#### CUT-OFF DATE

The "Cut-Off Date" is November 20, 2017. After the Cut-Off Date, all rooms within Group's contracted Guest Room Block that have not been reserved will be returned to Hotel's general inventory. Reservation requests received after the Cut-Off Date will be credited to achieving Group's Contracted Guest Room Revenue Commitment. Only actual reservations for Event attendees will be considered valid room reservations. After the Cut-Off Date, cancelled guest rooms will be returned to Hotel's inventory.

#### RESERVATION METHOD

Reservations may be made, modified or canceled by Group's meeting planner or designate, who may enter reservations as they are received using the on-line reservation form accessible at http://manage.passkey.com (Hotel will supply a confidential user name and password if the planner does not already have one, the proper use of which is Group's responsibility). Reservations for rooms accessible to guests with disabilities may be made in the same manner. Reservations must be made on or before the Cut-Off Date specified above.

Should Group choose not to use Passkey to provide its rooming list, Hotel will provide the rooming list form to Group. Group must submit the completed rooming list to Hotel on or before the Cut-Off Date specified above.

#### COMMISSIONABLE

The Guest Room Rates set forth above are commissionable to American Express Global Business Travel as agent of record for Group ("Agent"). Agent's IATA number is 03 521361. Commissions shall be paid at the rate of ten percent (10%) of the Guest Room Rate for all rooms actualized by the group (unless commissionable to another agency). Said commissions shall be paid to Group's Agent no later than thirty (30) days after Group's payment in full of the Master Account. Group shall disclose to its members and attendees the portion, if any, of Group's room rates being paid to Group or its affiliates or another third party as a commission.

#### **AGENCY**

Group is being represented by American Express Global Business Travel who is the exclusive agent of Group, and has complete authority to represent Group in all matters arising under this Agreement. Group acknowledges and agrees that Hotel may act in accordance with the directions given by Agent consistent with this Agreement and that Group will be bound by the agreements made by Agent and will pay all fees, charges, costs and expenses due and owing Hotel in accordance with any such agreements. Agent is the agent of Group and not of Hotel. In the event questions arise over amounts paid or payable to Agent under this Agreement, Hotel will abide by the requests or decisions of Group (including, without limitation, providing Group copies of this Agreement and other Event materials). In no event shall Hotel be liable to Agent, if Group terminates Agent, as its agent. Group hereby agrees to defend, indemnify and hold harmless Hotel from any liability arising out of Group's appointment or termination of Agent as its agent or Hotel's payment of amounts owed to Agent.

#### **GUEST ROOM MINIMUM**

Hotel is relying on, and Group agrees to provide, a minimum of 529 guest room nights. Should the Group fall below this amount, the Group will be responsible for the difference between the minimum guest room nights and actualized guest room nights multiplied by the single convention guest room rate multiplied by 80% (guest room minimum minus guest rooms actualized multiplied by single convention room rate multiplied by 80%), plus any applicable taxes.

For any day that the hotel achieves 100% occupancy during the official event dates, the Group will receive credit for full achievement of the contracted block for that day. In such a case, the Group's total pick up will be calculated by adding the difference between contracted and actual room nights for sold out nights to the Group's total pick up.

The Hotel and Group intend to liquidate the damages in the event that the Group fails to meet the Guest Room Minimum set forth in this section. Therefore, Group and Hotel agree (a) that the above formula is a reasonable estimate of the Hotel's damage in the event that such a minimum is not met and (b) that the liquidated damages set forth in this section do not constitute a penalty.

#### COMPLIMENTARY ROOMS

Hotel will provide Group with one (1) complimentary room for every thirty-five (35) revenue-producing guest rooms occupied by Group on a cumulative basis over the Official Event Dates. The number of complimentary rooms provided to Group shall be determined by adding together the total actualized room nights per night of consecutive night stays over the Official Event Dates and dividing the total by thirty-five (35). The number of actualized room nights credited toward Group's complimentary rooms shall be determined in accordance with the following table:

Room Type	Number of Actualized Rooms Credited Toward Complimentary Room Count
ROH (Run of House)	1 room per day

Complimentary rooms, discounted guest rooms and suites if any, are considered concessions and shall not be included in the calculation of revenue-producing guest rooms to determine the number of complimentary rooms. Complimentary rooms may not be used as credit for Event fees or future events. All complimentary rooms earned by Group must be assigned to a specific Group attendee, otherwise they have no value and if not utilized, have no monetary value.

