Silverberg (the “Silverberg Declaration”) attached hereto as **Exhibit A** and a proposed order granting the Application attached hereto as **Exhibit B**. In further support of this Application, Brown Rudnick respectfully states as follows:

JURISDICTION AND VENUE

1. The United States Bankruptcy Court for the District of New Jersey (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory predicates for the relief sought herein are section 330 of the Bankruptcy Code, Rule 2016 of the Federal Rules, Local Rules 2016-1 and 2016-3, the Confirmation Order, and the U.S. Trustee Guidelines.

BACKGROUND

3. On June 9, 2025 (the “Petition Date”), the Debtors each filed voluntary petitions for relief under the Bankruptcy Code in the United States Bankruptcy Court for the District of New Jersey (the “Court”).

4. On June 27, 2025, the Office of the United States Trustee (the “U.S. Trustee”) appointed nine eligible unsecured creditors to the Committee. *See Notice of Appointment of Official Committee of Unsecured Creditors* [Docket No. 174].

5. On June 27, 2025, the Committee selected Brown Rudnick to serve as its co-counsel in these cases. On August 14, 2025, the Court entered the order approving the retention of Brown Rudnick (the “Retention Order”) [Docket No. 736].

As set forth in the Effective Date Notice, the Plan went effective on December 5, 2025 (the “Effective Date”).

**SUMMARY OF PROFESSIONAL COMPENSATION
AND REIMBURSEMENT OF EXPENSES REQUESTED**

7. Pursuant to this Application, Brown Rudnick seeks final allowance of \$2,795,958.20 in fees calculated at the hourly billing rates of Brown Rudnick’s personnel who worked on this case, and \$18,156.89 in expenses actually and necessarily incurred by Brown Rudnick while providing services to the Committee during the Application Period. During the Application Period, Brown Rudnick attorneys and paraprofessionals expended a total of 2,561.30 hours for which compensation is requested.

8. The fees charged by Brown Rudnick in this case are billed in accordance with Brown Rudnick’s existing billing rates and procedures in effect during the Application Period. The rates Brown Rudnick charges for the services rendered by its professionals and paraprofessionals in these chapter 11 cases generally are the same rates Brown Rudnick charges

for professional and paraprofessional services rendered in comparable bankruptcy and non-bankruptcy-related matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable bankruptcy and similar complex non-bankruptcy cases.

9. Attached hereto as **Exhibit C** is a schedule of the total amount of fees incurred under each of Brown Rudnick's internal task codes during the Application Period.

10. Attached hereto as **Exhibit D** is a summary breakdown of hours and amounts billed by timekeeper. The summary lists those Brown Rudnick professionals, paraprofessionals, and other non-legal staff who have performed services for the Committee during the Application Period, the capacities in which each individual is employed by Brown Rudnick, the department in which each individual practices, the hourly billing rate charged by Brown Rudnick for services performed by such individual, the year in which each attorney was first licensed to practice law, where applicable, and the aggregate number of hours expended in this matter and fees billed therefor.

11. Attached hereto as **Exhibit E** is a summary for the Application Period, setting forth the total amount of reimbursement sought with respect to each category of expenses for which Brown Rudnick is seeking reimbursement.

12. Attached hereto as **Exhibit F** are the detailed time entries and disbursements incurred by Brown Rudnick through and including the Effective Date not previously included on a monthly fee application.

13. Brown Rudnick maintains computerized records of the time spent by all Brown Rudnick attorneys and paraprofessionals in connection with these chapter 11 cases. Copies of these computerized records were served with the Monthly Fee Applications.

14. Brown Rudnick reserves the right to request additional compensation for the Application Period to the extent that it is later determined that time or disbursement charges for services rendered or disbursements incurred during such time period have not yet been submitted.

SUMMARY OF SERVICES RENDERED

15. The services rendered by Brown Rudnick during these cases can be grouped into the categories set forth below. Brown Rudnick attempted to place the services provided in the category that best related to such services. However, because certain services may relate to one or more categories, services pertaining to one category may in fact be included in another category. The following provides narrative description of project categories to which attorneys and paraprofessionals of Brown Rudnick dedicated the most significant time (*i.e.*, time charges in excess of \$50,000 in the aggregate) during the Application Period.

A. Committee Investigation (Non-Lenders): Fees: \$1,627,490.50; Total Hours: 1,630.1.

Brown Rudnick, in coordination with other Committee professionals, undertook a comprehensive investigation into potential claims and causes of action held by the Debtors' estates and their creditors against former insiders and affiliated entities. This investigation required the review and analysis of a substantial volume of documents produced by the Debtors, as well as the development of legal theories concerning potential estate and direct claims. Brown Rudnick synthesized its findings, which were provided to the Liquidating Trustee. The product of the investigation serves as a critical resource for the prosecution of Causes of Action and Direct Claims Trust Assets, ensuring that the Committee's efforts translate into an opportunity for meaningful recoveries for creditors.

