all of the material terms are set forth in the DIP Financing documentation, (D) the DIP Financing is otherwise not in contravention of the terms of this Agreement, (E) if the First Lien Secured Agent receives a replacement or adequate protection Lien on post-petition assets of the debtor to secure the First Lien Secured Obligations, the Second Lien Secured Agent also receives a replacement or adequate protection Lien on such post-petition assets of the Loan Parties to secure the Second Lien Secured Obligations which is junior to the Liens of the First Lien Secured Agent on such post-petition assets and, in each case, if any of the above is not provided or granted, Second Lien Secured Agent may object under this Section 7.1 on such basis. Notwithstanding anything to the contrary contained herein, the foregoing provisions of this Section 7.1 shall not prevent the Second Lien Secured Agent and the other Second Lien Secured Parties from objecting to any provision in any DIP Financing or use, sale or lease of cash collateral relating to any provision or content of a plan of reorganization or other plan of similar effect under any Debtor Relief Laws which contravene the terms of this Agreement.

(e) Upon written request from the Controlling Agent, the Second Lien Secured Agent, as holder of a Lien on the Collateral, will join any objection by Controlling Agent to the use, sale, or lease of cash collateral for any purpose other than adequate protection payments to Second Lien Secured Parties.

(f) Each Representative, for itself and on behalf of each Secured Party, agrees that it will not object to, oppose or contest (or join with or support any third party objecting to, opposing or contesting) a sale or other Disposition of any Collateral (or any portion thereof) (or any bid or sale

procedures for such sale or other Disposition of any Collateral) proposed to be consummated pursuant to Section 363 of the Bankruptcy Code or any other provision of the Bankruptcy Code, if the Controlling Agent shall have consented to such bid or sale procedures and/or to such sale or Disposition.

(g) Each Representative, for itself and on behalf of each other Secured Party, waives any claim that may be had against the Controlling Agent or any other Secured Party arising out of any DIP Financing Liens or administrative expense priority under Section 364 of the Bankruptcy Code (in each case that is granted in a manner that is consistent with this Agreement).

(h) Each Representative, for itself and on behalf of each other Secured Party, agrees that (A) no Representative nor any other Secured Party will object to, oppose or contest (or join with or support any third party objecting to, opposing or contesting) (i) any request by any First Lien Secured Agent or any other First Lien Secured Party for adequate protection, including for payment of post-petition interest, or (ii) any objection by any First Lien Secured Agent or any other First Lien Secured Party to any motion, relief, action or proceeding based on any First Lien Secured Agent, or other First Lien Secured Party, as applicable, claiming a lack of adequate protection; and (B) no Secured Party (other than First Lien Secured Parties) will seek relief granting adequate protection, except in the case of liens or claims granted as adequate protection only to the extent such protection is subordinate to, and subordinate to matching adequate protection in favor of, the claims of the First Lien Secured Parties. Without limiting the generality of the foregoing, in any Insolvency Proceeding, (1) if the First Lien Secured Parties (or any subset thereof) are granted adequate protection in the form of additional collateral in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then the Second Lien Secured Agent, for itself and on behalf of each Second Lien Secured Party, may seek or request adequate protection in the form of a replacement Lien on such additional collateral, which Lien is subordinated to the Liens securing all First Lien Secured Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing the Second Lien Secured Obligations are so subordinated to the Liens securing First Lien Secured Obligations under this Agreement, (ii) in the event any Second Lien Secured Agent, for itself and on behalf of the Second Lien Secured Parties, seeks or requests adequate protection in the form of additional or replacement collateral and such adequate protection is granted (in each instance, to the extent such grant is otherwise permissible under the terms and conditions of this Agreement), then the Second Lien Secured Agent, for itself and on behalf of each applicable Second Lien Secured Party, agrees that the First Lien Secured Agent shall also be granted a Senior Lien on such additional or replacement collateral as security for the First Lien Secured Obligations and any such DIP Financing and that any Lien on such additional or replacement collateral securing the Second Lien Secured Obligations shall be subordinated to the Liens on such collateral securing the First Lien Secured Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens granted to the First Lien Secured Parties as adequate protection on the same basis as the other Liens securing the Second Lien Secured Obligations are so subordinated to such Liens securing First Lien Secured Obligations under this Agreement (and, to the extent the First Lien Secured Parties are not granted such adequate protection in such form, any amounts recovered by or distributed to any Second Lien Secured Party pursuant to or as a result of any Lien on such additional or replacement collateral so granted to the Second Lien Secured Parties shall be subject to this Agreement), and (iii) in the event the First Lien Secured Agent, for itself and on behalf of the applicable First Lien Secured Parties, seeks or requests adequate protection in the form of a superpriority claim, and such adequate protection is granted, then the Second Lien Secured Agent, for itself and on behalf of each applicable Second Lien Secured Party, may request adequate protection in the form of a superpriority claim, which superpriority claim shall be junior to the superpriority claim of the First Lien Secured Parties and any payment in respect thereof shall be deemed to be proceeds of Collateral. Except to the extent expressly set forth in this Section 7.1, none of the Second Lien Secured Agent nor other Second Lien Secured Parties may seek or shall be entitled to request or receive adequate protection without the prior written consent of

the First Lien Secured Agent unless such adequate protection is provided to the First Lien Secured Parties; provided, however, none of the Second Lien Secured Agent or other Second Lien Secured Parties may seek or shall be entitled to request or receive adequate protection in the form of any cash payments without the prior written consent of the First Lien Secured Agent. The Second Lien Secured Agent agrees, pursuant to section 1129(a)(9) of the Bankruptcy Code, that such junior superpriority claims (including any claim arising under section 507(b) of the Bankruptcy Code) may be paid under any plan of reorganization in any combination of cash, debt, equity or other property having a value on the effective date of such plan equal to the allowed amount of such claims.

(i) Each Representative, for itself and on behalf of each other Secured Party, agrees that neither such Representative nor any other Secured Party shall seek relief (or support any other party seeking relief), pursuant to Section 362(d) of the Bankruptcy Code or otherwise, from the automatic stay of Section 362(a) of the Bankruptcy Code or from any other stay in any Insolvency or Liquidation Proceeding in respect of the Collateral without the prior written consent of the Controlling Agent.

(j) Each Representative, for itself and on behalf of each other Secured Party, agrees that neither such Representative nor any other Secured Party shall oppose or seek to challenge any claim by any Representative or any other Secured Party for allowance or payment in any Insolvency or Liquidation Proceeding of First Lien Secured Obligations consisting of post-petition interest or cash collateralization of all letters of credit in accordance with the priorities set forth in Section 5.1 hereof (and only to the extent of the value of the Liens securing the First Lien Secured Obligations in accordance with such priorities; it being understood that such value will be determined without regard to the existence of the Second Lien Secured Obligations).

(k) Without the express written consent of the First Lien Secured Agent, in any Insolvency or Liquidation Proceeding involving any Grantor, none of the Second Lien Secured Agent or any other Second Lien Secured Parties shall oppose, object to or contest (or shall join with or support any third party in opposing, objecting to or contesting, as the case may be) (i) the determination of the extent of any Liens held by any First Lien Secured Party or the value of any claims of any such holder under Section 506(a) of the Bankruptcy Code or (ii) the payment to any First Lien Secured Party of interest, fees or expenses under Section 506(b) of the Bankruptcy Code.

(l) Notwithstanding anything to the contrary contained herein, if in any Insolvency or Liquidation Proceeding a determination is made that any Lien encumbering any Collateral is not enforceable for any reason, then each Representative for themselves and on behalf of their respective Secured Parties agrees that, any distribution or recovery they may receive in respect of any Collateral (including assets that would constitute Collateral but for such determination) shall be segregated and held in trust and forthwith paid over to the Controlling Agent in the same form as received without recourse, representation or warranty (other than a representation of such Representative that it has not otherwise sold, assigned, transferred or pledged any right, title or interest in and to such distribution or recovery) but with any necessary endorsements or as a court of competent jurisdiction may otherwise direct in order to comply with Section 5.1.

(m) Each Representative, for itself and on behalf of each other Secured Party, hereby agrees that the Controlling Agent shall have the right to credit bid the applicable First Lien Secured Obligations and further that (subject to such credit bid providing for the Discharge of First Lien Secured Obligations immediately after giving effect to such credit bid) none of the Representatives or any other Secured Party shall oppose, object to or contest (or shall join with or support any third party in opposing, objecting to or contesting, as the case may be) such credit bid by the Controlling Agent. Each Representative, for itself and on behalf of the other Secured Parties, hereby agrees that the Second Lien Secured Parties may credit bid, or instruct the applicable Second Lien Secured Agent to credit bid the

Second Lien Secured Obligations in accordance with Sections 363(k) or 1129 of the Bankruptcy Code or any other applicable law, and further that none of the First Lien Secured Agent or any other First Lien Secured Party shall oppose, object to or contest (or shall join with or support any third party in opposing, objecting to or contesting, as the case may be) such credit bid, in each case only if such bid includes a cash payment sufficient to provide for the Discharge of First Lien Secured Obligations and the Discharge of First Lien Secured Obligations occurs immediately after giving effect to such credit bid.

(n) Prior to the Discharge of First Lien Secured Obligations, without the consent of the First Lien Secured Agent in its sole discretion, the Second Lien Secured Agent, for itself and on behalf of each other Second Lien Secured Party agrees neither such Second Lien Secured Agent nor any Second Lien Secured Party shall commence or join with any parties to commence an involuntary bankruptcy petition for the Company or any of its subsidiaries, or support entry of an order for relief in any involuntary bankruptcy proceedings against the Company or any of its subsidiaries, or seek the appointment of an examiner or a trustee for the Company or any of its subsidiaries.

(o) Each Representative, for itself and on behalf of each other Secured Party waives any right to assert or enforce any claim under Section 506(c) or 552 of the Bankruptcy Code as against any First Lien Secured Party or any of the Collateral unless determined otherwise by the Controlling Agent. The Second Lien Secured Agent on behalf of the Second Lien Secured Parties waives: (a) any claim they may now or hereafter have arising out of the First Lien Secured Agent's election in any Proceeding of the application of section 1111(b)(2) of the Bankruptcy Code, out of any cash collateral or financing arrangement or out of any grant of security interest in the Collateral in any Proceeding; and (b) the right to, and agrees that it shall not, make an election to apply section 1111(b)(2) of the Bankruptcy Code in respect of its interest in the Collateral without the consent of the First Lien Secured Agent.

Section 7.2. Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of any reorganized Loan Party, whether or not secured by Liens upon any property of such reorganized Loan Party, are distributed, pursuant to a Plan, on account of more than one Series of Obligations, then the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such Plan.

Section 7.3. Applicability of Other Bankruptcy Laws. In the event that an Insolvency or Liquidation Proceeding is filed in a jurisdiction other than the United States or is governed by any Debtor Relief Laws other than the Bankruptcy Code, each reference in this Agreement to a section of the Bankruptcy Code shall be deemed to refer to the substantially similar or corresponding provision of the Debtor Relief Laws applicable to such Insolvency or Liquidation Proceeding, or, in the absence of any specific similar or corresponding provision of such Debtor Relief Laws, such other general Debtor Relief Law as may be applied in order to achieve substantially the same result as would be achieved under each applicable section of the Bankruptcy Code.

Section 7.4. First Lien Secured Obligations Unconditional. All rights of the First Lien Secured Agent hereunder, and all agreements and obligations of the Second Lien Secured Agent and the Loan Parties (to the extent applicable) hereunder, shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any First Lien Loan Document or other Loan Document;

(b) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the First Lien Secured Obligations or the Second Lien Secured Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any First Lien Loan Document or Loan Document;

(c) any exchange, release, voiding, avoidance or non-perfection of any security interest in any Collateral or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding, restatement or increase of all or any portion of the First Lien Secured Obligations, the Second Lien Secured Obligations or any guarantee or guaranty thereof; or

(d) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Loan Party in respect of the First Lien Secured Obligations, the Second Lien Secured Obligations or of either Agent or any Loan Party, to the extent applicable, in respect of this Agreement.

ARTICLE 8

MISCELLANEOUS

Section 8.1. Rights of Subrogation. The Second Lien Secured Agent, on behalf of itself and the Second Lien Secured Parties, agrees that no payment to the First Lien Secured Agent or any First Lien Lender in accordance with or pursuant to the provisions of this Agreement shall entitle such Second Lien Secured Agent or any Second Lien Secured Party to exercise any rights of subrogation in respect thereof until the Discharge of First Lien Secured Obligations shall have occurred. Following the Discharge of First Lien Secured Obligations, the Controlling Agent agrees to execute such documents, agreements, and instruments as the Second Lien Secured Agent or any Second Lien Secured Party may reasonably request to evidence the transfer by subrogation to any such Person of an interest in the First Lien Secured Obligations resulting from payments to the First Lien Secured Agent by such Person, so long as all costs and expenses (including all reasonable legal fees and disbursements) incurred in connection therewith by the First Lien Secured Agent or the First Lien Lender are paid by such Person upon request for payment thereof.

Section 8.2. Further Assurances. The Parties will, at their own expense and at any time and from time to time, promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that either party may reasonably request, in order to protect any right or interest granted or purported to be granted hereby or to enable any party to exercise and enforce its rights and remedies hereunder; *provided, however*, that no party shall be required to pay over any payment or distribution, execute any instruments or documents, or take any other action referred to in this Section 8.2, to the extent that such action would contravene any law, order or other legal requirement or any of the terms or provisions of this Agreement, and in the event of a controversy or dispute, such party may interplead any payment or distribution in any court of competent jurisdiction, without further responsibility in respect of such payment or distribution under this Section 8.2.

Section 8.3. Representations. The Second Lien Secured Agent, on behalf of itself and the other Second Lien Secured Parties, represents and warrants that it has the requisite power and authority under the relevant Second Lien Note Documents to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and the Second Lien Secured Parties and that this Agreement shall be binding obligations of each Second Lien Secured Party in accordance with its terms. The First Lien Secured Agent, on behalf of itself and the other First Lien Secured Parties, represents and warrants that it has the requisite power and authority under the relevant First Lien Loan Documents to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and the First Lien Secured Parties and that this Agreement shall be binding obligations of each First Lien Secured Party in accordance with its terms.

Section 8.4. Amendments. No amendment or waiver of any provision of this Agreement nor consent to any departure by any party hereto shall be effective unless it is in a written agreement executed by each Loan Party, the First Lien Secured Agent, the Second Lien Secured Agent and such waiver or consent shall be effective only in the specific instance and for the specific purpose set forth therein.

