Claimant further gives notice of **potential unliquidated claims** against Rhodium Enterprises, Inc. (in addition to non-debtor parties and potentially other Rhodium debtor entities (herein altogether generally, “Rhodium”)) related its investment in the 1-19-2021 investment in Rhodium 2.0 LLC. These claims include but are not limited to unliquidated damages under contract and tort, as well as equitable relief, arising out of misrepresentations and omissions made during the procurement of the investment in 1-19-2021 debt and equity.

The **misrepresentations and omissions** at issue include, but are not necessarily limited to:

- Misrepresentations and omissions made to Claimant that were designed to induce its investment in Rhodium 2.0 LLC, including but not limited to representations about the state of Building D, the relationship with Whinstone, the investment thesis for Bitcoin, the status of the Temple Project (in Rhodium Renewables LLC) and its likely returns to the business overall, the intent of the business to IPO, the value of the business, the likelihood of any conversion or cash out event.
- Misrepresentations and omissions made to Claimant regarding the control premium in the Teknos valuation being severely inflated.
- The continuation and reiteration of the misrepresentations made to the and misrepresentations that Rhodium 30MW would be expanded immediately and Rhodium would exercise certain options for miners that would have added substantial earning capacity to Rhodium 30MW.

The mismanagement and breaches **of fiduciary duties** include, but are not necessarily limited to:

- Rhodium controlled the terms of whether the company after roll up would be activated and actively worked to prevent it from happening.
- The Teknos valuation attached to the Rollup PPM showed a combined value of \$2.5 Billion. This was not a bona fide valuation and even if it was, it has been destroyed due to Rhodium’s negligence, gross mismanagement, self-dealing, misrepresentations and omissions, and wasting corporate assets, among other malfeasance. Rhodium spent over \$150,000,000 building the Temple facility, which was doomed to fail from the outset due to reckless agreements and misrepresentations about electricity pricing and rent.

(g) The Transferor has sufficient experience in business, financial and investment matters to be able to evaluate the risk involved in the exchange of the Class B Units for the Class A Shares and to make an informative investment decision with respect to such exchange.

4. **Representations and Warranties of the Company.** The Company represents and warrants to the Transferor that:

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware.

(b) The Company has the right, power and authority, and is duly authorized, to execute, deliver and fully perform its obligations under this Agreement, and upon its execution and delivery, this Agreement will become a binding and valid agreement enforceable against the Company in accordance with its terms. This Agreement is a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(c) The execution, delivery and performance of the Company's obligations under this Agreement do not constitute a violation, breach or default under any law, rule, regulation, ordinance, judgment or order or any agreement, evidence of indebtedness, contract or other instrument or obligation of the Company.

(d) The Class A Shares have been duly and validly authorized and, when issued, will be duly and validly issued, free and clear of any and all liens and encumbrances other than those imposed by the Company's organizational documents and applicable securities laws.

(e) Except for the representations and warranties contained in this Section 4, neither the Company nor any person on behalf of the Company makes any express or implied representation or warranty to the Transferor, at law or in equity, in respect of the Company, its operations, business, assets, liabilities, capitalization, condition or prospects, the Class A Shares or the transactions contemplated by the Exchange or this Agreement, and the Company hereby disclaims any such representation or warranty.

5. **Risk Factors; Investment Considerations.** The Transferor is aware of and acknowledges the following:

(a) This Agreement may be rejected in whole or in part by the Company in its sole and absolute discretion.

(b) The acquisition of the Series A Shares in the Exchange is a speculative investment which involves a high risk of loss by the Transferor of his, her or its entire investment.

(c) No federal or state agency has made any finding or determination as to the fairness for public investment, nor any recommendation or endorsement of the Class A Shares.

(d) There are restrictions on the transferability of the Class A Shares received in the Exchange; there will be no market for the Class A Shares and, accordingly, it may not be possible for the Transferor to liquidate readily, or at all, his, her or its investment in the Company or the Class A Shares in case of an emergency or otherwise.

(e) The Class A Shares have not been registered under either the Securities Act or applicable state securities laws (the "**State Acts**") and, therefore, cannot be resold unless they are registered under the Securities Act and the State Acts or unless an exemption from such registration is available, in which event the Transferor might be limited as to the amount of the Class A Shares that may be sold.

