Hospital for Special Surgery, LLC *dba* OneCore Health (“OneCore” or “Reorganized Debtor”) hereby submits this final application (the “Final Fee Application” or the “Application”) for entry of an order, substantially in the form attached hereto as Exhibit 1 (the “Proposed Order”), pursuant to sections 330(a) and 503(b) of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the “Bankruptcy Code”) and rules 2014 and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), allowing and awarding final compensation and reimbursement of expenses incurred by Crowe & Dunlevy, P.C. (“Crowe & Dunlevy”) for the period commencing October 7, 2024 through May 30, 2025 (the “Fee Period”). In support of this Application, the Reorganized Debtor respectfully states as follows:

BRIEF IN SUPPORT

Background

1. OneCore is a duly licensed hospital that has been specializing in orthopedic and specialty surgeries in the community of central Oklahoma for more than a decade. In late 2021, OneCore completed the construction of its present leased facility in northeast Oklahoma City and has been operating at such location since January 2022.

2. OneCore has focused on a culture of excellence in the delivery of surgical and other health care services such as radiology and orthopedic care with the goal of being one of the top performing surgical hospitals in Oklahoma. In the past four (4) years, OneCore has received many accolades for its excellence and patient care, including the following:

- Healthgrades: Knee Replacement 5-star recipient, 2023 and 2024;
- Healthgrades: Spinal Fusion Surgery 5-star recipient 2021 – 2024;
- Healthgrades: Outstanding Patient Experience 2024; and

- Press Ganey: Guardian of Excellence Award for Outstanding Patient Experience.¹

3. On October 7, 2024, OneCore filed its *Voluntary Petition* (the “Petition Date”). [Dkt. No. 1]. Additional factual background relating to OneCore’s business and the commencement of the Chapter 11 Case is set forth in detail in the First Day Declaration of Carrie McEntire (the “McEntire First Day Declaration”).

4. OneCore continued to operate its business and manage its properties as a debtor-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No committee was appointed pursuant to section 1102 of the Bankruptcy Code.

5. On May 13, 2025, the Court entered an order approving OneCore’s Chapter 11 Plan or Reorganization. *See Order (I) Confirming Debtor’s Chapter 11 Plan of Reorganization and (II) Granting Related Relief* [Dkt. No. 296].

Facts Specific to the Relief Requested

6. On October 7, 2024, OneCore filed its *Application for an Order Authorizing the Retention and Employment of Crowe & Dunlevy as Counsel to Debtor and Debtor in Possession Effective as of the Petition Date* (the “Employment Application”) [Dkt. No 2]. On October 30, 2024, the Court granted the Employment Application (the “Employment Order”). [Dkt. No. 90].

7. On November 8, 2024, OneCore filed its *Motion for Entry of Order Establishing Procedures for Compensation and Reimbursement of Expenses of Professionals* (the

¹ The Press Ganey Guardian of Excellence Award® honors organizations that perform in the top 5% of healthcare providers and health plans for patient experience, employee engagement, physician experience, clinical quality performance or consumer experience in one year. “Compensation Procedures Motion”) [Dkt. No. 114]. On December 3, 2024, the Court granted the Compensation Procedures Motion (the “Compensation Order”).² [Dkt. No. 129].

8. Since the Petition Date, Crowe & Dunlevy has provided valuable legal services to OneCore and its estate at the rates specified in the Employment Application.

9. OneCore filed an *Amended Application on behalf of Crowe & Dunlevy, P.C., Counsel for Debtor, for Allowance and Payment of Interim Compensation and Reimbursement of Expenses* (the “Interim Fee Application”) [Dkt. No. 219], seeking the Court’s approval for payment of an administrative claim in the amount of \$423,464.50 for fees and \$3,281.74 for expenses incurred. The Court approved the application with its *Order Granting Debtor’s Amended Application for Allowance and Payment of Interim Compensation and Reimbursement of Expenses to Crowe & Dunlevy, P.C.* [Dkt. No. 258].

