I. INTRODUCTION

A. Executive Summary

Hospital for Special Surgery, LLC *dba* OneCore Health (“OneCore” or the “Debtor”), as debtor and debtor in possession, submits this disclosure statement (as may be amended, supplemented, or modified from time to time, and, together with all exhibits and schedules thereto, the “Disclosure Statement”) in connection with the solicitation of votes on the *Chapter 11 Plan of Reorganization of Hospital for Special Surgery, LLC dba OneCore Health*, dated March 27, 2025 (as may be amended, supplemented, or modified from time to time and, together with all exhibits and schedules thereto, the “Plan”)¹ annexed hereto as **Exhibit 1**. The Debtor commenced its chapter 11 case (the “Chapter 11 Case”) under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the U.S. Bankruptcy Court for the Western District of Oklahoma (the “Bankruptcy Court”), beginning on October 7, 2024 (the “Petition Date”).

The purpose of this Disclosure Statement is to provide information of a kind, and in sufficient detail, to enable creditors of the Debtor that are entitled to vote on the Plan to make a reasonably informed decision on whether to vote to accept or reject the Plan. This Disclosure Statement contains summaries of the Plan, certain statutory provisions, events contemplated in the Chapter 11 Case, and certain documents related to the Plan.

The Debtor is seeking to confirm a plan under chapter 11 of the Bankruptcy Code. Specifically, as set forth below, the Debtor is seeking to move forward with a Plan to recapitalize its balance sheet (the “Reorganization Transaction”). The Plan is supported by Debtor’s largest unsecured creditor, Emma Base, and specifically includes consideration to be distributed to Base by and through Plan distributions, including, without limitation, such distributions as are made by and through the Litigation Trust established pursuant to the Plan and that certain Litigation Trust Agreement (collectively, the “Base Settlement”). The terms of the Base Settlement are incorporated into the Plan and described in Section I.B herein.

The Plan provides for, among other things, (i) a comprehensive restructuring of the Debtor’s prepetition obligations, (ii) the provision of the going-concern value of the Debtor’s business, (iii) maximization of creditor recoveries, (iv) an equitable distribution to the Debtor’s stakeholders, (v) continuation of high-quality medical care to the Debtor’s patients, and (vi) optimal protection of the jobs of the Debtor’s providers and other employees.

A summary of the key terms of the restructuring transactions as contemplated by the Plan and the Global Settlement, is as follows:

- the reorganization of the Debtor’s business pursuant to a Reorganization Transaction;

¹ Capitalized terms used in this Disclosure Statement, but not defined herein, have the meanings ascribed to them in the Plan. To the extent any inconsistencies exist between this Disclosure Statement and the Plan, the Plan shall govern.

- the contribution of \$2.8 million in new value, consisting of \$2.5 million in Cash and \$300,000 in value arising out of Solara Surgical Partners, LLC’s waiver of its GUC Claim (the “New Value Contribution”) by Existing OneCore Interest Owners who choose to participate in the New Value Contribution;²
- a \$5 million exit facility (the “Exit Facility”) at emergence;
- assumption of executory contracts of continuing trade contract counterparties and payment in full of Allowed Cure Amounts;
- the separate classification and treatment of Critical Vendor Claims, pursuant to which Critical Vendors shall receive a waiver of any preference claims existing as against them;
- the separate classification and treatment of the Base Claim, pursuant to which (a) a Litigation Trust shall be established and initially funded in the amount of \$551,662.65, consisting of the remaining proceeds of a general liability policy applicable to the Base Claim (the “Litigation Trust Funded Amount”), and supplemented with value in the form of the assignment of certain causes of action (the “Litigation Trust Causes of Action”), and (b) \$4 million in cash will be provided to the holder of the Base Claim, payable on the Effective Date;
- *pro rata* distributions to holders of Allowed GUC Claims; and
- prompt emergence from the Chapter 11 Case.

Accomplishing an efficient and expeditious resolution of the Restructuring and the Chapter 11 Case is essential to preserving and maximizing the going-concern value of the Debtor’s estate and successfully restructuring the Debtor. Consequently, the Debtor is seeking confirmation of the Plan on the following schedule:

B. Base Settlement

The Debtor, together with Emma Base, have engaged in good faith and arm's length negotiations culminating in the parties' entry into the Base Settlement. The Base Settlement is incorporated into the Plan and provides for the resolution of all disputes, claims, and controversies between the parties, including those related to the Plan and treatment of the Base Claim, among other issues.

The Base Settlement includes the following terms and conditions (each as described more fully in the Plan):

1. The payment of \$4 million to Holders of the Allowed Base Claim on the Effective Date;
2. The establishment of a Litigation Trust, pursuant to that certain Litigation Trust Agreement;
3. The funding of the Litigation Trust in the Litigation Trust Funded Amount of \$527,000, consisting of the remaining proceeds of a general liability policy applicable to the Base Claim;
4. The assignment of the Litigation Trust Causes of Action to the Litigation Trust;
5. Emma Base agrees to (i) file a statement in support of confirmation of the Plan, (ii)

not directly or indirectly object to, delay, impede, or take any other action to interfere with, the Chapter 11 Case, including, but not limited to, acceptance, confirmation, and implementation of the Plan, (iii) use reasonable efforts to maintain the current May 13, 2025 Confirmation Hearing date (unless moved by the Debtor), and (iv) refrain from opting out of the Releases contained in the Plan, which Base stipulates are an integral part of such Plan; and

6. Base agrees not to object to allowance or payment of Debtor's professionals' fees incurred through the Effective Date of the Plan.

Debtor respectfully submits that the Base Settlement should be approved pursuant to Bankruptcy Rule 9019 in connection with confirmation of the Plan. Bankruptcy Rule 9019(a) permits a trustee to enter into a compromise or settlement, subject to bankruptcy court approval. Fed. R. Bankr. P. 9019(a). Authority to approve a compromise or settlement proposed by a trustee is within the sound discretion of the bankruptcy court. *See, e.g., In re Stewart*, 603 B.R. 138, 147 (Bankr. W.D. Okla. 2019). “In exercising its discretion, the bankruptcy court must determine whether the compromise is fair, reasonable and in the best interests of the estate.” *Id.* A bankruptcy court's exercise of discretion should be guided by “the general public policy that ‘compromises are favored in bankruptcy.’” *Id.* (quoting *In re Southern Medical Arts Companies, Inc.*, 343 B.R. 250, 255 (10th Cir. B.A.P.)); *see also Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424 (1968) (noting that “[c]ompromises are a normal part of the process of reorganization”) (internal quotation marks omitted).

To approve a proposed settlement, a bankruptcy court is not required to decide numerous issues of law and fact raised by the settlement. Instead, a bankruptcy court should “canvass the issues and see whether the settlement ‘fall[s] below the lowest point in the range of reasonableness.’” *Finkelstein v. W.T. Grant Co. (In re W.T. Grant Co.)*, 699 F.2d 599, 608 (2d Cir. 1983) (quoting *Newman v. Stein*, 464 F.2d 689, 693 (2d Cir. 1972)); *see also In re Purofied Down Prods. Corp.*, 150 B.R. 519, 522 (S.D.N.Y. 1993) (noting that “the court need not conduct a ‘mini-trial’ to determine the merits of the underlying [dispute]”). “Because compromise is favored in bankruptcy and the Trustee need only show that his decision falls within the ‘range of reasonable litigation alternatives,’ the Trustee’s burden is not high.” *In re Stewart*, 603 B.R. at 147 (quoting *In re Roguemoire*, 393 B.R. 474, 480 (Bankr. S.D. Tex. 2008)).

To approve a proposed settlement, a bankruptcy court is not required to decide numerous issues of law and fact raised by the settlement. Instead, a bankruptcy court should “canvass the issues and see whether the settlement ‘fall[s] below the lowest point in the range of reasonableness.’” *Finkelstein v. W.T. Grant Co. (In re W.T. Grant Co.)*, 699 F.2d 599, 608 (2d Cir. 1983) (quoting *Newman v. Stein*, 464 F.2d 689, 693 (2d Cir. 1972)); *see also In re Purofied Down Prods. S.D. Tex. 2008)).

Bankruptcy courts in the Tenth Circuit typically consider four factors when determining whether a compromise is in the best interests of the estate: “(1) the chance of success on the litigation on the merits; (2) possible problems in collecting the judgment; (3) the expense and complexity of the litigation; and (4) the interest of the creditors.” *In re Southern Medical Arts Co., Inc.*, 343 B.R. 250, 257 (10th Cir. B.A.P. 2006) (citing *In re Kopexa Realty Venture Co.*, 213 B.R. 1020, 1022 (10th Cir. B.A.P. 1997)). Additionally, some courts “give consideration as to whether the proposed settlement promotes the integrity of the judicial system.” *In re Stewart*, 603 B.R. at 147.

Approving the Base Settlement resolves contested state court litigation currently on appeal. Debtor’s likelihood of success on appeal is unknown and uncertain. Debtor initiated this Chapter 11 Case because it cannot afford to satisfy the judgment entered against it. To date, the litigation has been costly and would remain so if the appeal is pursued. Debtor respectfully submits that it is in the best interest of the creditors that the Debtor forego continued costly litigation and seek approval of the Base Settlement as part of the Plan confirmation process.

THE DEBTOR AND EMMA BASE URGE ALL HOLDERS OF CLAIMS ENTITLED TO VOTE ON THE PLAN TO VOTE IN FAVOR OF THE PLAN.

The Debtor and Emma Base believe that the Base Settlement avoids costly, time-consuming, wasteful litigation and any delays in distributions to creditors. The Base Settlement will reduce the duration of the Chapter 11 Case and the expenses attendant to protracted litigation and will also increase recoveries to certain holders of Allowed Claims. Accordingly, the Debtor and Emma Base believe the Base Settlement balances these risks and provides an equitable solution that is reasonable, fair and efficient. The Debtor also believes that the Base Settlement is in the best interests of general unsecured creditors, and that pursuant to the terms of the Plan, proposed distributions to creditors are adequate in exchange for the releases embodied in the Plan. For these and other reasons, the Debtor recommends that impaired creditors vote to ACCEPT the Plan.

D. Summary of Plan Classification and Treatment of Claims and Interests

Under the Bankruptcy Code, only holders of claims or interests in “impaired” Classes are entitled to vote on the Plan (unless, for reasons discussed in more detail below, such holders are deemed to reject the Plan pursuant to section 1126(g) of the Bankruptcy Code). Under section 1124 of the Bankruptcy Code, a class of claims or interests is deemed to be “impaired” unless (i) the plan leaves unaltered the legal, equitable, and contractual rights to which such claim or interest entitles the holder thereof or (ii) notwithstanding any legal right to an accelerated payment of such claim or interest, the plan, among other things, cures all existing defaults (other than defaults resulting from the occurrence of events of bankruptcy) and reinstates the maturity of such claim or interest as it existed before the default.

The following table summarizes the treatment of Claims and Interests under the Plan. The table is qualified in its entirety by reference to the full text of the Plan. For a more detailed summary of the terms and provisions of the Plan, see Article VI—Summary of the Plan below. The summary of the Plan below incorporates the Global Settlement with the Creditors' Committee.

A discussion of the amount of claims in each Class is set forth in Section VI hereof.

2	Critical Vendors Claims	Impaired	Yes
3	GUC Claims	Impaired	Yes
4	Emma Base Claim	Impaired	Yes
5	Existing OneCore Interests	Fully Impaired/ Unimpaired	No (Deemed to Reject or Presumed to Accept)

III.

KEY EVENTS LEADING TO COMMENCEMENT OF CHAPTER 11 CASE

OneCore is a duly licensed hospital that has been specializing in orthopedic and specialty surgeries in the community of central Oklahoma for more than a decade. In late 2021, OneCore completed the construction of its present leased facility in northeast Oklahoma City and has been

operating at such location since January 2022. Despite the new hospital and recognition as an esteemed hospital for patient care and focus, difficulties ensued in June of 2022, initially due to the Covid pandemic, with the implementation of a new billing system as the legacy system was sunset by the software provider. This difficult conversion caused disruptions to operations for almost two years as OneCore struggled with calibrating the software, creating appropriate interfaces and then billing/collecting claims. This created several million dollars in lost revenue and difficulty tracking patient claims and accounts receivable during the transition. Due to implementation issues, the hospital could not effectively create patient statements to collect good patient accounts receivable, rendering many of these accounts uncollectible. OneCore continued to fight to resolve billing system issues, and with the help of its management company, began to regain control over the revenue cycle in early 2024. From January through August 2024, the hospital produced break-even results and was beginning to turn the corner toward a pathway to profitability with new physician recruitment.

In early September 2024, a former patient obtained a significant jury verdict against the hospital relating to care provided by a physician in 2021. OneCore maintains that the evidence shows that the patient's ongoing injuries were unrelated to the accident. Notwithstanding this evidence, the former patient obtained a judgment in the amount of 15 million dollars, which exceeds the estimated enterprise value of the hospital. OneCore timely has appealed the judgment but was required to initiate this Chapter 11 Case to continue to operate its business, continue to employ its approximately 100 employees, and to maintain the enterprise value of Debtor's assets until a plan of reorganization may be confirmed.

IV. THE CHAPTER 11 CASE

Following the commencement of the Chapter 11 Case, the Debtor filed various motions (the "First Day Motions" and the various interim and final orders approving the First Day Motions, the "First Day Orders") seeking relief from the Bankruptcy Court to enable Debtor to promote a seamless transition between the Debtor's prepetition and postpetition business operations, facilitate a smooth reorganization through this Chapter 11 Case and the Plan, and minimize any disruptions to the Debtor's operations. The Bankruptcy Court granted substantially all of the relief requested in the First Day Motions and entered various final orders authorizing Debtor to, among other things:

- Establish procedures to protect confidential patient information [Docket No. 49];
- Continue paying employee wages and benefits [Docket No. 94];
- Continue insurance programs [Docket No. 95];
- Establish procedures for utility companies to request adequate assurance of payment and to prohibit utility companies from altering or discontinuing service [Docket No. 96];
- Continue the use of the Debtors' cash management system, bank

accounts, and business forms [Docket No. 97];

- Pay certain prepetition obligations for critical vendors [Docket No. 93] (the “Critical Vendors Order”);
- Use cash collateral [Docket No. 101];

As of the date hereof, the Debtor estimates approximately \$3,164,149.38 in prepetition Claims has been paid pursuant to the various First Day Orders, including approximately \$2,157,348.09 in prepetition Claims pursuant to the Critical Vendors Order and \$784,996.00 paid in satisfaction of the BOKF Prepetition Secured Claim pursuant to the DIP Order.

A. DIP Financing

On February 10, 2025, the Debtor filed the *Debtor’s Emergency Motion for Entry of Final Order, Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, 503, 506, and 507, (I) Authorizing Debtor to Obtain Senior Secured Superpriority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Authorizing the Use of Cash Collateral, (IV) Determining Adequate Protection Need Not Be Provided, (V) Modifying the Automatic Stay, and (VI) Granting Related Relief* [Docket No. 186] (the “DIP Motion”). In connection with the DIP Motion, the Debtor filed the *Declaration of Carrie McEntire in Support of Debtor’s Emergency Motion for Entry of Final Order, Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, 503, 506, and 507, (I) Authorizing Debtor to Obtain Senior Secured Superpriority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Authorizing the Use of Cash Collateral, (IV) Determining Adequate Protection Need Not Be Provided, (V) Modifying the Automatic Stay, and (VI) Granting Related Relief* [Docket No. 190]. On February 13, 2025, the United States Trustee filed its *Limited Objection of the United States Trustee to Debtor’s Emergency Motion for Entry of Final Order, Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, 503, 506, and 507, (I) Authorizing Debtor to Obtain Senior Secured Superpriority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Authorizing the Use of Cash Collateral, (IV) Determining Adequate Protection Need Not Be Provided, (V) Modifying the Automatic Stay, and (VI) Granting Related Relief* [Docket No. 189] (the “UST Objection”). On February 15, 2025, the Debtor filed the *Debtor’s Notice of Revised Proposed Order Granting Debtor’s Emergency Motion for Entry of Final Order, Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, 503, 506, and 507, (I) Authorizing Debtor to Obtain Senior Secured Superpriority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Authorizing the Use of Cash Collateral, (IV) Determining Adequate Protection Need Not Be Provided, (V) Modifying the Automatic Stay, and (VI) Granting Related Relief* [Docket No. 193] (the “Revised Proposed Order”). The Revised Proposed Order resolved the UST Objection. On the same date, the Debtor filed the *Debtor’s Reply to Limited Objection of the United States Trustee to Debtor’s Emergency Motion for Entry of Final Order, Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, 503, 506, and 507, (I) Authorizing Debtor to Obtain Senior Secured Superpriority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Authorizing the Use of Cash Collateral, (IV) Determining Adequate Protection Need Not Be Provided, (V) Modifying the Automatic Stay, and (VI) Granting Related Relief* [Docket No. 194] (the “Debtor’s Reply”). The Debtor’s Reply clarified matters

raised by the UST Objection for the benefit of creditors and other parties in interest.

On February 17, 2025, the Bankruptcy Court entered its *Final Order Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, 503, 506, and 507, (I) Authorizing Debtor to Obtain Senior Secured Superpriority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Authorizing the Use of Cash Collateral, (IV) Determining Adequate Protection Need Not Be Provided, (V) Modifying the Automatic Stay, and (VI) Granting Related Relief* [Docket No. 195] (the “DIP Order”). Pursuant to the authorities granted by the DIP Order, the Debtor executed the DIP Documents, as such term was defined in the DIP Motion. Pursuant to the DIP Documents, Debtor obtained \$2,000,000.00 in debtor-in-possession financing, in exchange for the grant of superpriority liens to the DIP Lender, Solara Surgical Partners, LLC, among other terms and conditions established by the DIP Documents and the DIP Order, respectively. Debtor shall repay the DIP Loan on or before the Effective Date.

B. Procedural Motions

The Debtor filed various motions regarding procedural issues common to chapter 11 cases of similar size and complexity in this Chapter 11 Case. The Bankruptcy Court granted substantially all of the relief requested in such motions and entered various orders authorizing the Debtor to, among other things:

- Employ professionals utilized by the Debtor in the ordinary course of business [Docket No. 202]; and

the subject of a separate motion to assume or reject filed by the Debtor on or before the Confirmation Date, (iv) is specifically designated as a contract or lease to be included on the Rejection Schedule, or (v) is the subject of a pending Cure Dispute.

(b) Subject to the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions, assignments, or rejections provided for in the Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed or assigned pursuant to the Plan shall vest in and be fully enforceable by the Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assignment and assignment, or applicable law.

E. Appointment of Creditors' Committee

No creditors' committee has been appointed in this Chapter 11 Case.

F. Automatic Stay and Other Stipulations

Since the commencement of the Chapter 11 Case, the Debtor has entered into, and the Court has approved, various stipulations and resolutions regarding requests for relief from the automatic stay and related matters, including, without limitation the following:

- The Debtor anticipates that similar stipulations may be made with similarly-situated tort claimants by motion with notice of opportunity for hearing.

G. Exclusivity

Section 1121(b) of the Bankruptcy Code provides for a period of 120 days after the commencement of a chapter 11 case during which time a debtor has the exclusive right to file a plan of reorganization (the "Exclusive Plan Filing Period"). In addition, section 1121(c)(3) of the Bankruptcy Code provides that if a debtor files a plan within the Exclusive Plan Period, it has a period of 180 days after commencement of the chapter 11 case to obtain acceptances of such plan (the "Exclusive Plan Solicitation Period," and together with the Exclusive Plan Period, the "Exclusive Periods"). The Debtor's initial Exclusive Plan Filing Period expired on February 4, 2025. Pursuant to section 1121(d) of the Bankruptcy Code, the Bankruptcy Court may, upon a showing of cause, extend the Exclusive Periods.

Consistent with the foregoing Debtor filed a Motion to Extend Exclusive Periods on

January 30, 2025. [Docket No. 174]. Debtor also filed an Application for a Bridge Order on the same day, asking for an interim extension of its Exclusivity Periods until the Court made a final determination on its Motion regarding the same. [Docket No. 175]. The Court entered an order granting the Bridge Application on January 31, 2025, [Docket No. 177], and granting the Motion on February 14, 2025. [Docket No. 191].

As a result, the Exclusive Plan Filing Period presently extends until and through May 6, 2025. The Exclusive Plan Solicitation Period presently extends until and through July 8, 2025.

V.

PENDING LITIGATION

A. State Court Matter(s)

The state court litigation relating to the Base Claim shall be settled in connection with the Plan. Certain litigation is ongoing in State Court; however, the Debtor and its estate are not placed at any financial risk for its outcome. *See, e.g.*, Docket Nos. 152 – 153.

In addition to the foregoing, the Debtor is a defendant in the case styled *Timothy W. Fox v. Hosp. for Special Surgery, LLC d/b/a OneCore Health*, CJ 2023-3620 (District Court for Okla. County, Okla.). The Debtor and its estate are not placed at any financial risk for its outcome because the Plaintiff filed his proof of claim after the expiration of the General Claims Bar Date established by the Claims Bar Date Order. Fox has sought stay relief in the Bankruptcy Court which the Debtor opposes for the reason that the Fox Claim is time-barred.

B. Other

The Debtor may, from time to time, be subject to various information requests, inquiries, or investigations from certain local, state, or federal regulatory or governmental agencies or authorities. Such information requests, inquiries, or investigations, may or may not ultimately result in claims asserted against the Debtor.

VI.

- (b) The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies, including the Base Settlement, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtor, its Estate, and Holders of Claims and Interests and is fair, equitable, and reasonable. The compromises, settlements, and releases described herein shall be deemed non-severable from each other and from all other terms of the Plan. On the Effective Date, the Exit Facility Credit Agreement and the other Exit Facility Documents shall be executed, delivered, and all fees and expenses required to be paid on the Effective Date thereunder shall be paid, and the Reorganized Debtor shall be authorized to execute, deliver, enter into, and make any payments required by the Exit Facility Credit Agreement and the other Exit Facility Documents without the need for any further limited liability company action and without further action by the holders of Claims or Interests. The form of the Exit Facility Credit Agreement will be filed as part of the Plan Supplement.

All Liens and security interests granted pursuant to the Exit Facility Documents shall be (a) valid, binding, and enforceable Liens and security interests in the personal and real property described in and subject to such documents, with the priorities established in respect thereof under applicable non-bankruptcy law, and (b) not subject to avoidance, recharacterization or subordination under any applicable law, the Plan, or the Confirmation Order.

The Reorganized Debtor and the Persons granted Liens and security interests under the Exit Facility Documents are authorized to make all filings and recordings and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, provincial, federal, or other law that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order without the need for any filings or recordings) and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

(b) Authorization, Issuance, and Distribution of New OneCore Interests

On and after the Effective Date, the Reorganized Debtor is authorized to issue, or cause to be issued, and shall issue or distribute the New OneCore Interests in accordance with the terms of Section 4.5 of the Plan without the need for any further limited liability company action. The New Governance Documents shall, as applicable, have provided for a sufficient amount of authorized New OneCore Interests to effectuate the issuance or distribution of New OneCore Interests contemplated by and in connection with the Plan, and the Reorganized Debtor shall issue or reserve for issuance a sufficient amount of New OneCore Interests to effectuate all such issuances. Additionally, distributions of New OneCore Interests may be conditioned on the Debtor receiving, prior to the Effective Date, executed signature pages to each applicable New Governance Document from each Person or Entity entitled to receive New OneCore Interests; provided, that, if the Debtor determines to issue New OneCore Interests to a Person or Entity entitled to receive New OneCore Interests but who fails to execute any applicable New Governance Document, such Person or Entity, upon becoming a holder of New OneCore Interests, shall be deemed, without further notice or action, to have agreed to be bound by the New Governance Documents, which shall be deemed to be valid, binding, and enforceable in accordance with their terms, as the same may be amended from time to time following the Effective Date in accordance with their terms, and in each case without the need for execution by any party thereto other than the Reorganized Debtor. The New Governance Documents shall be binding on all Entities receiving New OneCore Interests (and their respective successors and assigns), whether received pursuant to the Plan or otherwise and regardless of whether such Entity executes or delivers a signature page to any New Governance Document.

(c) Section 1145 Exemption

The offer, issuance, and distribution of (i) the New OneCore Interests to Owners of Existing OneCore Interests under Section 4.5 of the Plan, and (ii) the Litigation Trust Interests, to the extent applicable, shall be exempt, pursuant to section 1145 of the Bankruptcy Code, without further act or action by any Entity, from registration under (i) the Securities Act of 1933, as amended, and all rules and regulations promulgated thereunder and (ii) any state or local law requiring registration for the offer, issuance, or distribution of securities.

The availability of the exemption under section 1145 of the Bankruptcy Code or any other applicable securities laws shall not be a condition to the occurrence of the Effective Date.

Notwithstanding anything to the contrary in the Plan or otherwise, no Person or Entity may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New OneCore Interests are exempt from registration or validly issued, fully paid and non-assessable.

iv. Restructuring Transactions; Effectuating Documents

(a) Following the Confirmation Date or as soon as reasonably practicable thereafter, Debtor and the Reorganized Debtor may take all actions as may be necessary or appropriate to effectuate any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan, including (i) the execution and delivery of appropriate agreements or other documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, cancellation, sale, purchase, or liquidation containing terms that are consistent with the terms of the Plan, (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan, (iii) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, amalgamation, arrangement, continuance, cancellation, or dissolution pursuant to applicable state or federal law, (iv) the execution and delivery of the Definitive Documents, (v) the issuance of securities, including, without limitation, equity interests, all of which shall be authorized and approved in all respects in each case without further action being required under applicable law, regulation, order, or rule, (vi) the execution of the Litigation Trust Agreement and implementation of the Litigation Trust, (vii) such other transactions that are necessary or appropriate to implement the Plan in a tax efficient manner, and (viii) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law or the Exit Facility Credit Agreement, as applicable.

rule (including any action by the members, officers or managers of Debtor or the Reorganized Debtor), except for those expressly required pursuant to the Plan.

(c) In order to preserve the Reorganized Debtor's ability to utilize certain tax attributes that exist as of the Effective Date, the charter, bylaws, and other organizational documents may restrict certain transfers of the New OneCore Interests.

(d) The Debtor will exercise its reasonable business judgment to structure the Restructuring and the Restructuring Transactions in a tax efficient manner including, without limitation, to maximize or preserve any net operating losses and net unrealized built-in asset losses of the Debtor.

(e) All matters provided for herein involving the limited liability company structure of the Debtor or Reorganized Debtor, or any limited liability company, or related action required by the Debtor or Reorganized Debtor in connection herewith shall be deemed to have occurred and shall be in effect, without any requirement of further action by the members, board, or managers of the Debtor or Reorganized Debtor, and with like effect as though such action had been taken unanimously by the members, managers, or officers, as applicable, of the Debtor or Reorganized Debtor.

On or after the Effective Date, the Reorganized Debtor may, in its sole discretion, take such action that may be necessary or appropriate as permitted by applicable law, instruments and agreements, and the Reorganized Debtor's organizational documents, as the Reorganized Debtor may determine is reasonable and appropriate.

(b) After the Effective Date, the Reorganized Debtor shall be authorized to dissolve the Debtor or the Reorganized Debtor in accordance with applicable law or otherwise as part of a Restructuring Transaction.

vi. Litigation Trust

(a) On or prior to the Effective Date, the Debtor and the Litigation Trustee shall execute the Litigation Trust Agreement in form and substance consistent with the terms set forth herein and otherwise reasonably acceptable to the Debtor. On the Effective Date (i) the Debtor shall (x) automatically be deemed to have transferred and assigned to the Litigation Trust all of its right, title, and interest in and to all the Litigation Trust Causes of Action,³ and, in accordance with section 1141 of the Bankruptcy Code, all such Litigation Trust Causes of Action

³ The Debtor makes no representations or warranties of any kind with respect to the Litigation Trust Causes of Action. While the Debtor believes, in good faith, that colorable claims exist, the Debtor is uncertain as to their value. Litigation, inherently, is costly and outcomes are uncertain.

shall automatically vest in the Litigation Trust free and clear of all Liens, charges, Claims, encumbrances and interests, for the benefit of the holders of the Base Claim and (y) within ten (10) days following entry of the Plan Confirmation Order, the Insurer shall transfer the Litigation Trust Funded Amount to an account established by the Litigation Trustee to fund the administration of the Litigation Trust. The Litigation Trust shall have standing to pursue, assert, litigate, and fully resolve the Litigation Trust Causes of Action and, shall be deemed the assignee of the Debtor, and neither the Debtor nor the Reorganized Debtor shall have any interest in or with respect to the Litigation Trust Causes of Action or any Cash or assets contained in the Litigation Trust.

(b) The Litigation Trust shall be established for the purpose of (i) investigating, commencing, litigating, and settling Litigation Trust Causes of Action, (ii) the liquidation of the Litigation Trust's assets, (iii) distribution of the Litigation Trust Distributable Proceeds, if any, to the Litigation Trust Beneficiaries, and (iv) performing such other duties as set forth in the Litigation Trust Agreement, in each case in accordance with section 301.7701-4(d) of the Treasury Regulations, with no objective to continue or engage in the conduct of a trade or business.

(c) The Litigation Trust shall be administered by the Litigation Trustee in accordance with the Litigation Trust Agreement. The Litigation Trust Agreement may establish certain powers, duties, and authorities in addition to those explicitly stated herein, but only to the extent that such powers, duties, and authorities do not affect the status of the Litigation Trust as a liquidating trust for United States federal income tax purposes as discussed below. Upon execution of the Litigation Trust Agreement, the Litigation Trustee shall be authorized to take all steps necessary to complete the formation of the Litigation Trust. The Litigation Trustee shall serve as representative of the Estate under section 1123(b) of the Bankruptcy Code for the purpose of (i) enforcing the Litigation Trust Causes of Action and (ii) administering the Litigation Trust and distributing its assets to the Litigation Trust Beneficiaries.

(d) In furtherance of the Plan, (i) the terms of the Litigation Trust shall be set forth in the Litigation Trust Agreement, (ii) the Litigation Trust shall be structured to qualify as a "liquidating trust" within the meaning of section 301.7701-4(d) of the Treasury Regulations and in compliance with Rev. (e) The Litigation Trust shall also be vested with the Debtor's rights, as such rights existed prior to the Effective Date, to conduct discovery and oral examinations of any party under Bankruptcy Rule 2004. The Litigation Trust, however, shall not be considered a

successor of the Debtor and shall not assume any obligations of the Debtor other than expressly provided for by the Plan and the Litigation Trust Agreement. Notwithstanding the foregoing, the Litigation Trust shall not be permitted to seek relief under Bankruptcy Rule 2004 or any other discovery rule established under federal or state law as against (i) the Debtor or the Reorganized Debtor, (ii) any current employees, officers or members of the Debtor or the Reorganized Debtor, or (iii) the DIP Lender.

(f) For the avoidance of doubt, the Litigation Trust shall be solely responsible for all Litigation Trust Expenses (including, for the further avoidance of doubt, professional fees). Neither the Debtor nor the Reorganized Debtor shall have any responsibility for any Litigation Trust Expenses.

(g) The Litigation Trustee and the Reorganized Debtor shall have the right to seek relief from the Bankruptcy Court in the event of any dispute or controversy related to the Litigation Trust Agreement.

In accordance with section 1123(b) of the Bankruptcy Code, (a) following the Effective Date, the Reorganized Debtor shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Retained Causes of Action, whether arising before or after the Petition Date, and the Reorganized Debtor's rights to commence, prosecute, or settle such Retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, and the Reorganized Debtor may pursue such Retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtor; and (b) following the Effective Date, the Litigation Trust shall retain and may enforce all rights to commence, pursue, and settle, as appropriate, any and all Litigation Trust Causes of Action. **No Person may rely on the absence of a specific reference in the Plan or this Disclosure Statement to any Cause of Action against them as any indication that the Debtor, the Reorganized Debtor, or the Litigation Trust, as applicable, will not pursue any and all available Causes of Action against such Person.** Except with respect to Causes of Action against any Person which Person was released by the Debtor or the Reorganized Debtor on or before the Effective Date (including pursuant to the Plan), the Reorganized Debtor expressly reserves all rights to prosecute any and all Retained Causes of Action against any Person, except as otherwise expressly provided in the Plan. The Litigation Trust expressly reserves all rights to prosecute any and all Litigation Trust Causes of Action. Unless any Causes of Action against a Person are expressly waived, relinquished, exculpated, released, compromised, transferred (including to the Litigation Trust), or settled in the Plan or a Final Order of the Bankruptcy Court, (i) the Reorganized Debtor expressly reserves all Retained Causes of Action for later adjudication; and (ii) the Litigation Trust expressly reserves all Litigation Trust Causes of Action for later adjudication, and therefore, in each case, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, Claim preclusion, estoppel (judicial, equitable, or otherwise), or laches shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or consummation of the Plan. For the avoidance of doubt, notwithstanding anything contained in the Plan to the contrary, on the Effective Date, the Litigation Trust Causes of Action shall be transferred to, and vest in, the Litigation Trust, and shall not be retained by the Reorganized Debtor.

Presently, the Debtor is not aware of any Causes of Action having substantial value to the estate or its creditors which it is retaining.

viii. Cancellation of Liens

Except as otherwise specifically provided in the Plan, upon the satisfaction in full, in Cash or otherwise, of a Secured Claim, any Lien securing any Secured Claim that is satisfied in full, in Cash or otherwise, shall be deemed released, and the holder of such Secured Claim shall be authorized and directed to (i) release any collateral or other property of the Debtor (including any Cash collateral) held by such holder, at the sole cost and expense of the Reorganized Debtor, and to (ii) take such actions as may be reasonably requested by the Debtor or the Reorganized Debtor, to evidence the release of such Lien, including the execution, delivery and filing or recording of such releases as may be reasonably requested by the Debtor or the Reorganized Debtor, in the case of each of clauses (i) and (ii), at the sole cost and expense of the Reorganized Debtor and without recourse, representation or warranty of any kind.

ix. Employee Matters

Unless otherwise provided herein and subject to Article V of the Plan, as may be applicable, the Debtor shall assume or assume and assign to the Reorganized Debtor on the Effective Date (x) the Benefits Plans and (y) all Employment Agreements unless previously assumed or rejected by the Debtor in its sole discretion pursuant to an order of the Bankruptcy Court.

x. Nonconsensual Confirmation

The Debtor intends to undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code as to any Classes that reject or are deemed to reject the Plan.

After the Estate has been fully administered, the Reorganized Debtor shall seek authority from the Bankruptcy Court to close the Chapter 11 Case in accordance with the Bankruptcy Code and Bankruptcy Rules.

xii. Termination of the Patient Care Ombudsman's Duties

The duties, responsibilities, and obligations of the Patient Care Ombudsman shall be terminated on the Effective Date, the Patient Care Ombudsman may dispose of any documents provided to the Patient Care Ombudsman in the course of its reporting. Nothing herein shall in any way limit or otherwise affect the Patient Care Ombudsman's obligations of confidentiality under confidentiality agreements, if any, under section 333 of the Bankruptcy Code or under order of the Bankruptcy Court.

xiii. Notice of Effective Date

As soon as practicable, but not later than 3 Business Days following the Effective Date, the Debtor shall file a notice of the occurrence of the Effective Date with the Bankruptcy Court.

D. Distributions

i. Distributions Generally

Except as otherwise provided in the Plan, the Disbursing Agent shall make all distributions under the Plan to the appropriate holders of Allowed Claims in accordance with the terms of the Plan.

ii. Distribution Record Date

As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtor or its agent, shall be deemed closed, and there shall be no further changes in the record holders of any of the Claims or Interests. The Debtor and the Reorganized Debtor shall have no obligation to recognize any transfer of the Claims or Interests occurring on or after the Distribution Record Date. In addition, with respect to payment of any Cure Amounts or disputes over any Cure Amounts, neither the Debtor nor the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable executory contract or unexpired lease as of the close of business on the Distribution Record Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

iii. Date of Distributions

Except as otherwise provided in the Plan, any distributions and deliveries to be made under the Plan shall be made on the Effective Date or as otherwise determined in accordance with the Plan, including the treatment provisions of Article IV of the Plan, or the Litigation Trust Agreement, in each case as soon as practicable thereafter; provided that the Reorganized Debtor may implement periodic distribution dates to the extent it reasonably determines them to be appropriate.

iv. No Postpetition Interest on Claims

Except as otherwise provided in the Plan, the Confirmation Order, or another order of the Bankruptcy Court or required by the Bankruptcy Code, interest shall not accrue or be paid on any Claims on or after the Petition Date, provided that, other than with respect to the DIP Claim or Other Secured Claims, if interest is payable pursuant to the preceding sentence, interest shall accrue at the federal judgment rate pursuant to 28 U.S.C. § 1961 on a non-compounded basis from the date the obligation underlying the Claim becomes due and is not timely paid through the date of payment.

v. Delivery of Distributions

In the event that any distribution to any holder is returned as undeliverable, no further distributions shall be made to such holder unless and until such Disbursing Agent is notified in writing of such holder's then-current address, at which time all currently due, missed distributions shall be made to such holder as soon as reasonably practicable thereafter, without interest. Nothing herein shall require the Disbursing Agent to attempt to locate holders of undeliverable distributions and, if located, assist such holders in complying with any provisions of the Plan.

vi. Distributions after Effective Date

Distributions made after the Effective Date to holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date.

vii. Unclaimed Property

Undeliverable distributions or unclaimed distributions shall remain in the possession of the Reorganized Debtor until such time as a distribution becomes deliverable or the holder accepts distribution, or such distribution reverts back to the Debtor or the Reorganized Debtor, as applicable, and shall not be supplemented with any interest, dividends, or other accruals of any kind. Such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of 180 days from the date of distribution. After such date, and notwithstanding any other provision of the Plan, all unclaimed property or interest in property shall revert to the Reorganized Debtor and the Claim of any other holder to such property or interest in property shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary.

viii. Time Bar to Cash Payments

Checks issued by the Debtor or Reorganized Debtor in respect of Allowed Claims shall be null and void if not negotiated within 180 days after the date of issuance thereof. Thereafter, the amount represented by such voided check shall irrevocably revert to the Reorganized Debtor, and any Claim in respect of such voided check shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary. Requests for re-issuance of any check within 180 days after issuance shall be made to the Reorganized Debtor by the holder of the Allowed Claim to whom such check was originally issued.

ix. Manner of Payment under Plan

Except as otherwise specifically provided in the Plan, at the option of the Debtor or the Reorganized Debtor, any Cash payment to be made hereunder may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtor.

x. Satisfaction of Claims

Except as otherwise specifically provided in the Plan, any distributions and deliveries to be made on account of Allowed Claims under and in accordance with the terms and conditions of the Plan shall be in complete and final satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

xi. Minimum Cash Distributions

The Disbursing Agent shall not be required to make any distribution of Cash less than (\$50) to any holder of an Allowed Claim; provided that if any distribution is not made pursuant to Section 6.10 of the Plan, such distribution shall be added to any subsequent distribution to be made on

behalf of the holder's Allowed Claim.

xii. Setoffs and Recoupments

Except as expressly provided in a separate order of the Bankruptcy Court, the Debtor and the Reorganized Debtor, as applicable, may, but shall not be required to, set off or recoup against any Claim, and any distribution to be made on account of such Claim, any and all claims, rights, and Causes of Action of any nature whatsoever that the Debtor or the Reorganized Debtor may have against the holder of such Claim pursuant to the Bankruptcy Code or applicable non-bankruptcy law; provided that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtor or the Reorganized Debtor or its successor of any claims, rights, or Causes of Action that the Debtor or the Reorganized Debtor or its successor or assign may possess against the holder of such Claim.

xiii. Allocation of Distributions between Principal and Interest

Except as otherwise required by law (as reasonably determined by the Debtor or the Reorganized Debtor), distributions with respect to Allowed Claims shall be allocated first to the principal portion of such Allowed Claim (as determined for federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

xiv. No Distribution in Excess of Amount of Allowed Claim

Notwithstanding anything in the Plan to the contrary, no holder of an Allowed Claim shall receive, on account of such Allowed Claim, distributions under the Plan in excess of the Allowed amount of such Claim.

xv. Withholding and Reporting Requirements

a) *Withholding Rights.* In connection with the Plan, any party issuing any instrument or making any distribution described in the Plan shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all distributions pursuant to the Plan and all related agreements shall be subject to any such withholding or reporting requirements. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and either (i) sell such withheld property to generate Cash necessary to pay over the withholding tax (or reimburse the distributing party for any advance payment of the withholding tax), or (ii) pay the withholding tax using its own funds and retain such withheld property. Any amounts withheld pursuant to the preceding sentence, and paid over to the applicable Governmental Unit, shall be deemed to have been distributed to and received by the applicable recipient for all purposes of the Plan. Notwithstanding the foregoing, each holder of an Allowed Claim or any other Entity that receives a distribution pursuant to the Plan shall have responsibility for any taxes imposed by any Governmental Unit, including income, withholding, and other taxes, on account of such distribution. In the event any party issues any instrument or makes any non-Cash distribution pursuant to the Plan that is subject to withholding tax and such issuing or distributing party has not sold such withheld property to generate Cash to pay the withholding tax or paid the withholding tax using its own funds and retains such withheld property as described above, such issuing or distributing party has the right, but not the obligation, to not make a

distribution until such holder has made arrangements reasonably satisfactory to such issuing or disbursing party for payment of any such tax obligations.

b) *Forms.* Any party entitled to receive any property as an issuance or distribution under the Plan shall, upon request, deliver to the Disbursing Agent or such other Entity designated by the Reorganized Debtor (which Entity shall subsequently deliver to the Disbursing Agent any applicable IRS Form W-8 or IRS Form W-9 received) an appropriate IRS Form W-9 or (if the payee is a foreign Entity) IRS Form W-8, and any other forms or documents reasonably requested by the Reorganized Debtor to reduce or eliminate any withholding required by any federal, state, or local taxing authority. If such request is made and the holder fails to comply before the date that is 60 days after the request is made, the amount of such distribution shall irrevocably revert to the Debtor or Reorganized Debtor, as applicable, and any Claim in respect of such distribution shall be discharged and forever barred from assertion against the Debtor or Reorganized Debtor, as applicable, or their respective property.

E. Procedures for Disputed Claims

i. Objections to Claims

The Debtor or the Reorganized Debtor, as applicable, shall be exclusively entitled to object to Claims; provided that following the Effective Date, the U.S. Trustee shall have standing and the right to be heard for the limited purpose of responding to requests for allowance of Administrative Expense Claims for substantial contribution pursuant to section 503(b)(3)(D) of the Bankruptcy Code. After the Effective Date, the Debtor or Reorganized Debtor, as applicable, shall have and retain any and all rights and defenses that the Debtor had with regard to any Claim to which they may object, except with respect to any Claim that is Allowed. Any objections to Claims shall be served and filed on or before the Claims Objection Deadline.

ii. Resolution of Disputed Administrative Expenses and Disputed Claims

The Debtor or Reorganized Debtor, in their sole discretion, shall have the authority to (i) compromise, settle, otherwise resolve, or withdraw any objections to Claims without any further notice to or action, order, or approval by the Bankruptcy Court, other than with respect to Professional Fee Claims, (ii) reconcile Claims (***Claims Reconciliation***) in an allowed amount without the requirement of filing an objection to any such Claims and without the requirement of any further Court order, and (iii) administer and adjust the claims register to reflect any such settlements or compromises, without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, Holders of Claims subject to a Claims Reconciliation demand of the Debtor or the Reorganized Debtor (each, a ***Claims Reconciliation Demand***) must, within fifteen (15) days of service of such demand, furnish to the Debtor or Reorganized Debtor, as applicable, all invoices, agreements, and other documents responsive to such Claims Reconciliation Demand. If any Holder of a Claim subject to a Claims Reconciliation Demand fails to timely and fully respond to such Claims Reconciliation Demand, such Holder's Claim shall be disallowed on motion and notice of opportunity for hearing of the Debtor or Reorganized Debtor, as applicable, demonstrating such Holder's failure to timely comply with

such Claims Reconciliation Demand.

iii. Payments and Distributions with Respect to Disputed Claims

Notwithstanding anything herein to the contrary, if any portion of a Claim is a Disputed Claim, no payment or distribution provided hereunder shall be made on account of such Claim, unless and until such Disputed Claim becomes an Allowed Claim.

iv. Distributions after Allowance

(a) Following the Effective Date, a Disputed Claims Reserve shall be maintained. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary, or the receipt of a determination by the IRS, the Disbursing Agent shall treat the Disputed Claims Reserve as a “disputed ownership fund” governed by section 1.468B-9 of the Treasury Regulations and to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All taxes imposed on assets or income of the Disputed Claims Reserve shall be payable by the Debtor or the Reorganized Debtor, as applicable. The Disbursing Agent or the Reorganized Debtor, as applicable, shall be responsible for payment, out of the assets of the Disputed Claims Reserve any expenses associated with administering the Disputed Claims Reserve, including any taxes imposed on the Disputed Claims Reserve or its assets. All parties (including the Debtor, the Reorganized Debtor, the Disbursing Agent, and the holders of Disputed GUC Claims) shall be required to report for tax purposes consistently with the foregoing.

(b) As soon as reasonably practicable after a Disputed Claim becomes, in whole or in part, an Allowed Claim, the holder thereof shall be entitled to distributions, if any, to which such holder is entitled as provided in the Plan, without interest, as provided in Section 7.9 of the Plan. Such distributions shall be made as soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed Claim (or portion thereof) becomes a Final Order.

v. Disallowance of Claims

Except to the extent otherwise agreed to by the Debtor or Reorganized Debtor, as applicable, any Claims held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, to the Debtor by that Entity have been turned over or paid to the Debtor or the Reorganized Debtor. All proofs of claim filed on account of an indemnification obligation to a director, officer, or employee, in each case, employed by the Debtor on and/or after the Petition Date shall be deemed satisfied and expunged from the claims register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court. Any Claim that has been or is hereafter listed in the Schedules

as contingent, unliquidated, or disputed, and for which no Proof of Claim or Interest is or has been timely filed, shall be deemed disallowed and shall be expunged without further action by the Debtor and without further notice to any party or action, approval, or order of the Bankruptcy Court, and holders of such Claims shall not receive any distributions under the Plan on account of such Claims, subject in each case to Local Bankruptcy Rule 3002-1(a).

vi. Estimation of Claims

The Debtor or Reorganized Debtor, as applicable, may determine, resolve and otherwise adjudicate all contingent Claims, unliquidated Claims and Disputed Claims in the Bankruptcy Court. The Debtor or the Reorganized Debtor, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose, regardless of whether any party has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any contingent Claim, unliquidated Claim or Disputed Claim, that estimated amount shall constitute the maximum limitation on such Claim, and the Debtor or the Reorganized Debtor, as applicable, may pursue supplementary proceedings to object to the ultimate allowance of such Claim; provided that such limitation shall not apply to Claims requested by the Debtor to be estimated for voting purposes only.

vii. No Distributions Pending Allowance

If an objection, motion to estimate, or other challenge to a Claim is filed, no payment or distribution provided under the Plan shall be made on account of such Claim unless and until (and only to the extent that) such Claim becomes an Allowed Claim.

viii. Claim Resolution Procedures Cumulative

All of the objection, estimation, and resolution procedures in the Plan are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently settled, compromised, withdrawn, or resolved in accordance with the Plan without further notice or Bankruptcy Court approval.

ix. Interest

To the extent that a Disputed Claim becomes an Allowed Claim after the Effective Date, the holder of such Claim shall not be entitled to any interest that accrued thereon from and after the Effective Date.

F. Executory Contracts and Unexpired Leases

i. General Treatment

As of and subject to the occurrence of the Effective Date, all executory contracts and unexpired leases, including, without limitation, real property leases, to which the Debtor is a party

shall be deemed assumed or assumed and assigned, as applicable, except for any executory contract or unexpired lease that (i) was previously assumed or rejected by the Debtor pursuant to an order of the Bankruptcy Court, (ii) previously expired or was terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a separate motion to assume or reject filed by the Debtor on or before the Confirmation Date, (iv) is specifically designated as a contract or lease to be included on the Rejection Schedule, or (v) is the subject of a pending Cure Dispute.

