GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

INTRODUCTION

The debtors and debtors in possession (collectively, the "<u>Debtors</u>" or the "<u>Company</u>") in the above-captioned chapter 11 cases (these "<u>Chapter 11 Cases</u>") submit their *Schedules of Assets and Liabilities* (the "<u>Schedules</u>") and *Statements of Financial Affairs* (the "<u>Statements</u>" and, together with the Schedules, the "<u>Schedules and Statements</u>") pursuant to section 521 of the Bankruptcy Code (as defined below), Rule 1007 of the Federal Rules of Bankruptcy Procedure, and Rule 1007-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware.

On March 20, 2024 (the "Petition Date"), the Debtors commenced these Chapter 11 Cases by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code") with the United States Bankruptcy Court for the District of Delaware (the "Court"). These Chapter 11 Cases have been consolidated for procedural purposes only and are being administered jointly under case number 24-10443 (TMH). The Debtors, with the exception of certain inactive entities, are authorized to operate their business as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.²

The last four digits of SC Healthcare Holding, LLC's tax identification number are 2584. The mailing address for SC Healthcare Holding, LLC is c/o Petersen Health Care Management, LLC 830 West Trailcreek Dr., Peoria, IL 61614. Due to the large number of debtors in these Chapter 11 Cases, whose cases are being jointly administered, a complete list of the Debtors and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information is available on a website of the Debtors' claims and noticing agent at www.kccllc.net/Petersen.

Pursuant to that Order Approving Stipulation to Resolve (I) X-Caliber's (A) Motion to Dismiss, (B) 543 Motion, and (C) DIP Objection, and (II) the Debtors' MT4 Motion to Dismiss [Docket No. 340], certain of the Debtors' cases are suspended pursuant to 11 U.S.C. §305(b) and, thus, these Schedules and Statements do not reflect information from the suspended Debtors' books and records.

The Schedules and Statements have been prepared by the Debtors' management team, with the assistance of their professional advisors, with reliance upon the efforts, statements, and representations of the Debtors' personnel and the advice of the Debtors' professional advisors. The Schedules and Statements are unaudited and subject to potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation.

On or about October 20, 2023, Petersen became the victim of a ransomware attack by an entity named White Ninja. The attackers infiltrated many of the Petersen systems, thereby impacting the Debtors' access to historic and current billing records, other books and records, and emails (the "Data Breach"). The Debtors quickly contacted a consultant to assist in remedying the impact of the ransomware attack and provided notice of the attack to the Federal Bureau of Investigation. While the Debtors are back "online" with new servers, email addresses, and replacement software, a significant amount of the Debtors' books and records were lost in the attack, leading to incredible difficulty and delay in pursuit of the Debtors' accounts receivable. Additionally, as a result of the ransomware attack, retrieval of the Debtors' files and related information has proven onerous and, in some cases, impossible. Thus, throughout the Chapter 11 Cases, the Debtors have had and anticipate having difficulty providing comprehensive historical information. Such difficulty, thus, impacts the availability, accuracy, and completeness of the information in the Debtors' Schedules and Statements.

The Debtors' liquidity crisis was further hampered by a cyberattack that impacted a crucial service provider for certain of its payors' revenue processes. It was recently announced that on February 21, 2024, Change Healthcare, a division of UnitedHealth Group, began experiencing a cyber security issue which impacted its operations (the "Change Cyberattack"). Based on media reports regarding the Change Cyberattack, the Debtors understand that Change Healthcare processes 15 billion health care transactions annually and is involved in one in every three patient records nationwide. After the Change Cyberattack was reported in the media, the Debtors noticed reimbursements from certain payors slowing and subsequently heard affirmatively from payors that amounts owed to the Debtors were being suspended due to the Change Cyberattack. While the Debtors continue to assess the impact of the Change Cyberattack, the attack has affected the Debtors' timing and processing of reimbursements, which impacts the availability, accuracy, and completeness of the information in the Debtors' Schedules and Statements.

The Debtors have used commercially reasonable efforts to ensure the accuracy and completeness of such information and data; however, subsequent information, data, or discovery may result in material changes to the Schedules and Statements and inadvertent errors, omissions, or inaccuracies may exist.

