or wire transfers used by the Debtors to pay the foregoing, as more fully described in the Motion; and the Court having jurisdiction to consider the matters raised in the Motion pursuant to 28 U.S.C. § 1334 and the *Amended Standing Order of Reference from the United States District Court for the District of Delaware*, dated February 29, 2012; and the Court having authority to hear the matters raised in the Motion pursuant to 28 U.S.C. § 157; and venue being proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; and consideration of the Motion and the requested relief being a core proceeding that the Court can determine pursuant to 28 U.S.C. § 157(b)(2); and due and proper notice of the Motion and opportunity for a hearing on the Motion having been given to the parties listed therein, and it appearing that no other or further notice need be provided; and the Court having reviewed and considered the Motion and the Howe Declaration; and the Court having held an interim hearing on the Motion; and the Court having granted interim relief on the Motion on April 2, 2019 (D.I. 55); and the Court having held a final hearing on the Motion (the “**Final Hearing**”); and the Court having determined that the legal and factual bases set forth in the Motion and at the Final Hearing establish just cause for the relief granted herein; and the Court having found that the relief requested in the Motion being in the best interests of the Debtors, their creditors, their estates, and all other parties in interest; and upon all of the proceedings had before the Court; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The relief requested in the Motion is hereby granted as set forth herein.
2. The Debtors are authorized, but not directed, to pay, in their sole discretion, the Trade Claims in the ordinary course of business.

3. The Debtors, in their sole discretion, may condition payment of any Trade Claims upon agreement by the Trade Creditor to continue to supply goods or services to the Debtors on such Trade Creditor's Customary Trade Terms for a period following the date of such agreement or on other such terms and conditions as are acceptable to the Debtors.

4. As a further condition of receiving payment on a Trade Claim, the Debtors are authorized, in their sole discretion, to require that such Trade Creditor agree to take whatever action is necessary to remove any existing trade liens at such Trade Creditor's sole cost and expense and waive any right to assert a trade lien on account of the paid Trade Claim.

5. The Debtors may, in their sole discretion, cause Trade Creditors to enter into an agreement, including provisions substantially in the form attached to the Motion as Exhibit A (the "**Vendor Agreement**"), as a condition to paying a Trade Claim.

6. The Debtors are authorized, but not directed, to enter into Vendor Agreements when the Debtors determine, in their sole discretion, that it is appropriate to do so in connection with making payments to Trade Creditors; *provided, however*, that the Debtors' inability to enter into a Vendor Agreement shall not preclude them from paying a Trade Claim when, in their sole discretion, such payment is necessary to the Debtors' operations.

7. If the Debtors determine that, in their sole discretion, a Trade Creditor has not complied with the terms and provisions of a Vendor Agreement or has failed to continue to provide Customary Trade Terms following the date of the Vendor Agreement, or on such terms as were individually agreed to between the Debtors and such creditor, the Debtors may terminate such a Vendor Agreement, together with the other benefits to the creditor as contained in this Order; *provided, however*, that the Vendor Agreement may be reinstated if (a) such determination is subsequently reversed by the Court for good cause after it is shown that the

determination was materially incorrect after notice and a hearing following a motion from the creditor, (b) the underlying default under the Vendor Agreement is fully cured by the creditor not later than five business days after the date the initial default occurred, or (c) the Debtors, in their sole discretion, reach a subsequent agreement with the creditor.

8. If a Vendor Agreement is terminated as set forth above, or if a Trade Creditor that has received payment of a Trade Claim later refuses to continue to supply goods or services for the applicable period in compliance with the Vendor Agreement or this Order, then the Debtors may, in their sole discretion, and without further order of the Court (a) declare that the payment of such Trade Claim is a voidable post-petition transfer pursuant to section 549(a) of the Bankruptcy Code that the Debtors may recover from such Trade Creditor in cash, (b) demand that the creditor immediately return such payments in respect of its Trade Claim to the extent that the aggregate amount of such payments exceeds the post-petition obligations then outstanding without giving effect to alleged setoff rights, recoupment rights, adjustments, or offsets of any type whatsoever, and (c) upon recovery of such payment by the Debtors, such creditor's Trade Claim shall be reinstated in such an amount as to restore the Debtors and the applicable Trade Creditor to their original positions, as if the agreement had never been entered into and the payment of the creditor's Trade Claim had not been made.

