

(the “Bankruptcy Rules”), and rule 3007-1 of the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), to certain of the following types of Claims (a) claims that fail to attach sufficient documentation to substantiate the asserted status and/or amount (the “Insufficient Documentation Claims”) and (b) claims that are contingent and unliquidated by claimants that have threatened, but have not commenced, litigation and for which the Debtors do not have any liability (the “Insufficient Documentation – Pre-Litigation Claims,” together with the Insufficient Documentation Claims, the “Disputed Claims”) listed on Schedule 1 and Schedule 2 annexed to the proposed order attached hereto as Exhibit A (the “Proposed Order”). For the reasons set forth herein, the Debtors seek entry of the Proposed Order disallowing and/or modifying the Disputed Claims.

In support of this objection, the Plan Administrator submits the Declaration of Richard Niemerg (the “Niemerg Declaration,” a copy of which is attached hereto as Exhibit B and incorporated herein by reference), and respectfully represents as follows:

JURISDICTION

1. The United States Bankruptcy Court for the District of Delaware (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the District of Delaware*, dated February 29, 2012. Plan Administrator confirms his consent, pursuant to Local Rule 9013-1(f), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

3. The statutory predicates for the relief requested herein are sections 501 and 502 of the Bankruptcy Code.

RELIEF REQUESTED

4. For the reasons set forth in more detail below, and based on his review, the Plan Administrator has determined that the Disputed Claims filed in these cases are objectionable on substantive grounds and requests that they be modified or expunged as set forth on **Schedule 1** through **Schedule 3** to the Proposed Order.

BACKGROUND

5. On June 4, 2023 (the "Petition Date"), the Debtors filed with the Court voluntary petitions for relief under the Bankruptcy Code. During the pendency of their chapter 11 cases, the Debtors operated their business and managed their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

6. On July 19, 2023, the Court entered an *Order (A) Establishing Bar Dates for Filing Proofs of Claim, Including Claims Under 11 U.S.C. § 503(B)(9) and Administrative Expense Requests; (B) Approving the Form and Manner for Filing Proofs of Claim and Administrative Expense Requests; (C) Approving Notice Thereof; and (D) Granting Related Relief* [Docket No. 194] (the "Bar Date Order"), establishing, among other things, September 7, 2023 as the deadline for all non-governmental entities to file Proofs of Claim.

7. On December 26, 2023, the Court entered the *Findings of Fact, Conclusions of Law, and Order Approving the Debtors' Disclosure Statement for, and Confirming the Second Amended Joint Chapter 11 Plan of PGX Holdings, Inc., and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 681] (the "Confirmation Order") that confirmed the *Second Amended Joint Plan of PGX Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 570] (the "Plan"). On December 26, 2023, the

Effective Date of the Plan occurred. The Plan designated Mark A. Roberts of Alvarez & Marsal North America, LLC as the Plan Administrator. Under the Plan, the Plan Administrator is authorized to administer claims on the Debtors' behalf.

8. On August 25, 2023, the Court entered orders [Docket No. 422 and 423] (together, the "Sale Orders") approving (i) the Debtors' entry into and performance under each of the Stalking Horse Agreements and authorizing the sale of substantially all of the Debtors' assets free and clear of all liens, claims, interest, and encumbrances and (ii) the assumption by the Debtors and the assignment and sale to the Progexion Purchaser or Lexington Law Purchaser (as applicable, the "Purchaser") of executory contracts and unexpired leases to be designated by the Purchaser as "Assumed Contracts" pursuant to the Sale Orders, the Progexion APA, the Lexington Law APA, and sections 363 and 365 of the Bankruptcy Code, subject to, and effective as of, the closing of the Sale Transactions (the date of the closing being the "Closing Date"). The Closing Date occurred on September 28, 2023.

9. In the ordinary course of business, the Debtors maintained books and records (the "Books and Records") that reflect, among other things, the Debtors' liabilities and the amounts owed to their creditors. The Plan Administrator and his advisors (collectively, the "Reviewing Parties"), have commenced a review of the Proofs of Claim filed in these cases, including any supporting documentation filed therewith and a comparison of these documents with the Books and Records to determine the validity of the Proofs of Claims. For the reasons set forth in more detail below, and based on this review, the Reviewing Parties have determined that the Disputed Claims filed in these cases are objectionable on substantive grounds.

