Notices of (A) Proposed Sale of the Debtors' Assets, the Auction and the Sale Hearing, and (B) Proposed Assumption and Assignment of Executory Contracts and Leases, (V) Approving the Sale of the Assets to the Party Submitting the Highest or Best Bid, and (VI) Granting Related Relief [Docket No. 62] (the "Sale Motion"),² filed by the above captioned debtors and debtors in possession (collectively, the "Debtors" or the "Sellers"), seeking entry of this order (this "Sale Order") for, among other things, approval of: (a) the sale of substantially all of the Debtors' assets pursuant to the APA (as defined below) free and clear of Liens (as defined in the APA), Claims (as defined in the APA), and interests, except for any Permitted Liens, Assumed Liabilities, or as otherwise provided under this Sale Order, (b) the assumption and assignment of certain executory contracts and unexpired leases of the Debtors as may be requested by the Purchaser (as defined below) and the proposed cure amounts with respect thereto (the "Cure Costs"), and (c) the assumption of certain liabilities, all as more fully set forth in the Sale Motion; and the U.S. Bankruptcy Court for the Northern District of Georgia (Atlanta Division) (the "Court") having entered the *Order Pursuant to Bankruptcy Code Sections 105, 363 and 365: (A) Scheduling an Auction; (B) Scheduling the Date, Time and Place for a Hearing on the Proposed Sale Motion; (C) Approving the Form and Manner of the Notice of (I) the Proposed Sale of the Debtors' Assets, the Auction and the Sale Hearing, and (II) Proposed Assumption and Assignment of Executory Contracts and Leases; and (D) Approving (I) Bidding Procedures, and (II) Bid Protections* [Docket No. 192] (the "Bidding Procedures Order"); and the Court being satisfied that the relief requested in the Sale Motion is necessary and in the best interests of the Debtors and their estates;

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Sale Motion or the APA, as applicable.

and it appearing that sufficient notice of the Sale Motion has been given, and that no other or further notice is required; and this Court having reviewed the Sale Motion and having considered the evidence and arguments presented at a hearing on May 16, 2025 (the “Sale Hearing”); and this Court having determined that the legal and factual bases set forth in the Sale Motion and at the Sale Hearing establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor;

It is hereby **FOUND, CONCLUDED, AND DETERMINED THAT:**³

A. **Jurisdiction and Venue.** The Court has jurisdiction to hear and determine the Sale Motion pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (N), and (O). Venue in this district is proper under 28 U.S.C. §§ 1408 and 1409.

B. On March 4, 2025 (the “Petition Date”), the Debtors each filed a voluntary petition under chapter 11 of the Bankruptcy Code. Since the Petition Date, the Debtors have continued to operate their Business (as defined in the APA) and manage their property as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in these chapter 11 cases.

C. **Notice.** As evidenced by the certificates of service filed with the Court, proper, timely, adequate, and sufficient notice of (a) the Sale Motion, (b) the sale of the Purchased Assets (as defined below) to the Purchaser pursuant to (i) the bidding procedures authorized by the Court in the Bidding Procedures Order (the “Bidding Procedures”) and (ii) the APA and the transactions

³ The findings of fact and conclusions of law herein constitute the Court’s findings of fact and conclusions of law for the purposes of rule 7052 of the Federal Rules of Bankruptcy Procedures (the “Bankruptcy Rules”), made applicable pursuant to Bankruptcy Rule 9014. To the extent any findings of facts are conclusions of law, they are adopted as such. To the extent any conclusions of law are findings of fact, they are adopted as such.

contemplated in connection therewith (the “Sale”), (c) the assumption and assignment to the Purchaser of certain executory contracts and unexpired leases as described and identified more fully in the APA (collectively, the “Assumed Contracts”), (d) the Cure Costs, (e) the Prevailing Bidder (as defined in the Bidding Procedures Order), (f) the Sale Hearing, and (g) all deadlines related thereto have been provided by the Debtors to each party entitled thereto in accordance with the Bidding Procedures Order. *See* Docket Nos. [64, 238, 247, 332, 336, 337, 368, 381 and 382]. A reasonable opportunity to object or be heard regarding the relief requested in the Sale Motion has been afforded to all interested persons and entities.

D. The Debtors filed with the Court and served upon the non-Debtor counterparties to the Assumed Contracts a *Notice of Cure Amounts and Proposed Assumption and Assignment of Executory Contracts and Leases* [Docket No. 218] and the *First Supplemental Notice of Cure Amounts and Proposed Assumption and Assignment of Executory Contracts and Leases* [Docket No. 317] (collectively, the “Cure Notices”), identifying, among other things, the Cure Costs in accordance with the Bidding Procedures Order. The service of the Cure Notices was sufficient under the circumstances and in full compliance with the Bidding Procedures Order, and no further notice need be provided in respect of the Debtors’ assumption and assignment to the Purchaser of the Assumed Contracts, the Cure Costs, if any, or the Sale. All non-Debtor counterparties to the Assumed Contracts have had an adequate opportunity to object to the assumption and assignment of the Assumed Contracts and the Cure Costs.

E. The disclosures made by the Debtors concerning the Sale Motion, the APA (as defined below), the Sale, the Purchaser (as defined below), and the Sale Hearing were good, complete, and adequate. A reasonable opportunity to object or be heard regarding the requested

relief has been afforded to all of the Debtors' creditors and other parties in interest in these chapter 11 cases.

F. The notice described in the foregoing paragraphs is good, sufficient, and appropriate under the circumstances, and no other or further notice of the Sale Motion, the Sale (and the transactions contemplated in connection therewith), the assumption and assignment to the Purchaser of the Assumed Contracts, the Cure Costs, the Sale Hearing, and all deadlines related thereto is or shall be required.

G. **APA**. The assets being sold to the Purchaser (the "Purchased Assets"), as more fully described in that certain Second Amended and Restated Asset Purchase Agreement, attached hereto as **Exhibit 1** (the "APA") between the Debtors and OTB Hospitality, LLC (the "Purchaser"), pursuant to which the Sellers have agreed to sell the Purchased Assets to the Purchaser, constitute property of the Sellers' bankruptcy estates and title thereto is vested in the Sellers' estates within the meaning of section 541 of the Bankruptcy Code. The Debtors are the sole and lawful owners of the Purchased Assets.

H. **The Sale Process**. The Sale is duly authorized pursuant to sections 102(1), 105, 363, 365, and 541 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006, 9007, and 9014. As demonstrated by (i) the testimony and other evidence adduced at the Sale Hearing, (ii) the representations of counsel made on the record at the Sale Hearing, and (iii) the docket of this case, the Debtors have marketed the Purchased Assets and conducted all aspects of the Sale process at arms'-length, in good faith, and in compliance with the Bidding Procedures and the Bidding Procedures Order. The marketing process undertaken by the Debtors and their professionals, agents, and other representatives with respect to the Purchased Assets has been

adequate and appropriate and reasonably calculated to maximize value for the benefit of all stakeholders. The Bidding Procedures were duly noticed, were substantively and procedurally fair to all parties, and the Sale was conducted in a diligent, non-collusive, fair, and good faith manner, in accordance with the Bidding Procedures. The APA constitutes the highest or best offer for the Purchased Assets and the Backup Bid (as defined below) reflects the next highest or best offer for the Purchased Assets. The Debtors consulted with the Official Committee of Unsecured Creditors (the “Committee”) during the sale process, including finalizing the Bidding Procedures, and evaluating and determining Qualified Bids (as defined in the Bidding Procedures Order).

I. The deadline for submitting a bid for the Debtors’ assets passed on May 1, 2025 (the “Bid Deadline”) in accordance with the Bidding Procedures and Bidding Procedures Order. The Debtors received one timely bid from a Qualified Bidder (as defined in the Bidding Procedures Order) in addition to the Stalking Horse Bidder (as defined in the Bidding Procedures Order). Thereafter, an auction was held on May 6, 2025 for the Debtors’ assets. After the auction, the Debtors, after consultation with the Committee, determined in a valid and sound exercise of their business judgment that (i) the transactions contemplated by the APA were the highest or otherwise best bid and, therefore, the Purchaser’s bid was designated as the prevailing bid (the “Prevailing Bid”) and (ii) the transactions contemplated by the purchase agreement submitted by Salud Brands LLC (the “Backup Bidder”) was the next highest or otherwise best bid, and, therefore, Salud Brands LLC’s Bid was designated as the backup bid (the “Backup Bid”). On May 6, 2025, the Debtors filed the *Notice of Filing of Prevailing Bidder and Backup Bidder* [Docket No. 349] (the “Notice of Prevailing Bidder and Backup Bidder”), identifying the Purchaser as the Prevailing Bidder for the Purchased Assets and Salud Brands LLC as the Backup Bidder for the Purchased

Assets, in each case in accordance with the Bidding Procedures Order. As established by the record of the Sale Hearing, the Bidding Procedures Order has been complied with in all material respects by the Debtors and the Purchaser. The Bidding Procedures afforded a full, fair, and reasonable opportunity for any entity or person to make a higher or otherwise better offer to purchase the Purchased Assets.

J. Through marketing efforts and a competitive sale process conducted in accordance with the Bidding Procedures Order, the Debtors: (a) afforded interested potential purchasers a full, fair, and reasonable opportunity to qualify as bidders and submit their highest or otherwise best offer to purchase the Purchased Assets; (b) provided potential purchasers, upon request, sufficient due diligence information to enable them to make an informed judgment on whether to bid on the Purchased Assets and to submit the materials required under the Bidding Procedures Order by the Bid Deadline; (c) considered any Qualified Bids submitted on or before the Bid Deadline; and (d) conducted the sale process in a diligent, non-collusive, fair, and good faith manner.

K. **Business Justification.** The Debtors have articulated good and sufficient business reasons for the Court to: (i) approve the APA, and, subject to the terms of this Sale Order, authorize the Debtors' consummation of the Sale, including the sale of the Purchased Assets to the Purchaser and its permitted assigns pursuant to the terms of the APA; (ii) authorize and approve the assumption, assignment, or assumption and assignment of the Assumed Contracts and Assigned Postpetition Contracts (as defined in the APA) as set forth herein and in the APA on the Closing Date (as each are defined in the APA); and (iii) authorize and approve the assumption of the Assumed Liabilities as set forth in the APA. Entry into the APA and consummation of the Sale are

sound exercises of the Debtors' business judgment, and such acts are in the best interests of the Debtors, their estates and creditors, and all parties in interest.

L. The Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose for: (i) the sale of the Purchased Assets outside of the ordinary course of business pursuant to Bankruptcy Code section 363(b) prior to and outside of a plan of reorganization because of the Debtors' current financial position; and (ii) the immediate consummation of the APA. Such circumstances and purposes include: (a) the Debtors conducted a robust marketing process to sell the Purchased Assets and the APA constitutes the highest or best offer for the Purchased Assets; (b) the APA and the Closing (as defined in the APA) of the Sale present the best opportunity to realize the highest value for the Purchased Assets; (c) there is risk of deterioration of the value of the Purchased Assets if the Sale is not consummated in accordance with the terms of the APA and this Sale Order; (d) the APA and the sale of the Purchased Assets to the Purchaser provide greater value to the Debtors' estates than would be provided by any other presently available alternative; and (e) the Bidding Procedures utilized were designed to yield the highest or otherwise best bids for the Purchased Assets. To maximize the value of the Purchased Assets and preserve the viability of the operations to which the Purchased Assets relate, it is essential that the Sale occur within the time constraints set forth in the APA and this Sale Order.

M. **Good Faith.** The APA was negotiated, proposed, and is undertaken by the Debtors and the Purchaser at arms'-length, without collusion or fraud, and in good faith within the meaning of Bankruptcy Code section 363(m). The Purchaser is a good-faith purchaser under section 363(m) of the Bankruptcy Code and, as such, is entitled to all of the protections afforded thereby, including in the event that this Sale Order or any portions thereof is appealed, or is

reversed or modified on appeal. The Purchaser recognized that the Debtors were free to deal with any other party interested in acquiring the Purchased Assets, and agreed to, and did, subject its bid to the competitive Bidding Procedures. As established by the record of the Sale Hearing, the Debtors and the Purchaser have complied with the Bidding Procedures and the Bidding Procedures Order in all material respects. The Bidding Procedures afforded a full, fair, and reasonable opportunity for any entity or person to make a higher or otherwise better offer to purchase the Purchased Assets. Neither the Debtors, nor the Purchaser, nor any affiliate of the Purchaser has engaged in any conduct that would cause or permit the APA to be avoided under section 363(n) of the Bankruptcy Code. As a result of all of the foregoing, the Purchaser is entitled to the protections of Bankruptcy Code section 363(m), including in the event this Sale Order or any portion thereof is reversed or modified on appeal, and otherwise has proceeded in good faith in all respects in connection with these cases. The APA was not entered into for the purpose of hindering, delaying, or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession or the District of Columbia.

N. The Purchaser is not, and was not immediately prior to or after the Closing Date, an “insider” or “affiliate” of the Debtors, as those terms are defined in section 101 of the Bankruptcy Code and no common identity of incorporation, director, or stockholder existed between the Purchaser, on the one hand, and the Debtors, on the other hand, immediately prior to or after the Closing Date. The Debtors have dealt with Purchaser at arms’-length.

O. An injunction against creditors of the Debtors and third parties pursuing the Purchaser, in its capacity as purchaser of the Purchased Assets, for Excluded Liabilities (as defined in the APA or as otherwise set forth in this Sale Order) is necessary to induce the Purchaser to close

the Sale; the issuance of such an injunction is therefore necessary to avoid irreparable injury to the Debtors' estates and will benefit all of the Debtors' creditors.

P. **[Reserved]**

Q. **Highest or Otherwise Best Offer.** The total consideration provided by the Purchaser for the Purchased Assets represents the highest or best offer received by the Debtors, and the amount of aggregate consideration provided by the Purchaser to the Debtors pursuant to the APA constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, applicable state laws, including the Uniform Voidable Transactions Act, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act and any other such applicable laws, and may not be avoided under Bankruptcy Code section 363(n) or any provision of chapter 5 of the Bankruptcy Code or under any other law of the United States, any state, territory, possession thereof, or the District of Columbia, or any other applicable law. No other person or entity or group of persons or entities has offered to purchase the Purchased Assets for an amount of aggregate consideration that would provide greater value to the Debtors' estates than the Purchaser. The Debtors' determination that the APA constitutes the highest or best offer for the Purchased Assets constitutes a valid and sound exercise of the Debtors' business judgment. Such business reasons include the facts that (i) there is substantial risk of deterioration of the value of the Purchased Assets if the Sale is not consummated quickly given limited cash on hand and access to additional funding; (ii) the Sale set forth in the APA constitutes the highest or best offer for the Purchased Assets; and (iii) the APA and the Closing will present the best opportunity to realize the value of the Debtors' Business on a going concern basis and to avoid decline and devaluation of the Debtors' Business. The Court's approval of the Sale Motion, the Sale, and the APA, and the

immediate consummation thereof, is in the best interests of the Debtors, their estates and creditors, and all other parties in interest.

R. **Valid Transfer.** As of the Closing, pursuant and subject to the terms of the APA and this Sale Order, the transfer of the Purchased Assets and the Sale will effect a legal, valid, enforceable, and effective transfer of the Purchased Assets and will vest the Purchaser with all of the Debtors' right, title, and interest in the Purchased Assets, free and clear of all Liens (except for Permitted Liens (as defined in the APA)), Claims, encumbrances, and other interests of any kind or nature whatsoever (other than Assumed Liabilities).

S. **Free and Clear.** The Purchaser would not have entered into the APA and would not have consummated the Sale, thus adversely affecting the Debtors, their estates, and their creditors, unless both (i) the Sale and (ii) the assumption and assignment of the Assumed Contracts to the Purchaser were free and clear of all Liens (except for Permitted Liens), Claims, encumbrances, and other interests of any kind or nature whatsoever (other than Assumed Liabilities or as set forth in this Sale Order). Claims shall include Excluded Liabilities, all debts arising under, relating to, the Purchased Assets, or in connection with any act of any Debtor or claims, liabilities, obligations, demands, guaranties, options, rights, contractual commitments, restrictions, restrictive covenants, covenants not to compete, rights to refunds, escheat obligations, interests and matters of any kind and nature, whether arising prior to or subsequent to the commencement of the Debtors' chapter 11 cases, and whether imposed by agreement, applicable law, equity, or otherwise (including rights with respect to Claims and encumbrances (i) that purport to give to any party a right of setoff or recoupment against, or a right or option to effect any forfeiture, modification, profit sharing interest, right of first refusal, purchase or repurchase right

or option, or termination of, any of the Debtors' or Purchaser's interests in the Purchased Assets, or any similar rights, (ii) in respect of taxes owed by the Debtors for periods prior to the Closing Date, including sales, income, use or any other type of tax; or (iii) in respect of restrictions, rights of first refusal, charges or interests of any kind or nature, if any, including any restriction of use, voting, transfer, receipt of income or other exercise of any attributes of ownership) relating to, accruing or arising any time prior to the Closing Date.

T. **Satisfaction of 363(f) Standards.** The Debtors may sell the Purchased Assets free and clear of all Liens (except for Permitted Liens), Claims, encumbrances, and other interests of any kind or nature whatsoever (other than Assumed Liabilities), because, in each case, one or more of the standards set forth in section 363(f)(1)–(5) of the Bankruptcy Code has been satisfied. All parties in interest, including any holders of Liens, Claims, encumbrances, and other interests and any non-Debtor counterparties to the Assumed Contracts, that did not object, or who withdrew their objection, to the Sale, the Sale Motion, the assumption and assignment of the applicable Assumed Contract, including the associated Cure Cost, have consented to the relief granted herein pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Liens who did object fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code.

