# GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' AMENDED SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

#### INTRODUCTION

On March 20, 2024 (the "Petition Date"), the Debtors commenced these Chapter 11 Cases by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code") with the United States Bankruptcy Court for the District of Delaware (the "Court"). These Chapter 11 Cases have been consolidated for procedural purposes only and are being administered jointly under case number 24-10443 (TMH). The Debtors, with the exception of certain inactive entities, are authorized to operate their business as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.<sup>2</sup>

The debtors and debtors in possession (collectively, the "<u>Debtors</u>" or the "<u>Company</u>") in the above-captioned chapter 11 cases (these "<u>Chapter 11 Cases</u>") filed their *Schedules of Assets and Liabilities* (the "<u>Schedules</u>") and *Statements of Financial Affairs* (the "<u>Statements</u>" and, together with the Schedules, the "<u>Schedules and Statements</u>") pursuant to section 521 of the Bankruptcy Code (as defined below), Rule 1007 of the Federal Rules of Bankruptcy Procedure, and Rule 1007-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware on May 31, 2024. *See* Docket Nos. 380–505.

The last four digits of SC Healthcare Holding, LLC's tax identification number are 2584. The mailing address for SC Healthcare Holding, LLC is c/o Petersen Health Care Management, LLC 830 West Trailcreek Dr., Peoria, IL 61614. Due to the large number of debtors in these Chapter 11 Cases, whose cases are being jointly administered, a complete list of the Debtors and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information is available on a website of the Debtors' claims and noticing agent at www.kccllc.net/Petersen.

Pursuant to that Order Approving Stipulation to Resolve (I) X-Caliber's (A) Motion to Dismiss, (B) 543 Motion, and (C) DIP Objection, and (II) the Debtors' MT4 Motion to Dismiss [Docket No. 340], certain of the Debtors' cases are suspended pursuant to 11 U.S.C. §305(b) and, thus, these Schedules and Statements do not reflect information from the suspended Debtors' books and records.

As discussed in global notes attached to each of the originally filed Schedules and Statements (the "Global Notes"), due in part to the Data Breach, the records of certain "insider" payments disclosed in question 4 of the Schedules were unavailable at the time Schedules and Statements were filed and were thus not represented therein.<sup>4</sup> The Debtors, as denoted in the Global Notes, engaged a third-party accounting firm which has reviewed and recreated certain missing portions of the Debtors' books and records—relevantly, that work has yielded a more fulsome understanding of the Debtors "insider" payments, among other things. Accordingly, the Debtors now file these amendments to the Schedules and Statements (the "Amended Schedules and Statements") to provide updates to the Schedules and Statements where new details have been made available.

As part of their ongoing business operations and review of their books and records, the Debtors reviewed additional contracts which have been added to Schedule G. The Debtors have also identified additional accounts receivable amounts due from non-Debtor affiliates, real property owned by certain Debtors, additional unsecured claims, and additional payments to insiders, all of which have been added in the Amended Schedules and Statements, where applicable. The Debtors have also included various one-off updates as part of the Amended Schedules and Statements where applicable and necessary.

The Amended Schedules and Statements have been prepared by the Debtors' management team, with the assistance of their professional advisors, with reliance upon the efforts, statements, and representations of the Debtors' personnel and the advice of the Debtors' professional advisors. The Amended Schedules and Statements are unaudited and subject to potential adjustment. In preparing the Amended Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation.

The Debtors have used commercially reasonable efforts to ensure the accuracy and completeness of information and data; however, subsequent information, data, or discovery may result in material changes to the Amended Schedules and Statements and inadvertent errors, omissions, or inaccuracies may exist.

The Debtors and their estates reserve all rights to further amend or supplement the Amended Schedules and Statements as may be necessary and appropriate, but expressly do not

Capitalized terms used herein but not otherwise defined shall have the meaning ascribed to them in the Global Notes.

On or about October 20, 2023, Petersen became the victim of a ransomware attack by an entity named White Ninja. The attackers infiltrated many of the Petersen systems, thereby impacting the Debtors' access to historic and current billing records, other books and records, and emails (the "Data Breach"). The Debtors quickly contacted a consultant to assist in remedying the impact of the ransomware attack and provided notice of the attack to the Federal Bureau of Investigation. While the Debtors are back "online" with new servers, email addresses, and replacement software, a significant amount of the Debtors' books and records were lost in the attack, leading to incredible difficulty and delay in pursuit of the Debtors' accounts receivable. Additionally, as a result of the ransomware attack, retrieval of the Debtors' files and related information has proven onerous and, in some cases, impossible. Thus, throughout the Chapter 11 Cases, the Debtors have had and anticipate having difficulty providing comprehensive historical information. Such difficulty, thus, impacts the availability, accuracy, and completeness of the information in the Debtors' Schedules and Statements.

undertake any obligation to update, modify, revise, or re-categorize the information provided in the Amended Schedules and Statements or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law or order of the Court. Nothing contained in the Amended Schedules and Statements or these Global Notes and Statements of Limitations, Methodology, and Disclaimers Regarding Debtors' Amended Schedules of Assets and Liabilities and Statements of Financial Affairs (these "Amended Global Notes") shall constitute a waiver of any rights of the Debtors and their estates or an admission with respect to these Chapter 11 Cases, including, but not limited to, any issues involving objections to claims, setoff or recoupment, equitable subordination or recharacterization of debt, defenses, characterization or re-characterization of contracts, leases, and claims, assumption or rejection of contracts and leases, and/or causes of action arising under the Bankruptcy Code or any other applicable laws.

