ADDENDUM TO PROOF OF CLAIM FILED BY COLIN HUTCHINGS

Claimant COLIN HUTCHINGS hereby submits this Addendum in support of its proof of claim. In or around January 2021, Hutchings invested \$399,933.98 into Jordan HPC in exchange for equity in Jordan HPC and a secured note for \$53,133.43. Its equity in Jordan HPC was converted into equity in Rhodium Enterprises Inc. during a rollup transaction.

Hutchings gives notice of potential claims against Jordan HPC, Rhodium JV LLC (as manager and post-rollup sole member of Jordan HPC), Rhodium Enterprises, LLC, and Rhodium Technologies LLC (as sole member of Rhodium JV)(in addition to non-debtor parties and potentially other Rhodium debtor entities (herein altogether generally, “Rhodium”) related to his investment in Jordan HPC. These claims include but are not limited to: [1] payment of his secured debt, [2] unliquidated damages under contract and tort, as well as equitable relief, arising out of misrepresentations and omissions made during the procurement of the investment in Jordan HPC, [3] unliquidated damages due to gross mismanagement of the business before and after the consolidation and “rollup transaction”, corporate waste, diversion of corporate opportunities, self-dealing, and related breaches of fiduciary duties in conducting the operations of Jordan HPC and the operation(s) of its successor(s), and [4] unliquidated damages due to misrepresentations and self-dealing in the combination of Jordan HPC with other Rhodium entities and thereafter.

Hutchings is owed \$53,133.43 plus continuing interest for its secured debt secured by a promissory note and Texas UCC-1 filing (attached to POC which is wholly incorporated herein by reference) and which is past the 36-month maturity date of January 25, 2024.

The misrepresentations and omissions at issue include, but are not necessarily limited to:

- Misrepresentations and omissions made to Hutchings that were designed to induce his investment in Jordan HPC and mislead him as to the relationship between Whinstone US Inc. (“Whinstone”) and Rhodium JV, the status of Building D, the intent to repay the debt portion of Jordan HPC within months as an inducement to accept a below-market interest rate, the business plan to simply mine bitcoin and sell it on the market as opposed to holding it for investment or purchasing bitcoin for investment, among others; and
- Continuing misrepresentations about the above factors, the rights of various parties, and misrepresentations about the Rhodium business and its relationship with Whinstone, and managements’ intentions in order to induce Hutchings to sign the Exchange Agreement as part of the Rollup transaction.

The mismanagement and breaches of fiduciary duties include, but are not necessarily limited to:

- After the rollup transaction, Rhodium represented that Hutchings’s shares were worth \$5,401,759.57, whereas the value of the entire business was north of \$2.5 billion. The Teknos valuation attached to the Rollup PPM (Rollup PPM at pdf.57) implies cash revenues for Jordan HPC of approximately \$143 million, and EBITDA of approximately \$114 million for the prior twelve months. Jordan HPC is suggested in its current filings to have generated \$60 million in cash revenues since the beginning of 2022. Most, if not all, of the entire value has been destroyed due to Rhodium’s negligence, gross mismanagement, self-dealing, misrepresentations and omissions, and wasting corporate assets, among other malfeasance.

DISCLOSED CLAIMS

Hutchings believes it has, among other things, claims for breach of contract, fraud, conversion, equitable restitution, disgorgement, breaches of fiduciary duty, negligence, gross negligence, unjust enrichment, and other claims arising from Rhodium’s malfeasance and wrongful conduct. Hutchings may have additional unliquidated claims or remedies against other debtors or non-debtor entities or persons whose role or culpability is not yet

known to Hutchings, and Hutchings does not waive or release any such claims, rights, or remedies.

RESERVATION

Hutchings reserves the right to further amend and/or supplement this disclosure.

Nothing herein should be construed as an agreement to submit any claim that is not currently within the jurisdiction of the bankruptcy court, to the jurisdiction of the bankruptcy court or to waive trial by jury over any claim. Nor should this claim be construed as consent to the jurisdiction of the bankruptcy court for any purpose other than the limited purpose of giving notice. Nothing herein should be construed as an intentional or knowing release of any claim or any right against any person whether arising out of law or contract.
