FOUND AND CONCLUDED THAT:³

Findings of Fact, Conclusions of Law, Jurisdiction, Venue, and Final Order

A. The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to the Chapter 11 Cases pursuant to Bankruptcy Rule 9014.

B. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent, any of the following conclusions of law constitute findings of fact, they are adopted as such.

³ All findings of fact and conclusions of law announced by the Bankruptcy Court at the Sale Hearing in relation to the Motion are hereby incorporated to the extent not inconsistent herewith.

C. This Court has jurisdiction to consider the Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding under 28 U.S.C. § 157(b) and the Court may enter a final order consistent with Article III of the United States Constitution. Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

D. This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h), 6006(d), and 7062, and to the extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, this Court expressly finds that there is no just reason for delay in the implementation of this Order and expressly directs entry of this Order as set forth herein which shall not be subject to any stay.

Notice of the Transaction, the Purchase Agreement, Sale Hearing, Bid Deadline, and Cure Amounts

E. As evidenced by the affidavits or declarations of service previously filed with this Court, [Docket Nos. 56, 147 & 188], proper, timely, adequate, and sufficient notice of the Motion, the Bid Deadline (as defined below), the Sale Hearing, the Purchase Agreement (as defined below), the Transaction, and the proposed form of this Order have been provided in accordance with sections 102(1), 363 and 365 of the Bankruptcy Code, and Bankruptcy Rules 2002, 6004, 6006, and 9014. The Debtors have complied with all obligations to provide notice of the Motion, the Bid Deadline, the Sale Hearing, the Purchase Agreement (as defined below), the Transaction, and the proposed form of this Order as required by the Bidding Procedures Order. The aforementioned notices are good, sufficient, and appropriate under the circumstances, and no other or further notice of the Motion, the Bid Deadline, the Sale Hearing, the Purchase Agreement (as defined below), or the Transaction is required for the entry of this Order.

F. A reasonable opportunity to object or to be heard regarding the relief requested in the Motion was afforded to all interested persons and entities.

G. In accordance with the Bidding Procedures Order, and as evidenced by the affidavits or declarations of service previously filed with this Court [Docket Nos. 175 & 184], the Debtors filed and have served the *Notice of Possible Assumption and Assignment of Certain Executory Contracts and Unexpired Leases* [Docket No. 148] on June 27, 2023 (the “**Cure Notice**”) regarding the potential assumption and assignment of the Assumed Contracts and of the amount necessary to cure any defaults pursuant to section 365(b) of the Bankruptcy Code (all such amounts in connection with any Assumed Contract, the “**Cure Amounts**”) upon the non-Debtor counterparties to the Assumed Contracts. The service of the Cure Notice was timely, good, sufficient, and appropriate under the circumstances and consistent with applicable sections and rules of the Bankruptcy Code and Bankruptcy Rules and no further notice need be given in respect of assumption and assignment of the Assumed Contracts, including with respect to adequate assurance of future performance or establishing a Cure Amount for the respective Assumed Contracts. All non-Debtor counterparties to each Assumed Contract set forth in the Cure Notice have had an adequate opportunity to object to assumption and assignment of the applicable Assumed Contract and the Cure Amount set forth in the Cure Notice, and including objections related to the adequate assurance of future performance and objections based on whether applicable law excuses the non-Debtor counterparty from accepting performance by, or rendering performance to, the Purchaser for purposes of section 365(c)(1) of the Bankruptcy Code. The deadline to file an objection to the Cure Amounts or to the assumption and assignment to the Purchaser of any Assumed Contract (a “**Contract Objection**”) has expired, and to the extent, any such entity timely filed a Contract Objection, all such Contract Objections have been resolved,

withdrawn or overruled. To the extent that any such party did not timely file a Contract Objection by the Contract Objection deadline, such party shall be deemed to have consented to (i) the assumption and assignment of the Assumed Contract, and (ii) the proposed Cure Amount set forth on the Contract Notice.

The Stalking Horse Bid

H. On May 23, 2023, the Purchaser and the Debtors entered into that certain Equity and Asset Purchase Agreement that is attached to this Order as Exhibit A (as amended by that certain Amendment No. 1 to Equity and Asset Purchase Agreement [Docket No. 219] (as may amended or modified, “**Amendment No. 1**”), and including all schedules, exhibits, supplements, and related agreements and documents, the “**Purchase Agreement**”), which provided for, among other things, (a) a cash purchase price of \$27.5 million; (b) the consideration described and as set forth in the Earnout Agreement (as defined in and attached to Amendment No. 1); and (c) the assumption of Assumed Liabilities (collectively, the “**Stalking Horse Bid**”) in exchange for the Purchased Assets.

I. As provided in the Bid Procedures, the Stalking Horse Bid constitutes a Qualified Bid (as defined in the Bidding Procedures).

Highest or Otherwise Best Offer

J. As demonstrated by the evidence proffered or adduced at the Sale Hearing and the representations of counsel made on the record at the Sale Hearing, the Debtors have complied in all respects with the Bidding Procedures Order. The sale was duly noticed and conducted in a non-collusive, fair, and good faith manner and the process set forth in the Bidding Procedures Order afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Assets and assume the Assumed Liabilities. The bid deadline

was July 20, 2023 at 4:00 p.m. (Prevailing Eastern Time) (the “**Bid Deadline**”). No Qualified Bid other than the Stalking Horse Bid was received prior to the Bid Deadline.

K. The Purchased Assets were adequately marketed by the Debtors and their advisors, and the consideration provided by the Purchaser under the Purchase Agreement constitutes the highest and best offer and provides fair and reasonable consideration to the Debtors for the Purchased Assets and the assumption of the Assumed Liabilities. The Stalking Horse Bid presents the best opportunity to maximize and realize the value of the Purchased Assets for the benefit of the Debtors, their estates, and their creditors. The Debtors’ determination that the consideration provided by the Purchaser under the Purchase Agreement constitutes the highest and best offer for the Purchased Assets is a valid and sound exercise of the Debtors’ business judgment.

L. Approval of the Motion and the Purchase Agreement, and the consummation of the Transaction contemplated thereby, are in the best interests of the Debtors, their creditors, their estates, and other parties in interest. The Debtors have demonstrated good, sufficient, and sound business reasons and justifications for entering into the Transaction and the performance of their obligations under the Purchase Agreement.

M. Entry of this Order approving the Purchase Agreement, and all of the provisions thereof, in form and substance consistent with and as required by the terms of the Purchase Agreement, is a condition precedent to the Purchaser’s consummation of the Transaction.

N. The Purchase Agreement was not entered into, and neither the Debtors nor the Purchaser has entered into the Purchase Agreement, or proposes to consummate the Transaction, for the purpose of hindering, delaying, or defrauding the Debtors’ present or future creditors. Neither the Debtors nor the Purchaser is entering into the Purchase Agreement, or proposing to consummate the Transaction, fraudulently, for the purpose of statutory or common law fraudulent

conveyance and fraudulent transfer claims whether under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof or the District of Columbia or any other applicable jurisdiction with laws substantially similar to the foregoing.

O. The terms and conditions set forth in the Purchase Agreement, including the form and amount of total consideration to be realized by the Debtors pursuant to the Purchase Agreement: (i) are in the best interests of the Debtors' creditors and estates; and (ii) constitute fair value, full and adequate consideration, reasonably equivalent value, and reasonable market value for the Purchased Assets.

P. The Purchaser is the Successful Bidder for the Purchased Assets in accordance with the Bidding Procedures Order. The Purchaser has complied in all respects with the Bidding Procedures Order and any other applicable order of this Court in negotiating and entering into the Purchase Agreement, and the sale and the Purchase Agreement likewise comply with the Bidding Procedures Order and any other applicable order of this Court.

Good Faith of the Debtors and the Purchaser

Q. The sale process conducted by the Debtors, including, without limitation, the Bidding Procedures set forth in the Bidding Procedures Order and the Purchaser's participation in that process, was at arm's length, non-collusive, and in good faith.

R. The Purchase Agreement and the Transaction contemplated thereunder were proposed, negotiated, and entered into by and among the Debtors and the Purchaser without collusion, in good faith, and at arm's length.

S. Neither the Purchaser nor any of its Affiliates, present or contemplated members, officers, directors or shareholders is an "insider" of the Debtors, as the term "insider" is defined in section 101(31) of the Bankruptcy Code. The Purchaser is entering into the Transaction in good

faith and is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code, and is therefore entitled to the full protection of that provision, and otherwise has proceeded in good faith in all respects in connection with the Chapter 11 Cases and the Transaction. Neither the Debtors, the Purchaser, nor any Affiliate of either have engaged in any action or inaction that would cause or permit the Purchase Agreement or the Transaction to be avoided or impose any costs or damages under section 363(n) of the Bankruptcy Code.

T. The Purchaser is a “good faith purchaser” and is acting in good faith within the meaning of Section 363(m) of the Bankruptcy Code and, as such, is entitled to all the protections afforded thereby. The Purchaser has proceeded in good faith in all respects in that, among other things: (i) the Purchaser recognized that the Debtors were free to deal with any other party interested in acquiring the Purchased Assets; (ii) the Purchaser complied with the provisions of the Bidding Procedures Order; (iii) the Purchaser’s bid was subjected to an open marketing process and competitive Bidding Procedures as set forth in the Bidding Procedures Order; and (iv) all payments to be made by the Purchaser and all other material agreements or arrangements entered into by the Purchaser and the Debtors in connection with the Transaction have been disclosed and are appropriate. The sale price in respect of the Purchased Assets was not controlled by any agreement among potential bidders and neither the Debtors nor the Purchaser has engaged in collusion or any conduct that would cause or permit the Purchase Agreement to be avoided or costs and damages to be imposed under Section 363(n) of the Bankruptcy Code.

The Requirements of Section 363 Are Satisfied

U. The Debtors have demonstrated a sufficient basis and compelling circumstances requiring the Debtors to (i) enter into the Purchase Agreement; (ii) sell the Purchased Assets; and (iii) assume and assign the Assumed Contracts, and such actions are appropriate exercises of the

Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors. Such business reasons include, without limitation, the fact that: (i) the Purchase Agreement constitutes the highest and best offer for the Purchased Assets; (ii) the Purchase Agreement presents the best opportunity to maximize and realize the value of the Purchased Assets for the benefit of the Debtors, their estates and their creditors; and (iii) unless the sale is concluded expeditiously, the recoveries to the Debtors' estates and constituencies are likely to be adversely affected and there is a significant risk that a substantial amount of liabilities that will be assumed by the Purchaser under the Purchase Agreement will not be satisfied.

V. The Purchase Agreement and any related documents are valid and binding contracts between the Debtors and the Purchaser and shall be enforceable pursuant to their terms.

W. The Purchased Assets constitute property of the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code and title thereto is presently vested in the Debtors' estates.

X. The sale of all Purchased Assets to the Purchaser under the terms of the Purchase Agreement satisfies the applicable provisions of section 363(f) of the Bankruptcy Code, and except as expressly provided in the Purchase Agreement: (i) the transfer of the Purchased Assets to the Purchaser and (ii) the assumption or assignment to the Purchaser or an Affiliate of the Purchaser of the Assumed Contracts and the Assumed Liabilities, in each case, will be free and clear of any and all Liens, Claims, Excluded Liabilities (each as defined in the Purchase Agreement) and other interests of any kind or nature whatsoever, whether arising prior to or subsequent to the commencement of these Chapter 11 Cases, whether known or unknown, and whether imposed by agreement, understanding, law, equity or otherwise arising under or out of, in connection with, or in any way related to the Debtors, the Purchased Assets, the operation of the Debtors' businesses

on or prior to the Closing pursuant to the Purchase Agreement, or the transfer of the Purchased Assets to the Purchaser, because, in each case, on or more of the standards set forth in Sections 363(f)(1)-(5) of the Bankruptcy Code have been satisfied,⁴ (provided, however, that nothing herein shall be deemed or construed as a ruling or determination that the Assumed Liabilities encumber the Purchased Assets) and will not subject the Purchaser, any Affiliates of Purchaser or any their respective officers, directors, representatives, controlling persons, members, employees, agents, representatives, shareholders, partners, successors and assigns or any of their respective assets (including the Purchased Assets), to any liability for any Liens or Claims whatsoever (including, without limitation, under any theory of equitable law, antitrust, setoff (except with respect to setoffs that were effected prior to the Petition Date), or successor or transferee liability.

Y. The Purchaser would not have entered into the Purchase Agreement and would not consummate the Transaction, thus adversely affecting the Debtors, their estates, their creditors, their employees, and other parties in interest, if the sale of the Purchased Assets was not free and clear of any and all Liens and Claims (other than Permitted Liens), or if the Purchaser would be, or in the future could be, liable for any Liens or Claims, including, without limitation and as applicable, certain liabilities that expressly are not assumed by the Purchaser as set forth in the Purchase Agreement or in this Order. A sale of the Purchased Assets other than one free and clear of all such Liens and Claims would adversely impact the Debtors and their estates and creditors, and would yield substantially less value for the Debtors' estates, with less certainty than the Transaction.

⁴ The DIP Secured Parties and the Prepetition Secured Parties (each as defined in the Final DIP Order) have consented to the Sale of the Purchased Assets free and clear of their Liens and Claims on the terms set forth herein (including paragraph 5 of this Order).

Z. The transfer of the Purchased Assets to the Purchaser under the Purchase Agreement is a legal, valid, and effective transfer of all of the legal, equitable, and beneficial right, title, and interest in and to the Purchased Assets free and clear of any and all Liens and Claims (other than Permitted Liens and Assumed Liabilities).

AA. The Purchaser is not deemed to be a successor to the Debtors or their estates by reason of any theory of law or equity, and the Purchaser shall not assume or in any way be responsible for any liability or obligation of any of the Debtors or their estates by reason thereof. The Purchaser is not deemed to be a continuation or substantial continuation of the Debtors or their estates, and there is no continuity between the Purchaser and the Debtors. The Purchaser does not have a common identity of incorporators, directors, officers, or equity holders with the Debtors.

BB. There is no legal or equitable reason to delay the Transaction. The Transaction must be approved and consummated promptly to preserve and maximize the value of the Debtors' Assets.

CC. The Debtors have demonstrated both (i) good, sufficient, and sound business purposes and justifications, and (ii) compelling circumstances for the Transaction pursuant to section 363(b) of the Bankruptcy Code prior to, and outside of, a plan of reorganization in that, among other things, absent the immediate consummation of the Transaction, the value of the Purchased Assets will be harmed. To maximize the value of the Purchased Assets, it is essential that the Transaction occur within the timeframe set forth in the Purchase Agreement. Time is of the essence in consummating the Transaction. Accordingly, there is good cause to waive the stay contemplated by Bankruptcy Rules 6004(h) and 6006(d). In addition, the Court finds that there are no unresolved objections that might form the basis for an appealable issue.

DD. The sale and assignment of the Purchased Assets outside of a Chapter 11 plan pursuant to the Purchase Agreement neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a liquidating plan for the Debtors. Neither the Purchase Agreement nor the Transaction contemplated thereby constitutes a *sub rosa* chapter 11 plan.

Assumption and Assignment of the Assumed Contracts

EE. The assumption and assignment of the Assumed Contracts (as such Assumed Contracts may be amended, supplemented, or otherwise modified as provided in the Purchase Agreement) that are designated for assumption and assignment pursuant to the terms of the Purchase Agreement is integral to the Purchase Agreement, is in the best interests of the Debtors and their estates, creditors, and other parties in interest, and represents the reasonable exercise of sound and prudent business judgment by the Debtors.

FF. The Debtors have met all requirements of section 365 of the Bankruptcy Code for each of the Assumed Contracts. The Debtors will have (i) cured or provided adequate assurance of cure of any default existing prior to the consummation of the Transaction contemplated by the Purchase Agreement (the "**Closing**") under all of the Assumed Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code and (ii) provided compensation or adequate assurance of compensation to any counterparty to an Assumed Contract for actual pecuniary loss to such entity resulting from a default prior to the Closing under any of the Assumed Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code. The assignment of each of the Assumed Contracts is free and clear of any and all Liens and Claims, except as expressly permitted in the Purchase Agreement.

