(g) Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in paragraphs (ii)(A), (ii)(B) and (ii)(D) of this Section) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(i) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Borrower,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or about the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) executed copies of IRS Form W-8EXP;

(4) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(c)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(5) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the

Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.13 (including by the payment of additional amounts pursuant to this Section 2.13), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.13 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.13(h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.13(h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.13(h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the New Money Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

SECTION 2.14. Limit on Rate of Interest.

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment which it would otherwise be required to make, as a result of Section 2.14(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules and regulations.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Loan Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by any applicable law, rule or regulation, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.07.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any applicable law, rule or regulation, then the Borrower shall be entitled, by notice in writing to the Administrative Agent (for distribution to the Lenders) to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to the Borrower.

SECTION 2.15. Pro Rata Sharing. Except as expressly set forth herein, whenever any payment received by the Administrative Agent under this Agreement is insufficient to pay in full all amounts then due and payable to the Administrative Agent and the Lenders under this Agreement, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the following order: first, to the payment of fees and expenses due and payable to the Administrative Agent and the Collateral Agent and their Affiliates under and in connection with this Agreement; second, to the payment of all expenses due and payable under Section 9.05, ratably among the Lenders in accordance with the aggregate amount of such payments owed to each Lender; third, to the payment of interest and amounts under Sections 2.07 and 2.13, if any, then due and payable on the Loans ratably among the Lenders in accordance with the aggregate amount of interest owed to each Lender; and fourth, to the payment of the principal amount of the Loans that is then due and payable, ratably among the Lenders in accordance with the aggregate principal amount owed to each such Lender.

SECTION 2.16. Adjustments; Set-off.

(a) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in

such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender entitled to such payment, then the Lender receiving such greater proportion shall (i) notify the Administrative Agent in writing and (ii) purchase for cash at face value participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders entitled thereto ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (a) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the terms of this Agreement, or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(b) Subject to Section 7.02, after the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by the Orders and applicable law, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower or any Credit Party. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

SECTION 2.17. Defaulting Lenders. Notwithstanding anything to the contrary contained in this Agreement, if any New Money Lender becomes a Defaulting Lender, then, until such time as such New Money Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(a) any amount paid by the Borrower or otherwise received by the Administrative Agent for the account of a Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity payments or other amounts) will not be paid or distributed to such Defaulting Lender, but will instead be retained by the Administrative Agent in a segregated non-interest bearing account until the termination of the Aggregate New Money Commitments and payment in full of all Obligations and will be applied by the Administrative Agent, to the fullest extent permitted by law, to the making of payments from time to time in the following order of priority: first to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent under this Agreement, second to the payment of post-default interest and then current interest due and payable to the Lenders hereunder other than Defaulting Lenders,

ratably among them in accordance with the amounts of such interest then due and payable to them, third to the payment of fees then due and payable to the Non-Defaulting Lenders hereunder, ratably among them in accordance with the amounts of such fees then due and payable to them, fourth to the ratable payment of other amounts then due and payable to the Non-Defaulting Lenders, and fifth after the termination of the New Money Commitments and payment in full of all obligations of the Borrower hereunder, to pay amounts owing under this Agreement to such Defaulting Lender or as the Bankruptcy Court or any other court of competent jurisdiction may otherwise direct.

(b) Fees. Anything to the contrary notwithstanding, during such period as a New Money Lender is a Defaulting Lender, such Defaulting Lender will not be entitled to any fees accruing during such period.

(c) Defaulting Lender Cure. If the holders of more than 50% of the Aggregate New Money Commitments or New Money Loans, as applicable, agree in writing in their discretion that a New Money Lender is no longer a Defaulting Lender, as the case may be, the Administrative Agent (at the direction of such holders) will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, such New Money Lender will, to the extent applicable, purchase at par such portion of outstanding New Money Loans of the other New Money Lenders and/or make such other adjustments as the Administrative Agent may determine to be necessary to cause the New Money Loans of the New Money Lenders to be on a pro rata basis in accordance with their respective Aggregate New Money Commitments, whereupon such New Money Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such New Money Lender was a Defaulting Lender.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

In order to induce the Lenders and the Agents to enter into this Agreement and to induce the Lenders to make the Loans, the Borrower makes, on the Interim Facility Effective Date and the Final Facility Effective Date, the following representations and warranties to the Agents and the Lenders:

SECTION 3.01. Corporate Status. Subject to any restrictions arising on account of the Borrower's or any Guarantor's status as a "debtor" under the Bankruptcy Code and entry of the Orders, each of the Borrower and Guarantors (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has all the requisite power and authority, and has all material governmental licenses, authorizations, consents and approvals necessary to own its property and assets and to transact its business as now conducted and (b) has duly qualified and is authorized to do business and is in good standing (if applicable) in all jurisdictions where it is required to be so qualified, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and all such jurisdictions, as of the Closing Date, are set forth on Schedule 3.01.

SECTION 3.02. Corporate Power and Authority; Enforceability; Security Interests. Subject to any restrictions arising on account of the Borrower's or any Guarantor's status as a "debtor" under the Bankruptcy Code and entry of the Orders and the terms thereof, (x) each Credit Party has (or, in the case of each Guarantor, will have) the corporate or limited liability company or other organizational power and authority and, if required, member action (including, without limitation, any action required to be taken by any class of managers, directors or partners (as applicable) of the Borrower or any other Person, whether interest or disinterested, in order to ensure the due authorization of the Transactions) to execute, deliver and carry out the terms and provisions of the Loan Documents to which it is a party and has taken all necessary corporate or other organizational action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and (y) each Credit Party has (or, in the case of each Guarantor, will have) duly executed and delivered each Loan Document to which it is a party and each such Loan Document constitutes (or, in the case of each Guarantor, will constitute) the legal, valid and binding obligation of such Credit Party enforceable in accordance with its terms, subject to the terms of the Orders, the Borrower's or any Guarantor's status as a "debtor" under the Bankruptcy Code.

SECTION 3.03. No Violation. None of the execution, delivery or performance by any Credit Party of the Loan Documents to which it is a party or the compliance with the terms and provisions thereof will (a) other than violations arising as a result of the commencement of the Cases and except as otherwise excused by the Bankruptcy Court, contravene any Requirement of Law, (b) other than violations arising as a result of the commencement of the Cases and except as otherwise excused by the Bankruptcy Court, result in any breach or violation of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien upon the Credit Party or any of the Subsidiaries or any of the property or assets of such (other than Liens created under the Loan Documents and Liens permitted hereunder) pursuant to the terms of any indenture, loan agreement, lease agreement, mortgage, deed of trust, agreement or other instrument to which such Credit Party or any of the Subsidiaries is a party or by which it or any of its property or assets is bound (any such term, covenant, condition or provision, a "Contractual Requirement") or (c) violate any provision of the certificate of incorporation, by-laws or other organizational documents of such Credit Party or any of the Subsidiaries.

SECTION 3.04. Litigation. Except for (i) the Cases and, with respect to any Debtor, any of the following that are effectively stayed as a result of the Cases, (x) the consequences that would normally result from the commencement, continuation and prosecution of the Cases and (y) any challenge rights in accordance with the Orders and any objections or pleadings that may have been filed in the Cases relating to authorization to enter into the Loan Documents and incur the Obligations, and (ii) Disclosed Matters (including Schedule 3.04), there are no actions, suits, investigations or proceedings (including Environmental Claims) pending or, to the knowledge of the Borrower, threatened in writing against or affecting the Borrower, or any of its Subsidiaries or any of their respective properties that would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, or that involve any Loan Document or other Transactions.

SECTION 3.05. Margin Regulations. Neither the making of any Loan hereunder nor the use of the proceeds thereof will violate the provisions of Regulation T, Regulation U or Regulation X of the Board.

SECTION 3.06. Consents and Approvals. Subject to the Orders and the terms thereof, the execution, delivery and performance of each Loan Document, the validity or enforcement thereof, and the consummation of the other Transactions do not (or, in the case of each Guarantor, will not) require any consent or approval of, registration or filing with, or other action by, any Governmental Authority or any other third Persons (including members or any class of managers, whether interested or disinterested, of the Borrower or any other Person), except for (a) such as have been or will be prior to the Closing Date obtained or made and are or will be prior to the Closing Date in full force and effect, (b) filings and recordings in respect of the Liens created pursuant to the Orders and (c) such third party consents, approvals, registrations, filings or actions the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect.

SECTION 3.07. Investment Company Act. No Credit Party is required to be registered as an "investment company" or a company "controlled" by an "investment company" within the meaning of, and subject to the regulation under, the Investment Company Act of 1940, as amended.

SECTION 3.08. True and Complete Disclosure. (a) All written factual information (other than estimates and information of a general economic nature or general industry nature) (the "Information") concerning the Borrower, the Restricted Subsidiaries, the Transactions and any other transactions contemplated hereby prepared by or on behalf of the foregoing or their representatives and made available to any Lenders or the Agents in connection with the Transactions or the other transactions contemplated hereby, when taken as a whole, was true and correct in all material respects as of the date such Information was furnished to the Lenders and the Agents and as of the Closing Date and did not, taken as a whole, contain any untrue statement of a material fact as of any such date or omit to state a material fact necessary in order to make the statements contained therein, taken as a whole, not materially misleading in light of the circumstances under which such statements were made.

(b) The estimates and information of a general economic nature or general industry nature prepared by or on behalf of the Borrower or any of its representatives and that have been made available to any Lenders or the Administrative Agent in connection with the Transactions or the other transactions contemplated hereby (i) do not contain any material misstatement of fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (provided that, with respect to projected financial information, the Borrower represents only that such information has been prepared in good faith based upon assumptions believed by the Borrower to be reasonable as of the date thereof, as of the date such estimates were furnished to the Lenders and as of the Closing Date), and (ii) as of the Closing Date, have not been modified in any material respect by the Borrower.

(c) The Borrower has disclosed to the Agents and the Lenders all agreements, instruments, and corporate or other restrictions to which it or any of the other Subsidiaries is

subject, and all other matters known to it, that, individually or, in the aggregate, could reasonably be expected to result in a Material Adverse Effect.

(d) There is no fact peculiar to the Borrower or any other Restricted Subsidiary which could reasonably be expected to have a Material Adverse Effect or in the future is reasonably likely to have a Material Adverse Effect and which has not been set forth in this Agreement or the Loan Documents or the other documents, certificates and statements furnished to the Agents or the Lenders by or on behalf of the Borrower or any other Restricted Subsidiary prior to, or on, the date hereof in connection with the transactions contemplated hereby. There are no statements or conclusions in any Reserve Report which are based upon or include misleading information or fail to take into account material information regarding the matters reported therein, it being understood that projections concerning volumes attributable to the Oil and Gas Properties and production and cost estimates contained in each Reserve Report are necessarily based upon professional opinions, estimates and projections and that the Borrower and the other Subsidiaries do not warrant that such opinions, estimates and projections will ultimately prove to have been accurate.

SECTION 3.09. Tax Matters. Except as excused by the Bankruptcy Code or where the failure of which would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect, each of the Borrower and the Subsidiaries has filed all federal income Tax returns and all other Tax returns, domestic and foreign, required to be filed by it (including in its capacity as a withholding agent) and has paid all Taxes payable by it that have become due, other than those (i) not yet delinquent or (ii) being contested in good faith by appropriate proceedings and as to which adequate reserves have been provided to the extent required by and in accordance with GAAP.

SECTION 3.10. Compliance with ERISA. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $1,000,000 the fair market value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $1,000,000 the fair market value of the assets of all such underfunded Plans.

SECTION 3.11. Subsidiaries. Schedule 3.11 lists each Subsidiary of the Borrower (and the direct and indirect ownership interest of the Borrower therein) on the Petition Date. The Borrower has no Subsidiaries other than those set forth on Schedule 3.11.

SECTION 3.12. Intellectual Property. The Borrower and each of the Restricted Subsidiaries own or have obtained valid rights to use all intellectual property, free from any burdensome restrictions, that is necessary for the operation of their respective businesses as currently conducted and as proposed to be conducted, except where the failure to obtain any such rights would not reasonably be expected to have a Material Adverse Effect.

SECTION 3.13. Environmental Laws. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (i) the Borrower and each of the Restricted Subsidiaries are and have been in compliance with all Environmental Laws, which compliance includes obtaining, maintaining, filing and complying with all applicable Environmental Permits, which Environmental Permits are in full force and effect; (ii) neither the Borrower nor any Restricted Subsidiary has received written notice of any Environmental Claim; (iii) neither the Borrower nor any Restricted Subsidiary is conducting any investigation, removal, remedial or other corrective action pursuant to any Environmental Law at any location; (iv) no Hazardous Materials have been (in the past or currently) treated, stored, transported, released or disposed or arranged for disposal or transport for disposal of Hazardous Materials at, on, under or from any property in a manner that would reasonably be expected to give rise to liability of the Borrower or any Restricted Subsidiary under Environmental Law; (v) no Property of the Borrower or any Restricted Subsidiary nor the operations currently conducted thereon or by any prior owner or operator of such Property or operations in violation of or subject to any existing, pending or, to the knowledge of the Borrower threatened action, suit, investigation, inquiry or proceeding by or before any court or Governmental Authority or to any remedial obligations under Environmental Laws; (vi) all Hazardous Materials, solid waste and oil and gas waste, if any, generated at any and all Property of the Borrower or any Restricted Subsidiary have, in the past, been transported, treated and disposed of in accordance with Environmental Laws and so as not to pose an imminent and substantial endangerment to public health or welfare or the environment, and all such transport carriers and treatment and disposal facilities have been and are operating in compliance with Environmental Laws and so as not to pose an imminent and substantial endangerment to public health or welfare or the environment, and are not the subject of any existing, pending or threatened action, investigation or inquiry by any Governmental Authority in connection with any Environmental Laws; (vii) the Borrower has taken all steps reasonably necessary to determine and has determined that no oil, Hazardous Materials, solid waste or oil and gas waste have been disposed of or otherwise released and there has been no threatened Release of any oil, Hazardous Materials, solid waste or oil and gas waste on or to any Property of the Borrower or any Restricted Subsidiary, except in compliance with Environmental Laws and so as not to pose an imminent and substantial endangerment to public health or welfare or the environment; and (viii) neither the Borrower nor any Restricted Subsidiary has any known contingent liability or Remedial Work in connection with any release or threatened release of any oil, Hazardous Materials, solid waste or oil and gas waste into the environment.

SECTION 3.14. Properties.

(a) Each of the Borrower and its Subsidiaries has valid fee simple title to, or valid leasehold interests in, or easements or other limited property interests in, all its real properties and has good and defensible title to its personal property and assets, in each case, except for Liens permitted hereunder and except for minor defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties and assets for their intended purposes and except where the failure to have such title, interests or easements would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. All such properties and assets are free and clear of Liens, other than Liens permitted hereunder.

(b) All leases and agreements necessary for the conduct of the business of the Borrower and the Restricted Subsidiaries are valid and subsisting, in full force and effect, and there exists no default or event or circumstance which, with the giving of notice or the passage of time, or both, would give rise to a material default under any such lease or agreement.

(c) The rights and properties presently owned, leased or licensed by the Credit Parties including all easements and rights of way, include all rights and properties necessary to permit the Credit Parties to conduct their respective businesses as currently conducted in all material aspects.

(d) All of the properties of the Borrower and the Subsidiaries that are reasonably necessary for the operation of their businesses are in good working condition and are maintained in accordance with prudent business standards.

(e) The Borrower and each other Restricted Subsidiary owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and such other Subsidiaries does not infringe upon the rights of any other Person in any material respect.

SECTION 3.15. Foreign Corrupt Practices Act. The Borrower, its Subsidiaries and their respective directors, officers and employees and, to the knowledge of the Borrower, the agents of the Borrower and its Subsidiaries, are in compliance with all applicable Sanctions and with the Foreign Corrupt Practices Act of 1977, as amended, and the rules and regulations thereunder (the "FCPA") and any other applicable anti-corruption law, in all material respects. The Borrower and its Subsidiaries have instituted and maintain policies and procedures designed to promote and achieve continued compliance with applicable Sanctions, the FCPA and any other applicable anti-corruption laws.

SECTION 3.16. USA Patriot Act; OFAC; Money Laundering.

(a) The Borrower and each of its Subsidiaries is in compliance in all material respects with the applicable provisions of the USA Patriot Act.

(b) None of the Borrower or any of its Subsidiaries nor, to the knowledge of Borrower, any director, officer, agent, employee or Affiliate of the Borrower or any of the Subsidiaries is or is owned or controlled by persons who are: (i) listed in any Sanctions-related list of any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department ("OFAC") or the U.S. Department of State, or sanctions administered by the United Nations Security Council, Her Majesty's Treasury, the European Union or any European Union Member State (collectively, "Sanctions") or (ii) are organized or resident in a country or territory that is, or whose government is, the subject of Sanctions; and the Borrower will not directly or, to the knowledge of the Borrower, indirectly use the proceeds of the Loans or otherwise make available such proceeds to any person, for the purpose of financing activities or business of or with any person, or in any country or territory, that is the subject of Sanctions, or in any other manner that would result in the violation of Sanctions by any person.

(c) The operations of the Borrower and its Subsidiaries are and have been conducted at all times in material compliance with applicable financial recordkeeping and

reporting requirements of the money laundering laws, and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Borrower or any of its Subsidiaries with respect to the money laundering laws is pending or, to the knowledge of the Borrower, threatened.

SECTION 3.17. Gas Imbalances, Prepayments. On the Final Facility Effective Date, except as set forth on Schedule 3.17, on a net basis, there are no gas imbalances, take or pay or other prepayments that would require any Credit Party to deliver Hydrocarbons either generally or produced from their Oil and Gas Properties at some future time without then or thereafter receiving full payment therefor.

SECTION 3.18. Marketing of Production. On the Final Facility Effective Date, except as set forth on Schedule 3.18, no material agreements exist (which are not cancelable on sixty (60) days' notice or less without penalty or detriment) for the sale of production of the Credit Parties' Hydrocarbons at a fixed non-index price (including calls on, or other rights to purchase, production, whether or not the same are currently being exercised) that have a maturity or expiry date of longer than six (6) months from the Interim Facility Effective Date.

SECTION 3.19. Hedge Agreements. Schedule 3.19 sets forth, as of the Final Facility Effective Date, a true and complete list of all Hedge Agreements of each Credit Party, the material terms thereof relating to the type, term, effective date, termination date and notional amounts or volumes, the net mark to market value thereof (as of the last Business Day of the most recent fiscal quarter preceding the Closing Date and for which a mark to market value is reasonably available), all credit support agreements relating thereto (including any margin required or supplied) and the counterparty to each such agreement.

SECTION 3.20. Compliance with the Laws; No Defaults.

Without limiting the foregoing, and for the avoidance of doubt, each Lender hereby acknowledges and agrees that the Required Lenders, in their sole discretion, may instruct the Administrative Agent to credit bid all or any portion of the Loans, and the consent of no other Lender shall be required for the Administrative Agent to credit bid all or any portion of the Loans. (a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. In performing its functions and duties hereunder, the Administrative Agent shall act solely as an agent of the Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for the Borrower or any of its Subsidiaries or Affiliates.

(b) The Administrative Agent and each Lender hereby irrevocably designate and appoint the Collateral Agent as the agent with respect to the Collateral, and each of the Administrative Agent and each Lender irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein and in the other Loan Documents, or any

fiduciary relationship with any of the Administrative Agent or the Lenders, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Collateral Agent.

SECTION 8.02. Delegation of Duties. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Loan Documents by or through agents, sub-agents, employees or attorneys-in-fact (each, a "Subagent") and shall be entitled to advice of counsel concerning all matters pertaining to such duties; provided, however, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any Subagents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent or Collateral Agent, as applicable, acted with gross negligence or willful misconduct in the selection of such Subagents.

SECTION 8.03. Exculpatory Provisions. The Agents shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and their duties hereunder shall be administrative in nature.

(a) Without limiting the generality of the foregoing, the Agents:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or the Collateral Agent is required to exercise as directed in writing by the Required Lenders; provided that the Agents shall not be required to take any action that, in its opinion or the opinion of their counsel, may expose the Agents to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Persons serving as the Agents or any of their Affiliates in any capacity; and

(iv) shall not be liable for any apportionment or distribution of payments made by it in good faith and if any such apportionment or distribution is subsequently

determined to have been made in error the sole recourse of any Lender to whom payment was due but not made, shall be to recover from other Lenders any payment in excess of the amount to which they are determined to be entitled (and such other Lenders hereby agree to return to such Lender any such erroneous payments received by them).

(b) The Agents shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances), or (ii) in the absence of their own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment; provided that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 8.03. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to such Agent in writing by the Borrower or a Lender.

(c) The Agents shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or Collateral Agent, as applicable.

SECTION 8.04. Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a New Money Loan that by its terms must be fulfilled to the satisfaction of a New Money Lender, the Administrative Agent may presume that such condition is satisfactory to such New Money Lender the Administrative Agent shall have received notice to the contrary from such New Money Lender prior to the making of such New Money Loan. The Agents may consult with legal counsel, independent accountants and other experts selected by them, and shall not be liable for any action taken or not taken in accordance with the advice of any such counsel, accountants or experts; provided that the Administrative Agent and Collateral Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Loan Document or applicable Requirements of Law. If any Agent so requests, it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action.

Any Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

SECTION 8.05. Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent or Collateral Agent, as applicable, has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders and the Collateral Agent. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each individual Lender, as applicable.

SECTION 8.06. Non-Reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or Collateral Agent hereafter taken, including any review of the affairs of the Borrower or any other Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or Collateral Agent to any Lender. Each Lender represents to the Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and each other Credit Party and made its own decision to make its New Money Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower and any other Credit Party. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of the Borrower or any other Credit Party that may come into the possession of the Administrative Agent or Collateral Agent or any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates. The Administrative Agent and the Collateral Agent shall not have any duty or responsibility, either initially or on a continuing basis, to make any investigation or any appraisal on behalf of Lenders or to provide any Lender with any credit

or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and the Administrative Agent and the Collateral Agent shall not have any responsibility with respect to the accuracy of or the completeness of any information provided to the Lenders. Each Lender acknowledges that none of the Administrative Agent, the Collateral Agent nor any of their respective Affiliates has made any representation or warranty to it. Each Lender, by delivering its signature page to this Agreement or an Assignment and Assumption, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by the Administrative Agent, the Required Lenders or the Lenders, as applicable, on the Closing Date.

SECTION 8.07. Indemnification. The Lenders agree to indemnify and hold harmless the Administrative Agent and the Collateral Agent (each in its capacity as such) and their respective Related Parties (acting in their capacity as Related Parties to the Administrative Agent or the Collateral Agent acting in their capacity as such) (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective portions of the New Money Commitments or Loans, as applicable, outstanding in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the New Money Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Loans in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) occur, be imposed on, incurred by or asserted against the Administrative Agent or the Collateral Agent in any way relating to or arising out of the New Money Commitments, the Loans, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent under or in connection with any of the foregoing; provided that no Lender shall be liable to the Administrative Agent or the Collateral Agent or any of their Related Parties for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's or Related Party's, as applicable, gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, further, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 8.07. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans), this Section 8.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent and the Collateral Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of the Borrower; provided that such reimbursement by the Lenders shall not affect the Borrower's

continuing reimbursement obligations with respect thereto. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, that in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's pro rata portion thereof; and provided further, that this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from such Agent's gross negligence, bad faith or willful misconduct, as determined in the final judgment of a court of competent jurisdiction; provided further, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 8.07. The agreements in this Section 8.07 shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION 8.08. Agents in Their Individual Capacity. Each Agent and its Affiliates may make generally engage in any kind of business with the Borrower and any other Credit Party as though such Agent were not an Agent hereunder and under the other Loan Documents.

SECTION 8.09. Successor Agents. Each of the Administrative Agent and Collateral Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right to appoint a successor. If, in the case of a resignation of a retiring Agent, no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders, appoint a successor Agent; provided that if no such successor Agent has been appointed by the thirtieth (30^{th}) day after the retiring Agent's notice of resignation, the retiring Agent's resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except in the case of the Collateral Agent holding collateral security on behalf of any Secured Parties, the retiring Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section 8.09. Upon the acceptance of a successor's appointment as the Administrative Agent or Collateral Agent, as the case may be, hereunder, and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Orders, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this

Article VIII shall continue in effect for the benefit of such retiring Agent, its Subagents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as an Agent.

SECTION 8.10. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent, the Collateral Agent or any Lender, or the Administrative Agent, the Collateral Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, the Collateral Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under the Bankruptcy Code or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred and (b) each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent, as applicable, upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent or the Collateral Agent, as applicable. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

SECTION 8.11. Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under the Bankruptcy Code or any other Debtor Relief Law, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Administrative Agent and the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Administrative Agent, and the Collateral Agent and their respective agents and counsel and all other amounts due the Lenders, the Administrative Agent, and the Collateral Agent under Section 8.07) allowed in such judicial proceeding; and

SECTION 8.12. Collateral Matters.

(a) The Lenders irrevocably authorize the Collateral Agent, at its option and in its discretion, to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document or the Orders (i) upon payment in full of all Obligations (other than contingent indemnification obligations and expense reimbursement claims to the extent no claim therefor has been made), (ii) if approved, authorized or ratified in writing in accordance with Section 8.01, or (iii) pursuant to the Orders. Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release its interest in particular types or items of property in accordance with this Section.

(b) Each Secured Party hereby further authorizes the Administrative Agent or Collateral Agent, as applicable, on behalf of and for the benefit of Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Collateral and the Liens thereon created pursuant to the Orders or any Loan Document. Subject to Section 8.01, without further written consent or authorization from any Secured Party, the Administrative Agent or Collateral Agent, as applicable, may (a) execute any documents or instruments necessary in connection with a Disposition of assets to a Person that is not the Borrower or any Restricted Subsidiary and permitted by this Agreement, (b) release any Lien encumbering any item of Collateral that is the subject of such Disposition of assets to a Person that is not the Borrower or any Restricted Subsidiary or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 8.01) have otherwise consented or (c) release any Guarantor from the Guarantee with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 8.01) have otherwise consented.

SECTION 9.06. Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.06. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.06), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the

Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.06 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 9.06.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the New Money Commitments of, and principal and stated interest amounts of the Loans (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, the processing and recordation fee referred to in paragraph (b) of this Section 9.06 and any written consent to such assignment required by paragraph (i)(A) and/or (i)(B) of this Section 9.06, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of, or notice to, the Administrative Agent or the Borrower, sell participations to one or more banks or other entities (each, a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its New Money Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B)

such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided that (x) such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (ii) or (iii) of the second sentence of Section 9.01(b) that directly affects such Participant and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 9.06, the Borrower agrees that each Participant shall be entitled to the benefits of Section 2.13 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.06.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal and stated interest amounts of each Participant's interest in the Loans held by it (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and each party hereto shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement and the other Loan Documents, notwithstanding notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any New Money Commitments, Loans or other Obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such New Money Commitment, Loan or other Obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.13 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld).

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 9.06 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment, the Borrower hereby agrees that, upon request of any Lender at any time and from time to time, the Borrower shall provide to such Lender, at the Borrower's own expense, a Note, substantially in the form of Exhibit B.

(e) Notwithstanding anything to the contrary contained herein, no Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to the Borrower.

SECTION 9.07. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

SECTION 9.08. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 9.09. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE.

SECTION 9.10. Submission to Jurisdiction; Consent to Service; Waivers.

(a) The parties hereto hereby irrevocably and unconditionally:

(i) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have, or abstains from, jurisdiction, the courts of the County and State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(ii) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower at its respective address set forth in Section 9.02 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(v) without limitation of Sections 8.07 and 9.05, waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 9.10 any special, exemplary, punitive or consequential damages.

(b) Each of the parties hereto, to the extent that it has or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from setoff or any legal process (whether service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) with respect to itself or any of its property or assets, hereby waives and agrees not to plead or claim such immunity in respect of its obligations under this Agreement and the other Loan Documents (it being understood that the waivers contained in this paragraph (c) shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976, as amended, and are intended to be irrevocable and not subject to withdrawal for the purposes of such Act).

SECTION 9.11. Acknowledgments. The parties hereto hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) none of the Administrative Agent, the Collateral Agent nor any Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between Administrative Agent, the Collateral Agent and Lenders, on one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower and the Lenders.

SECTION 9.12. WAIVERS OF JURY TRIAL. THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 9.13. Confidentiality. Each Agent and each Lender shall hold all information relating to the Borrower or any Subsidiary furnished by or on behalf of the Borrower in connection with such Lender's evaluation of whether to become a Lender hereunder or obtained by such Lender or Agent pursuant to the requirements of this Agreement (other than information that (a) has become available to the public other than as a result of a disclosure by such party in breach of this Section 9.13, (b) has been independently developed by such Lender or such Agent without violating this Section 9.13 or (c) was or becomes available to such Lender or such Agent from a third party which, to such person's knowledge, had not breached an obligation of confidentiality to the Borrower or any other Credit Party) ("Confidential Information"), confidential in accordance with its customary procedure for handling confidential information of this nature and in any event may make disclosure (a) as required or requested by any governmental agency or representative thereof or any securities exchange on which securities of the disclosing

party or any Affiliate of the disclosing party are listed or traded or pursuant to legal process or to such Lender's or Agent's attorneys, professional advisors or independent auditors or Affiliates, (b) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the National Association of Securities Dealers, Inc., (c) in order to enforce its rights under any Loan Document in a legal proceeding, (d) to any pledgee under Section 9.06 or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall agree to keep the same confidential in accordance with this Section 9.13 or terms substantially similar to this Section 9.13) and (e) to any direct or indirect contractual counterparty in swap agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.13 or terms substantially similar to this Section 9.13); provided that in no event shall any Lender or the Administrative Agent be obligated or required to return any materials furnished by the Borrower or any Subsidiary of the Borrower.

SECTION 9.14. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby, the Borrower acknowledges and agrees, and acknowledge its Affiliates' understanding, that: (i) the credit facility provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrower, and its Affiliates, on the one hand, and the Administrative Agent and the other Agents, on the other hand, and the Borrower is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, the Administrative Agent and each other Agent each is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Borrower, or any of its Affiliates, stockholders, creditors or employees or any other Person; (iii) neither the Administrative Agent nor any other Agent has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether the Administrative Agent or any other Agent has advised or is currently advising the Borrower or any of their respective Affiliates on other matters) and neither the Administrative Agent nor any other Agent has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Administrative Agent and the other Agents and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent nor any other Agent has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Administrative Agent and the other Agents have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. The Borrower hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Administrative Agent and the other Agents with respect to any breach or alleged breach of agency or fiduciary duty.

SECTION 9.15. USA PATRIOT Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies the Credit Parties, which information includes the name and address of the Credit Parties and other information that will allow such Lender to identify the Credit Parties in accordance with the USA Patriot Act. In addition, if any Agent is required by law or regulation or internal policies to do so, it shall have the right to periodically conduct (a) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the Credit Parties and (b) OFAC/PEP searches and customary individual background checks for the Credit Parties' senior management and key principals, and Borrower agrees to cooperate in respect of the conduct of such searches and further agrees to pay the reasonable expenses for such searches.

SECTION 9.16. [Reserved]

SECTION 9.17. Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Material that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, means that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws, (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor" and (iv) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

SECTION 9.18. Release of Liens.

(a) Notwithstanding anything to the contrary in the Loan Documents, Collateral may be released from the Lien and security interest created by the Orders or any Loan Documents to secure the Loans and obligations under this Agreement at any time or from time to time in accordance with the provisions of the Orders or as provided hereby. The applicable property and assets included in the Collateral shall be automatically released from the Liens securing the Obligations, and the applicable Guarantor shall be automatically released from its obligations under this Agreement and the Orders or any Loan Documents as provided in the Orders or the Loan Documents.

(b) In connection with any termination or release pursuant to this Section 9.18 or a release of a Guarantee pursuant to Section 9.19, the Collateral Agent shall execute and deliver to any Credit Party, at such Credit Party's expense, all documents that such Credit Party shall reasonably request to evidence such termination or release (including, without limitation, UCC

termination statements), and will duly assign and transfer to such Credit Party, such of the pledged collateral that may be in the possession of the Collateral Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement or the Orders or any Loan Documents. Any execution and delivery of documents pursuant to this Section 9.18 shall be without recourse to or warranty by the Collateral Agent. In connection with any release pursuant to this Section 9.18 or Section 9.19, the Credit Party shall be permitted to take any action in connection therewith consistent with such release including, without limitation, the filing of UCC termination statements. Upon the receipt of any necessary or proper instruments of termination, satisfaction or release prepared by the Borrower, the Collateral Agent shall, at the Borrower's expense, execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Agreement or the Loan Documents or the Orders.

The security interests in all Collateral securing the Loans also will be released upon payment in full of the principal of, together with accrued and unpaid interest on, the Loans and all other Obligations under this Agreement and the Loan Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid.

SECTION 9.19. Release of Guarantee. Each Guarantor's Guarantee shall be automatically released upon:

(1) any Disposition of all or substantially all of the properties or assets of such Guarantor (including by way of merger or consolidation or otherwise) to a Person that is not (either before or after giving effect to such transaction) the Borrower or a Restricted Subsidiary, if the Disposition does not violate this Agreement; or

(2) any Disposition of the Capital Stock of such Guarantor or such Guarantor's direct or indirect parent, to a Person that is not (either before or after giving effect to such transaction) the Borrower or a Restricted Subsidiary, if the Disposition does not violate this Agreement and such Guarantor no longer qualifies as a Subsidiary of the Borrower as a result of such Disposition.

SECTION 9.20. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

SECTION 9.21. Effect of the Amendment and Restatement of the Original DIP Agreement.

(a) On the date hereof, the Original DIP Agreement shall be amended, restated and superseded in its entirety as set forth herein. The parties hereto acknowledge and agree that (i) this Agreement and the other documents entered into in connection herewith do not constitute a novation, payment and reborrowing, or termination of the "Loans" under the Original DIP Agreement, as in effect prior to the date hereof, and (ii) such "Loans" and all "Obligations" set forth in the Original DIP Agreement are in all respects continuing (as amended and restated hereby) as indebtedness and obligations outstanding under this Agreement.

(b) Except to the extent that the Original DIP Agreement is being amended and restated hereby, each Loan Document shall continue to be in full force and effect and is hereby ratified and confirmed in all respects, except that, from and after the date hereof, each reference in any such Loan Document to this Agreement, "thereunder", "thereof" or words of like import shall be deemed to mean references to this Amended and Restated Senior Secured Debtor-in-Possession Term Loan Credit Agreement. Each Credit Party hereby (i) reaffirms its commitments, obligations, and guarantees in any such Loan Document except to the extent amended and restated hereby and (ii) reaffirms each pledge and grant of a security interest made in favor of the Administrative Agent under or in connection with the Original DIP Agreement and any Loan Documents entered into in connection therewith and agrees that notwithstanding the amendment and restatement of the Original DIP Agreement such pledges and grants in favor of the Administrative Agent shall continue in full force and effect.

(v) *Prepetition Liens and Prepetition Collateral.* As more fully set forth in the Prepetition First Lien Documents, prior to the Petition Date, the Prepetition First Lien Obligors granted to the Prepetition First Lien Agent, for the benefit of the Prepetition First Lien Secured Parties, a first-priority security interest in and continuing lien (the "Prepetition Senior Liens") on "Collateral," as such term is defined in the First Lien Credit Agreement (the "Prepetition First Lien Collateral"), which includes all accounts, chattel paper, commercial tort claims, deposit accounts, documents, equipment, fixtures, general intangibles (including all intellectual property, patents, and trademarks), goods, instruments, inventory, investment property, all books and records pertaining to the "Collateral," all proceeds and products of any and all of the foregoing and all supporting obligations, collateral security and guarantees given by any person with respect to any of the foregoing, as well as pledged debt and equity interests. As more fully set forth in the Prepetition Second Lien Documents, prior to the Petition Date, the Prepetition Second Lien Obligors granted to the Prepetition Second Lien Agent, for the benefit of the Prepetition Second Lien Secured Parties, a second-priority security interest in and continuing lien (the "Prepetition Junior Liens" and, together with the Prepetition Senior Liens, the "Prepetition Liens"), subject and subordinate to the Prepetition Senior Liens, on "Collateral," as such term is defined in the Second Lien Credit Agreement (the "Prepetition Second Lien Collateral" and, together with the Prepetition First Lien Collateral, the "Prepetition Collateral").

(vi) *Validity, Perfection, and Priority of Prepetition Liens and Prepetition Secured Obligations.* The Debtors acknowledge and agree that, as of the Petition Date, (a) the Prepetition Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Prepetition Secured

Parties for fair consideration and reasonably equivalent value; (b) the Prepetition Senior Liens were senior in priority over any and all other liens on the Prepetition Collateral, including the Prepetition Junior Liens, subject only to certain liens permitted by the Prepetition Documents (in each case, to the extent that such existing liens were valid, properly perfected, non-avoidable, and senior in priority to the Prepetition Senior Liens as of the Petition Date or were valid non-avoidable senior liens that are perfected subsequent to the Petition Date as permitted by Section 546(b) of the Bankruptcy Code, the "Permitted Liens");[4] (c) the Prepetition Secured Obligations constitute legal, valid, binding, and non-avoidable obligations of the Prepetition Obligors, enforceable in accordance with the terms of the applicable Prepetition Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims, or counterclaims of any kind or nature to any of the Prepetition Liens or Prepetition Secured Obligations exist, and no portion of the Prepetition Liens or Prepetition Secured Obligations is subject to any challenge or defense, including, without limitation, avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including, without limitation, avoidance claims under chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement against any of the Prepetition Secured Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, or employees, arising out of, based upon, or related to the

[4] Nothing herein shall constitute a finding or ruling by this Court that any such Permitted Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing shall prejudice the rights of any party in interest, including, but not limited to, the Debtors, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, or a Committee (if appointed), to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Lien. The right of a seller of goods to reclaim such goods under Section 546(c) of the Bankruptcy Code is not a Permitted Lien and is expressly subject to the Prepetition Liens and DIP Liens.

Prepetition Secured Facilities; (f) the Debtors have waived, discharged, and released any right to challenge any of the Prepetition Secured Obligations, the priority of the Debtors' obligations thereunder, or the validity, extent, or priority of the Prepetition Liens; and (g) the Prepetition Secured Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code.

(vii) *Releases*. The Debtors hereby stipulate and agree that they forever and irrevocably release, discharge, and acquit the DIP Agent, the Prepetition Secured Parties, all current and future DIP Lenders, and each of their respective successors, assigns, affiliates, subsidiaries, parents, officers, shareholders, directors, employees, attorneys, and agents, past, present, and future, and their respective heirs, predecessors, successors, and assigns, each solely in their capacities as such (collectively, the "Releasees"), of and from any and all claims, controversies, disputes, liabilities, obligations, demands, damages, expenses (including, without limitation, reasonable attorneys' fees), debts, liens, actions, and causes of action of any and every nature whatsoever relating to, as applicable, the DIP Facility, the DIP Documents, the Prepetition Secured Facilities, the Prepetition Documents, and/or the transactions contemplated hereunder or thereunder including, without limitation, (x) any so-called "lender liability" or equitable subordination or recharacterization claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection, or avoidability of the liens or claims of the Prepetition Secured Parties, the DIP Agent, or the DIP Lenders. The Debtors further waive and release any defense, right of counterclaim, right of set-off, or deduction to the payment of the Prepetition Secured Obligations or the DIP Obligations that the Debtors may now have or may claim to have against

the Releasees arising out of, connected with, or relating to any and all acts, omissions, or events occurring prior to the Court's entry of this Interim Order.

G. **Cash Collateral**. All of the Debtors' cash, including any cash in their deposit accounts, wherever located, whether as original collateral or proceeds of other Prepetition Collateral, constitutes Cash Collateral of the Prepetition Secured Parties.

H. **Intercreditor Agreement**. Pursuant to section 510 of the Bankruptcy Code, that certain Intercreditor Agreement, dated as of December 17, 2014 (as amended, restated, supplemented, or otherwise modified in accordance with its terms, the "Intercreditor Agreement"), among the Prepetition First Lien Agent and the Prepetition Second Lien Agent, and any other applicable intercreditor or subordination provisions contained in any of the other Prepetition Documents, (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties (including the relative priorities, rights, and remedies of such parties with respect to the replacement liens, administrative expense claims, and superpriority administrative expense claims granted or the amounts payable by the Debtors under this Interim Order or otherwise), and (iii) shall not be deemed to be amended, altered, or modified by the terms of this Interim Order or the DIP Documents, unless expressly set forth herein or therein.

I. **Findings Regarding Postpetition Financing and Use of Cash Collateral**.

(i) *Request for Postpetition Financing and Use of Cash Collateral.* The Debtors seek authority to (a) enter into the DIP Facility and incur the DIP Obligations on the terms described herein and in the DIP Documents and (b) use Cash Collateral on the terms described herein, in each case, to administer their Chapter 11 Cases and fund their operations. At the Final

Hearing, the Debtors will seek final approval of the DIP Facility and use of Cash Collateral pursuant to a proposed final order (the "Final Order"), which shall be in form and substance acceptable to the DIP Agent at the direction of the Required Lenders (as defined in the DIP Credit Agreement, the "Required Lenders"). Notice of the Final Hearing and the proposed Final Order will be provided in accordance with this Interim Order.

(ii) *Priming of the Prepetition Liens.* The priming of the Prepetition Liens under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Documents and as provided herein, will enable the Debtors to obtain the DIP Facility and to continue to operate their business during the pendency of the Chapter 11 Cases, to the benefit of their estates and creditors. The Prepetition Secured Parties are entitled to receive adequate protection as set forth in this Interim Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, solely to the extent of any Diminution in Value of their respective interests in the Prepetition Collateral (including Cash Collateral).

(iii) *Need for Postpetition Financing and Use of Cash Collateral.* The Debtors have demonstrated an immediate need to use Cash Collateral on an interim basis and to obtain credit in an amount equal to the Interim Amount pursuant to the DIP Facility in order to, among other things, continue their ordinary course operations, administer these Chapter 11 Cases, and preserve the going-concern value of their estates. The ability of the Debtors to maintain business relationships with their vendors, suppliers, and customers, to pay their employees, to pay for certain costs and expenses related to the Chapter 11 Cases, and to otherwise finance their operations until entry of the Final Order requires the availability of working capital from the DIP Facility and the use of Cash Collateral, the absence of either of which would immediately and

irreparably harm the Debtors, their estates, and parties in interest. The Debtors do not have sufficient available sources of working capital and financing to operate their businesses or maintain their properties in the ordinary course of business until the Final Order is entered without the authorization to use Cash Collateral and to borrow the Interim Amount.

(iv) *No Credit Available on More Favorable Terms*. The DIP Facility is the best source of debtor-in-possession financing available to the Debtors. Given their current financial condition, financing arrangements, and capital structure, the Debtors have been and continue to be unable to obtain financing from sources other than the DIP Lenders on terms more favorable than the DIP Facility. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain (a) unsecured credit having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. Financing on a postpetition basis on better terms is not available without granting the DIP Agent, for the benefit of itself and the DIP Lenders, (1) perfected security interests in and liens on (each as provided herein) the DIP Collateral, with the priorities set forth herein; (2) superpriority claims; and (3) the other protections set forth in this Interim Order.

(v) *Use of Cash Collateral and Proceeds of the DIP Facility*. As a condition to entry into the DIP Credit Agreement, the extension of credit under the DIP Facility and the authorization to use the Prepetition Collateral, including Cash Collateral, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties require, and the Debtors have agreed, that

proceeds of the DIP Facility and the Prepetition Secured Parties' Cash Collateral shall be used in a manner consistent with the terms and conditions of this Interim Order and the DIP Documents and in accordance with the budget (as the same may be modified from time to time consistent with the terms of the DIP Documents and subject to such variances as permitted in the DIP Documents, and as set forth in paragraphs 16-17 hereof, the "Budget"),[5] solely for the purposes set forth in the DIP Credit Agreement and this Interim Order, including (a) ongoing working capital and other general corporate purposes of the Debtors; (b) permitted payment of costs of administration of the Chapter 11 Cases, including restructuring charges arising on account of the Chapter 11 Cases, including statutory fees of the U.S. Trustee and allowed professional fees and expenses of the Debtors' professionals and professionals retained by a Committee (if any), subject to the Investigation Budget Amount; (c) payment of such prepetition expenses as consented to by the DIP Agent, acting at the direction of the Required Lenders; (d) payment of interest, premiums, fees, expenses, and other amounts (including, without limitation, legal and other professionals' fees and expenses of the DIP Agent and the DIP Lenders) owed under the DIP Documents, including those incurred in connection with the preparation, negotiation, documentation, and Court approval of the DIP Facility; (e) payment of certain adequate protection amounts to the Prepetition Secured Parties, as set forth in paragraphs 12-13 hereof; and (f) payment of obligations arising from or related to the Carve-Out (as defined below), and making disbursements therefrom, including by funding the Professional Fees Account (as defined below).

(vi) *Application of Proceeds of DIP Collateral*. As a condition to entry into the DIP Credit Agreement, the extension of credit under the DIP Facility, and authorization

[5] A copy of the initial Budget is attached hereto as **Schedule 1**.

to use Cash Collateral, the Debtors, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties have agreed that as of and commencing on the date of the Interim Hearing, the Debtors shall apply the proceeds of the DIP Collateral in accordance with this Interim Order.

(vii) *DIP Election Procedures.* The procedures to govern the participation of the Prepetition First Lien Lenders and, if applicable, the Prepetition Second Lien Lenders in the DIP Facility (the "DIP Election Procedures"), as set forth in the DIP Credit Agreement, are fair and reasonable.

J. **Adequate Protection**. The Prepetition First Lien Agent, for the benefit of the Prepetition First Lien Secured Parties, and the Prepetition Second Lien Agent, for the benefit of the Prepetition Second Lien Secured Parties, are entitled to receive adequate protection solely to the extent of any Diminution in Value of their respective interests in the Prepetition Collateral, including, without limitation, the Cash Collateral. Pursuant to sections 361, 363 and 507(b) of the Bankruptcy Code, as adequate protection, subject in all respects to the Carve-Out (as defined below) and subject to paragraph 40 of this Interim Order, the Prepetition Secured Parties will receive (i) solely to the extent of any Diminution of Value of their interests in the Prepetition Collateral, Adequate Protection Liens (as defined below) and 507(b) Claims (as defined below); (ii) solely with respect to the Prepetition First Lien Secured Parties and the Prepetition Second Lien Agent, current payment of reasonable and documented fees and expenses and other disbursements as set forth in paragraphs 12-13 herein; and (iii) financial and other reporting, in each case, as set forth in paragraphs 12-13 herein.

K. **Sections 506(c) and 552(b).** In light of (i) the DIP Agent's and the DIP Lenders' agreement that their liens and superpriority claims shall be subject to the Carve-Out (as

defined below); (ii) the Prepetition Secured Parties' agreement that their respective liens and claims, including any adequate protection liens and claims, shall be subject to the Carve-Out (as defined below) and subordinate to the DIP Liens (as defined below); and (iii) the DIP Agent's, the DIP Lenders', and the Prepetition Secured Parties' agreement to the payment (in accordance with the Budget (subject to the Permitted Variance (as defined below)) and subject to the terms and conditions of this Interim Order and the DIP Documents) of certain expenses of administration of these Chapter 11 Cases, including certain critical trade claims, (a) subject to entry of the Final Order, the Prepetition Secured Parties are entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code and (b) subject to entry of the Final Order, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties are each entitled to a waiver of the provisions of section 506(c) of the Bankruptcy Code.

L. **Good Faith of the DIP Agent and DIP Lenders and the Prepetition Secured Parties**.

(i) Based upon the pleadings and proceedings of record in the Chapter 11 Cases, (i) the extensions of credit under the DIP Facility are fair and reasonable, are appropriate for secured financing to debtors in possession, are the best available to the Debtors under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration; (ii) the terms and conditions of the DIP Facility and the use of the Cash Collateral have been negotiated in good faith and at arm's length among the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties, with the assistance and counsel of their respective advisors; (iii) the use of Cash Collateral, including, without limitation, pursuant to this Interim Order, has been allowed in "good

faith" within the meaning of section 364(e) of the Bankruptcy Code; (iv) any credit to be extended, loans to be made, and other financial accommodations to be extended to the Debtors by the DIP Secured Parties and the Prepetition Secured Parties, including, without limitation, pursuant to this Interim Order, have been allowed, advanced, extended, issued, or made, as the case may be, in "good faith" within the meaning of section 364(e) of the Bankruptcy Code by the DIP Parties and the Prepetition Secured Parties in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code; and (v) the DIP Facility, the DIP Liens (as defined below), the DIP Superpriority Claims (as defined below), the Adequate Protection Liens, and the 507(b) Claims (as defined below) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed, or modified, on appeal or otherwise.

(ii) Absent an order of this Court and the provision of Adequate Protection, consent of the Prepetition Secured Parties is required for the Debtors' use of Cash Collateral and other Prepetition Collateral. The Prepetition Secured Parties have consented, or are deemed pursuant to the Prepetition Documents to have consented, or have not objected, to the Debtors' use of Cash Collateral and other Prepetition Collateral or to the Debtors' entry into the DIP Documents in accordance with and subject to the terms and conditions in this Interim Order and the DIP Documents.

M. **Immediate Entry**. Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(c)(2).

N. **Interim Hearing**. Notice of the Interim Hearing and the relief requested in the Motion has been provided by the Debtors, whether by facsimile, electronic mail, overnight

courier, or hand delivery to certain parties in interest, including the Notice Parties. The Debtors have made reasonable efforts to afford the best notice possible under the circumstances, and no other notice is required in connection with the relief set forth in this Interim Order.