Section 8.5. Addresses for Notices. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telecopied, electronically submitted or sent by overnight express courier service or United States mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a telecopy or electronic transmission or five (5) days after deposit in the United States mail (certified, with postage prepaid and properly addressed). For the purpose hereof, the addresses of the parties hereto (until notice of a change thereof is delivered as provided in this Section) shall be as set forth below or, as to each party, at such other address as may be designated by such party in a written notice to each of the parties.

Section 8.6. No Waiver, Remedies. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 8.7. Continuing Agreement, Transfer of Secured Obligations. This Agreement is a continuing agreement and shall (a) remain in full force and effect until the Discharge of First Lien Secured Obligations (subject to the reinstatement provisions herein) shall have occurred, (b) be binding upon the parties and their successors and assigns, and (c) inure to the benefit of and be enforceable by the parties and their respective successors, transferees and assigns. Nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or in respect of this Agreement or any Collateral. All references to any Loan Party or Second Lien Note Party shall include any Loan Party or Second Lien Note Party as debtor-in-possession and any receiver or trustee for such Loan Party or Second Lien Note Party in any Insolvency or Liquidation Proceeding. Without limiting the generality of the foregoing clause (c), each Agent hereunder or any First Lien Lender or Second Lien Holder may assign or otherwise transfer all or any portion of the First Lien Secured Obligations or the Second Lien Secured Obligations, as applicable, to any other Person (other than any Loan Party and any Subsidiary of any Loan Party) in accordance with the First Lien Credit Agreement or Second Lien Indenture, as applicable and such other Person shall thereupon become vested with all the rights and obligations in respect thereof granted to the applicable Agents and/or First Lien Lenders and/or Second Lien Holders, as the case may be, herein or otherwise. Each of the Secured Parties may continue, at any time and without notice to the other parties hereto, to extend credit and other financial accommodations, lend monies and provide Indebtedness to, or for the benefit of, any Loan Party on the faith hereof.

Section 8.8. Governing Law; Entire Agreement. This Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York; *provided* that all of the parties hereto shall retain all rights arising under federal law. This Agreement constitutes the entire agreement and understanding among the parties hereto with respect to the subject matter hereof and supersedes any prior agreements, written or oral, with respect thereto.

Section 8.9. Counterparts, Electronic Signatures. This Agreement may be executed in any number of counterparts (including by facsimile), each of which when so executed and delivered will be deemed an original, but all such counterparts together will constitute but one and the same instrument. The parties hereto may sign this Agreement and any collateral agency joinder and transmit the executed copy by electronic means, including facsimile or noneditable *.pdf files. The electronic copy of the executed Agreement and any collateral agency joinder is and shall be deemed an original signature. The words “delivery,” “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures (including in “.pdf” or “.tif” format), the electronic matching of

assignment terms and contract formations on electronic platforms, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 8.10. No Third Party Beneficiaries. This Agreement is solely for the benefit of each of the First Lien Secured Agent, Control Agent, First Lien Lenders, the Second Lien Secured Agent and Second Lien Holders. No other Person (including the Loan Parties or any Affiliate of any Loan Party, or any Subsidiary of any Loan Party) shall be deemed to be a third party beneficiary of this Agreement. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights, obligations and priorities as among the Secured Parties and the Series of Obligations covered hereby. No Loan Party or any other creditor thereof shall have any rights hereunder including, without limitation, with respect to designation of any class or classes of Obligations hereunder. Nothing in this Agreement is intended to or shall impair the obligations of any Loan Party, which are absolute and unconditional, to pay the Obligations as and when the same shall become due and payable in accordance with their terms. Nothing in this Agreement shall relieve the Company or any other Grantor from the performance of any term, covenant, condition or agreement on the Company's or such Grantor's part to be performed or observed under or in respect of any of the Collateral pledged by it or from any liability to any Person under or in respect of any of such Collateral or impose any obligation on any Agent to perform or observe any such term, covenant, condition or agreement on the Company's or such Grantor's part to be so performed or observed or impose any liability on any Agent for any act or omission on the part of the Company's or such Grantor relative thereto or for any breach of any representation or warranty on the part of the Company or such Grantor contained in this Agreement or any Loan Document, or in respect of the Collateral pledged by it.

Section 8.11. Headings. The headings of the articles and sections of this Agreement are inserted for convenience only and shall not be construed to affect the meaning or construction of any of the provisions hereof.

Section 8.12. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable in any jurisdiction, (a) the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby in such jurisdiction and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 8.13. Attorneys Fees. The parties hereto agree that if any dispute, arbitration, litigation, or other proceeding is brought with respect to the enforcement of this Agreement or any provision hereof, the prevailing party in such dispute, arbitration, litigation, or other proceeding shall be entitled to recover from the losing party its reasonable attorneys' fees and all other costs and expenses incurred in the enforcement of this Agreement, irrespective of whether suit is brought; *provided* that the foregoing shall not relieve the Loan Parties of their obligations under any of the Loan Documents.

Section 8.14. VENUE; JURY TRIAL WAIVER.

(a) EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY

IN THE BOROUGH OF MANHATTAN (OR, AT THE ELECTION OF THE CONTROLLING AGENT, OF ANY BANKRUPTCY COURT PRESIDING OVER A BANKRUPTCY OF THE COMPANY), OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN (OR, AS APPLICABLE, ANY BANKRUPTCY APPELLATE PANEL OR UNITED STATES DISTRICT COURT IN THE APPLICABLE DISTRICT WHERE SUCH BANKRUPTCY COURT RESIDES), AND ANY APPELLATE COURT THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS, FIRST LIEN LENDERS AND SECOND LIEN HOLDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY SECURITY DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT. EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN THIS SECTION 8.14(a). EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(b) EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH OF THE PARTIES HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 8.15. Termination of this Agreement. Subject to Section 6.2, this Agreement shall automatically terminate upon the Discharge of First Lien Secured Obligations.

Section 8.16. No Warranties or Liability. Each Agent acknowledges and agrees that each other Agent has not made any representation or warranty with respect to the execution, validity, legality, completeness, collectability or enforceability of the Loan Documents. Except as otherwise provided in this Agreement, each Agent will be entitled to manage and supervise their respective extensions of credit to any Loan Party in accordance with law and their usual practices, modified from time to time as they deem appropriate.

Section 8.17. Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any Loan Documents, the provisions of this Agreement shall govern.

Section 8.18. Information Concerning Financial Condition of the Loan Parties. Each Agent hereby assumes responsibility for keeping itself informed of the financial condition of the Loan Parties and all other circumstances bearing upon the risk of nonpayment of the First Lien Secured Obligations or the Second Lien Secured Obligations. Each hereby agrees that no party shall have any duty to advise any other party of information known to it regarding such condition or any such circumstances. In the event the First Lien Secured Agent or the Second Lien Secured Agent, in its sole discretion, undertakes at any time or from time to time to provide any information to any other party to this Agreement, (a) it shall be under no obligation (i) to provide any such information to such other party or any other party on any subsequent occasion, (ii) to undertake any investigation not a part of its regular business routine, or (iii) to disclose any other information, (b) it makes no representation as to the accuracy or completeness of any such information and shall not be liable for any information contained therein, and (c) the party receiving such information hereby agrees to hold the other party harmless from any action the receiving party may take or conclusion the receiving party may reach or draw from any such information, as well as from and against any and all losses, claims, damages, liabilities, and expenses to which such receiving party may become subject arising out of or in connection with the use of such information.

Section 8.19. Acknowledgment. The First Lien Secured Agent and the Second Lien Secured Agent acknowledge and agree that (i) as between the First Lien Secured Parties and the Loan Parties, the First Lien Loan Documents remain in full force and effect as written and are in no way modified hereby and (ii) as between the Second Lien Secured Parties and the Loan Parties, the Second Lien Note Documents remain in full force and effect as written and are in no way modified hereby.

Section 8.20. Suspension of Payment Subordination. Notwithstanding anything to the contrary contained herein, if at any time the Second Lien Secured Obligations cease to be secured by a second priority Lien on the Collateral in favor of the Second Lien Secured Parties (whether as a result of any legal proceeding or otherwise), Section 2.3, Article 3, Section 5.1 or any other applicable section hereunder with respect to the subordination or prohibition of any payments in respect of the Second Lien Secured Obligations shall immediately and automatically, without further action, cease to be effective as of such date.

Section 1.06 Limited Condition Transactions.

This Indenture provides that, as it relates to any action being taken solely in connection with a Limited Condition Transaction, for purposes of (i) determining compliance with any provision of this Indenture which requires the calculation of any financial ratio or test, including the Secured Net Leverage Ratio, Total Net Leverage Ratio and Fixed Charge Coverage Ratio, or (ii) testing availability under baskets set forth in this Indenture (including baskets determined by reference to Total Assets), in each case, at the option of the Issuer (the Issuer’s election to exercise such option in connection with any Limited Condition Transaction, an “*LCT Election*”), the date of determination of whether any such action is permitted under this Indenture shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the “*LCT Test Date*”), and if, after giving pro forma effect to the Limited Condition Transaction (and the other transactions to be entered into in connection therewith, including any incurrence of Indebtedness and the use of proceeds thereof, as if they had occurred on the first day of the most recent period of four consecutive fiscal quarters of the Issuer ended prior to such date for which internal financial statements are available (except with respect to any incurrence or repayment of Indebtedness for purposes of the calculation of any leverage-based test or ratio, which shall in each case be treated as if they had occurred on the last day of such period)), the Issuer would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with; *provided* that, if financial statements for one or more subsequent fiscal periods shall have become available, the Issuer may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date. For the avoidance of doubt, if the Issuer has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated Adjusted EBITDA or Total Assets of the Issuer or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Issuer has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Restricted Payments, the making of any Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Issuer, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a “*Subsequent Transaction*”) following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Indenture, any such ratio, test or basket shall be required to be satisfied on a pro forma basis (i) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated and (ii) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have not been consummated.

ARTICLE 2

THE NOTES

Section 2.01 Form and Dating; Terms.

(a) Provisions relating to the Initial Notes, Additional Notes and any other Notes issued under this Indenture are set forth in *Appendix A*, which is hereby incorporated in and expressly made a part of this Indenture. The Notes and the Trustee's certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rules or agreements with national securities exchanges to which the Issuer or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Issuer). Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(b) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Issuer and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Issuer pursuant to an Asset Sale Offer as provided in Section 4.10 of this Indenture or a Change of Control Offer as provided in Section 4.15 of this Indenture, and otherwise as not prohibited by this Indenture. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes ranking *pari passu* with the Initial Notes may be created and issued from time to time by the Issuer without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise (other than issue date, issue price and, if applicable, the first Interest Payment Date and the first date from which interest will accrue) as the Initial Notes; *provided* that if any Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such Additional Notes will be issued as a separate series under this Indenture and will have a separate CUSIP number and ISIN from the Initial Notes; *provided, further*, that the Issuer's ability to issue Additional Notes shall be subject to the Issuer's compliance with Section 4.09 of this Indenture. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

Section 2.02 Execution and Authentication.

(a) At least one Officer shall execute the Notes on behalf of the Issuer by manual, electronic or facsimile signature. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

(b) A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto by the manual or electronic signature of an authorized signatory of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

(c) The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders, the Issuer or an Affiliate of the Issuer.

(d) The Trustee shall authenticate upon a written order of the Issuer signed by one Officer of the Issuer (an “*Authentication Order*”) (i) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$500,000,000, (ii) subject to the terms of this Indenture, Additional Notes and (iii) any Unrestricted Global Notes issued in exchange for any of the foregoing in accordance with this Indenture. Such Authentication Order shall specify the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes, Additional Notes or Unrestricted Global Notes.

Section 2.03 Registrar and Paying Agent.

(a) The Issuer shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“*Registrar*”) and at least one office or agency where Notes may be presented for payment (“*Paying Agent*”). The Registrar shall keep a register of the Notes (“*Note Register*”) and of their transfer and exchange. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “*Registrar*” includes any co-registrar, and the term “*Paying Agent*” includes any additional paying agent. The Issuer may change any Paying Agent or Registrar without prior notice to any Holder. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Issuer or any of its Restricted Subsidiaries may act as Paying Agent or Registrar.

(b) The Issuer initially appoints The Depository Trust Company to act as Depositary with respect to the Global Notes. The Issuer initially appoints the Trustee to act as Paying Agent and Registrar for the Notes. The Trustee shall act as custodian with respect to the Global Notes.

Section 2.04 Paying Agent to Hold Money in Trust.

The Issuer shall, no later than 11:00 a.m. (New York City time) on each due date for the payment of principal, premium, if any, and interest on any of the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held in trust for the Holders entitled to the same, and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of its action or failure so to act. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal, premium, if any, and interest on the Notes, and shall notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, a Paying Agent shall have no further liability for the money. If the Issuer or a Restricted Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least two Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 Transfer and Exchange.

(a) The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with *Appendix A*.

(b) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 of this Indenture or at the Registrar's request.

(c) No service charge shall be imposed in connection with any registration of transfer or exchange (other than pursuant to Section 2.07 of this Indenture), but the Holders shall be required to pay any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Section 2.10, Section 3.06, Section 4.10, Section 4.15 and Section 9.05 of this Indenture).

(d) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(e) Neither the Issuer nor the Registrar shall be required (1) to issue, to register the transfer of or to exchange any Note during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 of this Indenture and ending at the close of business on the day of selection, (2) to register the transfer of or to exchange any Note so selected for redemption, or tendered for repurchase (and not withdrawn) in connection with a Change of Control Offer or an Asset Sale Offer, in whole or in part, except the unredeemed or unpurchased portion of any Note being redeemed or repurchased in part or (3) to register the transfer of or to exchange any Note between a Record Date and the next succeeding Interest Payment Date.

(f) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal, premium, if any, and (subject to the Record Date provisions of the Notes) interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(g) Upon surrender for registration of transfer of any Note at the office or agency of the Issuer designated pursuant to this Section 2.06 and in compliance with *Appendix A*, the Issuer shall execute, and the Trustee shall, upon receipt of an Authentication Order, authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(h) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of *Appendix A*.

(i) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by mail or by facsimile or electronic transmission.

Section 2.07 Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken and the Trustee receives evidence to its satisfaction of the ownership and loss, destruction or theft of such Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are otherwise met. If required by the Trustee or the Issuer, an indemnity bond must be provided by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuer may charge the Holder for the expenses of the Issuer and the Trustee in replacing a Note. Every replacement Note is a contractual obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder. Notwithstanding the foregoing provisions of this Section 2.07, in case any mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

Section 2.08 Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 of this Indenture, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

(b) If a Note is replaced pursuant to Section 2.07 of this Indenture, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the Uniform Commercial Code in effect in the State of New York.

(c) If the principal amount of any Note is considered paid under Section 4.01 of this Indenture, it ceases to be outstanding and interest on it ceases to accrue from and after the date of such payment.

