Premier Kings, Inc., and its debtor affiliates, as debtors and debtors-in-possession in the above-captioned chapter 11 cases (each a “Debtor” and, collectively, the “Debtors”), by their undersigned proposed counsel and pursuant to sections 366 and 105 of Title 11 of the United States Code (11 U.S.C. §§ 101 *et seq.*, the “Bankruptcy Code”), hereby move (the “Motion”) for entry of interim and final orders substantially in the form attached hereto as **Exhibit A** (the “Interim Order”) and **Exhibit B**, respectively (the “Final Order” and, together with the Interim Order, the “Proposed Orders”) (i) approving the adequate assurance of payment proposed by the Debtors; (ii) prohibiting the Debtors’ utility service providers from altering, refusing, or discontinuing utility services on account of unpaid prepetition invoices; (iii) approving the procedures proposed by the Debtors for determining additional adequate assurance of future payment, and (iv) setting a final hearing on the Motion. This is a core proceeding under 28 U.S.C. § 157(b)(2)(A) and (O).

2. Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The statutory predicates for the relief sought herein are Sections 105(a) and 366 of the Bankruptcy Code, and Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) 6003 and 6004.

RELIEF REQUESTED

4. The Debtors respectfully request entry of an Interim Order and a Final Order (a) approving the Debtors’ proposed form of adequate assurance of postpetition payment to their “utilities” (the “Utility Companies”), as that term is used in section 366 of the Bankruptcy Code; (b) approving Adequate-Assurance Procedures (as defined below) for resolving any objections by the Utility Companies relating to the Proposed Adequate Assurance (as defined below); and (c) prohibiting the Utility Companies from altering, refusing, or discontinuing service to, or otherwise discriminating against, the Debtors on the basis of the commencement of these Chapter 11 Cases (as defined below) or a debt owed by the Debtors for services rendered prior to

the Petition Date (as defined below), or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance.

BACKGROUND

I. Introduction.

5. On the date hereof (the "Petition Date"), the Debtors filed voluntary petitions in this Court for relief under chapter 11 of the Bankruptcy Code (the "Chapter 11 Cases").

6. The Debtors continue to manage and operate their businesses as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

7. No official committee of unsecured creditors has been appointed.

8. No request for a trustee or examiner has been made in these chapter 11 cases.

9. Information regarding the Debtors' businesses, capital structure, and the circumstances leading to the commencement of these chapter 11 cases is set forth in the Baker Declaration. Those facts are incorporated herein by reference.

II. The Debtors' Utility Services, Proposed Adequate Assurance, and Adequate Assurance Procedures.

A. The Utility Services.

10. In the normal course of the Debtors' business, the Debtors purchase electricity, telecommunications, natural gas, water, waste management (including sewer and trash) internet, and other similar services (collectively, the "Utility Services" giving rise to "Utility Obligations") from various Utility Companies. A list of the Debtors' Utility Services and the respective Utility Companies providing such services (the "Utility Company List") is attached as **Schedule I** to the Interim and Final Orders. The Utility Company List further identifies the projected monthly average of the Utility Obligations. The relief requested herein pertains to all Utility Companies providing Utility Services to the Debtors and is not limited to those listed on the Utility Company List.

11. To the best of the Debtors' knowledge, there are no unpaid invoices outstanding for Utility Services. While the Debtors recognize that charges for Utility Services have accrued since the last invoice issued by each of the Debtors' Utility Companies, the Debtors have not yet received invoices for those charges. Therefore, unless any unintended payment interruptions have been caused by the filing of these Chapter 11 Cases, each of the Debtors' accounts for Utility Services are "current."

B. The Proposed Adequate Assurance.

12. The Debtors intend to timely pay all undisputed prepetition and postpetition obligations owed to the Utility Companies in the ordinary course of business (the "Ordinary Course Payments"). Upon entry of an order authorizing the Debtors to use cash collateral, cash held by the Debtors as of the Petition Date will provide sufficient liquidity to pay the Utility Obligations, in the ordinary course of business, in accordance with their prepetition practice. Further, Utility Companies holding prepetition deposits will be authorized to maintain those deposits in compliance with the General Rules of the Alabama Public Service Commissions.