The Debtors and their agents, attorneys, and financial advisors shall not be liable for any loss or injury arising out of, or caused in whole or in part by, the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. In no event shall the Debtors or their agents, attorneys and financial advisors be liable to any third party for any direct, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Unless specifically amended hereby, the Global Notes are incorporated by reference in full and should be read in conjunction with these Amended Global Notes. These Amended Global Notes should be referred to and reviewed in connection with any review of the Amended Schedules and Statements.

# SPECIFIC ADDITIONAL DISCLOSURES WITH RESPECT TO AMENDED SCHEDULES AND STATEMENTS

### Schedule A/B

<u>Item 11</u>: As previewed in the Global Notes, the Debtors engaged RubinBrown, LLP to review and reconcile certain historical data in their books and records. As a result of that work, the Debtors now have updated books and records and are filing these Amended Schedules and Statements to provide those updated records. As part of Rubin Brown's work, additional unpaid accounts receivable amounts were identified as due and owing to certain Debtors from various non-Debtor affiliates and Mr. Petersen. Such amounts have been added to the appropriate Debtors' accounts receivable values, where applicable, in the Amended Schedules and Statements.

<u>Item 55</u>: Upon further review and analysis of the Debtors' real property, particularly in the wake of the sale of substantially all of the Debtors' facilities, the Debtors have identified certain parcels of real property that were either scheduled incorrectly or were inadvertently not scheduled. Accordingly, the Debtors have updated Schedule A/B, item 55, where applicable, to accurately reflect their real property assets.

#### Schedule E/F

<u>Part 2</u>: As previewed in the Global Notes, the Debtors engaged RubinBrown, LLP to review and reconcile certain historical data in their books and records. As part of Rubin Brown's work, additional nonpriority unsecured claims held by non-Debtor affiliates were identified and have been scheduled in the appropriate Debtors' Amended Schedules and Statements.

## Schedule G

The Debtors' business is complex, and the Data Breach made the compilation and review of the Debtors' contracts difficult and time-consuming. The amendment to Schedule G reflects the Debtors' best efforts to schedule every known executory contract in the Debtors' books and records. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. If the Debtors uncover additional contracts that were not included herein, the Debtors reserve their right to amend and/or supplement the Schedules as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements that may not be listed therein. Relationships between the Debtors and their vendors are occasionally governed by a master services agreement, under which vendors also place work and purchase orders, which may be considered executory contracts. The Debtors believe that disclosure of all of these purchase and work orders would be impracticable and unduly burdensome. Likewise, in some cases, the same supplier or provider may appear multiple times in Schedule G.

Unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all final exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any executed agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

The Debtors and their estates hereby reserve all of their rights, claims, and causes of action to (i) dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G, (ii) dispute or challenge the characterization of the structure of any transaction, document, or instrument related to a creditor's claim, including, but not limited to, the agreements listed on Schedule G; and (iii) amend or supplement such Schedule as necessary.

## **Statement of Financial Affairs**

Question 4: Mark Petersen, as the owner and Chief Executive Officer of the Debtors and their affiliates since 2002, has overseen the expansion of the Debtors' enterprise over the last twenty plus years. For a large portion of that time, and for at least the past ten years, Mr. Petersen has not taken a salary for his role as Chief Executive Officer. In lieu of a salary, Mr. Petersen occasionally paid certain of his personal expenses out of the Debtors' accounts. Such payments were, at all times, accurately recorded as dividends and have been listed in Question 4. In certain instances, Mr. Petersen acted as an intermediary between certain Debtors wherein he would receive a

disbursement from one Debtor entity and then immediately deposit such disbursement with another Debtor entity or non-Debtor affiliate as a method of intercompany cash management. Those disbursements to Mr. Petersen are reflected in Question 4, but due in part to the Data Breach, the records of the corresponding deposits back into the enterprise were not readily available in the Debtors books at the time of filing the original Schedules and Statements. As discussed above, the Debtors engaged RubinBrown, LLP to review and reconcile certain historical data in their books and records and are filing these Amended Schedules and Statements to provide necessary updates. Rubin Brown's work identified instances in which payments were made to Mr. Petersen during the one-year look-back period set forth in Question 4 for various business-related reasons. Such payments have been added to the appropriate Debtors' Amended Schedules and Statements. Rubin Brown's work also identified additional payments from Debtors to non-Debtor affiliates during the one-year look-back period set forth in Question 4. Such payments have been added to the appropriate Debtors Amended Schedules and Statements and marked with an asterisk ("\*") as marked in the originally filed Schedules and Statements. Finally, in the originally filed Schedules and Statements, certain insider payments were scheduled to "undetermined" insiders. Rubin Brown's work identified the appropriate recipient insiders for those payments and accordingly, the "undetermined" payments have been removed. Rubin Brown's work also identified certain insider payments that were scheduled inadvertently and such payments have been removed from the appropriate Debtors' Amended Schedules and Statements.
