**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,  
AND DISCLAIMERS REGARDING MONTHLY OPERATING REPORT**

On March 4, 2025 (the “Petition Date”), OTB Holding LLC and its debtor affiliates, as debtors and debtors-in-possession in the above-captioned chapter 11 cases (each a “Debtor” and, collectively, the “Debtors”) filed voluntary petitions in the United States Bankruptcy Court for the Northern District of Georgia (the “Court”) commencing cases for relief under chapter 11 of the Bankruptcy Code (the “Chapter 11 Cases”). The Chapter 11 Cases are being jointly administered for procedural purposes only under the lead case *In re OTB Holding LLC*, Case No. 25-52415-SMS (Bankr. N.D. GA) [Docket No. 45].

The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of the Chapter 11 Cases, is set forth in detail in the *Declaration of Jonathan M. Tibus in Support of Debtors’ Chapter 11 Petitions and First Day Pleadings* [Docket No. 18] (the “First Day Declaration”), which is fully incorporated herein by reference. Additional information about the Chapter 11 Cases, court filings, and claims information is available at the website maintained by the Debtors’ claims and noticing agent: <https://www.veritaglobal.net/ontheborder>.

The Debtors sold substantially all their assets to OTB Hospitality, LLC (the “Sale Transaction”). After an auction on May 6, 2025, OTB Hospitality, LLC was named the prevailing bidder with a purchase price bid of \$36,250,000.00. A copy of the asset purchase agreement with the Purchaser (the “Asset Purchase Agreement”) was filed as Exhibit A to the *Notice of Filing of Prevailing Bidder APA* [Docket No. 350]. The Sale Transaction closed on May 30, 2025. *See* Docket No. 431.

The Debtors have prepared and filed the attached monthly operating report and the exhibits thereto (the “MOR”) for the period including May 7, 2025, through May 30, 2025, prior to closing of the asset sale (the “Reporting Period”) with the assistance of their advisors solely for the purpose of complying with the monthly operating requirements applicable in the Debtors’ Chapter 11 Cases and

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, include: OTB Holding LLC (3213), OTB Acquisition LLC (8500), OTB Acquisition of New Jersey LLC (1506), OTB Acquisition of Howard County LLC (9865), Mt. Laurel Restaurant Operations LLC (5100), OTB Acquisition of Kansas LLC (9014), OTB Acquisition of Baltimore County, LLC (6963). OTB Holding LLC’s service address is One Buckhead Plaza, 3060 Peachtree Road, NW, Atlanta, GA 30305.

the instructions provided by the Office of the United Trustee for the Northern District of Georgia. The financial information contained herein is limited in scope, covers a limited time period, and is presented on a preliminary and unaudited basis. As such, the MOR has not been subject to procedures that would typically be applied to financial statements prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and does not include all of the information and footnotes required by U.S. GAAP. Upon the application of such procedures, the financial information could be subject to changes, which could be material.

The Debtors historically prepared consolidated annual financial statements that were audited annually. Solely to comply with their obligations to provide MORs during the Chapter 11 Cases, the Debtors have prepared this MOR using the best information presently available to them, which has been collected, maintained, and prepared in accordance with their historical accounting practices. The MOR generally reflects operations and financial position of the Debtors on a non-consolidated basis, in a form not maintained by the Debtors in the ordinary course of their business and is not intended to fully reconcile to the consolidated financial statements prepared by the Debtors. Accordingly, the amounts listed in the MOR will likely differ, at times materially, from the historical consolidated financial reports. Because the Debtors’ accounting systems, policies, and practices were developed to produce consolidated financial statements, rather than financial statements by legal entity, it is possible that not all assets, liabilities, income, or expenses have been recorded at the correct legal entity.

The financial information contained in this Monthly Operating Report for the period ending May 30, 2025, reflects the Debtors’ financial activity and transactions up to the closing of the Sale Transaction (the “Closing”). This report does not include any transactions or financial activity occurring after the Closing and does not incorporate any of the impacts related to Closing. All post-Closing transactions will be included in the Monthly Operating Report for the period ending June 30, 2025.

