Exhibit C

Master Guaranty

AMENDED AND RESTATED MASTER GUARANTY OF LEASES

THIS AMENDED AND RESTATED MASTER GUARANTY OF LEASES (the "Guaranty") is given, jointly and severally, by the guarantors named on the signature page hereof (collectively, the "Guarantors") to each landlord named on Exhibit A hereof (each landlord is referred to as a "Landlord") for and in consideration of the sum of Ten and no/100 Dollars (\$10.00) and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged.

WITNESSETH:

Each Landlord has demised to its respective tenant named on Exhibit A hereof (each tenant with its successors and assigns is hereinafter referred to as a "Tenant"), certain premises to be (or which has been) constructed on land described in and pursuant to the lease to such Tenant described on Exhibit A (each lease together with any and all modifications, amendments and extensions is hereinafter referred to as a "Lease").

Each Lease is currently guaranteed by Neighbors Global Holdings, LLC, a Delaware limited liability company ("Global Holdings"), which indirectly owns all or a part of the beneficial interests in each Guarantor. Guarantors acknowledge and agree that as and when an additional lease (each, an "Additional Lease") is signed by a direct or indirect subsidiary of Global Holdings (each, an "Additional Tenant") with the landlord named in the Additional Lease (each, an "Additional Landlord"), each Additional Tenant will execute and deliver to Landlord the Joinder Agreement (herein so called) in substantially the form attached hereto as Exhibit B, pursuant to which such Additional Tenant shall be bound as one of the Guarantors to this Guaranty as though it were an original party hereto, and upon execution of the Joinder Agreement, Exhibit A of this Guaranty will be deemed modified, supplemented and restated to include each Additional Lease, Additional Tenant and Additional Landlord as a "Lease," "Tenant" and "Landlord," respectively, under this Guaranty.

This Guaranty amends and restates in its entirety that certain Master Guaranty of Leases executed to be effective November ____, 2016 (the "Original Master Guaranty") to include certain Guarantors omitted from the Original Master Guaranty.

In order to ensure that each Landlord receives a guaranty of its Lease backed by the full credit of all Guarantors, notwithstanding Global Holdings' ownership of less than all of the beneficial interest in the Guarantors, the Guarantors agree as follows:

1. Guarantors do hereby jointly and severally, unconditionally and absolutely guarantee to each Landlord the full, prompt and complete payment by its Tenant of the rent and all other sums which may be payable by the Tenant under its Lease and the full, prompt and complete performance by the Tenant of all and singular the terms, covenants, conditions and provisions in its Lease required to be performed by the Tenant without regard to any forbearance, delay, neglect or failure on the part of the Landlord in enforcing same.
2. Guarantors do hereby waive notice of acceptance hereof and any and all other notices which by law or under the terms and provisions of a Lease are required to be given to a

Tenant, and also waive any demand for or notice of default of the payment of rent and other sums which may be payable by a Tenant under its Lease and the performance of all and singular the terms, covenants, conditions and provisions in the Lease required to be performed by the Tenant; and Guarantors do further expressly hereby waive any legal obligation, duty or necessity for a Landlord to proceed first against its Tenant or to exhaust any remedy the Landlord may have against its Tenant, it being agreed that in the event of default or failure of performance in any respect by the Tenant under a Lease, (i) a Landlord may proceed and have right of action solely against Guarantors or the Tenant or jointly against the Guarantors and the Tenant, and (ii) this Guaranty may be enforced by each Landlord, independently of any other Landlord, against one or more of the Guarantors.

3. In the event of any bankruptcy, reorganization, winding up or similar proceedings with respect to a Tenant, no limitation of such Tenant's liability under its Lease which may now or hereafter be imposed by any federal, state or other statute, law or regulation applicable to such proceedings, shall in any way limit the obligation of Guarantors hereunder, which obligation is co-extensive with such Tenant's liability as set forth in its Lease without regard to any such limitation.

4. Guarantors shall not be entitled to make any defense against any claim asserted by a Landlord in any suit or action instituted by the Landlord to enforce this Guaranty or its Lease or to be excused from any liability hereunder which a Tenant could not make or invoke, and Guarantors hereby expressly waive any defense in law or in equity which is not or would not be available to the Tenant, it being the intent hereof that the liability of Guarantors hereunder is primary and unconditional.

5. In the event it shall be asserted that a Tenant's obligations are void or voidable due to illegal or unauthorized acts by the Tenant in the execution of its Lease, Guarantors shall nevertheless be liable hereunder to the same extent as Guarantors would have been if the obligations of the Tenant had been enforceable against the Tenant.

6. In the event suit or action be brought upon and in connection with the enforcement of this Guaranty, Guarantors shall pay reasonable attorneys' fees and all court costs incurred by a Landlord.

7. This Guaranty shall remain in full force and effect as to any renewal, extension, modification or amendment of a Lease and as to any assigns of a Tenant's interest under its Lease, and despite any subletting of all or any portion of the leased premises.

8. This Guaranty shall be binding upon the heirs, legal representatives, successors and assigns of Guarantors, and shall inure to the benefit of the heirs, legal representatives, successors and assigns of each Landlord. A Landlord's interest under this Guaranty may be assigned by it by way of security or otherwise.

9. This Guaranty shall remain in full force and effect regardless of whether or not each Tenant continues to be owned in whole or in part or directly or indirectly by Global Holdings.

Tenant shall not use or occupy the Leased Premises for any purpose or in any manner which shall violate applicable law or any of the terms and provisions of this Lease or any instrument of record affecting the Leased Premises as of the Effective Date hereof, and Tenant shall be responsible at Tenant's sole risk and expense to obtain any and all permits or licenses required for the operation of its business. Tenant agrees to comply with the regulations and requirements of any insurance underwriter, inspection bureau or similar agency with respect to the Leased Premises, and to permit Landlord to comply with such regulations and requirements with respect to that portion of the Leased Premises comprising Landlord's Work. Tenant agrees not to: (i) permit any illegal practice to be carried on or committed on the Leased Premises; (ii) make use of or allow the Leased Premises to be used for any purpose other than that permitted under Section 3.1 hereof or that might invalidate or increase the rate of insurance therefor; (iii) keep or use or permit to be kept or used on the Leased Premises any flammable fluids, gases, explosives or other hazardous materials except in compliance with all applicable laws and regulations; (iv) deface or injure the Freestanding Building of the Leased Premises or the Property; or (v) overload the floor, roof, structural, mechanical, electrical or plumbing systems.

3.6 Environmental Matters.

(a) **Definitions.** As used herein, "Environmental Waste" shall mean any substance, material, or waste that is regulated by any federal, state, or local governmental or quasi-governmental authority because of its toxicity, infectiousness, radioactivity, explosiveness, ignitability, corrosiveness, or reactivity; and "Environmental Requirements" shall mean all legal requirements relating to industrial hygiene, protection of human health, hazard communication, employees' right-to-know, environmental protection, or the use, handling, storage, disposal, control, transportation, or emission of any Environmental Waste.

(b) Restrictions on Environmental Wastes. Tenant represents and warrants to Landlord that Tenant shall not cause or knowingly permit any Environmental Waste to be brought upon, generated, produced, kept, or used in or about the Leased Premises by Tenant or any of Tenant's employees, agents, officers, directors, invitees, or licensees, except such Environmental Waste that is used on the Leased Premises in the ordinary course of Tenant's business (and such business is one or more of the Permitted Uses), and provided Tenant complies with all Environmental Requirements in connection with such activities.

(c) Notices. Tenant shall promptly deliver to Landlord copies of any reports made to or received from any governmental entity arising out of or relating to any Environmental Waste on or from the Leased Premises, including without limitation, any emergency plans or inventories of Environmental Wastes submitted to any such governmental entity pursuant to any Environmental Requirement and copies of all hazardous waste manifests reflecting the disposal of all Environmental Wastes removed by Tenant from the Leased Premises. If at any time Tenant shall become aware or have reasonable cause to believe that any Environmental Waste, other than those already known by Landlord or permitted under this Lease, have come to be located in or about the Leased Premises, or that any known Environmental Wastes have been or may be released into the environment, Tenant shall immediately give notice thereof to Landlord.

(d) Compliance with Environmental Requirements. Tenant shall at its expense fully comply with all applicable Environmental Requirements and prudent industry practices. Except as discharged into the sanitary sewer in compliance with all applicable Environmental Requirements, Tenant shall cause all Environmental Wastes removed from the Leased Premises to be removed and transported solely by duly licensed haulers to duly licensed facilities for final disposal and shall provide Landlord with evidence of such property disposal, including without limitation, all manifests (which manifests shall list Tenant as the generator of all such Environmental Wastes). Upon expiration or earlier termination of the Term of this Lease, Tenant shall cause to be removed from the Leased Premises, all Environmental Wastes that Tenant or any employee, officer, director, agent, licensee, or invitee of Tenant caused or permitted to be located there.

