I, CHRISTOPHER J. KEARNS, HEREBY DECLARE AS FOLLOWS:

1. I am a Managing Director and co-head of the Corporate Finance practice of Berkeley Research Group, LLC ("BRG"), a professional services firm with offices located at 810 Seventh Avenue, Suite 4100, New York, New York 10019. BRG is the financial advisor to the Official Committee of Unsecured Creditors of SpeedCast International Limited, *et al.* (the "Committee").

2. I submit this declaration in support of the objection (the "Objection") of the Committee to *Emergency Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral, (II)*

[1] A complete list of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' proposed claims and noticing agent at http://www.kccllc.net/speedcast. The Debtors' service address for the purposes of these chapter 11 cases is 4400 S. Sam Houston Parkway East, Houston, Texas 77048.

BACKGROUND AND EXPERIENCE

3. I am a Certified Public Accountant, a Certified Insolvency and Restructuring Advisor, a Certified Turnaround Professional, and a Certified Fraud Examiner. I have over 40 years of financial experience as an auditor, corporate officer and, for approximately the past 29 years, as an advisor or crisis manager in bankruptcy and turnaround matters.

4. Prior to joining BRG in June 2015, I was one of the founding members of Capstone Advisory Group, LLC ("Capstone"), a financial services consulting firm, founded in January 2004, which provided a vast array of services to businesses. The services provided by Capstone included consultation in business turnaround and restructuring situations, workouts and reorganization, bankruptcy matters, crisis management, transaction advisory and due diligence services, forensic accounting, valuation and dispute resolution services. Prior to co-founding Capstone, from 1991 to 2004, I was a senior managing director of FTI Consulting, Inc. ("FTI") (and predecessor firms) and the co-leader of FTI's New York office. My experience and client assignments during that period were substantially similar to the assignments I have performed at Capstone.

5. Prior to 1991, I was employed by Bristol-Myers Squibb Company for approximately three years (including serving as Assistant Corporate Controller), and a major international public accounting firm for ten years in the mergers and acquisitions group, and in the audit practice. I have served as a principal financial advisor in numerous complex

[2] Capitalized terms used but not defined herein have the meaning ascribed in the Objection.

bankruptcies and restructurings. I have also served as a testifying expert witness in matters concerning solvency, valuation, contract breach, lost profits and various financial/business issues in bankruptcy and restructuring.

6. Additionally, I have gained extensive knowledge and experience through my consultancy and work experience including in the areas of business turnaround and restructuring situations, out-of-court workouts, bankruptcy matters, crisis management, transaction advisory and due diligence services and dispute resolution.

7. My current billing rate for this matter is $1,095 per hour. I was assisted by others at BRG, who worked at my direction and under my supervision. My and BRG's compensation is not contingent upon the litigation outcome of this matter.

8. In support of the Objection, Hogan Lovells US LLP and Husch Blackwell LLP, proposed counsel to the Committee ("Counsel") has requested that I compare the Exit Fee component of the Proposed DIP Financing to DIP financings ("DIPs") in recent cases that I consider comparable.

THE DEBTORS' PROPOSED DIP FINANCING

9. The Proposed DIP Financing is $180 million, comprising $90 million in New Money Loans and $90 million in Roll-Up Loans. The Roll-Up Loans are exchanged for pre-petition loans on a cashless, dollar-for-dollar basis.

10. $35 million of the New Money Loans were funded after entry of the Interim Order on April 23, 2020 and the remaining $55 million will be available upon the entry of the Final Order. The same timing applies to the Roll-Up Loans. The maturity date of the DIP Facility is nine months from the Petition Date.

11. The Roll-Up Loans accrue interest at LIBOR plus 1.75% per annum whereas the New Money Loans accrue interest at LIBOR plus 8.0% or ABR plus 7.0% per annum. The default rate premium is 2%.

12. The Proposed DIP Financing includes (i) a commitment fee of 2.0% on New Money Loans, (ii) a delayed draw commitment fee of 0.5% on undrawn New Money Loans and (iii) the DIP agent fees, which were filed under seal. I have been provided a confidential copy the Fee Letter.

13. The Proposed DIP Financing also includes an Exit Fee of 5.0% applicable to both the New Money Loans and the Roll-Up Loans. Therefore, as a percentage of the New Money Loans only, the Exit Fee is 10%.

REVIEW OF COMPARABLE DIPs

14. BRG maintains a database of DIPs going back a number of years. I reviewed the database for cases which filed for bankruptcy during the period January 1, 2019 through the Petition Date (April 23, 2020), which included nearly 200 DIPs in total. For completeness, I also contacted other senior members of the BRG Corporate Finance group to identify any additional recent DIPs which include exit fees. In addition, I requested the list of comparable DIPs considered by the Debtors' Investment Banker, Moelis & Company, in reviewing and negotiating the Proposed DIP Financing.

15. For purposes of my analysis, I considered DIPs which included total financing of $50 million or more. This group is comprised of 61 DIPs, 13 of which also included an exit fee.[3] The 13 DIPs approved on a final basis during this period which included total financing of $50

[3] For the DIPs under $50 million, only one DIP included an exit fee in excess of 5% (an exit fee of 7% in the Astria Healthcare, *et al.* chapter 11 cases). However, the DIP was refinanced and the exit fee was not triggered.

million or more and an exit fee are as follows (see detailed schedule attached hereto as Exhibit I):

3/10/2020	RentPath Holdings, Inc.	District of Delaware	74.1	74.1	-	Various	Various
4/9/2020	Foresight Energy	Eastern District of Missouri	175.0	100.0	75.0	1.00%	1.00%
SpeedCast International Limited			**$ 180.0**	**$ 90.0**	**$ 90.0**	**5.00%**	**10.00%**

16. The total, DIP financing for these transactions ranged from $54.5 million to $440 million, and the amount of new money loans ranged from $14.9 million to $350 million.

17. The exit fees ranged from 1% to 3% of the loan amount subject to the exit fee for eleven of the cases (including the Foresight Energy, LLC, *et al.* chapter 11 cases where the exit fee was paid in equity of the restructured entity and the Joerns WoundCo Holdings, Inc., *et al.* chapter 11 cases where the exit fee was paid in new debt). The exit fee in the RentPath Holdings, Inc., *et al.* ("RentPath") chapter 11 cases was a ticking fee based on the timing of closing a sale process and ranged from 3.5% to 19.6%. The exit fee in the Barneys New York, Inc., *et al.* ("Barneys") chapter 11 cases was 8% (see discussion below).

18. For nine of the DIPs, the exit fee was applicable to the new money loans only. Four of the DIPs included an exit fee on both the new money loans and the roll-up loans.

19. The exit fee as a percentage of the new money loans only ranged from 1% to 4% for eleven of the DIPs considered.

20. The exit fee as a percentage of the new money loans in the Barneys cases was 40.3%, as the exit fee of 8% applied to both the new money loans and a portion of the roll-up

loans.[4] The ratio of the rolled-up loans subject to the exit fee to the new money loans was approximately 4 to 1. The next highest roll-up loans to new money loans ratio subject to an exit fee in my list of comparable DIPs was 2.6 to 1 for the EdgeMarc Energy Holdings, LLC, *et al.* chapter 11 cases, and even in those cases, the exit fee as a percentage of new money was only 2.5%. Therefore, I would consider the exit fee as a percentage of the new money loans subject to an exit fee in the Barneys case to be an outlier.

21. As mentioned above, the exit fee in the RentPath cases was a ticking fee based on the timing of closing a sale process, so I also would consider the RentPath cases to be an outlier.

22. I analyzed these transactions on a holistic basis and, therefore, considered coupon rates and other fees, including but not limited to commitment, structuring, and other fees. Consideration of these factors did not change my conclusion.

CONCLUSION

23. Notwithstanding the circumstances of these cases as discussed in the *Declaration of Michael Healy in Support of Debtors' Chapter 11 Petitions and First Day Relief* [ECF No. 16] as well as in the Objection, in my opinion the Exit Fee included in the Proposed DIP Financing is substantially above market and not reasonable under the circumstances.

[*Signature Page Follows*]

[4] The exit fee was applicable to the total Tranche A loans of $75 million. Tranche A included $14.9 million of new money loans and $60.1 million of rolled-up loans.

Pursuant to 28 U.S.C. § 1746, I certify under penalty of perjury that the foregoing is true and correct.

G. *Findings Regarding the DIP Financing and Use of Cash Collateral.*

(i) Good and sufficient cause has been shown for the entry of this Interim Order.

(ii) The Loan Parties have an immediate and critical need to obtain the DIP Financing and to continue to use the Prepetition Collateral (including "cash collateral" within the meaning of section 363(a) of the Bankruptcy Code ("**Cash Collateral**")), in each case on an interim basis, in order to permit, among other things, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to make payroll, to make capital expenditures, to administer these Chapter 11 Cases, to cash collateralize the Prepetition Letters of Credit (in the amount of 103% of the face amount of issued and outstanding Prepetition Letters of Credit), and to satisfy other working capital and operational needs. The access of the Loan Parties to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, incurrence of new indebtedness under the DIP Documents and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern values of the Loan Parties and to a successful reorganization of the Loan Parties.

(iii) The Loan Parties are unable to obtain financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Loan Parties are also unable to obtain secured

credit allowable under section 364(c)(1), 364(c)(2), or 364(c)(3) of the Bankruptcy Code without granting to the DIP Secured Parties the DIP Liens and the DIP Superpriority Claims and incurring the Adequate Protection Obligations, in each case subject to the Carve-Out and the terms and conditions set forth in this Interim Order and in the DIP Documents.

(iv) Based on the Motion, the Howe Declaration, the D'Souza Declaration, and the record presented to the Court at the Interim Hearing, the terms of the DIP Financing and the terms on which the Loan Parties may continue to use the Prepetition Collateral (including Cash Collateral) pursuant to this Interim Order and the DIP Documents are fair and reasonable, reflect the Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(v) Absent order of the court and the provision of adequate protection, consent of the Prepetition Secured Parties is required to the Loan Parties' use of Cash Collateral and the other Prepetition Collateral. The Prepetition Secured Parties have consented, are deemed, pursuant to that certain Intercreditor Agreement, dated as of August 4, 2014, by and among Southcross, the Prepetition Agents, and the other grantors party thereto (the "**Intercreditor Agreement**" and, together with the Prepetition Revolving Facility Documents and the Prepetition Term Facility Documents, the "**Prepetition Secured Debt Documents**"), to have consented or have not objected to the Loan Parties' use of Cash Collateral and the other Prepetition Collateral, and the Loan Parties' entry into the DIP Documents solely in accordance with and subject to the terms and conditions in this Interim Order and the DIP Documents.

(vi) The DIP Financing and the use of the Prepetition Collateral have been negotiated in good faith and at arm's length among the Loan Parties and the DIP Secured Parties, and all of the Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing and the DIP Documents, including, without limitation, all "Obligations" (as defined in the DIP Documents), in each case owing to the DIP Secured Parties or any of their respective banking affiliates (collectively, the "**DIP Obligations**"), shall be deemed to have been extended by the DIP Secured Parties and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed, or modified, on appeal or otherwise.

(vii) The Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the Loan Parties' continued use of the Prepetition Collateral (including Cash Collateral) to fund the administration of the Loan Parties' estates and continued operation of their businesses (including the incurrence and payment of the Adequate Protection Obligations and the granting of the Adequate Protection Liens), in accordance with the terms hereof, and the Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of sections 363(m) and 364(e), as may be applicable, of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(viii) The Prepetition Secured Parties are entitled to the adequate protection provided in this Interim Order as and to the extent set forth herein pursuant to sections 361, 362, 363, and 364 of the Bankruptcy Code. Based on the Motion and on the record presented to the Court, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral are fair and reasonable, reflect the Loan Parties' prudent exercise of business judgment, and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral; *provided* that nothing in this Interim Order or the other DIP Documents shall (a) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of Cash Collateral other than on the terms set forth in this Interim Order and in the context of the DIP Financing authorized by this Interim Order, (b) be construed as a consent by any party to the terms of any other financing or any other lien encumbering the Prepetition Collateral (whether senior or junior), or (c) prejudice, limit, or otherwise impair the rights of any of the Prepetition Secured Parties, subject to any applicable provisions of the Intercreditor Agreement, to seek new, different, or additional adequate protection for any diminution in value of their interests in the Prepetition Collateral from and after the Petition Date or assert the interests of any of the Prepetition Secured Parties and the rights of any other party in interest to object to such relief are hereby preserved.

(ix) Use of the DIP LC Loans, upon entry of the Interim Order, to cash collateralize all Letters of Credit (in the amount of 103% of the face amount) and use of the DIP Roll-Up Loans, upon entry of the Final Order and the funding of the Delayed Draw DIP Term Loans, to refinance and discharge the DIP Lenders' Prepetition Term Loans (in an amount equal to the DIP Term Loans and DIP LC Loans provided by such

DIP Lenders under the DIP Facility) reflects the Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties.

(x) The Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the Local Rules. Absent granting the relief set forth in this Interim Order, the Loan Parties' estates will be immediately and irreparably harmed. Consummation of the DIP Financing and the use of the Prepetition Collateral (including Cash Collateral) in accordance with this Interim Order and the DIP Documents are, therefore, in the best interests of the Loan Parties' estates and consistent with the Loan Parties' exercise of their fiduciary duties.

H. *Permitted Senior Liens; Continuation of Prepetition Liens.* Nothing herein shall constitute a finding or ruling by this Court that any alleged Permitted Senior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice the rights of any party-in-interest, including, but not limited to, the Debtors, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, or a Committee (if appointed), to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Senior Lien and/or security interests. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Senior Lien and is expressly subject to the DIP Liens. The Prepetition Liens, and the DIP Liens that prime the Prepetition Liens, are continuing liens and the DIP Collateral is and will continue to be encumbered by such liens in light of the integrated nature of the DIP Facilities, the DIP Documents, and the Prepetition Secured Debt Documents.

I. *Immediate Entry*. Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2).

IT IS HEREBY ORDERED THAT:

1. *Interim Financing Approved.* The interim relief requested in the Motion is granted and the use of Cash Collateral on an interim basis, the Interim Financing and the Prepetition L/C Refinancing are authorized and approved, in each case in accordance with the terms and conditions set forth in the DIP Documents, the Approved Budget (including any permitted variances) and this Interim Order. Any objections to the Motion with respect to the entry of this Interim Order that have not been withdrawn, waived or settled, and all reservations of rights included therein, are hereby denied and overruled on the merits.

2. *Authorization of the DIP Financing and the DIP Documents.*

(a) The Loan Parties are hereby authorized to execute, deliver, enter into and, as applicable, perform all of their obligations under the DIP Documents and such other and further acts as may be necessary, appropriate, or desirable in connection therewith, in each case in accordance with and subject to the terms of this Interim Order and the DIP Documents. The Borrower is hereby authorized to borrow money and obtain letters of credit pursuant to the DIP Credit Agreement, subject to any limitations on borrowing under the DIP Documents, which shall be used for all purposes permitted under the DIP Documents, including, without limitation, to pay certain costs, fees, and expenses related to the Chapter 11 Cases, to pay the Adequate Protection Payments, to cash collateralize the Prepetition Letters of Credit (in the amount of 103% of the face amount of issued and outstanding Prepetition Letters of Credit), and to fund working capital and for general corporate purposes of the Loan Parties during the Chapter 11 Cases, in each case, subject to the Approved Budget (including any permitted variances) and in accordance with this

Interim Order and the DIP Documents and the Guarantors are hereby authorized to guaranty the DIP Obligations.

(b) In furtherance of the foregoing and without further approval of the Court, each Debtor is authorized to perform all acts, to make, execute, and deliver all instruments, certificates, agreements, and documents (including, without limitation, the execution or recordation of security agreements, mortgages, and financing statements), and to pay all fees in connection with or that may be reasonably required, necessary, or desirable for the Loan Parties' performance of their obligations under or related to the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents, or other modifications to and under the DIP Documents, in each case, in such form as the Loan Parties, the DIP Agent and the requisite DIP Lenders and (if required under the DIP Documents) the DIP L/C Issuers may agree, it being understood that no further approval of the Court shall be required for any authorizations, amendments, waivers, consents, or other modifications to and under the DIP Documents (and any fees and other expenses, amounts, charges, costs, indemnities, and other obligations paid in connection therewith) that do not (A) shorten the maturity of the extensions of credit thereunder or increase the aggregate commitments or the rate of interest payable thereunder, (B) increase existing fees or add new fees thereunder (excluding, for the avoidance of doubt, any amendment, consent or waiver fee), or (C) shorten the

case milestones set forth in Section 8.23 of the DIP Credit Agreement. The foregoing shall be without prejudice to the Loan Parties' right to seek approval from the Court of any material modification or amendment on an expedited basis;

(iii) the non-refundable payment to the DIP Agent and/or the DIP Lenders, as the case may be, of all reasonable and documented fees (which fees shall be, and shall be deemed to have been, approved upon entry of this Interim Order and upon payment thereof, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action, or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of the indemnification obligations, in each case referred to in the DIP Documents (and in any separate letter agreements between any or all of the Loan Parties, on the one hand, and any of the DIP Secured Parties, on the other, in connection with the DIP Financing) and the costs and expenses as may be due from time to time, including, without limitation, reasonable and documented fees and expenses of the professionals retained by any of the DIP Agent and DIP Lenders, in each case, as provided for in the DIP Documents, whether or not such fees or expenses arose prior to or after the Petition Date without the need to file retention motions or fee applications or to provide notice to any party; and

(iv) the performance of all other acts necessary, appropriate, or desirable under or in connection with the DIP Documents.

3. *Prepetition Debt Refinancing*. Upon entry of this Interim Order, in accordance with paragraph 9 below, the Debtors are hereby authorized to use the proceeds of the DIP LC Loan to cash collateralize the Prepetition Letters of Credit (in the amount of 103% of the face amount of issued and outstanding Prepetition Letters of Credit) and the Prepetition Letters of Credit will be deemed to have been cancelled and reissued as DIP Letters of Credit in their full amounts and without modification of the terms of the Prepetition Letters of Credit other than their deemed issuance as DIP Letters of Credit under the DIP L/C Sub-Facility. Upon entry of the Final Order, the Debtors shall use the DIP Roll-Up Loans to refinance and discharge the DIP Lenders' Prepetition Term Loans (in an amount equal to the DIP Term Loans and DIP LC Loans provided and/or committed to under the DIP New Money Facility), in each case subject to the terms and conditions set forth in the DIP Documents and the reservation of rights of parties in interest in paragraph 19 below. Upon expiration of the Challenge Period without a successful Challenge having been brought with respect thereto, the DIP Roll-Up Loans issued under this paragraph 3 shall be deemed indefeasible and the Prepetition Secured Debt refinanced thereby shall be discharged. Notwithstanding anything to the contrary herein or in the Intercreditor Agreement (as may be amended and/or modified from time to time after the Petition Date), (x) the claims and liens in respect of the DIP Roll-Up Loans shall be subject and subordinate to the claims and liens in respect of the DIP LC Loans and the DIP Term Loans in all respects, and (y) the claims and liens in respect of the DIP Roll-Up Loans shall be *pari passu* with the Prepetition Revolving Debt in all respects such that distributions on the Prepetition Revolving Debt are pro rata with the sum of the DIP Roll-Up Loans and the Prepetition Term Loans; *provided* that any proceeds allocated on account of the DIP Roll-Up Loans and the Prepetition

Term Loans shall be applied first to the repayment of the DIP Roll-Up Loans before any Prepetition Term Loan.

4. *DIP Obligations*. Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute valid, binding and non-avoidable obligations of the Loan Parties, enforceable against each Loan Party thereto in accordance with the terms of the DIP Documents and this Interim Order as of the date of the entry of this Interim Order. No obligation, payment, transfer or grant of security to the DIP Secured Parties under the DIP Documents or this Interim Order shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under section 502(d), 544, 548, or 549 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, reduction, setoff, recoupment, claim, or counterclaim.

5. *Carve-Out*.

(a) As used in this Interim Order, the "**Carve-Out**" shall mean a carve-out from the DIP Superpriority Claims, the DIP Liens (other than DIP Liens in the Cash Collateral, held in the Cash Collateral Account, securing DIP Letters of Credit), the 507(b) Claims, and the Adequate Protection Liens, in an amount equal to the sum of (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the Carve-Out Trigger Notice); (ii) all reasonable fees and expenses incurred by a trustee under section 726(b) of the Bankruptcy Code, in an aggregate amount not to exceed $50,000 (without regard to the Carve-Out Trigger Notice); (iii) to the extent allowed by the Court at any time, whether by interim order, procedural order or

otherwise, all unpaid fees and expenses (the "**Professional Fees**") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code or by a Committee, if any, pursuant to section 328 and 1103 of the Bankruptcy Code (collectively, the "**Professional Persons**"), at any time on or before the first business day following the earlier of (a) delivery by the DIP Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)) of a Carve-Out Trigger Notice and (b) the Maturity Date (as defined in the DIP Credit Agreement) (such day, the "**Carve-Out Trigger Date**"), whether allowed by the Court prior to or after the Carve-Out Trigger Date; and (iv) Professional Fees incurred after the Carve-Out Trigger Date in an amount not to exceed $4,000,000 (the "**Post Trigger Date Carve-Out Amount**"); *provided* that any success, completion, or similar fees payable from the Post-Trigger Date Carve-Out Amount shall be subject and subordinate, and junior in right of payment, to all other Professional Fees payable from the Post-Trigger Date Carve-Out (collectively, the "**Carve-Out Amount**"), in each case subject to the limits imposed by the DIP Orders. For purposes of the foregoing, "**Carve-Out Trigger Notice**" shall mean a written notice delivered by email by the DIP Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)) to the Debtors' lead restructuring counsel, the U.S. Trustee, and counsel to any Committee, which notice may be delivered following the occurrence and during the continuation of an "Event of Default" under the DIP Documents (an "**Event of Default**"), stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(b) Prior to the occurrence of the Carve-Out Trigger Date, the Debtors are authorized (subject to the Approved Budget) to pay Professional Fees that are authorized

to be paid in accordance with the provisions of the Bankruptcy Code and any order entered by the Court establishing procedures for the payment of compensation to Professional Persons in these Chapter 11 Cases, as the same may be due and payable, and such payments shall not reduce the Carve-Out Amount. Any payment or reimbursement made after the Carve-Out Trigger Date on account of Professional Fees incurred after the Carve-Out Trigger Date shall permanently reduce the Carve-Out on a dollar-for-dollar basis, *provided* that the Carve-Out shall not include, apply to or be available for any fees or expenses incurred by any party in connection with the restricted uses thereof set forth in paragraph 20.

(c) Immediately upon the Carve-Out Trigger Date, and prior to the payment of any DIP Secured Party or Prepetition Secured Party on account of adequate protection, the Debtors shall fund a reserve in an amount equal to the Carve-Out Amount (the "**Carve-Out Reserve**") from all cash on hand (including Cash Collateral, but excluding all Cash Collateral in the Cash Collateral Account that secures the DIP Letters of Credit as of such date, and, including any available cash thereafter held by any Debtor (exclusive of any cash utilized to cash collateralize the Prepetition Letters of Credit in connection with the Prepetition L/C Refinancing)). The Carve-Out Reserve shall be held for the benefit of the Debtors in a segregated non-interest bearing account at the DIP Agent or another financial institution agreed to by the Borrower and the Required Lenders (as defined in the DIP Credit Agreement) in trust to pay the Professional Fees and other obligations benefiting from the Carve-Out and the Carve-Out Reserve shall be available only to satisfy such obligations benefiting from the Carve-Out until paid in full; *provided* that the DIP Agent shall follow the instructions of the Debtors with respect to

the disbursement of the Carve-Out Reserve consistent with the provisions of this Interim Order; *provided further* that the DIP Agent shall not be liable to any Professional Person or any other person or entity with respect to the Carve-Out Reserve held at the DIP Agent, and all actions (or inactions) by the DIP Agent related thereto shall be exculpated by all such parties, except in the event a court of competent jurisdiction determines that the DIP Agent breached its obligations under this Interim Order by not following an instruction of the Debtors that was consistent with the provisions of this Interim Order with respect to the Carve-Out Reserve; *provided further*, that, to the extent the Carve-Out Reserve has not been reduced to zero after the payment in full of such obligations, it shall be used to pay the DIP Agent for the benefit of the DIP Secured Parties until the DIP Obligations have been indefeasibly paid in full in cash and all DIP Commitments have been terminated. Notwithstanding anything to the contrary herein, the Prepetition Agents and the DIP Agent, each on behalf of itself and the relevant secured parties, (y) shall not sweep or foreclose on the Carve-Out Reserve and (z) shall have a security interest upon any residual interest in the Carve-Out Reserve, available following satisfaction in cash in full of all obligations benefitting from the Carve-Out, and the priority of such lien on the residual shall be consistent with this Interim Order. Further, notwithstanding anything to the contrary herein, (A) the failure of the Carve-Out Reserve to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out and (B) in no way shall the Carve-Out, the Post-Trigger Date Carve-Out Amount, the Carve-Out Reserve, or any of the foregoing be construed as a cap or limitation on the amount of the Professional Fees due and payable by the Debtors.

(d) Notwithstanding anything to the contrary herein or in the DIP Documents, the Carve-Out shall be senior to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens (other than the DIP Liens in the Cash Collateral in the Cash Collateral Account that secures the DIP Letters of Credit), the Adequate Protection Obligations, the 507(b) Claims, the Adequate Protection Liens, and all other liens and claims granted under this Interim Order, the DIP Documents, or otherwise securing or in respect of the DIP Obligations or the Adequate Protection Obligations.

6. *No Direct Obligation to Pay Allowed Professional Fees*. None of the Prepetition Secured Parties or DIP Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate the Prepetition Secured Parties or the DIP Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

7. *DIP Superpriority Claims.* Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the Loan Parties (without the need to file any proof of claim) with priority over any and all claims against the Loan Parties, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses or other claims arising under section 105, 326, 328, 330, 331, 365, 503(b), 507(a), 507(b), 726, 1113, or 1114 of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy, or attachment, which

allowed claims (the "**DIP Superpriority Claims**") shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and post-petition property of the Loan Parties and all proceeds thereof (excluding the Loan Parties' claims and causes of action under sections 502(d), 506(c), 544, 545, 547, 548, 549, 550, and 553 of the Bankruptcy Code and under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, and similar statutes or common law (collectively, the "**Avoidance Actions**"), but including, upon entry of the Final Order, any proceeds or property recovered, unencumbered or otherwise from Avoidance Actions, whether by judgment, settlement, or otherwise ("**Avoidance Proceeds**"), subject only to the liens on such property, the Carve-Out. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed, or modified, on appeal or otherwise. The DIP Superpriority Claims shall be *pari passu* in right of payment with one another and senior to the Adequate Protection Claims; *provided* that the DIP Superpriority Claims in respect of the DIP Roll-Up Loans shall be subject and subordinate to the DIP Superpriority Claims in respect of the DIP Term Loans and the DIP LC Loans.

8. *DIP Liens*. As security for the DIP Obligations, effective and perfected upon the date of the Petition Date and without the necessity of the execution, recordation or filing of mortgages, security agreements, control agreements, pledge agreements, financing statements, notations on certificates of title for titled goods or other similar documents, or the possession or control by the DIP Agent of, or over, any DIP Collateral, the following security interests and liens are hereby granted to the DIP Agent for its own benefit and the benefit of the DIP Lenders

(all property identified in clauses (a) through (c) below being collectively referred to as the "**DIP Collateral**", subject to the Carve-Out and in each case in accordance with the priorities set forth in the table below (all such liens and security interests granted to the DIP Agent, for its benefit and for the benefit of the DIP Lenders, pursuant to this Interim Order and the DIP Documents, the "**DIP Liens**"):

(a) First Lien on Unencumbered Property. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority senior security interest in and lien upon all tangible and intangible prepetition and post-petition property of the Loan Parties, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date, is not subject to a valid, perfected, and non-avoidable lien (collectively, "**Unencumbered Property**"), including, without limitation, any and all unencumbered cash of the Loan Parties (whether maintained with the DIP Agent or otherwise) and any investment of such cash, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, fixtures, machinery, equipment, general intangibles, documents, instruments, securities, chattel paper, interests in leaseholds, real properties, deposit accounts, patents, copyrights, trademarks, trade names, rights under license agreements and other intellectual property, letter-of-credit rights, investment property and support obligations, commercial tort claims, all books and records pertaining to the property described in this paragraph, all property of the Loan Parties held by any DIP Secured Party, all other goods (including but not limited to fixtures) and personal property of the Loan Parties, whether tangible or intangible and wherever located, Avoidance Proceeds (following entry of the Final Order), capital stock of subsidiaries,

wherever located, and, to the extent not covered by the foregoing, all other assets or property of the Debtors, whether tangible, intangible, real, personal or mixed, and the proceeds, products, rents, and profits of the foregoing, whether arising under section 552(b) of the Bankruptcy Code or otherwise, of all the foregoing, in each case other than the Excluded Property (as defined in the DIP Documents) and Avoidance Actions, but including any proceeds of Excluded Property that do not otherwise constitute Excluded Property.

(b) Liens Priming Prepetition Secured Parties' Liens. Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority priming security interest in and lien upon all Prepetition Collateral and DIP Collateral (wherever located and the proceeds, products, rents and profits thereof), subject and subordinate only to the Permitted Senior Liens, but senior in all respects to the Prepetition Liens and the Adequate Protection Liens (any such liens primed pursuant to this clause (b), the "**Primed Liens**"); *provided* that the DIP Liens in respect of the DIP Roll-Up Loans shall remain subject to the Intercreditor Agreement except that any proceeds allocated thereunder on account of the DIP Roll-Up Loans or the Prepetition Term Debt shall be applied first to the repayment in full of the DIP Roll-Up Loans before being applied to any Prepetition Term Debt.

(c) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected security interest in and lien upon all prepetition and post-petition property of the Loan Parties (wherever located, and the proceeds, products, rents, and profits thereof) immediately junior to (i) valid, perfected, and non-avoidable liens (other than Primed Liens) in

existence immediately prior to the Petition Date, (ii) valid non-avoidable liens (other than Primed Liens) that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code and (iii) the liens in favor of the DIP L/C Issuers in respect of the Cash Collateral Accounts, securing the Loan Parties' obligations under the DIP Letters of Credit (the liens described in the foregoing clause (i) through (iii), the "**Permitted Senior Liens**"); *provided* that nothing in this paragraph (c) shall limit the rights of the DIP Secured Parties under the DIP Documents to the extent the liens described in the foregoing clause (i) or (ii) are not permitted thereunder.

(d) Liens Senior to Certain Other Liens. The DIP Liens shall not be (i) subject or subordinate to (A) any lien or security interest that is avoided and preserved for the benefit of the Loan Parties and their estates under section 551 of the Bankruptcy Code, (B) unless otherwise provided for in the DIP Documents or in this Interim Order, any liens or security interests arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal, or other governmental unit (including any regulatory body), commission, board, or court for any liability of the Loan Parties, or (C) any intercompany or affiliate liens or security interests of the Loan Parties or (ii) subordinated to or made *pari passu* with any other lien or security interest under section 363 or 364 of the Bankruptcy Code granted after the date hereof.

(e) Relative Priority of DIP Liens. Notwithstanding anything to the contrary herein, the DIP Liens in respect of the DIP Roll-Up Loans shall be subject and subordinate to the DIP Liens in respect of the DIP Term Loans and the DIP LC Loans in all respects.

(f) For the avoidance of doubt, any DIP Liens on DIP Collateral relating to real property of the Debtors granted pursuant to this paragraph 8 shall include, for the ratable benefit of the related DIP Secured Parties, in each case to the extent constituting DIP Collateral, all of each Debtor's right, title and interest now or hereafter acquired in and to all land, together with the buildings, structure, parking areas, and other improvements thereon, now or hereafter owned by any Debtor, including all easements, rights-of-way, and similar rights relating thereto and all leases, tenancies, and occupancies thereof, and (a) all goods, accounts, inventory, general intangibles, instruments, documents, contract rights and chattel paper, (b) all reserves, escrows or impounds and all deposit accounts maintained by each Debtor with respect to such real estate, (c) all leases, licenses, concessions, occupancy agreements or other agreements (written or oral, now or at any time in effect) which grant to any person a possessory interest in, or the right to use, all or any part of such real estate, together with all related security and other deposits, (d) all of the rents, revenues, royalties, income proceeds, profits, accounts receivable, security and other types of deposits, and other benefits paid or payable by parties to the leases for using, leasing, licensing possessing, operating from, residing in, selling or otherwise enjoying such real estate, (e) all other agreements, such as construction contracts, architects' agreements, engineers' contracts, utility contracts, maintenance agreements, management agreements, service contracts, listing agreements, guaranties, warranties, permits, licenses, certificates and entitlements in any way relating to the construction, use, occupancy, operation, maintenance, enjoyment or ownership of such real estate, (f) all rights, privileges, tenements, hereditaments, rights-of-way, easements, appendages, and appurtenances appertaining to the foregoing, (g) all

property tax refunds payable with respect to such real estate, (h) all accessions, replacements and substitutions for any of the foregoing and all proceeds thereof, (i) all insurance policies, unearned premiums therefor and proceeds from such policies covering any of the above property now or hereafter acquired by each Debtor as an insured party, and (j) all awards, damages, remunerations, reimbursements, settlements or compensation heretofore made or hereafter to be made to any Debtor by any governmental authority pertaining to any condemnation or other taking (or any purchase in lieu thereof) of all or any such real estate.