GG. The Purchaser has demonstrated adequate assurance of future performance under the relevant Assumed Contracts within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code. Pursuant to section 365(f) of the Bankruptcy Code, the Assumed Contracts to be assumed and assigned under the Purchase Agreement shall be assigned and transferred to the Purchaser (in accordance with the timing specified in the Purchase Agreement), and remain in full force and effect for the benefit of the Purchaser, notwithstanding any provision in the contracts or other prohibitions or restrictions, including applicable non-bankruptcy law, prohibiting or conditioning their assignment or transfer.

HH. No defaults exist in the Debtors' performance under the Assumed Contracts as of the date of this Order other than the failure to pay amounts equal to the Cure Amounts or defaults that are not required to be cured as contemplated in section 365(b)(1)(A) of the Bankruptcy Code.

IT IS HEREBY ORDERED THAT:

General Provisions

1. The Motion is granted and approved as set forth herein. The Debtors are authorized and directed to (a) sell the Purchased Assets to the Purchaser and (b) transfer, assign and convey the Purchased Assets, including the Assumed Contracts to the Purchaser, in each case in accordance with the Purchase Agreement.

2. All objections to the Motion or the relief requested therein that have not been withdrawn, waived, or settled as announced to the Court at the Sale Hearing, or by stipulation filed with the Court, or as resolved in this Order, and all reservations of rights included therein, are hereby overruled on the merits with prejudice. All non-Debtor counterparties to the Assumed Contracts that failed to timely object thereto are deemed to consent to the relief sought therein. All holders of Liens and Claims who did not object, or withdrew their objections to the Transaction, are deemed to have consented to the Transaction pursuant to section 363(f)(2) of the

Bankruptcy Code, and all holders of Liens and Claims are adequately protected – thus satisfying section 363(e) of the Bankruptcy Code.

Approval of the Purchase Agreement

3. The Purchase Agreement, all of the terms and conditions thereof, and the Transaction contemplated therein are approved in all respects. The failure specifically to include any particular provision of the Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent that the Purchase Agreement be authorized and approved in its entirety. The transfer of the Purchased Assets by the Debtors to the Purchaser shall be a legal, valid, and effective transfer of the Purchased Assets. The consummation of the Transaction is hereby approved and authorized under section 363(b) and (f) of the Bankruptcy Code. The automatic stay pursuant to section 362 of the Bankruptcy Code, to the extent applicable, is hereby modified to allow the Purchaser to enforce its rights pursuant to the Purchase Agreement and this Order.

4. The Debtors are authorized to (a) take any and all actions necessary or appropriate to perform, consummate, implement, and close the Transaction, including the sale to the Purchaser of the Purchased Assets, in accordance with the terms and conditions set forth in the Purchase Agreement and this Order, including, without limitation, executing, acknowledging, and delivering such deeds, assignments, conveyances, and other assurance, documents, and instruments of transfer and taking any action for purposes of assigning, transferring, granting, conveying, and confirming to the Purchaser, or reducing to possession, any or all of the Purchased Assets, and entering into any other agreements related to implementing the Transaction, and (b) to assume and assign all Assumed Contracts to the Purchaser in accordance with the timing set forth in the Purchase Agreement.

5. Notwithstanding anything to the contrary in any other order of this court, in accordance with the terms of that certain *Final Order Pursuant To 11 U.S.C. §§ 105, 361, 362, 363, 364, 503 And 507 (I) Authorizing The Debtors To Obtain Senior Secured Superpriority Postpetition Financing; (II) Granting (A) Liens And Superpriority Administrative Expense Claims And (B) Adequate Protection To Certain Prepetition Lenders; (III) Authorizing Use Of Cash Collateral; (IV) Scheduling A Final Hearing; And (V) Granting Related Relief* [D.I. 138] (the “**Final DIP Order**”), and in consideration for the DIP Secured Parties and the Prepetition Secured Parties consent to the transactions contemplated by the Purchase Agreement, on the Closing Date, (i) the cash consideration payable by the Purchaser under the Purchase Agreement shall be paid to the DIP Agent and Prepetition Agent (each as defined in the Final DIP Order), (ii) the Debtor’s right to receive the deferred purchase price under the Purchase Agreement shall be assigned to the Prepetition Agent, and (iii) the amounts allocable to the Prepetition Agent from the Amex Deposit Refund pursuant to paragraph 5.29(c) of the Final DIP Order shall be remitted to the Prepetition Agent, and (iv) the amounts allocable to the Prepetition Agent from the Colonnade Disbursement pursuant to paragraph 5.29(d) of the Final DIP Order, if any, shall be remitted to the Prepetition Agent.

Sale and Transfer Free and Clear of all Liens and Claims

6. Except as otherwise expressly provided in the Purchase Agreement solely with respect to Assumed Liabilities and Permitted Liens, if any, the Purchased Assets shall be sold to the Purchaser free and clear of any and all Liens and Claims, liabilities, interests, rights, and encumbrances of any kind whatsoever, including, without limitation, any escheat claims or obligations of the Debtors arising prior to the Closing, rights of setoff (except with respect to setoffs that were validly effected prior to the Petition Date), and all other matters of any kind and

nature, whether known or unknown, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, whether arising prior to or subsequent to the commencement of the Chapter 11 Cases (but, for the avoidance of doubt, in each case arising from the ownership or the operation of the Purchased Assets prior to the date of the Closing (the “**Closing Date**”)), and any consensual or nonconsensual lien, statutory lien, real or personal property lien, mechanics’ lien, materialmans’ lien, warehousemans’ lien, tax lien, and any and all “liens” as that term is defined and used in the Bankruptcy Code, including section 101(37) thereof. All Liens and Claims, and interests from which the Purchased Assets are sold free and clear shall attach to the proceeds of the sale of the Purchased Assets to be received by the Debtors in the same order and priority that such Liens and Claims and interests had prior to the Closing.

7. All of the Debtors’ right, title, and interest in and to, and possession of, the Purchased Assets shall be immediately vested in the Purchaser as set forth in the Purchase Agreement, pursuant to sections 105(a), 363(b), 363(f), and 365 of the Bankruptcy Code free and clear of any and all Liens and Claims except for Assumed Liabilities and Permitted Liens. Such transfer shall constitute a legal, valid, binding, and effective transfer of such Purchased Assets to Purchaser.

8. This Order: (i) shall be effective as a determination that as of the Closing, (a) no Liens or Claims (other than Assumed Liabilities and Permitted Liens) will be capable of being asserted against the Purchaser, any Affiliates of Purchaser or any their respective officers, directors, representatives, controlling persons, members, employees, agents, representatives, shareholders, partners, successors and assigns or any of their respective assets (including the Purchased Assets), (b) the Purchased Assets shall have been transferred to the Purchaser free and clear of any and all Liens and Claims, except for Assumed Liabilities and Permitted Liens, if any,

and as provided for in the Purchase Agreement, and (c) the conveyances described herein have been effected; and (ii) is and shall be binding upon and govern the acts of all entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, registrars of patents, trademarks, or other intellectual property, administrative agencies, governmental departments, secretaries of state, federal and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title; and each of the foregoing persons and entities is hereby authorized and directed to accept for filing any and all of the documents and instruments necessary or appropriate to consummate the transactions contemplated by the Purchase Agreement.

9. Except as otherwise expressly provided in the Purchase Agreement and with respect to the Assumed Liabilities and Permitted Liens, if any, all persons and entities (and their respective successors and assigns), including, without limitation, all debt security holders, equity security holders, Affiliates, governmental, tax and regulatory authorities, lenders, customers, vendors, employees, trade creditors, litigation claimants, and other creditors holding Liens or Claims arising under or out of, in connection with, or in any way relating to, the Debtors, the Purchased Assets, the ownership, sale, or operation of the Purchased Assets prior to Closing or the transfer of the Purchased Assets to the Purchaser are hereby forever barred and estopped from asserting such Liens and Claims against the Purchaser, any Affiliates of Purchaser or any their respective officers, directors, representatives, controlling persons, members, employees, agents, representatives, shareholders, partners, successors or assigns or any of their respective assets (including the Purchased Assets).

10. If any person or entity that has filed financing statements, mortgages, *lis pendens* or other documents or agreements evidencing Liens or Claims against or in the Purchased Assets shall not have delivered to the Debtors prior to the Closing of the Transaction, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Encumbrances that the person or entity has with respect to the Purchased Assets or otherwise, then only with regard to the Purchased Assets that are purchased by the Purchaser pursuant to the Purchase Agreement and this Order: (i) the Debtors are hereby authorized and directed to execute and file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Purchased Assets; (ii) the Purchaser is hereby authorized to file, register, or otherwise record a certified copy of this Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Liens and Claims against the Purchaser and the Purchased Assets; and (iii) the Purchaser may seek in this Court or any other court to compel appropriate parties to execute termination statements, instruments of satisfaction, and releases of all Liens and Claims with respect to the Purchased Assets other than Assumed Liabilities and Permitted Liens, if any. This Order is deemed to be in recordable form sufficient to be placed in the filing or recording system of each and every federal, state, or local government agency, department, or office. Notwithstanding the foregoing, the provisions of this Order authorizing the sale and assignment of the Purchased Assets free and clear of any and all Liens and Claims shall be self-executing, and neither the Debtors nor the Purchaser shall be required to execute or file releases, termination statements, assignments, consents, or other instruments to effectuate, consummate, and implement the provisions of this Order.

11. To the maximum extent permitted by applicable law, the Purchaser shall be authorized, as of the Closing Date, to operate under any license, permit, registration, and

governmental authorization or approval (collectively, the “**Licenses**”) of the Debtors with respect to the Purchased Assets, and all Licenses are deemed to have been, and hereby are directed to be, transferred to the Purchaser pursuant to the Purchase Agreement. To the extent any Licenses cannot be transferred to the Purchaser in accordance with the previous sentence, such Licenses: (i) shall be in effect while the Purchaser, with assistance from the Debtors, works promptly and diligently to apply for and secure all necessary government approvals for the transfer or issuance of new Licenses to the Purchaser; and (ii) shall terminate on a license-by-license basis following issuance of a new License to the Purchaser.

12. Nothing in this Order or the Purchase Agreement releases, nullifies, precludes or enjoins the enforcement of any police or regulatory liability to a governmental unit that any entity would be subject to as owner or operator of property sold or transferred pursuant to this Order after the occurrence of the Closing Date (with respect to such property), *provided, however*, that the foregoing shall not limit, diminish or otherwise alter the Debtors’ or the Purchaser’s defenses, claims, causes of action, or other rights under applicable non-bankruptcy law with respect to any liability that may exist to a governmental unit at such owned or operated property. Nothing in this Order or the Purchase Agreement authorizes the transfer or assignment of any governmental (i) license, (ii) permit, (ii) registration, (iv) authorization, or (v) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law. To the extent provided by section 525 of the Bankruptcy Code, a governmental unit may not deny, revoke, suspend, or refuse to renew any permit, license, or similar grant to a person that is or has been a bankrupt or a debtor under the Bankruptcy Code, or another person with whom such bankrupt or debtor has been associated, solely because such bankrupt or debtor is or has been a bankrupt or debtor under the Bankruptcy Code, has been

insolvent before the commencement of the case under the Bankruptcy Code, or during the case but before the debtor is granted or denied a discharge, or has not paid a debt that is dischargeable in the case under the Bankruptcy Code or that was discharged under the Bankruptcy Code. Nothing in this Order divests any tribunal of any jurisdiction it may have under police or regulatory law to interpret this Order or to adjudicate any defense asserted under this Order, subject to the Debtors' and the Purchaser's rights to assert in that forum or before this Court that any such laws are not in fact police or regulatory law or that the matter should be heard by the Bankruptcy Court.

13. Unless otherwise provided herein or the Purchase Agreement, all persons and entities that are in possession of some or all of the Purchased Assets as of the Closing Date are directed to surrender possession of such Purchased Assets to the Purchaser on the Closing Date. All persons or entities are prohibited from taking any action to adversely affect or interfere with the ability of the Debtors to transfer the Purchased Assets to the Purchase in accordance with the Purchase Agreement.

No Successor or Transferee Liability

14. Neither the Purchaser, nor any Affiliate, successor, or assignee of the Purchaser, shall be deemed, as a result of any action taken in connection with the Purchase Agreement, the consummation of the Transaction contemplated by the Purchase Agreement, or the transfer or operation of the Purchased Assets, including the Assumed Contracts, to: (i) be a legal successor, or otherwise be deemed a successor to the Debtors; (ii) have, *de facto* or otherwise, merged with or into the Debtors; (iii) be an alter ego or a mere continuation or substantial continuation of the Debtors including, without limitation, within the meaning of any foreign, federal, state, or local revenue law, pension law, the Employee Retirement Income Security Act, the Consolidated Omnibus Budget Reconciliation Act (“**COBRA**”), the WARN Act (29 U.S.C. §§ 2101 et seq.)

(“**WARN**”), the Comprehensive Environmental Response Compensation and Liability Act (“**CERCLA**”), the Fair Labor Standard Act, Title VII of the Civil Rights Act of 1964 (as amended), the Age Discrimination and Employment Act of 1967 (as amended), the Federal Rehabilitation Act of 1973 (as amended), the National Labor Relations Act, 29 U.S.C. § 151, *et seq.* (the “**NLRA**”); or (iv) be liable for any environmental liabilities, debts, claims, or obligations arising from conditions first existing on or prior to Closing (including, without limitation, the presence of hazardous, toxic, polluting, or contaminating substances or wastes), which may be asserted on any basis, including, without limitation, under CERCLA, any liabilities, debts, or obligations of or required to be paid by the Debtors for any taxes of any kind for any period, labor, employment, or other law, rule or regulation (including, without limitation, filing requirements under any such laws, rules, or regulations), any escheat liabilities arising prior to the Closing, or under any products liability or consumer protection law or doctrine with respect to the Debtors’ liability under such law, rule, or regulation or doctrine.

15. Other than as expressly set forth in the Purchase Agreement solely with respect to Assumed Liabilities and Permitted Liens, if any, neither the Purchaser, nor any Affiliate, successor, or assignee of the Purchaser shall have any responsibility for (i) any liability or other obligation of the Debtors or related to the Purchased Assets or (ii) any Liens or Claims against the Debtors, any of their predecessors or Affiliates, or the Purchased Assets. Other than as expressly set forth in the Purchase Agreement solely with respect to Assumed Liabilities and Permitted Liens, if any, neither the Purchaser, nor any Affiliate, successor, or assignee of the Purchaser, shall have any liability whatsoever with respect to the Debtors’ (or their predecessors’ or Affiliates’) businesses or operations or any of the Debtors’ (or their predecessors’ or Affiliates’) obligations based, in whole or part, directly or indirectly, on any theory of successor or vicarious liability of

any kind or character, or based upon any theory of antitrust, environmental, successor or transferee liability, *de facto* merger or substantial continuity, labor and employment or products liability, whether known or unknown as of the Closing, now existing or hereafter arising, asserted or unasserted, fixed or contingent, liquidated or unliquidated, including, without limitation, (i) liabilities on account of any taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the ownership or operation of the Purchased Assets prior to the Closing; (ii) liabilities or obligations under WARN; (iii) escheat liabilities arising prior to Closing; or (iv) liabilities or obligations under CERCLA, or any foreign, federal, state, or local labor, employment, or environmental law whether of similar import or otherwise by virtue of the Purchaser's purchase of the Purchased Assets or assumption of the Assumed Liabilities by the Purchaser or an Affiliate of the Purchaser (all liabilities described in paragraph 14 and paragraph 15 of this Order, "**Successor or Transferee Liability**").