U. **No Successor Liability.** By consummating the Sale, the Purchaser is not a mere continuation of the Debtors or their estates, and there is no continuity, no common identity, and no continuity of enterprise between the Purchaser and the Debtors. The Purchaser is not holding itself out to the public as a continuation of the Debtors. The Purchaser is not a successor to the Debtors or the Debtors' estates by reason of any theory of law or equity, and the Sale does not amount to a consolidation, merger, or *de facto* merger of the Purchaser or the Debtors. The Purchaser will not

assume or in any way be responsible for any obligation or liability of the Debtors and/or the Debtors' estates except in respect of the Assumed Liabilities, and as expressly provided in this Sale Order or the APA. The Purchaser would not have acquired the Purchased Assets but for the foregoing protections against potential claims based upon "successor liability" or similar theories.

V. **Assumed Contracts and Cure Costs.** The Debtors have demonstrated that the assumption and assignment of the Assumed Contracts and Assigned Postpetition Contracts to the Purchaser in connection with the consummation of the Sale is an exercise of the Debtors' sound business judgment and is in the best interests of the Debtors, their estates and creditors, and other parties in interest. The Assumed Contracts and Assigned Postpetition Contracts being assigned to the Purchaser are an integral part of the APA and the Sale and, accordingly, the assumption and assignment of the Assumed Contracts and Assigned Postpetition Contracts is reasonable and enhances the value of the Debtors' estates. Any non-Debtor counterparty to an Assumed Contract that has not actually filed with the Court an Assumption Objection (as defined below) in accordance with the terms of the Bidding Procedures Order and the Cure Notices is deemed to have consented to such assumption and assignment on the terms set forth in this Sale Order and the APA.

W. The Debtors and the Purchaser (including any Permitted Designees), as applicable under the APA, have, including by way of entering into the APA, paying the Cure Costs, and agreeing to the provisions relating to the Assumed Contracts therein, (i) cured, or provided adequate assurance of cure, of any default existing prior to the date hereof under any of the Assumed Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code, and (ii) provided compensation or adequate assurance of compensation to any party for any actual

pecuniary loss to such party resulting from a default prior to the date hereof under any of the Assumed Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code, and the Purchaser (including any Permitted Designees) has, based upon the record of these proceedings, provided adequate assurance of future performance of and under the Assumed Contracts and any requested information related thereto, within the meaning of sections 365(b)(1) and 365(f)(2) of the Bankruptcy Code. No default exists in the Debtors' performance under the Assumed Contracts as of the Closing Date other than the failure to pay Cure Costs or defaults that are not required to be cured as contemplated in section 365(b)(1)(A) of the Bankruptcy Code. The Purchaser's promise under the APA to perform the obligations under the Assumed Contracts after Closing shall constitute sufficient adequate assurance of future performance under the Assumed Contracts being assigned to the Purchaser within the meanings of sections 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code. The Cure Costs are found to be the sole amounts necessary to cure any and all defaults under the Assumed Contracts for amounts that have become due and owing as of the Closing under the Leases (as defined in the APA) under section 365(b) of the Bankruptcy Code.

X. **Allocation of Purchase Price.** The Credit Bid shall be comprised solely of the DIP Obligations (defined in the APA), inclusive of the Prepetition Secured Note Obligations (as defined in the DIP Order (as defined in the APA)) which were "rolled up" into the DIP Obligations (as defined in the APA) pursuant to the DIP Order.

Y. **No Sub Rosa plan.** The Sale does not constitute a *sub rosa* chapter 11 plan. The sale and assignment of the Purchased Assets and Assumed Liabilities outside of a plan of reorganization pursuant to the APA neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates a chapter 11 plan for any of the Debtors.

Z. **Opportunity to Object.** A fair and reasonable opportunity to object or be heard with respect to the Sale Motion and the relief requested therein has been afforded to all interested persons and entities.

AA. **Final Order.** This Sale Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to the extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Sale Order, and, sufficient cause having been shown, waives any such stay. The Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose and justification for the immediate approval and consummation of the Sale contemplated by the APA. The Purchaser may consummate the Sale subject to the terms of this Sale Order.

BB. **Automatic Stay.** The automatic stay pursuant to section 362 of the Bankruptcy Code is modified with respect to the Debtors to the extent necessary, without further order of the Court, to allow the Purchaser to deliver any notice provided for in the APA and allow the Purchaser to take any and all actions permitted under the APA, in each case in accordance with the terms and conditions thereof.

CC. **Time Is of the Essence.** Time is of the essence in consummating the Sale. The consummation of the Sale as soon as practicable is necessary both to preserve and maximize the value of the Debtors' assets for the benefit of the Debtors, their estates, their creditors, interest holders and all other parties in interest in these chapter 11 cases, and to provide the means for the

Debtors to maximize creditor and interest holder recoveries. Accordingly, there is cause to waive the stays contemplated by Bankruptcy Rules 6004 and 6006.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

1. The Sale Motion is granted as set forth herein, and the Sale contemplated thereby and by the APA is approved as set forth in this Sale Order, with the APA being incorporated in this Sale Order as if fully set forth herein.

2. All objections to the Sale Motion or the relief granted herein that have not been withdrawn, waived, adjourned, or settled, and all reservations of rights included therein, are overruled on the merits with prejudice.

3. Notice of the Sale Motion, and the assumption and assignment of the Assigned Postpetition Contracts and the Assumed Contracts (including proposed Cure Costs related thereto), the Sale Hearing, and the Sale was fair and equitable under the circumstances and complied in all respects with the Bidding Procedures, sections 102(1), 363 and 365 of the Bankruptcy Code, and Bankruptcy Rules 2002, 6004, 6006, 9006, and 9007.

Approval of the APA

4. The APA and all Related Agreements (as defined in the APA), including all of the terms and conditions thereof, and the Sale contemplated thereby, are approved in all respects and the Debtors and the Purchaser are authorized and empowered to fully perform under, consummate, and implement the terms of the APA and such Related Agreements.

5. Pursuant to section 363(b) of the Bankruptcy Code, the Debtors, acting by and through their existing agents, representatives, and officers, are authorized and empowered to execute and deliver, perform under, consummate, implement, comply with, and close the APA,

together with all additional instruments and documents that may be reasonably necessary or desirable to implement the APA and the Sale, and consummate the Sale pursuant to and in accordance with the terms and conditions of the APA and this Sale Order. The Debtors are further authorized to pay, without further order of this Court, whether before, at, or after Closing, any expenses or costs that are required to be paid in order to consummate the transactions contemplated by the APA and the Related Agreements or perform their obligations under the APA and the Related Agreements.

6. The Debtors are authorized and empowered to execute and deliver, and empowered to perform under, consummate, and implement, the APA, together with all Related Agreements and all additional instruments, documents, and other agreements that may be reasonably necessary or desirable to implement the APA, and to take all further actions as may be reasonably requested by the Purchaser for the purpose of assigning, transferring, granting, conveying and conferring to the Purchaser or reducing to possession, the Purchased Assets, or as may be reasonably necessary or appropriate to the performance of the obligations as contemplated by the APA and the Related Agreements, this Sale Order, and any such other ancillary documents, without any further corporate action or orders of this Court.

7. The Debtors, their estates, and their respective officers, members, managers, partners, agents, representatives, and attorneys, are authorized, subject to the terms and conditions contained in the APA and this Sale Order to carry out all of the provisions of the APA, the Related Agreements and any other related agreements or instruments; to issue, execute, deliver, file, and record, as appropriate, the documents evidencing and consummating the APA, the Related Agreements and any other related agreements or instruments; to take any and all actions

contemplated by the APA, the Related Agreements, and any other related agreements or instruments, or this Sale Order; and to issue, execute, deliver, file, and record, as appropriate, such other contracts, instruments, releases, termination statements, indentures, mortgages, quitclaim deeds, deeds, bills of sale, assignments, leases, or other agreements or documents and to perform such other acts and execute and deliver such other documents, as are consistent with, and necessary, desirable or appropriate to implement, effectuate, and consummate, the APA, the Related Agreements, and any other related agreements or instruments and this Sale Order, all without further application to, or order of, this Court or further action by their respective officers, members, managers, partners, agents, representatives, and attorneys. The Debtors and their estates are further authorized and empowered to cause to be filed with the secretary of state of any state or other applicable officials of any applicable Governmental Unit (as defined in the Bankruptcy Code) any and all certificates, agreements, or amendments necessary or appropriate to effectuate this Sale Order and the APA, and all such other actions, filings, or recordings as may be required under appropriate provisions of the applicable laws of all applicable Governmental Units or as they may determine are necessary, desirable or appropriate. The execution of any such document or the taking of any such action shall be, and hereby is, deemed conclusive evidence of the authority of such person to so act. Without limiting the generality of the foregoing, this Sale Order shall constitute all approvals and consents, if any, required by the corporate laws of the Debtors' states of incorporation and all other applicable business, corporation, non-profit, limited liability partnership, trust, and other laws of the applicable Governmental Unit with respect to the implementation and consummation of the APA, the Related Agreements, any other related agreements or instruments and this Sale Order.

8. This Sale Order shall be binding in all respects upon the Debtors and their estates, successors, and assigns, all creditors of and equity holders in any Debtor, and any and all other parties in interest, including any and all holders of Liens (except for Permitted Liens), Claims, encumbrances, and other interests of any kind or nature whatsoever (other than Assumed Liabilities or as set forth in this Sale Order), including holders of any rights or claims based on any putative successor or transferee liability, of any kind or nature whatsoever in the Purchased Assets, all non-Debtor parties to the Assumed Contracts and Assigned Postpetition Contracts, and any trustee or successor trustee or administrator appointed in these chapter 11 cases or upon a conversion. The APA and the Sale are not subject to rejection or avoidance (whether through any avoidance or recovery, claim, action, or proceeding arising under chapter 5 of the Bankruptcy Code or under any similar state or federal law or any other cause of action) by the Debtors, any chapter 7 or chapter 11 trustee of the Debtors' bankruptcy estates, or any other person or entity. The APA, the Related Agreements, this Sale Order, and the Debtors' obligations therein and herein shall not be altered, impaired, amended, rejected, discharged, or otherwise affected by any chapter 11 plan proposed or confirmed in these bankruptcy cases, any order confirming any chapter 11 plan, or any subsequent order of this Court without the prior written consent of the Purchaser. 17. Unless otherwise ordered by the Court in a prior order, to the extent provided for in the APA, any and all deposits (including maintenance deposits, and security deposits for rent, electricity, telephone or otherwise) or prepaid or deferred charges and expenses, including all lease and rental payments, that have been prepaid by any of the Debtors under the Assumed Contracts are being transferred and assigned to, and shall be the property of, the Purchaser from and after the Closing, which transfer and assignment of security deposits or other deposits shall satisfy in full the requirements of section 365(l) of the Bankruptcy Code for all contracts, leases, and licenses assumed and assigned pursuant to this Sale Order or the APA. 21. Any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract on the consent of the non-Debtor counterparty thereto or allow the non-Debtor party to such Assumed Contract to terminate, recapture, impose any penalty, declare an event of default, condition on renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract, shall constitute unenforceable anti-assignment provisions

that are of no force and effect solely for the purposes of the assumption and assignment of the Assumed Contracts to the Purchaser pursuant to this Sale Order only.

22. Upon assignment to the Purchaser, (a) the Assumed Contracts shall remain in full force and effect for the benefit of the Purchaser and non-Debtor counterparty in accordance with their respective terms, notwithstanding any provision in any such Assumed Contract (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts, limits, or conditions such assignment or transfer; and (b) in accordance with sections 363 and 365 of the Bankruptcy Code, the Purchaser shall be fully and irrevocably vested in all right, title, and interest of the Debtors in each Assumed Contract free and clear of Liens (except for Permitted Liens), Claims, encumbrances, and other interests of any kind or nature whatsoever (other than Assumed Liabilities).

23. The Purchaser is substituted for all purposes as a party to all Assumed Contracts in the place of any applicable Debtor or Debtors party to any such Assumed Contracts, and the Purchaser shall have any and all rights and benefits of the respective Debtor or Debtors under all such Assumed Contracts without interruption or termination of any kind, and all terms applicable to such Debtor or Debtors shall apply to the Purchaser as if such Assumed Contracts were amended to replace such Debtor or Debtors with the Purchaser.

24. Nothing in this Sale Order or the APA shall impair or prejudice an applicable landlord's rights with respect to the Debtors' available insurance coverage with respect to third-party claims asserted in connection with the Debtors' use and occupancy of the applicable premises subject to the assigned Lease with regard to events that occurred prior to the assignment date.

25. Notwithstanding anything to the contrary in the APA or this Sale Order, with respect to Assumed Contracts that constitute unexpired Leases assigned to the Purchaser, following the Closing, the Purchaser shall be responsible for: (i) paying year-end adjustment and reconciliation amounts that become due and payable or accrue after the Closing (and shall be entitled to receive the benefit of any credits therefor), (ii) paying all amounts that become due and payable after the Closing under the Assumed Contracts, including, but not limited to, royalties, rents, utilities, taxes, insurance, fees, common area or other maintenance charges, promotion funds, percentage rent or any other remaining obligations that may have accrued prior to the Closing that are unbilled, not yet due, or subject to further adjustment as of the Closing (if any) pursuant to, and in accordance with, the terms of the Assumed Contracts, (iii) complying with all terms of the Assumed Contracts, including, but not limited to, obligations arising after Closing related to maintenance, repair obligations, and indemnification obligations pursuant to the Assumed Contracts, and (iv) paying any deductibles or self-insured retention amounts that become due and payable after Closing (except to the extent the applicable Debtor has already satisfied any such insurance deductibles or self-insured retention amount), to the extent the Purchaser relies on the Debtors' existing insurance coverage to satisfy indemnification obligations arising under, and in accordance with, the Assumed Contracts related to indemnification for pre-Closing Date events or occurrences.

26. Any postpetition amendments to Assumed Contracts entered into between one or more of the Debtors and the applicable counterparties are approved and the relevant Assumed Contracts are deemed to include such amendments.

27. Except for the Assumed Liabilities, including Cure Costs, defaults or other obligations of the Debtors under the Assumed Contracts that become due prior to the Closing

(without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) as to which no objections were filed as of the date of this Sale Order are deemed satisfied by the payment of Cure Costs, if any, to cure all monetary defaults, if any, under such Assumed Contract in those amounts set forth in the Cure Notices, which was served in compliance with the Bidding Procedures Order, and which were satisfied, or shall be satisfied as soon as practicable, as provided in the APA.

28. For all Assumed Contracts for which the Cure Notices were served, the Debtors or the Purchaser, as applicable under the APA, are authorized and empowered to pay all Cure Costs listed in the Cure Notices, or in an amount agreed to by the Assumed Contract counterparty, upon the later of (a) seven (7) days after Closing (or with respect to Designation Rights Assets (as defined in the APA), seven (7) days following the date that such contract becomes an Assumed Contract), (b) the time agreed to by the Assumed Contract counterparty, or (c) for any Assumed Contract for which (i) a timely filed and served objection or (ii) both the Debtors' counsel and the Purchaser's counsel have agreed to accept an informal objection as an objection (an "Assumption Objection") to the assumption and assignment of such agreement or the Cure Costs relating thereto remains pending as of the date of this Sale Order, the resolution of such Assumption Objection by settlement or order of this Court. 29. With respect to Assumed Contracts that constitute unexpired Leases, payment of the applicable Cure Cost designated in the Cure Notices or as otherwise agreed to by the Purchaser and the counterparty in writing shall constitute the cure of all defaults arising under the Lease that are required to be cured by section 365(b)(1)(A) of the Bankruptcy Code (after giving effect to

section 365(b)(2) of the Bankruptcy Code). For the avoidance of doubt and notwithstanding anything to the contrary herein, the Debtors shall remain liable for any additional obligations under the Leases that arise under section 365(d)(3) of the Bankruptcy Code between the date of the entry of this Sale Order and the Closing (or with respect to Leases that are Designation Rights Assets, until such Leases become Assumed Contracts or Rejected Contracts); provided that after payment of the relevant Cure Amount (if applicable) neither the Debtors, their bankruptcy estates nor the Purchaser shall have any further liabilities to the non-Debtor counterparties to the Assumed Contracts, other than the Purchaser's obligations under the Assumed Contracts that accrue or become due and payable on or after Closing or as set forth in this Sale Order.

30. Notwithstanding any provision in this Order, the determination of whether the Debtors may assume and assign certain Contracts and Leases pursuant to section 365 of the Bankruptcy Code, including but not limited to, determination as to the appropriate Cure Cost (unless such Cure Cost was resolved at or prior to the Sale Hearing) and adequate assurance of future performance by the Purchaser as to each of the following listed parties, shall be expressly reserved for further proceedings pending the Purchaser's further determination whether to assume and have assigned the Contract or Lease the Debtors have with these parties, at which time the Debtors and Purchaser may schedule a further hearing before the Court on the issue of adequate assurance of future performance and/or appropriate Cure Cost on at least seven (7) days' prior notice to the parties affected: NewMarket Square, Ltd. Furthermore, nothing in this Order shall prejudice the right of any party to object to the assumption and assignment of any Contract or Lease in the event that the Debtors breach their obligations under the Contract or the Lease after the date hereof and prior to the assumption and assignment of the Assumed Contract; provided further, however, that the counterparty to any such Contract or Lease must give the Debtors notice in writing by email to jdutson@kslaw.com of the breach within three (3) business days of such counter party having knowledge of the occurrence of the breach.