9. *Establishment of Cash Collateral Accounts; Maintenance of Letters of Credit.*

(a) In order to cash collateralize the new letters of credit issued and the Prepetition Letters of Credit deemed issued (the "**DIP Letters of Credit**") under the DIP L/C Sub-Facility, in accordance with the DIP Documents and this Interim Order, the Loan Parties shall, and are hereby authorized to, deposit as a single installment in cash into one or more non-interest-bearing cash collateral accounts established with the DIP Agent (the "**Cash Collateral Accounts**") the proceeds of the DIP LC Loans, which shall cash collateralize the DIP Letters of Credit in the amount of 103% of the face amount of issued and outstanding DIP Letters of Credit. The amounts on deposit in the Cash Collateral Accounts shall be subject to (y) a first-priority security interest and lien in favor of the DIP Agent for the benefit of the DIP L/C Issuers, securing the obligations of the Loan Parties under the DIP Letters of Credit, and (z) subject to the Carve-Out, a second-priority security interest and lien in favor of the DIP Agent for the benefit of the DIP Secured Parties, securing the other DIP Obligations.

(b) The Loan Parties are authorized to renew DIP Letters of Credit issued under the DIP L/C Sub-Facility on an uninterrupted basis and to take all actions reasonably appropriate with respect thereto on an uninterrupted basis. Without limitation of the foregoing, upon entry of this Interim Order, the Prepetition Letters of Credit shall be deemed to have been cancelled and reissued as DIP Letters of Credit in their full amounts and without modification of the terms of the Prepetition Letters of Credit other than their deemed issuance as DIP Letters of Credit issued under the DIP L/C Sub-Facility. The DIP L/C Issuers shall be authorized to apply any Cash Collateral held against the amount of any draw on any DIP Letter of Credit, and reducing the DIP L/C Sub-Facility by such amount so applied, without notice of any kind or further order or action by the Court and the automatic stay provisions of section 362 of the Bankruptcy Code are hereby modified to the extent necessary to permit the DIP L/C Issuers to so apply any such Cash Collateral in the Cash Collateral Accounts. All issued and outstanding DIP Letters of Credit shall be cash collateralized at 103% of the face amount thereof and shall be deemed to be secured by Priority DIP Financing Liens (as defined in the Intercreditor Agreement) and the Cash Collateral advanced as DIP LC Loans under the DIP Facility. The DIP Letters of Credit shall remain cash collateralized as set forth herein at all times, and except as provided below with respect to Alternate Cash Collateral (as defined below), the Debtors shall have no right to use the Cash Collateral Accounts securing the DIP Letters of Credit, and such cash collateralization shall not be subject to any reduction by any chapter 11 plan, order of the Court, or otherwise; *provided* that, subject to the terms and conditions (including in section 9.03(j) of the DIP Credit Agreement) of the DIP Documents, the Borrower shall have the right to withdraw

proceeds on deposit in the Cash Collateral Accounts (which shall be accompanied by corresponding reduction in the DIP L/C Sub-Facility by such amount so withdrawn) in an amount up to the "Alternate Cash Collateral Amount" (as defined in the DIP Credit Agreement) to cash collateralize customer and/or supplier obligations (such cash collateral, the "**Alternate Cash Collateral**") in lieu of issuing Letters of Credit.

(c) To the extent there exists or comes to exist any cash of the Debtors' estates that is not Cash Collateral, wherever located and however held, such cash shall be deemed to have been used first by the Debtors' estates and such cash, to the extent applicable, shall be subject to the DIP Liens and DIP Superpriority Claims granted to the DIP Lenders hereunder.

10. *Protection of DIP Lenders' Rights.*

(a) So long as there are any DIP Obligations outstanding or the DIP Lenders have any outstanding Commitments (as defined in the DIP Documents) (the "**DIP Commitments**") under the DIP Documents, the Prepetition Secured Parties shall (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Secured Debt Documents or this Interim Order, or otherwise seek to exercise or enforce any rights or remedies against such DIP Collateral, including in connection with the Adequate Protection Liens, (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, such DIP Collateral (but not any proceeds of such transfer, disposition or sale to the extent remaining after payment in cash in full of the DIP Obligations and termination of the DIP Commitments), to the extent such transfer, disposition, sale or release is authorized under the DIP Documents, and (iii) not file any further financing statements, trademark filings,

copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in such DIP Collateral unless, solely as to this clause (iii), the DIP Agent or the DIP Lenders file financing statements or other documents to perfect the liens granted pursuant to this Interim Order, or as may be required by applicable state law to continue the perfection of valid and non-avoidable liens or security interests as of the Petition Date.

(b) To the extent any Prepetition Secured Party has possession of any Prepetition Collateral or DIP Collateral or has control with respect to any Prepetition Collateral or DIP Collateral that is subject to a DIP Lien, then such Prepetition Secured Party shall be deemed to maintain such possession or exercise such control as gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Secured Parties and shall comply with the instructions of the DIP Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)) with respect to the exercise of such control.

(c) Any proceeds of Prepetition Collateral subject to the Primed Liens received by any Prepetition Secured Parties, whether in connection with the exercise of any right or remedy (including setoff) relating to the Prepetition Collateral or otherwise received by either of the Prepetition Agents, shall be segregated and held in trust for the benefit of and forthwith paid over to the DIP Agent for the benefit of the DIP Secured Parties in the same form as received, with any necessary endorsements. Notwithstanding the foregoing, the rights of setoff and first priority security interests of the financial institutions providing cash management services (solely to the extent related to cash

management obligations and as governed by the cash management order entered in these Chapter 11 Cases) are preserved.

(d) The automatic stay provisions of section 362 of the Bankruptcy Code are hereby modified to the extent necessary to permit the DIP Secured Parties to enforce all of their rights under the DIP Documents and (i) immediately upon the occurrence of an Event of Default, to declare (A) the termination, reduction, or restriction of any further DIP Commitment to the extent any such DIP Commitment remains and (B) all applicable DIP Obligations to be immediately due and payable, without presentment, demand, protest, or other notice of any kind, all of which are expressly waived by the Loan Parties, and (ii) unless the Court orders otherwise during the Remedies Notice Period, upon the occurrence of an Event of Default and the giving by the DIP Agent of five business days' prior written notice (which shall run concurrently with any notice required to be provided under the DIP Documents) (the "**Remedies Notice Period**") delivered by email to the Debtors' lead restructuring counsel (with a copy to the Committee, if any, and the U.S. Trustee), (A) to withdraw consent to the Loan Parties' continued use of any Cash Collateral or (B) to exercise all other rights and remedies provided for in the DIP Documents and under applicable law; *provided* that, during the Remedies Notice Period, the Loan Parties shall be permitted to continue to use Cash Collateral in the ordinary course of business (subject to the Approved Budget and any permitted variance) and may request an expedited hearing before the Court to determine whether an Event of Default has occurred and is continuing and/or seek nonconsensual use of Cash Collateral. Subject to entry of the Final Order, in no event shall (y) the DIP Secured Parties or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any

similar doctrine with respect to the DIP Collateral or (z) the "equities of the case" exception in section 552(b) of the Bankruptcy Code apply with respect to the secured claims of the Prepetition Secured Parties or the Prepetition Liens.

(e) No rights, protections, or remedies of the DIP Secured Parties granted by the provisions of this Interim Order or the DIP Documents shall be limited, modified, or impaired in any way by (i) any actual or purported withdrawal of the consent of any party to the Loan Parties' authority to continue to use Cash Collateral, (ii) any actual or purported termination of the Loan Parties' authority to continue to use Cash Collateral, or (iii) the terms of any other order or stipulation related to the Loan Parties' continued use of Cash Collateral or the provision of adequate protection to any party.

11. *Limitation on Charging Expenses Against Collateral*. Subject only to and effective upon entry of the Final Order, except to the extent of the Carve-Out, no costs or expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral (including Cash Collateral) or the Prepetition Collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)) or the applicable Prepetition Agent (acting upon the express prior written direction of the Required Lenders (as defined in the Prepetition Revolving Credit Agreement or the Prepetition Term Loan Credit Agreement, as applicable)), as the case may be, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Secured Parties or the Prepetition Secured Parties, and nothing contained in this Interim Order shall be deemed to be a consent by the DIP

Secured Parties or the Prepetition Secured Parties to any charge, lien, assessment, or claim against the DIP Collateral under section 506(c) of the Bankruptcy Code or otherwise.

12. *Payments Free and Clear*. Subject to the Carve-Out, any and all payments or proceeds remitted to the DIP Agent on behalf of the DIP Secured Parties pursuant to the provisions of this Interim Order or the DIP Documents shall be received free and clear of any claim, charge, assessment, or other liability, including, without limitation, and subject to entry of the Final Order, any such claim or charge arising out of or based on, directly or indirectly, section 506(c) of the Bankruptcy Code (whether asserted or assessed by, through, or on behalf of the Debtors) or 552(b) of the Bankruptcy Code.

13. *Use of Cash Collateral*. The Debtors are hereby authorized, subject to the Approved Budget (including any permitted variances) and the terms and conditions of this Interim Order, to use all Cash Collateral.

14. *Adequate Protection of Prepetition Secured Parties*. The Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1), and 507 of the Bankruptcy Code, to adequate protection of their respective interests in the Prepetition Collateral, for and equal in amount to the aggregate diminution in the value of the Prepetition Secured Parties' prepetition security interests in the Prepetition Collateral from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, but not limited to, the Debtors' use, sale or lease of Cash Collateral and other Prepetition Collateral, the imposition of the automatic stay and/or the Carve-Out (the "**Adequate Protection Claims**"); *provided* that the avoidance of any Prepetition Secured Party's interests in Prepetition Collateral shall not constitute diminution in the value of such Prepetition Secured Party's interests in Prepetition

Collateral. In consideration of the foregoing, the Prepetition Secured Parties are hereby granted the following (collectively, the "**Adequate Protection Obligations**"):

(a) Adequate Protection Liens. Each of the Prepetition Revolving Agent (for itself and for the benefit of the Prepetition Revolving Lenders) and the Prepetition Term Agent (for itself and for the benefit of the Prepetition Term Lenders) is hereby granted (effective and perfected upon the Petition Date and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements, or other agreements), in the amount of its respective Adequate Protection Claim, a valid, perfected replacement security interest in and lien upon (the "**Adequate Protection Liens**") the DIP Collateral (including, without limitation, upon entry of the Final Order, the Avoidance Proceeds), which Adequate Protection Liens shall secure the respective Adequate Protection Claims, and in each case shall be (i) *pari passu* with each other Adequate Protection Lien granted hereunder, subject to the Intercreditor Agreement, and (ii) subject and subordinate only to the Carve-Out, the DIP Liens, and the Permitted Senior Liens; *provided* that the DIP Roll-Up Loans shall be pari passu with the Prepetition Revolving Debt in all respects such that distributions on the Prepetition Revolving Debt are pro rata with the sum of the DIP Roll-Up Loans and the Prepetition Term Loans; provided that any proceeds allocated on account of the DIP Roll-Up Loans and the Prepetition Term Loans (including in respect of the Adequate Protection Obligations) shall be applied first to the repayment of the DIP Roll-Up Loans before any Prepetition Term Loan.

(b) 507(b) Claims. Each of the Prepetition Agents (on behalf of the applicable Prepetition Secured Parties) are hereby granted an allowed superpriority

administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of their respective Adequate Protection Claims with, except as set forth in this Interim Order, priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (the "**507(b) Claims**"), which 507(b) Claims (subject to DIP Liens and DIP Superpriority Claims) shall have recourse to and be payable from all of the DIP Collateral (including, without limitation, subject to entry of the Final Order, the Avoidance Proceeds). The 507(b) Claims shall be (i) *pari passu* with each other 507(b) Claim granted hereunder, subject to the Intercreditor Agreement, and (ii) subject and subordinate only to the Carve-Out, the DIP Superpriority Claims, the DIP Liens, and the Permitted Senior Liens. Except to the extent expressly set forth in this Interim Order or the DIP Credit Agreement, the Prepetition Secured Parties shall not receive or retain any payments, property or other amounts in respect of the 507(b) Claims unless and until the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and the DIP Superpriority Claims have indefeasibly been paid in cash in full and all DIP Commitments have been terminated.

(c) Adequate Protection Cash Payments. In each case subject to reallocation or recharacterization as payment of principal under section 506(a) and (b) of the Bankruptcy Code as may be ordered by the Court in connection with a timely and successful Challenge pursuant to paragraph 19 or 20 below, until the indefeasible discharge of the Prepetition Secured Debt, the Prepetition Agents, for the benefit of the applicable Prepetition Secured Parties, shall receive current payment in cash on the last business day of each month in an amount equal to the sum of all post-petition unpaid

interest accruing on all outstanding principal, interest, fees, and other amounts owing under the applicable Prepetition Secured Debt (as of the Petition Date), in each case at the applicable default rate (the payments in this subparagraph (c), the "**Adequate Protection Payments**").

(d) Prepetition Secured Parties Fees and Expenses. The Loan Parties shall make current cash payments of the reasonable and documented prepetition and post-petition fees and expenses incurred by the Prepetition Agents or the Ad Hoc Group in connection with the Chapter 11 Cases (limited, in the case of the advisors to the Prepetition Term Lenders that are members of the Ad Hoc Group, to Houlihan Lokey, Inc., Willkie Farr & Gallagher LLP, Young Conaway Stargatt & Taylor, LLP, and one local counsel in each material jurisdiction; in the case of the advisors to the Prepetition Revolving Agent and the Prepetition Revolving Lenders, to RPA Advisors, LLC, Vinson & Elkins LLP, and one local counsel in each material jurisdiction; and, in the case of the advisors to the Prepetition Term Agent, to Arnold & Porter Kaye Scholer LLP and one local counsel in each relevant jurisdiction) promptly upon receipt of invoices therefor, which payments (to the extent for fees, expenses, and disbursements incurred after the Petition Date) shall be made within 10 days (which time period may be extended by the applicable professional) after the receipt by the Debtors, the Committee, if any, and the U.S. Trustee (the "**Review Period**") of invoices therefor (the "**Invoiced Fees**") and without the necessity of filing formal fee applications, including such amounts arising before or after the Petition Date. The invoices for such Invoiced Fees shall include the number of hours billed (except for financial advisors compensated on other than an hourly basis) and a summary description of services provided and the aggregate expenses

incurred by the applicable professional firm; *provided*, *however*, that any such invoice (i) may be limited and/or redacted to protect privileged, confidential, or proprietary information and (ii) shall not be required to contain individual time detail (*provided* that such invoice shall contain (except for financial advisors compensated on other than an hourly basis) summary data regarding hours worked by each timekeeper for the applicable professional and such timekeepers' hourly rates). The Debtors, the Committee, if any, and the U.S. Trustee may object to any portion of the Invoiced Fees (the "**Disputed Invoiced Fees**") within the Review Period by filing with the Court a motion or other pleading, on at least ten days' prior written notice (but no more than thirty days' notice) of any hearing on such motion or other pleading, setting forth the specific objections to the Disputed Invoiced Fees in reasonable narrative detail and the bases for such objections; *provided* that payment of any undisputed portion of Invoiced Fees shall not be delayed based on any objections thereto.

(e) Financial Reporting. The Debtors shall provide the Prepetition Agents with financial and other reporting substantially in compliance with the reports and notices provided for in the DIP Documents, in each case when and as required under the DIP Documents.

(f) DIP Roll-Up Facility. Subject to entry of a Final Order, the Debtors shall use the DIP Roll-Up Loans to refinance and discharge dollar-for-dollar Prepetition Term Loans held by the DIP Lenders in the aggregate amount equal to the DIP Term Loans and the DIP LC Loans funded under the DIP Facility.

15. *Reservation of Rights of Prepetition Secured Parties*. Under the circumstances and given that the above-described adequate protection is consistent with the Bankruptcy Code,

including section 506(b) thereof, the Court finds that the adequate protection provided herein is reasonable and sufficient to protect the interests of the Prepetition Secured Parties; *provided* that any of the Prepetition Secured Parties may request further or different adequate protection, and the Debtors or any other party may contest any such request.

16. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) The DIP Agent, the DIP Lenders and the Prepetition Secured Parties are hereby authorized, but not required, to file or record (and to execute in the name of the Loan Parties, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over cash or securities, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Agent, on behalf of the DIP Secured Parties, or the Prepetition Secured Parties shall, in their sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over any cash or securities, or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute, or subordination, at the time and on the date of entry of this Interim Order. Upon the request of the DIP Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)), each of the Prepetition Secured Parties and the Loan Parties, without any further consent of any party, is authorized (in the case of the Loan Parties) and directed (in the case of the

Prepetition Secured Parties) to take, execute, deliver and file such instruments (in each case, without representation or warranty of any kind) to enable the DIP Agent to further validate, perfect, preserve, and enforce the DIP Liens. All such documents shall be deemed to have been recorded and filed as of the Petition Date.

(b) This Interim Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of all liens granted herein, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording financing statements, intellectual property filings, mortgages, notices of lien or similar instruments in any jurisdiction, taking possession of or control over cash, deposit accounts, securities, or other assets, or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement, customs broker agreement or freight forwarding agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens and the Adequate Protection Liens, or to entitle the DIP Secured Parties to the priorities granted herein. Notwithstanding the foregoing, a certified copy of this Interim Order may, in the discretion of the DIP Agent, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized and directed to accept such certified copy of this Interim Order for filing and/or recording, as applicable. The automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to permit the DIP Agent to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

17. *Milestones*. It is a condition to the DIP Facilities that the Debtors shall comply with the Case Milestones (as defined in the DIP Credit Agreement). Any Case Milestone that would otherwise fall on a Saturday, Sunday or federal holiday will be treated in accordance with Bankruptcy Rule 9006. The failure to comply with any Milestone shall constitute an Event of Default, in accordance with the terms of the DIP Credit Agreement.

18. *Preservation of Rights Granted Under This Interim Order*.

(a) Other than the Carve-Out, Permitted Senior Liens and other claims and liens expressly granted by this Interim Order, no claim or lien having a priority superior to or that is *pari passu* with those granted by this Interim Order to the DIP Secured Parties or the Prepetition Secured Parties, respectively, shall be permitted while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding, and, except as otherwise expressly provided in this Interim Order, the DIP Liens and the Adequate Protection Liens shall not be (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Loan Parties' estates under section 551 of the Bankruptcy Code, (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise, (iii) subordinated to or made *pari passu* with any liens arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal, or other domestic or foreign governmental unit (including any regulatory body), commission, board, or court for any liability of the Loan Parties, or (iv) subject or junior to any intercompany or affiliate liens or security interests of the Loan Parties.

(b) Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or that otherwise is at any time entered, (i) the DIP Superpriority Claims, the 507(b) Claims, the DIP Liens, and the Adequate Protection Liens shall continue in full force and effect and shall maintain their priorities as provided in this Interim Order until all DIP Obligations and Adequate Protection Obligations shall have been indefeasibly paid in full in cash (and that such DIP Superpriority Claims, 507(b) Claims, DIP Liens, and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest), (ii) the other rights granted by this Interim Order shall not be affected, and (iii) the Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph 18 and otherwise in this Interim Order.

(c) If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated, or stayed, such reversal, modification, vacatur, or stay shall not affect (i) the validity, priority or enforceability of any DIP Obligations or Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent, the Prepetition Revolving Agent or the Prepetition Term Agent, as applicable, of the effective date of such reversal, modification, vacatur, or stay or (ii) the validity, priority, or enforceability of the DIP Liens or the Adequate Protection Liens. Notwithstanding any such reversal, modification, vacatur, or stay of any use of Cash Collateral, any DIP Obligations or any Adequate Protection Obligations incurred by the Loan Parties to the DIP Secured Parties or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agent, the Prepetition Revolving Agent, or the

Prepetition Term Agent, as applicable, of the effective date of such reversal, modification, vacatur, or stay shall be governed in all respects by the original provisions of this Interim Order, and the DIP Secured Parties and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges and benefits granted in section 364(e) of the Bankruptcy Code, this Interim Order and the DIP Documents.

(d) Except as expressly provided in this Interim Order or in the DIP Documents, the DIP Obligations, the DIP Liens, the DIP Superpriority Claims, the 507(b) Claims, the Adequate Protection Liens, and the Adequate Protection Obligations and all other rights and remedies of the DIP Agent, the DIP Lenders and the Prepetition Secured Parties granted by the provisions of this Interim Order and the DIP Documents shall survive, and shall not be modified, impaired, or discharged by the entry of an order (i) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, dismissing any of the Chapter 11 Cases, terminating the joint administration of the Chapter 11 Cases or by any other act or omission, (ii) approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents), or (iii) confirming a chapter 11 plan in any of the Chapter 11 Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Loan Parties have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of this Interim Order and the DIP Documents shall continue in the Chapter 11 Cases, in any successor cases if the Chapter 11 Cases cease to be jointly administered and in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Obligations, the DIP Liens, the DIP Superpriority Claims, the 507(b) Claims, the Adequate Protection Liens, and the Adequate Protection

Obligations and all other rights and remedies of the DIP Secured Parties and the Prepetition Secured Parties granted by the provisions of this Interim Order and the DIP Documents shall continue in full force and effect until the DIP Obligations are indefeasibly paid in full in cash, as set forth herein and in the DIP Documents, and the Commitments have been terminated.

19. *Effect of Stipulations on Third Parties*.

(a) The Debtors' stipulations, admissions, agreements and releases contained in this Interim Order shall be binding upon (i) the Debtors and their estates, in all circumstances and for all purposes and (ii) all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases (including a Committee, if any) and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances and for all purposes unless (A) such committee or any other party in interest (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so), in each case, with standing granted by the Court, has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, *inter alia*, in this paragraph 19) (1) objecting to or challenging the amount, validity, perfection, enforceability, priority, or extent of the Prepetition Secured Debt or the Prepetition Liens or (2) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests, or defenses (collectively, a "**Challenge**") against the Prepetition Secured Parties or their respective subsidiaries,

affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals and their respective successors and assigns thereof, in each case in their respective capacity as such (each, a "**Representative**" and, collectively, the "**Representatives**") in connection with matters related to any claims of the Debtors against the Prepetition Secured Parties, the Prepetition Secured Debt Documents, the Prepetition Secured Debt, the Prepetition Liens, the Prepetition Collateral, or otherwise, *provided* that all pleadings filed in connection with a Challenge shall set forth the basis for such challenge or claim, (B) such Challenge has been filed prior to the latest of (1) (Y) with respect to parties in interest with standing (other than a Committee), 75 calendar days after entry of this Interim Order and (Z) with respect to a Committee, if any, 60 calendar days after the appointment of the Committee, (2) any such later date as has been agreed to, in writing, by the Prepetition Revolving Agent or the Prepetition Term Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)) (as applicable), and (3) any such later date as has been ordered by the Court for cause upon a motion filed and served within any applicable time period set forth in this paragraph 19 (the time period established by the foregoing clauses (1) through (3), the "**Challenge Period**") (for the avoidance of doubt, if a Committee is appointed after the period in sub-clause (1)(Y) has expired, the Challenge Period shall have expired), and (C) there is a final non-appealable order sustaining such Challenge in favor of the plaintiff in such timely filed adversary proceeding or contested matter. Any Challenge not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released, and barred.

(b) If no such Challenge is filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such proceeding, then (i) the Debtors' stipulations, admissions, agreements, and releases contained in this Interim Order shall be binding on all parties in interest, including, without limitation, the Committee, if any, (ii) the obligations of the Loan Parties under the Prepetition Secured Debt Documents, including the Prepetition Secured Debt, shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, offset, or avoidance, for all purposes in the Chapter 11 Cases, and any subsequent chapter 7 case(s), (iii) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance, or other defense, (iv) the Prepetition Secured Debt and the Prepetition Liens shall not be subject to any other or further claim or challenge by a Committee, if any, any non-statutory committees appointed or formed in the Chapter 11 Cases or any other party in interest acting or seeking to act on behalf of the Debtors' estates, and (v) any defenses, claims, causes of action, counterclaims, and offsets by a Committee, if any, any non-statutory committees appointed or formed in the Chapter 11 Cases, or any other party acting or seeking to act on behalf of the Debtors' estates, whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives arising out of or relating to the any claims of the Debtors against the Prepetition Secured Parties, the Prepetition Secured Debt Documents or otherwise shall be deemed forever waived, released, and barred. If any such Challenge is filed during the Challenge Period, the stipulations, admissions, agreements, and releases contained in this Interim Order shall nonetheless remain binding

and preclusive (as provided in this subparagraph (b)) on a Committee, if any, and on any other person or entity, except to the extent that such stipulations, admissions, agreements, and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in this Interim Order vests or confers on any Person (as defined in the Bankruptcy Code), including a Committee, if any, or any non-statutory committees appointed or formed in the Chapter 11 Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Prepetition Secured Debt Documents, the Prepetition Secured Debt or the Prepetition Liens, or claims, counterclaims or causes of action of the Debtors against any Prepetition Secured Party.

20. *Limitation on Use of DIP Financing Proceeds and Collateral*. Notwithstanding anything herein or in any other order entered by the Court to the contrary, no proceeds of the DIP Facilities, DIP Collateral, Prepetition Collateral (including Cash Collateral), or the Carve-Out may be used (a) for Professional Fees incurred for (i) any litigation or threatened litigation (whether by contested matter, adversary proceeding, or otherwise, including any investigation in connection with litigation or threatened litigation) against any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties or for the purpose of objecting to or challenging the validity, perfection, enforceability, extent, amount or priority of any claim, lien, or security interest held or asserted by any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties or (ii) asserting any defense, claim, cause of action, counterclaim, or offset with respect to the DIP Obligations, the Prepetition Secured Debt (including, without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550, or 552 of the Bankruptcy Code,

applicable non-bankruptcy law or otherwise), the DIP Liens, or the Prepetition Liens or against any of the Prepetition Secured Parties or their respective Representatives, (b) to prevent, hinder, or otherwise delay any of the DIP Agent's or the Prepetition Secured Parties' assertion, enforcement, or realization on the Prepetition Collateral or the DIP Collateral in accordance with the DIP Documents, the Prepetition Secured Debt Documents or this Interim Order other than to seek a determination that an Event of Default has not occurred or is not continuing, or in connection with a Remedies Hearing, (c) to seek to modify any of the rights granted to the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties under this Interim Order or under the DIP Documents or the Prepetition Loan Documents, in each of the foregoing cases without such parties' prior written consent, which may be given or withheld by such party in the exercise of its respective sole discretion, or (d) to pay any amount on account of any claims arising prior to the Petition Date unless such payments are approved by an order of the Court (including, without limitation, hereunder); *provided* that notwithstanding anything to the contrary herein, the Committee, if any, may use the proceeds of the DIP Facilities, DIP Collateral (including Cash Collateral), and/or the Carve-Out to investigate (but not prosecute or initiate the prosecution of, including the preparation of any complaint or motion on account of) prior to (but not after) the delivery of a Carve-Out Trigger Notice, (y) the claims and liens of the Prepetition Secured Parties, and (z) potential claims, counterclaims, causes of action, or defenses against the Prepetition Secured Parties; *provided further* that no more than an aggregate of $50,000 of the proceeds of the DIP Facilities, DIP Collateral (including Cash Collateral, but excluding all Cash Collateral in the Cash Collateral Account that secures the DIP Letters of Credit), and/or the Carve-Out may be used by the Committee, if any, in respect of the investigations set forth in the preceding proviso (the "**Investigation Budget**").

21. *Release*. Subject to (i) entry of a Final Order and (ii) paragraph 19 hereof, and as further set forth in the DIP Documents, the Debtors, on behalf of themselves and their estates (including any successor trustee or other estate representative in these Chapter 11 Cases or any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Cases) and any party acting by, through, or under any of the Debtors or any of their estates, hereby stipulate and agree that they forever and irrevocably (a) release, discharge, waive, and acquit the current or future DIP Agent and other current or future DIP Secured Parties, the Prepetition Revolving Secured Parties, and the Prepetition Term Secured Parties, and each of their respective participants and each of their respective affiliates, and each of their respective former, current, or future officers, employees, directors, agents, representatives, owners, members, partners, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, successors, assigns and predecessors in interest (collectively, "**Released Parties**"), from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened, including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, arising out of, in connection with, or relating to the DIP Facilities, the DIP Documents, the Prepetition Loan Documents, or the transactions and relationships contemplated hereunder or thereunder, including, without limitation, (i) any so-called "lender liability" or equitable subordination claims or defenses, (ii) any and all claims and causes of action arising under the Bankruptcy Code (including, without limitation, Avoidance Actions),

and (iii) any and all claims and causes of action regarding the validity, priority, perfection, or avoidability of the liens or secured claims of the DIP Agent, the other DIP Secured Parties, the Prepetition Revolving Secured Parties and the Prepetition Term Secured Parties; and (b) waive any and all defenses (including, without limitation, offsets and counterclaims of any nature or kind) as to the validity, perfection, priority, enforceability, and nonavoidability of the DIP Loans, the DIP Liens, the DIP Superpriority Claims, the Prepetition Secured Debt, the Prepetition Liens, the Adequate Protection Claims, the Adequate Protection Liens, and any adequate protection payment obligations pursuant to this Interim Order. For the avoidance of doubt, the foregoing release shall not constitute a release of any rights arising under the DIP Documents. Notwithstanding the releases and covenants contained above in this paragraph, such releases and covenants in favor of the Released Parties shall be deemed acknowledged and reaffirmed by the Debtors each time there is an advance of funds, extension of credit, or financial accommodation under this Interim Order and the DIP Documents.

22. *Exculpation*. Nothing in this Interim Order, the DIP Documents or any other documents related to these transactions shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent or any DIP Lender of any liability for any claims arising from the prepetition or post-petition activities of the Debtors in the operation of their business, or in connection with their restructuring efforts. So long as the DIP Agent and the DIP Lenders comply with their obligations under the DIP Documents and their obligations, if any, under applicable law (including the Bankruptcy Code), (a) the DIP Agent and the DIP Lenders shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or any reserves established pursuant to this Interim Order, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the

value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person and (b) all risk of loss, damage, or destruction of the DIP Collateral shall be borne by the Loan Parties.

23. *Order Governs*. In the event of any inconsistency between the provisions of this Interim Order, the DIP Documents, or any other order entered by the Court, the provisions of this Interim Order shall govern. Notwithstanding anything to the contrary in any other order entered by the Court, any payment made, or authorization contained in, any other order entered by the Court shall be consistent with and subject to the requirements set forth in this Interim Order and the DIP Documents, including, without limitation, the Approved Budget (including any permitted variances); *provided* that the Approved Budget (including any permitted variances) shall not constitute a cap or limitation on any Professional Fees and shall not affect the Carve-Out.

24. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of this Interim Order, including all findings herein, shall be binding upon all parties in interest in the Chapter 11 Cases, including, without limitation, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, the Committee, if any, any non-statutory committees appointed or formed in the Chapter 11 Cases, the Debtors, and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, the Debtors, and their respective successors and assigns; *provided* that the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall

have no obligation to permit the use of the DIP Collateral (including Cash Collateral) or to extend any financing to any chapter 7 trustee, chapter 11 trustee, or similar responsible person appointed for the estates of the Debtors.

25. *Limitation of Liability*. In determining to make any loan or other extension of credit under the DIP Credit Agreement, to permit the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Documents, the DIP Agent and the DIP Lenders (and the Prepetition Secured Parties in respect of the use of Cash Collateral) shall not (a) be deemed to be in "control" of the operations of the Debtors, (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders, or estates, and (c) be deemed to be acting as a "Responsible Person," "Owner," or "Operator" with respect to the operation or management of the Debtors, so long as the DIP Agent's and the DIP Lenders' actions do not constitute, within the meaning of 42 U.S.C. § 9601(20)(F), actual participation in the management or operational affairs of a vessel or facility owned or operated by a Debtor, or otherwise cause liability to arise to the federal or state government or the status of "responsible person" or "managing agent" to exist under applicable law (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute).