(f) The Company does not file, and does not in the foreseeable future contemplate filing, periodic reports with the Securities and Exchange Commission ("**SEC**") pursuant to the provisions of the Securities Exchange Act of 1934, as amended. The Company has not agreed to register any of the Class A Shares for distribution in accordance with the provisions of the Securities Act or the State Acts, and the Company has not agreed to comply with any exemption from registration under the Securities Act or the State Acts for the resale of the Class A Shares. Hence, it is the understanding of the Transferor that by virtue of the provisions of certain rules respecting "restricted securities" promulgated by the SEC, the Class A Shares received by the Transferor in the Exchange

may be required to be held indefinitely, unless and until registered under the Securities Act and the State Acts, unless an exemption from such registration is available, in which case the Transferor may still be limited as to the amount of the Class A Shares that may be sold.

(g) The Company may generate losses from time to time and/or have negative cash flow from time to time. Should the Company fail to achieve its objectives in a timely manner, the Transferor should expect to lose his, her or its entire investment in the Company.

(h) None of the Class A Shares include any voting rights or any other rights to elect members of the board of directors on the Company or participate in the management or administration of the Company.

(i) There can be no assurance that the Company can operate its business successfully.

(j) The Transferor may experience immediate and substantial dilution of the value of the Class A Shares.

(k) The industry in which the Company competes, Bitcoin mining, is highly competitive, and the Company will encounter competition from other similar entities, which may have greater financial, technical, product development, and other resources.

(l) In addition to the risk factors set forth in this Section 3, any investment in the Class A Shares is subject to the circumstances, events and risks described in the Memorandum under “Risk Factors”. The Transferor has read this portion of the Memorandum in its entirety and understands all of the Risk Factors discussed therein.

6. **Waiver.** The Transferor hereby waives any rights it may have or be entitled to exercise pursuant to the Operating Agreement for the Rhodium LLC with respect to the transactions contemplated by this Agreement and the Memorandum. Upon consummation of the Exchange, the Transferor will cease for all purposes to be a member of the Rhodium LLC.

7. **Drag-Along Right.**

- (a) **Definitions.** A “**Sale of the Company**” shall mean either: (a) a transaction or series of related transactions in which an individual, firm, corporation, partnership, association, limited liability company, trust or any other entity (collectively, a “**Person**”), or a group of related Persons, acquires from stockholders of the Company shares representing more than fifty percent (50%) of the outstanding voting power of the Company (a “**Stock Sale**”); or (b) a transaction that qualifies as a “**Deemed Liquidation Event**” as defined in the Company’s Amended and Restated Certificate of Incorporation (as the same may be amended and/or restated from time to

time) (the “**Restated Certificate**”).

- (b) Actions to be Taken. In the event that (i) the holders of at least fifty-one (51%) of the Class B Common Stock of the Company (the “**Selling Investors**”) approve a Sale of the Company (which approval of the Selling Investors must be in writing), specifying that this Section 7 shall apply to such transaction, then, subject to satisfaction of each of the conditions set forth in Section 7(c) below, the Transferor and the Company hereby agree:
- i. if such transaction requires stockholder approval, with respect to all shares of Class A Common Stock that the Transferor owns or over which the Transferor otherwise exercises voting power, to vote (in person, by proxy or by action by written consent, as applicable) all shares of Class A Common Stock in favor of, and adopt, such Sale of the Company (together with any related amendment or restatement to the Company’s Restated Certificate required to implement such Sale of the Company) and to vote in opposition to any and all other proposals that could delay or impair the ability of the Company to consummate such Sale of the Company;
  - ii. if such transaction is a Stock Sale, to sell the same proportion of shares of Class A Common Stock of the Company beneficially held by such Transferor as is approved by the Selling Investors to the Person to whom the Selling Investors propose to sell the shares of Class A Common Stock, and, except as permitted in Section 7(b) below, on the same terms and conditions as the holders of the shares of Class A Common Stock of the Company;
  - iii. to execute and deliver all related documentation and take such other action in support of the Sale of the Company as shall reasonably be requested by the Company or the Selling Investors in order to carry out the terms and provision of this Section 7, including, without limitation, executing and delivering instruments of conveyance and transfer, and any purchase agreement, merger agreement, any associated indemnity agreement, or escrow agreement, any associated voting, support, or joinder agreement, consent, waiver, governmental filing, share certificates duly endorsed for transfer (free and clear of impermissible liens, claims and encumbrances), and any similar or related documents;
  - iv. not to deposit, and to cause their affiliates not to deposit, except as provided in this Agreement, any shares of Class A Common Stock of the Company owned by such party or affiliate in a voting trust or subject any shares of Class A Common Stock of the Company to any arrangement or agreement with respect to the voting of such shares, unless specifically requested to do so by the acquirer in connection with the Sale of the Company;

