II. THE CLAIMS RESOLUTION PROCESS

A. Background

12. On September 5, 2023, the Court entered the *Order Establishing Bar Dates for Filing Proofs of Claim and Approving the Form and Manner of Notice Thereof* [D.I. 187] (the "Bar Date Order"), setting forth certain dates by which parties holding prepetition claims against the Debtors were required to file proofs of claim.

13. On or around October 11, 2023, Verita Global, f/k/a Kurtzman Carson Consultants LLC ("KCC"), the Debtors' claims and noticing agent, mailed the Bar Date Order and proof of claim form to all the Debtors' creditors and other known parties in interest as of the Petition Date (the "Bar Date Notice"). *See* Certificates of Service [D.I. 467, 1058].

14. The Bar Date Order established November 13, 2023, 4:00 p.m. (prevailing ET) as the deadline for all entities (except for governmental units and holders of administrative claims) holding claims against the Debtors that arose, or are deemed to have arisen, prior to the Petition Date to file proofs of claim (the "General Bar Date"). *See* Bar Date Order at ¶ 4. The deadline for governmental units to file proofs of claim against the Debtors was February 3, 2024 at 4:00 p.m. (ET) (the "Governmental Bar Date") and the deadline for holders of administrative claims to file proofs of claim against the Debtors was fixed as April 12, 2024 (the "Administrative Bar Date,"

and together with the General Bar Date and Governmental Bar Date, the “Bar Dates” and each as applicable, the “Applicable Bar Date”). *See* Notice of Effective Date.

B. Proofs of Claim and Claims Reconciliation

15. The Debtors’ register of claims (the “Claims Register”), as maintained by KCC, includes more than 1400 proofs of claim that were filed against the Debtors.

16. In the ordinary course of business, the Debtors maintained books and records (the “Books and Records”) that reflect, among other things, the nature and amount of the liabilities the Debtors owed to their creditors and interest holders. The Reorganized Debtor and its professionals began, and the Distribution Trustee and his professionals have continued, reviewing, comparing, and reconciling the proofs of claim (including any supporting documentation) with the Schedules, the Claims Register, and the Books and Records. The claims reconciliation process includes identifying particular categories of claims that may be subject to objection because they were improperly classified in a proof of claim.

17. On May 28, 2024, the Distribution Trustee filed (i) *The Distribution Trustee’s First Omnibus (Non-Substantive) Objection to Certain (I) Amended and Superseded Claims, (II) Duplicate Claims, (III) Late Filed Claims, and (IV) Insufficient Documentation Claims* [D.I. 1326] (the “First Omnibus Objection”), (ii) *The Distribution Trustee’s First Notice of Claims Previously Satisfied* [D.I. 1327] (the “First Satisfied Claims Notice”), and (iii) *The Distribution Trustee’s First Notice of Claims Previously Partially Satisfied* [D.I. 1328] (the “First Partially Satisfied Claims Notice” and together with the First Satisfied Claims Notice, the “Satisfied Claims Notices”).

18. On July 10, 2024, the Distribution Trustee filed certifications of counsel in connection with the Satisfied Claims Notices [D.I. 1388 and D.I. 1389].

19. On July 10, 2024, the Distribution Trustee filed a certification of counsel with respect to the First Omnibus Objection, entering a revised form of order [D.I. 1387].

20. On July 12, 2024, the Court entered an order sustaining the First Omnibus Objection [D.I. 1391].

21. This review, analysis, and reconciliation of claims is ongoing, and the Distribution Trustee has now determined that certain additional claims should be disallowed and expunged as they should be classified as equity interests and expunged.

22. Accordingly, the Distribution Trustee files this Objection seeking the relief requested below.

RELIEF REQUESTED

23. By this Objection, the Distribution Trustee respectfully requests entry of the Proposed Order disallowing and expunging the Equity Claims in their entirety.

BASIS FOR RELIEF

24. Section 502(a) of the Bankruptcy Code provides, in pertinent part, that a “claim or interest, proof of which is filed under section 501 of this title, is deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502(a).

25. Section 502(b)(1) of the Bankruptcy Code provides that a claim may not be allowed to the extent that it “is unenforceable against the debtor and property of the debtor, under any agreement or applicable law.” 11 U.S.C. § 502(b). While a properly filed claim is *prima facie* evidence of the claim’s allowed amount, when an objecting party rebuts a claim’s *prima facie* validity, the Claimant bears the burden of proving the claim’s validity by a preponderance of evidence. *See In re Allegheny Int’l, Inc.*, 954 F.2d 167, 173–74 (3d Cir. 1992) (“The burden of persuasion is always on the claimant.”); *see also* 11 U.S.C. § 501; Fed. R. Bankr. P. 3001(f).