(e) Tenant's Responsibility for Environmental Wastes. Tenant agrees to indemnify and hold Landlord harmless from and against any and all claims, liabilities, penalties, fines, judgments, forfeitures, losses (including without limitation reasonable attorneys' fees, consultant fees, expert fees, and costs) arising out of or in connection with the removal, storage, transportation and disposal of Environmental Waste brought upon, generated, produced, kept, or used in or about the Leased Premises by Tenant or any of Tenant's employees, agents, officers, directors, invitees, or licensees (collectively, "Tenant's Waste"); the Tenant's failure to comply with any and all Environmental Requirements in connection with Environmental Waste used in or about the Leased Premises; any claims made by any of Tenant's employees, agents, officers, directors, licensees or invitees arising out of the presence, removal, storage or transportation of Tenant's Waste on or from the Leased Premises; and Tenant's use, analysis, storage, transportation, disposal, release, threatened release, discharge or generation of any Environmental Wastes in, on under, to about or from the Leased Premises.

3.7 Access to Leased Premises. Throughout the Term of this Lease, upon reasonable notice to Tenant and subject to Tenant's right to have a Tenant representative present at all times and during Tenant's normal business hours (but at times that do not unduly interfere with Tenant's business), except in an bona fide emergency situation during which Landlord or its agents or contractors may enter the Leased Premises without notice at any time, Landlord or its agents or contractors may enter the Leased Premises for the purposes of: (i) inspecting same for compliance with Tenant's obligations hereunder; (ii) performing any obligations of Landlord; and (iii) displaying the Leased Premises to prospective purchasers, mortgagees, or, during the last six (6) months of the Term, prospective tenants. Unless Tenant is in Default (as hereinafter defined), Landlord's uses or activities pursuant to this Section 3.7 shall be conducted in a manner not to unreasonably interfere with Tenant's use and enjoyment of the Leased Premises. In no event shall Landlord, its agents or employees have access to any patient medical records or other "protected health information" (as such term is defined in the Health Insurance Portability and Accountability Act of 1996, as amended) stored or maintained at the Leased Premises. Landlord and Landlord's agents and contractors shall conduct the foregoing activities in a manner reasonably calculated to minimize interference with Tenant's ongoing patient care activities at the Leased Premises.

ARTICLE 4 ORIGINAL CONSTRUCTION

4.1 Landlord's Work and Tenant's Work. Landlord agrees, at its sole cost and expense, to perform "Landlord's Work" (as defined in the Work Letter) in the construction of the Leased Premises substantially in accordance with the Work Letter. All work in or upon the Leased Premises other than the Landlord's Work is to be performed by Tenant at Tenant's sole cost and expense (such work being hereinafter called "Tenant's Work") as described in the Work Letter. Landlord's Work and Tenant's Work shall in all respects be governed by and performed in accordance with the Work Letter.

4.2 Acceptance of Leased Premises. Except for the performance of Landlord's Work as set forth in the Work Letter and other terms and conditions of this Lease, Tenant will accept the Leased Premises in their "AS IS, WHERE IS" conditions, with all faults, and agrees that, except as specifically provided to the contrary in this Lease, Landlord shall have no obligation to perform any work in or about the Leased Premises. Tenant shall have a period of thirty (30) days following the Delivery Date to provide Landlord with a list (the "Punch List") setting forth in detail any defects with respect to Landlord's Work in or about the Leased Premises. In the event Tenant shall fail to deliver such Punch List to Landlord within said thirty (30) day period, Tenant shall be deemed to have accepted Landlord's Work. If Tenant shall deliver such Punch List to Landlord within said 30-day period, then Landlord shall be obligated within a reasonable amount of time to cure any defects relating to such Punch List. Within ten (10) business days of (i) Landlord's cure of the defects, if any, specified in Tenant's notice, (ii) the determination of the Gross Leasable Area of the Freestanding Building as provided for herein, and (iii) Landlord's delivery of an Acceptance Letter in substantially the form of Exhibit "D" attached hereto with all true factual information inserted, and a written request from Landlord for Tenant to execute said letter, Tenant shall execute and deliver said letter to Landlord.

4.3 Services. As part of Landlord's Work, Landlord shall cause the necessary mains, conduits and other facilities to be provided to make water, sanitary sewer, drainage systems (including water quality and detention) phone, conduit for data, refuse collection, natural gas, and electricity available to the Leased Premises, including, to the extent applicable, the Freestanding Building. The foregoing provisions shall not require that Landlord pay any utility or other deposits or charges of any kind or nature on behalf of Tenant for utility services used in the Leased Premises. The parties shall cause all such services to be separately metered to the Leased Premises. Landlord shall not be liable to Tenant in damages or otherwise if the said utilities or services are interrupted or terminated because of necessary repairs, installations or improvements, or any cause beyond Landlord's reasonable control, nor shall any such interruption or termination relieve Tenant of the performance of any of its obligations hereunder. No interruption shall be construed as either a constructive or actual eviction of Tenant or cause any abatement of Rent unless due to the gross negligence or willful misconduct of Landlord. Notwithstanding the foregoing, if the interruption or termination in utilities results from Landlord's negligence and materially interferes with Tenant's use of the Leased Premises for a period of three (3) consecutive working days, Rent shall equitably abate during the period following such three (3) working days that the interruption or termination in utilities continues to materially interfere with Tenant's use of the Leased Premises.

4.4 Insurance During Construction. Tenant agrees, at Tenant's sole cost and expense, to obtain and maintain (or cause to be obtained and maintained) public liability and property damage insurance and worker's compensation insurance adequate to fully protect Landlord, as well as Tenant, from and against any and all liability for death of or injury to person or damage to property caused in or about or by reason of the construction of Tenant's Work. The public liability insurance to be maintained by Tenant shall be in at least the amount of \$1 million per occurrence and \$2 million in the aggregate.

4.5 Construction. In the event Landlord's Work and Tenant's Work shall progress simultaneously, Landlord shall not be liable for any injury to person or damage to property of Tenant, or of Tenant's employees, licensees, agents, contractors, subcontractors, suppliers or invitees from any cause whatsoever occurring upon or about the Leased Premises, except the negligence, illegal conduct or willful misconduct of Landlord or its agents or employees, and Tenant shall indemnify and hold Landlord harmless from any and all liability and claims arising out of or connected with any such injury or damage unless such liability is the result of Landlord's negligence, illegal conduct or willful misconduct, or that of its agents or employees.

ARTICLE 5 COMMENCEMENT DATE

Tenant's obligation to pay Rent shall commence on the date (hereinafter called the "Commencement Date") which is the earlier of: (a) one hundred and fifty (150) days after the Delivery Date, or (b) the date Tenant opens for business in the Freestanding Building. Landlord and Tenant agree to execute a Confirmation of the Commencement Date in substantially the form attached hereto as Exhibit "E" within ten (10) business days after (i) the Commencement Date is established, (ii) Landlord's delivery to Tenant of Confirmation of the Commencement Date in

substantially the form of Exhibit "E" attached hereto with all true factual information inserted, and (iii) a written request from Landlord for Tenant to execute said letter.

In order to exercise an Extension Option, Tenant shall notify Landlord in writing of Tenant's intention to extend not more than one (1) year nor less than six (6) months prior to the end of the Primary Term (or the then expiring Extension Term, if any, as the case may be) of this Lease. Time is of the essence. In the event that Tenant fails to provide written notice to Landlord of Tenant's exercise of an Extension Option within the time period specified above, the Extension Option (and all subsequent Extension Options) shall automatically terminate and Tenant shall be deemed to have irrevocably waived such Extension Options.

6.3 Holdover. If Tenant shall remain in possession of the Leased Premises after the expiration or sooner termination of this Lease, then Tenant shall be a tenant at will, terminable at any time, and shall be liable for 150% of the Base Rent in effect at the expiration or sooner termination of this Lease, and shall be subject to all of the other obligations of Tenant under this Lease. Additionally, Tenant shall pay to Landlord all actual damages sustained by Landlord on account of such holding over by Tenant. Nothing contained in the foregoing, however, shall be construed as the consent to any holding over by Landlord.

13.1 Casualty.

(a) If the Leased Premises or the Property are damaged or destroyed by fire or other casualty, Tenant shall give prompt written notice thereof to Landlord.

(b) If such damage was caused by a fire or other casualty covered by the insurance carried by Landlord, and such damage can be repaired within one hundred eighty (180) days from the commencement of repairs, then, subject to the following provisions of this Article 13, Landlord shall repair and restore the Leased Premises and the Property to substantially the same condition as existed at the time of such fire or other casualty. If the Leased Premises or the Property shall be damaged: (i) by fire or other casualty not covered by the insurance carried by Landlord; or (ii) to an extent that it cannot be repaired within one hundred eighty (180) days from the commencement of repairs, then either Landlord or Tenant shall have the option to terminate this Lease by so notifying the other party within thirty (30) days after Landlord's receipt of notice of such fire or other casualty. Failure to give notice within such thirty (30) day period shall be deemed an election not to terminate this Lease, and Landlord shall proceed to repair and restore the Leased Premises and the Property as aforesaid.

