**ADDENDUM TO PROOF OF CLAIM
FILED BY CHRISTOPHER BLACKERBY**

Claimant Christopher Blackerby ("Blackerby") hereby submits this Addendum in support of its proof of claim. In or around January 2021, Blackerby invested \$1,000,000 into Jordan HPC LLC in exchange for equity in Jordan and a secured note for \$714,285.71. Its equity in Jordan was converted into equity in Rhodium Enterprises Inc. during a rollup transaction.

Blackerby gives notice of potential claims against Jordan, Rhodium JV LLC (as manager and post-rollup sole member of Jordan), Air HPC LLC (pre-rollup manager and sole member of Jordan), Rhodium Enterprises, LLC, and Rhodium Technologies LLC (as sole member of Rhodium JV)(in addition to non-debtor parties and potentially other Rhodium debtor entities (herein altogether generally, "Rhodium")) related its investment in Jordan . These claims include but are not limited to: [1] unliquidated damages under contract and tort, as well as equitable relief, arising out of misrepresentations and omissions made during the procurement of the investment in Jordan [2] unliquidated damages due to gross mismanagement of the business before and after the consolidation and "rollup transaction", corporate waste, diversion of corporate opportunities, self-dealing, and related breaches of fiduciary duties in conducting the operations of Jordan and the operation(s) of its successor(s), and [3] unliquidated damages due to misrepresentations and self-dealing in the combination of Jordan with other Rhodium entities and thereafter.

The misrepresentations and omissions at issue include, but are not necessarily limited to:

- Misrepresentations and omissions made to Blackerby that were designed to induce its investment in Jordan and, as delineated in the addenda for proofs of claims (which are incorporated herein by reference), the false representations to the principals of Blackerby that induced him to agree to sign the rollup transaction for Jordan.

The mismanagement and breaches of fiduciary duties include, but are not necessarily limited to:

- After the rollup transaction, Rhodium represented that Blackerby's shares were worth \$13,403,733.42, whereas the value of the entire business was north of \$2.5 billion. Most, if not all, of the entire value has been destroyed due to Rhodium's negligence, gross mismanagement, self-dealing, misrepresentations and omissions, and wasting corporate assets, among other malfeasance. Rhodium spent over \$150,000,000 building the Temple facility, which was doomed to fail from the outset, yet it agreed to sell for \$35 million. The Teknos valuation attached to the Rollup PPM (Rollup PPM at pdf.57) implies cash revenues for Jordan of approximately \$143 million, and EBITDA of approximately \$114 million for the prior twelve months. Jordan is suggested in its current filings to have generated \$60 million in cash revenues since the beginning of 2022.

DISCLOSED CLAIMS

Blackerby believes it has, among other things, claims for breach of contract, fraud, conversion, equitable restitution, disgorgement, breaches of fiduciary duty, negligence, gross negligence, unjust enrichment, and other claims arising from Rhodium's malfeasance and wrongful conduct. Blackerby may have additional unliquidated claims or remedies against other debtors or non-debtor entities or persons whose role or culpability is not yet known to Blackerby, and Blackerby does not waive or release any such claims, rights, or remedies.

RESERVATION OF RIGHTS

Blackerby reserves the right to further amend and/or supplement this disclosure.

Nothing herein should be construed as an agreement to submit any claim that is not currently within the jurisdiction of the bankruptcy court, to the jurisdiction of the bankruptcy court or to waive trial by jury over any claim. Nor should this claim be construed as consent to the jurisdiction of the bankruptcy court for any purpose other than the limited purpose of giving notice. Nothing herein should be construed as an intentional

or knowing release of any claim or any right against any person whether arising out of law or contract.
