The share of Renewables' Net Profits attributable to 102.5 MW or fewer of infrastructure used in the calculation of quarterly installment payments will be determined by the number of MW of infrastructure completed at the beginning of the quarter for which the installment payment is being calculated pursuant to the following: (i) 100% when 102.5 MW or fewer of infrastructure is completed; or (ii) 102.5 divided by the number of MW of infrastructure completed when more than 102.5 MW of infrastructure is completed. For avoidance of doubt, the share of Renewables Net Profit attributable to 102.5 MW of infrastructure once all 225 MW of infrastructure capacity is completed will be 46%. In accordance and consistent with GAAP, and our accounting policies, practices, and procedures (including all practices and valuation and estimation methodologies), "Net Profits" shall be defined as recognized revenue less costs of revenue (which include the costs of energy, labor, and materials used in the operation, maintenance and repair of the revenue generating assets in the production of revenue for the period), lease expenses, property tax expenses and other operating costs.

For avoidance of doubt, the calculation of Net Profits shall be computed in a manner which treats Renewables as a separate profit and cost center, distinct from Borrower and other affiliates of Borrower. The Net Profits shall be determined as of the last day of each fiscal quarter, and the quarterly payment each fiscal quarter shall be due and payable on the 15th day following the end of the fiscal quarter. The quarterly payments shall be applied and credited first to Accrued Interest, and thereafter to the Principal Amount. Once the Principal Amount has been repaid in full, the quarterly installment payments will cease with no additional payments owed.”

## **PLEDGE AGREEMENT**

THIS PLEDGE AGREEMENT ("**Pledge Agreement**") is made and entered into on September 29, 2022 (the "**Effective Date**"), by and between C5 Capital LLC, a North Carolina limited liability company (the "**Pledgee**"), and Imperium Investments Holdings LLC, a Wyoming limited liability company (the "**Pledgor**"). The Pledgor and the Pledgee are collectively referred to hereinafter as the "**Parties**", or each severally, a "**Party**".

## **RECITALS**

**WHEREAS**, pursuant to that certain Secured Promissory Note dated as of the date hereof given by Rhodium Technologies LLC, a Delaware limited liability company (the "**Borrower**") to Pledgee (hereinafter, and as the same may be amended restated, replaced, supplemented or otherwise modified from time to time, simply, the "**Note**"), Pledgee has agreed to make a loan to Borrower in the original principal amount of ONE MILLION AND 00/100s DOLLARS (\$1,000,000.00);

**WHEREAS**, as additional consideration for and an inducement to Pledgee's willingness to enter into the transaction evidenced by the Note, the Pledgor is willing to pledge a certain number of Class A Units in Borrower to Pledgee to be held as additional security by Pledgee securing the full and prompt payment when due, whether by acceleration or otherwise, and at all times thereafter, of all obligations of Borrower to the Pledgee under the Note;

**WHEREAS**, the Parties have had an adequate opportunity to consult legal counsel, and otherwise, fully understand the terms and conditions provided for, and freely and voluntarily enter into this Pledge Agreement.

## **AGREEMENTS**

**NOW, THEREFORE**, in consideration of each Party's obligations hereunder, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

1. Recitals. The recitals paragraphs set forth above are incorporated herein by reference as if fully set forth in the body of this Pledge Agreement.

2. Creation of Security Interest. In order to secure the full and faithful performance of Borrower's obligations under the Note, Pledgor hereby pledges and assigns to Pledgee 728,573 Class A Units in Borrower (the "**Pledged Shares**"), and Pledgor pledges and assigns said Pledged Shares to the Pledgee and grants to Pledgee a security interest in the Pledged Shares pursuant to the UCC (as hereinafter defined). The amount of the Pledged Shares subject to this Pledge Agreement and the security interest created hereunder shall automatically reduce by 7,285 Class A Units for every \$10,000 of the Principal Amount that is no longer outstanding (the "**Adjusted Pledged Shares**").

3. Pledgors' Covenants. So long as any Principal Amount and Accrued Interest remains outstanding, Pledgor covenants: (a) to keep the Adjusted Pledged Shares free of any lien, pledge, charge, encumbrance, security interest, restriction, or a right on the part of any third person to purchase or acquire the Adjusted Pledged Shares or any portions thereof which are adverse to the rights of ownership of the Pledgor as shareholder of Borrower; (b) to retain good and merchantable title to the Adjusted Pledged Shares; and (c) to not assign any of the Adjusted Pledged Shares until the obligations under the Note have been satisfied.

4. Events of Default; Remedies. Upon an Event of Default as defined in the Note and/or Pledgors' default on its obligations hereunder, in each case following thirty (30) days' written notice by Pledgee to Pledgor (an "**Event of Default**"), Pledgee shall, with respect to the Adjusted Pledged Shares, have all of the rights and remedies afforded to a secured party under the UCC, including any other rights or remedies available to the Pledgee at law or in equity. For the purposes of this Pledge Agreement, "**UCC**" means the Uniform Commercial Code as adopted in the State of New York, as amended. Promptly following any acquisition by Pledgee of legal title in and to any one or more of the Adjusted Pledged Shares, Pledgee covenants and agrees that Pledgee shall exchange all such Adjusted Pledged Shares for shares of Class A common stock of Rhodium Enterprises, Inc. on a 1:1 basis (i.e., one Class A Unit of Rhodium Technologies LLC in exchange for one share of Class A common stock of Rhodium Enterprises, Inc.). Until such time as such an exchange is consummated, Pledgee covenants and agrees not to exercise any rights or remedies under the Borrower's LLC agreement or other governance documents to which the Pledgee might otherwise be entitled. In the event that, through no fault of Pledgor, Borrower or Rhodium Enterprises, Inc., such an exchange fails to take place within fifteen (15) business days of the date upon which Pledgee acquires legal title to any one or more of the Adjusted Pledged Shares, then Borrower, at Borrower's option, may declare all such Adjusted Pledged Shares redeemed in exchange for a new promissory note to be given by Borrower to Pledgor for the fair value thereof, to be paid over two (2) years in equal quarterly installments with zero interest.

5. Termination. Upon the payment in full of all outstanding Principal Amount and Accrued Interest due under the Note, the Adjusted Pledged Shares hereunder shall be automatically deemed released and Pledgee shall have no further rights with respect to the Adjusted Pledged Shares thereafter.

6. Further Assurances. Each Party agrees that at any time and from time to time, at the request of the other Party, to execute and deliver all further instruments and documents, obtain such agreements from third parties, and take all further action, that may be necessary in order to create and/or maintain the validity, perfection or priority of and protect any security interest granted or purported to be granted hereby.

7. Modification and Waiver. No modification or waiver of any of the terms of this Pledge Agreement shall be allowed unless by written agreement signed by Pledgor and Pledgee. No waiver of any breach or default hereunder shall be deemed a waiver of any subsequent breach or default of the same or similar nature.

8. Notice. Any notices required under this Pledge Agreement shall be in writing and delivered to the recipients and addresses specified below, or such other addresses as Pledgee or Pledgor may specify from time to time in writing.