13.2 Abatement of Rent. The monthly installments of Base Rent and Charges required to be paid by Tenant pursuant to Sections 7.1 and 7.2 hereof shall be abated in proportion to the portions of the Leased Premises, if any, which are rendered untenable by fire or other casualty covered by the insurance against loss by fire, lightning and other casualties and risks customarily covered by all risk coverage endorsement until repairs of the Leased Premises are completed, or if the Leased Premises are not repaired, until the termination date hereof. Other

than for such abatement, no damages, compensation, or claims shall be payable by Landlord for loss of the use of the whole or any part of the Leased Premises, Tenant's personal property, or any inconvenience, loss of business or annoyance arising from any repair and reconstruction. If the damage results from a cause not insured by insurance against loss by fire, lightning and other casualties and risks customarily covered by all risk coverage endorsement, Tenant shall not be entitled to any abatement or reduction of any Rent or other sums due hereunder. If this Lease is terminated as provided in Section 13.1(b) above, all Rent shall be apportioned and paid up to the termination date, any Rent paid and attributable to the period after such termination shall be refunded to Tenant, and the parties hereto shall have no further obligations hereunder. Landlord shall not be liable for the cost of the repair or replacement of any alterations, improvements, additions, fixtures, furniture, equipment, furnishings, or other personal property which Tenant is obligated to insure or which it may be entitled to remove from the Leased Premises pursuant to the terms hereof.

13.3 End of Term Casualty. Anything contained in the foregoing to the contrary notwithstanding, Landlord shall have no obligation whatsoever to repair, reconstruct, or restore the Leased Premises when the damage resulting from any casualty covered under this Article occurs during the last twenty-four (24) months of the Primary Term or any Extension Term of this Lease, unless Tenant exercises an option to extend the Term of this Lease as provided in Section 6.2 hereof within thirty (30) days after such casualty. If Landlord elects not to repair, reconstruct or restore the Leased Premises, Tenant may, at its option, terminate this Lease, such termination to be effective as of the date of the fire or other casualty and any Rent paid and attributable to the period after such termination date shall be refunded to Tenant.

13.4 Consent of Mortgagee. Anything contained in the foregoing to the contrary notwithstanding, in the event any mortgagee of Landlord holding any lien or security interest in the Leased Premises for the performance of an obligation of Landlord shall not concur in the application of any insurance proceeds to the repair or reconstruction of the Leased Premises, Landlord shall not be obligated to repair or reconstruct the Leased Premises and may, at its option, terminate this Lease, such termination to be effective as of the date of the fire or other casualty and any Rent paid and attributable to the period after such termination date shall be refunded to Tenant.

13.5 Landlord's and Tenant's Obligations. Landlord's obligation to rebuild and repair under this Article 13 is limited to restoring one of the following (as may be applicable): (a) if this Lease does not include an attached exhibit describing Landlord's Work, restoring the Leased Premises to substantially the condition in which the same existed prior to such casualty, exclusive of any alterations, additions, improvements, fixtures, and equipment installed by Tenant; or (b) if this Lease includes an attached exhibit describing Landlord's Work, restoring Landlord's Work to substantially the same condition in which the same existed prior to the casualty. Tenant agrees that promptly after completion of such work by Landlord, Tenant will proceed with reasonable diligence and at Tenant's sole cost and expense to restore, repair, and replace all alterations, additions, improvements, fixtures, furnishings, inventory, equipment, signs, and personal property located at the Leased Premises, or, if an exhibit describing Tenant's Work is attached hereto, all items of Tenant's Work as described in such exhibit, as the case may be, provided Tenant has not opted to terminate this Lease pursuant to the terms of this Article 13.

Landlord shall make available to Tenant such portion of Landlord's insurance proceeds that remain after the completion of Landlord's Work as may be reasonable and necessary to restore Tenant's Work.

ARTICLE 14 CONDEMNATION

14.1 Total Condemnation. If during the Term of this Lease, all or substantially all of the Leased Premises or the Property shall be taken for any public or quasi-public use under any governmental law, ordinance, or regulation, or by right of eminent domain, or should all or substantially all of the Leased Premises or the Property be sold to the condemning authority under threat of condemnation, and if such taking renders the Leased Premises unsuitable for its intended use hereunder, this Lease shall terminate on the date the condemning authority takes possession, all Rent shall be apportioned and paid up to the termination date, any Rent paid and attributable to the period after such termination date shall be refunded to Tenant, and the parties hereto shall have no further obligations hereunder.

14.2 Partial Condemnation. If less than all of the Leased Premises or the Property shall be taken as above described, and the Leased Premises shall continue to be reasonably tenantable and suitable for the uses for which the Leased Premises have been leased hereunder, Landlord shall forthwith restore and reconstruct the Leased Premises and/or the Property and the Base Rent payable hereunder during the unexpired portion of this Lease shall be adjusted equitably.

14.3 Allocation of Award. Landlord shall be entitled to receive and retain any and all condemnation or eminent domain awards or proceeds or any awards or proceeds resulting from any sale under threat of same, and Tenant hereby releases and assigns to Landlord all interest of Tenant, if any, in and to any such awards or proceeds; provided, however, that Tenant may bring a separate action, at Tenant's sole cost and expense, to recover damages, if any, for Tenant's moving expenses.

14.4 Consent of Mortgagee. Anything contained in the foregoing to the contrary notwithstanding, in the event any mortgagee of Landlord holding any lien or security interest in the Leased Premises for the performance of an obligation of Landlord shall not concur in the application of any condemnation award to the restoration or reconstruction of the Leased Premises, Landlord shall not be obligated to restore or reconstruct the Leased Premises or the Shopping Center and may, at its option, terminate this Lease, such termination to be effective as of the date the condemning authority takes possession of any portion of the Leased Premises or the Shopping Center and any Rent paid and attributable to the period after such termination date shall be refunded to Tenant.

ARTICLE 15 SIGNAGE

Subject to the conditions hereinafter provided, Tenant shall have the right, at Tenant's sole cost and expense, to install its corporate logo signage in any and all locations on the facades of the

exterior of the Freestanding Building and Tenant shall have the sole right for signage upon a freestanding sign on the Premises constructed as a part of the Landlord's Work (the "Property Sign"), all in accordance with the criteria described on Exhibit F. Notwithstanding the foregoing, Tenant shall not install its exterior sign until the plans and specifications therefor have been approved by Landlord in writing. Tenant shall, at its sole expense, maintain, repair and, if necessary, replace the signage on the Freestanding Building and maintain, insure, and repair the Property Sign in good condition and repair and in compliance with the requirements of the Restrictions, as applicable. Tenant's signage must strictly comply, and be constructed in conformity, with applicable city ordinances, rules and regulations, as well as any other governmental agencies or private concerns, including, without limitation, those established by the Restrictions. Tenant agrees not to hold Landlord responsible should any governing or regulatory agency or other private concern prohibit Tenant from installing its signage. Tenant agrees to have erected and/or installed and fully operative on or before the Commencement Date of this Lease all signs in accordance with this Lease.

ARTICLE 16

FIXTURES AND PERSONAL PROPERTY

16.1 Fixtures and Personal Property. Any trade fixtures, business/medical equipment, trademarked items, signs, and other personal property of Tenant shall remain the property of Tenant. Landlord agrees that Tenant shall have the right, provided Tenant is not in default under any of the terms of this Lease, at any time and from time-to-time, and provided that such removal must be made not later than the expiration or earlier termination of this Lease, to remove any and all of its trade fixtures, signs, and other personal property which it may have stored or installed in the Freestanding Building. Tenant, at its expense, shall promptly repair any damage occasioned by the removal of its trade fixtures, signs, and other personal property and, upon the expiration or earlier termination of this Lease, shall leave the Freestanding Building in a neat and clean condition, free of debris, normal wear and tear excepted. Tenant's obligation to perform this covenant shall survive the expiration or termination of this Lease. All trade fixtures, equipment, and other personal property of every description, unless removable without damage to the Leased Premises or removed by Tenant in accordance with the foregoing provisions, shall become the property of Landlord, subject to Section 19.4 of this Lease, and shall be and remain upon and be surrendered with the Leased Premises as a part thereof at the termination of this Lease, Tenant hereby waiving any and all rights to any payment or compensation therefor.

16.2 Taxes on Personal Property. Tenant shall pay, before delinquency, all taxes, assessments, license fees, and public charges levied, assessed, or imposed upon its business operation at the Leased Premises, as well as upon its trade fixtures, furnishings, equipment, and leasehold improvements, merchandise and other personal property in or upon the Leased Premises. Tenant shall cause its trade fixtures, furnishings, equipment, and leasehold improvements to be assessed and billed separately from the real property of Landlord.