#### RELOCATION

In the event the Hotel does not provide a guest room for a confirmed reservation, and the room is needed by the Group, Hotel shall use commercially reasonable efforts, at its own expense, to do each of the following:

- 1. Relocate the displaced guest to the closest comparable hotel (the "Alternate Hotel") for the nights Hotel is not able to provide guest rooms to Event attendees.
- 2. Provide transportation to and from such Alternative Hotel for each night Hotel is not able to provide guest rooms to Event attendees.
- 3. Provide two (2) long distance telephone calls (not to exceed 10 minutes) for each relocated guest each day Hotel is not able to provide guest rooms to Event attendees.

Any guest rooms relocated to an Alternate Hotel as set forth above will be credited to Group's Contracted Guest Room Revenue Commitment and complimentary guest room count, for such period as Hotel is unable to provide guest rooms to Event attendees. Relocated guest rooms will not be commissionable.

#### MEETING and EVENT SPACE COMMITMENT

Group's program of events must be signed and initialed by Group and returned to Hotel with this signed Agreement (the "Program of Events"). Hotel will hold the meeting and event space as set forth on the signed and initialed Program of Events, which shall be attached to and made a part of this Agreement. This is considered to be a firm commitment by Group and any increase or decrease to that commitment or Group's Food and Beverage Revenue Commitment (as defined below) may result in a modification of Group's Meeting and Event Space Rental Fee (as defined below), if any, by Hotel. All meeting and event space is assigned by Hotel according to the number of persons guaranteed to attend the Event. Failure to submit a finalized Program of Events to Hotel by November 20, 2017 may result in a release or reassignment by Hotel of the meeting or event space being held for Group. Group agrees to promptly notify Hotel of any changes in its meeting or event space requirements.

#### FOOD AND BEVERAGE REVENUE COMMITMENT

By entering into this Agreement, Group agrees to provide a minimum of \$70,000.00 in meeting and event food and beverage revenue (the "Food and Beverage Revenue Commitment"). The Food and Beverage Revenue Commitment excludes services charges, taxes, audio visual, parking or other associated expenses applicable at the time of the Event. Should Group's actual meeting and event food and beverage revenue fall below the Food and Beverage Revenue Commitment, Group shall pay as liquidated damages the difference between the Food and Beverage Revenue Commitment (after deducting any permissible reduction) and the actualized meeting and event food and beverage revenue, plus any applicable taxes and service charges (also referred to as "Attrition Charges"). Attrition Charges owed to Hotel under this Section, if any, will be posted as a charge on Group's Master Account together with applicable taxes and service charges.

#### SERVICE CHARGES - FOOD AND BEVERAGE

A service charge and applicable taxes that are in effect at the time of the Event shall be added to all food and beverage charges. The current service charge is 24%. Service charges may be subject to sales or other taxes in effect at the time of the Event. Group and its attendees may provide an additional tip to Hotel's staff. All service charges will be posted to Group's Master Account.

#### **BILLING ARRANGEMENTS**

Group shall be responsible for room, tax, charges for the Meeting and Event Space Rental Fee, food and beverage and all other services. These charges will be billed to the Master Account only if credit approval is granted in accordance with Hotel's credit approval process. Individuals shall be responsible for any charges they incur, which are not authorized to be billed to the Master Account. Group appoints \_\_\_\_\_\_\_\_ to review and approve all charges billed to the Master Account.

Credit procedures will be provided to Group by Hotel upon the request for a credit application.

If Group wishes to set up direct billing for the Master Account, a credit application must be completed and returned to Hotel for approval together with this signed Agreement. In the event credit is approved: (i) all charges (up to the authorized credit amount) shall be due and payable to Hotel no later than thirty (30) days after Group's receipt of the Master Account invoice; and (ii) Hotel reserves the right to rescind its approval if there is a material change in Group's creditworthiness or material increase in anticipated charges.

In the event that credit is not requested, not approved or subsequently rescinded, payment of Group's total estimated Master Account will be due to Hotel prior to Group's arrival in accordance with the deposit schedule below. Failure to remit such payment(s) when due will be deemed to be a cancellation of this Agreement by Group, and Group shall be liable for the Cancellation Charges as set forth herein.

Invoice disputes and/or billing errors must be communicated to Hotel no later than fourteen (14) days before the date payment is due.

#### **DEPOSITS**

Group shall provide a non-refundable (except as specifically provided herein) deposit in the total amount of \$150,000 payable as set forth in the table below. All deposits will be credited towards any Attrition Charges (defined below) or Cancellation Charges (defined below) due to Hotel. Payment may be made by check, credit card, wire transfer or ACH. Hotel will provide a Credit Card Authorization form for scheduled payments made by credit card or ACH.

