Section 2 Amount and Terms of Credit.

2.01. The Commitments. Subject to the terms and conditions hereof and in the Orders and the CCAA Orders, each Lender agrees to (i) following the Interim Order Entry Date and the CCAA Initial Order Date and the satisfaction of the conditions to Borrowing set forth in Section 5.01, to make a term loan to the Borrower in a single Borrowing on the Closing Date in an aggregate principal amount not to exceed such Lender's Initial Commitment (the "**Initial Term Loan**") and (ii) following the Final Order Entry Date and the CCAA A&R Initial Order Entry Date and the satisfaction of the conditions to Borrowing set forth in Section 5.02, to make an additional delayed draw term loan to the Borrower in a single Borrowing on the Delayed Draw Borrowing Date (the "**Delayed Draw Term Loan**") in an aggregate principal amount not to exceed such Lender's Delayed Draw Commitment. Once funded, each Initial Term Loan and each Delayed Draw Term Loan shall be a "Loan" and a "Term Loan" for all purposes under this Agreement and the other Credit Documents. Once repaid, Term Loans incurred hereunder may not be reborrowed.

2.02. Notice of Borrowing. (a) The Borrower shall give the Administrative Agent at the Notice Office (x) at least one Business Day's prior notice of any Base Rate Loan to be incurred hereunder and (y) at least three (3) Business Days' prior notice of any Eurodollar Rate Loan to be incurred hereunder, provided that (in each case) any such notice shall be deemed to have been given on a certain day only if given before 1:00 P.M. (New York City time) on such day. Such notice (the "**Notice of Borrowing**"), except as otherwise expressly provided in Section 2.09, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing, substantially in the form of Exhibit A, and specifying: (i) the aggregate principal amount of the Term Loans to be incurred pursuant to the Borrowing, (ii) the date of the Borrowing (which shall be a Business Day) and (iii) whether the Term Loans being incurred pursuant to such Borrowing are to be initially maintained as Base Rate Loans or, to the extent permitted hereunder, Eurodollar Rate Loans, and if Eurodollar Rate Loans, the initial Interest Period to be applicable thereto. The Administrative Agent shall promptly give each Lender notice of the applicable Borrowing, of such Lender's proportionate share thereof and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

(b) At no time shall there be outstanding more than four Borrowings of Eurodollar Rate Loans in the aggregate.

(c) Without in any way limiting the obligation of the Borrower to confirm in writing any telephonic notice of any Borrowing or prepayment of Term Loans, the Administrative

Agent may act without liability upon the basis of telephonic notice of such Borrowing or prepayment, as the case may be, believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower, prior to receipt of written confirmation. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of such telephonic notice of such Borrowing or prepayment of Term Loans, as the case may be, absent manifest error.

2.03. Disbursement of Funds. No later than 12:00 noon (New York City time) on the date specified in the Notice of Borrowing, each Lender will make available its pro rata portion (determined in accordance with Section 2.05) of the Borrowing requested to be made on such date. All such amounts will be made available in Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrower the aggregate of the amounts so made available by the Lenders; provided that, the Delayed Draw Term Loans funded on the Delayed Draw Borrowing Date shall be made available to the Borrower by depositing the proceeds thereof into the DIP Term Funding Account. Unless the Administrative Agent shall have been notified by any Lender prior to the date of Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of the Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of the Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrower (including by remitting such amount to the DIP Term Funding Account) a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the overnight Federal Funds Rate for the first three (3) days and at the interest rate otherwise applicable to such Term Loans for each day thereafter and (ii) if recovered from the Borrower, the rate of interest applicable to the respective Borrowing, as determined pursuant to Section 2.07. Nothing in this Section 2.03 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Borrower may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.04. Notes. (a) The Borrower's obligation to pay the principal of, and interest on, the applicable Term Loans made by each applicable Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 11.14 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit C (each, a "**Term Note**" and, collectively, the "**Term Notes**").

(b) Each Lender will note on its internal records the amount of the Term Loans made by it and each payment in respect thereof and prior to any transfer of any of its Term Notes will endorse on the reverse side thereof the outstanding principal amount of the Term Loans

evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrower's obligations in respect of such Term Loans.

(c) Notwithstanding anything to the contrary contained above in this Section 2.04 or elsewhere in this Agreement, Term Notes shall only be delivered to Lenders that at any time specifically request the delivery of such Term Notes. No failure of any Lender to request or obtain a Term Note evidencing its Term Loans to the Borrower shall affect or in any manner impair the obligations of the Borrower to pay such Term Loans (and all related Obligations) incurred by the Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Term Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in preceding clause (b). At any time when any Lender requests the delivery of a Term Note to evidence any of its Term Notes, the Borrower shall promptly execute and deliver to the respective Lenders the requested Term Note in the appropriate amount or amounts to evidence such Term Loans.

2.05. Pro Rata Borrowings. All Borrowings of the applicable Term Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of their respective Initial Commitments or their respective Delayed Draw Commitments, as the case may be. It is understood that no Lender shall be responsible for any default by any other Lender of its obligation to make a Term Loan hereunder and that each Lender shall be obligated to make the Term Loan provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loan hereunder.

2.06. Conversions and Continuations. The Borrower shall have the option to (i) convert, on any Business Day, all or a portion of the outstanding principal amount of Term Loans made pursuant to one or more Borrowings of one or more Types of Term Loans into a Borrowing of another Type of Term Loan and (ii) continue, on any Business Day, the outstanding principal amount of any Eurodollar Rate Loans as Eurodollar Rate Loans for an additional interest period, provided that, (A) except as otherwise provided in Section 2.09(b), Eurodollar Rate Loans may be converted into Base Rate Loans only on the last day of an Interest Period applicable to the Term Loans being converted, (B) unless the Required Lenders otherwise agree, Base Rate Loans may only be converted into Eurodollar Rate Loans if no Event of Default is in existence on the date of the conversion, (C) unless the Required Lenders otherwise agree, Eurodollar Rate Loans may only be continued as Eurodollar Rate Loans for an additional Interest Period if no Event of Default is in existence on the date of the proposed continuation and (D) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of Eurodollar Rate Loans than is permitted under Section 2.02(b). Each such continuation or conversion shall be effected by the Borrower by giving the Administrative Agent at the Notice Office prior to 1:00 P.M. (New York City time) at least (x) in the case of conversions of Base Rate Loans into Eurodollar Rate Loans or continuation of Eurodollar Rate Loans, three (3) Business Days' prior notice and (y) in the case of conversions of Eurodollar Rate Loans into Base Rate Loans, one Business Day's prior notice (which may be telephonic if promptly followed by written confirmation) (each, a "**Notice of Conversion/Continuation**"), in each case substantially in the form of Exhibit B, specifying the Term Loans to be so converted or continued, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be continued as or converted into Eurodollar Rate Loans, the

Interest Period to be initially applicable thereto (if no Interest Period is selected, the relevant Borrower shall be deemed to have selected an Interest Period of one month's duration). The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.

2.07. Interest. (a) The Borrower agrees to pay interest in respect of the unpaid principal amount of (i) each applicable Eurodollar Rate Loan from the date of Borrowing thereof until the earlier of (A) the payment in full of such principal amount (whether by acceleration or otherwise) and (B) the conversion of such Eurodollar Rate Loan to a Base Rate Loan pursuant to Section 2.06, 2.08 or 2.09, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of Eurodollar Rate for the Interest Period in effect for such Borrowing plus the relevant Applicable Margin and (ii) each applicable Base Rate Loan from the date of Borrowing thereof until the earlier of (A) the payment in full of such principal amount (whether by acceleration or otherwise) and (B) the conversion of such Base Rate Loan to a Eurodollar Rate Loan pursuant to Section 2.06, 2.08 or 2.09, as applicable, at a rate per annum which shall be equal to the sum of the Base Rate plus the relevant Applicable Margin.

(b) Upon the occurrence and during the continuance of any Event of Default, (i) the principal and, to the extent permitted by law, overdue interest in respect of each Term Loan shall, in each case, bear interest at a rate per annum equal to the rate which is 2.00% in excess of the rate otherwise applicable to the Term Loans from time to time and (ii) any other amounts not otherwise paid when due hereunder and under any other Credit Document shall bear interest at a rate per annum equal to the rate which is 2.00% in excess of the rate then applicable to the Term Loans that are maintained as Base Rate Loans from time to time. Payment or acceptance of the increased rates of interest provided for in this Section 2.07(b) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Administrative Agent or any Lender. Interest that accrues under this Section 2.07(b) shall be payable on demand.

(c) Accrued (and theretofore unpaid) interest shall be payable in arrears, (A)(x) in respect of a Eurodollar Rate Loan, (i) on the last Business Day of each Interest Period and (ii) in the event of any conversion of a Eurodollar Rate Loan prior to the end of the Interest Period then applicable thereto, on the effective date of such conversion, (y) in respect of a Base Rate Loan, (i) on the applicable Quarterly Payment Date (it being understood and agreed that such amount shall be calculated through the end of such calendar quarter even if such Quarterly Payment Date is prior to the end of such calendar quarter) and (ii) in the event of any conversion of a Base Rate Loan prior to any Quarterly Payment Date, on the effective date of such conversion (each such date specified in clauses (x) and (y), an "**Interest Payment Date**"), and (B) on the date of any repayment or prepayment (on the amount repaid or prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(d) Upon each Interest Determination Date, the Administrative Agent shall determine the Eurodollar Rate for each Interest Period applicable to the respective Term Loans and shall promptly notify the Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(e) [Reserved].

(f) The parties acknowledge and agree that all calculations of interest under this Agreement are to be made on the basis of the nominal interest rate described herein and not on the basis of effective yearly rates or on any other basis which gives effect to the principle of deemed reinvestment of interest. The parties acknowledge that there is a material difference between the stated nominal interest rates and the effective yearly rates of interest and that they are capable of making the calculations required to determine such effective yearly rates of interest.

2.08. Interest Periods. The interest period (each, an "**Interest Period**") applicable to any Eurodollar Rate Loan shall be the period commencing on the date of such Borrowing and ending on the numerically corresponding day in the calendar month that is one month thereafter; provided that, if any Interest Period begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month; provided, further, that:

(a) at no time shall there be more than four Eurodollar Rate Loans with different Interest Periods outstanding under this Agreement;

(b) the initial Interest Period for each Eurodollar Rate Loan shall commence on the date of such Eurodollar Rate Loan (including the date of any conversion thereto from a Base Rate Loan) and each Interest Period occurring thereafter in respect of such Eurodollar Rate Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(c) for the purposes of this Agreement, whenever interest is calculated on the basis of a period which is less than the actual number of days in a calendar year, each rate of interest determined pursuant to such calculation is, for the purposes of the *Interest Act* (Canada), equivalent to such rate multiplied by the actual number of days in the calendar year in which such rate is to be ascertained and divided by the number of days used as the basis of such calculation;

(d) if any Interest Period for a Eurodollar Rate Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided, however, that if any Interest Period for a Eurodollar Rate Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(e) no Interest Period in respect of any Borrowing of any Eurodollar Rate Loan shall be selected which extends beyond the Maturity Date;

(f) unless the Required Lenders otherwise agree, no Interest Period may be selected at any time when an Event of Default is then in existence; and

(g) in no event shall "interest" (as such term is defined in Section 347 of the *Criminal Code* of Canada) on the "credit advanced" (as defined therein) hereunder be payable by any Canadian Subsidiary in excess of sixty percent (60%) per annum and if any of such parties does pay an amount of interest in excess of sixty percent (60%) in any particular year, the amount of such excess shall be repaid by the Administrative Agent or the applicable Lender to such party.

If the Borrower is not permitted to elect a new Interest Period due to the existence of an Event of Default or otherwise, it shall be deemed to have elected to convert such Eurodollar Rate Loan into Base Rate Loans effective as of the expiration date of the then-current Interest Period.

2.09. Increased Costs, Illegality, etc. (a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank Eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of "Eurodollar Rate";

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any Term Loan because of (x) any change since the Closing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, guideline or request, such as, but not limited to: (A) a change in law which subjects any Lender to any Taxes (other than (1) Indemnified Taxes, (2) Taxes described in clauses (b) through (d) of the definition of "Excluded Taxes" and (3) Connection Income Taxes) in respect of payments of the principal of or interest on the Term Loans or the Term Notes or any other amounts payable hereunder or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the Eurodollar Rate and/or (y) other circumstances arising since the Closing Date affecting such Lender, the interbank Eurodollar market or the position of such Lender in such market (including that the Eurodollar Rate with respect to such Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lender of funding such Eurodollar Rate Loan); or

(iii) at any time, that the making or continuance of any Eurodollar Rate Loan or the purchase or sale or taking of any deposit in Dollars has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law) or (z) impracticable as a result of a contingency occurring after the Closing Date which materially and adversely affects the interbank Eurodollar market (each of clauses (i), (ii) and (iii), a "**Market Disruption Event**");

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, all Eurodollar Rate Loans shall automatically convert

into Eurodollar Rate Loans that accrue interest at the Base Rate plus the relevant Applicable Margin and Eurodollar Rate Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by the Borrower with respect to Eurodollar Rate Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrower, (y) in the case of clause (ii) above, the Borrower agrees to pay to such Lender, upon such Lender's written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent manifest error, be final and conclusive and binding on all the parties hereto) and (z) in the case of clause (iii) above, the Borrower shall take one of the actions specified in Section 2.09(b) as promptly as possible and, in any event, within the time period required by law. During any period in which a Market Disruption Event is in effect, the Borrower may request that the Administrative Agent or a Lender, as applicable, confirm that the circumstances giving rise to the Market Disruption Event continue to be in effect; provided that (A) the Borrower shall not be permitted to submit any such request more than once in any 30-day period and (B) nothing contained in this Section 2.09 or the failure to provide confirmation of the continued effectiveness of such Market Disruption Event shall in any way affect the Administrative Agent's or such Lender's right to provide any additional notices of a Market Disruption Event as provided in this Section 2.09. Such Lender or the Administrative Agent, as applicable, shall promptly notify the Borrower upon the end of such Market Disruption Event.

(b) At any time that any Eurodollar Rate Loan is affected by the circumstances described in Section 2.09(a)(ii), the Borrower may, and in the case of a Eurodollar Rate Loan affected by the circumstances described in Section 2.09(a)(iii), the Borrower shall, either (x) if the affected Eurodollar Rate Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the same date that the Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 2.09(a)(ii) or (iii) or (y) if the affected Eurodollar Rate Loan is then outstanding, upon at least three (3) Business Days' written notice to the Administrative Agent, require the affected Lender to convert such Eurodollar Rate Loan into a Base Rate Loan, provided that, if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.09(b).

(c) If any Lender determines that after the Closing Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital adequacy, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender's Commitments hereunder or its obligations hereunder, then the Borrower agrees to pay to such Lender, upon its written demand therefor, such additional amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other

corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided, that such Lender's determination of compensation owing under this Section 2.09(c) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.09(c), will give prompt written notice thereof to the Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts, although the failure to give any such notice shall not release or diminish the Borrower's obligation to pay additional amounts pursuant to this Section 2.09(c) upon the subsequent receipt of such notice.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.09 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrower of the circumstances giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the change in applicable law or governmental rule, regulation, order, guideline or request giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

2.10. Compensation. The Borrower agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation), for all losses, expenses and liabilities (including any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its Eurodollar Rate Loans but excluding loss of anticipated profits) which such Lender may sustain: (a) if for any reason (other than a default by such Lender or the Administrative Agent) the Borrowing of, or a conversion from or into, Eurodollar Rate Loans, does not occur on the date specified therefor in the Notice of Borrowing or a Notice of Conversion/Continuation (whether or not withdrawn by the Borrower or deemed withdrawn pursuant to Section 2.09(a)); (b) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 4.01, Section 4.02 or as a result of an acceleration of such Term Loans pursuant to Section 9) or conversion of any of its Eurodollar Rate Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (c) if any prepayment of any of its Eurodollar Rate Loans is not made on any date specified in a notice of prepayment given by the Borrower; or (d) as a consequence of (i) any other default by the Borrower to repay such Eurodollar Rate Loans when required by the terms of this Agreement or (ii) any election made pursuant to Section 2.09(b).

2.11. Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.09(a)(ii) or (iii), Section 2.09(c) or Section 4.04 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event, provided, that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.11 shall affect or postpone any of the obligations of the Borrower or the rights of any Lender provided in Sections 2.09 and 4.04.

2.12. [Reserved].

2.13. Withdrawal of Funds from the DIP Term Funding Account. (a) The Borrower shall have the right to withdraw the funds on deposit in the DIP Term Funding Account from time to time at any time on or after the Delayed Draw Borrowing Date (but not more frequently than one time in any two-week period) by delivering a written notice to the Administrative Agent and the Lenders in the form attached as Exhibit M hereto (each such notice, a "**DIP Term Funding Withdrawal Notice**"); provided that (i) the Borrower shall concurrently provide a liquidity forecast, in a form substantially consistent with the Approved Budget, certified by the chief financial officer of the Borrower, demonstrating, to the satisfaction of the Administrative Agent, that the lowest Projected Available Liquidity of the Credit Parties and their Subsidiaries on any day during the two-week period after such withdrawal (and after giving effect thereto) will not exceed $20,000,000, (ii) at the time of and immediately after giving effect to such withdrawal, no Event of Default shall have occurred and be continuing or would result therefrom and (iii) the remaining funds on deposit in the DIP Term Funding Account after giving effect to such withdrawal shall not be less than the sum of the Professional Fees Amount (for the avoidance of doubt, if the intended use of proceeds of such withdrawal as set forth pursuant to clause (a)(iii) below is to repay the ABL Facility in respect of professional fees in the circumstances described in the proviso in clause (ii) of the definition of "Professional Fees Amount", the Professional Fees Amount after giving effect to such withdrawal shall be decreased by the amount of such withdrawal used to so repay the ABL Facility in respect of professional fees), the Wind-Down Amount and the KEIP/KERP Amount at such time; provided further that the requirements in the preceding proviso and the requirement that withdrawals not occur more frequently than one time in any two-week period shall not apply to withdrawals described in clauses (f), (g) or (h) of this Section 2.13. Each DIP Term Funding Withdrawal Notice shall specify the following information:

(i) the amount of such withdrawal;

(ii) the date of such proposed withdrawal (which shall be on the second Business Day following the delivery of a DIP Term Funding Withdrawal Notice) (the "**Withdrawal Date**");

(iii) the intended use of proceeds of such withdrawal in reasonable detail, which shall be in accordance with the then-applicable Approved Budget;

(iv) that as of the date of such withdrawal, the conditions set forth in this Section 2.13 are satisfied; and

(v) the wiring instructions of the account of the Borrower to which the proceeds of such withdrawal are to be disbursed.

(b) On the Withdrawal Date specified in the DIP Term Funding Withdrawal Notice, subject to the satisfaction of all conditions precedent to a withdrawal and disbursement from the DIP Term Funding Account set forth in this Section 2.13, the Administrative Agent shall direct the applicable depository bank to disburse funds from the DIP Term Funding Account in an aggregate principal amount equal to the amount specified in such DIP Term Funding Withdrawal

Notice to the account of the Borrower or, if applicable, the specified escrow account, specified in such DIP Term Funding Withdrawal Notice.

(c) [Reserved].

(d) With respect to any disbursement, withdrawal, transfer, or application of funds from the DIP Term Funding Account hereunder, the Administrative Agent shall be entitled to conclusively rely upon, and shall be fully protected in relying upon, any DIP Term Funding Withdrawal Notice submitted by the Borrower as evidence that all conditions precedent to a withdrawal and disbursement from the DIP Term Funding Account to the Borrower have been satisfied. Notwithstanding anything herein to the contrary, the Administrative Agent shall have no obligation to direct the applicable depository bank to disburse any amount from the DIP Term Funding Account in excess of the amounts then held in the DIP Term Funding Account. The Administrative Agent shall have no duty to inquire or investigate whether any condition precedent to a withdrawal from the DIP Term Funding Account has been satisfied, and shall not be deemed to have any knowledge that a condition is not satisfied unless it has received notice thereof from the Borrower or the Required Lenders.

(e) For the avoidance of doubt, all amounts held in the DIP Term Funding Account shall constitute proceeds of funded Term Loans for all purposes hereunder and, notwithstanding that the proceeds of such Term Loans are held in the DIP Term Funding Account, shall bear interest in accordance with this Agreement and shall be subject to all other terms and provisions of this Agreement and the other Credit Documents to the same extent as all other Term Loans.

(f) Notwithstanding the foregoing or anything to the contrary herein, immediately prior to the occurrence of the Maturity Date (other than due to the consummation of a sale or other disposition of all or substantially all of the assets of the Debtors and the CCAA Debtors under section 363 of the Bankruptcy Code or section 36 of the CCAA, as applicable), the Borrower shall have the right, after submitting a DIP Term Funding Withdrawal Notice, to withdraw amounts from the DIP Term Funding Account or direct the transfer of an amount to one or more escrow accounts established by the Borrower or any other Credit Party not to exceed the lesser of (x) any and all remaining amounts in the DIP Term Funding Account and (y) an amount equal to the sum of (i) all accrued and unpaid professional fees and (ii) other than in the case of the occurrence of the Maturity Date due to an event described in clause (d) or (e) of the definition thereof, the Wind-Down Amount, with such amounts to be used for the administration of the Cases and the CCAA Cases, the payment of professional fees and the wind-down of the Debtors and the CCAA Debtors.

(g) Notwithstanding the foregoing or anything to the contrary herein, immediately prior to the consummation of a sale or other disposition of all or substantially all of the assets of the Debtors and the CCAA Debtors under section 363 of the Bankruptcy Code or section 36 of the CCAA, as applicable (and not, for the avoidance of doubt, upon the occurrence of the Maturity Date due to any other event), so long as the proceeds of such sale or disposition shall satisfy in full in cash the Obligations and the obligations under the Prepetition Term Loan Agreement (or the Obligations and the obligations under the Prepetition Term Loan Agreement are otherwise satisfied and discharged or reduced pursuant to an arrangement satisfactory to the

Administrative Agent in its sole discretion; it being understood and agreed that the satisfaction and discharge or reduction of the Obligations and the obligations under the Prepetition Term Loan Agreement in connection with (1) a sale pursuant to and in accordance with the Stalking Horse APA, as in effect on the date hereof, without giving effect to any amendment, waiver, consent or other modification thereto that is adverse to the interests of the Lenders and not otherwise approved by the Required Lenders, and (2) any sale pursuant to the Sale Order and the CCAA Approval and Vesting Order pursuant to any offer that is deemed higher or better by the Bankruptcy Court and the CCAA Court shall be satisfactory to the Administrative Agent) (such sale, a "**Qualified Sale**"), the Borrower shall utilize and direct the transfer of an amount equal to the Permitted Funding Amount (as defined in the Orders) to one or more escrow accounts established by the Borrower or any other Credit Party; provided that, in order to fund the Permitted Funding Amount, the Borrower shall have the right, if at the time of and immediately after giving effect to such withdrawal, no Event of Default shall have occurred and be continuing, after submitting a DIP Term Funding Withdrawal Notice, to withdraw from the DIP Term Funding Account an amount up to the lesser of (x) any amounts remaining in the DIP Term Funding Account and (y) the Permitted Funding Amount *less* any amounts drawn under the ABL DIP Agreement to fund the Permitted Funding Amount; provided, further, that any amounts remaining in the DIP Term Funding Account after the withdrawal described in this clause (g) shall be applied to repay the Term Loans upon the Maturity Date.

(h) Moreover, notwithstanding the foregoing or anything to the contrary herein, including with respect to a Default or Event of Default that has occurred or is continuing or the occurrence of the Maturity Date, after delivery of the Carve Out Trigger Notice (as defined in the Orders), if the amount of the loans available under the DIP ABL Credit Facility is insufficient to fund the full amount of the Carve Out Reserves (as defined in the Orders), then, the Borrower shall have the right, after submitting a DIP Term Funding Withdrawal Notice, to withdraw amounts from the DIP Term Funding Account in an amount not to exceed the lesser of (i) the amount necessary to fund any unfunded portion of the Carve Out Reserves and (ii) the amount remaining in the DIP Term Funding Account. Furthermore, the Administrative Agent shall not withdraw, sweep, transfer, foreclose, or otherwise affect any amounts in the DIP Term Funding Account after the occurrence of the Maturity Date or any Event of Default until the Carve Out Reserves are fully funded; provided, it is understood and agreed that if any withdrawal is made pursuant to this clause (h), no amounts may be withdrawn pursuant to clauses (f) and (g) above.

Section 3 Fees; Reductions of Commitment.

3.01. Fees.

(a) The Borrower agrees to pay the fees set forth in the Fee Letter, in the amounts and at the times specified therein or as so otherwise agreed upon by the Borrower and the Administrative Agent in writing.

(b) The Borrower agrees to pay to the Administrative Agent for the account of each Lender, an exit fee (the "**Exit Fee**") in an aggregate amount equal to (1) with respect to any Term Loan outstanding under this Agreement on the Maturity Date, 2.00% of the aggregate principal amount of such outstanding Term Loans, which Exit Fee shall be payable in cash on the Maturity Date and (2) with respect to any Term Loans that are paid, repaid or prepaid prior to the

Maturity Date pursuant to Section 4.01 or 4.02, 2.00% of the aggregate principal amount of Term Loans so paid, repaid or prepaid, which Exit Fee shall be payable in cash on the date of such prepayment. The Exit Fee shall be fully earned and paid on the dates due, in immediately available funds, to the Administrative Agent, and shall not be refundable under any circumstances.

3.02. [Reserved.]

3.03. Mandatory Termination of Commitments. The Initial Commitments shall terminate in their entirety on the Closing Date (after giving effect to the making of the Initial Term Loans on such date). The Delayed Draw Commitments shall terminate in their entirety on the Delayed Draw Borrowing Date (after giving effect to the making of the Delayed Draw Term Loans on such date). To the extent not terminated earlier, each Lender's Delayed Draw Commitment shall terminate immediately and without further action on the date that is five (5) Business Days following the Final Order Entry Date.

Section 4 Prepayments; Payments; Taxes.

4.01. Voluntary Prepayments. The Borrower shall have the right to prepay the Term Loans, subject to the Exit Fee set forth in Section 3.01(b)(2), in whole or in part at any time and from time to time on the following terms and conditions: (i) the Borrower shall give the Administrative Agent prior to 1:00 P.M. (New York City time) at the Notice Office at least three (3) Business Days' prior written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay Base Rate Loans or Eurodollar Rate Loans, which notice (in each case) may be conditioned on the occurrence of a specified transaction or event and revoked if such transaction does not occur and shall specify whether Base Rate Loans or Eurodollar Rate Loans shall be repaid, the amount of such prepayment, and in the case of Eurodollar Rate Loans, the specific Borrowing or Borrowings pursuant to which such Eurodollar Rate Loans were made, and which notice the Administrative Agent shall promptly transmit to each of the Lenders; (ii) each partial prepayment of the Term Loans pursuant to this Section 4.01 shall be in an aggregate principal amount of at least $2,500,000 (or (A) if less, the entire remaining principal amount of the Term Loans or (B) such lesser amount as is acceptable to the Administrative Agent in any given case); and (iii) each prepayment pursuant to this Section 4.01 shall be applied, pro rata among the Term Loans.

4.02. Mandatory Repayments. (a) [Reserved].

(b) Within one (1) Business Day of each date on or after the Closing Date upon which Holdings or any of its Subsidiaries receives any cash proceeds from any issuance or incurrence by Holdings or any of its Subsidiaries of Indebtedness (other than Indebtedness permitted to be incurred pursuant to Section 8.04), an amount equal to 100% of the Net Cash Proceeds of such issuance or incurrence of Indebtedness shall be applied on such date as a mandatory repayment in accordance with the requirements of Sections 4.02(h) and (i).

(c) Within one (1) Business Day of each date on or after the Closing Date upon which Holdings or any of its Subsidiaries receives any cash proceeds from any Asset Sale, an amount equal to 100% of the Net Sale Proceeds therefrom shall be applied on such date as a mandatory repayment in accordance with the requirements of Sections 4.02(h) and (i); provided,

that no mandatory repayment pursuant to this Section 4.02(c) shall be required until the aggregate amount of Net Sale Proceeds received by Holdings and its Subsidiaries shall exceed $50,000.

(d) [Reserved]

(e) [Reserved].

(f) Within one Business Day after each date on or after the Closing Date upon which Holdings or any of its Subsidiaries receives any cash proceeds from any Recovery Event, an amount equal to 100% of the Net Cash Proceeds from such Recovery Event shall be applied on such date as a mandatory repayment in accordance with the requirements of Sections 4.02(h) and (i); provided, that (i) no mandatory repayment pursuant to this Section 4.02(f) shall be required until the aggregate amount of Net Cash Proceeds with respect to Recovery Events received by Holdings and its Subsidiaries shall exceed $50,000 in the aggregate and (ii) up to $100,000 of such Net Cash Proceeds for all Recovery Events shall not be required to be so applied on such date so long as no Default or Event of Default then exists and such Net Cash Proceeds shall be used to replace or restore any properties or assets in respect of which such Net Cash Proceeds were paid within 90 days following the date of the receipt of such Net Cash Proceeds, and provided, further, that if all or any portion of such Net Cash Proceeds not required to be so applied pursuant to the preceding proviso are not so used within such 90-day period after the date of the receipt of such Net Cash Proceeds (or such earlier date, if any, as Holdings or the relevant Subsidiary determines (in its sole discretion) not to reinvest the Net Cash Proceeds relating to such Recovery Event as set forth above), such remaining portion shall be applied on the last day of such period (or such earlier date, as the case may be) as provided above in this Section 4.02(f) without regard to the immediately preceding proviso.

(g) [Reserved].

(h) Each amount required to be applied to the Term Loans pursuant to Sections 4.02(b), (c) and (f) shall be applied (x) *first* to repay the outstanding principal amount of the Term Loans on a pro rata basis and (y) *second* to the outstanding Obligations (as defined in the Prepetition Term Loan Agreement) under the Prepetition Term Loan Agreement, to repay such Obligations in full in cash in the manner set forth in the Prepetition Term Loan Agreement, until such time as all such Obligations (as defined in the Prepetition Term Loan Agreement) have been repaid in full in cash. With respect to any prepayment of Term Loans pursuant to Section 4.02(b) or Section 4.02(c), the principal amount of Term Loans to be prepaid from Net Cash Proceeds or Net Sale Proceeds, as the case may be, shall be calculated so that the sum of (x) the principal amount of Term Loans to be prepaid, (y) any accrued and unpaid interest and fees due thereon and (z) the applicable Exit Fee calculated in accordance with Section 3.01(b)(2) shall not exceed the total amount of Net Cash Proceeds or Net Sale Proceeds, as applicable. Notwithstanding the foregoing or anything herein to the contrary or otherwise, upon the consummation of a sale or other disposition of all or substantially all of the assets of the Debtors under section 363 of the Bankruptcy Code and the Canadian Debtors under section 36 of the CCAA, subject to Section 2.13 and the Orders, an amount equal to 100% of the Net Sale Proceeds therefrom shall be applied in accordance with the Bidding Procedures or the Sale Order, whichever document controls at the applicable time.

(i) Any repayments of Term Loans pursuant to this Section 4.02 that are repaid on a date that is not the last day of the applicable Interest Period shall be subject to any additional amounts required to be paid pursuant to Section 2.10.

(j) All then outstanding Term Loans shall be repaid in full on the Maturity Date.

(k) Notwithstanding the foregoing, the Net Sale Proceeds or Net Cash Proceeds referred to in Sections 4.02(c) or (f) of, or in respect of, any Foreign Subsidiary (or a Subsidiary of such Foreign Subsidiary) may be retained by the applicable Subsidiary to the extent the making of any such mandatory prepayment from the Net Sale Proceeds or Net Cash Proceeds of such Subsidiary would be prohibited under applicable local law (as reasonably determined by the Borrower, upon written advice of counsel); provided, that such amounts may be retained by the applicable Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agrees to cause the applicable Subsidiary to use commercially reasonable efforts to take such actions required by the applicable local law to permit such repatriation), and once such repatriation is permitted under the applicable local law, such repatriation shall be promptly effected. Mandatory prepayments arising from such amounts shall be subject to additional time periods to allow for the repatriation of such cash to the extent required hereunder.

4.03. Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement shall be made to the Administrative Agent for the account of the Lender or Lenders entitled thereto not later than 1:00 P.M. (New York City time) on the date when due and shall be made in Dollars in immediately available funds at the Payment Office. Any payments received by the Administrative Agent after such time shall be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day (other than as contemplated by the proviso in Section 2.08(d)) and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension.

4.04. Net Payments. For purposes of this Section 4.04, the term "**applicable law**" includes FATCA.

(a) All payments made by any Credit Party hereunder will be made without setoff, counterclaim or other defense. Except as required by applicable law, all such payments will be made free and clear of, and without deduction or withholding for, any Taxes now or hereafter imposed by any Taxing Authority with respect to such payments. If any applicable law requires the deduction or withholding of any Tax from any such payment by such Credit Party or the Administrative Agent, then the Credit Party or the Administrative Agent, as applicable, shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and to the extent such Tax is an Indemnified Tax, each Credit Party agrees to pay such additional amounts as may be necessary so that after the withholding or deduction for or on account of any Indemnified Taxes, the applicable Recipient will receive an amount equal to the amount provided for herein or in such Term Note had no such withholding or deduction been made. The applicable Credit Party

will furnish to the Administrative Agent as promptly as possible after the date the payment of any Indemnified Taxes is due pursuant to applicable law certified copies of tax receipts, or other evidence reasonably acceptable to the Administrative Agent evidencing such payment by such Credit Party. Each Credit Party agrees to indemnify and hold harmless each Lender within 30 days after its written request, for the full amount of any Indemnified Taxes so levied or imposed and paid by such Lender (including Indemnified Taxes imposed on additional amounts or indemnities payable under this Section 4.04), whether or not correctly or legally asserted, and any out-of-pocket expense (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Credit Party by a Lender or the Administrative Agent (as applicable) on its own behalf or on behalf of a Lender shall be conclusive absent manifest error and shall constitute a required notice for purposes of this Section 4.04 hereof.

(b) The Credit Parties shall timely pay to the relevant Taxing Authority in accordance with applicable law, or at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the applicable Credit Party and the Administrative Agent, at the time or times reasonably requested by such Credit Party or the Administrative Agent, such properly completed and executed documentation reasonably requested by such Credit Party or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the applicable Credit Party or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by such Credit Party or the Administrative Agent as will enable such Credit Party or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 4.04(c)(ii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(1) Any Lender that is a "United States person" (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes (and the Administrative Agent, to the extent that it is not otherwise a Lender that is required to deliver an Internal Revenue Service W-9) shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender or Administrative Agent becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Recipient is a "United States person" and is exempt from U.S. federal backup withholding tax;

(2) Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes agrees to deliver to the Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 11.04(b) (unless the respective Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, (i) two accurate and complete original signed copies of Internal Revenue Service Form W-8ECI, Form W-8BEN or Form W-8BEN-E (in the case of Form W-8BEN or W-8BEN-E with respect to a complete exemption under an income tax treaty) (or successor forms) certifying to such Lender's entitlement as of such date to a complete exemption from United States withholding tax with respect to payments to be made under this Agreement or (ii) if the Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code and cannot deliver either Internal Revenue Service Form W-8ECI, Form W-8BEN or W-8BEN-E (in the case of Form W-8BEN or W-8BEN-E with respect to a complete exemption under an income tax treaty) (or any successor forms) pursuant to clause (i) above, (x) a certificate substantially in the form of Exhibit D (any such certificate, a "**Tax Form Certificate**") and (y) two accurate and complete original signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (with respect to the portfolio interest exemption) (or successor form) certifying to such Lender's entitlement as of such date to a complete exemption from United States withholding tax with respect to payments of interest to be made under this Agreement.

(3) To the extent any Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes is not the beneficial owner, executed copies of Internal Revenue Service Form W-8IMY, accompanied by Internal Revenue Service Form W-8ECI, Form W-8BEN or Form W-8BEN-E (in the case of Form W-8BEN or W-8BEN-E with respect to a complete exemption under an income tax treaty) (or successor forms), a Tax Form Certificate, Internal Revenue Service Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Lender is a partnership and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a Tax Form Certificate on behalf of each such direct and indirect partner.

(4) In addition, each Lender agrees that from time to time after the Closing Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, such Lender will deliver to the Borrower and the Administrative Agent two new accurate and complete original signed copies of Internal Revenue Service Form W-8ECI, W-8BEN, W-8BEN-E or W-8IMY (in the case of Form W-8BEN or W-8BEN-E, with respect to the benefits of any income tax treaty), or Form W-8BEN or W-8BEN-E (with respect to the portfolio

interest exemption) and a Tax Form Certificate, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement, or such Lender shall immediately notify the Borrower and the Administrative Agent of its legal inability to deliver any such Form or Certificate, in which case such Lender shall not be required to deliver any such Form or Certificate pursuant to this Section 4.04(c) that it is legally unable to deliver.

(5) If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (5), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(d) Each Lender shall severally indemnify the Administrative Agent, within 30 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.04(e) relating to the maintenance of the Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to (at its option) set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this clause (d). Failure or delay on the part of the Administrative Agent to demand compensation pursuant to this Section 4.04(d) shall not constitute a waiver of the Administrative Agent's right to demand such compensation.

(e) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section

4.04 (including by the payment of additional amounts pursuant to this Section 4.04), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 4.04 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this clause (e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (e), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (e) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to (i) apply for any refund of Taxes or (ii) make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(f) Each party's obligations under this Section 4.04 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all Obligations under any Credit Document.

Section 5 Conditions Precedent.

5.01. Closing Date. This Agreement and the obligation of each Lender to make any Term Loan shall not become effective until the date on which each of the following conditions shall be satisfied (or waived in accordance with Section 11.11) (it being understood and agreed that any Credit Document and each other document required to be received by the Lenders shall be deemed so received when it is delivered to the Administrative Agent or the Collateral Agent, as applicable):

Each Lender hereby irrevocably authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement, the other Credit Documents and any other instruments and agreements referred to herein or therein and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to or required of the Administrative Agent by the terms hereof and thereof and such other powers as are reasonably incidental thereto. The Administrative Agent may perform any of its respective duties hereunder by or through its officers, directors, agents, employees or affiliates.

10.02. Nature of Duties. The Administrative Agent shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Credit Documents. Neither the Administrative Agent nor any of its officers, directors, agents, employees or Affiliates shall be liable for any action taken or omitted by it or them hereunder or under any other Credit Document or in connection herewith or therewith, unless caused by its or their bad faith, gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Credit Document a fiduciary relationship in respect of any Lender; and nothing in this Agreement or in any other Credit Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Credit Document except as expressly set forth herein or therein.

so due to the confidentiality requirements of Section 11.15, (iii) acknowledges and agrees that no fiduciary or advisory relationship between the Administrative Agent and any Lender is intended to be or has been created in respect of any of the transactions contemplated by this Agreement, (iv) acknowledges and agrees that the Administrative Agent, on the one hand, and each Lender on the other hand, have an arms-length business relationship that does not directly or indirectly give rise to, and no Lender relies on, any fiduciary duty on the Administrative Agent's part, (v) acknowledges and agrees that each Lender is capable of evaluating and understanding, and each such Lender understands and accepts, the terms, risks and conditions of the transactions contemplated by this Agreement, (vi) acknowledges and agrees that the Administrative Agent or any of its Affiliates may have received fees or other compensation from any Credit Party or any Affiliate of any Credit Party in connection with this Agreement which may or may not be publicly disclosed and such fees or compensation do not affect any Lender's independent credit decision to enter into the transactions contemplated by this Agreement, (vii) acknowledges and agrees that notwithstanding that no fiduciary or similar relationship exists between the Administrative Agent and any Lender, each such Lender hereby waives, to the fullest extent permitted by law, any claims it may have against the Administrative Agent or its Affiliates for breach of fiduciary duty or alleged breach of fiduciary duty and agrees that the Administrative Agent and its Affiliates shall have no liability (whether direct or indirect) to any Lender in respect of such a fiduciary duty claim or to any Person asserting a fiduciary duty claim on behalf of or in right of any Lender, including any such Lender's Affiliates, members, partners, subsidiaries, officers, employees, agents, attorneys, principals, directors and shareholders and their respective heirs, legal representatives, successors and assigns and creditors, and (viii) agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement and the other Credit Documents are required to be performed by it as a Lender. The Administrative Agent shall not be responsible to any Lender for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement or any other Credit Document or the financial condition of Holdings or any of its Subsidiaries or be required to make any inquiry concerning the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Credit Document, the financial condition of Holdings or any of its Subsidiaries or the existence or possible existence of any Default or Event of Default.

(b) To the full extent permitted by applicable law, each party hereto and each Indemnified Person shall not assert, and hereby waives, any claim against any other party hereto or any other Indemnified Person, on any theory of liability, for special, indirect, consequential or incidental damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document, any other agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby or thereby or any Term Loan or the use of the proceeds thereof; provided, however, that the foregoing provisions shall not relieve the Borrower of its indemnification obligations as provided in Section 11.01(a) to the extent any Indemnified Person is found liable for any such damages. No party hereto and no Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent the liability of such Person results from such Person's gross negligence, willful misconduct or bad faith (as

determined by a court of competent jurisdiction in a final and non-appealable decision); provided, however, that the foregoing provisions shall not relieve the Borrower of its indemnification obligations as provided in Section 11.01(a) to the extent any Indemnified Person is found liable for any such damages.

10.04. Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Credit Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Credit Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders. (or any Affiliate thereof) in performing its duties hereunder or under any other Credit Document or in any way relating to or arising out of this Agreement or any other Credit Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such Affiliate's) bad faith, gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). No Lender shall be liable hereunder for another Lender's failure to satisfy its obligations under this paragraph.

10.07. The Administrative Agent in its Individual Capacity. (b) Each Lender or assignee or participant of a Lender that is not incorporated under the laws of the United States or a state thereof (and is not excepted from the certification requirement contained in Section 313 of the PATRIOT Act and the applicable regulations because it is both (i) an Affiliate of a depository institution or foreign bank that maintains a physical presence in the United States or foreign country, and (ii) subject to supervision by a banking authority regulating such affiliated depository institution or foreign bank) shall deliver to the Administrative Agent the certification, or, if applicable, recertification, certifying that such Lender

is not a "shell" and certifying to other matters as required by Section 313 of the PATRIOT Act and the applicable regulations: (1) within ten days after the Closing Date, and (2) as such other times as are required under the PATRIOT Act.

(c) The PATRIOT Act requires all financial institutions to obtain, verify and record certain information that identifies individuals or business entities which open an "**account**" with such financial institution. Consequently, the Administrative Agent or Lender may from time to time request, and each Credit Party shall provide to the Administrative Agent or Lender, the Borrower's name, address, tax identification number and/or such other identifying information as shall be reasonably necessary for Lender to comply with the PATRIOT Act and any other sanctions.

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's

Section 11 Miscellaneous.

11.01. Payment of Expenses, etc. (a) The Borrower hereby agrees to: (i) (A) whether or not the transactions herein contemplated are consummated, pay all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent and its Affiliates, including the fees and expenses of the Administrative Agent's legal counsel and consultants (including Rothschild & Co. in its capacity as financial advisor to the Lenders) (but limited, in the case of legal fees and expenses, to the fees and expenses of (x) a single outside counsel to the Administrative Agent and the Lenders taken as a whole (which counsel shall be Weil, Gotshal & Manges LLP) and (y) if necessary, one local counsel to the Administrative Agent and the Lenders, taken as a whole, in each relevant jurisdiction (including Delaware, Canada, Nova Scotia/New Brunswick and Luxembourg) (which may include one firm of local counsel acting in multiple jurisdictions)), in connection with (1) the preparation, execution, delivery and administration of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and any amendment, waiver or consent relating hereto or thereto, (2) [reserved] and (3) any due diligence review of Holdings, the Borrower, the other Guarantors and their respective Subsidiaries, (B) pay all reasonable and documented out-of-pocket costs and expenses of each of the Administrative Agent and Secured Creditors in connection with (1) the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and (2) any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings (including, in each case, the fees and expenses of (X) a single outside counsel to the Administrative Agent and Secured Creditors (taken as a whole), (Y) in the case of an actual or potential conflict of interest, one additional counsel to all affected Persons (and, if necessary, one additional local counsel to all affected Persons in each relevant jurisdiction (including Delaware, Canada, Nova Scotia/New Brunswick and Luxembourg) (which may include one firm of local counsel acting in multiple jurisdictions)) and (Z) if necessary, one local counsel to the Administrative Agent and

To the extent that the undertaking to indemnify, pay or hold harmless the Administrative Agent, any Lender or any other Indemnified Person set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities that is permissible under applicable law. Except as set forth in clause (ii) in the first sentence of this Section 11.01(a), this Section 11.01(a) shall not apply with respect to Excluded Taxes or Indemnified Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(b) To the full extent permitted by applicable law, each of Holdings and the Borrower shall not assert, and hereby waives, any claim against any Indemnified Person, on any theory of liability, for special, indirect, consequential or incidental damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Term Loan or the use of the proceeds thereof. No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent the liability of such Indemnified Person results from such Indemnified Person's bad faith, gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

11.02. Right of Setoff. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived to the extent permitted by applicable law, to set off and to appropriate and apply any and all deposits (general or special but other than Excluded Accounts) and any other Indebtedness at any time held or owing by the Administrative Agent, or such Lender or any Affiliate, branch or agency thereof (including by branches and agencies of the Administrative Agent, or such Lender or Affiliate wherever located) to or for the credit or the account of Holdings or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent or such Lender under this Agreement or under any of the other Credit Documents, including all interests in Obligations purchased by such Lender pursuant to Section 11.04(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent, or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. Each Lender agrees to

notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.03. Notices. Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including via email, fax or other electronic communication) and mailed, emailed, faxed or otherwise delivered: if to any Credit Party, at the address specified opposite its signature below or in the other relevant Credit Documents; if to any Lender, at its address specified to the Administrative Agent; and if to the Administrative Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Borrower and the Administrative Agent. All such notices and communications shall, when mailed or sent by overnight courier, be effective when (x) deposited in the mails or delivered to the overnight courier, as the case may be or (y) upon return receipt when delivered by fax or e-mail. Notwithstanding the foregoing, notices and communications to the Administrative Agent and any Credit Party shall not be effective until received by the Administrative Agent, the Borrower or any Credit Party, as the case may be.

11.04. Benefit of Agreement; Assignments; Participations. (a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; no Credit Party may assign or transfer any of its rights, obligations or interests hereunder unless expressly permitted by the terms of this Agreement or with the prior written consent of the Lenders. Any Lender may, without the consent of the Borrower, the Administrative Agent, or any other Lender, sell participations to any Person (other than to any Disqualified Lender, any Credit Party or any of its respective Affiliates, or any natural Person) in all or any portion of such Lender's rights and obligations under this Agreement (including all or any portion of its commitments and the Loans owing to it). Although any Lender may transfer, assign or grant participations in its rights hereunder, such Lender shall remain a "Lender" for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments or Obligations hereunder except as provided in Section 11.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a "Lender" hereunder and, provided, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Term Loan or Term Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof (it being understood that any amendment or modification to the financial definitions in this Agreement or to Section 1.02(c) shall not constitute a reduction in the rate of interest or fees payable hereunder), or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Total Commitments shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Term Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Credit Party of any of its rights and obligations under this Agreement (but solely to the extent the consent of the Lenders is required

to effect such assignment or transfer) or (iii) release all or substantially all of the Collateral under all of the Security Documents (except as expressly provided in the Credit Documents) supporting the Term Loans hereunder in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant's rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined as if such Lender had not sold such participation. Notwithstanding the foregoing, no assignments or participations shall be made to any Disqualified Lenders;

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may:

(i) assign all or a portion of its Commitments and related outstanding Obligations (or, if the Commitments have terminated, outstanding Obligations) hereunder to (A) any Affiliate of such Lender, (B) one or more other Lenders or any Affiliate of any such other Lender (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an Affiliate of such other Lender for the purposes of this sub-clause (b)(i)(B)), (C) any commercial bank, (D) any pension fund, insurance fund and/or similar type of institutional investors that are limited partners and/or prospective limited partners of the Administrative Agent or any of its Affiliates or (E) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor; or

(ii) assign all, or if less than all, a portion equal to at least $1,000,000 in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations (or, if the Commitments have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement, provided that (A) at such time, Schedule 1.01 shall be deemed modified to reflect the Commitments and/or outstanding Term Loans, as the case may be, of such new Lender and of the existing Lenders after giving effect to such assignment, (B) upon the surrender of the relevant Term Notes, if any, by the assigning Lender (or, upon such assigning Lender's indemnifying the Borrower for any lost Term Note pursuant to a customary indemnification agreement) new Term Notes will be issued, at the Borrower's expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Term Notes to be in conformity with the requirements of Section 2.04 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Term Loans after giving effect to such assignment, as the case may be, (C) the consent of the Administrative Agent and

the Borrower shall be required in connection with any such assignment pursuant to this clause (ii) (such consent, in the case of the Administrative Agent or the Borrower, not to be unreasonably withheld, delayed or conditioned), provided that (i) the Borrower shall be deemed to have consented to any such assignment unless they shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof and (ii) the consent of the Borrower shall not be required if an Event of Default has occurred and is continuing, (D) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of $3,500 and (E) no such transfer or assignment will be effective until recorded by the Administrative Agent on the Register pursuant to Section 11.14 (and the Administrative Agent agrees to promptly record any assignment made in accordance with this paragraph).

To the extent of any assignment pursuant to this Section 11.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Term Loans. At the time of each assignment pursuant to this Section 11.04(b) to a Person which is not already a Lender hereunder, the respective assignee Lender shall, to the extent legally entitled to do so, provide to the Borrower the appropriate Internal Revenue Service Forms (and, if applicable, a Tax Form Certificate) described in Section 4.04(c). To the extent that an assignment of all or any portion of a Lender's Commitments and related outstanding Obligations pursuant to this Section 11.04(b) would, at the time of such assignment, result in increased costs under Section 2.09 or 4.04 from those being charged by the respective assigning Lender prior to such assignment, then the Borrower shall not be obligated to pay such increased costs, Indemnified Taxes or additional amounts (although the applicable Credit Party, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs, Indemnified Taxes or additional amount of the type described above resulting from changes after the date of the respective assignment, subject to the limitations and exceptions in this Agreement). Notwithstanding the foregoing, no assignments or participations shall be made to any Disqualified Lenders.

(c) Notwithstanding anything to the contrary herein, any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to any Disqualified Lender or natural person) (without the consent of, or notice to or any other action by, any other party hereto) to secure obligations of such Lender or any of its Affiliates to any Person, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank having jurisdiction over such Lender, and, for the avoidance of doubt, this Section 11.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest pursuant to this clause (c) shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(d) Any Lender that assigns all of its Commitments and/or Term Loans hereunder in accordance with Section 11.04(b) shall cease to constitute a "Lender" hereunder, except with respect to indemnification provisions under this Agreement (including Sections 2.09, 2.10, 4.04, 10.06, 11.01 and 11.07), which shall survive as to such assigning Lender.

(e) The Borrower also agrees that each participant shall be entitled to the benefits of Sections 2.09 and 4.04 as if it were a Lender (provided, that such participant (A) agrees to be subject to the provisions of Section 2.11 and (B) complies with the requirements of Section 4.04(c) as if it were a Lender); provided, further, that no participant shall receive any greater compensation pursuant to Sections 2.09 or 4.04 than would have been paid to the participating Lender if no participation had been sold, except to the extent such entitlement to receive a greater payment results from a change in law that occurs after the participant acquired the applicable participation. Each Lender that sells a participant agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.11 with respect to any participant. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Holdings and Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the Term Loans or other obligations under the Credit Documents (the "**Participant Register**"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent shall have no responsibility for maintaining a Participant Register.

(f) In the event of a transfer, assignment, novation or amendment of the rights and/or the obligations under this Agreement and any other Credit Documents, all security interests, guarantees and privileges created under or in connection with the Credit Documents shall automatically and without any formality be preserved for the benefit of the Administrative Agent, the Eligible Transferee and the other Lenders for the purpose of the provisions of articles 1278 to 1281 of the Luxembourg Civil Code or any other purposes.

11.05. No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrower or any other Credit Party and the Administrative Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent or any Lender to any other or further action in any circumstances without notice or demand.

11.06. Payments Pro Rata. (a) Except as otherwise provided in this Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of

the Borrower in respect of any Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than (i) if any Lender that has consented in writing to waive its pro rata share of any such payment, in which case such amounts shall be reallocated on a pro rata basis among the other Lenders or (ii) if all Lenders shall have consented in writing to waive their pro rata share of such payment, such payment shall be returned to the Borrower) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Except as otherwise provided herein, each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) by or on behalf of a Credit Party, which is applicable to the payment of the principal of, or interest on, the Term Loans, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lenders, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

11.07. Currency Indemnity. If, for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Agreement or any of the other Credit Documents, it becomes necessary to convert into the currency of such jurisdiction (the "**Judgment Currency**") any amount due under this Agreement or any of the other Credit Documents in any currency other than the Judgment Currency (the "**Currency Due**"), then conversion shall be made at the Exchange Rate prevailing on the Business Day before the day on which judgment is given. In the event that there is a change in the Exchange Rate prevailing between the Business Day before the day on which the judgment is given and the date of receipt by the Administrative Agent of the amount due, the Borrower will, on the date of receipt by the Administrative Agent, pay such additional amounts, if any, or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount received by the Administrative Agent on such date is the amount in the Judgment Currency which when converted at the Exchange Rate prevailing on the date of receipt by the Administrative Agent is the amount then due under this Agreement or any of the other Credit Documents in the Currency Due. If the amount of the Currency Due which the Administrative Agent is able to purchase is less than the amount of the Currency Due originally due to it, the Borrower shall indemnify and save the Administrative Agent harmless from and against loss or damage arising as a result of such deficiency. The indemnity contained herein shall constitute an obligation separate and independent from the other obligations contained in this Agreement and any of the other Credit Documents, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Administrative Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Agreement, any of the other Credit Documents or under any judgment or order.

11.08. GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL. (a) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL, EXCEPT AS OTHERWISE PROVIDED IN ANY MORTGAGE OR ANY SECURITY DOCUMENT, BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK (WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION) AND TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE. EACH PARTY HERETO FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO SUCH PARTY AT ITS ADDRESS SET FORTH OPPOSITE ITS SIGNATURE BELOW, SUCH SERVICE TO BECOME EFFECTIVE 30 DAYS AFTER SUCH MAILING. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER OR UNDER ANY OTHER CREDIT DOCUMENT THAT SERVICE OF PROCESS WAS IN ANY WAY INVALID OR INEFFECTIVE. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT, ANY LENDER OR THE HOLDER OF ANY TERM NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST HOLDINGS OR THE BORROWER IN ANY OTHER JURISDICTION.

(b) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY

11.09. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. Delivery of an executed counterpart hereof by facsimile or electronic transmission shall be as effective as delivery of any original executed counterpart hereof.

11.10. Headings Descriptive. The headings of the several sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

11.11. Amendment or Waiver; etc. (a) Neither this Agreement nor any other Credit Document, nor any terms hereof or thereof may be amended, modified, changed, waived, discharged or terminated unless such amendment, modification, change, waiver, discharge or termination is in writing signed by the respective Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions), and Subsidiaries of Holdings may be released from, the Guaranty and the Security Documents in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders), provided that no such change, waiver, discharge or termination shall, without the written consent of each Lender directly and adversely affected thereby, (i) extend the final scheduled maturity of any Term Loan, or reduce the rate or extend the time of payment of interest or fees thereon (except in connection with the waiver of applicability of any post-default increase in interest rates), or reduce (or forgive) the principal amount thereof, any Exit Fee or other amount payable hereunder, or change Section 4.03 (it being understood that amendments to, or waivers or modifications of any conditions precedent, representations, warranties, covenants, Defaults or Events of Default shall not constitute an extension of the maturity, any scheduled installment, or the scheduled date of payment of the Term Loans, interest or fees of any Lender), (ii) release or subordinate all, substantially all or a material portion of the Collateral, or release all, substantially all or a material portion of the value of the guarantees of the Guarantors under any Guaranty (in each case, except as expressly provided in the Credit Documents), (iii) amend, modify or waive any provision of this Section 11.11(a), (iv) reduce the voting threshold specified in the definition of "Required Lenders", (v) change Section 11.06 hereof, Section 17(d) of either Security Agreement or any other analogous section in any other Security Document, in a manner that would alter the sharing or application of payments required thereby without the written consent of each Lender directly affected thereby, (vi) consent to the assignment or transfer by any Credit Party of any of its rights and obligations under this Agreement except as expressly provided for herein or (vii) except as provided by operation of law and otherwise permitted hereunder, amend or modify (x) the DIP Superpriority Claims status of

the Obligations under the Orders or under any Credit Document or (y) the priority of the Obligations granted by the CCAA DIP Charge; provided, further, that no such amendment, modification, change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Total Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender), (2) without the written consent of the Administrative Agent, amend, modify or waive any provision of Section 10 or any other provision of this Agreement or any other Credit Document as same relates to the rights or obligations of the Administrative Agent or (3) without the written consent of Administrative Agent, amend, modify or waive any provision relating to the rights or obligations of the Administrative Agent.

(b) Notwithstanding the foregoing, technical and conforming modifications to the Credit Documents may be made solely with the written consent of the Borrower and the Administrative Agent to the extent necessary to cure any ambiguity, omission, defect or inconsistency that is not materially adverse to the interests of the Lenders. The Lenders acknowledge and agree that the Administrative Agent's discretion shall be conclusive and binding.

11.12. Survival. All indemnities set forth herein including in Sections 2.09, 2.10, 4.04, 10.06 and 11.01 shall survive the execution, delivery and termination of this Agreement and the making and repayment of the Obligations.

11.13. Domicile of Term Loans. Each Lender may transfer and carry its Term Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Term Loans pursuant to this Section 11.13 would, at the time of such transfer, result in increased costs under Section 2.09, 2.10 or 4.04 from those being charged by the respective Lender prior to such transfer, then the Borrower shall not be obligated to pay such increased costs (although the Borrower shall be obligated to pay any other increased costs of the type described above resulting from changes occurring after the date of the respective transfer).

11.14. Register. The Borrower and Holdings hereby designate the Administrative Agent to serve as their non-fiduciary agent, solely for purposes of this Section 11.14, to maintain a register (the "**Register**") at one of its offices in the United States on which it will record the Commitments from time to time of each of the Lenders, the Term Loans made by each of the Lenders, the stated interest thereon and each repayment in respect of the principal (and stated interest) amount of the Term Loans of each Lender. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Term Loans. With respect to any Lender, the transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Term Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Term Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Term Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Term Loans shall be recorded by the Administrative Agent on the Register only

upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 11.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Term Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Term Note (if any) evidencing such Term Loan, and thereupon one or more new Term Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. Each Lender shall be entitled to review the Register solely relating to such information that pertains specifically to such Lender and shall have no right to view any information that pertains to any other Lender. The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement.

11.15. Confidentiality. (a) Subject to the provisions of clause (b) of this Section 11.15, each Lender agrees that it will not disclose without the prior consent of the Borrower (other than to its employees, accountants, auditors, advisors, subsidiaries, Affiliates, consultants or counsel to the Administrative Agent, and any Lender if the Administrative Agent, or any such Lender or such Lender's holding or parent company in its sole discretion determines that any such party should have access to such information; provided such Persons shall be subject to the provisions of this Section 11.15 to the same extent as such Lender) any information with respect to Holdings or any of its Subsidiaries which is now or in the future will be furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 11.15(a) by the Administrative Agent, any Lender or any other party referred to in this Section 11.15(a), (ii) as may be required or reasonably appropriate by Law or in any report, statement or testimony submitted to any municipal, state, provincial, territorial or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or reasonably appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent, (vi) to any direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor), so long as such contractual counterparty (or such professional advisor) agrees in writing to be bound by the provisions of this Section 11.15, (vii) to any prospective or actual transferee or participant in connection with any contemplated transfer or participation of any of the Term Loans or Commitments or any interest therein by such Lender, provided that such prospective transferee agrees in writing to be bound by the confidentiality provisions contained in this Section 11.15, (viii) to (A) any bank or financial institution and (B) S&P, Moody's, Fitch Ratings and/or other ratings agencies, in each case, as such Lender deems necessary or appropriate in connection with such Lender's obtaining financing; provided, however, that such financial institution or ratings agency shall be informed of the confidentiality of such information, (ix) to its investors or potential investors as such Lender reasonably deems necessary or appropriate; provided, however, that such investors or potential investors shall be informed of

the confidentiality of such information or (x) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder; provided, that no disclosures of such information shall be made to any Disqualified Lenders; provided further, that unless specifically prohibited by applicable Law, each Lender and the Administrative Agent shall endeavor to notify Holdings of any request made to such Lender or the Administrative Agent, as applicable, for disclosure of any such non-public information prior to disclosure of such information and shall limit such disclosure to the extent necessary to comply with such request or demand.