B. Plan and Disclosure Statement: Fees: \$348,917.50; Total Hours: 261.8.

Brown Rudnick played a central role in negotiating and finalizing the *Joint Combined Disclosure Statement and Chapter 11 Plan of Liquidation* [Docket No. 942]. Brown Rudnick

worked extensively with the Debtors and key stakeholders to achieve a consensual Plan that maximizes the opportunity for recoveries by unsecured creditors. A critical component of this effort was the design and implementation of a two-trust structure: (i) a Liquidating Trust to hold remaining estate assets, including Causes of Action, and (ii) a Direct Claims Trust enabling individual creditors to contribute their claims against certain third parties for collective prosecution. Brown Rudnick's prior investigative work informed the structure and scope of these trusts. The firm also prepared and negotiated plan-related documents (including retained action schedules and the trust documentation), addressed objections, and worked extensively to incorporate settlements into the terms of the Plan. On December 1, 2025, the Court entered the Confirmation Order, and the Plan became effective on December 5, 2025.

C. Meetings and Communications with UCC: Fees: \$221,731.50; Total Hours: 139.7.

These fees include time related to preparing for and conducting meetings and communications with the members of the Committee. Due to the size and complexity of this case, it was necessary for Brown Rudnick to maintain regular communications with the Committee to keep them informed on case developments and strategic decisions and to respond to any questions or concerns from the Committee. To this end, Brown Rudnick and other Committee professionals conducted standing weekly meetings with the Committee, and also engaged in additional meetings and communications as needed. Brown Rudnick also prepared supplemental materials for these weekly meetings, including presentations and weekly updates, for the Committee to utilize and refer to in staying apprised of case developments and workstreams.

D. Asset Sales and Disposition: Fees: \$115,127.00; Total Hours: 81.4.

These fees include all services rendered by Brown Rudnick relating to Powin's asset sale and auction process. Brown Rudnick carefully reviewed the proposed bidding procedures motion and asset purchase agreement and identified and worked to resolve issues, including those related

to bidding procedures. Brown Rudnick was also involved in the auction process, and following such process, worked to resolve documentation issues and claims by the purchaser for the Debtors' purported failure to deliver certain acquired assets.

E. Employee Matters: Fees: \$75,288.50; Total Hours: 55.7.

These fees pertain to the work performed by Brown Rudnick in relation to the Worker Adjustment and Retraining Notification Act (WARN Act) adversary proceeding. Brown Rudnick's work included considerable coordination and negotiation with the lead WARN class action plaintiff as well as the Debtors, and ultimately resulted in a resolution of these claims through a settlement incorporated into the Plan. Brown Rudnick also evaluated the key employee retention program proposed by the Debtors pursuant to the *Motion of Debtors for Entry of Order (I) Approving Key Employee Retention Plan and Key Employee Incentive Plan and (II) Granting Related Relief* [Docket No. 493].

F. DIP Financing/Cash Collateral: Fees: \$68,859.50; Total Hours: 46.9.

These fees pertain to services rendered by Brown Rudnick concerning the Debtors' request for post-Petition Date debtor-in-possession financing. After extensive negotiation by the Committee with the Debtors and the proposed DIP lender, the terms of this financing were ultimately memorialized in the *Final Order (I) Authorizing the Debtors to Obtain Postpetition Operational Cash Flow Financing; (II) Granting Liens and Providing Superpriority Administrative Expense Claims; (III) Modifying the Automatic Stay; and (IV) Granting Related Relief* [Docket No. 520].

G. Business Operations: Fees: \$66,165.50; Total Hours: 66.9.

These fees pertain primarily to Brown Rudnick's work analyzing "second day" relief immediately following its retention by the Committee. Brown Rudnick's work included drafting

a memorandum summarizing the relief requested and proposed modifications thereto for the benefit of the Committee, as well as working with the Debtors on such modifications.

H. Case Administration: Fees: \$65,116.50; Total Hours: 108.0.

These fees include all services rendered by Brown Rudnick relating to general administration of the case and may also include specific matters that are not readily classifiable into other more specific matters. This category includes time expended by Brown Rudnick monitoring the case docket and circulating pertinent filings, coordinating internally to optimize workstreams, preparing materials ahead of upcoming hearings, drafting *pro hac* applications and coordinating with local counsel to ensure compliance with local procedures and practices, and calendaring of pertinent dates and deadlines established during the course of these cases.

I. Employment and Fee Applications: Fees: \$62,453.50; Total Hours: 90.5.

These fees relate to time spent by Brown Rudnick preparing and prosecuting its Retention Application and fee applications in accordance with the *Administrative Fee Order Establishing Procedures for Allowance and Payment of Interim Compensation and Reimbursement of Expenses of Professionals Retained by Order of this Court* [Docket No. 519].

J. Claims Administration and Objections: Fees: \$61,748.50; Total Hours: 45.6.

These fees include time spent by Brown Rudnick analyzing and resolving the schedules of assets and liability and claims docketed by the Debtors' claims and noticing agent.