The Debtors and their estates reserve all rights to amend or supplement the Schedules and Statements as may be necessary and appropriate, but expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided in the Schedules and Statements or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law or order of the Court. Nothing contained in the Schedules and Statements or these Global Notes and Statements of Limitations, Methodology, and Disclaimers Regarding Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (these "Global Notes") shall constitute a waiver of any rights of the Debtors and their estates or an admission with respect to these Chapter 11 Cases, including, but not limited to, any issues involving objections to claims, setoff or recoupment, equitable subordination or

recharacterization of debt, defenses, characterization or re-characterization of contracts, leases, and claims, assumption or rejection of contracts and leases, and/or causes of action arising under the Bankruptcy Code or any other applicable laws.

The Debtors and their agents, attorneys, and financial advisors shall not be liable for any loss or injury arising out of, or caused in whole or in part by, the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. In no event shall the Debtors or their agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

These Global Notes should be referred to and reviewed in connection with any review of the Schedules and Statements.

GLOBAL NOTES AND OVERVIEW OF METHODOLOGY

- 1. Reservation of Rights. The Debtors reserve the right to dispute or to assert setoff or other defenses to any claim reflected in the Schedules and Statements as to amount, liability, and classification. The Debtors also reserve all rights with respect to the values, amounts, and characterizations of the assets and liabilities listed in their Schedules and Statements.
- **Basis of Presentation.** The Schedules and Statements reflect the separate assets and liabilities of each individual Debtor. For financial reporting purposes, the Debtors historically prepared consolidated financial statements, which included financial information for and the Debtors' business enterprise, which were audited annually. The majority of the Debtors' operations occur through Petersen Healthcare Management, LLC and/or Petersen Health Care, Inc.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to reconcile to the financial statements previously distributed to lenders, major creditors, or other parties in interest on an intermittent basis.

The Schedules and Statements have been signed by David Campbell, the Debtors' Chief Restructuring Officer. In reviewing and signing the Schedules and Statements, Mr. Campbell necessarily relied upon the efforts, statements, and representations of the accounting and non-accounting personnel who report to, or work with, Mr. Campbell, either directly or indirectly. Mr. Campbell has not, and could not have, personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

3. <u>Insiders.</u> In circumstances where the Schedules and Statements require information regarding "insiders," the Debtors have included information with respect to the individuals who the Debtors believe may be included in the definition of "insider" as such term is

defined in section 101(31) of the Bankruptcy Code. Except as otherwise disclosed herein or in the Statements, payments to "insiders" are set forth on Statement 4. Persons listed as "insiders" have been included for informational purposes only, and such listing is not intended to be, nor should be construed as, a legal characterization of such person as an insider, nor does it serve as an admission of any fact, claim, right, or defense, and all such claims, rights, and defenses with respect thereto are hereby expressly reserved. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, or with respect to any theories of liability or any other purposes.

- 4. Accounts Payable and Distribution System. The Debtors use a consolidated cash management system through which the Debtors pay substantially all liabilities and expenses (the "Cash Management System"). A more complete description of the Cash Management System is set forth in the Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Use Their Bank Accounts, (B) Honor Prepetition Obligations Related Thereto, (C) Maintain the Refund Programs, (D) Perform Intercompany Transactions, (E) Maintain Existing Business Forms; and (II) Granting Related Relief [Docket No. 41] filed on the Petition Date. Additional information regarding the Debtors' Cash Management System may also be found in the Fourth Interim Order (I) Authorizing the Debtors to (A) Continue to Use Their Bank Accounts, (B) Honor Prepetition Obligations Related Thereto, (C) Maintain the Refund Programs, (D) Perform Intercompany Transactions, (E) Maintain Existing Business Forms; and (II) Granting Related Relief [Docket No. 343].
- bate of Valuations. Except as otherwise noted in the Schedules and Statements, all liabilities are valued as of the Petition Date. Where values as of the Petition Date are not available, or where making calculations as of the Petition Date would create undue burden on, or expense to, the estates, the Debtors used values as of the most recent month-end close available to them, which was February 29, 2024. The Schedules and Statements reflect the Debtors' best effort to allocate the assets, liabilities, receipts, and expenses to the appropriate Debtor entity "as of" such dates. All values are stated in United States currency. The Debtors made reasonable efforts to allocate liabilities between the pre- and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the Debtors may modify the allocation of liabilities between the pre- and postpetition periods and amend the Schedules and Statements accordingly.
- 6. <u>Book Value</u>. Except as otherwise noted, each asset and liability of each Debtor is shown on the basis of net book value of the asset or liability in accordance with such Debtor's accounting books and records. Therefore, unless otherwise noted, the Schedules and Statements are not based upon any estimate of the current market values of the Debtors' assets and liabilities, which may not correspond to book values. It would be cost prohibitive and unduly burdensome to obtain current market valuations of all of the Debtors' interests. Except as otherwise noted, the Debtors' assets are presented, in detail,