26. *Inapplicability of Bar Date; Master Proof of Claim*. Any order entered by the Court establishing a bar date for any claims (including, without limitation, administrative claims) in any of the Chapter 11 Cases or any subsequent chapter 7 case of any of the Debtors shall not apply to any DIP Secured Party, any Prepetition Term Secured Party or any Prepetition Revolving Secured Party. The DIP Secured Parties, Prepetition Secured Parties and the Prepetition Revolving Secured Parties shall not be required to file proofs of claim or requests for

approval of administrative expenses authorized by this Interim Order in any of the Chapter 11 Cases or any subsequent chapter 7 case of any of the Debtors. The provisions of this Interim Order, and, upon the entry thereof, the Final Order, relating to the amount and/or priority of the DIP Loans, the Prepetition Term Debt, the Prepetition Revolving Debt, the Adequate Protection Claims, the Adequate Protection Liens, any adequate protection payments pursuant to this Interim Order, the Prepetition Liens, the DIP Liens and the DIP Superpriority Claims shall constitute a sufficient and timely filed proof of claim and/or administrative expense request in respect of such obligations and such secured status. However, in order to facilitate the processing of claims, to ease the burden upon the Court, and to reduce an unnecessary expense to the Debtors' estates, each of the Prepetition Revolving Agent and the Prepetition Term Agent is authorized to file in the Debtors' lead Chapter 11 Case *In re Southcross., et al.,* Case No. 19-10702 (MFW) , a single, master proof of claim on behalf of the Prepetition Revolving Secured Parties and the Prepetition Term Secured Parties, as applicable, on account of any and all of their respective claims arising under the applicable Prepetition Secured Debt Documents and hereunder (each, a "**Master Proof of Claim**") applicable against each of the Debtors. Upon the filing of a Master Proof of Claim, (a) the Prepetition Revolving Agent and the Prepetition Revolving Secured Parties and (b) the Prepetition Term Agent and the Prepetition Term Secured Parties, as applicable, and each of their respective successors and assigns, shall be deemed to have filed a proof of claim in the amount set forth opposite its name therein in respect of its claims against each of the Debtors of any type or nature whatsoever with respect to the applicable Prepetition Secured Debt Documents, and the claim of each Prepetition Secured Party (and each of its respective successors and assigns), named in a Master Proof of Claim shall be treated as if such entity had filed a separate proof of claim in each of the Chapter 11 Cases. The

Master Proofs of Claim shall not be required to identify whether any Prepetition Secured Party acquired its claim from another party and the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among such holders of the claims asserted therein resulting from the transfer of all or any portion of such claims. Nothing in this Interim Order shall waive the right of any DIP Secured Party or any Prepetition Secured Party to file its own proof of claim against any of the Debtors. The provisions of this paragraph 26 and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in the Chapter 11 Cases. The Master Proofs of Claim shall not be required to attach any instruments, agreements, or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements, or other documents will be provided upon reasonable written request to counsel to the Prepetition Revolving Agent and Prepetition Term Agent, as applicable.

27. *Secured Party Consents.* No approval, agreement, or consent requested of the DIP Secured Parties and/or the Prepetition Secured Parties by the Debtors pursuant to the terms of this Interim Order or otherwise shall be inferred from any action, inaction, or acquiescence of the DIP Secured Parties or the Prepetition Secured Parties, as applicable, other than a writing acceptable to the DIP Secured Parties or the Prepetition Secured Parties, as applicable, that is signed by such person(s) and expressly shows such approval, agreement or consent, without limitation. Nothing herein shall in any way affect the rights of the DIP Secured Parties or the Prepetition Secured Parties as to any non-Debtor entity, without limitation. Unless expressly required otherwise hereunder, any determination, agreement, decision, consent, election,

approval, acceptance, waiver, designation, authorization, or other similar circumstance or matter of any of the DIP Secured Parties or the Prepetition Secured Parties, as applicable, hereunder or related hereto, shall be in the such person(s)' sole and absolute discretion.

28. *Insurance*. To the extent that any of the Prepetition Revolving Agent or Prepetition Term Agent is listed as loss payee or additional insured under any of the Borrower's or Guarantors' insurance policies, the DIP Agent is also deemed to be the loss payee or additional insured, as applicable, under such insurance policies and shall act in that capacity and distribute any proceeds recovered or received in respect of any such insurance policies, *first*, to the payment in full of the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted), and *second*, to the payment of the applicable Prepetition Secured Debt.

29. *Effectiveness*. This Interim Order shall constitute findings of fact and conclusions of law shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rule 4001(a)(3), 6004(h), 6006(d), 7062, or 9014, any Local Rule or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim Order.

30. *Headings*. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Interim Order.

31. *Payments Held in Trust for the DIP Agent and DIP Lenders*. Except as expressly permitted in this Interim Order or the DIP Documents, in the event that any person or entity receives any payment on account of a security interest in DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral, or receives any other payment with respect thereto

from any other source prior to indefeasible payment in full in cash of all DIP Obligations under the DIP Documents, and termination of the Commitments in accordance with the DIP Documents, such person, or entity shall be deemed to have received, and shall hold, such payment or proceeds of DIP Collateral in trust for the benefit of the DIP Agent and the DIP Lenders and shall immediately turn over such proceeds to the DIP Agent, or as otherwise instructed by the Court, for application in accordance with the DIP Documents and this Interim Order.

32. *Credit Bidding*. The DIP Secured Parties shall have the right to credit bid, in accordance with the DIP Documents, up to the full amount of the DIP Obligations other than the amount of the DIP Roll-Up Loans, in any sale of the DIP Collateral. Subject to entry of a Final order, paragraph 19 hereof, and the Intercreditor Agreement, the DIP Secured Parties shall have the right to credit bid, in accordance with the DIP Documents, the amount of the DIP Roll-Up Loans in any sale of the DIP Collateral. THE CREDITS

Section 2.01 Commitments.

(a) Initial DIP Term Loan. Subject to the terms and conditions of this Agreement, each Lender having an Initial Term Commitment severally agrees to make its portion of the Initial DIP Term Loan to the Borrower on the Effective Date in a principal amount equal to such Lender's Initial Term Commitment as of the Effective Date. Notwithstanding anything to the contrary contained herein (and without affecting any other provisions hereof), the funded portion of the Initial DIP Term Loan to be made on the Effective Date (*i.e.*, the amount advanced to Borrower on the Effective Date) shall be equal to 98.5% of the principal amount of the Initial DIP Term Loan (it being agreed that the full principal amount of the Initial DIP Term Loan shall be the "initial" principal amount of such Loan and deemed outstanding on the Effective Date and the Borrower shall be obligated to repay 100% of the principal amount of each such Loan as provided hereunder). Once the Initial Term Loan has been borrowed, in any amount, the Initial Term Commitment shall be reduced to $0.

(b) Delayed Draw DIP Term Loan. Subject to the terms and conditions of this Agreement, each Lender having a Delayed Draw Term Commitment severally agrees to make its portion of the Delayed Draw DIP Term Loan to the Borrower on the Delayed Draw DIP Funding Date in a principal amount equal to such Lender's Delayed Draw Term Commitment as of such date; *provided that*, the aggregate amount of DIP Term Loans shall not exceed the amount the Borrower is authorized to borrow pursuant to the terms of the Final DIP Order. Notwithstanding anything to the contrary contained herein (and without affecting any other provisions hereof), the funded portion of the DIP Term Loan to be made on such Delayed

Draw DIP Funding Date (*i.e.*, the amount advanced to Borrower on such dates) shall be equal to 98.5% of the principal amount of the Delayed Draw DIP Term Loan (it being agreed that the full principal amount of the Delayed Draw DIP Term Loan shall be the "initial" principal amount of such Loan and deemed outstanding on such date and the Borrower shall be obligated to repay 100% of the principal amount of each such Loan as provided hereunder). The Delayed Draw Term Commitment shall be reduced to $0 upon the earlier of (a) the date the Delayed Draw Term Loan has been borrowed, in any amount, and (b) the date that is thirty (30) days after the date the Final DIP Order is entered.

(c) DIP LC Loan. Subject to the terms and conditions of this Agreement, each Lender having a DIP LC Commitment severally agrees to make its portion of the DIP LC Loan to the Borrower on the Effective Date in a principal amount equal to such Lender's DIP LC Commitment as of the Effective Date. Notwithstanding anything to the contrary contained herein (and without affecting any other provisions hereof), the funded portion of the DIP LC Loan to be made on the Effective Date (*i.e.*, the amount advanced to Borrower on the Effective Date) shall be equal to 98.5% of the principal amount of the DIP LC Loan (it being agreed that the full principal amount of the DIP LC Loan shall be the "initial" principal amount of such Loan and deemed outstanding on the Effective Date and the Borrower shall be obligated to repay 100% of the principal amount of each such Loan as provided hereunder). The Borrower hereby directs the applicable Lenders and the DIP Agent to cause the proceeds of the DIP LC Loan (net of the original issue discount set forth above) to be deposited in the Letter of Credit Account on the Effective Date. Once the DIP LC Loan has been borrowed, in any amount, the DIP LC Commitment shall be reduced to $0.

(d) Roll-Up Loans. Subject to the terms and conditions set forth herein, (i) upon entry of the Final DIP Order, Prepetition Term Loans held by Prepetition Term Lenders set forth on Schedule 2.01(d), which are also Lenders or Affiliates of Lenders hereunder, shall be automatically substituted and exchanged for (and prepaid by) loans hereunder (the "**Initial Roll-Up Loans**"), on a pro rata basis (based on the Initial DIP Term Loans and DIP LC Loans that such Prepetition Term Lender or its Affiliate funded to the Borrower pursuant to Section 2.01(a) or (c)), in a principal amount equal to $1.00 of Prepetition Term Loans of such Lender or such Affiliate of such Lender for each $1.00 of Initial DIP Term Loans and DIP LC Loan funded hereunder on the Effective Date by such Lender and (ii) on the Delayed Draw DIP Funding Date, Prepetition Term Loans held by Prepetition Term Lenders, as set forth on the Additional Roll-Up Schedule (as defined below), which are also Lenders or Affiliates of Lenders hereunder, shall be automatically substituted and exchanged for (and prepaid by) loans hereunder (together with the Initial Roll-Up Loans, the "**Roll-Up Loans**"), on a pro rata basis (based on the Delayed Draw DIP Term Loans that such Prepetition Term Lender or its Affiliate funded to the Borrower pursuant to Section 2.01(b)) in a principal amount equal to $1.00 of Prepetition Term Loans of such Lender or Affiliate of such Lender for each $1.00 of Delayed Draw DIP Term Loans funded hereunder by such Lender on the Delayed Draw DIP Funding Date (and such Roll-Up Loans shall be deemed funded on the date the Final DIP Order is entered or the Delayed Draw DIP Funding Date, as applicable, and shall constitute and shall be deemed to be Loans hereunder) (the foregoing substitution and exchange of Prepetition Term Loans into Roll-Up Loans shall be defined herein, generally, as the "**Roll-Up**"). The parties hereto hereby agree that (i) set forth on Schedule 2.01(d) is (x) the name of each Lender or Affiliate of a Lender whose

Prepetition Term Loans will be exchanged for (and prepaid by) Initial Roll-Up Loans on the date of entry of the Final DIP Order, and the amount of Initial Roll-Up Loans to be received by each Lender or Affiliate of a Lender upon entry of the Final Order and (ii) set forth on the Additional Roll-Up Schedule will be the name of each Lender or Affiliate of a Lender whose Prepetition Term Loans will be exchanged for (and prepaid by) Roll-Up Loans hereunder on the Delayed Draw DIP Funding Date, and the amount of Roll-Up Loans to be received by each Lender or Affiliate of a Lender on the Delayed Draw DIP Funding Date. No later than three (3) Business Days prior to the Delayed Draw DIP Funding Date, the Lender Financial Advisor shall deliver to the DIP Agent a schedule (the "**Additional Roll-Up Schedule**") setting forth the name of each Lender whose Prepetition Term Loans will be exchanged for (and prepaid by) Roll-Up Loans hereunder on the Delayed Draw DIP Funding Date, and the amount of Roll-Up Loans to be received by such Lender on the Delayed Draw DIP Funding Date (and the parties hereto hereby agree that the DIP Agent and the Prepetition Term Agent may each conclusively rely on such schedule in adjusting the Register and the Register (as defined in the Prepetition Term Loan Agreement) to reflect the cancellation of Prepetition Term Loans and the Roll-Up Loans to be received by the Lenders on the Delayed Draw DIP Funding Date as a result of the Roll-Up). Furthermore, the parties agree that each Affiliate of a Lender that will receive Roll-Up Loans hereunder and that is not already a Lender hereunder at the time thereof must become a Lender hereunder, by executing a joinder to this Agreement in form and substance reasonably satisfactory to the DIP Agent, on or prior to the entry of the Final DIP Order or the Delayed Draw DIP Funding Date, as applicable, in order to receive its portion of the Roll-Up.

(e) For the avoidance of doubt, solely with respect to the applicable calculations in determining the Lenders constituting "Required Lenders" hereunder, Initial DIP Term Loans, Delayed Draw DIP Term Loans, the DIP LC Loans, and the Roll-Up Loans shall constitute a single class of Loans.

Section 2.02 Loans and Borrowings.

(a) Borrowings; Several Obligations. The DIP Term Loans shall be made by the Lenders ratably in accordance with their respective applicable Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Types of Loans. Subject to Section 3.03, each Borrowing of Initial DIP Term Loans or Delayed Draw DIP Term Loans shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement. The Roll-Up Loans and the DIP LC Loans shall be deemed Borrowings entirely of ABR Loans.

(c) Minimum Amounts; Limitation on Number of Borrowings. Borrowings of more than one Type may be outstanding at the same time, provided that there shall not at any time be more than a total of four (4) Eurodollar Borrowings outstanding. Notwithstanding any

other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

(d) Notes. The Loans made by each Lender, if requested by such Lender, shall be evidenced by one or more promissory notes of the Borrower in substantially the form of Exhibit A, dated, in the case of (i) any Lender party hereto as of the date of this Agreement, as of the date of this Agreement, or (ii) any Lender that becomes a party hereto pursuant to an Assignment and Assumption, as of the effective date of such Assignment and Assumption, payable to such Lender in a principal amount equal to its Commitments (or Loans, if applicable), and otherwise duly completed. In the event that any Lender's Commitment or Loans increases or decreases for any reason (whether pursuant to Section 12.04(b) or otherwise), if requested by such Lender, the Borrower shall deliver or cause to be delivered on the effective date of such increase or decrease, a new Note payable to such Lender in a principal amount equal to its Commitment or Loans, as applicable, after giving effect to such increase or decrease, and otherwise duly completed. The date, amount, Type, interest rate and, if applicable, Interest Period of each Loan made by each Lender, and all payments made on account of the principal thereof, shall be recorded by such Lender on its books for its applicable Note, and, prior to any transfer, may be endorsed by such Lender on a schedule attached to such Note or any continuation thereof or on any separate record maintained by such Lender. Failure to make any such notation or to attach a schedule shall not affect any Lender's or the Borrower's rights or obligations in respect of such Loans or affect the validity of such transfer by any Lender of its Note.

Section 2.03 Procedure for Advance of Loans. To request a Borrowing of DIP Term Loans, the Borrower shall give the DIP Agent an irrevocable Notice of Borrowing (provided that any Notice of Borrowing may be conditioned upon the entry of the Interim DIP Order or the Final DIP Order) prior to (a) in the case of a Eurodollar Borrowing 11:00 a.m., New York City time, three (3) Business Days before (or one (1) Business Day before in the case of a Eurodollar Borrowing on the Effective Date) the proposed Borrowing (or such shorter period approved by DIP Agent prior to the date of such Borrowing) or (b) in the case of an ABR Borrowing, not later than 11:00a.m, New York City Time, one (1) Business Day before the date of the proposed Borrowing, requesting that the Lenders make the applicable DIP Term Loans on such date. The Borrowing of DIP LC Loans shall be of ABR Loans. In the case of Initial DIP Term Loans and Delayed Draw DIP Term Loans, if no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

Section 2.04 Interest Elections.

(a) Conversion and Continuance. The Borrower may elect to convert a Borrowing of Initial DIP Term Loans or Delayed Draw DIP Term Loans to a different Type or to continue a Eurodollar Borrowing of Initial DIP Term Loans or Delayed Draw DIP Term Loans as the same Type and, in the case of a Eurodollar Borrowing of Initial DIP Term Loans or Delayed Draw DIP Term Loans, may elect Interest Periods therefor, all as provided in

this Section 2.04. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding anything to the contrary, the Borrower shall not be entitled to request any conversion or continuation that, if made, would result in more than four (4) Eurodollar Borrowings outstanding hereunder at any one time.

(b) Interest Election Requests. To make an election pursuant to this Section 2.04, the Borrower shall deliver to the DIP Agent an Interest Election Request by the time that a Notice of Borrowing would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable.

(c) Information in Interest Election Requests. Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to Sections 2.04(c)(iii) and (iv) shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one (1) month's duration.

(d) Notice to Lenders by the DIP Agent. Promptly following receipt of an Interest Election Request, the DIP Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) Effect of Failure to Deliver Timely Interest Election Request and Events of Default on Interest Election. If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing: (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing (and any Interest Election Request that

requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective) and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

(f) Notwithstanding anything to the contrary herein, Roll-Up Loans and DIP LC Loans shall only be borrowed as ABR Loans, and may not be converted to Eurodollar Loans.

Section 2.05 Funding of Borrowings.

(a) Funding by Lenders. Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, New York City time, to the account of the DIP Agent most recently designated by it for such purpose by notice to the Lenders. The Borrower hereby irrevocably authorizes the DIP Agent to disburse the proceeds of the DIP Term Loan in immediately available funds by wire transfer to such Person or Persons as may be designated by the Borrower in writing (or in the case of proceeds of the DIP LC Loans, to the Letter of Credit Account). Nothing herein shall be deemed to obligate any Lender to obtain the funds for its Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for its Loan in any particular place or manner.

(b) Funding by the Lenders; Presumption by the DIP Agent. Unless the DIP Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the DIP Agent such Lender's share of such Borrowing, the DIP Agent may assume that such Lender has made such share available on such date in accordance with Section 2.05(a) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the DIP Agent, then the applicable Lender and the Borrower severally agree to pay to the DIP Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the DIP Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the DIP Agent in accordance with banking industry rules on interbank compensation and (ii) in the case of a payment to be made by the Borrower, the interest rate applicable to ABR Loans. If the Borrower and such Lender shall pay such interest to the DIP Agent for the same or an overlapping period, the DIP Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the DIP Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the DIP Agent.

Section 2.06 [Reserved].

Section 2.07 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower may request the issuance of dollar denominated Letters of Credit for its own account

or for the account of any of its Subsidiaries, in a form reasonably acceptable to the applicable Issuing Bank, at any time and from time to time during the Availability Period; *provided* that the Borrower may not request the issuance, amendment, renewal or extension of Letters of Credit hereunder, if, after giving effect to such issuance, amendment, renewal or extension, (i) the LC Cash Collateralization Amount would exceed the Letter of Credit Deposit Amount, (ii) the LC Exposure would exceed the LC Sublimit, or (iii) the aggregate LC Exposure for any Issuing Bank would exceed its applicable LC Commitment. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any Letter of Credit Agreement, the terms and conditions of this Agreement shall control.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. The Prepetition Letters of Credit shall be deemed to have been cancelled and re-issued hereunder as of the Effective Date. To request the issuance of any other Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall fax (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Issuing Bank) to the applicable Issuing Bank and the DIP Agent (not less than three (3) Business Days in advance of the requested date of issuance, amendment, renewal or extension) a notice:

(i) requesting the issuance of a Letter of Credit or identifying the Letter of Credit to be amended, renewed or extended;

(ii) specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day);

(iii) specifying the date on which such Letter of Credit is to expire (which shall comply with Section 2.07(c));

(iv) specifying the amount of such Letter of Credit;

(v) specifying the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit;

(vi) specifying the current total LC Exposures (without regard to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit) and the *pro forma* total LC Exposures (giving effect to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit); and

(vii) specifying the current Letter of Credit Deposit Amount and calculating the *pro forma* LC Cash Collateralization Amount (giving effect to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit).

Each notice shall constitute a representation and warranty with respect to the information set forth therein and that after giving effect to the requested issuance, amendment, renewal or

extension, as applicable, (x) the LC Cash Collateralization Amount shall not exceed the Letter of Credit Deposit Amount, (y) the LC Exposure shall not exceed the LC Sublimit, and (z) each condition precedent set forth in Section 6.02 has been satisfied with respect to such Letter of Credit.

If requested by the applicable Issuing Bank in connection with any request for a Letter of Credit (other than the Prepetition Letters of Credit deemed to be issued hereunder on the Effective Date), the Borrower also shall submit an appropriately completed letter of credit application on such Issuing Bank's standard form as in effect from time to time, which application may require the inclusion of draft language for such Letter of Credit that is reasonably acceptable to such Issuing Bank and may be required to be signed by a Responsible Officer of the Borrower.

No Issuing Bank will be required to: (A) issue any Letter of Credit if (1) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it, (2) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally, (3) except as otherwise agreed by such Issuing Bank, such Letter of Credit is in an initial stated amount less than $10,000, (4) such Letter of Credit is to be denominated in a currency other than Dollars, or (5) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; or (B) amend or extend any Letter of Credit if such Issuing Bank would not be required at such time to issue the Letter of Credit in its amended form under the terms hereof or if the beneficiary of such Letter of Credit does not accept the proposed amendment thereto.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one (1) year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is ten (10) Business Days prior to the Maturity Date. Each Letter of Credit with a one (1) year term may provide for the renewal thereof for additional one (1) year periods; *provided* that no such period shall extend beyond the date described in clause (ii) above. Notwithstanding the foregoing, Letters of Credit may be issued with an expiration date that extends past the date set forth in clause (ii) above so long as such Letter of Credit is cash collateralized pursuant to Section 2.07(j).

(d) LC Participations. Any Issuing Bank may at any time, without the consent of, or notice to the Borrower, the DIP Agent or any other Issuing Bank, sell participations in Letters of Credit (up to the aggregate amount available to be drawn under such Letter of Credit)

or LC Disbursements that have not been reimbursed by the Borrower as provided in Section 2.07(e) to any Person (other than a natural Person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, an "**LC Participant**"); *provided* that (A) such Issuing Bank's obligations under this Agreement shall remain unchanged, (B) such Issuing Bank shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the DIP Agent, the Lenders and any other Issuing Banks shall continue to deal solely and directly with such Issuing Bank in connection with such Issuing Banks's rights and obligations under this Agreement. Notwithstanding the foregoing, any agreement or instrument pursuant to which an Issuing Bank sells such a participation may provide such LC Participant with the right to subrogate to the Issuing Bank's rights hereunder or the right to direct the Issuing Bank with respect to its rights (x) to enforce this Agreement, (y) to approve any amendment, modification or waiver of any provision of this Agreement with respect to the Issuing Bank's participated interests in a Letter of Credit or LC Disbursement, or (z) to deliver any notices or exercise any other rights of the Issuing Bank hereunder.

(e) Reimbursement. (i) If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the DIP Agent for the account of such Issuing Bank an amount equal to such LC Disbursement not later than 11:00 a.m., New York time, on the date that such LC Disbursement is made, if the Borrower shall have received notice of such LC Disbursement prior to 9:00 a.m., New York time, on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 11:00 a.m., New York time, on (x) the Business Day that the Borrower receives such notice, if such notice is received prior to 9:00 a.m., New York time, on the day of receipt, or (y) the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time on the day of receipt; *provided* that the Borrower's obligation to reimburse such Issuing Bank with respect to such LC Disbursement shall first be satisfied by funds disbursed to such Issuing Bank from the Letter of Credit Account and applied to such reimbursement obligations in accordance with clauses (ii) through (iv) of this Section 2.07(e) (and the Borrower hereby irrevocably authorizes and instructs such Issuing Bank to request such withdrawals and applications without notice of any kind or further order or action by the Bankruptcy Court) Promptly following receipt by the DIP Agent of any payment from the Borrower pursuant to this Section 2.07(e), the DIP Agent shall distribute such payment to the applicable Issuing Bank.

(ii) If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, such Issuing Bank may request that the DIP Agent disburse funds from the Letter of Credit Account to such Issuing Bank to reimburse such Issuing Bank for such LC Disbursement, by delivering to the DIP Agent a Withdrawal Request specifying (A) the amount of the disbursement to be made to such Issuing Bank, (B) the Letter of Credit to which such disbursement relates and (C) the wiring information of the bank account of such Issuing Bank to which such funds are to be sent. Promptly following its receipt of a Withdrawal Request, the DIP Agent shall disburse funds from the Letter of Credit Account in an aggregate amount equal to the amount specified in such Withdrawal Request to the account of the Issuing Bank specified in such Withdrawal Request. All proceeds of the DIP LC Loans shall be held in the Letter of Credit Account at all

times until such proceeds are disbursed or otherwise applied in accordance with this Agreement.

(iii) With respect to any disbursement, withdrawal, transfer, or application of funds from the Letter of Credit Account hereunder, the DIP Agent shall be entitled to conclusively rely upon, and shall be fully protected in relying upon, any Withdrawal Request submitted by an Issuing Bank as evidence that (A) an LC Disbursement has been made by such Issuing Bank in the amount specified in such Withdrawal Request and (B) such Issuing Bank is entitled to receipt funds from the Letter of Credit Account in the amount specified in such Withdrawal Request. Notwithstanding anything herein to the contrary, the DIP Agent shall have no obligation to disburse any amount from the Letter of Credit Account in excess of the amounts then held in the Letter of Credit Account. The DIP Agent shall have no duty to inquire or investigate whether any Issuing Bank is entitled to receive the funds requested in the applicable Withdrawal Request, and shall not be deemed to have any knowledge as to whether or not any such Withdrawal Request is permitted to be given.

(iv) For the avoidance of doubt, all DIP LC Loans shall be Loans for all purposes hereunder and, notwithstanding that the proceeds of such DIP LC Loans are held in the Letter of Credit Account, shall bear interest in accordance with this Agreement and shall be subject to all other terms and provisions of this Agreement and the other Loan Documents to the same extent as all other Loans. The Borrower shall pay to the DIP Agent upon demand therefor from time to time all customary account opening, activity and other administrative fees and charges in connection with the maintenance of the Letter of Credit Account

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in Section 2.07(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Agreement or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or any Letter of Credit Agreement, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.07(f), constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the DIP Agent, the Lenders nor any Issuing Bank, nor any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence

arising from causes beyond the control of the applicable Issuing Bank; *provided* that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised all requisite care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, each Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Borrower by telephone (confirmed by facsimile (with a copy to the Agent)) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; *provided* that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, until the Borrower shall have reimbursed such Issuing Bank for such LC Disbursement (either with its own funds or funds withdrawn from the Letter of Credit Account), the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Loans. Interest accrued pursuant to this Section 2.07(h) shall be for the account of the applicable Issuing Bank.

(i) Replacement of any Issuing Bank. Any Issuing Bank may be replaced at any time by written agreement among the Borrower, the DIP Agent (acting at the direction of the Required Lenders), the replaced Issuing Bank and the successor Issuing Bank. The DIP Agent shall notify the Lenders of any such replacement of any Issuing Bank. At the time any such replacement becomes effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 3.05(a). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous or existing Issuing Bank, or to such successor and all previous and existing Issuing Banks, as the context shall require. After the replacement of any Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of

Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization.

(i) Establishment of Letter of Credit Account. The DIP Agent shall establish the Letter of Credit Account.

(ii) Deposits in Letter of Credit Account. The Letter of Credit Account shall be funded by the Borrower on the Effective Date from the proceeds of the DIP LC Loans advanced pursuant to Section 2.01(c).

(iii) Withdrawals from and Closing of Letter of Credit Account. Amounts on deposit in the Letter of Credit Account shall be withdrawn and distributed as follows:

(A) in accordance with Section 2.07(e) above;

(B) in accordance with Section 2.07(m) below;

(C) [reserved];

(D) upon the Maturity Date, unless otherwise specified by an order rendered by the Bankruptcy Court: (1) if the DIP Agent has received written notice from each Issuing Bank that all Letters of Credit issued by such Issuing Bank have expired or been cancelled (or that a "backstop" letter of credit or other cash collateralization thereof at 103% pursuant to arrangements reasonably satisfactory to such Issuing Bank has been provided to such Issuing Bank) (such written notice, an "**LC Termination Notice**"), the DIP Agent shall, unless otherwise directed by the Required Lenders, withdraw from the Letter of Credit Account the aggregate amount then on deposit therein and apply such amounts to repayment of the Secured Obligations as set forth in Section 10.02(c) or (2) if the DIP Agent has not received such LC Termination Notice, the DIP Agent shall withdraw from the Letter of Credit Account the aggregate amount then on deposit therein that is equal to 103% of the face amount of Letters of Credit then outstanding and disburse such amounts in accordance with a written direction from the Issuing Banks (or, in the absence of such written direction, the DIP Agent may request that the Bankruptcy Court make such determination).

Except as otherwise provided in clause (iii) above amounts in the Letter of Credit Account may not be withdrawn by the Borrower or used for any purpose other than the reimbursement of the Issuing Banks or repayment of the Secured Obligations hereunder.

(iv) The Borrower hereby grants to the DIP Agent, for the benefit of the Issuing Banks and the other Secured Parties, an exclusive superpriority and continuing perfected security interest in and Lien on such account and all cash, checks, drafts, certificates and instruments, if any, from time to time deposited or held in such account, all deposits or wire transfers made thereto, any and all proceeds, products, accessions, rents, profits, income and benefits therefrom, and any substitutions and replacements therefor.

(v) The Borrower's obligation to deposit amounts pursuant to this Section 2.07(j) shall be absolute and unconditional, without regard to whether any beneficiary of any Letter of Credit has attempted to draw down all or a portion of such amount under the terms of a Letter of Credit, and, to the fullest extent permitted by applicable law, shall not be subject to any defense or be affected by a right of set-off, counterclaim or recoupment which the Borrower or any of its Subsidiaries may now or hereafter have against any such beneficiary, any Issuing Bank, the DIP Agent, the Lenders or any other Person for any reason whatsoever. Such deposit shall be held as collateral securing the payment and performance of the Borrower's and the Guarantors' obligations under this Agreement and the other Loan Documents. Subject to Sections 2.07(m), the DIP Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Such deposits shall not bear interest.

(k) Applicability of ISP. Unless otherwise expressly agreed by any Issuing Bank and the Borrower when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), the rules of the ISP shall apply to each Letter of Credit. Notwithstanding the foregoing, no Issuing Bank shall be responsible to the Borrower for, and such Issuing Bank's rights and remedies against the Borrower shall not be impaired by, any action or inaction of such Issuing Bank required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the law or any order of a jurisdiction where such Issuing Bank or the beneficiary is located, the practice stated in the ISP or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade – International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(l) Calculation of Maximum Stated Amount. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

(m) Withdrawals of funds from the Letter of Credit Account by the Borrower.

(i) By delivery of a Letter of Credit Account Withdrawal Notice to the DIP Agent for delivery to each Issuing Bank at least four (4) Business Days prior

to the date of a requested withdrawal from the Letter of Credit Account, the Borrower may request that the amount set forth in such Letter of Credit Account Withdrawal Notice (which amount the Borrower agrees will not exceed in the aggregate, together with all other withdrawals made pursuant to Letter of Credit Account Withdrawal Notices, the Alternate Cash Collateral Amount) be withdrawn from the Letter of Credit Account and sent to the account of the Borrower specified in such Letter of Credit Account Withdrawal Notice; provided that in no event shall the LC Cash Collateralization Amount exceed the Letter of Credit Deposit Amount after giving effect to such withdrawal. The Borrower agrees that the proceeds of any such withdrawal from the Letter of Credit Account shall be used by the Borrower and the other Loan Parties solely to cash collateralize the obligations of the vendors and suppliers of the Loan Parties in accordance with Section 9.03(j); *provided*, *further*, that in no event shall the LC Cash Collateralization Amount exceed the Letter of Credit Deposit Amount after giving effect to such withdrawal.

(ii) The Borrower may from time to time, by delivery of a Letter of Credit Account Prepayment Notice to the DIP Agent for delivery to each Issuing Bank at least four (4) Business Days prior to the date of the requested withdrawal, request the release of cash collateral from the Letter of Credit Account to be applied in the manner set forth in such Letter of Credit Account Prepayment Notice. The Borrower agrees that (I) any prepayment pursuant to this clause shall be applied in accordance with Section 3.04(c) and (II) in no event shall the LC Cash Collateralization Amount exceed the Letter of Credit Deposit Amount after giving effect to such release.

(iii) On the date set forth in the applicable Letter of Credit Account Withdrawal Notice, the DIP Agent shall disburse funds from the Letter of Credit Account in an aggregate amount equal to the amount specified in such Letter of Credit Account Withdrawal Notice to the account of the Borrower specified in such Withdrawal Request. On the date set forth in the applicable Letter of Credit Account Prepayment Notice, the DIP Agent shall apply funds in the Letter of Credit Account to the Secured Obligations and other applicable obligations in an aggregate amount equal to the amount specified in such Letter of Credit Account Prepayment Notice and in the manner specified in such Letter of Credit Account Prepayment Notice.