#### **CANCELLATION OPTION**

Either Hotel or Group may cancel this Agreement without cause upon written notice to the other party at any time prior to the Event. In the event Group cancels without cause, Group shall pay Hotel liquidated damages in an amount calculated according to the table below (the "Cancellation Charges"), plus applicable taxes. Applicable Services Charges will be added to the Cancellation Charges when cancellation occurs sixty (60) days or less prior to the first date of the Event.

From Contract signature date through the first day of the	\$163, 657 (100% of the Contracted Guest Room Revenue
Event	and 80% of Food and Beverage Revenue Commitment)

Payment of the Cancellation Charges shall be made by Group to Hotel at the time this Agreement is canceled by written notice. Hotel and Group agree that: (a) the damages suffered by Hotel in the event that Group cancels without cause are difficult to calculate; (b) the above formula is a reasonable estimate of such damages; and (c) the Cancellation Charges do not constitute a penalty.

In the event Hotel cancels this Agreement without cause, Hotel shall pay Group any direct damages suffered as a result of the cancellation, which damages shall not exceed the amount calculated according to above scale.

#### RIGHTS OF TERMINATION FOR CAUSE

This Agreement may be terminated by either party without liability upon written notice under the following circumstances:

(i) if a party's performance under this Agreement is subject to acts of God, war, government regulation, terrorism, disaster, strikes, civil disorder, curtailment of transportation facilities, or any other emergency of a comparable nature beyond the party's control that in each case make it impossible to perform its obligations under this Agreement. In such event, the terminating party shall give written notice of termination to the other party within five (5) days of such occurrence; or

- (ii) if either party makes a voluntary or involuntary assignment for the benefit of creditors or enters into bankruptcy proceedings prior to the date of the Event. In such event, the party who is not making an assignment or entering into bankruptcy proceedings shall have the right to terminate this Agreement upon written notice to the other party; or
- (iii) if, at the time of the Event, the hotel will no longer be operated under a Hyatt brand. In such event, Hotel shall notify Group in writing of such change, and Group shall have the right to terminate this Agreement without liability upon written notice to Hotel within thirty (30) days of the date of Hotel's notice of change of brand.

In the event of termination by either party under this section, Hotel shall refund all deposits and/or prepayments made by the Group within thirty (30) days of receipt of the notice of termination.

Except as otherwise specifically provided in this Agreement, neither party shall have the right to terminate this Agreement for any other cause.

#### INDEMNIFICATION AND HOLD HARMLESS

Hotel agrees to defend, indemnify and hold Group harmless from and against all claims, costs, losses, expenses, damages, actions, causes of action, and/or liabilities, including reasonable attorneys' fees, arising out of or resulting from: (i) any negligent act undertaken or committed by Hotel pursuant to the performance of its obligations under this Agreement except to the extent such actions or liabilities are due to the misconduct or negligence of Group or its employees, attendees or contractors; or (ii) any breach by Hotel of its obligations under the Sections of this Agreement titled "Compliance with Laws" or "Privacy of Personal Information."

Group agrees to defend, indemnify, and hold Hotel, Hyatt Corporation and their affiliates and each of their respective shareholders, members, directors, officers, managers, employees and representatives harmless from and against all claims, costs, losses, expenses, damages, actions, causes of action, and/or liabilities, including reasonable attorneys' fees, arising out of or resulting from: (i) any negligent act undertaken or committed by Group, its employees, invitees, attendees or any contractors hired or engaged by Group in connection with the performance of Group's obligations under this Agreement, except to the extent such actions or liabilities are due to the misconduct or negligence of Hyatt; or (ii) any breach by Group of its obligations under the Sections of this Agreement titled "Compliance with Laws," "Privacy of Personal Information" or "Permits and Licenses."

#### INSURANCE

Group and Hotel shall each maintain sufficient insurance to insure their obligations set forth in the Section of this Agreement titled "Indemnification and Hold Harmless," and each shall provide evidence of such insurance upon request.

#### CONTRACTORS

For any activity introduced onto Hotel's premises by an outside provider engaged by Group, Group will ensure that such providers comply with the terms of this Agreement and with any requirements for such providers as provided to Group by Hotel. Group will be fully responsible for such providers' actions or inactions and agrees to remove from Hotel's premises any outside provider that Hotel deems objectionable or whose activities cause reasonable concern. Upon request, Group will provide a certificate of insurance from such outside providers covering their actions and naming Hotel, the Hyatt Corporation and their affiliates as additional insureds with regard to their activities.

