If applicable, number of professionals in this application not included in staffing plan approved by client	N/A
If applicable, difference between fees budgeted and compensation sought for this application period	The fees sought in the Application exceed the fees budgeted for the time period covered because of the Debtor's decision to prosecute its Plan of Reorganization over the objection of the Committee. At the time the budget was made, the Debtor's Disclosure Statement had not yet been approved and it remained uncertain whether it would be. Accordingly, the budget did not anticipate a contested plan confirmation process. The commencement of that adversarial process has had a meaningful and material impact on the cost of the case. This fact is evidenced by, among other things, the quantum of fees incurred after the Disclosure Statement was approved on April 4, 2025, where Lowenstein's fees equate to 31% of the total amount requested.
Number of professionals (attorneys) billing fewer than 15 hours to the case during this period	5

PRELIMINARY STATEMENT

2. Throughout the Compensation Period, Lowenstein’s team of bankruptcy and litigation attorneys continued their work to protect and enforce the rights of survivors of sexual abuse (“**Survivors**”). Lowenstein’s services to the Committee during the Compensation Period required it to address many issues of importance to its client and its constituency, including:

3. First, Lowenstein spent time preparing for and attending two mediation sessions and numerous court hearings.

4. Second, Lowenstein spent time drafting objections to the Debtor’s Disclosure Statement (the “**Disclosure Statement**”) and attending hearings on same. After the Committee agreed to withdraw its remaining objections to the Disclosure Statement, Lowenstein attorneys immediately began preparing for a contested plan confirmation hearing.

5. Third, the Committee continued to prosecute its adversary proceedings against the Debtor and certain of its affiliates by, among other things, drafting opposition to motions to dismiss, amending its complaints and conducting legal research in connection with same.

6. Fourth, Lowenstein spent time communicating with Committee members and state court counsel, and hosting meetings to prepare for mediation and to keep the Committee informed with respect to all aspects and developments in the Chapter 11 Case.

III.

JURISDICTION

7. This Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334, the *Order Referring Bankruptcy Cases and Proceedings to Bankruptcy Judges*, General Order 24 (N.D. Cal.) and Rule 5011-1(a) of the Local Rules. This is a core proceeding under 28 U.S.C. §157(b)(2). Venue of this proceeding and this Application in this Court is proper under 28 U.S.C. §§ 1408 and 1409.

IV.

BACKGROUND

8. On May 8, 2023, the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor continues to operate as a debtor in possession under sections 1107(a) and 1108 of the Bankruptcy Code.

9. On May 23, 2023, the UST, under section 1102(a)(1) of the Bankruptcy Code, appointed nine Survivors holding claims against the Debtor to serve on the Committee. The Committee is charged with representing the interests of all Survivors in this Chapter 11 Case.

10. On May 30, 2023, the Committee selected Lowenstein as its lead counsel. The Committee then selected Keller Benvenuti Kim LLP as local counsel. On July 14, 2023, the Committee selected Burns Bair to serve as special insurance counsel.

11. On July 8, 2023, the Court entered the *Order Authorizing Retention of Lowenstein Sandler LLP as Lead Counsel to the Official Committee of Unsecured Creditors of the Roman Catholic Bishop of Oakland Effective as of May 30, 2023* [Dkt. No. 205] (the “**Retention Order**”).

12. The Retention Order authorizes the Debtor to compensate and reimburse Lowenstein in accordance with the Bankruptcy Code, the Bankruptcy Rules, the UST Guidelines, and the Interim Compensation Order.

13. Under the Retention Order, the services to be provided by Lowenstein to the Committee include:

- (i) advising the Committee with respect to its rights, duties, and powers in this Chapter 11 Case;
- (ii) assisting and advising the Committee in its consultations and communications with the Debtor concerning administration of this Chapter 11 Case;

2 of the Debtor's prepetition debt and the prosecution of any claims or causes of
3 action revealed by such investigation;
- 4 (vii) assisting the Committee in its analysis of, and negotiations with, the Debtor or
5 any third party concerning matters related to, among other things, the assumption
6 or rejection of certain leases of nonresidential real property and executory
7 contracts, asset dispositions, financing of other transactions and the terms of any
8 chapter 11 plans for the Debtor and accompanying disclosure statements and
9 related plan documents;
- 10 (viii) assisting the Committee in its analysis of insurance policies procured by the
11 Debtor and negotiations with the underlying insurers concerning all matters

- 26 (xiv) performing such other legal services as may be required or are otherwise deemed
27 to be in the interests of the Committee in accordance with the Committee's
28 powers and duties under the Bankruptcy Code, Bankruptcy Rules, or other
applicable law.