OBJECTION

10. Section 502(a) of the Bankruptcy Code provides that "[a] claim or interest, proof of which is filed under section 501 of this title, is deemed allowed, unless a party in interest . . .

objects.” 11 U.S.C. § 502(a). The burden of proof for determining the validity of claims rests on different parties at different stages of the objection process. As explained by the United States Court of Appeals for the Third Circuit:

The burden of proof for claims brought in bankruptcy court under 11 U.S.C. § 502(a) rests on different parties at different times. Initially, the claimant must allege facts sufficient to support the claim. If the averments in his filed claim meet this standard of sufficiency, it is ‘*prima facie*’ valid. [citations omitted]. In other words, a claim that alleges facts sufficient to support legal liability to the claimant satisfies the claimants’ initial obligation to go forward. The burden of going forward then shifts to the objector to produce evidence sufficient to negate the *prima facie* validity of the filed claim . . . In practice, the objector must produce evidence which, if believed, would refute at least one of the allegations that is essential to the claim’s legal sufficiency. If the objector produces sufficient evidence to negate one or more of the sworn facts in the proof of claim, the burden reverts to the claimant to prove the validity of the claim by a preponderance of the evidence.

In re Allegheny Int’l Inc., 954 F.2d 167, 173-74 (3d. Cir. 1992) (citation omitted). Once the *prima facie* validity of a claim is rebutted, “it is for the claimant to prove his claim, not for the objector to disprove it.” *In re Kahn*, 114 B.R. 40, 44 (Bankr. S.D.N.Y. 1990) (citations omitted).

11. A chapter 11 debtor has the duty to object to the allowance of any Claim that is improper. 11 U.S.C. §§ 704(a)(5), 1106(a)(1) and 1107(a); *see also Int’l Yacht & Tennis, Inc. v. Wasserman Tennis, Inc. (In re Int’l Yacht & Tennis, Inc.)*, 922 F.2d 659, 661-62 (11th Cir. 1991).

12. By this objection, the Plan Administrator requests that the Court enter an order, pursuant to sections 105(a) and 502(b) of the Bankruptcy Code, Bankruptcy Rule 3007 and Local Rule 3007-1, disallowing or modifying the Disputed Claims identified on **Schedule 1** through **Schedule 3** to the Proposed Order for the reasons set forth below and in the manner indicated thereon.

A. Insufficient Documentation Claims

13. As a result of their Books and Records review, the Reviewing Parties have identified certain Proofs of Claim that are not supported by sufficient documentation and a diligent and reasonable search of the Debtors' Books and Records does not indicate any liability on account of such Claims. Under section 502 of the Bankruptcy Code, a claimant bears the initial burden of proof for a claim and must allege facts sufficient to support the claim. *See* 11 U.S.C. § 502 (a); *see also, DeRose v. Chiro Plus, Inc. (In re Chiro Plus, Inc.)*, 339 B.R.111, 113 (D. N.J. 2006) (“The claimant bears the initial burden of sufficiently alleging the claim and establishing facts to support a legal liability”); *In re Allegheny Int’l, Inc.*, 954 F.2d 167, 173 (3d Cir. 1992) (the initial burden is on the Claimant to “allege facts sufficient to support the claim”). Bankruptcy Rule 3001(c) requires that when a claim is based on a writing, the writing must be attached to the proof of claim. Fed. R. Bankr. P. 3001(c). When a claimant fails to provide this required documentation, the court will not accord the claim its prima facie validity. *See In re Stoecker*, 5 F.3d 1022, 1028 (7th Cir. 1993). Further, “a creditor that fails to comply with Rule 3001(c) does not receive the benefit of this prima facie validity, and instead, in response to an objection must come forward with sufficient evidence of a claim’s validity and amount.” *In re Moreno*, 341 B.R. 813, 817 (Bankr. S.D. Fla. 2006); *In re Burkett*, 329 B.R. 820, 827 (Bankr S.D. Ohio 2005). In other words, once the prima facie claim is rebutted “it is for the claimant to prove his claim, not for the objector to disprove it.” *In re Kahn*, 114 B.R. 40, 44 (Bankr. S.D.N.Y. 1990) (citations omitted).

