**ORDER CLARIFYING PARTIES' RESPONSIBILITIES REGARDING DOCUMENTS  
SUBMITTED IN SUPPORT OF THE PENDING MATTERS**

In this Bankruptcy case and this Adversary Proceeding this Court has entered a scheduling order regarding dispositive motions filed by the Plaintiff and the Defendant. It now appears to the Court that the parties' documents in support of their motions, responses and replies may be voluminous; it further appears appropriate that the Court provide clear instruction and direction to the parties regarding all documents filed in support of their respective positions. Now therefore,

It is hereby **ORDERED** that the following instructions, guidelines, and restrictions apply to ALL documents filed by the parties in support of their respective positions, motions, responses and replies:

(1) Attaching, filing or using any document in support of a motion by either party: The use of any document in support of a parties' motion, response or reply shall be deemed a certification by counsel that (a) counsel has read each page of said document and as further described herein, has or will accurately designate applicable portions of the documents; and (b) that each and every designated portion of a document is relevant.

(2) As part of the written submissions or during oral argument, each party **SHALL** specifically reference the page, paragraph and line(s) of each document relied upon for any argument made; to be clear, such reference **SHALL** be included either in the pleading or document filed or made known during oral arguments. Further, counsel

**SHALL** make clear to the Court the relevance of each document relied upon by each party.

(3) Unless specific reference is made to selected information, deposition transcripts or other portions of the filed documents, such documents will **NOT** be considered by the Court in its deliberations. The parties are hereby cautioned that the Court will not search or scour the filed documents on its own but will rely completely on the parties to direct the Court to the specific parts, pages and paragraphs that are applicable and relevant.

(4) Consent to Entry of Final Orders or Judgment by the Bankruptcy Court: Based on no objections having been filed and no verbal objections voiced at any hearings thus far, all parties and their counsel have implied their consent, and they will be deemed to have entered a consent to entry of any and all final orders or judgment in this Adversary Proceeding by this Bankruptcy Court.