16. Effective upon the Closing, except with respect to Assumed Liabilities and Permitted Liens, if any, all persons and entities are forever prohibited from commencing or continuing in any matter any action or other proceeding, whether in law or equity, in any judicial, administrative, arbitral, or other proceeding against the Purchaser, any Affiliates of Purchaser or any their respective officers, directors, representatives, controlling persons, members, employees, agents, representatives, shareholders, partners, successors and assigns or any of their respective assets (including the Purchased Assets), with respect to any (i) Lien or Claim or (ii) Successor or Transferee Liability, including, without limitation, the following actions with respect to clauses (i) and (ii): (a) commencing or continuing any action or other proceeding pending or threatened; (b) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (c) creating, perfecting, or enforcing any Lien or Claim; (d) asserting any setoff (except with

respect to setoffs that were effected prior to the Petition Date), right of subrogation, or recoupment of any kind; (e) commencing or continuing any action, in any manner or place, that does not comply with, or is inconsistent with, the provisions of this Order or other orders of this Court, or the agreements or actions contemplated or taken in respect hereof; or (f) revoking, terminating, or failing or refusing to renew any license, permit, or authorization to operate any of the Purchased Assets or conduct any of the businesses operated with such Purchased Assets.

17. This Order shall be effective as a determination that, as of Closing, all Liens and Claims (other than Permitted Liens and Assumed Liabilities) have been unconditionally released, discharged, and terminated as to the Purchaser and Purchased Assets.

Good Faith of the Purchaser

18. The Purchaser is a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of section 363(m) of the Bankruptcy Code. The Transaction contemplated by the Purchase Agreement is undertaken by the Purchaser without collusion and in good faith, as that term is defined in section 363(m) of the Bankruptcy Code.

19. Neither the Debtors, the Purchaser nor any Affiliate of either the Debtors or the Purchaser have engaged in any collusion with other bidders or other parties or have taken any other action or inaction that would cause or permit the Transaction to be avoided or costs or damages to be imposed under section 363(n) of the Bankruptcy Code or otherwise. The consideration provided by the Purchaser for the Purchased Assets under the Purchase Agreement is fair and reasonable and is not less than the value of such Purchased Assets, and the Transaction may not be avoided under section 363(n) of the Bankruptcy Code.

20. The Purchaser is not an “insider” of any of the Debtors as that term is defined in section 101(31) of the Bankruptcy Code.

Assumption and Assignment of Assumed Contracts

21. To the extent that any entity did not timely file a Contract Objection by the Contract Objection Deadline with respect to any Assumed Contract set forth on the Cure Notice, such entity shall forever be barred and estopped from objecting: (i) to the Cure Amounts as the amount to cure all defaults to satisfy section 365 of the Bankruptcy Code and from asserting that any additional amounts are due or defaults exist; (ii) that any conditions to assumption and assignment must be satisfied under such Contract or Lease before it can be assumed and assigned or that any required consent to assignment has not been given; or (iii) that the Purchaser has not provided adequate assurance of future performance as contemplated by section 365 of the Bankruptcy Code.

22. The assumption and assignment of the Assumed Contracts is approved, including, for the avoidance of doubt, the timing set forth in the Purchase Agreement. The Debtors are authorized to assume and assign each of the Assumed Contracts to the Purchaser or an Affiliate of the Purchaser upon the Closing of the Transaction (or thereafter, in accordance with the Purchase Agreement and this Order), free and clear of all Liens and Claims, other than Assumed Liabilities and Permitted Liens, if any. The payment of the applicable Cure Amounts, if any, by the Purchaser, in accordance with the Purchase Agreement shall, in accordance with section 365(b) of the Bankruptcy Code, (i) cure all defaults under the Assumed Contracts as contemplated by section 365 of the Bankruptcy Code as of the Closing Date, (ii) compensate for any actual pecuniary loss to such non-Debtor counterparty resulting from such default, and (iii) together with the assumption of the Assumed Contracts by the Debtors and the assignment of the Assumed Contracts to the Purchaser or an Affiliate of the Purchaser, constitute adequate assurance of future performance

thereof. The Cure Amounts, if any, and any payments made to the counterparties under the Assumed Contracts prior to the assumption of the Assumed Contracts shall be deemed payments that were required to be made in full as part of the obligation to assume and assign the Assigned Contracts under this Sale Order and the Purchase Agreement.

23. Pursuant to section 365(f) of the Bankruptcy Code, subject to the payment of the applicable Cure Amounts by the Purchaser, if any, the Assumed Contracts to be assumed and assigned under the Purchase Agreement shall be assigned and transferred to, and remain in full force and effect for the benefit of, the Purchaser notwithstanding any provision in the contracts or other restrictions, whether under applicable non-bankruptcy law or otherwise, prohibiting or conditioning their assignment or transfer. Any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract or allow the counterparty to such Assumed Contract to terminate, recapture, impose any penalty or fee or other financial accommodation to the non-debtor counterparty, accelerate, increase any rate, condition on renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract, constitute unenforceable anti-assignment provisions that are void and of no force and effect. Subject to the payment of the applicable Cure Amounts, if any, by the Purchaser, all other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Purchaser or an Affiliate of the Purchaser of the Assumed Contracts have been satisfied.

24. Upon taking assignment of the Assumed Contracts and the payment of the relevant Cure Amounts, if any, the Purchaser shall be deemed to be substituted for the Debtors as a party to the applicable Assumed Contracts and the Debtors shall be released, pursuant to section 365(k) of the Bankruptcy Code, from any liability under the Assumed Contracts. There shall be no

assignment fees, increases, or any other fees charged to the Purchaser or the Debtors as a result of the assumption and assignment of the Assumed Contracts. The failure of the Debtors or the Purchaser to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such terms or conditions or of the right of the Debtors or the Purchaser, as the case may be, to enforce every term and condition of such Assumed Contract. The validity of the assumption and assignment of any Assumed Contract to the Purchaser shall not be affected by any existing dispute between the Debtors and any counterparty to such Assumed Contract.

25. The assignments of each of the Assumed Contracts are made in good faith under sections 363(b) and (m) of the Bankruptcy Code and shall be free and clear of any and all Liens and Claims pursuant to section 363(f) of the Bankruptcy Code.

26. Within five days following (i) the closing of the transactions contemplated under the Purchase Agreement, or (ii) the Contract Designation Period, as applicable, the Debtors shall file a notice identifying the Assumed Contracts that were assumed and assigned to Purchaser and shall serve the same on all counterparties to the Assumed Contracts.

Other Provisions

27. The Debtors, including their professionals and advisors, and Purchaser shall cooperate in good faith subsequent to the closing of the transactions contemplated under the Purchase Agreement to (i) effectuate the sale and transfer of the Purchased Assets, including without limitation the assignment of the Assumed Contracts, (ii) undertake accounting, tax, employee and human resource matters attendant to the sale and the Debtors' winding up their affairs and closing their estates, and (iii) address certain payables associated with the Assumed Liabilities and Assumed Contracts that may need to be paid at or shortly after Closing but where Purchaser is not yet able to make such payments directly to the corresponding counterparties.

28. As set forth on the record at the Sale Hearing, the Committee Objection has been resolved pursuant to the following settlement (the “**Settlement**”), which is hereby approved and effective as of the entry of this Order and shall be incorporated in the *Combined Disclosure Statement and Joint Chapter 11 Plan of Plastiq Inc. and its Affiliated Debtors* (the “**Plan**”):

- a) If, as, and when Colonnade Acquisition Corp. II (“**Colonnade**”) receives from Priority the initial payment of \$1,000,000 at Closing in accordance with the terms of the Letter Agreement, Colonnade shall promptly make a cash payment to the Debtors’ estates in the amount of 30% of such cash payment actually received from Priority, for distribution in accordance with the Final DIP Order and the Plan. Colonnade shall be granted an allowed claim in the amount of \$9,000,000, which claim shall be classified as a general unsecured claim to share ratably with other holders of allowed unsecured claims under the Plan.
- b) Except as otherwise provided in this paragraph 28, Colonnade fully and forever releases and discharges the Debtors, including their affiliates, subsidiaries, officers, directors, shareholders, agents, attorneys, advisors, and employees, past and present (collectively, the “**Estate Released Parties**”), from any and all claims, demands, liens, agreements, contracts, covenants, suits, actions, causes of action, obligations, controversies, debts, costs, expenses, damages, judgements, orders and liabilities, of any kind and of every nature whatsoever, direct or indirect, whether known or unknown, or whether asserted or unasserted, which Colonnade now has against the Purchased Assets or the Estate Released Parties.

- c) Each of the Debtors, their bankruptcy estates, and the Committee fully and forever release and discharge Colonnade, including its respective affiliates, subsidiaries, officers, directors, shareholders, agents, attorneys, advisors, and employees, past and present (collectively, the “**Colonnade Released Parties**”), from any and all claims, demands, liens, agreements, contracts, covenants, suits, actions, causes of action, obligations, controversies, debts, costs, expenses, damages, judgements, orders and liabilities, of any kind and of every nature whatsoever, direct or indirect, whether known or unknown, or whether asserted or unasserted, which the Debtors or their estates now have against the Colonnade Released Parties.
- d) For the avoidance of doubt, except as expressly set forth in this paragraph 28, nothing in this paragraph 28 shall alter, modify or affect any other term or provision of the Letter Agreement, including (i) the rights and interests provided therein and (ii) the releases provided by Colonnade in favor of the Buyer Parties (as defined in the Letter Agreement).

29. The terms and provisions of the Purchase Agreement, including any ancillary or related documents, and this Order shall be binding in all respects upon the Debtors, the Debtors’ estates, their creditors, any affected third parties, all holders of equity interests in the Debtors, all holders of any claims, whether known or unknown, against the Debtors, any holders of Liens against or on all or any portion of the Purchased Assets, including, but not limited to all contract counterparties, leaseholders, governmental units, and any trustees, examiners, administrators, responsible officers, estate representatives, or similar entities for the Debtors, if any, subsequently appointed in any of the Debtors’ Chapter 11 Cases or upon a conversion of any of the Debtors’

Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, and each of their respective Affiliates, successors and assigns. The Purchase Agreement and this Order shall inure to the benefit of the Debtors, the Debtors' estates, creditors, the Purchaser, and their respective successors or assigns. The Purchase Agreement, the Transaction and this Order shall not be subject to rejection or avoidance by the Debtors, the Debtors' estates, creditors, its equity interest holders, or any trustee, examiner or receiver.

30. The Purchase Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto and in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment, or supplement does not have a material adverse effect on the Debtors' estates.

31. The Court shall retain exclusive jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order and the Purchase Agreement, all amendments thereto, and any waivers and consents thereunder and each of the agreements executed in connection therewith to which the Debtors are a party and to adjudicate, if necessary, any and all disputes concerning or relating in any way to the Transaction or this Order. This Court retains jurisdiction to compel delivery of the Purchased Assets, to protect the Purchaser (and its assets, including the Purchased Assets) and its Affiliates, designees, assignees, or successors (or their assets), against any and all Liens and Claims and Successor and Transferee Liability and to enter orders, as appropriate, pursuant to sections 105, 363, or 365 of the Bankruptcy Code (or other applicable provisions) necessary to transfer the Purchased Assets and the Assumed Contracts to the Purchaser.

32. The requirements set forth in Bankruptcy Rules 6003(b), 6004, and 6006 have been satisfied or are otherwise hereby waived.

33. As provided by Bankruptcy Rules 7062 and 9014, the terms and conditions of this Order shall be effective immediately upon entry and shall not be subject to the stay provisions contained in Bankruptcy Rules 6004(h) and 6006(d). Time is of the essence in closing the sale and the Debtors and the Purchaser intend to close the sale on or before July 31, 2023.

34. No bulk sales law, bulk transfer law or similar law of any state or other jurisdiction (including those relating to Taxes, other than Transfer Taxes) shall apply in any way to the transactions contemplated by the Purchase Agreement, the Motion or this Order. Except as otherwise expressly provided in the Purchase Agreement, all obligations of the Debtors relating to Taxes, whether arising under any law, by the Purchase Agreement, or otherwise shall be the obligation of and fulfilled and paid by the Debtors. For the avoidance of doubt, and notwithstanding any other provision in this Order, nothing in this Order or the Purchase Agreement shall create a tax exemption under Section 1146(a) of the Bankruptcy Code.

35. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a). In the event that there is a direct conflict between the terms of this Order, the Purchase Agreement, and any documents executed in connection therewith, the provisions contained in this Order, the Purchase Agreement and any documents executed in connection therewith shall govern, in that order. Nothing contained in any chapter 11 plan hereinafter confirmed in any of these Chapter 11 Cases, any order confirming such plan(s), or in any other order of any type or kind entered in any of these Chapter 11 Cases (including, without limitation, any order entered after any conversion of any of these Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code) or in any related proceeding shall alter, conflict with or derogate from

the provisions of the Purchase Agreement, any documents executed in connection therewith, or the terms of this Order.

- (a) Schedule 2.6(a) is a list of all material Contracts of the Sellers that are capable of assumption and assignment pursuant to Section 365 of the Bankruptcy Code (the “Assignable Contracts”). At the Sale Hearing (notice of which shall be properly and timely served on all non-

Sellers counterparties to Assignable Contracts by the Sellers), the Sellers shall seek authority to assume and assign to the Buyer those Assignable Contracts that are, or that become (pursuant to the procedures set forth in Section 2.6(f) below), Assumed Contracts.

(b) Subject to Section 2.6(g), the Assumed Contracts shall be assumed by the Sellers and assigned to the Buyer at the Closing pursuant to an order of the Bankruptcy Court pursuant to Section 365 of the Bankruptcy Code.

(c) Schedule 2.6(a) sets forth those Contracts that the Buyer has determined shall not be assigned and assumed to it, which shall be designated as “Excluded Contracts” (the “Excluded Contracts”). Notwithstanding anything in this Agreement to the contrary, the Buyer shall not be liable for any Liabilities in respect of any Contract from and after the time of its designation as an Excluded Contract, and any Liabilities arising under, relating to, or in connection with such Excluded Contract shall be deemed Excluded Liabilities for all purposes under this Agreement.

(d) At the Closing (subject to Section 2.6(g)), Buyer shall pay any Cure Amounts due in connection with the assumption and assignment of the Assumed Contracts as set forth in the Sale Order for which all necessary Consents required by the Bankruptcy Code to transfer have been obtained, and the Buyer will assume and agree to perform and discharge the Assumed Liabilities under the Assumed Contracts or, such other additional or fewer Assumed Contracts as otherwise agreed by the Parties at the time of the Closing.

(e) Notwithstanding the foregoing, a Contract shall not be an Assumed Contract hereunder and shall not be assigned to, or assumed by, Buyer to the extent that such Contract (i) is rejected by a Seller or terminated by a Seller in accordance with the terms hereof or by the other party thereto, or terminates or expires by its terms, on or prior to the Closing and is not continued or otherwise extended upon assumption, or (ii) constitutes an Employee Benefit Plan or an Insurance Policy. In addition, a Permit shall not be assigned to, or assumed by, Buyer to the extent that such Permit requires a Consent of any Governmental Entity or other third party (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Buyer of Sellers’ rights under such Permit, and no such Consent has been obtained prior to the Closing. If any such Consent shall not be obtained, or if any attempted assignment of such Contract or Permit would be ineffective or would impair Buyer’s rights under the such Contract or Permit in question so that Buyer would not in effect acquire the benefit of such rights, such Seller, to the maximum extent permitted by Law and the applicable Contract or Permit (and subject to any approval of the Bankruptcy Court that may be required), at Buyer’s sole cost and expense, and for a period not to exceed the Contract Designation Period, shall act as Buyer’s agent in order to obtain for Buyer the benefits thereunder and shall cooperate, to the maximum extent permitted by Law and the applicable Contract or Permit, with Buyer in any other reasonable arrangement designed to provide such benefits to Buyer; provided, however, that (i) Sellers shall not incur any costs associated with the obligations hereunder (including with respect to the Cure Amounts) and (ii) Sellers’ obligations hereunder shall only continue until the Chapter 11 Cases are closed or dismissed. Buyer shall reasonably cooperate with Sellers in order to enable Sellers to provide to Buyer the benefits contemplated by this Section 2.6(e).