as they appear on the Debtors' accounting sub-ledgers. As such, the detail may include error corrections and value adjustments (shown as negative values or multiple line items for an individual asset). The Debtors believe that certain of their assets, including (i) goodwill and (ii) intangibles, may have been significantly impaired by, among other things, the events leading to, and the commencement of, the Debtors' Chapter 11 Cases. The Debtors have not yet formally evaluated the appropriateness of the carrying values ascribed to their assets prior to the Petition Date.

- **Re-characterization.** Notwithstanding the Debtors' reasonable efforts to properly characterize, classify, categorize or designate certain claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements, the Debtors may, nevertheless, have improperly characterized, classified, categorized, designated or omitted certain items due to the complexity and size of the Debtors' business. Accordingly, the Debtors reserve all of their rights to re-characterize, reclassify, re-categorize, redesignate, add or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed in the Schedules and Statements were deemed executory or unexpired as of the Petition Date and remain executory or unexpired postpetition.
- **8. Property and Equipment.** Nothing in the Schedules and Statements is, or shall be construed as, an admission as to the determination of the legal status of any lease (including, without limitation, whether any lease is a true lease or a financing arrangement, and whether such lease is unexpired), and the Debtors and their estates reserve all rights with respect to such issues.
- **Causes of Action.** The Debtors have made their best efforts to set forth known causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to causes of action they may have (including, but not limited to, causes of action arising under the Bankruptcy Code or any other applicable laws), whether disclosed or not disclosed, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action, or in any way waive, prejudice, impair, or otherwise affect the assertion of such claims and causes of action.
- **Materialman's/Mechanic's Liens**. The assets listed in the Schedules and Statements are presented without consideration of any materialman's or mechanic's liens.
- 11. <u>Litigation</u>. Certain litigation actions (collectively, the "<u>Litigation Actions</u>") reflected as claims against a particular Debtor may relate to other Debtors. The Debtors have made reasonable efforts to accurately record the Litigation Actions in the Schedules and Statements of the Debtor(s) that is the party to the Litigation Action. The inclusion of any Litigation Action in the Schedules and Statements does not constitute an admission by the Debtors of liability, the validity of any Litigation Action, or the amount of any potential claim that may result from any claims with respect to any Litigation Action, or the amount and treatment of any potential claim resulting from any Litigation Action currently pending or that may arise in the future.

- 12. <u>Credits and Adjustments</u>. In the ordinary course of their business, the Debtors apply credits against amounts otherwise due to vendors. Certain of these credits are subject to change. Claims of vendors and creditors are listed in the amounts entered on the Debtors' books and records, and may not reflect certain credits, allowances, or other adjustments due from such vendors or creditors to the Debtors. The Debtors and their estates reserve all rights with regard to any such credits, allowances, and other adjustments, including, without limitation, the right to assert claims, objections, setoffs, and recoupments with respect to the same.
- 13. Executory Contracts and Unexpired Leases. The Debtors have not set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtors' estates. Rather, executory contracts and unexpired leases have been set forth solely on Schedule G. The Debtors' rejection of executory contracts and unexpired leases may result in the assertion of rejection damages claims against the Debtors and their estates; however, the Schedules and Statements do not reflect any claims for rejection damages. The Debtors and their estates reserve all rights with respect to the assertion of any such claims.
- 14. <u>Claims</u>. Certain of the Debtors' Schedules list creditors and set forth the Debtors' estimate of the claims of creditors as of the Petition Date. The claim amounts reflected on the Schedules may include the Debtors' estimates for vendor charges not yet invoiced. By estimating certain invoices, the Debtors are not representing that they have sought to identify and estimate all un-invoiced vendor charges. While the Debtors have made their best efforts to reflect the claims by vendor, excluding these various adjustments, the actual unpaid claims of creditors that may be allowed in these Chapter 11 Cases may differ from the amounts set forth in the Schedules and Statements.