13. The Debtors submit that the Ordinary Course Payments, along with the maintenance of any prepetition deposits, (together, the "Proposed Adequate Assurance") constitutes sufficient adequate assurance of the Utility Companies in full satisfaction of section 366 of the Bankruptcy Code. The Proposed Adequate Assurance will result in no prejudice to the Utility Companies and places them in the same position, from a loss, risk, and payment standpoint, as if these Chapter 11 Cases were not filed.

C. Adequate-Assurance Procedures.

14. In the event that any Utility Company requests additional adequate assurance of payment pursuant to Bankruptcy Code section 366(c)(2), the Debtors propose that such requests be addressed pursuant to the following procedures (the "Adequate-Assurance Procedures"):

- a) Except as provided by the Adequate-Assurance Procedures, the Utility Companies will be prohibited from: (i) altering, refusing, or discontinuing services to, or otherwise discriminating against, the Debtors on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance; or (ii) requiring the Debtors to pay a deposit or other security in connection with the provision of postpetition Utility Services, other than any prepetition deposits held by the Utility Companies.
- b) If a Utility Company is not satisfied with the Proposed Adequate Assurance and seeks additional adequate assurance of payment, it must serve a written request for additional adequate assurance (an "Additional Assurance Request") upon: (i) the Debtors, c/o David Baker, Aurora Management Partners Inc., 7078 Peachtree Industrial Blvd. Suite #800, Peachtree Corners, GA 30071, dbaker@auroramp.com; (ii) proposed counsel for the Debtors, Cole Schotz P.C., 1201 Wills Street, Suite 320, Baltimore, MD 21231 (Attn: Gary H. Leibowitz (gleibowitz@coleschotz.com) and Holland & Knight LLP, 1901 Sixth Avenue N, Suite 1400, Birmingham, AL 35203 (Attn: Eric T. Ray etray@hkllaw.com); (iii) counsel to any statutory committee appointed in the Chapter 11 Cases; and (iv) counsel to Wells Fargo Bank, National Association, as Administrative Agent for the Lender Group ("Pre-Petition Secured Agent"), King & Spalding LLP, 1180 Peachtree Street NE, Suite 1600, Atlanta, GA 30309 (Attn: Jeffrey R. Dutson (jdutson@ksllaw.com)) (collectively, the "Adequate Assurance Notice Parties").
- c) Each Additional Assurance Request must: (i) be made in writing; (ii) set forth the amount and form of additional assurance of payment requested; (iii) set forth the type of Utility Services, any account numbers, and the location(s) for which Utility Services are provided; (iv) include a summary of the Debtors' payment history to such Utility Company, including whether the Utility Company holds any deposits or other security, and if so, in what amount; (v) set forth why the Utility Company believes the Proposed Adequate Assurance is insufficient; and (vi) provide an email address to which the Debtors may respond to the Additional Assurance Request.
- d) Upon the Debtors' receipt of an Additional Assurance Request, the Debtors, in consultation with the Pre-Petition Secured Agent, will promptly negotiate with the requesting Utility Company to resolve such Utility Company's Additional Assurance Request.

- e) Should the Debtors be unable to reach a resolution with respect to an Additional Assurance Request, the Debtors will, upon reasonable notice, calendar the matter (the “Determination Hearing”) for the next regularly scheduled hearing to determine the adequacy of assurance of payment pursuant to section 366(c)(3) of the Bankruptcy Code.
- f) Pending the Determination Hearing, the Utility Company that is the subject of the unresolved Additional Assurance Request is prohibited from altering, refusing, or discontinuing service to the Debtors on account of unpaid charges for prepetition services, the filing of these Chapter 11 Cases, or any objection to the adequacy of the proposed Adequate Assurance.
- g) Any Utility Company that does not serve an Additional Assurance Request in compliance with the procedures herein will be deemed to have received adequate assurance of payment that is satisfactory to such Utility Company within the meaning of Bankruptcy Code section 366(c)(2), subject to each such Utility Company’s right to seek a modification of adequate assurance under Bankruptcy Code section 366(c)(3).

15. While the Debtors do not believe that any adequate assurance beyond that proposed is necessary, the Debtors submit that any Utility Company that is dissatisfied with the Proposed Adequate Assurance should be required to make an Additional Assurance Request pursuant to the Adequate-Assurance Procedures.