ARTICLE 17
LIENS

Tenant shall not permit to be created nor to remain undischarged any lien, encumbrance, or charge arising out of any work or work claim of any contractor, subcontractor, mechanic, laborer, supplier, vendor, materialman, or agent of Tenant which might be or become a lien or encumbrance or charge upon the Leased Premises or the income therefrom, and Tenant shall not suffer any other matter or thing whereby the estate, right, and interest of Landlord in the Leased Premises or the Property might be impaired. If any lien, notice, of lien on account of an alleged debt of Tenant or any contractor, subcontractor, mechanic, laborer, supplier, vendor, materialman, or agent of Tenant or any notice of contract shall be filed against the Leased Premises by a party engaged by Tenant or any contractor, subcontractor, or agent of Tenant, then Tenant shall, within thirty (30) days after notice of the filing thereof, cause the same to be discharged of record by payment, deposit, or bond in an amount determined by order of a court of competent jurisdiction or otherwise. If Tenant shall fail to timely cause such lien or notice of lien to be discharged by either paying the amounts claimed to be due or by procuring the discharge of such lien by deposit or by bonding proceedings, Landlord shall be entitled, if Landlord so elects, but without obligation to do so, to either defend any prosecution of an action for foreclosure of such lien by the lienor or to bond around or pay and discharge such lien or claim. Any money paid by Landlord and all costs and expenses, including attorney's fees and expenses of litigation, incurred by Landlord in connection therewith, together with interest thereon at the maximum contractual rate which may be legally charged in the event of a loan of such amount to Tenant (but in no event to exceed 1-1/2% per month) accruing continuously from the date of Landlord's payment of the cost or expense, shall be paid by Tenant to Landlord on demand. Tenant agrees to indemnify, defend, and hold harmless Landlord, the Leased Premises from any and all losses, costs, expenses, liabilities, and damages of every kind or nature, including attorney's fees and expenses of litigation, resulting therefrom and, if requested, upon demand, to immediately deposit with Landlord cash or surety bond in form and with a company satisfactory to Landlord in an amount equal to the amount of such contested claim.

ARTICLE 18
ASSIGNMENT AND SUBLETTING

Tenant shall not assign this Lease, or any interest therein (including, but not limited to, the assignment of this Lease by the sale of 50% or more of the capital stock or other ownership interest in Tenant or the sale of Tenant's business), and shall not sublet the Leased Premises or any part thereof, or any right or privilege appurtenant thereto, or permit any other person or entity (excepting the agents, servants, or employees of Tenant) to occupy or use the Leased Premises, or any portion thereof, without first obtaining the prior written consent of Landlord, which consent may be given or withheld in Landlord's sole and absolute discretion. Consent by Landlord to one assignment, subletting, occupation, or use by another person or entity shall not be a consent to any subsequent assignment, subletting, occupation or use and shall not release the original named Tenant hereunder or any guarantor of Tenant's obligations from liability for the continued performance of the terms and provisions on the part of Tenant to be kept and performed, unless Landlord specifically and in writing releases the original named Tenant hereunder or any guarantor from said liability. Except as provided herein, any assignment or subletting without the

prior written consent of Landlord shall be void and shall, at the option of Landlord, terminate this Lease. This Lease shall not, nor shall any interest herein, be assignable as to the interest of Tenant by operation of law without the prior written consent of Landlord. All cash or other proceeds of any assignment, sublease, or other transfer of Tenant's interest in this Lease, whether or not consented to by Landlord, shall be paid to Landlord notwithstanding that such proceeds exceed the Rent payable hereunder, and Tenant hereby assigns all rights it might have or ever acquire in any such proceeds to Landlord. Tenant shall pay to Landlord a \$1,500.00 processing fee with each and every proposed assignment or sublease and shall reimburse Landlord for its reasonable attorney's fees and expenses in connection with such proposed assignment or sublease. Such processing fee shall be due prior to Landlord reviewing any proposed assignment or sublease, and the processing fee and attorney's fees and expenses shall be payable regardless of whether Landlord approves such assignment or sublease or whether or not such assignment or sublease is ultimately fully executed.

ARTICLE 19 SURRENDER OF PREMISES

19.1 Removal of Property. Tenant shall, at its sole cost and expense, and on or before the expiration or sooner termination of this Lease, remove all property belonging to it and all alterations, additions, improvements and fixtures which by the terms hereof Tenant is permitted to remove. Any property not removed by Tenant shall be deemed to have been abandoned by Tenant and may be retained or disposed of by Landlord, subject to Section 19.4 of this Lease; provided however, that Landlord shall not assume title to, or an ownership interest in, any Environmental Waste or other material regulated by or subject to any applicable environmental, health or safety laws, and any such material may be disposed of in accordance with such laws at Tenant's sole cost and expense, with reimbursement therefor to be made to Landlord upon demand.

19.2 Condition of Leased Premises. Tenant agrees to and shall, upon the expiration or sooner termination of this Lease, promptly surrender and deliver the Leased Premises to Landlord in a broom cleaned condition and in substantially the same condition as existed upon the completion of Landlord's Work and Tenant's Work, ordinary wear and tear and damage by the elements, fire, or act of God, or by other cause beyond the reasonable control of Tenant excepted.

19.3 Abandonment. Tenant shall not vacate or abandon the Leased Premises at any time during the Term of this Lease, and if Tenant shall abandon, vacate or surrender the Leased Premises or be dispossessed by process of law, or otherwise, any personal property and trade fixtures belonging to Tenant and left in the Leased Premises shall be deemed to be abandoned, at the option of Landlord, except such property as Landlord has been notified is mortgaged to or leased from a third party or is subject to Section 19.4 of this Lease.

19.4 Patient Medical Records. To the extent any property belonging to Tenant constitutes patient medical records, Landlord shall (i) exercise reasonable care to ensure that the information set forth in such records is not disclosed to third parties in violation of applicable patient privacy statutes, and (ii) shall provide Tenant with access to such records to the extent necessary to permit Tenant to comply with applicable law.

ARTICLE 20 DEFAULT BY TENANT

20.1 Events of Default. Each of the following shall constitute a “Default” by Tenant:

(a) Failure of Tenant to pay any installment of Rent or other sums owing to Landlord hereunder when due;

(b) Tenant shall become insolvent or unable to pay its debts as they become due, or Tenant notifies Landlord that it anticipates either condition;

(c) Tenant takes any action to, or notifies Landlord that Tenant intends to, file a petition under any section or chapter of the United States Bankruptcy Code, as amended, or under any similar law or statute, or Tenant notifies Landlord that it knows such a petition will be filed, or a petition is involuntarily filed against Tenant; or the appointment of a receiver or trustee to take possession of substantially all of Tenant’s assets located at the Leased Premises or of Tenant’s interest in this Lease; or the attachment, execution or other judicial seizure of substantially all of Tenant’s assets located at the Leased Premises or of Tenant’s interest in this Lease;

(d) Tenant shall fail to fulfill or perform, in whole or in part, any of its obligations under this Lease (other than the payment of money) and such failure or non-performance shall continue for a period of thirty (30) days after written notice thereof has been given by Landlord to Tenant of such failure; provided, however, that if such failure does not materially impair the rights and benefits of Landlord hereunder and is curable, but requires work to be performed, acts to be done or conditions to be remedied which, by their nature, cannot be performed, done or remedied, as the case may be, within such thirty (30) day period, no default shall be deemed to have occurred if Tenant commences same within such thirty (30) day period and thereafter diligently and continuously prosecutes the same to completion; or

(e) Tenant shall vacate or abandon the Leased Premises or any significant portion thereof, or shall cease to continuously operate its business at the Leased Premises, except as provided herein.