(b) Each of Credit Party hereby acknowledges and agrees that each Lender may share with any of its Affiliates, and such Affiliates may share with such Lender, any information related to Holdings or any of its Subsidiaries (including any non-public customer information regarding the creditworthiness of Holdings and its Subsidiaries), provided such Persons shall be subject to the provisions of this Section 11.15 to the same extent as such Lender.

(c) Notwithstanding anything to the contrary contained in this Section 11.15, each Credit Party hereby agrees that the Administrative Agent and its Affiliates may publicize its services in connection with this Agreement and the other Credit Documents and the transactions contemplated herein and therein. In addition, each Credit Party hereby authorizes the Administrative Agent to place a customary "tombstone" advertisement regarding this Agreement and the transactions contemplated herein related hereto in publications of its choice at the Administrative Agent's expense.

11.16. Special Provisions Regarding Pledges of Equity Interests in, and Promissory Notes Owed by, Persons Not Organized in the United States or Canada or Pledges over Assets Not Located in the United States or Canada. The parties hereto acknowledge and agree that the provisions of the various Security Documents executed and delivered by the Credit Parties may require that, among other things, all promissory notes executed by, and capital stock and other Equity Interests in, various Persons owned by the respective Credit Party that constitute Collateral be pledged, and delivered for pledge. The parties hereto further acknowledge and agree that, to the extent required and in the manner contemplated by the Credit Documents, each Credit Party shall be required to take all actions under the laws of the jurisdiction in which such Credit Party is organized or where the respective assets are located to create and perfect the security interests granted pursuant to the various Security Documents and to take all actions under the laws of the United States (and any State thereof), Canada (and any province and territory thereof) and Luxembourg to perfect the security interests in the assets, capital stock and other Equity Interests of, and promissory notes issued by, any Person organized under the laws of such jurisdictions (in each case, to the extent such capital stock, other Equity Interests or promissory notes are owned by any Credit Party and constitute Collateral). Unless as otherwise required under Section 7.12 or requested on 30 days' prior notice by the Administrative Agent in accordance with Section 7.12(c), except as provided in the immediately preceding sentence, to the extent any Security Document requires or provides for the pledge of assets or promissory notes issued by, or capital stock or other Equity Interests in, any Person organized under the laws of a jurisdiction other than those specified in the immediately preceding sentence, no actions shall be required to be taken to perfect, under local law of the jurisdiction where the respective assets are located or of the Person who issued the respective promissory notes or whose capital stock or other Equity Interests are pledged, under the

Security Documents. All conditions and representations contained in this Agreement and the other Credit Documents shall be interpreted to give effect to the foregoing and so that they are not violated by reason of the failure to take actions under local law (but only with respect to capital stock of, other Equity Interests in, and promissory notes issued by, Persons organized under laws of jurisdictions other than the United States (and any State thereof) or Canada (and any Province thereof) or assets located in jurisdictions other than the United States (and any State thereof) or Canada (and any province thereof) not required to be taken in accordance with the provisions of this Section 11.16, provided that to the extent any representation or warranty would not be true because the foregoing actions were not taken, the respective representation or warranty shall be required to be true and correct in all material respects at such time as the respective action is required to be taken in accordance with the foregoing provisions of Section 7.12 and this Section 11.16.

11.17. PATRIOT Act and Canadian Anti-Money Laundering & Anti-Terrorism Compliance. (a) Each Lender subject to the PATRIOT Act hereby notifies each Credit Party that pursuant to the requirements of the PATRIOT Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Credit Parties and other information that will allow such Lender to identify the Credit Parties in accordance with the PATRIOT Act Beneficial Ownership Regulation. Each of Holdings and the Borrower agree to take promptly such actions and to promptly provide, upon request, such information, access to information and certifications regarding Holdings and the Subsidiaries that are required to enable the Administrative Agent and the Lenders to comply with all applicable "know your customer" and anti-money-laundering rules and regulations, including, without limitation the PATRIOT Act and the Beneficial Ownership Regulation.

(b) The Administrative Agent and its successors and assigns may be subject to Canadian Anti-Money Laundering & Anti-Terrorism Legislation and "know your customer" rules and regulations, and they hereby notify Holdings and each of its Subsidiaries that in order to comply with such legislation, rules and regulations, they may be, among other things, required to obtain, verify and record information pertaining to Holdings and the Subsidiaries, which information may relate to, among other things, the names, addresses, corporate directors, corporate registration numbers, corporate tax numbers, corporate shareholders and banking transactions of Holdings and the Subsidiaries. Each of Holdings and the Borrower agree to take promptly such actions and to promptly provide, upon request, such information, access to information and certifications regarding Holdings and the Subsidiaries that are required to enable the Administrative Agent and its successors and assigns to comply with such Canadian Anti-Money Laundering & Anti-Terrorism Legislation and "**know your customer**" rules and regulations. In addition, and to the extent they are required at law to do so, each of Holdings and the Borrower agrees to promptly comply with its obligations under Canadian Anti-Money Laundering & Anti-Terrorism Legislation.

11.18. [Reserved].

11.19. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Credit Document, the interest paid or agreed to be paid under the Credit Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "**Maximum Rate**"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds

the Maximum Rate, the excess interest shall be applied to the principal of the Term Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

11.20. Entire Agreement. THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES WITH RESPECT TO THE MATTERS SET FORTH HEREIN AND THEREIN AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.

11.21. Release. The Administrative Agent shall (and is authorized by each of the Secured Creditors under the Security Documents) to (1) release any Lien granted to or held by the Administrative Agent upon any Collateral (i) upon termination of the Commitments and payment and satisfaction of all of the Obligations (other than contingent, indemnification or reimbursement obligations not then due) at any time arising under or in respect of this Agreement or any of the other Credit Documents or the transactions contemplated hereby or thereby, (ii) constituting property being sold or otherwise disposed of (to Persons other than Holdings and its Subsidiaries) upon the sale or other disposition thereof in compliance with Section 8.02, (iii) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 11.11) or (iv) as otherwise may be expressly provided herein or in the relevant Security Documents, and (2) release any Guarantor from its obligations under the Guaranty (i) if such Person ceases to be a Subsidiary Guarantor as a result of a transaction expressly permitted under the Credit Documents, (ii) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 11.11) or (iii) is, in each case, otherwise expressly permitted to be released from the Guaranty pursuant to the Credit Documents and release any applicable Liens on the assets or Equity Interests of such Guarantor.

11.22. [Reserved].

11.23. Limitations Act (Ontario). Notwithstanding the provisions of the Limitations Act, 2002 (Ontario), a claim may be brought on this Agreement at any time within 6 years from the date on which payment of the relevant Obligations is due pursuant hereto or, in the case of Obligations that are demand obligations, demand for payment of the relevant Obligations is made to the Borrower in accordance with the terms of this Agreement.

11.24. Quebec Security. For the purposes of the grant of security under the laws of the Province of Quebec which may now or in the future be required to be provided by any Credit Party governed by the laws of the Province of Quebec or which has its registered office, domicile, a place of business or assets situated in the Province of Quebec, the Administrative Agent is hereby irrevocably authorized and appointed to act as the hypothecary representative (within the meaning

of Article 2692 of the Civil Code of Québec) on behalf of all Secured Creditors in order to hold any hypothec granted under the laws of the Province of Quebec pursuant to any Canadian deed of hypothec as security for the Obligations and to exercise such rights and duties as are conferred upon a hypothecary representative under the relevant Canadian deed of hypothec and applicable laws (with the power to delegate any such rights or duties). Any person who becomes a Credit Party shall be deemed to have consented to and ratified the foregoing appointment of the Administrative Agent as hypothecary representative on behalf of all Secured Creditors. For greater certainty, the Administrative Agent, acting as hypothecary representative, shall have the same rights, powers, immunities, indemnities and exclusions from liability as are prescribed in favour of the Administrative Agent, which shall apply *mutatis mutandis*. Each successor Administrative Agent shall automatically (and without any further action) become the successor hypothecary representative for the purposes of such Canadian deeds of hypothec. If requested by the Administrative Agent, the applicable Credit Parties shall prepare and register notices of replacement in each applicable register in which each hypothec created pursuant to such Canadian deeds of hypothec is registered (as contemplated by Article 2692 of the *Civil Code of Québec*).

11.25. Termination Prior to Closing Date. Notwithstanding anything else contained herein, Holdings or the Administrative Agent may terminate this Agreement prior to the Closing Date upon written notice to the other.

Section 12 [Reserved].

Section 13 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 14 Intercreditor Agreement.

REFERENCE IS MADE TO THE INTERCREDITOR AGREEMENT. EACH LENDER HEREUNDER AGREES THAT IT WILL BE BOUND BY AND WILL TAKE NO ACTION CONTRARY TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT AND AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT TO ENTER INTO THE INTERCREDITOR AGREEMENT AS THE "TERM LOAN AGENT" (OR EQUIVALENT) AND ON BEHALF OF SUCH LENDER. THE PROVISIONS OF THIS SECTION 14 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN SUCH INTERCREDITOR AGREEMENT. THE FOREGOING PROVISIONS ARE INTENDED AS AN INDUCEMENT TO THE LENDERS UNDER THE DIP ABL CREDIT AGREEMENT TO EXTEND CREDIT THEREUNDER AND SUCH LENDERS ARE INTENDED THIRD-PARTY BENEFICIARIES OF SUCH PROVISIONS AND THE PROVISIONS OF THE INTERCREDITOR AGREEMENT.

Notwithstanding anything herein to the contrary, each of (i) the Obligations of the Credit Parties under this Agreement or any other Credit Document, (ii) the Liens and security interests granted to the Administrative Agent for the benefit of the Secured Creditors pursuant to this Agreement or any other Credit Document (including priority thereof), (iii) the release of Collateral from the Lien granted and created hereby or thereby and (iv) the exercise of any right or remedy by the Administrative Agent hereunder or thereunder are, in each case, subject to the provisions of the Intercreditor Agreement. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall control. In furtherance of the foregoing, notwithstanding anything to the contrary set forth herein, until payment and performance, in full, of the Obligations (other than contingent, indemnification or reimbursement obligations not then due) has occurred, to the extent that any Credit Party is required to give physical possession or control (within the meaning of the UCC or the PPSA, as applicable) over any Collateral (as defined in the DIP ABL Credit Agreement) to the Administrative Agent or a Lender under this Agreement or any of the other Credit Documents, such requirement to give possession or control (within the meaning of the UCC or the PPSA, as applicable) shall be satisfied if such Collateral (as defined in the DIP ABL Credit Agreement) is delivered to and held by the DIP ABL Agent, in accordance with the Intercreditor Agreement and such action shall be deemed satisfied to the extent undertaken with respect to the DIP ABL Agent, as the case may be.

2.1 Relative Priorities. Notwithstanding the date, time, method, manner, or order of grant, attachment, or perfection of any Liens securing (or purportedly securing) the ABL Obligations granted with respect to the Collateral or of any Liens securing (or purportedly securing) the Term Loan Obligations granted with respect to the Collateral (including, in each case, irrespective of whether any such Lien is granted, or secures Obligations relating to the period, before or after the commencement of any Insolvency Proceeding in respect of any Grantor that is not a Debtor or a CCAA Debtor and, with respect to any Debtor or CCAA Debtor, irrespective of whether the Cases are dismissed or converted to a case under chapter 7 of

Each Term Loan Agent, for itself and on behalf of each Term Loan Claimholder, and each ABL Agent, for itself and on behalf of each ABL Claimholder, agrees that it will not (and hereby irrevocably, absolutely and unconditionally waives any right to), directly or indirectly, contest (directly or indirectly), seek the avoidance of, support any other person in contesting (directly or indirectly), in any proceeding (including any of the Cases, the CCAA Cases or any other Insolvency Proceeding), or encourage, support or discuss with any other person a challenge or contestation of (a) the priority, validity, attachment, perfection or enforceability of a Lien in the Collateral held by or on behalf of an ABL Agent or any other ABL Claimholder or by or on behalf of a Term Loan Agent or any other Term Loan Claimholder, (b) the priority, validity, perfection or enforceability of any Obligations (including any ABL Guaranty or Term Loan Guaranty), including the allowability or priority of any Obligations in any of the Cases, the CCAA Cases or any other Insolvency Proceeding, or (c) the validity or enforceability of, or the priorities, rights or duties established by, or other provisions of this Agreement; provided, however that nothing in this Agreement shall be construed to prevent or impair the rights of any ABL Agent, any ABL Claimholder, any Term Loan Agent, or any Term Loan Claimholder to enforce the terms of this Agreement, including the provisions of this Agreement relating to the priority of the Liens securing the ABL Obligations and the Term Loan Obligations, as applicable, as provided in Sections 2.1, 3 and 6.2.

2.3 New Liens. During the term of this Agreement, so long as neither the Discharge of ABL Obligations nor the Discharge of Term Loan Obligations has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor that is not a Debtor or a CCAA Debtor, and, in the case of any Debtor or CCAA Debtor, whether or not the Cases have been dismissed or converted to a case under chapter 7 of the Bankruptcy Code or whether or not the CCAA Cases have been dismissed or otherwise terminated, the parties hereto agree that no Grantor shall:

(a) grant or suffer to exist any Liens on any asset to secure any Term Loan Obligation unless such Grantor also offers to grant, and, at the option of the ABL Agents, grants a Lien on such asset to secure the ABL Obligations concurrently with the grant of a Lien thereon in favor of each Term Loan Agent in accordance with the priorities set forth in this Agreement; or

(b) The foregoing to the contrary notwithstanding, each of the parties agrees that to the extent that any ABL Agent or any Term Loan Agent obtains a Lien in an asset (of a type that is not included in the types of assets included in the Collateral as of the Closing Date or which would not constitute Collateral without a grant of a security interest or lien separate from the ABL Documents or Term Loan Documents, as applicable, as in effect immediately prior to obtaining such Lien on such asset) which the other party to this Agreement elects not to obtain after receiving prior written notice thereof in accordance with the provisions of Section 2.3, the Collateral securing the ABL Obligations and the Term Loan Obligations will not be identical, and the provisions of the documents, agreements and instruments evidencing such Liens also will not be substantively similar, and any such difference in the scope or extent of perfection with respect to the Collateral resulting therefrom are hereby expressly permitted by this Agreement.

(f) will have no right to (i) direct any ABL Agent or any ABL Claimholder to exercise any right, remedy or power or (ii) consent to the exercise by any ABL Agent or any ABL Claimholder of any right, remedy or power with respect to any ABL Priority Collateral;

Subject to the Orders, each ABL Agent may enforce the provisions of the ABL Documents, as applicable, each Term Loan Agent may enforce the provisions of applicable Term Loan Documents, as applicable, and each Agent may Exercise any Secured Creditor Remedies, all in such order and in such manner as each may determine in the exercise of its sole discretion, consistent with the terms of this Agreement and mandatory provisions of applicable law; provided, however, that each ABL Agent and each Term Loan Agent agrees to provide to the other (x) an Enforcement Notice prior to (unless there are Exigent Circumstances, in which case such notice may be provided promptly thereafter) its Exercise of Secured Creditor Remedies and (y) copies of any notices that it is required under applicable law to deliver to any Grantor; provided further, however, that any ABL Agent's failure to provide copies of any such notices to the any Term Loan Agent shall not impair any of the ABL Agents' rights hereunder or under any of the ABL Documents and any Term Loan Agent's failure to provide copies of any such notices to any ABL Agent shall not impair any of the Term Loan Agents' rights hereunder or under any of the Term Loan Documents. 3.8 Inspection and Access Rights.

(a) If any Term Loan Agent, or any agent or representative of any Term Loan Agent, or any receiver, shall, after any Term Loan Default, obtain possession or physical control of any of the real properties subject to a Mortgage or any of the tangible Term Loan Priority Collateral located on any premises other than real properties subject to a Mortgage or control over any intangible Term Loan Priority Collateral, such Term Loan Agent shall promptly notify the ABL Agents in writing of that fact, and the ABL Agents may thereafter notify such Term Loan Agent in writing as to whether such ABL Agent desires to exercise access rights under this Section 3.8. In addition, if any ABL Agent, or any agent or representative of any ABL Agent, or any receiver, shall obtain possession or physical control of any of the real properties subject to a Mortgage or any of the tangible Term Loan Priority Collateral located on any premises other than real properties subject to a Mortgage or control over any intangible Term Loan Priority Collateral, following the delivery to the Term Loan Agents of an Enforcement Notice,

then such ABL Agent may at any time thereafter notify the Term Loan Agents in writing that such ABL Agent is exercising its access rights under this Agreement under either circumstance. Upon delivery of such notice by such ABL Agent to the Term Loan Agents, the parties shall confer in good faith to coordinate with respect to such ABL Agent's exercise of such access rights. Consistent with the definition of "Use Period," access rights may apply to differing parcels of real properties subject to a Mortgage and to different assets that constitute a portion of the Term Loan Priority Collateral, in each case at differing times, in which case, a differing Use Period will apply to each such property and to each such portion of the Term Loan Priority Collateral.

(b) Without limiting any rights any ABL Agent or any other ABL Claimholder may otherwise have under applicable law or by agreement and whether or not any Term Loan Agent or any other Term Loan Claimholder has commenced and is continuing to Exercise any Secured Creditor Remedies of such Term Loan Agent, each ABL Agent or any other person (including any ABL Claimholder) acting with the consent, or on behalf, of any ABL Agent, shall have an irrevocable, non-exclusive right to have access to, and a royalty-free and rent-free license and right to use the Term Loan Priority Collateral (including, without limitation, equipment, fixtures, general intangibles and real property and equipment, processors, computers and other machinery related to the storage or processing of records, documents or files, but excluding Intellectual Property) during the Use Period (i) during normal business hours on any Business Day, to access the ABL Priority Collateral that (x) is stored or located in or on, (y) has become an accession with respect to (within the meaning of Section 9-335 of the UCC), or (z) has been commingled with (within the meaning of Section 9-336 of the UCC), Term Loan Priority Collateral, and (ii) in order to assemble, inspect, copy or download information stored on, take actions to perfect its Lien on, process raw materials or work-in-process into finished Inventory, take possession of, move, package, prepare and advertise for sale or disposition, sell (by public auction, private sale or similar sale, whether in bulk, in lots or to customers in the ordinary course of business or otherwise and which sale may include augmented Inventory of the same type sold in Grantors' business), store, collect, take reasonable actions to protect, secure and otherwise enforce the rights of such ABL Agent in and to the ABL Priority Collateral, or otherwise deal with the ABL Priority Collateral, in each case without the involvement of or interference by any Term Loan Claimholder or liability to any Term Loan Claimholder; provided that (A) any such license or right to use is granted on an "AS IS" basis, without any representation or warranty whatsoever (including any representation or warranty as to merchantability, fitness for a particular purpose or non-infringement), (B) any such license or right to use shall automatically terminate upon the sale of all (but not less than all) of the ABL Priority Collateral with respect to which such ABL Agent elects to utilize such Term Loan Priority Collateral, and shall not extend or transfer to the purchaser of such ABL Priority Collateral, and (C) any ABL Agent's use of such Term Loan Priority Collateral shall be reasonable and lawful. This Agreement will not restrict the rights of any Term Loan Agent to sell, assign or otherwise transfer the related Term Loan Priority Collateral prior to the expiration of the Use Period if (but only if) the purchaser, assignee or transferee thereof agrees to be bound by the provisions of this Section 3.8.

(c) During the period of actual occupation, use and/or control by any ABL Claimholder and/or any ABL Agent (or their respective employees, agents, advisers and representatives) of any Term Loan Priority Collateral or other assets or property, such ABL Claimholders and such ABL Agent shall be obligated to repair at their expense any physical damage (ordinary wear and tear excepted) to such Term Loan

Priority Collateral caused by such occupancy, use or control by such ABL Agent or its agents, representatives or designees, and to leave such Term Loan Priority Collateral or other assets or property in substantially the same condition as it was at the commencement of such occupancy, use or control, ordinary wear and tear excepted; provided, however, that such ABL Agent and such ABL Claimholder will not be liable for any diminution in the value of the Term Loan Priority Collateral caused by the absence of the ABL Priority Collateral therefrom. Notwithstanding the foregoing, in no event shall any ABL Claimholders or any ABL Agent have any liability to any Term Loan Claimholder and/or to any Term Loan Agent pursuant to this Section 3.8 as a result of any condition (including any environmental condition, claim or liability) on or with respect to the Term Loan Priority Collateral existing prior to the date of the exercise by such ABL Claimholders (or such ABL Agent, as the case may be) of their rights under this Section 3.8 and such ABL Claimholder and/or such ABL Agent shall have no duty or liability to maintain the Term Loan Priority Collateral in a condition or manner better than that in which it was maintained prior to the use thereof by such ABL Claimholder and/or such ABL Agent, or for any diminution in the value of the Term Loan Priority Collateral that results solely from ordinary wear and tear resulting from the use of the Term Loan Priority Collateral by such ABL Claimholder and/or such ABL Agent in the manner and for the time periods specified under this Section 3.8. Without limiting the rights granted in this Section 3.8, such ABL Claimholders and such ABL Agent shall use commercially reasonable efforts to cooperate with the Term Loan Claimholders and/or the Term Loan Agent in connection with any efforts made by the Term Loan Claimholders and/or the Term Loan Agent to sell the Term Loan Priority Collateral.

(d) Consistent with the definition of the term "Use Period," if any order or injunction is issued or stay is granted or is otherwise effective by operation of law that prohibits any ABL Agent from exercising any of its rights hereunder, then the Use Period granted to such ABL Agent under this Section 3.8 shall be stayed during the period of such prohibition and shall continue thereafter for the number of days remaining as required under this Section 3.8. Each Term Loan Agent agrees, for the benefit of each ABL Agent, that it shall not sell or dispose of any of the Term Loan Priority Collateral during the Use Period unless the buyer agrees in writing to acquire the Term Loan Priority Collateral subject to the terms of Section 3.8 of this Agreement and agrees therein to comply with the terms of this Section 3.8. The rights of each ABL Agent and each ABL Claimholder under this Section 3.8 during the Use Period shall continue notwithstanding such foreclosure, sale or other disposition by any Term Loan Agent.

(e) No ABL Agent and no ABL Claimholder shall be obligated to pay any amounts to any Term Loan Agent or any Term Loan Claimholders (or any person claiming by, through or under any Term Loan Claimholders, including any purchaser of the Term Loan Priority Collateral) or to any Grantor, for or in respect of the use by any ABL Agent and any ABL Claimholder of the Term Loan Priority Collateral; provided that such ABL Agent or such other ABL Claimholder shall be obligated to pay any third-party expenses related thereto, including costs with respect to heat, light, electricity and water with respect to that portion of any premises so used or occupied, or that arise as a result of such use. In the event, and only in the event, that in connection with its use of some or all of the premises constituting Term Loan Priority Collateral, such ABL Agent or such other ABL Claimholder requires the services of any employees of the Grantors, such ABL Agent or such other ABL Claimholder shall pay directly to any such employees the appropriate, allocated wages of such employees, if any, during the time periods that such ABL Agent or such other ABL Claimholder requires their services. In

each case, all amounts paid by any ABL Agent or any other ABL Claimholder hereunder shall be added to the outstanding principal balance of the ABL Obligations.

(f) Each ABL Claimholders shall use the Term Loan Priority Collateral in accordance with applicable law.

(g) Subject to Section 3.7, each Term Loan Agent and the other Term Loan Claimholders (i) will cooperate with each ABL Agent in its efforts pursuant to Section 3.8(b) to enforce such Agent's Liens in the ABL Priority Collateral and to finish any work-in-process and assemble the ABL Priority Collateral, (ii) will not hinder or restrict in any respect any ABL Agent from enforcing its Liens in the ABL Priority Collateral or from finishing any work-in-process or assembling the ABL Priority Collateral pursuant to Section 3.8(b), and (iii) will, subject to the rights of any landlords under real estate leases, permit such ABL Collateral Agent, its employees, agents, advisers and representatives to exercise the rights described in Section 3.8(b).

(h) Subject to the terms hereof, each Term Loan Agent may advertise and conduct public auctions or private sales of the Term Loan Priority Collateral, without the involvement of or interference by any ABL Claimholder or liability to any ABL Claimholder as long as, in the case of an actual sale, the respective purchaser assumes and agrees in advance in writing to the obligations of each Term Loan Agent and each Term Loan Claimholder under this Section 3.8. If any ABL Agent conducts a public auction or private sale of the ABL Priority Collateral at any of the real property included within the Term Loan Priority Collateral, such ABL Agent shall provide the Term Loan Agents with reasonable notice and use reasonable efforts to hold such auction or sale in a manner which would not unduly disrupt the Term Loan Agents' use of such real property.

(i) In addition to and in furtherance of the foregoing, each Term Loan Agent, in its capacity as a secured party (or as a purchaser, assignee or transferee, as applicable), and to the extent of its interest therein, hereby grants to each ABL Agent, effective upon the commencement of the Use Period, a nonexclusive, irrevocable, royalty-free, worldwide license to use any and all Intellectual Property now owned or hereafter acquired by the Grantors (except to the extent such grant is prohibited by any rule of law, statute or regulation), that is included as part of the Term Loan Priority Collateral (and including in such license, access to all media in which any of such licensed Intellectual Property are recorded or stored and to all computer software and programs used for the compilation or printout thereof) as is or may be necessary or advisable in such ABL Agent's reasonable judgment for such ABL Agent to process, ship, produce, store, supply, lease, complete, sell, liquidate or otherwise deal with the ABL Priority Collateral in existence on or prior to the last day of the Use Period (but not to commence new orders), or to collect or otherwise realize upon any Accounts in existence on or prior to the last day of the Use Period comprising ABL Priority Collateral, in each case, solely during the Use Period in connection with any Exercise of Secured Creditor Remedies; provided that (i) any such license shall automatically terminate upon the sale of all (but not less than all) of the ABL Priority Collateral and shall not extend or transfer to the purchaser of such ABL Priority Collateral, (ii) such ABL Agent's use of such Intellectual Property shall be reasonable and lawful, and (iii) any such license is granted on an "AS IS" basis, without any representation or warranty whatsoever (including any representation or warranty as to merchantability, fitness for a particular purpose or non-infringement). Each Term Loan Agent (i) acknowledges and consents to

the grant to each ABL Agent by the Loan Parties of the license referred to in the ABL Collateral Documents, and (ii) agrees that its Liens in the Term Loan Priority Collateral shall be subject in all respects to such license. Furthermore, each Term Loan Agent agrees that, in connection with any Exercise of Secured Creditor Remedies conducted by such Term Loan Agent in respect of Term Loan Priority Collateral, such Term Loan Agent shall provide written notice to any purchaser, assignee or transferee pursuant to an Exercise of Secured Creditor Remedies that the applicable assets are subject to such license.

(j) Each ABL Agent and each ABL Claimholder shall indemnify each Term Loan Agent and any Term Loan Claimholders for any injury or damage to persons or Term Loan Priority Collateral (other than (i) diminution in value (as opposed to actual physical damage) as a result of its removal of ABL Priority Collateral therefrom and (ii) ordinary wear and tear) caused by any act or omission of such ABL Agent or ABL Claimholder or its respective employees, agents and representatives in connection the exercise of its rights of access and the use under this Section 3.8 to the extent not covered by insurance. Each ABL Agent shall promptly repair, at such ABL Agent's expense, any physical damage to any Term Loan Priority Collateral to the extent caused by the occupation and/or use thereof by such ABL Agent or any of its respective ABL Claimholders or any of its or their respective employees, agents, advisers or representatives acting under the direction of such ABL Agent or its respective ABL Claimholder (other than (i) diminution in value (as opposed to actual physical damage) as a result of the removal of ABL Priority Collateral therefrom and (ii) ordinary wear and tear). Except to the extent expressly provided in this Section 3.8, no ABL Agent nor ABL Claimholder shall be obligated to secure, protect, insure or repair any such Term Loan Collateral. In no event shall any ABL Agent or any ABL Lender have any liability to any Term Loan Agent or any Term Loan Lender pursuant to this Section 3.8 or otherwise as a result of any condition on or with respect to the Term Loan Priority Collateral existing prior to the date of the exercise by such ABL Agent of its rights under this Section 3.8 or, to the extent not caused as a result of any act or omission of any ABL Agent, any ABL Claimholder or any of their respective employees, agents, advisers or representatives, and each ABL Agent and each ABL Claimholder shall have no duty or liability to maintain the Term Loan Priority Collateral in a condition or manner better than that in which it was maintained prior to the use thereof by such ABL Agent and/or such ABL Claimholder, as applicable. Each ABL Agent, for itself and on behalf of its respective ABL Claimholders, hereby acknowledges that, during the period that any Term Loan Agent has acquired control or possession of any Term Loan Collateral, neither any Term Loan Agent nor any other Term Loan Claimholder shall be obligated to take any action to protect or to procure insurance with respect to any ABL Priority Collateral, it being understood that neither any Term Loan Agent or any Term Loan Claimholder shall have any responsibility for loss or damage to ABL Priority Collateral (other than as a result of any gross negligence or willful misconduct of the Term Loan Agent or the Term Loan Claimholders or their agents).

(k) For the avoidance of doubt, and without limiting the generality of the other provisions of this Agreement, it is hereby acknowledged and agreed that each ABL Agent and each ABL Claimholder shall have the right to bring an action to enforce their rights under this Section 3.8 and Section 3.9, including an action seeking possession of the applicable Collateral and/or specific performance of this Section 3.8 and Section 3.9.

3.9 Sharing of Information and Access. In the event that any ABL Agent shall, in the exercise of its rights under any of the ABL Collateral Documents or otherwise, receive possession or control of any books and records of any Grantor which contain information identifying or pertaining to any of the Term Loan Priority Collateral, such ABL Agent shall, upon request from any Term Loan Agent and as promptly as practicable thereafter, either make available to such Term Loan Agent such books and records for inspection and duplication or provide to such Term Loan Agent copies thereof. In the event that any Term Loan Agent shall, in the exercise of its rights under any of the Term Loan Documents or otherwise, receive possession or control of any books and records of any Grantor which contain information identifying or pertaining to any of the ABL Priority Collateral, such Term Loan Agent shall, upon request from any ABL Agent and as promptly as practicable thereafter, either make available to such ABL Agent such books and records for inspection and duplication or provide to such ABL Agent copies thereof.

3.10 Tracing of and Priorities in Proceeds. Each ABL Agent, for itself and on behalf of its respective ABL Claimholders, and each Term Loan Agent, for itself and on behalf of its respective Term Loan Claimholders, further agree that prior to an issuance of any Enforcement Notice by such Claimholder, any proceeds of Collateral obtained in accordance with the terms of the ABL Documents and the Term Loan Documents, whether or not deposited in deposit accounts or securities accounts subject to control agreements, which are used by any Grantor to acquire other property which is Collateral shall not (solely as between the Claimholders) be treated as Proceeds of Collateral for purposes of determining the relative priorities in the Collateral which was so acquired. In addition, unless and until the Discharge of ABL Obligations occurs, each Term Loan Agent, for itself and on behalf of its respective Term Loan Claimholders, each hereby consents to the application of amounts received prior to the receipt by any ABL Agent of an Enforcement Notice issued by any Term Loan Agent, of cash or other proceeds of Collateral, deposited into deposit accounts or securities accounts, to the repayment of ABL Obligations pursuant to the applicable ABL Documents.

(c) Each ABL Agent acting pursuant to this Section 5.4 shall not have by reason of the ABL Collateral Documents, the Term Loan Collateral Documents, or this Agreement a fiduciary relationship in respect of any Term Loan Agent or any Term Loan Claimholder. Each Term Loan Agent acting pursuant to this Section 5.4 shall not have by reason of the ABL Collateral Documents, the Term Loan Collateral Documents, or this Agreement a fiduciary relationship in respect of any ABL Agent or any ABL Claimholder.

(d) Each ABL Agent shall transfer to the Term Loan Agents (i) any proceeds of any ABL Priority Collateral in which the Term Loan Agents continues to hold a Lien remaining following any sale, transfer or other disposition of such ABL Priority Collateral (in each case, unless such Term Loan Agent's Lien on all such ABL Priority Collateral is terminated and released prior to or concurrently with such sale, transfer, disposition, payment or satisfaction), following the Discharge of ABL Obligations, or (ii) if such ABL Agent is in possession of all or any part of such ABL Priority Collateral after the Discharge of ABL Obligations, such ABL Priority Collateral or any part thereof remaining, in each case without representation or warranty on the part of such ABL Agent or any ABL Claimholder. At such time, each ABL Agent further agrees to take all other action reasonably requested by the Term Loan Agents in writing at the expense of the Grantors (including amending any outstanding control agreements) to enable the Term Loan Agents to obtain a first priority Lien in the Collateral. To the extent no Term Loan Obligations that are secured by such Pledged Collateral remain outstanding as confirmed in writing by the Term Loan Agents (so as to allow such person to obtain possession or control of such Pledged Collateral), the ABL Agents shall deliver the remaining Pledged Collateral (if any) together with any necessary endorsements to the Grantors. Without limiting the foregoing, each Term Loan Agent agrees for itself and each of its respective Term Loan Claimholders that no ABL Agent nor any ABL Claimholder will have any duty or obligation first to marshal or realize upon the ABL Priority Collateral, or to sell, dispose of or otherwise liquidate all or any portion of the

ABL Priority Collateral, in any manner that would maximize the return to the Term Loan Claimholders, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by any Term Loan Claimholders from such realization, sale, disposition or liquidation.

(e) Each Term Loan Agent shall transfer to ABL Agents (i) any proceeds of any Term Loan Priority Collateral in which the ABL Agents continues to hold a Lien remaining following any sale, transfer or other disposition of such Term Loan Priority Collateral (in each case, unless such ABL Agent's Lien on all such Term Loan Priority Collateral is terminated and released prior to or concurrently with such sale, transfer, disposition, payment or satisfaction), following the Discharge of Term Loan Obligations, or (ii) if such Term Loan Agent is in possession of all or any part of such Term Loan Priority Collateral after the Discharge of Term Loan Obligations, such Term Loan Priority Collateral or any part thereof remaining, in each case without representation or warranty on the part of such Term Loan Agent or any Term Loan Claimholder. At such time, each Term Loan Agent further agrees to take all other action reasonably requested by the ABL Agents in writing at the expense of the Grantors (including amending any outstanding control agreements) to enable the ABL Agents to obtain a first priority Lien in the Collateral. To the extent no ABL Obligations that are secured by such Pledged Collateral remain outstanding as confirmed in writing by the ABL Agents (so as to allow such person to obtain possession or control of such Pledged Collateral), the Term Loan Agents shall deliver the remaining Pledged Collateral (if any) together with any necessary endorsements to the Grantors. Without limiting the foregoing, each ABL Agent agrees for itself and each of its respective ABL Claimholders that no Term Loan Agent nor any Term Loan Claimholder will have any duty or obligation first to marshal or realize upon the Term Loan Priority Collateral, or to sell, dispose of or otherwise liquidate all or any portion of the Term Loan Priority Collateral, in any manner that would maximize the return to the ABL Claimholders, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by any ABL Claimholders from such realization, sale, disposition or liquidation.

5.5 When Discharge of Obligations Deemed to Not Have Occurred.

(a) If the Grantors enter into any Refinancing of the ABL Obligations that is intended to be secured by the ABL Priority Collateral on a first-priority basis, then a Discharge of ABL Obligations shall be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Refinancing of such ABL Obligations shall be treated as ABL Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the lender or group of lenders or any of their designees under the ABL Documents effecting such Refinancing shall be ABL Agent for all purposes of this Agreement. The lender or group of lenders or any of their designees under such ABL Documents shall agree (in a writing addressed to each Term Loan Agent for the benefit of itself and its respective Term Loan Claimholders) to be bound by the terms of this Agreement.

(b) If the Grantors enter into any Refinancing of the Term Loan Obligations that is intended to be secured by the Term Loan Priority Collateral on a first-priority basis, then a Discharge of Term Loan Obligations shall be deemed not to have occurred for all purposes of this Agreement, and the obligations under such Refinancing

of such Term Loan Obligations shall be treated as Term Loan Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the lender or group of lenders or any of their designees under the Term Loan Documents effecting such Refinancing shall be Term Loan Agent for all purposes of this Agreement. The lender or group of lenders or any of their designees under such Term Loan Documents shall agree (in a writing addressed to each ABL Agent for the benefit of itself and its respective ABL Claimholders) to be bound by the terms of this Agreement.

5.6 Injunctive Relief. Should any Claimholder in any way take, attempt to, or threaten to take any action contrary to terms of this Agreement with respect to the Collateral, or fail to take any action required by this Agreement, each Term Loan Agent, each ABL Agent or any other Claimholder may obtain relief against such Claimholder by injunction, specific performance, or other appropriate equitable relief, it being understood and agreed by each ABL Agent, each Term Loan Agent and each Claimholder that (a) non-breaching Claimholders' damages from such actions may at that time be difficult to ascertain and may be irreparable, and (b) each Claimholder waives any defense that such Claimholders cannot demonstrate damage and/or be made whole by the awarding of damages. Each ABL Agent, each Term Loan Agent and each Claimholder hereby irrevocably waive any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by any ABL Agent, ABL Claimholder, Term Loan Agent, or Term Loan Claimholder, as the case may be.

SECTION 6. Insolvency Proceedings.

6.1 Enforceability and Continuing Priority. This Agreement shall be applicable, in respect of any Debtor, except as otherwise provided in the Orders, during the Cases, any CCAA Debtor, during the CCAA Cases, and in respect of any Grantor that is not a Debtor or a CCAA Debtor, both before and after the commencement of any Insolvency Proceeding, and all converted or succeeding cases in respect thereof. The relative rights of Claimholders in or to any distributions from or in respect of any Collateral or Proceeds of Collateral, shall continue after the commencement of any Insolvency Proceeding. Accordingly, the provisions of this Agreement (including the provisions of Section 2.1 hereof) are intended to be and shall be enforceable as a subordination agreement within the meaning of Section 510(a) of the Bankruptcy Code and any equivalent provision of the CCAA. All references in this Agreement to any person that is a Grantor will include such person as a debtor-in-possession and any receiver or trustee for such person in an Insolvency Proceeding.

6.2 Sales.

(a) Until the Discharge of ABL Obligations, each Term Loan Agent, for itself and its respective Term Loan Claimholders, agree that such Term Loan Claimholders will not object or oppose (or support, any person in objecting or opposing), and will be deemed to have consented to pursuant to Section 363(f) of the Bankruptcy Code or any similar provisions under the CCAA or any other applicable Bankruptcy Laws, (i) a motion to sell or otherwise dispose of any ABL Priority Collateral under Sections 363, 365 or 1129 of the Bankruptcy Code or any similar provisions under the CCAA or any other applicable Bankruptcy Laws, free and clear of any Liens or other claims, (ii) a motion establishing notice, sale or bidding procedures for such Disposition (including any break-up fee or other bidder protections) or (iii) a motion to permit a credit bid of all or any portion of the claims of the ABL Claimholders under Section 363(k) of the Bankruptcy Code or any similar provisions under the CCAA or any other applicable Bankruptcy Laws, in each case, if the ABL Agent has consented to such sale or

Disposition of such ABL Priority Collateral; provided that (x) the terms of any proposed order approving such transaction provide for the parties' respective Liens to attach to the proceeds of the ABL Priority Collateral that is the subject of such sale or Disposition, subject to the lien priorities set forth in Section 2.1 and the other terms and conditions of this Agreement, or such proceeds are applied among the ABL Obligations and the Term Loan Obligations in accordance with Section 4.1; and (y) such motion to sell or otherwise dispose of any ABL Priority Collateral does not impair the rights of the Term Loan Claimholders under Section 363(k) of the Bankruptcy Code or any similar provisions under the CCAA or any other applicable Bankruptcy Laws (except that the Term Loan Claimholders will be permitted to "credit bid" their claims (including under Section 363, 365 or 1129 of the Bankruptcy Code, or any similar provisions under the CCAA or any other applicable Bankruptcy Laws) in such sale only if any such credit bid submitted on account of Term Obligations results in the Discharge of ABL Obligations). Each Term Loan Agent for itself and its respective Term Loan Claimholders further agrees that it will not object to or oppose, or support any party in opposing, the right of the ABL Claimholders to credit bid under Section 363(k) of the Bankruptcy Code or any similar provisions under the CCAA or any other applicable Bankruptcy Laws with respect to the ABL Priority Collateral, subject to the provision of the immediately preceding sentence; provided that the Term Loan Claimholders shall not be deemed to have agreed to any credit bid by other Claimholders in connection with a single sale of both Term Loan Priority Collateral and ABL Priority Collateral.

(b) Until the Discharge of Term Loan Obligations, each ABL Agent, for itself and its respective ABL Claimholders, agree that such ABL Claimholders will not object or oppose (or support any person in objecting or opposing), and will be deemed to have consented to pursuant to Section 363(f) of the Bankruptcy Code or any similar provisions under the CCAA or any other applicable Bankruptcy Laws, (i) a motion to sell or otherwise dispose of any Term Loan Priority Collateral under Sections 363, 365 or 1129 of the Bankruptcy Code or any similar provisions under the CCAA or any other applicable Bankruptcy Laws, free and clear of any Liens or other claims, (ii) a motion establishing notice, sale or bidding procedures for such Disposition (including any break-up fee or other bidder protections) or (iii) a motion to permit a credit bid of all or any portion of the claims of the Term Loan Claimholders under Section 363(k) of the Bankruptcy Code or any similar provisions under the CCAA or any other applicable Bankruptcy Laws, in each case, if the Term Loan Agent has consented to such sale or Disposition of such Term Loan Priority Collateral; provided that (x) the terms of any proposed order approving such transaction provide for the parties' respective Liens to attach to the proceeds of the Term Loan Priority Collateral that is the subject of such sale or Disposition, subject to the lien priorities set forth in Section 2.1 and the other terms and conditions of this Agreement, or such proceeds are applied among the ABL Obligations and the Term Loan Obligations in accordance with Section 4.1; and (y) such motion to sell or otherwise dispose of any Term Loan Priority Collateral does not impair the rights of the ABL Claimholders under Section 363(k) of the Bankruptcy Code or any similar provisions under the CCAA or any other applicable Bankruptcy Laws (except that the ABL Claimholders will be permitted to "credit bid" their claims (including under Section 363, 365 or 1129 of the Bankruptcy Code, or any similar provisions under the CCAA or any other applicable Bankruptcy Laws) in such sale only if any such credit bid submitted on account of ABL Obligations results in the Discharge of Term Loan Obligations). Each ABL Agent for itself and its respective ABL Claimholders further agrees that it will not object to or oppose, or support any party in opposing, the right of the Term Loan Claimholders to credit bid under Section 363(k) of the Bankruptcy Code

or any similar provision under the CCAA or any other applicable Bankruptcy Laws with respect to the Term Loan Priority Collateral, subject to the provision of the immediately preceding sentence; provided that the ABL Claimholders shall not be deemed to have agreed to any credit bid by other Claimholders in connection with a single sale of both ABL Priority Collateral and Term Loan Priority Collateral.

6.3 Interest, Fees, Etc.

(a) Until the Discharge of ABL Obligations has occurred, the Term Loan Claimholders agree not to oppose or seek to challenge any claim by an ABL Claimholder for allowance or payment in the Cases, the CCAA Cases or any future Insolvency Proceeding of any interest on ABL Obligations or any other fees, costs or expenses in connection thereto.

(b) Until the Discharge of Term Loan Obligations has occurred, the ABL Claimholders agree not to oppose or seek to challenge any claim by a Term Loan Claimholder for allowance or payment in the Cases, the CCAA Cases or any future Insolvency Proceeding of any interest on Term Loan Obligations or any other fees, costs or expenses in connection thereto.

6.4 Avoidance Issues. If any Claimholder is required in any of the Cases, the CCAA Cases, any Insolvency Proceeding in respect of any Grantor that is not a Debtor or a CCAA Debtor or any converted or succeeding cases in respect thereof to turn over, disgorge or otherwise pay to the estate of any Grantor any amount paid in respect of the Obligations of such Claimholder (a "**Recovery**"), then such Claimholders shall be entitled to a reinstatement of the applicable Obligations with respect to all such recovered amounts, and all rights, interests, priorities and privileges recognized in this Agreement shall apply with respect to any such Recovery. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair, or otherwise affect the obligations of the parties hereto from such date of reinstatement.

SECTION 7. Reliance; Waivers; Etc.

7.1 Reliance. Other than any reliance on the terms of this Agreement, each ABL Agent, on behalf of its respective ABL Claimholders, acknowledges that it and such ABL Claimholders have, independently and without reliance on any other Agent or any other Claimholders, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into such ABL Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the ABL Documents or this Agreement. Other than any reliance on the terms of this Agreement, each Term Loan Agent, on behalf of its respective Term Loan Claimholders, acknowledges that it and such Term Loan Claimholders have, independently and without reliance on any other Agent or any other Claimholder, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Term Loan Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Term Loan Documents or this Agreement.

7.2 No Warranties or Liability. Each ABL Agent, on behalf of its respective ABL Claimholders, acknowledges and agrees that each Term Loan Agent and each Term Loan Claimholder has made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability, or enforceability of any of the Term Loan Documents, the ownership by any Grantor of any Collateral, or the perfection or priority of any Liens thereon. Except as otherwise

expressly provided herein, each Term Loan Agent and the other Term Loan Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the Term Loan Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. Each Term Loan Agent, on behalf of its respective Term Loan Claimholders, acknowledges and agrees that each ABL Agent and each ABL Claimholder has made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability, or enforceability of any of the ABL Documents, the ownership of any Collateral, or the perfection or priority of any Liens thereon. Except as otherwise expressly provided herein, each ABL Agent and the other ABL Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under their respective ABL Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. For the avoidance of doubt, neither any ABL Agent nor any ABL Claimholder shall have any liability of any kind or nature to any Term Loan Agent or any Term Loan Claimholder for making any loans, issuing any letters of credit or making any other extensions of credit available to any Loan Party in accordance with the provisions of the DIP ABL Credit Agreement and this Agreement, regardless of whether the foregoing is permitted under the DIP Term Loan Agreement or would result in a Term Loan Default, and each Term Agent, on behalf of each Term Loan Claimholder, hereby irrevocably waives and releases any and all such claims. Except as expressly provided herein, each Term Loan Agent and each Term Loan Claimholder shall have no duty to any ABL Agent or any ABL Claimholders, and each ABL Agent and each ABL Claimholder shall have no duty to any Term Loan Agent or any Term Loan Claimholders, to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreements with any Grantor (including the ABL Documents and the Term Loan Documents), regardless of any knowledge thereof which they may have or be charged with. Each Term Loan Agent hereby waives to the fullest extent permitted by law any claim that may be had against any ABL Agent or any ABL Claimholder arising out of any actions which the such ABL Agent or such ABL Claimholder take or omit to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the ABL Obligations from any account debtor, guarantor or any other party), or the valuation, use, protection or release of any security for such ABL Obligations. Each ABL Agent hereby waives to the fullest extent permitted by law any claim that may be had against any Term Loan Agent or any Term Loan Claimholder arising out of any actions which such Term Loan Agent or such Term Loan Claimholder take or omit to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Term Loan Obligations from any account debtor, guarantor or any other party), or the valuation, use, protection or release of any security for such Term Loan Obligations.

7.3 No Waiver of Lien Priorities.

(a) No right of any ABL Claimholder, any ABL Agent or any of them to enforce any provision of this Agreement or any ABL Document shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act by any ABL Claimholder or any ABL Agent, or by any noncompliance by any person with the terms, provisions, and covenants of this Agreement, any of the ABL Documents or any of the Term Loan Documents, regardless of any knowledge thereof which such ABL Agent or such ABL Claimholders, or any of them, may have or be otherwise charged with. No right of any Term Loan Claimholder, any Term Loan Agent or any of them to enforce any provision of this Agreement or any Term Loan Document shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act by any Term Loan Claimholder or any Term Loan Agent, or by any noncompliance by any person

with the terms, provisions, and covenants of this Agreement, any of the Term Loan Documents or any of the ABL Documents, regardless of any knowledge thereof which such Term Loan Agent or such Term Loan Claimholders, or any of them, may have or be otherwise charged with.

(b) Without in any way limiting the generality of the foregoing paragraph (a) (but subject to any rights of Grantors under the ABL Documents and the Term Loan Documents and subject to the provisions of Section 5.3(a)), each ABL Claimholder, each ABL Agent and any of them may, at any time and from time to time in accordance with the ABL Documents and/or applicable law, without the consent of, or notice to, any Term Loan Agent or any Term Loan Claimholders, without incurring any liabilities to any Term Loan Agent or any Term Loan Claimholders and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy of any Term Loan Agent or any Term Loan Claimholders is affected, impaired, or extinguished thereby) do any one or more of the following without the prior written consent of any Term Loan Agent or any Term Loan Claimholders:

(i) change the manner, place, or terms of payment or change or extend the time of payment of, or amend, renew, exchange, increase, or alter, the terms of any of the ABL Obligations or any Lien on any ABL Collateral or guarantee thereof or any liability of any Grantor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the ABL Obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify, or supplement in any manner any Liens held by any ABL Agent or any ABL Claimholders, the ABL Obligations, or any of the ABL Documents;

(ii) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the ABL Priority Collateral or any liability of any Grantor to any ABL Claimholder or any ABL Agent, or any liability incurred directly or indirectly in respect thereof;

(iii) settle or compromise any ABL Obligation or any other liability of any Grantor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability (including the ABL Obligations) in any manner or order that is not inconsistent with the terms of this Agreement; and

(iv) exercise or delay in or refrain from exercising any right or remedy against any Grantor or any other person, elect any remedy and otherwise deal freely with any Grantor or any ABL Priority Collateral and any security and any guarantor or any liability of any Grantor to any ABL Agent or any ABL Claimholder or any liability incurred directly or indirectly in respect thereof.

(c) Except as otherwise provided herein, each Term Loan Agent also agrees that each ABL Claimholder and each ABL Agent shall have no liability to

any Term Loan Agent or any Term Loan Claimholders, and each Term Loan Agent hereby waives any claim against any ABL Claimholder or any ABL Agent, arising out of any and all actions which any ABL Claimholders or any ABL Agent may, pursuant to the terms hereof, take, permit or omit to take with respect to:

(i) the ABL Documents;

(ii) the collection of the ABL Obligations; or

(iii) the foreclosure upon, or sale, liquidation, or other Disposition of, or the failure to foreclose upon, or sell, liquidate, or otherwise Dispose of, any ABL Priority Collateral. Each Term Loan Agent agrees that each ABL Claimholder and each ABL Agent has no duty to them in respect of the maintenance or preservation of the ABL Priority Collateral, the ABL Obligations, or otherwise.

(d) Without in any way limiting the generality of the foregoing paragraph (a) (but subject to any rights of Grantors under the Term Loan Documents and subject to the provisions of Section 5.3(b)), each Term Loan Claimholder, each Term Loan Agent and any of them may, at any time and from time to time in accordance with the Term Loan Documents and/or applicable law, without the consent of, or notice to, any ABL Agent or any ABL Claimholders, without incurring any liabilities to any ABL Agent or any ABL Claimholders and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy of any ABL Agent or any ABL Claimholders is affected, impaired, or extinguished thereby) do any one or more of the following without the prior written consent of any ABL Agent or any ABL Claimholders:

(i) change the manner, place, or terms of payment or change or extend the time of payment of, or amend, renew, exchange, increase, or alter, the terms of any of the Term Loan Obligations or any Lien on any Term Loan Collateral or guarantee thereof or any liability of any Grantor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the Term Loan Obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify, or supplement in any manner any Liens held by any Term Loan Agent or any Term Loan Claimholders, the Term Loan Obligations, or any of the Term Loan Documents;

(ii) subject to Section 3.8, sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the Term Loan Priority Collateral or any liability of any Grantor to any Term Loan Claimholder or any Term Loan Agent, or any liability incurred directly or indirectly in respect thereof;

(iii) settle or compromise any Term Loan Obligation or any other liability of any Grantor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability (including the Term

Loan Obligations) in any manner or order that is not inconsistent with the terms of this Agreement; and

(iv) exercise or delay in or refrain from exercising any right or remedy against any Grantor or any other person, elect any remedy and otherwise deal freely with any Grantor or any Term Loan Priority Collateral and any security and any guarantor or any liability of any Grantor to any Term Loan Agent or any Term Loan Claimholder or any liability incurred directly or indirectly in respect thereof.

(e) Except as otherwise provided herein, each ABL Agent also agrees that each Term Loan Claimholder and each Term Loan Agent shall have no liability to any ABL Agent or any ABL Claimholders, and each ABL Agent hereby waives any claim against any Term Loan Claimholder or any Term Loan Agent, arising out of any and all actions which any Term Loan Claimholders or any Term Loan Agent may, pursuant to the terms hereof, take, permit or omit to take with respect to:

(i) the Term Loan Documents;

(ii) the collection of the Term Loan Obligations; or

(iii) the foreclosure upon, or sale, liquidation, or other Disposition of, or the failure to foreclose upon, or sell, liquidate, or otherwise Dispose of, any Term Loan Priority Collateral. Each ABL Agent agrees that each Term Loan Claimholder and each Term Loan Agent has no duty to them in respect of the maintenance or preservation of the Term Loan Priority Collateral, the Term Loan Obligations, or otherwise.

(f) Until the Discharge of ABL Obligations and the Discharge of Term Loan Obligations, each ABL Agent and each Term Loan Agent agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead, or otherwise assert, or otherwise claim the benefit of, any marshaling, appraisal, valuation, or other similar right that may otherwise be available under applicable law with respect to each other Agent's Priority Collateral or any other similar rights a junior secured creditor may have under applicable law.

7.4 Obligations Unconditional. For so long as this Agreement is in full force and effect, all rights, interests, agreements and obligations of each ABL Agent, each ABL Claimholder, each Term Loan Agent and each Term Loan Claimholder, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any ABL Documents or any Term Loan Documents or any reversal, vacating, stay, modification or amendment of the Orders;

(b) except as otherwise expressly restricted in this Agreement, any change in the time, manner, or place of payment of, or in any other terms of, all or any of the ABL Obligations or Term Loan Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any ABL Document or any Term Loan Document;

(c) except as otherwise expressly restricted in this Agreement, any exchange, release, voiding, avoidance or non perfection of any Lien in any Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the ABL Obligations or Term Loan Obligations or any guarantee thereof;

(d) the status (including the dismissal or conversion to chapter 7 under the Bankruptcy Code) of any of the Cases or the CCAA Cases, or the commencement of any Insolvency Proceeding in respect of any Grantor that is not a Debtor or a CCAA Debtor; or

(e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, any Grantor in respect of each ABL Agent, the ABL Obligations, any ABL Claimholder, each Term Loan Agent, the Term Loan Obligations or any Term Loan Claimholder in respect of this Agreement.

SECTION 8. Representations and Warranties.

8.1 Representations and Warranties of Each Party. Each party hereto represents and warrants to the other parties hereto as follows:

(a) Such party is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has all requisite power and authority to execute and deliver this Agreement and to perform its obligations hereunder;

(b) This Agreement has been duly executed and delivered by such party and constitutes a legal, valid and binding obligation of such party, enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law); and

(c) The execution, delivery, and performance by such party of this Agreement (i) do not require any consent or approval of, registration or filing with or any other action by any governmental authority and (ii) will not violate any provision of law, statute, rule or regulation, or of the certificate or articles of incorporation or other constitutive documents or by-laws of such party or any order of any governmental authority or any provision of any agreement or other instrument binding upon such party.

8.2 Representations and Warranties of Each Agent. Each Agent each represents and warrants to the other that it has been authorized by the ABL Claimholders or the Term Loan Claimholders, as applicable, under the ABL Loans Documents or the Term Loan Documents, as applicable, to enter into this Agreement and that each of the agreements, covenants, waivers, and other provisions hereof is valid, binding, and enforceable against the other ABL Claimholders or the other Term Loan Claimholders, as applicable, as fully as if they were parties hereto, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law).

SECTION 9. Miscellaneous.

9.1 Conflicts. Except to the extent expressly provided in Section 9.15, in the event of any conflict between the provisions of this Agreement and the provisions of any of the ABL Documents or any of the Term Loan Documents, the provisions of this Agreement shall govern and control.

9.2 Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement of lien subordination (as opposed to debt or claim subordination) and the Claimholders may continue, at any time and without notice to any Agent or any other Claimholder, to extend credit and other financial accommodations to or for the benefit of any Grantor constituting ABL Obligations or Term Loan Obligations, as applicable, in reliance hereof. Each Term Loan Agent and each ABL Agent hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency Proceeding (including but not limited to the Cases and the CCAA Cases). Consistent with, but not in limitation of, the preceding sentence, each ABL Agent and each Term Loan Agent, on behalf of the applicable Claimholders, irrevocably acknowledges that this Agreement constitutes a "subordination agreement" within the meaning of both New York law and Section 510(a) of the Bankruptcy Code or any similar provision under the CCAA. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. All references to any Grantor shall include such Grantor as debtor and debtor-in-possession and any receiver or trustee for such Grantor in, as applicable, the Cases, the CCAA Cases or any other Insolvency Proceeding. This Agreement shall terminate and be of no further force and effect:

(a) with respect to any ABL Agent, any ABL Claimholder, and the ABL Obligations, on the date that the Discharge of ABL Obligations has occurred; and

(b) with respect to any Term Loan Agent, any Term Loan Claimholder, and the Term Loan Obligations, on the date that the Discharge of Term Loan Obligations has occurred.

9.3 Amendments; Waivers. Except as provided in the last sentence of this Section, no amendment, modification, or waiver of any of the provisions of this Agreement shall be effective unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Any amendments, modifications or waivers can be effected by any ABL Agent, at the direction of the requisite ABL Claimholders under the ABL Documents, and by any Term Loan Agent, at the direction of the requisite Term Loan Claimholders under the Term Loan Documents. Notwithstanding the foregoing, no Grantor shall have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent its rights under the ABL Documents, the Term Loan Documents or this Agreement are directly affected. 9.12 Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement or any document or instrument delivered in connection herewith by telecopy shall be effective

9.14 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of each ABL Agent and ABL Claimholders on the one hand and each Term Loan Agent and Term Loan Claimholders on the other hand. No Grantor or any other creditor thereof shall have any rights hereunder and no Grantor may rely on the terms hereof. Nothing in this Agreement shall impair, as between Grantors and each ABL Agent and its respective ABL Claimholders, or as between Grantors and each Term Loan Agent and its respective Term Loan Claimholders, the obligations of Grantors, which are absolute and unconditional, to pay principal, interest, fees and other amounts as provided in the ABL Documents and the Term Loan Documents, respectively, including as and when the same shall become due and payable in accordance with their terms.

SECTION 10. Term Loan Claimholder Purchase Option.