- v. to refrain from (i) exercising any dissenters' rights or rights of appraisal under applicable law at any time with respect to such Sale of the Company, or (ii); asserting any claim or commencing any suit (x) challenging the Sale of the Company or this Agreement, or (y) alleging a breach of any fiduciary duty of the Selling Investors or any affiliate or associate thereof (including, without limitation, aiding and abetting breach of fiduciary duty) in connection with the evaluation, negotiation or entry into the Sale of the Company, or the consummation of the transactions contemplated thereby;
- vi. if the consideration to be paid in exchange for the shares of Class A Common Stock pursuant to this Section 7 includes any securities and due receipt thereof by the Transferor would require under applicable law (x) the registration or qualification of such securities or of any person as a broker or dealer or agent with respect to such securities; or (y) the provision to the Transferor of any information other than such information as a prudent issuer would generally furnish in an offering made solely to "accredited investors" as defined in Regulation D promulgated under the Securities Act of 1933, as amended (the "**Securities Act**"), the Company may cause to be paid to any such Transferor in lieu thereof, against surrender of the units which would have otherwise been sold by the Transferor, an amount in cash equal to the fair value (as determined in good faith by the board of directors of the Company) of the securities which the Transferor would otherwise receive as of the date of the issuance of such securities in exchange for the units; and
- vii. in the event that the Selling Investors, in connection with such Sale of the Company, appoint a stockholder representative (the "**Stockholder Representative**") with respect to matters affecting the Stockholders under the applicable definitive transaction agreements following consummation of such Sale of the Company, (x) to consent to (i) the appointment of such Stockholder Representative, (ii) the establishment of any applicable escrow, expense or similar fund in connection with any indemnification or similar obligations, and (iii) the payment of such Stockholder's pro rata portion (from the applicable escrow or expense fund or otherwise) of any and all reasonable fees and expenses to such Stockholder Representative in connection with such Stockholder Representative's services and duties in connection with such Sale of the Company and its related service as the representative of the Stockholders, and (y) not to assert any claim or commence any suit against the Stockholder Representative or any other Stockholder with respect to any action or inaction taken or failed to be taken by the Stockholder Representative, within the scope of the Stockholder Representative's authority, in connection with its service as the Stockholder Representative, absent fraud, bad faith, gross negligence or willful misconduct.

- (c) Conditions. Notwithstanding anything to the contrary set forth herein, a Stockholder will not be required to comply with Section 3.2 above in connection with any proposed Sale of the Company (the “**Proposed Sale**”), unless:
- i. any representations and warranties to be made by such Transferor in connection with the Proposed Sale are the same representations and warranties made by the Selling Investors and other shareholders of Class A Common Stock;
  - ii. such Stockholder is not required to agree (unless such Stockholder is a Company officer or employee) to any restrictive covenant in connection with the Proposed Sale (including, without limitation, any covenant not to compete or covenant not to solicit customers, employees or suppliers of any party to the Proposed Sale) or any release of claims other than a release in customary form of claims arising solely in such Stockholder’s capacity as a stockholder of the Company; and
  - iii. upon the consummation of the Proposed Sale each shareholder of Class A Common Stock of the Company will receive the same form of consideration for their shares as is received by other holders of Class A Common Stock of the Company in respect of their shares, and if any holders of shares of Class A Common Stock are given a choice as to the form of consideration to be received as a result of the Proposed Sale, all holders of such shares of Class A Common Stock will be given the same option; provided, however, that, notwithstanding the foregoing provisions of this Section 7(c)(iii), if the consideration to be paid in exchange for the shares of Class A Common Stock held by the Transferor, pursuant to this Section 7(c)(iii) includes any securities and due receipt thereof by any Transferor would require under applicable law (x) the registration or qualification of such securities or of any person as a broker or dealer or agent with respect to such securities; or (y) the provision to the Transferor of any information other than such information as a prudent issuer would generally furnish in an offering made solely to “accredited investors” as defined in Regulation D promulgated under the Securities Act, the Company may cause to be paid to any such Transferor in lieu thereof, against surrender of the shares of Class A Common Stock held by the Transferor, as applicable, which would have otherwise been sold by such Transferor, an amount in cash equal to the fair value (as determined in good faith by the board of directors of the Company) of the securities which such Transferor would otherwise receive as of the date of the issuance of such securities in exchange for the shares of Class A Common Stock held by the Transferor.