20.2 Remedies of Landlord. If a Default occurs, then at any time thereafter, with or without any further notice or demand, Landlord may exercise any and all rights and remedies available to Landlord under this Lease, at law or in equity including, without limitation, termination of this Lease or termination of Tenant’s right to possession of the Leased Premises

without terminating this Lease. In the event of a Default, Landlord may, without additional notice and without court proceedings, change the locks and repossess the Leased Premises and remove all persons and property therefrom, subject to Section 19.4 of this Lease, and Tenant hereby agrees to surrender possession of the Leased Premises and waives any claim arising by reason thereof or by reason of the issuance of any distress warrant or writ of sequestration, and agrees to hold Landlord harmless from any such claims. If Landlord elects to terminate this Lease or terminate Tenant's possession of the Leased Premises, Landlord may treat the Default as an entire breach of this Lease and Tenant shall, to the fullest extent permitted by law, immediately become liable to Landlord for damages equal to the total of: (i) the cost of recovering, reletting (including, without limitation, the cost of lease commissions attributable to the unexpired portion of the term of this Lease), and remodeling the Leased Premises;); (ii) all unpaid Rent and other amounts earned or due through such termination; plus (iii) the total, if and only if positive, of Rent and other amounts to be paid by Tenant hereunder for the remainder of the Term of this Lease less the estimated rent collectible from the Leased Premises (with appropriate allowances made for time necessary for reletting) for the remainder of the full term of this Lease, which amount shall be discounted to present value at the prime rate of interest published in The Wall Street Journal at the time of default or, if such rate is no longer published, such comparable nationally recognized rate as may be selected by Landlord in its good faith discretion. If Landlord elects to terminate Tenant's right to possession of the Leased Premises without terminating this Lease, Landlord may relet the Leased Premises or any part thereof for the account of Tenant to any person or persons upon such rent and for such terms and conditions as Landlord deems appropriate, and Tenant shall be liable to Landlord for the amount, if any, by which the Rent to be paid by Tenant hereunder for the unexpired balance of the Term exceeds the amount received by Landlord from such reletting, such net amount to be reduced by the cost of repossession, reletting, remodeling, and other expenses, including, but not limited to, attorney's fees and expenses, incurred by Landlord. Such sum or sums shall, at Landlord's option, be paid by Tenant in monthly installments on the first (1st) day of each month of the Term remaining. In no case shall Landlord be liable for failure to relet the Leased Premises (it being agreed that Landlord shall be free to lease any other space of Landlord in preference to reletting the Leased Premises), or to collect the rent due under such reletting, and in no event shall Tenant be entitled to any excess rents received by Landlord. If Landlord changes the locks of the Leased Premises following a Default and prevents Tenant from entering the Leased Premises in accordance with Texas Property Code §93.002(c), Tenant shall, as a condition to receiving a new key to the Leased Premises, pay to Landlord the cost incurred by Landlord in changing the locks in addition to all Rent and other charges due hereunder, including, without limitation, late charges and interest. All rights and remedies of Landlord shall be cumulative and not exclusive, and such rights and remedies may be exercised and enforced concurrently and whenever and as often as occasion therefor arises.

20.3 Non-Waiver. The failure of Landlord to seek redress for violation of, or to insist upon strict performance of, any covenant or condition of this Lease shall not prevent a subsequent act or omission that would have originally constituted a violation of this Lease from having all the force and effect of an original violation. The receipt by Landlord of any sums with or without knowledge of the breach of any provision of this Lease shall not be deemed a waiver of such breach, shall not reinstate this Lease or Tenant's right of possession if either or both have been terminated, and shall not otherwise affect any notice, election, action, or suit by Landlord.

No provision of this Lease shall be deemed to have been waived by Landlord unless such waiver be in writing signed by Landlord.

20.4 Mitigation of Damages. In connection with the exercise by Landlord of its rights and remedies in respect of any Default on the part of Tenant, Landlord agrees to use commercially reasonable efforts to mitigate its damages. Tenant agrees in favor of Landlord that Landlord shall not be deemed to have failed to mitigate damages, or to have used commercially reasonable efforts to do so, because:

(a) Landlord leases other space in the Property which is vacant prior to re-letting the Leased Premises;

(b) Landlord refuses to relet the Leased Premises to any affiliate of Tenant, or any principal of Tenant, or any affiliate of such principal (for purposes of this Lease, "affiliate" shall mean and refer to any person or entity controlling, under common control with, or controlled by, the party in question);

(c) Landlord refuses to relet the Leased Premises to any person or entity whose creditworthiness Landlord in good faith deems unacceptable;

(d) Landlord refuses to relet the Leased Premises to any person or entity because the use proposed to be made of the Leased Premises by such prospective tenant is not of a type and nature consistent with that of the other tenants in the Property as of the date Tenant defaults under this Lease, or because such use would, in the good faith opinion of Landlord, impose unreasonable or excessive demands upon the Property;

(e) Landlord refuses to relet the Leased Premises to any person or entity, or any affiliate of such person or entity, who has been engaged in litigation with, or who has threatened litigation against, Landlord or any of its affiliates;

(f) Landlord refuses to relet the Leased Premises because the tenant or the terms and provisions of the proposed lease are not approved by the holders of any liens or security interests in the Property or any part thereof, or would cause Landlord to breach or be in default of, or to be unable to perform any of its covenants under, any agreements between Landlord and any third party;

(g) Landlord refuses to relet the Leased Premises because the proposed tenant is unwilling to execute and deliver Landlord's standard lease form without substantial tenant-oriented modifications or such tenant requires improvements to the Leased Premises to be paid at Landlord's cost and expense; or

(h) Landlord refuses to relet the Leased Premises to a person or entity whose character or reputation, or the nature of whose business, Landlord in good faith deems unacceptable;

and it is further agreed that each and all of the grounds for refusal set forth in clauses (a) through (h) above, both inclusive, of this sentence are reasonable grounds for Landlord's refusal to relet

the Leased Premises, or (as to all other provisions of this Lease) for Landlord's refusal to issue any approval, or take any other action, of any nature whatsoever under this Lease. In the event the waiver set forth in this Section shall be ineffective, Tenant further agrees in favor of Landlord, to the maximum extent to which it may lawfully and effectively do so, that the following efforts to mitigate damages if made by Landlord (and without obligating Landlord to render such efforts) shall be conclusively deemed reasonable, and that Landlord shall be conclusively deemed to have used the efforts to mitigate damages required by applicable law if: Landlord places the Leased Premises on its inventory of available space in the Property; Landlord makes such inventory available to brokers who request same; and Landlord shows the Leased Premises to prospective tenants (or their brokers) who request to see it.

Landlord shall, in the exercise of any right or remedy of Landlord provided for under this Section 20 or otherwise by law, unless by order of a court of competent jurisdiction (i) refrain from interfering with any ongoing patient care activities in progress at the Premises, and (ii) refrain from removing, modifying or destroying any patient records or other Protected Health Information as defined in the Health Insurance Portability and Accountability Act of 1996.

ARTICLE 21 SECURITY DEPOSIT

Tenant shall deposit with Landlord on the date Tenant executes this Lease the sum of \$54,805.00 as a "Security Deposit" with the understanding: (i) that the Security Deposit or any portion thereof may be applied to the curing of any default, without prejudice to any other remedy or remedies which Landlord may have on account thereof, and upon such application Tenant shall pay Landlord on demand the amount so applied which shall be added to the Security Deposit so the same will be restored to its original amount; and (ii) that Landlord shall not be obligated to hold the Security Deposit as a separate fund, but may commingle it with other funds.

Provided Tenant shall comply with all the terms of this Lease, the Security Deposit shall be returned to Tenant upon the later to occur of (i) termination of this Lease and after surrender of possession of the Leased Premises to landlord; and (ii) the complete satisfaction of all Tenant's monetary obligations and covenants under this Lease. In the event of a sale of the Leased Premises or assignment of this Lease by Landlord, Landlord shall transfer the security to its vendee or assignee subject to Tenant's rights upon termination under this Lease.

ARTICLE 22 LANDLORD'S LIEN

(a) Landlord reserves and Tenant hereby grants to Landlord a contractual lien and security interest (which shall be in addition to and not in lieu of the statutory landlord's lien) on all fixtures, equipment, and personal property (tangible and intangible), subject to Section 19.4 of this Lease, including inventory, and the proceeds thereof, now or hereafter placed by Tenant in, on, or about the Leased Premises to secure all sums due by Tenant hereunder, which lien and security interest may be enforced by Landlord in any manner provided by law including, without limitation, under and in accordance with the Texas Uniform Commercial Code. The provisions of this paragraph shall constitute a security agreement under the Texas Uniform Commercial Code

and, at Landlord's request, Tenant shall execute and file, where appropriate, all documents required to perfect the security interest herein granted in accordance with the Texas Uniform Commercial Code. Landlord may, at its election, at any time file a financing statement to perfect the security interest herein granted. The provisions of this Article, however, shall not prevent the sale by Tenant of any inventory in the ordinary course of business free of such lien in favor of Landlord. Landlord shall have all rights and remedies available to a secured party under the Texas Uniform Commercial Code with respect to such lien and security interest.

(b) Landlord acknowledges that Tenant has entered into credit agreements with one or more commercial lenders, and that Tenant's indebtedness thereunder is secured, in part, by Tenant's grant of a first priority lien and security interest in Tenant's tangible and intangible property, including Tenant's rights in the leasehold improvements to be constructed by Tenant hereunder; provided, however, Tenant has no right to grant any such security interest in the leasehold improvements constructed by Landlord on the Leased Premises. Landlord agrees to execute from time to time a subordination agreement in favor of Tenant's commercial lenders, in form attached hereto as Exhibit "K".

ARTICLE 23 DEFAULT BY LANDLORD

23.1 Events of Default. Landlord will be in default of this Lease if Landlord fails to fulfill or perform, in whole or in part, any of its obligations under this Lease and such failure or non-performance shall continue for a period of thirty (30) days after written notice thereof has been given by Tenant to Landlord; provided, however, that if such default is curable but requires work to be performed, acts to be done or conditions to be remedied which, by their nature, cannot be performed, done or remedied, as the case may be, within such thirty (30) day period, no default shall be deemed to have occurred if Landlord commences the same within such thirty (30) day period and thereafter diligently and continuously prosecutes the same to completion.