The results of operations and financial position contained herein are not necessarily indicative of results that may be expected for any period other than the Reporting Period and may not necessarily reflect the Debtors’ future consolidated results of operations and financial position. Unless otherwise noted herein, the MOR generally reflects the Debtors’ books and records and financial activity occurring during the Reporting Period. Except as may be otherwise noted, no adjustments have been made for activity occurring after the close of the Reporting Period.

The MOR should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future. The MOR presents the Debtors’ best estimates for the Reporting Period, but there can be no assurance that such information is complete, and the MOR may be subject to material revision. These notes, statements, and limitations should be referred to, and referenced in connection with, any review of the MOR, of which they comprise an integral and material part.

### **RESERVATION OF RIGHTS**

The information furnished in this MOR includes normal recurring adjustments but does not include all of the adjustments that typically would be made for interim financial statements presented in accordance with U.S. GAAP. Although the Debtors made commercially reasonable efforts to ensure the accuracy and completeness of the MOR, inadvertent errors or omissions may exist. Accordingly, the Debtors hereby reserve all rights to dispute the validity, status, enforceability, or executory nature of any claim amount, agreement, representation, or other statement set forth in this MOR. Further, the Debtors reserve the right to amend or supplement this MOR in all respects, if necessary or appropriate, but undertake no obligation to do so. Nothing contained in this MOR shall constitute a waiver of any of the Debtors' rights or an admission with respect to the Chapter 11 Cases or otherwise.

For the reasons discussed above, there can be no assurance that the financial information presented herein is complete, and readers are cautioned not to rely on the MOR for any reason.

The financial statements of the Debtors' non-debtor affiliates have not been included in the MOR. Unless otherwise indicated, all amounts in the MOR are reflected in U.S. dollars.

### **SUPPORTING DOCUMENTATION AND CERTAIN ADJUSTMENTS, LIMITATIONS, METHODOLOGY, AND DISCLAIMERS**

While the Debtors do not restate the above notes and reservations or rights in their entirety here, such notes and reservations apply to the entire MOR and each individual response or other item included in the MOR. In addition to such notes and reservations, the Debtors offer the following explanatory notes.

**Debtors' Full-Time Employees.** While the Debtors may have experienced changes to their workforce between the Petition Date and the end of the Reporting Period, any such changes would be minor, and the Debtors have reported the number of full-time employees for each applicable Debtor as of the Petition Date. The number of employees reported as of May 30, 2025 reflect the employees held by the Debtors prior to Closing.

**Statement of Cash Receipts and Disbursements.** Reported cash receipts and disbursements exclude intercompany and debtor-to-debtor transactions. All receipts and disbursements are made through bank accounts held by OTB Acquisition LLC. Beginning cash balance reported is as of May 7, 2025, and not as of April 30, 2025.

The cash receipts and disbursements contained in this MOR for the period ending May 30, 2025, reflects the Debtors' financial activity and transactions through the Closing. This report does not include any cash balances, or transactions and financial activity occurring after the Closing. All post-Closing balances and transactions attributable to the Debtors will be included in the Monthly Operating Report for the period ending June 30, 2025.

The escrow transfers for the weekly Debtor professional fee estimates under the final order authorizing and approving the Debtors' postpetition credit facility (Docket No. 191) are included in the reported disbursements, even when such transfers have not been paid to professionals. Those transfers not yet paid to professionals are not reported as payments to professionals in Part 5. When funds are transferred out of the escrow account, such disbursements will be included in required

reporting for professionals in Part 5. For additional information on ending cash balances per the Debtors' books and records, see the attached cash balances in the Statement of Cash Receipts and Disbursements.