10. Since OneCore filed its Interim Fee Application, Crowe & Dunlevy has presented Monthly Fee Statements to the Notice Parties for the months of months February to April and from May 1, 2025 to May 30, 2025, which provided notice of (i) the total fees incurred, (ii) each billing professional’s hourly rate, (iii) total time and fees for the covered period, and (v) the amount of any prepetition retainer held. Included in these Monthly Fee Statements is time incurred by Crowe & Dunlevy professionals in preparing the Monthly Fee Statements, but not time spent proofreading individual time entries.

11. The Chapter 11 Plan provides that final applications for professional services shall be filed and served within 45 days of the Plan’s Effective Date. *See Chapter 11 Plan of Reorganization* [Dkt No. 254].

² All defined terms shall have the meaning ascribed to them in the motions or applications referenced, unless otherwise specifically defined herein.

12. The source of payment distributed to Crowe & Dunlevy in response to its Interim Fee Application and Monthly Fee Statements has been paid with cash on hand from OneCore's estate. As of the date of this filing, the Reorganized Debtor has cash on hand sufficient to pay the amounts sought by this Final Fee Application. The Reorganized Debtor presently has not accrued any unpaid administrative expenses except for non-delinquent ordinary course obligations arising from its normal operations. No agreement exists under which Crowe & Dunlevy has agreed to share compensation or reimbursement with any other person.

Jurisdiction

13. The Court has jurisdiction to consider this Application pursuant to 28 U.S.C. §§ 157 and 1334 and rule 81.4(a) of the Local Civil Rules of the United States District Court for the Western District of Oklahoma. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue for purposes of considering this Application is proper in the Court pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory predicates for the relief requested herein are sections 330(a) and 503(b) of the Bankruptcy Code and Bankruptcy Rules 2014 and 2016.

Relief Requested

14. By this Final Fee Application, the Reorganized Debtor seeks the final allowance and approval of an administrative claim on behalf of Crowe & Dunlevy for legal services rendered and expenses incurred, in the amounts of \$791,617.00 and \$4,543.60, respectively. The Reorganized Debtor also seeks authorization to pay Crowe & Dunlevy the aforementioned compensation and reimbursement less the amount it has previously paid Crowe & Dunlevy in connection with the Interim Fee Application and the amounts previously paid pursuant to the Monthly Fee Statements for February 2025 to May 2025.

Basis for Relief

15. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under Section 327 of the Bankruptcy Code “reasonable compensation for actual necessary services rendered...and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to [a] professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including—

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

16. The settled method for determining reasonable attorneys’ fees and expenses in federal courts is the “lodestar” method: multiplying reasonable hourly rates by the number of hours reasonably expended. *See, e.g., Rubner & Kutner, P.C. v. United States Trustee (In re Lederman*

Enters., Inc.), 997 F.2d 1321, 1323 (10th Cir. 1993). The lodestar may be adjusted on the consideration of additional factors and circumstances, including: (1) the time and labor required; (2) the novelty and complexity of the issues presented; (3) the skill required to properly perform the legal services rendered; (4) preclusion of other employment due to acceptance of the engagement; (5) customary fee charges for like work; (6) whether the fee is fixed or contingent; (7) time limitations imposed by circumstances or the client; (8) the amount in controversy and results obtained; (9) the experience, reputation and ability of counsel; (10) the undesirability of the case; (11) the nature and length of the professional relationship between counsel and client; and (12) fee awards in similar cases. *See, e.g., In re Miniscribe Corp.*, 309 F.3d 1234, 1243-44 (10th Cir. 2002) (applying factors set out in *Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714, 717-19 (5th Cir. 1974)).

17. In the instant case, Crowe & Dunlevy respectfully submits that the factors applicable to this Chapter 11 Case are met. The services and expenses for which Crowe & Dunlevy seeks compensation are the actual fees and expenses incurred that were necessary for and beneficial to OneCore.