23.2 Remedies of Tenant. If a default by Landlord occurs and remains unremedied after the expiration of the applicable cure period, Tenant may use all available legal remedies to bring an action against Landlord to collect the actual (but not any punitive or consequential) damages suffered by Tenant as a result of such default.

ARTICLE 24 LIABILITY OF LANDLORD

24.1 Limitation on Landlord's Liability. Notwithstanding anything to the contrary contained in this Lease, in the event of any default or breach by Landlord with respect to any of the terms, covenants, and conditions of this Lease to be observed, honored, or performed by Landlord, Tenant shall look solely to the estate and property of Landlord in the land and building owned by Landlord comprising the Property for the collection of any judgment (or any other judicial procedures requiring the payment of money by Landlord), it being agreed that Landlord shall not be personally liable for any such judgment and no other property or assets of

Landlord shall be subject to levy, execution, or other procedures for the satisfaction of Tenant's remedies.

24.2 Sale of Property. In the event of any sale of the Leased Premises by Landlord, Landlord shall be and is hereby entirely freed and relieved of all liability under any and all of its covenants and obligations contained in or derived from this Lease after the consummation of such sale, and the purchaser at such sale or any subsequent sale of the Property shall be deemed, without any further agreement between the parties or their successors in interest or between the parties and any such purchaser, to have assumed and agreed to carry out any and all of the covenants and obligations of Landlord under this Lease, including, without limitation, any breach or default by Landlord that occurred prior to such sale.

ARTICLE 25 MORTGAGEE PROVISIONS

25.1 Subordination and Attornment. Tenant accepts this Lease subject and subordinate to any mortgage, deed of trust or other lien now or hereafter existing upon the Leased Premises or the Property and any and all renewals, modifications and extensions thereof, shall attorn to and recognize as its landlord under the terms of this Lease said lender, any purchaser of the Property at a foreclosure sale or by sale in lieu thereof or any of their successors or assigns, and agrees that any cancellation, surrender, or amendment of this Lease without the prior written consent of the mortgagee or beneficiary of a deed of trust from Landlord or its successors as owners of the Property ("Landlord's Successor") shall be voidable by Landlord's Successor. Landlord is hereby irrevocably vested with full power and authority to subordinate this Lease to any mortgage, deed of trust or other lien now or hereafter placed upon the Leased Premises or the Property. Within fifteen (15) days of written request from Landlord, or any mortgagee or beneficiary of a deed of trust from Landlord, Tenant shall in writing subordinate its rights hereunder to the lien of any mortgage or deed of trust now or hereafter in force against the Property to all advances made or hereafter to be made upon the security thereof; provided, however, that the mortgagee named in such mortgage or deed of trust shall agree that Tenant's peaceable possession of the Leased Premises will not be disturbed on account thereof as long as Tenant is not in default of any of the terms and covenants of this Lease beyond any applicable cure period. Tenant agrees that any such subordination agreement will contain a provision reasonably satisfactory to the mortgagee whereby Tenant will agree, in the event of foreclosure of any such mortgage or deed of trust, to attorn to and recognize as its landlord under the terms of this Lease said lender, any purchaser of the Property at a foreclosure sale or by sale in lieu thereof or any of their successors or assigns, provided that Tenant's rights under this Lease shall continue unabated for so long as Tenant is not in default hereof. Any such subordination agreement may also provide that the Landlord's Successor shall not be bound by (i) any modification of the Lease which reduces the rent or adversely affects the rights, duties or obligations of the Successor Landlord under the subordination agreement; (ii) any payment of rent to Landlord made more than thirty (30) days in advance of its due date, other than pre-paid rent under Section 7.1 herein; (iii) any consensual or negotiated surrender, cancellation or termination of the Lease; or (iv) any claims, loss, damages or offset rights relating to any event or occurrence or omission prior to the date Successor Landlord acquires the Property. The subordination agreement may contain such other terms and provisions as are customary for the benefit of any mortgagee or beneficiary of a

deed of trust and acceptable to Tenant, provided that the business terms involving rent, Term of the Lease and permitted uses are not altered. Tenant hereby approves the form of non-disturbance, attornment and subordination agreement attached hereto as Exhibit "I."

25.2 Notice to Mortgagees. Tenant agrees to give any present or future mortgagee of the Property of which Tenant has been made aware and received their current mailing address in writing a copy of any notice of default served upon Landlord by Tenant. [NOTE – MAY BE UPDATED WITH NEW LENDER FORM ACCEPTABLE TO TENANT IF AVAILABLE PRIOR TO LEASE EXECUTION. LANDLORD WILL DELIVER THE NEW FORM AS SOON AS LENDER IS SELECTED]

**FORM OF SUBORDINATION, NON-DISTURBANCE,
AND ATTORNMENT AGREEMENT**

This SUBORDINATION, NON-DISTURBANCE, AND ATTORNMENT AGREEMENT ("Agreement") is made and entered into as of _____, _____, by and between _____ ("Beneficiary"); RKMS LONGVIEW LLC ("Landlord"); and NEC LONGVIEW EMERGENCY CENTER, LP ("Tenant").

WITNESSETH:

WHEREAS, Beneficiary is the owner and holder of that certain Promissory Note ("Note") dated _____, in the principal sum of \$ _____, secured by that certain Deed of Trust ("Deed of Trust"), dated of even date with the Note, executed by Landlord to a trustee in favor of Beneficiary, recorded on _____, in the Office of the Clerk of Gregg County, Texas, under Clerk's File No. _____, which Deed of Trust constitutes a lien on the land described in Exhibit "A" attached hereto and incorporated herein by reference for all purposes and the improvements now or hereafter located thereon ("Property"); and

WHEREAS, Tenant is the holder of a leasehold estate in and to all or a portion of the Property (the property which is the subject of such leasehold estate being referred to as the "Leased Premises") pursuant to the terms of that certain lease agreement (the "Lease") dated _____, 2015, and executed by and between Tenant, as the tenant, and Landlord, as the landlord; and

WHEREAS, Landlord, Tenant and Beneficiary desire to confirm their understandings with respect to the Lease and the Deed of Trust.

NOW, THEREFORE, in consideration of the mutual and dependent covenants and agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and confessed, the parties hereto agree and covenant as follows:

1. Non-Disturbance. So long as Tenant is not in default (beyond any period given Tenant to cure such default) in the payment of rent or in the performance of any of the terms, covenants or conditions of the Lease on Tenant's part to be performed, Tenant's possession, use and occupancy of the Leased Premises and its rights under the Lease shall not be interfered with or disturbed by Beneficiary or anyone claiming by, through or under Beneficiary, during the term of the Lease or any extension thereof duly exercised by Tenant. If at, or subsequent to, the time that Beneficiary or a Purchaser shall acquire, in whatever manner, title to the Leased Premises

(subject to the Lease), or from time to time thereafter, any default by Tenant exists or occurs under the Lease, and continues beyond any applicable cure period in the Lease, then Beneficiary or such Purchaser shall be entitled to exercise or enforce any and all rights, privileges, remedies and recourses which it may have against Tenant under or pursuant to the Lease or other applicable law, (including, without limitation, the termination of the Lease, the dispossession of Tenant from the Leased Premises, or the prosecution of an action for breach of the Lease), notwithstanding the provisions of this Agreement.

2. Attornment. If the interests of Landlord in and to the Leased Premises become owned by Beneficiary or another Purchaser (as defined herein) by reason of judicial foreclosure, non-judicial foreclosure by the trustee under the Deed of Trust, other proceedings brought by Purchaser or by any other manner, including, but not limited to, Beneficiary's exercise of its rights under any collateral assignment(s) of leases and rents, and Purchaser succeeds to the interest of the Landlord under the Lease, Tenant shall be bound to Purchaser under all of the terms, covenants and conditions of the Lease for the balance of the term thereof remaining and any extension thereof duly exercised by Tenant with the same force and effect as if Purchaser were the Landlord under the Lease. Tenant does hereby attorn to Purchaser, as its Landlord, said attornment to be effective and self-operative, without the execution of any further instruments on the part of any of the parties hereto or of any Purchaser, immediately upon Purchaser's succeeding to the interest of the Landlord under the Lease; provided, however, that Tenant shall be under no obligation to pay rent to Purchaser until Tenant receives written notice from Purchaser that it has succeeded to the interest of the Landlord under the Lease. The respective rights and obligations of Tenant and Purchaser upon such attornment, to the extent of the then remaining balance of the term of the Lease and any extension thereof duly exercised, shall be and are the same as now set forth therein, it being the intention of the parties hereto for this purpose to incorporate the Lease in this Agreement by reference, with the same force and effect as if expressly set forth herein.