**Balance Sheet.** As noted above, the Debtors have historically prepared financial statements on a consolidated basis, and it is on this basis that the Debtors continue to prepare and report financials in the ordinary course of their business. This MOR is prepared on an entity-by-entity basis. To prepare a balance sheet for each Debtor solely for the purpose of complying with the monthly operating requirements applicable in the Debtors' Chapter 11 Cases and the instructions provided by the Office of the United Trustee, the Debtors made certain adjustments to their consolidating balance sheets, including but not limited to associating certain assets and liabilities with the reasonably appropriate Debtor entity even in certain cases where such assets and liabilities were associated with another entity in the Debtors' consolidating trial balances.

The balance sheet information contained in this MOR for the period ending May 30, 2025, reflects the Debtors' financial activity and transactions up to the Closing. The balance sheet does not reflect any changes related to the Closing. All post-Closing balances attributable to the Debtors will be included in the Monthly Operating Report for the period ending June 30, 2025.

**Statement of Operations.** As noted above, the Debtors have historically prepared financial statements on a consolidated basis, and it is on this basis that the Debtors continue to prepare and report financials in the ordinary course of their business. This MOR is prepared on an entity-by-entity basis. To prepare an income statement for each Debtor solely for the purpose of complying with the monthly operating requirements applicable in the Debtors' Chapter 11 Cases and the instructions provided by the Office of the United Trustee, the Debtors made certain adjustments to their consolidating profits and loss statements, including but not limited to prorating financial figures for the reporting period.

The income statement information contained in this MOR for the period ending May 30, 2025, reflects the Debtors' financial activity and transactions up to the Closing. The income statement does not reflect any transactions related to the Closing. All post-Closing transactions will be included in the Monthly Operating Report for the period ending June 30, 2025.

**Accounts Receivable and Accounts Payable Aging.** As noted above, the Debtors have historically prepared financial statements on a consolidated basis, and it is on this basis that the Debtors continue to prepare and report financials in the ordinary course of their business. The aging reports are prepared on a consolidated basis by type, regardless of legal entity, and exclude credit card receivables.

The accounts receivable and accounts payable information contained in this Monthly Operating Report for the period ending May 30, 2025, reflects the Debtors' financial activity and transactions up to the Closing. Responsibility of post-petition trade payables through the Closing transitioned to OTB Hospitality LLC. Any remaining post-Closing payables or receivables attributable to the Debtors will be reflected in the Monthly Operating Report for the period ending June 30, 2025.

### **Part 1. Cash Receipts and Disbursements.**

- As is customary with historical reporting, the Debtors have included credit card receivables and other liquid balances in the Cash and Cash Equivalents line item on the balance sheet, included as a supplement. The credit card balances have been excluded from Part 1; these adjustments may cause reporting differences with the cash balances within the schedules of cash receipts and disbursements.
- Disbursements made by third party for the benefit of the estate. The Debtors maintain and operate a centralized cash management system, under which all bank accounts are maintained by the Debtor (OTB Acquisition LLC). In the ordinary course of their business, OTB Acquisition LLC maintains the Debtors' cash management bank accounts may make payments on behalf of other Debtors.
- Cash balances contained in this MOR for the period ending May 30, 2025, reflects the Debtors' financial activity and transactions up to the Closing. This report does not include any cash balances related to the Closing. All post-Closing cash balances attributable to the Debtors will be included in the Monthly Operating Report for the period ending June 30, 2025.

### **Part 2. Asset and Liability Status.**

- For purposes of reporting, credit card receivables have been excluded in the accounts receivable balance as they reported as cash and cash equivalents on the Debtor's balance sheet.
- Postpetition payables (excluding taxes). The Debtors have made commercially reasonable efforts to determine pre- and postpetition payables by Debtor entity for purposes of the MOR. Because, as noted above, the Debtors have historically prepared financial statements on a consolidated basis, and it is on this basis that the Debtors continue to prepare and report financials in the ordinary course of their business, certain estimates and prorations were used to determine the amounts of postpetition payables to include for each Debtor entity in line f.
- Postpetition financing is a component of postpetition payables and total postpetition debt. Line f (and, accordingly, line j) on Debtor OTB Acquisition LLC's MOR includes \$11 million in postpetition borrowings under its Debtor-in-Possession credit facility, plus a roll-up and conversion of \$4 million of the outstanding principal balance under the prepetition secured note. Postpetition payables are preliminary and subject to change under fresh start accounting.
- Prepetition priority debt. The Debtors have not historically and do not now maintain records of any claims entitled to priority under the Bankruptcy Code; accordingly, line l is reported as zero.
- Prepetition unsecured debt and total liabilities (debt). The Debtors have made commercially reasonable efforts to determine pre- and postpetition payables by Debtor entity for purposes of the MOR. Because, as noted above, the Debtors have historically prepared financial statements on a consolidated basis, and it is on this basis that the Debtors continue to prepare and report financials in the ordinary course of their business, certain estimates and prorations were used to determine the amounts of prepetition payables to include for each Debtor entity in line m. More specifically, line m reflects all prepetition liabilities on the Debtors'