#### AMERICANS WITH DISABILITIES ACT

Hotel acknowledges its obligation to comply with the public accommodations requirements of the Americans with Disabilities Act or similar local laws regarding access and public accommodation ("Public Access Laws") except those of Group including Group's obligation to (i) remove "readily achievable" physical barriers within the meeting rooms utilized by Group that Group created (e.g., set-up of exhibits in an accessible manner) and that are not controlled or mandated by Hotel; (ii) provide auxiliary aids and services where necessary to ensure effective communication of the Event to disabled participants (e.g., Braille or enlarged print handouts, interpreter or simultaneous videotext display); and (iii) modify Group's policies, practices and procedures applicable to attendees as required to enable disabled individuals to participate equally in the Event. Group shall identify in advance any special needs of disabled Event attendees requiring accommodation by Hotel and will notify Hotel of such needs for accommodation in writing as soon as they are identified to Group. Whenever possible, Group shall copy Hotel on correspondence with attendees who indicate special needs requiring accommodation under such Public Access Laws. Hotel shall notify Group of requests for accommodation that it may receive otherwise than

through Group to facilitate identification by Group of its own accommodation obligations or needs as required by such Public Access Laws. Any extraordinary costs for special auxiliary aids requested by Group shall be borne by Group.

#### COMPLIANCE WITH LAWS

Each party hereby represents, warrants and covenants that it shall comply with all laws, rules, orders and regulations applicable to its performance under this Agreement.

#### **CHANGES; NOTICE**

Any changes to this Agreement must be made in writing and signed by both parties to be effective. Any modifications, additions or corrective lining out made on this Agreement will not be binding unless such modifications have been signed or initialed by both parties. Any notice hereunder shall be given to the individuals listed on the first page of this Agreement at the addresses set forth herein. Notice must be given by: (i) certified or registered mail, return receipt requested; (ii) commercial courier for overnight delivery, with a signature signifying receipt; (iii) facsimile evidenced by a machine-generated receipt; or (iv) email, provided that for notices given by facsimile or email, a confirmation copy must also be sent that same day by commercial courier for overnight delivery as provided herein. All notices shall be deemed delivered upon receipt.

#### DAMAGE TO HOTEL PREMISES

Group shall be responsible for all damage to hotel premises caused by Group or its agents or contractors. Upon completion of the Event, Group will leave the premises in the same condition as received, reasonable wear and tear excepted.

#### LIMITATION OF LIABILITY

Except for damages covered by the indemnifying party's indemnification obligations as set forth in the Section titled "Indemnification and Hold Harmless," neither party shall be liable to the other for any special, indirect, incidental, consequential, punitive or exemplary damages even if such party has knowledge of the possibility of such damages, provided that in no event shall either party be liable to the other for any lost profits. Under no circumstances shall this limitation of liability limit or waive Group's obligations to pay liquidated damages, including without limitation, Attrition Charges or Cancellation Charges that may be owed.

#### PRIVACY OF PERSONAL INFORMATION

Hotel complies with the Global Privacy Policy for Guests, which is available at http://privacy.hyatt.com (the "Privacy Policy"). If applicable, Group agrees to inform guests or event attendees at Hotel ("Guests") where they may access the Privacy Policy. Group affirms that it (and its Agent, if applicable) is authorized to provide, request, and receive information pertaining to Guests as is necessary pursuant to the Guests' hotel stay, event attendance or under this Agreement. Hotel will protect and use personal data about Guests that Hotel receives in connection with its performance of this Agreement and as set forth in the Privacy Policy, provided that Group acknowledges and agrees that certain services (e.g. Passkey) may be provided by a third party and that use of such services may be subject to terms and conditions (including those regarding the access and use of Guest information) different than those in this Agreement.

#### PERMITS, LICENSES AND APPROVALS

Group shall, at its sole cost and expense, obtain all licenses, permits and approvals that are: (i) required for the Event; or (ii) required and/or necessary for Group to perform its obligations under this Agreement. Such licenses or permits include, but are not limited to licenses and permits: (a) from any applicable governing body; or (b) for the use of a third party's intellectual property, including but not limited to any music, videos, performances, and/or images.

#### GOVERNING LAW; JURISDICTION

This Agreement shall be governed by and construed under the laws of the State or Province in which Hotel's premises are located.
