No notice to or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances or constitute a waiver of the right of the Agent to any other or further action in any circumstances without notice or demand.

(d) Borrower and any endorser of this Note hereby consent to renewals and extensions of time at or after the maturity hereof without notice, and hereby waive diligence, presentment, protest, demand and notice of every kind and, to the full extent permitted by law, the right to plead any statute of limitations as a defense to any demand hereunder.

Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(h) **THE BORROWER AND, BY THEIR ACCEPTANCE OF THIS NOTE, THE AGENT, ANY DIP LENDER AND ANY SUBSEQUENT HOLDER OF THIS NOTE, HEREBY IRREVOCABLY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS NOTE OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS NOTE AND THE AGENT'S/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED**. The scope of this waiver is intended to be all-encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this transaction, including without limitation contract claims, tort claims, breach

The DIP Lenders may assign to one or more entities all or any part of, or may grant participation's to one or more entities in or to all or any part of, the amounts outstanding hereunder, and to the extent of any such assignment or participation (unless otherwise stated therein) the assignee or participant shall have the same rights and benefits hereunder as it would have if it were a DIP Lender hereunder. The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower and the Agent may treat each Person whose name is recorded in the Register as a DIP Lender hereunder for all purposes of this Note. The Register shall be available for inspection by Borrower and the DIP Lenders at any reasonable time and from time to time upon reasonable prior notice.

(l) Upon receipt by the Agent of an assignment notice, the Agent shall accept such assignment and record the information contained therein in the Register.

(m) A Term Loan may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register. A Term Loan may be participated in whole or in part only by registration of such participation on the Participant Register. (s) This Note may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto. (u) This Note constitutes an amendment and restatement of the Restated Note effective from and after the date hereof. The execution and delivery of this Note are not intended by the parties to be, and shall not constitute, a novation or an accord and satisfaction of the obligations under the Restated Note, all of which remain outstanding and shall be continuing obligations hereunder.

EXHIBIT B

(AMENDED) EXHIBIT B TO DIP TERM NOTE
CONSIGNMENT FACILITY TERMS

Effective as of August 9, 2019, the following terms and conditions shall govern the Consignment Facility, as defined in the *Second Amended and Restated Debtor in Possession Secured Term Promissory Note* to which this Exhibit B is annexed (the "Note") and shall supersede in all respects the terms and conditions set forth in Exhibit B to all prior instances of the Note. Capitalized terms used but not defined herein have the meanings given thereto in the Note.

1. Consignor shall be B. Riley Financial, Inc. ("BR") and/or an affiliate thereof, as BR may designate in its sole discretion.

2. Consignor shall have a first-priority senior Lien pursuant to 11 U.S.C. § 364(d) (with respect to the DIP Lenders and Prepetition Secured Parties upon entry of the Second Interim Order, and with respect to all parties asserting Liens against the Consigned Inventory Proceeds upon entry of the Final Order) on all Consigned Inventory Proceeds and other amounts, in each case, due to Consignor in connection with the Consigned Inventory (including but not limited to the Work Fee (defined below) and the Consignment Fee defined in Section 18 of the Note), which amounts shall remain subject to the Lien of Consignor until indefeasibly paid to Consignor pursuant to paragraph 7(b)(ii) of the Note.

3. Borrower has opened, or shall promptly open, a new, segregated bank account (the "Consignment Facility Account") for the exclusive purposes of (a) receiving funds in trust from Consignor pursuant to the Consignment Facility and (b) using such funds to pay vendors' invoices for Consigned Inventory. Borrower shall not use the Consignment Facility Account or any funds therein for any other purpose, and shall have no interest in any funds on deposit in the Consignment Facility Account at any time, which funds shall be held in trust at all times for the payment of vendors' approved invoices for Consigned Inventory pursuant to the terms of the Consignment Facility. To the extent all or any portion of the funds on deposit in the Consignment Facility Account at any time are ever deemed property of Borrower's bankruptcy estate, Consignor shall have a first-priority senior Lien on such funds, and such funds shall be DIP Priority Collateral of Consignor. At Consignor's request, Borrower shall take all steps reasonably necessary to obtain a deposit account control agreement providing Consignor control over the Consignment Facility Account.

4. Items of Consigned Inventory identified by the same SKUs ("Consigned Overlap Inventory") as similar goods in Borrower's existing inventory ("Existing Overlap Inventory") shall be accounted for on a "last-in-first-out" basis, whereby all Consigned Overlap Inventory identified by a particular SKU is treated as sold before the

corresponding Existing Overlap Inventory, with all proceeds of Consigned Overlap Inventory constituting Consigned Inventory Proceeds.

5. The Consignment Facility is not a revolving credit line. Amounts advanced under the Consignment Facility to purchase Consigned Inventory may not be re-advanced once repaid unless approved in advance in writing by Consignor in its sole discretion. Borrower shall hold the Consigned Inventory in trust for the benefit of Consignor and shall insure the Consigned Inventory against loss. To the extent all or any portion of the Consigned Inventory is ever deemed property of Borrower's bankruptcy estate, such Consigned Inventory shall be DIP Priority Collateral of Consignor.

6. The maximum aggregate landed cost of all Consigned Inventory that may be purchased under the Consignment Facility is $40,000,000 (the "Consigned Inventory Cap"). Borrower may request funds from Consignor under the Consignment Facility to pay invoices for Consigned Inventory once per Business Day (each such request, a "Consignment Funding Request"). In connection with each Consignment Funding Request, Borrower shall provide Consignor with (a) a list of all purchase orders (which purchase orders shall be approved by at least one of Borrower's Chief Executive Officer, Chief Financial Officer, or Chief Merchant) for Consigned Inventory comprising such Consignment Funding Request and (b) copies of all invoices for such Consigned Inventory. Subject to the Consigned Inventory Cap, Consignor will fund the aggregate landed cost of all approved invoices and/or purchase orders for Consigned Inventory in a given Consignment Funding Request via a single wire transfer into the Consignment Facility Account. Immediately upon receipt of such wire transfer, Borrower, in consultation with Consignor's on-site personnel, shall initiate wire or ACH transfers, as applicable, to each vendor for the approved invoices and/or purchase orders and provide Consignor with wire or ACH transfer confirmations (including Fed Reference Numbers for wire transfers) for each such payment.

7. In connection with any sale or liquidation of all or substantially all of Borrower's assets and subject to Section 12(ii) below, Consignor may, upon written notice to Borrower (e-mail being acceptable), elect to take title to, or designate another entity to take title to, all or any portion of the Consigned Inventory, provided that Borrower shall not be required to make the payment contemplated by section 7(b)(1) of the Note for any Consigned Inventory to which Consignor elects to take title or designate another entity to take title pursuant to this paragraph.

8. Consignor shall have access to information and reporting with respect to the Consigned Inventory and the purchases and sales thereof, the Consignment Facility, the Consignment Facility Account, and the Consigned Inventory Proceeds.

9. Consignor may have on-site representatives at Borrower to assist Borrower and the Loan Parties with the Consignment Facility and the procurement and sale of Consigned Inventory.

10. Consignor shall be entitled to a work fee in the amount of $100,000 per month or part thereof that any amounts are outstanding under the Consignment Facility (the "Work Fee"). Consignor shall pay the Consignment Fee defined in Section 18 of the Note (7% per annum of the average amount outstanding under the Consignment Facility during the preceding month) from Consigned Inventory Proceeds, along with the Work Fee, to Consignor via wire transfer within five days after the end of each month.

11. Borrower shall maintain insurance against loss of (whether by theft, fire, flood, natural disaster, or otherwise) and damage to Consigned Inventory consistent with Borrower's insurance for its own inventory. In the event of any insured loss of or damage to Consigned Inventory in Borrower's possession and/or control, the insurance proceeds related thereto shall constitute Consigned Inventory Proceeds. Borrower shall be responsible for any uninsured loss of or damage to any Consigned Inventory in Borrower's possession and/or control.

12. If Borrower's going concern sale process is successful, (i) Consignor shall have the right, in its sole discretion, to require the purchaser to purchase all or a portion of the Consigned Inventory remaining at the closing of the going concern sale, as reflected on Borrower's books and records, at 105% of landed cost, with payment due at the closing of the going concern sale, and (ii) a going concern purchaser shall have the right, in its sole discretion, to purchase any Consigned Inventory remaining at the closing of the going concern sale, as reflected on Borrower's books and records, at 105% of landed cost, with payment due at the closing of the going concern sale.

THE COURT HEREBY MAKES THE FOLLOWING FINDINGS OF FACT AND CONCLUSIONS OF LAW:

A. **Petition Date.** On September 15, 2019 (the "Petition Date"), the Debtors filed voluntary petitions under Chapter 11 of the Bankruptcy Code with the United States Bankruptcy Court for the District of Delaware (the "Court"). The Debtors have continued in the management and operation of their businesses and properties as debtors-in-possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the Cases.

B. **Jurisdiction and Venue.** The Court has jurisdiction over these proceedings, pursuant to 28 U.S.C. § 1334. Consideration of the Motion constitutes a core proceeding under 28 U.S.C. § 157(b)(2). Venue for the Cases and the proceedings on the Motion is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

C. **Committee Formation.** As of the date hereof, no official committee of unsecured creditors has been appointed in the Cases (any such committee, the "Creditors' Committee" and, together with any other statutory committee appointed in the Cases pursuant to Sections 328 or 1103 of the Bankruptcy Code, a "Committee").

D. **Notice.** The Debtors have represented that notice of the Interim Hearing and the relief requested in the Motion has been provided by the Debtors, by telecopy, email, overnight courier and/or hand delivery, to (a) the Office of the United States Trustee for the District of Delaware (the "U.S. Trustee"), (b) counsel to the Ad Hoc Group of Prepetition Secured Noteholders; (c) all other parties asserting a lien on or a security interest in the assets of the Debtors to the extent reasonably known to the Debtors; (d) the Office of the United States Attorney General for the District of Delaware; (e) the Internal Revenue Service, and (f) those creditors holding the 30 largest unsecured claims against the Debtors' estates (the "Notice

Parties"). Under the circumstances, such notice of the Interim Hearing and the relief requested in the Motion is appropriate notice and complies with Section 102(1) of the Bankruptcy Code, Bankruptcy Rules 2002 and 4001(b) and (c) and 2002-1 and 4001-2 of the Local Rules.

E. **Prepetition Indebtedness.** After consultation with their attorneys and financial advisors, and without prejudice to the rights of parties-in-interest as set forth in paragraph 8 herein, the Debtors, on their behalf and on behalf of their estates, admit, stipulate, acknowledge, and agree as follows:

(i) Pursuant to that certain Indenture, dated August 1, 2014 (as amended, restated, supplemented or otherwise modified through the Petition Date, the "Prepetition Indenture" and collectively with and all other agreements, documents and instruments delivered or executed in connection therewith, each as may have been amended, restated, supplemented or otherwise modified from time to time through the Petition Date, the "Prepetition Debt Documents") among the DIP Borrower, as issuer, Bank of New York Mellon, as trustee and collateral agent (in such capacity, the "Prepetition Notes Trustee"), and the Subsidiary Guarantors (as defined in the Prepetition Indenture) party thereto, the DIP Borrower issued 7.00% Senior Secured Notes due August 1, 2019 (the "Prepetition Secured Notes" and the holders thereof, the "Prepetition Secured Noteholders" and, together with the Prepetition Notes Trustee, the "Prepetition Secured Parties") in the aggregate principal amount of $350,000,000.

(ii) Pursuant to the Prepetition Debt Documents, the Prepetition Secured Parties were granted first priority liens (the "Prepetition Liens") on, and security interests in, the Collateral (as defined in the Prepetition Indenture) (the "Prepetition Collateral"), subject to certain Permitted Liens (as defined in the Prepetition Indenture) and such Liens (as defined in the Prepetition Indenture).

(iii) Pursuant to the Prepetition Debt Documents, each of the Subsidiary Guarantors (as defined in the Prepetition Indenture) has provided to the Prepetition Notes Trustee an unconditional joint and several guaranty in accordance with Article 11 of the Prepetition Indenture, which guaranty is secured by the Prepetition Collateral.

F. **Stipulations as to Prepetition Secured Obligations.** After consultation with their attorneys and financial advisors, and without prejudice to the rights of parties-in-interest as set forth in paragraph 8 herein, the Debtors, on their behalf and on behalf of their estates, admit, stipulate, acknowledge, and agree as follows:

(i) **Prepetition Secured Obligations**. As of the Petition Date, the DIP Borrower and the Subsidiary Guarantors (as defined in the Prepetition Indenture) were indebted and liable to the Prepetition Notes Trustee and the Prepetition Secured Noteholders under the Prepetition Debt Documents, without objection, defense, counterclaim or offset of any kind, in the aggregate principal amount of not less than $350,000,000 with respect to the Prepetition Secured Notes plus accrued (both before and after the Petition Date) and unpaid interest thereon, and fees, expenses, prepayment premiums, and all other obligations under the Prepetition Debt Documents, including any attorneys', accountants', consultants', appraisers' and financial and other advisors' fees that are chargeable or reimbursable under the Prepetition Debt Documents (collectively, the "Prepetition Secured Obligations").

(ii) **Enforceability, etc. of the Prepetition Secured Obligations**. The Prepetition Debt Documents and the Prepetition Secured Obligations are (a) legal, valid, binding, and enforceable against the DIP Borrower and each other Debtor that is a party to the Prepetition Debt Documents, and (b) not subject to any contest, attack, objection, recoupment, defense, counterclaim, offset, subordination, re-characterization, avoidance or other claim, cause of action

or other challenge of any kind or nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise.

(iii) **Enforceability, etc. of Prepetition Liens**. The Prepetition Liens granted by the Debtors party to, and under, the Prepetition Debt Documents to or for the benefit of the Prepetition Notes Trustee and the Prepetition Secured Noteholders as security for the Prepetition Secured Obligations encumber the Prepetition Collateral, as the same existed on or at any time prior to the Petition Date. The Prepetition Liens have been properly recorded and perfected under applicable non-bankruptcy law, and are legal, valid, enforceable, non-avoidable, and not subject to contest, avoidance, attack, offset, re-characterization, subordination or other challenge of any kind or nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise. As of the Petition Date, and without giving effect to this Interim Order, the Debtors are not aware, after making due inquiry, of any liens or security interests having priority over the Prepetition Liens, except the Senior Third Party Liens (defined below). The Prepetition Liens were granted to or for the benefit of the Prepetition Notes Trustee and the Prepetition Secured Noteholders for fair consideration and reasonably equivalent value, and were granted contemporaneously with the making of the loans and/or commitments and other financial accommodations secured thereby.

(iv) **Indemnity**. The DIP Secured Parties shall be and hereby are indemnified and held harmless by the Debtors, jointly and severally, in respect of any claim or liability incurred with respect to the DIP Facility and the use of Cash Collateral or in any way related thereto except for claims relating to gross negligence and willful misconduct. No exception or defense in contract, law or equity exists as to any obligation set forth, as the case may be, in this

paragraph F(iv), in the DIP Documents, to indemnify and/or hold harmless the DIP Agent or any other DIP Secured Party, as the case may be, and any such defenses are hereby waived.

(v) **No Control**. None of the DIP Secured Parties or the Prepetition Secured Parties are control persons or insiders of the Debtors or any of their affiliates by virtue of any of the actions taken with respect to, in connection with, related to, or arising from the DIP Facility, the DIP Documents and/or the Prepetition Debt Documents.

(vi) **No Claims, Causes of Action**. As of the date hereof, there exist no claims or causes of action against any of the Prepetition Notes Trustee, any other Prepetition Secured Party, or any DIP Secured Party with respect to, in connection with, related to, or arising from the Prepetition Debt Documents and/or the DIP Documents that may be asserted by the Debtors or any other person or entity.

(vii) **Release**. Subject to the entry of a Final Order, the Debtors forever and irrevocably release, discharge, and acquit all former, current and future (a) DIP Secured Parties, (b) Prepetition Secured Parties, (c) Affiliates of the DIP Secured Parties and Prepetition Secured Parties, and (d) officers, employees, directors, agents, representatives, owners, members, partners, financial and other advisors and consultants, legal advisors, shareholders, managers, consultants, accountants, attorneys, and predecessors and successors in interest of each of the DIP Secured Parties, the Prepetition Secured Parties and each of their respective Affiliates, in each case acting in such capacity (collectively, the "Releasees") of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent,

pending or threatened including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, arising out of, in connection with, or relating to the DIP Facility, the DIP Documents, the Prepetition Debt Documents and/or the transactions contemplated hereunder or thereunder including, without limitation, (x) any so-called "lender liability" or equitable subordination claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the Prepetition Notes Trustee, the Prepetition Secured Parties and/or the DIP Secured Parties. The Debtors further waive and release any defense, right of counterclaim, right of setoff or deduction to the payment of the Prepetition Secured Obligations and the DIP Obligations which the Debtors now have or may claim to have against the Releasees arising out of, connected with, or relating to any and all acts, omissions or events occurring prior to the entry of this Interim Order by the Court.

G. **Immediate Need for Postpetition Financing and Use of Cash Collateral.** The Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(b)(2) and (c)(2). Good cause has been shown for entry of this Interim Order. An immediate need exists for the Debtors to obtain funds and liquidity in order to continue operations, to satisfy in full the costs and expenses of administering the Cases, to preserve the value of their estates to consummate the transactions contemplated by the Restructuring Support Agreement and pending a potential sale of all or substantially all of the Debtors' assets and property pursuant to the Acceptable Sale Process that will maximize recoveries to all stakeholders. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors' assets and to maximize the return for all creditors requires the immediate

availability of the DIP Facility and the use of Cash Collateral. In the absence of the immediate availability of such funds and liquidity in accordance with the terms hereof, the continued operation of the Debtors' businesses may not be possible, and serious and irreparable harm to the Debtors and their estates and creditors could occur. Thus, the ability of the Debtors to preserve and maintain the value of their assets and maximize the return for creditors requires the availability of working capital from the DIP Facility and the use of Cash Collateral. Accordingly, sufficient cause exists for the entry of this Interim Order.

H. **No Credit Available on More Favorable Terms.** The Debtors have been unable to obtain on more favorable terms and conditions than those provided in this Interim Order (a) adequate unsecured credit allowable under Section 503(b)(1) of the Bankruptcy Code as an administrative expense, (b) credit for money borrowed with priority over any or all administrative expenses of the kind specified in Sections 503(b) or 507(b) of the Bankruptcy Code, (c) credit for money borrowed secured by a lien on property of the estate that is not otherwise subject to a lien, or (d) credit for money borrowed secured by a junior lien on property of the estate which is subject to a lien. The Debtors are unable to obtain credit for borrowed money without granting the DIP Liens and the DIP Superpriority Claim (defined below) to (or for the benefit of) the DIP Secured Parties.

I. **Use of Cash Collateral and Proceeds of the DIP Facility, DIP Collateral and Prepetition Collateral.** The Debtors represent and stipulate that all of the Debtors' cash, cash equivalents, negotiable instruments, investment property, and securities constitute Cash Collateral of the Prepetition Notes Trustee on behalf of the Prepetition Secured Parties. All Cash Collateral, all proceeds of the Prepetition Collateral and the DIP Collateral (defined below), including proceeds realized from a sale or disposition thereof, or from payment thereon, and all

proceeds of the DIP Facility (net of any amounts used to pay fees, costs and expenses payable under this Interim Order or the Final Order) shall be used and/or applied in accordance with the terms and conditions of this Interim Order, the DIP Budget (subject to variances permitted under the DIP Credit Agreement) and the other DIP Documents, for the types of expenditures in the DIP Budget and for no other purpose.

J. **Adequate Protection for the Prepetition Secured Parties.** The Prepetition Notes Trustee and the Prepetition Secured Noteholders have negotiated in good faith regarding the Debtors' use of the Prepetition Collateral (including the Cash Collateral) to fund the administration of the Debtors' estates and continued operation of their businesses, in accordance with the terms hereof. The Prepetition Notes Trustee and the Prepetition Secured Noteholders have agreed to permit the Debtors to use the Prepetition Collateral, including the Cash Collateral, in accordance with the terms hereof and the DIP Budget (subject to variances permitted under the DIP Credit Agreement) during the Interim Period subject to the terms and conditions set forth herein, including the protections afforded parties acting in "good faith" under Section 363(m) of the Bankruptcy Code. The Prepetition Notes Trustee and the Prepetition Secured Noteholders are entitled to the adequate protection as and to the extent set forth herein pursuant to Sections 361, 362 and 363 of the Bankruptcy Code. Based on the Motion and on the record presented to the Court at the Interim Hearing, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral (including the Cash Collateral) are fair and reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the Prepetition Notes Trustee's consent thereto; provided that nothing in this Interim Order or the other DIP Documents shall (x) be construed as a consent by any Prepetition Secured Party that it would be adequately protected in the event debtor-in-

possession financing is provided by a third party (i.e., other than the DIP Lenders) or a consent to the terms of any other such financing, including the consent to any lien encumbering the Prepetition Collateral (whether senior or junior) or to the use of Cash Collateral (except under the terms hereof), or (y) prejudice, limit or otherwise impair the rights of the Prepetition Notes Trustee (for the benefit of the Prepetition Secured Parties) to seek new, different or additional adequate protection under any circumstances.

K. **Section 552.** Subject to the entry of a Final Order, in light of, as applicable, the subordination of the Prepetition Liens and the Adequate Protection Liens of the Prepetition Secured Parties to the DIP Liens and the Carve-Out, and the granting of the DIP Liens on the Prepetition Collateral, the Prepetition Notes Trustee and the Prepetition Secured Noteholders are each entitled to all of the rights and benefits of Section 552(b) of the Bankruptcy Code, and the "equities of the case" exception shall not apply.

L. **Extension of Financing.** The DIP Secured Parties have indicated a willingness to provide financing to the Debtors in accordance with the DIP Credit Agreement and the other DIP Documents (including the DIP Budget) and subject to (i) the entry of this Interim Order and the Final Order, (ii) the Milestones, including without limitation, procedures relating to the Acceptable Sale Process, and (iii) findings by this Court that such financing is essential to the Debtors' estates, that the DIP Secured Parties are good faith financiers, and that the reversal or modification on appeal of the authorization hereunder for the Debtors to incur the debt under the DIP Facility, or the grant hereunder of the priority of the DIP Liens and the Adequate Protection Liens, does not affect the validity of such debt, or any priority of any such lien so granted, as provided in Section 364(e) of the Bankruptcy Code.

M. **Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The extension of credit under the DIP Facility, and the fees paid and to be paid thereunder, are fair, reasonable, and the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment, and are supported by reasonably equivalent value and consideration;

(ii) the DIP Facility was negotiated in good faith and at arm's length among the Debtors, the DIP Agent and the other DIP Secured Parties; and

(iii) the use of the proceeds to be extended under the DIP Facility will be so extended in good faith and for valid business purposes and uses, as a consequence of which the DIP Secured Parties are entitled to the protection and benefits of Section 364(e) of the Bankruptcy Code.

N. **Relief Essential; Best Interest.** The relief requested in the Motion (and provided in this Interim Order) is necessary, essential and appropriate for the continued operation of the Debtors' businesses and the management and preservation of the Debtors' assets and property. It is in the best interest of the Debtors' estates that the Debtors be allowed to enter into the DIP Facility, incur the DIP Obligations and use the Cash Collateral as contemplated herein.

NOW, THEREFORE, on the Motion of the Debtors and the record before this Court with respect to the Motion, including the record made during the Interim Hearing, and with the consent of the Debtors, the Prepetition Secured Parties and the DIP Secured Parties, and good and sufficient cause appearing therefor,

IT IS ORDERED that:

1. **Motion Granted**. The Motion is granted on an interim basis in accordance with the terms and conditions set forth in this Interim Order. Any objections to the Motion with

respect to entry of this Interim Order, to the extent not withdrawn, waived or otherwise resolved are hereby denied and overruled.

2. **DIP Facility**.

(a) **DIP Obligations, etc**. The Debtors are expressly and immediately authorized and empowered to enter into the DIP Facility and to incur and to perform the DIP Obligations in accordance with and subject to this Interim Order (and, upon its entry, a Final Order) and the other DIP Documents, to execute and/or deliver all DIP Documents and all other related instruments, certificates, agreements and documents, and to take all actions which may be reasonably required or otherwise necessary for the performance by the Debtors under the DIP Facility, including the creation and perfection of the DIP Liens described and provided for herein. Subject to the terms of this Interim Order, the Debtors are hereby authorized and directed to pay all principal, interest, fees and expenses, indemnities and other amounts described herein and in the other DIP Documents as such shall accrue and become due hereunder or thereunder, including, without limitation, the reasonable fees and expenses of the attorneys and financial and other advisors and consultants of the DIP Agent and the DIP Lenders as, and to the extent, provided for herein and in the other DIP Documents (collectively, all loans, advances, extensions of credit, financial accommodations, fees, expenses and other liabilities and obligations (including indemnities and similar obligations) in respect of DIP Extensions of Credit, the DIP Facility and the DIP Documents, the "DIP Obligations"); provided that payment of any invoices of the DIP Agent's and the DIP Lenders' professionals for fees and expenses incurred after entry of this Interim Order shall be subject to the notice and objection provisions of paragraph 20(b) of this Interim Order. The DIP Documents and all DIP Obligations shall represent, constitute and evidence, as the case may be, valid and binding obligations of the Debtors, enforceable against

the Debtors, their estates and any successors thereto in accordance with their terms. No obligation, payment, transfer or grant of security under the DIP Documents as approved under this Interim Order shall be stayed, restrained, voided, voidable or recoverable under the Bankruptcy Code or under any applicable non-bankruptcy law, or subject to any defense, reduction, setoff, recoupment or counterclaim. The term of the DIP Facility shall commence on the date of entry of this Interim Order and end on the Termination Date, subject to the terms and conditions set forth herein and in the other DIP Documents.

(b) **Authorization to Borrow, etc**. In order to continue to operate its business, subject to the terms and conditions of this Interim Order and the other DIP Documents (including the DIP Budget), the DIP Borrower is hereby authorized to borrow under (and the DIP Guarantors are authorized to guarantee) the Initial DIP Term Loan during the Interim Period.

(c) **Conditions Precedent**. The DIP Lenders shall have no obligation to make any DIP Extension of Credit or any other financial accommodation hereunder or under the other DIP Documents (and the Debtors shall not make any request therefor) unless all conditions precedent to making DIP Extensions of Credit under the DIP Documents have been satisfied or waived in accordance with the terms of the DIP Documents.

(d) **DIP Collateral**. As used herein, "DIP Collateral" shall mean all now owned or hereafter acquired assets and property in which the Debtors and their estates have an interest, whether real or personal, tangible or intangible, or otherwise, whenever acquired, including, without limitation, all Prepetition Collateral, all assets and property pledged under the DIP Documents, including the equity interests of the DIP Borrower and of each other Debtor held by any other Debtor, all cash, any investment of such cash, inventory, accounts receivable, including intercompany accounts receivable (and all rights associated therewith), other rights to

payment whether arising before or after the Petition Date, contracts, contract rights, chattel paper, goods, investment property, inventory, deposit accounts (including the cash collection, "lockbox" and "concentration" accounts described in the DIP Documents), "core concentration accounts," "cash collateral accounts", and in each case all amounts on deposit therein from time to time, equity interests, securities accounts, securities entitlements, securities, commercial tort claims, books, records, plants, equipment, general intangibles, documents, instruments, interests in leases and leaseholds, interests in real property, fixtures, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, letter of credit rights, supporting obligations, machinery and equipment, patents, copyrights, trademarks, tradenames, other intellectual property, all licenses therefor, and all proceeds, rents, profits, products and substitutions, if any, of any of the foregoing. The DIP Collateral shall not include causes of action for preferences, fraudulent conveyances, and other avoidance power claims under Sections 544, 545, 547, 548, 550 and 553 of the Bankruptcy Code (the "Avoidance Actions"), but shall, upon entry of a Final Order, include the proceeds of Avoidance Actions.

(e) **DIP Liens**. Effective immediately upon the entry of this Interim Order, and subject and subordinate to the Carve-Out, as set forth more fully in this Interim Order, the DIP Agent for the ratable benefit of the DIP Secured Parties is hereby granted the following security interests and liens, which shall immediately be valid, binding, perfected, continuing, enforceable and non-avoidable (all liens and security interests granted to the DIP Agent for the benefit of the DIP Secured Parties pursuant to this Interim Order, any Final Order and the other DIP Documents, the "DIP Liens"):

(I) pursuant to Section 364(c)(2) of the Bankruptcy Code, valid, enforceable, perfected and non-avoidable first priority liens on and security

interests in all DIP Collateral that was not encumbered by valid, enforceable, perfected and non-avoidable liens as of the Petition Date;

(II) pursuant to Section 364(c)(3) of the Bankruptcy Code, valid, enforceable, perfected and non-avoidable liens on and security interests in (x) all DIP Collateral which is unencumbered by the Prepetition Liens but on which a third party, i.e., not the Prepetition Secured Parties (a "Third Party Lienholder"), had a pre-existing lien on the Petition Date and (y) all DIP Collateral encumbered by the Prepetition Liens on which a Third Party Lienholder had a pre-existing lien on the Petition Date that was senior to or *pari passu* to the Prepetition Liens, in each case immediately junior only to any such liens and security interests of Third Party Lienholders, but solely to the extent that such liens and security interests of Third Party Lienholders were in each case valid, enforceable, perfected and non-avoidable as of the Petition Date (or were perfected subsequent to the Petition Date as permitted by Section 546(b) of the Bankruptcy Code) and were Permitted Liens (the "Senior Third Party Liens"); and

(III) pursuant to Section 364(d) of the Bankruptcy Code, valid, enforceable, perfected and non-avoidable liens on and security interests in all Prepetition Collateral, which liens and security interests shall be senior to and prime the Prepetition Liens and the liens of all Third Party Lienholders which are junior and subject to the Prepetition Liens.

(f) **Other Provisions Relating to the DIP Liens**. The DIP Liens shall secure all of the DIP Obligations. The DIP Liens shall not, without the consent of the DIP Agent, be made subject to, subordinate to, or *pari passu* with, any other lien or security interest, other than

to the extent expressly provided herein and to the Carve-Out, by any Court order heretofore or hereafter entered in the Cases. The DIP Liens shall be valid and enforceable against any trustee appointed in the Cases, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (such cases or proceedings, "Successor Cases"), and/or upon the dismissal of any of the Cases. The DIP Liens and the Adequate Protection Liens shall not be subject to Sections 510, 549, 550 or 551 of the Bankruptcy Code or, upon entry of the Final Order, the "equities of the case" exception of Section 552 of the Bankruptcy Code or Section 506(c) of the Bankruptcy Code. If the granting of the DIP Liens against any of the DIP Collateral are in any way prohibited or restricted under any of the Debtors' organizational documents, such organizational documents are hereby modified solely to permit the granting of the DIP Liens.

(g) **Superpriority Administrative Claim Status**. The DIP Obligations shall, pursuant to Section 364(c)(1) of the Bankruptcy Code, at all times constitute an allowed superpriority claim (the "DIP Superpriority Claim") of the DIP Agent for the benefit of the DIP Secured Parties, and be payable from and have recourse to all DIP Collateral. The DIP Superpriority Claim shall be subject and subordinate only to the Carve-Out. Other than as expressly provided herein, including in paragraph 9 hereof with respect to the Carve-Out, no costs or expenses of administration, including, without limitation, professional fees allowed and payable under Sections 328, 330 and 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in these proceedings or in any Successor Cases, and no priority claims are, or will be, senior to, prior to or *pari passu* with the DIP Liens, the DIP Superpriority Claim or any of the DIP Obligations, or with any other claims of the DIP Secured Parties arising hereunder or under the other DIP Documents, or otherwise in connection with the DIP Facility.

3. **Authorization and Approval to Use Cash Collateral and Proceeds of DIP Facility**. Subject to the terms and conditions of this Interim Order and the other DIP Documents, and to the adequate protection granted to or for the benefit of the Prepetition Secured Parties as hereinafter set forth, the Debtors are authorized during the Interim Period (and not beyond) to (a) use the Cash Collateral and (b) request and use proceeds of the DIP Extensions of Credit, in each case in the amounts and for the line item expenditures set forth in the DIP Budget (subject to variances permitted under the DIP Credit Agreement). The DIP Budget may only be amended, restated, supplemented, modified, replaced, or extended in accordance with the DIP Documents and the prior written consent of the DIP Agent without further order of the Court; provided that any such amended, restated, supplemented, modified, replaced, or extended DIP Budget shall, within three (3) business days, be filed with the Court and served on the office of the U.S. Trustee and any Committee. Any expenditures other than transfers of cash made by the Debtors on or after the Petition Date shall be deemed to have been made first from Cash Collateral and any of the Debtors' other cash on hand and, after such Cash Collateral and other cash on hand (if any) has been fully depleted, then from proceeds of the DIP Facility, in each case, regardless of the actual source of any such expenditures or other transfers. Notwithstanding anything herein to the contrary, subject only to the Debtors' rights under paragraph 17(b) hereof and the Carve-Out, the Debtors' right to request or use proceeds of DIP Extensions of Credit or to use Cash Collateral shall terminate on the Termination Date. Nothing in this Interim Order shall authorize the disposition of any assets of the Debtors or their estates or proceeds resulting therefrom outside the ordinary course of business, except as permitted herein (subject to any required Court approval).

4. **Adequate Protection for Prepetition Secured Parties**. As adequate protection for the interests of the Prepetition Notes Trustee and the Prepetition Secured Noteholders in the Prepetition Collateral (including Cash Collateral), the Prepetition Notes Trustee, for the benefit of the other Prepetition Secured Parties, shall, subject to any timely and successful Challenge (as defined below) that results in the avoidance of the Prepetition Liens pursuant to an order of the Court that is final and not subject to further appeal, from and after the Petition Date, receive adequate protection as follows:

(a) **Adequate Protection Liens**. To the extent of, and in an aggregate amount equal to, the diminution in value (if any) of the interests of the Prepetition Secured Parties in the Prepetition Collateral (including the Cash Collateral), from and after the Petition Date, calculated in accordance with Section 506(a) of the Bankruptcy Code, resulting from the use, sale or lease by the Debtors of the Prepetition Collateral (including the use of Cash Collateral), the granting of the DIP Liens, the subordination of the Prepetition Liens thereto and to the Carve-Out, and the imposition or enforcement of the automatic stay of Section 362(a) (collectively, "Diminution in Value"), the Prepetition Secured Parties shall have, pursuant to Sections 361, 363(e) and 364(d) of the Bankruptcy Code, replacement security interests in and liens upon (the "Adequate Protection Liens") all of the DIP Collateral. The Adequate Protection Liens of the Prepetition Secured Parties shall be junior and subject to the DIP Liens, any Senior Third Party Liens, and the Carve-Out.

(b) **Adequate Protection Superpriority Claims**. To the extent of the aggregate Diminution in Value, the Prepetition Secured Parties shall have an allowed superpriority administrative expense claim (the "Adequate Protection Superpriority Claim") as provided for in Section 507(b) of the Bankruptcy Code, immediately junior and subject to the

DIP Superpriority Claim and the Carve-Out, and payable from and having recourse to all DIP Collateral; provided that the Prepetition Secured Parties shall not receive or retain any payments, property, distribution or other amounts in respect of the Adequate Protection Superpriority Claim unless and until the DIP Obligations and (without duplication) the DIP Superpriority Claim have indefeasibly been paid in full in cash.

(c) **Adequate Protection Payments**. The Debtors shall pay all reasonable professional and advisory fees, costs and expenses of the Prepetition Notes Trustee and the Prepetition Secured Noteholders incurred in connection with the negotiation, documentation, administration and monitoring of the Prepetition Debt Documents and/or the DIP Facility and in connection with the Cases, including the reasonable documented postpetition fees and expenses of legal, financial and other advisory, tax, investment banking and other professionals (including, without limitation, White & Case LLP and Farnan LLP) as well as fees and expenses owed to any professional under the Forbearance Agreement; provided that payment of any fees and expenses of the Prepetition Notes Trustee's or Prepetition Secured Noteholders' professionals incurred after entry of this Interim Order, shall be subject to the notice and objection provisions of paragraph 20(b) of this Interim Order.

(d) **Milestones and Credit Bid Protection**. The Prepetition Secured Parties have represented that the Debtors' compliance with the Milestones are an essential element of the adequate protection of the Prepetition Secured Parties. Subject to the Final Order, the DIP Agent and the Prepetition Notes Trustee (together or independently) shall each have, subject to Section 363(k) of the Bankruptcy Code, the unqualified right to credit bid (x) up to the full amount of the DIP Obligations and the Prepetition Secured Obligations, respectively, and (y) the DIP Superpriority Claim and both the Adequate Protection Superpriority Claim, respectively,

without the need for further Court order authorizing the same, in connection with any sale of any of the DIP Collateral or Prepetition Collateral, whether such sale is effectuated through Section 363 or Section 1129 of the Bankruptcy Code, by a chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise.

5. **Monitoring of Collateral**. The Prepetition Notes Trustee and the DIP Agent, and their respective consultants and advisors, shall be given reasonable access to the Debtors' books, records, assets and properties for purposes of monitoring the Debtors' businesses and the value of the DIP Collateral, and shall be permitted to conduct, at their discretion and at the Debtors' cost and expense, field audits, collateral examinations and inventory appraisals in respect of the DIP Collateral.

6. **Financial Reporting, etc**. The Debtors shall provide the DIP Agent and the Prepetition Notes Trustee with the monthly financial reporting given to the U.S. Trustee and all of the financial reporting as required under and in all instances consistent with the DIP Documents.

7. **DIP Lien and Adequate Protection Replacement Lien Perfection**. This Interim Order shall be sufficient and conclusive evidence of the validity, perfection and priority of the DIP Liens and the Adequate Protection Liens without the necessity of filing or recording any financing statement, deed of trust, mortgage, or other instrument or document which may otherwise be required under the law of any jurisdiction or the taking of any other action to validate or perfect the DIP Liens and the Adequate Protection Liens or to entitle the DIP Liens and the Adequate Protection Liens to the priorities granted herein. Notwithstanding the foregoing, the DIP Agent may, in its sole discretion, file such financing statements, deeds of trust, mortgages, security agreements, notices of liens and other similar documents, and is hereby

granted relief from the automatic stay of Section 362 of the Bankruptcy Code in order to do so, and all such financing statements, deeds of trust, mortgages, security agreements, notices and other agreements or documents shall be deemed to have been filed or recorded at the time and on the date of the commencement of the Cases. The Debtors shall take any action requested by the DIP Agent, including executing and delivering to the DIP Agent all such financing statements, mortgages, security agreements, notices and other documents as the DIP Agent may request, to evidence, confirm, validate or perfect, or to insure the contemplated priority of the DIP Liens and the Adequate Protection Liens. The DIP Agent, in its sole discretion, may file a photocopy of this Interim Order as a financing statement with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which the Debtors have real or personal property. To the extent that the Prepetition Notes Trustee is the secured party under any account control agreements, listed as loss payee under any of the Debtors' insurance policies or is the secured party under any Prepetition Debt Document, the DIP Agent is also hereby deemed to be the secured party under such account control agreements, loss payee under the Debtors' insurance policies and the secured party under each such Prepetition Debt Document, and shall have all rights and powers attendant to that position (including, without limitation, rights of enforcement) and shall act in that capacity and distribute any proceeds recovered or received in accordance with the terms of this Interim Order and/or the Final Order, as applicable, and the other DIP Documents. The Prepetition Notes Trustee shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's security interests and liens on all DIP Collateral that is of a type such that perfection of a security interest therein may be accomplished only by possession or control by a secured party.

8. **Reservation of Certain Third Party Rights and Bar of Challenges and Claims**.

(a) All of the findings in paragraph E hereof and all agreements, terms, provisions and stipulations set forth in paragraph F hereof (the "Claims Stipulations") shall be irrevocably binding on all persons and entities upon the Challenge Period Termination Date (defined below). Nothing in this Interim Order shall prejudice any rights any party in interest may have (a) to object to or challenge any of the Claims Stipulations, including in relation to (i) the validity, extent, perfection or priority of the Prepetition Liens on the Prepetition Collateral, or (ii) the validity, allowability, priority, status or amount of the Prepetition Secured Obligations, or (b) to bring suit against any of the Prepetition Secured Parties in connection with or related to the matters covered by the Claims Stipulations; provided that, unless any party with standing to do so commences an adversary proceeding or contested matter (as applicable) raising such objection or challenge, including without limitation any claim against the Prepetition Secured Parties in the nature of a setoff, counterclaim or defense to the Prepetition Secured Obligations (including but not limited to, those under Sections 544, 547, 548, 549, 550 and/or 552 of the Bankruptcy Code or by way of suit against any of the Prepetition Secured Parties) (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "Challenge"), by the date that is (x) with respect to any Creditors' Committee, sixty (60) calendar days following the formation of such Creditors' Committee and (y) with respect to any other party with standing, seventy-five (75) calendar days following entry of this Interim Order (the period described in the immediately preceding clause shall be referred to as the "Challenge Period" and the date that is the next calendar day after the termination of the Challenge Period shall be referred to as the "Challenge Period Termination Date"), upon the Challenge Period Termination Date, any and all

such challenges and objections by any Committee, any Chapter 11 or Chapter 7 trustee appointed herein or in any Successor Case, and any other party in interest shall be deemed to be forever waived and barred, and the Prepetition Secured Obligations shall be deemed to be allowed secured claims within the meaning of Sections 502 and 506 of the Bankruptcy Code for all purposes in connection with the Cases, and the Claims Stipulations shall be binding on all creditors, interest holders and parties in interest. Notwithstanding the foregoing, if a chapter 11 trustee is appointed in the Cases or if one or more of the Cases are converted to chapter 7 prior to the expiration of the Challenge Period, the chapter 11 or chapter 7 trustee, as applicable, shall have until the later of (i) the expiry of the Challenge Period, (ii) thirty (30) days following the appointment of the chapter 11 trustee or the conversion of such Chapter 11 Cases, as applicable, and (iii) such date as otherwise ordered by the Court, to commence a Challenge. To the extent any such objection or complaint is filed prior to the Challenge Period Termination Date, the Claims Stipulations shall nonetheless remain binding and preclusive except to the extent expressly challenged in such objection or complaint. Upon a successful Challenge as against any party, the Court may fashion an appropriate remedy. All remedies or defenses of any party with respect to any Challenge are hereby preserved.

(b) No portion of the Carve-Out, no proceeds of the DIP Facility, the DIP Collateral or DIP Extensions of Credit, and no proceeds of the Prepetition Collateral (including Cash Collateral), may be used for the payment of the fees and expenses of any person incurred (i) in investigating, challenging, or in relation to the challenge of, any of the Prepetition Liens, Prepetition Secured Obligations, DIP Liens, or DIP Obligations (or the value of the Prepetition Collateral or the DIP Collateral), or the initiation or prosecution of any claim or action against any of the Prepetition Secured Parties or DIP Secured Parties, including, without limitation, any

claim under Chapter 5 of the Bankruptcy Code, or any state, local or foreign law, in respect of the Prepetition Secured Obligations or the DIP Obligations, or in preventing, hindering or delaying the realization by the Prepetition Secured Parties or the DIP Secured Parties upon any Prepetition Collateral or DIP Collateral, respectively, or the enforcement of their respective rights under this Interim Order, the Final Order, any other DIP Loan Document or any Prepetition Debt Document, (ii) in requesting authorization, or supporting any request for authorization, to obtain postpetition financing (whether equity or debt) or other financial accommodations pursuant to Section 364(c) or (d) of the Bankruptcy Code, or otherwise, other than (x) from the DIP Lenders or (y) if such financing is sufficient to indefeasibly pay and satisfy all Prepetition Secured Obligations and DIP Obligations in full in cash and such financing is immediately so used or (iii) in connection with any claims or causes of actions against the Releasees, including formal or informal discovery proceedings in anticipation thereof, and/or in challenging any Prepetition Secured Obligations, DIP Obligations, Prepetition Liens, Adequate Protection Liens or DIP Liens; provided that, if a Creditors' Committee is appointed, the Creditors' Committee may investigate any potential challenges with respect to the Prepetition Secured Obligations, Prepetition Debt Documents, and Prepetition Liens during the Challenge Period at an aggregate expense for such investigation (but not litigation, prosecution, objection, or challenge thereto) not to exceed, in the aggregate, an amount to be agreed by the Creditors' Committee, the Debtors, and the DIP Agent and, if no such agreement is reached, all rights for further relief with respect to such investigation budget are reserved.

9. **Carve-Out**.

(a) As used in this Interim Order, the "Carve-Out" means the sum of: (i) all fees required to be paid to the Clerk of the Court and all statutory fees payable to the U.S.

Trustee under Section 1930(a) of title 28 of the United States Code, together with the statutory rate of interest (without regard to the Post-Carve-Out Trigger Notice Cap (defined below)); (ii) all reasonable fees and expenses up to $25,000 incurred by a trustee under Section 726(b) of the Bankruptcy Code; (iii) to the extent allowed by the Court at any time, pursuant to a fee application on notice, or other procedure permitted by any Court order allowing interim compensation or the payment of fees of ordinary course professionals, whether by interim order, final order, procedural order or otherwise, all reasonable and documented unpaid fees and expenses (the "Allowed Professional Fees") incurred by estate professionals retained by the Debtors pursuant to Section 327, 328, or 363 of the Bankruptcy Code (collectively, the "Debtor Professionals") and any Committee (together with the Debtor Professionals, the "Professionals"), and, with respect to any Committee, as limited by the DIP Budget, at any time before the Carve-Out Trigger Date (defined below), whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice (provided that nothing herein shall be construed to impair the ability of any party to object to the professional fees, reimbursement or compensation referred to in this clause (iii)); and (iv) the Allowed Professional Fees of the Professionals incurred on and after the first business day following the Carve-Out Trigger Date in an aggregate amount not to exceed $1,000,000 (the amounts set forth in this clause (iv) being the "Post-Carve-Out Trigger Notice Cap"); provided that the Post-Carve-Out Trigger Notice Cap shall be reduced, dollar-for-dollar, by the amount of any fees and expenses incurred and accruing by the Debtors and paid to the applicable Professionals following delivery of the Carve-Out Trigger Notice; provided further that the Post-Carve-Out Trigger Notice Cap shall be reduced, dollar for dollar, by the amount of any prepetition retainers received by any Professional and not previously applied to fees and expenses of such Professional. For the avoidance of doubt and notwithstanding anything to the

contrary contained in this Interim Order or the Prepetition Debt Documents, the Carve-Out shall be senior to the DIP Liens, the DIP Superpriority Claim, the Adequate Protection Liens, and the Adequate Protection Superpriority Claim.

(b) For purposes of the foregoing, "Carve-Out Trigger Notice" shall mean a written notice delivered by electronic mail (or other electronic means) by the DIP Agent to the Debtors, their lead restructuring counsel, the U.S. Trustee and lead counsel to the Committee, if any, of the occurrence and continuation of an Event of Default or the termination of funding under the DIP Facility, stating that the Post-Carve-Out Trigger Notice Cap has been invoked. "Carve-Out Trigger Date" shall mean the date on which the DIP Agent provides the Carve-Out Trigger Notice.

(c) After the Carve-Out Trigger Date, the DIP Lenders shall permit usage of the DIP Facility to fund the full amount of the Carve-Out, including the Post-Carve-Out Trigger Notice Cap, into a segregated account (the "Carve-Out Reserve Account") held by the Debtors, to be applied to the Allowed Professional Fees and the fees of the U.S. Trustee and Clerk of the Court when due and payable (the "Carve-Out Segregated Funds"). Without in any way limiting the Debtors' ability to use the Carve-Out Segregated Funds in the Carve-Out Reserve Account to pay the Allowed Professional Fees and the fees of the U.S. Trustee and Clerk of the Court, the Carve-Out Segregated Funds shall remain encumbered by and subject to the DIP Liens. To the extent the Carve-Out Segregated Funds in the Carve-Out Reserve Account exceed the Allowed Professional Fees and the fees of the U.S. Trustee and Clerk of the Court, any such remaining amounts shall be promptly returned to the DIP Agent for the benefit of the DIP Lenders.

10. **Payment of Compensation**. Nothing herein shall be construed as a consent to the allowance of any professional fees or expenses of any of the Debtors or any Committee or

shall limit or otherwise affect the right of the DIP Secured Parties and/or the Prepetition Secured Parties or any other party in interest to object to the allowance and payment of any such fees and expenses. No professional fees shall be paid absent a Court order allowing such payment, pursuant to a fee application on notice, or other procedure permitted by any Court order allowing interim compensation or the payment of fees of ordinary course professionals. So long as no Event of Default exists that has not been waived in writing, the Debtors shall be permitted to pay compensation and reimbursement of expenses allowed by the Court and payable under Sections 330 and 331 of the Bankruptcy Code or compensation procedures approved by the Court and in form and substance reasonably acceptable to the Debtors and the DIP Secured Parties, as the same may be due and payable, and the same shall not reduce the Post-Carve-Out Trigger Notice Cap.

11. **Section 506(c) Claims**. Subject to the entry of the Final Order, as a further condition of the DIP Facility, any obligation of the DIP Secured Parties to make DIP Extensions of Credit, and the Debtors' authorization to use the Cash Collateral, the Debtors (and any successors thereto or any representatives thereof, including any trustees appointed in the Cases or any Successor Case) shall be deemed to have waived any rights, benefits or causes of action under Section 506(c) of the Bankruptcy Code as they may relate to or be asserted against the DIP Secured Parties, the DIP Liens, the DIP Collateral, the Prepetition Secured Parties, the Adequate Protection Liens, the Prepetition Liens or the Prepetition Collateral. Save and except for the Carve-Out, nothing contained in this Interim Order, in the Final Order or in the other DIP Documents shall be deemed a consent by the Prepetition Secured Parties or the DIP Secured Parties to any charge, lien, assessment or claim against, or in respect of, the DIP Collateral or the Prepetition Collateral under Section 506(c) of the Bankruptcy Code or otherwise.

12. **Collateral Rights; Limitations in Respect of Subsequent Court Orders**. Without limiting any other provisions of this Interim Order, unless the DIP Agent and the Prepetition Notes Trustee have provided their prior written consent, it shall be an Event of Default under the DIP Facility for there to be entered in these Cases, or in any Successor Case, any order which authorizes (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral and/or entitled to priority administrative status which is superior to or *pari passu* with those granted pursuant to this Interim Order to or for the benefit of the DIP Secured Parties or the Prepetition Secured Parties, or (ii) the use of Cash Collateral for any purpose other than as set forth in this Interim Order or in the DIP Budget.

13. **Proceeds of Subsequent Financing**. Without limiting the provisions and protections of paragraph 12 hereof, if at any time prior to the indefeasible repayment and satisfaction in full in cash of all DIP Obligations and the termination of the DIP Secured Parties' obligations to make DIP Extensions of Credit, including subsequent to the confirmation of any Chapter 11 plan (the "Plan") with respect to the Debtors, the Debtors' estates, any trustee, any examiner with enlarged powers or any responsible officer subsequently appointed, shall obtain credit or incur debt in violation of this Interim Order or the other DIP Documents, then the first cash proceeds derived from such credit or debt and all Cash Collateral in the amount necessary to satisfy all DIP Obligations then outstanding shall immediately be turned over to the DIP Agent for the indefeasible repayment and satisfaction in full in cash of all DIP Obligations then outstanding.

14. **Cash Management**. Any DIP Extensions of Credit or other proceeds of the DIP Facility may only be held in deposit accounts that are deposit accounts over which the DIP Agent

is deemed to have "control" or deposit accounts subject to a control agreement with the Prepetition Notes Trustee and/or the DIP Agent (unless otherwise expressly authorized under the DIP Credit Agreement), each in accordance with the DIP Credit Agreement, and shall be disbursed in accordance with the terms and conditions set forth in the DIP Credit Agreement. The Debtors' cash management system shall at all times be maintained (i) in accordance with the terms of the DIP Documents and any order of this Court approving the maintenance of the Debtors' cash management system (the "Cash Management Order"), and (ii) in a manner which in any event shall be reasonably satisfactory to the DIP Agent as in the Cash Management Order, the Debtors shall not transfer any funds (including, without limitation, any proceeds of DIP Collateral or any Cash Collateral) to any of the Debtors' non-Debtor affiliates, during the Cases except in accordance with the DIP Budget and the terms and conditions of the Cash Management Order. The DIP Agent shall be deemed to have "control" over all cash management accounts for all purposes of perfection under the Uniform Commercial Code. Absent the occurrence of an Event of Default, all amounts collected in the cash collection accounts may be used in accordance with this Interim Order, the DIP Budget and the other DIP Documents; after the occurrence and during the continuance of an Event of Default, subject only to the funding of the Carve-Out and the Debtors' rights under paragraph 17(b) hereof, all such amounts shall be applied in accordance with paragraph 18(b) hereof.

15. **Disposition of DIP Collateral**. The Debtors shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Collateral, except as permitted by the DIP Documents or as approved by the Court.

16. **Survival of Certain Provisions**. In the event of the entry of any order converting any of these Cases into a Successor Case, the DIP Liens, the DIP Superpriority Claim, the

Adequate Protection Liens, the Adequate Protection Superpriority Claim and the Carve-Out shall continue in these proceedings and in any Successor Case, and such DIP Liens, DIP Superpriority Claim, Adequate Protection Liens, Adequate Protection Superpriority Claim and Carve-Out shall maintain their respective priorities as provided by this Interim Order.

17. **Events of Default; Rights and Remedies Upon Event of Default**.

(a) Any automatic stay otherwise applicable to the DIP Secured Parties and the Prepetition Notes Trustee is hereby modified so that, upon and after the occurrence of the Termination Date, the DIP Agent and the Prepetition Notes Trustee shall, subject to subparagraph (b) of this paragraph 17, be immediately entitled to exercise all of their rights and remedies in respect of the DIP Collateral and the Prepetition Collateral, in accordance with this Interim Order, the other DIP Documents and/or the Prepetition Debt Documents, as applicable. The term "Termination Date" shall mean: the earliest to occur of: (i) the Maturity Date, (ii) the date that is thirty-five (35) calendar days after the Petition Date, if the Court has not entered the Final Order, (iii) the date on which the Court denies approval of, or indicates that it will not approve, the Final Order, (iv) the consummation of a sale of all or substantially all of the assets of the Debtors pursuant to Section 363 of the Bankruptcy Code, (v) substantial consummation (as defined in section 1101 of the Bankruptcy Code and which for purposes hereof shall be no later than the "effective date" thereof) of a plan of reorganization or liquidation filed in the Cases that is confirmed pursuant to an order entered by the Court, and (vi) the acceleration of the loans and the termination of all Commitments in accordance with the terms of the DIP Documents.

(b) Notwithstanding the foregoing subparagraph (a) of this paragraph 17, immediately following the giving of notice by the DIP Agent (or, if the DIP Obligations have been indefeasibly paid in full, the Prepetition Notes Trustee) to the Debtors, counsel to the

Debtors, counsel for any Committee and the U.S. Trustee of the occurrence of an Event of Default: (i) all Commitments of the DIP Lenders to provide any DIP Extensions of Credit shall immediately be suspended; (ii) the Debtors shall have no right to request or use any proceeds of any DIP Extensions of Credit or DIP Collateral, or to use Cash Collateral, provided that, during the Default Notice Period (defined below), the Debtors shall be permitted to continue to use Cash Collateral and the proceeds of the DIP Facility solely in the ordinary course of business in accordance with the DIP Budget and towards the satisfaction of the DIP Obligations and the Carve-Out, as provided in the applicable DIP Documents and this Interim Order, and to take the actions set forth in the following clause (v); (iii) on or after five (5) business days following delivery of such notice (such 5-business day period, the "Default Notice Period"), unless such Event of Default is cured within such time, the DIP Lenders shall have relief from the automatic stay to exercise remedies under the DIP Documents; (iv) the Debtors shall deliver and cause the delivery of the proceeds of the DIP Extensions of Credits and the DIP Collateral to the DIP Agent as provided herein and in the DIP Documents subject to the funding of the Carve-Out; and (v) the Debtors and any Committee shall be entitled to an emergency hearing before this Court during the Default Notice Period to challenge the lifting of the automatic stay ~~solely on the basis that no Event of Default has occurred~~. If the Debtors or any Committee or any other party in interest, does not contest the occurrence of the Event of Default within the Default Notice Period, or if there is a timely contest of the occurrence of an Event of Default and the Court after notice and a hearing declines to stay the enforcement thereof, the Termination Date shall be deemed to have occurred for all purposes and the automatic stay, as to the DIP Agent and the Prepetition Notes Trustee, shall automatically terminate in all respects.

(c) Upon the occurrence of the Termination Date (but subject, only in the case of the occurrence of the Termination Date resulting from an Event of Default, to the provisions of paragraph 17(b) hereof), the DIP Agent and the Prepetition Notes Trustee are authorized to exercise all remedies and proceed under or pursuant to the applicable DIP Documents and the Prepetition Debt Documents. All proceeds realized in connection with the exercise of the rights and remedies of the applicable DIP Secured Parties and Prepetition Secured Parties shall be turned over and applied in accordance with paragraph 18(b) hereof.

(d) The automatic stay imposed under Section 362(a) of the Bankruptcy Code is hereby modified pursuant to the terms of the DIP Documents as necessary to (i) permit the Debtors to grant the Adequate Protection Liens and the DIP Liens and to incur all DIP Obligations and all liabilities and obligations to the Prepetition Secured Parties hereunder and under the other DIP Documents, as the case may be, and (ii) authorize the DIP Agent and Prepetition Notes Trustee to retain and apply payments, and otherwise enforce their respective rights and remedies hereunder subject to the provisions of paragraph 17(b) hereof.

(e) Nothing included herein shall prejudice, impair or otherwise affect the Prepetition Notes Trustee's or the DIP Agent's rights to seek (on behalf of the Prepetition Secured Parties and the DIP Secured Parties, respectively) any other or supplemental relief in respect of the Debtors (including, as the case may be, other or additional adequate protection).

(f) Notwithstanding anything in this Interim Order to the contrary, the Prepetition Notes Trustee shall not be permitted to exercise any rights or remedies for itself or the Prepetition Secured Parties unless and until the DIP Obligations are indefeasibly paid and satisfied in full in cash.

18. **Applications of Proceeds of Collateral, Payments and Collections**.

(a) As a condition to the DIP Extensions of Credit and the authorization to use Cash Collateral, each Debtor has agreed that proceeds of any DIP Collateral and Prepetition Collateral, any amounts held on account of the DIP Collateral or Prepetition Collateral, and all payments and collections received by the Debtors with respect to all proceeds of DIP Collateral and Prepetition Collateral, shall be used and applied in accordance with the DIP Documents (including repayment and reduction of the DIP Obligations), the DIP Budget (subject to variances permitted under the DIP Credit Agreement) and this Interim Order.

(b) Subject to the Debtors' rights under paragraph 17(b) hereof and the funding of the Carve-Out, if applicable, upon and after the occurrence of the Termination Date, all proceeds of DIP Collateral and Prepetition Collateral, whenever received, shall be paid and applied as follows: (i) *first*, to permanently and indefeasibly repay and reduce the DIP Obligations then due and owing in accordance with the DIP Documents, until paid and satisfied in full in cash; (ii) *second*, to permanently and indefeasibly repay and reduce the Prepetition Secured Obligations then due and owing in accordance with the Prepetition Debt Documents, until paid and satisfied in full in cash; and (iii) *third*, to the Debtors' estates. For avoidance of doubt, nothing in this Interim Order shall be construed to limit the voluntary and mandatory repayment provisions set forth in the DIP Documents.

19. **Proofs of Claim, etc**. None of the Prepetition Secured Parties or the DIP Secured Parties shall be required to file proofs of claim in any of the Cases or any Successor Case for any claim described herein. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Cases or any Successor Case to the contrary, the Prepetition Notes Trustee, on behalf of itself and the other Prepetition Secured Parties and the

DIP Agent, on behalf of itself and the other DIP Secured Parties, respectively, are hereby authorized and entitled, in each of their sole and absolute discretion, but not required, to file (and amend and/or supplement, as each sees fit) a proof of claim and/or aggregate proofs of claim in any of the Cases or any Successor Case for any claim described herein; for avoidance of doubt, any such proof of claim may (but is not required to be) filed as one consolidated proof of claim against all of the Debtors, rather than as separate proofs of claim against each Debtor. Any proof of claim filed by the Prepetition Notes Trustee or the DIP Agent shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by any of the respective Prepetition Secured Parties or DIP Secured Parties. Any order entered by the Court in relation to the establishment of a bar date for any claim (including without limitation administrative claims) in any of the Cases or any Successor Case shall not apply to the Prepetition Notes Trustee, the other Prepetition Secured Parties, the DIP Agent, or the other DIP Secured Parties; provided that, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code, the filing of such proofs of claim may be required.

20. **Other Rights and Obligations**.

(a) **Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Interim Order**. Based on the findings set forth in this Interim Order and in accordance with Section 364(e) of the Bankruptcy Code, which is applicable to the DIP Facility as approved by this Interim Order, the reversal or modification on appeal of the authorization hereunder for the Debtors to obtain the DIP Facility, or the grant hereunder of the DIP Liens and the Adequate Protection Liens, shall not affect the validity of such debt or the priority of such liens.

(b) **Expenses**. To the fullest extent provided in the DIP Documents, the Prepetition Debt Documents and this Interim Order, the Debtors will pay all expenses incurred by the DIP Secured Parties, the Prepetition Notes Trustee and the Prepetition Secured Noteholders (including, without limitation, the reasonable fees and disbursements of their counsel, any other local counsel that they shall retain and any internal or third-party appraisers, consultants, financial, restructuring or other advisors and auditors advising any such counsel) in connection with (i) the preparation, execution, delivery, funding and administration of the DIP Documents, including, without limitation, all due diligence fees and expenses incurred or sustained in connection with the DIP Documents, (ii) the administration of the Prepetition Debt Documents, (iii) the Cases or any Successor Case, or (iv) enforcement of any rights or remedies under the DIP Documents or the Prepetition Debt Documents, in each case whether or not the transactions contemplated hereby are fully consummated. Notwithstanding any other provisions of this Interim Order, the Prepetition Notes Trustee, the Prepetition Secured Noteholders and the DIP Secured Parties, and their advisors and professionals, shall not be required to comply with the U.S. Trustee fee guidelines, but shall provide reasonably detailed statements (redacted if necessary for privileged, confidential or otherwise sensitive information, as to those statements provided to any party other than the U.S. Trustee) for fees and expenses incurred after entry of this Interim Order to the Office of the U.S. Trustee and counsel for any Committee and the Debtors. Thereafter, within ten (10) calendar days of presentment of such statements, if no written objections to the reasonableness of the fees and expenses charged in any such invoice (or portion thereof) is made, the Debtors shall pay in cash all such fees and expenses of the Prepetition Notes Trustee, the Prepetition Secured Noteholders, the DIP Agent and the DIP Secured Parties, and their advisors and professionals. Any objection to the payment of such fees

or expenses shall be made only on the basis of "reasonableness," and shall specify in writing the amount of the contested fees and expenses and the detailed basis for such objection. To the extent an objection only contests a portion of an invoice, the undisputed portion thereof shall be promptly paid. If any such objection to payment of an invoice (or any portion thereof) is not otherwise resolved between objecting party and the issuer of the invoice, either party may submit such dispute to the Court for a determination as to the reasonableness of the relevant disputed fees and expenses set forth in the invoice. This Court shall resolve any dispute as to the reasonableness of any fees and expenses. For the avoidance of doubt, and without limiting any of the forgoing or any other provision of this Interim Order, the fees specified in Section 2(e)(iii) of the DIP Credit Agreement are, upon entry of this Interim Order and irrespective of any subsequent order approving or denying the DIP Facility or any other financing pursuant to Section 364 of the Bankruptcy Code, fully entitled to all of the protections of Section 364(e) of the Bankruptcy Code and are deemed fully earned, indefeasibly paid, non-refundable, irrevocable and non-avoidable as of the date of this Interim Order.

(c) **Binding Effect**. The provisions of this Interim Order shall be binding upon and inure to the benefit of the DIP Secured Parties and the Prepetition Secured Parties, the Debtors, and their respective successors and assigns (including any trustee or other fiduciary hereinafter appointed as a legal representative of the Debtors or with respect to the property of the estates of the Debtors) whether in the Cases, in any Successor Case, or upon dismissal of any such Chapter 11 or Chapter 7 case.

(d) **No Waiver**. The failure of the DIP Secured Parties or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Interim Order, the other DIP Documents or the Prepetition Debt Documents or otherwise, as applicable,

shall not constitute a waiver of any of the DIP Secured Parties' or Prepetition Secured Parties' rights hereunder, thereunder or otherwise. (a) Financial Reporting Requirements. The Borrower shall provide to the Administrative Agent (i) a rolling 13-week cash flow forecast, in form and substance acceptable to the Required Lenders (as amended, extended, varied, supplemented, or otherwise modified from time to time, the "DIP Budget") that shall set forth in reasonable detail all receipts and disbursements of the Borrower on a weekly basis for the 13-week period following the Petition Date, and rolling thereafter; provided that the Borrower may, at its discretion, provide to the Administrative Agent for approval by the Required Lenders, no earlier than thirty (30) days after the effectiveness of the current DIP Budget (or such earlier date as agreed by the Required Lenders), an updated DIP Budget for a 13-week period prior to the expiration of the period of the current DIP Budget; provided, further, that, upon the receipt by the Borrower of written acceptance by the Administrative Agent (acting at the direction of the Required Lenders) or the Required Lenders of any DIP Budget (such acceptance to be deemed provided if the Administrative Agent (acting at the direction of the Required Lenders) or the Required Lenders do not object to the DIP Budget within three (3) Business Days of receipt), such DIP Budget shall replace the prior DIP Budget for all purposes hereunder and in the other Loan Documents but, in the event that any proposed budget is not approved by the Administrative Agent (acting at the direction of the Required Lenders) or the Required Lenders, the preceding approved DIP Budget will remain the DIP Budget, (ii) by 12:00 noon (New York time) on the seventh (7th) Business Day following the end of each calendar week, a reconciliation of actual receipts and disbursements, cash balance and loan balance on a line-item basis against such figures set forth in the DIP Budget for (A) such week and (B) the four-week period which ended with such week, in each case, with written explanations of any line-item that varies by more than 10% for such line-item or $200,000, in each case, for such week; provided that the first such reconciliation shall not be required to be delivered until the Wednesday of the third full week following the Petition Date, and (iii) such other information or documents (financial or otherwise) with respect to the Loan Parties and their Subsidiaries as the Lenders (through the Administrative Agent) may reasonably request.

The DIP Budget shall be tested on a cumulative basis for a 4-week period then ended, it being understood and agreed that actual amounts of each of the Debtors' and non-Debtor Affiliates' expenditures in the aggregate may not vary from the applicable DIP Budget period by more than the Permitted Variances; provided that any use by the Loan Parties of Cash Collateral or the cash proceeds of Prepetition Collateral shall be taken account in connection with measuring compliance with the DIP Budget (including the Permitted Variances). (o) one or more judgments, orders or decrees for the payment of money required to be satisfied as an administrative expense claim in the Chapter 11 Cases shall be allowed by the Bankruptcy Court in an aggregate amount (to the extent not paid or covered by insurance) that is reasonably expected to have a Material Adverse Effect;

Upon the occurrence and continuance of any Event of Default, the Administrative Agent (acting on the instructions of the Required Lenders) or the Required Lenders may (notwithstanding the provisions of Section 362 of the Bankruptcy Code and without application or motion to, or order from, the Bankruptcy Court), subject to the terms, conditions and provisions of the DIP Order, by written notice to the Borrower, the Prepetition Notes Trustee, the Prepetition Secured Noteholders and the U.S. Trustee, declare the Commitment to be terminated forthwith, whereupon the Commitment shall immediately terminate, and/or, by notice to the Borrower, declare its Loans hereunder, with accrued interest thereon, and all other Obligations owed to it under this Agreement and the other Loan Documents to be due and payable forthwith, whereupon the same shall

immediately become due and payable. Except as expressly provided above in this Section 6, presentment, demand, protest and all other notices of any kind are hereby expressly waived.

Upon the occurrence and during the continuance of any Event of Default and subject to the terms of the DIP Order, the Administrative Agent and each of the Lenders may (i) exercise all of its rights and remedies set forth in any of the Loan Documents and the DIP Order, in addition to all rights and remedies allowed under any applicable law, including the UCC, and (ii) revoke the rights of the Borrower and the other Loan Parties to use Cash Collateral in which the Administrative Agent and the Lenders have an interest. None of the Administrative Agent or the Lenders shall have any obligation of any kind to make a motion or application to the Bankruptcy Court to exercise their rights and remedies set forth or referred to in this Agreement or in the other Loan Documents. The enumeration of the foregoing rights and remedies is not intended to be exhaustive and the exercise of any right or remedy shall not preclude the exercise of any other rights or remedies, all of which shall be cumulative and not alternative.

The Loan Parties waive (i) presentment, demand and protest and notice of presentment, dishonor, notice of intent to accelerate, notice of acceleration, protest, default, nonpayment, maturity, release, compromise, settlement, extension or renewal of any or all commercial paper, accounts, contract rights, documents, instruments, chattel paper and guaranties or other property at any time held by the Administrative Agent or the Lenders on which the Loan Parties may in any way be liable and hereby ratify and confirm whatever the Lenders may lawfully do in this regard, (ii) subject to the terms of the DIP Order, all rights to notice and hearing prior to the Administrative Agent or the Lenders taking possession or control of the Collateral, or any bond or security which might be required by any court prior to allowing the Administrative Agent or the Lenders to exercise any of their remedies subject to the terms of the DIP Order, and (iii) the benefit of all valuation, appraisal and exemption laws. The Loan Parties acknowledge that they have been advised by counsel of their choice with respect to the effect of the foregoing waivers and this Agreement, the other Loan Documents and the transactions evidenced by this Agreement and the other Loan Documents.

For the avoidance of doubt, notwithstanding any other provision of any Loan Document to the contrary, during the Default Notice Period, (i) the Debtors shall be permitted to continue to use Cash Collateral and proceeds of the Loans solely in the ordinary course of business in accordance with the DIP Budget and to satisfy the Carve-Out, and (ii) the Debtors may seek emergency relief from the Bankruptcy Court during the Default Notice Period solely to seek a finding that no Event of Default has occurred.

Sixth, in payment to the Borrower.

Section 8. **Miscellaneous**.

(a) Costs and Expenses. Whether or not the transactions contemplated hereby shall be consummated, but subject to entry of the Interim DIP Order, the Borrower shall reimburse the Lenders and Administrative Agent for (i) all reasonable and documented out-of-pocket costs and expenses in connection with the preparation of the Loan Documents, the Interim DIP Order, the Final DIP Order and any consents, amendments, waivers or other modifications thereto and in connection with the consummation and administration of the transactions contemplated hereby and thereby and in connection with the Chapter 11 Cases; (ii) all reasonable and documented out-of-pocket fees, expenses and disbursements of counsel to any or all Lenders, a single financial advisor to all Lenders, a single firm of counsel to the Administrative Agent, and, if necessary, for each of the Lenders and the Administrative Agent, one firm of counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) in connection with the negotiation, preparation, execution and administration of the Loan Documents and any consents, amendments, waivers or other modifications thereto and any other documents or matters requested by Borrower and in connection with the consummation and administration of the transactions contemplated hereby and thereby and in connection with the Chapter 11 Cases; (iii) all reasonable and documented out-of-pocket costs and expenses in connection with the custody or preservation of any of the Collateral; and (iv) all reasonable and documented out-of-pocket costs and expenses, including attorneys' fees and costs of settlement, incurred by the Administrative Agent and the Lenders in enforcing any Obligations of or in collecting any payments due from the Borrower or the other Loan Parties hereunder or under the other Loan Documents (including in connection with the sale of, collection from, or other realization upon any of the Collateral) or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to the Chapter 11 Cases, or any other insolvency proceedings or any attempt to enforce any rights or remedies of the Lenders or the Administrative Agent against the Borrower or any other Person that may be obligated thereto by virtue of being a party to any of the Loan Documents, in each case, without the need to file any applications with the Bankruptcy Court and subject to the limitations set forth in the DIP Order.

(b) Indemnity. Whether or not the transactions contemplated hereby shall be consummated, but subject to entry of the Interim DIP Order, the Borrower agrees, jointly and severally with the other Loan Parties, to indemnify, pay and hold the Lenders, the Administrative Agent, and the shareholders, officers, directors, employees and agents thereof (each, an "Indemnified Party"), harmless from and against any and all claims, liabilities, losses, damages, costs and expenses (whether or not any of the foregoing Persons is a party to any litigation), including, without limitation, attorneys' and financial advisors' fees and costs (limited in the case

of legal fees and expenses to reasonable and documented legal fees of counsel for any or all Indemnified Parties and a single financial advisor for all Indemnified Parties, taken as a whole, and, if necessary, one firm of counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all Indemnified Parties taken as a whole (and, in the case of an actual or perceived conflict of interest, where the Indemnified Parties affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of an additional counsel for each group of affected Indemnified Parties similarly situated, taken as a whole)) and costs of investigation, document production, attendance at a deposition, or other discovery, with respect to or arising out of this Agreement or the other Loan Documents or any use of proceeds hereunder or the Chapter 11 Cases or any transactions contemplated hereby or thereby, or any claim, demand, action or cause of action being asserted against the Borrower or any other Loan Party (collectively, the "Indemnified Liabilities"); provided that the Borrower shall have no obligation hereunder with respect to Indemnified Liabilities with respect to a particular Indemnified Party to the extent arising from the gross negligence or willful misconduct of any such Indemnified Party. This covenant shall survive termination of this Agreement and payment of the outstanding Loans.

(c) Yield Protection, Taxes and Other Deductions. Payments by the Borrower or any other Loan Party hereunder or under any other related Loan Documents shall be made free and clear of and without reduction for or on account of any present or future taxes, levies, imposts, duties, charges, fees, deductions or withholdings of any kind or nature whatsoever or any interest or penalties payable with respect thereto now or in the future imposed, levied, collected, withheld or assessed by any country or political subdivision of a country (collectively, "Taxes"); provided, however, that if any Taxes are required by applicable law to be withheld ("Withholding Taxes") from any amount payable to the Lenders or the Administrative Agent, the amounts so payable to the Lenders or the Administrative Agent shall be increased to the extent necessary to yield to the Lenders or the Administrative Agent, as the case may be, on a net basis after the payment of all Withholding Taxes the amount payable under this Agreement or any other related Loan Documents at the rate provided herein or therein and if requested by the Administrative Agent or any Lender, the Borrower and the other Loan Parties shall provide evidence reasonably satisfactory to the Lenders or the Administrative Agent, as the case may be, that the applicable Taxes have been withheld and remitted.

(d) Assignments and Participations. Neither the Borrower nor any Guarantor may assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of the Lenders (and any attempted assignment or transfer without such consent shall be null and void). The Lenders may sell, assign, transfer, negotiate or grant participations to other financial institutions in all or part of the obligations of the Borrower outstanding under the Loan Documents, with the consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed) (provided that (i) no such consent shall be required (A) if an Event of Default has occurred and is continuing, (B) in connection with an assignment to a Lender or an Affiliate of a Lender and (C) in connection with a participation and (ii) such consent shall be deemed to have been given if the Borrower has not responded within ten Business Days after delivery of a written request therefor by the Administrative Agent); provided that any such sale, assignment, transfer, negotiation or participation shall be in compliance with the applicable federal and state securities laws; provided, further, that any assignee or transferee agrees to be bound by the terms and conditions of this Agreement. The Lenders may, in connection with any actual or

proposed assignment or participation, disclose to the actual or proposed assignee or participant, any information relating to the Loan Parties or any of their respective subsidiaries. The parties hereto agree that the Administrative Agent and the Lenders shall be permitted to make technical fixes to this Agreement to accommodate any such assignment or transfer. Any assignment of an interest in the Commitments or the Loans must be approved by the Administrative Agent, unless the Person that is the proposed assignee is itself a Lender and the parties to any such assignment shall execute and deliver to the Administrative Agent an executed assignment and assumption agreement, together with an administrative processing fee in the amount of $3,500; provided, however, that the Administrative Agent may in its sole discretion, elect to waive such fee in the case of any assignment. An assignee, if it shall not be a Lender, shall be required to deliver to the Administrative Agent an administrative questionnaire in a form supplied by the Administrative Agent. The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, each Lender's pro rata share of the Commitment, and the principal amount (and stated interest with respect thereto) of the Loans pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender (solely with respect to such Lender's Loans) at any reasonable time and from time to time upon reasonable prior written notice.

(e) Amendments. Neither this Agreement nor any terms hereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the respective Loan Parties party hereto, the Administrative Agent and the Required Lenders (other than in the case of clauses (i) – (vi) below which shall only require the consent of the Lenders expressly set forth therein); provided that, except as expressly provided herein, no such agreement shall

(i) decrease, forgive, waive or excuse the principal amount of, or any interest on, or extend the final maturity of, or decrease the rate of interest on, any Loan beyond the applicable Maturity Date, without the prior written consent of each Lender directly and adversely affected thereby (it being agreed that waiver of the Default Rate shall require the consent of Required Lenders only);

(ii) increase or extend the Commitment of any Lender or decrease, forgive, waive or excuse the fees of any Lender or the Administrative Agent without the prior written consent of such Lender or the Administrative Agent, as applicable (it being understood that waivers or modifications of conditions precedent, covenants, Events of Default or of a mandatory reduction in the Commitments shall not constitute an increase of the Commitments of any Lender);

(iii) extend any date on which payment of principal or interest on any Loan or any fee is due, without the prior written consent of each

Lender directly and adversely affected thereby (for the avoidance of doubt, Default Rate may be postponed, delayed, reduced, waived or modified with the consent of Required Lenders);

(iv) amend the provisions of Section 7, or any analogous provision of any other Loan Document, in a manner that would by its terms alter the *pro rata* sharing of payments required thereby or the waterfall provision, without the prior written consent of each Lender directly and adversely affected thereby;

(v) amend or modify the provisions of this Section 8(e) or the definition of the term "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender; or

(vi) unless pursuant to a transaction permitted by this Agreement (including Section 5(e)(i)), release any of the Collateral or release any of the value of the Guarantees provided by the Loan Parties hereunder, in each case, without the prior written consent of each Lender;

provided, further, that no such change, waiver, discharge or termination shall amend, modify or otherwise affect the rights, obligations or duties of the Administrative Agent hereunder or under any other Loan Document, unless approved in writing by the Administrative Agent.

(f) Entire Agreement; Conflict. This Agreement currently constitutes the entire agreement between the parties relating to the subject matter hereof and is binding on the parties in accordance with its terms. To the extent that there is any inconsistency between this Agreement and any of the other related Loan Documents once executed, this Agreement shall govern unless such other document specifically states otherwise; provided that, for the avoidance of doubt, to the extent that there is any inconsistency between this Agreement and the DIP Order, the DIP Order shall govern.

(g) Effectiveness; Binding Effect; Governing Law. This Agreement shall become effective when it shall have been executed by the Borrower, the other Loan Parties, the Administrative Agent, and the Lenders and thereafter shall be binding upon and inure to the benefit of the Borrower, the other Loan Parties, the Administrative Agent, the Lenders and their respective permitted successors and assigns. THIS AGREEMENT, THE OTHER LOAN DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(h) Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAWS, EACH OF THE PARTIES TO THIS AGREEMENT HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF

ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED.

(i) Consent to Jurisdiction; Venue. All judicial proceedings brought against any party hereto with respect to this Agreement and the Loan Documents shall be brought in the Bankruptcy Court or, upon the dismissal or other resolution of the Chapter 11 Cases, in any state or federal court of competent jurisdiction in the State of New York, and by execution and delivery of this Agreement, each Loan Party accepts for itself and in connection with its properties, generally and unconditionally, the exclusive jurisdiction of the Bankruptcy Court, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement. Each Loan Party irrevocably waives any right it may have to assert the doctrine of forum non conveniens or to object to venue to the extent any proceeding is brought in accordance with this clause (i).

(j) Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile or other electronic transmission shall be as effective as delivery of an original counterpart of this Agreement.

(k) Headings. Article and Section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

(l) PATRIOT Act. Each Lender and Administrative Agent are subject to the USA PATRIOT Act (Title III of Pub. Law 107-56 (signed into law October 26, 2001)) (as amended from time to time, the "PATRIOT Act") and hereby notifies the Borrower and the other Loan Parties that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower and the other Loan Parties and other information that will allow the Lenders and the Administrative Agent to identify the Borrower and the other Loan Parties in accordance with the PATRIOT Act. This notice is given in accordance with the requirements of the PATRIOT Act and is effective as to the Lenders and the Administrative Agent.

(m) Interpretive Provisions. The words "hereof", "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and section, subsection, schedule and exhibit references are sections, subsections, schedules and exhibits to this Agreement unless otherwise specified.

(n) Limitation on Liability. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AND NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS: (I) NONE OF THE ADMINISTRATIVE AGENT, THE LENDERS OR ANY INDEMNIFIED PARTY SHALL BE LIABLE TO ANY PARTY FOR ANY INDIRECT, SPECIAL, PUNITIVE OR

CONSEQUENTIAL DAMAGES IN CONNECTION WITH THEIR RESPECTIVE ACTIVITIES RELATED TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, THE TRANSACTIONS CONTEMPLATED THEREBY, THE LOANS, OR OTHERWISE IN CONNECTION WITH THE FOREGOING; (II) WITHOUT LIMITING THE FOREGOING, NONE OF THE ADMINISTRATIVE AGENT, THE LENDERS OR ANY INDEMNIFIED PARTY SHALL BE SUBJECT TO ANY EQUITABLE REMEDY OR RELIEF, INCLUDING SPECIFIC PERFORMANCE OR INJUNCTION ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, OR THE TRANSACTIONS CONTEMPLATED THEREBY; AND (III) NONE OF THE ADMINISTRATIVE AGENT, THE LENDERS OR ANY INDEMNIFIED PARTY SHALL HAVE ANY LIABILITY TO THE LOAN PARTIES, FOR DAMAGES OR OTHERWISE, ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, OR THE TRANSACTIONS CONTEMPLATED THEREBY FOR ANY ACT OR OMISSION PRIOR TO THE CLOSING DATE.

All notices, demands, and other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be deemed to have been given (a) when personally delivered, (b) when transmitted via electronic mail to the e-mail address set out below if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), (c) the day following the day (except if not a Business Day then the next Business Day) on which the same has been delivered prepaid to a reputable national overnight courier service, or (d) the third (3rd) Business Day following the day on which the same is sent by certified or registered mail, postage prepaid. (p) Confidentiality. The Administrative Agent and each Lender agrees that material, non-public information regarding the Debtors and their Subsidiaries, their operations, assets, and existing and contemplated business plans conspicuously designated as material, non-public information ("Confidential Information") shall be treated by the Administrative Agent and each Lender in a confidential manner, and shall not be disclosed by the Administrative Agent or any Lender to Persons who are not parties to this Agreement, except: (i) to attorneys, other advisors, accountants, auditors, and consultants to any Lender or the Administrative Agent and to employees, directors and officers of any Lender or the Administrative Agent (the Persons in this

clause (i), "Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of any Lender or the Administrative Agent; provided that, any such Subsidiary or Affiliate shall have agreed to receive such information hereunder subject to the terms of this Section 8(p), (iii) as may be required by regulatory authorities, (iv) as may be required by statute, decision, or judicial or administrative order, rule, or regulation; provided that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide the Borrower with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to the Borrower pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by the Borrower, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process; provided that, (x) prior to any disclosure under this clause (vi) the disclosing party agrees to provide the Borrower with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to the Borrower pursuant to the terms of the subpoena or other legal process and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by any Lender, the Administrative Agent or its respective Representatives), (viii) in connection with any assignment, participation or pledge of any Lender's or the Administrative Agent's interest under this Agreement; provided that, prior to receipt of Confidential Information any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information hereunder subject to the terms of this Section, (ix) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents, (x) to equity owners of each Loan Party and (xi) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Loan Document.

Section 9. **Guarantee**.

(a) The Guarantee. Each of the Guarantors hereby jointly and severally guarantee, as a primary obligor and not as a surety to the Lenders and the Administrative Agent and each of their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of the Bankruptcy Code after the Petition Date) on the Loans made by the Lenders to the Borrower, and all other Obligations and/or liabilities from time to time owing to the Lenders and the Administrative Agent by any Loan Party hereunder or under any other related Loan Documents (such obligations being herein collectively called the "Guaranteed Obligations"). The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any

of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

(b) Obligations Unconditional. The obligations of the Guarantors under Section 9(a) shall constitute a guaranty of payment and to the fullest extent permitted by applicable Requirements of Law (subject to the entry of the DIP Order by the Bankruptcy Court), are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(ii) any of the acts mentioned in any of the provisions of this Agreement or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect (included any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), or any right under this Agreement or any other agreement or instruments related hereto or referred to herein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of, the Administrative Agent and the Lenders as security for any of the Guaranteed Obligations shall fail to be perfected;

(v) the release of any other Guarantor; or

(vi) taking of any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of any Guarantor from its liabilities under this Guarantee.

Except as cannot be waived under applicable law, the Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any

requirement that the Lenders or the Administrative Agent exhaust any right, power or remedy or proceed against the Borrower under this Agreement or any other agreement or instrument referred to herein or therein, or against any other Person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by the Lenders or the Administrative Agent upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Lenders or the Administrative Agent shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Lenders or the Administrative Agent, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Lenders, the Administrative Agent or any other Person at any time of any right or remedy against the Borrower or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. Until the payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement, this Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders and the Administrative Agent, and its successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

(c) Reinstatement. The obligations of the Guarantors under this Section 9 shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or another Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise. The Guarantors jointly and severally agree that they will indemnify the Lenders and the Administrative Agent on demand for all costs and expenses (including fees of counsel) incurred by the Lenders or the Administrative Agent in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law, other than any costs or expenses resulting from the bad faith or willful misconduct of the Lenders or the Administrative Agent, as the case may be.

(d) Subrogation; Subordination. Each Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations (other than contingent indemnification obligations for which no claim or demand has been made) and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 9(a), whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any indebtedness of any Loan Party permitted pursuant to Section 5(e)(iv) shall be

subordinated to such Loan Party's Guaranteed Obligations in form and substance reasonably satisfactory to the Lenders.

(e) Remedies. The Guarantors jointly and severally agree that, as among the Guarantors, the Administrative Agent and the Lenders, the Obligations of the Borrower under this Agreement may be declared to be forthwith due and payable as provided in Section 6 for purposes of Section 9(a), notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 9(a).

(f) Instrument for the Payment of Money. Each Guarantor hereby acknowledges that the guarantee in this Section 9 constitutes an instrument for the payment of money, and consents and agrees that the Lenders and the Administrative Agent, at their sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

(g) Continuing Guarantee. Until the payment and satisfaction in full in cash of all Guaranteed Obligations (other than contingent indemnification obligations for which no claim or demand has been made) and the expiration and termination of the Commitments of the Lenders under this Agreement, the guarantee in this Section 9 is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

(h) General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate, limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 9(a) would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 9(a), then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other Persons, be automatically limited and reduced to the highest amount after giving effect to the rights of contribution established in Section 9(i).

(i) Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 9(d). The provisions of this Section 9(i) shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the Lenders, and each Guarantor shall remain liable to the Lenders and the Administrative Agent for the full amount guaranteed by such Guarantor hereunder.

(j) Payments. All payments made by the Guarantors pursuant to this Section 9 shall be made in U.S. Dollars and will be made without setoff, counterclaim or other defense and shall be subject to the provisions of Section 8(c).

Section 10. **The Administrative Agent**.

(a) Authorization and Action.

(i) Each Lender hereby designates and appoints Wilmington Trust, National Association, as Administrative Agent under this Agreement and the other Loan Documents and authorizes Wilmington Trust, National Association, in the capacity of Administrative Agent, to (i) execute, deliver and perform the obligations, if any, of the Lenders, as applicable under this Agreement and each other Loan Document and (ii) take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The provisions of this Section 10 are solely for the benefit of the Administrative Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third-party beneficiary of any such provisions. As to any matters not expressly provided for by the Loan Documents (including, without limitation, enforcement of the Obligations or collection of the Obligations owing under the Loan Documents), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders (or, if appropriate, all Lenders), and such instructions shall be binding upon the Lenders; provided, however, that the Administrative Agent shall not be required to take any action that exposes the Administrative Agent to personal liability or that is contrary to this Agreement or applicable law.

(ii) The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, employee or attorney-in-fact that it selects in accordance with the foregoing provisions of this Section 10(a)(ii) in the absence of the Administrative Agent's gross negligence or willful misconduct.

(b) Administrative Agent's Reliance, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with the Loan Documents (i) with the consent of or at the request of the Required Lenders or (ii) in the absence of its or their own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Without limitation of the generality of the foregoing, the Administrative Agent: (i) may consult with legal counsel (including counsel for any Loan Party), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (ii) makes no warranty or representation to the Lenders and shall not be responsible to any Lender for any statements, warranties or representations (whether written or oral) made in or in connection with the Loan Documents, nor shall it have any duty to ascertain or inquire into such statements, warranties or representations; (iii) shall not have any duty to ascertain or inquire into the contents of any certificate, report or other document delivered under any of the Loan Documents; (iv) shall not have any duty to ascertain or to inquire as to the performance, observance or satisfaction of any of the terms, covenants or conditions of any Loan Document on the part of any Loan Party or the existence at any time of any Default under the Loan Documents or to inspect the property (including the books and records) of any Loan Party, and shall be deemed not to have knowledge of any Default under the Loan Documents unless and until notice describing such Default is given to the Administrative Agent in writing by the Borrower or a Lender; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any Lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; and (vi) shall incur no liability under or in respect of any Loan Document by acting upon any notice, consent, certificate or other instrument or writing (which may be by telegram, telecopy or electronic communication) believed by it to be genuine and signed or sent by the proper party or parties.