49. At any time prior to the Closing, the Purchaser may assign the APA, portions thereof, and any or all of its rights thereunder, to one or more of its Permitted Designees, each of which shall be entitled to assume and accede to the APA and to purchase and acquire any or all of the Purchased Assets and assume any or all of the Assumed Liabilities in lieu of the Purchaser, and such Permitted Designee(s) shall be deemed to be the Purchaser for all purposes under this Sale Order and shall be, jointly with Purchaser and each other, entitled to all rights and benefits conferred upon Purchaser pursuant to this Sale Order.

50. Except as expressly provided for in the APA or this Sale Order, neither the Purchaser nor any of its affiliates or designees shall (y) assume or in any way be responsible for any Liens, Claims, encumbrances, or other interests of any kind or nature whatsoever against, or obligation of, any of the Debtors and/or their estates or (z) have any liability or responsibility for any Liens, Claims, encumbrances, or other interests of any kind or nature whatsoever against, or other obligation of, the Debtors' arising under or related to the Purchased Assets or otherwise. designees shall have any successor or vicarious liabilities of any kind or character, including any theory of warranty, product liability, successor or transferee liability, labor law, *de facto* merger, or substantial continuity, whether known or unknown as of the Closing, now existing or hereafter arising, whether fixed or contingent, with respect to the Debtors or any obligations of the Debtors, including, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the Debtors' Business prior to the Closing.

52. The Purchaser is a good faith purchaser and is granted and is entitled to all of the benefits and protections afforded by section 363(m) of the Bankruptcy Code to a good faith buyer, including with respect to the transfer of the Assumed Contracts and Assigned Postpetition Contracts as part of the Sale of the Purchased Assets.

53. Pursuant to section 363(m) of the Bankruptcy Code, if any or all of the provisions of this Sale Order are hereafter reversed, modified, or vacated by a subsequent order of the Court or any other court, such reversal, modification, or vacatur shall not affect the validity and enforceability of any transfer under the APA or obligation or right granted pursuant to the terms of this Sale Order (unless stayed pending appeal), and, notwithstanding any reversal, modification,

or vacatur, the validity and enforceability of any transfer under the APA or obligation or right granted pursuant to the terms of this Sale Order shall be governed in all respects by the original provisions of this Sale Order and the APA, as applicable.

54. The so-called “bulk sale” laws or any similar law of any applicable state or other jurisdiction are waived or inapplicable to the Sale.

55. Except as otherwise expressly provided in the APA and the Related Agreements, the Purchaser shall have no liability to pay wages, bonuses, severance pay, benefits (including contributions or payments on account of any under-funding with respect to any and all pension plans), or any other payment with respect to employees or former employees of the Debtors. 56. The failure to specifically include any particular provisions of the APA or any of the documents, agreements, or instruments executed in connection therewith in this Sale Order shall not diminish or impair the effectiveness or force of such provision, document, agreement, or instrument, it being the intent of the Court, the Debtors, and the Purchaser, that the APA and each

provision, document, agreement, and instrument be authorized and approved in its entirety with such amendments thereto as may be made in conformity with this Sale Order prior to the Closing Date.

57. To the extent of any conflict between the APA and this Sale Order, the terms and provisions of this Sale Order shall govern.

58. Nothing contained in any chapter 11 plan confirmed in these chapter 11 cases, the order confirming any chapter 11 plan, or any order in these chapter 11 cases (including any order approving a wind-down or dismissal of these chapter 11 cases or any order entered as part of or after any conversion of the these chapter 11 cases to cases under chapter 7 of the Bankruptcy Code) shall alter, conflict with, or derogate from the provisions of the APA or this Sale Order, and to the extent of any conflict or derogation between this Sale Order or the APA and such future chapter 11 plan or order, the terms of this Sale Order and the APA shall control.

61. The APA shall be deemed amended by this Order to provide that any calculation of Closing Date Cash (as defined in the APA) shall exclude any amounts funded by Purchaser, if applicable, pursuant to Section 8.1(g) of the APA and included in Purchased Assets. Upon the closing of the transactions contemplated in the APA, the Debtors are authorized to return the Good Faith Deposit (as defined in the Backup Bid) to the Backup Bidder pursuant to the terms in the Backup Bid.

The Debtors shall set aside in a segregated account the amount of \$100,258.03 from the proceeds of the sale ("Texas Tax Funds"), for pre-petition 2025 ad valorem property taxes on Excluded Assets owed to the Texas Taxing Authorities and any 2024 Texas Tax Claims, to the extent not paid at closing. The Texas Tax Funds remaining, if any, shall be returned to the Debtors and their estates following payment of all pre-petition 2025 ad valorem property taxes on Excluded Assets owed to the Texas Taxing Authorities and any 2024 Texas Tax Claims, to the extent not paid at closing. Any valid and unavoidable liens of the Texas Taxing Authorities (the "Texas Tax Liens") shall attach to these proceeds to the same extent and with the same priority as the Texas Tax Liens they now hold against the property of the Debtors. These funds shall be on the order of adequate protection and shall constitute neither the allowance of the claims of the Texas Taxing Authorities, nor a cap on the amounts they may be entitled to receive. Furthermore, the claims and Texas Tax Liens of the Texas Taxing Authorities shall remain subject to any objections any party would otherwise be entitled to raise as to the

⁴ "Texas Taxing Authorities" is defined as Rockwall CAD, City of Allen, Allen Independent School District, Dallas County, Gregg County, Lewisville Independent School District, McClennan County, Northwest Independent School District, Nueces County, City of Richardson, City of Roanoke, Smith County, Tarrant County, Bowie CAD, Brazos County, Midland CAD, Denton County (including City of Denton, Denton ISD, City of Lewisville), City of Waco, Waco ISD, Burleson Independent School District, Carrollton-Farmers Branch Independent School District, Eagle Mountain-Saginaw Independent School District, City of Garland, Garland Independent School District, Frisco Independent School District, Plano Independent School District, Lubbock Central Appraisal District, Midland County, Tyler Independent School District, and Wichita County Tax Office.

These funds may be distributed only in payment of the claims and Texas Tax Liens of the Texas Taxing Authorities upon agreement between the Texas Taxing Authorities and the Debtors, or by subsequent order of the Court, duly noticed to the Texas Taxing Authorities.

64. The (i) 2025 ad valorem taxes on the Purchased Assets (to the extent accrued and unpaid as of the Closing Date and that the applicable tax period includes the Closing Date) and (ii) post-petition 2025 ad valorem taxes on the Excluded Restaurants (to the extent accrued on and after the petition date and prior to the Closing Date) constitute Assumed Liabilities under the APA. The Texas Taxing Authorities shall retain their respective statutory Texas Tax Liens against the Purchased Assets, consistent with existing lien priorities. The Purchaser assumes full responsibility for (i) 2025 ad valorem taxes on the Purchased Assets (to the extent accrued and unpaid as of the Closing Date and that the applicable tax period includes the Closing Date) and (ii) post-petition 2025 ad valorem taxes on the Excluded Restaurants (to the extent accrued on and after the petition date and prior to the Closing Date), and shall pay such taxes, in full in the ordinary course of business when due. If not timely paid, the Texas Taxing Authorities may proceed with non-bankruptcy collections against the Purchaser, without leave or approval of the Court. (p) all retainers held by Debtors' professionals;

(q) all Liquor Licenses other than Liquor Licenses for the Continuing Restaurants and the New Jersey Restaurants; and

(r) the rights of Sellers under this Agreement and the Related Agreements and all cash and non-cash consideration payable or deliverable to Sellers under this Agreement.

Section 2.3 Assumption of Assumed Liabilities. On the terms and subject to the conditions of this Agreement, at the Closing (or, with respect to Assumed Liabilities under Assigned Contracts or Assumed Permits that are assumed by Buyer after the Closing, such later date of assumption as provided in Section 2.6), the following obligations of Sellers, and no others, shall be assumed by Buyer (the "Assumed Liabilities"):

Section 2.4 Excluded Liabilities. Notwithstanding anything herein to the contrary, except for the Assumed Liabilities, the Parties expressly acknowledge and agree that Buyer shall not assume, be obligated to pay, perform or otherwise discharge or in any other manner be liable or responsible for any Liabilities of Sellers whatsoever associated with the Purchased Assets, the Business or with respect to any other properties, rights, contracts or other assets of Sellers, existing on the Closing Date, including but not limited to any of the following Liabilities which, in each case, Sellers shall expressly retain (a) all Taxes owed by Sellers to any Tax authority for any period

or portion thereof ending on or prior to the Closing Date (except to the extent such Taxes are expressly provided as Assumed Liabilities pursuant to Section 2.3), (b) all Liabilities of Sellers related to the Excluded Assets, whether such Liabilities arise before or after the Closing Date (except to the extent such Liabilities are expressly provided as Assumed Liabilities pursuant to Section 2.3), (c) all Liabilities of Sellers owing to Parent or any of its Affiliates, (d) all Liabilities with respect to any current or former employee of or other individual service provider providing services to any Seller, any Seller's ERISA Affiliate or any Affiliate of any Seller or arising at any time except for obligations incurred by Buyer with respect to Transferred Employees due to events occurring with Buyer after Closing, (e) all Liabilities with respect to Seller Transaction Expenses, and (f) all Liabilities or obligations with respect to any Employee Benefit Plan and compensation (other than as provided under Section 2.3(e)) and any other employee benefit plan, program or policy of Seller, any Affiliate of Seller or any of their ERISA Affiliates (all such liabilities that Buyer is not assuming being referred to collectively as the "Excluded Liabilities").

Section 2.5 Good Faith Deposit; Purchase Price.

(a) No later than two (2) Business Days following the Execution Date, Buyer and Acquisition will enter into the Escrow Agreement and Buyer will deposit with Escrow Agent cash in immediately available federal funds by wire transfer to an account designated by the Escrow Agent in the amount of \$750,000 (the "Good Faith Deposit"); provided that on or before May 8, 2025, Buyer shall increase the Good Faith Deposit to an amount equal to \$3,625,000. The Good Faith Deposit shall be held in escrow by the Escrow Agent in an interest-bearing bank account. The Parties shall cause the Escrow Agent to disburse the Good Faith Deposit and interest earned thereon to Acquisition or Buyer, as applicable pursuant to Section 2.5(e), Section 8.2(b), and Section 8.2(c).

(b) On the Closing Date and prior to Closing, Sellers shall provide Buyer with statements for all bank accounts maintained by Sellers indicating the Cash and Excluded Cash Amounts of Sellers as of immediately prior to the Closing. If and to the extent the Cash of Sellers as of immediately prior to the Closing (the "Closing Date Cash") exceeds the Required Amount, (i) the Cash included as a Purchased Asset shall include all Closing Date Cash of Sellers in excess of the Required Amount, and (ii) the Closing Date Cash up to the Required Amount shall constitute Retained Cash. If and to the extent the Closing Date Cash is less than the Required Amount, Buyer shall pay as additional consideration hereunder, an amount equal to the difference between the Required Amount and the Closing Date Cash (the "Additional Cash Consideration").

(c) In consideration of the sale of the Purchased Assets to Buyer, and in addition to the Assumed Liabilities, Buyer agrees to pay or cause to be paid to Sellers aggregate consideration for the sale and transfer of the Purchased Assets (the "Purchase Price"), comprised of:

- (i) the aggregate amount of the Prepetition Secured Note Obligations and the DIP Obligations, by means of a credit bid (the "Credit Bid"); *plus*
- (ii) the Additional Cash Consideration, if applicable; *plus*

(iii) cash consideration in an amount equal to \$19,850,000 (the “Overbid Cash Consideration”); *plus*

(iv) the amount funded by Buyer in its sole discretion pursuant to Section 8.1(g), if any.

(d) At the Closing, Buyer shall pay or cause to be paid by wire transfer of immediately available funds to a bank account (or accounts) as shall be designated in writing no later than two (2) days prior to the Closing Date by Sellers (or the applicable counterparties to the Assumed Contracts) to Buyer, an amount equal to (x) the Cure Costs paid by Buyer to the applicable counterparties to the Assumed Contracts, *plus* (y) the Additional Cash Consideration, if applicable, paid to Sellers, *plus* (z) the Overbid Cash Consideration (collectively, the payments made by Buyer under clauses (x),(y), and (z), “Closing Cash Payment”).

(e) In addition, at the Closing, the Parties shall promptly direct the Escrow Agent (by executing and delivering joint instructions to the Escrow Agent) to disburse the Good Faith Deposit to Buyer. The Buyer acknowledges that upon the Closing of the Contemplated Transactions (including the return of the Good Faith Deposit), the DIP Obligations shall be fully satisfied and the DIP Lender shall not be entitled to any further payments from the Sellers or their estates on account of the DIP Obligations.

Section 2.6 Assignment and Assumption of Contracts; Excluded Locations.

(a) Assignment and Assumption of Prepetition Contracts at Closing.

(i) Schedule 2.6(a)(i) attached hereto sets forth each Prepetition Contract (including each Lease) to which any Seller is a party or by which any Seller is bound and that is used in or related to the Business or any of the Purchased Assets (“Contract Schedule”).

(ii) No later than two (2) days prior to the Sale Hearing, Buyer shall have delivered notice to Sellers (including by e-mail notice from Buyer’s counsel to Sellers’ counsel), which Sellers shall then file with the Bankruptcy Court, designating each Prepetition Contract on the Contract Schedule as “Assumed” or “Rejected.” Each Prepetition Contract so designated as “Assumed” is referred to herein as an “Assumed Contract”; and each Prepetition Contract so designated as “Rejected” is referred to herein as a “Rejected Contract.”

(iii) Notwithstanding the foregoing, and subject to compliance with Section 365 of the Bankruptcy Code, at least two (2) Business Days prior to the Closing, Buyer shall (x) identify, in writing and file with the Bankruptcy Court, the Assumed Contracts and Rejected Contracts and (y) designate, in writing and file with the Bankruptcy Court, certain contracts, agreements, and leases as Designation Rights Assets (the “Designation Rights Asset(s)”). Buyer may, at any time and from time to time through (and including), with respect to any Designation Rights Assets, thirty (30) days following the Closing (the “Assumption Deadline”), notify Sellers

to include in the definition of Assumed Contracts, any Contract included in the Designation Rights Assets, and require such Sellers to give not less than five (5) Business Days' notice to the non-Seller parties to any such Contract of Sellers' proposed assumption and assignment thereof to Buyer; provided, that no such change of the definitions of Assumed Contracts referred to in this sentence shall reduce or increase the amount of the Purchase Price.

(iv) With respect to any Designation Rights Asset, Buyer may, at any time and from time to time through (and including) the applicable Assumption Deadline, designate any Contract of any of the Sellers that is a Designation Right Asset as a Rejected Contract; provided, that such designation as a Rejected Contract referred to in this sentence shall not reduce or increase the amount of the Purchase Price.

(v) With respect to any Designation Rights Asset, (i) the applicable Management Agreement shall be modified to reflect that such Management Agreement covers such Designation Rights Asset during the term (the "Designation Rights Asset Term") commencing as of the Closing Date and continuing until the earlier of (A) the applicable Assumption Deadline, (B) the date such Designation Rights Asset is assumed by the applicable Seller and assigned to the Buyer, and (C) the earlier of (1) five (5) Business Days after the date Sellers receive written notice from Buyer designating the exclusion of such Designation Rights Asset, and (2) the effective date of rejection of any Designation Rights Asset that is not designated for assumption, (ii) the Management Agreement shall provide that Buyer shall directly pay or reimburse Sellers for (or, if applicable, reasonably cooperate with Sellers in pursuing any claims under any insurance policy that relates to such Designation Rights Asset and is transferred to the Buyer at the Closing in respect of) any costs, expenses or liabilities incurred by Sellers in connection with the operation of such Designation Rights Asset during the Designation Rights Asset Term, including costs, expenses or liabilities arising from or incurred in connection with the administration of the Chapter 11 Cases, (iii) all consideration or proceeds received by Sellers, if any, in respect of, and other benefits deriving from, such Designation Rights Asset shall constitute Purchased Assets and be promptly delivered to Buyer (the "Designation Rights Assets Proceeds"), (iv) the foregoing shall not affect the validity of the transfer to Buyer of any other Purchased Asset whether or not related to such Designation Rights Asset, and (v) after the Closing, Buyer shall provide all employees necessary for the operation of the Designation Rights Assets. Buyer shall provide all cooperation and assistance reasonably required by Sellers to enable the Sellers to provide, or cause to be provided, the services contemplated by this Section 2.6.

(vi) Notwithstanding anything to the contrary herein, if any Designation Rights Asset becomes a Rejected Contract pursuant to Section 2.6(a)(iv), Buyer shall thereafter be responsible, in addition to any other costs for which Buyer is liable hereunder, for all costs applicable to the period after the Closing, including costs of closing the restaurant at that location, including de-imaging costs, with respect to such Rejected Contract.

(vii) Sellers shall provide timely and proper written notice of the procedures for the assumption and assignment of Prepetition Contracts to parties to all Prepetition Contracts and will take all other actions necessary to cause all Assumed Contracts to be assumed by Sellers (to the extent not already assumed pursuant to prior Bankruptcy Court Order(s)) and assigned to Buyer. Buyer shall, at or prior to (x) the Assumption Deadline for all Designation Rights Assets and (y) Closing for all Assumed Contracts that are not Designation Rights Assets, comply with all requirements under Section 365 of the Bankruptcy Code necessary to assign to Buyer the Assumed Contracts at Buyer's sole cost and expense.