(iv) With respect to any disbursement, withdrawal, transfer, or application of funds from the Letter of Credit Account under this Section 2.07(m), the DIP Agent shall be entitled to conclusively rely upon, and shall be fully protected in relying upon, any Letter of Credit Account Withdrawal Notice or Letter of Credit Account Prepayment Notice submitted by the Borrower as evidence that (i) the withdrawal requested therein is permitted to be made, (ii) all conditions or requirements to such withdrawal have been satisfied (including, if applicable, those set forth in Section 6.02) and (iii) in the case of a Letter of Credit Account Prepayment Notice, the application of funds set forth therein

complies with Section 3.04(c). Notwithstanding anything herein to the contrary, the DIP Agent shall have no obligation to disburse any amount from the Letter of Credit Account in excess of the amounts then held in the Letter of Credit Account. The DIP Agent shall have no duty to inquire or investigate whether the Borrower is entitled to receive the funds requested (or have the funds applied in the manner requested) in the applicable Letter of Credit Account Withdrawal Notice or Letter of Credit Account Prepayment Notice, as applicable, and shall not be deemed to have any knowledge as to whether or not any such Letter of Credit Account Withdrawal Notice or Letter of Credit Account Prepayment Notice is permitted to be given.

ARTICLE III

Section 3.01 Repayment of Loans. If not sooner paid (pursuant to Section 3.04), the Borrower shall pay the DIP Term Loan and all other Secured Obligations, in full and in cash, together with accrued interest thereon (or, in the case of Letters of Credit, cash collateralize such Letters of Credit in accordance with Section 2.07(j)), on the Maturity Date.

Section 3.02 Interest.

(a) ABR Loans. The Loans comprising each ABR Borrowing shall bear interest at an annual rate equal to the sum of (i) the Alternate Base Rate *plus* (ii) the Applicable Margin, but in no event to exceed the Highest Lawful Rate.

(b) Eurodollar Loans. The Loans comprising each Eurodollar Borrowing shall bear interest at an annual rate equal to the sum of (i) the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing *plus* (ii) the Applicable Margin, but in no event to exceed the Highest Lawful Rate.

(c) Post-Default Rate. Notwithstanding the foregoing, if an Event of Default has occurred and is continuing, or if any principal of or interest on any Loan or any fee or other amount payable by the Borrower or any other Loan Party hereunder or under any other Loan Document is not paid when due, whether at stated maturity, upon acceleration or otherwise, then all Loans outstanding, in the case of an Event of Default, and such overdue amount, in the case of a failure to pay amounts when due, shall bear interest, after as well as before judgment, at a rate per annum equal to two percent (2.0%) *plus* (i) when used with respect to obligations other than Loans, an interest rate equal to the rate applicable to ABR Loans as provided in Section 3.02(a), and (ii) when used with respect to Loans the rate otherwise applicable to such Loans.

(e) Interest Rate Computations. All interest hereunder shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case interest shall be computed on the basis of a year of 365 days (or 366 days in a leap year), except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the DIP Agent, and such determination shall be conclusive absent manifest error, and be binding upon the parties hereto.

Section 3.03 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the DIP Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate for such Interest Period; or

(b) the DIP Agent is advised by the Required Lenders that the Adjusted LIBO Rate or LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period; then the DIP Agent shall give notice thereof to the Borrower and the Lenders as promptly as practicable thereafter and, until the DIP Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, and (ii) if any Notice of Borrowing requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing (without giving effect to clause (c) of the definition of Alternate Base Rate).

Each such notice shall be irrevocable and shall specify the prepayment date (which shall be a Business Day) and the principal

amount of each Borrowing or portion thereof to be prepaid; *provided*, that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked (by written notice to the DIP Agent on or prior to the specified effective date) if such condition is not satisfied (provided that the failure of such condition shall not relieve the Borrower from its obligations under Section 5.02 in respect thereof). Promptly following receipt of any such notice relating to a Borrowing, the DIP Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an aggregate amount that is an integral multiple of $500,000 and not less than $1,000,000. such date as a mandatory repayment in accordance with the requirements of Section 3.04(c).

(vi) Each optional prepayment made pursuant this Section 3.04(b) shall be applied ratably to the Loans in accordance with Section 3.04(c).

(vii) If the Borrower is required to make a mandatory prepayment of Eurodollar Borrowings under this Section 3.04, the Borrower shall have the right, in lieu of making such prepayment in full, to deposit an amount equal to such mandatory prepayment with the DIP Agent in a non-interest bearing cash collateral account maintained by and in the sole dominion and control of the DIP Agent. Any amounts so deposited shall be held by the DIP Agent as collateral for the prepayment of such Eurodollar Rate Loans and shall be applied to the prepayment of the applicable Eurodollar Rate Loans at the end of the current Interest Periods applicable thereto.

(c) Prepayments Waterfall. All Prepayments pursuant to this Section 3.04 shall be accompanied by accrued interest to the extent required by Section 3.02. Subject to the Carve-Out and the Wind-Down Budget (if any), each prepayment of Borrowings pursuant to this Section 3.04 shall be applied by the Borrower, in accordance with the DIP Order, and to the extent not in contravention with the DIP Order: (i) *first*, ratably to pay the Exit Fee, if applicable, (ii) *second*, to be remitted by the Borrower to the DIP Agent and applied by the DIP Agent ratably to repay the DIP Term Loans then outstanding, (iii) *third*, to be remitted by the Borrower to each of the Prepetition Term Agent and the Prepetition Revolver Agent, to be used by such Prepetition Agent to pay any superpriority adequate protection claims of the Prepetition Secured Parties on a pro rata basis; and (iv) *thereafter*, to be remitted by the Borrower to the Prepetition Revolving Agent, the Prepetition Term Agent and the DIP Agent, in such amounts to repay ratably the Prepetition Revolving Loans then outstanding, on the one hand, and the Roll-Up Loans and Prepetition Term Loans then outstanding, on the other hand (provided that funds allocated to the Roll-Up Loans and Prepetition Term Loans shall be applied to repay the Roll-Up Loans in full prior to the Prepetition Terms Loans); *provided that*, each repayment of Borrowings made under each tranche shall be applied, *first* ratably to any ABR Borrowings then outstanding under such tranche, and, *second*, to any Eurodollar Borrowings then outstanding under such tranche; *provided further*, if more than one Eurodollar Borrowing is outstanding under such tranche, such repayments shall be made to each such Eurodollar Borrowing in order of priority beginning with the Eurodollar Borrowing with the least number of days remaining in the Interest Period applicable thereto and ending with the Eurodollar Borrowing with the most number of days remaining in the Interest Period applicable thereto.

(d) No Premium or Penalty. Prepayments permitted or required under this Section 3.04 shall be without premium or penalty (other than the Exit Fee), except as required under Section 5.02.

(e) Notice of Prepayment. The Borrower shall notify the DIP Agent by written notice of any mandatory prepayment under Section 3.04(b) not later than 11:00 a.m., New York City time, two Business Days before the date of such prepayment. Each such notice

shall specify the prepayment date (which shall be a Business Day), the principal amount of each Borrowing or portion thereof to be prepaid and a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the DIP Agent shall advise the Lenders of the contents thereof.

(f) No Reborrowings. Amounts prepaid pursuant to this Section 3.04 may not be reborrowed.

Section 3.05 Fees.

(a) Structuring Fees. The Borrower agrees to pay to the DIP Agent, for the benefit of each Lender, a structuring fee (the "Structuring Fee") equal to 1.00% of the aggregate amount of such Lender's Commitment in respect of DIP Term Loans, which shall be due and payable on the Effective Date either in cash, or at the option of the Required Lenders, as "original issue discount" from the funded amounts advanced to Borrower on the Effective Date.

(b) Letter of Credit Fees. The Borrower agrees to pay (i) to each Issuing Bank, for its own account, (x) a fronting fee equal to 0.125% of the stated amount of each Prepetition Letter of Credit deemed issued by it hereunder, and (y) a fronting fee equal to 0.50% of the stated amount of each other Letter of Credit issued by it, *provided* that, in each case, in no event shall such fronting fee be less than $750.00 for any Letter of Credit, and (ii) to each Issuing Bank, for its own account, its standard fees with respect to the issuance, amendment, transfer, renewal or extension of any Letter of Credit issued by it or processing of drawings thereunder payable upon the effectiveness thereof. Any other fees payable to any Issuing Bank pursuant to this Section 3.05(b) shall be payable within ten (10) days after demand.

The Exit Fee (or portion thereof, as applicable) shall be paid in cash (i) on the date of any prepayment or repayment of DIP Term Loans pursuant to Section 3.04 or otherwise, (ii) in the case of any unused Delayed Draw Term Commitment, on the date of termination of such Commitment without funding thereunder, and (iii) on the Maturity Date. The Exit Fee, when paid, shall be paid to the DIP Agent for the benefit of each DIP Term Lender, ratably based on its Applicable Percentage.

(a) Payments by the Borrower. The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 5.01, Section 5.02, Section 5.03 or otherwise) prior to 11:00 a.m., New York City time, on the date when due, in immediately available funds, without defense, deduction, recoupment, set-off or counterclaim. Fees, once paid, shall be fully earned and shall not be refundable under any circumstances. Any amounts received after such time on any date may, in the discretion of the DIP Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the DIP Agent to the account of the DIP Agent specified from time to time for receipt of payments, except payments to be made directly to the applicable Issuing Bank as expressly provided herein and except that payments pursuant to Section 5.01, Section 5.02, Section 5.03 and Section 12.03 shall be made directly to the Persons entitled thereto. The DIP Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the DIP Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of fees then due to such parties, (ii) second, towards payment of interest then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest then due to such parties and (iii) third, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and other such obligations greater than its *pro rata* share thereof as provided herein, then the Lender receiving such greater proportion shall (i) notify the DIP Agent of such fact, and (ii) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; *provided* that (A) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (B) the provisions of this Section 4.01 shall not be construed

to apply to (1) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (2) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant. Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Loan Party in the amount of such participation.

Section 4.02 Payments by the Borrower; Presumptions by the DIP Agent. Unless the DIP Agent shall have received notice from the Borrower prior to the date on which any payment is due to the DIP Agent for the account of the Lenders or any Issuing Bank hereunder that the Borrower will not make such payment, the DIP Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or any Issuing Bank, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as the case may be, severally agrees to repay to the DIP Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the DIP Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the DIP Agent in accordance with banking industry rules on interbank compensation.

Section 4.03 Certain Deductions by the DIP Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(a), Section 4.02, Section 12.03(c) or otherwise hereunder then the DIP Agent may, in its discretion (notwithstanding any contrary provision hereof), (a) apply any amounts thereafter received by the DIP Agent for the account of such Lender and for the benefit of the DIP Agent or the Issuing Banks to satisfy such Lender's obligations hereunder until all such unsatisfied obligations are fully paid and/or (b) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender hereunder, in the case of each of (a) and (b) above, in any order as determined by the DIP Agent in its discretion. If at any time prior to the acceleration or maturity of the Loans, the DIP Agent receives any payment in respect of principal of a Loan while one or more Defaulting Lenders is a party to this Agreement, the DIP Agent shall apply such payment first to the Borrowing(s) for which any such Defaulting Lender has failed to fund its *pro rata* share until such time as such Borrowing(s) are paid in full or each Lender (including each Defaulting Lender) is owed its Applicable Percentage of all Loans then outstanding. After acceleration or maturity of the Loans, all principal will be applied ratably as provided in Section 10.02(c).

Section 4.04 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) [reserved]; and

(b) the Commitment and the Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 12.02), *provided* that any waiver, amendment or modification requiring the consent of all Lenders or each adversely affected Lender which affects such Defaulting Lender differently than all other Lenders or all other adversely affected Lenders, as the case may be, shall require the consent of such Defaulting Lender.

ARTICLE V
INCREASED COSTS; BREAK FUNDING PAYMENTS; TAXES; ILLEGALITY

Section 5.01 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Adjusted LIBO Rate) or any Issuing Bank;

(ii) subject any Lender or any Issuing Bank to any Tax of any kind whatsoever with respect to this Agreement, any Letter of Credit , or any Eurodollar Loan made by it (except for Indemnified Taxes, Other Taxes covered by Section 5.03 or Connection Income Taxes and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender or any Issuing Bank); or

(iii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Loans made by such Lender or any Letter of Credit; and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Issuing Bank of issuing or maintaining any Letter of Credit (or of maintaining its obligation to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or such Issuing Bank hereunder (whether of principal, interest or any other amount), then, upon request of such Lender or such Issuing Bank, the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements and affecting such Lender or any Issuing Bank or any lending office of such Lender or such Lender's or any Issuing Bank's holding company, if any, has or would have the effect of reducing the rate of return on such Lender's or any Issuing Bank's capital or on the capital of such Lender's or any Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender

or the Loans made by such Lender, or the Letters of Credit issued by any Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or any Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in Sections 5.01(a) or (b) and delivered to the Borrower (with a copy to the DIP Agent) shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Effect of Failure or Delay in Requesting Compensation. Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section 5.01 shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender or such Issuing Bank pursuant to this Section 5.01 for any increased costs incurred or reductions suffered more than 365 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; *provided*, *further*, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 365-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 5.02 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan into an ABR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto, or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 5.04(b), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market.

A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 5.02 shall be delivered to the Borrower (with a copy to the DIP Agent) and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

Section 5.03 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower or any Guarantor under any Loan Document shall be made free and clear of and without deduction or withholding for any Indemnified Taxes or Other Taxes; *provided* that if the Borrower or any Guarantor shall be required by applicable law to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 5.03(a)), the DIP Agent, Lender or Issuing Bank, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower or such Guarantor shall make such deductions and (iii) the Borrower or such Guarantor shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) Payment of Other Taxes by the Borrower. Without limiting the provisions of Section 5.03(a), the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Indemnification by the Borrower. The Borrower shall indemnify the DIP Agent, each Lender and each Issuing Bank, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 5.03) payable or paid by the DIP Agent, such Lender or such Issuing Bank, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower hereunder, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability under this Section 5.03 delivered to the Borrower by a Lender or an Issuing Bank (with a copy to the DIP Agent), or by the DIP Agent on its own behalf or on behalf of a Lender or an Issuing Bank, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender shall severally indemnify the DIP Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that Borrower has not already indemnified the DIP Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.04(d)(ii) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the DIP Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant

Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the DIP Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the DIP Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the DIP Agent to the Lender from any other source against any amount due to the DIP Agent under this paragraph (d).

(e) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower or a Guarantor to a Governmental Authority, the Borrower shall deliver to the DIP Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the DIP Agent.

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments made under this Agreement or any other Loan Document shall deliver to the Withholding Agent (with a copy to the DIP Agent), at the time or times prescribed by applicable law or reasonably requested by the Withholding Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Withholding Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Withholding Agent as will enable the Withholding Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution, and submission of such documentation (other than such documentation set forth in Sections 5.03(f)(ii)(A) and 5.03(f)(ii)(B) and Section 5.03(g) below) shall not be required if in the Lender's reasonable judgment such completion, execution, or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a "United States person" as defined in section 7701(a)(30) of the Code,

(A) any Lender that is a "United States person" as defined in section 7701(a)(30) of the Code shall deliver to the Withholding Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Withholding Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from United States federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Withholding Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such

Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Withholding Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from or reduction of, United States federal withholding tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, United States federal withholding tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**"), and (y) executed originals of IRS Form W-8BEN; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner; and

(5) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Withholding Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this

Agreement (and from time to time thereafter upon the reasonable request of the Withholding Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Withholding Agent to determine the withholding or deduction required to be made.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification, or promptly notify the Withholding Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If the DIP Agent, a Lender or an Issuing Bank determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 5.03, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 5.03 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the DIP Agent, such Lender or such Issuing Bank, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the Borrower, upon the request of the DIP Agent, such Lender or such Issuing Bank, agrees to repay the amount paid over to the Borrower (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the DIP Agent, such Lender or such Issuing Bank in the event the DIP Agent, such Lender or such Issuing Bank is required to repay such refund to such Governmental Authority. This Section 5.03 shall not be construed to require the DIP Agent, any Lender or any Issuing Bank to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

(h) FATCA. If a payment made to a Lender under this Agreement would be subject to United States federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Withholding Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Withholding Agent, such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the Withholding Agent to comply with its obligations under FATCA, to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for the purposes of this Section 5.03(h), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. For purposes of determining withholding Taxes imposed under FATCA, the Borrower and the DIP Agent shall treat (and the DIP Agent is authorized to treat) this Agreement as not qualifying as a "grandfathered obligation" within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

Section 5.04 Mitigation Obligations; Replacement of Lenders.

(a) Designation of Different Lending Office. If any Lender requests compensation under Section 5.01, or requires the Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 5.01 or Section 5.03, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 5.01, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, or if any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the DIP Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.04(b)), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that (i) the Borrower shall have paid to the DIP Agent the processing and recordation fee specified in Section 12.04(b)(iv), (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Credit Exposure in respect of Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.04(c) or Section 5.02), from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (iii) in the case of any such assignment resulting from a claim for compensation under Section 5.01 or payments required to be made pursuant to Section 5.03, such assignment will result in a reduction in such compensation or payments thereafter, and (iv) such assignment does not conflict with applicable law. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 5.05 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Lender or its applicable lending office to honor its obligation to make or maintain Eurodollar Loans either generally or having a particular Interest Period hereunder, then (a) such Lender shall promptly notify the Borrower and the DIP Agent thereof and such Lender's obligation to make such Eurodollar Loans shall be suspended (the "**Affected Loans**") until such time as such Lender may again make and maintain such Eurodollar Loans and (b) all Affected Loans which would otherwise be made by such Lender shall be made instead as ABR Loans (without giving effect to clause (c) of the definition of Alternate Base Rate) (and, if such Lender so requests by notice to the Borrower and the DIP Agent, all Affected Loans of such Lender then outstanding shall be automatically converted into ABR Loans on the

date specified by such Lender in such notice) and, to the extent that Affected Loans are so made as (or converted into) ABR Loans, all payments of principal which would otherwise be applied to such Lender's Affected Loans shall be applied instead to its ABR Loans.

The DIP Agent shall be deemed not to have knowledge of any Default unless and until written notice describing such Default is given to the DIP Agent by the Borrower, a Lender or an Issuing Bank.

Section 11.05 Reliance by DIP Agent. The DIP Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The DIP Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the DIP Agent may presume that such condition is satisfactory to such Lender or such Issuing Bank unless the DIP Agent shall have received notice to the contrary from such Lender or such Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. The DIP Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other

experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 11.06 Delegation of Duties. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a bank as a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring DIP Agent gives notice of its resignation, then the retiring DIP Agent may on behalf of the Lenders and each Issuing Bank, appoint a successor DIP Agent meeting the qualifications set forth above, *provided* that if no such successor DIP Agent has been appointed by the 30th day after the resigning DIP Agent gave notice of its resignation, the retiring DIP Agent's resignation shall nevertheless thereupon become effective in accordance with such notice and (a) the retiring DIP Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the DIP Agent on behalf of the Lenders or any Issuing Bank under any of the Loan Documents, the retiring DIP Agent shall continue to hold such collateral security until such time as a successor DIP Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the DIP Agent shall instead be made by or to each Lender and each Issuing Bank directly, until such time as the Required Lenders appoint a successor DIP Agent as provided for above in this Section 11.06. Upon the acceptance of a successor's appointment as DIP Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) DIP Agent, and the retiring DIP Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Borrower to a successor DIP Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring DIP Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article XI and Section 12.03 shall continue in effect for the benefit of such retiring DIP Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring DIP Agent was acting as DIP Agent.

Section 11.08 Non-Reliance on DIP Agent and Other Lenders. Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the DIP Agent or any other Lender or any of their Related Parties and based on such documents and information

as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the DIP Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder. The DIP Agent shall not be required to keep itself informed as to the performance or observance by the Borrower or any of its Subsidiaries of this Agreement, the Loan Documents, or any other document referred to or provided for herein or to inspect the Properties or books of the Loan Parties or the Subsidiaries. Section 11.10 Authority of DIP Agent to Release Collateral and Liens. Each Lender and each Issuing Bank hereby authorizes, and each other Person accepting the benefit of the Liens created by the Security Instruments shall be deemed to have authorized, the DIP Agent to release (a) any Collateral that is permitted to be sold or released pursuant to the terms of the Loan Documents, and (b) any Mortgaged Property that does not constitute Material Real Property if any Building (as defined in the applicable Flood Insurance Law) or Manufactured (Mobile) Home (as defined in the applicable Flood Insurance Law) is situated on such Mortgaged Property and the DIP Agent, in its sole discretion, determines that the costs, financial and otherwise, of obtaining or maintaining a Lien or complying with all Governmental Requirements with respect to such Lien outweigh the benefit to the Secured Parties of the security afforded thereby. Each Lender and each Issuing Bank hereby authorizes, and each other Person accepting the benefit of the Liens created by the Security Instruments shall be deemed to have authorized, the DIP Agent to execute and deliver to the Borrower (or file, if appropriate), at the Borrower's sole cost and expense, any and all releases of Liens, termination statements, assignments or other documents reasonably requested by the Borrower in connection with any sale or other disposition of Property to the extent such sale or other disposition is permitted by the terms of Section 9.11 or is otherwise authorized by the terms of the Loan Documents. To the extent any Property is sold, assigned, conveyed or otherwise transferred as expressly permitted by Section 9.11 to any Person other than a Loan Party, such Collateral shall be sold, assigned, conveyed or otherwise transferred free and clear of all Liens created by the Loan Documents.

Section 11.11 Action by the DIP Agent. The DIP Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the DIP Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders or Issuing Banks, as applicable, as shall be necessary under the circumstances as

provided in Section 10.02 or Section 12.02) and in all cases the DIP Agent shall be fully justified in failing or refusing to act hereunder or under any other Loan Documents unless it shall (a) receive written instructions from the Required Lenders (or such other number or percentage of the Lenders or Issuing Banks, as applicable, as shall be necessary under the circumstances as provided in Section 12.02) specifying the action to be taken and (b) be indemnified to its satisfaction by the Lenders or Issuing Banks, as applicable, against any and all liability and expenses which may be incurred by it by reason of taking or continuing to take any such action. The instructions as aforesaid and any action taken or failure to act pursuant thereto by the DIP Agent shall be binding on all of the Lenders and Issuing Banks. If a Default has occurred and is continuing, then the DIP Agent shall take such action with respect to such Default as shall be directed by the requisite Lenders in the written instructions (with indemnities) described in this Section, *provided* that, unless and until the DIP Agent shall have received such directions, the DIP Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders. In no event, however, shall the DIP Agent be required to take any action which exposes the DIP Agent to personal liability or which is contrary to this Agreement, the Loan Documents or applicable law.

Section 11.12 Certain Secured Parties. No Bank Products Provider that obtains the benefit of Section 10.02(c) or any Collateral by virtue of the provisions hereof or any Security Instrument or DIP Order shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) (or to notice of or to consent to any amendment, waiver or modification of the provisions hereof, any DIP Order or of any Security Instrument) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article XI to the contrary, the DIP Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Obligations consisting of Bank Products except to the extent expressly provided herein and unless the DIP Agent has received a Secured Party Designation Notice of such Secured Obligations, together with such supporting documentation as the DIP Agent may request, from the applicable Bank Products Provider. The Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Obligations consisting of Bank Products in the case of a Maturity Date.

Section 12.02 Waivers; Amendments.

(a) No failure on the part of the DIP Agent, any Issuing Bank or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege, or any abandonment or discontinuance of steps to enforce such right, power or privilege, under any of the Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under any of the Loan Documents preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies of the DIP Agent, any Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by Section 12.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the DIP Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof nor any Security Instrument nor any provision thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders, and acknowledged by the DIP Agent, or by the Borrower and the DIP Agent with the consent of the Required Lenders; *provided* that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, or reduce any other Secured Obligations hereunder or under any other Loan Document, without the written consent of each Lender adversely affected thereby, *provided, however,* that only the consent of the Required Lenders shall be necessary (A) to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate or (B) [reserved], (iii) except as provided in the definition of "Scheduled Maturity Date", postpone the scheduled date of payment or prepayment of the principal amount of any Loan (excluding mandatory prepayments), or any interest thereon, or any fees payable hereunder, or any other Secured Obligations hereunder or under any other Loan Document, or reduce the amount of, waive or excuse any such payment, or postpone or extend the Maturity Date or Maturity Date without the written consent of each Lender adversely affected thereby, (iv) change Section 4.01(b) or Section 4.01(c) in a manner that would alter the *pro rata* sharing of payments required thereby, without the written consent of

each Lender, (v) waive or amend Section 3.04(c), Section 6.01, Section 10.02(c) or Section 12.14 or change the definition of the terms "Domestic Subsidiary", "Foreign Subsidiary" or "Subsidiary", without the written consent of each Lender (other than any Defaulting Lender), (vi) release any Guarantor (except as permitted pursuant to the Guaranty and Collateral Agreement or in connection with a sale of such Guarantor permitted under Section 9.11) or release all or substantially all of the Collateral, without the written consent of each Lender (other than any Defaulting Lender), (vii) change any of the provisions of this Section 12.02(b), Section 10.02(c), or the definitions of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or under any other Loan Documents or make any determination or grant any consent hereunder or any other Loan Documents, without the written consent of each Lender other than any Defaulting Lender, (viii) change the application of prepayments under Section 3.04(c), without the written consent of the Required Lenders (it being understood that the Required Lenders may waive, in whole or in part, any prepayment so long as the application of any such prepayment that is still required to be made is not changed), or (ix) modify Section 2.07 (or any definitions related thereto) in any manner that is adverse to the Issuing Banks that have Letters of Credit outstanding without the consent of each such Issuing Bank*; provided*, *further*, that (x) no such agreement shall amend, modify or otherwise affect the rights or duties of the DIP Agent or any Issuing Bank hereunder or under any other Loan Document without the prior written consent of the DIP Agent or any Issuing Bank, as the case may be, and (y) the Agency Fee Letter may be amended, or rights or privileged thereunder waived in a writing executed only by the parties thereto (without the need for the consent of any other party thereto). Notwithstanding the foregoing, (x) any supplement to Schedule 7.14 (Subsidiaries) shall be effective simply by delivering to the DIP Agent a supplemental schedule clearly marked as such and, upon receipt, the DIP Agent will promptly deliver a copy thereof to the Lenders, (y) the Borrower (or other applicable Loan Party) and the DIP Agent may amend this Agreement or any other Loan Document without the consent of the Lenders in order to correct, amend or cure any ambiguity, inconsistency or defect or correct any typographical error or other manifest error in any Loan Document if the same is not objected to in writing by Lenders constituting the Required Lenders within 5 Business Days after the DIP Agent delivers written notice thereof to the Lenders, and (z) the DIP Agent and the Borrower (or other applicable Loan Party) may enter into any amendment, modification or waiver of this Agreement or any other Loan Document or enter into any agreement or instrument to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Mortgaged Property or Property to become Mortgaged Property to secure the Secured Obligations for the benefit of the Lenders or as required by any Governmental Requirement to give effect to, protect or otherwise enhance the rights or benefits of any Lender under the Loan Documents without the consent of any Lender.

Section 12.03 Expenses, Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the DIP Agent and its Affiliates and by the Lenders (including the reasonable fees, charges and disbursements of counsel and other outside consultants for the DIP Agent and the Lenders) in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration (both before and after the execution hereof and including advice of counsel to the DIP Agent as to the rights and duties

of the DIP Agent and the Lenders with respect thereto) of this Agreement and the other Loan Documents and any amendments, modifications or waivers of or consents related to the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) (limited, in the case of legal fees, disbursements and charges, to the reasonable and documented fees, disbursements and other charges of Arnold & Porter Kaye Scholer LLP, as counsel to the DIP Agent, Willkie Farr & Gallagher LLP, as counsel for the Lenders, a single counsel for the Issuing Banks, and local counsel in each material jurisdiction), (ii) all costs, expenses, Taxes, assessments and other charges incurred by the DIP Agent or any Lender in connection with any filing, registration, recording or perfection of any security interest contemplated by this Agreement or any Security Instrument or any other document referred to therein, (iii) all reasonable out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder (limited, in the case of legal fees, disbursements and charges, to the reasonable and documented fees, disbursements and other charges of Arnold & Porter Kaye Scholer LLP, as counsel to the DIP Agent, Willkie Farr & Gallagher LLP, as counsel for the Lenders, a single counsel for the Issuing Banks, and local counsel in each material jurisdiction), and (iv) all out-of-pocket expenses incurred by the DIP Agent, any Issuing Bank or any Lender (including the fees, charges and disbursements of any counsel for the DIP Agent, any Issuing Bank or any Lender) in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including its rights under this Section 12.03 or in connection with the Loans made or Letters of Credit issued hereunder, including, without limitation, all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit (limited, in the case of legal fees, disbursements and charges, to the reasonable and documented fees, disbursements and other charges of Arnold & Porter Kaye Scholer LLP, as counsel to the DIP Agent, Willkie Farr & Gallagher LLP, as counsel for the Lenders, a single counsel for the Issuing Banks, and local counsel in each material jurisdiction). Notwithstanding anything to the contrary contained in this Section 12.03(a) or elsewhere in any of the Loan Documents, neither the Borrower nor any Subsidiary shall be obligated to pay or reimburse any Person for any costs, expenses, fees, taxes or other charges of any nature whatsoever that are incurred or payable by any Person in connection with any assignment referred to in Section 12.04(b), any participation referred to in Section 12.04(d) or any pledge or security interest referred to in Section 12.04(f).