(c) No Fiduciary Duty. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent (i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing; (ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law; and (iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(d) Agents and Affiliates. The Administrative Agent and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, accept investment banking

engagements from and generally engage in any kind of business with, any Loan Party, any of its Subsidiaries and any Person that may do business with or own securities of any Loan Party or any such Subsidiary, all as if the Administrative Agent was not an agent and without any duty to account therefor to the Lenders (or any other Person). The Administrative Agent shall not have any duty to disclose any information obtained or received by it or any of its Affiliates relating to any Loan Party or any of its Subsidiaries to the extent such information was obtained or received in any capacity other than as Administrative Agent.

(e) Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent and based on documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement.

(f) Indemnification.

(i) Each Lender agrees to indemnify the Administrative Agent (to the extent not promptly reimbursed by the Loan Parties and without limiting its obligation to do so) from and against its pro rata share of any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of the Loan Documents or any action taken or omitted by the Administrative Agent under the Loan Documents (collectively, the "Indemnified Costs"); provided, however, that the Lenders shall not be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence or willful misconduct as found in a final, non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for its pro rata share of any costs and expenses (including, without limitation, fees and expenses of counsel) payable by the Loan Parties under Section 8(a), to the extent that the Administrative Agent is not promptly reimbursed for such costs and expenses by the Loan Parties. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this Section 10(f) applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. The Administrative Agent is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and otherwise apply any and all amounts it receives pursuant to the Loan Documents to or for the credit or the account of the Lenders against any and all obligations of the Lenders to the

Administrative Agent now or hereafter existing under this Section 10(f); provided that the foregoing sentence shall only apply if any such Lender fails to promptly pay such obligation following the Administrative Agent's written request for payment; provided, further, that any obligation a Lender fails to promptly pay following the Administrative Agent's written request for payment shall, upon the election of the Required Lenders, bear interest at the same rate as Default Rate and the Administrative Agent is authorized to set off against any such accrued interest in the manner described above.

(ii) Without prejudice to the survival of any other agreement of the Lenders hereunder, the agreement and obligations of the Lenders contained in this Section 10(f) shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the other Loan Documents.

(g) Successor Administrative Agent. The Administrative Agent may resign at any time by giving 15 days' written notice thereof to the Lenders and the Borrower and may be removed at any time with or without cause by the Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, with (so long as no Event of Default has occurred and is continuing) the consent of the Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Administrative Agent's giving of notice of resignation or the Required Lenders' removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, which shall be a commercial bank organized under the laws of the United States or of any State thereof and having a combined capital and surplus of at least $500,000,000. the aggregate principal amount of not less than $350,000,000 with respect to the Prepetition Secured Notes plus accrued (both before and after the Petition Date) and unpaid interest thereon, and fees, expenses, prepayment premiums, and all other obligations under the Prepetition Debt Documents, including any attorneys', accountants', consultants', appraisers' and financial and other advisors' fees that are chargeable or reimbursable under the Prepetition Debt Documents (collectively, the "Prepetition Secured Obligations").

(ii) **Enforceability, etc. of the Prepetition Secured Obligations**. The Prepetition Debt Documents and the Prepetition Secured Obligations are (a) legal, valid, binding, and enforceable against the DIP Borrower and each other Debtor that is a party to the Prepetition Debt Documents, and (b) not subject to any contest, attack, objection, recoupment, defense, counterclaim, offset, subordination, re-characterization, avoidance or other claim, cause of action or other challenge of any kind or nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise.

(iii) **Enforceability, etc. of Prepetition Liens**. The Prepetition Liens granted by the Debtors party to, and under, the Prepetition Debt Documents to or for the benefit of the Prepetition Notes Trustee and the Prepetition Secured Noteholders as security for the Prepetition Secured Obligations encumber the Prepetition Collateral, as the same existed on or at any time prior to the Petition Date. The Prepetition Liens have been properly recorded and perfected under applicable non-bankruptcy law, and are legal, valid, enforceable, non-avoidable, and not subject to contest, avoidance, attack, offset, re-characterization, subordination or other challenge of any kind or nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise. As of the Petition Date, the Debtors are not aware, after making due inquiry, of any

liens or security interests having priority over the Prepetition Liens, except the Senior Third Party Liens (defined below). The Prepetition Liens were granted to or for the benefit of the Prepetition Notes Trustee and the Prepetition Secured Noteholders for fair consideration and reasonably equivalent value, and were granted contemporaneously with the making of the loans and/or commitments and other financial accommodations secured thereby.

(iv) **Indemnity**. The DIP Secured Parties shall be and hereby are indemnified and held harmless by the Debtors, jointly and severally, in respect of any claim or liability incurred with respect to the DIP Facility and the use of Cash Collateral or in any way related thereto except for claims relating to gross negligence and willful misconduct. No exception or defense in contract, law or equity exists as to any obligation set forth, as the case may be, in this paragraph G(iv) or in the DIP Documents, to indemnify and/or hold harmless the DIP Agent or any other DIP Secured Party, as the case may be, and any such defenses are hereby waived.

(v) **No Control**. None of the DIP Secured Parties or the Prepetition Secured Parties are control persons or insiders of the Debtors or any of their affiliates by virtue of any of the actions taken with respect to, in connection with, related to, or arising from the DIP Facility, the DIP Documents and/or the Prepetition Debt Documents.

(vi) **No Claims, Causes of Action**. As of the date hereof, there exist no claims or causes of action against any of the Prepetition Notes Trustee, any other Prepetition Secured Party, or any DIP Secured Party with respect to, in connection with, related to, or arising from the Prepetition Debt Documents and/or the DIP Documents that may be asserted by the Debtors or any other person or entity.

(vii) **Release**. The Debtors forever and irrevocably release, discharge, and acquit all former, current and future (a) DIP Secured Parties, (b) Prepetition Secured Parties, (c) Affiliates of the DIP Secured Parties and Prepetition Secured Parties, and (d) officers, employees, directors, agents, representatives, owners, members, partners, financial and other advisors and consultants, legal advisors, shareholders, managers, consultants, accountants, attorneys, and predecessors and successors in interest of each of the DIP Secured Parties, the Prepetition Secured Parties and each of their respective Affiliates, in each case acting in such capacity (collectively, the "Releasees") of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending or threatened including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, arising out of, in connection with, or relating to the DIP Facility, the DIP Documents, the Prepetition Debt Documents and/or the transactions contemplated hereunder or thereunder including, without limitation, (x) any so-called "lender liability" or equitable subordination claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the Prepetition Notes Trustee, the Prepetition Secured Parties and/or the DIP Secured Parties. The Debtors further waive and release any defense, right of counterclaim, right of setoff or deduction to the payment of the Prepetition Secured Obligations and the DIP

Obligations which the Debtors now have or may claim to have against the Releasees arising out of, connected with, or relating to any and all acts, omissions or events occurring prior to the entry of this Final Order.

H. **Need for Postpetition Financing and Use of Cash Collateral.** A need exists for the Debtors to obtain funds and liquidity in order to continue operations, to satisfy in full the costs and expenses of administering the Cases, to preserve the value of their estates to consummate the transactions contemplated by the Restructuring Support Agreement and pending a potential sale of all or substantially all of the Debtors' assets and property pursuant to the Acceptable Sale Process that will maximize recoveries to all stakeholders. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors' assets and to maximize the return for all creditors requires the availability of the DIP Facility and the use of Cash Collateral. In the absence of the availability of such funds and liquidity in accordance with the terms hereof, the continued operation of the Debtors' businesses may not be possible, and serious and irreparable harm to the Debtors and their estates and creditors could occur. Thus, the ability of the Debtors to preserve and maintain the value of their assets and maximize the return for creditors requires the availability of working capital from the DIP Facility and the use of Cash Collateral. Accordingly, sufficient cause exists for the entry of this Final Order.

I. **No Credit Available on More Favorable Terms.** The Debtors have been unable to obtain on more favorable terms and conditions than those provided in this Final Order and in the other DIP Documents (a) adequate unsecured credit allowable under Section 503(b)(1) of the Bankruptcy Code as an administrative expense, (b) credit for money borrowed with priority over any or all administrative expenses of the kind specified in Sections 503(b) or 507(b) of the

Bankruptcy Code, (c) credit for money borrowed secured by a lien on property of the estate that is not otherwise subject to a lien, or (d) credit for money borrowed secured by a junior lien on property of the estate which is subject to a lien. The Debtors are unable to obtain credit for borrowed money without granting the DIP Liens and the DIP Superpriority Claim (defined below) to (or for the benefit of) the DIP Secured Parties.

J. **Use of Cash Collateral and Proceeds of the DIP Facility, DIP Collateral and Prepetition Collateral.** The Debtors represent and stipulate that all of the Debtors' cash, cash equivalents, negotiable instruments, investment property, and securities constitute Cash Collateral of the Prepetition Notes Trustee on behalf of the Prepetition Secured Parties. All Cash Collateral, all proceeds of the Prepetition Collateral and the DIP Collateral (defined below), including proceeds realized from a sale or disposition thereof, or from payment thereon, and all proceeds of the DIP Facility (net of any amounts used to pay fees, costs and expenses payable under the Interim Order or this Final Order) shall be used and/or applied in accordance with the terms and conditions of this Final Order, the DIP Budget (subject to variances permitted under the DIP Credit Agreement) and the other DIP Documents, for the types of expenditures in the DIP Budget and for no other purpose.

K. **Adequate Protection for the Prepetition Secured Parties.** The Prepetition Notes Trustee and the Prepetition Secured Noteholders have negotiated and acted in good faith regarding the Debtors' use of the Prepetition Collateral (including the Cash Collateral) to fund the administration of the Debtors' estates and continued operation of their businesses, in accordance with the terms hereof. The Prepetition Notes Trustee and the Prepetition Secured Noteholders have agreed to permit the Debtors to use the Prepetition Collateral, including the

Cash Collateral, in accordance with the terms hereof and the DIP Budget (subject to variances permitted under the DIP Credit Agreement) subject to the terms and conditions set forth herein, including the protections afforded parties acting in "good faith" under Section 363(m) of the Bankruptcy Code. The Prepetition Notes Trustee and the Prepetition Secured Noteholders are entitled to the adequate protection as and to the extent set forth herein pursuant to Sections 361, 362 and 363 of the Bankruptcy Code. Based on the Motion and on the record presented to the Court at the Interim Hearing and the Final Hearing, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral (including the Cash Collateral) are fair and reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the Prepetition Notes Trustee's consent thereto; provided that nothing in this Final Order or the other DIP Documents shall (x) be construed as a consent by any Prepetition Secured Party that it would be adequately protected in the event debtor-in-possession financing is provided by a third party (i.e., other than the DIP Lenders) or a consent to the terms of any other such financing, including the consent to any lien encumbering the Prepetition Collateral (whether senior or junior) or to the use of Cash Collateral (except under the terms hereof), or (y) prejudice, limit or otherwise impair the rights of the Prepetition Notes Trustee (for the benefit of the Prepetition Secured Parties) to seek new, different or additional adequate protection under any circumstances.

L. **Section 552.** In light of the subordination of the Prepetition Liens and the Adequate Protection Liens of the Prepetition Secured Parties to the DIP Liens and the Carve-Out, and the granting of the DIP Liens on the Prepetition Collateral, the Prepetition Notes Trustee and the Prepetition Secured Noteholders are each entitled to all of the rights and benefits

of Section 552(b) of the Bankruptcy Code, and the "equities of the case" exception shall not apply.

M. **Extension of Financing.** The DIP Secured Parties have indicated a willingness to provide financing to the Debtors in accordance with the DIP Credit Agreement and the other DIP Documents (including the DIP Budget) and subject to (i) entry of this Final Order, (ii) the Milestones, including without limitation, procedures relating to the Acceptable Sale Process, and (iii) findings by this Court that such financing is essential to the Debtors' estates, that the DIP Secured Parties are good faith financiers, and that the reversal or modification on appeal of the authorization hereunder for the Debtors to incur the debt under the DIP Facility, or the grant hereunder of the priority of the DIP Liens and the Adequate Protection Liens, does not affect the validity of such debt, or any priority of any such lien so granted, as provided in Section 364(e) of the Bankruptcy Code.

N. **Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The extension of credit under the DIP Facility, and the fees paid and to be paid thereunder, are fair, reasonable, and the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment, and are supported by reasonably equivalent value and consideration;

(ii) the DIP Facility was negotiated in good faith and at arm's length among the Debtors, the DIP Agent and the other DIP Secured Parties; and

(iii) the use of the proceeds to be extended under the DIP Facility will be so extended in good faith and for valid business purposes and uses, as a consequence of which the

DIP Secured Parties are entitled to the protection and benefits of Section 364(e) of the Bankruptcy Code.

O. **Relief Essential; Best Interest.** The relief requested in the Motion (and provided in the Interim Order and this Final Order) is necessary, essential and appropriate for the continued operation of the Debtors' businesses and the management and preservation of the Debtors' assets and property. It is in the best interest of the Debtors' estates that the Debtors be allowed to enter into the DIP Facility, incur the DIP Obligations and use the Cash Collateral as contemplated herein.

NOW, THEREFORE, on the Motion of the Debtors and the record before this Court with respect to the Motion, including the record made during the Interim Hearing and the Final Hearing, and with the consent of the Debtors, the Prepetition Secured Parties and the DIP Secured Parties, and good and sufficient cause appearing therefor,

IT IS ORDERED that:

1. **Motion Granted**. The Motion is granted on a final basis in accordance with the terms and conditions set forth in this Final Order. Any objections to the Motion with respect to entry of this Final Order, to the extent not withdrawn, waived or otherwise resolved are hereby denied and overruled.

2. **DIP Facility**.

(a) **DIP Obligations, etc**. The Debtors are expressly and immediately authorized and empowered to enter into the DIP Facility and to incur and to perform the DIP Obligations in accordance with and subject to this Final Order and the other DIP Documents, to execute and/or deliver (to the extent not previously executed or delivered) all DIP Documents

and all other related instruments, certificates, agreements and documents, and to take all actions which may be reasonably required or otherwise necessary for the performance by the Debtors under the DIP Facility, including the creation and perfection of the DIP Liens described and provided for herein. Subject to the terms of this Final Order, the Debtors are hereby authorized and directed to pay all principal, interest, fees and expenses, indemnities and other amounts described herein and in the other DIP Documents as such shall accrue and become due hereunder or thereunder, including, without limitation, the reasonable fees and expenses of the attorneys and financial and other advisors and consultants of the DIP Agent and the DIP Lenders as, and to the extent, provided for herein and in the other DIP Documents (collectively, all loans, advances, extensions of credit, financial accommodations, fees, expenses and other liabilities and obligations (including indemnities and similar obligations) in respect of DIP Extensions of Credit, the DIP Facility and the DIP Documents, the "DIP Obligations"); provided that payment of any invoices of the DIP Agent's and the DIP Lenders' professionals for fees and expenses incurred after entry of the Interim Order shall be subject to the notice and objection provisions of paragraph 20(b) of this Final Order. The DIP Documents and all DIP Obligations shall represent, constitute and evidence, as the case may be, valid and binding obligations of the Debtors, enforceable against the Debtors, their estates and any successors thereto in accordance with their terms. No obligation, payment, transfer or grant of security under the DIP Documents as approved under the Interim Order and this Final Order shall be stayed, restrained, voided, voidable or recoverable under the Bankruptcy Code or under any applicable non-bankruptcy law, or subject to any defense, reduction, setoff, recoupment or counterclaim. The term of the DIP

Facility commenced on the date of entry of the Interim Order and shall end on the Termination Date, subject to the terms and conditions set forth herein and in the other DIP Documents.

(b) **Authorization to Borrow, etc**. In order to continue to operate its business, subject to the terms and conditions of this Final Order and the other DIP Documents (including the DIP Budget), the DIP Borrower is hereby authorized to borrow under (and the DIP Guarantors are authorized to guarantee) the DIP Facility in accordance with the DIP Credit Agreement up to an aggregate principal amount of $54,500,000.

(c) **Conditions Precedent**. The DIP Lenders shall have no obligation to make any DIP Extension of Credit or any other financial accommodation hereunder or under the other DIP Documents (and the Debtors shall not make any request therefor) unless all conditions precedent to making DIP Extensions of Credit under the DIP Documents have been satisfied or waived in accordance with the terms of the DIP Documents.

(d) **DIP Collateral**. As used herein, "DIP Collateral" shall mean all now owned or hereafter acquired assets and property in which the Debtors and their estates have an interest, whether real or personal, tangible or intangible, or otherwise, whenever acquired, including, without limitation, all Prepetition Collateral, all assets and property pledged under the DIP Documents, including the equity interests of the DIP Borrower and of each other Debtor held by any other Debtor, all cash, any investment of such cash, inventory, accounts receivable, including intercompany accounts receivable (and all rights associated therewith), other rights to payment whether arising before or after the Petition Date, contracts, contract rights, chattel paper, goods, investment property, inventory, deposit accounts (including the cash collection, "lockbox" and "concentration" accounts described in the DIP Documents), "core concentration

accounts," "cash collateral accounts," and in each case all amounts on deposit therein from time to time, equity interests, securities accounts, securities entitlements, securities, commercial tort claims, books, records, plants, equipment, general intangibles, documents, instruments, interests in leases and leaseholds, interests in real property, fixtures, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, letter of credit rights, supporting obligations, machinery and equipment, patents, copyrights, trademarks, tradenames, other intellectual property, all licenses therefor, and all proceeds, rents, profits, products and substitutions, if any, of any of the foregoing. The DIP Collateral shall not include causes of action for preferences, fraudulent conveyances, and other avoidance power claims under Sections 544, 545, 547, 548, 550 and 553 of the Bankruptcy Code (the "Avoidance Actions"), but shall include the proceeds of Avoidance Actions.

(e) **DIP Liens**. Subject and subordinate to the Carve-Out, as set forth more fully in this Final Order and the other DIP Documents, the DIP Agent for the ratable benefit of the DIP Secured Parties, effective immediately upon entry of the Interim Order, was granted and, upon entry of this Final Order, is granted on a final basis the following security interests and liens, which shall immediately be valid, binding, perfected, continuing, enforceable and non-avoidable (all liens and security interests granted to the DIP Agent for the benefit of the DIP Secured Parties pursuant to the Interim Order, this Final Order and the other DIP Documents, the "DIP Liens"):

(I) pursuant to Section 364(c)(2) of the Bankruptcy Code, valid, enforceable, perfected and non-avoidable first priority liens on and security

interests in all DIP Collateral that was not encumbered by valid, enforceable, perfected and non-avoidable liens as of the Petition Date;

(II) pursuant to Section 364(c)(3) of the Bankruptcy Code, valid, enforceable, perfected and non-avoidable liens on and security interests in (x) all DIP Collateral which is unencumbered by the Prepetition Liens but on which a third party, i.e., not the Prepetition Secured Parties (a "Third Party Lienholder"), had a pre-existing lien on the Petition Date and (y) all DIP Collateral encumbered by the Prepetition Liens on which a Third Party Lienholder had a pre-existing lien on the Petition Date that was senior to or *pari passu* to the Prepetition Liens (including, without limitation, any valid, enforceable, perfected and non-avoidable liens held by any Texas *ad valorem* tax authority for prepetition *ad valorem* taxes arising, and deemed to be senior to or *pari passu* to the Prepetition Liens, under state law on any DIP Collateral), in each case immediately junior only to any such liens and security interests of Third Party Lienholders, but solely to the extent that such liens and security interests of Third Party Lienholders were in each case valid, enforceable, perfected and non-avoidable as of the Petition Date (or were perfected subsequent to the Petition Date as permitted by Section 546(b) of the Bankruptcy Code) (the "Senior Third Party Liens") and were Permitted Liens; and

(III) pursuant to Section 364(d) of the Bankruptcy Code, valid, enforceable, perfected and non-avoidable liens on and security interests in all Prepetition Collateral, which liens and security interests shall be senior to and

prime the Prepetition Liens and the liens of all Third Party Lienholders which are junior and subject to the Prepetition Liens.

(f) **Other Provisions Relating to the DIP Liens**. The DIP Liens shall secure all of the DIP Obligations. The DIP Liens shall not, without the consent of the DIP Agent, be made subject to, subordinate to, or *pari passu* with, any other lien or security interest, other than to the extent expressly provided herein and to the Carve-Out, by any Court order heretofore or hereafter entered in the Cases. The DIP Liens shall be valid and enforceable against any trustee appointed in the Cases, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (such cases or proceedings, "Successor Cases"), and/or upon the dismissal of any of the Cases. The DIP Liens and the Adequate Protection Liens shall not be subject to Sections 510, 549, 550 or 551 of the Bankruptcy Code or the "equities of the case" exception of Section 552 of the Bankruptcy Code or Section 506(c) of the Bankruptcy Code. If the granting of the DIP Liens against any of the DIP Collateral are in any way prohibited or restricted under any of the Debtors' organizational documents, such organizational documents are hereby modified solely to permit the granting of the DIP Liens.

(g) **Superpriority Administrative Claim Status**. The DIP Obligations shall, pursuant to Section 364(c)(1) of the Bankruptcy Code, at all times constitute an allowed superpriority claim (the "DIP Superpriority Claim") of the DIP Agent for the benefit of the DIP Secured Parties, and be payable from and have recourse to all DIP Collateral. The DIP Superpriority Claim shall be subject and subordinate only to the Carve-Out. Other than as expressly provided herein, including in paragraph 9 hereof with respect to the Carve-Out, no

costs or expenses of administration, including, without limitation, professional fees allowed and payable under Sections 328, 330 and 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in these proceedings or in any Successor Cases, and no priority claims are, or will be, senior to, prior to or *pari passu* with the DIP Liens, the DIP Superpriority Claim or any of the DIP Obligations, or with any other claims of the DIP Secured Parties arising hereunder or under the other DIP Documents, or otherwise in connection with the DIP Facility.

3. **Authorization and Approval to Use Cash Collateral and Proceeds of DIP Facility**. Subject to the terms and conditions of this Final Order and the other DIP Documents, and to the adequate protection granted to or for the benefit of the Prepetition Secured Parties as hereinafter set forth, the Debtors are authorized to (a) use the Cash Collateral and (b) request and use proceeds of the DIP Extensions of Credit, in each case in the amounts and for the line item expenditures set forth in the DIP Budget (subject to variances permitted under the DIP Credit Agreement). The DIP Budget may only be amended, restated, supplemented, modified, replaced, or extended in accordance with the DIP Documents and the prior written consent of the DIP Agent without further order of the Court; provided that any such amended, restated, supplemented, modified, replaced, or extended DIP Budget shall, within three (3) business days, be filed with the Court and served on the office of the U.S. Trustee and any Committee. Any expenditures or other transfers of cash made by the Debtors on or after the Petition Date shall be deemed to have been made first from Cash Collateral and any of the Debtors' other cash on hand and, after such Cash Collateral and other cash on hand (if any) has been fully depleted, then from proceeds of the DIP Facility, in each case, regardless of the actual source of any such expenditures or other transfers. Notwithstanding anything herein to the contrary, subject only to

the Debtors' rights under paragraph 17(b) hereof and the Carve-Out, the Debtors' right to request or use proceeds of DIP Extensions of Credit or to use Cash Collateral shall terminate on the Termination Date. Nothing in this Final Order shall authorize the disposition of any assets of the Debtors or their estates or proceeds resulting therefrom outside the ordinary course of business, except as permitted herein (subject to any required Court approval).

4. **Adequate Protection for Prepetition Secured Parties**. As adequate protection for the interests of the Prepetition Notes Trustee and the Prepetition Secured Noteholders in the Prepetition Collateral (including Cash Collateral), the Prepetition Notes Trustee, for the benefit of the Prepetition Secured Parties, shall, subject to any timely and successful Challenge (as defined below) that results in the avoidance of the Prepetition Liens pursuant to an order of the Court that is final and not subject to further appeal, from and after the Petition Date, receive adequate protection as follows:

(a) **Adequate Protection Liens**. To the extent of, and in an aggregate amount equal to, the diminution in value (if any) of the interests of the Prepetition Secured Parties in the Prepetition Collateral (including the Cash Collateral), from and after the Petition Date, calculated in accordance with Section 506(a) of the Bankruptcy Code, resulting from the use, sale or lease by the Debtors of the Prepetition Collateral (including the use of Cash Collateral), the granting of the DIP Liens, the subordination of the Prepetition Liens thereto and to the Carve-Out, and/or the imposition or enforcement of the automatic stay of Section 362(a) (collectively, "Diminution in Value"), the Prepetition Secured Parties shall have, pursuant to Sections 361, 363(e) and 364(d) of the Bankruptcy Code, replacement security interests in and liens upon (the "Adequate Protection Liens") all of the DIP Collateral. The Adequate Protection

Liens of the Prepetition Secured Parties shall be junior and subject to the DIP Liens, any Senior Third Party Liens, and the Carve-Out.

(b) **Adequate Protection Superpriority Claims**. To the extent of the aggregate Diminution in Value, the Prepetition Secured Parties shall have an allowed superpriority administrative expense claim (the "Adequate Protection Superpriority Claim") as provided for in Section 507(b) of the Bankruptcy Code, immediately junior and subject to the DIP Superpriority Claim and the Carve-Out, and payable from and having recourse to all DIP Collateral; provided that the Prepetition Secured Parties shall not receive or retain any payments, property, distribution or other amounts in respect of the Adequate Protection Superpriority Claim unless and until the DIP Obligations and (without duplication) the DIP Superpriority Claim have indefeasibly been paid in full in cash.

(c) **Adequate Protection Payments**. The Debtors shall pay all reasonable professional and advisory fees, costs and expenses of the Prepetition Notes Trustee and the Prepetition Secured Noteholders incurred in connection with the negotiation, documentation, administration and monitoring of the Prepetition Debt Documents and/or the DIP Facility and in connection with the Cases, including the reasonable documented postpetition fees and expenses of legal, financial and other advisory, tax, investment banking and other professionals (including, without limitation, White & Case LLP and Farnan LLP) as well as fees and expenses owed to any professional under the Forbearance Agreement; provided that payment of any fees and expenses of the Prepetition Notes Trustee's or Prepetition Secured Noteholders' professionals incurred after entry of the Interim Order, shall be subject to the notice and objection provisions of paragraph 20(b) of this Final Order.

(d) **Milestones and Credit Bid Protection**. The Prepetition Secured Parties have represented that the Debtors' compliance with the Milestones are an essential element of the adequate protection of the Prepetition Secured Parties. The DIP Agent and the Prepetition Notes Trustee (together or independently) shall each have, subject to Section 363(k) of the Bankruptcy Code, the unqualified right to credit bid (x) up to the full amount of the DIP Obligations and the Prepetition Secured Obligations, respectively, and (y) the DIP Superpriority Claim and both the Adequate Protection Superpriority Claim, respectively, without the need for further Court order authorizing the same, in connection with any sale of any of the DIP Collateral or Prepetition Collateral, whether such sale is effectuated through Section 363 or Section 1129 of the Bankruptcy Code, by a chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise.

5. **Monitoring of Collateral**. The Prepetition Notes Trustee and the DIP Agent, and their respective consultants and advisors, shall be given reasonable access to the Debtors' books, records, assets and properties for purposes of monitoring the Debtors' businesses and the value of the DIP Collateral, and shall be permitted to conduct, at their discretion and at the Debtors' cost and expense, field audits, collateral examinations and inventory appraisals in respect of the DIP Collateral.

6. **Financial Reporting, etc**. The Debtors shall provide the DIP Agent and the Prepetition Notes Trustee with the monthly financial reporting given to the U.S. Trustee and all of the financial reporting as required under and in all instances consistent with the DIP Documents.

7. **DIP Lien and Adequate Protection Replacement Lien Perfection**. The Interim Order and/or this Final Order shall be sufficient and conclusive evidence of the validity, perfection and priority of the DIP Liens and the Adequate Protection Liens without the necessity of filing or recording any financing statement, deed of trust, mortgage, or other instrument or document which may otherwise be required under the law of any jurisdiction or the taking of any other action to validate or perfect the DIP Liens and the Adequate Protection Liens or to entitle the DIP Liens and the Adequate Protection Liens to the priorities granted herein. Notwithstanding the foregoing, the DIP Agent may, in its sole discretion, file such financing statements, deeds of trust, mortgages, security agreements, notices of liens and other similar documents, and is hereby granted relief from the automatic stay of Section 362 of the Bankruptcy Code in order to do so, and all such financing statements, deeds of trust, mortgages, security agreements, notices and other agreements or documents shall be deemed to have been filed or recorded at the time and on the date of the commencement of the Cases. The Debtors shall take any action requested by the DIP Agent, including executing and delivering to the DIP Agent all such financing statements, mortgages, security agreements, notices and other documents as the DIP Agent may request, to evidence, confirm, validate or perfect, or to insure the contemplated priority of the DIP Liens and the Adequate Protection Liens. The DIP Agent, in its sole discretion, may file a photocopy of the Interim Order and/or this Final Order as a financing statement with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which the Debtors have real or personal property. To the extent that the Prepetition Notes Trustee is the secured party under any account control agreements, listed as loss payee under any of the Debtors' insurance policies or

is the secured party under any Prepetition Debt Document, the DIP Agent is also hereby deemed to be the secured party under such account control agreements, loss payee under the Debtors' insurance policies and the secured party under each such Prepetition Debt Document, and shall have all rights and powers attendant to that position (including, without limitation, rights of enforcement) and shall act in that capacity and distribute any proceeds recovered or received in accordance with the terms of this Final Order and the other DIP Documents. The Prepetition Notes Trustee shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's security interests and liens on all DIP Collateral that is of a type such that perfection of a security interest therein may be accomplished only by possession or control by a secured party.

8. **Reservation of Certain Third Party Rights and Bar of Challenges and Claims**.

(a) All of the findings in paragraph F hereof and all agreements, terms, provisions and stipulations set forth in paragraph G hereof (the "Claims Stipulations") shall be irrevocably binding on all persons and entities upon the Challenge Period Termination Date (defined below). Nothing in this Final Order shall prejudice any rights any party in interest may have (a) to object to or challenge any of the Claims Stipulations, including in relation to (i) the validity, extent, perfection or priority of the Prepetition Liens on the Prepetition Collateral, or (ii) the validity, allowability, priority, status or amount of the Prepetition Secured Obligations, or (b) to bring suit against any of the Prepetition Secured Parties in connection with or related to the matters covered by the Claims Stipulations; provided that, unless any party with standing to do so commences an adversary proceeding or contested matter (as applicable) raising such objection or challenge, including without limitation any claim against the Prepetition Secured Parties in the

nature of a setoff, counterclaim or defense to the Prepetition Secured Obligations (including but not limited to, those under Sections 544, 547, 548, 549, 550 and/or 552 of the Bankruptcy Code or by way of suit against any of the Prepetition Secured Parties) (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "Challenge"), by the date that is (x) with respect to any Creditors' Committee, the earlier of (i) sixty (60) calendar days following the formation of such Creditors' Committee and (ii) the confirmation of a plan of reorganization in these Cases, and (y) with respect to any other party with standing, seventy-five (75) calendar days following entry of the Interim Order (the period described in the immediately preceding clause shall be referred to as the "Challenge Period" and the date that is the next calendar day after the termination of the Challenge Period shall be referred to as the "Challenge Period Termination Date"), upon the Challenge Period Termination Date, any and all such challenges and objections by any Committee, any Chapter 11 or Chapter 7 trustee appointed herein or in any Successor Case, and any other party in interest shall be deemed to be forever waived and barred, and the Prepetition Secured Obligations shall be deemed to be allowed secured claims within the meaning of Sections 502 and 506 of the Bankruptcy Code for all purposes in connection with the Cases, and the Claims Stipulations shall be binding on all creditors, interest holders and parties in interest. Notwithstanding the foregoing, if a chapter 11 trustee is appointed in the Cases or if one or more of the Cases are converted to chapter 7 prior to the expiration of the Challenge Period, the chapter 11 or chapter 7 trustee, as applicable, shall have until the later of (i) the expiry of the Challenge Period, (ii) thirty (30) days following the appointment of the chapter 11 trustee or the conversion of such Chapter 11 Cases, as applicable, and (iii) such date as otherwise ordered by the Court, to commence a Challenge. To the extent

any objection or complaint is filed prior to the Challenge Period Termination Date, the Claims Stipulations shall nonetheless remain binding and preclusive except to the extent expressly challenged in such objection or complaint. Upon a successful Challenge as against any party, the Court may fashion an appropriate remedy. All remedies or defenses of any party with respect to any Challenge are hereby preserved.

(b) No portion of the Carve-Out, no proceeds of the DIP Facility, the DIP Collateral or DIP Extensions of Credit, and no proceeds of the Prepetition Collateral (including Cash Collateral), may be used for the payment of the fees and expenses of any person incurred (i) in investigating, challenging, or in relation to the challenge of, any of the Prepetition Liens, Prepetition Secured Obligations, DIP Liens, or DIP Obligations (or the value of the Prepetition Collateral or the DIP Collateral), or the initiation or prosecution of any claim or action against any of the Prepetition Secured Parties or DIP Secured Parties, including, without limitation, any claim under Chapter 5 of the Bankruptcy Code, or any state, local or foreign law, in respect of the Prepetition Secured Obligations or the DIP Obligations, or in preventing, hindering or delaying the realization by the Prepetition Secured Parties or the DIP Secured Parties upon any Prepetition Collateral or DIP Collateral, respectively, or the enforcement of their respective rights under the Interim Order, this Final Order, any other DIP Loan Document or any Prepetition Debt Document, (ii) in requesting authorization, or supporting any request for authorization, to obtain non-consensual use of cash collateral or any postpetition financing (whether equity or debt) or other financial accommodations pursuant to Section 364(c) or (d) of the Bankruptcy Code, or otherwise, other than (x) from the DIP Lenders or (y) if such financing is sufficient to indefeasibly pay and satisfy all Prepetition Secured Obligations and DIP

Obligations in full in cash and such financing is immediately so used or (iii) in connection with any claims or causes of actions against the Releasees, including formal or informal discovery proceedings in anticipation thereof, and/or in challenging any Prepetition Secured Obligations, DIP Obligations, Prepetition Liens, Adequate Protection Liens or DIP Liens; provided that, if a Creditors' Committee is appointed, the Creditors' Committee may investigate any potential challenges with respect to the Prepetition Secured Obligations, Prepetition Debt Documents, and Prepetition Liens during the Challenge Period at an aggregate expense for such investigation (but not litigation, prosecution, objection, or challenge thereto) not to exceed, in the aggregate, an amount to be agreed by the Creditors' Committee, the Debtors, and the DIP Agent and, if no such agreement is reached, all rights for further relief with respect to such investigation budget are reserved.

9. **Carve-Out**.

(a) As used in this Final Order, the "Carve-Out" means the sum of: (i) all fees required to be paid to the Clerk of the Court and all statutory fees payable to the U.S. Trustee under Section 1930(a) of title 28 of the United States Code, together with the statutory rate of interest (without regard to the Post-Carve-Out Trigger Notice Cap (defined below)); (ii) all reasonable fees and expenses up to $25,000 incurred by a trustee under Section 726(b) of the Bankruptcy Code; (iii) to the extent allowed by the Court at any time, pursuant to a fee application on notice, or other procedure permitted by any Court order allowing interim compensation or the payment of fees of ordinary course professionals, whether by interim order, final order, procedural order or otherwise, all reasonable and documented unpaid fees and expenses (the "Allowed Professional Fees") incurred by estate professionals retained by the

Debtors pursuant to Section 327, 328, or 363 of the Bankruptcy Code (collectively, the "Debtor Professionals") and any Committee (together with the Debtor Professionals, the "Professionals"), and, with respect to any Committee, as limited by the DIP Budget, at any time before the Carve-Out Trigger Date (defined below), whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice (provided that nothing herein shall be construed to impair the ability of any party to object to the professional fees, reimbursement or compensation referred to in this clause (iii)); and (iv) the Allowed Professional Fees of the Professionals incurred on and after the first business day following the Carve-Out Trigger Date in an aggregate amount not to exceed $1,000,000 (the amounts set forth in this clause (iv) being the "Post-Carve-Out Trigger Notice Cap"); provided that the Post-Carve-Out Trigger Notice Cap shall be reduced, dollar-for-dollar, by the amount of any fees and expenses incurred and accruing by the Debtors and paid to the applicable Professionals following delivery of the Carve-Out Trigger Notice; provided further that the Post-Carve-Out Trigger Notice Cap shall be reduced, dollar for dollar, by the amount of any prepetition retainers received by any Professional and not previously applied to fees and expenses of such Professional. For the avoidance of doubt and notwithstanding anything to the contrary contained in this Final Order or the Prepetition Debt Documents, the Carve-Out shall be senior to the DIP Liens, the DIP Superpriority Claim, the Adequate Protection Liens, and the Adequate Protection Superpriority Claim.

(b) For purposes of the foregoing, "Carve-Out Trigger Notice" shall mean a written notice delivered by electronic mail (or other electronic means) by the DIP Agent to the Debtors, their lead restructuring counsel, the U.S. Trustee and lead counsel to any Committee, if any, of the occurrence and continuation of an Event of Default or the termination of funding

under the DIP Facility, stating that the Post-Carve-Out Trigger Notice Cap has been invoked. "Carve-Out Trigger Date" shall mean the date on which the DIP Agent provides the Carve-Out Trigger Notice.

(c) After the Carve-Out Trigger Date, the DIP Lenders shall permit usage of the DIP Facility to fund no greater than the full amount of the Carve-Out, including the Post-Carve-Out Trigger Notice Cap, into a segregated account (the "Carve-Out Reserve Account") held by the Debtors, to be applied to the Allowed Professional Fees and the fees of the U.S. Trustee and Clerk of the Court when due and payable (the "Carve-Out Segregated Funds"). Without in any way limiting the Debtors' ability to use the Carve-Out Segregated Funds in the Carve-Out Reserve Account to pay the Allowed Professional Fees and the fees of the U.S. Trustee and Clerk of the Court, the Carve-Out Segregated Funds shall remain encumbered by and subject to the DIP Liens. To the extent the Carve-Out Segregated Funds in the Carve-Out Reserve Account exceed the Allowed Professional Fees and the fees of the U.S. Trustee and Clerk of the Court, any such remaining amounts shall be promptly returned to the DIP Agent for the benefit of the DIP Lenders.

10. **Payment of Compensation**. Nothing herein shall be construed as a consent to the allowance of any professional fees or expenses of any of the Debtors or any Committee or shall limit or otherwise affect the right of the DIP Secured Parties and/or the Prepetition Secured Parties or any other party in interest to object to the allowance and payment of any such fees and expenses. No professional fees shall be paid absent a Court order allowing such payment, pursuant to a fee application on notice, or other procedure permitted by any Court order allowing interim compensation or the payment of fees of ordinary course professionals. So long as no

Event of Default exists that has not been waived in writing, the Debtors shall be permitted to pay compensation and reimbursement of expenses allowed by the Court and payable under Sections 330 and 331 of the Bankruptcy Code or compensation procedures approved by the Court and in form and substance reasonably acceptable to the Debtors and the DIP Secured Parties, as the same may be due and payable, and the same shall not reduce the Post-Carve-Out Trigger Notice Cap.

11. **Section 506(c) Claims**. As a further condition of the DIP Facility, any obligation of the DIP Secured Parties to make DIP Extensions of Credit, and the Debtors' authorization to use the Cash Collateral, the Debtors (and any successors thereto or any representatives thereof, including any trustees appointed in the Cases or any Successor Case) shall be deemed to have waived any rights, benefits or causes of action under Section 506(c) of the Bankruptcy Code as they may relate to or be asserted against the DIP Secured Parties, the DIP Liens, the DIP Collateral, the Prepetition Secured Parties, the Adequate Protection Liens, the Prepetition Liens or the Prepetition Collateral. Save and except for the Carve-Out, nothing contained in the Interim Order, in this Final Order or in the other DIP Documents shall be deemed a consent by the Prepetition Secured Parties or the DIP Secured Parties to any charge, lien, assessment or claim against, or in respect of, the DIP Collateral or the Prepetition Collateral under Section 506(c) of the Bankruptcy Code or otherwise.

12. **Collateral Rights; Limitations in Respect of Subsequent Court Orders**. Without limiting any other provisions of this Final Order, unless the DIP Agent and the Prepetition Notes Trustee have provided their prior written consent, it shall be an Event of Default under the DIP Facility for there to be entered in these Cases, or in any Successor Case,

any order which authorizes (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral and/or entitled to priority administrative status which is superior to or *pari passu* with those granted pursuant to the Interim Order and/or this Final Order to or for the benefit of the DIP Secured Parties or the Prepetition Secured Parties, or (ii) the use of Cash Collateral for any purpose other than as set forth in this Final Order or in the DIP Budget.

13. **Proceeds of Subsequent Financing**. Without limiting the provisions and protections of paragraph 12 hereof, if at any time prior to the indefeasible repayment and satisfaction in full in cash of all DIP Obligations and the termination of the DIP Secured Parties' obligations to make DIP Extensions of Credit, including subsequent to the confirmation of any Chapter 11 plan (the "Plan") with respect to the Debtors, the Debtors' estates, any trustee, any examiner with enlarged powers or any responsible officer subsequently appointed, shall obtain credit or incur debt in violation of this Final Order or the other DIP Documents, then the first cash proceeds derived from such credit or debt and all Cash Collateral in the amount necessary to satisfy all DIP Obligations then outstanding shall immediately be turned over to the DIP Agent for the indefeasible repayment and satisfaction in full in cash of all DIP Obligations then outstanding.

14. **Cash Management**. Any DIP Extensions of Credit or other proceeds of the DIP Facility may only be held in deposit accounts that are deposit accounts over which the DIP Agent is deemed to have "control" or deposit accounts subject to a control agreement with the Prepetition Notes Trustee and/or the DIP Agent (unless otherwise expressly authorized under the DIP Credit Agreement), each in accordance with the DIP Credit Agreement, and shall be

disbursed in accordance with the terms and conditions set forth in the DIP Credit Agreement. The Debtors' cash management system shall at all times be maintained (i) in accordance with the terms of the DIP Documents and any order of this Court approving the maintenance of the Debtors' cash management system (the "Cash Management Order"), and (ii) in a manner which in any event shall be reasonably satisfactory to the DIP Agent. The Debtors shall not transfer any funds (including, without limitation, any proceeds of DIP Collateral or any Cash Collateral) to any of the Debtors' non-Debtor affiliates, during the Cases except in accordance with the DIP Budget and the terms and conditions of the Cash Management Order. The DIP Agent shall be deemed to have "control" over all cash management accounts for all purposes of perfection under the Uniform Commercial Code. Absent the occurrence of an Event of Default, all amounts collected in the cash collection accounts may be used in accordance with this Final Order, the DIP Budget and the other DIP Documents; after the occurrence and during the continuance of an Event of Default, subject only to the funding of the Carve-Out and the Debtors' rights under paragraph 17(b) hereof, all such amounts shall be applied in accordance with paragraph 18(b) hereof.

15. **Disposition of DIP Collateral**. The Debtors shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Collateral, except as permitted by the DIP Documents or as approved by the Court.

16. **Survival of Certain Provisions**. In the event of the entry of any order converting any of these Cases into a Successor Case, the DIP Liens, the DIP Superpriority Claim, the Adequate Protection Liens, the Adequate Protection Superpriority Claim and the Carve-Out shall continue in these proceedings and in any Successor Case, and such DIP Liens, DIP Superpriority

Claim, Adequate Protection Liens, Adequate Protection Superpriority Claim and Carve-Out shall remain enforceable and, as applicable, maintain their respective priorities as provided by this Final Order.

17. **Events of Default; Rights and Remedies Upon Event of Default**.

(a) Any automatic stay otherwise applicable to the DIP Secured Parties and the Prepetition Notes Trustee is hereby modified so that, upon and after the occurrence of the Termination Date, the DIP Agent and the Prepetition Notes Trustee shall, subject to subparagraph (b) of this paragraph 17, be immediately entitled to exercise all of their rights and remedies in respect of the DIP Collateral and the Prepetition Collateral, in accordance with this Final Order, the other DIP Documents and/or the Prepetition Debt Documents, as applicable. The term "Termination Date" shall mean: the earliest to occur of: (i) the Maturity Date, (ii) the consummation of a sale of all or substantially all of the assets of the Debtors pursuant to Section 363 of the Bankruptcy Code, (iii) substantial consummation (as defined in section 1101 of the Bankruptcy Code and which for purposes hereof shall be no later than the "effective date" thereof) of a plan of reorganization or liquidation filed in the Cases that is confirmed pursuant to an order entered by the Court, (iv) the acceleration of the loans and the termination of all Commitments in accordance with the terms of the DIP Documents, and (v) this Final Order ceasing to be in full force and effect for any reason.

(b) Notwithstanding the foregoing subparagraph (a) of this paragraph 17, immediately following the giving of notice by the DIP Agent (or, if the DIP Obligations have been indefeasibly paid in full, the Prepetition Notes Trustee) to the Debtors, counsel to the Debtors, counsel for any Committee and the U.S. Trustee of the occurrence of an Event of

Default: (i) all Commitments of the DIP Lenders to provide any DIP Extensions of Credit shall immediately be suspended; (ii) the Debtors shall have no right to request or use any proceeds of any DIP Extensions of Credit or DIP Collateral, or to use Cash Collateral; provided that, during the Default Notice Period (defined below), the Debtors shall be permitted to continue to use Cash Collateral and the proceeds of the DIP Facility solely in the ordinary course of business in accordance with the DIP Budget and towards the satisfaction of the DIP Obligations and the Carve-Out, as provided in the applicable DIP Documents and this Final Order, and to take the actions set forth in the following clause (v); (iii) on or after five (5) business days following delivery of such notice (such 5-business day period, the "Default Notice Period"), unless such Event of Default is cured within such time, the DIP Lenders shall have relief from the automatic stay to exercise remedies under the DIP Documents; (iv) the Debtors shall deliver and cause the delivery of the proceeds of the DIP Extensions of Credits and the DIP Collateral to the DIP Agent as provided herein and in the DIP Documents subject to the funding of the Carve-Out; and (v) the Debtors and any Committee shall be entitled to an emergency hearing before this Court during the Default Notice Period to challenge the lifting of the automatic stay. If the Debtors or any Committee or any other party in interest does not contest the occurrence of the Event of Default within the Default Notice Period, or if there is a timely contest of the occurrence of an Event of Default and the Court after notice and a hearing declines to stay the enforcement thereof, the Termination Date shall be deemed to have occurred for all purposes and the automatic stay, as to the DIP Agent and the Prepetition Notes Trustee, shall automatically terminate in all respects.

(c) Upon the occurrence of the Termination Date (but subject, only in the case of the occurrence of the Termination Date resulting from an Event of Default, to the provisions of paragraph 17(b) hereof), the DIP Agent and the Prepetition Notes Trustee are authorized to exercise all remedies and proceed under or pursuant to the applicable DIP Documents and the Prepetition Debt Documents. All proceeds realized in connection with the exercise of the rights and remedies of the applicable DIP Secured Parties and Prepetition Secured Parties shall be turned over and applied in accordance with paragraph 18(b) hereof.

(d) The automatic stay imposed under Section 362(a) of the Bankruptcy Code is hereby modified pursuant to the terms of the DIP Documents as necessary to (i) permit the Debtors to grant the Adequate Protection Liens and the DIP Liens and to incur all DIP Obligations and all liabilities and obligations to the Prepetition Secured Parties hereunder and under the other DIP Documents, as the case may be, and (ii) authorize the DIP Agent and Prepetition Notes Trustee to retain and apply payments, and otherwise enforce their respective rights and remedies hereunder subject to the provisions of paragraph 17(b) hereof.

(e) Nothing included herein shall prejudice, impair or otherwise affect the Prepetition Notes Trustee's or the DIP Agent's rights to seek (on behalf of the Prepetition Secured Parties and the DIP Secured Parties, respectively) any other or supplemental relief in respect of the Debtors (including, as the case may be, other or additional adequate protection).

(f) Notwithstanding anything in the Interim Order or this Final Order to the contrary, the Prepetition Notes Trustee shall not be permitted to exercise any rights or remedies for itself or the Prepetition Secured Parties unless and until the DIP Obligations are indefeasibly paid and satisfied in full in cash.

18. **Applications of Proceeds of Collateral, Payments and Collections**.

(a) As a condition to the DIP Extensions of Credit and the authorization to use Cash Collateral, each Debtor has agreed that proceeds of any DIP Collateral and Prepetition Collateral, any amounts held on account of the DIP Collateral or Prepetition Collateral, and all payments and collections received by the Debtors with respect to all proceeds of DIP Collateral and Prepetition Collateral, shall be used and applied in accordance with the DIP Documents (including repayment and reduction of the DIP Obligations), the DIP Budget (subject to variances permitted under the DIP Credit Agreement) and this Final Order.

(b) Subject to the Debtors' rights under paragraph 17(b) hereof and the funding of the Carve-Out, if applicable, upon and after the occurrence of the Termination Date, all proceeds of DIP Collateral and Prepetition Collateral, whenever received, shall be paid and applied as follows: (i) *first*, to permanently and indefeasibly repay and reduce the DIP Obligations then due and owing in accordance with the DIP Documents, until paid and satisfied in full in cash; (ii) *second*, to permanently and indefeasibly repay and reduce the Prepetition Secured Obligations then due and owing in accordance with the Prepetition Debt Documents, until paid and satisfied in full in cash; and (iii) *third*, to the Debtors' estates. For avoidance of doubt, nothing in this Final Order shall be construed to limit the voluntary and mandatory repayment provisions set forth in the DIP Documents.

19. **Proofs of Claim, etc**. None of the Prepetition Secured Parties or the DIP Secured Parties shall be required to file proofs of claim in any of the Cases or any Successor Case for any claim described herein. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Cases or any Successor Case to the contrary, the

Prepetition Notes Trustee, on behalf of itself and the other Prepetition Secured Parties and the DIP Agent, on behalf of itself and the other DIP Secured Parties, respectively, are hereby authorized and entitled, in each of their sole and absolute discretion, but not required, to file (and amend and/or supplement, as each sees fit) a proof of claim and/or aggregate proofs of claim in any of the Cases or any Successor Case for any claim described herein; for avoidance of doubt, any such proof of claim may (but is not required to be) filed as one consolidated proof of claim against all of the Debtors, rather than as separate proofs of claim against each Debtor. Any proof of claim filed by the Prepetition Notes Trustee or the DIP Agent shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by any of the respective Prepetition Secured Parties or DIP Secured Parties. Any order entered by the Court in relation to the establishment of a bar date for any claim (including without limitation administrative claims) in any of the Cases or any Successor Case shall not apply to the Prepetition Notes Trustee, the other Prepetition Secured Parties, the DIP Agent, or the other DIP Secured Parties; provided that, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code, the filing of such proofs of claim may be required.

20. **Other Rights and Obligations**.

(a) **Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Final Order**. Based on the findings set forth in this Final Order and in accordance with Section 364(e) of the Bankruptcy Code, which is applicable to the DIP Facility as approved by the Interim Order and this Final Order, the reversal or modification on appeal of the authorization hereunder for the Debtors to obtain the DIP Facility, or the grant

hereunder of the DIP Liens and the Adequate Protection Liens, shall not affect the validity of such debt or the priority of such liens.

(b) **Expenses**. To the fullest extent provided in the DIP Documents, the Prepetition Debt Documents and this Final Order, the Debtors will pay all expenses incurred by the DIP Secured Parties, the Prepetition Notes Trustee and the Prepetition Secured Noteholders (including, without limitation, the reasonable fees and disbursements of their counsel, any other local counsel that they shall retain and any internal or third-party appraisers, consultants, financial, restructuring or other advisors and auditors advising any such counsel) in connection with (i) the preparation, execution, delivery, funding and administration of the DIP Documents, including, without limitation, all due diligence fees and expenses incurred or sustained in connection with the DIP Documents, (ii) the administration of the Prepetition Debt Documents, (iii) the Cases or any Successor Case, or (iv) enforcement of any rights or remedies under the DIP Documents or the Prepetition Debt Documents, in each case whether or not the transactions contemplated hereby are fully consummated. Notwithstanding any other provisions of the Interim Order and/or this Final Order, the Prepetition Notes Trustee, the Prepetition Secured Noteholders and the DIP Secured Parties, and their advisors and professionals, shall not be required to comply with the U.S. Trustee fee guidelines, but shall provide reasonably detailed statements (redacted if necessary for privileged, confidential or otherwise sensitive information, as to those statements provided to any party other than the U.S. Trustee) for fees and expenses incurred after entry of the Interim Order to the Office of the U.S. Trustee and counsel for any Committee and the Debtors. Thereafter, within ten (10) calendar days of presentment of such statements, if no written objections to the reasonableness of the fees and expenses charged in any

such invoice (or portion thereof) is made, the Debtors shall pay in cash all such fees and expenses of the Prepetition Notes Trustee, the Prepetition Secured Noteholders, the DIP Agent and the DIP Secured Parties, and their advisors and professionals. Any objection to the payment of such fees or expenses shall be made only on the basis of "reasonableness," and shall specify in writing the amount of the contested fees and expenses and the detailed basis for such objection. To the extent an objection only contests a portion of an invoice, the undisputed portion thereof shall be promptly paid. If any such objection to payment of an invoice (or any portion thereof) is not otherwise resolved between the objecting party and the issuer of the invoice, either party may submit such dispute to the Court for a determination as to the reasonableness of the relevant disputed fees and expenses set forth in the invoice. This Court shall resolve any dispute as to the reasonableness of any fees and expenses. For the avoidance of doubt, and without limiting any of the forgoing or any other provision of the Interim Order and/or this Final Order, the fees specified in Section 2(e)(iii) of the DIP Credit Agreement were, upon entry of the Interim Order, and continue to be, upon entry of this Final Order, and irrespective of any subsequent order approving or denying the DIP Facility or any other financing pursuant to Section 364 of the Bankruptcy Code, fully entitled to all of the protections of Section 364(e) of the Bankruptcy Code and were deemed fully earned, indefeasibly paid, non-refundable, irrevocable and non-avoidable as of the date of entry of the Interim Order.

(c) **Binding Effect**. The provisions of this Final Order shall be binding upon and inure to the benefit of the DIP Secured Parties and the Prepetition Secured Parties, the Debtors, and their respective successors and assigns (including any trustee or other fiduciary hereinafter appointed as a legal representative of the Debtors or with respect to the property of

the estates of the Debtors) whether in the Cases, in any Successor Case, or upon dismissal of any such Chapter 11 or Chapter 7 case.

(d) **No Waiver**. The failure of the DIP Secured Parties or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Final Order, the other DIP Documents or the Prepetition Debt Documents or otherwise, as applicable, shall not constitute a waiver of any of the DIP Secured Parties' or Prepetition Secured Parties' rights hereunder, thereunder or otherwise. Notwithstanding anything herein, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair any of the rights, claims, privileges, objections, defenses or remedies of the DIP Secured Parties or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law against any other person or entity in any court, including without limitation, the rights of the DIP Agent and the Prepetition Notes Trustee (i) to request conversion of any of the Cases to cases under Chapter 7, dismissal of any of the Cases, or the appointment of a trustee in any of the Cases, or (ii) to propose, subject to the provisions of Section 1121 of the Bankruptcy Code, a Plan, or (iii) to exercise any of the rights, claims or privileges (whether legal, equitable or otherwise) on behalf of the DIP Secured Parties or the Prepetition Secured Parties.

(e) **No Third Party Rights**. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, third party or incidental beneficiary.

(f) **Intercreditor Matters**. Nothing in this Final Order shall be construed to convey on any individual DIP Secured Party or Prepetition Secured Party any consent, voting or other rights beyond those (if any) set forth in the DIP Documents and Prepetition Debt

Documents, as applicable. Nothing in this Final Order shall be construed to impair or otherwise affect any intercreditor, subordination or similar agreement or arrangement in respect of the Prepetition Secured Obligations, which are enforceable to the fullest extent provided by Section 510(a) of the Bankruptcy Code and applicable law.

(g) **No Marshaling**. Neither the DIP Secured Parties nor the Prepetition Secured Parties shall be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral, as applicable.

(h) **Section 552(b)**. The DIP Secured Parties and the Prepetition Secured Parties shall each be entitled to all of the rights and benefits of Section 552(b) of the Bankruptcy Code, and the "equities of the case" exception under Section 552(b) of the Bankruptcy Code shall not apply to the DIP Secured Parties or the Prepetition Secured Parties with respect to proceeds, product, offspring or profits of any of the Prepetition Collateral or the DIP Collateral.

(i) **Amendment**. The Debtors and the DIP Agent (with the consent of the requisite DIP Secured Parties as provided in and consistent with their respective rights under the DIP Documents) may amend, modify, supplement or waive any provision of the DIP Documents without further approval of the Court, unless such amendment, modification, supplement or waiver (w) increases the interest rate (other than as a result of the imposition of the default rate) or fees charged in connection with the DIP Facility, (x) increases the commitments of the DIP Lenders to make DIP Extensions of Credit under the DIP Documents, (y) changes the Termination Date or (z) otherwise is materially adverse to the interests of the Debtors or their estates; provided that any amendment, modification, or supplement of the DIP Documents that does not require Court approval shall, within three (3) business days, be filed with the Court and

served on the office of the U.S. Trustee and any Committee. No waiver, modification or amendment of any of the provisions hereof shall be effective unless set forth in writing, signed by, or on behalf of, the Debtors and the DIP Agent (after having obtained the approval of the requisite DIP Secured Parties as provided in the DIP Documents) and approved by the Court after notice to parties in interest.

(j) **Priority of Terms**. To the extent of any conflict between or among (a) the express terms or provisions of any of the DIP Documents, the Motion, any other order of this Court, or any other agreements, on the one hand, and (b) the terms and provisions of this Final Order, on the other hand, unless such term or provision herein is phrased in terms of "defined in" or "as set forth in" the DIP Credit Agreement, the terms and provisions of this Final Order shall govern.

(k) **Survival of Final Order**. The provisions of this Final Order and any actions taken pursuant hereto shall survive entry of any order which may be entered (i) confirming any Plan in any of the Cases, (ii) converting any of the Cases to a case under Chapter 7 of the Bankruptcy Code, (iii) to the extent authorized by applicable law, dismissing any of the Cases, (iv) withdrawing of the reference of any of the Cases from this Court or (v) providing for abstention from handling or retaining of jurisdiction of any of the Cases in this Court. The terms and provisions of the Interim Order, this Final Order, the DIP Documents and the Prepetition Debt Documents, including the DIP Liens and DIP Superpriority Claim granted pursuant to this Final Order, the DIP Documents and the Prepetition Debt Documents and any priorities and protections granted to or for the benefit of the DIP Secured Parties and Prepetition Secured Parties (including the Adequate Protection Liens and the Adequate Protection Superpriority

Claim) hereunder and thereunder, shall continue in full force and effect to the fullest extent provided by Section 364(e) of the Bankruptcy Code.

(l) **Enforceability**. This Final Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon execution hereof.

(m) **No Waivers or Modification of Interim Order**. The Debtors irrevocably waive any right to seek any modification or extension of this Final Order without the prior written consent of the DIP Agent and the Prepetition Notes Trustee, and no such consent shall be implied by any other action, inaction or acquiescence of the DIP Agent or the Prepetition Notes Trustee. The Debtors may not seek to modify or to alter relative lien priority of the DIP Liens, the Prepetition Liens and the Adequate Protection Liens set forth in this Final Order.

(n) **Waiver of any Applicable Stay**. Any applicable stay (including, without limitation, under Bankruptcy Rule 6004(h)) is hereby waived and shall not apply to this Final Order.

(o) **Retention of Jurisdiction**. The Court has and will retain jurisdiction to enforce this Final Order according to its terms.

SECTION 2. LOANS

2.1. Loans.

(a) Loan Commitments. Subject to the terms and conditions hereof,

(i) each Term Lender agrees severally and not jointly, to make a Term Loan to the Borrower on the Closing Date in an amount equal to its Initial Commitment (the "**Interim Term Loan**"); *provided*, that, for the avoidance of doubt, prior to the Full Availability Date, after giving effect to the making of any Interim Term Loans, the aggregate principal amount of the Term Loans outstanding of all Lenders shall not exceed Interim Term Availability Amount; and

(ii) each Term Lender agrees severally and not jointly, to make a Term Loan to the Borrower on the Full Availability Date in an amount equal to its Delayed Draw Commitment (the "**Full Availability Term Loan**").

Borrower may make only one borrowing under the Commitments on the Closing Date, and Borrower may make only one borrowing under Commitments on the Full Availability Date. Any amount borrowed under this Section 2.1(a) and subsequently repaid or prepaid may not be reborrowed. Subject to Section 2.13(a) and 2.14, all amounts owed hereunder with respect to the Term Loans shall be Paid in Full no later than the Maturity Date. Each Term Lender's Initial Commitment or Delayed Draw Commitment shall terminate immediately and without further action on the Closing Date or the Full Availability Date, as applicable, after giving effect to the funding of such Term Lender's Commitment on such date. [Notwithstanding anything to the contrary, unless the Administrative Agent and the Borrower shall otherwise agree, the initial Interest Period of any Full Availability Term Loans that are Eurodollar Rate Loans shall commence on the date of funding and shall end on the last day of the then-current Interest Period for all Eurodollar Rate Loans that are Interim Term Loans then outstanding.]

(b) **Roll-Up Loans.**

(i) Subject to the terms and conditions hereof and the Orders, on the Closing Date, the Prepetition Last-Out Loans held by the Prepetition Last-Out Lender, which is also a Lender or Affiliates of a Lender hereunder, shall be automatically substituted and exchanged for (and prepaid by) loans hereunder (the "**Roll-Up Loans**") held by the Initial Roll-Up Lender in a principal amount equal to the Prepetition Last-Out Loans of such Lender or such Affiliate of such Lender on the Closing Date which, for the avoidance of doubt, shall be in a principal amount equal to the Roll-Up Amount (and such Roll-Up Loans shall be deemed funded on the Closing Date and shall constitute and shall be deemed to be Loans hereunder) (the foregoing substitution and exchange of Prepetition Last-Out Loans into Roll-Up Loans shall be defined herein, generally, as the

"**Roll-Up**").

(ii) The parties hereto hereby agree that the Administrative Agent and the Prepetition Revolving Agent may each conclusively rely on this Section 2.1(b) in adjusting the Register and the Register (as defined in the Prepetition Revolving Credit Agreement) to reflect the cancellation of Prepetition Last-Out Loans and the Roll-Up Loans to be received by the Initial Roll-Up Lender on the Closing Date as a result of the Roll-Up).

(iii) For the avoidance of doubt, solely with respect to the applicable calculations in determining the Lenders constituting "Requisite Lenders" hereunder, the Interim Term Loans, Full Availability Term Loans, and Roll-Up Loans shall constitute a single class of Loans.

(c) Borrowing Mechanics for Loans.

(i) Borrower shall deliver to Administrative Agent a fully executed Funding Notice no later than (x) three Business Days prior to the Closing Date or the Full Availability Date, as applicable, with respect to Base Rate Loans and (y) three Business Days prior to the Closing Date or the Full Availability Date, as applicable, with respect to Eurodollar Rate Loans (or such shorter period as may be acceptable to Administrative Agent); it being agreed that the Borrower has delivered a Funding Notice as of the date hereof in the form previously provided to counsel to the Term Lenders. Promptly upon receipt by Administrative Agent of such Funding Notice, Administrative Agent shall notify each Term Lender of the proposed borrowing. [The Roll-Up Loans shall be deemed Loans entirely made of Eurodollar Rate Loans with an interest period of one month].

(ii) Each Term Lender shall make its Term Loan available to Administrative Agent not later than 12:00 p.m. (New York City time) on the Closing Date or the Full Availability Date, as applicable, by wire transfer of same day funds in Dollars, at the Principal Office designated by Administrative Agent. Upon satisfaction or waiver of the conditions precedent specified herein, Administrative Agent shall make the proceeds of the Term Loans (the "**Term Loan Proceeds**") available to Borrower on the Closing Date or the Full Availability Date, as applicable, by causing an amount of same day funds in Dollars equal to the proceeds of all such Term Loans received by Administrative Agent from Term Lenders to be credited to (i) with respect to the funding on the Closing Date in an amount equal to $[115,000,000][4] (the "**Initial Funding Amount**"), to the account of Borrower designated in writing to the Administrative Agent in the applicable Funding Notice (such amounts to be segregated in a Fixed Asset Collateral Proceeds Account prior to utilization) and (ii) with respect to all other Term Loan Proceeds, to the Segregated Account.

2.2. Draws from the Segregated Account. The Borrower may draw from the Segregated Account (each, a "**Draw**"), by delivering a DIP Proceeds Withdrawal Request to the

[4] NTD: to confirm.

Administrative Agent, subject to compliance with Sections 5.23 and 6.18, and use the proceeds of such draws solely in accordance with Sections 2.6 and 5.12. The Administrative Agent shall make any DIP Proceeds Withdrawal Request received by it available to the Lenders promptly upon receipt thereof from the Borrower and it shall immediately sign and acknowledge such DIP Proceeds Withdrawal Request unless a Default or an Event of Default shall have occurred and be continuing, and the Requisite Term Lenders shall have instructed the Administrative Agent not to countersign and deliver such DIP Proceeds Withdrawal Request to the Escrow Agent pursuant to the Escrow Agreement.

2.3. [Reserved].

2.4. [Reserved].

2.5. Pro Rata Shares; Availability of Funds.

(a) Pro Rata Shares. All Loans shall be made by Lenders simultaneously and proportionately to their respective Pro Rata Shares, it being understood that no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan requested hereunder nor shall any Commitment of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a Loan requested hereunder.

(b) Availability of Funds. Unless Administrative Agent shall have been notified by any Lender prior to the applicable Credit Date that such Lender does not intend to make available to Administrative Agent the amount of such Lender's Loan requested on such Credit Date, Administrative Agent may assume that such Lender has made such amount available to Administrative Agent on such Credit Date and Administrative Agent may, in its sole discretion, but shall not be obligated to, make available to Borrower a corresponding amount on such Credit Date. If such corresponding amount is not in fact made available to Administrative Agent by such Lender, Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such Credit Date until the date such amount is paid to Administrative Agent, at the customary rate set by Administrative Agent for the correction of errors among banks for three Business Days and thereafter at the Base Rate. In the event that (i) a Lender fails to fund to Administrative Agent all or any portion of the Loans required to be funded by such Lender hereunder prior to the time specified in this Agreement and (ii) such Lender's failure results in Administrative Agent failing to make a corresponding amount available to Borrower on the Credit Date, at Administrative Agent's option, such Lender shall not receive interest hereunder with respect to the requested amount of such Lender's Loans for the period commencing with the time specified in this Agreement for receipt of payment by Borrower through and including the time of Borrower's receipt of the requested amount. If such Lender does not pay such corresponding amount forthwith upon Administrative Agent's demand therefor, Administrative Agent shall promptly notify Borrower and Borrower shall promptly pay such corresponding amount to Administrative Agent together with interest thereon, for each day from such Credit Date until the date such amount is paid to Administrative Agent, at the rate payable hereunder

for Base Rate Loans. Nothing in this Section 2.5(b) shall be deemed to relieve any Lender from its obligation to fulfill its Commitments hereunder or to prejudice any rights that Borrower may have against any Lender as a result of any default by such Lender hereunder.

2.6. Use of Proceeds. The proceeds of the Loans shall be applied by Borrower (i) to pay the fees, costs and expenses required to be paid in connection with the transactions contemplated hereby and the Cases, (ii) to finance the working capital and other needs/general corporate purposes of the Borrower following the commencement of the Cases and including the Roll-Up of Prepetition Last-Out Loans and the establishment and maintenance of the Outstanding LCs and funding of the Outstanding LC Cash Collateral not to exceed 3.00% of the stated amount of such Outstanding LCs and (iii) to refinance and repay all of the Prepetition Revolving Loans as set forth in the Interim Order (the "**ABL Refinancing**"), in each case, solely in accordance with the Operative Approved Cash Flow Forecast (subject to Permitted Variances) delivered from time to time pursuant to this Agreement and not in contravention of any applicable law and not in violation of this Agreement, the other Credit Documents or the Orders.

2.7. Evidence of Debt; Register; Lenders' Books and Records; Notes.

(a) Lenders' Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of Borrower to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on Borrower, absent manifest error; provided, that the failure to make any such recordation, or any error in such recordation, shall not affect Borrower's Obligations in respect of any applicable Loans; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(b) Register. Administrative Agent (or its agent or sub-agent appointed by it), acting for this purpose as agent of Borrower shall maintain at its Principal Office a register for the recordation of the names and addresses of Lenders and Loans (and any interest thereon) of each Lender from time to time (the **"Register"**). The Register shall be available for inspection at Administrative Agent's Principal Office (or via delivery by Administrative Agent) by (1) any Lender (with respect to (i) any entry relating to such Lender's Loans and (ii) the identity of the other Lenders (but not any information with respect to such other Lenders' Loans)) and (2) by Borrower, in each case at any reasonable time and from time to time upon reasonable prior notice. Administrative Agent shall record, or shall cause to be recorded, in the Register the Loans and any interest outstanding in accordance with the provisions of Section 10.6, and each repayment or prepayment in respect of the principal amount of the Loans and any interest outstanding, and any such recordation shall be conclusive and binding on Borrower and each Lender, absent manifest error; provided, failure to make any such recordation, or any error in such recordation, shall not affect Borrower's Obligations in respect of any Loan. Borrower hereby designates Administrative Agent to serve as Borrower's agent solely for purposes of maintaining the Register as provided in this Section 2.7, an2.7d Borrower hereby agrees that, to the extent Administrative Agent serves in such capacity, Administrative Agent and its Affiliates and its and its Affiliates'

officers, partners, members, directors, trustees, advisors, employees, attorneys, agents, sub-agents and controlling parties shall constitute "Indemnitees."

(c) Notes. If so requested by any Lender by written notice to Borrower (with a copy to Administrative Agent) at least two Business Days prior to the Closing Date, or at any time thereafter, Borrower shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 10.6) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after Borrower's receipt of such notice) a Note or Notes to evidence such Lender's Loan.

2.8. Interest on Loans.

(a) Except as otherwise set forth herein, each Loan shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof as follows:

(i) if a Base Rate Loan, at the Base Rate plus the Applicable Margin; or

(ii) if a Eurodollar Rate Loan, at the Adjusted Eurodollar Rate plus the Applicable Margin;

(b) The basis for determining the rate of interest with respect to any Loan and the Interest Period with respect to any Eurodollar Rate Loan shall be selected by Borrower and notified to Administrative Agent pursuant to the applicable Funding Notice or Conversion/Continuation Notice, as the case may be;

(c) In connection with Eurodollar Rate Loans there shall be no more than seven (7) Interest Periods outstanding at any time. In the event Borrower fails to specify between a Base Rate Loan or a Eurodollar Rate Loan in the applicable Funding Notice or Conversion/Continuation Notice, such Loan (if outstanding as a Eurodollar Rate Loan) will be automatically converted into a Base Rate Loan on the last day of the then-current Interest Period for such Loan (or if outstanding as a Base Rate Loan will remain as, or (if not then outstanding) will be made as, a Base Rate Loan). In the event Borrower fails to specify an Interest Period for any Eurodollar Rate Loan in the applicable Funding Notice or Conversion/Continuation Notice, Borrower shall be deemed to have selected an Interest Period of one month. As soon as practicable after 10:00 a.m. (New York City time) on each Interest Rate Determination Date, Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the Eurodollar Rate Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to Borrower and each Lender.

(d) Interest payable pursuant to Section 2.8(a) shall be computed (i) in the case of Base Rate Loans on the basis of a 365-day or 366-day year, as the case may be, and (ii) in the case of Eurodollar Rate Loans, on the basis of a 360-day year, in each

case for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the last Interest Payment Date with respect to such Loan or, with respect to a Base Rate Loan being converted from a Eurodollar Rate Loan, the date of conversion of such Eurodollar Rate Loan to such Base Rate Loan, as the case may be, shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted to a Eurodollar Rate Loan, the date of conversion of such Base Rate Loan to such Eurodollar Rate Loan, as the case may be, shall be excluded; provided, if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

(e) Except as otherwise set forth herein, interest on each Loan (i) shall accrue on a daily basis and shall be payable in arrears on each Interest Payment Date with respect to interest accrued on and to each such Interest Payment Date; (ii) shall accrue on a daily basis and shall be payable in arrears upon any prepayment of that Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid; and (iii) shall accrue on a daily basis and shall be payable in arrears at maturity of the Loans, including final maturity of the Loans; provided, however, with respect to any voluntary prepayment of a Base Rate Loan, accrued interest shall instead be payable on the applicable Interest Payment Date.

2.9. Conversion/Continuation.

(a) Subject to Section 2.18, Borrower shall have the option:

(i) to convert at any time all or any part of any Loan equal to $1,000,000 and integral multiples of $500,000 in excess of that amount from one Type of Loan to another Type of Loan; provided, a Eurodollar Rate Loan may only be converted on the expiration of the Interest Period applicable to such Eurodollar Rate Loan unless Borrower shall pay all amounts due under Section 2.18 in connection with any such conversion; or

(ii) upon the expiration of any Interest Period applicable to any Eurodollar Rate Loan, to continue all or any portion of such Loan equal to $1,000,000 and integral multiples of $500,000 in excess of that amount as a Eurodollar Rate Loan.

If an Event of Default has occurred and is continuing and the Requisite Lenders have determined, in their sole discretion, not to permit such conversion or continuation and have notified Borrower of such determination, then no conversion of any such Loan to, or continuation of such Loan as, a Eurodollar Rate Loan shall be permitted and, upon the expiration of any Interest Period applicable to any Eurodollar Rate Loan, such Loan shall be converted to a Base Rate Loan.

(b) Borrower shall deliver a Conversion/Continuation Notice to Administrative Agent no later than 10:00 a.m. (New York City time) at least one Business Day in advance of the proposed conversion date (in the case of a conversion to a Base Rate Loan) and at least three Business Days in advance of the proposed conversion/continuation date (in the case of a conversion to, or a continuation of, a

Eurodollar Rate Loan (or telephonic notice in lieu thereof)). Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any Eurodollar Rate Loans shall be irrevocable on and after the related Interest Rate Determination Date, and Borrower shall be bound to effect a conversion or continuation in accordance therewith. If on any day a Loan is outstanding with respect to which a Funding Notice or Conversion/Continuation Notice has not been delivered to Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then for that day such Loan shall be a Base Rate Loan.

(c) Any Notice shall be executed by an Authorized Officer in a writing delivered to Administrative Agent. In lieu of delivering a Notice, Borrower may give Administrative Agent telephonic notice by the required time of any proposed borrowing or conversion/continuation, as the case may be; provided each such telephonic notice shall be promptly confirmed in writing by delivery of the applicable Notice to Administrative Agent on or before the applicable date of borrowing or continuation/conversion. In the event of a discrepancy between the telephonic notice and the written Notice, the written Notice shall govern. In the case of any Notice that is irrevocable once given, if Borrower provides telephonic notice in lieu thereof, such telephonic notice shall also be irrevocable once given. Neither Administrative Agent nor any Lender shall incur any liability to Borrower in acting upon any telephonic notice referred to above that Administrative Agent believes in good faith to have been given by an Authorized Officer or other person authorized on behalf of Borrower or for otherwise acting in good faith.

2.10. Default Interest.

(a) Upon the occurrence and during the continuance of an Event of Default, any overdue amounts in respect of the Term Loans and, to the extent permitted by applicable law, any overdue interest payments on the Term Loans or any overdue fees or other amounts owed hereunder, shall thereafter bear interest (including post-petition interest in any proceeding under Debtor Relief Laws) payable on demand at a rate that is 3.00% per annum in excess of the interest rate otherwise payable hereunder with respect to the applicable Loans (or, in the case of any such fees and other amounts, at a rate which is 3.00% per annum in excess of the interest rate otherwise payable hereunder for Base Rate Loans); provided, in the case of Eurodollar Rate Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective such Eurodollar Rate Loans shall upon the request of the Requisite Term Lenders become Base Rate Loans and shall thereafter bear interest payable upon demand at a rate which is 3.00% per annum in excess of the interest rate otherwise payable hereunder for Base Rate Loans.

(b) Upon the occurrence and during the continuance of an Event of Default, any overdue amounts in respect of the Roll-Up Loans and, to the extent permitted by applicable law, any overdue interest payments on the Roll-Up Loans or any overdue fees or other amounts owed hereunder, shall thereafter bear interest (including post-petition interest in any proceeding under Debtor Relief Laws) payable on demand at

a rate that is 3.00% per annum in excess of the interest rate otherwise payable hereunder with respect to the applicable Loans (or, in the case of any such fees and other amounts, at a rate which is 3.00% per annum in excess of the interest rate otherwise payable hereunder for Base Rate Loans); provided, in the case of Eurodollar Rate Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective such Eurodollar Rate Loans shall upon the request of the Requisite Roll-Up Lenders become Base Rate Loans and shall thereafter bear interest payable upon demand at a rate which is 3.00% per annum in excess of the interest rate otherwise payable hereunder for Base Rate Loans.

(c) Payment or acceptance of the increased rates of interest provided for in this Section 2.10 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Administrative Agent or any Lender.

2.11. Fees. Borrower agrees to pay to Agents and Lenders the following fees:

(a) The Borrower agrees to pay to the Administrative Agent for the account of each Term Lender, an upfront fee in an amount equal to 3.00% of the principal amount of each such Term Lender's aggregate Commitment (for the avoidance of doubt, the Initial Commitment and Delayed Draw Commitment) on the Closing Date, payable on the Closing Date upon the funding of the Interim Term Loans, which may be netted from such funding on the Closing Date;

(b) The Borrower agrees to pay to the Administrative Agent for the account of each Backstop Lender, a put premium in an amount equal to 5.00% of the principal amount of each such Backstop Lender's Backstop Lender Commitment on the Closing Date, payable on the Closing Date upon the funding of the Interim Term Loans, which may be netted from such funding on the Closing Date;

(c) The Borrower agrees to pay to the Term Lenders an exit fee in an aggregate amount equal to 1.00% of the aggregate principal amount of the Loans made by each such Lender under this Agreement, which shall be due and payable in cash on the Maturity Date or, in the case of Term Loans prepaid in whole or in part prior to the Maturity Date pursuant to Sections 2.13 or 2.14, if any, shall be due and payable in cash on the date of such prepayment; and

(d) The Borrower shall pay to the Agents such other fees as shall have been separately agreed upon in writing for its own account fees in the amounts and at the times so specified, including the fees specified in the Agent Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the Administrative Agent).

2.12. Repayment of Loans. The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of such Lender's Loans, together with all other amounts owed hereunder with respect thereto, including all applicable fees in accordance with Section 2.11, on the Maturity Date.

2.13. Voluntary Prepayments.

(x) with respect to Base Rate Loans, Borrower may prepay any such Loans on any Business Day in whole or in part, in an aggregate minimum amount of $1,000,000 and integral multiples of $500,000 in excess of that amount (unless a lesser amount is required to repay such Loan in full); and

(y) with respect to Eurodollar Rate Loans, Borrower may prepay any such Loans on any Business Day in whole or in part in an aggregate minimum amount of $1,000,000 and integral multiples of $500,000 in excess of that amount (unless a lesser amount is required to repay such Loan in full).

(ii) All such prepayments shall be made:

Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein. Any such voluntary prepayment shall be applied as specified in Section **Error! Reference source not found.**.

Reference source not found.** in an aggregate amount equal to such excess Net Insurance/Condemnation Proceeds; *provided* that, so long as no Event of Default shall have occurred and be continuing on the date of receipt of such proceeds, Borrower shall have the option, directly or through one or more of its Restricted Subsidiaries to reinvest such Net Insurance/Condemnation Proceeds, only to the extent such Proceeds do not constitute ABL Collateral, within one-hundred eighty (180) days of receipt thereof in the repair, restoration or replacement of the applicable assets thereof.

(c) Issuance of Debt. Subject to Section 2.11(c), within five Business Days of the receipt by Holdings or any of its Restricted Subsidiaries of any net cash proceeds from the incurrence of any Indebtedness of Holdings or any of its Restricted Subsidiaries (other than with respect to any Indebtedness permitted to be incurred pursuant to Section 6.1), Borrower shall prepay the Loans as set forth in Section **Error! (e) Prepayment Certificate. Concurrently with any prepayment of the Loans pursuant to Sections 2.14(a) through 2.14(c), Borrower shall deliver to Administrative Agent a certificate of an Authorized Officer demonstrating the calculation of the amount of the applicable net proceeds. In the event that Borrower shall subsequently determine that the actual amount received exceeded the amount set forth in such certificate, Borrower shall promptly make an additional prepayment of the Loans in an amount equal to such excess to the extent not otherwise permitted to be reinvested in the case of Net Insurance/Condemnation Proceeds, and Borrower shall concurrently therewith deliver to Administrative Agent a certificate of an Authorized Officer demonstrating the derivation of such excess.

2.15. Application of Prepayments.

(a) Prepayments Waterfall. All Prepayments pursuant to Section 2.13 and 2.14 shall be accompanied by accrued interest to the extent required by Section 2.8 and 2.10. Subject to the Carve Out, each prepayment of Loans pursuant to Section 2.13 and 2.14 shall be applied by Borrower, in accordance with the Orders, and to the extent not in contravention with the Orders, to be remitted by Borrower to Administrative Agent and applied by Administrative Agent (w) in the case of prepayments pursuant to Section

2.13 and Section 2.14(c), ratably to repay the Loans then outstanding, (x) in the case of a prepayment pursuant to Sections 2.14(a) and 2.14(b) with the proceeds of ABL Collateral, ratably to repay the Loans then outstanding in accordance with Section 8.3(b), (y) in the case of a prepayment pursuant to Section 2.14(a) and 2.14(b) with the proceeds of Fixed Assets Collateral, ratably to repay the Loans then outstanding in accordance with Section 8.3(a) and (z) in the case of a prepayment pursuant to Section 2.14(a) and 2.14(b) with the proceeds of Term Loan Only Collateral, ratably to repay the Loans then outstanding in accordance with Section 8.4; *provided*, prior to any prepayments pursuant to Section 2.13 and 2.14, the Borrower shall have delivered to the Administrative Agent (to be forwarded to the Lenders) a notice of such prepayment identifying the Loans to be prepaid and the source of the proceeds of such prepayment and designating such proceeds as ABL Collateral, Fixed Asset Collateral, Term Loan Only Collateral or not Collateral. The designation of such proceeds shall be reasonably acceptable to the Requisite Term Lenders and the Requisite Roll-Up Lenders and, until so approved, no such prepayment shall be made until so approved; *provided* that the Requisite Term Lenders and the Requisite Roll-Up Lenders shall be deemed to have approved a prepayment notice delivered pursuant to this Section 2.15(a) unless Lenders constituting the Requisite Term Lenders or the Requisite Roll-Up Lenders shall have objected to such prepayment notice within 5 Business Days. If not so approved, the parties agree to negotiate in good faith to reach a resolution as to such allocation.

(b) Waivable Mandatory Prepayment. Anything contained herein to the contrary notwithstanding, so long as any Loans are outstanding, in the event Borrower is required to make any mandatory prepayment pursuant to Section 2.14(a) or (b) (a **"Waivable Mandatory Prepayment"**) of the Loans, not less than five Business Days prior to the date (the **"Required Prepayment Date"**) on which Borrower is required to make such Waivable Mandatory Prepayment, Borrower shall notify Administrative Agent of the amount of such prepayment, and Administrative Agent will promptly thereafter notify each Lender holding an outstanding Loan of the amount of such Lender's Pro Rata Share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to Borrower and Administrative Agent of its election to do so on or before the Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify Borrower and Administrative Agent of its election to exercise such option on or before the Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, Borrower shall pay to Administrative Agent the amount of the Waivable Mandatory Prepayment, which amount shall be applied in an amount equal to that portion of the Waivable Mandatory Prepayment payable to those Lenders that have not elected to exercise such option to decline, to prepay the Loans of such Lenders, on a pro rata basis.

(c) Application of Prepayments of Loans to Base Rate Loans and Eurodollar Rate Loans. Any prepayment of Loans shall be applied first to Base Rate Loans to the full extent thereof before application to Eurodollar Rate Loans, in each case in a manner which minimizes the amount of any payments required to be made by Borrower pursuant to Section 2.18(c).

2.16. General Provisions Regarding Payments.

(a) All payments by Borrower of principal, interest, fees and other Obligations shall be made in Dollars in same day funds, without defense, recoupment, setoff or counterclaim, free of any restriction or condition, and delivered to Administrative Agent not later than 2:00 p.m. (New York City time) on the date due at the Principal Office of Administrative Agent for the account of Lenders; for purposes of computing interest and fees, funds received by Administrative Agent after that time on such due date shall be deemed to have been paid by Borrower on the next succeeding Business Day.

(b) All payments in respect of the principal amount of any Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

(c) Administrative Agent (or its agent or sub-agent appointed by it) shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by Administrative Agent.

(d) Notwithstanding the foregoing provisions hereof, if any Conversion/ Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes Base Rate Loans in lieu of its Pro Rata Share of any Eurodollar Rate Loans, Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(e) Whenever any payment to be made hereunder with respect to any Loan shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day; provided, that if such extension would cause such payment to be made in the next succeeding Fiscal Quarter, such payment shall be made on the immediately preceding Business Day instead.

(f) Administrative Agent shall deem any payment by or on behalf of Borrower hereunder that is not made in same day funds prior to 3:00 p.m. (New York City time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. Administrative Agent shall give prompt telephonic notice to Borrower and each applicable Lender (confirmed in writing) if any payment is non-conforming. To the extent not made in same day funds no later than 6:00 p.m. (New York City time), any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 8.1(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no

event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 2.10 from the date such amount was due and payable until the date such amount is Paid in Full.

(g) If an Event of Default shall have occurred and not otherwise been waived, and the maturity of the Obligations shall have been accelerated pursuant to Section 8.1 or pursuant to any sale of, any collection from, or other realization upon all or any part of the Collateral as a result thereof, all payments or proceeds received by Agents hereunder in respect of any of the Obligations shall be applied in accordance with Section 8.2.

(h) Notwithstanding anything to the contrary herein, any Designated Coal Contract Counterparty that is an "insider" under, and as defined in, the Bankruptcy Code (an "**Insider Designated Coal Contract Counterparty**") shall solely bear the risk that any Obligations owing to it or any Lien to the extent securing any such Obligations is set aside or avoided as a preference, fraudulent conveyance or otherwise and the application of voluntary payments, mandatory payments, prepayments or any other payments or distributions of Collateral proceeds to the other Secured Parties under this Agreement or any other Credit Documents shall not be modified or otherwise adversely affected as a result of any such avoidance with respect to an Insider Designated Coal Contract Counterparty. In the event that any Lien, to the extent securing the Obligations owing to an Insider Designated Coal Contract Counterparty, is set aside or avoided as a preference, fraudulent conveyance or otherwise, then such Insider Designated Coal Contract Counterparty shall be deemed ab initio to have never been a Secured Party under this Agreement or any other Credit Documents and hence shall not be entitled, directly or indirectly, to the benefit of such Lien.

2.17. Ratable Sharing. Lenders hereby agree among themselves that if any of them shall, whether by voluntary payment, through the exercise of any right of set-off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Credit Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code or any other applicable legislation, receive payment or reduction of a proportion of the aggregate amount of principal, interest, fees and other amounts then due and owing to such Lender hereunder or under the other Credit Documents (collectively, the **"Aggregate Amounts Due"** to such Lender) resulting in such Lender receiving payment of a greater proportion of the Aggregate Amounts Due to such Lender than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders ratably in accordance with the Aggregate Amounts Due to them; provided, (i) if all or part of such proportionally greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of Borrower or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the

extent of such recovery, but without interest and (ii) such participations shall be allocated by the Administrative Agent in accordance with the priority scheme set forth in Section 8.2, 8.3 or 8.4, as the context may require based on the type of proceeds received by such purchasing Lender. Borrower expressly consents to the foregoing arrangement and agrees that any holder of a participation so purchased may exercise any and all rights of banker's lien, set-off or counterclaim with respect to any and all monies owing by Borrower to that holder with respect thereto as fully as if that holder were owed the amount of the participation held by that holder. The provisions of this Section 2.17 shall not be construed to apply to (a) any payment made by Borrower pursuant to and in accordance with the express terms of this Agreement (for the avoidance of doubt, as in effect from time to time) (including the application of funds arising from the existence of a Defaulting Lender) or (b) any payment obtained by any Lender as consideration for the assignment or sale of a participation in any of its Loans or other Obligations owed to it.

2.18. Making or Maintaining Eurodollar Rate Loans.

(a) Inability to Determine Applicable Interest Rate. In the event that Administrative Agent shall have determined (which determination shall be final and conclusive and binding upon all parties hereto but shall be made only after consultation with Borrower), on any Interest Rate Determination Date with respect to any Eurodollar Rate Loans, that by reason of circumstances affecting the London interbank market adequate and fair means do not exist for ascertaining the interest rate applicable to such Loans on the basis provided for in the definition of "Adjusted Eurodollar Rate", Administrative Agent shall on such date give notice (by telefacsimile or by telephone confirmed in writing) to Borrower and each Lender of such determination, whereupon (i) no Loans may be made as, or converted to, Eurodollar Rate Loans until such time as Administrative Agent notifies Borrower and Lenders that the circumstances giving rise to such notice no longer exist, and (ii) any Funding Notice or Conversion/Continuation Notice given by Borrower with respect to the Loans in respect of which such determination was made shall be deemed to be rescinded by Borrower.