(viii) Sellers shall be responsible for the verification of all Cure Costs for each Assumed Contract and shall use commercially reasonable efforts to correctly calculate the proper Cure Costs, if any, for each Assumed Contract prior to the filing of a schedule of all Cure Costs (if any) for each Prepetition Contract. Sellers shall file such schedule of all Cure Costs (if any) by no later than thirty (30) days following the Petition Date. To the extent that any Assumed Contract requires the payment of Cure Costs in order to be assumed pursuant to Section 365 of the Bankruptcy Code, whether determined prior to or after the Closing, the Cure Costs related to such Assumed Contract, or any portion thereof, shall be paid by Buyer (if the Cure Costs are Assumed Liabilities) on such date that the Assumed Contract is assumed by the applicable Seller and assigned to Buyer or on such other date as agreed to between Buyer and the counterparty to such Assumed Contract.

(ix) Notwithstanding the foregoing, unless otherwise ordered by the Bankruptcy Court, (A) no prepetition Cure Costs with respect to any Designation Rights Asset shall be due until the assumption thereof pursuant to this Section 2.6 and (B) Buyer shall not have any Liabilities with respect to any contract that is not an Assumed Contract (except as otherwise required in Section 2.6(a)(vi) above).

(x) At Closing (and, thereafter, if Buyer elects to designate any Designation Rights Asset as an Assumed Contract following the Closing and on or prior to the Assumption Deadline, on the date of such designation), Sellers shall, pursuant to the Sale Order and the Assignment and Assumption Agreement(s) and other transfer and assignment documents requested by Buyer, assign to Buyer (the consideration for which is included in the Purchase Price), and Buyer shall assume from Sellers (to the extent not already assumed pursuant to prior Bankruptcy Court Order(s)), each of the Assumed Contracts.

(b) Assigned Prepetition Contracts. Unless otherwise agreed by Sellers and Buyer, at the Closing (and, thereafter, if Buyer elects to designate any Prepetition Contract (including any Lease) as a Rejected Contract following the Closing and on or prior to the Assumption Deadline, on the date of such designation), Sellers shall promptly cause all Rejected Contracts to be rejected pursuant to Section 365 of the Bankruptcy Code or as soon after the Closing or the date of such designation as practicable. On each date that each Assumed Contract is assumed and assigned to Buyer pursuant to this Section 2.6 (including, without limitation, the approval of the assumption and assignment thereof by the Bankruptcy Court), such Assumed Contract shall constitute an "Assigned Prepetition

Contract” and shall be an Assigned Prepetition Contract for all purposes under this Agreement; provided that no Assumed Contract shall be assigned or transferred pursuant to this Agreement unless the Bankruptcy Court has previously approved the assumption and assignment thereof to Buyer. In connection with the assumption and assignment of the Assigned Prepetition Contracts pursuant to Section 365 of the Bankruptcy Code, Buyer shall take all actions required to provide “adequate assurance of future performance” by Buyer under the Assigned Prepetition Contracts after the Closing. Sellers and Buyer shall consult with one another in good faith regarding pleadings that either of them intends to file, or positions either of them intend to take, with the Bankruptcy Court in connection with or that might reasonably affect the Bankruptcy Court’s entry of the Sale Order.

(c) Assignment of Postpetition Contracts at Closing.

(i) Schedule 2.6(c)(i) attached hereto sets forth (x) each Postpetition Contract to which any Seller is a party or by which any Seller is bound and that is used in or related to the Business or any of the Purchased Assets, and (y) a description of each such Postpetition Contract (such schedule is referred to herein as the “Postpetition Contract Schedule”).

(ii) No later than two (2) days prior to the Sale Hearing, Buyer shall, by delivering written notice to Sellers, designate each Postpetition Contract on the Postpetition Contract Schedule as “Purchased” or “Excluded.” Notwithstanding the foregoing, subject to compliance with the Bankruptcy Code, Buyer shall have the right (in its sole and absolute discretion) to change any such designation and to notify the Sellers in writing of any such change until Closing in which case such Postpetition Contract shall become an Assigned Postpetition Contract (as defined below) or an Excluded Asset as indicated by such changed designation.

(iii) At Closing, or, subject to compliance with the Bankruptcy Code, at such later date upon which Sellers obtain any necessary consent of a counterparty to a Postpetition Contract, Sellers shall, pursuant to the Sale Order and the Postpetition Contract Assignment Agreement(s) and other transfer and assignment documents requested by Buyer, assign to Buyer (the consideration for which is included in the Purchase Price), and Buyer shall assume from Sellers, each of the Postpetition Contracts designated by Buyer as “Purchased” pursuant to Section 2.6(c)(ii), and each such Postpetition Contract shall constitute an “Assigned Postpetition Contract” and shall be an Assigned Postpetition Contract for all purposes under this Agreement.

(d) Non-Assignment of Postpetition Contracts and Permits. Notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign or transfer any Postpetition Contract or any Permit, if an attempt at assignment or transfer thereof, without the consent or approval required or necessary for such assignment or transfer, would constitute a breach thereof or in any way adversely affect any of the rights of Buyer (unless the restrictions on assignment or transfer thereunder would be rendered ineffective pursuant to Bankruptcy Code Sections 363 or 365 or Sections 9-406 through 9-409, inclusive, of the Uniform Commercial Code, as

amended), as the assignee or transferee of such Postpetition Contract or Permit (as the case may be) thereunder. From and after the Execution Date, including through and after the Closing, Sellers shall use their respective reasonable best efforts to obtain all consents or approvals that are required with respect to Assigned Postpetition Contracts and Permits for Sellers to assign to Buyer such Assigned Postpetition Contracts and Permits. For the avoidance of doubt, nothing in this Section 2.6(d) shall be deemed to (x) limit the Liability, if any, of Sellers pursuant to this Agreement for failing to have obtained any required consent or approval or (y) alter or limit any rights of Buyer under Section 8.1.

(e) Excluded Locations. As of the Closing (and, thereafter, if Buyer elects to designate any Lease as an Assumed Contract following the Closing and on or prior to the Assumption Deadline, on the date of such designation), (i) any of Sellers' restaurant locations with respect to which the associated Leases have been designated by Buyer as Assumed Contracts shall be deemed to have been classified as Continuing Restaurants, and (ii) any of Sellers' restaurant locations with respect to which the associated Leases have been classified as Rejected Contracts shall be deemed to have been classified as Excluded Restaurants.

Section 2.7 Closing. The closing of the Contemplated Transactions (the "Closing") shall take place remotely by electronic exchange of counterpart signature pages on the first Business Day on which all conditions to the obligations of Sellers and Buyer to consummate the Contemplated Transactions set forth in ARTICLE VII shall have been satisfied or waived (other than conditions with respect to actions Sellers and/or Buyer will take at the Closing itself, but subject to the satisfaction or waiver of those conditions) (the "Closing Date"). The Closing shall occur at 11:00 a.m. Eastern Time on the Closing Date, but shall be deemed to have occurred at 12:01 a.m. (prevailing time at each Continuing Restaurant) on the Closing Date, or at such other time or on such other date as shall be mutually agreed upon by Sellers and Buyer prior thereto.

Section 2.8 Deliveries at Closing.

(a) At the Closing, Sellers shall deliver to Buyer and/or its Permitted Designees the following documents and other items, duly executed by Sellers, as applicable:

(i) one or more Bills of Sale substantially in the form of Exhibit A attached hereto (each, a "Bill of Sale") (if requested by Buyer, Sellers shall execute a separate Bill of Sale with respect to each Continuing Restaurant);

(ii) one or more Assignment and Assumption Agreements substantially in the form of Exhibit B attached hereto (each, an "Assignment and Assumption Agreement") (if requested by Buyer, Sellers shall execute a separate Assignment and Assumption Agreement with respect to each Continuing Restaurant);

(iii) instruments of assignment substantially in the forms of Exhibit C, and Exhibit D attached hereto for each registered trademark and domain name, respectively, transferred or assigned hereby and for each pending application therefor (collectively, the "Intellectual Property Assignments");

(iv) instruments of assignment reasonably requested by Buyer pursuant to which each Seller assigns any right, title or interest in any other Intellectual Property of such Seller;

(v) a completed and duly executed IRS Form W-9 from each Seller, or, to the extent any Seller is disregarded as an entity separate from its owner for U.S. federal income tax purposes, from the Person into which such Seller is disregarded for such purposes;

(vi) if deemed necessary by Buyer, one or more Management Agreements;

(vii) one or more Postpetition Contract Assignment and Assumption Agreements substantially in the form of Exhibit E attached hereto (each, a “Postpetition Contract Assignment Agreement”);

(viii) the Transition Services Agreement, if any, pursuant to Section 6.11;

(ix) originals (or, to the extent originals are not available, copies) of all Assigned Contracts (together with all material amendments, supplements or modifications thereto) to the extent not otherwise already made available to Buyer;

(x) physical possession of all of the Purchased Assets capable of passing by delivery with the intent that title in such Purchased Assets shall pass by and upon delivery;

(xi) certificates of title and title transfer documents to all titled motor vehicles included within the Purchased Assets; and

(xii) all other documents, instruments and writings reasonably requested by Buyer to be delivered by Sellers at or prior to the Closing pursuant to this Agreement.

(b) At the Closing, Buyer shall deliver to Sellers, or the designated third-party recipients pursuant to Section 2.5(d), the following documents, cash amounts and other items, duly executed by Buyer, as applicable:

(i) the Bill(s) of Sale;

(ii) the Assignment and Assumption Agreement(s);

(iii) the Closing Cash Payment by wire transfer of immediately available funds to the account(s) designated by Sellers and the applicable counterparties to the Assumed Contracts;

(iv) if deemed necessary by Buyer, one or more Management Agreements;

- (v) the Postpetition Contract Assignment Agreement(s);
 - (vi) the Transition Services Agreement, if any, pursuant to Section 6.11;
- and
- (vii) all other documents, instruments and writings reasonably requested by Sellers to be delivered by Buyer at or prior to the Closing pursuant to this Agreement.

Section 2.9 Allocation. As soon as reasonably practicable following the Closing Date, but no later than 90 calendar days after the Closing Date, Buyer shall in good faith prepare an allocation of the Purchase Price (and all capitalized costs and other relevant items) among the Purchased Assets in accordance with Section 1060 of the IRC and the Treasury Regulations thereunder (and any similar provision of United States state or local or non-United States Law, as appropriate) (the “Allocation”) and deliver a copy of same to Sellers. Sellers shall notify Buyer in writing within thirty (30) days of receipt of the Allocation of any comments or objections to the Allocation. If Sellers do not deliver any written notice of objection to the Allocation within such thirty (30) day period, Sellers shall be deemed to have agreed to the Allocation, and the Allocation shall be final, conclusive, and binding on the Parties. If Sellers timely deliver a written notice of objection, the Parties will negotiate in good faith for a period of twenty (20) days to resolve such dispute. If Buyer and Sellers are unable to resolve any disputes within such twenty (20) day period, the matters in dispute shall be (at the shared expense of Buyer and Sellers) submitted to the Independent Accounting Firm. The decision of the Independent Accounting Firm shall be conclusive upon Buyer and Sellers. The Parties shall (a) prepare and timely file, and cause their respective Affiliates to prepare and timely file all forms and Tax Returns required to be filed in connection with the Allocation (including Internal Revenue Service Form 8594) in all respects and for all purposes consistent with the Allocation, (b) be bound by the Allocation for the purpose of determining Taxes, (c) prepare and file, and cause their respective Affiliates to prepare and file, all Tax Returns on a basis consistent with the Allocation, and (d) not take any position (whether in audits, Tax Returns or otherwise), or cause their respective Affiliates to take any position, which is inconsistent with the Allocation on any Tax Return or in any Tax Proceeding, unless required to do so by applicable Law; provided, however, that the foregoing shall not limit the ability of Buyer or Sellers to settle or compromise any matter with respect to any Tax related audit or other proceeding with any Governmental Entity; provided, further, that notwithstanding anything in this Section 2.9 to the contrary, the Parties shall be permitted to take a position inconsistent with that set forth in this Section 2.9 if required to do so by a change in Law after the Execution Date or by a “determination” within the meaning of Section 1313(a) of the IRC or IRS Form 870-AD, or successor form. If additional amounts are paid pursuant to this Agreement following the finalization of the Allocation pursuant to this Section 2.9, the Parties agree to amend the Allocation in accordance with the methodology set forth in this Section 2.9 and Section 1060 of the IRC.

ARTICLE III. SELLERS’ REPRESENTATIONS AND WARRANTIES

Each Seller, jointly and severally, represents and warrants to Buyer that except as set forth in the disclosure schedule accompanying this Agreement (the “Disclosure Schedule”):

Section 3.1 Organization of Sellers; Good Standing.

(a) Each Seller is duly formed, validly existing and in good standing under the Laws of its state of formation and has all necessary power and authority to own, lease and operate its properties and to conduct its business in the manner in which its Business is currently being conducted. Each Seller has all requisite limited liability company power and authority to own, lease and operate its assets and to carry on the Business as currently conducted.

(b) Each Seller is duly authorized to do business and is in good standing as a foreign limited liability company in each jurisdiction where the ownership or operation of the Purchased Assets or the conduct of the Business requires such qualification, except for failures to be so authorized or be in such good standing, as would not, individually or in the aggregate, have a Material Adverse Effect.

Section 3.2 Authorization of Transaction. Subject to the Sale Order having been entered and still being in effect and not subject to any stay pending appeal at the time of Closing:

(a) each Seller has all requisite power and authority to execute and deliver this Agreement and all Related Agreements to which it is a party and to perform its obligations hereunder and thereunder; the execution, delivery and performance of this Agreement and all Related Agreements to which such Seller is a party have been duly authorized by such Seller and no other action on the part of such Seller is necessary to authorize this Agreement or the Related Agreements to which it is party or to consummate the Contemplated Transactions; and

(b) this Agreement has been duly and validly executed and delivered by each Seller, and, upon its execution and delivery in accordance with the terms of this Agreement, each of the Related Agreements to which any Seller is a party will have been duly and validly executed and delivered by each such Seller, as applicable. Assuming that this Agreement constitutes a valid and legally-binding obligation of Buyer, this Agreement constitutes the valid and legally-binding obligations of Sellers, enforceable against Sellers in accordance with its terms and conditions, subject to applicable bankruptcy, insolvency, moratorium or other similar Laws relating to creditors' rights and general principles of equity. Assuming, to the extent that a Seller is a party thereto, that each Related Agreement constitutes a valid and legally-binding obligation of Buyer, each Related Agreement to which any Seller is a party, when executed and delivered, constituted or will constitute the valid and legally-binding obligations of such Seller, as applicable, enforceable against each such Seller, as applicable, in accordance with their respective terms and conditions, subject to applicable bankruptcy, insolvency, moratorium or other similar Laws relating to creditors' rights and general principles of equity.

Section 3.3 Noncontravention. Neither the execution and delivery of this Agreement, nor the consummation of the Contemplated Transactions (including the Related Agreements), will, subject to the Sale Order having been entered and still being in effect and not subject to any stay pending appeal at the time of Closing, (a) conflict with or result in a breach of the certificate of formation, articles of organization, operating agreement, limited liability company agreement, or

other organizational documents of any Seller, (b) violate any Law to which any Seller is, or its respective assets or properties are, subject, or (c) subject to the entry of the Sale Order, conflict with, any Assumed Contract, and, in the case of clause (b) or (c), for such conflicts, breaches, defaults, accelerations, rights or failures to give notice as would not, individually or in the aggregate, have a Material Adverse Effect.

Section 3.4 Compliance with Laws. Sellers are and have been in compliance in all material respects with all applicable Laws applicable to the Business or the Purchased Assets. To Sellers' Knowledge, no Seller has received any oral or written notice or other written communication from any Governmental Entity or other Person (a) asserting any violation of, or failure to comply with, any requirement of any Law, or (b) notifying such Seller that it is under governmental investigation with respect to the violation of any applicable Permit.

Section 3.5 Title to Purchased Assets. Sellers, as of the Closing, will have good and valid title to, or, in the case of leased assets, will have good and valid leasehold interests in, the Purchased Assets, free and clear of all Liens (except for Permitted Liens) and Liabilities (other than Assumed Liabilities), subject to entry of the Sale Order. At the Closing or such time as title is conveyed under Section 2.6(d), Sellers will transfer, sell, assign and convey, subject to the Sale Order having been entered and still being in effect and not subject to any stay pending appeal at such time, good and valid title to, or valid leasehold interests in, all of the Purchased Assets, free and clear of all Liens (except for Permitted Liens) and Liabilities (other than Assumed Liabilities), to the fullest extent permissible under Section 363(f) of the Bankruptcy Code and subject to the rights of licensees under Section 365(n) of the Bankruptcy Code.

Section 3.6 Contracts. Schedule 3.6 of the Disclosure Schedule sets forth the following Contracts (all Contracts listed or required to be listed herein are referred to as "Material Contracts") as of the Execution Date:

- (a) all Leases (including all amendments thereto) that pertain to each Continuing Restaurant;
- (b) all Contracts under which any Seller leases personal property in connection with the Business;
- (c) all Contracts under which the Sellers have paid in excess of \$100,000 over the immediately preceding 12-month period;
- (d) all Contracts that are material to the operation of the Business, in the reasonable discretion of Sellers, and that Sellers' counterpart(y)(ies) may terminate without more than 90 days' prior notice without a breach thereof by Sellers;
- (e) all Contracts between any Seller, on the one hand, and any Affiliate of such Seller, on the other;
- (f) all Contracts for the sale of any Purchased Assets or for the grant to any Person of any option, right of first refusal or preferential or similar right to purchase any of the Purchased Assets;

- (g) all franchise agreements or other similar Contracts relating to the Business;
- (h) all employment, confidentiality, and/or noncompetition Contracts with employees of any Seller and Contracts with independent contractors or consultants (or similar arrangements for personal services) engaged in connection with the Business that
 - (i) are not terminable at will without the payment of any severance or post-termination pension, welfare benefits or other compensation or benefits, or
 - (ii) provide for base compensation in excess of \$150,000 per year;
- (i) all collective bargaining agreements related to the Business;
- (j) all Contracts with any material supplier of the Business;
- (k) all Postpetition Contracts (which, for the avoidance of doubt, shall be separately identified on Schedule 3.6 of the Disclosure Schedule);
- (l) all Contracts with any Governmental Entity related to the Business; and
- (m) all other Contracts that are material to the operation of the Business at the Continuing Restaurants and not previously disclosed pursuant to this Section 3.6.