(b) INDEMNIFICATION BY THE BORROWER. THE BORROWER SHALL INDEMNIFY EACH AGENT (AND ANY SUB-AGENT THEREOF), ANY ISSUING BANK AND EACH LENDER, AND EACH RELATED PARTY OF ANY OF THE FOREGOING PERSONS (EACH SUCH PERSON BEING CALLED AN "**INDEMNITEE**") AGAINST, AND DEFEND AND HOLD EACH INDEMNITEE HARMLESS FROM, ANY AND ALL LOSSES, CLAIMS, DAMAGES, PENALTIES, LIABILITIES AND RELATED EXPENSES, INCLUDING THE FEES, CHARGES AND DISBURSEMENTS OF ANY COUNSEL FOR ANY INDEMNITEE (LIMITED, IN THE CASE OF LEGAL FEES, DISBURSEMENTS AND CHARGES, TO THE REASONABLE AND DOCUMENTED FEES, DISBURSEMENTS AND OTHER CHARGES OF ARNOLD & PORTER KAYE SCHOLER LLP, AS COUNSEL TO THE DIP AGENT, WILLKIE FARR & GALLAGHER LLP, AS COUNSEL FOR THE LENDERS, A SINGLE COUNSEL FOR THE ISSUING BANKS, AND LOCAL COUNSEL IN EACH MATERIAL JURISDICTION), INCURRED BY ANY

INDEMNITEE OR ASSERTED AGAINST ANY INDEMNITEE BY A THIRD PARTY OR BY THE BORROWER OR ANY SUBSIDIARY ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF (i) THE EXECUTION OR DELIVERY OF THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE PERFORMANCE BY THE PARTIES HERETO OR THE PARTIES TO ANY OTHER LOAN DOCUMENT OF THEIR RESPECTIVE OBLIGATIONS HEREUNDER OR THEREUNDER OR THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, (ii) THE FAILURE OF THE BORROWER OR ANY SUBSIDIARY TO COMPLY WITH THE TERMS OF ANY LOAN DOCUMENT, INCLUDING THIS AGREEMENT, OR WITH ANY GOVERNMENTAL REQUIREMENT, (iii) ANY INACCURACY OF ANY REPRESENTATION OR ANY BREACH OF ANY WARRANTY OR COVENANT OF THE BORROWER OR ANY GUARANTOR SET FORTH IN ANY OF THE LOAN DOCUMENTS OR ANY INSTRUMENTS, DOCUMENTS OR CERTIFICATIONS DELIVERED IN CONNECTION THEREWITH, (iv) ANY LOAN OR LETTER OF CREDIT OR THE USE OF THE PROCEEDS THEREFROM, INCLUDING, WITHOUT LIMITATION, (A) ANY REFUSAL BY ANY ISSUING BANK TO HONOR A DEMAND FOR PAYMENT UNDER A LETTER OF CREDIT IF THE DOCUMENTS PRESENTED IN CONNECTION WITH SUCH DEMAND DO NOT STRICTLY COMPLY WITH THE TERMS OF SUCH LETTER OF CREDIT, OR (B) THE PAYMENT OF A DRAWING UNDER ANY LETTER OF CREDIT NOTWITHSTANDING THE NON-COMPLIANCE, NON-DELIVERY OR OTHER IMPROPER PRESENTATION OF THE DOCUMENTS PRESENTED IN CONNECTION THEREWITH, (v) ANY OTHER ASPECT OF THE LOAN DOCUMENTS, (vi) THE OPERATIONS OF THE BUSINESS OF THE BORROWER AND ITS SUBSIDIARIES BY THE BORROWER AND ITS SUBSIDIARIES, (vii) ANY ASSERTION THAT THE SECURED PARTIES WERE NOT ENTITLED TO RECEIVE THE PROCEEDS RECEIVED PURSUANT TO THE SECURITY INSTRUMENTS, (viii) ANY ENVIRONMENTAL LAW APPLICABLE TO THE BORROWER OR ANY SUBSIDIARY OR ANY OF THEIR PROPERTIES OR OPERATIONS, INCLUDING, THE PRESENCE, GENERATION, STORAGE, RELEASE, THREATENED RELEASE, USE, TRANSPORT, DISPOSAL, ARRANGEMENT OF DISPOSAL OR TREATMENT OF HAZARDOUS MATERIALS ON OR AT ANY OF THEIR PROPERTIES, (ix) THE BREACH OR NON-COMPLIANCE BY THE BORROWER OR ANY SUBSIDIARY WITH ANY ENVIRONMENTAL LAW APPLICABLE TO THE BORROWER OR ANY SUBSIDIARY, (x) THE PAST OWNERSHIP BY THE BORROWER OR ANY SUBSIDIARY OF ANY OF THEIR PROPERTIES OR PAST ACTIVITY ON ANY OF THEIR PROPERTIES WHICH, THOUGH LAWFUL AND FULLY PERMISSIBLE AT THE TIME, COULD RESULT IN PRESENT LIABILITY, (xi) THE PRESENCE, USE, RELEASE, STORAGE, TREATMENT, DISPOSAL, GENERATION, THREATENED RELEASE, TRANSPORT, ARRANGEMENT FOR TRANSPORT OR ARRANGEMENT FOR DISPOSAL OF HAZARDOUS MATERIALS ON OR AT ANY OF THE PROPERTIES OWNED OR OPERATED BY THE BORROWER OR ANY SUBSIDIARY OR ANY ACTUAL OR ALLEGED PRESENCE OR RELEASE OF HAZARDOUS MATERIALS ON OR FROM ANY PROPERTY OWNED OR OPERATED BY THE BORROWER OR ANY OF ITS SUBSIDIARIES, (xii) ANY ENVIRONMENTAL LIABILITY RELATED IN ANY WAY TO THE BORROWER OR ANY OF ITS SUBSIDIARIES, OR (xiii) ANY OTHER ENVIRONMENTAL, HEALTH OR SAFETY

CONDITION IN CONNECTION WITH THE LOAN DOCUMENTS, OR (xiv) ANY ACTUAL OR PROSPECTIVE CLAIM, LITIGATION, INVESTIGATION OR PROCEEDING RELATING TO ANY OF THE FOREGOING, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY, WHETHER BROUGHT BY A THIRD PARTY OR BY THE BORROWER OR ANY SUBSIDIARY, AND REGARDLESS OF WHETHER ANY INDEMNITEE IS A PARTY THERETO, AND SUCH INDEMNITY SHALL EXTEND TO EACH INDEMNITEE NOTWITHSTANDING THE SOLE OR CONCURRENT NEGLIGENCE OF EVERY KIND OR CHARACTER WHATSOEVER, WHETHER ACTIVE OR PASSIVE, WHETHER AN AFFIRMATIVE ACT OR AN OMISSION, INCLUDING WITHOUT LIMITATION, ALL TYPES OF NEGLIGENT CONDUCT IDENTIFIED IN THE RESTATEMENT (SECOND) OF TORTS OF ONE OR MORE OF THE INDEMNITEES OR BY REASON OF STRICT LIABILITY IMPOSED WITHOUT FAULT ON ANY ONE OR MORE OF THE INDEMNITEES; *PROVIDED* THAT SUCH INDEMNITY SHALL NOT, AS TO ANY INDEMNITEE, BE AVAILABLE TO THE EXTENT THAT SUCH LOSSES, CLAIMS, DAMAGES, LIABILITIES OR RELATED EXPENSES (x) ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION BY FINAL AND NONAPPEALABLE JUDGMENT TO HAVE RESULTED FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNITEE, (y) OTHER THAN IN THE CASE OF THE DIP AGENT AND ITS RELATED PARTIES, RESULT FROM A CLAIM BROUGHT BY THE BORROWER OR ANY SUBSIDIARY AGAINST ANY INDEMNITEE FOR BREACH IN BAD FAITH OF SUCH INDEMNITEE'S OBLIGATIONS HEREUNDER OR UNDER ANY OTHER LOAN DOCUMENT, IF THE BORROWER OR SUCH SUBSIDIARY HAS OBTAINED A FINAL AND NONAPPEALABLE JUDGMENT IN ITS FAVOR ON SUCH CLAIM AS DETERMINED BY A COURT OF COMPETENT JURISDICTION OR (z) RESULT FROM ANY DISPUTE SOLELY AMONG INDEMNITEES, OTHER THAN ANY CLAIMS AGAINST ANY INDEMNITEE IN ITS CAPACITY OR IN FULFILLING ITS ROLE AS AN AGENT, OR ANY SIMILAR ROLE UNDER THIS AGREEMENT, AND OTHER THAN ANY CLAIMS ARISING OUT OF ANY ACT OR OMISSION ON THE PART OF THE BORROWER OR ANY OF ITS SUBSIDIARIES OR AFFILIATES.

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fails to pay indefeasibly any amount required under Sections 12.03(a) or (b) to be paid by it to the DIP Agent (or any sub-agent thereof), any Issuing Bank or any Related Party of any of the foregoing, each Lender severally agrees to pay to such Agent (or any such sub-agent), such Issuing Bank or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought (or, if such indemnity or reimbursement is sought after the date upon which the Loans shall have been paid in full and the Commitments have been terminated, in accordance with such Lenders' Applicable Share as in effect immediately prior to such date))) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the DIP Agent (or any such sub-agent) or such Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the DIP Agent (or any such sub-agent) or such Issuing Bank in connection with such capacity. Each Lender hereby authorizes the DIP Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, no party shall assert, and hereby waives, any claim against any other party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof (other than to the extent any such damages are asserted pursuant to a third-party claim that would otherwise be required to be indemnified or reimbursed pursuant to any Loan Document). No Indemnitee referred to in Section 12.03(b) shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the Transactions.

(e) Payments. All amounts due under this Section 12.03 shall be payable promptly after written demand therefor.

Section 12.04 Assignments and Participations.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues a Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the DIP Agent and each Lender, and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except (A) to an assignee in accordance with the provisions of Section 12.04(b), (B) by way of participation in accordance with the provisions of Section 12.04(d), or (C) by way of pledge or assignment of a security interest subject to the restrictions of Section 12.04(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in Section 12.04(d)) and, to the extent expressly contemplated hereby, the Related Parties of each of the DIP Agent, any Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that any such assignments shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to

it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in Section 12.04(b)(i)(A), the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the DIP Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than $5,000,000, unless each of the DIP Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all of the assigning Lender's rights and obligations under this Agreement and with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights on a non- *pro rata* basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 12.04(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the DIP Agent within five (5) Business Days after having received notice thereof; and

(B) the consent of the DIP Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of a Commitment or Credit Exposure if such assignment is to a Person that is not a Lender with a Commitment, an Affiliate of such Lender or an Approved Fund with respect to such Lender.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the DIP Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500 (which may be waived or reduced in the sole discretion of the DIP Agent), and the assignee, if it is not a Lender, shall deliver to the DIP Agent an Administrative Questionnaire and any tax forms required under Section 5.03.

(v) No Assignment to Borrower. No such assignment shall be made to the Borrower, any Sponsor, or any of the Borrower's or any Sponsor's Affiliates or Subsidiaries.

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person.

(vii) No Assignments to Defaulting Lenders. No such assignment shall be made to a Defaulting Lender.

Subject to acceptance and recording thereof by the DIP Agent pursuant to Section 12.04(c), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 5.01, Section 5.02, Section 5.03 and Section 12.03 with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.04(d).

(c) Register. The DIP Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Upon the DIP Agent's receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and applicable tax forms (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 12.04(b) and any written consent to such assignment required by Section 12.04(b), the DIP Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this Section 12.04(c). The entries in the Register shall be conclusive, and the Borrower, the DIP Agent, any Issuing Bank and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Issuing Banks and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations.

(i) Any Lender may at any time, without the consent of, or notice to the Borrower, the DIP Agent or any Issuing Bank, sell participations to any

Person (other than a natural Person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the DIP Agent, any Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

(ii) Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the proviso to Section 12.02 that affects such Participant. In addition such agreement must provide that the Participant be bound by the provisions of Section 12.03. Subject to Section 12.04(e), the Borrower agrees that each Participant shall be entitled to the benefits of Section 5.01, Section 5.02 and Section 5.03 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender, *provided* that such Participant agrees to be subject to Section 4.01(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the DIP Agent (in its capacity as DIP Agent) shall have no responsibility for maintaining a Participant Register.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 5.01 or Section 5.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant,

unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 5.03 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 5.03(f) as though it were a Lender

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including, without limitation, any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank having jurisdiction over such Lender, and Section 12.04(e) shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Restrictions if Registration Required. Notwithstanding any other provisions of this Section 12.04, no transfer or assignment of the interests or obligations of any Lender or any grant of participations therein shall be permitted if such transfer, assignment or grant would require the Borrower and the Guarantors to file a registration statement with the SEC or to qualify the Loans under the "Blue Sky" laws of any state.

Section 12.05 Survival; Revival; Reinstatement.

(a) All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the DIP Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Section 5.01, Section 5.02, Section 5.03 and Section 12.03 and Article XI shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

(b) To the extent that any payments on the Secured Obligations or proceeds of any Collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under any bankruptcy law, common law or equitable cause, then to such extent, the Secured Obligations so satisfied shall be revived and continue as if such payment or proceeds had not been received and the DIP Agent's and the Lenders' Liens, security interests, rights, powers and remedies under this Agreement and each Loan Document shall continue in full force and effect. In such event,

each Loan Document shall be automatically reinstated and the Borrower shall take such action as may be reasonably requested by the DIP Agent or the Lenders to effect such reinstatement.

Section 12.06 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

(b) Integration. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the DIP Agent constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES HERETO AND THERETO AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

(c) Effectiveness. Except as provided in Section 6.01, this Agreement shall become effective when it shall have been executed by the DIP Agent and when the DIP Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

(d) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 12.07 Severability. Any provision of this Agreement or any other Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, each Issuing Bank and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in

whatever currency) at any time held and other obligations (of whatsoever kind, including, without limitations obligations under Hedging Agreements, and in whatever currency) at any time owing by such Lender, such Issuing Bank or any such Affiliate to or for the credit or the account of the Borrower or any Subsidiary against any and all of the obligations of the Borrower or any Subsidiary now or hereafter existing under this Agreement or any other Loan Document to such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Subsidiary may be contingent or unmatured or are owed to a branch or office of such Lender or such Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness. The rights of each Lender, each Issuing Bank and their respective Affiliates under this Section 12.08 are in addition to other rights and remedies (including other rights of setoff) that such Lender, such Issuing Bank or their respective Affiliates may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the DIP Agent promptly after any such setoff and application; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 12.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT AND, EXCEPT AS OTHERWISE SET FORTH THEREIN, THE OTHER LOAN DOCUMENTS SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THE LOAN DOCUMENTS SHALL, EXCEPT AS OTHERWISE SET FORTH THEREIN, BE BROUGHT EXCLUSIVELY IN THE BANKRUPTCY COURT AND IF THE BANKRUPTCY COURT DOES NOT HAVE OR ABSTAINS FROM JURISDICTION, THE COURTS OF THE COUNTY AND STATE OF NEW YORK OR OF THE UNITED STATES OF AMERICA FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY HEREBY ACCEPTS FOR ITSELF AND (TO THE EXTENT PERMITTED BY LAW) IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING, WITHOUT LIMITATION, ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION OR PROCEEDING IN SUCH RESPECTIVE JURISDICTIONS.

(c) EACH PARTY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO IT AT THE ADDRESS SPECIFIED IN SECTION 12.01 OR SUCH OTHER ADDRESS AS IS SPECIFIED PURSUANT TO SECTION 12.01 (OR ITS ASSIGNMENT AND ASSUMPTION), SUCH SERVICE TO BECOME EFFECTIVE THIRTY (30) DAYS AFTER SUCH MAILING. NOTHING HEREIN SHALL AFFECT THE RIGHT OF A PARTY OR ANY HOLDER OF A NOTE TO SERVE

PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANOTHER PARTY IN ANY OTHER JURISDICTION.

(d) EACH PARTY HEREBY (i) IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY) AND FOR ANY COUNTERCLAIM THEREIN; (ii) IRREVOCABLY WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT IT MAY HAVE TO CLAIM OR RECOVER IN ANY SUCH LITIGATION ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR DAMAGES OTHER THAN, OR IN ADDITION TO, ACTUAL DAMAGES; (iii) CERTIFIES THAT NO OTHER PARTY HERETO NOR ANY REPRESENTATIVE, AGENT OR ATTORNEY FOR ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, OR IMPLIED, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVERS, AND (iv) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT, THE LOAN DOCUMENTS AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS CONTAINED IN THIS SECTION 12.09.

Section 12.10 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.11 Confidentiality. Each of the DIP Agent, any Issuing Bank and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors (including accountants and legal counsel) and other representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement or any other Loan Document, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 12.11, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Hedging Agreement relating to the Borrower and its obligations, (g) with the consent of

the Borrower, (h) to any other party to this Agreement, or (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 12.11 or (ii) becomes available to the DIP Agent, any Issuing Bank, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower. For purposes of this Section 12.11, "**Information**" means all information received from any Sponsor, Southcross Holdings, the Borrower or any Subsidiary relating to any Sponsor, Southcross Holdings, the Borrower or any Subsidiary or any of their respective businesses, other than any such information that is available to the DIP Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by any Sponsor, Southcross Holdings, the Borrower or a Subsidiary; *provided* that, in the case of information received from any Sponsor, Southcross Holdings, the Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 12.11 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 12.12 Interest Rate Limitation. It is the intention of the parties hereto that each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the Transactions contemplated hereby would be usurious as to any Lender under laws applicable to it (including the laws of the United States of America and the State of Texas or any other jurisdiction whose laws may be mandatorily applicable to such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in any of the Loan Documents or any agreement entered into in connection with or as security for the Secured Obligations, it is agreed as follows: (a) the aggregate of all consideration which constitutes interest under law applicable to any Lender that is contracted for, taken, reserved, charged or received by such Lender under any of the Loan Documents or agreements or otherwise in connection with the Loans shall under no circumstances exceed the maximum amount allowed by such applicable law, and any excess shall be canceled automatically and if theretofore paid shall be credited by such Lender on the principal amount of the Secured Obligations (or, to the extent that the principal amount of the Secured Obligations shall have been or would thereby be paid in full, refunded by such Lender to the Borrower); and (b) in the event that the maturity of the Loans is accelerated by reason of an election of the holder thereof resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Lender as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Lender on the principal amount of the Secured Obligations (or, to the extent that the principal amount of the Secured Obligations shall have been or would thereby be paid in full, refunded by such Lender to the Borrower). All sums paid or agreed to be paid to any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Lender, be amortized, prorated, allocated and spread throughout the stated term of the Loans until Payment in Full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (i) the amount of interest payable to any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Lender pursuant to this Section 12.12

and (ii) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Lender would be less than the amount of interest payable to such Lender computed at the Highest Lawful Rate applicable to such Lender, then the amount of interest payable to such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Lender until the total amount of interest payable to such Lender shall equal the total amount of interest which would have been payable to such Lender if the total amount of interest had been computed without giving effect to this Section 12.12. To the extent that Chapter 303 of the Texas Finance Code is relevant for the purpose of determining the Highest Lawful Rate applicable to a Lender, such Lender elects to determine the applicable rate ceiling under such Chapter by the weekly ceiling from time to time in effect. Chapter 346 of the Texas Finance Code does not apply to the Borrower's obligations hereunder.

Section 12.13 Exculpation Provisions. EACH OF THE PARTIES HERETO SPECIFICALLY AGREES THAT IT HAS A DUTY TO READ THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND AGREES THAT IT IS CHARGED WITH NOTICE AND KNOWLEDGE OF THE TERMS OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; THAT IT HAS IN FACT READ THIS AGREEMENT AND IS FULLY INFORMED AND HAS FULL NOTICE AND KNOWLEDGE OF THE TERMS, CONDITIONS AND EFFECTS OF THIS AGREEMENT; THAT IT HAS BEEN REPRESENTED BY INDEPENDENT LEGAL COUNSEL OF ITS CHOICE THROUGHOUT THE NEGOTIATIONS PRECEDING ITS EXECUTION OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; AND HAS RECEIVED THE ADVICE OF ITS ATTORNEY IN ENTERING INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; AND THAT IT RECOGNIZES THAT CERTAIN OF THE TERMS OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS RESULT IN ONE PARTY ASSUMING THE LIABILITY INHERENT IN SOME ASPECTS OF THE TRANSACTION AND RELIEVING THE OTHER PARTY OF ITS RESPONSIBILITY FOR SUCH LIABILITY. EACH PARTY HERETO AGREES AND COVENANTS THAT IT WILL NOT CONTEST THE VALIDITY OR ENFORCEABILITY OF ANY EXCULPATORY PROVISION OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS ON THE BASIS THAT THE PARTY HAD NO NOTICE OR KNOWLEDGE OF SUCH PROVISION OR THAT THE PROVISION IS NOT "CONSPICUOUS."

Section 12.14 [Reserved].

Section 12.15 No Third Party Beneficiaries. This Agreement, the other Loan Documents, and the agreement of the Lenders to make Loans and each Issuing Bank to issue, amend, renew or extend Letters of Credit hereunder are solely for the benefit of the Borrower, and no other Person (including, without limitation, any Subsidiary of the Borrower, any obligor, contractor, subcontractor, supplier or materialman) shall have any rights, claims, remedies or privileges hereunder or under any other Loan Document against the DIP Agent, any Issuing Bank or any Lender for any reason whatsoever. There are no third party beneficiaries.

Section 12.16 USA Patriot Act Notice. The DIP Agent and each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-

56 (signed into law October 26, 2001)) (the "**USA Patriot Act**"), it is required to obtain, verify and record information that identifies the Borrower and its Subsidiaries, which information includes the name and address of the Borrower and its Subsidiaries and other information that will allow the DIP Agent and such Lender to identify the Borrower and its Subsidiaries in accordance with the USA Patriot Act.

Section 12.17 [Reserved].

Section 12.18 Non-Recourse to the General Partner. This Agreement and the other Loan Documents do not and will not in any way constitute a direct or indirect guaranty by the General Partner of the obligations of the Borrower or any Subsidiary hereunder or thereunder. If any provision of this Agreement or any other Loan Document is held by any authority to constitute a direct or indirect guaranty by the General Partner of the obligations of the Borrower or any Subsidiary, such provision shall be deemed ineffective to the extent such provision constitutes a direct or indirect guaranty by the General Partner of the obligations of the Borrower or any Subsidiary. Neither this Agreement nor any Loan Document is intended to create any liability of the General Partner for the performance of any obligation of the Borrower or any Subsidiary thereunder or hereunder. NEITHER THE DIP AGENT NOR ANY LENDER SHALL HAVE ANY RECOURSE AGAINST THE GENERAL PARTNER (INCLUDING ANY RECOURSE FOR ANY DEFICIENCY REMAINING UNDER THIS AGREEMENT OR ANY LOAN DOCUMENT AFTER THE DISPOSITION OF COLLATERAL PLEDGED BY THE BORROWER OR ANY SUBSIDIARY AND THE DISPOSITION OF THE GP COLLATERAL PLEDGED BY THE GENERAL PARTNER); *PROVIDED*, THAT, NOTWITHSTANDING THE FOREGOING TO THE CONTRARY, IN NO EVENT SHALL THIS SECTION 12.18 RELIEVE THE GENERAL PARTNER FROM ANY LIABILITY IT MAY HAVE AS A RESULT OF ITS FRAUD, WILLFUL MISCONDUCT OR GROSS NEGLIGENCE, OR THAT OF ANY OF ITS OFFICERS, IN CONNECTION WITH THE EXECUTION, DELIVERY OR PERFORMANCE OF ANY LOAN DOCUMENTS OR ANY CERTIFICATES OR DOCUMENTS DELIVERED IN CONNECTION THEREWITH BY THE GENERAL PARTNER ON BEHALF OF THE BORROWER IN ITS CAPACITY AS THE BORROWER'S GENERAL PARTNER.

Section 12.19 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that: (a) (i) no fiduciary, advisory or agency relationship between the Borrower and its Subsidiaries and the DIP Agent or any Lender is intended to be or has been created in respect of the transactions contemplated hereby or by the other Loan Documents, irrespective of whether the DIP Agent or any Lender has advised or is advising the Borrower or any Subsidiary on other matters; (ii) the arranging and other services regarding this Agreement provided by the DIP Agent and the Lenders are arm's-length commercial transactions between the Borrower and its Subsidiaries, on the one hand, and the DIP Agent and the Lenders, on the other hand; (iii) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent that it has deemed appropriate; and (iv) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; and (b) (i) the DIP

Agent and the Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Subsidiaries, or any other Person; (ii) neither the DIP Agent or the Lenders has any obligation to the Borrower or any of its Subsidiaries with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the DIP Agent and the Lenders and their respective Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Borrower and its Subsidiaries, and neither the DIP Agent nor any of the Lenders has any obligation to disclose any of such interests to the Borrower or its Subsidiaries. To the fullest extent permitted by Law, the Borrower hereby waives and releases any claims that it may have against the DIP Agent and the Lenders and their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 12.20 [Reserved].

Section 12.21 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

H. *Debtors' Stipulations*. After consultation with their attorneys and financial advisors, and without prejudice to the rights of a Committee or any other party in interest (subject to the limitations thereon contained in paragraphs 19 and 20 below), the Debtors acknowledge, admit, stipulate, and agree that:

(iv) Prepetition Term Debt. As of the Petition Date, the Borrower and the Guarantors were justly and lawfully indebted and liable to the Prepetition Term Secured Parties, without defense, counterclaim, or offset of any kind, in respect of loans (the "**Prepetition Term Loans**") in the aggregate principal amount of not less than $429,140,515.29, pursuant to and in accordance with the terms of the Prepetition Term Facility Documents (collectively, such indebtedness together with accrued and unpaid

interest thereon and fees, expenses, charges, indemnities, and other obligations incurred in connection therewith as provided therein, the "**Prepetition Term Debt**" and, together with the Prepetition Revolving Debt, the "**Prepetition Secured Debt**").

(v) Validity of Prepetition Secured Debt. (a) The Prepetition Secured Debt constitutes legal, valid, binding, and non-avoidable obligations of the Borrower and the Guarantors, enforceable in accordance with the terms of the Prepetition Secured Debt Documents (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code) and (b) no portion of the Prepetition Secured Debt, or any payments made to the Prepetition Secured Parties or applied to or paid on account of the obligations owing under the Prepetition Secured Debt Documents prior to the Petition Date, is subject to any contest, attack, rejection, recovery, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action, or other challenge of any nature under the Bankruptcy Code or applicable non-bankruptcy law.

(vi) Prepetition Liens. The liens and security interests granted to the Prepetition Secured Parties (the "**Prepetition Liens**"), pursuant to and in connection with the Prepetition Secured Debt Documents, are (a) valid, binding, perfected, enforceable liens and security interests in the Shared Collateral (as defined in the Intercreditor Agreement) (the "**Prepetition Collateral**"), (b) not subject to avoidance, recharacterization, subordination, recovery, attack, effect, counterclaim, defense, or claim under the Bankruptcy Code or applicable non-bankruptcy law, and (c) as of the Petition Date, subject only to Permitted Senior Liens permitted under the Prepetition Secured Debt Documents.

(vii) No Control. None of the Prepetition Secured Parties control the Debtors or their properties or operations, have authority to determine the manner in which any Debtor's operations are conducted, or are control persons or insiders of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to, or arising from the Prepetition Secured Debt Documents.

(viii) No Claims or Causes of Action. No claims, counterclaims, or causes of action of any kind or nature exist against, or with respect to, the Prepetition Secured Parties under any agreements by and among the Debtors and any such party that is in existence as of the Petition Date, whether related to the Prepetition Secured Debt Documents, any other agreement, the Debtors, or otherwise.

I. *Findings Regarding the DIP Financing and Use of Cash Collateral.*

(i) Good and sufficient cause has been shown for the entry of this Final Order.

(ii) The Loan Parties have a critical need for the DIP Financing and to continue to use the Prepetition Collateral (including "cash collateral" within the meaning of section 363(a) of the Bankruptcy Code ("**Cash Collateral**")) in order to permit, among other things, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers, and customers, to make payroll, to make capital expenditures, to administer the Chapter 11 Cases, to cash collateralize the Prepetition Letters of Credit (in the amount of 103% of the face amount of issued and outstanding Prepetition Letters of Credit), and to satisfy other working capital and operational needs. The access of the Loan Parties to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, incurrence of

new indebtedness under the DIP Documents, and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern values of the Loan Parties and to a successful reorganization of the Loan Parties.

(iii) The Loan Parties are unable to obtain financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Loan Parties are also unable to obtain secured credit allowable under section 364(c)(1), 364(c)(2), or 364(c)(3) of the Bankruptcy Code without (A) granting to the DIP Secured Parties the DIP Liens and the DIP Superpriority Claims and (B) incurring the Adequate Protection Obligations, in each case subject to the Carve-Out and the terms and conditions set forth in the Interim Order, this Final Order, and in the DIP Documents.

(iv) Based on the Motion, the Howe Declaration, the D'Souza Declaration, and the record presented to the Court at the Interim Hearing and the Final Hearing, the terms of the DIP Financing and the terms on which the Loan Parties may continue to use the Prepetition Collateral (including Cash Collateral) pursuant to the Interim Order, this Final Order, and the DIP Documents are fair and reasonable, reflect the Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties, and constitute reasonably equivalent value and fair consideration.

(v) Absent order of the Court and the provision of adequate protection, consent of the Prepetition Secured Parties is required for the Loan Parties' use of Cash Collateral and the other Prepetition Collateral. The Prepetition Secured Parties have

consented, are deemed, pursuant to that certain Intercreditor Agreement, dated as of August 4, 2014, by and among Southcross, the Prepetition Agents, and the other grantors party thereto (the "**Intercreditor Agreement**" and, together with the Prepetition Revolving Facility Documents and the Prepetition Term Facility Documents, the "**Prepetition Secured Debt Documents**"), to have consented, or have not objected to the Loan Parties' use of Cash Collateral and the other Prepetition Collateral, and the Loan Parties' entry into the DIP Documents solely in accordance with and subject to the terms and conditions in the Interim Order, this Final Order, and the DIP Documents.

(vi) The DIP Financing and the use of the Prepetition Collateral have been negotiated in good faith and at arm's length among the Loan Parties and the DIP Secured Parties, and all of the Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing and the DIP Documents, including, without limitation, all "Obligations" (as defined in the DIP Documents), in each case owing to the DIP Secured Parties or any of their respective banking affiliates (collectively, the "**DIP Obligations**"), shall be deemed to have been extended by the DIP Secured Parties and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Final Order or any other order (including, without limitation, the Interim Order) or any provision hereof or thereof is vacated, reversed, or modified on appeal or otherwise.

(vii) The Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the Loan Parties' continued use of the Prepetition Collateral (including Cash Collateral) to fund the administration of the Loan Parties' estates and continued operation of their businesses (including the incurrence and payment of the Adequate Protection Obligations and the granting of the Adequate Protection Liens), in accordance with the terms hereof, and the Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of sections 363(m) and 364(e) of the Bankruptcy Code, as may be applicable, in the event that this Final Order or any order (including, without limitation, the Interim Order) or any provision hereof or thereof is vacated, reversed, or modified on appeal or otherwise.

(viii) The Prepetition Secured Parties are entitled to the adequate protection provided in the Interim Order and this Final Order as and to the extent set forth herein and therein pursuant to sections 361, 362, 363, and 364 of the Bankruptcy Code. Based on the Motion and on the record presented to the Court in connection with the Motion, the Interim Order, and this Final Order, the terms of the proposed adequate protection arrangements and the use of the Prepetition Collateral are fair and reasonable, reflect the Loan Parties' prudent exercise of business judgment, and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral; *provided* that nothing in the Interim Order, this Final Order, or the other DIP Documents shall (a) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of Cash Collateral other than on the terms set forth in the Interim Order and this Final Order and in the context of the DIP Financing authorized by the Interim Order and this Final Order, (b) be construed as a consent by any party to the terms of any other

financing or any other lien encumbering the Prepetition Collateral (whether senior or junior), or (c) prejudice, limit, or otherwise impair the rights of any of the Prepetition Secured Parties, subject to any applicable provisions of the Intercreditor Agreement, to seek new, different, or additional adequate protection for any diminution in value of their interests in the Prepetition Collateral from and after the Petition Date or assert the interests of any of the Prepetition Secured Parties and the rights of any other party in interest to object to such relief are hereby preserved.

(ix) Use of the DIP LC Loans, upon entry of the Interim Order, to cash collateralize all Letters of Credit (in the amount of 103% of the face amount) and use of the DIP Roll-Up Loans, upon the funding of the Delayed Draw DIP Term Loans, to refinance and discharge the DIP Lenders' Prepetition Term Loans (in an amount equal to the DIP Term Loans and DIP LC Loans provided by such DIP Lenders under the DIP Facility) reflects the Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties.

(x) Absent granting the relief set forth in this Final Order, the Loan Parties' estates will be significantly and irreparably harmed. Consummation of the DIP Financing and the use of the Prepetition Collateral (including Cash Collateral) in accordance with the Interim Order, this Final Order, and the DIP Documents are, therefore, in the best interests of the Loan Parties' estates and consistent with the Loan Parties' exercise of their fiduciary duties.

J. *Permitted Senior Liens; Continuation of Prepetition Liens.* Nothing in the Interim Order or this Final Order shall constitute a finding or ruling by this Court that any alleged Permitted Senior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable.

Notwithstanding anything contained herein or in the Interim Order, nothing herein shall prejudice the rights of any party-in-interest, including, but not limited to, the Debtors, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, or a Committee (if appointed), to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Senior Lien and/or security interests. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Senior Lien and is expressly subject to the DIP Liens. The Prepetition Liens, and the DIP Liens that prime the Prepetition Liens, are continuing liens and the DIP Collateral is and will continue to be encumbered by such liens in light of the integrated nature of the DIP Facilities, the DIP Documents, and the Prepetition Secured Debt Documents.

IT IS HEREBY ORDERED THAT:

1. *Financing Approved.* The relief requested in the Motion is granted and the use of Cash Collateral on a final basis, the Delayed Draw DIP Loans and the Prepetition Term Loan Refinancing (in addition to the Interim Financing and the Prepetition L/C Refinancing authorized by the Interim Order) are authorized and approved, in each case in accordance with the terms and conditions set forth in the DIP Documents, the Approved Budget (including any permitted variances), the Interim Order, and this Final Order. Any objections to the Motion with respect to the entry of this Final Order that have not been withdrawn, waived, or settled, and all reservations of rights included therein, are hereby denied and overruled on the merits.

2. *Authorization of the DIP Financing and the DIP Documents.*

(a) The Loan Parties are hereby authorized to execute, deliver, enter into, and, as applicable, perform all of their obligations under the DIP Documents and such other and further acts as may be necessary, appropriate, or desirable in connection therewith, in

each case in accordance with and subject to the terms of the Interim Order, this Final Order, and the DIP Documents. The Borrower is hereby authorized to borrow money and obtain letters of credit pursuant to the DIP Credit Agreement, subject to any limitations on borrowing under the DIP Documents, which shall be used for all purposes permitted under the DIP Documents, including, without limitation, to pay certain costs, fees, and expenses related to the Chapter 11 Cases, to pay the Adequate Protection Payments, to cash collateralize the Prepetition Letters of Credit (in the amount of 103% of the face amount of issued and outstanding Prepetition Letters of Credit), and to fund working capital and for general corporate purposes of the Loan Parties during the Chapter 11 Cases, in each case, subject to the Approved Budget (including any permitted variances) and in accordance with the Interim Order, this Final Order, and the DIP Documents, and the Guarantors are hereby authorized to guaranty the DIP Obligations.