29 V.

30 **SUMMARY OF PROFESSIONAL COMPENSATION AND** 31 **REIMBURSEMENT OF EXPENSES REQUESTED**

32 14. During the Compensation Period, Lowenstein's professionals and
33 paraprofessionals expended 2,468 hours in connection with providing necessary services to the
34 Committee. Lowenstein has been able to efficiently provide services by using the expertise of
35 professionals and paraprofessionals within relevant practice groups to effectively advise the
36 Committee regarding discrete issues and ensure that the level of seniority is commensurate with
37 the work being performed. In connection with services rendered on behalf of the Committee,
38 Lowenstein requests allowance of reasonable compensation in the total amount of

1 \$2,534,921.00, and reimbursement of actual and necessary expenses incurred in the amount of
2 \$56,907.33, for an aggregate total of \$2,591,828.33 for the Compensation Period.

3 15. There is no agreement or understanding between Lowenstein and any other
4 person, other than members of the firm, for the sharing of compensation to be received for
5 services rendered in this Chapter 11 Case. Except as set forth below with respect to payments
6 Lowenstein may receive under the Interim Compensation Order, during the Compensation
7 Period, Lowenstein received no payment and no promises of payment from any source for
8 services rendered or to be rendered in any capacity in connection with the matters covered by
9 this Application.

10 16. Lowenstein agreed to reduce its hourly rates for the benefit of the Committee's
11 constituency (holders of sexual abuse claims against the Debtor). In order to ensure that any
12 price reduction inures solely to the benefit of the Committee's constituency, Lowenstein will
13 hold ten percent of all fees received in this Chapter 11 Case in a trust account to benefit sexual
14 abuse claimants. The funds will be held until a trust is established through a plan of
15 reorganization. If no such trust is created, the funds will be donated to a child advocacy
16 organization to be selected by the Committee at the end of the Chapter 11 Case.

17 17. Other than the foregoing discount: (i) the fees charged by Lowenstein in this
18 Chapter 11 Case were billed in accordance with its existing billing rates and procedures in effect
19 during the Compensation Period and (ii) these rates are the same rates Lowenstein charges for
20 services rendered by its attorneys and paraprofessionals in comparable matters and are
21 reasonable given the compensation charged by comparably skilled practitioners in similar
22 matters in both the California and national markets.

23 18. Lowenstein maintains computerized time records, which have been filed on the
24 docket with its monthly fee statements and furnished to the Debtor and the UST in the format
25 specified by the Interim Compensation Order. As discussed above, detailed time records for the
26 Compensation Period are attached as **Exhibit H**.

27 19. The Committee has reviewed the Interim Application and has approved the fees
28 and expenses requested.

VI.

**SUMMARY OF SERVICES PERFORMED BY LOWENSTEIN
DURING THE COMPENSATION PERIOD**

20. During the Compensation Period, Lowenstein rendered professional services to the Committee solely in connection with this Chapter 11 Case and, on behalf of the Committee, in accordance with Lowenstein's professional responsibilities. The services performed were necessary to the administration of this Chapter 11 Case and were beneficial at the time at which the services were rendered. All services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed. Recitation of every item of the professional services performed by Lowenstein during the Compensation Period would be unduly burdensome. Thus, the following summary highlights meaningful issues to which Lowenstein devoted time and attention during the Compensation Period. This summary is organized in accordance with Lowenstein's internal system of project categories.

A. **Adversary Proceedings and Bankruptcy Court Litigation** (655.40 hours; \$660,197.00).

21. This category includes time spent by Lowenstein developing legal strategy and conducting extensive legal work related to litigation in the adversary proceedings to recover assets of the estate, including assets purportedly belonging to the Debtor's related entities. Specifically, the attorneys engaged in extensive motion practice, addressing a wide variety of substantive and procedural issues. The specific types of motions they drafted, reviewed, and responded to include:

- (i) Motions to Dismiss Adversary Complaints: drafting, reviewing, and revising objections to Motions to Dismiss Adversary Complaints related to the Oakland Parochial Fund (Adv. Pro. No. 24-04051) and Bond Obligated Group (Adv. Pro. No. 24-04053), including outlining arguments, conducting legal research, and drafting detailed responses to the legal assertions made by the Debtor and other parties;
- (ii) Motions for Derivative Standing: drafting, reviewing, and revising motions seeking derivative standing for the Committee to pursue certain claims on behalf of the estate, as well as replies in support of these motions and responses to objections raised by the Debtor and other parties;

- 1 (iii) Motions for Abeyance or Stay of Proceedings: preparing objection to motion
2 seeking to stay or hold in abeyance the Insurance Declaratory Judgment Action;
3 (iv) Motions for Authority to Substitute as Plaintiff: revising motion for authority to
4 substitute the Committee as plaintiff in the Insurance Declaratory Judgment
5 Action, including drafting reply to objection to same; and
6 (v) Motions for Protective Orders: preparing and reviewing motions for protective
7 orders, particularly in the context of discovery disputes and the protection of
8 privileged or confidential information.

