9. Moelis’ work on behalf of the Debtors during the Compensation Period involved tasks that are briefly summarized below. The summary is not intended to be a detailed description of the work Moelis performed during the Compensation Period, but rather is a guideline offered to the Court and other interested parties with respect to the services performed by Moelis.

- (a) **Meetings and Calls with Management, the Board of Directors, Advisors and Creditors.** During the Compensation Period, Moelis participated in frequent calls, diligence sessions, planning sessions and other meetings with the Debtors, the Debtors’ other professionals, and creditors and the creditors’ advisors. These

calls covered various topics, including but not limited to the chapter 11 process, the sale process, due diligence, the state of business operations and strategy, and other related matters. Moelis provided strategic advice regarding these chapter 11 cases to the Debtors during these meetings and communications.

- (b) **Review and Analysis of Financial and Operational Data.** During the Compensation Period, Moelis assisted with review and analysis of the Debtors' financial and operational data, and appropriately packaged this data for the sale process buyers' and creditors' diligence. Moelis held frequent meetings with the various parties in interest to assist with their diligence on the Debtors' financial and operational information.
- (c) **Preparation of Court Filings and Providing Testimony.** Moelis worked closely with the Debtors and the Debtors' other professionals on the drafting and review of relevant court filings and related documents. Moelis submitted declarations at multiple hearing throughout these Chapter 11 cases, and was available to provide testimony as needed.
- (d) **Sale Process, Buyer Communications and Related Diligence.** Moelis conducted a comprehensive sale process for all of the Debtors' assets and managed all of the related functions, including managing communications with various potential buyers and their advisors, assisting with diligence, and maintaining the virtual data room through which the Debtors' information was passed on to potential buyers and their advisors, as well as to the other parties in interest. Given the three discreet asset silos at the Debtors, this essentially resulted in Moelis running three separate sale processes and diligence processes. These efforts culminated in the successful sale transactions to Volvo Battery Solutions LLC and Phoenix Motor, Inc., resulting in total cash proceeds of approximately \$221.3 million into the Debtors' estates and the assumption of approximately \$46.3 million of additional liabilities by the buyers, and the Debtors' Plan of Reorganization around its remaining assets.
- (e) **Assistance with General Bankruptcy Matters.** Moelis conducted strategic and financial advisory, investment banking, and other general administrative services, including, but not limited to, services related to these Chapter 11 Cases generally, addressing questions of individual members of the Debtors, chapter 11 procedures, and communications, and other matters not falling into any of the service categories listed above.

10. Moelis' time records for the Compensation Period, maintained in accordance with the Retention Order, are annexed hereto as **Exhibit A**. Pursuant to the Retention Order, the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330*

(the “U.S. Trustee Guidelines”) and Local Rule 2016-2 have been modified such that Moelis restructuring professionals are required only to keep summary time records in half hour increments; Moelis’ non-restructuring professionals and personnel in administrative departments (including internal legal) are not required to keep time records; Moelis’ professionals are not required to keep time records on a project category basis; and Moelis is not required to provide or conform to any schedule of hourly rates.

11. To the extent this Application does not comply in every respect with the requirements of the Bankruptcy Code, the Bankruptcy Rules, the U.S. Trustee Guidelines and Local Rule 2016-2 (as modified by the Retention Order), Moelis respectfully requests a waiver for any such technical non-compliance.

**REQUEST FOR REIMBURSEMENT OF EXPENSES  
INCURRED DURING THE COMPENSATION PERIOD**

12. Expenses incurred by Moelis for the Compensation Period totaled \$69,549.82. A detailed description of the expenses Moelis incurred during the Compensation Period for which Moelis has not previously requested reimbursement is annexed hereto as **Exhibit B**. The expenses incurred by Moelis during the Compensation Period include attorneys’ fees and expenses of its outside legal counsel relating to services performed by Moelis, invoices supporting which are included in **Exhibit B**.

13. All of the fees and expenses for which allowance and payment is requested by Moelis in this Application are reasonable, appropriate and necessary, and Moelis’ work was performed for and on behalf of the Debtors during the Compensation Period. In seeking reimbursement of an expenditure, Moelis is requesting reimbursement “at cost” and does not make a profit on such expenditure.

**WHEREFORE**, pursuant to the Interim Compensation Order, the Confirmation Order, and the Plan of Reorganization, Moelis respectfully requests that allowance be made to Moelis for 100% of its fees of \$7,000,000.00 and 100% of its expenses of \$69,549.82 incurred during the Compensation Period.