Subject to the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions, assumptions and assignments, or rejections provided for in the Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed or assumed and assigned pursuant to the Plan shall vest in and be fully enforceable by the Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

ii. Determination of Cure Disputes and Deemed Consent

Any Cure Amount shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Amount, as reflected in the applicable cure notice, in Cash on the Effective Date, subject to the limitations described below, or shall provide adequate assurance of future performance under such executory contracts and unexpired leases.

The Debtor shall file, as part of the Plan Supplement, the Assumption Schedule. At least 14 days before the commencement of the Confirmation Hearing, the Debtor shall serve a notice on parties to executory contracts or unexpired leases to be assumed reflecting the Debtor's intention to assume the contract or lease in connection with the Plan and, where applicable, setting forth the proposed Cure Amount (if any). Any objection by a counterparty to an executory contract or unexpired lease to the proposed assumption, assumption and assignment, or related Cure Amount must be filed, served, and actually received by the Debtor within 10 days of the service of the assumption notice, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court. Any counterparty to an executory contract or unexpired lease that fails to object timely to the proposed assumption, assumption and assignment, or Cure Amount (i) shall be deemed to have assented to such assumption, assumption and assignment, or Cure Amount, notwithstanding any provision thereof that purports to (1) prohibit, restrict, or condition the transfer or assignment of such contract or lease, or (2) terminate or permit the termination of a contract or lease as a result of any direct or indirect transfer or assignment of the rights of the Debtor under such contract or lease or a change, if any, in the ownership or control to the extent contemplated by the Plan, and shall forever be barred and enjoined from asserting such objection against the Debtor or terminating or modifying such contract or lease on account of transactions contemplated by the Plan, and (ii) shall be forever barred, estopped, and enjoined from challenging the validity of such assumption or assumption and assignment, as applicable, thereafter.

If there is a dispute pertaining to the assumption of an executory contract or unexpired lease (other than a dispute pertaining to a Cure Amount), such dispute shall be heard by the Bankruptcy Court prior to the assumption being effective; provided that the Debtor or the Reorganized Debtor may settle any such dispute without any further notice to, or action by, any party or order of the Bankruptcy Court.

To the extent a dispute relates to Cure Amounts, the Debtor may assume and/or assume and assign the applicable executory contract or unexpired lease prior to the resolution of such cure dispute, provided that the Debtor or the applicable Reorganized Debtor reserves Cash in an amount sufficient to pay the full amount reasonably asserted as the Cure Amount by the counterparty to such executory contract or unexpired lease.

Assumption or assumption and assignment of any executory contract or unexpired lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims against the Debtor or defaults by the Debtor, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed executory contract or unexpired lease at any time before the date that the Debtor assumes or assumes and assigns such executory contract or unexpired Lease. Any proofs of claim filed with respect to an executory contract or unexpired lease that has been assumed or assumed and assigned shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court or any other Entity, upon the assumption of such executory contract or unexpired lease.

iii. Rejection Damages Claims

In the event that the rejection of an executory contract or unexpired lease hereunder results in damages to the other party or parties to such contract or lease, any Claim for such damages, if not heretofore evidenced by a timely filed proof of Claim, shall be forever barred and shall not be enforceable against the Debtor or the Reorganized Debtor, or the Estate, properties or interests in property as agents, successors, or assigns, unless a proof of Claim is filed with the Bankruptcy Court and served upon counsel for the Debtor or the Reorganized Debtor, as applicable, no later than 30 days after the filing and service of the notice of the occurrence of the Effective Date.

iv. Indemnification Obligations

Except as otherwise provided in the Plan or the Confirmation Order, to the fullest extent permitted by applicable law, any and all obligations of the Debtor pursuant to its limited liability company agreements or other organizational documents or agreements to indemnify officers, members, managers,, agents or employees, in each case solely in their capacity as such, employed by the Debtor on and/or after the Petition Date with respect to all present and future actions, suits, and proceedings against the Debtor or such members, managers,, agents or employees based upon any act or omission for or on behalf of the Debtor (collectively, the “Indemnification Obligations”) shall not be discharged, impaired, or otherwise affected by the Plan; provided, that, the Debtor or the Reorganized Debtor, as applicable, shall not indemnify any such o members, managers,, agents or employees of the Debtor for any Claims or Causes of Action arising out of or relating to any act or omission for which indemnification is barred under applicable law or that is excluded under the terms of the foregoing organizational documents or applicable agreements governing the Debtor’s Indemnification Obligations. The Reorganized Debtor shall not indemnify any persons for any claims or Causes of Action arising out of or relating to any act or omission that is a criminal act or constitutes intentional fraud, gross negligence or willful misconduct. Except as otherwise provided in the Plan, all such Indemnification Obligations shall be deemed and treated as executory contracts that are assumed by the Debtor under the Plan.

v. Insurance Policies

(a) Notwithstanding any other provision in the Plan, all insurance policies to which the Debtor is a party as of the Effective Date (including any “tail policy”) shall be deemed to be and treated as executory contracts and shall be assumed by the Reorganized Debtor, shall remain in full force and effect thereafter and shall continue as obligations of the Reorganized Debtor in accordance with their respective terms, and all such insurance policies shall vest in the Reorganized Debtor. Coverage for defense and indemnity under each D&O Policy shall remain available to all individuals within the definition of “Insured Persons” in any D&O Policy.

(b) After the Effective Date, all members, managers, agents or employees who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any D&O Policy (including any “tail” policy) for the full term of such policy regardless of whether such members, managers, agents and/or employees remain in such positions after the Effective Date, in each case, to the extent set forth in such policies.

(c) In addition, after the Effective Date, the Reorganized Debtor shall not terminate or otherwise reduce the coverage under any D&O Policy (including any “tail policy”) in effect as of the Petition Date.

(d) In the event that the Debtor or Reorganized Debtor, in its sole discretion, determine that an Allowed Claim is covered in full or in part under one of the Debtor’s insurance policies, no distributions under the Plan shall be made on account of such Allowed Claim unless and until, and solely to the extent that, (i) the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy, or (ii) an insurer authorized to issue a coverage position under such insurance policy, or the agent of such insurer, issues a formal determination, which the Debtor in its sole discretion does not contest, that coverage under such insurance policy is excluded or otherwise unavailable for losses arising from such Allowed Claim. To the extent that one or more of the Debtor’s insurers agrees to satisfy in full or in part an Allowed Claim, then immediately upon such insurers’ agreement, the applicable portion of such Allowed Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court. Nothing in the Plan shall be construed to limit, extinguish, or diminish the insurance coverage that may exist or shall be construed as a finding that liquidated any Claim payable pursuant to an insurance policy. Nothing herein relieves any Entity from the requirement to timely file a proof of claim by the applicable claims bar date.

vi. Licenses and Agreements

All intellectual property contracts, licenses, including, without limitation, governmentally-issued licenses, royalties, or other similar agreements to which the Debtor has any rights or obligations in effect as of the date of the Confirmation Order shall be deemed and treated as executory contracts pursuant to the Plan and shall be assumed, or assumed and assigned, by the Debtor and shall continue in full force and effect unless any such intellectual property contract, license, royalty, or other similar agreement otherwise is specifically rejected pursuant to a separate order of the Bankruptcy Court, is scheduled on the Rejection Schedule, or is the subject of a separate rejection motion filed by the Debtor. Unless otherwise noted hereunder, as applicable, all other intellectual property contracts, licenses, royalties, or other similar agreements shall vest in

the Reorganized Debtor and the Reorganized Debtor may take all actions as may be necessary or appropriate to ensure such vesting as contemplated herein. With respect to governmentally-issued licenses, the Reorganized Debtor shall comply with all valid statutes and regulations governing the maintenance of such licenses.

vii. Assignment

To the extent provided under the Bankruptcy Code or other applicable law, any executory contract or unexpired lease assumed and assigned hereunder shall remain in full force and effect for the benefit of the transferee or assignee in accordance with its terms, notwithstanding any provision in such executory contract or unexpired lease (including those of the type set forth in section 365(b)(2) of the Bankruptcy Code) that prohibits, restricts, or conditions such transfer or assignment. To the extent provided under the Bankruptcy Code or other applicable law, any provision that prohibits, restricts, or conditions the assignment or transfer of any such executory contract or unexpired lease or that terminates or modifies such executory contract or unexpired lease or allows the counterparty to such executory contract or unexpired lease to terminate, modify, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon any such transfer and assignment, constitutes an unenforceable anti-assignment provision and is void and of no force or effect.

viii. Reservation of Rights

The Debtor may amend the Assumption Schedule and the Rejection Schedule at any time prior to the conclusion of the Confirmation Hearing in order to add, delete, or reclassify any executory contract or unexpired lease. The Debtor shall provide notice of such amendment to any affected counterparty as soon as reasonably practicable.

Neither the exclusion nor the inclusion by the Debtor of any contract or lease on any exhibit, schedule, or other annex to the Plan or in the Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtor that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtor or the Reorganized Debtor has any liability thereunder.

Except as explicitly provided in the Plan, nothing herein shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the Debtor or the Reorganized Debtor under any executory or non-executory contract or unexpired or expired lease.

Nothing in the Plan shall increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtor or the Reorganized Debtor, as applicable, under any executory or non-executory contract or unexpired or expired lease.

ix. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan, each executory contract or unexpired lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such executory contract or unexpired lease, and executory

contracts and unexpired leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

Each of the conditions precedent in Section 9.1 and Section 9.2 of the Plan may be waived in writing by the Debtor with the prior written consent of (i) the DIP Lender or the Exit Facility Lender, as applicable, solely to the extent that the waiver of a particular condition precedent would affect the legal and/or economic rights of the DIP Lender or the Exit Facility Lender, as applicable and respectively, under the Plan, the DIP Credit Agreement, or the Exit Facility Credit Agreement (as applicable).

The stay of the Confirmation Order pursuant to Bankruptcy Rule 3020(e) shall be deemed waived by and upon the entry of the Confirmation Order, and the Confirmation Order shall take effect immediately upon its entry.

H. Effect of Confirmation of Plan

i. Vesting of Assets

On the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all property of the Debtor's Estate shall vest in the Reorganized Debtor free and clear of all Claims, Liens, encumbrances, charges, and other interests, except as provided pursuant to the Plan, the Litigation Trust Agreement, the Confirmation Order, or the Exit Facility Credit Agreement (if applicable). On and after the Effective Date, the Reorganized Debtor may take any action, including the operation of its business, the use, acquisition, sale, lease, and disposition of property, and the entry into transactions, agreements, understandings, or arrangements, whether in or other than in the ordinary course of business, and execute, deliver, implement, and fully perform any and all obligations, instruments, documents, and papers or otherwise in connection with any of the foregoing, free of any restrictions of the Bankruptcy Code or Bankruptcy Rules and in all respects as if there were no pending cases under any chapter or provision of the Bankruptcy Code, except as expressly provided herein. Without limiting the foregoing, the Reorganized Debtor may pay the charges that it incurs on or after the Effective Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court.

ii. Binding Effect

As of the Effective Date, the Plan shall bind all holders of Claims against and Interests in the Debtor and its successors and assigns, notwithstanding whether any such holders (a) were Impaired or Unimpaired under the Plan, (b) were deemed to accept or reject the Plan, (c) failed to vote to accept or reject the Plan, (d) voted to reject the Plan, or (e) received any distribution under

the Plan.

iii. Discharge of Claims and Termination of Interests

Upon the Effective Date and in consideration of the distributions to be made hereunder, except as otherwise expressly provided herein, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a Claim or Interest and any affiliate of such holder shall be deemed to have forever waived, released, and discharged the Debtor, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Interests, rights, and liabilities that arose prior to the Effective Date. Upon the Effective Date, all such Entities shall be forever precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any such discharged Claim against or terminated Interest in the Debtor against the Debtor or the Reorganized Debtor or any of their assets or property, whether or not such holder has filed a proof of claim and whether or not the facts or legal bases therefor were known or existed prior to the Effective Date.

iv. Term of Injunctions or Stays

Unless otherwise provided herein, in the Confirmation Order, or in a Final Order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Case under sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay.

v. Injunction

a) Upon entry of the Confirmation Order, all holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, shall be enjoined from taking any actions to interfere with the implementation or consummation of the Plan in relation to any Claim or Interest extinguished, discharged, released or treated pursuant to the Plan.

b) Except as expressly provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court or as agreed to by the Debtor and a holder of a Claim against or Interest in the Debtor, all Entities who have held, hold, or may hold Claims against or Interests in the Debtor (whether proof of such Claims or Interests has been filed or not and whether or not such Entities vote in favor of, against or abstain from voting on the Plan or are presumed to have accepted or deemed to have rejected the Plan) and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, are permanently enjoined, on and after the Effective Date, solely with respect to any Claims, Interests, and Causes of Action that will be or are extinguished, discharged, released, or treated pursuant to the Plan from (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the Released Parties or the property of any of the Released Parties, (ii) enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any

judgment, award, decree, or order against the Released Parties or the property of any of the Released Parties, (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the Released Parties or the property of any of the Released Parties, (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Released Parties or the property of any of the Released Parties, except (x) as contemplated or allowed by the Plan or (y) to the extent asserted in a timely filed Proof of Claim or timely filed objection to the confirmation of the Plan, and (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan. For the avoidance of doubt, nothing in Section 10.5(b) of the Plan shall enjoin any (i) current or former patient of the Debtor from pursuing any Claim against any non-Debtor party that is not a Released Party, including any non-Debtor provider that is not a Released Party, for any acts or omissions arising out of or relating to any Claims for medical malpractice or (ii) Governmental Unit from filing a Proof of Claim on or by the Governmental Bar Date (as defined in the Bar Date Order).

c) No Person or Entity shall seek or initiate formal or informal discovery requests, demands, or proceedings upon or from the Patient Care Ombudsman without first seeking permission, upon sufficient prior notice to the Patient Care Ombudsman, from the Bankruptcy Court.

d) The injunctions in Section 10.5 of the Plan shall extend to any successors of the Debtor and the Reorganized Debtor and their respective property and interests in property.

vi. Releases

a) Releases by the Debtor

As of the Effective Date, except for the right to enforce the Plan or any right or obligation arising under the Definitive Documents that remains in effect after the Effective Date, for good and valuable consideration, on and after the Effective Date, the Released Parties shall be deemed released and discharged by the Debtor, the Reorganized Debtor, and the Estate, and any Person seeking to exercise the rights of the Estate, and any successors to the Debtor or any Estate representative appointed or selected pursuant to section 1123(b)(3) of the Bankruptcy Code, from any and all Claims, obligations, rights, suits, judgments, damages, demands, debts, Liens, Causes of Action, remedies, losses, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtor, the Reorganized Debtor, or the Estate, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, matured or unmatured, contingent or fixed, existing or hereinafter arising, in law, equity or otherwise, that the Debtor, the Reorganized Debtor, or the Estate would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtor, the Estate, the conduct of the Debtor's business, the Chapter 11 Case, the purchase, sale or rescission of the purchase or sale of any Security of the Debtor or the Reorganized Debtor, the DIP Facility, the DIP Documents, the Definitive Documents, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or

contractual arrangements between the Debtor and any Released Party, the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Disclosure Statement, the Plan, and the Definitive Documents, or any related agreements, instruments, or other documents, and the negotiation, formulation, or preparation thereof, the solicitation of votes with respect to the Plan, or any other act or omission, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; provided, that, nothing in Section 10.6(a) of the Plan shall be construed to release (i) the Released Parties from intentional fraud, willful misconduct, or gross negligence, in each case as determined by a Final Order or (ii) any Retained Causes of Action.

b) Releases by Holders of Claims and Interests

As of the Effective Date, except for the right to enforce the Plan or any right or obligation arising under the Definitive Documents that remains in effect after the Effective Date, for good and valuable consideration, on and after the Effective Date, for good and valuable consideration, except as specifically set forth elsewhere in the Plan, the Releasing Parties conclusively, absolutely, unconditionally, irrevocably, and forever discharge and release (and each entity so discharged and released shall be deemed discharged and released by the Releasing Parties) the Released Parties and their respective property from any and all Claims, obligations, rights, suits, judgments, damages, demands, debts, Liens, Causes of Action, remedies, losses, and liabilities whatsoever (including contract claims, claims under ERISA and all other statutory claims, claims for contributions, withdrawal liability, reallocation liability, redetermination liability, interest on any amounts, liquidated damages, claims for attorneys' fees or any costs or expenses whatsoever), including any derivative claims, asserted or assertable on behalf of the Debtor, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, matured or unmatured, contingent or fixed, existing or hereinafter arising, in law, equity or otherwise, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) based on or relating to, or in any manner arising from, in whole or in part, the Debtor, the Estate, the Restructuring, the Chapter 11 Case, the purchase, sale or rescission of the purchase or sale of any Security of the Debtor or the Reorganized Debtor, the DIP Facility, the DIP Documents, the Definitive Documents, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtor and any Released Party (other than assumed contracts or leases), the restructuring of Claims and Interests before or during the Chapter 11 Case, the negotiation, formulation, preparation or consummation of the Plan (including the Plan Supplement), the Definitive Documents, or any related agreements, instruments or other documents, or the solicitation of votes with respect to the Plan, in all cases based upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date. For the avoidance of doubt, nothing in Section 10.6(b) of the Plan shall be construed to release (i) the Released Parties from intentional fraud, willful misconduct, or gross negligence, in each case as determined by a Final Order or (ii) any current or former patient of the Debtor from pursuing any Claim against any non-Debtor party that is not a Released Party, including any non-Debtor provider that is not a Released Party, for any acts or omissions arising out of or relating to any Claims for medical malpractice.

vii. Exculpation

Notwithstanding anything herein to the contrary, and to the maximum extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party is hereby released and exculpated from, any claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, remedy, loss, and liability for any act or omission taken on or after the Petition Date and prior to or on the Effective Date relating to, in any way, or arising out of, the Chapter 11 Case, the negotiation, formulation, preparation, dissemination, implementation, administration, confirmation, consummation, and pursuit of the Disclosure Statement, the Restructuring Transactions, the Plan, or the solicitation of votes for, or confirmation of, the Plan, the funding or consummation of the Plan (including the Plan Supplement), the Patient Care Ombudsman's evaluations, reports, pleadings, or other writings filed by or on behalf of the Patient Care Ombudsman in or in connection with the Chapter 11 Cases, the Definitive Documents, or any related agreements, instruments, or other documents, the solicitation of votes on the Plan, the offer, issuance, and distribution of any Securities issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, the occurrence of the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed under the Plan, except for actions determined by Final Order to constitute gross negligence, willful misconduct, or intentional fraud. This exculpation shall be in addition to, and not in limitation of, all other releases, indemnities, exculpations and any other applicable law or rules protecting such Exculpated Parties from liability.

The Debtor believes the releases and exculpations provided under the Plan to the Released Parties are reasonable and in the best interests of the Debtor and its stakeholders and will be prepared to demonstrate such in connection with confirmation of the Plan. Among others, the cooperation and participation of the Debtor's current officers, members, managers, and employees has been, and continues to be, vital to the success of the Chapter 11 Case. If the current management and the Board had not stayed in place, the consequences to the business cannot be overstated. Given the Debtor's precarious financial position and other issues with respect to its operations, the Debtor very likely would be facing liquidation absent the cooperation of these parties. The Debtor will be prepared to demonstrate at confirmation the contributions of the Released Parties were reasonable and necessary and that the releases and exculpations to be granted pursuant to the Plan are a sound exercise of the Debtor's business judgment and are consistent with applicable Tenth Circuit law.

viii. Subordinated Claims

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtor reserves the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

ix. Retention of Causes of Action/Reservation of Rights

Except as otherwise provided in Sections 10.5, 10.6, and 10.7 of the Plan, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights, Claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses that the Debtor had immediately prior to the Effective Date on behalf of the Estate or of itself in accordance with any provision of the Bankruptcy Code or any applicable non-bankruptcy law, including any affirmative Causes of Action against parties with a relationship with the Debtor. Other than those Claims and Causes of Action assigned to the Litigation Trust pursuant to Section 5.6 of the Plan, the Reorganized Debtor shall have, retain, reserve, and be entitled to assert all Claims, Causes of Action, rights of setoff or recoupment, and other legal or equitable defenses notwithstanding the occurrence of the Effective Date, and all of the Debtor's legal and equitable rights in respect of any Unimpaired Claim may be asserted after the Confirmation Date and Effective Date to the same extent as if the Chapter 11 Case had not been commenced.

x. Ipso Facto and Similar Provisions Ineffective

Any term of any prepetition policy, prepetition contract, or other prepetition obligation applicable to the Debtor shall be void and of no further force or effect with respect to the Debtor to the extent that such policy, contract, or other obligation is conditioned on, creates an obligation of the Debtor as a result of, or gives rise to a right of any entity based on any of the following: (a) the insolvency or financial condition of the Debtor; (b) the commencement of the Chapter 11 Case; (c) the confirmation or consummation of the Plan, including any change of control that shall occur as a result of such consummation; or (d) the restructuring.

xi. Solicitation of Plan

As of and subject to the occurrence of the Confirmation Date: (a) the Debtor shall be deemed to have solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including sections 1125(a) and (e) of the Bankruptcy Code, and any applicable non-bankruptcy law, rule, or regulation governing the adequacy of disclosure in connection with such solicitation and (b) the Debtor and each of its members, managers, officers, employees, affiliates, agents, financial advisors, investment bankers, professionals, accountants, and attorneys shall be deemed to have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code in the offer and issuance of any Securities under the Plan, and therefore are not, and on account of such offer, issuance, and solicitation shall not be, liable at any time for any violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or the offer and issuance of any Securities under the Plan.

xii. Limited Liability Company Action

Upon the Effective Date, all actions of the Debtor or the Reorganized Debtor, as applicable, contemplated by the Plan shall be deemed authorized and approved in all respects, including (a) those set forth in Sections 5.2 and 5.4 of the Plan, as applicable, (b) the selection of the managers, and officers for the Reorganized Debtor, (c) the entry into the Exit Facility Credit Agreement (if applicable), (d) the establishment of the Litigation Trust, issuance of the Litigation Trust Interests

and execution and delivery of the Litigation Trust Agreement, and (e) all other actions contemplated by the Plan (whether to occur before, on, or after the Effective Date), in each case, in accordance with and subject to the terms and conditions hereof. All matters provided for in the Plan involving the limited liability company structure of the Debtor or the Reorganized Debtor, and any limited liability company action required by the Debtor or the Reorganized Debtor in connection with the Plan shall be in effect, without any requirement of further action by the security holders, members, managers, or officers of the Debtor or the Reorganized Debtor. On or (as applicable) before the Effective Date, the appropriate officers of the Debtor or the Reorganized Debtor, as applicable, shall be authorized and directed to issue, execute, and deliver the agreements, documents, Securities, and instruments, certificates of merger, certificates of conversion, certificates of incorporation, or comparable documents, or franchise tax reports contemplated by the Plan (or necessary or desirable to effect the transactions contemplated by the Plan) in the name of and on behalf of the Reorganized Debtor, including, (a) the New Governance Documents, (b) the Exit Facility Credit Agreement, and (c) any and all other agreements, documents, Securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by Section 10.12 of the Plan shall be effective notwithstanding any requirements under non-bankruptcy law.

I. Retention of Jurisdiction

On and after the Effective Date, the Bankruptcy Court shall retain jurisdiction over all matters arising in, arising under, and related to the Chapter 11 Case for, among other things, the following purposes:

- a) to hear and determine motions and/or applications for the assumption, assumption and assignment, or rejection of executory contracts or unexpired leases, including disputes over Cure Amounts, and the allowance, classification, priority, compromise, estimation, or payment of Claims resulting therefrom;
- b) to determine any motion, adversary proceeding, application, contested matter, and other litigated matter pending on or commenced after the Confirmation Date;
- c) to ensure that distributions to holders of Allowed Claims are accomplished as provided for in the Plan and Confirmation Order and to adjudicate any and all disputes arising from or relating to distributions under the Plan, including, cases, controversies, suits, disputes, or Causes of Action with respect to the repayment or return of distributions and the recovery of additional amounts owed by the holder of a Claim or Interest for amounts not timely paid;
- d) to consider the allowance, classification, priority, compromise, estimation, or payment of any Claim;
- e) to enter, implement or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;
- f) to issue injunctions, enter and implement other orders, and take such other actions as may be necessary or appropriate to restrain interference by any Entity with the consummation, implementation, or enforcement of the Plan, the Confirmation Order, or any other order of the Bankruptcy Court;

- g) to hear and determine any application to modify the Plan in accordance with section 1127 of the Bankruptcy Code, to remedy any defect or omission or reconcile any inconsistency in the Plan, or any order of the Bankruptcy Court, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof;
- h) to hear and determine all Professional Fee Claims;
- i) to adjudicate, decide, or resolve any and all matters related to section 1141 of the Bankruptcy Code;
- j) to hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of the Plan, the Plan Supplement, the Litigation Trust Agreement, or the Confirmation Order or any agreement, instrument, or other document governing or relating to any of the foregoing, provided that any dispute arising under or in connection with the Exit Facility shall be dealt with in accordance with the provisions of the applicable document;
- k) to take any action and issue such orders as may be necessary to construe, interpret, enforce, implement, execute, and consummate the Plan;
- l) to determine such other matters and for such other purposes as may be provided in the Confirmation Order;
- m) to hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code (including any requests for expedited determinations under section 505(b) of the Bankruptcy Code);
- n) to hear, adjudicate, decide, or resolve any and all matters related to Article X of the Plan, including the releases, discharge, exculpations, and injunctions issued thereunder;
- o) to resolve disputes concerning Disputed Claims or the administration thereof;
- p) to hear and determine any other matters related hereto and not inconsistent with the Bankruptcy Code and title 28 of the United States Code;
- q) to enter any final decree closing the Chapter 11 Case;
- r) to adjudicate any and all disputes arising from or relating to distributions under the Plan;
- s) to resolve disputes as to the ownership of any Claim or Interest;
- t) to recover all assets of the Debtor and property of the Debtor's Estate, wherever located;
- u) to resolve any disputes concerning whether an Entity had sufficient notice of the Chapter 11 Case, the Disclosure Statement, any solicitation conducted in connection with the Chapter 11 Case, any bar date established in the Chapter 11 Case, or any deadline for

responding or objecting to a Cure Amount, in each case, for the purpose of determining whether a Claim or Interest is discharged hereunder or for any other purpose;

v) to hear and determine any rights, Claims, or Causes of Action held by or accruing to the Debtor pursuant to the Bankruptcy Code or pursuant to any federal statute or legal theory;

w) to hear and resolve any dispute over the application to any Claim of any limit on the allowance of such Claim set forth in sections 502 or 503 of the Bankruptcy Code, other than defenses or limits that are asserted under non-bankruptcy law pursuant to section 502(b)(1) of the Bankruptcy Code; and

x) to resolve any and all suits, proceedings, or other matters against or involving the Patient Care Ombudsman.

ii. Courts of Competent Jurisdiction

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Plan, such abstention, refusal, or failure of jurisdiction shall have no effect upon and shall not control, prohibit, or limit the exercise of jurisdiction by the federal and state courts situated in Oklahoma County, Oklahoma.

J. Miscellaneous Provisions

i. Payment of Statutory Fees

All fees payable pursuant to section 1930 of title 28 of the United States Code and any interest thereon pursuant to 31 U.S.C. § 3717 (“Quarterly Fees”) shall be paid in full in Cash on or before the Effective Date by the Debtor. After the Effective Date, the Reorganized Debtor and the Litigation Trustee shall pay all Quarterly Fees in full in Cash when due in the Chapter 11 Case⁴ until such time as a final decree is entered closing the Debtor’s case, a Final Order converting the Debtor’s case to a case under chapter 7 of the Bankruptcy Code is entered, or a Final Order dismissing the Debtor’s case is entered, whichever occurs first. The Debtor shall file all monthly operating reports due prior to the Effective Date when they become due, using UST Form 11-MOR. After the Effective Date, the Reorganized Debtor shall file with the Bankruptcy Court a post-confirmation quarterly report for the Debtor’s case for each quarter such case is pending, using UST Form 11-PCR. Notwithstanding anything to the contrary in the Plan, (i) Quarterly Fees are Allowed; (ii) the U.S. Trustee shall not be required to file any proof of claim or any other request(s) for payment with respect to Quarterly Fees; and (iii) the U.S. Trustee shall not be treated as providing any release under the Plan.

⁴ For the avoidance of doubt, the Litigation Trustee shall be solely responsible for paying quarterly fees with respect to distributions made from the Litigation Trust and shall not be responsible for contributing to quarterly fees arising from distributions made by the Debtor or the Reorganized Debtor.

ii. Substantial Consummation of the Plan

On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

iii. Plan Supplement

The Plan Supplement shall be filed with the Clerk of the Bankruptcy Court. Upon its filing with the Bankruptcy Court, the Plan Supplement may be inspected in the office of the Clerk of the Bankruptcy Court during normal court hours. Documents included in the Plan Supplement shall be posted at the website of the Debtor's notice, claims, and solicitation agent.

iv. Request for Expedited Determination of Taxes

The Reorganized Debtor shall have the right to request an expedited determination under section 505(b) of the Bankruptcy Code with respect to tax returns of the Debtor filed, or to be filed, for any and all taxable periods ending after the Petition Date through the Effective Date.

v. Exemption from Certain Transfer Taxes

Pursuant to section 1146 of the Bankruptcy Code, (a) the issuance, transfer or exchange of any Securities, instruments or documents, (b) the creation of any Lien, mortgage, deed of trust, or other security interest, (c) the making or assignment of any lease or sublease or the making or delivery of any deed or other instrument of transfer under, pursuant to, in furtherance of, or in connection with the Plan, including any deeds, bills of sale, or assignments executed in connection with any of the transactions contemplated under the Plan or the revesting, transfer, or sale of any real or personal property of the Debtor pursuant to, in implementation of or as contemplated in the Plan (whether to the Reorganized Debtor or otherwise), (d) the grant of collateral under the Exit Facility Credit Agreement, and (e) the issuance, renewal, modification, or securing of indebtedness by such means, and the making, delivery or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including the Confirmation Order, shall not be subject to any document recording tax, stamp tax, conveyance fee, or other similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, sales tax, use tax, or other similar tax or governmental assessment. Consistent with the foregoing, each recorder of deeds or similar official for any county, city, or governmental unit in which any instrument hereunder is to be recorded shall, pursuant to the Confirmation Order, be ordered and directed to accept such instrument without requiring the payment of any filing fees, documentary stamp tax, deed stamps, stamp tax, transfer tax, intangible tax, or similar tax.

vi. Amendments

The Debtor reserves the right, in accordance with the Bankruptcy Code and the Bankruptcy Rules, to amend or modify the Plan prior to the entry of the Confirmation Order, including amendments or modifications to satisfy section 1129(b) of the Bankruptcy Code. After entry of the Confirmation Order, the Debtor may, upon order of the Bankruptcy Court, amend, modify, or supplement the Plan in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, in each case without additional disclosure pursuant to section 1125 of

the Bankruptcy Code.

Before the Effective Date, the Debtor may make appropriate technical adjustments and modifications to the Plan and the documents contained in the Plan Supplement to cure any non-substantive ambiguity, defect (including any technical defect), or inconsistency without further order or approval of the Bankruptcy Court.

vii. Effectuating Documents and Further Transactions

Each of the officers of the Reorganized Debtor is authorized, in accordance with their authority under the resolutions of the members or applicable board of directors or managers (on terms materially consistent with the Plan), to execute, deliver, file, or record such contracts, instruments, releases, indentures, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan.

viii. Revocation or Withdrawal of the Plan

The Debtor may revoke or withdraw the Plan prior to the Effective Date. If the Plan has been revoked or withdrawn prior to the Effective Date, or if confirmation or the occurrence of the Effective Date as to the Debtor does not occur on the Effective Date, then: (a) the Plan shall be null and void in all respects; (b) any settlement or compromise embodied in the Plan (including the fixing of or limiting to an amount of any Claim or Interest or Class of Claims or Interests), assumption of executory contracts or unexpired leases affected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void; and (c) nothing contained in the Plan shall (i) constitute a waiver or release of any Claim by or against, or any Interest in, the Debtor or any other Entity, (ii) prejudice in any manner the rights of the Debtor or any other Entity, or (iii) constitute an admission of any sort by the Debtor or any other Entity.

ix. Severability of Plan Provisions

If, before the entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtor, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted; provided that any such alteration or interpretation shall be reasonably acceptable to the Debtor. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms, (b) integral to the Plan and may not be deleted or modified without the consent of the Debtor, the Reorganized Debtor, the DIP Lender, or the Exit Facility Lender, solely to the extent that a particular term or provision affects the legal and/or economic rights of the DIP Lender or the Exit Facility Lender as applicable, under the Plan, the DIP Credit Agreement or the Exit Facility Credit Agreement and (c)

nonseverable and mutually dependent.

x. Governing Law

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent an exhibit hereto or a schedule in the Plan Supplement or a Definitive Document provides otherwise, the rights, duties, and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of Oklahoma, without giving effect to the principles of conflict of laws thereof.

xi. Time

In computing any period of time prescribed or allowed by the Plan, unless otherwise set forth herein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule 9006 shall apply.

xii. Dates of Actions to Implement the Plan

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

xiii. Immediate Binding Effect

Notwithstanding Bankruptcy Rules 3020(e), 6004(h), 7062, or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and Plan Supplement shall be immediately effective and enforceable and deemed binding upon and inure to the benefit of the Debtor, the holders of Claims and Interests (irrespective of whether such Claims or Interests are deemed to have accepted the Plan), the Released Parties, the Exculpated Parties and each of their respective successors and assigns, including the Reorganized Debtor.

xiv. Deemed Acts

Subject to and conditioned on the occurrence of the Effective Date, whenever an act or event is expressed under the Plan to have been deemed done or to have occurred, it shall be deemed to have been done or to have occurred without any further act by any party, by virtue of the Plan and the Confirmation Order.

xv. Successor and Assigns

The rights, benefits, and obligations of any Entity named or referred to in the Plan shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor, or permitted assign, if any, of each Entity.

xvi. Entire Agreement

On the Effective Date, the Plan, the Plan Supplement, and the Confirmation Order shall

supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

xvii. Exhibits to Plan

All exhibits, schedules, supplements, and appendices to the Plan (including the Plan Supplement) are incorporated into and are a part of the Plan as if set forth in full therein.

xviii. Notices

All notices, requests, and demands to or upon the Debtor to be effective shall be in writing (including by electronic transmission) and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered, addressed as follows:

VII.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF PLAN

The following summary has been provided for informational purposes only. All holders of Claims and Interests are urged to consult their tax advisors concerning the federal, state,

local and other tax consequences applicable to them under the Plan.

The following discussion is a summary of certain U.S. federal income tax consequences of the consummation of the Plan to the Debtor, Reorganized Debtor and to certain holders of Allowed Claims. The following summary does not address the U.S. federal income tax consequences to holders of Claims that are Unimpaired, not entitled to vote, deemed to reject the Plan or otherwise entitled to payment in full in Cash under the Plan, nor to holders of Existing Equity Interests, because such holders are deemed to reject the Plan.

The discussion of U.S. federal income tax consequences below is based on the Internal Revenue Code of 1986, as amended (the “Tax Code”), U.S. Treasury regulations (“Treasury Regulations”), judicial authorities, published positions of the Internal Revenue Service (“IRS”), and other applicable authorities, all as in effect on the date of this Disclosure Statement and all of which are subject to change or differing interpretations (possibly with retroactive effect). The U.S. federal income tax consequences of the contemplated transactions are complex and subject to significant uncertainties. The Debtor has not requested an opinion of counsel or a ruling from the IRS with respect to any of the tax aspects of the contemplated transactions, and the discussion below is not binding upon the IRS or any court. No assurance can be given that the IRS will not assert, or that a court will not sustain, a different position than any position discussed herein.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to the Debtor or to certain holders of Allowed Claims in light of their individual circumstances, nor does it address tax issues with respect to such holders of Allowed Claims subject to special treatment under the U.S. federal income tax laws (including, for example, banks, governmental authorities or agencies, partnership or other pass-through entities, subchapter S corporations, dealers and traders in securities, insurance companies, financial institutions, tax exempt organizations, small business investment companies, persons who are related to the Debtor within the meaning of the Tax Code, U.S. Holders (defined below) who prepare “applicable financial statements” (as defined in section 451 of the Tax Code), persons using a mark-to-market method of accounting, or holders of Allowed Claims who are themselves in bankruptcy. No aspect of state, local, estate, gift, or non-U.S. taxation is addressed. Furthermore, this summary assumes that a holder of an Allowed Claim holds only Allowed Claims in a single Class and holds its Allowed Claims as “capital assets” (within the meaning of section 1221 of the Tax Code). This discussion does not address special considerations that may apply to persons who are holders of both Allowed Claims and Existing Equity Interests.

This summary also assumes that the various debt and other arrangements to which the Debtor is a party will be respected for U.S. federal income tax purposes in accordance with their form. In addition, this discussion does not address U.S. federal taxes other than income taxes, nor does it address the Foreign Account Tax Compliance Act.

THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON A HOLDER’S INDIVIDUAL CIRCUMSTANCES. ALL HOLDERS OF CLAIMS AND EXISTING EQUITY INTERESTS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS FOR THE U.S. FEDERAL, STATE, LOCAL AND OTHER TAX

CONSEQUENCES APPLICABLE TO THEM UNDER THE PLAN.

A. Certain U.S. Federal Income Tax Consequences of the Plan to U.S. Holders of Certain Allowed Claims

a) **The Litigation Trust**

The Litigation Trust is intended to be treated as a “liquidating trust” within the meaning of section 301.7701-4(d) of the Treasury Regulations for U.S. federal income tax purposes, which is not a separate taxable entity, but rather is treated for U.S. federal income tax purposes as a “grantor trust” (i.e., a pass-through entity) with the holders of Litigation Trust Interests as the grantors.

The Debtor intends to treat the transfer of assets by the Debtor to the Litigation Trust as (i) a deemed transfer of such assets to holders of the Base Claims receiving Litigation Trust Interests in proportion to their interests in the Litigation Trust in partial satisfaction of such holder’s Allowed Base Claim, followed by (ii) the deemed transfer by such holders to the Litigation Trust of such assets in exchange for their Litigation Trust Interests.

Under the Plan, the trustee of the Litigation Trust will make a valuation of assets transferred to the Litigation Trust. All parties to the Litigation Trust (including, without limitation, the Debtor, holders of the Base Claim receiving interests in the Litigation Trust, and the trustee of the Litigation Trust) must report consistently with such valuation for all U.S. federal income tax purposes. The valuation will be made available, from time to time, as relevant for tax reporting purposes.

VIII.

CERTAIN RISK FACTORS TO BE CONSIDERED

Prior to voting to accept or reject the Plan, holders of Claims and Interests should read and carefully consider the risk factors set forth below, in addition to the information set forth in this Disclosure Statement together with any attachments, exhibits, or documents incorporated by reference hereto. The factors below should not be regarded as the only risks associated with the Plan or its implementation. New factors, risks and uncertainties emerge from time to time, and it is not possible to predict all such factors, risks and uncertainties.

A. **Certain Bankruptcy Law Considerations**

i. **General**

Although the Plan is designed to minimize the length of the Chapter 11 Case, it is impossible to predict with certainty the amount of time that the Debtor may spend in bankruptcy or to assure parties in interest that the Plan will be confirmed. Even if confirmed on a timely basis, bankruptcy proceedings to confirm the Plan could have an adverse effect on the Debtor’s business. Among other things, it is possible that bankruptcy proceedings could adversely affect the Debtor’s relationships with its key vendors, customers, and employees. The proceedings will also involve

additional expense and may divert some of the attention of the Debtor's management away from business operations.

ii. Risk of Non-Confirmation of Plan

Although the Debtor believes that the Plan will satisfy all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion or that modifications to the Plan will not be required for confirmation or that such modifications would not necessitate re-solicitation of votes. Moreover, the Debtor can make no assurances that it will receive the requisite acceptances to confirm the Plan, and even if all the Voting Classes vote in favor of the Plan or the requirements for "cramdown" are met with respect to any Class that rejects the Plan, the Bankruptcy Court, which may exercise substantial discretion as a court of equity, may choose not to confirm the Plan.

iii. Risk of Failing to Satisfy the Vote Requirement

In the event that the Debtor is unable to get sufficient votes from the Voting Classes, the Debtor may seek to accomplish an alternative chapter 11 plan or seek to cram down the Plan on non-accepting classes. There can be no assurance that the terms of any such alternative chapter 11 plan would be similar or as favorable to holders of Allowed Claims and Interests as those proposed in the Plan.

iv. Risk of Non-Consensual Confirmation

In the event that any impaired class of Claims or Interests does not accept or is deemed not to accept the Plan, the Bankruptcy Court may nevertheless confirm such Plan at the request of the Debtor if at least one impaired class has accepted the Plan (with such acceptance being determined without including the vote of any "insider" in such class), and as to each impaired class that has not accepted the Plan, the Bankruptcy Court determines that the Plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting impaired classes. Should any Class vote to reject the Plan, then these requirements must be satisfied with respect to such rejecting Classes. The Debtor believes that the Plan satisfies these requirements.

v. Risk Related to DIP Facility

The DIP Facility is intended to provide liquidity to the Debtor during the pendency of the Chapter 11 Case. If the Chapter 11 Case takes longer than expected to conclude, or in the event of a breach of a milestone or another event of default under the DIP Facility, which could occur if the Plan is not confirmed on the proposed timeline, the Debtor may exhaust or lose access to its financing. There is no assurance that the Debtor will be able to obtain additional financing from its existing lender or otherwise. In either such case, the liquidity necessary for the orderly functioning of the Debtor's business may be materially impaired.

vi. Risk Related to Possible Objections to the Plan

There is a risk that certain parties could oppose and object to either the entirety of the Plan or specific provisions of the Plan. Although the Debtor believes that the Plan complies with all

relevant Bankruptcy Code provisions, there can be no guarantee that a party in interest will not file an objection to the Plan or that the Bankruptcy Court will not sustain such an objection.

vii. Risk of Non-Occurrence of Effective Date

There can be no assurance as to the timing of the Effective Date. If the conditions precedent to the Effective Date set forth in the Plan have not occurred or have not been waived as set forth in Article IX of the Plan, then the Confirmation Order may be vacated, in which event no distributions would be made under the Plan, the Debtor and all holders of Claims or Interests would be restored to the status quo as of the day immediately preceding the Confirmation Date, and the Debtor's obligations with respect to Claims and Interests would remain unchanged.

viii. Conversion to Chapter 7 Case

If no plan of reorganization can be confirmed, or if the Bankruptcy Court otherwise finds that it would be in the best interest of holders of Claims and Interests, the Chapter 11 Case may be converted to a case under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed to liquidate the Debtor's assets for distribution in accordance with the priorities established by the Bankruptcy Code. See Article XI hereof, as well as the liquidation analysis annexed hereto as **Exhibit 2** (the "Liquidation Analysis") for a discussion of the effects that a chapter 7 liquidation would have on the recoveries of holders of Claims and Interests. All or substantially all of the Debtor's assets are encumbered by prepetition liens and DIP liens such that there would not be any material unencumbered assets available for distribution in a chapter 7 liquidation.

B. Risks Relating to the Plan

i. Claims Could Be More than Projected

There can be no assurance that the estimated Allowed amount of Claims in certain Classes will not be significantly more than projected, which, in turn, could cause the value of distributions to each holder in the applicable Class to be reduced, possibly substantially. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the ultimate results. Further, the deadline for Governmental Units to file Proofs of Claim against the Debtor is April 7, 2025 at 4:00 p.m. (Central Time), after the Confirmation Hearing. Consequently, Governmental Units may file Claims subsequent to the Confirmation Hearing, which Claims may dilute recoveries for holders of unsecured claims. Furthermore, although the Debtor anticipates that Administrative Expense Claims have been projected properly, these amounts are likely to increase if the anticipated timeline of the Chapter 11 Case is delayed or protracted litigation with the creditors of such entities occurs. The actual amount of Allowed Claims may vary from the Debtor's projections, and the variation may be material.

ii. Claims Could be Determined to be Non-Dischargeable

There can be no assurance that Claims from which the Debtor seeks a discharge will be determined to be dischargeable by the Court. The Court may find certain Claims to be non-dischargeable, which may ultimately dilute recoveries for holders of other Claims.

iii. Conditions to Consummation of Plan

Although the Debtor believes that it will be able to consummate the Restructuring, there are conditions to the Effective Date, including that certain regulatory approvals, are received. Accordingly, the Debtor is not certain that the Restructuring will be consummated as planned.

iv. Post-Effective Date Indebtedness

Following the Effective Date, in the event of a Reorganization Transaction, the Reorganized Debtor will have outstanding funded indebtedness under the Exit Facility. The Reorganized Debtor's ability to service its debt obligations will depend on, among other things, the Reorganized Debtor's compliance with affirmative and negative covenants, the applicable interest rate under the Exit Facility, as well as future operating performance, which depends partly on economic, financial, competitive, and other factors beyond the Reorganized Debtor's control. The Reorganized Debtor may not be able to generate sufficient cash from operations to meet its debt service obligations as well as fund necessary capital expenditures and investments in operating its business. In addition, if the Reorganized Debtor needs to refinance its debt, obtain additional financing, or sell assets or equity, it may not be able to do so on commercially reasonable terms, if at all.

v. Base Settlement May Not Be Approved by the Bankruptcy Court

As described more fully above, the Plan incorporates a proposed Base Settlement among the Debtor and Emma Base (the "Base Settlement"); however, the Base Settlement remain subject to approval of the Bankruptcy Court. Such approval may not be obtained.

C. Risks Relating to the Debtor's Business

i. Regulatory Risks

The Debtor is subject to extensive regulation by both the federal government and the state government in which it provides services. These laws may constrain the business or financial arrangements and relationships through which the Debtor conducts operations. The laws and regulations in these areas are complex, changing and often subject to varying interpretations, and any failure to satisfy applicable laws and regulations could have a material adverse impact on the Debtor's business, results of operations, financial condition, cash flows and reputation. If the Debtor's operations are found to be in violation of any of the laws and regulations, the Debtor may be subject to the applicable penalty associated with the violation, including civil and criminal penalties, damages, fines, exclusion or suspension from participating in governmental health care programs, and the curtailment of the Debtor's operations.

Any penalties, damages, fines or curtailment of its operations, individually or in the aggregate, could adversely affect the Debtor's ability to operate and its financial results. The risks of being found in violation of these laws and regulations is increased by the fact that many of them have not been fully interpreted by the regulatory authorities or the courts, their provisions are open to a variety of interpretations, and such laws and regulations may apply to businesses acquired from time to time by the Debtor.

ii. Contracts with Payors/Insurance Providers

The Debtor generates revenues from the U.S. federal Medicare and state Medicaid programs, including Medicare and Medicaid managed care plans. Healthcare expenditures continue to increase and state governments continue to face budgetary shortfalls. Driven by these financial factors and ongoing health reform efforts, federal and state governments have made, and continue to make, significant changes in the Medicare and Medicaid programs, including changes in payment methodologies, reductions in reimbursement payment levels and reductions to payments made to providers under state supplemental payment programs. Some of these changes have already occurred, and could re-occur in the future, limiting the amount of payments the Debtor receives for its services.

In addition, U.S. federal and state governmental and commercial payors, as well as other third parties from whom the Debtor receives payment for the Debtor's services, attempt to control healthcare costs by, for example, requiring healthcare providers to discount payments for their services in exchange for exclusive or preferred participation in their benefit plan networks, restricting coverage through utilization reviews, requiring prior authorizations for non-emergency services and implementing alternative payment models. The ability of commercial payors to control healthcare costs using these measures may be enhanced by the increasing consolidation of private health insurance companies and managed care companies and vertical integration of health insurers with healthcare providers. Cost-reduction strategies by large employer groups and their affiliates may also limit the Debtor's ability to negotiate favorable terms in the Debtor's contracts and otherwise intensify competitive pressure. Furthermore, the Debtor's contracts with payors require the Debtor to comply with a number of terms related to the provision of services and billing for services. If the Debtor is unable to negotiate increased reimbursement rates, maintain existing reimbursement rates or other favorable contract terms, effectively respond to payor cost controls or comply with the terms of the Debtor's payor contracts, the payments the Debtor receives for its services may be reduced or the Debtor may be involved in disputes with payors and experience payment denials, both prospectively and retroactively.

iii. Recruiting and Retention of Physicians

The success of the Debtor's healthcare facilities depends in part on the number and quality of the physicians on the medical staffs of the Debtor's healthcare facilities, the Debtor's ability to employ or contract with quality physicians, the utilization practices of employed and non-employed physicians, maintaining good relations with physicians and controlling costs related to the employment of physicians. In the market the Debtor serves, many physicians have admitting privileges at other healthcare facilities. Such physicians may terminate their affiliation or employment with the Debtor's healthcare facilities at any time. If the Debtor is unable to provide adequate supporting medical staff or technologically advanced medical equipment and facilities that meet physicians' and patients' needs or expectations, services may decrease and the Debtor's operating performance may decline.

iv. Privacy and Security Regulations

There are numerous federal and state laws and regulations within the U.S. addressing patient information privacy and security concerns, including state laws related to identity theft.