26. For the reasons set forth below, there is ample evidence to rebut the *prima facie* validity of each Claim.

A. The Equity Claims

27. As set forth in the Balasiano Declaration, based upon a review and analysis of the Equity Claims listed on Schedules 1-8 to the Proposed Order, the Distribution Trustee has determined that each Equity Claim was filed by a shareholder based on the asserted ownership of equity securities in the Debtors.

28. The Bankruptcy Code defines an “equity security” as a:

- a. share in a corporation, whether or not transferable or denominated “stock,” or similar security;
- b. interest of a limited partner in a limited partnership; or
- c. warrant or right, other than a right to convert, to purchase, sell, or subscribe to a share, security, or interest of a kind specified in subparagraph (A) or (B) of this paragraph.

11 U.S.C. § 101(16). Holders of equity securities, such as shares of stock, do not have “claims” under section 101(5) of the Bankruptcy Code, but rather equity interests. *See In re Insilco Techs., Inc.*, 480 F.3d 212, 218 (3d Cir. 2007) (“[An equity interest] is not a claim at all”); *In re Hedged-Invs. Assocs.*, 84 F.3d 1267, 1272 (10th Cir. 1996) (“Simply put, an equity interest is not a claim against the debtor....”) (quotations omitted). The Equity Claims do not assert any claims for damages, but rather assert claims based only on ownership as an equity interest.⁴ The equity interests asserted by the holders of the Equity Claims are thus not claims against the Debtors.

29. Furthermore, pursuant to the express terms of the Plan, interests in Equity are extinguished (“On the Effective Date, each holder of an Interest in TopCo shall have such Interest

⁴ Consistent with Local Rule 3007-1(d)(v), each of the Equity Claims listed on Schedule 1 to the Proposed Order merely assert ownership of equity interests and do not allege damages associated therewith.

cancelled without distribution or compensation ...[and] Allowed Section 510(b) Claims, if any, shall be canceled and released without any distribution on account of such Section 510(b) Claims.”

See Plan, Art. III.C). The Plan also provides:

Except as otherwise expressly provided in the Plan, the Confirmation Order, or any agreement, instrument, or other document entered into in connection with or pursuant to this Plan, on the Effective Date, (a) all notes, bonds, indentures, certificates, securities, shares, equity securities, purchase rights, options, warrants, convertible securities or instruments, credit agreements, collateral agreements, subordination agreements, intercreditor agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any indebtedness or obligations of, or ownership interest in, the Debtors, or giving rise to any Claims against or Interests in the Debtors or to any rights or obligations relating to any Claims against or Interests in the Debtors ... ***shall be canceled without any need for a Holder or any Debtors to take any further action with respect thereto, and the duties and obligations of all parties thereto, including the Debtors, thereunder or in any way related thereto shall be discharged, terminated, and of no further force or effect*** and (b) the obligations of the Debtors pursuant, relating, or pertaining to any agreements, certificates of designation, bylaws, or certificate or articles of incorporation or similar documents governing the notes, bonds, indentures, certificates, securities, shares, purchase rights, options, warrants, or other instruments or documents evidencing or creating any indebtedness or obligation of or Interests in the Debtors ... including, without limitation, ... publicly-traded Interests, ***shall be released and discharged in exchange for the consideration provided under the Plan.***

On the Effective Date, each holder of a certificate or instrument evidencing a Claim that is discharged by the Plan shall be deemed to have surrendered such certificate or instrument in accordance with the applicable indenture or agreement that governs the rights of such holder of such Claim. Such surrendered certificate or instrument shall be deemed canceled as set forth in, and subject to the exceptions set forth in, this Article IV.K.

See Plan, Art. IV.K. (emphasis added).

30. The formal removal of the Equity Claims from the Claims Register will enable the Distribution Trustee to maintain a Claims Register that more accurately reflects the valid claims that have been asserted against the Debtor’s estate.

31. Therefore, the Liquidating Trustee (i) objects to the allowance of the Equity Claims set forth on Schedules 1-8 to the Proposed Order, and (ii) seeks entry of the Proposed Order disallowing the Equity Claims.

RESPONSES TO THE OBJECTION

32. **Filing and Service of Responses**: To contest the Objection, a Claimant must file and serve a written response to the Objection (a “Response”) so that it is actually received by the Clerk of the Court and the parties in the following paragraph no later than 4:00 p.m. (ET) on August 21, 2024 (the “Response Deadline”). Claimants should locate their names and Equity Claims on Schedules 1-8 to the Proposed Order, and carefully review the Objection. A Response must address the grounds upon which the Distribution Trustee objects to a particular Equity Claim. A hearing to consider the Objection, if necessary, will be held on August 28, 2024 at 1:00 p.m. (ET), before the Honorable Brendan L. Shannon, United States Bankruptcy Judge, at the United States Bankruptcy Court for the District of Delaware, 824 North Market Street, 6th Floor, Courtroom 1, Wilmington, Delaware 19801 or via telephone and videoconference (the “Hearing”).