D. Objection Deadline and Final Hearing Date.

16. The Debtors propose that any Utility Company that objects to the Motion, including the Adequate-Assurance Procedures, be required to file a written objection (an “Objection”) and serve such Objection on the Adequate Assurance Notice Parties so that it is received by 4:00 p.m. (prevailing Central time) on the day that is seven (7) days prior to the final hearing on the Motion. Failure to file an Objection by any Utility Company shall not affect its rights set forth under the Adequate-Assurance Procedures.

17. The Debtors propose that they be authorized to: (a) resolve any Additional Assurance Request, Objection, or Determination Hearing by mutual agreement with the Utility

Company (and in consultation with the Pre-Petition Secured Agent); and (b) in connection with any such agreement, in their sole discretion (and in consultation with the Pre-Petition Secured Agent), make any payment for the benefit of such Utility Company and/or provide the Utility Company with an alternative form of adequate assurance of payment, without further order of this Court, provided that the Debtors maintain a summary record of such agreements and their respective terms, and make available such summary record and the agreements themselves to any official committee appointed in the Chapter 11 Cases and the Office for the Bankruptcy Administrator for the Northern District of Alabama upon request.

E. Subsequent Modifications of the Utility Company List and Procedures for Subsequently Identified Utility Companies.

18. The Debtors have made a diligent and good-faith effort to identify all of the Debtors' Utility Companies on the Utility Company List. Nevertheless, to the extent the Debtors subsequently identify additional Utility Companies that were inadvertently omitted from the Utility Company List, the Debtors seek authority, in their sole discretion, to amend or supplement the Utility Company List. The Debtors will file any such amendments and serve copies of the Motion, Interim Order, and Final Order (if entered) on such newly-identified Utility Companies (each, a "Subsequently Identified Utility Company").

19. The Debtors request that any entered orders relating to the Motion be binding on all Utility Companies, regardless of when any particular Utility Company was added to the Utility Company List; *provided, however*, that: (i) if additional Utility Companies are added to such list, the Debtors request authority, without further order of the Court, to make all Ordinary Course Payments on account of all Utility Services provided by each such Subsequently Identified Utility Company to the Debtors; and (ii) the Motion and any order related thereto will not be binding on any Subsequently Identified Utility Company until such company is (a) added to the Utility Company List and served with copies of the Motion, Interim Order, and Final

Order (if entered), and (b) the Debtors make all Ordinary Course Payments to such Subsequently Identified Utility Company.

20. In addition, the Debtors propose that any Subsequently Identified Utility Company have the right to make an Additional Assurance Request on the Adequate Assurance Notice Parties. Should any Subsequently Identified Utility Company make an Additional Assurance Request, the Debtors request that such Subsequently Identified Utility Company be prohibited from discontinuing, altering, or refusing service to the Debtors, including as a result of unpaid charges for prepetition services, pending resolution of such request.

F. Prohibition on Altering, Refusing, or Discontinuing Service.

21. Pending the entry of the Final Order with respect to the Motion and resolution of any Additional Assurance Request, Objection or Determination Hearing, the Debtors respectfully request that the Utility Companies, including any Subsequently Identified Utility Companies, be prohibited from (a) discriminating against the Debtors, (b) altering, refusing, or discontinuing service to the Debtors, or (c) requiring payment of a deposit or receipt or any other security for continued service, on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance. The Debtors further request that the Utility Companies, including any Subsequently Identified Utility Companies, be prohibited from drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for Utility Services, absent further order of the Court.

BASIS FOR RELIEF REQUESTED

22. Uninterrupted Utility Services are essential to the Debtors' ongoing business operations and thus, the overall success of these Chapter 11 Cases. Should any Utility Company refuse or discontinue service, even for a brief period, the Debtors' business operations would be

severely disrupted, and such disruption would jeopardize the Debtors' ability to manage their reorganization efforts. Further, feasible alternative utility providers do not exist for most of the stores, or the Debtors would incur substantial costs in finding alternative providers. Accordingly, it is essential that the Utility Services continue uninterrupted during the Chapter 11 Cases.