(b) In furtherance of the foregoing and without further approval of the Court, each Debtor in accordance with the Interim Order and this Final Order, is authorized to perform all acts, to make, execute, and deliver all instruments, certificates, agreements, and documents (including, without limitation, the execution or recordation of security agreements, mortgages, and financing statements), and to pay all fees in connection with or that may be reasonably required, necessary, or desirable for the Loan Parties' performance of their obligations under or related to the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents, or other modifications to and under the DIP Documents, in each case, in such form as the Loan Parties, the DIP Agent, the requisite DIP Lenders, and (if required under the DIP Documents) the DIP L/C Issuers may agree, it being understood that no further approval of the Court shall be required for any authorizations, amendments, waivers, consents, or other modifications to and under the DIP Documents (and any fees and other expenses, amounts, charges, costs, indemnities, and other obligations paid in connection therewith) that do not (A) shorten the maturity of the extensions of credit thereunder or increase the aggregate commitments or the rate of interest payable thereunder, (B) increase existing fees or add new fees thereunder (excluding, for the avoidance of doubt, any amendment, consent, or waiver fee), or (C) shorten the case milestones set forth in Section 8.23 of the DIP Credit Agreement. The foregoing shall be without prejudice to the Loan Parties' right to seek approval from the Court of any material modification or amendment on an expedited basis;

(iii) the non-refundable payment to the DIP Agent and/or the DIP Lenders, as the case may be, of all reasonable and documented fees (which fees have been and are deemed to have been approved upon entry of the Interim Order and upon payment thereof, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action, or other challenge of any nature under the Bankruptcy Code, applicable non-bankruptcy law, or otherwise) and any amounts due (or that may become due) in respect of the

indemnification obligations, in each case referred to in the DIP Documents (and in any separate letter agreements between any or all of the Loan Parties, on the one hand, and any of the DIP Secured Parties, on the other, in connection with the DIP Financing), and the costs and expenses as may be due from time to time, including, without limitation, reasonable and documented fees and expenses of the professionals retained by any of the DIP Agent and DIP Lenders, in each case, as provided for in the DIP Documents, whether or not such fees or expenses arose prior to or after the Petition Date without the need to file retention motions or fee applications or to provide notice to any party; and

(iv) the performance of all other acts necessary, appropriate, or desirable under or in connection with the DIP Documents.

3. *Prepetition Debt Refinancing*. Pursuant to the terms and conditions of the Interim Order and this Final Order, and in accordance with paragraph 9 below, the Debtors are hereby authorized to use the proceeds of the DIP LC Loan to cash collateralize the Prepetition Letters of Credit (in the amount of 103% of the face amount of issued and outstanding Prepetition Letters of Credit) and the Prepetition Letters of Credit will be deemed to have been cancelled and reissued as DIP Letters of Credit in their full amounts and without modification of the terms of the Prepetition Letters of Credit other than their deemed issuance as DIP Letters of Credit under the DIP L/C Sub-Facility. The Debtors shall use the DIP Roll-Up Loans to refinance and discharge the DIP Lenders' Prepetition Term Loans (in an amount equal to the DIP Term Loans and DIP LC Loans provided and/or committed to under the DIP New Money Facility), in each case subject to the terms and conditions set forth in the DIP Documents and the reservation of rights of parties in interest in paragraph 19 below. Upon expiration of the Challenge Period

without a successful Challenge having been brought with respect thereto, the DIP Roll-Up Loans issued under this paragraph 3 shall be deemed indefeasible and the Prepetition Secured Debt refinanced thereby shall be discharged. Notwithstanding anything to the contrary in the Interim Order, this Final Order, or in the Intercreditor Agreement (as may be amended and/or modified from time to time after the Petition Date), (a) the claims and liens in respect of the DIP Roll-Up Loans shall be subject and subordinate to the claims and liens in respect of the DIP LC Loans and the DIP Term Loans in all respects and (b) the claims and liens in respect of the DIP Roll-Up Loans shall be *pari passu* with the Prepetition Revolving Debt in all respects such that distributions on the Prepetition Revolving Debt are pro rata with the sum of the DIP Roll-Up Loans and the Prepetition Term Loans; *provided* that any proceeds allocated on account of the DIP Roll-Up Loans and the Prepetition Term Loans shall be applied first to the repayment of the DIP Roll-Up Loans before any Prepetition Term Loan.

4. *DIP Obligations*. Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute valid, binding, and non-avoidable obligations of the Loan Parties enforceable against each Loan Party thereto in accordance with the terms of the DIP Documents, the Interim Order, and this Final Order as of the date of the entry of the Interim Order. No obligation, payment, transfer, or grant of security to the DIP Secured Parties under the DIP Documents, the Interim Order, or this Final Order shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under section 502(d), 544, 548, or 549 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, reduction, setoff, recoupment, claim, or counterclaim.

5. *Carve-Out*.

(a) As used in this Final Order, the "**Carve-Out**" shall mean a carve-out from the DIP Superpriority Claims, the DIP Liens (other than DIP Liens in the Cash Collateral, held in the Cash Collateral Account, securing DIP Letters of Credit), the 507(b) Claims, and the Adequate Protection Liens, in an amount equal to the sum of (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the Carve-Out Trigger Notice), (ii) all reasonable fees and expenses incurred by a trustee under section 726(b) of the Bankruptcy Code in an aggregate amount not to exceed $50,000 (without regard to the Carve-Out Trigger Notice), (iii) to the extent allowed by the Court at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the "**Professional Fees**") incurred by persons or firms retained by the Debtors, pursuant to section 327, 328, or 363 of the Bankruptcy Code, or by a Committee, if any, pursuant to section 328 and 1103 of the Bankruptcy Code (collectively, the "**Professional Persons**"), at any time on or before the first business day following the earlier of (A) delivery by the DIP Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)) of a Carve-Out Trigger Notice and (B) the Maturity Date (as defined in the DIP Credit Agreement) (such day, the "**Carve-Out Trigger Date**"), whether allowed by the Court prior to or after the Carve-Out Trigger Date, and (iv) Professional Fees incurred after the Carve-Out Trigger Date in an amount not to exceed $4,000,000 (the "**Post Trigger Date Carve-Out Amount**"); *provided* that any success, completion, or similar fees payable from the Post-Trigger Date Carve-Out Amount shall be subject and subordinate, and

junior in right of payment, to all other Professional Fees payable from the Post-Trigger Date Carve-Out (collectively, the "**Carve-Out Amount**"), in each case subject to the limits imposed by the Interim Order or this Final Order. For purposes of the foregoing, "**Carve-Out Trigger Notice**" shall mean a written notice delivered by email by the DIP Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)) to the Debtors' lead restructuring counsel, the U.S. Trustee, and counsel to a Committee, if any, which notice may be delivered following the occurrence and during the continuation of an "Event of Default" under the DIP Documents (an "**Event of Default**"), stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(b) Prior to the occurrence of the Carve-Out Trigger Date, the Debtors are authorized (subject to the Approved Budget) to pay Professional Fees that are authorized to be paid in accordance with the provisions of the Bankruptcy Code and any order entered by the Court establishing procedures for the payment of compensation to Professional Persons in the Chapter 11 Cases, as the same may be due and payable, and such payments shall not reduce the Carve-Out Amount. Any payment or reimbursement made after the Carve-Out Trigger Date on account of Professional Fees incurred after the Carve-Out Trigger Date shall permanently reduce the Carve-Out on a dollar-for-dollar basis, *provided* that the Carve-Out shall not include, apply to, or be available for any fees or expenses incurred by any party in connection with the restricted uses thereof set forth in paragraph 20.

(c) Immediately upon the Carve-Out Trigger Date, and prior to the payment of any DIP Secured Party or Prepetition Secured Party on account of adequate protection,

the Debtors shall fund a reserve in an amount equal to the Carve-Out Amount (the "**Carve-Out Reserve**") from all cash on hand (including Cash Collateral, but excluding all Cash Collateral in the Cash Collateral Account that secures the DIP Letters of Credit as of such date, and, including any available cash thereafter held by any Debtor (exclusive of any cash utilized to cash collateralize the Prepetition Letters of Credit in connection with the Prepetition L/C Refinancing)). The Carve-Out Reserve shall be held for the benefit of the Debtors in a segregated non-interest bearing account at the DIP Agent or another financial institution agreed to by the Borrower and the Required Lenders (as defined in the DIP Credit Agreement) in trust to pay the Professional Fees and other obligations benefiting from the Carve-Out and the Carve-Out Reserve shall be available only to satisfy such obligations benefiting from the Carve-Out until paid in full; *provided* that the DIP Agent shall follow the instructions of the Debtors with respect to the disbursement of the Carve-Out Reserve consistent with the provisions of this Final Order; *provided further* that the DIP Agent shall not be liable to any Professional Person or any other person or entity with respect to the Carve-Out Reserve held at the DIP Agent, and all actions (or inactions) by the DIP Agent related thereto shall be exculpated by all such parties, except in the event a court of competent jurisdiction determines that the DIP Agent breached its obligations under this Final Order by not following an instruction of the Debtors that was consistent with the provisions of this Final Order with respect to the Carve-Out Reserve; *provided further* that, to the extent the Carve-Out Reserve has not been reduced to zero after the payment in full of such obligations, it shall be used to pay the DIP Agent for the benefit of the DIP Secured Parties until the DIP Obligations have been indefeasibly paid in full in cash and all DIP Commitments have

been terminated. Notwithstanding anything to the contrary herein, the Prepetition Agents and the DIP Agent, each on behalf of itself and the relevant secured parties, (i) shall not sweep or foreclose on the Carve-Out Reserve and (ii) shall have a security interest upon any residual interest in the Carve-Out Reserve, available following satisfaction in cash in full of all obligations benefitting from the Carve-Out, and the priority of such lien on the residual shall be consistent with this Final Order. Further, notwithstanding anything to the contrary herein, (i) the failure of the Carve-Out Reserve to satisfy in full the Professional Fees shall not affect the priority of the Carve-Out and (ii) in no way shall the Carve-Out, the Post-Trigger Date Carve-Out Amount, the Carve-Out Reserve, or any of the foregoing be construed as a cap or limitation on the amount of the Professional Fees due and payable by the Debtors.

(d) Notwithstanding anything to the contrary herein or in the DIP Documents, the Carve-Out shall be senior to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens (other than the DIP Liens in the Cash Collateral in the Cash Collateral Account that secures the DIP Letters of Credit), the Adequate Protection Obligations, the 507(b) Claims, the Adequate Protection Liens, and all other liens and claims granted under the Interim Order, this Final Order, the DIP Documents, or otherwise securing or in respect of the DIP Obligations or the Adequate Protection Obligations.

6. *No Direct Obligation to Pay Allowed Professional Fees*. None of the Prepetition Secured Parties or DIP Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in the Interim Order, this Final Order, or otherwise shall be construed to obligate the Prepetition Secured

Parties or the DIP Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

7. *DIP Superpriority Claims.* Pursuant to section 364(c)(1) of the Bankruptcy Code, and effective as of the Petition Date, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the Loan Parties (without the need to file any proof of claim) with priority over any and all claims against the Loan Parties, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses or other claims arising under section 105, 326, 328, 330, 331, 365, 503(b), 507(a), 507(b), 726, 1113, or 1114 of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy, or attachment, which allowed claims (the "**DIP Superpriority Claims**") shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and post-petition property of the Loan Parties and all proceeds thereof (excluding the Loan Parties' claims and causes of action under sections 502(d), 506(c), 544, 545, 547, 548, 549, 550, and 553 of the Bankruptcy Code and under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, and similar statutes or common law (collectively, the "**Avoidance Actions**"), but including any proceeds or property recovered, unencumbered or otherwise from Avoidance Actions, whether by judgment, settlement, or otherwise ("**Avoidance Proceeds**"), subject only to the liens on such property and the Carve-Out. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the

Bankruptcy Code in the event that the Interim Order, this Final Order, or any provision hereof or thereof is vacated, reversed, or modified on appeal or otherwise. The DIP Superpriority Claims shall be *pari passu* in right of payment with one another and senior to the Adequate Protection Claims; *provided* that the DIP Superpriority Claims in respect of the DIP Roll-Up Loans shall be subject and subordinate to the DIP Superpriority Claims in respect of the DIP Term Loans and the DIP LC Loans.

8. *DIP Liens*. As security for the DIP Obligations, effective and perfected upon the Petition Date and without the necessity of the execution, recordation, or filing of mortgages, security agreements, control agreements, pledge agreements, financing statements, notations on certificates of title for titled goods or other similar documents, or the possession or control by the DIP Agent of, or over, any DIP Collateral, the following security interests and liens are hereby granted to the DIP Agent for its own benefit and the benefit of the DIP Lenders (all property identified in clauses (a) through (c) below being collectively referred to as the "**DIP Collateral**", subject to the Carve-Out and in each case in accordance with the priorities set forth below (all such liens and security interests granted to the DIP Agent, for its benefit and for the benefit of the DIP Lenders, pursuant to the Interim Order, this Final Order, and the DIP Documents, the "**DIP Liens**"):

(a) First Lien on Unencumbered Property. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority senior security interest in and lien upon all tangible and intangible prepetition and post-petition property of the Loan Parties, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date, is not subject to a valid, perfected, and non-avoidable lien (collectively, "**Unencumbered Property**"), including, without

limitation, any and all unencumbered cash of the Loan Parties (whether maintained with the DIP Agent or otherwise) and any investment of such cash, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, fixtures, machinery, equipment, general intangibles, documents, instruments, securities, chattel paper, interests in leaseholds, real properties, deposit accounts, patents, copyrights, trademarks, trade names, rights under license agreements and other intellectual property, letter-of-credit rights, investment property and support obligations, commercial tort claims, all books and records pertaining to the property described in this paragraph, all property of the Loan Parties held by any DIP Secured Party, all other goods (including but not limited to fixtures) and personal property of the Loan Parties, whether tangible or intangible and wherever located, Avoidance Proceeds, capital stock of subsidiaries, wherever located, and, to the extent not covered by the foregoing, all other assets or property of the Debtors, whether tangible, intangible, real, personal or mixed, and the proceeds, products, rents, and profits of the foregoing, whether arising under section 552(b) of the Bankruptcy Code or otherwise, of all the foregoing, in each case other than the Excluded Property (as defined in the DIP Documents) and Avoidance Actions, but including any proceeds of Excluded Property that do not otherwise constitute Excluded Property.

(b) Liens Priming Prepetition Secured Parties' Liens. Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority priming security interest in and lien upon all Prepetition Collateral and DIP Collateral (wherever located and the proceeds, products, rents and profits thereof), subject and subordinate only to the Permitted Senior Liens, but senior in all

respects to the Prepetition Liens and the Adequate Protection Liens (any such liens primed pursuant to this clause (b), the "**Primed Liens**"); *provided* that the DIP Liens in respect of the DIP Roll-Up Loans shall remain subject to the Intercreditor Agreement except that any proceeds allocated thereunder on account of the DIP Roll-Up Loans or the Prepetition Term Debt shall be applied first to the repayment in full of the DIP Roll-Up Loans before being applied to any Prepetition Term Debt.

(c) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected security interest in and lien upon all prepetition and post-petition property of the Loan Parties (wherever located, and the proceeds, products, rents, and profits thereof) immediately junior to (i) valid, perfected, and non-avoidable liens (other than Primed Liens) in existence immediately prior to the Petition Date, (ii) valid non-avoidable liens (other than Primed Liens) that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, and (iii) the liens in favor of the DIP L/C Issuers in respect of the Cash Collateral Accounts, securing the Loan Parties' obligations under the DIP Letters of Credit (the liens described in the foregoing clause (i) through (iii), the "**Permitted Senior Liens**"); *provided* that nothing in this paragraph (c) shall limit the rights of the DIP Secured Parties under the DIP Documents to the extent the liens described in the foregoing clause (i) or (ii) are not permitted thereunder.

(d) Liens Senior to Certain Other Liens. The DIP Liens shall not be (i) subject or subordinate to (A) any lien or security interest that is avoided and preserved for the benefit of the Loan Parties and their estates under section 551 of the Bankruptcy Code, (B) unless otherwise provided for in the DIP Documents, in the Interim Order or

this Final Order, any liens or security interests arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal, or other governmental unit (including any regulatory body), commission, board, or court for any liability of the Loan Parties, or (C) any intercompany or affiliate liens or security interests of the Loan Parties or (ii) subordinated to or made *pari passu* with any other lien or security interest under section 363 or 364 of the Bankruptcy Code granted after the date hereof.

(e) Relative Priority of DIP Liens. Notwithstanding anything to the contrary in the Interim Order or this Final Order, the DIP Liens in respect of the DIP Roll-Up Loans shall be subject and subordinate to the DIP Liens in respect of the DIP Term Loans and the DIP LC Loans in all respects.

(f) Local Texas Tax Authorities. Notwithstanding any provision of this Final Order, any valid, perfected, and unavoidable statutory liens held by Local Texas Tax Authorities[4] that are senior to the Prepetition Liens held by the Prepetition Secured Parties shall neither be primed by nor subordinated to any liens granted pursuant to this Final Order. Furthermore, the claims and liens of the Local Texas Tax Authorities shall remain subject to any objections any party would otherwise be entitled to raise as to the priority, validity, or extent of such liens.

(g) For the avoidance of doubt, any DIP Liens on DIP Collateral relating to real property of the Debtors granted pursuant to this paragraph 8 shall include, for the ratable benefit of the related DIP Secured Parties, in each case to the extent constituting DIP Collateral, all of each Debtor's right, title, and interest now or hereafter acquired in

[4] For purposes of this Final Order, the term "**Local Texas Tax Authorities**" shall refer to local governmental entities that are (a) authorized by the State of Texas to assess and collect taxes and (b) represented by either the law firms of Linebarger Goggan Blair & Sampson, LLP or McCreary, Veselka, Bragg & Allen, P.C.

and to all land, together with the buildings, structure, parking areas, and other improvements thereon, now or hereafter owned by any Debtor, including all easements, rights-of-way, and similar rights relating thereto and all leases, tenancies, and occupancies thereof, and (a) all goods, accounts, inventory, general intangibles, instruments, documents, contract rights, and chattel paper, (b) all reserves, escrows, or impounds and all deposit accounts maintained by each Debtor with respect to such real estate, (c) all leases, licenses, concessions, occupancy agreements, or other agreements (written or oral, now or at any time in effect) which grant to any person a possessory interest in, or the right to use, all or any part of such real estate, together with all related security and other deposits, (d) all of the rents, revenues, royalties, income proceeds, profits, accounts receivable, security and other types of deposits, and other benefits paid or payable by parties to the leases for using, leasing, licensing, possessing, operating from, residing in, selling or otherwise enjoying such real estate, (e) all other agreements, such as construction contracts, architects' agreements, engineers' contracts, utility contracts, maintenance agreements, management agreements, service contracts, listing agreements, guaranties, warranties, permits, licenses, certificates and entitlements in any way relating to the construction, use, occupancy, operation, maintenance, enjoyment, or ownership of such real estate, (f) all rights, privileges, tenements, hereditaments, rights-of-way, easements, appendages, and appurtenances appertaining to the foregoing, (g) all property tax refunds payable with respect to such real estate, (h) all accessions, replacements, and substitutions for any of the foregoing and all proceeds thereof, (i) all insurance policies, unearned premiums therefor, and proceeds from such policies covering any of the above property now or hereafter acquired by each Debtor as an

insured party, and (j) all awards, damages, remunerations, reimbursements, settlements, or compensation heretofore made or hereafter to be made to any Debtor by any governmental authority pertaining to any condemnation or other taking (or any purchase in lieu thereof) of all or any such real estate.

9. *Establishment of Cash Collateral Accounts; Maintenance of Letters of Credit.*

(a) In order to cash collateralize the new letters of credit issued and the Prepetition Letters of Credit deemed issued (the "**DIP Letters of Credit**") under the DIP L/C Sub-Facility, in accordance with the DIP Documents, and pursuant to the terms and conditions of the Interim Order and this Final Order, the Loan Parties shall (to the extent not done heretofore pursuant to the Interim Order), and are hereby authorized to, deposit as a single installment in cash into one or more non-interest-bearing cash collateral accounts established with the DIP Agent (the "**Cash Collateral Accounts**") the proceeds of the DIP LC Loans, which shall cash collateralize the DIP Letters of Credit in the amount of 103% of the face amount of issued and outstanding DIP Letters of Credit. The amounts on deposit in the Cash Collateral Accounts shall be subject to (i) a first-priority security interest and lien in favor of the DIP Agent for the benefit of the DIP L/C Issuers, securing the obligations of the Loan Parties under the DIP Letters of Credit, and (ii) subject to the Carve-Out, a second-priority security interest and lien in favor of the DIP Agent for the benefit of the DIP Secured Parties, securing the other DIP Obligations.

(b) Pursuant to the terms and conditions of the Interim Order and this Final Order (to the extent not done heretofore pursuant to the Interim Order), the Loan Parties are authorized to renew DIP Letters of Credit issued under the DIP L/C Sub-Facility on an uninterrupted basis and to take all actions reasonably appropriate with respect thereto

on an uninterrupted basis. Without limitation of the foregoing, upon entry of the Interim Order, the Prepetition Letters of Credit were deemed to have been cancelled and reissued as DIP Letters of Credit in their full amounts and without modification of the terms of the Prepetition Letters of Credit other than their deemed issuance as DIP Letters of Credit issued under the DIP L/C Sub-Facility. The DIP L/C Issuers shall be authorized to apply any Cash Collateral held against the amount of any draw on any DIP Letter of Credit, and reducing the DIP L/C Sub-Facility by such amount so applied, without notice of any kind or further order or action by the Court and the automatic stay provisions of section 362 of the Bankruptcy Code are hereby modified to the extent necessary to permit the DIP L/C Issuers to so apply any such Cash Collateral in the Cash Collateral Accounts. All issued and outstanding DIP Letters of Credit shall be cash collateralized at 103% of the face amount thereof and shall be deemed to be secured by Priority DIP Financing Liens (as defined in the Intercreditor Agreement) and the Cash Collateral advanced as DIP LC Loans under the DIP Facility. The DIP Letters of Credit shall remain cash collateralized as set forth in the Interim Order and herein at all times, and except as provided below with respect to Alternate Cash Collateral (as defined below), the Debtors shall have no right to use the Cash Collateral Accounts securing the DIP Letters of Credit, and such cash collateralization shall not be subject to any reduction by any chapter 11 plan, order of the Court, or otherwise; *provided* that, subject to the terms and conditions (including in section 9.03(j) of the DIP Credit Agreement) of the DIP Documents, the Borrower shall have the right to withdraw proceeds on deposit in the Cash Collateral Accounts (which shall be accompanied by corresponding reduction in the DIP L/C Sub-Facility by such amount so withdrawn) in an amount up to the "Alternate Cash Collateral Amount" (as

defined in the DIP Credit Agreement) to cash collateralize customer and/or supplier obligations (such cash collateral, the "**Alternate Cash Collateral**") in lieu of issuing Letters of Credit.

(c) To the extent there exists or comes to exist any cash of the Debtors' estates that is not Cash Collateral, wherever located and however held, such cash shall be deemed to have been used first by the Debtors' estates and such cash, to the extent applicable, shall be subject to the DIP Liens and DIP Superpriority Claims granted to the DIP Lenders under the Interim Order and this Final Order.

10. *Protection of DIP Lenders' Rights*.

(a) So long as there are any DIP Obligations outstanding or the DIP Lenders have any outstanding Commitments (as defined in the DIP Documents) (the "**DIP Commitments**") under the DIP Documents, the Prepetition Secured Parties shall (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Secured Debt Documents, the Interim Order, or this Final Order, or otherwise seek to exercise or enforce any rights or remedies against such DIP Collateral, including in connection with the Adequate Protection Liens, (ii) be deemed to have consented to any transfer, disposition, or sale of, or release of liens on, such DIP Collateral (but not any proceeds of such transfer, disposition, or sale to the extent remaining after payment in cash in full of the DIP Obligations and termination of the DIP Commitments), to the extent such transfer, disposition, sale, or release is authorized under the DIP Documents, and (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in such DIP Collateral unless,

solely as to this clause (iii), the DIP Agent or the DIP Lenders file financing statements or other documents to perfect the liens granted pursuant to the Interim Order or this Final Order, or as may be required by applicable state law to continue the perfection of valid and non-avoidable liens or security interests as of the Petition Date.

(b) To the extent any Prepetition Secured Party has possession of any Prepetition Collateral or DIP Collateral, or has control with respect to any Prepetition Collateral or DIP Collateral that is subject to a DIP Lien, then such Prepetition Secured Party shall be deemed to maintain such possession or exercise such control as gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Secured Parties and shall comply with the instructions of the DIP Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)) with respect to the exercise of such control.

(c) Any proceeds of Prepetition Collateral subject to the Primed Liens received by any Prepetition Secured Parties, whether in connection with the exercise of any right or remedy (including setoff) relating to the Prepetition Collateral or otherwise received by either of the Prepetition Agents, shall be segregated and held in trust for the benefit of and forthwith paid over to the DIP Agent for the benefit of the DIP Secured Parties in the same form as received, with any necessary endorsements; *provided* that, as part of any sale of all or substantially all of the Prepetition Collateral (i) located in a Local Texas Tax Authority's jurisdiction and (ii) subject to the Primed Liens and the liens of such Local Texas Tax Authority, the Debtors shall deposit into a segregated account held by the Debtors as adequate protection for the secured claims of the Local Texas Tax Authorities an amount either (i) agreed to by the DIP Secured Parties, the

Local Texas Tax Authorities, and the Debtors or (ii) as otherwise determined by the Court. The DIP Liens, the Prepetition Liens, and any valid, senior, perfected, and unavoidable liens (if any) of the Local Texas Tax Authorities shall attach to these segregated proceeds to the same extent and with the same priority as such liens are now held against the property of the Debtors. These segregated funds shall neither constitute the allowance of the claims of the Local Texas Tax Authorities nor a cap on the amounts that they may be entitled to receive. Furthermore, the claims and liens of the Local Texas Tax Authorities shall remain subject to any objections any party would otherwise be entitled to raise as to the priority, validity, or extent of such liens. These segregated funds may be distributed upon agreement between the Local Texas Tax Authorities, the DIP Secured Parties, and the Debtors or by subsequent order of the Court (duly noticed to the Local Texas Tax Authorities). Notwithstanding the foregoing, the rights of setoff and first priority security interests of the financial institutions providing cash management services (solely to the extent related to cash management obligations and as governed by the cash management order entered in these Chapter 11 Cases) are preserved.

(d) The automatic stay provisions of section 362 of the Bankruptcy Code are hereby modified to the extent necessary to permit the DIP Secured Parties to enforce all of their rights under the DIP Documents and (i) immediately upon the occurrence of an Event of Default, to declare (A) the termination, reduction, or restriction of any further DIP Commitment to the extent any such DIP Commitment remains and (B) all applicable DIP Obligations to be immediately due and payable, without presentment, demand, protest, or other notice of any kind, all of which are expressly waived by the Loan Parties, and (ii) unless the Court orders otherwise during the Remedies Notice Period,

upon the occurrence of an Event of Default and the giving by the DIP Agent of five business days' prior written notice (which shall run concurrently with any notice required to be provided under the DIP Documents) (the "**Remedies Notice Period**") delivered by email to the Debtors' lead restructuring counsel (with a copy to the Committee, if any, and the U.S. Trustee), (A) to withdraw consent to the Loan Parties' continued use of any Cash Collateral or (B) to exercise all other rights and remedies provided for in the DIP Documents and under applicable law; *provided* that, during the Remedies Notice Period, the Loan Parties shall be permitted to continue to use Cash Collateral in the ordinary course of business (subject to the Approved Budget and any permitted variance) and may request an expedited hearing before the Court to determine whether an Event of Default has occurred and is continuing and/or seek nonconsensual use of Cash Collateral. In no event shall (i) the DIP Secured Parties or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral or (ii) the "equities of the case" exception in section 552(b) of the Bankruptcy Code apply with respect to the secured claims of the Prepetition Secured Parties or the Prepetition Liens.

(e) No rights, protections, or remedies of the DIP Secured Parties granted by the provisions of the Interim Order, this Final Order, or the DIP Documents shall be limited, modified, or impaired in any way by (i) any actual or purported withdrawal of the consent of any party to the Loan Parties' authority to continue to use Cash Collateral, (ii) any actual or purported termination of the Loan Parties' authority to continue to use Cash Collateral, or (iii) the terms of any other order or stipulation related to the Loan

Parties' continued use of Cash Collateral or the provision of adequate protection to any party.

11. *Limitation on Charging Expenses Against Collateral*. Upon entry of this Final Order, except to the extent of the Carve-Out, no costs or expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral (including Cash Collateral) or the Prepetition Collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)) or the applicable Prepetition Agent (acting upon the express prior written direction of the Required Lenders (as defined in the Prepetition Revolving Credit Agreement or the Prepetition Term Loan Credit Agreement, as applicable)), as the case may be, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Secured Parties or the Prepetition Secured Parties, and nothing contained in the Interim Order or this Final Order shall be deemed to be a consent by the DIP Secured Parties or the Prepetition Secured Parties to any charge, lien, assessment, or claim against the DIP Collateral under section 506(c) of the Bankruptcy Code or otherwise.

12. *Payments Free and Clear*. Subject to the Carve-Out, any and all payments or proceeds remitted to the DIP Agent on behalf of the DIP Secured Parties pursuant to the provisions of the Interim Order, this Final Order, or the DIP Documents shall be received free and clear of any claim, charge, assessment, or other liability, including, without limitation, any such claim or charge arising out of or based on, directly or indirectly, section 506(c) of the

Bankruptcy Code (whether asserted or assessed by, through, or on behalf of the Debtors) or section 552(b) of the Bankruptcy Code.

13. *Use of Cash Collateral*. The Debtors are hereby authorized, subject to the Approved Budget (including any permitted variances) and the terms and conditions of this Final Order, to use all Cash Collateral.

14. *Adequate Protection of Prepetition Secured Parties*. The Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1), and 507 of the Bankruptcy Code, to adequate protection of their respective interests in the Prepetition Collateral, for and equal in amount to the aggregate diminution in the value of the Prepetition Secured Parties' prepetition security interests in the Prepetition Collateral from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, but not limited to, the Debtors' use, sale, or lease of Cash Collateral and other Prepetition Collateral, the imposition of the automatic stay, and/or the Carve-Out (the "**Adequate Protection Claims**"); *provided* that the avoidance of any Prepetition Secured Party's interests in Prepetition Collateral shall not constitute diminution in the value of such Prepetition Secured Party's interests in Prepetition Collateral. In consideration of the foregoing, the Prepetition Secured Parties are hereby granted the following (collectively, the "**Adequate Protection Obligations**"):

(a) Adequate Protection Liens. Each of the Prepetition Revolving Agent (for itself and for the benefit of the Prepetition Revolving Lenders) and the Prepetition Term Agent (for itself and for the benefit of the Prepetition Term Lenders) is hereby granted (effective and perfected upon the Petition Date and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements, or other agreements), in the amount of its respective Adequate Protection Claim, a valid,

perfected replacement security interest in and lien upon (the "**Adequate Protection Liens**") the DIP Collateral (including, without limitation, the Avoidance Proceeds), which Adequate Protection Liens shall secure the respective Adequate Protection Claims, and in each case shall be (i) *pari passu* with each other Adequate Protection Lien granted hereunder, subject to the Intercreditor Agreement, and (ii) subject and subordinate only to the Carve-Out, the DIP Liens, and the Permitted Senior Liens; *provided* that the DIP Roll-Up Loans shall be *pari passu* with the Prepetition Revolving Debt in all respects such that distributions on the Prepetition Revolving Debt are pro rata with the sum of the DIP Roll-Up Loans and the Prepetition Term Loans; *provided further* that any proceeds allocated on account of the DIP Roll-Up Loans and the Prepetition Term Loans (including in respect of the Adequate Protection Obligations) shall be applied first to the repayment of the DIP Roll-Up Loans before any Prepetition Term Loan.

(b) 507(b) Claims. Each of the Prepetition Agents (on behalf of the applicable Prepetition Secured Parties) are granted, as of the Petition Date, an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of their respective Adequate Protection Claims with, except as set forth in the Interim Order or this Final Order, priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (the "**507(b) Claims**"), which 507(b) Claims (subject to DIP Liens and DIP Superpriority Claims) shall have recourse to and be payable from all of the DIP Collateral (including, without limitation, the Avoidance Proceeds). The 507(b) Claims shall be (i) *pari passu* with each other 507(b) Claim granted hereunder, subject to the Intercreditor Agreement, and (ii) subject and subordinate only to the Carve-Out, the

DIP Superpriority Claims, the DIP Liens, and the Permitted Senior Liens. Except to the extent expressly set forth in the Interim Order, this Final Order, or the DIP Credit Agreement, the Prepetition Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the 507(b) Claims unless and until the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and the DIP Superpriority Claims have indefeasibly been paid in cash in full and all DIP Commitments have been terminated.

(c) Adequate Protection Cash Payments. In each case subject to reallocation or recharacterization as payment of principal under section 506(a) and (b) of the Bankruptcy Code as may be ordered by the Court in connection with a timely and successful Challenge pursuant to paragraph 19 or 20 below, until the indefeasible discharge of the Prepetition Secured Debt, the Prepetition Agents, for the benefit of the applicable Prepetition Secured Parties, shall receive current payment in cash on the last business day of each month in an amount equal to the sum of all post-petition unpaid interest accruing on all outstanding principal, interest, fees, and other amounts owing under the applicable Prepetition Secured Debt (as of the Petition Date), in each case at the applicable default rate (the payments in this subparagraph (c), the "**Adequate Protection Payments**"). For the avoidance of doubt, participation fees accrued under the Prepetition Revolving Facility Documents with respect to the Prepetition Letters of Credit outstanding as of the Petition Date and unpaid as of the Petition Date shall (i) be due and owing by the Debtors and (ii) be paid by the Debtors in accordance with the Prepetition Revolving Facility Documents in the ordinary course of business from cash of the Debtors other than the cash collateral in the Cash Collateral Accounts.