Based upon the foregoing findings and conclusions, the Motion, and the record before the Court with respect to the Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. DIP Facility Approved on Interim Basis. The Motion is granted on an interim basis as set forth herein. The DIP Facility, in an amount equal to the Interim Amount, is hereby authorized and approved to the extent set forth herein, and the use of Cash Collateral on an interim basis is authorized, in each case subject to the terms and conditions set forth in the DIP Documents and this Interim Order. All objections to this Interim Order, to the extent not withdrawn, waived, settled, or resolved, are hereby denied and overruled. This Interim Order shall become effective immediately upon its entry.

2. Authorization of the DIP Facility. The DIP Facility is hereby approved to the extent set forth herein. The Debtors are expressly and immediately authorized and empowered to execute and deliver the DIP Documents and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Interim Order and the DIP Documents and to deliver all instruments, certificates, agreements, and documents that may be required or necessary for the performance by the Debtors under the DIP Facility and the creation and perfection of the DIP Liens (as defined below). The Debtors are hereby authorized and directed to pay, in accordance with this Interim Order, the principal, interest, premiums, fees, payments, expenses,

and other amounts described in the DIP Documents as such amounts become due and payable, without need to obtain further Court approval, whether or not such fees arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, to implement all applicable reserves, and to take any other actions that may be necessary or appropriate, all to the extent provided in this Interim Order or the DIP Documents. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations, or otherwise, will be deposited and applied as required by this Interim Order and the DIP Documents. Upon execution and delivery, the DIP Documents shall represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms. Upon the Closing Date (as defined in the DIP Credit Agreement, the "Closing Date"), the Upfront Discount (as defined in the Motion), the Backstop Premium set forth in the Backstop Commitment Letter (as defined in the DIP Credit Agreement), and the Redemption Premium (as defined in the Motion) shall be fully earned and non-refundable and shall be payable in accordance with and at the times specified in the DIP Documents.

3. Authorization to Borrow. To prevent immediate and irreparable harm to the Debtors' estates, from the entry of this Interim Order through and including the earliest to occur of (i) entry of the Final Order or (ii) the DIP Termination Date (as defined below), and subject to the terms, conditions, limitations on availability, and reserves (as applicable) set forth in the DIP Documents and this Interim Order, the Debtors are hereby authorized to request extensions of credit (in the form of DIP Loans) under the DIP Facility in an amount equal to the aggregate outstanding principal Interim Amount of $27,000,000.

4. Amendment of the DIP Documents. The DIP Documents may from time to time be amended, modified, or supplemented by the parties thereto without further order of the Court if the amendment, modification, or supplement is (a) non-material and (b) in accordance with the DIP Documents. In the case of a material amendment, modification, or supplement to the DIP Documents, the Debtors shall (i) provide notice (which may be provided through electronic mail or facsimile) to counsel to any Committee (if appointed), the U.S. Trustee, the DIP Agent, and the Prepetition Agents; (ii) provide notice to the Court; and (iii) obtain approval of the Court.

5. DIP Obligations. The DIP Documents and this Interim Order shall constitute and evidence the validity and binding effect of the DIP Obligations, which shall be enforceable against the Debtors, their estates and any successors thereto, including, without limitation, any trustee appointed in the Chapter 11 Cases or in any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the "Successor Cases"). Upon entry of this Interim Order, the DIP Obligations will include all loans and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the Debtors to the DIP Agent or any of the DIP Lenders, in each case, under the DIP Documents or this Interim Order or secured by the DIP Liens (as defined below), including, without limitation, all principal, accrued and unpaid interest, costs, fees, expenses, and other amounts owing under the DIP Documents. The Debtors shall be jointly and severally liable for the DIP Obligations. The DIP Obligations shall be due and payable, and the use of Cash Collateral shall automatically cease, in each case, without notice or demand on the DIP Termination Date (as defined herein), except as provided in paragraph 26 herein and subject to the requirements of the Carve-Out (as

defined below). No obligation, payment, transfer, or grant of collateral security hereunder or under the DIP Documents (including any DIP Obligation or DIP Liens (as defined below) but excluding any adequate protection provided to the Prepetition Secured Parties hereunder) shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under chapter 5 of the Bankruptcy Code, section 724(a) of the Bankruptcy Code, or any other provision with respect to avoidance actions under the Bankruptcy Code or applicable state law equivalents) or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

6. DIP Liens. Subject and subordinate solely to the Carve-Out (as defined below) as set forth in this Interim Order and effective immediately upon entry of this Interim Order, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP Agent, for the benefit of itself and the DIP Lenders, is hereby granted, in order to secure the DIP Obligations, continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in and liens on (collectively, the "DIP Liens") all real and personal property, whether now existing or hereafter arising and wherever located, tangible or intangible, of each of the Debtors (the "DIP Collateral"), including, without limitation (a) all cash, cash equivalents, deposit accounts, securities accounts, accounts, other receivables (including credit card receivables), chattel paper, contract rights, inventory (wherever located), instruments, documents, securities (whether or not marketable) and investment property (including, without limitation, all of the issued and outstanding capital stock of each of Holdings'

subsidiaries), hedge agreements, furniture, fixtures, equipment (including documents of title), goods, franchise rights, trade names, trademarks, servicemarks, copyrights, patents, license rights, intellectual property, general intangibles (including, for the avoidance of doubt, payment intangibles), rights to the payment of money (including, without limitation, tax refunds and any other extraordinary payments), supporting obligations, guarantees, letter of credit rights, commercial tort claims, causes of action, and all substitutions, indemnification rights, all present and future intercompany debt, fee interests in real property owned by the Debtors, books and records related to the foregoing, and accessions and proceeds of the foregoing, wherever located, including insurance or other proceeds; (b) all owned real property interests and all proceeds of leased real property; (c) actions brought under section 549 of the Bankruptcy Code to recover any post-petition transfer of DIP Collateral; (d) subject to entry of a Final Order, the proceeds of any avoidance actions (such actions, "Avoidance Actions") brought pursuant to chapter 5 of the Bankruptcy Code or section 724(a) of the Bankruptcy Code or any other avoidance actions under the Bankruptcy Code or applicable state law equivalents (the "Avoidance Action Proceeds"); *provided*, that no liens shall attach to Avoidance Actions; (e) subject to entry of the Final Order, the proceeds of any exercise of the Debtors' rights under section 506(c) and 550 of the Bankruptcy Code; and (f) all DIP Collateral that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date. Notwithstanding the foregoing, the DIP Collateral shall not include (and the DIP Liens shall not extend to) amounts deposited in the Professional Fees Account (as defined below) in accordance with this Interim Order, including with respect to the Carve-Out (as defined below), and any "Excluded Assets" (as defined in the DIP Documents).

7. DIP Lien Priority. The DIP Liens shall have the following priority:

(a) pursuant to Section 364(c) of the Bankruptcy Code, the DIP Liens shall be first priority liens on all of the Debtors' unencumbered assets (now or hereafter acquired and all proceeds thereof) other than "Excluded Assets," as defined in the DIP Documents;

(b) pursuant to Section 364(c)(3) of the Bankruptcy Code, the DIP Liens shall be immediately junior to any liens on the Debtors' encumbered assets (now or hereafter acquired and all proceeds thereof) that are subject to valid, perfected, and unavoidable liens in existence immediately prior to the Petition Date or to valid and unavoidable liens in existence immediately prior to the Petition Date that are perfected after the Petition Date as permitted by section 546(b) of the Bankruptcy Code, in each case other than as set forth in clause (c) immediately below (collectively, the "Non-Primed Liens");

(c) pursuant to Section 364(d) of the Bankruptcy Code, the DIP Liens shall be priming first-priority liens on all of the Debtors' assets (now or hereafter acquired and all proceeds thereof) that serve as "Collateral" under the Prepetition Secured Facilities (the "Existing Primed Secured Facilities"), senior to the Prepetition Liens and the Adequate Protection Liens.

(d) Other than as set forth herein (including with respect to the Carve-Out (as defined below)) or in the DIP Documents, the DIP Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Chapter 11 Cases or any Successor Cases and shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases or any Successor Cases, upon the conversion of any of the Chapter 11 Cases to any Successor Case, and/or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. The DIP Liens shall not be subject to any of sections 510, 549 or 550 of the Bankruptcy Code (subject in all respects to the Challenge Deadline and related provisions set forth in paragraph

40 herein). No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the DIP Liens.

8. Superpriority Claims. Subject and subordinate to the Carve-Out (as defined below), upon entry of this Interim Order, the DIP Agent, on behalf of itself and the DIP Lenders, is hereby granted, pursuant to section 364(c)(1) of the Bankruptcy Code, allowed superpriority administrative expense claims in each of the Chapter 11 Cases and any Successor Cases (collectively, the "DIP Superpriority Claims") for all DIP Obligations (a) with priority over any and all administrative expense claims and unsecured claims against the Debtors or their estates in any of the Chapter 11 Cases or any Successor Cases, at any time existing or arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 364, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 726, 1113, or 1114 of the Bankruptcy Code or any other provision of the Bankruptcy Code and (b) which shall at all times be senior to the rights of the Debtors and their estates, and any successor trustee or other estate representative to the extent permitted by law.

9. No Obligation to Extend Credit. Except as required to fund the Carve-Out (as defined below) as set forth in this Interim Order, the DIP Lenders shall have no obligation to make any loan or advance or to issue, amend, renew, or extend any letters of credit or bankers' acceptance under the DIP Documents unless (and subject to the occurrence of the Closing Date) all of the conditions precedent to the making of such extension of credit or the issuance, amendment, renewal, or extension of such letter of credit or bankers' acceptance under the DIP Documents and this Interim Order have been satisfied in full or waived by the DIP Agent in accordance with the terms of the DIP Credit Agreement.

10. Use of Proceeds of DIP Facility.

(a) From and after the Petition Date, the Debtors shall use proceeds of borrowings under the DIP Facility only for the purposes specifically set forth in this Interim Order and the DIP Documents, and, in each case, in compliance with the Budget (subject to such the Permitted Variance (as defined in the DIP Credit Agreement, the "Permitted Variance") and the terms and conditions in this Interim Order and the DIP Documents.

(b) The Debtors shall be authorized to cash collateralize outstanding letters of credit issued under, and in accordance with, the First Lien Credit Agreement, in each case, in compliance with the Budget (subject to Permitted Variances).

11. Authorization to Use Cash Collateral. Subject to the terms and conditions of this Interim Order and the DIP Documents, and in accordance with the Budget (subject to the Permitted Variance), the Debtors are authorized to use Cash Collateral until the DIP Termination Date (as defined below); *provided, however*, that during the Remedies Notice Period (as defined below), the Debtors may use Cash Collateral solely to meet payroll obligations and pay expenses necessary to avoid immediate and irreparable harm to the Debtors' estates, in accordance with the Budget (subject to the Permitted Variance), and as otherwise agreed by the DIP Agent at the direction of the Required Lenders. Nothing in this Interim Order shall authorize the disposition of any assets of the Debtors or their estates outside the ordinary course of business, or any Debtor's use of any Cash Collateral or other proceeds resulting therefrom, except as permitted in this Interim Order (including with respect to the Carve-Out (as defined below)), the DIP Facility, the DIP Documents, or by an order of the Court, and in accordance with the Budget (subject to the Permitted Variance).

12. Adequate Protection for the Prepetition First Lien Secured Parties. Subject to the Investigation (as defined below), the Prepetition First Lien Secured Parties are entitled, pursuant to sections 361, 362, 363(c)(2), 363(e), and 507 of the Bankruptcy Code, to adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral, solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral (the "First Lien Adequate Protection Obligations"); *provided*, that, for the avoidance of doubt, the First Lien Adequate Protection Obligations shall not have recourse to the amounts deposited in the Professional Fees Account (as defined below) in accordance with this Interim Order, including with respect to the Carve-Out (as defined below). As adequate protection, the Prepetition First Lien Secured Parties are hereby granted the following:

(a) First Lien Adequate Protection Liens. As security for the payment of the First Lien Adequate Protection Obligations, the Prepetition First Lien Agent (for itself and for the benefit of the Prepetition First Lien Lenders) is hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution by the Debtors of security agreements, pledge agreements, mortgages, financing statements, or other agreements) a valid, perfected replacement security interest in and lien on all of the DIP Collateral, including, subject to entry of the Final Order, Avoidance Action Proceeds (the "First Lien Adequate Protection Liens"), subject and subordinate only to (i) the Carve-Out (as defined below), (ii) the DIP Liens, and (iii) the Non-Primed Liens, subject to the terms of the Intercreditor Agreement.

(b) First Lien Section 507(b) Claims. The First Lien Adequate Protection Obligations shall constitute superpriority claims as provided in section 507(b) of the Bankruptcy Code (the "First Lien 507(b) Claims"), with priority in payment over any and all

administrative expenses of the kinds specified or ordered pursuant to any provision of the Bankruptcy Code, including, without limitation, sections 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 506(c) (subject to entry of the Final Order), 507(b), 546(c), 546(d), 726, 1113, or 1114 of the Bankruptcy Code, subject and subordinate only to (i) the Carve-Out (as defined below) and (ii) the DIP Superpriority Claims granted in respect of the DIP Obligations. Except to the extent expressly set forth in this Interim Order, the Prepetition First Lien Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the First Lien 507(b) Claims unless and until the Carve-Out (as defined below) is funded and all DIP Obligations shall have indefeasibly been paid in full in cash. Notwithstanding their status as First Lien 507(b) Claims, the First Lien Adequate Protection Obligations may be satisfied in a plan of reorganization confirmed in the Chapter 11 Cases in any manner set forth in such plan if holders of more than 66-2/3% in amount of the First Lien Adequate Protection Obligations consent to such treatment; *provided*, *however*, that nothing in this Interim Order shall be construed as establishing that the confirmation requirements for a chapter 11 plan have been satisfied, predetermining any provision of a chapter 11 plan, or predetermining how any vote by any insider is counted with respect to a chapter 11 plan.

(c) Fees and Expenses. The Debtors are authorized and directed to pay, as adequate protection, to the Prepetition First Lien Secured Parties all accrued and unpaid fees and reasonable and documented disbursements incurred by the Prepetition First Lien Secured Parties, whether accrued before, on, or after the Petition Date, including, without limitation, the reasonable and documented fees and expenses of Milbank LLP and Morris, Nichols, Arsht & Tunnell LLP, as counsel to the Ad Hoc Committee of Crossholder Lenders, and Houlihan Lokey

Capital, Inc., as financial advisor to the Ad Hoc Committee of Crossholder Lenders (excluding success or transaction fees); *provided*, that such payments shall be without prejudice to whether any such payments should be recharacterized or reallocated pursuant to section 506(b) of the Bankruptcy Code as payments of principal, interest, or otherwise. Professionals of the Prepetition First Lien Secured Parties shall not be required to comply with the U.S. Trustee fee guidelines; however, any time that such professionals seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work-product doctrine) to the U.S. Trustee and counsel to the Committee (if appointed), contemporaneously with the delivery of such fee and expense statements to the Debtors. After delivery of a fee and expense statement or invoice, the Debtors, the U.S. Trustee, and the Committee (if appointed) shall have ten (10) days to raise an objection thereto. If an objection is timely raised, such objection shall be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such fee and expense statement or invoice shall be paid promptly by the Debtors. Notwithstanding the foregoing, the Debtors are authorized and directed to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the Prepetition First Lien Secured Parties incurred on or prior to such date without the need for any professional engaged by the Prepetition First Lien Secured Parties to first deliver a copy of its invoice as provided for herein. No attorney or advisor to the Prepetition First Lien Secured Parties

shall be required to file an interim or final application seeking compensation for services or reimbursement of expenses with the Court.

(d) Information. The Debtors shall concurrently deliver to the Prepetition First Lien Agent and the legal and financial advisors to the Ad Hoc Committee of Crossholder Lenders, all information, reports, documents, and other materials that the Debtors provide to the DIP Secured Parties pursuant to the DIP Documents, this Interim Order, and the Final Order, subject to the confidentiality provisions contained in the First Lien Credit Agreement.

13. Adequate Protection for the Prepetition Second Lien Secured Parties. Subject to the Investigation, the Prepetition Second Lien Secured Parties are entitled, pursuant to sections 361, 362, 363(c)(2), 363(e), and 507 of the Bankruptcy Code, to adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral, solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral (the "Second Lien Adequate Protection Obligations" and, together with the First Lien Adequate Protection Obligations, the "Adequate Protection Obligations"); *provided*, that, for the avoidance of doubt, the Second Lien Adequate Protection Obligations shall not have recourse to the amounts deposited in the Professional Fees Account (as defined below) in accordance with this Interim Order, including with respect to the Carve-Out (as defined below). As adequate protection, the Prepetition Second Lien Secured Parties are hereby granted the following:

(a) Second Lien Adequate Protection Liens. As security for the payment of the Second Lien Adequate Protection Obligations, the Prepetition Second Lien Agent (for itself and for the benefit of the Prepetition Second Lien Lenders) is hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution by the

Debtors of security agreements, pledge agreements, mortgages, financing statements, or other agreements) a valid, perfected replacement security interest in and lien on all of the DIP Collateral, including, subject to entry of the Final Order, Avoidance Action Proceeds (the "Second Lien Adequate Protection Liens" and, together with the First Lien Adequate Protection Liens, the "Adequate Protection Liens"), subject and subordinate only to (i) the Carve-Out (as defined below), (ii) the DIP Liens, (iii) the First Lien Adequate Protection Liens, (iv) the Prepetition Senior Liens, and (v) the Non-Primed Liens, in each case, subject to the terms of the Intercreditor Agreement.

(b) Second Lien Section 507(b) Claims. The Second Lien Adequate Protection Obligations shall constitute superpriority claims as provided in section 507(b) of the Bankruptcy Code (the "Second Lien 507(b) Claims" and, together with the First Lien 507(b) Claims, the "507(b) Claims"), with priority in payment over any and all administrative expenses of the kinds specified or ordered pursuant to any provision of the Bankruptcy Code, including without limitation, sections 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 506(c) (subject to entry of the Final Order), 507(b), 546(c), 546(d), 726, 1113, or 1114 of the Bankruptcy Code, subject and subordinate only to (i) the Carve-Out (as defined below), (ii) the DIP Superpriority Claims granted in respect of the DIP Obligations, and (iii) the First Lien 507(b) Claims. Except to the extent expressly set forth in this Interim Order, the Prepetition Second Lien Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the Second Lien 507(b) Claims unless and until the Carve-Out (as defined below) is funded and all DIP Obligations, First Lien Adequate Protection Obligations, and Prepetition First Lien Obligations shall have indefeasibly been paid in full in cash. Notwithstanding their status as Second Lien 507(b) Claims,

the Second Lien Adequate Protection Obligations may be satisfied in a plan of reorganization confirmed in the Chapter 11 Cases in any manner set forth in such plan if holders of more than 66-2/3% in amount of the Second Lien Adequate Protection Obligations consent to such treatment; *provided*, *however*, that nothing in this Interim Order shall be construed as establishing that the confirmation requirements for a chapter 11 plan have been satisfied, predetermining any provision of a chapter 11 plan, or predetermining how any vote by any insider is counted with respect to a chapter 11 plan.

(c) Fees and Expenses. The Debtors are authorized and directed to pay, as adequate protection, to the Prepetition Second Lien Agent and the Prepetition Second Lien Lenders that are members of the Ad Hoc Second Lien Committee all accrued and unpaid fees and reasonable and documented disbursements incurred by the Prepetition Second Lien Agent (subject to an aggregate cap of $100,000) and Akin Gump Strauss Hauer & Feld LLP, as counsel to the Ad Hoc Second Lien Committee (subject to an aggregate cap of $100,000), whether accrued before, on, or after the Petition Date; *provided*, that such payments shall be without prejudice to whether any such payments should be recharacterized or reallocated pursuant to section 506(b) of the Bankruptcy Code as payments of principal, interest, or otherwise. Professionals of the Prepetition Second Lien Agent shall not be required to comply with the U.S. Trustee fee guidelines; however, any time that such professionals seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of

such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work-product doctrine) to the U.S. Trustee and counsel to the Committee (if appointed), contemporaneously with the delivery of such fee and expense statements to the Debtors. After delivery of a fee and expense statement or invoice, the Debtors, the U.S. Trustee, and the Committee (if appointed) shall have ten (10) days to raise an objection thereto. If an objection is timely raised, such objection shall be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such fee and expense statement or invoice shall be paid promptly by the Debtors. Notwithstanding the foregoing, the Debtors are authorized and directed to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the Prepetition Second Lien Agent incurred on or prior to such date without the need for any professional engaged by the Prepetition Second Lien Agent to first deliver a copy of its invoice as provided for herein. No attorney or advisor to the Prepetition Second Lien Agent shall be required to file an interim or final application seeking compensation for services or reimbursement of expenses with the Court.

(d) Information. The Debtors shall concurrently deliver to the Prepetition Second Lien Agent and the legal advisors to the Ad Hoc Second Lien Committee all information, reports, documents, and other material that the Debtors provide to the DIP Secured Parties pursuant to the DIP Documents, this Interim Order, and the Final Order, subject to the confidentiality provisions contained in the Second Lien Credit Agreement.

14. Adequate Protection Reservation. Subject to the Carve-Out (as defined below), nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided to the Prepetition Secured Parties

hereunder is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral during the Chapter 11 Cases or any Successor Cases. The receipt by the Prepetition Secured Parties of the adequate protection provided herein shall not be deemed an admission that the interests of the Prepetition Secured Parties are adequately protected. Further, this Interim Order shall not prejudice or limit the rights of the Prepetition Secured Parties to seek additional relief with respect to the use of Cash Collateral or for additional adequate protection, subject in all respects to the terms and limitations of the Intercreditor Agreement.

15. Effect of Order on Adequate Protection. In the event that it is determined by a final order, which order shall not be subject to any appeal, stay, reversal, or vacatur, that (a) no Diminution in Value of any Prepetition Secured Party's respective interests in the Prepetition Collateral has occurred or (b) such Prepetition Secured Party is determined to be undersecured, then a party in interest shall have the right to assert that payments of Adequate Protection shall be applied toward repayment of the principal amount due under the Prepetition Secured Facilities as is owing to such Prepetition Secured Party.

16. Budget Maintenance. The Debtors shall use the proceeds of all borrowings under the DIP Facility and Cash Collateral in accordance with the Budget, subject in all respects to the Permitted Variance. The Budget annexed hereto as Schedule 1 shall constitute the initial Budget. On the first Thursday that is four (4) full weeks after the Petition Date, and on the Thursday of each fourth week thereafter, the Debtors shall provide to the DIP Agent and the legal and financial advisors of the Ad Hoc Committee of Crossholder Lenders with (a) an updated 13-week statement of the Debtors' anticipated cash receipts and disbursements for the subsequent 13-week period (a "Proposed Budget"), which Proposed Budget shall modify and supersede any prior

Budget upon the approval of the Required Lenders in their reasonable discretion (such approval not to be unreasonably withheld), and (b) a report setting forth total organic and paid visitors, unique visits, and leads to core for such four-week period, in addition to a report setting forth the beginning and ending property period, as well as a breakdown of gross new, dropped, and adjusted properties for such four-week period. Until the Required Lenders approve the Proposed Budget in their reasonable discretion (such approval not to be unreasonably withheld), the then-current Budget shall remain the Budget, and the DIP Lenders shall have no obligation to fund such Proposed Budget. Each Budget delivered to the DIP Agent and the legal and financial advisors to the Ad Hoc Committee of Crossholder Lenders shall be accompanied by such supporting documentation as reasonably requested by such legal and financial advisors, and each Budget shall be prepared in good faith based upon assumptions the Debtors believe to be reasonable. A copy of the Budget shall be delivered to the legal and financial advisors to the Committee (if appointed) and the U.S. Trustee following such Budget's approval.

17. Budget and Reporting Compliance. The Debtors shall at all times comply with the Budget, subject to the Permitted Variance, and the Debtors shall provide all reports and other information as required in the DIP Credit Agreement (subject to the grace periods provided therein). The Debtors' failure to comply with the Budget (subject to the Permitted Variance) or to provide the reports and other information required in the DIP Credit Agreement shall constitute an Event of Default, following the expiration of any applicable grace period set forth in the DIP Credit Agreement.

18. Incremental Performance Marketing Expenditures.

(a) Beginning on the second to last business day before the last full

week in February, and continuing on a monthly basis thereafter on the second to last business day before the last full week of each month, the Debtors shall provide the DIP Agent and the legal and financial advisors to the Ad Hoc Committee of Crossover Lenders with a proposal for the incremental performance marketing expenditures for the subsequent month (a "Monthly Incremental Marketing Proposal") and host a pre-scheduled conference call with the DIP Lenders to discuss such proposal. The DIP Lenders shall have forty-eight (48) hours after the conclusion of the pre-scheduled conference call to respond to such proposal, and if such forty-eight (48) hour period lapses without any such response, the Required Lenders will be deemed to have approved the Monthly Incremental Marketing Proposal. The total cash disbursements on account of incremental performance marketing expenditures for the duration of the Chapter 11 Cases shall not exceed the Incremental Performance Marketing Cap, as defined in the Performance Marketing Schedule (as defined in the DIP Credit Agreement). Following delivery of a Monthly Incremental Marketing Proposal, the Debtors may request approval of additional incremental performance marketing expenditures, the approval of which shall be within the Required Lenders' sole discretion. Notwithstanding anything to the contrary contained herein, the Debtors may timely pay all obligations arising from incremental performance marketing expenditures incurred by the Debtors prior to the Petition Date.

(b) Notwithstanding anything to the contrary contained herein, the Debtors shall be permitted to incur the Pre-Approved Incremental Marketing Spend (as defined in the DIP Credit Agreement) that were set forth on the Performance Marketing Schedule (as defined in the DIP Credit Agreement) previously delivered to the DIP Lenders, including Pre-Approved Incremental Marketing Spend for the month of February, without any further approval of the

Required Lenders.

19. Modification of Automatic Stay. The automatic stay imposed under section 362(a)(2) of the Bankruptcy Code is hereby modified as necessary to effectuate all of the terms and provisions of this Interim Order, including, without limitation, to (a) permit the Debtors to grant the DIP Liens, Adequate Protection Liens, DIP Superpriority Claims, and 507(b) Claims; (b) permit the Debtors to perform such acts as the DIP Agent, the Prepetition First Lien Agent, and the Prepetition Second Lien Agent each may reasonably request to assure the perfection and priority of the liens granted herein; (c) permit the Debtors to incur all liabilities and obligations to the DIP Agent, DIP Lenders, and Prepetition Secured Parties under the DIP Documents, the DIP Facility, and this Interim Order, as applicable; (d) authorize the Debtors to pay, and the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties to retain and apply, payments made in accordance with the terms of this Interim Order; and (e) permit the First Lien Letter of Credit Issuer (as defined in the Motion) to cash collateralize the First Lien Letter of Credit (as defined in the Motion), in accordance with the terms of the First Lien Credit Agreement.

20. Perfection of DIP Liens and Adequate Protection Liens. This Interim Order shall be sufficient and conclusive evidence of the creation, validity, perfection, and priority of all liens granted herein, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording any financing statement, mortgage, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens or the Adequate Protection Liens or to entitle the DIP Agent, the DIP Lenders, and the

Prepetition Secured Parties to the priorities granted herein. Notwithstanding the foregoing, each of the DIP Agent, Prepetition First Lien Agent, and Prepetition Second Lien Agent is authorized to file or record, as it in its sole discretion deems necessary or advisable, such financing statements, security agreements, mortgages, notices of liens, and other similar documents to perfect its respective liens in accordance with applicable non-bankruptcy law, and all such financing statements, mortgages, notices, and other documents shall be deemed to have been filed or recorded as of the Petition Date; *provided, however*, that no such filing or recordation shall be necessary or required in order to create or perfect the DIP Liens or the Adequate Protection Liens. The Debtors are authorized and directed to execute and deliver, promptly upon demand to the DIP Agent, Prepetition First Lien Agent, and Prepetition Second Lien Agent, all such financing statements, mortgages, notices, and other documents as the DIP Agent, Prepetition First Lien Agent, or Prepetition Second Lien Agent, as applicable, may reasonably request. Each of the DIP Agent, Prepetition First Lien Agent, and Prepetition Second Lien Agent, in its discretion, may file a photocopy of this Interim Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien, or similar instrument, and all applicable officials are hereby directed to accept a photocopy of this Interim Order for filing or recordation for such purpose. To the extent the Prepetition First Lien Agent or Prepetition Second Lien Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agent shall also be deemed to be the secured

party or the loss payee or additional insured, as applicable, under such documents. The Prepetition First Lien Agent and Prepetition Second Lien Agent, as applicable, shall serve as agents for the DIP Agent for purposes of perfecting the DIP Liens on all DIP Collateral that is of a type such that, without giving effect to the Bankruptcy Code and this Interim Order, perfection of a lien thereon may be accomplished only by possession or control by a secured party.

21. Protections of Rights of DIP Agent, DIP Lenders and Prepetition Secured Parties.

(a) Unless the DIP Agent, the Prepetition First Lien Agent, and the Prepetition Second Lien Agent shall have provided their prior written consent, or all DIP Obligations and all Prepetition Secured Obligations (excluding contingent indemnification obligations for which no claim has been asserted) have been indefeasibly paid in full in cash and the lending commitments under the DIP Facility have terminated, there shall not be entered in any of these Chapter 11 Cases or any Successor Cases any order (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following (unless such order provides for the simultaneous satisfaction of such obligations): (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral or the Prepetition Collateral or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claims, the Prepetition Liens, the Adequate Protection Liens, or the 507(b) Claims, except as expressly set forth in this Interim Order or the DIP Documents; (ii) the use of Cash Collateral for any purpose other than as permitted in the Budget, the DIP Documents, and this Interim Order; or (iii) any modification of any of the DIP Agent's, any DIP Lender's, or any

Prepetition Secured Party's rights under this Interim Order, the DIP Documents, or the Prepetition Documents with respect any DIP Obligations or Prepetition Secured Obligations.

(b) The Debtors (and/or their legal and financial advisors in the case of clauses (ii) through (iv) below) will, whether or not the DIP Obligations (excluding contingent indemnification obligations for which no claim has been asserted) have been indefeasibly paid in full in cash, (i) maintain books, records, and accounts to the extent and as required by the DIP Documents and the Prepetition Documents (and subject to the applicable grace periods set forth therein); (ii) reasonably cooperate with, consult with, and provide to the DIP Agent and the Prepetition Agents all such information and documents that any or all of the Debtors are obligated (including upon reasonable request by any of the DIP Agent or the Prepetition Agents) to provide under the DIP Documents, the Prepetition Documents, or the provisions of this Interim Order; (iii) authorize their independent certified public accountants, financial advisors, investment bankers and consultants, including Berkeley Research Group LLC and Moelis & Company to cooperate and consult with the DIP Agent (and, so long as an Event of Default has occurred and is continuing, each DIP Lender) and the Prepetition Agents; (iv) upon reasonable advance notice, permit the DIP Agent, the DIP Lenders, and the Prepetition Agents to visit and inspect any of the Debtors' respective properties, to examine and make abstracts or copies from any of their respective books and records, to tour the Debtors' business premises and other properties, and to discuss their respective affairs, finances, properties, business operations, and accounts with their respective officers, employees, independent public accountants, and other professional advisors (other than legal counsel) as and to the extent required by the DIP Documents and/or the Prepetition Documents; (v) permit the DIP Agent and the Prepetition Agents to consult with the Debtors'

management and advisors on matters concerning the Debtors' businesses, financial condition, operations, and assets; and (vi) upon reasonable advance notice, permit the DIP Agent and the Prepetition Agents to conduct, at their discretion and at the Debtors' cost and expense, field audits, collateral examinations, and liquidation valuations at reasonable times in respect of any or all of the DIP Collateral or the Prepetition Collateral, in accordance with the DIP Documents and the Prepetition Documents.

22. Credit Bidding. In connection with any sale process authorized by the Court, whether effectuated through sections 363, 725, or 1123 of the Bankruptcy Code, the DIP Agent, DIP Lenders, and Prepetition Secured Parties may credit bid up to the full amount of the outstanding DIP Obligations or the relevant Prepetition Obligations, as applicable, in each case including any accrued and unpaid interest, expenses, fees, and other obligations for their respective priority collateral (each such bid, a "Credit Bid") pursuant to section 363(k) of the Bankruptcy Code, subject in each case to the Intercreditor Agreement; *provided*, that any Credit Bid includes cash consideration sufficient to pay in full any obligations with senior liens on the collateral that is subject to the Credit Bid.

23. Proceeds of Subsequent Financing. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Cases or any Successor Cases shall obtain credit or incur debt pursuant to sections 364(b), 364(c), 364(d) of the Bankruptcy Code in violation of the DIP Documents or this Interim Order at any time prior to the indefeasible repayment in full of all DIP Obligations and the termination of the DIP Agent's and DIP Lenders' obligation to extend credit under the DIP Facility, including subsequent to the confirmation of any plan with respect to any or all of the Debtors (if applicable), then all the cash

proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied in accordance with this Interim Order and the DIP Documents.

24. Maintenance of DIP Collateral. Until the indefeasible payment in full of all DIP Obligations, all Prepetition Secured Obligations, and the termination of the DIP Agent's and the DIP Lenders' obligation to extend credit under the DIP Facility, the Debtors shall (a) insure the DIP Collateral as required under the DIP Facility or the Prepetition Documents, as applicable; (b) maintain the cash management system in effect as of the Petition Date, as modified by any order entered by the Court; and (c)(i) maintain accurate records of all transfers (including intercompany transactions) within the cash management system so that all postpetition transfers and transactions shall be adequately and promptly documented in, and readily ascertainable from, their books and records, to the same extent maintained by the Debtors before the Petition Date, and (ii) provide reasonable access to such records to the DIP Agent and the legal and financial advisors to the Ad Hoc Committee of Crossholder Lenders.

25. Disposition of DIP Collateral. The Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral other than in the ordinary course of business without the prior written consent of the DIP Agent and the Prepetition Agents (and no such consent shall be implied, from any other action, inaction, or acquiescence by the DIP Agent, DIP Lenders, or the Prepetition Secured Parties), except as otherwise provided for in the DIP Documents or the Restructuring Support Agreement or as ordered by the Court, and subject in all respects to the Intercreditor Agreement.

26. DIP Termination Date. On the DIP Termination Date (as defined below), subject to the Carve-Out (as defined below), (a) all DIP Obligations shall be immediately due and

payable, all commitments to extend credit under the DIP Facility will terminate, other than as required in paragraph 36 with respect to the Carve-Out (as defined below); (b) all authority to use Cash Collateral shall cease, *provided, however*, that during the Remedies Notice Period (as defined below), the Debtors may use Cash Collateral solely to meet payroll obligations and pay expenses necessary to avoid immediate and irreparable harm to the Debtors' estates, in accordance with the Budget (subject to the Permitted Variance), and as otherwise agreed by the DIP Agent at the direction of the Required Lenders; and (c) otherwise exercise rights and remedies under the DIP Documents in accordance with this Interim Order. For the purposes of this Interim Order, the "DIP Termination Date" (as defined below) shall mean the "Termination Date" as defined in the DIP Credit Agreement.

27. Events of Default. The occurrence of any of the following events, unless waived by the Required Lenders in writing and in accordance with the terms of the DIP Credit Agreement, shall constitute an event of default (collectively, the "Events of Default") under this Interim Order: (a) the failure of the Debtors to perform, in any respect, any of the terms, provisions, conditions, covenants, or obligations under this Interim Order), subject to a three-day cure period (if such failure is capable of being cured); or (b) the occurrence of an "Event of Default" as defined in the DIP Credit Agreement. Upon the indefeasible payment in full in cash of the DIP Obligations (a "DIP Repayment"), the foregoing events of default may be waived by the Prepetition Agents.

28. Milestones. As a condition to the DIP Facility and the use of Cash Collateral, the Debtors shall comply with the following "Milestones," the failure of the Debtors to comply with any of which shall constitute an Event of Default under each of the DIP Credit Agreement and this Interim Order and, subject to the expiration of the Remedies Notice Period,

result in the automatic termination of the Debtors' authority to use Cash Collateral under this Interim Order, and permit the DIP Agent, subject to the terms of paragraph 30, to exercise the rights and remedies provided for in this Interim Order and the DIP Documents:

(a) As soon as practicable, but in no event later than the date that is forty (40) calendar days after the Petition Date, the Bankruptcy Court shall have entered the Final Order;

(b) As soon as practicable, but in no event later than the date that is sixty-five (65) calendar days after the Petition Date, the Bankruptcy Court shall have entered an order approving a disclosure statement for a chapter 11 plan (the "**Disclosure Statement Order**"); and

(c) As soon as practicable, but in no event later than the date that is sixty-five (65) calendar days after entry of the Disclosure Statement Order, the Bankruptcy Court shall have entered an order confirming a chapter 11 plan.

29. [Reserved].

30. Rights and Remedies Upon Event of Default. Immediately upon the occurrence and during the continuation of an Event of Default, notwithstanding the provisions of section 362 of the Bankruptcy Code, without any application, motion or notice to, hearing before, or order of the Court, but subject to the terms of this Interim Order, (a) the DIP Agent may declare (i) all outstanding DIP Obligations to be immediately due and payable, (ii) the termination of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the DIP Facility, (iii) termination of the DIP Facility and the DIP Documents as to any future liability or obligation of the DIP Agent and the DIP Lenders, without affecting any of the DIP Liens or the DIP Obligations, and (iv) that the application of the Carve-Out (as defined below) has

occurred through the delivery of the Carve-Out Trigger Notice (as defined below) to the Debtors; and (b) the Prepetition Agents may declare the termination of the Debtors' ability to use Cash Collateral (any such declaration shall be referred to as a "DIP Termination Declaration" and the date on which a Termination Declaration is delivered shall be referred to as the "DIP Termination Date"). A Termination Declaration shall be given by electronic mail (or other electronic means) to counsel to the Debtors, counsel to a Committee (if appointed), counsel to the DIP Agent (if made by the Prepetition Agents) or counsel to each of the Prepetition Agents (if made by the DIP Agent), and the U.S. Trustee. The automatic stay is hereby modified so that five (5) business days after the date a Termination Declaration is delivered (such five-day period, the "Remedies Notice Period"), the DIP Agent and the DIP Lenders shall be entitled to exercise their rights and remedies in accordance with the DIP Documents and this Interim Order, subject in all respects to the Carve-Out (as defined below). During the Remedies Notice Period, the Debtors and/or a Committee (if appointed) shall be entitled to seek an emergency hearing from the Court, and upon and after delivery of the Termination Notice, the DIP Agent is deemed to have consented to such emergency hearing. The Debtors hereby waive their right to and shall not be entitled to seek relief, including under section 105 of the Bankruptcy Code or otherwise, to the extent that such relief would in any way impair or restrict the express rights and remedies granted to the DIP Agent and the DIP Lenders under this paragraph 30. Unless the Court orders otherwise, the automatic stay shall automatically be terminated at the end of the Remedies Notice Period without further notice or order as to the DIP Agent and the DIP Lenders, subject to the Carve-Out (as defined below). Upon the occurrence and during the continuation of an Event of Default, the DIP Agent and any liquidator or other professional will have the right to access and utilize, at no cost or expense, any

trade names, trademarks, copyrights, or other intellectual property of the Debtors to the extent necessary or appropriate in order to sell, lease, or otherwise dispose of any of the DIP Collateral, including pursuant to any Court-approved sale process.

31. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Interim Order. Based on the findings set forth in this Interim Order and the record made during the Interim Hearing, and in accordance with section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Interim Order are hereafter modified, amended, or vacated by a subsequent order of this Court or any other court of competent jurisdiction, the DIP Agent, the DIP Lenders, and Prepetition Secured Parties are entitled to the protections provided in section 364(e) of the Bankruptcy Code. Any such modification, amendment, or vacatur shall not affect the validity and enforceability of any advances previously made or made hereunder, or lien, claim, or priority authorized or created hereby, unless such authorization and the incurring of such debt, or the granting of such priority or lien, is stayed pending appeal.

32. Payment of Fees and Expenses. The Debtors are authorized and directed to pay all reasonable and documented prepetition and postpetition fees and out-of-pocket expenses of the DIP Agent and DIP Lenders in connection with the DIP Facility, as provided in the DIP Documents, and the transactions contemplated thereby, including attorneys' fees, monitoring and appraisal fees, financial advisory fees, fees and expenses of other consultants, and indemnification and reimbursement of fees and expenses. Any time that Professionals of the DIP Agent and the DIP Lenders seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any

information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work-product doctrine) to the U.S. Trustee and counsel to the Committee (if appointed) contemporaneously with the delivery of such fee and expense statements to the Debtors. After delivery of a fee and expense statement or invoice, the Debtors, the U.S. Trustee, and the Committee (if appointed) shall have ten (10) days to raise an objection thereto. If an objection is timely raised, such objection shall be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such fee and expense statement or invoice shall be paid promptly by the Debtors. Notwithstanding the foregoing, the Debtors are authorized and directed to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the DIP Agent and the DIP Lenders incurred on or prior to such date without the need for any professional engaged by the DIP Agent or the DIP Lenders to first deliver a copy of its invoice as provided for herein. No attorney or advisor to the DIP Agent or the DIP Lenders shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to the (i) DIP Agent or DIP Lenders in connection with the DIP Facility and (ii) Prepetition Secured Parties in connection with the Chapter 11 Cases, are hereby approved in full.

33. Indemnification. The Debtors shall indemnify and hold harmless the DIP Agent and the DIP Lenders in accordance with the terms and conditions of the DIP Credit Agreement.

34. Proofs of Claim. The DIP Agent, the DIP Lenders, and the Prepetition

Secured Parties will not be required to file proofs of claim in any of the Chapter 11 Cases or Successor Cases for any claim allowed herein. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Chapter 11 Cases or Successor Cases to the contrary, each of the Prepetition First Lien Agent and the Prepetition Second Lien Agent is hereby authorized and entitled, in its sole discretion, to file a master proof of claim on behalf of the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties, as applicable, in each of the Chapter 11 Cases or Successor Cases. Any proof of claim filed by the Prepetition First Lien Agent or the Prepetition Second Lien Agent shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by any of the Prepetition First Lien Secured Parties or the Prepetition Second Lien Secured Parties, respectively. The provisions of this paragraph 34 and each master proof of claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in these Chapter 11 Cases or to assert that the amount of its claim is different from that set forth on the applicable master proof of claim. The master proofs of claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the applicable Prepetition Secured Party.

35. Professional Fees Account.

(a) Contemporaneously with the initial funding of the DIP Loans, the Debtors shall (i) transfer in an amount equal to the total budgeted weekly fees and expenses incurred by persons or firms retained by the Debtors pursuant to sections 327, 328, or 363 of the

Bankruptcy Code (such persons or firms, the "Debtor Professionals") and any persons or firms retained by any Committee (the "Committee Professionals" and, together with the Debtor Professionals, the "Professional Persons" and, such fees and expenses of the Professional Persons, the "Professional Fees") for the first two weekly periods set forth in the Budget and (ii) thereafter, on a weekly basis, transfer cash proceeds from the DIP Facility or cash on hand in an amount equal to the aggregate unpaid amount of Estimated Fees and Expenses (as defined below) included in all Weekly Statements (as defined below) timely received by the Debtors, which shall be reported to the DIP Agent (or, in the event of a DIP Repayment, the Prepetition Agents), or if an estimate is not provided, the total budgeted weekly fees of Professional Persons for the prior week set forth in the Budget, in each case, into a segregated account not subject to the control, liens, security interests, or claims of the DIP Agent, any DIP Lender, or any Prepetition Secured Party (the "Professional Fees Account").

(b) Starting with the third full calendar week following the Petition Date, each Professional Person shall deliver to the Debtors a statement (each such statement, a "Weekly Statement") setting forth a good-faith estimate of the amount of unpaid fees and expenses incurred during the preceding week by such Professional Person (the "Estimated Fees and Expenses"). No later than one business day after the delivery of a Carve-Out Trigger Notice (as defined below) (the "Carve-Out Statement Date"), each Professional Person shall deliver one additional statement to the Debtors setting forth a good-faith estimate of the amount of Estimated Fees and Expenses incurred on and during the period prior to the Carve-Out Statement Date to the extent not otherwise paid or included in a previous Weekly Statement, and the Debtors shall transfer such amounts to the Professional Fees Account.

(c) The Debtors shall be authorized to use funds held in the Professional Fees Account to pay Professional Fees as they become allowed and payable pursuant to any interim or final order of the Bankruptcy Court or otherwise; provided, that when all allowed Professional Fees have been paid in full (regardless of when such Professional Fees are allowed by the Bankruptcy Court) and the Carve-Out (as defined below) is funded, any funds remaining in the Professional Fees Account shall revert to the DIP Funding Account for use in a manner not inconsistent with this Interim Order; provided, further, that the Debtors' obligations to pay allowed Professional Fees shall in no way be limited or deemed limited to funds held in the Professional Fees Account.

(d) Notwithstanding anything herein to the contrary, (i) funds transferred to the Professional Fees Account shall be held in trust exclusively for the Professional Persons, including with respect to obligations arising out of the Carve-Out (as defined below) and (ii) funds transferred to the Professional Fees Account shall not be subject to any liens or claims granted to the DIP Lenders herein or any liens or claims granted to the Prepetition Secured Parties as adequate protection, and shall not constitute DIP Collateral, Prepetition Collateral, or Cash Collateral; provided, that the DIP Collateral and the Prepetition Collateral shall include a reversionary interest in funds held in the Professional Fees Account, if any, after all allowed Professional Fees have been paid in full (regardless of when such Professional Fees are allowed by the Bankruptcy Court) and the Carve-Out (as defined below) is funded.

(e) Notwithstanding anything herein to the contrary, (i) the Court has jurisdiction over the Professional Fees Account, (ii) all payments from the Professional Fees Account are subject to allowance by the Court, (iii) the beneficiary professionals will indemnify

the estate for any losses to the account, and (iv) the Debtors shall report all disbursements from the account in the monthly operating reports submitted to the Court.

36. Carve-Out.

(a) As used in this Interim Order, the term "Carve-Out" means the sum of: (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the notice set forth in clause (iv) below); (ii) fees and expenses up to $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in clause (iv) below); (iii) to the extent allowed at any time, whether by interim or final compensation order, all professional fees of Professional Persons (collectively, the "Allowed Professional Fees") incurred at any time before or on the first business day after delivery by the DIP Agent of a Carve-Out Trigger Notice (as defined below), whether allowed by the Bankruptcy Court prior to or after delivery of a Carve-Out Trigger Notice (as defined below) and without regard to whether such fees and expenses are provided for in the Budget; and (iv) Allowed Professional Fees incurred after the first Business Day following delivery by the DIP Agent of the Carve-Out Trigger Notice (as defined below) (including transaction fees or success fees earned or payable to a Professional Person) in an aggregate amount not to exceed $1,500,000 with respect to Professional Persons (the amount set forth in this clause (iv) being the "Post-Carve-Out Trigger Notice Cap").

(b) For purposes of the foregoing, "Carve-Out Trigger Notice" shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (or, following a DIP Repayment, the Prepetition Agents) to the Debtors, their lead restructuring counsel (Weil, Gotshal & Manges LLP), the U.S. Trustee, and lead counsel to the Committee (if

any), which notice may be delivered following the occurrence and during the continuation of an Event of Default and acceleration of the obligations under the DIP Facility (or, following a DIP Repayment, any occurrence that would constitute an Event of Default hereunder) or the occurrence of the Maturity Date (as defined in the DIP Credit Agreement), stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(c) On the day on which a Carve-Out Trigger Notice is received by the Loan Parties, the Carve-Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand (including cash contained in the DIP Funding Account) to transfer to the Professional Fees Account cash in an amount equal to all obligations benefitting from the Carve-Out; *provided, however*, that all amounts referenced in paragraph 36(a)(i) and (ii) of this Interim Order (or Final Order, as applicable) shall be paid directly to the intended beneficiaries.

(d) For the avoidance of doubt, to the extent that professional fees and expenses of the Professional Persons have been incurred by the Debtors at any time before or on the first business day after delivery by the DIP Agent (or, following a DIP Repayment, the Prepetition Agents) of a Carve-Out Trigger Notice but have not yet been allowed by the Bankruptcy Court on the date that the DIP Agent (or, following a DIP Repayment, the Prepetition Agents) delivers a Carve-Out Trigger Notice, such professional fees and expenses of the Professional Persons shall constitute Allowed Professional Fees benefiting from the Carve-Out upon their allowance by the Bankruptcy Court, whether by interim or final compensation order and whether before or after delivery of the Carve-Out Trigger Notice, and the Debtors shall fund the Professional Fees Account in the amount of such professional fees and expenses.

(e) Following delivery of a Carve-Out Trigger Notice, the DIP Agent

shall deposit into the Professional Fees Account any cash swept or foreclosed upon (including cash received as a result of the sale or other disposition of any assets) until the Professional Fees Account has been fully funded in an amount equal to all obligations benefiting from the Carve-Out. Notwithstanding anything to the contrary herein or in the DIP Documents, following delivery of a Carve-Out Trigger Notice, the DIP Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Professional Fees Account has been fully funded in an amount equal to all obligations benefiting from the Carve-Out. Further, notwithstanding anything to the contrary herein, (i) disbursements by the Debtors from the Professional Fees Account shall not constitute DIP Loans, (ii) the failure of the Professional Fees Account to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out, and (iii) in no way shall the Carve-Out, Professional Fees Account, a Budget, the Permitted Variance, Weekly Statements, Estimated Fees and Expenses, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Bankruptcy Court at any time (whether by interim order, final order, or otherwise).

(f) Proceeds from the DIP Facility not to exceed the Investigation Budget Amount may be used on account of professional fees and expenses of Committee Professionals in connection with the Investigation, which obligations will benefit from the Carve-Out in an amount not to exceed the Investigation Budget Amount to the extent unpaid as of the delivery of a Carve-Out Trigger Notice.