States continue to pass laws focusing on the privacy and security of health information. Most prominently, the federal regulations issued under HIPAA contain provisions that:

- Protect individual privacy by limiting the uses and disclosures of patient information;
- Require notifications to individuals, and in certain cases to government agencies and the media, in the event of a breach of unsecured protected health information;
- Require the implementation of security safeguards to ensure the confidentiality, integrity and availability of individually identifiable health information in electronic form; and
- Prescribe specific transaction formats and data code sets for certain electronic healthcare transactions.

Furthermore, the Omnibus HIPAA Rule makes business associates directly obligated to adhere to the HIPAA Security Rule and certain provisions of the HIPAA Privacy and Breach Notification Rules, such that violations of these rules can be enforced by the government directly against the business associate. These regulations impose extensive administrative requirements regarding how protected health information may be used and disclosed, and compliance with these regulations requires substantial time and resources. If the Debtor fails to comply with the HIPAA regulations, the Debtor could be subject to civil and criminal penalties and, for the Debtor's employees, possible imprisonment. Furthermore, the Debtor's facilities could be subject to a periodic audit or investigations by the federal government, and enforcement of violations of HIPAA or other similar privacy laws in the jurisdiction where the Debtor operates may occur by federal agencies, state attorneys general, or other relevant regulators.

D. Risks Relating to Exit Obligations

i. Insufficient Cash Flow to Meet Debt Obligations

On the Effective Date, in the event that a Reorganization occurs, on a consolidated basis, it is expected that the Reorganized Debtor will have outstanding secured indebtedness in an amount no greater than \$5 million. This level of expected indebtedness and the funds required to service such debt could, among other things, make it more difficult for the Reorganized Debtor to satisfy its obligations under such indebtedness, increasing the risk that it may default on such debt obligations.

The Reorganized Debtor's earnings and cash flow may vary significantly from year to year. Additionally, the Reorganized Debtor's future cash flow may be insufficient to meet its debt obligations and commitments. Any insufficiency could negatively impact the Reorganized Debtor's business. A range of economic, competitive, business, and industry factors will affect the Reorganized Debtor's future financial performance and, as a result, its ability to generate cash flow from operations and to pay its debt. Many of these factors are beyond the Reorganized Debtor's control.

If the Reorganized Debtor does not generate enough cash flow from operations to satisfy its debt obligations, it may have to undertake alternative financing plans, such as refinancing or restructuring debt, selling assets, reducing or delaying capital investments, or seeking to raise additional capital.

It cannot be assured, however, that undertaking alternative financing plans, if necessary, would allow the Reorganized Debtor to meet its debt obligations. An inability to generate sufficient cash flow to satisfy its debt obligations or to obtain alternative financing could materially and adversely affect the Reorganized Debtor's ability to make payments on the Exit Facility and its business, financial condition, results of operations, and prospects.

ii. Defects in Collateral Securing the Exit Obligations

The Exit Facility will be secured, subject to certain exceptions and permitted liens, by security interests in substantially all assets of the Reorganized Debtor (the "Exit Collateral"). The Exit Collateral may be subject to customary exceptions, encumbrances, and liens. Further, the Debtor has not conducted appraisals of any assets constituting Exit Collateral to determine if the value of the Exit Collateral upon foreclosure or liquidation equals or exceeds the amount of the Exit Facility. Accordingly, it cannot be assured that the remaining proceeds from a sale of the Exit Collateral would be sufficient to repay the Exit Facility. The fair market value of the Exit Collateral is subject to fluctuations based on factors that include, among others, the ability to sell such collateral in an orderly manner, general economic conditions, the availability of buyers, the Reorganized Debtor's failure to implement its business strategy, and similar factors. The amount received upon a sale of Exit Collateral would be dependent on numerous factors, including, but not limited to, the actual fair market value of such collateral at such time, and the timing and manner of the sale. By its nature, portions of the Exit Collateral may be illiquid and may have no readily ascertainable market value. In the event of a subsequent foreclosure, liquidation, bankruptcy, or similar proceeding, it cannot be assured that the proceeds from any sale or liquidation of the Exit Collateral will be sufficient to pay the Exit Facility, in full or at all. There can also be no assurance that the Exit Collateral will be saleable, and, even if saleable, the timing of its liquidation would be uncertain. Accordingly, there may not be sufficient Exit Collateral to pay all or any of the amounts due on the Exit Facility.

iii. Failure to Maintain Perfection of Security Interests of Collateral

The failure to maintain properly perfected liens of the Exit Collateral could adversely affect the collateral agent's ability to enforce rights with respect to the Exit Collateral for the benefit of the lender under the Exit Facility. In addition, applicable law requires that certain property and rights acquired after the grant of a general security interest or lien can only be perfected at the time such property and rights are acquired and identified. There can be no assurance that the collateral agent will monitor, or that Reorganized Debtor will inform the trustee or the collateral agent of, the future acquisition of property and rights that constitute Exit Collateral, and that the necessary action will be taken to properly perfect the security interest in such after-acquired Exit Collateral. The collateral agent has no obligation to monitor the acquisition of additional property or rights that constitute Exit Collateral or the perfection of any security interests therein. Such failure may result in the loss of the practical benefits of the liens thereon or of the priority of the liens securing the Exit Facility against third parties.

iv. Casualty Risk of Collateral

The Reorganized Debtor will be obligated to maintain adequate insurance or otherwise insure against hazards as is customarily done by companies having assets of a similar nature in the same or similar localities. There are, however, certain losses that may either be uninsurable or not economically insurable, in whole or in part. As a result, it is possible that the insurance proceeds will not compensate the Reorganized Debtor fully for its losses. If there is a total or partial loss of any of the pledged collateral, the insurance proceeds received may be insufficient to satisfy the Exit Facility.

E. Additional Factors

i. Debtor Could Withdraw or Amend the Plan

The Plan may be revoked, amended or withdrawn prior to the confirmation date by the Debtor. If the Debtor elects to do so, certain parties may assert that (i) the Plan and Disclosure Statement may require material modifications to reflect the terms of the alternative restructuring and the effect such transaction has on recoveries for unsecured creditors, and (ii) a re-solicitation of votes in respect of the modified Plan may be required. The Debtor reserves all rights with respect thereto.

ii. Debtor Has No Duty to Update

The statements contained in this Disclosure Statement are made by the Debtor as of the date hereof, unless otherwise specified herein, and the delivery of this Disclosure Statement after that date does not imply that there has been no change in the information set forth herein since that date. The Debtor has no duty to update this Disclosure Statement unless otherwise ordered to do so by the Bankruptcy Court.

iii. No Representations or Warranties Outside Disclosure Statement Are Authorized

No representations or warranties concerning or related to the Debtor, the Chapter 11 Case, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations, warranties, or other inducements made to secure your acceptance or rejection of the Plan that are other than those contained in, or included with, this Disclosure Statement should not be relied upon in making the decision to accept or reject the Plan.

iv. No Legal or Tax Advice Is Provided by Disclosure Statement

The contents of this Disclosure Statement should not be construed as legal, business, or tax advice. Each holder of a Claim or Interest should consult their own legal counsel and accountant or financial advisor as to legal, tax, and other matters concerning their Claim or Interest.

This Disclosure Statement is not legal advice to you. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Plan or object to confirmation of the Plan.

v. No Admission Made

Nothing contained herein or in the Plan will constitute an admission of, or will be deemed evidence of, the tax or other legal effects of the Plan on the Debtor or holders of Claims or Interests.

vi. Failure to Identify Litigation Claims or Projected Objections

No reliance should be placed on the fact that a particular litigation claim or projected objection to a particular Claim or Interest is, or is not, identified in this Disclosure Statement. The Debtor may seek to investigate, file, and prosecute Claims and Interests, and may object to Claims or Interests after the Confirmation or Effective Date of the Plan irrespective of whether this Disclosure Statement identifies such Claims or Interests or objections to such Claims or Interests.

vii. Certain Tax Consequences

For a discussion of certain tax considerations to the Debtor and certain holders of Claims in connection with the implementation of the Plan, see Article VII hereof.

IX.

VOTING PROCEDURES AND REQUIREMENTS

A. Voting Instructions and Voting Deadline

Only holders of Class 2 Claims (Critical Vendors Claims), Class 3 Claims (GUC Claims), and Class 4 Claims (Base Claim) (collectively, the “Eligible Holders”) are entitled to vote to accept or reject the Plan, subject to certain exclusions. The Debtor is providing copies of this Disclosure Statement (including all exhibits and appendices) and related materials and a ballot in the Solicitation Packages to record holders of Critical Vendors Claims, GUC Claims, and the Base Claim.

Each ballot contains detailed voting instructions. Each ballot also sets forth in detail, among other things, the deadlines, procedures, and instructions for voting to accept or reject the Plan, the date for determining which creditors or interest holders are entitled to vote on the Plan (the “Voting Record Date”), and the applicable standards for tabulating ballots. The Voting Record Date for determining which holders are entitled to vote on the Plan is April 12, 2025.

Please complete the information requested on the ballot, sign, date, and indicate your vote on the ballot, and return the completed ballot in accordance with the instructions set forth on the ballot.

FOR YOUR VOTE TO BE COUNTED, YOUR BALLOT MUST BE ACTUALLY RECEIVED BY THE VOTING AGENT NO LATER THAN MAY 1, 2025 AT 5:00 P.M. PREVAILING CENTRAL TIME (THE “VOTING DEADLINE”).

AN OTHERWISE PROPERLY COMPLETED, EXECUTED, AND TIMELY RETURNED BALLOT FAILING TO INDICATE EITHER ACCEPTANCE OR REJECTION OF THE PLAN OR INDICATING BOTH ACCEPTANCE AND REJECTION OF THE PLAN WILL NOT BE COUNTED IN DETERMINING THE ACCEPTANCE OR REJECTION OF THE PLAN.

If you are an Eligible Holder and you did not receive a ballot, received a damaged ballot, or lost your ballot, or if you have any questions concerning the procedures for voting on the Plan, please contact Kurtzman Carson Consultants LLC *dba* Verita Global at <https://www.veritaglobal.net/OneCore/Inquiry>.

THE PLAN PROVIDES THE HOLDERS OF CLAIMS OR INTERESTS THAT VOTE TO ACCEPT THE PLAN BUT DO NOT OPT OUT OF GRANTING THE RELEASES ARE DEEMED TO HAVE GRANTED THE RELEASES SET FORTH THEREIN.

IF A HOLDER OF A CLAIM RECEIVES A BALLOT AND VOTES TO ACCEPT THE PLAN, AND DOES NOT CHECK THE OPT-OUT BOX ON SUCH BALLOT, SUCH HOLDER SHALL BE DEEMED TO HAVE CONSENTED TO THE RELEASE, INJUNCTION, AND EXCULPATION PROVISIONS SET FORTH IN SECTIONS 10.5, 10.6, AND 10.7 OF THE PLAN.

B. Parties Entitled to Vote

Claims in Class 2 (Critical Vendors Claims), Class 3 (GUC Claims), and Class 4 (Base Claim) of the Plan are impaired, and Eligible Holders in such Classes are entitled to vote to accept or reject the Plan. Claims and Interests in all other Classes under the Plan (Classes 1 and 5) are either unimpaired and presumed to accept or impaired and deemed to reject the Plan and are not entitled to vote.

The Debtor will request confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code over the rejection of the Plan by any Class that is deemed to reject the Plan, and Section 1129(b) of the Bankruptcy Code permits the confirmation of a chapter 11 plan notwithstanding the rejection of such plan by one or more impaired classes of claims or equity interests. Under section 1129(b) of the Bankruptcy Code, a plan may be confirmed by a bankruptcy court if it does not “discriminate unfairly” and is “fair and equitable” with respect to each rejecting class. For a more detailed description of the requirements for confirmation of a nonconsensual plan, *see* Article X.C.ii hereof.

C. Change of Vote

Any party that has previously submitted to the Voting Agent prior to the Voting Deadline a properly completed ballot may revoke such ballot and change its vote by submitting to the Voting

Agent prior to the Voting Deadline a subsequent, properly completed ballot for acceptance or rejection of the Plan.

D. Waivers of Defects, Irregularities, etc.

Unless otherwise directed by the Bankruptcy Court, all questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawals of ballots will be determined by the Voting Agent and/or the Debtor, as applicable. The Debtor reserves the right to reject any and all ballots submitted by any of its respective Claim or Interest holders not in proper form, the acceptance of which would, in the opinion of the Debtor or its counsel, as applicable, be unlawful. The Debtor further reserves its rights to waive any defects or irregularities or conditions of delivery as to any particular ballot by any of its creditors. The interpretation (including the ballot and the respective instructions thereto) by the Debtor, unless otherwise directed by the Bankruptcy Court, will be final and binding on all parties. Unless waived, any defects or irregularities in connection with deliveries of ballots must be cured within such time as the Debtor (or the Bankruptcy Court) determines. Neither the Debtor nor any other person will be under any duty to provide notification of defects or irregularities with respect to deliveries of ballots nor will any of them incur any liabilities for failure to provide such notification. Unless otherwise directed by the Bankruptcy Court, delivery of such ballots will not be deemed to have been made until such irregularities have been cured or waived. Ballots previously furnished (and as to which any irregularities have not theretofore been cured or waived) will be invalidated.

E. Miscellaneous

Unless otherwise ordered by the Bankruptcy Court, ballots that are signed, dated, and timely received, but on which a vote to accept or reject the Plan has not been indicated, will not be counted. The Debtor, in its sole discretion, may request that the Voting Agent attempt to contact such voters to cure any such defects in the ballots. If you cast ballots received by Verita Global on the same day, but which are voted inconsistently, such ballots will not be counted. An otherwise properly executed ballot that attempts to partially accept and partially reject the Plan will not be counted as an acceptance of the Plan.

The ballots provided to Eligible Holders will reflect the principal amount of such Eligible Holder's Claim or Interest; however, when tabulating votes, the Voting Agent may adjust the amount of such Eligible Holder's Claim or Interest by multiplying the principal amount by a factor that reflects all amounts accrued between the Voting Record Date and the Petition Date including, without limitation, interest.

Under the Bankruptcy Code, for purposes of determining whether the requisite acceptances have been received, only holders of the Critical Vendors Claims, GUC Claims, and Base Claim, as applicable, that actually vote will be counted. The failure of a holder to deliver a duly executed ballot to the Voting Agent will be deemed to constitute an abstention by such holder with respect to voting on the Plan and such abstention will not be counted as a vote for or against the Plan.

Except as provided below, unless the ballot is timely submitted to the Voting Agent before the Voting Deadline together with any other documents required by such ballot, the Debtor may,

in its sole discretion, reject such ballot as invalid, and therefore decline to utilize it in connection with seeking confirmation of the Plan.

X.

CONFIRMATION OF PLAN

A. Confirmation Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a confirmation hearing upon appropriate notice to all required parties. The Debtor will request that the Bankruptcy Court schedule the Confirmation Hearing. Notice of the Confirmation Hearing will be provided to all known creditors and equity holders or their representatives. The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of the adjourned date made at the Confirmation Hearing, at any subsequent adjourned Confirmation Hearing, or pursuant to a notice filed on the docket of the Chapter 11 Case.

B. Objections to Confirmation

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to the confirmation of a plan. Any objection to confirmation of the Plan must be in writing, must conform to the Bankruptcy Rules and applicable local rules, must set forth the name of the objector, the nature and amount of Claims or Interests held or asserted by the objector against the Debtor's estate or properties, the basis for the objection and the specific grounds thereof, and must be filed with the Bankruptcy Court, with a copy to the chambers of the United States Bankruptcy Judge appointed to the Chapter 11 Case, together with proof of service thereof, and served upon the following parties, including such other parties as the Bankruptcy Court may order:

C. Requirements for Confirmation of Plan

i. Requirements of Section 1129(a) of the Bankruptcy Code

a) General Requirements

At the Confirmation Hearing, the Bankruptcy Court will determine whether the confirmation requirements specified in section 1129(a) of the Bankruptcy Code have been satisfied including, without limitation, whether:

(i) the Plan complies with the applicable provisions of the Bankruptcy Code;

(ii) the Debtor has complied with the applicable provisions of the Bankruptcy Code;

(iii) the Plan has been proposed in good faith and not by any means forbidden by law;

(iv) any payment made or promised by the Debtor or by a person issuing securities or acquiring property under the Plan, for services or for costs and expenses in or in connection with the Chapter 11 Case, or in connection with the

Plan and incident to the Chapter 11 Case, has been disclosed to the Bankruptcy Court, and any such payment made before confirmation of the Plan is reasonable, or if such payment is to be fixed after confirmation of the Plan, such payment is subject to the approval of the Bankruptcy Court as reasonable;

(v) the Debtor has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the Plan, as a director or officer of the Reorganized Debtor, or a successor to the Debtor under the Plan, and the appointment to, or continuance in, such office of such individual is consistent with the interests of the holders of Claims and Interests and with public policy, and the Debtor has disclosed the identity of any insider who will be employed or retained by the Reorganized Debtor, and the nature of any compensation for such insider;

(vi) with respect to each Class of Claims or Interests, each holder of an impaired Claim or impaired Interest has either accepted the Plan or will receive or retain under the Plan, on account of such holder's Claim or Interest, property of a value, as of the Effective Date, that is not less than the amount such holder would receive or retain if the Debtor were liquidated on the Effective Date under chapter 7 of the Bankruptcy Code;

(vii) except to the extent the Plan meets the requirements of section 1129(b) of the Bankruptcy Code (as discussed further below), each Class of Claims either accepted the Plan or is not impaired under the Plan;

(viii) except to the extent that the holder of a particular Claim has agreed to a different treatment of such Claim, the Plan provides that administrative expenses and priority Claims, other than Priority Tax Claims, will be paid in full on the Effective Date, and that Priority Tax Claims will receive either payment in full on the Effective Date or deferred cash payments over a period not exceeding 5 years after the Petition Date, of a value, as of the Effective Date of the Plan, equal to the Allowed amount of such Claims;

(ix) at least one Class of impaired Claims has accepted the Plan, determined without including any acceptance of the Plan by any insider holding a Claim in such Class;

(x) confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor under the Plan; and

(xi) all fees payable under section 1930 of title 28 of the United States Code, as determined by the Bankruptcy Court at the Confirmation Hearing, have been paid or the Plan provides for the payment of all such fees on the Effective Date.

b) Best Interests Test

As noted above, with respect to each impaired class of claims and equity interests,

confirmation of a plan requires that each such holder either (i) accept the plan, or (ii) receive or retain under the plan property of a value, as of the effective date of the plan, that is not less than the value such holder would receive or retain if the debtor was liquidated under chapter 7 of the Bankruptcy Code. This requirement is referred to as the “best interests test.”

This test requires a Bankruptcy Court to determine what the holders of allowed claims and allowed equity interests in each impaired class would receive from a liquidation of the debtor’s assets and properties in the context of a liquidation under chapter 7 of the Bankruptcy Code. To determine if a plan is in the best interests of each impaired class, the value of the distributions from the proceeds of the liquidation of the debtor’s assets and properties (after subtracting the amounts attributable to the aforesaid claims) is then compared with the value offered to such classes of claims and equity interests under the plan.

The Debtor believes that under the Plan all holders of Impaired Claims and Interests will receive property with a value not less than the value such holders would receive in a liquidation under chapter 7 of the Bankruptcy Code. The Debtor’s belief is based primarily on (i) consideration of the effects that a chapter 7 liquidation would have on the ultimate proceeds available for distribution to holders of impaired Claims and Interests, and (ii) the Liquidation Analysis, attached hereto as **Exhibit 2**.

The Debtor believes that any liquidation analysis is speculative, as it is necessarily premised on assumptions and estimates, which are inherently subject to significant uncertainties and contingencies, many of which would be beyond the control of the Debtor. The Liquidation Analysis is solely for the purpose of disclosing to holders of Claims and Interests the effects of a hypothetical chapter 7 liquidation of the Debtor, subject to the assumptions set forth therein. There can be no assurance as to values that would actually be realized in a chapter 7 liquidation nor can there be any assurance that a bankruptcy court will accept the Debtor’s conclusions or concur with such assumptions in making its determinations under section 1129(a)(7) of the Bankruptcy Code.

c) Feasibility

The Bankruptcy Code requires that a debtor demonstrate that confirmation of a plan is not likely to be followed by liquidation or the need for further financial reorganization unless contemplated by the Plan. The Effective Date of the Plan will not occur unless the Restructuring Transactions contemplated by the Plan close. Upon such closing the Reorganized Debtor will have sufficient funds to make the Distributions required under the Plan. Accordingly, the Debtor believes that all Plan obligations will be satisfied without the need for a further reorganization. The feasibility of the Plan is further demonstrated by the *Feasibility Forecast* attached hereto as **Exhibit 3**.

d) Equitable Distribution of Voting Power

On or before the Effective Date, pursuant to and only to the extent required by section 1123(a)(6) of the Bankruptcy Code, the organizational documents for the Debtor will be amended as necessary to satisfy the provisions of the Bankruptcy Code and will include, among other things, pursuant to section 1123(a)(6) of the Bankruptcy Code, (i) a provision prohibiting the issuance of non-voting equity securities, and (ii) a provision setting forth an appropriate distribution of voting

power among classes of equity securities possessing voting power.

ii. Additional Requirements for Non-Consensual Confirmation

Under the Bankruptcy Code, a class accepts a chapter 11 plan if (i) holders of 2/3 in amount and (ii) with respect to holders of claims, more than a majority in number of the allowed claims in such class (other than those designated under section 1126(e) of the Bankruptcy Code) vote to accept the plan. Holders of claims or interests that fail to vote are not counted in determining the thresholds for acceptance of the plan.

In the event that any impaired class of claims or interests does not accept or is deemed to reject the plan, the Bankruptcy Court may still confirm the plan at the request of the debtor if, as to each impaired class of claims or interests that has not accepted the plan, the plan “does not discriminate unfairly” and is “fair and equitable” with respect to such classes of claims or interests, pursuant to section 1129(b) of the Bankruptcy Code. Both of these requirements are in addition to other requirements established by case law interpreting the statutory requirements. The Debtor intends to seek non-consensual confirmation of the Plan, if necessary.

a) Unfair Discrimination Test

The “unfair discrimination” test applies to classes of claims or interests that are of equal priority and are receiving different treatment under the plan. A chapter 11 plan does not discriminate unfairly, within the meaning of the Bankruptcy Code, if the legal rights of a dissenting class are treated in a manner consistent with the treatment of other classes whose legal rights are substantially similar to those of the dissenting class and if no class of claims or interests receives more than it legally is entitled to receive for its claims or interests. This test does not require that the treatment be the same or equivalent, but that such treatment be “fair.”

The Debtor believes the Plan satisfies the “unfair discrimination” test. Claims of equal priority are receiving comparable treatment and such treatment is fair under the circumstances.

b) Fair and Equitable Test

The “fair and equitable” test applies to classes of different priority and status (e.g., secured versus unsecured) and includes the general requirement that no class of claims receive more than 100% of the allowed amount of the claims in such class. As to dissenting classes, the test sets different standards depending on the type of claims in such class. The Debtor believes that the Plan satisfies the “fair and equitable” test with respect to any dissenting Classes, as further explained below.

(i) Unsecured Creditors

The Bankruptcy Code requires that either (a) each holder of an impaired unsecured claim receive or retain under the plan property of a value equal to the amount of its allowed claim or (b) the holders of claims and equity interests that are junior to the claims of the dissenting class not receive any property under the plan. The Plan provides that each holder of an Impaired unsecured Claim shall receive the treatment summarized above in Article VI of this Disclosure Statement.

(ii) Equity Interests

The Bankruptcy Code requires that either (a) each holder of an equity interest receive or retain under the plan property of a value equal to the greater of (i) the fixed liquidation preference or redemption price, if any, of such stock and (ii) the value of the stock, or (b) the holders of equity interests that are junior to any dissenting class of equity interests not receive any property under the plan. Pursuant to the Plan, all Existing OneCore Interests will be cancelled and the holders of Existing OneCore Interests will receive New OneCore Interests in the Reorganized Debtor in proportion to their contributions of new value in support of the Plan.

iii. **The Debtor's Releases and Third-Party Releases**

Section 10.6(a) of the Plan provides a release of certain claims and Causes of Action of the Debtor, the Reorganized Debtor, and the Estate against the Released Parties in exchange for good and valuable consideration and valuable compromises made by the Released Parties (the "Debtor's Releases"). The Debtor's Releases do not release any claims or Causes of Action arising after the Effective Date against any party or affect the rights of the Debtor or Reorganized Debtor to enforce the terms of the Plan or any right or obligation arising under the Definitive Documents that remain in effect after the Effective Date. Section 10.6(b) of the Plan provides for the release of claims and Causes of Action held by the Releasing Parties against the Released Parties in exchange for good and valuable consideration and the valuable compromises made by the Released Parties (the "Third-Party Releases," and together with the Debtor Releases, the "Releases").

The Debtor believes, and will be prepared to demonstrate at the Confirmation Hearing, that the Releases and exculpation provisions of the Plan are consistent with applicable law and are a sound exercise of the Debtor's business judgment. The substantial contributions made by the Debtor's members and officers to the Debtor's restructuring include, but are not limited to, (i) negotiating the restructuring, as embodied in the Plan; (ii) obtaining substantial recoveries for unsecured creditors to which they may have not otherwise been entitled; and (iii) devoting significant time to navigating the Debtor through the Chapter 11 Case in addition to their regular duties.

XI.**ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF PLAN**

The Debtor has evaluated several alternatives to the Plan. After studying these alternatives, the Debtor has concluded that the Plan is the best alternative and will maximize recoveries to parties in interest, assuming confirmation and consummation of the Plan. If the Plan is not confirmed and consummated, the alternatives to the Plan are (i) the preparation and presentation of an alternative plan of reorganization, (ii) a sale of some or all of the Debtor's assets pursuant to section 363 of the Bankruptcy Code, or (iii) a liquidation under chapter 7 of the Bankruptcy Code.

A. Plan of Reorganization

If the Plan is not confirmed, the Debtor (or if the Debtor's exclusive period during which to file a plan of reorganization has expired, any other party in interest) could attempt to formulate a different plan. Such a plan might involve either: (i) a reorganization and continuation of the

Debtor's business or (ii) an orderly liquidation of the Debtor's assets. The Debtor, however, believes that the Plan, as described herein, enables its creditors and interest holders to realize the most value under the circumstances.

B. Alternate Sale Under Section 363 of Bankruptcy Code

If the Plan is not confirmed, the Debtor could seek from the Bankruptcy Court, after notice and a hearing, authorization to sell its assets through a stand-alone alternative transaction under section 363 of the Bankruptcy Code. Upon analysis and consideration of this alternative, the Debtor does not believe that a stand-alone alternative sale of its assets under section 363 of the Bankruptcy Code would yield a higher recovery for holders of Claims and Interests than the Plan.

C. Liquidation Under Chapter 7 or Applicable Non-Bankruptcy Law

If no plan can be confirmed, the Chapter 11 Case may be converted to a case under chapter 7 of the Bankruptcy Code in which a trustee would be appointed to liquidate the assets of the Debtor for distribution to the Debtor's creditors in accordance with the priorities established by the Bankruptcy Code. The effect a chapter 7 liquidation would have on the recovery of holders of Allowed Claims and Interests is set forth in the Liquidation Analysis.

As noted in Article XI of this Disclosure Statement, the Debtor believes that liquidation under chapter 7 would result in smaller distributions to creditors - potentially including no distribution to Holders of GUC Claims - and interest holders than those provided for in the Plan, because of, among other reasons, the delay resulting from the conversion of the cases and the additional administrative expenses associated with the appointment of a trustee and the trustee's retention of professionals that would be required to become familiar with the many legal and factual issues in the Chapter 11 Case.

XII.

RECOMMENDATION OF DEBTOR AND EMMA BASE

The Debtor and Emma Base believe the Plan is in the best interests of all stakeholders and urge the holders of Claims in Classes 2, 3, and 4 to vote in favor thereof.

(ii) Except to the extent a member of the board of managers of the Debtor continues to serve as a director or manager of the Reorganized Debtor on and after the Effective Date, the members of the board of managers of the Debtor prior to the Effective Date, in their capacities as such, shall have no continuing obligations to the Reorganized Debtor on or after the Effective Date and each such director or manager will be deemed to have resigned or shall otherwise cease to be a director or manager of the Debtor on the Effective Date.

(iii) Commencing on the Effective Date, each of the managers of the Reorganized Debtor shall be elected and serve pursuant to the terms of the applicable organizational documents of Reorganized Debtor and may be replaced or removed in accordance with such organizational documents.

5.4 *Restructuring Transactions; Effectuating Documents.*

(a) Following the Confirmation Date or as soon as reasonably practicable thereafter, the Debtor and the Reorganized Debtor may take all actions as may be necessary or appropriate to effectuate any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan, including (i) the execution and delivery of appropriate agreements or other documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, cancellation, sale, purchase, or liquidation containing terms that are consistent with the terms of the Plan, (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan, (iii) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, amalgamation, arrangement, continuance, cancellation, or dissolution pursuant to applicable state or federal law, (iv) the execution and delivery of the Definitive Documents, (v) the issuance of securities, all of which shall be authorized and approved in all respects in each case without further action being required under applicable law, regulation, order, or rule, (vi) the execution of the Litigation Trust Agreement and implementation of the Litigation Trust, (vii) such other transactions that are necessary or appropriate to implement the Plan in a tax efficient manner, and (viii) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law or the Exit Facility Credit Agreement, as applicable.

(b) Each officer or manager of the Debtor is, and each officer or manager of the Reorganized Debtor, as applicable, shall be, authorized and directed to issue, execute, deliver, file, or record such contracts, securities, instruments, releases, indentures, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan and any securities issued pursuant to the Plan in the name of and on behalf of the Reorganized Debtor, all of which shall be authorized and approved in all respects, in each case, without the need for any approvals, authorization, consents, or any further action required under applicable law, regulation, order, or rule (including any action by the stockholders or directors or managers of the Debtor or the Reorganized Debtor), except for those expressly required pursuant to the Plan.

(c) In order to preserve the Reorganized Debtor's ability to utilize certain tax attributes that exist as of the Effective Date, the charter, bylaws, and other organizational documents may restrict certain transfers of the New OneCore Interests.

(d) The Debtor will exercise reasonable business judgment to structure the Restructuring and the Restructuring Transactions in a tax efficient manner including, without limitation, to maximize or preserve any net operating losses and net unrealized built-in asset losses of the Debtor.

(e) All matters provided for herein involving the corporate structure of the

Debtor or Reorganized Debtor, or any corporate, limited liability company, or related action required by the Debtor or Reorganized Debtor in connection herewith shall be deemed to have occurred and shall be in effect, without any requirement of further action by the members, board, or managers of the Debtor or Reorganized Debtor, and with like effect as though such action had been taken unanimously by the members, managers, or officers, as applicable, of the Debtor or Reorganized Debtor.

5.5 *Continued Corporate Existence; Dissolution.*

(a) Except as otherwise provided in the Plan, in the New Governance Documents, or elsewhere in the Plan Supplement, the Reorganized Debtor shall continue to exist after the Effective Date as a limited liability company with all the powers of a limited liability company, pursuant to the applicable laws of the respective jurisdictions in which it is incorporated or organized and pursuant to the New Governance Documents. On or after the Effective Date, the Reorganized Debtor may, in its sole discretion, take such action that may be necessary or appropriate as permitted by applicable law, instruments and agreements, and Reorganized Debtor's organizational documents, as the Reorganized Debtor may determine is reasonable and appropriate.

(b) After the Effective Date, the Reorganized Debtor shall be authorized to dissolve the Debtor or the Reorganized Debtor in accordance with applicable law or otherwise as part of a Restructuring Transaction.

(c) Any such dissolution described in this Section 5.5 may be effective as of the Effective Date without any further action by any manager, board, or member of the Debtor.

5.6 *Litigation Trust.*

(a) On or prior to the Effective Date, the Debtor and the Litigation Trustee shall execute the Litigation Trust Agreement in form and substance consistent with the terms set forth herein and otherwise reasonably acceptable to the Debtor. On the Effective Date (i) the Debtor shall (x) automatically be deemed to have transferred and assigned to the Litigation Trust all of its right, title, and interest in and to all the Litigation Trust Causes of Action, and, in accordance with section 1141 of the Bankruptcy Code, all such Litigation Trust Causes of Action shall automatically vest in the Litigation Trust free and clear of all Liens, charges, Claims, encumbrances and interests, for the benefit of the holder of the Base Claim and (y) within ten (10) days following entry of the Plan Confirmation Order, the Insurer shall transfer the Litigation Trust Funded Amount to an account established by the Litigation Trustee to fund the administration of the Litigation Trust. The Litigation Trust shall have standing to pursue, assert, litigate, and fully resolve the Litigation Trust Causes of Action and, to the extent applicable, shall be deemed the assignee of the Debtor and neither the Debtor nor the Reorganized Debtor shall have any interest in or with respect to the Litigation Trust Causes of Action or any Cash or assets contained in the Litigation Trust.

(b) The Litigation Trust shall be established for the purpose of (i) investigating, commencing, litigating, and settling Litigation Trust Causes of Action, (ii) the liquidation of the Litigation Trust's assets, (iii) distribution of the Litigation Trust Distributable

Proceeds, if any, to the Litigation Trust Beneficiaries, and (iv) performing such other duties as set forth in the Litigation Trust Agreement, in each case in accordance with section 301.7701-4(d) of the Treasury Regulations, with no objective to continue or engage in the conduct of a trade or business.

(c) The Litigation Trust shall be administered by the Litigation Trustee in accordance with the Litigation Trust Agreement. The Litigation Trust Agreement may establish certain powers, duties, and authorities in addition to those explicitly stated herein, but only to the extent that such powers, duties, and authorities do not affect the status of the Litigation Trust as a liquidating trust for United States federal income tax purposes as discussed below. Upon the execution of the Litigation Trust Agreement, the Litigation Trustee shall be authorized to take all steps necessary to complete the formation of the Litigation Trust. The Litigation Trustee shall serve as representative of the Estate under section 1123(b) of the Bankruptcy Code for the purpose of (i) enforcing the Litigation Trust Causes of Action and (ii) administering the Litigation Trust and distributing its assets to the Litigation Trust Beneficiaries, in each case in accordance with and subject to the terms of the Litigation Trust Agreement. For the avoidance of doubt, the Litigation Trustee shall not serve as representative of the Estate under section 1123(b) of the Bankruptcy Code for any other purpose.

(d) In furtherance of the Plan, (i) the terms of the Litigation Trust shall be set forth in the Litigation Trust Agreement, (ii) the Litigation Trust shall be structured to qualify as a “liquidating trust” within the meaning of section 301.7701-4(d) of the Treasury Regulations and in compliance with Rev. Proc. 94-45, 1994- 2 C.B. 684, and, thus, as a “grantor trust” within the meaning of sections 671 through 679 of the Tax Code to the holder of the Base Claim, consistent with the terms of the Plan, (iii) all parties (including the Debtor, the Reorganized Debtor, Litigation Trust Beneficiaries, and the Litigation Trustee) shall report consistently with such treatment (including the deemed receipt of the underlying assets, subject to applicable liabilities and obligations, by the holder of the Base Claim, as applicable, followed by the deemed transfer of such assets to the Litigation Trust), (iv) all parties shall report consistently with the valuation of the assets transferred to the Litigation Trust as determined by the Litigation Trustee (or its designee), (v) the Litigation Trustee shall be responsible for filing returns for the trust as a grantor trust pursuant to section 1.671-4(a) of the Treasury Regulations, and (vi) the Litigation Trustee or Disbursing Agent, as applicable, shall annually send to each holder of an interest in the Litigation Trust a separate statement regarding the receipts and expenditures of the trust as relevant for federal income tax purposes.

(e) The Litigation Trust shall also be vested with the Debtor’s rights as such rights existed prior to the Effective Date, to conduct discovery and oral examinations of any party under Bankruptcy Rule 2004. The Litigation Trust, however, shall not be considered a successor of the Debtor and shall not assume any obligations of the Debtor other than expressly provided for by the Plan and the Litigation Trust Agreement. Notwithstanding the foregoing, the Litigation Trust shall not be permitted to seek relief under Bankruptcy Rule 2004 as against (i) the Debtor or the Reorganized Debtor, (ii) any current employees, members, managers, officers, or directors of the Debtor or the Reorganized Debtor, or (iii) the DIP Lender.

(f) For the avoidance of doubt, the Litigation Trust shall be solely responsible for all Litigation Trust Expenses (including, for the further avoidance of doubt, professional fees).

Neither the Debtor nor the Reorganized Debtor shall have any responsibility for any Litigation Trust Expenses.

(g) The Litigation Trustee and the Reorganized Debtor shall have the right to seek relief from the Bankruptcy Court in the event of any dispute or controversy related to the Litigation Trust Agreement.

5.7 *Cancellation of Existing OneCore Interests and Agreements.*

(a) Except for the purpose of evidencing a right to a distribution under the Plan and except as otherwise set forth in the Plan, including with respect to executory contracts or unexpired leases that shall be assumed or assumed and assigned by the Debtor, on the Effective Date, all agreements, instruments, and other documents evidencing any Claim or Interest, including, without limitation, any Allowed DIP Claim, or any Interest and any rights of any holder in respect thereof shall be deemed cancelled, discharged, and of no force or effect and the obligations of the Debtor thereunder shall be deemed fully satisfied, released, and discharged. The holders of or parties to such cancelled instruments, Existing OneCore Interests, and other documentation shall have no rights arising from or related to such instruments, Existing OneCore Interests, or other documentation or the cancellation thereof, except the rights provided for pursuant to the Plan.

(b) Notwithstanding such cancellation and discharge and the releases contained in Article X of the Plan, the DIP Credit Agreement shall continue in effect solely to the extent necessary to (i) allow the holder of the Allowed DIP Claim to receive distributions under the Plan, (ii) allow and preserve the rights of the Debtor, the Reorganized Debtor, and the Disbursing Agent to (A) make post-Effective Date distributions or take such other action pursuant to the Plan on account of the Allowed DIP Claim, as applicable, and to otherwise exercise their rights and discharge their obligations relating to the interests of the holder of such Claim in accordance with the Plan, (iii) allow the DIP Lender to enforce any obligations owed to it under the Plan (including seeking compensation and reimbursement for any reasonable and documented fees and expenses, pursuant to any respective charging liens as may be provided in the DIP Documents), (iv) preserve the DIP Lender's right to any contingent or indemnification obligations of the Debtor pursuant and subject to the terms of the DIP Credit Agreement or the DIP Order (v) permit the DIP Lender to perform any function necessary to effectuate the foregoing, and (vi) permit the DIP Lender to appear in the Chapter 11 Case or in any proceeding in the Bankruptcy Court or any other court relating to the DIP Documents, *provided that* nothing in this Section 5.7 shall affect the discharge of Claims pursuant to the Bankruptcy Code, the Confirmation Order, or the Plan or result in any liability or expense to the Reorganized Debtor.

(c) Notwithstanding the foregoing, any provision in any document, instrument, lease, or other agreement that causes or effectuates, or purports to cause or effectuate, a default, termination, waiver, or other forfeiture of, or by, the Debtor of its interests, as a result of the cancellations, terminations, satisfaction, releases, or discharges provided for in this Section 5.7 shall be deemed null and void and shall be of no force and effect.

(d) Except for the foregoing, on and after the Effective Date, all duties and responsibilities of the DIP Lender shall be fully discharged (i) unless otherwise specifically set forth in or provided for under the Plan, the Plan Supplement, or the Confirmation Order, and (ii) except

with respect to such other rights of the DIP Lender, pursuant to the DIP Documents, survive the termination of documents. Subsequent to the performance by each DIP Lender of its obligations pursuant to the Plan and Confirmation Order, such DIP Lender and its agents shall be relieved of all further duties and responsibilities related to the DIP Documents.

(e) The Litigation Trust Interests shall be non-transferable other than if transferred by will, intestate succession, or otherwise by operation of law.

5.8 *Retention of Causes of Action.*

In accordance with section 1123(b) of the Bankruptcy Code, (a) following the Effective Date, the Reorganized Debtor shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Retained Causes of Action, whether arising before or after the Petition Date, and the Reorganized Debtor's rights to commence, prosecute, or settle such Retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, and the Reorganized Debtor may pursue such Retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtor; and (b) following the Effective Date, the Litigation Trust shall retain and may enforce all rights to commence, pursue, and settle, as appropriate, any and all Litigation Trust Causes of Action. **No Person may rely on the absence of a specific reference in this Plan or the Disclosure Statement to any Cause of Action against them as any indication that the Debtor, the Reorganized Debtor, or the Litigation Trust, as applicable, will not pursue any and all available Causes of Action against such Person.** Except with respect to Causes of Action against any Person which Person was released by the Debtor or the Reorganized Debtor on or before the Effective Date (including pursuant to this Plan), the Reorganized Debtor expressly reserves all rights to prosecute any and all Retained Causes of Action against any Person, except as otherwise expressly provided in this Plan. The Litigation Trust expressly reserves all rights to prosecute any and all Litigation Trust Causes of Action. Unless any Causes of Action against a Person are expressly waived, relinquished, exculpated, released, compromised, transferred (including to the Litigation Trust), or settled in this Plan or a Final Order of the Bankruptcy Court, (i) the Reorganized Debtor expressly reserves all Retained Causes of Action for later adjudication; and (ii) the Litigation Trust expressly reserves all Litigation Trust Causes of Action for later adjudication, and therefore, in each case, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, Claim preclusion, estoppel (judicial, equitable, or otherwise), or laches shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or consummation of this Plan. For the avoidance of doubt, notwithstanding anything contained in this Plan to the contrary, on the Effective Date, the Litigation Trust Causes of Action shall be transferred to, and vest in, the Litigation Trust, and shall not be retained by the Reorganized Debtor.

5.9 *Cancellation of Liens.*

Except as otherwise specifically provided herein, upon the satisfaction in full, in Cash or otherwise, of a Secured Claim, any Lien securing any Secured Claim that is satisfied in full, in Cash or otherwise, shall be deemed released, and the holder of such Secured Claim shall be authorized and directed to (i) release any collateral or other property of the Debtor (including any Cash collateral) held by such holder, at the sole cost and expense of the Reorganized Debtor, and to (ii) take such actions as may be reasonably requested by the Debtor or the Reorganized

Debtor, to evidence the release of such Lien, including the execution, delivery and filing or recording of such releases as may be reasonably requested by the Debtor or the Reorganized Debtor, in the case of each of clauses (i) and (ii), at the sole cost and expense of the Reorganized Debtor and without recourse, representation or warranty of any kind.

5.10 *Employee Matters.*

(a) Unless otherwise provided herein and subject to Article V of the Plan, as may be applicable:

(i) The Debtor shall assume or assume and assign to the Reorganized Debtor on the Effective Date (x) the Benefits Plans and (y) all Employment Agreements unless previously assumed or rejected by the Debtor in its sole discretion pursuant to an order of the Bankruptcy Court.

(ii) Any Interests granted prior to the Effective Date to a current or former members, managers, employee, officer, director or individual independent contractor under a Benefit Plan, an Employment Agreement, or otherwise shall be cancelled and extinguished. For the avoidance of doubt, if any Benefit Plan or Employment Agreement is assumed and such plan or agreement provides in part for an award or potential award of Interests in the Debtor, such Benefit Plan or Employment Agreement shall be assumed in all respects other than the provisions of such agreement relating to Interest awards.

5.11 *Nonconsensual Confirmation.*

The Debtor intends to undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code as to any Classes that reject or are deemed to reject the Plan.

5.12 *Closing of the Chapter 11 Case.*

After the Estate has been fully administered, the Reorganized Debtor shall seek authority from the Bankruptcy Court to close the Chapter 11 Case in accordance with the Bankruptcy Code and Bankruptcy Rules.

5.13 *Termination of the Patient Care Ombudsman's Duties.*

The duties, responsibilities, and obligations of the Patient Care Ombudsman shall be terminated on the Effective Date, the Patient Care Ombudsman may dispose of any documents provided to the Patient Care Ombudsman in the course of its reporting. Nothing herein shall in any way limit or otherwise affect the Patient Care Ombudsman's obligations of confidentiality under confidentiality agreements, if any, under section 333 of the Bankruptcy Code or under order of the Bankruptcy Court.

5.14 *Notice of Effective Date.*

As soon as practicable, but not later than three (3) Business Days following the

Effective Date, the Debtor shall file a notice of the occurrence of the Effective Date with the Bankruptcy Court.

ARTICLE VI. DISTRIBUTIONS.

6.1 *Distributions Generally.*

Except as otherwise provided in the Plan, the Disbursing Agent shall make all distributions under the Plan to the appropriate holders of Allowed Claims in accordance with the terms of the Plan.

6.2 *Distribution Record Date.*

As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtor or its respective agents, shall be deemed closed, and there shall be no further changes in the record holders of any of the Claims or Interests. The Debtor and the Reorganized Debtor shall have no obligation to recognize any transfer of the Claims or Interests occurring on or after the Distribution Record Date. In addition, with respect to payment of any Cure Amounts or disputes over any Cure Amounts, neither Debtor, the Reorganized Debtor, nor the Disbursing Agent, as applicable shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable executory contract or unexpired lease as of the close of business on the Distribution Record Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

6.3 *Date of Distributions.*

Except as otherwise provided in the Plan, any distributions and deliveries to be made under the Plan shall be made on the Effective Date or as otherwise determined in accordance with the Plan, including the treatment provisions of Article IV of the Plan, or the Litigation Trust Agreement, in each case, as soon as practicable thereafter; *provided that* the Reorganized Debtor may implement periodic distribution dates to the extent it reasonably determines them to be appropriate.

6.4 *No Postpetition Interest on Claims.*

Except as otherwise provided in the Plan, the Confirmation Order, or another order of the Bankruptcy Court or required by the Bankruptcy Code, interest shall not accrue or be paid on any Claims on or after the Petition Date, *provided that*, other than with respect to DIP Claims or Other Secured Claims, if interest is payable pursuant to the preceding sentence, interest shall accrue at the federal judgment rate pursuant to 28 U.S.C. § 1961 on a non-compounded basis from the date the obligation underlying the Claim becomes due and is not timely paid through the date of payment.

6.5 *Distributions after Effective Date.*

Distributions made after the Effective Date to holders of Disputed Claims that are

not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date.

6.6 *Unclaimed Property.*

Undeliverable distributions or unclaimed distributions shall remain in the possession of the Reorganized Debtor until such time as a distribution becomes deliverable or the holder accepts distribution, or such distribution reverts back to the Debtor or the Reorganized Debtor, as applicable, and shall not be supplemented with any interest, dividends, or other accruals of any kind. Such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one hundred and eighty (180) days from the date of distribution. After such date, and notwithstanding any other provision of the Plan, all unclaimed property or interest in property shall revert to the Reorganized Debtor and the Claim of any other holder to such property or interest in property shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary.

6.7 *Time Bar to Cash Payments.*

Checks issued by the Disbursing Agent in respect of Allowed Claims shall be null and void if not negotiated within one hundred eighty (180) days after the date of issuance thereof. Thereafter, the amount represented by such voided check shall irrevocably revert to the Reorganized Debtor, and any Claim in respect of such voided check shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary. Requests for re-issuance of any check within one hundred eighty (180) days after issuance shall be made to the Disbursing Agent by the holder of the Allowed Claim to whom such check was originally issued.