The Debtors intentionally have not included "non-cash" accruals (*i.e.*, accruals to recognize expense or liability over multiple periods where no specific obligation to perform is established, such as accruals to equalize lease payments) in the Schedules and Statements.

- 15. <u>First Day Orders</u>. Pursuant to various "first day" orders and any supplements or amendments to such orders entered by the Court, the Debtors and their estates are authorized to pay certain prepetition claims, including, without limitation, certain claims relating to employee wages and benefits, claims for taxes and fees, and claims of specific vendors.
- 16. Classifications and Claims Descriptions. Any failure to designate a claim listed on a Debtor's Schedule as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that the claim is not "disputed," "contingent," or "unliquidated." Likewise, listing a claim (a) on Schedule D as "secured," (b) on Schedule E/F as "unsecured priority," or "unsecured non-priority," or (c) listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors and their estates of the legal rights of any claimant, or a waiver of the rights of the Debtors and their estates to amend these Schedules and Statements to recharacterize or reclassify any claim or contract. The Debtors and their estates reserve the right to (i) object to, or otherwise dispute or assert setoff rights, cross-claims, counterclaims or defenses to, any

- claim reflected on the Schedules on any grounds, including, without limitation, amount, liability, validity, priority, or classification, or (ii) otherwise designate subsequently any claim as "disputed," "contingent," or "unliquidated."
- 17. Addresses of Employees, Residents, and Resident Contacts. Consistent with the Debtors' Motion for Entry of an Order (I) Authorizing the Debtors to File (A) a Consolidated Master List of Creditors and (B) a Consolidated List of the Debtors' 40 Largest General Unsecured Creditors, (II) Authorizing the Debtors to Redact Personally Identifiable Information for Certain Individual Creditors and Parties in Interest, (III) Authorizing Procedures to Maintain and Protect Confidential Resident Information, and (IV) Granting Related Relief [Docket No. 3], the Debtors have attempted to list each of their current employees', Residents', and Resident Contacts' names and addresses as "Available Upon Request," where reasonably possible, in order to protect their privacy. The Debtors have served and will continue to serve all necessary notices, including notice of the claims bar date, to the actual address of each of the Debtors' employees, residents, and resident contacts.
- **Estimates.** The Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses. The Debtors and their estates reserve all rights to amend the reported amounts of assets, liabilities, revenue, and expenses to reflect changes in those estimates and assumptions.

SPECIFIC ADDITIONAL DISCLOSURES WITH RESPECT TO SCHEDULES

Schedule A/B

<u>Item 3</u>: The balances scheduled on Schedule A/B 3 are as of March 27, 2024, as those are the balances available to the Debtors and match the reporting provided by the Debtors in these Chapter 11 Cases.

<u>Item 11</u>: Negative accounts receivable balances are related to overpayments made to the Debtors by Medicaid or Medicare and certain private payments collected from residents while their Medicaid status is approved.

Due to the Data Breach, parsing accounts receivable by age (90 days old or less and over 90 days old) is not possible. As a result, the Debtors have listed the aggregate accounts receivable on Schedule A/B 11a.

<u>Item 39 & 40</u>: The Debtors are unable to parse between office furniture, fixtures, and other equipment ("<u>FF&E</u>") because all FF&E is booked in the aggregate. As a result, the Debtors have scheduled all FF&E in the aggregate at Item 39.

<u>Item 62</u>: The Debtors are scheduling certain licenses required to operate their business. These licenses are not traded on an open market and as a result the Debtors have scheduled their value as "undetermined." Notwithstanding that fact, the licenses are extremely valuable to the Debtors as they would be unable to operate their business without them.

<u>Item 71</u>: The reference to "See SOFA 3" is intended to highlight that certain loans made to, and taken from, Mark Petersen are described in SOFA 3 and thus not scheduled at Item 71.

<u>Items 74 and 75</u>: In the ordinary course of business, the Debtors typically pursue their current and former residents' past due balances through legal action. Because of the Data Breach, among other reasons, the Debtors have yet to complete a review the full scope of pursuable claims.

Despite their commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of their respective causes of action or potential causes of action against third parties as assets in Schedule A/B, Part 11, Items 74 and 75, including, but not limited to, causes of action arising under the Bankruptcy Code or any other applicable laws (including, but not limited to, potential preference actions and/or fraudulent transfer action). The Debtors and their estates reserve all rights with respect to any claims and causes of action that they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims and causes of actions, or in any way waive, prejudice, impair, or otherwise affect the assertion of such claims and causes of action.