(g) Notwithstanding anything to the contrary contained herein or in the DIP Documents, no Conversion Prepayment (as defined in the DIP Credit Agreement) shall occur

unless and until the Carve-Out is funded.

(h) For the avoidance of doubt and notwithstanding anything to the contrary herein or in the DIP Documents, the Carve-Out shall be senior to all liens securing and all claims on account of the DIP Facility, any adequate protection liens, and superpriority claims (whether granted on account of the DIP Facility, as adequate protection, or otherwise), and any and all other liens and claims. For the avoidance of doubt, if a DIP Repayment occurs or the DIP Facility is otherwise terminated, the DIP Order shall remain in full force and effect, including with respect to the Debtors' use of Cash Collateral, the Carve-Out, the Professional Fees Account, and all related provisions in respect thereof, and the Prepetition Agents shall assume any rights and obligations that the DIP Agent previously had with respect to the Carve-Out and the Professional Fees Account.

37. No Direct Responsibility for Fees or Disbursements. Subject to any of the DIP Agent's, DIP Lenders', or Prepetition Secured Parties' obligations with respect to the Carve-Out and the Professional Fees Account, none of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties shall be (i) responsible for the direct payment or reimbursement of any fees or disbursements of any Professional Persons incurred in connection with the Chapter 11 Cases or any Successor Cases, or (ii) obligated in any way to compensate, or to reimburse expenses of, any Professional Persons or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

38. Limitations on Use of DIP Proceeds, Cash Collateral, and Carve-Out. No proceeds of the DIP Facility, the DIP Collateral, or the Prepetition Collateral, in each case, including Cash Collateral, and no portion of the Carve-Out or Professional Fees Account may be

used in connection with (a) except to contest the occurrence of an Event of Default, preventing, hindering, or delaying any of the DIP Agent's or the DIP Lenders' realization upon any of the DIP Collateral or enforcement of any of their respective rights thereto in accordance with paragraph 30; (b) for any purpose that is prohibited under this Interim Order, the Final Order (when entered), the DIP Documents, or the Bankruptcy Code; (c) to finance in any way: (i) any adversary action, suit, arbitration, proceeding, application, motion, or other litigation of any type adverse to the interests of any or all of the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, or employees, or their respective rights and remedies under DIP Loan Documents, the Interim Order, the Final Order (when entered), or the Prepetition Documents, including, without limitation, any actions under chapter 5 of the Bankruptcy Code, section 724(a) of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code or applicable state law equivalents, or (ii) any other action, which with the giving of notice or passing of time, would result in an Event of Default under the DIP Loan Documents; (d) for the payment of fees, expenses, interest, or principal under the Prepetition Documents (in each case, other than payments on account of the Adequate Protection Obligations); (e) unless the Exit Conversion occurs, to make any distribution under a plan of reorganization in the Chapter 11 Cases that does not provide for the indefeasible payment of the DIP Loans in full and in cash (including, subject to entry of the Final Order, the Redemption Premium); (f) except as permitted by the Budget (including Permitted Variances) to make any payment in settlement of any claim, action, or proceeding in excess of $500,000 in the aggregate without the prior written consent of the DIP Agent, acting at the direction of the Required Lenders; (g) selling or otherwise disposing of the DIP Collateral without the consent of the DIP Agent; (h)

incurring Indebtedness (as defined in the DIP Credit Agreement), except to the extent permitted under the DIP Credit Agreement; (i) seeking to amend or modify any of the rights granted to the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties under this Interim Order, the DIP Documents, or the Prepetition Documents; or (j) seeking to subordinate, recharacterize, disallow, or avoid the DIP Obligations or the Prepetition Secured Obligations; *provided, however*, that the Cash Collateral and/or proceeds of the DIP Facility may be used, subject to entry of the Final Order, for allowed fees and expenses, in an amount not to exceed $50,000 in the aggregate (the "Investigation Budget Amount"), incurred solely by a Committee (if appointed), in investigating (but not prosecuting or challenging) the validity, enforceability, perfection, priority, or extent of the Prepetition Liens (the "Investigation") before the Challenge Deadline (as defined below).

39. Payment of Compensation. So long as an unwaived Event of Default has not occurred, the Debtors shall be permitted to pay fees and expenses allowed and payable by final order (that has not been vacated or stayed, unless the stay has been vacated) under sections 328, 330, 331, and 363 of the Bankruptcy Code, as the same may be due and payable, in accordance with the DIP Documents.

40. Effect of Stipulations on Third Parties.

(a) *Generally*. The admissions, stipulations, agreements, releases, and waivers set forth in this Interim Order (collectively, the "Stipulations") shall be binding on the Debtors, any trustee, or any other estate representative appointed in the Chapter 11Cases or any Successor Cases. The Stipulations shall also be binding on all creditors and other parties in interest and all of their respective successors and assigns, including, without limitation, a Committee (if appointed), unless, and solely to the extent that, a party in interest with standing and requisite

authority (i) has timely commenced an appropriate proceeding or contested matter required under the Bankruptcy Code and Bankruptcy Rules, including, without limitation, as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 40) challenging any of the Stipulations (each such proceeding or contested matter, a "Challenge") by no later than (a) for a Committee (if appointed), 60 days from its formation or (b) for all other parties in interest (excluding the Debtors), 75 days following the entry of the Interim Order (the "Challenge Deadline"), as such deadline may be extended in writing from time to time in the sole discretion of the Prepetition First Lien Agent (with respect to the Prepetition First Liens and Obligations or the adequate protection afforded to the Prepetition First Lien Secured Parties) and the Prepetition Second Lien Agent (with respect to the Prepetition Second Lien Liens and Obligations or the adequate protection afforded to the Prepetition Second Lien Secured Parties) or by this Court for good cause shown pursuant to an application filed by a party in interest prior to the expiration of the Challenge Deadline, and (ii) this Court enters judgment in favor of the plaintiff or movant in any such timely and properly commenced Challenge and any such judgment has become a final judgment that is not subject to any further review or appeal, and then only to the extent of any such final judgment.

(b) *Binding Effect.* To the extent no Challenge is timely and properly commenced by the Challenge Deadline, or to the extent such Challenge does not result in a final and non-appealable judgment or order that is inconsistent with any of the Stipulations, then, without further notice, motion, or application to, order of, or hearing before, this Court and without the need or requirement to file any proof of claim, the Stipulations shall, pursuant to this Interim Order, become irrevocably binding on any person, entity, or party in interest in the Chapter 11

Cases, as well as their successors and assigns, and in any Successor Case for all purposes and shall not be subject to further challenge or objection. Notwithstanding anything to the contrary herein, if any Challenge is properly and timely commenced by a party in interest, the Stipulations shall nonetheless remain binding on all other parties in interest. To the extent any Challenge is timely and properly commenced and is unsuccessful, the Prepetition Secured Parties shall be entitled to, as adequate protection, payment of the related costs and expenses, including, but not limited to, reasonable and documented attorneys' fees, incurred in defending themselves against any unsuccessful Challenge.

41. <u>No Third-Party Rights</u>. Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder, or any direct, indirect, or incidental beneficiary.

42. <u>Section 506(c) Claims</u>. Subject to entry of the Final Order, except to the extent of the Carve-Out, no costs or expenses of administration that have been or may be incurred in the Chapter 11 Cases at any time shall be charged against the DIP Agent, the DIP Lenders, the Prepetition First Lien Agent, the Prepetition First Lien Lenders, the Prepetition Second Lien Agent, or the Prepetition Second Lien Lenders, the DIP Collateral, or the Prepetition Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of the DIP Agent, the Prepetition First Lien Agent, or the Prepetition Second Lien Agent, as applicable, and no such consent shall be implied from any action, inaction, or acquiescence by any party.

43. <u>No Marshaling/Applications of Proceeds</u>. Subject to entry of the Final Order, the DIP Agent, the DIP Lenders, the Prepetition First Lien Agent, the Prepetition First Lien

Lenders, the Prepetition Second Lien Agent, and the Prepetition Second Lien Lenders shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral.

44. Section 552(b). Subject to entry of the Final Order, the Prepetition First Lien Agent, the Prepetition First Lien Lenders, the Prepetition Second Lien Agent, and the Prepetition Second Lien Lenders shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the "equities of the case" exception thereunder shall not apply to any of them.

45. Limits on Lender Liability. Subject to entry of the Final Order, nothing in this Interim Order, any of the DIP Documents, the Prepetition Documents, or any other documents related thereto, shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties of any liability for any claims arising from any activities by the Debtors in the operation of their businesses or in connection with the administration of these Chapter 11 Cases or any Successor Cases. The DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall not, solely by reason of having made loans under the DIP Facility or authorizing the use of Cash Collateral, be deemed in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in this Interim Order or the DIP Documents, shall in any way be construed or interpreted to impose or allow the imposition

upon the DIP Agent, the DIP Lenders, or any of the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors.

46. Insurance Proceeds and Policies. Upon entry of this Interim Order and to the fullest extent provided by applicable law, the DIP Agent (on behalf of the DIP Lenders), the Prepetition First Lien Agent (on behalf of the Prepetition First Lien Lenders), and the Prepetition Second Lien Agent (on behalf of the Prepetition Second Lien Lenders), shall be, and shall be deemed to be, without any further action or notice, named as additional insured and loss payee on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral.

47. Joint and Several Liability. Nothing in this Interim Order shall be construed to constitute a substantive consolidation of any of the Debtors' estates, it being understood, however, that the Debtors shall be jointly and severally liable for the obligations hereunder and all DIP Obligations in accordance with the terms hereof and of the DIP Documents.

48. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, subject to the Prepetition Documents and the Intercreditor Agreement: (a) the DIP Agent's, DIP Lenders', and Prepetition Secured Parties' rights to seek any other or supplemental relief; (b) any of the rights of any of the DIP Agent, DIP Lenders, and/or the Prepetition Secured Parties under the Bankruptcy Code or applicable non-bankruptcy law, including, without limitation, the right to (i) request modification of the automatic stay imposed by section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Chapter 11 Cases or Successor Cases, conversion of any of the Chapter 11 Cases to cases under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section

1121 of the Bankruptcy Code, a chapter 11 plan or plans; or (c) any other rights, claims, or privileges (whether legal, equitable, or otherwise) of any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the Debtors', a Committee's (if appointed), or any party in interest's right to oppose any of the relief requested in accordance with the immediately preceding sentence except as expressly set forth in this Interim Order. Entry of this Interim Order is without prejudice to any and all rights of any party in interest with respect to the terms and approval of the Final Order and any other position which any party in interest deems appropriate to raise in these Chapter 11 Cases or any Successor Cases.

49. No Waiver by Failure to Seek Relief. The failure of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Interim Order, the DIP Documents, the Prepetition Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties.

50. Binding Effect of Interim Order. Immediately upon entry on the docket of this Court, the terms and provisions of this Interim Order shall become binding upon the Debtors, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, all other creditors of any of the Debtors, any Committee, and all other parties in interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in any of the Chapter 11 Cases, any Successor Cases, or upon dismissal of any Case or Successor Case.

51. No Modification of Interim Order. Until and unless the DIP Obligations

and the Prepetition Secured Obligations (other than contingent obligations with respect to then unasserted claims) have been indefeasibly paid in full in cash (such payment being without prejudice to any terms or provisions contained in the DIP Facility which survive such discharge by their terms), and all commitments to extend credit under the DIP Facility have been terminated, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly, any modification, stay, vacatur, or amendment to this Interim Order without the prior written consent of the DIP Agent, the Prepetition First Lien Agent, and the Prepetition Second Lien Agent, and no such consent shall be implied by any action or inaction of the DIP Agent or the Prepetition Agents.

52. Continuing Effect of Intercreditor Agreement. The Debtors, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties each shall be bound by, and in all respects of the DIP Facility shall be governed by, and be subject to all the terms, provisions, and restrictions of the Intercreditor Agreement.

53. Interim Order Controls. In the event of any inconsistency between the terms and conditions of the DIP Documents and this Interim Order, the provisions of this Interim Order shall control.

54. Discharge. The DIP Obligations and the obligations of the Debtors with respect to the adequate protection provided herein shall not be discharged by the entry of an order confirming any plan of reorganization in any of the Chapter 11 Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted), on or before the effective date of such plan of reorganization, or each of

the DIP Agent, the DIP Lenders, the Prepetition First Lien Agent, and the Prepetition Second Lien Agent, as applicable, has otherwise agreed in writing; *provided*, that the DIP Loans shall automatically and mandatorily convert into the Exit Term Loan A (including the Redemption Premium, as defined in the DIP Credit Agreement) upon the occurrence of the Exit Conversion (as defined in the DIP Credit Agreement, the "Exit Conversion") in accordance with the DIP Credit Agreement. None of the Debtors shall propose or support any plan of reorganization or sale of all or substantially all of the Debtors' assets, or order confirming such plan or approving such sale, that is not conditioned upon the indefeasible payment in full in cash of the DIP Obligations (other than contingent indemnification obligations for which no claim has been asserted), and the payment of the Debtors' obligations with respect to the adequate protection provided for herein, in full in cash within a commercially reasonable period of time (and in no event later than the effective date of such plan of reorganization or sale) or on such other terms as are set forth in the Restructuring Support Agreement (a "Prohibited Plan or Sale"), without the written consent of each of the DIP Agent, DIP Lenders, the Prepetition First Lien Agent, and Prepetition Second Lien Agent, as applicable. For the avoidance of doubt, the Debtors' proposal or support of a Prohibited Plan or Sale, or the entry of an order with respect thereto, shall constitute an Event of Default hereunder and under the DIP Documents.

55. Survival. The provisions of this Interim Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in any of the Chapter 11 Cases; (b) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (c) dismissing any of the Chapter 11 Cases or any Successor Cases; or (d) pursuant to which this Court abstains from hearing any of the Chapter 11

Cases or any Successor Cases. The terms and provisions of this Interim Order shall continue in the Chapter 11 Cases, in any Successor Cases, or following dismissal of the Chapter 11 Cases or any Successor Cases notwithstanding the entry of any orders described in clauses (a)-(d) above, and all claims, liens, security interests, and other protections granted to the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties pursuant to this Interim Order and/or the DIP Documents shall maintain their validity and priority as provided by this Interim Order until: (i) in respect of the DIP Facility, all the DIP Obligations have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted); and (ii) in respect of the Prepetition First Lien Facility, all of the Prepetition First Lien Obligations have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted); and (iii) in respect of the Prepetition Second Lien Facility, all of the Prepetition Second Lien Obligations have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted). The terms and provisions concerning the indemnification of the DIP Agent and the DIP Lenders shall continue in the Chapter 11 Cases, in any Successor Cases, following dismissal of the Chapter 11 Cases or any Successor Cases, following termination of the DIP Documents, and/or the indefeasible repayment of the DIP Obligations.

56. Payments Held in Trust. Except as expressly permitted in this Interim Order or the DIP Credit Agreement, and subject to the Carve-Out, in the event that any person or entity receives any payment on account of a security interest in DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral, or receives any other payment with respect thereto from any other source prior to all DIP Obligations in accordance with the DIP Credit Agreement,

such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of DIP Collateral in trust for the benefit of the DIP Agent and the DIP Lenders and shall immediately turn over such proceeds to the DIP Agent, or as otherwise instructed by this Court, for application in accordance with the DIP Credit Agreement and this Interim Order.

57. Headings. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Interim Order.

58. Final Hearing. The Final Hearing to consider entry of the Final Order and final approval of the DIP Facility is scheduled for **March 12, 2020 at 10:00 a.m. (ET)** before the Honorable Brendan L. Amounts borrowed under this Section 2.01(a) and repaid or prepaid may not be reborrowed. Proceeds of the Loans shall be deposited in the DIP Funding Account and used as permitted herein.

(b) *[Reserved]*.

(c) Each Lender as of the Closing Date, hereby acknowledges and agrees that each Prepetition Lender that is or becomes a party to the Restructuring Support Agreement (in such capacity, an "**Electing DIP Lender**") may participate in providing the Loans in an amount equal to: (i) with respect to the Prepetition First Lien lenders, its pro rata share (determined on the basis of the principal amount of Prepetition First Lien Loans held by such Lender as compared to the principal amount of Prepetition First Lien Loans held by all Lenders under the Prepetition First Lien Loan Agreement on the Election Date) of 80% of the Loans hereunder and (ii) with respect to the Prepetition Second Lien Lenders, its pro rata share (determined on the basis of the principal amount of Prepetition Second Lien Loans held by such Lender as compared to the principal amount of Prepetition Second Lien Loan Documents on the Election Date) of 20% of the Loans hereunder by executing an election joinder in the form of Exhibit L no later than the Election Deadline. Thereafter, (x) each such Person shall become a Lender on the day after the Election Deadline and (y) each existing Lender's Commitment shall be reduced proportionally on such date. Each Prepetition Lender shall be entitled to transfer its pro rata share of the Loans to any other

Prepetition Lender (i) that is party to the Restructuring Support Agreement and (ii) commits to participate in this Facility on the same terms; *provided,* that in the event the Restructuring Support Agreement has not been executed prior to the Petition Date, by Prepetition Second Lien Lenders (or investment managers or advisers to such lenders) holding at least 66$^{2/3}$% in aggregate principal amount of the loans outstanding under the Prepetition Second Lien Documents, participation in this Facility will be offered solely to the Prepetition First Lien Lenders (on a pro rata basis in proportion to the amount of each Prepetition First Lien Lender's outstanding loans and commitments under the First Lien Credit Agreement on the Election Date) and the Prepetition Second Lien Lenders shall not be entitled to participate in this Facility.

(d) All Loans and all other Obligations (including the Redemption Premium) owing hereunder with respect to the Loans shall be paid in full or converted pursuant to the Exit Conversion not later than the Maturity Date.

Section 2.02. *Credit Extensions.* (a) Each Credit Extension shall be made upon the Borrower's irrevocable notice to the Administrative Agent. In order to request a Credit Extension, the Borrower shall notify the Administrative Agent of such request by telephone, not later than 5:00 p.m., New York City time, one Business Day before a proposed Credit Extension. Each such telephonic Request for Credit Extension shall be confirmed promptly by hand delivery or fax to the Administrative Agent of a written Request for Credit Extension and shall specify the following information: (i) the date of such Credit Extension (which shall be a Business Day) and (ii) the amount of such Credit Extension.

(b) Following receipt of a Request for Credit Extension by the Administrative Agent and subject to the satisfaction or waiver of the conditions set forth in Sections 4.01 and 4.02, the Administrative Agent shall promptly advise the applicable Lenders thereof, and of each Lender's portion of the requested Credit Extension, and each Lender shall make each Loan to be made by it hereunder (net of OID pursuant to Section 2.09(a)) by wire transfer of immediately available funds to such account in New York City as the Administrative Agent may designate not later than 1:00 p.m., New York City time, on the Business Day specified in the applicable Request for Credit Extension.

(c) Unless the Required Lenders determine that any applicable condition specified in Article 4 has not been satisfied or waived, the amount so received by the Administrative Agent shall be deposited by the Administrative Agent in the DIP Funding Account.

(d) Subject to Article 4 and the other terms and conditions set forth herein, the Borrower may request disbursements from the DIP Funding Account by delivering to the Administrative Agent a Notice of Withdrawal, not later than 12:00 p.m., New York City time, one Business Day before (or such shorter time as agreed by the Administrative Agent) the proposed date of the applicable Withdrawal and no more frequently than one Withdrawal per week; *provided* that the amount that may be Withdrawn during any calendar week shall not exceed the Withdrawal Weekly Cap for such week without the consent of the Required Lenders. Promptly upon the receipt of a Notice of Withdrawal and the satisfaction or waiver of the conditions set forth in Sections 4.02, the Administrative Agent shall disburse funds from the DIP Funding Account in an aggregate principal amount equal to the amount specified in such Notice of Withdrawal to the Operating Account. All proceeds of the Loans shall be held in the DIP Funding Account at all times until such proceeds

are disbursed in accordance with this Section 2.02(d) for purposes permitted under Section 5.17 or applied in accordance with Section 2.12 or Section 11.05(d).

With respect to any disbursement, withdrawal, transfer, or application of funds from the DIP Funding Account hereunder, the Administrative Agent shall be entitled to conclusively rely upon, and shall be fully protected in relying upon, (i) any Notice of Withdrawal submitted by the Borrower and (ii) any instructions from the Required Lenders. Notwithstanding anything herein to the contrary, the Administrative Agent shall have no obligation to fund any amount in excess of the amounts then held in the DIP Funding Account.

(e) The failure of any Lender to make the Loan to be made by it as part of any Credit Extension shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Credit Extension, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Credit Extension.

Section 2.03. *[Reserved].*

Section 2.04. *[Reserved].*

Section 2.05. *Prepayments.*

(a) *Optional.* (i) The Borrower may, upon notice to the Administrative Agent in substantially the form attached hereto as Exhibit A-2, at any time or from time to time voluntarily prepay Loans owing by it in whole but not in part subject to payment of the Redemption Premium and without any premium or penalty; *provided* that such notice must be received by the Administrative Agent not later than 12:00 noon three (3) Business Days prior to any date of prepayment. Each such notice shall specify the date and amount of such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share of such prepayment. Any prepayment of a Loan shall be accompanied by all accrued interest thereon together with the Redemption Premium. Each prepayment of the Loans pursuant to this Section 2.05(a)(i) shall be paid to the Lenders in accordance with their respective Pro Rata Shares.

(ii) [*Reserved*].

(iii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(a)(i) if such prepayment would have resulted from a refinancing of all of the Facilities, which refinancing shall not be consummated or shall otherwise be delayed.

(b) *Mandatory.*

(i)

(A) If (x) Holdings, the Borrower or any of the Subsidiaries Disposes of any property or assets (other than any Disposition of any property or assets permitted by Section 7.05(a), (b), (c), (d) (to the extent constituting a Disposition by a Subsidiary that is a Non-Loan Party or a Disposition to

the Borrower or a Subsidiary that is a Guarantor), (e), (g), (h), (l), (o), or (p)) having a Fair Value in excess of $[1,000,000], or (y) any Casualty Event in excess of $[1,000,000] occurs, which results in the realization or receipt by Holdings, the Borrower shall prepay on or prior to the date which is ten (10) Business Days after the date of the realization or receipt of such Net Cash Proceeds an aggregate principal amount of Loans (on a pro rata basis) equal to 100% of all Net Cash Proceeds realized or received.

(B) *[Reserved]*.

(ii) If Holdings, the Borrower or any Subsidiary incurs or issues any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03, the Borrower shall prepay an aggregate principal amount of Loans (on a pro rata basis) equal to 100% of all proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt of such proceeds.

(c) *Conversion Prepayment.* Upon the occurrence of the Exit Conversion, the Borrower shall make a Conversion Prepayment. The Conversion Prepayment shall be subject to the payment of the Redemption Premium.

(d) *Interest, Funding Losses, Etc.* All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon and the Redemption Premium.

Section 2.06. *[Reserved]*.

Section 2.07. *[Reserved]*.

Section 2.08. *Interest.* (a) Subject to the provisions of Section 2.08(b), each Loan shall bear interest on the outstanding principal amount thereof at a rate per annum equal to the Eurodollar Rate for such Interest Period *plus* the Applicable Rate.

(b) In the case of any Event of Default, the Borrower shall pay interest on all amounts owing by it hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable by the Borrower of such Loan in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.09. *Discount and Fees.*

(a) *Original Issue Discount*. The Borrower and each Lender agrees that on the date of each Credit Extension the Borrower shall receive proceeds from the Loans based on a purchase price of 98% of the principal amount thereof.

(b) *Backstop.* The Borrower shall pay to the Backstop Lenders the amounts and at the times agreed in the Backstop Commitment Letter.

(c) *Other Fees*. The Borrower shall pay to the Agent such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

Section 2.10. *Computation of Interest and Fees.* All computations of interest for Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360 day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11. *Evidence of Indebtedness.* (a) The Credit Extensions made by each Lender to the Borrower shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans to the Borrower in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its account or accounts pursuant to Sections 2.11(a) and (b), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall

not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12. *Payments Generally.* (a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(c) Unless the Borrower has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder for the account of any Lender, that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to such Lender. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then such Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article 2, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article 4 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 4.02 of the Security Agreement (assuming for such purposes that the amounts owed to the Administrative Agent and the Lenders are the only Obligations thereunder).

Section 2.13. *Sharing of Payments.* If, other than as expressly provided elsewhere herein, any Lender shall obtain, on account of the Loans made by it to the Borrower, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them, in respect of the Borrower as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14. *[Reserved].*

Section 2.15. *[Reserved].*

Section 2.16. *Defaulting Lenders.*

(a) *Adjustments*. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) *Waivers and Amendments*. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) *Reallocation of Payments*. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 8 or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.09), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender, until such time as all Loans are held by the Lenders pro rata in accordance with the Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.16(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) *Certain Fees*. That Defaulting Lender shall not be entitled to receive any commitment fee pursuant to Section 2.09(a) or (b) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(b) *[Reserved]*.

(c) *Defaulting Lender Cure*. If the Borrower and Administrative Agent agree in writing that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase

that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Shares, whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided, further,* that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 2.17. *Conversion of Loans.*

(a) Upon the consummation of an Approved Plan of Reorganization, subject to the satisfaction, or waiver, of the conditions set forth in the Exit Term Loan Facility Term Sheet and otherwise substantially in accordance with the terms and conditions set forth in the Exit Term Loan Facility Credit Agreement (as defined below), the Borrower may exercise an option to continue or convert the Loans into an exit term facility financing (the "**Exit Conversion**").

(b) If the Borrower elects to exercise the Exit Conversion, subject to the satisfaction or waiver by the Required Lenders of the conditions contained in the Exit Term Loan Facility Term Sheet and the Exit Term Loan Facility Credit Agreement (as defined below):

(i) each Lender, severally and not jointly, hereby agrees to continue its Loans hereunder outstanding on the effective date of the Approved Plan of Reorganization as loans under, and subject entirely and exclusively to the terms and provisions of, the definitive documentation to be mutually agreed (including a credit agreement governing the continuation and conversion of the Loans, the "**Exit Term Loan Facility Credit Agreement**") and related documentation to the extent that such documentation is substantially consistent with the Exit Term Loan Facility Term Sheet and contains substantially the terms set forth in the Exit Term Loan Facility Term Sheet and is otherwise in form and substance reasonably satisfactory to the Required Lenders; and

(ii) subject to Section 2.17(a), the Administrative Agent, the Lenders and the Loan Parties agree that, upon the effectiveness of the Exit Term Loan Facility Credit Agreement:

(A) the Borrower, in its capacity as reorganized Borrower, and each Guarantor, in its capacity as a reorganized Guarantor, shall assume all the Obligations hereunder with respect to the Loans and all other obligations in respect thereof in the manner set forth in the Exit Term Loan Facility Credit Agreement and related loan documents;

(B) the Loans hereunder shall be continued or converted, as the case may be, as loans under the Exit Term Loan Facility Credit Agreement with the applicable Redemption Premium;

(C) each Lender hereunder shall be a lender under the Exit Term Loan Facility Credit Agreement in respect of its Loans continued or converted as the case may be;

(D) each Lender hereunder agrees to provide its proportionate share of New Money Exit Term Loans B (as defined and set forth in the Exit Term Loan Facility Term Sheet);

(E) the Administrative Agent hereunder shall be the administrative agent and collateral agent under the Exit Term Loan Facility Credit Agreement (provided that the Exit Term Loan Facility Credit Agreement and related documentation is in form and substance reasonably satisfactory to the Administrative Agent); and

(F) with respect to the Loans, this Agreement and all Obligations hereunder with respect thereto shall terminate and be superseded and replaced by the Exit Term Loan Facility Credit Agreement.

(c) Upon the occurrence of the Exit Conversion, the Agent shall transfer any amounts remaining in the DIP Funding Account to the Borrower.

ARTICLE 3
TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

Section 3.01. *Taxes.* (a) Except as required by law, any and all payments by the Borrower or any Guarantor to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges, and all liabilities (including additions to tax, penalties and interest) with respect thereto, excluding, in the case of each Agent and each Lender, (i) taxes imposed on or measured by its net income (including branch profits) imposed by reason of any present or former connection between it and any jurisdiction other than by executing or entering into any Loan Document, receiving payments thereunder or having been a party to, performed its obligations under, or enforced, any Loan Documents, (ii) franchise (and similar) taxes imposed on it in lieu of net income taxes imposed by reason of any present or former connection between it and any jurisdiction other than by executing or entering into any Loan Document, receiving payments thereunder or having been a party to, performed its obligations under, or enforced, any Loan Documents, (iii) any U.S. federal withholding taxes imposed in respect of an Assignee (pursuant to an assignment under Section 10.07) on the date it becomes an Assignee to the extent such tax is in excess of the tax that would have been applicable had such assigning Lender not assigned its interest arising under any Loan Document (unless such assignment is at the express written request of the Borrower) and (iv) any U.S. federal withholding taxes imposed as a result of the failure of any Agent or Lender to comply with either the provisions of Sections 3.01(b) or (c) (in the case of any Foreign Lender, as defined below) or the provisions of Section 3.01(d) (in the case of any U.S. Lender, as defined below) and (v) any U.S. federal withholding taxes that have been imposed under FATCA (all such non-excluded taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges and all liabilities with respect thereto being hereinafter referred to as "**Taxes**"). If the Borrower or a Guarantor is required to deduct any Taxes or Other Taxes (as defined in Section 3.01(f) below) from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) the sum payable shall be increased as necessary so that after making all required deductions (including

deductions applicable to additional sums payable under this Section 3.01(a)), each of such Agent and such Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower or Guarantor shall make such deductions, (iii) the Borrower or Guarantor shall pay the full amount deducted to the relevant taxing authority in accordance with applicable law, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as practicable thereafter), the Borrower or Guarantor shall furnish to such Agent or Lender (as the case may be) the original or a facsimile copy of a receipt evidencing payment thereof to the extent such a receipt has been made available to the Borrower or Guarantor or shall furnish to such Agent or Lender (as the case may be) other evidence that is reasonably satisfactory to such Agent or Lender to prove payment thereof. If the Borrower or Guarantor fails to pay any Taxes or Other Taxes when due to the appropriate taxing authority or fails to remit to any Agent or any Lender the required receipts or other required documentary evidence that has been made available to the Borrower or Guarantor, the Borrower or Guarantor shall indemnify such Agent and such Lender for any incremental Taxes or Other Taxes (including Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) that are paid or may become payable by such Agent or such Lender arising out of such failure.

(b) To the extent it is legally able to do so, each Agent or Lender (including an Assignee to which a Lender assigns its interest in accordance with Section 10.07) that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code (each a "**Foreign Lender**") agrees to complete and deliver to the Borrower and the Administrative Agent prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), an accurate and complete signed copy of whichever of the following is applicable: (i) Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E certifying that it is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of U.S. federal withholding tax on payments of interest to zero; (ii) Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to any Loan Document is effectively connected with the conduct of a trade or business in the United States; or (iii) if the Foreign Lender is not (A) a bank described in Section 881(c)(3)(A) of the Code, (B) a 10-percent shareholder described in Section 871(h)(3)(B) of the Code, or (C) a controlled foreign corporation related to the Borrower within the meaning of Section 864(d) of the Code, a certificate to that effect in substantially the form attached hereto as Exhibit I and an Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, certifying that the Foreign Lender is not a United States person.

(c) Thereafter and from time to time, each such Foreign Lender shall, to the extent it is legally entitled to do so, (i) promptly submit to the Borrower and the Administrative Agent such additional duly completed and signed copies of one or more of such forms or certificates (or such successor forms or certificates as shall be adopted from time to time by the relevant United States taxing authorities) as may then be available to secure an exemption from or reduction in the rate of U.S. federal withholding tax, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made (A) on or before the date that any such form, certificate or other evidence expires or becomes obsolete, (B) after the occurrence of a change in the Foreign Lender's circumstances requiring a change in the most recent form, certificate or evidence previously delivered by it to the Borrower and the Administrative Agent, and (C) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent and (ii) promptly notify the

Borrower and the Administrative Agent of any change in the Foreign Lender's circumstances which would modify or render invalid any claimed exemption or reduction. Without limiting or duplicating the foregoing, if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding taxes imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA, to the extent it is legally entitled to do so, such Lender shall promptly deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation as shall be prescribed by applicable law, if any, or as otherwise reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to (x) comply with their obligations under FATCA, (y) determine that such Lender has complied with such Lender's obligations under FATCA or (z) determine the amount to deduct and withhold from such payment.

Each Foreign Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(d) Each Agent or Lender (including an Assignee to which a Lender assigns its interest in accordance with Section 10.07) that is a "United States person" (within the meaning of Section 7701(a)(30) of the Code) (each a "**U.S. Lender**") agrees to complete and deliver to the Borrower and the Administrative Agent an accurate and complete signed Internal Revenue Service Form W-9 or successor form certifying that such Agent or Lender is not subject to United States backup withholding tax (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before the date that such form expires or becomes obsolete, (iii) after the occurrence of a change in the Agent's or Lender's circumstances requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

Each U.S. Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(e) Notwithstanding anything else herein to the contrary, if a Foreign Lender is subject to U.S. federal withholding tax at a rate in excess of zero percent pursuant to a Law in effect at the time such Lender or such Agent first becomes a party to this Agreement, such U.S. federal withholding tax (including additions to tax, penalties and interest imposed with respect to such U.S. federal withholding tax) shall be considered excluded from Taxes except to the extent such Foreign Lender is an Assignee and such Foreign Lender's assignor was entitled to additional amounts or indemnity payments prior to the assignment. Further, the Borrower shall not be required pursuant to this Section 3.01 to pay any additional amount to, or to indemnify, any Lender or Agent, as the case may be, to the extent that such Lender or such Agent becomes subject to Taxes subsequent to the Closing Date (or, if later, the date such Lender or Agent becomes a party to this Agreement) solely as a result of a change in the place of organization or place of doing business of such Lender or Agent or a change in the Lending Office of such Lender (other than at the written request of the Borrower to change such Lending Office).

(f) The Borrower agrees to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible, filings or mortgage recording taxes or charges or similar levies which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or (to the extent required by law) registration of, receipt or perfection of a security interest under, or otherwise with respect to, any Loan Document (including additions to tax, penalties and interest related thereto) excluding, in each case, such amounts that result from an Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document, except to the extent that any such change is requested or required in writing by the Borrower (all such non-excluded taxes described in this Section 3.01(f) being hereinafter referred to as "**Other Taxes**").

(g) If any Taxes or Other Taxes are directly asserted against any Agent or Lender, such Agent or Lender may pay such Taxes or Other Taxes and the Borrower will promptly pay such additional amounts so that each of such Agent and such Lender receives an amount equal to the sum it would have received had no such Taxes or Other Taxes been asserted, as well as an amount for any reasonable documented out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted. Payments under this Section 3.01(g) shall be made within thirty five (35) days after the date Borrower receives written demand for payment from such Agent or Lender.

(h) A Participant shall not be entitled to receive any greater payment under Section 3.01 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant.

(i) If any Lender or Agent determines, in its sole discretion exercised in good faith, that it is entitled to receive a refund in respect of any Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by the Borrower pursuant to this Section 3.01, it shall use its reasonable best efforts to receive such refund and upon receipt of any such refund shall promptly remit such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 3.01 with respect to the Taxes or Other Taxes giving rise to such refund *plus* any interest included in such refund by the relevant taxing authority attributable thereto) to the Borrower, net of all reasonable out of pocket expenses (including any taxes imposed on such refund or interest) of the Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant taxing authority with respect to such refund); *provided* that the Borrower, upon the request of the Lender or Agent, as the case may be, agrees promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. Such Lender or Agent, as the case may be, shall provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (*provided* that such Lender or Agent may delete any information therein that such Lender or Agent deems confidential in its reasonable discretion). Nothing herein contained shall interfere with the right of a Lender or Agent to arrange its tax affairs in whatever manner it thinks fit nor oblige any Lender or Agent to claim any tax refund or make available its tax returns or any other information it reasonably deems confidential or require any Lender to do anything that would prejudice its ability to benefit from any other refunds, credits, reliefs, remission or repayments to which it may be entitled.

(j) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (g) with respect to such Lender it will, if requested by the Borrower, use commercially reasonable efforts (subject to legal and regulatory restrictions) to mitigate the effect of any such event, including by designating another Lending Office for any Loan affected by such event and by completing and delivering or filing any tax related forms which would reduce or eliminate any amount of Taxes or Other Taxes required to be deducted or withheld or paid by the Borrower; *provided* that such efforts are made at the Borrower's expense and on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and *provided further* that nothing in this Section 3.01(j) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.01(a) or (f).

Section 3.02. *Illegality.* If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund any Eurodollar Rate Loans, or to determine or charge interest rates based upon the applicable Eurodollar Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue any affected Eurodollar Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower may revoke any pending request for a Credit Extension of, conversion to or continuation of Eurodollar Rate Loans and shall upon demand from such Lender (with a copy to the Administrative Agent), prepay all then outstanding affected Eurodollar Rate Loans of such Lender to the Borrower, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid and all amounts due, if any. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.03. *[Reserved.]*

Section 3.04. *Increased Cost and Reduced Return; Capital Adequacy.* (a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the Closing Date, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining Loans, or a reduction in the amount of any sum received or receivable by such Lender hereunder (excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from (i) Taxes or Other Taxes covered by Section 3.01, or which would have been so covered but for an exclusion included therein and (ii) the imposition of, or any change in the rate of, any taxes payable by such Lender with respect to the Lender's gross or net income, profits or revenue (including value-added or similar taxes) then from time to time within five (5) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction. At any time when any Eurodollar Rate Loan is affected by the circumstances described in this Section 3.04(a), the Borrower may cancel such Borrowing by giving the Administrative Agent telephonic

notice (confirmed promptly in writing) thereof on the same date that the Borrower receives any such demand from such Lender.

(b) If any Lender determines that the introduction of any Law regarding capital adequacy or liquidity or any change therein or in the interpretation thereof, in each case after the Closing Date, or compliance by such Lender (or its Lending Office) therewith, has the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy or liquidity), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall promptly pay to such Lender such additional amounts as will compensate such Lender for such reduction relating to the Loans to the Borrower after receipt of such demand.

(c) [*Reserved*].

(d) If any Lender requests compensation under this Section 3.04, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Lending Office for any Loan affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage; and *provided further* that nothing in this Section 3.04(d) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to this Section 3.04.

(e) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a change after the Closing Date in a requirement or interpretation of law or governmental rule, regulation or order, regardless of the date enacted, adopted, issued or implemented for all purposes under or in connection with this Agreement (including this Section 3.04).

Section 3.05. *[Reserved].*

Section 3.06. *Matters Applicable to All Requests for Compensation.* (a) Any Agent or Lender claiming compensation under this Article 3 shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to it hereunder which shall be conclusive in the absence of manifest error. In determining such amount, such Agent or Lender may use any reasonable averaging and attribution methods.

(b) With respect to any Lender's claim for compensation under Section 3.01or 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; *provided* that, if the circumstance giving rise to such claim is retroactive, then such 180-day period shall be extended to include the period of retroactive effect

thereof; and *provided*, further, for the avoidance of doubt, that, in the case of (i) an indemnification due to a failure of the Borrower or Guarantor pursuant to the last sentence of Section 3.01(a), or (ii) a reimbursement pursuant to Section 3.01(g) or (iii) a repayment of a refund pursuant to 3.01(i), such 180-day period shall commence on the earlier of the date on which the Lender (A) is notified by the relevant taxing authority or (B) makes a payment or files a tax return with respect to the amount claimed.

(c) [*Reserved*].

(d) Notwithstanding anything herein to the contrary, the Dodd-Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, guidelines and directives promulgated thereunder, shall be deemed to have been adopted after the Closing Date, regardless of the date enacted or adopted.

(e) Notwithstanding anything in this Agreement to the contrary, with respect to any Lender's claim for compensation under Section 3.01 or 3.04, the Borrower shall only be required to compensate such Lender for any amount to the extent the applicable Lender is generally requiring reimbursement therefor from similarly situated borrowers under comparable syndicated credit facilities.

Section 3.07. *Replacement of Lenders under Certain Circumstances.* (a) If at any time (i) any Lender requests reimbursement for amounts owing pursuant to Section 3.01 or Section 3.04 as a result of any condition described in such Sections or (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender, then the Borrower may, on ten (10) Business Days' prior written notice to the Administrative Agent and such Lender, replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to and in accordance with Section 10.07(b) (with the assignment fee to be paid by the Borrower, in the case of clauses (i) and (iii) only) all of its rights and obligations under this Agreement (or, with respect to clause (iii) above, all of its rights and obligations with respect to the Loans or Commitments that is the subject of the related consent, waiver or amendment) to one or more Eligible Assignees; *provided* that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person; and *provided further* that in the case of any such assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable Eligible Assignees shall have agreed to the applicable departure, waiver or amendment of the Loan Documents and *provided further* that such assignment does not conflict with applicable Laws. No such replacement shall be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) Any Lender being replaced pursuant to Section 3.07(a) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans, and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof). Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans, (B) the assignee Lender shall purchase, at par, all Loans, accrued interest, accrued fees and other amounts owing to the assigning Lender as of the date of replacement and (C) upon such payment (regardless of whether such replaced Lender has executed an Assignment and Assumption or delivered its Notes to the Borrower or the

Administrative Agent), the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

(c) [*Reserved*].

(d) In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain Class of the Loans and (iii) the Required Lenders have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender**".

Section 3.08. *Survival.* All of the Borrower's obligations under this Article 3 shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

ARTICLE 9
ADMINISTRATIVE AGENT AND OTHER AGENTS

Section 9.01. *Appointment and Authorization of the Administrative Agent.* (a) Each Lender hereby irrevocably appoints, designates and authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, the Administrative Agent is hereby expressly authorized to (i) execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents. The provisions of this Article 9 (other than Sections 9.09 and 9.11) are solely for the benefit of the Administrative Agent and the Lenders, and the Borrower shall not have rights as third party beneficiary of any such provision. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, the Administrative Agent shall have no duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. Without limiting the

generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Administrative Agent shall also act as the "collateral agent" under the Loan Documents, and each of the Lenders hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or on trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as "collateral agent" (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article 9 (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

Section 9.02. *Delegation of Duties.* The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact, such sub-agents as shall be deemed necessary by the Administrative Agent and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct (as determined in the final judgment of a court of competent jurisdiction).

Section 9.03. *Liability of Agents.* No Agent-Related Person shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein), or (b) be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to

any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

Section 9.04. *Reliance by the Administrative Agent.* (a) The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders; *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law.

(b) For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 9.05. *Notice of Default.* The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders in accordance with Article 8; *provided* that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06. *Credit Decision; Disclosure of Information by Agents.* Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any

Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07. *Indemnification of Agents.* Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower; *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto.

The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.08. *Agents in Their Individual Capacities.* Each Agent and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though such Agent were not an Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them. With respect to its Loans, each Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not an Agent, and the terms "Lender" and "Lenders" include each Agent in its individual capacity.

Section 9.09. *Successor Administrative Agent.* The Administrative Agent may resign as the Administrative Agent upon thirty (30) days' notice to the Lenders and the Borrower. If the Administrative Agent resigns under this Agreement, the Required Lenders shall appoint a successor agent for the Lenders, which successor agent shall be consented to by the Borrower at all times other than during the existence of an Event of Default under Section 8.01(f) (which consent of the Borrower shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, the Administrative Agent may appoint, after consulting with the Lenders and the Borrower, a successor agent. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent, and the term "Administrative Agent" shall mean such successor administrative agent and/or supplemental administrative agent, as the case may be, and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Article 9 and Sections 10.04 and 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent by the date which is thirty (30) days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents (if not already discharged therefrom as provided above in this Section 9.09). After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions

of this Article 9 and Sections 10.04 and 10.05 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent.

Section 9.10. *Administrative Agent May File Proofs of Claim.* In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11. *Collateral and Guaranty Matters*. The Lenders irrevocably agree:

(a) that any Lien on any property granted to or held by the Administrative Agent under any Loan Document shall be automatically released (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (x) Cash Management Obligations not yet due and payable and (y) contingent indemnification obligations not yet accrued and payable), and any other obligation (including a guarantee that is contingent in nature), (ii) at the time the property subject to such Lien is transferred or to be transferred as part of or in connection with any transfer permitted hereunder or under any other Loan Document to any Person other than the Borrower or any of its Subsidiaries or any other Guarantor, (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, or (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below; and

(b) to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i)

(c) Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the Administrative Agent will promptly (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11.

(d) The Loan Parties hereby irrevocably authorize the Administrative Agent, based upon the instruction of the Required Lenders, to credit bid up to the full amount of the Obligations outstanding under the Facility.

Section 9.12. *Other Agents; Lead Arrangers and Managers*. Except as expressly provided herein, none of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "documentation agent," "bookrunner" or "lead arranger" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13. *Appointment of Supplemental Administrative Agents.* (a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Administrative Agent**" and collectively as "**Supplemental Administrative Agents**").

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or

conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article 9 and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

ARTICLE 10
MISCELLANEOUS

Section 10.01. *Amendments, Etc.* Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the Loan Party, as the case may be only to the extent required pursuant to the terms thereof), and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that, no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of each Lender directly affected thereby (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 without the written consent of each Lender directly affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (iii) of the second proviso to this Section 10.01) any fees or other amounts payable

(d) change any provision of this Section 10.01, the definition of "Required Lenders" (or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or modify any rights hereunder or make any determination or grant any consent hereunder or any similar defined term), "Pro Rata Share" or any provision of Section 2.05, 2.13 or 8.03 or Section 4.02 of the Security Agreement without the written consent of each Lender affected thereby;

(e) other than in a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(f) other than in a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender; or

(g) postpone any date scheduled for, or reduce the amount of the fee under Section 2.09;

and *provided, further*, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document and (ii) Section 10.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification.

Notwithstanding anything to the contrary contained in Section 10.01, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

Section 10.02. *Notices and Other Communications; Facsimile Copies; Etc.* (a) *General.* Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Loan Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other

address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower and the Administrative Agent.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail (which form of delivery is subject to the provisions of Section 10.02(d)), when delivered; *provided* that notices and other communications to the Administrative Agent pursuant to Article 2 shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) *Effectiveness of Facsimile Documents and Signatures*. Loan Documents may be transmitted and/or signed by facsimile or other electronic communication. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on all Loan Parties, the Agent and the Lenders.

(c) *Electronic Communications*. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including email and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article 2 if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) *Reliance by Agent and Lenders*. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Request for Credit Extension) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified

herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

(e) *The Platform.* THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons (collectively, the "**Agent Parties**") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

Section 10.03. *No Waiver; Cumulative Remedies.* No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Section 10.04. *Attorney Costs and Expenses.* The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent, the Ad Hoc Committee and the Lenders for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof or thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Paul Hastings LLP, Milbank LLP, one local counsel for the Ad Hoc Committee and one local counsel in each relevant material jurisdiction for the Administrative Agent and special counsel to the extent deemed reasonably necessary by the Administrative Agent, and (b) to pay or reimburse the Administrative Agent and the Lenders for all reasonable and

documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole and, if necessary, one local counsel in each applicable jurisdiction and, in the event of any actual conflict of interest, one additional counsel to the affected parties). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under clause (a) of this Section 10.04 shall be paid within 30 days after written demand therefor and all amounts due under clause (b) of this Section 10.04 shall be paid within 20 Business Days after written demand therefor (in each case together with backup documentation supporting such reimbursement request). If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion.

Section 10.05. *Indemnification by the Borrower.* The Borrower shall indemnify and hold harmless the Agent and the Lenders (and, in addition to the Lenders, where a Lender is an investment manager or advisor for the beneficial holder of the Loans, such beneficial holders) and their respective Affiliates and controlling Persons and the respective directors, officers, employees, agents, advisors and other representatives of each of the foregoing and their successors and permitted assigns (collectively the "**Indemnitees**") from and against any and all losses, claims, damages and liabilities (including Attorney Costs which shall be limited to Attorney Costs of one counsel to such Indemnitees taken as a whole, one local counsel in each relevant jurisdiction and special counsel to the extent deemed reasonably necessary by the Administrative Agent and, solely in the case of a conflict of interest, one additional counsel to the affected Indemnitees taken as a whole) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment or Loan or (c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower, any Subsidiary or any other Loan Party, or any Environmental Liability arising out of the activities or operations of the Borrower, any Subsidiary or any other Loan Party, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the "**Indemnified Liabilities**"); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its Related Indemnified Persons (as determined by a court of competent jurisdiction in a final and non-appealable decision), (y) a material breach of its obligations under the Loan Documents by such Indemnitee or of any of its Related Indemnified Persons (as defined below) as determined by a court of competent jurisdiction in a final and non-appealable decision or (z) any dispute solely among the Indemnitees, other than any claims against an Indemnitee in its capacity or in fulfilling its role as Administrative Agent or Lead Arranger or any similar role under the Loan Documents and not arising out of any act or

omission of the Borrower, Holdings, the Sponsor or any of its Affiliates. To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. This Section 10.05 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages or liability arising from any non-Tax claim. All amounts due under this Section 10.05 shall be paid within 20 Business Days after written demand therefor (together with backup documentation supporting such reimbursement request). The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

For purposes of this Section 10.05, a "**Related Indemnified Person**" of an Indemnitee means (1) any Subsidiary of such Indemnitee, (2) the respective directors, officers, or employees of such Indemnitee or any of its Subsidiaries and (3) the respective agents of such Indemnitee or any of its Subsidiaries, in the case of this clause (3), acting at the instructions of such Indemnitee or Subsidiary; *provided* that each reference to a Subsidiary in this sentence pertains to a Subsidiary involved in the negotiation of the Loan Documents or the syndication of credit facilities provided for herein.