6.8 *Manner of Payment under Plan.*

Except as otherwise specifically provided in the Plan, at the option of the Debtor or the Reorganized Debtor, any Cash payment to be made hereunder may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtor.

6.9 *Satisfaction of Claims.*

Except as otherwise specifically provided in the Plan, any distributions and deliveries to be made on account of Allowed Claims under and in accordance with the terms and conditions of the Plan shall be in complete and final satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

6.10 *Minimum Cash Distributions.*

The Disbursing Agent shall not be required to make any distribution of Cash less than Fifty Dollars (\$50) to any holder of an Allowed Claim.

6.11 *Setoffs and Recoupments.*

Except as expressly provided in a separate order of the Bankruptcy Court, the

Debtor and the Reorganized Debtor, as applicable, may, but shall not be required to, set off or recoup against any Claim, and any distribution to be made on account of such Claim, any and all claims, rights, and Causes of Action of any nature whatsoever that the Debtor or the Reorganized Debtor may have against the holder of such Claim pursuant to the Bankruptcy Code or applicable non-bankruptcy law; *provided that* neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtor or Reorganized Debtor or its respective successor of any claims, rights, or Causes of Action that the Debtor or Reorganized Debtor or its respective successor or assign may possess against the holder of such Claim.

6.12 *Allocation of Distributions between Principal and Interest.*

Except as otherwise required by law (as reasonably determined by the Debtor or the Reorganized Debtor), distributions with respect to Allowed Claims shall be allocated first to the principal portion of such Allowed Claim (as determined for federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

6.13 *No Distribution in Excess of Amount of Allowed Claim.*

Notwithstanding anything in the Plan to the contrary, no holder of an Allowed Claim shall receive, on account of such Allowed Claim, distributions under the Plan in excess of the Allowed amount of such Claim.

6.14 *Withholding and Reporting Requirements.*

(a) *Withholding Rights.* In connection with the Plan, any party issuing any instrument or making any distribution described in the Plan shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all distributions pursuant to the Plan and all related agreements shall be subject to any such withholding or reporting requirements. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and either (i) sell such withheld property to generate Cash necessary to pay over the withholding tax (or reimburse the distributing party for any advance payment of the withholding tax), or (ii) pay the withholding tax using its own funds and retain such withheld property. Any amounts withheld pursuant to the preceding sentence, and paid over to the applicable Governmental Unit, shall be deemed to have been distributed to and received by the applicable recipient for all purposes of the Plan. Notwithstanding the foregoing, each holder of an Allowed Claim or any other Entity that receives a distribution pursuant to the Plan shall have responsibility for any taxes imposed by any Governmental Unit, including income, withholding, and other taxes, on account of such distribution. In the event any party issues any instrument or makes any non-Cash distribution pursuant to the Plan that is subject to withholding tax and such issuing or distributing party has not sold such withheld property to generate Cash to pay the withholding tax or paid the withholding tax using its own funds and retains such withheld property as described above, such issuing or distributing party has the right, but not the obligation, to not make a distribution until such holder has made arrangements reasonably satisfactory to such issuing or disbursing party for payment of any such tax obligations.

(b) *Forms.* Any party entitled to receive any property as an issuance or

distribution under the Plan shall, upon request, deliver to the Disbursing Agent or such other Entity designated by the Reorganized Debtor (which Entity shall subsequently deliver to the Disbursing Agent any applicable IRS Form W-8 or IRS Form W-9 received) an appropriate IRS Form W-9 or (if the payee is a foreign Entity) IRS Form W-8, and any other forms or documents reasonably requested by the Reorganized Debtor to reduce or eliminate any withholding required by any federal, state, or local taxing authority. If such request is made and the holder fails to comply before the date that is 60 days after the request is made, the amount of such distribution shall irrevocably revert to the Debtor or the Reorganized Debtor, as applicable, and any Claim in respect of such distribution shall be discharged and forever barred from assertion against the Debtor or the Reorganized Debtor, as applicable, or its respective property.

ARTICLE VII. PROCEDURES FOR DISPUTED CLAIMS.

7.1 *Objections to Claims.*

The Debtor or the Reorganized Debtor, as applicable, shall be entitled to object to Claims; *provided that* following the Effective Date, the U.S. Trustee shall have standing and the right to be heard for the limited purpose of responding to requests for allowance of Administrative Expense Claims for substantial contribution pursuant to section 503(b)(3)(D) of the Bankruptcy Code. After the Effective Date, the Debtor or the Reorganized Debtor, as applicable, shall have and retain any and all rights and defenses that the Debtor had with regard to any Claim to which it may object, except with respect to any Claim that is Allowed. Any objections to Claims shall be served and filed on or before the Claims Objection Deadline.

7.2 *Resolution of Disputed Administrative Expenses and Disputed Claims.*

The Debtor or Reorganized Debtor, in their sole discretion, shall have the authority to (i) compromise, settle, otherwise resolve, or withdraw any objections to Claims without any further notice to or action, order, or approval by the Bankruptcy Court, other than with respect to Professional Fee Claims, (ii) reconcile Claims (***Claims Reconciliation***) in an allowed amount without the requirement of filing an objection to any such Claims and without the requirement of any further Court order, and (iii) administer and adjust the claims register to reflect any such settlements or compromises, without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, Holders of Claims subject to a Claims Reconciliation demand of the Debtor or the Reorganized Debtor (each, a ***Claims Reconciliation Demand***) must, within fifteen (15) days of service of such demand, furnish to the Debtor or Reorganized Debtor, as applicable, all invoices, agreements, and other documents responsive to such Claims Reconciliation Demand. If any Holder of a Claim subject to a Claims Reconciliation Demand fails to timely and fully respond to such Claims Reconciliation Demand, such Holder's Claim shall be disallowed on motion and notice of opportunity for hearing of the Debtor or Reorganized Debtor, as applicable, demonstrating such Holder's failure to timely comply with such Claims Reconciliation Demand.

7.3 *Payments and Distributions with Respect to Disputed Claims.*

Notwithstanding anything herein to the contrary, if any portion of a Claim is a Disputed Claim, no payment or distribution provided hereunder shall be made on account of such

Claim unless and until such Disputed Claim becomes an Allowed Claim.

7.4 *Distributions after Allowance.*

(a) Following the Effective Date, a Disputed Claims Reserve shall be maintained by the Disbursing Agent. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary, or the receipt of a determination by the IRS, the Disbursing Agent shall treat the Disputed Claims Reserve as a “disputed ownership fund” governed by section 1.468B-9 of the Treasury Regulations and to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All taxes imposed on assets or income of the Disputed Claims Reserve shall be payable out of the Disputed Claims Reserve. The Disbursing Agent or the Reorganized Debtor, as applicable, shall be responsible for payment, out of the assets of the Disputed Claims Reserve, of any expenses associated with administering the Disputed Claims Reserve, including any taxes imposed on the Disputed Claims Reserve or its assets. All parties (including the Debtor, the Reorganized Debtor, the Disbursing Agent, and the holders of Disputed GUC Claims) shall be required to report for tax purposes consistently with the foregoing.

(b) As soon as reasonably practicable after a Disputed Claim becomes, in whole or in part, an Allowed Claim, the holder thereof shall be entitled to distributions, if any, to which such holder is entitled as provided in the Plan, without interest, as provided in Section 7.9 of the Plan. Such distributions shall be made as soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed Claim (or portion thereof) becomes a Final Order.

7.5 *Disallowance of Claims.*

Except to the extent otherwise agreed to by the Debtor or Reorganized Debtor or as otherwise set forth herein, as applicable, any Claims held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, to the Debtor by that Entity have been turned over or paid to the Debtor or the Reorganized Debtor. All proofs of claim filed on account of an indemnification obligation to a member, managers, director, officer, or employee, in each case, employed by the Debtor on and/or after the Petition Date shall be deemed satisfied and expunged from the claims register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court. Any Claim that has been or is hereafter listed in the Schedules as contingent, unliquidated, or disputed, and for which no Proof of Claim or Interest is or has been timely filed, shall be deemed disallowed and shall be expunged without further action by the Debtor and without further notice to any party or action, approval, or order of the Bankruptcy Court, and holders of such Claims shall not receive any distributions under the Plan on account of such Claims, subject in each case to Local Bankruptcy Rule 3002-1(a).

7.6 *Estimation of Claims.*

The Debtor or the Reorganized Debtor, as applicable, may determine, resolve and otherwise adjudicate all contingent Claims, unliquidated Claims and Disputed Claims in the Bankruptcy Court, and the Debtor or the Reorganized Debtor, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose, regardless of whether any party has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any contingent Claim, unliquidated Claim or Disputed Claim, that estimated amount shall constitute the maximum limitation on such Claim, and the Debtor or the Reorganized Debtor, as applicable, may pursue supplementary proceedings to object to the ultimate allowance of such Claim; *provided that* such limitation shall not apply to Claims requested by the Debtor to be estimated for voting purposes only.

7.7 *No Distributions Pending Allowance.*

If an objection, motion to estimate, or other challenge to a Claim is filed, no payment or distribution provided under the Plan shall be made on account of such Claim unless and until (and only to the extent that) such Claim becomes an Allowed Claim.

7.8 *Claim Resolution Procedures Cumulative.*

All of the objection, estimation, and resolution procedures in the Plan are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently settled, compromised, withdrawn, or resolved in accordance with the Plan without further notice or Bankruptcy Court approval.

7.9 *Interest.*

To the extent that a Disputed Claim becomes an Allowed Claim after the Effective Date, the holder of such Claim shall not be entitled to any interest that accrued thereon from and after the Effective Date.

ARTICLE VIII. EXECUTORY CONTRACTS AND UNEXPIRED LEASES.

8.1 *General Treatment.*

(a) As of and subject to the occurrence of the Effective Date, all executory contracts and unexpired leases to which the Debtor is a party shall be deemed assumed or assumed and assigned, as applicable, except for any executory contract or unexpired lease that (i) was previously assumed or rejected by the Debtor pursuant to an order of the Bankruptcy Court, (ii) previously expired or was terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a separate motion to assume or reject filed by the Debtor on or before the Confirmation Date, (iv) is specifically designated as a contract or lease to be included on the Rejection Schedule, or (v) is the subject of a pending Cure Dispute.

(b) Subject to the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions, assumptions and assignments, or rejections provided for in the Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed or assumed and assigned pursuant to the Plan shall vest in and be fully enforceable by the Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

8.2 *Determination of Cure Disputes and Deemed Consent.*

(a) Any Cure Amount shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Amount, as reflected in the applicable cure notice, in Cash on the Effective Date, subject to the limitations described below, or shall provide adequate assurance of future performance under such executory contracts and unexpired leases. At least fourteen (14) days before the commencement of the Confirmation Hearing, the Debtor shall serve a notice on parties to executory contracts or unexpired leases to be assumed reflecting the Debtor's intention to assume the contract or lease in connection with the Plan and, where applicable, setting forth the proposed Cure Amount (if any). **Any objection by a counterparty to an executory contract or unexpired lease to the proposed assumption, assumption and assignment, or related Cure Amount must be filed, served, and actually received by the Debtor within ten (10) days of the service of the assumption notice, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court.** Any counterparty to an executory contract or unexpired lease that fails to object timely to the proposed assumption, assumption and assignment, or Cure Amount (i) shall be deemed to have assented to such assumption, assumption and assignment, or Cure Amount, notwithstanding any provision thereof that purports to (1) prohibit, restrict, or condition the transfer or assignment of such contract or lease, or (2) terminate or permit the termination of a contract or lease as a result of any direct or indirect transfer or assignment of the rights of the Debtor under such contract or lease or a change, if any, in the ownership or control to the extent contemplated by the Plan, and shall forever be barred and enjoined from asserting such objection against the Debtor or terminating or modifying such contract or lease on account of transactions contemplated by the Plan, and (ii) shall be forever barred, estopped, and enjoined from challenging the validity of such assumption or assumption and assignment, as applicable, thereafter.

(b) If there is a dispute pertaining to the assumption of an executory contract or unexpired lease (other than a dispute pertaining to a Cure Amount), such dispute shall be heard by the Bankruptcy Court prior to the assumption being effective; *provided that* the Debtor or the Reorganized Debtor may settle any such dispute without any further notice to, or action by, any party or order of the Bankruptcy Court.

(c) To the extent a dispute relates to Cure Amounts, the Debtor may assume and/or assume and assign the applicable executory contract or unexpired lease prior to the resolution of such cure dispute, *provided that* the Debtor or the Reorganized Debtor reserves Cash in an amount sufficient to pay the full amount reasonably asserted as the Cure Amount by the counterparty to such executory contract or unexpired lease.

(d) Assumption or assumption and assignment of any executory contract or unexpired lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims against the Debtor or defaults by the Debtor, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed executory contract or unexpired lease at any time before the date that the Debtor assumes or assumes and assigns such executory contract or unexpired Lease. Any proofs of claim filed with respect to an executory contract or unexpired lease that has been assumed or assumed and assigned shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court or any other Entity, upon the assumption of such executory contract or unexpired lease.

8.3 *Rejection Damages Claims.*

In the event that the rejection of an executory contract or unexpired lease hereunder results in damages to the other party or parties to such contract or lease, any Claim for such damages, if not heretofore evidenced by a timely filed proof of Claim, shall be forever barred and shall not be enforceable against the Debtor or the Reorganized Debtor, or its Estate, properties or interests in property as agents, successors, or assigns, unless a proof of Claim is filed with the Bankruptcy Court and served upon counsel for the Debtor or the Reorganized Debtor, as applicable, no later than thirty (30) days after the filing and service of the notice of the occurrence of the Effective Date.

8.4 *Indemnification Obligations.*

Except as otherwise provided in the Plan or the Confirmation Order, to the fullest extent permitted by applicable law, any and all obligations of the Debtor pursuant to its limited liability company agreements, or other organizational documents or agreements to indemnify members, managers, officers, directors, agents or employees, in each case solely in their capacity as such, employed by the Debtor on and/or after the Petition Date with respect to all present and future actions, suits, and proceedings against the Debtor or such members, managers, officers, directors, agents, or employees based upon any act or omission for or on behalf of the Debtor (collectively, the “*Indemnification Obligations*”) shall not be discharged, impaired, or otherwise affected by the Plan; *provided*, that, Debtor or the Reorganized Debtor, as applicable, shall not indemnify any such members, managers, officers, directors, agents, or employees of the Debtor for any Claims or Causes of Action arising out of or relating to any act or omission for which indemnification is barred under applicable law or that is excluded under the terms of the foregoing organizational documents or applicable agreements governing the Debtor’s Indemnification Obligations. The Reorganized Debtor shall not indemnify any persons for any claims or Causes of Action arising out of or relating to any act or omission that is a criminal act or constitutes intentional fraud, gross negligence or willful misconduct. Except as otherwise provided in the Plan, all such Indemnification Obligations shall be deemed and treated as executory contracts that are assumed by the Debtor under the Plan.

8.5 *Insurance Policies.*

(a) Notwithstanding any other provision in the Plan, all insurance policies to which Debtor is a party as of the Effective Date (including any “tail policy”) shall be deemed to be

and treated as executory contracts and shall be assumed by the Reorganized Debtor, shall remain in full force and effect thereafter and shall continue as obligations of the Reorganized Debtor in accordance with their respective terms, and all such insurance policies shall vest in the Reorganized Debtor. Coverage for defense and indemnity under each D&O Policy shall remain available to all individuals within the definition of “Insured Persons” in any D&O Policy.

(b) After the Effective Date, all members, managers, officers, directors, agents, or employees who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any D&O Policy (including any “tail” policy) for the full term of such policy regardless of whether such members, managers, officers, directors, agents, and/or employees remain in such positions after the Effective Date, in each case, to the extent set forth in such policies.

(c) In addition, after the Effective Date, the Reorganized Debtor shall not terminate or otherwise reduce the coverage under any D&O Policy (including any “tail policy”) in effect as of the Petition Date.

(d) In the event that the Debtor or Reorganized Debtor, in their sole discretion, determine that an Allowed Claim is covered in full or in part under one of the Debtor’s insurance policies, no distributions under the Plan shall be made on account of such Allowed Claim unless and until, and solely to the extent that, (i) the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy, or (ii) an insurer authorized to issue a coverage position under such insurance policy, or the agent of such insurer, issues a formal determination in accordance with the terms of the insurance policy, which the Debtor in its sole discretion does not contest, that coverage under such insurance policy is excluded or otherwise unavailable for losses arising from such Allowed Claim. To the extent that one or more of the Debtor’s insurers agrees to satisfy in full or in part an Allowed Claim, then immediately upon such insurers’ agreement, the applicable portion of such Allowed Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, nothing in this Plan or the Confirmation Order shall be construed to limit, extinguish, expand, or diminish the insurance coverage that may exist or shall be construed as a finding that liquidated any Claim payable pursuant to an insurance policy. Nothing herein relieves any Entity from the requirement to timely file a proof of claim by the applicable claims bar date.

8.6 *Licenses and Agreements.*

All intellectual property contracts, licenses, including, without limitation, governmentally-issued licenses, royalties, or other similar agreements to which the Debtor has any rights or obligations in effect as of the date of the Confirmation Order shall be deemed and treated as executory contracts pursuant to the Plan and shall be assumed, or assumed and assigned, by the Debtor and shall continue in full force and effect unless any such intellectual property contract, license, royalty, or other similar agreement otherwise is specifically rejected pursuant to a separate order of the Bankruptcy Court, is scheduled on the Rejection Schedule, or is the subject of a separate rejection motion filed by the Debtor. Unless otherwise noted hereunder, as applicable, all other intellectual property contracts, licenses, royalties, or other similar agreements shall vest in the Reorganized Debtor and the Reorganized Debtor may take all actions as may be necessary or appropriate to ensure such vesting as contemplated herein. With respect to governmentally-issued

licenses, the Reorganized Debtor shall comply with all valid statutes and regulations governing the maintenance of such licenses.

8.7 *Assignment.*

To the extent provided under the Bankruptcy Code or other applicable law, any executory contract or unexpired lease assumed and assigned hereunder shall remain in full force and effect for the benefit of the transferee or assignee in accordance with its terms, notwithstanding any provision in such executory contract or unexpired lease (including those of the type set forth in section 365(b)(2) of the Bankruptcy Code) that prohibits, restricts, or conditions such transfer or assignment. To the extent provided under the Bankruptcy Code or other applicable law, any provision that prohibits, restricts, or conditions the assignment or transfer of any such executory contract or unexpired lease or that terminates or modifies such executory contract or unexpired lease or allows the counterparty to such executory contract or unexpired lease to terminate, modify, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon any such transfer and assignment, constitutes an unenforceable anti-assignment provision and is void and of no force or effect.

8.8 *Reservation of Rights.*

(a) The Debtor may amend the Assumption Schedule and the Rejection Schedule, at any time prior to the conclusion of the Confirmation Hearing to add, delete, or reclassify any executory contract or unexpired lease. The Debtor shall provide notice of such amendment to any affected counterparty as soon as reasonably practicable.

(b) Neither the exclusion nor the inclusion by the Debtor of any contract or lease on any exhibit, schedule, or other annex to the Plan or in the Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtor that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtor or the Reorganized Debtor has any liability thereunder.

(c) Except as explicitly provided in the Plan, nothing herein shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the Debtor or the Reorganized Debtor under any executory or non-executory contract or unexpired or expired lease.

(d) Nothing in the Plan shall increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtor or the Reorganized Debtor, as applicable, under any executory or non-executory contract or unexpired or expired lease.

8.9 *Modifications, Amendments, Supplements, Restatements, or Other Agreements.*

Unless otherwise provided in the Plan, each executory contract or unexpired lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such executory contract or unexpired lease, and executory contracts and unexpired leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under

the Plan.

ARTICLE IX. CONDITIONS PRECEDENT TO CONFIRMATION OF PLAN AND EFFECTIVE DATE.

9.1 *Conditions Precedent to Confirmation of Plan.*

The following are conditions precedent to confirmation of the Plan:

- (a) the Disclosure Statement Order shall have been entered and shall not have been reversed, stayed, amended, modified, dismissed, vacated, or reconsidered;
- (b) the Plan Supplement and all of the schedules, documents, and exhibits contained therein shall have been filed;
- (c) the DIP Order shall be in full force and effect and there shall be no event of default under the DIP Documents or the DIP Order, which has not been waived by the DIP Lender pursuant to the terms and conditions of such documents and/or Section 9.3 of the Plan.

9.2 *Conditions Precedent to Effective Date.*

The following are conditions precedent to the Effective Date of the Plan:

- (a) the Confirmation Order shall have been entered and shall be a Final Order and shall not be subject to any stay or subject to an unresolved request for revocation under section 1144 of the Bankruptcy Code;
- (b) the DIP Orders shall be in full force and effect and there shall be no event of default under the DIP Documents or the DIP Orders, which has not otherwise been amended or waived by the applicable DIP Lender pursuant to the terms and conditions of such documents and/or Section 9.3 of the Plan;
- (c) the Reorganization Transaction shall have been implemented in accordance with the Description of Transaction Steps in all material respects;
- (d) all actions, documents and agreements necessary to implement and consummate the Plan, including entry into the Definitive Documents and the New Governance Documents, and the transactions and other matters contemplated thereby, shall have been effected or executed;
- (e) the New Governance Documents shall have been filed with the appropriate governmental authority, as applicable; and
- (f) (i) the Litigation Trust shall have been formed, (ii) the Litigation Trust Funded Amount shall have been distributed to the Trust, (iii) the Litigation Trust Interests shall have been issued in accordance with the Plan, (iv) the Litigation Trustee shall have been appointed, and (v) the Litigation Trust Agreement, in form and substance reasonably acceptable to Debtor,

shall have been executed and delivered, any conditions precedent contained to effectiveness therein shall have been satisfied or waived in accordance therewith, and shall be in full force and effect and binding upon the relevant parties;

9.3 *Waiver of Conditions Precedent.*

(a) Except as otherwise provided herein, all actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously and no such action shall be deemed to have occurred prior to the taking of any other such action. Each of the conditions precedent in Section 9.1 and Section 9.2 (other than Section 9.2(a)) may be waived in writing by the Debtor with the prior written consent of the DIP Lender or the Exit Facility Lender, as applicable, solely to the extent that the waiver of a particular condition precedent would affect the legal and/or economic rights of the DIP Lender or the Exit Facility Lender, as applicable and respectively, under the Plan, the DIP Credit Agreement, or the Exit Facility Credit Agreement (as applicable).

(b) The stay of the Confirmation Order pursuant to Bankruptcy Rule 3020(e) shall be deemed waived by and upon the entry of the Confirmation Order, and the Confirmation Order shall take effect immediately upon its entry.

9.4 *Effect of Failure of a Condition.*

If the conditions listed in Section 9.2 of the Plan are not satisfied or waived in accordance with Section 9.3 of the Plan in a notice filed with the Bankruptcy Court prior to the expiration of such period, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall (a) constitute a waiver or release of any Claims by or against or any Interests in Debtor, (b) prejudice in any manner the rights of any Entity, or (c) constitute an admission, acknowledgement, offer, or undertaking by the Debtor, the Exit Facility Lender, or any other Entity.

ARTICLE X. EFFECT OF CONFIRMATION OF PLAN.

10.1 *Vesting of Assets.*

On the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all property of the Debtor's Estate shall vest in the Reorganized Debtor free and clear of all Claims, Liens, encumbrances, charges, and other interests, except as provided pursuant to the Plan, the Litigation Trust Agreement, the Confirmation Order, or the Exit Facility Credit Agreement (if applicable). On and after the Effective Date, the Reorganized Debtor may take any action, including the operation of its businesses, the use, acquisition, sale, lease, and disposition of property, and the entry into transactions, agreements, understandings, or arrangements, whether in or other than in the ordinary course of business, and execute, deliver, implement, and fully perform any and all obligations, instruments, documents, and papers or otherwise in connection with any of the foregoing, free of any restrictions of the Bankruptcy Code or Bankruptcy Rules and in all respects as if there were no pending cases under any chapter or provision of the Bankruptcy Code, except as expressly provided herein. Without limiting the foregoing, the Reorganized Debtor may pay the charges that it incurs on or after the Effective Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court.

10.2 *Binding Effect.*

As of the Effective Date, the Plan shall bind all holders of Claims against and Interests in the Debtor and its respective successors and assigns, notwithstanding whether any such holders (a) were Impaired or Unimpaired under the Plan, (b) were deemed to accept or reject the Plan, (c) failed to vote to accept or reject the Plan, (d) voted to reject the Plan, or (e) received any distribution under the Plan.

10.3 *Discharge of Claims and Termination of Interests.*

Upon the Effective Date and in consideration of the distributions to be made hereunder, except as otherwise expressly provided herein, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a Claim or Interest and any affiliate of such holder shall be deemed to have forever waived, released, and discharged the Debtor, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Interests, rights, and liabilities that arose prior to the Effective Date. Upon the Effective Date, all such Entities shall be forever precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any such discharged Claim against or terminated Interest in the Debtor against the Debtor or the Reorganized Debtor or any of their assets or property, whether or not such holder has filed a proof of claim and whether or not the facts or legal bases therefor were known or existed prior to the Effective Date.

10.4 *Term of Injunctions or Stays.*

Unless otherwise provided herein, the Confirmation Order, or in a Final Order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Case under sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay.

10.5 *Injunction.*

(a) Upon entry of the Confirmation Order, all holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, shall be enjoined from taking any actions to interfere with the implementation or consummation of the Plan in relation to any Claim or Interest extinguished, discharged, released or treated pursuant to the Plan.

(b) Except as expressly provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court or as agreed to by the Debtor and a holder of a Claim against or Interest in the Debtor, all Entities who have held, hold, or may hold Claims against or Interests in the Debtor (whether proof of such Claims or Interests has been filed or not and whether or not such Entities vote in favor of, against or abstain from voting on the Plan or are presumed to have accepted or deemed to have rejected the Plan) and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, are permanently enjoined, on and after the Effective Date, solely with respect to any Claims, Interests, and Causes of Action that will be or are extinguished, discharged, released, or treated pursuant to the Plan from (i) commencing, conducting, or continuing in any manner, directly or indirectly,

any suit, action, or other proceeding of any kind (including any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the Released Parties or the property of any of the Released Parties, (ii) enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree, or order against the Released Parties or the property of any of the Released Parties, (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the Released Parties or the property of any of the Released Parties, (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Released Parties or the property of any of the Released Parties, except (x) as contemplated or allowed by the Plan or (y) to the extent asserted in a timely filed Proof of Claim or timely filed objection to the confirmation of the Plan, and (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan. For the avoidance of doubt, nothing in this Section 10.5(b) shall enjoin any (i) current or former patient of the Debtor from pursuing any Claim against any non-Debtor party, including any non-Debtor provider, for any acts or omissions arising out of or relating to any Claims for medical malpractice or (ii) Governmental Unit from filing a Proof of Claim on or by the Governmental Bar Date (as defined in the Bar Date Order).

(c) No Person or Entity shall seek or initiate formal or informal discovery requests, demands, or proceedings upon or from the Patient Care Ombudsman or her Professionals without first seeking permission, upon sufficient prior notice to the Patient Care Ombudsman, from the Bankruptcy Court.

(d) The injunctions in this Section 10.5 shall extend to any successors of the Debtor and the Reorganized Debtor and their respective property and interests in property.

10.6 ***Releases.***

(a) Releases by the Debtor.

As of the Effective Date, except for the right to enforce the Plan or any right or obligation arising under the Definitive Documents that remains in effect after the Effective Date, for good and valuable consideration, on and after the Effective Date, the Released Parties shall be deemed released and discharged by the Debtor, the Reorganized Debtor, and the Estate, and any Person seeking to exercise the rights of the Estate, and any successors to the Debtor or any Estate representative appointed or selected pursuant to section 1123(b)(3) of the Bankruptcy Code, from any and all Claims, obligations, rights, suits, judgments, damages, demands, debts, Liens, Causes of Action, remedies, losses, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtor, the Reorganized Debtor, or the Estate, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, matured or unmatured, contingent or fixed, existing or hereinafter arising, in law, equity or otherwise, that the Debtor, the Reorganized Debtor, or the Estate would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtor, the Estate, the conduct of the Debtor's business, the Chapter 11 Case, the purchase, sale or rescission of the purchase or sale of any Security of the Debtor or the Reorganized Debtor, the DIP Facility, the DIP Documents, the Definitive Documents, the subject matter of, or the transactions or events

giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtor and any Released Party, the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Disclosure Statement, the Plan, and the Definitive Documents, or any related agreements, instruments, or other documents, and the negotiation, formulation, or preparation thereof, the solicitation of votes with respect to the Plan, or any other act or omission, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; provided, that, nothing in Section 10.6(a) of the Plan shall be construed to release (i) the Released Parties from intentional fraud, willful misconduct, or gross negligence, in each case as determined by a Final Order or (ii) any Retained Causes of Action.

(b) Releases by Holders of Claims and Interests.

As of the Effective Date, except for the right to enforce the Plan or any right or obligation arising under the Definitive Documents that remains in effect after the Effective Date, for good and valuable consideration, on and after the Effective Date, except as specifically set forth elsewhere in the Plan, the Releasing Parties conclusively, absolutely, unconditionally, irrevocably, and forever discharge and release (and each entity so discharged and released shall be deemed discharged and released by the Releasing Parties) the Released Parties and their respective property from any and all Claims, obligations, rights, suits, judgments, damages, demands, debts, Liens, Causes of Action, remedies, losses, and liabilities whatsoever (including contract claims, claims under ERISA and all other statutory claims, claims for contributions, withdrawal liability, reallocation liability, redetermination liability, interest on any amounts, liquidated damages, claims for attorneys' fees or any costs or expenses whatsoever), including any derivative claims, asserted or assertable on behalf of the Debtor, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, matured or unmatured, contingent or fixed, existing or hereinafter arising, in law, equity or otherwise, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) based on or relating to, or in any manner arising from, in whole or in part, the Debtor, the Estate, the Restructuring, the Chapter 11 Case, the purchase, sale or rescission of the purchase or sale of any Security of the Debtor or the Reorganized Debtor, the DIP Facility, the DIP Documents, the Definitive Documents, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtor and any Released Party (other than assumed contracts or leases), the restructuring of Claims and Interests before or during the Chapter 11 Case, the negotiation, formulation, preparation or consummation of the Plan (including the Plan Supplement), the Definitive Documents, or any related agreements, instruments or other documents, or the solicitation of votes with respect to the Plan, in all cases based upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date. For the avoidance of doubt, nothing in Section 10.6(b) of the Plan shall be construed to release (i) the Released Parties from intentional fraud, willful misconduct, or gross negligence, in each case as determined by a Final Order or (ii) any current or former patient of the Debtor from pursuing any Claim against any non-Debtor party that is not a Released Party, including any non-Debtor provider that is not a Released Party, for any acts or omissions arising out of or relating to any Claims for medical malpractice.

10.7 *Exculpation.*

Notwithstanding anything herein to the contrary, and to the maximum extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party is hereby released and exculpated from, any claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, remedy, loss, and liability for any act or omission taken on or after the Petition Date and prior to or on the Effective Date relating to, in any way, or arising out of, the Chapter 11 Case, the negotiation, formulation, preparation, dissemination, implementation, administration, confirmation, consummation, and pursuit of the Disclosure Statement, the Restructuring Transactions, the Plan, or the solicitation of votes for, or confirmation of, the Plan, the funding or consummation of the Plan (including the Plan Supplement), the Patient Care Ombudsman's evaluations, reports, pleadings, or other writings filed by or on behalf of the Patient Care Ombudsman in or in connection with the Chapter 11 Cases, the Definitive Documents, or any related agreements, instruments, or other documents, the solicitation of votes on the Plan, the offer, issuance, and distribution of any Securities issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, the occurrence of the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed under the Plan, except for actions determined by Final Order to constitute gross negligence, willful misconduct, or intentional fraud. This exculpation shall be in addition to, and not in limitation of, all other releases, indemnities, exculpations and any other applicable law or rules protecting such Exculpated Parties from liability.

10.8 *Subordinated Claims.*

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtor reserves the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

10.9 *Retention of Causes of Action/Reservation of Rights.*

Except as otherwise provided in Sections 10.5, 10.6, and 10.7 of the Plan, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights, Claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses that the Debtor had immediately prior to the Effective Date on behalf of the Estate or of itself in accordance with any provision of the Bankruptcy Code or any applicable non-bankruptcy law, including any affirmative Causes of Action against parties with a relationship with the Debtor. Other than those Claims and Causes of Action assigned to the Litigation Trust pursuant to Section 5.6 of the Plan, the Reorganized Debtor shall have, retain, reserve, and be entitled to assert all Claims, Causes of Action, rights of setoff or recoupment, and other legal or equitable defenses notwithstanding the occurrence of the Effective Date, and all of the Debtor's legal and equitable rights in respect of any Unimpaired Claim may be asserted after the Confirmation Date and Effective Date to the same extent as if the Chapter 11 Case had not been commenced. For the avoidance of doubt, while the Debtor retains all causes of action under chapter 5 of the Bankruptcy

Code not expressly waived herein, Debtor has reviewed potential chapter 5 causes of action and evaluated when it became insolvent; presently, Debtor does not believe any such causes of action exist.

10.10 *Ipsa Facto and Similar Provisions Ineffective.*

Any term of any prepetition policy, prepetition contract, or other prepetition obligation applicable to the Debtor shall be void and of no further force or effect with respect to the Debtor to the extent that such policy, contract, or other obligation is conditioned on, creates an obligation of the Debtor as a result of, or gives rise to a right of any entity based on any of the following: (a) the insolvency or financial condition of the Debtor; (b) the commencement of the Chapter 11 Case; (c) the confirmation or consummation of the Plan, including any change of control that shall occur as a result of such consummation; or (d) the restructuring.

10.11 *Solicitation of Plan.*

As of and subject to the occurrence of the Confirmation Date: (a) the Debtor shall be deemed to have solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including sections 1125(a) and (e) of the Bankruptcy Code, and any applicable non-bankruptcy law, rule, or regulation governing the adequacy of disclosure in connection with such solicitation and (b) the Debtor and each of its respective members, managers, directors, officers, employees, affiliates, agents, financial advisors, investment bankers, professionals, accountants, and attorneys shall be deemed to have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code in the offer and issuance of any Securities under the Plan, and therefore are not, and on account of such offer, issuance, and solicitation shall not be, liable at any time for any violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or the offer and issuance of any Securities under the Plan.

10.12 *Limited Liability Company Action.*

Upon the Effective Date, all actions of the Debtor or the Reorganized Debtor, as applicable, contemplated by the Plan shall be deemed authorized and approved in all respects, including (a) those set forth in Sections 5.2 and 5.4 of the Plan, as applicable, (b) the selection of the managers and officers for the Reorganized Debtor, (c) the distribution, transfer, or issuance of the New OneCore Interests, (d) the entry into the Exit Facility Credit Agreement, (e) the establishment of the Litigation Trust, issuance of the Litigation Trust Interests and execution and delivery of the Litigation Trust Agreement, and (f) all other actions contemplated by the Plan (whether to occur before, on, or after the Effective Date), in each case, in accordance with and subject to the terms and conditions hereof. All matters provided for in the Plan involving the limited liability company structure of the Debtor or the Reorganized Debtor, and any limited liability company action required by the Debtor or the Reorganized Debtor in connection with the Plan shall be in effect, without any requirement of further action by the members, managers, or officers of the Debtor or the Reorganized Debtor. On or before the Effective Date, the appropriate officers of the Debtor or the Reorganized Debtor, as applicable, shall be authorized and directed to issue, execute, and deliver the agreements, documents, New OneCore Interests, and instruments, or comparable documents, or franchise tax reports contemplated by the Plan (or necessary or

Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms, (b) integral to the Plan and may not be deleted or modified without the consent of the Debtor, the Reorganized Debtor and the DIP Lender, Exit Facility Lender, solely to the extent that a particular term or provision affects the legal and/or economic rights of the DIP Lender or the Exit Facility Lender, as applicable, under the Plan, the DIP Credit Agreement or the Exit Facility Credit Agreement and (c) nonseverable and mutually dependent.

12.12 *Dates of Actions to Implement the Plan.*

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day but shall be deemed to have been completed as of the required date.

12.14 *Deemed Acts.*

Subject to and conditioned on the occurrence of the Effective Date, whenever an act or event is expressed under the Plan to have been deemed done or to have occurred, it shall be deemed to have been done or to have occurred without any further act by any party, by virtue of the Plan and the Confirmation Order.

Exhibit 2

Liquidation Analysis of Hospital for Special Surgery, LLC *DBA* OneCore Health

EXHIBIT 2

LIQUIDATION ANALYSIS OF
HOSPITAL FOR SPECIAL SURGERY, LLC
D/B/A ONECORE HEALTH

I. Introduction

Section 1129(a)(7) of the Bankruptcy Code requires that a bankruptcy court finds, as a condition to confirmation, that a Chapter 11 plan provides, with respect to each impaired class of claims or equity interests (“Claim”, “Claims” or “Allowed Claims”), that each holder of a claim or an equity interest in such impaired class either: (i) has accepted the plan; or (ii) will receive or retain under the plan property of a value that is not less than the amount that the non-accepting holder would receive or retain if the debtor’s assets were to be liquidated under Chapter 7 of the Bankruptcy Code on the effective date of the plan.

The Debtor, along with its restructuring, legal and financial advisors, have prepared this hypothetical analysis (“Liquidation Analysis”) in connection with the Plan of Reorganization (“Plan”) and Disclosure Statement. The Liquidation Analysis, also known as the “best interests test”, assumes Onecore Health (“Debtor” or “Company”) will pursue a hypothetical liquidation under Chapter 7 as of the estimated Effective Date of the Plan and the Debtor’s assets would be disposed of under the direction of a Chapter 7 trustee (“Trustee”). The Debtor believes that each holder of a Claim would receive equal or greater value under the Plan than such holder would receive if the Debtor was forced to liquidate under Chapter 7, and that, as a result, the Plan satisfies the “best interests” test of section 1129(a)(7) of the Bankruptcy Code. The Liquidation Analysis presented herein has been prepared solely for the purpose described above and may not be used for any other purposes.

The Liquidation Analysis contains numerous estimates, including estimated Allowed Claims, based upon a review of the Debtor’s financial statements. The Liquidation Analysis also includes assumptions and estimates for Claims incurred during the Chapter 11 case that could be asserted and allowed in a Chapter 7 liquidation, including unpaid Chapter 11 administrative claims and Chapter 7 administrative claims. To date, the Court has not estimated or otherwise fixed the total amount of Allowed Claims used for purposes of preparing the Liquidation Analysis. Therefore, the Debtor’s estimate of Allowed Claims set forth in the Liquidation Analysis should not be relied on for any other purpose, including determining the value of any distribution to be made on account of Allowed Claims under the Plan. The actual amount of Allowed Claims in the Chapter 11 Cases could materially differ from the estimated amounts in the Liquidation Analysis.

Management has prepared this Liquidation Analysis in good faith based upon what they believe are reasonable assumptions. Events and circumstances frequently do not occur as expected and differences between actual and expected results may be material. The Liquidation Analysis is based on factors that are outside the control of the Company including, but not limited to, regulatory, market, industry, competitive and economic factors. Accordingly, there can be no assurance that the values assumed in the Liquidation Analysis

would be realized if the Debtor's assets were actually liquidated. In addition, any liquidation would take place in the future, at which time circumstances may exist that cannot presently be predicted. In addition, there could be other potential alternatives that could occur in a hypothetical Chapter 7 liquidation that are not presented in the Liquidation Analysis, including alternatives that would reduce and/or delay creditor recoveries.

The Debtor has no obligation to update this Liquidation Analysis for any information that becomes available after the date of this filing. However, the Debtor reserves the right to amend or supplement the Liquidation Analysis upon receipt of additional information.

II. Conclusion – Consummation Of The Plan Will Provide Greater Value Than Under A Hypothetical Liquidation Through Chapter 7 Of The Bankruptcy Code

The distributions to holders of Claims under the Liquidation Analysis provide for lower recoveries relative to the recoveries under the Plan, and therefore the Debtor believes that consummation of the Plan will provide no less favorable recoveries to Claimants than a liquidation under Chapter 7 of the Bankruptcy Code.

III. Methodology

Administrative Procedures and Conversion of Cases: The Liquidation Analysis assumes that the Chapter 11 case is converted to a case under Chapter 7.

Professionals Involved in the Chapter 7 Cases: As part of the Chapter 7 case, the Debtor assume that the Trustee would choose to retain certain professionals, including counsel, financial advisors, and investment bankers or transaction brokers, among others, to provide expertise and assistance in the liquidation of the Debtor's assets. The Liquidation Analysis assumes that the Debtor's existing counsel and advisors would be replaced by the Trustee with new professionals.

Timing Considerations of the Chapter 7 Cases: The Liquidation Analysis assumes an expedited wind down of substantially all of the Debtor's operations commencing on or around May 1, 2025 (the "Conversion Date") and a subsequent liquidation of the Debtor's monetizable assets. Upon the Conversion Date, the Trustee would quickly wind down operations by immediately ceasing new patient admissions and working to safely transfer patients to alternative sites of care. The Liquidation Analysis assumes that it will take approximately two (2) weeks from the commencement of the closure process to a full cessation of healthcare operations. The timeframe assumes that applicable regulatory agencies do not require a more extended closure process, which would increase applicable operating costs. The transfer of care or closure of a medical provider must be conducted in accordance with state law. The change of ownership of Medicare and Medicaid providers is subject to specific legal processes. The Debtor would also need to address industry specific issues such as the transfer of medical reports in compliance with HIPAA rules. These constraints limit the ability to expedite the transition process. Following the period in which no patients remain at the Debtor's facilities, the Trustee would consummate piecemeal collection and sales of the Debtor's assets over an

approximately 180-day period.

The Liquidation Analysis assumes the use of cash collateral would be limited following the Conversion Date and that the Debtor would not have funds to support any process other than a process by the Trustee to convert the Debtor's assets to cash, thereby limiting the amount of administrative expenses. There is no assurance that a liquidation would be completed in the assumed timeframe, nor is there any assurance that the recoveries assigned to the Debtor's assets would be realized. If the Debtor is not allowed the use of cash collateral, recoveries in a liquidation are likely to be less than those shown in this Liquidation Analysis.

Trustee Fees for Chapter 7 Administration: Under section 326(a) of the Bankruptcy Code, for a case under Chapter 7, the Court may allow reasonable compensation for the Trustee's services not to exceed three percent (3.0%) of moneys exceeding \$1.0 million disbursed or turned over in the case by the Trustee to parties-in-interest, excluding the Debtor, but including holders of Secured Claims. The Debtor assumes in the Liquidation Analysis that such fees would be approximately three percent (3.0%) of gross liquidation proceeds, excluding proceeds from the Debtor's unrestricted cash at the Conversion Date.

Additional Claims: The cessation of the Debtor's business in a Chapter 7 liquidation is likely to trigger certain Claims that might otherwise not exist under the proposed Plan. Examples of these kinds of Claims include, but are not limited to, Claims related to rejection of executory contracts, litigation Claims, employment Claims, and Claims associated with the Debtor's financing structure. While some of these Claims could be significant and may be entitled to priority in payment over General Unsecured Claims, no adjustment has been made for these potential Claims unless specified in the assumptions and notes to the Liquidation Analysis.

Basis of Presentation: The Liquidation Analysis is based on the unaudited balance sheets of the Debtor as of January 31, 2025, with certain balances projected by the Debtor to reflect anticipated activity through the Conversion Date. The Liquidation Analysis contemplates that the Debtor's operations would be wound down beginning on the Conversion Date and assets would be sold in expedited transactions to various third-party buyers.

Liquidation Analysis: The Debtor assumes a liquidation would be conducted pursuant to Chapter 7 of the Bankruptcy Code, with a trustee ("Trustee") appointed to manage the bankruptcy estate. The Trustee would be responsible for liquidating the Debtor's assets in a manner intended to maximize the recovery to creditors. Asset sale proceeds resulting from the liquidation would be reduced by the expenses of the liquidation process prior to distributions to any holders of Allowed Claims. The three (3) major components of the liquidation process would be as follows: (i) administering and managing costs and post-conversion operational cash flow related to the liquidation process, such as personnel costs, Claims reconciliation costs, estate wind down costs, medical records retention and Trustee and professional fees; (ii) generation of cash proceeds from the sale/collection of assets; and (iii) distribution of net proceeds generated from asset sales to claimants in accordance with the priority scheme under Chapter 7 of the Bankruptcy Code. The Liquidation Analysis does not include recoveries resulting from any potential preferences, fraudulent conveyances or other litigation or avoidance action Claims.

Note: This Liquidation Analysis does not include estimates for the tax consequences, both Federal and state, that may be triggered upon the liquidation of assets in the manner described above. Such tax consequences could be material.

IV. Key Assumptions of the Liquidation Analysis

Cash and Cash Equivalents: Cash and cash equivalents consist of unrestricted cash held in bank accounts as of the Conversion Date. Cash and cash equivalents are assumed to be fully recoverable. As of the Conversion Date, the Debtor estimates holding approximately \$267,000 of cash and cash equivalents.

Net Patient Accounts Receivable: The Liquidation Analysis assumes that the Trustee would retain a third party to assist with the collection of amounts owed from patients and third-party payors. Projected recoveries reflect the estimated cost to collect / monetize these balances, the offset of credit balances, and the impact of a scenario where the Debtor is not operating as a going concern. Net Patient Accounts Receivable is estimated at 10% of balances past due more than one hundred twenty (120) days and 45%-55% of the remaining balances outstanding.

Other Receivables: Other receivables are primarily comprised of ERC credits, sales tax refunds, utility deposits and leased space deposits.

Inventory: Inventory consists of medical supplies, medicines, protective equipment and other related items.

Prepaid Insurance: The Debtor made certain prepayments for future services to be rendered related to insurance premiums for workers compensation, property and machinery, general liability and cyber policies. The Debtor's policy contains a 100% minimum earned premium clause;

therefore, there is no potential recovery for prepaid insurance.

Prepaid Other: The Debtor made certain prepayments for future services to be rendered related to licensing, contract services, rent, software and medical supplies.

Property, Plant and Equipment: The Debtor maintains various fixed and movable furniture, fixtures, and equipment at their facility. The Debtor's property and plant assets consist of capital improvements.

Insurance Policy Proceeds: The Debtor's estimated balance on the wasting policy for professional and general liability as it relates to the litigation styled *In Re: Emma Base, et al. v. Onecore Health, et al., Case No. CJ-2022-1096; District Court for Oklahoma County, State of Oklahoma.*

Chapter 7 Liquidation Costs:

The Liquidation Analysis assumes that new patient admissions would cease immediately upon the Conversion Date and employees would begin transferring patients to alternative sites of care, a process that would be completed within two (2) weeks of the Conversion Date. The operating cash flows shown include employee, insurance and utility related costs during such period to facilitate this process.

The Liquidation Analysis assumes that Net Patient Accounts Receivables related to the System's Pre-Conversion Date patient care operations will be collected or sold following the Conversion Date as reflected in the estimated recovery of the Net Patient Accounts Receivable balance as of the Conversion Date.

- Chapter 7 Trustee Fees: The Liquidation Analysis assumes Chapter 7 Trustee fees and expenses will total approximately 3% of gross liquidation proceeds, excluding cash, as previously described.
- Chapter 7 Professional Fees: Estimated Chapter 7 professional fees include estimated costs for legal, financial and transaction professionals retained by the Trustee following the Conversion Date.

Recovery Analysis: To the extent proceeds are available after payment of the Chapter 7 Liquidation Costs, such proceeds are allocated to applicable claimants in priority in accordance with section 726 of the Bankruptcy Code:

- Administrative & Priority Claims: Administrative Claims include estimated Claims for post petition employee wages and benefits, accounts payable, taxes, accrued expenses, accrued, unpaid Allowed Professional Fee Amounts, claims arising under section 503(b)(9) of the Bankruptcy Code and DIP Claims.
- Class 1: Class 1 represents the Secured Claim of U.S. Bank and Stryker Flex Financial. The Claim amount used in the Liquidation Analysis represent the unpaid principal of the obligation. The Liquidation Analysis assumes that all assets in which a Secured Claim is

asserted are collateral for such Claim.