14. The Reviewing Parties have been unable to reconcile the Insufficient Documentation Claims with the Debtors' Books and Records as many of the Proofs of Claim filed in connection with the Insufficient Documentation Claims lack sufficient documentation, which would afford the Reviewing Parties some means by which to investigate or verify whether the liabilities asserted by these Claimants are actual obligations of the Debtors. After a reasonable

review of the documentation submitted with the Insufficient Documentation Claims and the Books and Records, the Reviewing Parties have been unable to identify any legitimate basis for liability.

15. The Insufficient Documentation Claims listed on **Schedule 1** are the Claims that the Reviewing Parties believe were filed without sufficient supporting documentation. In a manner consistent with Local Rule 3001-1(e)(iii), for each Claimant, the Insufficient Documentation Claims appear in Rows with the following labels: (1) Name; (2) Date Filed; (3) Case #; (4) Debtor; (5) Claim #; (6) Claim Amount. Additionally, each row contains a reason for proposed modification of the claim. Accordingly, the Plan Administrator seeks entry of the Proposed Order expunging these Claims as set forth on **Schedule 1**.

B. Insufficient Documentation – Pre-Litigation Claims

16. As a result of its Books and Records review, the Reviewing Parties have identified certain Proofs that can be characterized as Insufficient Documentation – Pre-Litigation Claims – claims that are contingent and unliquidated by claimants that have threatened, but have not commenced, litigation and for which the Debtors do not have any liability. The Plan Administrator objects to each such Insufficient Documentation – Pre-Litigation Claim on the basis that these Claims assert potential litigation and therefore have not been liquidated and thus, pursuant to section 502(c) of the Bankruptcy Code, cannot be allowed unless liquidated or estimated. The Reviewing Parties have reviewed the documentation provided with the Insufficient Documentation – Pre-Litigation Claims and have determined that the Debtors do not have any liability for such Claims. Furthermore, the Plan Administrator has determined that the Insufficient Documentation-Pre-Litigation Claims would constitute Class 6C Claims under the Plan and that no funds have been allocated from the GUC Litigation Claims Settlement Cash to satisfy such claims.

Accordingly, the Plan Administrator requests that the No Liability Arbitration Claims be modified as set forth on **Schedule 2** to the Proposed Order.

17. The Insufficient Documentation – Pre-Litigation Claims listed on **Schedule 2** are the Claims that the Reviewing Parties have identified to date. In a manner consistent with Local Rule 3001-1(e)(iii), for each Claimant, the No Liability Arbitration Claims appear in Rows with the following labels: (1) Name; (2) Date Filed; (3) Case #; (4) Debtor; (5) Claim #; and (6) Claim Amount. Additionally, each row contains a reason for proposed modification of the claim. Accordingly, the Plan Administrator seeks entry of the Proposed Order modifying or expunging these Claims as set forth on **Schedule 2**.

SEPARATE CONTESTED MATTERS

18. Each of the above objections to the Disputed Claims constitutes a separate contested matter as contemplated by Bankruptcy Rule 9014. The Plan Administrator requests that any order entered by the Court with respect to an objection asserted in this objection shall be deemed a separate order with respect to each Disputed Claim.

RESERVATION OF RIGHTS

19. Nothing contained in this objection or any actions taken by the Debtors or the Plan Administrator pursuant to relief granted in the Proposed Order is intended or should be construed as: (a) an admission as to the validity of any particular Claim (including the Disputed Claims) against the Debtor entities; (b) a waiver of the Debtors' right to dispute any particular Claim (including the Disputed Claims) on any grounds; (c) a promise or requirement to pay any particular Claim (including the Disputed Claims); (d) an implication or admission that any particular Claim (including the Disputed Claims) is of a type specified or defined in this objection; (e) an admission by the Debtors that any contract or lease is executory or unexpired, as applicable; (f) a waiver or

limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law; (g) a request or authorization to assume or reject any agreements under section 365 of the Bankruptcy Code; (h) a waiver of any party's rights to assert that any other party is in breach or default of any agreement; or (i) an admission that any contract or lease is integrated with any other contract or lease.

20. The Debtors and the Plan Administrator hereby reserve their rights to amend, modify, and/or supplement this objection, including to object to the Disputed Claims on any additional grounds, prior to the hearing before the Court on this objection, if any (the "Hearing"), and nothing in this objection shall affect the Debtors' right or the Plan Administrator's right to object to the Disputed Claims at a future date on a basis other than as set forth in this objection as permitted by bankruptcy or nonbankruptcy law, subject to any limitations set forth in the Local Rules.