3. Purchaser's Obligations. If Purchaser shall succeed to the interest of Landlord under the Lease, Purchaser shall be bound to Tenant under all of the terms, covenants and conditions of the Lease; provided, however, that Purchaser shall not be:

(a) liable for any act or omission of any prior lessor (including Landlord) under the Lease; or

(b) subject to the offsets or defenses which Tenant might have against any prior lessor (including Landlord) under the Lease; or

(c) bound by any rent, additional rent, advance rent or other monetary obligations which Tenant might have paid earlier than the month required by the Lease to any prior lessor (including Landlord) under the Lease, except pre-paid rent paid pursuant to Section 7.1, and all such rent or other monetary obligations shall remain due and owing, notwithstanding such advance payment; or

(d) bound by any security deposit of any type or advance rental deposit made by Tenant under the Lease which is not delivered or paid over to Purchaser and with respect to which Tenant agrees to look solely to Landlord for refund or reimbursement; or

(e) bound by any amendment or modification of the Lease made without Beneficiary's or Purchaser's prior written consent and approval; or

(f) liable or responsible under or pursuant to the terms of the Lease after it ceases to own an interest in or to the Property.

4. Subordination. Subject to the terms of this Agreement, the Lease now is, and shall at all times continue to be, subject, inferior and subordinate in each and every respect to the lien of and other security interests created by the Deed of Trust and to any and all renewals, amendments, modifications, extensions, substitutions, replacements, increases and/or consolidations of the Deed of Trust, and the Deed of Trust, and any and all renewals, amendments, modifications, extensions, substitutions, replacements, increases and/or consolidations thereof, shall be and remain, in each and every respect prior and superior to the Lease. Nothing herein contained shall be deemed or construed as limiting or restricting the enforcement by Beneficiary of any of the terms, covenants, provisions or remedies of the Deed of Trust, whether or not consistent with the Lease.

5. Purchaser. The term "Purchaser" shall be deemed to include Beneficiary and any of its successors and assigns, including anyone who shall have succeeded to Landlord's interest by, through or under judicial foreclosure, non-judicial foreclosure sale or other proceedings brought pursuant to the Deed of Trust, deed in lieu of such foreclosure, other proceedings brought by Beneficiary under or with respect to the Note or Deed of Trust, or otherwise.

6. Representations. Landlord and Tenant represent, warrant and certify to Beneficiary, as of the date hereof that, except as set forth on Annex "1" attached hereto:

(a) the Lease is presently in full force and effect

(b) the Lease has not been modified, amended, supplemented, replaced, restated, or otherwise changed, either orally or in writing, except as herein expressly provided;

(c) all conditions or requirements specified in the Lease that could have been satisfied as of the date hereof have been fully satisfied;

(d) no rent under the Lease has been paid for more than the current rental period established in the Lease;

(e) to the best of Tenant's knowledge, no default (or any event, condition or circumstance, which with notice, grace or lapse of time could constitute a default) exists under said Lease;

(f) Tenant, as of this date, to the best of Tenant's knowledge, has no charge, lien or claim of offset under said Lease or otherwise against rents or other charges due or to become due under the Lease;

(g) the Lease constitutes the entire agreement between the Tenant and Landlord and that the Beneficiary shall have no liability or responsibility with respect to any security deposit made by the Tenant;

(h) the only persons or entities in possession of the Leased Premises or having any right to the possession, use or occupancy of the Leased Premises (other than the record owner or holders of recorded easements) is Tenant; and

(i) Tenant has no right or interest in or under any contract, option or agreement (other than as shown in the Lease) involving the sale or transfer of the Leased Premises.

7. Negative Covenants. In the absence of the prior written consent of Beneficiary, Tenant agrees not to do any of the following: enter into any agreement, whether oral or written, with Landlord to amend, modify, supplement, replace, restate or otherwise change the Lease, voluntarily surrender the Leased Premises so as to effect a termination (except as expressly provided in the Lease) or, except for a default by Landlord and to the extent provided in the Lease and this Agreement, terminate the Lease, and except as expressly provided in the Lease, sublease or assign all or any portion of the Leased Premises.

8. Default. In the event Landlord shall fail to perform or observe any of the terms, conditions or agreements in the Lease, Tenant shall give written notice thereof to Beneficiary and Beneficiary shall have the right (but not the obligation) to cure such default. Tenant shall not take any action with respect to such default under the Lease (other than self-help), including without limitation any action in order to terminate, rescind or avoid the Lease or to withhold any rent or other monetary obligations thereunder, for a period of thirty (30) days after receipt of such written notice by Beneficiary; provided, however, that in the case of any default which cannot with diligence be cured within said thirty (30) day period, if Beneficiary shall proceed promptly to cure such default and thereafter prosecute the curing of such default with diligence and continuity, the time within which such default may be cured shall be extended for such period as may be necessary to complete the curing of such default, such period not to exceed an additional ninety (90) days, except for the initial construction of the Leased Premises in which event the additional time period shall not exceed one hundred eighty (180) days.

9. Notices. All notices or other communications required or permitted to be given pursuant to the provisions hereof shall be in writing and shall be considered as properly given if (i) mailed by first class United States mail, postage prepaid, registered or certified with return receipt requested, (ii) by delivering same in person to the intended addressee, or (iii) by delivery to a third party commercial delivery service for same day or next day delivery to the office of the addressee. Notice so given shall be effective, as applicable, upon (i) actual delivery, or (ii) three (3) days after transmittal or mailing. Notice given in any other manner shall be effective only if and when received by the addressee. For purposes of notice, the addresses of the parties shall be:

Beneficiary: _____

Landlord: _____

Tenant: _____

Notwithstanding the foregoing, any party shall have the right to change its address for notice hereunder to any other location within the continental United States by the giving of ten (10) days' notice to the other parties in the manner set forth herein.

10. Counterparts. To facilitate execution, this instrument may be executed in as many counterparts as may be convenient or required. It shall not be necessary that the signature or acknowledgment of, or on behalf of, each party, or that the signature of all persons required to bind any party, or the acknowledgment of such party, appear on each counterpart. All counterparts shall collectively constitute a single instrument. It shall not be necessary in making proof of this instrument to produce or account for more than a single counterpart containing the respective signatures of, or on behalf of, and the respective acknowledgments of, each of the parties hereto. Any signature or acknowledgment page to any counterpart may be detached from such counterpart without impairing the legal effect of the signatures or acknowledgments thereon and thereafter attach to another counterpart identical thereto except having attached to it additional signature or acknowledgment pages.

11. Amendment. This Agreement may not be modified orally or in any manner other than by an agreement, in writing, signed by the parties hereto and their respective successors-in-interest.

12. Successors. This Agreement shall inure to the benefit of and be binding upon the parties hereto, their successors and assigns.

13. Termination. This Agreement shall be of no further force and effect and shall become null and void upon the recording in the applicable records of Beneficiary's written release of the lien of the Deed of Trust.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

EXHIBIT J
GUARANTY OF LEASE

THIS GUARANTY given by NEIGHBORS HEALTH SYSTEM, INC., a Texas corporation, (hereinafter called the "Guarantors," whether one or more) to RKMS LONGVIEW LLC (hereinafter called the "Landlord").

WITNESSETH:

In order to induce the Landlord to demise to NEC Longview Emergency Center, LP, a Texas limited partnership (hereinafter with its successors and assigns referred to as the "Tenant"), certain premises in the Landlord's Shopping Center to be (or which has been) constructed on land situated at 918A W. Loop 281, Longview, TX, and being described in and pursuant to a certain Lease Agreement dated _____, 2015 (which lease together with any and all modifications, amendments and extensions is hereinafter referred to as the "Lease"), the undersigned Guarantors agrees as follows:

1. The Guarantors do hereby jointly and severally, unconditionally and absolutely guarantee to the Landlord the full, prompt and complete payment by the Tenant of the rent and all other sums which may be payable by the Tenant under the Lease and the full, prompt and complete performance by the Tenant of all and singular the terms, covenants, conditions and provisions in the Lease required to be performed by the Tenant without regard to any forbearance, delay, neglect or failure on the part of Landlord in enforcing same.

2. The Guarantors do hereby waive notice of acceptance hereof and any and all other notices which by law or under the terms and provisions of the Lease are required to be given to the Tenant, and also waive any demand for or notice of default of the payment of rent and other sums which may be payable by the Tenant under the Lease and the performance of all and singular the terms, covenants, conditions and provisions in the Lease required to be performed by the Tenant; and the Guarantors do further expressly hereby waive any legal obligation, duty or necessity for the Landlord to proceed first against the Tenant or to exhaust any remedy the Landlord may have against the Tenant, it being agreed that in the event of default or failure of performance in any respect by the Tenant under the Lease, the Landlord may proceed and have right of action solely against either the Guarantors (or any of them) or the Tenant or jointly against the Guarantors (or any of them) and the Tenant.

3. In the event of any bankruptcy, reorganization, winding up or similar proceedings with respect to Tenant, no limitation of Tenant's liability under the Lease which may now or hereafter be imposed by any federal, state or other statute, law or regulation applicable to such proceedings, shall in any way limit the obligation of Guarantors hereunder, which obligation is co-extensive with Tenant's liability as set forth in the Lease without regard to any such limitation.