respective balance sheets *less* the prepetition secured debt set forth in line k. Additionally, this line includes all lease liabilities, some of which may become post-petition liabilities, once the company completes fresh start accounting. Accordingly, line n reflects all prepetition balance-sheet liabilities for the respective Debtor.

### **Part 3. Assets Sold or Transferred.**

- On May 30, 2025, the Debtors closed the Sale Transaction. The Sale Transaction is not reflected in this MOR for the period ending May 30, 2025, as this report includes only transactions up to the closing of the Sale Transaction. The Sale Transaction and related transactions will be reported in the Monthly Operating Report for the period ending June 30, 2025.

### **Part 5. Professionals.**

- The Debtors accrue and escrow professional fees and expenses on a weekly basis for certain Debtor and non-debtor professionals, which are included in the disbursements section of Part 1. The timing of actual payment of the escrowed fees and expenses may vary depending on the requirements. Amounts accrued and escrowed for future payment of professional fees (but not yet paid to professionals) are not reported as payments to professionals.
- The list of professionals originally filed with the Debtors' motion to retain and employ ordinary course professionals (Docket No. 95) inadvertently included certain entities that do not constitute professionals within the meaning ascribed to that term under the Bankruptcy Code. The list has since been amended to correct these inadvertent inclusions, and any payments to such entities have not been included in this Monthly Operating Report.
- Disclosure Regarding Professional Fee Applications. On June 16, 2025, the Debtors filed fee applications with the Court seeking approval of transaction-related fees for Alvarez & Marsal North America, LLC and Hilco Corporate Finance, LLC. As of June 30, 2025, these fee application approvals remain pending before the Court.

### **Part 6. Postpetition Taxes.**

- Postpetition taxes paid. During the Reporting Period, the Debtors remitted payments for certain taxes in the ordinary course of business, which payments included certain amounts on account of prepetition taxes authorized to be paid under the order granting the Debtors' first-day motion to pay certain prepetition taxes. The paid amounts set forth on line b, line d, line e, and line g include postpetition payments made on account of such prepetition taxes as well as postpetition taxes.
- Question c. Due to the timing of the reporting period, only one bi-weekly payroll was funded during this reporting period. Following the closing of the Sale Transaction on May 30, 2025, OTB Hospitality, LLC assumed responsibility for all remaining payroll obligations, including associated employer payroll taxes.

**Part 7. Questionnaire.**

- Question a. In accordance with relief granted by the Court on certain of the Debtors' first-day motions, the Debtors have made certain payments on account of prepetition claims. Further details regarding the relief requested, the relief granted, and the payments projected to be made by the Debtors is set forth in the applicable first day motions and orders.<sup>2</sup>

Pre-petition secured debt held by CrossFirst Bank was paid immediately following the Closing. This payoff is not reflected in the current MOR for the period ending May 30, 2025, as this report includes only transactions through the date of the asset sale closing. The payoff will be reported in the Monthly Operating Report for the period ending June 30, 2025.

- Question g. In connection with the Debtors' commencement of the Chapter 11 Cases, the Debtors requested authorization and approval of postpetition financing, which authorization and approval was granted by the Court by final order dated April 3, 2025 (Docket No. 191).