NOTICE

21. The Plan Administrator has provided notice of this objection to: (a) the Office of the United States Trustee for the District of Delaware; (b) all the claimants on **Schedule 1** and **Schedule 2** to the Proposed Order; and (c) any persons who have filed a request for notice in these chapter 11 cases pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, the Debtors respectfully submit that no further notice is necessary.

STATEMENT OF COMPLIANCE WITH LOCAL RULE 3007-1(e)(i)(E)

22. The undersigned representative of Klehr Harrison Harvey Branzburg LLP ("***Klehr Harrison***") certifies that he has reviewed the requirements of Local Rule 3007-1 and that the objection substantially complies with that Local Rule. To the extent that the objection does not comply in all respects with the requirements of Local Rule 3007-1, Klehr Harrison asserts that such deviations are not material and respectfully requests that any such requirement be waived.

WHEREFORE, the Plan Administrator respectfully request that this Court (i) enter the Proposed Order attached hereto as **Exhibit A** modifying and/or disallowing the Disputed Claims, and (ii) grant such other and further relief as is just and proper.

**DECLARATION OF RICHARD NIEMERG
IN SUPPORT OF THE PLAN ADMINISTRATOR’S
SEVENTH OMNIBUS OBJECTION (SUBSTANTIVE)
TO CERTAIN INSUFFICIENT DOCUMENTATION CLAIMS
AND INSUFFICIENT DOCUMENTATION – PRE-LITIGATION CLAIMS**

I, Richard Niemerg, hereby declare under penalty of perjury:

1. I submit this declaration (this “Declaration”) in support of the *Plan Administrator’s Seventh Omnibus Objection (Substantive) to Certain Insufficient Documentation Claims and Insufficient Documentation – Pre-Litigation Claims* (the “Objection”) filed by the Plan Administrator (the “Plan Administrator”) of the above captioned debtors (the “Debtors”).

2. I am a Managing Director at Alvarez & Marsal North America, LLC (“A&M”), which was employed by the Debtors pursuant to the *Order Authorizing Debtors to Employ and Retain Alvarez & Marsal North America, LLC as Financial Advisor to the Debtors and Debtors in Possession, Effective as of the Petition Date, Pursuant to Sections*

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: PGX Holdings, Inc. (2510); Credit Repair UK, Inc. (4798); Credit.com, Inc. (1580); Creditrepair.com Holdings, Inc. (7536); Creditrepair.com, Inc. (7680); eFolks Holdings, Inc. (5213); eFolks, LLC (5256); John C. Heath, Attorney At Law PC (8362); Progrexion ASG, Inc. (5153); Progrexion Holdings, Inc. (7123); Progrexion IP, Inc. (5179); Progrexion Marketing, Inc. (5073); and Progrexion Teleservices, Inc. (5110). The location of the Debtors’ service address for purposes of these chapter 11 cases is: 257 East 200 South, Suite 1200, Salt Lake City, Utah 84111.

327(a) and 328 [Docket No. 214] (the “Retention Order”). A&M has been subsequently retained by the Plan Administrator

3. I am familiar with the Debtors’ day-to-day operations, businesses, financial affairs, and books and records. I make this declaration on the basis of the review by myself and those under my direction of the Debtors’ respective books and records (the “Books and Records”), the register of claims (the “Claims Register”) prepared and provided by the Debtors’ notice and claims agent, Kurtzman Carson Consulting LLC (“KCC”), and the Proofs of Claim filed in these chapter 11 cases.

4. All matters set forth in this Declaration are based on: (a) my personal knowledge; (b) my review of relevant documents; (c) my view, based on my experience and knowledge of the Debtors’ operations and Books and Records; (d) information supplied to me by others at my request including my team at A&M, or former or current employees of the Debtors or the Purchaser; and (e) as to matters involving United States bankruptcy law or rules or other applicable laws, my reliance on the advice of counsel or other advisors to the Debtors and the Plan Administrator. If called upon to testify, I could and would testify competently to the facts set forth herein.