- Class 2: Class 2 represents Unsecured Claims of critical vendors for prepetition liabilities.
- Class 3: Class 3 represents general prepetition Unsecured Claims for prepetition liabilities.

**Reorganized Financial Projections of Hospital for Special Surgery, LLC
d/b/a OneCore Health**

REORGANIZED FINANCIAL PROJECTIONS OF
HOSPITAL FOR SPECIAL SURGERY, LLC
D/B/A ONECORE HEALTH

OneCore Health (“Debtor” or “Company”) believes that the OneCore Health Plan (“Plan”) meets the feasibility requirements set forth in section 1129(a)(11) of the Bankruptcy Code, as Confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the OneCore Health or any successor under the OneCore Health Plan. The Debtor has prepared financial projections (“Financial Projections”) for the period May 1, 2025 through December 31, 2032 assuming emergence from Chapter 11 on or before May 1, 2025 (“Assumed Effective Date”).

The Debtor’s Financial Projections were prepared to analyze the ability to satisfy its financial obligations, maintain sufficient liquidity and capital resources. The Financial Projections were prepared by management to support the feasibility of the Plan and were based upon assumptions provided by management regarding the projected performance of the reorganized Debtor’s operations. The Debtor has prepared the Financial Projections based on available information, including information derived from public sources. The Debtor makes no representation as to the accuracy or completeness of such information and have performed no procedures to corroborate the information.

Management has prepared these Financial Projections in good faith based upon what they believe are reasonable assumptions. Events and circumstances frequently do not occur as expected and differences between actual and expected results may be material. As described in the Debtor’s Disclosure Statement, the company is subject to a variety of risk factors that could impact the reorganized Debtor’s financial results. The Financial Projections should be viewed in conjunction with the assumptions discussed herein and with the Disclosure Statement.

The Debtor has no obligation to update these Financial Projections for any information that becomes available after the date of this filing. However, the Debtor reserves the right to amend or supplement these Financial Projections upon receipt of additional information.

Certain information set forth in these Financial Projections contain “forward-looking information”, including “future-oriented financial information” and “financial outlook” (collectively referred to herein as forward-looking statements). Except for statements of historical fact, the information contained herein constitutes forward-looking statements. These statements are not guarantees of future performance and undue reliance should not be placed on them. Such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause actual performance and financial results in future periods to differ materially from any projections of future performance or result expressed or implied by such forward-looking statements. Although forward-looking statements contained in these Financial Projections are based upon what the management of the Debtor believes are reasonable assumptions, there can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. The reader is cautioned not to place undue reliance on forward-looking statements.

The Financial Projections were prepared assuming the following: (i) there will be no material contingent or unliquidated litigation or indemnity claims applicable to the Debtor; (ii) there will be no material change in legislation or regulations that will have a material impact on the operations of the Company; and (iii) there will be no change in generally accepted accounting principles in the United States that will have a material effect on the reported financial results of the Company. The Company's Financial Projections are as follows:

Key Assumptions of the Financial Projections

Revenue: The Financial Projections are based on Management's view of the Company's market position and overall economic outlook. The Financial Projections include the addition of new physicians. Net patient revenue is accrued monthly based on projected number of cases provided and historical collection rates.

Supply Expenses: Supply expenses include medical supplies, implants and pharmaceuticals utilized in patient care.

Employee Expenses: Employee expenses include contract labor and personnel expenses. Contract labor includes direct patient care and administrative services. Personnel expenses include payroll, bonuses, benefits and payroll taxes paid to clinicians and other site-level personnel. Payroll, benefits and payroll taxes are accrued monthly, with certain elements of payroll tied to quality and volumes. Bonus and profit share are accrued monthly tied to quality, operational performance & profitability metrics.

General and Administrative Expenses: General and Administrative expenses represent personnel and non-personnel costs to support clinicians in the field, back-office services and corporate overhead functions (e.g., financing, accounting, human resources, etc.). This also includes management fees due to Solara Surgical Management Services, LLC.

Occupancy Expenses: Occupancy expenses represent facility related costs including building rent, equipment rent, property taxes, maintenance and repairs and utilities.

Other Income / (Expense): Other income includes rental income for the Sublease Agreement with OneCore Orthopedics, LLC and First Med Urgent Care, LLC.

Interest Expense, Net: Net interest expense is based upon interest associated with a five (5) year note commencing May 2025 in the amount of \$5,000,000 with an interest rate of 9.5%.

Depreciation Expense: Depreciation expense is based upon Management's view of equipment purchases and leasehold improvements necessary for operations.

Cash and Cash Equivalents: The Company considers cash equivalents to consist of liquid investments with an original maturity of three months or less.

Working Capital Accounts: The Financial Projections assume the Company's working capital accounts, including accounts receivable (net), accounts payable and accrued salaries and benefits. The current assets and liabilities perform according to the historical relationships with respect to revenue and expense activity. All working capital balances fluctuate significantly within years depending on volumes and activity. Accounts receivable is tied to net patient revenue. Accounts payable is primarily tied to non-personnel spend. Accrued salaries and benefits is primarily related to payroll, benefits and bonus compensation.

Property and Equipment, Net: Property, plant and equipment is composed of leasehold improvements, furniture, fixtures and equipment. Purchases were based upon Management's view of necessary expenditures for operations. The Debtor's property, plant and equipment are subject to material change based on the potential implementation of fresh start accounting in connection with emergence.

Long Term Debt, Net: Long Term Debt is based a five (5) year note commencing May 2025 in the amount of \$5,000,000 with an interest rate of 9.5%.

Net Changes in Working Capital: Net changes in working capital are driven by changes in accounts receivable (net), accounts payable, wages payable, and other assets & liabilities.

Capital Expenditures: Capital expenditures includes expenditures to acquire and maintain various assets, including spending on medical equipment and leasehold improvements.

Risk Factors: The Financial Projections are based on factors that are outside the control of the Company including, but not limited to, regulatory, market, industry, competitive and economic factors. In addition, the Company is subject to uncertainty and business disruptions due to an in-court restructuring. A summary of select risks including, but not limited to, are as follows:

1. The Company operates in a highly competitive, regulated industry. Competitors' operations may impact the Company's ability to retain existing contracts, enter into new contracts and reduce overall revenue and profitability. Additionally, the Company operates in a heavily regulated industry subject to changes in laws and regulations and is dependent upon government reimbursements and federal mandates. Any substantial deterioration in general economic conditions could adversely impact revenue and profitability.
2. The Company has significant client relationships and a referral basis that results in a concentration of revenue. The Company's ability to achieve the results reflected in the Financial Projections could be materially impacted by the loss of existing contracts, either as a result of third-party competition and the Company's ability to enter into replacement contracts.
3. The Company's profitability is based upon fee-for-service contracts. There are risks of changes in volume, payer mix and third-party reimbursements that are beyond the Company's control. Changes in the mix of insured and uninsured patients and patients covered by government-sponsored healthcare programs, third-party reimbursement rates and patient volume may have a material impact on the Company's profitability.
4. The Company's operations rely upon the continuing ability to successfully recruit and retain qualified physicians and other healthcare professionals which may be impacted by labor shortages, workforce disruptions or other volatility.
5. Any significant delay in the Assumed Effective Date may have significant adverse

impacts on the Company's operations and financial performance including, but not limited to, an increased risk or inability to meet revenue forecasts and the incurrence of greater reorganization expenses.

6. The Company may be impacted by a decline in revenue associated with the stigma of having filed for reorganization under Chapter 11 of the Bankruptcy Code, which is not incorporated within the Financial Projections. The Company may also be impacted by employee turnover due to filing of reorganization under Chapter 11 of the Bankruptcy Code. Loss of employees could have an adverse impact on the Company's financial performance.
7. The Company may not be able to execute all or parts of the operational plans which are the basis of the Financial Projections due to factors that may be beyond the control of the Company which may have a material impact on the financial results.
8. Upon emergence, the Debtor will be required to determine the amount by which its reorganization value as of the Assumed Effective Date exceeds, or is less than, the fair value of its assets as of the Assumed Effective Date. Such determination will be based upon the fair value at that time, which may be based on, among other things, a different methodology than what is reflected within the Financial Projections. In any event, such valuation, as well as the determination of the fair value of the Debtor's assets and liabilities, will be made as of the Assumed Effective Date. The differences between the amounts of any or all of the foregoing items as assumed in the Financial Projections and the actual amounts thereof as of the Assumed Effective Date may be material.

I. INTRODUCTION

A. Executive Summary

Hospital for Special Surgery, LLC *dba* OneCore Health (“OneCore” or the “Debtor”), as debtor and debtor in possession, submits this disclosure statement (as may be amended, supplemented, or modified from time to time, and, together with all exhibits and schedules thereto, the “Disclosure Statement”) in connection with the solicitation of votes on the *Chapter 11 Plan of Reorganization of Hospital for Special Surgery, LLC dba OneCore Health*, dated March 27, 2025 (as may be amended, supplemented, or modified from time to time and, together with all exhibits and schedules thereto, the “Plan”)¹ annexed hereto as **Exhibit 1**. The Debtor commenced its chapter 11 case (the “Chapter 11 Case”) under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the U.S. Bankruptcy Court for the Western District of Oklahoma (the “Bankruptcy Court”), beginning on October 7, 2024 (the “Petition Date”).

The purpose of this Disclosure Statement is to provide information of a kind, and in sufficient detail, to enable creditors of the Debtor that are entitled to vote on the Plan to make a reasonably informed decision on whether to vote to accept or reject the Plan. This Disclosure Statement contains summaries of the Plan, certain statutory provisions, events contemplated in the Chapter 11 Case, and certain documents related to the Plan.

The Debtor is seeking to confirm a plan under chapter 11 of the Bankruptcy Code. Specifically, as set forth below, the Debtor is seeking to move forward with a Plan to recapitalize its balance sheet (the “Reorganization Transaction”). The Plan is supported by Debtor’s largest unsecured creditor, Emma Base, and specifically includes consideration to be distributed to Base by and through Plan distributions, including, without limitation, such distributions as are made by and through the Litigation Trust established pursuant to the Plan and that certain Litigation Trust Agreement (collectively, the “Base Settlement”). The terms of the Base Settlement are incorporated into the Plan and described in Section I.B herein.

The Plan provides for, among other things, (i) a comprehensive restructuring of the Debtor’s prepetition obligations, (ii) the provision of the going-concern value of the Debtor’s business, (iii) maximization of creditor recoveries, (iv) an equitable distribution to the Debtor’s stakeholders, (v) continuation of high-quality medical care to the Debtor’s patients, and (vi) optimal protection of the jobs of the Debtor’s providers and other employees.

A summary of the key terms of the restructuring transactions as contemplated by the Plan and the Global Settlement, is as follows:

- the reorganization of the Debtor’s business pursuant to a Reorganization Transaction;

¹ Capitalized terms used in this Disclosure Statement, but not defined herein, have the meanings ascribed to them in the Plan. To the extent any inconsistencies exist between this Disclosure Statement and the Plan, the Plan shall govern.

- the contribution of \$2.8 million in new value, consisting of \$2.5 million in Cash and \$300,000 in value arising out of Solara Surgical Partners, LLC’s waiver of its GUC Claim (the “New Value Contribution”) by Existing OneCore Interest Owners who choose to participate in the New Value Contribution;²
- a \$5 million exit facility (the “Exit Facility”) at emergence;
- assumption of executory contracts of continuing trade contract counterparties and payment in full of Allowed Cure Amounts;
- the separate classification and treatment of Critical Vendor Claims, pursuant to which Critical Vendors shall receive a waiver of any preference claims existing as against them;
- the separate classification and treatment of the Base Claim, pursuant to which (a) a Litigation Trust shall be established and initially funded in the amount of \$551,662.65, consisting of the remaining proceeds of a general liability policy applicable to the Base Claim (the “Litigation Trust Funded Amount”), and supplemented with value in the form of the assignment of certain causes of action (the “Litigation Trust Causes of Action”), and (b) \$4 million in cash will be provided to the holder of the Base Claim, payable on the Effective Date;
- *pro rata* distributions to holders of Allowed GUC Claims; and
- prompt emergence from the Chapter 11 Case.

Accomplishing an efficient and expeditious resolution of the Restructuring and the Chapter 11 Case is essential to preserving and maximizing the going-concern value of the Debtor’s estate and successfully restructuring the Debtor. B. Base Settlement

The Debtor, together with Emma Base, have engaged in good faith and arm's length negotiations culminating in the parties' entry into the Base Settlement. The Base Settlement is incorporated into the Plan and provides for the resolution of all disputes, claims, and controversies between the parties, including those related to the Plan and treatment of the Base Claim, among other issues.

The Base Settlement includes the following terms and conditions (each as described more fully in the Plan):

1. The payment of \$4 million to Holders of the Allowed Base Claim on the Effective Date;
2. The establishment of a Litigation Trust, pursuant to that certain Litigation Trust Agreement;
3. The funding of the Litigation Trust in the Litigation Trust Funded Amount of \$527,000, consisting of the remaining proceeds of a general liability policy applicable to the Base Claim;
4. The assignment of the Litigation Trust Causes of Action to the Litigation Trust;
5. Emma Base agrees to (i) file a statement in support of confirmation of the Plan, (ii)

not directly or indirectly object to, delay, impede, or take any other action to interfere with, the Chapter 11 Case, including, but not limited to, acceptance, confirmation, and implementation of the Plan, (iii) use reasonable efforts to maintain the current May 13, 2025 Confirmation Hearing date (unless moved by the Debtor), and (iv) refrain from opting out of the Releases contained in the Plan, which Base stipulates are an integral part of such Plan; and

6. Base agrees not to object to allowance or payment of Debtor's professionals' fees incurred through the Effective Date of the Plan.

Debtor respectfully submits that the Base Settlement should be approved pursuant to Bankruptcy Rule 9019 in connection with confirmation of the Plan. Bankruptcy Rule 9019(a) permits a trustee to enter into a compromise or settlement, subject to bankruptcy court approval. Fed. R. Bankr. P. 9019(a). Authority to approve a compromise or settlement proposed by a trustee is within the sound discretion of the bankruptcy court. See, e.g., *In re Stewart*, 603 B.R. 138, 147 (Bankr. W.D. Okla. 2019). "In exercising its discretion, the bankruptcy court must determine whether the compromise is fair, reasonable and in the best interests of the estate." *Id.* A bankruptcy court's exercise of discretion should be guided by "the general public policy that 'compromises are favored in bankruptcy.'" *Id.* (quoting *In re Southern Medical Arts Companies, Inc.*, 343 B.R. 250, 255 (10th Cir. B.A.P.)); see also *Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424 (1968) (noting that "[c]ompromises are a normal part of the process of reorganization") (internal quotation marks omitted).

To approve a proposed settlement, a bankruptcy court is not required to decide numerous issues of law and fact raised by the settlement. Instead, a bankruptcy court should "canvass the issues and see whether the settlement 'fall[s] below the lowest point in the range of reasonableness.'" *Finkelstein v. W.T. Grant Co. (In re W.T. Grant Co.)*, 699 F.2d 599, 608 (2d Cir. 1983) (quoting *Newman v. Stein*, 464 F.2d 689, 693 (2d Cir. 1972)); see also *In re Purofied Down Prods. Corp.*, 150 B.R. 519, 522 (S.D.N.Y. 1993) (noting that "the court need not conduct a 'mini-trial' to determine the merits of the underlying [dispute]"). "Because compromise is favored in bankruptcy and the Trustee need only show that his decision falls within the 'range of reasonable litigation alternatives,' the Trustee's burden is not high." *In re Stewart*, 603 B.R. at 147 (quoting *In re Roguemoire*, 393 B.R. 474, 480 (Bankr. S.D. Tex. 2008).

To approve a proposed settlement, a bankruptcy court is not required to decide numerous issues of law and fact raised by the settlement. Instead, a bankruptcy court should "canvass the issues and see whether the settlement 'fall[s] below the lowest point in the range of reasonableness.'" *Finkelstein v. W.T. Grant Co. (In re W.T. S.D. Tex. 2008).

Bankruptcy courts in the Tenth Circuit typically consider four factors when determining whether a compromise is in the best interests of the estate: “(1) the chance of success on the litigation on the merits; (2) possible problems in collecting the judgment; (3) the expense and complexity of the litigation; and (4) the interest of the creditors.” *In re Southern Medical Arts Co., Inc.*, 343 B.R. 250, 257 (10th Cir. B.A.P. 2006) (citing *In re Kopexa Realty Venture Co.*, 213 B.R. 1020, 1022 (10th Cir. B.A.P. 1997). Additionally, some courts “give consideration as to whether the proposed settlement promotes the integrity of the judicial system.” *In re Stewart*, 603 B.R. at 147.

Approving the Base Settlement resolves contested state court litigation currently on appeal. Debtor’s likelihood of success on appeal is unknown and uncertain. Debtor initiated this Chapter 11 Case because it cannot afford to satisfy the judgment entered against it. To date, the litigation has been costly and would remain so if the appeal is pursued. Debtor respectfully submits that it is in the best interest of the creditors that the Debtor forego continued costly litigation and seek approval of the Base Settlement as part of the Plan confirmation process.

THE DEBTOR AND EMMA BASE URGE ALL HOLDERS OF CLAIMS ENTITLED TO VOTE ON THE PLAN TO VOTE IN FAVOR OF THE PLAN.

The Debtor and Emma Base believe that the Base Settlement avoids costly, time-consuming, wasteful litigation and any delays in distributions to creditors. The Base Settlement will reduce the duration of the Chapter 11 Case and the expenses attendant to protracted litigation and will also increase recoveries to certain holders of Allowed Claims. Accordingly, the Debtor and Emma Base believe the Base Settlement balances these risks and provides an equitable solution that is reasonable, fair and efficient. The Debtor also believes that the Base Settlement is in the best interests of general unsecured creditors, and that pursuant to the terms of the Plan, proposed distributions to creditors are adequate in exchange for the releases embodied in the Plan. For these and other reasons, the Debtor recommends that impaired creditors vote to ACCEPT the Plan.

D. Summary of Plan Classification and Treatment of Claims and Interests

Under the Bankruptcy Code, only holders of claims or interests in “impaired” Classes are entitled to vote on the Plan (unless, for reasons discussed in more detail below, such holders are deemed to reject the Plan pursuant to section 1126(g) of the Bankruptcy Code). Under section 1124 of the Bankruptcy Code, a class of claims or interests is deemed to be “impaired” unless (i) the plan leaves unaltered the legal, equitable, and contractual rights to which such claim or interest entitles the holder thereof or (ii) notwithstanding any legal right to an accelerated payment of such claim or interest, the plan, among other things, cures all existing defaults (other than defaults resulting from the occurrence of events of bankruptcy) and reinstates the maturity of such claim or interest as it existed before the default.

The following table summarizes the treatment of Claims and Interests under the Plan. The table is qualified in its entirety by reference to the full text of the Plan. For a more detailed summary of the terms and provisions of the Plan, see Article VI—Summary of the Plan below. The summary of the Plan below incorporates the Global Settlement with the Creditors' Committee.

A discussion of the amount of claims in each Class is set forth in Section VI hereof.

1	Other Secured Claims	Unimpaired	No (Presumed to Accept)
2	Critical Vendors Claims	Impaired	Yes
3	GUC Claims	Impaired	Yes
4	Emma Base Claim	Impaired	Yes
5	Existing OneCore Interests	Fully Impaired/ Unimpaired	No (Deemed to Reject or Presumed to Accept)

III.

KEY EVENTS LEADING TO COMMENCEMENT OF CHAPTER 11 CASE

OneCore is a duly licensed hospital that has been specializing in orthopedic and specialty surgeries in the community of central Oklahoma for more than a decade. In late 2021, OneCore completed the construction of its present leased facility in northeast Oklahoma City and has been operating at such location since January 2022. Despite the new hospital and recognition as an esteemed hospital for patient care and focus, difficulties ensued in June of 2022, initially due to

the Covid pandemic, with the implementation of a new billing system as the legacy system was sunset by the software provider. This difficult conversion caused disruptions to operations for almost two years as OneCore struggled with calibrating the software, creating appropriate interfaces and then billing/collecting claims. This created several million dollars in lost revenue and difficulty tracking patient claims and accounts receivable during the transition. Due to implementation issues, the hospital could not effectively create patient statements to collect good patient accounts receivable, rendering many of these accounts uncollectible. OneCore continued to fight to resolve billing system issues, and with the help of its management company, began to regain control over the revenue cycle in early 2024. From January through August 2024, the hospital produced break-even results and was beginning to turn the corner toward a pathway to profitability with new physician recruitment.

In early September 2024, a former patient obtained a significant jury verdict against the hospital relating to care provided by a physician in 2021. OneCore maintains that the evidence shows that the patient's ongoing injuries were unrelated to the accident. Notwithstanding this evidence, the former patient obtained a judgment in the amount of 15 million dollars, which exceeds the estimated enterprise value of the hospital. OneCore timely has appealed the judgment but was required to initiate this Chapter 11 Case to continue to operate its business, continue to employ its approximately 100 employees, and to maintain the enterprise value of Debtor's assets until a plan of reorganization may be confirmed.

IV. THE CHAPTER 11 CASE

Following the commencement of the Chapter 11 Case, the Debtor filed various motions (the "First Day Motions" and the various interim and final orders approving the First Day Motions, the "First Day Orders") seeking relief from the Bankruptcy Court to enable Debtor to promote a seamless transition between the Debtor's prepetition and postpetition business operations, facilitate a smooth reorganization through this Chapter 11 Case and the Plan, and minimize any disruptions to the Debtor's operations. The Bankruptcy Court granted substantially all of the relief requested in the First Day Motions and entered various final orders authorizing Debtor to, among other things:

- Establish procedures to protect confidential patient information [Docket No. 49];
- Continue paying employee wages and benefits [Docket No. 94];
- Continue insurance programs [Docket No. 95];
- Establish procedures for utility companies to request adequate assurance of payment and to prohibit utility companies from altering or discontinuing service [Docket No. 96];
- Continue the use of the Debtors' cash management system, bank accounts, and business forms [Docket No. 97];

- Pay certain prepetition obligations for critical vendors [Docket No. 93] (the “Critical Vendors Order”);
- Use cash collateral [Docket No. 101];

As of the date hereof, the Debtor estimates approximately \$3,164,149.38 in prepetition Claims has been paid pursuant to the various First Day Orders, including approximately \$2,157,348.09 in prepetition Claims pursuant to the Critical Vendors Order and \$784,996.00 paid in satisfaction of the BOKF Prepetition Secured Claim pursuant to the DIP Order.

On February 15, 2025, the Debtor filed the *Debtor’s Notice of Revised Proposed Order Granting Debtor’s Emergency Motion for Entry of Final Order, Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, 503, 506, and 507, (I) Authorizing Debtor to Obtain Senior Secured Superpriority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Authorizing the Use of Cash Collateral, (IV) Determining Adequate Protection Need Not Be Provided, (V) Modifying the Automatic Stay, and (VI) Granting Related Relief* [Docket No. 193] (the “Revised Proposed Order”). Pursuant to the authorities granted by the DIP Order, the Debtor executed the DIP Documents, as such term was defined in the DIP Motion. Pursuant to the DIP Documents, Debtor obtained \$2,000,000.00 in debtor-in-possession financing, in exchange for the grant of superpriority liens to the DIP Lender, Solara Surgical Partners, LLC, among other terms and conditions established by the DIP Documents and the DIP Order, respectively. Debtor shall repay the DIP Loan on or before the Effective Date.

B. Procedural Motions

The Debtor filed various motions regarding procedural issues common to chapter 11 cases of similar size and complexity in this Chapter 11 Case. The Bankruptcy Court granted substantially all of the relief requested in such motions and entered various orders authorizing the Debtor to, among other things:

C. Retention of Chapter 11 Professionals

The Debtor filed several applications and obtained authority to retain various professionals to assist the Debtor in carrying out its duties under the Bankruptcy Code during this Chapter 11 Case. As of the date hereof, these professionals include (i) Crowe & Dunlevy, P.C. as counsel, (ii) McEntire Advisors, PLLC, as chief restructuring officer and financial advisor, (iii) the Law Offices of Liz George as conflicts counsel, and (iv) Verita Global as claims and noticing agent. The Debtor may seek to retain additional professionals or advisors during this Chapter 11 Case.

D. Executory Contracts and Lease Rejections

(a) As of and subject to the occurrence of the Effective Date, all executory contracts and unexpired leases, including, without limitation, real property leases, to which the Debtor is a party shall be deemed assumed or assumed and assigned, as applicable, except for any executory contract or unexpired lease that (i) was previously assumed or rejected by the Debtor pursuant to an order of the Bankruptcy Court, (ii) previously expired or was terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a separate motion to assume or reject filed by the Debtor on or before the

Confirmation Date, (iv) is specifically designated as a contract or lease to be included on the Rejection Schedule, or (v) is the subject of a pending Cure Dispute.

(b) Subject to the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions, assignments, or rejections provided for in the Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed or assumed and assigned pursuant to the Plan shall vest in and be fully enforceable by the Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

E. Appointment of Creditors' Committee

No creditors' committee has been appointed in this Chapter 11 Case.

F. Automatic Stay and Other Stipulations

Since the commencement of the Chapter 11 Case, the Debtor has entered into, and the Court has approved, various stipulations and resolutions regarding requests for relief from the automatic stay and related matters, including, without limitation the following:

- An agreement between Debtor and Albert P. Poteat allowing Poteat to proceed in a state-court proceeding in a pursuit limited to only those specified insurance policies and in exchange for his waiver of any claims against Debtor. [Docket No. 152]; and
- An agreement between Debtor and Stephanie Rodriguez to the same effect. [Docket No. 153].
- The Debtor anticipates that similar stipulations may be made with similarly-situated tort claimants by motion with notice of opportunity for hearing.

G. Exclusivity

Section 1121(b) of the Bankruptcy Code provides for a period of 120 days after the commencement of a chapter 11 case during which time a debtor has the exclusive right to file a plan of reorganization (the "Exclusive Plan Filing Period"). In addition, section 1121(c)(3) of the Bankruptcy Code provides that if a debtor files a plan within the Exclusive Plan Period, it has a period of 180 days after commencement of the chapter 11 case to obtain acceptances of such plan (the "Exclusive Plan Solicitation Period," and together with the Exclusive Plan Period, the "Exclusive Periods"). The Debtor's initial Exclusive Plan Filing Period expired on February 4, 2025. Pursuant to section 1121(d) of the Bankruptcy Code, the Bankruptcy Court may, upon a showing of cause, extend the Exclusive Periods.

Consistent with the foregoing Debtor filed a Motion to Extend Exclusive Periods on January 30, 2025. [Docket No. 174]. Debtor also filed an Application for a Bridge Order on the

same day, asking for an interim extension of its Exclusivity Periods until the Court made a final determination on its Motion regarding the same. [Docket No. 175]. The Court entered an order granting the Bridge Application on January 31, 2025, [Docket No. 177], and granting the Motion on February 14, 2025. [Docket No. 191].

As a result, the Exclusive Plan Filing Period presently extends until and through May 6, 2025. The Exclusive Plan Solicitation Period presently extends until and through July 8, 2025.

V.

PENDING LITIGATION

A. State Court Matter(s)

The state court litigation relating to the Base Claim shall be settled in connection with the Plan. Certain litigation is ongoing in State Court; however, the Debtor and its estate are not placed at any financial risk for its outcome. *See, e.g.*, Docket Nos. 152 – 153.

In addition to the foregoing, the Debtor is a defendant in the case styled *Timothy W. Fox v. Hosp. for Special Surgery, LLC d/b/a OneCore Health*, CJ 2023-3620 (District Court for Okla. County, Okla.). The Debtor and its estate are not placed at any financial risk for its outcome because the Plaintiff filed his proof of claim after the expiration of the General Claims Bar Date established by the Claims Bar Date Order. Fox has sought stay relief in the Bankruptcy Court which the Debtor opposes for the reason that the Fox Claim is time-barred.

B. Other

The Debtor may, from time to time, be subject to various information requests, inquiries, or investigations from certain local, state, or federal regulatory or governmental agencies or authorities. Such information requests, inquiries, or investigations, may or may not ultimately result in claims asserted against the Debtor.

VI.

(c) In order to preserve the Reorganized Debtor's ability to utilize certain tax attributes that exist as of the Effective Date, the charter, bylaws, and other organizational documents may restrict certain transfers of the New OneCore Interests.

(d) The Debtor will exercise its reasonable business judgment to structure the Restructuring and the Restructuring Transactions in a tax efficient manner including, without limitation, to maximize or preserve any net operating losses and net unrealized built-in asset losses of the Debtor.

(e) All matters provided for herein involving the limited liability company structure of the Debtor or Reorganized Debtor, or any limited liability company, or related action required by the Debtor or Reorganized Debtor in connection herewith shall be deemed to have occurred and shall be in effect, without any requirement of further action by the members, board, or managers of the Debtor or Reorganized Debtor, and with like effect as though such action had been taken unanimously by the members, managers, or officers, as applicable, of the Debtor or Reorganized Debtor.

v. Continued Limited Liability Company Existence; Dissolution

(a) Except as otherwise provided in the Plan, in the New Governance Documents, or elsewhere in the Plan Supplement the Reorganized Debtor shall continue to exist after the Effective Date as a limited liability company, with all the powers of a limited liability company, pursuant to the applicable laws of the respective jurisdiction in which it is organized and pursuant to the New Governance Documents, as applicable. On or after the Effective Date, the Reorganized Debtor may, in its sole discretion, take such action that may be necessary or appropriate as permitted by applicable law, instruments and agreements, and the Reorganized Debtor's organizational documents, as the Reorganized Debtor may determine is reasonable and appropriate.

(b) After the Effective Date, the Reorganized Debtor shall be authorized to dissolve the Debtor or the Reorganized Debtor in accordance with applicable law or otherwise as part of a Restructuring Transaction.

vi. Litigation Trust

(a) On or prior to the Effective Date, the Debtor and the Litigation Trustee shall execute the Litigation Trust Agreement in form and substance consistent with the terms set forth herein and otherwise reasonably acceptable to the Debtor. On the Effective Date (i) the Debtor shall (x) automatically be deemed to have transferred and assigned to the Litigation Trust all of its right, title, and interest in and to all the Litigation Trust Causes of Action,³ and, in accordance with section 1141 of the Bankruptcy Code, all such Litigation Trust Causes of Action shall automatically vest in the Litigation Trust free and clear of all Liens, charges, Claims, encumbrances and interests, for the benefit of the holders of the Base Claim and (y) within ten (10)

³ The Debtor makes no representations or warranties of any kind with respect to the Litigation Trust Causes of Action. While the Debtor believes, in good faith, that colorable claims exist, the Debtor is uncertain as to their value. Litigation, inherently, is costly and outcomes are uncertain.

days following entry of the Plan Confirmation Order, the Insurer shall transfer the Litigation Trust Funded Amount to an account established by the Litigation Trustee to fund the administration of the Litigation Trust. The Litigation Trust shall have standing to pursue, assert, litigate, and fully resolve the Litigation Trust Causes of Action and, shall be deemed the assignee of the Debtor, and neither the Debtor nor the Reorganized Debtor shall have any interest in or with respect to the Litigation Trust Causes of Action or any Cash or assets contained in the Litigation Trust.

(b) The Litigation Trust shall be established for the purpose of (i) investigating, commencing, litigating, and settling Litigation Trust Causes of Action, (ii) the liquidation of the Litigation Trust's assets, (iii) distribution of the Litigation Trust Distributable Proceeds, if any, to the Litigation Trust Beneficiaries, and (iv) performing such other duties as set forth in the Litigation Trust Agreement, in each case in accordance with section 301.7701-4(d) of the Treasury Regulations, with no objective to continue or engage in the conduct of a trade or business.

(c) The Litigation Trust shall be administered by the Litigation Trustee in accordance with the Litigation Trust Agreement. The Litigation Trust Agreement may establish certain powers, duties, and authorities in addition to those explicitly stated herein, but only to the extent that such powers, duties, and authorities do not affect the status of the Litigation Trust as a liquidating trust for United States federal income tax purposes as discussed below. Upon execution of the Litigation Trust Agreement, the Litigation Trustee shall be authorized to take all steps necessary to complete the formation of the Litigation Trust. The Litigation Trustee shall serve as representative of the Estate under section 1123(b) of the Bankruptcy Code for the purpose of (i) enforcing the Litigation Trust Causes of Action and (ii) administering the Litigation Trust and distributing its assets to the Litigation Trust Beneficiaries.

(d) In furtherance of the Plan, (i) the terms of the Litigation Trust shall be set forth in the Litigation Trust Agreement, (ii) the Litigation Trust shall be structured to qualify as a "liquidating trust" within the meaning of section 301.7701-4(d) of the Treasury Regulations and in compliance with Rev. Proc. 94-45, 1994- 2 C.B. 684, and, thus, as a "grantor trust" within the meaning of sections 671 through 679 of the Tax Code to the holders of the Base Claim, consistent with the terms of the Plan, (iii) all parties (including the Debtor, the Reorganized Debtor, Litigation Trust Beneficiaries, and the Litigation Trustee) shall report consistently with such treatment (including the deemed receipt of the underlying assets, subject to applicable liabilities and obligations, by the holders of the Base Claim, as applicable, followed by the deemed transfer of such assets to the Litigation Trust), (iv) all parties shall report consistently with the valuation of the assets transferred to the Litigation Trust as determined by the Litigation Trustee (or its designee), (v) the Litigation Trustee shall be responsible for filing returns for the trust as a grantor trust pursuant to section 1.671-4(a) of the Treasury Regulations, and (vi) the Litigation Trustee shall annually send to each holder of an interest in the Litigation Trust a separate statement regarding the receipts and expenditures of the trust as relevant for federal income tax purposes.

(e) The Litigation Trust shall also be vested with the Debtor's rights, as such rights existed prior to the Effective Date, to conduct discovery and oral examinations of any party under Bankruptcy Rule 2004. The Litigation Trust, however, shall not be considered a successor of the Debtor and shall not assume any obligations of the Debtor other than expressly provided for by the Plan and the Litigation Trust Agreement. Notwithstanding the foregoing, the

Litigation Trust shall not be permitted to seek relief under Bankruptcy Rule 2004 or any other discovery rule established under federal or state law as against (i) the Debtor or the Reorganized Debtor, (ii) any current employees, officers or members of the Debtor or the Reorganized Debtor, or (iii) the DIP Lender.

(f) For the avoidance of doubt, the Litigation Trust shall be solely responsible for all Litigation Trust Expenses (including, for the further avoidance of doubt, professional fees). Neither the Debtor nor the Reorganized Debtor shall have any responsibility for any Litigation Trust Expenses.

(g) The Litigation Trustee and the Reorganized Debtor shall have the right to seek relief from the Bankruptcy Court in the event of any dispute or controversy related to the Litigation Trust Agreement.

vii. Retention of Causes of Action

In accordance with section 1123(b) of the Bankruptcy Code, (a) following the Effective Date, the Reorganized Debtor shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Retained Causes of Action, whether arising before or after the Petition Date, and the Reorganized Debtor's rights to commence, prosecute, or settle such Retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, and the Reorganized Debtor may pursue such Retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtor; and (b) following the Effective Date, the Litigation Trust shall retain and may enforce all rights to commence, pursue, and settle, as appropriate, any and all Litigation Trust Causes of Action. **No Person may rely on the absence of a specific reference in the Plan or this Disclosure Statement to any Cause of Action against them as any indication that the Debtor, the Reorganized Debtor, or the Litigation Trust, as applicable, will not pursue any and all available Causes of Action against such Person.** Except with respect to Causes of Action against any Person which Person was released by the Debtor or the Reorganized Debtor on or before the Effective Date (including pursuant to the Plan), the Reorganized Debtor expressly reserves all rights to prosecute any and all Retained Causes of Action against any Person, except as otherwise expressly provided in the Plan. The Litigation Trust expressly reserves all rights to prosecute any and all Litigation Trust Causes of Action. Unless any Causes of Action against a Person are expressly waived, relinquished, exculpated, released, compromised, transferred (including to the Litigation Trust), or settled in the Plan or a Final Order of the Bankruptcy Court, (i) the Reorganized Debtor expressly reserves all Retained Causes of Action for later adjudication; and (ii) the Litigation Trust expressly reserves all Litigation Trust Causes of Action for later adjudication, and therefore, in each case, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, Claim preclusion, estoppel (judicial, equitable, or otherwise), or laches shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or consummation of the Plan. For the avoidance of doubt, notwithstanding anything contained in the Plan to the contrary, on the Effective Date, the Litigation Trust Causes of Action shall be transferred to, and vest in, the Litigation Trust, and shall not be retained by the Reorganized Debtor.

Presently, the Debtor is not aware of any Causes of Action having substantial value to the estate or its creditors which it is retaining.

viii. Cancellation of Liens

Except as otherwise specifically provided in the Plan, upon the satisfaction in full, in Cash or otherwise, of a Secured Claim, any Lien securing any Secured Claim that is satisfied in full, in Cash or otherwise, shall be deemed released, and the holder of such Secured Claim shall be authorized and directed to (i) release any collateral or other property of the Debtor (including any Cash collateral) held by such holder, at the sole cost and expense of the Reorganized Debtor, and to (ii) take such actions as may be reasonably requested by the Debtor or the Reorganized Debtor, to evidence the release of such Lien, including the execution, delivery and filing or recording of such releases as may be reasonably requested by the Debtor or the Reorganized Debtor, in the case of each of clauses (i) and (ii), at the sole cost and expense of the Reorganized Debtor and without recourse, representation or warranty of any kind.

ix. Employee Matters

Unless otherwise provided herein and subject to Article V of the Plan, as may be applicable, the Debtor shall assume or assume and assign to the Reorganized Debtor on the Effective Date (x) the Benefits Plans and (y) all Employment Agreements unless previously assumed or rejected by the Debtor in its sole discretion pursuant to an order of the Bankruptcy Court.

x. Nonconsensual Confirmation

The Debtor intends to undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code as to any Classes that reject or are deemed to reject the Plan.

xi. Closing of the Chapter 11 Case

After the Estate has been fully administered, the Reorganized Debtor shall seek authority from the Bankruptcy Court to close the Chapter 11 Case in accordance with the Bankruptcy Code and Bankruptcy Rules.

xii. Termination of the Patient Care Ombudsman's Duties

The duties, responsibilities, and obligations of the Patient Care Ombudsman shall be terminated on the Effective Date, the Patient Care Ombudsman may dispose of any documents provided to the Patient Care Ombudsman in the course of its reporting. Nothing herein shall in any way limit or otherwise affect the Patient Care Ombudsman's obligations of confidentiality under confidentiality agreements, if any, under section 333 of the Bankruptcy Code or under order of the Bankruptcy Court.

xiii. Notice of Effective Date

As soon as practicable, but not later than 3 Business Days following the Effective Date, the Debtor shall file a notice of the occurrence of the Effective Date with the Bankruptcy Court.

D. Distributions

i. Distributions Generally

Except as otherwise provided in the Plan, the Disbursing Agent shall make all distributions under the Plan to the appropriate holders of Allowed Claims in accordance with the terms of the Plan.

ii. Distribution Record Date

As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtor or its agent, shall be deemed closed, and there shall be no further changes in the record holders of any of the Claims or Interests. The Debtor and the Reorganized Debtor shall have no obligation to recognize any transfer of the Claims or Interests occurring on or after the Distribution Record Date. In addition, with respect to payment of any Cure Amounts or disputes over any Cure Amounts, neither the Debtor nor the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable executory contract or unexpired lease as of the close of business on the Distribution Record Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

iii. Date of Distributions

Except as otherwise provided in the Plan, any distributions and deliveries to be made under the Plan shall be made on the Effective Date or as otherwise determined in accordance with the Plan, including the treatment provisions of Article IV of the Plan, or the Litigation Trust Agreement, in each case as soon as practicable thereafter; provided that the Reorganized Debtor may implement periodic distribution dates to the extent it reasonably determines them to be appropriate.

iv. No Postpetition Interest on Claims

Except as otherwise provided in the Plan, the Confirmation Order, or another order of the Bankruptcy Court or required by the Bankruptcy Code, interest shall not accrue or be paid on any Claims on or after the Petition Date, provided that, other than with respect to the DIP Claim or Other Secured Claims, if interest is payable pursuant to the preceding sentence, interest shall accrue at the federal judgment rate pursuant to 28 U.S.C. § 1961 on a non-compounded basis from the date the obligation underlying the Claim becomes due and is not timely paid through the date of payment.

v. Delivery of Distributions

In the event that any distribution to any holder is returned as undeliverable, no further distributions shall be made to such holder unless and until such Disbursing Agent is notified in writing of such holder's then-current address, at which time all currently due, missed distributions shall be made to such holder as soon as reasonably practicable thereafter, without interest. Nothing herein shall require the Disbursing Agent to attempt to locate holders of undeliverable distributions and, if located, assist such holders in complying with any provisions of the Plan.

vi. Distributions after Effective Date

Distributions made after the Effective Date to holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date.

vii. Unclaimed Property

Undeliverable distributions or unclaimed distributions shall remain in the possession of the Reorganized Debtor until such time as a distribution becomes deliverable or the holder accepts distribution, or such distribution reverts back to the Debtor or the Reorganized Debtor, as applicable, and shall not be supplemented with any interest, dividends, or other accruals of any kind. Such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of 180 days from the date of distribution. After such date, and notwithstanding any other provision of the Plan, all unclaimed property or interest in property shall revert to the Reorganized Debtor and the Claim of any other holder to such property or interest in property shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary.

viii. Time Bar to Cash Payments

Checks issued by the Debtor or Reorganized Debtor in respect of Allowed Claims shall be null and void if not negotiated within 180 days after the date of issuance thereof. Thereafter, the amount represented by such voided check shall irrevocably revert to the Reorganized Debtor, and any Claim in respect of such voided check shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary. Requests for re-issuance of any check within 180 days after issuance shall be made to the Reorganized Debtor by the holder of the Allowed Claim to whom such check was originally issued.

ix. Manner of Payment under Plan

Except as otherwise specifically provided in the Plan, at the option of the Debtor or the Reorganized Debtor, any Cash payment to be made hereunder may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtor.

x. Satisfaction of Claims

Except as otherwise specifically provided in the Plan, any distributions and deliveries to be made on account of Allowed Claims under and in accordance with the terms and conditions of the Plan shall be in complete and final satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

xi. Minimum Cash Distributions

The Disbursing Agent shall not be required to make any distribution of Cash less than (\$50) to any holder of an Allowed Claim; provided that if any distribution is not made pursuant to Section 6.10 of the Plan, such distribution shall be added to any subsequent distribution to be made on behalf of the holder's Allowed Claim.

xii. Setoffs and Recoupments

Except as expressly provided in a separate order of the Bankruptcy Court, the Debtor and the Reorganized Debtor, as applicable, may, but shall not be required to, set off or recoup against any Claim, and any distribution to be made on account of such Claim, any and all claims, rights, and Causes of Action of any nature whatsoever that the Debtor or the Reorganized Debtor may have against the holder of such Claim pursuant to the Bankruptcy Code or applicable non-bankruptcy law; provided that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtor or the Reorganized Debtor or its successor of any claims, rights, or Causes of Action that the Debtor or the Reorganized Debtor or its successor or assign may possess against the holder of such Claim.

xiii. Allocation of Distributions between Principal and Interest

Except as otherwise required by law (as reasonably determined by the Debtor or the Reorganized Debtor), distributions with respect to Allowed Claims shall be allocated first to the principal portion of such Allowed Claim (as determined for federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

xiv. No Distribution in Excess of Amount of Allowed Claim

Notwithstanding anything in the Plan to the contrary, no holder of an Allowed Claim shall receive, on account of such Allowed Claim, distributions under the Plan in excess of the Allowed amount of such Claim.

xv. Withholding and Reporting Requirements

a) *Withholding Rights.* In connection with the Plan, any party issuing any instrument or making any distribution described in the Plan shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all distributions pursuant to the Plan and all related agreements shall be subject to any such withholding or reporting requirements. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and either (i) sell such withheld property to generate Cash necessary to pay over the withholding tax (or reimburse the distributing party for any advance payment of the withholding tax), or (ii) pay the withholding tax using its own funds and retain such withheld property. Any amounts withheld pursuant to the preceding sentence, and paid over to the applicable Governmental Unit, shall be deemed to have been distributed to and received by the applicable recipient for all purposes of the Plan. Notwithstanding the foregoing, each holder of an Allowed Claim or any other Entity that receives a distribution pursuant to the Plan shall have responsibility for any taxes imposed by any Governmental Unit, including income, withholding, and other taxes, on account of such distribution. In the event any party issues any instrument or makes any non-Cash distribution pursuant to the Plan that is subject to withholding tax and such issuing or distributing party has not sold such withheld property to generate Cash to pay the withholding tax or paid the withholding tax using its own funds and retains such withheld property as described above, such issuing or distributing party has the right, but not the obligation, to not make a distribution until such holder has made arrangements reasonably satisfactory to such issuing or

disbursing party for payment of any such tax obligations.

b) *Forms.* Any party entitled to receive any property as an issuance or distribution under the Plan shall, upon request, deliver to the Disbursing Agent or such other Entity designated by the Reorganized Debtor (which Entity shall subsequently deliver to the Disbursing Agent any applicable IRS Form W-8 or IRS Form W-9 received) an appropriate IRS Form W-9 or (if the payee is a foreign Entity) IRS Form W-8, and any other forms or documents reasonably requested by the Reorganized Debtor to reduce or eliminate any withholding required by any federal, state, or local taxing authority. If such request is made and the holder fails to comply before the date that is 60 days after the request is made, the amount of such distribution shall irrevocably revert to the Debtor or Reorganized Debtor, as applicable, and any Claim in respect of such distribution shall be discharged and forever barred from assertion against the Debtor or Reorganized Debtor, as applicable, or their respective property.

E. Procedures for Disputed Claims

i. Objections to Claims

The Debtor or the Reorganized Debtor, as applicable, shall be exclusively entitled to object to Claims; provided that following the Effective Date, the U.S. Trustee shall have standing and the right to be heard for the limited purpose of responding to requests for allowance of Administrative Expense Claims for substantial contribution pursuant to section 503(b)(3)(D) of the Bankruptcy Code. After the Effective Date, the Debtor or Reorganized Debtor, as applicable, shall have and retain any and all rights and defenses that the Debtor had with regard to any Claim to which they may object, except with respect to any Claim that is Allowed. Any objections to Claims shall be served and filed on or before the Claims Objection Deadline.

ii. Resolution of Disputed Administrative Expenses and Disputed Claims

The Debtor or Reorganized Debtor, in their sole discretion, shall have the authority to (i) compromise, settle, otherwise resolve, or withdraw any objections to Claims without any further notice to or action, order, or approval by the Bankruptcy Court, other than with respect to Professional Fee Claims, (ii) reconcile Claims (***Claims Reconciliation***) in an allowed amount without the requirement of filing an objection to any such Claims and without the requirement of any further Court order, and (iii) administer and adjust the claims register to reflect any such settlements or compromises, without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, Holders of Claims subject to a Claims Reconciliation demand of the Debtor or the Reorganized Debtor (each, a ***Claims Reconciliation Demand***) must, within fifteen (15) days of service of such demand, furnish to the Debtor or Reorganized Debtor, as applicable, all invoices, agreements, and other documents responsive to such Claims Reconciliation Demand. If any Holder of a Claim subject to a Claims Reconciliation Demand fails to timely and fully respond to such Claims Reconciliation Demand, such Holder's Claim shall be disallowed on motion and notice of opportunity for hearing of the Debtor or Reorganized Debtor, as applicable, demonstrating such Holder's failure to timely comply with such Claims Reconciliation Demand.

iii. Payments and Distributions with Respect to Disputed Claims

Notwithstanding anything herein to the contrary, if any portion of a Claim is a Disputed Claim, no payment or distribution provided hereunder shall be made on account of such Claim, unless and until such Disputed Claim becomes an Allowed Claim.

iv. Distributions after Allowance

(a) Following the Effective Date, a Disputed Claims Reserve shall be maintained. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary, or the receipt of a determination by the IRS, the Disbursing Agent shall treat the Disputed Claims Reserve as a “disputed ownership fund” governed by section 1.468B-9 of the Treasury Regulations and to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All taxes imposed on assets or income of the Disputed Claims Reserve shall be payable by the Debtor or the Reorganized Debtor, as applicable. The Disbursing Agent or the Reorganized Debtor, as applicable, shall be responsible for payment, out of the assets of the Disputed Claims Reserve any expenses associated with administering the Disputed Claims Reserve, including any taxes imposed on the Disputed Claims Reserve or its assets. All parties (including the Debtor, the Reorganized Debtor, the Disbursing Agent, and the holders of Disputed GUC Claims) shall be required to report for tax purposes consistently with the foregoing.