(f) From the date hereof until the expiration of the Contract Designation Period, the Sellers shall not seek Bankruptcy Court approval to reject any Assignable Contract unless and until such Assignable Contract is designated by the Buyer as an Excluded Contract or unless otherwise agreed to in writing by the Buyer. Additionally, the Sellers shall file with the Bankruptcy Court such motions or pleadings as may be appropriate or otherwise as may be reasonably requested by

the Buyer to preserve the Sellers' right or ability to assume and assign any of the Assignable Contracts (including pursuant to Section 365(d)(4) of the Bankruptcy Code) until the expiration of the Contract Designation Period.

(g) Any Assignable Contract not designated by the Buyer as either an Assumed Contract or an Excluded Contract as of Closing shall constitute a "Designation Right Contract". From and after the Closing Date until the date that is the earlier of (i) the entry of an order by the Bankruptcy Court dismissing the Chapter 11 Cases, converting the Chapter 11 Cases to a Chapter 7 of the Bankruptcy Code, or confirming a Chapter 11 plan of the Sellers, and (ii) seventy-five (75) days following the Closing Date (the "Contract Designation Period"), the Buyer shall have the right, by providing the Sellers with written notice, to amend Schedule 2.6(a) to designate any Designation Right Contract as (i) an Assumed Contract, or (ii) an Excluded Contract. Upon receipt of notice of the Buyer's designation of a Designation Right Contract as an Assumed Contract in accordance with this Section 2.6(g) the Sellers shall promptly provide notice to the applicable non-Seller counterparty of such designation. Notwithstanding anything herein to the contrary, the Buyer shall pay and be solely responsible for all amounts that accrue and become due and owing under any Designation Right Contract from and after the Closing Date through the earlier to occur of (A) the expiration of the Contract Designation Period and (B) the date that is two (2) Business Days after written notice from the Buyer designating such Designation Right Contract as an Excluded Contract in accordance with this Section 2.6(g). Notwithstanding anything in this Agreement to the contrary, on the date any Designation Right Contract is designated an Assumed Contract pursuant to this Section 2.6(g), such Contract shall be deemed an Assumed Contract for all purposes under this Agreement and no further consideration shall be required to be paid by the Buyer for such Contract. Sellers shall cooperate in all respects with Buyer to provide a license or other means necessary to access any contract rights under any Designation Right Contract.

(h) If any Contract requires the payment of Cure Amounts in order to be assumed pursuant to Section 365 of the Bankruptcy Code, and such Cure Amounts are undetermined on the Closing Date because a non-Seller counterparty to such Contract proposed Cure Amounts in an amount that is different than the amount of Cure Amounts proposed by the Sellers and such difference will not be resolved prior to the Closing Date (each such Contract, a "Disputed Amount Contract"), then the Sellers shall provide the Buyer, not less than three (3) days prior to the Closing Date, with a schedule that lists each such Disputed Amount Contract and the amount of Cure Amounts that has been proposed by each such non-Seller counterparty; provided that the Sellers shall agree to any Cure Amounts for any Contract irrevocably designated by the Buyer in writing as an Assumed Contract if instructed to do so by the Buyer. If the Sellers, with the Consent of the Buyer, and the non-Seller counterparty with respect to any Disputed Amount Contract, are unable to agree on Cure Amounts for such Disputed Amount Contract within five (5) Business Days following the Closing Date, solely upon the Buyer's written request, the Sellers shall, at the expense of the Buyer, seek to have the amount of Cure Amounts related to such Disputed Amount Contract determined by the Bankruptcy Court by the date that is no later than the end of the Contract Designation Period. Upon final determination of such Cure Amounts, the Buyer may elect to redesignate such Assumed Contract as an Excluded Contract. If such Assumed Contract is not so redesignated, (i) the applicable Sellers shall promptly take such steps as are reasonably necessary, including, if applicable, promptly on delivery of no less than five (5) Business Days' notice to the non-Seller counterparty to such Contract, to cause such Contract to be assumed by the applicable Seller and assigned to the Buyer, including by executing and delivering to the Buyer an Assignment and Assumption Agreement with respect to such Assumed Contract, and (ii) the Buyer shall pay the Cure Amounts with respect to such Assumed Contract either (A) concurrently with the Sellers' assumption and assignment thereof to the Buyer or (B) as agreed in writing by the Buyer and the

applicable counterparty to such Assumed Contract, and execute and deliver to the applicable Sellers an Assignment and Assumption agreement with respect to such Assumed Contract. Notwithstanding the foregoing, if, following the Closing, it is discovered that a Contract that should have been listed on Schedule 2.6(a) was not so listed, the Sellers shall, to the extent the Sellers are still debtors-in-possession in the Chapter 11 Cases, promptly following the discovery thereof, notify the Buyer in writing of any such Contract and the Sellers' good faith estimate of the amount of Cure Amounts applicable to each such Contract (and if no Cure Amount is estimated to be applicable with respect to any such Contract, the amount of such Cure Amount shall be designated for such Contract as "\$0.00"), and upon the Buyer's request, take all actions reasonably required to assume and assign to the Buyer such Contract, provided that the Buyer pay the applicable Cure Amount.

(i) The Parties agree and acknowledge that the covenants set forth in this Section 2.6 shall survive the Closing.

Section 2.7 Closing. As of the date of this Agreement, each Contract to which any PlastiQ Subsidiary is a party, or by which any of them or any portion of their respective properties or other assets may be bound (each, a "Subsidiary Contract"), is in full force and effect and is a valid and binding obligation of the applicable PlastiQ Subsidiary and, to the Sellers' Knowledge, the other parties thereto in accordance with its terms and conditions, except as such validity and enforceability may be limited by (i) bankruptcy, insolvency, or other similar Laws affecting the enforcement of creditors' rights generally, (ii) equitable principles of general applicability (whether considered in a proceeding at law or in equity), and (iii) the obligation to pay Cure Amounts under Section 2.6(d). Section 4.2 Authorization.

(a) Buyer has full limited liability company power and authority to execute and deliver this Agreement and all Related Agreements to which it is a party and to perform its obligations hereunder and thereunder.

(b) The execution, delivery and performance of this Agreement and all other Related Agreements to which Buyer is a party have been duly authorized by Buyer, and no other limited liability company action on the part of Buyer is necessary to authorize this Agreement or the Related Agreements to which it is a party or to consummate the Contemplated Transactions.

(c) This Agreement has been duly and validly executed and delivered by Buyer, and, upon their execution and delivery in accordance with the terms of this Agreement, each of the Related Agreements to which Buyer is a party will have been duly and validly executed and delivered by Buyer. Assuming that this Agreement constitutes a valid and legally binding obligation of Sellers, this Agreement constitutes a valid and legally binding obligation of Buyer, enforceable against Buyer in accordance with its terms and conditions, subject to applicable bankruptcy, insolvency, moratorium or other similar Laws relating to creditors' rights and general principles of equity. Assuming, to the extent that they are a party thereto, that each Related Agreement constitutes a valid and legally binding obligation of Sellers, each Related Agreement to which Buyer is a party, when executed and delivered, constituted or will constitute the valid and legally binding obligations of Buyer, enforceable against Buyer in accordance with their respective terms and conditions, subject to applicable bankruptcy, insolvency, moratorium or other similar Laws relating to creditors' rights and general principles of equity.

Section 4.3 Noncontravention. aggregate, reasonably be expected to prevent, materially delay or materially impair to the ability of Buyer to consummate the transactions contemplated by this Agreement or by the Related Agreements. Buyer is not required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any Governmental Entity in order for the Parties to consummate the transactions contemplated by this Agreement or any of the Related Agreement, except where the failure to give notice, file or obtain such authorization, consent or approval would not, individually or in the aggregate, reasonably be expected to prevent, materially delay or materially impair to the ability of Buyer to consummate the transactions contemplated by this Agreement or by the Related Agreements.

The Buyer shall not rely upon the Sellers' provision of any Review Document(s) in lieu of conducting its own due diligence. Except for the specific representations and warranties contained in this Article III (in each case as modified by the Disclosure Schedules hereto), the Sellers have not made, do not make, and have not authorized anyone else to make any representation as to: (i) the accuracy, reliability or completeness of any of the Review Documents; (ii) the operating condition of the Purchased Assets; (iii) the transferability or assignability of any Contract or License, or (iv) any other matter or thing affecting or relating to the Purchased Assets.

attempting to make such estimates, projections and other forecasts and plans, that the Buyer is familiar with such uncertainties, that the Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections and other forecasts and plans so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans), and that the Buyer shall have no claim against anyone with respect thereto. Accordingly, the Buyer acknowledges that the Sellers make no representation or warranty with respect to such estimates, projections, forecasts or plans (including the reasonableness of the assumptions underlying such estimates, projections, forecasts or plans).

(b) On and after the Closing, Sellers and Buyer shall use their commercially reasonable efforts to take, or cause to be taken, all appropriate action, to do or cause to be done by Sellers and Buyer all things necessary under applicable Law, and to execute and deliver such documents, ancillary agreements and other papers as may be required to carry out the provisions of this Agreement and consummate and make effective the Contemplated Transactions, including in order to more effectively vest in Buyer all of Sellers' right, title and interest to the Purchased Assets, free and clear of all Liens (other than Permitted Liens expressly contemplated by the Sale Order); provided, however, that (i) Sellers shall not incur any costs associated with the obligations hereunder and (ii) Sellers' obligations hereunder shall only continue until the Chapter 11 Cases are closed or dismissed.

(d) Notwithstanding anything herein to the contrary and subject to clause (B) of the following sentence, the Parties understand and agree that commercially reasonable efforts of Buyer hereto shall not be deemed to include: (i) entering into any settlement, undertaking, consent decree, stipulation or agreement with any Governmental Entity in connection with the transactions contemplated hereby or defending against or initiating any lawsuit, action or proceeding, judicial or administrative, challenging this Agreement or the transactions contemplated hereby, or (ii) proposing, negotiating, agreeing to or offering to commit to any sale, divestiture, license, disposition or separation (including by establishing a trust or otherwise) of, or any limitation on any operation or business of, any of its or its Affiliate's businesses, assets or properties. In furtherance, and not in limitation, of the foregoing in this Section 5.2(d), (A) other than in connection with an Alternate Transaction, Sellers shall not, and shall cause their Affiliates not to, propose, negotiate, agree to or offer to commit to any sale, divestiture, license, disposition or separation of any Purchased Asset, without the prior written consent of Buyer, and (B) Buyer shall not be required to agree to any divestiture, sale or other disposition of any of the Purchased Assets or any assets of Buyer or any of Buyer's Affiliates or agree to any limitation on any operation or business of the Buyer or any of its Affiliates.

Section 5.3 Bankruptcy Actions.

The Bankruptcy Court must enter the Sale Procedures Order by the Sale Procedures Order Deadline; and

ii. entry of an order on or before the Sale Order Deadline substantially in the form of Exhibit G, authorizing and approving, inter alia, (A) the sale of the Purchased Assets to Buyer on the terms and conditions set forth herein, free and clear of all Liens and Claims (to the extent set forth therein), and (B) the assignment and assumption by Buyer of each Assumed Contract (the “Sale Order”). papers are not publicly available on the docket of the Bankruptcy Court or otherwise made available to Buyer and its counsel. No Seller shall seek any modification to the Bidding Procedures, Sale Procedures Order or Sale Order by the Bankruptcy Court or any other Governmental Entity of competent jurisdiction to which a decision relating to the Chapter 11 Cases has been appealed, in each case, without the prior written consent of Buyer.

(g) Each of Buyer and Sellers shall continue to act in good faith and without any improper conduct, including collusion or fraud of any kind.

(h) Each of Buyer and Sellers will promptly take such actions as are reasonably requested by the other party to assist in obtaining entry of the Sale Order and the Sale Procedures Order, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for purposes, among others, of providing necessary assurances of performance by Sellers of their obligations under this Agreement and the Related Agreements and demonstrating that Buyer is a good faith buyer under section 363(m) of the Bankruptcy Code.

(i) Pursuant to the terms of the proposed Sale Procedures Order, Buyer shall provide information to the Sellers to be disseminated to counterparties to Assumed Contracts, sufficient to satisfy a finding of adequate assurance of future performance as required in sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assumed Contracts.

(j) [Reserved]

(k) Sellers shall use commercially reasonable efforts to provide appropriate notice of the hearings on the Sale Motion to all Persons entitled to notice, including, but not limited to, all Persons that have asserted Liens on the Purchased Assets, all parties to the Assumed Contracts and all Taxing authorities in jurisdictions applicable to Sellers and as otherwise required by the Bankruptcy Code and bankruptcy rules.

(e) by Buyer by giving written notice to Sellers at any time prior to Closing (i) in the event there has been a breach of or inaccuracy in any representation or warranty made by Sellers in this Agreement or if Sellers have breached any covenant contained in this Agreement in any respect, which breach, inaccuracy or failure to perform (A) gives rise to a failure of the conditions set forth in Sections 7.1(a) or 7.1(b) to be satisfied and (B) (y) is not capable of being cured by the Outside Date or (z) if capable of being cured by the Outside Date, is not cured by the earlier of the Outside Date and fifteen (15) days after delivery by Buyer of written notice to Sellers of such breach, or (ii) in the event that any condition set forth in Section 7.1 shall become incapable of being satisfied by the Outside Date, unless such failure shall be due to the failure of Buyer to perform or comply with any of the covenants hereof to be performed or complied with by it prior to the Closing, and such condition is not waived by Buyer;

(f) by Sellers by giving written notice to Buyer at any time prior to Closing (i) in the event there has been a breach of or inaccuracy in any representation or warranty made by Buyer in this Agreement or if Buyer has breached any covenant contained in this Agreement in any respect,

which breach, inaccuracy or failure to perform (A) gives rise to a failure of the conditions set forth in Sections 7.2(a) or 7.2(b) to be satisfied and (B) (y) is not capable of being cured by the Outside Date or (z) if capable of being cured by the Outside Date, is not cured by the earlier of the Outside Date and fifteen (15) days after delivery by Sellers of written notice to Buyer of such breach, or (ii) in the event that any condition set forth in Section 7.2 shall become incapable of being satisfied by the Outside Date, unless such failure shall be due to the failure of Sellers to perform or comply with any of the covenants hereof to be performed or complied with by them prior to the Closing, and such condition is not waived by Sellers;

(g) by written notice from Sellers to Buyer, if all of the conditions set forth in Section 7.1 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived and Buyer fails to complete the Closing at the time required by Section 2.7;

(h) automatically and without any action or notice by Sellers to Buyer, or Buyer to Sellers, immediately upon the consummation of an Alternate Transaction approved by the Bankruptcy Court; or

(i) by written notice from Buyer to Sellers if: (i) the Bankruptcy Court does not enter the Sale Procedure Order by the Sale Procedures Order Deadline; (ii) the Bankruptcy Court does not enter the Sale Order by the Sale Order Deadline; or (iii) following entry of the Sale Order or the Sale Procedures Order, either the Sale Order or the Sale Procedures Order is stayed, reversed, modified, vacated or amended in any material respect without the prior written consent of Buyer (such consent not to be unreasonably withheld), and such stay, reversal, modification, vacation or amendment is not eliminated within fourteen (14) days of any such stay, reversal, modification, vacation or amendment;

(j) by written notice from Buyer to Sellers if the DIP Agreement matures or is in default (unless otherwise extended or waived by the DIP Lender);

(k) by written notice from Buyer to Sellers if the Bankruptcy Court approves a disclosure statement with respect to a Chapter 11 plan filed by any party other than Sellers; or

(l) by written notice from Buyer to Sellers if Seller files a Chapter 11 plan without the consent of Buyer.

Notwithstanding anything to the contrary contained herein, in no event may Buyer terminate this Agreement under Section 8.1(e) on account of Buyer's failure to satisfy the conditions contained in sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code with respect to any proposed Assumed Contract.

Section 8.2 Procedure upon Termination. In the event of termination and abandonment by Buyer, on the one hand, or Sellers, on the other hand, or both, pursuant to Section 8.1, written notice thereof shall forthwith be given to the other Party or Parties, and this Agreement shall terminate and the Contemplated Transactions shall be abandoned, without further action by Buyer or Sellers. If this Agreement is terminated pursuant to any of Sections 8.1(a)-(e) or Sections 8.1(h)-(l) (regardless of simultaneous occurrence of any other condition set forth in Section 8.1), the Deposit will be returned to Buyer pursuant to procedures in Section 2.10.

