### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

#### 1. Description of Business and Significant Accounting Policies

The ResCap Liquidating Trust (“Trust”) was formed in connection with the Plan of Reorganization under chapter 11 of the United States Bankruptcy Code (“Plan”) in the bankruptcy case of Residential Capital, LLC (“ResCap”). The Plan became effective on December 17, 2013 (“Effective Date”).

The Trust issued units of beneficial interest (“Units”). The Units entitle their holders (“Beneficiaries”) to receive a proportionate amount of cash distributions (“Declared Distributions”) made by the Trust.

##### Basis of Presentation

The unaudited Consolidated Financial Statements (the “Statements”) reflect the accounts of the Trust and subsidiaries after eliminating all significant intercompany balances and transactions. The Statements reflect all adjustments that are, in management’s opinion, necessary for the fair presentation of the results for the periods presented. The Statements have not been prepared in accordance with generally accepted accounting principles; rather they have been prepared using a liquidation basis of accounting, which the Trust considers an appropriate basis of accounting at this time. Assets are stated at their estimated net realizable value, which is the amount of cash into which an asset is expected to be converted during the liquidation period. The Trust also accrues costs that it expects to incur through to the end of its liquidation. The Trust currently accrues costs through December 31, 2025, however, the prosecution of the remaining litigation discussed below, and the corresponding timeline for resolving such litigation through trial or appeals may cause the Trust to be further extended beyond December 31, 2025, resulting in an increase to future accrued costs for such extended periods and a corresponding reduction in cash available. The Trust will record and value affirmative settlements or judgements when realized and collectability is reasonably anticipated.

These Condensed Consolidated Financial Statements should be read in conjunction with the Consolidated Financial Statements and notes thereto for the year ended December 31, 2023.

#### 2. Estimated Costs to Operate the Trust

Estimated costs to operate the Trust are comprised of the following (in \$000’s):

	30-Jun-24			December 31, 2023	
	Accrued	Future	Total	Total	
Professional fees (legal, expert, other professional costs)	\$ 1,330	\$ 21,939	\$ 23,269	\$	26,964
Compensation	375	-	375		375
Document management	-	146	146		148
Information technology	-	915	915		1,048
Other operating costs	-	1,094	1,094		1,218
Total costs to operate the Trust	\$ 1,705	\$ 24,094	\$ 25,799	\$	29,753

## ResCap Liquidating Trust

---

The estimated cost to operate the Trust is \$25.8 million including \$1.7 million of expenses that have been incurred but not yet paid and \$24.1 million of expected future costs for the period July 2024 through December 2025. Of the future \$24.1 million cost, \$10.1 million supports the on-going insurance recovery case pending in Federal District court and \$14.0 million represents existing contractual obligations and the future costs for the operations and wind-down of the Trust.

### 3. Commitments and Contingencies

#### *Affirmative Matters*

The Trust is pursuing the following affirmative matter:

Insurance Recovery Action - The Trust has an adversary proceeding case pending in the Federal District Court, Southern District of New York, ResCap Liquidating Trust v. Certain Underwriters at Lloyd's, London, et al., Adv. Case No. 15-01025-dsj. In December 2019, the Bankruptcy Court issued a partial summary judgment in favor of the Trust. The Trust's claim is approximately \$73.0 million, exclusive of interest and fees. At the end of 2022, the Court issued a decision on the summary judgment motions and ruled in the Trust's favor on all major issues. The case has moved to the Federal District Court, southern District of New York pending trial proceedings expected in January 2025.

At this time, the Trust cannot predict the outcome of this matter or estimate the possible financial effect of this matter on the Consolidated Financial Statements, and as such, no contingent gains are currently recorded.

### 4. Subsequent Events

Events subsequent to June 30, 2024, were evaluated through August 6, 2024, the date on which these Consolidated Financial Statements were issued.

## LIQUIDATING TRUST

August 6, 2024

**Dear Beneficiaries:**

The Trust continued its efforts to wind down the Trust effectively and efficiently.

The Trust continues to pursue litigation in its insurance recovery action. The case has moved to the Federal District Court, southern District of New York and trial is scheduled in January 2025. The amounts at issue are discussed in the accompanying financial statements.

The Administrative Set Aside of \$24.1 million (net of costs incurred but not yet paid) reflects the extension of the Trust through December 2025 to support the continuing work with the insurance adversary action and final wind down actions. A breakdown of the costs is shown in the accompanying financial statements.

The Trust's quarter end Q2 2024 financial report has been filed with the bankruptcy court. The financial report along with certain tax information have been posted to the Verita Global (Kurtzman Carson Consulting) website at <http://www.kccllc.net/rescap>.

The Trust continues to work diligently towards the goal of maximizing value for Beneficiaries in the most efficient manner possible. We look forward to reporting on the results of our efforts.

Sincerely,

ResCap Liquidating Trust Board
