**PLEASE TAKE FURTHER NOTICE** that, on June 13, 2019, the Court entered an order [D.I. 234] (the “**Bidding Procedures Order**”)<sup>2</sup> approving, among other things, the Bidding Procedures, which establish the key dates and times related to the Sale Transaction, the Auction, and the Assumption and Assignment Procedures.

**PLEASE TAKE FURTHER NOTICE** that, upon the closing of the Sale Transaction, the Debtors may assume and assign to the Successful Bidder(s) (whether or not a Stalking Horse Bidder) the Potential Assumed Contracts. A schedule listing the Potential Assumed Contracts (the “**Potential Assumed Contracts Schedule**”) is attached hereto and may also be accessed free of charge on the Debtors’ case information website, located at <http://www.kccllc.net/southcrossenergy> or can be requested by email at [SouthcrossInfo@kccllc.com](mailto:SouthcrossInfo@kccllc.com). In addition, the outstanding “**Cure Costs**” calculated as of the Petition Date, if any, necessary for the assumption and assignment of the Potential Assumed Contracts are set forth on the Potential Assumed Contracts Schedule. ***Each Cure Cost listed on the Potential Assumed Contracts Schedule represents all liabilities of any nature of the Debtors arising under an Assumed Contract or Assumed Lease as of the Petition Date, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent, or otherwise, so long as such liabilities arise out of or relate to events occurring prior to the Petition Date.*** Listing a contract or lease on the Potential Assumed Contracts Schedule does not constitute an admission by the Debtors as to the validity or enforceability of any such contract or lease, that such contract is an executory contract or unexpired lease, or that such contract or lease was in effect on the Petition Date. Similarly, the omission of a contract or lease from the Potential Assumed Contracts Schedule does not constitute an admission by the Debtors as to the lack of validity or enforceability of any such contract or lease, that such omitted contract or lease is not an executory contract or an unexpired lease, or that such contract or lease was not in effect on the Petition Date. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, leases, or other agreement set forth on the Potential Assumed Contracts Schedule and to amend or supplement the Potential Assumed Contracts Schedule as necessary, in accordance with the Bidding Procedures Order. Certain of the contracts and leases listed on the Potential Assumed Contracts Schedule may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on the Potential Assumed Contracts Schedule.

**YOU ARE RECEIVING THIS NOTICE BECAUSE YOU HAVE BEEN IDENTIFIED AS A COUNTERPARTY TO A POTENTIAL ASSUMED CONTRACT.**

Under the terms of the Assumption and Assignment Procedures, (a) at or prior to the closing of the Sale Transaction, a Successful Bidder may elect, in its sole and absolute discretion, (i) to exclude any contract or lease on the Potential Assumed Contracts Schedule as an Assumed Contract or Assumed Lease, as applicable (in which case it shall become an Excluded Contract or Excluded Lease, as applicable), or (ii) to include on the Proposed Assumed Contracts Schedule any contract or lease listed on the Potential Assumed Contracts Schedule, by providing

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Bidding Procedures Order.

to the Debtors written notice of its election to exclude or include such contract or lease, as applicable, (b) if the Debtors or any Successful Bidder identify during the pendency of the Chapter 11 Cases (before or after the closing of the Sale Transaction) any contract or lease that is not listed on the Proposed Assumed Contracts Schedule, and such contract or lease has not been rejected by the Debtors, the Successful Bidder may in its sole and absolute discretion elect by written notice to the Debtors to treat such contract or lease as an Assumed Contract or Assumed Lease, as applicable, and the Debtors shall seek to add such Assumed Contract or Assumed Lease to the Potential Assumed Contracts Schedule or Proposed Assumed Contracts Schedule, as applicable, in accordance with Paragraph 31 of the Bidding Procedures Order, and (c) following the Auction, the Debtors may, in accordance with the applicable Asset Purchase Agreement, or as otherwise agreed by the Debtors and the Successful Bidder(s), at any time before the closing of the Sale Transaction, modify the previously-stated Cure Costs associated with any Proposed Assumed Contract. The Assumption and Assignment Procedures further provide that any Counterparty whose previously-stated Cure Cost is modified will receive notice thereof and an opportunity to file a Supplemental Assignment Objection. **The assumption and assignment of the Contracts and Leases on the Potential Assumed Contracts Schedule is not guaranteed and is subject to approval by the Court and the Debtors' or Successful Bidder's right to remove an Assumed Contract or Assumed Lease from the Potential Assumed Contracts Schedule and Proposed Assumed Contracts Schedule.**