5. On June 4, 2023 (the “Petition Date”), the Debtors filed with the Court voluntary petitions for relief under the Bankruptcy Code. During the pendency of their chapter 11 cases, the Debtors operated their business and managed their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

6. On July 19, 2023, the Court entered an Order (A) Establishing Bar Dates for Filing Proofs of Claim, Including Claims Under 11 U.S.C. § 503(B)(9) and Administrative Expense Requests; (B) Approving the Form and Manner for Filing Proofs

of Claim and Administrative Expense Requests; (C) Approving Notice Thereof; and (D) Granting Related Relief [Docket No. 194] (the “Bar Date Order”), establishing, among other things, September 7, 2023 as the deadline for all non-governmental entities to file Proofs of Claim.

7. On December 26, 2023, the Court entered the Findings of Fact, Conclusions of Law, and Order Approving the Debtors’ Disclosure Statement for, and Confirming the Second Amended Joint Chapter 11 Plan of PGX Holdings, Inc., and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code [Docket No. 681] (the “Confirmation Order”) that confirmed the Second Amended Joint Plan of PGX Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code [Docket No. 570] (the “Plan”). On December 26, 2023, the Effective Date of the Plan occurred. The Plan designated Mark A. Roberts of Alvarez & Marsal North America, LLC as the Plan Administrator. Under the Plan, the Plan Administrator is authorized to administer claims on the Debtors’ behalf.

8. On August 25, 2023, the Court entered orders [Docket No. 422 and 423] (together, the “Sale Orders”) approving (i) the Debtors’ entry into and performance under each of the Stalking Horse Agreements and authorizing the sale of substantially all of the Debtors’ assets free and clear of all liens, claims, interest, and encumbrances and (ii) the assumption by the Debtors and the assignment and sale to the Progrexion Purchaser or Lexington Law Purchaser (as applicable, the “Purchaser”) of executory contracts and unexpired leases to be designated by the Purchaser as “Assumed Contracts” pursuant to the Sale Orders, the Progrexion APA, the Lexington Law APA, and sections 363 and 365 of the Bankruptcy Code, subject to, and effective as of, the closing of the Sale Transactions

(the date of the closing being the “Closing Date”). The Closing Date occurred on September 28, 2023.

9. During the Claims reconciliation process, I have conducted, and continue to conduct, a review of the Proofs of Claim filed in these chapter 11 cases. In this regard, I, or another person at my direction, participated in the review of both the Claims Register and the Books and Records with respect to identifying Claims that should be disallowed and expunged (the “Disputed Claims”) as described in the Objection. I have read the Objection, the proposed order (the “Proposed Order”), and **Schedule 1** and **Schedule 2** attached to the Proposed Order, and I am familiar with the information contained therein.

10. Insufficient Documentation Claims. Upon the review of the Proofs of Claim filed in these cases, I, or someone at my direction, have identified the Insufficient Documentation Claims listed on **Schedule 1** to the Proposed Order. To the best of my knowledge, information, and belief, and insofar as I have been able to ascertain after reasonable inquiry and investigation and my investigation of the Books and Records, the Proofs of Claim, and all documentation submitted with the Proofs of Claim, each of the Insufficient Documentation Claims listed on **Schedule 1** represent Claims that are not supported by the Debtors’ Books and Records and fail to attach sufficient documentation to substantiate such Insufficient Documentation Claim.

11. Insufficient Documentation – Pre-Litigation Claims. Upon the review of the Proofs of Claim filed in these cases, I, or someone at my direction, have identified the Insufficient Documentation – Pre-Litigation Claims listed on **Schedule 2** to the Proposed Order. To the best of my knowledge, information, and belief, and insofar as I have been able to ascertain after reasonable inquiry and investigation and my investigation of the

Books and Records, the Proofs of Claim, and all documentation submitted with the Proofs of Claim, each of the Insufficient Documentation – Employee Claims listed on **Schedule 2** represent Claims that are contingent and unliquidated by claimants that have threatened, but have not commenced, litigation and for which the Debtors do not have any liability. Although certain of such claims assert liquidated amounts, the claims have not been adjudicated and thus the asserted amount is not yet liquidated. Furthermore, such Claims constitute Class 6C Claims under the Plan and no funds have been allocated under the Plan from the GUC Litigation Claims Settlement Cash to satisfy such claims.

Conclusion

12. Based upon my review of the Claims Register and the Books and Records, I believe that granting the relief requested in the Objection is in the best interest of the Debtors' estates and their creditors.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 31st day of May 2024.
