### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

#### 1. Description of Business and Significant Accounting Policies

The ResCap Liquidating Trust (“Trust”) was formed in connection with the Plan of Reorganization under chapter 11 of the United States Bankruptcy Code (“Plan”) in the bankruptcy case of Residential Capital, LLC (“ResCap”). The Plan became effective on December 17, 2013 (“Effective Date”).

Units of beneficial interest (“Units”) were issued by the Trust. The Units entitle their holders (“Beneficiaries”) to receive a proportionate amount of cash distributions (“Declared Distributions”) made by the Trust.

##### Basis of Presentation

The unaudited Consolidated Financial Statements (the “Statements”) reflect the accounts of the Trust and subsidiaries after eliminating all significant intercompany balances and transactions. The Statements reflect all adjustments that are, in management’s opinion, necessary for the fair presentation of the results for the periods presented. The Statements have not been prepared in accordance with generally accepted accounting principles; rather they have been prepared using a liquidation basis of accounting, which the Trust considers an appropriate basis of accounting at this time. The assets are stated at their estimated net realizable value, which is the amount of cash into which an asset is expected to be converted during the liquidation period. The Trust also accrues costs that it expects to incur through the end of its liquidation. The Trust currently accrues costs through June 30, 2024, however, the prosecution of the remaining litigation discussed below, and the corresponding timeline for resolving such litigation through trial or appeals may cause the Trust to be further extended beyond June 30, 2024 resulting in an increase to future accrued costs for such extended periods and a corresponding reduction in cash available. The Trust will record and value affirmative settlements or judgements when realized and collectability is reasonably anticipated. The Trust does not accrue contingent costs.

These Condensed Consolidated Financial Statements should be read in conjunction with the Consolidated Financial Statements and notes thereto for the year ended December 31, 2021.

#### 2. Estimated Costs to Operate the Trust

Estimated costs to operate the Trust are comprised of the following (in \$000’s):

	September 30, 2022			December 31, 2021	
	Accrued	Future	Total	Total	
Professional fees (legal, expert, other professional costs)	\$ 7,172	\$ 24,403	\$ 31,575	\$	32,538
Compensation	375	-	375		375
Document management	-	136	136		775
Information technology	-	1,048	1,048		1,632
Other operating costs	-	1,208	1,208		2,510
Total costs to operate the Trust	\$ 7,547	\$ 26,795	\$ 34,342	\$	37,830

## ResCap Liquidating Trust

---

The estimated cost to operate the Trust is \$34.3 million including \$7.5 million of expenses that have been incurred but not yet paid (\$7.1 million professional fees, and \$.4 million other operating costs) and \$26.8 million of expected future costs for the period October 2022 through June 2024. The cost to operate the Trust was increased by \$3.7 million for the extension of the Trust from December 2023 to June 2024. Of the future \$26.8 million cost, \$11.1 million supports the on-going insurance recovery case pending in the Bankruptcy Court, SDNY and RMBS litigation and \$15.7 million represents existing contractual obligations and the future costs for the operations and wind-down of the Trust.

### 3. Commitments and Contingencies

#### *Affirmative Matters*

The Trust is pursuing various affirmative matters. These include:

- Indemnity Claim Action - There is one pending indemnity claim against Primary Residential Mortgage, Inc., ("PRMI") which was tried in Minnesota Federal Court in a bench trial. In August 2020, the Federal District Court in Minnesota entered a judgment of \$5.4 million in favor of the Trust in the matter of PRMI. In April 2021, the Federal District Court in Minnesota granted the Trust \$16.6 million in attorney fees, costs, pre-judgment interest and post judgment interest on the award plus pre-award interest increasing the total award to \$22.0 million. PRMI appealed the decision to the United States Court of Appeals for the 8<sup>th</sup> Circuit and posted the requisite appeal bond which stays the enforcement of the award pending the appeal. Oral argument was heard on February 15, 2022.
- Insurance Recovery Action - The Trust has an adversary proceeding case pending in the U.S. Bankruptcy Court for the Southern District of New York, Drennen, et al., and ResCap Liquidating Trust v. Certain Underwriters at Lloyd's, London, et al., Adv. Case No. 15-01025-dsj. In December 2019, the Bankruptcy Court issued a partial Summary judgment in favor of the Trust. The Trust's claim is approximately \$73.0 million, exclusive of interest and fees. Cross motions for Summary Judgment were completed and oral argument was heard in Q2 2022.

At this time, the Trust cannot predict the outcome of these matters or estimate the possible financial effect of these matters on the Consolidated Financial Statements, and as such, neither contingent gains nor any contingent costs to pursue these matters are currently recorded.

### 4. Subsequent Events

Events subsequent to September 30, 2022 were evaluated through November 8, 2022, the date on which these Consolidated Financial Statements were issued.

LIQUIDATING TRUST

November 8, 2022

**Dear Beneficiaries:**

The Trust continued its efforts to wind down the Trust effectively and efficiently.

The Trust continues to pursue litigation in its insurance recovery action pending in the U.S. Bankruptcy Court for the Southern District of New York. Cross motions for Summary Judgment were completed and oral argument was heard in Q2 2022. The amounts at issue are discussed in the accompanying financial statements. The PRMI appeal to the 8th circuit is pending and the parties await a decision.

The Administrative Set Aside of \$26.8 million (net of costs incurred but not yet paid) reflects the extension of the Trust through June 2024 to support the continuing work with the insurance adversary action, the one remaining RMBS litigation, and final wind down actions. A breakdown of the costs is shown in the accompanying financial statements.

To aid Beneficiaries in their tax reporting, the Trust is providing a quarterly Tax Information letter and is being distributed along with this quarterly Beneficiary Letter.

The Trust's quarter end Q3 2022 financial report has been filed with the bankruptcy court. The financial report along with certain tax information have been posted to the Kurtzman Carson Consulting website at <http://www.kccllc.net/rescap>.

The Trust continues to work diligently towards the goal of maximizing value for Beneficiaries in the most efficient manner possible. We look forward to reporting on the results of our efforts.

Sincerely,

ResCap Liquidating Trust Board