Section 8.3 Breakup Fee and Expense Reimbursement. If this Agreement is terminated pursuant to Section 8.1(h), in addition to the return of Deposit pursuant to Section 2.10, Sellers shall immediately pay Buyer from the proceeds of the Alternate Transaction an expense reimbursement of actual,

necessary and documented out of pocket expenses associated with diligence of the Sellers in connection with Buyer becoming the stalking horse bidder and negotiations and documentation of this Agreement and pleadings and papers related thereto (the “Expense Reimbursement”) and, a breakup fee equal to three percent (3.0%) of the Purchase Price (the “Breakup Fee”); provided that the combined Expense Reimbursement and Breakup Fee shall not exceed five percent (5.0%) of the Purchase Price. Sellers’ obligation to pay the Breakup Fee and Expense Reimbursement pursuant to this Section 8.3 shall be subject to Bankruptcy Court approval and shall survive termination of this Agreement and shall constitute an administrative expense of Sellers to be paid solely out of proceeds of an Alternate Transaction; provided, however, that if Blue Torch submits a Qualified Bid to purchase substantially all of the Purchased Assets through a credit bid of its Secured Debt and any amounts owing under the DIP Agreement, then Sellers shall cause Blue Torch to deposit cash equal to the Breakup Fee and Expense Reimbursement in escrow for the benefit of Buyer in the event such Qualified Bid shall be determined by Sellers and the Bankruptcy Court to be winning bidder to acquire the Purchased Assets, and such escrowed Breakup Fee and Expense Reimbursement shall be paid by Sellers to Buyer via wire transfer of immediately available funds to an account designated by Buyer within one (1) Business Day of the closing of such transaction with Blue Torch. If Buyer is entitled to receipt of the Breakup Fee and Expense Reimbursement pursuant to this Section 8.3, the receipt of the Breakup Fee and Expense Reimbursement shall (i) be paid by wire transfer of immediately available funds to an account designated by Buyer within one (1) Business Day of any such termination and (ii) be the liquidated damages of Buyer and Buyer’s sole and exclusive remedy for the breach by Sellers of this Agreement.

Section 8.4 Effect of Termination.

(a) Except as otherwise expressly set forth in this Agreement, nothing herein shall relieve any Party from Liability for any breach of covenant occurring prior to any termination of this Agreement.

(b) No termination of this Agreement pursuant to Section 8.1 shall be effective until written notice thereof is given to the non-terminating Party specifying the provision hereof pursuant to which such termination is made. If the transactions contemplated hereby are not consummated this Agreement shall become null and void and of no further force and effect (except that Article I (Definitions), Section 2.10 (Earnest Money Deposit), Section 6.10 (Confidentiality), Article IX (Miscellaneous), and this Article VIII (Termination) shall survive any such termination).

(c) Nothing herein shall preclude either of the Parties from exercising their remedies under Section 9.1.

**ARTICLE IX
MISCELLANEOUS**

Section 9.1 Remedies. (i) Each Party recognizes that if such Party breaches or refuses to perform any covenant hereunder, monetary damages alone would not be adequate to compensate the non-breaching Party or Parties for their injuries, (ii) the non-breaching Party or Parties shall therefore be entitled, in addition to any other remedies that may be available, to obtain specific performance of, or to enjoin the violation of, the terms of such covenants, (iii) if any action, claim or proceeding is brought by the non-breaching Party to enforce such covenants, the Party in breach shall waive the defense that there is an adequate remedy at law, (iv) each Party agrees to waive any requirement for the security or posting of any bond in connection with any action, claim or proceeding seeking specific performance of, or to enjoin the violation of, such covenants, and (v) each Party agrees that the only permitted objection that it may raise in response to any action for specific performance of such covenants is that it contests the existence of a breach or threatened breach of such covenants.

Section 9.2 Expenses. Except as otherwise provided in this Agreement or a Related Agreement, Sellers and Buyer shall bear their own expenses, including attorneys' fees, incurred in connection with the negotiation and execution of this Agreement, the Related Agreements and each other agreement, document and instrument contemplated by this Agreement and the consummation of the Contemplated Transactions. Notwithstanding the foregoing, in the event of any action or proceeding to interpret or enforce this Agreement, the prevailing Party in such action or proceeding (i.e., the Party who, in light of the issues contested or determined in the action or proceeding, was more successful) shall be entitled to have and recover from the non-prevailing Party such costs and expenses (including, but not limited to, all court costs and reasonable attorneys' fees) as the prevailing Party may incur in the pursuit or defense thereof.

Section 9.3 Entire Agreement. This Agreement and the Related Agreements constitute the entire agreement among the Parties and supersede any prior understandings, agreements or representations (whether written or oral) by or among the Parties, written or oral, with respect to the subject matter hereof.

Section 9.4 Incorporation of Schedules, Exhibits and Disclosure Schedule. The schedules, appendices and exhibits to this Agreement, and the documents and other information made available in the Disclosure Schedule are incorporated herein by reference and made a part hereof.

Section 9.5 Amendments and Waivers. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by each Party except as expressly provided herein. No waiver of any breach of this Agreement shall be construed as an implied amendment or agreement to amend or modify any provision of this Agreement. No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the Party making such waiver, nor shall such waiver be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent default, misrepresentation or breach of warranty or covenant. No conditions, course of dealing or performance, understanding or agreement purporting to modify, vary, explain or supplement the terms or conditions of this Agreement shall be binding unless this Agreement is amended or modified in writing pursuant to the first sentence of this Section 9.5 except as expressly provided herein. Except where a specific period for action or inaction is provided herein, no delay on the part of any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

Section 9.6 Succession and Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. None of the Parties may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of all Parties; provided, however, that Buyer shall be permitted to assign any of its rights hereunder to one or more of its Affiliates, as designated by Buyer in writing to Sellers; provided, however, Buyer shall remain jointly and severally liable with such Affiliates for all of its obligations under this Agreement after any such assignment; provided, further, that Sellers shall be permitted to assign any of their rights hereunder pursuant to a confirmed Chapter 11 plan or pursuant to an order of the Bankruptcy Court.

Section 9.7 Notices. All notices, requests, demands, claims and other communications hereunder shall be in writing except as expressly provided herein. Any notice, request, demand, claim or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient; (ii) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid); (iii) when sent by email (with written confirmation of transmission); or (iv) three (3) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and addressed to the intended recipient as set forth below:

Section 9.8 Governing Law; Jurisdiction. This Agreement shall in all aspects be governed by and construed in accordance with the internal Laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware, and the obligations, rights and remedies of the Parties shall be determined in accordance with such Laws. The Parties agree that any Litigation one Party commences against any other Party pursuant to this Agreement shall be brought exclusively in the Bankruptcy Court and each of the Parties hereby irrevocably consents to the jurisdiction of the Bankruptcy Court (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in the Bankruptcy Court or that any such suit, action or proceeding which is brought in the Bankruptcy Court has been brought in an inconvenient forum; provided that if the Bankruptcy Court is unwilling or unable to hear any such Litigation, then the courts of the State of Delaware, sitting in New Castle County, Delaware, and

the federal courts of the United States of America sitting in New Castle County, Delaware, shall have exclusive jurisdiction over such Litigation.

Section 9.9 Consent to Service of Process. Each of the Parties hereby consents to process being served by any Party, respectively, in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 9.9.

Section 9.10 WAIVERS OF JURY TRIAL. EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE RELATED AGREEMENTS OR THE CONTEMPLATED TRANSACTIONS OR THEREBY.

Section 9.11 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision, and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability in any one jurisdiction affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.12 No Third Party Beneficiaries. Except with respect to Buyer Releasees pursuant to Section 2.10, this Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns.

Section 9.13 No Survival of Representations, Warranties and Agreements. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then until the close or dismissal of the Chapter 11 Cases, and nothing in this Section 9.13 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Buyer and Sellers acknowledge and agree, on their own behalf and, with respect to Buyer, Buyer Group, that the agreements contained in this Section 9.13 (a) require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing until the close or dismissal of the Chapter 11 Cases; and (b) are an integral part of the transactions contemplated hereby and that, without the agreements set forth in this Section 9.13, none of the Parties would enter into this Agreement.

Section 9.14 Non-Recourse. This Agreement may only be enforced against, and any Litigation based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement. Except to the extent named as a party to this Agreement, and then only to the extent of the specific obligations of such parties set forth in this Agreement, no past, present or future shareholder, member, partner, manager, director, officer, employee, Affiliate, agent or representative of any party to this Agreement will have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties, covenants, agreements or other obligations or

Liabilities of any of the parties to this Agreement or for any Litigation based upon, arising out of or related to this Agreement.

Section 9.15 No Right of Set-Off. Buyer, on its own behalf and on behalf of Buyer Group and its and their respective successors and permitted assigns, hereby waives any rights of set-off, netting, offset, recoupment, or similar rights that Buyer, any member of Buyer Group or any of its or their respective successors and permitted assigns has or may have with respect to the payment of the Purchase Price or any other payments to be made by Buyer pursuant to this Agreement or any other document or instrument delivered by Buyer in connection herewith.

Section 9.16 Construction. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of names and pronouns shall include the plural and vice versa. The word “including” and “include” and other words of similar import shall be deemed to be followed by the phrase “without limitation.” The words “herein,” “hereto” and “hereby,” and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section or other subdivision of this Agreement. Unless expressly stated in connection therewith or the context otherwise requires, the phrase “relating to the Business” and other words of similar import shall be deemed to mean “relating to the operation of the Business as conducted as of the date hereof.” Except as otherwise provided herein, references to Articles, Sections, clauses, subclauses, subparagraphs, Schedules, Exhibits, Appendices and the Disclosure Schedule herein are references to Articles, Sections, clauses, subclauses, subparagraphs, Schedules, Appendices, Exhibits and the Disclosure Schedule of this Agreement. Any reference herein to any Law (or any provision thereof) shall include such Law (or any provision thereof) and any rule or regulation promulgated thereunder, in each case, including any successor thereto, and as it may be amended, modified or supplemented from time to time. Any reference herein to “dollars” or “\$” means United States dollars.

Section 9.17 Computation of Time. In computing any period of time prescribed by or allowed with respect to any provision of this Agreement that relates to Sellers or the Chapter 11 Cases, the provisions of rule 9006(a) of the Federal Rules of Bankruptcy Procedure shall apply.

Section 9.18 Mutual Drafting. Each of the Parties has participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

Section 9.19 Disclosure Schedule. The Disclosure Schedule has been arranged for purposes of convenience in separately numbered Sections corresponding to the Sections of this Agreement and each Section of the Disclosure Schedule will be deemed to be an exception to (or, as applicable, a disclosure for purposes of) (a) the representations and warranties (or covenants, as applicable) of the Sellers that are set forth in the corresponding section or subsection of this Agreement; and (b) other representations and warranties of Seller that are set forth in the Agreement only to the extent that it is reasonably apparent on the face of such disclosure that it is an exception to (or, as applicable, a disclosure for purposes of) such representation or warranty. Capitalized terms used in the Disclosure Schedule and not otherwise defined therein have the meaning given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Disclosure Schedule or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary

Course of Business or consistent with past practice, and no party will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Disclosure Schedule or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or included in this Agreement, the Disclosure Schedule or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course of Business. In addition, matters reflected in the Disclosure Schedule are not necessarily limited to matters required by this Agreement to be reflected in the Disclosure Schedule. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. No information set forth in the Disclosure Schedule will be deemed to broaden in any way the scope of the parties' representations and warranties. Any description of any agreement, document, instrument, plan, arrangement or other item set forth on any Disclosure Schedule is a summary only and is qualified in its entirety by the terms of such agreement, document, instrument, plan, arrangement, or item which terms will be deemed disclosed for all purposes of this Agreement. The information contained in this Agreement, in the Disclosure Schedule and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third party of any matter whatsoever, including any violation of Law or breach of contract.

Section 9.20 Headings; Table of Contents. The Section headings and the table of contents contained in this Agreement and the Disclosure Schedule are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 9.21 Counterparts; Facsimile and Email Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. This Agreement or any counterpart may be executed and delivered by facsimile or email with scan attachment copies, each of which shall be deemed an original.

Section 9.22 Time of Essence. Time is of the essence of this Agreement.

Section 9.23 "AS-IS" TRANSACTION. THE BUYER HEREBY ACKNOWLEDGES AND AGREES THAT, EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN (INCLUDING IN ARTICLE III HEREOF, BUT AS OTHERWISE LIMITED HEREBY), THE SELLERS MAKE NO (AND THE SELLERS EXPRESSLY DISCLAIM AND NEGATE ANY) REPRESENTATIONS OR WARRANTIES OF ANY KIND, WRITTEN OR ORAL, STATUTORY, EXPRESS OR IMPLIED, WITH RESPECT TO THE BUSINESS, THE OPERATION OR CONTINUED OPERATION OF THE BUSINESS, THE PURCHASED ASSETS OR ANY OTHER MATTER WHATSOEVER, INCLUDING INCOME TO BE DERIVED OR EXPENSES TO BE INCURRED IN CONNECTION WITH THE BUSINESS OR THE PURCHASED ASSETS, THE PHYSICAL CONDITION OF ANY PART OF THE PURCHASED ASSETS, THE ENVIRONMENTAL CONDITION OR OTHER MATTER RELATING TO THE PHYSICAL CONDITION OF ANY LEASED REAL PROPERTY, THE ZONING OF ANY SUCH LEASED REAL PROPERTY, THE VALUE OF THE BUSINESS OR THE PURCHASED ASSETS (OR ANY PORTION THEREOF), THE TRANSFERABILITY OF THE PURCHASED ASSETS, THE TERMS, AMOUNT, VALIDITY OR ENFORCEABILITY OF ANY ASSUMED LIABILITIES, THE FUTURE RELATIONSHIP OR STABILITY OF THE CUSTOMERS OR VENDORS OF THE BUSINESS OR OF THE TRANSFERRED EMPLOYEES, THE TITLE OF THE PURCHASED ASSETS (OR ANY PORTION THEREOF), THE MERCHANTABILITY OR FITNESS OF THE PURCHASED ASSETS FOR ANY PARTICULAR PURPOSE, OR ANY OTHER MATTER OR THING RELATING TO THE PURCHASED ASSETS OR THE BUSINESS OR ANY PORTION THEREOF. WITHOUT IN ANY WAY LIMITING THE FOREGOING, EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN (INCLUDING IN ARTICLE III HEREOF, BUT AS OTHERWISE

LIMITED HEREBY), THE SELLERS HEREBY DISCLAIM ANY WARRANTY, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE AS TO ANY PORTION OF THE PURCHASED ASSETS. THE BUYER FURTHER ACKNOWLEDGES THAT EXCEPT FOR ANY REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH HEREIN (INCLUDING IN ARTICLE III HEREOF, BUT AS OTHERWISE LIMITED HEREBY), SUBJECT TO THE BUYER'S RIGHTS UNDER THIS AGREEMENT, THE BUYER WILL ACCEPT THE PURCHASED ASSETS AT THE CLOSING "AS IS," "WHERE IS," AND "WITH ALL FAULTS" AND WITHOUT RECOURSE AGAINST THE SELLERS.

As between the parties to the Letter Agreement, the Letter Agreement not this Agreement shall control.

EXHIBIT C

FORM OF BILL OF SALE

This Bill of Sale, dated as of [____], 2023 (this “Bill of Sale”), is made and entered into by and among **PLASTIQ INC., PLV INC. AND NEARSIDE BUSINESS CORP.**, (“Sellers”) and **PLASTIQ, POWERED BY PRIORITY, LLC**, a Delaware limited liability company (together with its permitted successors, designees and assigns, “Buyer”). Capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the Asset Purchase Agreement, dated as of May 23, 2023 (the “Asset Purchase Agreement”), by and among Buyer and Sellers.