23. Section 366(c) of the Bankruptcy Code requires the debtor to provide "adequate assurance" of payment for postpetition services in a form "satisfactory" to the utility company within thirty days of the petition, or the utility company may alter, refuse, or discontinue service. 11 U.S.C. § 366(c)(2). Section 366(c)(1) of the Bankruptcy Code provides a non-exhaustive list of examples for what constitutes "assurance of payment." 11 U.S.C. § 366(c)(1). Although assurance of payment must be "adequate," it need not constitute an absolute guarantee of a debtor's ability to pay. See, e.g., In re Great Atl. & Pac. Tea Co., 2011 WL 5546954, at *5 (Bankr. S.D.N.Y. Nov. 14, 2011) (finding that "[c]ourts will approve an amount that is adequate enough to insure against unreasonable risk of nonpayment, but are not required to give the equivalent of a guaranty of payment in full"). The protection granted to a utility by section 366 of the Bankruptcy Code is intended to avoid exposing the utility to an unreasonable risk of nonpayment. See In re Crystal Cathedral Ministries, 454 B.R. 124, 131 (C.D. Cal. 2011); and see, In re FM Coal, et al., Case No. 20-02783 (TOM) (Bankr., N.D. Ala. Sept. 1, 2020) (Dkt. Nos. 48, 132) (granting the debtors' motion approving adequate assurance to utility services based on the debtors' continuing to pay for utilities in the ordinary course and the utilities companies' maintenance of prepetition deposits).

24. When considering whether a given assurance of payment is "adequate," the Court should examine the totality of the circumstances to make an informed decision as to whether the Utility Company will be subject to an unreasonable risk of nonpayment. See In re Keydata Corp., 12 B.R. 156, 158 (B.A.P. 1st Cir. 1981) (citing In re Cunha, 1 B.R. 330 (Bankr. E.D. Va. 1979));

In re Adelphia Bus. Sols., Inc., 280 B.R. 63, 82–83 (Bankr. S.D.N.Y. 2002). In determining the level of adequate assurance, however, “a bankruptcy court must focus upon the need of the utility for assurance, and . . . require that the debtor supply no more than that[,]” since the debtor typically has a “conflicting need to conserve scarce financial resources.” Va. Elec. & Power Co., 117 F.3d at 650 (internal quotations omitted) (citing In re Penn Jersey Corp., 72 B.R. 981, 985 (Bankr. E.D. Pa. 1987)).

25. Courts are permitted to fashion reasonable procedures, such as the Adequate Assurance Procedures proposed herein, to implement the protections afforded under section 366 of the Bankruptcy Code. See, e.g., In re Circuit City Stores Inc., 2009 WL 484553, at *5 (Bankr. E.D. Va. Jan. 14, 2009) (stating that “the plain language of §366 of the Bankruptcy Code allows the court to adopt the Procedures set forth in the Utility Order”). Such procedures are important because, without them, the Debtors “could be forced to address numerous requests by utility companies in an unorganized manner at a critical period in their efforts to reorganize.” Id.

26. Here, although the Ordinary Course Payments—along with any prepetition deposits—are sufficient adequate assurance, and any rights the Utility Companies may have under sections 366(b) and (c)(2) of the Bankruptcy Code are preserved by the Adequate Assurance Procedures, the Utility Companies still may choose, in accordance with the Adequate Assurance Procedures, to request modification of the Proposed Adequate Assurance. See id. at *6. However, the Adequate Assurance Procedures allow the Debtors to avoid a chaotic set of circumstances where a Utility Company could make a last-minute demand for adequate assurance that would force the Debtors to pay under the threat of losing critical Utility Services. See id. at *5.

27. The proposed Adequate Assurance and Adequate Assurance Procedures are reasonable and in accord with the purposes of section 366 of the Bankruptcy Code. Thus, the

Debtors respectfully request that the Court grant the relief requested herein. This Court has routinely granted similar relief in other chapter 11 cases. See, e.g., In re Premier Cajun Kings, LLC, Case No. 23-00656 (DSC) (Bankr. N.D. Ala. Mar. 14, 2023) (Dkt. No. 55, 133); In re FM Coal, et al., Case No. 20-02783 (TOM) (Bankr., N.D. Ala. Sept. 1, 2020) (Dkt. Nos. 48, 132); In re Mission Coal Co., LLC, Case No. 18-04177(TOM) (Bankr. N.D. Ala. Nov. 21, 2018) (Dkt. Nos. 76, 311); In re Walter Energy, Inc., Case No. 15-02741 (TOM) (Bankr. N.D. Ala. July 15, 2015) (Dkt. Nos. 67, 505).