4. The Guarantors shall not be entitled to make any defense against any claim asserted by the Landlord in any suit or action instituted by the Landlord to enforce this Guaranty or the Lease or to be excused from any liability hereunder which the Tenant could not make or invoke, and the Guarantors hereby expressly waive any defense in law or in equity which is not or would not be available to the Tenant, it being the intent hereof that the liability of the Guarantors hereunder is primary and unconditional.

5. In the event it shall be asserted that Tenant's obligations are void or voidable due to illegal or unauthorized acts by Tenant in the execution of the Lease, the Guarantors shall nevertheless be liable hereunder to the same extent as the Guarantors would have been if the obligations of the Tenant had been enforceable against the Tenant.

6. In the event suit or action be brought upon and in connection with the enforcement of this Guaranty, the Guarantors shall pay reasonable attorneys' fees and all court costs incurred by the Landlord.

7. This Guaranty shall remain in full force and effect as to any renewal, extension, modification or amendment of the Lease and as to any assigns of Tenant's interest under the Lease, and despite any subletting of all or any portion of the leased premises.

8. This Guaranty shall be binding upon the heirs, legal representatives, successors and assigns of the Guarantors, and shall inure to the benefit of the heirs, legal representatives, successors and assigns of the Landlord. Landlord's interest under this Guaranty may be assigned by it by way of security or otherwise.

9. This Guaranty shall remain in full force and effect regardless of whether or not Tenant continues to be owned in whole or in part by Guarantors.

10. If the Guarantors, or any of them, are a corporation, then the undersigned officer of each such corporation personally represents and warrants that the Board of Directors of each such corporation, in a duly held meeting, has determined that this Guaranty may reasonably be expected to benefit said corporation.

11. The Guarantors agree that this contract is performable in Houston, Harris County, Texas and waive the right to be sued elsewhere.

LANDLORD AGREEMENT

THIS LANDLORD AGREEMENT (this "*Agreement*") is made and entered into as of this ____ day of _____ 2015, by RKMS LONGVIEW LLC, a Texas limited liability company ("*Landlord*"), for the benefit of NEC LONGVIEW EMERGENCY CENTER, LP, a Texas limited partnership, ("*Tenant*"), and COMPASS BANK, an Alabama banking corporation, as lender ("*Lender*").

RECITALS

WHEREAS, Landlord is the landlord of that certain property located at 918A W. Loop 281, Longview, TX (the "*Property*"), as more particularly described in that certain Lease Agreement dated _____ (as amended, restated, or supplemented from time to time, the "*Lease*"), a copy of which is attached hereto as *Exhibit A*;

WHEREAS, Lender and Neighbors Health System, Inc., a Texas corporation ("*Borrower*"), as borrower, have entered into a Credit Agreement (as amended, restated, modified or supplemented from time to time, the "*Credit Agreement*");

WHEREAS, Tenant has executed a Guaranty (as amended, restated, modified or supplemented from time to time, the "*Guaranty*"), secured in part by a security interest in, among other things, substantially all personal property assets of Tenant, whether now owned or hereafter acquired, which now or hereafter may be located on or about the Property (the "*Collateral*"); and

WHEREAS, Lender requires Landlord's consent and agreement as set forth herein as a condition to continuing to extend credit to Borrower.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord hereby agrees as follows:

1. Consent. Landlord agrees that, at Lender's option, the Collateral may remain upon the Property and Lender may occupy the same for the purpose of preparing and processing the Collateral for sale, lease or other disposition and for the purpose of conducting a sale of the Collateral, or removing the Collateral from the Property, for a period up to 45 days after (a) the exercise by Lender of its right to the Collateral under its financing arrangements with Tenant or (b) the receipt by Lender of written notice by Landlord directing removal thereof; *provided that*, (i) Lender may not conduct the sale or other disposition of the Collateral on the Property and may not post any signage regarding the sale on the Property, and (ii) Lender shall be liable for an occupancy charge on the actual number of days it occupies the Property at the rental provided under the

Lease (or, if the Lease is not then in effect, at a rate to be agreed upon in writing by Lender and Landlord), prorated on a per diem basis and further prorated based on the square footage of space to be occupied by Lender under this Section 1. Lender's payment of any such occupancy charge shall not result in Lender incurring any obligations of Tenant under the Lease or any other agreement. If Lender is prohibited by any process or injunction issued by any court, or by reason of any bankruptcy or insolvency proceeding involving Tenant, from enforcing its security interest in the Collateral, the 45 day period shall toll upon such proceeding and commence or re-commence upon termination of such prohibition, so long as Lender is at all times pursuing its remedies with due diligence.

2. Subordination. Landlord claims no interest in or lien upon any of the Collateral, and subordinates any lien, security interest or claim against the Collateral, whether arising under the Lease or other agreement, provided by applicable law or otherwise, and any and all right of levy, distraint or execution against the Collateral for rent or other sums due or to become due Landlord. Landlord waives any and all right to require Lender to marshal any property or assets of Tenant. Notwithstanding anything to the contrary contained herein, any Collateral not removed by Lender within the time periods required hereunder will conclusively be deemed abandoned, the Lender will automatically waive all rights the Lender may have in such Collateral, and the Landlord shall be entitled to exercise any perfected lien upon, and/or, to the extent permitted by law, remove, sell or dispose of any of the Collateral not removed by Lender within the time periods required hereunder.

3. Personal Property. Landlord agrees that, as between Lender and Landlord, the Collateral shall remain personal property, notwithstanding the manner of attachment, and will not become part of the Property. Notwithstanding anything to the contrary contained herein, Lender and Landlord agree that the Collateral shall not include (a) concrete floor, attached alterations, improvements and/or fixtures (including without limitation, floor covering, ceiling, permanent wall partitions, air conditioning and heating systems, fluorescent and drop in lighting fixtures, exterior and interior doors or kitchen or bathroom fixture, attached shelving, cabling, wiring or similar improvements), unless they are financed using proceeds of the Credit Agreement, or (b) any items that were paid for by Landlord.

4. Right of Entry. Lender or its representatives may enter the Property at any time to remove and/or dispose of the Collateral in the exercise of its rights and remedies against Tenant and the Collateral subject to the terms of this Agreement. Lender agrees to repair any damage (ordinary wear and tear excluded) caused by Lender's removal of the Collateral. Notwithstanding anything in this Section 4 to the contrary, neither Lender nor any of its representatives may enter the Property until a certificate of insurance has been delivered to Landlord which covers any party entering the Premises.

5. Estoppel. Landlord certifies to Lender and agrees as of the date Landlord executes this Agreement:

a. Valid Lease. The Lease is enforceable against the Landlord according to its terms. To the Landlord's actual knowledge, the Lease is valid and has not been modified either orally or in writing.

b. No Defaults. Landlord is not in, and to Landlord's knowledge, Tenant is not in, default under the Lease, nor has any event occurred which, with the passage of time, the giving of notice, or both, would constitute an event of default or default under the Lease.

6. Notice of Default and Opportunity to Cure. Landlord agrees that in the event of any claimed breach or default by Tenant which would entitle Landlord to terminate the Lease, Landlord shall notify Lender of such claimed breach or default by certified mail, return receipt requested, or Federal Express or other reputable overnight courier, at the following address:

Compass Bank
2200 Post Oak Blvd., 20th Floor
Houston, Texas 77056
Attention: Cindy Young
Telephone: 713-499-8632
Facsimile: 713-966-2388

Upon receipt of said notice, Lender shall thereupon at its option (and without obligation) have 30 days to cure said default (but in no event shall Lender be required to cure any such default); *provided*, however, in the event such default is not reasonably susceptible of being cured within 30 days, such 30 day cure period shall be extended as reasonably necessary to allow Lender an opportunity (and without obligation) to cure such default provided that Lender has commenced such cure within said 30 day period and thereafter continues to diligently pursue such cure to completion.

7. Continued Effectiveness. The effectiveness of this Agreement and Lender's rights hereunder shall not be affected by and shall extend to any amendment or modification of the loan documents, including, without limitation, any change in the manner or time of payment, any renewal or extension of the term thereof, or any increase in the indebtedness due thereunder.

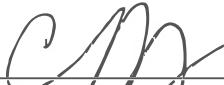

8. Governing Law. This Agreement shall be governed by and shall be construed and enforced in accordance with the internal laws of the State of Texas, without regard to conflicts of law principles, shall be binding upon the parties hereto and their respective heirs, successors and assigns, and may not be modified, amended or altered except by a writing signed by each of the parties hereto.

[Signature and acknowledgement appears on following page.]

IN WITNESS WHEREOF, this Agreement is executed as of the date set forth in the Landlord's notary acknowledgement below but is to be effective for all purposes as of the date set forth in the preamble to this Agreement.