WHEREAS, pursuant to sections 105, 363 and 365 of the Bankruptcy Code and the Asset Purchase Agreement, Sellers have, among other things, agreed to sell, transfer, assign, convey and deliver to Buyer and Buyer has agreed to purchase, acquire and accept from Sellers, upon the terms and conditions set forth in the Asset Purchase Agreement, all of the right, title and interest of Sellers in and to the Purchased Assets, free and clear of all Liens (other than Permitted Liens); and

WHEREAS, Sellers desire to deliver to Buyer such instruments of sale, transfer assignment, conveyance and delivery as are required to vest in Buyer all of Sellers’ right, title and interest in and to the Purchased Assets;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and pursuant to the Asset Purchase Agreement, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Each Seller hereby sells, transfers, assigns, conveys and delivers to Buyer all of its right, title and interest in and to the Purchased Assets, free and clear of all Liens (other than Permitted Liens).
2. From time to time after the Closing Date, each party shall, upon the reasonable request of the other, execute and deliver or cause to be executed and delivered such further instruments of sale, conveyance, assignment, transfer and assumption, and take such further action, as may reasonably be requested in order to more effectively carry out the purposes and intent of the Asset Purchase Agreement and this Bill of Sale.
3. This Bill of Sale is being executed by Sellers and Buyer and shall be binding upon each of Sellers and Buyer, their respective successors and assigns, for the respective uses and purposes herein set forth and referred to, and shall be effective as of the date hereof.
4. No provision of this Bill of Sale, express or implied, is intended or shall be construed to confer upon or give to any Person, other than the parties hereto and their respective successors and permitted assigns, any remedy or claim under or by reason of this Bill of Sale or any term, covenant or condition hereof, and all of the terms, covenants, conditions, promises and agreements contained in this Bill of Sale shall be for the sole and exclusive benefit of each of Sellers and Buyer, their respective successors and permitted assigns.
5. None of the provisions of this Bill of Sale may be amended or waived except if such amendment or waiver is in writing and is signed, in the case of an amendment, by Sellers and Buyer, or in the case of a waiver, by the party(ies) against whom the waiver is to be effective.

6. This Bill of Sale is subject in all respects to the terms and conditions of the Asset Purchase Agreement. Nothing contained in this Bill of Sale shall be deemed to supersede, enlarge or modify any of the representations, warranties, covenants or other agreements contained in the Asset Purchase Agreement, all of which survive the execution and delivery of this Bill of Sale as provided by, and subject to the limitations set forth in, the Asset Purchase Agreement. To the extent any provision of this Bill of Sale is inconsistent with the Asset Purchase Agreement, the provisions of the Asset Purchase Agreement shall govern and control.

7. EXCEPT AS AND TO THE EXTENT PROVIDED IN THE ASSET PURCHASE AGREEMENT, SELLERS EXPRESSLY AND SPECIFICALLY DISCLAIM ANY AND ALL REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS OR IMPLIED, WHETHER ORAL OR WRITTEN, AND WHETHER GIVEN OR MADE OR DEEMED TO HAVE BEEN GIVEN OR MADE AT ANY TIME OR TIMES IN THE PAST, PRESENT OR FUTURE, OF, AS TO, OR CONCERNING THE NATURE OR CONDITION OF THE PURCHASED ASSETS, INCLUDING WITHOUT LIMITATION ANY AND ALL WARRANTIES AS TO THE MERCHANTABILITY OF THE PURCHASED ASSETS OR THE SUITABILITY OR FITNESS OF THE PURCHASED ASSETS FOR ANY PARTICULAR PURPOSE OR FOR ANY PURPOSE.

8. This Bill of Sale shall in all aspects be governed by and construed in accordance with the internal Laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware, and the obligations, rights and remedies of the parties shall be determined in accordance with such Laws.

9. This Bill of Sale may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. This Bill of Sale or any counterpart may be executed and delivered by facsimile or email with scan attachment copies, each of which shall be deemed an original.

FORM OF ASSIGNMENT AND ASSUMPTION AGREEMENT

This Assignment and Assumption Agreement, dated as of [____], 2023 (this “Agreement”), is made and entered into by and among **PLASTIQ INC., PLV INC. AND NEARSIDE BUSINESS CORP.**, (“Sellers”) and **PLASTIQ, POWERED BY PRIORITY, LLC**, a Delaware limited liability company (together with its permitted successors, designees and assigns, “Buyer”). FOUND AND CONCLUDED THAT:³

Findings of Fact, Conclusions of Law, Jurisdiction, Venue, and Final Order

A. The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to the Chapter 11 Cases pursuant to Bankruptcy Rule 9014.

B. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent, any of the following conclusions of law constitute findings of fact, they are adopted as such.

³ All findings of fact and conclusions of law announced by the Bankruptcy Court at the Sale Hearing in relation to the Motion are hereby incorporated to the extent not inconsistent herewith.

C. This Court has jurisdiction to consider the Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding under 28 U.S.C. § 157(b) and the Court may enter a final order consistent with Article III of the United States Constitution. Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

D. This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h), 6006(d), and 7062, and to the extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, this Court expressly finds that there is no just reason for delay in the implementation of this Order and expressly directs entry of this Order as set forth herein which shall not be subject to any stay.

Notice of the Transaction, the Purchase Agreement, Sale Hearing, Bid Deadline, and Cure Amounts

E. As evidenced by the affidavits or declarations of service previously filed with this Court, [Docket Nos. 56, 147 & 188], proper, timely, adequate, and sufficient notice of the Motion, the Bid Deadline (as defined below), the Sale Hearing, the Purchase Agreement (as defined below), the Transaction, and the proposed form of this Order have been provided in accordance with sections 102(1), 363 and 365 of the Bankruptcy Code, and Bankruptcy Rules 2002, 6004, 6006, and 9014. The Debtors have complied with all obligations to provide notice of the Motion, the Bid Deadline, the Sale Hearing, the Purchase Agreement (as defined below), the Transaction, and the proposed form of this Order as required by the Bidding Procedures Order. The aforementioned notices are good, sufficient, and appropriate under the circumstances, and no other or further notice of the Motion, the Bid Deadline, the Sale Hearing, the Purchase Agreement (as defined below), or the Transaction is required for the entry of this Order.

F. A reasonable opportunity to object or to be heard regarding the relief requested in the Motion was afforded to all interested persons and entities.

G. In accordance with the Bidding Procedures Order, and as evidenced by the affidavits or declarations of service previously filed with this Court [Docket Nos. 175 & 184], the Debtors filed and have served the *Notice of Possible Assumption and Assignment of Certain Executory Contracts and Unexpired Leases* [Docket No. 148] on June 27, 2023 (the “**Cure Notice**”) regarding the potential assumption and assignment of the Assumed Contracts and of the amount necessary to cure any defaults pursuant to section 365(b) of the Bankruptcy Code (all such amounts in connection with any Assumed Contract, the “**Cure Amounts**”) upon the non-Debtor counterparties to the Assumed Contracts. The service of the Cure Notice was timely, good, sufficient, and appropriate under the circumstances and consistent with applicable sections and rules of the Bankruptcy Code and Bankruptcy Rules and no further notice need be given in respect of assumption and assignment of the Assumed Contracts, including with respect to adequate assurance of future performance or establishing a Cure Amount for the respective Assumed Contracts. All non-Debtor counterparties to each Assumed Contract set forth in the Cure Notice have had an adequate opportunity to object to assumption and assignment of the applicable Assumed Contract and the Cure Amount set forth in the Cure Notice, and including objections related to the adequate assurance of future performance and objections based on whether applicable law excuses the non-Debtor counterparty from accepting performance by, or rendering performance to, the Purchaser for purposes of section 365(c)(1) of the Bankruptcy Code. The deadline to file an objection to the Cure Amounts or to the assumption and assignment to the Purchaser of any Assumed Contract (a “**Contract Objection**”) has expired, and to the extent, any such entity timely filed a Contract Objection, all such Contract Objections have been resolved,

withdrawn or overruled. To the extent that any such party did not timely file a Contract Objection by the Contract Objection deadline, such party shall be deemed to have consented to (i) the assumption and assignment of the Assumed Contract, and (ii) the proposed Cure Amount set forth on the Contract Notice.

The Stalking Horse Bid

H. On May 23, 2023, the Purchaser and the Debtors entered into that certain Equity and Asset Purchase Agreement that is attached to this Order as Exhibit A (as amended by that certain Amendment No. 1 to Equity and Asset Purchase Agreement (~~“Amendment No. 1”~~) [Docket No. ~~—~~219] (as may amended or modified, “Amendment No. 1”), and including all schedules, exhibits, supplements, and related agreements and documents, the “**Purchase Agreement**”), which provided for, among other things, (a) a cash purchase price of \$27.5 million; (b) the consideration described and as set forth in the Earnout Agreement (as defined in and attached to Amendment No. 1); and (c) the assumption of Assumed Liabilities (collectively, the “**Stalking Horse Bid**”) in exchange for the Purchased Assets.

I. As provided in the Bid Procedures, the Stalking Horse Bid constitutes a Qualified Bid (as defined in the Bidding Procedures).

Highest or Otherwise Best Offer

J. As demonstrated by the evidence proffered or adduced at the Sale Hearing and the representations of counsel made on the record at the Sale Hearing, the Debtors have complied in all respects with the Bidding Procedures Order. The sale was duly noticed and conducted in a non-collusive, fair, and good faith manner and the process set forth in the Bidding Procedures Order afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Assets and assume the Assumed Liabilities. The bid deadline

was July 20, 2023 at 4:00 p.m. (Prevailing Eastern Time) (the “**Bid Deadline**”). No Qualified Bid other than the Stalking Horse Bid was received prior to the Bid Deadline.

K. The Purchased Assets were adequately marketed by the Debtors and their advisors, and the consideration provided by the Purchaser under the Purchase Agreement constitutes the highest and best offer and provides fair and reasonable consideration to the Debtors for the Purchased Assets and the assumption of the Assumed Liabilities. The Stalking Horse Bid presents the best opportunity to maximize and realize the value of the Purchased Assets for the benefit of the Debtors, their estates, and their creditors. The Debtors’ determination that the consideration provided by the Purchaser under the Purchase Agreement constitutes the highest and best offer for the Purchased Assets is a valid and sound exercise of the Debtors’ business judgment.

L. Approval of the Motion and the Purchase Agreement, and the consummation of the Transaction contemplated thereby, are in the best interests of the Debtors, their creditors, their estates, and other parties in interest. The Debtors have demonstrated good, sufficient, and sound business reasons and justifications for entering into the Transaction and the performance of their obligations under the Purchase Agreement.

M. Entry of this Order approving the Purchase Agreement, and all of the provisions thereof, in form and substance consistent with and as required by the terms of the Purchase Agreement, is a condition precedent to the Purchaser’s consummation of the Transaction.

N. The Purchase Agreement was not entered into, and neither the Debtors nor the Purchaser has entered into the Purchase Agreement, or proposes to consummate the Transaction, for the purpose of hindering, delaying, or defrauding the Debtors’ present or future creditors. Neither the Debtors nor the Purchaser is entering into the Purchase Agreement, or proposing to consummate the Transaction, fraudulently, for the purpose of statutory or common law fraudulent

conveyance and fraudulent transfer claims whether under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof or the District of Columbia or any other applicable jurisdiction with laws substantially similar to the foregoing.

O. The terms and conditions set forth in the Purchase Agreement, including the form and amount of total consideration to be realized by the Debtors pursuant to the Purchase Agreement: (i) are in the best interests of the Debtors' creditors and estates; and (ii) constitute fair value, full and adequate consideration, reasonably equivalent value, and reasonable market value for the Purchased Assets.

P. The Purchaser is the Successful Bidder for the Purchased Assets in accordance with the Bidding Procedures Order. The Purchaser has complied in all respects with the Bidding Procedures Order and any other applicable order of this Court in negotiating and entering into the Purchase Agreement, and the sale and the Purchase Agreement likewise comply with the Bidding Procedures Order and any other applicable order of this Court.

Good Faith of the Debtors and the Purchaser

Q. The sale process conducted by the Debtors, including, without limitation, the Bidding Procedures set forth in the Bidding Procedures Order and the Purchaser's participation in that process, was at arm's length, non-collusive, and in good faith.

R. The Purchase Agreement and the Transaction contemplated thereunder were proposed, negotiated, and entered into by and among the Debtors and the Purchaser without collusion, in good faith, and at arm's length.

S. Neither the Purchaser nor any of its Affiliates, present or contemplated members, officers, directors or shareholders is an "insider" of the Debtors, as the term "insider" is defined in section 101(31) of the Bankruptcy Code. The Purchaser is entering into the Transaction in good

faith and is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code, and is therefore entitled to the full protection of that provision, and otherwise has proceeded in good faith in all respects in connection with the Chapter 11 Cases and the Transaction. Neither the Debtors, the Purchaser, nor any Affiliate of either have engaged in any action or inaction that would cause or permit the Purchase Agreement or the Transaction to be avoided or impose any costs or damages under section 363(n) of the Bankruptcy Code.

T. The Purchaser is a “good faith purchaser” and is acting in good faith within the meaning of Section 363(m) of the Bankruptcy Code and, as such, is entitled to all the protections afforded thereby. The Purchaser has proceeded in good faith in all respects in that, among other things: (i) the Purchaser recognized that the Debtors were free to deal with any other party interested in acquiring the Purchased Assets; (ii) the Purchaser complied with the provisions of the Bidding Procedures Order; (iii) the Purchaser’s bid was subjected to an open marketing process and competitive Bidding Procedures as set forth in the Bidding Procedures Order; and (iv) all payments to be made by the Purchaser and all other material agreements or arrangements entered into by the Purchaser and the Debtors in connection with the Transaction have been disclosed and are appropriate. The sale price in respect of the Purchased Assets was not controlled by any agreement among potential bidders and neither the Debtors nor the Purchaser has engaged in collusion or any conduct that would cause or permit the Purchase Agreement to be avoided or costs and damages to be imposed under Section 363(n) of the Bankruptcy Code.

The Requirements of Section 363 Are Satisfied

U. The Debtors have demonstrated a sufficient basis and compelling circumstances requiring the Debtors to (i) enter into the Purchase Agreement; (ii) sell the Purchased Assets; and (iii) assume and assign the Assumed Contracts, and such actions are appropriate exercises of the

Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors. Such business reasons include, without limitation, the fact that: (i) the Purchase Agreement constitutes the highest and best offer for the Purchased Assets; (ii) the Purchase Agreement presents the best opportunity to maximize and realize the value of the Purchased Assets for the benefit of the Debtors, their estates and their creditors; and (iii) unless the sale is concluded expeditiously, the recoveries to the Debtors' estates and constituencies are likely to be adversely affected and there is a significant risk that a substantial amount of liabilities that will be assumed by the Purchaser under the Purchase Agreement will not be satisfied.

V. The Purchase Agreement and any related documents are valid and binding contracts between the Debtors and the Purchaser and shall be enforceable pursuant to their terms.

W. The Purchased Assets constitute property of the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code and title thereto is presently vested in the Debtors' estates.

X. The sale of all Purchased Assets to the Purchaser under the terms of the Purchase Agreement satisfies the applicable provisions of section 363(f) of the Bankruptcy Code, and except as expressly provided in the Purchase Agreement: (i) the transfer of the Purchased Assets to the Purchaser and (ii) the assumption or assignment to the Purchaser or an Affiliate of the Purchaser of the Assumed Contracts and the Assumed Liabilities, in each case, will be free and clear of any and all Liens, Claims, Excluded Liabilities (each as defined in the Purchase Agreement) and other interests of any kind or nature whatsoever, whether arising prior to or subsequent to the commencement of these Chapter 11 Cases, whether known or unknown, and whether imposed by agreement, understanding, law, equity or otherwise arising under or out of, in connection with, or in any way related to the Debtors, the Purchased Assets, the operation of the Debtors' businesses

on or prior to the Closing pursuant to the Purchase Agreement, or the transfer of the Purchased Assets to the Purchaser, because, in each case, on or more of the standards set forth in Sections 363(f)(1)-(5) of the Bankruptcy Code have been satisfied,⁴ (provided, however, that nothing herein shall be deemed or construed as a ruling or determination that the Assumed Liabilities encumber the Purchased Assets) and will not subject the Purchaser, any Affiliates of Purchaser or any their respective officers, directors, representatives, controlling persons, members, employees, agents, representatives, shareholders, partners, successors and assigns or any of their respective assets (including the Purchased Assets), to any liability for any Liens or Claims whatsoever (including, without limitation, under any theory of equitable law, antitrust, setoff (except with respect to setoffs that were effected prior to the Petition Date), or successor or transferee liability.