SUMMARY OF ACTUAL AND NECESSARY EXPENSES

16. Brown Rudnick incurred \$18,156.89 as actual and necessary expenses in providing professional services during the Application Period. None of these expenses exceeds the maximum rate set by the UST Guidelines. These charges are intended to cover Brown Rudnick's direct costs, which costs are not incorporated into the Brown Rudnick hourly fees. Only clients

who use services of the types for which reimbursement is sought are separately charged for such service.

17. Brown Rudnick asserts that the foregoing services were necessary to the administration of the cases and were beneficial to the Committee at the time which the services were rendered. All services were performed within a reasonable amount of time commensurate with the complexity, importance and nature of the problem, issue or task addressed. A summary of Brown Rudnick's expenses incurred during the Application Period is provided in **Exhibit E**.

SUPPORTING DOCUMENTATION

18. As noted above, Brown Rudnick was retained to serve in the capacity of co-counsel to the Committee by Order of this Court dated August 14, 2025, which retention was effective *nunc pro tunc* as of June 27, 2025.

19. This Application represents Brown Rudnick's final fee application as co-counsel to the Committee and covers the period from June 27, 2025, through and including December 5, 2025.

20. The computerized time sheets included with the Monthly Fee Applications are incorporated herein by reference or, in the case of December, attached hereto as **Exhibit F**, and detail the services rendered by the members and associates of Brown Rudnick, the hourly rate charged by each timekeeper, and the actual time expended in the performance of such services. The aforementioned time sheets reflect that Brown Rudnick has expended 2,561.30 hours in performing services for the Committee, resulting in charges of \$2,795,958.20. The blended hourly rate charged herein is \$1,074.05, which Brown Rudnick believes is fair and reasonable in light of the nature of the services rendered and the expertise of the professionals rendering such services.

21. The Monthly Fee Applications also include a detailed breakdown of all out-of-pocket disbursements incurred by Brown Rudnick in the performance of its duties as co-counsel to the Committee, which total \$18,156.89. In the normal course of Brown Rudnick's practice, expenses are only charged after the expenses are actually incurred by Brown Rudnick.

22. The following Monthly Fee Applications which comprise this Application are set forth below:

(First) 08/20/2025 [Dkt No. 757]	June 27, 2025 – July 31, 2025	\$565,520.50	\$785.04

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

23. Bankruptcy Code Section 330 sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court shall consider the nature, extent, and the value of such services, taking into account all relevant factors, including:

- a. the time spent on such services;
- b. the rates charged for such services;
- c. whether the services were necessary to the administration of or beneficial at the time at which the service was rendered toward the completion of a case under this title;
- d. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- e. with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- f. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

24. Brown Rudnick respectfully submits that it has satisfied the requirements of section 330 of the Bankruptcy Code. The services for which it seeks compensation in this Application were necessary for and beneficial to the Committee. Brown Rudnick's request for compensation is reflective of a reasonable and appropriate amount of time expended in performing such services commensurate with the complexity, importance and nature of the problem, issue, or task involved. These services were performed without unnecessary duplication of effort by professionals employed by Brown Rudnick. The compensation sought by Brown Rudnick is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under the Bankruptcy Code. Indeed, Brown Rudnick's monthly fees are comparable with

other similarly qualified legal advisors appearing in this and other Chapter 11 cases. For all of the foregoing reasons, Brown Rudnick respectfully requests that the Court grant this Application.

SUPPLEMENTAL DISCLOSURE REQUIRED BY UST GUIDELINES

25. Pursuant to Section C.3 of the UST Guidelines, Brown Rudnick's hourly rates for bankruptcy services are comparable to the hourly rates charged in complex chapter 11 cases by comparably skilled bankruptcy attorneys. In addition, Brown Rudnick's hourly rates for bankruptcy services are comparable to the rates charged by the firm, and by comparably skilled practitioners in other firms, for complex corporate and litigation matters, whether in court or otherwise, regardless of whether a fee application is required.

26. The following statements address the information pursuant to Section C.5 of the UST Guidelines:

- a. **Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Answer: No.

- b. **Question:** If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Answer: The fees sought in this Application are not more than 10% higher as compared to the budget provided in **Exhibit G**.

- c. **Question:** Have any of the professionals included in this fee application varied their hourly rate based on geographic location of the bankruptcy case?

Answer: No.

- d. **Question:** Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.). If so, please quantify by hours and fees.

Answer: No.

- e. **Question:** Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Answer: No.

- f. **Question:** If the fee application includes any rate increases in retention: (i) did your client review and approve those rate increases in advance? and (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: The Application does not include any additional rate increases.

WHEREFORE, Brown Rudnick respectfully requests that this Court (i) ratify the prior payments made to Brown Rudnick on account of its Monthly Fee Applications and First Interim Application, (ii) approve and ratify final allowance of compensation and reimbursement of expenses in the amounts of \$2,795,958.20 and \$18,156.89, respectively, for the Application Period, and (iii) grant such other relief as may be just and proper.