(b) Illegality or Impracticability of Eurodollar Rate Loans. In the event that on any date (i) any Lender shall have determined (which determination shall be final and conclusive and binding upon all parties hereto but shall be made only after consultation with Borrower and Administrative Agent) that the making, maintaining, converting to or continuation of its Eurodollar Rate Loans has become unlawful as a result of compliance by such Lender in good faith with any law, treaty, governmental rule, regulation, guideline or order (or would conflict with any such treaty, governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or (ii) Administrative Agent is advised by the Requisite Lenders (which determination shall be final and conclusive and binding upon all parties hereto) that the making, maintaining, converting to or continuation of its Eurodollar Rate Loans has become impracticable, as a result of contingencies occurring after the date hereof which materially and adversely affect the London interbank market or the position of the Lenders in that market, then, and in any such event, such Lenders (or in the case of the preceding clause (b), such Lender) shall be an **"Affected Lender"** and such Affected Lender shall on that day give notice (in writing by telefacsimile or by

telephone confirmed in writing) to Borrower and Administrative Agent of such determination (which notice Administrative Agent shall promptly transmit to each Lender). If Administrative Agent receives a notice from (x) any Lender pursuant to clause (b) of the preceding sentence or (y) Lenders constituting Requisite Lenders pursuant to clause (b) of the preceding sentence, then (1) the obligation of the Lenders (or, in the case of any notice pursuant to clause (b) of the preceding sentence, such Lender) to make Loans as, or to convert Loans to, Eurodollar Rate Loans shall be suspended until such notice shall be withdrawn by each Affected Lender, (2) to the extent such determination by the Affected Lender relates to a Eurodollar Rate Loan then being requested by Borrower pursuant to a Funding Notice or a Conversion/Continuation Notice, the Lenders (or in the case of any notice pursuant to clause (b) of the preceding sentence, such Lender) shall make such Loan as (or continue such Loan as or convert such Loan to, as the case may be) a Base Rate Loan, (3) the Lenders' (or in the case of any notice pursuant to clause (b) of the preceding sentence, such Lender's) obligations to maintain their respective outstanding Eurodollar Rate Loans (the **"Affected Loans"**) shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Affected Loans or when required by law, and (4) the Affected Loans shall automatically convert into Base Rate Loans on the date of such termination. Notwithstanding the foregoing, to the extent a determination by an Affected Lender as described above relates to a Eurodollar Rate Loan then being requested by Borrower pursuant to a Funding Notice or a Conversion/Continuation Notice, Borrower shall have the option, subject to the provisions of Section 2.18(c), to rescind such Funding Notice or Conversion/Continuation Notice as to all Lenders by promptly giving notice (in writing by telefacsimile or by telephone confirmed in writing) to Administrative Agent of such rescission on the date on which the Affected Lender gives notice of its determination as described above (which notice of rescission Administrative Agent shall promptly transmit to each Lender). Except as provided in the immediately preceding sentence, nothing in this Section 2.18(b) shall affect the obligation of any Lender other than an Affected Lender to make or maintain Loans as, or to convert Loans to, Eurodollar Rate Loans in accordance with the terms hereof.

(c) Compensation for Breakage or Non-Commencement of Interest Periods. Borrower shall compensate each Lender, upon written request by such Lender (which request shall set forth the basis for requesting such amounts), for all reasonable, actual out-of-pocket losses, expenses and liabilities (including any interest paid by such Lender to Lenders of funds borrowed by it to make or carry its Eurodollar Rate Loans and any actual out-of-pocket loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits and excluding any interest rate floor in such determination) which such Lender sustains: (i) if for any reason (other than a default by such Lender) a borrowing of any Eurodollar Rate Loan does not occur on a date specified therefor in a Funding Notice or a telephonic request for borrowing, or a conversion to or continuation of any Eurodollar Rate Loan does not occur on a date specified therefor in a Conversion/Continuation Notice or a telephonic request for conversion or continuation; (ii) if any prepayment or other principal payment of, or any conversion of, any of its Eurodollar Rate Loans occurs on a date prior to the last day of an Interest Period applicable to that Loan; or (iii) if any prepayment of any of its Eurodollar Rate Loans is

not made on any date specified in a notice of prepayment given by Borrower.

(d) Booking of Eurodollar Rate Loans. Subject to Sections 2.20 and 2.21, any Lender may make, carry or transfer Eurodollar Rate Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of such Lender.

(e) Assumptions Concerning Funding of Eurodollar Rate Loans. Calculation of all amounts payable to a Lender under this Section 2.18 and under Section 2.19 shall be made as though such Lender had actually funded each of its relevant Eurodollar Rate Loans through the purchase of a eurodollar deposit bearing interest at the rate obtained pursuant to clause (i) of the definition of "Adjusted Eurodollar Rate" in an amount equal to the amount of such Eurodollar Rate Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such eurodollar deposit from an offshore office of such Lender to a domestic office of such Lender in the United States; provided, however, each Lender may fund each of its Eurodollar Rate Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.18 and under Section 2.19.

2.19. Increased Costs; Capital Adequacy.

(a) Compensation For Increased Costs and Taxes. In the event that any Lender shall determine (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that (A) any law, treaty or governmental rule, regulation or order, or any change therein or in the interpretation, administration or application thereof (regardless of whether the underlying law, treaty or governmental rule, regulation or order was issued or enacted prior to the date hereof), including the introduction of any new law, treaty or governmental rule, regulation or order but excluding solely proposals thereof, or any determination of a court or Governmental Authority, in each case that becomes effective after the date hereof (provided that the introduction of any new law, treaty or governmental rule, regulation or order, or any determination of a court or Governmental Authority with respect to the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, in each case that becomes effective after the Closing Date shall be considered a change in law whether promulgated before or after the Closing Date), or (B) any guideline, request or directive by any central bank or other governmental or quasi-governmental authority (whether or not having the force of law) or any implementation rules or interpretations of previously issued guidelines, requests or directives, in each case that is issued or made after the date hereof: (i) subjects such Lender (or its applicable lending office) to any additional Tax (other than any Tax described in clauses (ii) through (iv) of the definition of Excluded Taxes, Other Connection Taxes or any tax in respect of which such Lender is indemnified or receives additional amounts pursuant to Section 2.20) with respect to this Agreement or any of the other Credit Documents or any of its obligations hereunder or thereunder or

any payments to such Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder or thereunder or on such Lender's loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto); (ii) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, liquidity, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of such Lender (other than any such reserve or other requirements with respect to Eurodollar Rate Loans that are reflected in the definition of "Adjusted Eurodollar Rate") or any company controlling such Lender; or (iii) imposes any other condition (other than with respect to Taxes) on or affecting such Lender (or its applicable lending office) or any company controlling such Lender or such Lender's obligations hereunder or the London interbank market; and the result of any of the foregoing is to increase the cost to such Lender of agreeing to make, making or maintaining Eurodollar Rate Loans hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) with respect thereto; then, in any such case, Borrower shall promptly pay to such Lender, upon receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or in a lump sum or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender for any such increased cost or reduction in amounts received or receivable hereunder. Such Lender shall deliver to Borrower (with a copy to Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.19(a), which statement shall be conclusive and binding upon all parties hereto absent manifest error; provided, that, with respect to a Lender other than a Lender listed on the signature pages hereof on the Closing Date, no such additional amount shall be required to be paid unless such law, treaty, governmental rule, regulation, order, change therein, interpretation, administration or application thereof, or determination becomes effective, or such guideline, request or directive is issued or made, after the effective date of the Assignment Agreement pursuant to which such Lender became a Lender.

(b) Capital Adequacy Adjustment. In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that (A) the adoption, effectiveness, phase-in or applicability after the Closing Date of any law, rule or regulation (or any provision thereof) regarding capital adequacy, but including the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith (whether or not promulgated before or after the Closing Date) and all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III (whether or not promulgated before or after the Closing Date), or any change therein or in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or (B) compliance by any Lender (or its applicable lending office)

or any company controlling such Lender with any guideline, request or directive regarding capital adequacy or liquidity (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, in each case after the date hereof, has or would have the effect of reducing the rate of return on the capital of such Lender or any company controlling such Lender as a consequence of, or with reference to, such Lender's Loans or other obligations hereunder with respect to the Loans to a level below that which such Lender or such controlling company could have achieved but for such adoption, effectiveness, phase-in, applicability, change or compliance (taking into consideration the policies of such Lender or such controlling company with regard to capital adequacy), then from time to time, within five Business Days after receipt by Borrower from such Lender of the statement referred to in the next sentence, Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such controlling company on an after-tax basis for such reduction. Such Lender shall deliver to Borrower (with a copy to Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.19(b), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

2.20. Taxes; Withholding, Etc.

(a) Payments to Be Free and Clear. Subject to Section 2.20(b), all sums payable by any Credit Party hereunder and under the other Credit Documents shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding on account of, any Tax imposed, levied, collected, withheld or assessed by any Governmental Authority or any political subdivision or taxing authority thereof or therein.

(b) Withholding of Taxes. If any Credit Party or the Administrative Agent is required by law to make any deduction or withholding on account of any Tax from any sum paid or payable by or on behalf of any Credit Party to Administrative Agent or any Lender under any of the Credit Documents: (i) Borrower shall notify Administrative Agent or Administrative Agent shall notify Borrower, as applicable, of any such requirement or any change in any such requirement as soon as reasonably possible after Borrower or Administrative Agent becomes aware of it; (ii) Borrower or Administrative Agent (or other relevant Credit Party) shall pay any such Tax to the relevant Governmental Authority before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Credit Party) for its own account or (if that liability is imposed on Administrative Agent or such Lender, as the case may be) on behalf of and in the name of Administrative Agent or such Lender; (iii) the sum payable by such Credit Party in respect of which the relevant deduction or withholding is required shall be increased to the extent necessary to ensure that, after the making of that deduction or withholding (including such deductions and withholdings applicable to additional sums payable under this Section), Administrative Agent or such Lender, as the case may be, receives on the relevant due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and (iv) within thirty days after paying any sum from which any deduction or withholding has been made, Borrower shall deliver to Administrative Agent evidence reasonably

satisfactory to Administrative Agent of such deduction or withholding and of the remittance thereof to the relevant tax or other authority; provided, no such additional amount shall be required to be paid under clause (iii) above with respect to any Excluded Taxes.

(c) Payment of Other Taxes. In addition, Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, and shall indemnify and timely reimburse the Administrative Agent for the payment of, any Other Taxes.

(d) Evidence of Exemption From U.S. Withholding Tax. Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Internal Revenue Code) for U.S. federal income tax purposes shall deliver to Administrative Agent and Borrower, on or prior to the Closing Date (in the case of each Lender listed on the signature pages hereof on the Closing Date) or on or prior to the date of the Assignment Agreement pursuant to which it becomes a Lender (in the case of each other Lender), and at such other times as may be necessary in the determination of Borrower or Administrative Agent (each in the reasonable exercise of its discretion), (i) two copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (claiming the benefits of any applicable income tax treaty), W-8EXP, W-8ECI and/or W-8IMY (or any successor forms), properly completed and duly executed by such Lender, and such other documentation required under the Internal Revenue Code or reasonably requested by Borrower or Administrative Agent to establish that such Lender is not subject to (or is subject to a reduced rate of) deduction or withholding of United States federal income tax with respect to any payments to such Lender of principal, interest, fees or other amounts payable under any of the Credit Documents, or (ii) if such Lender is not a "bank" or other Person described in Section 881(c)(3) of the Internal Revenue Code and is relying on the so-called "portfolio interest exemption," a Certificate re Non-Bank Status together with two copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable and/or W-8IMY (or any successor form), properly completed and duly executed by such Lender, and such other documentation required under the Internal Revenue Code or reasonably requested by Borrower or Administrative Agent to establish that such Lender is not subject to deduction or withholding of United States federal income tax with respect to any payments to such Lender of interest payable under any of the Credit Documents. If any Lender provides an Internal Revenue Service Form W-8IMY, such Lender must also attach the additional documentation that must be transmitted with Internal Revenue Service Form W-8IMY, including the appropriate forms described in this Section 2.20(d). Each Lender that is a United States person (as such term is defined in Section 7701(a)(30) of the Internal Revenue Code) and whose name does not indicate that it is an "exempt recipient" (as such term is defined in Section 1.6049-4(c) of the United States Treasury Regulations) shall deliver to Borrower and Administrative Agent on or prior to the Closing Date (in the case of each Lender listed on the signature pages hereof on the Closing Date) or on or prior to the date of the Assignment Agreement pursuant to which it becomes a Lender (in the case of each other Lender), and at such other times as may be necessary in the determination of Borrower and Administrative Agent (each in the reasonable exercise of its discretion) two copies of Internal Revenue Service Form W-9 (or successor forms). Notwithstanding anything to

the contrary contained herein, a Lender shall not be required to deliver any form or statement pursuant to this Section 2.20(d) that such Lender is not legally able to deliver. Each Lender required to deliver any forms, certificates or other evidence with respect to United States federal income tax withholding matters pursuant to this Section 2.20(d) hereby agrees, from time to time after the initial delivery by such Lender of such forms, certificates or other evidence, whenever a lapse in time or change in circumstances renders such forms, certificates or other evidence obsolete or inaccurate in any material respect, that such Lender shall promptly upon request deliver to Administrative Agent for transmission to Borrower two new copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable, W-8EXP, W-8ECI, W-8IMY or W-9, or a Certificate re Non-Bank Status and two original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable or W-8IMY (or any successor form), as the case may be, properly completed and duly executed by such Lender, and such other documentation required under the Internal Revenue Code or reasonably requested by Borrower or Administrative Agent to confirm or establish that such Lender is not subject to (or is subject to a reduced rate of) deduction or withholding of United States federal income tax with respect to payments to such Lender under the Credit Documents, or notify Administrative Agent and Borrower of its inability to deliver any such forms, certificates or other evidence. Administrative Agent shall provide documentation to Borrower pursuant to this Section 2.20(d) as if it were Lender.

(e) Evidence of Exemption from Non-U.S. Withholding Tax. A Lender that is entitled to an exemption from or reduction of non-U.S. withholding tax under the law of the jurisdiction in which Borrower is subject to tax, or any tax treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver, within a reasonable period of time, to Borrower (with a copy to Administrative Agent), as reasonably requested by Borrower, such properly completed and executed documentation prescribed by applicable law (including, if relevant, a certificate of residence) as will permit such payments to be made without withholding or at a reduced rate, provided that such Lender is able to complete, execute and deliver such documentation legally and without undue prejudice.

(f) Borrower Indemnification for Failure to Pay Required Taxes, etc. Borrower shall indemnify Administrative Agent and the Lenders for any Taxes (including Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) payable or paid by Administrative Agent or Lender or required to be withheld or deducted from a payment to Administrative Agent or Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Payment under this indemnification must be made within fifteen days from the date any of Administrative Agent or any Lender or any of their respective Affiliates makes written demand therefore accompanied by appropriate evidence of the Tax and its payment. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(g) Treatment of Certain Refunds. If Administrative Agent or a

Lender or any other Recipient determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified pursuant to this Section 2.20 or Section 9.9 or with respect to which the Credit Party has paid additional amounts pursuant to this Section 2.20, it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, under this Section 2.20 or Section 9.9 with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the indemnifying party, upon the request of the indemnified party, agrees to repay the amount paid over to the indemnifying party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the indemnified party in the event the indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to any indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require the indemnified party to make available its tax returns (or any other information relating to its Taxes that it deems confidential) to any indemnifying party or any other Person.

(h) FATCA. If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to Borrower and Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower or Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by Borrower or Administrative Agent as may be necessary for Borrower and Administrative Agent to comply with their obligations under FATCA and to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.20(h), "FATCA" shall include any amendments made to FATCA after the Closing Date that are not already included in the definition of "FATCA".

(i) Survival. Each party's obligations under this Section 2.20 shall survive the resignation or replacement of Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of any Commitment and the repayment, satisfaction or discharge of all obligations under any Credit Document.

2.21. Obligation to Mitigate; Limitation on Additional Amounts, etc..

(a) Obligation to Mitigate. Each Lender agrees that, as promptly as practicable after the officer of such Lender responsible for administering its Loans

becomes aware of the occurrence of an event or the existence of a condition that would cause such Lender to become an Affected Lender or that would entitle such Lender to receive payments under Sections 2.18, 2.19 or 2.20, it will, to the extent not inconsistent with the internal policies of such Lender and any applicable legal or regulatory restrictions, use reasonable efforts to (a) make, issue, fund or maintain its Credit Extensions, including any Affected Loans, through another office of such Lender, or (b) take such other measures as such Lender may deem reasonable, if as a result thereof the circumstances which would cause such Lender to be an Affected Lender would cease to exist or the additional amounts which would otherwise be required to be paid to such Lender pursuant to Sections 2.18, 2.19 or 2.20 would be materially reduced and if, as determined by such Lender in its sole discretion, the making, issuing, funding or maintaining of such Loans through such other office or in accordance with such other measures, as the case may be, would not otherwise adversely affect such Loans or the interests of such Lender; provided, such Lender will not be obligated to utilize such other office pursuant to this Section 2.21 unless Borrower agrees to pay all incremental expenses incurred by such Lender as a result of utilizing such other office as described above. A certificate as to the amount of any such expenses payable by Borrower pursuant to this Section 2.21 (setting forth in reasonable detail the basis for requesting such amount) submitted by such Lender to Borrower (with a copy to Administrative Agent) shall be conclusive absent manifest error.

2.22. Defaulting Lender Cure. If Borrower and Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, fund any Loans that such Lender has failed to fund, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrower while that Lender was a Defaulting Lender; and provided further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

2.23. Removal or Replacement of a Lender. Anything contained herein to the contrary notwithstanding, in the event that: (a) (i) any Lender (an **"Increased-Cost Lender"**) shall give notice to Borrower that such Lender is an Affected Lender or that such Lender is entitled to receive payments under Section 2.18, 2.19 or 2.20, (ii) the circumstances which have caused such Lender to be an Affected Lender or which entitle such Lender to receive such payments shall remain in effect, and (iii) such Lender shall fail to withdraw such notice within five Business Days after Borrower's request for such withdrawal; or (b) (i) any Lender shall become and continues to be a Defaulting Lender, and (ii) such Defaulting Lender shall fail to cure the default pursuant to Section 2.22 within five Business Days after Borrower's request that it cure such default and with respect to each such Increased-Cost Lender or Defaulting Lender (the **"Terminated Lender"**), Borrower may, by giving written notice to Administrative Agent and any Terminated Lender of its election to do so, elect to cause such Terminated Lender (and such Terminated Lender hereby irrevocably agrees) to assign its outstanding Loans and unused Commitments in full to one or more Eligible Assignees (each a **"Replacement Lender"**) in accordance with the provisions of Section 10.6 except no fee shall be payable thereunder in

connection with any such assignment from an Increased-Cost Lender and the Defaulting Lender shall pay the fees, if any, payable thereunder in connection with any such assignment from such Defaulting Lender; provided, (1) on the date of such assignment, the Replacement Lender shall pay to Terminated Lender an amount equal to the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Terminated Lender; and (2) on the date of such assignment, Borrower shall pay any amounts payable to such Terminated Lender pursuant to Section 2.11, 2.18(c), 2.19 or 2.20; or otherwise as if it were a prepayment; provided, any rights of such Terminated Lender to indemnification hereunder shall survive as to such Terminated Lender; provided, no such assignment will be required if it results from a claim for compensation under Section 2.19 or payments required to be made pursuant to Section 2.20 unless it will result in a reduction of such compensation or payments thereafter. Each Lender agrees that if Borrower exercises its option hereunder to cause an assignment by such Lender as a Terminated Lender, such Lender shall, promptly after receipt of written notice of such election, execute and deliver all documentation necessary to effectuate such assignment in accordance with Section 10.6. In the event that a Lender does not comply with the requirements of the immediately preceding sentence within one Business Day after receipt of such notice, each Lender hereby authorizes and directs Administrative Agent to execute and deliver such documentation as may be required to give effect to an assignment in accordance with Section 10.6 on behalf of a Terminated Lender and any such documentation so executed by Administrative Agent shall be effective for purposes of documenting an assignment pursuant to Section 10.6.

2.24. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(a) use any portion or proceeds of the Loans or the Collateral, or disbursements set forth in the Operative Approved Cash Flow Forecast, for payments or purposes that would violate the terms of the Interim Order or the Final Order;

(b) incur, create, assume, suffer to exist or permit any other superpriority administrative claim which is pari passu with or senior to the claim of the Secured Parties against any Credit Party, except for the Carve Out or as otherwise expressly permitted by the Orders;

(c) assert, join, investigate, support or prosecute any claim or cause of action against any of the Secured Parties (in their capacities as such), unless such claim or cause of action is in connection with the enforcement of the Credit Documents against any of the Secured Parties;

(d) enter into any agreement to return any of its inventory to any of its creditors for application against any pre-petition Indebtedness, pre-petition trade payables or other pre-petition claims under Section 546(c) of the Bankruptcy Code or allow any creditor to take any setoff or recoupment against any of its pre-petition Indebtedness, pre-petition trade payables or other pre-petition claims based upon any such return pursuant to Section 553(b)(1) of the Bankruptcy Code or otherwise if, after giving effect to any such agreement, setoff or recoupment, the aggregate amount applied to pre-petition Indebtedness, pre-petition trade payables and other pre-petition claims subject to all such agreements, setoffs and recoupments since the Petition Date would exceed $250,000;

(e) seek, consent to, or permit to exist, without the prior written consent of the Administrative Agent, at the direction of Requisite Term Lenders and Requisite Roll-Up Lenders, any order granting authority to take any action that is prohibited by the terms of this Agreement, the Interim Order, the Final Order or the other Credit Documents or refrain from taking any action that is required to be taken by the terms of this Agreement, the Interim Order, the Final Order or any of the other Credit Documents;

(f) subject to the terms of the Orders and subject to Article 8, object to, contest, delay, prevent or interfere with in any material manner the exercise of rights and remedies by the Agents, the Lenders or other Secured Parties with respect to the Collateral following the occurrence of an Event of Default, including without limitation a motion or petition by any Secured Party to lift an applicable stay of proceedings to do the foregoing (provided that any Credit Party may contest or dispute whether an Event of Default has occurred in accordance with the terms of the Orders); or

(g) except as expressly provided or permitted hereunder (including, without limitation, to the extent pursuant to any "first day" or "second day" orders complying with the terms of this Agreement) or, with the prior consent of the Requisite Term Lenders, make any payment or distribution to any non-Debtor Affiliate or insider of any Debtor outside of the ordinary course of business or as otherwise contemplated in the Operative Approved Cash Flow Forecast (subject to Permitted Variances).

SECTION 7. GUARANTY

7.1. Guaranty of the Obligations. Subject to the provisions of Section 7.2,

(a) The Term Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to Administrative Agent, for the ratable benefit of the Beneficiaries, the due and punctual Payment in Full of all Obligations (other than Roll-up Obligations) when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the Automatic Stay) (collectively, the **"Guaranteed Term Obligations"**); and

(b) The Roll-Up Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to Administrative Agent, for the ratable benefit of the

Beneficiaries, the due and punctual Payment in Full of all Roll-Up Obligations when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) (collectively, the **"Guaranteed Roll-Up Obligations"** and, together with the Guaranteed Term Obligations, the **"Guaranteed Obligations**").

7.2. Contribution by Guarantors. All Guarantors desire to allocate among themselves (collectively, the **"Contributing Guarantors"**), in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a **"Funding Guarantor"**) under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor's Aggregate Payments to equal its Fair Share as of such date. **"Fair Share"** means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors multiplied by (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the Applicable Guaranteed Obligations. **"Fair Share Contribution Amount"** means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty in respect of Applicable Guaranteed Obligations that would not render its obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the **"Fair Share Contribution Amount"** with respect to any Contributing Guarantor for purposes of this Section 7.2, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. **"Aggregate Payments"** means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (1) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including, without limitation, in respect of this Section 7.2), minus (2) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other Contributing Guarantors as contributions under this Section 7.2. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among Contributing Guarantors of their obligations as set forth in this Section 7.2 shall not be construed in any way to limit the liability of any Contributing Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 7.2.

7.3. Payment by Guarantors. Subject to Section 7.2, Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of Borrower to pay any of the Applicable Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration,

demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)), Guarantors will upon demand pay, or cause to be paid, in Cash, to Administrative Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Applicable Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Applicable Guaranteed Obligations (including interest which, but for Borrower's becoming the subject of a case under the Bankruptcy Code, would have accrued on such Applicable Guaranteed Obligations, whether or not a claim is allowed against Borrower for such interest in the related bankruptcy case) and all other Applicable Guaranteed Obligations then owed to Beneficiaries as aforesaid.

7.4. Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than Payment in Full of the Applicable Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability. This Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(b) Administrative Agent may enforce this Guaranty upon the occurrence, but only during the continuance, of an Event of Default notwithstanding the existence of any dispute between Borrower and any Beneficiary with respect to the existence of such Event of Default;

(c) the obligations of each Guarantor hereunder are independent of the obligations of Borrower and the obligations of any other guarantor (including any other Guarantor) of the obligations of Borrower, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against Borrower or any of such other guarantors and whether or not Borrower is joined in any such action or actions;

(d) payment by any Guarantor of a portion, but not all, of the Applicable Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Applicable Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if Administrative Agent is awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the Applicable Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Applicable Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Applicable Guaranteed Obligations;

(e) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's

liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith or the applicable Hedge Agreement and any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against any other Credit Party or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Credit Documents, any Secured Hedge Agreements or any Designated Coal Contract; and

(f) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than Payment in Full of the Applicable Guaranteed Obligations (other than contingent indemnity obligations not then due and payable), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Credit Documents, any Secured Hedge Agreements or any Designated Coal Contracts, at law, in equity or otherwise) with respect to the Applicable Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Applicable Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Credit Documents, any of the Secured Hedge Agreements, any of the Designated Coal Contracts, or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Applicable Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Credit Document, such Secured Hedge Agreement, such Designated Coal Contract or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the

application of payments received from any source (other than payments received pursuant to the other Credit Documents, any of the Secured Hedge Agreements, any of the Designated Coal Contracts or from the proceeds of any security for the Applicable Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Applicable Guaranteed Obligations) to the payment of indebtedness other than the Applicable Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Applicable Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of Holdings or any of its Subsidiaries and to any corresponding restructuring of the Applicable Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Applicable Guaranteed Obligations (subject to the limitations set forth in the Collateral Documents); (vii) any defenses, set-offs or counterclaims which Borrower may allege or assert against any Beneficiary in respect of the Applicable Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Applicable Guaranteed Obligations.

7.5. Waivers by Guarantors. Each Guarantor hereby waives, to the extent permitted by applicable law, for the benefit of Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against Borrower, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Beneficiary in favor of any Credit Party or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Borrower or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Borrower or any other Guarantor from any cause other than Payment in Full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to bad faith; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder, the Secured Hedge Agreements, the Designated Coal Contracts or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit

to Borrower and notices of any of the matters referred to in Section 7.4 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

7.6. Guarantors' Rights of Subrogation, Contribution, Etc. Until the Applicable Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending) shall have been Paid in Full, each Guarantor hereby waives, to the extent permitted by law, any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against Borrower or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against Borrower with respect to the Applicable Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until the Applicable Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending) shall have been Paid in Full, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Applicable Guaranteed Obligations, including any such right of contribution as contemplated by Section 7.2. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against Borrower or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against Borrower, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Applicable Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending) shall not have been finally and Paid in Full, such amount shall, to the extent possible under applicable law, be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Applicable Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

7.7. Subordination of Other Obligations. Any Indebtedness of Borrower or any Guarantor now or hereafter held by any Guarantor (the **"Obligee Guarantor"**) is hereby subordinated in right of payment to the Guaranteed Obligations, and any such Indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall, to the extent permitted by applicable law, be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but

without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

7.8. Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until all of the Applicable Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending) shall have been Paid in Full. Each Guarantor hereby irrevocably waives, to the extent permitted by applicable law, any right to revoke this Guaranty as to future transactions giving rise to any Applicable Guaranteed Obligations.

7.9. Authority of Guarantors or Borrower. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or Borrower or the officers, directors or any agents acting or purporting to act on behalf of any of them.

7.10. Financial Condition of Borrower. Any Credit Extension may be made to Borrower or continued from time to time, and any Secured Hedge Agreements and Designated Coal Contracts may be entered into from time to time, in each case without notice to or authorization from any Guarantor regardless of the financial or other condition of Borrower at the time of any such grant or continuation or at the time such Secured Hedge Agreement or Designated Coal Contract is entered into, as the case may be. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of Borrower. Each Guarantor has adequate means to obtain information from Borrower on a continuing basis concerning the financial condition of Borrower and its ability to perform its obligations under the Credit Documents, the Secured Hedge Agreements and the Designated Coal Contracts, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of Borrower and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives, to the extent permitted by applicable law, and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of Borrower now known or hereafter known by any Beneficiary.

7.11. Bankruptcy, Etc.

(a) So long as any Applicable Guaranteed Obligations remain outstanding (other than contingent obligations under general indemnification provisions as to which no claim is pending or reasonably foreseeable), no Guarantor shall, without the prior written consent of Administrative Agent acting pursuant to the instructions of Requisite Lenders, commence or join with any other Person in commencing any bankruptcy, reorganization or insolvency case or proceeding of or against Borrower or any other Guarantor. The obligations of Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of Borrower or any other Guarantor or by any defense which Borrower or any other Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) Each Guarantor acknowledges and agrees that any interest on any

portion of the Applicable Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in clause (a) above (or, if interest on any portion of the Applicable Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Applicable Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Applicable Guaranteed Obligations because it is the intention of Guarantors and Beneficiaries that the Applicable Guaranteed Obligations which are guaranteed by Guarantors pursuant hereto should be determined without regard to any rule of law or order which may relieve Borrower of any portion of such Applicable Guaranteed Obligations. Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar Person to pay Administrative Agent, or allow the claim of Administrative Agent in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) In the event that all or any portion of the Applicable Guaranteed Obligations are paid by Borrower, the obligations of Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Beneficiary as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Applicable Guaranteed Obligations for all purposes hereunder.

7.12. Discharge of Guaranty Upon Sale of Guarantor. If all of the Equity Interests of any Guarantor or any of its successors in interest hereunder shall be sold or otherwise disposed of (including by merger or consolidation) in accordance with the terms and conditions hereof, then the Guaranty of such Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any Beneficiary or any other Person effective as of the time of such Asset Sale.

7.13. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Credit Party to honor all of its obligations under this Guaranty or the Pledge and Security Agreements in respect of Swap Obligations under any Secured Hedge Agreement (provided, however, that each Qualified ECP Guarantor shall only be liable under this Guaranty for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 7.13, or otherwise under this Guaranty or the Pledge and Security Agreements, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 7.13 shall remain in full force and effect until the guarantees in respect of Swap Obligations under each Secured Hedge Agreement have been discharged, or otherwise released or terminated in accordance with the terms of this Agreement (other than contingent obligations under general indemnification provisions as to which no claim is pending). Each Qualified ECP Guarantor intends that this Section 7.13 constitute, and this Section 7.13 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 8. EVENTS OF DEFAULT

8.1. Events of Default. If any one or more of the following conditions or events shall occur:

(a) Failure to Make Payments When Due. Failure by Borrower to pay (i) when due any amount of principal of any Loan, whether at stated maturity, by acceleration, by mandatory prepayment or otherwise; or (ii) any interest on any Loan or any fee or any other amount due hereunder and such payment is not made within five Business Days after the date due; or

(b) Default in Other Agreements. (i) Failure of any Credit Party or any of their respective Restricted Subsidiaries to pay when due any principal of or interest on or any other amount, including any payment in settlement, payable in respect of one or more items of Indebtedness (other than Indebtedness referred to in Section 8.1(a), and other than any Prepetition Debt) with an aggregate principal amount (or Net Mark-to-Market Exposure) of $10,000,000 or more, in each case beyond the grace period, if any, provided therefor; (ii) breach or default by any Credit Party with respect to any other material term of (1) one or more items of Indebtedness (other than any Prepetition Debt) in the individual or aggregate principal amounts (or Net Mark-to-Market Exposure) referred to in clause (b) above or (2) any loan agreement, mortgage, indenture or other agreement relating to such item(s) of Indebtedness, in each case beyond the grace period, if any, provided therefor, if the effect of such breach or default is to cause, or to permit the holder or holders of that Indebtedness (or a trustee on behalf of such holder or holders), to cause, that Indebtedness to become or be declared due and payable (or subject to a compulsory repurchase or redeemable) prior to its stated maturity or the stated maturity of any underlying obligation, as the case may be; or (iii) any termination of a Designated Coal Contract resulting in a Termination Amount payable by any applicable Credit Party, together with the aggregate Termination Amount payable by all applicable Credit Parties, with respect to all other Designated Coal Contracts, in an aggregate amount of $10,000,000 or more; provided further that this clause (b) shall not apply to (i) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and (ii) any Indebtedness if the sole remedy of the holder thereof in the event of the non-payment of such Indebtedness or the non-payment or non-performance of obligations related thereto is to convert such Indebtedness into Equity Interests (other than Disqualified Equity Interests) and cash in lieu of fractional shares; provided, further, that an Event of Default under this clause (b) shall no longer be deemed to exist or to be continuing if it has been remedied or has been waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to this Section 8.1; or

(c) Breach of Certain Covenants. Failure of any Credit Party, to perform or comply with any term or condition contained in (i) Section 5.1(f)(i), Section 5.2 (with respect to Borrower), Section 5.17, Section 5.18, Section 5.19, Section 5.20 or Section 6, (ii) Section 5.1(p), Section 5.1(q), Section 5.1(r), Section 5.1(s), 5.1(t) or Section 5.16 and such failure under this clause (b) shall continue for 15 days;

provided, that (x) a Default or Event of Default by any Credit Party under Sections 6.7(a), (b) or (c) (a "**Term Financial Covenant Event of Default**") shall not constitute a Default or an Event of Default with respect to the Roll-Up Obligations, unless and until the Requisite Term Lenders shall have declared all amounts outstanding under the Term Loan Facility to be due and payable and (y) a Default or Event of Default by any Credit Party under Section 6.7(d) (a "**Roll-Up Financial Covenant Event of Default**") shall not constitute a Default or an Event of Default with respect to the Guaranteed Term Obligations (including for purposes of Section 2.2 and 6.18), unless and until the Requisite Roll-Up Lenders shall have declared all amounts outstanding under the Roll-Up Facility to be due and payable; or

(d) Breach of Representations, Etc. Any representation, warranty, certification or other statement of fact made or deemed made by any Credit Party, in any Credit Document shall be false in any material respect as of the date made or deemed made; or

(e) Other Defaults Under Credit Documents. Any Credit Party, shall default in the performance of or compliance with any term contained herein or any of the other Credit Documents, other than any such term referred to in any other paragraph of this Section 8.1, such default shall not have been remedied or waived within thirty days after receipt by Borrower of notice from Administrative Agent or the Requisite Lenders of such default; or

(f) Involuntary Bankruptcy; Appointment of Receiver, Etc. In each case, other than as it relates to any Subsidiary of Murray South America, Inc., (i) A court of competent jurisdiction shall enter a decree or order for relief in respect of any Restricted Subsidiary of Holdings that is not a Debtor, in an involuntary case under any Debtor Relief Laws now or hereafter in effect, which decree or order is not stayed; or any other similar relief shall be granted under any applicable federal or state law; or (ii) an involuntary case shall be commenced against any of Restricted Subsidiary of Holdings that is not a Debtor, under any Debtor Relief Laws now or hereafter in effect; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, sequestrator, trustee, custodian or other officer having similar powers over any Restricted Subsidiary of Holdings that is not a Debtor, or over all or a substantial part of its property, shall have been entered; or there shall have occurred the involuntary appointment of an interim receiver, trustee or other custodian of any Restricted Subsidiary of Holdings that is not a Debtor for all or a substantial part of its property; or a warrant of attachment, execution or similar process shall have been issued against any substantial part of the property of any Restricted Subsidiary that is not a Debtor, and any such event described in this clause (f) shall continue for sixty days without having been dismissed, bonded or discharged; or

Each Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Credit Document by or through any one or more sub-agents appointed by such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of this Section 9.3 and of Section 9.6 and Section 10.2 shall apply to Affiliates of the Agents and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent. All of the rights, benefits, and privileges (including the exculpatory and indemnification provisions) of this Section 9.3 and of Section 9.6 and Section 10.2 shall apply to any such sub-agent and to the Affiliates of any such sub-agent, and shall apply to their respective activities as sub-agent as if such sub-agent and Affiliates were named herein. Notwithstanding anything herein to the contrary, with respect to each sub-agent appointed by any Agent, (i) such sub-agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including exculpatory rights and rights to indemnification) and shall have all of the rights and benefits of a third party beneficiary, including an independent right of action to enforce such rights, benefits and privileges (including exculpatory rights and rights to indemnification) directly,

without the consent or joinder of any other Person, against any or all of Credit Parties and the Lenders, (ii) such rights, benefits and privileges (including exculpatory rights and rights to indemnification) shall not be modified or amended without the consent of such sub-agent, and (iii) such sub-agent shall only have obligations to the Agents and not to any Credit Party, Lender or any other Person and no Credit Party, Lender or any other Person shall have any rights, directly or indirectly, as a third party beneficiary or otherwise, against such sub-agent.

9.4. Agents Entitled to Act as Lender. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. With respect to its participation in the Loans, each Agent shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term "Lender" shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity. Any Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with Holdings or any of its Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from Borrower for services in connection herewith and otherwise without having to account for the same to Lenders.

9.5. Lenders' Representations, Warranties and Acknowledgment.

(a) Each Lender represents and warrants that it has made its own independent investigation of the financial condition and affairs of Holdings and its Subsidiaries in connection with Credit Extensions hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of Holdings and its Subsidiaries. No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and no Agent shall have any responsibility with respect to the accuracy of or the completeness of any information provided to Lenders.

(b) Each Lender, by delivering its signature page to this Agreement or an Assignment Agreement and funding its Term Loan on the Closing Date (or, in the case of Roll-Up Loans, upon the Roll-Up) shall be deemed to have acknowledged receipt of, and consented to and approved, each Credit Document and each other document required to be approved by any Agent, Requisite Lenders or Lenders, as applicable, on the Closing Date.

9.6. Right to Indemnity. Each Lender, in proportion to its Ratable Portion, severally agrees to indemnify each Agent, to the extent that such Agent shall not have been reimbursed by any Credit Party, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Agent in exercising its powers, rights and remedies or performing its duties hereunder or under the other Credit Documents or otherwise in its capacity as such Agent or such

arranger in any way relating to or arising out of this Agreement or the other Credit Documents; provided, no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's Ratable Portion thereof; and provided further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the proviso in the immediately preceding sentence.

9.7. Successor Administrative Agent.

(a) Administrative Agent shall have the right to resign and appoint one of its controlled Affiliates as successor at any time by giving prior written notice to the Lenders and Borrower. Alternatively, Administrative Agent shall have the right to resign at any time by giving 30 days' prior written notice thereof to Lenders and Borrower and Administrative Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to Borrower and Administrative Agent and signed by Requisite Lenders. Upon any such notice of resignation or any such removal, Requisite Lenders shall have the right, with the Borrower's consent (not to be unreasonably withheld or delayed; provided that Borrower consent shall not be required if an Event of Default pursuant to Section 8.1(a), (f) or (g) has occurred and is continuing), to appoint a successor Administrative Agent. If no successor shall have been so appointed by the Requisite Lenders (and consented to by Borrower, if applicable) and shall have accepted such appointment within 15 days after the retiring Administrative Agent gives notice of its intent to resign, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor (subject to the same Borrower consent right set forth above).

(b) Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, that successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Administrative Agent and the retiring or removed Administrative Agent shall promptly transfer to such successor Administrative Agent all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Administrative Agent under the Credit Documents, whereupon such retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder. Notwithstanding the foregoing, in the event no successor shall have been so appointed and shall have accepted such appointment within 15 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders and Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (a) the retiring Administrative Agent shall be

discharged from its duties and obligations hereunder and under the other Credit Documents and (b) the Requisite Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, provided that all payments required to be made hereunder or under any other Credit Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person. After any retiring or removed Administrative Agent's resignation or removal hereunder as Administrative Agent, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent hereunder.

9.8. Collateral Documents and Guaranty.

(a) Collateral Agent. Each Secured Party hereby further authorizes Administrative Agent to appoint the Collateral Agent to act on behalf of the Secured Parties. Each Secured Party hereby further authorizes Administrative Agent or Collateral Agent, as applicable, on behalf of and for the benefit of Secured Parties, to be the agent for and representative of Secured Parties with respect to the Guaranty, the Collateral, the Collateral Documents and any security granted pursuant to the Orders; provided that, without limiting the express obligations of Administrative Agent or Collateral Agent under any Collateral Document or any Order to holders of Obligations under any Designated Coal Contract, no Agent shall owe any fiduciary duty, duty of loyalty, duty of care, duty of disclosure or any other obligation whatsoever to any holder of Obligations with respect to any Secured Hedge Agreement or Designated Coal Contract. Subject to Section 10.5, without further written consent or authorization from any Secured Party, Administrative Agent or Collateral Agent, as applicable, may execute any documents or instruments necessary to (i) in connection with a sale or disposition of assets permitted by this Agreement or designation of a Guarantor as an Unrestricted Subsidiary in accordance with Section 5.15, release any Lien encumbering any item of Collateral that is the subject of such sale or other disposition of assets or that is owned or held by such designated Guarantor or to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 10.5 or otherwise pursuant to this Agreement) have otherwise consented, (ii) release any Guarantor from the Guaranty pursuant to Section 7.12 or with respect to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 10.5 or otherwise pursuant to this Agreement) have otherwise consented or (iii) subordinate any Lien encumbering Collateral to any Permitted Lien thereon that may be prior to such Lien in accordance with the terms of this Agreement (subject to the discretion of Collateral Agent as to whether such Permitted Lien is intended to be prior to the Liens securing the Secured Obligations (as defined in any applicable Collateral Document)), it being agreed that the Lien of the Collateral Agent encumbering any item of Collateral may be subordinated to any Lien permitted under Section 6.2(e) and (i). Subject to Section 10.5 to the extent applicable, without further written consent or authorization from any Secured Party, Administrative Agent or Collateral Agent, as applicable, may execute any documents or instruments necessary to enter into any intercreditor or subordination arrangement in connection with any Indebtedness permitted to be incurred under this Agreement including any Indebtedness under the Prepetition Revolving Credit Agreement; *provided* however, that the Agents shall not release the Lien of the Roll-Up Lenders on the ABL

Collateral without the consent of the Requisite Roll-Up Lenders unless the sale or disposition of such ABL Collateral is at least equal to the fair market value thereof.

(b) Right to Realize on Collateral and Enforce Guaranty. Anything contained in any of the Credit Documents to the contrary notwithstanding, but at all times subject to the Bankruptcy Court and the Orders, Borrower, each Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder and under any of the other Credit Documents (other than Collateral Documents) may be exercised solely by Administrative Agent, for the benefit of Secured Parties in accordance with the terms hereof or thereof, and all powers, rights and remedies under the Collateral Documents may be exercised solely by Collateral Agent for the benefit of the Secured Parties in accordance with the terms thereof, and (ii) in the event of a foreclosure or similar enforcement action by Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition (including, without limitation, pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code), Collateral Agent (or any Lender, except with respect to a "credit bid" pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code,) may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities) shall be entitled, upon instructions from Requisite Lenders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale or disposition, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by Collateral Agent at such sale or other disposition; *provided* however, that the Agents shall not release the Lien of the Roll-Up Lenders on the ABL Collateral without the consent of the Requisite Roll-Up Lenders unless the sale or disposition of such ABL Collateral is at least equal to the fair market value thereof.

(c) Rights under Hedge Agreements, Secured Commodities Agreements and Designated Coal Contracts. No Hedge Agreement will create (or be deemed to create) in favor of any Lender Counterparty that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Guarantor under the Credit Documents or any Order except as expressly provided in Sections 10.5(c)(iii) and (v) of this Agreement and Section 8.2. By accepting the benefits of the Collateral, such Lender Counterparty shall be deemed to have appointed Collateral Agent as its agent and agreed to be bound by the Credit Documents as a Secured Party, subject to the limitations set forth in this clause (c). No Secured Commodities Agreement will create (or be deemed to create) in favor of any Commodities Hedge Provider that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Guarantor under the Credit Documents except as expressly provided in Sections 10.5(c)(iii) and (v) of this Agreement and Section 8.2. By accepting the benefits of the Collateral, such Commodities Hedge Provider shall be deemed to have appointed Collateral Agent as its agent and agreed to be bound by the Credit Documents as a Secured Party, subject to the limitations set forth in this clause (c). No Designated Coal Contract will create (or be deemed to create) in favor

of any Designated Coal Contract Counterparty that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Guarantor under the Credit Documents except as expressly provided in Sections 10.5(c)(iii) and (v) of this Agreement and Section 8.2. By accepting the benefits of the Collateral, such Designated Coal Contract Counterparty shall be deemed to have appointed Collateral Agent as its agent and agreed to be bound by the Credit Documents as a Secured Party, subject to the limitations set forth in this clause (c).

(d) Release of Guarantees, Termination of this Agreement. Notwithstanding anything to the contrary contained herein or any other Credit Document, when all Obligations (other than (i) contingent indemnity obligations that are not due and payable and (ii) obligations and liabilities in respect of any Secured Hedge Agreement or Designated Coal Contract) have been Paid in Full, and all Commitments have terminated or expired, the guarantees made herein shall automatically terminate and, upon request of Borrower, Administrative Agent shall (without notice to, or vote or consent of, any Lender, or any Affiliate of any Lender that is a party to any Hedge Agreement, any Commodities Hedge Provider that is a party to any Secured Commodities Agreement or any Designated Coal Contract Counterparty that is a party to a Designated Coal Contract) take such actions as shall be required to terminate this Agreement and to release all guarantee obligations provided for in any Credit Document, whether or not on the date of such release there may be outstanding Obligations in respect of Hedge Agreements, Secured Commodities Agreements or Designated Coal Contracts. Any such release of guarantee obligations shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(e) The Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Collateral Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

(f) Notwithstanding anything in the Credit Documents to the contrary, no Agent shall have any responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the perfection or maintenance of any security interest created hereunder or under any other Credit Document.

9.9. Withholding Taxes. To the extent required by any applicable law, Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority asserts a claim that Administrative Agent did not properly withhold Tax from amounts

paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, or if Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding Tax from such payment, such Lender shall indemnify Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrower and without limiting the obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by Administrative Agent as Tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses and out-of-pocket expenses) incurred.

9.10. Administrative Agent May File Bankruptcy Disclosure and Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Laws relative to any Credit Party, Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that, in its sole opinion, complies with such rule's disclosure requirements for entities representing more than one creditor;

(b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel and all other amounts due to the Agents and/or the Indemnitees under Sections 2.11, 10.2 and 10.3 allowed in such judicial proceeding; and

(c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Administrative Agent and, in the event that Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due to the Agents and/or the Indemnitees under Sections 2.11, 10.2 and 10.3. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Agents, their respective agents and counsel, and any other amounts due to the Agents and/or the Indemnitees under Sections 2.11, 10.2 and 10.3 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

(d) Nothing contained herein shall be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Except as specifically provided in this Section 10.2, this Section 10.2 shall not apply to Taxes, which are the subject to Section 2.20).

10.3. Indemnity.

(a) In addition to the payment of expenses pursuant to Section 10.2, each Credit Party agrees to indemnify, pay and hold harmless, each Agent and Lender and each of their Affiliates and each of their and their Affiliates' respective officers, partners, members, directors, trustees, advisors, employees, attorneys, agents, sub-agents and controlling persons (each, an **"Indemnitee"**), from and against any and all Indemnified Liabilities; provided, no Credit Party shall have any obligation to any Indemnitee hereunder with respect to any Indemnified Liabilities (i) to the extent such

Indemnified Liabilities resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, (ii) arises out of or is in connection with any claim, litigation, loss or proceeding not involving an act or omission of any Credit Party or any of Credit Party's related parties and that is brought by an Indemnitee against another Indemnitee (other than against the applicable Indemnitee in its capacity as Agent hereunder) or (iii) resulted from material breach by such Indemnitee of the terms of this Agreement or any other Credit Documents, in each case of clauses (a) - (a), as determined by a final, non-appealable judgment of a court of competent jurisdiction (collectively, the **"Excluded Damages"**). To the extent that the undertakings to indemnify, pay and hold harmless set forth in this Section 10.3 (other than any Excluded Damage) may be unenforceable in whole or in part because they are violative of any law or public policy or are otherwise unavailable to any Indemnitee or are insufficient to hold such Indemnitee harmless, the applicable Credit Party shall contribute to the amount paid or payable by such Indemnitee as a result of such Indemnified Liabilities in such proportion as is appropriate to reflect the relative economic interests of (a) such Credit Party and its affiliates, shareholders, partners, members or other equity holders on the one hand and (b) such Indemnitee on the other hand in the matters contemplated by this Agreement as well as the relative fault of (1) such Credit Party and its affiliates, shareholders, partners, members or other equity holders and (2) such Indemnitee with respect to such Indemnified Liabilities and any other relevant equitable considerations. Promptly after receipt by any Indemnitee of notice of its involvement in any action, proceeding or investigation, such Indemnitee shall, if a claim for indemnification in respect thereof is to be made against the Credit Parties under this Section 10.3, notify Borrower of such involvement. Failure by such Indemnitee to so notify Borrower shall not relieve any Credit Party from its obligation to indemnify such Indemnitee under this Section 10.3 except to the extent that such Credit Party suffers actual prejudice as a result of such failure, and shall not relieve any Credit Party from its obligation to provide reimbursement and contribution to such Indemnitee. With respect to an Indemnitee hereunder in the event of any action or proceeding brought by a third party, Borrower shall be entitled, but not required, to assume the defense of any such action or proceeding with counsel reasonably satisfactory to the Indemnitee. Upon assumption by Borrower of the defense of any such action or proceeding, the Indemnitee shall have the right to participate in such action or proceeding and to retain its own counsel but Borrower shall not be liable for any legal expenses of other counsel subsequently incurred by the Indemnitee in connection with the defense thereof unless (x) Borrower has agreed to pay such fees and expenses, (y) Borrower has failed to employ counsel reasonably satisfactory to the Indemnitee in a timely manner and Borrower has been advised in writing of such circumstance by the Indemnitee, or (z) the Indemnitee advises Borrower in writing that the Indemnitee has been advised by counsel that there are actual or potential conflicting interests between Borrower and the Indemnitee, including situations in which there are one or more legal defenses available to the Indemnitee that are different from or additional to those available to Borrower; provided, however, that Borrower shall not, in connection with any one such action or proceeding or separate but substantially similar actions or proceedings arising out of the same general allegations, be liable for the fees and expenses of more than one separate firm of attorneys at any time for all Indemnitees, except to the extent that local counsel, in addition to its regular

counsel, is required in order to effectively defend against such action or proceeding. Borrower shall not consent to the terms of any compromise or settlement of any action or proceeding defended by Borrower in accordance with the foregoing without the prior written consent of the Indemnitee unless such compromise or settlement (A) includes an unconditional release of the Indemnitee from all liability arising out of such action and (B) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any Indemnitee. No Credit Party shall be required to indemnify any Indemnitee for any amount paid or payable by the Indemnitee in the settlement of any action, proceeding or investigation without the written consent of Borrower, which consent shall not be unreasonably withheld, conditioned or delayed; provided that the foregoing indemnity will apply to any such settlement in the event that Borrower was expressly offered the ability to assume the defense of the action that was the subject matter of such settlement and elected not to so assume. The reimbursement, indemnity and contribution obligations of the Credit Parties under this paragraph will be in addition to any liability which the Credit Parties may otherwise have, and will be binding upon and inure to the benefit of any successors, and assigns of the Credit Parties and the Indemnitees. Notwithstanding anything in this Agreement or any other Credit Document to the contrary, the Credit Parties shall not be required to indemnify any Agent, Lender or other Indemnitee hereunder for any matter, claim, fees, costs or expenses arising in such Agent's, Lender's or Indemnitees', as applicable, capacity as either (A) Lender Counterparty, or (B) in any role in connection with the Prepetition Revolving Credit Agreement or (C) in any role in connection with the Cases (other than as Agents and/or Lenders hereunder).

(b) To the extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against each other party hereto and their respective Affiliates and their and their Affiliates' respective officers, partners, members, directors, trustees, advisors, employees, attorneys, agents, sub-agents or controlling parties, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Credit Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each party hereto hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that nothing contained in this Section 10.3(b) shall limit any Credit Party's indemnification obligations set forth in Section 10.3 to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which such Indemnitee is entitled to indemnification hereunder.

(c) Each Credit Party also agrees that no Lender, Agent nor their respective Affiliates nor their or their Affiliates' respective officers, partners, members, directors, trustees, advisors, employees, attorneys, agents, sub-agents or controlling parties will have any liability based on its exclusive or contributory negligence or

otherwise to any Credit Party or any person asserting claims on behalf of or in right of any Credit Party or any other person in connection with or as a result of this Agreement or any Credit Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, in each case, except in the case of any Credit Party to the extent that any losses, claims, damages, liabilities or expenses incurred by such Credit Party or its affiliates, shareholders, partners or other equity holders have been found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Lender, Agent or their respective Affiliates or their or their Affiliates' respective officers, partners, members, directors, trustees, advisors, employees, attorneys, agents, sub-agents or controlling parties in performing the services or its express obligations under this Agreement or any Credit Document or any material breach by such Lender or Agent of the terms hereof or thereof; provided, however, that in no event will such Lender, Agent or their respective Affiliates or their or their Affiliates' respective officers, partners, members, directors, trustees, advisors, employees, attorneys, agents, sub-agents or controlling parties have any liability for any indirect, consequential, special or punitive damages in connection with or as a result of such Lender's, Agent's or their respective Affiliates' or their or their respective Affiliates' officers', partners', members', directors', trustees', advisors', employees', attorneys', agents', sub-agents' or controlling parties' activities related to this Agreement or any Credit Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein.

(d) [Reserved].

(e) [Reserved].

10.4. Set-Off. Subject to the Orders and the final sentence of Section 8.1, in addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence and during the continuance of any Event of Default each Lender is hereby authorized by each Credit Party at any time or from time to time subject to the consent of Administrative Agent (such consent not to be unreasonably withheld or delayed), without notice to any Credit Party or to any other Person (other than Administrative Agent), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Indebtedness at any time held or owing by such Lender to or for the credit or the account of any Credit Party against and on account of the obligations and liabilities of any Credit Party to such Lender hereunder, and under the other Credit Documents, including all claims of any nature or description arising out of or connected hereto, or with any other Credit Document, irrespective of whether or not (a) such Lender shall have made any demand hereunder or (b) the principal of or the interest on the Loans or any other amounts due hereunder shall have become due and payable pursuant to Section 2 and although such obligations and liabilities, or any of them, may be contingent or unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so setoff shall be paid over immediately to Administrative Agent for further application in accordance with the provisions of Sections 2.17 and 2.22 and, pending such

payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section 10.4 are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have.

10.5. Amendments and Waivers.

(a) Requisite Lenders' Consent. Subject to the additional requirements of Sections 10.5(b) and 10.5(c), no amendment, modification, termination or waiver of any provision of the Credit Documents, or consent to any departure by any Credit Party therefrom, shall in any event be effective without the written concurrence of Requisite Lenders and Borrower; provided that Administrative Agent or Collateral Agent, as applicable, may, with the consent of Borrower only, amend, modify or supplement this Agreement or any other Credit Document (i) to cure any ambiguity, omission, defect or inconsistency (as reasonably determined by Administrative Agent), so long as Requisite Lenders agree that such amendment, modification or supplement to cure any such ambiguity, omission, defect or inconsistency does not adversely affect the rights of any Lender or the Lenders shall have received five Business Days' prior written notice thereof and Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Requisite Lenders stating that the Requisite Lenders object to such amendment and (ii) to add terms that are favorable to the Lenders and that Requisite Lenders have not objected to within five Business Days of receipt of written notice thereof.

(b) Affected Lenders' Consent. Without the written consent of each Lender (other than a Defaulting Lender) that would be directly adversely affected thereby (but, for the avoidance of doubt, without the consent of the Requisite Lenders) no amendment, modification, termination, or consent shall be effective if the effect thereof would:

(i) extend the scheduled final maturity of any Loan or Note of such Lender (it being understood that a waiver of any condition precedent set forth in Section 3.1 or the waiver of any Default, Event of Default or mandatory prepayment shall not constitute such an extension);

(ii) waive, reduce or postpone any scheduled repayment owing to such Lender (but not prepayment);

(iii) modify the pro rata sharing provisions set forth in Section 2.17 or the right of the Lenders under the Loans to receive a no less than ratable share of any payment pursuant to Section 2.15 with respect to such Loan to the extent required under Section 2.15; provided, Requisite Lenders may waive, in whole or in part, any mandatory prepayment so long as the application, as between Lenders, of any portion of such prepayment which is still required to be made is not altered;

(iv) reduce the rate of interest on any Loan (other than any waiver of any increase in the interest rate applicable to any Loan pursuant to Section 2.10 and provided that no waiver of any Default or Event of Default shall constitute a reduction in the rate of interest) or any fee or any premium payable hereunder to such Lender;

(v) extend the time for payment of any such interest, fees or premium;

(vi) reduce the principal amount of any Loan;

(vii) amend, modify, terminate or waive any provision of this Section 10.5(b), Section 10.5(c) or any other provision of this Agreement that expressly provides that the consent of all Lenders is required;

(viii) amend the definition of "Requisite Lenders", "Requisite Term Lenders", "Requisite Backstop Lenders", "Requisite Roll-Up Lenders", "Supermajority Backstop Lenders", "Ratable Portion" or "Pro Rata Share"; provided, with the consent of Requisite Lenders, additional extensions of credit pursuant hereto may be included in the determination of "Requisite Lenders", "Ratable Portion" or "Pro Rata Share" on substantially the same basis as the Commitments and the Loans are included on the Closing Date;

(ix) release all or substantially all of the Collateral or all or substantially all of the Guarantors from the Guaranty except as expressly provided in the Credit Documents and except in connection with a "credit bid" undertaken by the Collateral Agent at the direction of the Requisite Lenders pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code or other sale or disposition of assets in connection with an enforcement action with respect to the Collateral permitted pursuant to the Credit Documents (in which case only the consent of the Requisite Lenders will be needed for such release); or

(x) consent to the assignment or transfer by any Credit Party of any of its rights and obligations under any Credit Document (other than in connection with a transaction permitted under this Agreement).

provided that for the avoidance of doubt, all Lenders shall be deemed directly affected thereby with respect to any amendment described in clauses (vii), (viii), (ix) or (x).

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Credit Documents, or consent to any departure by any Credit Party therefrom, shall:

(i) (A) change the definitions of "Current Assets", "ABL Collateral" or "Inventory Appraisal" (or any component definition therein); (B) change Sections 5.1(t), 5.6 (solely with respect to on-site examinations of the Collateral), 5.24, the penultimate paragraph of 6.4, and/or 6.7(d) in any manner adverse to the interests of the Roll-Up Lenders; (C) change or waive the Events of Default described in: Section 8.1(a) or 8.1(c) relating to Sections 5.1(t), 5.6, 5.24 and/or 6.7(d), in each case under this clause (C) to the extent adverse to the interests of the Roll-Up Lenders, in each case, (D) amend

Section 6.8 or the definition of "Asset Sale" to permit Asset Sales constituting ABL Collateral, solely to the extent, after giving effect to such Asset Sales contemplated by such amendment, the Current Assets provided in the most recent report is equal to less than $175,000,000 *less* the amount of the proceeds of such Asset Sales constituting ABL Collateral used to repay or prepay the Term Loans, (E) extend the time required for the Interim Order or the Final Order to be filed with the Bankruptcy Court or (F) change the definitions of "Asset Sale" or "Investment" in any manner adverse to the interests of the Roll-Up Lenders, in each case, without the consent of the Requisite Roll-Up Lenders;

(ii) amend or modify this Agreement to change the Superpriority Claims status of the Lenders or Designated Coal Contract Counterparty under the Orders or under any Credit Document without the written consent of each Lender and Designated Coal Contract Counterparty directly and adversely affected thereby;

(iii) modify the order of payment or application of proceeds of Collateral pursuant to Section 8.2, Section 8.3, Section 8.4, this Section 10.5 or Section 9.2 of the Pledge and Security Agreement, (A) without the written consent of each Lender (other than a Defaulting Lender) that would be directly adversely affected thereby and (B) in each case in a manner adverse to any Lender Counterparty, Commodities Hedge Provider or Designated Coal Contract Counterparty with Obligations then outstanding without the written consent of any such Lender Counterparty, Commodities Hedge Provider and or Designated Coal Contract Counterparty, as applicable directly and adversely affected thereby;

(iv) amend, modify or waive Section 6.7(a), (b) and/or (c) and/or Section 8.1(m) (and any component definitions therein) in any manner adverse to the interests of the Term Lenders without the consent of the Requisite Term Lenders (it being agreed that only the consent of the Requisite Term Lenders shall be required to amend, modify, terminate or waive any such provisions);

(v) amend, modify or waive this Agreement, or any other Credit Document so as to alter the ratable treatment of Obligations arising under the Credit Documents and Obligations arising under Hedge Agreements, Secured Commodities Agreements or Designated Coal Contracts or the definition of "Designated Coal Contract Counterparty", "Designated Coal Contract", "Existing Designated Coal Contract", "Existing Designated Coal Contract Counterparty," "Lender Counterparty," "Commodities Hedge Provider", "Hedge Agreement," "Secured Commodities Agreement," "Roll-Up Obligations", "Obligations," or "Secured Obligations" (as defined in this Agreement or any applicable Collateral Document) in each case in a manner directly adverse to any Lender Counterparty, Commodities Hedge Provider or Designated Coal Contract Counterparty without the written consent of any such Lender Counterparty, Commodities Hedge Provider and or Designated Coal Contract Counterparty, as applicable;

(vi) amend, modify, terminate or waive any provision of the Credit Documents as the same applies to any Agent, or any other provision hereof as the same applies to the rights or obligations of any Agent, in each case without the consent of such

Agent;

(vii) increase the Commitment of any Lender over the amount thereof then in effect without the consent of such Lender; provided, no amendment, modification or waiver of any condition precedent, covenant, Default or Event of Default shall constitute an increase in any Commitment of any Lender;

(viii) no amendment or waiver without the consent of the Roll-Up Lenders or the Term Lenders directly and adversely affected thereby shall modify the order of payment or application of proceeds of Collateral pursuant to Section 8.3 (it being agreed that only the consent of the Requisite Roll-Up Lenders (in the case the Roll-Up Lenders are directly and adversely affected thereby) or the Requisite Term Lenders (in the case the Term Lenders are directly and adversely affected thereby) shall be required for such amendment or waiver); or

(ix) no amendment or waiver shall permit additional Investments in and/or Asset Sales to (a) the Specified Guarantors or their subsidiaries or (b) the Western Kentucky Guarantors and their subsidiaries, in each case, without the consent of the Supermajority Backstop Lenders (it being agreed that only the consent of the Supermajority Backstop Lenders shall be required to amend, modify, terminate or waive any such provisions).

(d) Certain Authorizations. Notwithstanding anything herein to the contrary, Administrative Agent and Collateral Agent may, without the consent of any Secured Party, (i) waive, amend or modify any provision in any Collateral Document, or consent to a departure by any Credit Party therefrom, to the extent Administrative Agent or Collateral Agent determines that such waiver, amendment, modification or consent is necessary in order to eliminate any conflict between such provision and the terms of this Agreement and (ii) waive, amend or modify any provision in this Agreement, or consent to a departure by any Credit Party therefrom, to the extent Administrative Agent or Collateral Agent determines that such waiver, amendment, modification or consent is necessary in order to eliminate any conflict between such provision and the terms of the Orders.

(e) Execution of Amendments, Etc. Each Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.5 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Credit Party, on such Credit Party.

Notwithstanding the foregoing, no Secured Party consent is required to effect any amendment, modification or supplement to any intercreditor agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is

permitted to be secured by the Collateral, for the purpose of adding the holders of such Indebtedness (or their representative) as a party thereto and otherwise causing such Indebtedness to be subject thereto, in each case as contemplated by the terms of such intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and *provided* that such other changes are not adverse, in any material respect (taken as a whole), to the interests of the Secured Parties and provided that the Administrative Agent and the Collateral Agent, as applicable, shall be authorized to approve any such intercreditor agreement or arrangement, amendment, modification or supplement not otherwise contemplated by the terms of such intercreditor agreement or arrangement if it has notified the Lenders of such request and the Requisite Lenders have not instructed the Administrative Agent within five Business Days after such notification that it shall not approve such request); *provided*, *further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of any Agent hereunder or under any other Credit Document without the prior written consent of such Agent.

Notwithstanding anything to the contrary contained in this Section 10.5, guarantees, collateral security documents and related documents executed by the Credit Parties or the Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local law or advice of local counsel or (ii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Credit Documents.

10.6. Successors and Assigns; Participations.

(a) Generally. This Agreement shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of the parties hereto and the successors and assigns of Lenders. No Credit Party's rights or obligations hereunder nor any interest therein may be assigned or delegated by any Credit Party without the prior written consent of all Lenders (except in the case of any such assignment or delegation as a result of any merger or consolidation or liquidation or amalgamation or otherwise permitted by Section 6.8). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, Affiliates of each of the Agents and Lenders and other Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Register. Borrower, Administrative Agent and Lenders shall deem and treat the Persons listed as Lenders in the Register as the holders and owners of the corresponding Commitments and Loans listed therein for all purposes hereof, and no assignment or transfer of any such Commitment or Loan shall be effective, in each case, unless and until recorded in the Register following receipt of a fully executed Assignment Agreement effecting the assignment or transfer thereof, together with the required forms

and certificates regarding tax matters and any fees payable in connection with such assignment, in each case, as provided in Section 10.6(b). Each assignment shall be recorded in the Register promptly following receipt by Administrative Agent of the fully executed Assignment Agreement and all other necessary documents and approvals, prompt notice thereof shall be provided to Borrower and a copy of such Assignment Agreement shall be maintained, as applicable. The date of such recordation of a transfer shall be referred to herein as the **"Assignment Effective Date."** Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is listed in the Register as a Lender shall be conclusive and binding on any subsequent holder, assignee or transferee of the corresponding Commitments or Loans.

(c) Right to Assign. Each Lender shall have the right at any time to sell, assign or transfer all or a portion of its rights and obligations under this Agreement, including all or a portion of its Commitment and Loans owing to it or other Obligations (provided, however, that pro rata assignments shall be required as between Term Loans and Commitments and each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any Term Loan and any unfunded Commitments; provided that assignments of Roll-Up Loans, on the one hand, and Term Loans and Commitments, on the other, need not be pro rata):

(i) to any Person meeting the criteria of clause (i) of the definition of the term "Eligible Assignee" upon the giving of notice to Borrower and Administrative Agent; and

(ii) to any Person meeting the criteria of clause (ii) of the definition of the term "Eligible Assignee" upon giving of notice to Borrower and Administrative Agent and to any such Person, consented to by each of Borrower and Administrative Agent (such consent not to be (x) unreasonably withheld or delayed or, (y) in the case of Borrower, required at any time an Event of Default shall have occurred and then be continuing); provided further that (A) Borrower shall be deemed to have consented to any such assignment (i) during the initial primary syndication of the Term Loans to lenders under the Prepetition Superpriority Credit Agreement and parties to the RSA and (ii) unless it shall object thereto by written notice to Administrative Agent within ten (10) Business Days after having received written notice thereof and (B) each such assignment pursuant to this Section 10.6(c)(ii) shall be in an aggregate amount of not less than (w) $1,000,000, (x) such lesser amount as agreed to by Borrower and Administrative Agent, (y) the aggregate amount of the Loans of the assigning Lender or (z) the amount assigned by an assigning Lender to an Affiliate or Related Fund of such Lender.

(d) Mechanics.

(i) Subject to the other requirements of this Section 10.6, assignments and assumptions of Loans and Commitments by Lenders shall be effected by manual execution and delivery to Administrative Agent of an Assignment Agreement. Assignments made pursuant to the foregoing provision shall be effective as of the Assignment Effective Date. In connection with all assignments there shall be delivered to Administrative Agent such forms, certificates or other evidence, if any, with respect to

United States federal income tax withholding matters as the assignee under such Assignment Agreement may be required to deliver pursuant to Section 2.20(d), together with payment to Administrative Agent of a registration and processing fee of $3,500 (which fee may be waived or reduced in the sole discretion of Administrative Agent). No such registration and processing fee shall be payable in the case of an assignee which is already a Lender or is an affiliate or Related Fund of a Lender or a Person under common management with a Lender.

(ii) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of Borrower and Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to Administrative Agent, and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(e) Representations and Warranties of Assignee. Each Lender, upon execution and delivery hereof or upon succeeding to an interest in the Commitments and Loans, as the case may be, represents and warrants as of the Closing Date or as of the Assignment Effective Date that (i) it is an Eligible Assignee; (ii) it has experience and expertise in the making of or investing in commitments or loans such as the applicable Commitments or Loans, as the case may be; and (iii) it will make or invest in, as the case may be, its Commitments or Loans for its own account in the ordinary course and without a view to distribution of such Commitments or Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws (it being understood that, subject to the provisions of this Section 10.6, the disposition of such Commitments or Loans or any interests therein shall at all times remain within its exclusive control).

(f) Effect of Assignment. Subject to the terms and conditions of this Section 10.6, as of the Assignment Effective Date (i) the assignee thereunder shall have the rights and obligations of a "Lender" hereunder to the extent of its interest in the Loans and Commitments as reflected in the Register and shall thereafter be a party hereto and a "Lender" for all purposes hereof; (ii) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned to the assignee, relinquish its rights (other than any rights which survive the termination hereof under Section 10.8) and be released from its obligations hereunder (and, in the case of an assignment covering all or the remaining portion of an assigning Lender's rights and obligations hereunder, such

Lender shall cease to be a party hereto on the Assignment Effective Date; provided, anything contained in any of the Credit Documents to the contrary notwithstanding, and (y) such assigning Lender shall continue to be entitled to the benefit of all indemnities hereunder as specified herein with respect to matters arising out of the prior involvement of such assigning Lender as a Lender hereunder); (iii) the Commitments shall be modified to reflect any Commitment of such assignee; and (iv) if any such assignment occurs after the issuance of any Note hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Notes to Administrative Agent for cancellation, and thereupon Borrower shall issue and deliver new Notes, if so requested by the assignee and/or assigning Lender, to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new outstanding Loans of the assignee and/or the assigning Lender.

(g) Participations.

(i) Each Lender shall have the right at any time to sell one or more participations to any Person (other than to Holdings, any of its Subsidiaries or any of its Affiliates) in all or any part of its Commitments, Loans or in any other Obligation. Each Lender that sells a participation pursuant to this Section 10.6(g) shall, acting solely for U.S. federal income tax purposes as an agent of Borrower, maintain a register on which it records the name and address of each participant and the principal amounts (and stated interest) of each participant's participation interest with respect to the Loan (each, a **"Participant Register"**); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant's interest in any Commitments, Loans or its other obligations under this Agreement) except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations (or successor provision). Unless otherwise required by the Internal Revenue Service, any disclosure required by the foregoing sentence shall be made by the relevant Lender directly and solely to the Internal Revenue Service. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of a participation with respect to the Loan for all purposes under this Agreement, notwithstanding any notice to the contrary.

(ii) The holder of any such participation, other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (A) extend the final scheduled maturity of any Loan, Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Commitment shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan shall be permitted without

the consent of any participant if the participant's participation is not increased as a result thereof), (B) consent to the assignment or transfer by any Credit Party of any of its rights and obligations under this Agreement or (C) release all or substantially all of the Collateral under the Collateral Documents or all or substantially all of the Guarantors from the Guaranty (in each case, except as expressly provided in the Credit Documents) supporting the Loans hereunder in which such participant is participating.

(iii) Borrower agrees that each participant shall be entitled to the benefits of Sections 2.18(c), 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (c) of this Section (it being understood that the documentation required under Sections 2.20(d) and (e) shall be delivered to the Lender who sells the participation); provided, (x) a participant shall not be entitled to receive any greater payment under Section 2.19 or 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant, unless the sale of the participation to such participant is made with Borrower's prior written consent (not to be unreasonably withheld or delayed) or except to the extent such entitlement to receive a greater payment results from a change in law that occurs after such participant acquired the applicable participation and (y) such participant agrees, for the benefit of Borrower, to comply with Section 2.20 as though it were a Lender (it being understood that the documentation required under Sections 2.20(d) and (e) shall be delivered to the Lender who sells the participation); provided further that, except as specifically set forth in clauses (x) and (y) of this sentence, nothing herein shall require any notice to Borrower or any other Person in connection with the sale of any participation. To the extent permitted by law, each participant also shall be entitled to the benefits of Section 10.4 as though it were a Lender, provided such participant agrees to be subject to Section 2.17 as though it were a Lender.

(h) Certain Other Assignments and Participations. In addition to any other assignment or participation permitted pursuant to this Section 10.6 any Lender may assign, pledge and/or grant a security interest in all or any portion of its Loans, the other Obligations owed by or to such Lender, and its Notes, if any, to secure obligations of such Lender including any Federal Reserve Bank as collateral security pursuant to Regulation A of the Board of Governors and any operating circular issued by such Federal Reserve Bank; provided, that no Lender, as between Borrower and such Lender, shall be relieved of any of its obligations hereunder as a result of any such assignment and pledge, and provided further, that in no event shall the applicable Federal Reserve Bank, pledgee or trustee, be considered to be a "Lender" or be entitled to require the assigning Lender to take or omit to take any action hereunder.

(i) [reserved]

(i) [reserved].

10.7. Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within

the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

10.8. Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Credit Party set forth in Sections 2.18(c), 2.19, 2.20, 10.2, 10.3 and 10.4 and the agreements of Lenders set forth in Sections 2.17, 9.3(b) and 9.6 shall survive the payment of the Loans and the termination hereof.

10.9. No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents, any of the Secured Hedge Agreements or any of the Designated Coal Contracts. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

10.10. Termination.

(a) A Guarantor Subsidiary shall automatically be released from its obligations under the Credit Documents upon the Payment in Full of the Obligations and/or consummation of any transaction permitted by this Agreement as a result of which such Guarantor Subsidiary is not a Subsidiary of Holdings; provided that, if so required by this Agreement, the Requisite Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise.

(b) Any security interest and Liens created under the Collateral Documents shall be automatically released upon Payment in Full of the Obligations and/or any sale or other transfer by any Credit Party of any Collateral that is permitted under this Agreement (other than a sale or other transfer to a Credit Party) or upon effectiveness of any written direction by the consent to the release of the security interest created under any Collateral Document in any Collateral pursuant to Section 10.5.

(c) Notwithstanding anything to the contrary contained herein or in any other Credit Document, in connection with any termination or release pursuant to this Section 10.10, the Administrative Agent and/or Collateral Agent are hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender) to execute and deliver, and shall promptly execute and deliver to any the applicable Credit Party, at such Credit Party's expense, all documents that such Credit Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 10.10 shall be without recourse to or warranty by

the Administrative Agent or the Collateral Agent.

10.11. Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Credit Party makes a payment or payments to the Agents or Lenders (or to Administrative Agent, on behalf of Lenders), or any Agent or Lender enforces any security interests or exercises any right of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any Bankruptcy Law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

10.12. Severability. In case any provision in or obligation hereunder or under any other Credit Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

10.13. Obligations Several; Independent Nature of Lenders' Rights. The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Credit Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a Joint Venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

10.14. Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

10.15. APPLICABLE LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF AND ANY DETERMINATIONS WITH RESPECT TO POST-JUDGMENT INTEREST) SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE.

10.16. CONSENT TO JURISDICTION. SUBJECT TO CLAUSE (E) OF THE FOLLOWING SENTENCE, ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST ANY

PARTY ARISING OUT OF OR RELATING HERETO OR ANY OTHER CREDIT DOCUMENTS, OR ANY OF THE OBLIGATIONS, SHALL BE BROUGHT IN THE BANKRUPTCY COURT, AND IF THE BANKRUPTCY COURT DOES NOT HAVE (OR ABSTAINS FROM) JURISDICTION, ANY FEDERAL COURT OF THE UNITED STATES SITTING IN THE BOROUGH OF MANHATTAN OR, IF THAT COURT DOES NOT HAVE SUBJECT MATTER JURISDICTION, IN ANY STATE COURT LOCATED IN THE CITY AND COUNTY OF NEW YORK. BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH PARTY, FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, IRREVOCABLY (A) ACCEPTS GENERALLY AND UNCONDITIONALLY THE EXCLUSIVE JURISDICTION AND VENUE OF SUCH COURTS (OTHER THAN WITH RESPECT TO ACTIONS BY ANY AGENT IN RESPECT OF RIGHTS UNDER ANY COLLATERAL DOCUMENT GOVERNED BY LAWS OTHER THAN THE LAWS OF THE STATE OF NEW YORK OR WITH RESPECT TO ANY COLLATERAL SUBJECT THERETO); (B) WAIVES ANY DEFENSE OF FORUM NON CONVENIENS; (C) AGREES THAT SERVICE OF ALL PROCESS IN ANY SUCH PROCEEDING IN ANY SUCH COURT MAY BE MADE BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE APPLICABLE PARTY AT ITS ADDRESS PROVIDED IN ACCORDANCE WITH SECTION 10.1; (D) AGREES THAT SERVICE AS PROVIDED IN CLAUSE (C) ABOVE IS SUFFICIENT TO CONFER PERSONAL JURISDICTION OVER THE APPLICABLE PARTY IN ANY SUCH PROCEEDING IN ANY SUCH COURT, AND OTHERWISE CONSTITUTES EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT; AND (E) AGREES THAT AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY CREDIT PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY SECURITY DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

10.17. WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER CREDIT DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL

WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 10.17 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER CREDIT DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

10.18. Confidentiality. Each Agent and each Lender shall hold confidential all non-public information regarding Holdings, Borrower and their respective Subsidiaries, Affiliates and their businesses obtained by such Agent or such Lender pursuant to the requirements hereof in accordance with such Agent's and such Lender's customary procedures for handling confidential information of such nature, it being understood and agreed by Borrower that, in any event, each Agent may disclose such information to the Lenders and each other Agent and each Lender and each Agent may make (i) disclosures of such information to Affiliates of such Lender or Agent and to their or their Affiliates' respective officers, directors, partners, members, employees, legal counsel, independent auditors and other advisors, experts or agents who need to know such information and on a confidential basis (and to other Persons authorized by a Lender or Agent to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 10.18) (it being understood and agreed that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and who have agreed to treat such information confidentially), (ii) disclosures of such information reasonably required by any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation of any Loans or any participations therein or by any direct or indirect contractual counterparties (or the professional advisors thereto) to any swap or derivative transaction relating to Borrower and its obligations or by any Designated Coal Contract Counterparty (provided, such assignees, transferees, participants, counterparties and advisors are advised of and agree to be bound by either the provisions of this Section 10.18 or other provisions at least as restrictive as this Section 10.18), (iii) disclosure to any rating agency when required by it, provided that, prior to any disclosure, such rating agency shall undertake in writing to preserve the confidentiality of any confidential information relating to Credit Parties received by it from any Agent or any Lender, (iv) disclosure on a confidential basis to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans, (v) disclosures in connection with the exercise of any remedies hereunder or under any other Credit Document, (vi) disclosures made pursuant to the order of any court or administrative agency or a judicial, administrative or legislative body or committee or in any pending legal or administrative proceeding, or otherwise as required by applicable law or compulsory legal process (in which case such Person agrees to inform Borrower promptly thereof to the extent not prohibited by law), (vii) disclosures made upon the request or demand of any regulatory or quasi-regulatory authority purporting to have jurisdiction over such Person or any of its Affiliates (in which case such Person agrees to inform the Borrower promptly thereof to the extent not prohibited by law), (viii) disclosures of information received by such Person on a non-confidential basis from a source (other than Borrower or any of Borrower's affiliates, advisors, members, directors, employees, accountants, attorneys, agents or other representatives) not known by such Person to be prohibited from disclosing such information to such Person by a legal, contractual or fiduciary obligation, (ix) disclosures of such

information to the extent that such information is publicly available or becomes publicly available other than by reason of improper disclosure in violation of this Section 10.18, (x) disclosures to the extent that such information was already in such Person's possession (and disclosure by such Person is not otherwise prohibited by a contractual obligation) or is independently developed by such Person (from information not otherwise prohibited from being disclosed pursuant to a separate contractual obligation), and (xi) disclosures for purposes of establishing a "due diligence" defense. In addition, each Agent and each Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement and the other Credit Documents.

10.19. Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, Borrower shall pay to Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to Borrower.

10.20. Effectiveness; Counterparts; Orders Control. This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by Borrower and Administrative Agent of written notification of such execution and authorization of delivery thereof. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic format (i.e., "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement shall become effective on the date the conditions set forth in Section 3.1 have been satisfied. In the event of any conflict between the provisions of this Agreement and those of any other Credit Document, the provisions of this Agreement shall control. To the extent that any specific provision hereof is inconsistent with any of the Orders, the Interim Order or Final Order (as applicable) shall control.

10.21. PATRIOT Act. Each Lender and each Agent (for itself and not on behalf of any Lender) hereby notifies each Credit Party that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow such Lender or such Agent, as applicable, to identify such Credit Party in accordance with the PATRIOT Act.

10.22. Electronic Execution of Assignments . The words "execution," "signed," "signature," and words of like import in any Assignment Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

10.23. No Fiduciary Duty; Lender Counterparty. Each Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the **"Lenders"**), may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Credit Party, its stockholders or its affiliates, on the other. The Credit Parties acknowledge and agree that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Credit Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its stockholders or its Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Credit Party, its management, stockholders, creditors or any other Person. Each Credit Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, in connection with such transaction or the process leading thereto.

10.24. Designated Coal Contracts. Notwithstanding anything to the contrary in this Agreement, the Credit Parties shall be entitled to enter into Designated Coal Contracts governing the sale of coal from mines located in the United States not to exceed 10,000,000 tons in any 12-month period.

SECTION 11. LEASEHOLD PROPERTY

11.1. Special Rights with respect to Leasehold Property.

(a) No Credit Party shall, nor shall it permit any of its Restricted Subsidiaries to, pursuant to Section 365 of the Bankruptcy Code, reject or otherwise terminate (including, without limitation, as a result of the expiration of the assumption period provided for in Section 365(d)(4) of the Bankruptcy Code to the extent applicable) (x) a Material Lease or (y) during the continuance of an Event of Default, Leasehold Property, in each case, without first providing 30 days' prior written notice to the Administrative Agent (unless such notice provision is waived by the Administrative Agent (with the consent of the Requisite Lenders) during which time the Administrative Agent shall be permitted to find an acceptable (in the Administrative Agent's good faith and reasonable discretion (with the consent of the Requisite Lenders)) replacement lessee (which may include the Administrative Agent, any Lender or their respective Affiliates) to whom such lease may be assigned. If a prospective assignee is not found within such 30-day notice period, the Credit Party may proceed to reject such lease If such a prospective assignee is timely found, the Credit Parties shall (i) not seek to reject such lease, (ii) promptly withdraw any previously filed rejection motion, (iii) promptly file a motion seeking expedited relief and a hearing on the earliest court date available for purposes of assuming such lease and assigning it to such prospective assignee and (iv) cure any defaults that have occurred and are continuing under such lease unless the Borrower and the Administrative Agent (with the consent of the Requisite Lenders) agree that any such cure obligation is overly burdensome on the cash position of the Debtors with such agreement not to be unreasonably withheld; provided that this Section 11.1(a) shall not apply to Leasehold Property that is rejected on the effective date of an Acceptable Plan. For the avoidance of doubt, it is understood and agreed that on or prior to the 30th day prior to the Automatic Rejection Date, the Credit Parties shall have delivered (and hereby agree to deliver) written notice to the Administrative Agent of each outstanding Leasehold Property that they intend to reject (including, without limitation, through automatic rejection on the Automatic Rejection Date, to the extent applicable) from and after the date of such notice (or, if applicable, notice that the Credit Parties will seek to extend the Automatic Rejection Date as provided in Section 365(d)(4) of the Bankruptcy Code); *provided* that if the Credit Parties fail to deliver any such notice to the Administrative Agent prior to such date with respect to any Leasehold Property (or a notice indicating that such Leasehold Property shall not be rejected), the Credit Parties shall be deemed, for all purposes hereunder, to have delivered notice to the Administrative Agent as of such date that it intends to reject such Leasehold Property.

(b) If an Event of Default shall have occurred and be continuing, the Administrative Agent may exercise any Debtor's rights pursuant to Section 365(f) of the Bankruptcy Code with respect to any Leasehold Property or group of Leasehold Property and, subject to the Bankruptcy Court's approval after notice and hearing, assign any such Leasehold Property in accordance with Section 365 of the Bankruptcy Code notwithstanding any language to the contrary in any of the applicable lease documents or executory contracts. In connection with the exercise of such rights, the Administrative Agent may (w) access the leasehold interests of the Credit Parties in any such Leasehold

Property for the purposes of marketing such property or properties for sale, (x) find an acceptable (in the Administrative Agent's good faith and reasonable discretion (with the consent of the Requisite Lenders)) replacement lessee (which may include the Administrative Agent or its designee, any Lender or their respective Affiliates) to whom a Leasehold Property may be assigned, (y) hold, and manage all aspects of, an auction or other bidding process to find such reasonably acceptable replacement lessee, and (z) in connection with any such auction, agree, on behalf of the Credit Parties and subject to Bankruptcy Court approval, to a breakup fee or to reimburse fees and expenses of any stalking horse bidder up to an amount not to exceed [3.00]% of the purchase price of such Leasehold Property and may make any such payments on behalf of such Credit Party and any amount used by the Administrative Agent to make such payments shall, at the election of the Administrative Agent, at the written direction of the Requisite Lenders in their reasonable discretion and subject to satisfaction of the conditions in Sections 5.4 and 5.5, be deemed a borrowing of Term Loans hereunder. Upon receipt of notice that the Administrative Agent elects to exercise its rights under this Section 11.1(b), the Credit Parties shall promptly file a motion seeking expedited relief and a hearing on the earliest court date available for purposes of assuming such Leasehold Property and assigning it to such assignee and cure any defaults that have occurred and are continuing under such Leasehold Property. Notwithstanding the foregoing, this Section 11.1(b) shall not apply to Leasehold Property that is rejected on the effective date of an Acceptable Plan. Notwithstanding anything to the contrary in this Section 11.1(b), or any consent or direction of the Requisite Lenders, in no event shall any Leasehold Property be assigned to the Administrative Agent without the express written consent of the Administrative Agent in its sole discretion.

(c) If an Event of Default shall have occurred and be continuing, the Administrative Agent shall have the right, at the written direction of the Requisite Lenders, to direct any Debtor that is a lessee under a Leasehold Property to assign such Leasehold Property to the Administrative Agent or its designee, on behalf of the Administrative Agent and the Lenders, as collateral for the Obligations and to direct such Debtor lessee to assume such Leasehold Property to the extent assumption is required under the Bankruptcy Code as a prerequisite to such assignment. Upon receipt of notice that the Administrative Agent elects to exercise its rights under this Section 11.1(c), the Credit Parties shall (i) promptly file a motion seeking expedited relief and a hearing on the earliest court date available for purposes of, if necessary, assuming such Leasehold Property and assigning it to the Administrative Agent and (ii) cure any defaults that have occurred and are continuing under such Leasehold Property. Notwithstanding the foregoing, this Section 11.1(c) shall not apply to Leasehold Property that are rejected on the effective date of an Acceptable Plan. Notwithstanding anything to the contrary in this Section 11.1(c), or any consent or direction of the Requisite Lenders, in no event shall any Leasehold Property be assigned to the Administrative Agent without the express written consent of the Administrative Agent in its sole discretion.

(d) Any order of the Bankruptcy Court approving the assumption (but not the assignment) of any Leasehold Property shall specifically provide that the applicable Debtor shall be authorized to assign such Leasehold Property pursuant to Section 365(f) of the Bankruptcy Code subsequent to the date of such assumption

designated by the Administrative Agent.

(e) No Credit Party shall, nor shall it permit any of its Subsidiaries to, pursuant to Section 365 of the Bankruptcy Code, sell or assign a Leasehold Property without first providing fifteen (15) days' prior written notice to the Administrative Agent (unless such notice provision is waived by the Administrative Agent (with the consent of the Requisite Lenders)) of any hearing in the Bankruptcy Court seeking approval of a sale or assignment, and the Administrative Agent, on behalf of the Administrative Agent and the Lenders, shall be permitted to credit bid forgiveness of some or all of the outstanding Obligations in respect of the Term Loan Facility (in an amount equal to at least the consideration offered by any other party in respect of such assignment) as consideration in exchange for any such Leasehold Property. In connection with the exercise of any of the Administrative Agent's rights under Sections 11.1(b) and 11.1(c) to direct or compel a sale or assignment of any Leasehold Property, the Administrative Agent, on behalf of the Administrative Agent and the Lenders, shall be permitted to credit bid forgiveness of a portion of the Indebtedness (in an amount equal to at least the consideration offered by any other party in respect of such sale or assignment) outstanding under the Term Loans in exchange for such Leasehold Property.

If any Credit Party is required to cure any monetary default under any Leasehold Property under this Section 11.1, or otherwise in connection with any assumption of such Leasehold Property pursuant to Section 365 of the Bankruptcy Code, and such monetary default is not cured within five (5) Business Days of the receipt by such Credit Party of notice from the Administrative Agent under Sections 11.1(a), (b) or (c) or any other notice from the Administrative Agent requesting the cure of such monetary default, then the Administrative Agent (with the consent of the Requisite Lenders) may, but shall not be obligated to, cure any such monetary default on behalf of such Credit Party and any such payments shall, at the election of the Administrative Agent, at the written direction of the Requisite Lenders in their reasonable discretion and subject to satisfaction of the conditions in Section 3.3, be deemed a borrowing of Term Loans hereunder.