Except as set forth on Schedule 3.6 of the Disclosure Schedule, each of the Material Contracts is in full force and effect and is the legal, valid and binding obligation of the applicable Seller and, to Sellers' Knowledge, of the other parties thereto, enforceable against each of them in accordance with its terms, and upon consummation of the Contemplated Transaction, shall continue in full force and effect without penalty or other adverse consequences. Except as set forth on Schedule 3.6 of the Disclosure Schedule, no Seller is in material default under any Material Contract, nor, to Sellers' Knowledge, is any other party to any Material Contract in breach of or default thereunder, and no event has occurred that with the lapse of time or the giving of notice or both would constitute a breach or default by any Seller or any other party thereunder. Except as set forth on Schedule 3.6 of the Disclosure Schedule, no party to any of the Material Contracts has exercised any termination rights with respect thereto, and no party has given notice of any significant dispute with respect to any Material Contract. Sellers have and will transfer to Buyer at the Closing, good and valid title to the Assigned Contracts, free and clear of all Liens (other than Permitted Liens) and Liabilities (other than Assumed Liabilities). To Sellers' Knowledge and except as set forth on Schedule 3.6 of the Disclosure Schedule, Sellers have delivered to Buyer true, correct and complete copies of all of the Material Contracts, together with all amendments, modifications or supplements thereto.

Section 3.7 Intellectual Property.

ARTICLE IV. BUYER'S REPRESENTATIONS AND WARRANTIES

Buyer represents and warrants to Sellers as follows:

Section 4.1 Organization of Buyer. Buyer is a limited liability company duly organized, validly existing and in good standing under the Laws of the State of Texas and has all requisite limited liability company power and authority to own, lease and operate its assets and to carry on its business as now being conducted.

Section 4.2 Authorization of Transaction.

(a) Buyer has full limited liability company power and authority to execute and deliver this Agreement and all Related Agreements to which it is a party and to perform its obligations hereunder and thereunder.

(b) The execution, delivery and performance of this Agreement and all other Related Agreements to which Buyer is a party have been duly authorized by Buyer, and no other limited liability company action on the part of Buyer is necessary to authorize this Agreement or the Related Agreements to which it is a party or to consummate the Contemplated Transactions.

(c) This Agreement has been duly and validly executed and delivered by Buyer, and, upon its execution and delivery in accordance with the terms of this Agreement, each of the Related Agreements to which Buyer is a party will have been duly and validly executed and delivered by Buyer. Assuming that this Agreement constitutes a valid and legally-binding obligation of Sellers, this Agreement constitutes a valid and legally-binding obligation of Buyer, enforceable against Buyer in accordance with its terms and conditions, subject to applicable bankruptcy, insolvency, moratorium or other similar Laws relating to creditors' rights and general principles of equity. Assuming, to the extent that they are a party thereto, that each Related Agreement constitutes a valid and legally-binding obligation of Sellers, each Related Agreement to which Buyer is a party, when executed and delivered, constituted or will constitute the valid and legally-binding obligation of Buyer, enforceable against Buyer in accordance with their respective terms and conditions, subject to applicable

bankruptcy, insolvency, moratorium or other similar Laws relating to creditors' rights and general principles of equity.

Section 4.3 Noncontravention. Neither the execution and delivery of this Agreement, nor the consummation of the Contemplated Transactions (including the Related Agreements) will (a) conflict with or result in a breach of the certificate of formation or other organizational documents of Buyer, (b) subject to any consents required to be obtained from any Governmental Entity, to the knowledge of Buyer, violate any Law to which Buyer is, or its assets or properties are subject, or (c) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any party the right to accelerate, terminate, modify or cancel, or require any notice under any Contract to which Buyer is a party or by which it is bound, except, in the case of either clause (b) or (c), for such conflicts, breaches, defaults, accelerations, rights or failures to give notice as would not, individually or in the aggregate, reasonably be expected to prevent, materially delay or materially impair to the ability of Buyer to consummate the Contemplated Transactions. Buyer is not required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any Governmental Entity in order for the Parties to consummate the Contemplated Transactions, except where the failure to give notice, file or obtain such authorization, consent or approval would not, individually or in the aggregate, reasonably be expected to prevent, materially delay or materially impair to the ability of Buyer to consummate the Contemplated Transactions.

Section 4.4 Financial Capacity. As of the Closing, Buyer (a) will have the resources (including sufficient funds available to pay the Purchase Price (including the Additional Cash Consideration, if any, and the Overbid Cash Consideration), the Cure Costs and any other expenses and payments incurred by Buyer in connection with the Contemplated Transactions) and capabilities (financial or otherwise) to perform its obligations hereunder, and (b) will not have incurred any obligation, commitment, restriction or Liability of any kind, that would materially impair or materially adversely affect such resources and capabilities.

Section 4.5 Adequate Assurances Regarding Executory Contracts. Buyer will use commercially reasonable efforts to assure that, as of the Closing, it will be capable of satisfying the conditions contained in Sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assigned Prepetition Contracts.

Section 4.6 Good Faith Purchaser. Buyer is a "good faith" purchaser, as such term is used in the Bankruptcy Code and the court decisions thereunder. Buyer is entitled to the protections of Section 363(m) of the Bankruptcy Code with respect to all of the Purchased Assets. Buyer has negotiated and entered into this Agreement in good faith.

Section 4.7 Brokers' Fees. Neither Buyer nor any of its Affiliates has entered into any Contract to pay any fees or commissions to any broker, finder or agent with respect to the Contemplated Transactions for which any Seller could become liable or obligated to pay.

Section 4.8 Condition of Business. Buyer has undertaken such investigation

and has been provided with and has evaluated such documents and information as it has deemed necessary to enable it to make an informed and intelligent decision with respect to the execution, delivery and performance of this Agreement. Buyer acknowledges that Sellers have given Buyer reasonable and open access to the key employees, documents and facilities of the Business. Buyer hereby acknowledges and agrees that notwithstanding anything expressed or implied herein to the contrary, except as expressly set forth in ARTICLE III of this Agreement, Sellers (including each of their directors, officers, employees, agents, stockholders, Affiliates, consultants, counsel, accountants and other representatives) make no express or implied representations or warranties whatsoever, including, without limitation, any representation or warranty as to physical condition or value of any of the Purchased Assets or the future profitability or future earnings performance of the Business. Buyer will accept the Purchased Assets and assume the Assumed Liabilities at the Closing “AS IS,” “WHERE IS” AND “WITH ALL FAULTS”.

ARTICLE V. PRE-CLOSING COVENANTS

The Parties agree as follows with respect to the period between the Execution Date and the Closing (except as otherwise expressly stated to apply to a different period):

Section 5.1 Certain Efforts; Cooperation.

(a) Subject to the terms and conditions of this Agreement, each of the Parties shall use its commercially reasonable efforts, subject to the Orders of the Bankruptcy Court, to make effective the Contemplated Transactions (including satisfaction, but not waiver, of the conditions to the obligations of the Parties to consummate the Contemplated Transactions set forth in ARTICLE VII), except as otherwise provided in Section 5.2; provided, however, Sellers shall be entitled to take such actions as are required in connection with the discharge of their fiduciary duties during the Chapter 11 Cases.

(b) On and after the Closing, Sellers and Buyer shall use their commercially reasonable efforts to take, or cause to be taken, all appropriate action, to do or cause to be done by Sellers and Buyer all things necessary under applicable Law, and to execute and deliver such documents, ancillary agreements and other papers as may be required to carry out the provisions of this Agreement and consummate and make effective the Contemplated Transactions, including in order to more effectively vest in Buyer all of Sellers’ right, title and interest to the Purchased Assets, free and clear of all Liens (other than Permitted Liens) and Liabilities (other than Assumed Liabilities) expressly contemplated by the Sale Order; provided, however, that Sellers’ obligations hereunder shall only continue until the later of the day that (i) all Liquor Licenses have been transferred to Buyer and/or replacements thereof have been obtained by Buyer, as determined by Buyer in its reasonable discretion, and (ii) the Chapter 11 Cases are closed or dismissed. Buyer shall at all times take all appropriate actions necessary to permit, and shall refrain from taking any action that would prevent, the Bankruptcy Court to make findings in the Sale Order that (i) Buyer is a good-faith buyer under Section 363(m) of the Bankruptcy Code, (ii) that the sale of the Purchased Assets contemplated hereby did not involve any improper conduct, including collusion, and cannot be avoided under grounds

set forth under Section 363(n) of the Bankruptcy Code, and (iii) Buyer is not a successor to Sellers with respect to the Purchased Assets.

Section 5.2 Notices and Consents.

(a) To the extent required by the Bankruptcy Code or the Bankruptcy Court, Sellers shall give any notices to third parties, and each Seller shall use its commercially reasonable efforts to obtain any third party Consents or sublicenses; provided, however, that (i) Sellers shall not incur any costs associated with the obligations hereunder, other than such ordinary and reasonable professional fees and other costs as described in this Agreement as are required for Sellers to comply with the obligations hereunder and (ii) Sellers' obligations hereunder shall only continue until the later of the day that (A) all Liquor Licenses have been transferred to Buyer and/or replacements thereof have been obtained by Buyer, as determined by Buyer in its reasonable discretion, and (B) the Chapter 11 Cases are closed or dismissed.

(b) Sellers and Buyer shall cooperate with one another in promptly determining whether any filings are required to be or should be made or consents, approvals, permits or authorizations are required to be or should be obtained under any applicable Law in connection with this Agreement and the Contemplated Transactions and in promptly making any such filings, furnishing information required in connection therewith and seeking to obtain timely any such consents, permits, authorizations, approvals or waivers; provided, however, that (i) Sellers shall not incur any costs associated with the obligations hereunder, other than such ordinary and reasonable professional fees and other costs as described in this Agreement as are required for Sellers to comply with the obligations hereunder and (ii) Sellers' obligations hereunder shall only continue until the later of the day that (A) all Liquor Licenses have been transferred to Buyer and/or replacements thereof have been obtained by Buyer, as determined by Buyer in its reasonable discretion, and (B) the Chapter 11 Cases are closed or dismissed.

(c) Subject to the terms and conditions set forth in this Agreement and applicable Law, Buyer and Sellers shall (i) promptly notify the other Party of any communication to that Party from any Governmental Entity in respect of any filing, investigation or inquiry concerning this Agreement or the Contemplated Transactions, (ii) if practicable, permit the other Party the opportunity to review in advance all the information relating to Sellers and their respective Subsidiaries or Buyer and its Subsidiaries and/or Affiliates, as the case may be, that appears in any filing made with, or written materials submitted to, any third party and/or any Governmental Entity in connection with the Agreement and the Contemplated Transactions and incorporate the other Party's reasonable comments, (iii) not participate in any substantive meeting or discussion with any Governmental Entity in respect of any filing, investigation, or inquiry concerning this Agreement and the Contemplated Transactions unless it consults with the other Party in advance, and, to the extent permitted by such Governmental Entity, gives the other Party the opportunity to participate in and/or attend such meeting and/or discussion, and (iv) furnish the other Party with copies of all correspondences, filings, and written communications between them and their Subsidiaries and/or Affiliates and Representatives, on the one hand, and any Governmental Entity or its respective staff, on the other hand, with

respect to this Agreement and the Contemplated Transactions; provided, however, that any materials or information provided pursuant to any provision of this Section 5.2(c) may be redacted before being provided to the other Party (A) to remove references concerning the valuation of Buyer, Sellers, or any of their Subsidiaries, (B) to remove references concerning financing arrangements, (C) as necessary to comply with contractual arrangements, and (D) as necessary to address reasonable privilege or confidentiality issues. Sellers and Buyer may, as each deems advisable and necessary, reasonably designate any competitively sensitive material provided to the other under this Section 5.2(c) as “outside counsel only.” Such materials and the information contained therein shall be given only to the outside legal counsel and any retained consultants or experts of the recipient and shall not be disclosed by such outside counsel to employees, officers or directors of the recipient, unless express written permission is obtained in advance from the source of the materials (Sellers or Buyer, as the case may be). Each of Sellers and Buyer shall promptly notify the other Party if such Party becomes aware that any third party has any objection to the Agreement on antitrust or anti-competitive grounds.

Section 5.3 Bankruptcy Actions.

(a) Bid Protections. To the extent provided in Section 8.2(d), Buyer shall be entitled to an amount equal to \$550,000.00 (the “Breakup Fee”), and Buyer’s reasonable, documented out-of-pocket fees, costs and expenses (the “Expense Reimbursement”) actually incurred, owed or paid to third parties in an aggregate amount not to exceed \$350,000.00 (such amount shall be inclusive of attorneys’ fees and expenses, consulting fees and expenses, accounting fees and expenses and Buyer’s out-of-pocket expenses) in the preparation of a bid for the Business, the Purchased Assets and the Assumed Liabilities, the negotiations and execution of the Original Asset Purchase Agreement, the First Amended and Restated Asset Purchase Agreement, this Agreement and the other Related Agreements, and efforts related to consummation of the Contemplated Transactions (collectively, the “Bid Protections”).

(b) Alternate Transactions. From and after the Petition Date, Sellers and their respective Affiliates and Representatives shall be permitted to market and solicit inquiries, proposals, offers or bids from, any Person other than Buyer regarding an Alternate Transaction, and may take any other affirmative action in connection therewith (including (i) entering into any Alternate Agreement (or letter-of-intent with respect thereto), (ii) issuing press releases, placing advertisements or making other releases or disclosures in connection therewith), or (iii) seeking approval of the Bankruptcy Court for any Alternate Transaction), and nothing in this Agreement will, or is intended to, in any way be deemed to restrict such actions or efforts. None of Sellers nor any of their respective Affiliates or Representatives shall have any liability to Buyer or any of its Affiliates or Representatives, either under or relating to this Agreement or any applicable Law, by virtue of entering into or seeking Bankruptcy Court approval of such an Alternate Agreement (or letter-of-intent with respect thereto) provided that Buyer is paid the Bid Protections to the extent required to be paid pursuant to Section 5.3(a) and Section 8.2(d) at the time provided for therein.

(c) Auction. The Auction shall take place no later than four (4) Business Days following the Qualified Bid Deadline. At the conclusion of the Auction, Sellers will

determine the highest or best qualified bid (the “Highest or Best Bid”) submitted by a Qualified Bidder (as defined in the Bidding Procedures and Sale Motion) and the next highest or best qualified bid (the “Back-Up Bid”) submitted by a Qualified Bidder (the “Back-Up Bidder”). Sellers will seek approval of the Highest or Best Bid at the Sale Hearing. If for any reason, Buyer is selected as the Back-Up Bidder, and the Qualified Bidder submitting the Highest or Best Bid fails to timely consummate the purchase of the Purchased Assets, Sellers may seek to consummate a sale to Buyer pursuant to this Agreement without further approval by the Bankruptcy Court. If Buyer is selected as the Back-Up Bidder, its Back-Up Bid and the obligation of Buyer to consummate the Contemplated Transactions shall remain open and in full force, including with respect to the Deposit, until the close of a sale of the Purchased Assets to the Person making the Highest or Best Bid.

(d) Sale Order. Buyer shall use commercially reasonable efforts to cause the Sale Order to be entered by the Bankruptcy Court no later than the End Date. The Sale Order shall be in a form acceptable to Buyer in its reasonable discretion and provide, among other things, that:

- (i) this Agreement is valid and enforceable;
- (ii) this Agreement and the Contemplated Transactions are approved;
- (iii) the Purchase Price (excluding the Closing Cash Payment) may be paid Buyer by way of the Credit Bid;
- (iv) on the Closing Date, the Purchased Assets shall be sold to Buyer free and clear of any and all Liens (except for Permitted Liens), including any Liens granted during the Chapter 11 Cases, and Liabilities (other than Assumed Liabilities);
- (v) on the Closing Date, the Assigned Contracts shall be assumed by Sellers and assigned to Buyer pursuant to Section 365 of the Bankruptcy Code, and, unless a counterparty to an Assigned Contract has agreed otherwise in writing, the Buyer shall pay the Cure Costs that are Assumed Liabilities due in connection with the assumption and assignment of the Assigned Contracts;
- (vi) after the Closing Date, subject to Section 2.6(a)(iii), the Buyer shall have the continuing right to review and determine whether to elect to acquire the Designation Rights Assets;
- (vii) all causes of actions against any counterparty to the Assigned Contracts, related in any way to the Assigned Contracts, shall be forever released and waived by Sellers. Sellers, however, shall be entitled to assert any defenses against any claim asserted by any counterparty to the Assigned Contracts; and
- (viii) all persons and entities, including, governmental, tax and regulatory authorities, lenders, trade and other creditors holding interests or claims of any kind or nature whatsoever against Sellers or their assets (whether legal or equitable,

secured or unsecured, matured or unmatured, contingent or noncontingent, liquidated or unliquidated, senior or subordinated), arising under or out of, in connection with or in any way relating to Sellers, the Business, the Purchased Assets, or the operations of Sellers prior to the Closing shall have no claims against Buyer, its Affiliates, or their respective successors or assigns, the Business, or the Purchased Assets, subject to rights of parties or individuals for claims arising out of Assumed Liabilities.