Section 10.06. *Payments Set Aside.* To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07. *Successors and Assigns.* (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may, except as permitted by Section 7.04, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee, (ii) by way of participation in accordance with the provisions of Section 10.07(e), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Sections 10.07(g) and 10.07(i), (iv) to an SPC in accordance with the provisions of Section 10.07(h) or (v) to a successor pursuant to a merger, consolidation or similar transaction (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (ii) below, any Lender may assign to one or more assignees ("**Assignees**") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed), it being understood that the Borrower shall have the right to delay or withhold its consent if, in order for such assignment to comply with applicable Law, the Borrower would be required to obtain the consent of, or make a filing or registration with, a Governmental Authority) of:

(A) the Borrower; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within fifteen (15) Business Days after having received notice thereof; provided further that no consent of the Borrower shall be required (i) for an assignment under the Facility to a Lender, an Affiliate of a Lender or an Approved Fund of a Lender, or (ii) for any assignment if an Event of Default has occurred and is continuing;

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment under the Facility to a Lender, an Affiliate of a Lender or an Approved Fund of a Lender;

(ii) assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 (in the case of the Facility) unless each of the Borrower and the Administrative Agent otherwise consents; provided that (1) no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500; *provided* that the Administrative Agent may, in its sole discretion, elect to waive or reduce such processing and recordation fee in the case of any assignment;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire;

(D) the Assignee shall comply with Section 3.01(b), Section 3.01(c) or Section 3.01(d), as applicable;

(E) no assignment may be made to any of the Sponsors, the Borrower or their respective Affiliates or officers, except as expressly contemplated by Section 10.07(k);

(F) no assignment shall be made to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (F);

(G) no assignment shall be made to a natural person; and

(H) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and

obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender to the Borrower by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e).

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders (including for purposes of this Section 10.07(e) an SPC (as defined in Section 10.07(i) below), to the extent applicable), and the Commitments of, and principal amounts (and related interest amounts) of the Loans owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Borrower, any Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or a Defaulting Lender) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (other than clause (g) thereof) that directly affects such Participant. Subject to Section 10.07(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (and for the avoidance of doubt, shall have no direct rights against the Borrower) (subject to the requirements of Section 3.01(b), (c) or (d), as applicable, it being understood that the documentation required under such Sections shall be delivered to the participating Lender), 3.04 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(c). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters

the name and address of each Participant and the principal amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure (x) is required pursuant to Section 3.01(h) or 10.07(f) or (y) is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the proposed United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant.

(g) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Notes, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) each SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Register. Each party hereto hereby agrees that (x) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01 or 3.04), (y) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (z) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. Other than as expressly provided in this Section 10.07(h), (A) such Granting Lender's obligations under this Agreement shall remain unchanged, (B) such Granting Lender shall remain solely responsibly to the other parties hereto for the performance of such obligations and (C) the Borrower, the Agent and the other Lenders shall continue to deal solely

and directly with such Granting Lender in connection with such Granting Lender's rights and obligations under this Agreement. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(i) Notwithstanding anything to the contrary contained herein, (i) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Notes, if any, held by it and (ii) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Notes, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (A) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (B) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) [*Reserved*].

(k) Any Lender may, at any time, assign all or a portion of its Loans under this Agreement to any Person who is or will become, after such assignment, an Affiliated Lender through (A) any open market transactions or (B) "dutch auctions" open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the Borrower and the Administrative Agent (or other applicable agent managing such auction, in each case subject to the provisions of Sections 10.07(l) and 10.07(m)); *provided* that:

(i) Affiliated Lenders will not be entitled to receive, and will not receive, information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in, and will not attend or participate in, meetings or conference calls attended solely by the Lenders and the Administrative Agent, other than the right to receives notices of Credit Extensions, notices or prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article 2;

(ii) no Affiliated Lender that purchases any Loans pursuant to this Section 10.07(k) shall be required to represent to the seller (and no Affiliated Lender that assigns any Loans shall be required to make a representation to the buyer) that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them;

(iii) the aggregate principal amount of Loans held at any one time by Non-Debt Fund Affiliated Lenders may not exceed 25% of the principal amount of all Loans outstanding at such time (after giving effect to any substantially simultaneous cancellations thereof);

(iv) any Loans acquired by Holdings, the Borrower or any of its Subsidiaries shall be retired and cancelled immediately upon the acquisition thereof; provided that upon any such retirement and cancellation, the aggregate outstanding principal amount of the Loans shall be deemed reduced by the full par value of the aggregate principal amount of the Loans so retired and cancelled; and

(v) any Loans acquired by any Non-Debt Fund Affiliated Lender may (but shall not be required to) be contributed to the Borrower or any of its Subsidiaries for purposes of cancelling such Indebtedness (it being understood that any such Loans shall be retired and cancelled immediately upon such contribution); provided that upon any such cancellation, the aggregate outstanding principal amount of the Loans shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Loans so contributed and cancelled, shall be reduced in direct order of maturity by the full par value of the aggregate principal amount of Loans so contributed and cancelled.

(l) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to (A) any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom or (B) subject to Section 10.07(m), any plan of reorganization pursuant to the Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Non-Debt Fund Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and:

(1) by its acquisition of Loans, each relevant Non-Debt Fund Affiliated Lender shall be deemed to have acknowledged and agreed that the Loans held by such Non-Debt Fund Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Required Lender or other Lender vote (and the Loans held by such Non-Debt Fund Affiliated Lender shall be deemed to be voted pro rata along with the other Lenders that are not Non-Debt Fund Affiliated Lenders); *provided* that (x) such Non-Debt Fund Affiliated Lender shall have the right to vote (and the Loans held by such Non-Debt Fund Affiliated Lender shall not be so disregarded) with respect to any amendment, modification, waiver, consent or other action that requires the vote of all Lenders or, if applicable to such Non-Debt Fund Affiliated Lender, all Lenders directly and adversely affected thereby, as the case may be, and (y) no amendment, modification, waiver, consent or other action shall (1) disproportionately affect such Non-Debt Fund Affiliated Lender in its capacity as a Lender as compared to other Lenders of the same Class that are not Non-Debt Fund Affiliated Lenders or (2) deprive any Non-Debt Fund Affiliated Lender of its share of any payments which the Lenders are entitled to share on a pro rata basis hereunder, in each case without the consent of such Non-Debt Fund Affiliated Lender; and

(2) all Loans held by Debt Fund Affiliates shall be deemed to be not outstanding to the extent such Loans would account for more than 49.9% of the amount of Loans and Commitments included in determining whether the Required Lenders have taken or consented to any action (it being understood that such excess amount of Loans and Commitments shall be deemed not to be outstanding on a pro rata basis among all Debt Fund Affiliates in accordance with the respective amounts of such Loans and Commitments held by them).

(m) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, to the fullest extent permitted by applicable Law, (i) each Non-Debt Fund Affiliated Lender hereby agrees that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably (but subject to the immediately following proviso) authorizes and empowers the Administrative Agent to vote, on behalf of such Affiliated Lender, the Loans held by such Affiliated Lender in the same proportion as Lenders that are not Affiliated Lenders shall have voted on such matter (unless the Administrative Agent instructs such Affiliated Lender to vote such Loans in such manner, in which case such Affiliated Lender shall vote such Loan in such manner); *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower, and (ii) no Non-Debt Fund Affiliated Lender may make or bring (or participate in, other than as a passive participant in) any claim, in its capacity as a Lender, against any Agent hereunder.

(n) The Borrower shall maintain at its offices a copy of each Assignment and Assumption delivered to it by any Affiliated Lender and each other notification from an Affiliated Lender referred to below (the "**Affiliated Lender Register**"). Each Affiliated Lender shall advise the Borrower and the Administrative Agent in writing of (i) any proposed acquisition or disposition of Loans by such Affiliated Lender and (ii) whether such Lender is a Debt Fund Affiliate. The Borrower shall advise the Administrative Agent (in the same manner specified by Schedule 10.02 for non-borrowing notices) in writing of any proposed assignment to any Affiliated Lender at least three Business Days prior to the time such assignment is scheduled to occur unless the Administrative Agent shall have been notified thereof by the Affiliated Lender. Additionally, if any Lender becomes an Affiliated Lender at a time that such Lender holds any Loans, such Lender shall promptly advise the Borrower and the Administrative Agent that such Lender is an Affiliated Lender. Copies of the Affiliated Lender Register shall be provided to the Administrative Agent and the Affiliated Lenders upon request. Notwithstanding the foregoing if at any time (if applicable, after giving effect to any proposed assignment to an Affiliated Lender), all Non-Debt Fund Affiliated Lenders own or would own, in the aggregate, more than 25% of the principal amount of all then outstanding Loans (i) any proposed pending assignment to a Non-Debt Fund Affiliated Lender that would cause such threshold to be exceeded shall not become effective or be recorded in the Affiliated Lender Register, (ii) in the event that a Non-Debt Fund Affiliated Lender has acquired any Loans pursuant to an assignment which was not recorded in the Affiliated Lender Register, the assignment of such Loans shall be null and void *ab initio* and (iii) if such threshold is exceeded solely as a result of a Lender becoming an Affiliated Lender after it has acquired Loans, such Affiliated Lender shall assign sufficient Loans so that Non-Debt Fund Affiliated Lenders in the aggregate own less than 25% of the aggregate principal amount of Loans then outstanding. The Administrative Agent may conclusively rely upon the Affiliated Lender Register in connection with any amendment or waiver hereunder and shall not have any responsibility for monitoring any acquisition or disposition of Loans by any Affiliated Lender or for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

(o) Any Affiliated Lender may (but is not required to) contribute any Loans acquired by it to Holdings or any of its Subsidiaries, and any such Loans so contributed shall be automatically and permanently cancelled.

Section 10.08. *Confidentiality.* Each of the Agent and the Lenders agrees to maintain the confidentiality of the Information and to not use or disclose such information, except that Information may be disclosed (a) to its Affiliates and to its and their respective partners, directors, officers, employees, trustees, investment advisors and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made shall be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions substantially the same as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrower), to any pledgee referred to in Section 10.07(g), counterparty to a Swap Contract, Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (h) to any Governmental Authority, examiner or self-regulatory authority (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender; (i) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender); or (j) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder. In addition, the Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agent and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions. For the purposes of this Section 10.08, "**Information**" means all information received from any Loan Party or its Affiliates or its Affiliates' directors, officers, partners, employees, trustees, investment advisors or agents, relating to Holdings, the Borrower or any of their Subsidiaries or its business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08; *provided* that, in the case of information received from a Loan Party after the Closing Date, such information is clearly identified at the time of delivery as confidential or is delivered pursuant to Sections 6.01, 6.02 or 6.03 hereof.

Section 10.09. *Setoff.* In addition to any rights and remedies of the Lenders provided by Law, but subject to the terms of the Bankruptcy Court DIP Order and the Carve Out, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Loan Party, any such notice being waived by each of Holdings and the Borrower (on its own behalf and on behalf of each Loan Party and its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries

against any and all Obligations owing to such Lender and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.16 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Notwithstanding anything to the contrary contained herein, no Lender or its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Lender or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party which is not a "United States person" within the meaning of Section 7701(a)(30) of the Code unless such Subsidiary (i) is not a direct or indirect subsidiary of Holdings or (ii) is a Loan Party. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent, each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, such Lender may have at Law but subject to the terms of the Bankruptcy Court DIP Order and the Carve Out.

Section 10.10. *Interest Rate Limitation.* Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11. *Counterparts.* This Agreement and each other Loan Document may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which together shall constitute a single contract. Delivery by facsimile or electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agent may also require that any such documents and signatures delivered by facsimile or electronic transmission be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by facsimile or electronic transmission.

Section 10.12. *Integration.* This Agreement, together with the other Loan Documents and the Fee Letter, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control.

Section 10.13. *Survival of Representations and Warranties.* All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation (other than obligations under Cash Management Obligations and other contingent Obligations that are not accrued and payable) hereunder shall remain unpaid or unsatisfied.

Section 10.14. *Severability.* If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15. *GOVERNING LAW.* (a) EXCEPT TO THE EXTENT SUPERSEDED BY THE BANKRUPTCY CODE, THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL BE BROUGHT IN THE BANKRUPTCY COURT, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE BANKRUPTCY COURT. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF THE BANKRUPTCY COURT AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AGENT AT ITS ADDRESS FOR NOTICES AS SET FORTH HEREIN. THE LOAN PARTIES AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE

RIGHT OF THE ADMINISTRATIVE AGENT AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY LOAN PARTY IN ANY OTHER JURISDICTION. EACH LOAN PARTY HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN SUCH COURT AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.*WAIVER OF VENUE.* EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(c) *SERVICE OF PROCESS.* EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.16. *WAIVER OF RIGHT TO TRIAL BY JURY.* EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.17. *Binding Effect.* This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent

shall have been notified by each Lender, that each such Lender, has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and permitted assigns.

Section 10.18. *Electronic Execution Of Assignments And Certain Other Documents.* The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.19. *Judgment Currency.* If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

Section 10.20. *Lender Action.* Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the Loan Documents, or agreements governing Cash Management Obligations (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent (which shall not be withheld in contravention of Section 9.04(a)). The provision of this Section 10.20 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

Section 10.21. *USA PATRIOT Act.* Each Lender that is subject to the USA PATRIOT Act (the "**Act**") and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the Act, it is required to obtain, verify and record

information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower in accordance with the Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Act.

Section 10.22. *No Advisory or Fiduciary Responsibility.* In connection with all aspects of each transaction contemplated hereby, each of Holdings and the Borrower acknowledge and agree, and acknowledge their Affiliates' understanding, that (a) the Facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrower and its Affiliates, on the one hand, and the Agent and the Lenders, on the other hand, and the Borrower is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (b) in connection with the process leading to such transaction, each of the Agent and the Lenders is and has been acting solely as a principal and is not an advisor, agent or fiduciary for the Borrower or any of its Affiliates, stockholders, creditors or employees or any other Person; (c) none of the Agent or the Lenders has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent or Lender has advised or is currently advising the Borrower or any of its Affiliates on other matters) and none of the Agent or the Lenders has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (d) the Agent and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and none of the Agent or the Lenders has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (e) the Agent and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and Holdings and the Borrower have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate. Each of Holdings and the Borrower hereby waives and releases, to the fullest extent permitted by applicable Law, any claims that it may have against the Agent and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty.

Section 10.23. *Conflicts*. If any provision in this Agreement or any other Loan Document expressly conflicts with any provision in the Interim DIP Order or Final DIP Order, the provisions in the Bankruptcy Court DIP Order shall govern and control.

Section 11.02. *Collateral; Grant of Lien and Security Interest.*

(a) Pursuant to, and otherwise subject to the terms of, the Bankruptcy Court DIP Order and in accordance with the terms thereof and subject to the Carve Out and the Professional Fees Account, as security for the full and timely payment and performance of all of the Obligations, the Loan Parties hereby, pledge and grant to the Secured Parties, a security interest in and to and, subject to Section 11.05, a Lien on all of the Collateral.

respects to the Carve Out and the funds in the Professional Fees Account, and (ii) no Person entitled to amounts in respect of the Carve Out shall be entitled to sell or otherwise dispose, or seek or object to the sale or other disposition, of any Collateral.

Section 11.03. *Priority and Liens Applicable to Loan Parties.*

(d) All of the liens described herein with respect to the assets of the Loan Parties shall be effective and perfected as of the Interim DIP Order Entry Date and without the necessity of the execution or filing of mortgages, security agreements, pledge agreements, financing statements or other agreements.

Section 11.04. *Grants, Rights and Remedies*. The Liens and security interests granted pursuant to Section 11.04(a) hereof and the administrative priority and lien priority granted pursuant to Section 11.05 hereof may be independently granted by the Loan Documents and by other Loan Documents hereafter entered into. This Agreement, the Bankruptcy Court DIP Order and such other Loan Documents supplement each other, and the grants, priorities, rights and remedies of the Administrative Agent and the Lenders hereunder and thereunder are cumulative; provided that to the extent of conflict the Bankruptcy Court DIP Order controls.

Section 11.05. *No Filings Required*. Section 11.06. *Survival*. Without limitation, notwithstanding any such order, financing, extension, incurrence, dismissal, conversion, act or omission:

(a) except with respect to the Carve Out and the Professional Fees Account, no costs or expenses of administration which have been or may be incurred in the Chapter 11 Cases or any conversion of the same or in any other proceedings related thereto, and no priority claims, are or will be prior to or on parity with any claim of the Administrative Agent and the Lenders against the Borrower in respect of any Obligation;

(b) the Liens in favor of the Administrative Agent and the Lenders set forth in Section 11.04(a) hereof shall constitute valid and perfected Liens and security interests, and shall be prior to all other Liens and security interests, now existing or hereafter arising, in favor of any other creditor or any other Person whatsoever (subject to Section 11.05); and

disgorgement against any of the Prepetition Secured Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, or employees, arising out of, based upon, or related to the Prepetition Secured Facilities; (f) the Debtors have waived, discharged, and released any right to challenge any of the Prepetition Secured Obligations, the priority of the Debtors' obligations thereunder, or the validity, extent, or priority of the Prepetition Liens; and (g) the Prepetition Secured Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code.

(viii) *Releases*. The Debtors hereby stipulate and agree that they forever and irrevocably release, discharge, and acquit the DIP Agent, the Prepetition Secured Parties, all current and future DIP Lenders, and each of their respective successors, assigns, affiliates, subsidiaries, parents, officers, shareholders, directors, employees, attorneys, and agents, past, present, and future, and their respective heirs, predecessors, successors, and assigns, each solely in their capacities as such (collectively, the "Releasees"), of and from any and all claims, controversies, disputes, liabilities, obligations, demands, damages, expenses (including, without limitation, reasonable attorneys' fees), debts, liens, actions, and causes of action of any and every nature whatsoever relating to, as applicable, the DIP Facility, the DIP Documents, the Prepetition Secured Facilities, the Prepetition Documents, and/or the transactions contemplated hereunder or thereunder arising before the Court's entry of this Final Order, including, without limitation, (x) any so-called "lender liability" or equitable subordination or recharacterization claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection, or avoidability of the liens or claims of the Prepetition Secured Parties, the DIP Agent, or the DIP Lenders. The Debtors further waive and release any defense, right of counterclaim, right of set-

off, or deduction to the payment of the Prepetition Secured Obligations or the DIP Obligations that the Debtors may now have or may claim to have against the Releasees arising out of, connected with, or relating to any and all acts, omissions, or events occurring prior to the Court's entry of this Final Order.

G. **Cash Collateral**. All of the Debtors' cash, including any cash in their deposit accounts, wherever located, whether as original collateral or proceeds of other Prepetition Collateral, constitutes Cash Collateral of the Prepetition Secured Parties.

H. **Intercreditor Agreement**. Pursuant to section 510 of the Bankruptcy Code, that certain Intercreditor Agreement, dated as of December 17, 2014 (as amended, restated, supplemented, or otherwise modified in accordance with its terms, the "Intercreditor Agreement"), among the Prepetition First Lien Agent and the Prepetition Second Lien Agent, and any other applicable intercreditor or subordination provisions contained in any of the other Prepetition Documents, (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties (including the relative priorities, rights, and remedies of such parties with respect to the replacement liens, administrative expense claims, and superpriority administrative expense claims granted or the amounts payable by the Debtors under the Interim Order, this Final Order, or otherwise), and (iii) shall not be deemed to be amended, altered, or modified by the terms of the Interim Order, this Final Order, or the DIP Documents, unless expressly set forth herein or therein.

I. **Findings Regarding Postpetition Financing and Use of Cash Collateral**.

(i) *Request for Postpetition Financing and Use of Cash Collateral*. The Debtors seek authority on a final basis to continue (a) borrowing under the DIP Facility and

incur the DIP Obligations on the terms described herein and in the DIP Documents and (b) using Cash Collateral on the terms described herein, in each case, to administer their Chapter 11 Cases and fund their operations.

(ii) *Priming of the Prepetition Liens*. The priming of the Prepetition Liens under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Documents and as provided herein, enabled the Debtors to obtain the DIP Facility, will enable the Debtors to continue to have access to the borrowings under the DIP Facility, and will enable the Debtors to continue to operate their business during the pendency of the Chapter 11 Cases, to the benefit of their estates and creditors. The Prepetition Secured Parties are entitled to receive adequate protection as set forth in this Final Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, solely to the extent of any Diminution in Value of their respective interests in the Prepetition Collateral (including Cash Collateral).

(iii) *Need for Postpetition Financing and Use of Cash Collateral*. The Debtors have demonstrated a need to use Cash Collateral on a final basis and to obtain credit pursuant to the DIP Facility in order to, among other things, continue their ordinary course operations, administer these Chapter 11 Cases, and preserve the going-concern value of their estates. The ability of the Debtors to maintain business relationships with their vendors, suppliers, and customers, to pay their employees, to pay for certain costs and expenses related to the Chapter 11 Cases, and to otherwise finance their operations requires the availability of working capital from the DIP Facility and the use of Cash Collateral. The Debtors do not have sufficient available sources of working capital and financing to operate their businesses or maintain their properties in the ordinary course of business during the Chapter 11 Cases without the authorization to use Cash Collateral and to borrow under the DIP Facility.

(iv) *No Credit Available on More Favorable Terms.* The DIP Facility is the best source of debtor-in-possession financing available to the Debtors. Given their current financial condition, financing arrangements, and capital structure, the Debtors have been and continue to be unable to obtain financing from sources other than the DIP Lenders on terms more favorable than the DIP Facility. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain (a) unsecured credit having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. Financing on a postpetition basis on better terms is not available without granting the DIP Agent, for the benefit of itself and the DIP Lenders, (1) perfected security interests in and liens on (each as provided herein) the DIP Collateral, with the priorities set forth herein; (2) superpriority claims; and (3) the other protections set forth in this Final Order.

(v) *Use of Cash Collateral and Proceeds of the DIP Facility.* As a condition to entry into the DIP Credit Agreement, the extension of credit under the DIP Facility and the authorization to use the Prepetition Collateral, including Cash Collateral, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties require, and the Debtors have agreed, that proceeds of the DIP Facility and the Prepetition Secured Parties' Cash Collateral shall be used in a manner consistent with the terms and conditions of this Final Order and the DIP Documents and in accordance with the budget (as the same may be modified from time to time consistent with the terms of the DIP Documents and subject to such variances as permitted in the DIP

Documents, and as set forth in paragraphs 16-17 hereof, the "Budget"),[5] solely for the purposes set forth in the DIP Credit Agreement and this Final Order, including (a) ongoing working capital and other general corporate purposes of the Debtors; (b) permitted payment of costs of administration of the Chapter 11 Cases, including restructuring charges arising on account of the Chapter 11 Cases, including statutory fees of the U.S. Trustee and allowed professional fees and expenses of the Debtors' professionals and professionals retained by a Committee (if any), subject to the Investigation Budget Amount; (c) payment of such prepetition expenses as consented to by the DIP Agent, acting at the direction of the Required Lenders (as defined in the DIP Credit Agreement, the "Required Lenders"); (d) payment of interest, premiums, fees, expenses, and other amounts (including, without limitation, legal and other professionals' fees and expenses of the DIP Agent and the DIP Lenders) owed under the DIP Documents, including those incurred in connection with the preparation, negotiation, documentation, and Court approval of the DIP Facility; (e) payment of certain adequate protection amounts to the Prepetition Secured Parties, as set forth in paragraphs 12-13 hereof; and (f) payment of obligations arising from or related to the Carve-Out (as defined below), and making disbursements therefrom, including by funding the Professional Fees Account (as defined below).

(vi) *Application of Proceeds of DIP Collateral*. As a condition to entry into the DIP Credit Agreement, the extension of credit under the DIP Facility, and authorization to use Cash Collateral, the Debtors, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties have agreed that: (a) as of and commencing on the date of the Interim Hearing until the Court's entry of this Final Order, the Debtors shall apply the proceeds of the DIP Collateral in

[5] A copy of the initial Budget is attached hereto as **Schedule 1**.

accordance with the Interim Order; and (b) commencing on the Court's entry of this Final Order, the Debtors shall apply the proceeds of the DIP Collateral in accordance with this Final Order.

(vii) *DIP Election Procedures.* The procedures governing the participation of the Prepetition First Lien Lenders and, if applicable, the Prepetition Second Lien Lenders in the DIP Facility (the "DIP Election Procedures"), as set forth in the DIP Credit Agreement, have been approved and are fair and reasonable.

J. **Adequate Protection**. The Prepetition First Lien Agent, for the benefit of the Prepetition First Lien Secured Parties, and the Prepetition Second Lien Agent, for the benefit of the Prepetition Second Lien Secured Parties, are entitled to receive adequate protection solely to the extent of any Diminution in Value of their respective interests in the Prepetition Collateral, including, without limitation, the Cash Collateral. Pursuant to sections 361, 363 and 507(b) of the Bankruptcy Code, as adequate protection, subject in all respects to the Carve-Out (as defined below) and subject to paragraph 40 of this Final Order, the Prepetition Secured Parties have received and will continue to receive (i) solely to the extent of any Diminution of Value of their interests in the Prepetition Collateral, Adequate Protection Liens (as defined below) and 507(b) Claims (as defined below); (ii) solely with respect to the Prepetition First Lien Secured Parties, the Prepetition Second Lien Agent, and the Prepetition Second Lien Lenders that are members of the Ad Hoc Second Lien Committee, current payment of reasonable and documented fees and expenses and other disbursements as set forth in paragraphs 12-13 herein; and (iii) financial and other reporting, in each case, as set forth in paragraphs 12-13 herein.

K. **Sections 506(c) and 552(b).** In light of (i) the DIP Agent's and the DIP Lenders' agreement that their liens and superpriority claims shall be subject to the Carve-Out (as defined below); (ii) the Prepetition Secured Parties' agreement that their respective liens and

claims, including any adequate protection liens and claims, shall be subject to the Carve-Out (as defined below) and subordinate to the DIP Liens (as defined below); and (iii) the DIP Agent's, the DIP Lenders', and the Prepetition Secured Parties' agreement to the payment (in accordance with the Budget (subject to the Permitted Variance (as defined below)) and subject to the terms and conditions of this Final Order and the DIP Documents) of certain expenses of administration of these Chapter 11 Cases, including certain critical trade claims, (a) the Prepetition Secured Parties are entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code and (b) the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties are each entitled to a waiver of the provisions of section 506(c) of the Bankruptcy Code.

L. **Good Faith of the DIP Agent and DIP Lenders and the Prepetition Secured Parties**.

(i) Based upon the pleadings and proceedings of record in the Chapter 11 Cases, (i) the extensions of credit under the DIP Facility are fair and reasonable, are appropriate for secured financing to debtors in possession, are the best available to the Debtors under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration; (ii) the terms and conditions of the DIP Facility and the use of the Cash Collateral have been negotiated in good faith and at arm's length among the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties, with the assistance and counsel of their respective advisors; (iii) the use of Cash Collateral, including, without limitation, pursuant to the Interim Order and this Final Order, has been allowed in "good faith" within the meaning of section 364(e) of the Bankruptcy Code; (iv) any credit to be extended, loans to be made, and other financial accommodations to be extended to the Debtors by the DIP Secured Parties and the

Prepetition Secured Parties, including, without limitation, pursuant to the Interim Order and this Final Order, have been allowed, advanced, extended, issued, or made, as the case may be, in "good faith" within the meaning of section 364(e) of the Bankruptcy Code by the DIP Parties and the Prepetition Secured Parties in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code; and (v) the DIP Facility, the DIP Liens (as defined below), the DIP Superpriority Claims (as defined below), the Adequate Protection Liens, and the 507(b) Claims (as defined below) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that the Interim Order, this Final Order, or any provision hereof or thereof is vacated, reversed, or modified, on appeal or otherwise.

(ii) Absent an order of this Court and the provision of Adequate Protection, consent of the Prepetition Secured Parties is required for the Debtors' use of Cash Collateral and other Prepetition Collateral. The Prepetition Secured Parties have consented, or are deemed pursuant to the Prepetition Documents to have consented, or have not objected, to the Debtors' use of Cash Collateral and other Prepetition Collateral or to the Debtors' entry into the DIP Documents in accordance with and subject to the terms and conditions in this Final Order and the DIP Documents.

M. **Immediate Entry**. Sufficient cause exists for immediate entry of this Final Order pursuant to Bankruptcy Rule 4001(c)(2).

N. **Final Hearing**. Notice of the Final Hearing and the relief requested in the Motion has been provided by the Debtors, whether by facsimile, electronic mail, first-class mail, overnight courier, or hand delivery to certain parties in interest, including the Notice Parties. The Debtors have made reasonable efforts to afford the best notice possible under the circumstances, and no other notice is required in connection with the relief set forth in this Final

Order.

Based upon the foregoing findings and conclusions, the Motion, and the record before the Court with respect to the Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. DIP Facility Approved on Final Basis. The Motion is granted on a final basis as set forth herein. The DIP Facility is hereby authorized and approved on a final basis to the extent set forth herein, and the use of Cash Collateral on a final basis is authorized, in each case subject to the terms and conditions set forth in the DIP Documents and this Final Order. All objections to this Final Order, to the extent not withdrawn, waived, settled, or resolved, are hereby denied and overruled. This Final Order shall become effective immediately upon its entry.

2. Authorization of the DIP Facility. In addition to the authority granted in the Interim Order, the Debtors are expressly and immediately authorized and empowered to execute and deliver the DIP Documents and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Final Order and the DIP Documents and to deliver all instruments, certificates, agreements, and documents that may be required or necessary for the performance by the Debtors under the DIP Facility and the creation and perfection of the DIP Liens (as defined below) (and to the extent such execution, delivery, or other acts were authorized by the Interim Order and have already occurred, such acts are hereby ratified). The Debtors are hereby authorized and directed to continue to pay, in accordance with this Final Order, the principal, interest, premiums, fees, payments, expenses, and other amounts described in the DIP Documents as such amounts become due and payable, without need to

obtain further Court approval, whether or not such fees arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, to implement all applicable reserves, and to take any other actions that may be necessary or appropriate, all to the extent provided in this Final Order or the DIP Documents. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations, or otherwise, will be deposited and applied as required by this Final Order and the DIP Documents. Upon execution and delivery, the DIP Documents shall represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms. Pursuant to the Interim Order and as ratified by this Final Order, upon the Closing Date (as defined in the DIP Credit Agreement, the "Closing Date"), the Upfront Discount (as defined in the Motion), the Backstop Premium set forth in the Backstop Commitment Letter (as defined in the DIP Credit Agreement), and the Redemption Premium (as defined in the Motion) became fully earned, non-refundable, and payable in accordance with and at the times specified in the DIP Documents.

3. Authorization to Borrow. From the entry of this Final Order through and including the DIP Termination Date (as defined below), and subject to the terms, conditions, limitations on availability, and reserves (as applicable) set forth in the DIP Documents and this Final Order, the Debtors are hereby authorized to request extensions of credit (in the form of DIP Loans) under the DIP Facility in an amount equal to $74,074,074.07, in accordance with the DIP Documents.

4. Amendment of the DIP Documents. The DIP Documents may from time to time be amended, modified, or supplemented by the parties thereto without further order of the Court if the amendment, modification, or supplement is (a) non-material and (b) in accordance

with the DIP Documents. In the case of a material amendment, modification, or supplement to the DIP Documents, the Debtors shall (i) provide notice (which may be provided through electronic mail or facsimile) to counsel to any Committee (if appointed), the U.S. Trustee, the DIP Agent, and the Prepetition Agents; (ii) provide notice to the Court; and (iii) obtain approval of the Court.

5. DIP Obligations. The DIP Documents, the Interim Order, and this Final Order shall constitute and evidence the validity and binding effect of the DIP Obligations, which shall be enforceable against the Debtors, their estates and any successors thereto, including, without limitation, any trustee appointed in the Chapter 11 Cases or in any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the "Successor Cases"). As of the Court's entry of the Interim Order, the DIP Obligations include all loans and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the Debtors to the DIP Agent or any of the DIP Lenders, in each case, under the DIP Documents, the Interim Order, or this Final Order, or secured by the DIP Liens (as defined below), including, without limitation, all principal, accrued and unpaid interest, costs, fees, expenses, and other amounts owing under the DIP Documents. The Debtors shall be jointly and severally liable for the DIP Obligations. The DIP Obligations shall be due and payable, and the use of Cash Collateral shall automatically cease, in each case, without notice or demand on the DIP Termination Date (as defined herein), except as provided in paragraph 26 herein and subject to the requirements of the Carve-Out (as defined below). No obligation, payment, transfer, or grant of collateral security hereunder or under the DIP Documents (including any DIP Obligation or DIP Liens (as defined below) but excluding any adequate protection provided to the

Prepetition Secured Parties hereunder) shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under chapter 5 of the Bankruptcy Code, section 724(a) of the Bankruptcy Code, or any other provision with respect to avoidance actions under the Bankruptcy Code or applicable state law equivalents) or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

6. DIP Liens. Subject and subordinate solely to the Carve-Out (as defined below) as set forth in this Final Order and effective upon entry of the Interim Order, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP Agent, for the benefit of itself and the DIP Lenders, was granted, in order to secure the DIP Obligations, continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in and liens on (collectively, the "DIP Liens") all real and personal property, whether now existing or hereafter arising and wherever located, tangible or intangible, of each of the Debtors (the "DIP Collateral"), including, without limitation (a) all cash, cash equivalents, deposit accounts, securities accounts, accounts, other receivables (including credit card receivables), chattel paper, contract rights, inventory (wherever located), instruments, documents, securities (whether or not marketable) and investment property (including, without limitation, all of the issued and outstanding capital stock of each of Holdings' subsidiaries), hedge agreements, furniture, fixtures, equipment (including documents of title), goods, franchise rights, trade names, trademarks, servicemarks, copyrights, patents, license rights, intellectual property, general intangibles (including, for the avoidance of doubt, payment intangibles), rights

to the payment of money (including, without limitation, tax refunds and any other extraordinary payments), supporting obligations, guarantees, letter of credit rights, commercial tort claims, causes of action, and all substitutions, indemnification rights, all present and future intercompany debt, fee interests in real property owned by the Debtors, books and records related to the foregoing, and accessions and proceeds of the foregoing, wherever located, including insurance or other proceeds; (b) all owned real property interests and all proceeds of leased real property; (c) actions brought under section 549 of the Bankruptcy Code to recover any post-petition transfer of DIP Collateral; (d) the proceeds of any avoidance actions (such actions, "Avoidance Actions") brought pursuant to chapter 5 of the Bankruptcy Code or section 724(a) of the Bankruptcy Code or any other avoidance actions under the Bankruptcy Code or applicable state law equivalents (the "Avoidance Action Proceeds"); *provided*, that no liens shall attach to Avoidance Actions; (e) the proceeds of any exercise of the Debtors' rights under section 506(c) and 550 of the Bankruptcy Code; and (f) all DIP Collateral that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date. Notwithstanding the foregoing, the DIP Collateral shall not include (and the DIP Liens shall not extend to) amounts deposited in the Professional Fees Account (as defined below) in accordance with the Interim Order and this Final Order, including with respect to the Carve-Out (as defined below), and any "Excluded Assets" (as defined in the DIP Documents).

7. DIP Lien Priority. Effective as of the Court's entry of the Interim Order and as ratified by this Final Order, the DIP Liens shall have the following priority:

(a) pursuant to Section 364(c) of the Bankruptcy Code, the DIP Liens shall be first priority liens on all of the Debtors' unencumbered assets (now or hereafter acquired and all proceeds thereof) other than "Excluded Assets," as defined in the DIP Documents;

(b) pursuant to Section 364(c)(3) of the Bankruptcy Code, the DIP Liens shall be immediately junior to any liens on the Debtors' encumbered assets (now or hereafter acquired and all proceeds thereof) that are subject to valid, perfected, and unavoidable liens in existence immediately prior to the Petition Date or to valid and unavoidable liens in existence immediately prior to the Petition Date that are perfected after the Petition Date as permitted by section 546(b) of the Bankruptcy Code, in each case other than as set forth in clause (c) immediately below (collectively, the "Non-Primed Liens");

(c) pursuant to Section 364(d) of the Bankruptcy Code, the DIP Liens shall be priming first-priority liens on all of the Debtors' assets (now or hereafter acquired and all proceeds thereof) that serve as "Collateral" under the Prepetition Secured Facilities (the "Existing Primed Secured Facilities"), senior to the Prepetition Liens and the Adequate Protection Liens.

(d) Other than as set forth herein (including with respect to the Carve-Out (as defined below)) or in the DIP Documents, the DIP Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Chapter 11 Cases or any Successor Cases and shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases or any Successor Cases, upon the conversion of any of the Chapter 11 Cases to any Successor Case, and/or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. The DIP Liens shall not be subject to any of sections 510, 549 or 550 of the Bankruptcy Code (subject in all respects to the Challenge Deadline and related provisions set forth in paragraph 40 herein). No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the DIP Liens.

8. Superpriority Claims. Subject and subordinate to the Carve-Out (as defined below), effective upon entry of the Interim Order and as ratified by this Final Order, the DIP Agent, on behalf of itself and the DIP Lenders, is hereby granted, pursuant to section 364(c)(1) of the Bankruptcy Code, allowed superpriority administrative expense claims in each of the Chapter 11 Cases and any Successor Cases (collectively, the "DIP Superpriority Claims") for all DIP Obligations (a) with priority over any and all administrative expense claims and unsecured claims against the Debtors or their estates in any of the Chapter 11 Cases or any Successor Cases, at any time existing or arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 364, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 726, 1113, or 1114 of the Bankruptcy Code or any other provision of the Bankruptcy Code and (b) which shall at all times be senior to the rights of the Debtors and their estates, and any successor trustee or other estate representative to the extent permitted by law.

9. No Obligation to Extend Credit. Except as required to fund the Carve-Out (as defined below) as set forth in this Final Order, the DIP Lenders shall have no obligation to make any loan or advance or to issue, amend, renew, or extend any letters of credit or bankers' acceptance under the DIP Documents unless (and subject to the occurrence of the Closing Date) all of the conditions precedent to the making of such extension of credit or the issuance, amendment, renewal, or extension of such letter of credit or bankers' acceptance under the DIP Documents and this Final Order have been satisfied in full or waived by the DIP Agent in accordance with the terms of the DIP Credit Agreement.

10. Use of Proceeds of DIP Facility.

(a) From and after the Petition Date, the Debtors shall use proceeds of

borrowings under the DIP Facility only for the purposes specifically set forth in the Interim Order, this Final Order, and the DIP Documents, and, in each case, in compliance with the Budget (subject to such the Permitted Variance (as defined in the DIP Credit Agreement, the "Permitted Variance") and the terms and conditions in the Interim Order, this Final Order, and the DIP Documents.

(b) The Debtors shall be authorized to cash collateralize outstanding letters of credit issued under, and in accordance with, the First Lien Credit Agreement, in each case, in compliance with the Budget (subject to Permitted Variances).

11. Authorization to Use Cash Collateral. Subject to the terms and conditions of this Final Order and the DIP Documents, and in accordance with the Budget (subject to the Permitted Variance), the Debtors are authorized to use Cash Collateral until the DIP Termination Date (as defined below); *provided, however*, that during the Remedies Notice Period (as defined below), the Debtors may use Cash Collateral solely to meet payroll obligations and pay expenses necessary to avoid immediate and irreparable harm to the Debtors' estates, in accordance with the Budget (subject to the Permitted Variance), and as otherwise agreed by the DIP Agent at the direction of the Required Lenders. Nothing in the Interim Order or this Final Order shall authorize the disposition of any assets of the Debtors or their estates outside the ordinary course of business, or any Debtor's use of any Cash Collateral or other proceeds resulting therefrom, except as permitted in this Final Order (including with respect to the Carve-Out (as defined below)), the DIP Facility, the DIP Documents, or by an order of the Court, and in accordance with the Budget (subject to the Permitted Variance).

12. Adequate Protection for the Prepetition First Lien Secured Parties. Subject to the Investigation (as defined below), the Prepetition First Lien Secured Parties are

entitled, pursuant to sections 361, 362, 363(c)(2), 363(e), and 507 of the Bankruptcy Code, to adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral, solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral (the "First Lien Adequate Protection Obligations"); *provided*, that, for the avoidance of doubt, the First Lien Adequate Protection Obligations shall not have recourse to the amounts deposited in the Professional Fees Account (as defined below) in accordance with this Final Order, including with respect to the Carve-Out (as defined below). As adequate protection, the Prepetition First Lien Secured Parties are hereby granted the following:

(a) First Lien Adequate Protection Liens. As security for the payment of the First Lien Adequate Protection Obligations, the Prepetition First Lien Agent (for itself and for the benefit of the Prepetition First Lien Lenders and the Prepetition First Lien Hedge Counterparties) is hereby granted (effective and perfected upon the date of the Interim Order and without the necessity of the execution by the Debtors of security agreements, pledge agreements, mortgages, financing statements, or other agreements) a valid, perfected replacement security interest in and lien on all of the DIP Collateral, including Avoidance Action Proceeds (the "First Lien Adequate Protection Liens"), subject and subordinate only to (i) the Carve-Out (as defined below), (ii) the DIP Liens, and (iii) the Non-Primed Liens, subject to the terms of the Intercreditor Agreement.

(b) First Lien Section 507(b) Claims. Effective as of the Court's entry of the Interim Order and as ratified by this Final Order, the First Lien Adequate Protection Obligations shall constitute superpriority claims as provided in section 507(b) of the Bankruptcy Code (the "First Lien 507(b) Claims"), with priority in payment over any and all administrative expenses of the kinds specified or ordered pursuant to any provision of the Bankruptcy Code,

including, without limitation, sections 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 506(c), 507(b), 546(c), 546(d), 726, 1113, or 1114 of the Bankruptcy Code, subject and subordinate only to (i) the Carve-Out (as defined below) and (ii) the DIP Superpriority Claims granted in respect of the DIP Obligations. Except to the extent expressly set forth in this Final Order, the Prepetition First Lien Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the First Lien 507(b) Claims unless and until the Carve-Out (as defined below) is funded and all DIP Obligations shall have indefeasibly been paid in full in cash. Notwithstanding their status as First Lien 507(b) Claims, the First Lien Adequate Protection Obligations may be satisfied in a plan of reorganization confirmed in the Chapter 11 Cases in any manner set forth in such plan if holders of more than 66-2/3% in amount of the First Lien Adequate Protection Obligations consent to such treatment; *provided*, *however*, that nothing in this Final Order shall be construed as establishing that the confirmation requirements for a chapter 11 plan have been satisfied, predetermining any provision of a chapter 11 plan, or predetermining how any vote by any insider is counted with respect to a chapter 11 plan.

(c) Fees and Expenses. Effective as of the Court's entry of the Interim Order and as ratified by this Final Order, the Debtors are authorized and directed to pay, as adequate protection, to the Prepetition First Lien Secured Parties all accrued and unpaid fees and reasonable and documented disbursements incurred by the Prepetition First Lien Secured Parties, whether accrued before, on, or after the Petition Date, including, without limitation, the reasonable and documented fees and expenses of Milbank LLP and Morris, Nichols, Arsht & Tunnell LLP, as counsel to the Ad Hoc Committee of Crossholder Lenders, and Houlihan Lokey Capital, Inc., as financial advisor to the Ad Hoc Committee of Crossholder Lenders (excluding success or transaction fees); *provided*, that such payments shall be without prejudice to whether

any such payments should be recharacterized or reallocated pursuant to section 506(b) of the Bankruptcy Code as payments of principal, interest, or otherwise. Professionals of the Prepetition First Lien Secured Parties shall not be required to comply with the U.S. Trustee fee guidelines; however, any time that such professionals seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work-product doctrine) to the U.S. Trustee and counsel to the Committee (if appointed), contemporaneously with the delivery of such fee and expense statements to the Debtors. After delivery of a fee and expense statement or invoice, the Debtors, the U.S. Trustee, and the Committee (if appointed) shall have ten (10) days to raise an objection thereto. If an objection is timely raised, such objection shall be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such fee and expense statement or invoice shall be paid promptly by the Debtors. Notwithstanding the foregoing, the Debtors are authorized and directed to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the Prepetition First Lien Secured Parties incurred on or prior to such date without the need for any professional engaged by the Prepetition First Lien Secured Parties to first deliver a copy of its invoice as provided for herein. No attorney or advisor to the Prepetition First Lien Secured Parties shall be required to file an interim or final application seeking compensation for services or reimbursement of expenses with the Court.

(d) Information. The Debtors shall concurrently deliver to the

Prepetition First Lien Agent and the legal and financial advisors to the Ad Hoc Committee of Crossholder Lenders, all information, reports, documents, and other materials that the Debtors provide to the DIP Secured Parties pursuant to the DIP Documents and this Final Order, subject to the confidentiality provisions contained in the First Lien Credit Agreement.

13. Adequate Protection for the Prepetition Second Lien Secured Parties. Subject to the Investigation, the Prepetition Second Lien Secured Parties are entitled, pursuant to sections 361, 362, 363(c)(2), 363(e), and 507 of the Bankruptcy Code, to adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral, solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral (the "Second Lien Adequate Protection Obligations" and, together with the First Lien Adequate Protection Obligations, the "Adequate Protection Obligations"); *provided*, that, for the avoidance of doubt, the Second Lien Adequate Protection Obligations shall not have recourse to the amounts deposited in the Professional Fees Account (as defined below) in accordance with this Final Order, including with respect to the Carve-Out (as defined below). As adequate protection, the Prepetition Second Lien Secured Parties are hereby granted the following:

(a) Second Lien Adequate Protection Liens. As security for the payment of the Second Lien Adequate Protection Obligations, the Prepetition Second Lien Agent (for itself and for the benefit of the Prepetition Second Lien Lenders) is hereby granted (effective and perfected upon the date of the Interim Order and without the necessity of the execution by the Debtors of security agreements, pledge agreements, mortgages, financing statements, or other agreements) a valid, perfected replacement security interest in and lien on all of the DIP Collateral, including Avoidance Action Proceeds (the "Second Lien Adequate Protection Liens" and, together with the First Lien Adequate Protection Liens, the "Adequate Protection Liens"),

subject and subordinate only to (i) the Carve-Out (as defined below), (ii) the DIP Liens, (iii) the First Lien Adequate Protection Liens, (iv) the Prepetition Senior Liens, and (v) the Non-Primed Liens, in each case, subject to the terms of the Intercreditor Agreement.

(b) Second Lien Section 507(b) Claims. Effective as of the Court's entry of the Interim Order and as ratified by this Final Order, the Second Lien Adequate Protection Obligations shall constitute superpriority claims as provided in section 507(b) of the Bankruptcy Code (the "Second Lien 507(b) Claims" and, together with the First Lien 507(b) Claims, the "507(b) Claims"), with priority in payment over any and all administrative expenses of the kinds specified or ordered pursuant to any provision of the Bankruptcy Code, including without limitation, sections 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 506(c), 507(b), 546(c), 546(d), 726, 1113, or 1114 of the Bankruptcy Code, subject and subordinate only to (i) the Carve-Out (as defined below), (ii) the DIP Superpriority Claims granted in respect of the DIP Obligations, and (iii) the First Lien 507(b) Claims. Except to the extent expressly set forth in this Final Order, the Prepetition Second Lien Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the Second Lien 507(b) Claims unless and until the Carve-Out (as defined below) is funded and all DIP Obligations, First Lien Adequate Protection Obligations, and Prepetition First Lien Obligations shall have indefeasibly been paid in full in cash. Notwithstanding their status as Second Lien 507(b) Claims, the Second Lien Adequate Protection Obligations may be satisfied in a plan of reorganization confirmed in the Chapter 11 Cases in any manner set forth in such plan if holders of more than 66-2/3% in amount of the Second Lien Adequate Protection Obligations consent to such treatment; *provided, however*, that nothing in this Final Order shall be construed as establishing that the confirmation requirements for a chapter 11 plan have been satisfied, predetermining any provision of a chapter

11 plan, or predetermining how any vote by any insider is counted with respect to a chapter 11 plan.

(c) Fees and Expenses. Effective as of the Court's entry of the Interim Order and as ratified by this Final Order, the Debtors are authorized and directed to pay, as adequate protection, to the Prepetition Second Lien Agent and the Prepetition Second Lien Lenders that are members of the Ad Hoc Second Lien Committee all accrued and unpaid fees and reasonable and documented disbursements incurred by the Prepetition Second Lien Agent (subject to an aggregate cap of $100,000) and Akin Gump Strauss Hauer & Feld LLP, as counsel to the Ad Hoc Second Lien Committee (subject to an aggregate cap of $100,000), whether accrued before, on, or after the Petition Date; *provided*, that such payments shall be without prejudice to whether any such payments should be recharacterized or reallocated pursuant to section 506(b) of the Bankruptcy Code as payments of principal, interest, or otherwise. Professionals of the Prepetition Second Lien Agent shall not be required to comply with the U.S. Trustee fee guidelines; however, any time that such professionals seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work-product doctrine) to the U.S. Trustee and counsel to the Committee (if appointed), contemporaneously with the delivery of such fee and expense statements to the Debtors. After delivery of a fee and expense statement or invoice, the Debtors, the U.S. Trustee, and the Committee (if appointed) shall have ten (10) days

to raise an objection thereto. If an objection is timely raised, such objection shall be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such fee and expense statement or invoice shall be paid promptly by the Debtors. Notwithstanding the foregoing, the Debtors are authorized and directed to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the Prepetition Second Lien Agent incurred on or prior to such date without the need for any professional engaged by the Prepetition Second Lien Agent to first deliver a copy of its invoice as provided for herein. No attorney or advisor to the Prepetition Second Lien Agent shall be required to file an interim or final application seeking compensation for services or reimbursement of expenses with the Court.

(d) Information. The Debtors shall concurrently deliver to the Prepetition Second Lien Agent and the legal advisors to the Ad Hoc Second Lien Committee all information, reports, documents, and other material that the Debtors provide to the DIP Secured Parties pursuant to the DIP Documents and this Final Order, subject to the confidentiality provisions contained in the Second Lien Credit Agreement.