(d) If a Paying Agent (other than the Issuer, a Restricted Subsidiary or an Affiliate of any thereof) holds, on the maturity date, any redemption date or any repurchase date, money sufficient to pay Notes payable or to be redeemed or purchased on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the requisite principal amount of Notes have concurred in any direction, waiver or consent, Notes beneficially owned by the Issuer, or by any Affiliate of the Issuer, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Issuer or any obligor upon the Notes or any Affiliate of the Issuer or of such other obligor.

Section 2.10 Temporary Notes.

Until Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes ("*Temporary Notes*"). Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for Temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes in exchange for Temporary Notes. Holders and beneficial owners, as the case may be, of Temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial owners, respectively, of Notes under this Indenture.

Section 2.11 Cancellation.

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee for cancellation any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall destroy cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all cancelled Notes shall, upon the written request of the Issuer, be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

(a) If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 of this Indenture. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Issuer of such special record date. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depositary, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depositary to each Holder a notice that states the special record date, the related payment date and the amount of such interest to be paid.

(b) Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue interest, which were carried by such other Note.

Section 2.13 CUSIP and ISIN Numbers

The Issuer in issuing the Notes may use CUSIP or ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP or ISIN numbers in notices of redemption, exchange or repurchase as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption, exchange or repurchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption, exchange or repurchase shall not be affected by any defect in or omission of such numbers. The Issuer shall as promptly as practicable notify the Trustee in writing of any change in the CUSIP or ISIN numbers.

ARTICLE 3

REDEMPTION

Section 3.01 Notices to Trustee.

If the Issuer elects to redeem Notes pursuant to Section 3.07 or Section 4.15(c) of this Indenture, it shall furnish to the Trustee, at least five Business Days before notice of redemption is required to be mailed or transmitted or caused to be mailed or transmitted to Holders pursuant to Section 3.03 of this Indenture (unless a shorter notice shall be agreed to by the Trustee) but not more than 60 days before a redemption date, an Officers' Certificate setting forth (a) the paragraph or subparagraph of such Note or Section of this Indenture pursuant to which the redemption shall occur, (b) the redemption date, (c) the principal amount of the Notes to be redeemed and (d) the redemption price, if then ascertainable.

Section 3.02 Selection.

(a) If less than all of the Notes are to be redeemed at any time, the Global Notes to be redeemed shall be selected for redemption in accordance with DTC's requirements, or, in the case of Definitive Notes, the Definitive Notes to be redeemed shall be selected by the Trustee on a pro rata basis, unless otherwise required by law or applicable stock exchange requirements.

(b) No Notes of \$2,000 or less can be redeemed in part.

(c) If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount of that Note that is to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest will cease to accrue on Notes or portions of Notes called for redemption unless the Issuer defaults in the payment of the redemption price or the applicable notice of redemption is conditional and the conditions are not satisfied or waived.

Section 3.03 Notice of Redemption.

(a) The Issuer shall mail or deliver by electronic transmission in accordance with the applicable procedures of the Depositary, or cause to be mailed or delivered by electronic transmission in accordance with the applicable procedures of the Depositary, notices of redemption at least ten days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address, except that (i) redemption notices may be transmitted more than 60 days prior to a redemption date if the notice is issued in connection with a Legal Defeasance or Covenant Defeasance of the Notes or a satisfaction and discharge, (ii) notices of redemption pursuant to Section 4.15(c) shall be transmitted at least 30 days but not more than 60 days prior to the applicable redemption date, and (iii) notices of a Special Mandatory Redemption Event shall be transmitted on the first Business Day following the date of the occurrence of the Special Mandatory Redemption Event.

(b) The notice shall identify the Notes to be redeemed (including CUSIP and ISIN number, if applicable) and shall state:

(1) the redemption date;

(2) the redemption price, including the portion thereof representing any accrued and unpaid interest; *provided* that in connection with a redemption under Section 3.07(a) of this Indenture, the notice need not set forth the redemption price but only the manner of calculation thereof;

(3) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph or subparagraph of the Notes or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and

(9) if applicable, any condition to such redemption.

(c) At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense; *provided* that the Issuer shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(b) of this Indenture.

Section 3.04 Effect of Notice of Redemption.

Once a notice of redemption is transmitted or mailed in accordance with Section 3.03 of this Indenture, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price, except as otherwise set forth in this Section 3.04. Notice of any redemption of the Notes may, at the Issuer's discretion, be given prior to the completion or the occurrence thereof and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of a related transaction or event. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was delivered) as any or all conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

Section 3.05 Deposit of Redemption or Purchase Price.

(a) No later than 11:00 a.m. (New York City time) on the redemption or purchase date (or such later time as such date to which the Trustee may reasonably agree), the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the Holder of record on such Record Date. The Paying Agent shall promptly mail to each Holder whose Notes are to be redeemed or repurchased the applicable redemption or purchase price thereof and accrued and unpaid interest thereon. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

(b) If the Issuer complies with the provisions of Section 3.05(a) of this Indenture, on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the redemption or purchase date in respect of such Note will be paid on such redemption or purchase date to the Person in whose name such Note is registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with Section 3.05(a) of this Indenture, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and, to the extent lawful, on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 of this Indenture.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Issuer shall issue and, upon receipt of an Authentication Order, the Trustee shall promptly authenticate and mail to the Holder (or cause to be transferred by book entry) at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same Indebtedness to the extent not redeemed or purchased; *provided* that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

Section 3.07 Optional Redemption.

(a) At any time prior to October 1, 2024, the Issuer may, on any one or more occasions, redeem up to 40% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes) at a redemption price of 105.000% of the principal amount, *plus* accrued and unpaid interest, if any, to, but excluding, the redemption date, with the net cash proceeds of one or more Equity Offerings by the Issuer (other than Excluded Contributions); *provided* that (1) at least 60% of the aggregate principal amount of Notes originally issued under this Indenture (including any Additional Notes but excluding Notes held by the Issuer and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and (2) the redemption occurs within 90 days of the date of the closing of such Equity Offering or equity contribution.

(b) On or after October 1, 2024, the Issuer may redeem all or a part of the Notes upon not less than ten days' nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below *plus* accrued and unpaid interest, if any, on the Notes redeemed, to, but excluding, the applicable redemption date, if redeemed during the 12-month period beginning on October 1 of the years indicated below, subject to the rights of Holders of Notes on the relevant Record Date to receive interest on the relevant Interest Payment Date:

<u>Year</u>	<u>Percentage</u>
2024	102.500%
2025	101.250%
2026 and thereafter	100.000%

(c) Prior to October 1, 2024, the Issuer may also redeem all or any portion of the Notes upon not less than ten days' nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount thereof *plus* the Applicable Premium as of, and accrued and unpaid interest thereon, if any, to, but excluding, the date of redemption (a "*Make-Whole Redemption Date*"), subject to the rights of Holders of Notes on the relevant Record Date to receive interest on the relevant Interest Payment Date.

(d) [reserved].

(e) On and after the redemption date, interest will cease to accrue on Notes or portions of Notes called for redemption unless the Issuer defaults in the payment of the redemption price or the applicable notice of redemption is conditional and the conditions are not satisfied or waived.

(f) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of this Indenture.

Section 3.08 Mandatory Redemption.

Except as provided in Section 3.09, the Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09 Special Mandatory Redemption.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(b) With respect to the reports required to be furnished by clause (a) above:

(1) no such reports referenced under Section 4.04(a)(3) above will be required to include as an exhibit or summary of terms of, any employment or compensatory arrangement agreement, plan or understanding between the Issuer (or any of its Subsidiaries) and any director, manager or executive officer, of the Issuer (or any of its Subsidiaries);

(6) trade secrets and other confidential information that is competitively sensitive in the good faith and reasonable determination of the Issuer may be excluded from any disclosures;

(7) to the extent that the Issuer is not a reporting company under the Exchange Act, in no event will such reports be required to be presented in compliance with the requirements of the Public Company Accounting Oversight Board; and

(8) in no event will such reports contain compensation or beneficial ownership information.

(c) In addition, to the extent not satisfied by the reports required by this Section 4.04 or otherwise made publicly available by the Issuer, the Issuer will furnish to Holders thereof and prospective investors in the Notes, upon their request, the information, if any, required to be delivered pursuant to Rule 144A(d)(4) (or any successor provision) under the Securities Act.

(d) The Issuer will be deemed to have furnished the reports referred to in clause (a) above if the Issuer has filed the corresponding reports containing such information with the SEC via the Electronic Data Gathering, Analysis and Retrieval System (or any successor system).

(f) It is understood that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been delivered to the Holders, posted on the Issuer's website or filed with the SEC. The posting or delivery of any such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive or actual notice of any information contained therein or determinable from information contained therein, including the Issuer's or any other Person's compliance with any of the covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on an Officers' Certificate).

(g) Notwithstanding any other provision of this Indenture, the sole remedy for an Event of Default relating to the failure to comply with the reporting obligations described under this Section 4.04 for the 30 days after the occurrence of such an Event of Default, consists exclusively of the right to receive additional interest on the principal amount of the Notes at a rate equal to 0.50% per annum. This additional interest shall be payable in the same manner and subject to the same terms as other interest payable under this Indenture. This additional interest will accrue on all outstanding Notes from and including the date on which an Event of Default relating to a failure to comply with the reporting obligations described under this Section 4.04 first occurs to, but excluding, the 90th day thereafter (or such earlier date on which such Event of Default relating to such reporting obligations is cured or waived). Section 4.05 Compliance Certificate.

(16) any instrument or agreement governing Indebtedness or preferred stock (i) of any Non- Guarantor Subsidiary and (ii) of the Issuer or any Restricted Subsidiary that is incurred or issued subsequent to the Escrow Release Date and not in violation of Section 4.09 of this Indenture; *provided* that (x) in the case of preferred stock and Indebtedness that is not secured by any Permitted Liens, such encumbrances and restrictions are not materially more restrictive in the aggregate than the restrictions contained in this Indenture and (y) in the case of Indebtedness secured by Permitted Liens, are not materially more restrictive in the aggregate than the restrictions contained in the Credit Agreement; and

(17) any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the Indebtedness, preferred stock, Liens, agreements, contracts, licenses, leases, subleases, instruments or obligations referred to in clauses (1), (2), (4) through (14) and (16) above; *provided, however*, that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are in the good faith judgment of the Issuer's Board of Directors, whose determination shall be conclusive, not materially more restrictive, taken as a whole, than those restrictions contained in the Indebtedness, preferred stock, Liens, agreements, contracts, licenses, leases, subleases, instruments or obligations referred to in clauses (1), (2), (4) through (14) and (16) above, as applicable prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

Section 4.09 Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(a) From and after the Escrow Release Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "*incur*") any Indebtedness (including Acquired Debt), and the Issuer will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; *provided, however*, that the Issuer or any Restricted Subsidiary may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock or preferred stock, if the Fixed Charge Coverage Ratio for the Issuer's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.0 to 1.0, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) Section 4.09(a) of this Indenture will not prohibit the incurrence of any of the following items of Indebtedness or the issuance of any of the following items of Disqualified Stock or preferred stock (collectively, "*Permitted Debt*");

(1) the incurrence by the Issuer and/or any Subsidiary Guarantor (and the Subsidiary Guarantee thereof by the Subsidiary Guarantors) of Indebtedness under the Credit Agreement and other Debt Facilities entered into after the Escrow Release Date in an aggregate principal amount at any one time outstanding under this clause (1) not to exceed (except as permitted by the definition of "Permitted Refinancing Indebtedness") the sum of (i) \$375.0 million and (ii) any additional amount so long as, in the case of this subclause (ii), after giving effect thereto the Secured Net Leverage Ratio (treating all incurred Indebtedness under this clause (1) as secured by Liens on the assets of the Issuer) would not exceed 2.75 to 1.00;

(2) the incurrence by the Issuer and its Restricted Subsidiaries of the Existing Indebtedness;

(3) the incurrence by the Issuer and the Subsidiary Guarantors of Indebtedness represented by the Notes and the related Subsidiary Guarantees;

(4) the incurrence or issuance by the Issuer or any of its Restricted Subsidiaries of Indebtedness (including Capital Lease Obligations), Disqualified Stock or preferred stock, in each case, incurred or issued for the purpose of financing all or any part of the purchase price or cost of design, construction, lease, installation or improvement of any fixed or capital assets and any Indebtedness assumed by the Issuer or any of its Restricted Subsidiaries in connection with the acquisition of any such assets or secured by a Lien on any such assets prior to the acquisition thereof, in an aggregate principal amount, including all Permitted Refinancing Indebtedness (except as permitted by the definition of "Permitted Refinancing Indebtedness") and Replacement Preferred Stock (except as permitted by the definition of "Replacement Preferred Stock") incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (4), not to exceed the greater of (a) \$30.0 million and (b) 17% of LTM Consolidated Adjusted EBITDA and at any time outstanding;

(5) the incurrence by the Issuer or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness or Replacement Preferred Stock in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any Indebtedness (other than intercompany Indebtedness) or any Disqualified Stock or preferred stock that was permitted by this Indenture to be incurred under Section 4.09(a) of this Indenture or clauses (2), (3), (4), (5), (13), (15), (17) or (18) of this Section 4.09(b);

(6) the incurrence by the Issuer or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Issuer and any of its Restricted Subsidiaries; *provided, however*, that:

(A) if the Issuer or any Subsidiary Guarantor is the obligor on such Indebtedness and the payee is not the Issuer or a Subsidiary Guarantor, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes, in the case of the Issuer or the Subsidiary Guarantee, in the case of a Subsidiary Guarantor, except to the extent such subordination would violate any applicable law, rule or regulation; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Issuer or a Restricted Subsidiary of the Issuer and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Issuer or a Restricted Subsidiary of the Issuer, will be deemed, in each case, to constitute a new incurrence of such Indebtedness by the Issuer or such Restricted Subsidiary, as the case may be, which new incurrence is not permitted by this clause (6);

(7) the issuance by any of the Issuer's Restricted Subsidiaries to the Issuer or to any of its Restricted Subsidiaries of shares of preferred stock; *provided, however*, that:

(A) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person other than the Issuer or a Restricted Subsidiary of the Issuer; and

(B) any sale or other transfer of any such preferred stock to a Person that is not either the Issuer or a Restricted Subsidiary of the Issuer,

will be deemed, in each case, to constitute a new issuance of such preferred stock by such Restricted Subsidiary which new issuance is not permitted by this clause (7);

(8) the incurrence by the Issuer or any of its Restricted Subsidiaries of Hedging Obligations in the ordinary course of business and not for speculative purposes;

(9) the guarantee:

(A) by the Issuer or any of the Subsidiary Guarantors of Indebtedness of the Issuer or a Restricted Subsidiary of the Issuer that was permitted to be incurred by another provision of this Section 4.09; *provided* that if the Indebtedness being guaranteed is subordinated to the Notes, then the guarantee shall be subordinated to the same extent as the Indebtedness guaranteed; and

(B) by any Non-Guarantor Subsidiary of Indebtedness of a Non-Guarantor Subsidiary;

(10) the incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness in respect of workers' compensation claims, self-insurance obligations, bankers' acceptances, letters of credit, performance bonds, surety bonds, appeal bonds or other similar bonds in the ordinary course of business; *provided, however*, that upon the drawing of letters of credit for reimbursement obligations, including with respect to workers' compensation claims, or the incurrence of other Indebtedness with respect to reimbursement type obligations regarding workers' compensation claims, such obligations are reimbursed within 30 days following such drawing or incurrence;

(11) the incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently (except in the case of daylight overdrafts) drawn against insufficient funds in the ordinary course of business, so long as such Indebtedness is extinguished within five Business Days;

(12) the incurrence of Indebtedness arising from agreements of the Issuer or a Restricted Subsidiary providing for indemnification, adjustment of purchase price, holdback, contingency payment obligations or similar obligations, in each case, incurred or assumed in connection with the disposition or acquisition of any business, assets or Capital Stock of the Issuer or any Restricted Subsidiary;

(13) the incurrence of Indebtedness or the issuance of any Disqualified Stock or preferred stock by any Non-Guarantor Subsidiary in an aggregate principal amount, including all Permitted Refinancing Indebtedness (except as permitted by the definition of "Permitted Refinancing Indebtedness") and Replacement Preferred Stock (except as permitted by the definition of "Replacement Preferred Stock") incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (13), not to exceed \$20.0 million at any time outstanding;

(14) the incurrence of Indebtedness resulting from endorsements of negotiable instruments for collection in the ordinary course of business;

(15) Indebtedness, Disqualified Stock or preferred stock of Persons that are acquired by the Issuer or any Restricted Subsidiary (including by way of merger or consolidation) in accordance with the terms of this Indenture; and Indebtedness, Disqualified Stock or preferred stock of the Issuer or a Subsidiary Guarantor incurred in connection with, or to provide all or a portion of the funds or credit support utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Subsidiary or was acquired by the Issuer; *provided* that after giving effect to such acquisition, merger or consolidation, either

(A) the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) of this Indenture or

(B) the Issuer's Fixed Charge Coverage Ratio after giving pro forma effect to such acquisition, merger or consolidation would be greater than the Issuer's actual Fixed Charge Coverage Ratio immediately prior to such acquisition, merger or consolidation;

(16) Indebtedness of the Issuer or a Restricted Subsidiary in respect of netting services, overdraft protection and otherwise in connection with deposit accounts; *provided* that such Indebtedness remains outstanding for ten Business Days or less;

(17) the incurrence or issuance by the Issuer or any of its Restricted Subsidiaries of additional Indebtedness, Disqualified Stock or preferred stock in an aggregate principal amount (or accreted value or liquidation preference, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness (except as permitted by the definition of “Permitted Refinancing Indebtedness”) and all Replacement Preferred Stock (except as permitted by the definition of “Replacement Preferred Stock”) incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness, Disqualified Stock and preferred stock incurred or issued pursuant to this clause (17), not to exceed the greater of (a) \$75.0 million and (b) 42.0% of LTM Consolidated Adjusted EBITDA at any time outstanding;

(18) the incurrence or issuance by Foreign Subsidiaries of additional Indebtedness, Disqualified Stock or preferred stock in an aggregate principal amount (or accreted value or liquidation preference, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness (except as permitted by the definition of “Permitted Refinancing Indebtedness”) and all Replacement Preferred Stock (except as permitted by the definition of “Replacement Preferred Stock”) incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness, Disqualified Stock and preferred stock incurred or issued pursuant to this clause (18), not to exceed the greater of (a) \$20.0 million and (b) 12% of LTM Consolidated Adjusted EBITDA at any time outstanding;

(19) the incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness in the form of loans from a Captive Insurance Subsidiary;

(20) Indebtedness representing deferred compensation to employees of the Issuer and its Restricted Subsidiaries incurred in the ordinary course of business; and

(21) Indebtedness in respect of promissory notes issued to consultants, employees or directors or former employees, consultants or directors in connection with repurchases of Equity Interests permitted by Section 4.07(c)(7) of this Indenture.

For purposes of determining compliance with this Section 4.09:

(1) in the event that an item of Indebtedness (or any portion thereof) at any time, whether at the time of incurrence or upon the application of all or a portion of the proceeds thereof or subsequently meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (21) above, or is entitled to be incurred pursuant to Section 4.09(a) of this Indenture, the Issuer will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09 except that Indebtedness under the Credit Agreement outstanding on the Escrow Release Date will be deemed to have been incurred in reliance on the exception provided by Section 4.09(b)(1)(i) of this Indenture.

(2) In the case of any Permitted Refinancing Indebtedness, when measuring the outstanding amount of such Indebtedness, such amount shall not include the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

(3) Indebtedness permitted by this Section 4.09 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.09 permitting such Indebtedness.

(4) Notwithstanding anything in this Section 4.09 to the contrary, in the case of any Indebtedness incurred to refinance Indebtedness initially incurred pursuant to this Section 4.09 measured by reference to a percentage of LTM Consolidated Adjusted EBITDA at the time of incurrence, if such refinancing would cause the percentage of LTM Consolidated Adjusted EBITDA restriction to be exceeded if calculated based on the percentage of LTM Consolidated Adjusted EBITDA on the date of such refinancing, such percentage of LTM Consolidated Adjusted EBITDA restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

-48-

The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock or preferred stock in the form of additional shares of the same class of Disqualified Stock or preferred stock will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock or preferred stock for purposes of this Section 4.09; *provided* in each such case, that the amount thereof is included in Fixed Charges of the Issuer as accrued (other than the reclassification of preferred stock as Indebtedness due to a change in accounting principles).

For purposes of determining compliance with any dollar-denominated restriction on the incurrence of Indebtedness, the dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, *plus* the aggregate amount of fees, underwriting discounts, premiums (including tender premiums) and other costs and expenses (including original issue discount) incurred in connection with such refinancing.

The amount of any Indebtedness outstanding as of any date will be:

- (1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;
- (2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
- (3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
 - (A) the Fair Market Value of such assets at the date of determination; and
 - (B) the amount of the Indebtedness of the other Person.

Section 4.10 Asset Sales.

(a) From and after the Escrow Release Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) the Issuer (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and
- (2) at least 75% of the consideration received in the Asset Sale by the Issuer or such Restricted Subsidiary is in the form of cash. For purposes of this clause (2), each of the following will be deemed to be cash:
 - (A) Cash Equivalents;

-49-

- (B) any liabilities, as shown on the Issuer's most recent consolidated balance sheet, of the Issuer or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms

subordinated to the Notes or any Subsidiary Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases the Issuer or such Restricted Subsidiary from further liability;

(C) any securities, notes or other obligations received by the Issuer or any such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash within 180 days of receipt, to the extent of the cash received in that conversion;

(D) any Designated Noncash Consideration the Fair Market Value of which, when taken together with all other Designated Noncash Consideration received pursuant to this clause (D) (and not subsequently converted into Cash Equivalents that are treated as Net Proceeds of an Asset Sale), does not exceed \$25.0 million since the Escrow Release Date, with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value; and

(E) any stock or assets of the kind referred to in clauses (2) or (4) of Section 4.10(b) of this Indenture.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale, the Issuer (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds at its option:

(1) to repay Indebtedness outstanding pursuant to Section 4.09(b)(1) of this Indenture and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of the Issuer or additional Capital Stock of an existing Subsidiary that is not a Wholly Owned Subsidiary which is a Restricted Subsidiary;

(3) to make a capital expenditure with respect to a Permitted Business or to make expenditures for maintenance, repair or improvement of existing properties and assets;

(4) to acquire Additional Assets;

(5) to repay (i) Notes or (ii) any other Indebtedness (other than Indebtedness owing to the Issuer or a Restricted Subsidiary) that is *pari passu* in right of payment with the Notes, and in the case of revolving Indebtedness, to correspondingly reduce commitments with respect thereto; *provided* that if the Issuer or any of its Restricted Subsidiaries shall so repay any Indebtedness other than the Notes, the Issuer will repay the Notes on a pro rata basis by, at its option, (A) redeeming Notes pursuant to Section 3.07 of this Indenture or (B) purchasing Notes through open-market purchases, at a price equal to or higher than 100% of the principal amount thereof, or making an offer (in accordance with the procedures set forth below) to all Holders to purchase their Notes on a ratable basis with such other Indebtedness for no less than 100% of the principal amount thereof, *plus* the amount of accrued but unpaid interest, if any, thereon up to the principal amount of Notes to be repurchased; or

(6) any combination of the foregoing;

provided that the requirements of clauses (2) through (4) above shall be deemed to be satisfied if an agreement (including a lease, whether a capital lease or an operating lease) committing to make the acquisitions or expenditures referred to in any of clauses (2) through (4) above is entered into by the Issuer or its Restricted Subsidiary within 365 days after the receipt of such Net Proceeds and such Net Proceeds are applied in accordance with such agreement; *provided, further*, that (x) such acquisition or investment is then consummated within 545 days after the receipt of such Net Proceeds and (y) if such acquisition or investment is not consummated within the period set forth in sub clause (x), or otherwise applied as set forth in clauses (1) or (5) above, the Net Proceeds not so applied will be deemed to constitute Excess Proceeds under Section 4.10(c) of this Indenture.

Pending the final application of any Net Proceeds, the Issuer may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(c) Any Net Proceeds from Asset Sales received since the Escrow Release Date that were not or are not applied or invested as provided in Section 4.10(b) of this Indenture shall constitute “*Excess Proceeds*.” When the aggregate amount of Excess Proceeds with respect to any individual Asset Sale exceeds \$20.0 million, or with respect to all Asset Sales exceeds \$40.0 million, within ten Business Days thereof, the Issuer will make an offer (an “*Asset Sale Offer*”) to all Holders and if the Issuer elects (or is required by the terms of such other pari passu Indebtedness), any holders of other Indebtedness that is *pari passu* in right of payment with the Notes. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount *plus* accrued and unpaid interest, if any to, but excluding, the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Issuer may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and such other pari passu Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Notes and such other pari passu Indebtedness will be purchased on a pro rata basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(d) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.10, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.10 by virtue of such compliance.

Section 4.11 Transactions with Affiliates.

(a) From and after the Escrow Release Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer involving aggregate consideration in excess of \$10.0 million for any individual transaction or series of related transactions (each, an “*Affiliate Transaction*”), unless:

(1) the Affiliate Transaction is on terms that, taken as a whole, are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; and

(2) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, the Issuer delivers to the Trustee an Officers’ Certificate certifying that such Affiliate Transaction complies with this Section 4.11(a) and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Issuer, together with a certified copy of the resolutions of the Board of Directors of the Issuer approving such Affiliate Transaction or Affiliate Transactions.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) of this Indenture:

(1) any employment agreement, change of control agreement, severance agreement, employee benefit plan, officer or director indemnification agreement or any similar arrangement entered into by the Issuer or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(2) transactions between or among the Issuer, its Restricted Subsidiaries and/or any entity that becomes a Restricted Subsidiary as a result of such transaction;

(3) transactions with a Person (other than an Unrestricted Subsidiary of the Issuer) that is an Affiliate of the Issuer solely because the Issuer owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) payment of customary directors' fees, reasonable out of pocket expense reimbursement, indemnities (including the provision of directors and officers insurance) and compensation arrangements for members of the Board of Directors, officers or other employees of the Issuer and its Subsidiaries;

(5) any issuance of Equity Interests (other than Disqualified Stock) of the Issuer to Affiliates of the Issuer and the registration rights and payments associated therewith thereunder;

(6) Permitted Investments or Restricted Payments that do not violate Section 4.07 of this Indenture;

(7) loans (or cancellation of loans) or advances to employees in the ordinary course of business;

(8) transactions with customers, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services, in each case which are in the ordinary course of business (including, without limitation, pursuant to joint venture agreements) and otherwise in compliance with the terms of this Indenture;

(9) the issuance of Equity Interests (other than Disqualified Stock) in the Issuer or any Restricted Subsidiary for compensation purposes;

(10) any lease entered into between the Issuer or any Restricted Subsidiary, as lessee and any Affiliate of the Issuer, as lessor, which is approved by a majority of the disinterested members of the Board of Directors of the Issuer in good faith;

(11) intellectual property licenses in the ordinary course of business;

(12) Existing Indebtedness and any other obligations pursuant to an agreement existing on the Issue Date and described in the Offering Memorandum, including any amendment thereto (so long as such amendment is not disadvantageous to the Holders in any material respect);

(13) payments by the Issuer or any of its Restricted Subsidiaries of reasonable insurance premiums to, and any borrowings or dividends received from, any Captive Insurance Subsidiary;

(14) transactions in which the Issuer or any Restricted Subsidiary delivers to the Trustee a letter from an accounting, appraisal or investment banking firm of national standing stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view and which are approved by a majority of the disinterested members of the Board of Directors of the Issuer in good faith; and

(15) any customary management services agreements or similar agreements between the Issuer or any of its Subsidiaries and any joint venture.

Section 4.12 Liens.

From and after the Escrow Release Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind (other than Permitted Liens) securing Indebtedness upon any of their property or assets, whether owned on the Escrow Release Date or thereafter acquired, unless all payments due under this Indenture, the Notes and the Guarantees are secured on an equal and ratable basis with the obligations so secured until such time as such obligations are no longer secured by a Lien.

Section 4.13 Effectiveness of Covenants.

(a) From and after the occurrence of an Investment Grade Rating Event after the Escrow Release Date (such date, a “*Suspension Date*”), the Issuer and its Restricted Subsidiaries will not be subject to Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, Section 4.16, Section 4.17 (but only with respect to any Person that is required to become a Subsidiary Guarantor after the date of the commencement of the applicable Suspension Date) and Section 5.01(a)(4) of this Indenture (collectively, the “*Suspended Covenants*”).

(b) If at any date (each such date, a “*Reversion Date*”), the credit rating of the Notes is downgraded from an Investment Grade Rating by two Rating Agencies, then the Suspended Covenants will thereafter be reinstated and again be applicable pursuant to the terms of this Indenture, unless and until the occurrence of a subsequent Investment Grade Rating Event.