(b) As soon as reasonably practicable after a Disputed Claim becomes, in whole or in part, an Allowed Claim, the holder thereof shall be entitled to distributions, if any, to which such holder is entitled as provided in the Plan, without interest, as provided in Section 7.9 of the Plan. Such distributions shall be made as soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed Claim (or portion thereof) becomes a Final Order.

v. Disallowance of Claims

Except to the extent otherwise agreed to by the Debtor or Reorganized Debtor, as applicable, any Claims held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, to the Debtor by that Entity have been turned over or paid to the Debtor or the Reorganized Debtor. All proofs of claim filed on account of an indemnification obligation to a director, officer, or employee, in each case, employed by the Debtor on and/or after the Petition Date shall be deemed satisfied and expunged from the claims register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court. Any Claim that has been or is hereafter listed in the Schedules as contingent, unliquidated, or disputed, and for which no Proof of Claim or Interest is or has been timely filed, shall be deemed disallowed and shall be expunged without further action by the

Debtor and without further notice to any party or action, approval, or order of the Bankruptcy Court, and holders of such Claims shall not receive any distributions under the Plan on account of such Claims, subject in each case to Local Bankruptcy Rule 3002-1(a).

vi. Estimation of Claims

The Debtor or Reorganized Debtor, as applicable, may determine, resolve and otherwise adjudicate all contingent Claims, unliquidated Claims and Disputed Claims in the Bankruptcy Court. The Debtor or the Reorganized Debtor, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose, regardless of whether any party has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any contingent Claim, unliquidated Claim or Disputed Claim, that estimated amount shall constitute the maximum limitation on such Claim, and the Debtor or the Reorganized Debtor, as applicable, may pursue supplementary proceedings to object to the ultimate allowance of such Claim; provided that such limitation shall not apply to Claims requested by the Debtor to be estimated for voting purposes only.

vii. No Distributions Pending Allowance

If an objection, motion to estimate, or other challenge to a Claim is filed, no payment or distribution provided under the Plan shall be made on account of such Claim unless and until (and only to the extent that) such Claim becomes an Allowed Claim.

viii. Claim Resolution Procedures Cumulative

All of the objection, estimation, and resolution procedures in the Plan are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently settled, compromised, withdrawn, or resolved in accordance with the Plan without further notice or Bankruptcy Court approval.

ix. Interest

To the extent that a Disputed Claim becomes an Allowed Claim after the Effective Date, the holder of such Claim shall not be entitled to any interest that accrued thereon from and after the Effective Date.

F. Executory Contracts and Unexpired Leases

i. General Treatment

As of and subject to the occurrence of the Effective Date, all executory contracts and unexpired leases, including, without limitation, real property leases, to which the Debtor is a party shall be deemed assumed or assumed and assigned, as applicable, except for any executory contract or unexpired lease that (i) was previously assumed or rejected by the Debtor pursuant to an order

of the Bankruptcy Court, (ii) previously expired or was terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a separate motion to assume or reject filed by the Debtor on or before the Confirmation Date, (iv) is specifically designated as a contract or lease to be included on the Rejection Schedule, or (v) is the subject of a pending Cure Dispute.

Subject to the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions, assumptions and assignments, or rejections provided for in the Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed or assumed and assigned pursuant to the Plan shall vest in and be fully enforceable by the Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

ii. Determination of Cure Disputes and Deemed Consent

Any Cure Amount shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Amount, as reflected in the applicable cure notice, in Cash on the Effective Date, subject to the limitations described below, or shall provide adequate assurance of future performance under such executory contracts and unexpired leases.

The Debtor shall file, as part of the Plan Supplement, the Assumption Schedule. At least 14 days before the commencement of the Confirmation Hearing, the Debtor shall serve a notice on parties to executory contracts or unexpired leases to be assumed reflecting the Debtor's intention to assume the contract or lease in connection with the Plan and, where applicable, setting forth the proposed Cure Amount (if any). Any objection by a counterparty to an executory contract or unexpired lease to the proposed assumption, assumption and assignment, or related Cure Amount must be filed, served, and actually received by the Debtor within 10 days of the service of the assumption notice, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court. Any counterparty to an executory contract or unexpired lease that fails to object timely to the proposed assumption, assumption and assignment, or Cure Amount (i) shall be deemed to have assented to such assumption, assumption and assignment, or Cure Amount, notwithstanding any provision thereof that purports to (1) prohibit, restrict, or condition the transfer or assignment of such contract or lease, or (2) terminate or permit the termination of a contract or lease as a result of any direct or indirect transfer or assignment of the rights of the Debtor under such contract or lease or a change, if any, in the ownership or control to the extent contemplated by the Plan, and shall forever be barred and enjoined from asserting such objection against the Debtor or terminating or modifying such contract or lease on account of transactions contemplated by the Plan, and (ii) shall be forever barred, estopped, and enjoined from challenging the validity of such assumption or assumption and assignment, as applicable, thereafter.

If there is a dispute pertaining to the assumption of an executory contract or unexpired lease (other than a dispute pertaining to a Cure Amount), such dispute shall be heard by the Bankruptcy Court prior to the assumption being effective; provided that the Debtor or the Reorganized Debtor may settle any such dispute without any further notice to, or action by, any party or order of the Bankruptcy Court.

To the extent a dispute relates to Cure Amounts, the Debtor may assume and/or assume

and assign the applicable executory contract or unexpired lease prior to the resolution of such cure dispute, provided that the Debtor or the applicable Reorganized Debtor reserves Cash in an amount sufficient to pay the full amount reasonably asserted as the Cure Amount by the counterparty to such executory contract or unexpired lease.

Assumption or assumption and assignment of any executory contract or unexpired lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims against the Debtor or defaults by the Debtor, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed executory contract or unexpired lease at any time before the date that the Debtor assumes or assumes and assigns such executory contract or unexpired Lease. Any proofs of claim filed with respect to an executory contract or unexpired lease that has been assumed or assumed and assigned shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court or any other Entity, upon the assumption of such executory contract or unexpired lease.

iii. Rejection Damages Claims

In the event that the rejection of an executory contract or unexpired lease hereunder results in damages to the other party or parties to such contract or lease, any Claim for such damages, if not heretofore evidenced by a timely filed proof of Claim, shall be forever barred and shall not be enforceable against the Debtor or the Reorganized Debtor, or the Estate, properties or interests in property as agents, successors, or assigns, unless a proof of Claim is filed with the Bankruptcy Court and served upon counsel for the Debtor or the Reorganized Debtor, as applicable, no later than 30 days after the filing and service of the notice of the occurrence of the Effective Date.

iv. Indemnification Obligations

Except as otherwise provided in the Plan or the Confirmation Order, to the fullest extent permitted by applicable law, any and all obligations of the Debtor pursuant to its limited liability company agreements or other organizational documents or agreements to indemnify officers, members, managers,, agents or employees, in each case solely in their capacity as such, employed by the Debtor on and/or after the Petition Date with respect to all present and future actions, suits, and proceedings against the Debtor or such members, managers,, agents or employees based upon any act or omission for or on behalf of the Debtor (collectively, the “Indemnification Obligations”) shall not be discharged, impaired, or otherwise affected by the Plan; provided, that, the Debtor or the Reorganized Debtor, as applicable, shall not indemnify any such o members, managers,, agents or employees of the Debtor for any Claims or Causes of Action arising out of or relating to any act or omission for which indemnification is barred under applicable law or that is excluded under the terms of the foregoing organizational documents or applicable agreements governing the Debtor’s Indemnification Obligations. The Reorganized Debtor shall not indemnify any persons for any claims or Causes of Action arising out of or relating to any act or omission that is a criminal act or constitutes intentional fraud, gross negligence or willful misconduct. Except as otherwise provided in the Plan, all such Indemnification Obligations shall be deemed and treated as executory contracts that are assumed by the Debtor under the Plan.

v. Insurance Policies

(a) Notwithstanding any other provision in the Plan, all insurance policies to which the Debtor is a party as of the Effective Date (including any “tail policy”) shall be deemed to be and treated as executory contracts and shall be assumed by the Reorganized Debtor, shall remain in full force and effect thereafter and shall continue as obligations of the Reorganized Debtor in accordance with their respective terms, and all such insurance policies shall vest in the Reorganized Debtor. Coverage for defense and indemnity under each D&O Policy shall remain available to all individuals within the definition of “Insured Persons” in any D&O Policy.

(b) After the Effective Date, all members, managers, agents or employees who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any D&O Policy (including any “tail” policy) for the full term of such policy regardless of whether such members, managers, agents and/or employees remain in such positions after the Effective Date, in each case, to the extent set forth in such policies.

(c) In addition, after the Effective Date, the Reorganized Debtor shall not terminate or otherwise reduce the coverage under any D&O Policy (including any “tail policy”) in effect as of the Petition Date.

(d) In the event that the Debtor or Reorganized Debtor, in its sole discretion, determine that an Allowed Claim is covered in full or in part under one of the Debtor’s insurance policies, no distributions under the Plan shall be made on account of such Allowed Claim unless and until, and solely to the extent that, (i) the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy, or (ii) an insurer authorized to issue a coverage position under such insurance policy, or the agent of such insurer, issues a formal determination, which the Debtor in its sole discretion does not contest, that coverage under such insurance policy is excluded or otherwise unavailable for losses arising from such Allowed Claim. To the extent that one or more of the Debtor’s insurers agrees to satisfy in full or in part an Allowed Claim, then immediately upon such insurers’ agreement, the applicable portion of such Allowed Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court. Nothing in the Plan shall be construed to limit, extinguish, or diminish the insurance coverage that may exist or shall be construed as a finding that liquidated any Claim payable pursuant to an insurance policy. Nothing herein relieves any Entity from the requirement to timely file a proof of claim by the applicable claims bar date.

vi. Licenses and Agreements

All intellectual property contracts, licenses, including, without limitation, governmentally-issued licenses, royalties, or other similar agreements to which the Debtor has any rights or obligations in effect as of the date of the Confirmation Order shall be deemed and treated as executory contracts pursuant to the Plan and shall be assumed, or assumed and assigned, by the Debtor and shall continue in full force and effect unless any such intellectual property contract, license, royalty, or other similar agreement otherwise is specifically rejected pursuant to a separate order of the Bankruptcy Court, is scheduled on the Rejection Schedule, or is the subject of a separate rejection motion filed by the Debtor. Unless otherwise noted hereunder, as applicable, all other intellectual property contracts, licenses, royalties, or other similar agreements shall vest in the Reorganized Debtor and the Reorganized Debtor may take all actions as may be necessary or appropriate to ensure such vesting as contemplated herein. With respect to governmentally-issued

licenses, the Reorganized Debtor shall comply with all valid statutes and regulations governing the maintenance of such licenses.

vii. Assignment

To the extent provided under the Bankruptcy Code or other applicable law, any executory contract or unexpired lease assumed and assigned hereunder shall remain in full force and effect for the benefit of the transferee or assignee in accordance with its terms, notwithstanding any provision in such executory contract or unexpired lease (including those of the type set forth in section 365(b)(2) of the Bankruptcy Code) that prohibits, restricts, or conditions such transfer or assignment. To the extent provided under the Bankruptcy Code or other applicable law, any provision that prohibits, restricts, or conditions the assignment or transfer of any such executory contract or unexpired lease or that terminates or modifies such executory contract or unexpired lease or allows the counterparty to such executory contract or unexpired lease to terminate, modify, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon any such transfer and assignment, constitutes an unenforceable anti-assignment provision and is void and of no force or effect.

viii. Reservation of Rights

The Debtor may amend the Assumption Schedule and the Rejection Schedule at any time prior to the conclusion of the Confirmation Hearing in order to add, delete, or reclassify any executory contract or unexpired lease. The Debtor shall provide notice of such amendment to any affected counterparty as soon as reasonably practicable.

Neither the exclusion nor the inclusion by the Debtor of any contract or lease on any exhibit, schedule, or other annex to the Plan or in the Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtor that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtor or the Reorganized Debtor has any liability thereunder.

Except as explicitly provided in the Plan, nothing herein shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the Debtor or the Reorganized Debtor under any executory or non-executory contract or unexpired or expired lease.

Nothing in the Plan shall increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtor or the Reorganized Debtor, as applicable, under any executory or non-executory contract or unexpired or expired lease.

ix. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan, each executory contract or unexpired lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such executory contract or unexpired lease, and executory contracts and unexpired leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of

the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

Each of the conditions precedent in Section 9.1 and Section 9.2 of the Plan may be waived in writing by the Debtor with the prior written consent of (i) the DIP Lender or the Exit Facility Lender, as applicable, solely to the extent that the waiver of a particular condition precedent would affect the legal and/or economic rights of the DIP Lender or the Exit Facility Lender, as applicable and respectively, under the Plan, the DIP Credit Agreement, or the Exit Facility Credit Agreement (as applicable).

The stay of the Confirmation Order pursuant to Bankruptcy Rule 3020(e) shall be deemed waived by and upon the entry of the Confirmation Order, and the Confirmation Order shall take effect immediately upon its entry.

H. Effect of Confirmation of Plan

i. Vesting of Assets

On the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all property of the Debtor's Estate shall vest in the Reorganized Debtor free and clear of all Claims, Liens, encumbrances, charges, and other interests, except as provided pursuant to the Plan, the Litigation Trust Agreement, the Confirmation Order, or the Exit Facility Credit Agreement (if applicable). On and after the Effective Date, the Reorganized Debtor may take any action, including the operation of its business, the use, acquisition, sale, lease, and disposition of property, and the entry into transactions, agreements, understandings, or arrangements, whether in or other than in the ordinary course of business, and execute, deliver, implement, and fully perform any and all obligations, instruments, documents, and papers or otherwise in connection with any of the foregoing, free of any restrictions of the Bankruptcy Code or Bankruptcy Rules and in all respects as if there were no pending cases under any chapter or provision of the Bankruptcy Code, except as expressly provided herein. Without limiting the foregoing, the Reorganized Debtor may pay the charges that it incurs on or after the Effective Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court.

ii. Binding Effect

As of the Effective Date, the Plan shall bind all holders of Claims against and Interests in the Debtor and its successors and assigns, notwithstanding whether any such holders (a) were Impaired or Unimpaired under the Plan, (b) were deemed to accept or reject the Plan, (c) failed to vote to accept or reject the Plan, (d) voted to reject the Plan, or (e) received any distribution under the Plan.

iii. Discharge of Claims and Termination of Interests

Upon the Effective Date and in consideration of the distributions to be made hereunder, except as otherwise expressly provided herein, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a Claim or Interest and any affiliate of such holder shall be deemed to have forever waived, released, and discharged the Debtor, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Interests, rights, and liabilities that arose prior to the Effective Date. Upon the Effective Date, all such Entities shall be forever precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any such discharged Claim against or terminated Interest in the Debtor against the Debtor or the Reorganized Debtor or any of their assets or property, whether or not such holder has filed a proof of claim and whether or not the facts or legal bases therefor were known or existed prior to the Effective Date.

iv. Term of Injunctions or Stays

Unless otherwise provided herein, in the Confirmation Order, or in a Final Order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Case under sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay.

v. Injunction

a) Upon entry of the Confirmation Order, all holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, shall be enjoined from taking any actions to interfere with the implementation or consummation of the Plan in relation to any Claim or Interest extinguished, discharged, released or treated pursuant to the Plan.

b) Except as expressly provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court or as agreed to by the Debtor and a holder of a Claim against or Interest in the Debtor, all Entities who have held, hold, or may hold Claims against or Interests in the Debtor (whether proof of such Claims or Interests has been filed or not and whether or not such Entities vote in favor of, against or abstain from voting on the Plan or are presumed to have accepted or deemed to have rejected the Plan) and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, are permanently enjoined, on and after the Effective Date, solely with respect to any Claims, Interests, and Causes of Action that will be or are extinguished, discharged, released, or treated pursuant to the Plan from (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the Released Parties or the property of any of the Released Parties, (ii) enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree, or order against the Released Parties or the property of any of the Released Parties, (iii) creating, perfecting, or otherwise enforcing in any manner, directly or

indirectly, any encumbrance of any kind against the Released Parties or the property of any of the Released Parties, (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Released Parties or the property of any of the Released Parties, except (x) as contemplated or allowed by the Plan or (y) to the extent asserted in a timely filed Proof of Claim or timely filed objection to the confirmation of the Plan, and (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan. For the avoidance of doubt, nothing in Section 10.5(b) of the Plan shall enjoin any (i) current or former patient of the Debtor from pursuing any Claim against any non-Debtor party that is not a Released Party, including any non-Debtor provider that is not a Released Party, for any acts or omissions arising out of or relating to any Claims for medical malpractice or (ii) Governmental Unit from filing a Proof of Claim on or by the Governmental Bar Date (as defined in the Bar Date Order).

c) No Person or Entity shall seek or initiate formal or informal discovery requests, demands, or proceedings upon or from the Patient Care Ombudsman without first seeking permission, upon sufficient prior notice to the Patient Care Ombudsman, from the Bankruptcy Court.

d) The injunctions in Section 10.5 of the Plan shall extend to any successors of the Debtor and the Reorganized Debtor and their respective property and interests in property.

vi. Releases

a) Releases by the Debtor

As of the Effective Date, except for the right to enforce the Plan or any right or obligation arising under the Definitive Documents that remains in effect after the Effective Date, for good and valuable consideration, on and after the Effective Date, the Released Parties shall be deemed released and discharged by the Debtor, the Reorganized Debtor, and the Estate, and any Person seeking to exercise the rights of the Estate, and any successors to the Debtor or any Estate representative appointed or selected pursuant to section 1123(b)(3) of the Bankruptcy Code, from any and all Claims, obligations, rights, suits, judgments, damages, demands, debts, Liens, Causes of Action, remedies, losses, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtor, the Reorganized Debtor, or the Estate, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, matured or unmatured, contingent or fixed, existing or hereinafter arising, in law, equity or otherwise, that the Debtor, the Reorganized Debtor, or the Estate would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtor, the Estate, the conduct of the Debtor's business, the Chapter 11 Case, the purchase, sale or rescission of the purchase or sale of any Security of the Debtor or the Reorganized Debtor, the DIP Facility, the DIP Documents, the Definitive Documents, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtor and any Released Party, the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the

Disclosure Statement, the Plan, and the Definitive Documents, or any related agreements, instruments, or other documents, and the negotiation, formulation, or preparation thereof, the solicitation of votes with respect to the Plan, or any other act or omission, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; provided, that, nothing in Section 10.6(a) of the Plan shall be construed to release (i) the Released Parties from intentional fraud, willful misconduct, or gross negligence, in each case as determined by a Final Order or (ii) any Retained Causes of Action.

b) Releases by Holders of Claims and Interests

As of the Effective Date, except for the right to enforce the Plan or any right or obligation arising under the Definitive Documents that remains in effect after the Effective Date, for good and valuable consideration, on and after the Effective Date, for good and valuable consideration, except as specifically set forth elsewhere in the Plan, the Releasing Parties conclusively, absolutely, unconditionally, irrevocably, and forever discharge and release (and each entity so discharged and released shall be deemed discharged and released by the Releasing Parties) the Released Parties and their respective property from any and all Claims, obligations, rights, suits, judgments, damages, demands, debts, Liens, Causes of Action, remedies, losses, and liabilities whatsoever (including contract claims, claims under ERISA and all other statutory claims, claims for contributions, withdrawal liability, reallocation liability, redetermination liability, interest on any amounts, liquidated damages, claims for attorneys' fees or any costs or expenses whatsoever), including any derivative claims, asserted or assertable on behalf of the Debtor, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, matured or unmatured, contingent or fixed, existing or hereinafter arising, in law, equity or otherwise, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) based on or relating to, or in any manner arising from, in whole or in part, the Debtor, the Estate, the Restructuring, the Chapter 11 Case, the purchase, sale or rescission of the purchase or sale of any Security of the Debtor or the Reorganized Debtor, the DIP Facility, the DIP Documents, the Definitive Documents, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtor and any Released Party (other than assumed contracts or leases), the restructuring of Claims and Interests before or during the Chapter 11 Case, the negotiation, formulation, preparation or consummation of the Plan (including the Plan Supplement), the Definitive Documents, or any related agreements, instruments or other documents, or the solicitation of votes with respect to the Plan, in all cases based upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date. For the avoidance of doubt, nothing in Section 10.6(b) of the Plan shall be construed to release (i) the Released Parties from intentional fraud, willful misconduct, or gross negligence, in each case as determined by a Final Order or (ii) any current or former patient of the Debtor from pursuing any Claim against any non-Debtor party that is not a Released Party, including any non-Debtor provider that is not a Released Party, for any acts or omissions arising out of or relating to any Claims for medical malpractice.

vii. Exculpation

Notwithstanding anything herein to the contrary, and to the maximum extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party is hereby released and exculpated from, any claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, remedy, loss, and liability for any act or omission taken on or after the Petition Date and prior to or on the Effective Date relating to, in any way, or arising out of, the Chapter 11 Case, the negotiation, formulation, preparation, dissemination, implementation, administration, confirmation, consummation, and pursuit of the Disclosure Statement, the Restructuring Transactions, the Plan, or the solicitation of votes for, or confirmation of, the Plan, the funding or consummation of the Plan (including the Plan Supplement), the Patient Care Ombudsman's evaluations, reports, pleadings, or other writings filed by or on behalf of the Patient Care Ombudsman in or in connection with the Chapter 11 Cases, the Definitive Documents, or any related agreements, instruments, or other documents, the solicitation of votes on the Plan, the offer, issuance, and distribution of any Securities issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, the occurrence of the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed under the Plan, except for actions determined by Final Order to constitute gross negligence, willful misconduct, or intentional fraud. This exculpation shall be in addition to, and not in limitation of, all other releases, indemnities, exculpations and any other applicable law or rules protecting such Exculpated Parties from liability.

The Debtor believes the releases and exculpations provided under the Plan to the Released Parties are reasonable and in the best interests of the Debtor and its stakeholders and will be prepared to demonstrate such in connection with confirmation of the Plan. Among others, the cooperation and participation of the Debtor's current officers, members, managers, and employees has been, and continues to be, vital to the success of the Chapter 11 Case. If the current management and the Board had not stayed in place, the consequences to the business cannot be overstated. Given the Debtor's precarious financial position and other issues with respect to its operations, the Debtor very likely would be facing liquidation absent the cooperation of these parties. The Debtor will be prepared to demonstrate at confirmation the contributions of the Released Parties were reasonable and necessary and that the releases and exculpations to be granted pursuant to the Plan are a sound exercise of the Debtor's business judgment and are consistent with applicable Tenth Circuit law.

viii. Subordinated Claims

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtor reserves the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

ix. Retention of Causes of Action/Reservation of Rights

Except as otherwise provided in Sections 10.5, 10.6, and 10.7 of the Plan, nothing

contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights, Claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses that the Debtor had immediately prior to the Effective Date on behalf of the Estate or of itself in accordance with any provision of the Bankruptcy Code or any applicable non-bankruptcy law, including any affirmative Causes of Action against parties with a relationship with the Debtor. Other than those Claims and Causes of Action assigned to the Litigation Trust pursuant to Section 5.6 of the Plan, the Reorganized Debtor shall have, retain, reserve, and be entitled to assert all Claims, Causes of Action, rights of setoff or recoupment, and other legal or equitable defenses notwithstanding the occurrence of the Effective Date, and all of the Debtor's legal and equitable rights in respect of any Unimpaired Claim may be asserted after the Confirmation Date and Effective Date to the same extent as if the Chapter 11 Case had not been commenced.

x. Ipso Facto and Similar Provisions Ineffective

Any term of any prepetition policy, prepetition contract, or other prepetition obligation applicable to the Debtor shall be void and of no further force or effect with respect to the Debtor to the extent that such policy, contract, or other obligation is conditioned on, creates an obligation of the Debtor as a result of, or gives rise to a right of any entity based on any of the following: (a) the insolvency or financial condition of the Debtor; (b) the commencement of the Chapter 11 Case; (c) the confirmation or consummation of the Plan, including any change of control that shall occur as a result of such consummation; or (d) the restructuring.

xi. Solicitation of Plan

As of and subject to the occurrence of the Confirmation Date: (a) the Debtor shall be deemed to have solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including sections 1125(a) and (e) of the Bankruptcy Code, and any applicable non-bankruptcy law, rule, or regulation governing the adequacy of disclosure in connection with such solicitation and (b) the Debtor and each of its members, managers, officers, employees, affiliates, agents, financial advisors, investment bankers, professionals, accountants, and attorneys shall be deemed to have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code in the offer and issuance of any Securities under the Plan, and therefore are not, and on account of such offer, issuance, and solicitation shall not be, liable at any time for any violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or the offer and issuance of any Securities under the Plan.

xii. Limited Liability Company Action

Upon the Effective Date, all actions of the Debtor or the Reorganized Debtor, as applicable, contemplated by the Plan shall be deemed authorized and approved in all respects, including (a) those set forth in Sections 5.2 and 5.4 of the Plan, as applicable, (b) the selection of the managers, and officers for the Reorganized Debtor, (c) the entry into the Exit Facility Credit Agreement (if applicable), (d) the establishment of the Litigation Trust, issuance of the Litigation Trust Interests and execution and delivery of the Litigation Trust Agreement, and (e) all other actions

contemplated by the Plan (whether to occur before, on, or after the Effective Date), in each case, in accordance with and subject to the terms and conditions hereof. All matters provided for in the Plan involving the limited liability company structure of the Debtor or the Reorganized Debtor, and any limited liability company action required by the Debtor or the Reorganized Debtor in connection with the Plan shall be in effect, without any requirement of further action by the security holders, members, managers, or officers of the Debtor or the Reorganized Debtor. On or (as applicable) before the Effective Date, the appropriate officers of the Debtor or the Reorganized Debtor, as applicable, shall be authorized and directed to issue, execute, and deliver the agreements, documents, Securities, and instruments, certificates of merger, certificates of conversion, certificates of incorporation, or comparable documents, or franchise tax reports contemplated by the Plan (or necessary or desirable to effect the transactions contemplated by the Plan) in the name of and on behalf of the Reorganized Debtor, including, (a) the New Governance Documents, (b) the Exit Facility Credit Agreement, and (c) any and all other agreements, documents, Securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by Section 10.12 of the Plan shall be effective notwithstanding any requirements under non-bankruptcy law.

I. Retention of Jurisdiction

On and after the Effective Date, the Bankruptcy Court shall retain jurisdiction over all matters arising in, arising under, and related to the Chapter 11 Case for, among other things, the following purposes:

- a) to hear and determine motions and/or applications for the assumption, assumption and assignment, or rejection of executory contracts or unexpired leases, including disputes over Cure Amounts, and the allowance, classification, priority, compromise, estimation, or payment of Claims resulting therefrom;
- b) to determine any motion, adversary proceeding, application, contested matter, and other litigated matter pending on or commenced after the Confirmation Date;
- c) to ensure that distributions to holders of Allowed Claims are accomplished as provided for in the Plan and Confirmation Order and to adjudicate any and all disputes arising from or relating to distributions under the Plan, including, cases, controversies, suits, disputes, or Causes of Action with respect to the repayment or return of distributions and the recovery of additional amounts owed by the holder of a Claim or Interest for amounts not timely paid;

x) to resolve any and all suits, proceedings, or other matters against or involving the Patient Care Ombudsman.

ii. Courts of Competent Jurisdiction

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Plan, such abstention, refusal, or failure of jurisdiction shall have no effect upon and shall not control, prohibit, or limit the exercise of jurisdiction by the federal and state courts situated in Oklahoma County, Oklahoma.

J. Miscellaneous Provisions

i. Payment of Statutory Fees

All fees payable pursuant to section 1930 of title 28 of the United States Code and any interest thereon pursuant to 31 U.S.C. § 3717 (“Quarterly Fees”) shall be paid in full in Cash on or before the Effective Date by the Debtor. After the Effective Date, the Reorganized Debtor and the Litigation Trustee shall pay all Quarterly Fees in full in Cash when due in the Chapter 11 Case⁴ until such time as a final decree is entered closing the Debtor’s case, a Final Order converting the Debtor’s case to a case under chapter 7 of the Bankruptcy Code is entered, or a Final Order dismissing the Debtor’s case is entered, whichever occurs first. The Debtor shall file all monthly operating reports due prior to the Effective Date when they become due, using UST Form 11-MOR. After the Effective Date, the Reorganized Debtor shall file with the Bankruptcy Court a post-confirmation quarterly report for the Debtor’s case for each quarter such case is pending, using UST Form 11-PCR. Notwithstanding anything to the contrary in the Plan, (i) Quarterly Fees are Allowed; (ii) the U.S. Trustee shall not be required to file any proof of claim or any other request(s) for payment with respect to Quarterly Fees; and (iii) the U.S. Trustee shall not be treated as providing any release under the Plan.

⁴ For the avoidance of doubt, the Litigation Trustee shall be solely responsible for paying quarterly fees with respect to distributions made from the Litigation Trust and shall not be responsible for contributing to quarterly fees arising from distributions made by the Debtor or the Reorganized Debtor.

ii. Substantial Consummation of the Plan

On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

iii. Plan Supplement

The Plan Supplement shall be filed with the Clerk of the Bankruptcy Court. Upon its filing with the Bankruptcy Court, the Plan Supplement may be inspected in the office of the Clerk of the Bankruptcy Court during normal court hours. Documents included in the Plan Supplement shall be posted at the website of the Debtor's notice, claims, and solicitation agent.

iv. Request for Expedited Determination of Taxes

The Reorganized Debtor shall have the right to request an expedited determination under section 505(b) of the Bankruptcy Code with respect to tax returns of the Debtor filed, or to be filed, for any and all taxable periods ending after the Petition Date through the Effective Date.

v. Exemption from Certain Transfer Taxes

Pursuant to section 1146 of the Bankruptcy Code, (a) the issuance, transfer or exchange of any Securities, instruments or documents, (b) the creation of any Lien, mortgage, deed of trust, or other security interest, (c) the making or assignment of any lease or sublease or the making or delivery of any deed or other instrument of transfer under, pursuant to, in furtherance of, or in connection with the Plan, including any deeds, bills of sale, or assignments executed in connection with any of the transactions contemplated under the Plan or the revesting, transfer, or sale of any real or personal property of the Debtor pursuant to, in implementation of or as contemplated in the Plan (whether to the Reorganized Debtor or otherwise), (d) the grant of collateral under the Exit Facility Credit Agreement, and (e) the issuance, renewal, modification, or securing of indebtedness by such means, and the making, delivery or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including the Confirmation Order, shall not be subject to any document recording tax, stamp tax, conveyance fee, or other similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, sales tax, use tax, or other similar tax or governmental assessment. Consistent with the foregoing, each recorder of deeds or similar official for any county, city, or governmental unit in which any instrument hereunder is to be recorded shall, pursuant to the Confirmation Order, be ordered and directed to accept such instrument without requiring the payment of any filing fees, documentary stamp tax, deed stamps, stamp tax, transfer tax, intangible tax, or similar tax.

vi. Amendments

The Debtor reserves the right, in accordance with the Bankruptcy Code and the Bankruptcy Rules, to amend or modify the Plan prior to the entry of the Confirmation Order, including amendments or modifications to satisfy section 1129(b) of the Bankruptcy Code. After entry of the Confirmation Order, the Debtor may, upon order of the Bankruptcy Court, amend, modify, or supplement the Plan in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, in each case without additional disclosure pursuant to section 1125 of

the Bankruptcy Code.

Before the Effective Date, the Debtor may make appropriate technical adjustments and modifications to the Plan and the documents contained in the Plan Supplement to cure any non-substantive ambiguity, defect (including any technical defect), or inconsistency without further order or approval of the Bankruptcy Court.

vii. Effectuating Documents and Further Transactions

Each of the officers of the Reorganized Debtor is authorized, in accordance with their authority under the resolutions of the members or applicable board of directors or managers (on terms materially consistent with the Plan), to execute, deliver, file, or record such contracts, instruments, releases, indentures, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan.

viii. Revocation or Withdrawal of the Plan

The Debtor may revoke or withdraw the Plan prior to the Effective Date. If the Plan has been revoked or withdrawn prior to the Effective Date, or if confirmation or the occurrence of the Effective Date as to the Debtor does not occur on the Effective Date, then: (a) the Plan shall be null and void in all respects; (b) any settlement or compromise embodied in the Plan (including the fixing of or limiting to an amount of any Claim or Interest or Class of Claims or Interests), assumption of executory contracts or unexpired leases affected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void; and (c) nothing contained in the Plan shall (i) constitute a waiver or release of any Claim by or against, or any Interest in, the Debtor or any other Entity, (ii) prejudice in any manner the rights of the Debtor or any other Entity, or (iii) constitute an admission of any sort by the Debtor or any other Entity.

ix. Severability of Plan Provisions

If, before the entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtor, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted; provided that any such alteration or interpretation shall be reasonably acceptable to the Debtor. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms, (b) integral to the Plan and may not be deleted or modified without the consent of the Debtor, the Reorganized Debtor, the DIP Lender, or the Exit Facility Lender, solely to the extent that a particular term or provision affects the legal and/or economic rights of the DIP Lender or the Exit Facility Lender as applicable, under the Plan, the DIP Credit Agreement or the Exit Facility Credit Agreement and (c)

nonseverable and mutually dependent.

x. Governing Law

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent an exhibit hereto or a schedule in the Plan Supplement or a Definitive Document provides otherwise, the rights, duties, and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of Oklahoma, without giving effect to the principles of conflict of laws thereof.

xi. Time

In computing any period of time prescribed or allowed by the Plan, unless otherwise set forth herein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule 9006 shall apply.

xii. Dates of Actions to Implement the Plan

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

xiii. Immediate Binding Effect

Notwithstanding Bankruptcy Rules 3020(e), 6004(h), 7062, or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and Plan Supplement shall be immediately effective and enforceable and deemed binding upon and inure to the benefit of the Debtor, the holders of Claims and Interests (irrespective of whether such Claims or Interests are deemed to have accepted the Plan), the Released Parties, the Exculpated Parties and each of their respective successors and assigns, including the Reorganized Debtor.

xiv. Deemed Acts

Subject to and conditioned on the occurrence of the Effective Date, whenever an act or event is expressed under the Plan to have been deemed done or to have occurred, it shall be deemed to have been done or to have occurred without any further act by any party, by virtue of the Plan and the Confirmation Order.

xv. Successor and Assigns

The rights, benefits, and obligations of any Entity named or referred to in the Plan shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor, or permitted assign, if any, of each Entity.

xvi. Entire Agreement

On the Effective Date, the Plan, the Plan Supplement, and the Confirmation Order shall supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

xvii. Exhibits to Plan

All exhibits, schedules, supplements, and appendices to the Plan (including the Plan Supplement) are incorporated into and are a part of the Plan as if set forth in full therein.

xviii. Notices

All notices, requests, and demands to or upon the Debtor to be effective shall be in writing (including by electronic transmission) and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered, addressed as follows:

VII.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF PLAN

The following summary has been provided for informational purposes only. All holders

of Claims and Interests are urged to consult their tax advisors concerning the federal, state, local and other tax consequences applicable to them under the Plan.

The following discussion is a summary of certain U.S. federal income tax consequences of the consummation of the Plan to the Debtor, Reorganized Debtor and to certain holders of Allowed Claims. The following summary does not address the U.S. federal income tax consequences to holders of Claims that are Unimpaired, not entitled to vote, deemed to reject the Plan or otherwise entitled to payment in full in Cash under the Plan, nor to holders of Existing Equity Interests, because such holders are deemed to reject the Plan.

The discussion of U.S. federal income tax consequences below is based on the Internal Revenue Code of 1986, as amended (the “Tax Code”), U.S. Treasury regulations (“Treasury Regulations”), judicial authorities, published positions of the Internal Revenue Service (“IRS”), and other applicable authorities, all as in effect on the date of this Disclosure Statement and all of which are subject to change or differing interpretations (possibly with retroactive effect). The U.S. federal income tax consequences of the contemplated transactions are complex and subject to significant uncertainties. The Debtor has not requested an opinion of counsel or a ruling from the IRS with respect to any of the tax aspects of the contemplated transactions, and the discussion below is not binding upon the IRS or any court. No assurance can be given that the IRS will not assert, or that a court will not sustain, a different position than any position discussed herein.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to the Debtor or to certain holders of Allowed Claims in light of their individual circumstances, nor does it address tax issues with respect to such holders of Allowed Claims subject to special treatment under the U.S. federal income tax laws (including, for example, banks, governmental authorities or agencies, partnership or other pass-through entities, subchapter S corporations, dealers and traders in securities, insurance companies, financial institutions, tax exempt organizations, small business investment companies, persons who are related to the Debtor within the meaning of the Tax Code, U.S. Holders (defined below) who prepare “applicable financial statements” (as defined in section 451 of the Tax Code), persons using a mark-to-market method of accounting, or holders of Allowed Claims who are themselves in bankruptcy. No aspect of state, local, estate, gift, or non-U.S. taxation is addressed. Furthermore, this summary assumes that a holder of an Allowed Claim holds only Allowed Claims in a single Class and holds its Allowed Claims as “capital assets” (within the meaning of section 1221 of the Tax Code). This discussion does not address special considerations that may apply to persons who are holders of both Allowed Claims and Existing Equity Interests.

This summary also assumes that the various debt and other arrangements to which the Debtor is a party will be respected for U.S. federal income tax purposes in accordance with their form. In addition, this discussion does not address U.S. federal taxes other than income taxes, nor does it address the Foreign Account Tax Compliance Act.

THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON A HOLDER’S INDIVIDUAL CIRCUMSTANCES. ALL HOLDERS OF CLAIMS AND EXISTING EQUITY INTERESTS ARE URGED TO CONSULT THEIR OWN TAX

ADVISORS FOR THE U.S. FEDERAL, STATE, LOCAL AND OTHER TAX CONSEQUENCES APPLICABLE TO THEM UNDER THE PLAN.

A. Certain U.S. Federal Income Tax Consequences of the Plan to U.S. Holders of Certain Allowed Claims

a) The Litigation Trust

The Litigation Trust is intended to be treated as a “liquidating trust” within the meaning of section 301.7701-4(d) of the Treasury Regulations for U.S. federal income tax purposes, which is not a separate taxable entity, but rather is treated for U.S. federal income tax purposes as a “grantor trust” (i.e., a pass-through entity) with the holders of Litigation Trust Interests as the grantors.

The Debtor intends to treat the transfer of assets by the Debtor to the Litigation Trust as (i) a deemed transfer of such assets to holders of the Base Claims receiving Litigation Trust Interests in proportion to their interests in the Litigation Trust in partial satisfaction of such holder’s Allowed Base Claim, followed by (ii) the deemed transfer by such holders to the Litigation Trust of such assets in exchange for their Litigation Trust Interests.

Under the Plan, the trustee of the Litigation Trust will make a valuation of assets transferred to the Litigation Trust. All parties to the Litigation Trust (including, without limitation, the Debtor, holders of the Base Claim receiving interests in the Litigation Trust, and the trustee of the Litigation Trust) must report consistently with such valuation for all U.S. federal income tax purposes. The valuation will be made available, from time to time, as relevant for tax reporting purposes.

VIII.

CERTAIN RISK FACTORS TO BE CONSIDERED

Prior to voting to accept or reject the Plan, holders of Claims and Interests should read and carefully consider the risk factors set forth below, in addition to the information set forth in this Disclosure Statement together with any attachments, exhibits, or documents incorporated by reference hereto. The factors below should not be regarded as the only risks associated with the Plan or its implementation. New factors, risks and uncertainties emerge from time to time, and it is not possible to predict all such factors, risks and uncertainties.

A. Certain Bankruptcy Law Considerations

i. General

Although the Plan is designed to minimize the length of the Chapter 11 Case, it is impossible to predict with certainty the amount of time that the Debtor may spend in bankruptcy or to assure parties in interest that the Plan will be confirmed. Even if confirmed on a timely basis, bankruptcy proceedings to confirm the Plan could have an adverse effect on the Debtor’s business. Among other things, it is possible that bankruptcy proceedings could adversely affect the Debtor’s relationships with its key vendors, customers, and employees. The proceedings will also involve

additional expense and may divert some of the attention of the Debtor's management away from business operations.

ii. Risk of Non-Confirmation of Plan

Although the Debtor believes that the Plan will satisfy all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion or that modifications to the Plan will not be required for confirmation or that such modifications would not necessitate re-solicitation of votes. Moreover, the Debtor can make no assurances that it will receive the requisite acceptances to confirm the Plan, and even if all the Voting Classes vote in favor of the Plan or the requirements for "cramdown" are met with respect to any Class that rejects the Plan, the Bankruptcy Court, which may exercise substantial discretion as a court of equity, may choose not to confirm the Plan.

iii. Risk of Failing to Satisfy the Vote Requirement

In the event that the Debtor is unable to get sufficient votes from the Voting Classes, the Debtor may seek to accomplish an alternative chapter 11 plan or seek to cram down the Plan on non-accepting classes. There can be no assurance that the terms of any such alternative chapter 11 plan would be similar or as favorable to holders of Allowed Claims and Interests as those proposed in the Plan.

iv. Risk of Non-Consensual Confirmation

In the event that any impaired class of Claims or Interests does not accept or is deemed not to accept the Plan, the Bankruptcy Court may nevertheless confirm such Plan at the request of the Debtor if at least one impaired class has accepted the Plan (with such acceptance being determined without including the vote of any "insider" in such class), and as to each impaired class that has not accepted the Plan, the Bankruptcy Court determines that the Plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting impaired classes. Should any Class vote to reject the Plan, then these requirements must be satisfied with respect to such rejecting Classes. The Debtor believes that the Plan satisfies these requirements.

v. Risk Related to DIP Facility

The DIP Facility is intended to provide liquidity to the Debtor during the pendency of the Chapter 11 Case. If the Chapter 11 Case takes longer than expected to conclude, or in the event of a breach of a milestone or another event of default under the DIP Facility, which could occur if the Plan is not confirmed on the proposed timeline, the Debtor may exhaust or lose access to its financing. There is no assurance that the Debtor will be able to obtain additional financing from its existing lender or otherwise. In either such case, the liquidity necessary for the orderly functioning of the Debtor's business may be materially impaired.

vi. Risk Related to Possible Objections to the Plan

There is a risk that certain parties could oppose and object to either the entirety of the Plan or specific provisions of the Plan. Although the Debtor believes that the Plan complies with all relevant Bankruptcy Code provisions, there can be no guarantee that a party in interest will not file an objection to the Plan or that the Bankruptcy Court will not sustain such an objection.

vii. Risk of Non-Occurrence of Effective Date

There can be no assurance as to the timing of the Effective Date. If the conditions precedent to the Effective Date set forth in the Plan have not occurred or have not been waived as set forth in Article IX of the Plan, then the Confirmation Order may be vacated, in which event no distributions would be made under the Plan, the Debtor and all holders of Claims or Interests would be restored to the status quo as of the day immediately preceding the Confirmation Date, and the Debtor's obligations with respect to Claims and Interests would remain unchanged.

viii. Conversion to Chapter 7 Case

If no plan of reorganization can be confirmed, or if the Bankruptcy Court otherwise finds that it would be in the best interest of holders of Claims and Interests, the Chapter 11 Case may be converted to a case under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed to liquidate the Debtor's assets for distribution in accordance with the priorities established by the Bankruptcy Code. See Article XI hereof, as well as the liquidation analysis annexed hereto as **Exhibit 2** (the "Liquidation Analysis") for a discussion of the effects that a chapter 7 liquidation would have on the recoveries of holders of Claims and Interests. All or substantially all of the Debtor's assets are encumbered by prepetition liens and DIP liens such that there would not be any material unencumbered assets available for distribution in a chapter 7 liquidation.

B. Risks Relating to the Plan

i. Claims Could Be More than Projected

There can be no assurance that the estimated Allowed amount of Claims in certain Classes will not be significantly more than projected, which, in turn, could cause the value of distributions to each holder in the applicable Class to be reduced, possibly substantially. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the ultimate results. Further, the deadline for Governmental Units to file Proofs of Claim against the Debtor is April 7, 2025 at 4:00 p.m. (Central Time), after the Confirmation Hearing. Consequently, Governmental Units may file Claims subsequent to the Confirmation Hearing, which Claims may dilute recoveries for holders of unsecured claims. Furthermore, although the Debtor anticipates that Administrative Expense Claims have been projected properly, these amounts are likely to increase if the anticipated timeline of the Chapter 11 Case is delayed or protracted litigation with the creditors of such entities occurs. The actual amount of Allowed Claims may vary from the Debtor's projections, and the variation may be material.

ii. Claims Could be Determined to be Non-Dischargeable

There can be no assurance that Claims from which the Debtor seeks a discharge will be determined to be dischargeable by the Court. The Court may find certain Claims to be non-dischargeable, which may ultimately dilute recoveries for holders of other Claims.

iii. Conditions to Consummation of Plan

Although the Debtor believes that it will be able to consummate the Restructuring, there are conditions to the Effective Date, including that certain regulatory approvals, are received. Accordingly, the Debtor is not certain that the Restructuring will be consummated as planned.

iv. Post-Effective Date Indebtedness

Following the Effective Date, in the event of a Reorganization Transaction, the Reorganized Debtor will have outstanding funded indebtedness under the Exit Facility. The Reorganized Debtor's ability to service its debt obligations will depend on, among other things, the Reorganized Debtor's compliance with affirmative and negative covenants, the applicable interest rate under the Exit Facility, as well as future operating performance, which depends partly on economic, financial, competitive, and other factors beyond the Reorganized Debtor's control. The Reorganized Debtor may not be able to generate sufficient cash from operations to meet its debt service obligations as well as fund necessary capital expenditures and investments in operating its business. In addition, if the Reorganized Debtor needs to refinance its debt, obtain additional financing, or sell assets or equity, it may not be able to do so on commercially reasonable terms, if at all.

v. Base Settlement May Not Be Approved by the Bankruptcy Court

As described more fully above, the Plan incorporates a proposed Base Settlement among the Debtor and Emma Base (the "Base Settlement"); however, the Base Settlement remain subject to approval of the Bankruptcy Court. Such approval may not be obtained.

C. Risks Relating to the Debtor's Business

i. Regulatory Risks

The Debtor is subject to extensive regulation by both the federal government and the state government in which it provides services. These laws may constrain the business or financial arrangements and relationships through which the Debtor conducts operations. The laws and regulations in these areas are complex, changing and often subject to varying interpretations, and any failure to satisfy applicable laws and regulations could have a material adverse impact on the Debtor's business, results of operations, financial condition, cash flows and reputation. If the Debtor's operations are found to be in violation of any of the laws and regulations, the Debtor may be subject to the applicable penalty associated with the violation, including civil and criminal penalties, damages, fines, exclusion or suspension from participating in governmental health care programs, and the curtailment of the Debtor's operations.

Any penalties, damages, fines or curtailment of its operations, individually or in the aggregate, could adversely affect the Debtor's ability to operate and its financial results. The risks of being found in violation of these laws and regulations is increased by the fact that many of them have not been fully interpreted by the regulatory authorities or the courts, their provisions are open to a variety of interpretations, and such laws and regulations may apply to businesses acquired from time to time by the Debtor.

ii. Contracts with Payors/Insurance Providers

The Debtor generates revenues from the U.S. federal Medicare and state Medicaid programs, including Medicare and Medicaid managed care plans. Healthcare expenditures continue to increase and state governments continue to face budgetary shortfalls. Driven by these financial factors and ongoing health reform efforts, federal and state governments have made, and continue to make, significant changes in the Medicare and Medicaid programs, including changes in payment methodologies, reductions in reimbursement payment levels and reductions to payments made to providers under state supplemental payment programs. Some of these changes have already occurred, and could re-occur in the future, limiting the amount of payments the Debtor receives for its services.