14. Adequate Protection Reservation. Subject to the Carve-Out (as defined below), nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided to the Prepetition Secured Parties hereunder is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral during the Chapter 11 Cases or any Successor Cases. The receipt by the Prepetition Secured Parties of the adequate protection provided herein shall not be deemed an admission that the interests of the Prepetition Secured Parties are adequately protected. Further, this Final Order shall not prejudice or limit the rights of the Prepetition Secured Parties to seek additional relief with respect to the use of Cash Collateral or for

additional adequate protection, subject in all respects to the terms and limitations of the Intercreditor Agreement.

15. Effect of Order on Adequate Protection. In the event that it is determined by a final order, which order shall not be subject to any appeal, stay, reversal, or vacatur, that (a) no Diminution in Value of any Prepetition Secured Party's respective interests in the Prepetition Collateral has occurred or (b) such Prepetition Secured Party is determined to be undersecured, then a party in interest shall have the right to assert that payments of Adequate Protection shall be applied toward repayment of the principal amount due under the Prepetition Secured Facilities as is owing to such Prepetition Secured Party.

16. Budget Maintenance. The Debtors shall use the proceeds of all borrowings under the DIP Facility and Cash Collateral in accordance with the Budget, subject in all respects to the Permitted Variance. The Budget annexed hereto as Schedule 1 shall constitute the initial Budget. On the first Thursday that is four (4) full weeks after the Petition Date, and on the Thursday of each fourth week thereafter, the Debtors shall provide to the DIP Agent and the legal and financial advisors of the Ad Hoc Committee of Crossholder Lenders with (a) an updated 13-week statement of the Debtors' anticipated cash receipts and disbursements for the subsequent 13-week period (a "Proposed Budget"), which Proposed Budget shall modify and supersede any prior Budget upon the approval of the Required Lenders in their reasonable discretion (such approval not to be unreasonably withheld), and (b) a report setting forth total organic and paid visitors, unique visits, and leads to core for such four-week period, in addition to a report setting forth the beginning and ending property period, as well as a breakdown of gross new, dropped, and adjusted properties for such four-week period. Until the Required Lenders approve the Proposed Budget in their reasonable discretion (such approval not to be

unreasonably withheld), the then-current Budget shall remain the Budget, and the DIP Lenders shall have no obligation to fund such Proposed Budget. Each Budget delivered to the DIP Agent and the legal and financial advisors to the Ad Hoc Committee of Crossholder Lenders shall be accompanied by such supporting documentation as reasonably requested by such legal and financial advisors, and each Budget shall be prepared in good faith based upon assumptions the Debtors believe to be reasonable. A copy of the Budget shall be delivered to the legal and financial advisors to the Committee (if appointed) and the U.S. Trustee following such Budget's approval.

17. Budget and Reporting Compliance. The Debtors shall at all times comply with the Budget, subject to the Permitted Variance, and the Debtors shall provide all reports and other information as required in the DIP Credit Agreement (subject to the grace periods provided therein). The Debtors' failure to comply with the Budget (subject to the Permitted Variance) or to provide the reports and other information required in the DIP Credit Agreement shall constitute an Event of Default, following the expiration of any applicable grace period set forth in the DIP Credit Agreement.

18. Incremental Performance Marketing Expenditures.

(a) Beginning on the second to last business day before the last full week in February, and continuing on a monthly basis thereafter on the second to last business day before the last full week of each month, the Debtors shall provide the DIP Agent and the legal and financial advisors to the Ad Hoc Committee of Crossover Lenders with a proposal for the incremental performance marketing expenditures for the subsequent month (a "Monthly Incremental Marketing Proposal") and host a pre-scheduled conference call with the DIP Lenders to discuss such proposal. The DIP Lenders shall have forty-eight (48) hours after the

conclusion of the pre-scheduled conference call to respond to such proposal, and if such forty-eight (48) hour period lapses without any such response, the Required Lenders will be deemed to have approved the Monthly Incremental Marketing Proposal. The total cash disbursements on account of incremental performance marketing expenditures for the duration of the Chapter 11 Cases shall not exceed the Incremental Performance Marketing Cap, as defined in the Performance Marketing Schedule (as defined in the DIP Credit Agreement). Following delivery of a Monthly Incremental Marketing Proposal, the Debtors may request approval of additional incremental performance marketing expenditures, the approval of which shall be within the Required Lenders' sole discretion. Notwithstanding anything to the contrary contained herein, the Debtors may timely pay all obligations arising from incremental performance marketing expenditures incurred by the Debtors prior to the Petition Date.

(b) Notwithstanding anything to the contrary contained herein, the Debtors shall be permitted to incur the Pre-Approved Incremental Marketing Spend (as defined in the DIP Credit Agreement) that were set forth on the Performance Marketing Schedule (as defined in the DIP Credit Agreement) previously delivered to the DIP Lenders, including Pre-Approved Incremental Marketing Spend for the month of February, without any further approval of the Required Lenders.

19. Modification of Automatic Stay. The automatic stay imposed under section 362(a)(2) of the Bankruptcy Code is hereby modified as necessary to effectuate all of the terms and provisions of this Final Order, including, without limitation, to (a) permit the Debtors to grant the DIP Liens, Adequate Protection Liens, DIP Superpriority Claims, and 507(b) Claims; (b) permit the Debtors to perform such acts as the DIP Agent, the Prepetition First Lien Agent, and the Prepetition Second Lien Agent each may reasonably request to assure the

perfection and priority of the liens granted herein; (c) permit the Debtors to incur all liabilities and obligations to the DIP Agent, DIP Lenders, and Prepetition Secured Parties under the DIP Documents, the DIP Facility, the Interim Order, and this Final Order, as applicable; (d) authorize the Debtors to pay, and the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties to retain and apply, payments made in accordance with the terms of the Interim Order and this Final Order; and (e) permit the First Lien Letter of Credit Issuer (as defined in the Motion) to cash collateralize the First Lien Letter of Credit (as defined in the Motion), in accordance with the terms of the First Lien Credit Agreement.

20. Perfection of DIP Liens and Adequate Protection Liens. The Interim Order and this Final Order shall be sufficient and conclusive evidence of the creation, validity, perfection, and priority of all liens granted in the Interim Order and herein, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording any financing statement, mortgage, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens or the Adequate Protection Liens or to entitle the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties to the priorities granted herein. Notwithstanding the foregoing, each of the DIP Agent, Prepetition First Lien Agent, and Prepetition Second Lien Agent is authorized to file or record, as it in its sole discretion deems necessary or advisable, such financing statements, security agreements, mortgages, notices of liens, and other similar documents to perfect its respective liens in accordance with applicable non-bankruptcy law, and all such financing statements, mortgages, notices, and other documents shall be deemed to have been filed or

recorded as of the Petition Date; *provided, however*, that no such filing or recordation shall be necessary or required in order to create or perfect the DIP Liens or the Adequate Protection Liens. The Debtors are authorized and directed to execute and deliver, promptly upon demand to the DIP Agent, Prepetition First Lien Agent, and Prepetition Second Lien Agent, all such financing statements, mortgages, notices, and other documents as the DIP Agent, Prepetition First Lien Agent, or Prepetition Second Lien Agent, as applicable, may reasonably request. Each of the DIP Agent, Prepetition First Lien Agent, and Prepetition Second Lien Agent, in its discretion, may file a photocopy of the Interim Order and/or this Final Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien, or similar instrument, and all applicable officials are hereby directed to accept a photocopy of the Interim Order and/or this Final Order for filing or recordation for such purpose. To the extent the Prepetition First Lien Agent or Prepetition Second Lien Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agent shall also be deemed to be the secured party or the loss payee or additional insured, as applicable, under such documents. The Prepetition First Lien Agent and Prepetition Second Lien Agent, as applicable, shall serve as agents for the DIP Agent for purposes of perfecting the DIP Liens on all DIP Collateral that is of a type such that, without giving effect to the Bankruptcy Code and this Final Order, perfection of a lien thereon may be accomplished only by possession or control by a secured party.

21. Protections of Rights of DIP Agent, DIP Lenders and Prepetition Secured Parties.

(a) Unless the DIP Agent, the Prepetition First Lien Agent, and the Prepetition Second Lien Agent shall have provided their prior written consent, or all DIP Obligations and all Prepetition Secured Obligations (excluding contingent indemnification obligations for which no claim has been asserted) have been indefeasibly paid in full in cash and the lending commitments under the DIP Facility have terminated, there shall not be entered in any of these Chapter 11 Cases or any Successor Cases any order (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following (unless such order provides for the simultaneous satisfaction of such obligations): (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral or the Prepetition Collateral or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claims, the Prepetition Liens, the Adequate Protection Liens, or the 507(b) Claims, except as expressly set forth in this Final Order or the DIP Documents; (ii) the use of Cash Collateral for any purpose other than as permitted in the Budget, the DIP Documents, and this Final Order; or (iii) any modification of any of the DIP Agent's, any DIP Lender's, or any Prepetition Secured Party's rights under the Interim Order, this Final Order, the DIP Documents, or the Prepetition Documents with respect any DIP Obligations or Prepetition Secured Obligations.

(b) The Debtors (and/or their legal and financial advisors in the case of clauses (ii) through (iv) below) will, whether or not the DIP Obligations (excluding contingent indemnification obligations for which no claim has been asserted) have been indefeasibly paid in

full in cash, (i) maintain books, records, and accounts to the extent and as required by the DIP Documents and the Prepetition Documents (and subject to the applicable grace periods set forth therein); (ii) reasonably cooperate with, consult with, and provide to the DIP Agent and the Prepetition Agents all such information and documents that any or all of the Debtors are obligated (including upon reasonable request by any of the DIP Agent or the Prepetition Agents) to provide under the DIP Documents, the Prepetition Documents, or the provisions of this Final Order; (iii) authorize their independent certified public accountants, financial advisors, investment bankers and consultants, including Berkeley Research Group LLC and Moelis & Company to cooperate and consult with the DIP Agent (and, so long as an Event of Default has occurred and is continuing, each DIP Lender) and the Prepetition Agents; (iv) upon reasonable advance notice, permit the DIP Agent, the DIP Lenders, and the Prepetition Agents to visit and inspect any of the Debtors' respective properties, to examine and make abstracts or copies from any of their respective books and records, to tour the Debtors' business premises and other properties, and to discuss their respective affairs, finances, properties, business operations, and accounts with their respective officers, employees, independent public accountants, and other professional advisors (other than legal counsel) as and to the extent required by the DIP Documents and/or the Prepetition Documents; (v) permit the DIP Agent and the Prepetition Agents to consult with the Debtors' management and advisors on matters concerning the Debtors' businesses, financial condition, operations, and assets; and (vi) upon reasonable advance notice, permit the DIP Agent and the Prepetition Agents to conduct, at their discretion and at the Debtors' cost and expense, field audits, collateral examinations, and liquidation valuations at reasonable times in respect of any or all of the DIP Collateral or the Prepetition Collateral, in accordance with the DIP Documents and the Prepetition Documents.

22. Credit Bidding. In connection with any sale process authorized by the Court, whether effectuated through sections 363, 725, or 1123 of the Bankruptcy Code, the DIP Agent, DIP Lenders, and Prepetition Secured Parties may credit bid up to the full amount of the outstanding DIP Obligations or the relevant Prepetition Obligations, as applicable, in each case including any accrued and unpaid interest, expenses, fees, and other obligations for their respective priority collateral (each such bid, a "Credit Bid") pursuant to section 363(k) of the Bankruptcy Code, subject in each case to the Intercreditor Agreement; *provided*, that any Credit Bid includes cash consideration sufficient to pay in full any obligations with senior liens on the collateral that is subject to the Credit Bid.

23. Proceeds of Subsequent Financing. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Cases or any Successor Cases shall obtain credit or incur debt pursuant to sections 364(b), 364(c), 364(d) of the Bankruptcy Code in violation of the DIP Documents or this Final Order at any time prior to the indefeasible repayment in full of all DIP Obligations and the termination of the DIP Agent's and DIP Lenders' obligation to extend credit under the DIP Facility, including subsequent to the confirmation of any plan with respect to any or all of the Debtors (if applicable), then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied in accordance with this Final Order and the DIP Documents.

24. Maintenance of DIP Collateral. Until the indefeasible payment in full of all DIP Obligations, all Prepetition Secured Obligations, and the termination of the DIP Agent's and the DIP Lenders' obligation to extend credit under the DIP Facility, the Debtors shall (a) insure the DIP Collateral as required under the DIP Facility or the Prepetition Documents, as

applicable; (b) maintain the cash management system in effect as of the Petition Date, as modified by any order entered by the Court; and (c)(i) maintain accurate records of all transfers (including intercompany transactions) within the cash management system so that all postpetition transfers and transactions shall be adequately and promptly documented in, and readily ascertainable from, their books and records, to the same extent maintained by the Debtors before the Petition Date, and (ii) provide reasonable access to such records to the DIP Agent and the legal and financial advisors to the Ad Hoc Committee of Crossholder Lenders.

25. Disposition of DIP Collateral. The Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral other than in the ordinary course of business without the prior written consent of the DIP Agent and the Prepetition Agents (and no such consent shall be implied, from any other action, inaction, or acquiescence by the DIP Agent, DIP Lenders, or the Prepetition Secured Parties), except as otherwise provided for in the DIP Documents or the Restructuring Support Agreement or as ordered by the Court, and subject in all respects to the Intercreditor Agreement.

26. DIP Termination Date. On the DIP Termination Date (as defined below), subject to the Carve-Out (as defined below), (a) all DIP Obligations shall be immediately due and payable, all commitments to extend credit under the DIP Facility will terminate, other than as required in paragraph 36 with respect to the Carve-Out (as defined below); (b) all authority to use Cash Collateral shall cease, *provided, however*, that during the Remedies Notice Period (as defined below), the Debtors may use Cash Collateral solely to meet payroll obligations and pay expenses necessary to avoid immediate and irreparable harm to the Debtors' estates, in accordance with the Budget (subject to the Permitted Variance), and as otherwise agreed by the DIP Agent at the direction of the Required Lenders; and (c) otherwise exercise rights and

remedies under the DIP Documents in accordance with this Final Order. For the purposes of this Final Order, the "DIP Termination Date" (as defined below) shall mean the "Termination Date" as defined in the DIP Credit Agreement.

27. Events of Default. The occurrence of any of the following events, unless waived by the Required Lenders in writing and in accordance with the terms of the DIP Credit Agreement, shall constitute an event of default (collectively, the "Events of Default") under this Final Order: (a) the failure of the Debtors to perform, in any respect, any of the terms, provisions, conditions, covenants, or obligations under this Final Order, subject to a three-day cure period (if such failure is capable of being cured); or (b) the occurrence of an "Event of Default" as defined in the DIP Credit Agreement. Upon the indefeasible payment in full in cash of the DIP Obligations (a "DIP Repayment"), the foregoing events of default may be waived by the Prepetition Agents.

28. Milestones. As a condition to the DIP Facility and the use of Cash Collateral, the Debtors shall comply with the following "Milestones," the failure of the Debtors to comply with any of which shall constitute an Event of Default under each of the DIP Credit Agreement and this Final Order and, subject to the expiration of the Remedies Notice Period, result in the automatic termination of the Debtors' authority to use Cash Collateral under this Final Order, and permit the DIP Agent, subject to the terms of paragraph 30, to exercise the rights and remedies provided for in this Final Order and the DIP Documents:

(a) As soon as practicable, but in no event later than the date that is sixty-five (65) calendar days after the Petition Date, the Bankruptcy Court shall have entered an order approving a disclosure statement for a chapter 11 plan (the "**Disclosure Statement Order**"); and

(b) As soon as practicable, but in no event later than the date that is sixty-five (65) calendar days after entry of the Disclosure Statement Order, the Bankruptcy Court shall have entered an order confirming a chapter 11 plan.

29. [Reserved].

30. Rights and Remedies Upon Event of Default. Immediately upon the occurrence and during the continuation of an Event of Default, notwithstanding the provisions of section 362 of the Bankruptcy Code, without any application, motion or notice to, hearing before, or order of the Court, but subject to the terms of this Final Order, (a) the DIP Agent may declare (i) all outstanding DIP Obligations to be immediately due and payable, (ii) the termination of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the DIP Facility, (iii) termination of the DIP Facility and the DIP Documents as to any future liability or obligation of the DIP Agent and the DIP Lenders, without affecting any of the DIP Liens or the DIP Obligations, and (iv) that the application of the Carve-Out (as defined below) has occurred through the delivery of the Carve-Out Trigger Notice (as defined below) to the Debtors; and (b) the Prepetition Agents may declare the termination of the Debtors' ability to use Cash Collateral (any such declaration shall be referred to as a "DIP Termination Declaration" and the date on which a Termination Declaration is delivered shall be referred to as the "DIP Termination Date"). A Termination Declaration shall be given by electronic mail (or other electronic means) to counsel to the Debtors, counsel to a Committee (if appointed), counsel to the DIP Agent (if made by the Prepetition Agents) or counsel to each of the Prepetition Agents (if made by the DIP Agent), and the U.S. Trustee. The automatic stay is hereby modified so that five (5) business days after the date a Termination Declaration is delivered (such five-day period, the "Remedies Notice Period"), the DIP Agent and the DIP

Lenders shall be entitled to exercise their rights and remedies in accordance with the DIP Documents and this Final Order, subject in all respects to the Carve-Out (as defined below). During the Remedies Notice Period, the Debtors and/or a Committee (if appointed) shall be entitled to seek an emergency hearing from the Court, and upon and after delivery of the Termination Notice, the DIP Agent is deemed to have consented to such emergency hearing. The Debtors hereby waive their right to and shall not be entitled to seek relief, including under section 105 of the Bankruptcy Code or otherwise, to the extent that such relief would in any way impair or restrict the express rights and remedies granted to the DIP Agent and the DIP Lenders under this paragraph 30. Unless the Court orders otherwise, the automatic stay shall automatically be terminated at the end of the Remedies Notice Period without further notice or order as to the DIP Agent and the DIP Lenders, subject to the Carve-Out (as defined below). Upon the occurrence and during the continuation of an Event of Default, the DIP Agent and any liquidator or other professional will have the right to access and utilize, at no cost or expense, any trade names, trademarks, copyrights, or other intellectual property of the Debtors to the extent necessary or appropriate in order to sell, lease, or otherwise dispose of any of the DIP Collateral, including pursuant to any Court-approved sale process.

31. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Final Order. Based on the findings set forth in the Interim Order and this Final Order and the record made during the Interim Hearing and the Final Hearing, if any, and in accordance with section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Final Order are hereafter modified, amended, or vacated by a subsequent order of this Court or any other court of competent jurisdiction, the DIP Agent, the DIP Lenders, and Prepetition Secured Parties are entitled to the protections provided in section 364(e) of the

Bankruptcy Code. Any such modification, amendment, or vacatur shall not affect the validity and enforceability of any advances previously made or made hereunder, or lien, claim, or priority authorized or created hereby, unless such authorization and the incurring of such debt, or the granting of such priority or lien, is stayed pending appeal.

32. Payment of Fees and Expenses. The Debtors are authorized and directed to pay all reasonable and documented prepetition and postpetition fees and out-of-pocket expenses of the DIP Agent and DIP Lenders in connection with the DIP Facility, as provided in the DIP Documents, and the transactions contemplated thereby, including attorneys' fees, monitoring and appraisal fees, financial advisory fees, fees and expenses of other consultants, and indemnification and reimbursement of fees and expenses. Any time that Professionals of the DIP Agent and the DIP Lenders seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work-product doctrine) to the U.S. Trustee and counsel to the Committee (if appointed) contemporaneously with the delivery of such fee and expense statements to the Debtors. After delivery of a fee and expense statement or invoice, the Debtors, the U.S. Trustee, and the Committee (if appointed) shall have ten (10) days to raise an objection thereto. If an objection is timely raised, such objection shall be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such fee and expense statement or invoice shall be paid promptly by the Debtors. Notwithstanding the foregoing, the Debtors are authorized and

directed to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the DIP Agent and the DIP Lenders incurred on or prior to such date without the need for any professional engaged by the DIP Agent or the DIP Lenders to first deliver a copy of its invoice as provided for herein. No attorney or advisor to the DIP Agent or the DIP Lenders shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to the (i) DIP Agent or DIP Lenders in connection with the DIP Facility and (ii) Prepetition Secured Parties in connection with the Chapter 11 Cases, are hereby approved in full.

33. Indemnification. Effective as of the Court's entry of the Interim Order and as ratified by this Final Order, the Debtors shall indemnify and hold harmless the DIP Agent and the DIP Lenders in accordance with the terms and conditions of the DIP Credit Agreement.

34. Proofs of Claim. The DIP Agent, the DIP Lenders, and the Prepetition Secured Parties will not be required to file proofs of claim in any of the Chapter 11 Cases or Successor Cases for any claim allowed herein. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Chapter 11 Cases or Successor Cases to the contrary, each of the Prepetition First Lien Agent and the Prepetition Second Lien Agent is hereby authorized and entitled, in its sole discretion, to file a master proof of claim on behalf of the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties, as applicable, in each of the Chapter 11 Cases or Successor Cases. Any proof of claim filed by the Prepetition First Lien Agent or the Prepetition Second Lien Agent shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by any of the Prepetition First Lien Secured Parties or the Prepetition Second Lien Secured Parties, respectively. The

provisions of this paragraph 34 and each master proof of claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in these Chapter 11 Cases or to assert that the amount of its claim is different from that set forth on the applicable master proof of claim. The master proofs of claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the applicable Prepetition Secured Party.

35. Professional Fees Account.

(a) Contemporaneously with the initial funding of the DIP Loans, the Debtors shall (i) transfer in an amount equal to the total budgeted weekly fees and expenses incurred by persons or firms retained by the Debtors pursuant to sections 327, 328, or 363 of the Bankruptcy Code (such persons or firms, the "Debtor Professionals") and any persons or firms retained by any Committee (the "Committee Professionals" and, together with the Debtor Professionals, the "Professional Persons" and, such fees and expenses of the Professional Persons, the "Professional Fees") for the first two weekly periods set forth in the Budget and (ii) thereafter, on a weekly basis, transfer cash proceeds from the DIP Facility or cash on hand in an amount equal to the aggregate unpaid amount of Estimated Fees and Expenses (as defined below) included in all Weekly Statements (as defined below) timely received by the Debtors, which shall be reported to the DIP Agent (or, in the event of a DIP Repayment, the Prepetition Agents), or if an estimate is not provided, the total budgeted weekly fees of Professional Persons for the prior week set forth in the Budget, in each case, into a segregated account not subject to the control, liens, security interests, or claims of the DIP Agent, any DIP Lender, or any

Prepetition Secured Party (the "Professional Fees Account").

(b) Starting with the third full calendar week following the Petition Date, each Professional Person shall deliver to the Debtors a statement (each such statement, a "Weekly Statement") setting forth a good-faith estimate of the amount of unpaid fees and expenses incurred during the preceding week by such Professional Person (the "Estimated Fees and Expenses"). No later than one business day after the delivery of a Carve-Out Trigger Notice (as defined below) (the "Carve-Out Statement Date"), each Professional Person shall deliver one additional statement to the Debtors setting forth a good-faith estimate of the amount of Estimated Fees and Expenses incurred on and during the period prior to the Carve-Out Statement Date to the extent not otherwise paid or included in a previous Weekly Statement, and the Debtors shall transfer such amounts to the Professional Fees Account.

(c) The Debtors shall be authorized to use funds held in the Professional Fees Account to pay Professional Fees as they become allowed and payable pursuant to any interim or final order of the Bankruptcy Court or otherwise; provided, that when all allowed Professional Fees have been paid in full (regardless of when such Professional Fees are allowed by the Bankruptcy Court) and the Carve-Out (as defined below) is funded, any funds remaining in the Professional Fees Account shall revert to the DIP Funding Account for use in a manner not inconsistent with this Final Order; provided, further, that the Debtors' obligations to pay allowed Professional Fees shall in no way be limited or deemed limited to funds held in the Professional Fees Account.

(d) Notwithstanding anything herein to the contrary, (i) funds transferred to the Professional Fees Account shall be held in trust exclusively for the Professional Persons, including with respect to obligations arising out of the Carve-Out (as defined below)

and (ii) funds transferred to the Professional Fees Account shall not be subject to any liens or claims granted to the DIP Lenders herein or any liens or claims granted to the Prepetition Secured Parties as adequate protection, and shall not constitute DIP Collateral, Prepetition Collateral, or Cash Collateral; provided, that the DIP Collateral and the Prepetition Collateral shall include a reversionary interest in funds held in the Professional Fees Account, if any, after all allowed Professional Fees have been paid in full (regardless of when such Professional Fees are allowed by the Bankruptcy Court) and the Carve-Out (as defined below) is funded.

(e) Notwithstanding anything herein to the contrary, (i) the Court has jurisdiction over the Professional Fees Account, (ii) all payments from the Professional Fees Account are subject to allowance by the Court, (iii) the beneficiary professionals will indemnify the estate for any losses to the account, and (iv) the Debtors shall report all disbursements from the account in the monthly operating reports submitted to the Court.

36. Carve-Out.

(a) As used in this Final Order, the term "Carve-Out" means the sum of: (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the notice set forth in clause (iv) below); (ii) fees and expenses up to $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in clause (iv) below); (iii) to the extent allowed at any time, whether by interim or final compensation order, all professional fees of Professional Persons (collectively, the "Allowed Professional Fees") incurred at any time before or on the first business day after delivery by the DIP Agent of a Carve-Out Trigger Notice (as defined below), whether allowed by the Bankruptcy Court prior to or after delivery of a Carve-Out Trigger Notice (as defined below) and without regard to whether such fees and expenses are

provided for in the Budget; and (iv) Allowed Professional Fees incurred after the first Business Day following delivery by the DIP Agent of the Carve-Out Trigger Notice (as defined below) (including transaction fees or success fees earned or payable to a Professional Person) in an aggregate amount not to exceed $1,500,000 with respect to Professional Persons (the amount set forth in this clause (iv) being the "Post-Carve-Out Trigger Notice Cap").

(b) For purposes of the foregoing, "Carve-Out Trigger Notice" shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (or, following a DIP Repayment, the Prepetition Agents) to the Debtors, their lead restructuring counsel (Weil, Gotshal & Manges LLP), the U.S. Trustee, and lead counsel to the Committee (if any), which notice may be delivered following the occurrence and during the continuation of an Event of Default and acceleration of the obligations under the DIP Facility (or, following a DIP Repayment, any occurrence that would constitute an Event of Default hereunder) or the occurrence of the Maturity Date (as defined in the DIP Credit Agreement), stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(c) On the day on which a Carve-Out Trigger Notice is received by the Loan Parties, the Carve-Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand (including cash contained in the DIP Funding Account) to transfer to the Professional Fees Account cash in an amount equal to all obligations benefitting from the Carve-Out; *provided*, *however*, that all amounts referenced in paragraph 36(a)(i) and (ii) of this Final Order shall be paid directly to the intended beneficiaries.

(d) For the avoidance of doubt, to the extent that professional fees and expenses of the Professional Persons have been incurred by the Debtors at any time before or on the first business day after delivery by the DIP Agent (or, following a DIP Repayment, the

Prepetition Agents) of a Carve-Out Trigger Notice but have not yet been allowed by the Bankruptcy Court on the date that the DIP Agent (or, following a DIP Repayment, the Prepetition Agents) delivers a Carve-Out Trigger Notice, such professional fees and expenses of the Professional Persons shall constitute Allowed Professional Fees benefiting from the Carve-Out upon their allowance by the Bankruptcy Court, whether by interim or final compensation order and whether before or after delivery of the Carve-Out Trigger Notice, and the Debtors shall fund the Professional Fees Account in the amount of such professional fees and expenses.

(e) Following delivery of a Carve-Out Trigger Notice, the DIP Agent shall deposit into the Professional Fees Account any cash swept or foreclosed upon (including cash received as a result of the sale or other disposition of any assets) until the Professional Fees Account has been fully funded in an amount equal to all obligations benefiting from the Carve-Out. Notwithstanding anything to the contrary herein or in the DIP Documents, following delivery of a Carve-Out Trigger Notice, the DIP Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Professional Fees Account has been fully funded in an amount equal to all obligations benefiting from the Carve-Out. Further, notwithstanding anything to the contrary herein, (i) disbursements by the Debtors from the Professional Fees Account shall not constitute DIP Loans, (ii) the failure of the Professional Fees Account to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out, and (iii) in no way shall the Carve-Out, Professional Fees Account, a Budget, the Permitted Variance, Weekly Statements, Estimated Fees and Expenses, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Bankruptcy Court at any time (whether by interim order, final order, or otherwise).

(f) Proceeds from the DIP Facility not to exceed the Investigation Budget Amount may be used on account of professional fees and expenses of Committee Professionals in connection with the Investigation, which obligations will benefit from the Carve-Out in an amount not to exceed the Investigation Budget Amount to the extent unpaid as of the delivery of a Carve-Out Trigger Notice.

(g) Notwithstanding anything to the contrary contained herein or in the DIP Documents, no Conversion Prepayment (as defined in the DIP Credit Agreement) shall occur unless and until the Carve-Out is funded.

(h) For the avoidance of doubt and notwithstanding anything to the contrary herein or in the DIP Documents, the Carve-Out shall be senior to all liens securing and all claims on account of the DIP Facility, any adequate protection liens, and superpriority claims (whether granted on account of the DIP Facility, as adequate protection, or otherwise), and any and all other liens and claims. For the avoidance of doubt, if a DIP Repayment occurs or the DIP Facility is otherwise terminated, this Final Order shall remain in full force and effect, including with respect to the Debtors' use of Cash Collateral, the Carve-Out, the Professional Fees Account, and all related provisions in respect thereof, and the Prepetition Agents shall assume any rights and obligations that the DIP Agent previously had with respect to the Carve-Out and the Professional Fees Account.

37. No Direct Responsibility for Fees or Disbursements. Subject to any of the DIP Agent's, DIP Lenders', or Prepetition Secured Parties' obligations with respect to the Carve-Out and the Professional Fees Account, none of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties shall be (i) responsible for the direct payment or reimbursement of any fees or disbursements of any Professional Persons incurred in connection with the Chapter

11 Cases or any Successor Cases, or (ii) obligated in any way to compensate, or to reimburse expenses of, any Professional Persons or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

38. Limitations on Use of DIP Proceeds, Cash Collateral, and Carve-Out. No proceeds of the DIP Facility, the DIP Collateral, or the Prepetition Collateral, in each case, including Cash Collateral, and no portion of the Carve-Out or Professional Fees Account may be used in connection with (a) except to contest the occurrence of an Event of Default, preventing, hindering, or delaying any of the DIP Agent's or the DIP Lenders' realization upon any of the DIP Collateral or enforcement of any of their respective rights thereto in accordance with paragraph 30; (b) for any purpose that is prohibited under the Interim Order, this Final Order, the DIP Documents, or the Bankruptcy Code; (c) to finance in any way: (i) any adversary action, suit, arbitration, proceeding, application, motion, or other litigation of any type adverse to the interests of any or all of the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, or employees, or their respective rights and remedies under DIP Loan Documents, the Interim Order, this Final Order, or the Prepetition Documents, including, without limitation, any actions under chapter 5 of the Bankruptcy Code, section 724(a) of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code or applicable state law equivalents, or (ii) any other action, which with the giving of notice or passing of time, would result in an Event of Default under the DIP Loan Documents; (d) for the payment of fees, expenses, interest, or principal under the Prepetition Documents (in each case, other than payments on account of the Adequate Protection Obligations); (e) unless the Exit Conversion occurs, to make any distribution under a plan of reorganization in the Chapter 11 Cases that does not provide for the

indefeasible payment of the DIP Loans in full and in cash (including the Redemption Premium); (f) except as permitted by the Budget (including Permitted Variances) to make any payment in settlement of any claim, action, or proceeding in excess of $500,000 in the aggregate without the prior written consent of the DIP Agent, acting at the direction of the Required Lenders; (g) selling or otherwise disposing of the DIP Collateral without the consent of the DIP Agent; (h) incurring Indebtedness (as defined in the DIP Credit Agreement), except to the extent permitted under the DIP Credit Agreement; (i) seeking to amend or modify any of the rights granted to the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties under the Interim Order, this Final Order, the DIP Documents, or the Prepetition Documents; or (j) seeking to subordinate, recharacterize, disallow, or avoid the DIP Obligations or the Prepetition Secured Obligations; *provided*, *however*, that the Cash Collateral and/or proceeds of the DIP Facility may be used for allowed fees and expenses, in an amount not to exceed $50,000 in the aggregate (the "Investigation Budget Amount"), incurred solely by a Committee (if appointed), in investigating (but not prosecuting or challenging) the validity, enforceability, perfection, priority, or extent of the Prepetition Liens (the "Investigation") before the Challenge Deadline (as defined below).

39. Payment of Compensation. So long as an unwaived Event of Default has not occurred, the Debtors shall be permitted to pay fees and expenses allowed and payable by final order (that has not been vacated or stayed, unless the stay has been vacated) under sections 328, 330, 331, and 363 of the Bankruptcy Code, as the same may be due and payable, in accordance with the DIP Documents.

40. Effect of Stipulations on Third Parties.

(a) *Generally*. The admissions, stipulations, agreements, releases, and waivers set forth in the Interim Order and this Final Order (collectively, the "Stipulations") shall

be binding on the Debtors, any trustee, or any other estate representative appointed in the Chapter 11 Cases or any Successor Cases. The Stipulations shall also be binding on all creditors and other parties in interest and all of their respective successors and assigns, including, without limitation, a Committee (if appointed), unless, and solely to the extent that, a party in interest with standing and requisite authority (i) has timely commenced an appropriate proceeding or contested matter required under the Bankruptcy Code and Bankruptcy Rules, including, without limitation, as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 40) challenging any of the Stipulations (each such proceeding or contested matter, a "Challenge") by no later than (a) for a Committee (if appointed), 60 days from its formation or (b) for all other parties in interest (excluding the Debtors), 75 days following the entry of the Interim Order (the "Challenge Deadline"), as such deadline may be extended in writing from time to time in the sole discretion of the Prepetition First Lien Agent (with respect to the Prepetition Senior Liens and Prepetition First Lien Obligations or the adequate protection afforded to the Prepetition First Lien Secured Parties) and the Prepetition Second Lien Agent (with respect to the Prepetition Junior Liens and the Prepetition Second Lien Obligations or the adequate protection afforded to the Prepetition Second Lien Secured Parties) or by this Court for good cause shown pursuant to an application filed by a party in interest prior to the expiration of the Challenge Deadline, and (ii) this Court enters judgment in favor of the plaintiff or movant in any such timely and properly commenced Challenge and any such judgment has become a final judgment that is not subject to any further review or appeal, and then only to the extent of any such final judgment.

(b) *Binding Effect.* To the extent no Challenge is timely and properly commenced by the Challenge Deadline, or to the extent such Challenge does not result in a final

and non-appealable judgment or order that is inconsistent with any of the Stipulations, then, without further notice, motion, or application to, order of, or hearing before, this Court and without the need or requirement to file any proof of claim, the Stipulations shall, pursuant to this Final Order, become irrevocably binding on any person, entity, or party in interest in the Chapter 11 Cases, as well as their successors and assigns, and in any Successor Case for all purposes and shall not be subject to further challenge or objection. Notwithstanding anything to the contrary herein, if any Challenge is properly and timely commenced by a party in interest, the Stipulations shall nonetheless remain binding on all other parties in interest. To the extent any Challenge is timely and properly commenced and is unsuccessful, the Prepetition Secured Parties shall be entitled to, as adequate protection, payment of the related costs and expenses, including, but not limited to, reasonable and documented attorneys' fees, incurred in defending themselves against any unsuccessful Challenge.

41. No Third-Party Rights. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder, or any direct, indirect, or incidental beneficiary.

42. Section 506(c) Claims. Except to the extent of the Carve-Out, no costs or expenses of administration that have been or may be incurred in the Chapter 11 Cases at any time shall be charged against the DIP Agent, the DIP Lenders, the Prepetition First Lien Agent, the Prepetition First Lien Lenders, the Prepetition First Lien Hedge Counterparties, the Prepetition Second Lien Agent, or the Prepetition Second Lien Lenders, the DIP Collateral, or the Prepetition Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of the DIP Agent, the Prepetition First Lien Agent, or the Prepetition Second Lien Agent, as applicable, and no such consent shall be implied from

any action, inaction, or acquiescence by any party.

43. No Marshaling/Applications of Proceeds. The DIP Agent, the DIP Lenders, the Prepetition First Lien Agent, the Prepetition First Lien Lenders, the Prepetition First Lien Hedge Counterparties, the Prepetition Second Lien Agent, and the Prepetition Second Lien Lenders shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral.

44. Section 552(b). The Prepetition First Lien Agent, the Prepetition First Lien Lenders, the Prepetition First Lien Hedge Counterparties, the Prepetition Second Lien Agent, and the Prepetition Second Lien Lenders shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the "equities of the case" exception thereunder shall not apply to any of them.

45. Limits on Lender Liability. Nothing in this Final Order, any of the DIP Documents, the Prepetition Documents, or any other documents related thereto, shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties of any liability for any claims arising from any activities by the Debtors in the operation of their businesses or in connection with the administration of these Chapter 11 Cases or any Successor Cases. The DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall not, solely by reason of having made loans under the DIP Facility or authorizing the use of Cash Collateral, be deemed in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in

this Final Order or the DIP Documents, shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, or any of the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors.

46. Insurance Proceeds and Policies. Effective as of the Court's entry of the Interim Order and as ratified by this Final Order, and to the fullest extent provided by applicable law, the DIP Agent (on behalf of the DIP Lenders), the Prepetition First Lien Agent (on behalf of the Prepetition First Lien Lenders and the Prepetition First Lien Hedge Counterparties), and the Prepetition Second Lien Agent (on behalf of the Prepetition Second Lien Lenders), shall be, and shall be deemed to be, without any further action or notice, named as additional insured and loss payee on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral.

47. Joint and Several Liability. Nothing in this Final Order shall be construed to constitute a substantive consolidation of any of the Debtors' estates, it being understood, however, that the Debtors shall be jointly and severally liable for the obligations hereunder and all DIP Obligations in accordance with the terms hereof and of the DIP Documents.

48. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, subject to the Prepetition Documents and the Intercreditor Agreement: (a) the DIP Agent's, DIP Lenders', and Prepetition Secured Parties' rights to seek any other or supplemental relief; (b) any of the rights of any of the DIP Agent, DIP Lenders, and/or the Prepetition Secured Parties under the Bankruptcy Code or applicable non-bankruptcy law, including, without limitation, the right to (i) request modification of the automatic stay imposed by section 362 of

the Bankruptcy Code, (ii) request dismissal of any of the Chapter 11 Cases or Successor Cases, conversion of any of the Chapter 11 Cases to cases under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a chapter 11 plan or plans; or (c) any other rights, claims, or privileges (whether legal, equitable, or otherwise) of any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties. Notwithstanding anything herein to the contrary, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the Debtors', a Committee's (if appointed), or any party in interest's right to oppose any of the relief requested in accordance with the immediately preceding sentence except as expressly set forth in this Final Order. Entry of this Final Order is without prejudice to any and all rights of any party in interest with respect to any other position which any party in interest deems appropriate to raise in these Chapter 11 Cases or any Successor Cases.

49. No Waiver by Failure to Seek Relief. The failure of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under the Interim Order, this Final Order, the DIP Documents, the Prepetition Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties.

50. Binding Effect of Final Order. Immediately upon entry on the docket of this Court, the terms and provisions of this Final Order shall become binding upon the Debtors, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, all other creditors of any of the Debtors, any Committee, and all other parties in interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in any of the Chapter 11

Cases, any Successor Cases, or upon dismissal of any Case or Successor Case.

51. No Modification of Final Order. Until and unless the DIP Obligations and the Prepetition Secured Obligations (other than contingent obligations with respect to then unasserted claims) have been indefeasibly paid in full in cash (such payment being without prejudice to any terms or provisions contained in the DIP Facility which survive such discharge by their terms), and all commitments to extend credit under the DIP Facility have been terminated, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly, any modification, stay, vacatur, or amendment to this Final Order without the prior written consent of the DIP Agent, the Prepetition First Lien Agent, and the Prepetition Second Lien Agent, and no such consent shall be implied by any action or inaction of the DIP Agent or the Prepetition Agents.

52. Continuing Effect of Intercreditor Agreement. The Debtors, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties each shall be bound by, and in all respects of the DIP Facility shall be governed by, and be subject to all the terms, provisions, and restrictions of the Intercreditor Agreement.

53. Final Order Controls. In the event of any inconsistency between the terms and conditions of the DIP Documents, the Interim Order, and this Final Order, the provisions of this Final Order shall control.

54. Discharge. The DIP Obligations and the obligations of the Debtors with respect to the adequate protection provided herein shall not be discharged by the entry of an order confirming any plan of reorganization in any of the Chapter 11 Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no

claim has been asserted), on or before the effective date of such plan of reorganization, or each of the DIP Agent, the DIP Lenders, the Prepetition First Lien Agent, and the Prepetition Second Lien Agent, as applicable, has otherwise agreed in writing; *provided*, that the DIP Loans shall automatically and mandatorily convert into the Exit Term Loan A (including the Redemption Premium, as defined in the DIP Credit Agreement) upon the occurrence of the Exit Conversion (as defined in the DIP Credit Agreement, the "Exit Conversion") in accordance with the DIP Credit Agreement. None of the Debtors shall propose or support any plan of reorganization or sale of all or substantially all of the Debtors' assets, or order confirming such plan or approving such sale, that is not conditioned upon the indefeasible payment in full in cash of the DIP Obligations (other than contingent indemnification obligations for which no claim has been asserted), and the payment of the Debtors' obligations with respect to the adequate protection provided for herein, in full in cash within a commercially reasonable period of time (and in no event later than the effective date of such plan of reorganization or sale) or on such other terms as are set forth in the Restructuring Support Agreement (a "Prohibited Plan or Sale"), without the written consent of each of the DIP Agent, DIP Lenders, the Prepetition First Lien Agent, and Prepetition Second Lien Agent, as applicable. For the avoidance of doubt, the Debtors' proposal or support of a Prohibited Plan or Sale, or the entry of an order with respect thereto, shall constitute an Event of Default hereunder and under the DIP Documents.

55. Survival. The provisions of this Final Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in any of the Chapter 11 Cases; (b) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (c) dismissing any of the Chapter 11 Cases or any Successor Cases; or (d) pursuant to which this Court abstains from hearing any of the Chapter 11

Cases or any Successor Cases. The terms and provisions of this Final Order shall continue in the Chapter 11 Cases, in any Successor Cases, or following dismissal of the Chapter 11 Cases or any Successor Cases notwithstanding the entry of any orders described in clauses (a)-(d) above, and all claims, liens, security interests, and other protections granted to the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties pursuant to the Interim Order, this Final Order, and/or the DIP Documents shall maintain their validity and priority as provided by this Final Order until: (i) in respect of the DIP Facility, all the DIP Obligations have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted); and (ii) in respect of the Prepetition First Lien Facility, all of the Prepetition First Lien Obligations have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted); and (iii) in respect of the Prepetition Second Lien Facility, all of the Prepetition Second Lien Obligations have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted). The terms and provisions concerning the indemnification of the DIP Agent and the DIP Lenders shall continue in the Chapter 11 Cases, in any Successor Cases, following dismissal of the Chapter 11 Cases or any Successor Cases, following termination of the DIP Documents, and/or the indefeasible repayment of the DIP Obligations.

56. Payments Held in Trust. Except as expressly permitted in this Final Order or the DIP Credit Agreement, and subject to the Carve-Out, in the event that any person or entity receives any payment on account of a security interest in DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral, or receives any other payment with respect thereto from any other source prior to all DIP Obligations in accordance with the DIP Credit Agreement, such person or entity shall be deemed to have received, and shall hold, any such payment or

proceeds of DIP Collateral in trust for the benefit of the DIP Agent and the DIP Lenders and shall immediately turn over such proceeds to the DIP Agent, or as otherwise instructed by this Court, for application in accordance with the DIP Credit Agreement and this Final Order.

57. Headings. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Final Order.

58. Retention of Jurisdiction. The Court has and will retain jurisdiction to enforce the terms of, any and all matters arising from or related to the DIP Facility, and/or this Final Order.

59. DIP Election Procedures. Upon the Court's entry of the Interim Order, the DIP Election Procedures were approved and became binding. The DIP Agent may, in connection with allocations of the commitments under the DIP Facility or any other allocations contemplated to be made pursuant to the DIP Credit Agreement, conclusively rely on, and shall have no liability whatsoever with respect to, ownership information with respect to the Prepetition Secured Obligations as set forth on the Register (as defined in the First Lien Credit Agreement or Second Lien Credit Agreement, as applicable) as of the Election Deadline (as defined in the DIP Credit Agreement).

Sales Company ("ACSC"), dated June 13, 2015 (the "Original Javelin-MEC Coal Marketing Agreement"), as modified by the *Assumption and Assignment Agreement* between ACSC and Murray Global Commodities, Inc. ("MGC"), pursuant to which ACSC assigned to MGC all of its rights and obligations under the Original Javelin-MEC Marketing Agreement, dated September 15, 2015 (as amended, restated, or otherwise modified form time to time, the "Javelin Coal Marketing Agreement"). Prior to the Petition Date, the Debtors, as "Foresight Entities" (as defined in the Javelin Coal Marketing Agreement) and direct and indirect subsidiaries to MEC, utilized Javelin's services for international marketing and exporting of the Debtors' coal.

(ii) FELP, Foresight Coal Sales LLC, Javelin, and Uniper Global Commodities UK Limited ("Uniper"), are parties to that certain *Amended and Restated Master Coal Purchase and Sale Agreement*, dated January 1, 2019 (as amended, restated, or otherwise modified from time to time, including pursuant to any confirmation entered into thereunder, the "Javelin Coal Sales Agreement"). In addition, FELP executed a Parent Company Guarantee, dated January 1, 2019 (as amended, restated, or otherwise modified from time to time, the "Uniper Coal Sales Guaranty"; the Uniper Coal Sales Guaranty, together with the Javelin Coal Sales Agreement, collectively, the "Prepetition Javelin Coal Sales Documents"), in favor of Uniper with regard to certain obligations of Foresight Coal Sales LLC arising under the Javelin Coal Sales Agreement.

(iii) Following arm's-length, good faith negotiations and in connection with final approval of the Coal Sales Motion,[4] the Debtors and Javelin have agreed to (A) amend and restate the Javelin Coal Sales Agreement (as so amended and restated, together with all applicable

prepetition and postpetition confirmations, agreements and other documents entered into in connection therewith or incorporated by reference thereunder and as hereinafter amended and in effect from time to time, the "Postpetition Javelin Coal Sales Agreement") and (B) enter into a new Coal Marketing Agreement (as so amended and in effect from time to time, the "Postpetition Marketing Agreement," and together with the Postpetition Javelin Coal Sales Agreement, the "Javelin Agreements").

(iv) As described in the Javelin 9019 Motion,[5] the Debtors and Javelin have also executed, among other agreements, that certain Settlement Agreement pursuant to which the parties have agreed to, among other things, fix the net payable by Javelin to the Debtors as of the Petition Date (the "Settlement Agreement"). The aforementioned agreements are part of a global settlement and arrangement of which approval of this Final Order and the designation of Javelin and Uniper as DIP Secured Designated Coal Contract Counterparties under the DIP Documents as contemplated herein is a part.

5. *Findings Regarding the DIP Facility, Use of Cash Collateral and the Javelin Agreements.*

(a) Good cause has been shown for the entry of this Final Order.

(b) As set forth in the Herman Declaration, the Debtors have an ongoing and immediate need to continue obtaining credit pursuant to the DIP Facility, to perform under the Javelin Agreements, and to use the Cash Collateral in order to, among other things: (i) permit the orderly continuation of their respective businesses; (ii) maintain business relationships with their vendors, suppliers, customers, and other parties; (iii) make payroll; (iv) make capital expenditures; (v) make adequate protection payments; and (vi) pay the costs of the administration of the Cases and satisfy

other working capital and general corporate purposes of the Debtors. The Debtors require immediate access to sufficient working capital and liquidity through the incurrence of the new indebtedness for borrowed money and other financial accommodations to avoid irreparable harm by, among other things, preserving and maintaining the going concern value of the Debtors' business. The Debtors will not have sufficient sources of working capital and financing to operate their business or maintain their properties in the ordinary course of business throughout the Cases without the DIP Facility and authorized use of Cash Collateral. The Debtors require the services of Javelin to continue to market its coal in the international market and to provide hedging services. Subject to final approval of the Coal Sales Motion and the Javelin Agreements in connection herewith, Javelin has agreed to continue to provide such services and to purchase coal from the Debtors for re-sale in the international markets so long as Javelin and Uniper are designated as DIP Secured Designated Coal Contract Counterparties under this Final Order and the DIP Credit Agreement, as contemplated herein and therein.

(c) As set forth in the Herman Declaration, the Debtors are unable to obtain financing and other financial accommodations on more favorable terms from sources other than from the DIP Parties under the DIP Documents and are unable to obtain adequate unsecured credit allowable under Bankruptcy Code section 503(b)(1) as an administrative expense. Other than with respect to the Unencumbered Assets, the Debtors are also unable to obtain secured credit allowable under Bankruptcy Code sections 364(c)(1), 364(c)(2), and 364(c)(3) for the purposes set forth in the DIP Documents without the Debtors granting to the DIP Agent, for the benefit of itself and the DIP Parties, subject to the Carve Out as provided for herein and the Permitted Liens (if any), the DIP Liens (as defined herein) and the DIP Superpriority Claims (as defined herein) and, subject to the Carve Out, incurring the Adequate Protection Obligations (as defined herein), in each case,

under the terms and conditions set forth in this Final Order and the DIP Documents. For the avoidance of doubt, subject to the Carve Out, the DIP Liens include liens on and security interests in the Unencumbered Assets pursuant to Bankruptcy Code section 364(c)(2).

