4. As agent and custodian of the Court records pursuant to 28 U.S.C. § 156(c), KCC will perform at the request of the Clerk's office the noticing and claims-related services specified in the Application. In addition, at the Debtors' request, KCC will perform such other noticing, claims, technical, administrative, and support services specified in the Application, subject to 28 U.S.C. § 156(c) and the Claims Agent Protocol.

5. KCC represents, among other things, the following:

- (a) KCC is not a creditor of the Debtors;
- (b) KCC is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code;
- (c) KCC will not consider itself employed by the United States government and will not seek any compensation from the United States government in its capacity as the claims and noticing agent in these chapter 11 cases;
- (d) by accepting employment in these chapter 11 cases, KCC waives any rights to receive compensation from the United States government as claims and noticing agent;
- (e) in its capacity as the claims and noticing agent in these chapter 11 cases, KCC will not be an agent of the United States and will not act on behalf of the United States;
- (f) KCC will not employ any past or present employees of the Debtors in connection with its work as the claims and noticing agent in these chapter 11 cases;

- (g) in its capacity as claims and noticing agent in these chapter 11 cases, KCC will not intentionally misrepresent any fact to any person;
- (h) KCC will be under the supervision and control of the Clerk's office with respect to the receipt and recordation of claims and claim transfers;
- (i) KCC will comply with all requests of the Clerk's office and the guidelines promulgated by the Judicial Conference of the United States for the implementation of 28 U.S.C. § 156(c); and
- (j) none of the services provided by KCC as claims and noticing agent will be at the expense of the Clerk's office.

6. Although the Debtors do not propose to retain KCC under section 327 of the Bankruptcy Code pursuant to the Application,³ I caused to be submitted for review by our conflicts system the names of all known potential parties-in-interest (the "**Potential Parties in Interest**") in these chapter 11 cases. The list of Potential Parties in Interest, a copy of which is attached hereto as Exhibit 1, was provided by the Debtors and included, among other things, the Debtors, non-Debtor affiliates, significant equity holders, the Debtors' current and former directors and officers, secured creditors, top 20 unsecured creditors, vendors, and other parties. The results of the conflict check were compiled and reviewed by KCC professionals under my supervision. At this time, and as set forth in further detail herein, KCC is not aware of any relationship that would present a disqualifying conflict of interest. Should KCC discover any new relevant facts or relationships bearing on the matters described herein during the period of its retention, KCC will use reasonable efforts to promptly file a supplemental declaration.

7. To the best of my knowledge, and based solely upon information provided to me by the Debtors, and except as provided herein, neither KCC, nor any of its professionals, has any materially adverse connection to the Debtors, their creditors or other relevant parties. KCC may

³ As stated in the Application, such retention will be sought by separate application.

have relationships with certain of the Debtors' creditors as vendors or in connection with cases in which KCC serves or has served in a neutral capacity as claims and noticing agent or administrative advisor for another chapter 11 debtor.

8. On May 1, 2023, funds affiliated with GCP Capital Partners LLC ("**GCP**") indirectly acquired a controlling equity interest in KCC (the "**Acquisition**"). Pursuant to the Acquisition, an indirect, non-controlling, beneficial minority interest in KCC was acquired by funds affiliated with J.P. Morgan Investment Management Inc. ("**JPMIM**"). GCP is a middle-market private equity investment firm based in New York. GCP has made investments in a number of industries, including tech-enabled business services, payments, and select financials. JPMIM is a U.S. registered investment adviser. Designees of GCP are members of the Board of Managers (the "**Board**") of KCC's ultimate parent company, KCC Parent LLC ("**Parent**"). Parent wholly owns KCC Intermediate LLC, which in turn wholly owns KCC Global Administration, LLC, which in turn wholly owns KCC Topco LLC, which in turn wholly owns KCC. One representative of JPMIM is entitled to attend and observe (but not vote) at all meetings of the Board, but no designee of JPMIM is a member of the Board.

9. KCC searched all entities listed in the list of Potential Parties in Interest against an internal database that includes (i) KCC's parent entities, affiliates, and subsidiaries and (ii) GCP, GCP's funds, and each such fund's respective portfolio companies and investments as set forth in the list most recently provided to KCC by GCP. Based solely on the foregoing search, KCC has determined, to the best of its knowledge, that there are no connections to disclose.

10. To the extent KCC learns of any other material connections between the funds or investments included in the above-described conflicts search and the Debtors, KCC will promptly file a supplemental disclosure. In addition, KCC may have had, may currently have, or may in the

future have business relationships unrelated to the Debtors with one or more GCP or JPMIM entities including, among others, portfolio companies of GCP.

11. KCC has no contract or relationship with XClaim Inc. or with any other party under which KCC provides or will provide exclusive access to claims data and/or under which KCC will be compensated for claims data that is made available by KCC.

12. KCC has and will continue to represent clients in matters unrelated to these chapter 11 cases. In addition, KCC and its personnel have and will continue to have relationships in the ordinary course of its business with certain vendors, professionals and other parties in interest that may be involved in the Debtors' chapter 11 cases. KCC may also provide professional services to entities or persons that may be creditors or parties in interest in these chapter 11 cases, which services do not directly relate to, or have any direct connection with, these chapter 11 cases or the Debtors.

13. To the best of my knowledge, neither KCC nor any of its employees represent any interest materially adverse to the Debtors' estates with respect to any matter upon which KCC is to be engaged. Based on the foregoing, I believe that KCC is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code.

[Remainder of Page Intentionally Left Blank]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my information, knowledge and belief.