10.1 Right to Purchase; Purchase Notice. Upon the occurrence and during the continuation of a Purchase Triggering Event or at any time following an Excess ABL Purchase Triggering Event, then, in any such case, any one or more of the Term Loan Claimholders (acting in their individual capacity or through one or more affiliates) designated by holders of more than 50% of the aggregate outstanding principal amount of the Term Loan Obligations shall have the right, but not the obligation, to purchase (at par) all (but not less than all) of the ABL Priority Obligations pursuant to this Section 10.1. In order to exercise such purchase option, the Term Loan Agent or the designated Term Loan Claimholders shall deliver a written notice (a "**Purchase Notice**") to each ABL Agent, which Purchase Notice shall (A) be signed by the designated Term Loan Claimholders committing to such purchase (the "**Purchasing Creditors**") and indicate the percentage of the ABL Priority Obligations to be purchased by each Purchasing Creditor (which aggregate commitments must add up to 100% of the ABL Priority Obligations),

Upon receipt of a Purchase Notice by the ABL Agents, the Purchasing Creditors shall have from the date of delivery thereof to and including the date that is fifteen (15) Business Days after the Purchase Notice was received by the ABL Agents to consummate such purchase of all (but not less than all) of the ABL Priority Obligations pursuant to this Section 10 (the date of such purchase, the "**Purchase Date**"). The Purchase Notice, if given, shall be irrevocable.

10.2 Notice to Term Loan Claimholders. Each Term Loan Agent, on behalf of its respective Term Loan Claimholders, solely as among themselves, agrees that upon the occurrence of any Purchase Triggering Event or any Excess ABL Purchase Triggering Event, each Term Loan Agent shall send a notice to all its respective Term Loan Claimholders giving each Term Loan Claimholder the option to purchase at least its pro rata share of the ABL Priority Obligations. No Term Loan Claimholder shall be required to participate in any purchase offer hereunder, and each Term Loan Claimholder acknowledges and agrees that a purchase offer may be made by any or all of the Term Loan Claimholders, subject to the requirements of the preceding sentence and Section 10.1.

10.3 Purchase Price, Cash Collateral, Assumption of Commitments, Etc. On the Purchase Date, the ABL Claimholders shall sell to the Purchasing Creditors and the Purchasing Creditors shall purchase from the ABL Claimholders, all (but not less than all) of the ABL Priority Obligations. On the Purchase Date, the Purchasing Creditors shall:

(a) pay to ABL Agents, for the benefit of their respective ABL Claimholders, as the purchase price therefor, the full amount of all the ABL Priority Obligations then outstanding and unpaid, other than (i) indemnification and reimbursement obligations for which no claim or demand for payment has been threatened or asserted, in each case in writing, at such time, and (ii) ABL Priority Obligations cash collateralized in accordance with clause (b) below,

(b) furnish cash collateral to each ABL Agent in an amount equal to the sum of (A) 105% (or 115% in the case of letters of credit denominated in a currency other than U.S. Dollars that are not cash collateralized in such other currency) of the aggregate undrawn amount of any issued and outstanding letters of credit (such cash collateral shall be applied to the reimbursement of any drawing under a letter of credit as and when such drawing is paid and, if a letter of credit expires undrawn or not fully drawn, the cash collateral held by such ABL Agent in respect of such letter of credit shall be remitted to the Term Loan Agents for the benefit of the Purchasing Creditors), plus (B) an amount as such ABL Agent determines is reasonably necessary to secure such ABL Agent and its respective ABL Claimholders in respect of any outstanding ABL Bank Product Obligations (such cash collateral shall be applied to the reimbursement of such ABL Bank Product Obligations as and when such obligations become due and payable and, at such time as all of such ABL Bank Product Obligations are paid in full (other than indemnification and reimbursement obligations for which no claim or demand for payment has been threatened or asserted, in each case in writing), the remaining cash collateral held by such ABL Agent in respect of such ABL Bank Product

Obligations shall be remitted to the Term Loan Agents for the benefit of the Purchasing Creditors), plus (C) any claims demands, actions, suits, proceedings, investigations, liabilities, fines, costs, penalties, damages or other indemnification obligations that are threatened or asserted, in each case in writing, and the subject of the indemnification provisions of the DIP ABL Credit Agreement and Pre-Petition ABL Credit Agreement (such cash collateral shall be applied to the reimbursement of such obligations as and when they become due and payable and, at such time as all of such obligations are paid in full, the remaining cash collateral held by such ABL Agent in respect of indemnification obligations shall be remitted to the Term Loan Agents for the benefit of the Purchasing Creditors),

(c) assume the remaining commitments (if any) of the ABL Claimholders to extend credit under the DIP ABL Credit Agreement and Pre-Petition ABL Credit Agreement,

(d) pay to ABL Agents and the other ABL Claimholders the amount of all expenses to the extent incurred, earned and due and payable in accordance with the ABL Documents (including the reimbursement of attorneys fees, financial examination expenses, and appraisal fees), and

(e) agree to reimburse the ABL Agents and the other ABL Claimholders for any loss, cost, damage or expense (including reasonable and documented out-of-pocket attorneys' fees and legal expenses) in connection with any commissions, fees, costs or expenses related to any issued and outstanding letters of credit, banker's acceptances and similar instruments as described above and any checks or other payments provisionally credited to the ABL Priority Obligations, and/or as to which such ABL Agent and its respective ABL Claimholders have not yet received final payment.

10.4 Remittance. Such purchase price and cash collateral shall be remitted by wire transfer of federal funds to such bank account of the ABL Agents as ABL Agents may designate in writing to the Term Loan Agents for such purpose. Interest shall be calculated to but excluding the Business Day on which such purchase and sale shall occur if the amounts so paid by the Purchasing Creditors to the bank account designated by such ABL Agent are received in such bank account prior to 2:00 p.m., New York time, and interest shall be calculated to and including such Business Day if the amounts so paid by the Purchasing Creditors to the bank account designated by such ABL Agent are received in such bank account later than 2:00 p.m., New York time.

10.5 Purchase Documentation. Such purchase shall be effected by the execution and delivery of a customary form of assignment and acceptance agreement and shall be expressly made without representation or warranty of any kind by any ABL Agent and the other ABL Claimholders as to the ABL Priority Obligations so purchased, or otherwise, and without recourse to any ABL Agent or any other ABL Claimholder, except that each ABL Claimholder shall represent and warrant: (i) that the amount quoted by such ABL Claimholder as its portion of the purchase price represents the amount shown as owing with respect to the claims transferred as reflected on its books and records, (ii) it owns, or has the right to transfer to the Purchasing Creditors, the rights being transferred, and (iii) such transfer will be free and clear of Liens.

10.6 Resignation Rights. In the event that any one or more of the Purchasing Creditors exercises and consummates the purchase option set forth in this Section 10, (i) each ABL Agent and each Issuing Bank (as defined in the DIP ABL Credit Agreement and Pre-Petition ABL Credit Agreement) and

Swingline Lender (as defined in the DIP ABL Credit Agreement and Pre-Petition ABL Credit Agreement) shall have the right, but not the obligation, to immediately resign under the as defined in the DIP ABL Credit Agreement and Pre-Petition ABL Credit Agreement, as applicable, and (ii) the Purchasing Creditors shall have the right, but not the obligation, to require each ABL Agent, each Issuing Bank and each Swingline Lender to immediately resign under the DIP ABL Credit Agreement and Pre-Petition ABL Credit Agreement, as applicable.

10.7 Exercise any Secured Creditor Remedies Following Purchase Notice. During the period following receipt of a Purchase Notice and continuing through and including the Purchase Date, each ABL Agent shall not, without the prior written consent of the Term Loan Agents, unless Exigent Circumstances exist in which case no such consent shall be required (provided, each ABL Agent shall use commercially reasonable efforts to the extent practicable to consult with the Term Loan Agent in respect thereof), (x) Exercise any Secured Creditor Remedies consisting of a foreclosure or other Disposition of all or a material portion of the ABL Priority Collateral or (y) make any Overadvance or any Protective Advance (in each case, as defined in the ABL Documents), except to the extent resulting from any Advance made to fund the payment of accrued interest, fees or Lender Group Expenses (as such term is defined in the DIP ABL Credit Agreement) that are due and payable; provided that, if for any reason, the Purchasing Creditors shall fail to complete the purchase of the ABL Priority Obligations by the date set forth in the Purchase Notice, each ABL Agent shall be entitled to immediately commence (or to continue) any Exercise of Secured Creditor Remedies in respect of the ABL Priority Collateral.

10.8 ABL Retained Interest. In the event that any one or more of the Purchasing Creditors exercises and consummates the purchase option set forth in this Section 10, (a) the ABL Claimholders shall retain their indemnification and reimbursement rights under the ABL Documents for actions or other matters arising on or prior to the date of such purchase, and (b) and in the event that, at the time of such purchase, there exists Excess ABL Obligations, the consummation of such purchase option shall not include (nor shall the purchase price be calculated with respect to) such Excess ABL Obligations (clauses (a) and (b), the "**ABL Retained Interest**"). In the event that an ABL Retained Interest exists, each Grantor and each ABL Claimholder shall, at the request of the Purchasing Creditors, execute an amendment to the DIP ABL Credit Agreement or the Pre-Petition ABL Credit Agreement acknowledging and agreeing that such ABL Retained Interest consisting of Excess ABL Obligations is a last-out tranche of the ABL Obligations, payable after payment in full of all of the ABL Priority Obligations and subject to the terms of this Agreement with respect to the Term Loan Obligations. Interest with respect to such ABL Retained Interest consisting of Excess ABL Obligations shall continue to accrue and be payable in accordance with the terms of the ABL Documents, the ABL Retained Interest shall continue to be secured by the Collateral, and the ABL Retained Interest shall be paid (or cash collateralized, as applicable) in accordance with the terms of the ABL Documents and this Agreement. Each ABL Claimholder shall continue to have all rights and remedies of a lender under the applicable ABL Documents; provided, that no ABL Lender shall have any right to vote on, or otherwise consent to (in each case in respect of its interest in the ABL Retained Interest), any amendment, waiver, departure from, or other modification of any provision of any ABL Document, except that (i) the consent of each such ABL Lender shall be required for those matters that, under the DIP ABL Credit Agreement and Pre-Petition ABL Credit Agreement that require the agreement or consent of all applicable ABL Lenders party thereto or all ABL Lenders directly and adversely affected thereby, and (ii) the consent of each of the ABL Lenders that hold a portion of the ABL Retained Interest shall be required for any amendment, waiver, departure from, or other modification of any provision of any ABL Document that is inconsistent with the priorities or other provisions set forth in this Agreement with respect to the ABL Retained Interest.

defined in the Prepetition Indenture), Dean Foods issued 6.50% Senior Notes due March 15, 2023 in an aggregate principal amount of $700,000,000.

(iv) Intercreditor Agreement. The respective rights of the Prepetition Secured Parties, on the one hand, and the Receivables Purchasers and Receivables Sellers, on the other hand, to, and the priority of their respective rights to and security interests in, the Lender Collateral and the Securitization Assets (each as defined therein), are set forth in that certain Intercreditor Agreement, dated as of February 22, 2019, among certain of the Debtors, the Prepetition Agent and the Receivables Financing Agent (as amended, amended and restated, waived, supplemented and/or modified from time to time, the "Intercreditor Agreement").

F. **Stipulations as to Prepetition Obligations**. Without limiting the rights of a Committee (if any is appointed) or any other party in interest, in each case, with standing and requisite authority, as and to the extent set forth in paragraph 6 hereof, the Debtors permanently, immediately, and irrevocably acknowledge, represent, stipulate and agree:

(i) Prepetition Obligations.

(a) As of the Petition Date, the Prepetition Loan Parties were justly and lawfully indebted and liable to the Prepetition Secured Parties under the Prepetition Loan Documents, without objection, defense, counterclaim or offset of any kind, in the aggregate principal amount of not less than $188,800,000 on account of outstanding Loans under (and as defined in) the Prepetition Revolving Credit Agreement (the "Prepetition Revolving Loans"), plus all accrued and unpaid interest thereon, and any fees, expenses, indemnification obligations, guarantee obligations, reimbursement obligations, including, without limitation, any

attorneys', accountants', consultants', appraisers' and financial and other advisors' fees that are chargeable to or reimbursable by the Prepetition Loan Parties, and all other Obligations under (and as defined in) the Prepetition Revolving Credit Agreement (collectively, the "Prepetition Obligations").

(b) **Enforceability of the Prepetition Obligations.** (i) The Prepetition Obligations constitute legal, valid, binding, non-avoidable obligations of the Prepetition Loan Parties enforceable in accordance with the terms of the applicable Prepetition Loan Documents, and (ii) no offsets, recoupments, challenges, contests, attacks, objections, defenses, claims or counterclaims of any kind or nature to any of the Prepetition Liens or the Prepetition Obligations exist, and no portion of the Prepetition Liens or the Prepetition Obligations is subject to any challenge, cause of action, or defense, including avoidance, disallowance, disgorgement, subordination (equitable or otherwise), re-characterization, or other challenge of any kind or nature under the Bankruptcy Code, applicable non-bankruptcy law or otherwise.

(c) **Enforceability of Prepetition Liens.** The Prepetition Liens granted by the Prepetition Secured Parties, to or for the benefit of the Prepetition Agent and the other Prepetition Loan Parties, as security for the Prepetition Obligations, encumber the Prepetition Collateral, as the same existed on or at any time prior to the Petition Date. The Prepetition Liens have been properly recorded and perfected under applicable non-bankruptcy law, and are legal, valid, enforceable, non-avoidable, and not subject to contest, avoidance, attack, offset, re-characterization, subordination or other challenge of any kind or nature under the Bankruptcy Code,

applicable non-bankruptcy law or otherwise. As of the Petition Date, and without giving effect to this Interim Order, the Debtors are not aware of any liens or security interests over the Prepetition Collateral of the Prepetition Loan Parties having priority over the Prepetition Liens, except certain Permitted Liens (as defined in the Prepetition Revolving Credit Agreement). The Prepetition Liens were granted to or for the benefit of the Prepetition Agent and the other Prepetition Secured Parties for fair consideration and reasonably equivalent value, and were granted contemporaneously with, or covenanted to be provided as inducement for, the making of the loans and/or commitments and other financial accommodations secured thereby.

(ii) **Indemnity.** The Prepetition Secured Parties and the DIP Secured Parties have acted in good faith, and without negligence, misconduct or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting or obtaining requisite approvals of the DIP Facility and the use of Cash Collateral, including in respect of the granting of the DIP Liens (as defined below) and the Adequate Protection Liens, any challenges or objections to the DIP Facility or the use of Cash Collateral, the DIP Loan Documents, and all other documents related to and all transactions contemplated by the foregoing. Accordingly, without limitation to any other right to indemnification, the Prepetition Secured Parties and the DIP Secured Parties shall be and hereby are indemnified and held harmless by the Debtors in respect of any claim or liability incurred in respect thereof or in any way related thereto in accordance with the terms of the Prepetition Loan Documents or the DIP Loan Documents, as applicable. No exception or defense in contract, law or equity exists as of

the date of this Interim Order to any obligation set forth, as the case may be, in this paragraph F(ii), in the DIP Loan Documents, or in the Prepetition Loan Documents to indemnify and/or hold harmless the DIP Agent, any other DIP Secured Party, or any Prepetition Secured Party, as the case may be, and any such defenses are hereby waived.

(iii) **No Control.** None of the DIP Secured Parties or the Prepetition Secured Parties are control persons or insiders of the Debtors or any of their affiliates by virtue of any of the actions taken with respect to, in connection with, related to, or arising from the DIP Facility, the Prepetition Obligations, the DIP Loan Documents and/or the Prepetition Loan Documents.

(iv) **No Claims or Causes of Action.** As of the date hereof, there exist no claims or causes of action against any of the DIP Agent, the other DIP Secured Parties, or the Prepetition Secured Parties with respect to, in connection with, related to, or arising from the DIP Loan Documents, the Prepetition Loan Documents, the DIP Facility and/or the Prepetition Revolving Obligations that may be asserted by the DIP Loan Parties, the Prepetition Loan Parties or, to the Debtors' knowledge, any other person or entity.

(v) **Release.** The Debtors, on behalf of themselves and their respective estates, forever and irrevocably release, discharge, and acquit all former, current and future DIP Secured Parties and any Prepetition Secured Parties that become DIP Lenders, all holders of participation interests under the DIP Credit Agreement or the Prepetition Revolving Credit Agreement, all Affiliates of the DIP Secured Parties and of the Prepetition Secured Parties, and each of the former, current and future officers, employees, directors, agents, representatives, owners, members, partners, financial and other advisors and consultants, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, and

predecessors and successors in interest of each DIP Secured Party and each Prepetition Secured Party and of each of their respective Affiliates, in each case in its capacity as such (collectively, the "Releasees") of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending or threatened including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, arising out of, in connection with, or relating to the DIP Facility, the DIP Loan Documents, the Prepetition Revolving Credit Facility and the other Prepetition Loan Documents and/or the transactions contemplated hereunder or thereunder including, without limitation, (x) any so-called "lender liability" or equitable subordination claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the DIP Agent, the other DIP Secured Parties, and/or the Prepetition Secured Parties. The Debtors further waive and release any defense, right of counterclaim, right of setoff or deduction of the payment of the Prepetition Obligations and the DIP Obligations that the Debtors now have or may claim to have against the Releasees arising out of, connected with, or relating to any and all acts, omissions or events occurring prior to the entry of this Interim Order.

H. **Immediate Need for Postpetition Financing and Use of Cash Collateral.** The Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rule

4001(b)(2) and (c)(2) and the Local Bankruptcy Rules. Good cause has been shown for entry of this Interim Order. An immediate need exists for the Debtors to obtain funds and liquidity to, as the case may be, continue operations, pay the costs and expenses of administering the Cases, and administer and preserve the value of their businesses and estates. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors' assets and to maximize the return for all creditors requires the immediate availability of the DIP Facility and the use of Cash Collateral. In the absence of the immediate availability of such funds and liquidity in accordance with the terms hereof, the continued operation of the Debtors' businesses would not be possible, and immediate and irreparable harm to the Debtors and their estates and creditors would occur. Further, the possibility for a successful restructuring would be jeopardized in the absence of the availability of funds in accordance with the terms of this Interim Order. Thus, the ability of the Debtors to preserve and maintain the value of their assets and maximize the return for creditors requires the availability of working capital from the DIP Facility and the use of Cash Collateral.

I. **No Credit Available on More Favorable Terms.** The Debtors have been unable to obtain on more favorable terms and conditions than those provided in this Interim Order (i) adequate unsecured credit allowable under Section 503(b)(1) of the Bankruptcy Code as an administrative expense, (ii) credit for money borrowed with priority over any or all administrative expenses of the kind specified in Sections 503(b) or 507(b) of the Bankruptcy Code, (iii) credit for money borrowed secured by a lien on property of the estate that is not otherwise subject to a lien, or (iv) credit for money borrowed secured by a junior lien on property of the estate that is subject to a lien. The Debtors are unable to obtain credit for borrowed money without granting the DIP Liens and the DIP Superpriority Claim (as defined below) to (or for the benefit of) the DIP Secured

Parties, or without granting the adequate protection (including the Revolver Refinancing) as set forth herein.

J. **Adequate Protection for Secured Parties.** The Prepetition Agent and the other Prepetition Secured Parties have negotiated in good faith regarding the Debtors' use of Prepetition Collateral (including Cash Collateral) to fund the administration of the Debtors' estates and continued operation of their businesses, in accordance with the terms hereof and the DIP Budget (subject to Permitted Variances). The Prepetition Secured Parties have agreed to permit the Debtors to use the Prepetition Collateral, including the Cash Collateral, in accordance with the terms hereof, including the DIP Budget (subject to Permitted Variances), during the Interim Period, subject to the terms and conditions set forth in this Interim Order and in the other DIP Loan Documents, including the protections afforded parties acting in "good faith" under Section 363(m) of the Bankruptcy Code. The Prepetition Secured Parties are entitled to the adequate protection as and to the extent set forth herein pursuant to Sections 361, 362, and 363 of the Bankruptcy Code. Based on the Motion and on the record presented to the Court at the Interim Hearing, the terms of the proposed adequate protection arrangements and of the use of Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the Prepetition Agent and Prepetition Secured Parties' consent thereto; provided, that nothing in this Interim Order or the other DIP Loan Documents shall (i) be construed as a consent by any Prepetition Secured Party that it would be adequately protected in the event any debtor-in-possession financing is provided by a third party (i.e., other than the DIP Lenders), or a consent to the terms of any financing or use of Cash Collateral, including the consent to any lien encumbering the Prepetition Collateral (whether senior or junior) pursuant to any financing or use of Cash Collateral, in each case, except

under the terms hereof, or (ii) prejudice, limit or otherwise impair the rights of the Prepetition Agent (for the benefit of the Prepetition Secured Parties) to seek new, different or additional adequate protection under any circumstances after the date hereof.

K. **Section 552.** In light of, as applicable, the subordination of the Prepetition Liens and the Adequate Protection Liens to the DIP Liens and the Carve-Out, and the granting of the DIP Liens on the Prepetition Collateral, the Prepetition Secured Parties are each entitled to all of the rights and benefits of Section 552(b) of the Bankruptcy Code and, subject to the entry of the Final Order, the "equities of the case" exception shall not apply.

L. **Extension of Financing.** The DIP Secured Parties are committing to provide financing to the Debtors in accordance with the DIP Credit Agreement and the other DIP Loan Documents (including the DIP Budget, subject to Permitted Variances), and subject to (i) the entry of this Interim Order (and the Final Order), approval of each provision of the DIP Credit Agreement, and (ii) findings by this Court that such financing is essential to the Debtors' estates (and the continued operation of the DIP Loan Parties), that the DIP Secured Parties are good faith financiers, and that the DIP Secured Parties' claims, superpriority claims, security interests and liens and other protections granted pursuant to and in connection with this Interim Order (and the Final Order) and the DIP Facility (including the DIP Superpriority Claim and the DIP Liens), will not be affected by any subsequent reversal, modification, vacatur, stay or amendment of, as the case may be, this Interim Order, the Final Order, or any other order, as provided in Section 364(e) of the Bankruptcy Code. The Prepetition Secured Parties have consented to the use of the Prepetition Collateral and the Cash Collateral, solely in respect of the DIP Facility provided by the DIP Secured Parties, and not in respect of any other postpetition financing or cash collateral facility.

M. **Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The terms and conditions of the DIP Facility, and the fees paid and to be paid thereunder, are fair, reasonable, and the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration.

(ii) All obligations incurred, payments made, and transfers or grants of security set forth in this Interim Order and the other DIP Loan Documents by any DIP Loan Party are granted to or for the benefit of the DIP Secured Parties for fair consideration and reasonably equivalent value, and are granted contemporaneously with the making of the loans and/or commitments and other financial accommodations secured thereby.

(iii) The DIP Facility and the DIP Loan Documents were negotiated in good faith and at arm's length among the Debtors, the DIP Agent, the other DIP Secured Parties, and the Prepetition Secured Parties.

(iv) The use of the proceeds to be extended under the DIP Facility and the DIP Loan Documents will be so extended in good faith and for valid business purposes and uses, as a consequence of which the DIP Secured Parties are entitled to the protection and benefits of Section 364(e) of the Bankruptcy Code.

N. **Relief Essential; Best Interest.** The relief requested in the Motion (and provided in this Interim Order), is necessary, essential and appropriate for the continued operation of the Debtors' businesses and the management and preservation of the Debtors' assets and property, and satisfies the requirements of Bankruptcy Rule 6003. It is in the best interest of the Debtors' estates, and consistent with the Debtors' exercise of their fiduciary duties, that the Debtors be allowed to enter into the DIP Facility, incur the DIP Obligations, grant the liens and claims contemplated

herein and under the DIP Loan Documents to the DIP Secured Parties and the Prepetition Secured Parties, and use Prepetition Collateral, including Cash Collateral, as contemplated herein.

NOW, THEREFORE, on the Motion of the Debtors and the record before this Court with respect to the Motion, including the record made during the Interim Hearing, and with the consent of the Debtors, the Prepetition Secured Parties and the DIP Secured Parties, and good and sufficient cause appearing therefor,

IT IS ORDERED that:

1. **Motion Granted.** The Motion is granted in accordance with the terms and conditions set forth in this Interim Order. Any objections to the Motion with respect to entry of this Interim Order to the extent not withdrawn, waived or otherwise resolved, and all reservation of rights included therein, are hereby denied and overruled.

2. **DIP Facility.**

(a) **DIP Obligations, etc.** The Debtors are expressly and immediately authorized and empowered to enter into the DIP Facility and to incur and to perform all obligations under the DIP Facility (including the DIP Obligations) in accordance with and subject to this Interim Order (and, upon its entry, the Final Order) and the other DIP Loan Documents, to enter into, execute and/or deliver all DIP Loan Documents and all other instruments, certificates, agreements and documents, and to take all actions, which may be reasonably required or otherwise necessary for the performance by the DIP Loan Parties under the DIP Facility, including the creation and perfection of the DIP Liens described and provided for herein. The Debtors are hereby authorized and directed to (i) pay all principal, interest, fees and expenses, indemnities and other amounts described herein and in the other DIP Loan Documents as such shall accrue and become due hereunder or thereunder, including, without limitation, (A) the non-refundable

payment to the Arranger, the DIP Agent or the DIP Lenders (as the case may be) of any arrangement, backstop, upfront or administrative fee in any letter agreement between the Debtors, on the one hand, and the DIP Agent, Arranger and/or the DIP Lenders, on the other hand; and (B) the reasonable fees and expenses of White & Case LLP (as counsel to the Prepetition Agent and DIP Agent and as counsel to the Receivables Financing Agent), FTI Consulting (as financial advisors), and any other attorneys and financial and other advisors and consultants of the DIP Agent and the DIP Lenders (including any local counsel and any additional counsel to the Receivables Financing Agent) as may be reasonably required (the "DIP Lender Professionals"), in each case, as and to the extent provided for herein and in accordance with the other DIP Loan Documents (collectively, all loans, advances, extensions of credit, financial accommodations, fees, expenses and other liabilities, and all other Obligations (including indemnities and similar obligations) in respect of DIP Extensions of Credit, the DIP Facility and the DIP Loan Documents, the "DIP Obligations"), and (ii) upon the entry of the Final Order, and subject to paragraph 6 hereof, to (x) incur the DIP Roll-Up Loans, which shall be deemed to refinance (and repay), on a dollar-for-dollar basis, all outstanding Prepetition Revolving Loans, in accordance with the terms and conditions of this Interim Order and the other DIP Loan Documents and (y) and immediately pay in cash all accrued and unpaid interest and fees outstanding in respect of the Prepetition Revolving Loans as of the date the DIP Roll-Up Loans are incurred, as provided herein and in accordance with the Prepetition Loan Documents. The DIP Obligations shall not otherwise be subject to further approval of this Court. The DIP Loan Documents and all DIP Obligations shall represent, constitute and evidence, as the case may be, valid and binding obligations of the Debtors, enforceable against the Debtors, their estates and any successors thereto in accordance with their terms. All obligations incurred, payments made, and transfers or grants of security set forth in this

Interim Order and in the other DIP Loan Documents by any DIP Loan Party are granted to or for the benefit of the DIP Secured Parties for fair consideration and reasonably equivalent value, and are granted contemporaneously with the making of the loans and/or commitments and other financial accommodations secured thereby (subject, in the case of the DIP Roll-Up Loans, to paragraph 6 hereof). No obligation incurred, payment made, transfer or grant of security set forth in the DIP Loan Documents by any DIP Loan Party as approved under this Interim Order shall be stayed, restrained, voided, voidable or recoverable under the Bankruptcy Code or under any applicable non-bankruptcy law, or subject to any defense, reduction, setoff, recoupment or counterclaim. The term of the DIP Facility shall commence following the entry of this Interim Order on the Effective Date and end on the Termination Date, subject to the terms and conditions set forth herein and in the other DIP Loan Documents, including the protections afforded a party acting in good faith under Section 364(e) of the Bankruptcy Code.

(b) **Authorization to Borrow, etc.** In order to enable them to continue to operate their businesses, subject to the terms and conditions of this Interim Order and the other DIP Loan Documents, the DIP Borrower is hereby authorized under the DIP Facility during the Interim Period to borrow (and the DIP Guarantors are authorized to guarantee repayment of) DIP Revolving Loans and, subject to any conditions or limitations set forth in the DIP Loan Documents, to issue DIP Letters of Credit, in an aggregate principal amount not to exceed the Interim Availability (and, with respect to any DIP Letters of Credit, the DIP L/C Sublimit) under the DIP Facility.

(c) **Conditions Precedent.** The DIP Lenders shall have no obligation to make any DIP Extension of Credit or any other financial accommodation hereunder or under the other DIP Loan Documents unless all conditions precedent to making DIP Extensions of Credit under

the DIP Loan Documents have been satisfied or waived in accordance with the terms of the DIP Loan Documents.

(d) **DIP Collateral.** As used herein, "DIP Collateral" shall mean, all now owned or hereafter acquired assets and property, whether real or personal, of the Debtors including, without limitation, all Prepetition Collateral, all assets and property pledged under the DIP Loan Documents, and all cash, any investment of such cash, inventory, accounts receivable, including intercompany accounts (and all rights associated therewith), other rights to payment whether arising before or after the Petition Date, contracts, contract rights, chattel paper, goods, investment property, inventory, deposit accounts, "core concentration accounts," "cash collateral accounts", any bank accounts, and in each case all amounts on deposit therein (or credited thereto) from time to time, equity interests (including all the equity interests of any Debtor in any foreign subsidiary), securities accounts, securities entitlements, securities, commercial tort claims, books, records, plants, equipment, farm products, general intangibles, documents, instruments, interests in leases and leaseholds, interests in real property (whether or not such real property constituted Prepetition Collateral under the Prepetition Loan Documents), fixtures, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, letter of credit rights, supporting obligations, machinery and equipment, patents, copyrights, trademarks, tradenames, other intellectual property, all licenses therefor, interests of any Debtor in any foreign subsidiary, and all proceeds, rents, profits, products and substitutions, if any, of any of the foregoing, and including, solely upon entry of the Final Order, the proceeds of all of the Debtors' claims and causes of action under Sections 502(d), 544, 545, 547, 548, 549, 550 and 553 of the Bankruptcy Code, and any other avoidance or similar action under the Bankruptcy Code or similar state law (collectively, the "Avoidance Actions"), whether received by judgment, settlement or otherwise. Notwithstanding

the foregoing, the DIP Collateral shall not include any Excluded Property (as defined in the DIP Credit Agreement); provided, however, that DIP Collateral shall include proceeds and products of such Excluded Property (except to the extent such proceeds or products also constitute Excluded Property).

(e) **DIP Liens.** Effective immediately upon the entry of this Interim Order, and subject to the Carve-Out, as set forth more fully in this Interim Order, the DIP Agent and each of the other DIP Secured Parties, in order to secure the DIP Obligations, are hereby granted the following security interests and liens, which shall immediately be valid, binding, perfected, continuing, enforceable and non-avoidable (all liens and security interests granted to the DIP Agent and the DIP Secured Parties (x) during the Interim Period, in respect of the DIP Obligations under the DIP Revolving Facility (including, subject to any conditions or limitation specified in the DIP Loan Documents, any DIP Letters of Credit issued under the DIP L/C Sublimit) and (y) upon entry of the Final Order, in respect of the remaining DIP Revolving Loans (including, subject to any conditions or limitation specified in the DIP Loan Documents, any DIP Letters of Credit issued under the DIP L/C Sublimit) and the DIP Roll-Up Loans (pursuant to this Interim Order, any Final Order and the other DIP Loan Documents, the "DIP Liens")):

(I) pursuant to Section 364(c)(2) of the Bankruptcy Code, valid, enforceable, perfected and non-avoidable first priority liens on and security interests in all DIP Collateral that was not encumbered by valid, enforceable, perfected and non-avoidable liens as of the Petition Date; and

(II) pursuant to Section 364(c)(3) and Section 364(d) of the Bankruptcy Code, valid, enforceable, perfected and non-avoidable first priority priming liens on and security interests in all other DIP Collateral,

which liens and security interests shall, in each case, be (x) junior only to any pre-existing liens as of the Petition Date of a third party, *i.e.*, not any Prepetition Secured Parties (each a "Third Party Lienholder") on the DIP Collateral, but solely to the extent that such liens and security interests of any Third Party Lienholders were, in each case, as of the Petition Date, valid enforceable, perfected and non-avoidable liens, or were perfected subsequent to the Petition Date as permitted by Section 546(b) of the Bankruptcy Code, and (i) senior to the Prepetition Liens or (ii) attached to property of the Debtors that did not constitute Prepetition Collateral (such liens in the preceding clauses (i) and (ii), the "Permitted Third Party Liens"), and (y) senior to all other liens on, and security interests in the DIP Collateral, including without limitation, the Prepetition Liens, the Adequate Protection Liens, and the liens of any Third Party Lienholders which are *pari passu* with or junior to the Prepetition Liens.

Notwithstanding anything to the contrary contained in this Interim Order or any other DIP Loan Documents, all DIP Liens securing DIP Obligations in respect of the DIP Revolving Facility (including, subject to any conditions or limitation specified in the DIP Loan Documents, any DIP Letters of Credit issued under DIP L/C Sublimit) shall, upon entry of the Final Order, be *pari passu* with the DIP Roll-Up Loans.

(f) **DIP Liens Senior to Other Liens.** Effective immediately upon entry of this Interim Order, the DIP Liens shall secure all of the DIP Obligations in respect of the DIP Revolving Facility (including the DIP L/C Sublimit) and, upon entry of the Final Order, also in respect of the DIP Roll-Up Loans, and shall not, without the consent of the DIP Agent, be made

subject or subordinate to, or *pari passu* with, (1) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under Section 551 of the Bankruptcy Code, (2) any lien or security interest arising on or after the Petition Date (but shall be subject to the Carve-Out), or (3) any other lien or security interest under Section 363 or 364 of the Bankruptcy Code or otherwise, other than to the Carve-Out or to the extent expressly provided herein, by any court order heretofore or hereafter entered in the Cases. The DIP Liens and the Adequate Protection Liens shall be valid and enforceable against any trustee appointed in the Cases, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (such cases or proceedings, "Successor Cases"), and/or upon the dismissal of any of the Cases. It is understood and agreed, and hereby ordered, that, notwithstanding the immediately preceding sentence or anything else to the contrary set forth in this Interim Order, in any other DIP Loan Document, or in any other order of this Court entered in the Cases, any amounts advanced or expended by the Prepetition Secured Parties or the DIP Secured Parties, in their sole and absolute discretion and without requiring the consent or approval of any other party, after the occurrence and during the continuation of an Event of Default, directly or indirectly, to protect, preserve, maintain, market, sell or liquidate the Prepetition Collateral or DIP Collateral, including to fund the Debtors' operations during a sale process pursuant to Section 363 of the Bankruptcy Code, and any reasonable professional or advisory fees and expenses of White & Case LLP (as counsel to the Prepetition Agent and DIP Agent and as counsel to the Receivables Financing Agent), FTI Consulting, any local counsel, any additional counsel to the Receivables Financing Agent, and any other advisors, appraisers and/or liquidators retained by the DIP Agent in accordance with the DIP Loan Documents to assist or advise it in such capacities and for such purposes, shall be added to the DIP Obligations for all purposes hereunder and under

the other DIP Loan Documents. The DIP Liens and the Adequate Protection Liens shall not be subject to Sections 510, 549, 550 or 551 of the Bankruptcy Code or, upon entry of the Final Order, the "equities of the case" exception of Section 552 of the Bankruptcy Code or Section 506(c) of the Bankruptcy Code.

(g) **Superpriority Administrative Claim.** Effective immediately upon the entry of this Interim Order, and subject to the Carve-Out, the DIP Agent and each of the other DIP Secured Parties, are hereby granted, pursuant to Section 364(c)(1) of the Bankruptcy Code, an allowed superpriority claim in the amount of the DIP Obligations owed to them and outstanding from time to time (all such claims granted to the DIP Agent and the other DIP Secured Parties, (x) during the Interim Period, in respect of DIP Obligations under the DIP Revolving Facility (including, subject to any conditions or limitation specified in the DIP Loan Documents, any DIP Letters of Credit issued under the DIP L/C Sublimit), and (y) upon entry of the Final Order, in respect of DIP Obligations under the DIP Revolving Facility (including, subject to any conditions or limitation specified in the DIP Loan Documents, any DIP Letters of Credit issued under the DIP L/C Sublimit) and in respect of the DIP Roll-Up Loans, the "DIP Superpriority Claim"), which shall be payable from and have recourse to all assets and properties of the Debtors, and which shall be against each of the Debtors who are DIP Loan Parties (jointly and severally), with priority over any and all other administrative expenses, adequate protection claims, diminution in value claims, and all other claims asserted against the Debtors now existing or hereafter arising of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all other administrative expenses or other claims arising under any other provisions of the Bankruptcy Code, including Sections 105, 326, 327, 328, 330, 331, 363, 364, 365, 503, 506(b), 506(c) (subject to the entry of

the Final Order), 507(a) (other than 507(a)(1)), 546, 726, 1113, or 1114 of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, subject only to the Carve-Out, and *pari passu* solely with respect to any superpriority administrative expense claim granted to the Receivables Financing Agent or the Receivables Purchasers pursuant to the Interim Securitization Order (the "Receivables Superpriority Claim"), which DIP Superpriority Claims shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under Section 503(b) of the Bankruptcy Code and shall be payable from and have recourse to all pre- and post-petition assets and property, whether existing on the Petition Date or thereafter acquired, of the Debtors and all proceeds thereof (excluding Avoidance Actions, but including, effective upon entry of the Final Order, proceeds of Avoidance Actions). Other than with respect to the Carve-Out and as expressly provided herein, no costs or expenses of administration, including, without limitation, professional fees allowed and payable under Sections 328, 330 and 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in these proceedings or in any Successor Cases, and no priority claims are, or will be, senior to, prior to or *pari passu* with the DIP Liens, the DIP Superpriority Claim, any of the DIP Obligations, Prepetition Liens, or any other claims of the DIP Secured Parties arising hereunder or under the other DIP Loan Documents, or otherwise, in connection with the DIP Facility.

3. **Authorization and Approval to Use Cash Collateral and Proceeds of DIP Facility.** Subject to the terms and conditions of this Interim Order, the other DIP Loan Documents, and the DIP Budget (subject to Permitted Variances), and to the adequate protection granted to or for the benefit of the Prepetition Secured Parties as hereinafter set forth, each Debtor is authorized during the Interim Period (and not beyond) to (a) use the Cash Collateral and (b)(i) use DIP Loans,

including the proceeds thereof, and (ii) issue DIP Letters of Credit under the DIP Facility in an amount not to exceed the Interim Availability. Notwithstanding anything herein to the contrary, the Debtors' right to use proceeds of DIP Facility or to use Cash Collateral shall terminate on the Termination Date, including upon written notice being provided by the DIP Agent to the Debtors that an Event of Default has occurred and is continuing; provided that, solely as and to the extent provided in paragraph 14 below, during the Default Notice Period (as defined below), the Loan Parties shall be permitted to continue to use Cash Collateral and proceeds of the DIP Facility in the ordinary course of business and in accordance with the DIP Budget (subject to Permitted Variances), and may request an expedited hearing before the Court to address such issues as may be heard pursuant to paragraph 14 below. Nothing in this Interim Order shall authorize the disposition of any assets of the Debtors or their estates or other proceeds resulting therefrom outside the ordinary course of business, except as permitted herein (subject to any required Court approval).

4. **Adequate Protection for Prepetition Secured Parties.** As adequate protection for the interests of the Prepetition Secured Parties in the Prepetition Collateral (including Cash Collateral), the Prepetition Agent for the benefit of the Prepetition Secured Parties shall receive adequate protection as follows:

(i) **Adequate Protection Liens.** Until the Revolver Refinancing occurs (and, thereafter, on a contingent basis until the expiration of the Challenge Period), to the extent of, and in an aggregate amount equal to, the aggregate diminution in value of such interests, from and after the Petition Date, calculated in accordance with Section 506(a) of the Bankruptcy Code, resulting from, among other things, the use, sale or lease by the Debtors of the Prepetition Collateral (including from the use of Cash Collateral), the granting of the

DIP Liens, and the subordination of the Prepetition Liens thereto and to the Carve-Out, and the imposition or enforcement of the automatic stay of Section 362(a) of the Bankruptcy Code (collectively, "Diminution in Value"), pursuant to Sections 361, 363(e) and 364(d) of the Bankruptcy Code, the Prepetition Agent and each of the other Prepetition Secured Parties, shall have replacement security interests in and liens upon (the "Adequate Protection Liens") all of the DIP Collateral, which Adequate Protection Liens shall be (i) subject to the Carve-Out, (ii) junior and subject to the DIP Liens and any Permitted Third Party Liens and (iii) senior and prior to all other liens thereon. The Adequate Protection Liens shall in all cases be subject to the Carve-Out.

(ii) **Adequate Protection Superpriority Claims.** Until the Revolver Refinancing occurs (and, thereafter, on a contingent basis until the expiration of the Challenge Period), to the extent of the aggregate Diminution in Value, the Prepetition Agent and each of the other Prepetition Secured Parties shall have, subject to the payment of the Carve-Out, an allowed superpriority administrative expense claim (the "Adequate Protection Superpriority Claim") as provided for in Section 507(b) of the Bankruptcy Code, immediately junior and subject to the DIP Superpriority Claim and any Receivables Superpriority Claim, and payable from and having recourse to all DIP Collateral; provided, that the Prepetition Secured Parties shall not receive or retain any payments, property, distribution or other amounts in respect of the Adequate Protection Superpriority Claim unless and until the DIP Obligations and (without duplication) the DIP Superpriority Claim has indefeasibly been paid in full in cash.

(iii) **Adequate Protection Payments, etc.**

(I) (x) From and after the entry of this Interim Order, the Prepetition Agent (for the benefit of the Prepetition Secured Parties) shall receive from the Debtors, cash payment of all accrued and unpaid interest and fees owing by the Debtors, whether incurred or accrued prior to or on or after the Petition Date, under the Prepetition Revolving Credit Agreement, at the applicable default rates provided for in the Prepetition Revolving Credit Agreement (including LIBOR pricing options, which shall remain available until such time as the LIBOR Borrowing (as defined in the Prepetition Revolving Credit Agreement) expire, at which time such loans will accrue interest at the Alternate Base Rate (as defined in the Prepetition Revolving Credit Agreement)) and on the payment dates provided therein, including all accrued and unpaid letter of credit participation fees, unused commitment fees, and fronting fees owing to the Issuing Bank under (and as defined in) the Prepetition Revolving Credit Agreement and/or the other Prepetition Secured Parties under the Prepetition Loan Documents, whether incurred or accrued prior to or on or after the Petition Date, and (y) immediately upon the entry of the Final Order, subject to paragraph 6 hereof, the Debtors shall (1) incur the DIP Roll-Up Loans, which shall be deemed to refinance (and repay), on a dollar-for-dollar basis, all outstanding Prepetition Revolving Loans, in accordance with the terms and conditions of this Interim Order and the other DIP Loan Documents and (2) pay to the Prepetition Secured Parties, in cash, all remaining accrued and unpaid interest and fees owing by the Debtors under

the Prepetition Revolving Credit Agreement as of the date the DIP Roll-Up Loans are incurred, at the applicable default rates provided for in the Prepetition Revolving Credit Agreement, including all accrued and unpaid letter of credit participation fees, unused commitment fees, and fronting fees owing to the Issuing Bank under (and as defined in) the Prepetition Revolving Credit Agreement and/or the other Prepetition Secured Parties under the Prepetition Loan Documents.

(II) Promptly upon the entry of this Interim Order (and in the case of legal professionals retained by any Prepetition Lender, within three (3) business days after receipt of an invoice therefrom), the Debtors shall pay all reasonable and documented fees, costs and expenses of the Prepetition Agent and the Prepetition Secured Parties, including cash payments of all reasonable and documented professional and advisory fees, costs and expenses of the Prepetition Agent and the Prepetition Secured Parties incurred in connection with the negotiation, administration, and monitoring of the Prepetition Loan Documents, Prepetition Revolving Credit Facility, the Receivables Financing Documents, the DIP Loan Documents and/or the DIP Facility, including, without, limitation, the reasonable documented fees, costs and expenses of the Prepetition Agent's legal, financial, other advisory, tax, investment banking and other professionals (including, without limitation, White & Case LLP (as counsel to the Prepetition Agent and DIP Agent and as counsel to the Receivables Financing Agent), FTI Consulting, and any local counsel, any additional

counsel to the Receivables Financing Agent, and any replacement or addition thereto that the Prepetition Agent deems reasonably appropriate), and any legal professionals retained by any Prepetition Lender (collectively, the "Prepetition Lender Professionals"), incurred in connection with the negotiation, execution, administration, and monitoring of the Prepetition Loan Documents, the Receivables Financing Documents, the DIP Loan Documents and/or the DIP Facility as of the Petition Date, and thereafter, until the Revolver Refinancing has occurred, and subject to the procedures set forth in paragraph 17(b) hereof, promptly upon the receipt of invoices therefor, the Debtors shall pay all reasonable and documented fees, costs and expenses of the Prepetition Agent incurred in connection with the negotiation, execution, administration and monitoring of the Prepetition Loan Documents, the Receivables Financing Documents, the DIP Loan Documents and/or the DIP Facility, including the professional and advisory fees of the Prepetition Lender Professionals. Payment of any amounts set forth in this clause (II) shall not be subject to disgorgement.

(iv) **DIP Roll-Up Loans**. Subject to the entry of the Final Order, the Debtors shall use the DIP Roll-Up Loans to consummate the Revolver Refinancing.

(v) **Financial Reporting, etc.** Until the Revolver Refinancing occurs, the Debtors shall deliver to the Prepetition Agent all monthly financial reporting given to the U.S. Trustee, and all of the financial reporting and notices as, and when, required to be provided to the DIP Agent under, and in all instances consistent with, the DIP Loan

Documents; provided that delivery of such reports and notices to the DIP Agent (in its capacity as such) shall satisfy the requirements of this paragraph.

5. **DIP Lien and Adequate Protection Replacement Lien Perfection.** This Interim Order shall be sufficient and conclusive evidence of the validity, perfection and priority of the DIP Liens and the Adequate Protection Liens without the necessity of filing or recording any financing statement, deed of trust, mortgage, or other instrument or document which may otherwise be required under the law of any jurisdiction or the taking of any other action to validate or perfect the DIP Liens and the Adequate Protection Liens or to entitle the DIP Liens and the Adequate Protection Liens to the priorities granted herein. Notwithstanding the foregoing, the DIP Agent and the Prepetition Agent may, each in their sole discretion, file such financing statements, mortgages, security agreements, notices of liens and other similar documents, and are hereby granted relief from the automatic stay of Section 362 of the Bankruptcy Code in order to do so, and all such financing statements, mortgages, security agreements, notices and other agreements or documents shall be deemed to have been filed or recorded at the time and on the Petition Date. It shall constitute a Default if, as and to the extent required under the DIP Loan Documents, the Debtors shall not execute and deliver to the DIP Agent and the Prepetition Agent all such financing statements, mortgages, security agreements, notices and other documents as the DIP Agent and the Prepetition Agent may reasonably request to evidence, confirm, validate or perfect, or to insure the contemplated priority of, the DIP Liens and the Adequate Protection Liens. The DIP Agent and the Prepetition Agent, in their discretion, may file a certified copy of this Interim Order as a financing statement or a notice with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any Debtor has real or personal property and, in such event, the subject filing or recording officer shall be authorized to

file or record such copy of this Interim Order. To the extent that the Prepetition Agent is the secured party under any account control agreements, listed as loss payee under any of the Debtors' insurance policies or is the secured party under any Prepetition Loan Document, the DIP Agent is also deemed to be the secured party under such account control agreements, loss payee under the Debtors' insurance policies or is the secured party under any loan document, financing statement, deed of trust, mortgage or other instrument or document which may otherwise be required under the law of any jurisdiction to validate, attach, perfect or prioritize liens (any such instrument or document, a "Security Document"), the DIP Agent is also deemed to be the secured party under each such account control agreement, loss payee under the Debtors' insurance policies, and the secured party under each such Security Document, and shall have all rights and powers attendant to that position (including, without limitation, rights of enforcement) and shall act in that capacity and distribute any proceeds recovered or received in accordance with the terms of this Interim Order and/or the Final Order, as applicable, and the other DIP Loan Documents. The Prepetition Agent shall serve as agent for the DIP Agent for purposes of perfecting their respective security interests and liens on all DIP Collateral comprised of Prepetition Collateral that is of a type such that perfection of a security interest therein may be accomplished only by possession or control by a secured party.

6. **Reservation of Certain Third Party Rights and Bar of Challenges and Claims.** The Debtors' stipulations, admissions, agreements, releases, and waivers contained in this Interim Order, including the stipulations set forth in Paragraph F of this Interim Order (the "Stipulations"), are and shall be binding upon the Debtors and any and all of the Debtors' successors-in-interest and assigns (including, without limitation, any chapter 7 or chapter 11 trustee, responsible person, examiner with expanded powers, or other estate representative). The Stipulations, and all other

admissions, agreements, releases and waivers set forth in this Interim Order also are and shall be binding upon all other parties-in-interest (including any Committee) and each of their respective successors-in-interest and assigns, unless, and solely to the extent that (i) such parties-in-interest, in each case with standing and requisite authority to do so (subject in all respects to any agreement or applicable law which may limit or affect such entity's right or ability to do so) have timely filed the proper pleadings, and timely commenced the appropriate proceedings under the Bankruptcy Code and Bankruptcy Rules, including, without limitation, as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in paragraph 7 below), (a) objecting to or challenging any of the Stipulations or (b) otherwise asserting or prosecuting any action against the Prepetition Secured Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, or employees in connection with matters covered by the Stipulations (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "Challenge"), by no later than (x) with respect to the official committee of unsecured creditors (if one is appointed), the date that is sixty (60) days from the date such committee is appointed and (y) with respect to all other parties in interest, the date that is seventy-five (75) days from the entry of this Interim Order (the period described in the immediately preceding clauses (x) and (y) shall be referred to as the "Challenge Period," and the date that is the next calendar day after the termination of the Challenge Period shall be referred to as the "Challenge Period Termination Date"), as such date may be extended as to any such party-in-interest by the Prepetition Agent (with the consent of the Required Lenders (as defined in the Prepetition Revolving Credit Agreement)) and each applicable individual Prepetition Secured Party that is the subject of a Challenge or by any such later date as has been ordered by the Court for cause upon a motion filed and served within the Challenge Period (before giving effect to such

extension) and (ii) this Court enters judgment in favor of the plaintiff or movant in any such timely and properly commenced Challenge proceeding, and any such judgment has become final and is not subject to any further review or appeal. Any Challenge not asserted by the timely and proper filing of a pleading by a party-in-interest with the requisite standing and authority as contemplated herein prior to the Challenge Termination Date shall be deemed forever waived, released, and barred with respect to such party-in-interest. To the extent a party-in-interest with requisite standing and authority timely and properly commences a Challenge prior to the Challenge Period Termination Date, all claims, causes of action and other matters not specifically set forth in such Challenge shall be deemed forever waived, released, and barred with respect to such party-in-interest. To the extent the Stipulations (or any of them) are (x) not subject to a Challenge timely and properly commenced prior to the Challenge Period Termination Date or (y) subject to a Challenge timely and properly commenced prior to the Challenge Period Termination Date, to the extent any such Challenge does not result in a final and non-appealable judgment or order of the Court that is inconsistent with such Stipulations, then, in each case, without further notice, motion or application to, or order of, or hearing before, this Court and without the need or requirement to file any proof of claim: (a) any and all such Challenges by any Committee, and any other party in interest shall be deemed to be forever waived, released, and barred (including in any Successor Case); and (b) the Prepetition Obligations shall be deemed to be an allowed secured claim within the meaning of Sections 502 and 506 of the Bankruptcy Code for all purposes in connection with the Cases, and all of the Stipulations and all other waivers, releases and affirmations set forth in this Interim Order (or any not properly and timely challenged) shall be in full force and effect and shall be binding, conclusive and final on any person, entity or party-in-interest, including any Committee (in each case, and their successors-in-interest and assigns), in the Cases and in any

Successor Case for all purposes, without any further order of the Court, and shall not be subject to challenge or objection by the Committee or any other party-in-interest, including, without limitation, any trustee, responsible individual, examiner with expanded powers or other representative of the Debtors' estates. If any Challenge is timely and properly filed during the Challenge Period, the Stipulations and all other waivers, releases and affirmations contained in this Interim Order shall nonetheless remain binding, and preclusive as provided in this paragraph 6, on all other parties in interest (including any Committee), and on any other person or entity, except for the plaintiff or movant timely and successfully asserting such Challenge, as set forth in a final, non-appealable order of a court of competent jurisdiction. Notwithstanding anything to the contrary herein, the right to commence any Challenge under this Interim Order is only preserved as against any particular Prepetition Obligation or Prepetition Collateral, or against any Prepetition Secured Party to the extent such Challenge is commenced timely and properly, prior to the Challenge Period Termination Date, and in respect of such Prepetition Obligation, Prepetition Collateral, or Prepetition Secured Party, and is otherwise waived as set forth in this paragraph 6. All remedies or defenses of any party with respect to any Challenge are hereby preserved. Nothing in this Interim Order vests or confers on any person (as defined in the Bankruptcy Code), including any Committee (if any) appointed in these Cases, standing or authority to pursue any cause of action belonging to the Debtors or their estates, including, without limitation, any Challenges with respect to the Prepetition Obligation, and an order of the Court (or any other court of competent jurisdiction) conferring such standing on a Committee or other party in interest shall be a prerequisite for the prosecution of a Challenge by the Committee or such other party-in-interest.

7. **Limitations on Use of Cash Collateral**. Notwithstanding anything herein to the contrary, no portion of the proceeds of the DIP Facility, the DIP Collateral, Prepetition Collateral,

including Cash Collateral, or the Carve-Out, and no disbursements set forth in the DIP Budget, may be used for the payment of professional fees, disbursements, costs, or expenses incurred by any person in connection with (a) incurring indebtedness other than as expressly provided in this Interim Order or the DIP Budget, (b) preventing, hindering, impeding, or delaying any of the Prepetition Agent's or any other Prepetition Secured Party's enforcement or realization upon, or exercise of rights in respect of, any of the Prepetition Collateral or DIP Collateral, other than to seek a determination that an Event of Default has not occurred or is not continuing or in connection with a remedies hearing, (c) seeking to amend or modify any of the rights or interests granted to the Prepetition Agent or any other Prepetition Secured Party under this Interim Order or Prepetition Loan Documents, including seeking to use Cash Collateral on a contested basis, (d) asserting, commencing, or prosecuting any claims or causes of action, including, without limitation, any Challenge or any other actions under chapter 5 of the Bankruptcy Code (or any similar law), against the Prepetition Agent or any other Prepetition Secured Party, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, or employees, or (e) asserting, joining, commencing, supporting, investigating, or prosecuting any Challenge, or any other action for any claim, counterclaim, action, cause of action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination, or similar relief against, or adverse to the material interests of the Prepetition Secured Parties, arising out of, in connection with, or relating to the Prepetition Loan Documents, or the transactions contemplated thereunder, including, without limitation, (i) any action arising under the Bankruptcy Code, (ii) any so-called "lender liability" claims and causes of action, (iii) any action with respect to the validity and extent of the Prepetition Obligations or the validity, extent, perfection and priority of the Prepetition Liens, (iv) any action seeking to invalidate, set aside, avoid, reduce, set

off, offset, recharacterize, subordinate (whether equitable, contractual, or otherwise), recoup against, disallow, impair, raise any defenses, cross-claims, or counterclaims, or raise any other challenges under the Bankruptcy Code or any other applicable domestic or foreign law or regulation against, or with respect to, the Prepetition Liens, in whole or in part, or (v) appeal or otherwise challenge this Interim Order or the Final Order; provided that no more than $75,000 in the aggregate of the proceeds of the DIP Facility, the DIP Collateral, Prepetition Collateral, the Cash Collateral, and the Carve-Out may be used by any Committee to investigate (but not prosecute or Challenge, or initiate the prosecution of, including the preparation of any complaint or motion on account of) the Stipulations.

8. **Carve-Out.**

(a) As used in this Interim Order, the "Carve-Out" shall mean a carve-out from the DIP Superpriority Claims, the DIP Liens, claims pursuant to section 507(b) of the Bankruptcy Code, and the Adequate Protection Liens and the Prepetition Liens, in an amount equal to the sum of (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the Carve-Out Trigger Notice (as defined herein)); (ii) all reasonable and documented fees and expenses incurred by a trustee under section 726(b) of the Bankruptcy Code, in an aggregate amount not to exceed $75,000 (without regard to the Carve-Out Trigger Notice); (iii) to the extent allowed by the Court at any time, whether by interim order, procedural order or otherwise, all unpaid fees and expenses, other than any Transaction Fees (as defined below) (the "Professional Fees") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code or by a Committee, if any, pursuant to section 328 and 1103 of the Bankruptcy Code (collectively, the "Professional Persons"), at any time on or before the first

business day following the (a) delivery by the DIP Agent of a Carve-Out Trigger Notice and (b) the Termination Date (including as a result of the occurrence of an Event of Default) (such day, the "Carve-Out Trigger Date"), whether allowed by the Court prior to or after the Carve-Out Trigger Date; and (iv) Professional Fees incurred after the Carve-Out Trigger Date in an amount not to exceed $8,000,000 (the "Post-Carve-Out Trigger Notice Cap"), in each case subject to the limits imposed by this Interim Order and the Final Order. For purposes of the foregoing, "Carve-Out Trigger Notice" shall mean a written notice delivered by email by the DIP Agent to the Debtors' lead restructuring counsel, the U.S. Trustee, and counsel to any Committee, which notice may be delivered following the occurrence and during the continuation of an Event of Default under the DIP Loan Documents stating that the Post-Carve-Out Trigger Notice Cap has been invoked. For the avoidance of doubt, the incurrence or payment of any amounts subject to the Carve-Out shall not be restricted by the DIP Budget.

(b) The Carve-Out shall not include any restructuring, completion, sale, success, divestiture or other transaction fees of any investment bankers or financial advisors of the Debtors or a Committee, if any (such fees, "Transaction Fees"), provided, however, that a Transaction Fee which is earned and payable by the Debtors, upon consummation of an applicable transaction, pursuant to an engagement letter between the Debtors and the Debtors' investment banker, Evercore, which is acceptable to the DIP Agent (with the consent of the requisite DIP Secured Parties as provided in and consistent with their respective rights under the DIP Loan Documents) and is approved by the Court, shall be payable prior to any distribution to, the DIP Secured Parties or the Prepetition Secured Parties, solely from any proceeds received by the Debtors resulting from such transaction.

(c) Prior to the occurrence of the Carve-Out Trigger Date, the Debtors are authorized (subject to the DIP Budget) to pay Professional Fees that are authorized to be paid in accordance with the provisions of the Bankruptcy Code and any order entered by the Court establishing procedures for the payment of compensation to Professional Persons in these Cases, as the same may be due and payable, and such payments shall not reduce the Carve-Out. Upon the occurrence of the Carve-Out Trigger Date, the Post-Carve-Out Trigger Notice Cap shall be reduced, dollar-for-dollar, by the amount of any Professional Fees incurred and accruing by the Debtors or any Committee, and paid to the applicable Professional Persons, following delivery of the Carve-Out Trigger Notice to the Debtors.

(d) Immediately upon the Carve-Out Trigger Date, and prior to the payment of any DIP Secured Party or Prepetition Secured Party on account of adequate protection, the Carve-Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve (the "Carve-Out Reserve") in an amount equal to the sum of the amounts set forth in paragraphs 8(a)(i) through 8(a)(iv) above.

(e) The Carve-Out Reserve shall be held in a segregated non-interest bearing account in trust at the DIP Agent to pay allowed Professional Fees benefiting from the Carve-Out as provided herein, and the Carve-Out Reserve shall be available only to satisfy such allowed Professional Fees benefiting from the Carve-Out until such Professional Fees are paid in full.

(f) To the extent the Carve-Out Reserve has not been reduced to zero after the payment in full of such obligations, it shall be used to pay the DIP Agent for the benefit of the DIP Secured Parties until the DIP Obligations have been indefeasibly paid in full in cash and all commitments under the DIP Facility have been terminated. Notwithstanding anything to the

contrary herein, the Prepetition Agent and the DIP Agent, each on behalf of itself and the relevant secured parties, (y) shall not sweep or foreclose on the Carve-Out Reserve prior to satisfaction in full of all obligations benefitting from the Carve-Out as provided herein, and (z) shall have a security interest upon any residual interest in the Carve-Out Reserve, available following satisfaction in cash in full of all obligations benefitting from the Carve-Out as provided herein, and the priority of such liens on the residual interest shall be consistent with this Interim Order. Further, notwithstanding anything to the contrary herein, (A) the failure of the Carve-Out Reserve to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out and (B) in no way shall the Carve-Out, the Post-Trigger Date Carve-Out Amount, the Carve-Out Reserve, or any of the foregoing be construed as a cap or limitation on the amount of the Professional Fees due and payable by the Debtors.