(d) The terms of the DIP Facility, the DIP Documents, the granting of DIP Secured Designated Coal Contract Counterparty status under the DIP Credit Agreement, as contemplated herein and therein, to Javelin and Uniper, and the use of Cash Collateral are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(e) The DIP Facility has been negotiated in good faith and at arm's length among the Debtors, the DIP Agent, the DIP Lenders (including the Backstop Parties (as defined herein)) and the DIP Secured Designated Coal Contract Counterparties, and all of the Debtors' obligations and indebtedness arising under, in respect of, or in connection with the DIP Facility, the DIP Documents and the Javelin Agreements, as incorporated by reference into the DIP Documents, including, without limitation, all loans (including the Roll-Up Loans) made to and guarantees issued by the Debtors pursuant to the DIP Documents and the Javelin Agreements, as incorporated by reference into the DIP Documents, and all other Obligations (as defined in the DIP Credit Agreement) (collectively, the "DIP Obligations") shall be deemed to have been extended by the DIP Agent, the DIP Lenders, and the DIP Secured Designated Coal Contract Counterparties, as applicable, in good faith as that term is used in Bankruptcy Code section 364(e) and in express reliance upon the protections offered by Bankruptcy Code section 364(e). The DIP Obligations, the DIP Liens and the DIP Superpriority Claims shall be entitled to the full protection of Bankruptcy Code section 364(e) in the event that this Final Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise and any liens or claims granted to the DIP

Agent, the DIP Lenders, or the DIP Secured Designated Coal Contract Counterparties hereunder arising prior to the effective date of any such vacatur, reversal or modification of this Final Order shall be governed in all respects by the original provisions of this Final Order, including entitlement to all rights, remedies, privileges and benefits granted herein.

(f) The Roll-Up Loans as provided for under the DIP Facility are appropriate and the DIP Lenders would not be willing to provide the New Money DIP Loans or extend credit to the Debtors thereunder without the inclusion of the Roll-Up Loans within the DIP Facility.

(g) The treatment of the Javelin Agreements as contemplated hereunder and under the DIP Documents was negotiated in good faith and at arm's length, and is fair, reasonable, and appropriate under the circumstances.

(h) The Debtors have requested entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the Local Rules. For the reasons set forth in the Motion, the declarations filed in support of the Motion, and the record presented to the Court at the Interim Hearing, absent granting the relief sought by this Final Order, the Debtors' estates will be immediately and irreparably harmed. Consummation of the DIP Facility, granting DIP Secured Designated Coal Contract Counterparty status to Javelin and Uniper under the DIP Credit Agreement, and authorization of the use of the Prepetition Collateral (including the Cash Collateral) in accordance with this Final Order and the DIP Documents are, therefore, in the best interests of the Debtors' estates and are consistent with the Debtors' fiduciary duties.

(i) Pursuant to section 2.8 of the Collateral Trust Agreement, and as set forth in the Restructuring Support Agreement, (x) the Prepetition Second Lien Noteholders have consented or are deemed to have consented to the terms of the DIP Facility and this Final Order, (y) the Prepetition Second Liens and the Second Lien Adequate Protection Liens are subordinate to the

Carve Out, the Permitted Liens, the DIP Liens, the First Lien Adequate Protection Liens (as defined herein) and Prepetition First Liens, and (z) the Prepetition Second Lien Obligations are subject to the Carve Out and the Permitted Liens and the prior payment in full of the DIP Obligations, the First Lien Adequate Protection Obligations and, solely as provided in the Collateral Trust Agreement, the Prepetition First Lien Obligations.

6. *Authorization of the DIP Facility, the DIP Documents and the Javelin Agreements.*

(a) The Debtors are hereby expressly authorized and empowered to execute and deliver and, on such execution and delivery, directed to perform under the DIP Documents, including the DIP Credit Agreement, which is hereby approved and incorporated herein by reference.

(b) Upon entry of this Final Order, the Borrower is hereby authorized to borrow, and the Guarantors are hereby authorized to guaranty, (i) borrowings (A) up to an aggregate principal amount of $100,000,000.00 in New Money DIP Loans (plus interest, fees, indemnities, and other expenses and other amounts provided for in the DIP Credit Agreement), and (B) an aggregate principal amount of $75,000,000.00 in Roll-Up Loans (plus interest, fees and other expenses and amounts provided for in the DIP Credit Agreement), with $1.00 of Prepetition First Lien Debt, in an amount not to exceed $75,000,000.00 in the aggregate, being rolled-up into the DIP Facility for each $1.00 of New Money DIP Loans actually funded, including New Money DIP Loans funded into escrow, and (ii) incur the DIP Secured Designated Coal Contract Obligations, subject to and in accordance with this Final Order and the DIP Documents.

(c) Proceeds of the DIP Loans and Cash Collateral shall be used solely for the purposes permitted under the DIP Credit Agreement, the Interim Order and this Final Order and in accordance with the Cash Flow Forecast (as defined below), the DIP Documents, the Interim Order and this Final Order.

(d) In furtherance of the foregoing and without further approval of this Court, each Debtor is authorized, and the automatic stay imposed by Bankruptcy Code section 362 is hereby lifted to the extent necessary and applicable, to perform all acts and to make, execute and deliver all instruments and documents (including, without limitation, the DIP Credit Agreement and any collateral documents contemplated thereby), and to pay all fees, expenses, indemnities, and other amounts contemplated thereby or that may be reasonably required or necessary for the Debtors' performance of their obligations under the DIP Facility including, without limitation:

(i) the execution, delivery, and performance of the DIP Documents, including, without limitation, the DIP Credit Agreement and any collateral documents contemplated thereby;

(ii) the execution, delivery and performance of one or more amendments, waivers, consents or other modifications to and under the DIP Documents (in each case in accordance with the terms of the DIP Documents and in such form as the Debtors, the DIP Agent and the Required Lenders (as defined in the DIP Credit Agreement) may agree), it being understood that no further approval of the Court shall be required for any amendments, waivers, consents or other modifications to and under the DIP Documents or the Cash Flow Forecast, except that any modifications or amendments to the DIP Documents that shorten the maturity thereof, or increase the aggregate commitments thereunder or the rate of interest payable with respect thereto, shall be on notice and subject to a hearing and Court approval, as necessary;

(iii) the non-refundable and irrevocable payment to each of the DIP Lenders or the DIP Agent, as applicable, of the fees referred to in the DIP Documents (which fees, in each case, were and were deemed to have been, approved upon entry of the Interim

Order, and which fees shall not be subject to any challenge, contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of any indemnification obligations under the DIP Documents, including:

- an upfront fee of 3.0% of the aggregate principal amount of New Money DIP Commitments (the "Upfront Fee"), which shall be structured as original issue discount against the New Money DIP Loans when advanced;

- an exit premium of 1.0% of the aggregate principal amount of the New Money DIP Commitments (the "Exit Premium"), payable in the form of equity in reorganized FELP upon the Plan Effective Date (as defined in the DIP Credit Agreement) pursuant to the terms and conditions set forth in the DIP Credit Agreement and the Restructuring Support Agreement; provided, however, that upon the occurrence of an Event of Default under the DIP Credit Agreement or upon repayment of the DIP Loans in full and termination of all New Money DIP Commitments without the occurrence of the Plan Effective Date, the Exit Premium shall be immediately payable in cash in an amount equal to $2,000,000.00;

- a put option premium of 5.0% of the aggregate principal amount of the New Money DIP Commitments of the Backstop Parties (as defined herein) (the "Put Option Premium"), payable in the form of equity in the reorganized FELP upon the Plan Effective Date pursuant to the terms and conditions set forth in the DIP Credit Agreement, the Restructuring Support Agreement and related backstop commitment arrangements; provided, however, that upon the occurrence of an Event of Default under the DIP Credit Agreement or upon repayment of the DIP Loans in full and termination of all New Money DIP Commitments without the occurrence of the Plan Effective Date, the Put Option Premium shall be immediately payable in cash in an amount equal to $10,000,000.00;

- a commitment fee on each DIP Lender's commitment to fund the Delayed Draw DIP Term Loans (the "Delayed Draw Term Loan Commitment Fee") at a rate per annum equal to 1.00%, payable pursuant to the terms and conditions set forth in the DIP Credit Agreement; and

- all reasonable costs and expenses as may become due from time to time under the DIP Documents, the Restructuring Support Agreement, the Interim Order and this Final Order, including, without limitation, fees and expenses of counsel, financial advisors and other professionals retained by the DIP Agent and the DIP Lenders as provided for in the DIP Documents, the Interim Order and this Final Order, subject to the provisions of paragraph 28 hereof;

(iv) make the payments on account of the First Lien Adequate Protection Obligations provided for in the Interim Order and this Final Order; and

(v) the performance of all other acts required under or in connection with the DIP Documents.

(e) Upon execution and delivery of the DIP Credit Agreement and the other DIP Documents, such DIP Documents shall constitute valid, binding, and non-avoidable obligations of the Debtors enforceable against each Debtor party thereto in accordance with their respective terms and the terms of the Interim Order and this Final Order for all purposes during the Cases, any subsequently converted Case of any Debtor to a case under chapter 7 of the Bankruptcy Code, or after the dismissal of any Case. No obligation, payment, transfer, or grant of security under the DIP Credit Agreement, the other DIP Documents, the Interim Order or this Final Order shall be stayed, restrained, voidable, avoidable or recoverable under the Bankruptcy Code or under any applicable law (including without limitation, under Bankruptcy Code sections 502(d), 548 or 549 or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, Uniform Voidable Transaction Act or similar statute or common law), or subject to any defense, reduction, setoff, recoupment or counterclaim.

(f) The Guarantors hereby are authorized and directed to jointly, severally and unconditionally guarantee in full all of the DIP Obligations of the Borrower and to incur any DIP Obligations and DIP Liens in connection therewith.

(g) Subject to final approval of the Coal Sales Motion, including the Javelin Agreements as contemplated therein, (i) the Debtors are authorized to designate Javelin and Uniper as DIP Secured Designated Coal Contract Counterparties under the DIP Documents and to perform their obligations under the Javelin Agreements as contemplated herein and therein; and (ii) the Debtors, on the one hand, and Javelin and Uniper, on the other, are authorized to setoff post-petition amounts owing to the other from time to time to the extent permitted by the Javelin Agreements; provided that none of the Javelin Agreements are being assumed hereunder.

7. *The Backstop DIP Parties and Syndication Procedures.*

(a) Funds and/or accounts affiliated with, or managed and/or advised by, Benefit Street Partners, LLC, DoubleLine Capital LP, GoldenTree Asset Management LP, Ivy Investments Management Company, KKR Credit Advisors (US) LLC, and Davidson Kempner Capital Management LP (together with their respective successors and permitted assignees, each a "Backstop Party" and collectively, the "Backstop Parties") will, severally and not jointly, backstop the DIP Facility in the amounts set forth in the DIP Documents and the Restructuring Support Agreement. Following entry of the Interim Order, (i) all eligible Prepetition First Lien Lenders (which, for the avoidance of doubt, includes any Backstop Party) were offered the right to participate in funding up to 46.375% of the New Money DIP Commitments based ratably on each such lender's holdings of Prepetition First Lien Debt and (ii) all eligible Prepetition Second Lien Noteholders (which, for the avoidance of doubt, includes any Backstop Party) were offered the right to participate in funding up to 3.625% of the New Money DIP Commitments based ratably on such noteholder's holdings of Prepetition Second Lien Debt, all as further set forth in the DIP Documents, the Restructuring Support Agreement and procedures satisfactory to the DIP Agent and the Backstop Parties, which included, among other things, a provision that required any such

The Debtors shall provide the DIP Lenders, the Ad Hoc First Lien Advisors, the Ad Hoc Crossover Advisors, and the Committee Advisors with all reporting and other information required to be provided to the DIP Agent under the DIP Documents. 10. *DIP Superpriority Claims*. Pursuant to Bankruptcy Code section 364(c)(1), all of the DIP Obligations shall constitute allowed senior administrative expense claims of the DIP Agent, the DIP Lenders, and the DIP Secured Designated Coal Contract Counterparties, as applicable, against each of the Debtors' estates (the "DIP Superpriority Claims"), without the need to file any proof of claim or request for payment of administrative expenses, with priority over any

12. *Carve Out*.

(a) Carve Out. As used in this Final Order, the "Carve Out" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the U.S. Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to $25,000.00 incurred by a trustee under Bankruptcy Code section 726(b) (without regard to the notice set forth in (iii) below); (iii) to the extent allowed, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the "Allowed Professional Fees") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "Debtor Professionals") and, subject to the Committee Monthly Cap, an official committee of unsecured creditors (the "Creditors' Committee") pursuant to Bankruptcy Code section 328 or 1103

[7] For the avoidance of doubt, "Permitted Liens" shall also include liens securing all pre and postpetition Cash Management Obligations (as defined in the DIP Credit Agreement) of the Debtors.

(the "Committee Professionals" and, together with the Debtor Professionals, the "Professional Persons") at any time before or on the first business day following delivery by the DIP Agent or the Required Lenders of a Carve Out Trigger Notice (as defined herein), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons, in an aggregate amount not to exceed $3,500,000.00, incurred after the first business day following delivery by the DIP Agent or the Required Lenders of the Carve Out Trigger Notice, to the extent allowed, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the "Post-Carve Out Trigger Notice Cap"). For purposes of the foregoing, "Carve Out Trigger Notice" shall mean a written notice delivered by email (or other electronic means) by the DIP Agent or the Required Lenders to the Debtors, their lead restructuring counsel, the U.S. Trustee, and lead counsel to the Creditors' Committee providing that a Termination Event (as defined herein) has occurred and stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Carve Out Reserves. On the day on which a Carve Out Trigger Notice is delivered (the "Termination Declaration Date"), the Carve Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of (i) the Allowed Professional Fees of Debtor Professionals, (ii) subject to the Committee Monthly Cap, the Allowed Professionals Fees of the Committee Professionals, and (iii) the obligations accrued as of the Termination Declaration Date with respect to clauses (i) and (ii) of the definition of Carve Out set forth in paragraph 12(a) above (the "Additional Carve Out Obligations"). The Debtors shall deposit and hold such amounts in a segregated account in a manner reasonably acceptable to the Required Lenders in trust to pay such then unpaid Allowed Professional Fees and Additional Carve

Out Obligations (the "Pre-Carve Out Trigger Notice Reserve") prior to the use of such reserve to pay any other claims. On the Termination Declaration Date, after funding the Pre-Carve Out Trigger Notice Reserve, the Debtors shall utilize all remaining cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap (the "Post-Carve Out Trigger Notice Reserve" and, together with the Pre-Carve Out Trigger Notice Reserve, the "Carve Out Reserves") prior to the use of such reserve to pay any other claims. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the Additional Carve Out Obligations (the "Pre-Carve Out Amounts"), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay any post-Termination Declaration Date obligations under clauses (i) and (ii) of the Carve Out definition in paragraph 12(a) above and then to pay the DIP Agent for the benefit of itself and the other DIP Parties, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all commitments under the DIP Facility have been terminated, in which case any such excess shall be paid to the Prepetition Secured Parties in accordance with their rights and priorities as provided in the Prepetition Credit Documents, the Collateral Trust Agreement, and this Final Order. All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the "Post-Carve Out Amounts"), and then, to the extent the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay any post-Termination Declaration Date obligations under clauses (i) and (ii) of the Carve Out definition in paragraph 12(a) above and then to pay the DIP Agent for the benefit of itself and the other DIP Parties, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all commitments under the DIP Facility have been terminated, in which case any such excess shall be

paid to the Prepetition Secured Parties in accordance with their rights and priorities as provided in the Prepetition Credit Documents, the Collateral Trust Agreement, and this Final Order. Notwithstanding anything to the contrary in the DIP Documents, or this Final Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph 12, then, any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in this paragraph 12, prior to making any payments to the DIP Agent or the Prepetition Secured Parties, as applicable. Notwithstanding anything to the contrary in the DIP Documents or this Final Order, following delivery of a Carve Out Trigger Notice, the DIP Agent and the Prepetition First Lien Agents shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a valid and perfected security interest in any residual interest in the Carve Out Reserves, with any excess paid to the DIP Agent for application in accordance with the DIP Documents and this Final Order. Further, notwithstanding anything to the contrary in this Final Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not increase or reduce the DIP Obligations, or constitute additional DIP Loans (unless, for the avoidance of doubt, additional DIP Loans are used to fund the Carve Out Reserves), (ii) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (iii) in no way shall the Cash Flow Forecast, Carve Out, Post-Carve Out Trigger Notice Cap or the Carve Out Reserves, or any of the foregoing, be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors to the Debtors' Professionals. For the avoidance of doubt and notwithstanding anything to the contrary in this Final Order, the DIP Facility or in

any Prepetition Credit Document, the Carve Out shall be senior to all liens and claims securing the DIP Facility, the First Lien Adequate Protection Liens, the Second Lien Adequate Protection Liens, the First Lien Adequate Protection Superpriority Claim, the Second Lien Adequate Protection Superpriority Claim, the Prepetition Liens, the Prepetition Secured Obligations and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition Secured Obligations.

(c) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(d) No Direct Obligation To Pay Allowed Professional Fees. None of the DIP Agent, DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(e) Payment of Carve Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out under the DIP Facility shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the

protections granted under this Final Order, the DIP Documents, the Bankruptcy Code, and applicable law.

13. *Limitation on Charging Expenses Against Collateral.* Effective as of the Petition Date, in light of the agreement of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties to allow (x) the Debtors to use Cash Collateral as provided for herein, (y) the Carve Out, and (z) for the subordination of the Prepetition Liens to the DIP Liens, no expenses of administration of the Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Prepetition Collateral or the DIP Collateral (except to the extent of the Carve Out), the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties pursuant to Bankruptcy Code sections 105(a) or 506(c) or any similar principle of law or equity, without the prior written consent of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties, as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties. Notwithstanding the foregoing, nothing contained in this paragraph shall affect or otherwise impact the charging lien available to the Prepetition First Lien Agents with respect to the Prepetition Collateral or any additional collateral subject to First Lien Adequate Protection Liens (as defined below) or funds or other property otherwise subject to distribution to recover payment of any unpaid fees, expenses or other amounts to which it is entitled under the Prepetition First Lien Credit Documents or the Collateral Trust Agreement, subject to the priority of the DIP Liens and DIP Claims in accordance with this Order.

14. *No Marshaling/Application of Proceeds.* Effective as of the Petition Date, the DIP Agent and the Prepetition Agents shall be entitled to apply the payments or proceeds of the DIP

Collateral and the Prepetition Collateral in accordance with the provisions of the Interim Order or this Final Order, as applicable, the DIP Documents and the Prepetition Credit Documents, as applicable, and in no event shall the DIP Agent, the DIP Lenders, or any of the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or Prepetition Collateral; provided that the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties, as applicable, shall first look to, and apply the proceeds of, all other DIP Collateral and Prepetition Collateral in satisfaction of the applicable obligations before resorting to the proceeds of Avoidance Actions.

15. *Equities of the Case.* Effective as of the Petition Date, in light of the agreement of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties to allow the Debtors to use Cash Collateral on the terms set forth herein, among other things, (i) the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall be entitled to all of the rights and benefits of Bankruptcy Code section 552(b) and (ii) the "equities of the case" exception under Bankruptcy Code section 552(b) shall not apply to such parties with respect to the proceeds, products, offspring or profits of any of the Prepetition Collateral or the DIP Collateral, as applicable.

16. *Use of Cash Collateral*. The Debtors were authorized under the Interim Order and are hereby authorized to use all Cash Collateral solely in accordance with this Final Order, the DIP Documents and the Cash Flow Forecast, including, without limitation, to make payments on account of the Adequate Protection Obligations and other obligations provided for in the Interim Order, this Final Order and the DIP Documents. Except on the terms and conditions of this Final Order, the Debtors shall be enjoined and prohibited from at any time using the Cash Collateral.

17. *Adequate Protection for the Prepetition First Lien Parties.* Subject only to the Carve Out and the terms of this Final Order, pursuant to Bankruptcy Code sections 361, 363(e),

and 364, and in consideration of the stipulations and consents set forth in the Interim Order and this Final Order, as adequate protection of their interests in the Prepetition Collateral (including Cash Collateral), for and equal in amount to the aggregate postpetition diminution in value of such interests (each such diminution, a "Diminution in Value"), resulting from the imposition of the priming DIP Liens on the Prepetition Collateral, the Carve Out, the sale, lease or use of the Prepetition Collateral (including Cash Collateral), the imposition of the automatic stay, and/or any other reason for which adequate protection may be granted under the Bankruptcy Code, the Prepetition First Lien Agents, for the benefit of themselves and the Prepetition First Lien Lenders, are hereby granted the following (collectively, the "First Lien Adequate Protection Obligations"):

(a) First Lien Adequate Protection Liens. As security for and solely to the extent of any Diminution in Value, additional and replacement valid, binding, enforceable non-avoidable, and effective and automatically perfected postpetition security interests in, and liens on, as of the date of the Interim Order (the "First Lien Adequate Protection Liens"), without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages, or other similar documents, all DIP Collateral. Subject to the terms of this Final Order, the First Lien Adequate Protection Liens shall be subordinate only to (A) the Carve Out, (B) the DIP Liens and (C) the Permitted Liens (if any). The First Lien Adequate Protection Liens shall otherwise be senior to all other security interests in, liens on, or claims against any of the DIP Collateral (including, for the avoidance of doubt, the Prepetition Liens, the Second Lien Adequate Protection Liens and any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under Bankruptcy Code section 551).

(b) First Lien Adequate Protection Superpriority Claim. As further adequate protection, and to the extent provided by Bankruptcy Code sections 503(b) and 507(b), an allowed administrative expense claim in the Cases to the extent of any postpetition Diminution in Value ahead of and senior to any and all other administrative expense claims in such Cases, except the Carve Out and the DIP Superpriority Claims (the "First Lien Adequate Protection Superpriority Claim"). The First Lien Adequate Protection Superpriority Claim shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof (excluding Avoidance Actions, but including the Avoidance Proceeds). Subject to the Carve Out and the DIP Superpriority Claims in all respects, the First Lien Adequate Protection Superpriority Claim will not be junior to any claims and shall have priority over all administrative expense claims against each of the Debtors, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expense claims of the kinds specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(d), 726, 1113 and 1114. The Prepetition First Lien Parties shall not receive or retain any payments, property or other amounts in respect of the First Lien Adequate Protection Superpriority Claims under Bankruptcy Code section 507(b) granted hereunder unless and until the DIP Obligations have been indefeasibly paid in full, in cash, or satisfied in a manner otherwise agreed to by the Required Lenders, in each case as provided in the DIP Documents.

(c) Fees and Expenses. As further adequate protection, the Debtors are authorized and directed to pay, without further Court order, reasonable and documented fees and expenses (the "First Lien Adequate Protection Fees"), whether incurred before or after the Petition Date, of the Prepetition First Lien Agents, and the Ad Hoc First Lien Group (as defined below), and the Ad Hoc Crossover Group (as defined below), including, without limitation, the reasonable and

documented fees and expenses of (a) Sullivan & Worcester LLP, counsel to the Prepetition First Lien Term Loan Agent and the Prepetition Collateral Trustee, (b) Buchanan Ingersoll & Rooney PC, counsel to the Prepetition First Lien Administrative Agent, together with one local counsel to the Prepetition First Lien Agents, (c) in accordance with its engagement letter, Conway McKenzie, Inc., as financial advisor to the Prepetition First Lien Administrative Agent, (d) one local counsel, Thompson Coburn LLP, and one lead counsel, Akin Gump, as counsel to the ad hoc group of certain Prepetition First Lien Lenders (the "Ad Hoc First Lien Group"), (e) in accordance with its engagement letter, one financial advisor, Lazard, as financial advisors to Ad Hoc First Lien Group, (f) one local counsel, Bryan Cave Leighton Paisner LLP, and one lead counsel, Milbank LLP, as counsel to the ad hoc group of certain Prepetition First Lien Lenders and Prepetition Second Lien Noteholders (the "Ad Hoc Crossover Group"), and (g) in accordance with its engagement letter, one financial advisor, Perella Weinberg Partners LP, as financial advisor Ad Hoc Crossover Group. The invoices for such fees and expenses shall not be required to comply with any particular format, may be in summary form only, and may include redactions. The applicable professional shall serve copies of the invoices supporting the First Lien Adequate Protection Fees on counsel to the Debtors, the U.S. Trustee and counsel to the Creditors' Committee (if any), and any First Lien Adequate Protection Fees shall be subject to prior ten day review by the Debtors, the U.S. Trustee and the Creditors' Committee (if any), and in the event the Debtors, the U.S. Trustee or the Creditors' Committee shall file with this Court an objection to any such legal invoice, the portion of such legal invoice subject to such objection shall not be paid until resolution of such objection by this Court. If no objection is filed within such ten day review period, such invoice shall be paid without further order of the Court within five days following the expiration of the foregoing review period and shall not be subject to any further review, challenge, or disgorgement.

For the avoidance doubt, the provision of such invoices shall not constitute a waiver of attorney-client privilege or any benefits of the attorney work product doctrine.

(d) First Lien Accrued Adequate Protection Payments. As further adequate protection, the Prepetition First Lien Agents, on behalf of the Prepetition First Lien Lenders, shall receive monthly adequate protection payments (the "First Lien Accrued Adequate Protection Payments"), payable in-kind on the thirtieth day of each month equal to the interest at the Applicable Rate (as defined in the Prepetition First Lien Credit Agreement) that would otherwise be owed to the Prepetition First Lien Lenders under the Prepetition First Lien Credit Agreement during such monthly period in respect of the Prepetition First Lien Obligations that are not Roll-Up Loans, until such time as the full Prepetition First Lien Obligations Amount is paid in full, in cash.

(e) Information Rights. The Debtors shall promptly provide the Prepetition First Lien Agents and the Ad Hoc First Lien Advisors, and the Committee Advisors, respectively, as well as the Ad Hoc Crossover Advisors, with all required financial reporting and other periodic reporting that is required to be provided to the DIP Agent the DIP Lenders, or the DIP Secured Designated Coal Contract Counterparties, as applicable, under the DIP Documents.

18. *Adequate Protection for the Prepetition Second Lien Noteholders.* Subject only to the Carve Out, the Permitted Liens, the DIP Liens, the Prepetition First Liens, the First Lien Adequate Protection Liens, and the terms of this Final Order, pursuant to Bankruptcy Code sections 361, 363(e) and 364, and in consideration of the stipulations and consents set forth in the Interim Order and this Final Order, as adequate protection of their interests in the Prepetition Collateral (including Cash Collateral), for and equal in amount to the aggregate postpetition Diminution in Value of such interests, resulting from the imposition of the priming DIP Liens on the Prepetition Collateral, the Carve Out, the sale, lease or use of the Prepetition Collateral

(including Cash Collateral), the imposition of the automatic stay and/or any other reason for which adequate protection may be granted under the Bankruptcy Code, the Prepetition Second Lien Noteholders are hereby granted the following (collectively, the "Second Lien Adequate Protection Obligations" and, together with the First Lien Adequate Protection Obligations, the "Adequate Protection Obligations"):

(a) Second Lien Adequate Protection Liens. As security for and solely to the extent of any Diminution in Value, additional and replacement valid, binding, enforceable non-avoidable, and effective and automatically perfected postpetition security interests in, and liens on, as of the date of the Interim Order (the "Second Lien Adequate Protection Liens" and, together with the First Lien Adequate Protection Liens, the "Adequate Protection Liens"), without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages, or other similar documents, all DIP Collateral. Subject to the terms of this Final Order, the Second Lien Adequate Protection Liens shall be subordinate only to (A) the Carve Out, (B) the DIP Liens, (C) the First Lien Adequate Protection Liens, (D) the Prepetition First Liens, and (E) the Permitted Liens (if any). The Second Lien Adequate Protection Liens shall otherwise be senior to all other security interests in, liens on, or claims against any of the DIP Collateral.

(b) Second Lien Adequate Protection Superpriority Claim. As further adequate protection, and to the extent provided by Bankruptcy Code sections 503(b) and 507(b), an allowed administrative expense claim in the Cases ahead of and senior to any and all other administrative expense claims in such Cases to the extent of any postpetition Diminution in Value (the "Second Lien Adequate Protection Superpriority Claim" and, together with the First Lien Adequate Protection Superpriority Claim, the "Adequate Protection Superpriority Claims"), except the

Carve Out, the DIP Superpriority Claims and the First Lien Adequate Protection Superpriority Claim. Subject to the Carve Out, the DIP Superpriority Claims, the First Lien Adequate Protection Superpriority Claims, and the Prepetition First Lien Obligations in all respects, the Second Lien Adequate Protection Superpriority Claim will not be junior to any other claims and shall have priority over all administrative expense claims against each of the Debtors, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expense claims of the kinds specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(d), 726, 1113 and 1114. The Prepetition Second Lien Noteholders shall not receive or retain any payments, property or other amounts in respect of the Second Lien Adequate Protection Superpriority Claim under Bankruptcy Code section 507(b) granted hereunder unless and until the DIP Obligations, the Prepetition First Lien Obligations and the First Lien Adequate Protection Obligations have been indefeasibly paid in full, in cash, in each case as provided in the DIP Documents.

19. *Section 507(b) Reservation*. Subject in all respects to the terms of the Collateral Trust Agreement, nothing herein shall impair or modify the application of Bankruptcy Code section 507(b) in the event that the adequate protection provided to the Prepetition Secured Parties is insufficient to compensate for any Diminution in Value of their interests in the Prepetition Collateral during the Cases. Nothing contained herein shall be deemed a finding by the Court, or an acknowledgment by any of the Prepetition Secured Parties that the adequate protection granted herein does in fact adequately protect any of the Prepetition Secured Parties against any diminution in value of their respective interests in the Prepetition Collateral (including the Cash Collateral).

20. *Restrictions on Disposition of Material Assets Outside the Ordinary Course of Business.* Except as expressly permitted under the "first day" pleadings or the DIP Documents,

the Debtors shall not use, sell or lease any material assets outside the ordinary course of business, or seek authority of this Court to the extent required by Bankruptcy Code section 363, without obtaining the prior written consent of the Required Lenders at least five days (or such shorter period as the DIP Agent, at the direction of the Required Lenders, may agree) prior to the date on which the Debtors seek the Court's authority for such use, sale, or lease. Except as otherwise provided under the DIP Documents, subject to the Carve Out and Permitted Liens, in the event of any such sale, lease, transfer, license, or other disposition of property of the Debtors that constitutes DIP Collateral outside the ordinary course of business (to the extent permitted by the DIP Documents and this Final Order), the Debtors are authorized and shall promptly pay, without further notice or order of this Court, the DIP Agent, for the benefit of the DIP Parties, 100% of the net cash proceeds resulting therefrom no later than the second business day following receipt of such proceeds. Upon payment in full of the DIP Obligations, subject to the Carve Out and Permitted Liens, the Debtors are authorized and shall promptly pay, without further notice or order of this Court, the Prepetition First Lien Agents, for the benefit of the Prepetition First Lien Lenders, 100% of the net cash proceeds resulting from any such sale, lease, transfer, license, or other disposition of property of the Debtors that constitutes DIP Collateral outside the ordinary course of business (to the extent permitted by the DIP Documents and this Final Order) no later than the second business day following receipt of such proceeds. Except as otherwise provided under the DIP Documents, subject to the Carve Out and Permitted Liens, in the event of any casualty, condemnation, or similar event with respect to property that constitutes DIP Collateral, the Debtors are authorized and shall promptly pay to the DIP Agent, for the benefit of the DIP Parties, any insurance proceeds, condemnation award, or similar payment (excluding any amounts on account of any D&O policies) no later than the second business day following receipt of payment by the

Debtors, unless the Required Lenders consent, each in its sole discretion, in writing, to the funds being reinvested by the Debtors.

21. *Insurance.* At all times the Debtors shall maintain casualty and loss insurance coverage for the Prepetition Collateral and the DIP Collateral on substantially the same basis as maintained prior to the Petition Date. Upon entry of the Interim Order, the DIP Agent was, and was deemed to be, without any further action or notice, named as additional insured and lender's loss payee on each insurance policy maintained by the Debtors which in any way relates to the DIP Collateral.

22. *Reservation of Rights of the DIP Agent, DIP Lenders, DIP Secured Designated Coal Contract Counterparties and Prepetition Secured Parties*. Notwithstanding any other provision in this Final Order to the contrary, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair: (a) any of the rights of any of the Prepetition Secured Parties to seek any other or supplemental relief in respect of the Debtors including the right to seek additional adequate protection in all respects subject to the Collateral Trust Agreement; provided that any such further or different adequate protection shall at all times be subordinate and junior to the claims and liens of the DIP Agent, the DIP Lenders, and the DIP Secured Designated Coal Contract Counterparties granted under the Interim Order, this Final Order and the DIP Documents; (b) any of the rights of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including, without limitation, the right of any of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition First Lien Parties to (i) request modification of the automatic stay of Bankruptcy Code section 362, (ii) request dismissal of any of the Cases, conversion of any

of the Cases to cases under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers in any of the Cases, (iii) seek to propose, subject to the provisions of Bankruptcy Code section 1121, a chapter 11 plan or plans; or (c) any other rights, claims, or privileges (whether legal, equitable, or otherwise) of any of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition Secured Parties (in the case of the Prepetition Secured Parties, in all respects subject to the Collateral Trust Agreement). The delay in or failure of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, and/or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies shall not constitute a waiver of any of the DIP Agent's, the DIP Lenders', the DIP Secured Designated Coal Contract Counterparties', or the Prepetition First Lien Parties' rights and remedies.

23. *Termination Event*. Subject to paragraph 24, the Debtors' authorization to use Cash Collateral and the proceeds of the DIP Facility pursuant to the Interim Order and this Final Order shall automatically terminate, and the DIP Obligations shall become due and payable, without further notice or action by the Court following the earliest to occur of any of the following (each a "Termination Event"): (a) the occurrence of an Event of Default (as defined in the DIP Credit Agreement), which are explicitly incorporated by reference into this Final Order; (b) the Debtors' failure to (i) comply with any provision of the Interim Order and this Final Order, (ii) comply with any other covenant or agreement specified in the Interim Order and this Final Order or the DIP Credit Agreement (which covenants and agreements, together with any applicable grace periods, are explicitly incorporated by reference into this Final Order), or (iii) comply with any of the Milestones (as defined in, and as set forth in, the DIP Credit Agreement); (c) the termination of the Restructuring Support Agreement or the Backstop Commitment Agreement (as defined in the

DIP Credit Agreement), in either case, other than as a result of a breach by the DIP Lenders thereunder; or (d) the occurrence of the Maturity Date (as defined in the DIP Credit Agreement).

24. *Remedies Upon a Termination Event.* The Debtors shall immediately provide notice to counsel to the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, the Prepetition First Lien Agents, the Ad Hoc First Lien Group, and the Ad Hoc Crossover Group (with a copy to counsel to the Creditors' Committee), of the occurrence of any Termination Event, at which time the Debtors' ability to use Cash Collateral hereunder shall terminate (subject to the proviso at the end of this paragraph 24) and the DIP Obligations shall become due and payable. Upon the occurrence of a Termination Event and following the giving of not less than three business days' advance written notice, which may be by email (the "Enforcement Notice"), to counsel to the Debtors, the U.S. Trustee, and counsel to the Creditors' Committee (if any) (the "Notice Period"), (a) the DIP Agent may exercise any rights and remedies against the DIP Collateral available to it under this Final Order, the DIP Documents, and applicable non-bankruptcy law, and the DIP Agent, the DIP Lenders, and the DIP Secured Designated Coal Contract Counterparties may exercise such other rights available to them under the DIP Documents, this Final Order, or the Javelin Agreements, as applicable, including but not limited to terminating all commitments to extend credit under the DIP Facility or Javelin Agreements, as applicable, and (b) the Prepetition First Lien Parties may exercise any rights and remedies to satisfy the Prepetition First Lien Obligations, the First Lien Adequate Protection Superpriority Claims and any other First Lien Adequate Protection Obligations, subject to the DIP Obligations, the DIP Superpriority Claims, Permitted Liens and, in each case, the Carve Out. The only permissible basis for the Debtors, the Prepetition Second Lien Noteholders, the Creditors' Committee, or any other party to contest, challenge or object to an Enforcement Notice shall be solely with respect to

the validity of the Termination Event(s) giving rise to such Enforcement Notice (*i.e.*, whether such Termination Event validly occurred and has not been cured or waived in accordance with this Final Order). The automatic stay pursuant to Bankruptcy Code section 362 shall be automatically terminated with respect to the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, and the Prepetition First Lien Parties at the end of the Notice Period, without further notice or order of the Court, unless the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, the Prepetition First Lien Agents, and the Prepetition First Lien Lenders elect otherwise in a written notice to the Debtors, which may be by email. Upon termination of the automatic stay, the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, and the Prepetition First Lien Parties, as applicable, shall be permitted to exercise all rights and remedies set forth herein, in the DIP Documents, the Javelin Agreements and the Prepetition First Lien Credit Documents, as applicable, and as otherwise available at law against the DIP Collateral and/or Prepetition Collateral, without any further order of or application or motion to the Court, and without restriction or restraint imposed by any stay under Bankruptcy Code sections 362 or 105, or otherwise, against (x) the enforcement of the liens and security interests in the DIP Collateral or the Prepetition Collateral, or (y) the pursuit of any other rights and remedies granted to the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or the Prepetition First Lien Parties pursuant to the DIP Documents, the Javelin Agreements, the Prepetition First Lien Credit Documents, or this Final Order, as applicable; provided that during the Notice Period the Debtors may use the proceeds of the DIP Facility (to the extent drawn prior to the occurrence of a Termination Event) or Cash Collateral only to (i) fund operations in accordance with the DIP Credit Agreement and the Cash Flow Forecast and (ii) to fund the Carve Out Reserves; provided further that during the Notice Period

the Debtors, the DIP Lenders, and the DIP Agent consent to a hearing on an expedited basis to consider whether a Termination Event has occurred; provided further, that if a hearing to consider the foregoing is requested to be heard before the end of the Notice Period but is scheduled for a later date by the Court, the Notice Period shall be automatically extended to the date of such hearing, but in no event later than five business days after delivery of the Enforcement Notice; provided further that any fees and expenses incurred by the Debtors or the Creditors' Committee during the Notice Period shall permanently reduce the Post-Carve Out Trigger Notice Cap. Any party in interest shall be entitled to seek an emergency hearing for the purpose of contesting whether assets constitute assets of the Debtors' estates and nothing in this Final Order shall affect any party in interest's rights or positions at such hearing.

25. *No Waiver for Failure to Seek Relief.* The failure or delay of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, or any of the Prepetition Secured Parties to exercise rights and remedies under this Final Order, the DIP Documents, the Prepetition First Lien Credit Documents, the Prepetition Second Lien Documents, or applicable law, as the case may be, shall not constitute a waiver of their respective rights hereunder, thereunder or otherwise.

26. *Perfection of the DIP Liens and Adequate Protection Liens.*

(a) Subject to the limitations in paragraph 27(a) of this Final Order, the DIP Agent and the Prepetition Agents are hereby authorized, but not required, to file or record (and to execute in the name of the Debtors, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, intellectual property filings, mortgages, depository account control agreements, notices of lien, or similar instruments in any jurisdiction in order to validate and perfect the liens and security interests granted hereunder. Whether or not

the DIP Agent or the Prepetition Agents shall, in their sole discretion, choose to file such financing statements, intellectual property filings, mortgages, notices of lien, or similar instruments, such liens and security interests shall be deemed valid, automatically perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination (subject to the priorities set forth in this Final Order), at the time and on the date of entry of the Interim Order. Upon the request of the DIP Agent, the Prepetition Collateral Trustee, or the Prepetition Second Lien Indenture Trustee, as applicable, each of the Prepetition Secured Parties and the Debtors, without any further consent of any party, is authorized to take, execute, deliver, and file such instruments (in the case of the Prepetition Secured Parties, without representation or warranty of any kind) to enable the DIP Agent, the Prepetition Collateral Trustee, or the Prepetition Second Lien Indenture Trustee to further validate, perfect, preserve, and enforce the DIP Liens and the applicable Adequate Protection Liens, respectively. All such documents will be deemed to have been recorded and filed as of the Petition Date.

(b) A certified copy of this Final Order may, in the discretion of the DIP Agent or the applicable Prepetition Agents, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Final Order for filing and recording; provided, however, that notwithstanding the date of any such filing, the date of such perfection shall be the date of the Interim Order.

(c) Any provision of any lease or other license, contract or other agreement that requires (i) the consent or approval of one or more landlords or other parties, or (ii) the payment of any fees or obligations, in order for any Debtor to pledge, grant, sell, assign, or otherwise transfer any such leasehold interest, or the proceeds thereof, or other collateral related thereto in

connection with the granting of the DIP Liens and the Adequate Protection Liens, is hereby deemed to be inconsistent with the applicable provisions of the Bankruptcy Code. Thereupon, any such provision shall have no force and effect with respect to the granting of the DIP Liens and the Adequate Protection Liens on such leasehold interest or the proceeds of any assignment, and/or sale thereof by any Debtor in accordance with the terms of the DIP Credit Agreement or this Final Order.

(d) Nothing in this Final Order, the DIP Documents, or any other agreement or document executed in connection with the DIP Loans or this Final Order will increase, enhance, or be deemed to increase or enhance the rights and/or interests of any of the Debtors in the real, personal, or mixed property interests underlying or related to the Pierce Deeds (as defined in the Limited Objection of the Subsidence Rights Claimants [Docket No. 199]).

27. *Preservation of Rights Granted Under this Final Order*.

(a) Unless and until all DIP Obligations, Prepetition First Lien Obligations, and First Lien Adequate Protection Obligations are indefeasibly paid in full, in cash, and all commitments to extend credit under the DIP Facility are terminated, the Prepetition Second Lien Noteholders shall, in each case solely to the extent provided for in the Collateral Trust Agreement and applicable law: (i) take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Second Lien Documents, the Interim Order or this Final Order, or otherwise seek to exercise or enforce any rights or remedies against such DIP Collateral; and (ii) be restricted from exercising any rights and remedies or taking any other actions in respect of the DIP Collateral to the extent provided by the Collateral Trust Agreement and applicable law.

(b) Subject to the Carve Out, other than as set forth in this Final Order, neither the DIP Liens nor the First Lien Adequate Protection Liens shall be made subject to or *pari passu* with any

lien or security interest granted in any of the Cases or arising after the Petition Date, and neither the DIP Liens nor the First Lien Adequate Protection Liens shall be subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under Bankruptcy Code section 551.

(c) In the event this Final Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise, any liens or claims granted to the Prepetition Secured Parties hereunder arising prior to the effective date of any such vacatur, reversal, or modification of this Final Order shall be governed in all respects by the original provisions of this Final Order, including entitlement to all rights, remedies, privileges, and benefits granted herein, and the Prepetition Secured Parties shall be entitled to the protections afforded in Bankruptcy Code section 363(m) with respect to all uses of the Prepetition Collateral (including the Cash Collateral) and all Adequate Protection Obligations.

(d) Subject to the Carve Out, unless and until all DIP Obligations, Prepetition First Lien Obligations, Prepetition Second Lien Obligations, and Adequate Protection Obligations are indefeasibly paid in full, in cash, and all commitments to extend credit under the DIP Facility are terminated, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly: (i) except as permitted under the DIP Documents and with the prior written consent of the DIP Agent and the Required Lenders, (x) any modification, stay, vacatur, or amendment of this Final Order, (y) a priority claim for any administrative expense, secured claim or unsecured claim against any of the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including, without limitation, any administrative expense of the kind specified in Bankruptcy Code sections 503(b), 507(a) or 507(b)) in any of the Cases, equal or superior to the DIP Superpriority Claims, the Adequate Protection Superpriority Claims, the Prepetition First Lien

Obligations, and the Prepetition Second Lien Obligations (or the liens and security interests securing such claims and obligations), or (z) any other order allowing use of the DIP Collateral; (ii) except as permitted under the DIP Documents, any lien on any of the DIP Collateral or the Prepetition Collateral with priority equal or superior to the DIP Liens, the Adequate Protection Liens, the Prepetition First Liens, or the Prepetition Second Liens, as the case may be; (iii) the use of Cash Collateral for any purpose other than as permitted in the DIP Documents and this Final Order; (iv) except as set forth in the DIP Documents, the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any Debtor; (v) an order converting or dismissing any of the Cases; (vi) an order appointing a chapter 11 trustee in any of the Cases; or (vii) an order appointing an examiner with enlarged powers in any of the Cases.

(e) Notwithstanding any order dismissing any of the Cases under Bankruptcy Code section 1112 or otherwise entered at any time, (x) the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Superpriority Claims, and the other administrative claims granted pursuant to the Interim Order or this Final Order, shall continue in full force and effect and shall maintain their priorities as provided in the Interim Order and this Final Order until all DIP Obligations and Adequate Protection Obligations are indefeasibly paid in full, in cash (and such DIP Liens, DIP Superpriority Claims, Adequate Protection Liens, Adequate Protection Superpriority Claims, and the other administrative claims granted pursuant to the Interim Order and this Final Order, shall, notwithstanding such dismissal, remain binding on all parties in interest); and (y) the Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in clause (x) above.

(f) Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Superpriority Claims, and all other rights and remedies of the DIP Agent, the DIP Lenders, the Prepetition First Lien Agents, and the Prepetition First Lien Lenders granted by the provisions of the Interim Order, this Final Order and the DIP Documents shall survive, shall maintain their priority as provided in the Interim Order and this Final Order, and shall not be modified, impaired or discharged by (i) the entry of an order converting any of the Cases to a case under chapter 7, dismissing any of the Cases, terminating the joint administration of these Cases or by any other act or omission, (ii) the entry of an order approving the sale of any Prepetition Collateral or DIP Collateral pursuant to Bankruptcy Code section 363(b), or (iii) the entry of an order confirming a plan of reorganization in any of the Cases and, pursuant to Bankruptcy Code section 1141(d)(4), the Debtors have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of the Interim Order, this Final Order and the DIP Documents shall continue in these Cases, in any successor cases if these Cases cease to be jointly administered, or in any superseding chapter 7 cases under the Bankruptcy Code. The DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens and Adequate Protection Superpriority Claims and all other rights and remedies of the DIP Parties and the Prepetition Secured Parties granted by the provisions of the Interim Order and this Final Order shall continue in full force and effect until the DIP Obligations and the Adequate Protection Obligations are indefeasibly paid in full, in cash (or, with respect to the DIP Obligations, otherwise satisfied in a manner agreed to by the Required Lenders).

28. *Expenses and Indemnification.*

(a) The Debtors shall pay: (i) the reasonable and documented out-of-pocket fees and expenses incurred by professionals or consultants retained by the DIP Agent and the DIP Lenders, including (x) the Ad Hoc First Lien Advisors and (y) the Ad Hoc Crossover Group Advisors (collectively, the "DIP Professionals"), incurred in connection with the Cases (in any capacity) and the DIP Facility, whether or not the DIP Facility is successfully consummated, (ii) the reasonable and documented out-of-pocket expenses (including, without limitation, fees, disbursements and other charges of DIP Professionals) of the DIP Agent and the DIP Lenders, for enforcement costs and documentary taxes associated with the DIP Facility and the transactions contemplated thereby, are to be paid by the Debtors, and (iii) the reasonable and documented out-of-pocket fees and expenses incurred by professionals or consultants (including Paul Hastings LLP and Carmody MacDonald P.C.) retained by the DIP Secured Designated Coal Contract Counterparties solely to the extent such fees and expenses are payable by the Debtors under the Javelin Agreements; provided, however, that the DIP Secured Designated Coal Contract Counterparties shall not be entitled to payment of, and the Debtors shall not be obligated to pay, any fees or expenses incurred by them in connection with the assertion of any claims, or litigation commenced, against the Debtors (other than in connection with the enforcement of their rights hereunder and under the Javelin Agreements), the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties. All fees and expenses described above shall be payable by the Debtors (whether accrued or incurred prior to, on, or after the Petition Date) within ten (10) calendar days after the delivery of invoices (which invoices shall not be required to comply with any particular format and may be in summary form only and may be in redacted form to protect privileged and confidential information) to the Debtors, the U.S. Trustee, and the Creditors' Committee, without

the necessity of filing motions or fee applications and such fees and expenses shall not be subject to any further review, challenge, or disgorgement following the expiration of such period; provided that if the Debtors, the U.S. Trustee, or the Creditors' Committee sends to the affected professional, the Debtors, and the U.S. Trustee within five (5) calendar days of receipt of any invoice a written objection to such invoice, then the portion of any invoice subject to such objection shall not be paid until resolution of the objection by this Court or by mutual consent.

(b) As set forth in the DIP Facility, the Debtors will, jointly and severally, indemnify the DIP Lenders, the DIP Agent, the DIP Secured Designation Coal Contract Counterparties, and their respective affiliates, successors and assigns and the officers, directors, employees, agents, advisors, controlling persons, and members of each of the foregoing (each an "Indemnified Person"), and hold them harmless from and against any and all losses, claims, damages, costs, expenses (including but not limited to reasonable and documented legal fees and expenses), and liabilities arising out of or relating to the execution or delivery of the DIP Credit Agreement and other DIP Documents, transactions contemplated hereby and thereby, and any actual or proposed use of the proceeds of any loans made under the DIP Facility in accordance with the terms of the DIP Credit Agreement; provided that no such person will be indemnified for costs, expenses, or liabilities to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred solely by reason of the actual fraud, gross negligence, or willful misconduct of such person (or their related persons). No Indemnified Person shall have any liability (whether direct or indirect, in contract, tort or otherwise) to the Debtors or any shareholders or creditors of the Debtors for or in connection with the transactions contemplated hereby, except to the extent such liability is found in an final non-appealable judgment by a court of competent jurisdiction to have resulted solely from such Indemnified Person's actual fraud,

gross negligence or willful misconduct, and in no event shall any Indemnified Person be liable on any theory of liability for any special, indirect, consequential, or punitive damages.