(c) The period of time between the occurrence of an Investment Grade Rating Event and its respective Reversion Date is referred to herein as the “*Suspension Period*.” Calculations made after a Reversion Date of the amount available to be made as Restricted Payments pursuant to Section 4.07 of this Indenture will be made as though Section 4.07 of this Indenture had been in effect at all times since the Escrow Release Date, including during any Suspension Period. Any Indebtedness incurred during any Suspension Period would be deemed to be Permitted Debt subsequent to the Reversion Date. Neither the failure of the Issuer or any of its Subsidiaries to comply with a Suspended Covenant during any Suspension Period nor compliance by the Issuer or any of its Subsidiaries with any contractual obligation entered into in compliance with this Indenture during any Suspension Period will constitute a Default, Event of Default or breach of any kind under this Indenture or the Notes.

(d) During any Suspension Period, the Issuer may not designate any of its Subsidiaries as Unrestricted Subsidiaries. Additionally, during any Suspension Period, the Holders will be entitled to substantially reduced covenant protection. However, the Issuer and its Restricted Subsidiaries will remain subject to all other covenants in this Indenture during any such time, including to Section 4.15 of this Indenture.

Section 4.14 Corporate Existence.

Subject to Article 5, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (1) its corporate existence and, from and after the Escrow Release Date, the corporate, partnership, limited liability company or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any such Restricted Subsidiary and (2) the rights (charter and statutory), licenses and franchises of the Issuer and, from and after the Escrow Release Date, its Restricted Subsidiaries; *provided* that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership, limited liability company or other existence of any of its Restricted Subsidiaries, if the Issuer in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Restricted Subsidiaries, taken as a whole.

Section 4.15 Offer to Repurchase Upon a Change of Control.

(a) From and after the Escrow Release Date, if a Change of Control occurs, each Holder will have the right to require the Issuer to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000) of that Holder's Notes pursuant to an offer made by the Issuer (the "*Change of Control Offer*"). In the Change of Control Offer, the Issuer will offer to make a payment (the "*Change of Control Payment*") in cash equal to 101% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the Change of Control Payment Date, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control, the Issuer will transmit a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the date specified in such notice (the "*Change of Control Payment Date*"), which date will be no earlier than 30 days and no later than 60 days from the date such notice is transmitted, pursuant to the procedures required by this Indenture and described in such notice. The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.15 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Issuer will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

The Paying Agent will promptly transmit to each Holder properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and transmit (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) If Holders of not less than 90% in aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making an offer to purchase the Notes upon a Change of Control in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer shall have the right, upon not less than 30 nor more than 60 days' prior written notice, given not more than 30 days following the Change of Control Payment Date, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to 101% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest, if any, on the Notes redeemed to, but excluding, the date of redemption, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(d) The provisions described above in clauses (a) through (c) of this Section 4.15 that require the Issuer to make a Change of Control Offer following a Change of Control will be applicable whether or not any other provisions of this Indenture are applicable. Except as described above with respect to a Change of Control, this Indenture does not contain provisions that permit the Holders to require that the Issuer repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

(e) Notwithstanding anything to the contrary in this Section 4.15, the Issuer will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or (2) notice of redemption has been given pursuant to this Indenture in respect of all Notes pursuant to Section 3.07 of this Indenture, unless and until there is a Default in payment of the applicable redemption price.

(f) A Change of Control Offer may be made in advance of and conditioned on the occurrence of a Change of Control if there is a definitive agreement in place to consummate a transaction that would constitute a Change of Control if consummated at the time such Change of Control Offer is made.

Section 4.16 Designation of Restricted and Unrestricted Subsidiaries.

The Board of Directors of the Issuer may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if no Default or Event of Default would be in existence following such designation. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Issuer and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 of this Indenture or under one or more clauses of the definition of Permitted Investments, as determined by the Issuer. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

The Board of Directors of the Issuer may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Issuer; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Issuer of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (a) such Indebtedness is permitted under Section 4.09 of this Indenture and (b) no Default or Event of Default would be in existence following such designation.

Section 4.17 Additional Subsidiary Guarantees.

If the Issuer or any of its Restricted Subsidiaries, acquires or creates another Subsidiary, other than a Non-Guarantor Subsidiary or if any Non-Guarantor Subsidiary otherwise ceases to be a Non-Guarantor Subsidiary, in each case, after the Escrow Release Date, then such newly acquired or created Subsidiary or Subsidiary that has ceased to be a Non-Guarantor Subsidiary, as applicable, will become a Subsidiary Guarantor and execute a supplemental indenture providing a Guarantee substantially in the form attached as Exhibit B and deliver an Opinion of Counsel and Officers' Certificate to the Trustee within 30 Business Days of the date on which it was acquired or created or ceased to be a Non-Guarantor Subsidiary, as applicable, including any entity in the CFTC Group if acquired after the Escrow Release Date.

Section 4.18 Escrow of Gross Proceeds; Escrow Release Conditions.

(a) Concurrently with the issuance of the Initial Notes, the Escrow Issuer will enter into the Escrow Agreement with the Trustee and the Escrow Agent, pursuant to which the Escrow Issuer will deposit, or cause to be deposited, into an Escrow Account (i) an amount equal to the gross proceeds of the Initial Notes and (ii) an additional amount in cash that, when taken together with such gross proceeds, is sufficient to fund the Special Mandatory Redemption of the Initial Notes on the date that is the last day of the first full calendar month following the Issue Date, if the Special Mandatory Redemption were to occur on such date.

(b) In addition, unless any of the events described in clauses (i) or (ii) of Section 3.09(a) has occurred, commencing with the first day of the second full calendar month following the Issue Date, and, thereafter, the first date of each full calendar month following the second full calendar month, at least two Business Days prior to such date (each such date, a "*Deposit Date*"), the Escrow Issuer will deposit, or cause to be deposited, cash by wire transfer in the Escrow Account in an amount equal to the lesser of (x) the monthly interest that would accrue on the Notes during such next calendar month and (y) the amount of interest that would accrue on the Notes from the first day of the next calendar month to, but excluding, the Termination Date (in each case, as calculated by the Escrow Issuer in accordance with this Indenture).

(c) The Escrow Issuer will grant the Trustee, for the benefit of the Trustee and the Holders of the Notes, a first- priority security interest in the Escrowed Property to secure the obligations in respect of the Notes pending disbursement as described in this Section 4.18 and as set forth in the Escrow Agreement. The Escrow Agent will invest the Escrowed Property in such specified permitted investments, and liquidate such specified permitted investments, as the Escrow Issuer will from time to time direct in writing, in accordance with the Escrow Agreement. The ability of the Holders of the Notes to realize upon such Escrowed Property or securities held in the Escrow Account may be subject to certain limitations of Bankruptcy Law in the event of a bankruptcy, liquidation or reorganization of the Escrow Issuer.

(d) The Escrowed Property will be held in the Escrow Account until released in accordance with the Escrow Agreement upon the earliest of (i) the date on which the Escrow Issuer delivers to the Escrow Agent and the Trustee the Officers' Certificate referred to in Section 4.18(e), (ii) the Termination Date, (iii) the date on which the Escrow Issuer delivers notice to the Escrow Agent and the Trustee to the effect set forth in Section 3.09(a)(ii), and (iv) the date on which the Escrow Issuer fails to timely deposit (or cause to be timely deposited) in cash such amounts required by Section 4.18(b) on or prior to three Business Days after the applicable Deposit Date.

(e) Pursuant to the terms of the Escrow Agreement, the Escrowed Property held in the Escrow Account will be released to, or as directed by, the Escrow Issuer within two Business Days following delivery by the Escrow Issuer to the Escrow Agent and the Trustee, not later than the Termination Date, of an Officers' Certificate (in the form and substance as set forth in the Escrow Agreement) instructing the Escrow Agent to release the Escrowed Property and certifying that the following conditions (collectively, the "*Escrow Release Conditions*") have been or, substantially concurrent with the release of the Escrowed Property will be, satisfied (the date of the Escrow Release is hereinafter referred to as the "*Escrow Release Date*");

(1) the VRI Acquisition will occur substantially concurrent with the release of the Escrowed Property from the Escrow Account;

(2) the ModivCare Assumption will occur substantially concurrent with the release of the Escrowed Property from the Escrow Account; and

(3) the Company, pursuant to the Credit Agreement, shall not be prohibited from consummating the VRI Acquisition.

(f) Prior to the Escrow Release Date, (i) the Subsidiaries of the Issuer will not be parties to this Indenture and will not provide a Guarantee, and (ii) the Company will not be a party to this Indenture and will not be subject to the restrictions, agreements or covenants in Article 4, Article 5 and Article 6 of this Indenture.

Section 4.19 Activities Prior to the Escrow Release Date.

On the Issue Date, and prior to the consummation of the VRI Acquisition on the Escrow Release Date, the Escrow Issuer's primary activities will be restricted to (i) performing its obligations in respect of the Notes, this Indenture and the Escrow Agreement, (ii) redeeming the Notes pursuant to Section 3.09 and (iii) conducting such other activities as are necessary or appropriate to carry out the foregoing activities. Prior to the Escrow Release Date, the Escrow Issuer will not issue any Indebtedness other than the Notes, or own, hold or otherwise have any interest in any assets other than the Escrow Account and cash or Cash Equivalents.

(A) is caused by a failure to pay principal at the final Stated Maturity of such Indebtedness (a “*Payment Default*”); or

(B) results in the acceleration of such Indebtedness prior to its express maturity

Section 6.02 Acceleration.

(a) In the case of an Event of Default arising under clauses (8) or (9) of Section 6.01 of this Indenture with respect to the Issuer or any Significant Subsidiary of the Issuer, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

(b) The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration or waive any existing Default or Event of Default and its consequences under this Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes.

Section 6.03 Other Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

(a) Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice

of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, interest or premium, if any.

(b) The Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) Holders of at least 30% in aggregate principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
- (5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

(c) The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under this Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes.

Section 6.05 Control by Majority.

Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders or that may involve the Trustee in personal liability. Prior to taking any action under this Indenture, the Trustee shall be entitled to reasonable indemnification against all losses and expenses caused by taking or not taking such action.

Section 6.06 Limitation on Suits.

Subject to Section 6.07 of this Indenture, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (2) Holders of at least 30% in aggregate principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

(5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in clauses (1) or (2) of Section 6.01 of this Indenture occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer and each Guarantor for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter and all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 of this Indenture, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy are, to the extent permitted by law, cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes, including the Guarantors), its creditors or its property and is entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims. Any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, and any other amounts due the Trustee under Section 7.06 of this Indenture. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 of this Indenture out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money in the following order:

- (1) to the Trustee and its agents and attorneys for amounts due under Section 7.06 of this Indenture, including payment of all reasonable compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;
- (2) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and
- (3) to the Issuer or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13. Promptly after any record date is set pursuant to this Section 6.13, the Trustee shall cause notice of such record date and payment date to be given to the Issuer and to each Holder in the manner set forth in Section 12.02 of this Indenture.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 of this Indenture, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7

TRUSTEE

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy or mathematical calculation or facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 of this Indenture.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee will be under no obligation to exercise any of the rights or powers under this Indenture, the Notes and the Guarantees at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on (or the investment of) any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon and shall be fully protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine in good faith to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both which shall conform to the provisions of Section 12.05 of this Indenture, except that no Opinion of Counsel will be required to be furnished to the Trustee in connection with the authentication and delivery of the Initial Notes on the Issue Date. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer or a Guarantor shall be sufficient if signed by an Officer of the Issuer or such Guarantor.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or security or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the existence of a Default or Event of Default, the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each Agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Issuer and each Guarantor deliver an Officers' Certificate setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

Section 7.03 Individual Rights of Trustee.

The Trustee or any Agent in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee or such Agent. However, in the event that the Trustee acquires any conflicting interest (within the meaning of the Trust Indenture Act of 1939, as amended) it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.09 of this Indenture.

Section 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication on the Notes.

Section 7.05 Notice of Defaults.

If a Default occurs and is continuing and a Responsible Officer of Trustee has received written notice thereof, the Trustee will transmit to each Holder a notice of the Default within 90 days thereafter. Except in the case of an Event of Default specified in clauses (1) or (2) of Section 6.01 of this Indenture, the Trustee may withhold from the Holders notice of any continuing Default if the Trustee determines in good faith that withholding the notice is in the interest of the Holders.

Section 7.06 Compensation and Indemnity.

(a) The Issuer and the Guarantors, jointly and severally, shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and the Escrow Agreement and services hereunder and thereunder as the Issuer and the Trustee shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services, except for any such disbursements, advances or expenses as shall have been caused by the Trustee's willful misconduct, gross negligence or bad faith. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel. The Trustee shall provide the Issuer reasonable notice of any expenditure not in the ordinary course of business.

(b) The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold each of the Trustee and any predecessor harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the reasonable costs and expenses of enforcing this Indenture or the Escrow Agreement against the Issuer or any Guarantor (including this Section 7.06) or defending itself against any claim whether asserted by any Holder, the Issuer or any Guarantor, or liability in connection with the acceptance, exercise or performance of any of its rights, powers or duties hereunder or thereunder). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel. Neither the Issuer nor any Guarantor needs to pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, gross negligence or bad faith.

(c) The obligations of the Issuer and the Guarantors under this Section 7.06 shall survive the satisfaction, discharge or termination of this Indenture or the Escrow Agreement or the resignation or removal of the Trustee.

(d) To secure the payment obligations of the Issuer and the Guarantors in this Section 7.06, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(8) or Section 6.01(9) of this Indenture occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07. The Trustee may resign in writing at any time by giving 30 days' prior notice of such resignation to the Issuer and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.09 of this Indenture;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a receiver or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(b) If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the successor Trustee to replace it with another successor Trustee appointed by the Issuer.

(c) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuer's expense), the Issuer or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 of this Indenture, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall transmit a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the Trustee hereunder have been paid and such transfer shall be subject to the Lien provided for in Section 7.06 of this Indenture. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Issuer's obligations under this Section 7.07 shall continue for the benefit of the retiring Trustee.

(f) As used in this Section 7.07, the term "Trustee" shall also include each Agent.

Section 7.08 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the successor corporation or national banking association without any further act shall be the successor Trustee, subject to Section 7.09 of this Indenture.

Section 7.09 Eligibility; Disqualification.

There shall at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

Section 7.10 Escrow Authorization.