(g) Notwithstanding anything to the contrary herein or in the DIP Loan Documents, the Carve-Out shall be senior to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens, the Adequate Protection Obligations, the 507(b) Claims, the Adequate Protection Liens, the Prepetition Liens, and all other liens and claims granted under this Interim Order, the DIP Loan Documents, or otherwise securing or in respect of the DIP Obligations or the Adequate Protection Obligations.

(h) The DIP Secured Parties and the Prepetition Secured Parties reserve the right to review and object to any fee statement, interim application or monthly application issued or filed by the Professionals Persons. Notwithstanding anything to the contrary herein or in the DIP Loan Documents, the payment of any allowed Professional Fees pursuant to the Carve-Out shall not, and shall not be deemed, to (i) reduce any Debtor's obligations owed to the DIP Agent, the other DIP Secured Parties, the Prepetition Agent or the other Prepetition Secured Parties

(whether under this Interim Order or otherwise) or (ii) other than as necessary to permit the payment of such allowed Professional Fees (in each case, subject to the terms of and as expressly provided in this Interim Order with respect to the Carve-Out), modify, alter or otherwise affect any of the liens and security interests of such parties (whether granted under this Interim Order or otherwise) in the Prepetition Collateral or the DIP Collateral (or their claims against the Debtors). The DIP Agent, the other DIP Secured Parties, the Prepetition Agent and the other Prepetition Secured Parties shall not be responsible for the direct payment or reimbursement of any Professional Fees, or any fees or expenses of the U.S. Trustee or Clerk of the Court (or of any other entity) incurred in connection with the Cases or any Successor Case, and nothing in this Interim Order or otherwise shall be construed to obligate such parties in any way to pay such compensation or to reimburse such expenses.

9. **Section 506(c) Claims.** Subject to the entry of the Final Order, as a further condition of the DIP Facility and the DIP Extensions of Credit under the DIP Credit Agreement and the other DIP Loan Documents, any obligation of the DIP Secured Parties to make DIP Extensions of Credit, and the Debtors' authorization to use the Cash Collateral, the Debtors (and any successors thereto or any representatives thereof, including any trustees appointed in the Cases or any Successor Case) shall be deemed to have waived any rights, benefits or causes of action under Section 506(c) of the Bankruptcy Code as they may relate to or be asserted against the DIP Secured Parties, the DIP Liens, the DIP Collateral, the Prepetition Secured Parties, the Prepetition Liens or the Prepetition Collateral. Except for the Carve-Out, nothing contained in this Interim Order, in the Final Order or in the other DIP Loan Documents shall be deemed a consent by the Prepetition Secured Parties or the DIP Secured Parties to any charge, lien, assessment or claim

against, or in respect of, the DIP Collateral or the Prepetition Collateral under Section 506(c) of the Bankruptcy Code or otherwise.

10. **Collateral Rights; Limitations in Respect of Subsequent Court Orders.** Upon the entry of this Interim Order, and thereafter, unless the DIP Agent (at the direction of the Required Lenders) and the Prepetition Agent (at the direction of the requisite lenders under the Prepetition Loan Documents) have provided their prior written consent, or all DIP Obligations and Prepetition Obligations have been indefeasibly paid and satisfied in full in cash (including the cash collateralization of all DIP Letters of Credit, and any prepetition letters of credit under the Prepetition Loan Documents (the "Prepetition LCs") in accordance with the DIP Loan Documents and the Prepetition Loan Documents, as the case may be) and discharged, it shall constitute an Event of Default if the Debtors shall seek in these Cases, or in any Successor Case, or there shall be entered in these Cases or in any Successor Case (or in each case any proceeding ancillary thereto), any order which authorizes any of the following: (i) except as and to the extent expressly permitted by the DIP Credit Agreement, the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral and/or entitled to priority administrative status which is superior to or *pari passu* with those granted pursuant to this Interim Order (other than any Receivables Superpriority Claim) to or for the benefit of the DIP Secured Parties or the Prepetition Secured Parties, or (ii) the use of proceeds of the DIP Facility or Cash Collateral for any purpose other than as permitted under the DIP Credit Agreement and in accordance with the DIP Budget (subject to Permitted Variances).

11. **Proceeds of Subsequent Financing.** Without limiting the provisions and protections of paragraph 10 above, if at any time prior to the indefeasible repayment and satisfaction in full in cash of all DIP Obligations (including the cash collateralization of all DIP

Letters of Credit and Prepetition LCs (if any), in accordance with the DIP Loan Documents and the Prepetition Loan Documents, as the case may be), and the termination of the DIP Secured Parties' obligations to make DIP Extensions of Credit, including subsequent to the confirmation of any Chapter 11 plan or plans with respect to the Debtors, the Debtors, the Debtors' estates, any trustee, any examiner with enlarged powers or any responsible officer subsequently appointed, shall obtain credit or incur debt in violation of this Interim Order or the other DIP Loan Documents, then all of the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent for application in accordance with the DIP Loan Documents, the relevant Prepetition Loan Documents, and under applicable law (and with respect to payment of any Prepetition Obligations, subject to paragraph 6 hereof).

12. **Cash Management.** It shall constitute a Default if the Debtors' cash management system shall not at all times be maintained in accordance with the terms of the DIP Loan Documents and the order of this Court approving the maintenance of the Debtors' cash management system [Dkt. No. 107]. Other than the Collections Accounts (as defined in the Interim Securitization Order, the DIP Agent shall be deemed to have "control" over all bank accounts for all purposes of perfection under the Uniform Commercial Code pursuant to this Interim Order and, if required, pursuant to control agreements reasonably acceptable to the DIP Agent.

13. **Disposition of DIP Collateral.** It shall constitute an Event of Default if the Debtors shall sell (including, without limitation, any sale and leaseback transaction), transfer (including any assignment of rights), lease, encumber or otherwise dispose of any portion of the DIP Collateral, except as permitted by the DIP Credit Agreement (including with respect to the Receivables Financing, in accordance with the Interim Securitization Order and the Receivables Financing Documents).

14. **Events of Default; Rights and Remedies Upon Event of Default.**

(a) Any automatic stay otherwise applicable to the DIP Secured Parties is hereby modified so that, upon and after the occurrence of the Termination Date, the DIP Agent (or the other DIP Secured Parties, to the extent expressly permitted under the DIP Loan Documents) shall, subject to subparagraphs (b) and (c) of this paragraph 14 (including the Default Notice Period to the extent provided therein) and, solely in the case of a Termination Date resulting from an Event of Default, following (i) the delivery of a written notice to counsel to the Debtors, counsel for any Committee appointed in the Cases, and the U.S. Trustee (such notice, a "Default Notice") and (ii) the filing of an emergency motion on the Court's docket, during which period the Court shall hold an expedited hearing (at which hearing the burden shall be on any party opposing the exercise of remedies, and the DIP Secured Parties shall not be required to satisfy the applicable standard for relief from the automatic stay), be entitled to exercise all of their rights and remedies in respect of the DIP Collateral, in accordance with this Interim Order and the other DIP Loan Documents. The term "Termination Date" shall mean (a) the Scheduled Maturity Date, (b) the effective date of any Chapter 11 plan with respect to the Debtors confirmed by the Court; (c) the date on which all or substantially all of the assets of the Debtors are sold in a sale under any Chapter 11 plan or pursuant to Section 363 of the Bankruptcy Code; (d) the date which is forty-five (45) days after the Petition Date, if the Court has not entered the Final Order by such date; (e) the occurrence of an Event of Default under and as defined in the DIP Credit Agreement, and (f) the acceleration of the DIP Obligations and/or termination of the commitments under the DIP Revolving Facility, in accordance with the terms of the DIP Loan Documents.

(b) Upon the delivery by the DIP Agent of a Default Notice: (i) all commitments of the DIP Lenders to provide any DIP Extensions of Credit shall immediately be

suspended, (ii) the Debtors shall have no right to request any DIP Extensions of Credit, to use proceeds of any DIP Extensions of Credit or DIP Collateral, or to use Cash Collateral, other than to use such Cash Collateral and proceeds of DIP Extensions of Credit towards the satisfaction of the DIP Obligations and the Carve-Out, as provided herein; provided, that, during the Default Notice Period (as defined below) the Debtors may, subject to the limitations set forth herein and in the other DIP Loan Documents, continue to use Cash Collateral and proceeds of DIP Extensions of Credit previously drawn or issued (and any other cash on hand or on deposit in any deposit account or other bank account of a Debtor) in the ordinary course of business, and in accordance with the DIP Budget, to pay for payroll or other expenditures incurred prior to the Termination Date which are critical to the Debtors' operations and the preservation of the DIP Collateral; and (iii) subject to the provisions of this paragraph 14, the DIP Agent shall be permitted to apply such proceeds in accordance with the terms of this Interim Order. The Debtors and any Committee shall be entitled to an emergency hearing before this Court within five (5) days after the giving of written notice by the DIP Agent of the occurrence of an Event of Default (the "Default Notice Period"). If the Debtors or any Committee do not contest the occurrence of the Event of Default within the Default Notice Period, or if the Debtors or any Committee do timely contest the occurrence of an Event of Default and the Court after notice and a hearing declines (or otherwise within the Default Notice Period fails) to stay the enforcement thereof, the Termination Date shall be deemed to have occurred for all purposes, and the automatic stay shall terminate as to the DIP Agent in all respects, as provided in this paragraph 14. Nothing herein shall preclude the DIP Agent from seeking an order from the Court upon written notice (electronically in a manner that generates a receipt for delivery, or via overnight mail) to the U.S. Trustee, counsel to the Debtors and counsel to the Committee, if any, authorizing the DIP Agent to exercise any enforcement rights

or remedies with respect to the DIP Collateral on less than five (5) days' notice, or the Debtors' right to contest such relief.

(c) Upon the occurrence of the Termination Date (but subject, only in the case of the occurrence of the Termination Date resulting from an Event of Default, following the expedited hearing to be held in accordance with paragraph 14(a) hereof), the DIP Agent is authorized to exercise all remedies and proceed under or pursuant to the applicable DIP Loan Documents and the Prepetition Loan Documents, including, without limitation, to require the DIP Borrower to cash collateralize any DIP Letters of Credit, in accordance with the DIP Loan Documents. All proceeds realized in connection with the exercise of the rights and remedies of the DIP Secured Parties, or the Prepetition Secured Parties (subject to obtaining the requisite relief from the automatic stay), shall be turned over and applied in accordance with the terms of this Interim Order, the DIP Loan Documents and the Prepetition Loan Documents.

(d) The automatic stay imposed under Section 362(a) of the Bankruptcy Code is hereby modified pursuant to the terms of the DIP Loan Documents as necessary to (i) permit the Debtors to grant the Adequate Protection Liens and the DIP Liens and to incur all DIP Obligations and all liabilities and obligations to the Prepetition Secured Parties hereunder and under the other DIP Loan Documents, as the case may be, and (ii) authorize the DIP Agent, the other DIP Secured Parties to retain and apply payments, and otherwise enforce their respective rights and remedies hereunder.

(e) Upon the occurrence of a Termination Date, or the delivery by the DIP Agent of a Default Notice (subject to the Default Notice Period), and subject to the terms of this paragraph 14, including, subparagraph (g) hereof, the Prepetition Agent and other Prepetition Secured Parties may seek a hearing on an expedited basis to consider whether the automatic stay

may be lifted so that the Prepetition Agent (on behalf of the Prepetition Secured Parties) may exercise any and all of their rights set forth in this Interim Order or in the Prepetition Loan Documents.

(f) Nothing included herein shall prejudice, impair, or otherwise affect the Prepetition Agent's or the DIP Agent's rights to seek (on behalf of the Prepetition Secured Parties and the DIP Secured Parties, respectively), subject to their relative rights and priorities herein, any other or supplemental relief in respect of the Debtors (including, as the case may be, other or additional adequate protection) nor the DIP Agent's or Prepetition Agent's rights to suspend or terminate the making of DIP Extensions of Credit or use of Cash Collateral in accordance with this Interim Order and the other DIP Loan Documents, or the rights of the Debtors to oppose such relief. The delay or failure to exercise rights and remedies under this Interim Order or any DIP Loan Document or Prepetition Loan Document, as applicable, shall not constitute a waiver of the DIP Agent's, the DIP Secured Parties', the Prepetition Agent's or the Prepetition Secured Parties' respective rights hereunder, thereunder or otherwise, as applicable. The occurrence of an Event of Default or the Termination Date shall not affect the validity, priority or enforceability of any and all rights, remedies, benefits and protections provided (or that continue to be provided) to the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition Secured Parties under this Interim Order, which rights, remedies, benefits and protections shall survive the Termination Date, as provided herein.

(g) Notwithstanding anything in this Interim Order to the contrary, neither the Prepetition Agent (on behalf of itself or the other Prepetition Secured Parties) or the other Prepetition Secured Parties shall be permitted to exercise any rights or remedies unless and until the DIP Obligations are indefeasibly paid and satisfied in full in cash (including the cash

collateralization of all DIP Letters of Credit, in accordance with the DIP Loan Documents) and discharged.

15. **Applications of Proceeds of Collateral, Payments and Collections.** As a condition to the DIP Extensions of Credit and the authorization to use Cash Collateral, each Debtor has agreed that all Cash Collateral, all proceeds of any DIP Collateral or Prepetition Collateral (including proceeds realized from a sale or disposition thereof), any amounts held on account of the DIP Collateral or Prepetition Collateral, all payments and collections received by the Debtors with respect to all DIP Collateral and Prepetition Collateral, and all other amounts remitted by any non-Debtor affiliates to any Debtors in respect of, among other things, asset sales and certain other transactions in accordance with the DIP Credit Agreement shall only be used and applied in accordance with this Interim Order, the DIP Credit Agreement, and the other DIP Loan Documents (including repayment and reduction of the DIP Obligations), and in accordance with the DIP Budget (subject to Permitted Variances).

16. **Proofs of Claim, etc.** None of the DIP Secured Parties or the Prepetition Secured Parties shall be required to file proofs of claim in any of the Cases or any Successor Cases for any claim allowed herein, and the Debtors' Stipulations shall be deemed to constitute a timely filed proof of claim against each of the applicable Debtors in the Cases. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Cases or any Successor Cases to the contrary, the DIP Agent, on behalf of itself and the DIP Secured Parties, and the Prepetition Agent, on behalf of itself and the Prepetition Secured Parties, respectively, are hereby authorized and entitled, in each of their sole and absolute discretion, but not required, to file (and amend and/or supplement, as it sees fit) a master proof of claim and/or aggregate proofs of claim in each of the Cases or any Successor Cases for any claim allowed herein; for avoidance

of doubt, any such proof of claim may (but is not required to be) filed as one consolidated proof of claim against all of the Debtors, rather than as separate proofs of claim against each Debtor. Any proof of claim filed by the DIP Agent or the Prepetition Agent shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by any of the respective DIP Secured Parties or Prepetition Secured Parties. Any order entered by the Court in relation to the establishment of a bar date for any claim (including without limitation administrative claims) in any of the Cases or any Successor Cases shall not apply to the DIP Agent, the other DIP Secured Parties, the Prepetition Agent or the other Prepetition Secured Parties.

17. **Other Rights and Obligations.**

(a) **Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Interim Order.** Based on the findings set forth in this Interim Order and in accordance with Section 364(e) of the Bankruptcy Code, which is applicable to the DIP Facility as approved by this Interim Order, in the event any or all of the provisions of this Interim Order are hereafter modified, amended or vacated by a subsequent order of this Court or any other court, the DIP Secured Parties are entitled to the protections provided in Section 364(e) of the Bankruptcy Code, and no such appeal, modification, amendment or vacatur shall affect the validity and enforceability of any advances made hereunder or the liens or priority authorized or created hereby. Notwithstanding any such modification, amendment or vacatur, any claim granted to the DIP Secured Parties hereunder arising prior to the effective date of such modification, amendment, vacatur or stay of any DIP Liens or of the DIP Superpriority Claim granted to or for the benefit of the DIP Secured Parties shall be governed in all respects by the original provisions of this Interim Order, and the DIP Secured Parties shall be entitled to all of the rights, remedies, privileges and benefits, including the DIP Liens and the DIP Superpriority Claim granted herein, with respect to

any such claim. Because the DIP Extensions of Credit are made in reliance on this Interim Order and the other DIP Loan Documents, the DIP Obligations incurred by the Debtors or owed the DIP Secured Parties prior to the effective date of any stay, modification or vacatur of this Interim Order shall not, as a result of any subsequent order in the Cases or in any Successor Cases, be subordinated, lose their lien priority or superpriority administrative expense claim status, or be deprived of the benefit of the status of the liens and claims granted to the DIP Secured Parties under this Interim Order.

(b) **Expenses.** To the fullest extent provided in this Interim Order and in the other DIP Loan Documents, the Debtors will pay all prepetition and post-petition fees expenses incurred by the DIP Secured Parties (including, without limitation, the reasonable fees and disbursements of the DIP Lender Professionals, and any other local counsel or additional securitization counsel that any DIP Secured Party shall retain and any internal or third-party appraisers, consultants, financial, restructuring or other advisors and auditors advising any such counsel), including in connection with (i) the negotiation, preparation, execution, delivery, funding and administration of the DIP Loan Documents, including, without limitation, all due diligence fees and expenses incurred or sustained in connection with the DIP Loan Documents, (ii) the Cases or any Successor Cases, or (iii) enforcement of any rights or remedies under the DIP Loan Documents. Payment of all such fees and expenses, and the fees and expenses of the Prepetition Secured Parties that are paid as adequate protection hereunder, shall not be subject to allowance by the Court, and the Prepetition Secured Parties, the Prepetition Lender Professionals, the DIP Secured Parties, and the DIP Lender Professionals (and any other professionals for the DIP Secured Parties), shall not be required to file an application seeking compensation for services or reimbursement of expenses with the Court or comply with the U.S. Trustee fee guidelines, but

shall provide its fee and expense statements or invoices, in summary form, which shall not be required to contain time entries but shall include the number of hours billed by the applicable professional (except for financial advisors compensated on other than an hourly basis) and a summary statement of services provided and the expenses incurred and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client or other privilege, any information constituting attorney work product, or any other confidential or otherwise sensitive information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine) to the Debtors, with copies to be provided to the Office of the U.S. Trustee and counsel for the Committee (if any) contemporaneously with the delivery of such fee and expense statements or invoices to the Debtors. The Debtors shall pay in cash all such fees and expenses of any DIP Lender Professional, (i) promptly upon the entry of this Interim Order (or, in the case of DIP Lender Professionals retained by any Prepetition Lender, within three (3) business days after receipt of an invoice therefrom), and (ii) thereafter, within ten (10) days of presentment of such statements or invoices, if no written objections to the reasonableness of the fees and expenses charged in any such statement or invoice (or portion thereof) is made.. Any objection raised by the Debtors, the U.S. Trustee or the Committee (if any) with respect to such fee and expense statements or invoices (with notice of such objection provided to the DIP Agent and to the respective DIP Lender Professional) may be made only on the basis of "reasonableness," and shall specify in writing the amount of the contested fees and expenses and the detailed basis for such objection. To the extent an objection only contests a portion of an invoice, the undisputed portion thereof shall be promptly paid. If any such objection to payment of an invoice (or any portion thereof) is not otherwise resolved between the Debtors, any Committee or the U.S. Trustee and the issuer of the invoice,

either party may submit such dispute to the Court for a determination as to the reasonableness of the relevant disputed fees and expenses set forth in the invoice. This Court shall retain the jurisdiction to resolve any dispute as to the reasonableness of any fees and expenses. Such fees and expenses shall not be subject to the DIP Budget and shall not be subject to any offset, defense, claim, counterclaim or diminution of any type, kind or nature whatsoever. For the avoidance of doubt, and without limiting any of the forgoing or any other provision of this Interim Order, each of the fees specified in Section 2.12 of the DIP Credit Agreement (including, any commitment fees, upfront fees, administrative agent fees, arranger fees, exit fees, letter of credit participation fees, letter of credit fronting fees, and unused line fees), are, in each case, upon entry of this Interim Order and irrespective of any subsequent order approving or denying the DIP Facility or any other financing pursuant to Section 364 of the Bankruptcy Code, fully entitled to all protections of Section 364(e) of the Bankruptcy Code and are deemed fully earned, non-refundable, irrevocable, and non-avoidable as of the date of this Interim Order.

(c) **Credit Bid.** The DIP Agent, with the consent of the Required Lenders shall have the right (on behalf of the DIP Lenders) to credit-bid the amount of the DIP Obligations (other than, prior to the Challenge Period Termination Date, the DIP Roll-Up Loans) in connection with any sale of all or substantially all of the Debtors' assets and property, including, without limitation, any sale occurring pursuant to Section 363 of the Bankruptcy Code or included as part of any Chapter 11 plan subject to confirmation under Section 1129(b)(2)(A)(iii) of the Bankruptcy Code.

of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or LIBOR Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any LIBOR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.14, 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender); provided that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement and (ii) the non-performance of a Lender's obligations by any domestic or foreign branch or Affiliate of such Lender so nominated by it shall not relieve the Lender from its obligations under this Agreement.

(c) At the commencement of each Interest Period for any LIBOR Revolving Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of $500,000 and not less than $2,500,000. At the time that each ABR Revolving Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of $500,000 and not less than $2,500,000; provided that an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unused balance of the Maximum Available Amount or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e). Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) LIBOR Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect to such Borrowing would end after the Maturity Date.

SECTION 2.03. Requests for Revolving Borrowings. To request a Revolving Borrowing, the Borrower shall notify the Administrative Agent of such request either by delivery of a written Borrowing Request signed by the Borrower (delivered by hand or telecopy) or, after the Effective Date, by telephone (provided that any telephonic notice must be confirmed immediately by delivery to the Administrative Agent of a Borrowing Request) (a) in the case of a LIBOR Borrowing, not later than 1:30 p.m., New York City time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 12:00 p.m., New York City time, on the date of the proposed Borrowing; provided that any such notice of an ABR Revolving Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.06(e) may be given not later than 9:00 a.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Borrowing Request signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) the aggregate amount of the requested Borrowing;

(ii) the date of such Borrowing, which shall be a Business Day;

(iii) whether such Borrowing is to be an ABR Borrowing or a LIBOR Borrowing;

(iv) in the case of a LIBOR Borrowing, the initial Interest Period to be applicable thereto and the last day thereof, which shall be a period contemplated by the definition of the term "Interest Period";

(v) the Maximum Available Amount in effect on such date both immediately before and after giving effect to such Borrowing;

(vi) in the case of a Revolving Borrowing, the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.07; and

(vii) compliance with the applicable conditions set forth in Section 4.02 and that the Effective Date shall have occurred prior to the requested date of such Borrowing.

If no election as to the Type of Revolving Borrowing is specified, then the requested Revolving Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested LIBOR Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Revolving Loan to be made (or deemed made) as part of the requested Revolving Borrowing.

SECTION 2.04. Intentionally Omitted.

SECTION 2.05. Intentionally Omitted.

SECTION 2.06. Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Issuing Banks agree that, in reliance upon the agreements of the Lenders set forth in this Section 2.06, the Borrower may request the issuance of Letters of Credit denominated in dollars as the applicant thereof for its own account or for the account of any Domestic Subsidiary, in a form reasonably acceptable to the Administrative Agent and the relevant Issuing Bank, from time to time on any Business Day during the Availability Period. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the relevant Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. The Borrower unconditionally and irrevocably agrees that, in connection with any Letter of Credit issued for the support of any Subsidiary's obligations as provided in the first sentence of this paragraph, the Borrower will be fully responsible for the reimbursement of LC Disbursements in accordance with the terms hereof, the payment of interest thereon and the payment of fees due under Section 2.12(b) to the same extent as if it were the sole account party in respect of such Letter of Credit (the Borrower hereby irrevocably waiving any defenses that might

otherwise be available to it as a guarantor or surety of the obligations of such a Subsidiary that is an account party in respect of any such Letter of Credit).

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions.

(i) To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the relevant Issuing Bank) to an Issuing Bank (which Issuing Bank shall be selected by the Borrower) and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof, the documents to be presented by such beneficiary in case of any drawing thereunder, the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder, the purpose and nature of the requested Letter of Credit and such other information as the applicable Issuing Bank may require. Such notice must be received by the applicable Issuing Bank and the Administrative Agent not later than 11:00 a.m. at least two Business Days (or such later date and time as the Administrative Agent and the applicable Issuing Bank may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. If requested by such Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit.

(ii) Promptly after receipt of any Letter of Credit application, the applicable Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such request from the Borrower and, if not, the applicable Issuing Bank will provide the Administrative Agent with a copy thereof. Unless the applicable Issuing Bank has received written notice from any Lender, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article IV shall not then be satisfied, then, subject to the terms and conditions hereof, the applicable Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be, in each case in accordance with the applicable Issuing Bank's usual and customary business practices.

(iii) A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the amount of the LC Exposure shall not exceed $25,000,000, (ii) each Issuing Bank's LC Exposure shall not exceed such Issuing

Bank's LC Commitment, and (iii) the sum of the total Revolving Exposures shall not exceed the Maximum Available Amount.

(iv) the Issuing Banks shall not be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Banks from issuing the Letter of Credit, or any Law applicable to the Issuing Banks or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Issuing Banks shall prohibit, or request that the Issuing Banks refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon the Issuing Banks with respect to the Letter of Credit any restriction, reserve or capital requirement (for which the Issuing Banks are not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon the Issuing Banks any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which the Issuing Banks in good faith deem material;

(B) the beneficiary of such Letter of Credit is subject to Sanctions;

(C) the issuance of the Letter of Credit would violate one or more policies of the Issuing Banks applicable to letters of credit generally;

(D) except as otherwise agreed by the Administrative Agent and the Issuing Banks, the Letter of Credit is in an initial stated amount less than $100,000, in the case of a commercial Letter of Credit, or $500,000, in the case of a standby Letter of Credit;

(E) the Letter of Credit is to be denominated in a currency other than Dollars;

(F) subject to Section 2.21, any Lender is at that time a Defaulting Lender, unless the Issuing Banks have entered into arrangements, including the delivery of Cash Collateral as required by Section 2.22, satisfactory to the Issuing Banks (in their sole discretion) with the Borrower or such Lender to eliminate the Issuing Banks' actual or potential Fronting Exposure (after giving effect to Section 2.21) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other LC Exposure as to which the Issuing Banks have actual or potential Fronting Exposure, as it may elect in its sole discretion; or

(G) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder.

(v) The Issuing Banks shall not amend any Letter of Credit if the Issuing Banks would not be permitted at such time to issue the Letter of Credit in its amended form under the terms hereof.

(vi) The Issuing Banks shall be under no obligation to amend any Letter of Credit if (A) the Issuing Banks would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit.

(vii) The Issuing Banks shall act on behalf of the Lenders with respect to any Letters of Credit issued by any Issuing Bank and the documents associated therewith, and the Issuing Banks shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article VIII with respect to any acts taken or omissions suffered by the Issuing Banks in connection with Letters of Credit issued by it or proposed to be issued by it and pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article VIII included the Issuing Banks with respect to such acts or omissions, and (B) as additionally provided herein with respect to the Issuing Banks.

(viii) If the Borrower so requests, the applicable Issuing Bank shall issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit the Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the Issuing Bank, the Borrower shall not be required to make a specific request to the Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the latest expiration date permitted for such letter of Credit pursuant to Section 2.06(c); provided, however, that the Issuing Bank shall not permit any such extension if (A) the Issuing Bank has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof, or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Lenders have elected not to permit such extension or (2) from the Administrative Agent, any Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, and in each such case directing the Issuing Bank not to permit such extension.

(c) Expiration Date. Each Letter of Credit shall expire (or be subject to termination by notice from the relevant Issuing Bank to the beneficiary thereof) at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter

of Credit or such later date as may be agreed to by the relevant Issuing Bank (or, in the case of any renewal or extension thereof, including any Auto-Extension Letter of Credit, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Maturity Date; provided that a Letter of Credit may expire up to (but not later than) one year beyond the Maturity Date so long as the Borrower Cash Collateralizes 105% of the face amount of such Letter of Credit in the manner described in Section 2.06(j) no later than the Maturity Date on terms and conditions reasonably acceptable to the relevant Issuing Bank and the Administrative Agent.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of any Issuing Bank or the Lenders, each Issuing Bank hereby grants to each Lender, and each Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Revolving Credit Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the relevant Issuing Bank, such Lender's Applicable Revolving Credit Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Bank shall notify the Borrower and the Administrative Agent thereof. Not later than 11:00 a.m., New York City time, on the date of any LC Disbursement by an Issuing Bank under a Letter of Credit, the Borrower shall reimburse such Issuing Bank through the Administrative Agent in an amount equal to the amount of such drawing if the Borrower shall have received notice of such LC Disbursement prior to 9:00 a.m., New York City time, on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time on the day of receipt; provided that the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.05 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount of such LC Disbursement and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Lender's Applicable Revolving Credit Percentage thereof. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent its Applicable Revolving Credit Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders),

and the Administrative Agent shall promptly pay to such Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the relevant Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination and that:

(i) an Issuing Bank may replace a purportedly lost, stolen, or destroyed original Letter of Credit or missing amendment thereto with a replacement marked as such or waive a requirement for its presentation;

(ii) an Issuing Bank may accept documents that appear on their face to be in substantial compliance with the terms of a Letter of Credit without responsibility for further investigation, regardless of any notice or information to the contrary, and may

make payment upon presentation of documents that appear on their face to be in substantial compliance with the terms of such Letter of Credit and without regard to any non-documentary condition in such Letter of Credit;

(iii) an Issuing Bank shall have the right, in its sole discretion, to decline to accept such documents and to make such payment if such documents are not in strict compliance with the terms of such Letter of Credit; and

(iv) this sentence shall establish the standard of care to be exercised by an Issuing Bank when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof (and the parties hereto hereby waive, to the extent permitted by applicable Law, any standard of care inconsistent with the foregoing).

Without limiting the foregoing, none of the Administrative Agent, the Lenders, any Issuing Bank, or any of their Related Parties shall have any liability or responsibility by reason of (A) any presentation that includes forged or fraudulent documents or that is otherwise affected by the fraudulent, bad faith, or illegal conduct of the beneficiary or other Person, (B) an Issuing Bank declining to take-up documents and make payment (x) against documents that are fraudulent, forged, or for other reasons by which that it is entitled not to honor or (y) following the Borrower's waiver of discrepancies with respect to such documents or request for honor of such documents or (C) an Issuing Bank retaining proceeds of a Letter of Credit based on an apparently applicable attachment order, blocking regulation, or third-party claim notified to such Issuing Bank.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (provided that any telephonic notice must be confirmed immediately by delivery to the Administrative Agent of a Borrowing Request) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of such Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Replacement of any Issuing Bank. Any Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any

such replacement of an Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit then outstanding and issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If the maturity of the Loans has been accelerated in accordance with Article VII, on the Business Day that the Borrower receives notice from the Administrative Agent or the Required Lenders (or Lenders with LC Exposure representing greater than 50% of the total LC Exposure) demanding the deposit of Cash Collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders (the "LC Collateral Account"), an amount in cash equal to 105% of the LC Exposure as of such date plus accrued and unpaid interest thereon; provided that the obligation to deposit such Cash Collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Article VII. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Secured Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account and the Borrower hereby grants the Administrative Agent a security interest in the LC Collateral Account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the relevant Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Secured Obligations. If the Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all such Events of Defaults have been cured or waived.

(k) Reports by Issuing Banks to the Administrative Agent. On the Business Day following the end of each calendar quarter, each Issuing Bank (other than Rabobank) shall furnish to the Administrative Agent a report setting forth (i) the issuance and expiration dates, and the face amount, of each Letter of Credit issued by such Issuing Bank during the most recently completed calendar quarter, (ii) the aggregate undrawn amount of all Letters of Credit issued by such Issuing

Bank that are outstanding as of such date and (iii) the aggregate amount of all LC Disbursements made by such Issuing Bank that have not been reimbursed by or on behalf of the Borrower prior to such date.

(l) Applicability of ISP and UCP; Limitation of Liability. Unless otherwise expressly agreed by the Issuing Banks and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, the Issuing Banks shall not be responsible to the Borrower for, and the Issuing Banks' rights and remedies against the Borrower shall not be impaired by, any action or inaction of the Issuing Banks required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where the Issuing Banks or the beneficiary are located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(m) Illegality under Letters of Credit. If, at any time, it becomes unlawful for any Issuing Bank to comply with any of its obligations under any Letter of Credit (including, but not limited to, as a result of any Sanctions), the obligations of such Issuing Bank with respect to such Letter of Credit shall be suspended (and all corresponding rights shall cease to accrue) until such time as it may again become lawful for such Issuing Bank to comply its obligations under such Letter of Credit, and such Issuing Bank shall not be liable for any losses that the Loan Parties may incur as a result.

(n) Conflict with Letter of Credit Documents. In the event of any conflict between the terms hereof and the terms of any Letter of Credit documentation, the terms hereof shall control.

SECTION 2.07. Funding of Borrowings.

(a) DIP Term Loans. On and from the Final Order Date, upon entry of the Final Order and subject to section 4.03 hereof, the outstanding principal amount of Pre-Petition Revolving Loans of each Pre-Petition Lender as of the Petition Date, shall be refinanced and deemed to be repaid by, and exchanged for, on a dollar-for-dollar basis, DIP Term Loans under this Agreement.

(b) Revolving Loans.

(i) Each Lender shall make each Revolving Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 4:00 p.m., New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender's Applicable Revolving Credit Percentage. The Administrative Agent will make such Loans available to the Borrower by (i) promptly crediting the amounts so received, in like

funds, to the Funding Account or (ii) wire transfer of such funds, in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; provided, however, that if, on the date the Borrowing Request with respect to such Borrowing is given by the Borrower, there are LC Disbursements outstanding, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such LC Disbursements, and second, shall be made available to the Borrower as provided above; provided that ABR Revolving Loans to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the relevant Issuing Bank.

(ii) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(iii) A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.07(b) shall be conclusive, absent manifest error.

(iv) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(v) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

SECTION 2.08. Interest Elections.

(a) The DIP Term Loans shall, initially, be a LIBOR Borrowing with an Interest Period of one month and each other Borrowing initially shall be of the Type specified in the applicable Borrowing Request therefor and, in the case of any such other Borrowing that is a LIBOR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a LIBOR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Interest Election Request signed by the Borrower. Notwithstanding any contrary provision herein, this Section shall not be construed to permit the Borrower to elect an Interest Period for LIBOR Loans that does not comply with Section 2.02(d).

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a LIBOR Borrowing; and

(iv) if the resulting Borrowing is a LIBOR Borrowing, the Interest Period to be applicable thereto after giving effect to such election and the last day of such Interest Period, which shall be an interest period of one month (as contemplated by the definition of the term "Interest Period").

If any such Interest Election Request requests a LIBOR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each relevant Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a LIBOR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a LIBOR Borrowing and (ii) unless repaid, each LIBOR Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.09. Termination and Reduction of Commitments.

(a) The DIP Term Loan Commitments shall terminate on the earlier of the Final Order Date (after giving effect to the Borrowing of DIP Term Loans deemed made on such date) and the Maturity Date. Unless previously terminated, the Revolving Commitments shall terminate on the Maturity Date.

(b) The Borrower may at any time terminate the Revolving Commitments upon (i) the payment in full in cash of all outstanding Revolving Loans, together with accrued and unpaid interest thereon and on any Letters of Credit, (ii) the cancellation and return of all outstanding Letters of Credit (or alternatively, with respect to each such Letter of Credit, the furnishing to the Administrative Agent of a cash deposit (or at the discretion of the Administrative Agent a backup standby letter of credit satisfactory to the Administrative Agent) equal to 105% of the LC Exposure as of such date), (iii) the payment in full in cash of the accrued and unpaid fees in respect of the Revolving Commitments, and (iv) the payment in full in cash of all reimbursable expenses and other Obligations in respect of the Revolving Commitments together with accrued and unpaid interest thereon.

(c) The Borrower may from time to time reduce the Revolving Commitments; provided that (i) each reduction of such Revolving Commitments shall be in an amount that is an integral multiple of $1,000,000 and not less than $5,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the sum of the Revolving Exposures would exceed the lesser of the Aggregate Revolving Commitments and the Total Revolving Outstandings Cap at such time.

(d) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments under paragraph (b) or (c) of this Section at least one Business Day prior to the effective date of such termination or reduction, specifying such

election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or the occurrence of any one or more other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Revolving Commitments shall be permanent. Each reduction of the Revolving Commitments shall be made ratably among the Lenders in accordance with their respective Revolving Commitments.

SECTION 2.10. Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Loan on the Maturity Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein absent manifest error; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender and its registered assigns a promissory note payable to such Lender and in the form attached hereto as Exhibit E. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein and its registered assigns.

SECTION 2.11. Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to make a prepayment in respect of the Borrowings in whole or in part without premium or penalty but

subject to breakfunding payments pursuant to Section 2.16 and any amount payable pursuant to Section 2.12(c), subject to prior notice in accordance with this paragraph (e) of this Section, provided that each such prepayment shall be applied as set forth in clause (d) below.

(b) (i) Within three (3) Business Days following the receipt by any Loan Party or any Restricted Subsidiary of any Net Cash Proceeds derived from any Asset Sale or series of Asset Sales which cumulatively aggregate in excess of $5,000,000 from all such Asset Sales during the term of this Agreement, the Borrower shall prepay the Obligations in an aggregate amount equal to one hundred percent (100%) of the Net Cash Proceeds so received (each such prepayment to be applied as set forth in clause (d) below), and (ii) to the extent of cash proceeds received in connection with a Recovery Event which are in excess of $5,000,000 in the aggregate and which are not applied to repair, replace or relocate damaged property or to purchase or acquire fixed or capital assets in replacement of the assets lost or destroyed within thirty (30) days of the receipt of such cash proceeds, the Borrower shall prepay the Obligations in an aggregate amount equal to one hundred percent (100%) of such cash proceeds net of all third-party costs incurred to obtain such cash proceeds (such prepayment to be applied as set forth in clause (d) below).

(c) If at any time (including, without limitation, on any Report Date):

(i) the sum of the aggregate principal amount of all of the Revolving Exposures exceeds the Maximum Available Amount, the Borrower shall immediately repay Revolving Borrowings and/or Cash Collateralize LC Exposure in an account with the Administrative Agent pursuant to Section 2.06(j), as applicable, in an aggregate principal amount sufficient to cause the aggregate principal amount of all Revolving Exposures to be less than or equal to the Maximum Available Amount; and/or

(ii) the aggregate amount of the sum of (x) Unrestricted cash and Cash Equivalents owned or held by the Borrower and its Restricted Subsidiaries (for the avoidance of doubt, excluding the Receivables Financing SPCs and/or any not-for-profit Subsidiary) (determined after giving pro forma effect to the making of any Revolving Loan on such date and the application of proceeds therefrom and from any other Unrestricted cash or Cash Equivalents on hand on such date (to the extent such proceeds and/or other Unrestricted cash or Cash Equivalents are actually utilized by the Borrower and/or any such Restricted Subsidiary on the date of incurrence of such Revolving Loan for a permitted purpose under this Agreement other than an investment in cash or Cash Equivalents)), less (y) the Budgeted Operating Disbursements Amount set forth in the then current Agreed Budget for the immediately succeeding week, less (z) the Carve-Out, exceeds $30,000,000 (for purposes of Unrestricted cash denominated in a currency other than Dollars, taking the Dollar equivalent of such Unrestricted cash as determined on the intended date of borrowing of such Revolving Loan) (such amount of Unrestricted cash and Cash Equivalents in excess of $30,000,000, the "Excess Unrestricted Cash Amount") for a period of five (5) consecutive Business Days, the Borrower shall, on the immediately succeeding Business Day following such five (5) Business Day period, repay Revolving Borrowings in an account with the Administrative Agent pursuant to Section 2.06(j), as applicable, in an aggregate principal amount equal to such Excess Unrestricted Cash Amount.

Each such prepayment pursuant to this clause (c) shall be applied as set forth in clause (d) below.

(d) All such amounts pursuant to Section 2.11(a), (b) and (c) shall be applied, first, to prepay the Revolving Loans ratably until the Revolving Loans are paid in full, second, to Cash Collateralize outstanding LC Exposure until such LC Exposure is Cash Collateralized in full and third, after all then outstanding Revolving Loans are paid in full, and all outstanding LC Exposure is Cash Collateralized, to prepay the DIP Term Loans ratably. Within the parameters of the applications set forth above, prepayments shall be applied first to ABR Loans and then to LIBOR Loans in direct order of Interest Period maturities. If an Event of Default has occurred and is continuing at the time of any mandatory prepayment, the proceeds thereof shall be applied in accordance with Section 2.18(b).

(e) The Borrower shall notify the Administrative Agent by telephone (confirmed by telecopy) of any prepayment hereunder (i) in the case of prepayment of a LIBOR Borrowing, not later than 1:30 p.m., New York City time, three Business Days before the date of prepayment (or such later time reasonably acceptable to the Administrative Agent or, with respect to prepayments required pursuant to Section 2.11(b)(i) or (c), such later time prior to the making of such prepayment that is necessary to accommodate the requirements for more timely payments set forth in such Section) or (ii) in the case of prepayment of an ABR Borrowing, not later than 1:30 p.m., New York City time, one Business Day before the date of prepayment (or such later time reasonably acceptable to the Administrative Agent or, with respect to prepayments required pursuant to Section 2.11(b)(i) or (c), such later time prior to the making of such prepayment that is necessary to accommodate the requirements for more timely payments set forth in such Section). Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and any amount payable thereon pursuant to Section 2.12(c); provided that, a notice of prepayment delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or incurrence of Indebtedness or a Change in Control, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent not later than 12:00 noon New York City time (or such later time as the Administrative Agent may approve in its sole discretion), one Business Date prior to the specified effective date) if such condition is not satisfied. Each such notice shall be in a form reasonably approved by the Administrative Agent (including any form on an electronic platform or electronic transmission system as shall be reasonably approved by the Administrative Agent), appropriately completed and signed by a Responsible Officer of the Borrower. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.13, (ii) breakfunding payments pursuant to Section 2.16 and (iii) any applicable amount payable pursuant to Section 2.12(c).

(f) Notwithstanding any other provisions of this Section 2.11, (i) to the extent that any or all of the Net Cash Proceeds of any Asset Sale by a Foreign Subsidiary (each such Asset Sale a "Foreign Asset Sale") or the cash proceeds received in connection with any Recovery Event incurred by a Foreign Subsidiary (each such Recovery Event a "Foreign Recovery Event") are

prohibited or delayed by applicable foreign Law or the applicable Organization Documents of such Foreign Subsidiary from being repatriated to the Borrower to repay the Obligations pursuant to Section 2.11(b), the portion of such Net Cash Proceeds so affected will not be required to be applied to repay the Obligations at the time provided in Section 2.11(b), but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law or applicable Organization Documents of such Foreign Subsidiary will not permit repatriation to the Borrower (the Borrower hereby agreeing to use, and cause its Subsidiaries to use, all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash and Cash Equivalents of the Borrower and its Subsidiaries that are not affected by such restrictions to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Cash Proceeds is permitted under the applicable local law or the applicable Organization Documents of such Foreign Subsidiary, such repatriation will be immediately effected and such repatriated Net Cash Proceeds will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof and additional costs relating to such repatriation) to the repayment of the Obligations pursuant to this Section 2.11 or (ii) to the extent that the Borrower has determined in good faith, after consultation with the Administrative Agent, that repatriation to the Borrower to repay the Obligations pursuant to Section 2.11(b) of any of or all the Net Cash Proceeds of any Foreign Asset Sale or Net Cash Proceeds of any Foreign Recovery Event attributable to Foreign Subsidiaries would have adverse tax consequences (including any reduction in tax attributes) with respect to such Net Cash Proceeds, such Net Cash Proceeds so affected will not be required to be applied to repay such Obligations at the time provided in Section 2.11(b), but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable adverse tax consequences with respect to such Net Cash Proceeds remain (the Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any adverse tax consequences and/or use the other cash and Cash Equivalents of the Borrower and its Subsidiaries that are not affected by such adverse tax consequences to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Cash Proceeds would no longer have adverse tax consequences, such repatriation will be immediately effected and such repatriated Net Cash Proceeds will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof and additional costs relating to such repatriation) to the repayment of the Obligations pursuant to this Section 2.11. The annual aggregate amount of Net Cash Proceeds from Asset Sales and Recovery Events that are exempted from prepaying the Obligations pursuant to Section 2.11(b) shall be reduced by the Net Cash Proceeds from Foreign Asset Sales and Foreign Recovery Events that are exempted from prepaying the Obligations by operation of this Section 2.11(f).

SECTION 2.12. Fees.

(a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a commitment fee, which shall accrue at the Applicable Rate on the average daily amount of the Available Revolving Commitment of such Revolving Lender during the period from and including the Effective Date to but excluding the date on which such Commitment

terminates. Accrued commitment fees shall be payable in arrears on the last day of each calendar month and on the date on which the Commitments terminate, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate used to determine the interest rate applicable to LIBOR Revolving Loans on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the applicable Issuing Bank for its own account a fronting fee, which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements in respect of Letters of Credit issued by such Issuing Bank) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as such Issuing Bank's standard fees and commissions with respect to the issuance, amendment, cancellation, negotiation, transfer, presentment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of each calendar month shall be payable in arrears on the last day of each such calendar month and on the date on which the Commitments terminate, commencing on the first such date to occur after the Effective Date; provided that any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to any Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) In the event all or any portion of the DIP Term Loans of a Lender are repaid, prepaid, refinanced or replaced at any time (whether voluntary or mandatory, including as a result of acceleration or at the Maturity Date) or any Commitment of a Lender is permanently refinanced, replaced, terminated, expired, cancelled or reduced (whether voluntary or mandatory, including in connection with any prepayment or as a result of acceleration or at the Maturity Date (but excluding, for the avoidance of doubt, the termination of DIP Term Loan Commitments in connection with the making of DIP Term Loans of the equivalent principal amount (on a dollar-for-dollar basis) on the Final Order Date in accordance with Section 2.09(a)), such repayment, prepayment, refinancing, replacement, termination, expiration, cancellation or reduction will be made together with an exit fee in an amount equal to (i) 1.25% of the aggregate principal amount of the DIP Term Loans so repaid, prepaid, refinanced or replaced and (ii) without duplication of any payment pursuant to the preceding clause (i), 1.25% of the aggregate principal amount of Commitments so permanently refinanced, replaced, terminated, expired, cancelled or reduced.

(d) The Borrower agrees to pay to the Administrative Agent, the Arranger and CoBank, ACB, in each case for its own account, the fees set forth in the applicable Fee Letter and

such other fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent, the Borrower and the Arranger, or the Borrower and CoBank, ACB, as the case may be.

(e) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the relevant Issuing Bank, the Arranger or CoBank, ACB, in the case of fees payable to any of them) for distribution, in the case of commitment, participation and exit fees, to the Lenders. Fees paid shall not be refundable under any circumstances.

SECTION 2.13. Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each LIBOR Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, (i) immediately upon the occurrence of any Event of Default described in clause (a), (o), (p), (q), (s), (t), (u) or (w) of Article VII, and (ii) at the election of Administrative Agent or the Required Lenders upon the occurrence of any other Event of Default, the Borrower shall pay interest on the principal amount of all outstanding Loans and, to the fullest extent permitted by law, the outstanding amount of all interest, fees and other amounts owed under this Agreement, at a rate per annum equal to 2.00% plus (i) in the case of any Loan, the rate otherwise applicable to such Loan as provided in the preceding clauses of this section, and (ii) in the case of any other amount the rate applicable to ABR Loans as provided in clause (a) of this Section.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and upon the earlier of termination of the Commitments and the Maturity Date; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any LIBOR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest; Illegality; LIBO Successor Rate.

(a) Alternate Rate of Interest. If prior to the commencement of any Interest Period for a LIBOR Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a LIBOR Borrowing shall be ineffective, and (ii) if any Borrowing Request requests a LIBOR Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to the Adjusted LIBO Rate, or to determine or charge interest rates based upon the Adjusted LIBO Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue LIBOR Loans or to convert ABR Loans to LIBOR Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), convert all LIBOR Loans of such Lender to ABR Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBOR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBOR Loans. Upon any such conversion, the Borrower shall also pay accrued interest on the amount so converted.

(c) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents:

(i) if the Administrative Agent reasonably determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that:

(A) adequate and reasonable means do not exist for ascertaining the LIBO Rate for any requested Interest Period, including, without limitation, because the LIBO Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(B) the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate or the LIBO Screen Rate shall no longer be made available, or used for determining the interest rate applicable to loans (such specific date, the "Scheduled Unavailability Date"); or

(ii) if the Administrative Agent and the Borrower determine that syndicated loans currently being executed, or that include language similar to that contained in this Section, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace the LIBO Rate,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the LIBO Rate with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), giving due consideration to any evolving or then prevailing market convention for determining interest rates for loans for similar Dollar denominated syndicated credit facilities for such alternative benchmarks (any such proposed rate, a "LIBO Successor Rate"), together with any proposed LIBO Successor Rate Conforming Changes and notwithstanding anything in Section 9.02 to the contrary, any such amendment (which shall be in form and substance reasonably satisfactory to the Borrower) shall become effective at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders do not accept such amendment. If no LIBO Successor Rate has been determined and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBOR Loans shall be suspended, (to the extent of the affected LIBOR Loans or Interest Periods), and (y) the Adjusted LIBO Rate component shall no longer be utilized in determining the Alternate Base Rate. Upon receipt of such notice, Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of LIBOR Loans (to the extent of the affected LIBOR Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of ABR Loans (subject to the foregoing clause (y)) in the amount specified therein. Notwithstanding anything else herein, any definition of LIBO Successor Rate shall provide that in no event shall such LIBO Successor Rate be less than zero for purposes of this Agreement.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank (except any statutory reserve requirement included in the calculation of the Adjusted LIBO Rate);

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting into or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or such other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender, such Issuing Bank or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as the case may be, for such actual and direct costs (but not including anticipated profits) reasonably incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered as reasonably determined by such Lender or such Issuing Bank (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and generally consistent with similarly situated customers of such Lender or such Issuing Bank, as applicable, under agreements having provisions similar to this Section 2.15, after consideration of such factors as such Lender or such Issuing Bank, as applicable, then reasonably determines to be relevant; provided that neither such Lender nor such Issuing Bank, as applicable, shall be required to disclose any confidential or proprietary information in connection therewith).

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 15 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any LIBOR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any LIBOR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any LIBOR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.09(d) and is revoked in accordance therewith), or (d) the assignment of any LIBOR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.20, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a LIBOR Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.17. Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction

or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall indemnify each Recipient, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable;

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this

clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, and the Full Satisfaction of the Secured Obligations.

(i) Defined Terms. For purposes of this Section 2.17, the term "Lender" includes each Issuing Bank and the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Allocation of Proceeds; Sharing of Set-offs.

(a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to 2:00 p.m., New York City time, on the date when due, in immediately available funds, free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices as the Administrative Agent may from time to time notify to the Borrower and the Lenders, except payments to be made directly to an Issuing

Bank as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) Any proceeds of Collateral received by the Administrative Agent (i) not constituting either (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the Borrower) or (B) a mandatory prepayment made when an Event of Default has not occurred and is continuing at the time (which shall be applied in accordance with Section 2.11) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, shall be applied ratably first, to pay any fees, indemnities, or expense reimbursements including amounts then due to the Administrative Agent and any Issuing Bank from the Borrower (other than in connection with Swap Obligations and Banking Services Obligations), second, to pay any fees or expense reimbursements then due to the Lenders from the Borrower (other than in connection with Swap Obligations and Banking Services Obligations), third, to pay interest then due and payable on the Loans and the Letters of Credit ratably, fourth, to prepay principal on the Revolving Loans and unreimbursed LC Disbursements ratably, to pay an amount to the Administrative Agent equal to the aggregate undrawn face amount of all outstanding Letters of Credit and the aggregate amount of any unpaid LC Disbursements, to be held as Cash Collateral for such Obligations and to pay any amounts owing with respect to Swap Obligations (all such amounts under this "fourth" item being applied ratably in accordance with all such amounts due), fifth, to prepay principal on the DIP Term Loans ratably, sixth, to the payment of any other Secured Obligation due to the Administrative Agent or any Lender (or its Affiliate) by the Borrower or any Loan Party (other than Banking Services Obligations arising with respect to Non-Lender Banking Services), seventh, to the payment of all Banking Services Obligations arising in connection with Non-Lender Banking Services and eighth, to the payment of the surplus, if any, to whoever may be lawfully entitled to receive such surplus. Notwithstanding the foregoing, amounts received from any Loan Party shall not be applied to any Excluded Swap Obligation of such Loan Party. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the Borrower, or unless a Default is in existence, none of the Administrative Agent or any Lender shall apply any payment which it receives to any LIBOR Loan, except (a) on the expiration date of the Interest Period applicable to any such LIBOR Loan or (b) in the event, and only to the extent, that there are no outstanding ABR Loans of the same Class and, in any event, the Borrower shall pay the break funding payment required in accordance with Section 2.16. The Administrative Agent and the Lenders shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Secured Obligations.

(c) If any Lender shall, by exercising any right of set off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in LC Disbursements

and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or each Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(b), 2.06(d) or (e), 2.07(b), 2.18(c) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender and for the benefit of the Administrative Agent or the applicable Issuing Bank to satisfy such Lender's obligations to it under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account over which the Administrative Agent shall have exclusive control as Cash Collateral for, and application to, any future funding obligations of such Lender under any such Section; in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.19. Mitigation Obligations. If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount or make any indemnity payment to any Lender or any Governmental Authority for the account of any Lender pursuant to

Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to such Lender (and the Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment).

SECTION 2.20. Departing Lenders; Replacement of Lenders.

(a) In addition to any rights and remedies that may be available to the Borrower under this Agreement or applicable law, if any Lender (x) shall become affected by any of the changes or events described in Sections 2.15 or 2.17 and the Borrower is required to pay additional amounts or make indemnity payments with respect to the Lender thereunder, (y) becomes a Defaulting Lender or (z) has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.02 or any other provision of any Loan Document requires the consent of all affected Lenders and with respect to which the Required Lenders shall have granted their consent (any such Lender being hereinafter referred to as a "Departing Lender"), then in such case, the Borrower may, at its sole expense and effort, upon notice to the Administrative Agent and such Departing Lender, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.04), all of its interests, rights (other than its existing rights to payments pursuant to Sections 2.15 and 2.17) and obligations under this Agreement and the related Loan Documents to an any Person other than an Ineligible Institution that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment) (a "Replacement Lender"); provided, that

(i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 9.04(b)(ii)(A);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable Laws; and

(v) in the case of an assignment resulting from clause (z) of this Section 2.20(a), the applicable assignee shall have consented to the applicable amendment, waiver or consent.

(b) Upon any assignment by any Lender pursuant to this Section 2.20 becoming effective, the Replacement Lender shall thereupon be deemed to be a "Lender" for all purposes of this Agreement (unless such Replacement Lender was, itself, a Lender prior thereto) and such Departing Lender shall thereupon cease to be a "Lender" for all purposes of this Agreement and shall have no further rights or obligations hereunder (other than pursuant to Section 2.15 or 2.17 and Section 9.03) while such Departing Lender was a Lender.

(c) Notwithstanding any Departing Lender's failure or refusal to assign its rights, obligations, Loans and Commitments under this Section 2.20, the Departing Lender shall cease to be a "Lender" for all purposes of this Agreement and the Replacement Lender shall be substituted therefor upon payment to the Departing Lender by the Replacement Lender of all amounts set forth in this Section 2.20 without any further action of the Departing Lender.

(d) Notwithstanding anything in this Section to the contrary, (i) any Lender that acts as an Issuing Bank may not be replaced hereunder at any time it has any Letter of Credit outstanding hereunder unless arrangements satisfactory to such Lender (including the furnishing of a backstop standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such Issuing Bank or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to such outstanding Letter of Credit and (ii) the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Article VIII.

SECTION 2.21. Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders, Super-Majority Required Lenders and Section 9.02(b).

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank hereunder; third, to Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.22; fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this

Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Banks' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.22; sixth, to the payment of any amounts owing to the Lenders or the Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the Issuing Banks against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit are held by the Lenders pro rata in accordance with the Commitments without giving effect to clause (iv) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Commitment and Letter of Credit Fees.

(A) No Defaulting Lender shall be entitled to receive any commitment fee due under Section 2.12(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive fees with respect to Letters of Credit due under Section 2.12(b) for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Revolving Credit Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.22.

(C) With respect to any fees not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in

Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Bank, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Revolving Credit Percentages (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment. Subject to Section 9.20, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, Cash Collateralize the Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.22.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit to be held pro rata by the Lenders in accordance with the Commitments (without giving effect to paragraph (a)(iv) above), whereupon, such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Letters of Credit. So long as any Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, extend, increase, reinstate or renew any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

SECTION 2.22. Cash Collateral.

(a) Obligation to Cash Collateralize. At any time that there shall exist a Defaulting Lender, within one Business Day following the written request of the Administrative

Agent or any Issuing Bank (with a copy to the Administrative Agent), the Borrower shall Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.21(a)(iv) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the 105% of the Fronting Exposure of the Issuing Bank.

(b) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Issuing Banks, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lender's obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (c) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent and the Issuing Banks as herein provided, or that the total amount of such Cash Collateral is less than the 105% of the Fronting Exposure of the Issuing Bank, the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section or Section 2.21 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(d) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce any Issuing Bank's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Administrative Agent and each Issuing Bank that there exists excess Cash Collateral; provided that, subject to Section 2.21 the Person providing Cash Collateral and each Issuing Bank may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations and; provided further that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

ARTICLE III

Representations and Warranties

SECTION 3.01. Organization; Powers; Subsidiaries. Each of the Borrower and its Restricted Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization and, subject to the entry of the Interim Order (or the Final Order, when entered), has all requisite power and authority to carry on its business as now

conducted, execute, deliver and perform its obligations under the Loan Documents to which it is a party, and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required. Schedule 3.01 sets forth (a) a correct and complete list of the name and relationship to the Borrower of each and all of the Borrower's Subsidiaries, (b) a true and complete listing of each class of each of the Restricted Subsidiaries' authorized Equity Interests, of which all of such issued shares are validly issued, outstanding, fully paid and non-assessable, and owned beneficially and of record by the Persons identified on Schedule 3.01, and (c) the type of entity of the Borrower and each of its Subsidiaries. All of the issued and outstanding Equity Interests owned by any Loan Party have been (to the extent such concepts are relevant with respect to such ownership interests) duly authorized and issued and are fully paid and non-assessable.

SECTION 3.02. Authorization; Enforceability. Subject to entry and the terms of the Interim Order (or the Final Order, when applicable), the Transactions are within each Loan Party's corporate or limited liability company powers, will not contravene the terms of any Loan Party's Organization Documents and have been duly authorized by all necessary corporate, limited liability company and, if required, stockholder action. Subject to entry and the terms of the Interim Order (or the Final Order, when applicable), the Loan Documents to which each Loan Party is a party have been duly executed and delivered by such Loan Party and constitute a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable Debtor Relief Laws and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at Law.

SECTION 3.03. Governmental Approvals; No Conflicts. Subject to entry and the terms of the Interim Order (or the Final Order, when applicable), the Transactions (a) do not require any material consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except for filings necessary to perfect Liens created pursuant to the Loan Documents and the filing on or about the Effective Date of one or more current reports on Form 8-K with respect to the Transactions, (b) will not violate any material Law applicable to the Borrower or any of its Restricted Subsidiaries, (c) except as could not reasonably be expected to have a Material Adverse Effect, will not violate or result in a default under any indenture, agreement or other instrument binding upon the Borrower or any of its Restricted Subsidiaries or its assets (except those as to which waivers or consents have been obtained), and (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any of its Restricted Subsidiaries, except Liens created pursuant to the Loan Documents.

