**PLEASE TAKE FURTHER NOTICE** that, on June 13, 2019, the Court entered an order [D.I. 234] (the “**Bidding Procedures Order**”)<sup>2</sup> approving, among other things, the Bidding Procedures, which establish the key dates and times related to the Sale Transaction, the Auction, and the Assumption and Assignment Procedures.

**PLEASE TAKE FURTHER NOTICE** that, on June 13, 2019, the Debtors filed and served on each Counterparty the *Notice of Potential Assumption and Assignment of Executory Contracts or Unexpired Leases and Cure Amount* [D.I. 327] (including the Potential Assumed Contracts Schedule attached thereto, the “**Potential Assumption and Assignment Notice**”). The Potential Assumption and Assignment Notice may be accessed free of charge on the Debtors’ case information website, located at <http://www.kccllc.net/southcrossenergy> (the “**Case Information Website**”), or can be requested by email at SouthcrossInfo@kccllc.com.

**PLEASE TAKE FURTHER NOTICE** that, in accordance with the Bidding Procedures Order, the Debtors hereby file this *Supplemental Notice of Potential Assumption and Assignment of Executory Contracts or Unexpired Leases and Cure Amount* (this “**Supplemental Assumption and Assignment Notice**”), which attaches hereto as Exhibit A an amended, supplemented, and updated schedule identifying the Potential Assumed Contracts (the “**Supplemental Potential Assumed Contracts Schedule**”). A blackline comparing the Supplemental Potential Assumed Contracts Schedule to the Potential Assumed Contracts Schedule is attached hereto as Exhibit B. The Supplemental Potential Assumed Contracts Schedule reflects, among other things, the following: (i) certain contracts and leases not listed on the Potential Assumption and Assignment Notice have been added by the Debtors as Assumed Contracts and Assumed Leases; (ii) certain contracts and leases listed on the Potential Assumed Contracts Schedule have been removed by the Debtors and are no longer Assumed Contracts and Assumed Leases; and (iii) the Debtors have updated the Cure Costs with respect to certain Assumed Contracts and Assumed Leases. This Supplemental Assumption and Assignment Notice (including the exhibits hereto) may be accessed free of charge on the Case Information Website or can be requested by email at SouthcrossInfo@kccllc.com.

**PLEASE TAKE FURTHER NOTICE** that the outstanding “**Cure Costs**” listed on the Supplemental Potential Assumed Contracts Schedule, if any (whether or not modified from a previously stated amount), are the cure costs calculated as of the Petition Date and necessary for the assumption and assignment of the applicable contract or lease. *Each Cure Cost listed on the Supplemental Potential Assumed Contracts Schedule represents all liabilities of any nature of the Debtors arising under an Assumed Contract or Assumed Lease as of the Petition Date, whether known or unknown, whether due or to become due, whether accrued, absolute, contingent, or otherwise, so long as such liabilities arise out of or relate to events occurring prior to the Petition Date.* Listing a contract or lease on the Supplemental Potential Assumed Contracts Schedule does not constitute an admission by the Debtors as to the validity or enforceability of any such contract or lease, that such contract is an executory contract or unexpired lease, or that such contract or lease was in effect on the Petition Date. Similarly, the

omission of a contract or lease from the Supplemental Potential Assumed Contracts Schedule, or the removal of a contract or lease from the Potential Assumed Contracts Schedule, does not constitute an admission by the Debtors as to the lack of validity or enforceability of any such contract or lease, that such omitted contract or lease is not an executory contract or an unexpired lease, or that such contract or lease was not in effect on the Petition Date. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, leases, or other agreement set forth on the Supplemental Potential Assumed Contracts Schedule (and the Potential Assumed Contracts Schedule) and to amend or supplement the Supplemental Potential Assumed Contracts Schedule as necessary, in accordance with the Bidding Procedures Order. Certain of the contracts and leases listed on the Supplemental Potential Assumed Contracts Schedule may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on the Supplemental Potential Assumed Contracts Schedule.

**YOU ARE RECEIVING THIS NOTICE BECAUSE YOU HAVE BEEN IDENTIFIED AS A COUNTERPARTY TO (I) A CONTRACT OR LEASE LISTED ON THE SUPPLEMENTAL POTENTIAL ASSUMED CONTRACTS SCHEDULE THAT WAS NOT LISTED PREVIOUSLY ON THE POTENTIAL ASSUMED CONTRACTS SCHEDULE, (II) A CONTRACT OR LEASE WHOSE CURE COSTS LISTED PREVIOUSLY ON THE POTENTIAL ASSUMED CONTRACTS SCHEDULE HAVE BEEN MODIFIED, OR (III) A CONTRACT OR LEASE LISTED PREVIOUSLY ON THE POTENTIAL ASSUMED CONTRACTS SCHEDULE BUT WHICH IS NOT LISTED ON THE SUPPLEMENTAL POTENTIAL ASSUMED CONTRACTS SCHEDULE.** Under the terms of the Assumption and Assignment Procedures, (a) at or prior to the closing of the Sale Transaction, a Successful Bidder may elect, in its sole and absolute discretion, (i) to exclude any contract or lease on the Supplemental Potential Assumed Contracts Schedule as an Assumed Contract or Assumed Lease, as applicable (in which case it shall become an Excluded Contract or Excluded Lease, as applicable), or (ii) to include on the Proposed Assumed Contracts Schedule any contract or lease listed on the Supplemental Potential Assumed Contracts Schedule, by providing to the Debtors written notice of its election to exclude or include such contract or lease, as applicable, (b) if the Debtors or any Successful Bidder identify during the pendency of the Chapter 11 Cases (before or after the closing of the Sale Transaction) any contract or lease that is not listed on the Proposed Assumed Contracts Schedule, and such contract or lease has not been rejected by the Debtors, the Successful Bidder may in its sole and absolute discretion elect by written notice to the Debtors to treat such contract or lease as an Assumed Contract or Assumed Lease, as applicable, and the Debtors shall seek to add such Assumed Contract or Assumed Lease to the Supplemental Potential Assumed Contracts Schedule or Proposed Assumed Contracts Schedule, as applicable, in accordance with Paragraph 31 of the Bidding Procedures Order, and (c) following the Auction, the Debtors may, in accordance with the applicable Asset Purchase Agreement, or as otherwise agreed by the Debtors and the Successful Bidder(s), at any time before the closing of the Sale Transaction, modify the previously-stated Cure Costs associated with any Proposed Assumed Contract. The Assumption and Assignment Procedures further provide that any Counterparty whose previously-stated Cure Cost is modified will receive notice thereof and an opportunity to file a Supplemental Assumption and Assignment Objection. **The assumption and assignment of the Contracts**

**and Leases on the Supplemental Potential Assumed Contracts Schedule is not guaranteed and is subject to approval by the Court and the Debtors' or Successful Bidder's right to remove an Assumed Contract or Assumed Lease from the Supplemental Potential Assumed Contracts Schedule and Proposed Assumed Contracts Schedule.**

**Obtaining Additional Information**

Copies of the Bidding Procedures Motion and the Bidding Procedures Order, as well as all related exhibits (including the Bidding Procedures) and all other documents filed with the Court, are available free of charge on the Debtors' Case Information Website or can be requested by email at SouthcrossInfo@kccllc.com.