Y. The Purchaser would not have entered into the Purchase Agreement and would not consummate the Transaction, thus adversely affecting the Debtors, their estates, their creditors, their employees, and other parties in interest, if the sale of the Purchased Assets was not free and clear of any and all Liens and Claims (other than Permitted Liens), or if the Purchaser would be, or in the future could be, liable for any Liens or Claims, including, without limitation and as applicable, certain liabilities that expressly are not assumed by the Purchaser as set forth in the Purchase Agreement or in this Order. A sale of the Purchased Assets other than one free and clear of all such Liens and Claims would adversely impact the Debtors and their estates and creditors, and would yield substantially less value for the Debtors' estates, with less certainty than the Transaction.

⁴ The DIP Secured Parties and the Prepetition Secured Parties (each as defined in the Final DIP Order) have consented to the Sale of the Purchased Assets free and clear of their Liens and Claims on the terms set forth herein (including paragraph 5 of this Order).

Z. The transfer of the Purchased Assets to the Purchaser under the Purchase Agreement is a legal, valid, and effective transfer of all of the legal, equitable, and beneficial right, title, and interest in and to the Purchased Assets free and clear of any and all Liens and Claims (other than Permitted Liens and Assumed Liabilities).

AA. The Purchaser is not deemed to be a successor to the Debtors or their estates by reason of any theory of law or equity, and the Purchaser shall not assume or in any way be responsible for any liability or obligation of any of the Debtors or their estates by reason thereof. The Purchaser is not deemed to be a continuation or substantial continuation of the Debtors or their estates, and there is no continuity between the Purchaser and the Debtors. The Purchaser does not have a common identity of incorporators, directors, officers, or equity holders with the Debtors.

BB. There is no legal or equitable reason to delay the Transaction. The Transaction must be approved and consummated promptly to preserve and maximize the value of the Debtors' Assets.

CC. The Debtors have demonstrated both (i) good, sufficient, and sound business purposes and justifications, and (ii) compelling circumstances for the Transaction pursuant to section 363(b) of the Bankruptcy Code prior to, and outside of, a plan of reorganization in that, among other things, absent the immediate consummation of the Transaction, the value of the Purchased Assets will be harmed. To maximize the value of the Purchased Assets, it is essential that the Transaction occur within the timeframe set forth in the Purchase Agreement. Time is of the essence in consummating the Transaction. Accordingly, there is good cause to waive the stay contemplated by Bankruptcy Rules 6004(h) and 6006(d). In addition, the Court finds that there are no unresolved objections that might form the basis for an appealable issue.

DD. The sale and assignment of the Purchased Assets outside of a Chapter 11 plan pursuant to the Purchase Agreement neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a liquidating plan for the Debtors. Neither the Purchase Agreement nor the Transaction contemplated thereby constitutes a *sub rosa* chapter 11 plan.

Assumption and Assignment of the Assumed Contracts

EE. The assumption and assignment of the Assumed Contracts (as such Assumed Contracts may be amended, supplemented, or otherwise modified as provided in the Purchase Agreement) that are designated for assumption and assignment pursuant to the terms of the Purchase Agreement is integral to the Purchase Agreement, is in the best interests of the Debtors and their estates, creditors, and other parties in interest, and represents the reasonable exercise of sound and prudent business judgment by the Debtors.

FF. The Debtors have met all requirements of section 365 of the Bankruptcy Code for each of the Assumed Contracts. The Debtors will have (i) cured or provided adequate assurance of cure of any default existing prior to the consummation of the Transaction contemplated by the Purchase Agreement (the “**Closing**”) under all of the Assumed Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code and (ii) provided compensation or adequate assurance of compensation to any counterparty to an Assumed Contract for actual pecuniary loss to such entity resulting from a default prior to the Closing under any of the Assumed Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code. The assignment of each of the Assumed Contracts is free and clear of any and all Liens and Claims, except as expressly permitted in the Purchase Agreement.

GG. The Purchaser has demonstrated adequate assurance of future performance under the relevant Assumed Contracts within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code. Pursuant to section 365(f) of the Bankruptcy Code, the Assumed Contracts to be assumed and assigned under the Purchase Agreement shall be assigned and transferred to the Purchaser (in accordance with the timing specified in the Purchase Agreement), and remain in full force and effect for the benefit of the Purchaser, notwithstanding any provision in the contracts or other prohibitions or restrictions, including applicable non-bankruptcy law, prohibiting or conditioning their assignment or transfer.

HH. No defaults exist in the Debtors' performance under the Assumed Contracts as of the date of this Order other than the failure to pay amounts equal to the Cure Amounts or defaults that are not required to be cured as contemplated in section 365(b)(1)(A) of the Bankruptcy Code.

IT IS HEREBY ORDERED THAT:

General Provisions

1. The Motion is granted and approved as set forth herein. The Debtors are authorized and directed to (a) sell the Purchased Assets to the Purchaser and (b) transfer, assign and convey the Purchased Assets, including the Assumed Contracts to the Purchaser, in each case in accordance with the Purchase Agreement.

2. All objections to the Motion or the relief requested therein that have not been withdrawn, waived, or settled as announced to the Court at the Sale Hearing, or by stipulation filed with the Court, or as resolved in this Order, and all reservations of rights included therein, are hereby overruled on the merits with prejudice. All non-Debtor counterparties to the Assumed Contracts that failed to timely object thereto are deemed to consent to the relief sought therein. All holders of Liens and Claims who did not object, or withdrew their objections to the Transaction, are deemed to have consented to the Transaction pursuant to section 363(f)(2) of the

Bankruptcy Code, and all holders of Liens and Claims are adequately protected – thus satisfying section 363(e) of the Bankruptcy Code.

Approval of the Purchase Agreement

3. The Purchase Agreement, all of the terms and conditions thereof, and the Transaction contemplated therein are approved in all respects. The failure specifically to include any particular provision of the Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent that the Purchase Agreement be authorized and approved in its entirety. The transfer of the Purchased Assets by the Debtors to the Purchaser shall be a legal, valid, and effective transfer of the Purchased Assets. The consummation of the Transaction is hereby approved and authorized under section 363(b) and (f) of the Bankruptcy Code. The automatic stay pursuant to section 362 of the Bankruptcy Code, to the extent applicable, is hereby modified to allow the Purchaser to enforce its rights pursuant to the Purchase Agreement and this Order.

4. The Debtors are authorized to (a) take any and all actions necessary or appropriate to perform, consummate, implement, and close the Transaction, including the sale to the Purchaser of the Purchased Assets, in accordance with the terms and conditions set forth in the Purchase Agreement and this Order, including, without limitation, executing, acknowledging, and delivering such deeds, assignments, conveyances, and other assurance, documents, and instruments of transfer and taking any action for purposes of assigning, transferring, granting, conveying, and confirming to the Purchaser, or reducing to possession, any or all of the Purchased Assets, and entering into any other agreements related to implementing the Transaction, and (b) to assume and assign all Assumed Contracts to the Purchaser in accordance with the timing set forth in the Purchase Agreement.

Sale and Transfer Free and Clear of all Liens and Claims

6. Except as otherwise expressly provided in the Purchase Agreement solely with respect to Assumed Liabilities and Permitted Liens, if any, the Purchased Assets shall be sold to the Purchaser free and clear of any and all Liens and Claims, liabilities, interests, rights, and encumbrances of any kind whatsoever, including, without limitation, any escheat claims or obligations of the Debtors arising prior to the Closing, rights of setoff (except with respect to setoffs that were validly effected prior to the Petition Date), and all other matters of any kind and

nature, whether known or unknown, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, whether arising prior to or subsequent to the commencement of the Chapter 11 Cases (but, for the avoidance of doubt, in each case arising from the ownership or the operation of the Purchased Assets prior to the date of the Closing (the “**Closing Date**”)), and any consensual or nonconsensual lien, statutory lien, real or personal property lien, mechanics’ lien, materialmans’ lien, warehousemans’ lien, tax lien, and any and all “liens” as that term is defined and used in the Bankruptcy Code, including section 101(37) thereof. All Liens and Claims, and interests from which the Purchased Assets are sold free and clear shall attach to the proceeds of the sale of the Purchased Assets to be received by the Debtors in the same order and priority that such Liens and Claims and interests had prior to the Closing.

7. All of the Debtors’ right, title, and interest in and to, and possession of, the Purchased Assets shall be immediately vested in the Purchaser as set forth in the Purchase Agreement, pursuant to sections 105(a), 363(b), 363(f), and 365 of the Bankruptcy Code free and clear of any and all Liens and Claims except for Assumed Liabilities and Permitted Liens. Such transfer shall constitute a legal, valid, binding, and effective transfer of such Purchased Assets to Purchaser.

8. This Order: (i) shall be effective as a determination that as of the Closing, (a) no Liens or Claims (other than Assumed Liabilities and Permitted Liens) will be capable of being asserted against the Purchaser, any Affiliates of Purchaser or any their respective officers, directors, representatives, controlling persons, members, employees, agents, representatives, shareholders, partners, successors and assigns or any of their respective assets (including the Purchased Assets), (b) the Purchased Assets shall have been transferred to the Purchaser free and clear of any and all Liens and Claims, except for Assumed Liabilities and Permitted Liens, if any,

and as provided for in the Purchase Agreement, and (c) the conveyances described herein have been effected; and (ii) is and shall be binding upon and govern the acts of all entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, registrars of patents, trademarks, or other intellectual property, administrative agencies, governmental departments, secretaries of state, federal and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title; and each of the foregoing persons and entities is hereby authorized and directed to accept for filing any and all of the documents and instruments necessary or appropriate to consummate the transactions contemplated by the Purchase Agreement.

9. Except as otherwise expressly provided in the Purchase Agreement and with respect to the Assumed Liabilities and Permitted Liens, if any, all persons and entities (and their respective successors and assigns), including, without limitation, all debt security holders, equity security holders, Affiliates, governmental, tax and regulatory authorities, lenders, customers, vendors, employees, trade creditors, litigation claimants, and other creditors holding Liens or Claims arising under or out of, in connection with, or in any way relating to, the Debtors, the Purchased Assets, the ownership, sale, or operation of the Purchased Assets prior to Closing or the transfer of the Purchased Assets to the Purchaser are hereby forever barred and estopped from asserting such Liens and Claims against the Purchaser, any Affiliates of Purchaser or any their respective officers, directors, representatives, controlling persons, members, employees, agents, representatives, shareholders, partners, successors or assigns or any of their respective assets (including the Purchased Assets).

10. If any person or entity that has filed financing statements, mortgages, *lis pendens* or other documents or agreements evidencing Liens or Claims against or in the Purchased Assets shall not have delivered to the Debtors prior to the Closing of the Transaction, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Encumbrances that the person or entity has with respect to the Purchased Assets or otherwise, then only with regard to the Purchased Assets that are purchased by the Purchaser pursuant to the Purchase Agreement and this Order: (i) the Debtors are hereby authorized and directed to execute and file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Purchased Assets; (ii) the Purchaser is hereby authorized to file, register, or otherwise record a certified copy of this Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Liens and Claims against the Purchaser and the Purchased Assets; and (iii) the Purchaser may seek in this Court or any other court to compel appropriate parties to execute termination statements, instruments of satisfaction, and releases of all Liens and Claims with respect to the Purchased Assets other than Assumed Liabilities and Permitted Liens, if any. This Order is deemed to be in recordable form sufficient to be placed in the filing or recording system of each and every federal, state, or local government agency, department, or office. Notwithstanding the foregoing, the provisions of this Order authorizing the sale and assignment of the Purchased Assets free and clear of any and all Liens and Claims shall be self-executing, and neither the Debtors nor the Purchaser shall be required to execute or file releases, termination statements, assignments, consents, or other instruments to effectuate, consummate, and implement the provisions of this Order.

11. To the maximum extent permitted by applicable law, the Purchaser shall be authorized, as of the Closing Date, to operate under any license, permit, registration, and

governmental authorization or approval (collectively, the “**Licenses**”) of the Debtors with respect to the Purchased Assets, and all Licenses are deemed to have been, and hereby are directed to be, transferred to the Purchaser pursuant to the Purchase Agreement. To the extent any Licenses cannot be transferred to the Purchaser in accordance with the previous sentence, such Licenses: (i) shall be in effect while the Purchaser, with assistance from the Debtors, works promptly and diligently to apply for and secure all necessary government approvals for the transfer or issuance of new Licenses to the Purchaser; and (ii) shall terminate on a license-by-license basis following issuance of a new License to the Purchaser.

12. Nothing in this Order or the Purchase Agreement releases, nullifies, precludes or enjoins the enforcement of any police or regulatory liability to a governmental unit that any entity would be subject to as owner or operator of property sold or transferred pursuant to this Order after the occurrence of the Closing Date (with respect to such property), *provided, however*, that the foregoing shall not limit, diminish or otherwise alter the Debtors’ or the Purchaser’s defenses, claims, causes of action, or other rights under applicable non-bankruptcy law with respect to any liability that may exist to a governmental unit at such owned or operated property. Nothing in this Order or the Purchase Agreement authorizes the transfer or assignment of any governmental (i) license, (ii) permit, (ii) registration, (iv) authorization, or (v) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law. To the extent provided by section 525 of the Bankruptcy Code, a governmental unit may not deny, revoke, suspend, or refuse to renew any permit, license, or similar grant to a person that is or has been a bankrupt or a debtor under the Bankruptcy Code, or another person with whom such bankrupt or debtor has been associated, solely because such bankrupt or debtor is or has been a bankrupt or debtor under the Bankruptcy Code, has been

insolvent before the commencement of the case under the Bankruptcy Code, or during the case but before the debtor is granted or denied a discharge, or has not paid a debt that is dischargeable in the case under the Bankruptcy Code or that was discharged under the Bankruptcy Code. Nothing in this Order divests any tribunal of any jurisdiction it may have under police or regulatory law to interpret this Order or to adjudicate any defense asserted under this Order, subject to the Debtors' and the Purchaser's rights to assert in that forum or before this Court that any such laws are not in fact police or regulatory law or that the matter should be heard by the Bankruptcy Court.

13. Unless otherwise provided herein or the Purchase Agreement, all persons and entities that are in possession of some or all of the Purchased Assets as of the Closing Date are directed to surrender possession of such Purchased Assets to the Purchaser on the Closing Date. All persons or entities are prohibited from taking any action to adversely affect or interfere with the ability of the Debtors to transfer the Purchased Assets to the Purchase in accordance with the Purchase Agreement.

No Successor or Transferee Liability

14. Neither the Purchaser, nor any Affiliate, successor, or assignee of the Purchaser, shall be deemed, as a result of any action taken in connection with the Purchase Agreement, the consummation of the Transaction contemplated by the Purchase Agreement, or the transfer or operation of the Purchased Assets, including the Assumed Contracts, to: (i) be a legal successor, or otherwise be deemed a successor to the Debtors; (ii) have, *de facto* or otherwise, merged with or into the Debtors; (iii) be an alter ego or a mere continuation or substantial continuation of the Debtors including, without limitation, within the meaning of any foreign, federal, state, or local revenue law, pension law, the Employee Retirement Income Security Act, the Consolidated Omnibus Budget Reconciliation Act (“**COBRA**”), the WARN Act (29 U.S.C. §§ 2101 et seq.)