(d) Prepetition Secured Parties Fees and Expenses. The Loan Parties shall make current cash payments of the reasonable and documented prepetition and post-petition fees and expenses incurred by the Prepetition Agents or the Ad Hoc Group in connection with the Chapter 11 Cases (limited, in the case of the advisors to the Prepetition Term Lenders that are members of the Ad Hoc Group, to Houlihan Lokey, Inc., Willkie Farr & Gallagher LLP, Young Conaway Stargatt & Taylor, LLP, and one local counsel in each material jurisdiction; in the case of the advisors to the Prepetition Revolving Agent and the Prepetition Revolving Lenders, to RPA Advisors, LLC, Vinson & Elkins LLP, and one local counsel in each material jurisdiction; and, in the case of the advisors to the Prepetition Term Agent, to Arnold & Porter Kaye Scholer LLP and one local counsel in each relevant jurisdiction), promptly upon receipt of invoices therefor, which payments (to the extent for fees, expenses, and disbursements incurred after the Petition Date) shall be made within ten days (which time period may be extended by the applicable professional) after the receipt by the Debtors, the Committee, if any, and the U.S. Trustee (the "**Review Period**") of invoices therefor (the "**Invoiced Fees**") and without the necessity of filing formal fee applications, including such amounts arising before or after the Petition Date. The invoices for such Invoiced Fees shall include the number of hours billed (except for financial advisors compensated on other than an hourly basis) and a summary description of services provided and the aggregate expenses incurred by the applicable professional firm; *provided*, *however*, that any such invoice (i) may be limited and/or redacted to protect privileged, confidential, or proprietary information and (ii) shall not be required to contain individual time detail (*provided* that such invoice shall contain (except for financial advisors compensated on other than an

hourly basis) summary data regarding hours worked by each timekeeper for the applicable professional and such timekeepers' hourly rates). The Debtors, the Committee, if any, and the U.S. Trustee may object to any portion of the Invoiced Fees (the "**Disputed Invoiced Fees**") within the Review Period by filing with the Court a motion or other pleading, on at least ten days' prior written notice (but no more than 30 days' notice) of any hearing on such motion or other pleading, setting forth the specific objections to the Disputed Invoiced Fees in reasonable narrative detail and the bases for such objections; *provided* that payment of any undisputed portion of Invoiced Fees shall not be delayed based on any objections thereto.

(e) Financial Reporting. The Debtors shall provide the Prepetition Agents with financial and other reporting substantially in compliance with the reports and notices provided for in the DIP Documents, in each case when and as required under the DIP Documents.

(f) DIP Roll-Up Facility. The Debtors shall use the DIP Roll-Up Loans to refinance and discharge dollar-for-dollar Prepetition Term Loans held by the DIP Lenders in the aggregate amount equal to the DIP Term Loans and the DIP LC Loans funded under the DIP Facility.

15. *Reservation of Rights of Prepetition Secured Parties*. Under the circumstances and given that the above-described adequate protection is consistent with the Bankruptcy Code, including section 506(b) thereof, the Court finds that the adequate protection provided in the Interim Order and herein is reasonable and sufficient to protect the interests of the Prepetition Secured Parties; *provided* that any of the Prepetition Secured Parties may request further or different adequate protection, and the Debtors or any other party may contest any such request.

16. *Perfection of DIP Liens and Adequate Protection Liens*.

(a) The DIP Agent, the DIP Lenders, and the Prepetition Secured Parties are hereby authorized, but not required, to file or record (and to execute in the name of the Loan Parties, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien, or similar instruments in any jurisdiction, or take possession of or control over cash or securities, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Agent, on behalf of the DIP Secured Parties, or the Prepetition Secured Parties shall, in their sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien, or similar instruments, or take possession of or control over any cash or securities, or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute, or subordination, from April 2, 2019. Upon the request of the DIP Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)), each of the Prepetition Secured Parties and the Loan Parties, without any further consent of any party, is authorized (in the case of the Loan Parties) and directed (in the case of the Prepetition Secured Parties) to take, execute, deliver, and file such instruments (in each case, without representation or warranty of any kind) to enable the DIP Agent to further validate, perfect, preserve, and enforce the DIP Liens. All such documents shall be deemed to have been recorded and filed as of the Petition Date.

(b) The Interim Order and this Final Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of all liens granted in such orders, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording financing statements, intellectual property filings, mortgages, notices of lien, or similar instruments in any jurisdiction, taking possession of or control over cash, deposit accounts, securities, or other assets, or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement, customs broker agreement, or freight forwarding agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens and the Adequate Protection Liens, or to entitle the DIP Secured Parties to the priorities granted herein. Notwithstanding the foregoing, certified copies of the Interim Order and this Final Order may, in the discretion of the DIP Agent, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien, or similar instruments, and all filing offices are hereby authorized and directed to accept such certified copies of the Interim Order and this Final Order for filing and/or recording, as applicable. The automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to permit the DIP Agent to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

17. *Milestones*. It is a condition to the DIP Facilities that the Debtors shall comply with the Case Milestones (as defined in the DIP Credit Agreement). Any Case Milestone that would otherwise fall on a Saturday, Sunday, or federal holiday will be treated in accordance with

Bankruptcy Rule 9006. The failure to comply with any Milestone shall constitute an Event of Default in accordance with the terms of the DIP Credit Agreement.

18. *Preservation of Rights Granted Under the Interim Order and this Final Order*.

(a) Other than the Carve-Out, Permitted Senior Liens, and other claims and liens expressly granted by the Interim Order and this Final Order, no claim or lien having a priority superior to or that is *pari passu* with those granted by the Interim Order or this Final Order to the DIP Secured Parties or the Prepetition Secured Parties, respectively, shall be permitted while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding, and, except as otherwise expressly provided in the Interim Order or this Final Order, the DIP Liens and the Adequate Protection Liens shall not be (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Loan Parties' estates under section 551 of the Bankruptcy Code, (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise, (iii) subordinated to or made *pari passu* with any liens arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal, or other domestic or foreign governmental unit (including any regulatory body), commission, board, or court for any liability of the Loan Parties, or (iv) subject or junior to any intercompany or affiliate liens or security interests of the Loan Parties.

(b) Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or that otherwise is at any time entered, (i) the DIP Superpriority Claims, the 507(b) Claims, the DIP Liens, and the Adequate Protection Liens shall continue in full force and effect and shall maintain their

priorities as provided in the Interim Order or this Final Order until all DIP Obligations and Adequate Protection Obligations shall have been indefeasibly paid in full in cash (and that such DIP Superpriority Claims, 507(b) Claims, DIP Liens, and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest), (ii) the other rights granted by the Interim Order or this Final Order shall not be affected, and (iii) the Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens, and security interests referred to in this paragraph 18 and otherwise in the Interim Order or this Final Order.

(c) If any or all of the provisions of the Interim Order (except such provisions of the Interim Order modified by this Final Order) or this Final Order are hereafter reversed, modified, vacated, or stayed, such reversal, modification, vacatur, or stay shall not affect (i) the validity, priority, or enforceability of any DIP Obligations or Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent, the Prepetition Revolving Agent, or the Prepetition Term Agent, as applicable, of the effective date of such reversal, modification, vacatur, or stay or (ii) the validity, priority, or enforceability of the DIP Liens or the Adequate Protection Liens. Notwithstanding any such reversal, modification, vacatur, or stay of any use of Cash Collateral, any DIP Obligations or any Adequate Protection Obligations incurred by the Loan Parties to the DIP Secured Parties or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agent, the Prepetition Revolving Agent, or the Prepetition Term Agent, as applicable, of the effective date of such reversal, modification, vacatur, or stay shall be governed in all respects by the original provisions of the Interim Order or this Final Order, and the DIP Secured Parties

and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges, and benefits granted in section 364(e) of the Bankruptcy Code, the Interim Order, this Final Order, and the DIP Documents.

(d) Except as expressly provided in the Interim Order, this Final Order, or in the DIP Documents, (i) the DIP Obligations, the DIP Liens, the DIP Superpriority Claims, the 507(b) Claims, the Adequate Protection Liens, and the Adequate Protection Obligations, and all other rights and remedies of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties granted by the provisions of the Interim Order, this Final Order, and the DIP Documents shall survive, and shall not be modified, impaired, or discharged by the entry of an order (A) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, dismissing any of the Chapter 11 Cases, terminating the joint administration of the Chapter 11 Cases, or by any other act or omission, (B) approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents), or (C) confirming a chapter 11 plan in any of the Chapter 11 Cases, and (ii) pursuant to section 1141(d)(4) of the Bankruptcy Code, the Loan Parties have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of the Interim Order, this Final Order, and the DIP Documents shall continue in the Chapter 11 Cases, in any successor cases if the Chapter 11 Cases cease to be jointly administered, and in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Obligations, the DIP Liens, the DIP Superpriority Claims, the 507(b) Claims, the Adequate Protection Liens, the Adequate Protection Obligations, and all other rights and remedies of the DIP Secured Parties and the Prepetition Secured Parties granted by the

provisions of the Interim Order, this Final Order, and the DIP Documents shall continue in full force and effect until the DIP Obligations are indefeasibly paid in full in cash, as set forth herein and in the DIP Documents, and the Commitments have been terminated.

19. *Effect of Stipulations on Third Parties*.

(a) The Debtors' stipulations, admissions, agreements, and releases contained in the Interim Order and this Final Order shall be binding upon (i) the Debtors and their estates, in all circumstances and for all purposes and (ii) all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances and for all purposes unless (A) such committee or any other party in interest (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so), in each case, with standing granted by the Court, has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, *inter alia*, in this paragraph 19) (1) objecting to or challenging the amount, validity, perfection, enforceability, priority, or extent of the Prepetition Secured Debt or the Prepetition Liens or (2) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims, or any other claims, counterclaims or causes of action, objections, contests, or defenses (collectively, a "**Challenge**") against the Prepetition Secured Parties or their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other

professionals and their respective successors and assigns thereof, in each case in their respective capacity as such (each, a "**Representative**" and, collectively, the "**Representatives**") in connection with matters related to any claims of the Debtors against the Prepetition Secured Parties, the Prepetition Secured Debt Documents, the Prepetition Secured Debt, the Prepetition Liens, the Prepetition Collateral, or otherwise, *provided* that all pleadings filed in connection with a Challenge shall set forth the basis for such challenge or claim, (B) such Challenge has been filed prior to the latest of (1) (Y) with respect to parties in interest with standing (other than a Committee), June 17, 2019 and (Z) with respect to a Committee, if any, 60 calendar days after the appointment of the Committee, (2) any such later date as has been agreed to, in writing, by the Prepetition Revolving Agent or the Prepetition Term Agent (acting upon the express prior written direction of the Required Lenders (as defined in the DIP Credit Agreement)) (as applicable), and (3) any such later date as has been ordered by the Court for cause upon a motion filed and served within any applicable time period set forth in this paragraph 19 (the time period established by the foregoing clauses (1) through (3), the "**Challenge Period**") (for the avoidance of doubt, if a Committee is appointed after June 17, 2019, the Challenge Period shall have expired), and (C) there is a final non-appealable order sustaining such Challenge in favor of the plaintiff in such timely filed adversary proceeding or contested matter. Any Challenge not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released, and barred.

(b) If no such Challenge is filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such proceeding, then (i) the Debtors' stipulations, admissions, agreements, and releases contained in the Interim Order and this Final Order

shall be binding on all parties in interest, including, without limitation, a Committee, if any, (ii) the obligations of the Loan Parties under the Prepetition Secured Debt Documents, including the Prepetition Secured Debt, shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, offset, or avoidance, for all purposes in the Chapter 11 Cases, and any subsequent chapter 7 case(s), (iii) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance, or other defense, (iv) the Prepetition Secured Debt and the Prepetition Liens shall not be subject to any other or further claim or challenge by any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases or any other party in interest acting or seeking to act on behalf of the Debtors' estates, and (v) any defenses, claims, causes of action, counterclaims, and offsets by any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, or any other party acting or seeking to act on behalf of the Debtors' estates, whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives arising out of or relating to the any claims of the Debtors against the Prepetition Secured Parties, the Prepetition Secured Debt Documents, or otherwise shall be deemed forever waived, released, and barred. If any such Challenge is filed during the Challenge Period, the stipulations, admissions, agreements, and releases contained in the Interim Order and this Final Order shall nonetheless remain binding and preclusive (as provided in this subparagraph (b)) on any statutory or non-statutory committee appointed or formed in the Chapter 11 Cases, and on any other person or entity, except to the extent that such stipulations, admissions,

agreements, and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in the Interim Order or this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Prepetition Secured Debt Documents, the Prepetition Secured Debt, or the Prepetition Liens, or claims, counterclaims, or causes of action of the Debtors against any Prepetition Secured Party.

20. *Limitation on Use of DIP Financing Proceeds and Collateral*. Notwithstanding anything herein, in the Interim Order, or in any other order entered by the Court to the contrary, no proceeds of the DIP Facilities, DIP Collateral, Prepetition Collateral (including Cash Collateral), or the Carve-Out may be used (a) for Professional Fees incurred for (i) any litigation or threatened litigation (whether by contested matter, adversary proceeding, or otherwise, including any investigation in connection with litigation or threatened litigation) against any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties or for the purpose of objecting to or challenging the validity, perfection, enforceability, extent, amount or priority of any claim, lien, or security interest held or asserted by any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties or (ii) asserting any defense, claim, cause of action, counterclaim, or offset with respect to the DIP Obligations, the Prepetition Secured Debt (including, without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise), the DIP Liens, or the Prepetition Liens or against any of the Prepetition Secured Parties or their respective

Representatives, (b) to prevent, hinder, or otherwise delay any of the DIP Agent's or the Prepetition Secured Parties' assertion, enforcement, or realization on the Prepetition Collateral or the DIP Collateral in accordance with the DIP Documents, the Prepetition Secured Debt Documents, the Interim Order, or this Final Order other than to seek a determination that an Event of Default has not occurred or is not continuing, or in connection with a Remedies Hearing, (c) to seek to modify any of the rights granted to the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties under the Interim Order, this Final Order, or under the DIP Documents or the Prepetition Loan Documents, in each of the foregoing cases without such parties' prior written consent, which may be given or withheld by such party in the exercise of its respective sole discretion, or (d) to pay any amount on account of any claims arising prior to the Petition Date unless such payments are approved by an order of the Court (including, without limitation, hereunder); *provided* that, notwithstanding anything to the contrary in the Interim Order or this Final Order, the Committee, if any, may use the proceeds of the DIP Facilities, DIP Collateral (including Cash Collateral), and/or the Carve-Out to investigate (but not prosecute or initiate the prosecution of, including the preparation of any complaint or motion on account of) prior to (but not after) the delivery of a Carve-Out Trigger Notice, (i) the claims and liens of the Prepetition Secured Parties and (ii) potential claims, counterclaims, causes of action, or defenses against the Prepetition Secured Parties; *provided further* that no more than an aggregate of $50,000 of the proceeds of the DIP Facilities, DIP Collateral (including Cash Collateral, but excluding all Cash Collateral in the Cash Collateral Account that secures the DIP Letters of Credit), and/or the Carve-Out may be used by the Committee, if any, in respect of the investigations set forth in the preceding proviso (the "**Investigation Budget**").

21. *Release*. Subject to paragraph 19 hereof, and as further set forth in the DIP Documents, the Debtors, on behalf of themselves and their estates (including any successor trustee or other estate representative in the Chapter 11 Cases or any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Cases) and any party acting by, through, or under any of the Debtors or any of their estates, hereby stipulate and agree that they forever and irrevocably (a) release, discharge, waive, and acquit the current or future DIP Agent and other current or future DIP Secured Parties, the Prepetition Revolving Secured Parties, and the Prepetition Term Secured Parties, and each of their respective participants and each of their respective affiliates, and each of their respective former, current, or future officers, employees, directors, agents, representatives, owners, members, partners, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, successors, assigns, and predecessors in interest (collectively, "**Released Parties**"), from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened, including, without limitation, all legal and equitable theories of recovery, arising under common law, statute, or regulation or by contract, of every nature and description, arising out of, in connection with, or relating to the DIP Facilities, the DIP Documents, the Prepetition Loan Documents, or the transactions and relationships contemplated hereunder or thereunder, including, without limitation, (i) any so-called "lender liability" or equitable subordination claims or defenses, (ii) any and all claims and causes of action arising under the Bankruptcy Code (including, without limitation, Avoidance Actions), and (iii) any and all claims and causes

of action regarding the validity, priority, perfection, or avoidability of the liens or secured claims of the DIP Agent, the other DIP Secured Parties, the Prepetition Revolving Secured Parties, and the Prepetition Term Secured Parties, and (b) waive any and all defenses (including, without limitation, offsets, and counterclaims of any nature or kind) as to the validity, perfection, priority, enforceability, and nonavoidability of the DIP Loans, the DIP Liens, the DIP Superpriority Claims, the Prepetition Secured Debt, the Prepetition Liens, the Adequate Protection Claims, the Adequate Protection Liens, and any adequate protection payment obligations pursuant to the Interim Order or this Final Order. For the avoidance of doubt, the foregoing release shall not constitute a release of any rights arising under the DIP Documents. Notwithstanding the releases and covenants contained above in this paragraph, such releases and covenants in favor of the Released Parties shall be deemed acknowledged and reaffirmed by the Debtors each time there is an advance of funds, extension of credit, or financial accommodation under the Interim Order, this Final Order and the DIP Documents.

22. *Exculpation*. Nothing in the Interim Order, this Final Order, the DIP Documents, or any other documents related to these transactions shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent or any DIP Lender of any liability for any claims arising from the prepetition or post-petition activities of the Debtors in the operation of their businesses, or in connection with their restructuring efforts. So long as the DIP Agent and the DIP Lenders comply with their obligations under the DIP Documents and their obligations, if any, under applicable law (including the Bankruptcy Code), (a) the DIP Agent and the DIP Lenders shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or any reserves established pursuant to the Interim Order or this Final Order, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause,

(iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person and (b) all risk of loss, damage, or destruction of the DIP Collateral shall be borne by the Loan Parties.

23. *Final Order Governs*. In the event of any inconsistency between the provisions of this Final Order, the Interim Order, the DIP Documents, or any other order entered by the Court, the provisions of this Final Order shall govern. Notwithstanding anything to the contrary in any other order entered by the Court, any payment made, or authorization contained in, any other order entered by the Court shall be consistent with and subject to the requirements set forth in this Final Order and the DIP Documents, including, without limitation, the Approved Budget (including any permitted variances); *provided* that the Approved Budget (including any permitted variances) shall not constitute a cap or limitation on any Professional Fees and shall not affect the Carve-Out.

24. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of the Interim Order and this Final Order, including all findings therein and herein, shall be binding upon all parties in interest in the Chapter 11 Cases, including, without limitation, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, the Committee, if any, any non-statutory committees appointed or formed in the Chapter 11 Cases, the Debtors, and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, the Debtors, and their respective successors and assigns; *provided* that the DIP Agent, the DIP

Lenders, and the Prepetition Secured Parties shall have no obligation to permit the use of the DIP Collateral (including Cash Collateral) or to extend any financing to any chapter 7 trustee, chapter 11 trustee, or similar responsible person appointed for the estates of the Debtors.

25. *Limitation of Liability*. In determining to make any loan or other extension of credit under the DIP Credit Agreement, to permit the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to the Interim Order, this Final Order, or the DIP Documents, the DIP Agent and the DIP Lenders (and the Prepetition Secured Parties in respect of the use of Cash Collateral) shall not (a) be deemed to be in "control" of the operations of the Debtors, (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders, or estates, or (c) be deemed to be acting as a "Responsible Person," "Owner," or "Operator" with respect to the operation or management of the Debtors, so long as the DIP Agent's and the DIP Lenders' actions do not constitute, within the meaning of 42 U.S.C. § 9601(20)(F), actual participation in the management or operational affairs of a vessel or facility owned or operated by a Debtor, or otherwise cause liability to arise to the federal or state government or the status of "responsible person" or "managing agent" to exist under applicable law (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute).

26. *Inapplicability of Bar Date; Master Proof of Claim*. Any order entered by the Court establishing a bar date for any claims (including, without limitation, administrative claims) in any of the Chapter 11 Cases or any subsequent chapter 7 case of any of the Debtors shall not apply to any DIP Secured Party, any Prepetition Term Secured Party, or any Prepetition Revolving Secured Party. The DIP Secured Parties, Prepetition Secured Parties, and the

Prepetition Revolving Secured Parties shall not be required to file proofs of claim or requests for approval of administrative expenses authorized by the Interim Order or this Final Order in any of the Chapter 11 Cases or any subsequent chapter 7 case of any of the Debtors. The provisions of the Interim Order and this Final Order relating to the amount and/or priority of the DIP Loans, the Prepetition Term Debt, the Prepetition Revolving Debt, the Adequate Protection Claims, the Adequate Protection Liens, any adequate protection payments pursuant to the Interim Order or this Final Order, the Prepetition Liens, the DIP Liens, and the DIP Superpriority Claims shall constitute a sufficient and timely filed proof of claim and/or administrative expense request in respect of such obligations and such secured status. However, in order to facilitate the processing of claims, to ease the burden upon the Court, and to reduce an unnecessary expense to the Debtors' estates, each of the Prepetition Revolving Agent and the Prepetition Term Agent is authorized to file in the Debtors' lead Chapter 11 Case *In re Southcross., et al.,* Case No. 19-10702 (MFW), a single, master proof of claim on behalf of the Prepetition Revolving Secured Parties and the Prepetition Term Secured Parties, as applicable, on account of any and all of their respective claims arising under the applicable Prepetition Secured Debt Documents and hereunder (each, a "**Master Proof of Claim**") applicable against each of the Debtors. Upon the filing of a Master Proof of Claim, (a) the Prepetition Revolving Agent and the Prepetition Revolving Secured Parties and (b) the Prepetition Term Agent and the Prepetition Term Secured Parties, as applicable, and each of their respective successors and assigns, shall be deemed to have filed a proof of claim in the amount set forth opposite its name therein in respect of its claims against each of the Debtors of any type or nature whatsoever with respect to the applicable Prepetition Secured Debt Documents, and the claim of each Prepetition Secured Party (and each of its respective successors and assigns), named in a Master Proof of Claim shall be

treated as if such entity had filed a separate proof of claim in each of the Chapter 11 Cases. The Master Proofs of Claim shall not be required to identify whether any Prepetition Secured Party acquired its claim from another party and the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among such holders of the claims asserted therein resulting from the transfer of all or any portion of such claims. Nothing in the Interim Order or this Final Order shall waive the right of any DIP Secured Party or any Prepetition Secured Party to file its own proof of claim against any of the Debtors. The provisions of this paragraph 26 and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in the Chapter 11 Cases. The Master Proofs of Claim shall not be required to attach any instruments, agreements, or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements, or other documents will be provided upon reasonable written request to counsel to the Prepetition Revolving Agent and Prepetition Term Agent, as applicable.

27. *Secured Party Consents.* No approval, agreement, or consent requested of the DIP Secured Parties and/or the Prepetition Secured Parties by the Debtors pursuant to the terms of the Interim Order, this Final Order, or otherwise shall be inferred from any action, inaction, or acquiescence of the DIP Secured Parties or the Prepetition Secured Parties, as applicable, other than a writing acceptable to the DIP Secured Parties or the Prepetition Secured Parties, as applicable, that is signed by such person(s) and expressly shows such approval, agreement, or consent, without limitation. Nothing in the Interim Order or herein shall in any way affect the rights of the DIP Secured Parties or the Prepetition Secured Parties as to any non-Debtor entity,

without limitation. Unless expressly required otherwise hereunder, any determination, agreement, decision, consent, election, approval, acceptance, waiver, designation, authorization, or other similar circumstance or matter of any of the DIP Secured Parties or the Prepetition Secured Parties, as applicable, hereunder or related hereto, shall be in the such person(s)' sole and absolute discretion.

28. *Insurance*. To the extent that any of the Prepetition Revolving Agent or Prepetition Term Agent is listed as loss payee or additional insured under any of the Borrower's or Guarantors' insurance policies, the DIP Agent is also deemed to be the loss payee or additional insured, as applicable, under such insurance policies and shall act in that capacity and distribute any proceeds recovered or received in respect of any such insurance policies, *first*, to the payment in full of the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted), and *second*, to the payment of the applicable Prepetition Secured Debt.

29. *Effectiveness*. This Final Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rule 4001(a)(3), 6004(h), 7062, or 9014, any Local Rule or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

30. *Headings*. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Final Order.

31. *Payments Held in Trust for the DIP Agent and DIP Lenders*. Except as expressly permitted in the Interim Order, this Final Order, or the DIP Documents, in the event that any

person or entity receives any payment on account of a security interest in DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral, or receives any other payment with respect thereto from any other source prior to indefeasible payment in full in cash of all DIP Obligations under the DIP Documents, and termination of the Commitments in accordance with the DIP Documents, such person or entity shall be deemed to have received, and shall hold, such payment or proceeds of DIP Collateral in trust for the benefit of the DIP Agent and the DIP Lenders and shall immediately turn over such proceeds to the DIP Agent, or as otherwise instructed by the Court, for application in accordance with the DIP Documents and this Final Order.

32. *Credit Bidding*. The DIP Secured Parties shall have the right to credit bid, in accordance with the DIP Documents, up to the full amount of the DIP Obligations other than the amount of the DIP Roll-Up Loans, in any sale of the DIP Collateral. Subject to paragraph 19 hereof and the Intercreditor Agreement, the DIP Secured Parties shall have the right to credit bid, in accordance with the DIP Documents, the amount of the DIP Roll-Up Loans in any sale of the DIP Collateral. Subject to paragraph 19 hereof, each of the Prepetition Secured Parties shall have the right to credit bid, subject to the Intercreditor Agreement, up to the full amount of the applicable Prepetition Secured Debt in any sale of the Prepetition Collateral, in each case pursuant to section 363(k) of the Bankruptcy Code and subject to any successful Challenge, without the need for further Court order authorizing the same and whether any such sale is effectuated through section 363(k) or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise.

33. *Wind Down Budget*. In the event that the Debtors pursue a "Section 363 Sale" (as defined in the DIP Credit Agreement) of all or substantially all of the Debtors' assets, then in

connection with such Section 363 Sale, the Debtors and the Required DIP Lenders will negotiate in good faith a reasonable wind-down budget (the "**Wind-Down Budget**") to pay all allowed (a) post-petition claims, (b) administrative expense and priority claims, and (c) professional fees and expenses necessary to wind-down the Debtors' estates in a reasonable and appropriate timeline. Notwithstanding anything else to the contrary in the Interim Order or this Final Order, subject and subordinate to the Carve Out (y) the net proceeds of any Section 363 Sale shall first satisfy the Wind-Down Budget before repayment of any DIP Obligations, Adequate Protection Obligations, 507(b) Claims, Prepetition Secured Debt, or any other claims against the Debtors and (z) any credit bid shall be subject to the Debtors having sufficient cash at the consummation of the Section 363 Sale to satisfy the Wind-Down Budget. For the avoidance of doubt, the Cash Collateral Accounts that secure the DIP Letters of Credit shall not be used as part of the Wind Down Budget or the Carve-Out.

34. *Bankruptcy Rules*. The requirements of Bankruptcy Rules 4001 and 6004, in each case to the extent applicable, are satisfied by the contents of the Motion.

35. *Necessary Action*. The Debtors are authorized to take all such actions as are necessary or appropriate to implement the terms of this Final Order.

36. *Retention of Jurisdiction*. The Court shall retain jurisdiction to implement, interpret, and enforce the provisions of this Final Order, and this retention of jurisdiction shall survive the confirmation and consummation of any chapter 11 plan for any one or more of the Debtors notwithstanding the terms or provisions of any such chapter 11 plan or any order confirming any such chapter 11 plan.

37. The Debtors shall promptly serve copies of this Final Order on the parties having been given notice of the Final Hearing and on any party that has filed a request for notices with the Court in accordance with Bankruptcy Rule 2002.

nature of "lender liability"), defenses, setoff, recoupment, other offset rights, and other rights of disgorgement or recovery against any and all of the DIP Secured Party Releasees, whether arising at law or in equity, relating to and/or otherwise in connection with entering into and consummating the DIP Term Loans; *provided* that, nothing herein shall relieve the DIP Secured Party Releasees from fulfilling their obligations or commitments under the DIP Facility or the rights of parties in interest with respect to the Prepetition Secured Parties set forth in paragraphs 20 and 21.

I. *Debtors' Stipulations Regarding the Prepetition Credit Agreement.* After consultation with their attorneys and financial advisors, and without prejudice to the rights of the Committee or any other party in interest (subject to the limitations thereon contained in paragraphs 20 and 21 below), the Debtors acknowledge, admit, stipulate and agree that:

(i) Prepetition Credit Facility. Pursuant to that certain Amended and Restated Credit Agreement, dated as of December 19, 2017 (as amended, supplemented, or otherwise modified from time to time in accordance with the terms thereof, the "**Prepetition Credit Agreement**" and, together with the schedules and exhibits attached thereto and all agreements, documents, instruments, and amendments executed and delivered in connection therewith, the "**Prepetition Loan Documents**"), among the Borrower, KeyBank, as administrative agent and collateral agent (in such capacity, the "**Prepetition Agent**"), and as the Letter of Credit Issuer (as defined in the Prepetition Credit Agreement) and the lenders party thereto (the "**Prepetition Lenders**" and, together with the Prepetition Agent and the Letter of Credit Issuer, the "**Prepetition Secured Parties**"), the Prepetition Lenders provided revolving credit and other financial accommodations to, and issued letters of credit for the account of, the Borrower (the

"**Prepetition Credit Facility**"), which Prepetition Credit Facility has been guaranteed on a joint and several basis by certain of the Debtors (the "**Prepetition Guarantors**").

(ii) Prepetition Secured Debt. As of the Petition Date, the Borrower and the Prepetition Guarantors were justly and lawfully indebted and liable to the Prepetition Secured Parties, without defense, counterclaim, or offset of any kind, in respect of (a) outstanding loans in the aggregate principal amount of not less than $41 million, (b) L/C Obligations (as defined in the Prepetition Credit Agreement) (the "**Prepetition Letters of Credit**") in the amount of not less than $37 million, and (c) Hedging Obligations (as defined in the Prepetition Credit Agreement), pursuant to and in accordance with the terms of, the Prepetition Loan Documents (collectively, such indebtedness together with accrued and unpaid interest thereon and fees, expenses, charges, indemnities, and other obligations incurred in connection therewith as provided in the Prepetition Loan Documents, the "**Prepetition Secured Debt**").

(iii) Validity of Prepetition Secured Debt. (a) The Prepetition Secured Debt constitutes legal, valid, binding, and non-avoidable obligations of the Borrower and the Prepetition Guarantors, enforceable in accordance with the terms of the Prepetition Loan Documents (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code) and (b) no portion of the Prepetition Secured Debt or any payments made to the Prepetition Secured Parties or applied to or paid on account of the Prepetition Secured Debt prior to the Petition Date is subject to any contest, attack, rejection, recovery, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action, or other challenge of any nature under the Bankruptcy Code or applicable non-bankruptcy law.

(iv) Prepetition Liens. The liens and security interests granted to the Prepetition Secured Parties (the "**Prepetition Liens**"), pursuant to and in connection with the Prepetition Loan Documents, are (a) valid, binding, perfected, enforceable liens and security interests in the Collateral (as defined in the Prepetition Credit Agreement) (the "**Prepetition Collateral**"), (b) not subject to avoidance, recharacterization, subordination, recovery, attack, effect, counterclaim, defense, or claim under the Bankruptcy Code or applicable non-bankruptcy law, and (c) as of the Petition Date, subject only to Permitted Prior Liens.

(v) No Control. To the extent set forth in paragraph 23, none of the Prepetition Secured Parties controls the Debtors or their properties or operations, have authority to determine the manner in which any Debtor's operations are conducted or are control persons or insiders of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to, or arising from the Prepetition Loan Documents.

(vi) No Claims or Causes of Action. No claims, counterclaims or causes of action of any kind or nature exist against, or with respect to, the Prepetition Secured Parties under any agreements by and among the Debtors and any of the Prepetition Secured Parties that is in existence as of the Petition Date, whether related to the Prepetition Loan Documents or any other agreement with the Debtors.

J. *Findings Regarding the DIP Financing and Use of Cash Collateral.*

(i) Good and sufficient cause has been shown for the entry of this Final Order.

(ii) The Loan Parties have a critical need for the DIP Financing and to continue to use the Prepetition Collateral (including "cash collateral" within the meaning of section 363(a) of the Bankruptcy Code ("**Cash Collateral**")) in order to permit, among other things, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to make payroll, to make capital expenditures, to administer these Chapter 11 Cases, and to satisfy other working capital and operational needs. The access of the Loan Parties to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, incurrence of new indebtedness under the DIP Documents and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern values of the Loan Parties and to a successful sale process.