8. *Findings Regarding the DIP Financing and Use of Cash Collateral.*

(a) Good and sufficient cause has been shown for the entry of this Final Order and for authorization of the Credit Parties to obtain financing pursuant to the DIP Facility.

(b) The Credit Parties have a need to obtain the DIP Financing and to continue to use the Prepetition Collateral (including Cash Collateral) in order to, among other things, avoid the liquidation of these estates, and: (i) permit the orderly continuation of the operation of their businesses, including maintaining, amending, renewing, or modifying insurance policies and surety bonds in the ordinary course of business, (ii) maintain business relationships with customers, vendors and suppliers, including purchasing necessary materials and services to maintain compliance with all applicable regulatory and safety requirements, (iii) make payroll, (iv) satisfy other working capital, capital improvement and operational needs, (v) pay professional fees, expenses, and obligations benefitting from the Carve-Out, and (vi) pay costs, fees, and expenses associated with or payable under the DIP Financing under the terms of the Interim Order, this Final Order, and the DIP Documents. The Credit Parties' use of Cash Collateral alone would be insufficient to meet the Debtors' cash disbursement needs during the pendency of the Chapter 11 Cases. The access by the Credit Parties to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, incurrence of new indebtedness under the DIP Documents and other financial accommodations provided under the DIP Documents are necessary and vital to avoid an immediate liquidation and for the preservation and maintenance of the going concern values of the Credit Parties and to a successful restructuring of the Credit Parties. The terms of the proposed DIP Financing pursuant to the DIP Documents and this Final Order are fair and reasonable, reflect each Credit Party's exercise of prudent business judgment, and are supported by reasonably equivalent value and fair consideration.

(c) The Credit Parties are unable to obtain financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Credit Parties are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the Credit Parties granting to the DIP Secured Parties, subject to the Carve-Out, the DIP Liens and the DIP Superpriority Claims (as defined below) and, subject to the Carve-Out, incurring the Adequate Protection Obligations (as defined below), in each case, under the terms and conditions set forth in this Final Order and in the DIP Documents.

(d) Based on the Motion, the Declarations filed in support of the Motion, and the record presented to the Court at the Hearings, (i) the terms of the DIP Financing (including the refinancing of the Prepetition ABL Revolving Debt, the full roll-up of the Prepetition FILO Debt, and the maintenance of the Outstanding LCs), (ii) the terms of the adequate protection granted to the Prepetition Secured Parties as provided in paragraph 21 of this Final Order (the "**Adequate Protection**") and (iii) the terms on which the Credit Parties may continue to use the Prepetition Collateral (including Cash Collateral), in each case pursuant to this Final Order and the DIP Documents, are in each case fair and reasonable, reflect the Credit Parties' exercise of prudent business judgment consistent with their fiduciary duties, constitute reasonably equivalent value and fair consideration, and represent the best financing available. The Adequate Protection provided in this Final Order and other benefits and privileges contained herein are consistent with and authorized by the Bankruptcy Code.

(e) To the extent such consent is required, the Prepetition Secured Parties have consented or are deemed under the Prepetition Intercreditor Agreements and the Prepetition

Collateral Trust Agreements to have consented to the Credit Parties' use of Cash Collateral and the other Prepetition Collateral, and the Credit Parties' entry into the DIP Documents, in accordance with and subject to the terms and conditions in this Final Order and the DIP Documents.

(f) The DIP Financing, the Adequate Protection and the use of the Prepetition Collateral (including Cash Collateral) have been negotiated in good faith and at arm's length among the Credit Parties, the DIP Secured Parties, and their respective advisors, and all of the Credit Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing and the DIP Documents, including, without limitation, all loans made to and guarantees issued by the Credit Parties pursuant to the DIP Documents and any DIP Obligations shall be deemed to have been extended by the DIP Agents and the DIP Lenders and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that the Interim Order or any provisions thereof, or this Final Order or any provisions hereof, are vacated, reversed or modified, on appeal or otherwise.

(g) The Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the Credit Parties' continued use of the Prepetition Collateral (including Cash Collateral) to fund the administration of the Credit Parties' estates and continued operation of their businesses (including the incurrence and payment of the Adequate Protection Obligations and the granting of the Adequate Protection Liens (as defined herein)), in accordance with the terms hereof, and the Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 363(m) of the Bankruptcy Code in the event that the Interim Order or any

provision thereof, or this Final Order or any provisions hereof, are vacated, reversed or modified, on appeal or otherwise.

(h) The Prepetition Secured Parties are entitled to the Adequate Protection provided in this Final Order as and to the extent set forth herein pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code. Based on the Motion, the Declarations filed in support of the Motion, and the record presented to the Court at the Hearings, the terms of the proposed Adequate Protection arrangements and of the use of the Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the Credit Parties' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral (including Cash Collateral); *provided* that nothing in this Final Order or the DIP Documents shall (x) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of Cash Collateral other than on the terms set forth in this Final Order and the Approved Cash Flow Forecast (subject to permitted variances) and in the context of the DIP Financing authorized by this Final Order, (y) be construed as a consent by any Prepetition Secured Party to the terms of any other financing or any other lien encumbering the Prepetition Collateral (whether senior or junior) or (z) prejudice, limit or otherwise impair the rights of any of the Prepetition Secured Parties, subject to any applicable provisions of the Prepetition Intercreditor Agreements and the Prepetition Collateral Trust Agreements, to seek modification of the grant of the Adequate Protection provided hereby so as to provide new, different or additional adequate protection or assert the interests of any of the Prepetition Secured Parties, and without prejudice to the right of the Debtors and any other party in interest's rights to contest such modification.

(i) None of the DIP Secured Parties control the Debtors or their properties or operations, have authority to determine the manner in which any Debtor's operations are

conducted or are control persons or insiders of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to or arising from this Final Order or the DIP Documents.

(j) The Debtors have prepared and delivered to the DIP Agents and the DIP Secured Parties a 13-week cash flow forecast (the "**Initial Cash Flow Forecast**"), a copy of which is attached hereto as **Exhibit 1**. The Initial Cash Flow Forecast reflects the Debtors' anticipated cash receipts and anticipated disbursements for the calendar week during which the Commencement Date occurs and through and including the end of the twelfth (12th) calendar week following such week. The Initial Cash Flow Forecast may be modified, amended and updated from time to time in accordance with the DIP Credit Agreement, and once approved by, in form and substance reasonably satisfactory to the DIP Term Requisite Lenders,[15] shall supplement and replace the Initial Cash Flow Forecast (together with each subsequent approved 13-week cash flow forecast, shall constitute without duplication, an "**Approved Cash Flow Forecast**"). The Debtors believe that the Initial Cash Flow Forecast is reasonable under the facts and circumstances known to them, taken as a whole, as of the Commencement Date. The DIP Agents and the DIP Secured Parties are relying, in part, upon the Debtors' agreement to comply with the Approved Cash Flow Forecast, the other DIP Documents, and this Final Order in determining to enter into the postpetition financing arrangements provided for in this Final Order.

(k) The refinancing of the Prepetition ABL Revolving Debt, the full roll-up of the Prepetition FILO Debt, and the maintenance of the Outstanding LCs reflect the Debtors' good faith exercise of prudent business judgment consistent with their fiduciary duties. The entry into the Payoff Letter and funding and maintenance of the LC Cash Collateral in accordance therewith

[15] "**DIP Term Requisite Lenders**" means "Requisite Term Lenders" as defined in the DIP Credit Agreement.

reflect the Debtors' good faith exercise of prudent business judgment consistent with their fiduciary duties.

(l) For the reasons set forth in the Motion, the Declarations filed in support of the Motion, and the record presented to the Court at the Hearings, consummation of the DIP Financing and the use of Prepetition Collateral (including Cash Collateral), in accordance with this Final Order and the DIP Documents are therefore in the best interests of the Credit Parties, their estates and their creditors.

(m) The Motion and this Final Order comply with the requirements of Local Bankruptcy Rule 4001-2.

9. *Authorization of the DIP Financing and the DIP Documents.*

(a) Subject to the terms and conditions of this Final Order, the Credit Parties are hereby authorized to execute, enter into and perform all obligations under the DIP Documents. The DIP Documents and this Final Order shall govern the financial and credit accommodations to be provided to the Debtors by the DIP Lenders and Designated Coal Contract Counterparties in connection with the DIP Financing. The Borrower is hereby authorized to forthwith borrow money pursuant to the DIP Credit Agreement, and the Guarantors are hereby authorized to guarantee the Credit Parties' DIP Obligations with respect to such borrowings and Secured Designated Coal Contract Obligations (as defined in the DIP Credit Agreement), in each case up to an aggregate principal amount equal to $350 million DIP Term Loans, inclusive of amounts authorized by the Interim Order, and in each case together with applicable interest, protective advances, expenses, fees and other charges payable in connection the DIP Facility, subject to any limitations on borrowing or incurrence under the DIP Documents, which shall be used for all purposes permitted under the DIP Documents and this Final Order, including, without limitation, (1) to provide

working capital and capital improvements, to fund vendor payments and to pay for other general corporate purposes for the Borrower and certain of its Subsidiaries (as defined in the DIP Credit Agreement), (2) to pay interest, fees and expenses and make adequate protection and other payments in accordance with this Final Order and the DIP Documents, (3) to refinance the Prepetition ABL Revolving Debt, and (4) to fund and maintain LC Cash Collateral in accordance with the Payoff Letter. Notwithstanding anything to the contrary herein, the DIP Term Loans, and all cash proceeds thereof, shall at no time constitute DIP FILO Priority Collateral or Prepetition ABL Priority Collateral and shall at all times constitute DIP Term Priority Collateral, whether or not such DIP Term Loans or the cash proceeds thereof are located in or transferred to an account that constitutes DIP FILO Priority Collateral, and whether or not such DIP Term Loans or the cash proceeds thereof are commingled with any other cash or assets of the Debtors that constitute DIP FILO Priority Collateral.

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor is authorized and directed to perform all acts, to make, execute and deliver all instruments and documents (including, without limitation, the execution or recordation of pledge and security agreements, mortgages, deeds of trust and financing statements), and to pay all fees that may be reasonably required or necessary for the Credit Parties to implement the terms of, performance of their obligations under or effectuate the purposes of and transactions contemplated by this Final Order or the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents or other modifications to and under the DIP Documents, in each

case, in such form as the Credit Parties and the DIP Administrative Agent, acting at the direction of the DIP Requisite Lenders,[16] DIP FILO Requisite Lenders[17] or DIP Term Requisite Lenders, as applicable pursuant to the terms of the DIP Documents, may agree, it being understood that no further approval of the Court shall be required for authorizations, amendments, waivers, consents or other modifications to and under the DIP Documents (and any fees and other expenses (including any attorneys', accountants', appraisers' and financial advisors' fees), amounts, charges, costs, indemnities and other obligations paid in connection therewith) that do not shorten the maturity of the extensions of credit thereunder or increase the aggregate commitments or the rate of interest payable thereunder; *provided*, for the avoidance of doubt, updates and supplements to the Approved Cash Flow Forecast required to be delivered by the Credit Parties under the DIP Documents shall not be considered amendments or modifications to the Approved Cash Flow Forecast or the DIP Documents; *provided, further*, that a copy (which may be provided through electronic mail or facsimile) of the substantial final form of the amendment, modification, or supplement shall be provided to counsel to the Creditors' Committee two (2) calendar days prior to its execution or as soon as reasonably practicable if two (2) calendar days' advance notice is impracticable; *provided, further*, that if the Creditors' Committee objects to such amendment, modification, or supplement, the Creditors' Committee may seek a hearing on expedited notice in respect of any such objection and, if such a hearing is sought, such amendment, modification, or supplement shall not be effective absent further order of the Court;

(iii) the non-refundable and, upon entry of the Interim Order, irrevocable payment to the DIP Agents and/or the DIP Lenders, as the case may be, of all fees, whether paid

[16] "**DIP Requisite Lenders**" means "Requisite Lenders" as defined in the DIP Credit Agreement.

[17] "**DIP FILO Requisite Lenders**" means "Requisite Roll-Up Lenders" as defined in the DIP Credit Agreement.

pursuant to the Interim Order or this Final Order, including, without limitation, any closing date fee, upfront fee, exit fee, prepayment fee or agency fee (which fees, in each case, were, and were deemed to have been, approved upon entry of the Interim Order, and which fees shall not be subject to any challenge, contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of the indemnification obligations, in each case referred to in the DIP Credit Agreement (and in any separate letter agreements between any or all Credit Parties, on the one hand, and any of the DIP Agents and/or DIP Lenders, on the other, in connection with the DIP Financing) and the costs and expenses as may be due from time to time, including, without limitation, fees and expenses of the following professionals retained by the DIP Agents and/or DIP Lenders, whether incurred before or after the Commencement Date: (i) Wilmer Cutler Pickering Hale and Dorr LLP, counsel to the DIP Agents, (ii) one local bankruptcy counsel to the DIP Agents in the Southern District of Ohio, and, solely to the extent necessary to enforce rights and remedies under the DIP Documents, one counsel to the DIP Agents in each local jurisdiction, in each case which counsel may be the same as counsel representing the Ad Hoc Group of Superpriority Lenders (as defined below) in such capacity, (iii) Davis Polk & Wardwell LLP, counsel to the ad hoc group of certain Prepetition Superpriority Lenders and DIP Term Lenders (the "**Ad Hoc Group of Superpriority Lenders**"), (iv) Frost Brown Todd LLC, as local counsel for the Ad Hoc Group of Superpriority Lenders; (v) Houlihan Lokey Capital, Inc., financial advisor to the Ad Hoc Group of Superpriority Lenders; (vi) Drinker Biddle & Reath LLP, as special labor counsel for the Ad Hoc Group of Superpriority Lenders; (vii) any other advisors retained by the Ad Hoc Group of Superpriority Lenders; (viii) Sidley Austin LLP, counsel to the

Prepetition FILO Lender and DIP FILO Lender, (ix) local bankruptcy counsel to the Prepetition FILO Lender and DIP FILO Lender in the Southern District of Ohio, and (x) one financial advisor to the Prepetition FILO Lender and DIP FILO Lender, and (x) in each case of the foregoing (i)-(x), solely to the extent provided for in the DIP Documents (the "**DIP Fees and Expenses**"), without the need to file retention motions or fee applications or to provide notice to any party, but subject to the provisions of paragraph 29 hereof; and

(iv) the performance of all other acts required under or in connection with the DIP Documents, including the granting of the DIP Liens and DIP Superpriority Claims and perfection of the DIP Liens and DIP Superpriority Claims as permitted herein and therein.

(c) Upon execution and delivery of the DIP Documents, each of the DIP Documents shall constitute valid, binding, enforceable, and non-avoidable obligations of the Credit Parties, fully enforceable against each Credit Party in accordance with the terms of the DIP Documents and this Final Order. No obligation, payment, transfer or grant of security under the DIP Documents or this Final Order to the DIP Agents (including their Representatives) and/or the DIP Lenders and other DIP Secured Parties (including their Representatives) shall be stayed, restrained, voidable or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, 548 or 549 of the Bankruptcy Code, any applicable Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or other similar state statute or common law), or subject to any defense, reduction, recoupment, recharacterization, subordination, disallowance, impairment, cross-claim, claim, counterclaim, or offset.

(d) No DIP Lender, Designated Coal Contract Counterparty, DIP Administrative Agent or the DIP Collateral Agent shall have any obligation or responsibility to monitor any Credit Party's use of the DIP Financing, and each DIP Lender, each Designated Coal

Contract Counterparty, or each DIP Agent may rely upon each Credit Party's representations that the amount of DIP Financing requested at any time and the use thereof are in accordance with the requirements of this Final Order and the DIP Documents.

(e) Subject to the terms and conditions of this Final Order, the DIP Agents are hereby authorized and directed to execute, enter into and perform all rights and obligations under the DIP Documents.

10. *Authorization of the Payoff Letter.*

(a) Subject to the terms and conditions of this Final Order, the Credit Parties are hereby authorized to execute, enter into and perform all obligations under the Payoff Letter. The Payoff Letter and this Final Order shall govern the financial and credit accommodations to be provided to the Debtors by the Outstanding LC Issuer in connection with the Outstanding LCs. In furtherance of the foregoing and without further approval of this Court, each Debtor is authorized to perform all acts, to make, execute and deliver all instruments and documents and to pay all fees that may be reasonably required or necessary for the Credit Parties to implement the terms of, perform their obligations under, or effectuate the purposes of and transactions contemplated by this Final Order and the Payoff Letter, and the rights of the Outstanding LC Issuer under the Payoff Letter, the Prepetition ABL Credit Documents, and this Final Order are fully preserved.

(b) Subject to the rights set forth in paragraph 31 below, the Payoff Letter constitutes a valid, enforceable, and non-avoidable obligation of the Credit Parties, fully enforceable against each Credit Party in accordance with the terms of the Payoff Letter and this Final Order. Except as provided in footnote 6 hereof, no obligation, payment, transfer or grant of security under the Payoff Letter or this Final Order to the Prepetition ABL Agent (on behalf of the Outstanding LC Issuer) or the Outstanding LC Issuer (including their Representatives) shall be

stayed, restrained, voidable or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, 548 or 549 of the Bankruptcy Code, any applicable Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or other similar state statute or common law), or subject to any defense, reduction, recoupment, recharacterization, subordination, disallowance, impairment, cross-claim, claim, counterclaim, or offset.

(c) All of the outstanding obligations with respect to the Prepetition ABL Revolving Debt were refinanced by proceeds of the DIP Term Loans.

(d) The Debtors made a payment to the Prepetition ABL Agent, for the benefit of the Outstanding LC Issuer, to increase the amount of LC Cash Collateral to equal 103% of the face amount of Outstanding LCs, which amount of funding the Debtors shall maintain at all times and replenish if amounts are paid or applied from LC Cash Collateral in accordance with the terms of the Final Order and the Payoff Letter.

11. *Roll-Up of Prepetition FILO Debt into DIP FILO Obligations; Maintenance of Outstanding LCs*. Upon entry of the Interim Order and the occurrence of the Closing Date, without any further action by the Debtors or any other party, all Prepetition Letters of Credit continued in place and all obligations under or in connection with such Prepetition Letters of Credit were deemed Outstanding LCs. Upon entry of the Interim Order and the occurrence of the Closing Date, without any further action by the Debtors or any other party, all outstanding Prepetition FILO Debt was converted into DIP FILO Loans. The conversion (or "roll-up") was authorized as compensation for, in consideration for, and solely on account of, the agreement of the Prepetition FILO Lender to remove or otherwise waive certain reporting obligations and covenants otherwise required by the Prepetition FILO Debt and the agreement of the Prepetition LC Issuer to provide other consideration during these Chapter 11 Cases and not as payments under, adequate protection

for, or otherwise on account of, any Prepetition FILO Debt or Prepetition Letters of Credit. Notwithstanding any other provisions of the Interim Order, this Final Order or the DIP Documents, all rights of the Prepetition ABL Secured Parties shall be fully preserved. The Prepetition ABL Secured Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens to any DIP Liens, and the DIP Agents and the DIP Lenders would not be willing to provide the DIP Facility or extend credit to the Debtors thereunder without the inclusion of the DIP FILO Obligations and the Outstanding LCs. Moreover, the roll-up of all outstanding Prepetition FILO Debt into DIP FILO Loans and all Prepetition Letters of Credit into Outstanding LCs has enabled the Debtors to obtain urgent financing that is needed to administer these Chapter 11 Cases and fund their operations. Because the DIP FILO Obligations are subject to the reservation of rights set forth in paragraph 31 below, they will not prejudice the right of any other party in interest.

12. *Carve-Out*.

(a) Notwithstanding anything to the contrary herein, the Debtors' obligations to the DIP Secured Parties and the liens, security interests and superpriority claims granted herein and/or under the DIP Documents, including the DIP Liens, DIP Priming Liens, the DIP Superpriority Claims, the Superpriority Adequate Protection Liens, and the Superpriority 507(b) Claims, shall be subject in all respects and subordinate to the Carve-Out; *provided, however*, that solely in the case of the Liens and Claims on the DIP FILO Priority Collateral and the Prepetition ABL Priority Collateral, the amount of the Carve-Out shall be capped at the amount of the Term Loan ABL Collateral Cap.

(b) Carve-Out. As used in this Final Order, the "**Carve-Out**" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States

Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to $50,000.00 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (including any restructuring, sale, financing, or other success fee of any investment bankers or financial advisors of the Debtors or the Creditors' Committee, in each case solely to the extent such fee is earned pursuant to the terms of the applicable agreement giving rise to such fee, prior to delivery of a Carve-Out Trigger Notice) (the "**Allowed Professional Fees**") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "**Debtor Professionals**") and the Creditors' Committee pursuant to section 328 or 1103 of the Bankruptcy Code (the "**Committee Professionals**" and, together with the Debtor Professionals, the "**Professional Persons**") at any time before or on the first business day following delivery by the DIP Administrative Agent of a Carve-Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed $7,500,000.00 incurred after the first business day following delivery by the DIP Administrative Agent of the Carve-Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the "**Post-Carve-Out Trigger Notice Cap**"); *provided, however*, that solely with respect to the DIP FILO Priority Collateral and the Prepetition ABL Priority Collateral (other than the LC Cash Collateral), the "Carve-Out" shall mean the sum of (i) through (iv) up to the amount of the Term Loan ABL Collateral Cap. For purposes of the foregoing, "**Carve-Out Trigger Notice**" shall mean a written notice delivered by email (or other

electronic means) by the DIP Administrative Agent to the Debtors, their lead restructuring counsel, the U.S. Trustee, and counsel to the Creditors' Committee, which notice may be delivered following the occurrence and during the continuation of an Event of Default and acceleration of the DIP Obligations under the DIP Facilities, stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(c) Carve-Out Reserves. The Debtors shall establish and fund a segregated account (the "**Funded Reserve Account**") for purposes of funding the Carve-Out. The Funded Reserve Account will be funded first from the DIP Term Funding Account,[18] then from the DIP FILO Priority Collateral (up to the Term Loan ABL Collateral Cap) and the DIP Term Priority Collateral; *provided* that any funding of the Funded Reserve Account from DIP FILO Priority Collateral shall reduce, on a dollar-for-dollar basis, the amount of DIP Term Superpriority Claims secured by the DIP Term Priming Lien (as defined below). Notwithstanding anything to the contrary in this Final Order, the DIP Documents, or the Prepetition Credit Documents, (i) in no circumstances (which, for the avoidance of doubt, includes but is not limited to an Event of Default or a termination of the DIP Credit Agreement or DIP Documents) shall the Debtors be prohibited in any way from accessing or drawing upon the DIP Term Funding Account for the purpose of funding the Funded Reserve Account, and (ii) the DIP Term Funding Account shall not be DIP FILO/LC Priority Collateral (as defined below) or Prepetition ABL Priority Collateral. Upon entry of the Interim Order, the Debtors deposited in the Funded Reserve Account an amount equal to the aggregate amount of Allowed Professional Fees projected to accrue from the Commencement Date through November 30, 2019 (the "**Initial Funded Reserve Amount**"). Commencing

[18] "**DIP Term Funding Account**" means the segregated account in which the proceeds of the DIP Term Loans are funded.

December 1, 2019 (or the first business day thereafter), on the first business day of each month, the Debtors shall deposit in the Funded Reserve Account an amount equal to the aggregate amount of Allowed Professional Fees projected to accrue for the following month in the Approved Cash Flow Forecast *plus* twenty percent of such aggregate amount of Allowed Professional Fees projected to accrue in the following month in the Approved Cash Flow Forecast (the "**Monthly Funded Reserve Amount**"). Each Professional Person may deliver to the Debtors a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred in preceding month (each such statement, a "**Fee Statement**"), and to the extent the amount of Allowed Professional Fees accrued and claimed in a Fee Statement exceeds the Initial Funded Reserve Amount or the Monthly Funded Reserve Amount for the applicable period or month, respectively, and such fees and expenses have otherwise not been paid by the Debtors, the Debtors shall, within one business day, fund additional amounts into the Funded Reserve Account equal to the difference between, as applicable, the Initial Funded Reserve Amount or the Monthly Funded Reserve Amount and the amount accrued and claimed in the applicable Fee Statement (each, a "**Top Off Amount**"). At any time, if the Debtors in good faith believe a restructuring, sale, financing, or other success fee has been earned by a Professional Person, the Debtors shall deposit in the Funded Reserve Account an amount equal to such fee. The Funded Reserve Account shall be maintained, and the funds therein (the "**Funded Reserve Amount**") shall be held in trust for the benefit of Professional Persons. Any and all amounts in the Funded Reserve Account shall not be subject to any cash sweep and/or foreclosure provisions in the Prepetition Credit Documents or DIP Documents and neither the Prepetition Secured Parties nor the DIP Secured Parties shall be entitled to sweep or foreclose on such amounts notwithstanding any provision to the contrary in the Prepetition Credit Documents or DIP Financing Agreements.

(d) On the day on which a Carve-Out Trigger Notice is given by the DIP Administrative Agent to the Debtors with a copy to counsel to the Creditors' Committee (the "**Termination Declaration Date**"), the Carve-Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees in excess of the Funded Reserve Amount; *provided* that in the event that a Termination Declaration Date occurs, Professional Persons shall have 2 business days to deliver additional Fee Statements to the Debtors, and the Debtors shall fund into the Funded Reserve Amount any Top Off Amounts; *provided, further*, that any funding from DIP FILO Priority Collateral after the Termination Declaration Date shall be *solely* up to the Term Loan ABL Collateral Cap. The Debtors shall deposit and hold such amounts in the Funded Reserve Account in trust to pay such then unpaid Allowed Professional Fees (the "**Pre-Carve-Out Trigger Notice Reserve**") prior to any and all other claims. On the Termination Declaration Date, after funding the Pre-Carve-Out Trigger Notice Reserve, the Debtors shall utilize all remaining cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the Post-Carve-Out Trigger Notice Cap (the "**Post-Carve-Out Trigger Notice Reserve**" and, together with the Pre-Carve-Out Trigger Notice Reserve, the "**Carve-Out Reserves**") prior to any and all other claims; *provided, further*, that any funding from DIP FILO Priority Collateral after the Termination Declaration Date shall be *solely* up to the Term Loan ABL Collateral Cap. All funds in the Pre-Carve-Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve-Out set forth above (the "**Pre-Carve-Out Amounts**"), but not, for the avoidance of doubt, the Post-Carve-Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve-Out Trigger Notice Reserve

has not been reduced to zero, to pay the DIP Administrative Agent for the benefit of the DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all DIP Commitments (as defined and used in the DIP Credit Agreement) (the "**DIP Commitments**") have been terminated, in which case any such excess shall be paid to the Prepetition Secured Parties in accordance with their rights and priorities as of the Commencement Date. All funds in the Post-Carve-Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve-Out set forth above (the "**Post-Carve-Out Amounts**"), and then, to the extent the Post-Carve-Out Trigger Notice Reserve has not been reduced to zero, to pay the DIP Administrative Agent for the benefit of the DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all DIP Commitments have been terminated, in which case any such excess shall be paid to the Prepetition Secured Parties in accordance with their rights and priorities as of the Commencement Date. Notwithstanding anything to the contrary in the DIP Documents or this Final Order, if either of the Carve-Out Reserves is not funded in full in the amounts set forth in this paragraph 12(d), then, any excess funds in one of the Carve-Out Reserves following the payment of the Pre-Carve-Out Amounts and Post-Carve-Out Amounts, respectively, shall be used to fund the other Carve-Out Reserve, up to the applicable amount set forth in this paragraph 12(d), prior to making any payments to the DIP Administrative Agent or the Prepetition Secured Parties, as applicable. Notwithstanding anything to the contrary in the DIP Documents or this Final Order, following delivery of a Carve-Out Trigger Notice, the DIP Administrative Agent and the Prepetition Secured Parties shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve-Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve-Out Reserves, with any excess paid to the DIP Administrative Agent for application in accordance with

the DIP Documents. Further, notwithstanding anything to the contrary in this Final Order, (i) disbursements by the Debtors from the Carve-Out Reserves shall not constitute Loans (as defined in the DIP Credit Agreement) or increase or reduce the DIP Obligations, (ii) the failure of the Carve-Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve-Out, and (iii) in no way shall the Approved Cash Flow Forecast, Carve-Out, Post-Carve-Out Trigger Notice Cap, Carve-Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this Final Order, the DIP Facilities or in any Prepetition Credit Documents, the Carve-Out shall be senior to all liens and claims securing the DIP Facilities, the Adequate Protection Liens, and the 507(b) Claim, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition Debt; *provided, however*, that solely in the case of liens and claims on the DIP FILO Priority Collateral and the Prepetition ABL Priority Collateral, the amount of the Carve-Out shall be capped at the amount of the then-outstanding Term Loan ABL Collateral Cap.

(e) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve-Out.

(f) No Direct Obligation To Pay Allowed Professional Fees. None of the DIP Agents, DIP Lenders, Designated Coal Contract Counterparties, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Agents, the DIP Lenders, the Designated Coal Contract Counterparties, or the

Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(g) Payment of Carve-Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve-Out on a dollar-for-dollar basis.

13. *DIP Superpriority Claims.*

(a) *DIP Term Superpriority Claims*. such provision ineffective, unenforceable, and/or invalid if requested by this non-Debtor party to the Specified Lease, and the Court shall retain jurisdiction to hear and adjudicate issues related thereto; *provided, further*, that DIP Collateral shall include and the DIP Liens and Adequate Protection Liens granted under this Final Order shall attach to any proceeds of any Specified Lease.

(d) *Automatic Effectiveness of Liens*. The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby vacated and modified to effectuate all of the terms and provisions of this Final Order, including to (i) permit the Credit Parties to grant the liens and security interests to the DIP Collateral Agent, the other DIP Secured Parties and the Prepetition Secured Parties, (ii) authorize the Credit Parties to pay, and the DIP Secured Parties and Prepetition Secured Parties to retain and apply, payments made in accordance with this Final Order, to the extent, in cases (i) and (ii), contemplated by this Final Order and the other DIP Documents, and (iii) permit the Outstanding LC Issuer to exercise all rights and remedies against the LC Cash Collateral (including, for the avoidance of doubt, to apply such LC Cash Collateral to any obligations of the Debtors with respect to the Outstanding LCs or other obligations under the Payoff Letter, including professional fees and expenses of the Outstanding LC Issuer).

15. *Protection of DIP Term Lenders' and Designated Coal Contract Counterparties' Rights.*

(a) So long as there are any DIP Term Obligations outstanding or the DIP Term Secured Parties have any outstanding Commitments under the DIP Credit Agreement, the Prepetition Secured Parties (other than the Prepetition ABL Secured Parties with respect to Prepetition ABL Priority Collateral) shall: (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Credit Documents or this Final Order, or otherwise seek to exercise or enforce any rights or remedies

against such DIP Term Collateral, including in connection with the Prepetition Liens or the Adequate Protection Liens; (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, such DIP Term Collateral (but not any proceeds of such transfer, disposition or sale to the extent remaining after payment in cash in full of the DIP Term Obligations and termination of the DIP Commitments), to the extent such transfer, disposition, sale or release is authorized under the DIP Documents; (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in such DIP Term Collateral unless, solely as to this clause (iii), the DIP Collateral Agent or the DIP Term Lenders file financing statements or other documents to perfect the liens granted pursuant to this Final Order, or as may be required by applicable state law to continue the perfection of valid and non-avoidable liens or security interests as of the Commencement Date and (iv) at the request of the DIP Collateral Agent, deliver or cause to be delivered, at the Credit Parties' cost and expense, any termination statements, releases and/or assignments in favor of the DIP Collateral Agent or the DIP Term Lenders or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of such DIP Collateral subject to any sale or disposition permitted by the DIP Documents and this Final Order.

(b) Except with respect to Prepetition ABL Secured Parties solely with respect to the Prepetition ABL Priority Collateral prior to the Prepetition ABL Debt being Paid in Full,[21] and so long as any Outstanding LCs are outstanding, the Outstanding LC Issuer with respect to the

[21] For purposes of this Final Order, the terms "Paid in Full," and "Payment in Full" shall mean, with respect to any referenced DIP Obligations and/or Prepetition Debt, (i) the indefeasible payment in full in cash (or other agreed consideration) of such obligations, and (ii) the termination of all commitments under the DIP Documents and/or the Prepetition Superpriority Credit Agreement, the Prepetition Term Loan Credit Agreement or the Prepetition ABL Credit Agreement, as applicable.

LC Cash Collateral, to the extent any Prepetition Secured Party has possession of any Prepetition Collateral or DIP Term Collateral or has control with respect to any Prepetition Collateral or DIP Term Collateral, or has been noted as a secured party on any certificate of title for a titled good constituting Prepetition Collateral or DIP Term Collateral, then such Prepetition Secured Party shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Collateral Agent, the DIP Term Lenders and the Designated Coal Contract Counterparties, and, it shall comply with the instructions of the DIP Collateral Agent with respect to the exercise of such control. The Prepetition ABL Agent, the Prepetition Superpriority Agent, the Prepetition Term Agent, the Prepetition Indenture Trustee and the Prepetition Collateral Trustee are not and shall not be deemed to be fiduciaries of any kind for the DIP Agents, the DIP Term Lenders or the Designated Coal Contract Counterparties, and the DIP Agents, on behalf of themselves, the DIP Term Lenders and Designated Coal Contract Counterparties, are hereby deemed to waive and release the Prepetition ABL Agent, the Prepetition Superpriority Agent, the Prepetition Term Agent, the Prepetition Indenture Trustee and the Prepetition Collateral Trustee from all claims and liabilities arising pursuant to their role under this paragraph 15(b) as gratuitous bailee and agent with respect to the Prepetition Collateral or the DIP Term Collateral.

(c) Except with respect to the Prepetition ABL Priority Collateral prior to the Prepetition ABL Debt being Paid in Full and so long as any Outstanding LCs are outstanding, except with respect to the LC Cash Collateral, any proceeds of Prepetition Collateral received by any Prepetition Secured Party in connection with the exercise of any right or remedy relating to the Prepetition Collateral or otherwise received by any Prepetition Secured Party shall be segregated and held in trust for the benefit of and forthwith paid over to the DIP Collateral Agent

for the benefit of the applicable DIP Term Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The DIP Collateral Agent is hereby authorized to make any such endorsements as agent for any such Prepetition Secured Party. This authorization is coupled with an interest and is irrevocable.

(d) The automatic stay provisions of section 362 of the Bankruptcy Code are hereby vacated and modified to the extent necessary to permit the DIP Term Secured Parties to enforce all of their rights under the applicable DIP Documents and take any or all of the following actions, at the same or different time, in each case without further order or application of the Court: (i) immediately upon the occurrence of an Event of Default, declare (A) the termination, reduction or restriction of any further DIP Commitment to the extent any such DIP Commitment remains, (B) all DIP Term Obligations to be immediately due, owing and payable, without presentment, demand, protest, or other notice of any kind, all of which are expressly waived by the Credit Parties, notwithstanding anything herein or in any DIP Document to the contrary, and (C) the termination of the applicable DIP Documents as to any future liability or obligation of the DIP Agents and the applicable DIP Term Lenders and Designated Coal Contract Counterparties (but, for the avoidance of doubt, without affecting any of the DIP Term Liens or the DIP Term Obligations), (ii) upon the occurrence of an Event of Default and the giving of five (5) business days' prior written notice (which shall run concurrently with any notice required to be provided under the DIP Documents) (the "**Term Remedies Notice Period**") via email to counsel to the Debtors, the Creditors' Committee, counsel to the DIP FILO Lender and the U.S. Trustee, unless this Court orders otherwise during the Term Remedies Notice Period after a hearing, (A) whether or not the maturity of any of the DIP Term Obligations shall have been accelerated, proceed to protect, enforce and exercise all rights and remedies of the DIP Term Secured Parties under the DIP Documents or

applicable law, including, but not limited to, by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in any such DIP Document or any instrument pursuant to which such DIP Term Obligations are evidenced, and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of any of such DIP Term Secured Parties, and (B) withdraw consent to the Credit Parties' continued use of Cash Collateral and exercise all other rights and remedies provided for in the DIP Documents and under applicable law with respect to the DIP Term Collateral; *provided*, that no such notice shall be required for any exercise of rights or remedies to block or limit withdrawals from any bank accounts that are a part of the Collateral (including, without limitation, by sending any control activation notices to depositary banks pursuant to any control agreement).

(e) During the Term Remedies Notice Period, the Credit Parties shall be permitted to use Cash Collateral solely to (A) pay payroll and other critical administrative expenses to keep the business of the Credit Parties operating, strictly in accordance with the Approved Cash Flow Forecast (subject to any permitted variances), or as otherwise agreed by the DIP Administrative Agent acting at the direction of the DIP Requisite Lenders, and (B) fund the Carve-Out. During the Term Remedies Notice Period, the Debtors shall be entitled to seek an emergency hearing with the Court within the Term Remedies Notice Period solely for the purpose of contesting whether, in fact, an Event of Default has occurred and is continuing. Except as set forth in this Final Order, the Debtors shall waive their right to seek relief under the Bankruptcy Code, including, without limitation, under section 105 of the Bankruptcy Code, to the extent that such relief would in any way impair or restrict the rights or remedies of the DIP Term Secured Parties set forth in this Final Order or the DIP Documents. Any party-in-interest shall be entitled

to seek an emergency hearing for the purpose of contesting whether assets constitute assets of the Debtors' estates and nothing in this Final Order shall affect any party-in-interest's rights or positions at such hearing.

(f) In no event shall the DIP Agents, the DIP Term Lenders, the Designated Coal Contract Counterparties or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the Prepetition Collateral or the DIP Term Collateral. Further, in no event shall the "equities of the case" exception in section 552(b) of the Bankruptcy Code apply to the secured claims of the Prepetition Secured Parties. Notwithstanding the foregoing, the Prepetition Secured Parties and the DIP Secured Parties shall use commercially reasonable efforts to first use all DIP Collateral or Prepetition Collateral other than Avoidance Proceeds or the proceeds of any commercial tort claim (including, without limitation, any claims and causes of action brought against the Prepetition Secured Parties in a timely filed Challenge) to repay the DIP Superpriority Claims or Adequate Protection Claims, including the 507(b) Claims, as applicable.

(g) No rights, protections or remedies of the DIP Agents, the DIP Term Lenders, the Designated Coal Contract Counterparties or the Prepetition Secured Parties granted by the provisions of this Final Order or the DIP Documents shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent of any party to the Credit Parties' authority to continue to use Cash Collateral; (ii) any actual or purported termination of the Credit Parties' authority to continue to use Cash Collateral; or (iii) the terms of any other order or stipulation related to the Credit Parties' continued use of Cash Collateral or the provision of adequate protection to any party.

16. *Protection of DIP FILO Lender's Rights*.

(a) So long as there are any DIP FILO Obligations outstanding under the DIP Credit Agreement, the Prepetition Secured Parties (other than the Prepetition Term Secured Parties with respect to Prepetition Term Priority Collateral) shall: (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Credit Documents or the Interim Order, or otherwise seek to exercise or enforce any rights or remedies against such DIP FILO Collateral, including in connection with the Prepetition Liens or the Adequate Protection Liens; (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, such DIP FILO Collateral (but not any proceeds of such transfer, disposition or sale to the extent remaining after payment in cash in full of the DIP FILO Obligations), to the extent such transfer, disposition, sale or release is authorized under the DIP Documents; (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in such DIP FILO Collateral unless, solely as to this clause (iii), the DIP Administrative Agent files financing statements or other documents to perfect the liens granted pursuant to this Final Order, or as may be required by applicable state law to continue the perfection of valid and non-avoidable liens or security interests as of the Commencement Date and (iv) at the request of the DIP Administrative Agent, deliver or cause to be delivered, at the Credit Parties' cost and expense, any termination statements, releases and/or assignments in favor of the DIP Administrative Agent or the DIP FILO Lender or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of such DIP FILO Collateral subject to any sale or disposition permitted by the DIP Documents and this Final Order.

(b) Except with respect to Prepetition Term Secured Parties solely with respect to the Prepetition Term Priority Collateral, to the extent any Prepetition Secured Party has possession of any Prepetition Collateral or DIP FILO Collateral or has control with respect to any Prepetition Collateral or DIP FILO Collateral, or has been noted as a secured party on any certificate of title for a titled good constituting Prepetition Collateral or DIP FILO Collateral, then such Prepetition Secured Party shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Administrative Agent and the DIP FILO Lender and, it shall comply with the instructions of the DIP Administrative Agent with respect to the exercise of such control. The Prepetition ABL Agent, the Prepetition Superpriority Agent, the Prepetition Term Agent, the Prepetition Indenture Trustee and the Prepetition Collateral Trustee are not and shall not be deemed to be fiduciaries of any kind for the DIP Administrative Agent or the DIP FILO Lender, and the DIP Administrative Agent, on behalf of itself and the DIP FILO Lender, is hereby deemed to waive and release the Prepetition ABL Agent, the Prepetition Superpriority Agent, the Prepetition Term Agent, the Prepetition Indenture Trustee and the Prepetition Collateral Trustee from all claims and liabilities arising pursuant to their role under this paragraph 16(b) as gratuitous bailee and agent with respect to the Prepetition Collateral or the DIP FILO Collateral.

(c) Except with respect to the Prepetition Term Priority Collateral, any proceeds of Prepetition Collateral received by any Prepetition Secured Party in connection with the exercise of any right or remedy relating to the Prepetition Collateral or otherwise received by any Prepetition Secured Party shall be segregated and held in trust for the benefit of and forthwith paid over to the DIP Administrative Agent for the benefit of the applicable DIP FILO Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent

jurisdiction may otherwise direct. The DIP Administrative Agent is hereby authorized to make any such endorsements as agent for any such Prepetition Secured Party. This authorization is coupled with an interest and is irrevocable.

(d) The automatic stay provisions of section 362 of the Bankruptcy Code are hereby vacated and modified to the extent necessary to permit the DIP FILO Secured Parties to enforce all of their rights under the applicable DIP Documents in respect to the DIP FILO Loans and take any or all of the following actions, at the same or different time: (i) immediately upon the occurrence of an Event of Default, declare (A) all DIP FILO Obligations to be immediately due, owing and payable, without presentment, demand, protest, or other notice of any kind, all of which are expressly waived by the Credit Parties, notwithstanding anything herein or in any DIP Document to the contrary, and (B) the termination of the applicable DIP Documents as to any future liability or obligation of the DIP Administrative Agent and the applicable DIP FILO Lender (but, for the avoidance of doubt, without affecting any of the DIP FILO Liens or the DIP FILO Obligations), (ii) upon the occurrence of an Event of Default and the giving of five (5) business days' prior written notice (which shall run concurrently with any notice required to be provided under the DIP Documents) (the "**FILO Remedies Notice Period**," and together with the Term Remedies Notice Period, the "**Remedies Notice Periods**") via email to counsel to the Debtors, counsel to the DIP Term Lenders, the Creditors' Committee, and the U.S. Trustee, unless this Court orders otherwise during the FILO Remedies Notice Period after a hearing, (A) whether or not the maturity of any of the DIP FILO Obligations shall have been accelerated, proceed to protect, enforce and exercise all rights and remedies of the DIP FILO Secured Parties under the DIP Documents or applicable law, including, but not limited to, by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement

contained in any such DIP Document or any instrument pursuant to which such DIP FILO Obligations are evidenced, and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of any of such DIP FILO Secured Parties, and (B) withdraw consent to the Credit Parties' continued use of Cash Collateral and exercise all other rights and remedies provided for in the DIP Documents and under applicable law with respect to the DIP FILO Collateral; *provided*, that no such notice shall be required for any exercise of rights or remedies to block or limit withdrawals from any bank accounts that are a part of the Collateral (including, without limitation, by sending any control activation notices to depositary banks pursuant to any control agreement).

(e) During the FILO Remedies Notice Period, the Credit Parties shall be permitted to use Cash Collateral solely to (A) pay payroll and other critical administrative expenses to keep the business of the Credit Parties operating, strictly in accordance with the Approved Cash Flow Forecast (subject to any permitted variances), or as otherwise agreed by the DIP Administrative Agent acting at the direction of the DIP FILO Requisite Lenders, and (B) fund the Carve-Out. During the FILO Remedies Notice Period, the Debtors shall be entitled to seek an emergency hearing with the Court within the FILO Remedies Notice Period solely for the purpose of contesting whether, in fact, an Event of Default has occurred and is continuing. Except as set forth in this Final Order, the Debtors shall waive their right to seek relief under the Bankruptcy Code, including, without limitation, under section 105 of the Bankruptcy Code, to the extent that such relief would in any way impair or restrict the rights or remedies of the DIP FILO Secured Parties set forth in this Final Order or the DIP Documents.

(f) In no event shall the DIP Administrative Agent, the DIP FILO Lender or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any similar

doctrine with respect to the Prepetition Collateral or the DIP FILO Collateral. In no event shall the "equities of the case" exception in section 552(b) of the Bankruptcy Code apply to the secured claims of the Prepetition Secured Parties.

(g) No rights, protections or remedies of the DIP Administrative Agent, the DIP FILO Lender or the Prepetition Secured Parties granted by the provisions of this Final Order or the DIP Documents shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent of any party to the Credit Parties' authority to continue to use Cash Collateral; (ii) any actual or purported termination of the Credit Parties' authority to continue to use Cash Collateral; or (iii) the terms of any other order or stipulation related to the Credit Parties' continued use of Cash Collateral or the provision of adequate protection to any party.

17. *Proceeds of Subsequent Financing.* Without limiting the provisions and protections herein, but subject in all respects to the Carve-Out, if at any time prior to the repayment in full in accordance with the DIP Documents of all the DIP Obligations (including subsequent to the confirmation of any chapter 11 plan or plans with respect to any of the Debtors), the Debtors' estates, any trustee, any examiner with enlarged powers, or any responsible officer subsequently appointed shall obtain credit or incur debt pursuant to sections 364(b), 364(c), 364(d), or any other provision of the Bankruptcy Code in violation of this Final Order or the DIP Documents, then all of the cash proceeds derived from such credit or debt and all Cash Collateral shall immediately be turned over to the DIP Collateral Agent for application to the DIP Obligations until such DIP Obligations are Paid in Full.

18. *Limitation on Charging Expenses Against Collateral.* Except to the extent of the Carve-Out, no costs or expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the

Bankruptcy Code, shall be charged against or recovered from the Collateral (including Cash Collateral) pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent or the Prepetition Superpriority Agent, as applicable, and no such consent shall be implied from any other action, inaction or acquiescence by the DIP Secured Parties or the Prepetition Secured Parties, and nothing contained in this Final Order shall be deemed to be a consent by the DIP Secured Parties to any charge, lien, assessment or claims against the Collateral under section 506(c) of the Bankruptcy Code or otherwise.

19. *Payments Free and Clear*. Any and all payments or proceeds remitted to the DIP Agents by, through or on behalf of the DIP Secured Parties pursuant to the provisions of the Interim Order or this Final Order, the DIP Documents (including, without limitation, the Approved Cash Flow Forecast (subject to permitted variances)) or any subsequent order of the Court shall be irrevocable, received free and clear of any claim, charge, assessment or other liability, including without limitation, any such claim or charge arising out of or based on, directly or indirectly, sections 506(c) or 552(b) of the Bankruptcy Code, whether asserted or assessed by through or on behalf of the Debtors.

20. *Use of Cash Collateral*. The Credit Parties are hereby authorized, subject to the terms and conditions of this Final Order, to use Cash Collateral; *provided*, that (a) the Prepetition Secured Parties are granted the Adequate Protection as hereinafter set forth and (b) except on the terms and conditions of this Final Order, the Credit Parties shall be enjoined and prohibited from at any time using the Cash Collateral absent further order of the Court; and *provided, further*, that the LC Cash Collateral shall be held by the Outstanding LC Issuer for its own account and shall not be subject to use by the Debtors except as provided in the Payoff Letter.

21. *Adequate Protection of Prepetition Secured Parties.* Subject to the Carve-Out in all respects, the Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1) and 507 of the Bankruptcy Code, to adequate protection of their interests in all Prepetition Collateral, including Cash Collateral, for and equal in amount to the aggregate diminution in the value of the Prepetition Secured Parties' interests in the Prepetition Collateral (including Cash Collateral) from and after the Commencement Date, if any ("**Diminution in Collateral Value**"), for any reason provided for under the Bankruptcy Code (the "**Adequate Protection Claims**"). To the extent of any Diminution in Collateral Value, the Prepetition Secured Parties are hereby granted the following, in each case subject to the Carve-Out (collectively, the "**Adequate Protection Obligations**"):

(a) ABL Adequate Protection Liens. Until the ABL Satisfaction Date and the date upon which the full roll-up of the Prepetition FILO Debt into DIP FILO Loans occurs, the Prepetition ABL Agent, for itself and for the benefit of the Prepetition ABL Lenders and Prepetition LC Issuer, is hereby granted (effective and perfected upon the date of the Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements), in the amount of the Prepetition ABL Secured Parties' Adequate Protection Claims, a valid, perfected replacement security interest in and lien upon all of the DIP Collateral (the "**ABL Adequate Protection Liens**"), subject and subordinate to (i) in the case of DIP Term Priority Collateral, (A) the Carve-Out, (B) the DIP Liens and any liens to which the DIP Liens are junior (including the Prepetition Permitted Prior Liens and Permitted Liens), (C) Prepetition Term Liens, and (D) Term Adequate Protection Liens (as defined below) and (ii) in the case of Prepetition ABL Priority Collateral, the Carve-Out.

(b) Prepetition ABL Secured Parties' Adequate Protection Fees and Expenses. Until the ABL Satisfaction Date and the date upon which the full roll-up of the Prepetition FILO Debt into DIP FILO Loans occurs, as further adequate protection, subject to the Carve-Out as set forth in this Final Order, the Credit Parties shall provide the Prepetition ABL Agent, for the benefit of the Prepetition ABL Lenders and the Prepetition LC Issuer, current cash payments of the reasonable and documented prepetition and postpetition fees and expenses of the Prepetition ABL Agent under the Prepetition ABL Credit Documents and the Prepetition FILO Lender, including, but not limited to, the reasonable and documented fees and out-of-pocket expenses of Latham & Watkins LLP (solely in its capacity as counsel to the Prepetition ABL Agent), Sidley Austin LLP (solely in its capacity as counsel to the Prepetition FILO Lender), local counsel to the Prepetition FILO Lender, one financial advisor to the Prepetition FILO Lender, and any other advisors retained by Prepetition ABL Agent and/or the Prepetition FILO Lender in accordance with the Prepetition ABL Credit Agreement) (the "**ABL Adequate Protection Fees and Expenses**"), subject to the review procedures set forth in paragraph 29 of this Final Order.

(c) Prepetition ABL Secured Parties' Section 507(b) Claim. Until the ABL Satisfaction Date and the date upon which the full roll-up of the Prepetition FILO Debt into DIP FILO Loans occurs, the Prepetition ABL Agent, for itself and for the benefit of the Prepetition ABL Lenders and Prepetition LC Issuer, is hereby granted, subject to the Carve-Out, an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of the Prepetition ABL Secured Parties' Adequate Protection Claims solely with respect to its interest in the DIP Term Priority Collateral (the "**Term Priority Collateral ABL 507(b) Claims**"), which Term Priority Collateral ABL 507(b) Claims shall be payable from and have recourse to all DIP Term Priority Collateral and all proceeds thereof (excluding

Avoidance Actions but including, without limitation, the Avoidance Proceeds). The Term Priority Collateral ABL 507(b) Claims shall be subject and subordinate only to the Carve-Out, the DIP Term Superpriority Claims, the Term 507(b) Claims and the prepetition claims of the Prepetition Term Loan Secured Parties. The Prepetition ABL Secured Parties shall not receive or retain any payments, property or other amounts in respect of the Term Priority Collateral ABL 507(b) Claims unless and until the DIP Term Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and any claims having a priority superior to or *pari passu* with the DIP Superpriority Claims have indefeasibly been paid in cash in full and all DIP Commitments have been terminated. The Prepetition ABL Agent, for itself and for the benefit of the Prepetition ABL Lenders and Prepetition LC Issuer, is hereby granted, subject to the Carve-Out up to the Term Loan ABL Collateral Cap, an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of the Prepetition ABL Secured Parties' Adequate Protection Claims solely with respect to its interest in the Prepetition ABL Priority Collateral, with, except as set forth in this Final Order, priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (as defined below) (the "**ABL Priority Collateral ABL 507(b) Claims**", together with the Term Priority Collateral ABL 507(b) Claims, the "**ABL 507(b) Claims**"), which ABL Priority Collateral ABL 507(b) Claims shall be payable from and have recourse to all Prepetition ABL Priority Collateral and all proceeds thereof. The ABL Priority Collateral ABL 507(b) Claims shall be subject and subordinate only to the Carve-Out up to the Term Loan ABL Collateral Cap.

(d) Prepetition FILO Lender's Adequate Protection Payments. Until the date upon which the full roll-up of the Prepetition FILO Debt into DIP FILO Loans occurs, as additional

adequate protection, subject to the Carve-Out as set forth in this Final Order, the Prepetition ABL Agent shall receive, for the benefit of the Prepetition FILO Lender, current payment of interest (at the contractual default rate) due under the Prepetition ABL Credit Agreement with respect to outstanding Last-Out Obligations (as defined in the Prepetition ABL Credit Agreement), whether due prior to, on, or subsequent to the Commencement Date, subject to the rights reserved in paragraph 31 of this Final Order.

(e) Superpriority Adequate Protection Liens. The Prepetition Collateral Trustee, for itself and for the benefit of other Prepetition Superpriority Secured Parties, is hereby granted (effective and perfected upon the date of the Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements), in the amount of the Prepetition Superpriority Secured Parties' Adequate Protection Claims, a valid, perfected replacement security interest in and lien upon all of the DIP Collateral, in each case subject and subordinate only to (A) the Carve-Out and (B) the DIP Liens and any liens to which the DIP Liens are junior (including the Prepetition Permitted Prior Liens and Permitted Liens and, solely with respect to the Prepetition ABL Priority Collateral, the Prepetition ABL Liens and the ABL Adequate Protection Liens), except, solely with respect to DIP Term Priority Collateral, the DIP FILO Liens (the "**Superpriority Adequate Protection Liens**");

(f) Prepetition Superpriority Secured Parties' Section 507(b) Claim. Solely to the extent of any diminution in value, the Prepetition Superpriority Agent, for itself and for the benefit of other Prepetition Superpriority Secured Parties, is hereby granted, subject to the Carve-Out, an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of the Prepetition Superpriority Secured Parties' Adequate

Protection Claims, with, except as set forth in this Final Order, priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (the "**Superpriority 507(b) Claims**"), which Superpriority 507(b) Claims shall be payable from and have recourse to all prepetition and postpetition property of the Credit Parties and all proceeds thereof (excluding Avoidance Actions, but including, without limitation, Avoidance Proceeds). The Superpriority 507(b) Claims shall be subject and subordinate only to the Carve-Out, the DIP Superpriority Claims granted in respect of the DIP Obligations (except, with respect to the DIP Term Priority Collateral, the DIP FILO Superpriority Claims) and, solely with respect to the Prepetition ABL Priority Collateral, the claims of the Prepetition ABL Secured Parties and the ABL 507(b) Claims. Except to the extent expressly set forth in the Interim Order, this Final Order or the DIP Documents, the Prepetition Superpriority Secured Parties shall not receive or retain any payments, property or other amounts in respect of the Superpriority 507(b) Claims unless and until the DIP Term Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and any claims having a priority superior to or *pari passu* with the DIP Term Superpriority Claims have indefeasibly been paid in cash in full and all DIP Commitments have been terminated.

(g) Prepetition Superpriority Secured Parties' Adequate Protection Fees and Expenses. The Credit Parties shall provide the Prepetition Superpriority Agent, for the benefit of the Prepetition Superpriority Lenders, and the Ad Hoc Group of Superpriority Lenders current cash payments of the reasonable and documented prepetition and postpetition fees and expenses of the Prepetition Superpriority Agent under the Prepetition Superpriority Credit Documents and the Ad Hoc Group of Superpriority Lenders, including, but not limited to, the reasonable and documented fees and out-of-pocket expenses of Wilmer Cutler Pickering Hale and Dorr LLP

(solely in its capacity as counsel to the Prepetition Superpriority Agent), one local bankruptcy counsel to the Prepetition Superpriority Agent in the Southern District of Ohio, and, solely to the extent necessary to enforce rights and remedies under the Prepetition Superpriority Credit Documents, one counsel to the Prepetition Superpriority Agent in each local jurisdiction, Dorsey & Whitney LLP (solely in its capacity as counsel to the Prepetition Collateral Trustee), Davis Polk & Wardwell LLP, Frost Brown Todd LLC, Houlihan Lokey Capital, Inc., Drinker Biddle & Reath LLP, and any other advisors retained by the Ad Hoc Group of Superpriority Lenders (the "**Superpriority Adequate Protection Fees and Expenses**," and, together with the ABL Adequate Protection Fees and Expenses, the "**Adequate Protection Fees and Expenses**"), subject to the review procedures set forth in paragraph 29 of this Final Order.

(h) Prepetition Superpriority Secured Parties' Adequate Protection Payment. Only after the DIP Obligations are fully discharged, the Prepetition Superpriority Agent, on behalf of the Prepetition Superpriority Secured Parties, shall receive from the Credit Parties, cash payments in an amount equal to the amount of the net cash proceeds received by the Debtors of the sale of any Prepetition Term Priority Collateral (including, for the avoidance of doubt, net cash proceeds from the sale of Prepetition Term Priority Collateral in connection with an Asset Sale (as such term is defined in the DIP Credit Agreement)), payable not later than the fifth business day following the date of receipt of such proceeds. Subject to paragraph 31 of this Final Order, any payment made to the Prepetition Superpriority Secured Parties under this section (h) shall be without prejudice, and with a full reservation of rights, as to whether such payment should be disgorged, recharacterized or reallocated pursuant to section 506(b) of the Bankruptcy Code as payments under the Prepetition Superpriority Credit Agreements (whether as principal, interest or otherwise).

(i) Prepetition Superpriority Secured Parties and Prepetition ABL Secured Parties' Information Rights. The Debtors shall promptly provide the Prepetition Superpriority Agent, on behalf of itself and on behalf of the Prepetition Superpriority Secured Parties, and, until the ABL Satisfaction Date and the date upon which the full roll-up of the Prepetition FILO Debt into DIP FILO Loans occurs, the Prepetition ABL Agent, on behalf of itself and on behalf of the Prepetition ABL Lenders, with all required written financial reporting and other periodic reporting to the extent required to be provided to the DIP Administrative Agent or the DIP Secured Parties in accordance with the DIP Documents, including but not limited to the reporting required under section 5.1 of the DIP Credit Agreement. In addition to the Prepetition Superpriority Secured Parties and Prepetition ABL Secured Parties set forth above, the Creditors' Committee shall be entitled to receive all required written financial reporting and other periodic reporting that is required to be provided to the DIP Administrative Agent or the DIP Secured Parties under the DIP Documents, including but not limited to the reporting required under section 5.1 of the DIP Credit Agreement.

(j) Prepetition Superpriority Secured Parties and Prepetition ABL Secured Parties' Adequate Protection Milestones. The Prepetition Superpriority Secured Parties and, until the ABL Satisfaction Date and the date upon which the full roll-up of the Prepetition FILO Debt into DIP FILO Loans occurs, the Prepetition ABL Secured Parties, are hereby entitled to performance of the milestones set forth in section 5.18 of the DIP Credit Agreement (the "**Adequate Protection Milestones**"), which cannot be waived, amended, modified or extended from time to time, in each case as to the Prepetition Superpriority Secured Parties, absent prior

written consent of the Superpriority Requisite Lenders, and as to the Prepetition ABL Secured Parties, absent prior written consent of the ABL Requisite Lenders.[22]

(k) Prepetition Superpriority Secured Parties' Entitlement to Financial Covenant Compliance. The Prepetition Superpriority Secured Parties are hereby entitled to compliance by the Credit Parties with those certain financial covenants set forth in section 6.7 of the DIP Credit Agreement, which may be extended or waived with the consent of a majority of the Prepetition Superpriority Secured Parties.

(l) The Adequate Protection Milestones, reporting obligations and financial covenants compliance obligations in the subparagraphs above shall survive any termination of the DIP Credit Agreement or the DIP Commitments thereunder. Following any such termination of the DIP Credit Agreement or the DIP Commitments thereunder, the Adequate Protection Milestones may be waived, amended, modified or extended from time to time by the Superpriority Requisite Lenders (in their sole discretion).

(m) Prepetition Superpriority Secured Parties' Additional Adequate Protection. In the event the Debtors file, support, make a proposal or counterproposal in writing to any party relating to, or take any other similar action in furtherance of a plan of reorganization that does not propose to pay all claims on account of the Prepetition Superpriority Debt and the Prepetition Superpriority Obligations in cash or with such other consideration acceptable to the Superpriority Requisite Lenders or the Designated Coal Contract Counterparties, the Prepetition Superpriority Secured Parties shall have the right to immediately terminate Debtors' right to use Cash Collateral pursuant to this Final Order.

[22] "**Superpriority Requisite Lenders**" means "Requisite Lenders" as defined in the Prepetition Superpriority Credit Agreement, and "**ABL Requisite Lenders**" means "Required Lenders" as defined in the Prepetition ABL Credit Agreement.

(n) Prepetition ABL Secured Parties' Additional Adequate Protection. In the event the Debtors file, support, make a proposal or counterproposal in writing to any party relating to, or take any other similar action in furtherance of a plan of reorganization that does not propose to pay all claims on account of the Prepetition ABL Debt in cash or with such other consideration acceptable to the Prepetition ABL Lenders, such event shall constitute an Event of Default under this Final Order, and the Prepetition ABL Secured Parties shall have the right to immediately terminate Debtors' right to use Cash Collateral pursuant to this Final Order and such event shall constitute an Event of Default under this Final Order.

The Prepetition ABL Secured Parties are deemed to consent to the priming of their Prepetition ABL Liens with respect to the Shared Fixed Asset Collateral by the DIP Liens pursuant to the terms of the Prepetition Intercreditor Agreements. (a) The DIP Collateral Agent, the DIP Secured Parties and the Prepetition Secured Parties are hereby authorized, but not required, to file or record (and to execute in the name of the Credit Parties, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over cash or securities or other property, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Collateral Agent (on behalf of the DIP Secured Parties) or the Prepetition Secured Parties shall, in their sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over any cash or securities or other property, or otherwise confirm perfection of the liens and security interests granted to

them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination (subject to the priorities set forth in this Final Order), at the time and on the date of entry of this Final Order or thereafter. Upon the request of the DIP Collateral Agent, the Prepetition ABL Agent or the Prepetition Collateral Trustee, as applicable, each of the Prepetition Secured Parties and the Credit Parties, without any further consent of any party, is authorized to take, execute, deliver and file such instruments (in each case, without representation or warranty of any kind) to enable the DIP Collateral Agent, the Prepetition ABL Agent or the Prepetition Collateral Trustee to further validate, perfect, preserve and enforce the DIP Liens and the applicable Adequate Protection Liens, respectively. All such documents will be deemed to have been recorded and filed as of the Commencement Date.

(b) A certified copy of the Interim Order or this Final Order may, in the discretion of the DIP Collateral Agent, the Prepetition ABL Agent or the Prepetition Collateral Trustee, as applicable, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of the Interim Order or this Final Order for filing and/or recording, as applicable. The automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to permit the DIP Collateral Agent, the Prepetition ABL Agent or the Prepetition Collateral Trustee to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

(c) To the extent that any Prepetition Secured Party is the secured party under any account control agreements, listed as loss payee or additional insured under any of the Credit Parties' insurance policies or is the secured party under any other agreement, the DIP Collateral

Agent, on behalf of the DIP Secured Parties, is also deemed to be the secured party under such account control agreements, loss payee or additional insured under the Credit Parties' insurance policies and the secured party under each such agreement (in any such case with the same priority of liens and claims thereunder relative to the priority of (x) the Prepetition Liens and Adequate Protection Liens and (y) the DIP Liens, as set forth herein), and shall have all rights and powers in each case attendant to that position (including, without limitation, rights of enforcement, but subject in all respects to the terms of this Final Order), and shall, subject to the terms of this Final Order, except with respect to the Prepetition ABL Priority Collateral, act in that capacity and distribute any proceeds recovered or received in respect of any of the foregoing, first, to the payment in full of the DIP Obligations, and second, to the payment of the Prepetition Debt (consistent with the Prepetition Intercreditor Agreements and Prepetition Collateral Trust Agreements). In accordance with the terms of this Final Order and the other DIP Documents, the Prepetition Collateral Trustee and the Prepetition ABL Agent, as applicable, shall serve as agent for the DIP Collateral Agent for purposes of perfecting the DIP Collateral Agent's security interests in and liens on all Collateral that is of a type such that perfection of a security interest therein may be accomplished only by possession or control by a secured party.

25. *Preservation of Rights Granted Under This Final Order.*

(a) Other than (i) the Carve-Out, (ii) the Prepetition Permitted Prior Liens, (iii) Permitted Liens; (iv) solely with respect to the Prepetition ABL Priority Collateral, the liens and claims of the Prepetition ABL Secured Parties; (v) with respect to the LC Cash Collateral, the liens and claims of the Outstanding LC Issuer; and (vi) other claims and liens expressly granted by this Final Order, no claim or lien having a priority superior to or *pari passu* with those granted by this Final Order to the DIP Secured Parties or the Prepetition Secured Parties shall be permitted

while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding, and, except as otherwise expressly provided in paragraphs 10, 11, or 19 of this Final Order, the DIP Liens and the Adequate Protection Liens shall not be: (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Credit Parties' estates under section 551 of the Bankruptcy Code; (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise; (iii) subordinated to or made *pari passu* with any liens arising after the Commencement Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the Credit Parties; or (iv) subject or junior to any intercompany or affiliate liens or security interests of the Credit Parties.

(b) The occurrence of (a) any Event of Default (as defined in the DIP Credit Agreement) or (b) any violation of any of the terms of this Final Order, shall, after notice by the DIP Administrative Agent in writing to the Borrower, constitute an event of default under this Final Order (each an "**Event of Default**") and, subject to the Term Remedies Notice Period and the FILO Remedies Notice Period, as applicable, terminate the right of the Credit Parties to use Cash Collateral pursuant to this Final Order and upon any such Event of Default, interest, including, where applicable, default interest, shall accrue and be paid as set forth in the DIP Credit Agreement. Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code: (A) the DIP Superpriority Claims, the Adequate Protection 507(b) Claims, the DIP Liens, and the Adequate Protection Liens, and any claims related to the foregoing, shall continue in full force and effect and shall maintain their priorities as provided in this Final Order until all DIP Obligations and Adequate Protection shall have been paid in full (and

that such DIP Superpriority Claims, Adequate Protection 507(b) Claims, DIP Liens and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest); (B) the other rights granted by this Final Order shall not be affected; and (C) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph and otherwise in this Final Order.

(c) If any or all of the provisions of this Final Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacation or stay shall not affect: (i) the validity, priority or enforceability of any DIP Obligations or Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Administrative Agent, the DIP Collateral Agent, the Prepetition ABL Agent, the Prepetition Collateral Trustee, the Prepetition Superpriority Agent, the Prepetition Term Agent, the Prepetition Indenture Trustee or the Prepetition Collateral Trustee, as applicable, of the effective date of such reversal, modification, vacation or stay; or (ii) the validity, priority or enforceability of the DIP Liens, the Adequate Protection Liens, the Prepetition Liens or the Prepetition Debt. Notwithstanding any such reversal, modification, vacation or stay of any use of Cash Collateral or Collateral, any DIP Obligations, DIP Liens, Adequate Protection Obligations or Adequate Protection Liens incurred by the Credit Parties to the DIP Secured Parties or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Administrative Agent, the DIP Collateral Agent, the Prepetition ABL Agent, the Prepetition Collateral Trustee, the Prepetition Superpriority Agent, the Prepetition Term Agent, the Prepetition Indenture Trustee or the Prepetition Collateral Trustee, as applicable, of the effective date of such reversal, modification, vacation or stay shall be governed in all respects by the original provisions of this Final Order, and the DIP Agents, the DIP Lenders and the Prepetition Secured Parties shall be entitled to all the rights, remedies,

privileges and benefits granted in section 364(e) of the Bankruptcy Code, this Final Order and the DIP Documents with respect to all uses of Cash Collateral, the DIP Obligations and Adequate Protection.

(d) Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Prepetition Liens, the Prepetition Debt and the Adequate Protection and all other rights and remedies of the DIP Secured Parties, and the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents shall survive, and shall not be modified, impaired or discharged by: (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7, dismissing any of the Chapter 11 Cases, substantively consolidating any of the cases with another case, terminating the joint administration of these Chapter 11 Cases or by any other act or omission; (ii) the entry of an order approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents); or (iii) the entry of an order confirming a chapter 11 plan in any of the Chapter 11 Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Credit Parties have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations and with respect to the Prepetition Debt. The Borrower and DIP FILO Guarantors shall not propose or support any plan of reorganization or sale of all or substantially all of the Borrower's and DIP FILO Guarantors' assets, or order confirming such plan or approving such sale, that is not conditioned upon the indefeasible payment in full, no later than the effective date of such plan or sale, of (i) all allowed claims of the DIP FILO Lender on account of the Prepetition FILO Debt and (ii) all allowed Adequate Protection Claims of the Prepetition FILO Lender, in each case in cash or such other consideration acceptable to the DIP FILO Lender and the Prepetition FILO Lender, as applicable, regardless of whether the

DIP FILO Superpriority Claims become undersecured at any point during the Chapter 11 Cases and regardless of the value of the Prepetition ABL Priority Collateral and the value of the gross accounts receivable and gross inventory; *provided, however*, that in the event that the Adequate Protection Claims of the Prepetition FILO Lender become undersecured, such Adequate Protection Claims shall receive treatment that is, in the reasonable determination of the Prepetition FILO Lender, no worse than the treatment of the Adequate Protection Claims of the Prepetition Superpriority Lenders. The terms and provisions of this Final Order and the DIP Documents shall continue in these Chapter 11 Cases, in any successor cases if these Chapter 11 Cases cease to be jointly administered and in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Prepetition Debt, the Prepetition Liens and the Adequate Protection Claims and all other rights and remedies of the DIP Secured Parties and the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents shall continue in full force and effect until the DIP Obligations are paid in full, as set forth herein and in the DIP Documents, and the DIP Commitments have been terminated.

26. *Limitation on Use of DIP Financing Proceeds and Collateral*. Notwithstanding any other provision of this Final Order or any other order entered by the Court, no DIP Term Loans or DIP FILO Loans, DIP Collateral, Prepetition Collateral or any portion of the Carve-Out, may be used directly or indirectly by any Debtor, any Committee (as defined below), or any trustee appointed in the Chapter 11 Cases or any successor case, including any chapter 7 case, or any other person, party or entity (i) in connection with the investigation, initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation (a) against the DIP Secured Parties, or the Prepetition Secured Parties, or their respective predecessors-in-interest, agents,

affiliates, representatives, attorneys, or advisors, or any action purporting to do the foregoing in respect of the Prepetition Debt, liens on the Prepetition Collateral, DIP Obligations, DIP Liens, DIP Superpriority Claims and/or the adequate protection, adequate protection liens and superpriority claims granted to the Prepetition Secured Parties under this Final Order, as applicable, or (b) challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset with respect to, the Prepetition Debt, the DIP Obligations and/or the liens, claims, rights, or security interests granted under the Interim Order, this Final Order, the DIP Documents or the Prepetition Credit Documents including, in each case, without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise; (ii) to prevent, hinder, or otherwise delay the Prepetition Secured Parties', or the DIP Secured Parties', as applicable, enforcement or realization on the Prepetition Debt, Prepetition Collateral, DIP Obligations, DIP Collateral, and the liens, claims and rights granted to such parties under the Interim Order or this Final Order, as applicable, each in accordance with the DIP Documents, the Prepetition Credit Documents or this Final Order; (iii) to seek to modify any of the rights and remedies granted to the Prepetition Secured Parties, the DIP Secured Parties under this Final Order, the Prepetition Credit Documents or the DIP Documents, as applicable; (iv) to apply to the Court for authority to approve superpriority claims or grant liens (other than the liens permitted pursuant to the DIP Documents) or security interests in the DIP Collateral or any portion thereof that are senior to, or on parity with, the DIP Liens, DIP Superpriority Claims, adequate protection liens and superpriority claims and liens granted to the Prepetition Secured Parties, unless all DIP Obligations, Prepetition Debt, Adequate Protection, and claims granted to the DIP Secured Parties or Prepetition Secured Parties under this Final Order, have been refinanced or paid in full or otherwise agreed to in writing by

the DIP Secured Parties; or (v) to seek to pay any amount on account of any claims arising prior to the Commencement Date unless such payments are agreed to in writing by the DIP Lenders, in or are otherwise included in the "Approved Cash Flow Forecast" (as initially attached to the Motion, and as updated in accordance with the terms of the DIP Documents); *provided*, that, notwithstanding anything to the contrary herein, the Creditors' Committee may use the proceeds of the DIP Term Loans, DIP Collateral (including Cash Collateral) and/or the Carve-Out to investigate, but not prosecute, an actual or potential Challenge; *provided, further*, that no more than an aggregate of $250,000 of the proceeds of the DIP Term Loans, DIP Collateral (including Cash Collateral) and/or the Carve-Out may be used by the Creditors' Committee for the foregoing in the immediately preceding proviso (the "**Investigation Budget**"); *provided, further*, that to the extent the Creditors' Committee incurs fees and expenses in an amount in excess of the Investigation Budget, the Creditors' Committee may seek payment of such fees as an administrative expense as part of its professionals' fee applications; *provided, further*, that all parties' rights to object to such fees and expenses on the grounds that such fees and expenses are not reasonable are reserved.

27. *Real Property Leases*. As a requirement and precondition to the DIP Secured Parties' willingness to lend and in furtherance of the DIP Superpriority Claims provided for in this Final Order and pursuant to the DIP Documents, which are payable from and have recourse to all of the Debtors' pre- and post-petition property including, among other things, each lease of Leasehold Property (as defined in the DIP Credit Agreement) to which a Debtor is a counterparty (each, a "**Real Property Lease**"), the DIP Secured Parties shall have the following protections with respect to the Debtors' Real Property Leases, regardless of whether any particular Real Property Lease or group of Real Property Leases constitutes Collateral, which protections shall be

enforced by the DIP Agents or DIP Secured Parties as authorized, approved, and granted pursuant to the provisions of this Final Order and in accordance with the terms of the DIP Credit Agreement (and, after the indefeasible Payment in Full of the DIP Obligations, (i) the rights of the DIP Agents and the DIP Secured Parties shall automatically transfer and be available to the Prepetition Secured Parties, subject to the terms of the Prepetition Intercreditor Agreements and the Prepetition Collateral Trust Agreements, (ii) defined terms used in this paragraph 27 relating to the DIP Documents shall be deemed to be references to corresponding defined terms relating to the Prepetition Credit Documents, (iii) any notice herein required to be delivered pursuant to this paragraph 27 to the DIP Agents shall instead be required to be delivered to each of the Prepetition ABL Agent and the Prepetition Collateral Trustee, and (iv) the automatic stay provisions pursuant to section 362 of the Bankruptcy Code are vacated and modified to the extent necessary so as to permit the DIP Agents, the DIP Secured Parties, the Prepetition ABL Agent and the Prepetition Collateral Trustee, as applicable, and the Prepetition Secured Parties to exercise any of their rights with respect to Real Property Leases under this paragraph 27):

(a) Remedies Upon an Event of Default. If an Event of Default shall have occurred and be continuing, the DIP Agents for the benefit of the DIP Secured Parties shall, with respect to any Real Property Lease or group of Real Property Leases, be permitted, and are hereby authorized, approved, and granted the following rights and remedies:

(i) to exercise the Debtors' rights pursuant to section 365(f) of the Bankruptcy Code with respect to any such Real Property Lease(s) and, subject to this Court's approval after notice and hearing, assign any such Real Property Lease(s) in accordance with section 365 of the Bankruptcy Code notwithstanding any language to the contrary in any of the applicable lease documents or executory contracts;

(ii) to require any Debtor to complete promptly, pursuant to section 363 of the Bankruptcy Code, subject to the rights of the DIP Agents, DIP Secured Parties or applicable Prepetition Secured Parties (if applicable) to credit bid

(unless otherwise ordered by the Court), an Asset Sale[23] of any such Real Property Lease(s) in one or more parcels at public or private sales, at the DIP Agents' offices or elsewhere, for cash, at such time or times and at such price or prices and upon such other terms as the DIP Agents or DIP Secured Parties may deem commercially reasonable;

(iii) to access the leasehold interests of the Debtors or debtors in possession in any such Real Property Lease(s) for the purpose of (A) marketing such property or properties for sale and (B) removing any Collateral thereon or arranging for the Asset Sale of any such Collateral except to the extent prohibited by the terms of the Real Property Lease (unless the applicable provision is rendered ineffective by applicable non-bankruptcy law or the Bankruptcy Code); *provided* that the foregoing shall not preclude any counterparty to a Real Property Lease from an opportunity to be heard in this Court on notice with respect to the foregoing;

(iv) (A) to find an acceptable (in the DIP Agents' or the DIP Requisite Lenders' good faith and reasonable discretion) replacement lessee, which may include the DIP Agents, the DIP Secured Parties or any of their affiliates, to whom such Real Property Lease(s) may be assigned, (B) to hold, and manage all aspects of, an auction or other bidding process to find such acceptable replacement lessee, (C) in connection with any such auction, agree, on behalf of the Debtors, to reimburse reasonable fees and expenses of any stalking horse bidder, if necessary, and/or (D) to notify the Debtors of the selection of any replacement lessee pursuant to this paragraph 27, upon receipt of which the Debtors shall promptly (1) file a motion seeking, on an expedited basis, approval of the Debtors' assumption and assignment of such Real Property Lease(s) to such proposed assignee, and (2) cure any defaults, if any, that have occurred and are continuing under such Real Property Lease(s) to the extent required by the Court (subject to the DIP Secured Parties' right to cure defaults as set forth in paragraph 27(e) of this Final Order); or

(v) to direct the Debtors to (A) assign any such Real Property Lease(s) to the DIP Agents or DIP Secured Parties as Collateral securing the DIP Obligations, subject to clause (B), if applicable, (B) seek this Court's approval of the assumption of any such Real Property Lease(s) to the extent that this Court determines pursuant to a final order that an assumption is required in order to assign such lease or leases as Collateral, and (C) promptly cure any default that has occurred and is continuing under such Real Property Lease(s) to the extent required by the Court; *provided* that any assignment of any such Real Property Lease(s) as Collateral

[23] "**Asset Sale"** shall mean (a) the sale, lease, transfer, assignment, conveyance or other disposition (including any sale and lease back transaction) of any assets or rights by the Company or any of its Restricted Subsidiaries (as defined in the DIP Credit Agreement); or (b) the issuance or sale of equity interests by any Restricted Subsidiary or the sale by the Company or any of its Restricted Subsidiaries of equity interests in any Restricted Subsidiary.

securing the applicable DIP Obligations shall not impair the Debtors' ability to subsequently assume (if not already assumed) and assign such Real Property Lease(s) pursuant to section 365 of the Bankruptcy Code or to enjoy the protections of section 365(f) of the Bankruptcy Code with respect to any such assignment.

(b) Right to Credit Bid. Prior to any assignment of any Real Property Lease or group of Real Property Leases, the Debtors shall first provide at least five (5) business days' prior written notice (the "**Initial Notice Period**") to the DIP Agents, unless such notice provision is waived by the DIP Agents and the DIP Requisite Lenders, which Initial Notice Period may be extended up to a further twenty-five (25) days by the DIP Agents or the DIP Requisite Lenders in each of their sole discretion by delivering written notice of such extension to the Debtors prior to expiration of the Initial Notice Period, and by any further period as is mutually agreeable between the DIP Agents or the DIP Requisite Lenders and the Company (such notice period being the "**Aggregate Notice Period**"). During such notice period, the DIP Agents shall be permitted, subject to the terms of the DIP Documents and unless otherwise ordered by the Court, to credit bid forgiveness of some or all of the outstanding DIP Obligations (in an amount equal to at least the consideration offered by any other party in respect of such assignment) outstanding under the DIP Facilities as consideration in exchange for any such Real Property Lease(s) *provided* that to the extent the Company is entitled to retain a portion of the total consideration paid in respect of such assignment in accordance with the DIP Credit Agreement, the applicable portion of the consideration to be retained by Company shall be paid in cash (*provided* that such proceeds shall constitute DIP Collateral and Cash Collateral). In addition, in connection with the exercise of any of the DIP Agents' or the DIP Requisite Lenders' rights pursuant to the DIP Credit Agreement or this Final Order to direct or compel a sale or other Asset Sale of any Real Property Lease(s), the DIP Agents, on behalf of the DIP Lenders, shall be permitted to credit bid forgiveness of some or

all of the outstanding DIP Obligations (in an amount equal to at least the consideration offered by any other party in respect of such sale or other Asset Sale) as consideration in exchange for such Real Property Lease(s). Pursuant to section 364(e) of the Bankruptcy Code, absent a stay pending appeal, the DIP Lenders' right to credit bid shall not be affected by the reversal or modification on appeal of the Debtors' authorization pursuant to this Final Order to obtain credit and incur debt as and in accordance with the terms set forth herein.

(c) Right of First Refusal with Respect to Proposed Assignments and Rejections of Real Property Leases. Unless all DIP Obligations shall have indefeasibly been satisfied pursuant to the DIP Credit Agreement, the Debtors shall not seek, and it shall constitute an Event of Default and terminate the right of the Debtors under the DIP Credit Agreement and this Final Order if any of the Debtors seeks, the sale or other Asset Sale of, or the rejection or other termination of, or if there is entered an order pursuant to section 365 of the Bankruptcy Code assigning or rejecting, any Real Property Lease or group of Real Property Leases, or if any Real Property Lease or group of Real Property Leases is deemed rejected due to the expiration of the assumption period provided for in section 365(d)(4) (the "**Statutory Rejection Date**"), without the Debtors' first providing thirty (30) days' prior written notice to the DIP Agents, or if such notice is given more than thirty (30) days in advance of the Statutory Rejection Date, prior written notice at least equal to the Aggregate Notice Period; *provided, however*, that the right of first refusal of the DIP Agents as set forth in this paragraph 27(c) shall not apply to (x) any assignment or sale of a Real Property Lease or group of Real Property Leases to a winning bidder at an auction authorized by this Court, and (y) so long as no Event of Default has occurred and is ongoing, or to the extent such action would result in an Event of Default, any assignment or sale of a Real Property Lease or group of Real Property Leases that are not material leases generating cash proceeds (net of reasonable costs,

expenses, and any applicable taxes) up to $250,000 in the aggregate value for all such sales or assignments. During such notice period, the DIP Agents shall be permitted to:

(i) (A) notify the Debtors that it elects to take action pursuant to this paragraph, upon receipt of which the Debtors shall promptly withdraw any previously filed rejection motion, (B) find an acceptable (in the DIP Agents' or DIP Requisite Lenders' good faith and reasonable discretion) replacement lessee, which may include the DIP Agents, the DIP Lenders or any of their affiliates, to whom any such any Real Property Lease or group of Real Property Leases may be assigned (subject to Court approval), (C) hold, and manage all aspects of, an auction or other bidding process to find such acceptable replacement lessee, (D) in connection with any such auction, agree, on behalf of the Debtors (and subject to Court approval) to reimburse the reasonable fees and expenses of any stalking horse bidder, if necessary, and (E) notify the Debtors of the selection of any replacement lessee pursuant to this paragraph, upon receipt of which the Debtors shall (1) not seek to reject any such Real Property Lease(s), (2) promptly withdraw any pending motion to reject any such Real Property Lease(s), (3) promptly file a motion seeking, on an expedited basis, approval of the Debtors' assumption and assignment of such Real Property Lease(s) to the DIP Agents or the DIP Requisite Lenders' proposed assignee, and (4) promptly cure any defaults that have occurred and are continuing under such Real Property Lease(s) to the extent authorized by the Court; or

(ii) direct the Debtors to (A) assign any Real Property Lease or group of Real Property Leases as Collateral securing the DIP Obligations (subject to Court approval), (B) seek the Court's approval of the assumption of any such Real Property Lease(s) if it is determined pursuant to a final order of this Court that an assumption is required in order to assign such lease(s) as Collateral, and (C) promptly cure any defaults that have occurred and are continuing under such Real Property Lease(s) (subject to the DIP Lenders' right to cure defaults as set forth in paragraph 27(e) of this Final Order) to the extent authorized by the Court; *provided* that any assignment of any Real Property Lease(s) as Collateral securing the DIP Obligations shall not impair the Debtors' ability to subsequently assume (if not already assumed) and assign any such Real Property Lease(s) pursuant to section 365 of the Bankruptcy Code or to enjoy the protections of section 365(f) of the Bankruptcy Code with respect to any such assignment.

(iii) Notwithstanding anything to the contrary herein, the foregoing rights of the DIP Agents set forth in this paragraph shall not apply to Real Property Leases that are rejected, terminated, sold, or assigned on the effective date of any plan of reorganization in any of the Chapter 11 Cases that, among other things, indefeasibly repays the DIP Obligations in full on the effective date thereof. For the avoidance of doubt, on or prior to the thirtieth (30)

day prior to the Statutory Rejection Date (as provided in section 365(d)(4) of the Bankruptcy Code), the Debtors shall have delivered written notice to the DIP Agents of each outstanding Real Property Lease that they intend to reject (including, without limitation, through statutory rejection on the Statutory Rejection Date) from and after the date of such notice (or, if applicable, notice that the Debtors have obtained the applicable landlord's consent to extension of the Statutory Rejection Date); *provided* that if the Debtors fail to deliver any such notice to the DIP Agents prior to such date with respect to any such Real Property Lease(s) (or a notice indicating that no such Real Property Lease(s) shall be rejected), the Debtors shall be deemed, for all purposes hereunder, to have delivered notice to the DIP Agents as of such date that they intend to reject all outstanding Real Property Leases.

(d) Assumption Orders. Any order of this Court approving the assumption of any Real Property Lease shall specifically provide that the applicable Debtor shall be authorized to assign such Real Property Lease pursuant to, and to enjoy the protections of, section 365(f) of the Bankruptcy Code subsequent to the date of such assumption. To the extent that such provision is for any reason not included in any order of the Court approving the assumption of any Real Property Lease, then such Real Property Lease may not be assumed by the applicable Debtor unless the order approving the assumption provides for the assignment of such Real Property Lease, on the date of such order, to an acceptable (in the DIP Agents' or the DIP Requisite Lenders' good faith and reasonable discretion) replacement lessee (which may include the DIP Agents, the DIP Lenders, or their respective affiliates).

(e) DIP Lenders' Right to Cure Defaults. If any of the Debtors are required to cure any monetary defaults under any Real Property Lease pursuant to any order of this Court or otherwise in connection with any assumption or assumption and assignment of any such Real Property Lease pursuant to section 365(f) of the Bankruptcy Code, and such monetary default is not, within five (5) business days of the receipt by such Debtor of notice from the DIP Agents pursuant to the applicable provision(s) of the DIP Credit Agreement or any other notice from the

DIP Agents requesting the cure of such monetary default, cured in accordance with the provisions of such applicable court order as arranged by the DIP Agents, the DIP Agents may cure any such monetary defaults on behalf of the applicable Debtor(s).

(f) Priorities. For the avoidance of doubt, nothing set forth in this paragraph 27 shall affect the relative priorities of liens and claims set forth herein and in the Prepetition Intercreditor Agreements and Prepetition Collateral Trust Agreements. Unless and until Payment in Full of the Prepetition ABL Debt, nothing set forth in this paragraph 27 shall permit the DIP Agents or the DIP Lenders, or any of their designees or agents, to exercise any rights or remedies with respect to Prepetition ABL Priority Collateral.

28. *Approved Cash Flow Forecast*. The Approved Cash Flow Forecast is approved on a final basis. Proceeds of the DIP Facility and Cash Collateral under this Final Order shall be used by the Credit Parties in accordance with the DIP Credit Agreement and this Final Order and consistent with the Approved Cash Flow Forecast or as otherwise agreed by the DIP Administrative Agent (subject to permitted variances). None of the DIP Secured Parties' consent (if any) to, or acknowledgment of, the Approved Cash Flow Forecast shall be construed as consent to use of the proceeds of the DIP Facilities or Cash Collateral beyond the maturity date set forth in the DIP Credit Agreement, regardless of whether the aggregate funds shown on the Approved Cash Flow Forecast have been expended.

29. *Payment of Fees and Expenses*. The Credit Parties are authorized to pay the DIP Fees and Expenses, as provided in the DIP Documents. Subject to the review procedures set forth in this paragraph 29, payment of all DIP Fees and Expenses and Adequate Protection Fees and Expenses shall not be subject to allowance or review by the Court. Professionals for the DIP Secured Parties and the Prepetition Secured Parties shall not be required to comply with the U.S.