8. **Indemnification.** The Transferor agrees to indemnify and hold harmless the Company, and the directors, officers, agents, attorneys and affiliates thereof and each other person,

if any, who controls any such person, within the meaning of Section 15 of the Securities Act, against any and all loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all expenses reasonably incurred in investigating, preparing or defending against any litigation commenced or threatened or any claim whatsoever) arising out of or based upon any false representations or warranty or breach or failure by the Transferor to comply with any covenant or agreement made by the Transferor herein or in any other document furnished by the Transferor to any of the foregoing in connection with this transaction.

9. **Governing Documents.** The Transferor acknowledges and agrees that his, her, or its respective rights are subject to the terms and provisions set forth in the Company's Certificate of Incorporation and Bylaws attached as exhibits to the Memorandum. The Transferor has read these documents, understands their terms, and has had the opportunity to obtain advice from the Transferor's attorney and accountant/tax advisor concerning the same.

10. **Irrevocability; Binding Effect.** The Transferor hereby acknowledges and agrees that the Exchange set forth herein is irrevocable, that the Transferor is not entitled to cancel, terminate or revoke this Agreement or any agreements of the Transferor hereunder and that this Agreement and such other agreements shall survive the death or disability of the Transferor and shall be binding upon and inure to the benefit of the parties and their heirs, executors, administrators, successors, legal representatives and assigns.

11. **Dispute Resolution.**

- (a) **General.** The Transferor agrees that in the event of any dispute or disagreement arising out of, relating to or in connection with this Agreement, the Exchange, the Company or any aspect of the Company's organization, formation, business or management ("**Member Dispute**"), the Transferor shall use its best efforts to resolve the Member Dispute by good-faith negotiation and mutual agreement.
- (b) **Nonbinding Mediation.** In the event that the relevant parties (including Transferor) are unable to resolve any Member Dispute, such parties may opt to first attempt to settle the dispute through a confidential, non-binding mediation proceeding, provided that all parties agree to submit to such confidential, non-binding mediation proceeding. If such a confidential, non-binding mediation proceeding is conducted, then in the event any party to such proceeding is not satisfied with the results thereof, any unresolved disputes shall be finally settled in accordance with a binding arbitration proceeding conducted in accordance with Sections 11(c) and 11(d) of this Agreement. In no event shall the results of any confidential mediation proceeding be admissible in any arbitration or judicial proceeding. Confidential, non-binding mediation proceedings shall be conducted in accordance with the Commercial Mediation Rules of the American Arbitration Association ("**AAA**") in effect on the date of the

notice of mediation was served, other than as specifically modified herein, and shall be non-binding on the parties thereto.