In addition, U.S. federal and state governmental and commercial payors, as well as other third parties from whom the Debtor receives payment for the Debtor's services, attempt to control healthcare costs by, for example, requiring healthcare providers to discount payments for their services in exchange for exclusive or preferred participation in their benefit plan networks, restricting coverage through utilization reviews, requiring prior authorizations for non-emergency services and implementing alternative payment models. The ability of commercial payors to control healthcare costs using these measures may be enhanced by the increasing consolidation of private health insurance companies and managed care companies and vertical integration of health insurers with healthcare providers. Cost-reduction strategies by large employer groups and their affiliates may also limit the Debtor's ability to negotiate favorable terms in the Debtor's contracts and otherwise intensify competitive pressure. Furthermore, the Debtor's contracts with payors require the Debtor to comply with a number of terms related to the provision of services and billing for services. If the Debtor is unable to negotiate increased reimbursement rates, maintain existing reimbursement rates or other favorable contract terms, effectively respond to payor cost controls or comply with the terms of the Debtor's payor contracts, the payments the Debtor receives for its services may be reduced or the Debtor may be involved in disputes with payors and experience payment denials, both prospectively and retroactively.

iii. Recruiting and Retention of Physicians

The success of the Debtor's healthcare facilities depends in part on the number and quality of the physicians on the medical staffs of the Debtor's healthcare facilities, the Debtor's ability to employ or contract with quality physicians, the utilization practices of employed and non-employed physicians, maintaining good relations with physicians and controlling costs related to the employment of physicians. In the market the Debtor serves, many physicians have admitting privileges at other healthcare facilities. Such physicians may terminate their affiliation or employment with the Debtor's healthcare facilities at any time. If the Debtor is unable to provide adequate supporting medical staff or technologically advanced medical equipment and facilities

that meet physicians' and patients' needs or expectations, services may decrease and the Debtor's operating performance may decline.

iv. Privacy and Security Regulations

There are numerous federal and state laws and regulations within the U.S. addressing patient information privacy and security concerns, including state laws related to identity theft. States continue to pass laws focusing on the privacy and security of health information. Most prominently, the federal regulations issued under HIPAA contain provisions that:

- Protect individual privacy by limiting the uses and disclosures of patient information;
- Require notifications to individuals, and in certain cases to government agencies and the media, in the event of a breach of unsecured protected health information;
- Require the implementation of security safeguards to ensure the confidentiality, integrity and availability of individually identifiable health information in electronic form; and
- Prescribe specific transaction formats and data code sets for certain electronic healthcare transactions.

Furthermore, the Omnibus HIPAA Rule makes business associates directly obligated to adhere to the HIPAA Security Rule and certain provisions of the HIPAA Privacy and Breach Notification Rules, such that violations of these rules can be enforced by the government directly against the business associate. These regulations impose extensive administrative requirements regarding how protected health information may be used and disclosed, and compliance with these regulations requires substantial time and resources. If the Debtor fails to comply with the HIPAA regulations, the Debtor could be subject to civil and criminal penalties and, for the Debtor's employees, possible imprisonment. Furthermore, the Debtor's facilities could be subject to a periodic audit or investigations by the federal government, and enforcement of violations of HIPAA or other similar privacy laws in the jurisdiction where the Debtor operates may occur by federal agencies, state attorneys general, or other relevant regulators.

D. Risks Relating to Exit Obligations

i. Insufficient Cash Flow to Meet Debt Obligations

On the Effective Date, in the event that a Reorganization occurs, on a consolidated basis, it is expected that the Reorganized Debtor will have outstanding secured indebtedness in an amount no greater than \$5 million. This level of expected indebtedness and the funds required to service such debt could, among other things, make it more difficult for the Reorganized Debtor to satisfy its obligations under such indebtedness, increasing the risk that it may default on such debt obligations.

The Reorganized Debtor's earnings and cash flow may vary significantly from year to year. Additionally, the Reorganized Debtor's future cash flow may be insufficient to meet its debt obligations and commitments. Any insufficiency could negatively impact the Reorganized Debtor's business. A range of economic, competitive, business, and industry factors will affect the Reorganized Debtor's future financial performance and, as a result, its ability to generate cash flow

from operations and to pay its debt. Many of these factors are beyond the Reorganized Debtor's control.

If the Reorganized Debtor does not generate enough cash flow from operations to satisfy its debt obligations, it may have to undertake alternative financing plans, such as refinancing or restructuring debt, selling assets, reducing or delaying capital investments, or seeking to raise additional capital.

It cannot be assured, however, that undertaking alternative financing plans, if necessary, would allow the Reorganized Debtor to meet its debt obligations. An inability to generate sufficient cash flow to satisfy its debt obligations or to obtain alternative financing could materially and adversely affect the Reorganized Debtor's ability to make payments on the Exit Facility and its business, financial condition, results of operations, and prospects.

ii. Defects in Collateral Securing the Exit Obligations

The Exit Facility will be secured, subject to certain exceptions and permitted liens, by security interests in substantially all assets of the Reorganized Debtor (the "Exit Collateral"). The Exit Collateral may be subject to customary exceptions, encumbrances, and liens. Further, the Debtor has not conducted appraisals of any assets constituting Exit Collateral to determine if the value of the Exit Collateral upon foreclosure or liquidation equals or exceeds the amount of the Exit Facility. Accordingly, it cannot be assured that the remaining proceeds from a sale of the Exit Collateral would be sufficient to repay the Exit Facility. The fair market value of the Exit Collateral is subject to fluctuations based on factors that include, among others, the ability to sell such collateral in an orderly manner, general economic conditions, the availability of buyers, the Reorganized Debtor's failure to implement its business strategy, and similar factors. The amount received upon a sale of Exit Collateral would be dependent on numerous factors, including, but not limited to, the actual fair market value of such collateral at such time, and the timing and manner of the sale. By its nature, portions of the Exit Collateral may be illiquid and may have no readily ascertainable market value. In the event of a subsequent foreclosure, liquidation, bankruptcy, or similar proceeding, it cannot be assured that the proceeds from any sale or liquidation of the Exit Collateral will be sufficient to pay the Exit Facility, in full or at all. There can also be no assurance that the Exit Collateral will be saleable, and, even if saleable, the timing of its liquidation would be uncertain. Accordingly, there may not be sufficient Exit Collateral to pay all or any of the amounts due on the Exit Facility.

iii. Failure to Maintain Perfection of Security Interests of Collateral

The failure to maintain properly perfected liens of the Exit Collateral could adversely affect the collateral agent's ability to enforce rights with respect to the Exit Collateral for the benefit of the lender under the Exit Facility. In addition, applicable law requires that certain property and rights acquired after the grant of a general security interest or lien can only be perfected at the time such property and rights are acquired and identified. There can be no assurance that the collateral agent will monitor, or that Reorganized Debtor will inform the trustee or the collateral agent of, the future acquisition of property and rights that constitute Exit Collateral, and that the necessary action will be taken to properly perfect the security interest in such after-acquired Exit Collateral.

The collateral agent has no obligation to monitor the acquisition of additional property or rights that constitute Exit Collateral or the perfection of any security interests therein. Such failure may result in the loss of the practical benefits of the liens thereon or of the priority of the liens securing the Exit Facility against third parties.

iv. Casualty Risk of Collateral

The Reorganized Debtor will be obligated to maintain adequate insurance or otherwise insure against hazards as is customarily done by companies having assets of a similar nature in the same or similar localities. There are, however, certain losses that may either be uninsurable or not economically insurable, in whole or in part. As a result, it is possible that the insurance proceeds will not compensate the Reorganized Debtor fully for its losses. If there is a total or partial loss of any of the pledged collateral, the insurance proceeds received may be insufficient to satisfy the Exit Facility.

E. Additional Factors

i. Debtor Could Withdraw or Amend the Plan

The Plan may be revoked, amended or withdrawn prior to the confirmation date by the Debtor. If the Debtor elects to do so, certain parties may assert that (i) the Plan and Disclosure Statement may require material modifications to reflect the terms of the alternative restructuring and the effect such transaction has on recoveries for unsecured creditors, and (ii) a re-solicitation of votes in respect of the modified Plan may be required. The Debtor reserves all rights with respect thereto.

ii. Debtor Has No Duty to Update

The statements contained in this Disclosure Statement are made by the Debtor as of the date hereof, unless otherwise specified herein, and the delivery of this Disclosure Statement after that date does not imply that there has been no change in the information set forth herein since that date. The Debtor has no duty to update this Disclosure Statement unless otherwise ordered to do so by the Bankruptcy Court.

iii. No Representations or Warranties Outside Disclosure Statement Are Authorized

No representations or warranties concerning or related to the Debtor, the Chapter 11 Case, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations, warranties, or other inducements made to secure your acceptance or rejection of the Plan that are other than those contained in, or included with, this Disclosure Statement should not be relied upon in making the decision to accept or reject the Plan.

iv. No Legal or Tax Advice Is Provided by Disclosure Statement

The contents of this Disclosure Statement should not be construed as legal, business, or tax advice. Each holder of a Claim or Interest should consult their own legal counsel and accountant or financial advisor as to legal, tax, and other matters concerning their Claim or Interest.

This Disclosure Statement is not legal advice to you. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Plan or object to confirmation of the Plan.

v. No Admission Made

Nothing contained herein or in the Plan will constitute an admission of, or will be deemed evidence of, the tax or other legal effects of the Plan on the Debtor or holders of Claims or Interests.

vi. Failure to Identify Litigation Claims or Projected Objections

No reliance should be placed on the fact that a particular litigation claim or projected objection to a particular Claim or Interest is, or is not, identified in this Disclosure Statement. The Debtor may seek to investigate, file, and prosecute Claims and Interests, and may object to Claims or Interests after the Confirmation or Effective Date of the Plan irrespective of whether this Disclosure Statement identifies such Claims or Interests or objections to such Claims or Interests.

vii. Certain Tax Consequences

For a discussion of certain tax considerations to the Debtor and certain holders of Claims in connection with the implementation of the Plan, see Article VII hereof.

IX.

VOTING PROCEDURES AND REQUIREMENTS

A. Voting Instructions and Voting Deadline

Only holders of Class 2 Claims (Critical Vendors Claims), Class 3 Claims (GUC Claims), and Class 4 Claims (Base Claim) (collectively, the “Eligible Holders”) are entitled to vote to accept or reject the Plan, subject to certain exclusions. The Debtor is providing copies of this Disclosure Statement (including all exhibits and appendices) and related materials and a ballot in the Solicitation Packages to record holders of Critical Vendors Claims, GUC Claims, and the Base Claim.

Each ballot contains detailed voting instructions. Each ballot also sets forth in detail, among other things, the deadlines, procedures, and instructions for voting to accept or reject the Plan, the date for determining which creditors or interest holders are entitled to vote on the Plan

(the “Voting Record Date”), and the applicable standards for tabulating ballots. The Voting Record Date for determining which holders are entitled to vote on the Plan is April 12, 2025.

Please complete the information requested on the ballot, sign, date, and indicate your vote on the ballot, and return the completed ballot in accordance with the instructions set forth on the ballot.

FOR YOUR VOTE TO BE COUNTED, YOUR BALLOT MUST BE ACTUALLY RECEIVED BY THE VOTING AGENT NO LATER THAN MAY 1, 2025 AT 5:00 P.M. PREVAILING CENTRAL TIME (THE “VOTING DEADLINE”).

AN OTHERWISE PROPERLY COMPLETED, EXECUTED, AND TIMELY RETURNED BALLOT FAILING TO INDICATE EITHER ACCEPTANCE OR REJECTION OF THE PLAN OR INDICATING BOTH ACCEPTANCE AND REJECTION OF THE PLAN WILL NOT BE COUNTED IN DETERMINING THE ACCEPTANCE OR REJECTION OF THE PLAN.

If you are an Eligible Holder and you did not receive a ballot, received a damaged ballot, or lost your ballot, or if you have any questions concerning the procedures for voting on the Plan, please contact Kurtzman Carson Consultants LLC *dba* Verita Global at <https://www.veritaglobal.net/OneCore/Inquiry>.

THE PLAN PROVIDES THE HOLDERS OF CLAIMS OR INTERESTS THAT VOTE TO ACCEPT THE PLAN BUT DO NOT OPT OUT OF GRANTING THE RELEASES ARE DEEMED TO HAVE GRANTED THE RELEASES SET FORTH THEREIN.

IF A HOLDER OF A CLAIM RECEIVES A BALLOT AND VOTES TO ACCEPT THE PLAN, AND DOES NOT CHECK THE OPT-OUT BOX ON SUCH BALLOT, SUCH HOLDER SHALL BE DEEMED TO HAVE CONSENTED TO THE RELEASE, INJUNCTION, AND EXCULPATION PROVISIONS SET FORTH IN SECTIONS 10.5, 10.6, AND 10.7 OF THE PLAN.

B. Parties Entitled to Vote

Claims in Class 2 (Critical Vendors Claims), Class 3 (GUC Claims), and Class 4 (Base Claim) of the Plan are impaired, and Eligible Holders in such Classes are entitled to vote to accept or reject the Plan. Claims and Interests in all other Classes under the Plan (Classes 1 and 5) are either unimpaired and presumed to accept or impaired and deemed to reject the Plan and are not entitled to vote.

The Debtor will request confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code over the rejection of the Plan by any Class that is deemed to reject the Plan, and Section 1129(b) of the Bankruptcy Code permits the confirmation of a chapter 11 plan notwithstanding the rejection of such plan by one or more impaired classes of claims or equity interests. Under section 1129(b) of the Bankruptcy Code, a plan may be confirmed by a bankruptcy court if it does not “discriminate unfairly” and is “fair and equitable” with respect to each rejecting class. For a more detailed description of the requirements for confirmation of a nonconsensual plan, *see* Article X.C.ii

hereof.

C. Change of Vote

Any party that has previously submitted to the Voting Agent prior to the Voting Deadline a properly completed ballot may revoke such ballot and change its vote by submitting to the Voting Agent prior to the Voting Deadline a subsequent, properly completed ballot for acceptance or rejection of the Plan.

D. Waivers of Defects, Irregularities, etc.

Unless otherwise directed by the Bankruptcy Court, all questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawals of ballots will be determined by the Voting Agent and/or the Debtor, as applicable. The Debtor reserves the right to reject any and all ballots submitted by any of its respective Claim or Interest holders not in proper form, the acceptance of which would, in the opinion of the Debtor or its counsel, as applicable, be unlawful. The Debtor further reserves its rights to waive any defects or irregularities or conditions of delivery as to any particular ballot by any of its creditors. The interpretation (including the ballot and the respective instructions thereto) by the Debtor, unless otherwise directed by the Bankruptcy Court, will be final and binding on all parties. Unless waived, any defects or irregularities in connection with deliveries of ballots must be cured within such time as the Debtor (or the Bankruptcy Court) determines. Neither the Debtor nor any other person will be under any duty to provide notification of defects or irregularities with respect to deliveries of ballots nor will any of them incur any liabilities for failure to provide such notification. Unless otherwise directed by the Bankruptcy Court, delivery of such ballots will not be deemed to have been made until such irregularities have been cured or waived. Ballots previously furnished (and as to which any irregularities have not theretofore been cured or waived) will be invalidated.

E. Miscellaneous

Unless otherwise ordered by the Bankruptcy Court, ballots that are signed, dated, and timely received, but on which a vote to accept or reject the Plan has not been indicated, will not be counted. The Debtor, in its sole discretion, may request that the Voting Agent attempt to contact such voters to cure any such defects in the ballots. If you cast ballots received by Verita Global on the same day, but which are voted inconsistently, such ballots will not be counted. An otherwise properly executed ballot that attempts to partially accept and partially reject the Plan will not be counted as an acceptance of the Plan.

The ballots provided to Eligible Holders will reflect the principal amount of such Eligible Holder's Claim or Interest; however, when tabulating votes, the Voting Agent may adjust the amount of such Eligible Holder's Claim or Interest by multiplying the principal amount by a factor that reflects all amounts accrued between the Voting Record Date and the Petition Date including, without limitation, interest.

Under the Bankruptcy Code, for purposes of determining whether the requisite acceptances have been received, only holders of the Critical Vendors Claims, GUC Claims, and Base Claim, as applicable, that actually vote will be counted. The failure of a holder to deliver a duly executed

ballot to the Voting Agent will be deemed to constitute an abstention by such holder with respect to voting on the Plan and such abstention will not be counted as a vote for or against the Plan.

Except as provided below, unless the ballot is timely submitted to the Voting Agent before the Voting Deadline together with any other documents required by such ballot, the Debtor may, in its sole discretion, reject such ballot as invalid, and therefore decline to utilize it in connection with seeking confirmation of the Plan.

X.

CONFIRMATION OF PLAN

A. Confirmation Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a confirmation hearing upon appropriate notice to all required parties. The Debtor will request that the Bankruptcy Court schedule the Confirmation Hearing. Notice of the Confirmation Hearing will be provided to all known creditors and equity holders or their representatives. The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of the adjourned date made at the Confirmation Hearing, at any subsequent adjourned Confirmation Hearing, or pursuant to a notice filed on the docket of the Chapter 11 Case.

B. Objections to Confirmation

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to the confirmation of a plan. Any objection to confirmation of the Plan must be in writing, must conform to the Bankruptcy Rules and applicable local rules, must set forth the name of the objector, the nature and amount of Claims or Interests held or asserted by the objector against the Debtor's estate or properties, the basis for the objection and the specific grounds thereof, and must be filed with the Bankruptcy Court, with a copy to the chambers of the United States Bankruptcy Judge appointed to the Chapter 11 Case, together with proof of service thereof, and served upon the following parties, including such other parties as the Bankruptcy Court may order:

C. Requirements for Confirmation of Plan

i. Requirements of Section 1129(a) of the Bankruptcy Code

a) General Requirements

At the Confirmation Hearing, the Bankruptcy Court will determine whether the confirmation requirements specified in section 1129(a) of the Bankruptcy Code have been satisfied including, without limitation, whether:

- (i) the Plan complies with the applicable provisions of the Bankruptcy Code;
- (ii) the Debtor has complied with the applicable provisions of the Bankruptcy Code;
- (iii) the Plan has been proposed in good faith and not by any means

forbidden by law;

(iv) any payment made or promised by the Debtor or by a person issuing securities or acquiring property under the Plan, for services or for costs and expenses in or in connection with the Chapter 11 Case, or in connection with the Plan and incident to the Chapter 11 Case, has been disclosed to the Bankruptcy Court, and any such payment made before confirmation of the Plan is reasonable, or if such payment is to be fixed after confirmation of the Plan, such payment is subject to the approval of the Bankruptcy Court as reasonable;

(v) the Debtor has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the Plan, as a director or officer of the Reorganized Debtor, or a successor to the Debtor under the Plan, and the appointment to, or continuance in, such office of such individual is consistent with the interests of the holders of Claims and Interests and with public policy, and the Debtor has disclosed the identity of any insider who will be employed or retained by the Reorganized Debtor, and the nature of any compensation for such insider;

(vi) with respect to each Class of Claims or Interests, each holder of an impaired Claim or impaired Interest has either accepted the Plan or will receive or retain under the Plan, on account of such holder's Claim or Interest, property of a value, as of the Effective Date, that is not less than the amount such holder would receive or retain if the Debtor were liquidated on the Effective Date under chapter 7 of the Bankruptcy Code;

(vii) except to the extent the Plan meets the requirements of section 1129(b) of the Bankruptcy Code (as discussed further below), each Class of Claims either accepted the Plan or is not impaired under the Plan;

(viii) except to the extent that the holder of a particular Claim has agreed to a different treatment of such Claim, the Plan provides that administrative expenses and priority Claims, other than Priority Tax Claims, will be paid in full on the Effective Date, and that Priority Tax Claims will receive either payment in full on the Effective Date or deferred cash payments over a period not exceeding 5 years after the Petition Date, of a value, as of the Effective Date of the Plan, equal to the Allowed amount of such Claims;

(ix) at least one Class of impaired Claims has accepted the Plan, determined without including any acceptance of the Plan by any insider holding a Claim in such Class;

(x) confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor under the Plan; and

(xi) all fees payable under section 1930 of title 28 of the United States Code, as determined by the Bankruptcy Court at the Confirmation Hearing, have been paid or the Plan provides for the payment of all such fees on the Effective

Date.

b) **Best Interests Test**

As noted above, with respect to each impaired class of claims and equity interests, confirmation of a plan requires that each such holder either (i) accept the plan, or (ii) receive or retain under the plan property of a value, as of the effective date of the plan, that is not less than the value such holder would receive or retain if the debtor was liquidated under chapter 7 of the Bankruptcy Code. This requirement is referred to as the “best interests test.”

This test requires a Bankruptcy Court to determine what the holders of allowed claims and allowed equity interests in each impaired class would receive from a liquidation of the debtor’s assets and properties in the context of a liquidation under chapter 7 of the Bankruptcy Code. To determine if a plan is in the best interests of each impaired class, the value of the distributions from the proceeds of the liquidation of the debtor’s assets and properties (after subtracting the amounts attributable to the aforesaid claims) is then compared with the value offered to such classes of claims and equity interests under the plan.

The Debtor believes that under the Plan all holders of Impaired Claims and Interests will receive property with a value not less than the value such holders would receive in a liquidation under chapter 7 of the Bankruptcy Code. The Debtor’s belief is based primarily on (i) consideration of the effects that a chapter 7 liquidation would have on the ultimate proceeds available for distribution to holders of impaired Claims and Interests, and (ii) the Liquidation Analysis, attached hereto as **Exhibit 2**.

The Debtor believes that any liquidation analysis is speculative, as it is necessarily premised on assumptions and estimates, which are inherently subject to significant uncertainties and contingencies, many of which would be beyond the control of the Debtor. The Liquidation Analysis is solely for the purpose of disclosing to holders of Claims and Interests the effects of a hypothetical chapter 7 liquidation of the Debtor, subject to the assumptions set forth therein. There can be no assurance as to values that would actually be realized in a chapter 7 liquidation nor can there be any assurance that a bankruptcy court will accept the Debtor’s conclusions or concur with such assumptions in making its determinations under section 1129(a)(7) of the Bankruptcy Code.

c) **Feasibility**

The Bankruptcy Code requires that a debtor demonstrate that confirmation of a plan is not likely to be followed by liquidation or the need for further financial reorganization unless contemplated by the Plan. The Effective Date of the Plan will not occur unless the Restructuring Transactions contemplated by the Plan close. Upon such closing the Reorganized Debtor will have sufficient funds to make the Distributions required under the Plan. Accordingly, the Debtor believes that all Plan obligations will be satisfied without the need for a further reorganization. [The feasibility of the Plan is further demonstrated by the *Feasibility Forecast*, attached hereto as **Exhibit 3**.](#)

d) **Equitable Distribution of Voting Power**

On or before the Effective Date, pursuant to and only to the extent required by section

1123(a)(6) of the Bankruptcy Code, the organizational documents for the Debtor will be amended as necessary to satisfy the provisions of the Bankruptcy Code and will include, among other things, pursuant to section 1123(a)(6) of the Bankruptcy Code, (i) a provision prohibiting the issuance of non-voting equity securities, and (ii) a provision setting forth an appropriate distribution of voting power among classes of equity securities possessing voting power.

ii. Additional Requirements for Non-Consensual Confirmation

Under the Bankruptcy Code, a class accepts a chapter 11 plan if (i) holders of 2/3 in amount and (ii) with respect to holders of claims, more than a majority in number of the allowed claims in such class (other than those designated under section 1126(e) of the Bankruptcy Code) vote to accept the plan. Holders of claims or interests that fail to vote are not counted in determining the thresholds for acceptance of the plan.

In the event that any impaired class of claims or interests does not accept or is deemed to reject the plan, the Bankruptcy Court may still confirm the plan at the request of the debtor if, as to each impaired class of claims or interests that has not accepted the plan, the plan “does not discriminate unfairly” and is “fair and equitable” with respect to such classes of claims or interests, pursuant to section 1129(b) of the Bankruptcy Code. Both of these requirements are in addition to other requirements established by case law interpreting the statutory requirements. The Debtor intends to seek non-consensual confirmation of the Plan, if necessary.

a) Unfair Discrimination Test

The “unfair discrimination” test applies to classes of claims or interests that are of equal priority and are receiving different treatment under the plan. A chapter 11 plan does not discriminate unfairly, within the meaning of the Bankruptcy Code, if the legal rights of a dissenting class are treated in a manner consistent with the treatment of other classes whose legal rights are substantially similar to those of the dissenting class and if no class of claims or interests receives more than it legally is entitled to receive for its claims or interests. This test does not require that the treatment be the same or equivalent, but that such treatment be “fair.”

The Debtor believes the Plan satisfies the “unfair discrimination” test. Claims of equal priority are receiving comparable treatment and such treatment is fair under the circumstances.

b) Fair and Equitable Test

The “fair and equitable” test applies to classes of different priority and status (e.g., secured versus unsecured) and includes the general requirement that no class of claims receive more than 100% of the allowed amount of the claims in such class. As to dissenting classes, the test sets different standards depending on the type of claims in such class. The Debtor believes that the Plan satisfies the “fair and equitable” test with respect to any dissenting Classes, as further explained below.

(i) Unsecured Creditors

The Bankruptcy Code requires that either (a) each holder of an impaired unsecured claim receive or retain under the plan property of a value equal to the amount of its allowed claim or (b)

the holders of claims and equity interests that are junior to the claims of the dissenting class not receive any property under the plan. The Plan provides that each holder of an Impaired unsecured Claim shall receive the treatment summarized above in Article VI of this Disclosure Statement.

(ii) Equity Interests

The Bankruptcy Code requires that either (a) each holder of an equity interest receive or retain under the plan property of a value equal to the greater of (i) the fixed liquidation preference or redemption price, if any, of such stock and (ii) the value of the stock, or (b) the holders of equity interests that are junior to any dissenting class of equity interests not receive any property under the plan. Pursuant to the Plan, all Existing OneCore Interests will be cancelled and the holders of Existing OneCore Interests will receive New OneCore Interests in the Reorganized Debtor in proportion to their contributions of new value in support of the Plan.

iii. **The Debtor's Releases and Third-Party Releases**

Section 10.6(a) of the Plan provides a release of certain claims and Causes of Action of the Debtor, the Reorganized Debtor, and the Estate against the Released Parties in exchange for good and valuable consideration and valuable compromises made by the Released Parties (the "Debtor's Releases"). The Debtor's Releases do not release any claims or Causes of Action arising after the Effective Date against any party or affect the rights of the Debtor or Reorganized Debtor to enforce the terms of the Plan or any right or obligation arising under the Definitive Documents that remain in effect after the Effective Date. Section 10.6(b) of the Plan provides for the release of claims and Causes of Action held by the Releasing Parties against the Released Parties in exchange for good and valuable consideration and the valuable compromises made by the Released Parties (the "Third-Party Releases," and together with the Debtor Releases, the "Releases").

The Debtor believes, and will be prepared to demonstrate at the Confirmation Hearing, that the Releases and exculpation provisions of the Plan are consistent with applicable law and are a sound exercise of the Debtor's business judgment. The substantial contributions made by the Debtor's members and officers to the Debtor's restructuring include, but are not limited to, (i) negotiating the restructuring, as embodied in the Plan; (ii) obtaining substantial recoveries for unsecured creditors to which they may have not otherwise been entitled; and (iii) devoting significant time to navigating the Debtor through the Chapter 11 Case in addition to their regular duties.

XI.

ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF PLAN

The Debtor has evaluated several alternatives to the Plan. After studying these alternatives, the Debtor has concluded that the Plan is the best alternative and will maximize recoveries to parties in interest, assuming confirmation and consummation of the Plan. If the Plan is not confirmed and consummated, the alternatives to the Plan are (i) the preparation and presentation of an alternative plan of reorganization, (ii) a sale of some or all of the Debtor's assets pursuant to section 363 of the Bankruptcy Code, or (iii) a liquidation under chapter 7 of the Bankruptcy Code.

A. Plan of Reorganization

If the Plan is not confirmed, the Debtor (or if the Debtor's exclusive period during which to file a plan of reorganization has expired, any other party in interest) could attempt to formulate a different plan. Such a plan might involve either: (i) a reorganization and continuation of the Debtor's business or (ii) an orderly liquidation of the Debtor's assets. The Debtor, however, believes that the Plan, as described herein, enables its creditors and interest holders to realize the most value under the circumstances.

B. Alternate Sale Under Section 363 of Bankruptcy Code

If the Plan is not confirmed, the Debtor could seek from the Bankruptcy Court, after notice and a hearing, authorization to sell its assets through a stand-alone alternative transaction under section 363 of the Bankruptcy Code. Upon analysis and consideration of this alternative, the Debtor does not believe that a stand-alone alternative sale of its assets under section 363 of the Bankruptcy Code would yield a higher recovery for holders of Claims and Interests than the Plan.

C. Liquidation Under Chapter 7 or Applicable Non-Bankruptcy Law

If no plan can be confirmed, the Chapter 11 Case may be converted to a case under chapter 7 of the Bankruptcy Code in which a trustee would be appointed to liquidate the assets of the Debtor for distribution to the Debtor's creditors in accordance with the priorities established by the Bankruptcy Code. The effect a chapter 7 liquidation would have on the recovery of holders of Allowed Claims and Interests is set forth in the Liquidation Analysis.

As noted in Article XI of this Disclosure Statement, the Debtor believes that liquidation under chapter 7 would result in smaller distributions to creditors - potentially including no distribution to Holders of GUC Claims - and interest holders than those provided for in the Plan, because of, among other reasons, the delay resulting from the conversion of the cases and the additional administrative expenses associated with the appointment of a trustee and the trustee's retention of professionals that would be required to become familiar with the many legal and factual issues in the Chapter 11 Case.

XII.

RECOMMENDATION OF DEBTOR AND EMMA BASE

The Debtor and Emma Base believe the Plan is in the best interests of all stakeholders and urge the holders of Claims in Classes 2, 3, and 4 to vote in favor thereof.

For the avoidance of doubt, the Litigation Trustee shall not serve as representative of the Estate under section 1123(b) of the Bankruptcy Code for any other purpose.

(d) In furtherance of the Plan, (i) the terms of the Litigation Trust shall be set forth in the Litigation Trust Agreement, (ii) the Litigation Trust shall be structured to qualify as a “liquidating trust” within the meaning of section 301.7701-4(d) of the Treasury Regulations and in compliance with Rev. Proc. 94-45, 1994- 2 C.B. 684, and, thus, as a “grantor trust” within the meaning of sections 671 through 679 of the Tax Code to the holder of the Base Claim, consistent with the terms of the Plan, (iii) all parties (including the Debtor, the Reorganized Debtor, Litigation Trust Beneficiaries, and the Litigation Trustee) shall report consistently with such treatment (including the deemed receipt of the underlying assets, subject to applicable liabilities and obligations, by the holder of the Base Claim, as applicable, followed by the deemed transfer of such assets to the Litigation Trust), (iv) all parties shall report consistently with the valuation of the assets transferred to the Litigation Trust as determined by the Litigation Trustee (or its designee), (v) the Litigation Trustee shall be responsible for filing returns for the trust as a grantor trust pursuant to section 1.671-4(a) of the Treasury Regulations, and (vi) the Litigation Trustee or Disbursing Agent, as applicable, shall annually send to each holder of an interest in the Litigation Trust a separate statement regarding the receipts and expenditures of the trust as relevant for federal income tax purposes.

(e) The Litigation Trust shall also be vested with the Debtor’s rights as such rights existed prior to the Effective Date, to conduct discovery and oral examinations of any party under Bankruptcy Rule 2004. The Litigation Trust, however, shall not be considered a successor of the Debtor and shall not assume any obligations of the Debtor other than expressly provided for by the Plan and the Litigation Trust Agreement. Notwithstanding the foregoing, the Litigation Trust shall not be permitted to seek relief under Bankruptcy Rule 2004 as against (i) the Debtor or the Reorganized Debtor, (ii) any current employees, members, managers, officers, or directors of the Debtor or the Reorganized Debtor, or (iii) the DIP Lender.

(f) For the avoidance of doubt, the Litigation Trust shall be solely responsible for all Litigation Trust Expenses (including, for the further avoidance of doubt, professional fees).

Neither the Debtor nor the Reorganized Debtor shall have any responsibility for any Litigation Trust Expenses.

(g) The Litigation Trustee and the Reorganized Debtor shall have the right to seek relief from the Bankruptcy Court in the event of any dispute or controversy related to the Litigation Trust Agreement.

5.7 *Cancellation of Existing OneCore Interests and Agreements.*

(a) Except for the purpose of evidencing a right to a distribution under the Plan and except as otherwise set forth in the Plan, including with respect to executory contracts or unexpired leases that shall be assumed or assumed and assigned by the Debtor, on the Effective Date, all agreements, instruments, and other documents evidencing any Claim or Interest, including, without limitation, any Allowed DIP Claim, or any Interest and any rights of any holder in respect thereof shall be deemed cancelled, discharged, and of no force or effect and the obligations of the Debtor thereunder shall be deemed fully satisfied, released, and discharged. The holders of or parties to such cancelled instruments, Existing OneCore Interests, and other documentation shall have no rights arising from or related to such instruments, Existing OneCore Interests, or other documentation or the cancellation thereof, except the rights provided for pursuant to the Plan.

(b) Notwithstanding such cancellation and discharge and the releases contained in Article X of the Plan, the DIP Credit Agreement shall continue in effect solely to the extent necessary to (i) allow the holder of the Allowed DIP Claim to receive distributions under the Plan, (ii) allow and preserve the rights of the Debtor, the Reorganized Debtor, and the Disbursing Agent to (A) make post-Effective Date distributions or take such other action pursuant to the Plan on account of the Allowed DIP Claim, as applicable, and to otherwise exercise their rights and discharge their obligations relating to the interests of the holder of such Claim in accordance with the Plan, (iii) allow the DIP Lender to enforce any obligations owed to it under the Plan (including seeking compensation and reimbursement for any reasonable and documented fees and expenses, pursuant to any respective charging liens as may be provided in the DIP Documents), (iv) preserve the DIP Lender's right to any contingent or indemnification obligations of the Debtor pursuant and subject to the terms of the DIP Credit Agreement or the DIP Order (v) permit the DIP Lender to perform any function necessary to effectuate the foregoing, and (vi) permit the DIP Lender to appear in the Chapter 11 Case or in any proceeding in the Bankruptcy Court or any other court relating to the DIP Documents, *provided that* nothing in this Section 5.7 shall affect the discharge of Claims pursuant to the Bankruptcy Code, the Confirmation Order, or the Plan or result in any liability or expense to the Reorganized Debtor.

(c) Notwithstanding the foregoing, any provision in any document, instrument, lease, or other agreement that causes or effectuates, or purports to cause or effectuate, a default, termination, waiver, or other forfeiture of, or by, the Debtor of its interests, as a result of the cancellations, terminations, satisfaction, releases, or discharges provided for in this Section 5.7 shall be deemed null and void and shall be of no force and effect.

(d) Except for the foregoing, on and after the Effective Date, all duties and responsibilities of the DIP Lender shall be fully discharged (i) unless otherwise specifically set forth in or provided for under the Plan, the Plan Supplement, or the Confirmation Order, and (ii) except

with respect to such other rights of the DIP Lender, pursuant to the DIP Documents, survive the termination of documents. Subsequent to the performance by each DIP Lender of its obligations pursuant to the Plan and Confirmation Order, such DIP Lender and its agents shall be relieved of all further duties and responsibilities related to the DIP Documents.

(e) The Litigation Trust Interests shall be non-transferable other than if transferred by will, intestate succession, or otherwise by operation of law.

5.8 *Retention of Causes of Action.*

In accordance with section 1123(b) of the Bankruptcy Code, (a) following the Effective Date, the Reorganized Debtor shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Retained Causes of Action, whether arising before or after the Petition Date, and the Reorganized Debtor's rights to commence, prosecute, or settle such Retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, and the Reorganized Debtor may pursue such Retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtor; and (b) following the Effective Date, the Litigation Trust shall retain and may enforce all rights to commence, pursue, and settle, as appropriate, any and all Litigation Trust Causes of Action. **No Person may rely on the absence of a specific reference in this Plan or the Disclosure Statement to any Cause of Action against them as any indication that the Debtor, the Reorganized Debtor, or the Litigation Trust, as applicable, will not pursue any and all available Causes of Action against such Person.** Except with respect to Causes of Action against any Person which Person was released by the Debtor or the Reorganized Debtor on or before the Effective Date (including pursuant to this Plan), the Reorganized Debtor expressly reserves all rights to prosecute any and all Retained Causes of Action against any Person, except as otherwise expressly provided in this Plan. The Litigation Trust expressly reserves all rights to prosecute any and all Litigation Trust Causes of Action. Unless any Causes of Action against a Person are expressly waived, relinquished, exculpated, released, compromised, transferred (including to the Litigation Trust), or settled in this Plan or a Final Order of the Bankruptcy Court, (i) the Reorganized Debtor expressly reserves all Retained Causes of Action for later adjudication; and (ii) the Litigation Trust expressly reserves all Litigation Trust Causes of Action for later adjudication, and therefore, in each case, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, Claim preclusion, estoppel (judicial, equitable, or otherwise), or laches shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or consummation of this Plan. For the avoidance of doubt, notwithstanding anything contained in this Plan to the contrary, on the Effective Date, the Litigation Trust Causes of Action shall be transferred to, and vest in, the Litigation Trust, and shall not be retained by the Reorganized Debtor.

5.9 *Cancellation of Liens.*

Except as otherwise specifically provided herein, upon the satisfaction in full, in Cash or otherwise, of a Secured Claim, any Lien securing any Secured Claim that is satisfied in full, in Cash or otherwise, shall be deemed released, and the holder of such Secured Claim shall be authorized and directed to (i) release any collateral or other property of the Debtor (including any Cash collateral) held by such holder, at the sole cost and expense of the Reorganized Debtor, and to (ii) take such actions as may be reasonably requested by the Debtor or the Reorganized

Debtor, to evidence the release of such Lien, including the execution, delivery and filing or recording of such releases as may be reasonably requested by the Debtor or the Reorganized Debtor, in the case of each of clauses (i) and (ii), at the sole cost and expense of the Reorganized Debtor and without recourse, representation or warranty of any kind.

5.10 *Employee Matters.*

(a) Unless otherwise provided herein and subject to Article V of the Plan, as may be applicable:

(i) The Debtor shall assume or assume and assign to the Reorganized Debtor on the Effective Date (x) the Benefits Plans and (y) all Employment Agreements unless previously assumed or rejected by the Debtor in its sole discretion pursuant to an order of the Bankruptcy Court.

(ii) Any Interests granted prior to the Effective Date to a current or former members, managers, employee, officer, director or individual independent contractor under a Benefit Plan, an Employment Agreement, or otherwise shall be cancelled and extinguished. For the avoidance of doubt, if any Benefit Plan or Employment Agreement is assumed and such plan or agreement provides in part for an award or potential award of Interests in the Debtor, such Benefit Plan or Employment Agreement shall be assumed in all respects other than the provisions of such agreement relating to Interest awards.

5.11 *Nonconsensual Confirmation.*

The Debtor intends to undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code as to any Classes that reject or are deemed to reject the Plan.

5.12 *Closing of the Chapter 11 Case.*

After the Estate has been fully administered, the Reorganized Debtor shall seek authority from the Bankruptcy Court to close the Chapter 11 Case in accordance with the Bankruptcy Code and Bankruptcy Rules.

5.13 *Termination of the Patient Care Ombudsman's Duties.*

The duties, responsibilities, and obligations of the Patient Care Ombudsman shall be terminated on the Effective Date, the Patient Care Ombudsman may dispose of any documents provided to the Patient Care Ombudsman in the course of its reporting. Nothing herein shall in any way limit or otherwise affect the Patient Care Ombudsman's obligations of confidentiality under confidentiality agreements, if any, under section 333 of the Bankruptcy Code or under order of the Bankruptcy Court.

5.14 *Notice of Effective Date.*

As soon as practicable, but not later than three (3) Business Days following the

Effective Date, the Debtor shall file a notice of the occurrence of the Effective Date with the Bankruptcy Court.

ARTICLE VI. DISTRIBUTIONS.

6.1 *Distributions Generally.*

Except as otherwise provided in the Plan, the Disbursing Agent shall make all distributions under the Plan to the appropriate holders of Allowed Claims in accordance with the terms of the Plan.

6.2 *Distribution Record Date.*

As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtor or its respective agents, shall be deemed closed, and there shall be no further changes in the record holders of any of the Claims or Interests. The Debtor and the Reorganized Debtor shall have no obligation to recognize any transfer of the Claims or Interests occurring on or after the Distribution Record Date. In addition, with respect to payment of any Cure Amounts or disputes over any Cure Amounts, neither Debtor, the Reorganized Debtor, nor the Disbursing Agent, as applicable shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable executory contract or unexpired lease as of the close of business on the Distribution Record Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

6.3 *Date of Distributions.*

Except as otherwise provided in the Plan, any distributions and deliveries to be made under the Plan shall be made on the Effective Date or as otherwise determined in accordance with the Plan, including the treatment provisions of Article IV of the Plan, or the Litigation Trust Agreement, in each case, as soon as practicable thereafter; *provided that* the Reorganized Debtor may implement periodic distribution dates to the extent it reasonably determines them to be appropriate.

6.4 *No Postpetition Interest on Claims.*

Except as otherwise provided in the Plan, the Confirmation Order, or another order of the Bankruptcy Court or required by the Bankruptcy Code, interest shall not accrue or be paid on any Claims on or after the Petition Date, *provided that*, other than with respect to DIP Claims or Other Secured Claims, if interest is payable pursuant to the preceding sentence, interest shall accrue at the federal judgment rate pursuant to 28 U.S.C. § 1961 on a non-compounded basis from the date the obligation underlying the Claim becomes due and is not timely paid through the date of payment.

6.5 *Distributions after Effective Date.*

Distributions made after the Effective Date to holders of Disputed Claims that are

not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date.

6.6 *Unclaimed Property.*

Undeliverable distributions or unclaimed distributions shall remain in the possession of the Reorganized Debtor until such time as a distribution becomes deliverable or the holder accepts distribution, or such distribution reverts back to the Debtor or the Reorganized Debtor, as applicable, and shall not be supplemented with any interest, dividends, or other accruals of any kind. Such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one hundred and eighty (180) days from the date of distribution. After such date, and notwithstanding any other provision of the Plan, all unclaimed property or interest in property shall revert to the Reorganized Debtor and the Claim of any other holder to such property or interest in property shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary.

6.7 *Time Bar to Cash Payments.*

Checks issued by the Disbursing Agent in respect of Allowed Claims shall be null and void if not negotiated within one hundred eighty (180) days after the date of issuance thereof. Thereafter, the amount represented by such voided check shall irrevocably revert to the Reorganized Debtor, and any Claim in respect of such voided check shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary. Requests for re-issuance of any check within one hundred eighty (180) days after issuance shall be made to the Disbursing Agent by the holder of the Allowed Claim to whom such check was originally issued.

6.8 *Manner of Payment under Plan.*

Except as otherwise specifically provided in the Plan, at the option of the Debtor or the Reorganized Debtor, any Cash payment to be made hereunder may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtor.

6.9 *Satisfaction of Claims.*

Except as otherwise specifically provided in the Plan, any distributions and deliveries to be made on account of Allowed Claims under and in accordance with the terms and conditions of the Plan shall be in complete and final satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

6.10 *Minimum Cash Distributions.*

The Disbursing Agent shall not be required to make any distribution of Cash less than Fifty Dollars (\$50) to any holder of an Allowed Claim.

6.11 *Setoffs and Recoupments.*

Except as expressly provided in a separate order of the Bankruptcy Court, the

Debtor and the Reorganized Debtor, as applicable, may, but shall not be required to, set off or recoup against any Claim, and any distribution to be made on account of such Claim, any and all claims, rights, and Causes of Action of any nature whatsoever that the Debtor or the Reorganized Debtor may have against the holder of such Claim pursuant to the Bankruptcy Code or applicable non-bankruptcy law; *provided that* neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtor or Reorganized Debtor or its respective successor of any claims, rights, or Causes of Action that the Debtor or Reorganized Debtor or its respective successor or assign may possess against the holder of such Claim.

6.12 *Allocation of Distributions between Principal and Interest.*

Except as otherwise required by law (as reasonably determined by the Debtor or the Reorganized Debtor), distributions with respect to Allowed Claims shall be allocated first to the principal portion of such Allowed Claim (as determined for federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

6.13 *No Distribution in Excess of Amount of Allowed Claim.*

Notwithstanding anything in the Plan to the contrary, no holder of an Allowed Claim shall receive, on account of such Allowed Claim, distributions under the Plan in excess of the Allowed amount of such Claim.

6.14 *Withholding and Reporting Requirements.*

(a) *Withholding Rights.* In connection with the Plan, any party issuing any instrument or making any distribution described in the Plan shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all distributions pursuant to the Plan and all related agreements shall be subject to any such withholding or reporting requirements. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and either (i) sell such withheld property to generate Cash necessary to pay over the withholding tax (or reimburse the distributing party for any advance payment of the withholding tax), or (ii) pay the withholding tax using its own funds and retain such withheld property. Any amounts withheld pursuant to the preceding sentence, and paid over to the applicable Governmental Unit, shall be deemed to have been distributed to and received by the applicable recipient for all purposes of the Plan. Notwithstanding the foregoing, each holder of an Allowed Claim or any other Entity that receives a distribution pursuant to the Plan shall have responsibility for any taxes imposed by any Governmental Unit, including income, withholding, and other taxes, on account of such distribution. In the event any party issues any instrument or makes any non-Cash distribution pursuant to the Plan that is subject to withholding tax and such issuing or distributing party has not sold such withheld property to generate Cash to pay the withholding tax or paid the withholding tax using its own funds and retains such withheld property as described above, such issuing or distributing party has the right, but not the obligation, to not make a distribution until such holder has made arrangements reasonably satisfactory to such issuing or disbursing party for payment of any such tax obligations.

(b) *Forms.* Any party entitled to receive any property as an issuance or

distribution under the Plan shall, upon request, deliver to the Disbursing Agent or such other Entity designated by the Reorganized Debtor (which Entity shall subsequently deliver to the Disbursing Agent any applicable IRS Form W-8 or IRS Form W-9 received) an appropriate IRS Form W-9 or (if the payee is a foreign Entity) IRS Form W-8, and any other forms or documents reasonably requested by the Reorganized Debtor to reduce or eliminate any withholding required by any federal, state, or local taxing authority. If such request is made and the holder fails to comply before the date that is 60 days after the request is made, the amount of such distribution shall irrevocably revert to the Debtor or the Reorganized Debtor, as applicable, and any Claim in respect of such distribution shall be discharged and forever barred from assertion against the Debtor or the Reorganized Debtor, as applicable, or its respective property.

ARTICLE VII. PROCEDURES FOR DISPUTED CLAIMS.

7.1 *Objections to Claims.*

The Debtor or the Reorganized Debtor, as applicable, shall be entitled to object to Claims; *provided that* following the Effective Date, the U.S. Trustee shall have standing and the right to be heard for the limited purpose of responding to requests for allowance of Administrative Expense Claims for substantial contribution pursuant to section 503(b)(3)(D) of the Bankruptcy Code. After the Effective Date, the Debtor or the Reorganized Debtor, as applicable, shall have and retain any and all rights and defenses that the Debtor had with regard to any Claim to which it may object, except with respect to any Claim that is Allowed. Any objections to Claims shall be served and filed on or before the Claims Objection Deadline.

7.2 *Resolution of Disputed Administrative Expenses and Disputed Claims.*

The Debtor or Reorganized Debtor, in their sole discretion, shall have the authority to (i) compromise, settle, otherwise resolve, or withdraw any objections to Claims without any further notice to or action, order, or approval by the Bankruptcy Court, other than with respect to Professional Fee Claims, (ii) reconcile Claims (*Claims Reconciliation*) in an allowed amount without the requirement of filing an objection to any such Claims and without the requirement of any further Court order, and (iii) administer and adjust the claims register to reflect any such settlements or compromises, without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, Holders of Claims subject to a Claims Reconciliation demand of the Debtor or the Reorganized Debtor (each, a *Claims Reconciliation Demand*) must, within fifteen (15) days of service of such demand, furnish to the Debtor or Reorganized Debtor, as applicable, all invoices, agreements, and other documents responsive to such Claims Reconciliation Demand. If any Holder of a Claim subject to a Claims Reconciliation Demand fails to timely and fully respond to such Claims Reconciliation Demand, such Holder's Claim shall be disallowed on motion and notice of opportunity for hearing of the Debtor or Reorganized Debtor, as applicable, demonstrating such Holder's failure to timely comply with such Claims Reconciliation Demand.