**PROCESSING OF CHECKS AND
ELECTRONIC FUND TRANSFERS SHOULD BE AUTHORIZED**

28. The Debtors have sufficient funds to pay the amounts described in this Motion in the ordinary course of business by virtue of anticipated access to cash collateral. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Utility Services. Accordingly, the Debtors believe that checks or wire transfer requests, other than those relating to authorized payments, will not be honored inadvertently. Therefore, the Debtors respectfully request that the Court authorize and direct all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

BANKRUPTCY RULE 6003 IS SATISFIED

29. Bankruptcy Rule 6003 empowers a court to grant relief within the first 21 days after the commencement date "to the extent that relief is necessary to avoid immediate and irreparable harm." Fed. R. Bank. P. 6003. Authorizing the Debtors to pay the Utility Obligations and preventing the Utility Companies from altering or discontinuing services to the Debtors are both essential to the Debtors' reorganization efforts in these Chapter 11 Cases. The Debtors

would be incapable of operating their businesses without access to their utility services, and even one day of such a disruption would cause great harm to the Debtors' businesses and the value of their estates. Accordingly, the Debtors meet the "immediate and irreparable harm" standard of Bankruptcy Rule 6003(b).

REQUEST FOR BANKRUPTCY RULE 6004 WAIVERS

30. The Debtors seek a waiver of (i) the notice requirements under Bankruptcy Rule 6004(a), and (ii) the stay of the order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h), to the extent they are applicable, because the relief requested herein is necessary to avoid immediate and irreparable harm.

RESERVATION OF RIGHTS

31. Nothing contained herein is intended or should be construed as an admission as to the validity of any claim against the Debtors, a waiver of the Debtors' rights to dispute any claim, or an approval or assumption of any agreement, contract, or lease under Section 365 of the Bankruptcy Code. To the contrary, the Debtors expressly reserve their rights to contest any such claim. Likewise, if this Court grants the relief sought herein, any payment made pursuant to this Court's Order is not intended and should not be construed as an admission as to the validity of any claims, a waiver of the Debtors' rights to dispute such claim subsequently, or an admission that the entity paid is entitled to such payment by law.

PAYMENTS SUBJECT TO BUDGET

32. Notwithstanding anything contained in the Motion, any payment authorized to be made by the Debtors pursuant to this Motion shall be subject to and consistent with the terms and conditions contained in any orders entered by this Court authorizing the use of cash collateral and any order authorizing postpetition financing, including compliance with any budget or cash flow forecast in connection therewith.

NOTICE

33. The Debtors will provide notice of this Motion to: (a) the Office of the Bankruptcy Administrator for the Northern District of Alabama; (b) the holders of the forty (40) largest unsecured claims against the Debtors on a consolidated basis; (c) counsel to BKCI; (d) counsel to Wells Fargo Bank, National Association, as Administrative Agent for the Lender Group; (e) the United States Attorney's Office for the Northern District of Alabama; (f) the Internal Revenue Service; (g) the office of the Attorney General for the State of Alabama; (h) the Securities and Exchange Commission; and (i) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request that the Court enter the Proposed Orders granting the relief requested herein, and such other and further relief as the Court deems just and proper.

4. The following procedures (the “Adequate Assurance Procedures”) are hereby approved with respect to all Utility Companies, including any Subsequently Identified Utility Company:

- a) Except as provided by the Adequate-Assurance Procedures, the Utility Companies will be prohibited from: (i) altering, refusing, or discontinuing services to, or otherwise discriminating against, the Debtors on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors’ Proposed Adequate Assurance; or (ii) requiring the Debtors to pay a deposit or other security in connection with the provision of postpetition Utility Services, other than any prepetition deposits held by the Utility Companies.

holds any deposits or other security, and if so, in what amount; (v) set forth why the Utility Company believes the Proposed Adequate Assurance is insufficient; and (vi) provide an email address to which the Debtors may respond to the Additional Assurance Request.

- d) Upon the Debtors' receipt of an Additional Assurance Request, the Debtors, in consultation with the Pre-Petition Secured Agent, will promptly negotiate with the requesting Utility Company to resolve such Utility Company's Additional Assurance Request.
- e) Should the Debtors be unable to reach a resolution with respect to an Additional Assurance Request, the Debtors will, upon reasonable notice, calendar the matter (the "Determination Hearing") for the next regularly scheduled hearing to determine the adequacy of assurance of payment pursuant to section 366(c)(3) of the Bankruptcy Code.
- f) Pending the Determination Hearing, the Utility Company that is the subject of the unresolved Additional Assurance Request is prohibited from altering, refusing, or discontinuing service to the Debtors on account of unpaid charges for prepetition services, the filing of these Chapter 11 Cases, or any objection to the adequacy of the proposed Adequate Assurance.
- g) Any Utility Company that does not serve an Additional Assurance Request in compliance with the procedures herein will be deemed to have received adequate assurance of payment that is satisfactory to such Utility Company within the meaning of Bankruptcy Code section 366(c)(2), subject to each such Utility Company's right to seek a modification of adequate assurance under Bankruptcy Code section 366(c)(3).