Trustee fee guidelines, however any time that such professionals seek payment of fees and expenses from the Debtors prior to confirmation of a chapter 11 plan, each professional shall provide summary copies of its invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine) to the Debtors, the U.S. Trustee and counsel for the Creditors' Committee (together, the "**Review Parties**"). Any objections raised by the Debtors, the U.S. Trustee or the Creditors' Committee with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) days of the receipt of such invoice (the "**Review Period**"). If no written objection is received by 12:00 p.m., prevailing Eastern Time, on the end date of the Review Period, the Credit Parties shall pay such invoices within five (5) days. If an objection to a professional's invoice is received within the Review Period, the Credit Parties shall promptly pay the undisputed amount of the invoice and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. Notwithstanding the foregoing, the Debtors are authorized and directed to pay on or after the Closing Date the DIP Fees and Expenses and Adequate Protection Fees and Expenses incurred on or prior to such date without the need for any professional engaged by the DIP Secured Parties or the Prepetition Secured Parties to first deliver a copy of its invoice or other supporting documentation to the Review Parties (other than the Debtors). No attorney or advisor to the DIP Secured Parties or any Prepetition Secured Party shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Any and all fees, costs,

and expenses paid prior to the Commencement Date by any of the Debtors to the (i) DIP Secured Parties in connection with or with respect to the DIP Facility; and (ii) Prepetition Secured Parties in connection or with respect to these matters, are hereby approved in full and shall not be subject to recharacterization, avoidance, subordination, disgorgement or any similar form of recovery by the Debtors or any other person.

30. *Limits to Lender Liability*. Nothing in this Final Order, the DIP Documents, or any other documents related to these transactions shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Secured Parties (in each case, in their capacities as such) of any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their business, or in connection with their restructuring efforts. So long as the DIP Secured Parties comply with their obligations under the DIP Documents and their obligations, if any, under applicable law (including the Bankruptcy Code), (a) the DIP Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person and (b) all risk of loss, damage or destruction of the Collateral shall be borne by the Credit Parties.

31. *Effect of Stipulations on Third Parties.* The Debtors' stipulations, admissions, agreements and releases contained in this Final Order, including, without limitation, in paragraph 7 of this Final Order, shall be binding upon the Debtors and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors) in all circumstances and for all purposes. The Debtors' stipulations, admissions, agreements and releases contained in this Final Order, including, without limitation, in paragraph

7 of this Final Order, shall be binding upon all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases (a "**Committee**"), and any other person or entity acting or seeking to act on behalf of the Debtors' estates, in all circumstances and for all purposes unless: (a) such party in interest with requisite standing (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so), has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, *inter alia*, in this paragraph) or, solely with respect to the Creditors' Committee, has filed a motion seeking standing to pursue a Challenge on behalf of the Debtors' estates that attaches as an exhibit a complaint that sets forth with specificity the basis of the claims (x) by the Creditors' Committee within 90 calendar days after the appointment of the Creditors' Committee, (y) for any other party in interest with requisite standing within 75 calendar days after entry of the Interim Order, and (z) for Black Diamond Commercial Finance, L.L.C., through and including January 27, 2020 (the time period established by the foregoing clauses (x), (y) and (z), or any such later date as has been agreed to, in writing, by the Superpriority Requisite Lenders, the ABL Requisite Lenders and counsel to the DIP Agents, or as has been ordered by the Court for cause shown, the "**Challenge Period**"), (A) objecting to or challenging the amount, validity, perfection, enforceability, priority or extent of the Prepetition Debt or the Prepetition Liens (including, but not limited to, the liens and claims under the Prepetition ABL Credit Facility) or (B) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the "**Challenges**"), against any of the Prepetition Secured Parties or their respective affiliates and subsidiaries and predecessors and each of their respective former, current or future officers,

partners, directors, managers, members, principals, employees, agents, related funds, investors, financing sources, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case in their respective capacity as such (each a "**Representative**" and, collectively, the "**Representatives**") in connection with matters related to the Prepetition Credit Documents, the Prepetition Debt, the Prepetition Liens and the Prepetition Collateral; and (b) there is a final non-appealable order in favor of the plaintiff sustaining any such Challenge in any such timely filed adversary proceeding or contested matter; *provided, however*, that any pleadings filed in connection with any Challenge shall set forth with specificity the basis for such challenge or claim and any challenges or claims not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released and barred. If no such Challenge is timely and properly filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such proceeding then: (a) the Debtors' stipulations, admissions, agreements and releases contained in this Final Order, including, without limitation, those contained in paragraph 7 of this Final Order, shall be binding on all parties in interest; (b) the obligations of the Credit Parties under the Prepetition Credit Documents, including the Prepetition Debt, shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, offset or avoidance, for all purposes in the Chapter 11 Cases, and any subsequent chapter 7 case(s); (c) the Prepetition Liens on the Prepetition Collateral shall be deemed to have been, as of the Commencement Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance or other defense; and (d) the Prepetition Debt and the Prepetition Liens on the Prepetition Collateral shall not be subject to any other or further claim or challenge by any Committee, or any other party in interest acting or seeking to act on behalf of the Debtors' estates,

including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors) and any defenses, claims, causes of action, counterclaims and offsets by any Committee, if any, or any other party acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors), whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives arising out of or relating to any of the Prepetition Credit Documents shall be deemed forever waived, released and barred. If any such Challenge is timely filed during the Challenge Period, the stipulations, admissions, agreements and releases contained in this Final Order, including, without limitation, those contained in paragraph 7 of this Final Order, shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on any Committee and on any other person or entity, except to the extent that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including any Committee, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Prepetition Credit Documents, the Prepetition Debt or the Prepetition Liens, and, in the event that any Person, including any Committee, seeks to pursue any claim or cause of action belonging to the Debtors or their estates, nothing in this Final Order shall excuse such Person from any requirement under applicable law to establish standing or authority to pursue such claims. Furthermore, the terms of this Final Order are without prejudice to any party's right to contest any Challenge pursued by any party in interest (whether or not such

party in interest is acting or seeking to act on behalf of the Debtors' estates), including with respect to such party's standing to pursue such Challenge. Any motion seeking standing shall attach a draft complaint or other pleading that sets forth such Challenge, and any Challenge not included therein shall be deemed forever waived, released, and barred. For the avoidance of doubt, none of the foregoing challenge provisions set forth in this paragraph shall apply to any DIP Secured Party, in their capacities as such, and in no event shall the DIP Facility, DIP Obligations or DIP Liens be subject to challenge pursuant to this paragraph on avoidance or any other grounds by any party. For the avoidance of doubt, nothing in this paragraph shall be deemed to waive, release or bar the actions brought by Black Diamond Commercial Finance, L.L.C. ("**Black Diamond**") in the complaint [Docket No. 245] (the "**Black Diamond Complaint**") filed by Black Diamond on November 20, 2019 against certain of the Debtors and other parties named as defendants therein. The Black Diamond Complaint is a timely filed Challenge (timely filed within the 75 calendar day period set forth in this Final Order) to certain of the stipulations, admissions, agreements and releases contained in this Final Order, including, without limitation, in paragraph 7 of this Final Order, subject to all claims and defenses of the Debtors, named defendants, and other parties in interest.

32. *Postpetition Release*. In addition, notwithstanding anything to the contrary set forth herein, upon the repayment of all DIP Obligations owed to the DIP Agents and the DIP Secured Parties by Debtors and termination of the rights and obligations arising under the DIP Documents (which payment and termination shall be on terms and conditions acceptable to the DIP Agents), the DIP Agents and the DIP Lenders shall be released from any and all obligations, liabilities, actions, duties, responsibilities and causes of action arising or occurring, on or prior to the date of such repayment and termination, in connection with or related to the DIP Documents,

or this Final Order (including without limitation any obligation or responsibility (whether direct or indirect, absolute or contingent, due or not due, primary or secondary, liquidated or unliquidated) to pay or otherwise fund the Carve-Out on terms and conditions acceptable to the DIP Agents).

33. *Landlord Agreements; Access.*

(a) All collateral access agreements to which the Prepetition ABL Agent or the Prepetition Collateral Trustee is a party shall hereby continue to be deemed to be amended to include the DIP Agents as a beneficiary thereunder, and such agreements shall thereafter be additionally enforceable by the DIP Agents against, and binding upon, each landlord party thereto. Any title, landlord's lien, right of distraint or levy, security interest or other interest that any landlord or mortgagee may have in any DIP Collateral or Prepetition Collateral of the Debtors located on such leased premises, to the extent the same is not avoidable under sections 544, 545, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise, is hereby expressly subordinated to the liens of the DIP Secured Parties and the Prepetition Secured Parties.

(b) Without limiting any other rights or remedies of the DIP Agents or the other DIP Secured Parties set forth in this Final Order, the DIP Documents, or otherwise available at law or in equity, and subject to the terms of the DIP Documents, upon three (3) business days' written notice to counsel to the Debtors and any landlord, lienholder, licensor, or other third party owner of any leased or licensed premises or intellectual property, after the expiration of the Remedies Notice Period, that an Event of Default has occurred and is continuing, the DIP Agents, (i) may, unless otherwise expressly provided in any separate agreement by and between the applicable landlord or licensor and the DIP Agents, enter upon any leased or licensed premises of the Debtors for the purpose of exercising any remedy with respect to DIP Collateral located thereon,

and (ii) shall be entitled to all of the Debtors' rights and privileges as lessee or licensee under the applicable license and to use any and all trademarks, trade names, copyrights, licenses, patents, or any other similar assets of the Debtors, which are owned by or subject to a lien of any third party and which are used by Debtors in their businesses, without unreasonable interference from landlords, lienholders, or licensors thereunder; *provided*, *however*, that the DIP Agents (on behalf of the DIP Lenders) shall pay only rent and additional rent, fees, royalties, or other monetary obligations of the Debtors that first arise after the written notice referenced above from the DIP Agents and that accrue during the period of such occupancy or use by DIP Agents calculated on a per diem basis. For the avoidance of doubt, (A) all of the Debtors' obligations under any applicable lease or license shall not be affected, limited, or otherwise modified by the rights granted to the DIP Agents pursuant to this paragraph and (B) any affected landlords, lienholders, and/or licensors shall retain all remedies available under applicable non-bankruptcy law. Nothing herein shall require the Debtors, the DIP Agents or the other DIP Secured Parties, to assume any lease or license under Bankruptcy Code section 365(a) as a precondition to the rights afforded to the DIP Agents and the other DIP Secured Parties herein.

34. *Final Order Governs*. In the event of any inconsistency between the provisions of this Final Order, the DIP Documents or any other order entered by this Court, the provisions of this Final Order shall govern. Notwithstanding anything to the contrary in any other order entered by this Court, any payment made pursuant to, or authorization contained in, any other order entered by this Court shall be consistent with and subject to the requirements set forth in this Final Order and the DIP Documents, including, without limitation, the Approved Cash Flow Forecast (subject to permitted variances).

35. *Binding Effect; Successors and Assigns*. Subject only to paragraph 31, the DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in these Chapter 11 Cases, including, without limitation, the DIP Secured Parties, the Prepetition Secured Parties, any Committee, and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Secured Parties, the Prepetition Secured Parties and the Debtors and their respective successors and assigns; *provided*, that the DIP Secured Parties and the Prepetition Secured Parties shall have no obligation to permit the use of the Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

36. *Exculpation*. Nothing in this Final Order, the DIP Documents, the existing agreements or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon any DIP Secured Party or any Prepetition Secured Party of any liability for any claims arising from the prepetition or postpetition activities of the Credit Parties in the operation of their businesses, or in connection with their restructuring efforts.

37. *Limitation of Liability*. In determining to make any loan or other extension of credit under the DIP Credit Agreement, to permit the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Final Order or the DIP Documents, none of the DIP Secured Parties, or the Prepetition Secured Parties shall (i) be deemed to be in "control" of

the operations or participating in the management of the Debtors; (ii) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates; or (iii) be deemed to be acting as a "Responsible Person" or "Owner" or "Operator" with respect to the operation or management of the Debtors (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, et seq., as amended, or any similar federal or state statute).

38. *Master Proof of Claim*. The Prepetition ABL Agent, the Prepetition Superpriority Agent, the Prepetition Term Agent and the Prepetition Indenture Trustee shall not be required to file proofs of claim in the Chapter 11 Cases or any successor case in order to assert claims on behalf of itself and the applicable Prepetition Secured Parties for payment of the applicable Prepetition Debt arising under the applicable Prepetition Credit Documents, nor shall any other Prepetition Secured Party be required to file any proofs of claim in the Chapter 11 Cases or any successor case in order to assert claims on behalf of itself for payment of the Prepetition Debt arising under the Prepetition Credit Documents, *provided*, that Prepetition Secured Parties are required to file proofs of claim for any claim that does not arise under the Prepetition Credit Documents. The statements of claim in respect of the Prepetition Debt set forth in this Final Order, together with any evidence accompanying the Motion and presented at the Hearings, are deemed sufficient to and do constitute proofs of claim in respect of such debt and such secured status. However, in order to facilitate the processing of claims, to ease the burden upon the Court and to reduce an unnecessary expense to the Debtors' estates, each of the Prepetition ABL Agent, the Prepetition Superpriority Agent, the Prepetition Term Agent, the Prepetition Indenture Trustee and/or other Prepetition Secured Party is authorized to file in the Debtors' lead chapter 11 case, *In re Murray Energy Holdings Co., et al.*, Case No. 19-56885 (JEH), a single, master proof of claim

on behalf of the relevant Prepetition Secured Parties on account of any and all of their respective claims arising under the applicable Prepetition Credit Documents and hereunder (each, a "**Master Proof of Claim**"), which shall be deemed asserted against each of the Debtors. Upon the filing of a Master Proof of Claim, insofar as deemed asserted against each of the Debtors, the Prepetition ABL Agent, the Prepetition Superpriority Agent, the Prepetition Term Agent, the Prepetition Indenture Trustee and the Prepetition Secured Parties, and each of their respective successors and assigns, as applicable, shall be deemed to have filed a proof of claim in the amount set forth opposite its name therein in respect of its claims (which names may be redacted in the publicly filed version of the Master Proof of Claim) against each of the Debtors of any type or nature whatsoever with respect to the applicable Prepetition Credit Documents, and the claim of each Prepetition Secured Party (and each of its respective successors and assigns), named in a Master Proof of Claim shall be treated as if such entity had filed a separate proof of claim in each of these Chapter 11 Cases. The Master Proofs of Claim shall not be required to identify whether any Prepetition Secured Party acquired its claim from another party and the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among such holders of the claims asserted therein resulting from the transfer of all or any portion of such claims. The provisions of this paragraph 38 and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in these Chapter 11 Cases. The Master Proofs of Claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements or other documents will be

provided upon written request to counsel to the Prepetition ABL Agent, the Prepetition Superpriority Agent, the Prepetition Term Agent, the Prepetition Indenture Trustee, as applicable.

39. *Effectiveness*. This Final Order shall constitute findings of fact and conclusions of law[24] and shall take effect and be fully enforceable *nunc pro tunc* to the Commencement Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, or 9014 of the Bankruptcy Rules, or any Local Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

40. *Modification of DIP Documents and Approved Cash Flow Forecast*. The Credit Parties are hereby authorized, without further order of this Court, to enter into agreements with the DIP Secured Parties providing for any consensual non-material modifications to the Approved Cash Flow Forecast or the DIP Documents, or of any other modifications to the DIP Documents necessary to conform the terms of the DIP Documents to this Final Order, in each case consistent with the amendment provisions of the DIP Documents.

41. *Headings*. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Final Order.

42. *Payments Held in Trust*. Except as expressly permitted in this Final Order or the DIP Documents, and, for the avoidance of doubt, excepting payments permitted by or made in accordance with or pursuant to this Final Order, the DIP Documents, the Approved Cash Flow Forecast (subject to any permitted variances), the ordinary course of business, and/or other order of this Court, in the event that any person or entity receives any payment on account of a security

[24] Findings of fact shall be construed as conclusions of law, and conclusions of law shall be construed as findings of fact, pursuant to Bankruptcy Rule 7052.

interest in DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral or receives any other payment with respect thereto from any other source prior to Payment in Full of all DIP Obligations under the DIP Documents and termination of the DIP Commitments in accordance with the DIP Documents, such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of Collateral in trust for the benefit of the DIP Secured Parties (as applicable based on the specific asset at issue) and shall immediately turn over such proceeds to any DIP Agent, or as otherwise instructed by this Court, for application in accordance with the DIP Documents and this Final Order.

43. *Credit Bidding*. Unless otherwise ordered by the Court, (a) subject to the express written direction of the DIP Requisite Lenders and the terms of the DIP Documents, each of the DIP Collateral Agent, on behalf of itself and the DIP Term Lenders and the DIP FILO Lender, shall have the right to credit bid, in accordance with the DIP Documents, up to the full amount of the DIP Term Obligations and DIP FILO Obligations, respectively, in any sale of the DIP Collateral (or any part thereof); and (b) subject to the express written direction of the Requisite Lenders as defined in and under each of the Prepetition Superpriority Credit Agreement and the Prepetition Term Loan Credit Agreement, the Required Lenders as defined in the under Prepetition ABL Credit Agreement and the holders holding at least a majority in aggregate principal amount of the then outstanding notes under each of the Prepetition 12.00% Superparity Indenture, Prepetition 9.50% Superparity Indenture and Prepetition Parity Indenture and the terms of the applicable Prepetition Credit Documents, the Prepetition ABL Agent and the Prepetition Collateral Trustee, on behalf of itself and the applicable Prepetition Secured Parties, shall have the right to credit bid up to the full amount of their respective Prepetition Debt in any sale of the respective Prepetition Collateral (or any part thereof), subject in all respects to the Prepetition Intercreditor

Agreements and the Prepetition Collateral Trust Agreements, as applicable, in each case of (a) and (b), as provided for in section 363(k) of the Bankruptcy Code, without the need for further Court order authorizing the same and whether any such sale is effectuated through section 363(k) or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise. The foregoing is without prejudice to any right the Creditors' Committee may have to argue that the Prepetition Secured Parties' right to credit bid under section 363(k) of the Bankruptcy Code should be limited for cause.

44. *Maintenance of Letters of Credit; Modification of Stay with Respect to LC Cash Collateral; Administrative Expense Status*.

(a) All Prepetition Letters of Credit issued for the account of the Debtors under the Prepetition ABL Credit Agreement shall continue in place and be deemed Outstanding LCs. The Credit Parties are authorized to maintain the Outstanding LCs on an uninterrupted basis and to take all actions reasonably appropriate with respect thereto on an uninterrupted basis.

(b) The automatic stay provisions of section 362 of the Bankruptcy Code are hereby vacated and modified to the extent necessary to permit the Outstanding LC Issuer to enforce all of their rights in respect to the Outstanding LCs and to protect, enforce and exercise all rights and remedies of the Outstanding LC Issuer under the Payoff Letter or applicable law, including, but not limited to, application of the LC Cash Collateral to reimburse the Outstanding LC Issuer for amounts paid due to presentment of Outstanding LCs and use of LC Cash Collateral to pay the professional fees and expenses of the Outstanding LC Issuer.

(c) The Outstanding LC Issuer are authorized to maintain cash collateral accounts (each, a "**L/C Cash Collateral Account**") in which amounts shall be deposited in accordance with the Payoff Letter and this Final Order, to cash collateralize the Outstanding LCs.

The Outstanding LC Issuer holding such L/C Cash Collateral Account shall have a perfected, unavoidable first-priority lien, senior to all other prepetition and postpetition liens on any L/C Cash Collateral Account and any investment of the funds contained therein to secure the Outstanding LC Issuer's obligations under the Payoff Letter and in respect of the Outstanding LCs being secured by such L/C Cash Collateral Account, and a superpriority administrative expense claim under section 364(c)(1) of the Bankruptcy Code senior to all other administrative expense claims against the Debtors' estates (but junior to the DIP Term Superpriority Claims, the Adequate Protection Claims and the claims of the Prepetition Term Secured Parties arising under the Prepetition Term Credit Documents with respect to Prepetition Term Priority Collateral) to secure the Debtors' obligations under the Payoff Letter and in respect of the Outstanding LCs. Subject to the immediately following sentence, the Debtors and their estates (and any successors thereto, including any Chapter 7 trustee) shall not have any authority, and are hereby prohibited from requesting authority, (i) under section 363 of the Bankruptcy Code or otherwise to use the funds deposited (or any investment of those funds) in any of the L/C Cash Collateral Accounts for any purpose at any time during these Chapter 11 Cases or in any Chapter 7 case of any Debtor converted thereto or (ii) to grant or suffer to exist a lien of any priority on any L/C Cash Collateral Account or the funds therein (or any investment of those funds) (in each case until such funds are released from such L/C Cash Collateral Account in accordance with this Final Order) to secure any other obligations of the Debtors or their estates. Notwithstanding the foregoing, the DIP Liens shall attach to the Debtors' rights with respect to funds released from the L/C Cash Collateral

Accounts when any Outstanding LC terminates or expires and the Outstanding LC Issuer have returned to the Debtors such amounts.

(d) The Outstanding LC Issuer have no obligation to renew Outstanding LCs and may issue notices of non-renewal in accordance with the terms of the Payoff Letter, the issuance of which, for the avoidance of doubt, shall not violate the automatic stay provisions of section 362 of the Bankruptcy Code.

45. *Certain Governmental Matters*

(a) Notwithstanding anything to the contrary in this Final Order or DIP Documents, nothing in this Final Order or the DIP Documents shall relieve the Debtors of any obligations under federal, state or local police or regulatory laws or under 28 U.S.C. § 959(b), provided that nothing herein shall limit or impair the Debtors' rights to assert defenses under applicable law and nothing herein shall create new defenses to obligations under police or regulatory laws or 28 U.S.C. § 959(b).

(b) Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the DIP Documents shall impair or adversely affect the United States of America's rights, claims and defenses of set-off and recoupment, or those of any State or any of the foregoing's respective agencies, departments or agents, and all such rights, claims and defenses shall be preserved in their entirety.

(c) Paragraphs 30, 31, and 36 of this Final Order shall apply with respect to liabilities to governmental units under police or regulatory law only so long as the actions of the DIP Agent, DIP Lenders, or the Prepetition Secured Parties, as applicable, have not constituted and do not constitute, within the meaning of 42 U.S.C. § 9601(20)(F), actual participation in the management or operational affairs of a vessel or facility owned or operated by the Debtors, or

otherwise cause lender liability to arise or the status of control, responsible person, owner, or operator to exist under applicable federal, state, or local law. Paragraphs 32 and 37 of this Order shall apply with respect to liabilities to governmental units under police or regulatory law only so long as the actions of the DIP Agent, DIP Lenders, or the Prepetition Secured Parties, as applicable, do not constitute, within the meaning of 42 U.S.C. § 9601(20)(F), actual participation in the management or operational affairs of a vessel or facility owned or operated by the Debtors, or otherwise cause lender liability to arise or the status of control, responsible person, owner, or operator to exist under applicable federal, state, or local law. For the avoidance of doubt, in determining to make any loan or other extension of credit under the DIP Credit Agreement, permitting the use of Cash Collateral, performing under this Final Order and the DIP Documents in the ordinary course, no DIP Agent, DIP Lender or Prepetition Secured Party shall be deemed to have participated in the management or operational affairs of a vessel or facility owned or operated by the Debtors, or to have otherwise caused lender liability to arise or assumed the status of control, responsible person, owner, or operator, *provided, however*, that foreclosing, exercising remedies, or becoming involved in decision making on debtors' compliance with police or regulatory laws or regulations would not be ordinary course performance. Each DIP Agent, DIP Lender and Prepetition Secured Party preserves and is not waiving any defenses it may have to any claims as set forth in 42 U.S.C. § 9601(20)(F) or comparable federal, state and local law.

(d) Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the DIP Documents shall impair or adversely affect any right under applicable law of any governmental unit with respect to any financial assurance, letter of credit, trust, or bond or limit any governmental unit in the exercise of its police powers in accordance with section 362(b)(4) of the Bankruptcy Code.

(e) Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the DIP Documents shall impair or adversely affect the right of the United States or any State to object to any credit bid for cause.

(f) Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the DIP Documents shall be deemed to authorize the assumption, sale, assignment or other transfer by the Debtors, the DIP Agent, DIP Lenders, or the Prepetition Secured Parties of any agreements, grants, grant funds, licenses, permits, authorizations, contracts, leases, or other interests of the federal government (collectively, "**Federal Interests"**), without compliance with all terms of any statute, regulation or contract giving rise to the Federal Interests and with all applicable non-bankruptcy law; *provided, however*, that, for the avoidance of doubt, the foregoing shall in no way limit the granting of the DIP Liens and the Adequate Protection Liens on the DIP Collateral as set forth in this Final Order; *provided, further*, that all leases of the federal government shall be deemed Specified Leases under this Final Order.

46. Nothing herein shall be deemed or construed as approval by the Court of the Debtors' entry into, or the terms of, any restructuring support agreement, including that certain restructuring support agreement entered into among the Debtors, certain consenting Lenders, and consenting Equity holders on October 28, 2019, and filed as Exhibit B to the First Day Declaration [Docket No. 10].

47. The Debtors hereby agree that the lien and security interest in favor of the Huntington National Bank ("**Huntington**") in that certain Account Number XXXXXX6899 with a balance of approximately $400,000 pledged by the Company in favor of Huntington (the "**Pledged Account**") shall irrevocably constitute a Permitted Lien pursuant to section 6.2(q) of the

DIP Credit Agreement ("**Cash Management Obligation**"), in accordance with and subject to the terms of the DIP Credit Agreement, and shall not be subject to any priming lien granted in favor of the DIP Lenders or otherwise be impaired by this Final Order or the DIP Credit Agreement and such Pledged Account shall continue to serve as collateral for all obligations owing to Huntington under that certain Commercial Card Account Agreement dated November 30, 2018, together with all renewals, extensions and amendments thereto.

48. *CONSOL Energy Inc. and Affiliates.* Notwithstanding anything to the contrary in the Interim Order, this Final Order, or the DIP Documents:

(a) nothing in the Interim Order, this Final Order, or the DIP Documents shall be deemed or interpreted to authorize the Debtors, the DIP Agents, the DIP Term Secured Parties, the DIP FILO Secured Parties, the DIP Secured Parties, the Prepetition Secured Parties, or any other person, without CONSOL's prior, express, written consent (which consent CONSOL may condition or withhold in its sole discretion), to sell, lease, convey, otherwise transfer, assume, or assume and assign any of the CONSOL Property Interests (as that term is defined in the Objection [Docket No. 267] that CONSOL Energy Inc. and its affiliates (collectively, "**CONSOL**") filed in the Chapter 11 Cases) solely to the extent such CONSOL Property Interests are valid and enforceable property rights of CONSOL; *provided, however*, that the preceding sentence shall in no way limit (i) the granting of the DIP Liens and the Adequate Protection Liens on the DIP Collateral as set forth in this Final Order or (ii) the Debtors' capacity (subject to compliance with section 363 of the Bankruptcy Code and other applicable law) to sell or convey the Debtors' or their estates' interests in the DIP Collateral. For the avoidance of doubt, and notwithstanding anything to the contrary in the Interim Order, this Final Order, or the DIP Documents, and solely to the extent the CONSOL Property Interests are valid and enforceable property rights of CONSOL,

(x) nothing in the Interim Order, this Final Order, or the DIP Documents (and none of the DIP Liens or Adequate Protection Liens) shall or does divest, attach to, or otherwise encumber, limit, or otherwise affect the CONSOL Property Interests, (y) the CONSOL Interests (as that term is defined in the CONSOL Objection) (and all of CONSOL's claims, defenses, rights, and remedies relating to or in connection with the CONSOL Interests, including, without limitation, any defenses or rights of recoupment or set-off), to the extent such CONSOL Interests are valid and enforceable, shall be and hereby are preserved in their entirety, and (z) from and after the Petition Date, the applicable Debtors shall continue to comply with the Bankruptcy Code with respect to their respective covenants and other obligations under each executory contract and unexpired lease with CONSOL, pending the Court's decision on whether to approve the assumption, assumption and assignment, or rejection thereof, *provided* that nothing in this (z) requires the Debtors to make any payments or comply with any obligations related to prepetition unsecured claims pending the assumption or assumption and assignment of such executory contract or unexpired lease (and nothing prevents the Debtors from asserting that any such claims are not due or prevents CONSOL from arguing that such amounts are due) or prevents the Debtors from seeking (or CONSOL from opposing any request by the Debtors or any other party in interest) to assume, assume and assign, or reject any such executory contract or unexpired lease.

(b) Subject to a commercially reasonable non-disclosure agreement reasonably acceptable to the Debtors and CONSOL, the Debtors will provide to CONSOL, on an "advisor's eyes only" basis, weekly reporting on budget-to-actual variances with respect to the Debtors' compliance with the Approved Cash Flow Forecast containing the same detail as is being provided to any other party in these bankruptcy cases. The Debtors shall consult with and respond in a

commercially reasonable manner with CONSOL's advisors regarding the information contained in the weekly reporting.

49. *No Third Party Rights*. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect or incidental beneficiary.

50. Nothing in the DIP Credit Agreement and/or this Final Order, or any related documents, shall alter or modify the terms and conditions of any insurance policies or related agreements.

51. *Bankruptcy Rules*. The requirements of Bankruptcy Rules 4001 and 6004, in each case to the extent applicable, are satisfied by the contents of the Motion.

52. *Necessary Action*. The Debtors are authorized to take any and all such necessary actions as are reasonable and appropriate to implement the terms of this Final Order.

53. *Retention of Jurisdiction*. officers, directors, and employees arising out of, based upon or related to the Prepetition Term Loan Credit Agreement; and (v) the Prepetition Term Loan Credit Agreement Indebtedness constitutes an allowed, secured claim within the meaning of sections 502 and 506 of the Bankruptcy Code.

(f) Each of the Debtors and the Debtors' estates, on its own behalf and on behalf of its past, present and future predecessors, successors, heirs, subsidiaries, and assigns hereby unconditionally, irrevocably and fully, forever waives, discharges, and releases (i) any right to challenge any of the Prepetition Credit Agreement Indebtedness, the priority of the Debtors' obligations thereunder, and the validity, extent, and priority of the liens securing the Prepetition Credit Agreement Indebtedness and (ii) each of the Prepetition Agents and the other Prepetition Secured Parties, and each of their respective former or current officers, employees, directors, agents, representatives, owners, members, partners, financial advisors, legal advisors, shareholders, managers, consultants, accounts, attorneys, affiliates, and predecessors in interest of any and all Claims (as defined in section 101(5) of the Bankruptcy Code), counterclaims, causes of action, defenses or setoff rights that exist on the date hereof relating to any of the Prepetition Credit Documents or the transactions contemplated under such documents, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending or threatened, arising at law or in equity, including, without limitation, any so-called "lender liability," recharacterization, subordination, avoidance or other claim arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of state or federal law and any and all claims and causes of action regarding the validity, priority, perfection or avoidability of the liens or the claims of the Prepetition Secured Parties and Prepetition Agents.

(g) Subject to paragraph 34 hereof, the Debtors' acknowledgements, stipulations and releases (as set forth in this paragraph) shall be binding on the Debtors and their respective representatives, successors and assigns, and on each of the Debtors' estates, all creditors thereof and each of their respective representatives, successors and assigns, including, without limitation, any trustee or other representative appointed in the Cases, whether such trustee or representative is appointed under chapter 7 or chapter 11 of the Bankruptcy Code.

E. Prepetition Intercreditor Agreement. Pursuant to section 510 of the Bankruptcy Code, the Prepetition Intercreditor Agreement and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Credit Documents (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties (including the relative priorities, rights and remedies of such parties with respect to the replacement liens and administrative expense claims and superpriority administrative expense claims granted, or amounts payable, by the Debtors under this Final Order or otherwise and the modification of the automatic stay), and (iii) shall not be deemed to be amended, altered, or modified by the terms of this Final Order or the DIP Documents, unless expressly set forth herein or therein.

F. Findings Regarding DIP Facilities and Use of Cash Collateral.

(a) Good cause has been shown for the entry of this Final Order.

(b) The Debtors have a critical need to obtain the DIP Facilities and to use Cash Collateral as well as other collateral to continue the operation of their businesses. Without such funds, the Debtors will not be able to meet their payroll obligations or to pay operating and other expenses during this critical period. The ability of the Debtors to finance their operations through the incurrence of new indebtedness is vital to the preservation and maintenance of the

going concern value of the Debtors' estates and necessary to avoid immediate and irreparable harm to the estates.

(c) The Debtors are unable to obtain sufficient financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors are also unable to obtain secured credit allowable solely under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code.

(d) The DIP Agents and the DIP Lenders are willing to provide the DIP Facilities, and the Prepetition Secured Parties are willing to consent to the use of their Cash Collateral and other Prepetition Collateral, subject to the terms and conditions set forth in the DIP Documents and the provisions of this Final Order, as applicable, and provided that the DIP Liens, the DIP Superpriority Claims and other protections granted by this Final Order and the DIP Documents will not be affected by any subsequent reversal or modification of this Final Order or any other order, as provided in section 364(e) of the Bankruptcy Code, which is applicable to the DIP Facilities and the Cash Collateral use approved by this Final Order. The DIP Agents and the DIP Lenders have acted in good faith in agreeing to provide the DIP Facilities approved by this Final Order and to be further evidenced by the DIP Documents, and the Prepetition Secured Parties have acted in good faith in consenting to the Debtors' use of their Cash Collateral and other Prepetition Collateral pursuant to the terms of this Final Order, and their reliance on the assurances referred to above is in good faith.

(e) Among other things, entry of this Final Order will minimize disruption of the Debtors' businesses and operations by enabling them to meet payroll and other critical expenses, including vendor and professional fees. The DIP Facilities and the use of Cash

Collateral as set forth herein are vital to avoid immediate and irreparable loss or harm to the Debtors' estates, which will otherwise occur if immediate access to the DIP Facilities and to the use of Cash Collateral is not obtained. Consummation of the DIP Facilities and the use of Cash Collateral pursuant to the terms of this Final Order therefore are in the best interests of the Debtors' estates.

(f) The DIP Documents and the use of Cash Collateral, each as authorized hereunder, have been negotiated in good faith and at arm's length among the Debtors, the ABL DIP Agent, the ABL DIP Lenders, the Term Loan DIP Agent, the Term Loan DIP Lenders, and the Prepetition Secured Parties, among other parties, and the ABL DIP Facility, the Term Loan DIP Facility and the use of Cash Collateral reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration. All of the Debtors' obligations and indebtedness arising under, in respect of or in connection with the DIP Facilities and the DIP Documents including, without limitation, all loans, including the Prepetition ABL Roll Up, made to, guarantees issued by, and all letters of credit issued (or deemed issued) for the account of, the Debtors pursuant to the DIP Documents, and any other obligations under the DIP Documents, including bank product and hedging obligations (individually, the "**ABL DIP Obligations**" and the "**Term Loan DIP Obligations**", and collectively, the "**DIP Obligations**"), shall be deemed to have been extended by the DIP Agents and the DIP Lenders and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code, and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Final Order or any provision hereof is vacated, reversed, or modified on appeal.

(g) To the extent necessary, the Prepetition Secured Parties have either consented to the DIP Facilities and the Debtors' use of the Prepetition Collateral, including Cash Collateral, or their respective interests therein are being adequately protected by, among other things, the adequate protection described by this Final Order. This Court concludes that the adequate protection provided to the Prepetition Secured Parties hereunder for, among other things, the Debtors' incurrence of the DIP Obligations on a priming basis, as described herein, and the Debtors' use of the Prepetition Collateral, including Cash Collateral, is consistent with and authorized by sections 361, 362, 363, and 364 of the Bankruptcy Code.

G. Based on the foregoing findings, acknowledgements, and conclusions, and upon the record made before the Court at the Interim Hearing and at the Final Hearing, and good and sufficient cause appearing therefor:

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

1. Approval of DIP Motion. The DIP Motion is granted on a final basis on the terms and conditions set forth in this Final Order and the DIP Documents; provided, however, that if there are any inconsistencies between the terms of this Final Order and the DIP Documents, the terms of this Final Order shall govern. Any objections or responses to the relief requested in the DIP Motion that have not been previously resolved or withdrawn, waived or settled are hereby overruled on the merits and denied with prejudice. This Final Order shall become effective immediately upon its entry.

2. Authorization of DIP Facilities and DIP Documents.

(a) The ABL DIP Facility and the Term Loan DIP Facility are each hereby approved on a final basis. The Debtors are hereby authorized to execute, issue, deliver, enter into and adopt, as the case may be, the ABL DIP Agreement, all ABL DIP Documents, the Term

Loan DIP Agreement and all Term Loan DIP Documents to be delivered pursuant hereto or thereto or in connection herewith or therewith, including, without limitation, the Approved Budget (as defined herein). The U.S. ABL DIP Borrower is hereby authorized to borrow money under the ABL DIP Facility and the Term Loan DIP Borrower is authorized to borrow money under the Term Loan DIP Facility, on a final basis, up to an aggregate principal or face amount not to exceed $280 million. The Debtors that are Guarantors are hereby authorized to guarantee such borrowings and the other DIP Obligations, all in accordance with the terms of this Final Order, the DIP Agreements, and all other DIP Documents.

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor is authorized to perform all acts, to make, execute and deliver all instruments and documents (including, without limitation, the execution or recordation of security agreements, mortgages and financing statements), and, without further application to the Court, to pay all fees referred to in this Final Order, the ABL DIP Agreement, the ABL DIP Documents, the Term Loan DIP Agreement and the Term Loan DIP Documents including, without limitation, the reasonable and documented prepetition and postpetition fees and out-of-pocket expenses of the professionals of the DIP Agents, including Paul Hastings LLP, Blake, Cassels & Graydon LLP, Womble Bond Dickinson LLP, FTI Consulting, Weil, Gotshal & Manges LLP, Richards Layton & Finger LLP, Rothschild & Co., Goodmans LLP (subject to the same procedures, including with respect to the ability to object, provided for in paragraph 22(e) regarding payment of the fees and expenses of the Prepetition Secured Parties).

(c) Subject to the provisions contained in paragraph 40 hereof, the Debtors are hereby authorized to execute, deliver and perform one or more amendments or modifications to the ABL DIP Documents and/or Term Loan DIP Documents for the purpose of adding additional

financial institutions as ABL DIP Lenders and/or Term Loan DIP Lenders and reallocating the commitments for the ABL DIP Facility among the ABL DIP Lenders and/or the Term Loan DIP Facility among the Term Loan DIP Lenders, in each case in such form as the Debtors, the ABL DIP Agent and the ABL DIP Lenders or the Term Loan DIP Agent and the Term Loan DIP Lenders, as applicable, may agree (it being understood that no further approval of this Court shall be required for non-material amendments to the ABL DIP Documents and/or the Term Loan DIP Documents).

3. Binding Effect. Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute valid and binding obligations of the Debtors, enforceable against each Debtor party thereto in accordance with their terms. No obligation, payment, transfer or grant of a security or other interest under the DIP Documents, the Interim Order or this Final Order shall be stayed, restrained, voidable, or recoverable under the Bankruptcy Code or any applicable law (including, without limitation, under section 502(d) of the Bankruptcy Code), or subject to any defense, reduction, set-off, recoupment or counterclaim.

4. ABL DIP Loans and Roll Up.

(a) All loans made or monies advanced under the ABL DIP Facility to or for the benefit of the "Loan Parties" under and as defined in the ABL DIP Agreement (the "**ABL DIP Loan Parties**") on or after the Petition Date including, without limitation, loans made or monies advanced or deemed advanced under or in connection with the ABL DIP Facility, shall: (i) be evidenced by the books and records of the ABL DIP Agent; (ii) bear interest payable at the rates set forth in the ABL DIP Agreement; (iii) be secured in the manner set forth in this Final Order and in the ABL DIP Documents; (iv) be payable in accordance with the terms of the ABL DIP

Documents; and (v) otherwise be governed by the terms set forth in this Final Order and in the ABL DIP Documents.

(b) The Advances (as defined in the Prepetition ABL Credit Agreement) outstanding as of the Petition Date under the Prepetition ABL Credit Agreement constitute a portion of the Revolving DIP Loans outstanding under the ABL DIP Facility. For all purposes of the ABL DIP Documents, the sum of the Pre-Petition Revolving Loans and any other Revolving DIP Loans made on the Closing Date shall constitute all of the Revolving DIP Loans outstanding on the Closing Date. Each Pre-Petition Letter of Credit (as defined in the ABL DIP Agreement) shall constitute a "Letter of Credit" for all purposes of the ABL DIP Documents and shall be deemed issued under the ABL DIP Agreement as of the Closing Date. All Letter of Credit Outstandings (as defined in the Prepetition ABL Credit Agreement) shall constitute Letter of Credit Outstandings for all purposes of the ABL DIP Documents.

(c) For the avoidance of doubt, the Prepetition ABL Roll Up shall be subject to paragraph 34 of this Final Order.

5. Use of ABL DIP Loans. Subject to the terms and conditions of this Final Order and the ABL DIP Documents (including, without limitation, satisfaction of the conditions precedent to borrowing set forth therein), and other restrictions set forth in the DIP Documents, an amount not to exceed $200 million of the ABL DIP Loans shall be available on or after the Closing Date and shall be used by the U.S. ABL DIP Borrower, in each case in accordance with the Approved Budget (as defined herein) to (a) effectuate the Prepetition ABL Roll Up as set forth in the ABL DIP Agreement and paragraph 4(b) of this Final Order, (b) fund general corporate needs, including, without limitation, working capital needs, (c) pay administrative expenses of the Cases, including reasonable fees and expenses of professionals, (d) pay

Adequate Protection Provisions and (e) pay any prepetition obligations authorized to be paid pursuant to any "first day order" entered by the Court, in each case, in accordance with the Approved Budget (as defined herein).

6. Term DIP Loans. All loans made or monies advanced under the Term Loan DIP Facility to or for the benefit of the "Credit Parties" under and as defined in the Term Loan DIP Agreement (the "Term DIP Loan Parties" and, together with the ABL DIP Loan Parties, the "**Loan Parties**") on or after the Petition Date including, without limitation, loans made or monies advanced or deemed advanced under or in connection with the Term Loan DIP Facility, shall: (a) be evidenced by the books and records of the Term Loan DIP Agent; (b) bear interest payable at the rates set forth in the Term Loan DIP Agreement; (c) be secured in the manner set forth in this Final Order and in the Term Loan DIP Documents; (d) be payable in accordance with the terms of the Term Loan DIP Documents; and (e) otherwise be governed by the terms set forth in this Final Order and in the Term Loan DIP Documents.

7. Use of Term DIP Loans. Subject to the terms and conditions of this Final Order and the Term Loan DIP Agreement (including, without limitation, satisfaction of the conditions precedent to borrowing set forth therein), the proceeds of the Term DIP Loans shall be available on or after the Closing Date and shall be used by the Term Loan DIP Borrower, in each case in accordance with the Approved Budget (as defined herein) to (a) pay transaction fees and expenses, administrative expenses of the cases (including the professional fees and expenses of the Term Loan DIP Agent and/or the Term Loan DIP Lenders, to the extent the ABL DIP Facility does not provide sufficient funds to pay such needs) and to fund general corporate needs, including, without limitation, working capital needs and repayments of borrowings under the ABL DIP Facility (solely to the extent not accompanied by a corresponding reduction of

commitments under such ABL DIP Facility), and (b) pay any prepetition obligations authorized to be paid pursuant to any "first day order" entered by the Court, in each case, in accordance with the Approved Budget.

8. Payment of DIP Fees and Expenses. The Debtors are authorized to pay or otherwise incur all fees, expenses, and other amounts payable under the Fee Letters and under the terms of the ABL DIP Agreement, any other ABL DIP Documents, the Term Loan DIP Agreement and any other Term Loan DIP Documents including, without limitation, the commitment fee, the unused line fee, the servicing fee, the closing/upfront fee, the exit fee, the administrative agent fee, and any letter of credit fees (collectively, the "**DIP Fees**") as well as all reasonable and documented out-of-pocket costs and expenses of the DIP Agents in accordance with the terms of the DIP Agreements (collectively, the "**Expenses**"). The DIP Fees and Expenses approved pursuant to this paragraph shall include, without limitation, the reasonable and documented prepetition and postpetition fees and expenses of counsel and financial advisors retained by the DIP Agents associated with the arrangement, preparation, execution, delivery and administration of the DIP Documents (and any amendment or waiver with respect thereto), and the Cases and, subject to the same procedures provided in paragraph 22(e) regarding payment of the fees and expenses of the Prepetition Secured Parties, none of the DIP Fees and Expenses shall be subject to Court approval or U.S. Trustee guidelines, and no recipient of any such payment shall be required to file any interim or final fee application with this Court with respect to such fees and expenses. In addition, the Debtors are hereby authorized to indemnify the DIP Agents, the DIP Lenders, and their respective affiliates and other parties, as provided in the DIP Agreements. All fees and expenses approved pursuant to this paragraph shall constitute DIP Obligations and the repayment thereof shall be secured by the DIP Collateral and afforded all of

the priorities and protections afforded to the DIP Obligations under this Final Order and the DIP Documents. The Debtors are hereby authorized to pay all DIP Fees and Expenses in accordance with the DIP Documents.

9. ABL DIP Superpriority Claims. Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the ABL DIP Obligations shall constitute allowed claims against the Debtors (without the need to file any proofs of claim) including priority over any and all administrative expenses, diminution claims (including all Adequate Protection Provisions (as defined herein)), and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 546(c), 726, 1113 or 1114 or any other provision of the Bankruptcy Code (the "**ABL DIP Superpriority Claims**"), which allowed claims, shall, for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expense claims allowed under section 503(b) of the Bankruptcy Code and shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and their estates and all proceeds thereof, subject only to the Carve Out and senior to the Adequate Protection 507(b) Claims (as defined herein).

10. Term Loan DIP Superpriority Claims. Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the Term Loan DIP Obligations shall constitute allowed superpriority administrative expense claims against the Debtors (without the need to file any proofs of claim), including priority over any and all administrative expenses, diminution claims (including all Adequate Protection Provisions (as defined herein)), and all other claims against the Debtors, now existing or hereafter arising, in these Cases or a Successor Case (as defined herein), of any kind whatsoever, including, without limitation, all administrative expenses or other claims

arising under sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 546(c), 726, 1113 or 1114 or any other provision of the Bankruptcy Code (the "**Term Loan DIP Superpriority Claims**" and, together with the ABL DIP Superpriority Claims, the "**DIP Superpriority Claims**"), which allowed claims, shall, for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expense claims allowed under section 503(b) of the Bankruptcy Code and shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and their estates and all proceeds thereof, subject only to the Carve Out; provided, however, that the ABL DIP Superpriority Claims and Term Loan DIP Superpriority Claims shall be *pari passu* with each other, without otherwise impairing the lien priorities as set forth herein, and shall be subject to the Carve Out and senior to the Adequate Protection 507(b) Claims (as defined herein).

11. Carve Out.

(a) For purposes hereof, the "Carve Out" means the sum of: (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time by the Bankruptcy Court, whether by interim order, procedural order, or otherwise, unpaid fees and expenses (the "**Allowed Professional Fees**") incurred by persons or firms retained by the Debtors pursuant to sections 327, 328, 363, or 1103 of the Bankruptcy Code (the "**Debtor Professionals**") and the Committee, pursuant to sections 328 or 1103 of the Bankruptcy Code and, with respect to Committee professionals (the "**Committee Professionals**") (solely with respect to any

Committee and the Committee Professionals strictly subject to the Approved Budget and the line items applicable to such Committee and Committee Professionals set forth therein) and the Debtor Professionals (together with the Committee Professionals, the "**Professional Persons**") at any time before or on the first business day following delivery by a Creditor Representative (defined below) of a Carve Out Trigger Notice (as defined herein), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice, and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed $3 million incurred after the first business day following delivery by one of the Creditor Representatives (defined below) of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the "**Post-Carve Out Trigger Notice Cap**"). For purposes of the foregoing, "**Carve Out Trigger Notice**" shall mean a written notice delivered by e-mail (or other electronic means) by the ABL DIP Agent or the Term Loan DIP Agent (each, a "**Creditor Representative**") to the Debtors, their lead restructuring counsel, the U.S. Trustee, and counsel to the Committee, which notice may be delivered following the occurrence and during the continuation of an Event of Default (as defined in paragraph 36), stating that the Post-Carve Out Trigger Notice Cap has been invoked and describing the alleged default that is continuing under the DIP Documents. In addition, without duplication of any Allowed Professional Fees, and only after the funding of the Carve Out Reserves in full, an additional amount shall be funded to the Post-Carve Out Trigger Notice Reserve from the DIP Term Funding Account up to the lesser of (x) the remaining amount in the DIP Term Funding Account and (y) $8.6 million if a Sale Order has been entered by the Bankruptcy Court approving the Stalking Horse APA substantially in the form filed on the Petition Date or $10 million if the Sale Order has not been entered by the Bankruptcy Court,

which amount shall be available solely to pay any transaction, restructuring, sale or other similar fees then due and owing or that thereafter become due and owing to Houlihan Lokey Capital Inc.

(b) Carve Out Reserves. On the day on which a Carve Out Trigger Notice is given by a Creditor Representative to the Debtors (the "**Termination Declaration Date**"), the Carve Out Trigger Notice shall: (i) be deemed a borrowing request and notice of borrowing by the Debtors for ABL DIP Loans under the ABL DIP Agreement, in an amount equal to (a) the maximum amount provided for in paragraph 11(a)(ii) above, plus (b) the then unpaid amounts (including the good-faith estimated Professional Fees accrued and not yet invoiced) of the Allowed Professional Fees (any such amounts actually advanced shall constitute DIP Loans), as provided for in paragraph 11(a)(iii) above; and (ii) also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees. The Debtors shall deposit and hold such amounts in a segregated account not subject to the control of the DIP Agents or any Prepetition Secured Party in trust to pay such then unpaid Allowed Professional Fees (the "**Pre-Carve Out Trigger Notice Reserve**") prior to any and all other claims to the fullest extent allowable under the Bankruptcy Code and applicable non-bankruptcy law. On the Termination Declaration Date, the Carve Out Trigger Notice shall also be deemed a request by the Debtors for ABL DIP Loans under the ABL DIP Agreement (on a *pro rata* basis based on the then-outstanding ABL DIP Loans), in an amount equal to the Post-Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute DIP Loans). The Debtors shall deposit and hold such amounts in a segregated account not subject to the control of the DIP Agents or any Prepetition Secured Party in trust to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (the "**Post-Carve Out**

Trigger Notice Reserve" and, together with the Pre-Carve Out Trigger Notice Reserve, the "**Carve Out Reserves**") prior to any and all other claims. On the first business day after a DIP Agent provides notice of a Carve Out Trigger Notice to the ABL DIP Lenders, notwithstanding anything in the ABL DIP Agreement or any other DIP Document, including Section 8.04(n) of the DIP Term Loan Agreement, to the contrary, including with respect to the existence of a Default (as defined in the ABL DIP Agreement) or Event of Default, the failure of the Debtors to satisfy any or all of the conditions precedent for ABL DIP Loans under the ABL DIP Facility, any termination of the ABL DIP Loan Commitments following an Event of Default, or the occurrence of the Maturity Date (as defined in the ABL DIP Agreement), each ABL DIP Lender with an outstanding ABL DIP Loan Commitment (on a *pro rata* basis based on the then-outstanding ABL DIP Loan Commitments) shall make available to the ABL DIP Agent such ABL DIP Lender's *pro rata* share with respect to such borrowing in accordance with the ABL DIP Facility; provided, however, that notwithstanding anything to the contrary in this paragraph 11, no ABL DIP Lender shall be required to make ABL DIP Loans in excess of the lesser of its ABL DIP Loan Commitment and its *pro rata* share of the Borrowing Base. Notwithstanding anything to the contrary set forth herein or in the DIP Documents, if the amount of all the ABL DIP Loans available to the Debtors following delivery of the Carve Out Trigger Notice is insufficient to fund the full amount of the Carve Out Reserves, then the Carve Out Trigger Notice shall be deemed to be a withdrawal request for proceeds solely from the DIP Term Funding Account (as defined in the Term Loan DIP Agreement) in an amount necessary solely to fund any unfunded portion of the Carve Out Reserves outstanding after application of all the ABL DIP Loans, regardless of anything in the Term Loan DIP Agreement to the contrary, including under Section 2.13(a)(iii) thereunder or with respect to the existence of a Default (as

defined in the Term Loan DIP Agreement) or Event of Default, the failure of the Debtors to satisfy any or all of the conditions precedent for Term DIP Loans under the Term Loan DIP Facility, any termination of the Term DIP Loan Commitments following an Event of Default, or the occurrence of the Maturity Date (as defined in the Term Loan DIP Agreement) up to the full amount of any proceeds. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (ii) through (iii) of the definition of Carve Out set forth above (the "**Pre-Carve Out Amounts**"), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full and then, to the extent the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, all remaining funds shall be distributed ratably (based on the proportion of the Pre-Carve Our Trigger Notice Reserve funded by or from the ABL DIP Lenders or the DIP ABL Priority Collateral or the Term DIP Lenders or the DIP Term Loan Collateral, respectively) to: (a) the ABL DIP Agent on behalf of the ABL DIP Lenders, and (b) the Term Loan DIP Agent on behalf of the Term DIP Lenders.

(c) All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the "**Post-Carve Out Amounts**"), and then, to the extent the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, all remaining funds shall be distributed ratably (based on the proportion of the Pre-Carve Our Trigger Notice Reserve funded by or from the ABL DIP Lenders or the DIP ABL Priority Collateral or the Term DIP Lenders or the DIP Term Loan Collateral, respectively) to: (a) the ABL DIP Agent on behalf of the ABL DIP Lenders, and (b) the Term Loan DIP Agent on behalf of the Term DIP Lenders. Notwithstanding anything to the contrary in the DIP Documents or this Final Order, if either of the Carve Out Reserves are not funded in full in the amounts set forth in this paragraph 11, then, any excess funds in one of

the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in this paragraph 11, prior to making any payments to the ABL DIP Agent or the Term Loan DIP Agent, as applicable. Notwithstanding anything to the contrary in the DIP Documents, the Interim Order, or this Final Order, following delivery of a Carve Out Trigger Notice, the ABL DIP Agent and the Term Loan DIP Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid in accordance with this paragraph (c) and paragraphs (a) and (b) above. Further, notwithstanding anything to the contrary in this Final Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not constitute Advances (as defined in the ABL DIP Agreement) or increase or reduce the DIP Obligations, (ii) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (iii) in no way shall the Approved Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary herein or in the ABL DIP Agreement or in the Term Loan DIP Agreement, the Carve Out shall be senior to all liens and claims securing the DIP Facilities, the DIP Liens, the DIP Superpriority Claims, and the Adequate Protection Liens, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition Credit Agreement Indebtedness. Notwithstanding anything herein, but subject to paragraph 35, no proceeds of Prepetition Collateral, the DIP Loans or the Carve Out shall be used for the purpose of: (a) investigating,

objecting to, challenging, or contesting in any manner, or in raising any defenses to, the amount, validity, extent, perfection, priority, enforceability, or avoidability of the Prepetition Credit Agreement Indebtedness, the Prepetition Liens or any liens or security interests with respect thereto, or any other rights or interests of any of the Prepetition Secured Parties, whether in their capacity as such or otherwise, including with respect to the Adequate Protection Liens, or in asserting any claims or causes of action against any of the Prepetition Secured Parties (whether in their capacity as such or otherwise), including, without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise.

(d) No Direct Obligation to Pay Allowed Professional Fees; No Waiver of Right to Object to Fees. The DIP Agents and the DIP Lenders shall not be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Cases or any Successor Case (as defined herein) under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall (i) be construed to obligate the DIP Agents or the DIP Lenders, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement or (ii) require any DIP Lender to make DIP Loans in excess of its DIP Commitment. Notwithstanding any provision in this paragraph 11 to the contrary, no portion of the Carve-Out, any Cash Collateral, any DIP Collateral, or any proceeds of the DIP Facilities (including any disbursements set forth in the Approved Budget or obligations benefitting from the Carve-Out) shall be utilized for the payment of professional fees and disbursements to the extent restricted under paragraph 35 hereof. Nothing herein shall be construed as consent to the allowance of any professional fees or expenses of any of the Debtors,

any Committee, any other official or unofficial committee in these Cases or any Successor Case (as defined herein) or of any other person or entity, or shall affect the right of the DIP Agents or the DIP Lenders to object to the allowance and payment of any such fees and expenses.

(e) Payment of Allowed Professional Fees Prior to Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(f) Payment of Carve Out On or After Termination Declaration Date. Any payment or reimbursement from the Carve-Out Reserves made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Final Order, the DIP Documents, the Bankruptcy Code, and applicable law.

12. DIP Liens. As security for the ABL DIP Obligations and Term Loan DIP Obligations, effective and perfected automatically upon the date of the Interim Order and without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages or other similar documents, or the possession or control by any DIP Agent of any DIP Collateral (as defined herein), the following security interests and liens (all such liens and security interests granted to the ABL DIP Agent and Term Loan DIP Agent, for their benefit and for the benefit of the respective ABL DIP Lenders and Term Loan Lenders, pursuant to the Interim Order, this Final Order and the DIP Documents, (the "**DIP Liens**") are hereby granted to the ABL DIP Agent and Term Loan DIP Agent:

(a) pursuant to section 364(d) of the Bankruptcy Code, perfected senior priming liens on all assets securing the Prepetition Credit Agreement Indebtedness, regardless of whether any lien or any security interest securing or purporting to secure the Prepetition Credit Agreement Indebtedness is valid or invalid, perfected or unperfected, or avoidable or non-avoidable, subject and subordinate to all perfected non-avoidable senior pre-existing liens as of the Petition Date securing claims other than liens securing the Prepetition Credit Agreement Indebtedness;

(b) pursuant to section 364(c)(2) of the Bankruptcy Code, perfected senior liens on all assets of the Debtors not subject to a valid, perfected, and non-avoidable lien in existence as of on the Petition Date (or as such lien may be perfected after the Petition Date to the extent permitted by section 546 of the Bankruptcy Code) including the Avoidance Proceeds; and

(c) pursuant to section 364(c)(3) of the Bankruptcy Code, perfected junior security interests on other assets of the Debtors subject to permitted liens (excluding the Prepetition Credit Agreement Liens) on the Petition Date (the assets referenced in clauses (a)-(c) of this paragraph 12 collectively, the "**DIP Collateral**").

13. The DIP Collateral includes all tangible and intangible prepetition and postpetition property and interests in property of the Debtors, whether existing on or as of the Petition Date or thereafter acquired, including, without limitation: (a) all accounts, chattel paper, deposit accounts, documents, equipment, general intangibles, intellectual property, instruments, insurance, inventory, investment property, letter-of-credit rights, money and any supporting obligations related thereto; (b) all commercial tort claims; (c) all books and records pertaining to the DIP Collateral; (d) all property of any Prepetition Credit Party held by the ABL DIP Agent,

the ABL DIP Lenders, the Term Loan DIP Agent, Term Loan DIP Lenders, or any Prepetition Secured Party, including all property of every description, in the custody of or in transit to the DIP Agents, the DIP Lenders or any Prepetition Secured Party for any purpose, including safekeeping, collection or pledge, for the account of such party or as to which such party may have any right or power, including, but not limited to cash; (e) all other goods (including, but not limited to, fixtures) and personal property, whether tangible or intangible and wherever located; (f) all owned real property interests, and all proceeds of all owned and leased property (except that the DIP Liens granted to the ABL DIP Agent shall not include the DIP Collateral described in this paragraph 13(f)); (g) any Indebtedness of Holdings or any of its Subsidiaries owing to Holdings or any of its Subsidiaries; (h) actions brought under section 549 of the Bankruptcy Code to recover any post-petition transfer of DIP Collateral; and (i) all proceeds of the foregoing, plus all Prepetition Collateral. The DIP Collateral shall include the Avoidance Proceeds, which includes any proceeds or property recovered, unencumbered or that is the otherwise subject of a successful Avoidance Action, whether by judgment, settlement, or otherwise.

14. DIP Collateral that is: (a) of a type that would be ABL Priority Collateral; and (b) of a type that would be ABL Priority Collateral, but that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date, shall, in each case, constitute "**DIP ABL Priority Collateral**"; provided, however, that neither the DIP Term Funding Account (as defined in the Term Loan DIP Agreement) nor any funds held therein shall constitute the DIP ABL Priority Collateral. DIP Collateral that is: (a) of a type that would be Term Priority Collateral; (b) of a type that would be Term Priority Collateral but that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date; and (c) the DIP Term Funding Account and all funds held therein, shall, in each case, constitute

"**DIP Term Loan Priority Collateral**". Notwithstanding anything in this paragraph 14 or paragraph 15, the priority of DIP Liens on DIP Collateral consisting of Avoidance Proceeds shall be *pari passu* as between the DIP ABL Agent and the DIP Term Loan Agent.

15. DIP Lien Priority. The DIP Liens securing the DIP ABL Obligations (the "**DIP ABL Liens**") and the DIP Liens securing the DIP Term Loan Obligations (the "**DIP Term Loan Liens**") are valid, automatically perfected, non-avoidable, senior in priority, and superior to any security mortgage, collateral interest, lien or claim to any of the DIP Collateral, except that the DIP ABL Liens and the DIP Term Loan Liens shall be subject to the Carve Out as set forth in this Final Order and shall otherwise have the priority set forth in the Priority Waterfall. Notwithstanding anything herein to the contrary, the DIP Liens shall be subordinate to the Carve Out.

16. Remedies. (a) Any automatic stay otherwise applicable to the DIP Agents and the DIP Lenders is hereby modified, without requiring prior notice to or authorization of this Court, to the extent necessary to permit the DIP Agents and the DIP Lenders to: (i) declare all DIP Obligations to be due and payable; (ii) declare the termination, reduction, or restriction of any further commitment to extend credit to the Debtors, to the extent any such commitment remains; and/or (iii) terminate the applicable DIP Documents as to any future liability or obligation of the DIP Agents and the DIP Lenders, but without affecting any of the DIP Obligations or the DIP Liens securing the DIP Obligations.

(b) In addition to the rights and remedies described above, upon not less than five (5) business days' prior written notice to the Debtors (with a copy to counsel to each of the Prepetition Agents, the Committee and the U.S. Trustee) following the occurrence and continuance of an Event of Default (as defined herein), the DIP Agents are hereby granted relief

from the automatic stay provisions of section 362 of the Bankruptcy Code without further notice, hearing, motion, order or together action of any kind, to foreclose on, or otherwise enforce and realize on, their DIP Liens on all or any portion of the DIP Collateral, including by collecting accounts receivable and applying the proceeds thereof to the applicable DIP Obligations, and by occupying the Debtors' premises (subject to paragraph 16(c) below) to sell or otherwise dispose of the DIP Collateral, with the exercise of remedies as among the ABL DIP Agent and Term Loan DIP Agent being subject to the DIP Intercreditor Agreement, except as expressly provided herein, in all cases subject to the Carve Out. During the foregoing five (5) business day period objections may be raised by the Debtors or the Committee; provided, however, that during such five (5) business day period, the Debtors may only use Cash Collateral pursuant to paragraph 37 of this Order.

(c) Notwithstanding anything contained herein to the contrary, and without limiting any other rights or remedies of the DIP Agents and the DIP Lenders contained in this Final Order or the DIP Documents, or otherwise available at law or in equity, and subject to the terms of the DIP Documents, upon five (5) business days' written notice to the Debtors and any landlord, lienholder, licensor, or other third party owner of any leased or licensed premises or intellectual property that a Cash Collateral Termination Event has occurred and is continuing, the DIP Agents (i) may, unless otherwise provided in any separate agreement by and between the applicable landlord, licensor, or third party owner and the DIP Agents (the terms of which shall be reasonably acceptable to the parties thereto), enter any leased or licensed premises of the Debtors for the purpose of exercising any remedy with respect to any DIP Collateral located thereon and (ii) shall be entitled to all of the Debtors' rights and privileges as lessee or licensee under the applicable lease or license and to use any and all trademarks, trade names, copyrights,

licenses, patents, or any other similar assets of the Debtors that are owned by or subject to a lien of any third party and that are used by Debtors in their businesses, in the case of either subparagraph (i) or (ii) of this paragraph 16(b) without interference from lienholders or licensors thereunder, subject to such lienholders' or licensors' rights under applicable law; provided, however, that the DIP Agents and DIP Lenders can only enter onto any leased premises after a Cash Collateral Termination Event has occurred and is continuing, in accordance with (x) a separate agreement with the landlord of the applicable leased premises; (y) upon entry of an order of this Court after the filing of a motion and appropriate notice and an opportunity for landlords to object and be heard; or (z) as permitted by applicable law; provided, further, that the DIP Agents, on behalf of the DIP Lenders, shall pay only rent and additional rent, fees, royalties, or other monetary obligations of the Debtors that first arise after the written notice referenced above from the DIP Agents and that accrue during the period of such occupancy or use by such DIP Agent calculated on a daily basis. Nothing herein shall require the Debtors, the DIP Agents, or the other DIP Lenders to assume any lease, license or other contract under Bankruptcy Code section 365(a) as a precondition to the rights afforded to the DIP Agents and the DIP Lenders in this paragraph 16(c).

17. Budget. For purposes of this Final Order, the term "Approved Budget" means a cash flow forecast detailing cash receipts, cash disbursements, inventory levels and accrued and unpaid professional fees on a weekly basis for (a) the applicable 13-week period or (b) the period until the projected closing of the 363 Sale (as defined in the Term Loan DIP Agreement and ABL DIP Agreement), whichever is shorter, for such weekly period on a regional and consolidated basis, in each case substantially consistent with the manner in which such information is presented in the Budget attached hereto as **Exhibit D**, filed with the Bankruptcy

Court on or before the date of entry of this Final Order, and shall initially refer to the Approved Budget delivered by the Debtors on or before the date of entry of this Final Order and thereafter shall refer to the Approved Budget delivered by the Debtors pursuant to Schedule 5.1 to the ABL DIP Agreement and Section 7.1(f) of the Term Loan DIP Agreement on the second Wednesday following the end of each fiscal month of Holdings falling after the Petition Date (each such date, a "**Budget Delivery Date**"), in each case, in form and substance acceptable to the ABL DIP Agent and the Term Loan DIP Agent; provided, however that the Committee shall receive the Approved Budget and any other documents provided pursuant to Schedule 5.1 to the ABL DIP Agreement and Section 7.1(f) of the Term Loan DIP Agreement contemporaneously with the DIP Agents and the DIP Lenders. On each Wednesday on or before 11:59 pm Pacific Time (the "**Reporting Date**") starting the week after the first full calendar week following the Petition Date, delivery of the following will be made to the DIP Agents, the DIP Lenders and the Committee: (a) a budget variance report covering the cumulative period commencing on the Sunday immediately following the Budget Delivery Date for the then-effective Approved Budget through the Saturday immediately preceding the Reporting Date (such period, the "**Budget Testing Period**") setting forth the variances (whether positive or negative) of actual total operating receipts and total operating expenses as compared to the Approved Budget then in effect covering the applicable Budget Testing Period, together with an explanation, in reasonable detail, for any budget variances, and additional discussion and other information related to any budget variances as the ABL DIP Agent or the Term Loan DIP Agent may reasonably request; and (b) a certification that no proceeds of the ABL Revolving Loans or the Term DIP Loans have been used for purposes other than as set forth in the Approved Budget (subject to permitted variances).

18. Budget Covenants.

(a) Except as otherwise provided in the DIP Agreements or approved by the DIP Agents and the requisite lenders under the applicable DIP Agreement (and regardless of whether or not a Carve Out Trigger Notice has been delivered), the Debtors and their Subsidiaries shall not, directly or indirectly (i) use any cash or the proceeds of any DIP Loans in a manner or for a purpose other than those consistent with the DIP Agreements, the Interim Order, this Final Order, and the Approved Budget (and any variances permitted thereunder), (ii) permit a disbursement causing any variance other than any variances permitted thereunder without the prior written consent of the ABL DIP Agent, the Term Loan DIP Agent, and the requisite lenders under the applicable DIP Agreement or (iii) make any payment (as adequate protection or otherwise), or application for authority to pay, on account of any claim or Indebtedness arising prior to the Petition Date other than payments set forth in the Approved Budget and authorized by the Bankruptcy Court.

(b) Prior to the occurrence of an Event of Default, the Debtors shall be permitted to pay compensation and reimbursement of fees and expenses of Professional Persons solely to the extent that such fees and expenses are authorized to be paid under sections 328, 330, 331, and 363 of the Bankruptcy Code pursuant to an order of the Court, as the same may be due and payable. Upon the occurrence of an Event of Default and delivery of a Carve Out Trigger Notice, the right of the Debtors to pay professional fees of Professional Persons outside the Carve Out shall terminate, and the Debtors shall provide immediate notice to all Professional Persons informing them that the Debtors' ability to pay such Professional Persons is subject to and limited by the Carve Out.

(c) Following the Petition Date: (i) total operating expenses (excluding professional fees and expenses) paid by the Loan Parties and their subsidiaries shall not exceed the amounts in the then effective Approved Budget by more than (A) in the case of any Budget Testing Period with a duration of one or two week(s), 15%, and (B) in the case of any other Budget Testing Period, 12.5%, in each case, on a cumulative basis for such Budget Testing Period; and (ii) total operating receipts (excluding any borrowings or other cash receipts not constituting trade receipts) of the Loan Parties and their subsidiaries shall not be less than (A) in the case of any Budget Testing Period with a duration of one or two week(s), 85%, and (B) in the case of any other Budget Testing Period, 87.5%, in each case, on a cumulative basis for such Budget Testing Period, of the amounts in the then effective Approved Budget, and in the case of each of clause (i) and (ii), such variances shall be tested weekly, starting the week after the first full calendar week following the Petition Date.

19. Limitation on Charging Expenses Against DIP Collateral. No expenses of administration of the Cases or any future proceeding that may result therefrom, including a case under chapter 7 of the Bankruptcy Code, shall be charged against or recovered from the Prepetition Collateral and the DIP Collateral pursuant to section 506(c) of the Bankruptcy Code, the enhancement of collateral provisions of section 552 of the Bankruptcy Code, or any other legal or equitable doctrine (including, without limitation, unjust enrichment) or any similar principle of law, without the prior written consent of the DIP Agents, and no consent shall be implied from any action, inaction or acquiescence by the ABL DIP Agent, the ABL DIP Lenders, the Term Loan DIP Agent, the Term Loan DIP Lenders, or the Prepetition Secured Parties. In no event shall the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties be subject to (a) the "equities of the case" exception contained in section 552(b) of the Bankruptcy

Code or (b) the equitable doctrine of "marshaling," or any other similar doctrine with respect to the DIP Collateral; provided that the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties may only use Avoidance Proceeds to satisfy outstanding DIP Obligations and obligations under the Prepetition Term Loan Credit Agreement or Prepetition ABL Credit Agreement, as applicable, if such obligations are not otherwise indefeasibly paid in full from proceeds of DIP Collateral or Prepetition Collateral, as applicable, that are not Avoidance Proceeds.

20. Cash Collateral. Subject to the terms of this Final Order and the Approved Budget, and, in the case of Cash Collateral held in the DIP Term Funding Account, subject to the Term Loan DIP Agreement, the Debtors are hereby authorized to use all Cash Collateral, solely in accordance with the Carve Out and the Approved Budget, in which the Prepetition Agents or any other Prepetition Secured Party has, and in which the DIP Agents and DIP Lenders have, a perfected security interest as of the Petition Date or at any time thereafter, including any cash on deposit in any deposit account or other account over which any of the Prepetition Agents or DIP Agents have control.

21. Use of Cash Collateral. Cash Collateral may be used only: (a) to effectuate the Prepetition ABL Roll Up; (b) to pay the Adequate Protection Provisions, (c) to pay the DIP Obligations, including, without limitation, to pay principal, interest, reimbursement obligations on account of letters of credit, fees, costs and expenses under the DIP Facilities; (d) for working capital and other general corporate purposes of the Debtors in accordance with the Approved Budget and the DIP Documents; (e) to pay the allowed administrative costs and expenses of the Cases, including the Carve Out; (f) to pay prepetition obligations authorized pursuant to "first day orders;" and with respect to (d), (e), and (f) above, solely in accordance with the Approved

Budget, the DIP Documents, and this Final Order, or as otherwise ordered by the Court after notice and a hearing.

22. Prepetition Secured Parties' Adequate Protection. The Prepetition Secured Parties are entitled, until the indefeasible repayment in full in cash of (a) in the case of the Prepetition ABL Secured Parties, the Prepetition ABL Credit Agreement Indebtedness and (b) in the case of the Prepetition Term Loan Agent, the Prepetition Term Loan Credit Agreement Indebtedness, pursuant to sections 361, 363(e) and 364(d)(1) of the Bankruptcy Code, to adequate protection of their respective interests in the Prepetition Collateral (each, a "Diminution Claim"). As adequate protection for and to secure payment of an amount equal to, such Diminution Claims, the Prepetition Secured Parties are granted, *nunc pro tunc* as of the Petition Date, the following adequate protection (collectively, the "Adequate Protection Provisions"):

(a) Adequate Protection Liens.

(i) As adequate protection of the interests of the Prepetition ABL Agent and the Prepetition ABL Lenders in the Prepetition ABL Priority Collateral for their Diminution Claims, the Prepetition ABL Agent, for itself and for the benefit of the Prepetition ABL Lenders, is hereby granted valid and perfected security interests in and liens on the DIP Collateral (the "**ABL Adequate Protection Liens**").

(ii) As adequate protection of the interests of the Prepetition Term Loan Agent in the Prepetition Term Loan Credit Agreement Collateral for its Diminution Claims, the Prepetition Term Loan Agent, for itself and for the benefit of the Prepetition Term Loan Lenders, is hereby granted valid, binding,

continuing, enforceable and fully-perfected security interests in, and liens on, the DIP Collateral (the "**Term Loan Adequate Protection Liens**").

(b) Adequate Protection Lien Priority

(i) The ABL Adequate Protection Liens and Term Loan Adequate Protection Liens shall be subject to the Carve Out as set forth in this Final Order and shall otherwise have the priority set forth in the Priority Waterfall.

(c) Section 507(b) Claim.

(i) As adequate protection for, and to secure payment of an amount equal to, the Prepetition ABL Secured Parties' Diminution Claims, the Prepetition ABL Secured Parties are hereby granted to the extent provided by Bankruptcy Code Section 507(b) allowed superpriority administrative expense claims against the Debtors with priority over any and all administrative expenses, diminution claims and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code (the "**ABL 507(b) Claim**").

(ii) As adequate protection for, and to secure payment of an amount equal to, the Prepetition Term Loan Agent's Diminution Claim, the Prepetition Term Loan Secured Parties are hereby granted to the extent provided by Bankruptcy Code Section 507(b) allowed superpriority administrative expense claims against the Debtors with priority over any and all administrative expenses, diminution claims and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all

administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code (the "**Term Loan 507(b) Claim**" and, together with the Prepetition ABL 507(b) Claim, the "**Adequate Protection 507(b) Claims**").

(iii) Except as set forth herein, the Adequate Protection 507(b) Claims shall have priority over all administrative expense claims, secured claims (except secured claims secured by Permitted Prior Liens), and unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 726, 1113 and 114 of the Bankruptcy Code; provided, however, that the Adequate Protection 507(b) Claims shall be *pari passu* with each other, without otherwise impairing the lien priorities set forth herein, and subject to the Carve Out as set forth in this Final Order and junior to the DIP Superpriority Claims.

(d) Interest, Fees, Expenses, and Interest Accrual. Without further application to this Court, the Debtors shall pay forthwith in cash (i) upon entry of the Interim Order, all accrued and unpaid interest through the Petition Date owed to the Prepetition Secured Parties under the Prepetition ABL Credit Agreement and Prepetition Term Loan Credit Agreement (including, without limitation, payment of all outstanding default interest); (ii) on the last business day of each month, a payment to the Prepetition Term Loan Agent on behalf of the Prepetition Term Loan Lenders, of the cash pay portion of interest that accrued on the loans under the Prepetition Term Loan Credit Agreement, which, for the avoidance of doubt,

shall not include the Prepayment Premium, at the non-default rate during such monthly period (or portion thereof) pursuant to Section 2.07(a)(ii) of the Prepetition Term Loan Credit Agreement; (iii) on the last business day of each month, payment in kind of all PIK Interest (as defined in the Prepetition Term Loan Credit Agreement) that accrued on the loans under the Prepetition Term Loan Credit Agreement, which, for the avoidance of doubt, shall not include the Prepayment Premium, during such monthly period (or portion thereof) (which PIK Interest shall be capitalized and added to the principal amount of the loans under the Prepetition Term Loan Credit Agreement, including for the purposes of the foregoing clause (ii)); (iv) upon entry of the Interim Order, all accrued and unpaid fees and disbursements owed to the Prepetition ABL Agent and Prepetition Term Loan Agent, respectively, including all reasonable and documented out-of-pocket fees and expenses of counsel and other professionals of the Prepetition ABL Agent and Prepetition Term Loan Agent, respectively, as provided under the Prepetition ABL Credit Agreement and Prepetition Term Loan Credit Agreement, as applicable and, in each case, whether incurred before or after the Petition Date; and (v) during the pendency of the Chapter 11 Cases, (A) interest shall accrue on the Prepayment Premium at the default rate set forth in Section 2.07(b) of the Prepetition Term Loan Credit Agreement and (B) the additional interest of 2.00% shall continue to accrue on the loans under the Prepetition Term Loan Credit Agreement pursuant to Section 2.07(b) of the Prepetition Term Loan Credit Agreement; provided, that the interest payments described in this clause (v) shall not be capitalized and added to the principal

amount of the loans under Prepetition Term Loan Credit Agreement for the purposes of calculating the interest payable to the Prepetition Term Loan Agent on behalf of the Prepetition Term Loan Lenders pursuant to this paragraph.

(e) Payment of Prepetition Secured Parties' Professional Fees and Expenses. The Debtors shall pay the Prepetition Secured Parties' prepetition and postpetition Professional Fees and Expenses within ten (10) days (if no written objection is received within such ten (10) day period) after such professional has delivered an invoice substantially in the form provided to the Debtors to date describing such fees and expenses; provided, however, that any such invoice may be redacted to protect privileged, confidential or proprietary information, with a copy of such invoice to the DIP Agents, the Prepetition ABL Agent, the Prepetition Term Loan Agent, the U.S. Trustee and the Committee. Written objections to payment of such fees and expenses, which may only be asserted by the Debtors, the DIP Agents, the U.S. Trustee and the Committee, must contain a specific basis for the objection. None of the fees and expenses shall be subject to Court approval or required to be maintained in accordance with the U.S. Trustee Guidelines and no recipient of any such payment shall be required to file any interim or final fee application with the Court with respect thereto; provided, however, if an objection to a professional's invoice is timely received, the Debtors shall only be required to pay the undisputed amount of such invoice and the Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute.

(f) Adequate Protection Condition. As a condition to receiving the Adequate Protection Provisions of this Order, each of the Prepetition Term Loan Lenders, Prepetition Term Loan Agent, Term Loan DIP Lenders, and Term Loan DIP Agent shall, upon or substantially concurrently with the consummation of a sale or other disposition of all or substantially all of the assets of the Debtors under section 363 of the Bankruptcy Code and of their non-debtor affiliates, whether pursuant to section 36 of the *Companies' Creditors Arrangement Act* (Canada), R.S.C. 1985, c. C-36 or otherwise (and not, for the avoidance of doubt, upon the occurrence of the Maturity Date due to any other event), so long as the proceeds of such sale or disposition shall satisfy in full in cash the Term Loan DIP Obligations and the obligations under the Prepetition Term Loan Credit Agreement (or if such obligations are otherwise satisfied and discharged or reduced pursuant to an arrangement satisfactory to the Term Loan DIP Agent in its sole discretion; it being understood and agreed that the satisfaction and discharge or reduction of the Term Loan DIP Obligations and the Prepetition Term Loan Credit Agreement Indebtedness in connection with (1) a sale pursuant to and in accordance with the Stalking Horse APA (as defined in the Term Loan DIP Agreement), as in effect on the date hereof, without giving effect to any amendment, waiver, consent or other modification thereto that is adverse to the interests of the Term Loan DIP Lenders or the Prepetition Term Loan Lenders and not otherwise approved by the Required Lenders as defined in and under the Term Loan DIP Agreement), and (2) any sale pursuant to the Sale Order (as defined in the Term Loan DIP Agreement) pursuant to any offer that is deemed

higher or better by the Bankruptcy Court shall be satisfactory to the Term Loan DIP Agent) (any such sale, a "**Qualified Sale Closing**"), shall provide a full release of each of the RMI Subs (as defined below), Holdings and Clover Leaf Seafood S.à. r.l. ("**Luxco Parent**") from their respective Term Loan DIP Obligations and the obligations arising under the Prepetition Term Loan Documents, duly executed by each of the Prepetition Term Loan Lenders, Prepetition Term Loan Agent, Term Loan DIP Lenders, and Term Loan DIP Agent then party to the DIP Term Loan Documents and the Prepetition Term Loan Documents as of the Sale Closing in a form and substance reasonably acceptable to the Debtors.

23. Credit Bid; Application of Sale Proceeds. (a) Subject to section 363(k) of the Bankruptcy Code, the DIP Agents and the Prepetition Secured Parties, respectively, shall have the right to credit bid all of their respective claims (subject to the provisions of paragraph 34 herein) (including, for the avoidance of doubt, all of the Prepetition Credit Agreement Indebtedness and the DIP Obligations) in connection with a sale of the Debtors' assets under section 363 of the Bankruptcy Code or under a chapter 11 plan or otherwise, unless the Court orders otherwise. The Prepetition Term Loan Agent, the Term Loan DIP Agent, Prepetition ABL Agent and ABL DIP Agent shall each be deemed a "Qualified Bidder" with respect to their rights to acquire all or any of the assets by Credit Bid. Notwithstanding anything herein and subject to paragraph 47 of this Order and the Carve Out: (i) the right of each of the DIP Agents to consent to the sale of any portion of its collateral, including, without limitation, any Assets, on terms and conditions acceptable to the DIP Agents, are hereby expressly reserved and not modified, waived or impaired and (ii) unless otherwise ordered by the Court, including without

limitation pursuant to the Sale Order (as defined in the DIP Documents), all cash proceeds generated from the sale of any assets secured by Prepetition Liens or DIP Liens shall be paid to the DIP Agents upon the closing of such sale for permanent application against the obligations owing by the Debtors under the DIP Documents in accordance with the terms and conditions of the DIP Order and the DIP Documents and thereafter, against the obligations owing by the Debtors under the Prepetition Credit Documents in accordance with the terms of this Order, the DIP Intercreditor Agreement, and the Prepetition Intercreditor Agreement, until such time as all DIP Obligations and Prepetition Credit Agreement Indebtedness has been paid in full in cash in accordance with the terms and conditions of the DIP Documents, the DIP Order and the Prepetition Credit Documents, as applicable.

(b) Upon consummation of a sale or other disposition of all or substantially all of the assets of the Debtors under section 363 or 1129 of the Bankruptcy Code, all amounts outstanding under the ABL DIP Documents, and, to the extent not discharged prior to Closing, under the Prepetition ABL Documents, shall be repaid in full in cash (unless the Court orders otherwise or the Prepetition ABL Secured Parties and/or ABL DIP Agent and ABL DIP Lenders, as applicable, otherwise agree). Nothing in this paragraph 23 or this Final Order shall alter the rights and obligations of the parties to the DIP Intercreditor Agreement thereunder with respect to ABL Priority Collateral (as defined in the DIP Intercreditor Agreement) (or the proceeds thereof) or Term Priority Collateral (as defined in the DIP Intercreditor Agreement) (or the proceeds thereof).

24. Milestones. The DIP Agents and the DIP Lenders are hereby entitled to performance of the milestones set forth in section 7.18 of the Term Loan DIP Agreement and Schedule 5.21 to the ABL DIP Agreement (as such Milestones may be, or may have been,

amended by agreement as between the DIP Agents and the Debtors, collectively, the "**Milestones**"), a schedule reflecting the Milestones is attached hereto as **Exhibit F**. For the avoidance of doubt, the failure of the Debtors to comply with any of the Milestones shall constitute an Event of Default under the DIP Agreements and this Final Order and permit the DIP Agents, subject to paragraph 16, to exercise the rights and remedies provided for in this Final Order and the DIP Documents.

25. Reservation of Rights of Prepetition Secured Parties. Notwithstanding any other provision hereof, the grant of adequate protection to the Prepetition Secured Parties pursuant hereto is without prejudice to the right of any of the Prepetition Secured Parties to seek modification of the grant of adequate protection so as to provide different or additional adequate protection.

26. Perfection of DIP Liens and Adequate Protection Liens. The DIP Agents, the DIP Lenders, and the Prepetition Agents are hereby authorized, but not required, to file or record financing statements, intellectual property filings, mortgages, notices of lien or similar instruments in any jurisdiction, take possession or control over, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Agents, the DIP Lenders, or the Prepetition Agents choose to file such financing statements, intellectual property filings, mortgages, notices of lien or similar instruments, take possession of or control over, or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination immediately upon entry of the Interim Order, but subject in all respects to the provisions of this Final Order.

27. Secured Party Status. To the extent that any Prepetition Agent is the secured party under any account control agreements, listed as loss payee or additional insured under any of the Debtors' insurance policies, or is the secured party under any Prepetition Credit Document, the ABL DIP Agent, for itself and on behalf of the ABL DIP Lenders, or the Term Loan DIP Agent, for itself and on behalf of the Term Loan DIP Lenders, as applicable, is also deemed to be the secured party under such account control agreements, loss payee or additional insured under each such insurance policy, and the secured party under each such Prepetition Credit Document (in any such case with the same priority of liens and claims thereunder relative to the priority of (a) the DIP ABL Liens, (b) the DIP Term Loan Liens, and (c) the Prepetition Liens and Adequate Protection Liens, in each case, as set forth in the Priority Waterfall and this Final Order), and shall have all rights and powers in each case attendant to that position (including rights of enforcement but subject in all respects to the terms of this Final Order), and shall act in that capacity and distribute any proceeds recovered or received in accordance with the terms of this Final Order and the applicable DIP Documents.

28. Optional Recordation. A certified copy of this Final Order may, in the discretion of the DIP Agents or the Prepetition Agents, be filed with or recorded in filing or recording offices in addition to or in lieu of or in addition to such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Final Order for filing and recording.

29. Delivery of Instruments and Documents. The Debtors shall execute and deliver to the DIP Agents or the Prepetition Agents, as the case may be, all such agreements, financing statements, instruments and other documents as the DIP Agents or the Prepetition Agents may

reasonably request to evidence, confirm, validate or perfect the DIP Liens or the Adequate Protection Liens.

30. Preservation of Rights Granted Under this Final Order. Except with respect to (a) the Carve Out, (b) any replacement financing that indefeasibly repays in full in cash the DIP Obligations and the Diminution Claims prior to or simultaneously with the allowance of any claims or expenses in connection with such financing, or (c) as expressly provided herein or in the DIP Agreements, no claim or lien having a priority senior to or *pari passu* with those granted by this Final Order shall be granted or allowed while any portion of the DIP Obligations or the Diminution Claims, as the case may be, remain outstanding, and the DIP Liens and the Adequate Protection Liens shall not be subject to or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code or subordinate to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise, in each case, whether in these Cases or any Successor Case (as defined herein), without the express written consent of the DIP Agents given in accordance with the DIP Documents (which consent may be withheld in each DIP Agent's sole discretion).

31. Certain Limits on Rights of Debtors. Unless all DIP Obligations and Diminution Claims shall have been indefeasibly paid in full in cash, the Debtors shall not seek, and it shall constitute an Event of Default under the DIP Agreements and a Cash Collateral Termination Event hereunder if any of the Debtors seek, or if there is entered: (a) any stay, vacatur, rescission, or modification of this Final Order without the prior written consent of the DIP Agents and the Prepetition Secured Parties that is not reversed or vacated within five (5) days, and no such consent shall be implied by any other action, inaction or acquiescence by the DIP

Agents or the Prepetition Secured Parties; or (b) an order converting the Cases to cases under chapter 7 of the Bankruptcy Code or dismissing any of the Cases that are not reversed or vacated within five (5) days. If the Debtors seek an order dismissing any of the Cases under section 1112 of the Bankruptcy Code, the proposed order submitted to the Court by the Debtors shall be in a form and substance reasonably acceptable to the DIP Agents. Notwithstanding the dismissal of any of the Cases under section 1112 of the Bankruptcy Code or otherwise (x) the DIP Superpriority Claims and other administrative claims granted under this Final Order, the DIP Liens and the Adequate Protection Liens shall continue in full force and effect and shall maintain their priorities as provided in this Final Order until all DIP Obligations and all Diminution Claims shall have been paid and satisfied in full (and such DIP Superpriority Claims, the other administrative claims granted under this Final Order, the DIP Liens and the Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest) and (y) to the fullest extent permitted by law or ordered by this Court, this Court shall retain exclusive jurisdiction notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in clause (x) above.

32. Effect of Reversal, Etc. Upon any reversal or modification on appeal of this Final Order, section 364(e) of the Bankruptcy Code applies to any DIP Obligations, the Adequate Protection Provisions, the DIP Liens, the Adequate Protection Liens, and the ABL DIP Agent, the ABL DIP Lenders, the Term Loan DIP Agent, Term Loan DIP Lenders, and the Prepetition Secured Parties and are entitled to all of the benefits and protections afforded by section 364(e).