18. As to its expenses, the expenses billed are both reasonable and economical and were principally incurred for the payment of filing fees, administrative costs, and legal research needs. The amounts charged are the same as those customarily charged to non-bankruptcy clients and any in-house expenses are believed to reflect the actual costs thereof and are not considered non-reimbursable overhead. The expenses charged are described in further detail on the invoice attached hereto as Exhibit 2.

19. As to its fees, Crowe & Dunlevy submits that each of the above-referenced factors are met, and that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to OneCore.

20. Specifically, the rates charged are the rates that were set forth in Crowe & Dunlevy's Employment Application and approved by the Court in the Employment Order. These rates are commensurate with rates charged by similarly positioned professionals in and around the Oklahoma City, Oklahoma region for matters of like complexity and consequence.

21. As explained in its Employment Application, Crowe & Dunlevy is a full-service law firm possessing the experience and expertise in areas such as bankruptcy law, healthcare, secured finance, corporate law, and litigation, which have been implicated and required by the complexities of the Chapter 11 Case. Crowe & Dunlevy's unique experience and skill provided significant value and results to OneCore and its estate that may not otherwise have been achieved through the use of less experienced professionals.

22. Moreover, Crowe & Dunlevy has employed careful discretion to engage in only those activities which are necessary and provide meaningful value to OneCore and its estate. In doing so, it has also attempted to ensure that tasks are performed efficiently and that there is no duplication of services rendered. Therefore, in instances where more than one professional participated in any task, each professional's participation was necessary to the performance of the task for which he or she was individually responsible.

23. Some of the work performed related to, for example, the following activities:

- a. Advising OneCore with respect to its powers and duties as a debtor and debtor-in-possession;
- b. preparing and filing OneCore's petition for bankruptcy;

- c. preparing and filing OneCore's First Day Motions to facilitate its ability to maintain its day-to-day operations by, among other things, paying its employees, maintaining insurance coverage, and sustaining relationships with critical vendors;
- d. attending meetings such as the Meeting of Creditors held pursuant to section 341(a) of the Bankruptcy Code;
- e. negotiating and responding to objections to various motions, including the First Day Motions, the Motion for Appointment of Health Care Ombudsman, and various motions seeking relief from the automatic stay;
- f. working closely with various stakeholders (internal and external), including counterparties, to maximize the value of the estate;
- g. maintaining ongoing negotiations with creditors, investors, and equity partners to work toward preparation of a confirmable plan of reorganization;
- h. drafting and obtaining approval for OneCore's Chapter 11 Plan of Reorganization, Disclosure Statement, and Solicitation Procedures;
- i. coordinating the solicitation of votes on OneCore's Chapter 11 Plan of reorganization;
- j. analyzing the validity of proofs of claim and drafting necessary and appropriate objections thereto; and
- k. performing other actions necessary to execute the terms of the Chapter 11 Plan of reorganization;

24. The work each professional performed is described in further detail on an invoice attached hereto as Exhibit 2.

25. The Reorganized Debtor has been given the opportunity to review this filing, and the undersigned counsel is authorized to state that the Reorganized Debtor has approved this Final Fee Application.

Reservation of Rights

26. Although Crowe & Dunlevy has made every effort to include in this Application all fees and expenses incurred during the Fee Period, certain fees and expenses might not be included in this Application due to delays caused by accounting and processing during the Fee Period. Crowe & Dunlevy reserves the right to make further application to the Court for the allowance of such fees and expenses not included in this Application.

Notice

27. No creditors' committee, trustee, or examiner was appointed in this Chapter 11 Case. Notice of this Application has been provided to the Notice Parties under the Compensation Order and to any party in interest that has requested notices under Bankruptcy Rule 2002. The Reorganized Debtor submits that, in light of the nature of the relief requested, no other or further notice need be provided.

Conclusion

WHEREFORE, the Reorganized Debtor respectfully requests that the Court (a) enter the Proposed Order and (b) grant such other and further relief as is just and proper.

Respectfully submitted,

ONECORE