9 In sum, Lowenstein's attorneys' work encompassed a broad spectrum of motion practice,
10 including dispositive motions, procedural and scheduling motions, discovery-related motions
11 (including protective orders and motions to quash), and motions addressing the substantive rights
12 and standing of the parties. This comprehensive approach reflects the complexity and contested
13 nature of the adversary proceedings in the Chapter 11 case.

14 **B. Court Hearings** (96.70 hours; \$118,015.50).

15 22. Time billed to this category is for attorney time spent preparing for and attending
16 various court hearings in the Chapter 11 Case and the adversary proceedings on behalf of the
17 Committee, including, but not limited to, tending to post-hearing activities such as reviewing
18 hearing transcripts, summarizing outcomes, and communicating results and next steps to the
19 Committee. Specifically, Lowenstein attended: (i) the hearings on motion to lift the automatic
20 stay and standing motions; (ii) multiple hearings related to the Debtor's Disclosure Statement;
21 (iii) motions to dismiss adversary complaints; (iv) status conferences to discuss the progress of
22 the main case and adversary proceedings, as well as case management conferences to address
23 scheduling, procedural issues, and next steps in litigation; (v) hearings on fee applications,
24 objections and retention of professionals; (vi) hearings related to late claim motions and (vii) the
25 hearing held before the Honorable Jacqueline Scott Corley in the consolidated cases (Case No.
26 24-00709 and 24-00711) filed in the District Court related to the motions to stay insurance
27 adversary proceedings.

28 **C. Employment and Retention Applications - Others** (106.30 hours;
\$100,798.50).

29 23. During the Compensation Period, Lowenstein's services in this category
30 included: (i) preparing, reviewing, and revising supplemental retention applications, proposed

orders, and supporting declarations for various professionals, including Berkeley Research Group, LLC (“**BRG**”), as financial advisor and Stout Risius Ross, LLC (“**Stout**”), as real estate consultant and expert witness; (ii) conducting research to identify, vet, and evaluate the qualifications and backgrounds of potential expert witnesses in areas such as real estate valuation, insurance, trust and estate, and First Amendment issues (iii) engaging in calls and email exchanges with prospective experts, internal team members, and professionals from BRG and Stout to discuss retention strategy, gather necessary information, and finalize application documents; (iv) reviewing and responding to objections from the Debtor and other parties regarding the retention of certain experts, and revising applications as required by court rulings or comments from the U.S. Trustee; and (v) finalizing and filing retention applications.

D. Claims Administration and Objections (75.40 hours; \$82,145.00).

24. During the Compensation Period, Lowenstein undertook a wide range of activities focused on the administration and objection of claims in the Chapter 11 Case. The primary tasks included reviewing claims filed against the estate, including the claim filed by the Oakland Parochial Fund (the “**OPF Claim**”). This analysis included (i) examining claim documents and related pleadings to assess validity and develop objection strategy and (ii) preparing, revising, and finalizing objection to the OPF Claim which included outlining legal arguments and drafting an amended objection.

E. Mediation (87.30 hours; \$108,113.50)

25. This category includes, among other things, time spent by Lowenstein in connection with preparation for mediation sessions and development of mediation strategies. Time spent in this category includes, but is not limited to: (i) communicating and conferring with Judge Sontchi, the appointed mediator, to discuss the status of the case, schedule mediation sessions, and address procedural issues related to mediation; (ii) developing mediation strategies and reviewing and analyzing relevant documents; (iii) reviewing and drafting revised motions and objections related to mediation, such as objection to the Debtor’s motion to compel mediation; (iv) coordinating internal meetings and calls to refine mediation strategies, including the development of settlement goals, analysis of the Debtor’s financial position, and review of

1 prior settlement proposals; (v) engaging in ongoing negotiations with the mediator, the Debtor,
2 and other parties to address unresolved issues, analyze new proposals, and continue the
3 mediation process as needed; and (vi) preparing presentations and supporting materials for use
4 in mediation.

5 **F. Meetings of and Communication with Creditors** (124.10 hours; \$143,101.50).