33. Survival of Rights. Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Provisions, and all other rights and remedies of the ABL DIP Agent, the ABL DIP Lenders, the Term Loan

DIP Agent, Term Loan DIP Lenders, or the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents and any actions taken pursuant hereto or thereto shall survive, and shall not be modified, impaired, or discharged by: (a) the entry of an order converting any of the Cases to a case under chapter 7 of the Bankruptcy Code, dismissing any of the Cases, or by any other act or omission; (b) the entry of an order confirming a plan of reorganization in any of the Cases; or (c) consummation of any chapter 11 plan(s). The terms and provisions of this Final Order and the DIP Documents shall continue in the Cases, in any successor cases if the Cases cease to be jointly administered, or in any superseding chapter 7 cases under the Bankruptcy Code (each, a "**Successor Case**"), and the DIP Liens, the Adequate Protection Liens, the DIP Obligations, the DIP Superpriority Claims, and all other administrative claims granted pursuant to this Final Order and all other rights and remedies of the ABL DIP Agent, the ABL DIP Lenders, the Term Loan DIP Agent, the Term Loan DIP Lenders, and the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents shall continue in full force and effect until all DIP Obligations, all Diminution Claims, and all allowed claims payable in cash arising from the Adequate Protection Provisions are indefeasibly paid in full in cash.

34. Effect of Stipulations on Third Parties. The stipulations and admissions contained in paragraph D of this Final Order shall be binding on the Debtors and all parties in interest, including, without limitation, any Committee, unless, and solely to the extent that an adversary proceeding or other contested matter has been commenced by a party in interest (other than the Debtors) with the requisite standing and authority, against the Prepetition Secured Parties in connection with any matter related to the Prepetition Credit Agreements (a "**Challenge**"), by (i) in the case of such adversary proceeding or other contested matter filed by a party in interest

with required standing other than the Committee, no later than seventy-five (75) days from the date of entry of the Interim Order; or (ii) in the case of an adversary proceeding or other contested matter filed by the Committee, no later than sixty (60) days after the appointment of the Committee (the "**Challenge Deadline**"); provided, however, that if the Cases convert to Chapter 7, or if a Chapter 11 trustee is appointed, in each case prior to the Challenge Deadline, the Challenge Deadline shall be extended for the Chapter 7 or Chapter 11 trustee by the longer of 30 days or the time remaining in the Challenge Period. If the Cases convert to Chapter 7, the Chapter 7 trustee will have standing to commence a Challenge, notwithstanding any other provision in this Order to the contrary. The Challenge Deadline may be extended in writing from time to time in the sole discretion of the Prepetition ABL Agent (with respect to the Prepetition ABL Credit Agreement), the Prepetition Term Loan Agent (with respect to the Prepetition Term Loan Credit Agreement), or by this Court for good cause shown pursuant to an application filed by a party in interest prior to the expiration of the Challenge Deadline. Notwithstanding anything to the contrary in the Interim Order or this Final Order, if, prior to the Challenge Deadline, the Committee files a motion seeking standing to file a Challenge with a draft complaint identifying and describing all such Challenge(s), the Challenge Deadline will be tolled solely with respect to the Challenges asserted in such draft complaint and solely with respect to the Committee until the earlier of (i) two (2) business days subsequent to the date of entry of an order granting the Committee standing to file any such Challenge(s) described in the complaint, and (ii) entry of an order denying such motion; provided, however, that such extension shall only apply to those Challenges asserted in the draft complaint that this Court has specifically found that the Committee has standing to assert; provided, further that the Challenge Deadline shall not be tolled for more than thirty (30) days from the filing of the Committee's

motion seeking standing to file a Challenge, but allowing for additional time as necessary to accommodate the Court's schedule. If no such adversary proceeding or contested matter is timely and properly filed by the Challenge Deadline or the Court does not rule in favor of the plaintiff in any such proceeding, then the: (w) stipulations, admissions and releases contained in paragraph D of this Final Order shall become binding on all parties in interest, including, for the avoidance of doubt, any Committee appointed in the Cases; (x) Prepetition Credit Agreement Indebtedness shall constitute allowed claims, not subject to counterclaim, setoff, subordination, recharacterization, defense or avoidance, for all purposes in the Cases and any subsequent chapter 7 case; (y) Prepetition Credit Agreement Liens on the Prepetition Collateral shall be deemed to have been, as of the Petition Date, and to be, legal, valid, binding, perfected and of the priority specified in paragraph D, not subject to defense, counterclaim, recharacterization, subordination or avoidance; and (z) Prepetition Credit Agreement Indebtedness and the Prepetition Credit Agreement Liens shall not be subject to any other or further challenge by the Debtors, any Committee, or any other party in interest, each of whom shall be enjoined from seeking to exercise the rights of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any estate representative or a chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors with respect thereto). If any such adversary proceeding or contested matter is timely and properly filed, the stipulations, admissions and releases contained in paragraph D of this Final Order shall nonetheless remain binding and preclusive on the Debtors, any Committee, and any other person or entity, except as to any such stipulations and admissions that were expressly and successfully challenged in such timely and properly filed adversary proceeding or contested matter. Nothing in this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including the Committee, standing

or authority to pursue any cause of action belonging to the Debtors or their estates, including, without limitation, claims and defenses with respect to the Prepetition Credit Agreement Indebtedness or the Prepetition Credit Agreement Liens.

35. Limitation on Use of DIP Facility Proceeds, DIP Collateral, and Cash Collateral. Notwithstanding anything herein or in any other order by this Court to the contrary, without the prior written consent of the DIP Agents or the Prepetition Agents, none of the DIP Obligations, the Cash Collateral, DIP Collateral, or the Carve Out may be used for the following purposes: (a) to object to or contest the validity or enforceability of the Interim Order or this Final Order or any obligations outstanding under the DIP Documents or the Prepetition Credit Agreement; provided, however, that the Committee may expend up to $100,000 (the "**Investigation Budget**") for the fees and expenses incurred in connection with the investigation of, but not litigation, objection or any challenge to, the stipulations and admissions contained in paragraph D; (b) to assert or prosecute any claim or cause of action against the DIP Agents, any DIP Lender, or any Prepetition Secured Party; (c) to seek to modify any of the rights granted under the Interim Order or this Final Order to the DIP Agents, any DIP Lender or any Prepetition Secured Party; (d) to make any payment in settlement or satisfaction of any prepetition or administrative claim, unless in compliance with the covenants related to the Approved Budget (as set forth herein or in the DIP Agreements) and, with respect to the payment of any prepetition claim or non-ordinary course administrative claim, separately approved by this Court; (e) to object to, contest, delay, prevent or interfere in any way with the exercise of rights and remedies by the ABL DIP Agent, the ABL DIP Lenders, Term Loan DIP Agent, or Term Loan DIP Lenders under the DIP Documents or with respect to the DIP Collateral once an Event of Default has occurred and any applicable notice period has expired (except that, prior to the expiration of

such notice period, the rights of the Debtors and other parties in interest with respect to any such exercise of remedies are preserved); or (f) except as expressly provided or permitted under the DIP Agreements and the Budget, to make any payment or distribution to any non-Debtor affiliate, equity holder, or insider of any Debtor outside of the ordinary course of business.

36. Events of Default. Except as otherwise provided in this Final Order, unless waived by the DIP Agents in writing and in accordance with the terms of the DIP Agreements, each of the following shall constitute an event of default (each, an "**Event of Default**"): (a) failure of the Debtors to perform or comply with any of the terms, provision, conditions, covenants, or obligations under this Final Order in any material respect; or (b) the occurrence of an Event of Default as defined in either of the DIP Agreements.

37. Termination of Cash Collateral Use. In the absence of a further order of this Court, and notwithstanding anything herein or in the DIP Documents to the contrary except the Carve Out, and after delivery (including delivery by electronic mail or facsimile) of notice of the occurrence of a Cash Collateral Termination Event by one or more of the DIP Agents, as applicable, to the Debtors, the Committee, the Prepetition Secured Parties and the U.S. Trustee, the Debtors shall no longer be authorized pursuant to this Final Order to use Cash Collateral other than with respect to the Carve Out and such Cash Collateral use shall automatically terminate the date upon which any of the following events occurs (such date being referred to herein as the "**Cash Collateral Termination Date**," and each of the following events, a "**Cash Collateral Termination Event**"); provided that, notwithstanding anything to the contrary herein or in the DIP Documents, during the five (5) business day period following the Cash Collateral Termination Event, the Debtors may, use Cash Collateral to pay regular payroll and other expenses critical to keep the business of the Debtors operating solely in accordance with the

Approved Budget (subject to permitted variances) in the aggregate amount not to exceed $12 million; provided, however, Cash Collateral shall not include any amounts in the DIP Term Funding Account that are not yet drawn or permitted to be drawn in accordance with the Term Loan DIP Agreement:

(a) the appointment of a trustee or the appointment of an examiner with enlarged powers in any of the Cases unless such appointment is approved by the Prepetition Agents;

(b) the delivery of a Carve Out Trigger Notice;

(c) the occurrence of an Event of Default as defined in either of the DIP Agreements;

(d) the entry of an order by this Court or any other Court having jurisdiction over these Cases granting other superpriority liens with priority over or *pari passu* with the DIP Liens;

(e) the filing by the Debtors of a motion to approve postpetition financing without the prior written consent of the DIP Agents acting at the direction of the relevant required DIP Lenders, which consent shall not be unreasonably withheld if the postpetition financing provides for full payment in cash of the DIP Obligations;

(f) the filing by the Debtors of a motion to approve any material sale of assets of the Debtors under section 363 of the Bankruptcy Code, whether pursuant to a chapter 11 plan or otherwise, in each case without the prior written consent of the DIP Agents acting at the direction of the relevant requisite DIP Lenders;

(g) the entry of an order granting relief from the automatic stay to the holder or holders of security interests to permit foreclosures (or granting similar relief) on any property

of the Debtors having a value in excess of $1 million without the prior written consent of the DIP Agents, except as permitted by the DIP Agreements;

(h) the filing of a motion by any Debtor (or any party in interest) that is not dismissed or denied within thirty (30) days after the date of filing such motion seeking, or the entry of any order permitting, recovery from any portion of the Prepetition Collateral (or from any Prepetition Secured Party directly) any costs or expenses of preserving or disposing of the Prepetition Collateral under section 506(c) or section 552(b) of the Bankruptcy Code (or otherwise);

(i) the termination of the commitments under the DIP Documents or acceleration of the DIP Obligations; or

(j) any of the liens securing the Prepetition Credit Agreement Indebtedness or the Adequate Protection Liens granted to the Prepetition Secured Parties shall cease to be valid, binding, and perfected liens with the priority and to the extent provided in this Final Order.

38. Rights of Prepetition Agents. Notwithstanding the occurrence of the Cash Collateral Termination Date, all of the rights, remedies, benefits and protections provided to the Prepetition Agents under this Final Order as of such Cash Collateral Termination Date shall survive the Cash Collateral Termination Date.

39. Access to the Debtors. In accordance with the terms of the DIP Documents and the Prepetition Credit Agreements, the DIP Agents and the Prepetition Agents, respectively, and their respective professionals shall be afforded continued reporting as to DIP Collateral amounts and reasonable access to the DIP Collateral and the Debtors' business premises, during normal business hours and upon reasonable advance notice, for purposes of verifying the Debtors' compliance with the terms of this Final Order.

40. Modifications of DIP Documents. The Debtors, the DIP Agents, and the DIP Lenders are hereby authorized to implement, in accordance with the terms of the respective DIP Documents, any non-material modifications of the respective DIP Documents without further order of this Court; provided, however, that notice of any material modification or amendment to the respective DIP Documents shall be filed with the Court and provide parties a five (5) business day notice period in which to object, provided, that after such time the modification may be approved by the Court.

41. Binding Effect; Successors and Assigns. The DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in these Cases, including, without limitation, the DIP Agents, the DIP Lenders, the Prepetition Secured Parties, any Committee appointed in these Cases, and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors; provided, however, for the avoidance of doubt, that the Debtors' acknowledgements, stipulations, and releases set forth in paragraph D are subject to paragraph 34 hereof and shall inure to the benefit of the ABL DIP Agent, the ABL DIP Lenders, the Term Loan DIP Agent, Term Loan DIP Lenders, the Prepetition Secured Parties, and the Debtors and their respective successors and assigns, as applicable; provided, however, that the DIP Agents and the DIP Lenders shall have no obligation to extend any financing to any chapter 7 trustee or similar responsible person appointed for the estates of the Debtors. In determining to make any loan under the DIP Agreements or in exercising any rights or remedies as and when permitted pursuant to this Final Order or the DIP Documents, the DIP Agents and the DIP Lenders shall not be deemed to be in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the

Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 *et seq.*, as amended, or any similar federal or state statute).

42. Master Proof of Claim. Notwithstanding any order entered by this Court in relation to the establishment of a bar date in any of the Cases or any Successor Case to the contrary, none of the Prepetition Secured Parties will be required to file (a) proofs of claim for claims arising under the Prepetition Credit Documents; or (b) requests for payment of administrative expenses in any of the Cases or any Successor Case with respect to any Adequate Protection Obligations or Adequate Protection Payments, and the Debtors' stipulations, admissions, and acknowledgements and the provisions of this Final Order shall, subject to paragraph 34, be deemed to constitute a timely filed proof of claim for the Prepetition Secured Parties with regard to all claims arising under the Prepetition Credit Documents. Notwithstanding the foregoing, each of the Prepetition Agents, for the benefit of itself and its respective Prepetition Secured Parties, are authorized and entitled, in their sole discretion, but are not required, to file (and amend and/or supplement, as each sees fit), for any claim or administrative expense claim described herein: (x) a master proof of claim; (y) proofs of claim; and/or (z) requests for payment of administrative expenses, in each of the Cases or any Successor Case. The failure to file any such proof of claim or request for payment of an administrative expense shall not affect the validity or enforceability of any of the Prepetition Credit Agreement Indebtedness or this Final Order. The DIP Agents and the DIP Lenders shall similarly not be required to file proofs of claim to maintain their respective claims for payment of the DIP Obligations, and the evidence presented with the DIP Motion and the record established at the

Interim Hearing and at the Final Hearing are deemed sufficient to, and do, constitute proofs of claim with respect to such obligations and secured status.

43. Forbearance of the Prepetition Secured Parties. Prior to the occurrence of an Event of Default or a Cash Collateral Termination Event, except as expressly permitted pursuant to the terms of this Final Order or the DIP Loan Documents, the Prepetition Secured Parties shall not (a) exercise any rights or remedies with respect to any Prepetition Liens or Prepetition Collateral, (b) enforce or pursue an event of default or other breach under any Prepetition Credit Document, or (c) assert any demand for payment of any kind whatsoever, in each case with respect to (i) Holdings, Luxco Parent, Coral Triangle Processors, LLC ("**Coral Triangle**") and Anova Technical Services, LLC ("**Anova**" and, together with Coral Triangle, the "**RMI Subs**"), on account of any Prepetition Credit Agreement Indebtedness and (ii) Connors Bros. 44. Effectiveness. This Final Order shall constitute findings of fact and conclusions of law and shall take effect immediately upon execution hereof, and there shall be no stay of execution of effectiveness of this Final Order.

45. Preservation of Intercompany Claims. Notwithstanding anything to the contrary in this Final Order or the DIP Documents, or as a result of the incurrence of the DIP Obligations, the Debtors' compliance with any of the Adequate Protection Provisions, or any repayment or satisfaction of the DIP Obligations or any Prepetition Credit Agreement Indebtedness, the rights, defenses, claims, causes of action, and other legal entitlements of each Credit Party (as defined in the Term Loan DIP Agreement) and Loan Party (as defined in the ABL DIP Agreement) (collectively, the "**DIP Credit Parties**") and each Prepetition Credit Party (collectively, the "**Credit Parties**"), including any entitlement to set-off, subrogation or contribution, against any other Credit Party arising under or related to the DIP Facilities or the Prepetition Secured Debt are expressly preserved; provided that any such legal entitlements with respect to the Debtors shall be subject to paragraph 47 and the Carve-Out and junior to the DIP Liens, Prepetition Liens, DIP Superpriority Claims, and Adequate Protection 507(b) Claims and, in each case, subject to the satisfaction in full of the DIP Obligations and the Prepetition Credit Agreement Indebtedness; provided, further that any such legal entitlements of the CCAA Debtors (as defined in the Term Loan DIP Agreement) arising under the ABL DIP Facility with respect to the Debtors shall, pursuant to section 364(c)(1) of the Bankruptcy Code, constitute allowed claims against the Debtors (without the need to file any proofs of claim) including priority over any and all administrative expenses, diminution claims, and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 503(b),

506(c), 507(a), 507(b), 546(c), 726, 1113 or 1114 or any other provision of the Bankruptcy Code, which shall be subject to paragraph 47 and the Carve-Out and junior to the DIP Liens, Prepetition Liens, DIP Superpriority Claims, and Adequate Protection 507(b) Claims and, in each case, subject to the satisfaction in full of the DIP Obligations and the Prepetition Credit Agreement Indebtedness.

46. CCAA Initial Order. Notwithstanding anything in this Final Order, the DIP Facilities, the DIP Documents or elsewhere, no Debtor shall provide an intercompany advance to any Canadian affiliate that is not an Debtor until such time as the Ontario Superior Court of Justice (Commercial List) has issued the CCAA Initial Order (as defined in the Term Loan DIP Documents), approving, among other things, the DIP Facilities and containing a paragraph in substance substantially similar to paragraph 45 herein.

47. Closing Escrow Accounts. Notwithstanding anything to the contrary herein or in the DIP Documents and provided that no Event of Default has occurred and is continuing under any DIP Document, immediately prior to any Qualified Sale Closing (and not, for the avoidance of doubt, upon the occurrence of the Maturity Date (as defined in the ABL DIP Agreement or the Term Loan DIP Agreement, as applicable) due to any other event), the Debtors shall be entitled to submit (1) a borrowing request and notice of borrowing for ABL DIP Loans under the ABL DIP Credit Agreement and/or (2) a withdrawal request for proceeds of the DIP Term Funding Account, subject to the limitations contained in the DIP Documents, and utilize and direct the transfer of proceeds of such borrowing request and notice of borrowing and/or withdrawal request into one or more escrow accounts established by the Debtors (the "**Closing Escrow Accounts**"), in an amount equal to the lesser of (such lesser amount, the "**Permitted Funding Amount**") (x)(I) on or prior to January 31, 2020, $250,000,000 and (II) on or after February 1,

2020, $255,000,000, in each case, *less* the principal amount of (1) Advances (under and as defined in the ABL DIP Agreement and the Prepetition ABL Credit Agreement), (2) Letter of Credit Disbursements (under and as defined in the ABL DIP Agreement) not yet reimbursed, including outstanding Advances (under and as defined in the ABL DIP Agreement) made with respect to such Letter of Credit Disbursements, and (3) undrawn Letters of Credit (under and as defined in the ABL DIP Agreement) to the extent such Letters of Credit were not outstanding (or are not replacements of Letters of Credit that are outstanding on the Closing Date (as defined in the DIP Documents), in an aggregate undrawn face amount no greater than that of the Letters of Credit being replaced) on the Closing Date (as defined in the DIP Documents), in each case, on the date of the withdrawal immediately prior to giving effect to the incurrence of the Permitted Funding Amount *less* the outstanding principal amount of loans outstanding under the Term Loan DIP Agreement on the date of withdrawal immediately prior to giving effect to the incurrence of the Permitted Funding Amount and (y) the Closing Escrow Amount (as defined below). The "**Closing Escrow Amount**" shall mean an amount equal to the sum of, without duplication, (a) the amount required to satisfy the obligations of the Debtors under the Stalking Horse APA and/or the Sale Order, in accordance with the terms of the Stalking Horse APA and/or the Sale Order, as applicable, including any amounts earned, due and payable under the line item "Utility Deposit/Other APA Schedule Items" (the "**Transaction Expense Amount**"); provided, that, to the extent that any portion of the Transaction Expense Amount is not itemized in the Approved Budget or is insufficient to satisfy the applicable liability, such portion of the Transaction Expense Amount based on a good faith estimate of the Debtors may nevertheless be withdrawn from the DIP Term Funding Account, and (b) the amount necessary to fund (i) the administration of the Cases in an amount not to exceed the Wind-Down Amount (as defined in

the Term Loan DIP Documents), (ii) all accrued and unpaid professional fees, (iii) the amounts earned, owing, due and payable under line item "KEIP/KERP/MIP/SIP" in the Approved Budget in an amount not to exceed the KEIP/KERP Amount (as defined in the Term Loan DIP Documents), and (iv) any other line item amount provided in the Approved Budget, other than under the line items (1) "Restructuring Professional Fee", (2) "KEIP/KERP/MIP/SIP", (3) "Wind-Down Budget", and (4) "Utility Deposit/Other APA Schedule Items", that is unpaid as of the date of such borrowing request and notice of borrowing and/or withdrawal request, up to the aggregate amount unpaid and budgeted to be drawn upon such Qualified Sale Closing for all such line item amounts in the Approved Budget. The Closing Escrow Accounts and the Closing Escrow Amounts shall not be subject to any pre- or postpetition liens or claims against the Debtors or their assets, including any liens or claims securing the DIP Facilities or the Prepetition Credit Agreement Indebtedness, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, or any and all other forms of adequate protection, liens, or claims against the Debtors or the Debtors' assets arising from the DIP Facilities or the Prepetition Credit Agreement Indebtedness; provided that the Prepetition Term Loan Credit Parties shall retain any Adequate Protection Liens, Adequate Protection 507(b) Claims, and any liens or claims securing any Prepetition Term Loan Credit Agreement Indebtedness in any residual amounts remaining in the Closing Escrow Accounts after the satisfaction in full of all obligations comprising the Closing Escrow Amounts.

48. Bank Products. Pre-Petition U.S. Bank Products (other than Hedge Agreements) under the Prepetition ABL Documents shall be deemed to constitute U.S. Bank Products under the ABL DIP Documents with the same effect as if such Pre-Petition U.S. Bank Products were provided by a Bank Product Provider at the request of the U.S. Borrower on the date of entry of this Final Order. All Pre-Petition Canadian Bank Products (other than Hedge Agreements) under the Prepetition ABL Documents shall constitute Canadian Bank Products under the ABL DIP Documents with the same effect as if such Pre-Petition Canadian Bank Products were provided by a Bank Product Provider at the request of the Canadian Borrower on the date of entry of this Final Order.

49. Employee Credit Card Program. (a) The Debtors are authorized to continue to use the commercial card program under the WellsOne Commercial Card Agreement, dated on or around April 14, 2014 (as amended, restated, supplemented or otherwise modified from time to time, the "Card Agreement"), between Bumble Bee Foods, LLC and Wells Fargo subject to the terms and conditions thereof. Wells Fargo is authorized to make advances from time to time to Bumble Bee Foods, LLC with a maximum exposure at any time up to $25,000. All prepetition charges and fees are authorized and required to be paid. The indebtedness owed by Bumble Bee Foods, LLC to Wells Fargo in respect of the Card Agreement was secured by certain collateral (the "**Card Program Collateral**") pursuant to the terms of that certain Credit and Security Agreement, dated as of September 1, 2011, between Bumble Bee Foods, LLC and Wells Fargo, as such agreement may have been amended, restated, supplemented or otherwise modified from time to time. Wells Fargo has and shall continue to have a valid and perfected, non-avoidable first-priority lien in such Card Program Collateral and any proceeds thereof. Such lien shall not be primed by any lien granted to any post-petition lender or other person. To satisfy the

requirement that Wells Fargo continue to have a valid and perfected, non-avoidable first-priority lien in such Card Program Collateral and any proceeds thereof, Debtor grants Wells Fargo a priming lien and security interest pursuant to Bankruptcy Code section 364(d)(1) with respect to such Card Program Collateral.

WHEREAS, on November 21, 2019 (the "Petition Date"), U.S. Borrower and the U.S. Subsidiary Guarantors (in such capacities, the "Debtors") each filed a voluntary petition for relief (collectively, the "Cases") under Chapter 11 of the Bankruptcy Code within the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). WHEREAS, on November 22, 2019 (the "CCAA Filing Date"), the Canadian Loan Parties (in such capacity, each a "CCAA Debtor" and collectively the "CCAA Debtors") filed an application with the Ontario Superior Court of Justice (Commercial List) (the "CCAA Court") pursuant to the CCAA (collectively, the "CCAA Cases" and each a "CCAA Case") seeking the CCAA Initial Order and have continued in the possession of their assets and in the management of their businesses pursuant to the CCAA Initial Order;

Cases and the CCAA Cases, including a "roll-up" of all the existing outstanding obligations under the Pre-Petition Credit Agreement, which shall be secured by a first priority lien on all ABL Priority Collateral, and a second priority lien on all Term Loan Priority Collateral. Concurrently therewith, the Debtors and the CCAA Debtors will also obtain a new $80,000,000 senior secured debtor-in-possession term loan facility secured by a first priority lien on the Term Loan Priority Collateral and a second priority lien on the ABL Priority Collateral pursuant to the DIP Term Loan Credit Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the parties hereto agree as follows:

1. DEFINITIONS AND CONSTRUCTION

1.1 **Definitions**. Capitalized terms used in this Agreement shall have the meanings specified therefor on Schedule 1.1.

1.2 **Accounting Terms**.

(a) All accounting terms not specifically defined herein shall be construed in accordance with, and all financial data (including financial ratios and other financial calculations required to be submitted pursuant to this Agreement) shall be prepared in conformity with, GAAP applied in a manner consistent with that used in preparing the Historical Financial Statements, except as otherwise specifically prescribed herein; provided, however, that if Holdings notifies the Agent that it requests an amendment to any provision (including any definitions) hereof to eliminate the effect of any Accounting Change occurring after the Closing Date or in the application thereof on the operation of such provision (or if Agent notifies Holdings that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such Accounting Change or in the application thereof, then Agent, Holdings and Borrowers agree that they will negotiate in good faith amendments to the provisions of this Agreement that are directly affected by such Accounting Change with the intent of having the respective positions of the Lenders, Holdings and Borrowers after such Accounting Change conform as nearly as possible to their respective positions as of the Closing Date and, until any such amendments have been agreed upon, the provisions in this Agreement shall be calculated as if no such Accounting Change had occurred. When used herein, the term "financial statements" shall include the notes and schedules thereto. Whenever the term "Holdings" is used in respect of a financial covenant or a related definition, it shall be understood to mean Holdings and its Subsidiaries (on a consolidated basis) unless the context clearly requires otherwise.

(b) [Intentionally Omitted].

(c) Notwithstanding anything to the contrary contained herein, in the event of any Accounting Change requiring all leases to be capitalized, any lease that would be characterized as an operating lease in accordance with GAAP on the Closing Date (as defined in the Pre-Petition Credit Agreement) (whether or not such operating lease was in effect on such date) shall continue to be accounted for as an operating lease (and not as a capital lease) for purposes of this Agreement, regardless of any change in GAAP following the Closing Date (as defined in the Pre-Petition Credit Agreement) (and without giving effect to any treatment of leases under Accounting Standards Codification 842 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect)) that would otherwise require such lease to be re-characterized (on a prospective or retroactive basis or otherwise) as a capitalized lease, and all calculations and deliverables under this Agreement or any other Loan Document shall be made in accordance therewith.

1.3 **Code**. Any terms used in this Agreement and the other Loan Documents that are defined in the Code shall be construed and defined as set forth in the Code unless otherwise defined herein; provided, however, that to the extent that the Code is used to define any term herein and such term is defined differently in different Articles of the Code, the definition of such term contained in Article 9 of the Code shall govern. Notwithstanding the foregoing, and where the context so requires, (i) any term defined in this Agreement by reference to the "Code", the "UCC" or the "Uniform Commercial Code" shall also have any extended, alternative or analogous meaning given to such term in applicable Canadian personal property security and other laws (including, without limitation, the Personal Property Security Act of each applicable province of Canada, the *Civil Code of Quebec*, the *Bills of Exchange Act* (Canada) and the *Depository Bills and Notes Act* (Canada)), in all cases for the extension, preservation or betterment of the security and rights of the Agent, (ii) all references in this Agreement to "Article 8" shall be deemed to refer also to applicable Canadian securities transfer laws (including, without limitation, the *Securities Transfer Act, 2006* (Ontario) and an *Act Respecting the Transfer of Securities and the Establishment of Security Entitlements* (Quebec)), (iii) all references in this Agreement to a financing statement, continuation statement, amendment or termination statement shall be deemed to refer also to the analogous documents used under applicable Canadian personal property security laws, (iv) all references to the United States of America, or to any subdivision, department, agency or instrumentality thereof shall be deemed to refer also to Canada, or to any subdivision, department, agency or instrumentality thereof, and (v) all references to federal or state securities law of the United States shall be deemed to refer also to analogous federal and provincial securities laws in Canada.

1.4 **Construction**. Unless the context of this Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or". The words "hereof", "herein", "hereby", "hereunder", and similar terms in this Agreement or any other Loan Document refer to this Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, restatements, amendment and restatements, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, restatements, amendment and restatements, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). The words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts, and contract rights. Any reference herein or in any other Loan Document to the satisfaction, repayment, or payment in full of any Obligation shall mean the repayment in full in cash or immediately available funds (or, (a) in the case of contingent reimbursement obligations with respect to Letters of Credit, providing Letter of Credit Collateralization, and (b) in the case of obligations with respect to Bank Products (other than Hedge Obligations), only to the extent required in the underlying Bank Product Agreement, providing Bank Product Collateralization) of all of the Obligations (including the payment of any termination amount then owing (or which becomes payable as a result of the repayment of the other Obligations) under Hedge Agreements provided by Hedge Providers) other than (i) unasserted contingent indemnification Obligations, (ii) any Bank Product Obligations (other than Hedge Obligations) that, by the terms of the applicable Bank Product Agreement are not required to be repaid or cash collateralized as a result of the repayment of other Obligations, and (iii) any Hedge Obligations that, by the terms of the applicable Bank Product Agreement are not required to be repaid as a result of the repayment of other Obligations. References to any Applicable Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Applicable Law. Any reference herein to any Person shall be construed to include such Person's successors and permitted assigns. Any requirement of a

writing contained herein or in any other Loan Document shall be satisfied by the transmission of a Record. The words "month" and "monthly" refer to calendar months unless expressly stated to refer to fiscal months.

1.5 **Schedules and Exhibits**. All of the schedules and exhibits attached to this Agreement shall be deemed incorporated herein by reference. All schedules attached hereto or to any other Loan Document shall be deemed to incorporate by reference all information disclosed in the Orders, in each case as of the Petition Date and the CCAA Filing Date, in the form delivered to the Agent prior to the date hereof, which Orders shall not have been modified or amended without the consent of the Agent in its sole discretion.

1.6 **[Intentionally Omitted]**.

1.7 **Rounding**. Any financial ratios required to be maintained or complied with by Holdings pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

1.8 **Classification of Loans and Borrowings**. For purposes of this Agreement, Advances may be classified and referred to by Class (e.g., a "U.S. Advance") or by type (e.g., a "LIBOR Rate Loan"). Borrowings also may be classified and referred to by Class (e.g., a "U.S. Advance Borrowing") or by type (e.g., a "LIBOR Rate Borrowing").

2. LOAN AND TERMS OF PAYMENT

2.1 **U.S. Revolver Advances**.

(a) Subject to the terms and conditions of this Agreement, and during the term of this Agreement, each Lender with a U.S. Revolver Commitment agrees (severally, not jointly or jointly and severally) to make revolving loans ("U.S. Advances") to U.S. Borrower in U.S. Dollars in an amount at any one time outstanding not to exceed *the lesser of*:

(i) such Lender's U.S. Revolver Commitment, or

(ii) such Lender's Pro Rata Share of an amount equal to *the lesser of*:

(1) the Maximum U.S. Revolver Amount *less* the sum of (1) the U.S. Letter of Credit Usage at such time, plus (2) the principal amount of U.S. Swing Loans outstanding at such time, and

(2) the U.S. Borrowing Base at such time *less* the sum of (1) the U.S. Letter of Credit Usage at such time, *plus* (2) the principal amount of U.S. Swing Loans outstanding at such time.

(b) Amounts borrowed pursuant to this Section 2.1 may be repaid and, subject to the terms and conditions of this Agreement, reborrowed at any time during the term of this Agreement. The outstanding principal amount of the U.S. Advances, together with interest accrued thereon, shall be due and payable on the Maturity Date or, if earlier, on the date on which they are declared due and payable pursuant to the terms of this Agreement.

(c) Anything to the contrary in this Section 2.1 notwithstanding, in addition to (but with respect to the U.S. Borrowing Base, without duplication of) other reserves provided for in the definition of U.S. Borrowing Base, Agent shall have the right (but not the obligation) to establish, increase, reduce, eliminate, or otherwise adjust reserves from time to time against the U.S. Borrowing Base (and in the case of the U.S. Bank Product Reserve Amount and the Carve Out Reserve, at the election of Agent in its Permitted Discretion, also against the Maximum U.S. Revolver Amount) in such amounts, and with respect to such matters, as Agent in its Permitted Discretion shall deem necessary or appropriate but with respect to the U.S. Borrowing Base without duplication of any reserve otherwise provided for herein, including reserves with respect to (i) sums due and owing and that any U.S. Loan Party is required to pay under any Section of this Agreement or any other Loan Document (such as taxes, assessments, insurance premiums, or, in the case of leased assets, rents or other amounts payable under such leases) and has failed to pay when due, (ii) amounts owing or alleged to be owing by a U.S. Loan Party to any Person to the extent secured by (or alleged to be secured by) a Lien on, or trust over, any of the ABL Priority Collateral (other than a Permitted Lien which is a permitted purchase money Lien or the interest of a lessor under a Capital Lease), which Lien or trust, in the Permitted Discretion of Agent likely would have a priority superior to Agent's Liens (such as Liens or trusts in favor of landlords, warehousemen, carriers, mechanics, materialmen, laborers, or suppliers, or Liens or trusts for *ad valorem*, excise, sales, or other taxes where

(e) Notwithstanding anything herein to the contrary, Reserves shall not duplicate eligibility criteria contained in the definition of "Eligible Account", "Eligible Landed Inventory", "Eligible In-Transit Inventory" and vice versa.

(f) Notwithstanding anything to the contrary contained in this Section 2.1 or Section 2.2, the Loan Parties hereby, acknowledge, confirm and agree that (i) immediately prior to the Closing Date, the Pre-Petition Obligations under the Pre-Petition Credit Agreement were not less than $192,420,215.00, (ii) such Pre-Petition Obligations shall be re-evidenced by this Agreement as a portion of the Advances outstanding hereunder, (iii) for all purposes of this Agreement and the other Loan Documents, the sum of the Pre-Petition Obligations and any other Advances made on the Closing Date shall constitute all of the Advances outstanding on the Closing Date, and (iv) the "Revolver Commitments" (as defined under the Pre-Petition Credit Agreement) shall hereinafter be deemed to be assigned or re-allocated among the Revolver Commitments hereunder and after giving effect hereto, the Revolver Commitments as of the Closing Date shall be as set forth on Schedule C-1.

2.2 **Canadian Revolver Advances**.

(a) Subject to the terms and conditions of this Agreement, and during the term of this Agreement, each Lender with a Canadian Revolver Commitment agrees (severally, not jointly or jointly and severally) to make revolving loans ("Canadian Advances") to Canadian Borrower in U.S. Dollars in an amount at any one time outstanding not to exceed *the lesser of*:

(i) such Lender's Canadian Revolver Commitment, or

(ii) such Lender's Pro Rata Share of an amount equal to *the lesser of*:

(1) the Maximum Canadian Revolver Amount *less* the sum of (1) the Canadian Letter of Credit Usage at such time, plus (2) the principal amount of Canadian Swing Loans outstanding at such time, and

(2) the U.S. Dollar Equivalent of the Canadian Borrowing Base at such time *less* the sum of (1) the Canadian Letter of Credit Usage at such time, *plus* (2) the principal amount of Canadian Swing Loans outstanding at such time.

(b) Amounts borrowed pursuant to this Section 2.2 may be repaid and, subject to the terms and conditions of this Agreement, reborrowed at any time during the term of this Agreement. The

outstanding principal amount of the Canadian Advances, together with interest accrued thereon, shall be due and payable on the Maturity Date or, if earlier, on the date on which they are declared due and payable pursuant to the terms of this Agreement.

(c) Anything to the contrary in this Section 2.2 notwithstanding, in addition to (but with respect to the Canadian Borrowing Base, without duplication of) other reserves provided for in the definition of Canadian Borrowing Base, Agent shall have the right (but not the obligation) to establish, increase, reduce, eliminate, or otherwise adjust reserves from time to time against the Canadian Borrowing Base (and in the case of the Canadian Bank Product Reserve Amount, at the election of Agent in its Permitted Discretion, also against the Maximum Canadian Revolver Amount) in such amounts, and with respect to such matters, as Agent in its Permitted Discretion shall deem necessary or appropriate but with respect to the Canadian Borrowing Base without duplication of any reserve otherwise provided for herein, including reserves with respect to (i) sums that any Canadian Loan Party is required to pay under any Section of this Agreement or any other Loan Document (such as taxes, assessments, employee wages (including accrued vacation pay and severance obligations), unpaid pension plan contributions, insurance premiums, or, in the case of leased assets, rents or other amounts payable under such leases) and has failed to pay when due, (ii) amounts owing or alleged to be owing by a Canadian Loan Party to any Person to the extent secured by (or alleged to be secured by) a Lien on, or trust over, any of the ABL Priority Collateral (other than a Permitted Lien which is a permitted purchase money Lien or the interest of a lessor under a Capital Lease), which Lien or trust, in the Permitted Discretion of Agent likely would have a priority superior to Agent's Liens (such as Liens or trusts in favor of landlords, warehousemen, carriers, mechanics, materialmen, laborers, or suppliers, or Liens or trusts for *ad valorem*, excise, sales, or other taxes where given priority under Applicable Law) in and to such item of the ABL Priority Collateral, or which may give rise to a right of offset, set-off or recoupment in favor of any Account Debtor of such Canadian Loan Party, (iii) reserves (determined from time to time by Agent in its Permitted Discretion) for (A) the estimated costs relating to unpaid freight charges, warehousing or storage charges, taxes, duties, and other similar unpaid costs associated with the acquisition of Eligible In-Transit Inventory by any Canadian Loan Party, plus (B) the estimated claims of unpaid suppliers of Inventory sold to any Canadian Loan Party (including, without limitation, claims arising under the *Bankruptcy and Insolvency Act* (Canada)), and (iv) any amounts from time to time that may be payable (but remain unpaid at such time) pursuant to the Orders.

(d) Any advance rate, standard of eligibility or reserve established or modified by Agent shall have a reasonable relationship to circumstances, conditions, events or contingencies which are the basis for such advance rates, standards of eligibility or reserve, as reasonably determined by Agent in good faith in accordance with customary business practices for asset-based lending transactions and in its Permitted Discretion.

(e) Notwithstanding anything herein to the contrary, Reserves shall not duplicate eligibility criteria contained in the definition of "Eligible Account", "Eligible Landed Inventory", "Eligible In-Transit Inventory" and vice versa.

2.3 **Borrowing Procedures and Settlements**.

(a) **Procedure for Borrowing.** Each Borrowing shall be made by a written request by an Authorized Person delivered to Agent (which may be delivered though Agent's electronic platform or portal) and received by Agent no later than 10:00 a.m. (California time) (i) on the Business Day that is the requested Funding Date in the case of a request for a Swing Loan, (ii) on the Business Day that is one Business Day prior to the requested Funding Date in the case of a request for a Base Rate Loan, and (iii) on the Business Day that is three Business Days prior to the requested Funding Date in the case of all other requests, specifying (A) the amount of such Borrowing, (B) whether such Borrowing is a U.S. Advance

or a Canadian Advance, and (C) the requested Funding Date, which shall be a Business Day; provided, that Agent may, in its sole discretion, elect to accept as timely requests that are received later than 10:00 a.m. (California time) on the applicable Business Day. All Borrowing requests which are not made on-line via Agent's electronic platform or portal shall be subject to (and unless Agent elects otherwise in the exercise of its sole discretion, such Borrowings shall not be made until the completion of) Agent's authentication process (with results satisfactory to Agent) prior to the funding of any such requested Advance. Each Advance shall be made in U.S. Dollars.

(b) **Making of Swing Loans**. In the case of a request for an Advance and so long as either (i) the aggregate amount of Swing Loans made since the last Settlement Date, minus the amount of Collections or payments applied to Swing Loans since the last Settlement Date, plus the amount of the requested Advance does not exceed $20,000,000 or (ii) (A) in the case of a request for a U.S. Advance, Swing Lender, in its sole discretion, shall agree to make a U.S. Swing Loan notwithstanding the foregoing limitation, Swing Lender shall make a U.S. Advance in the amount of such Borrowing (any such U.S. Advance made solely by Swing Lender pursuant to this Section 2.3(b) being referred to as a "U.S. Swing Loan" and such U.S. Advances being referred to collectively as "U.S. Swing Loans") available to U.S. Borrower on the Funding Date applicable thereto by transferring immediately available funds in U.S. Dollars to U.S. Borrower's Designated U.S. Account, or (B) in the case of a request for a Canadian Advance, Swing Lender, in its sole discretion, shall agree to make a Canadian Swing Loan notwithstanding the foregoing limitation, Swing Lender shall make a Canadian Advance in the amount of such Borrowing (any such Canadian Advance made solely by Swing Lender pursuant to this Section 2.3(b) being referred to as a "Canadian Swing Loan" and such Canadian Advances being referred to collectively as "Canadian Swing Loans"; and together with the U.S. Swing Loans, each a "Swing Loan" and collectively the "Swing Loans") available to Canadian Borrower on the Funding Date applicable thereto by transferring immediately available funds in U.S. Dollars, to Canadian Borrower's Designated Canadian Account. Each U.S. Swing Loan shall be deemed to be a U.S. Advance hereunder and shall be subject to all the terms and conditions applicable to other U.S. Advances, except that all payments on any U.S. Swing Loan shall be payable to Swing Lender solely for its own account. Each Canadian Swing Loan shall be deemed to be a Canadian Advance hereunder and shall be subject to all the terms and conditions applicable to other Canadian Advances, except that all payments on any Canadian Swing Loan shall be payable to Swing Lender solely for its own account. Subject to the provisions of Section 2.3(d)(ii), Swing Lender shall not make or be obligated to make any Swing Loan if Swing Lender has actual knowledge that (i) one or more of the applicable conditions precedent set forth in Section 3 will not be satisfied on the requested Funding Date for the applicable Borrowing, (ii) in the case of a request for a U.S. Advance, the requested U.S. Advance would exceed the U.S. Availability on such Funding Date, or (iii) in the case of a request for a Canadian Advance, the requested Canadian Advance would exceed the Canadian Availability on such Funding Date. No Swing Lender shall otherwise be required to determine whether the applicable conditions precedent set forth in Section 3.2 have been satisfied on the Funding Date applicable thereto prior to making any Swing Loan. The U.S. Swing Loans shall be secured by Agent's Liens, constitute U.S. Advances and Obligations hereunder, and bear interest at the rate applicable from time to time to U.S. Advances that are Base Rate Loans. The Canadian Swing Loans shall be secured by Agent's Liens, constitute Canadian Advances and Obligations hereunder, and bear interest at the rate applicable from time to time, to Canadian Advances that are Base Rate Loans.

(c) **Making of Loans**.

(i) In the event that the Swing Lender is not obligated to make a Swing Loan, then promptly after receipt of a request for a Borrowing pursuant to Section 2.3(a), (A) in the case of a request for a U.S. Advance, Agent shall notify the U.S. Lenders, or (B) in the case of a request for a Canadian Advance, Agent shall notify the Canadian Lenders, in each case not later than 1:00 p.m. (California time) (x) in the case of a Base Rate Loan, at least one Business Day prior to the requested

Funding Date, or (y) in the case of a LIBOR Rate Loan, at least three Business Days prior to the requested Funding Date, in each case by telecopy, telephone, or other form of electronic transmission, of the requested Borrowing. In the case of a request for a U.S. Advance, each U.S. Lender shall make the amount of such U.S. Lender's Pro Rata Share of the requested U.S. Advance available to Agent in immediately available funds in U.S. Dollars, to Agent's Account, not later than 10:00 a.m. (California time) on the Funding Date applicable thereto. In the case of a request for a Canadian Advance, each Canadian Lender shall make the amount of such Canadian Lender's Pro Rata Share of the requested Canadian Advance available to Agent in immediately available funds in U.S. Dollars to Agent's Account, not later than 10:00 a.m. (California time) on the Funding Date applicable thereto. After (X) in the case of the request for a U.S. Advance, Agent's receipt of the proceeds of such U.S. Advances, Agent shall make the proceeds thereof available to U.S. Borrower on the applicable Funding Date by transferring immediately available funds equal to such proceeds received by Agent to the Designated U.S. Account, or (Y) in the case of the request for a Canadian Advance, Agent's receipt of the proceeds of such Canadian Advances, Agent shall make the proceeds thereof in to Canadian Borrower on the applicable Funding Date by transferring immediately available funds equal to such proceeds received by Agent to the Designated Canadian Account; provided, however, that, subject to the provisions of Section 2.3(d)(ii), Agent shall not request any Lender to make, and no Lender shall have the obligation to make, any Advance if (1) one or more of the applicable conditions precedent set forth in Section 3 will not be satisfied on the requested Funding Date for the applicable Borrowing unless such condition has been waived, (2) in the case of a request for a U.S. Advance, the requested U.S. Advance would exceed the U.S. Availability on such Funding Date, or (3) in the case of a request for a Canadian Advance, the requested Canadian Advance would exceed the Canadian Availability on such Funding Date.

(ii) Unless Agent receives notice from a Lender prior to 9:00 a.m. (California time) on the date of a Borrowing, that such Lender will not make available as and when required hereunder to Agent for the account of Borrower the amount of that Lender's Pro Rata Share of the Borrowing, Agent may assume that each Lender has made or will make such amount available to Agent in immediately available funds on the Funding Date and Agent may (but shall not be so required), in reliance upon such assumption, make available to the applicable Borrower on such date a corresponding amount. If any Lender shall not have made its full amount available to Agent in immediately available funds and if Agent in such circumstances has made available to the applicable Borrower such amount, that Lender shall on the Business Day following such Funding Date make such amount available to Agent, together with interest at the Defaulting Lender Rate for each day during such period. A notice submitted by the Agent to any Lender with respect to amounts owing under this subsection shall be conclusive, absent manifest error. If such amount is so made available, such payment to the Agent shall constitute such Lender's Advance on the date of Borrowing for all purposes of this Agreement. If such amount is not made available to Agent on the Business Day following the Funding Date, Agent will notify the applicable Borrower of such failure to fund and, upon demand by Agent, such Borrower shall pay such amount to Agent for Agent's account, together with interest thereon for each day elapsed since the date of such Borrowing, at a rate per annum equal to the interest rate applicable at the time to the Advances composing such Borrowing. The failure of any Lender to make any Advance on any Funding Date shall not relieve any other Lender of any obligation hereunder to make such Advance on such Funding Date, but no Lender shall be responsible for the failure of any other Lender to make the Advance to be made by such other Lender on any Funding Date.

(d) **Protective Advances and Optional Overadvances**.

(i) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.3(d)(iv), Agent hereby is authorized by Borrowers and the Lenders, from time to time in Agent's sole discretion, (A) after the occurrence and during the continuance of a Default or an Event of Default, or (B) at any time that any of the other applicable conditions precedent set forth in Section 3 are not satisfied, to (x) make U.S. Advances to U.S. Borrower on behalf of the

U.S. Lenders, and (y) make Canadian Advances to Canadian Borrower on behalf of the Canadian Lenders, in each case that Agent, in its Permitted Discretion deems necessary or desirable (1) to preserve or protect the Collateral, or any portion thereof, or (2) to enhance the likelihood of repayment of the Obligations (other than the Bank Product Obligations) (any of the Advances described in this Section 2.3(d)(i) shall be referred to as "Protective Advances"). Agent may elect in its discretion to designate such Protective Advance as a U.S. Advance or a Canadian Advance.

(ii) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.3(d)(iv), (A) the U.S. Lenders hereby authorize Agent or Swing Lender, as applicable, and either Agent or Swing Lender, as applicable, may, but is not obligated to, knowingly and intentionally, continue to make U.S. Advances (including U.S. Swing Loans) to U.S. Borrower notwithstanding that a Overadvance Amount exists or thereby would be created, so long as (1) after giving effect to such U.S. Advances, the outstanding U.S. Revolver Usage does not exceed the U.S. Borrowing Base by more than 10% of the lesser of (x) the Maximum U.S. Revolver Amount at such time and (y) the U.S. Borrowing Base at such time, and (2) after giving effect to such U.S. Advances, the outstanding U.S. Revolver Usage (except for and excluding any portion of such U.S. Revolver Usage that is in respect of amounts charged to the Loan Account for interest, fees, or Lender Group Expenses in accordance with the provisions of the Loan Documents) does not exceed the Maximum U.S. Revolver Amount, and (B) the Canadian Lenders hereby authorize Agent or Swing Lender, as applicable, and either Agent or Swing Lender, as applicable, may, but is not obligated to, knowingly and intentionally, continue to make Canadian Advances (including Canadian Swing Loans) to Canadian Borrower notwithstanding that a Overadvance Amount exists or thereby would be created, so long as (1) after giving effect to such Canadian Advances, the outstanding Canadian Revolver Usage does not exceed the Canadian Borrowing Base by more than 10% of the lesser of (x) the Maximum Canadian Revolver Amount at such time and (y) the Canadian Borrowing Base at such time, and (2) after giving effect to such Canadian Advances, the outstanding Canadian Revolver Usage (except for and excluding any portion of such Revolver Usage that is in respect of amounts charged to the Loan Account for interest, fees, or Lender Group Expenses in accordance with the provisions of the Loan Documents) does not exceed the Maximum Canadian Revolver Amount. In the event (x) Agent obtains actual knowledge that the U.S. Revolver Usage exceeds the amounts permitted by the immediately foregoing provisions, or (y) Agent obtains actual knowledge that the Canadian Revolver Usage exceeds the amounts permitted by the immediately foregoing provisions, in each case regardless of the amount of, or reason for, such excess, Agent shall notify the Lenders as soon as practicable and prior to making any (or any additional) intentional Overadvances (except for and excluding any portion of such Revolver Usage that is in respect of amounts charged to the Loan Account for interest, fees, or Lender Group Expenses in accordance with the provisions of the Loan Documents), unless Agent determines that prior notice would result in imminent harm to the Collateral or its value, in which case Agent may make such Overadvances and provide notice as promptly as practicable thereafter, and the applicable Lenders thereupon shall, together with the Agent jointly determine the terms of arrangements that shall be implemented with the applicable Borrower intended to reduce, within a reasonable time, the outstanding principal amount of the Advances to such Borrower to an amount permitted by the preceding sentence. In such circumstances, if any Lender objects to the proposed terms of reduction or repayment of any Overadvance, the terms of reduction or repayment thereof shall be implemented according to the determination of the Required Lenders. In any event: (x) if any Overadvance not otherwise made or permitted pursuant to this Section 2.3(d) remains outstanding for more than 60 days, unless otherwise agreed to by the Required Lenders, the applicable Borrower shall immediately repay Advances in an amount sufficient to eliminate all such Overadvances not otherwise made or permitted to this Section 2.3(d), and (y) after the date all such Overadvances have been eliminated, there must be at least five consecutive days before additional Advances are made pursuant to this Section 2.3(d)(ii) are made. The foregoing provisions are meant for the benefit of the Lenders and the Agent and are not meant for the benefit of Borrowers, which shall continue to be bound by the provisions of Sections 2.4(e)(ii) and 2.4(e)(iii). Each U.S. Lender with a U.S. Revolver Commitment shall be obligated to settle with Agent as provided in

Section 2.3(e) or Section 2.3(g), as applicable, for the amount of such U.S. Lender's Pro Rata Share of any Overadvances not otherwise made or permitted pursuant to this Section 2.3(d) by Agent reported to such U.S. Lender, any Overadvances made by Agent as permitted under this Section 2.3(d), and any Overadvances consisting of U.S. Advances resulting from the charging to the U.S. Borrower's Loan Account of interest, fees, or Lender Group Expenses. Each Canadian Lender with a Canadian Revolver Commitment shall be obligated to settle with Agent as provided in Section 2.3(e) or Section 2.3(g), as applicable, for the amount of such Canadian Lender's Pro Rata Share of any Overadvances not otherwise made or permitted pursuant to this Section 2.3(d) by Agent reported to such Canadian Lender, any Overadvances made by Agent as permitted under this Section 2.3(d), and any Overadvances consisting of Canadian Advances resulting from the charging to Canadian Borrower's Loan Account of interest, fees, or Lender Group Expenses.

(iii) Each Protective Advance and each Overadvance by Agent shall be deemed to be a U.S. Advance or a Canadian Advance (as applicable) hereunder, except that no Protective Advance or Overadvance shall be eligible to be a LIBOR Rate Loan and, prior to U.S. Settlement or Canadian Settlement, as applicable, therefor all payments on the Protective Advances by Agent shall be payable to Agent solely for its own account. The Protective Advances and Overadvances shall be repayable on demand, secured by Agent's Liens, constitute Obligations hereunder, and bear interest at the rate applicable from time to time to Advances that are Base Rate Loans. The ability of Agent to make Protective Advances is separate and distinct from its ability to make Overadvances and its ability to make Overadvances is separate and distinct from its ability to make Protective Advances. For the avoidance of doubt, the limitations on Agent's ability to make Protective Advances do not apply to Overadvances and the limitations on Agent's ability to make Overadvances do not apply to Protective Advances. The provisions of this Section 2.3(d) are for the exclusive benefit of Agent, Swing Lenders, and the Lenders and are not intended to benefit any Borrower in any way.

(iv) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary: no Overadvance or Protective Advance may be made by Agent if such Advance would (A) cause the aggregate principal amount of Overadvances and Protective Advances outstanding to exceed an amount equal to ten percent (10%) of Aggregate Availability, (B) cause the aggregate U.S. Revolver Usage to exceed the Maximum U.S. Revolver Amount, or (C) cause the aggregate Canadian Revolver Usage to exceed the Maximum Canadian Revolver Amount.

(e) **Settlement Regarding U.S. Advances**. It is agreed that each U.S. Lender's funded portion of the U.S. Advances is intended by the U.S. Lenders to equal, at all times, such U.S. Lender's Pro Rata Share of the outstanding U.S. Advances. Such agreement notwithstanding, Agent, Swing Lender, and the other U.S. Lenders agree (which agreement shall not be for the benefit of U.S. Borrower) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among the U.S. Lenders as to the U.S. Advances, the U.S. Swing Loans, and the Protective Advances by Agent shall take place on a periodic basis in accordance with the following provisions:

(i) Agent shall request settlement ("U.S. Settlement") with the U.S. Lenders on a weekly basis, or on a more frequent basis if so determined by Agent (1) on behalf of Swing Lender, with respect to the outstanding U.S. Swing Loans, (2) for itself, with respect to the outstanding Protective Advances that constitute U.S. Advances, and (3) with respect to payments received from any Loan Party, including any amounts received pursuant to Section 2.4(d) or Section 2.4(e) and any Collections required to be paid to Agent in respect of U.S. Advances pursuant to the provisions of this Agreement or any other Loan Document, as to each by notifying the U.S. Lenders by written notice, telecopy, electronic mail or other similar form of transmission, of such requested U.S. Settlement, no later than 2:00 p.m. (California time) on the Business Day immediately prior to the date of such requested U.S. Settlement (the date of such

requested U.S. Settlement being the "U.S. Settlement Date"). Such notice of a U.S. Settlement Date shall include a summary statement of the amount of outstanding U.S. Advances, U.S. Swing Loans, and Protective Advances that constitute U.S. Advances for the period since the prior U.S. Settlement Date. Subject to the terms and conditions contained herein (including Section 2.3(g)): (y) if the amount of the U.S. Advances (including U.S. Swing Loans and Protective Advances that constitute U.S. Advances) made by a U.S. Lender that is not a Defaulting Lender exceeds such U.S. Lender's Pro Rata Share of the U.S. Advances (including U.S. Swing Loans and Protective Advances that constitute U.S. Advances) as of a U.S. Settlement Date, then Agent shall, by no later than 12:00 p.m. (California time) on the U.S. Settlement Date, transfer in immediately available funds to a Deposit Account of such U.S. Lender (as such U.S. Lender may designate), an amount such that each such U.S. Lender shall, upon receipt of such amount, have as of the U.S. Settlement Date, its Pro Rata Share of the U.S. Advances (including U.S. Swing Loans and Protective Advances that constitute U.S. Advances), and (z) if the amount of the U.S. Advances (including U.S. Swing Loans and Protective Advances that constitute U.S. Advances) made by a U.S. Lender is less than such U.S. Lender's Pro Rata Share of the U.S. Advances (including U.S. Swing Loans and Protective Advances that constitute U.S. Advances) as of a U.S. Settlement Date, such U.S. Lender shall no later than 12:00 p.m. (California time) on the U.S. Settlement Date transfer in immediately available funds to the Agent's Account, an amount such that each such U.S. Lender shall, upon transfer of such amount, have as of the U.S. Settlement Date, its Pro Rata Share of the U.S. Advances (including U.S. Swing Loans and Protective Advances that constitute U.S. Advances). Such amounts made available to Agent under clause (z) of the immediately preceding sentence shall be applied against the amounts of the applicable U.S. Swing Loans or Protective Advances that constitute U.S. Advances and, together with the portion of such U.S. Swing Loans or Protective Advances that constitute U.S. Advances representing Swing Lender's Pro Rata Share thereof, shall constitute U.S. Advances of such U.S. Lenders. If any such amount is not made available to Agent by any U.S. Lender on the U.S. Settlement Date applicable thereto to the extent required by the terms hereof, Agent shall be entitled to recover for its account such amount on demand from such U.S. Lender together with interest thereon at the Defaulting Lender Rate.

(ii) In determining whether a U.S. Lender's balance of the U.S. Advances, U.S. Swing Loans, and Protective Advances that constitute U.S. Advances is less than, equal to, or greater than such U.S. Lender's Pro Rata Share of the U.S. Advances, U.S. Swing Loans, and Protective Advances that constitute U.S. Advances as of a U.S. Settlement Date, Agent shall, as part of the relevant U.S. Settlement, apply to such balance the portion of payments actually received in good funds by Agent with respect to principal, interest, fees payable by U.S. Borrower and allocable to the U.S. Lenders hereunder, and proceeds of Collateral.

(iii) Between U.S. Settlement Dates, Agent, to the extent Protective Advances by Agent or U.S. Swing Loans are outstanding, may pay over to Agent or Swing Lender, as applicable, any payments received from any Loan Party, including any amounts received pursuant to Section 2.4(d) or Section 2.4(e) and any Collections required to be paid to Agent pursuant to the provisions of this Agreement or any other Loan Document, that in accordance with the terms of this Agreement would be applied to the reduction of the U.S. Advances, for application to the Protective Advances that constitute U.S. Advances or U.S. Swing Loans. Between U.S. Settlement Dates, Agent, to the extent no Protective Advances that constitute U.S. Advances or U.S. Swing Loans are outstanding, may pay over to Swing Lender any payments received from any Loan Party, including any amounts received pursuant to Section 2.4(d) or Section 2.4(e) and any Collections required to be paid to Agent pursuant to the provisions of this Agreement or any other Loan Document, that in accordance with the terms of this Agreement would be applied to the reduction of the U.S. Advances, for application to Swing Lender's Pro Rata Share of the U.S. Advances. If, as of any U.S. Settlement Date, payments received from any Loan Party, including any amounts received pursuant to Section 2.4(d) or Section 2.4(e) and any Collections required to be paid to Agent in respect of U.S. Advances pursuant to the provisions of this Agreement or any other Loan Document or payments of

the Loan Parties received since the then immediately preceding U.S. Settlement Date have been applied to Swing Lender's Pro Rata Share of the U.S. Advances other than to U.S. Swing Loans, as provided for in the previous sentence, Swing Lender shall pay to Agent for the accounts of the U.S. Lenders, and Agent shall pay to the U.S. Lenders (other than a Defaulting Lender if Agent has implemented the provisions of Section 2.3(g)), to be applied to the outstanding U.S. Advances of such U.S. Lenders, an amount such that each U.S. Lender shall, upon receipt of such amount, have, as of such U.S. Settlement Date, its Pro Rata Share of the U.S. Advances. During the period between U.S. Settlement Dates, Swing Lender with respect to U.S. Swing Loans, Agent with respect to Protective Advances that constitute U.S. Advances, and each U.S. Lender (subject to the effect of agreements between Agent and individual U.S. Lenders) with respect to the U.S. Advances other than U.S. Swing Loans and Protective Advances that constitute U.S. Advances, shall be entitled to interest at the applicable rate or rates payable under this Agreement on the daily amount of funds employed by Swing Lender, Agent, or the U.S. Lenders, as applicable.

(iv) Anything in this Section 2.3(e) to the contrary notwithstanding, in the event that a U.S. Lender is a Defaulting Lender, Agent shall be entitled to refrain from remitting settlement amounts to the Defaulting Lender and, instead, shall be entitled to elect to implement the provisions set forth in Section 2.3(g).

(v) Agent, as a non-fiduciary agent for U.S. Borrower, shall maintain a register showing the principal amount of the U.S. Advances, owing to each U.S. Lender, including the U.S. Swing Loans owing to Swing Lender, and Protective Advances owing to Agent, and the interests therein of each U.S. Lender, from time to time and such register shall, absent manifest error, conclusively be presumed to be correct and accurate.

(f) **Settlement Regarding Canadian Advances**. It is agreed that each Canadian Lender's funded portion of the Canadian Advances is intended by the Canadian Lenders to equal, at all times, such Canadian Lender's Pro Rata Share of the outstanding Canadian Advances. Such agreement notwithstanding, Agent, Swing Lender, and the other Canadian Lenders agree (which agreement shall not be for the benefit of Canadian Borrower) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among the Canadian Lenders as to the Canadian Advances, the Canadian Swing Loans, and the Protective Advances by Agent shall take place on a periodic basis in accordance with the following provisions:

(i) Agent shall request settlement ("Canadian Settlement") with the Canadian Lenders on a weekly basis, or on a more frequent basis if so determined by Agent (1) on behalf of Swing Lender, with respect to the outstanding Canadian Swing Loans, (2) for itself, with respect to the outstanding Protective Advances that constitute Canadian Advances, and (3) with respect to payments received from any Loan Party, including any amounts received pursuant to Section 2.4(d) or Section 2.4(e) and any Collections required to be paid to Agent in respect of Canadian Advances pursuant to the provisions of this Agreement or any other Loan Document, as to each by notifying the Canadian Lenders by written notice, telecopy, electronic mail or other similar form of transmission, of such requested Canadian Settlement, no later than 2:00 p.m. (California time) on the Business Day immediately prior to the date of such requested Canadian Settlement (the date of such requested Canadian Settlement being the "Canadian Settlement Date"). Such notice of a Canadian Settlement Date shall include a summary statement of the amount of outstanding Canadian Advances, Canadian Swing Loans, and Protective Advances that constitute Canadian Advances for the period since the prior Canadian Settlement Date. Subject to the terms and conditions contained herein (including Section 2.3(g)): (y) if the amount of the Canadian Advances (including Canadian Swing Loans and Protective Advances that constitute Canadian Advances) made by a Canadian Lender that is not a Defaulting Lender exceeds such Canadian Lender's Pro Rata Share of the Canadian Advances (including Canadian Swing Loans and Protective Advances that constitute Canadian Advances) as of a Canadian Settlement Date, then Agent shall, by no later than 12:00 p.m. (California time) on the

Canadian Settlement Date, transfer in immediately available funds to a Deposit Account of such Canadian Lender (as such Canadian Lender may designate), an amount in U.S. Dollars such that each such Canadian Lender shall, upon receipt of such amount, have as of the Canadian Settlement Date, its Pro Rata Share of the Canadian Advances (including Canadian Swing Loans and Protective Advances that constitute Canadian Advances), and (z) if the amount of the Canadian Advances (including Canadian Swing Loans and Protective Advances that constitute Canadian Advances) made by a Canadian Lender is less than such Canadian Lender's Pro Rata Share of the Canadian Advances (including Canadian Swing Loans and Protective Advances that constitute Canadian Advances) as of a Canadian Settlement Date, such Canadian Lender shall no later than 12:00 p.m. (California time) on the Canadian Settlement Date transfer in immediately available funds and in the relevant Currency to the Agent's Account, an amount such that each such Canadian Lender shall, upon transfer of such amount, have as of the Canadian Settlement Date, its Pro Rata Share of the Canadian Advances (including Canadian Swing Loans and Protective Advances that constitute Canadian Advances). Such amounts made available to Agent under clause (z) of the immediately preceding sentence shall be applied against the amounts of the applicable Canadian Swing Loans or Protective Advances that constitute Canadian Advances and, together with the portion of such Canadian Swing Loans or Protective Advances that constitute Canadian Advances representing Swing Lender's Pro Rata Share thereof, shall constitute Canadian Advances of such Canadian Lenders. If any such amount is not made available to Agent by any Canadian Lender on the Canadian Settlement Date applicable thereto to the extent required by the terms hereof, Agent shall be entitled to recover for its account such amount on demand from such Canadian Lender together with interest thereon at the Defaulting Lender Rate.

(ii) In determining whether a Canadian Lender's balance of the Canadian Advances, Canadian Swing Loans, and Protective Advances that constitute Canadian Advances is less than, equal to, or greater than such Canadian Lender's Pro Rata Share of the Canadian Advances, Canadian Swing Loans, and Protective Advances that constitute Canadian Advances as of a Canadian Settlement Date, Agent shall, as part of the relevant Canadian Settlement, apply to such balance the portion of payments actually received in good funds by Agent with respect to principal, interest, fees payable by Canadian Borrower and allocable to the Canadian Lenders hereunder, and proceeds of Collateral.

(iii) Between Canadian Settlement Dates, Agent, to the extent Protective Advances by Agent or Canadian Swing Loans are outstanding, may pay over to Agent or Swing Lender, as applicable, any payments received from any Loan Party, including any amounts received pursuant to Section 2.4(e) and any Collections required to be paid to Agent pursuant to the provisions of this Agreement or any other Loan Document, that in accordance with the terms of this Agreement would be applied to the reduction of the Canadian Advances, for application to the Protective Advances that constitute Canadian Advances or Canadian Swing Loans. Between Canadian Settlement Dates, Agent, to the extent no Protective Advances that constitute Canadian Advances or Canadian Swing Loans are outstanding, may pay over to Swing Lender any payments received from any Loan Party, including any amounts received pursuant to Section 2.4(e) and any Collections required to be paid to Agent pursuant to the provisions of this Agreement or any other Loan Document, that in accordance with the terms of this Agreement would be applied to the reduction of the Canadian Advances, for application to Swing Lender's Pro Rata Share of the Canadian Advances. If, as of any Canadian Settlement Date, payments received from any Loan Party, including any amounts received pursuant to Section 2.4(d) or Section 2.4(e) and any Collections required to be paid to Agent in respect of Canadian Advances pursuant to the provisions of this Agreement or any other Loan Document or payments of the Loan Parties received since the then immediately preceding Canadian Settlement Date have been applied to Swing Lender's Pro Rata Share of the Canadian Advances other than to Canadian Swing Loans, as provided for in the previous sentence, Swing Lender shall pay to Agent for the accounts of the Canadian Lenders, and Agent shall pay to the Canadian Lenders (other than a Defaulting Lender if Agent has implemented the provisions of Section 2.3(g)), to be applied to the outstanding Canadian Advances of such Canadian Lenders, an amount such that each Canadian Lender shall, upon receipt of such amount, have, as of such Canadian Settlement Date, its Pro Rata Share of the

Canadian Advances. During the period between Canadian Settlement Dates, Swing Lender with respect to Canadian Swing Loans, Agent with respect to Protective Advances that constitute Canadian Advances, and each Canadian Lender (subject to the effect of agreements between Agent and individual Canadian Lenders) with respect to the Canadian Advances other than Canadian Swing Loans and Protective Advances that constitute Canadian Advances, shall be entitled to interest at the applicable rate or rates payable under this Agreement on the daily amount of funds employed by Swing Lender, Agent, or the Canadian Lenders, as applicable.

(iv) Anything in this Section 2.3(f) to the contrary notwithstanding, in the event that a Canadian Lender is a Defaulting Lender, Agent shall be entitled to refrain from remitting settlement amounts to the Defaulting Lender and, instead, shall be entitled to elect to implement the provisions set forth in Section 2.3(g).

(v) Agent, as a non-fiduciary agent for Canadian Borrower, shall maintain a register showing the principal amount of the Canadian Advances, owing to each Canadian Lender, including the Canadian Swing Loans owing to Swing Lender, and Protective Advances owing to Agent, and the interests therein of each Canadian Lender, from time to time and such register shall, absent manifest error, conclusively be presumed to be correct and accurate.

(g) **Defaulting Lenders**.

(i) Agent shall not be obligated to transfer to a Defaulting Lender any payments made by the applicable Borrower to Agent for the Defaulting Lender's benefit or any Collections or proceeds of Collateral that would otherwise be remitted hereunder to the Defaulting Lender, and, in the absence of such transfer to the Defaulting Lender, Agent shall transfer any such payments (A) first, to the Swing Lender to the extent of any Swing Loans that were made by Swing Lender and that were required to be, but were not, repaid by the Defaulting Lender, (B) second, to the Issuing Lender, to the extent of the portion of a Letter of Credit Disbursement that was required to be, but was not, repaid by the Defaulting Lender, (C) third, to each Non-Defaulting Lender ratably in accordance with their Commitments (but, in each case, only to the extent that such Defaulting Lender's portion of an Advance (or other funding obligation) was funded by such other Non-Defaulting Lender), (D) to a suspense account maintained by Agent, the proceeds of which shall be retained by Agent and may be made available to be re-advanced to or for the benefit of Borrowers as if such Defaulting Lender had made its portion of the applicable Advances (or other funding obligations) hereunder, and (E) from and after the date on which all other Obligations have been paid in full, to such Defaulting Lender in accordance with tier (14) of Section 2.4(b)(ii); provided, however, that if such payment is a payment of the principal amount of an Advance or of a Letter of Credit Disbursement, such payment shall be applied solely to pay the relevant Advances of and Letter of Credit Disbursements owed to, the relevant Non-Defaulting Lender prior to being applied in the manner set forth above. Subject to the foregoing, Agent may hold and, in its Permitted Discretion, re-lend to the applicable Borrower for the account of such Defaulting Lender the amount of all such payments received and retained by Agent for the account of such Defaulting Lender. Solely for the purposes of voting or consenting to matters with respect to the Loan Documents (including the calculation of Pro Rata Share in connection therewith) and for the purpose of calculating the fees payable under Section 2.10(b) and Section 2.10(c), such Defaulting Lender shall be deemed not to be a "Lender" and such fees shall cease to accrue with respect to such Lender's Commitment and such Lender's Commitment shall be deemed to be zero; provided, however, that the foregoing shall not apply to any of the matters governed by Section 14.1(a)(i) through (iii). The provisions of this Section 2.3(g) shall remain effective with respect to such Defaulting Lender until the earlier of (y) the date on which the Agent and the applicable Borrower shall have waived, in writing, the application of this Section 2.3(g) to such Defaulting Lender, or (z) the date on which such Defaulting Lender makes payment of all amounts that it was obligated to fund hereunder, pays to Agent all amounts owing by Defaulting Lender in respect of the amounts that it was obligated to fund hereunder, and,

if requested by Agent, provides adequate assurance of its ability to perform its future obligations hereunder. The operation of this Section 2.3(g) shall not be construed to increase or otherwise affect the Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by any Borrower of its duties and obligations hereunder to Agent or to the Lenders other than such Defaulting Lender. Any failure by a Lender to fund amounts that it was obligated to fund hereunder shall constitute a material breach by such Lender of this Agreement and shall entitle the applicable Borrower, at its option, upon written notice to Agent, to arrange for a substitute Lender to assume the Commitment of such Lender pursuant to the terms of Section 14.2. In connection with the arrangement of such a substitute Lender, the Defaulting Lender shall have no right to refuse to be replaced hereunder, and agrees to execute and deliver a completed form of Assignment and Acceptance in favor of the substitute Lender (and agrees that it shall be deemed to have executed and delivered such document if it fails to do so) subject only to being repaid its share of the outstanding Obligations (other than Bank Product Obligations, but including (1) all interest, fees, and other amounts that may be due and payable in respect thereof, and (2) an assumption of its Pro Rata Share of the Letters of Credit); provided, however, that any such assumption of the Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Lender Groups' or the applicable Borrower's rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund. In the event of a direct conflict between the priority provisions of this Section 2.3(g) and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.3(g) shall control and govern.

(ii) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the provisions of this Section 2.3(g)(ii) shall apply for so long as such Lender is a Defaulting Lender. If any U.S. Swing Loans are outstanding or if any U.S. Letters of Credit are outstanding at the time a U.S. Lender is or becomes a Defaulting Lender then all or any part of the U.S. Swing Loan Exposure and U.S. Letter of Credit Exposure with respect thereto shall be reallocated among the U.S. Lenders that are Non-Defaulting Lenders of the U.S. Swing Loans and U.S. Letters of Credit in accordance with their respective Pro Rata Share thereof but only to the extent the sum of all such Non-Defaulting Lenders' Pro Rata Share of the U.S. Revolver Usage plus such Defaulting Lender's U.S. Swing Loan Exposure and U.S. Letter of Credit Exposure does not exceed the total of all such Non-Defaulting Lenders' U.S. Revolver Commitments. If any Canadian Swing Loans are outstanding or if any Canadian Letters of Credit are outstanding at the time a Canadian Lender is or becomes a Defaulting Lender then all or any part of the Canadian Swing Loan Exposure and Canadian Letter of Credit Exposure with respect thereto shall be reallocated among the Canadian Lenders that are Non-Defaulting Lenders of the Canadian Swing Loans and Canadian Letters of Credit in accordance with their respective Pro Rata Share thereof but only to the extent the sum of all such Non-Defaulting Lenders' Pro Rata Share of the Canadian Revolver Usage plus such Defaulting Lender's Canadian Swing Loan Exposure and Canadian Letter of Credit Exposure does not exceed the total of all such Non-Defaulting Lenders' Canadian Revolver Commitments.

(iii) If the reallocation described in clause (ii) above cannot, or can only partially, be effected, the applicable Borrower shall within one Business Day following notice by the Agent (x) first, prepay such Defaulting Lender's U.S. Swing Loan Exposure or Canadian Swing Loan Exposure, as applicable, and (y) second, provide Letter of Credit Collateralization with respect to such Defaulting Lender's Letter of Credit Exposure (after giving effect to any partial reallocation pursuant to clause (ii) above) for so long as such Letter of Credit Exposure is outstanding.

(iv) If the applicable Borrower provides Letter of Credit Collateralization with respect to any portion of such Defaulting Lender's Letter of Credit Exposure pursuant to clause (iii) above,

Borrowers shall not be required to pay any fees to such Defaulting Lender with respect to such portion of such Defaulting Lender's Letter of Credit Exposure so long as the applicable Borrower has provided Letter of Credit Collateralization with respect to such portion of such Defaulting Lender's Letter of Credit Exposure.

(v) If any portion of such Defaulting Lender's Letter of Credit Exposure is neither subject to Letter of Credit Collateralization nor reallocated pursuant to clause (ii) above, then, without prejudice to any rights or remedies of any Issuing Lender or any Lender hereunder, then any fees provided for in Sections 2.6(d)(i) and 2.6(d)(ii) payable to such Defaulting Lender with respect to such Defaulting Lender's Letter of Credit Exposure shall be payable to the applicable Issuing Lender until such Letter of Credit Exposure is made subject to Letter of Credit Collateralization or reallocated.

(vi) So long as any Lender is a Defaulting Lender, the Swing Lender shall not be required to fund any Swing Loans and the Issuing Lenders shall not be required to issue, amend or increase any Letters of Credit, unless it is reasonably satisfied that 100% of the related exposure will be covered by the U.S. Revolver Commitments or Canadian Revolver Commitments, as applicable, of the Non-Defaulting Lenders or cash collateralized in accordance with Section 2.3(g)(iii), and participations in any such newly issued or increased Letter of Credit or newly made Swing Loan shall be allocated among Non-Defaulting Lenders in accordance with their respective Pro Rata Share (and Defaulting Lenders shall not participate therein).

(vii) To the extent permitted by Applicable Law, any voluntary prepayment of Advances shall, if the applicable Borrower so directs at the time of making such voluntary prepayment, be applied to the Advances of other Lenders as if such Defaulting Lender had no Advances outstanding and the Revolver Usage of such Defaulting Lender were zero.

(viii) In the event that Agent, Borrowers, each Issuing Lender or Swing Lender, as the case may be, each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swing Loan Exposure and Letter of Credit Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's U.S. Revolver Commitment or Canadian Revolver Commitment, as applicable, and on such date such Lender shall purchase at par such of the U.S. Advances or Canadian Advances, as applicable, of the other U.S. Lender or Canadian Lenders, as applicable, as the Agent shall determine may be necessary in order for such Lender to hold such Advances in accordance with its Pro Rata Share. The rights and remedies against a Defaulting Lender under this Section 2.3(g) are in addition to other rights and remedies that Borrowers, Agent, the Issuing Lenders, the Swing Lender and the Non-Defaulting Lenders may have against such Defaulting Lender.

(h) **Independent Obligations**. All Advances (other than Swing Loans and Protective Advances) shall be made by the Lenders contemporaneously and in accordance with their Pro Rata Shares. It is understood that (i) no Lender shall be responsible for any failure by any other Lender to perform its obligation to make any Advance (or other extension of credit) hereunder, nor shall any Commitment of any Lender be increased or decreased as a result of any failure by any other Lender to perform its obligations hereunder, and (ii) no failure by any Lender to perform its obligations hereunder shall excuse any other Lender from its obligations hereunder.

2.4 **Payments; Reductions of Commitments; Prepayments**.

(a) **Payments by Borrowers**.

(i) Except as otherwise expressly provided herein, all payments by Borrowers shall be made to Agent's Account for the account of the Lender Group and shall be made in immediately

available funds, no later than 11:00 a.m. (California time) on the date specified herein. Any payment received by Agent later than 11:00 a.m. (California time) shall be deemed to have been received on the following Business Day and any applicable interest or fee shall continue to accrue until such following Business Day.

(ii) Unless Agent receives notice from the applicable Borrower prior to the date on which any payment is due to the Lenders that such Borrower will not make such payment in full as and when required, the Agent may assume that such Borrower has made (or will make) such payment in full to Agent on such date in immediately available funds and Agent may (but shall not be so required), in reliance upon such assumption, distribute to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent the applicable Borrower does not make such payment in full to the Agent on the date when due, each Lender severally shall repay to Agent on demand such amount distributed to such Lender, together with interest thereon at the Defaulting Lender Rate for each day from the date such amount is distributed to such Lender until the date repaid.

(b) **Apportionment and Application**.

(i) So long as no Application Event has occurred and is continuing, (x) subject to the provisions of Section 2.4(e) hereof, this Section 2.4(b)(i) shall not apply to any payment made by a Borrower to Agent and specified by such Borrower to be for the payment of specific Obligations then due and payable (or prepayable) under any provision of this Agreement or any other Loan Document, (y) otherwise, all payments to be made hereunder by a Borrower shall be remitted to the Agent and all (subject to Section 2.4(b)(vi), and Section 2.4(e)) such payments, and all proceeds of Collateral received by Agent, shall be applied (A) first, to reduce the balance of the U.S. Advances outstanding until paid in full, and (B) second, to reduce the balance of the Canadian Advances outstanding until paid in full, and thereafter, to the applicable Borrower (to be wired to the applicable Designated Account) or such other Person entitled thereto under Applicable Law, and (z) except as otherwise provided herein with respect to Defaulting Lenders, all principal and interest payments received by the Agent shall be apportioned ratably among the Lenders (according to the unpaid principal balance of the Advances to which such payments relate held by each Lender) and all payments of fees and expenses received by the Agent (other than fees or expenses that are for Agent's separate account or for the separate account of any Issuing Lender, or Swing Lender or any other Lender) shall be apportioned ratably among the Lenders having a Pro Rata Share of the type of Commitment or Obligation to which a particular fee or expense relates.

(ii) At any time that an Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders and subject to the terms of the DIP Intercreditor Agreement, all payments remitted to Agent and all proceeds of Collateral received by Agent shall be applied as follows:

(1) first, to fund amounts required to be paid from the Collateral pursuant the provisions of the Orders and in accordance with the Budget in respect of the Carve Out, in an aggregate amount not to exceed the Carve Out Reserve;

(2) second, ratably to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to the Agent under the Loan Documents, until paid in full,

(vi) In the event of a direct conflict between the priority provisions of this Section 2.4 and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, if the conflict relates to the provisions of Section 2.3(g) and this Section 2.4, then the provisions of Section 2.3(g) shall control and govern, and if otherwise, then the terms and provisions of this Section 2.4 shall control and govern.

Nothing contained in this Section 2.4(e) shall permit any Loan Party or any of its Subsidiaries to sell or otherwise dispose of any assets other than in accordance with Section 6.4; provided that no mandatory prepayment pursuant to this Section 2.4(e)(i) shall be required (i) with respect to an Other Asset Sale, until the aggregate amount of Net Cash Proceeds with respect to Other Asset Sales received by Holdings and its Subsidiaries shall exceed $50,000, and (ii) with respect to a Recovery Event or Other Recovery Event, until the amount of Net Cash Proceeds with respect to such Recovery Event or Other Recovery Event received by Holdings and its Subsidiaries shall exceed $50,000 or $100,000 in the aggregate for all Recovery Events and Other Recovery Events for which Holdings and its Subsidiaries have received Net Cash Proceeds.

(ii) Unless otherwise agreed to by Agent and subject to the provisions of Sections 2.3(d)(i), 2.3(d)(ii) and 2.3(g), (A) if, at any time, the U.S. Revolver Usage on such date exceeds the lesser of the (x) the Maximum U.S. Revolver Amount and (y) the U.S. Borrowing Base (such excess being referred to as the "U.S. Overadvance Amount"), then U.S. Borrower shall, within one (1) Business Day, prepay the U.S. Advances or cash collateralize U.S. Letters of Credit in accordance with Section 2.4(f)(i) in an aggregate amount equal to such U.S. Overadvance Amount or (B) if, at any time, the Canadian Revolver Usage on such date exceeds the lesser of (x) the Maximum Canadian Revolver Amount and (y) the U.S. Dollar Equivalent of the Canadian Borrowing Base (such excess being referred to as the "Canadian Overadvance Amount"), then Canadian Borrower shall, within one (1) Business Day, prepay the Canadian Advances or cash collateralize the Canadian Letters of Credit in accordance with Section 2.4(f)(ii)(B) in an aggregate amount equal to such Canadian Overadvance Amount.

(iv) [Intentionally Omitted].

(v) If at any time any Loan Party maintains cash or Cash Equivalents in any Deposit Account or Securities Account in an aggregate amount for all such Deposit Accounts and Securities Accounts in excess of $500,000 for three consecutive Business Days, Borrowers shall prepay the Obligations to the extent of such excess within one Business Day thereof.

(vi) Each Borrower promises to pay the Obligations (including principal, interest, fees, costs, and expenses, but for the avoidance of any doubt, excluding any Bank Product Obligations except to the extent required by the underlying Bank Product Agreement) in Dollars in full on the Maturity Date or, if earlier, on the date on which the Obligations are declared due and payable pursuant to the terms of this Agreement.

(vii) For clarity, none of the mandatory prepayments described in this Section 2.4(e) shall have the effect of reducing the Maximum U.S. Revolver Amount, the U.S. Revolver Commitments, the Maximum Canadian Revolver Amount, or the Canadian Revolver Commitments.

(f) **Application of Payments**.

(i) Each prepayment pursuant to Section 2.4(e)(i), Section 2.4(e)(iii), Section 2.4(e)(v) and Section 2.4(e)(vi) above shall (A) if an Application Event shall have occurred and be continuing, be applied in the manner set forth in Section 2.4(b)(ii) and (B) so long as no Application Event shall have occurred and be continuing, be applied, first, to the outstanding principal amount of the U.S. Advances, until paid in full, second, to the outstanding principal amount of the Canadian Advances, until paid in full, third, to cash collateralize the U.S. Letters of Credit in an amount equal to 103% of then extant U.S. Letter of Credit Usage, until paid in full, and fourth, to cash collateralize the Canadian Letters of Credit in an amount equal to 103% of then extant Canadian Letter of Credit Usage, until paid in full.

(iii) In the event that a mandatory prepayment is required to be paid pursuant to both Section 2.4(e)(ii)(A) and Section 2.4(e)(ii)(B), such mandatory prepayment will be applied as set forth above in Section 2.4(f)(i)(B) as if no Application Events had occurred and were continuing. Amounts paid pursuant to this Section 2.4(f) may be reborrowed subject to the terms and conditions of this Agreement.

2.5 **[Intentionally Omitted]**.

2.6 **Interest Rates and Letter of Credit Fee: Rates, Payments, and Calculations**.

(a) **Interest Rates**. Except as provided in Section 2.6(c), all Obligations (except for undrawn Letters of Credit) that have been charged to the Loan Account pursuant to the terms hereof shall bear interest on the Daily Balance thereof as follows:

(i) if the relevant Obligation is a LIBOR Rate Loan, at a per annum rate equal to the LIBOR Rate plus the LIBOR Rate Margin, and

(ii) otherwise, at a per annum rate equal to the Base Rate plus the Base Rate Margin.

(b) Agent, as applicable, upon determining the interest rate for any Borrowing of LIBOR Rate Loans, shall promptly notify Borrowers and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

(c) Subject to the provisions of Section 2.7, interest on each Advance shall accrue from and including the date of any Borrowing to but excluding the date of repayment thereof.

(d) **Letter of Credit Fee**.

(i) U.S. Borrower shall pay to the Agent (for the ratable benefit of the Lenders with a U.S. Revolver Commitment, subject to any agreements between Agent and individual Lenders), a Letter of Credit fee (in addition to the charges, commissions, fees, and costs set forth in Section 2.11(a)(vii)) in respect of the U.S. Letters of Credit which shall accrue at a per annum rate equal to the LIBOR Rate Margin times the Daily Balance of the undrawn amount of all outstanding U.S. Letters of Credit.

(ii) Canadian Borrower shall pay to the Agent (for the ratable benefit of the Lenders with a Canadian Revolver Commitment, subject to any agreements between Agent and individual Lenders), a Letter of Credit fee (in addition to the charges, commissions, fees, and costs set forth in Section 2.11(b)(vii)) in respect of the Canadian Letters of Credit which shall accrue at a per annum rate equal to the LIBOR Rate Margin times the Daily Balance of the undrawn amount of all outstanding Canadian Letters of Credit.

(e) **Default Rate**. If all or a portion of the principal amount of any Advance, Reimbursement Undertaking, or any interest payable thereon or any fees or other amounts due hereunder or under any other Loan Document shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest (including post-petition interest in any Insolvency Proceeding) at a rate per annum that is (i) in the case of overdue principal, to the extent permitted by Applicable Law, the rate that would otherwise be applicable thereto plus 2% or (ii) in the case of overdue interest, fees or other amounts due hereunder, to the extent permitted by Applicable Law, the rate per annum described in Section 2.6(a)(ii) plus 2% from and including the date of such non-payment to but excluding the date on which such amount is paid in full. All such interest shall be payable on demand.

(f) **Payment**. Except to the extent provided to the contrary in Section 2.10 or Section 2.12(a), (i) all interest and all other fees payable hereunder shall be due and payable, in arrears, on the first day of each month, (ii) all Letter of Credit fees payable hereunder, and all fronting fees and all commissions, other fees, charges and expenses provided for in Section 2.11 shall be due and payable, in arrears, on the first Business Day of each month, and (iii) all costs and expenses payable hereunder or under any of the other Loan Documents, and all other Lender Group Expenses shall, subject to the Orders, be due and payable on the earlier of (A) the first day of the month following the date on which the applicable costs, expenses, or Lender Group Expenses were first incurred, or (B) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of the following sentence shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (y)). Payments of all other amounts hereunder or under the Loan Documents shall be due and payable on the dates and at the times specified herein or in such other Loan Document. Each Borrower hereby authorizes Agent, from time to time without prior notice to such Borrower, if (subject to the provisions of Section 2.11) to charge the Loan Account, (A) on the first day of each month, all interest accrued during the prior month on the

Advances hereunder, (B) on the first Business Day of each month, all Letter of Credit fees accrued or chargeable hereunder during the prior month, (C) as and when incurred or accrued, all fees and costs provided for in Section 2.10(a) or (c), (D) [intentionally omitted], (E) as and when due and payable, all other fees payable hereunder or under any of the other Loan Documents, (F) on the Closing Date and thereafter as and when incurred or accrued, subject to the Orders, all other Lender Group Expenses, and (G) as and when due and payable all other payment obligations payable under any Loan Document or any Bank Product Agreement (including any amounts due and payable to the Bank Product Providers in respect of Bank Products). All amounts (including interest, fees, costs, expenses, or other amounts payable hereunder or under any other Loan Document or any Bank Product Agreement) relating to Canadian Advances or Canadian Letters of Credit charged to the Loan Account shall thereafter shall constitute Canadian Advances hereunder and shall accrue interest at the rate then applicable to Canadian Advances that are Base Rate Loans. All amounts (including interest, fees, costs, expenses, or other amounts payable hereunder or under any other Loan Document or any Bank Product Agreement) relating to U.S. Advances or U.S. Letters of Credit charged to the Loan Account shall thereafter shall constitute U.S. Advances hereunder and shall accrue interest at the rate then applicable to U.S. Advances that are Base Rate Loans. Agent may elect to deem any amounts charged to the Loan Account in respect of Lender Group Expenses as either a U.S. Advance or a Canadian Advance, and such amount shall accrue interest at the rate then applicable to Advances that are Base Rate Loans. As set out in Section 17.12 in further detail, each payment in respect of any Obligation in respect of Advances shall only be made in Dollars with respect to such Obligation. Borrowers hereby acknowledge and agree that to the extent that any information about interest, fees, costs, and other Obligations hereunder is maintained and available to the Borrowers in an electronic database, (x) the Lender Group shall have no obligation to independently provide such information to Borrowers, and (y) Borrowers shall obtain information regarding interests, fees, costs, and other payments hereunder by accessing such electronic database and shall not rely on the Lender Group to otherwise deliver to Borrowers such information.