(a) Each Holder, by its acceptance of a Note, (i) consents and agrees to the terms of the Escrow Agreement, including documents related thereto, as the same may be in effect or may be amended from time to time in writing by the parties thereto (*provided* that no amendment or waiver that would materially adversely affect the rights of the Holders of the Notes (as determined in good faith by the Issuer) may be effected without the consent of the Holders of a majority of the aggregate principal amount of the Notes then outstanding), and (ii) authorizes and directs the Trustee to enter into the Escrow Agreement and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuer shall do or cause to be done all such acts and things as may be necessary or proper, or as may be required by the provisions of the Escrow Agreement, to assure and confirm to the Trustee the security interest contemplated by the Escrow Agreement or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purpose herein expressed. The Issuer shall take, or shall cause to be taken, any and all actions reasonably required to cause the Escrow Agreement to create and maintain, as security for the obligations of the Issuer under this Indenture and the Notes as provided in the Escrow Agreement, valid and enforceable first priority perfected Liens in and on all of the Escrowed Property, in favor of the Trustee for its benefit and for the benefit of the Holders, superior to and prior to the rights of third Persons and subject to no other Liens. Whether or not expressly provided for therein, in executing, delivering and performing under the Escrow Agreement, the Trustee shall be entitled to all of the rights, privileges and immunities set forth in this Indenture.

(b) The Issuer and each Holder, by its acceptance of a Note, acknowledges and agrees that the Trustee will not be responsible for (i) the existence, genuineness or value of any of the Escrowed Property or for the validity, perfection, priority or enforceability of the Liens granted to it, for the benefit of itself or the benefit of the Holders of the Notes, in any of the Escrowed Property, whether impaired by operation of law or by reason of any action or omission to act on its part under this Indenture or the Escrow Agreement, except to the extent such action or omission constitutes gross negligence or willful misconduct on the part of the Trustee as determined in the final non-appealable judgment of a court of competent jurisdiction, (ii) the validity or sufficiency of the Escrowed Property or any agreement or assignment contained therein, or the validity of the title of the Issuer to the Escrowed Property, (iii) insuring the Escrowed Property or for the payment of taxes, charges, assessments or Liens granted to the Trustee, for the benefit of the Trustee and the Holders of the Notes, upon the Escrowed Property or otherwise as to the maintenance of the Escrowed Property. The Trustee hereby disclaims any representation or warranty to the present and future Holders of the Notes concerning the perfection of the Liens granted under the Escrow Agreement or in the value of any of the Escrowed Property.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Issuer may, at its option and at any time, elect to have either Section 8.02 of this Indenture or Section 8.03 of this Indenture applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

(a) Upon the Issuer's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.02, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, be deemed to have been discharged from their obligations with respect to this Indenture, all outstanding Notes and Guarantees on the date the conditions set forth below are satisfied ("*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (1) through (4) below, and to have satisfied all of its other obligations under such Notes and this Indenture, including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders to receive payments in respect of the principal, premium, if any, and interest on the Notes when such payments are due, solely out of the trust created pursuant to this Indenture referred to in Section 8.04 of this Indenture;

(2) the Issuer's obligations with respect to the Notes concerning issuing the Temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for Note payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's and the Guarantors' obligations in connection therewith; and

(4) this Section 8.02.

(b) Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 of this Indenture.

Section 8.03 Covenant Defeasance.

Upon the Issuer's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.03, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.15, 4.16, 4.17 and clause (4) of Section 5.01(a) of this Indenture with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 of this Indenture are satisfied ("*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to this Indenture and the outstanding Notes, the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 of this Indenture, but, except as specified above, the remainder of this Indenture, and such Notes and the Guarantees shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 of this Indenture of the option applicable to this Section 8.03 of this Indenture, subject to the satisfaction of the conditions set forth in Section 8.04 of this Indenture, an Event of Default specified in Section 6.01(3) of this Indenture that resulted solely from the failure of the Issuer to comply with clause (4) of Section 5.01(a), Section 6.01(4) (only with respect to covenants that are released as a result of such Covenant Defeasance), Section 6.01(5), Section 6.01(6), Section 6.01(7), Section 6.01(8) (solely with respect to Significant Subsidiaries of the Issuer) and Section 6.01(9) (solely with respect to Significant Subsidiaries of the Issuer) of this Indenture, in each case, shall not constitute an Event of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or Section 8.03 of this Indenture:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of Legal Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (a) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the beneficial owners of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement (including, without limitation, the Credit Agreement) or instrument (other than this Indenture) to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;

(5) the Issuer must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(6) the Issuer must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with

Section 8.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

(a) Subject to Section 8.06 of this Indenture, all money and Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 of this Indenture in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of all sums due and to become due thereon in respect of principal, premium, if any, and interest on the Notes, but such money need not be segregated from other funds except to the extent required by law.

(b) The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 of this Indenture or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders.

(c) Anything in this Article 8 to the contrary notwithstanding, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.04 of this Indenture which, in the opinion of an independent financial advisor expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) of this Indenture), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Issuer.

Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Securities in accordance with Section 8.02 or Section 8.03 of this Indenture, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or Section 8.03 of this Indenture until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or Section 8.03 of this Indenture, as the case may be; *provided that*, if the Issuer makes any payment of principal, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders.

(a) Notwithstanding Section 9.02 of this Indenture, the Issuer and the Trustee may amend or supplement this Indenture, the Guarantees, the Notes or the Escrow Agreement without the consent of any Holder:

- (1) to cure any mistake, ambiguity, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for the assumption of the Issuer's or a Guarantor's obligations to the Holders and Guarantees in the case of a merger, consolidation, Division or sale of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;
- (4) to provide for the merger of the Escrow Issuer with and into the Company and the assumption by the Company of the Obligations of the Escrow Issuer under this Indenture and the Notes;
- (5) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights hereunder of any Holder;
- (6) to conform the text of this Indenture, the Guarantees or the Notes to any provision of the section described under the caption "Description of notes" in the Offering Memorandum to the extent that such provision in such "Description of notes" was intended to be a verbatim recitation of a provision of this Indenture, the Guarantees or the Notes;
- (7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;
- (8) to allow any Guarantor to execute a supplemental indenture and/or a Guarantee with respect to the Notes; or
- (9) to issue the Notes on the Issue Date.

(b) Upon the request of the Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 12.04 of this Indenture, the Trustee shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and Officers' Certificate stating that such amendment or supplement is authorized or permitted by this Indenture.

Section 9.02 With Consent of Holders.

(a) Except as provided in Section 9.01 of this Indenture and this Section 9.02, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, the Escrow Agreement, the Notes and the Guarantees with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and, subject to Section 6.04 and Section 6.07 of this Indenture, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes or the Guarantees may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Section 2.08 and Section 2.09 of this Indenture shall determine which Notes are considered to be "outstanding" for the purposes of this Section 9.02.

(b) Upon the request of the Issuer, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 12.04 of this Indenture, the Trustee shall join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

(c) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver. It shall be sufficient if such consent approves the substance of such proposed amendment, supplement or waiver.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer will give to the Holders a notice briefly describing such amendment, supplement or waiver. However, the failure of the Issuer to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of any such amendment, supplement or waiver.

(e) However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) (a) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the optional redemption of the Notes pursuant to Section 3.07 of this Indenture (other than provisions relating to notice period for consummating an optional redemption of the Notes) or (b) reduce the price payable upon redemption of any Note or change the time at which the Note may be redeemed pursuant to a Special Mandatory Redemption as described under Section 3.09.
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the contractual rights of Holders to receive payments of principal of, or interest or premium, if any, on, the Notes;

(7) make any change in the provisions in the Escrow Agreement or this Indenture dealing with the application of proceeds of Escrowed Property that would adversely affect the Holders of the Notes; or

(8) make any change in the preceding amendment and waiver provisions.

(f) A consent to any amendment, supplement or waiver of this Indenture, the Notes or the Guarantee by any Holder given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

Section 9.03 [Reserved].

Section 9.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

(b) The Issuer may, but shall not be obliged to, fix a record date pursuant to Section 1.05 of this Indenture for the purpose of determining the Holders entitled to consent to any amendment or waiver.

Section 9.05 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, etc.

The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuer may not sign an amended or supplemental indenture until the Board of Directors of the Issuer approves it. In executing any amended or supplemental indenture, the Trustee shall be provided with and (subject to Section 7.01 of this Indenture) shall be fully protected in relying upon, in addition to the documents required by Section 12.04 of this Indenture, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10
GUARANTEES

Section 10.01 Guarantees.

(a) Subject to this Article 10, following the satisfaction of the Escrow Release Conditions as described in Section 4.18(e), each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally guarantees, on a senior unsecured basis, to each Holder and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that: (1) the principal, premium, if any, and interest on the Notes shall be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal and interest on the Notes, if any, if lawful, and all other Obligations of the Issuer to the Holders or the Trustee hereunder or under the Notes shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise (collectively, the “*Guaranteed Obligations*”). Failing payment by the Issuer when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each of the Guarantors hereby agrees that its obligations under its Guarantee shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder or the Trustee with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that its Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture, or pursuant to Section 10.05 of this Indenture.

(c) Each of the Guarantors also agrees, jointly and severally, to pay any and all costs and expenses (including reasonable attorneys’ fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01 of this Indenture.

(d) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, each Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(e) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of its Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Obligations as provided in Article 6 of this Indenture, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of its Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders or the Trustee under any Guarantees.

(f) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation or reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or the Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(g) In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(h) Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee will be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment, determined in accordance with GAAP.

Section 10.03 Execution and Delivery.

(a) To evidence its Guarantee set forth in Section 10.01 of this Indenture, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer or person holding an equivalent title.

(b) Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 of this Indenture shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(c) If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantees shall be valid nevertheless.

(d) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 10.04 Guarantors May Consolidate, etc., on Certain Terms.

(a) Except as otherwise provided in this Section 10.04, a Subsidiary Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into another Person (other than the Issuer or another Subsidiary Guarantor) or consummate a Division as the Dividing Person (in each case, whether or not such Subsidiary Guarantor is the surviving Person), unless:

- (1) immediately after giving effect to such transaction, no Event of Default exists; and

(2) either:

(A) the Person (if other than the Issuer or a Subsidiary Guarantor) acquiring the property in any such sale or disposition or the Person (if other than the Issuer or a Subsidiary Guarantor) formed by or surviving any such consolidation, merger or Division assumes all the obligations of that Subsidiary Guarantor under this Indenture and its Subsidiary Guarantee, pursuant to a supplemental indenture satisfactory to the Trustee; or

(B) such transaction does not violate Section 4.10 of this Indenture.

Section 10.05 Releases.

(a) The Subsidiary Guarantee of a Subsidiary Guarantor will be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Subsidiary Guarantor (including by way of merger, consolidation or Division) to a Person that is not (either before or after giving effect to such transaction) the Issuer or a Subsidiary Guarantor, if the sale or other disposition does not violate Section 4.10 of this Indenture;

(2) in connection with any sale of Capital Stock of that Subsidiary Guarantor following which such Subsidiary Guarantor is no longer a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.10 of this Indenture;

(3) if any Restricted Subsidiary that is a Subsidiary Guarantor becomes a Non-Guarantor Subsidiary in accordance with the applicable provisions of this Indenture; or

(4) upon Legal Defeasance or Covenant Defeasance in accordance with Article 8 of this Indenture or satisfaction and discharge of this Indenture in accordance with Article 11 of this Indenture.

ARTICLE 11

SATISFACTION AND DISCHARGE

Section 11.01 Satisfaction and Discharge.

(a) This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the transmitting of a notice of redemption or otherwise or will become due and payable within one year and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(2) no Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

(3) the Issuer or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(4) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

(b) In addition, the Issuer must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

(c) Notwithstanding the satisfaction and discharge of this Indenture, the provisions of Section 7.06 of this Indenture shall survive, and if money shall have been deposited with the Trustee pursuant to Section 11.01(a)(1)(B) of this Indenture, the provisions of Section 11.02 and Section 8.06 of this Indenture shall survive.

Section 11.02 Application of Trust Money.

(a) Subject to the provisions of Section 8.06 of this Indenture, all money and Government Securities deposited with the Trustee pursuant to Section 11.01 of this Indenture shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest for whose payment such money has been deposited with the Trustee, but such money need not be segregated from other funds except to the extent required by law.

(b) If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 of this Indenture by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 of this Indenture; *provided* that if the Issuer has made any payment of principal, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent, as the case may be.

The Escrow Issuer, the Company, any Guarantor or the Trustee, by like notice, may designate additional or different addresses for subsequent notices or communications.

(b) All notices and communications (other than those sent to Holders) shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; on the first date of which publication is made, if by publication; five calendar days after being deposited in the mail, postage prepaid, if mailed by first-class mail; the next Business Day after timely delivery to the courier, if mailed by overnight air courier guaranteeing next day delivery; when receipt acknowledged, if sent by facsimile or electronic transmission; *provided* that any notice or communication delivered to the Trustee shall be deemed effective upon actual receipt thereof.

(c) Any notice or communication to a Holder shall be electronically transmitted or mailed by first-class mail (certified or registered, return receipt requested) or by overnight air courier guaranteeing next day delivery to its address shown on the Note Register or by such other delivery system as the Trustee agrees to accept. Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders.

(d) Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(e) Notwithstanding any other provision herein, where this Indenture provides for notice of any event to any Holder of an interest in a Global Note (whether by mail or otherwise), such notice shall be sufficiently given if given to the Depositary for such Note (or its designee), according to the applicable procedures of such Depositary, if any, prescribed for the giving of such notice.

(f) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“*Instructions*”) given pursuant to this Indenture and delivered using the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee, as available for use in connection with its services hereunder (collectively, “*Electronic Means*”); provided, however, that the Issuer and each Guarantor, as applicable, shall provide to the Trustee an incumbency certificate listing Officers with the authority to provide such Instructions (“*Authorized Officers*”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer and each Guarantor, as applicable, whenever a Person is to be added or deleted from the listing. If any of the Issuer and Guarantors, as applicable, elects to give Instructions to the Trustee using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. Each of the Issuer and the Guarantors understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. Each of the Issuer and the Guarantors shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that each of the Issuer and the Guarantors and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer or any Guarantor, as applicable. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. Each of the Issuer and the Guarantors agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer or any Guarantor, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(g) Except as otherwise expressly provided above, if a notice or communication is transmitted in the manner provided above within the time prescribed, it is duly given, whether or not the addressee receives it.

(h) If the Issuer transmits a notice or communication to Holders, it shall transmit a copy to the Trustee and each Agent at the same time.

Section 12.03 [Reserved].

Section 12.04 Certificate and Opinion as to Conditions Precedent.

Upon any request or application by the Issuer or any Guarantor to the Trustee to take any action under this Indenture, the Issuer or such Guarantor, as the case may be, shall furnish to the Trustee:

(1) an Officers’ Certificate in form and substance reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 12.05 of this Indenture) stating that, in the opinion of the signer(s), all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been complied with; and

(2) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 12.05 of this Indenture) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been complied with; provided that an Opinion of Counsel pursuant to this Section 12.04 shall not be required in connection with the authentication and delivery of the Initial Notes that are issued on the Issue Date.