SECTION 3.04. Financial Condition; No Material Adverse Change.

(a) The Borrower has heretofore furnished to the Lenders its (i) consolidated balance sheet and statements of income, stockholders equity and cash flows as of and for the fiscal years ended December 31, 2017 and December 31, 2018, reported on by Deloitte & Touche LLP, independent public accountants, and (ii) unaudited consolidated balance sheet and related statements of income, stockholders' equity and cash flows as of and for the fiscal quarters ended March 31, 2019 and June 30, 2019. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Borrower and its consolidated Subsidiaries as of such date in accordance with GAAP.

(b) Since Petition Date, there has been no development or event which has had or could reasonably be expected to have a Material Adverse Effect.

SECTION 3.05. Properties.

(a) Each of the Borrower and its Restricted Subsidiaries has (i) good title to (in the case of fee interests in real property), (ii) valid leasehold interests in (in the case of leasehold interests in real or personal property), and (iii) marketable title to (in the case of all other personal property), all of their respective assets, except where the failure to do so could not reasonably be expected to have a Material Adverse Effect. All such assets are free and clear of Liens except for Permitted Liens.

(b) The Borrower and each of its Restricted Subsidiaries owns, has the legal right to use or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property necessary to its business as currently conducted, except where the failure to do so could not reasonably be expected to have a Material Adverse Effect, and, to the knowledge of the Borrower or any of its Restricted Subsidiaries, the use thereof by the Borrower and its Restricted Subsidiaries does not infringe upon the rights of any other Person except for such infringements that, in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

SECTION 3.06. Litigation and Environmental Matters.

(a) Other than the Bankruptcy Cases, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its Restricted Subsidiaries (i) as to which there is a reasonable probability of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve this Agreement or the Transactions.

(b) Except for any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, (i) none of the Borrower or any of its Restricted Subsidiaries has received any written or actual notice of any claim with respect to any Environmental Liability or has knowledge or reason to believe that any such notice will be received or is threatened and (ii) none of the Borrower or any of its Restricted Subsidiaries (1) has, at any time during the last five (5) years, failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law or (2) has become subject to any Environmental Liability.

SECTION 3.07. Compliance with Laws and Agreements. Each of the Borrower and its Restricted Subsidiaries is in compliance with all Laws applicable to it or its property, and all orders, writs, injunctions, and decrees of any Governmental Authority applicable to it or its property, all Material Indebtedness and all other indentures, agreements and other instruments binding upon it or its property, in each case except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.08. Investment Company Status. Neither the Borrower nor any of its Subsidiary Guarantors is required to register as an "investment company" as defined in, or subject to regulation under, the Investment Company Act of 1940.

SECTION 3.09. Taxes. Each of the Borrower and its Restricted Subsidiaries has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or such Restricted Subsidiary, as applicable, has set aside on its books adequate reserves to the extent required by GAAP or (b) to the extent that the failure to do so could not be expected to result in a Material Adverse Effect. There is no tax assessment proposed in writing, or to the knowledge of any Loan party, threatened, against the Borrower or any Restricted Subsidiary that could, if made, be reasonably expected to have a Material Adverse Effect. Neither the Borrower or any Restricted Subsidiary thereof is party to any tax sharing agreement.

SECTION 3.10. ERISA. Except as set forth on Schedule 3.10(a), neither Borrower, any Restricted Subsidiary nor any of their respective ERISA Affiliates is party to, contributes to, is obligated to contribute to, or otherwise has any obligation or is bound by (a) any Multiemployer Plan or (b) any Plan subject to Section 433 of the Code. Except as set forth on Schedule 3.10(b), no ERISA Event has occurred within the previous five (5) years or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. Except as set forth on Schedule 3.10(b), neither the Borrower, any Restricted Subsidiary nor any of their respective ERISA Affiliates reasonably anticipates that any Material Adverse Effect will arise from any increase either in the annual financial expense for any Plan or Multiemployer Plan (determined in accordance with Statement of Financial Accounting Standards No. 87) or in the annual minimum funding contribution for any Plan or Multiemployer Plan (determined in accordance with the assumptions used for funding such Plan or Multiemployer Plan pursuant to Section 412, 430, 431 or 432 of the Code), and neither the Borrower, any Restricted Subsidiary nor any of their respective ERISA Affiliates is aware of any facts that could form the basis for materially changing the method of determining the actuarial assumptions, interest rates, or other calculations associated with any Plan or Multiemployer Plan. None of the assets of the Borrower, any Restricted Subsidiary or any of their respective ERISA Affiliates is the subject of any Lien arising under Section 303(k) of ERISA or Section 430(k) of the Code, and there are no facts which could be expected to give rise to such a Lien. Except as set forth on Schedule 3.10, as of the Effective Date, the present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan. Except as set forth on Schedule 3.10, as of the Effective Date, no Multiemployer Plan is subject to the additional funding rules of Section 432 of the Code for multiemployer plans that are in endangered or critical status. As of the Effective Date, no Loan Party is nor will be (a) an employee benefit plan subject to ERISA, (b) a plan or account subject to Section 4975 of the Code; (c) an entity deemed to hold "plan assets" of any such plans or accounts for purposes of ERISA or the Code; or (d) a "governmental plan" within the meaning of ERISA.

SECTION 3.11. Disclosure. All financial projections and forecasts delivered to the Administrative Agent and the Lenders in connection with this Agreement have been prepared by the

Borrower in good faith based upon assumptions believed by the Borrower to be reasonable at the time made available to the Administrative Agent and the Lenders, it being recognized by the Administrative Agent and the Lenders that such projections are as to future events and are not to be viewed as facts and are subject to significant uncertainties and contingencies, many of which are beyond the Borrower's control, and that actual results during the period or periods covered by such projections may differ significantly from the projected results and such differences may be material. There is no fact now known to the Borrower or any of its Subsidiaries which has, or could reasonably be expected to have, a Material Adverse Effect which fact has not been set forth herein or in the periodic and other reports filed by the Borrower or any Subsidiary with the SEC, in the financial statements of the Borrower and its Subsidiaries furnished to the Administrative Agent and/or the Lenders, or in any certificate, opinion or other written statement made or furnished by any Loan Party to the Administrative Agent and/or the Lenders. None of the reports, financial statements, certificates or other information furnished by or on behalf of the Borrower to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document (as modified or supplemented by other information so furnished) or delivered hereunder contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that, with respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time delivered. Notwithstanding anything contained in this Section 3.11, the parties hereto acknowledge and agree that uncertainty is inherent in any forecasts and projections and that such forecasts and projections (including the Agreed Budget and the Agreed Capital Expenditures Budget) do not constitute guarantees of future performance. The information included in the Beneficial Ownership Certification is true and correct in all material respects.

SECTION 3.12. Use of Proceeds. The proceeds of the Loans have been (or will be, as the case may be) used only as permitted under Section 5.08.

SECTION 3.13. Intentionally Omitted.

SECTION 3.14. Labor Disputes. As of the Effective Date, there are no labor controversies, strikes, lockouts or slowdowns pending against or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its Restricted Subsidiaries (i) which could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, or (ii) that involve this Agreement or the Transactions.

SECTION 3.15. No Default. No Default has occurred and is continuing.

SECTION 3.16. Federal Reserve Regulations. No part of the proceeds of any Loan have been or will be used, whether directly or indirectly, for any purpose that entails a violation of any of the regulations of the Board, including Regulations T, U, and X.

SECTION 3.17. Business Locations; Taxpayer Identification Number. Set forth on Schedule 3.17(a) is a list of all locations where any tangible personal property of any Loan Party is located as of the Effective Date. Set forth on Schedule 3.17(b) is the chief executive office, exact legal name, U.S. tax payer identification number and organizational identification number of each Loan Party as of the Effective Date.

SECTION 3.18. Sanctions; Anti-Corruption.

(a) Neither the Borrower nor any of its Subsidiaries, nor, to the knowledge of the Borrower and its Subsidiaries, any director, officer or employee thereof, is an individual or entity that is, or is owned or controlled by any Persons that are, the subject or target of any Sanctions, or located, organized or resident in a Designated Jurisdiction. No Loan or Letters of Credit, nor the proceeds from any Loan or Letter of Credit, has been or will be used, directly or indirectly, to lend, contribute, provide or has otherwise made available to fund any activity or business of any Person who is the target of any Sanctions, or in any other manner that will result in any material violation by any Lender, the Administrative Agent, the Arrangers, any Issuing Bank, or any Participant of Sanctions.

(b) The Borrower and its Restricted Subsidiaries have instituted and maintained policies and procedures reasonably designed to promote and achieve material compliance by the Loan Parties, the Restricted Subsidiaries and their respective directors, officers and employees (in each case solely to the extent of their course of employment) with the United States Foreign Corrupt Practices Act of 1977 and other similar anti-bribery, anti-corruption and anti-money laundering legislation, rules or regulations, including those of any other jurisdictions applicable to Borrower or any of its Restricted Subsidiaries (collectively, "Anti-Corruption Laws"). The Borrower, its Restricted Subsidiaries and, to the knowledge of the Borrower and its Restricted Subsidiaries, their respective directors, officers and employees (in each case solely to the extent of their course of employment by the Borrower and its Restricted Subsidiaries), are in compliance with all applicable Sanctions and Anti-Corruption Laws in all material respects.

SECTION 3.19. Real Property. Set forth on Part 1 of Schedule 3.19 is a complete and correct list, as of the Effective Date, of all of the real property owned by the Borrower or any Restricted Subsidiary, indicating in each case the use of the respective property, the identity of the owner, and the location of the respective property. To the knowledge of the Borrower, (x) as of the Effective Date, except as set forth on Part 2 of Schedule 3.19, no Initial Borrowing Base Property owned by a Loan Party has Improvements located in a Flood Zone and in which flood insurance has been made available under the National Flood Insurance Program and (y) no Eligible Property owned by a Loan Party and included in the calculation of the Borrowing Base set forth in the most recent Borrowing Base Certificate delivered pursuant to Section 5.01(f) has Improvements located in a Flood Zone and in which flood insurance has been made available under the National Flood Insurance Program. Each Loan Party maintains flood insurance for each of the DIP Collateral Real Properties (or the portion of such properties that contains Improvements located in a Flood Zone), (a) in an amount equal to the lesser of (i) the fair market value of each such property or (ii) the maximum available insurance amount under the National Flood Insurance Program and (b) is otherwise in compliance with the Flood Insurance Laws.

SECTION 3.20. Insurance. The properties of the Loan Parties and their Restricted Subsidiaries are insured with financially sound and reputable insurance companies not Affiliates of the Borrower, in such amounts, with such deductibles and covering such risks as are customarily carried by companies engaged in similar businesses and owning similar properties in localities where the applicable Loan Party or the applicable Restricted Subsidiary operates, including the use of self-insurance plans.

The property and general liability insurance coverage of the Loan Parties as in effect on the Effective Date is outlined as to carrier, policy number, expiration date, type and amount on Schedule 3.20.

SECTION 3.21. EEA Financial Institutions. No Loan Party is an EEA Financial Institution.

SECTION 3.22. Security and Priority. (a) Subject to entry and the terms of the Interim Order (or the Final Order, when applicable), all of the Obligations of each Loan Party are authorized by each Order and shall, subject to the Carve-Out, at all times:

(i) pursuant to section 364(c)(1) of the Bankruptcy Code, constitute joint and several allowed superpriority administrative expense claims against the Loan Parties (without the need to file any proof of claim) with priority over any and all claims against the Loan Parties (other than claims in connection with the Permitted Receivables Financing), now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 363, 364(c)(1), 365, 503(a), 503(b), 506(c) (upon entry of the Final Order), 507(a), 507(b), 507(d), 726, 1113 or 1114 of the Bankruptcy Code (including any adequate protection obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims (the "DIP Super-Priority Claims") shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Super-Priority Claims shall be payable from and have recourse to all pre- and post-petition assets and property, whether existing on the Petition Date or thereafter acquired, of the Loan Parties and all proceeds thereof (excluding Avoidance Actions but including, effective upon entry of the Final Order and to the extent provided for therein, the proceeds of any Avoidance Actions), subject only to the Liens thereon to the extent set forth in the Orders and the Carve-Out. The DIP Super-Priority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that the Interim Order (or, after entry thereof, the Final Order) or any provision thereof is vacated, reversed, amended or otherwise modified, on appeal or otherwise;

(ii) pursuant to section 361, 362, 364(c)(2), 364(c)(3) and 364(d) of the Bankruptcy Code and the Collateral Documents, be secured by a valid, binding, perfected, continuing, enforceable, non-avoidable first priority security interest in and Lien on the Collateral of each Loan Party (subject to the Carve-Out and the Liens permitted by Section 6.02) to the extent such Collateral is not subject to valid, enforceable, perfected and non-avoidable Liens as of the Petition Date; and

(iii) pursuant to sections 364(c)(3) and 364(d)(1) of the Bankruptcy Code and the Collateral Documents, be secured by a valid, binding, perfected, continuing, enforceable, non-avoidable security interest and Lien on all other Collateral of each Loan Party (excluding Avoidance Actions, but, upon entry of the Final Order, including proceeds of Avoidance Actions), which security interests and Liens on such Collateral shall in each case be (i) senior to and prime all other Liens and security interests (other than liens and security interests identified in subclause (ii) below) in the Loan Parties' Collateral, (ii) junior only to any valid, binding, enforceable,

perfected and unavoidable Liens in favor of third parties that were (x) in existence immediately prior to the Petition Date, or (y) perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, but in each case, solely to the extent that such Liens and security interests of such third parties are, as of the Petition Date, senior to the Prepetition Liens (as defined in the Orders) and (iii) subject to the Carve-Out and the Liens permitted by Section 6.02.

(b) Upon (and at all times after) the entry, and subject to the terms, of each of the Interim Order and the Final Order, each such Order shall is effective to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid, enforceable and perfected security interest in the Collateral of the Loan Parties and proceeds thereof.

(c) Upon (and at all times after) the entry, and subject to the terms, of each of the Interim Order and the Final Order, each such Order and the Loan Documents is sufficient to provide the DIP Super-Priority Claims and security interests in and Liens on the Collateral of the Loan Parties described in, and with the priority provided in, Section 3.22(a) hereof.

SECTION 3.23. Orders. (a) The Loan Parties are in compliance in all material respects with the terms and conditions of the Interim Order or the Final Order, as applicable.

(b) The Interim Order, or at all times after the Final Order Date, the Final Order, is in full force and effect and has not been vacated, reversed, terminated, or rescinded or, without the prior written consent of the Administrative Agent and the Lenders, given in their respective sole discretion, amended or modified.

(c) No appeal of the Order shall have been filed, or, if the Order is the subject of a pending appeal in any respect, none of such Order, the making of the Loans or the performance by Borrower or any other Loan Party of any of its obligations under any of the Loan Documents shall be the subject of a presently effective stay pending appeal. The Borrower, the Administrative Agent and the Lenders shall be entitled to rely in good faith upon the Order, notwithstanding objection thereto or appeal therefrom by any interested party. The Borrower, the Administrative Agent, the Lenders and the Issuing Bank shall be permitted and required to perform their respective obligations in compliance with this Agreement notwithstanding any such objection or appeal unless the relevant Order has been stayed by a court of competent jurisdiction.

SECTION 3.24. Bankruptcy Cases. (a) The Bankruptcy Cases were commenced on the Petition Date in accordance with applicable Laws and proper notice thereof was given for (i) the motion seeking approval of the Loan Documents and the Interim Order and Final Order, (ii) the hearing for the entry of the Interim Order and (iii) following the entry of the Interim Order, the hearing for entry of the Final Order. The Borrower and the other Loan Parties shall give, on a timely basis as specified in the Interim Order or the Final Order, as applicable, all notices required to be given as specified in the Interim Order or Final Order, as applicable.

(b) Notwithstanding the provisions of section 362 of the Bankruptcy Code, and subject to the provisions of Article VII and the applicable provisions of the Interim Order or the Final Order, as the case may be (and subject to any notice required hereunder or thereunder), upon the maturity (whether by acceleration or otherwise) of any of the Obligations, the Administrative

Agent and the Lenders shall be entitled to immediate payment of the Obligations and to enforce the remedies provided for hereunder, under the Order or under applicable Laws, without further motion or application to, or order from, the Bankruptcy Court.

(c) No order has been entered in any of the Bankruptcy Cases (i) for the appointment of a Chapter 11 trustee, (ii) for the appointment of an examiner (other than a fee examiner) or receiver having expanded powers (beyond those set forth under Sections 1106(a)(3) and (4) of the Bankruptcy Code) under section 1104 of the Bankruptcy Code or (iii) to convert any of the Bankruptcy Cases to a case under Chapter 7 of the Bankruptcy Code or to dismiss any of the Bankruptcy Cases.

SECTION 3.25. Agreed Budget and Agreed Capital Expenditures Budget. The initial Agreed Budget attached to this Agreement as Exhibit B and the initial Agreed Capital Expenditures Budget, which were each furnished to the Administrative Agent and the Lenders on or prior to the Effective Date, and each subsequent Agreed Budget or Agreed Capital Expenditures Budget delivered in accordance with Section 5.12, has been prepared in good faith, with due care and based upon assumptions the Borrower believes to be reasonable assumptions on the date of delivery of the then-applicable Agreed Budget or Agreed Capital Expenditures Budget. To the knowledge of the Borrower, as of the Effective Date, no facts exist that (individually or in the aggregate) could reasonably be expected to result in any material change in the Agreed Budget or the Agreed Capital Expenditures Budget. The Borrower shall hereafter deliver to the Administrative Agent and the Lenders updates to the Agreed Budget or Agreed Capital Expenditures Budget in accordance with Section 5.12.

ARTICLE IV

Conditions

SECTION 4.01. Effective Date. The obligations of the Lenders to make Loans and of Issuing Bank to issue Letters of Credit hereunder shall not become effective until the date on which the Administrative Agent shall have received each of the following, in each case reasonably satisfactory to the Administrative Agent (and to the extent specified below, to each Lender) in form and substance:

Without limiting the foregoing, each Loan Party shall deliver to the Administrative Agent: (x) all certificates, if any, representing the outstanding Equity Interests of each Pledge Subsidiary, promissory notes, if any, evidencing all Indebtedness owed to such Loan Party as of the Effective Date to the extent required to be pledged pursuant to the Security Agreement, and stock powers and instruments of transfer, endorsed in blank, with respect to such stock certificates and promissory notes; and (y) all documentation, including UCC financing statements, required by law or reasonably requested by the Administrative Agent to be filed, registered or recorded to create or perfect the Liens intended to be created under the Interim Order and/or the Security Agreement.

The line items in the Agreed Budget and the Agreed Capital Expenditures Budget for payment of interest, expenses and other amounts to the Administrative Agent and the Lenders are estimates only, and the Borrower remains obligated to pay any and all Obligations in accordance with the terms of the Loan Documents and the applicable Order regardless of whether such amounts exceed such estimates. Nothing in any Agreed Budget or Agreed Capital Expenditures Budget shall constitute an amendment or other modification of any Loan Document or any of the borrowing restrictions or other lending limits set forth therein.

The Loan Parties shall (a) cause all of the Collateral (including, without limitation, all owned and leased real and personal property and assets of each Loan Party but excluding Excluded Property) to be subject at all times to senior priority, perfected Liens in favor of the Administrative Agent to secure the Obligations pursuant to the terms and conditions, and subject to the priorities, set forth herein and in the Interim Order and the Final Order, and (b) deliver, to the extent reasonably requested by the Administrative Agent, security agreements, pledge agreements, recordations, filings, documents, deeds of trust and other agreements and appropriate UCC-1 financing statements in form and substance reasonably satisfactory to the Administrative Agent.

SECTION 5.16. Deposit Accounts. If the Loan Parties shall elect to close any Deposit Accounts that existed on the Petition Date (all of which Deposit Accounts existing on the Petition Date are identified on Schedule 5.16) or establish or otherwise acquire any new Deposit Accounts, then the Loan Parties shall reasonably promptly provide notice to the Administrative Agent of such election. Upon entry of the Order and the Cash Management Order (and except as otherwise provided in the Cash Management Order or the Order), the Borrower shall, and shall cause each other Loan Party to, comply with the terms of the Cash Management Order and the Orders in all material respects.

SECTION 5.17. Post-Closing Obligations. All conditions precedent, affirmative covenants and representations contained in this Agreement and the other Loan Documents shall be deemed modified to the extent necessary to effect the foregoing (and to permit the taking of the actions described above within the time periods required

above, rather than as elsewhere provided in the Loan Documents); provided that to the extent any representation and warranty would not be true, any covenant breached or any condition precedent not met under this Agreement and/or the other Loan Documents and a Default or Event of Default would occur and be continuing solely as of the fact that the foregoing actions were not taken on the Effective Date (any such Default or Event of Default, a "Related Default"), the respective representation and warranty shall be required to be true and correct in all material respects (or, to the extent qualified by materiality, in all respects) and the respective covenant complied with and condition precedent met at the time the respective action is taken (or was required to be taken) in accordance with the foregoing provisions of this Section 5.17 (and such Related Default shall be deemed not to have occurred and/or be continuing to the extent occurring as a result of such failure to comply) and the parties hereto acknowledge and agree that the failure to take any of the actions set forth in Section 5.17, within the relevant time periods required above (after giving effect to any extension provided by the Administrative Agent in its discretion, as permitted above), shall give rise to an immediate Event of Default pursuant to this Agreement.

ARTICLE VIII

The Administrative Agent and Issuing Banks

SECTION 8.01. Authorization and Action.

(a) Each of the Lenders and Issuing Banks hereby irrevocably appoints the Administrative Agent to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article VIII are solely for the benefit of the Administrative Agent, the Lenders, and the Issuing Banks, and no Loan Party has rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable

law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the collateral agent under the Loan Documents, and each of the Lenders and Issuing Banks hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender and Issuing Bank for purposes of acquiring, holding, and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as collateral agent and any co-agents, sub-agents, and attorneys-in-fact appointed by Administrative Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of Articles VIII and IX as if set forth in full herein with respect thereto. The Administrative Agent is authorized on behalf of all the Lenders, without the necessity of any notice to or further consent from the Lenders or the Issuing Bank, from time to time to take any action with respect to any Collateral or the Loan Documents which may be necessary to perfect and maintain perfected the Liens upon any Collateral granted pursuant to any Collateral Document.

SECTION 8.02. Administrative Agent and its Affiliates.

(a) The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, own securities of, lend money to, act as the financial advisor or in any advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

(b) Each Lender and Issuing Bank understands that the Person serving as the Administrative Agent, acting in its individual capacity, and its Affiliates (collectively, the "Agent's Group") is engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (such services and businesses are collectively referred to in this Article VIII as "Activities") any may engage in the Activities with or on behalf of one or more of the Loan Parties or their respective Affiliates. Furthermore, the members of the Agent's Group may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including the Loan Parties and their Affiliates and including holding, for its own account or on behalf of others, equity, debt and similar positions in the Borrower, another Loan Party or their respective Affiliates), including trading in or holding long, short or derivative positions in securities, loans, or other financial products of one or more of the Loan parties or their Affiliates. Each Lender and Issuing Bank understands and agrees that in engaging in the Activities, the members of the Agent's Group may receive or otherwise obtain information concerning the Loan Parties or their Affiliates (including information concerning the ability of the Loan Parties to

perform their respective obligations hereunder and under the other Loan Documents) which information may not be available to any of the Lenders that are not members of the Agent's Group. Neither the Administrative Agent nor any other member of the Agent's Group shall have any duty to disclose to any Lender or Issuing Bank or use on behalf of any Lender or Issuing Bank, nor be liable for the failure to so disclose or use, any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Loan Party or any Affiliate of any Loan Party) or to account for any revenue or profits obtained in connection with the Activities, except that the Administrative Agent shall deliver or otherwise make available to each Lender such documents as are expressly required by any Loan Document to be transmitted by the Administrative Agent to the Lenders.

(c) Each Lender and Issuing Bank further understands that there may be situations where members of the Agent's Group or their respective customers (including the Loan Parties and their Affiliates) either now have or may in the future have interests or take actions that may conflict with the interests of any one or more of the Lenders or Issuing Banks (including the interests of any Lender or Issuing Bank hereunder and under the other Loan Documents). Each Lender and Issuing Bank agrees that no member of the Agent's Group is or shall be required to restrict its activities as a result of any Person serving as the Administrative Agent being a member of the Agent's Group, and that each member of the Agent's Group may undertake any Activities without further consultation with or notification of any Lender or Issuing Bank. None of (i) this Agreement nor any other Loan Document, (ii) the receipt by the any members of the Agent's Group of information (including information concerning the ability of the Loan Parties to perform their respective obligations hereunder and under the other Loan Documents), or (iii) any other matter, shall give rise to any fiduciary, equitable, or contractual duties (including any duty of trust, care or confidence) owing by the Administrative Agent or any member of the Agent's Group to any Lender or Issuing Bank including any such duty that would prevent or restrict any member of the Agent's Group from acting on behalf of customers (including the Loan Parties or their Affiliates) or for its own account.

SECTION 8.03. Duties. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) and may (but, except as expressly contemplated hereby or by the other Loan Documents, is not required to) seek instructions from the Lenders or Required Lenders (or any other applicable percentage of Lenders) with respect to any matter or duty hereunder or under any other Loan Document; provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may

expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any of their respective Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity; and

(d) shall not be liable for any damage or loss resulting from or caused by events or circumstances beyond the Administrative Agent's reasonable control, including nationalization, expropriation, currency or funds transfer restrictions, the interruption, disruption, or suspension of the normal procedures and practices of any securities market, power, mechanical, communications, or other technological failures or interruptions, computer viruses or the like, fires, floods, earthquakes, or other natural disasters, civil, and military disturbance, acts of war or terrorism, riots, revolution, acts of God, work stoppages, strikes, national disasters of any kind, or other similar events or acts, or errors by the Borrower in its instructions to the Administrative Agent.

SECTION 8.04. Administrative Agent's Reliance, Etc.

(a) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Article VIII and Section 9.02) and shall be fully protected in all cases in acting, or refraining from acting, in accordance with a request or consent of such number or percentage of Lenders or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until a Loan Party, a Lender, or an Issuing Bank has given written notice describing such Default or Event of Default to the Administrative Agent. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein or therein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

(b) The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument,

document, or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent, or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for a Loan Party), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(c) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into,

participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(d) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (c) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (c), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

SECTION 8.05. Sub-Agents. The Administrative Agent may perform any and all its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The Administrative Agent is authorized on behalf of all the Lenders, without the necessity of any notice to or further consent from the Lenders or the Issuing Banks, from time to time to permit any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent to take any action with respect to any Collateral or the Loan Documents which may be necessary to perfect and maintain perfected the Liens upon any Collateral granted pursuant to any Collateral Document. The exculpatory provisions of this Article VIII, as well as all other indemnity and expense reimbursement provisions of this Agreement (including, without limitation, Section 9.03), shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent and as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 8.06. Resignation.

(a) The Administrative Agent may resign at any time by giving notice of its resignation to the Lenders, the Issuing Banks, and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with and, so long as no Event of Default then exists, subject to the approval (not to be unreasonably withheld or delayed) of, the Borrower, to appoint a successor, which shall be a financial institution with an office in the

United States, or an Affiliate of any such financial institution with an office in the United States. If no successor shall have been so appointed by the Required Lenders and, if applicable, the Borrower and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders, the "Resignation Effective Date"), then the retiring Administrative Agent may, on behalf of the Lenders and Issuing Banks, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) With effect from the Resignation Effective Date (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any possessory Collateral held by the Administrative Agent on behalf of the Lenders or Issuing Banks under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such Collateral until such time as a successor Administrative Agent is appointed) and (ii) except for any indemnity payments owed to the retiring Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each Issuing Bank directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as the Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Administrative Agent (other than any rights to indemnity payments owed to the retiring Administrative Agent) and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Section and Section 9.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as the Administrative Agent.

(c) Any resignation by Rabobank as the Administrative Agent pursuant to this Section shall also constitute its resignation as Issuing Bank. In the event of any such resignation as an Issuing Bank, the Borrower shall be entitled to appoint any Revolving Lender that is willing to accept such appointment as successor issuing bank. Upon the acceptance of a successor's appointment as the Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank, (ii) the retiring Issuing Bank shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements reasonably satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

SECTION 8.07. Lender Credit Decision. Each Lender and Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has

deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder. In this regard, each Lender further acknowledges that White & Case LLP is acting in this transaction as special counsel to Rabobank only, except to the extent otherwise expressly stated in any legal opinion or any Loan Document. Each other party hereto will consult with its own legal counsel to the extent that it deems necessary in connection with the Loan Documents and the matters contemplated therein.

SECTION 8.08. Other Agent Titles. Anything herein to the contrary notwithstanding, neither the "Bookrunner" or "Lead Arranger" listed on the cover page hereof or the "Arranger" referenced herein shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or an Issuing Bank hereunder.

SECTION 8.09. Agent May File Proofs of Claim; Bankruptcy Events. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party or any Subsidiary, the Administrative Agent (irrespective of whether the principal of any Loan or LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand any Loan Party or any other Person primarily or secondarily liable) shall be entitled and empowered (but not obligated), by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Disbursements and all other Obligations or Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks, and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Banks, and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Banks, and the Administrative Agent under Article II and Section 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same in accordance with this Agreement;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Article II and Section 9.03.

SECTION 8.10. Collateral.

(a) The Holders of Secured Obligations irrevocably authorize the Administrative Agent, at its option and in its discretion:

(i) to release any Lien (A) on all Collateral upon the Full Satisfaction of all Secured Obligations, (B) with respect to any Collateral that is sold or otherwise disposed of to a Person other than a Loan Party pursuant to a disposition permitted by Section 6.05, or (C) subject to Section 9.02, as may be approved, authorized, or ratified in writing by the Required Lenders;

(ii) [reserved];

(iii) [reserved];

(iv) to confirm in writing whether specific items or types of Loan Parties' property are or are not included in the Collateral pursuant to the Loan Documents;

(v) to release any Subsidiary Guarantor from its obligations under the Guaranty Agreement if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents; and

(vi) to enter into the Intercreditor Agreement, and perform all obligations thereunder, respectively, and to enter into any amendments of the Intercreditor Agreement which do not materially modify the rights of the Holders of the Secured Obligations thereunder, and the Holders of the Secured Obligations agree to be bound by the terms thereof.

(b) Upon request by the Administrative Agent at any time, the Holders of Secured Obligations will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Subsidiary Guarantor from its obligations under the Subsidiary Guaranty pursuant to this Section 8.10.

(c) The Administrative Agent, at the sole expense of the Loan Parties, shall execute and deliver to the Loan Parties all releases or other documents reasonably necessary or desirable to evidence or effect any release of Liens or release of Guaranty Agreement authorized under Section 8.10(a), in each case, without recourse to, or representation or warranty from, the Administrative Agent; provided**,** that (i) the Administrative Agent shall not be required to execute any document necessary to evidence such release authorized under clause (i)(B) or (v) of Section 8.10(a) unless a Responsible Officer of the Borrower shall certify in writing to the Administrative Agent that the transaction requiring such release is permitted under the Loan Documents (it being acknowledged that the Administrative Agent may rely on any such certificate without further enquiry), (ii) the Administrative Agent shall not be required to execute any document necessary to evidence such release on terms that, in the Administrative Agent's opinion, would expose the Administrative Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (iii) no such release shall in any manner discharge, affect, or impair the Secured Obligations or any Liens (other than those expressly being released) upon (or obligations of any Loan Parties in respect

of) all interests retained by the Loan Parties, including, the proceeds of any sale, all of which shall continue to constitute part of the Collateral. To the extent the Administrative Agent is required to execute any releases or other documents in accordance with this Section 8.10(c), the Administrative Agent shall do so promptly upon request of the Borrower without the consent or further agreement of any Holder of Secured Obligations.

(d) The Administrative Agent shall have no obligation whatsoever to any of the Holders of Secured Obligations to assure that the Collateral exists or is owned by any Loan Party or its Subsidiaries or is cared for, protected, or insured or has been encumbered, or that the Administrative Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, or to exercise at all or in any particular manner or to continue exercising, any of the rights, authorities and powers granted or available to the Administrative Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, the Administrative Agent may act in any manner it may deem appropriate, in its sole discretion given the Administrative Agent's own interest in the Collateral in its capacity as one of the Lenders and that the Administrative Agent shall have no other duty or liability whatsoever to any Holders of Secured Obligations as to any of the foregoing, except as otherwise provided herein.

(e) The Holders of Secured Obligations hereby irrevocably authorize the Administrative Agent, based upon the instruction of the Required Lenders, to (i) consent to, credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including under section 363 of the Bankruptcy Code, (ii) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale or other disposition thereof conducted under the provisions of the UCC, including pursuant to Section 9-610 or 9-620 of the UCC, or (iii) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any other sale or foreclosure conducted by the Administrative Agent (whether by judicial action or otherwise) in accordance with applicable law. In connection with any such credit bid or purchase, (A) the Secured Obligations owed to the Holders of Secured Obligations shall be entitled to be, and shall be, credit bid on a ratable basis (with Secured Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not unduly delay the ability of Administrative Agent to credit bid or purchase at such sale or other disposition of the Collateral and, if such claims cannot be estimated without unduly delaying the ability of the Administrative Agent to credit bid, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the asset or assets purchased by means of such credit bid) and the Holders of Secured Obligations whose Secured Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Secured Obligations credit bid in relation to the aggregate amount of Secured Obligations so credit bid) in the asset or assets so purchased (or in the Equity Interests of the acquisition vehicle or vehicles that are used to consummate such purchase), and (B) the Administrative Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by such acquisition vehicle or vehicles and in connection therewith the Administrative Agent may reduce the Secured Obligations owed

to the Holders of Secured Obligations (ratably based upon the proportion of their Secured Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration.

(f) The Holders of the Secured Obligations acknowledge and agree that, Rabobank or any of its Affiliates is, and may at any time be, the Receivables Financier under the Permitted Receivables Financing.

SECTION 8.11. Issuing Banks. No Issuing Bank nor any of their respective Related Parties shall be liable for any action taken or omitted to be taken by any of them hereunder or otherwise in connection with any Loan Document except for its or their own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Without limiting the generality of the preceding sentence, Issuing Banks (a) shall have no duties or responsibilities except those expressly set forth in the Loan Documents, and shall not by reason of any Loan Document be a trustee or fiduciary for any Lender or for the Administrative Agent, (b) shall not be required to initiate any litigation or collection proceedings under any Loan Document, (c) shall not be responsible to any Lender or the Administrative Agent for any recitals, statements, representations, or warranties contained in any Loan Document, or any certificate or other documentation referred to or provided for in, or received by any of them under, any Loan Document, or for the value, validity, effectiveness, enforceability, or sufficiency of any Loan Document or any other documentation referred to or provided for therein or for any failure by any Person to perform any of its obligations thereunder, (d) may consult with legal counsel (including counsel for the Loan Parties or the Administrative Agent), independent public accountants, and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants, or experts, and (e) shall incur no liability under or in respect of any Loan Document by acting upon any notice, consent, certificate, or other instrument or writing believed by it to be genuine and signed or sent by the proper party or parties. As to any matters not expressly provided for by any Loan Document, each Issuing Bank shall in all cases be fully protected in acting, or in refraining from acting, hereunder in accordance with instructions signed by the Required Lenders, and such instructions of the Required Lenders and any action taken or failure to act pursuant thereto shall be binding on all of the Lenders and the Administrative Agent; **provided, however**, that no Issuing Bank shall be required to take any action which such Issuing Bank reasonably believes exposes it to personal liability or which such Issuing Bank reasonably believes is contrary to any Loan Document or applicable law.

SECTION 8.12. Agency for Perfection. The Administrative Agent hereby appoints each other Lender as its agent (and each Lender hereby such appointment) for the purpose of perfecting the Administrative Agent's Liens in assets which, in accordance with Article 8 or Article 9, as applicable, of the UCC can be perfected by possession or control. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver possession or control of such Collateral to the Administrative Agent or in accordance with the Administrative Agent's instructions.

SECTION 8.13. Affiliates of Lenders; Banking Services Providers; Swap Obligations. By accepting the benefits of the Loan Documents, any Affiliate of a Lender, or any Person providing Non-Lender Banking Services, that is owed any Secured Obligation is bound by the terms of the Loan Documents. Notwithstanding the foregoing: (a) neither the Administrative Agent, any Lender

nor any Loan Party shall be obligated to deliver any notice or communication required to be delivered to any Lender under any Loan Documents to any Affiliate of any Lender or any Person providing Non-Lender Banking Services; and (b) no Affiliate of any Lender or Person providing Non-Lender Banking Services that is owed any Secured Obligation shall be included in the determination of the Required Lenders or entitled to consent to, reject, or participate in any manner in any amendment, waiver or other modification of any Loan Document. The Administrative Agent shall deal solely and directly with the related Lender of any such Affiliate in connection with all matters relating to the Loan Documents. The Secured Obligation owed to such Affiliate shall be considered the Secured Obligations of its related Lender for all purposes under the Loan Documents and such Lender shall be solely responsible to the other parties hereto for all the obligations of such Affiliate under any Loan Document. It is understood and agreed that the rights and benefits under this Agreement, the Collateral Documents, and the Subsidiary Guaranties of each Lender or Affiliate of a Lender that provides Lender Banking Services or is owed any Swap Obligations and each Person providing Non-Lender Banking Services, in such capacity, consist exclusively of such Lender's, Affiliate's or other Person's right to share in payments and collections of the Collateral and payments under the Subsidiary Guaranties; provided that for the avoidance of doubt, (i) obligations of the Borrower or any Subsidiary under any Banking Services Agreement or Swap Agreement shall be secured and guaranteed pursuant to the Collateral Documents and Subsidiary Guaranties, respectively, only to the extent that, and for so long as, the other Secured Obligations are so secured and guaranteed and (ii) any release of Collateral or any Subsidiary Guarantors effected in the manner permitted by this Agreement shall not require the consent of holders of obligations under Banking Services Agreements or Swap Agreements. All Banking Services Obligations and Swap Obligations shall be secured but on a silent basis, so that notwithstanding any other provision, if any, in this Agreement or any Collateral Document or Subsidiary Guaranty, no Lender or Affiliate of a Lender that provides Lender Banking Services or is owed any Swap Obligations and no provider of Non-Lender Banking Services shall be able to take any action in respect of the Collateral or Subsidiary Guaranties nor instruct the Required Lenders or the Administrative Agent to take any such action nor have any rights in connection with the management or release of any Collateral or the obligations of any Subsidiary Guarantor under any Subsidiary Guaranty. By accepting the benefits of the Collateral and the Subsidiary Guaranties, such Lender, Affiliate or other Person shall be deemed to have appointed the Administrative Agent as its agent and agreed to be bound by the Loan Documents as a Holder of Secured Obligations, subject to the limitations set forth in this paragraph. The Administrative Agent shall not owe any fiduciary duty, duty of loyalty, duty of care, duty of disclosure, or any other obligation whatsoever to any Lender or Affiliate of a Lender that provides Banking Services or is owed any Swap Obligations or any provider of Non-Lender Banking Services, in each case with respect to any Banking Services Obligation or Swap Obligation. The Administrative Agent shall have no duty to determine the amount or the existence of any amounts owing under any Banking Services Agreements or Swap Agreements. In connection with any such distribution of payments and collections or termination or release by the Administrative Agent of any Liens or Subsidiary Guarantors thereunder, the Administrative Agent shall be entitled to assume no amounts are due under any Banking Services Agreement or Swap Agreement unless such Lender or Affiliate of a Lender that provides Lender Banking Services or is owed any Swap Obligations or such provider of Non-Lender Banking Services has notified the Administrative Agent in writing of the amount of any such liability owed to it at least 5 Business Days prior to such distribution, termination, or release.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through Electronic Systems, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by using Electronic Systems pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices

pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent, the Issuing Banks, or the Borrower may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Each of the Borrower, the Administrative Agent and each Issuing Bank may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent and the Issuing Banks. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(d) Electronic Systems.

(i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Issuing Banks and the Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System.

(ii) Any Electronic System used by the Administrative Agent is provided "as is" and "as available". The Agent Parties (as defined below) do not warrant the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to any Loan Party, any Lender, any Issuing Bank or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or

expenses (whether in tort, contract or otherwise) arising out of any Loan Party's or the Administrative Agent's transmission of communications or notices through IntraLinks, Syndtrak, ClearPar, or a substantially similar electronic transmission system, any other electronic platform or electronic messaging service, or through an Electronic System. "Communications" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or any Issuing Bank by means of electronic communications pursuant to this Section, including through an Electronic System.

(e) Reliance by Administrative Agent, Issuing Bank and Lenders. The Administrative Agent, the Issuing Banks and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices, Borrowing Requests and Interest Election Requests) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the Issuing Banks, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 9.02. Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders, or (y) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent with the consent of the Required Lenders and the Loan Party or Loan Parties that are parties thereto; provided that no such agreement shall,

(i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce or forgive the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce or forgive any interest or fees or other amounts payable hereunder, without the written consent of each Lender directly affected thereby; provided, however, that only the consent of the Required Lenders shall be necessary to amend Section 2.13(c), (iii) postpone any scheduled date of payment of the principal amount of any Loan or LC Disbursement (other than any reduction of the amount of, or any extension of the payment date for, the mandatory prepayments required under Section 2.11, in each case which shall only require the approval of the Required Lenders), or any date for the payment of any interest, fees or other Obligations payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly affected thereby, (iv) change Section 2.18(b) or (c) in a manner that would alter the manner in which payments are shared, without the written consent of each Lender adversely affected thereby, (v) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, (vi) release all or substantially all of the Subsidiary Guarantors from their obligations under the Subsidiary Guaranty (except as otherwise permitted herein or in the other Loan Documents), without the written consent of each Lender, (vii) except as provided in Section 8.10 or in any Collateral Document, release all or substantially all of the Collateral, without the written consent of each Lender, (viii) except as provided in Section 8.10, contractually subordinate the payment of all Obligations to any other Indebtedness or contractually subordinate the priority of all of the Liens in favor of the Administrative Agent securing the Secured Obligations to the Liens securing any other Funded Indebtedness (other than Indebtedness permitted by Section 6.01(d)), without the written consent of each Lender adversely affected thereby, or (ix) amend the definition of "Borrowing Base" or any defined term used therein in a manner that results in more credit being made available to the Borrower based upon the Borrowing Base without the written consent of the Super-Majority Required Lenders; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or any Issuing Bank hereunder without the prior written consent of the Administrative Agent or such Issuing Bank, as the case may be (it being understood that any change to Section 2.21 shall require the consent of the Administrative Agent and the Issuing Banks). The Administrative Agent may also amend Schedule 1.01(a) to reflect assignments entered into pursuant to Section 9.04. Notwithstanding the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be directly affected by such amendment, waiver or other modification.

(c) [Reserved].

(d) Notwithstanding anything to the contrary herein (i) the Administrative Agent may, with the consent of the Borrower only, amend, modify or supplement this Agreement or any of the other Loan Documents to cure any ambiguity, omission, mistake, defect or inconsistency and (ii) the Administrative Agent may, in its discretion, grant extensions of time for the creation or

perfection of security interests in, and Mortgages on, or obtaining of title insurance or taking of other actions with respect to, particular assets (including extensions beyond the Effective Date or any date set forth in Schedule 5.17) as and to the extent expressly provided in this Agreement.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by each of the Administrative Agent and its Affiliates and each of the Lenders party hereto as of the Effective Date, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent and/or counsel for each of the Lenders party hereto as of the Effective Date, and of consultants, advisors, appraisers and auditors, in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks or DebtDomain) of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of the Loan Documents or any amendments, modifications or waivers of the provisions of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated) and the preparation and review of pleadings, documents and reports related to the Bankruptcy Cases (and any successor cases relating thereto), attendance at meetings, court hearings or conferences related to the Bankruptcy Cases (and any successor cases relating thereto) and general monitoring of the Bankruptcy Cases (and any successor cases relating thereto), (ii) all reasonable and documented out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iii) all out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent, any Issuing Bank or any Lender, in connection with the enforcement, collection or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit, and (iv) without limiting the generality of the foregoing, all reasonable fees and expenses of any financial advisory, appraisal or accounting firm retained by or for the benefit of the Administrative Agent).

(b) The Borrower shall indemnify the Administrative Agent (and any sub-agent thereof), the Arrangers, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned, leased or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (iv) any actual or

prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any of its Subsidiaries, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses (1) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (x) the gross negligence or willful misconduct of such Indemnitee or (y) the material breach of any express obligation of an Indemnitee under this Agreement pursuant to a claim initiated by the Borrower or (2) arise out of any investigation, litigation or proceeding that does not involve an act or omission by the Borrower or any Subsidiary and solely in connection with a dispute among Indemnitees (except when and to the extent that one of the parties to such dispute was acting in its capacity as an Agent, Issuing Bank or other agency capacity and, in such case, excepting only such party). This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent (or any sub-agent thereof) or any Issuing Bank under paragraph (a) or (b) of this Section, but without affecting the Borrower's obligations to make such payments, each Lender severally agrees to pay to the Administrative Agent or any Issuing Bank, as the case may be, such Lender's Applicable Percentage (or with respect to payments to an Issuing Bank, its Applicable Revolving Credit Percentage) (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), of such unpaid amount (it being understood that the Borrower's failure to pay any such amount shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or indemnified loss, claim, damage, penalty, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any sub-agent thereof) or any Issuing Bank in its capacity as such.

(d) To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof, other than, in each case, for direct or actual damages resulting from such Indemnitee's (x) gross negligence, (y) willful misconduct or (z) material breach of express obligations hereunder pursuant to a claim initiated by the Borrower, in each case as determined by a final and non-appealable judgment of a court of competent jurisdiction. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

(f) The agreements of this Section and the indemnity provision of Section 9.01(e) shall survive the resignation or replacement of the Administrative Agent and/or the Issuing Banks, the replacement of any Lender, and the Full Satisfaction of the Secured Obligations.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Administrative Agent; and

(B) other than with respect to any DIP Term Loan, each Issuing Bank;

provided that no DIP Term Loan Commitment (and no underlying Pre-Petition obligations relating thereto) may be assigned by any Person between the Effective Date and the effectuation of the DIP Term Loans upon the entry of the Final DIP Order unless such Person transfers such DIP Term Loan Commitment and the related underlying Pre-Petition obligations simultaneously, in the same amount and to the same Person.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund, an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 with integral multiples of $500,000 in excess thereof unless each of the

Borrower and the Administrative Agent otherwise consent; provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500, such fee to be paid by either the assigning Lender or the assignee Lender or shared between such Lenders; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates, the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Upon request, the Borrower (at its expense) shall execute and deliver a promissory note in the form of Exhibit E to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the

Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(b), 2.06(d) or (e), 2.07(b), 2.18(c) or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or the Issuing Banks, sell participations to one or more banks or other entities (a "Participant"), other than an Ineligible Institution, in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to have this Agreement enforced by the Administrative Agent on its behalf, and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. The Borrower and the Administrative Agent shall be entitled to conclusively rely on information

contained in notices delivered pursuant to this paragraph. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

(iii) Notwithstanding anything in Section 9.04(c) to the contrary, any Participant that is a Farm Credit Lender that (i) has purchased a participation in a minimum amount of $10,000,000.00, (ii) has been designated as a voting Participant (a "Voting Participant") in a notice (a "Voting Participant Notice") sent by the relevant Lender or existing Voting Participant to the Administrative Agent and (iii) receives, prior to becoming a Voting Participant, the consent of the Administrative Agent (such consent to be required only to the extent and under the circumstances it would be required if such Voting Participant were to become a Lender pursuant to an assignment in accordance with Section 9.04(b) and such consent is not required for an assignment to an existing Voting Participant), shall be entitled to vote as if such Voting Participant were a Lender on all matters subject to a vote by the Lender, and the voting rights of the selling Lender or existing Voting Participant shall be correspondingly reduced, on a dollar-for-dollar basis. Each Voting Participant Notice shall include, with respect to each Voting Participant, the information that would be included by a prospective Lender in an Assignment and Assumption. Notwithstanding the foregoing, each Farm Credit Lender designated as a Voting Participant on Schedule 9.04 shall be a Voting Participant without delivery of a Voting Participation Notification and without the prior written consent of the Administrative Agent. The Administrative Agent and the Borrower shall be entitled to conclusively rely on information contained in Voting Participant Notices and all other notices delivered pursuant hereto. The voting rights of each Voting Participant are solely for the benefit of such Voting Participant and shall not inure to any assignee or participant of such Voting Participant that is not a Farm Credit Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, if at any time Rabobank assigns all of its Commitments and Loans pursuant to Section 9.04(b), Rabobank may, upon 30 days' notice to the Borrower and the Lenders, resign as an Issuing Bank. In the event of any such resignation as an Issuing Bank, the Borrower shall be entitled to appoint from among the Lenders a successor Issuing Bank hereunder; provided that such Lender consents in writing and in advance to becoming a successor Issuing Bank hereunder; provided further, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of Rabobank as an Issuing Bank. If Rabobank resigns as an Issuing Bank, it shall retain all the rights, powers, privileges and duties of an Issuing Bank hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an Issuing Bank and all Obligations with respect thereto (including the right to require the Lenders to make ABR Loans or fund risk participations pursuant to Section 2.06(e)). Upon the appointment of a successor Issuing Bank, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank and (b) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Rabobank to effectively assume the obligations of Rabobank with respect to such Letters of Credit.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable

to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, e-mailed.pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execute", "execution", "signed", "signature", "delivery", and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, Assignment and Assumptions, amendments, Borrowing Requests, waivers and consents) shall be deemed to include Electronic Signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

SECTION 9.07. Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower or any Subsidiary Guarantor against any of and all the Secured Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmatured. The applicable Lender shall notify the Borrower, the Administrative Agent of such set-off or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other loan document, as expressly set forth therein) and the Transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the Law of the State of New York and, to the extent applicable, the Bankruptcy Code.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have, or abstains from, jurisdiction, the Supreme Court of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court for the Southern District of New York, and any appellate court from any thereof in any action or proceeding arising out of or relating to any Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED

TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' respective directors, trustees, officers, employees and agents, including accountants, auditors, legal counsel and other advisors who have a need to know such Information in connection with the transactions contemplated by the Loan Documents (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by Requirement of Law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower, its Subsidiaries and their obligations, (g) with the prior consent of the Borrower, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, an Issuing Bank or any Lender on a nonconfidential basis from a source other than the Borrower (which source is not known by such recipient to be in breach of confidentiality obligations to the Borrower or any Subsidiary), (i) on a confidential basis to any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided hereunder, (j) on a confidential basis to its insurers, reinsurers and insurance brokers, or (k) on a confidential basis to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers of other market identifiers with respect to the credit facilities provided hereunder. For the purposes of this Section, "Information" means all information received from a Loan Party or any Subsidiary relating to the Loan Parties or any Subsidiary or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by such Loan Party or any Subsidiary (other than any such information received from a source that is known by such recipient to be in breach of confidentiality obligations to such Loan Party or any Subsidiary). Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Arrangers and the Lenders in connection with the administration of this

Agreement, the other Loan Documents, and the Commitments, but only to the extent consistent with information that has previously been publicly disclosed by the Borrower.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER AND ITS AFFILIATES, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND ITS SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

SECTION 9.13. Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Each Lender hereby represents that it is not relying on or looking to any margin stock for the repayment of the Borrowings provided for herein. Anything contained in this Agreement to the contrary notwithstanding, neither any Issuing Bank nor any Lender shall be obligated to extend credit to the Borrower in violation of any Requirement of Law.

SECTION 9.14. USA PATRIOT Act. Each of the Administrative Agent, the Issuing Bank, and each Lender that is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act") hereby notifies each Loan Party that pursuant to the requirements of the Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the Act. The Borrower hereby agrees to provide, and cause each other Loan Party to provide, such information promptly upon the request of the Administrative Agent or any Lender. Each Lender subject to the Act acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on the Administrative Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the USA Patriot Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121 (as hereafter

amended or replaced, the "***CIP Regulations***"), or any other Anti-Terrorism Law, including any programs involving any of the following items relating to or in connection with any Loan Party, its Affiliates or its agents, this Agreement, the Loan Documents or the transactions hereunder or contemplated hereby: (a) any identity verification procedures, (b) any record-keeping, (c) comparisons with government lists, (d) customer notices, or (e) other procedures required under the CIP Regulations or such other law.

SECTION 9.15. Disclosure. The Borrower and each Lender hereby acknowledges and agrees that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Borrower, its Subsidiaries and their respective Affiliates.

SECTION 9.16. Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the Holders of Secured Obligations, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession. Should any Lender (other than the Administrative Agent) obtain possession of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

SECTION 9.17. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.18. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Lenders and their Affiliates, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Lenders and their Affiliates is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person and (B) no Lender or any of its Affiliates has any obligation to the

Borrower or any of its Affiliates with respect to the transactions contemplated hereby except, in the case of a Lender, those obligations expressly set forth herein and in the other Loan Documents; and (iii) each of the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and no Lender or any of its Affiliates has any obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against each of the Lenders and their Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.19. Release of Subsidiary Guarantors.

(a) A Subsidiary Guarantor shall automatically be released from its obligations under the Subsidiary Guaranty upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Guarantor ceases to be a Subsidiary; provided that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise. In connection with any termination or release pursuant to this Section, the Administrative Agent shall (and is hereby irrevocably authorized by each Lender to) execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent.

(b) Further, the Administrative Agent may (and is hereby irrevocably authorized by each Lender to), upon the request of the Borrower, release any Subsidiary Guarantor from its obligations under the Subsidiary Guaranty if such Subsidiary Guarantor is no longer a Subsidiary upon the consummation of a transaction permitted by this Agreement.

(c) At such time as the Secured Obligations (other than Obligations expressly stated to survive such payment and termination) shall have been Fully Satisfied, the Subsidiary Guaranty and all obligations (other than those expressly stated to survive such termination) of each Subsidiary Guarantor thereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any Person.

SECTION 9.20. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Solely to the extent any Lender or Issuing Bank that is an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or Issuing Bank that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

SECTION 9.21. Construction; Independence of Covenants.

(a) The Borrower, each other Loan Party (by its execution of the Loan Documents to which it is a party), the Administrative Agent and each Lender acknowledges that each of them has had the benefit of legal counsel of its own choice and has been afforded an opportunity to review the Loan Documents with its legal counsel and that the Loan Documents shall be construed as if jointly drafted by the parties thereto.

(b) All covenants and other agreements contained in this Agreement or any other Loan Document shall be given independent effect so that, if a particular action or condition is not permitted by any of such covenants or other agreements, the fact that such action or condition would be permitted by an exception to, or otherwise be within the limitations of, another covenant or other agreement shall not avoid the occurrence of a Default if such action is taken or such condition exists.

SECTION 9.22. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) in the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution

Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.22, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Covered Entity" means any of the following:

(i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"***Default Right***" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"***QFC***" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

SECTION 9.23. Orders. The Loan Parties, the Administrative Agent, the Issuing Banks and the Lenders hereby expressly agree that in the event of any conflict between this Agreement and the Orders, the Orders shall control.

6. The Debtors are authorized, but not directed, to enter into Vendor Agreements when the Debtors determine, in their sole discretion, that it is appropriate to do so in connection with making payments to Lien Claimants; *provided, however*, that the Debtors' inability to enter into a Vendor Agreement shall not preclude them from paying a Lienholder Claim when, in their sole discretion, such payment is necessary to the Debtors' operations.

7. If the Debtors determine that, in their sole discretion, a Lien Claimant has not complied with the terms and provisions of a Vendor Agreement or has failed to continue to

8. If a Vendor Agreement is terminated as set forth above, or if a Lien Claimant that has received payment of a Lienholder Claim later refuses to continue to supply goods or services for the applicable period in compliance with the Vendor Agreement or this Order, then the Debtors may, in their sole discretion, and without further order of the Court (a) declare that the payment of such Lienholder Claim is a voidable post-petition transfer pursuant to section 549(a) of the Bankruptcy Code that the Debtors may recover from such a Lien Claimant in cash, (b) demand that the creditor immediately return such payments in respect of its Lienholder Claim to the extent that the aggregate amount of such payments exceeds the post-petition obligations then outstanding, without giving effect to alleged setoff rights, recoupment rights, adjustments, or offsets of any type whatsoever, and (c) upon recovery of such payment by the Debtors, such creditor's Lienholder Claim shall be reinstated in such an amount as to restore the Debtors and the applicable Lien Claimant to their original positions, as if the agreement had never been entered into and the payment of the creditor's Lienholder Claim had not been made.

15. Notwithstanding the relief granted herein and any actions taken hereunder, nothing contained herein shall (a) create, nor is it intended to create, any rights in favor of, or enhance the status of any claim held by, any person or entity or (b) be deemed to convert the priority of any claim from a prepetition claim into an administrative expense claim.

16. Nothing in this Order nor the Debtors' payment of claims pursuant to this Order shall be construed as or deemed to constitute (a) an agreement or admission by the Debtors as to the priority, validity, or secured status of any claim against the Debtors on any ground, (b) a grant of third party beneficiary status or bestowal of any additional rights on any third party, (c) a waiver or impairment of any rights, claims, or defenses of the Debtors' rights to dispute any claim on any grounds, (d) a promise by the Debtors to pay any claim, or (e) an implication or admission by the Debtors that such claim is payable pursuant to this Order.

17. Notwithstanding anything to the contrary in this Order, in the event of any inconsistency between the terms of this Order and the terms of (a) any order of this Court approving the debtor-in-possession financing facility and use of cash collateral (the "**DIP Order**"), including, without limitation, any budget in connection therewith, or (b) any order approving the Debtors' continued performance under their securitization facility (the "**Securitization Order**"), the terms of the DIP Order or the Securitization Order, as applicable, shall govern.

20. The Debtors are authorized to take all such actions as are necessary or appropriate to implement the terms of this Order.

21. The Court shall retain exclusive jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

(c) Pursuant to (i) that certain Fifth Amended and Restated Performance Undertaking, dated February 22, 2019 (as amended pursuant to that certain Sixth Amended and Restated Performance Undertaking, dated as of the Closing Date, and as may be further amended, restated, supplemented, or otherwise modified from time to time) and (ii) that certain Fourth Amended and Restated Performance Undertaking, dated as of February 22, 2019 (as amended pursuant to that certain Fifth Amended and Restated Performance Undertaking, dated on or before the Effective Date under and as defined in the DIP Credit Agreement, and as may be further amended, restated, supplemented or otherwise modified from time to time), the DIP Borrower has provided to the Receivables Financing Agent, for itself and for the benefit of the Receivables Purchasers and the applicable Receivables Sellers, an absolute, unconditional and continuing guaranty of the full and punctual performance by each of the Receivables

Financing Originators of certain obligations under the Receivables Financing Documents.

(iii) Prepetition Unsecured Notes. Pursuant to that certain Indenture, dated as of February 25, 2015 (as amended, amended and restated, waived, supplemented and/or modified from time to time, the "Prepetition Indenture"), among Dean Foods, as issuer, The Bank of New York Mellon Trust Company, N.A., as trustee, and the Guarantors (as defined in the Prepetition Indenture), Dean Foods issued 6.50% Senior Notes due March 15, 2023 in an aggregate principal amount of $700,000,000.

(iv) Intercreditor Agreement. The respective rights of the Prepetition Secured Parties, on the one hand, and the Receivables Purchasers and Receivables Sellers, on the other hand, to, and the priority of their respective rights to and security interests in, the Lender Collateral and the Securitization Assets (each as defined therein), are set forth in that certain Intercreditor Agreement, dated as of February 22, 2019, among certain of the Debtors, the Prepetition Agent and the Receivables Financing Agent (as amended, amended and restated, waived, supplemented and/or modified from time to time, the "Intercreditor Agreement").

F. **Stipulations as to Prepetition Obligations**. Without limiting the rights of the Committee or any other party in interest, in each case, with standing and requisite authority, as and to the extent set forth in paragraph 6 hereof, the Debtors permanently, immediately, and irrevocably acknowledge, represent, stipulate and agree:

(i) Prepetition Obligations.