(g) **Computation**.

(i) All interest and fees chargeable under the Loan Documents shall be computed on the basis of a 360-day year (or a 365-day year or 366-day year, as the case may, be for Base Rate Loans), in each case, for the actual number of days elapsed in the period during which the interest or fees accrue. In the event the Base Rate is changed from time to time hereafter, the rates of interest hereunder based upon the Base Rate automatically and immediately shall be increased or decreased by an amount equal to such change in the Base Rate.

(ii) For the purposes of the *Interest Act* (Canada) and disclosure thereunder, whenever any interest or any fee to be paid hereunder or in connection herewith is to be calculated on the basis of a 360-day year (or 365-day year or 366-day year, as the case may be), the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360 (or 365 or 366, as the case may be) The rates of interest under this Agreement are nominal rates, and not effective rates or yields. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement.

(iii) Each Loan Party acknowledges and confirms that:

(A) Clause (ii) above satisfies the requirements of Section 4 of the *Interest Act* (Canada) to the extent it applies to the expression or statement of any interest payable under any Loan Document;

(B) Each Loan Party is able to calculate the yearly rate or percentage of interest payable under any Loan Document based upon the methodology set out in clause (ii) above.

(iv) Each Borrower agrees not to, and to cause each Loan Party not to, plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Loan Documents, that the interest payable thereunder and the calculation thereof has not been adequately disclosed to any Loan Party, whether pursuant to Section 4 of the *Interest Act* (Canada) or any other Applicable Law or legal principle.

(v) Notwithstanding anything to the contrary contained in this Agreement, if the amount of interest payable under any Loan Document is reduced by virtue of the application of Section 4 of the *Interest Act* (Canada), then the Borrowers shall immediately and retroactively be obligated to pay to the Agent for the account of the applicable Lenders, promptly on demand by the Agent (or, if an Event of Default pursuant to Sections 8.4 and 8.5 shall have occurred and be continuing, automatically and without further action by the Agent), an amount equal to the amount of such reduction.

(h) **Intent to Limit Charges to Maximum Lawful Rate**. In no event shall the interest rate or rates payable under this Agreement, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. Each Borrower and the Lender Group, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and manner of payment stated within it; provided, however, that, anything contained herein to the contrary notwithstanding, if said rate or rates of interest or manner of payment exceeds the maximum allowable under applicable law, then, *ipso facto*, as of the Closing Date, each Borrower is and shall be liable only for the payment of such maximum as allowed by law, and payment received from a Borrower in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the Advances to the extent of such excess. Without limiting the generality of the foregoing, if any provision of this Agreement would oblige any Loan Party to make any payment of interest or other amount payable to any Lender or the Agent in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by that Lender or the Agent of "interest" at a "criminal rate" (as such terms are construed under the *Criminal Code* (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by that Lender or the Agent of "interest" at a "criminal rate", such adjustment to be effected, to the extent necessary, as follows: first, by reducing the amount or rate of interest, and, thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid which would constitute interest for purposes of section 347 of the *Criminal Code* (Canada). Any provision of this Agreement that would oblige a Loan Party to pay any fine, penalty or rate of interest on any arrears of principal or interest secured by a mortgage on real property that has the effect of increasing the charge on arrears beyond the rate of interest payable on principal money not in arrears shall not apply to such Loan Party, which shall be required to pay interest on money in arrears at the same rate of interest payable on principal money not in arrears.

2.7 **Crediting Payments**. The receipt of any payment item by Agent shall not be considered a payment on account unless such payment item is a wire transfer of immediately available funds made to the Agent's Account or unless and until such payment item is honored when presented for payment. Should any payment item not be honored when presented for payment, then the applicable Borrower shall be deemed not to have made such payment and interest shall be calculated accordingly. Anything to the contrary contained herein notwithstanding, any payment item shall be deemed received by Agent only if it is received into the Agent's Account on a Business Day on or before 11:00 a.m. (California time). If any payment item is received into Agent's Account on a non-Business Day or after 11:00 a.m. (California time)

on a Business Day, it shall be deemed to have been received by Agent as of the opening of business on the immediately following Business Day.

2.8 **Designated Account**. Agent is authorized to make the Advances, and each Issuing Lender is authorized to issue the Letters of Credit, under this Agreement based upon telephonic or other instructions received from anyone purporting to be an Authorized Person or, without instructions, if pursuant to Section 2.3(d) after the occurrence and during the continuance of an Event of Default. Each Borrower agrees to establish and maintain its Designated Account with the applicable Designated Account Bank for the purpose of receiving the proceeds of the Advances requested by such Borrower and made by the Agent or the Lenders hereunder. Unless otherwise agreed by Agent and the applicable Borrower, any Advances, or Swing Loan requested by such Borrower and made by Agent or the Lenders hereunder shall be made to the applicable Designated Account.

2.9 **Maintenance of Loan Account; Statements of Obligations**.

(a) Agent shall maintain an account on its books in the name of Canadian Borrower (the "Canadian Loan Account") on which Canadian Borrower will be charged with all Canadian Advances (including Protective Advances that constitute Canadian Advance) made by Agent, the Swing Lender, or the Lenders to Canadian Borrower or for Canadian Borrower's account, the Canadian Letters of Credit issued or arranged by Canadian Issuing Lender for Canadian Borrower's account, and with all other payment Obligations of Canadian Borrower hereunder or under the other Loan Documents (except for Bank Product Obligations), including, accrued interest, fees and Lender Group Expenses. In accordance with Section 2.7, the Canadian Loan Account will be credited with all payments received by Agent from Canadian Borrower or for Canadian Borrower's account. Agent shall render statements regarding the Canadian Loan Account to Canadian Borrower, including principal, interest, fees, and expenses including an itemization of all charges and expenses owing, and such statements, absent manifest error, shall be conclusively presumed to be correct and accurate and constitute an account stated between Canadian Borrower and the Lender Group unless, within 30 days after receipt thereof by Canadian Borrower, Canadian Borrower shall deliver to the Agent written objection thereto describing the error or errors contained in any such statements.

(b) Agent shall maintain an account on its books in the name of U.S. Borrower (the "U.S. Loan Account") on which U.S. Borrower will be charged with all U.S. Advances (including Protective Advances that constitute U.S. Advances) made by Agent, the Swing Lender or the Lenders to U.S. Borrower or for U.S. Borrower's account, the U.S. Letters of Credit issued or arranged by U.S. Issuing Lender for U.S. Borrower's account, and with all other payment Obligations of U.S. Borrower hereunder or under the other Loan Documents (except for Bank Product Obligations), including, accrued interest, fees and Lender Group Expenses. In accordance with Section 2.7, the U.S. Loan Account will be credited with all payments received by Agent from U.S. Borrower or for U.S. Borrower's account. Agent shall render statements regarding the U.S. Loan Account to U.S. Borrower, including principal, interest, fees, and expenses including an itemization of all charges and expenses owing, and such statements, absent manifest error, shall be conclusively presumed to be correct and accurate and constitute an account stated between U.S. Borrower and the Lender Group unless, within 30 days after receipt thereof by U.S. Borrower, U.S. Borrower shall deliver to the Agent written objection thereto describing the error or errors contained in any such statements.

2.10 **Fees**.

(a) Each Borrower shall pay to Agent, as and when due and payable under the terms of the Fee Letter, the fees set forth in the Fee Letter.

(b) Canadian Borrower shall pay to Agent, for the ratable account of the Canadian Lenders, on the first Business Day of each fiscal quarter after the Closing Date up to the first Business Day of the fiscal quarter prior to the Payoff Date and on the Payoff Date, an unused line fee in Dollars in an amount equal to the Applicable Unused Line Fee Rate per annum times the result of (i) the Maximum Canadian Revolver Amount less (ii) the average U.S. Dollar Equivalent of the Daily Balance of the U.S. Dollar Equivalent of the Canadian Revolver Usage during the immediately preceding fiscal quarter (or portion thereof).

(c) U.S. Borrower shall pay to Agent, for the ratable account of the U.S. Lenders, on the first Business Day of each fiscal quarter after the Closing Date up to the first Business Day of the fiscal quarter prior to the Payoff Date and on the Payoff Date, an unused line fee in Dollars in an amount equal to the Applicable Unused Line Fee Rate per annum times the result of (i) the Maximum U.S. Revolver Amount less (ii) the average Daily Balance of the U.S. Revolver Usage during the immediately preceding fiscal quarter (or portion thereof).

2.11 **Letters of Credit**.

(a) **U.S. Letters of Credit**

(i) Subject to the terms and conditions of this Agreement, upon the request of U.S. Borrower made in accordance herewith, the U.S. Issuing Lender agrees to issue, or to cause a U.S. Underlying Issuer (including, as U.S. Issuing Lender's agent) to issue, a requested standby U.S. Letter of Credit or a sight commercial U.S. Letter of Credit for the account of U.S. Borrower. If U.S. Issuing Lender, at its option, elects to cause a U.S. Underlying Issuer to issue a requested U.S. Letter of Credit, then U.S. Issuing Lender agrees that it will enter into arrangements relative to the reimbursement of such U.S. Underlying Issuer (which may include, among, other means, by becoming an applicant with respect to such U.S. Letter of Credit or entering into undertakings which provide for reimbursements of such U.S. Underlying Issuer with respect to such U.S. Letter of Credit; each such obligation or undertaking, irrespective of whether in writing, a "U.S. Reimbursement Undertaking") with respect to U.S. Letters of Credit issued by such U.S. Underlying Issuer. By submitting a request to U.S. Issuing Lender for the issuance of a U.S. Letter of Credit, U.S. Borrower shall be deemed to have requested that U.S. Issuing Lender issue or that a U.S. Underlying Issuer issue the requested U.S. Letter of Credit and to have requested U.S. Issuing Lender to issue a U.S. Reimbursement Undertaking with respect to such requested U.S. Letter of Credit if it is to be issued by a U.S. Underlying Issuer (it being expressly acknowledged and agreed by U.S. Borrower that U.S. Borrower is and shall be deemed to be an applicant (within the meaning of Section 5-102(a)(2) of the Code) with respect to each U.S. Underlying Letter of Credit). Each request for the issuance of a U.S. Letter of Credit, or the amendment, renewal, or extension of any outstanding U.S. Letter of Credit, shall be made in writing by an Authorized Person and delivered to the U.S. Issuing Lender and Agent via hand delivery, telefacsimile, or other electronic method of transmission reasonably in advance of the requested date of issuance, amendment, renewal, or extension. Each such request shall be in form and substance reasonably satisfactory to the Agent and the U.S. Issuing Lender in its Permitted Discretion and shall specify (A) the amount of such U.S. Letter of Credit, (B) the date of issuance, amendment, renewal, or extension of such U.S. Letter of Credit, (C) the expiration date of such U.S. Letter of Credit, (D) the name and address of the beneficiary of the U.S. Letter of Credit, and (E) such other information (including the conditions of drawing and, in the case of an amendment, renewal, or extension, identification of the outstanding U.S. Letter of Credit to be so amended, renewed, or extended) as shall be reasonably necessary to prepare, amend, renew, or extend such U.S. Letter of Credit, and shall be accompanied by such Issuer Documents as Agent or U.S. Issuing Lender or a U.S. Underlying Issuer may request or require, to the extent that such requests or requirements are consistent with the Issuer Documents that U.S. Issuing Lender or U.S. Underlying Issuer, as applicable, generally requests for Letters of Credit in similar circumstances. U.S. Issuing Lender's and U.S. Underlying Issuer's records of the content of any

such request will be conclusive. Each U.S. Letter of Credit shall be denominated in Dollars. Anything contained herein to the contrary notwithstanding, the U.S. Issuing Lender may, but shall not be obligated to issue, or cause the issuance of a U.S. Letter of Credit or to issue a U.S. Reimbursement Undertaking in respect of a U.S. Underlying Letter of Credit, in either case, that supports the obligations of a Loan Party or its Subsidiaries in respect of (1) a lease of real property, or (2) an employment contract. The U.S. Issuing Lender shall have no obligation to issue a U.S. Letter of Credit or a U.S. Reimbursement Undertaking in respect of a U.S. Underlying Letter of Credit, in either case, if any of the following would result after giving effect to the requested issuance:

(1) the U.S. Letter of Credit Usage would exceed the U.S. Borrowing Base *less* the outstanding amount of U.S. Advances (inclusive of U.S. Swing Loans), or

(2) the U.S. Letter of Credit Usage would exceed the U.S. L/C Sublimit, or

(3) the U.S. Letter of Credit Usage would exceed the Maximum U.S. Revolver Amount less the outstanding amount of U.S. Advances (including U.S. Swing Loans).

(ii) U.S. Borrower and the Lender Group hereby acknowledge and agree that all Pre-Petition U.S. Letters of Credit shall constitute U.S. Letters of Credit under this Agreement on and after the Closing Date with the same effect as if such Pre-Petition U.S. Letters of Credit were issued by U.S. Issuing Lender or a U.S. Underlying Issuer under this Agreement at the request of U.S. Borrower on the Closing Date. Any U.S. Issuing Lender or U.S. Underlying Issuer (other than Wells Fargo or any of its Affiliates) shall notify Agent in writing no later than the Business Day prior to the Business Day on which such U.S. Issuing Lender or U.S. Underlying Issuer issues any U.S. Letter of Credit. In addition, each U.S. Issuing Lender and U.S. Underlying Issuer (other than Wells Fargo or any of its Affiliates) shall, on the first Business Day of each week, submit to Agent a report detailing the daily undrawn amount of each U.S. Letter of Credit issued by such U.S. Issuing Lender and U.S. Underlying Issuer during the prior calendar week. Each U.S. Letter of Credit shall be in form and substance reasonably acceptable to the U.S. Issuing Lender, including the requirement that the amounts payable thereunder must be payable in Dollars. If U.S. Issuing Lender makes a payment under a U.S. Letter of Credit or a U.S. Underlying Issuer makes a payment under a U.S. Underlying Letter of Credit, U.S. Borrower shall pay to Agent an amount equal to such U.S. Letter of Credit Disbursement, not later than 11:00 a.m. (California time), on the date that such U.S. Letter of Credit Disbursement is made, if U.S. Borrower shall have received written or telephonic notice of such Letter of Credit Disbursement prior to 10:00 a.m., California time, on such date, or, if such notice has not been received by U.S. Borrower prior to such time on such date, then not later than 11:00 a.m., California time, on the date of receipt, and, in the absence of such payment, the amount of the Letter of Credit Disbursement immediately and automatically shall be deemed to be a U.S. Advance hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 3) and, initially, shall bear interest at the rate then applicable to U.S. Advances that are Base Rate Loans. If a U.S. Letter of Credit Disbursement is deemed to be a U.S. Advance hereunder, U.S. Borrower's obligation to pay the amount of such Letter of Credit Disbursement to U.S. Issuing Lender shall be automatically converted into an obligation to pay the resulting U.S. Advance. Promptly following receipt by Agent of any payment from U.S. Borrower pursuant to this paragraph, Agent shall distribute such payment to the U.S. Issuing Lender or, to the extent that U.S. Lenders have made payments pursuant to this Section 2.11(a)(ii) to reimburse the U.S. Issuing Lender, then to such U.S. Lenders and the U.S. Issuing Lender as their interests may appear.

(iii) Each standby U.S. Letter of Credit (and corresponding U.S. Underlying Letter of Credit) shall have an expiry date no later than the date that is twelve months after the issuance or renewal of such U.S. Letter of Credit; provided, that any standby U.S. Letter of Credit may provide for the

automatic extension thereof for any number of additional periods each of up to one year in duration; provided further, that with respect to any U.S. Letter of Credit which extends beyond the Maturity Date, Letter of Credit Collateralization shall be provided therefor on or before the date that is five Business Days prior to the Maturity Date. Each commercial U.S. Letter of Credit shall expire on the earlier of (i) 120 days after the date of the issuance of such commercial U.S. Letter of Credit and (ii) five Business Days prior to the Maturity Date.

(iv) Promptly following receipt of a notice of a Letter of Credit Disbursement pursuant to Section 2.11(a)(i), each U.S. Lender with a U.S. Revolver Commitment agrees to fund its Pro Rata Share of any U.S. Advance deemed made pursuant to the foregoing subsection on the same terms and conditions as if U.S. Borrower had requested the amount thereof as a U.S. Advance and Agent shall promptly pay to U.S. Issuing Lender the amounts so received by it from the U.S. Lenders. By the issuance of a U.S. Letter of Credit or a U.S. Reimbursement Undertaking (or an amendment, renewal or extension of a U.S. Letter of Credit or a U.S. Reimbursement Undertaking increasing the amount thereof) and without any further action on the part of the U.S. Issuing Lender or the U.S. Lenders with U.S. Revolver Commitments, the U.S. Issuing Lender shall be deemed to have granted to each U.S. Lender with a U.S. Revolver Commitment, and each U.S. Lender with a U.S. Revolver Commitment shall be deemed to have purchased, a participation in each U.S. Letter of Credit issued by U.S. Issuing Lender and each U.S. Reimbursement Undertaking, in an amount equal to its Pro Rata Share of such U.S. Letter of Credit or a U.S. Reimbursement Undertaking, and each such U.S. Lender agrees to pay to Agent, for the account of the U.S. Issuing Lender, such U.S. Lender's Pro Rata Share of any Letter of Credit Disbursement made by the U.S. Issuing Lender or a U.S. Underlying Issuer under such U.S. Letter of Credit. In consideration and in furtherance of the foregoing, each U.S. Lender with a U.S. Revolver Commitment hereby absolutely and unconditionally agrees to pay to Agent, for the account of the U.S. Issuing Lender, such U.S. Lender's Pro Rata Share of each U.S. Letter of Credit Disbursement made by the U.S. Issuing Lender or U.S. Underlying Issuer and not reimbursed by U.S. Borrower (each such amount so paid until reimbursed, a "U.S. Unpaid Drawing" and together with the Canadian Unpaid Drawings, "Unpaid Drawings") on the date due as provided in Section 2.11(a)(i), or of any reimbursement payment required to be refunded to U.S. Borrower for any reason. Each U.S. Lender with a U.S. Revolver Commitment acknowledges and agrees that its obligation to deliver to Agent, for the account of the U.S. Issuing Lender, an amount equal to its respective Pro Rata Share of each Letter of Credit Disbursement pursuant to this Section 2.11(a)(iv) shall be absolute and unconditional and such remittance shall be made notwithstanding the occurrence or continuation of an Event of Default or Default or the failure to satisfy any condition set forth in Section 3. If any such U.S. Lender fails to make available to Agent the amount of such Lender's Pro Rata Share of a U.S. Letter of Credit Disbursement as provided in this Section, such U.S. Lender shall be deemed to be a Defaulting Lender and Agent (for the account of the U.S. Issuing Lender) shall be entitled to recover such amount on demand from such U.S. Lender together with interest thereon at the Defaulting Lender Rate until paid in full.

(v) U.S. Borrower hereby agrees that each U.S. Underlying Issuer shall be entitled to the benefits of Section 10.3. U.S. Borrower agrees to be bound by the U.S. Underlying Issuer's regulations and interpretations of any U.S. Letter of Credit or by U.S. Issuing Lender's interpretations of any U.S. Reimbursement Undertaking even though this interpretation may be different from U.S. Borrower's own, and U.S. Borrower understands and agrees that none of the U.S. Issuing Lender, the Lender Group, or any U.S. Underlying Issuer shall be liable for any error, negligence, or mistake, whether of omission or commission, in following U.S. Borrower's instructions or those contained in the U.S. Letter of Credit or any modifications, amendments, or supplements thereto. U.S. Borrower understands that the U.S. Reimbursement Undertakings may require U.S. Issuing Lender to indemnify the U.S. Underlying Issuer for certain costs or liabilities arising out of claims by U.S. Borrower against such U.S. Underlying Issuer, except to the extent that a court of competent jurisdiction in a final and non-appealable decision determines that such error, negligence or mistake resulted from the gross negligence or willful misconduct

of any U.S. Issuing Lender, any other member of the Lender Group or any U.S. Underlying Issuer. U.S. Borrower hereby acknowledges and agrees that none of the U.S. Issuing Lender, any other member of the Lender Group, or any U.S. Underlying Issuer shall be responsible for delays, errors, or omissions resulting from the malfunction of equipment in connection with any U.S. Letter of Credit, except to the extent that a court of competent jurisdiction in a final and non-appealable decision determines that such error, delay, negligence or mistake resulted from the gross negligence or willful misconduct of any U.S. Issuing Lender, any other member of the Lender Group or any U.S. Underlying Issuer.

(vi) U.S. Borrower hereby authorizes and directs any U.S. Underlying Issuer to deliver to the U.S. Issuing Lender all instruments, documents, and other writings and property received by such U.S. Underlying Issuer pursuant to such U.S. Underlying Letter of Credit and to accept and rely upon the U.S. Issuing Lender's instructions with respect to all matters arising in connection with such U.S. Underlying Letter of Credit and the related application.

(vii) U.S. Borrower agrees to pay immediately upon demand to the U.S. Issuing Lender a fee in respect of each U.S. Letter of Credit issued hereunder by such U.S. Issuing Lender, for the period from and including the date of issuance of such Letter of Credit to but excluding the termination or expiration date of such Letter of Credit, computed at the rate for each day equal to 0.125% per annum or such other amount as is agreed in a separate writing between the applicable U.S. Issuing Lender and U.S. Borrower on the average Daily Balance of U.S. Letter of Credit Exposure attributable to Letters of Credit issued by it (excluding any portion attributable to Unpaid Drawings) during the immediately preceding month (or portion thereof). Such fee shall be due and payable on the first Business Day of each month and on the Payoff Date. In addition, U.S. Borrower agrees to pay directly to the applicable U.S. Issuing Lender as Lender Group Expenses upon each issuance of, drawing under and/or amendment, renewal or extension of a U.S. Letter of Credit issued by it such amount as such U.S. Issuing Lender and U.S. Borrower shall have agreed upon for issuances of, drawings under or amendments of, renewals or extensions of, Letters of Credit issued by it.

(viii) If by reason of (A) any change after the Closing Date in any Applicable Law, or any change in the interpretation or application thereof by any Governmental Authority, or (B) compliance by the U.S. Issuing Lender, any Lender, or U.S. Underlying Issuer with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority including, Regulation D of the Board made after the Closing Date:

(1) any reserve, deposit, or similar requirement (other than reserves, deposits, or similar requirements of a *de minimis* nature) is or shall be imposed or modified in respect of any U.S. Letter of Credit issued or caused to be issued hereunder or hereby, or

(2) there shall be imposed on the U.S. Issuing Lender, any Lender, or U.S. Underlying Issuer any other condition regarding any U.S. Letter of Credit or U.S. Reimbursement Undertaking,

and the result of the foregoing is to increase, directly or indirectly, the cost to the U.S. Issuing Lender, any Lender, or a U.S. Underlying Issuer of issuing, making, guaranteeing, or maintaining any U.S. Reimbursement Undertaking or U.S. Letter of Credit or to reduce the amount receivable in respect thereof (other than any such increase or reduction attributable to taxes which is indemnified under Section 16), then, and in any such case, Agent may, at any time within a reasonable period after the additional cost is incurred or the amount received is reduced, notify in writing U.S. Borrower, and U.S. Borrower shall pay within 30 days after demand therefor, such amounts as Agent may specify to be necessary to compensate the U.S. Issuing Lender, any Lender, or a U.S. Underlying Issuer for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate

then applicable to Base Rate Loans hereunder; provided, however, that U.S. Borrower shall not be required to provide any compensation pursuant to this Section for any such amounts incurred more than 180 days prior to the date on which the demand for payment of such amounts is first made to U.S. Borrower; provided further that if an event or circumstance giving rise to such amounts is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by Agent of any amount due pursuant to this Section, as set forth in a certificate setting forth the basis for the determination of such reimbursement and calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

(ix) U.S. Borrower is responsible for the final text of the U.S. Letters of Credit as issued by a U.S. Issuing Lender or a U.S. Underlying Issuer, irrespective of any assistance any U.S. Issuing Lender or any U.S. Underlying Issuer may provide such as drafting or recommending text or by such U.S. Issuing Lender's or such U.S. Underlying Issuer's use or refusal to use text submitted by U.S. Borrower. U.S. Borrower understands that the final form of any U.S. Letter of Credit may be subject to such revisions and changes as are deemed necessary or appropriate by a U.S. Issuing Lender or a U.S. Underlying Issuer, and U.S. Borrower hereby consents to such revisions and changes not materially different from the application executed in connection therewith. U.S. Borrower is solely responsible for the suitability of the U.S. Letter of Credit for U.S. Borrower's purposes. If U.S. Borrower requests U.S. Issuing Lender or a U.S. Underlying Issuer to issue a U.S. Letter of Credit for an affiliated or unaffiliated third party (a "U.S. Account Party"), (i) such U.S. Account Party shall have no rights against any U.S. Issuing Lender or any U.S. Underlying Issuer; (ii) U.S. Borrower shall be responsible for the application and obligations under this Agreement; and (iii) communications (including notices) related to the respective U.S. Letter of Credit shall be among U.S. Issuing Lender, the U.S. Underlying Issuer and U.S. Borrower. U.S. Borrower will examine the copy of the U.S. Letter of Credit and any other documents sent by a U.S. Issuing Lender or a U.S. Underlying Issuer in connection therewith and shall promptly notify U.S. Issuing Lender (not later than three (3) Business Days following U.S. Borrower's receipt of documents from a U.S. Issuing Lender or a U.S. Underlying Issuer) of any non-compliance with U.S. Borrower's instructions and of any discrepancy in any document under any presentment or other irregularity. U.S. Borrower understands and agrees that any U.S. Issuing Lender and any U.S. Underlying Issuer is not required to extend the expiration date of any U.S. Letter of Credit for any reason. With respect to any U.S. Letter of Credit containing an "automatic amendment" to extend the expiration date of such U.S. Letter of Credit, U.S. Issuing Lender or U.S. Underlying Issuer, in its sole and absolute discretion, may give notice of nonrenewal of such U.S. Letter of Credit and, if U.S. Borrower does not at any time want the then current expiration date of such U.S. Letter of Credit to be extended, U.S. Borrower will so notify Agent and U.S. Issuing Lender and U.S. Underlying Issuer at least 30 calendar days before U.S. Issuing Lender or the U.S. Underlying Issuer is required to notify the beneficiary of such U.S. Letter of Credit or any advising bank of such non-extension pursuant to the terms of such U.S. Letter of Credit.

(x) Borrowers' reimbursement and payment obligations under this Section 2.11(a) are absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever; provided, that subject to Section 2.11(a)(iv) above, the foregoing shall not release any U.S. Issuing Lender or any U.S. Underlying Issuer from such liability to U.S. Borrower as may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction against a U.S. Issuing Lender or a U.S. Underlying Issuer following reimbursement or payment of the obligations and liabilities, including reimbursement and other payment obligations, of Borrowers to a U.S. Issuing Lender or a U.S. Underlying Issuer arising under, or in connection with, this Section 2.11(a) or any U.S. Letter of Credit.

(xi) Without limiting any other provision of this Agreement, U.S. Issuing Lender, U.S. Underlying Issuer and each other Letter of Credit Related Person (if applicable) shall not be responsible to Borrowers for, and U.S. Issuing Lender's and U.S. Underlying Issuer's rights and remedies

against U.S. Borrower and the obligation of Borrowers to reimburse such U.S. Issuing Lender or such U.S. Underlying Issuer for each drawing under each U.S. Letter of Credit shall not be impaired by:

(1) honor of a presentation under any U.S. Letter of Credit that on its face substantially complies with the terms and conditions of such U.S. Letter of Credit, even if the U.S. Letter of Credit requires strict compliance by the beneficiary;

(2) honor of a presentation of any Drawing Document that appears on its face to have been signed, presented or issued (A) by any purported successor or transferee of any beneficiary or other Person required to sign, present or issue such Drawing Document or (B) under a new name of the beneficiary;

(3) acceptance as a draft of any written or electronic demand or request for payment under a U.S. Letter of Credit, even if nonnegotiable or not in the form of a draft or notwithstanding any requirement that such draft, demand or request bear any or adequate reference to the U.S. Letter of Credit;

(4) the identity or authority of any presenter or signer of any Drawing Document or the form, accuracy, genuineness or legal effect of any Drawing Document (other than U.S. Issuing Lender's or Underlying Issuer's determination that such Drawing Document appears on its face substantially to comply with the terms and conditions of the U.S. Letter of Credit);

(5) acting upon any instruction or request relative to a U.S. Letter of Credit or requested U.S. Letter of Credit that U.S. Issuing Lender or a U.S. Underlying Issuer in good faith believes to have been given by a Person authorized to give such instruction or request;

(6) any errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document (regardless of how sent or transmitted) or for errors in interpretation of technical terms or in translation or any delay in giving or failing to give notice to U.S. Borrower;

(7) any acts, omissions or fraud by, or the insolvency of, any beneficiary, any nominated person or entity or any other Person or any breach of contract between any beneficiary and U.S. Borrower or any of the parties to the underlying transaction to which the U.S. Letter of Credit relates;

(8) assertion or waiver of any provision of the ISP or UCP that primarily benefits an issuer of a letter of credit, including any requirement that any Drawing Document be presented to it at a particular hour or place;

(9) payment to any presenting bank (designated or permitted by the terms of the applicable U.S. Letter of Credit) claiming that it rightfully honored or is entitled to reimbursement or indemnity under Standard Letter of Credit Practice applicable to it;

(10) acting or failing to act as required or permitted under Standard Letter of Credit Practice applicable to where U.S. Issuing Lender or U.S. Underlying Issuer has issued, confirmed, advised or negotiated such U.S. Letter of Credit, as the case may be;

(11) honor of a presentation after the expiration date of any U.S. Letter of Credit notwithstanding that a presentation was made prior to such expiration date and dishonored by

U.S. Issuing Lender or U.S. Underlying Issuer if subsequently U.S. Issuing Lender, U.S. Underlying Issuer or any court or other finder of fact determines such presentation should have been honored;

(12) dishonor of any presentation that does not strictly comply or that is fraudulent, forged or otherwise not entitled to honor; or

(13) honor of a presentation that is subsequently determined by U.S. Issuing Lender or U.S. Underlying Issuer to have been made in violation of international, federal, state or local restrictions on the transaction of business with certain prohibited Persons.

(xii) If (i) any Event of Default shall occur and be continuing, or (ii) Availability shall at any time be less than zero, then on the Business Day following the date when the Borrowers receives notice from Agent or the Required Lenders (or, if the maturity of the Obligations has been accelerated, Revolving Lenders with U.S. Letter of Credit Exposure representing greater than 50% of the total U.S. Letter Credit Exposure) demanding Letter of Credit Collateralization pursuant to this Section 2.11(a) upon such demand, Borrowers shall provide Letter of Credit Collateralization with respect to the then existing U.S. Letter of Credit Usage. If Borrowers fail to provide Letter of Credit Collateralization as required by this Section 2.11(a), the U.S. Lenders may (and, upon direction of Agent, shall) advance, as a U.S. Advance, the amount of the cash collateral required pursuant to the Letter of Credit Collateralization provision so that the then existing U.S. Letter of Credit Usage is cash collateralized in accordance with the Letter of Credit Collateralization provision, whether or not the U.S. Revolver Commitments have terminated, an Overadvance exists or the conditions in Section 3 are satisfied.

(xiii) Unless otherwise expressly agreed by U.S. Issuing Lender, U.S. Underlying Issuer and U.S. Borrower when a U.S. Letter of Credit is issued (including any such agreement applicable to Pre-Petition Letters of Credit), (i) the rules of the ISP shall apply to each standby U.S. Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial U.S. Letter of Credit.

(xiv) U.S. Issuing Lender and U.S. Underlying Issuer shall be deemed to have acted with due diligence and reasonable care if U.S. Issuing Lender's or U.S. Underlying Issuer's conduct is in accordance with Standard Letter of Credit Practice or in accordance with this Agreement

(xv) At U.S. Borrower's costs and expense, U.S. Borrower shall execute and deliver to U.S. Issuing Lender and U.S. Underlying Issuer such additional certificates, instruments and/or documents and take such additional action as may be reasonably requested by U.S. Issuing Lender or U.S. Underlying Issuer to enable U.S. Issuing Lender or U.S. Underlying Issuer to issue any U.S. Letter of Credit pursuant to this Agreement and related Issuer Document, to protect, exercise and/or enforce U.S. Issuing Lenders' or U.S. Underlying Issuer's rights and interests under this Agreement or to give effect to the terms and provisions of this Agreement or any Issuer Document. U.S. Borrower irrevocably appoints U.S. Issuing Lender and U.S. Underlying Issuer as its attorney-in-fact and authorizes U.S. Issuing Lender and U.S. Underlying Issuer, without notice to any Borrower, to execute and deliver ancillary documents and letters customary in the letter of credit business that may include but are not limited to advisements, indemnities, checks, bills of exchange and issuance documents. The power of attorney granted by U.S. Borrower is limited solely to such actions related to the issuance, confirmation or amendment of any U.S. Letter of Credit and to ancillary documents or letters customary in the letter of credit business. This appointment is coupled with an interest.

(xvi) U.S. Borrower agrees to indemnify, defend and hold harmless each member of the Lender Group (including U.S. Issuing Lender, U.S. Underlying Issuer and their respective branches, Affiliates, and correspondents) and each such Person's respective directors, officers, employees, attorneys and agents (each, including U.S. Issuing Lender and U.S. Underlying Issuer, a "Letter of Credit

Related Person") (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable fees and disbursements of attorneys, experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), which may be incurred by or awarded against any Letter of Credit Related Person (other than Taxes, which shall be governed by Section 16) (the "Letter of Credit Indemnified Costs"), and which arise out of or in connection with, or as a result of this Agreement, any Letter of Credit, any Issuer Document, or any Drawing Document referred to in or related to any Letter of Credit, or any action or proceeding arising out of any of the foregoing (whether administrative, judicial or in connection with arbitration); in each case, including that resulting from the Letter of Credit Related Person's own negligence; provided, that such indemnity shall not be available to any Letter of Credit Related Person claiming indemnification to the extent that such Letter of Credit Indemnified Costs may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted directly from the gross negligence or willful misconduct of the Letter of Credit Related Person claiming indemnity. This indemnification provision shall survive termination of this Agreement and all Letters of Credit. The liability of U.S. Issuing Lender or U.S. Underlying Issuer (or any other Letter of Credit Related Person) under, in connection with or arising out of any U.S. Letter of Credit (or pre-advice), regardless of the form or legal grounds of the action or proceeding, shall be limited to direct damages suffered by U.S. Borrower that are caused directly by U.S. Issuing Lender's or U.S. Underlying Issuer's gross negligence or willful misconduct in (i) honoring a presentation under a U.S. Letter of Credit that on its face does not at least substantially comply with the terms and conditions of such U.S. Letter of Credit, (ii) failing to honor a presentation under a U.S. Letter of Credit that strictly complies with the terms and conditions of such U.S. Letter of Credit, or (iii) retaining Drawing Documents presented under a U.S. Letter of Credit. U.S. Borrowers' aggregate remedies against U.S. Issuing Lender and any other Letter of Credit Related Person for wrongfully honoring a presentation under any U.S. Letter of Credit or wrongfully retaining honored Drawing Documents shall in no event exceed the aggregate amount paid by U.S. Borrower to U.S. Issuing Lender in respect of the honored presentation in connection with such U.S. Letter of Credit under Sections 2.11(a)(ii), *plus* interest at the rate then applicable to Base Rate Loans hereunder. U.S. Borrower shall take action to avoid and mitigate the amount of any damages claimed against U.S. Issuing Lender, U.S. Underlying Issuer or any other Letter of Credit Related Person, including by enforcing its rights against the beneficiaries of the U.S. Letters of Credit. Any claim by U.S. Borrower under or in connection with U.S. Letter of Credit shall be reduced by an amount equal to the sum of (x) the amount (if any) saved by U.S. Borrowers as a result of the breach or alleged wrongful conduct complained of, and (y) the amount (if any) of the loss that would have been avoided had U.S. Borrower taken all reasonable steps to mitigate any loss, and in case of a claim of wrongful dishonor, by specifically and timely authorizing U.S. Issuing Lender or U.S. Underlying Issuer to effect a cure.

(xvii) In the event of a direct conflict between the provisions of this Section 2.11(a) and any provision contained in any Issuer Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.11(a) shall control and govern.

(xviii) The provisions of this Section 2.11 shall survive the termination of this Agreement and the repayment in full of the Obligations with respect to any U.S. Letters of Credit that remain outstanding.

(b) **Canadian Letters of Credit**

(i) Subject to the terms and conditions of this Agreement, upon the request of Canadian Borrower made in accordance herewith, the Canadian Issuing Lender agrees to issue, or to cause

a Canadian Underlying Issuer (including, as Canadian Issuing Lender's agent) to issue, a requested standby Canadian Letter of Credit or a sight commercial Canadian Letter of Credit for the account of Canadian Borrower. If Canadian Issuing Lender, at its option, elects to cause a Canadian Underlying Issuer to issue a requested Canadian Letter of Credit, then Canadian Issuing Lender agrees that it will enter into arrangements relative to the reimbursement of such Canadian Underlying Issuer (which may include, among, other means, by becoming an applicant with respect to such Canadian Letter of Credit or entering into undertakings which provide for reimbursements of such Canadian Underlying Issuer with respect to such Canadian Letter of Credit; each such obligation or undertaking, irrespective of whether in writing, a "Canadian Reimbursement Undertaking") with respect to Canadian Letters of Credit issued by such Canadian Underlying Issuer. By submitting a request to Canadian Issuing Lender for the issuance of a Canadian Letter of Credit, Canadian Borrower shall be deemed to have requested that Canadian Issuing Lender issue or that a Canadian Underlying Issuer issue the requested Canadian Letter of Credit and to have requested Canadian Issuing Lender to issue a Canadian Reimbursement Undertaking with respect to such requested Canadian Letter of Credit if it is to be issued by a Canadian Underlying Issuer (it being expressly acknowledged and agreed by Canadian Borrower that Canadian Borrower is and shall be deemed to be an applicant (within the meaning of Section 5-102(a)(2) of the Code) with respect to each Canadian Underlying Letter of Credit). Each request for the issuance of a Canadian Letter of Credit, or the amendment, renewal, or extension of any outstanding Canadian Letter of Credit, shall be made in writing by an Authorized Person and delivered to the Canadian Issuing Lender and Agent via hand delivery, telefacsimile, or other electronic method of transmission reasonably in advance of the requested date of issuance, amendment, renewal, or extension. Each such request shall be in form and substance reasonably satisfactory to the Agent and the Canadian Issuing Lender in its Permitted Discretion and shall specify (A) the amount of such Canadian Letter of Credit, (B) the date of issuance, amendment, renewal, or extension of such Canadian Letter of Credit, (C) the expiration date of such Canadian Letter of Credit, (D) the name and address of the beneficiary of the Canadian Letter of Credit, and (E) such other information (including the conditions of drawing and, in the case of an amendment, renewal, or extension, identification of the outstanding Canadian Letter of Credit to be so amended, renewed, or extended) as shall be reasonably necessary to prepare, amend, renew, or extend such Canadian Letter of Credit, and shall be accompanied by such Issuer Documents as Agent or Canadian Issuing Lender or a Canadian Underlying Issuer may request or require, to the extent that such requests or requirements are consistent with the Issuer Documents that Canadian Issuing Lender or Canadian Underlying Issuer, as applicable, generally requests for Canadian Letters of Credit in similar circumstances. Canadian Issuing Lender's and Canadian Underlying Issuer's records of the content of any such request will be conclusive. Each Canadian Letter of Credit shall be denominated in U.S. Dollars. Anything contained herein to the contrary notwithstanding, the Canadian Issuing Lender may, but shall not be obligated to issue, or cause the issuance of a Canadian Letter of Credit or to issue a Canadian Reimbursement Undertaking in respect of a Canadian Underlying Letter of Credit, in either case, that supports the obligations of a Loan Party or its Subsidiaries in respect of (1) a lease of real property, or (2) an employment contract. The Canadian Issuing Lender shall have no obligation to issue a Canadian Letter of Credit or a Canadian Reimbursement Undertaking in respect of a Canadian Underlying Letter of Credit, in either case, if any of the following would result after giving effect to the requested issuance:

(1) the Canadian Letter of Credit Usage would exceed the U.S. Dollar Equivalent of the Canadian Borrowing Base *less* the outstanding amount of Canadian Advances (inclusive of Canadian Swing Loans), or

(2) the Canadian Letter of Credit Usage would exceed the Canadian L/C Sublimit, or

(3) the Canadian Letter of Credit Usage would exceed the Maximum Canadian Revolver Amount less the outstanding amount of Canadian Advances (including Canadian Swing Loans).

(ii) Canadian Borrower and the Lender Group hereby acknowledge and agree that all Pre-Petition Canadian Letters of Credit shall constitute Canadian Letters of Credit under this Agreement on and after the Closing Date with the same effect as if such Pre-Petition Canadian Letters of Credit were issued by Canadian Issuing Lender or a Canadian Underlying Issuer under this Agreement at the request of Canadian Borrower on the Closing Date. Any Canadian Issuing Lender or Canadian Underlying Issuer (other than The Toronto Dominion Bank, Wells Fargo or any of their Affiliates) shall notify Agent in writing no later than the Business Day prior to the Business Day on which such Canadian Issuing Lender or Canadian Underlying Issuer issues any Canadian Letter of Credit. In addition, each Canadian Issuing Lender and Canadian Underlying Issuer (other than The Toronto Dominion Bank, Wells Fargo or any of their Affiliates) shall, on the first Business Day of each week, submit to Agent a report detailing the daily undrawn amount of each Canadian Letter of Credit issued by such Canadian Issuing Lender and Canadian Underlying Issuer during the prior calendar week. Each Canadian Letter of Credit shall be in form and substance reasonably acceptable to the Canadian Issuing Lender, including the requirement that the amounts payable thereunder must be payable in either Canadian Dollars or U.S. Dollars. If Canadian Issuing Lender makes a payment under a Canadian Letter of Credit or a Canadian Underlying Issuer makes a payment under a Canadian Underlying Letter of Credit, Canadian Borrower shall pay to Agent an amount equal to such Canadian Letter of Credit Disbursement, not later than 11:00 a.m. (California time), on the date that such Canadian Letter of Credit Disbursement is made, if Canadian Borrower shall have received written or telephonic notice of such Letter of Credit Disbursement prior to 10:00 a.m., California time, on such date, or, if such notice has not been received by Canadian Borrower prior to such time on such date, then not later than 11:00 a.m., California time, on the Business Day that Canadian Borrower receives such notice, if such notice is received prior to 10:00 a.m., California time, on the date of receipt, and, in the absence of such payment, the amount of the Letter of Credit Disbursement immediately and automatically shall be deemed to be a Canadian Advance hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 3) and, initially, shall bear interest at the rate then applicable to Canadian Advances that are Base Rate Loans. If a Canadian Letter of Credit Disbursement is deemed to be a Canadian Advance hereunder, Canadian Borrower's obligation to pay the amount of such Letter of Credit Disbursement to Canadian Issuing Lender shall be automatically converted into an obligation to pay the resulting Canadian Advance. Promptly following receipt by Agent of any payment from Canadian Borrower pursuant to this paragraph, Agent shall distribute such payment to the Canadian Issuing Lender or, to the extent that Canadian Lenders have made payments pursuant to this Section 2.11(b)(ii) to reimburse the Canadian Issuing Lender, then to such Canadian Lenders and the Canadian Issuing Lender as their interests may appear.

(iii) Each standby Canadian Letter of Credit (and corresponding Canadian Underlying Letter of Credit) shall have an expiry date no later than the date that is twelve months after the issuance or renewal of such Canadian Letter of Credit; provided, that any standby Canadian Letter of Credit may provide for the automatic extension thereof for any number of additional periods each of up to one year in duration; provided further, that with respect to any Canadian Letter of Credit which extends beyond the Maturity Date, Letter of Credit Collateralization shall be provided therefor on or before the date that is five Business Days prior to the Maturity Date. Each commercial Canadian Letter of Credit shall expire on the earlier of (i) 120 days after the date of the issuance of such commercial Canadian Letter of Credit and (ii) five Business Days prior to the Maturity Date.

(iv) Promptly following receipt of a notice of a Letter of Credit Disbursement pursuant to Section 2.11(b)(i), each Canadian Lender with a Canadian Revolver Commitment agrees to fund its Pro Rata Share of any Canadian Advance deemed made pursuant to the foregoing subsection on

the same terms and conditions as if Canadian Borrower had requested the amount thereof as a Canadian Advance and Agent shall promptly pay to Canadian Issuing Lender the amounts so received by it from the Canadian Lenders. By the issuance of a Canadian Letter of Credit or a Canadian Reimbursement Undertaking (or an amendment, renewal or extension of a Canadian Letter of Credit or a Canadian Reimbursement Undertaking increasing the amount thereof) and without any further action on the part of the Canadian Issuing Lender or the Canadian Lenders with Canadian Revolver Commitments, the Canadian Issuing Lender shall be deemed to have granted to each Canadian Lender with a Canadian Revolver Commitment, and each Canadian Lender with a Canadian Revolver Commitment shall be deemed to have purchased, a participation in each Canadian Letter of Credit issued by Canadian Issuing Lender and each Canadian Reimbursement Undertaking, in an amount equal to its Pro Rata Share of such Canadian Letter of Credit or a Canadian Reimbursement Undertaking, and each such Canadian Lender agrees to pay to Agent, for the account of the Canadian Issuing Lender, such Canadian Lender's Pro Rata Share of any Letter of Credit Disbursement made by the Canadian Issuing Lender or a Canadian Underlying Issuer under such Canadian Letter of Credit. In consideration and in furtherance of the foregoing, each Canadian Lender with a Canadian Revolver Commitment hereby absolutely and unconditionally agrees to pay to Agent, for the account of the Canadian Issuing Lender, such Canadian Lender's Pro Rata Share of each Canadian Letter of Credit Disbursement made by the Canadian Issuing Lender or Canadian Underlying Issuer and not reimbursed by Canadian Borrower (each such amount so paid until reimbursed, a "Canadian Unpaid Drawing") on the date due as provided in Section 2.11(b)(i), or of any reimbursement payment required to be refunded to Canadian Borrower for any reason. Each Canadian Lender with a Canadian Revolver Commitment acknowledges and agrees that its obligation to deliver to Agent, for the account of the Canadian Issuing Lender, an amount equal to its respective Pro Rata Share of each Letter of Credit Disbursement pursuant to this Section 2.11(b)(iv) shall be absolute and unconditional and such remittance shall be made notwithstanding the occurrence or continuation of an Event of Default or Default or the failure to satisfy any condition set forth in Section 3. If any such Canadian Lender fails to make available to Agent the amount of such Lender's Pro Rata Share of a Canadian Letter of Credit Disbursement as provided in this Section, such Canadian Lender shall be deemed to be a Defaulting Lender and Agent (for the account of the Canadian Issuing Lender) shall be entitled to recover such amount on demand from such Canadian Lender together with interest thereon at the Defaulting Lender Rate until paid in full.

(v) Canadian Borrower hereby agrees that each Canadian Underlying Issuer shall be entitled to the benefits of Section 10.3. Canadian Borrower agrees to be bound by the Canadian Underlying Issuer's regulations and interpretations of any Canadian Letter of Credit or by Canadian Issuing Lender's interpretations of any Canadian Reimbursement Undertaking even though this interpretation may be different from Canadian Borrower's own, and Canadian Borrower understands and agrees that none of the Canadian Issuing Lender, the Lender Group, or any Canadian Underlying Issuer shall be liable for any error, negligence, or mistake, whether of omission or commission, in following Canadian Borrower's instructions or those contained in the Canadian Letter of Credit or any modifications, amendments, or supplements thereto. Canadian Borrower understands that the Canadian Reimbursement Undertakings may require Canadian Issuing Lender to indemnify the Canadian Underlying Issuer for certain costs or liabilities arising out of claims by Canadian Borrower against such Canadian Underlying Issuer, except to the extent that a court of competent jurisdiction in a final and non-appealable decision determines that such error, negligence or mistake resulted from the gross negligence or willful misconduct of any U.S. Issuing Lender, any other member of the Lender Group, or any U.S. Underlying Issuer. Canadian Borrower hereby acknowledges and agrees that none of the Canadian Issuing Lender, any other member of the Lender Group, or any Canadian Underlying Issuer shall be responsible for delays, errors, or omissions resulting from the malfunction of equipment in connection with any Canadian Letter of Credit, except to the extent that a court of competent jurisdiction in a final and non-appealable decision determines that such error, delay, negligence or mistake resulted from the gross negligence or willful misconduct of any Canadian Issuing Lender, any other member of the Lender Group, or any Canadian Underlying Issuer.

(vi) Canadian Borrower hereby authorizes and directs any Canadian Underlying Issuer to deliver to the Canadian Issuing Lender all instruments, documents, and other writings and property received by such Canadian Underlying Issuer pursuant to such Canadian Underlying Letter of Credit and to accept and rely upon the Canadian Issuing Lender's instructions with respect to all matters arising in connection with such Canadian Underlying Letter of Credit and the related application.

(vii) Canadian Borrower agrees to pay immediately upon demand to the Canadian Issuing Lender a fee in respect of each Canadian Letter of Credit issued hereunder by such Canadian Issuing Lender, for the period from and including the date of issuance of such Letter of Credit to but excluding the termination or expiration date of such Letter of Credit, computed at the rate for each day equal to 0.125% per annum or such other amount as is agreed in a separate writing between the applicable Canadian Issuing Lender and Canadian Borrower on the average Daily Balance of Canadian Letter of Credit Exposure attributable to Letters of Credit issued by it (excluding any portion attributable to Unpaid Drawings) during the immediately preceding month (or portion thereof). Such fee shall be due and payable on the first Business Day of each month and on the Payoff Date. In addition, Canadian Borrower agrees to pay directly to the applicable Canadian Issuing Lender as Lender Group Expenses upon each issuance of, drawing under and/or amendment, renewal or extension of a Canadian Letter of Credit issued by it such amount as such Canadian Issuing Lender and Canadian Borrower shall have agreed upon for issuances of, drawings under or amendments of, renewals or extensions of, Letters of Credit issued by it.

(viii) If by reason of (A) any change after the Closing Date in any Applicable Law, or any change in the interpretation or application thereof by any Governmental Authority, or (B) compliance by the Canadian Issuing Lender, any Lender, or Canadian Underlying Issuer with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority including, Regulation D of the Board made after the Closing Date:

(1) (A) any reserve, deposit, or similar requirement (other than reserves, deposits, or similar requirements of a de minimis nature) is or shall be imposed or modified in respect of any Canadian Letter of Credit issued or caused to be issued hereunder or hereby, or

(2) there shall be imposed on the Canadian Issuing Lender, any Lender, or Canadian Underlying Issuer any other condition regarding any Canadian Letter of Credit or Canadian Reimbursement Undertaking,

and the result of the foregoing is to increase, directly or indirectly, the cost to the Canadian Issuing Lender, any Lender, or a Canadian Underlying Issuer of issuing, making, guaranteeing, or maintaining any Canadian Reimbursement Undertaking or Canadian Letter of Credit or to reduce the amount receivable in respect thereof (other than any such increase or reduction attributable to taxes which is indemnified under Section 16), then, and in any such case, Agent may, at any time within a reasonable period after the additional cost is incurred or the amount received is reduced, notify in writing Canadian Borrower, and Canadian Borrower shall pay within 30 days after demand therefor, such amounts as Agent may specify to be necessary to compensate the Canadian Issuing Lender, any Lender, or a Canadian Underlying Issuer for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Base Rate Loans hereunder; provided, however, that Canadian Borrower shall not be required to provide any compensation pursuant to this Section for any such amounts incurred more than 180 days prior to the date on which the demand for payment of such amounts is first made to Canadian Borrower; provided further that if an event or circumstance giving rise to such amounts is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by Agent of any amount due pursuant to this Section, as set forth in a certificate setting forth the basis for the determination of such reimbursement and

calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

(ix) Canadian Borrower is responsible for the final text of the Canadian Letters of Credit as issued by a Canadian Issuing Lender or a Canadian Underlying Issuer, irrespective of any assistance any Canadian Issuing Lender or any Canadian Underlying Issuer may provide such as drafting or recommending text or by such Canadian Issuing Lender's or such Canadian Underlying Issuer's use or refusal to use text submitted by Canadian Borrower. Canadian Borrower understands that the final form of any Canadian Letter of Credit may be subject to such revisions and changes as are deemed necessary or appropriate by a Canadian Issuing Lender or a Canadian Underlying Issuer, and Canadian Borrower hereby consents to such revisions and changes not materially different from the application executed in connection therewith. Canadian Borrower is solely responsible for the suitability of the Canadian Letter of Credit for Canadian Borrower's purposes. If Canadian Borrower requests Canadian Issuing Lender or a Canadian Underlying Issuer to issue a Canadian Letter of Credit for an affiliated or unaffiliated third party (a "Canadian Account Party"), (i) such Canadian Account Party shall have no rights against any Canadian Issuing Lender or any Canadian Underlying Issuer; (ii) Canadian Borrower shall be responsible for the application and obligations under this Agreement; and (iii) communications (including notices) related to the respective Canadian Letter of Credit shall be among Canadian Issuing Lender, the Canadian Underlying Issuer and Canadian Borrower. Canadian Borrower will examine the copy of the Canadian Letter of Credit and any other documents sent by a Canadian Issuing Lender or a Canadian Underlying Issuer in connection therewith and shall promptly notify Canadian Issuing Lender (not later than three (3) Business Days following Canadian Borrower's receipt of documents from a Canadian Issuing Lender or a Canadian Underlying Issuer) of any non-compliance with Canadian Borrower's instructions and of any discrepancy in any document under any presentment or other irregularity. Canadian Borrower understands and agrees that any Canadian Issuing Lender and any Canadian Underlying Issuer is not required to extend the expiration date of any Canadian Letter of Credit for any reason. With respect to any Canadian Letter of Credit containing an "automatic amendment" to extend the expiration date of such Canadian Letter of Credit, Canadian Issuing Lender or Canadian Underlying Issuer, in its sole and absolute discretion, may give notice of nonrenewal of such Canadian Letter of Credit and, if Canadian Borrower does not at any time want the then current expiration date of such Canadian Letter of Credit to be extended, Canadian Borrower will so notify Agent and Canadian Issuing Lender and Canadian Underlying Issuer at least 30 calendar days before Canadian Issuing Lender or the Canadian Underlying Issuer is required to notify the beneficiary of such Canadian Letter of Credit or any advising bank of such non-extension pursuant to the terms of such Canadian Letter of Credit.

(x) Borrowers' reimbursement and payment obligations under this Section 2.11(b) are absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever; provided, that subject to Section 2.11(b)(iv) above, the foregoing shall not release any Canadian Issuing Lender or any Canadian Underlying Issuer from such liability to Canadian Borrower as may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction against a Canadian Issuing Lender or a Canadian Underlying Issuer following reimbursement or payment of the obligations and liabilities, including reimbursement and other payment obligations, of Borrowers to a Canadian Issuing Lender or a Canadian Underlying Issuer arising under, or in connection with, this Section 2.11(b) or any Canadian Letter of Credit.

(xi) Without limiting any other provision of this Agreement, Canadian Issuing Lender, Canadian Underlying Issuer and each other Letter of Credit Related Person (if applicable) shall not be responsible to Borrowers for, and Canadian Issuing Lender's and Canadian Underlying Issuer's rights and remedies against Canadian Borrower and the obligation of Borrowers to reimburse such Canadian Issuing Lender or such Canadian Underlying Issuer for each drawing under each Canadian Letter of Credit shall not be impaired by:

(1) honor of a presentation under any Canadian Letter of Credit that on its face substantially complies with the terms and conditions of such Canadian Letter of Credit, even if the Canadian Letter of Credit requires strict compliance by the beneficiary;

(2) honor of a presentation of any Drawing Document that appears on its face to have been signed, presented or issued (A) by any purported successor or transferee of any beneficiary or other Person required to sign, present or issue such Drawing Document or (B) under a new name of the beneficiary;

(3) acceptance as a draft of any written or electronic demand or request for payment under a Canadian Letter of Credit, even if nonnegotiable or not in the form of a draft or notwithstanding any requirement that such draft, demand or request bear any or adequate reference to the Canadian Letter of Credit;

(4) the identity or authority of any presenter or signer of any Drawing Document or the form, accuracy, genuineness or legal effect of any Drawing Document (other than Canadian Issuing Lender's or Underlying Issuer's determination that such Drawing Document appears on its face substantially to comply with the terms and conditions of the Canadian Letter of Credit);

(5) acting upon any instruction or request relative to a Canadian Letter of Credit or requested Canadian Letter of Credit that Canadian Issuing Lender or a Canadian Underlying Issuer in good faith believes to have been given by a Person authorized to give such instruction or request;

(6) any errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document (regardless of how sent or transmitted) or for errors in interpretation of technical terms or in translation or any delay in giving or failing to give notice to Canadian Borrower;

(7) any acts, omissions or fraud by, or the insolvency of, any beneficiary, any nominated person or entity or any other Person or any breach of contract between any beneficiary and Canadian Borrower or any of the parties to the underlying transaction to which the Canadian Letter of Credit relates;

(8) assertion or waiver of any provision of the ISP or UCP that primarily benefits an issuer of a letter of credit, including any requirement that any Drawing Document be presented to it at a particular hour or place;

(9) payment to any presenting bank (designated or permitted by the terms of the applicable Canadian Letter of Credit) claiming that it rightfully honored or is entitled to reimbursement or indemnity under Standard Letter of Credit Practice applicable to it;

(10) acting or failing to act as required or permitted under Standard Letter of Credit Practice applicable to where Canadian Issuing Lender or Canadian Underlying Issuer has issued, confirmed, advised or negotiated such Canadian Letter of Credit, as the case may be;

(11) honor of a presentation after the expiration date of any Canadian Letter of Credit notwithstanding that a presentation was made prior to such expiration date and dishonored by Canadian Issuing Lender or Canadian Underlying Issuer if subsequently Canadian Issuing Lender, Canadian Underlying Issuer or any court or other finder of fact determines such presentation should have been honored;

(12) dishonor of any presentation that does not strictly comply or that is fraudulent, forged or otherwise not entitled to honor; or

(13) honor of a presentation that is subsequently determined by Canadian Issuing Lender or Canadian Underlying Issuer to have been made in violation of international, federal, state or local restrictions on the transaction of business with certain prohibited Persons.

(xii) If (i) any Event of Default shall occur and be continuing, or (ii) Availability shall at any time be less than zero, then on the Business Day following the date when the Borrowers receives notice from Agent or the Required Lenders (or, if the maturity of the Obligations has been accelerated, Revolving Lenders with Canadian Letter of Credit Exposure representing greater than 50% of the total Canadian Letter Credit Exposure) demanding Letter of Credit Collateralization pursuant to this Section 2.11(b) upon such demand, Borrowers shall provide Letter of Credit Collateralization with respect to the then existing Canadian Letter of Credit Usage. If Borrowers fail to provide Letter of Credit Collateralization as required by this Section 2.11(b), the Canadian Lenders may (and, upon direction of Agent, shall) advance, as a Canadian Advance, the amount of the cash collateral required pursuant to the Letter of Credit Collateralization provision so that the then existing Canadian Letter of Credit Usage is cash collateralized in accordance with the Letter of Credit Collateralization provision, whether or not the Canadian Revolver Commitments have terminated, an Overadvance exists or the conditions in Section 3 are satisfied.

(xiii) Unless otherwise expressly agreed by Canadian Issuing Lender, Canadian Underlying Issuer and Canadian Borrower when a Canadian Letter of Credit is issued (including any such agreement applicable to Pre-Petition Letters of Credit), (i) the rules of the ISP shall apply to each standby Canadian Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Canadian Letter of Credit.

(xiv) Canadian Issuing Lender and Canadian Underlying Issuer shall be deemed to have acted with due diligence and reasonable care if Canadian Issuing Lender's or Canadian Underlying Issuer's conduct is in accordance with Standard Letter of Credit Practice or in accordance with this Agreement

(xv) At Canadian Borrower's costs and expense, Canadian Borrower shall execute and deliver to Canadian Issuing Lender and Canadian Underlying Issuer such additional certificates, instruments and/or documents and take such additional action as may be reasonably requested by Canadian Issuing Lender or Canadian Underlying Issuer to enable Canadian Issuing Lender or Canadian Underlying Issuer to issue any Canadian Letter of Credit pursuant to this Agreement and related Issuer Document, to protect, exercise and/or enforce Canadian Issuing Lenders' or Canadian Underlying Issuer's rights and interests under this Agreement or to give effect to the terms and provisions of this Agreement or any Issuer Document. Canadian Borrower irrevocably appoints Canadian Issuing Lender and Canadian Underlying Issuer as its attorney-in-fact and authorizes Canadian Issuing Lender and Canadian Underlying Issuer, without notice to any Borrower, to execute and deliver ancillary documents and letters customary in the letter of credit business that may include but are not limited to advisements, indemnities, checks, bills of exchange and issuance documents. The power of attorney granted by Canadian Borrower is limited solely to such actions related to the issuance, confirmation or amendment of any Canadian Letter of Credit and to ancillary documents or letters customary in the letter of credit business. This appointment is coupled with an interest.

(xvi) Canadian Borrower agrees to indemnify, defend and hold harmless each member of the Lender Group (including Canadian Issuing Lender, Canadian Underlying Issuer and their respective branches, Affiliates, and correspondents) and each such Person's respective directors, officers,

employees, attorneys and agents (each, including Canadian Issuing Lender and Canadian Underlying Issuer, a "Letter of Credit Related Person") (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable fees and disbursements of attorneys, experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), which may be incurred by or awarded against any Letter of Credit Related Person (other than Taxes, which shall be governed by Section 16) (the "Letter of Credit Indemnified Costs"), and which arise out of or in connection with, or as a result of this Agreement, any Letter of Credit, any Issuer Document, or any Drawing Document referred to in or related to any Letter of Credit, or any action or proceeding arising out of any of the foregoing (whether administrative, judicial or in connection with arbitration); in each case, including that resulting from the Letter of Credit Related Person's own negligence; provided, that such indemnity shall not be available to any Letter of Credit Related Person claiming indemnification to the extent that such Letter of Credit Indemnified Costs may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted directly from the gross negligence or willful misconduct of the Letter of Credit Related Person claiming indemnity. This indemnification provision shall survive termination of this Agreement and all Letters of Credit. The liability of Canadian Issuing Lender or Canadian Underlying Issuer (or any other Letter of Credit Related Person) under, in connection with or arising out of any Canadian Letter of Credit (or pre-advice), regardless of the form or legal grounds of the action or proceeding, shall be limited to direct damages suffered by Canadian Borrower that are caused directly by Canadian Issuing Lender's or Canadian Underlying Issuer's gross negligence or willful misconduct in (i) honoring a presentation under a Canadian Letter of Credit that on its face does not at least substantially comply with the terms and conditions of such Canadian Letter of Credit, (ii) failing to honor a presentation under a Canadian Letter of Credit that strictly complies with the terms and conditions of such Canadian Letter of Credit, or (iii) retaining Drawing Documents presented under a Canadian Letter of Credit. Canadian Borrowers' aggregate remedies against Canadian Issuing Lender and any other Letter of Credit Related Person for wrongfully honoring a presentation under any Canadian Letter of Credit or wrongfully retaining honored Drawing Documents shall in no event exceed the aggregate amount paid by Canadian Borrower to Canadian Issuing Lender in respect of the honored presentation in connection with such Canadian Letter of Credit under Sections 2.11(b)(ii), *plus* interest at the rate then applicable to Base Rate Loans hereunder. Canadian Borrower shall take action to avoid and mitigate the amount of any damages claimed against Canadian Issuing Lender, Canadian Underlying Issuer or any other Letter of Credit Related Person, including by enforcing its rights against the beneficiaries of the Canadian Letters of Credit. Any claim by Canadian Borrower under or in connection with Canadian Letter of Credit shall be reduced by an amount equal to the sum of (x) the amount (if any) saved by Canadian Borrowers as a result of the breach or alleged wrongful conduct complained of, and (y) the amount (if any) of the loss that would have been avoided had Canadian Borrower taken all reasonable steps to mitigate any loss, and in case of a claim of wrongful dishonor, by specifically and timely authorizing Canadian Issuing Lender or Canadian Underlying Issuer to effect a cure.

(xvii) In the event of a direct conflict between the provisions of this Section 2.11(b) and any provision contained in any Issuer Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.11(b) shall control and govern.

(xviii) The provisions of this Section 2.11 shall survive the termination of this Agreement and the repayment in full of the Obligations with respect to any Canadian Letters of Credit that remain outstanding.

(c) **Defaulting Lenders.** In the event there is a Defaulting Lender as of the date of any request for the issuance of a Letter of Credit, no Issuing Lender shall be required to issue or arrange for such Letter of Credit to the extent (i) the Defaulting Lender's Letter of Credit Exposure with respect to such Letter of Credit may not be reallocated pursuant to Section 2.3(g), or (ii) such Issuing Lender has not otherwise entered into arrangements reasonably satisfactory to it and Borrowers to eliminate Issuing Lender's risk with respect to the participation in such Letter of Credit of the Defaulting Lender, which arrangements may include a Borrower cash collateralizing such Defaulting Lender's Letter of Credit Exposure in accordance with Section 2.3(g). Additionally, an Issuing Lender shall have no obligation to issue or extend a Letter of Credit if (A) any order, judgment, or decree of any Governmental Authority or arbitrator shall, by its terms, purport to enjoin or restrain Issuing Lender from issuing such Letter of Credit, or any law applicable to Issuing Lender or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Lender shall prohibit or request that such Issuing Lender refrain from the issuance of letters of credit generally or such Letter of Credit in particular, or (B) the issuance of such Letter of Credit would violate one or more policies of such Issuing Lender applicable to letters of credit generally.

(d) **New or Successor Letter of Credit Issuer**. Any Issuing Lender may resign as an Issuing Lender upon 30 days' prior written notice to the Agent, the Lenders and Borrowers. Subject to the terms of the following sentence, Borrowers may add Issuing Lenders at any time upon notice to the Agent and with the consent (not to be unreasonably withheld or delayed) of the Agent. If an Issuing Lender shall resign, then Borrowers may appoint a successor issuer of Letters of Credit, or if Borrowers shall decide to add a new Issuing Lender under this Agreement, then Borrowers may appoint a new Issuing Lender, as the case may be, in either case, with the consent of the Agent (such consent not to be unreasonably withheld), whereupon such successor issuer shall succeed to the rights, powers and duties of the resigning Issuing Lender under this Agreement and the other Loan Documents, or such new issuer of Letters of Credit shall be granted the rights, powers and duties of a Issuing Lender hereunder, and the term "U.S. Issuing Lender" or "Canadian Issuing Lender" shall mean such successor or such new issuer of Letters of Credit effective upon such appointment. At the time such resignation shall become effective, Borrowers shall pay to the resigning Issuing Lender all accrued and unpaid fees pursuant to Sections 2.11(a)(vii) and 2.11(b)(vii), as applicable. The acceptance of any appointment as a Issuing Lender hereunder whether as a successor issuer or new issuer of Letters of Credit in accordance with this Agreement, shall be evidenced by an agreement entered into by such new or successor issuer of Letters of Credit, in a form satisfactory to Borrowers and the Agent and, from and after the effective date of such agreement, such new or successor issuer of Letters of Credit shall become a "U.S. Issuing Lender" or "Canadian Issuing Lender" hereunder. After the resignation of an Issuing Lender hereunder, the resigning Issuing Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Issuing Lender under this Agreement and the other Loan Documents with respect to Letters of Credit issued by it prior to such resignation, but shall not be required to issue additional Letters of Credit. In connection with any resignation pursuant to this Section 2.11(d), only to the extent that a successor issuer of Letters of Credit shall have been appointed, either (i) Borrowers, the resigning Issuing Lender and the successor issuer of Letters of Credit shall arrange to have any outstanding Letters of Credit issued by the resigning Issuing Lender replaced with Letters of Credit issued by the successor issuer of Letters of Credit or (ii) Borrowers shall cause the successor issuer of Letters of Credit, if such successor issuer is reasonably satisfactory to the resigning Issuing Lender, to issue "back-stop" Letters of Credit naming the resigning Issuing Lender as beneficiary for each outstanding Letter of Credit issued by the resigning Issuing Lender, which new Letters of Credit shall have a face amount equal to the Letters of Credit being back-stopped and the sole requirement for drawing on such new Letters of Credit shall be a drawing on the corresponding back-stopped Letters of Credit. After any resigning Issuing Lender's resignation as Issuing Lender, the provisions of this Agreement relating to a Issuing Lender shall inure to its benefit as to any actions taken or omitted to be taken by it (A) while it was a Issuing Lender under this Agreement or (B) at any time with respect to Letters of Credit issued by such Issuing Lender.

2.12 **LIBOR Option**.

(a) **Interest and Interest Payment Dates**. Borrower, in lieu of having interest charged at the rate based upon the Base Rate, shall have the option, subject to Section 2.12(b) below (the "LIBOR Option") to have interest on all or a portion of its Advances be charged (whether at the time when made (unless otherwise provided herein), upon conversion from a Base Rate Loan to a LIBOR Rate Loan, or upon continuation of a LIBOR Rate Loan as a LIBOR Rate Loan) at a rate of interest based upon the LIBOR Rate. Interest on LIBOR Rate Loans shall be payable on the earliest of (i) the last day of the Interest Period applicable thereto, (ii) the date on which all or any portion of the Obligations are accelerated pursuant to the terms hereof, or (iii) the date on which this Agreement is terminated pursuant to the terms hereof. On the last day of each applicable Interest Period, unless the Borrower properly has exercised the LIBOR Option with respect thereto the interest rate applicable to such LIBOR Rate Loan automatically shall convert to the rate of interest then applicable to Base Rate Loans, of the same type hereunder. At any time that an Event of Default has occurred and is continuing, at the written election of Agent or the Required Lenders, no Borrower shall any longer have the option to request that Advances bear interest at a rate based upon the LIBOR Rate and the Agent shall have the right to convert the interest rate on all outstanding LIBOR Rate Loans to the rate applicable to Base Rate Loans hereunder.

(b) **LIBOR Election**.

(i) Either Borrower may, at any time and from time to time, so long as such Borrower has not received a notice from Agent, after the occurrence and during the continuance of an Event of Default, of the election of Agent or the Required Lenders to terminate the right of Borrowers to exercise the LIBOR Option during the continuance of such Event of Default, elect to exercise the LIBOR Option by notifying the Agent prior to 11:00 a.m. (California time) at least three (3) Business Days prior to the commencement of the proposed Interest Period (the "LIBOR Deadline"). Notice of such Borrower's election of the LIBOR Option for a permitted portion of its Advances and an Interest Period pursuant to this Section shall be made by delivery to the Agent of a LIBOR Notice received by Agent before the LIBOR Deadline. Promptly upon its receipt of each such LIBOR Notice, the Agent shall provide a copy thereof to each of the affected Lenders.

(ii) Each LIBOR Notice shall be irrevocable and binding on Borrower. In connection with each LIBOR Rate Loan, the applicable Borrower shall, after receipt of a written request by a Lender (which request shall set forth in reasonable detail the basis for requesting such amount and, absent clearly demonstrable error, the amount requested shall be final and conclusive and binding upon all parties hereto), pay to the Agent for the account of such Lender within 30 days of the date of its receipt of such request any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of (A) the payment of any principal of any LIBOR Rate Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (B) the conversion of any LIBOR Rate Loan other than on the last day of the Interest Period applicable thereto, or (C) the failure to borrow, convert, continue or prepay any LIBOR Rate Loan on the date specified in any LIBOR Notice, delivered pursuant hereto, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund or maintain such LIBOR Rate Loan (such losses, costs, or expenses, "Funding Losses").

(iii) Borrowers shall have no more than seven (7) LIBOR Rate Loans in effect at any given time in the aggregate. Borrowers only may exercise the LIBOR Option for LIBOR Rate Loans of at least $1,000,000.

(c) **Conversion**. Borrowers may convert LIBOR Rate Loans to Base Rate Loans at any time; provided, however, that, in each case, in the event that any LIBOR Rate Loans are converted or prepaid on any date that is not the last day of the Interest Period applicable thereto, including as a result of any automatic prepayment through the required application by Agent of proceeds of the Collections of the Loan Parties to the extent permitted pursuant to the terms of this Agreement, including early termination of the term of this Agreement or acceleration of all or any portion of the Obligations pursuant to the terms hereof, Borrowers shall comply with the requirements of Section 2.12 (b)(ii) above.

(d) **Special Provisions Applicable to the LIBOR Rate**.

(i) If by reason of (X) any change after the Closing Date in any Applicable Law, or any change in the interpretation, implementation or application thereof by any Governmental Authority, or (Y) compliance by any Lender with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority including, Regulation D of the Board made after the Closing Date:

(1) any reserve, deposit, or similar requirement (other than reserves, deposits, or similar requirements of a *de minimis* nature and reserve requirements taken into account in determining Reserve Percentages) is or shall be imposed or modified in respect of any Lender hereunder, or

(2) there shall be imposed on any Lender or on the London interbank market any other condition or cost or expense affecting this Agreement or LIBOR Rate Loans made by such Lender,

and the result of the foregoing is to increase, directly or indirectly, the cost to such Lender of making, converting into, continuing or maintaining LIBOR Rate Loans or to reduce the amount receivable in respect thereof (other than increases or reductions of a *de minimis* nature and other than any such increase or reduction (i) attributable to taxes indemnified under Section 16, (ii) net income taxes and franchise taxes (imposed in lieu of net income), or any U.S. or Canadian federal or capital taxes, imposed (in each case) on any Lender as a result of a present or former connection between such Lender and the jurisdiction of the Governmental Authority imposing such tax (other than any such connection arising from execution or delivery of, receipt of any payments under, performance under or enforcement of, or any other transactions occurring pursuant to, this Agreement or any other Loan Document)) then, and in any such case, the Agent may, at any time within a reasonable period after the additional cost is incurred or the amount received is reduced, notify in writing applicable Borrower thereof, and applicable Borrower shall pay within 30 days after demand therefor, such amounts as Agent may specify to be necessary to compensate such Lender for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Base Rate Loans hereunder; provided, however, that Borrowers shall not be required to provide any compensation pursuant to this Section for any such amounts incurred more than 180 days prior to the date on which the demand for payment of such amounts is first made to the applicable Borrower; provided further that if an event or circumstance giving rise to such amounts is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by Agent of any amount due pursuant to this Section, as set forth in a certificate setting forth the basis for the determination of such reimbursement and calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

(ii) In the event that (A) due to any contingency occurring after the Closing Date that adversely affects the interbank LIBOR market or (B) due to any change after the Closing Date in any Applicable Law, or any change in the interpretation or application thereof by any Governmental

Authority, shall in the reasonable opinion of any Lender, make it unlawful or impractical for such Lender to fund or maintain LIBOR Rate Loans, or to continue such funding or maintaining, or to determine or charge interest rates at the LIBOR Rate, such Lender shall give notice of such changed circumstances to the Agent and Borrowers and the Agent promptly shall transmit the notice to each other Lender and (y) in the case of any LIBOR Rate Loans of such Lender that are outstanding, the date specified in such Lender's notice shall be deemed to be the last day of the Interest Period of such LIBOR Rate Loans and interest upon the LIBOR Rate Loans of such Lender thereafter shall accrue interest at the rate then applicable to Base Rate Loans, and (z) such Lender shall not be required to provide LIBOR Rate Loans to the Borrower until such time as it determines that it would no longer be unlawful or impractical to do so.

(e) **No Requirement of Matched Funding**. Anything to the contrary contained herein notwithstanding, none of Agent, any Lender, or of their respective Participants, is required actually to acquire eurodollar deposits to fund or otherwise match fund any Advance as to which interest accrues at the LIBOR Rate.

(f) This Section 2.12 shall not apply to taxes to the extent duplicative of Section 16.

2.13 **Capital and Liquidity Requirements**.

(a) If, after the Closing Date, any Lender determines that (i) the adoption of or change in any Applicable Law regarding capital, liquidity or reserve requirements for banks or bank holding companies, or any change in the interpretation implementation, or application thereof by any Governmental Authority charged with the administration thereof, in any such case occurring after the Closing Date, or (ii) compliance by such Lender or its parent bank holding company with any guideline, request or directive of any such entity regarding capital adequacy (whether or not having the force of law) or quantitative liquidity requirements, in each case made or adopted after the Closing Date, has the effect of reducing the return on such Lender's or such holding company's capital as a consequence of such Lender's Commitments hereunder to a level below that which such Lender or such holding company could have achieved but for such adoption, change, or compliance (taking into consideration such Lender's or such holding company's then existing policies with respect to capital adequacy and assuming the full utilization of such entity's capital) by any amount deemed by such Lender to be material, then such Lender may notify Borrowers and Agent in writing thereof. Following receipt of such notice, the applicable Borrower agrees to pay such Lender the amount as will compensate such Lender or the holding company for such reduction of return of capital as and when such reduction is determined, payable within 30 days after presentation by such Lender of a statement in the amount and setting forth in reasonable detail the basis for and such Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, such Lender may use any reasonable averaging and attribution methods. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that no Borrower shall be required to compensate a Lender pursuant to this Section for any reductions in return incurred more than 180 days prior to the date that such Lender notifies such Borrower of such law, rule, regulation or guideline giving rise to such reductions and of such Lender's intention to claim compensation therefor; provided further that if such claim arises by reason of the adoption of or change in any law, rule, regulation or guideline that is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. For purposes of this Section 2.13(a), (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof and (y) all requests, rules, guidelines, requirements or directives promulgated under Basel III, shall in each case described in clauses (x) and (y) above, be deemed to be a change in Applicable Law, regardless of the date enacted, adopted, issued or implemented.

(b) If any Lender, any Issuing Lender or any Underlying Issuer requests additional or increased costs pursuant to Sections 2.11(a)(vi), 2.11(b)(vi), 2.12(d)(i), 16 or amounts under Section 2.13(a) or declared its ability to make LIBOR Rate Loans impractical or unlawful pursuant to Section 2.12(d)(ii) (any such Person, an "Affected Lender"), then such Affected Lender shall use reasonable efforts to promptly designate a different one of its lending offices or to assign its rights and obligations hereunder to another of its offices or branches, if (i) in the reasonable judgment of such Affected Lender, such designation or assignment would eliminate or reduce amounts payable pursuant to Sections 2.11(a)(viii), 2.11(b)(viii), 2.12(d)(i), 2.12(d)(ii), 2.13(a) or 16, as applicable, or would eliminate the illegality or impracticality of funding or maintaining LIBOR Rate Loans, and (ii) in the reasonable judgment of such Affected Lender, such designation or assignment would not subject it to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to it. The applicable Borrower agrees to pay all reasonable and documented out-of-pocket costs and expenses incurred by such Affected Lender in connection with any such designation or assignment.

(c) This Section 2.13 shall not apply to taxes to the extent duplicative of Section 16.

2.14 **Certain Bankruptcy Matters**.

(a) Except to the extent expressly provided otherwise in an Order, the Loan Parties hereby agree that, subject only to the Carve Out and the DIP Intercreditor Agreement, the Obligations shall be deemed to (i) constitute DIP Superpriority Claims over all administrative expense claims and claims against each Borrower or the other Loan Parties now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, all administrative expense claims of the kind specified in Sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c) (and subject to entry of the Final Order, the Debtors' rights to charge the DIP Collateral and all collateral securing the Pre-Petition Obligations under Section 506(c) shall be waived), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provisions of the Bankruptcy Code or any equivalent provision of Canadian Bankruptcy and Insolvency Law and all superpriority administrative expense claims granted to any other Person the establishment of which super-priority shall have been approved and authorized by the Bankruptcy Court or the CCAA Court, (ii) pursuant to Bankruptcy Code Section 364(c)(2) and any applicable provisions of the CCAA, be secured by a perfected first-priority security interest in the DIP Collateral, and any proceeds and products thereof in whatever form received, provided, further that the DIP Collateral shall exclude the Debtors' and the CCAA Debtors' claims and causes of action under Chapter 5 of the Bankruptcy Code and any applicable provisions of the CCAA, or other Avoidance Actions, but subject only to, and effective upon, entry of the Final Order and the CCAA Orders, shall include any proceeds or property recovered, unencumbered or otherwise the subject of successful Avoidance Actions, whether by judgment, settlement or otherwise, in each case, to the extent that such DIP Collateral is not subject to valid, perfected and non-avoidable liens as of the commencement of the Cases and the CCAA Cases, (iii) pursuant to Bankruptcy Code Section 364(c)(3) and any applicable provisions of the CCAA, be secured by a perfected lien on all DIP Collateral, to the extent that such DIP Collateral is subject to valid, perfected and non-avoidable liens in favor of third parties in existence at the time of the commencement of the Cases and the CCAA Cases or to valid liens in existence at the time of such commencement that are perfected subsequent to such commencement as permitted by Section 546(b) of the Bankruptcy Code and any applicable provisions of the CCAA and (iv) pursuant to Bankruptcy Code Section 364(d) and any applicable provisions of the CCAA, be secured by a perfected priming first priority lien on all DIP Collateral, to the extent that such DIP Collateral is subject to valid, perfected and non-avoidable liens in favor of third parties as of the commencement of the Cases and the CCAA Cases that secure the obligations of the Loan Parties under or in connection with the Pre-Petition Credit Agreement.

(b) In the event of a conflict between, or inconsistency among, the Orders, on the one hand, and any Loan Document, on the other hand, the Orders, as applicable, shall control.

(c) Notwithstanding anything to the contrary contained herein or elsewhere (except as specifically described below):

(i) the parties hereto agree, and the Orders shall provide, that the Loan Parties shall not be required to prepare, file, register or publish any financing statements, mortgages, account control agreements, notices of Lien or similar instruments in any jurisdiction or filing or registration office, or to take possession of any Collateral or to take any other action in order to validate, render enforceable or opposable or perfect the Liens on the Collateral granted by or pursuant to this Agreement, the Orders, the CCAA Orders or any other Loan Document. Subject to the limitations set forth herein, if the Agent (in its sole discretion), from time to time elects to prepare, file, register or publish any such financing statements, hypothecs, mortgages, account control agreements, notices of Lien or similar instruments, take possession of any Collateral, or take any other action to validate, render enforceable or opposable or perfect all or any portion of the Agent's Liens on the Collateral, (A) all such documents and actions shall be deemed to have been filed, registered, published or recorded or taken at the time and on the date that each of the Interim Order and the CCAA Initial Order is entered, and (B) shall not negate or impair the validity or effectiveness of this Section 2.14 or of the perfection or opposability of any other Liens in favor of the Agent, for the benefit of the Lenders and the other Loan Parties, on the Collateral; and

(ii) except as otherwise agreed to by the Lenders (including, without limitation, in the DIP Intercreditor Agreement) or as otherwise permitted or contemplated by this Agreement, the Orders or the other Loan Documents, the Liens, Lien priorities, DIP Superpriority Claims and other rights and remedies granted to the Loan Parties pursuant to this Agreement, the Orders or the other Loan Documents (specifically including, but not limited to, the existence, perfection, opposability enforceability and priority of the Liens provided for herein and therein, and the DIP Superpriority Claims provided herein and therein) shall not be modified, altered or impaired in any manner by any other financing or extension of credit or incurrence of indebtedness by any Borrower or any other Loan Party (pursuant to Section 364 of the Bankruptcy Code, the CCAA or otherwise), or by dismissal or conversion of the Cases or the CCAA Cases, or by any other act or omission whatsoever.

(d) Without limiting the generality of the foregoing, notwithstanding any such financing, extension, incurrence, dismissal, conversion, act or omission:

(i) subject only to the Carve Out and the Orders, no costs or expenses of administration which have been or may be incurred in the Cases or the CCAA Cases or any conversion of the same or in any other proceedings related thereto, and no priority claims, are or will be prior to or on a parity with any claim of any Lender or the Agent against the Borrowers in respect of any Obligations;

(ii) other than as provided in the Orders or the Loan Documents, the Agent's Liens on the Collateral shall constitute valid, enforceable, opposable and perfected Liens, and, except with respect to the Carve Out (and as otherwise set forth in the DIP Intercreditor Agreement and in the Orders), shall be prior to all other Liens now existing or hereafter arising, in favor of any other creditor or other Person; and

(iii) the parties hereto agree, and the Orders shall provide, that the Agent's Liens on the Collateral shall continue to be valid, enforceable, opposable and perfected without the need for the Agent or any Lender to prepare, file, register or publish any financing statements, mortgages, hypothecs, account control agreements, notices of Lien or similar instruments or to otherwise perfect or render opposable the Agent's Liens under applicable non-bankruptcy law.

(e) In connection with any sale or Disposition of all or any portion of the Collateral, including in each case pursuant to Sections 9-610 or 9-620 of the Code, at any sale thereof conducted

under the provisions of the Bankruptcy Code or the CCAA, including Section 363 of the Bankruptcy Code and section 36 of the CCAA or as part of any plan subject to confirmation under Section 1129 of the Bankruptcy Code or any applicable provision of the CCAA, or at any sale or foreclosure conducted by the Agent, in accordance with applicable law and, with respect to any credit bid, Section 363(k) of the Bankruptcy Code or any applicable provision of the CCAA, each Borrower and each other Loan Party hereby gives the Agent (at the direction of the Required Lenders) the power and right, without assent by such Loan Party, to "credit bid" the full amount of all Obligations then outstanding, in order to purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral.

2.15 **Joint and Several Liability of Borrowers**.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Lender Group under this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations until they are paid in full.

(b) Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrower, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 2.15), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Obligation.

(d) The Obligations of each Borrower under the provisions of this Section 2.15 constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of the provisions of this Agreement (other than this Section 2.15(d)) or any other circumstances whatsoever until the Obligations are paid in full (subject to Section 17.16).

(e) Except as otherwise expressly provided in this Agreement and without waiver of any right that any Borrower has hereunder vis-à-vis any Secured Party with respect to the Advances and Letters of Credit that were made to such Borrower (and other interest, fees, expenses and other Obligations related thereto), each Borrower in connection with its agreement to be jointly and severally liable for the Obligations of the other Borrower only hereby waives notice of acceptance of its joint and several liability, notice of any Advances or Letters of Credit issued under or pursuant to this Agreement on behalf of the other Borrower, notice of the occurrence of any Default, Event of Default, or of any demand for any payment under this Agreement with respect to the other Borrower, notice of any action at any time taken or omitted by Agent or Lenders under or in respect of any of the Obligations of the other Borrower, any requirement of diligence or to mitigate damages by the Secured Parties to the other Borrower and, generally, to the extent permitted by applicable law and applicable to the enforcement of its agreement to be jointly and severally liable for the Obligations of the other Borrower, all demands, notices and other formalities of every kind in connection with this Agreement. Each Borrower in connection with its agreement to be jointly and severally liable for the Obligations of the other Borrower only hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Obligations of the other Borrower, the acceptance of any payment of any of the Obligations of the other Borrower, the acceptance of any partial payment thereon, any waiver, consent or other action or

acquiescence by Agent or Lenders at any time or times in respect of any default by the other Borrower in the performance or satisfaction of any term, covenant, condition or provision of this Agreement, any and all other indulgences whatsoever by Agent or Lenders in respect of any of the Obligations of the other Borrower, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Obligations of the other Borrower or the addition, substitution or release, in whole or in part, of the other Borrower from its obligations hereunder. Without limiting the generality of the foregoing, each Borrower with respect to the Obligations of the other Borrower assents to any other action or delay in acting or failure to act on the part of Agent or Lender with respect to the failure by the other Borrower to comply with any of its Obligations, including, without limitation, any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable laws or regulations thereunder, which might, but for the provisions of this Section 2.15 afford grounds for terminating, discharging or relieving the other Borrower, in whole or in part from its Obligations, it being the intention of each Borrower that until the Obligations are paid in full, the Obligations of each Borrower under this Section 2.15 shall not be discharged except by performance and then only to the extent of such performance. The Obligations of each Borrower under this Section 2.15 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to the other Borrower or Agent or Lender. For avoidance of doubt, no provision in this Section 2.15 shall be interpreted as a waiver of rights hereunder by a Borrower with respect to Advances and Letters of Credit that were made to such Borrower (and other and other interest, fees, expenses and other Obligations related thereto) (it being understood that such rights shall continue to exist as if such Borrower were the only Borrower under this Agreement).

(f) Each Borrower represents and warrants to Agent and Lenders that such Borrower is currently informed of the financial condition of the other Borrower and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations of the other Borrower. Each Borrower further represents and warrants to Agent and Lenders that such Borrower has read and understands the terms and conditions of the Loan Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of the other Borrower's financial condition, the financial condition of other guarantors, if any, and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations of the other Borrower.

(g) Except as otherwise expressly provided in this Agreement and without waiver of any right a Borrower has hereunder with respect to its Advances and Letters of Credit that were made to such Borrower (and other interest, fees, expenses and other Obligations related thereto), each Borrower waives all rights and defenses arising out of an election of remedies by Agent or any Lender, other than the defense that the Obligations have been paid in full, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed Agent's or such Lender's rights of subrogation and reimbursement against such Borrower by the operation of Section 580(d) of the California Code of Civil Procedure or otherwise.