7.3 *Payments and Distributions with Respect to Disputed Claims.*

Notwithstanding anything herein to the contrary, if any portion of a Claim is a Disputed Claim, no payment or distribution provided hereunder shall be made on account of such

Claim unless and until such Disputed Claim becomes an Allowed Claim.

7.4 *Distributions after Allowance.*

(a) Following the Effective Date, a Disputed Claims Reserve shall be maintained by the Disbursing Agent. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary, or the receipt of a determination by the IRS, the Disbursing Agent shall treat the Disputed Claims Reserve as a “disputed ownership fund” governed by section 1.468B-9 of the Treasury Regulations and to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All taxes imposed on assets or income of the Disputed Claims Reserve shall be payable out of the Disputed Claims Reserve. The Disbursing Agent or the Reorganized Debtor, as applicable, shall be responsible for payment, out of the assets of the Disputed Claims Reserve, of any expenses associated with administering the Disputed Claims Reserve, including any taxes imposed on the Disputed Claims Reserve or its assets. All parties (including the Debtor, the Reorganized Debtor, the Disbursing Agent, and the holders of Disputed GUC Claims) shall be required to report for tax purposes consistently with the foregoing.

(b) As soon as reasonably practicable after a Disputed Claim becomes, in whole or in part, an Allowed Claim, the holder thereof shall be entitled to distributions, if any, to which such holder is entitled as provided in the Plan, without interest, as provided in Section 7.9 of the Plan. Such distributions shall be made as soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed Claim (or portion thereof) becomes a Final Order.

7.5 *Disallowance of Claims.*

Except to the extent otherwise agreed to by the Debtor or Reorganized Debtor or as otherwise set forth herein, as applicable, any Claims held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, to the Debtor by that Entity have been turned over or paid to the Debtor or the Reorganized Debtor. All proofs of claim filed on account of an indemnification obligation to a member, managers, director, officer, or employee, in each case, employed by the Debtor on and/or after the Petition Date shall be deemed satisfied and expunged from the claims register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court. Any Claim that has been or is hereafter listed in the Schedules as contingent, unliquidated, or disputed, and for which no Proof of Claim or Interest is or has been timely filed, shall be deemed disallowed and shall be expunged without further action by the Debtor and without further notice to any party or action, approval, or order of the Bankruptcy Court, and holders of such Claims shall not receive any distributions under the Plan on account of such Claims, subject in each case to Local Bankruptcy Rule 3002-1(a).

7.6 *Estimation of Claims.*

The Debtor or the Reorganized Debtor, as applicable, may determine, resolve and otherwise adjudicate all contingent Claims, unliquidated Claims and Disputed Claims in the Bankruptcy Court, and the Debtor or the Reorganized Debtor, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose, regardless of whether any party has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any contingent Claim, unliquidated Claim or Disputed Claim, that estimated amount shall constitute the maximum limitation on such Claim, and the Debtor or the Reorganized Debtor, as applicable, may pursue supplementary proceedings to object to the ultimate allowance of such Claim; *provided that* such limitation shall not apply to Claims requested by the Debtor to be estimated for voting purposes only.

7.7 *No Distributions Pending Allowance.*

If an objection, motion to estimate, or other challenge to a Claim is filed, no payment or distribution provided under the Plan shall be made on account of such Claim unless and until (and only to the extent that) such Claim becomes an Allowed Claim.

7.8 *Claim Resolution Procedures Cumulative.*

All of the objection, estimation, and resolution procedures in the Plan are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently settled, compromised, withdrawn, or resolved in accordance with the Plan without further notice or Bankruptcy Court approval.

7.9 *Interest.*

To the extent that a Disputed Claim becomes an Allowed Claim after the Effective Date, the holder of such Claim shall not be entitled to any interest that accrued thereon from and after the Effective Date.

ARTICLE VIII. EXECUTORY CONTRACTS AND UNEXPIRED LEASES.

8.1 *General Treatment.*

(a) As of and subject to the occurrence of the Effective Date, all executory contracts and unexpired leases to which the Debtor is a party shall be deemed assumed or assumed and assigned, as applicable, except for any executory contract or unexpired lease that (i) was previously assumed or rejected by the Debtor pursuant to an order of the Bankruptcy Court, (ii) previously expired or was terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a separate motion to assume or reject filed by the Debtor on or before the Confirmation Date, (iv) is specifically designated as a contract or lease to be included on the Rejection Schedule, or (v) is the subject of a pending Cure Dispute.

(b) Subject to the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions, assumptions and assignments, or rejections provided for in the Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease assumed or assumed and assigned pursuant to the Plan shall vest in and be fully enforceable by the Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

8.2 *Determination of Cure Disputes and Deemed Consent.*

(a) Any Cure Amount shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Amount, as reflected in the applicable cure notice, in Cash on the Effective Date, subject to the limitations described below, or shall provide adequate assurance of future performance under such executory contracts and unexpired leases. At least fourteen (14) days before the commencement of the Confirmation Hearing, the Debtor shall serve a notice on parties to executory contracts or unexpired leases to be assumed reflecting the Debtor's intention to assume the contract or lease in connection with the Plan and, where applicable, setting forth the proposed Cure Amount (if any). **Any objection by a counterparty to an executory contract or unexpired lease to the proposed assumption, assumption and assignment, or related Cure Amount must be filed, served, and actually received by the Debtor within ten (10) days of the service of the assumption notice, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court.** Any counterparty to an executory contract or unexpired lease that fails to object timely to the proposed assumption, assumption and assignment, or Cure Amount (i) shall be deemed to have assented to such assumption, assumption and assignment, or Cure Amount, notwithstanding any provision thereof that purports to (1) prohibit, restrict, or condition the transfer or assignment of such contract or lease, or (2) terminate or permit the termination of a contract or lease as a result of any direct or indirect transfer or assignment of the rights of the Debtor under such contract or lease or a change, if any, in the ownership or control to the extent contemplated by the Plan, and shall forever be barred and enjoined from asserting such objection against the Debtor or terminating or modifying such contract or lease on account of transactions contemplated by the Plan, and (ii) shall be forever barred, estopped, and enjoined from challenging the validity of such assumption or assumption and assignment, as applicable, thereafter.

(b) If there is a dispute pertaining to the assumption of an executory contract or unexpired lease (other than a dispute pertaining to a Cure Amount), such dispute shall be heard by the Bankruptcy Court prior to the assumption being effective; *provided that* the Debtor or the Reorganized Debtor may settle any such dispute without any further notice to, or action by, any party or order of the Bankruptcy Court.

(c) To the extent a dispute relates to Cure Amounts, the Debtor may assume and/or assume and assign the applicable executory contract or unexpired lease prior to the resolution of such cure dispute, *provided that* the Debtor or the Reorganized Debtor reserves Cash in an amount sufficient to pay the full amount reasonably asserted as the Cure Amount by the counterparty to such executory contract or unexpired lease.

(d) Assumption or assumption and assignment of any executory contract or unexpired lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims against the Debtor or defaults by the Debtor, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed executory contract or unexpired lease at any time before the date that the Debtor assumes or assumes and assigns such executory contract or unexpired Lease. Any proofs of claim filed with respect to an executory contract or unexpired lease that has been assumed or assumed and assigned shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court or any other Entity, upon the assumption of such executory contract or unexpired lease.

8.3 *Rejection Damages Claims.*

In the event that the rejection of an executory contract or unexpired lease hereunder results in damages to the other party or parties to such contract or lease, any Claim for such damages, if not heretofore evidenced by a timely filed proof of Claim, shall be forever barred and shall not be enforceable against the Debtor or the Reorganized Debtor, or its Estate, properties or interests in property as agents, successors, or assigns, unless a proof of Claim is filed with the Bankruptcy Court and served upon counsel for the Debtor or the Reorganized Debtor, as applicable, no later than thirty (30) days after the filing and service of the notice of the occurrence of the Effective Date.

8.4 *Indemnification Obligations.*

Except as otherwise provided in the Plan or the Confirmation Order, to the fullest extent permitted by applicable law, any and all obligations of the Debtor pursuant to its limited liability company agreements, or other organizational documents or agreements to indemnify members, managers, officers, directors, agents or employees, in each case solely in their capacity as such, employed by the Debtor on and/or after the Petition Date with respect to all present and future actions, suits, and proceedings against the Debtor or such members, managers, officers, directors, agents, or employees based upon any act or omission for or on behalf of the Debtor (collectively, the “*Indemnification Obligations*”) shall not be discharged, impaired, or otherwise affected by the Plan; *provided*, that, Debtor or the Reorganized Debtor, as applicable, shall not indemnify any such members, managers, officers, directors, agents, or employees of the Debtor for any Claims or Causes of Action arising out of or relating to any act or omission for which indemnification is barred under applicable law or that is excluded under the terms of the foregoing organizational documents or applicable agreements governing the Debtor’s Indemnification Obligations. The Reorganized Debtor shall not indemnify any persons for any claims or Causes of Action arising out of or relating to any act or omission that is a criminal act or constitutes intentional fraud, gross negligence or willful misconduct. Except as otherwise provided in the Plan, all such Indemnification Obligations shall be deemed and treated as executory contracts that are assumed by the Debtor under the Plan.

8.5 *Insurance Policies.*

(a) Notwithstanding any other provision in the Plan, all insurance policies to which Debtor is a party as of the Effective Date (including any “tail policy”) shall be deemed to be

and treated as executory contracts and shall be assumed by the Reorganized Debtor, shall remain in full force and effect thereafter and shall continue as obligations of the Reorganized Debtor in accordance with their respective terms, and all such insurance policies shall vest in the Reorganized Debtor. Coverage for defense and indemnity under each D&O Policy shall remain available to all individuals within the definition of “Insured Persons” in any D&O Policy.

(b) After the Effective Date, all members, managers, officers, directors, agents, or employees who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any D&O Policy (including any “tail” policy) for the full term of such policy regardless of whether such members, managers, officers, directors, agents, and/or employees remain in such positions after the Effective Date, in each case, to the extent set forth in such policies.

(c) In addition, after the Effective Date, the Reorganized Debtor shall not terminate or otherwise reduce the coverage under any D&O Policy (including any “tail policy”) in effect as of the Petition Date.

(d) In the event that the Debtor or Reorganized Debtor, in their sole discretion, determine that an Allowed Claim is covered in full or in part under one of the Debtor’s insurance policies, no distributions under the Plan shall be made on account of such Allowed Claim unless and until, and solely to the extent that, (i) the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy, or (ii) an insurer authorized to issue a coverage position under such insurance policy, or the agent of such insurer, issues a formal determination in accordance with the terms of the insurance policy, which the Debtor in its sole discretion does not contest, that coverage under such insurance policy is excluded or otherwise unavailable for losses arising from such Allowed Claim. To the extent that one or more of the Debtor’s insurers agrees to satisfy in full or in part an Allowed Claim, then immediately upon such insurers’ agreement, the applicable portion of such Allowed Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, nothing in this Plan or the Confirmation Order shall be construed to limit, extinguish, expand, or diminish the insurance coverage that may exist or shall be construed as a finding that liquidated any Claim payable pursuant to an insurance policy. Nothing herein relieves any Entity from the requirement to timely file a proof of claim by the applicable claims bar date.

8.6 *Licenses and Agreements.*

All intellectual property contracts, licenses, including, without limitation, governmentally-issued licenses, royalties, or other similar agreements to which the Debtor has any rights or obligations in effect as of the date of the Confirmation Order shall be deemed and treated as executory contracts pursuant to the Plan and shall be assumed, or assumed and assigned, by the Debtor and shall continue in full force and effect unless any such intellectual property contract, license, royalty, or other similar agreement otherwise is specifically rejected pursuant to a separate order of the Bankruptcy Court, is scheduled on the Rejection Schedule, or is the subject of a separate rejection motion filed by the Debtor. Unless otherwise noted hereunder, as applicable, all other intellectual property contracts, licenses, royalties, or other similar agreements shall vest in the Reorganized Debtor and the Reorganized Debtor may take all actions as may be necessary or appropriate to ensure such vesting as contemplated herein. With respect to governmentally-issued

licenses, the Reorganized Debtor shall comply with all valid statutes and regulations governing the maintenance of such licenses.

8.7 *Assignment.*

To the extent provided under the Bankruptcy Code or other applicable law, any executory contract or unexpired lease assumed and assigned hereunder shall remain in full force and effect for the benefit of the transferee or assignee in accordance with its terms, notwithstanding any provision in such executory contract or unexpired lease (including those of the type set forth in section 365(b)(2) of the Bankruptcy Code) that prohibits, restricts, or conditions such transfer or assignment. To the extent provided under the Bankruptcy Code or other applicable law, any provision that prohibits, restricts, or conditions the assignment or transfer of any such executory contract or unexpired lease or that terminates or modifies such executory contract or unexpired lease or allows the counterparty to such executory contract or unexpired lease to terminate, modify, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon any such transfer and assignment, constitutes an unenforceable anti-assignment provision and is void and of no force or effect.

8.8 *Reservation of Rights.*

(a) The Debtor may amend the Assumption Schedule and the Rejection Schedule, at any time prior to the conclusion of the Confirmation Hearing to add, delete, or reclassify any executory contract or unexpired lease. The Debtor shall provide notice of such amendment to any affected counterparty as soon as reasonably practicable.

(b) Neither the exclusion nor the inclusion by the Debtor of any contract or lease on any exhibit, schedule, or other annex to the Plan or in the Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtor that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtor or the Reorganized Debtor has any liability thereunder.

(c) Except as explicitly provided in the Plan, nothing herein shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the Debtor or the Reorganized Debtor under any executory or non-executory contract or unexpired or expired lease.

(d) Nothing in the Plan shall increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtor or the Reorganized Debtor, as applicable, under any executory or non-executory contract or unexpired or expired lease.

8.9 *Modifications, Amendments, Supplements, Restatements, or Other Agreements.*

Unless otherwise provided in the Plan, each executory contract or unexpired lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such executory contract or unexpired lease, and executory contracts and unexpired leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under

the Plan.

9.2 *Conditions Precedent to Effective Date.*

The following are conditions precedent to the Effective Date of the Plan:

- (a) the Confirmation Order shall have been entered and shall be a Final Order and shall not be subject to any stay or subject to an unresolved request for revocation under section 1144 of the Bankruptcy Code;

9.3 *Waiver of Conditions Precedent.*

(a) Except as otherwise provided herein, all actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously and no such action shall be deemed to have occurred prior to the taking of any other such action. Each of the conditions precedent in Section 9.1 and Section 9.2 (other than Section 9.2(a)) may be waived in writing by the Debtor with the prior written consent of the DIP Lender or the Exit Facility Lender, as applicable, solely to the extent that the waiver of a particular condition precedent would affect the legal and/or economic rights of the DIP Lender or the Exit Facility Lender, as applicable and respectively, under the Plan, the DIP Credit Agreement, or the Exit Facility Credit Agreement (as applicable).

(b) The stay of the Confirmation Order pursuant to Bankruptcy Rule 3020(e) shall be deemed waived by and upon the entry of the Confirmation Order, and the Confirmation Order shall take effect immediately upon its entry.

9.4 *Effect of Failure of a Condition.*

If the conditions listed in Section 9.2 of the Plan are not satisfied or waived in accordance with Section 9.3 of the Plan in a notice filed with the Bankruptcy Court prior to the expiration of such period, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall (a) constitute a waiver or release of any Claims by or against or any Interests in Debtor, (b) prejudice in any manner the rights of any Entity, or (c) constitute an admission, acknowledgement, offer, or undertaking by the Debtor, the Exit Facility Lender, or any other Entity.

ARTICLE X. EFFECT OF CONFIRMATION OF PLAN.

10.1 *Vesting of Assets.*

On the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all property of the Debtor's Estate shall vest in the Reorganized Debtor free and clear of all Claims, Liens, encumbrances, charges, and other interests, except as provided pursuant to the Plan, the Litigation Trust Agreement, the Confirmation Order, or the Exit Facility Credit Agreement (if applicable). On and after the Effective Date, the Reorganized Debtor may take any action, including the operation of its businesses, the use, acquisition, sale, lease, and disposition of property, and the entry into transactions, agreements, understandings, or arrangements, whether in or other than in the ordinary course of business, and execute, deliver, implement, and fully perform any and all obligations, instruments, documents, and papers or otherwise in connection with any of the foregoing, free of any restrictions of the Bankruptcy Code or Bankruptcy Rules and in all respects as if there were no pending cases under any chapter or provision of the Bankruptcy Code, except as expressly provided herein. Without limiting the foregoing, the Reorganized Debtor may pay the charges that it incurs on or after the Effective Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court.

10.2 *Binding Effect.*

As of the Effective Date, the Plan shall bind all holders of Claims against and Interests in the Debtor and its respective successors and assigns, notwithstanding whether any such holders (a) were Impaired or Unimpaired under the Plan, (b) were deemed to accept or reject the Plan, (c) failed to vote to accept or reject the Plan, (d) voted to reject the Plan, or (e) received any distribution under the Plan.

10.3 *Discharge of Claims and Termination of Interests.*

Upon the Effective Date and in consideration of the distributions to be made hereunder, except as otherwise expressly provided herein, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a Claim or Interest and any affiliate of such holder shall be deemed to have forever waived, released, and discharged the Debtor, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Interests, rights, and liabilities that arose prior to the Effective Date. Upon the Effective Date, all such Entities shall be forever precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any such discharged Claim against or terminated Interest in the Debtor against the Debtor or the Reorganized Debtor or any of their assets or property, whether or not such holder has filed a proof of claim and whether or not the facts or legal bases therefor were known or existed prior to the Effective Date.

10.4 *Term of Injunctions or Stays.*

Unless otherwise provided herein, the Confirmation Order, or in a Final Order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Case under sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay.

10.5 *Injunction.*

(a) Upon entry of the Confirmation Order, all holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, shall be enjoined from taking any actions to interfere with the implementation or consummation of the Plan in relation to any Claim or Interest extinguished, discharged, released or treated pursuant to the Plan.

(b) Except as expressly provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court or as agreed to by the Debtor and a holder of a Claim against or Interest in the Debtor, all Entities who have held, hold, or may hold Claims against or Interests in the Debtor (whether proof of such Claims or Interests has been filed or not and whether or not such Entities vote in favor of, against or abstain from voting on the Plan or are presumed to have accepted or deemed to have rejected the Plan) and other parties in interest, along with their respective present or former employees, agents, officers, directors, principals, and affiliates, are permanently enjoined, on and after the Effective Date, solely with respect to any Claims, Interests, and Causes of Action that will be or are extinguished, discharged, released, or treated pursuant to the Plan from (i) commencing, conducting, or continuing in any manner, directly or indirectly,

any suit, action, or other proceeding of any kind (including any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the Released Parties or the property of any of the Released Parties, (ii) enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree, or order against the Released Parties or the property of any of the Released Parties, (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the Released Parties or the property of any of the Released Parties, (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Released Parties or the property of any of the Released Parties, except (x) as contemplated or allowed by the Plan or (y) to the extent asserted in a timely filed Proof of Claim or timely filed objection to the confirmation of the Plan, and (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan. For the avoidance of doubt, nothing in this Section 10.5(b) shall enjoin any (i) current or former patient of the Debtor from pursuing any Claim against any non-Debtor party, including any non-Debtor provider, for any acts or omissions arising out of or relating to any Claims for medical malpractice or (ii) Governmental Unit from filing a Proof of Claim on or by the Governmental Bar Date (as defined in the Bar Date Order).

(c) No Person or Entity shall seek or initiate formal or informal discovery requests, demands, or proceedings upon or from the Patient Care Ombudsman or her Professionals without first seeking permission, upon sufficient prior notice to the Patient Care Ombudsman, from the Bankruptcy Court.

(d) The injunctions in this Section 10.5 shall extend to any successors of the Debtor and the Reorganized Debtor and their respective property and interests in property.

10.6 ***Releases.***

(a) Releases by the Debtor.

As of the Effective Date, except for the right to enforce the Plan or any right or obligation arising under the Definitive Documents that remains in effect after the Effective Date, for good and valuable consideration, on and after the Effective Date, the Released Parties shall be deemed released and discharged by the Debtor, the Reorganized Debtor, and the Estate, and any Person seeking to exercise the rights of the Estate, and any successors to the Debtor or any Estate representative appointed or selected pursuant to section 1123(b)(3) of the Bankruptcy Code, from any and all Claims, obligations, rights, suits, judgments, damages, demands, debts, Liens, Causes of Action, remedies, losses, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtor, the Reorganized Debtor, or the Estate, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, matured or unmatured, contingent or fixed, existing or hereinafter arising, in law, equity or otherwise, that the Debtor, the Reorganized Debtor, or the Estate would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtor, the Estate, the conduct of the Debtor's business, the Chapter 11 Case, the purchase, sale or rescission of the purchase or sale of any Security of the Debtor or the Reorganized Debtor, the DIP Facility, the DIP Documents, the Definitive Documents, the subject matter of, or the transactions or events

giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtor and any Released Party, the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Disclosure Statement, the Plan, and the Definitive Documents, or any related agreements, instruments, or other documents, and the negotiation, formulation, or preparation thereof, the solicitation of votes with respect to the Plan, or any other act or omission, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; provided, that, nothing in Section 10.6(a) of the Plan shall be construed to release (i) the Released Parties from intentional fraud, willful misconduct, or gross negligence, in each case as determined by a Final Order or (ii) any Retained Causes of Action.

(b) Releases by Holders of Claims and Interests.

As of the Effective Date, except for the right to enforce the Plan or any right or obligation arising under the Definitive Documents that remains in effect after the Effective Date, for good and valuable consideration, on and after the Effective Date, except as specifically set forth elsewhere in the Plan, the Releasing Parties conclusively, absolutely, unconditionally, irrevocably, and forever discharge and release (and each entity so discharged and released shall be deemed discharged and released by the Releasing Parties) the Released Parties and their respective property from any and all Claims, obligations, rights, suits, judgments, damages, demands, debts, Liens, Causes of Action, remedies, losses, and liabilities whatsoever (including contract claims, claims under ERISA and all other statutory claims, claims for contributions, withdrawal liability, reallocation liability, redetermination liability, interest on any amounts, liquidated damages, claims for attorneys' fees or any costs or expenses whatsoever), including any derivative claims, asserted or assertable on behalf of the Debtor, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, matured or unmatured, contingent or fixed, existing or hereinafter arising, in law, equity or otherwise, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) based on or relating to, or in any manner arising from, in whole or in part, the Debtor, the Estate, the Restructuring, the Chapter 11 Case, the purchase, sale or rescission of the purchase or sale of any Security of the Debtor or the Reorganized Debtor, the DIP Facility, the DIP Documents, the Definitive Documents, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtor and any Released Party (other than assumed contracts or leases), the restructuring of Claims and Interests before or during the Chapter 11 Case, the negotiation, formulation, preparation or consummation of the Plan (including the Plan Supplement), the Definitive Documents, or any related agreements, instruments or other documents, or the solicitation of votes with respect to the Plan, in all cases based upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date. For the avoidance of doubt, nothing in Section 10.6(b) of the Plan shall be construed to release (i) the Released Parties from intentional fraud, willful misconduct, or gross negligence, in each case as determined by a Final Order or (ii) any current or former patient of the Debtor from pursuing any Claim against any non-Debtor party that is not a Released Party, including any non-Debtor provider that is not a Released Party, for any acts or omissions arising out of or relating to any Claims for medical malpractice.

10.7 *Exculpation.*

Notwithstanding anything herein to the contrary, and to the maximum extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party is hereby released and exculpated from, any claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, remedy, loss, and liability for any act or omission taken on or after the Petition Date and prior to or on the Effective Date relating to, in any way, or arising out of, the Chapter 11 Case, the negotiation, formulation, preparation, dissemination, implementation, administration, confirmation, consummation, and pursuit of the Disclosure Statement, the Restructuring Transactions, the Plan, or the solicitation of votes for, or confirmation of, the Plan, the funding or consummation of the Plan (including the Plan Supplement), the Patient Care Ombudsman's evaluations, reports, pleadings, or other writings filed by or on behalf of the Patient Care Ombudsman in or in connection with the Chapter 11 Cases, the Definitive Documents, or any related agreements, instruments, or other documents, the solicitation of votes on the Plan, the offer, issuance, and distribution of any Securities issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, the occurrence of the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed under the Plan, except for actions determined by Final Order to constitute gross negligence, willful misconduct, or intentional fraud. This exculpation shall be in addition to, and not in limitation of, all other releases, indemnities, exculpations and any other applicable law or rules protecting such Exculpated Parties from liability.

10.8 *Subordinated Claims.*

The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtor reserves the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

10.9 *Retention of Causes of Action/Reservation of Rights.*

Except as otherwise provided in Sections 10.5, 10.6, and 10.7 of the Plan, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights, Claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses that the Debtor had immediately prior to the Effective Date on behalf of the Estate or of itself in accordance with any provision of the Bankruptcy Code or any applicable non-bankruptcy law, including any affirmative Causes of Action against parties with a relationship with the Debtor. Other than those Claims and Causes of Action assigned to the Litigation Trust pursuant to Section 5.6 of the Plan, the Reorganized Debtor shall have, retain, reserve, and be entitled to assert all Claims, Causes of Action, rights of setoff or recoupment, and other legal or equitable defenses notwithstanding the occurrence of the Effective Date, and all of the Debtor's legal and equitable rights in respect of any Unimpaired Claim may be asserted after the Confirmation Date and Effective Date to the same extent as if the Chapter 11 Case had not been commenced. For the avoidance of doubt, while the Debtor retains all causes of action under chapter 5 of the Bankruptcy

Code not expressly waived herein, Debtor has reviewed potential chapter 5 causes of action and evaluated when it became insolvent; presently, Debtor does not believe any such causes of action exist.

10.10 *Ipsa Facto and Similar Provisions Ineffective.*

Any term of any prepetition policy, prepetition contract, or other prepetition obligation applicable to the Debtor shall be void and of no further force or effect with respect to the Debtor to the extent that such policy, contract, or other obligation is conditioned on, creates an obligation of the Debtor as a result of, or gives rise to a right of any entity based on any of the following: (a) the insolvency or financial condition of the Debtor; (b) the commencement of the Chapter 11 Case; (c) the confirmation or consummation of the Plan, including any change of control that shall occur as a result of such consummation; or (d) the restructuring.

10.11 *Solicitation of Plan.*

As of and subject to the occurrence of the Confirmation Date: (a) the Debtor shall be deemed to have solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including sections 1125(a) and (e) of the Bankruptcy Code, and any applicable non-bankruptcy law, rule, or regulation governing the adequacy of disclosure in connection with such solicitation and (b) the Debtor and each of its respective members, managers, directors, officers, employees, affiliates, agents, financial advisors, investment bankers, professionals, accountants, and attorneys shall be deemed to have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code in the offer and issuance of any Securities under the Plan, and therefore are not, and on account of such offer, issuance, and solicitation shall not be, liable at any time for any violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or the offer and issuance of any Securities under the Plan.

10.12 *Limited Liability Company Action.*

Upon the Effective Date, all actions of the Debtor or the Reorganized Debtor, as applicable, contemplated by the Plan shall be deemed authorized and approved in all respects, including (a) those set forth in Sections 5.2 and 5.4 of the Plan, as applicable, (b) the selection of the managers and officers for the Reorganized Debtor, (c) the distribution, transfer, or issuance of the New OneCore Interests, (d) the entry into the Exit Facility Credit Agreement, (e) the establishment of the Litigation Trust, issuance of the Litigation Trust Interests and execution and delivery of the Litigation Trust Agreement, and (f) all other actions contemplated by the Plan (whether to occur before, on, or after the Effective Date), in each case, in accordance with and subject to the terms and conditions hereof. All matters provided for in the Plan involving the limited liability company structure of the Debtor or the Reorganized Debtor, and any limited liability company action required by the Debtor or the Reorganized Debtor in connection with the Plan shall be in effect, without any requirement of further action by the members, managers, or officers of the Debtor or the Reorganized Debtor. On or before the Effective Date, the appropriate officers of the Debtor or the Reorganized Debtor, as applicable, shall be authorized and directed to issue, execute, and deliver the agreements, documents, New OneCore Interests, and instruments, or comparable documents, or franchise tax reports contemplated by the Plan (or necessary or

desirable to effect the transactions contemplated by the Plan) in the name of and on behalf of the Reorganized Debtor, including, (a) the New Governance Documents, (b) the Exit Facility Credit Agreement, and (c) any and all other agreements, documents, New OneCore Interests, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Section 10.12 shall be effective notwithstanding any requirements under non-bankruptcy law.

ARTICLE XI. RETENTION OF JURISDICTION.

11.1 *Retention of Jurisdiction.*

On and after the Effective Date, the Bankruptcy Court shall retain jurisdiction over all matters arising in, arising under, and related to the Chapter 11 Case for, among other things, the following purposes:

(k) to take any action and issue such orders as may be necessary to construe, interpret, enforce, implement, execute, and consummate the Plan;

(l) to determine such other matters and for such other purposes as may be provided in the Confirmation Order;

(v) to hear and determine any rights, Claims, or Causes of Action held by or accruing to the Debtor pursuant to the Bankruptcy Code or pursuant to any federal statute or legal theory;

of the Bankruptcy Code; and

(x) to resolve any and all suits, proceedings, or other matters against or involving the Patient Care Ombudsman and/or her Professionals.

11.2 *Courts of Competent Jurisdiction.*

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Plan, such abstention, refusal, or failure of jurisdiction shall have no effect upon and shall not control, prohibit, or limit the exercise of jurisdiction by the federal and state courts situated in Oklahoma County, Oklahoma.

ARTICLE XII. MISCELLANEOUS PROVISIONS.

12.1 *Payment of Statutory Fees.*

All fees payable pursuant to section 1930 of title 28 of the United States Code and any interest thereon pursuant to 31 U.S.C. § 3717 (“**Quarterly Fees**”) shall be paid in full in Cash on or before the Effective Date by the Debtor. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms, (b) integral to the Plan and may not be deleted or modified without the consent of the Debtor, the Reorganized Debtor and the DIP Lender, Exit Facility Lender, solely to the extent that a particular term or provision affects the legal and/or economic rights of the DIP Lender or the Exit Facility Lender, as applicable, under the Plan, the DIP Credit Agreement or the Exit Facility Credit Agreement and (c) nonseverable and mutually dependent.

12.12 *Dates of Actions to Implement the Plan.*

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day but shall be deemed to have been completed as of the required date.

Exhibit 2

Liquidation Analysis of Hospital for Special Surgery, LLC *DBA* OneCore Health

EXHIBIT 2

LIQUIDATION ANALYSIS OF
HOSPITAL FOR SPECIAL SURGERY, LLC
D/B/A ONECORE HEALTH

I. Introduction

Section 1129(a)(7) of the Bankruptcy Code requires that a bankruptcy court finds, as a condition to confirmation, that a Chapter 11 plan provides, with respect to each impaired class of claims or equity interests (“Claim”, “Claims” or “Allowed Claims”), that each holder of a claim or an equity interest in such impaired class either: (i) has accepted the plan; or (ii) will receive or retain under the plan property of a value that is not less than the amount that the non-accepting holder would receive or retain if the debtor’s assets were to be liquidated under Chapter 7 of the Bankruptcy Code on the effective date of the plan.

The Debtor, along with its restructuring, legal and financial advisors, have prepared this hypothetical analysis (“Liquidation Analysis”) in connection with the Plan of Reorganization (“Plan”) and Disclosure Statement. The Liquidation Analysis, also known as the “best interests test”, assumes Onecore Health (“Debtor” or “Company”) will pursue a hypothetical liquidation under Chapter 7 as of the estimated Effective Date of the Plan and the Debtor’s assets would be disposed of under the direction of a Chapter 7 trustee (“Trustee”). The Debtor believes that each holder of a Claim would receive equal or greater value under the Plan than such holder would receive if the Debtor was forced to liquidate under Chapter 7, and that, as a result, the Plan satisfies the “best interests” test of section 1129(a)(7) of the Bankruptcy Code. The Liquidation Analysis presented herein has been prepared solely for the purpose described above and may not be used for any other purposes.

The Liquidation Analysis contains numerous estimates, including estimated Allowed Claims, based upon a review of the Debtor’s financial statements. The Liquidation Analysis also includes assumptions and estimates for Claims incurred during the Chapter 11 case that could be asserted and allowed in a Chapter 7 liquidation, including unpaid Chapter 11 administrative claims and Chapter 7 administrative claims. To date, the Court has not estimated or otherwise fixed the total amount of Allowed Claims used for purposes of preparing the Liquidation Analysis. Therefore, the Debtor’s estimate of Allowed Claims set forth in the Liquidation Analysis should not be relied on for any other purpose, including determining the value of any distribution to be made on account of Allowed Claims under the Plan. The actual amount of Allowed Claims in the Chapter 11 Cases could materially differ from the estimated amounts in the Liquidation Analysis.

Management has prepared this Liquidation Analysis in good faith based upon what they believe are reasonable assumptions. Events and circumstances frequently do not occur as expected and differences between actual and expected results may be material. The Liquidation Analysis is based on factors that are outside the control of the Company including, but not limited to, regulatory, market, industry, competitive and economic factors. Accordingly, there can be no assurance that the values assumed in the Liquidation Analysis

would be realized if the Debtor's assets were actually liquidated. In addition, any liquidation would take place in the future, at which time circumstances may exist that cannot presently be predicted. In addition, there could be other potential alternatives that could occur in a hypothetical Chapter 7 liquidation that are not presented in the Liquidation Analysis, including alternatives that would reduce and/or delay creditor recoveries.

The Debtor has no obligation to update this Liquidation Analysis for any information that becomes available after the date of this filing. However, the Debtor reserves the right to amend or supplement the Liquidation Analysis upon receipt of additional information.

II. Conclusion – Consummation Of The Plan Will Provide Greater Value Than Under A Hypothetical Liquidation Through Chapter 7 Of The Bankruptcy Code

The distributions to holders of Claims under the Liquidation Analysis provide for lower recoveries relative to the recoveries under the Plan, and therefore the Debtor believes that consummation of the Plan will provide no less favorable recoveries to Claimants than a liquidation under Chapter 7 of the Bankruptcy Code.

III. Methodology

Administrative Procedures and Conversion of Cases: The Liquidation Analysis assumes that the Chapter 11 case is converted to a case under Chapter 7.

Professionals Involved in the Chapter 7 Cases: As part of the Chapter 7 case, the Debtor assume that the Trustee would choose to retain certain professionals, including counsel, financial advisors, and investment bankers or transaction brokers, among others, to provide expertise and assistance in the liquidation of the Debtor's assets. The Liquidation Analysis assumes that the Debtor's existing counsel and advisors would be replaced by the Trustee with new professionals.

Timing Considerations of the Chapter 7 Cases: The Liquidation Analysis assumes an expedited wind down of substantially all of the Debtor's operations commencing on or around May 1, 2025 (the "Conversion Date") and a subsequent liquidation of the Debtor's monetizable assets. Upon the Conversion Date, the Trustee would quickly wind down operations by immediately ceasing new patient admissions and working to safely transfer patients to alternative sites of care. The Liquidation Analysis assumes that it will take approximately two (2) weeks from the commencement of the closure process to a full cessation of healthcare operations. The timeframe assumes that applicable regulatory agencies do not require a more extended closure process, which would increase applicable operating costs. The transfer of care or closure of a medical provider must be conducted in accordance with state law. The change of ownership of Medicare and Medicaid providers is subject to specific legal processes. The Debtor would also need to address industry specific issues such as the transfer of medical reports in compliance with HIPAA rules. These constraints limit the ability to expedite the transition process. Following the period in which no patients remain at the Debtor's facilities, the Trustee would consummate piecemeal collection and sales of the Debtor's assets over an

approximately 180-day period.

The Liquidation Analysis assumes the use of cash collateral would be limited following the Conversion Date and that the Debtor would not have funds to support any process other than a process by the Trustee to convert the Debtor's assets to cash, thereby limiting the amount of administrative expenses. There is no assurance that a liquidation would be completed in the assumed timeframe, nor is there any assurance that the recoveries assigned to the Debtor's assets would be realized. If the Debtor is not allowed the use of cash collateral, recoveries in a liquidation are likely to be less than those shown in this Liquidation Analysis.

Trustee Fees for Chapter 7 Administration: Under section 326(a) of the Bankruptcy Code, for a case under Chapter 7, the Court may allow reasonable compensation for the Trustee's services not to exceed three percent (3.0%) of moneys exceeding \$1.0 million disbursed or turned over in the case by the Trustee to parties-in-interest, excluding the Debtor, but including holders of Secured Claims. The Debtor assumes in the Liquidation Analysis that such fees would be approximately three percent (3.0%) of gross liquidation proceeds, excluding proceeds from the Debtor's unrestricted cash at the Conversion Date.

Additional Claims: The cessation of the Debtor's business in a Chapter 7 liquidation is likely to trigger certain Claims that might otherwise not exist under the proposed Plan. Examples of these kinds of Claims include, but are not limited to, Claims related to rejection of executory contracts, litigation Claims, employment Claims, and Claims associated with the Debtor's financing structure. While some of these Claims could be significant and may be entitled to priority in payment over General Unsecured Claims, no adjustment has been made for these potential Claims unless specified in the assumptions and notes to the Liquidation Analysis.

Basis of Presentation: The Liquidation Analysis is based on the unaudited balance sheets of the Debtor as of January 31, 2025, with certain balances projected by the Debtor to reflect anticipated activity through the Conversion Date. The Liquidation Analysis contemplates that the Debtor's operations would be wound down beginning on the Conversion Date and assets would be sold in expedited transactions to various third-party buyers.

Liquidation Analysis: The Debtor assumes a liquidation would be conducted pursuant to Chapter 7 of the Bankruptcy Code, with a trustee ("Trustee") appointed to manage the bankruptcy estate. The Trustee would be responsible for liquidating the Debtor's assets in a manner intended to maximize the recovery to creditors. Asset sale proceeds resulting from the liquidation would be reduced by the expenses of the liquidation process prior to distributions to any holders of Allowed Claims. The three (3) major components of the liquidation process would be as follows: (i) administering and managing costs and post-conversion operational cash flow related to the liquidation process, such as personnel costs, Claims reconciliation costs, estate wind down costs, medical records retention and Trustee and professional fees; (ii) generation of cash proceeds from the sale/collection of assets; and (iii) distribution of net proceeds generated from asset sales to claimants in accordance with the priority scheme under Chapter 7 of the Bankruptcy Code. The Liquidation Analysis does not include recoveries resulting from any potential preferences, fraudulent conveyances or other litigation or avoidance action Claims.

Note: This Liquidation Analysis does not include estimates for the tax consequences, both Federal and state, that may be triggered upon the liquidation of assets in the manner described above. Such tax consequences could be material.

IV. Key Assumptions of the Liquidation Analysis

Cash and Cash Equivalents: Cash and cash equivalents consist of unrestricted cash held in bank accounts as of the Conversion Date. Cash and cash equivalents are assumed to be fully recoverable. As of the Conversion Date, the Debtor estimates holding approximately \$267,000 of cash and cash equivalents.

Net Patient Accounts Receivable: The Liquidation Analysis assumes that the Trustee would retain a third party to assist with the collection of amounts owed from patients and third-party payors. Projected recoveries reflect the estimated cost to collect / monetize these balances, the offset of credit balances, and the impact of a scenario where the Debtor is not operating as a going concern. Net Patient Accounts Receivable is estimated at 10% of balances past due more than one hundred twenty (120) days and 45%-55% of the remaining balances outstanding.

Other Receivables: Other receivables are primarily comprised of ERC credits, sales tax refunds, utility deposits and leased space deposits.

Inventory: Inventory consists of medical supplies, medicines, protective equipment and other related items.

Prepaid Insurance: The Debtor made certain prepayments for future services to be rendered related to insurance premiums for workers compensation, property and machinery, general liability and cyber policies. The Debtor's policy contains a 100% minimum earned premium clause;

therefore, there is no potential recovery for prepaid insurance.

Prepaid Other: The Debtor made certain prepayments for future services to be rendered related to licensing, contract services, rent, software and medical supplies.

Property, Plant and Equipment: The Debtor maintains various fixed and movable furniture, fixtures, and equipment at their facility. The Debtor's property and plant assets consist of capital improvements.

Insurance Policy Proceeds: The Debtor's estimated balance on the wasting policy for professional and general liability as it relates to the litigation styled *In Re: Emma Base, et al. v. Onecore Health, et al., Case No. CJ-2022-1096; District Court for Oklahoma County, State of Oklahoma.*

Chapter 7 Liquidation Costs:

The Liquidation Analysis assumes that new patient admissions would cease immediately upon the Conversion Date and employees would begin transferring patients to alternative sites of care, a process that would be completed within two (2) weeks of the Conversion Date. The operating cash flows shown include employee, insurance and utility related costs during such period to facilitate this process.

The Liquidation Analysis assumes that Net Patient Accounts Receivables related to the System's Pre-Conversion Date patient care operations will be collected or sold following the Conversion Date as reflected in the estimated recovery of the Net Patient Accounts Receivable balance as of the Conversion Date.

- Chapter 7 Trustee Fees: The Liquidation Analysis assumes Chapter 7 Trustee fees and expenses will total approximately 3% of gross liquidation proceeds, excluding cash, as previously described.
- Chapter 7 Professional Fees: Estimated Chapter 7 professional fees include estimated costs for legal, financial and transaction professionals retained by the Trustee following the Conversion Date.

Recovery Analysis: To the extent proceeds are available after payment of the Chapter 7 Liquidation Costs, such proceeds are allocated to applicable claimants in priority in accordance with section 726 of the Bankruptcy Code:

- Administrative & Priority Claims: Administrative Claims include estimated Claims for post petition employee wages and benefits, accounts payable, taxes, accrued expenses, accrued, unpaid Allowed Professional Fee Amounts, claims arising under section 503(b)(9) of the Bankruptcy Code and DIP Claims.
- Class 1: Class 1 represents the Secured Claim of U.S. Bank and Stryker Flex Financial. The Claim amount used in the Liquidation Analysis represent the unpaid principal of the obligation. The Liquidation Analysis assumes that all assets in which a Secured Claim is

asserted are collateral for such Claim.

- Class 2: Class 2 represents Unsecured Claims of critical vendors for prepetition liabilities.
- Class 3: Class 3 represents general prepetition Unsecured Claims for prepetition liabilities.
- Class 4: Class 4 represents the Unsecured Claim for the judgment in the litigation styled *In Re: Emma Base, et al. v. Onecore Health, et al., Case No. CJ-2022-1096; District Court for Oklahoma County, State of Oklahoma.*
- Class 5: Class 5 represents the existing OneCore ownership interests.

**Reorganized Financial Projections of Hospital for Special Surgery, LLC
d/b/a OneCore Health**

REORGANIZED FINANCIAL PROJECTIONS OF
HOSPITAL FOR SPECIAL SURGERY, LLC
D/B/A ONECORE HEALTH

OneCore Health (“Debtor” or “Company”) believes that the OneCore Health Plan (“Plan”) meets the feasibility requirements set forth in section 1129(a)(11) of the Bankruptcy Code, as Confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the OneCore Health or any successor under the OneCore Health Plan. The Debtor has prepared financial projections (“Financial Projections”) for the period May 1, 2025 through December 31, 2032 assuming emergence from Chapter 11 on or before May 1, 2025 (“Assumed Effective Date”).

The Debtor’s Financial Projections were prepared to analyze the ability to satisfy its financial obligations, maintain sufficient liquidity and capital resources. The Financial Projections were prepared by management to support the feasibility of the Plan and were based upon assumptions provided by management regarding the projected performance of the reorganized Debtor’s operations. The Debtor has prepared the Financial Projections based on available information, including information derived from public sources. The Debtor makes no representation as to the accuracy or completeness of such information and have performed no procedures to corroborate the information.

Management has prepared these Financial Projections in good faith based upon what they believe are reasonable assumptions. Events and circumstances frequently do not occur as expected and differences between actual and expected results may be material. As described in the Debtor’s Disclosure Statement, the company is subject to a variety of risk factors that could impact the reorganized Debtor’s financial results. The Financial Projections should be viewed in conjunction with the assumptions discussed herein and with the Disclosure Statement.

The Debtor has no obligation to update these Financial Projections for any information that becomes available after the date of this filing. However, the Debtor reserves the right to amend or supplement these Financial Projections upon receipt of additional information.

Certain information set forth in these Financial Projections contain “forward-looking information”, including “future-oriented financial information” and “financial outlook” (collectively referred to herein as forward-looking statements). Except for statements of historical fact, the information contained herein constitutes forward-looking statements. These statements are not guarantees of future performance and undue reliance should not be placed on them. Such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause actual performance and financial results in future periods to differ materially from any projections of future performance or result expressed or implied by such forward-looking statements. Although forward-looking statements contained in these Financial Projections are based upon what the management of the Debtor believes are reasonable assumptions, there can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. The reader is cautioned not to place undue reliance on forward-looking statements.

The Financial Projections were prepared assuming the following: (i) there will be no material contingent or unliquidated litigation or indemnity claims applicable to the Debtor; (ii) there will be no material change in legislation or regulations that will have a material impact on the operations of the Company; and (iii) there will be no change in generally accepted accounting principles in the United States that will have a material effect on the reported financial results of the Company. The Company's Financial Projections are as follows:

In addition, the Company is subject to uncertainty and business disruptions due to an in-court restructuring. A summary of select risks including, but not limited to, are as follows:

1. The Company operates in a highly competitive, regulated industry. Competitors' operations may impact the Company's ability to retain existing contracts, enter into new contracts and reduce overall revenue and profitability. Additionally, the Company operates in a heavily regulated industry subject to changes in laws and regulations and is dependent upon government reimbursements and federal mandates. Any substantial deterioration in general economic conditions could adversely impact revenue and profitability.
2. The Company has significant client relationships and a referral basis that results in a concentration of revenue. The Company's ability to achieve the results reflected in the Financial Projections could be materially impacted by the loss of existing contracts, either as a result of third-party competition and the Company's ability to enter into replacement contracts.
3. The Company's profitability is based upon fee-for-service contracts. There are risks of changes in volume, payer mix and third-party reimbursements that are beyond the Company's control. Changes in the mix of insured and uninsured patients and patients covered by government-sponsored healthcare programs, third-party reimbursement rates and patient volume may have a material impact on the Company's profitability.
4. The Company's operations rely upon the continuing ability to successfully recruit and retain qualified physicians and other healthcare professionals which may be impacted by labor shortages, workforce disruptions or other volatility.
5. Any significant delay in the Assumed Effective Date may have significant adverse

impacts on the Company's operations and financial performance including, but not limited to, an increased risk or inability to meet revenue forecasts and the incurrence of greater reorganization expenses.

6. The Company may be impacted by a decline in revenue associated with the stigma of having filed for reorganization under Chapter 11 of the Bankruptcy Code, which is not incorporated within the Financial Projections. The Company may also be impacted by employee turnover due to filing of reorganization under Chapter 11 of the Bankruptcy Code. Loss of employees could have an adverse impact on the Company's financial performance.
7. The Company may not be able to execute all or parts of the operational plans which are the basis of the Financial Projections due to factors that may be beyond the control of the Company which may have a material impact on the financial results.
8. Upon emergence, the Debtor will be required to determine the amount by which its reorganization value as of the Assumed Effective Date exceeds, or is less than, the fair value of its assets as of the Assumed Effective Date. Such determination will be based upon the fair value at that time, which may be based on, among other things, a different methodology than what is reflected within the Financial Projections. In any event, such valuation, as well as the determination of the fair value of the Debtor's assets and liabilities, will be made as of the Assumed Effective Date. The differences between the amounts of any or all of the foregoing items as assumed in the Financial Projections and the actual amounts thereof as of the Assumed Effective Date may be material.