29. *Limitation on Use of DIP Facility Proceeds, DIP Collateral, and Cash Collateral*

(a) Notwithstanding anything to the contrary set forth in this Final Order or in any other order of this Court to the contrary, none of the DIP Facility, the DIP Collateral, the Prepetition Collateral or the proceeds thereof, including Cash Collateral, shall be used to pay the fees incurred by Committee Professionals in the aggregate that are in excess of (i) accrued fees through the date of the conclusion of the Final Hearing, (ii) $637,500.00 for the month of April 2020, but prorated based upon the remaining number of days from the date of the conclusion of the Final Hearing, (iii) $637,500.00 for May 2020, (iv) $575,000.00 for June 2020, and (v) $525,000.00 for July 2020 and each month thereafter (collectively, the "Committee Monthly Cap"); provided that any unused amounts from one month may be applied to any other month in which the Committee Professionals' fees exceeded the Committee Monthly Cap. For the avoidance of doubt, the Committee Monthly Cap does not apply to the payment of the Committee's reasonable out-of-pocket expenses.

(b) Notwithstanding anything to the contrary set forth in this Final Order, none of the DIP Facility, the DIP Collateral, the Prepetition Collateral or the proceeds thereof, including Cash Collateral, or the Carve Out may be used: (a) to investigate (except as expressly provided herein), initiate, prosecute, join, or finance the initiation or prosecution of any claim, counterclaim, action, suit, arbitration, proceeding, application, motion, objection, defense, or other litigation of any type (i) against any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such) or seeking relief that would impair the rights and remedies of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such) under the DIP

Documents, this Final Order, or the Prepetition Credit Documents to the extent permitted or provided hereunder, including, without limitation, for the payment of any services rendered by the professionals retained by the Debtors or any Creditors' Committee in connection with the assertion of or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defense, or other contested matter, the purpose of which is to seek, or the result of which would be to obtain, any order, judgment, determination, declaration, or similar relief that would impair the ability of any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to recover on the DIP Collateral or the Prepetition Collateral, as provided for herein, or seeking affirmative relief against any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties related to the DIP Obligations, or the Prepetition Secured Obligations, (ii) seeking to invalidate, set aside, avoid, or subordinate, in whole or in part, the DIP Obligations, the DIP Superpriority Claims, or the DIP Agent's and the DIP Lenders' liens or security interests in the DIP Collateral, the Prepetition Secured Obligations or the Prepetition Liens, or (iii) for monetary, injunctive, or other affirmative relief against the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such), or their respective liens on or security interests in the DIP Collateral or the Prepetition Collateral, or the DIP Superpriority Claims, that would impair the ability of any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to assert or enforce any lien, claim, right, or security interest or to realize or recover on the DIP Obligations or the Prepetition Secured Obligations to the extent permitted or provided hereunder; (b) for objecting to or challenging in any way the legality, validity, priority, perfection, or enforceability of the claims, liens, or interests (including the Prepetition Liens) held by or on behalf of each of the Prepetition Secured Parties related to the Prepetition Secured Obligations, or by or on behalf of the DIP Agent and the DIP Lenders related to the DIP Obligations; (c) for asserting, commencing, or prosecuting any claims

or causes of action whatsoever, including, without limitation, any Avoidance Actions (as defined herein) related to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens, the Prepetition Secured Obligations, or the Prepetition Liens; (d) for prosecuting an objection to, contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of: (x) any of the DIP Liens, the DIP Superpriority Claims, or any other rights or interests of the DIP Agent or the DIP Lenders related to the DIP Obligations or the DIP Liens, or (y) any of the Prepetition Liens or any other rights or interests of any of the Prepetition Secured Parties related to the Prepetition Secured Obligations or the Prepetition Liens; and (e) assert any claims, defenses, or any other causes of action any non-Debtor affiliates with respect to prepetition relationships with the Debtors; provided that no more than $250,000.00 of the proceeds of the DIP Facility, the DIP Collateral, or the Prepetition Collateral, including the Cash Collateral, in the aggregate, may be used by the Creditors' Committee (x) to investigate the foregoing matters within the Challenge Period (as defined herein) and (y) to investigate claims or causes of action against non-Debtor affiliates of the Debtors ("Challenge Budget"). Nothing herein shall prohibit the Creditors' Committee from investigating or litigating any party's compliance or non-compliance with the terms of the Interim Order, this Final Order, or the DIP Documents or the Javelin Agreements.

(c) All fees and expenses of the Committee Professionals in excess of (i) the Committee Monthly Cap and/or (ii) the Challenge Budget, as applicable, shall not be entitled to administrative expense priority pursuant to section 503(b) of the Bankruptcy Code or otherwise.

30. *Effect of Stipulations on Third Parties*.

(a) The Debtors' acknowledgments, stipulations, admissions, waivers, and releases set forth in the Interim Order and this Final Order shall be binding on the Debtors, their respective

representatives, successors and assigns. The acknowledgments, stipulations, admissions, waivers, and releases contained in the Interim Order and this Final Order shall also be binding upon the Debtors' estate and all other parties in interest, including the Creditors' Committee, or any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors (a "Trustee"), unless (a) such party with requisite standing, has duly filed an adversary proceeding (or, with respect to the Creditors' Committee only, has filed a motion to obtain standing (a "Standing Motion") to pursue such an adversary proceeding, and, if granted, then commences forthwith such an adversary proceeding within three (3) business days following entry of the order granting the Standing Motion) challenging the validity, perfection, priority, extent, or enforceability of the Prepetition Liens, or the Prepetition Secured Obligations, or otherwise asserting or prosecuting any Avoidance Actions or any other claims, counterclaims or causes of action, objections, contests, or defenses (collectively, the "Claims and Defenses") against the Prepetition Secured Parties in connection with any matter related to the Prepetition Collateral, the Prepetition Liens or the Prepetition Secured Obligations by no later than (i) with respect to the Creditors' Committee, the date that is 75 days after the Creditors' Committee's formation or (ii) with respect to other parties in interest, no later than the date that is 75 days after the entry of the Interim Order (the time period established by the later of the foregoing clauses (i) and (ii), the "Challenge Period"); provided that in the event that, prior to the expiration of the Challenge Period, (x) these chapter 11 cases are converted to chapter 7 or (y) a chapter 11 trustee is appointed in these chapter 11 cases, then, in each such case, the Challenge Period shall be extended for a period of 60 days solely with respect to any Trustee, commencing on the occurrence of either of the events described in the foregoing clauses (x) and (y); and (b) an order is entered by a court of competent jurisdiction and becomes final and non-appealable in favor of the plaintiff sustaining any such challenge or claim in any such duly filed

adversary proceeding. If no such adversary proceeding (or, for the Committee, the filing of a Standing Motion followed by, if the Standing Motion is granted, the commencement of such an adversary proceeding within three (3) business days following entry of the order granting the Standing Motion) is timely filed prior to the expiration of the Challenge Period, without further order of this Court: (x) the Prepetition Secured Obligations shall constitute allowed claims, not subject to any Claims and Defenses (whether characterized as a counterclaim, setoff, subordination, recharacterization, defense, avoidance, contest, attack, objection, recoupment, reclassification, reduction, disallowance, recovery, disgorgement, attachment, "claim" (as defined by Bankruptcy Code section 101(5)), impairment, subordination (whether equitable, contractual or otherwise), or other challenge of any kind pursuant to the Bankruptcy Code or applicable non-bankruptcy law), for all purposes in these Cases and any subsequent chapter 7 cases, if any; (y) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected and of the priority specified in paragraphs 4(b) and 4(d), not subject to setoff, subordination, defense, avoidance, impairment, disallowance, recharacterization, reduction, recoupment, or recovery; and (z) the Prepetition Secured Obligations, the Prepetition Liens on the Prepetition Collateral and the Prepetition Secured Parties (in their capacities as such) shall not be subject to any other or further challenge and any party in interest shall be forever enjoined and barred from seeking to exercise the rights of the Debtors' estates or taking any such action, including any successor thereto (including any estate representative or a Trustee, whether such Trustee is appointed or elected prior to or following the expiration of the Challenge Period). If any such adversary proceeding (or, for the Creditors' Committee only, the filing of a Standing Motion followed by, if the Standing Motion is granted, the commencement of such an adversary proceeding within three (3) business days following entry of the order granting the Standing

Motion) is timely filed as provided above prior to the expiration of the Challenge Period, (a) the stipulations and admissions contained in the Interim Order and this Final Order shall nonetheless remain binding and preclusive on the Creditors' Committee and any other party in these cases, including any Trustee, except as to any stipulations or admissions that are specifically and expressly challenged in such adversary proceeding and (b) any Claims and Defenses not brought in such adversary proceeding shall be forever barred; provided that, if and to the extent any challenges to a particular stipulation or admission are withdrawn, denied or overruled by a final non-appealable order, such stipulation also shall be binding on the Debtors' estates and all parties in interest. The Challenge Period may be extended in writing from time to time in the sole discretion of the Prepetition Agents.

(b) Nothing in this Final Order vests or confers on any person (as defined in the Bankruptcy Code), including any Creditors' Committee, standing or authority to pursue any cause of action belonging to the Debtors or their estates, including, without limitation, any challenge with respect to the Prepetition Credit Documents or the Prepetition Secured Obligations. In the event that the Creditors' Committee is successful in any such adversary proceeding initiated under this paragraph, the Court retains jurisdiction to grant a remedy that is appropriate under the circumstances.

31. *Release*. Subject to the rights and limitations set forth in paragraphs 29 and 30 of this Final Order, each of the Debtors and the Debtors' estates, on its own behalf and on behalf of each of their predecessors, their successors, and assigns shall to the maximum extent permitted by applicable law, unconditionally, irrevocably and fully forever release, remise, acquit, relinquish, irrevocably waive and discharge each of the DIP Lenders, the DIP Agent, the Prepetition Secured Parties, and each of their respective former, current or future officers, employees, directors, agents,

representatives, owners, members, partners, affiliated investment funds or investment vehicles, managed, advised or sub-advised accounts, funds or other entities, investment advisors, sub-advisors or managers, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, and predecessors in interest, each in their capacity as such, of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description that exist on the date hereof with respect to or relating to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens, the Prepetition Secured Obligations or the Prepetition Liens, as applicable, including, without limitation, (i) any so-called "lender liability" or equitable subordination claims or defenses, (ii) any and all claims and causes of action arising under the Bankruptcy Code, and (iii) any and all claims and causes of action regarding the validity, priority, extent, enforceability, perfection or avoidability of the liens or claims of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties. For the avoidance of doubt, this paragraph 31 shall not release the DIP Secured Designated Coal Contract Counterparties from any obligations under the Javelin Agreements.

32. *Collateral Trust Agreement.* The rights of the Prepetition Secured Parties shall at all times remain subject to the Collateral Trust Agreement.

33. *Credit Bidding*. (a) The DIP Agent, or any assignee or designee of the DIP Agent, acting at the direction of the Required Lenders and on behalf of the DIP Parties, shall have the

unqualified right to credit bid up to the full amount of any DIP Obligations in the sale of any of the Debtors' assets, including pursuant to (i) Bankruptcy Code section 363, (ii) a plan of reorganization or a plan of liquidation under Bankruptcy Code section 1129, or (iii) a sale or disposition by a chapter 7 trustee for any Debtor under Bankruptcy Code section 725, and (b) subject to the indefeasible payment in full in cash of the DIP Obligations, the Prepetition First Lien Agents (on behalf of the Prepetition First Lien Lenders) shall have the right to credit bid (x) up to the full amount of the Prepetition First Lien Obligations (other than the Roll-Up Loans) and (y) the First Lien Adequate Protection Obligations in the sale of any of the Debtors' assets, including, but not limited to, pursuant to (i) Bankruptcy Code section 363, (ii) a plan of reorganization or a plan of liquidation under Bankruptcy Code section 1129, or (iii) a sale or disposition by a chapter 7 trustee for any Debtor under Bankruptcy Code section 725. The DIP Agent, at the direction of the Required Lenders, and on behalf of the DIP Parties, shall have the absolute right to assign, sell, or otherwise dispose of its right to credit bid in connection with any credit bid by or on behalf of the DIP Parties to any acquisition entity or joint venture formed in connection with such bid. Except for the amount of any credit bid in accordance with this paragraph 33, nothing in this Final Order or the DIP Documents shall impair or adversely affect the right of the United States or any State to object to any credit bid for cause under section 363(k) of the Bankruptcy Code.

34. *Prepetition Undrawn Letter of Credit*. Within ten (10) days from entry of this Final Order, the Debtors shall have either (i) posted cash collateral with the Prepetition First Lien Administrative Agent equal to 103% of the face amount of all remaining prepetition issued and undrawn letters of credit (the "Prepetition Undrawn Letters of Credit"), and/or (ii) provided the Prepetition First Lien Administrative Agent with evidence of the release and/or cancellation of all such Prepetition Undrawn Letters of Credit. Notwithstanding anything to the contrary set forth in

the Interim Order or in this Final Order, the Prepetition First Lien Administrative Agent (for the benefit of the Prepetition First Lien Revolving Lenders) shall have a first priority lien and security interest in and to such cash collateral as security for any unreimbursed obligations owing to the Prepetition First Lien Revolving Lenders on account of any draws or presentments on such letters of credit. In the event of any presentment of the Prepetition Undrawn Letters of Credit which are not immediately reimbursed by the Debtors pursuant to the terms of the Prepetition First Lien Credit Agreement, the Prepetition First Lien Administrative Agent is authorized to apply such cash collateral to the payment of such unreimbursed obligations.

35. *Final Order Governs*. In the event of any inconsistency between the provisions of the Interim Order, the DIP Documents and this Final Order, the provisions of this Final Order shall govern.

36. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in these Cases, including without limitation, the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, the Prepetition Secured Parties, the Creditors' Committee, and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to Bankruptcy Code section 1104, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, and the Prepetition First Lien Parties, provided that, except to the extent expressly set forth in this Final Order, the Prepetition First Lien Parties shall

have no obligation to permit the use of Cash Collateral or to extend any financing to any chapter 7 trustee or similar responsible person appointed for the estates of the Debtors.

37. *Limitation of Liability*. In determining to make any loan under the DIP Documents, permitting the use of Cash Collateral, or exercising any rights or remedies as and when permitted pursuant to this Final Order, the DIP Documents, the Prepetition First Lien Credit Documents, or the Prepetition Second Lien Documents, the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties, and the Prepetition Secured Parties shall not be deemed to be in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors or their respective business (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 *et seq.* as amended, or any applicable comparable federal, state or local law), nor shall they owe any fiduciary duty to any of the Debtors, their creditors or estates, or constitute or be deemed to constitute a joint venture or partnership with any of the Debtors. Furthermore, nothing in this Final Order, the DIP Documents or the Prepetition Credit Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, the DIP Secured Designated Coal Contract Counterparties or the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in Bankruptcy Code section 101(2)).

38. *Master Proofs of Claim*. Notwithstanding anything to the contrary in the Motion or this Final Order, the Prepetition Agents, together with any other such agents or trustees referenced in this Final Order, are each authorized, but not directed or required, to file one master proof of claim on behalf of themselves and the Prepetition Secured Parties, as applicable, on

account of any and all of the respective claims arising under the Prepetition Credit Documents, as applicable, and hereunder (the "Master Proof of Claim"). For administrative convenience, any Master Proof of Claim authorized herein may be filed in the case of Debtor Foresight Energy LP with respect to all amounts asserted in such Master Proof of Claim, and such Master Proof of Claim shall be deemed to be filed and asserted by the applicable entity or entities against every Debtor asserted to be liable for the applicable claim. No authorized Master Proof of Claim shall be disallowed, reduced, or expunged on the basis that it is filed only against Debtor Foresight Energy LP and not in such Debtor's case. For the avoidance of doubt, the provisions set forth in this paragraph and any Master Proof of Claim filed pursuant to the terms hereof are intended solely for the purpose of administrative convenience and shall not affect the substantive rights of any party in interest or their respective successors in interest, including, without limitation, the numerosity requirements set forth in section 1126 of the Bankruptcy Code. The Prepetition Agents shall not be required to attach any instruments, agreements, or other documents evidencing the obligations owing by each of the Debtors to the Prepetition Secured Parties, as applicable, which instruments, agreements, or other documents will be provided upon written request to counsel to the Prepetition Agents.

39. Notwithstanding anything to the contrary herein, (a) the designation of Javelin and Uniper as DIP Secured Designated Coal Contract Counterparties under the DIP Credit Agreement, (b) the designation of certain obligations arising under the Javelin Agreements as DIP Obligations, (c) the DIP Liens securing the DIP Secured Designated Coal Contract Obligations, and (d) all other rights and remedies granted to the DIP Secured Designated Coal Contract Counterparties hereunder shall, in each case, be subject to (x) the Debtors' entry into the Javelin Agreements and the Settlement Agreement, (y) the Court's approval of the Settlement Agreement, and (z) with

respect to (i) any amendments or modifications to the Javelin Agreements (as in effect on the Javelin Agreements Effective Date (as defined in Section 10.25(a) of the DIP Credit Agreement)) or (ii) the entry into any other proposed Designated Coal Contract (as defined in the DIP Credit Agreement) after the date of this Final Order, all such amendments, modifications or agreements shall be on terms consistent with and subject to the requirements of Section 10.25 of the DIP Credit Agreement and this Final Order.

40. *Governmental Matters*.

(a) Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the various DIP Documents shall relieve the Debtors of any obligations under federal, state or local police or regulatory laws or under 28 U.S.C. § 959(b), provided that nothing herein shall limit or impair the Debtors' rights to assert defenses under applicable law and nothing herein shall create new defenses to obligations under police or regulatory laws or 28 U.S.C. § 959(b).

(b) Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the various DIP Documents shall impair the United States of America's rights, claims and defenses of set-off and recoupment against the Debtors, or those of any State or any of the foregoing's respective agencies, departments or agents, and all such rights, claims and defenses shall be preserved in their entirety, and rights and defenses of the Debtors or other parties in interest are preserved in their entirety.

(c) Paragraphs 31 and 37 of this Final Order shall apply with respect to liabilities to governmental units under police or regulatory law so long as the actions of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties, or various DIP Facilities, as applicable, do not constitute, within the meaning of 42 U.S.C. § 9601(20)(F), participation in the management or

operational affairs of a vessel or facility owned or operated by the Debtors, or otherwise cause the waiver or termination of protections afforded lenders because of the status of controlling or otherwise becoming a responsible person, owner, or operator under applicable federal, state, or local law. For the avoidance of doubt, in determining to make any loan or other extension of credit under the DIP Credit Agreement, permitting the use of Cash Collateral, performing under this Final Order and the various DIP Documents in the ordinary course, none of the DIP Agent, DIP Lenders, or Prepetition Secured Parties, shall be deemed to have participated in the management or operational affairs of a vessel or facility owned or operated by the Debtors, or to have otherwise caused lender liability to arise; provided, however, that holding indicia of ownership for reasons that are not primarily to protect a security interest in a DIP Facility or exercising decision-making control over the Debtors' compliance with respect to environmental or mining regulatory laws or regulations shall not be considered ordinary course performance. Each DIP Agent, DIP Lender, and Prepetition Secured Party, and the DIP Facility, preserves and is not waiving any defenses it may have to any claims as set forth in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq. as amended, or applicable comparable federal, state and local law.

(d) Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the various DIP Documents shall impair or adversely affect any right under applicable law of any governmental unit with respect to any financial assurance, letter of credit, trust, or bond or limit any governmental unit in the exercise of its police powers in accordance with 11 U.S.C. § 362(b)(4).

41. Notwithstanding anything to the contrary in this Final Order or the DIP Documents, nothing in this Final Order or the DIP Documents shall be deemed to authorize the assumption,

sale, assignment or other transfer by the Debtors, the DIP Agent, DIP Lenders, or the Prepetition Secured Parties of any agreements, grants, grant funds, licenses, permits, authorizations, contracts, or leases, in each case to which any governmental unit is a party (collectively, "Government Interests"), without compliance with all terms of any statute, regulation or contract giving rise to the Government Interests and with all applicable non-bankruptcy law; *provided*, *however*, that, for the avoidance of doubt, the foregoing shall in no way limit the granting of the DIP Liens and the Adequate Protection Liens on the DIP Collateral as set forth in this Final Order.

42. *Effectiveness*. This Final Order shall constitute findings of fact and conclusions of law and shall take effect as of the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062 or 9024 or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

43. No later than 2 business days after the date of this Order, the Debtors' Claims and Noticing Agent shall serve on the Notice Parties a copy of this Final Order and shall file a certificate of service no later than 24 hours after service.

2.01 The Loans.

(a) Term Loans.

(i) Subject to the terms and conditions set forth herein, each Term Lender agrees, severally and not jointly, to make a loan ("Initial Term Loan") to the Borrower in Dollars, on the Closing Date in an aggregate principal amount not to exceed such Term Lender's Initial Term Loan Commitment. Initial Term Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

(ii) Subject to the terms and conditions set forth herein, each Term Lender agrees, severally and not jointly, to make a loan ("Delayed Draw Term Loans") to the Borrower in Dollars, on the Delayed Draw Funding Date in an aggregate principal amount not to exceed such Term Lender's Delayed Draw Term Loan Commitment. Delayed Draw Term Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

(iii) Borrower may make only one Borrowing under the Initial Term Loan Commitment on the Closing Date, and Borrower may make only one Borrowing under the Delayed Draw Term Loan Commitment on the Delayed Draw Funding Date. Any amount borrowed under this Section 2.01(a) and subsequently repaid or prepaid may not be reborrowed. Each Term Lender's Initial Term Loan Commitment or the Delayed Draw Term Loan Commitment shall terminate immediately and without any further action on the Closing Date or the Delayed Draw Funding Date, as applicable, after giving effect to the funding of such Term Lender's Commitment on such date. Notwithstanding anything to the contrary, unless the Administrative Agent and the Borrower shall otherwise agree, the initial Interest Period of any Delayed Draw Term Loans that are Eurocurrency Rate Loans shall commence on the date of funding and shall end on the last day of the then-current Interest Period for all Eurocurrency Rate Loans that are Initial Term Loans then outstanding.

(b) Roll-Up Loan.

(i) Subject to the terms and conditions set forth herein and the Orders, the Prepetition First Lien Obligations held by each Consenting First Lien Lender shall be automatically substituted and exchanged for (and

prepaid by) loans hereunder (the "Roll-Up Loans") in a principal amount equal to such Roll-Up Lender's Roll-Up Amount on the Final Order Entry Date. Such Roll-Up Loans shall be deemed funded on the Final Order Entry, and shall constitute, and shall be deemed to be, Loans hereunder.

(ii) No later than three (3) Business Days (or such later time as reasonably acceptable to the Administrative Agent) prior to the Delayed Draw Funding Date, the Administrative Agent shall have received a written notice, in form and substance satisfactory to the Administrative Agent and the Required Lenders (the "Roll-Up Notice"), which shall (A) attach a schedule identifying each Roll-Up Lender and the principal amount of such Roll-Up Lender's Roll-Up Loans deemed issued hereunder, (B) attach a joinder to this Agreement executed by such Roll-Up Lender, pursuant to which, inter alia, such Roll-Up Lender shall represent and warrant that it has delivered to the Administrative Agent a completed Administrative Questionnaire, such documentation and other information under applicable "know your customer" and anti-money laundering rules and regulations requested by the Administrative Agent and such documentation and other information required under Section 3.01, and (C) include a certification from the Borrower as to the accuracy of the information set forth in such schedule delivered pursuant to clause (A) of this Section 2.01(b)(ii).

(iii) The parties hereto agree that the Administrative Agent and the Prepetition Agent may each conclusively rely on the Roll-Up Notice and this Section 2.01(b) in adjusting the Register and the Register (as defined in the Prepetition First Lien Credit Agreement) to reflect the cancellation of the Prepetition First Lien Obligations and the Roll-Up Loans to be received by the Roll-Up Lender on the Final Order Entry Date.

2.02 Borrowings, Conversions and Continuations of the Loans.

(a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans shall be made by delivery by Borrower of an irrevocable Borrowing Notice, appropriately completed and signed by a Responsible Officer of the Borrower, to the Administrative Agent. Each Borrowing Notice must be received by the Administrative Agent, not later than 11:00 a.m., New York City time, (i) three Business Days (or, such shorter period as may be acceptable to the Administrative Agent) prior to the requested date of any Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or of any conversion of Eurocurrency Rate Loans, and (ii) one (1) Business Day prior to the requested date of any Borrowing of Base Rate Loans. Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof. Each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $250,000 in excess thereof. Each Borrowing Notice shall specify (i) whether the requested Borrowing is to be a Base Rate Loan or Eurocurrency Rate Loan, (ii) the requested date of the Borrowing, a conversion of Loans from one Type to the other, or a continuation of Eurocurrency Rate Loans, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted and (v) wire instructions for where Loan funds should be sent. If the Borrower fails to specify a Type of Loan in a Borrowing Notice or if the Borrower fails to give a timely notice requesting a conversion or continuation of Eurocurrency Rate Loans, then the Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans.

(b) Following receipt of a Borrowing Notice, the Administrative Agent shall promptly notify each applicable Lender of the amount of its Applicable Percentage under the applicable Facility of the Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each applicable Lender of the details of any automatic conversion to Base Rate Loans as described in the preceding subsection. In the case of a Borrowing of any Term Loans, each applicable Lender shall make the amount of its Term Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office, not later than 1:00 p.m. on the Business Day specified in the applicable Borrowing Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), and receipt of all requested Loan funds, the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent by wire transfer of such funds in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan. During the existence of an Event of Default, no Loans of any Facility may be requested as, converted to or continued as Eurocurrency Rate Loans if the Required Lenders or the Administrative Agent so notify the Borrower.

(d) Promptly on each Interest Rate Determination Date, Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the Eurocurrency Rate Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to the Borrower and each Lender. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Prime Rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one type to the other, and all continuations of Loans as the same Type, there shall not be more than four (4) Interest Periods in effect hereunder in respect of the Loans.

2.03 [Reserved].

2.04 [Reserved].

2.05 Prepayments.

(a) Voluntary Prepayments. The Borrower may, upon written notice to the Administrative Agent at any time or from time to time voluntarily prepay Loans, in each case, in whole or in part, subject to Section 2.09(c) and Section 2.09(d); provided that (i) such notice must be received by the Administrative Agent not later than 11:00 a.m., New York City time (or such other later date and time which is acceptable to the Administrative Agent), (A) three Business Days prior to any date of prepayment of Eurocurrency Rate Loans, and (B) one Business Day prior to the date of prepayment of Base Rate Loans; (ii) any prepayment of Eurocurrency Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof; and (iii) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $250,000 in excess thereof or, in each case, the entire amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Facility(ies) and Type(s) of Loans to be prepaid and, if Eurocurrency Rate Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each Lender of its receipt of each such notice and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's Applicable Percentage in respect of the applicable Facility). If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein; provided that any such notice may be contingent upon the consummation of a refinancing or other transactions and such notice may otherwise be extended or revoked by the Borrower by notice to the Administrative Agent prior to the specified effective date if such condition is not satisfied, in each case, with the requirements of Section 3.05 to apply to any failure of the contingency to occur and any such extension or revocation. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Each prepayment of the outstanding Loans pursuant to this Section 2.05(a) shall be applied as specified in Section 2.05(j), and each prepayment of Loans shall be paid to the Lenders in accordance with their respective Applicable Percentages.

(b) [Reserved].

(c) [Reserved].

(d) [Reserved].

(e) Asset Sales. No later than five Business Days following the consummation of any Disposition by the Borrower or a Subsidiary pursuant to Sections 7.05(b) or 7.05(c) that results in the amount of Net Proceeds (as of the date of such receipt) exceeding $250,000 in an aggregate amount of all Net Proceeds received since the Closing

Date (such excess amount, the "Excess Proceeds"), the Borrower shall prepay the Loans in an aggregate amount equal to 100% of the Excess Proceeds. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with additional amounts required pursuant to Section 3.05.

(f) Issuance of Debt. On the first Business Day following receipt by Borrower or any of its Subsidiaries of any cash proceeds from the incurrence of any Indebtedness of Borrower or any of its Subsidiaries (other than with respect to Indebtedness permitted to be incurred pursuant to Section 7.03), Borrower shall prepay the Loans in an aggregate amount equal to 100% of such proceeds, net of underwriting discounts and commissions and other reasonable costs and expenses associated therewith, including reasonable legal fees and expenses.

(g) [Reserved].

(h) Insurance/Condemnation Proceeds. No later than five Business Days following the date of receipt by the Borrower or any of its Subsidiaries, or the Collateral Agent as loss payee, of any Net Insurance/Condemnation Proceeds, Borrower shall prepay the Loans in an aggregate amount equal to such Net Insurance/Condemnation Proceeds.

(i) [Reserved].

(j) Application of Prepayments. Each prepayment of the outstanding Loans (including all Base Rate Loans and all Eurocurrency Rate Loans) pursuant to this Section 2.05 shall be accompanied by accrued interest to the extent required by Section 2.08. Subject to the Carve Out, each prepayment of Loans pursuant to Section 2.05 shall be, subject to the Orders, remitted by the Borrower to the Administrative Agent and applied by the Administrative Agent in accordance with Section 8.04.

(k) [Reserved].

(l) Waivable Mandatory Prepayment. Anything contained herein to the contrary notwithstanding, in the event the Borrower is required to make any mandatory prepayment (a "Waivable Mandatory Prepayment") not less than five Business Days prior to the date (the "Required Prepayment Date") on which the Borrower is required to make such Waivable Mandatory Prepayment, the Borrower shall notify the Administrative Agent in writing of the amount of such prepayment, and the Administrative Agent will promptly thereafter notify each Lender of the amount of such Lender's Applicable Percentage of such Waivable Mandatory Prepayment. Each such Lender may exercise such option by giving written notice to the Borrower and the Administrative Agent of its election to do so on or before 5:00 p.m., New York City time, on the third Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify the Borrower and the Administrative Agent of its election to exercise such option on or before the third Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, (i) the Borrower shall pay to the Administrative Agent an amount equal to that portion of the Waivable Mandatory Prepayment that is payable to those Lenders that have elected not to exercise such option, to prepay the Loans of such Lenders (which prepayment shall be applied in accordance with the terms of this Section 2.05), and (ii) the portion of the Waivable Mandatory Prepayment otherwise payable to Lenders that have elected to exercise such option ("Declined Proceeds") may be retained by the Borrower to be used for any purpose not prohibited hereunder.

2.06 [Reserved].

2.07 Repayment of Loans. The Borrower hereby unconditionally agrees to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of such Lender's Loans, together with all other amounts owed hereunder with respect thereto, including all applicable fees in accordance with Section 2.09 on the Maturity Date.

2.08 Interest.

(a) Subject to the provisions of subsection (b) below, (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency

Rate for such Interest Period plus the Applicable Rate; and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate.

(b) If any amount of principal or interest of any Loan (or any other Obligations) is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees.

(a) Agency Fee. The Borrower shall pay to each Agent for its own account, in Dollars, fees in the amounts and at the times specified in the Agency Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(b) Upfront Fee. The Borrower shall pay to the Administrative Agent (i) on the Closing Date for the account of each Initial Term Lender, as fee compensation for the funding of such Initial Term Lender's Initial Term Loan, an upfront fee in an amount equal to 3.00% of the aggregate principal amount of such Initial Term Lender's Initial Term Loan Commitment, payable to such Initial Term Lender from the proceeds of its Initial Term Loan on the Closing Date, and (ii) on the Delayed Draw Funding Date for the account of each Delayed Draw Term Lender, as fee compensation for the funding of such Delayed Draw Term Lender's Delayed Draw Term Loan, an upfront fee in an amount equal to 3.00% of the aggregate principal amount of such Delayed Draw Term Lender's Delayed Draw Term Loan Commitment, payable to such Delayed Draw Term Lender from the proceeds of its Delayed Draw Term Loan on the Delayed Draw Funding Date. Such upfront fees will be in all respects fully earned, due and payable upon the funding of the Initial Term Loans or the Delayed Draw Term Loans, as the case may be, and shall be non-refundable and non-creditable thereafter.

(c) Put Option Premium. The Borrower shall pay to each Backstop Lender (or any Affiliate, or any affiliated investment fund, investment vehicle or entity that is managed, advised or sub-advised by such Backstop Lender or such Affiliate, in each case, designated by such Backstop Lender in writing to the Administrative Agent) a put option premium in an amount equal to 5.0% of the aggregate principal amount of such Backstop Lender's Backstop Commitments (as in effect immediately prior to the funding of Initial Term Loans), which shall be due on the Plan Effective Date and payable in the form of New Common Equity at a 35% discount to the Stated Equity Value, subject to dilution for the Management Incentive Plan; provided, however, that, after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable) upon the occurrence of any Event of Default under this Agreement or upon repayment of the Loans in full and termination of all Commitments without the occurrence of the Plan Effective Date, the Borrower shall pay to each Backstop Lender (or any Affiliate, or any affiliated investment fund, investment vehicle or entity that is managed, advised or sub-advised by such Backstop Lender or such Affiliate, in each case, designated by such Backstop Lender in writing to the Administrative Agent) in cash a put option premium in an amount equal to $10,000,000, ratably in accordance with their Backstop Commitments (as in effect immediately prior to the funding of the Initial Term Loans). Such put option premium will be fully earned in all respects on the Closing Date, and shall be non-refundable and non-creditable thereafter. The Agents shall have no responsibility for the distribution of any New Common Equity to the Backstop Lenders.

(d) Exit Fee. The Borrower shall pay to each Term Lender (or any Affiliate, or any affiliated investment fund, investment vehicle or entity that is managed, advised or sub-advised by such Term Lender or such Affiliate, in each case, designated by such Term Lender in writing to the Administrative Agent) an exit fee in an aggregate amount equal to 1.0% of the aggregate principal amount of the Term Loan Commitment (prior to any funding of Term Loans), which shall be due on the Plan Effective Date, ratably in accordance with Term Loans then outstanding and any unfunded Term Loan Commitments then outstanding, and payable in the form of New Common Equity at a 35%

discount to the Stated Equity Value, subject to dilution for the Management Incentive Plan; provided, however, that, after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable) upon the occurrence of any Event of Default under this Agreement or upon repayment of the Loans in full and termination of all Commitments without the occurrence of the Plan Effective Date, the Borrower shall pay to each Term Lender (or any Affiliate, or any affiliated investment fund, investment vehicle or entity that is managed, advised or sub-advised by such Term Lender or such Affiliate, in each case, designated by such Term Lender in writing to the Administrative Agent) in cash an exit fee in an amount equal to $2,000,000, ratably in accordance with their Term Loans outstanding at such time. Such exit fees will be fully earned in all respects on the Closing Date, and shall be non-refundable and non-creditable thereafter. The Agents shall have no responsibility for the distribution of any New Common Equity to the Term Lenders.

(e) Delayed Draw Term Loan Commitment Fee. The Borrower shall pay to the Administrative Agent, for the account of each Delayed Draw Term Lender, as fee compensation for such Term Lender's Delayed Draw Term Loan Commitment, a commitment fee (the "Delayed Draw Term Loan Commitment Fee") on the Delayed Draw Term Loan Commitment (whether or not then available) of such Term Lender accruing, during the period commencing from the Closing Date to the Delayed Draw Funding Date, at a rate per annum equal to the 1.00%, payable to such Term Lender from the proceeds of its Delayed Draw Term Loan on the Delayed Draw Funding Date. Such Delayed Draw Term Loan Commitment Fee will be in all respects fully earned, due and payable upon the funding of the Delayed Draw Term Loans, and shall be non-refundable and non-creditable thereafter.

2.10 Computation of Interest and Fees.

(a) All computations of interest for Base Rate Loans, where the rate of interest is calculated on the basis of the Prime Rate, shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by an Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

2.11 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender to the Borrower, the Borrower shall execute and deliver a Note to such Lender, which shall evidence such Lender's Loans to the Borrower in addition to such accounts or records. Each Lender may attach schedules to a Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent for the account of the Lenders, to which such payment is owed, at the Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m., New York City time, on the date specified herein. The Administrative Agent will promptly distribute to each applicable Lender its Applicable Percentage of such payment in like funds as received by wire transfer to such applicable Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m., New York City time, may, in Administrative Agent's discretion, be deemed received on the next succeeding Business Day and

any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Rate Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon., New York City time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if an applicable Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the Overnight Rate plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans of the Facility and Type comprising such Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Term Loan, included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the applicable Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the applicable Lenders, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent at the Overnight Rate.

A notice of the Administrative Agent to any applicable Lender or the Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender to the Borrower as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Term Loans and to make payments pursuant to Section 10.04(c) are several and not joint. The failure of any Lender to make any Term Loan or to make any payment under Section 10.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Term Loan or to make its payment under Section 10.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.13 Pro Rata; Sharing of Payments by Lenders. Except as otherwise expressly provided in this Agreement, each payment (including each prepayment) by the Borrower on account of principal of and interest on any Loans shall be allocated by the Administrative Agent pro rata according to the respective outstanding principal amounts of such Loans then held by the respective Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of (a) Obligations due and payable to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender at such time to (ii) the aggregate amount of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time or (b) Obligations owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations owing (but not due and payable) to such Lender at such time to (ii) the aggregate amount of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time) of payment on account of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all of the Lenders at such time, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact and (b) purchase (for cash at face value) participations in the Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of Obligations then due and payable to the Lenders or owing (but not due and payable) to the Lenders, as the case may be; provided that:

(a) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this Section shall apply), (iii) any payments pursuant to the Agency Fee Letter, or (iv) any payments made pursuant to Article III or Section 10.13.

The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

2.14 [Reserved].

2.15 [Reserved].

2.16 [Reserved].

2.17 [Reserved].

2.18 Defaulting Lenders. Notwithstanding anything contained in this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to any Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of

which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders, as a result of any judgment of a court of competent jurisdiction obtained by any Lender, against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by the Lenders pro rata in accordance with the Commitments hereunder. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

A Lender that has become a Defaulting Lender because of an event referenced in the definition of Defaulting Lender may cure such status and shall no longer constitute a Defaulting Lender as a result of such event when (i) such Defaulting Lender shall have fully funded or paid, as applicable, all Loans or other amounts required to be funded or paid by it hereunder as to which it is delinquent (together, in each case, with such interest thereon as shall be required to any Person as otherwise provided in this Agreement), (ii) the Administrative Agent and each of the Borrower shall have received a certification by such Defaulting Lender of its ability and intent to comply with the provisions of this Agreement going forward, and (iii) each of the Administrative Agent and the Borrower shall have determined (and notified the Administrative Agent) that they are satisfied, in their sole discretion, that such Defaulting Lender intends to continue to perform its obligations as a Lender hereunder and has all approvals required to enable it, to continue to perform its obligations as a Lender hereunder. No reference in this subsection to an event being "cured" shall by itself preclude any claim by any Person against any Lender that becomes a Defaulting Lender for such damages as may otherwise be available to such Person arising from any failure to fund or pay any amount when due hereunder or from any other event that gave rise to such Lender's status as a Defaulting Lender.

2.19 Priority and Liens; No Discharge.

(a) The relative priorities of the Liens with respect to the Collateral shall be as set forth in the Interim Order (and, when entered, the Final Order). Notwithstanding anything to the contrary in this Agreement or in any Loan Document, all of the Liens described herein shall be effective and perfected upon entry of the Interim Order without the necessity of the execution or recordation of filings by the Debtors of security agreements, mortgages, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the Collateral Agent, as applicable, of, or over, any Collateral, as set forth in the Interim Order and, when entered, the Final Order.

(b)

(i) Each Loan Party that is a Debtor hereby confirms and acknowledges that, pursuant to the Interim Order (and, when entered, the Final Order), the Liens in favor of the Collateral Agent on behalf of and for the benefit of the Secured Parties in all of the Collateral and the proceeds thereof, which includes, without limitation, all of such Debtor's Real Properties (other than Excluded Assets), now existing or hereafter acquired, shall be created and perfected without the recordation or filing in any land records or filing offices of any mortgage, assignment or similar instrument.

(ii) Further to Section 2.19(b)(i) and the Interim Order (and, when entered, the Final Order), subject to Section 2.19(b)(iv) below, to secure the full and timely payment and performance of the Obligations, each Loan Party that is a Debtor hereby MORTGAGES, GRANTS, BARGAINS, ASSIGNS, SELLS, CONVEYS and CONFIRMS, to the Collateral Agent, for the ratable benefit of the Secured Parties, all or any Real Properties (in any case, excluding any Real Properties that are Excluded Assets), but which, for the avoidance of doubt, shall include all of such Loan Party's right, title and interest now or hereafter acquired in and to (a) any and all easements, rights-of-

way, reversions, sidewalks, strips and gores of land, drives, roads, curbs, streets, ways, alleys, passages, passageways, sewer rights, waters, water courses, water rights, mineral, gas and oil rights, as-extracted collateral and all power, air, light and other rights, estates, titles, interests, privileges, liberties, servitudes, licenses, tenements, hereditaments and appurtenances whatsoever, in any way belonging, relating or appertaining thereto, or any part thereof, or which hereafter shall in any way belong, relate or be appurtenant thereto; (b) the lessee's interest and estate in, to and under any leases and subleases to which such Loan Party is a party (as such leases and subleases may be extended, amended, supplemented, modified or restated), together with any and all easements, rights-of-way, reversions, sidewalks, strips and gores of land, drives, roads, curbs, streets, ways, alleys, passages, passageways, sewer rights, waters, water courses, water rights, mineral, gas and oil rights, as-extracted collateral and all power, air, light and other rights, estates, titles, interests, privileges, liberties, servitudes, licenses, tenements, hereditaments and appurtenances whatsoever, in any way demised under such leases and subleases; (c) any and all tipples, loading and coal washing facilities, railroad tracks, buildings, foundations, structures and other fixtures and improvements and any and all alterations and all materials now or hereafter intended for construction, reconstruction or repair thereof; (d) any and all permits, certificates, authorizations, consents, approvals, licenses, franchises, waivers or other instruments now or hereafter required by any Governmental Authority to operate or use and occupy the Real Properties and related assets for its intended uses; (e) all materials, supplies, equipment, apparatus and other items of personal property now owned or hereafter acquired by such Loan Party, and water, gas, electrical, telephone, storm and sanitary sewer facilities and all other utilities whether or not situated in easements or used or useful in connection with mining coal or other minerals or in connection with any related activities or the maintenance or preservation thereof; (f) all goods, accounts, general intangibles, instruments, documents, chattel paper, as-extracted collateral and all other personal property of any kind or character, including such items of personal property as defined in the UCC; (g) all reserves, escrows or impounds and all deposit accounts; (h) such Loan Party's right, title and interest as lessor, landlord, sublessor, sublandlord, franchisor, licensor or grantor, in all leases and subleases (including, without limitation, intercompany leases) of land or improvements, leases and subleases of space, oil, gas and mineral leases, franchise agreements, licenses, occupancy or concession agreements or other agreements which grant to any Person (other than such Loan Party) a possessory interest in, or the right to use any Real Properties, including, all rents, additional rents, royalties, cash, guaranties, letters of credit, bonds, sureties or securities deposited thereunder to secure performance of the lessee's, sublessee's, franchisee's, licensee's or obligee's obligations thereunder, revenues, earnings, profits and income, advance rental or royalties, payments, payments incident to assignment, sublease or surrender of a lease, claims for forfeited deposits and claims for damages, now due or hereafter to become due, with respect to any lease, any indemnification against, or reimbursement for, sums paid and costs and expenses incurred by such Loan Party under any lease or otherwise, and any award in the event of the bankruptcy of any tenant or lessee under or guarantor of a lease; (i) all other agreements, such as construction contracts, architects' agreements, engineers' contracts, utility contracts, maintenance agreements, management agreements, service contracts, listing agreements, guaranties, warranties, permits, licenses, certificates and entitlements in any way relating to the construction, use, occupancy, operation, maintenance, enjoyment or ownership of any Real Properties; (j) all rights, privileges, tenements, hereditaments, rights-of-way, easements, appendages and appurtenances appertaining to the foregoing; (k) all property tax refunds payable to such Loan Party; (l) all accessions, replacements and substitutions for any of the foregoing and all proceeds thereof; (m) all insurance policies, unearned premiums therefor and proceeds from such policies covering any of the above property now or hereafter acquired by such Loan Party; and (n) any awards, damages, remunerations, reimbursements, settlements or compensation heretofore made or hereafter to be made by any Governmental Authority pertaining to the Real Properties (BUT EXCLUDING from the foregoing grants, Excluded Assets), TO HAVE AND TO HOLD to the Collateral Agent, and such Loan Party does hereby bind itself, its successors and assigns to WARRANT AND FOREVER DEFEND the title to such property, assets and interests unto the Collateral Agent.

(iii) Each Loan Party that is a Debtor further agrees that upon the request of the Collateral Agent (acting at the direction of the Required Lenders), such Loan Party shall execute and deliver to the Collateral Agent, as soon as reasonably practicable following such request but in any event within 45 days following such request (or such later date as may be extended by the Collateral Agent), with respect to Real Properties owned or leased by such Loan Party (in any case, excluding any Real Properties that are Excluded Assets) and identified by the Collateral Agent, the applicable Loan Party shall deliver:

1. fully executed and notarized Mortgages, in proper form for recording in all appropriate places in all applicable jurisdictions, encumbering each such Real Properties, and any ancillary deliverables as reasonably requested by the Collateral Agent (including, without

limitation, memoranda of leases in recordable form, duly executed by the applicable landlord and Loan Party);

2. an opinion of counsel (which counsel shall be reasonably satisfactory to Collateral Agent) in each state in which each such Real Property is located with respect to the enforceability of the form(s) of Mortgages to be recorded in such state and such other matters as Collateral Agent may reasonably request, in each case in form and substance reasonably satisfactory to Collateral Agent; and

3. (A) a completed Flood Certificate with respect to any Real Property that constitutes Collateral and that is improved with structures eligible for flood insurance under the Flood Program, which Flood Certificate shall (x) be addressed to the Collateral Agent and (y) otherwise comply with the Flood Program; (B) if the Flood Certificate states that such Real Property is located in a Flood Zone, Debtor's written acknowledgment of receipt of written notification from the Collateral Agent (x) as to the existence of each such Real Property and (y) as to whether the community in which such Real Property is located is participating in the Flood Program; and (C) if such Real Property is located in a Flood Zone and is located in a community that participates in the Flood Program, evidence that Debtor has obtained a policy of flood insurance that is in compliance with all applicable requirements of the Flood Program.

(iv) Each of the Loan Parties agrees that to the extent that its Obligations have not been Paid in Full, (i) its obligations shall not be discharged by any order confirming a Reorganization Plan (and each of the Loan Parties, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) and (ii) the Superpriority Claim granted to the Secured Parties pursuant to the Orders and the Liens granted to the Secured Parties pursuant to the Orders shall not be affected in any manner by any order confirming a Reorganization Plan; *provided* that such Obligations shall be discharged upon such Payment in Full, and such Obligations may be otherwise treated in accordance with an Acceptable Plan and such treatment will provide for the discharge of the Obligations arising hereunder if so provided by such Acceptable Plan.

ARTICLE III
TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any Loan Party hereunder or under any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of the applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.01(a)) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. Without duplication of any obligation set forth in subsection (a) above, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes.

(c) Indemnification by the Borrower. The Loan Parties shall jointly and severally indemnify each Recipient within 10 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient, or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered

to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of an applicable Lender, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 3.01, the applicable Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by applicable Law and from time to time when reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is not a Foreign Lender shall deliver to the Borrower and Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter as prescribed by applicable Law or upon the reasonable request of the Borrower or the Administrative Agent), duly completed and executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender, to the extent it is legally entitled to do so, shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of any Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, duly completed and executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) duly completed and executed copies of IRS Form W-8ECI or IRS Form W-8EXP;

(3) in the case of any Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit M-1 to the effect that such Foreign Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" related to a Loan Party as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) duly completed and executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable;

(4) to the extent any Foreign Lender is not the beneficial owner, duly completed and executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8EXP, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit M-2 or Exhibit M-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit M-4 on behalf of each such direct and indirect partner;

(C) in addition, any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), duly completed and executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in United States federal withholding Tax duly completed and executed together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower or Administrative Agent to determine the withholding or deduction required to be made; provided, that notwithstanding anything to the contrary in this Section 3.01(e); the completion, execution and submission of the documentation described in this subclause 3.01(e)(ii)(C) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender; and

(D) if a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or Section 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times as prescribed by Law and at such time or times as reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for the purposes of this subclause 3.01(e)(ii)(D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority), in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying or any other Person.

(g) Survival. Each party's obligations under this Section 3.01 shall survive the resignation or replacement of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement.

3.02 Illegality. If any Lender determines that as a result of any Change in Law it becomes unlawful, or that any Governmental Authority asserts that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the applicable interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (a) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loan to Eurocurrency Rate Loans, shall be suspended and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurocurrency Rate component of the Base Rate, the interest rate on Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case, until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or convert all such Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender, which it shall do as promptly as possible, that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

3.03 Inability to Determine Rates

(a) If the Administrative Agent determines that for any reason in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof that (i) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan, or (ii) the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans in the affected currency or currencies shall be suspended and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case, until the Administrative Agent (upon the instruction of the Required Lenders, who agree to so instruct the Administrative Agent once the circumstances giving rise to the inability to determine rates no longer exist) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 3.03(a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 3.03(a)(i) have not arisen but the supervisor for the administrator of the Eurocurrency Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Eurocurrency Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the Eurocurrency Rate that (x) gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans of similar type in the United States at such time, and (y) is a rate that the Administrative Agent is able to calculate and administer, and the Borrower and the

Administrative Agent shall enter into an amendment to this Agreement to effectuate such alternate rate of interest and such other changes to this Agreement as may be necessary or desirable in connection therewith. Notwithstanding anything to the contrary in Section 10.01, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date that notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this paragraph (b) (but in the case of the circumstances described in Section 3.03(b)(ii), only to the extent the Eurocurrency Rate is not available or published at such time on a current basis), Sections 3.03(a)(i) and (ii) shall be applicable.