(h) Except as otherwise expressly provided in this Agreement and without waiver of any right a Borrower has hereunder with respect to its Advances and Letters of Credit that were made to such Borrower (and other interest, fees, expenses and other Obligations related thereto), each Borrower waives all rights and defenses that such Borrower may have because the Obligations are secured by Real Property, other than the defense that the Obligations have been paid in full. This means, among other things:

(1) Agent and Lenders may collect from such Borrower without first foreclosing on any Collateral pledged by any other Borrower.

(2) If Agent or any Lender forecloses on any Real Property Collateral pledged by Borrowers:

(A) The amount of the Obligations may be reduced only by the price for which that Collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price.

(B) Agent and Lenders may collect from such Borrower even if Agent or Lenders, by foreclosing on the Real Property Collateral, has destroyed any right such Borrower may have to collect from the other Borrowers.

(i) This is an unconditional and irrevocable waiver of any rights and defenses such Borrower may have because the Obligations are secured by Real Property. These rights and defenses include, but are not limited to, any rights or defenses based upon Section 580a, 580b, 580d or 726 of the California Code of Civil Procedure.

(j) The provisions of this Section 2.15 are made for the benefit of Agent, each member of the Lender Group, each Bank Product Provider, and their respective successors and assigns, and may be enforced by it or them from time to time against either Borrower as often as occasion therefor may arise and without requirement on the part of Agent, any member of the Lender Group, any Bank Product Provider, or any of their successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 2.15 shall remain in effect until all of the Obligations shall have been paid in full or otherwise fully satisfied (subject to Section 17.16). If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by Agent or any Lender upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 2.15 will forthwith be reinstated in effect, as though such payment had not been made.

(k) Each Borrower hereby agrees that it will not enforce any of its rights of contribution or subrogation against the other Borrower with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to Agent or Lenders with respect to any of the Obligations of the other Borrower or any collateral security therefor until such time as all of the Obligations have been paid in full. Except as permitted hereunder, any claim which a Borrower may have against the other Borrower with respect to any payments to Agent or any member of the Lender Group hereunder or under any other Loan Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to a Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full before any payment or distribution of any character, whether in cash, securities or other property, shall be made to the other Borrower therefor. Notwithstanding anything to the contrary contained in this Section 2.15, no Borrower shall exercise any rights of subrogation, contribution, indemnity, reimbursement or other similar rights against, and shall not proceed or seek recourse against or with respect to any property or asset of, the other Borrower (the "Foreclosed Borrower"), including after payment in full of the Obligations, if all or any portion of the Obligations have been satisfied in connection with an exercise of remedies in respect of the Stock of such Foreclosed Borrower whether pursuant to the Security Agreement or otherwise.

(l) Each Borrower hereby agrees that, upon the occurrence and during the continuance of any Event of Default, the payment of any amounts due with respect to the indebtedness owing by any Borrower to any other Borrower is hereby subordinated to the prior payment in full of the Obligations. Each Borrower hereby agrees that upon the occurrence and during the continuance of any Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the Obligations shall have been paid in full. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by such Borrower as trustee for Agent, and such Borrower shall deliver any such amounts to the applicable Agent for application to the Obligations in accordance with Section 2.4(b); provided that upon the waiver of all existing Events of Default in accordance with this Agreement, the applicable Agent shall as soon as reasonably practicable repay to such Borrower any amount held by Agent that were not applied for application to the Obligations.

(f) no Overadvance shall exist as a result of such Advance.

Notwithstanding the foregoing, the only condition to the obligation of the Lender Group (or any member thereof) to make any Advances hereunder in order to fund the Carve-Out Reserve shall be conditions precedent to such Borrowing set forth in Section 11(b) of the Orders, as applicable.

3.3 **Maturity**. This Agreement shall continue in full force and effect until the earlier of (i) the termination of this Agreement by the Borrowers in accordance with Section 3.5 or (ii) the Maturity Date. The foregoing notwithstanding, the Lender Group, upon the election of the Required Lenders, subject to the Lender Group's obligations in accordance with Section 11(b) of the Orders, as applicable, shall have the right to terminate its obligations under this Agreement immediately and without notice to either Borrower upon the occurrence and during the continuation of an Event of Default.

3.5 **Early Termination by Borrowers**. Borrowers have the option, at any time upon three (3) Business Day's prior written notice to the Agent, to terminate this Agreement and terminate the Commitments hereunder by paying to the Agent all of the Obligations in full. Any notice delivered by Borrowers pursuant to this Section 3.5 may be conditioned on the occurrence of a specified transaction or event and revoked if such transaction does not occur.

3.6 **Conditions Subsequent.** The obligation of the Lender Group (or any member thereof) to continue to make Advances (or otherwise extend credit hereunder) is subject to the fulfillment, on or before the date applicable thereto, of the conditions subsequent set forth on Schedule 3.6 (the failure by Holdings or Borrowers to so perform or cause to be performed such conditions subsequent as and when required by the terms thereof, shall constitute an Event of Default).

4. REPRESENTATIONS AND WARRANTIES

In order to induce the Lender Group to enter into this Agreement, each of Holdings and each Borrower makes the following representations and warranties to the Lender Group which shall be true, correct, and complete, in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof), as of the Closing Date, and shall be true, correct, and complete, in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are

4.1 **Due Organization and Qualification; Subsidiaries**.

(a) Each Loan Party (i) is duly organized and validly existing and in good standing under the laws of the jurisdiction of its organization (to the extent the concept of "good standing" exists in such Loan Party's jurisdiction), (ii) is qualified or licensed to do business in any jurisdiction where it is required to be qualified or licensed, except where the failure to be so qualified or licensed could not reasonably be expected to result in a Material Adverse Effect, and (iii) subject to the entry of the CCAA Orders, the Interim Order or the Final Order, applicable has all requisite power and authority to own and operate its properties, to carry on its business as now conducted and as proposed to be conducted, to enter into the Loan Documents to which it is a party and to carry out the transactions contemplated thereby.

4.3 **Governmental Consents**. Except for the entry of the Orders, no filing or other action will be necessary to perfect, or render opposable, or protect such Liens, security or mortgage interests or hypothecs in Collateral owned by the Debtors or the CCAA Debtors. All of such assets are free and clear of Liens except for Pre-Petition Liens and DIP Term Loan Liens.

Subject to the entry of the CCAA Orders, the Interim Order or the Final Order, as applicable, no Loan Party nor any of its Subsidiaries (a) is in violation of any Applicable Law (including Environmental Laws and the Packers and Stockyards Act of 1921) that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect, or (b) is subject to or in default with respect to any final judgments, writs, injunctions, decrees, rules or regulations of any court or any federal, state, provincial, municipal or other governmental department, commission, board, bureau,

agency or instrumentality, domestic or foreign, that could reasonably be expected to have a Material Adverse Effect.

4.9 **No Material Adverse Effect**. Since the Petition Date, no event, circumstance, or change has occurred that has or could reasonably be expected to result in a Material Adverse Effect with respect to the Loan Parties and their Subsidiaries, taken as a whole.

(v) No Termination Event has occurred or is reasonably expected to occur with respect to any Employee Benefit Plan of any Loan Party or any ERISA Affiliates, except for such Termination Event (other than one described in clause (f) of the definition of Termination Event or that could result in the imposition of a Lien on the assets of any Loan Party or any of their respective Subsidiaries) that could not reasonably be expected to result in a material liability to a Loan Party.

(vi) No proceeding, claim (other than a benefits claim in the ordinary course of business), lawsuit or investigation is existing or, to the best knowledge of any Loan Party after due inquiry, threatened concerning or involving any (A) employee welfare benefit plan (as defined in Section 3(1) of ERISA) currently maintained or contributed to by any Loan Party or any ERISA Affiliate, (B) Pension Plan or (C) Multiemployer Plan, except, in any such case, individually or in the aggregate, to the extent that such actions (x) could not reasonably be expected to result in a Material Adverse Effect, and (y) could not reasonably be expected to result in the imposition of a Lien on any assets of any Loan Party or any of their respective Subsidiaries.

Neither the Loan Parties, nor any Subsidiary, has incurred any liability or obligation under the Worker Adjustment and Retraining Notification Act ("WARN") or similar state or provincial law, except as could not reasonably be expected to result in a Material Adverse Effect, which remains unpaid or unsatisfied. (a) Upon the entry of each of the Orders, each Borrower's, each other Debtor's and each other CCAA Debtor's Obligations hereunder and under each of the other Loan Documents shall, at all times:

(i) constitute an allowed DIP Superpriority Claim on a joint and several basis in the Case of such Debtor and the CCAA Case of such CCAA Debtor;

(ii) pursuant to section 364(c)(2) of the Bankruptcy Code, be secured by first priority, valid, binding, continuing, enforceable and fully-perfected or opposable security interests in, and Liens upon, all DIP Collateral that, on or as of the Petition Date, is not subject to valid, perfected, or opposable, and non-avoidable liens (excluding any Avoidance Actions (but including, following the entry of the Final Order, the proceeds therefrom));

(iii) pursuant to section 364(c)(3) of the Bankruptcy Code, be secured by valid, binding, continuing, enforceable and fully-perfected, or opposable, security interests in, and Liens upon, the DIP Collateral, whether existing on the Petition Date or thereafter acquired, that is subject to Liens of parties other than the Pre-Petition Parties, Liens securing the Adequate Protection Liens of the Pre-Petition Parties, the Carve Out or any Permitted Lien (as defined in the Interim Order), which security interests and liens in favor of the Agent, are junior to such valid, perfected or opposable and non-avoidable Liens; and

(iv) pursuant to section 364(d) of the Bankruptcy Code, be secured by valid, binding, continuing, enforceable, fully perfected, or opposable, first priority senior priming security interests and Liens upon all DIP Collateral that is subject to valid, perfected, or opposable, and non-avoidable liens presently held for the benefit of the Pre-Petition Parties (such priming liens, the "Priming Liens" and such primed liens of the Pre-Petition Parties, the "Primed Liens"). The Priming Liens shall be senior in all respects to the Primed Liens and to the interests in property of the Pre-Petition Parties (including any and all forms of adequate protection granted to the foregoing). The Primed Liens shall be primed and made subject and subordinate to the Priming Liens, but the Priming Liens shall not prime liens, if any, to which the Primed Liens are subordinate as of the Petition Date.

(b) The Liens of the Agent described in Section 5.22(a) and the DIP Superpriority Claim shall have priority over any claims arising, upon entry of the Final Order, under sections 105 and 506(c) of the Bankruptcy Code, and shall be subject only to the Carve Out, and other Permitted Liens (as defined in the Interim Order) and as otherwise provided in the CCAA Orders. Except as set forth herein, no other claim having priority superior to or pari passu with that granted to the Secured Parties by the Order then in effect shall be granted or approved while any Obligations under this Agreement remain outstanding.

(c) Upon entry of the Final Order, except for the Carve Out and as otherwise provided in the CCAA Orders, no costs or expenses of administration shall be imposed against the Agent, the Lenders, or any other Secured Party or any of the Collateral or, subject to the entry of the Final Order, under sections 105 or 506(c) of the Bankruptcy Code, or otherwise, and each of the Debtors hereby waives for itself and on behalf of its estate and all rights under section 105 and, upon entry of the Final Order, section 506(c) of the Bankruptcy Code, or otherwise, to assert or impose or seek to assert or impose, any such costs or expenses of administration against the Agent, the Lenders, or any Secured Party.

(d) Except for the Carve Out and as otherwise provided in the CCAA Orders, the DIP Superpriority Claims of the Secured Parties and the Pre-Petition Parties shall at all times be senior to the rights of such Debtor, any chapter 11 trustee and, subject to section 726 of the Bankruptcy Code, any chapter 7 trustee, or any other creditor (including post-petition counterparties and other post-petition creditors) in the Cases or any subsequent proceedings under the Bankruptcy Code, including any chapter 7 cases (if any of such Debtor's cases are converted to cases under chapter 7 of the Bankruptcy Code).

(e) For the avoidance of doubt and notwithstanding anything to the contrary herein or elsewhere, the Carve Out shall be senior to all liens securing the Obligations as well as any Adequate Protection Liens and claims granted by any Order. Nothing herein shall be construed to impair the ability of any party to object to any of the fees, expenses, reimbursement or compensation of any professional retained by any Debtor or a Committee. Notwithstanding anything herein to the contrary, prior to an Event of Default, the Debtors shall, in accordance with the Budget and subject to the terms of the Orders and any other relevant orders of the Bankruptcy Court, be permitted to pay compensation and reimbursement of expenses to professionals allowed and payable under sections 330 and 331 of the Bankruptcy Code and such orders of the Bankruptcy Court authorizing the payment of compensation and reimbursement of expenses that have been incurred prior to the occurrence of such Event of Default, and such amounts paid will not reduce the Post-Carve-Out Trigger Notice Cap.

(f) The Borrower and each CCAA Debtor hereby covenants that, upon entry of the CCAA Initial Order (and when applicable, the CCAA A&R Initial Order), and in all cases subject to the terms of the CCAA Initial Order and the CCAA A&R Initial Order, as the case may be:

(i) the Obligations of the CCAA Debtors under the Credit Documents shall at all times be secured by the CCAA DIP Charge in favor of the Agent on behalf of and for the benefit of the Secured Parties on the Collateral of the CCAA Debtors with the priority and other terms as set forth in the CCAA Orders; and

(ii) pursuant to the CCAA Initial Order (and, when entered, the CCAA A&R Initial Order), the Liens in favor of the Agent on behalf of and for the benefit of the Secured Parties on the Collateral of the CCAA Debtors shall be created and perfected without the recordation or filing in any land records or filing offices of any Mortgage, security agreement, financing statement, assignment or similar instrument.

5.23 **Lender Meetings**. No less than twice per week unless otherwise agreed by Agent, and more frequently upon the reasonable request of the Agent, Holdings will participate in a meeting or conference call with Agent and the Lenders to discuss the financial condition and results of operations of Holdings and its consolidated Subsidiaries, budget variances and operations of Holdings and its Subsidiaries, and, subject to Section 5.13(l), the matters contemplated by or relating to the Bidding Procedures (as provided therein), including the sale process contemplated thereby, and such other matters as may be reasonably requested by the Agent. For the avoidance of doubt, so long as no Default or an Event of Default has occurred and is continuing, such meetings and conference calls may, at Borrowers' option, be attended by the lenders under the Term Loan Indebtedness, DIP Term Loan Indebtedness or any Refinancing Indebtedness in respect thereof.

5.24 **Challenges**. Notwithstanding anything herein to the contrary, except as expressly permitted by the Orders with respect to the Pre-Petition Credit Agreement, no portion or proceeds of the Agreement or the Collateral, and no disbursements set forth in the Budget, shall be used for the payment of professional fees, disbursements, costs or expenses incurred in connection with (a) objecting, contesting or raising any defense to the validity, perfection, priority or enforceability of, or any amount due under this Agreement, the Loan Documents, the Prepetition Credit Agreement or any security interests, liens or claims granted under the Orders, the Loan Documents or the "Loan Documents" (as defined in the Prepetition Credit Agreement) to secure such amounts; (b) asserting any challenges, claims, actions or causes of action against any of the Lenders, the Agent, the lenders under the Prepetition Credit Agreement or any of their respective agents, affiliates, subsidiaries, directors, officers, representatives, attorneys or advisors; (c) preventing, hindering or otherwise delaying enforcement or realization on the Collateral; or (d) seeking to amend or modify any of the rights granted to the Agent, the Lenders, the "Secured Parties" (as defined in the Prepetition Credit Agreement) under this Agreement, the Loan Documents, the Orders or the "Loan Documents" (as defined in the Prepetition Credit Agreement), including seeking to use the cash collateral and/or Collateral on a contested basis.

Notwithstanding anything in Section 362 of the Bankruptcy Code or any equivalent section of the CCAA but subject to the Orders and the Carve Out, upon the occurrence and during the continuation of an Event of Default, Agent may, and, at the instruction of the Required Lenders, shall (in each case under clauses (a) or (b) by written notice to Borrowers) and in addition to any other rights or remedies provided for hereunder or under any other Loan Document or by Applicable Law, do any one or more of the following:

(a) declare the Obligations (other than the Bank Product Obligations), whether evidenced by this Agreement or by any of the other Loan Documents, immediately due and payable, whereupon the same shall become and be immediately due and payable, and Borrowers shall be obligated to repay all of such Obligations in full, without presentment, demand, protest, or further notice or other requirements of any kind, all of which are hereby expressly waived by each Borrower;

(b) declare the Revolver Commitments terminated, whereupon the Revolver Commitments shall immediately be terminated together with (i) any obligation of any Lender hereunder to make Advances, (ii) the obligation of any Swing Lender to make any Swing Loans, and (iii) the obligation of each Issuing Lender to issue Letters of Credit; and

(c) exercise all other rights and remedies available to the Agent or the Lenders under the Loan Documents or Applicable Law.

The foregoing to the contrary notwithstanding, with respect to the enforcement of Liens or other remedies with respect to the Collateral of the Loan Parties under the preceding clause (c), the Agent shall provide the Borrower with five (5) Business Days' written notice prior to taking the action contemplated thereby.

The Loan Parties shall not have the right to contest the enforcement of remedies set forth in the Orders and the Loan Documents on any basis other than an assertion that an Event of Default has not occurred or has been cured within the cure periods expressly set forth in the applicable Loan Documents. The Loan Parties shall cooperate fully with the Agent and the Lenders in their exercise of rights and remedies, whether against the Collateral or otherwise. The Loan Parties hereby waive any right to seek relief under the Bankruptcy Code, including under Section 105 thereof, or under any applicable section of the CCAA, to the extent such relief would restrict or impair the rights and remedies of the Agent and the Lenders set forth in the Orders and in the Loan Documents.

9.2 **Remedies Cumulative**. The rights and remedies of the Lender Group under this Agreement, the other Loan Documents, and all other agreements shall be cumulative. The Lender Group shall have all other rights and remedies not inconsistent herewith as provided under the Code, by law, or in equity. No exercise by the Lender Group of one right or remedy shall be deemed an election, and no waiver by the Lender Group of any Event of Default shall be deemed a continuing waiver. No delay by the Lender Group shall constitute a waiver, election, or acquiescence by it.

10. WAIVERS; INDEMNIFICATION

10.1 **Demand; Protest; etc**. Each Borrower waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, nonpayment at maturity, release, compromise,

settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by the Lender Group on which such Borrower may in any way be liable.

10.2 **The Lender Group's Liability for Collateral**. Each Borrower hereby agrees that: (a) so long as Agent complies with its obligations, if any, under the Code or other applicable law, the Lender Group shall not in any way or manner be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by Borrowers.

10.3 **Indemnification**. Each Borrower shall pay, indemnify, defend, and hold the Agent-Related Persons and the Lender-Related Persons, each Issuing Lender and each Underlying Issuer (each, an "Indemnified Person") harmless (to the fullest extent permitted by law) from and against any and all losses, claims, damages or liabilities of any kind or nature and for any reasonable and documented or invoiced out of pocket fees and expenses to which any such Indemnified Person may become subject (including the reasonable fees, disbursements and other charges of (i) one firm of primary outside counsel for all Indemnified Persons, taken as a whole, and if necessary, one firm of local/foreign counsel in each applicable jurisdiction (which may include one firm of special counsel acting in multiple jurisdictions) for all Indemnified Persons, taken as a whole (and in the case of an actual or perceived conflict of interest of another firm of counsel for such affected Indemnified Person)) and (ii) consultants and experts for all Indemnified Persons, taken as a whole, to the extent arising out of or relating to any claim, litigation, investigation or other proceeding (regardless of whether such Indemnified Person is a party thereto and whether or not such proceedings are brought by such Indemnified Person, either Borrower, its equity holders, its Affiliates, creditors, or any third person), brought in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them, in connection with, or as a result of, or related to the execution and delivery (provided that neither Borrower shall not be liable for costs and expenses (including attorney's fees) of any Indemnified Person incurred in advising, structuring, drafting, reviewing, administering or syndicating the Loan Documents), enforcement, performance, or administration (including any restructuring or workout with respect hereto) of this Agreement, any of the other Loan Documents, or the transactions contemplated hereby or thereby, or the use of the proceeds of the credit provided hereunder (irrespective of whether any Indemnified Person is a party thereto) (including the Advances made hereunder, the Reimbursement Undertakings and Letters of Credit issued hereunder and each other extension of credit made hereunder or under any Loan Document), or any act, omission, event, or circumstance in any manner related thereto, including any of the foregoing related to any presence or release of, or Remedial Actions concerning, Hazardous Materials related to any Loan Party or any of its Subsidiaries at, on, under, to or from any assets or properties owned, leased or operated by any Loan Party or any of its Subsidiaries or any Environmental Actions related in any way to any such assets or properties of any Loan Party or any of its Subsidiaries (each and all of the foregoing, the "Indemnified Liabilities"). The foregoing to the contrary notwithstanding, Borrowers (x) shall have no obligation to any Indemnified Person under this Section 10.3 with respect to any Indemnified Liability that a court of competent jurisdiction determines in a final and non-appealable decision to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnified Person or any of its Affiliates or any of the officers, directors, employees, advisors, controlling persons, agents or other representatives of such Indemnified Person or its Affiliates or any of their respective successors (any such person, a "Related Party"), (y) a breach of any Loan Document by any Indemnified Person or one of its Affiliates or (z) any dispute solely between and among Indemnified Persons not arising from any act or omission by Borrowers, the Guarantors or any of their Subsidiaries; provided that Agent, the co-lead arrangers or the joint bookrunners (and their respective related affiliates, officers, directors, employees, agents, controlling persons, advisors and other representatives), to the extent acting in their capacity as such, shall remain indemnified in respect of such

disputes to the extent otherwise entitled to be so indemnified. All amounts payable under this Section 10.3 shall be paid with 10 days after receipt by Holdings or the Borrowers of an invoice relating thereto setting forth such expense in reasonable detail. This provision shall survive the termination of this Agreement and the repayment of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which Borrower was required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by Borrower with respect thereto.

10.4 **Waiver of Consequential Damages, Etc.** To the fullest extent permitted by Applicable Law, no Loan Party nor any Indemnified Person shall assert, and each Loan Party hereby waives, any claim against any Indemnified Person, and no Indemnified Person shall asset, and each Indemnified Person hereby waives, any claim against any Loan Party, in each case, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Advance or Letter of Credit or the use of the proceeds thereof. No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Person or any of its Related Parties (as determined by a court of competent jurisdiction in a final and non-appealable decision).

13. ASSIGNMENTS AND PARTICIPATIONS; SUCCESSORS

13.1 **Assignments and Participations**.

(a) (1) With the prior written consent of (A) in the case of an assignment by a Canadian Lender, Canadian Borrower, or (B) in the case of an assignment by a U.S. Lender, U.S. Borrower, which consent of Canadian Borrower or U.S. Borrower, as applicable, shall not be unreasonably withheld, delayed or conditioned, and shall not be required if an Event of Default has occurred and is continuing, (2) with the prior written consent of the Swing Lender and the Issuing Lenders, which consent of the Swing Lender and the Issuing Lenders shall not be unreasonably withheld, delayed or conditioned, and shall not be required in connection with an assignment to a Person that is a Lender or an Affiliate (other than individuals) of a Lender, and (3) with the prior written consent of Agent, which consent of Agent shall not be unreasonably withheld, delayed or conditioned, and shall not be required in connection with an assignment to a Person that is a Lender or an Affiliate (other than individuals) of a Lender, any Lender may assign and delegate to one or more assignees (each an "Assignee"; provided, however, that no Loan Party, Affiliate of a Loan Party, Equity Sponsor, or Affiliate of Equity Sponsor shall be permitted to become an Assignee) all or any portion of the Obligations, the Commitments and the other rights and obligations of such Lender hereunder and under the other Loan Documents, in a minimum amount (unless waived by Agent and the applicable Borrower or in connection with an assignment of all of such Lender's Commitments and portion of the outstanding Advances) of $5,000,000 (except such minimum amount shall not apply to (x) an assignment or delegation by any Lender to any other Lender or an Affiliate of any Lender or (y) a group of new Lenders, each of which is an Affiliate of each other or a Related Fund of such new Lender to the extent that the aggregate amount to be assigned to all such new Lenders is at least $5,000,000); provided, however, that each Borrower and Agent may continue to deal solely and directly with such Lender in connection with the interest so assigned to an Assignee until (i) in the case of an assignment by a Canadian Lender, (A) written notice of such assignment, together with payment instructions, addresses, and related information with respect to the Assignee, have been given to

Canadian Borrower and Agent by such Canadian Lender and the Assignee, (B) such Canadian Lender and its Assignee have delivered to Canadian Borrower and Agent an Assignment and Acceptance and Agent has notified the assigning Lender of its receipt thereof in accordance with Section 13.1(b), and (C) unless waived by Agent, the assigning Lender or Assignee has paid to Agent for Agent's separate account a processing fee in the amount of $3,500, or (ii) in the case of an assignment by a U.S. Lender, (A) written notice of such assignment, together with payment instructions, addresses, and related information with respect to the Assignee, have been given to U.S. Borrower and Agent by such U.S. Lender and the Assignee, (B) such U.S. Lender and its Assignee have delivered to U.S. Borrower and Agent an Assignment and Acceptance and Agent has notified the assigning Lender of its receipt thereof in accordance with Section 13.1(b), and (C) unless waived by Agent, the assigning Lender or Assignee has paid to Agent for Agent's separate account a processing fee in the amount of $3,500. Notwithstanding the foregoing, no assignments or participations shall be made to any Disqualified Competitors or, prior to the occurrence of any Event of Default, any Disqualified Institutions.

(b) From and after the date that Agent notifies the assigning Lender (with a copy to the applicable Borrower) that it has received an executed Assignment and Acceptance and, if applicable, payment of the required processing fee, the assigning Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except with respect to Section 10.3 hereof) and be released from any future obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement and the other Loan Documents, such Lender shall cease to be a party hereto and thereto), and such assignment shall effect a novation among the applicable Borrower, the assigning Lender, and the Assignee; provided, however, that nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender's obligations under Section 15 and Section 17.9(a) of this Agreement.

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto, (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Borrower or the performance or observance by any Borrower of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto, (iii) such Assignee confirms that it has received a copy of this Agreement, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance, (iv) such Assignee will, independently and without reliance upon Agent, such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (v) such Assignee appoints and authorizes Agent to take such actions and to exercise such powers under this Agreement and the other Loan Documents as are delegated to Agent, by the terms hereof and thereof, together with such powers as are reasonably incidental thereto, and (vi) such Assignee agrees that it will perform all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) Immediately upon the Agent's receipt of the required processing fee, if applicable, and delivery of notice to the assigning Lender pursuant to Section 13.1(b), this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the

Assignee and the resulting adjustment of the Commitments arising therefrom. The Commitment allocated to each Assignee shall reduce such Commitments of the assigning Lender *pro tanto*.

(e) Any Lender may at any time sell to one or more commercial banks, financial institutions, or other Persons (a "Participant"; provided, however, that no Loan Party, Affiliate of a Loan Party, Equity Sponsor, or Affiliate of Equity Sponsor shall be permitted to become a Participant) participating interests in all or any portion of its Obligations, its Commitment, and the other rights and interests of that Lender (the "Originating Lender") hereunder and under the other Loan Documents; provided, however, that (i) the Originating Lender shall remain a "Lender" for all purposes of this Agreement and the other Loan Documents and the Participant receiving the participating interest in the Obligations, the Commitments, and the other rights and interests of the Originating Lender hereunder shall not constitute a "Lender" hereunder or under the other Loan Documents and the Originating Lender's obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations, (iii) Borrowers, Agent, and the Lenders shall continue to deal solely and directly with the Originating Lender in connection with the Originating Lender's rights and obligations under this Agreement and the other Loan Documents, (iv) no Lender shall transfer or grant any participating interest under which the Participant has the right to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other Loan Document, except to the extent such amendment to, or consent or waiver with respect to this Agreement or of any other Loan Document would require the consent of all Lenders or all Lenders directly affected thereby pursuant to Section 14.1, and (v) all amounts payable by any Borrower hereunder shall be determined as if such Lender had not sold such participation, except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement. The rights of any Participant only shall be derivative through the Originating Lender with whom such Participant participates and no Participant shall have any rights under this Agreement or the other Loan Documents or any direct rights as to the other Lenders, Borrowers, Agent, the Collections of the Loan Parties and their respective Subsidiaries, the Collateral, or otherwise in respect of the Obligations. No Participant shall have the right to participate directly in the making of decisions by the Lenders among themselves or to receive any greater payment under this Agreement or the other Loan Documents than the Originating Lender would have been entitled to receive with respect to the participation sold to such Participant. In the case of assignment, transfer of novation by a Lender to an Assignee of all or any party of its rights and obligations under the Loan Documents, the Lender and the Assignee shall agree that, for the purposes of Article 1278 of the Luxembourg Civil Code (to the extent applicable), any Lien created under the Loan Documents securing the rights assigned, transferred or novated thereby, will be preserved for the benefit of the Assignee. Notwithstanding the foregoing, no assignments or participations shall be made to any Disqualified Competitors or, prior to the occurrence of any Event of Default, any Disqualified Institutions.

(f) In connection with any such assignment or participation or proposed assignment or participation or any grant of a security interest in, or pledge of, its rights under and interest in this Agreement, a Lender may, subject to the provisions of Section 17.9, disclose all documents and information which it now or hereafter may have relating to the Loan Parties and their respective Subsidiaries and their respective businesses.

(g) Any other provision in this Agreement notwithstanding, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and interest in this Agreement in favor of (i) any Federal Reserve Bank in accordance with Regulation A of the Federal Reserve Bank or U.S. Treasury Regulation 31 CFR §203.24, or (ii) any other central bank, and such

Federal Reserve Bank or such other central bank may enforce such pledge or security interest in any manner permitted under applicable law.

(h) Agent (as a non-fiduciary agent on behalf of U.S. Borrower) shall maintain, or cause to be maintained, a register (the "U.S. Register") on which it enters the name and address of each U.S. Lender as the registered owner of the U.S. Advances (and the principal amount thereof and stated interest thereon) held by such U.S. Lender (each, a "U.S. Registered Loan"). Other than in connection with an assignment by a U.S. Lender of all or any portion of its portion of the U.S. Advances to an Affiliate of such U.S. Lender or a Related Fund of such U.S. Lender (i) a U.S. Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the U.S. Register (and each registered note shall expressly so provide) and (ii) any assignment or sale of all or part of such U.S. Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the U.S. Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). Prior to the registration of assignment or sale of any U.S. Registered Loan (and the registered note, if any evidencing the same), U.S. Borrower shall treat the Person in whose name such U.S. Registered Loan (and the registered note, if any, evidencing the same) is registered as the owner thereof for the purpose of receiving all payments thereon and for all other purposes, notwithstanding notice to the contrary. In the case of any assignment by a U.S. Lender of all or any portion of the U.S. Advances to an Affiliate of such U.S. Lender or a Related Fund of such U.S. Lender, and which assignment is not recorded in the U.S. Register, the assigning U.S. Lender, on behalf of U.S. Borrower, shall maintain a register comparable to the U.S. Register.

(i) Agent (as a non-fiduciary agent on behalf of Canadian Borrower) shall maintain, or cause to be maintained, a register (the "Canadian Register") on which it enters the name and address of each Canadian Lender as the registered owner of the Canadian Advances (and the principal amount thereof and stated interest thereon) held by such Canadian Lender (each, a "Canadian Registered Loan"). Other than in connection with an assignment by a Canadian Lender of all or any portion of its portion of the Canadian Advances to an Affiliate of such Canadian Lender or a Related Fund of such Canadian Lender (i) a Canadian Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Canadian Register (and each registered note shall expressly so provide) and (ii) any assignment or sale of all or part of such Canadian Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Canadian Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). Prior to the registration of assignment or sale of any Canadian Registered Loan (and the registered note, if any evidencing the same), Canadian Borrower shall treat the Person in whose name such Canadian Registered Loan (and the registered note, if any, evidencing the same) is registered as the owner thereof for the purpose of receiving all payments thereon and for all other purposes, notwithstanding notice to the contrary. In the case of any assignment by a Canadian Lender of all or any portion of the Canadian Advances to an Affiliate of such Canadian Lender or a Related Fund of such Canadian Lender, and which assignment is not recorded in the Canadian Register, the assigning Canadian Lender, on behalf of Canadian Borrower, shall maintain a register comparable to the Canadian Register.

(j) In the event that a U.S. Lender sells participations in the U.S. Registered Loan, such U.S. Lender, as a non-fiduciary agent on behalf of U.S. Borrower, shall maintain a register on which it enters the name of all participants in the U.S. Registered Loans held by it (the "U.S. Participant Register"). A U.S. Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the U.S. Participant Register (and each registered note shall expressly so provide). Any participation of such U.S. Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the U.S. Participant Register.

(k) In the event that a Canadian Lender sells participations in the Canadian Registered Loan, such Canadian Lender, as a non-fiduciary agent on behalf of Canadian Borrower, shall maintain a register on which it enters the name of all participants in the Canadian Registered Loans held by it (the "Canadian Participant Register"). A Canadian Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Canadian Participant Register (and each registered note shall expressly so provide). Any participation of such Canadian Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Canadian Participant Register.

(l) Agent shall make a copy of the U.S. Register available for review by U.S. Borrower or any Lender from time to time as U.S. Borrower or any U.S. Lender may reasonably request. Agent shall make a copy of the Canadian Register available for review by Canadian Borrower or any Canadian Lender from time to time as Canadian Borrower or any Canadian Lender may reasonably request.

13.2 **Successors**. This Agreement shall bind and inure to the benefit of the respective successors and assigns of each of the parties; provided, however, that, except as set forth in Section 6.3, no Borrower may assign this Agreement or any rights or duties hereunder without the Lenders' prior written consent and any prohibited assignment shall be absolutely void *ab initio*. No consent to assignment by the Lenders shall release any Borrower from its Obligations. A Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 13.1 hereof and, except as expressly required pursuant to Section 13.1, no consent or approval by any party is required in connection with any such assignment.

(iii) reduce the principal of, or the rate of interest on, any loan or other extension of credit hereunder, or reduce any fees or other amounts payable hereunder or under any other Loan Document (except (x) that a waiver of any condition precedent or the waiver of any default, event of default or mandatory prepayment shall not constitute a reduction in principal, (y) in connection with the waiver of applicability of Section 2.6(e) (which waiver shall be effective with the written consent of the Required Lenders), and (z) that any amendment or modification of defined terms used in the financial covenants in this Agreement shall not constitute a reduction in the rate of interest or a reduction of fees for purposes of this clause (iii)),

(iv) amend, modify, or eliminate this Section or any other provision of this Agreement providing for the consent of all or all affected Lenders,

(v) except as permitted by Section 6.3, consent to the transfer or assignment by, or the release of, Holdings or any Borrower of any of its rights or obligations under any Loan Document to which it is a party,

(viii) amend, modify, or eliminate any of the provisions of Section 2.4(b)(i) or Section 2.4(b)(ii),

(ix) [intentionally omitted],

(x) modify any advance rate specified in the Loan Documents in a manner that is intended to increase Availability, or

(xi) amend, modify, or eliminate the definition of U.S. Maximum Revolver Amount or Canadian Maximum Revolver Amount, or amend, modify, or eliminate the definition of U.S. Borrowing Base or Canadian Borrowing Base or any of the defined terms (including the definitions of Eligible Accounts, Eligible Inventory, Eligible In-Transit Inventory and Eligible Landed Inventory) that are used in such definition in a manner that is intended to increase Availability (other than with respect to reserves implemented by Agent), or amend, modify, or eliminate Section 2.1(c) or Section 2.2(c), without the written consent of the Supermajority Lenders.

(b) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive (i) the definition of, or any of the terms or provisions of, the Fee Letter, without the written consent of Agent and each Borrower (and shall not require the written consent of any of the

Lenders) or (ii) any provision of Section 15 pertaining to Agent, or any other rights or duties of Agent under this Agreement or the other Loan Documents, without the written consent of Agent, Borrowers, and the Required Lenders.

(c) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Issuing Lender, or any other rights or duties of any Issuing Lender under this Agreement or the other Loan Documents, without the written consent of any Issuing Lender, Agent, either Borrower, and the Required Lenders.

14.2 **Replacement of Holdout Lender**.

(a) If (i) any action to be taken by the Lender Group or Agent hereunder requires the unanimous consent, authorization, or agreement of all Lenders or all Lenders affected thereby or the Supermajority Lenders and if such action has received the consent, authorization, or agreement of the Required Lenders but not of all Lenders, all Lenders affected thereby or (in the case of Section 14.1(a)(x) above), the Supermajority Lenders, or (ii) any Lender makes a claim for compensation under Section 2.11(a)(viii), 2.11(b)(viii), 2.12(d)(i), 2.12(d)(ii), 2.13(a), or 16, then Borrowers, upon at least three (3) Business Days prior irrevocable notice, may permanently replace any Lender that failed to give its consent, authorization, or agreement (a "Holdout Lender") or any Lender that made a claim for compensation pursuant to Section 2.11(a)(viii), 2.11(b)(viii), 2.12(d)(i), 2.13(a), or 16 or has declared its ability to make LIBOR Rate Loans impractical or unlawful pursuant to Section 2.12(d)(ii) (an "Increased Cost Lender") with one or more replacement lenders (each, a "Replacement Lender"), and the Holdout Lender, an Increased Cost Lender or any Defaulting Lender, as applicable, shall have no right to refuse to be replaced hereunder. If any Lender is a Defaulting Lender, then either Borrower or Agent may replace such Defaulting Lender with one or more Replacement Lenders, and the Defaulting Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Holdout Lender, an Increased Cost Lender, or any Defaulting Lender, as applicable, shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given.

(b) Prior to the effective date of such replacement, the Holdout Lender or Increased Cost Lender, as applicable, and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Holdout Lender or Increased Cost Lender, as applicable being repaid in full its share of the outstanding Obligations without any premium or penalty of any kind whatsoever, but including (i) all interest, fees and other amounts that may be due and payable in respect thereof, and (ii) an assumption of its Pro Rata Share of the Letters of Credit. If the Holdout Lender or Increased Cost Lender, as applicable, shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, Agent may, but shall not be required to, execute and deliver such Assignment and Acceptance in the name of and on behalf of the Holdout Lender or Increased Cost Lender, as applicable, and irrespective of whether Agent execute and deliver such Assignment and

Acceptance, the Holdout Lender or Increased Cost Lender, as applicable, shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Holdout Lender or Increased Cost Lender, as applicable, shall be made in accordance with the terms of Section 13.1. Until such time as one or more Replacement Lenders shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Holdout Lender or Increased Cost Lender, as applicable, hereunder and under the other Loan Documents, the Holdout Lender or Increased Cost Lender, as applicable, shall remain obligated to make the Holdout Lender's or Increased Cost Lender's, as applicable Pro Rata Share of Advances and to purchase a participation in each Letter of Credit, in an amount equal to its Pro Rata Share of such Letters of Credit.

14.3 **No Waivers; Cumulative Remedies**. No failure by Agent or any Lender to exercise any right, remedy, or option under this Agreement or any other Loan Document, or delay by Agent or any Lender in exercising the same, will operate as a waiver thereof. No waiver by Agent or any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Agent or any Lender on any occasion shall affect or diminish Agent's or any Lender's rights thereafter to require strict performance by Borrowers of any provision of this Agreement. Agent's and each Lender's rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that Agent or any Lender may have.

15. AGENT; THE LENDER GROUP

15.1 **Appointment and Authorization of Agent**. Each Lender hereby designates and appoints WFCF as its Agent under this Agreement and the other Loan Documents, and, subject to the terms of Section 14.1, each Lender hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to designate, appoint, and authorize) Agent to execute and deliver each of the other Loan Documents on its behalf and to take such other action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to Agent by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Agent agrees to act as agent for and on behalf of the Lenders (and the Bank Product Providers) on the conditions contained in this Section 15. The provisions of this Section 15 (other than Sections 15.9, 15.11, 15.12(a), 15.16 and 15.18) are solely for the benefit of Agent and the Lenders, and the Loan Parties and their respective Subsidiaries shall have no rights as a third party beneficiary of any of the provisions contained herein. Any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document notwithstanding, no Agent shall have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, nor shall Agent have or be deemed to have any fiduciary relationship with any Lender (or Bank Product Provider), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Agent. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement or the other Loan Documents with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties. Each Lender hereby further authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to act as the secured party under each of the Loan Documents that create a Lien on any item of Collateral. Except as expressly otherwise provided in this Agreement, Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions that Agent expressly is entitled to take or assert under or pursuant to this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, or of any other provision of the Loan Documents that provides rights or powers to Agent, Lenders agree that (a) Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (i) maintain, in accordance with its customary business

practices, ledgers and records reflecting the status of the Obligations, the Collateral, the Collections of Loan Parties and their respective Subsidiaries, and related matters, (ii) execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents, (iii) receive, apply, and distribute the Collections of Loan Parties and their respective Subsidiaries as provided in the Loan Documents, (iv) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the Loan Documents for the foregoing purposes with respect to the Collateral and the Collections of the Loan Parties and their respective Subsidiaries, (v) perform, exercise, and enforce any and all other rights and remedies of the Lender Group with respect to the Loan Parties or their respective Subsidiaries, the Obligations, the Collateral, the Collections of Loan Parties and their respective Subsidiaries, or otherwise related to any of same as provided in the Loan Documents, and (vi) incur and pay such Lender Group Expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents, (b) [intentionally omitted], and (c) Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (i) maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Collateral, the Collections of Loan Parties and their respective Subsidiaries, and related matters, (ii) make Advances, for itself or on behalf of Lenders, as provided in the Loan Documents, (iii) exclusively receive, apply, and distribute the Collections of Loan Parties and their respective Subsidiaries as provided in the Loan Documents, (iv) perform, exercise, and enforce any and all other rights and remedies of the Lender Group with respect to the Loan Parties or their respective Subsidiaries, the Obligations, the Collateral, the Collections of Loan Parties and their respective Subsidiaries, or otherwise related to any of same as provided in the Loan Documents, and (v) incur and pay such Lender Group Expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents.

For greater certainty, for the purposes of holding any security granted under the laws of the Province of Quebec by any Loan Party, the Agent is hereby irrevocably authorized and appointed by each Borrower and each Lender, Issuing Lender, Swing Lender and Bank Product Provider hereto to act as hypothecary representative (within the meaning of Article 2692 of the Civil Code of Quebec) for all present and future Secured Parties (in such capacity, the "Hypothecary Representative") in order to hold any hypothec granted under the laws of the Province of Quebec and to exercise such rights and duties as are conferred upon the Hypothecary Representative under the relevant deed of hypothec, pledge or hypothec agreement, this Agreement or the Applicable Laws (with the power to delegate any such rights or duties). The execution prior to the date hereof by the Agent in its capacity as the Hypothecary Representative of any deed of hypothec, pledge or hypothec agreement, or other security documents made pursuant to the laws of the Province of Quebec, is hereby ratified and confirmed. Any Person who becomes a Secured Party, or a successor Agent shall be deemed to have consented to and ratified the foregoing appointment of the Agent as the Hypothecary Representative. The execution, prior to the date of this Agreement, by the Agent in its capacity as hypothecary representative of any deed of hypothec or any other security documents made pursuant to the laws of the Province of Quebec is hereby ratified and confirmed. For greater certainty, the Agent, acting as the Hypothecary Representative, shall have, in addition to the rights, power, immunities, indemnities and exclusion from liability provided for by applicable law or the security document to which it is a party, the same rights, powers, immunities, indemnities and exclusions from liability as are prescribed in favor of the Agent in this Agreement, which shall apply mutatis mutandis. In the event of the resignation or replacement of the Agent (which shall include its resignation or replacement as Hypothecary Representative) and appointment of a successor Agent, such successor Agent shall also act as Hypothecary Representative, as contemplated above. Without limitation, the provisions of Section 15.9 of this Agreement shall apply mutatis mutandis to the resignation, replacement, and appointment of a successor to the Agent, acting as Hypothecary Representative. Without prejudice to Section 12 hereof, the provisions of this paragraph shall be also governed by the laws of the Province of Quebec.

15.2 **Delegation of Duties**. Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Without limiting the generality of the foregoing, Agent shall have the right to appoint any other Agent, and any Lender as its sub-agent to execute all or any portion of its rights and duties under this Agreement, including without limitation all or any portion of its rights and duties in respect of the Collateral. No Agent shall be responsible for the negligence or misconduct of any agent or attorney in fact that it selects as long as such selection was made without gross negligence or willful misconduct.

15.3 **Liability of Agent**. None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders (or Bank Product Providers) for any recital, statement, representation or warranty made by any Loan Party or any of its Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of any Loan Party or its Subsidiaries or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders (or Bank Product Providers) to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of any Loan Party or its Subsidiaries.

15.4 **Reliance by Agent**. Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, telefacsimile or other electronic method of transmission, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Borrower or counsel to any Lender), independent accountants and other experts selected by Agent. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless Agent shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent shall act, or refrain from acting, as it deems advisable. If Agent so requests, it shall first be indemnified to its reasonable satisfaction by the Lenders (and if it so elects, the Bank Product Providers) against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders (and the Bank Product Providers).

15.5 **Notice of Default or Event of Default**. No Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the applicable Lenders and, except with respect to Defaults or Events of Default of which Agent has actual knowledge, unless Agent shall have received written notice from a Lender or a Borrower referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a "notice of default". Agent promptly will notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agent of such Event of Default. Each Lender shall be solely responsible for giving any notices to its Participants, if any. Subject to Section 15.4, Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in

accordance with Section 8; provided, however, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

15.6 **Credit Decision**. Each Lender (and Bank Product Provider) acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent hereinafter taken, including any review of the affairs of the Loan Parties and their respective Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender (or Bank Product Provider). Each Lender represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) to Agent that it has, independently and without reliance upon any Agent-Related Person and based on such due diligence documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of any Borrower or any other Person party to a Loan Document, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the applicable Borrower. Each Lender also represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of Borrowers or any other Person party to a Loan Document. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, Agent shall have no duty or responsibility to provide any Lender (or Bank Product Provider) with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Borrower or any other Person party to a Loan Document that may come into the possession of any of the Agent-Related Persons. Each Lender acknowledges (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that Agent has no duty or responsibility, either initially or on a continuing basis (except to the extent, if any, that is expressly specified herein) to provide such Lender (or Bank Product Provider) with any credit or other information with respect to any Borrower, its Affiliates or any of their respective business, legal, financial or other affairs, and irrespective of whether such information came into Agent's or its Affiliates' or representatives' possession before or after the date on which such Lender became a party to this Agreement (or such Bank Product Provider entered into a Bank Product Agreement).

15.7 **Costs and Expenses; Indemnification**. Agent may incur and pay Lender Group Expenses to the extent Agent reasonably deems necessary or appropriate for the performance and fulfillment of its functions, powers, and obligations pursuant to the Loan Documents, including court costs, reasonable and documented attorney's fees (for one primary outside counsel, one local/foreign counsel in each applicable jurisdiction (which may include one special counsel acting in multiple jurisdictions), and any other counsel retained with Borrowers' consent (which consent shall not be unreasonably withheld, conditioned or delayed), but excluding allocated costs of internal counsel) and expenses, fees and expenses of financial accountants, advisors, consultants, and appraisers, costs of collection by outside collection agencies, auctioneer fees and expenses, and costs of security guards or insurance premiums paid to maintain the Collateral, whether or not any Borrower is obligated to reimburse Agent or Lenders for such expenses pursuant to this Agreement or otherwise. In the event Agent is not reimbursed for such costs and expenses by the Loan Parties and their respective Subsidiaries, each Lender hereby agrees that it is and shall be obligated to pay to Agent such Lender's ratable thereof. Whether or not the transactions contemplated hereby are consummated, each of the Lenders, on a ratable basis, shall indemnify and defend the Agent-Related Persons (to the extent not reimbursed by or on behalf of Borrower and without limiting the obligation of Borrower to do so), from and against any and all Indemnified Liabilities; provided, however,

that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence or willful misconduct nor shall any Lender be liable for the obligations of any Defaulting Lender in failing to make an Advance or other extension of credit hereunder. Without limitation of the foregoing, each Lender shall reimburse Agent upon demand for such Lender's ratable share of any costs or out of pocket expenses (including attorneys, accountants, advisors, and consultants fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrowers. The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

15.8 **Agent in Individual Capacity**. WFCF and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire equity interests in, and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with the Loan Parties and their respective Subsidiaries and Affiliates and any other Person party to any Loan Document as though WFCF were not Agent hereunder, and, in each case, without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, WFCF or its respective Affiliates may receive information regarding the Loan Parties, their respective Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of the Loan Parties or such other Person and that prohibit the disclosure of such information to the Lenders (or Bank Product Providers), and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver Agent will use its reasonable best efforts to obtain), Agent shall not be under any obligation to provide such information to them. The terms "Lender" and "Lenders" include WFCF in its individual capacity.

15.9 **Successor Agent**. Agent may resign as Agent upon 30 days prior written notice to the Lenders (unless such notice is waived by the Required Lenders) and Borrowers (unless such notice is waived by Borrowers) and without any notice to the Bank Product Providers. If Agent resigns under this Agreement, the Required Lenders shall be entitled, with (so long as no Event of Default has occurred and is continuing) the approval of Borrowers (such approval not to be unreasonably withheld, delayed, or conditioned), appoint (x) a successor Agent for the Lenders (and the Bank Product Providers), or (y) a successor Agent for the Secured Parties. If, at the time that Agent's resignation is effective, it is acting as an Issuing Lender or a Swing Lender, such resignation shall also operate to effectuate its resignation as such Issuing Lender or such Swing Lender, as applicable, and it shall automatically be relieved of any further obligation to issue Letters of Credit, to cause the Underlying Issuer to issue Letters of Credit, or to make Swing Loans. If no successor Agent is appointed prior to the effective date of the resignation of Agent, Agent may appoint, after consulting with the Lenders and Borrowers, a successor Agent or Agent. If Agent has materially breached or failed to perform any material provision of this Agreement or of applicable law, the Required Lenders may agree in writing to remove and replace Agent with a successor Agent from among the Lenders with (so long as no Event of Default has occurred and is continuing) the consent of Borrowers (such consent not to be unreasonably withheld, delayed, or conditioned). In any such event, upon the acceptance of its appointment as successor Agent hereunder, such successor Agent shall succeed to all the rights, powers, and duties of the retiring Agent and the term "Agent" shall mean such successor Agent and the retiring Agent's appointment, powers, and duties as Agent shall be terminated. After any retiring Agent's resignation hereunder as Agent, the provisions of this Section 15 and Section 16 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this

Agreement. If no successor Agent has accepted appointment as Agent by the date which is 30 days following a retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of Agent hereunder until such time, if any, as the Lenders appoint a successor Agent as provided for above. The parties hereto acknowledge and agree that for the purpose of the security documents governed by Dutch law, any resignation by Agent is not effective until its contractual relationship under the Parallel Debt, including all of its rights and obligations thereunder, is transferred to a successor Agent. Agent will reasonably cooperate in assigning its rights and obligations under the Parallel Debt to the successor Agent and will reasonably cooperate in transferring all rights under the security documents governed by Dutch law to the successor Agent. The Agent that is resigning, successor Agent, and each relevant Loan Party shall execute all documents necessary to ensure that the successor Agent obtains valid Dutch law security similar to the previously existing Dutch security.

15.10 **Lender in Individual Capacity; Joint Lead Arrangers and Bookrunners and Syndication Agent**.

(a) Any Lender and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with the Loan Parties and their respective Subsidiaries and Affiliates and any other Person party to any Loan Documents as though such Lender were not a Lender hereunder without notice to or consent of the other members of the Lender Group (or the Bank Product Providers). The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, such Lender and its respective Affiliates may receive information regarding any Borrower or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of any Borrower or such other Person and that prohibit the disclosure of such information to the Lenders, and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver such Lender will use its reasonable best efforts to obtain), such Lender shall not be under any obligation to provide such information to them.

(b) WFCF and BOA, in their respective capacities as "joint lead arrangers and bookrunners", and MUFG in its capacity as "syndication agent" shall not have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to them in their capacities as Lenders or (i) in the case of WFCF, in its capacities as Agent, Swing Lender, or an Issuing Lender, or (ii) in the case of any other Lender, in its capacity as an Issuing Lender to the extent appointed as an Issuing Lender pursuant to this Agreement. Without limiting the foregoing, WFCF and BOA, in their respective capacities as "joint lead arrangers and bookrunners" and MUFG in its capacity as "syndication agent" shall not have or be deemed to have any fiduciary relationship with any Borrower or with any Lender. Each Lender acknowledges that it has not relied upon, and will not rely upon, WFCF, BOA or MUFG in deciding to enter into this Agreement or in taking or not taking action hereunder.

15.11 **Collateral Matters**.

(a) The Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, at its option and in its sole discretion, to release any Lien on any Collateral upon any of the events described in Section 17.16. The Loan Parties and the Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, based upon the instruction of the Required Lenders, to (i) consent to, credit bid or purchase (either directly or through one or more

acquisition vehicles) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, the CCAA, the BIA or pursuant to an order of any court of competent jurisdiction supervising an Insolvency Proceeding, (ii) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale or other disposition thereof conducted under the provisions of the Code, including pursuant to Sections 9-610 or 9-620 of the Code, or (iii) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any other sale or foreclosure conducted by Agent (whether by judicial action or otherwise) in accordance with applicable law. In connection with any such credit bid or purchase, the Obligations owed to the Lenders and the Bank Product Providers shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not unduly delay the ability of Agent to credit bid or purchase at such sale or other disposition of the Collateral and, if such claims cannot be estimated without unduly delaying the ability of Agent to credit bid, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the asset or assets purchased by means of such credit bid) and the Lenders and the Bank Product Providers whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the asset or assets so purchased (or in the Stock of the acquisition vehicle or vehicles that are used to consummate such purchase). Except as provided above or in Section 17.16, Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of (y) if the release is of all or substantially all of the Collateral, all of the Lenders (without requiring the authorization of the Bank Product Providers), or (z) otherwise, the Required Lenders (without requiring the authorization of the Bank Product Providers). Upon request by Agent or any Borrower at any time, the Lenders will (and if so requested, the Bank Product Providers will) confirm in writing Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 15.11; provided, however, that (1) Agent shall not be required to execute any document necessary to evidence such release on terms that, in Agent's opinion, would expose Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of any Borrower in respect of) all interests retained by any Borrower, including, the proceeds of any sale, all of which shall continue to constitute part of the Collateral. The Lenders further hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent, at its option and in its sole discretion, to subordinate any Lien granted to or held by Agent under any Loan Document to the holder of any Permitted Lien on such property if such Permitted Lien secures Permitted Purchase Money Indebtedness.

(b) Agent shall have no obligation whatsoever to any of the Lenders (or the Bank Product Providers) to assure that the Collateral exists or is owned by the Loan Parties and their respective Subsidiaries or is cared for, protected, or insured or has been encumbered, or that Agent's Liens have been properly or sufficiently or lawfully created, perfected, rendered opposable, protected, or enforced or are entitled to any particular priority, that any particular items of Collateral meet the eligibility criteria applicable in respect thereof, or whether to impose, maintain, reduce, or eliminate any particular reserve hereunder or whether the amount of any such reserve is appropriate or not, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender (or Bank Product Provider) as to any of the foregoing, except as otherwise provided herein.

(c) Notwithstanding anything contained in any of the Loan Documents to the contrary, the Loan Parties, the Agent and each Lender hereby agree that (1) no Lender shall have any right individually to realize upon any of the Collateral under any Security Document or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies under the Collateral Documents and the Guaranty may be exercised solely by the Agent acting as agent for and representative of Lenders in accordance with the terms thereof, and (2) in the event of a foreclosure by the Agent on any of the Collateral pursuant to a public or private sale or a sale under Section 363 of the Bankruptcy Code or section 36 of the CCAA, the Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and the Agent, as agent for and representative of Lenders (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled (at the direction of the Required Lenders), for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Agent at such sale.

(d) No real property shall be taken as Collateral unless Lenders receive forty-five (45) days' advance notice and each Lender confirms to the Agent that it has completed all flood due diligence, received copies of all flood insurance documentation and confirmed flood insurance compliance as required by the Flood Laws or as otherwise satisfactory to such Lender.

15.12 **Restrictions on Actions by Lenders; Sharing of Payments**.

(a) Each of the Lenders agrees that it shall not, without the express written consent of Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the written request of Agent, set off against the Obligations that are due and owing, upon the occurrence and during the continuance of an Event of Default, any amounts due and owing by such Lender to any Loan Party or any deposit accounts of any Loan Party now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings to enforce any Loan Document against any Borrower or any Guarantor or to foreclose any Lien on, or otherwise enforce any security interest or hypothec in, any of the Collateral. In no event shall any Secured Party be permitted to take any of the foregoing actions against the Borrower or any Loan Party, including the giving of any instruction to do so, unless an Event of Default has occurred and is continuing.

(b) If, at any time or times any Lender shall receive (i) by payment, foreclosure, setoff, or otherwise, any proceeds of Collateral or any payments with respect to the Obligations, except for any such proceeds or payments received by such Lender from Agent pursuant to the terms of this Agreement, or (ii) payments from Agent in excess of such Lender's Pro Rata Share of all such distributions by Agent, such Lender promptly shall (A) turn the same over to Agent, in kind, and with such endorsements as may be required to negotiate the same to Agent, or in immediately available funds, as applicable, for the account of all of the Lenders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their Pro Rata Shares; provided, however, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment; provided, further, that the provisions of this paragraph shall not be construed to apply to (A) any payment made by Holdings, Borrowers or any other Loan Party pursuant to and in accordance with the express terms of this Agreement and the other Loan Documents, (B) any

payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Advances, Commitments or other Obligations to any assignee or participant or (C) any disproportionate payment obtained by a Lender of any class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Advances or Commitments of that class or any increase in the interest rate in respect of Advances or Commitments of Lenders that have consented to any such extension.

15.13 **Agency for Perfection**. Agent hereby appoints each other Lender (and each Bank Product Provider) as its agent (and each Lender hereby accepts (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to accept) such appointment) for the purpose of perfecting or rendering opposable Agent's Liens in assets which, in accordance with Article 8 or Article 9, as applicable, of the Code can be perfected or rendered opposable by possession or control. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent's instructions.

15.14 **Payments by Agent to the Lenders**. All payments to be made by Agent to the Lenders (or the Bank Product Providers) shall be made by bank wire transfer of immediately available funds pursuant to such wire transfer instructions as each party may designate for itself by written notice to Agent. Concurrently with each such payment, Agent shall identify whether such payment (or any portion thereof) represents principal, premium, fees, or interest of the Obligations.

15.15 **Concerning the Collateral and Related Loan Documents**. Each member of the Lender Group authorizes and directs Agent to enter into this Agreement and the other Loan Documents. Each member of the Lender Group agrees (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to agree) that any action taken by Agent in accordance with the terms of this Agreement or the other Loan Documents relating to the Collateral and the exercise by Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders (and such Bank Product Provider).

15.16 **Audits and Examination Reports; Confidentiality; Disclaimers by Lenders; Other Reports and Information.** By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that Agent furnish such Lender, promptly after it becomes available, a copy of each field audit or examination report respecting the Loan Parties and their respective Subsidiaries (each a "Report" and collectively, "Reports") prepared by or at the request of Agent, and Agent shall so furnish each Lender with such Reports,

(b) expressly agrees and acknowledges that Agent (i) does not make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Agent or other party performing any audit or examination will inspect only specific information regarding the Loan Parties and their respective Subsidiaries and will rely significantly upon the Loan Parties' and their respective Subsidiaries' books and records, as well as on representations of each Borrower's personnel,

(d) agrees to keep all Reports and other non-public information regarding the Loan Parties and their respective Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 17.9, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to any Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of any Borrower, and (ii) to pay and protect, and indemnify, defend and hold Agent, and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorney's fees and costs) incurred by Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

In addition to the foregoing: (x) any Lender may from time to time request of Agent in writing that Agent provide to such Lender a copy of any report or document provided by any Loan Party or any of its Subsidiaries to Agent that has not been contemporaneously provided by such Loan Party or such Subsidiary to such Lender, and, upon receipt of such request, Agent promptly shall provide a copy of same to such Lender, (y) to the extent that Agent is entitled, under any provision of the Loan Documents, to request additional reports or information from the Loan Parties and their respective Subsidiaries, any Lender may, from time to time, reasonably request Agent to exercise such right as specified in such Lender's notice to Agent, whereupon Agent promptly shall request of Borrowers the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from Borrowers, Agent promptly shall provide a copy of same to such Lender, and (z) any time that Agent renders to any Borrower a statement regarding the Loan Account, Agent shall send a copy of such statement to each Lender.

15.17 **Several Obligations; No Liability**. Notwithstanding that certain of the Loan Documents now or hereafter may have been or will be executed only by or in favor of Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their respective Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. Except as provided in Section 15.7, no member of the Lender Group shall have any liability for the acts of any other member of the Lender Group. No Lender shall be responsible to any Borrower or any other Person for any failure by any other Lender (or Bank Product Provider) to fulfill its obligations to make credit available hereunder, nor to advance for such Lender (or Bank Product Provider) or on its behalf, nor to take any other action on behalf of such Lender (or Bank Product Provider) hereunder or in connection with the financing contemplated herein.

15.18 **Parallel Debt.** For the purposes of creating security rights governed by Dutch law,

(a) Holdings irrevocably and unconditionally undertakes to pay to Agent an amount equal to the aggregate of the Principal Obligations. The payment undertaking of Holdings under this Section 15.18(a) is referred to as its "Parallel Debt" (the "Parallel Debt");

(b) the Parallel Debt of Holdings constitutes obligations and liabilities of Holdings to Agent which are separate and independent from, and without prejudice to, the Principal Obligations and the Parallel Debt represents Agent's own independent right to receive payment of the Parallel Debt from Holdings;

(c) the Parallel Debt of Holdings will be payable in the currency or currencies of the corresponding Principal Obligations and will become due and payable as and when and to the extent one or more of the Principal Obligations become due and payable;

(d) Agent hereby confirms and accepts that to the extent Agent receives any amount in payment of the Parallel Debt of Holdings, Agent shall distribute that amount among the parties that are the creditors of the relevant Principal Obligations in accordance with the provisions of this Agreement and the DIP Intercreditor Agreement as if received by it in payment of the relevant Principal Obligations. Upon receipt by Agent of any amount in payment of the Parallel Debt of Holdings (a "Received Amount"), the corresponding Principal Obligations shall be reduced by amounts totaling an amount (a "Deductible Amount") equal to the Received Amount in the manner and as if the Deductible Amount were received by Agent and distributed in accordance with this Agreement and the DIP Intercreditor Agreement to the relevant creditor as a payment of the relevant Principal Obligations owed to it or them on the date of receipt by Agent of the Received Amount; and

(e) the parties acknowledge and confirm that pursuant to the provisions contained in this Section 15.18 the amount which may become due and payable by Holdings as its Parallel Debt shall never exceed the total of the amounts which are payable in connection with the Principal Obligations.

15.19 **Credit Bidding**. The Secured Parties hereby irrevocably authorize the Agent, based upon the instruction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, section 36 of the CCAA, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Agent on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) immediately prior to the consummation of the closing of the sale, each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Agent with respect to such acquisition vehicle or vehicles, prior to the distribution of such equity interests to the Lenders including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 14.1 of this Agreement), (iv) the Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v)

to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

16. WITHHOLDING TAXES

(a) All payments made by any Loan Party hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense. In addition, all such payments will be made free and clear of, and without deduction or withholding for, any present or future Taxes, and in the event any deduction or withholding of Taxes is required, each Loan Party shall comply with the next sentence of this Section 16(a). If any Taxes are so levied or imposed, each Loan Party agrees to deduct and withhold and to timely pay and remit the full amount of such Taxes to the applicable Governmental Authority in accordance with applicable laws, and to pay such additional amounts to an applicable payee as may be necessary so that every payment of all amounts due under this Agreement, any note issued pursuant to this Agreement, or Loan Document, including any amount paid pursuant to this Section 16(a) after withholding or deduction for or on account of any Taxes, will not be less than the amount such payee would have received if such Taxes (including Taxes on any amount paid pursuant to this Section 16(a)) had not been deducted or withheld. Borrowers will furnish to Agent as promptly as possible after the date the payment of any Tax is due pursuant to applicable law, certified copies of tax receipts or other evidence of such payment reasonably acceptable to the Agent evidencing such payment by the applicable Borrower.

(b) Each Loan Party agrees to pay in accordance with applicable law any present or future stamp, value added or documentary taxes or any other excise or property taxes, charges, or similar levies (hereinafter, "Other Taxes") that arise from any payment made hereunder or under any of the Loan Documents, or from the execution, delivery, performance, recordation, or filing of, or otherwise with respect to this Agreement or any other Loan Document. Each Loan Party shall indemnify and hold harmless each Lender (including for purposes of this section any Participant) and Agent (and, in the case of any Lender or Agent that is a partnership or other "flow-through" entity for tax purposes, each beneficial owner thereof (each, a "Beneficial Owner")) for the full amount of Taxes and Other Taxes imposed on or paid by such Person and any liability (including penalties, interest, additions to and expenses) arising from or with respect to such Taxes, whether or not they were correctly or legally asserted. Payment under this indemnification shall be made within 30 days from the date Agent or the relevant Lender makes written demand for it. A certificate containing reasonable detail as to the amount of such Taxes or Other Taxes submitted to a Loan Party by Agent or the relevant Lender shall be conclusive evidence, absent manifest error, of the amount due from such Loan Party to Agent or such Lender (or their Beneficial Owners). The provisions of this Section 16 shall survive the termination of this Agreement and the repayment of all Obligations.

(c) If a Lender or Participant is entitled to claim an exemption or reduction from United States withholding tax (including backup withholding tax), such Lender or Participant agrees with and in favor of Agent, to deliver to Borrowers and Agent (or, in the case of a Participant, to the Lender

granting the participation only) one of the following before receiving its first payment under this Agreement:

(i) if such Lender or Participant is entitled to claim an exemption from United States withholding tax pursuant to its portfolio interest exception, (A) a statement of the Lender or Participant, signed under penalty of perjury, that it is not a (I) a "bank" as described in Section 881(c)(3)(A) of the IRC, (II) a 10% shareholder of Borrower (within the meaning of Section 871(h)(3)(B) of the IRC), or (III) a controlled foreign corporation related to Borrower within the meaning of Section 864(d)(4) of the IRC, and (B) a properly completed and executed IRS Form W-8BEN or Form W-8IMY (with proper attachments);

(ii) if such Lender or Participant is entitled to claim an exemption from, or a reduction of, withholding tax under a United States tax treaty, a properly completed and executed copy of IRS Form W-8BEN;

(iii) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender, a properly completed and executed copy of IRS Form W-8ECI;

(iv) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because such Lender or Participant serves as an intermediary, a properly completed and executed copy of IRS Form W-8IMY (with proper attachments); or

(v) a properly completed and executed copy of any other form or forms, including IRS Form W-9, as may be required under the IRC or other laws of the United States as a condition to exemption from, or reduction of, United States withholding or backup withholding tax.

Each Lender or Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and shall promptly notify the Borrowers and Agent (or, in the case of a Participant, the Lender granting the participation only) of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(d) If a Lender or Participant claims an exemption from withholding tax in a jurisdiction other than the United States, such Lender or such Participant agrees with and in favor of Agent, to deliver to Borrowers and the Agent (or, in the case of a Participant, to the Lender granting the participation only) any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax before receiving its first payment under this Agreement, but only if such Lender or such Participant is legally able to deliver such forms, provided, however, that nothing in this Section 16(d) shall require a Lender or Participant to disclose any information that it deems to be confidential (including without limitation, its tax returns). Each Lender and each Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and shall promptly notify Borrowers and the Agent (or, in the case of a Participant, to the Lender granting the participation only) of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(e) If a Lender or Participant claims exemption from, or reduction of, withholding tax and such Lender or Participant sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of Borrowers to such Lender or Participant, such Lender or Participant agrees to notify Borrowers and Agent (or, in the case of a sale of a participation interest, to the Lender granting the

participation only) of the percentage amount in which it is no longer the beneficial owner of Obligations of Borrowers to such Lender or Participant. To the extent of such percentage amount, Agent will treat such Lender's or such Participant's documentation provided pursuant to Section 16(c) or 16(d) as no longer valid. With respect to such percentage amount, such Participant or Assignee may provide new documentation, pursuant to Section 16(c) or 16(d), if applicable. Each Borrower agrees that each Participant shall be entitled to the benefits of this Section 16 with respect to its participation in any portion of the Commitments and the Obligations so long as such Participant complies with the obligations set forth in this Section 16 with respect thereto; provided, that, no Participant shall be entitled to receive greater amounts under this Section 16 then the Lender granting the Participant its participation would have been entitled to receive had such participation not been granted unless such participation was made with Borrowers' prior written consent.

(f) If a Lender or a Participant is entitled to a reduction in the applicable withholding tax, the applicable Borrower and Agent (or, in the case of a Participant, the Lender granting the participation) may withhold from any interest payment to such Lender or such Participant an amount equivalent to the applicable withholding tax after taking into account such reduction. If the forms or other documentation required by subsection (c) or (d) of this Section 16 are not delivered to the applicable Borrower and the Agent (or, in the case of a Participant, to the Lender granting the participation), then such Borrower or Agent (or, in the case of a Participant, to the Lender granting the participation) may withhold from any interest payment to such Lender or such Participant not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(g) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that a Borrower or Agent (or, in the case of a Participant, to the Lender granting the participation) did not properly withhold tax from amounts paid to or for the account of any Lender or any Participant due to a failure on the part of the Lender or any Participant (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify such Borrower or Agent (or such Participant failed to notify the Lender granting the participation) of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify and hold such Borrower or Agent harmless (or, in the case of a Participant, such Participant shall indemnify and hold the Lender granting the participation harmless) for all amounts paid, directly or indirectly, by such Borrower or Agent (or, in the case of a Participant, to the Lender granting the participation), as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to such Borrower or Agent (or, in the case of a Participant, to the Lender granting the participation only) under this Section 16, together with all costs and expenses (including attorney's fees and expenses). The obligation of the Lenders and the Participants under this subsection shall survive the payment of all Obligations and the resignation or replacement of Agent.

(h) If Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by Borrowers or with respect to which any Borrower has paid additional amounts pursuant to this Section 16, so long as no Default or Event of Default has occurred and is continuing, it shall pay over the amount of such refund to the applicable Borrower (but only to the extent of payments made, or additional amounts paid, by such Borrower under this Section 16 with respect to Taxes giving rise to such a refund), net of all out-of-pocket expenses of Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such a refund); provided, that such Borrower, upon the request of Agent or such Lender, agrees to repay the amount paid over to such Borrower (plus any penalties, interest or other charges, imposed by the relevant Governmental Authority, other than such penalties, interest or other charges imposed as a result of the willful misconduct or gross negligence of Agent hereunder) to Agent or such Lender in the event Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything in this Agreement to the contrary, this Section 16 shall not be construed to require Agent or any

Lender to make available its tax returns (or any other information which it deems confidential) to any Borrower or any other Person or to arrange its affairs in whatever manner it thinks fit and, in particular, no Agent nor any Lender shall be under any obligation to claim relief for tax purposes or to claim such relief in priority to other claims, credits or deductions.

17. GENERAL PROVISIONS

17.1 **Effectiveness**. This Agreement shall be binding and deemed effective when executed by Holdings, each Borrower, Agent, and each Lender whose signature is provided for on the signature pages hereof.

17.2 **Section Headings**. Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

17.3 **Interpretation**. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lender Group or any Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

17.4 **Severability of Provisions**. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

17.5 **Bank Product Providers**.

(a) U.S. Borrower and the Lender Group hereby acknowledge and agree that all Pre-Petition U.S. Bank Products and the related Bank Product Letter Agreements shall constitute U.S. Bank Products and Bank Product Letter Agreements, respectively, for purposes of this Agreement on and after the Closing Date with the same effect as if such Pre-Petition U.S. Bank Products and related Bank Product Letter Agreements were provided by a Bank Product Provider at the request of U.S. Borrower on the Closing Date. Canadian Borrower and the Lender Group hereby acknowledge and agree that all Pre-Petition Canadian Bank Products and the related Bank Product Letter Agreements shall constitute Canadian Bank Products and Bank Product Letter Agreements, respectively, for purposes of this Agreement on and after the Closing Date with the same effect as if such Pre-Petition Canadian Bank Products and Bank Product Letter Agreements were provided by a Bank Product Provider at the request of Canadian Borrower on the Closing Date.

(b) Each Bank Product Provider shall be deemed a third party beneficiary hereof and of the provisions of the other Loan Documents for purposes of any reference in a Loan Document to the parties for whom Agent is acting. Agent hereby agrees to act as agent for such Bank Product Providers and, by virtue of entering into a Bank Product Agreement, the applicable Bank Product Provider shall be automatically deemed to have appointed Agent as its agent and to have accepted the benefits of the Loan Documents; it being understood and agreed that the rights and benefits of each Bank Product Provider under the Loan Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In addition, each Bank Product Provider, by virtue of entering into a Bank Product Agreement, shall be automatically deemed to have agreed that Agent shall have the right, but shall have no obligation, to establish, maintain, relax, or release reserves in respect of the Bank Product Obligations and that if reserves are established there is no

obligation on the part of Agent to determine or insure whether the amount of any such reserve is appropriate or not. In connection with any such distribution of payments or proceeds of Collateral, Agent shall be entitled to assume no amounts are due or owing to any Bank Product Provider unless such Bank Product Provider has provided a written certification (setting forth a reasonably detailed calculation) to Agent as to the amounts that are due and owing to it and such written certification is received by Agent a reasonable period of time prior to the making of such distribution. Agent shall have no obligation to calculate the amount due and payable with respect to any Bank Products, but may rely upon the written certification of the amount due and payable from the relevant Bank Product Provider. In the absence of an updated certification, Agent shall be entitled to assume that the amount due and payable to the relevant Bank Product Provider is the amount last certified to Agent by such Bank Product Provider as being due and payable (less any distributions made to such Bank Product Provider on account thereof). Any Borrower may obtain Bank Products from any Bank Product Provider, although no Borrower is required to do so. Borrower acknowledges and agrees that no Bank Product Provider has committed to provide any Bank Products and that the providing of Bank Products by any Bank Product Provider is in the sole and absolute discretion of such Bank Product Provider. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no provider or holder of any Bank Product shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

17.6 **Debtor-Creditor Relationship.** The relationship between the Lenders and Agent, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. No member of the Lender Group has (or shall be deemed to have) any fiduciary relationship or duty to any Loan Party arising out of or in connection with the Loan Documents or the transactions contemplated thereby, and there is no agency or joint venture relationship between the members of the Lender Group, on the one hand, and the Loan Parties, on the other hand, by virtue of any Loan Document or any transaction contemplated therein.

17.7 **Counterparts; Electronic Execution**. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

17.8 **Revival and Reinstatement of Obligations**. If the incurrence or payment of the Obligations by any Borrower or any Guarantor or the transfer to the Lender Group of any property should for any reason subsequently be asserted, or declared, to be void or voidable under applicable law relating to creditors' rights, including provisions of applicable law relating to fraudulent conveyances, preferences, or other voidable or recoverable payments of money or transfers of property (each, a "Voidable Transfer"), and if the Lender Group is required to repay or restore, in whole or in part, any such Voidable Transfer, or elects to do so upon the reasonable advice of its counsel, then, as to any such Voidable Transfer, or the amount thereof that the Lender Group is required or elects to repay or restore, and as to all reasonable costs, expenses, and attorney's fees of the Lender Group related thereto, the liability of such Borrower or such Guarantor automatically shall be revived, reinstated, and restored and shall exist as though such Voidable Transfer had never been made.

17.9 **Confidentiality**.

(a) Agent, Issuing Lenders and Lenders each individually (and not jointly or jointly and severally) agree that all non-public information regarding the Loan Parties and their respective Subsidiaries, their operations, assets, and existing and contemplated business plans ("Confidential Information") shall be treated by Agent, Issuing Lenders and the Lenders in a confidential manner, and shall not be disclosed by Agent, Issuing Lenders and the Lenders to Persons who are not parties to this Agreement, except: (i) on a confidential basis, to attorneys for and other advisors, accountants, auditors, and consultants to any member of the Lender Group and to employees, directors and officers of any member of the Lender Group (the Persons in this clause (i), "Lender Group Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and who are informed of the confidential nature of such information and are or have been advised of their obligation to keep information of this type confidential, (ii) to Subsidiaries and Affiliates of any member of the Lender Group (including the Bank Product Providers) on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby; provided that any such Subsidiary or Affiliate shall have agreed to receive such information hereunder subject to the terms of this Section 17.9 (it being acknowledged and agreed by the parties hereby that Borrowers shall be deemed to be third party beneficiaries of such agreements), (iii) upon the request or demand of any regulatory authority having jurisdiction over any member of the Lender Group or any of their respective Affiliates (in which case such member of the Lender Group agrees (except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority), to the extent practicable and not prohibited by applicable law, to inform Borrowers prior thereof prior to disclosure), (iv) as may be required by statute, decision, or judicial or administrative order, rule, or regulation; provided that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide Borrowers with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to Borrowers pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by Borrowers, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process, provided, that, (x) prior to any disclosure under this clause (vi) the disclosing party agrees to provide Borrowers with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Borrowers pursuant to the terms of the subpoena or other legal process and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by Agent, Issuing Lenders or the Lenders or the Lender Group Representatives), (viii) in connection with any assignment, participation or pledge (including any prospective assignment, participation or pledge) of any Lender's interest under this Agreement, provided that any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information hereunder subject to the terms of this Section and agrees only to use such information for evaluating its investment hereunder, and (ix) to the extent that Agent determines in good faith that it is necessary or advisable in connection with the exercise of any remedies hereunder or under any other Loan Document or the enforcement or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; provided, however, that in no event shall the provisions of this clause (ix) permit Agent or any Lender to divulge, reveal or otherwise disclose any Confidential Information that consists of proprietary technology, proprietary processes, proprietary Intellectual Property, or other related Confidential Information, including, any information relating to the technologies and processes of Borrowers and their Subsidiaries designed or intended to maximize yields in the canning, packing and cleaning process of Borrowers' and their Subsidiaries' business, in each case with respect to

the Loan Parties and their respective Subsidiaries and Affiliates; provided, further, that, prior to any disclosure to any Person (other than any Loan Party, Agent, any Lender, any of their respective Affiliates, or their respective counsel) under this clause (ix) with respect to litigation involving any Person (other than any Borrower, Agent, any Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide Borrowers with prior written notice thereof. Agent and each Lender agrees that, upon receipt of a request or identification of the requirement for disclosure pursuant to clause (iii) or clause (iv) hereof, it will make reasonable efforts to keep the Loan Parties informed of such request or identification; provided that each Loan Party acknowledges that Agent and each Lender may make disclosure as required or requested by any Governmental Authority or representative thereof and that Agent and each Lender may be subject to review by regulatory agencies and may be required to provide to, or otherwise make available for review by, the representatives of such parties or agencies any such non-public information.

(b) Anything in this Agreement to the contrary notwithstanding, any joint bookrunner may, in consultation with you, place customary advertisements in financial and other newspapers and periodicals or on a home page or similar place for dissemination of customary information on the Internet or worldwide web as it may choose, and circulate similar promotional materials, in each case, after the Closing Date, in the form of "tombstone" or otherwise describing the names of Borrowers and the amount, type and closing date of the Transactions, all at the expense of such joint bookrunner.

17.10 **Lender Group Expenses**. From and after the Closing Date, each Borrower agrees to pay any and all Lender Group Expenses no later than the 10th day after receipt of an invoice setting forth the amount and nature of the Lender Group Expenses for which reimbursement is demanded by Agent. Each Borrower agrees that its obligations contained in this Section 17.10 shall survive payment or satisfaction in full of all other Obligations; provided, however, that if an Event of Default has occurred and is continuing, the Lender Group Expenses shall be due and payable upon demand.

17.11 **USA PATRIOT Act**. Each Lender that is subject to the requirements of the Patriot Act hereby notifies Borrowers that pursuant to the requirements of the Patriot Act and certain Anti-Money Laundering Laws and Canadian Anti-Terrorism Laws, it is required to obtain, verify and record information that identifies Borrowers, which information includes the name and address of Borrowers and other information that will allow such Lender to identify Borrowers in accordance with the Patriot Act and certain Anti-Money Laundering Laws and Canadian Anti-Terrorism Laws. In addition, if Agent is required by law or regulation or internal policies to do so, it shall have the right to periodically conduct upon reasonable advance written notice, during normal business hours, (a) Patriot Act searches, OFAC searches, and customary individual background checks for the Loan Parties and (b) OFAC searches and customary individual background checks for the Loan Parties' senior management, key principals, directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Loan Parties, and Borrowers agree to cooperate in respect of the conduct of such searches and to promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or Agent or any prospective assign or participant of a Lender or Agent in order to comply with the Patriot Act, Anti-Money Laundering Laws or Canadian Anti-Terrorism Laws and further agrees that the reasonable costs and charges for such searches shall constitute Lender Group Expenses hereunder and be for the account of Borrowers.

17.12 **Applicable Currency**. Each payment in respect of any Obligation shall be made in Dollars with respect to such Obligation. The specification under this Agreement of Dollars is of the essence in each case. Each Loan Party's obligations hereunder and under the other Loan Documents to make payments in Dollars shall not be discharged or satisfied by any tender or recovery in any other currency (including any tender pursuant to any judgment expressed in or converted into any currency other than such applicable currency), except to the extent that such tender or recovery results in the effective receipt by the Agent and

Lenders of the full amount of Dollars expressed to be payable to the Agent and the Lenders under this Agreement or the other Loan Documents. If for any reason it is necessary to convert into or from any currency other than Dollars (such other currency being hereinafter referred to as the "Tendered Currency"), the rate of exchange used shall be the Exchange Rate on the Business Day preceding that on which such other currency is tendered to Agent. The obligation of each Loan Party in respect of any such sum due from it to Agent or any Lender hereunder shall, notwithstanding any tender or any judgment in such Tendered Currency, be discharged only to the extent that Agent, in accordance with its customary or other reasonable procedures, purchases Dollars with the Tendered Currency so received. If the amount of Dollars so purchased is less than the sum originally due to Agent or such Lender, as applicable, in Dollars, each Loan Party agrees, as a separate obligation and notwithstanding any judgment, to indemnify the Agent and the Lenders against such loss, and if the Dollars so purchased exceed the sum originally due to any Lender in Dollars, Agent or such Lender, as applicable, agrees to remit to such Loan Party such excess.

17.13 **Integration**. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof. The foregoing to the contrary notwithstanding, all Bank Product Agreements, if any, are independent agreements governed by the written provisions of such Bank Product Agreements, which will remain in full force and effect, unaffected by any repayment, prepayments, acceleration, reduction, increase, or change in the terms of any credit extended hereunder, except as otherwise expressly provided in such Bank Product Agreement.

17.14 **[Intentionally Omitted]**

17.15 **Survival**. All representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent, the Issuing Lender, or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated.

17.16 **Release of Collateral and Guarantee Obligations**.

(a) The Lenders hereby irrevocably agree that the Liens granted to Agent by the Loan Parties on any Collateral shall be released (i) in full, as set forth in clause (b) below, (ii) upon the Disposition of such Collateral (including as part of or in connection with any other Disposition permitted hereunder) to any Person other than a Loan Party, to the extent such Disposition is made in compliance with the terms of this Agreement (and Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Loan Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Sections 14.1 and 15.11), (v) to the extent the property constituting such Collateral is owned by any Loan Party, upon the release of such Loan Party from its obligations hereunder and/or under the Guaranty (in accordance with the second succeeding sentence and Section 10 of the Guaranty), (vi) as required by Agent to effect any Disposition of Collateral in connection with any exercise of remedies pursuant to the Loan Documents, (vii) with respect to any Collateral that is Stock, upon the dissolution or liquidation of the issuer of such Stock that is not prohibited by the Loan Documents, and (viii) with respect to any Term Loan Priority

Collateral, upon release of any such Collateral from the DIP Term Loan Liens to the extent required by the provisions of the DIP Intercreditor Agreement. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. The Lenders hereby authorize Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Loan Party or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender. Any representation, warranty or covenant contained in any Loan Document relating to any such Collateral or Loan Party shall no longer be deemed to be repeated.

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations have been paid in full and the Commitments have been terminated (such date, the "Payoff Date"), upon request of Borrowers, Agent shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its Liens in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any (i) unasserted contingent indemnification Obligations, (ii) any Bank Product Obligations (other than Hedge Obligations) that by the terms of the applicable Bank Product Agreement are not required to be repaid or cash collateralized as a result of a repayment of other Obligations, and (iii) any Hedge Obligations that by the terms of the applicable Bank Product Agreement are not required to be repaid as a result of a repayment of other Obligations. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon any Insolvency Proceeding of any Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

17.17 **Acknowledgement and Consent to Bail-In of EEA Financial Institutions**. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

17.18 **Acknowledgement Regarding Any Supported QFCs**. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

3. 4. Following the execution of this Assignment Agreement by Assignor and Assignee, Assignor will deliver this Assignment Agreement to Agent for recording by the applicable

Agent. The effective date of this Assignment (the "Settlement Date") shall be the latest to occur of (a) the date of the execution and delivery hereof by Assignor and Assignee, (b) the receipt by the applicable Agent for its sole and separate account a processing fee in the amount of $3,500 (if required by the Credit Agreement), (c) the receipt of any required consent of Agent, the applicable Borrower, any Swing Lender, and any Issuing Bank, and (d) the date specified in Annex I.

5. As of the Settlement Date (a) Assignee shall be a party to the Credit Agreement and, to the extent of the interest assigned pursuant to this Assignment Agreement, have the rights and obligations of a Lender under the Credit Agreement and the other Loan Documents, and (b) Assignor shall, to the extent that rights and obligations under the Credit Agreement and under the other Loan Documents have been assigned by Assignor pursuant to this Assignment Agreement, relinquish its rights (except with respect to Section 10.3 of the Credit Agreement) and be released from any future obligations under the Credit Agreement and the other Loan Documents (and if Assignor is assigning all or the remaining portion of its rights and obligations under the Credit Agreement and the other Loan Documents, Assignor shall cease to be a party to the Credit Agreement and the other Loan Documents); provided, however, that nothing contained herein shall release Assignor from obligations that survive the termination of the Credit Agreement, including such assigning Lender's obligations under Section 15 and Section 17.9(a) of the Credit Agreement.

6. Upon the Settlement Date, Assignee shall pay to Assignor the Purchase Price (as set forth in Annex I). From and after the Settlement Date, Agent shall make all payments that are due and payable to the holder of the interest assigned hereunder (including payments of principal, interest, fees and other amounts) to Assignor for amounts which have accrued up to but excluding the Settlement Date and to Assignee for amounts which have accrued from and after the Settlement Date. 7. This Assignment Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same instrument. Delivery of an executed counterpart of this Assignment Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Assignment Agreement. Any party delivering an executed counterpart of this Assignment Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Assignment Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Assignment Agreement.

(iii) UPON THE WRITTEN REQUEST OF ANY PARTY, THE PARTIES SHALL SELECT A SINGLE REFEREE, WHO SHALL BE A RETIRED JUDGE OR JUSTICE. IF THE PARTIES DO NOT AGREE UPON A REFEREE WITHIN 10 DAYS OF SUCH WRITTEN REQUEST, THEN, ANY PARTY SHALL HAVE THE RIGHT TO REQUEST THE COURT TO APPOINT A REFEREE PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 640(B). THE REFEREE SHALL BE APPOINTED TO SIT WITH ALL OF THE POWERS PROVIDED BY LAW. PENDING APPOINTMENT OF THE REFEREE, THE COURT SHALL HAVE THE POWER TO ISSUE TEMPORARY OR PROVISIONAL REMEDIES.

(vi) THE REFEREE SHALL APPLY THE RULES OF EVIDENCE APPLICABLE TO PROCEEDINGS AT LAW IN THE STATE OF CALIFORNIA AND SHALL DETERMINE ALL ISSUES IN ACCORDANCE WITH CALIFORNIA SUBSTANTIVE AND PROCEDURAL LAW. THE REFEREE SHALL BE EMPOWERED TO ENTER EQUITABLE AS WELL AS LEGAL RELIEF AND RULE ON ANY MOTION WHICH WOULD BE AUTHORIZED IN A TRIAL, INCLUDING MOTIONS FOR DEFAULT JUDGMENT OR SUMMARY JUDGMENT. THE REFEREE SHALL REPORT HIS OR HER DECISION, WHICH REPORT SHALL ALSO INCLUDE FINDINGS OF FACT AND CONCLUSIONS OF LAW. THE REFEREE SHALL ISSUE A DECISION AND PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE, SECTION 644, THE REFEREE'S DECISION SHALL BE ENTERED BY THE COURT AS A JUDGMENT IN THE SAME MANNER AS IF THE ACTION HAD BEEN TRIED BY THE COURT. THE FINAL JUDGMENT OR ORDER FROM ANY APPEALABLE DECISION OR ORDER ENTERED BY THE REFEREE SHALL BE FULLY APPEALABLE AS IF IT HAS BEEN ENTERED BY THE COURT.

THE PARTIES RECOGNIZE AND AGREE THAT ALL CLAIMS RESOLVED IN A GENERAL REFERENCE PROCEEDING PURSUANT HERETO WILL BE DECIDED BY A REFEREE AND NOT BY A JURY. AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR OWN CHOICE, EACH PARTY HERETO KNOWINGLY AND VOLUNTARILY AND FOR THEIR MUTUAL BENEFIT AGREES THAT THIS SECTION 12(e) SHALL APPLY TO ANY DISPUTE BETWEEN THEM THAT ARISES OUT OF OR IS RELATED TO THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS.