Schedule D

Except as otherwise ordered by the Court or agreed pursuant to a stipulation, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset for the benefit of a secured creditor listed on a Debtor's Schedule D. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including without limitation, any intercompany agreement) related to such creditor's claim.

Except as specifically stated herein, real property lessors, utility companies, and other parties which may hold security deposits have not been listed on Schedule D. The Debtors have not included parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

For all claims secured by property, the Debtors have listed balances as February 23, 2024. Where the precise date a debt was incurred is unavailable, the Debtors have listed the effective date of the applicable loan documents (including amendments).

Schedule E/F

The Debtors reserve their right to dispute or challenge whether claims owing to various taxing authorities are entitled to priority and the listing of any claim on Schedule E/F, Part 1 does not constitute an admission that such claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code.

In certain instances, a Debtor may be a guarantor with respect to scheduled claims of other Debtors. No claim set forth on the Schedule E/F of any Debtor is intended to acknowledge claims of creditors that may be otherwise satisfied or discharged.

The Debtors have continued to pay Employee Compensation and Benefits, as defined in, and in accordance with, the *Final Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue Employee Benefits Programs and (II) Granting Related Relief* [Docket No. 216]. As a result, Schedule E/F, Part 2 does not include any potential Employee Compensation and Benefits amounts accrued but unpaid as of the Petition Date.

The Debtors have listed their known creditors in Schedule E/F. To the extent attorneys have entered appearances on behalf of such creditors, those appearances are noted on the docket of the Debtors' Chapter 11 Cases and are not separately listed in Item 4.

Third parties should not anticipate that the relationship of aggregate asset values and aggregate liabilities set forth in the Schedules will reflect their ultimate recoveries in these Chapter 11 Cases. Actual assets and liabilities may deviate from the amounts shown in the Schedules due to various events that occur throughout the duration of these Chapter 11 Cases.

Schedule G

The Debtors' business is complex, and the Data Breach have made the compilation and review of the Debtors' contracts difficult and time-consuming. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. The Debtors continue to search their records for potential contracts that may not have been included in the Schedules. If any such contracts are discovered, the Debtors reserve their right to amend and/or supplement the Schedules as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements that may not be listed therein. Relationships between the Debtors and their vendors are occasionally governed by a master services agreement, under which vendors also place work and purchase orders, which may be considered executory contracts. The Debtors believe that disclosure of all of these purchase and work orders would be impracticable and unduly burdensome. Likewise, in some cases, the same supplier or provider may appear multiple times in Schedule G.

Unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all final exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any executed agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

The Debtors and their estates hereby reserve all of their rights, claims, and causes of action to (i) dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G, (ii) dispute or challenge the characterization of the structure of any transaction, document, or instrument related to a creditor's claim, including, but not limited to, the agreements listed on Schedule G; and (iii) amend or supplement such Schedule as necessary.

Schedule H

Due to their voluminous nature, and to avoid unnecessary duplication, the Debtors have not included on Schedule H debts for which more than one Debtor may be liable if such debts were already reflected on Schedule G for the respective Debtors subject to such debt. There may be certain contracts in which multiple Debtors are parties, and while the Debtors have made every effort to list co-Debtors appropriately in such instances, inadvertent errors or omissions may have occurred. Because nearly all of the Debtors' administrative processes are handled at the Debtors' corporate headquarters, the Debtors have listed 830 West Trailcreek Dr., Peoria, IL 61614 for each Debtor on Schedule H.

SPECIFIC ADDITIONAL DISCLOSURES WITH RESPECT TO STATEMENTS

<u>Question 3</u>: At times, the Debtors reimbursed certain employees when such employees used personal credit cards to pay for goods and/or services that would normally have been paid directly by the Debtors but, due to liquidity constraints, were not.