6 26. Lowenstein spent time communicating with Committee members and their state
7 court counsel to discuss all issues germane to this case, including, but not limited to, the
8 following: (i) developing a mediation strategy and preparing for mediation sessions; (ii)
9 preparing a presentation to the Committee summarizing mediation strategy and participating in
10 several zoom meetings and conference calls to prepare for and discuss mediation and claims
11 analysis with the Committee; (iii) meeting with the Committee to prepare for the hearing to
12 consider Survivor Statements and Disclosure Statement hearings, and debriefing sessions
13 following the hearings; and (iv) summarizing prospective settlement scenarios, and ultimately
14 the Debtor's settlement proposal.

15 **G. Plan and Disclosure Statement** (1,171.70 hours; \$1,198,719.00).

16 27. Lowenstein spent extensive time regarding the Plan and Disclosure Statement.
17 Specifically, this work included: (i) preparing, drafting, and revising objections to versions of
18 the Debtor's Disclosure Statement, including the Amended, Second Amended, and Third
19 Amended Disclosure Statements; (ii) conducting legal research on the best interest test,
20 hypothetical liquidation test, fair and equitable test, absolute priority rule, and the treatment of
21 insured claims; (iii) drafting, revising, and finalizing discovery requests, including document
22 requests, interrogatories, and subpoenas to the Debtor and related entities. This task also
23 involved reviewing and analyzing responses to discovery, preparing responses and objections to
24 discovery served on the Committee, and strategizing regarding motions for protective orders and
25 motions to quash; (iv) identifying potential expert witnesses on topics such as real estate
26 valuation, trust law, and First Amendment issues, including reviewing expert reports and
27 background materials; (v) participating in numerous internal team meetings, calls with co-
28 counsel, and strategy sessions to coordinate plan confirmation workstreams, discuss discovery,

1 and prepare for hearings; (vi) preparing and revising Committee solicitation letter; (vii)
2 reviewing documents produced in discovery, analyzing the Debtor's financials, liquidation
3 analyses, and other materials relevant to plan confirmation; and (viii) reviewing documents
4 produced in discovery.

5 **H. Relief from Stay/Adequate Protection Proceedings** (113.50 hours;
6 \$97,443.00).

7 28. This category includes time spent by Lowenstein addressing automatic stay
8 issues, including, but not limited to, the following: (i) conducting multiple conferences and calls

19 **VII.**

20 **ACTUAL AND NECESSARY EXPENSES**

21 29. Lowenstein incurred reasonable and necessary out-of-pocket expenses in the sum
22 of \$56,907.33 in connection with rendering legal services to the Committee during the
23 Compensation Period. A description of the expenses is set forth in **Exhibit E**. The
24 disbursements are itemized in the annexed schedule. These disbursements were necessary to
25 effectively render legal services in this Chapter 11 Case.

26 30. During this Chapter 11 Case, Lowenstein has incurred and paid its actual and
27 necessary disbursements and expenses.
28

VIII.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

31. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered ... and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

32. In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, considering all relevant factors, including—

- (i) the time spent on such services;
- (ii) the rates charged for such services;
- (iii) Whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (iv) Whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (v) With respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (vi) Whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

33. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount requested is fair and reasonable given (a) the complexity of this Chapter 11 Case, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the cost of comparable services other than in a case under this title.

34. In sum, the services rendered by Lowenstein were necessary and beneficial to the Debtor's estates and were consistently performed timely commensurate with the types of issues involved in this Chapter 11 Case. Accordingly, approval of the compensation for professional services and reimbursement of expenses sought in this Application is warranted.

IX.

Lowenstein Sandler’s hourly rates for bankruptcy services are comparable to the hourly rates charged in complex chapter 11 cases by comparably skilled bankruptcy attorneys. The “Blended Hourly Rate – Billed Preceding Year, Excluding Bankruptcy” (the “**BHREB**”) noted above reflects the firm’s blended hourly rate billed for calendar year 2024 excluding bankruptcy related work, but including all alternative fee arrangements other than contingency fee cases. In calendar year 2024, the firm increased its billing rates on January 1st in accordance with its normal practice. The BHREB also represents the billed rate across a larger, more expansive population of the firm’s attorneys with a multitude of rates that are impacted by a number of factors, including level of experience, complexity of the work and office location. For example, approximately 32% of Lowenstein Sandler’s attorneys are based in New York, while approximately 57% are based in NJ, approximately 7% are based in California and Utah, and 4% are based in Washington DC. Thus, the “Blended Hourly Rate – Billed This Fee Application” is a function of, among other things, the experience and location of the subset of attorneys delivering the services and the sophistication and complexity of the specific matter.