33. Each Response must be filed and served upon the following entities at the following addresses:

2. the name of the Claimant and description of the basis for the amount of the Equity Claim;

4. all documentation or other evidence relating to the Equity Claim in question, to the extent not already included with the Claimant's proof of claim, upon which the Claimant will rely in opposing the Objection at the Hearing;
5. the name, address, telephone number, and fax number of the person(s) (who may be the Claimant or a legal representative thereof) possessing ultimate authority to reconcile, settle, or otherwise resolve the Equity Claim on behalf of the Claimant; and

Only those Responses made in writing and timely filed and received will be considered by the Court at any such hearing.

36. **Adjournment of Hearing:** The Distribution Trustee reserves the right to adjourn the Hearing on any Equity Claim included in the Objection. In the event that the Distribution Trustee so adjourns the Hearing, the Distribution Trustee will state that the Hearing on that particular Equity Claim has been adjourned on the agenda for the Hearing on the Objection, which agenda will be served on the person designated by the Claimant in its Response.

37. If a Claimant whose Equity Claim is subject to the Objection, and who is served with the Objection, fails to file and serve a timely Response in compliance with the foregoing procedures, the Distribution Trustee will present to the Court an appropriate order disallowing and expunging the Equity Claims **without further notice to the Claimant.**

SEPARATE CONTESTED MATTER

38. To the extent a Response is filed regarding any individual claim listed in this Objection and the Distribution Trustee is unable to resolve the Response, the Objection by the Distribution Trustee to such claim shall constitute a separate contested matter as contemplated by

Bankruptcy Rule 9014. Any order entered by the Court regarding an objection asserted in this Objection shall be deemed a separate order with respect to each claim subject thereto.

RESERVATION OF RIGHTS

39. The Distribution Trustee expressly reserves the right to amend, modify, or supplement this Objection, and to file additional objections to any other claims (filed or not) that may be asserted against the Reorganized Debtor and the Distribution Trust. Should one or more of the grounds for objection stated in the Objection be withdrawn or overruled, the Distribution Trustee reserves the right to object to each of the Equity Claims or any other proofs of claim on any other grounds.

40. Notwithstanding anything contained in the Objection, or the exhibits and schedules attached hereto, nothing herein will be construed as a waiver of any rights that the Reorganized Debtor, the Distribution Trustee or any successors thereto, may have to enforce any other rights, including but not limited to the right of setoff against the Claimants.

41. Nothing in this Objection shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Reorganized Debtor or the Distribution Trustee under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Reorganized Debtor's, the Distribution Trustee's, or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Objection; (e) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Reorganized Debtor's estate or the Distribution Trust; or (f) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law.

COMPLIANCE WITH LOCAL RULE 3007-1

42. The undersigned counsel to the Distribution Trustee on behalf of the Reorganized Debtor has reviewed the requirements of Local Rule 3007-1 and certifies that the Objection substantially complies with that Local Rule. To the extent that the Objection does not comply in all respects with the requirements of Local Rule 3007-1, the Distribution Trustee believes such deviations are not material and respectfully requests that any such requirement be waived.

NOTICE

43. Notice of this Objection will be given to: (i) the U.S. Trustee; (ii) each Claimant listed on the Schedules and affected by the relief requested herein; and (iii) all parties who, as of the filing of the Objection, have filed a renewed notice of appearance and request for service of papers pursuant to Local Rule 2002-1(b) and the Confirmation Order. A copy of this Objection is also available on the Reorganized Debtor's case website at <https://veritaglobal.net/proterra>. 5. In preparing this Declaration, I, or persons under my supervision or employed by the Distribution Trust, have reviewed the Claims Register maintained by KCC, which contains the record of all parties that filed proofs of claim in connection with this Chapter 11 Case.

6. I, along with employees of the Distribution Trust, the Reorganized Debtor, or the Distribution Trustee's advisors have reviewed each of the Equity Claims listed on Schedules 1-8 to the Proposed Order, as well as any supporting documentation annexed to each of the Equity Claims. Based on this review, my advisors and/or consultants and I have determined that each Equity Claim listed on Schedules 1-8 to the Proposed Order was filed by a shareholder based on the asserted ownership of equity securities in the Debtors. The Equity Claims do not assert any claims for damages, but rather assert claims based only on ownership of equity interests, supported

by the fact that certain Claimants noted on the proof of claim forms that the claims were filed on account of such an interest and/or filed documentation evidencing their equity interest with the proof of claim form.

7. Based on the foregoing, I believe that Equity Claims set forth on Schedules 1-8 to the Proposed Order should be disallowed and expunged in their entirety.

8. The information contained in the Objection and in the Schedules attached to the Proposed Order is true and correct to the best of my knowledge, information, and belief.

I declare under penalty of perjury that the foregoing information is true and correct to the best of my knowledge, information, and belief.