Notwithstanding the foregoing or anything else in this Agreement, the Sale Order may provide for the resolution of any objections regarding Cure Costs or adequate assurance of future performance to be resolved after the entry of the Sale Order.

(e) Sale Order Findings. The Sale Order shall contain findings by the Bankruptcy Court that (i) Buyer is a good-faith buyer under Section 363(m) of the Bankruptcy Code, (ii) Buyer is not a successor to Sellers, and (iii) the sale of the Purchased Assets contemplated hereby did not involve any improper conduct, including collusion, and cannot be avoided under grounds set forth under Section 363(n) of the Bankruptcy Code.

(f) Cooperation. Sellers and Buyer agree to use commercially reasonable efforts to cooperate, assist and consult with each other to obtain the issuance and entry of the Sale Order, including furnishing affidavits, declarations or other documents or information for filing with the Bankruptcy Court. The Sale Order shall also indicate that the transactions set forth in this Agreement may be consummated immediately upon entry of the Sale Order and pursuant to Fed. R. Bankr. P. 6004(h), the sale of the Purchased Assets is not stayed pending the expiration of 14 days from the date of entry of the Sale Order. In the event the Sale Order is appealed, Sellers shall use their commercially reasonable efforts to oppose any such appeal.

(g) Liquor Licenses. Sellers shall seek to have included in the Sale Order a provision that immediately upon the Closing, subject to applicable Law, Buyer shall be entitled to continue to sell alcoholic beverages at the premises included in the Purchased Assets upon the same terms as Sellers were selling such alcoholic beverages until such time as Buyer has had the time and opportunity to obtain its own Liquor Licenses.

Section 5.4 Conduct of Business. From the Execution Date until the earlier of the termination of this Agreement pursuant to Section 8.1 or the Closing Date, except (i) as disclosed on Schedule 5.4, (ii) as may be required by the Bankruptcy Court, (iii) for the consequences resulting from the continuation of the Chapter 11 Cases, or (iv) as may be required or contemplated by this Agreement, subject to the terms of the DIP Loan Agreement, each Seller shall conduct, and shall cause its Affiliates to conduct, the Business and maintain the Purchased Assets in the Ordinary Course of Business and use its commercially reasonable efforts to preserve intact the Purchased Assets (and all goodwill relating thereto) and all respective relationships with customers, vendors, creditors, employees, landlords, agents, each Governmental Entity, and others having business relationships with them. Without limiting the generality of the foregoing, during the period from the Execution Date to the Closing, except as otherwise contemplated by this

Agreement or as Buyer shall otherwise consent in writing, each Seller shall, and shall cause each of its respective Affiliates to, do the following:

(a) Subject to necessary approval by the Bankruptcy Court, if applicable, pay all post-petition bills and invoices for post-petition goods or services when due, including rent, CAM, Taxes (to the extent that the nonpayment of such Taxes could reasonably give rise to a Lien on any Purchased Asset or such Taxes otherwise relate to the Business or the Purchased Assets) and other amounts due under the Leases that may become part of the Purchased Assets;

(b) notify Buyer of any material adverse change in its condition (financial or otherwise), business, properties, assets or liabilities, or of the commencement of or any material development or disposition with respect to any material governmental complaints, investigations, or hearings (or any written threats thereof);

(c) in the Ordinary Course of Business, maintain and repair all of the material equipment on the premises and the premises themselves;

(d) maintain in the Ordinary Course of Business customary amounts of cash, cash equivalents and similar cash items at the location of each restaurant in cash registers, safes, strongboxes and lock boxes;

(e) maintain in the Ordinary Course of Business customary amounts and quality of Inventory;

(g) use its commercially reasonable efforts to keep and maintain possession of and compliance with the terms of all Permits (including Liquor Licenses) necessary or required by Law to own, lease and operate its respective properties (and the Purchased Assets) and to carry on the Business or that are material to the operation of the Business or the Purchased Assets, including by taking all actions and submitting all payments, applications, and filings necessary to renew any such Permit due to expire at any time before the Closing Date (or 60 days thereafter);

(h) use commercially reasonable efforts to (i) conduct the Business in substantially the same manner as conducted as of the Petition Date and only in the Ordinary Course of Business, (ii) preserve the existing business organization and management of the Business intact, (iii) use commercially reasonable efforts to keep available the services of the current Employees, to the extent reasonably feasible, (iv) use commercially reasonable efforts to maintain the existing relations with customers, carriers, centers, distributors, suppliers, creditors, business partners, Current Employees and others having business dealings with the Business, and (v) refrain from changing in any material respect any of its

product or service prices or pricing policies (e.g., discount policies) for any of its products or services; and

(i) maintain insurance coverage with financially responsible insurance companies duly licensed in the states in which Sellers are then operating, substantially similar in all material respects to the insurance coverage maintained by the Business and Sellers on the Petition Date.

Section 5.5 Certain Restricted Conduct. Except as in the Ordinary Course of Business or as otherwise consented to in advance in writing by Buyer, during the period from the Execution Date to the Closing, no Seller shall, and each Seller shall cause each of its respective Affiliates not to, with respect to the Purchased Assets:

(a) sell, lease, license, transfer, or dispose of any Purchased Assets;

(b) directly or indirectly, (i) enter into any Contract, or (ii) assume, amend, modify, supplement or terminate, or waive any rights under, any Contract to which Seller is a party or by which it is bound and that is used in or related to the Business or the Purchased Assets (including any Assumed Contract) or take any affirmative action not required by the terms of any such Contract;

(c) dispose of or permit to lapse any rights in, to or for the use of any material Intellectual Property right;

(d) including maintenance and repair, authorize, undertake, make, or enter into any commitments obligating any Seller to (i) make or accelerate any capital expenditures that cannot reasonably be substantially completed prior to the Closing or (ii) undertake or approve any material renovation, repair or rehabilitation of any Leased Real Property that cannot reasonably be substantially completed prior to the Closing, except pursuant to a budget approved by the DIP Lender under the DIP Loan Agreement (the “Approved Budget”);

(e) other than (i) as approved by the Bankruptcy Court and provided for in the Approved Budget or (ii) required under the terms of any existing Employee Benefit Plan or applicable Law, (w) increase any compensation or enter into or amend, in a way that increases benefits, any employment, severance or other agreement with any of its officers, directors or Current Employees, (x) adopt any new Employee Benefit Plan or amend or terminate or increase the benefits under any existing Employee Benefit Plan, except for changes which are not more favorable to participants than provisions presently in effect, (y) hire any employee or individual independent contractor with annual compensation in excess of \$50,000 (except to the extent such hire is in replacement of a Current Employee with comparable compensation), or enter into any new employment or severance agreements that would result in post-termination payments that in the aggregate would exceed \$5,000 becoming due or payable upon termination of employment or of the individual independent contractor, or (z) assume or enter into any labor or collective bargaining agreement relating to the Business, any Current Employee or future employee, or any Purchased Asset;

(f) take any action which, if taken, or omit to take any act which, if omitted to be taken, would constitute or result in an “Event of Default” or “Default” under the Prepetition Secured Note, the DIP Loan Agreement or the DIP Order, as applicable;

(g) permit, offer, agree or commit (in writing or otherwise) to permit, any of the Purchased Assets to become subject, directly or indirectly, to any Lien, except for Permitted Liens;

(h) directly or indirectly, cancel, forgive, settle, or compromise any debt or claim or waive or release any right of Sellers (i) under the PHI MSA, or (ii) that constitutes a Purchased Asset;

(i) do any other act that would, to Sellers’ Knowledge, cause any representation or warranty of any Seller in this Agreement to be or become untrue in any material respect or intentionally omit to take any action necessary to prevent any such representation or warranty from being untrue in any material respect;

(j) terminate the Health Plans; or

(k) authorize or enter into any Contract, agreement, or commitment with respect to any of the foregoing.

No Seller nor any of its Affiliates shall: (i) renew any Lease nor suffer any Person other than such Seller, its employees, agents, servants and invitees to occupy or use the premises or any portion thereof, without in any case the express written consent of Buyer, which consent shall not be unreasonably withheld, or (ii) terminate, amend, extend, renew, modify, waive or allow any rights to lapse under any Lease. If Sellers request such a consent from Buyer, the request shall be in writing specifying the terms of the renewal, termination, amendment, extension, modification and/or waiver, the identity of the proposed third party, assignee or sub-lessee; the duration of said desired sublease or renewal, the date same is to occur, the exact location of the space affected thereby and the proposed rentals on a square foot basis chargeable thereunder. Such request for Buyer consent shall be submitted to Buyer at least five (5) days in advance of the date on which Sellers desire to make such event occur.

Section 5.6 Notice of Developments. From the Execution Date until the Closing Date, each of Sellers (with respect to itself), as the case may be, shall promptly disclose to Buyer, on the one hand, and Buyer shall promptly disclose to Sellers, on the other hand, in writing (in the form of an updated Disclosure Schedule, if applicable) after attaining knowledge (as applicable to each of Sellers and Buyer) of any material failure of any of Sellers or Buyer to comply with or satisfy any of their respective covenants, conditions or agreements to be complied with or satisfied by it under this Agreement in any material respect; provided, however, that the delivery of any notice pursuant to this Section 5.6 shall not limit or otherwise affect the remedies available to the party receiving such notice under this Agreement if such party objects to the disclosures contained in such notice within five (5) days of receipt of such notice.

Section 5.7 Access. Upon reasonable advance written request by Buyer, Sellers shall permit Buyer and its Representatives to have reasonable access during customary business hours,

and in a manner so as not to interfere unreasonably with the regular business operations of Sellers, to all premises, properties, personnel, Records and Contracts related to the Business, in each case, for the sole purpose of evaluating the Business; provided, however, that, for avoidance of doubt, the foregoing shall not require any Party to waive, or take any action with the effect of waiving, its attorney-client privilege or any confidentiality obligation to which it is bound with respect thereto or take any action in violation of applicable Law.

Section 5.8 Press Releases and Public Announcements. Provided that Sellers shall provide notice to and consult with Buyer in advance, to the extent permitted by Law or the Order of the Bankruptcy Court, Sellers shall be entitled to disclose, if required by applicable Law or by Order of the Bankruptcy Court, this Agreement and all information provided by Buyer in connection herewith to the Bankruptcy Court, the United States Trustee, the Committee, parties in interest in the Chapter 11 Cases and other Persons bidding on assets of Sellers. Other than statements made in the Bankruptcy Court (or in pleadings filed therein), Sellers shall not issue (prior to, on or after the Closing) any press release or make any public statement or public communication regarding Buyer without the prior written consent of Buyer, which shall not be unreasonably withheld or delayed; provided, however, Sellers, without the prior consent of Buyer, may issue such press release or make such public statement as may, upon the advice of counsel, be required by applicable Law or any Governmental Entity with competent jurisdiction. Buyer, without the prior consent of Sellers, may issue such press release or make such public statement, filing or disclosure (x) prior to Closing, as may, upon the advice of counsel, be required by applicable Law or any Governmental Entity with competent jurisdiction and (y) after Closing, as it may wish.

Section 5.9 Bulk Transfer Laws. The Parties intend that pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Purchased Assets shall be free and clear of any Liens on the Purchased Assets (other than Permitted Liens) and Liabilities (other than Assumed Liabilities), including any Liens arising out of the bulk transfer Laws, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Sale Order.

Section 5.10 Contracts. If at any time Sellers become aware, on or before the Closing, of any heretofore unrejected Contract to which any of Sellers is a party that satisfies the conditions of Section 3.6, but has not been included on Schedule 3.6 of the Disclosure Schedule, Sellers shall promptly thereafter advise Buyer of the existence of such Contract and provide Buyer with a copy thereof. Buyer shall have the right, for a period of five (5) Business Days following the delivery of any such Contract, to review such Contract and during such period Sellers shall refrain from modifying, terminating or rejecting such Contract without Buyer's express prior written consent. Buyer shall have the option, exercisable by written notice to Sellers given within such five (5) Business Day period, to request that Sellers assume (if applicable), assign and sell such Contract to Buyer. If Buyer timely exercises such option and subject to compliance with Section 365 of the Bankruptcy Code, Sellers shall use commercially reasonable efforts to assume (if applicable), assign and sell such Contract to Buyer, as promptly as reasonably practicable, on the same terms and conditions as would be applicable under this Agreement to the Assumed Contracts or the Prepetition Contracts to be acquired hereunder, as applicable; provided, however, that Buyer shall be responsible for the payment of any Cure Cost in connection with the assumption and assignment of such Assumed Contract (if applicable), except as otherwise provided in Section 2.6 and

provided such Cure Cost is an Assumed Liability. If Buyer fails or declines to exercise such option, Sellers shall reject such Contract upon five (5) Business Days' notice to Buyer.

Section 5.11 Casualty, Condemnation, Loss of Lease.

(a) If, prior to Closing, any Leased Real Property and the associated improvements or any part thereof shall be subject to a taking by any Governmental Entity through condemnation, eminent domain or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking) (collectively, the "Condemnation"), Buyer shall take title to the Purchased Assets relating to such affected Leased Real Property and improvements notwithstanding such Condemnation. At the Closing, Buyer shall succeed to (x) the rights of Sellers to the Condemnation proceeds, including insurance proceeds, with respect to a Condemnation (the "Condemnation Proceeds"), and (y) the rights to settle any such Condemnation proceeding, and Buyer shall, at Closing succeed to the rights of Sellers to all required proofs of loss, assignments of claims and similar items. Sellers, at Closing, shall assign to Buyer all right, title and interest to any claims or proceeds Sellers may have. Sellers shall not settle any such proceedings without the consent of Buyer, such consent not to be unreasonably withheld or delayed.

(b) If, prior to Closing, any Leased Real Property and the associated improvements or any part thereof shall be destroyed or damaged by fire, earthquake, flood or other casualty (collectively, "Casualty"), Buyer shall take title to the Purchased Assets relating to such affected Leased Real Property and improvements. At the Closing, Buyer shall succeed to (x) the rights of Sellers to the Casualty proceeds, including insurance proceeds, with respect to such Casualty (the "Casualty Proceeds"), including without duplication, giving Buyer a credit against the Purchase Price in the amount of the Casualty Proceeds actually received by Sellers and not applied by Sellers to repair prior to Closing, and (y) the rights to settle after Closing any loss under all Insurance Policies applicable to the Casualty, and Buyer shall, at Closing and thereafter, succeed to the rights of Sellers to all required proofs of loss, assignments of claims and other similar items and Sellers shall, at Closing, assign same to Buyer. Sellers shall not settle any such claims without the consent of Buyer; such consent not to be unreasonably withheld or delayed.

**ARTICLE VI.
OTHER COVENANTS**

The Parties agree as follows with respect to the period from and after the Closing; provided that Sellers' obligations hereunder shall only continue until the later of the day that (i) all Liquor Licenses have been transferred to Buyer and/or replacements thereof have been obtained by Buyer, as determined by Buyer in its reasonable discretion, and (ii) the Chapter 11 Cases are closed or dismissed:

Section 6.1 Cooperation. Each of the Parties shall cooperate with each other, and shall use their commercially reasonable efforts to cause their respective Representatives to cooperate with each other, to provide an orderly transition of the Purchased Assets and Assumed Liabilities from Sellers to Buyer and to minimize the disruption to the Business resulting from the Contemplated Transactions.

Section 6.2 Further Assurances. In case at any time from and after the Closing any further action is necessary or reasonably required to carry out the purposes of this Agreement, subject to the terms and conditions of this Agreement and the terms and conditions of the Sale Order, at any Party's request and sole cost and expense, each Party shall promptly take such further action (including the execution and delivery to any other Party of such other reasonable instruments of sale, transfer, conveyance, assignment, assumption and confirmation and providing materials and information) as another Party may reasonably request as shall be necessary to transfer, convey and assign to Buyer all of the Purchased Assets, to confirm Buyer's assumption of the Assumed Liabilities and to confirm Sellers' retention of the Excluded Assets and Excluded Liabilities. Without limiting the generality of this Section 6.2, to the extent that either Buyer or Sellers discover any additional assets or properties which the Parties mutually agree should have been transferred or assigned to Buyer as Purchased Assets but were not so transferred or assigned, Buyer and Sellers shall cooperate and promptly execute and deliver any instruments of transfer or assignment necessary to transfer and assign such asset or property to Buyer.

Section 6.3 Availability of Business Records. From and after the Closing, Buyer shall promptly provide to Sellers, Parent's equity holders, and their respective Representatives (after reasonable notice and during normal business hours and without charge to Sellers) access to all Records included in the Purchased Assets for periods prior to the Closing and reasonable access to Transferred Employees to the extent such access is necessary in order for Sellers (as applicable) to comply with applicable Law or any contract to which it is a party, for liquidation, winding up, Tax reporting or other proper purposes and so long as such access is subject to an obligation of confidentiality, and shall preserve such Records until the latest of (i) seven (7) years after the Closing Date, (ii) the required retention period for all government contact information, records or documents, or (iii) the conclusion of all bankruptcy proceedings relating to the Chapter 11 Cases. Such access shall include access to any information in electronic form to the extent reasonably available. Buyer acknowledges that Sellers have the right to retain copies of all of Records included in the Purchased Assets for periods prior to the Closing. Prior to destroying any Records included in the Purchased Assets for periods prior to the Closing, Buyer shall notify Sellers thirty (30) days in advance of any such proposed destruction of its intent to destroy such Records, and Buyer shall permit Sellers to retain such Records, at Sellers' cost and expense.