- (c) **Binding Arbitration.** Whether non-binding mediation is conducted or not, any unresolved Member Dispute must be finally settled in accordance with binding arbitration conducted pursuant to this Section. A party to the Member Dispute may commence a binding arbitration proceeding by serving written notice thereof to the other parties to the dispute, by mail or otherwise, designating the issue(s) to be arbitrated and, if applicable, the specific provisions of this Agreement or other document under which such issue(s) and dispute arose. Binding arbitration proceedings shall be conducted under the Rules of Commercial Arbitration of the AAA (the “**Rules**”). A Transferor may withdraw from the Member Dispute by signing an agreement to be bound by the results of the arbitration. Binding arbitration proceedings shall be conducted by a panel consisting of one arbitrator. If an arbitrator is not selected within five (5) business days, then an arbitrator shall be selected by the AAA in accordance with the Commercial Arbitration Rules of the AAA. The arbitration proceedings shall be held in the city that is the Company’s principal place of business. To the extent any provision of the Rules conflict with any provision of this Agreement, the provisions of this Agreement shall control. The statutory, case law and common law of the State of Delaware shall govern in interpreting the respective rights, obligations and liabilities arising out of or related to the transactions provided for or contemplated by this Agreement and any Member Dispute. The arbitrator shall issue the arbitrator’s final decision in writing setting forth the arbitrator’s findings and reasons for the decision. In any final award and/or order, the arbitrator shall apportion all the costs (other than attorney’s fees which shall be borne by the party incurring such fees) incurred in conducting the arbitration in accordance with what the arbitrator deems just and equitable under the circumstances. The arbitrator’s final award and/or order shall be final and not appealable. Such final award and/or order shall not be subject to judicial review by any court or any other agency, tribunal, panel, commission, arbitrator, judge, magistrate, special master, or mediator.
- (d) **Exclusive Remedy.** The dispute resolution procedures specified in this Section 11 of this Agreement set forth the exclusive remedies available to Transferor for the resolution of, or any award of relief in connection with, any Member Dispute. Transferor hereby accepts such procedures, agrees to be bound by the result of any binding arbitration proceeding conducted in accordance with this Section, and knowingly and voluntarily waives all other rights available at law or in equity to seek relief in a court of competent jurisdiction in connection with any Member Dispute. Transferor shall indemnify and hold harmless the Company from and against any and all costs, expenses, and damages, including reasonable attorneys’ fees, the Company incurs in connection with any action filed in

any court in connection with any Member Dispute and Transferor hereby waives any and all defenses to a motion to compel arbitration filed in any such action.

12. **Miscellaneous.**

(a) **Governing Law.** This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto shall be governed, construed and interpreted in accordance with the laws of the State of Delaware, without giving effect to its principles of conflicts of law.

(b) **Entire Agreement; Amendment.** This Agreement contains the entire agreement of the parties with respect to the subject matter hereof and there are no representations, covenants or other agreements except as stated or referred to herein. Neither this Agreement nor any provisions hereof shall be waived, modified, discharged or terminated except by an instrument in writing signed by the party against whom any such waiver, modification, discharge or termination is sought.

(c) **Notices.** Any notice, demand or request required or permitted to be given under this Agreement shall be in writing and shall be deemed sufficient when delivered personally or by overnight courier or sent by email, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address as set forth on the signature page, as subsequently modified by written notice, or if no address is specified on the signature page, at the most recent address set forth in the Company's books and records.

(d) **Further Assurances.** The parties agree to execute such further documents and instruments, to take such further actions, and to do, or cause to be done, all things as may be reasonably necessary, proper, or advisable to consummate and make effective the Exchange. From time to time after the date hereof (including after the Closing if requested), the Transferor and the Company will execute and deliver such documents as may reasonably be required in order to effectively consummate the transactions contemplated by the Exchange and this Agreement.

(e) **Severability.** If one or more provisions of this Agreement are held to be unenforceable under applicable law, the parties agree to renegotiate such provision in good faith. In the event that the parties cannot reach a mutually agreeable and enforceable replacement for such provision, then (i) such provision shall be excluded from this Agreement, (ii) the balance of the Agreement shall be interpreted as if such provision were so excluded and (iii) the balance of the Agreement shall be enforceable in accordance with its terms.

(f) **Specific Performance.** Each party to this Agreement acknowledges and agrees that any breach by it of this Agreement may cause the other parties irreparable harm which may not be adequately compensable by money damages. Accordingly, in the event of a breach or threatened breach by a party of any provision of this Agreement, each party shall be entitled to seek the remedies of specific performance, injunction or other preliminary or equitable relief. The foregoing right shall be in addition to such other rights or remedies as may be available to any

party for such breach or threatened breach, including but not limited to the recovery of money damages.