(a) As of the Petition Date, the Prepetition Loan Parties were justly and lawfully indebted and liable to the Prepetition Secured Parties under the

Prepetition Loan Documents, without objection, defense, counterclaim or offset of any kind, in the aggregate principal amount of not less than $188,800,000 on account of outstanding Loans under (and as defined in) the Prepetition Revolving Credit Agreement (the "Prepetition Revolving Loans"), plus all accrued and unpaid interest thereon, and any fees, expenses, indemnification obligations, guarantee obligations, reimbursement obligations, including, without limitation, any attorneys', accountants', consultants', appraisers' and financial and other advisors' fees that are chargeable to or reimbursable by the Prepetition Loan Parties, and all other Secured Obligations under (and as defined in) the Prepetition Revolving Credit Agreement (collectively, the "Prepetition Obligations").

(b) **Enforceability of the Prepetition Obligations.** (i) The Prepetition Obligations constitute legal, valid, binding, non-avoidable obligations of the Prepetition Loan Parties enforceable in accordance with the terms of the applicable Prepetition Loan Documents, and (ii) no offsets, recoupments, challenges, contests, attacks, objections, defenses, claims or counterclaims of any kind or nature to any of the Prepetition Liens or the Prepetition Obligations exist, and no portion of the Prepetition Liens or the Prepetition Obligations is subject to any challenge, cause of action, or defense, including avoidance, disallowance, disgorgement, subordination (equitable or otherwise), re-characterization, or other challenge of any kind or nature under the Bankruptcy Code, applicable non-bankruptcy law or otherwise.

(c) **Enforceability of Prepetition Liens.** The Prepetition Liens granted by the Prepetition Loan Parties, to or for the benefit of the Prepetition

Agent and the other Prepetition Secured Parties, as security for the Prepetition Obligations, encumber the Prepetition Collateral, as the same existed on or at any time prior to the Petition Date. The Prepetition Liens have been properly recorded and perfected under applicable non-bankruptcy law, and are legal, valid, enforceable, non-avoidable, and not subject to contest, avoidance, attack, offset, re-characterization, subordination or other challenge of any kind or nature under the Bankruptcy Code, applicable non-bankruptcy law or otherwise. As of the Petition Date, and without giving effect to the Interim Order or this Final Order, the Debtors are not aware of any liens or security interests over the Prepetition Collateral of the Prepetition Secured Parties having priority over the Prepetition Liens, except certain Permitted Liens (as defined in the Prepetition Revolving Credit Agreement). The Prepetition Liens were granted to or for the benefit of the Prepetition Agent and the other Prepetition Secured Parties for fair consideration and reasonably equivalent value, and were granted contemporaneously with, or covenanted to be provided as inducement for, the making of the loans and/or commitments and other financial accommodations secured thereby.

(ii) **Indemnity.** The Prepetition Secured Parties and the DIP Secured Parties have acted in good faith, and without negligence, misconduct or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting or obtaining requisite approvals of the DIP Facility and the use of Cash Collateral, including in respect of the granting of the DIP Liens (as defined below) and any Adequate Protection Liens, any challenges or objections to the DIP Facility or the use of Cash Collateral, the DIP Loan Documents,

and all other documents related to and all transactions contemplated by the foregoing. Accordingly, without limitation to any other right to indemnification (including any and all rights of the Prepetition Secured Parties to indemnification under the Prepetition Loan Documents), the DIP Secured Parties shall be and hereby are indemnified and held harmless by the Debtors in respect of any claim or liability incurred in respect thereof or in any way related thereto in accordance with the terms of the DIP Loan Documents. No exception or defense in contract, law or equity existed as of the date of the Interim Order or exists as of the date of this Final Order to any obligation set forth, as the case may be, in this paragraph F(ii), in the DIP Loan Documents, or in the Prepetition Loan Documents to indemnify and/or hold harmless the DIP Agent, any other DIP Secured Party, or any Prepetition Secured Party, as the case may be, and any such defenses are hereby waived.

(iii) **No Control.** None of the DIP Secured Parties or the Prepetition Secured Parties are control persons or insiders of the Debtors or any of their affiliates by virtue of any of the actions taken with respect to, in connection with, related to, or arising from the DIP Facility, the Prepetition Obligations, the DIP Loan Documents and/or the Prepetition Loan Documents.

(iv) **No Claims or Causes of Action.** As of the date hereof, there exist no claims or causes of action against any of the DIP Agent, the other DIP Secured Parties, or the Prepetition Secured Parties with respect to, in connection with, related to, or arising from the DIP Loan Documents, the Prepetition Loan Documents, the DIP Facility, the DIP Obligations and/or the Prepetition Obligations that may be asserted by the DIP Loan

Parties, the Prepetition Loan Parties or, to the Debtors' knowledge, any other person or entity.

(v) **Release.** The Debtors, on behalf of themselves and their respective estates, forever and irrevocably release, discharge, and acquit all former, current and future DIP Secured Parties and any Prepetition Secured Parties, all holders of participation interests under the DIP Credit Agreement or the Prepetition Revolving Credit Agreement, all Affiliates of the DIP Secured Parties and of the Prepetition Secured Parties, and each of the former, current and future officers, employees, directors, agents, representatives, owners, members, partners, financial and other advisors and consultants, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, and predecessors and successors in interest of each DIP Secured Party and each Prepetition Secured Party and of each of their respective Affiliates, in each case in its capacity as such (collectively, the "Releasees") of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending or threatened including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, arising out of, in connection with, or relating to the DIP Obligations, the DIP Loan Documents, the Prepetition Obligations and the other Prepetition Loan Documents and/or the transactions contemplated hereunder or thereunder including, without limitation, (x) any so-called "lender liability" or equitable

subordination claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the DIP Agent, the other DIP Secured Parties, and/or the Prepetition Secured Parties. The Debtors further waive and release any defense, right of counterclaim, right of setoff or deduction of the payment of the Prepetition Obligations and the DIP Obligations that the Debtors now have or may claim to have against the Releasees arising out of, connected with, or relating to any and all acts, omissions or events occurring prior to the entry of this Final Order.

G. **Immediate Need for Postpetition Financing and Use of Cash Collateral.** Good cause has been shown for entry of this Final Order. An immediate need exists for the Debtors to continue to obtain funds and liquidity to, as the case may be, continue operations, pay the costs and expenses of administering the Cases, and administer and preserve the value of their businesses and estates. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors' assets and to maximize the return for all creditors requires the continued availability of the DIP Facility and use of Cash Collateral. In the absence of the continued availability of such funds and liquidity in accordance with the terms hereof, the continued operation of the Debtors' businesses would not be possible, and immediate and irreparable harm to the Debtors and their estates and creditors would occur. Further, the possibility for a successful restructuring would be jeopardized in the absence of the availability of funds in accordance with the terms of this Final Order. Thus, the ability of the Debtors to preserve and maintain the value of their assets and maximize the return for creditors requires the availability of working capital from the DIP Facility and the use of Cash Collateral.

H. **No Credit Available on More Favorable Terms.** The Debtors have been unable to obtain on more favorable terms and conditions than those provided in this Final Order and the Interim Order, (i) adequate unsecured credit allowable under Section 503(b)(1) of the Bankruptcy Code as an administrative expense, (ii) credit for money borrowed with priority over any or all administrative expenses of the kind specified in Sections 503(b) or 507(b) of the Bankruptcy Code, (iii) credit for money borrowed secured by a lien on property of the estate that is not otherwise subject to a lien, or (iv) credit for money borrowed secured by a junior lien on property of the estate that is subject to a lien. The Debtors are unable to obtain credit for borrowed money without granting the DIP Liens and the DIP Superpriority Claim (as defined below) to (or for the benefit of) the DIP Secured Parties, or without granting the adequate protection (including authorization for the Revolver Refinancing) as and to the extent set forth herein and in the Interim Order.

I. **Adequate Protection for Secured Parties.** The Prepetition Agent and the other Prepetition Secured Parties have negotiated in good faith regarding the Debtors' use of Prepetition Collateral (including Cash Collateral) to fund the administration of the Debtors' estates and continued operation of their businesses, in accordance with the terms hereof and the DIP Budget (subject to any Permitted Variances). The Prepetition Secured Parties agreed to permit the Debtors to use the Prepetition Collateral, including the Cash Collateral, in accordance with the terms hereof, including the DIP Budget (subject to any Permitted Variances), subject to the terms and conditions set forth in this Final Order and in the other DIP Loan Documents, including the protections afforded parties acting in "good faith" under Section 363(m) of the Bankruptcy Code. The Prepetition Secured Parties are entitled to the adequate protection as and to the extent set forth herein pursuant to Sections 361, 362, and 363 of the Bankruptcy Code.

Based on the Motion and on the record presented to the Court at the Interim Hearing and the Final Hearing, the terms of the proposed adequate protection arrangements and of the use of Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the Prepetition Agent and Prepetition Secured Parties' consent thereto; provided, that nothing in this Final Order, the Interim Order, or the other DIP Loan Documents shall (i) be construed as a consent by any Prepetition Secured Party that it would be adequately protected in the event any debtor-in-possession financing is provided by a third party (i.e., other than the DIP Lenders), or a consent to the terms of any financing or use of Cash Collateral, including the consent to any lien encumbering the Prepetition Collateral (whether senior or junior) pursuant to any financing or use of Cash Collateral, in each case, except under the terms hereof, or (ii) prejudice, limit or otherwise impair the rights of the Prepetition Agent (for the benefit of the Prepetition Secured Parties) to seek new, different or additional adequate protection under any circumstances after the date hereof. For the avoidance of doubt, the adequate protection granted by this Final Order applies in respect of (1) solely until the date of consummation of the Revolver Refinancing, the Prepetition Revolving Loans that are converted to or deemed refinanced by the DIP Roll-Up Loans hereunder, (2) all other Prepetition Obligations that are not converted to or deemed refinanced by the DIP Roll-Up Loans (including any indemnification obligations), and (3) any DIP Roll-Up Loans that, whether as a result of a successful Challenge or otherwise, are unwound or converted back into Prepetition Obligations.

J. **Section 552.** In light of, as applicable, the subordination of the Prepetition Liens (and any Adequate Protection Liens) to the DIP Liens and the Carve-Out, and the granting of the DIP Liens on the Prepetition Collateral, the Prepetition Secured Parties are each entitled to all of

the rights and benefits of Section 552(b) of the Bankruptcy Code, and the "equities of the case" exception shall not apply.

K. **Extension of Financing.** The DIP Secured Parties committed to provide financing to the Debtors in accordance with the DIP Credit Agreement and the other DIP Loan Documents (including the DIP Budget, subject to any Permitted Variances), and subject to (i) the entry of the Interim Order, the entry of this Final Order, and approval of each provision of the DIP Loan Documents, and (ii) findings by this Court that such financing is essential to the Debtors' estates (and the continued operation of the DIP Loan Parties), that the DIP Secured Parties are good faith financiers, and that the DIP Secured Parties' claims, superpriority claims, security interests and liens and other protections granted pursuant to and in connection with the Interim Order, this Final Order and the DIP Loan Documents (including the DIP Superpriority Claim and the DIP Liens), will not be affected by any subsequent reversal, modification, vacatur, stay or amendment of, as the case may be, this Final Order, the Interim Order, or any other order, as provided in Section 364(e) of the Bankruptcy Code. The Prepetition Secured Parties have consented to the use of the Prepetition Collateral and the Cash Collateral, solely in respect of the DIP Facility provided by the DIP Agent and the DIP Lenders, and not in respect of any other postpetition financing or cash collateral facility.

L. **Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The terms and conditions of the DIP Facility, and the fees paid and to be paid thereunder, are fair, reasonable, and the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration.

(ii) All obligations incurred, payments made, and transfers or grants of security set forth in this Final Order, the Interim Order, and the other DIP Loan Documents by any DIP Loan Party are (and were) granted to or for the benefit of the DIP Secured Parties for fair consideration and reasonably equivalent value, and are (and were) granted contemporaneously with the making of the loans and/or commitments and other financial accommodations secured thereby.

(iii) The DIP Facility and the DIP Loan Documents were negotiated in good faith and at arm's length among the Debtors, the DIP Agent, the other DIP Secured Parties, and the Prepetition Secured Parties.

(iv) The use of the proceeds to be extended under the DIP Facility and the DIP Loan Documents will be so extended in good faith and for valid business purposes and uses, as a consequence of which the DIP Secured Parties are entitled to the protection and benefits of Section 364(e) of the Bankruptcy Code.

M. **Relief Essential; Best Interest.** The relief requested in the Motion (and provided in this Final Order), is necessary, essential and appropriate for the continued operation of the Debtors' businesses and the management and preservation of the Debtors' assets and property, and satisfies the requirements of Bankruptcy Rule 6003. It is in the best interest of the Debtors' estates, and consistent with the Debtors' exercise of their fiduciary duties, that the Debtors be allowed to enter into the DIP Facility, incur the DIP Obligations, grant the liens and claims contemplated herein and under the DIP Loan Documents to the DIP Secured Parties and the Prepetition Secured Parties, and use Prepetition Collateral, including Cash Collateral, as contemplated herein.

NOW, THEREFORE, on the Motion of the Debtors and the record before this Court with respect to the Motion, including the record made during the Interim Hearing and the record made during the Final Hearing, and with the consent of the Debtors, the Prepetition Secured Parties and the DIP Secured Parties, and good and sufficient cause appearing therefor,

IT IS ORDERED that:

1. **Motion Granted.** The Motion is granted in accordance with the terms and conditions set forth in this Final Order. Any objections to the Motion with respect to entry of this Final Order to the extent not withdrawn, waived or otherwise resolved, and all reservation of rights included therein, are hereby denied and overruled.

2. **DIP Facility.**

(a) **DIP Obligations, etc.** The Debtors are expressly and immediately authorized and empowered, on a final basis, to enter into the DIP Facility and to continue to incur and to perform all obligations under the DIP Facility (including the DIP Obligations) in accordance with and subject to this Final Order and the other DIP Loan Documents, to enter into, execute and/or deliver (to the extent not previously entered into, executed or delivered) all DIP Loan Documents and all other instruments, certificates, agreements and documents, and to take all actions, which may be reasonably required or otherwise necessary for the performance by the DIP Loan Parties under the DIP Facility, including the creation and perfection of the DIP Liens described and provided for herein. The Debtors are hereby authorized and directed to (i) pay (to the extent not previously paid pursuant to the Interim Order) all principal, interest, fees and expenses, indemnities under the DIP Loan Documents, and other amounts described herein and in the other DIP Loan Documents as such shall accrue and become due hereunder or thereunder, including, without limitation, (A) the non-refundable payment to the Arranger, the DIP Agent or

the DIP Lenders (as the case may be) of any arrangement, backstop, upfront or administrative fee in any letter agreement between the Debtors, on the one hand, and the DIP Agent, Arranger and/or the DIP Lenders, on the other hand; and (B) the reasonable fees and expenses of White & Case LLP (as counsel to the Prepetition Agent and DIP Agent and as counsel to the Receivables Financing Agent), FTI Consulting (as financial advisors), and any other attorneys and financial and other advisors and consultants of the DIP Agent and the DIP Lenders (including any local counsel and any additional counsel to the Receivables Financing Agent) as may be reasonably required (the "DIP Lender Professionals"), in each case, as and to the extent provided for herein and in accordance with the other DIP Loan Documents (collectively, all loans, advances, extensions of credit, financial accommodations, fees, expenses and other liabilities, and all other Secured Obligations (including indemnities and similar obligations) in respect of DIP Extensions of Credit, the DIP Facility and the DIP Loan Documents, the "DIP Obligations"), and (ii) subject to paragraphs 4(i), 6 and 7 hereof, to (x) incur the DIP Roll-Up Loans, which shall be deemed to refinance (and repay), on a dollar-for-dollar basis, all outstanding Prepetition Revolving Loans, in accordance with the terms and conditions of this Final Order and the other DIP Loan Documents and (y) and immediately pay in cash all accrued and unpaid interest and fees outstanding in respect of the Prepetition Revolving Loans, as provided herein and in accordance with the Prepetition Loan Documents. The DIP Obligations shall not otherwise be subject to further approval of this Court. The DIP Loan Documents and all DIP Obligations shall represent, constitute and evidence, as the case may be, valid and binding obligations of the Debtors, enforceable against the Debtors, their estates and any successors thereto in accordance with their terms. All obligations incurred, payments made, and transfers or grants of security set forth in this Final Order, in the Interim Order, and in the other DIP Loan Documents by any DIP

Loan Party are, and were, granted to or for the benefit of the DIP Secured Parties for fair consideration and reasonably equivalent value, and are, and were, granted contemporaneously with the making of the loans and/or commitments and other financial accommodations secured thereby (subject, in the case of the DIP Roll-Up Loans, to paragraphs 4(i), 6 and 7 hereof). Subject, solely in the case of the DIP Roll-Up Loans, to paragraphs 4(i), 6 and 7 hereof, no obligation incurred, payment made, transfer or grant of security set forth in the DIP Loan Documents by any DIP Loan Party as approved under the Interim Order or this Final Order shall be stayed, restrained, voided, voidable or recoverable under the Bankruptcy Code or under any applicable non-bankruptcy law, or subject to any defense, reduction, setoff, recoupment or counterclaim. The term of the DIP Facility commenced following the entry of the Interim Order on the Effective Date and shall end on the Termination Date, subject to the terms and conditions set forth herein and in the other DIP Loan Documents, including the protections afforded a party acting in good faith under Section 364(e) of the Bankruptcy Code.

(b) **Authorization to Borrow, etc.** In order to enable them to continue to operate their businesses, subject to the terms and conditions of this Final Order and the other DIP Loan Documents, (i) the DIP Borrower is hereby authorized under the DIP Facility to continue to borrow (and the DIP Guarantors are authorized to continue to guarantee repayment of) DIP Revolving Loans and, subject to any conditions or limitations set forth in the DIP Loan Documents, to issue DIP Letters of Credit, in an aggregate principal amount not to exceed $236,200,000 (including any amounts borrowed during the Interim Period, and with respect to any DIP Letters of Credit, subject to the DIP L/C Sublimit) under the DIP Facility and (ii) the DIP Borrower is hereby authorized under the DIP Facility to incur (and, subject to paragraph 2(d), the DIP Guarantors are authorized to guarantee repayment of) DIP Roll-Up Loans in an

aggregate principal amount not to exceed $188,800,000 and consummate the Revolver Refinancing.

(c) **Conditions Precedent.** The DIP Lenders shall have no obligation to make any DIP Extension of Credit or any other financial accommodation hereunder or under or in respect of the other DIP Loan Documents unless all conditions precedent to making DIP Extensions of Credit under the DIP Loan Documents have been satisfied or waived in accordance with the terms of the DIP Loan Documents.

(d) **DIP Collateral.** As used herein, "DIP Collateral" shall mean, all now owned or hereafter acquired assets and property, whether real or personal, of the Debtors including, without limitation, all Prepetition Collateral, all assets and property pledged under the DIP Loan Documents, and all cash, any investment of such cash, inventory, accounts receivable, including intercompany accounts (and all rights associated therewith), other rights to payment whether arising before or after the Petition Date, contracts, contract rights, chattel paper, goods, investment property, inventory, deposit accounts, "core concentration accounts," "cash collateral accounts", any bank accounts, and in each case all amounts on deposit therein (or credited thereto) from time to time, equity interests (including all the equity interests of any Debtor in any foreign subsidiary), securities accounts, securities entitlements, securities, commercial tort claims, books, records, plants, equipment, farm products, general intangibles, documents, instruments, interests in leases and leaseholds, interests in real property (whether or not such real property constituted Prepetition Collateral under the Prepetition Loan Documents), fixtures, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, letter of credit rights, supporting obligations, machinery and equipment, patents, copyrights, trademarks, tradenames, other intellectual property, all licenses therefor, interests of any Debtor in any

foreign subsidiary, and all proceeds, rents, profits, products and substitutions, if any, of any of the foregoing and including, the proceeds of all of the Debtors' claims and causes of action under Sections 502(d), 544, 545, 547, 548, 549, 550 and 553 of the Bankruptcy Code, and any other avoidance or similar action under the Bankruptcy Code or similar state law (collectively, the "Avoidance Actions"), whether received by judgment, settlement or otherwise. Notwithstanding the foregoing, the DIP Collateral shall not include any Excluded Property (as defined in the DIP Credit Agreement); provided, however, that DIP Collateral shall include proceeds and products of such Excluded Property (except to the extent such proceeds or products also constitute Excluded Property).[5] Notwithstanding anything in this Final Order or the DIP Loan Documents to the contrary, the collateral securing the DIP Roll-Up Loans shall not include the assets of any Debtors that were not obligated on the Prepetition Obligations, and the Debtors obligated on the DIP Roll-Up Loans shall not include any Debtors that were not obligated on the Prepetition Obligations.[6]

(e) **DIP Liens.** Effective immediately upon entry of (i) the Interim Order, with regard to all DIP Obligations incurred during the Interim Period and (ii) this Final Order, with regard to all DIP Obligations, including, without limitation, the DIP Roll-Up Loans, in each case subject to the Carve-Out, and as set forth more fully in this Final Order and the other DIP Loan Documents, the DIP Agent and each of the other DIP Secured Parties, in order to secure

[5] For the avoidance of doubt, the capitalized term "Collateral" in the DIP Credit Agreement shall mean the DIP Collateral as defined in this Final Order and the "Collateral" (or any equivalent term) as defined in each other Collateral Document (as defined in the DIP Credit Agreement), as applicable, and, in any event, shall exclude the Excluded Property (as defined in the DIP Credit Agreement).

[6] For the avoidance of doubt, all references in this Final Order to the Debtors who were not obligated on the Prepetition Obligations are limited solely to the following entities (i) Cascade Equity Realty, LLC, (ii) Dairy Information Systems Holdings, LLC, (iii) Dairy Information Systems, LLC, (iv) Dean International Holding Company, (v) Dean Puerto Rico Holdings, LLC, (vi) DFC Aviation Services, LLC, (vii) DFC Energy Partners, LLC, and (viii) Franklin Holdings, Inc.

the DIP Obligations, were (and continue to be) granted or are hereby granted, as applicable, the following security interests and liens, which (subject, solely in the case of the DIP Roll-Up Loans, to paragraphs 4(i), 6 and 7 hereof) are immediately valid, binding, perfected, continuing, enforceable and non-avoidable (all liens and security interests granted to the DIP Agent and the DIP Secured Parties pursuant to the Interim Order, this Final Order and the other DIP Loan Documents, the "DIP Liens"):

(I) pursuant to Section 364(c)(2) of the Bankruptcy Code, valid, enforceable, perfected and non-avoidable first priority liens on and security interests in all DIP Collateral that was not encumbered by valid, enforceable, perfected and non-avoidable liens as of the Petition Date; and

(II) pursuant to Section 364(c)(3) and Section 364(d) of the Bankruptcy Code, valid, enforceable, perfected and non-avoidable first priority priming liens on and security interests in all other DIP Collateral, which liens and security interests shall, in each case, be (x) junior only to any pre-existing liens as of the Petition Date of a third party, *i.e.*, not any Prepetition Secured Parties (each a "Third Party Lienholder") on the DIP Collateral, but solely to the extent that such liens and security interests of any Third Party Lienholders were, in each case, as of the Petition Date, valid enforceable, perfected and non-avoidable liens, or were perfected subsequent to the Petition Date as permitted by Section 546(b) of the Bankruptcy Code, and (i) senior to the Prepetition Liens or (ii) attached to property of the Debtors that did not constitute Prepetition Collateral (such liens in the preceding clauses (i) and (ii), the "Permitted Third Party

Liens"), and (y) senior to all other liens on, and security interests in the DIP Collateral, including without limitation, the Prepetition Liens, any Adequate Protection Liens, and the liens of any Third Party Lienholders which are *pari passu* with or junior to the Prepetition Liens.[7]

Notwithstanding anything to the contrary contained in this Final Order, the Interim Order, or any other DIP Loan Documents, but subject to paragraph 2(d) hereof, (i) the DIP Liens securing the DIP Roll-Up Loans shall be *pari passu* with the DIP Liens securing all other DIP Obligations, including in respect of the DIP Revolving Facility and any DIP Letters of Credit and (ii) no DIP Liens granted in respect of the DIP Roll-Up Loans shall extend to the assets of the Debtors who were not obligated on the Prepetition Obligations.

(f) **DIP Liens Senior to Other Liens.** Effective immediately upon entry of (i) the Interim Order, with regard to all DIP Obligations incurred during the Interim Period and (ii) this Final Order, with regard to all DIP Obligations, including, without limitation, the DIP Roll-Up Loans, in each case subject to the Carve-Out, and as set forth more fully in this Final Order and the other DIP Loan Documents, the DIP Liens shall (or, as applicable, shall continue to) secure all of the DIP Obligations and, subject, solely in the case of the DIP Roll-Up Loans, to paragraphs 4(i), 6 and 7 hereof, shall not, without the consent of the DIP Agent, be made subject or subordinate to, or *pari passu* with, (1) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under Section 551 of the Bankruptcy Code, (2) any lien or security interest arising on or after the Petition Date (but shall be subject to the Carve-Out), or (3) any other lien or security interest under Section 363 or 364 of the

[7] Nothing herein shall constitute a finding or ruling by this Court that any alleged Permitted Third Party Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice the rights of any party-in-interest, including, but not limited to, the Debtors, the DIP Agent, the DIP Secured Parties, the Prepetition Secured Parties, or the Committee, to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Third Party Lien and/or security interests.

Bankruptcy Code or otherwise, other than to the Carve-Out or to the extent expressly provided herein, by any court order heretofore or hereafter entered in the Cases, provided that no DIP Liens granted in respect of the DIP Roll-Up Loans shall extend to the assets of the Debtors who were not obligated on the Prepetition Obligations. The DIP Liens and any Adequate Protection Liens shall be valid and enforceable against any trustee appointed in the Cases, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (such cases or proceedings, "Successor Cases"), and/or upon the dismissal of any of the Cases. It is understood and agreed, and hereby ordered, that, notwithstanding the immediately preceding sentence or anything else to the contrary set forth in this Final Order, in the Interim Order, in any other DIP Loan Document, or in any other order of this Court entered in the Cases, any amounts advanced or expended by the Prepetition Secured Parties or the DIP Secured Parties, in their sole and absolute discretion and without requiring the consent or approval of any other party, after the occurrence and during the continuation of an Event of Default, directly or indirectly, to protect, preserve, maintain, market, sell or liquidate the Prepetition Collateral or DIP Collateral, including to fund the Debtors' operations during a sale process pursuant to Section 363 of the Bankruptcy Code, and any reasonable professional or advisory fees and expenses of White & Case LLP (as counsel to the Prepetition Agent and DIP Agent and as counsel to the Receivables Financing Agent), FTI Consulting, any local counsel, any additional counsel to the Receivables Financing Agent, and any other advisors, appraisers and/or liquidators retained by the DIP Agent in accordance with the DIP Loan Documents to assist or advise it in such capacities and for such purposes, shall be added to the DIP Obligations for all purposes hereunder and under the other DIP Loan Documents. The DIP Liens and the Adequate Protection Liens shall not be subject to Sections

510, 549, 550 or 551 of the Bankruptcy Code, the "equities of the case" exception of Section 552 of the Bankruptcy Code, or Section 506(c) of the Bankruptcy Code.

(g) **Superpriority Administrative Claim.** Effective immediately upon entry of (i) the Interim Order, with regard to all DIP Obligations incurred during the Interim Period and (ii) this Final Order, with regard to all DIP Obligations, including, without limitation, the DIP Roll-Up Loans, in each case subject to the Carve-Out and, solely in the case of the DIP Roll-Up Loans, paragraphs 4(i), 6 and 7 hereof, and as set forth more fully in this Final Order and the other DIP Loan Documents, pursuant to Section 364(c)(1) of the Bankruptcy Code, and subject in each case to the Carve-Out, the DIP Agent and the other DIP Secured Parties were granted (and continue to be granted) or are hereby granted, as applicable, an allowed superpriority claim in the amount of the DIP Obligations owed to them and outstanding from time to time (all such claims granted to the DIP Agent and the DIP Secured Parties pursuant to the Interim Order and this Final Order, the "DIP Superpriority Claim"), which shall be payable from and have recourse to all assets and properties of the Debtors, and which shall be against each of the Debtors who are DIP Loan Parties (jointly and severally), with priority over any and all other administrative expenses, adequate protection claims, diminution in value claims, and all other claims asserted against the Debtors now existing or hereafter arising of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all other administrative expenses or other claims arising under any other provisions of the Bankruptcy Code, including Sections 105, 326, 327, 328, 330, 331, 363, 364, 365, 503, 506(b), 506(c), 507(a) (other than 507(a)(1)), 546, 726, 1113, or 1114 of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, subject only to the Carve-Out,

and *pari passu* solely with respect to any superpriority administrative expense claim granted (or continued to be granted) to the Receivables Financing Agent or the Receivables Purchasers pursuant to the Securitization Order (the "Receivables Superpriority Claim"), which DIP Superpriority Claims shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under Section 503(b) of the Bankruptcy Code and shall be payable from and have recourse to all pre- and post-petition assets and property, whether existing on the Petition Date or thereafter acquired, of the Debtors and all proceeds thereof (excluding Avoidance Actions, but including proceeds of Avoidance Actions). Other than with respect to the Carve-Out and as expressly provided herein, no costs or expenses of administration, including, without limitation, professional fees allowed and payable under Sections 328, 330 and 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in these proceedings or in any Successor Cases, and no priority claims are, or will be, senior to, prior to or *pari passu* with the DIP Liens, the DIP Superpriority Claim, any of the DIP Obligations, the Adequate Protection Liens, the Adequate Protection Superprioity Claims, the Prepetition Liens, or any other claims of the DIP Secured Parties arising hereunder or under the other DIP Loan Documents, or otherwise, in connection with the DIP Facility, provided that, notwithstanding anything contained in this Final Order to the contrary, any DIP Superpriority Claim granted on account of the DIP Roll-Up Loans shall have recourse solely to the Debtors who were Prepetition Loan Parties.

3. **Authorization and Approval to Use Cash Collateral and Proceeds of DIP Facility.** Subject to the terms and conditions of this Final Order, the other DIP Loan Documents, and the DIP Budget (subject to any Permitted Variances), and to any adequate protection granted to or for the benefit of the Prepetition Secured Parties as hereinafter set forth, each Debtor is

authorized to (a) use the Cash Collateral and (b)(i) DIP Loans, including the proceeds thereof, (ii) issue DIP Letters of Credit under the DIP Facility, and (iii) to incur DIP Roll-Up Loans and consummate the Revolver Refinancing. Notwithstanding anything herein to the contrary, the Debtors' right to use proceeds of the DIP Facility or to use Cash Collateral shall terminate on the Termination Date, including upon written notice being provided by the DIP Agent to the Debtors and Committee Counsel that an Event of Default has occurred and is continuing; provided that, solely as and to the extent provided in paragraph 14 below, during the Default Notice Period (as defined below), the DIP Loan Parties shall be permitted to continue to use Cash Collateral and proceeds of the DIP Facility in the ordinary course of business and in accordance with the DIP Budget (subject to Permitted Variances), and may request an expedited hearing before the Court to address such issues as may be heard pursuant to paragraph 14 below. Nothing in this Final Order shall authorize the disposition of any assets of the Debtors or their estates or other proceeds resulting therefrom outside the ordinary course of business, except as permitted herein and in the DIP Loan Documents (subject to any required Court approval).

4. **Revolver Refinancing; Adequate Protection for Prepetition Secured Parties.**

(i) **Revolver Refinancing.**

(a) The Debtors are authorized and directed to immediately consummate the Revolver Refinancing, including, subject to paragraphs 6 and 7 hereof, to (1) incur the DIP Roll-Up Loans, which shall be deemed to refinance (and repay), on a dollar-for-dollar basis, all outstanding Prepetition Revolving Loans, in accordance with the terms and conditions of this Final Order and the other DIP Loan Documents and (2) pay to the Prepetition Secured Parties, in cash, all remaining accrued and unpaid interest and fees owing by the Debtors under the

Prepetition Revolving Credit Agreement, at the applicable default rates provided for in the Prepetition Revolving Credit Agreement, including all accrued and unpaid letter of credit participation fees, unused commitment fees, and fronting fees owing to the Issuing Bank under (and as defined in) the Prepetition Revolving Credit Agreement, and/or the other Prepetition Secured Parties under the Prepetition Loan Documents, and any professional and advisory fees of the Prepetition Secured Parties required to be paid pursuant to the Prepetition Loan Documents.

(b) Notwithstanding the foregoing, in the event that there is a timely and successful Challenge by the Committee or any party in interest with the requisite authority and standing in accordance with paragraph 6 hereof, as set forth in a final, non-appealable order of a court of competent jurisdiction, this Court may, pursuant to further order (entered after notice and a hearing), fashion an appropriate remedy with respect to the DIP Roll-Up Loans, which may include reversing the deemed repayment and treatment of the Prepetition Revolving Loans as DIP Roll-Up Loans, in whole or in part, or recharacterization or disgorgement of any repayment of the DIP Roll-Up Loans, in each case to the extent that (i) the DIP Roll-Up Loans resulted in the conversion of any Prepetition Obligations consisting of an unsecured claim or other claim or amount not allowable under section 502 of the Bankruptcy Code into a DIP Roll-Up Loan and (ii) such conversion unduly advantaged the applicable Prepetition Secured Party. Notwithstanding anything to the contrary herein, but subject to the preceding sentence, a successful Challenge shall not in any way affect the validity,

enforceability or priority of the DIP Obligations or the DIP Liens, and no obligation, payment, transfer or grant of security under the DIP Credit Agreement, the other DIP Loan Documents, the Interim Order, or this Final Order shall be stayed, restrained, voidable, or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under section 502(d) of the Bankruptcy Code), or be subject to any defense, reduction, setoff, recoupment or counterclaim.

(c) Notwithstanding anything to the contrary in this Final Order, the DIP Credit Agreement, or the other DIP Loan Documents, until the Challenge Termination Date, no repayment or prepayment of the DIP Roll-Up Loans shall be permitted prior to the occurrence of the Termination Date and, after the occurrence of the Termination Date, any such repayment shall be subject to the provisions of clause 4(i)(b) of this Final Order.

(ii) **Adequate Protection for Prepetition Secured Parties.** As adequate protection for any interests of the Prepetition Secured Parties in the Prepetition Collateral (including Cash Collateral), the Prepetition Agent for the benefit of the Prepetition Secured Parties shall receive adequate protection as follows:

(a) **Adequate Protection Liens.** To the extent of, and in an aggregate amount equal to, the aggregate diminution in value of such interests, from and after the Petition Date, calculated in accordance with Section 506(a) of the Bankruptcy Code, resulting from the use, sale or lease by the Debtors of the Prepetition Collateral (including from the use of Cash Collateral), the granting of the DIP Liens, and the subordination of the Prepetition Liens thereto and to the

Carve-Out, and the imposition or enforcement of the automatic stay of Section 362(a) of the Bankruptcy Code (collectively, "Diminution in Value"), pursuant to Sections 361, 363(e) and 364(d) of the Bankruptcy Code, the Prepetition Agent and each of the other Prepetition Secured Parties, shall have replacement security interests in and liens upon (the "Adequate Protection Liens") all of the DIP Collateral of the Debtors (other than of the Debtors who were not obligated on the Prepetition Obligations), which Adequate Protection Liens shall be (i) subject to the Carve-Out, (ii) junior and subject to the DIP Liens and any Permitted Third Party Liens and (iii) senior and prior to all other liens thereon. The Adequate Protection Liens shall in all cases be subject to the Carve-Out.

(b) **Adequate Protection Superpriority Claims.** To the extent of the aggregate Diminution in Value, the Prepetition Agent and each of the other Prepetition Secured Parties shall have, subject to the payment of the Carve-Out, an allowed superpriority administrative expense claim (the "Adequate Protection Superpriority Claim") as provided for in Section 507(b) of the Bankruptcy Code against each Debtor (other than the Debtors who were not obligated on the Prepetition Obligations), immediately junior and subject to the DIP Superpriority Claim and any Receivables Superpriority Claim, and payable from and having recourse to all DIP Collateral (other than DIP Collateral owned by Debtors who were not obligated on the Prepetition Obligations); provided, that the Prepetition Secured Parties shall not receive or retain any payments, property, distribution or other amounts in respect of the Adequate Protection Superpriority Claim unless

and until the DIP Obligations and (without duplication) the DIP Superpriority Claim have indefeasibly been paid in full in cash.

(c) **Adequate Protection Payments**. Notwithstanding anything to the contrary in this paragraph 4 or in the Interim Order, in the event of a timely and successful Challenge, in accordance with paragraph 6 hereof, as set forth in a final, non-appealable order of a court of competent jurisdiction, any or all payments of accrued and unpaid interest and fees (other than any payment of professional and advisory fees) made to the Prepetition Secured Parties pursuant to clause (2) of paragraph 4(i)(a) or pursuant to the Interim Order as adequate protection, may be subject to disgorgement or recharacterization as payments of principal if so ordered by the Court.

(iii) **Continuing Effect**. For the avoidance of doubt, any surviving obligations as set forth in any DIP Loan Documents, Prepetition Loan Documents, or any document related to the Revolver Refinancing, including, without limitation, any reimbursement or indemnification obligations, shall continue and survive any discharge of the Revolver Refinancing.

5. **DIP Lien and Adequate Protection Replacement Lien Perfection.** This Final Order (and the Interim Order) shall be sufficient and conclusive evidence of the validity, perfection and priority of the DIP Liens and any Adequate Protection Liens without the necessity of filing or recording any financing statement, deed of trust, mortgage, or other instrument or document which may otherwise be required under the law of any jurisdiction or the taking of any other action to validate or perfect the DIP Liens and any Adequate Protection Liens or to entitle the DIP Liens and any Adequate Protection Liens to the priorities granted herein and in the

Interim Order. Notwithstanding the foregoing, the DIP Agent (and, if applicable, the Prepetition Agent) may each, in their respective sole discretion, file such financing statements, mortgages, security agreements, notices of liens and other similar documents, and are hereby granted relief from the automatic stay of Section 362 of the Bankruptcy Code in order to do so, and all such financing statements, mortgages, security agreements, notices and other agreements or documents shall be deemed to have been filed or recorded at the time and on the Petition Date. It shall constitute a Default if, as and to the extent required under the DIP Loan Documents, the Debtors shall not execute and deliver to the DIP Agent (and, if applicable, the Prepetition Agent) all such financing statements, mortgages, security agreements, notices and other documents as the DIP Agent (and, if applicable, the Prepetition Agent) may reasonably request to evidence, confirm, validate or perfect, or to insure the contemplated priority of, the DIP Liens and any Adequate Protection Liens. The DIP Agent (and, if applicable, the Prepetition Agent), in their respective discretion, may file a certified copy of this Final Order (and the Interim Order, if applicable) as a financing statement or a notice with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any Debtor has real or personal property and, in such event, the subject filing or recording officer shall be authorized to file or record such copy of the Interim Order and/or this Final Order. To the extent that the Prepetition Agent is the secured party under any account control agreements, listed as loss payee under any of the Debtors' insurance policies or is the secured party under any Prepetition Loan Document, the DIP Agent is also deemed to be the secured party under such account control agreements, loss payee under the Debtors' insurance policies or is the secured party under any loan document, financing statement, deed of trust, mortgage or other instrument or document which may otherwise be required under the law of any jurisdiction to validate,

attach, perfect or prioritize liens (any such instrument or document, a "Security Document"), the DIP Agent is also deemed to be the secured party under each such account control agreement, loss payee under the Debtors' insurance policies, and the secured party under each such Security Document, and shall have all rights and powers attendant to that position (including, without limitation, rights of enforcement) and shall act in that capacity and distribute any proceeds recovered or received in accordance with the terms of this Final Order (or the Interim Order, as applicable) and the other DIP Loan Documents. The Prepetition Agent shall serve as agent for the DIP Agent for purposes of perfecting their respective security interests and liens on all DIP Collateral comprised of Prepetition Collateral that is of a type such that perfection of a security interest therein may be accomplished only by possession or control by a secured party.

6. **Reservation of Certain Third Party Rights and Bar of Challenges and Claims.** The Debtors' stipulations, admissions, agreements, releases, and waivers contained in this Final Order, including the stipulations set forth in Paragraphs E and F of this Final Order (the "Stipulations"), are and shall be binding upon the Debtors and any and all of the Debtors' successors-in-interest and assigns (including, without limitation, any chapter 7 or chapter 11 trustee, responsible person, examiner with expanded powers, or other estate representative). The Stipulations, and all other admissions, agreements, releases and waivers set forth in this Final Order also are and shall be binding upon all other parties-in-interest (including the Committee) and each of their respective successors-in-interest and assigns, unless, and solely to the extent that (i) such parties-in-interest, in each case with standing and requisite authority to do so (subject in all respects to any agreement or applicable law which may limit or affect such entity's right or ability to do so) have timely filed the proper pleadings, and timely commenced the appropriate proceedings under the Bankruptcy Code and Bankruptcy Rules, including, without

limitation, as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in paragraph 7 below), (a) objecting to or challenging any of the Stipulations or (b) otherwise asserting or prosecuting any action against the Prepetition Secured Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, or employees in connection with matters covered by the Stipulations (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "Challenge"), by no later than, with respect to all issues including valuation of the Prepetition Collateral, (x) with respect to the Committee, one hundred and five (105) days from the appointment of the Committee on November 22, 2019; provided, however, that the Committee shall provide the Prepetition Revolving Lenders with a status report with respect to the Committee's investigation by no later than the date that is sixty (60) days from the appointment of the Committee on November 22, 2019 and (y) with respect to all other parties in interest, the date that is seventy-five (75) days from the entry of the Interim Order (the period described in the immediately preceding clauses (x) and (y) shall be referred to as the "Challenge Period," and the date that is the next calendar day after the termination of the Challenge Period shall be referred to as the "Challenge Period Termination Date"), as such date may be extended as to any such party-in-interest by the Prepetition Agent (with the consent of the Required Lenders (as defined in the Prepetition Revolving Credit Agreement)) and each applicable individual Prepetition Secured Party that is the subject of a Challenge or by any such later date as has been ordered by the Court for cause upon a motion filed and served within the Challenge Period (before giving effect to such extension) and (ii) this Court enters judgment in favor of the plaintiff or movant in any such timely and properly commenced Challenge proceeding, and any such judgment has become final and is not subject to any further review or appeal; provided that in the event that the Committee

files a motion seeking standing or authority to pursue a Challenge against any Prepetition Secured Party with respect to any causes of action belonging to the Debtors or their estates, which motion for standing filed in, or in connection with, any Challenge shall set forth with specificity the basis for such challenge or claim and include a substantially final complaint setting forth the proposed causes of action for which such party seeks standing (a "Standing Motion") by no later than on or before one hundred and five (105) days after the appointment of the Committee on November 22, 2019, the Challenge Period shall be extended, solely with respect to the Challenge(s) for which the Committee seeks standing pursuant to the Standing Motion, to the date that is the earlier of the entry of a final nonappealable order (i) denying any Standing Motion or (ii) in connection with any Challenge; provided, further, that (x) the hearing with respect to the Standing Motion shall not be adjourned without the written consent of the Prepetition Revolving Lenders unless otherwise ordered by the Court and (y) the Committee agrees to request an expedited hearing on the Standing Motion from the Court and to take all commercially reasonable steps to have the Standing Motion heard as soon as practicable. Any Challenge not asserted by the timely and proper filing of a pleading by a party-in-interest with the requisite standing and authority as contemplated herein prior to the Challenge Period Termination Date shall be deemed forever waived, released, and barred with respect to such party-in-interest. To the extent a party-in-interest with requisite standing and authority timely and properly commences a Challenge prior to the Challenge Period Termination Date, all claims, causes of action and other matters not specifically set forth in such Challenge shall be deemed forever waived, released, and barred with respect to such party-in-interest. To the extent the Stipulations (or any of them) are (x) not subject to a Challenge timely and properly commenced prior to the Challenge Period Termination Date or (y) subject to a Challenge timely and properly

commenced prior to the Challenge Period Termination Date, to the extent any such Challenge does not result in a final and non-appealable judgment or order of the Court that is inconsistent with such Stipulations, then, in each case, without further notice, motion or application to, or order of, or hearing before, this Court and without the need or requirement to file any proof of claim: (a) any and all such Challenges by the Committee, and any other party in interest shall be deemed to be forever waived, released, and barred (including in any Successor Case); and (b) the Prepetition Obligations shall be deemed to be an allowed secured claim within the meaning of Sections 502 and 506 of the Bankruptcy Code for all purposes in connection with the Cases (or, after the occurrence of the Revolver Refinancing, an allowed secured claim under the DIP Facility), and all of the Stipulations and all other waivers, releases and affirmations set forth in this Final Order (or any not properly and timely challenged) shall be in full force and effect and shall be binding, conclusive and final on any person, entity or party-in-interest, including the Committee (in each case, and their successors-in-interest and assigns), in the Cases and in any Successor Case for all purposes, without any further order of the Court, and shall not be subject to challenge or objection by the Committee or any other party-in-interest, including, without limitation, any trustee, responsible individual, examiner with expanded powers or other representative of the Debtors' estates. If any Challenge is timely and properly filed during the Challenge Period, the Stipulations and all other waivers, releases and affirmations contained in this Final Order shall nonetheless remain binding, and preclusive as provided in this paragraph 6, on all other parties in interest (including the Committee), and on any other person or entity, except for the plaintiff or movant timely and successfully asserting such Challenge, as set forth in a final, non-appealable order of a court of competent jurisdiction. Notwithstanding anything to the contrary herein, the right to commence any Challenge under this Final Order is only

preserved as against any particular Prepetition Obligation (including any Prepetition Revolving Loan that has been converted to or deemed refinanced by the DIP Roll-Up Loans) or Prepetition Collateral, or against any Prepetition Secured Party (including any DIP Lender whose Prepetition Revolving Loan has been converted to or deemed refinanced by the DIP Roll-Up Loans) to the extent such Challenge is commenced timely and properly, prior to the Challenge Period Termination Date, and in respect of such Prepetition Obligation, Prepetition Collateral, or Prepetition Secured Party, and is otherwise waived as set forth in this paragraph 6. All remedies or defenses of any party with respect to any Challenge are hereby preserved. Nothing in this Final Order vests or confers on any person (as defined in the Bankruptcy Code), including the Committee, standing or authority to pursue any cause of action belonging to the Debtors or their estates, including, without limitation, any Challenges with respect to the Prepetition Obligation, and an order of the Court (or any other court of competent jurisdiction) conferring such standing on the Committee or other party in interest shall be a prerequisite for the prosecution of a Challenge by the Committee or such other party in interest (other than any Challenge for which the Committee or such other party in interest already has standing as a matter of law).

7. **Limitations on Use of Cash Collateral**. Notwithstanding anything herein to the contrary, no portion of the proceeds of the DIP Facility, the DIP Collateral, Prepetition Collateral, including Cash Collateral, or the Carve-Out, and no disbursements set forth in the DIP Budget, may be used for the payment of professional fees, disbursements, costs, or expenses incurred by any person in connection with (a) incurring indebtedness other than as expressly provided in this Final Order, the Interim Order or the DIP Budget, (b) preventing, hindering, impeding, or delaying any of the DIP Agent's or any other DIP Secured Party's enforcement or realization upon, or exercise of rights in respect of, any of the Prepetition Collateral or DIP

Collateral, other than to seek a determination that an Event of Default has not occurred or is not continuing or in connection with a remedies hearing, (c) seeking to amend or modify any of the rights or interests granted to the DIP Agent, any other DIP Secured Party, the Prepetition Agent or any other Prepetition Secured Party under this Final Order or Prepetition Loan Documents, including seeking to use Cash Collateral on a contested basis, (d) asserting, commencing, or prosecuting any claims or causes of action, including, without limitation, any Challenge or any other actions under chapter 5 of the Bankruptcy Code (or any similar law), against the DIP Agent, any other DIP Secured Party, the Prepetition Agent, or any other Prepetition Secured Party, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, or employees, (or any Releasees under and as defined in the Securitization Order) or (e) asserting, joining, commencing, supporting, investigating, or prosecuting any Challenge, or any other action for any claim, counterclaim, action, cause of action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination, or similar relief against, or adverse to the material interests of the DIP Secured Parties, the Prepetition Secured Parties, or any Releasees under and as defined in the Securitization Order, or arising out of, in connection with, or relating to the DIP Documents, Prepetition Loan Documents, the Amended Transaction Documents (as defined in the Securitization Order) or the transactions contemplated thereunder, including, without limitation, (i) any action arising under the Bankruptcy Code, (ii) any so-called "lender liability" claims and causes of action, (iii) any action with respect to the validity and extent of the DIP Obligations, the Prepetition Obligations, or the Facility Obligations (as defined in the Securitization Order) or the validity, extent, perfection and priority of the DIP Liens, the Prepetition Liens, or the Securitization Liens (as defined in the Securitization Order), (iv) any action seeking to

invalidate, set aside, avoid, reduce, set off, offset, recharacterize, subordinate (whether equitable, contractual, or otherwise), recoup against, disallow, impair, raise any defenses, cross-claims, or counterclaims, or raise any other challenges under the Bankruptcy Code or any other applicable domestic or foreign law or regulation against, or with respect to, the DIP Liens, the Prepetition Liens, or the Securitization Liens (as defined in the Securitization Order), in whole or in part, or (v) appeal or otherwise challenge this Final Order (or the Interim Order) or the Securitization Order; provided that no more than $200,000 in the aggregate (the "Investigation Budget") of the proceeds of the DIP Facility, the DIP Collateral, Prepetition Collateral, the Cash Collateral, and the Carve-Out may be used by the Committee to investigate (but not prosecute or Challenge, or initiate the prosecution of, including the preparation of any complaint or motion on account of) the Stipulations; provided that any fees and expenses in excess of the Investigation Budget incurred in connection with the foregoing or any prosecution or Challenge relating thereto and allowed by the Bankruptcy Court under Bankruptcy Code sections 328, 330, 331 and/or 503(b) may be permitted to be paid in accordance with applicable orders of this Court, including any interim compensation orders, provided that the administrative expenses in respect thereof shall be subordinate in all respects to the Carve-Out, the DIP Superpriority Claim, and any Receivables Superiority Claim (and, for the avoidance of doubt, may not be paid from any proceeds of the DIP Facility, the DIP Collateral, the Prepetition Collateral, the Cash Collateral, or the Carve-Out (including any Carve-Out Reserve) until the indefeasible repayment and Full Satisfaction (as defined in the DIP Credit Agreement) of all DIP Obligations and any Prepetition Obligations in accordance with the DIP Loan Documents and the Prepetition Loan Documents, as the case may be); and provided that, subject to the Challenge Period as provided in paragraph

6 and subject to this paragraph 7, nothing contained in this Final Order or the DIP Loan Documents shall restrict the Committee's ability to contest issues related to valuation.

8. **Carve-Out.**

(a) As used in this Final Order, the "Carve-Out" shall mean a carve-out from the DIP Superpriority Claims, the DIP Liens, claims pursuant to section 507(b) of the Bankruptcy Code, any Adequate Protection Liens and the Prepetition Liens, in an amount equal to the sum of (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the Carve-Out Trigger Notice (as defined herein)); (ii) all reasonable and documented fees and expenses incurred by a trustee under section 726(b) of the Bankruptcy Code, in an aggregate amount not to exceed $75,000 (without regard to the Carve-Out Trigger Notice); (iii) all reasonable, documented, ordinary course out-of-pocket expenses of individual members of the Committee solely in their capacity as such (but expressly excluding any and all fees and expenses of professional persons employed by such Committee members individually); (iv) to the extent allowed by the Court at any time, whether by interim order, procedural order or otherwise (unless subsequently disallowed), all paid and unpaid fees and expenses, other than any Transaction Fees (as defined below) (the "Professional Fees") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code or by the Committee, pursuant to section 328 and 1103 of the Bankruptcy Code (collectively, the "Professional Persons"), at any time on or before the first business day following the (a) delivery by the DIP Agent of a Carve-Out Trigger Notice and (b) the Termination Date (including as a result of the occurrence of an Event of Default) (such day, the "Carve-Out Trigger Date"), whether allowed by the Court prior to or after the Carve-Out Trigger Date; and

(v) Professional Fees incurred after the Carve-Out Trigger Date in an amount not to exceed $8,000,000 (the "Post-Carve-Out Trigger Notice Cap"), in each case subject to the limits imposed by this Final Order. For purposes of the foregoing, "Carve-Out Trigger Notice" shall mean a written notice delivered by email by the DIP Agent to the Debtors' lead restructuring counsel, the U.S. Trustee, and counsel to the Committee, which notice may be delivered following the occurrence and during the continuation of an Event of Default under the DIP Loan Documents stating that the Post-Carve-Out Trigger Notice Cap has been invoked. For the avoidance of doubt, the incurrence or payment of any amounts subject to the Carve-Out shall not be restricted by the DIP Budget.

(b) The Carve-Out shall not include any restructuring, completion, sale, success, divestiture or other transaction fees of any investment bankers or financial advisors of the Debtors or the Committee, provided, however, that a (i) Sale Fee or a Restructuring Fee, as defined in, and which is earned and payable by the Debtors upon consummation of an applicable transaction pursuant to, an engagement letter between the Debtors and the Debtors' investment banker, Evercore, which is acceptable to the DIP Agent (with the consent of the requisite DIP Secured Parties as provided in and consistent with their respective rights under the DIP Loan Documents) and is approved by the Court and (ii) a sale or restructuring fee, upon consummation of an applicable transaction pursuant to, an engagement letter between the Committee and the Committee's investment banker, Miller Buckfire, which is acceptable to the DIP Agent (with the consent of the requisite DIP Secured Parties) and is approved by the Court, shall be payable prior to any distribution to, the DIP Secured Parties or the Prepetition Secured Parties, solely from any proceeds received by the Debtors resulting from such transaction.

(c) Prior to the occurrence of the Carve-Out Trigger Date, the Debtors are authorized to pay Professional Fees that are authorized to be paid in accordance with the provisions of the Bankruptcy Code and any order entered by the Court establishing procedures for the payment of compensation to Professional Persons in these Cases, as the same may be due and payable. Upon the occurrence of the Carve-Out Trigger Date, the Post-Carve-Out Trigger Notice Cap shall be reduced, dollar-for-dollar, by the amount of any Professional Fees incurred and accruing by the Debtors or the Committee, and paid to the applicable Professional Persons, following delivery of the Carve-Out Trigger Notice to the Debtors.

(d) Immediately upon the Carve-Out Trigger Date, and prior to the payment of any DIP Secured Party or Prepetition Secured Party on account of adequate protection, the Carve-Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve (the "Carve-Out Reserve") in an amount equal to the sum of the amounts set forth in paragraphs 8(a)(i) through 8(a)(v) above (but, for the avoidance of doubt, not including any amounts referenced in paragraph 8(a)(iv) that have been previously paid).

(e) The Carve-Out Reserve shall be held in a segregated non-interest bearing account in trust at the DIP Agent to pay allowed Professional Fees benefiting from the Carve-Out as provided herein, and the Carve-Out Reserve shall be available only to satisfy such allowed Professional Fees benefiting from the Carve-Out until such Professional Fees are paid in full.

(f) To the extent the Carve-Out Reserve has not been reduced to zero after the payment in full of such obligations, it shall be used to pay the DIP Agent for the benefit of the DIP Secured Parties until the DIP Obligations have been indefeasibly paid in full in cash and all

commitments under the DIP Facility have been terminated. Notwithstanding anything to the contrary herein, the Prepetition Agent and the DIP Agent, each on behalf of itself and the relevant secured parties, (y) shall not sweep or foreclose on the Carve-Out Reserve prior to satisfaction in full of all obligations benefitting from the Carve-Out as provided herein, and (z) shall have a security interest upon any residual interest in the Carve-Out Reserve, available following satisfaction in cash in full of all obligations benefitting from the Carve-Out as provided herein, and the priority of such liens on the residual interest shall be consistent with this Final Order. Further, notwithstanding anything to the contrary herein, (A) the failure of the Carve-Out Reserve to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out and (B) in no way shall the Carve-Out, the Post-Trigger Date Carve-Out Amount, the Carve-Out Reserve, or any of the foregoing be construed as a cap or limitation on the amount of the Professional Fees due and payable by the Debtors.

(g) Notwithstanding anything to the contrary herein or in the DIP Loan Documents, the Carve-Out shall be senior to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens, any adequate protection liens and claims, the Prepetition Liens, and all other liens and claims granted under this Final Order, the Interim Order, the DIP Loan Documents, or otherwise securing or in respect of the DIP Obligations or any adequate protection obligations.

(h) The DIP Secured Parties and the Prepetition Secured Parties reserve the right to review and object to any fee statement, interim application or monthly application issued or filed by the Professional Persons. Notwithstanding anything to the contrary herein or in the DIP Loan Documents, the payment of any allowed Professional Fees pursuant to the Carve-Out shall not, and shall not be deemed, to (i) reduce any Debtor's obligations owed to the DIP Agent, the other DIP Secured Parties, the Prepetition Agent or the other Prepetition Secured Parties

(whether under this Final Order or otherwise) or (ii) other than as necessary to permit the payment of such allowed Professional Fees (in each case, subject to the terms of and as expressly provided in this Final Order with respect to the Carve-Out), modify, alter or otherwise affect any of the liens and security interests of such parties (whether granted under the Interim Order or this Final Order or otherwise) in the Prepetition Collateral or the DIP Collateral (or their claims against the Debtors). Notwithstanding anything to the contrary herein or in the other DIP Loan Documents, none of the DIP Agent, the other DIP Secured Parties, the Prepetition Agent or the other Prepetition Secured Parties shall be responsible for the direct payment or reimbursement of any Professional Fees, or any fees or expenses of the U.S. Trustee or Clerk of the Court (or of any other entity) incurred in connection with the Cases or any Successor Case, and nothing in this Final Order, the Interim Order, or otherwise shall be construed to obligate such parties in any way to pay such compensation or to reimburse such expenses.

9. **Section 506(c) Claims.** As a further condition of the DIP Facility and the DIP Extensions of Credit under the DIP Credit Agreement and the other DIP Loan Documents, any obligation of the DIP Secured Parties to make DIP Extensions of Credit, and the Debtors' authorization to use the Cash Collateral, the Debtors (and any successors thereto or any representatives thereof, including any trustees appointed in the Cases or any Successor Case) shall be deemed to have waived any rights, benefits or causes of action under Section 506(c) of the Bankruptcy Code as they may relate to or be asserted against the DIP Secured Parties, the DIP Liens, the DIP Collateral, the Prepetition Secured Parties, the Prepetition Liens or the Prepetition Collateral. Except for the Carve-Out, nothing contained in the Interim Order, in this Final Order or in the other DIP Loan Documents shall be deemed a consent by the Prepetition Secured Parties or the DIP Secured Parties to any charge, lien, assessment or claim against, or in

respect of, the DIP Collateral or the Prepetition Collateral under Section 506(c) of the Bankruptcy Code or otherwise.

10. **Collateral Rights; Limitations in Respect of Subsequent Court Orders.** Unless the DIP Agent (at the direction of the Required Lenders) and the Prepetition Agent (at the direction of the requisite lenders under the Prepetition Loan Documents) have provided their prior written consent, or all DIP Obligations and Prepetition Obligations have been (or with the proceeds thereof shall be) indefeasibly paid and Fully Satisfied (as defined under the DIP Credit Agreement and the Prepetition Revolving Credit Agreement, as applicable), in accordance with the DIP Loan Documents and the Prepetition Loan Documents, as the case may be, and discharged (subject to paragraphs 4(i), 6 and 7 solely with respect to the DIP Roll-Up Loans and the Prepetition Obligations), it shall constitute an Event of Default if the Debtors shall seek in these Cases, or in any Successor Case, or there shall be entered in these Cases or in any Successor Case (or in each case any proceeding ancillary thereto), any order which authorizes any of the following: (i) except as and to the extent expressly permitted by the DIP Credit Agreement, the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral and/or entitled to priority administrative status which is superior to or *pari passu* with those granted pursuant to this Final Order or the Interim Order (other than any Receivables Superpriority Claim) to or for the benefit of the DIP Secured Parties or the Prepetition Secured Parties, or (ii) the use of proceeds of the DIP Facility or Cash Collateral for any purpose other than as permitted under the DIP Credit Agreement and in accordance with the DIP Budget (subject to any Permitted Variances).