5. The Debtors are authorized, in their sole discretion, to amend the Utility Company List to add or remove any Utility Company, and all provisions of this Order shall apply to any such Subsequently Identified Utility Company that is added to such list; *provided, however*, that if additional Utility Companies are added to the Utility Company List, the Debtors shall: (i) file a copy of any such amendment and serve a copy of the Motion and this Order on any Subsequently Identified Utility Company, along with an amended Utility Company List; and (ii) make all Ordinary Course Payments to such Subsequently Identified Utility Company. Such Subsequently Identified Utility Company shall be permitted to make an Additional Assurance

Request in compliance with the Adequate Assurance Procedures after it receives notice of the Motion.

6. Pending entry of the Final Order and resolution of any Additional Assurance Request, Objection or Determination Hearing, the Utility Companies are prohibited from (a) discriminating against the Debtors, (b) altering, refusing, or discontinuing service to the Debtors, or (c) requiring payment of a deposit or receipt or any other security for continued service other than the Utility Deposit, on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance. The Utility Companies are further prohibited from drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for Utility Services, absent further order of this Court.

7. For the avoidance of doubt, the terms of this Order, including the Adequate Assurance Procedures, shall apply to each Utility Company, notwithstanding any customary business practices, policies, internal operating procedures, or state or local laws or regulations to the contrary. Any Utility Company that believes its customary business practices, policies, internal operating procedures, or state or local laws or regulations forbid it from accepting the Proposed Adequate Assurance or entitle it to additional adequate assurance shall make an Additional Assurance Request or file an Objection in accordance with this Order.

8. Nothing herein constitutes a finding that any entity is or is not a Utility Company hereunder or a "utility" within the meaning of Bankruptcy Code section 366, whether or not such entity is listed on the Utility Company List.

9. The relief granted herein is for all Utility Companies providing Utility Services to the Debtors and is not limited to those parties or entities listed on the Utility Company List.

10. Nothing in the Motion or this Order or the relief granted (including any actions taken or payments made by the Debtors pursuant thereto) shall be construed as (a) authority to assume or reject any executory contract or unexpired lease of real property, or as a request for the same; (b) an admission as to the validity, priority, or character of any claim or other asserted right or obligation, or a waiver or other limitation on the Debtors' ability to contest the same on any ground permitted by bankruptcy or applicable non-bankruptcy law; (c) a promise to pay any claim or other obligation; (d) granting third-party-beneficiary status or bestowing any additional rights on any third party; (e) being otherwise enforceable by any third party; or (f) prejudicial to the Debtors' rights to contest any amounts owed to a Utility Company. Further, nothing contained in this Order shall be deemed to increase, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

11. Notwithstanding anything to the contrary in the Motion or this Interim Order, any payment authorized to be made by the Debtors herein shall be subject to and consistent with the terms and conditions contained in any orders entered by this Court authorizing the use of cash collateral and any order authorizing postpetition financing (collectively, a "Financing Order"), including compliance with any budget or cash flow forecast in connection therewith. To the extent there is any conflict between this Interim Order and a Financing Order, the terms of the Financing Order shall control.

12. The requirements of Bankruptcy Rule 6003(b) have been satisfied.

13. The requirements of Bankruptcy Rule 6004(a) are waived.

14. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

15. The Court shall retain jurisdiction to hear and determine all matter arising from the implementation of this Order.

Upon consideration of the motion (the “Motion”)² of the Debtors for entry of an order (i) approving the Debtors’ proposed form of adequate assurance of postpetition payment to the Utility Companies, (ii) establishing Adequate-Assurance Procedures for resolving any objection by the Utility Companies relating to the Proposed Adequate Assurance, and (iii) prohibiting the Utility Companies from altering, refusing or discontinuing service to, or otherwise discriminating against, the Debtors on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors’ Proposed Adequate Assurance, all as more fully described in the Motion; and upon consideration of the Baker Declaration; and the Court having

¹ The Debtors in these cases, along with the last four digits of each Debtor’s federal tax identification numbers, are: Premier Kings, Inc. (3932); Premier Kings of Georgia, Inc. (9797); and Premier Kings of North Alabama, LLC (9282). The Debtors’ address is 7078 Peachtree Industrial Blvd., Suite #800, Peachtree Corners, GA 30071. The Debtors have filed a motion for joint administration with the Court.

