Schedule to Administrative Claim

In re: iPass, Inc.

Case No. 22-10618

United States Bankruptcy Court for the Southern District of New York

Creditor: Comcast Cable Communications Management, LLC (“Comcast”)

This Schedule supplements the information stated in the accompanying Administrative Claim and shall constitute part of the Administrative Claim.

I. Basis for the Administrative Claim

On March 15, 2022 (the “Petition Date”), iPass, Inc. (the “Debtor”) and its affiliated debtors each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”). Since the Petition Date, Comcast has provided internet, video, voice and other services (the “Services”), as well as the equipment or devices necessary for the Services (the “Comcast Equipment”) pursuant to various service agreements (the “Service Agreements”) governing accounts that are in the Debtor’s name (the “Service Accounts”). The Service Agreements govern the provision of the Services for several hundreds of individual accounts. The individual accounts are billed in the aggregate to the Service Accounts on a monthly basis.

The Debtor believes that the Service Agreements were transferred to a third party as part of a spinoff and sale transaction that was consummated prior to the Petition Date. Since the Service Accounts remain in the Debtor’s name, Comcast files this Administrative Claim in an abundance of caution to preserve its rights.

II. Calculation of the Administrative Claim

As of August 31, 2022, the aggregate unpaid balance of the Service Accounts was \$258,588.75, on account of unpaid charges for Services rendered after the Petition Date. The invoices for the Service Accounts are voluminous, as they include the information for several hundred individual accounts, and will be provided upon request.

Accordingly, Comcast asserts an administrative claim in the amount of \$258,588.75.

III. Notices

All notices and pleadings concerning this proof of claim should be sent to the following:

IV. Reservation of Rights

Comcast reserves the right to amend this administrative claim to include amounts not stated above, including, without limitation, costs, expenses, attorneys' fees, and any other charges or amounts due, as appropriate, under applicable bankruptcy and non-bankruptcy law. Comcast reserves all of its rights and remedies, including, without limitation, the right to amend this claim from time to time to reflect additional charges, adjustments and the like, as the same become quantified, known or available.