Question 4: Mark Petersen, as the owner and Chief Executive Officer of the Debtors and their affiliates since 2002, has overseen the expansion of the Debtors' enterprise over the last twenty plus years. For a large portion of that time, and for at least the past ten years, Mr. Petersen has not taken a salary for his role as Chief Executive Officer. In lieu of a salary, Mr. Petersen occasionally paid certain of his personal expenses out of the Debtors' accounts. Such payments were, at all times, accurately recorded as dividends and have been listed in Question 4. In certain instances, Mr. Petersen acted as an intermediary between certain Debtors wherein he would receive a disbursement from one Debtor entity and then immediately deposited such disbursement with another Debtor entity or non-Debtor affiliate as a method of intercompany cash management. Those disbursements to Mr. Petersen are reflected in Question 4, but due in part to the Data Breach, the records of the corresponding deposits back into the enterprise are not readily available in the Debtors books at this time and, thus, are not represented in these Schedules and Statements. The Debtors are in the process of engaging a third-party accounting firm to review and locate the appropriate matching transactions. In certain instances, payments were made to Mr. Petersen to pay down credit cards that were used for business expenses in the ordinary course. Those payments have been marked with an asterisk in Question 4.

The Debtors routinely made intercompany disbursements from Debtor to Debtor and from Debtor to non-Debtor affiliate. Disbursements to other Debtors or to non-Debtor affiliates are reflected in Question 4 and marked with an asterisk ("*"), but because of the Data Breach, the records of any corresponding deposits from Debtor to Debtor or from non-Debtor affiliate to Debtor are not available to the Debtors at this time and not represented in these Schedules and Statements. As noted above, the Debtors are in the process of engaging a third-party accounting firm to review and generate the appropriate matching transactions.

Question 6: The Debtors are subject to certain Medicaid setoffs based on various regulatory fees and taxes. The Debtors have used their best efforts to reflect such setoffs where known; however, there are instances where certain setoffs equal or surpass the amount that the Debtors are owed from Medicaid.

<u>Question 7</u>: The Debtors are subject to certain ordinary course audits by certain regulatory authorities, including, but not limited to audits of certain payroll reports and Illinois Department of Public Health facility audits, as applicable. Such ordinary course audits have not been listed.

Question 10: For all losses on property, the Debtors have listed such losses at the Debtor entity that owns the property. In the ordinary course of business, insurance payments may be processed through a separate operating Debtor entity. In such cases, insurance payments have been listed at the operating Debtor entity.

Question 20: Other than the location listed for off-premise storage, Mark Petersen maintains a storage facility that does not hold any property of the Debtors to the best of their knowledge.

Question 21: The Debtors maintain and manage bank accounts which hold residents' funds (the "Resident Trust Accounts") at their facilities. The money held in the Resident Trust Accounts is not property of the Debtors or their estates and is held solely for the benefit of the residents' use. The Debtors never have the ability to take ownership over Resident Trust Account funds. In the event that a resident leaves a facility and their Resident Trust Account funds cannot be returned, those funds are turned over to the state in which that facility operates. More information related to the Resident Trust Accounts can be found in the Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Use Their Bank Account, (B) Honor Prepetition Obligations Related Thereto, (C) Maintain the Refund Programs, (D) Perform Intercompany Transactions, (E) Maintain Exiting Business Forms; and (II) Granting Related Relief [Docket No. 41].

In the ordinary course of business, the Debtors may hold personal belongings of residents after they leave a facility for various reasons. Such property is held until the resident or their designated contact retrieves the subject property.

Petersen Health Care, Inc. is party to a lease agreement for copiers which are held at various Debtor locations.

<u>Question 26a</u>: Debtor Petersen Health Care Management, LLC maintains the books and records for all of the Debtors and has been listed to reflect that in the Schedules and Statements. Specific names have been provided in the Statements of Petersen Health Care Management, LLC.

Question 26d: The Debtors' financial statements are maintained and distributed from Petersen Health Care Management, Inc. From time to time, the Debtors provide financial statements in the ordinary course of business to certain parties for business, statutory, credit, financing, and other reasons. Recipients may include regulatory and tax agencies, financial institutions, investment banks, vendors, debtholders, and their legal and financial advisors. Additionally, the Debtors contacted various parties in connection with the Debtors' efforts to market and sell their assets. The Debtors shared certain financial information under confidentiality agreements to certain of those parties through Walker & Dunlop Investment Sales, LLC, the Debtors' retained Investment Sales Broker. The identity of such parties has not been individually disclosed herein based on confidentiality.

Question 31: Until 2021, certain Debtors were members of a consolidated group for tax purposes wherein such Debtors did not file tax returns and were accounted for within the personal tax returns

Official Form 206A/B

Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