11. **Proceeds of Subsequent Financing.** Without limiting the provisions and protections of paragraph 10 above, if at any time prior to the indefeasible repayment and Full Satisfaction (as defined in the DIP Credit Agreement) of all DIP Obligations in accordance with the DIP Loan Documents and this Final Order, as the case may be, and the termination of the DIP Secured Parties' obligations to make DIP Extensions of Credit, including subsequent to the confirmation of any Chapter 11 plan or plans with respect to the Debtors, the Debtors, the Debtors' estates, any trustee, any examiner with enlarged powers or any responsible officer subsequently appointed, shall obtain credit or incur debt in violation of this Final Order or the other DIP Loan Documents, then all of the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent for application in accordance with the DIP Loan Documents, the relevant Prepetition Loan Documents, and under applicable law (and solely with respect to payment of any Prepetition Obligations, subject to paragraphs 4(i), 6 and 7 hereof,).

12. **Cash Management.** It shall constitute a Default if the Debtors' cash management system shall not at all times be maintained in accordance with the terms of the DIP Loan Documents and the order of this Court approving the maintenance of the Debtors' cash management system. Other than the Collections Accounts (as defined in the Securitization Order), the DIP Agent shall be deemed to have "control" over all bank accounts for all purposes of perfection under the Uniform Commercial Code pursuant to this Final Order and, if required, pursuant to control agreements reasonably acceptable to the DIP Agent.

13. **Disposition of DIP Collateral.** It shall constitute an Event of Default if the Debtors shall sell (including, without limitation, any sale and leaseback transaction), transfer (including any assignment of rights), lease, encumber or otherwise dispose of any portion of the DIP Collateral, except as permitted by the DIP Credit Agreement (including with respect to the

Receivables Financing, in accordance with the Securitization Order and the Receivables Financing Documents).

14. **Events of Default; Rights and Remedies Upon Event of Default.**

(a) Any automatic stay otherwise applicable to the DIP Secured Parties is hereby modified so that, upon and after the occurrence of the Termination Date, the DIP Agent (or the other DIP Secured Parties, to the extent expressly permitted under the DIP Loan Documents) shall, subject to subparagraphs (b) and (c) of this paragraph 14 (including the Default Notice Period to the extent provided therein) and, solely in the case of a Termination Date resulting from an Event of Default, following (i) the delivery of a written notice to counsel to the Debtors, counsel for the Committee, and the U.S. Trustee (such notice, a "Default Notice") and (ii) the filing of an emergency motion on the Court's docket, during which period the Court shall hold an expedited hearing (at which hearing the burden shall be on any party opposing the exercise of remedies, and the DIP Secured Parties shall not be required to satisfy the applicable standard for relief from the automatic stay), be entitled to exercise all of their rights and remedies in respect of the DIP Collateral, in accordance with this Final Order and the other DIP Loan Documents. The term "Termination Date" shall mean (a) the Scheduled Maturity Date, (b) the effective date of any Chapter 11 plan with respect to the Debtors confirmed by the Court; (c) the date on which all or substantially all of the assets of the Debtors are sold in a sale under any Chapter 11 plan or pursuant to Section 363 of the Bankruptcy Code; (d) the occurrence of an Event of Default under and as defined in the DIP Credit Agreement, (e) the acceleration of the DIP Obligations and/or termination of the commitments under the DIP Revolving Facility, in accordance with the terms of the DIP Loan Documents, and (f) this Final Order ceasing to be in full force and effect for any reason, provided that, prior to the Challenge Termination Date, the

Challenge Period shall survive the occurrence of the Termination Date, and any funds repaid upon the acceleration of the DIP Roll-Up Loans may be subject to disgorgement based on a successful Challenge by the Committee or any party in interest with the requisite authority and standing in accordance with paragraph 6 hereof.

(b) Upon the delivery by the DIP Agent of a Default Notice: (i) all commitments of the DIP Lenders to provide any DIP Extensions of Credit shall immediately be suspended; (ii) the Debtors shall have no right to request any DIP Extensions of Credit, to use proceeds of any DIP Extensions of Credit or DIP Collateral, or to use Cash Collateral, other than to use such Cash Collateral and proceeds of DIP Extensions of Credit towards the satisfaction of the DIP Obligations and funding of the Carve-Out Reserve, as provided herein; provided, that, during the Default Notice Period (as defined below) the Debtors may, subject to the limitations set forth herein and in the other DIP Loan Documents, continue to use Cash Collateral and proceeds of DIP Extensions of Credit previously drawn or issued (and any other cash on hand or on deposit in any deposit account or other bank account of a Debtor) in the ordinary course of business, and in accordance with the DIP Budget, to pay for payroll or other expenditures incurred prior to the Termination Date which are critical to the Debtors' operations and the preservation of the DIP Collateral; and (iii) subject to the provisions of this paragraph 14 (and with respect to the DIP Roll-Up Loans, paragraph 4(i) hereof if applicable), the DIP Agent shall be permitted to apply such proceeds in accordance with the terms of this Final Order. The Debtors and the Committee shall be entitled to an emergency hearing before this Court within five (5) Business Days after the giving of written notice by the DIP Agent of the occurrence of an Event of Default (the "Default Notice Period"). If the Debtors or the Committee do not contest the occurrence of the Event of Default or the DIP Secured Parties' proposed exercise of

remedies within the Default Notice Period, or if the Debtors or the Committee do timely contest the occurrence of an Event of Default and the Court after notice and a hearing declines (or otherwise within the Default Notice Period fails) to stay the enforcement thereof, the Termination Date shall be deemed to have occurred for all purposes, and the automatic stay shall terminate as to the DIP Agent in all respects, as provided in this paragraph 14. Nothing herein shall preclude the DIP Agent from seeking an order from the Court upon written notice (electronically in a manner that generates a receipt for delivery, or via overnight mail) to the U.S. Trustee, counsel to the Debtors and counsel to the Committee, authorizing the DIP Agent to exercise any enforcement rights or remedies with respect to the DIP Collateral on less than five (5) Business Days' notice, or the Debtors' or the Committee's right to contest such relief.

(c) Upon the occurrence of the Termination Date (but subject, only in the case of the occurrence of the Termination Date resulting from an Event of Default, following the expedited hearing to be held in accordance with paragraph 14(a) hereof), the DIP Agent is authorized to exercise all remedies and proceed under or pursuant to the applicable DIP Loan Documents and the Prepetition Loan Documents, including, without limitation, to require the DIP Borrower to cash collateralize any DIP Letters of Credit in accordance with the DIP Loan Documents. All proceeds realized in connection with the exercise of the rights and remedies of the DIP Secured Parties, or the Prepetition Secured Parties (subject to obtaining the requisite relief from the automatic stay), shall be turned over and applied in accordance with the terms of this Final Order, the other DIP Loan Documents and the Prepetition Loan Documents.

(d) The automatic stay imposed under Section 362(a) of the Bankruptcy Code is hereby modified pursuant to the terms of the DIP Loan Documents as necessary to (i) permit the Debtors to grant any Adequate Protection Liens and the DIP Liens, to consummate the

Revolver Refinancing, and to incur all DIP Obligations and all liabilities and obligations to the DIP Secured Parties and the Prepetition Secured Parties hereunder and under the other DIP Loan Documents, as the case may be, and (ii) authorize the DIP Agent, the other DIP Secured Parties to retain and apply payments, and otherwise enforce their respective rights and remedies hereunder.

(e) Nothing included herein shall prejudice, impair, or otherwise affect the Prepetition Agent's or the DIP Agent's rights to seek (on behalf of the Prepetition Secured Parties and the DIP Secured Parties, respectively), subject to their relative rights and priorities herein, any other or supplemental relief in respect of the Debtors (including, as the case may be, other or additional adequate protection) nor the DIP Agent's or Prepetition Agent's rights to suspend or terminate the making of DIP Extensions of Credit or use of Cash Collateral in accordance with this Final Order and the other DIP Loan Documents, or the rights of the Debtors to oppose such relief. The delay or failure to exercise rights and remedies under this Final Order or any other DIP Loan Document or Prepetition Loan Document, as applicable, shall not constitute a waiver of the DIP Agent's, the DIP Secured Parties', the Prepetition Agent's or the Prepetition Secured Parties' respective rights hereunder, thereunder or otherwise, as applicable. The occurrence of an Event of Default or the Termination Date shall not affect the validity, priority or enforceability of any and all rights, remedies, benefits and protections provided (or that continue to be provided) to the DIP Agent, the DIP Secured Parties, the Prepetition Agent or the Prepetition Secured Parties under this Final Order, which rights, remedies, benefits and protections shall survive the Termination Date, as provided herein.

(f) Notwithstanding anything in this Final Order to the contrary, neither the Prepetition Agent (on behalf of itself or the other Prepetition Secured Parties) or the other

Prepetition Secured Parties shall be permitted to exercise any rights or remedies unless and until the DIP Obligations are indefeasibly paid and Fully Satisfied (as defined in the DIP Credit Agreement) in accordance with the DIP Loan Documents, and discharged.

15. **Applications of Proceeds of Collateral, Payments and Collections.** As a condition to the DIP Extensions of Credit and the authorization to use Cash Collateral, each Debtor has agreed that all Cash Collateral, all proceeds of any DIP Collateral or Prepetition Collateral (including proceeds realized from a sale or disposition thereof), any amounts held on account of the DIP Collateral or Prepetition Collateral, all payments and collections received by the Debtors with respect to all DIP Collateral and Prepetition Collateral, and all other amounts remitted by any non-Debtor affiliates to any Debtors in respect of, among other things, asset sales and certain other transactions in accordance with the DIP Credit Agreement shall only be used and applied in accordance with this Final Order, the DIP Credit Agreement, and the other DIP Loan Documents (including repayment and reduction of the DIP Obligations), and in accordance with the DIP Budget (subject to any Permitted Variances).

16. **Proofs of Claim, etc.** None of the DIP Secured Parties or the Prepetition Secured Parties shall be required to file proofs of claim in any of the Cases or any Successor Cases for any claim allowed herein, and the Debtors' Stipulations shall be deemed to constitute a timely filed proof of claim against each of the applicable Debtors in the Cases. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Cases or any Successor Cases to the contrary, the DIP Agent, on behalf of itself and the DIP Secured Parties, and the Prepetition Agent, on behalf of itself and the Prepetition Secured Parties, respectively, are hereby authorized and entitled, in each of their sole and absolute discretion, but not required, to file (and amend and/or supplement, as it sees fit) a master proof of claim and/or aggregate

proofs of claim in each of the Cases or any Successor Cases for any claim allowed herein; for avoidance of doubt, any such proof of claim may (but is not required to) be filed as one consolidated proof of claim against all of the Debtors, rather than as separate proofs of claim against each Debtor. Any proof of claim filed by the DIP Agent or the Prepetition Agent shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by any of the respective DIP Secured Parties or Prepetition Secured Parties. Any order entered by the Court in relation to the establishment of a bar date for any claim (including, without limitation, administrative claims) in any of the Cases or any Successor Cases shall not apply to the DIP Agent, the other DIP Secured Parties, the Prepetition Agent or the other Prepetition Secured Parties.

17. **Other Rights and Obligations.**

(a) **Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Final Order.** Based on the findings set forth in this Final Order (and the Interim Order) and in accordance with Section 364(e) of the Bankruptcy Code, which is applicable to the DIP Facility as approved by this Final Order (and the Interim Order), in the event any or all of the provisions of this Final Order are hereafter modified, amended or vacated by a subsequent order of this Court or any other court, the DIP Secured Parties are entitled to the protections provided in Section 364(e) of the Bankruptcy Code, and no such appeal, modification, amendment or vacatur shall affect the validity and enforceability of any advances made hereunder or the liens or priority authorized or created hereby (subject, solely in the case of the DIP Roll-Up Loans, to paragraphs 4(i), 6 and 7). Notwithstanding any such modification, amendment or vacatur, any claim granted to the DIP Secured Parties hereunder arising prior to the effective date of such modification, amendment, vacatur or stay of any DIP Liens or of the

DIP Superpriority Claim granted to or for the benefit of the DIP Secured Parties shall be governed in all respects by the original provisions of this Final Order (and the Interim Order, as applicable), and the DIP Secured Parties shall be entitled to all of the rights, remedies, privileges and benefits, including the DIP Liens and the DIP Superpriority Claim granted herein (and in the Interim Order), with respect to any such claim. Because the DIP Extensions of Credit are (and were) made in reliance on this Final Order, the Interim Order, and the other DIP Loan Documents, the DIP Obligations incurred by the Debtors or owed to the DIP Secured Parties prior to the effective date of any stay, modification or vacatur of this Final Order (subject, solely in the case of the DIP Roll-Up Loans, to paragraphs 4(i), 6 and 7) shall not, as a result of any subsequent order in the Cases or in any Successor Cases, be subordinated, lose their lien priority or superpriority administrative expense claim status, or be deprived of the benefit of the status of the liens and claims granted to the DIP Secured Parties under this Final Order (and the Interim Order).

(b) **Expenses.** To the fullest extent provided in this Final Order and in the other DIP Loan Documents, the Debtors will pay all prepetition and post-petition fees and expenses incurred by the DIP Secured Parties (including, without limitation, the reasonable fees and disbursements of the DIP Lender Professionals, and any other local counsel or additional securitization counsel that any DIP Secured Party shall retain and any internal or third-party appraisers, consultants, financial, restructuring or other advisors and auditors advising any such counsel), including in connection with (i) the negotiation, preparation, execution, delivery, funding and administration of the DIP Loan Documents, including, without limitation, all due diligence fees and expenses incurred or sustained in connection with the DIP Loan Documents, (ii) the Cases or any Successor Cases, or (iii) enforcement of any rights or remedies under the

DIP Loan Documents. Payment of all such fees and expenses, and the fees and expenses of the Prepetition Secured Parties that are paid as adequate protection hereunder (or that were paid as adequate protection under the Interim Order), shall not be subject to allowance by the Court, and the Prepetition Secured Parties, the Prepetition Lender Professionals (as defined in the Interim Order), the DIP Secured Parties, and the DIP Lender Professionals (and any other professionals for the DIP Secured Parties), shall not be required to file an application seeking compensation for services or reimbursement of expenses with the Court or comply with the U.S. Trustee fee guidelines, but shall provide its fee and expense statements or invoices, in summary form, which shall not be required to contain time entries but shall include the number of hours billed by the applicable professional (except for financial advisors compensated on other than an hourly basis) and a summary statement of services provided and the expenses incurred and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client or other privilege, any information constituting attorney work product, or any other confidential or otherwise sensitive information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine) to the Debtors, with copies to be provided to the Office of the U.S. Trustee and counsel for the Committee contemporaneously with the delivery of such fee and expense statements or invoices to the Debtors. The Debtors shall pay in cash all such fees and expenses of any DIP Lender Professional, within ten (10) days of presentment of such statements or invoices, if no written objections to the reasonableness of the fees and expenses charged in any such statement or invoice (or portion thereof) is made. Any objection raised by the Debtors, the U.S. Trustee or the Committee with respect to such fee and expense statements or invoices (with notice of such objection provided to the DIP Agent and to the respective DIP Lender

Professional) may be made only on the basis of "reasonableness," and shall specify in writing the amount of the contested fees and expenses and the detailed basis for such objection. To the extent an objection only contests a portion of an invoice, the undisputed portion thereof shall be promptly paid. If any such objection to payment of an invoice (or any portion thereof) is not otherwise resolved between the Debtors, the Committee or the U.S. Trustee and the issuer of the invoice, either party may submit such dispute to the Court for a determination as to the reasonableness of the relevant disputed fees and expenses set forth in the invoice. This Court shall retain the jurisdiction to resolve any dispute as to the reasonableness of any fees and expenses. Such fees and expenses shall not be subject to the DIP Budget and shall not be subject to any offset, defense, claim, counterclaim or diminution of any type, kind or nature whatsoever. For the avoidance of doubt, and without limiting any of the forgoing or any other provision of this Final Order (or the Interim Order, as applicable), each of the fees specified in Section 2.12 of the DIP Credit Agreement (including, any commitment fees, upfront fees, administrative agent fees, arranger fees, exit fees, letter of credit participation fees, letter of credit fronting fees, and unused line fees), were, in each case, upon entry of the Interim Order, and continue to be, upon entry of this Final Order, and irrespective of any subsequent order approving or denying the DIP Facility or any other financing pursuant to Section 364 of the Bankruptcy Code, fully entitled to all protections of Section 364(e) of the Bankruptcy Code and are deemed fully earned, non-refundable, irrevocable, and non-avoidable as of the date of entry of the Interim Order.

(c) **Credit Bid.** The DIP Agent, with the consent of the Required Lenders shall have the right (on behalf of the DIP Lenders) to credit-bid the amount of the DIP Obligations (other than, prior to the Challenge Period Termination Date, the DIP Roll-Up Loans) in connection with any sale of all or substantially all of the Debtors' assets and property,

including, without limitation, any sale occurring pursuant to Section 363 of the Bankruptcy Code or included as part of any Chapter 11 plan subject to confirmation under Section 1129(b)(2)(A)(iii) of the Bankruptcy Code.

(d) **Binding Effect.** The provisions of this Final Order shall be binding upon and inure to the benefit of the DIP Secured Parties and the Prepetition Secured Parties, the Debtors, and their respective successors and assigns (including any trustee or other fiduciary hereinafter appointed as a legal representative of the Debtors or with respect to the property of the estates of the Debtors) whether in the Cases, in any Successor Cases, or upon dismissal of any such Chapter 11 or Chapter 7 cases.

(e) **No Waiver.** The failure of the DIP Secured Parties or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under the Interim Order, this Final Order, the other DIP Loan Documents or the Prepetition Loan Documents or otherwise, as applicable, shall not constitute a waiver of any of the DIP Secured Parties' or Prepetition Secured Parties' rights hereunder, thereunder, or otherwise. Notwithstanding anything herein, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair any of the rights, claims, privileges, objections, defenses or remedies of the DIP Secured Parties or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law against any other person or entity in any court, including without limitation, the rights of the DIP Agent and the Prepetition Agent (i) to request conversion of the Cases to cases under Chapter 7, dismissal of the Cases, or the appointment of a trustee in the Cases, (ii) to propose, subject to the provisions of Section 1121 of the Bankruptcy Code, any Chapter 11 plan, or (iii) to exercise any of the rights, claims or

privileges (whether legal, equitable or otherwise) on behalf of the DIP Secured Parties or the Prepetition Secured Parties, as applicable.

(f) **No Third Party Rights.** Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, third party or incidental beneficiary.

(g) **Intercreditor Matters.** Nothing in this Final Order shall be construed to convey on any individual DIP Lender or Prepetition Revolving Lender any consent, voting or other rights beyond those (if any) set forth in the DIP Loan Documents and Prepetition Loan Documents, as applicable. Nothing in this Final Order shall be construed to impair, modify or otherwise affect (i) the Intercreditor Agreement or (ii) any other intercreditor, subordination or similar agreement or arrangement in respect of the Prepetition Obligations and the obligations under the Receivables Financing Documents, which in each case are enforceable to the fullest extent provided by section 510(a) of the Bankruptcy Code and applicable law.

(h) **No Marshaling.** Neither the DIP Secured Parties nor the Prepetition Secured Parties shall be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral, as applicable; *provided*, *however*, that the DIP Secured Parties and Prepetition Secured Parties, as applicable, shall use commercially reasonable efforts to first use all DIP Collateral other than any proceeds of Avoidance Actions to repay the DIP Superpriority Claim and any Adequate Protection Superpriority Claim, as applicable.

(i) **Section 552(b).** The DIP Secured Parties and the Prepetition Secured Parties shall each be entitled to all of the rights and benefits of Section 552(b) of the Bankruptcy Code, and the "equities of the case" exception under Section 552(b) of the Bankruptcy Code

shall not apply to the DIP Secured Parties or the Prepetition Secured Parties with respect to proceeds, product, offspring or profits of any of the Prepetition Collateral or the DIP Collateral.

(j) **Limitation of Liability**. In determining to make any loan or other extension of credit under the DIP Credit Agreement, to permit the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Final Order, the Interim Order, the DIP Loan Documents or the Prepetition Loan Documents, the DIP Secured Parties (and the Prepetition Secured Parties in respect of the use of Cash Collateral) shall not (a) be deemed to be in "control" of the operations of the Debtors, (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders, or estates, or (c) be deemed to be acting as a "Responsible Person," "Owner," or "Operator" with respect to the operation or management of the Debtors, so long as the DIP Secured Parties' actions do not constitute, within the meaning of 42 U.S.C. § 9601(20)(F), actual participation in the management or operational affairs of a vessel or facility owned or operated by a Debtor, or otherwise cause liability to arise to the federal or state government or the status of "responsible person" or "managing agent" to exist under applicable law (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute). Furthermore, nothing in this Final Order, the Interim Order, the other DIP Loan Documents, or the Prepetition Loan Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Secured Parties or the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the DIP Loan Parties.

(k) **Amendment.** The Debtors and the DIP Agent (with the written consent of the requisite DIP Secured Parties as provided in and consistent with their respective rights

under the DIP Loan Documents) may amend, modify, supplement or waive any provision of the DIP Loan Documents without further notice to or approval of the Court (but upon two (2) business days' prior notice (to the extent reasonably practicable under the circumstances) having been given to Committee Counsel of any amendment or modification (provided, that such notice shall not be deemed to create any Committee approval rights)), unless such amendment, modification, supplement or waiver (x) increases the interest rate (other than as a result of the imposition of the default rate or changes to any base rate, LIBOR or similar component thereof) or fees (other than consent fees in connection with such amendment, modification, supplement or waiver) charged in connection with the DIP Facility, (y) increases the commitments of the DIP Lenders to make DIP Extensions of Credit under the DIP Loan Documents, or (z) changes the Termination Date to an earlier date. Except as otherwise provided herein, no waiver, modification, or amendment of any of the provisions hereof shall be effective unless set forth in writing, signed by, or on behalf of, all the Debtors and the DIP Agent (after having obtained the approval of the requisite DIP Secured Parties as provided in the DIP Loan Documents) and approved by the Court after notice to parties in interest.

(l) **Priority of Terms**. To the extent of any conflict between or among (a) the express terms or provisions of any of the other DIP Loan Documents, the Motion, any other order of this Court, or any other agreements, on the one hand, and (b) the terms and provisions of this Final Order, on the other hand, unless such term or provision herein is phrased in terms of "defined in" or "as set forth in" the DIP Credit Agreement, the terms and provisions of this Final Order shall govern.

(m) **Survival of Final Order.** The provisions of this Final Order and any actions taken pursuant hereto shall survive, and shall not be modified, impaired or discharged by,

any order which may be entered (i) confirming any Chapter 11 plan in the Cases, (ii) converting any of the Cases to a case under Chapter 7 of the Bankruptcy Code, (iii) dismissing any of the Cases, (iv) terminating the joint administration of these Cases, (v) withdrawing of the reference of any of the Cases from this Court or (vi) providing for abstention from handling or retaining of jurisdiction of any of the Cases in this Court. The terms and provisions of this Final Order (subject to paragraphs 4(i), 6 and 7, as and to the extent applicable), including the DIP Liens and DIP Superpriority Claim granted pursuant to this Final Order or the Interim Order, and any protections granted to or for the benefit of the Prepetition Secured Parties (including any adequate protection, if applicable), shall continue in full force and effect notwithstanding the entry of such order, or in the event any or all of the provisions of this Final Order are hereafter modified, amended or vacated by a subsequent order of this Court or any other court, and such DIP Liens and DIP Superpriority Claim and protections for the Prepetition Secured Parties (including any adequate protection, if applicable) shall maintain their priorities as provided by this Final Order, the other DIP Loan Documents and the Prepetition Loan Documents (as the case may be), including the Intercreditor Agreement and any other intercreditor arrangement or agreements in respect thereof, until all of the DIP Obligations (and any Prepetition Obligations) have been indefeasibly paid and Fully Satisfied (as defined in the DIP Credit Agreement and the Prepetition Revolving Credit Agreement, as applicable) in accordance with the DIP Loan Documents and the Prepetition Loan Documents, as the case may be, and discharged. The Court shall retain jurisdiction, notwithstanding any such dismissal, for the purpose of enforcing the claims, liens and security interests referred to in this paragraph 17(m).

(n) **Enforceability.** This Final Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon execution hereof.

(o) **Waiver of any Applicable Stay.** Any applicable stay (including, without limitation, under Bankruptcy Rule 6004(h)) is hereby waived and shall not apply to this Final Order and this Final Order shall be immediately effective and enforceable upon its entry.

18. **Modification of DIP Credit Agreement**. Upon and following entry of this Final Order, section 5.14 of the DIP Credit Agreement shall be deemed amended so that it reads as set forth in Annex A to this Final Order.

19. **No Impact on Compliance with Laws**. Notwithstanding any provision to the contrary in this Final Order or any other DIP Loan Document, nothing in this Final Order or any other DIP Loan Document shall: (1) relieve the Debtors of any obligations under federal, state or local police or regulatory laws or under 28 U.S.C. § 959(b), provided that nothing herein shall limit or impair the Debtors' rights to assert defenses under applicable law and nothing herein shall create new defenses to obligations under police or regulatory laws or 28 U.S.C. § 959(b); or (2) impair or adversely affect the United States of America's rights, claims and defenses of set-off and recoupment, and all such rights, claims, and defenses shall be preserved in their entirety.

20. **Minnesota Statutory Trusts**. Notwithstanding anything to the contrary contained herein, nothing in this Final Order nor the DIP Loan Documents shall impair or impact any valid trust formed under Minn. Stat. § 27.138 or the rights of sellers (as defined in Minn. Stat. Ch. 27) in the assets in any such valid trust, in each case except to the extent that the Bankruptcy Code renders such trust ineffective, unenforceable, and/or invalid, and such claims may be paid by the Debtors in the ordinary course of business to the extent permissible pursuant

to applicable law, including as has been authorized pursuant to the *Final Order Authorizing the Debtors to Pay Prepetition Critical Vendor Claims in the Ordinary Course of Business* [ECF No. 121]; provided that all parties' rights are reserved with respect to any argument as to whether any such trust is impacted by the Bankruptcy Code.

21. **Texas Taxing Authorities**. Notwithstanding any other provisions included in the Interim Order or this Final Order, or any agreements approved hereby, any statutory liens (collectively, the "Tax Liens") of the Texas taxing authorities requested by Linebarger, Goggan, Blair & Sampson, LLP, McCreary, Veselka, Bragg & Allen, P.C., and Perdue, Brandon, Fielder, Collins & Mott, LLP, (the "Texas Taxing Authorities") shall not be primed by nor made subordinate to any liens granted pursuant to the Interim Order, this Final Order or the other DIP Loan Documents to the extent such Tax Liens are valid, perfected, enforceable, non-avoidable and senior to the Prepetition Liens. For the avoidance of doubt, all parties' rights to object to the priority, validity, amount, and extent of the claims and liens asserted by the Texas Taxing Authorities are fully preserved.

22. **Lineage Logistics**. Notwithstanding anything to the contrary in this Final Order, any warehousemen's liens of Lineage Logistics on new inventory of the Debtors that is delivered to Lineage Logistics following the Petition Date shall be Permitted Third Party Liens to the extent that such liens would be Permitted Third Party Liens with respect to inventory stored with Lineage Logistic as of the Petition Date irrespective of whether such liens constitute Permitted Encumbrances; provided that the foregoing is not intended to, and does not, modify any obligations of the Debtors, or any rights or remedies of the DIP Secured Parties, under the DIP Loan Documents, and does not constitute a waiver or modification of any Default or Event of Default under and as defined in the DIP Credit Agreement.

23. **Vehicle Lease Agreements.**

(a) Notwithstanding anything to the contrary in this Final Order or in the DIP Loan Documents, in respect of any leased motor vehicles (or other leased assets, the attachment or perfection of a lien on which is subject to a certificate of title) and all products and proceeds thereof and all accessions, substitutions and replacements of all of the foregoing, that are subject to or covered by any of the Third Party Leases (collectively, the "Lease Property") which would otherwise constitute DIP Collateral pursuant to the terms of this Final Order (without operation of this paragraph 23 and the other DIP Loan Documents, the DIP Liens and any Adequate Protection Liens shall only attach to such property to the extent it is property of the Debtors' estates within the scope of 11 U.S.C. § 541. Accordingly, with respect to Lease Property subject to a valid lease agreement, the DIP Liens and any Adequate Protection Liens shall only attach to the Debtors' interest in the applicable lease agreement (to the extent such interest constitutes DIP Collateral pursuant to the terms of this Final Order (without operation of this paragraph 23) and the other DIP Loan Documents) and not to the Lease Property itself. To the extent any Third Party Lease is determined by a court of competent jurisdiction to be a financing arrangement rather than a true lease (and the Lease Property is therefore considered secured financing collateral rather than leased property) the DIP Liens and any Adequate Protection Liens shall attach to the Debtors' interest in such property (to the extent such interest constitutes DIP Collateral pursuant to the terms of this Final Order (without operation of this paragraph 23) and the other DIP Loan Documents), but shall be junior to the liens of the Lessors in respect of such Lease Property to the extent that such liens are valid, enforceable, perfected and non-avoidable liens under applicable state law. Additionally, in respect of any other leased assets and all products and proceeds thereof and all accessions, substitutions and replacements of all of the

foregoing not constituting Lease Property that are subject to a valid lease agreement (collectively, "Other Lease Property") which would otherwise constitute DIP Collateral pursuant to the terms of this Final Order (without operation of this paragraph 23) and the other DIP Loan Documents, the DIP Liens and the Adequate Protection Liens (x) shall only attach to such property to the extent it is property of the Debtors' estates within the scope of 11 U.S.C. § 541 and (y) shall otherwise only attach to the Debtors' interest in the applicable lease agreement with respect to such Other Lease Property (but not the Other Lease Property itself).

4. *The Debtors Prepetition Secured Indebtedness*.

(a) As of the Petition Date, the Borrower and the Debtors, other than Debtor SN UR Holdings, LLC ("**SN UR**"), pursuant to that certain Third Amended and Restated Credit Agreement dated as of February 14, 2018 (the "**Prepetition Credit Agreement**"), with Royal Bank of Canada, as administrative agent (in its capacity as such, the "**Administrative Agent**"), Royal Bank of Canada as collateral agent (in its capacity as such, the "**Collateral Agent**" and, in its capacity as the Administrative Agent and the Collateral Agent, the "**Credit Agreement Agent**") and the lenders party thereto (the "**Credit Agreement Lenders**" and together with the Credit Agreement Agent, the "**Credit Agreement Parties**" and, together with the Hedging Counterparties (as defined below), the Secured Notes Parties and Royal Bank of Canada, in any and all of Royal Bank of Canada's capacities under any of the First-Out Documents, the "**Prepetition Secured Parties**") have certain indebtedness defined in the Collateral Trust Agreement as the First-Out Obligations including, among other things, borrowings of approximately $7.9 million in principal amount and approximately $17.1 million of reimbursement obligations in connection with that certain letter of credit issued by Royal Bank of Canada, which was drawn by the beneficiary thereof following the Petition Date (the "**Prepetition L/C**"), (the obligations thereunder, the "**Credit Agreement Obligations**") pursuant to the Prepetition Credit Agreement and the Collateral Trust Agreement. The First-Out Obligations also include certain swap obligations as of the Petition Date pursuant to

swap agreements (each as defined in the Collateral Trust Agreement, and, hereinafter, the "**First-Out Hedging Obligations**") with certain hedging counterparties (the "**Hedging Counterparties**"), which are secured on a *pari passu* basis with the other Credit Agreement Obligations.

(b) Prior to the Petition Date, pursuant to the Secured Notes Indenture, the Borrower issued, and the Prepetition Debtor Guarantors guaranteed, $500,000,000 in principal amount of Secured Notes (together with any accrued and unpaid interest and fees, all other Obligations (as that term is defined in the Secured Notes Indenture) under the Secured Notes Indenture or any of the other Note Documents (as defined in the Secured Notes Indenture), the "**Secured Notes Obligations**"), all of which was outstanding as of the Petition Date.

(c) As of the Petition Date, the terms of the First-Out Documents, the Collateral Trust Agreement, the Secured Notes Indenture and the other Note Documents, and the Prepetition Credit Agreement, as applicable, provide that the Credit Agreement Obligations, the First-Out Hedging Obligations and the Secured Notes Obligations, as applicable, are secured by first-priority liens and security interests on the Prepetition Collateral (the "**Prepetition Liens**").

(d) the Prepetition Secured Parties contend that all cash proceeds of the Prepetition Collateral (including cash on deposit at the Debtors' depository institutions as of the Petition Date, securities or other property, whether subject to control agreements or otherwise, in each case that constitutes Prepetition Collateral, but excluding, for the avoidance of doubt, any cash held by SN UR on the Petition Date) are "cash collateral" of the Prepetition Secured Parties within the meaning of section 363(a) of the Bankruptcy Code (the "**Cash Collateral**").

5. *Findings Regarding the DIP Financing and Cash Collateral.*

(a) Good and sufficient cause has been shown for the entry of this Final Order.

(b) The Loan Parties have an immediate need to continue to use the Prepetition Collateral (including the Cash Collateral) to preserve their estates, including (i) for the orderly continuation of the operation of their businesses, (ii) to preserve business relationships with vendors, suppliers, employees, and customers, and (iii) to satisfy other working capital and operational needs. The Loan Parties have an immediate need to have available the DIP Facility in case the Prepetition Collateral (including Cash Collateral) is insufficient to meet their capital and liquidity needs. The access of the Loan Parties to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, incurrence of new indebtedness under the DIP Documents, and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern values of the Loan Parties and to a successful reorganization of the Loan Parties.

(c) The Loan Parties have been and continue to be unable to obtain financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Loan Parties are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2), and 364(c)(3) of the Bankruptcy Code without the Loan Parties granting to the DIP Agent and the DIP Lenders, subject to the Carve-Out and First-Out Obligations, the DIP Liens and the DIP Superpriority Claims (each as defined below) and granting the Adequate Protection (as defined below), in each case, under the terms and conditions set forth in this Final Order and in the DIP Documents.

(d) The Roll-Up Loans as provided for under the DIP Facility and this Final Order are appropriate and the DIP Agent and the DIP Lenders would not be willing to provide the New Money Facility or extend credit to the Debtors thereunder without the inclusion of the Roll-Up Loans within the DIP Facility (subject to the terms of this Final Order, including paragraphs 23 and 24).

(e) Based on the Motion, the declarations filed in support of the Motion, and the record presented to the Court at the Interim Hearing and the Final Hearing, the terms of the DIP Financing, the terms of the Adequate Protection granted to the Prepetition Secured Parties, and the terms on which the Loan Parties may continue to use the Prepetition Collateral (including Cash Collateral) pursuant to this Final Order and the DIP Documents are fair and reasonable, reflect the Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties, and constitute reasonably equivalent value and fair consideration.

(f) Upon the terms and conditions set forth herein, the Prepetition Secured Parties have consented and/or are deemed to have consented to the use of Cash Collateral and the other Prepetition Collateral, the Debtors' entry into the DIP Documents and, as applicable the priming of the Prepetition Liens granted to the Secured Notes Parties pursuant to section 364(d)(1) of the Bankruptcy Code, except as specifically set forth herein.

(g) The DIP Financing, the use of Cash Collateral and the other Prepetition Collateral, and the terms of the Adequate Protection and the Adequate Protection Liens (each as defined below) have been negotiated in good faith and at arm's length among the Loan Parties, the Prepetition Secured Parties, the DIP Agent, and the DIP Lenders, and all of the Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing and the DIP Documents, including, without limitation: (i) the DIP Loans

made to and guarantees issued by the Loan Parties pursuant to the DIP Documents and (ii) any Loan Obligations (as defined in the DIP Credit Agreement) of the Loan Parties owing to the DIP Agent, any DIP Lender or any of their respective affiliates, in accordance with the terms of the DIP Documents, including any obligations, to the extent provided for in the DIP Documents, to indemnify the DIP Agent or the DIP Lenders and to pay any fees, expenses (including any attorneys', accountants', appraisers' and financial advisors' fees that are chargeable or reimbursable under the DIP Documents), amounts, charges, costs, indemnities and other obligations that are chargeable or reimbursable under the Interim Order, this Final Order or the DIP Documents (the foregoing in clauses (i) and (ii) collectively, the "**DIP Obligations**") shall be deemed to have been extended by the DIP Agent and the DIP Lenders and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code, and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Agent and the DIP Lenders (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that the Interim Order, this Final Order, or any provision thereof or hereof is vacated, reversed or modified, on appeal or otherwise. The Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the Loan Parties' continued use of the Prepetition Collateral (including the Cash Collateral) to fund the administration of the Loan Parties' estates and continued operation of their businesses (including the incurrence and payment of the Adequate Protection and the granting of the Adequate Protection Liens), in accordance with the terms hereof, and the Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 363(m) of the Bankruptcy Code in the event

that the Interim Order, this Final Order, or any provision thereof or hereof is vacated, reversed or modified, on appeal or otherwise.

(h) The Prepetition Secured Parties are entitled to the Adequate Protection as and to the extent set forth herein pursuant to sections 361, 362, 363, and 364 of the Bankruptcy Code. Based on the Motion and on the record presented to the Court, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral (including any Cash Collateral) are fair and reasonable, reflect the Loan Parties' prudent exercise of business judgment, and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral (including Cash Collateral); *provided* that nothing in the Interim Order, this Final Order, or the other DIP Documents shall (x) be construed as the affirmative consent by any of Prepetition Secured Parties for the use of any Cash Collateral, other than on the terms set forth in this Final Order and in the context of the DIP Financing authorized by this Final Order, (y) be construed as a consent by any party to the terms of any other financing or any other lien encumbering the Prepetition Collateral (whether senior or junior) or (z) prejudice, limit or otherwise impair the rights of any of the Prepetition Secured Parties, subject to any applicable provisions of any applicable intercreditor agreements, including the Collateral Trust Agreement, and upon a change in circumstances, to seek new, different or additional adequate protection or assert the interests of any of the Prepetition Secured Parties.

(i) The Debtors have requested immediate entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the Local Bankruptcy Rules. For the reasons set forth in the Motion and declarations filed in connection therewith, absent granting the relief set forth in this Final Order, the Loan Parties' estates would face (i) significant business disruptions in the event of the loss of, or limited, access to Cash Collateral, (ii) exposure to

significant liquidity uncertainty in the current commodities market, and (iii) loss of confidence regarding the Debtors' financial wherewithal by stakeholders. Consummation of the DIP Financing and the use of Prepetition Collateral, including any Cash Collateral, in accordance with this Final Order and the DIP Documents are therefore in the best interests of the Loan Parties' estates and consistent with the Loan Parties' exercise of their fiduciary duties.

6. *Authorization of the DIP Financing and the DIP Documents*.

(a) The Loan Parties are hereby authorized to execute, enter into, and perform all obligations under the DIP Documents. The Borrower is hereby authorized to forthwith borrow the New Money Loans pursuant to the DIP Credit Agreement, and the Guarantors are hereby authorized, to guaranty the Borrower's obligations with respect to such borrowings in an aggregate principal or face amount not to exceed $150,000,000 under the DIP Facility (plus interest, fees, expenses (including reasonable and documented professional fees and expenses) and other amounts, in each case, as provided for in the DIP Documents), subject to any limitations on borrowing under the DIP Documents. The Borrower is authorized, directed, and ordered to take all actions necessary to effect a Discharge of First-Out Obligations. The Loan Parties are also authorized to convert to DIP Obligations constituting Roll-Up Loans under the DIP Documents each Roll-Up DIP Lender's ratable share of $50,000,000 of Roll-Up Loans based on each Roll-Up DIP Lender's Roll-Up Loan Amount (as defined in the DIP Credit Agreement), and the Guarantors are hereby authorized to guaranty the Borrower's obligations with respect to the Roll-Up Loans, subject to any limitations on borrowing under the DIP Documents. The Borrower shall use the proceeds of the DIP Loans for all purposes permitted under the DIP Documents (and subject to the terms and conditions set forth herein and therein), including to effect a Discharge of First-Out Obligations, and for other general corporate

purposes and working capital purposes, including to (i) pay required debt service on the DIP Loans, (ii) pay the fees, costs, and expenses of the Credit Agreement Parties, DIP Agent and the DIP Lenders, (iii) pay the fees and expenses of professionals associated with the Cases, and (iv) provide Adequate Protection as provided in paragraph 19 of this Final Order.

(b) In furtherance of the foregoing and without further approval of this Court, each of the Debtors is authorized and directed to perform all acts, to make, execute and deliver all instruments and documents, including, without limitation, the execution or recordation of security agreements, mortgages, and financing statements, (to the extent such execution and delivery were authorized by the Interim Order and have already occurred, such execution and delivery are hereby ratified) and to pay all fees that may be reasonably required or necessary for the Loan Parties' performance of their obligations under or related to the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents or other modifications to and under the DIP Documents, in each case, in such form as the Loan Parties, the DIP Agent, and the Required Lenders (as defined in the DIP Credit Agreement) may agree, it being understood that no further approval of the Court shall be required for authorizations, amendments, waivers, consents or other modifications to and under the DIP Documents (and any fees and other expenses (including any attorneys', accountants', appraisers' and financial advisors' fees), amounts, charges, costs, indemnities and other obligations paid in connection therewith) that do not shorten the maturity

of the extensions of credit thereunder or increase the aggregate commitments or the rate of interest, fees or other amounts payable thereunder;

(iii) the non-refundable payment to the DIP Agent and the DIP Lenders, as the case may be, of all fees, including, without limitation, any commitment fee, Backstop Fee (as defined in the DIP Credit Agreement),[3] exit fee, or agency fee (which fees shall be, and shall be deemed to have been, approved upon entry of the Interim Order and upon payment thereof, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise), and any amounts due (or that may become due) in respect of the indemnification obligations, in each case referred to in the DIP Credit Agreement or DIP Documents and the costs and expenses as may be due from time to time, including, without limitation, reasonable and documented fees and expenses of the professionals retained by any of the DIP Agent and the DIP Lenders (including, without limitation, the reasonable and documented fees and expenses of (a) Morrison & Foerster, LLP, as counsel to the DIP Lenders, (b) Foley & Lardner, LLP, as local counsel to the DIP Lenders, (c) Evercore Group L.L.C., as financial advisor to the DIP Lenders, (d) Opportune LLP, as G&A advisor to the DIP Lenders, (e) Arnold & Porter Kaye Scholer LLP, as primary counsel to the DIP Agent, and (f) Cole Schotz, P.C., as local counsel to the DIP Agent, in each case without the need to file retention

[3] The Backstop Fee referenced herein or any part thereof payable pursuant to the DIP Credit Agreement is fully-earned, shall not be refundable under any circumstances, will not be subject to counterclaim or setoff for, or be otherwise affected by, any claim or dispute the Borrower may have, and shall be paid free and clear of, and without deduction for, any and all present or future applicable taxes, levies, imposts, deductions, charges or withholdings and all liabilities with respect thereto.

motions or fee applications, but subject to the receipt of invoices and expiration of the review period as set forth in paragraph 19(e) of this Final Order;

(iv) the performance of all other acts required under or in connection with the DIP Documents, including the granting of the DIP Liens and the DIP Superpriority Claims and perfection of the DIP Liens and the DIP Superpriority Claims as permitted herein and therein; and

(v) the payment as soon as practicable of up to $1,000,000 of fees and expenses of Quinn Emanuel Urquhart & Sullivan, LLP, as counsel to the Unsecured Ad Hoc Group (defined below), without the need to file retention motions or fee applications, but subject to the receipt of invoices and expiration of the review period as set forth in paragraph 19(e) of this Final Order; provided, however, that (x) such fees and expenses of Quinn Emanuel Urquhart & Sullivan, LLP, shall be payable solely from funds of SN UR in excess of any allowed or allowable claims against SN UR, its assets, or such funds at the time of such payment, (y) the Debtors are authorized and directed to pay such fees and expenses without regard to any analysis of the extent of such excess funds or allowed or allowable claims that has been conducted or that could be conducted by the Debtors or any other party in interest prior to making such payment, and (z) such payment shall not prejudice the rights of any party in interest to later challenge at any time the actual amount of excess funds available at the time when such payment was made, all of which rights are hereby reserved.

(c) Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute valid, binding and non-avoidable obligations of the Loan Parties, enforceable against each Loan Party in accordance with the terms of the DIP Documents and this Final Order. No obligation, payment, transfer or grant of security under the DIP Documents or this

Final Order to the DIP Agent or the DIP Lenders shall be stayed, restrained, voidable or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 548 or 549 of the Bankruptcy Code, any applicable Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or other similar state statute or common law), or subject to any defense, reduction, setoff, recoupment, recharacterization, subordination, disallowance, impairment, cross-claim, claim or counterclaim.

7. *Discharge of First-Out Obligations*. All commitments under the Prepetition Credit Agreement to extend loans, other debt financing or financial accommodations, and/or letters of credit that would constitute First-Out Obligations are terminated. The Debtors are authorized, directed, and ordered to use the proceeds of the DIP Draws and/or other Borrowings available under the DIP Credit Agreement to effect a Discharge of First-Out Obligations, including (i) repaying in full in cash all amounts due and owing as of the date of the Final Order that constitute First-Out Obligations and (ii) through this Final Order providing that, notwithstanding anything to the contrary in the DIP Documents, the Interim Order, and/or this Final Order, the First-Out Hedging Obligations shall remain as part of the First-Out Obligations, shall not be primed and shall be secured by the Prepetition Collateral under applicable non-bankruptcy law, and shall otherwise remain unaffected by this Final Order. The Discharge of First-Out Obligations shall occur as soon as reasonably practicable after entry of this Final Order, but no later than ten (10) business days after entry of this Final Order. Notwithstanding anything in the DIP Documents, the Interim Order, and/or this Final Order, (i) any and all security for any and all outstanding and/or continuing First-Out Obligations (including, but not limited to, the First-Out Hedging Obligations and indemnity obligations contained in the Collateral Trust Agreement and the First-Out Documents), shall maintain its priority under applicable non-bankruptcy law and

shall be unaffected by the rights and obligations granted to the DIP Lenders and the DIP Secured Parties and (ii) the priority and extent of the Prepetition Liens to the extent of the First-Out Hedging Obligations shall be unaffected by the DIP Facility or the rights and obligations granted to the DIP Lenders and DIP Secured Parties, and the First-Out Hedging Obligations shall be secured by the Prepetition Liens pursuant to this Final Order. Notwithstanding anything in the DIP Documents, the Interim Order, and/or this Final Order, no liens or security interests provided in the DIP Documents, the Interim Order, or this Final Order shall prime any valid, perfected lien or security interest securing a First-Out Obligation. Notwithstanding anything in the DIP Documents, the Interim Order, and/or this Final Order to the contrary, any provision or condition of this Final Order or the DIP Credit Agreement regarding payment or discharge of First Out Obligations may be waived, amended, terminated or otherwise deemed to have occurred in the sole and absolute discretion of the holder of the applicable First Out Obligation, or upon the mutual agreement of such holder and the other applicable Prepetition Secured Party in accordance with their respective rights under, this Final Order, the First-Out Documents, the Collateral Trust Agreement, the Secured Notes Indenture and the other Note Documents. Upon the occurrence of the Discharge of First-Out Obligations pursuant to this Final Order, (w) the Discharge of First-Out Obligations shall be deemed effective as of the entry of this Final Order, (x) the Controlling Priority Lien Representative (as defined in the Collateral Trust Agreement) shall be deemed to remove Royal Bank of Canada as Collateral Trustee and thereupon deemed to appoint Wilmington Trust N.A. as the Collateral Trustee under the Collateral Trust Agreement, (y) the Controlling Priority Lien Representative shall be deemed to have instructed the Collateral Trustee to consent to the entry of this Final Order, and (z) Royal Bank of Canada shall be the "predecessor Collateral Trustee" under the Collateral Trust Agreement and remain entitled to enforce all rights and privileges relating

thereto including the immunities granted to it in Article 5 and the provisions of Sections 7.8 and 7.9 of the Collateral Trust Agreement, as well as the provisions of the Interim Order and this Final Order. The Debtors are authorized to execute any documents or agreements, and pay any fees, required to effectuate the foregoing.

8. *Refinancing of Certain Secured Notes Obligations.*

(a) Each Roll-Up DIP Lender's Roll-Up Amount of the outstanding principal amount of the Secured Notes will be immediately, automatically, and irrevocably deemed to have been converted into Roll-Up DIP Obligations (as defined below) and, except as otherwise provided in this Final Order and the DIP Credit Agreement, shall be entitled to all the priorities, privileges, rights, and other benefits afforded to the other DIP Obligations under this Final Order and the DIP Documents (subject to the rights of the Debtors and other parties in interest pursuant to paragraphs 23 and 24 of this Final Order, which paragraphs apply in accordance with their terms to the fullest extent to Roll-Up DIP Loans, Roll-Up DIP Obligations, DIP Superpriority Claims with respect to such loans and obligations, and DIP Liens securing such loans and obligations notwithstanding anything else in this Final Order). The conversion of the Roll-Up DIP Obligations as described in this paragraph 8 shall be authorized as compensation for, in consideration for, as a necessary inducement for, and on account of the agreement of the Roll-Up DIP Lenders to fund amounts under the New Money Facility and not as payments under, adequate protection for, or otherwise on account of, any Secured Notes Obligations. As used herein, the term "**Roll-Up DIP Obligations**" shall mean the Roll-Up Loans and all interest accrued and accruing thereon after the conversion into Roll-Up DIP Obligations and all other amounts owing by the respective Debtors in respect thereof after the conversion into the Roll-Up DIP Obligations.

(b) For the avoidance of doubt, (i) all parties' rights are reserved with respect to whether any Make Whole Premium or other premium would be payable under the Secured Notes Indenture and applicable law, and whether any such premium should be an allowed claim against the Debtors, (ii) notwithstanding anything to the contrary herein, the right of the Debtors and other parties in interest to object to the assertion of the Make Whole Premium or other premium as part of any claim under the Secured Notes Indenture shall not be subject to the restrictions set forth in paragraphs 11(f), 23 and 24 of this Final Order, and (iii) any allowable Make Whole Premium or other allowable premium shall be treated for purposes of allowance and distribution as prepetition Secured Notes Obligations without the benefit of the DIP Superpriority Claims (as defined below) or the DIP Liens (as defined below).

9. *DIP Superpriority Claims*.

(a) Pursuant to section 364(c)(1) of the Bankruptcy Code, subject to the rights of the Debtors and other parties in interest pursuant to paragraphs 23 and 24 of this Final Order solely with respect to Roll-Up DIP Loans and Roll-Up DIP Obligations, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the Loan Parties (without the need to file any proofs of claim) with priority over any and all claims against the Loan Parties, now existing or hereafter arising (except for the First-Out Obligations), of any kind whatsoever, including, without limitation, any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 365, 503(b), 506(c), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims (the "**DIP Superpriority Claims**") shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed

under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all pre- and postpetition property of the Loan Parties and all proceeds thereof; *provided*, *however*, that the DIP Superpriority Claims shall be subordinated and subject only to payment of the Carve-Out and First-Out Obligations; and *provided, further*, that the DIP Superpriority Claims with respect to Roll-Up DIP Obligations shall not be payable from any portion of the Available Avoidance Proceeds (defined below). The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that the Interim Order, this Final Order or any provision thereof or hereof is vacated, reversed or modified on appeal or otherwise.

(b) Notwithstanding anything in paragraph 9(a) to the contrary (but, for the avoidance of doubt, without limiting the payment priority of the First-Out Obligations), the DIP Superpriority Claims shall have no recourse to the Loan Parties' claims and causes of action under sections 502(d), 544, 545, 547, 548 and 550 of the Bankruptcy Code, or any other avoidance actions (collectively, "**Avoidance Actions**") or the proceeds thereof, except that the DIP Superpriority Claims shall have recourse (subject to paragraph 14 and solely with respect to New Money Loans) to up to fifty percent (50%) of each dollar of the first $100 million of proceeds or property recovered or unencumbered by Avoidance Actions against parties other than the Prepetition Secured Parties (in their capacities as such) (such amount of proceeds or property, the "**Available Avoidance Proceeds**").

(c) Notwithstanding anything in this Final Order to the contrary, the Roll-Up Loans and the Roll-Up DIP Obligations shall not constitute DIP Superpriority Claims except to the extent that the underlying obligations were valid and unavoidable Secured Notes

Obligations as of the Petition Date and were secured by valid, perfected and unavoidable liens and security interests in Prepetition Collateral as of the Petition Date.

10. *DIP Liens*. As security for the DIP Obligations, effective and perfected as of the date of the Interim Order and without the necessity of the execution, recordation of filings by the Loan Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, any notation of certificates of title for a titled good, or the possession or control by the DIP Agent of, or over, any DIP Collateral, the following security interests and liens are hereby granted to the DIP Agent for its own benefit and the benefit of the DIP Lenders (all property identified in clauses (a), (b) and (c) below being collectively referred to as the "**DIP Collateral**"), and subject to the payment of the Carve-Out and First-Out Obligations (all such liens and security interests granted to the DIP Agent, for its benefit and for the benefit of the DIP Lenders, pursuant to the Interim Order, this Final Order, and the DIP Documents, the "**DIP Liens**"):

(a) First Lien on Unencumbered Property. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior security interest in and lien upon all tangible and intangible pre- and postpetition property of each Loan Party, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date, is not subject to either (x) valid, perfected and non-avoidable liens as of the Petition Date, or (y) valid and non-avoidable liens in existence at the time of the Petition Date that are perfected subsequent thereto as permitted by section 546(b) of the Bankruptcy Code (collectively, the "**Unencumbered Property**"), in each case other than the Avoidance Actions and proceeds thereof (except, with respect to New Money Loans, the Available Avoidance Proceeds).

(b) Lien Priming Certain Prepetition Liens. Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected senior priming security interest in and lien upon all tangible and intangible pre- and postpetition property of each Loan Party, whether existing on the Petition Date or thereafter acquired, that secure the obligations of the Loan Parties under the Secured Notes Indenture (the "**Primed Liens**"), *provided* that such DIP Liens shall be junior to (i) the First-Out Obligations, (ii) valid and perfected Permitted Liens that were senior to the Prepetition Liens as of the Petition Date, and (iii) valid and non-avoidable liens in existence at the time of the Petition Date that are perfected subsequent thereto as permitted by Section 546(b) of the Bankruptcy Code.

(c) Lien Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected security interest in and lien upon all tangible and intangible pre- and postpetition property of each Loan Party, other than the property described in clauses (a) and (b) of this paragraph 10 (as to which the liens and security interests in favor of the DIP Agent will be as described in such clauses (a) and (b)), whether now existing or hereafter acquired, that is subject to either (x) valid, perfected, and non-avoidable liens in existence immediately prior to the Petition Date (other than the Primed Liens) or (y) valid and non-avoidable liens in existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, in each case other than the Avoidance Actions and the proceeds thereof (except for, with respect to New Money Loans, the Available Avoidance Proceeds), which security interests in favor of the DIP Agent shall be junior and subordinate to such valid, perfected, and unavoidable liens, including liens perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, *provided* that except as to the First-Out

Obligations nothing in the foregoing clauses shall limit the rights of the DIP Secured Parties under the DIP Documents to the extent such liens are not permitted thereunder; and

(d) Lien Senior to Certain Other Liens. The DIP Liens and the Adequate Protection Liens (as defined below) shall not be (i) subject or subordinate to or made *pari passu* with (A) any lien or security interest that is avoided and preserved for the benefit of the Loan Parties and their estates under section 551 of the Bankruptcy Code, (B) unless otherwise provided for in the DIP Documents or in this Final Order, any liens or security interests arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other governmental unit (including any regulatory body), commission, board or court for any liability of the Loan Parties, or (C) any intercompany liens or security interests of the Loan Parties against other Loan Parties; or (ii) subordinated to or made *pari passu* with any other lien or security interest under section 363 or 364 of the Bankruptcy Code granted after the date hereof.

(e) Notwithstanding anything in this Final Order to the contrary, the Roll-Up Loans and the Roll-Up DIP Obligations shall not be granted a lien, mortgage or security interest pursuant to clause (a) of this paragraph in any Unencumbered Property, and the DIP Liens securing the Roll-Up Loans and the Roll-Up DIP Obligations shall only extend to Prepetition Collateral that is subject to valid, perfected and unavoidable liens and security interests securing the Secured Notes Obligations as of the Petition Date.

11. *Carve Out*

(a) As used in this Final Order, the "**Carve-Out**" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee (the "**U.S. Trustee**") under section 1930(a) of title 28 of the United States Code plus interest at the

statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to $100,000 incurred by any chapter 7 trustee under Bankruptcy Code section 726(b) (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, final order or otherwise, all paid and earned and accrued and unpaid fees and expenses (the "**Allowed Professional Fees**") incurred after the Petition Date by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "**Debtor Professionals**") or the Creditors' Committee (as defined below) pursuant to Bankruptcy Code section 328 or 1103 (the "**Committee Professionals**" and, together with the Debtor Professionals, the "**Professional Persons**") at any time before delivery by the DIP Agent or the Required Lenders of a Carve-Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed $5,000,000 incurred after the first business day following delivery by the DIP Agent or the Required Lenders of the Carve-Out Trigger Notice, to the extent allowed at any time, whether by interim order, final order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the "**Post-Carve-Out Trigger Notice Cap**"). For purposes of the foregoing, "**Carve-Out Trigger Notice**" shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (acting at the direction of the Required Lenders) to the Debtors, their lead restructuring counsel, the U.S. Trustee, and counsel to the Creditors' Committee providing that a Termination Event (as defined below) has occurred and stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(b) Carve-Out Reserves. On the day on which a Carve-Out Trigger Notice is given by the DIP Agent or the Required Lenders to the Debtors with a copy to counsel to the

Creditors' Committee (the "**Termination Declaration Date**"), the Carve-Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees. The Debtors shall deposit and hold such amounts in a segregated account at the DIP Agent in trust to pay such then unpaid Allowed Professional Fees (the "**Pre-Carve-Out Trigger Notice Reserve**") prior to the use of such reserve to pay any other claims. On the Termination Declaration Date, after funding the Pre-Carve-Out Trigger Notice Reserve, the Debtors shall utilize all remaining cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the Post-Carve-Out Trigger Notice Cap (the "**Post-Carve-Out Trigger Notice Reserve**" and, together with the Pre-Carve-Out Trigger Notice Reserve, the "**Carve-Out Reserves**") prior to the use of such reserve to pay any other claims. All funds in the Pre-Carve-Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve-Out set forth above (the "**Pre-Carve-Out Amounts**"), but not, for the avoidance of doubt, the Post-Carve-Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve-Out Trigger Notice Reserve has not been reduced to zero, to pay the DIP Agent for the benefit of itself and the DIP Lenders. All funds in the Post-Carve-Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve-Out set forth above (the "**Post-Carve-Out Amounts**"), and then, to the extent the Post-Carve-Out Trigger Notice Reserve has not been reduced to zero, to pay the DIP Agent for the benefit of itself and the DIP Lenders. Notwithstanding anything to the contrary in the DIP Documents, the Interim Order, or this Final Order, if either of the Carve-Out Reserves is not funded in full in the amounts set forth in this paragraph 11,

then, any excess funds in one of the Carve-Out Reserves following the payment of the Pre-Carve-Out Amounts and Post-Carve-Out Amounts, respectively, shall be used to fund the other Carve-Out Reserve, up to the applicable amount set forth in this paragraph 11, prior to making any payments to the DIP Agent. Notwithstanding anything to the contrary in the DIP Documents, the Interim Order, or this Final Order, following delivery of a Carve-Out Trigger Notice, the DIP Agent and the Secured Notes Parties shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve-Out Reserves have been fully funded following a reasonable period (which period shall be no less than 5 business days) for each Professional Person to notify the Debtors of its expected amount of Allowed Professional Fees, but shall have a valid and perfected security interest in any residual interest in the Carve-Out Reserves, with any excess paid to the DIP Agent for application in accordance with the DIP Documents and this Final Order. Further, notwithstanding anything to the contrary in the Interim Order or this Final Order, (i) disbursements by the Debtors from the Carve-Out Reserves shall not increase or reduce the DIP Obligations, or constitute additional DIP Loans (unless, for the avoidance of doubt, additional DIP Loans are used to fund the Carve-Out Reserves), (ii) the failure of the Carve-Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve-Out, and (iii) in no way shall the Approved Budget, Carve-Out, Post-Carve-Out Trigger Notice Cap or the Carve-Out Reserves, or any of the foregoing, be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors to the Debtor Professionals. For the avoidance of doubt and notwithstanding anything to the contrary in the Interim Order or this Final Order, the DIP Facility or in any Prepetition Credit Document, the Carve-Out shall be senior to all liens and claims securing the DIP Facility, the

Adequate Protection Liens, any 507(b) Claim, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Secured Notes Obligations.

