and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted on a final basis as set forth herein.
2. The Debtors are authorized, but not directed, to honor, pay, or otherwise satisfy prepetition amounts on account of Critical Vendor Claims; *provided*, that such payments shall not exceed \$5.74 million in the aggregate on a final basis unless otherwise ordered by the Court; *and provided further*, that, prior to making such payments, the Debtors shall deliver to the professionals retained by the Official Committee of Unsecured Creditors (the "Creditors' Committee"), two business days' advance notice (or as soon thereafter as is reasonably practicable under the circumstances), a notice that shall include: (i) list of proposed Critical Vendors to be paid, (ii) the total prepetition Claim owed to such Critical Vendor (including any amounts entitled to priority under section 503(b)(9) of the Bankruptcy Code, and (iii) the amounts the Debtors would propose to pay such Critical Vendor hereunder.
3. The Debtors shall maintain a matrix with (a) the name of each Critical Vendor paid on account of its Critical Vendor Claim, (b) the amount paid by the Debtors to each Critical Vendor, and (c) the corresponding Debtor that owed the prepetition Claim. The matrix shall be provided every other week, two weeks in arrears, to the U.S. Trustee, the Creditors' Committee, and

professionals retained by any other statutory committee appointed in these chapter 11 cases; *provided, however*, that the matrix shall be considered confidential, unless disclosure is required by law.

4. The form of Trade Agreement, substantially in the form attached to the Motion as **Exhibit C**, is approved in its entirety. The Debtors are authorized, but not directed, to undertake appropriate efforts to condition payment of Critical Vendor Claims upon the execution of a Trade Agreement, and the Debtors are authorized to enter into such Trade Agreements when and if the Debtors determine, in the exercise of their reasonable business judgment, that it is appropriate to do so.

5. Notwithstanding paragraph 4 of this Final Order, the Debtors may, in their business judgement, negotiate, amend, or modify the form of Trade Agreement and decline to condition payment of Critical Vendor Claims upon the execution of a Trade Agreement.

6. Regardless of whether a Trade Agreement has been executed, if any party accepts payment hereunder and does not continue supplying goods or services to the Debtors in accordance with trade terms at least as favorable to the Debtors as those practices and programs (including credit limits, pricing, cash discounts, timing of payments, allowances, product mix, availability, and other programs) consistent with the parties' ordinary course practice (collectively, the "Customary Trade Terms"), then: (a) any payment on account of a prepetition claim received by such party shall be deemed, in the Debtors' sole discretion, an improper postpetition transfer and, therefore, recoverable by the Debtors in cash upon written request by the Debtors; *provided*, that such party shall be afforded reasonable opportunity to contest such request; (b) upon recovery by the Debtors, any prepetition claim of such party shall be reinstated as if the payment had not been made; and (c) if there exists an outstanding postpetition balance

due from the Debtors to such party, the Debtors may elect to recharacterize and apply any payment made pursuant to the relief requested by the Motion to such outstanding postpetition balance and such supplier or vendor will be required to repay to the Debtors such paid amounts that exceed the postpetition obligations then outstanding without the right of any setoffs, claims, provisions for payment of any claims, or otherwise.

7. Any Critical Vendor that accepts payment from the Debtors on account of all or a portion of a Critical Vendor Claim pursuant to this Final Order shall be deemed to (a) agree to the terms and provisions of this Final Order and (b) have waived, to the extent so paid, any and all prepetition claims, of any type, kind, or priority (including any reclamation claims), against the Debtors, their assets, and properties.

8. Nothing herein shall impair or prejudice the Debtors' ability to contest, in their sole discretion, the extent, perfection, priority, validity, or amounts of any claims held by any Critical Vendor. The Debtors do not concede that any claims satisfied pursuant to this Final Order are valid, and the Debtors expressly reserve all rights to contest the extent, validity, or perfection or seek the avoidance of all such liens or the priority of such claims.

9. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order.

10. Notwithstanding anything to the contrary in this Final Order, any payments made, or authorization contained, hereunder, shall be subject to the “Approved Budget” as defined in the order of the Court approving debtor-in-possession financing in these chapter 11 cases.

11. Nothing contained in the Motion or this Final Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Final Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors’ or any other party in interest’s right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors’ estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

12. The Debtors are authorized, but not directed, to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein.

13. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

14. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

15. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

16. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.