- (4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been complied with.

Section 12.06 Rules by Trustee and Agents.

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 12.07 No Personal Liability of Directors, Officers, Employees, Incorporator, Stockholder, Member, Partner or Other Holder of Equity Interests.

No director, officer, employee, incorporator, stockholder, member, partner or other holder of Equity Interests of the Issuer or any Guarantor, as such, will have any liability for any obligations of the Issuer or the Guarantors under the Notes, this Indenture, the Guarantees or for any claim based on, in respect of, or by reason of, such Obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

THIS INDENTURE, THE NOTES AND ANY GUARANTEE WILL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Section 12.09 Waiver of Jury Trial.

EACH OF THE ISSUER, THE GUARANTORS, HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE GUARANTEES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 12.10 Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including without limitation strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services, and pandemics or disease; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 12.11 No Adverse Interpretation of Other Agreements.

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Issuer or its Restricted Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

Section 12.16 Facsimile and Electronic Transmission of Signature Pages.

The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Indenture or any document to be signed in connection with this Indenture shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal

Additional Notes may also be considered to be Rule 144A Notes or Regulation S Notes, as applicable.

(b) *Global Notes.* Rule 144A Notes shall be issued initially in the form of one or more permanent Global Notes in definitive, fully registered form, numbered RA-1 upward (collectively, the *"Rule 144A Global Note"*) and Regulation S Notes shall be issued initially in the form of one or more Global Notes, numbered RS-1 upward (collectively, the *"Regulation S Global Note"*), in each case without interest coupons and bearing the Global Notes Legend and Restricted Notes Legend, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Custodian, and registered in the name of the Depositary or a nominee of the Depositary, duly executed by the Issuer and authenticated by the Trustee as provided in the Indenture. The Rule 144A Global Note, the Regulation S Global Note and any Unrestricted Global Note are each referred to herein as a *"Global Note"* and are collectively referred to herein as *"Global Notes."* Each Global Note shall represent such of the outstanding Notes as shall be specified in the *"Schedule of Increases and Decreases in the Global Note"* attached thereto and each shall provide that it shall represent the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 of the Indenture and Section 2.2(c) of this Appendix A.

(c) *Book-Entry Provisions.* This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depositary.

The Issuer shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 2.02 of the Indenture and pursuant to an Authentication Order, authenticate and deliver initially one or more Global Notes that (i) shall be registered in the name of the Depositary for such Global Note or Global Notes or the nominee of such Depositary and (ii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary's instructions or held by the Trustee as Custodian.

Members of, or participants in, the Depositary (*"Agent Members"*) shall have no rights under the Indenture with respect to any Global Note held on their behalf by the Depositary or by the Trustee as Custodian or under such Global Note, and the Depositary may be treated by the Issuer, the Trustee, each Agent and any agent of the Issuer or the Trustee or such Agent as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee, any Agent or any agent of the Issuer or the Trustee or such Agent from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices of such Depositary governing the exercise of the rights of a Holder of a beneficial interest in any Global Note.

(d) *Definitive Notes.* Except as provided in Section 2.2 or Section 2.3 of this Appendix A, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Definitive Notes.

Section 2.2 Transfer and Exchange.

(a) *Transfer and Exchange of Definitive Notes for Definitive Notes.* When Definitive Notes are presented to the Registrar with a request:

- (i) to register the transfer of such Definitive Notes; or

(ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or his or her attorney duly authorized in writing; and

(2) in the case of Transfer Restricted Notes, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to Section 2.2(b) of this Appendix A or otherwise in accordance with the Restricted Notes Legend, and are accompanied by a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto.

(b) *Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.* A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Issuer and the Registrar, together with:

(i) a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto; and

(ii) written instructions directing the Trustee to make, or to direct the Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depositary account to be credited with such increase,

the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depositary and the Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so cancelled. If the applicable Global Note is not then outstanding, the Issuer shall issue and the Trustee shall authenticate, upon an Authentication Order, a new applicable Global Note in the appropriate principal amount.

(c) *Transfer and Exchange of Global Notes.*

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depositary, in accordance with the Indenture (including applicable restrictions on transfer set forth in Section 2.2(d) of this Appendix A, if any) and the procedures of the Depositary therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the Depositary's procedures containing information regarding the participant account of the Depositary to be credited with a beneficial interest in such Global Note, or another Global Note and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred.

(ii) the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix A (other than the provisions set forth in Section 2.3 of this Appendix A), a Global Note may not be transferred except as a whole and not in part if the transfer is by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

(d) *Restrictions on Transfer of Global Notes; Voluntary Exchange of Interests in Transfer Restricted Global Notes for Interests in Unrestricted Global Notes.*

(i) Transfers by an owner of a beneficial interest in a Rule 144A Global Note to a transferee who takes delivery of such interest through another Restricted Global Note shall be made in accordance with the Applicable Procedures and the Restricted Notes Legend and only upon receipt by the Trustee of a certification from the transferor in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto.

(ii) During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures, the Restricted Notes Legend on such Regulation S Global Note and any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through a Rule 144A Global Note shall be made only in accordance with the Applicable Procedures and the Restricted Notes Legend and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse side of the Form of Note in *Exhibit A* for exchange or registration of transfers. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period. Upon the expiration of the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of the Indenture.

(iii) Upon the expiration of the Distribution Compliance Period, beneficial interests in the Regulation S Global Note may be exchanged for beneficial interests in an Unrestricted Global Note upon certification in the form provided on the reverse side of the Form of Note in *Exhibit A* for an exchange from a Regulation S Global Note to an Unrestricted Global Note.

(iv) Beneficial interests in a Transfer Restricted Note that is a Rule 144A Global Note may be exchanged for beneficial interests in an Unrestricted Global Note if the Holder certifies in writing to the Registrar that its request for such exchange is in respect of a transfer made in reliance on Rule 144 (such certification to be in the form set forth on the reverse side of the Form of Note in *Exhibit A*) and/or upon delivery of such legal opinions, certifications and other information as the Issuer or the Trustee may reasonably request.

(v) If no Unrestricted Global Note is outstanding at the time of a transfer contemplated by the preceding clauses (iii) and (iv), the Issuer shall issue and the Trustee shall authenticate, upon an Authentication Order, a new Unrestricted Global Note in the appropriate principal amount.

(e) *Legends.*

(i) Except as permitted by Section 2.2(d) and this Section 2.2(e) of this Appendix A, each Note certificate evidencing the Global Notes and the Definitive Notes (and all Notes issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only) ("*Restricted Notes Legend*"):

THE NOTES EVIDENCED HEREBY HAVE NOT BEEN AND ARE NOT EXPECTED TO BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”) AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (A) (1) TO A PERSON WHO THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (2) IN AN OFFSHORE TRANSACTION COMPLYING WITH RULE 903 OR RULE 904 OF REGULATION S UNDER THE SECURITIES ACT, (3) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT PROVIDED BY RULE 144 THEREUNDER (IF AVAILABLE AND PROVIDED THAT PRIOR TO SUCH TRANSFER, THE TRUSTEE IS FURNISHED WITH AN OPINION OF COUNSEL ACCEPTABLE TO THE ISSUER THAT SUCH TRANSFER IS IN COMPLIANCE WITH THE SECURITIES ACT), OR (4) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND (B) IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF THE STATES OF THE UNITED STATES AND OTHER JURISDICTIONS.

[IN THE CASE OF REGULATION S NOTES: BY ITS ACQUISITION HEREOF, THE HOLDER HEREOF REPRESENTS THAT IT IS NOT A U.S. PERSON NOR IS IT PURCHASING FOR THE ACCOUNT OF A U.S. PERSON AND IS ACQUIRING THIS SECURITY IN AN OFFSHORE TRANSACTION IN ACCORDANCE WITH REGULATION S UNDER THE SECURITIES ACT.]

Each Definitive Note shall bear the following additional legend (“*Definitive Notes Legend*”):

IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE REGISTRAR SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH REGISTRAR MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

Each Global Note shall bear the following additional legend (“*Global Notes Legend*”):

UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION (“DTC”), NEW YORK, NEW YORK, TO THE ISSUER OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. (ii) Upon any sale or transfer of a Transfer Restricted Note that is a Definitive Note, the Registrar shall permit the Holder thereof to exchange such Transfer Restricted Note for a Definitive Note that does not bear the Restricted Notes Legend and the Definitive Notes Legend and rescind any restriction on the transfer of such Transfer Restricted Note if the Holder certifies in writing to the Registrar that its request for such exchange is in respect of a transfer made in reliance on Rule 144 (such certification to be in the form set forth on the reverse side of the Form of Note in *Exhibit A*) and provides such legal opinions, certifications and other information as the Issuer or the Trustee may reasonably request.

(iii) Any Additional Notes sold in a registered offering shall not be required to bear the Restricted Notes Legend.

(f) *Cancellation or Adjustment of Global Note.* At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or cancelled, such Global Note shall be returned by the Depositary to the Trustee for cancellation or retained and cancelled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or cancelled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Registrar (if it is then the Custodian for such Global Note) with respect to such Global Note, by the Registrar or the Custodian, to reflect such reduction.

(g) *Obligations with Respect to Transfers and Exchanges of Notes.*

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate, Definitive Notes and Global Notes at the Registrar's request.

(ii) No service charge shall be imposed in connection with any registration of transfer or exchange (other than pursuant to Section 2.07 of this Indenture), but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Section 2.10, Section 3.06, Section 4.10, Section 4.15 and Section 9.05 of the Indenture).

(iii) Prior to the due presentation for registration of transfer of any Note, the Issuer, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal, premium, if any, and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Issuer, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

(iv) All Notes issued upon any transfer or exchange pursuant to the terms of the Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(v) In order to effect any transfer or exchange of an interest in any Transfer Restricted Note for an interest in a Note that does not bear the Restricted Notes Legend and has not been registered under the Securities Act, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel, in form reasonably acceptable to the Registrar to the effect that no registration under the Securities Act is required in respect of such exchange or transfer or the re-sale of such interest by the beneficial Holder thereof, shall be required to be delivered to the Registrar and the Trustee.

3. SUBORDINATION

(a) On the terms and conditions set forth below, Subordinated Creditors' right to payment and performance of the Subordinated Debt (other than the Subordinated Trustee's right to receive payments of the amounts set forth in clause (iii) of the definition of Permitted Subordinated Payments) are hereby subordinated to Senior Creditors' right to the prior payment in full in cash, and prior performance, of the Senior Obligations. Subject to and except as set forth in Section 2, Section 4 or Section 5, no Subordinated Creditor shall ask, demand, sue for, take or receive from any Loan Party or any of their Subsidiaries, by setoff or in any other manner, (i) the whole or any part of any monies which may now or hereafter be owing by any Loan Party to any Subordinated Creditor, or be owing by any other person to any Subordinated Creditor under a guaranty or similar instrument, on account of the Subordinated Debt, nor (ii) any collateral security for any of the foregoing, unless and until, in each case, the Senior Obligations shall have been fully paid in cash and all commitments to extend credit under the Senior Credit Agreement shall have been terminated (the temporary reduction of outstanding obligations, liabilities and indebtedness of the Company or any other Loan Party to Senior Creditors not being deemed to constitute full payment or satisfaction thereof).

(b) If, notwithstanding the foregoing clause (a), any lien shall be created or shall arise, whether by operation of law or otherwise, and may from time to time exist in favor of Subordinated Creditors in or on any property of any Loan Party or any of their Subsidiaries to secure all or any portion of the Subordinated Debt, then any liens granted by any Loan Party or by any such Subsidiary in favor of Senior Creditors to secure the Senior Obligations shall in all respects be first and senior liens, superior to any liens in favor of Subordinated Creditors securing the Subordinated Debt, notwithstanding (i) the date, manner or order of perfection of the security interests and liens granted in favor of Senior Creditors, (ii) the provisions of the UCC or any other applicable laws or decisions, (iii) the provisions of any contract in effect between Senior Creditors, on the one hand, and the Company, any other Loan Party or any Affiliate thereof, on the other, (iv) any failure of the Senior Creditors to adequately perfect its security interests in the Collateral or the avoidance, invalidation or lapse of any lien on the Collateral securing any Senior Obligations and (v) whether the Senior Creditors or any agent or bailee thereof holds possession of any part or all of the Collateral. In the event any Subordinated Creditor has or obtains possession of any such property or forecloses upon or enforces a lien upon any such property, whether by judicial action or otherwise, prior to payment in cash in full of the Senior Obligations and termination of all commitments to extend credit under the Senior Credit Agreement, then all such property shall be immediately delivered in kind, subject to the Senior Intercreditor Agreement, to Senior Agent or Senior Trustee for the benefit of the Senior Creditors or, if not deliverable in kind, all cash or non-cash proceeds and profits of such property shall be held in trust for the benefit of Senior Creditors and, subject to the Senior Intercreditor Agreement, paid over to Senior Agent or Senior Trustee for the benefit of the Senior Creditors without any deduction or offset.

(c) The subordination contained in this Agreement is intended to define the rights and duties of Subordinated Creditors and Senior Creditors; it is not intended that any third party (including any bankruptcy trustee, receiver, or debtor-in-possession) shall benefit from it. If the effect of the subordination contained in this Agreement would be to give any third party a priority status to which that party would not otherwise be entitled, then that provision shall, to the extent necessary to avoid that priority, be given no effect and the rights and priorities of Senior Creditors and Subordinated Creditors shall be determined in accordance with applicable law and this Agreement.

(d) [Reserved].

(e) In the event of the occurrence of an Insolvency Event, (i) this Agreement shall remain in full force and effect in accordance with Section 510(a) of the United States Bankruptcy Code, and (ii) the Collateral shall include, without limitation, all Collateral arising during or after any such Insolvency Event.

4. RESTRICTIONS ON PAYMENTS

Subject to and except as set forth in Section 2 and Section 5, notwithstanding the terms of the Subordinated Note Documents, the Loan Parties and their Affiliates shall not be permitted to make, and Subordinated Creditors shall not be permitted to ask, demand, sue for, take or receive from the Loan Parties or their Affiliates, by setoff or in any other manner, any payments with respect to the Subordinated Debt (other than Permitted Subordinated Payments) until the Senior Obligations are paid in cash in full.

5. ENFORCEMENT RIGHTS

Notwithstanding anything to the contrary contained in Section 3, Subordinated Creditors shall not have the rights to enforce any claim (including any default remedy) with respect to the Subordinated Debt, or otherwise to take any action against any Loan Party or any of their Subsidiaries or such persons' assets or property, until the Standstill Period End Date; provided, however, Subordinated Creditors may file claims upon the occurrence of an Insolvency Event solely pursuant to the express terms of Section 8(b).

