- the Shared Services Agreement, the Contracts and any other contracts, agreements or other relationships between any member of the Holdings Group and any Debtor (and any breach thereunder, whether by rejection or otherwise, including but not limited to the accounting treatment of operating expenses, offsets, intercompany accounts or amounts with respect to the Contracts);

---

<sup>2</sup> The Claimant has not attached a copy of the Shared Services Agreement or any of the Contracts for confidentiality reasons and because it believes, upon information and belief, that the Obligor has copies of the Shared Services Agreement and the Contracts, which can be provided to the Obligor upon request.

- the Services;
- any claims relating to the Master Services Agreement, dated as of May 1, 2015, between FL Rich and MLP GP, including any failure by the Debtors party thereto to perform thereunder and any improper accounting treatment of operating expenses, offsets, intercompany accounts or other amounts with respect to services covered thereby;

The filing of this Proof of Claim is not and should not be construed to be: (a) a waiver or release of any of the Claimant's rights

against any person, entity or property accruing to it against the Obligor and their respective estates; (b) a consent by the Claimant to the jurisdiction of this Court with respect to the subject matter of any of the claims described herein, or any objection or other proceeding commenced with respect to any of the claims described herein, or any other proceeding commenced in the Debtors' chapter 11 cases against or otherwise involving the Claimant; (c) a waiver or release of any right of the Claimant, or consent by the Claimant, to a trial by jury in this or any other court or proceeding; (d) a waiver or release of, or any limitation on, any right of the Claimant to have orders entered only after de novo review by a United States District Judge; (e) an election of remedies; or (f) a waiver of, or any other limitation on, any right of the Claimant to request withdrawal of the reference with respect to any matter, including, without limitation, any matter relating to this Proof of Claim.

This description and classification of claims by the Claimant is not a concession or admission as to the correct characterization or treatment of any such claims or a waiver of any rights of the Claimant.

8. This Proof of Claim does not encompass all claims that the Claimant may have that arise after the Petition Date and are entitled to administrative priority, and the Claimant expressly reserves its right to file such claim or any similar claim at the appropriate time.

9. The Proof of Claim is filed without prejudice to the filing by the Claimant, of additional proofs of claim or requests for payment with respect to any other indebtedness, liability or obligation of the Obligor. The Claimant does not, by the Proof of Claim or any amendment or other action, waive any rights with respect to any scheduled claim.

10. The Claimant reserves the right to withdraw, amend, clarify, modify or supplement the Proof of Claim to assert additional claims or additional grounds for the Proof of Claim, as well as the right to file any separate or additional proofs of claim with respect to the claims set forth herein or otherwise, including for the purpose of fixing and liquidating any contingent or unliquidated claim set forth herein, or to file additional proofs of claim in respect of additional amounts or for any other reason.

11. In executing and filing the Proof of Claim, the Claimant does not submit to the jurisdiction of the Bankruptcy Court for the District of Delaware for any purpose other than with respect to the Proof of Claim against the Obligor, and does not waive or release any rights or remedies against any other person or entity that may be liable for all or part of the Proof of Claim.

12. Payments on account of this Proof of Claim should be sent to the Claimant at the address specified for notices to the Claimant in Part 1.3 of the Proof of Claim.