(g) **Expenses.** All fees and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expenses whether or not the transfer is consummated.

(h) **Counterparts.** This Agreement may be executed through the use of separate signature pages or in any number of counterparts, and each of such counterparts shall, for all purposes, constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. Execution of a facsimile or scanned copy will have the same force and effect as execution of an original, and a facsimile or scanned signature will be deemed an original and valid signature.

(i) **Successors and Assigns; Transfer of Transferred Shares.** This Agreement is not transferable or assignable by the Transferor.

(j) **Choice of Jurisdiction.** The Transferor agrees that any action or proceeding arising, directly, indirectly, or otherwise, in connection with, out of, or from this Agreement, any breach hereof, or any transaction covered hereby shall be resolved within New Castle County, Delaware. Accordingly, the parties consent and submit to the jurisdiction of the United States federal and state courts located in New Castle County, Delaware.

## **SECURITY AGREEMENT**

**THIS SECURITY AGREEMENT** (this “**Security Agreement**”) is made and entered into on 01 / 19 / 2021 2021, by RHODIUM 2.0 LLC, a Delaware limited liability company (hereinafter, the “**Grantor**” or “**Borrower**”), in favor of GAURAV PARIKH 2020 REVOCABLE TRUST, a trust formed under the laws of Massachusetts (hereinafter, the “**Creditor**”), in consideration of Creditor extending credit to the Grantor pursuant to and subject to the terms and conditions set forth in that certain Secured Promissory Note of even date herewith in the original principal amount of FOUR HUNDRED THIRTY-FOUR THOUSAND AND 00/100S DOLLARS (**\$434,000.00**) executed by the Borrower and delivered to the Creditor, together with any modifications, extensions, renewals, additions, substitutions, or replacements thereof (collectively, the “**Note**”). In consideration therefor, the Grantor grants the Creditor as security for the indebtedness evidenced by the Note and any other obligations of the Grantor to the Creditor thereunder (collectively, the “**Indebtedness**”) a security interest in and a lien upon all property of Grantor’s property described in **Exhibit A** attached hereto, whether now existing or owned or hereafter arising or acquired (collectively, the “**Collateral**”). All capitalized terms not defined in this Security Agreement shall have their respective meanings ascribed to them in the Note.

Grantor represents and warrants to the Creditor that it is the owner of each of the items comprising the Collateral, and that the security interests granted therein to the Creditor constitute valid and enforceable liens thereupon. Except for those certain liens on Collateral specified in **Exhibit B** attached hereto (but excluding the lien created by this Security Agreement, which is also listed on **Exhibit B** attached hereto) (collectively, and exclusive of the lien created by this Security Agreement, the “**Existing Liens**”), no other or additional security interests in the Collateral or any portion thereof exist, nor shall any security interests in the Collateral be sold, assigned, or granted for so long as any Indebtedness is owed. The lien created by this Security Agreement is *pari passu* with, and not subordinate or senior to, the Existing Liens. The Creditor has a *pro rata* interest in the Collateral in an amount determined by dividing the Indebtedness by the sum of the Indebtedness and the total amount of the Company’s indebtedness secured by the Existing Liens. The Grantor shall, at its sole cost and expense, perform all steps requested by the Creditor to create, perfect or maintain the security interest herein granted, including the filing of a UCC-1 Financing Statement covering the lien created by this Agreement and all Existing Liens, evidencing such liens’ *pari passu* and *pro rata* nature, and the execution and filing of any other financing statements or documents.

If an “**Event of Default**” (as defined in the Note) shall occur or be continuing for a period of thirty (30) days after Creditor’s provision of written notice to Grantor, the Creditor shall have, in addition to any other rights and remedies provided for herein or under the Note, the rights and remedies of a secured party under the State of Delaware Uniform Commercial Code, and any other rights or remedies afforded to Creditor at law or in equity.

This Security Agreement cannot be changed, modified or terminated except in writing signed by the parties hereto.

Any notices pursuant to this Security Agreement shall be in writing and delivered to the recipients and addresses specified below, or such other addresses as Grantor or Creditor may specify from time to time in writing.