² All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Motion.

jurisdiction to consider the Motion and the relief requested therein pursuant to 28 U.S.C. §§ 157 and 1334; and the matter being a core proceeding within the meaning of 28 U.S.C. § 157(b)(2); and the venue of this proceeding and this Motion being proper pursuant to 28 U.S.C. §§ 1408 and 1409; and due and sufficient notice of the Motion having been given under the particular circumstances; and it appearing that the relief requested in the Motion is in the best interests of the Debtors, their estates, and their creditors; and after due deliberation thereon; and good and sufficient cause appearing therefor;

IT IS HEREBY ORDERED THAT, ADJUDGED, AND DECREED THAT:

1. The Motion is GRANTED on a final basis as set forth herein.
2. The Debtors are authorized, but not directed to deliver the Ordinary Course Payments to Utility Companies (identified on Schedule I hereto) providing postpetition Utility Services, with said payments authorized to begin or continue upon entry of this Order, following any Interim Order that was entered by the Court, as the case may be. The payments authorized by this Order shall not exceed the amounts provided for on Schedule I. In the absence of an Adequate Assurance Request (as defined below) delivery of the Ordinary Course Payments, along with any prepetition deposits, shall be deemed sufficient and satisfactory adequate assurance pursuant to section 366 of the Bankruptcy Code.
3. The following procedures (the “Adequate Assurance Procedures”) are hereby approved with respect to all Utility Companies, including any Subsequently Identified Utility Company:
 - a) Except as provided by the Adequate-Assurance Procedures, the Utility Companies will be prohibited from: (i) altering, refusing, or discontinuing services to, or otherwise discriminating against, the Debtors on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors’ Proposed Adequate Assurance; or (ii) requiring the Debtors to pay a deposit or other security in connection with the

provision of postpetition Utility Services, other than any prepetition deposits held by the Utility Companies.

- b) If a Utility Company is not satisfied with the Proposed Adequate Assurance and seeks additional adequate assurance of payment, it must serve a written request for additional adequate assurance (an “Additional Assurance Request”) upon: (i) the Debtors, c/o David Baker, Aurora Management Partners Inc., 7078 Peachtree Industrial Blvd. Suite #800, Peachtree Corners, GA 30071, dbaker@auroramp.com; (ii) proposed counsel for the Debtors, Cole Schotz P.C., 1201 Wills Street, Suite 320, Baltimore, MD 21231 (Attn: Gary H. Leibowitz (gleibowitz@coleschotz.com) and Holland & Knight LLP, 1901 Sixth Avenue N, Suite 1400, Birmingham, AL 35203 (Attn: Eric T. Ray etray@hkllaw.com); (iii) counsel to any statutory committee appointed in the Chapter 11 Cases; and (iv) counsel to Wells Fargo Bank, National Association, as Administrative Agent for the Lender Group (“Pre-Petition Secured Agent”), King & Spalding LLP, 1180 Peachtree Street NE, Suite 1600, Atlanta, GA 30309 (Attn: Jeffrey R. Dutson (jdutson@ksllaw.com)) (collectively, the “Adequate Assurance Notice Parties”).
- c) Each Additional Assurance Request must: (i) be made in writing; (ii) set forth the amount and form of additional assurance of payment requested; (iii) set forth the type of Utility Services, any account numbers, and the location(s) for which Utility Services are provided; (iv) include a summary of the Debtors’ payment history to such Utility Company, including whether the Utility Company holds any deposits or other security, and if so, in what amount; (v) set forth why the Utility Company believes the Proposed Adequate Assurance is insufficient; and (vi) provide an email address to which the Debtors may respond to the Additional Assurance Request.
- d) Upon the Debtors’ receipt of an Additional Assurance Request, the Debtors, in consultation with the Pre-Petition Secured Agent, will promptly negotiate with the requesting Utility Company to resolve such Utility Company’s Additional Assurance Request.
- e) Should the Debtors be unable to reach a resolution with respect to an Additional Assurance Request, the Debtors will, upon reasonable notice, calendar the matter (the “Determination Hearing”) for the next regularly scheduled hearing to determine the adequacy of assurance of payment pursuant to section 366(c)(3) of the Bankruptcy Code.
- f) Pending the Determination Hearing, the Utility Company that is the subject of the unresolved Additional Assurance Request is