3.04 Increased Costs; Reserves on Eurocurrency Rate Loans.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Eurocurrency Rate contemplated by Section 3.04(e));

(ii) subject any Recipient to Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurocurrency Rate Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Rate Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon written request of such Lender setting forth in reasonable detail such increased costs, the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender, as the case may be, for such additional costs incurred or reduction suffered; provided that before making any such demand, each Lender agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions and so long as such efforts would not be materially disadvantageous to it, in its reasonable discretion, in any legal, economic or regulatory manner) to designate a different Eurocurrency lending office if the making of such designation would allow the Lender or its Eurocurrency lending office to continue to perform its obligation to make Eurocurrency Rate Loans or to continue to fund or maintain Eurocurrency Rate Loans and avoid the need for, or reduce the amount of, such increased cost.

(b) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time, after submission to the Borrower (with a copy to the Administrative Agent) of a written request therefor setting forth in reasonable detail the change and the calculation of such reduced rate of return, the Borrower will pay to such Lender, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section, describing the basis therefor and showing the calculation thereof in reasonable detail, and delivered to the Borrower shall be conclusive, absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than 90 days prior to the date that such Lender, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 90-day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Additional Reserve Requirements. The Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as reasonably determined by such Lender in good faith, which determination shall be conclusive, absent manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive, absent manifest error), which in each case shall be due and payable on each date on which interest is payable on such Loan, provided the Borrower shall have received at least 10 Business Days' prior notice (with a copy to the Administrative Agent) of such additional interest or costs from such Lender describing the basis therefor and showing the calculation thereof, in each case, in reasonable detail. If a Lender fails to give notice 10 Business Days prior to the relevant Interest Payment Date, such additional interest or costs shall be due and payable within 30 days from receipt of such notice.

(f) Certain Rules Relating to the Payment of Additional Amounts. If any Lender requests compensation pursuant to this Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, such Lender shall either (A) forego payment of such additional amount from the Borrower or (B) reasonably afford the Borrower the opportunity to contest, and reasonably cooperate with the Borrower in contesting, the imposition of any Indemnified Taxes or other amounts giving rise to such payment; provided that the Borrower shall reimburse such Lender for its reasonable and documented out-of-pocket costs, including reasonable and documented attorneys' and accountants' fees and disbursements incurred in so cooperating with the Borrower in contesting the imposition of such Indemnified Taxes or other amounts.

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower;

(c) [reserved]; or

9.03 Exculpatory Provisions. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, no Agent:

(a) shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing;

(b) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.01), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including, for the avoidance of doubt, any action that, in its opinion or the opinion of its counsel, may violate the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; provided, further, that if any Agent so requests, it shall first be indemnified and provided with adequate security to its sole satisfaction (including reasonable advances as may be requested by such Agent) by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such directed action;

(c) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as an Agent or any of its Affiliates in any capacity;

(d) shall be responsible or have any liability for or in connection with, or have any duty to ascertain, inquire into, monitor, maintain, update or enforce, compliance with the provisions hereof relating to Disqualified Institutions; and without limiting the generality of the foregoing, no Agent shall (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution;

(e) neither any Agent nor any of its Related Parties shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.01) or (ii) in the absence of its own gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction (which shall not include any action taken or omitted to be taken in accordance with clause (i), for which such Agent shall have no liability);

(f) shall be deemed to have knowledge of any Default or Event of Default unless and until written notice describing such Default and is labeled a "Notice of Default" is given to such Agent by the Borrower or a Lender; or

(g) shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement, any other Loan Document, or any Coal Contract, or made in any written or oral statements made in connection with the Loan Documents, any Coal Contract, and the transactions contemplated thereby, (ii) the contents of any financial or other statements, instruments, certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, whether made by such Agent to the Lenders or by or on behalf of any Loan Party to such Agent or any Lender in connection with the Loan Documents and the transactions contemplated thereby, (iii) the financial condition or business affairs of any Loan Party or any other Person liable for the payment of any Obligations, (iv) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the use of proceeds of the Loans or the occurrence or possible occurrence of any Default or Event of Default or to make any disclosures with respect to the foregoing, (v) the execution, validity, enforceability, effectiveness, genuineness, collectability or sufficiency of this Agreement, any other Loan Document, any Coal Contract, or any other agreement, instrument or document or the creation, preservation, perfection, maintenance of perfection, or priority of any Lien purported to be created by the Loan Documents or any Coal Contract, (vi) the value or the sufficiency of any Collateral, (vii) whether the Collateral exists, is owned by Borrower or its Subsidiaries, is cared for, protected, or insured or has been encumbered, or meets the eligibility criteria applicable in respect thereof, or (viii) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent.

Anything contained herein to the contrary notwithstanding, no Agent shall have any liability arising from confirmation of the amount of outstanding Loans or the component amounts thereof.

For the avoidance of doubt, and without limiting the other protections set forth in this Article 9, with respect to any determination, designation, or judgment to be made by the Administrative Agent or the Collateral Agent herein or in the other Loan Documents, the Administrative Agent or the Collateral Agent, as applicable, shall be entitled to request that the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.01) make or confirm such determination, designation, or judgment.

No Agent shall be responsible or have any liability for or in connection with, or have any duty to ascertain, inquire into, monitor, maintain, update or enforce compliance with the provisions hereof relating to Coal Contracts. No Agent shall be deemed to have notice of any Secured Designated Coal Contract Obligations unless such Agent has received written notice of such Secured Designated Coal Contract Obligations, together with such supporting documentation as such Agent may request, from the applicable Designated Coal Contract Counterparty.

9.04 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received written notice to the contrary from such Lender prior to the making of such Loan and such Lender shall have not made its ratable portion of such Loan available to the Administrative Agent. Each Agent shall be entitled to rely on and may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.05 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more co-agents, sub-agents and attorneys-in-fact appointed by such Agent. Each Agent and any such co-agent, sub-agent and attorney-in-fact may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The rights, privileges, protections, immunities, and indemnities of this Article and Section 10.04 shall apply to any such co-agent, sub-agent or attorney-in-fact and to the Related Parties of such Agent and any such co-agent, sub-agent or attorney-in-fact, and shall apply to each of their respective activities in such capacities as if such co-agent, sub-agent or attorney-in-fact and Related Parties were named herein. Notwithstanding anything herein to the contrary, with respect to each co-agent, sub-agent or attorney-in-fact appointed by any Agent, (i) such co-agent, sub-agent or attorney-in-fact shall be a third party beneficiary under this Agreement with respect to all rights, privileges, protections, immunities, and indemnities of this Article and Section 10.04 and shall have all of the rights and benefits of a third party beneficiary, including an independent right of action to enforce such rights, privileges, protections, immunities, and indemnities of this Article and Section 10.04 directly, without the consent or joinder of any other Person, against any or all Loan Parties and the Lenders, (ii) rights, privileges, protections, immunities, and indemnities of this Article and Section 10.04 shall not be modified or amended without the consent of such co-agent, sub-agent or attorney-in-fact, and (iii) such co-agent, sub-agent or attorney-in-fact shall only have obligations to such Agent and not to any Loan Party, Lender or any other Person, and no Loan Party, Lender or any other Person shall have any rights, directly or indirectly, as a third party beneficiary or otherwise, against such co-agent, sub-agent or attorney-in-fact. No Agent shall be responsible for the negligence or misconduct of any such co-agents, sub-agents and attorneys-in-fact except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such co-agents, sub-agents and attorneys-in-fact.

9.06 Resignation of Agent. Each Agent may at any time give notice of its resignation to the applicable Lenders, and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the approval of the Borrower unless an Event of Default under Section 8.01(f) or (g) has occurred or is continuing

(such approval not to be unreasonably withheld), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above; provided that (x) in no event shall any successor Agent be a Defaulting Lender, a Disqualified Institution or an Affiliated Lender and (y) if such Agent shall notify the Borrower and the applicable Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the retiring Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through such retiring Agent shall instead be made by or to each applicable Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its applicable predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article, Section 10.04, and all other rights, privileges, protections, immunities, and indemnities granted to such Agent hereunder or the other Loan Documents shall continue in effect for the benefit of such retiring Agent, its co-agents, sub-agents and attorneys-in-fact and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent.

9.07 Non-Reliance on Agents and Other Lenders.

(a) Each Lender acknowledges represents and warrants that it has, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such analysis on behalf of the Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and no Agent shall have any responsibility with respect to the accuracy of or the completeness of any information provided to the Lenders. Each Lender, by delivering its signature page to this Agreement or an Assignment and Assumption, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by any Agent, Required Lenders, or Lenders, as applicable, on the Closing Date. Each Lender acknowledges that none of the Agents or their Related Parties have made any representation or warranty to it, and that no act by any Agent or its Related Parties hereinafter taken shall be deemed to constitute any representation or warranty by any Agent or its Related Parties to any Lender. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by an Agent, no Agent or any of its Related Parties shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of the Borrower or any other Person party to a Loan Document that may come into the possession or control of such Agent or its Related Parties.

9.08 No Other Duties, Etc. Each Agent shall have only those duties and responsibilities that are expressly specified herein for such Agent and the other Loan Documents. Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. The duties of each Agent shall be mechanical and administrative in nature; and no Agent shall have, by reason hereof or any of the other Loan Documents, a fiduciary relationship in respect of any Lender or any other Person; and nothing herein or any of the other Loan Documents, expressed or implied, is intended to or shall be so construed as to impose upon such Agent

any obligations in respect hereof or any of the other Loan Documents except as expressly set forth herein or therein. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement or the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties.

9.09 [Reserved].

9.10 Guaranty and Collateral Matters.

(a) Each Secured Party hereby and/or by accepting the benefits of the Collateral authorizes each Agent, on behalf of and for the benefit of Secured Parties, to be the agent for and representative of Secured Parties with respect to the Guaranty, the Collateral and the Security Documents, as applicable. Subject to Section 10.01, without further written consent or authorization from any Secured Party, each Agent may execute any documents or instruments necessary to (i) under the circumstances described in clause (A) of Section 10.21(a), confirm or acknowledge that the Liens on the Collateral no longer secure the Obligations, (ii) in connection with a sale or disposition of assets permitted by this Agreement, release any Liens encumbering any item of Collateral that is the subject of such sale or other disposition of assets or to which the Required Lenders (or such other Lenders as may be required to give such consent under Section 10.01) have otherwise consented, (iii) release any Guarantor from the Guaranty pursuant to Section 10.21 or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 10.01) have otherwise consented or (iv) acknowledge and confirm that specified assets of the Loan Parties are Excluded Assets.

(b) The Secured Parties irrevocably authorize the Administrative Agent to release any Guarantor from its obligations under the Guaranty in accordance with the terms of Section 10.21. Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10.

(c) The Secured Parties irrevocably authorize the Collateral Agent to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document in accordance with the terms of Section 10.21. Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release its interest in particular types or items of property in accordance with this Section.

9.11 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting the provisions of Section 3.01 or 3.04, each Lender shall, and does hereby, indemnify the Administrative Agent, and shall make payable in respect thereof within 30 days after demand therefor, against any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of such Administrative Agent to properly withhold tax from amounts paid to or for the account of any applicable Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective), whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any applicable Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 9.11. The agreements in this Section 9.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement.

9.12 Concerning the Collateral and Related Loan Documents. Each Lender authorizes and directs each Agent to enter into, and agrees to be bound by, this Agreement (and to make all representations, warranties, covenants, and agreements on behalf of the Lenders as set forth therein), the Security Documents, and the other Loan

Documents, including, without limitation, each Loan Document to be executed by such Agent and set forth on Schedule 6.18 hereto. Each Lender hereby acknowledges and agrees that (x) the foregoing instructed actions constitute an instruction from all the Lenders under this Section and (y) this Article 9 and Section 10.04 and any other rights, privileges, protections, immunities, and indemnities in favor of any Agent hereunder apply to any and all actions taken or not taken by such Agent in accordance with such instruction. Each Lender agrees that any action taken by the Collateral Agent in accordance with the terms of this Agreement or the other Loan Documents relating to the Collateral and the exercise by the Collateral Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders.

9.13 Survival. The agreements in this Article 9 shall survive the resignation or replacement of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement.

ARTICLE X
MISCELLANEOUS

10.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower, or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower, or the applicable Loan Party (in each case with a copy to the Agents), as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written consent of such Lender;

(b) postpone any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees or other amounts due to the Lenders (or any of them) (it being understood that the waiver of, or amendment to the terms of, any mandatory prepayment shall not constitute such a postponement) without the written consent of each Lender directly affected thereby;

(c) waive, reduce or postpone the principal of, or the stated rate of interest specified herein on, any Loan, or (subject to clause (y) of the first *proviso* after clause **Error! Reference source not found.** below) any fees or premiums or other amounts payable hereunder without the written consent of each Lender directly affected thereby; provided, however, that, without limiting the effect of clauses **Error! Reference source not found.** below or the proviso directly below, only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change Section 2.13 or Section 8.04 in a manner that would alter the pro rata sharing of payments required thereby in a manner that by its terms modifies the application of such payments required thereby to be on a non- pro rata basis without the written consent of each affected Lender and affected Designated Coal Contract Counterparty adversely affected thereby;

(e) change the Superpriority Claims status of any Lenders or Designated Coal Contract Counterparty under the Orders or under any Loan Document without the written consent of each such Lender and Designated Coal Contract Counterparty directly and adversely affected thereby;

(f) change any provision of this Section 10.01 or the definitions of "Required Lenders," or "Applicable Percentage" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder without the written consent of each Lender affected thereby; provided, with the consent of the applicable Required Lenders, additional extensions of credit pursuant hereto may be included in the determination of "Required Lenders" or "Applicable Percentage" on substantially the same basis as the Term Loans and the Roll-Up Loans, as applicable, are included on the Closing Date.

(g) other than as permitted by Section 9.10 and Section 10.21, release (i) all or substantially all of the Guarantors from the Guaranty (as measured by value, not by number) or all or substantially all of the Collateral, except as expressly provided in the Loan Documents and except in connection with a "credit bid" undertaken by the Collateral Agent at the direction of the Required Lenders pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code or other sale or disposition of assets in connection with an enforcement action with respect to the Collateral permitted pursuant to the Loan Documents (in which case only the consent of the Required Lenders will be needed for such release) or (ii) all or substantially all of the Collateral covered by the Security Documents without the written consent of each Lender and each Designated Coal Contract Counterparty, in each case unless the release is permitted hereunder pursuant to Section 10.21; or

(h) change (i) the ratable treatment of Obligations (other than the Secured Designated Coal Contract Obligations) on the one hand and Secured Designated Coal Contract Obligations on other hand, or (ii) the definition of "Coal Contract", "Designated Coal Contract Counterparty", "Designated Coal Contract", "Existing Designated Coal Contract", "Existing Designated Coal Contract Counterparty," "Obligations", "Secured Designated Coal Contract Obligations" or "Secured Obligations" (as defined in this Agreement or any applicable Security Document), in each case of clause (i) and (ii), to the extent any such amendment, waiver or consent would directly and adversely affect the rights or the ratable treatment of any Lender or Designated Coal Contract Counterparty hereunder or in any other Loan Document without the written consent of any such Lender or such Designated Coal Contract Counterparty directly and adversely affected thereby;

provided, that (x) no amendment, waiver or consent shall, unless in writing and signed by the applicable Agent in addition to the Lenders required above, affect the rights or duties of such Agent under this Agreement or any other Loan Document; and (y) any Agency Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties to such Agency Fee Letter. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that (i) the Commitment of such Lender may not be increased or extended and (ii) the principal of any Loan owed to such Lender may not be reduced without the consent of such Lender.

Notwithstanding the foregoing, the Borrower and the Agents may amend this Agreement and the other Loan Documents without the consent of any Lender (a) to cure any ambiguity, omission, mistake, error, defect or inconsistency (as reasonably determined by the Borrower in consultation with the Agents), so long as such amendment, modification or supplement does not directly and adversely affect the rights of any Lender or any Designated Coal Contract Counterparty, or the Lenders and Designated Coal Contract Counterparties shall have received at least five (5) Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders and Designated Coal Contract Counterparties, a written notice from the Required Lenders or a Designated Coal Contract Counterparty stating that the Required Lenders or such Designated Coal Contract Counterparty object to such amendment, (b) to add a Guarantor with respect to the Loans or collateral to secure the Loans, (c) to make administrative changes that do not directly and adversely affect the rights of any Lender, (d) to integrate any other Funded Debt of the Borrower and its Subsidiaries that is secured by Liens on the Collateral (or any portion thereof) that rank pari passu in right of security with the Liens on the Collateral securing the Obligations or (e) to make technical, administrative or other changes that do not directly and adversely affect the rights of any Lender or Designated Coal Contract Counterparty in respect of provisions relating to the respective rights, roles or responsibilities of the Agents.

The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

Any such waiver and any such amendment or modification pursuant to this Section 10.01 shall apply equally to each of the Lenders and Designated Coal Contract Counterparties and shall be binding upon the Borrower, the Lenders, the Agents, the Designated Coal Contract Counterparties, and all future holders of the Obligations. In the case of any waiver, the Borrower, the Lenders, the Designated Coal Contract Counterparties, and the Agents shall be restored to their former positions and rights hereunder and under the other Loan Documents, and any Default or Event of Default that is waived pursuant to this Section 10.01 shall be deemed to be cured and not continuing during the period of such waiver.

10.02 Notices; Effectiveness; Electronic Communication.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail, sent by telecopier (except for any notices sent to any Agent) as follows or sent by electronic communication as provided in subsection (b) below, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower or any Agent to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02;

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified on Schedule 10.02 or in its Administrative Questionnaire; and

(iii) if to any Designated Coal Contract Counterparty, to the address, telecopier number, electronic mail address or telephone number specified in Schedule 10.02 or in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not sent during normal business hours for the recipient, shall be deemed to have been sent at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b). Notwithstanding the foregoing, (a) no notice to any Agent shall be effective until received by such Agent and (b) any such notice or other communication shall at the request of such Agent be provided to any co-agent, sub-agent or attorney-in-fact appointed pursuant to Section 9.03(c) as designated by such Agent from time to time.

(b) Electronic Communications. Notices and other communications to any Agent and the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites, including the Platform) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Agents or the Borrower may, in their discretion, agree to accept notices and other communications to the Agents or the Borrower hereunder by electronic communications pursuant to procedures approved by the Administrative Agent or the Borrower, as applicable, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. Each Loan Party understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution. In no event shall any Agent or any of its Related

Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the such Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses have resulted from the gross negligence or willful misconduct of such Agent Party, as determined by a final non- appealable judgment of a court of competent jurisdiction; provided, however, that in no event shall the Borrower or any Agent Party have any liability to the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages); provided that such waiver shall not limit any Loan Party's reimbursement or indemnification obligations under Sections 10.04(a) or 10.04(b), respectively. Each Loan Party, each Lender, and each Agent agrees that any Agent may, but shall not be obligated to, store any electronic communication on the Platform in accordance with such Agent's customary document retention procedures and policies.

(d) Defaults. Any notice of Default or Event of Default may be provided by telephone if confirmed promptly thereafter by delivery of written notice thereof.

(e) Change of Address, Etc. The Borrower and any Agent may change its address, electronic mail address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, electronic mail address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each of the Lender and Designated Coal Contract Counterparties agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender or such Designated Coal Contract Counterparty, as the case may be.

(f) Reliance by Agents and Lenders. The Agents, the Designated Coal Contract Counterparties and the Lenders shall be entitled to rely and act upon any notices (including telephonic Borrowing Notices) purportedly given by or on behalf of the Borrower, even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other telephonic communications with any Agent may be recorded by such Agent, and each of the parties hereto hereby consents to such recording.

(g) Private Side Information Contacts. Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States federal and state securities laws, to make reference to information that is not made available through the "Public-Side Information" portion of the Platform and that may contain Private-Side Information. In the event that any Public Lender has determined for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) other Lenders may have availed themselves of such information and (ii) neither the Borrower nor any Agent has any responsibility for such Public Lender's decision to limit the scope of the information it has obtained in connection with this Agreement and the other Loan Documents.

10.03 No Waiver; Cumulative Remedies. No failure by any Lender, any Designated Coal Contract Counterparty or any Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall impair such right, remedy, power or privilege or be construed to be a waiver of any default or acquiescence therein; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under any other Loan Document preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided and in the other Loan Documents or any of the Designated Coal Contracts are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

10.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable and documented out-of-pocket legal and other expenses incurred by the Agents and their respective Affiliates (including the reasonable and documented fees, charges and disbursements of (x) Ropes & Gray LLP, as primary counsel for the Agents and their Affiliates, (x) Akin Gump Strauss Hauer & Feld LLP and Milbank LLP and Bryan Cave Leighton Paisner LLP, as counsel to the Backstop Lenders, (y) a single local counsel in each relevant jurisdiction and any special counsel reasonably deemed necessary by the Agents, and (z) a single local counsel in each relevant jurisdiction and any special counsel reasonably deemed necessary by the Lenders), in each case, in connection with the preparation, due diligence, negotiation, execution, delivery, administration and enforcement of this Agreement and the other Loan Documents or any amendments, modifications, consents, or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) [reserved] and (iii) all reasonable and documented out-of-pocket legal and other expenses (including the cost of any investigation or preparation) incurred by any Agent, any Lender or other Secured Party (except that, as to a Designated Coal Contract Counterparty, solely as provided in the applicable Designated Coal Contract) (including the reasonable fees, charges and disbursements of (w) Ropes & Gray LLP, as primary counsel for the Agents and their Affiliates, (x) Akin Gump Strauss Hauer & Feld LLP and Milbank LLP, as counsel to the Backstop Lenders, (y) a single local counsel in each relevant jurisdiction and any special counsel reasonably deemed necessary by the Agents, and (z) a single local counsel in each relevant jurisdiction and any special counsel reasonably deemed necessary by the Lenders and/or the other Secured Parties (and, in the case of an actual or perceived conflict of interest where the Indemnitees affected by such conflict notifies the Borrower of the existence of such conflict, of another firm of counsel for such affected Indemnitees and local counsel for the conflicted party)), in each case, in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Loans made hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) Indemnification by the Borrower. The Borrower shall indemnify the Agents (and any co-agent, sub-agent or attorney-in-fact thereof), each Lender, each other Secured Party, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities (including any Environmental Liability), obligations, penalties, actions, judgments, and related reasonable and documented out-of-pocket costs, fees and expenses (including the reasonable documented out-of-pocket fees, charges and disbursements of any counsel for any Indemnitee), incurred by any Indemnitee or asserted against any Indemnitee (whether or not such investigation, litigation, claim or proceeding is brought by the Borrower, the Borrower's equity holders, affiliates or creditors or an Indemnitee and whether or not any such Indemnitee is otherwise a party thereto and without regard to the exclusive or contributory negligence of such Indemnitee) or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, in the case of any Agent (and any co-agent, sub-agent or attorney-in-fact thereof) and its Related Parties only, the administration and enforcement of this Agreement and the other Loan Documents, (ii) any Loan or the use or proposed use of the proceeds therefrom and (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto and without regard to the exclusive or contributory negligence of such Indemnitee; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are found in a final, non-appealable judgment by a court of competent jurisdiction to (x) have resulted from the gross negligence or willful misconduct of such Indemnitee (or any of such Indemnitee's controlled affiliates or any of its or their respective officers, directors, employees, agents, controlling persons or members of any of the foregoing) or (y) have arisen out of or in connection with any claim, litigation, loss or proceeding not involving an act or omission of the Borrower or any of its Related Parties and that is brought by an Indemnitee against another Indemnitee (other than any claims against an Indemnitee in its capacity or in fulfilling its role as an Agent or arranger or any similar role under this Agreement or any claims arising out of any act or omission of the Borrower or any of its Affiliates). The Borrower also agrees that no Indemnitee shall have any liability (whether direct or indirect, in contract, tort or whether based on such Indemnitee's exclusive or contributory negligence or otherwise) to the Borrower for or in connection with this Agreement or the other Loan Documents, any transactions contemplated hereby or thereby or such Indemnitees' role or services in connection herewith or therewith, except to the extent that any liability for losses, claims, demands, damages, liabilities or expenses incurred by the Borrower resulted from the gross negligence or willful misconduct of such Indemnitee, as determined by a court of

competent jurisdiction in a final, non-appealable judgment. This Section 10.04(b) shall not apply with respect to Taxes other than any taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Reimbursement and Indemnification by Lenders. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Agents (or any such co-agent, sub-agent or attorney-in-fact thereof) or any Related Party (and without limiting its obligation to do so), each Lender severally agrees to reimburse and indemnify the Agents (or any such co-agent, sub-agent or attorney-in-fact) or such Related Party, as the case may be, with respect to such Lender's Applicable Percentage (determined as of the time that such reimbursement or indemnity is sought), for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by any Agent (or any Affiliate thereof) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's (or such Affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, no party hereto shall assert, and each hereby waives, any claim against the Borrower and its Affiliates or any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof; provided that such waiver shall not limit any Loan Party's reimbursement or indemnification obligations under Sections 10.04(a) or 10.04(b), respectively. No Indemnitee referred to in subsection (b) above or the Borrower and its Affiliates shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, except to the extent such damages result from the gross negligence or willful misconduct of such Indemnitee.

(e) Payments. All amounts due under this Section shall be payable not later than ten Business Days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(f) Survival. The agreements in this Section shall survive the resignation or replacement of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement. The reimbursement, indemnity and contribution obligations of the Borrower under this Section 10.04 will be in addition to any liability which the Borrower may otherwise have, will extend upon the same terms and conditions to any affiliate of any Indemnitee and the partners, members, directors, agents, employees, and controlling persons (if any), as the case may be, of any Indemnitee and any such affiliate, and will be binding upon and inure to the benefit of any successors and assigns of the Borrower, any Indemnitee, any such affiliate, and any such Person.

10.05 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to the Agents or any Lender, or the Agents or any Lender enforces any security interests or exercises its right of setoff, and such payment or the proceeds of such enforcement or setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Agents or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to each Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by such Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect, in the applicable

currency of such recovery or payment. The obligations of the Lenders under clause (b) of the preceding sentence shall survive Payment in Full and the termination of this Agreement.

10.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder, except through a transaction permitted hereunder, without the prior written consent of the Agents and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (e) of this Section, (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section or (iv) pursuant to the syndication of Loans in accordance with the Restructuring Support Agreement. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (e) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time sell, assign or transfer to one or more Eligible Assignees (and any assignee pursuant to syndication of Loans in accordance with the Restructuring Agreement), upon the giving of notice to the Borrower and the Administrative Agent, all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans at the time owing to it or other Obligations); provided that:

(i) except (a) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it, which such amount is less than the applicable minimum transfer amount set forth below, (b) in the case of an assignment of Loans in connection with the syndication of Loans contemplated in the Restructuring Support Agreement, or (c) in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent, shall not be less than $1,000,000 in the case of an assignment of Loans and, unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided that the Borrower shall be deemed to have consented to an assignment of Loans unless it shall have objected thereto by written notice to the Administrative Agent within seven (7) Business Days after having received notice thereof; provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned;

(iii) [reserved];

(iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of $3,500 (provided however, that (i) the Administrative Agent may in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment and (ii) the Administrative Agent does hereby waive such processing and recordation fee in connection with an assignment to an assignee which is already a Lender or is an affiliate or Approved Fund of a Lender or a Person under common management with a Lender) and the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and to the Administrative Agent and the Borrower any such know-your-customer documents, forms, certificate or other evidence, if any, as the assignee under such Assignment and Assumption, including that as may be required to deliver pursuant to Section 3.01;

(v) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to any Agent and any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Laws without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs; and

(vi) pro rata assignments shall not be required and each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Loan and related Commitments.

Subject to acceptance and recording thereof in the applicable Register by the Administrative Agent pursuant to subsection (d) of this Section, from and after the closing date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 3.01 (subject to the requirements and limitations therein, including the requirements of Section 3.01(e)), 3.04, 3.05 and 10.04 with respect to facts and circumstances occurring prior to the closing date of such assignment. Upon request, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section.

Each Lender, upon execution and delivery hereof or upon succeeding to an interest in the Commitments and Loans, as the case may be, represents and warrants as of the Closing Date or as of the effective date of such Assignment and Assumption that (i) it is an Eligible Assignee; (ii) it has experience and expertise in the making of or investing in commitments or loans such as the applicable Commitments or Loans, as the case may be and (iii) it will make or invest in, as the case may be, its Commitments or Loans for its own account in the ordinary course and without a view to distribution of such Commitments or Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws (it being understood that, subject to the provisions of this Section 10.06, the disposition of such Commitments or Loans or any interests therein shall at all times remain within its exclusive control).

(c) [Reserved].

(d) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of (and stated interest on) the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register (and each Note shall expressly so provide). The Register shall be available for inspection by the Borrower and each Lender (solely as to the amount of Loans of such Lender) at any reasonable time and from time to time upon reasonable prior written notice.

(e) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or any Agent, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender, to the extent that it has a consent right hereunder, will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (a), (b), (c), (g) and (h) of the first proviso to Section 10.01 that affects such Participant (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Commitment shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof). Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Section 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment, provided, that in the case of Section 3.01, such Participant shall have complied with the requirements of such section (it being understood that the documentation required under Section 3.01(e) shall be delivered to the participating Lender). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender; such Participant agrees to be subject to Section 2.13 as though it were a Lender.

Each Lender that sells a participation, acting for this purpose as a non-fiduciary agent (solely for tax purposes) of the Borrower, shall maintain a register for the recordation of the names and addresses of the Participants and principal amount of (and stated interest on) each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and each Loan Party shall treat each Person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary.

(f) Limitation upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

(g) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note(s), if any) to secure obligations of such Lender to secure obligations to a Federal Reserve Bank or other central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto; provided further, that in no event shall the applicable Federal Reserve Bank, pledgee or trustee, be considered to be a "Lender" or be entitled to require the assigning Lender to take or omit to take any action hereunder.

(h) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New

York State Electronic Signatures and Records Act, or any other similar state Laws based on the Uniform Electronic Transactions Act.

10.07 Treatment of Certain Information; Confidentiality. Each of the Agents and the Lenders agrees that it will treat as confidential (to the extent clearly identified at the time of delivery as confidential) all information provided to it hereunder or under any other Loan Document by or on behalf of the Borrower or any of its Subsidiaries or Affiliates (collectively, "Information") in accordance with the Agents' and the Lenders' applicable customary procedures for handling confidential information of such nature, except to the extent such Information (a) is publicly available or becomes publicly available other than by reason of disclosure by the Agents or the Lenders, any of their respective affiliates or representatives in violation of this Agreement or the other Loan Documents, (b) was received by the Agents and the Lenders from a source (other than the Borrower or any of its affiliates, advisors, members, directors, employees, agents or other representatives) not known by the Agents and the Lenders to be prohibited from disclosing such Information to such Person by a legal, contractual or fiduciary obligation to the Borrower or (c) was already in the Agents' and the Lenders' possession from a source other than the Borrower or any of its affiliates, advisors, members, directors, employees, agents or other representatives or is independently developed by such Person without the use of or reference to any such confidential information; provided, however, that nothing herein will prevent the Agents and the Lenders from disclosing any such Information (including Information regarding Disqualified Institutions) (a) pursuant to the order of any court or administrative agency or in any pending legal or administrative proceeding, or otherwise as required by applicable Law or compulsory legal process (in which case such Person agrees to inform the Borrower promptly thereof to the extent not prohibited by law), (b) upon the request or demand of any regulatory authority or any self-regulatory authority having jurisdiction over such Person or any of its affiliates, (c) to such Person's affiliates and such Person's and affiliates' respective officers, directors, partners, members, employees, affiliated investment funds or investment vehicles, managed, advised or sub-advised accounts, funds or other entities, investment advisors, sub-advisors or managers, legal counsel, independent auditors and other experts or agents who need to know such Information and on a confidential basis and who are informed of the confidential nature of the Information, (d) to existing Lenders and to potential and prospective Agents, Lenders, assignees, participants and any direct or indirect contractual counterparties to Hedging Agreement relating to the Borrower or its obligations under this Agreement, in each case, subject to such recipient's agreement (which agreement (other than Disqualified Institutions) may be in writing or by "click through" agreement or other affirmative action on the part of the recipient to access such Information and acknowledge its confidentiality obligations in respect thereof pursuant to customary practice) to keep such Information confidential on substantially the terms set forth in this Section 10.07, (e) to ratings agencies who have agreed to keep such Information confidential on terms no less restrictive than this Section 10.07 in any material respect or otherwise on terms acceptable to the Borrower in connection with obtaining ratings of the Loans, (f) for purposes of establishing a "due diligence" defense, (g) on a confidential basis, to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans, (h) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder or (i) upon Borrower's prior written consent (which may be by email). In addition, the Agents may disclose the existence of this Agreement and Information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents in connection with the administration and management of this Agreement and the other Loan Documents.

Each of the Agents and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Laws, including Federal and state securities laws.

10.08 Right of Setoff. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, subject to the Orders, upon the occurrence of any Event of Default or at maturity each Lender and its Affiliates is hereby authorized by each Loan Party at any time or from time to time subject to the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), without notice to any Loan Party or to any other Person (other than the Administrative Agent), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Indebtedness at any time held or owing by such Lender to or for the credit or the account of any Loan Party against and on account of the obligations and liabilities of any Loan Party to such Lender hereunder, including all claims of

any nature or description arising out of or connected hereto, irrespective of whether or not (a) such Lender shall have made any demand hereunder or (b) the principal of or the interest on the Loans or any other amounts due hereunder shall have become due and payable pursuant to Article II and although such obligations and liabilities, or any of them, may be contingent or unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Sections 2.18 and 8.04 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and its Affiliates under this Section 10.08 are in addition to other rights and remedies (including other rights of setoff) that such Lender or its Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.09 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrower shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and the Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Borrower.

10.10 Counterparts; Integration. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means (i.e., "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this Agreement.

10.11 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof and the funding of any Borrowing. Such representations, warranties and agreements have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Sections 3.01, 3.04, 3.05, 10.04(a), 10.04(b) and 10.08 and the agreements of Lenders set forth in Sections 2.13, 9.03, 9.12, 10.04(c), and 10.05 shall survive the resignation or replacement of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all obligations under any Loan Document, and the termination of this Agreement.

10.12 Severability. If any provision of this Agreement or the other Loan Documents or any obligation hereunder or under any other Loan Document is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions or obligations of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal,

invalid or unenforceable provisions or obligations with valid provisions or obligations the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions or obligations. The invalidity of a provision or obligation in a particular jurisdiction shall not invalidate or render unenforceable such provision or obligation in any other jurisdiction.

10.13 Replacement of Lenders. If (a) any Lender requests compensation under Section 3.04, (b) the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (c) any Lender is at such time a Defaulting Lender or has given notice pursuant to Section 3.02 or (d) any Lender becomes a "Nonconsenting Lender" (hereinafter defined), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to (and such Lender shall) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.06), all of its interest, rights (other than its existing rights to payments pursuant to Section 3.01 or 3.04) and obligations under this Agreement and the related Loan Documents to an assignee selected by the Borrower that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Administrative Agent shall have received the assignment fee specified in Section 10.06(b) from the Borrower (provided however, that the Administrative Agent may in its sole discretion elect to waive such processing and recordation fee in the case of any assignment);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Laws,

(e) neither any Agent nor any Lender shall be obligated to be or to find the assignee; and

(f) in the case of an assignment resulting from a Lender becoming a Nonconsenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. In the event that (x) the Borrower or the Administrative Agent has requested the Lenders to consent to a departure or waiver of any provisions of the Loan Documents or to agree to any amendment thereto and (y) the Required Lenders have agreed to such consent, waiver or amendment, then any such Lender, who does not agree to such consent, waiver or amendment and whose consent would otherwise be required for such departure, waiver or amendment, shall be deemed a "Nonconsenting Lender." Any such replacement shall not be deemed a waiver of any rights that the Borrower shall have against the replaced Lender.

Each Lender agrees that if the Borrower exercises its option hereunder to cause an assignment by such Lender as a Nonconsenting Lender or otherwise pursuant to this Section 10.13, such Lender shall, promptly after receipt of written notice of such election, execute and deliver all documentation necessary to effectuate such assignment in accordance with Section 10.06. In the event that a Lender does not comply with the requirements of the immediately preceding sentence within one Business Day after receipt of such notice, each Lender hereby authorizes and directs the Borrower to execute and deliver such documentation as may be required to give effect to an assignment in accordance with Section 10.06 on behalf of a Nonconsenting Lender or Lender replaced pursuant to this Section 10.13, and any such documentation so executed by the Borrower shall be effective for purposes of documenting an assignment pursuant to Section 10.06.

10.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF AND ANY DETERMINATIONS WITH RESPECT TO POST-JUDGMENT INTEREST) SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE.

(b) CONSENT TO JURISDICTION. SUBJECT TO CLAUSE (E) OF THE FOLLOWING SENTENCE, ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST ANY PARTY ARISING OUT OF OR RELATING HERETO OR ANY OTHER LOAN DOCUMENTS, OR ANY OF THE OBLIGATIONS, SHALL BE BROUGHT IN THE BANKRUPTCY COURT AND, IF THAT COURT DOES NOT HAVE (OR ABSTAINS FROM) JURISDICTION, ANY FEDERAL COURT OF THE UNITED STATES SITTING IN THE BOROUGH OF MANHATTAN OR, IF THAT COURT DOES NOT HAVE SUBJECT MATTER JURISDICTION, IN ANY STATE COURT LOCATED IN THE CITY AND COUNTY OF NEW YORK. BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH LOAN PARTY, FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, IRREVOCABLY (A) ACCEPTS GENERALLY AND UNCONDITIONALLY THE EXCLUSIVE (SUBJECT TO CLAUSE (E) BELOW) JURISDICTION AND VENUE OF SUCH COURTS; (B) WAIVES ANY DEFENSE OF FORUM NON CONVENIENS; (C) AGREES THAT SERVICE OF ALL PROCESS IN ANY SUCH PROCEEDING IN ANY SUCH COURT MAY BE MADE BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE APPLICABLE LOAN PARTY AT ITS ADDRESS PROVIDED IN ACCORDANCE WITH SECTION 10.02; (D) AGREES THAT SERVICE AS PROVIDED IN CLAUSE (C) ABOVE IS SUFFICIENT TO CONFER PERSONAL JURISDICTION OVER THE APPLICABLE LOAN PARTY IN ANY SUCH PROCEEDING IN ANY SUCH COURT, AND OTHERWISE CONSTITUTES EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT; AND (E) AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY LOAN DOCUMENT OR AGAINST ANY COLLATERAL OR THE ENFORCEMENT OF ANY JUDGMENT, AND HEREBY SUBMITS TO THE JURISDICTION OF, AND CONSENTS TO VENUE IN, ANY SUCH COURT.

10.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER LOAN DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 10.15 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER LOAN DOCUMENTS OR TO ANY OTHER

DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

10.16 USA PATRIOT Act Notice. Each Lender that is subject to the Act (as hereinafter defined) and each Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or such Agent, as applicable, to identify such Loan Party in accordance with the PATRIOT Act.

10.17 Time of the Essence. Time is of the essence of the Loan Documents.

10.18 [Reserved].

10.19 No Advisory or Fiduciary Responsibility. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Agent or Lender, on the one hand, and such Loan Party, its stockholders or its affiliates, on the other. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Agents and the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Borrower and their Affiliates, on the one hand, and the Agents, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent, and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for any Loan Party, its management, stockholders, creditors or any of its affiliates or any other Person with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its stockholders or its Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (B) neither any of the Agents nor any Lender has any obligation to the Borrower or any of its respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that conflict with those of the Borrower and its respective Affiliates, and neither any of the Agents nor any Lender has any obligation to disclose any of such interests to the Borrower or its respective Affiliates. Each Loan Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Loan Party, in connection with such transaction or the process leading thereto. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Agents with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

10.20 [Reserved]

10.21 Release of Liens and Release from Guaranty.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, but subject to the Orders, the Collateral Agent is hereby irrevocably authorized by each Lender to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document or otherwise encumbering any item of Collateral (and to execute any documents or instruments necessary, advisable or otherwise required or reasonably requested by any Loan Party to do so) (A) after Payment in Full, (B) (i) upon any sale or other transfer by any Loan Party of any Collateral that is permitted under this Agreement (other than a sale or other transfer to a Loan Party or any other Person that is required to become a Loan Party) or (ii) upon effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral pursuant to Section 10.01, (C) upon the approval, authorization or ratification in writing by the Required Lenders (or such other percentage of the Lenders whose consent is required by Section 10.01) with respect to the release of such Collateral, (D) upon a

Guarantor no longer being a Guarantor by virtue of the definition thereof or a transaction permitted hereunder, with respect to the Collateral owned by such Guarantor or (E) if an asset becomes an Excluded Asset. After any of (v) Payment in Full, (w) upon any sale or other transfer of a Loan Party that is permitted under this Agreement (other than a sale or other transfer to a Loan Party or any other Person that is required to become a Loan Party), (x) upon the approval, authorization or ratification in writing by the Required Lenders (or such other percentage of the Lenders whose consent is required by Section 10.01) with respect to the release of any Guarantor under the terms of the Guaranty or (y) upon a Guarantor no longer being a Guarantor by virtue of the definition thereof or a transaction permitted hereunder, each applicable Guarantor (or, in the case of clause (w) above, the applicable Guarantor so sold or transferred) shall automatically be released from the Guaranty, all without delivery of any instrument or performance of any act by any Person; provided that any such release of guarantee obligations shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, subject to the Orders, in connection with any termination or release pursuant to this Section 10.21, the Administrative Agent and/or the Collateral Agent, as applicable, shall be, and are hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender) to execute and deliver, and shall promptly execute and deliver to the applicable Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release (including (1) UCC termination statements and (2) in the case of a release of Mortgages, a partial release) or to confirm that an asset of a Loan Party is not Collateral (including returning to the Borrower any possessory Collateral that is in the possession of the Collateral Agent and is the subject of such release); provided, that (1) neither Agent shall be required to execute any document or take any action necessary to evidence such termination or release on terms that, in its opinion or the opinion of its counsel, could expose such Agent to liability or create any obligation or entail any consequence other than such termination or release without recourse, representation, or warranty, and (2) the Loan Parties shall have provided such Agent with such certifications or documents as such Agent shall reasonably request in order to demonstrate that the requested termination or release is permitted under this Section 10.21.

(c) Any execution and delivery of documents, or the taking of any other action, by any Agent pursuant to this Section 10.21 shall be without recourse to or representation or warranty by such Agent.

10.22 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

10.23 Independent Nature of Lenders' Rights. Nothing contained herein or in any other Loan Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

10.24 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

10.25 Designated Coal Contracts.

(a) Notwithstanding anything to the contrary in this Agreement, the Loan Parties shall be entitled to designate any Coal Contract entered into in accordance with this Agreement and the Orders as a "Designated Coal Contract" hereunder, so long as, with respect to any Coal Contract (other than (A) the Existing Designated Coal Contracts entered into on or around the Javelin Agreements Execution Date and (B) with respect to the Existing Designated Coal Contract described in clause (ii) of such definition, all confirmations, agreements and other documents entered into in connection therewith), (i) Borrower shall designate such Coal Contract as a "Designated Coal Contract" by a written notice to the Administrative Agent delivered on or prior to the fifth (5^{th}) Business Day prior to the date that such Coal Contract is entered into, or the date that the Person that is a party to such Coal Contract becomes a Secured Party, and (ii) the Required Lenders shall have expressly approved such Coal Contract as a "Designated Coal Contract" hereunder. For the avoidance of doubt, (x) no Coal Contract (other than, upon the entry of the Final Order, the Existing Designated Coal Contracts) shall be deemed to be a Designated Coal Contract hereunder without the express consent of the Required Lenders, and (y) upon the entry of the Final Order, the Existing Designated Coal Contracts shall be deemed to be Designated Coal Contracts for all purposes hereunder.

(b) After the Javelin Agreements Execution Date, Javelin Agreements (other than with respect to the amendments, supplements or modifications of the Existing Designated Coal Contract described in clause (2) of such definition which constitute entry into a confirmation (but not amendments, restatements, renewals, replacements, extensions, supplements or modifications of an existing confirmation)) shall only be amended, restated, renewed, replaced, extended, supplemented or otherwise modified from time to time with the prior written consent of the Required Lenders; provided, that, the Confirmations (as defined in the Javelin Agreements) pursuant to the Javelin Agreements may be amended, restated or modified from time to time, without the prior consent of the Required Lenders, in the ordinary course of business and consistent with past practice, including, without limitation, modifications relating to scheduling, price adjustments, quality, quantity, delivery, delivery scheduling and other matters ancillary to delivery of Shipments (as defined in the Javelin Agreements); provided, that any such amendment, restatement or modification shall only apply with respect to such amended, restated or modified Shipment and shall not affect the terms of the Javelin Agreements as applied to any subsequent Shipment (as defined in the Javelin Agreements) or Confirmation (as defined in the Javelin Agreements).

(c) Any purchases and sales, payment of any fees, expenses and indemnities and all other disbursements to be made by the Debtors pursuant to any amendment, restatement or modification permitted by Section 10.25(a) or Section 10.25(b) shall be made in accordance with the Cash Flow Forecast (subject to Permitted Variance); provided, that, a breach of this Section 10.25(c) shall not (i) invalidate the effectiveness of any agreement, amendment, restatement or modification under Section 10.25(a) or (b) above or (ii) exclude the obligations arising thereunder from constituting Secured Designated Coal Contract Obligations.

ARTICLE XI
GUARANTY

11.01 Guaranty of the Obligations. Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to the Administrative Agent, for the ratable benefit of the Beneficiaries, the due and punctual payment in full of all Obligations when the same shall become due, whether at stated maturity, by required

prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) (collectively, the "Guaranteed Obligations").

11.02 [Reserved].

11.03 Payment by Guarantors. Subject to Section 11.01, Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of Borrower to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)), Guarantors will upon demand pay, or cause to be paid, in cash, to the Administrative Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for Borrower's becoming the subject of a case under the Bankruptcy Code, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against Borrower for such interest in the related bankruptcy case) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

11.04 Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability. This Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(b) Administrative Agent may enforce this Guaranty upon the occurrence, but only during the continuance, of an Event of Default notwithstanding the existence of any dispute between Borrower and any Beneficiary with respect to the existence of such Event of Default;

(c) the obligations of each Guarantor hereunder are independent of the obligations of Borrower and the obligations of any other guarantor (including any other Guarantor) of the obligations of Borrower, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against Borrower or any of such other guarantors and whether or not Borrower is joined in any such action or actions;

(d) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if Administrative Agent is awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Guaranteed Obligations;

(e) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations

and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith or any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against any other Loan Party or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Loan Documents or any Designated Coal Contract; and

(f) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations (other than contingent indemnity obligations not then due and payable), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Loan Documents or any Designated Coal Contracts, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Loan Documents or any Designated Coal Contracts, any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Loan Document, such Designated Coal Contracts, or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Loan Documents, any Designated Coal Contract, or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of General Partner, Holdings (or any Parent) or any of its Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations (subject to the limitations set forth in the Security Documents); (vii) any defenses, set-offs or counterclaims which Borrower may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

11.05 Waivers by Guarantors. Each Guarantor hereby waives, to the extent permitted by applicable law, for the benefit of Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against Borrower, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Beneficiary in favor of any Loan Party or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Borrower or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Borrower or any other Guarantor from any cause other than payment in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to bad faith; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and

notices of any action or inaction, including acceptance hereof, notices of default hereunder, any Designated Coal Contracts, any agreement or instrument related thereto, notices under any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to Borrower and notices of any of the matters referred to in Section 11.04 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

11.06 Guarantors' Rights of Subrogation, Contribution, Etc. Until the Payment in Full of the Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending), each Guarantor hereby waives, to the extent permitted by law, any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against Borrower or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until Payment in Full of the Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending), each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against Borrower or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against Borrower, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when the Payment in Full of all Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending) shall not have occurred, such amount shall, to the extent possible under applicable law, be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

11.07 Subordination of Other Obligations. Any Indebtedness of Borrower or any Guarantor now or hereafter held by any Guarantor (the "Obligee Guarantor") is hereby subordinated in right of payment to the Guaranteed Obligations, and any such Indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall, to the extent permitted by applicable law, be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

11.08 Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until the Payment in Full of all of the Guaranteed Obligations (other than contingent obligations under general indemnification provisions as to which no claim is pending). Each Guarantor hereby irrevocably waives, to the extent permitted by applicable law, any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

11.09 Authority of Guarantors or Borrower. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or Borrower or the officers, directors or any agents acting or purporting to act on behalf of any of them.

11.10 Financial Condition of Borrower. Any Credit Extension may be made to Borrower or continued from time to time, and any Designated Coal Contract may be entered into from time to time, in each case in accordance with this Agreement, without notice to or authorization from any Guarantor regardless of the financial or other condition of Borrower at the time of any such grant or continuation or at the time such Designated Coal Contract is entered into, as the case may be. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor

its assessment, or any Guarantor's assessment, of the financial condition of Borrower. Each Guarantor has adequate means to obtain information from Borrower on a continuing basis concerning the financial condition of Borrower and its ability to perform its obligations under the Loan Documents and the Designated Coal Contracts, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of Borrower and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives, to the extent permitted by applicable law, and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of Borrower now known or hereafter known by any Beneficiary.