Section 6.4 Employee Matters.

(a) Prior to the Closing, Buyer may, but shall not be obligated to offer (or cause an Affiliate or Permitted Designee to offer), to employ those Current Employees desired to be employed by Buyer, in Buyer's sole discretion, to operate the Continuing Restaurants, including, without limitation, any location that has been identified pursuant to Section 2.6 as a Designation Rights Asset, with employment commencing as of the Closing Date. For purposes of this Agreement, each Current Employee who receives such an offer of employment shall be collectively referred to as an "Offeree." Prior to the Closing Date, Buyer will provide Sellers with a schedule setting forth a list of the names of all Offerees and Sellers shall terminate the employment of each Offeree effective as of the end of the day prior to the Closing Date. Each Offeree who accepts such offer prior to the Closing shall be referred to herein as a "Transferred Employee." Each Current Employee of Sellers who is not a Transferred Employee shall be referred to herein as an "Excluded Employee."

(b) Following the Execution Date:

(i) Sellers shall allow Buyer or any of its Representatives reasonable access upon reasonable advance notice to meet with and interview the Current Employees who are members of executive management and other employees reasonably requested during normal business hours.

(ii) Sellers shall not, nor shall Sellers authorize or direct or give express permission to any Affiliate, officer, director or employee of any Seller or any Affiliate of any Seller to, (A) interfere with Buyer's or its Representatives' rights under Section 6.4(a) to make offers of employment to any Current Employee, or (B) solicit or encourage any Offeree not to accept, or to reject, any such offer of employment.

(iii) Sellers shall provide reasonable cooperation and legally permitted information to Buyer or the relevant Representative as reasonably requested by Buyer or such Representative with respect to its determination of appropriate terms and conditions of employment for any Offeree.

(c) Except as provided in Section 2.3(f), Buyer shall not assume, and Sellers shall retain, any liability or obligation whatsoever relating to any of the Employee Benefit Plans and compensation (other than as provided under Section 2.3(f)). Buyer shall assume and be responsible for group health continuation coverage under COBRA with respect to all employees of Sellers and their dependents and any other individual who is an "M & A qualified beneficiary" within the meaning of Treasury Regulation Section 54.4980B-9, Q&A-4 in connection with the Contemplated Transactions and associated with the Purchased Assets.

(d) Sellers shall process the payroll for and pay, or cause to be paid, the base wages, base salary, paid time-off and benefits and any other amounts due under any Employee Benefit Plan or compensation arrangement or as required under applicable Law that are due and payable on or prior to the Closing Date or in connection with the Contemplated Transactions with respect to all Current Employees no later than the date such wages or salary are due under applicable Law. Sellers shall withhold, fund and remit all applicable payroll Taxes as required by Law that are due and payable on or prior to the Closing Date with respect to all Transferred Employees no later than the date such wages or salary are due under applicable Law.

(e) Buyer shall process the payroll for and shall pay, or cause to be paid, base wages, base salary and benefits that accrue after the Closing Date with respect to all Transferred Employees. Buyer shall withhold and remit all applicable payroll Taxes as required by Law after the Closing Date with respect to Transferred Employees. In addition, as part of the wind-down expenses, Sellers shall (or shall cause its designee to) process all employee and Tax reporting covering the periods prior to the Closing in connection with the Excluded Employees and the Transferred Employees that will be required to be prepared and delivered after the Closing. Nothing herein shall be construed as requiring, and neither Sellers nor any of their Affiliates shall take any affirmative action that would

have the effect of requiring Buyer to continue any specific Employee Benefit Plan or any other employee benefit plan or to continue the employment of any specific person.

(f) Nothing in this Agreement shall affect the right of the Buyer or its Affiliates to terminate the employment of its employees. Nothing in this Agreement shall be construed to grant any employee of any Seller or its Affiliates a right to continued employment by, or to receive any payment or benefits from, any Seller, Buyer, their Affiliates or through any Employee Benefit Plan or other benefit plan. This Agreement shall not limit Sellers', Buyers' or their Affiliates' ability or right to amend or terminate any benefit or compensation plan or program of Sellers, Buyer or their Affiliates and nothing contained herein shall be construed as an amendment to or modification of any such plan. Nothing contained in this Section 6.4, express or implied, shall constitute an amendment to any Employee Benefit Plan or other plan, create any third party beneficiary rights or inure to the benefit of or be enforceable by any employee of the Buyer, of any Seller, their Affiliates, or any Person representing the interest of any employees.

(g) Except as provided in Section 2.3(g), Sellers shall retain all Liability for WARN incurred prior to or on the Closing Date or otherwise in connection with the Contemplated Transactions, including Buyer's failure to hire any Current Employee on or after the Closing. Sellers shall retain all Liability under all employment Laws for Current Employees and former employees and any other service provider of Sellers incurred at any time, except as provided in Section 2.3(g). Buyer shall retain or assume all Liability under all employment Laws and WARN with respect to Transferred Employees that are incurred with Buyer after Closing.

Section 6.5 Recording of Intellectual Property Assignments. All of the Intellectual Property Assignments shall be recorded and filed by Buyer with the appropriate Governmental Entities as promptly as practicable following the Closing.

Section 6.6 Taxes.

(a) Tax Cooperation. Buyer and Sellers agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Business, the Purchased Assets and the Assumed Liabilities (including access to books and records) as is reasonably necessary for the preparation and filing of all Tax Returns, the making of any election relating to Taxes, the preparation for any audit by any Tax authority, and the prosecution or defense of any claim, suit or proceeding relating to any Tax. Sellers and Buyer shall cooperate with each other in good faith in the conduct of any Tax Proceeding. Such cooperation shall include the retention and (upon the other Party's reasonable request) the provision of Tax books and records and information that are reasonably relevant to any such Tax Proceeding during normal business hours and making employees available (as reasonably required) on a mutually convenient basis to provide additional information and explanation of any materials provided under this Section 6.6(a) or to testify at any such Tax Proceeding; provided, however, that none of Sellers, Buyer and their respective Affiliates shall be required to disclose the contents of their Tax Returns to any Person. Sellers and Buyer agree to retain all Tax books and records pertinent to the Business, the Purchased Assets or the Assumed

Liabilities until the expiration of the applicable statute of limitations. Sellers and Buyer further agree, upon request, to use their reasonable best efforts to obtain any certificate or other document from any Tax authority or any other Person or take any other action as may be necessary to mitigate, reduce or eliminate any Tax that could be imposed on any Party relating to the Contemplated Transactions.

(b) Transfer Taxes. To the extent not exempt under Section 1146 of the Bankruptcy Code, Buyer shall pay any stamp, documentary, registration, transfer, added-value or similar Tax (each, a “Transfer Tax”) imposed under any applicable Law in connection with the Contemplated Transactions. Each Seller and Buyer shall cooperate to prepare and timely file any Tax Returns required to be filed in connection with Transfer Taxes described in the immediately preceding sentence, with the Parties as required by applicable Law to file any such Tax Returns and the other Parties to join therein to the extent required under applicable Law.

Section 6.7 Wage Reporting. For purposes of payroll taxes with respect to the Transferred Employees, Sellers shall treat the Contemplated Transactions, as a transaction described in Treasury Regulation Sections 31.3121(a)(1)-1(b)(2) and 31.3306(b)(1)-(b)(2) (i.e., Buyer shall be treated as a successor for payroll tax purposes); and as such, Sellers and Buyer shall report on a predecessor/successor basis as set forth under the “Standard Procedure” provided in Section 4 of Revenue Procedure 2004-53, 2004-2 C.B. 320.

Section 6.8 Collection of Accounts Receivable.

(a) As of the Closing Date, each Seller hereby (i) authorizes Buyer to open any and all mail addressed to any Seller relating to the Business or the Purchased Assets and delivered to the offices of the Business or otherwise to Buyer if received on or after the Closing Date, and (ii) appoints Buyer or its attorney-in-fact to endorse, cash and deposit any monies, checks or negotiable instruments received by Buyer after the Closing Date with respect to Accounts Receivable that are Purchased Assets or accounts receivable relating to work performed by Buyer after the Closing, as the case may be, made payable or endorsed to any Seller or Sellers’ order, for Buyer’s own account.

(b) As of the Closing Date, each Seller agrees that any monies, checks or negotiable instruments received by any Seller after the Closing Date with respect to Accounts Receivable that are Purchased Assets or accounts receivable relating to work performed by Buyer after the Closing, as the case may be, shall be held in trust by such Seller for Buyer’s benefit and account, and promptly upon receipt by a Seller of any such payment (but in any event within five (5) Business Days of such receipt), such Seller shall pay over to Buyer or its designee the amount of such payments. In addition, Buyer agrees that, after the Closing, it shall hold and shall promptly transfer and deliver to Sellers, from time to time as and when received by Buyer or its Affiliates (but in any event within 5 Business Days of such receipt), any cash, checks with appropriate endorsements, or other property that Buyer or its Affiliates may receive on or after the Closing which properly belongs to Sellers hereunder, including any Excluded Assets.

(c) As of the Closing Date, Buyer shall have the sole authority to bill and collect Accounts Receivable that are Purchased Assets and accounts receivable relating to work performed, good sold or services provided by Buyer after the Closing.

Section 6.9 Use of Name and Marks. Neither Sellers nor any of their respective Affiliates or Subsidiaries shall use, license or authorize any third party to use, any name, slogan, logo or trademark which is similar or deceptively similar to any of the names, trademarks or service marks included in the Intellectual Property included in the Purchased Assets.

Section 6.10 Liquor License Approvals.

(a) Sellers shall reasonably cooperate in a timely manner with Buyer (and at Buyer's sole cost and expense) in connection with Buyer's filings or any applications or other submittals with any Governmental Entity or third party with respect to any of the Liquor Licenses and obtaining the necessary consents and approvals pertaining to the transfer and/or issuance of the Liquor Licenses to Buyer to enable Buyer or its Permitted Designee to sell and serve alcohol at each Continuing Restaurant on and after the Closing Date consistent with their respective current service hours and days of operation as of the Execution Date (the "Liquor License Approvals"), including if deemed necessary by Buyer, by entering into the Management Agreement(s) and, if reasonably requested by Buyer, initiating and/or participating, at Buyer's sole cost and expense, in such legal proceedings reasonably requested by Buyer to obtain such Liquor License Approvals; provided, however, that (i) to the extent that the applicable Governmental Entity requires that a new license be purchased, the purchase price for such Liquor Licenses shall be paid by Buyer, without an adjustment to the Purchase Price, (ii) Buyer shall be responsible for all costs and fees charged by any third party, including but not limited to any escrow fee and fees for the processing of any vendor claims submitted to Buyer related to the Liquor Licenses for periods prior to Closing and this obligation of Buyer shall survive the Closing, and (iii) Buyer shall be responsible for all costs and fees charged by any third party, including but not limited to any escrow fee and fees for the processing of any vendor claims submitted to Buyer related to the Liquor Licenses for periods from and after Closing, to the extent arising from or relating to the Liquor Licenses, after Closing, and these obligations of Buyer shall survive the Closing.

(b) Prior to Closing, Sellers shall notify Buyer within five (5) Business Days of (i) the receipt from any applicable Governmental Entity of any complaint or notification of violation or (ii) any event of suspended operations occurring of any of the Continuing Restaurants, which in the case of either provision (i) or (ii), are related to the Liquor Licenses.

(c) Sellers and Buyer acknowledge that due to the procedures established by the applicable Governmental Entities for the transfer of Liquor Licenses, Sellers may be operating the Continuing Restaurants for the benefit of Buyer for an undetermined period of time following the approval of the transfer of the Liquor Licenses from Sellers to Buyer by the applicable Governmental Entities through the Closing.

(d) In the event that the issuance of new Liquor Licenses to Buyer or the suitable transfer of Sellers' existing Liquor Licenses for each Continuing Restaurant to Buyer cannot be obtained by Buyer from the applicable Governmental Entities prior to Closing for one (1) or more Liquor Licenses (including without limitation, temporary Liquor Licenses until permanent Liquor Licenses are transferred to or obtained by Buyer), to the extent permitted by Law, Buyer and Seller shall enter into one or more Management Agreements in order to permit Buyer to operate the Business and utilize the Liquor License for each Continuing Restaurant during the period commencing upon the Closing Date and terminating upon the receipt of the applicable Liquor Licenses for each respective Continuing Restaurant as issued to Buyer or its designated Affiliate and/or Subsidiary by the applicable Governmental Entities.

Section 6.11 Transition Services Agreement. As promptly as practicable following the date hereof and, in any event, prior to the Closing, if determined to be necessary by Buyer in its sole discretion, Buyer and the Sellers shall negotiate in good faith and use their respective commercially reasonable efforts to mutually agree on the form of transition service agreement (the "Transition Services Agreement") to be entered into at closing regarding the provision of services following the Closing (i) by Sellers (and/or their respective Affiliates) in favor of Buyer (and/or its respective Affiliates) and (ii) if required by the mutual agreement of Sellers and Buyer, by Buyer (and/or its respective Affiliates) in favor of Sellers (and/or its respective Affiliates), as applicable.

Section 6.12 Avoidance Actions. Following the Closing (and purchase of the Avoidance Actions pursuant to Section 2.1(q) hereof), Buyer (on behalf of itself and its Affiliates) will not pursue or cause to be pursued, and hereby releases, any Avoidance Actions against any party. Such parties shall be express third-party beneficiaries of this Section 6.12.

“materiality” and “Material Adverse Effect” contained in such representations and warranties shall be disregarded;

(b) Sellers shall have performed and complied with their covenants and agreements hereunder to the extent required to be performed prior to the Closing in all material respects, and Sellers shall have caused the documents and instruments required by Section 2.8(a) to be delivered to Buyer (or tendered subject only to Closing);

(d) the Sale Order is in form and substance satisfactory to Buyer in its reasonable discretion;

(e) the Sale Order shall have been entered by the Bankruptcy Court, which shall include a waiver of the fourteen (14) day stay set forth in Rule 6004(h) of the Federal Rules of Bankruptcy Procedure;

(f) from the Execution Date until the Closing Date, there shall not have occurred and be continuing any Material Adverse Effect; and

(g) Sellers shall have delivered a certificate from an authorized officer of each Seller to the effect that each of the conditions specified in Section 7.1(a), Section 7.1(b), and Section 7.1(f) has been satisfied.

Section 7.2 Conditions to Sellers’ Obligations. Subject to Section 7.3, Sellers’ obligation to consummate the Contemplated Transactions in connection with the Closing are subject to satisfaction or waiver of the following conditions:

(a) as of the Execution Date and as of the Closing Date (in each case, except for any representation or warranty that is expressly made as of a specified date, in which case as of such specified date), (i) each representation or warranty contained in Section 4.1 through Section 4.3 shall be true and correct in all respects, and (ii) each other representation or warranty set forth in ARTICLE IV shall be true and correct in all respects, except where the failure of such representations and warranties referred to in this clause (ii) to be true and correct, individually or in the aggregate with other such failures, would not reasonably be expected to materially prevent, restrict or delay the consummation of the Contemplated Transactions or the transactions contemplated by any Related Agreement; provided, however, that for purposes of determining the accuracy of representations and warranties referred to in clause (ii) for purposes of this condition, all qualifications as to “materiality” contained in such representations and warranties shall be disregarded;

(b) Buyer shall have performed and complied with its covenants and agreements hereunder to the extent required to be performed prior to the Closing in all material respects, and Buyer shall have caused the documents, instruments and payments required by Section 2.8(b) to be delivered to Sellers (or tendered subject only to Closing);

(c) no Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Order that is in effect and that has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing;

(d) the Sale Order entered by the Bankruptcy Court and shall not be subject to a stay pending appeal; provided that nothing in this Agreement shall preclude Buyer and Sellers from consummating the Contemplated Transactions if Buyer, in its sole discretion, waives the requirement that the Sale Order or any other Order shall have become final Orders;

(e) Seller shall have received the Closing Cash Payment and the Adequate Assurance Account; and

(f) Buyer shall have delivered a certificate from an authorized officer of Buyer to the effect that each of the conditions specified in Section 7.2(a) and Section 7.2(b) has been satisfied.

Section 7.3 No Frustration of Closing Conditions. Neither Buyer nor Sellers may rely on the failure of any condition to its obligation to consummate the Contemplated Transactions set forth in Section 7.1 or Section 7.2, as the case may be, to be satisfied if such failure was caused by such Party's failure to use its commercially reasonable efforts with respect to those matters contemplated by the applicable Sections of this Agreement to satisfy the conditions to the consummation of the Contemplated Transactions or other breach of a representation, warranty or covenant hereunder.