Number of professionals (attorneys) included in this application	20
If applicable, number of professionals in this application not included in staffing plan approved by client	N/A
If applicable, difference between fees budgeted and compensation sought for this application period	The fees sought in the Application exceed the fees budgeted for the time period covered because of the Debtor's decision to prosecute its Plan of Reorganization over the objection of the Committee. At the time the budget was made, the Debtor's Disclosure Statement had not yet been approved and it remained uncertain whether it would be. Accordingly, the budget did not anticipate a contested plan confirmation process. The commencement of that adversarial process has had a meaningful and material impact on the cost of the case. This fact is evidenced by, among other things, the quantum of fees incurred after the Disclosure Statement was approved on April 4, 2025, where Lowenstein's fees equate to 31% of the total amount requested.
Number of professionals (attorneys) billing fewer than 15 hours to the case during this period	5

Are any rates higher than those approved or disclosed at retention? If yes, calculate the amount of compensation attributable to any rate increase	No.

1 5. As required by the Interim Compensation Order, Lowenstein sent monthly billing
2 statements to the Debtor during the Compensation Period. In addition, the Debtor and the U.S.
3 Trustee are each being provided with a copy of the Application in accordance with the Interim
4 Compensation Order.

5 6. Lowenstein responds to the questions identified in the U.S. Trustee Guidelines as
6 follows:

7 **(a) Question:** Did you agree to any variations from, or alternatives to, your standard or
8 customary billing arrangements for this engagement?

9 Response: Yes. Lowenstein agreed to reduce its hourly rates for the benefit of the
10 Committee's constituency (i.e., holders of sexual abuse claims against the
11 Debtor). In order to assure that any price reduction inures solely to the
12 benefit of the Committee's constituency, Lowenstein will hold ten percent
13 of all fees received in this Chapter 11 Case in a trust account to benefit
14 sexual abuse claimants. The funds will be contributed to the trust
15 established for the benefit of Survivors through a plan of reorganization in
16 this Chapter 11 Case. If no such trust is created, the funds will be donated
17 to a child advocacy organization to be selected by the Committee at the
18 conclusion of the Chapter 11 Case. Additionally, Lowenstein has agreed
19 not to charge the Committee for its travel time to and from the San Francisco
20 Bay area.

21 **(b) Question:** If the fees sought in this fee application as compared to the fees budgeted
22 for the time period covered by this fee application are higher by 10% or
23 more, did you discuss the reasons for the variation with the client?

24 Response: The fees sought in the Application exceed the fees budgeted for the time
25 period covered because of the Debtor's decision to prosecute its Plan of
26 Reorganization over the objection of the Committee. At the time the budget
27 was made, the Debtor's Disclosure Statement had not yet been approved
28 and it remained uncertain whether it would be. Accordingly, the budget did
not anticipate a contested plan confirmation process. The commencement
of that adversarial process has had a meaningful and material impact on the
cost of the case. This fact is evidenced by, among other things, the quantum
of fees incurred after the Disclosure Statement was approved on April 4,
2025, where Lowenstein's fees equate to 31% of the total amount requested.

29 **(c) Question:** Do any of the professionals included in this engagement vary their rate
30 based on the geographic location of the bankruptcy case?

31 Response: Lowenstein's professionals included in this engagement have not varied
32 their rate based on the geographic location of the Chapter 11 Case.

33 **(d) Question:** Does the fee application include time or fees related to reviewing or revising
34 time records or preparing, reviewing, or revising invoices? (This is limited

1 to work involved in preparing and editing billing records that would not be
2 compensable outside of bankruptcy and does not include reasonable fees for
preparing a fee application). If so, please quantify by hours and fees.

3 Response: No.

4 **(e) Question:** Does the fee application include time or fees for reviewing time records to
5 redact any privileged or other confidential information? If so, please
quantify by hours and fees.

6 Response: No.

7 **(f) Question:** If the fee application includes any rate increases since retention: i. Did your
8 client review and approve those rates in advance? ii. Did your client agree
9 when retaining the law firm to accept all future rate increases? If not, did
10 you inform your client that they need not agree to modified rates or terms
in order to have you continue the representation, consistent with ABA
Formal Ethics Opinion 11-458?

11 Response: Lowenstein increased its rates effective as of January 1, 2025. *See Notice of*
12 *Change In Hourly Rates* [Dkt. 1552].

13 8. Attached as **Exhibit A** is a true and correct copy of an email transmitting the
14 Application to the Chairperson of the Committee advising the Committee of the right to review
15 and object to the compensation and expense reimbursement sought therein.

16 Pursuant to 28 U.S.C. § 1746, I hereby declare under the penalty of perjury that the
17 foregoing statements made by me are true and correct to the best of my knowledge. Executed this
18 16th day of June, 2025 in Roseland, New Jersey.