(“**WARN**”), the Comprehensive Environmental Response Compensation and Liability Act (“**CERCLA**”), the Fair Labor Standard Act, Title VII of the Civil Rights Act of 1964 (as amended), the Age Discrimination and Employment Act of 1967 (as amended), the Federal Rehabilitation Act of 1973 (as amended), the National Labor Relations Act, 29 U.S.C. § 151, *et seq.* (the “**NLRA**”); or (iv) be liable for any environmental liabilities, debts, claims, or obligations arising from conditions first existing on or prior to Closing (including, without limitation, the presence of hazardous, toxic, polluting, or contaminating substances or wastes), which may be asserted on any basis, including, without limitation, under CERCLA, any liabilities, debts, or obligations of or required to be paid by the Debtors for any taxes of any kind for any period, labor, employment, or other law, rule or regulation (including, without limitation, filing requirements under any such laws, rules, or regulations), any escheat liabilities arising prior to the Closing, or under any products liability or consumer protection law or doctrine with respect to the Debtors’ liability under such law, rule, or regulation or doctrine.

15. Other than as expressly set forth in the Purchase Agreement solely with respect to Assumed Liabilities and Permitted Liens, if any, neither the Purchaser, nor any Affiliate, successor, or assignee of the Purchaser shall have any responsibility for (i) any liability or other obligation of the Debtors or related to the Purchased Assets or (ii) any Liens or Claims against the Debtors, any of their predecessors or Affiliates, or the Purchased Assets. Other than as expressly set forth in the Purchase Agreement solely with respect to Assumed Liabilities and Permitted Liens, if any, neither the Purchaser, nor any Affiliate, successor, or assignee of the Purchaser, shall have any liability whatsoever with respect to the Debtors’ (or their predecessors’ or Affiliates’) businesses or operations or any of the Debtors’ (or their predecessors’ or Affiliates’) obligations based, in whole or part, directly or indirectly, on any theory of successor or vicarious liability of

any kind or character, or based upon any theory of antitrust, environmental, successor or transferee liability, *de facto* merger or substantial continuity, labor and employment or products liability, whether known or unknown as of the Closing, now existing or hereafter arising, asserted or unasserted, fixed or contingent, liquidated or unliquidated, including, without limitation, (i) liabilities on account of any taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the ownership or operation of the Purchased Assets prior to the Closing; (ii) liabilities or obligations under WARN; (iii) escheat liabilities arising prior to Closing; or (iv) liabilities or obligations under CERCLA, or any foreign, federal, state, or local labor, employment, or environmental law whether of similar import or otherwise by virtue of the Purchaser's purchase of the Purchased Assets or assumption of the Assumed Liabilities by the Purchaser or an Affiliate of the Purchaser (all liabilities described in paragraph 14 and paragraph 15 of this Order, "**Successor or Transferee Liability**").

16. Effective upon the Closing, except with respect to Assumed Liabilities and Permitted Liens, if any, all persons and entities are forever prohibited from commencing or continuing in any matter any action or other proceeding, whether in law or equity, in any judicial, administrative, arbitral, or other proceeding against the Purchaser, any Affiliates of Purchaser or any their respective officers, directors, representatives, controlling persons, members, employees, agents, representatives, shareholders, partners, successors and assigns or any of their respective assets (including the Purchased Assets), with respect to any (i) Lien or Claim or (ii) Successor or Transferee Liability, including, without limitation, the following actions with respect to clauses (i) and (ii): (a) commencing or continuing any action or other proceeding pending or threatened; (b) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (c) creating, perfecting, or enforcing any Lien or Claim; (d) asserting any setoff (except with

respect to setoffs that were effected prior to the Petition Date), right of subrogation, or recoupment of any kind; (e) commencing or continuing any action, in any manner or place, that does not comply with, or is inconsistent with, the provisions of this Order or other orders of this Court, or the agreements or actions contemplated or taken in respect hereof; or (f) revoking, terminating, or failing or refusing to renew any license, permit, or authorization to operate any of the Purchased Assets or conduct any of the businesses operated with such Purchased Assets.

17. This Order shall be effective as a determination that, as of Closing, all Liens and Claims (other than Permitted Liens and Assumed Liabilities) have been unconditionally released, discharged, and terminated as to the Purchaser and Purchased Assets.

Good Faith of the Purchaser

18. The Purchaser is a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of section 363(m) of the Bankruptcy Code. The Transaction contemplated by the Purchase Agreement is undertaken by the Purchaser without collusion and in good faith, as that term is defined in section 363(m) of the Bankruptcy Code.

19. Neither the Debtors, the Purchaser nor any Affiliate of either the Debtors or the Purchaser have engaged in any collusion with other bidders or other parties or have taken any other action or inaction that would cause or permit the Transaction to be avoided or costs or damages to be imposed under section 363(n) of the Bankruptcy Code or otherwise. The consideration provided by the Purchaser for the Purchased Assets under the Purchase Agreement is fair and reasonable and is not less than the value of such Purchased Assets, and the Transaction may not be avoided under section 363(n) of the Bankruptcy Code.

20. The Purchaser is not an “insider” of any of the Debtors as that term is defined in section 101(31) of the Bankruptcy Code.

Assumption and Assignment of Assumed Contracts

21. To the extent that any entity did not timely file a Contract Objection by the Contract Objection Deadline with respect to any Assumed Contract set forth on the Cure Notice, such entity shall forever be barred and estopped from objecting: (i) to the Cure Amounts as the amount to cure all defaults to satisfy section 365 of the Bankruptcy Code and from asserting that any additional amounts are due or defaults exist; (ii) that any conditions to assumption and assignment must be satisfied under such Contract or Lease before it can be assumed and assigned or that any required consent to assignment has not been given; or (iii) that the Purchaser has not provided adequate assurance of future performance as contemplated by section 365 of the Bankruptcy Code.

22. The assumption and assignment of the Assumed Contracts is approved, including, for the avoidance of doubt, the timing set forth in the Purchase Agreement. The Debtors are authorized to assume and assign each of the Assumed Contracts to the Purchaser or an Affiliate of the Purchaser upon the Closing of the Transaction (or thereafter, in accordance with the Purchase Agreement and this Order), free and clear of all Liens and Claims, other than Assumed Liabilities and Permitted Liens, if any. The payment of the applicable Cure Amounts, if any, by the Purchaser, in accordance with the Purchase Agreement shall, in accordance with section 365(b) of the Bankruptcy Code, (i) cure all defaults under the Assumed Contracts as contemplated by section 365 of the Bankruptcy Code as of the Closing Date, (ii) compensate for any actual pecuniary loss to such non-Debtor counterparty resulting from such default, and (iii) together with the assumption of the Assumed Contracts by the Debtors and the assignment of the Assumed Contracts to the Purchaser or an Affiliate of the Purchaser, constitute adequate assurance of future performance

thereof. The Cure Amounts, if any, and any payments made to the counterparties under the Assumed Contracts prior to the assumption of the Assumed Contracts shall be deemed payments that were required to be made in full as part of the obligation to assume and assign the Assigned Contracts under this Sale Order and the Purchase Agreement.

23. Pursuant to section 365(f) of the Bankruptcy Code, subject to the payment of the applicable Cure Amounts by the Purchaser, if any, the Assumed Contracts to be assumed and assigned under the Purchase Agreement shall be assigned and transferred to, and remain in full force and effect for the benefit of, the Purchaser notwithstanding any provision in the contracts or other restrictions, whether under applicable non-bankruptcy law or otherwise, prohibiting or conditioning their assignment or transfer. Any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract or allow the counterparty to such Assumed Contract to terminate, recapture, impose any penalty or fee or other financial accommodation to the non-debtor counterparty, accelerate, increase any rate, condition on renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract, constitute unenforceable anti-assignment provisions that are void and of no force and effect. Subject to the payment of the applicable Cure Amounts, if any, by the Purchaser, all other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Purchaser or an Affiliate of the Purchaser of the Assumed Contracts have been satisfied.

24. Upon taking assignment of the Assumed Contracts and the payment of the relevant Cure Amounts, if any, the Purchaser shall be deemed to be substituted for the Debtors as a party to the applicable Assumed Contracts and the Debtors shall be released, pursuant to section 365(k) of the Bankruptcy Code, from any liability under the Assumed Contracts. There shall be no

assignment fees, increases, or any other fees charged to the Purchaser or the Debtors as a result of the assumption and assignment of the Assumed Contracts. The failure of the Debtors or the Purchaser to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such terms or conditions or of the right of the Debtors or the Purchaser, as the case may be, to enforce every term and condition of such Assumed Contract. The validity of the assumption and assignment of any Assumed Contract to the Purchaser shall not be affected by any existing dispute between the Debtors and any counterparty to such Assumed Contract.

25. The assignments of each of the Assumed Contracts are made in good faith under sections 363(b) and (m) of the Bankruptcy Code and shall be free and clear of any and all Liens and Claims pursuant to section 363(f) of the Bankruptcy Code.

26. ~~{~~Within five days following (i) the closing of the transactions contemplated under the Purchase Agreement ~~or~~, or (ii) the Contract Designation Period, as applicable, the Debtors shall file a notice identifying the Assumed Contracts that were assumed and assigned to Purchaser and shall serve the same on all counterparties to the Assumed Contracts.~~}~~

Other Provisions

27. ~~{~~The Debtors, including their professionals and advisors, and Purchaser shall cooperate in good faith subsequent to the closing of the transactions contemplated under the Purchase Agreement to (i) effectuate the sale and transfer of the Purchased Assets, including without limitation the assignment of the Assumed Contracts, (ii) undertake accounting, tax, employee and human resource matters attendant to the sale and the Debtors' winding up their affairs and closing their estates, and (iii) address certain payables associated with the Assumed Liabilities and Assumed Contracts that may need to be paid at or shortly after Closing but where Purchaser is not yet able to make such payments directly to the corresponding counterparties. ~~}~~

28. As set forth on the record at the Sale Hearing, the Committee Objection has been resolved pursuant to the following settlement (the “Settlement”), which is hereby approved and effective as of the entry of this Order and shall be incorporated in the Combined Disclosure Statement and Joint Chapter 11 Plan of Plastiq Inc. and its Affiliated Debtors (the “Plan”):

- a) If, as, and when Colonnade Acquisition Corp. II (“Colonnade”) receives from Priority the initial payment of \$1,000,000 at Closing in accordance with the terms of the Letter Agreement, Colonnade shall promptly make a cash payment to the Debtors’ estates in the amount of 30% of such cash payment actually received from Priority, for distribution in accordance with the Final DIP Order and the Plan. Colonnade shall be granted an allowed claim in the amount of \$9,000,000, which claim shall be classified as a general unsecured claim to share ratably with other holders of allowed unsecured claims under the Plan.
- b) ~~28. As provided for in the Letter Agreement, effective upon Closing, Colonnade Acquisition Corp. II (“Colonnade”) Except as otherwise provided in this paragraph 28, Colonnade~~ fully and forever releases and discharges the Debtors ~~and Buyer~~, including their ~~respective~~ affiliates, subsidiaries, officers, directors, shareholders, agents, attorneys, advisors, and employees, past and present (collectively, the “~~Colonnade Estate Released Parties~~”), from any and all claims, demands, liens, agreements, contracts, covenants, suits, actions, causes of action, obligations, controversies, debts, costs, expenses, damages, judgements, orders and liabilities, of any kind and of every nature whatsoever, direct or indirect, whether known or unknown, or whether asserted or unasserted, which Colonnade now has against the Purchased Assets or the

~~Colonnade Released Parties, or hereafter can, shall or may have, arising from or relating to that certain Agreement and Plan of Merger by and between Colonnade and Plastiq, dated as of August 3, 2022 (the “Merger Agreement”). Notwithstanding the foregoing, the foregoing release shall not deprive or extinguish Colonnade’s right to defensively assert rights, counter-claims and defenses in any litigation brought against Colonnade in connection with the Merger Agreement or otherwise, including, without limitation, any right of recoupment or set off, all such rights, counter-claims and defenses being expressly preserved and reserved by Colonnade.~~ Estate Released Parties.

- c) Each of the Debtors, their bankruptcy estates, and the Committee fully and forever release and discharge Colonnade, including its respective affiliates, subsidiaries, officers, directors, shareholders, agents, attorneys, advisors, and employees, past and present (collectively, the “Colonnade Released Parties”), from any and all claims, demands, liens, agreements, contracts, covenants, suits, actions, causes of action, obligations, controversies, debts, costs, expenses, damages, judgements, orders and liabilities, of any kind and of every nature whatsoever, direct or indirect, whether known or unknown, or whether asserted or unasserted, which the Debtors or their estates now have against the Colonnade Released Parties.
- d) For the avoidance of doubt, except as expressly set forth in this paragraph 28, nothing in this paragraph 28 shall alter, modify or affect any other term or provision of the Letter Agreement, including (i) the rights and interests provided therein and (ii) the releases provided by Colonnade in favor of the Buyer Parties (as defined in the Letter Agreement).

29. ~~29.~~ The terms and provisions of the Purchase Agreement, including any ancillary or related documents, and this Order shall be binding in all respects upon the Debtors, the Debtors' estates, their creditors, any affected third parties, all holders of equity interests in the Debtors, all holders of any claims, whether known or unknown, against the Debtors, any holders of Liens against or on all or any portion of the Purchased Assets, including, but not limited to all contract counterparties, leaseholders, governmental units, and any trustees, examiners, administrators, responsible officers, estate representatives, or similar entities for the Debtors, if any, subsequently appointed in any of the Debtors' Chapter 11 Cases or upon a conversion of any of the Debtors' Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, and each of their respective Affiliates, successors and assigns. The Purchase Agreement and this Order shall inure to the benefit of the Debtors, the Debtors' estates, creditors, the Purchaser, and their respective successors or assigns. The Purchase Agreement, the Transaction and this Order shall not be subject to rejection or avoidance by the Debtors, the Debtors' estates, creditors, its equity interest holders, or any trustee, examiner or receiver.

30. ~~30.~~ The Purchase Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto and in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment, or supplement does not have a material adverse effect on the Debtors' estates.

31. ~~31.~~ The Court shall retain exclusive jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order and the Purchase Agreement, all amendments thereto, and any waivers and consents thereunder and each of the agreements executed in connection therewith to which the Debtors are a party and to adjudicate, if necessary, any and all disputes concerning or relating in any way to the Transaction or this Order. This Court

retains jurisdiction to compel delivery of the Purchased Assets, to protect the Purchaser (and its assets, including the Purchased Assets) and its Affiliates, designees, assignees, or successors (or their assets), against any and all Liens and Claims and Successor and Transferee Liability and to enter orders, as appropriate, pursuant to sections 105, 363, or 365 of the Bankruptcy Code (or other applicable provisions) necessary to transfer the Purchased Assets and the Assumed Contracts to the Purchaser.

32. ~~32.~~ The requirements set forth in Bankruptcy Rules 6003(b), 6004, and 6006 have been satisfied or are otherwise hereby waived.

33. ~~33.~~ As provided by Bankruptcy Rules 7062 and 9014, the terms and conditions of this Order shall be effective immediately upon entry and shall not be subject to the stay provisions contained in Bankruptcy Rules 6004(h) and 6006(d). Time is of the essence in closing the sale and the Debtors and the Purchaser intend to close the sale on or before July 31, 2023.

34. ~~34.~~ No bulk sales law, bulk transfer law or similar law of any state or other jurisdiction (including those relating to Taxes, other than Transfer Taxes) shall apply in any way to the transactions contemplated by the Purchase Agreement, the Motion or this Order. Except as otherwise expressly provided in the Purchase Agreement, all obligations of the Debtors relating to Taxes, whether arising under any law, by the Purchase Agreement, or otherwise shall be the obligation of and fulfilled and paid by the Debtors. For the avoidance of doubt, and notwithstanding any other provision in this Order, nothing in this Order or the Purchase Agreement shall create a tax exemption under Section 1146(a) of the Bankruptcy Code.

35. ~~35.~~ All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a). In the event that there is a direct conflict between the terms of this Order, the Purchase Agreement, and any documents executed in connection therewith, the provisions

contained in this Order, the Purchase Agreement and any documents executed in connection therewith shall govern, in that order.