ARTICLE VIII. TERMINATION

Section 8.1 Termination of Agreement. This Agreement may be terminated and the Contemplated Transactions abandoned at any time prior to the Closing:

(a) by the mutual written consent of Buyer, on the one hand, and Sellers, on the other hand;

(b) by either Buyer, on the one hand, or Sellers, on the other hand, if the Sale Order shall not have been entered on the docket in the Chapter 11 Cases on or before seventy three (73) days after the Petition Date (the "End Date"); provided, however, that (i) neither Buyer nor Sellers may terminate this Agreement under this Section 8.1(b) if such failure is due to the failure of such Party to perform or comply with the covenants hereof to be performed or complied with by it/them prior to the End Date and (ii) the End Date may be extended with the prior written consent of Buyer in its sole discretion;

(c) by either Buyer, on the one hand, or Sellers, on the other hand, if there shall be any applicable Law that makes consummation of the Contemplated Transactions illegal or otherwise prohibited or if consummation of the Contemplated Transactions would violate any nonappealable final Order of any Governmental Entity having competent jurisdiction;

(d) by Sellers by giving written notice to Buyer at any time prior to Closing in the event Buyer has breached any representation, warranty, agreement, or covenant contained in this Agreement such that any condition set forth in Section 7.2 shall become incapable of being satisfied without cure, Sellers have notified Buyer of the breach, and the breach has continued without cure for a period of ten (10) Business Days after the notice of the breach, unless the failure of such condition shall be due to the failure of any Seller to perform or comply with any of the agreements or covenants hereof to be performed or complied with by it prior to the Closing, and such condition is not waived by Sellers;

(e) by Buyer by giving written notice to Sellers at any time prior to Closing in the event any Seller has breached any representation, warranty, agreement, or covenant contained in this Agreement such that any condition set forth in Section 7.1 shall become incapable of being satisfied without cure, Buyer has notified Sellers of the breach, and the breach has continued without cure for a period of ten (10) Business Days after the notice of the breach, unless the failure of such covenant shall be due to the failure of Buyer to perform or comply with any of the covenants hereof to be performed or complied with by it prior to the Closing, and such condition is not waived by Buyer; or

(f) by Buyer if:

(i) an “Event of Default” or “Default” is declared by the applicable administrative agent or lender(s) under the DIP Order or the DIP Loan Agreement, as applicable;

(ii) by Buyer if for any reason whatsoever, Buyer is unable to Credit Bid the Purchase Price (excluding the Closing Cash Payment) pursuant to Section 2.5(c)(i); or

(iii) if any of the following occurs:

(A) the Sale Order shall not have been entered by the Bankruptcy Court by the End Date;

(B) the Bankruptcy Court enters an Order for the appointment of a trustee or examiner with managerial powers, other than at the request of Buyer or any of its Affiliates, under Section 1104 of the Bankruptcy Code and such trustee or examiner takes any action to interfere with or impair the Contemplated Transactions;

(C) the Chapter 11 Cases are dismissed or converted to cases under Chapter 7 of the Bankruptcy Code or the Bankruptcy Court enters a final Order appointing a trustee or an examiner with expanded powers (beyond those set forth under Section 1106(a)(3) of the Bankruptcy Code) in the Chapter 11 Cases prior to the Closing Date;

(D) any Seller consummates a chapter 11 Plan;

- (E) any Seller executes an Alternate Agreement or takes affirmative steps to effect an Alternate Transaction; provided that this Agreement may not be terminated pursuant to this clause if and for so long as Buyer is the Back-Up Bidder; or
- (F) Buyer is not the Winning Bidder at the Auction pursuant to the Bidding Procedures Order; provided that this Agreement may not be terminated pursuant to this clause if and for so long as Buyer is the Back-Up Bidder; or

(g) by Sellers if the Closing Date has not occurred on or before May 30, 2025 (the “Closing Deadline”); provided, however, Sellers may not terminate this Agreement under this Section 8.1(g) if the failure of the Closing to occur on the Closing Deadline is due to the failure of any Seller to perform or comply with the covenants hereof to be performed or complied with by it/them prior to the Closing Deadline; provided, further, that Buyer may, in its sole discretion, extend the Closing Deadline until June 17, 2025 if, on or prior to the Closing Deadline, Buyer funds to Sellers an amount in cash equal to \$3,300,000, which amount shall (i) be used by Sellers solely and exclusively to satisfy expenses incurred in connection with the Chapter 11 Cases and the Continuing Restaurants, (ii) be added to the Purchase Price payable hereunder, and (iii) be deemed to be an advance on the Purchase Price payable hereunder.

Section 8.2 Effect of Termination.

(a) In the event of termination and abandonment by Buyer, on the one hand, or Sellers, on the other hand, or both, pursuant to Section 8.1 (other than pursuant to Section 8.1(a)), written notice thereof shall forthwith be given to the other Party or Parties pursuant to Section 9.7, and this Agreement shall terminate (other than Section 8.2 and the provisions of ARTICLE IX and such portions of ARTICLE I as are necessary to give effect to the foregoing, all of which shall survive the termination of this Agreement) and the Contemplated Transactions shall be abandoned, without further action by Buyer or Sellers); provided, however, that notwithstanding anything herein to the contrary, if such termination shall result from the willful and knowing (i) failure of either Party to fulfill a condition to the performance of the obligations of the other Party, (ii) failure to perform a covenant or agreement of this Agreement, or (iii) breach by any Party hereto of any representation, warranty, covenant or agreement contained herein, such Party shall be fully liable for any and all Adverse Consequences incurred or suffered by the other Party as a result of such failure or breach.

(b) If this Agreement is terminated for any reason, then the Parties shall promptly direct the Escrow Agent (by executing and delivering joint instructions to the Escrow Agent) to disburse the Good Faith Deposit (and all interest earned thereon) to Buyer free and clear of any claims thereon by Sellers; provided, however, if this Agreement is terminated by Sellers pursuant to (i) Section 8.1(d), (ii) Section 8.1(g) because of the failure of Buyer to close in the instance where, as of the Closing Deadline, (A) all of the conditions set forth in Section 7.1 (excluding conditions that, by their terms, cannot be satisfied until the Closing) have been satisfied (or waived, or deemed to have been waived,

by Buyer), (B) Sellers are ready, willing and able to close, and (C) Buyer nevertheless fails to close by the Closing Deadline, or (iii) Section 8.1(b) because of the failure of Buyer to close in the instance where, as of the End Date, (A) all of the conditions set forth in Section 7.1 (excluding conditions that, by their terms, cannot be satisfied until the Closing) have been satisfied (or waived, or deemed to have been waived, by Buyer), (B) Sellers are ready, willing and able to close, and (C) Buyer nevertheless elects not to promptly close, Sellers would not have any adequate remedy at Law and would suffer Adverse Consequences that are not practicable to ascertain, and in the case of either clause (i), (ii) or (iii) of this Section 8.2(b), Sellers shall be entitled to terminate this Agreement, and the Parties shall promptly direct the Escrow Agent (by executing and delivering joint instructions to the Escrow Agent) to disburse the Good Faith Deposit (and all interest earned thereon) free and clear of any claims or Liens, including, without limitation, the DIP Liens (as defined in the DIP Order), to Acquisition, on behalf of Sellers, as liquidated damages. Sellers agree that, to the fullest extent permitted by applicable Law, Sellers' right to the payment of the Good Faith Deposit (and all interest earned thereon) as provided in this Section 8.2(b) shall be the sole and exclusive remedy against Buyer or any of its Affiliates or any of their respective stockholders, partners, members or Representatives for any and all Adverse Consequences that may be suffered based upon, resulting from or arising out of the circumstances giving rise to such termination, and upon payment of the Good Faith Deposit (and all interest earned thereon) to Sellers in accordance with this Section 8.2(b), none of Buyer, any of its Affiliates nor any of their respective stockholders, partners, members or Representatives shall have any further Liability or obligation relating to or arising out of this Agreement or the Contemplated Transactions except as provided in Section 8.2(a).

(c) Notwithstanding Section 8.2(b), if this Agreement is terminated by Buyer pursuant to Section 8.1(f)(iii)(D), Section 8.1(f)(iii)(E) or Section 8.1(f)(iii)(F), then the Escrow Agent shall retain the Good Faith Deposit (and all interest earned thereon) until the earlier to occur of (i) the consummation of an Alternate Transaction or (ii) the End Date, at which time the Parties shall promptly direct the Escrow Agent (by executing and delivering joint instructions to the Escrow Agent) to disburse the Good Faith Deposit (and all interest earned thereon) to Buyer, free and clear of any claims thereon by Sellers.

(d) In addition to the remedies in Section 8.2(b), Seller shall pay to Buyer, and Buyer shall be entitled to receive the Bid Protections if and only if (i) Sellers have consummated an Alternate Transaction; (ii) Buyer has terminated this Agreement in accordance with its terms (other than pursuant to Section 8.1(a)); and (iii) this Agreement has not been terminated by Sellers pursuant to Section 8.1(a) or Section 8.1(d). If owed pursuant to the immediately preceding sentence, the Bid Protections shall be treated as an allowed administrative expense claim in the Chapter 11 Cases pursuant to Section 503(b)(1)(A) of the Bankruptcy Code and shall be payable from the sale proceeds paid by the third party buyer in the Alternate Transaction upon the consummation of the Alternate Transaction. Notwithstanding anything to the contrary contained in this Agreement, the Bid Protections shall be subject to a carve out from any Lien, security interest or superpriority administrative expense claim with respect to the proceeds of any Alternate Transaction pursuant to Sections 105, 363, 364, 503(b) or 507 of the Bankruptcy Code in the Chapter 11 Cases.

(e) Except as otherwise expressly set forth in this Agreement, nothing herein shall relieve any Party from Liability for any breach of covenant occurring prior to any termination of this Agreement.

ARTICLE IX. MISCELLANEOUS

Section 9.1 Intentionally Omitted.

Section 9.2 Expenses. Except for the Bid Protections and as otherwise provided in this Agreement or a Related Agreement, each of Sellers and Buyer shall bear their own expenses, including attorneys' fees, incurred in connection with the negotiation and execution of the Original Asset Purchase Agreement, the First Amended and Restated Asset Purchase Agreement, this Agreement, the Related Agreements and each other agreement, document and instrument contemplated by this Agreement and the consummation of the Contemplated Transactions. Notwithstanding the foregoing, in the event of any action or proceeding to interpret or enforce this Agreement, the prevailing Party in such action or proceeding (i.e., the Party who, in light of the issues contested or determined in the action or proceeding, was more successful) shall be entitled to have and recover from the non-prevailing Party such costs and expenses (including, but not limited to, all court costs and reasonable attorneys' fees) as the prevailing Party may incur in the pursuit or defense thereof.

Section 9.3 Entire Agreement. This Agreement and the Related Agreements constitute the entire agreement among the Parties and supersede any prior understandings, agreements or representations (whether written or oral) by or among the Parties, written or oral, with respect to the subject matter hereof (including the Original Asset Purchase Agreement and the First Amended and Restated Asset Purchase Agreement); provided, however, the Confidentiality Agreement shall survive in accordance with its terms. The recitals set forth above are expressly incorporated herein by reference.

Section 9.4 Incorporation of Schedules, Exhibits and Disclosure Schedule. The schedules to this Agreement (the "Schedules") and the Disclosure Schedule, appendices and exhibits to this Agreement, the documents and other information made available in the Schedules and the Disclosure Schedule are incorporated herein by reference and made a part hereof.

Section 9.5 Amendments and Waivers. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by each Party except as expressly provided herein. No waiver of any breach of this Agreement shall be construed as an implied amendment or agreement to amend or modify any provision of this Agreement. No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the Party making such waiver, nor shall such waiver be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent default, misrepresentation or breach of warranty or covenant. No conditions, course of dealing or performance, understanding or agreement purporting to modify, vary, explain or supplement the terms or conditions of this Agreement shall be binding unless this Agreement is amended or modified in writing pursuant to the first sentence

of this Section 9.5 except as expressly provided herein. Except where a specific period for action or inaction is provided herein, no delay on the part of any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

Section 9.6 Succession and Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. None of the Parties may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of all Parties; provided, however, that Buyer may elect to have any or all of the Purchased Assets conveyed or transferred to, or any or all of the Assumed Liabilities assumed by, one or more of its Permitted Designees without the consent of any of Sellers; provided, however, Buyer shall remain liable for all of its obligations to Sellers under this Agreement after any such assignment; provided, further, that Sellers shall be permitted to assign any of their rights hereunder pursuant to a confirmed chapter 11 Plan or pursuant to an Order of the Bankruptcy Court.

Section 9.7 Notices. All notices, requests, demands, claims and other communications hereunder shall be in writing except as expressly provided herein. Any notice, request, demand, claim or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient, (ii) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid), (iii) when sent by email (with written confirmation of transmission), or (iv) three (3) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and addressed to the intended recipient as set forth below:

Section 9.8 Governing Law; Jurisdiction. This Agreement shall in all aspects be governed by and construed in accordance with the internal Laws of the State of New York without giving effect to any choice or conflict of Law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the New York, and the obligations, rights and remedies of the Parties shall be determined in accordance with such Laws. Prior to the closing of the Chapter 11 Cases, the Parties hereto agree that any Litigation seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, any Related Agreement or the Contemplated Transactions shall be brought exclusively in the Bankruptcy Court, and each of the Parties hereby irrevocably consents to the jurisdiction of the Bankruptcy Court (and of the appropriate appellate courts therefrom) in any such Litigation and irrevocably waives, to the fullest extent permitted by Law, any objection that it may now or hereafter have to the laying of the venue of any such Litigation in the Bankruptcy Court or that any such Litigation which is brought in the Bankruptcy Court has been brought in an inconvenient forum. Process in any such Litigation may be served on any Party anywhere in the world, whether within or without the jurisdiction of the Bankruptcy Court. Without limiting the foregoing, each Party agrees that service of process on such Party as provided in Section 9.7 shall be deemed effective service of process on such Party. After the closing of the Chapter 11 Cases, except as otherwise expressly provided in this Agreement, the Parties hereto agree that any Litigation seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement, any Related or the Contemplated Transactions may be brought in any court having subject matter jurisdiction over such Litigation, and that any cause of action arising out of this Agreement or any Related Agreement shall be deemed to have arisen from a transaction of business in the State of Georgia, and each of the Parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such Litigation and irrevocably waives, to the fullest extent permitted by Law, any objection

that it may now or hereafter have to the laying of the venue of any such Litigation in any such court or that any such Litigation which is brought in any such court has been brought in an inconvenient forum. Process in any such Litigation may be served on any Party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each Party agrees that service of process on such Party as provided in Section 9.7 shall be deemed effective service of process on such Party.

Section 9.9 WAIVERS OF JURY TRIAL. EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE RELATED AGREEMENTS OR THE CONTEMPLATED TRANSACTIONS OR THEREBY.

Section 9.10 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision, and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability in any one jurisdiction affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.11 No Third Party Beneficiaries. This Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns.

Section 9.12 No Survival of Representations, Warranties and Agreements. None of the Parties' representations, warranties, covenants and other agreements in this Agreement, including any rights of any other Party or any third party arising out of any breach of such representations, warranties, covenants and other agreements, shall survive the Closing, except for (i) those covenants and agreements contained herein that by their terms apply or are to be performed in whole or in part after the Closing, (ii) this ARTICLE IX, and (iii) all defined terms set forth in ARTICLE I that are referenced in the foregoing provisions referred to in clauses (i) and (ii) above.

Section 9.13 Construction. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of names and pronouns shall include the plural and vice versa. The word "including" and "include" and other words of similar import shall be deemed to be followed by the phrase "without limitation." The words "herein," "hereto" and "hereby," and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section or other subdivision of this Agreement. Unless expressly stated in connection therewith or the context otherwise requires, the phrase "relating to the Business" and other words of similar import shall be deemed to mean "relating to the operation of the Business as conducted as of the Execution

Date.” Except as otherwise provided herein, references to Articles, Sections, clauses, subclauses, subparagraphs, Schedules, Exhibits, Appendices and the Disclosure Schedule herein are references to Articles, Sections, clauses, subclauses, subparagraphs, Schedules, Appendices, Exhibits and the Disclosure Schedule of this Agreement. Any reference herein to any Law (or any provision thereof) shall include such Law (or any provision thereof) and any rule or regulation promulgated thereunder, in each case, including any successor thereto, and as it may be amended, modified or supplemented from time to time. Any reference herein to “dollars” or “\$” means United States dollars.

Section 9.14 Computation of Time. In computing any period of time prescribed by or allowed with respect to any provision of this Agreement that relates to Sellers or the Chapter 11 Cases, the provisions of Rule 9006(a) of the Federal Rules of Bankruptcy Procedure shall apply.

Section 9.15 Mutual Drafting. Each of the Parties has participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

Section 9.16 Disclosure Schedule. All capitalized terms not defined in the Disclosure Schedule shall have the meanings ascribed to them in this Agreement. The representations and warranties of Sellers in this Agreement are made and given, and the covenants are agreed to, subject to the disclosures and exceptions set forth in the Disclosure Schedule. The disclosure of any matter in any section of the Disclosure Schedule shall be deemed to be a disclosure with respect to any other sections of the Disclosure Schedule to which such disclosed matter reasonably relates, but only to the extent that such relationship is reasonably apparent on the face of the disclosure contained in the Disclosure Schedule. The listing of any matter shall expressly not be deemed to constitute an admission by Sellers, or to otherwise imply, that any such matter is material, is required to be disclosed under this Agreement or falls within relevant minimum thresholds or materiality standards set forth in this Agreement. No disclosure in the Disclosure Schedule relating to any possible breach or violation of any Contract or Law shall be construed as an admission or indication that any such breach or violation exists or has actually occurred. In no event shall the disclosure of any matter in the Disclosure Schedule be deemed or interpreted to expand the scope of Sellers’ representations, warranties and/or covenants set forth in this Agreement. All attachments to the Disclosure Schedule are incorporated by reference into the Disclosure Schedule in which they are directly or indirectly referenced.

Section 9.17 Headings; Table of Contents. The section headings and the table of contents contained in this Agreement and the Disclosure Schedule are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 9.18 Counterparts; Facsimile and Email Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. This Agreement or any counterpart may be executed and delivered by facsimile, email with scan attachment copies, or other electronic signature method, including DocuSign, each of which shall be deemed an original.

Section 9.19 **Time of Essence.** Time is of the essence of this Agreement.