9. All Vendor Agreements shall be deemed to have terminated, together with the other benefits to Trade Creditors as contained in this Order, upon entry of an order converting the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code.

10. Payments of Trade Claims may include a communication of the following statement:

By accepting this payment, the payee agrees to the terms of the Order of the U.S. Bankruptcy Court for the District of Delaware, dated \_\_\_\_\_, 2019 in the

chapter 11 cases of Southcross Energy Partners, L.P., *et al.* (Case No. 19-\_\_\_\_\_, entitled “[*Interim*][*Final*] Order Authorizing (i) Debtors To Pay Prepetition Trade Claims in the Ordinary Course of Business and (ii) Financial Institutions To Honor and Process Related Checks and Transfers” and submits to the jurisdiction of that Court for enforcement thereof.

11. All applicable banks and other financial institutions are hereby authorized to receive, process, honor, and pay any and all checks, drafts, wires, check transfer requests, or automated clearing house transfers evidencing amounts paid by the Debtors under this Order whether presented prior to, on, or after the Petition Date. Such banks and financial institutions are authorized to rely on the representations of the Debtors as to which checks are issued or authorized to be paid pursuant to this Order without any duty of further inquiry and without liability for following the Debtors’ instructions.

12. The Debtors are authorized, but not required to issue, in their sole discretion, new post-petition checks, or effect new fund transfers, for the Trade Claims to replace any prepetition checks or fund transfer requests that may be dishonored or rejected and to reimburse the Trade Creditor or the applicable payee, as the case may be, for any fees or costs incurred by them in connection with a dishonored or voided check or funds transfer.

13. Nothing in this Order or any action taken by the Debtors in furtherance of the implementation hereof shall be deemed to constitute an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code, and all of the Debtors’ rights with respect to such matters are expressly reserved.

14. Notwithstanding the relief granted herein and any actions taken hereunder, nothing contained herein shall (a) create, nor is it intended to create, any rights in favor of, or enhance the status of any claim held by, any person or entity or (b) be deemed to convert the priority of any claim from a prepetition claim into an administrative expense claim.

15. Nothing in this Order nor the Debtors' payment of claims pursuant to this Order shall be construed as or deemed to constitute (a) an agreement or admission by the Debtors as to the validity of any claim against the Debtors on any ground, (b) a grant of third party beneficiary status or bestowal of any additional rights on any third party, (c) a waiver or impairment of any rights, claims or defenses of the Debtors' rights to dispute any claim on any grounds, (d) a promise by the Debtors to pay any claim, or (e) an implication or admission by the Debtors that such claim is payable pursuant to this Order.

16. Notwithstanding anything to the contrary in this Order, in the event of any inconsistency between the terms of this Order and the terms of any order of this Court approving the debtor-in-possession financing facility and use of cash collateral (the "**DIP Order**"), including, without limitation, any budget in connection therewith, the terms of the DIP Order shall govern.

17. Any Bankruptcy Rule (including, but not limited to, Bankruptcy Rule 6004(h)) or Local Rule that might otherwise delay the effectiveness of this Order is hereby waived, and the terms and conditions of this Order shall be effective and enforceable immediately upon its entry.

18. The Debtors are authorized to take all such actions as are necessary or appropriate to implement the terms of this Order.

19. Proper, timely, adequate and sufficient notice of the Motion has been provided in accordance with the Bankruptcy Code, the Bankruptcy Rules and the Local Rules, and no other or further notice of the Motion or the entry of this Order shall be required.

20. The Court shall retain exclusive jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