(c) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve-Out.

(d) No Direct Obligation To Pay Allowed Professional Fees. None of the DIP Agent, DIP Lenders, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(e) Payment of Carve-Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve-Out on a dollar-for-dollar basis. Any funding of the Carve-Out shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Final Order, the DIP Documents, the Bankruptcy Code, and applicable law.

(f) Carve-Out Limits. Notwithstanding anything in this Final Order to the contrary, except for and solely to the extent as set forth in paragraph 24 below, the Carve-Out shall not include, apply to or be available for any fees or expenses incurred by any party in

connection with (a) the investigation, initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation, or assertions of any defense or counterclaim, against any of the DIP Lenders, the DIP Agent, or the Prepetition Secured Parties, each in such capacity, and their respective agents, attorneys, advisors or representatives, including challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset to, the obligations and the liens, mortgages, and security interests granted in connection with the DIP Documents, the Prepetition Credit Agreement, the Collateral Trust Agreement, the First-Out Documents, or the Note Documents, including, in each case, without limitation, for lender liability or pursuant to sections 105, 506(c), 510, 544, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise; (b) attempts to modify any of the rights granted to the DIP Lenders, the DIP Agent or the Prepetition Secured Parties; or (c) attempts to prevent, hinder or otherwise delay any of the DIP Lenders' or the DIP Agent's assertion, enforcement or realization upon any DIP Collateral or Prepetition Collateral in accordance with the DIP Documents and the Final Order other than to seek a determination that an Event of Default (as defined in the DIP Credit Agreement) has not occurred or is not continuing. Further, notwithstanding anything to the contrary in this Final Order, the failure of the Carve-Out Account to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out. For the avoidance of doubt, nothing in this paragraph shall be construed to impair (x) the right of the Professional Persons to seek payment of any fees and expenses incurred in connection with the foregoing as an administrative claim to the extent such fees and expenses are not payable from the Carve-Out or (y) the ability of any party to object to the allowance of fees, expenses, reimbursement or compensation of any Professional Persons on any other grounds.

12. *Protection of DIP Lenders' Rights.*

(a) Upon the occurrence of a Termination Event and following the giving of not less than five (5) business days' prior written notice (the "**Enforcement Notice**") via email to counsel to the Debtors, the U.S. Trustee, counsel to the Trustees, counsel to Royal Bank of Canada, and counsel to the Creditors' Committee, and the filing of such notice on the docket for these chapter 11 cases, which notice shall run concurrently with any notice required to be provided under the DIP Documents (the "**Notice Period**"), the DIP Agent (acting at the direction of the Required Lenders, as applicable) and the DIP Lenders may (i) terminate, reduce or restrict any further DIP Commitments to the extent any such DIP Commitments remains, (ii) declare all DIP Obligations to be immediately due and payable, without presentment, demand, protest, or other notice of any kind, all of which are expressly waived by the Loan Parties, (iii) withdraw consent to the Loan Parties' continued use of Cash Collateral, and (iv) exercise all other rights and remedies provided for in the DIP Documents and under applicable law. During the Notice Period, the Debtors, the DIP Agent and the DIP Lenders consent to a hearing on an expedited basis for the sole purpose of (x) contesting whether a Termination Event has occurred and is continuing and (y) arguing for continued imposition of the automatic stay; *provided*, that if a hearing to consider the foregoing is requested to be heard before the end of the Notice Period but is scheduled for a later date by the Court, the Notice Period shall be automatically extended to the date of the conclusion of such hearing. Notwithstanding anything in this paragraph to the contrary, during the Notice Period, the DIP Lenders shall have no obligation to provide and the Loan Parties shall have no right to request any New Money Loans.

** The DIP Lenders may not request, demand or otherwise discuss with the Debtors or their professionals the imposition of any fee for any extension of the maturity date of the DIP loan for the period between May 11, 2020 and June 30, 2020.

(b) Following the conclusion of the Notice Period (as may be extended as set forth above), unless prior to such time the Court determines that a Termination Event has not occurred and/or is not continuing or the Court orders otherwise, the DIP Agent is hereby granted relief from the automatic stay, without further notice, hearing, motion, order, or other action of any kind, to foreclose on, or otherwise realize on, its DIP Liens on all or any portion of the DIP Collateral.

(c) No rights, protections or remedies of the DIP Agent or the DIP Lenders granted by the provisions of this Final Order or the DIP Documents shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent of any party to the Loan Parties' authority to continue to use Cash Collateral; (ii) any actual or purported termination of the Loan Parties' authority to continue to use Cash Collateral; or (iii) the terms of any other order or stipulation (other than as any such order or stipulation relates to the First-Out Obligations) related to the Loan Parties' continued use of Cash Collateral or the provision of adequate protection to any party other than the Prepetition Secured Parties.

13. *Limitation on Charging Expenses Against Collateral.* Except to the extent of the Carve-Out and the payment of First-Out Obligations, no costs or expenses of administration of the Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Prepetition Collateral or the DIP Collateral (including Cash Collateral) pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent (acting at the direction of the Required Lenders), or the Prepetition Secured Parties, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties and nothing contained in this Final

Order shall be deemed to be a consent by the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to any charge, lien, assessment or claim against the DIP Collateral or the Prepetition Collateral under section 506(c) of the Bankruptcy Code or otherwise.

14. *No Marshaling*. Except as provided in the immediately succeeding two sentences, in no event shall the DIP Agent, the DIP Lenders or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral or the Prepetition Collateral. The DIP Lenders may seek payment from the Available Avoidance Proceeds to the extent otherwise permitted in this Final Order (and subject to the payment of the First-Out Obligations) only after seeking payment from all other DIP Collateral and only with respect to the New Money Loans. Notwithstanding anything in this Final Order to the contrary, in the event that the Roll-Up Loans and up to $12.5 million of the DIP Loan the proceeds of which were used to satisfy First-Out Obligations are indefeasibly paid in full in cash or are otherwise satisfied with the consent of the holders of such obligations other than in cash, the determination of secured status of the Secured Notes Obligations pursuant to section 506 of the Bankruptcy Code shall be determined as if the cash or the value of such other consideration paying such Roll-Up Loans and up to $12.5 million of the DIP Loans the proceeds of which were used to satisfy First-Out Obligations was paid from the Prepetition Collateral prior to such determination.

15. *Section 552(b).* The Prepetition Secured Parties or the DIP Secured Parties shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code; *provided* that the "equities of the case" exception shall not be impaired by entry of this Final Order and the rights of all parties in interest are reserved with respect to the application of the "equities of the case" exception. Unless the DIP Agent (acting at the direction of the Required Lenders) or the Required Lenders, in their sole discretion, expressly consent in writing otherwise, expressly

referencing this provision, any and all of Debtors' payments of costs or expenses and investments with respect to Prepetition Collateral (including, as appropriate, general and administrative costs of the Debtors and their estates, Adequate Protection payments, and payments of DIP Obligations) shall be deemed solely for purposes of the Debtors' accounting to be made first with proceeds, products, offspring, or profits of and cash that, in each case, constitute Prepetition Collateral and thereafter with proceeds of DIP Loans, and thereafter, only to the extent funds are otherwise unavailable, with products, proceeds, and offspring of and cash that, in each case, constitute DIP Collateral that is not Prepetition Collateral.

16. *Payments Free and Clear*. Subject only to the Carve-Out, the First-Out Obligations, and the rights of the Debtors and other parties in interest pursuant to paragraphs 23 and 24 of this Final Order, any and all payments or proceeds remitted to the DIP Agent on behalf of the DIP Secured Parties pursuant to the provisions of the Interim Order, this Final Order, or the DIP Documents shall be received, except as to Roll-Up DIP Obligations that are subject to any Challenge filed in accordance with paragraph 23, free and clear of any claim, charge, assessment or other liability, including, without limitation, any such claim or charge arising out of or based on, directly or indirectly, section 506(c) of the Bankruptcy Code, whether asserted or assessed by, through or on behalf of the Debtors

17. *Application of Proceeds*. The DIP Secured Parties and the Prepetition Secured Parties, as applicable, shall have the right, in their sole discretion (but in the case of (x) the Secured Notes Parties, subject to the rights of the DIP Secured Parties and payment of the First-Out Obligations and (y) the DIP Secured Parties, subject to the rights and obligations of the Collateral Trustee to pay the First-Out Obligations), to apply any and all payments or proceeds remitted to the DIP Agent on behalf of the DIP Secured Parties or the Collateral Trustee on behalf of the

Prepetition Secured Parties, pursuant to the provisions of this Final Order, or the DIP Documents (i) to the repayment of any portion of the obligations under the DIP Facility to or from any portion of the DIP Collateral securing such obligations and/or the DIP Superpriority Claims, and (ii) solely to the extent of any Adequate Protection Claims, to or from any portion of the 507(b) Claims and/or Adequate Protection Liens.

18. *Use of Cash Collateral*. The Loan Parties are hereby authorized, subject to the terms and conditions of this Final Order, to use Cash Collateral, *provided* that (i) the Prepetition Secured Parties are granted the Adequate Protection and (ii) except on the terms and conditions of this Final Order, the Loan Parties shall be enjoined and prohibited from at any times using the Cash Collateral absent further order of the Court. Unless otherwise ordered by the Court, the Loan Parties' right to use the Cash Collateral pursuant to this Final Order shall terminate without further notice or court proceeding at the end of the Notice Period (as may be extended pursuant to paragraph 12 of this Final Order) following the occurrence of a Termination Event. The Court hereby authorizes the use of Cash Collateral solely and exclusively for the disbursements set forth in the DIP Budget attached hereto as **Exhibit 2** and each subsequent Approved Budget (each as defined in the DIP Credit Agreement), including but not limited to, the use of Cash Collateral to effect a Discharge of First-Out Obligations as provided in this Final Order. The Loan Parties shall adhere to the DIP Budget and each Approved Budget, as applicable, in effect at such time pursuant to the terms of the DIP Credit Agreement, with respect to operating disbursements (excluding fees and expenses paid or payable to Professional Persons and fees and expenses paid or payable pursuant to paragraphs 6(iii), 7 and 19(e) hereof) subject to the Permitted Variances (as defined in the DIP Credit Agreement). The DIP Agent may (at the direction of the Required Lenders) agree in writing to the use of Cash Collateral in a manner or amount which does not conform to the DIP

Budget or any Approved Budget, and if such written agreement is provided by the DIP Agent, the Loan Parties shall be authorized pursuant to this Final Order to use Cash Collateral for such non-conforming use without further Court approval, and the DIP Lenders and Prepetition Secured Parties shall be entitled to all of the protections in this Final Order for use of such Cash Collateral.

19. *Adequate Protection of Prepetition Secured Parties*. Subject to the Carve-Out, the Prepetition Secured Parties are granted, pursuant to sections 361, 362, 363(e), 364(d)(1), and 507 of the Bankruptcy Code, adequate protection of their interests in all Prepetition Collateral, including the Cash Collateral, solely to the extent of the decrease, if any, in the value of the Prepetition Secured Parties' interests (within the meaning of section 361 of the Bankruptcy Code) in the Prepetition Collateral, including the Cash Collateral, from and after the Petition Date, for any reason provided for under the Bankruptcy Code, such as any decrease resulting from the sale, lease or use by the Loan Parties of the Prepetition Collateral and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code (any such decrease, the "**Adequate Protection Claims**"). In consideration of the foregoing, the Prepetition Secured Parties are hereby granted, in each case effective as of the date of the Interim Order, the following (collectively, the "**Adequate Protection**"):

(a) Prepetition Secured Parties' Adequate Protection Liens. To secure any Adequate Protection Claims, the Collateral Trustee, for the benefit of the Prepetition Secured Parties, is hereby granted (effective and perfected upon the date of the Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements), valid, perfected replacement security interests in and liens upon all of the DIP Collateral including, without limitation, Unencumbered Property, in each case subject and subordinate only to the DIP Liens, the

Carve-Out, the First-Out Obligations and liens and security interests securing same, and the Permitted Liens that were valid, perfected, enforceable, unavoidable, and senior to the Prepetition Liens as of the Petition Date and valid and non-avoidable liens in existence at the time of the Petition Date that are perfected subsequent thereto as permitted by Section 546(b) of the Bankruptcy Code (the "**Adequate Protection Liens**").

(b) Prepetition Secured Parties' 507(b) Claims. The Prepetition Secured Parties are hereby granted, effective as of the date of the Interim Order, subject to the Carve-Out, allowed superpriority administrative expense claims as provided for in section 507(b) of the Bankruptcy Code for and to the extent of any Adequate Protection Claims with, except as set forth in this Final Order, priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (the "**507(b) Claims**"), which 507(b) Claims shall have recourse to and be payable from all of the DIP Collateral, excluding Avoidance Actions and the proceeds thereof. The 507(b) Claims shall be subject and subordinate only to the First-Out Obligations, Carve-Out and the DIP Superpriority Claims.

(c) Interest. The Trustee under the Secured Notes Indenture, for the benefit of the Secured Noteholders, shall receive from the Debtors cash payment equal to the amount of all accrued and unpaid interest on the Secured Notes at the non-default rate provided for in the Secured Notes Indenture on each Interest Payment Date (as defined in the Secured Notes Indenture) or as soon as practicable thereafter if the applicable Interest Payment Date has passed, subject to the right of the Debtors or any other party in interest, through appropriate proceedings in these Cases, to seek to recharacterize such interest pursuant to 11 U.S.C. § 502(b) as payment of principal or seek other appropriate relief, including disgorgement. For

purposes of clarification, the accrued and unpaid interest as of the Petition Date with respect to Secured Notes to be converted into Roll-Up Loans will not be rolled into such Roll-Up Loans but shall be paid to the holders of such Secured Notes pursuant to this paragraph.

(d) First-Out Hedging Obligations. Without limiting the rights of the Hedging Counterparties, subject to the terms and conditions set forth in this Final Order, the Debtors are hereby permitted to use Cash Collateral and the proceeds of the DIP Financing to continue performing their obligations to the applicable Hedging Counterparties with respect to the First-Out Hedging Obligations in the ordinary course of business, including the authority, but not the direction, to repay any unwound First-Out Hedging Obligations; *provided* that the Hedging Counterparties rights to: (i) to liquidate, terminate, or accelerate any underlying swap agreements between such Hedging Counterparties and the Debtors; and (ii) to take such action as necessary to effect the liquidation, termination, or acceleration of such swap agreements in the ordinary course of business, shall be subject to and governed by Sections 555-557 and 559-562 of the Bankruptcy Code, as applicable.

(e) Fees and Expenses. The Debtors shall pay in full, in cash and in immediately available funds all reasonable and documented accrued and unpaid fees and expenses of: (i) Morrison & Foerster, LLP, as counsel to the ad hoc group of Secured Noteholders ("**Secured Ad Hoc Group**"), (ii) Foley & Lardner, LLP, as local counsel to the Secured Ad Hoc Group, (iii) Evercore Group LLC., as financial advisor to the Secured Ad Hoc Group, (iv) Opportune LLP, as G&A advisor to the Secured Ad Hoc Group, (v) the Notes Trustee, including Arnold & Porter Kaye Scholer LLP, as primary counsel to the Notes Trustee and Cole Schotz, P.C., as local counsel to the Notes Trustee, (vi) Thompson & Knight, LLP as counsel to Royal Bank of Canada, in its capacities under the Collateral Trust Agreement, and

as Collateral Agent, Administrative Agent, and Lender under the Prepetition Credit Agreement, and (vii) any designated successor Collateral Trustee under the Collateral Trust Agreement, including one primary and one local counsel without the need to file retention motions or fee applications.[4] The applicable professional shall serve copies of the invoices supporting such fees and expenses on counsel to the Debtors, the U.S. Trustee and Milbank LLP as counsel to the Creditors' Committee, and any such fees and expenses shall be subject to prior ten (10) day review by the Debtors, the U.S. Trustee and the Creditors' Committee, and in the event the Debtors, the U.S. Trustee or the Creditors' Committee shall file with this Court an objection to any such invoice, the portion of such invoice subject to such objection shall not be paid until resolution of such objection by this Court. If no objection is filed within such ten (10) day review period, such invoice shall be paid without further order of the Court and shall not be subject to any further review, challenge or disgorgement. The Debtors shall also pay the annual and other administrative fees of the Collateral Trustee and the Notes Trustee, including any successors thereto.

20. *Reservation of Rights of Prepetition Secured Parties*. Under the circumstances and given that the Adequate Protection is consistent with the Bankruptcy Code, including section 506(b) thereof, the Court finds that the Adequate Protection and other rights provided under this Final Order are reasonable and sufficient to protect the interests of the Prepetition Secured Parties and any other parties holding interests that are secured by Prepetition Liens;

[4] Subject to the receipt of invoices and expiration of the review period as set forth in paragraph 19(e), the Debtors shall also pay in full, in cash all reasonable and documented accrued and unpaid fees and expenses of Carl Marks Advisory Group, LLC ("**Carl Marks**"), as financial advisor to Royal Bank of Canada, for all services performed prior to the date of the entry of this Final Order. To the extent Royal Bank of Canada incurs fees and expenses to Carl Marks following the date of the entry of this Final Order, Carl Marks shall not be entitled to payment of such fees and expenses pursuant to paragraph 19(e), but Royal Bank of Canada shall maintain all rights relating to payment of such fees as First-Out Obligations.

provided that any of the Prepetition Secured Parties, upon a change in circumstances, may request further or different adequate protection. In addition, the Trustees and counsel for the Secured Ad Hoc Group will be entitled to copies of the reporting information provided to the DIP Agent or DIP Lenders under sections 5.01, 5.19-5.22 of the DIP Credit Agreement as and when it is delivered in accordance with the DIP Agreement. In the event that the Debtors are no longer bound by the reporting requirements set forth in the DIP Credit Agreement in accordance with the terms thereof, the Debtors will instead provide the Secured Notes Parties with the reports set forth in section 4.03(a)(iii) of the Secured Notes Indenture in accordance with the terms thereof.

21. *Perfection of DIP Liens and Adequate Protection Liens*.

(a) The DIP Agent and the Collateral Trustee are hereby authorized, but not required, to file or record (and to execute in the name of the Loan Parties, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over cash or securities, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Agent, for the benefit of the DIP Secured Parties, or the Collateral Trustee, for the benefit of the Prepetition Secured Parties shall, in their sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over any cash or securities, or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute or subordination, at the time and on the date of entry of the Interim Order. Upon the reasonable request of the DIP Agent,

each of the Prepetition Secured Parties and the Loan Parties, without any further consent of any party, is authorized to take, execute, deliver, and file such instruments (in each case, without representation or warranty of any kind) to enable the DIP Agent to further validate, perfect, preserve, and enforce the DIP Liens, and such parties shall provide reasonable cooperation to the DIP Agent with respect to such matters. All such documents will be deemed to have been recorded and filed as of the Petition Date.

(b) A certified copy of this Final Order may, in the discretion of the DIP Agent or the Collateral Trustee, as the case may be, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized and directed to accept such certified copy of this Final Order for filing and/or recording, as applicable. The automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to permit the DIP Agent or the Collateral Trustee, as the case may be, to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

22. *Preservation of Rights Granted Under This Final Order*.

(a) Other than the Carve-Out and other claims and liens expressly granted or permitted by this Final Order (including, for the avoidance of doubt, Permitted Liens that were valid, perfected, enforceable, unavoidable, and senior to the Prepetition Liens as of the Petition Date, and valid and non-avoidable liens in existence at the time of the Petition Date that are perfected subsequent thereto as permitted by Section 546(b) of the Bankruptcy Code, and the First-Out Obligations and the valid, perfected, liens and security interests securing same), no claim or lien having a priority superior to or *pari passu* with those granted by this Final Order to the DIP Agent and the DIP Lenders or the Prepetition Secured Parties shall be permitted

while any of the DIP Obligations or the Adequate Protection Claims remain outstanding, and, except with respect to Permitted Liens that were valid, perfected, enforceable, unavoidable, and senior to the Prepetition Liens as of the Petition Date, and valid and non-avoidable liens in existence at the time of the Petition Date that are perfected subsequent thereto as permitted by Section 546(b) of the Bankruptcy Code, or as otherwise expressly provided herein, the DIP Liens and the Adequate Protection Liens shall not be: (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Loan Parties' estates under section 551 of the Bankruptcy Code; (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise; (iii) subordinated to or made *pari passu* with any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the Loan Parties; or (iv) subject or junior to any intercompany liens or security interests of the Loan Parties against other Loan Parties.

(b) Unless waived in writing by the Required Lenders or the DIP Agent (at the direction of the Required Lenders), the occurrence of any "Event of Default" under the DIP Credit Agreement shall constitute a termination event under this Final Order (each, a "**Termination Event**").

(c) Notwithstanding any order that may be entered dismissing any of the Cases under section 1112 of the Bankruptcy Code or otherwise: (i) the DIP Superpriority Claims, the 507(b) Claims, the DIP Liens, and the Adequate Protection Liens shall continue in full force and effect and shall maintain their priorities as provided in this Final Order until all DIP Obligations and Adequate Protection Claims shall have been indefeasibly paid in full in cash

(and such DIP Superpriority Claims, 507(b) Claims, DIP Liens and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest); (ii) the other rights granted by this Final Order shall not be affected; and (iii) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens, and security interests referred to in this paragraph and otherwise in this Final Order.

(d) If any or all of the provisions of this Final Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacation or stay shall not affect: (i) the validity, priority or enforceability of any DIP Obligations or Adequate Protection incurred prior to the actual receipt of written notice by the DIP Agent or the Trustees, as applicable, of the effective date of such reversal, modification, vacation or stay; or (ii) the validity, priority or enforceability of the DIP Liens or the Adequate Protection Liens. Notwithstanding any such reversal, modification, vacation or stay of any use of Cash Collateral, any DIP Obligations, DIP Liens, Adequate Protection or Adequate Protection Liens incurred by the Loan Parties to the DIP Agent, the DIP Lenders or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agent or the Trustees, as applicable, of the effective date of such reversal, modification, vacation or stay shall be governed in all respects by the original provisions of this Final Order, and the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges, and benefits granted in section 364(e) of the Bankruptcy Code, the Interim Order, this Final Order, and the DIP Documents with respect to all uses of Cash Collateral, the DIP Obligations, and the Adequate Protection.

(e) Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, and the Adequate

Protection and all other rights and remedies of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties granted by the provisions of the Interim Order, this Final Order, and the DIP Documents shall survive, and shall not be modified, impaired or discharged by: (i) the entry of an order converting any of the Cases to a case under chapter 7, dismissing any of the Cases, terminating the joint administration of the Cases or by any other act or omission; (ii) the entry of an order approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents); or (iii) the entry of an order confirming a chapter 11 plan in any of the Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Loan Parties have waived any discharge as to any remaining DIP Obligations or Adequate Protection. The terms and provisions of the Interim Order, this Final Order, and the DIP Documents shall continue in the Cases, in any successor cases if the Cases cease to be jointly administered and in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, and the Adequate Protection and all other rights and remedies of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties granted by the provisions of the Interim Order, this Final Order, and the DIP Documents shall continue in full force and effect until the DIP Obligations and Adequate Protection Claims, as applicable, are indefeasibly paid in full in cash, as set forth herein and in the DIP Documents, and the DIP Commitments have been terminated.

23. *Challenge Period*.

(a) To the extent the Debtors, the official committee of unsecured creditors appointed in these Cases (the "**Creditors' Committee**") or any other party in interest, in each case, with requisite standing (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so) (i) objects to or challenges the amount,

validity, perfection, enforceability, priority, allowance or extent of the Credit Agreement Obligations, the Secured Notes Obligations (including the Roll-Up DIP Obligations) or the Prepetition Liens or (ii) otherwise seeks to assert or prosecute any action for preferences, fraudulent transfers, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the "**Challenges**") against the Prepetition Secured Parties or their respective subsidiaries and each of their former, current or future officers, partners, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals and the respective successors and assigns thereof, in each case in their respective capacity as such (each a "**Representative**" and, collectively, the "**Representatives**") in connection with matters related to the Credit Agreement Obligations, the Prepetition Credit Agreement, the Secured Notes Indenture, the Note Documents, the First-Out Documents, the Secured Notes Obligations, the Prepetition Liens, and/or the Prepetition Collateral, such Challenge must be commenced by a timely filed adversary proceeding or contested matter by (x) for the Creditors' Committee, the ad hoc group of unsecured noteholders represented by Quinn Emanuel Urquhart & Sullivan, LLP (the "**Unsecured Ad Hoc Group**"), and the respective indenture trustees under the 7.75% Senior Notes Indenture and the 6.125% Senior Notes Indenture (each as defined in the First Day Declaration), no later than thirty (30) days after entry of this Final Order, (y) for the Debtors, no later than (30) calendar days after entry of this Final Order, and (z) for all other parties in interest, no later than seventy-five (75) days after entry of the Interim Order (the "**Challenge Period**") (subject to the limitations contained herein, including, *inter alia*, in this paragraph 23); *provided*, *however*, that any pleadings filed in connection with any Challenge shall set forth with specificity the basis for such challenge

or claim and any challenges or claims not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released, and barred; *provided, further*, that if prior to the termination of the Challenge Period, a party in interest files a motion seeking standing to pursue a Challenge that attaches a complaint that specifies the allegations of the Challenge, then the Challenge Period for such party shall be extended until the date that is two (2) business days after the Court rules on such request. For the avoidance of doubt, any payments made pursuant to this Final Order relating to the Discharge of First-Out Obligations shall not be subject to Challenges.

(b) To the extent no such Challenge is timely and properly filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such proceeding in a final non-appealable order, then, automatically and irrevocably, to the extent not subject to such Challenge:

(i) the obligations of the Loan Parties under the Prepetition Credit Agreement, the Collateral Trust Agreement, the Secured Notes Indenture, Note Documents, and the First-Out Documents, including the Credit Agreement Obligations and the Secured Notes Obligations (including but not limited to the Secured Notes issued in the aggregate principal amount outstanding as of the Petition Date of $500,000,000), in each case as in effect immediately prior to the Petition Date, shall constitute and be deemed legal, valid, and binding obligations of, and allowed claims against, the Borrower and the Prepetition Debtor Guarantors not subject to defense, claim, counterclaim, recharacterization, subordination, offset or avoidance, for all purposes, including but not limited to in the Cases and any subsequent chapter 7 case(s);

(ii) the Credit Agreement Obligations and the Secured Notes Obligations, as applicable, or any payments made, applied to, or paid on account of the obligations owing under the Prepetition Credit Agreement, Collateral Trust Agreement, or the Secured Notes Indenture, as applicable, prior to the Petition Date will not be subject to any contest, attack, rejection, recovery, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code or applicable non-bankruptcy law;

(iii) the Prepetition Liens on the Prepetition Collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding, enforceable, and perfected security interests and liens, not subject to avoidance, recharacterization, subordination, recovery, attack, effect, counterclaim, defense or claim under the Bankruptcy Code or applicable non-bankruptcy law;

(iv) the Credit Agreement Obligations, the Secured Notes Obligations and the Prepetition Liens on the Prepetition Collateral shall not be subject to any other or further claim or challenge by any statutory or non-statutory committee appointed or formed in the Cases or any other party in interest acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors), and any defenses, claims, causes of action, counterclaims, and offsets by any statutory or non-statutory committee appointed or formed in the Cases, or any other party acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors), whether arising under the Bankruptcy Code or otherwise,

against any of the Credit Agreement Parties, Prepetition Secured Parties, the Secured Notes Parties and their Representatives arising out of or relating to the Prepetition Credit Agreement, the First-Out Documents, Collateral Trust Agreement, the Note Documents, and the Secured Notes Indenture, as applicable, shall be deemed forever waived, released, and barred;

(v) by virtue of any of the actions taken with respect to, in connection with, related to or arising from the Prepetition Credit Agreement, First-Out Documents, Collateral Trust Agreement, the Note Documents, or the Secured Notes Indenture, none of the Credit Agreement Parties, Prepetition Secured Parties, or the Secured Notes Parties shall be deemed to be in control of the Debtors or their properties or operations, have authority to determine the manner in which any Debtor's operations are conducted, or are control persons or insiders of the Debtors; and

(vi) the Debtors, for themselves and on behalf of their respective estates, will be deemed to absolutely and unconditionally release and forever discharge and acquit the Credit Agreement Parties, the Prepetition Secured Parties, the Secured Note Parties and their respective Representatives (collectively, the "**Released Parties**") from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened (collectively, the "**Released Claims**") including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description that exist on the date hereof relating to the Prepetition

Credit Agreement, the First-Out Documents, Collateral Trust Agreement, the Note Documents, or the Secured Notes Indenture, or the transactions contemplated thereunder, the negotiation thereof and of the deal reflected thereby, and the obligations and financial obligations made thereunder, in each case that the Debtors at any time had, now have or may have, or that their successors or assigns hereafter can or may have against any of the Released Parties for or by reason of any act, omission, matter, cause or thing whatsoever arising at any time on or prior to the date of the Interim Order, whether such Released Claims are matured or unmatured or known or unknown.

(c) For the avoidance of doubt, the terms of this paragraph 23, including the Challenge Period, and any Challenges commenced pursuant to this paragraph 23, shall apply to the Roll-Up Loans and the Roll-Up DIP Obligations, in each case to the fullest extent that such loans and obligations were subject to Challenge as of the Petition Date as though the Roll-Up DIP Obligations had not been converted into Roll-Up Loans. If the amount of valid and unavoidable Secured Notes Obligations as of the Petition Date that were secured by valid, perfected and unavoidable liens in Prepetition Collateral as of the Petition Date is less than the amount of Roll-Up DIP Obligations, then the Roll-Up DIP Obligations converted into Roll-Up Loans shall be treated for purposes of allowance and distribution as if they had not been converted into Roll-Up Loans to the extent of such deficiency, and any interest, fees or other amounts paid with respect to such Roll-Up DIP Obligations or the corresponding Roll-Up Loans shall be recharacterized as principal payments on the Roll-Up DIP Obligations and subject to disgorgement.

(d) Nothing in this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including any statutory or non-statutory committee appointed or formed in

the Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Prepetition Credit Agreement, the First-Out Documents, the Collateral Trust Agreement, the Secured Notes Indenture, the Note Documents, the Credit Agreement Obligations, the First-Out Obligations, the Secured Notes Obligations or the Prepetition Liens. For purposes of clarification, nothing in this Final Order is intended to or shall be deemed to release, discharge, or waive any claims, causes of action, or defenses, under law or equity, that the Secured Noteholders, Prepetition Secured Parties, or DIP Lenders have or may have arising under or relating to the Prepetition Credit Agreement, the Collateral Trust Agreement, the First-Out Documents, the Note Documents, the Prepetition Collateral, or the Prepetition Liens. Moreover, the rights of the Prepetition Secured Parties, the Secured Noteholders, and the Collateral Trustee vis-à-vis each other, under the Collateral Trust Agreement and otherwise applicable law, are expressly reserved and unaffected by the terms of this Final Order

24. *Limitation on Use of DIP Financing Proceeds and Collateral*.

(a) Notwithstanding any other provision of this Final Order or any other order entered by the Court, subject to the immediately succeeding sentence in this paragraph, no DIP Loans, DIP Collateral, Prepetition Collateral or any portion of the Carve-Out may be used directly or indirectly by any Debtor, any official committee appointed in the Cases, or any trustee appointed in the Cases or any successor case, including any chapter 7 case, or any other person, party or entity (i) in connection with the investigation, initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation (A) against any of the DIP Agent, the DIP Lenders, the Credit Agreement Parties, the Prepetition Secured Parties, or the Secured Notes Parties, or their respective predecessors-in-interest, agents, affiliates,

representatives, attorneys, or advisors, or any action purporting to do the foregoing in respect of the Credit Agreement Obligations, First-Out Obligations, the Secured Notes Obligations, liens on the Prepetition Collateral, the DIP Obligations, the DIP Liens, the DIP Superpriority Claims and/or the Adequate Protection, the Adequate Protection Liens, and superpriority administrative claims granted to the Secured Notes Parties under this Final Order, as applicable, or (B) challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset with respect to, the Credit Agreement Obligations, the First-Out Obligations, the Secured Notes Obligations, the DIP Obligations, and/or the liens, claims, rights, or security interests granted under this Final Order, the Interim Order, the DIP Documents, the Prepetition Credit Agreement, the Collateral Trust Agreement, the First-Out Documents, or the Note Documents including, in each case, without limitation, for lender liability or pursuant to sections 105, 510, 544, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise; (ii) to prevent, hinder, or otherwise delay the Credit Agreement Parties', the Prepetition Secured Parties', the DIP Agent's or the DIP Lenders', as applicable, enforcement or realization on the Credit Agreement Obligations, the First-Out Obligations, the Secured Notes Obligations, the Prepetition Collateral, the DIP Obligations, the DIP Collateral, and the liens, claims and rights granted to such parties under this Final Order, each in accordance with the DIP Documents, the Prepetition Credit Agreement, the First-Out Obligations, the Collateral Trust Agreement, the Note Documents or this Final Order; (iii) to seek to modify any of the rights and remedies granted to the Credit Agreement Parties, the Prepetition Secured Parties, the DIP Agent or the DIP Lenders under this Final Order, the Interim Order, the Prepetition Credit Agreement, the First-Out Documents, the Collateral Trust Agreement, the Note Documents, or the DIP

Documents, as applicable, without the consent of the applicable party; or (iv) to apply to the Court for authority to approve superpriority claims (subject to the Carve-Out) or grant liens (other than Permitted Liens) or security interests in the DIP Collateral or any portion thereof that are senior to, or on parity with, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, and the 507(b) Claims, unless all DIP Obligations, First-Out Obligations, Adequate Protection, and claims granted to the DIP Agent, the DIP Lenders or the Prepetition Secured Parties under this Final Order have been refinanced or paid in full in cash (including the cash collateralization of any letters of credit) or otherwise agreed to in writing by the DIP Lenders. Without limiting the generality of the foregoing, (x) up to $250,000 in the aggregate of proceeds of any Cash Collateral or any proceeds of the DIP Facility, the DIP Collateral, or the Prepetition Collateral may be used to pay any allowed fees of the Creditors' Committee, if any, or their respective professionals, to the extent incurred in connection with investigating and, if appropriate, prosecuting the foregoing matters described in the clauses (i) and (ii) of this paragraph (the "**Investigation Budget**") and (y) there shall be no cap on the amount of proceeds of any Cash Collateral or any proceeds of the DIP Facility, the DIP Collateral, or the Prepetition Collateral that may be used to pay the Allowed Professional Fees of the Debtor Professionals in connection with the investigation only of the foregoing matters described in such clauses.

(b) For the avoidance of doubt, nothing herein shall modify or limit the rights of the Loan Parties set forth in second paragraph of Section 7.02 of the DIP Credit Agreement or limit their use of the Carve-Out in connection with such rights.

25. *Loss or Damage to Collateral*. Nothing in this Final Order, the DIP Documents, or any other documents related to the transactions set forth in this Final Order shall in any way be

construed or interpreted to impose or allow the imposition upon the DIP Agent, any DIP Lender or any of the Credit Agreement Parties or Prepetition Secured Parties of any liability for any claims arising from the pre-petition or postpetition activities of the Debtors in the operation of their business, or in connection with their restructuring efforts. So long as the DIP Agent and the DIP Lenders comply with their obligations under the DIP Documents and their obligations, if any, under applicable law (including the Bankruptcy Code), (a) the DIP Agent and the DIP Lenders shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person, and (b) all risk of loss, damage or destruction of the DIP Collateral shall be borne by the Loan Parties.

26. *Additional Reporting*. The Debtors shall use their commercially reasonable efforts to provide the Secured Ad Hoc Group, the Creditors' Committee, and the Unsecured Ad Hoc Group (defined below) (through their respective counsel or other advisors) information and reports as each of them may from time to time reasonably request, including but not limited to information regarding (a) each material contract and other agreements of any of the Debtors; (b) the rates, fees, expenses, and other costs under each material contract and other agreements of the Debtors; (c) the rates, fees, expenses, and other costs paid by any or on behalf of any of the Debtors with respect to all goods and services provided by SOG to or on behalf of each of the Debtors, Sanchez Midstream Partners LP, SN EF UnSub, LP, Gavilan Resources, LLC, or other persons or entities; and (d) the potential costs of assuming or rejecting any material executory contract and/or unexpired lease.

27. *Final Order Governs*. In the event of any inconsistency between the provisions of this Final Order and the DIP Documents or any other order entered by this Court, the provisions of this Final Order shall govern. Notwithstanding anything to the contrary in any other order entered by this Court, any payment made pursuant to any authorization contained in any other order entered by this Court shall be consistent with and subject to the requirements set forth in this Final Order and the DIP Documents, including, without limitation, the Approved Budget.

28. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in the Cases, including, without limitation, the DIP Agent, the DIP Lenders, the Credit Agreement Parties, the Secured Notes Parties, any statutory or non-statutory committees appointed or formed in the Cases, the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders, the Credit Agreement Parties, the Secured Notes Parties, and the Debtors and their respective successors and assigns, *provided* that the DIP Agent, the DIP Lenders, and the Credit Agreements Parties and the Prepetition Secured Parties shall have no obligation to permit the use of the Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

29. *Limitation of Liability*. In determining to make any loan or other extension of credit under the DIP Credit Agreement, permit the use of Cash Collateral or exercise any rights or remedies as and when permitted pursuant to the Interim Order, this Final Order, or the DIP

Documents, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall not (a) be deemed to be in "control" of the operations of the Debtors; (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates; and/or (c) be deemed to be acting as a "Responsible Person" or "Owner" or "Operator" with respect to the operation or management of the Debtors (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601, et seq., as amended, or any similar federal or state statute).

30. *Master Proof of Claim.* The Trustees shall not be required to file proofs of claim in the Cases or any successor case in order to assert claims on behalf of itself and the Secured Noteholders for payment of the Secured Notes Obligations arising under the Secure Notes Indenture. However, in order to facilitate the processing of claims, to ease the burden upon the Court, and to reduce an unnecessary expense to the Debtors' estates, the Trustees are authorized to file in the Debtors' lead chapter 11 case *Sanchez Energy Corporation*, Case No. 19-34508, a single, master proof of claim on behalf of the relevant Secured Notes Parties on account of any and all of their respective claims arising under the Secured Notes Indenture and hereunder (each, a "**Master Proof of Claim**") against each of the Debtors party to the Secured Notes Indenture. Upon the filing of a Master Proof of Claim against each such Debtor, the Secured Notes Parties, and each of their respective successors and assigns, shall be deemed to have filed a proof of claim in the amount set forth opposite its name therein in respect of its claims against each such Debtor of any type or nature whatsoever with respect to the Secured Notes Indenture, and the claim of each Secured Notes Party (and each of its respective successors and assigns) named in a Master Proof of Claim shall be treated as if such entity had filed a separate proof of claim in each of the Cases. The Master Proofs of Claim shall not be required to identify whether any Secured Notes

Party acquired its claim from another party and the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among such holders of the claims asserted therein resulting from the transfer of all or any portion of such claims. The provisions of this paragraph 30 and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Secured Notes Party (or its successors in interest) to vote separately on any chapter 11 plan proposed in the Cases. The Master Proofs of Claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Secured Notes Party, which instruments, agreements or other documents will be provided upon written request to counsel to the Trustees, respectively.

31. *Insurance*. To the extent that the Trustees are listed as loss payee under the Borrower's or Guarantors' insurance policies, the DIP Agent is also deemed to be the loss payee for the Secured Notes Parties under such insurance policies and shall act in that capacity and distribute any proceeds recovered or received in respect of any such insurance policies, first, to the payment in full of the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted), and second, to the payment of the portion of the Secured Notes Obligations owed to the Secured Notes Parties.

32. *Effectiveness*. This Final Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, or 9014 or any Local Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

33. *Headings*. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Final Order.

34. *Credit Bidding*. Subject to paragraphs 23 and 24 of this Final Order, as applicable, and the inclusion of a cash component sufficient to fund the Carve-Out and the payment of First-Out Obligations, (a) the DIP Agent shall have the right to credit bid, in accordance with the DIP Documents, up to the full amount of the DIP Obligations in any sale of the DIP Collateral, and (b) subject to the rights of the DIP Agent, the Secured Notes Parties and/or the Collateral Trustee shall have the right to credit bid up to the full amount of (i) the Secured Notes Obligations under the Secured Notes Indenture in any sale of the Prepetition Collateral and (ii) the Adequate Protection Claims, including the 507(b) Claims, in any sale of the DIP Collateral, in each case to the fullest extent provided in section 363(k) of the Bankruptcy Code, without the need for further Court order authorizing the same and whether any such sale is effectuated through section 363(b) or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise.

35. *Bankruptcy Rules*. The requirements of Bankruptcy Rules 4001, 6003, and 6004, in each case to the extent applicable, are satisfied by the contents of the Motion.

36. *Necessary Action*. The Debtors are authorized to take all such actions as are necessary or appropriate to implement the terms of this Final Order.

37. *Retention of Jurisdiction.* The Court shall retain jurisdiction to enforce the provisions of this Final Order, and this retention of jurisdiction shall survive the confirmation and consummation of any chapter 11 plan for any one or more of the Debtors notwithstanding the terms or provisions of any such chapter 11 plan or any order confirming any such chapter 11 plan.

38. *Reservation of Rights of Holders of Permitted and Other Liens*. Subject only to the Carve-Out, and the Discharge of First-Out Obligations, (i) nothing in this Final Order is intended to change or otherwise modify the prepetition priorities of creditors holding valid, perfected, enforceable, and unavoidable Permitted Liens as of the Petition Date, including (x) any operators or non-operators lien or recoupment rights to the extent their liens or rights are valid, enforceable, non-avoidable and perfected, and (y) without regard to the definition of "Permitted Liens," any claims of the Lienholders (as defined below) or any other mechanic or materialman or mineral state lien claimants to the extent their liens are valid, enforceable, non-avoidable and perfected as of the Petition Date or perfected subsequent thereto as permitted by Section 546(b) of the Bankruptcy Code, and (ii) nothing in this Final Order, including the granting of DIP Liens, DIP Superpriority Claims, adequate protection claims or adequate protection liens, shall be deemed to have changed or modified such prepetition priorities, all of which are hereby expressly preserved. Without limiting the foregoing, for purposes of this Final Order only, "Permitted Liens" shall include, without limitation, liens arising under Tex. Bus. & Com. Code § 9.343, the liens described in clauses (x) and (y) above and the valid, perfected, enforceable and unavoidable liens and security interests in any and all property of SN EF Maverick, LLC ("**SN Maverick**"), held by or otherwise granted to SN EF UnSub LP, as owner of working interests (the "**Maverick Working Interest Owner**") in and attributable to oil, gas, and other hydrocarbons produced from Maverick, Dimmit, Webb, and La Salle Counties, Texas (the "**Working Interest Hydrocarbons**"), including but not limited to all proceeds resulting from the resale of the Working Interest Hydrocarbons, and all accounts receivable on account of such Working Interest Hydrocarbons (the "**Maverick Working Interest Collateral**").

39. *Lienholders*.

(a) Notwithstanding anything in this Final Order to the contrary, to the extent that Archrock Partners Operating LLC, Archrock Services LP, the Maverick Working Interest Owner, and/or Tulsa Inspection Resources LLC (collectively, the "**Lienholders**" and individually, a "**Lienholder**") has a valid, perfected, enforceable and unavoidable prepetition lien or security interest on any tangible or intangible property of the Debtors as of the Petition Date including valid and non-avoidable liens in existence at the time of the Petition Date that are perfected subsequent thereto as permitted by Section 546(b) of the Bankruptcy Code (the "**Lienholder Collateral**"), such interest shall be entitled to adequate protection, solely to secure payment of an amount equal to the decrease, if any, in the value of such Lienholder's interests in such Lienholder Collateral, from and after the Petition Date, for any reason provided under the Bankruptcy Code, in each case as follows: (i) postpetition replacement liens against such Lienholder's Lienholder Collateral (and the proceeds thereof), and (ii) superpriority adequate protection claims (the "**Lienholder Adequate Protection Claims**") solely against the applicable Debtor that owns the assets upon which such Lienholder's prepetition lien attaches, subject in each case to (x) the Carve-Out, (y) the Discharge of First-Out Obligations, and (z) the relative priorities of all adequate protection liens and adequate protection claims among the Prepetition Secured Parties and each Lienholder shall be the same as the relative priorities among such parties that existed prior to the Petition Date. As additional adequate protection to any Lienholder that has a valid, enforceable, non-avoidable and perfected security interest or lien as of the Petition Date, including valid and non-avoidable liens in existence at the time of the Petition Date that are perfected subsequent thereto as permitted by Section 546(b) of the Bankruptcy Code, the Debtors shall pay in cash to such Lienholder the reasonable and documented professional fees, expenses and disbursements

solely to the extent such fees, expenses and disbursements are allowed by the Court under section 506(b) of the Bankruptcy Code. Notwithstanding anything in this Final Order to the contrary, each Lienholder reserves its rights to seek other adequate protection or relief in the future, and nothing in this Final Order shall preclude the exercise of such rights.

(b) Nothing contained herein or in the Interim Order shall (i) operate to expand, reduce, or alter any interests of the Debtors with respect to their Oil and Gas Properties (as defined in the DIP Credit Agreement), except with respect to the DIP Liens, or (ii) prime or otherwise alter any valid reversionary interests related to any of the Debtors' Oil and Gas Properties.

(c) Notwithstanding any other provisions included in the Interim Order or this Final Order, or any agreements approved thereby or hereby, any statutory liens on account of ad valorem property taxes (collectively, the "**Tax Liens**") of Atascosa County, Cameron County, City of Pleasanton, Cotulla Independent School District, Dewitt County, Dilley Independent School District, Duval County, Eagle Pass Independent School District, Freer Independent School District, Frio Hospital District, Goliad County, Goliad Independent School District, Gonzales County, Harris County, Hidalgo County, Jackson County, Jim Wells CAD, Kenedy County, La Salle County, Lasara Independent School District, Matagorda County, Pearsall Independent School District, Roma Independent School District, Smith County, Starr County, Willacy County, Zavala County, and other similarly situated taxing entities (the "**Texas Taxing Jurisdictions**"), shall not be primed by nor made subordinate to any liens granted to any party hereby to the extent such Tax Liens are valid, senior, perfected, and unavoidable, and all parties' rights to object to the priority, validity, amount and extent of the claims and liens asserted by the Texas Taxing Jurisdictions are fully preserved.

40. *Interim Order*. Except as specifically amended, supplemented, or otherwise modified hereby, all of the provisions of the Interim Order shall remain in effect and are hereby ratified by this Final Order. In the event of any inconsistency between the terms of this Final Order and the terms of the Interim Order, the terms of this Final Order shall govern.

41. *Successor CRO*. The Debtors shall, within 15 business days of any vacancy in the CRO position as a result of the termination of the retention of the CRO initially approved by the Bankruptcy Court, seek to appoint as successor CRO a person who is (i) reasonably acceptable to each of the Secured Ad Hoc Group, the Creditors' Committee, and the ad hoc group of unsecured noteholders represented by Quinn Emanuel Urquhart & Sullivan, LLP (the "**Unsecured Ad Hoc Group**" and, collectively with the Ad Hoc group and the Creditors' Committee, the "**Successor CRO Approval Parties**") and (ii) not related to Antonio R. Sanchez, Jr. (by consanguinity or affinity) and is not a current advisor, employee, officer, director, consultant, counsel, accountant, or other agent, in each case, of any Debtor or affiliate of any Debtor, *provided, however*, the Debtors may propose a current, third-party advisor or consultant as CRO with the consent of each of the Successor CRO Approval Parties.

ARTICLE I

DEFINITIONS

SECTION 1.01. Defined Terms. As used in this Agreement, the following terms shall have the meanings specified below:

"Acceptable Plan of Reorganization" means a plan of reorganization that provides for the (i) termination of the New Money Commitments and (ii) payment of all the Obligations (other than contingent indemnification obligations for which no claims have been made) indefeasibly in full in cash on or before the effective date of such plan.

"Acquisition" means any acquisition, or any series of related acquisitions, consummated on or after the date of this Agreement, by which any Credit Party or any of its Subsidiaries (a) acquires any business or all or substantially all of the assets of any Person, or business unit, line of business or division thereof, whether through purchase of assets, exchange, issuance of stock or other equity or debt securities, merger, reorganization, amalgamation, division or otherwise or (b) directly or indirectly acquires (in one (1) transaction or as the most recent transaction in a series of transactions) at least a majority (in number of votes) of the securities of a corporation which have ordinary voting power for the election of members of the board of directors or the equivalent governing body (other than securities having such power only by reason of the happening of a contingency) or a majority (by percentage or voting power) of the outstanding ownership interests of a partnership or limited liability company.

(d) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain the Register pursuant to Section 9.06(b)(iv), and a subaccount for each Lender, in which the Register and subaccounts (taken together) shall be recorded (i) the amount of the Loans made hereunder and the Interest Period(s) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(e) The entries made in the Register and accounts and subaccounts maintained pursuant to paragraphs (c) and (d) of this Section 2.04 shall, to the extent permitted by applicable law, be *prima facie* evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain such account, such Register or such subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) all Loans in accordance with the terms of this Agreement; provided further that in the event of any conflict between the accounts maintained by any Lender and those maintained by the Administrative Agent, the accounts maintained by the Administrative Agent shall control, absent manifest error.

(f) Any New Money Lender may request that New Money Loans made by it be evidenced by a Note. In such event, the Borrower shall prepare, execute and deliver to such New Money Lender a Note payable to such New Money Lender (or, if requested by such New Money Lender, to such New Money Lender and its registered assigns) and in the form attached hereto as Exhibit B.

SECTION 2.05. Mandatory Prepayments.

(a) Dispositions and Casualty Events.

(i) Subject to the Orders and Section 2.05(e), if the Borrower and its Restricted Subsidiaries have received cumulative Net Proceeds from one or more Dispositions under Section 6.07(d) or Casualty Events in an aggregate amount in excess of

$2,000,000, not later than the fifth (5th) Business Day following the date of receipt of any Net Proceeds in excess of such amount, an amount equal to 100% of the Net Proceeds then received in excess of such amount shall be applied as a mandatory prepayment of the New Money Loans in accordance with Section 2.05(a)(ii).

(ii) Each prepayment of the New Money Loans required by Section 2.05(a) shall be applied pro rata to all New Money Lenders, based upon the outstanding principal amounts owing to each such New Money Lender under all New Money Loans then outstanding.

(b) [Reserved]

(c) Limitations on Prepayments. Notwithstanding any other provisions of this Section 2.05, (i) no prepayment shall be required pursuant to this Section 2.05 to the extent that such prepayment would violate applicable Law, (ii) without duplication of the definition of "Net Proceeds," amounts actually applied toward prepayment of any Pre-Petition First-Priority Lien Obligations in respect of the Existing ABL Facility or Hedging Obligations that are secured on a senior basis to the Obligations shall on a dollar-for-dollar basis reduce the amount required to be applied toward prepayments of the Loans pursuant hereto and (iii) no prepayment shall be made from Net Proceeds from Casualty Events or Dispositions, in each case solely with respect to any pre-petition collateral, prior to the payment in full of the Existing ABL Facility and the discharge of all Hedging Obligations that are secured on a senior basis to the Obligations.

(d) Interest. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon.

(e) Notice. The Borrower shall give the Administrative Agent (for distribution to the Lenders) a written notice of any prepayment pursuant to this Section 2.05 at least one (1) Business Day prior to such prepayment. Each such notice shall be signed by an Authorized Officer of the Borrower and shall specify the date and amount of such prepayment.

SECTION 2.06. Optional Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, with all accrued interest thereon, without premium or penalty, upon prior written notice to the Administrative Agent (for distribution to the Lenders), not less than three (3) Business Days prior to the date of prepayment. Notwithstanding the foregoing, no voluntary prepayment of Roll-Up Loans may be made until all New Money Loans and all other Obligations in respect thereof have been paid in full in cash and all New Money Commitments have been terminated. Each such notice shall be irrevocable and shall be signed by an Authorized Officer of the Borrower and shall specify the date and amount of such prepayment. The Administrative Agent will promptly notify each applicable Lender of its receipt of each such notice, and of the amount of such Lender's pro rata share of such prepayment. Each prepayment of Loans under this Section 2.06 shall be applied pro rata to all Lenders, based upon the outstanding principal amounts owing to each such Lender under all Loans then outstanding.

SECTION 2.07. Interest.

(a) The New Money Loans shall bear interest at the Adjusted LIBO Rate plus the Applicable Margin.

(b) Commencing on the Final Order Entry Date, subject to the terms and conditions set forth herein and in the Orders, the Roll-Up Loans shall bear interest at the rate of 7.25% per annum.

(c) If all or a portion of (i) the principal amount of any New Money Loan or (ii) any other amount payable under the Loan Documents in respect of the New Money Loans (including, without limitation, accrued and unpaid interest) shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate *per annum* that is the Applicable Margin plus 2.00% from and including the date of such non-payment to but excluding the date on which such amount is paid (or satisfied) in full (after as well as before judgment).

(d) If all or a portion of (i) the principal amount of any Roll-Up Loan or (ii) any other amount payable under the Loan Documents in respect of the Roll-Up Loans (including, without limitation, accrued and unpaid interest) shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at the rate of 8.25% *per annum* from and including the date of such non-payment to but excluding the date on which such amount is paid (or satisfied) in full (after as well as before judgment).

(e) Interest on each Loan shall accrue from and including the date on which such Loan is made to but excluding the date of any repayment thereof and shall be payable (i) on each Interest Payment Date, and (ii) on any prepayment (on the amount prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(f) All computations of interest hereunder shall be calculated on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

SECTION 2.08. Inability to Determine Rates. If, on or prior to the first day of any Interest Period (an "Affected Interest Period"):

(a) the Administrative Agent determines (which determination shall be conclusive and binding on the Borrower) that, by reason of circumstances affecting the London interbank eurodollar market, the "LIBO Rate" cannot be determined pursuant to the definition thereof, or

(b) the Required Lenders notify the Administrative Agent in writing in the event they determine that for any reason that (A) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period, or (B) the LIBO Rate for any requested Interest Period does not adequately and fairly reflect the cost to such Lenders of funding such Loan,

the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the LIBO Rate shall be the same as for the immediately preceding Interest Period until such time as the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice.

SECTION 2.09. Increased Costs, Illegality, etc.

(a) In the event that:

(i) a Change in Law occurring at any time after the Interim Facility Effective Date shall (A) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any New Money Lender, (B) subject any New Money Lender to any Tax (other than (x) Indemnified Taxes or Other Taxes indemnifiable under Section 2.13 and (y) Excluded Taxes) on its loans, loan principal, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, or (C) impose on any New Money Lender any other condition, cost or expense affecting this Agreement, which, in the case of clause (A), (B) or (C), results in the cost to such New Money Lender of making or maintaining Loans increasing by an amount or the amounts received or receivable by such New Money Lender hereunder with respect to the foregoing shall be reduced;

then, and in any such event, such New Money Lender shall within a reasonable time thereafter give written notice to the Borrower and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other New Money Lenders). Thereafter, the Borrower shall pay to such New Money Lender, promptly (but no later than ten (10) days) after receipt of written demand therefor such additional amounts as shall be required to compensate such New Money Lender for such increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such New Money Lender submitted to the Borrower by such New Money Lender shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto).

(b) If, after the Interim Facility Effective Date, any Change in Law relating to capital adequacy of any New Money Lender or compliance by any New Money Lender or its parent with any Change in Law relating to capital adequacy occurring after the Interim Facility Effective Date, has or would have the effect of reducing the rate of return on such New Money Lender's or its parent's capital or assets as a consequence of such New Money Lender's commitments or obligations hereunder with respect to Loans to a level below that which such New Money Lender or its parent could have achieved but for such Change in Law (taking into consideration such New Money Lender's or its parent's policies with respect to capital adequacy), then from time to time, promptly (but in any event no later than ten (10) days) after written demand by such New Money Lender (with a copy to the Administrative Agent), the Borrower shall pay to such New Money Lender such additional amount or amounts as will compensate such New Money Lender or its parent for such reduction. Each New Money Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.09(b), will give prompt written notice thereof to the Borrower, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish the Borrower's obligations to pay additional amounts pursuant to this Section 2.09(b) upon receipt of such notice.

(c) No Roll-Up Lender shall have any rights under this Section 2.09 in respect of Roll-Up Loans.

SECTION 2.10. No Discharge. Each of the Credit Parties agrees that to the extent that its obligations under the Loan Documents have not been satisfied in full in cash, (i) its obligations under the Loan Documents shall not be discharged by any Reorganization Plan or any order confirming a Reorganization Plan (and each of the Credit Parties, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) as to the Obligations and (ii) the Superpriority Claim granted to the Agents and the Lenders pursuant to the Orders and the Liens granted to the Agents and the Lenders pursuant to the Orders shall not be affected in any manner by any Reorganization Plan or any order confirming a Reorganization Plan.

SECTION 2.11. Other Fees.

(a) The Borrower shall pay to the Administrative Agent and Collateral Agent for its own account fees in the amounts and at the times specified in the Agent Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the Administrative Agent and Collateral Agent).

(b) The Borrower shall pay to the Administrative Agent for the account of each New Money Lender, ratably in accordance with its Applicable Percentage, a commitment fee, which shall accrue at the Commitment Fee Rate on the average daily amount of such Lender's New Money Commitment (after giving effect to Section 2.01(e)) during the period from and including the Final Facility Effective Date to but excluding the Termination Date. Accrued commitment fees shall be payable in arrears on the last Business Day of each month and on the Termination Date, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) On the Interim Facility Effective Date, the Borrower shall pay to each Initial Lender a fully-earned and non-refundable one-time backstop fee (the "Backstop Fee") equal to the product of (i) 5.00% and (ii) each Initial Lender's respective New Money Commitment. Each Initial Lender shall fund its respective Interim New Money Loans net of its Backstop Fee. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Initial Lender).

(d) On the Termination Date, the Borrower shall pay to the Administrative Agent for the account of each New Money Lender that is not a Defaulting Lender, according to its Ratable Share, a nonrefundable exit fee in an amount equal to 1.00% of the aggregate amount of New Money Loans advanced by such New Money Lender (the "Exit Fee"). Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the Administrative Agent).

SECTION 2.12. Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, without set-off, counterclaim or deduction of any kind,

to the Administrative Agent for the ratable account of the Lenders entitled thereto not later than 12:00 p.m. on the date when due and shall be made in immediately available funds at the account of the Administrative Agent from time to time specified as the account for such purpose by written notice to the Borrower. All payments under each Loan Document (whether of principal, interest or otherwise) shall be made in U.S. Dollars. The Administrative Agent will thereafter cause to be promptly distributed like funds relating to the payment of principal or interest or fees ratably to the Lenders entitled thereto.

(b) Any payments under this Agreement that are made later than 12:00 p.m. may, in the Administrative Agent's sole discretion, be deemed to have been made on the next succeeding Business Day. Except as otherwise provided herein, whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

SECTION 2.13. Taxes.

(a) Defined Terms. For purposes of this Section, the term "Applicable Law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, any Other Taxes.

(d) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.06 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.