6. AMENDMENTS TO SENIOR DOCUMENTS AND SUBORDINATED NOTE DOCUMENTS

- (a) The Senior Documents may be amended, restated, amended and restated, replaced, renewed, extended, supplemented, waived, or otherwise modified from time to time, including, without limitation, to provide for additional extensions of credit (including as a result of any payments in kind), to increase or impose additional fees, interest and premiums and to extend maturity, and all or any portion of the Senior Obligations may be replaced or refinanced, in each case without the consent of the Subordinated Creditors and without impairing or releasing the obligations of the Subordinated Creditors under this Agreement; provided, however, that the holders of such refinancing debt bind themselves in writing to the terms of this Agreement.
- (b) Until the payment in cash in full of the Senior Documents, without the prior written consent of the Required Senior Creditors, (x) the Subordinated Note Documents may not be amended, restated, amended and restated, supplemented or otherwise modified in any manner that would be adverse to the Senior Creditors (it being understood and agreed that, without limitation, any shortening of the maturity date of the Subordinated Debt, any increase in the frequency of regularly scheduled payments of interest, any increase in the all-in yield of the Subordinated Debt, the addition of any events of default or other events giving rise to the right to accelerate the Subordinated Debt and the addition of any mandatory redemption events shall all be deemed adverse to the Senior Creditors) and (y) any Subordinated Debt may not be refinanced, unless the refinancing holders or lenders become party to a subordination agreement that is substantially identical to this Agreement in form and substance acceptable to the Required Senior Creditors providing for the subordination of such refinancing debt to the Senior Obligations.

7. ASSIGNMENT OR ISSUANCE OF SUBORDINATED DEBT

- (a) The Subordinated Trustee, on behalf of each Subordinated Creditor, hereby agrees that prior to the termination of this Agreement in accordance with Section 12, any transferee of or future holder of the Subordinated Debt shall be bound by this Agreement. Any Definitive Note or Global Note (each as defined in the Subordinated Indenture) issued pursuant to the Subordinated Note Documents shall bear a legend to expressly state that it is subject to this Agreement, which legend shall be substantially in the form set forth below.

THE INDEBTEDNESS EVIDENCED BY THIS NOTE IS SUBORDINATED TO THE PRIOR PAYMENT IN FULL OF THE "SENIOR OBLIGATIONS" (AS DEFINED IN THE SUBORDINATION AGREEMENT HEREINAFTER DEFINED) PURSUANT TO, AND TO THE EXTENT PROVIDED IN, THE SUBORDINATION AGREEMENT DATED AS OF MARCH 7, 2025 (THE "SUBORDINATION AGREEMENT") BY AND AMONG JP MORGAN CHASEBANK, N.A., ANKURA TRUST COMPANY LLC AND WILMINGTON SAVINGS FUND SOCIETY, FSB.

8. SENIOR AGENT'S AND SENIOR TRUSTEE'S PRIORITY

In the event of any Insolvency Event, then, and in any such event, Senior Agent and Senior Trustee shall be entitled to receive (for the benefit of the Senior Creditors, subject to the Senior Intercreditor Agreement) the payment in cash in full of the Senior Obligations before any Subordinated Creditor shall be entitled to receive any payment on account of the Subordinated Debt (other than the Subordinated Trustee's right to receive payments of the amounts set forth in clause (iii) of the definition of Permitted Subordinated Payments), and to that end and in furtherance thereof:

(a) All payments and distributions of any kind or character, whether in cash, property, or securities, in respect of the Subordinated Debt to which Subordinated Creditors would be entitled if the Subordinated Debt were not subordinated pursuant to this Agreement, immediately shall be paid to Senior Agent or Senior Trustee, as applicable, for the benefit of the Senior Creditors, in the same form as received, and applied in accordance with the terms of the Senior Intercreditor Agreement;

(b) Subordinated Creditors shall file a claim or claims, on the form required in such proceedings, in accordance with law or the order of any court exercising jurisdiction over such proceeding, for the full amount of the Subordinated Debt; and

(c) Notwithstanding the foregoing, if any payment or distribution of any kind or character (other than Permitted Subordinated Payments), whether in cash, properties or securities, shall be received by any Subordinated Creditor on account of the Subordinated Debt before all of the Senior Obligations have been paid in full in cash, then such payment or distribution shall be received by such Subordinated Creditor in trust for and shall be promptly paid over to Senior Agent or Senior Trustee, as applicable, for the benefit of the Senior Creditors (subject to the Senior Intercreditor Agreement) in the form received for application to the Senior Obligations until the Senior Obligations shall have been paid in cash in full.

9. GRANT OF AUTHORITY; AGREEMENTS OF SUBORDINATED CREDITORS

In the event of the occurrence of an Insolvency Event, and in order to enable Senior Agent and Senior Trustee to enforce its respective rights (and the rights of the Senior Creditors) hereunder in any of

the aforesaid actions or proceedings, each of Senior Agent and Senior Trustee is, subject to the Senior Intercreditor Agreement, hereby irrevocably authorized and empowered, in Senior Agent's or Senior Trustee's respective discretion, as follows:

- (a) Each of Senior Agent and Senior Trustee is hereby irrevocably authorized and empowered (in its own name or in the name of the respective Subordinated Creditors or otherwise), but shall have no obligation, (i) to demand, sue for, collect and receive every payment or distribution referred to in Section 8, and give acquittance therefor and (ii) (if Subordinated Creditors have failed to file claims or proofs of claim on or before thirty (30) days prior to the last date such claims or proofs of claim may be filed pursuant to law or the order of any court exercising jurisdiction over such proceeding) to file claims and proofs of claim, and (iii) to take such other action as it may deem necessary or advisable for the exercise or enforcement of any of the rights or interests of Senior Agent or Senior Trustee hereunder. Subordinated Creditors, and in the case of the Subordinated Trustee, subject to it receiving customary protections and indemnifications, shall duly and promptly take such action as Senior Agent or Senior Trustee may reasonably request to execute and deliver to Senior Agent or Senior Trustee such authorizations, endorsements, assignments, or other instruments as Senior Agent or Senior Trustee may request in order to enable Senior Agent or Senior Trustee to enforce any and all claims with respect to the Subordinated Debt as such enforcement is contemplated herein.
- (b) To the extent that payments or distributions on account of the Subordinated Debt are made in property or securities other than cash, subject to it receiving customary protections and indemnifications and upon instructions from the Subordinated Creditors, the Subordinated Trustee, on behalf of each Subordinated Creditor, authorizes Senior Agent and Senior Trustee, to sell or dispose of such property or securities on such terms as are commercially reasonable in the situation in question. Following full payment in cash of the Senior Obligations, Senior Agent or Senior Trustee shall remit to Subordinated Trustee (with all necessary endorsements), to the extent of the Subordinated Creditors' interest therein, all payments and distributions of cash, property, or securities paid to and held by Senior Agent or Senior Trustee in excess of the allowed amount of the Senior Obligations.
- (c) In no event shall any Subordinated Creditor support or vote in favor of any plan of reorganization (and each shall be deemed to have voted to reject any plan of reorganization) unless such plan (a) provides for the payment in full in cash of all Senior Obligations or (b) is accepted by each class of holders of the Senior Obligations voting thereon and is supported by Senior Agent and Senior Trustee.

10. PAYMENTS RECEIVED BY SUBORDINATED CREDITORS

Should any payment, distribution or security (other than Permitted Subordinated Payments) be received by any Subordinated Creditor upon or with respect to the Subordinated Debt prior to termination of this Agreement in accordance with Section 12, such Subordinated Creditor shall receive and hold the

same in trust for the benefit of Senior Agent and Senior Trustee for the benefit of the Senior Creditors and shall forthwith deliver the same, subject to the Senior Intercreditor Agreement, to Senior Agent or Senior Trustee, as applicable, in precisely the form received (except for the endorsement or assignment of such Subordinated Creditor where necessary) for application to the Senior Obligations (subject to the Senior Intercreditor Agreement), and, until so delivered, the same shall be held in trust by such Subordinated Creditor as the property of Senior Agent or Senior Trustee for the benefit of the Senior Creditors.

11. FURTHER ASSURANCES; COOPERATION

Subject to receiving customary protections and indemnifications and, where applicable, upon instructions from the Subordinated Creditors, the Subordinated Trustee agrees to cooperate with Senior Agent and Senior Trustee and to take all reasonable actions that Senior Agent or Senior Trustee may require to enable Senior Agent or Senior Trustee, for the benefit of the Senior Creditors, to realize the full benefits of this Agreement.

12. TERMINATION OR AMENDMENT OF AGREEMENT

This Agreement shall be effective upon its execution by each of Senior Agent, Senior Trustee and Subordinated Trustee, provided that the terms hereof shall not become operative until immediately prior to the consummation of the Exchange, such time being referred to herein as the “Effective Date”. After the Effective Date, this Agreement shall remain in effect and cannot be revoked or amended by Subordinated Trustee, except with the prior written consent of Senior Agent and Senior Trustee, and Senior Agent or Senior Trustee, except with the prior written consent of Subordinated Trustee. Each of Senior Agent, Senior Trustee and Subordinated Trustee agree that (x) no amendment hereto shall be binding upon the Loan Parties unless the Loan Parties shall have received notice of such amendment and (y) this Agreement cannot be amended by the Senior Agent, Senior Trustee, the Loan Parties or any Senior Creditors where any such amendment imposes personal obligations on the Subordinated Trustee or adversely affects the rights, duties, liabilities or immunities of the Subordinated Trustee, as provided for in the Subordinated Indenture. Subject to Section 16, this Agreement shall terminate upon the date on which both (a) each of the Senior Obligations shall have been irrevocably paid in cash in full, and (b) each of the Senior Documents shall have been terminated.

13. ADDITIONAL AGREEMENTS FOR SENIOR CREDITORS

Senior Creditors may administer and manage their credit and other relationships with the Loan Parties in their own best interest, without notice to or consent of Subordinated Creditors. Subject to Section 10 and Section 12, at any time and from time to time, Senior Creditors may enter into any amendment or agreement with the Loan Parties or their Affiliates as Senior Creditors may deem proper, extending the time of payment of or renewing or otherwise altering the terms of all or any of the obligations constituting Senior Obligations or affecting the collateral security for, supporting or underlying any or all of the Senior Obligations, and may exchange, sell, release, surrender or otherwise deal with any such collateral security without in any way thereby impairing or affecting this Agreement, and all such additional agreements and amendments shall be Senior Documents evidencing the Senior Obligations.

14. SUBROGATION

If cash or other property otherwise payable or deliverable to Subordinated Creditors or on account of the Subordinated Debt shall have been applied pursuant to this Agreement to the payment of the Senior Obligations, and if the Senior Obligations shall have been irrevocably paid in cash in full and all commitments to extend credit under the Senior Credit Agreement and the Senior Indenture shall have been terminated, then Subordinated Creditors shall be subrogated to any rights of Senior Creditors to receive

further payments or distributions applicable to the Senior Obligations until the Subordinated Debt shall have been fully paid. No such payments or distributions received by Subordinated Creditors by reason of such subrogation shall, as between the Loan Parties and their creditors other than Senior Creditors, on the one hand, and Subordinated Creditors, on the other hand, be deemed to be a payment by the Loan Parties on account of the Subordinated Debt owed to Subordinated Creditors.

15. SUBORDINATED CREDITORS' WAIVERS AND COVENANTS

Without limiting the generality of any other waiver made by Subordinated Creditors in this Agreement, Subordinated Trustee, on behalf of each Subordinated Creditor, hereby expressly waives (i) reliance by Senior Creditors upon the subordination and other agreements herein provided, and (ii) any claim that such Subordinated Creditor may now or hereafter have against Senior Creditors arising out of any and all actions that Senior Creditors, in good faith, take or omit to take (A) with respect to the creation, perfection or continuation of liens in or on any collateral security for the Senior Obligations, (B) with respect to the foreclosure upon, sale, release, or depreciation of, or failure to realize upon, any of the collateral security for the Senior Obligations, (C) with respect to the collection of any claim for all or any part of the Senior Obligations from any account debtor, guarantor or any other third party and (D) with respect to the valuation, use, protection or release of any collateral security for the Senior Obligations.

16. REINSTATEMENT OF SENIOR OBLIGATIONS

To the extent that any Senior Creditor receives payments on or proceeds of any collateral security for the Senior Obligations, which payments or proceeds are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law, or equitable cause, then, to the extent of such payments or proceeds invalidated, declared to be fraudulent or preferential, set aside or required to be repaid, the Senior Obligations, or part thereof, intended to be satisfied shall be revived and continue in full force and effect as if such payments or proceeds had not been received by such Senior Creditor.

17. NO WAIVERS

No Senior Creditor shall be prejudiced in its rights under this Agreement by any act or failure to act of any Loan Party or any Subordinated Creditor or any noncompliance of any Loan Party or any Subordinated Creditor with any agreement or obligation, regardless of any knowledge thereof which any Senior Creditor may have, or with which such Senior Creditor may be charged; no action permitted hereunder that has been taken by any Senior Creditor shall in any way affect or impair the rights or remedies of any Senior Creditor in the exercise of any other right or remedy or shall operate as a waiver thereof; no single or partial exercise by any Senior Creditor of any right or remedy shall preclude any other or further exercise thereof; and no modification or waiver of any of the provisions of this Agreement shall be binding upon such Senior Creditor in each case except as expressly set forth in a writing duly signed and delivered by such Senior Creditor.

18. INFORMATION CONCERNING LOAN PARTIES; CREDIT ADMINISTRATION

Subject to Sections 3(b), 4, 5, 6, 9 and 10, each Subordinated Creditor may (i) administer and manage its credit and other relationships with the Loan Parties in its own best interest, and (ii) amend or extend its agreements with the Loan Parties or enter into additional agreements with the Loan Parties; provided that neither this Section 18(b) nor any amendments or additional agreements referred to therein shall impair or affect the subordination of Subordinated Debt or change the definition of Subordinated Debt, Subordinated Creditors, Senior Obligations, Senior Agent, Senior Trustee or Senior Creditors.

19. THE SUBORDINATED TRUSTEE

Each of the parties acknowledge, agree and confirm that the Subordinated Trustee executes this Agreement as trustee in the exercise of the powers and authority conferred upon and vested in it under the Subordinated Indenture for and on behalf of each Subordinated Creditor for whom it acts. The Subordinated Trustee will exercise its powers and authority under this Agreement in the manner provided for in the Subordinated Indenture and, in so acting, the Subordinated Trustee shall have the protections, immunities, rights, powers, authorizations, indemnities and benefits conferred on it under and by the Subordinated Indenture.