prohibited from altering, refusing, or discontinuing service to the Debtors on account of unpaid charges for prepetition services, the filing of these Chapter 11 Cases, or any objection to the adequacy of the proposed Adequate Assurance.

- g) Any Utility Company that does not serve an Additional Assurance Request in compliance with the procedures herein will be deemed to have received adequate assurance of payment that is satisfactory to such Utility Company within the meaning of Bankruptcy Code section 366(c)(2), subject to each such Utility Company's right to seek a modification of adequate assurance under Bankruptcy Code section 366(c)(3).

4. The Debtors are authorized, in their sole discretion, to amend the Utility Company List to add or remove any Utility Company, and all provisions of this Order shall apply to any such Subsequently Identified Utility Company that is added to such list; *provided, however*, that if additional Utility Companies are added to the Utility Company List, the Debtors shall: (i) file a copy of any such amendment and serve a copy of the Motion and this Order on any Subsequently Identified Utility Company, along with an amended Utility Company List; and (ii) make all Ordinary Course Payments to such Subsequently Identified Utility Company. Such Subsequently Identified Utility Company shall be permitted to make an Additional Assurance Request in compliance with the Adequate Assurance Procedures after it receives notice of the Motion.

5. Pending entry of the Final Order and resolution of any Additional Assurance Request, Objection or Determination Hearing, the Utility Companies are prohibited from (a) discriminating against the Debtors, (b) altering, refusing, or discontinuing service to the Debtors, or (c) requiring payment of a deposit or receipt or any other security for continued service other than the Utility Deposit, on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance. The Utility Companies are

further prohibited from drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for Utility Services, absent further order of this Court.

6. For the avoidance of doubt, the terms of this Order, including the Adequate Assurance Procedures, shall apply to each Utility Company, notwithstanding any customary business practices, policies, internal operating procedures, or state or local laws or regulations to the contrary. Any Utility Company that believes its customary business practices, policies, internal operating procedures, or state or local laws or regulations forbid it from accepting the Proposed Adequate Assurance or entitle it to additional adequate assurance shall make an Additional Assurance Request or file an Objection in accordance with this Order.

7. Nothing herein constitutes a finding that any entity is or is not a Utility Company hereunder or a “utility” within the meaning of Bankruptcy Code section 366, whether or not such entity is listed on the Utility Company List.

8. The relief granted herein is for all Utility Companies providing Utility Services to the Debtors and is not limited to those parties or entities listed on the Utility Company List.

9. Nothing in the Motion or this Order or the relief granted (including any actions taken or payments made by the Debtors pursuant thereto) shall be construed as (a) authority to assume or reject any executory contract or unexpired lease of real property, or as a request for the same; (b) an admission as to the validity, priority, or character of any claim or other asserted right or obligation, or a waiver or other limitation on the Debtors’ ability to contest the same on any ground permitted by bankruptcy or applicable non-bankruptcy law; (c) a promise to pay any claim or other obligation; (d) granting third-party-beneficiary status or bestowing any additional rights on any third party; (e) being otherwise enforceable by any third party; or (f) prejudicial to the Debtors’ rights to contest any amounts owed to a Utility Company. Further, nothing

contained in this Order shall be deemed to increase, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

10. Notwithstanding anything to the contrary in the Motion or this Final Order, any payment authorized to be made by the Debtors herein shall be subject to and consistent with the terms and conditions contained in any orders entered by this Court authorizing the use of cash collateral and any order authorizing postpetition financing (collectively, a “Financing Order”), including compliance with any budget or cash flow forecast in connection therewith. To the extent there is any conflict between this Final Order and a Financing Order, the terms of the Financing Order shall control.

11. The requirements of Bankruptcy Rule 6003(b) have been satisfied.

12. The requirements of Bankruptcy Rule 6004(a) are waived.

13. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

14. The Court shall retain jurisdiction to hear and determine all matter arising from the implementation of this Order.