(iii) The Loan Parties are unable to obtain financing on more favorable terms from sources other than the DIP Lenders and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Loan Parties are also unable to obtain secured credit allowable under section 364(c)(1), 364(c)(2), or 364(c)(3) of the Bankruptcy Code without granting to the DIP Secured Parties the DIP Liens and the DIP Superpriority Claims and incurring the Adequate Protection Obligations, in each case subject to the Carve-Out and the terms and conditions set forth in the Interim Order, this Final Order and in the DIP Documents.

(iv) Based on the Motion, the Streeter Declaration, the Ross Declaration, and the record presented to the Court at the Interim Hearing and the Final Hearing, the terms of the DIP Financing and the terms on which the Loan Parties may continue to use the

Prepetition Collateral (including Cash Collateral) pursuant to the Interim Order, this Final Order and the DIP Documents are fair and reasonable, reflect the Loan Parties' exercise of prudent business judgment and constitute reasonably equivalent value and fair consideration.

(v) Absent an order of the Court and the provision of adequate protection (if the Court determined there were grounds for adequate protection under the Bankruptcy Code), consent of the Prepetition Secured Parties is required for the Loan Parties' use of Cash Collateral and the other Prepetition Collateral. The Prepetition Secured Parties have consented to the Loan Parties' use of Cash Collateral and the other Prepetition Collateral, and the Loan Parties' entry into the DIP Documents in accordance with and subject to the terms and conditions in the Interim Order, this Final Order and the DIP Documents.

(vi) The DIP Financing and the use of the Prepetition Collateral have been negotiated in good faith and at arm's length among the Loan Parties and the DIP Secured Parties, and all of the Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing and the DIP Documents, including, without limitation, all "Obligations" (as defined in the DIP Documents), in each case owing to the DIP Secured Parties or any of their respective banking affiliates (collectively, the "**DIP Obligations**"), shall be deemed to have been extended by the DIP Secured Parties and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code

in the event that this Final Order or any provision hereof or thereof is vacated, reversed, or modified, on appeal or otherwise.

(vii) The Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the Loan Parties' continued use of the Prepetition Collateral (including Cash Collateral) to fund the administration of the Loan Parties' estates and continued operation of their businesses (including the incurrence and payment of the Adequate Protection Obligations and the granting of the Adequate Protection Liens), in accordance with the terms hereof, and the Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of sections 363(m) and 364(e) of the Bankruptcy Code, as may be applicable, in the event that this Final Order, the Interim Order or any provision hereof is vacated, reversed or modified on appeal or otherwise.

(viii) The Prepetition Secured Parties are entitled to the adequate protection provided in the Interim Order and this Final Order as and to the extent set forth herein and therein pursuant to sections 361, 362, 363, 364 and 507(b) of the Bankruptcy Code. Based on the Motion and on the record presented to the Court in connection with the Motion, the Interim Order, and this Final Order, the terms of the proposed adequate protection arrangements and of the use of the Prepetition Collateral are fair and reasonable, reflect the Loan Parties' prudent exercise of business judgment, and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral; *provided* that nothing in the Interim Order, this Final Order or the other DIP Documents shall (a) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of Cash Collateral other than on the terms set forth in the Interim Order and this Final Order, (b) be construed as a consent by any party to the

terms of any other financing or any other lien encumbering the Prepetition Collateral (whether senior or junior), or (c) prejudice, limit, or otherwise impair the rights of any of the Prepetition Secured Parties to seek new, different, or additional adequate protection for any diminution in value of their interests in the Prepetition Collateral from and after the Petition Date or assert the interests of any of the Prepetition Secured Parties and the rights of any other party in interest to object to such relief are hereby preserved.

(ix) Absent granting the relief set forth in this Final Order, the Loan Parties' estates will be significantly and irreparably harmed. Consummation of the DIP Financing and the use of the Prepetition Collateral (including Cash Collateral) in accordance with the Interim Order, this Final Order and the DIP Documents are, therefore, in the best interests of the Loan Parties' estates.

K. *Permitted Prior Liens; Continuation of Prepetition Liens.* Nothing in the Interim Order or this Final Order shall constitute a finding or ruling by this Court that any alleged Permitted Prior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Nothing herein or in the Interim Order shall prejudice the rights of any party-in-interest, including, but not limited to, the Debtors, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, or the Committee, to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Prior Lien. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Prior Lien and is expressly subject to the DIP Liens. The Prepetition Liens, and the DIP Liens that prime the Prepetition Liens, are continuing liens and the DIP Collateral is and will continue to be encumbered by such liens in light of the integrated nature of the DIP Facilities, the DIP Documents, and the Prepetition Loan Documents.

IT IS HEREBY ORDERED THAT:

1. *Financing Approved.* The relief requested in the Motion is granted, and the use of Cash Collateral on a final basis and the DIP Roll-Up Loans and additional DIP Term Loans (in addition to the Interim Financing authorized by the Interim Order) are authorized and approved, in each case in accordance with the terms and conditions set forth in the DIP Documents, the Approved Budget, the Interim Order and this Final Order. Any objections to the Motion with respect to the entry of this Final Order that have not been withdrawn, waived or settled, and all reservations of rights included therein, are hereby denied and overruled on the merits.

2. *Authorization of the DIP Financing and the DIP Documents.*

(a) The Loan Parties are hereby authorized to execute, deliver, enter into and, as applicable, perform all of their obligations under the Interim Order, this Final Order and the DIP Documents and such other and further acts as may be necessary, appropriate, or desirable in connection therewith, in each case in accordance with and subject to the terms of the Interim Order, this Final Order and the DIP Documents. The Borrower is hereby authorized to borrow money and obtain DIP Letters of Credit pursuant to the DIP Credit Agreement, subject to any limitations on borrowing under the DIP Documents, which shall be used for all purposes permitted under the DIP Documents, including, without limitation, to pay certain costs, fees, and expenses related to the Chapter 11 Cases, to pay the Adequate Protection Payments, and to fund working capital and for general corporate purposes of the Loan Parties during the Chapter 11 Cases, in each case, subject to the Approved Budget (except as to Statutory Fees, as that term is defined in paragraph 6 below, which shall not be subject to any budget) and in accordance with the Interim Order, this Final Order and the DIP Documents, and the Guarantors are hereby

authorized to guaranty the DIP Obligations. Notwithstanding anything in the DIP Credit Agreement, the Borrower may only make Borrowings of DIP Term Loans that are consistent with and limited to the draws set forth in the Approved Budget.

(b) In furtherance of the foregoing and without further approval of the Court, each Debtor is authorized to perform all acts, to make, execute, and deliver all instruments, certificates, agreements, and documents (including, without limitation, the execution or recordation of security agreements, mortgages, and financing statements), and to pay all fees in connection with or that may be reasonably required, necessary, or desirable for the Loan Parties' performance of their obligations under or related to the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents, or other modifications to and under the DIP Documents, in each case, in such form as the Loan Parties, the DIP Agent and the requisite DIP Lenders may agree, it being understood that no further approval of the Court shall be required for any authorizations, amendments, waivers, consents, or other modifications to and under the DIP Documents (and any fees and other expenses, amounts, charges, costs, indemnities, and other obligations paid in connection therewith) that the Debtors represent are not material or adverse to the Debtors and that do not (A) shorten the maturity of the extensions of credit thereunder or increase the aggregate commitments or the rate of interest payable thereunder, (B) increase existing fees or add new fees thereunder

(excluding, for the avoidance of doubt, any amendment, consent or waiver fee), or (C) shorten the case Milestones set forth in the DIP Credit Agreement; *provided*, however, that advance copies of such amendments, waivers, consents, or other modifications will be provided to the U.S. Trustee and the Committee, both of which shall have three business days to object on grounds that the proposed amendments, waivers, consents, or other modification are material and should be subject to court approval, upon notice to parties in interest. Notwithstanding the foregoing as of the date hereof, the term Milestone in the DIP Credit Agreement shall be amended to extend the deadline for entry of the Final Order to 35 days after the Petition Date and shall be deemed satisfied by entry of this Final Order. The foregoing shall be without prejudice to the Loan Parties' right to seek approval from the Court of any modification or amendment to the DIP Credit Agreement or this Final Order on an expedited basis; and

(iii) the performance of all other acts necessary, appropriate, or desirable under or in connection with the DIP Documents.

3. *Roll-Up*. Upon entry of this Final Order, all of the Prepetition Secured Debt was immediately, automatically and irrevocably deemed to have been converted into DIP Roll-Up Loans and is entitled to all the priorities, privileges, rights, and other benefits afforded to the other DIP Obligations under the Interim Order, this Final Order and the DIP Documents, in each case subject to the terms and conditions set forth in the Interim Order, this Final Order, the DIP Documents and the reservation of rights of parties in interest in paragraph 20 below. The DIP Roll-Up Loans shall be subject to the Challenge in paragraph 20 below and the effect of any successful Challenge of the DIP Roll-Up Loans shall be determined by the Court.

4. *Release of DIP Secured Party Releasees.* The release set forth in paragraph H hereof in favor of the DIP Secured Party Releasees is hereby approved on a final basis.

5. *DIP Obligations.* Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute valid, binding and non-avoidable obligations of the Loan Parties, enforceable against each Loan Party thereto in accordance with the terms of the DIP Documents, the Interim Order and this Final Order as of the date of the entry of the Interim Order. No obligation, payment, transfer or grant of security to the DIP Secured Parties under the DIP Documents, the Interim Order or this Final Order shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under section 502(d), 544, 548, 549 or 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, reduction, setoff, recoupment, claim, or counterclaim.

6. *Carve-Out.*

(a) As used in this Final Order, the "**Carve-Out**" shall mean a carve-out from the DIP Superpriority Claims, the DIP Liens, the 507(b) Claims, the Adequate Protection Liens and the Prepetition Liens, in an amount equal to the sum of (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the Carve-Out Trigger Notice, without being subject to any budget (collectively, the "**Statutory Fees**"); (ii) all reasonable fees and expenses incurred by a trustee and payable under section 726(b) of the Bankruptcy Code, in an aggregate amount not to exceed $50,000 (without regard to the Carve-Out Trigger Notice); (iii) to the extent allowed by final order

of the Court at any time and provided for in the Approved Budget, for the Debtors' professionals and the Committee's professionals, respectively, all unpaid fees and expenses (the "**Professional Fees**") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code or by the Committee, pursuant to section 328 and 1103 of the Bankruptcy Code (collectively, the "**Professional Persons**") at any time on or before (a) the date of delivery by the DIP Agent of a Carve-Out Trigger Notice and (b) the Termination Date (as defined in the DIP Credit Agreement) (such day, the "**Carve-Out Trigger Date**"), whether allowed by the Court prior to or after the Carve-Out Trigger Date; (iv) to the extent allowed by final order of the Court, (a) Professional Fees incurred after the Carve-Out Trigger Date in an amount not to exceed $1,500,000, of which $500,000 shall be expressly allocated to the Professional Fees of the Committee incurred after the Carve-Out Trigger Date (the "**Post Trigger Date Carve-Out Amount**"), *provided that* such Professional Fees of the Committee shall be first paid from such $500,000 until such amount is exhausted prior to being paid from the remaining Post Trigger Date Carve-Out Amount; *plus* (b) any completion or sales fee and any divestiture fee (including, in each case, pursuant to credit bid) that is earned and payable by the Debtors' pursuant to an engagement letter between the Debtors and the Debtors' investment banker, Evercore, that is approved by the Court (the "**Evercore Fees**"); *provided* that, other than in the event of a credit bid, such fees shall be payable from the proceeds of the applicable asset sale or other transaction (the "**Completion Fee Carve-Out Reserve**"); and (v) amounts held as of the Petition Date as a retainer by the Professional Persons retained by the Debtors to be used to pay Professional Fees allowed by final order of the Court (clauses (i) through (v),

collectively, the "**Carve-Out Amount**"), in each case subject to the limits imposed this Final Order. For purposes of the foregoing, "**Carve-Out Trigger Notice**" shall mean a written notice delivered by email by the DIP Agent to the Debtors' lead restructuring counsel, the U.S. Trustee, and counsel to any Committee, which notice may be delivered following the occurrence and during the continuation of an "Event of Default" under the DIP Documents and the acceleration of the DIP Obligations (an "**Event of Default**"), stating that the Post Trigger Date Carve-Out Amount has been invoked.

(b) Prior to the occurrence of the Carve-Out Trigger Date, the Debtors are authorized (subject to the Approved Budget), for the Debtors' Professional Persons and the Committee's Professional Persons, respectively, to pay Professional Fees that are authorized to be paid in accordance with the provisions of the Bankruptcy Code and any order entered by the Court establishing procedures for the payment of compensation to Professional Persons in these Chapter 11 Cases, as the same may be due and payable, and such payments shall not reduce the Carve-Out Amount.

(c) Upon the closing of the DIP Facility (the "**Closing**"), the Debtors shall deposit in a segregated non-interest bearing account (the "**Carve-Out Reserve**") the following amounts: (i) $1 million of the Post Trigger Date Carve-Out Amount; and (ii) an additional $1,000,000 for payment of pre-Carve-Out Trigger Date fees and expenses of Professional Persons as set forth in paragraph 6(a)(iii). Upon the closing of any sale or other transaction (i) upon which the Evercore Fees are earned and payable, the Debtors shall deposit or segregate cash in an amount equal to the Evercore Fees in the Completion Fee Carve-Out Reserve and (ii) the Debtors shall segregate cash into the Carve-Out Reserve in an amount equal to the Carve-Out Amount at the time of such closing *less* any

amounts already in the Carve-Out Reserve. No fees shall be paid to Evercore or any other professional retained in these cases by the Debtors or the Committee absent order of this Court approving a fee application on notice, except as otherwise expressly provided in any order this Court may enter regarding interim compensation procedures.

(d) The Carve-Out Reserve and Completion Fee Carve-Out Reserve shall be held in a segregated non-interest bearing account maintained by the DIP Agent in trust to pay the Professional Fees and other obligations included in the Carve-Out, and the Carve-Out Reserve and Completion Fee Carve-Out Reserve shall be available only to satisfy such obligations benefiting from the Carve-Out until paid in full; *provided* that payment of any Evercore Fees or any other completion, sale or divestiture fees from the Carve-Out Reserve (other than from the Completion Fee Carve-Out Reserve) shall be subject and subordinate, and junior to payment of all other Professional Fees from the Carve-Out Reserve. The DIP Agent shall allow funds in the Carve-Out Reserve and Completion Fee Carve-Out Reserve to be released to pay obligations payable from the Carve-Out Reserve and Completion Fee Carve-Out Reserve, respectively, upon written instruction from the Debtors.

(e) To the extent the Carve-Out Reserve and/or Completion Fee Carve-Out Reserve have not been reduced to zero after the payment in full of all obligations payable from the Carve-Out Reserve or Completion Fee Carve-Out Reserve, respectively, they shall be used to pay the DIP Agent for the benefit of the DIP Secured Parties until the DIP Obligations have been indefeasibly paid in full in cash and all DIP Commitments have been terminated. Notwithstanding anything to the contrary herein, the Prepetition Agent and the DIP Agent, each on behalf of itself and the relevant secured parties,

(y) shall not sweep or foreclose on the Carve-Out Reserve or Completion Fee Carve-Out Reserve prior to satisfaction in cash in full of all obligations included in the Carve-Out and (z) shall have a security interest upon any residual interests in the Carve-Out Reserve and/or Completion Fee Carve-Out Reserve, respectively, available following satisfaction in cash in full of all obligations included in the Carve-Out, and the priority of such liens on the residuals shall be consistent with this Final Order. Further, notwithstanding anything to the contrary herein, (A) the failure of the Carve-Out Reserve to satisfy in full the allowed Professional Fees shall not affect the priority of the Carve-Out and (B) in no way shall the Carve-Out, the Post Trigger Date Carve-Out Amount, the Carve-Out Reserve or Completion Fee Carve-Out Reserve, or any of the foregoing be construed as a cap or limitation on the amount of the allowed Professional Fees due and payable by the Debtors.

(f) Notwithstanding anything to the contrary herein or in the DIP Documents, the Carve-Out shall be senior to, the DIP Superpriority Claims, the DIP Liens, the 507(b) Claims, the Adequate Protection Liens, the Prepetition Liens, and all other liens and claims granted under the Interim Order, this Final Order, the DIP Documents, or otherwise securing or in respect of the DIP Obligations or the Adequate Protection Obligations.

7. *No Direct Obligation to Pay Allowed Professional Fees.* Nothing in the Interim Order, this Final Order or otherwise shall be construed to obligate the Prepetition Secured Parties or the DIP Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

8. *DIP Superpriority Claims.* Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the Loan Parties (without the need to file any proof of claim) with priority over any and all administrative expense claims, priority claims and unsecured claims against the Loan Parties, now existing or hereafter arising, of any kind whatsoever specified in sections 503(b) and/or 507(b) of the Bankruptcy Code, including, without limitation, all administrative expenses or other claims arising under section 105, 328, 330, 331, 365, 503(b), 507(a) (other than 507(a)(1)), 507(b), 1113, or 1114 of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy, or attachment, which allowed claims (the "**DIP Superpriority Claims**") shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all prepetition and post-petition property of the Loan Parties and all proceeds thereof (excluding the Loan Parties' claims and causes of action under sections 502(d), 506(c), 544, 545, 547, 548, 550, and 553 of the Bankruptcy Code and under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and similar statutes or common law (collectively, the "**Avoidance Actions**", which, for the avoidance of doubt, excludes Debtors' claims and causes of action under section 549 of the Bankruptcy Code or similar state or other applicable law and the proceeds of each of the foregoing), but including any proceeds or property recovered, unencumbered or otherwise from Avoidance Actions, whether by judgment, settlement, or otherwise ("**Avoidance Proceeds**"), subject to the Carve-Out. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that

the Interim Order, this Final Order, or any provision hereof or thereof is vacated, reversed, or modified, on appeal or otherwise. The DIP Superpriority Claims shall be *pari passu* in right of payment with one another and senior to the Adequate Protection Claims; *provided* that the DIP Superpriority Claims in respect of the DIP Roll-Up Loans shall be subject and subordinate to the DIP Superpriority Claims in respect of the DIP Term Loans.

9. *DIP Liens*. As security for the DIP Obligations, effective and perfected upon the Petition Date and without the necessity of the execution, recordation or filing of mortgages, security agreements, control agreements, pledge agreements, financing statements, notations on certificates of title for titled goods or other similar documents, or the possession or control by the DIP Agent of, or over, any and all tangible and intangible prepetition and post-petition property of the Loan Parties, whether existing on the Petition Date or thereafter acquired including, without limitation, any and all cash of the Loan Parties (whether maintained with the DIP Agent or otherwise, except for the Carve-Out Reserve) and any investment of such cash, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, fixtures, machinery, equipment, general intangibles, documents, instruments, securities, chattel paper, interests in leaseholds, real properties, deposit accounts, patents, copyrights, trademarks, trade names, the proceeds of any and all commercial tort claims of the Debtors of any kind or nature, including, but not limited to, proceeds of claims and commercial tort claims against ETC Northeast Pipeline LLC and its affiliates, any claim or rights under section 549 of the Bankruptcy Code, rights under license agreements and other intellectual property, letter-of-credit rights, investment property and support obligations, all books and records pertaining to the property described in this paragraph, all property of the Loan Parties held by any DIP Secured Party, all other goods (including but not limited to fixtures) and

personal property of the Loan Parties, whether tangible or intangible and wherever located, Avoidance Proceeds, capital stock of subsidiaries, wherever located, and, to the extent not covered by the foregoing, all other assets or property of the Debtors, whether tangible, intangible, real, personal or mixed, and the proceeds, products, rents, and profits of the foregoing, whether arising under section 552(b) of the Bankruptcy Code or otherwise, of all the foregoing, in each case other than the Avoidance Actions, but including any Avoidance Proceeds (collectively, the "**DIP Collateral**"), the following security interests and liens are hereby granted to the DIP Agent for its own benefit and the benefit of the DIP Lenders (all such liens and security interests granted to the DIP Agent, for its benefit and for the benefit of the DIP Lenders, pursuant to the Interim Order, this Final Order and the DIP Documents, the "**DIP Liens**"):

(a) First Priority Lien on Unencumbered Property. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority senior security interest in and lien upon DIP Collateral, that, on or as of the Petition Date, is not subject to a valid, perfected, and non-avoidable lien as of the Petition Date or perfected subsequent to the Petition Date as permitted by Section 546(b) of the Bankruptcy Code (collectively, "**Unencumbered Property**"), including, but not limited to Avoidance Proceeds.

(b) Priming Liens. Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected first priority priming security interest in and lien upon all DIP Collateral (wherever located and the proceeds, products, rents and profits thereof), subject and subordinate only to the Permitted Prior Liens, but senior in all respects to the Prepetition Liens, Adequate Protection Liens and all other

liens that are not Permitted Prior Liens (any such liens primed pursuant to this clause (b), the "**Primed Liens**");

(c) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully perfected security interest in and lien upon all DIP Collateral immediately junior to Permitted Prior Liens.

(d) Liens Senior to Certain Other Liens. The DIP Liens shall not be (i) subject or subordinate to (A) any lien or security interest that is avoided and preserved for the benefit of the Loan Parties and their estates under section 551 of the Bankruptcy Code, (B) unless otherwise provided for in the DIP Documents, in the Interim Order or this Final Order, any liens or security interests arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal, or other governmental unit (including any regulatory body), commission, board, or court for any liability of the Loan Parties, or (C) any intercompany or affiliate liens or security interests of the Loan Parties or (ii) subordinated to or made *pari passu* with any other lien or security interest under section 363 or 364 of the Bankruptcy Code granted after the date hereof.

(e) Relative Priority of DIP Liens. Notwithstanding anything to the contrary in the Interim Order or this Final Order, the DIP Liens in respect of the DIP Roll-Up Loans shall be subject and subordinate to the DIP Liens in respect of the DIP Term Loans in all respects. The DIP Liens in respect of the DIP Roll-Up Loan shall only attach to the DIP Collateral to the extent that DIP Collateral constitutes Prepetition Collateral. The DIP Liens in respect of the DIP Term Loans shall attach to all DIP Collateral, including, but not limited to, all Unencumbered Property.

(f) For the avoidance of doubt, any DIP Liens on DIP Collateral relating to real property of the Debtors granted pursuant to this paragraph 9 shall include, for the ratable benefit of the related DIP Secured Parties, in each case to the extent constituting DIP Collateral, all of each Debtor's right, title and interest now or hereafter acquired in and to all land, together with the buildings, structure, and other improvements thereon, now or hereafter owned by any Debtor, including all easements, rights-of-way, and similar rights relating thereto and all leases, tenancies, and occupancies thereof, and (i) all goods, accounts, inventory, general intangibles, instruments, documents, contract rights and chattel paper, (ii) all reserves, escrows or impounds and all deposit accounts maintained by each Debtor with respect to such real estate, (iii) other than Permitted Prior Liens, all leases, licenses, concessions, occupancy agreements or other agreements (written or oral, now or at any time in effect) which grant to any person a possessory interest in, or the right to use, all or any part of such real estate, together with all related security and other deposits, (iv) all of the rents, revenues, royalties, income proceeds, profits, accounts receivable, security and other types of deposits, and other benefits paid or payable by parties to the leases for using, leasing, licensing possessing, operating from, residing in, selling or otherwise enjoying such real estate, (v) all other agreements, such as construction contracts, architects' agreements, engineers' contracts, utility contracts, maintenance agreements, management agreements, service contracts, listing agreements, guaranties, warranties, permits, licenses, certificates and entitlements in any way relating to the construction, use, occupancy, operation, maintenance, enjoyment or ownership of such real estate, (vi) all rights, privileges, tenements, hereditaments, rights-of-way, easements, appendages, and appurtenances appertaining to the foregoing, (vii) all

property tax refunds payable with respect to such real estate, (viii) all accessions, replacements and substitutions for any of the foregoing and all proceeds thereof, (ix) all insurance policies, unearned premiums therefor and proceeds from such policies covering any of the above property now or hereafter acquired by each Debtor as an insured party, and (x) all awards, damages, remunerations, reimbursements, settlements or compensation heretofore made or hereafter to be made to any Debtor by any governmental authority pertaining to any condemnation or other taking (or any purchase in lieu thereof) of all or any such real estate.

10. *Maintenance of Letters of Credit.* The Prepetition Letters of Credit shall be deemed to have been cancelled and reissued as DIP Letters of Credit in their full undrawn amounts and without modification of the terms of the Prepetition Letters of Credit other than their deemed issuance as DIP Letters of Credit.

11. *Automatic Stay.*

(a) The automatic stay provisions of section 362 of the Bankruptcy Code are hereby modified to the extent necessary to permit the DIP Secured Parties to enforce all of their rights under the DIP Documents and (i) immediately upon the occurrence of an Event of Default, to declare (A) the termination, reduction, or restriction of any further DIP Commitment to the extent any such DIP Commitment remains and (B) all applicable DIP Obligations to be immediately due and payable, without presentment, demand, protest, or other notice of any kind, all of which are expressly waived by the Loan Parties, and (ii) unless the Court orders otherwise during the Remedies Notice Period (as defined below), upon the occurrence of an Event of Default and the giving by the DIP Agent of five business days' prior written notice (which shall run concurrently with any

notice required to be provided under the DIP Documents) (the "**Remedies Notice Period**") delivered by email to the Debtors' lead restructuring counsel (with a copy by email to counsel to the Committee, and the U.S. Trustee) (the "**Remedies Notice**"), (A) to withdraw consent to the Loan Parties' continued use of any Cash Collateral and/or (B) to exercise all other rights and remedies provided for in the DIP Documents and under applicable law; *provided* that, during the Remedies Notice Period, the Loan Parties shall be permitted to continue to use Cash Collateral in the ordinary course of business (subject to the Approved Budget) and the Loan Parties or Committee may request an expedited hearing before the Court. After delivery of the Remedies Notice and during and after the Remedies Notice Period, any payments proposed to be made by the Debtors in accordance with the Approved Budget shall be subject to prior review by the DIP Agent and its professionals and the DIP Agent may object to any proposed payment solely on the grounds that such payment is not in the ordinary course of business and is not included in the Approved Budget.

(b) No rights, protections, or remedies of the DIP Secured Parties granted by the provisions of the Interim Order, this Final Order or the DIP Documents shall be limited, modified, or impaired in any way by (i) any actual or purported withdrawal of the consent of any party to the Loan Parties' authority to continue to use Cash Collateral, (ii) any actual or purported termination of the Loan Parties' authority to continue to use Cash Collateral, or (iii) the terms of any other order or stipulation related to the Loan Parties' continued use of Cash Collateral or the provision of adequate protection to any party.

12. *Payment of DIP Agent Fees and Expenses.* The Loan Parties shall make current cash payments of the reasonable and documented prepetition and post-petition fees and expenses incurred by the DIP Agent in connection with the Chapter 11 Cases in any manner (limited, in the case of the advisors to the DIP Agent, to Huron Consulting Group Inc., Hunton Andrews Kurth LLP, and Connolly Gallagher LLP and including the allocated costs (with no profit margin) of the DIP Agent's internal counsel in connection with the Chapter 11 Cases) promptly upon receipt of invoices therefor, which payments shall be made within 10 days (which time period may be extended by the applicable professional) after the receipt by the Debtors, the Committee, and the U.S. Trustee (the "**Review Period**") of invoices therefor (the "**Invoiced Fees**") and without the necessity of filing formal fee applications, including such amounts arising before or after the Petition Date. The invoices for such Invoiced Fees shall include a list of professionals who worked on the matter, their hourly rate (if such professionals bill at an hourly rate), the number of hours each professional billed (except for financial advisors compensated on other than an hourly basis) and, with respect to the invoices of law firms, the year of law school graduation for each attorney, as well as a summary description of services provided and a list of expenses incurred by the applicable professional firm. Such Invoiced Fees shall not be required to contain detailed time entries of any professional, provided, however, that the U.S. Trustee reserves the right to seek copies of invoices containing such detailed time entries; *provided further*, *however*, that any Invoiced Fees may be redacted to protect privileged, confidential, or proprietary information, provided that the U.S. Trustee reserves his right to seek to obtain unredacted copies of such invoices. The Debtors, the Committee, and the U.S. Trustee may object to any portion of the Invoiced Fees (the "**Disputed Invoiced Fees**") within the Review Period by filing with the Court a motion or other pleading setting forth the specific objections to

the Disputed Invoiced Fees in reasonable narrative detail and the bases for such objections; *provided* that payment of any undisputed portion of Invoiced Fees shall not be delayed based on any objections thereto.

13. *Limitation on Charging Expenses Against Collateral.* Except to the extent of the Carve-Out, no costs or expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral (including Cash Collateral) or the Prepetition Collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent or the Prepetition Agent, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Secured Parties or the Prepetition Secured Parties, and nothing contained in the Interim Order or this Final Order shall be deemed to be a consent by the DIP Secured Parties or the Prepetition Secured Parties to any charge, lien, assessment, or claim against the DIP Collateral or Prepetition Collateral under section 506(c) of the Bankruptcy Code or otherwise.

14. *Payments Free and Clear.* Any and all payments or proceeds remitted to the DIP Agent on behalf of the DIP Secured Parties pursuant to the provisions of the Interim Order, this Final Order or the DIP Documents shall be received free and clear of any claim, charge, assessment, or other liability, including, without limitation, any such claim or charge arising out of or based on, directly or indirectly, section 506(c) of the Bankruptcy Code (whether asserted or assessed by, through, or on behalf of the Debtors) or section 552(b) of the Bankruptcy Code.

15. *Use of Cash Collateral.* The Debtors are hereby authorized, subject to the Approved Budget and the terms and conditions of this Final Order, to use all Cash Collateral.

16. *Adequate Protection of Prepetition Secured Parties*. The Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1), and 507(b) of the Bankruptcy Code, to adequate protection of their respective interests in the Prepetition Collateral, for and equal in amount to the aggregate diminution in the value of the Prepetition Secured Parties' prepetition security interests in the Prepetition Collateral from and after the Petition Date, excluding diminution in value caused solely as a result of the Prepetition Secured Debt being primed by the DIP Obligations, if any, for any reason provided for under the Bankruptcy Code, including, but not limited to, the Debtors' use, sale or lease of Cash Collateral and other Prepetition Collateral, the imposition of the automatic stay and/or the Carve-Out (the "**Adequate Protection Claims**"). In consideration of the foregoing, the Prepetition Secured Parties are hereby granted the following (collectively, the "**Adequate Protection Obligations**"):

(a) Adequate Protection Liens. The Prepetition Agent (for itself and for the benefit of the Prepetition Lenders) is hereby granted (effective and perfected upon the Petition Date and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements, or other agreements), in the amount of its respective Adequate Protection Claim, a valid, perfected replacement security interest in and lien upon (the "**Adequate Protection Liens**") the DIP Collateral (including, without limitation, the Avoidance Proceeds), which Adequate Protection Liens shall secure the Adequate Protection Claims, and subject and subordinate only to the Carve-Out, the DIP Liens, and the Permitted Prior Liens.

(b) 507(b) Claims. The Prepetition Agent is granted, as of the Petition Date, an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of its Adequate Protection Claims with, except as

set forth in the Interim Order or this Final Order, priority in payment over any and all administrative expense claims, priority claims and unsecured claims against the Debtors and their estates, now existing or hereafter arising, of the kind specified in section 507(b) of the Bankruptcy Code, including but not limited to claims specified in sections 105, 328, 330, 331, 365, 503(b), 507(a)(other than section 507(a)(1)), 507(b), 1113 and 1114 (the "**507(b) Claims**"), which 507(b) Claims (subject to DIP Liens and DIP Superpriority Claims) shall have recourse to and be payable from all of the DIP Collateral (including, without limitation, the Avoidance Proceeds). The 507(b) Claims shall be subject and subordinate to the Carve-Out, the DIP Superpriority Claims, the DIP Liens, and the Permitted Prior Liens. Except to the extent expressly set forth in the Interim Order, this Final Order or the DIP Credit Agreement, the Prepetition Secured Parties shall not receive or retain any payments, property or other amounts in respect of the 507(b) Claims unless and until the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and the DIP Superpriority Claims have indefeasibly been paid in cash in full and all DIP Commitments have been terminated.

(c) Adequate Protection Cash Payments. Until entry of a Final Order approving the DIP Roll-Up Loans, and in each case subject to reallocation or recharacterization as payment of principal under section 506(a) and (b) of the Bankruptcy Code as may be ordered by the Court in connection with a timely and successful Challenge pursuant to paragraph 20 or 21 below, until the indefeasible discharge of the Prepetition Secured Debt, the Prepetition Agent, for the benefit of the Prepetition Secured Parties, shall receive current payment in cash on the last business day of each month in an amount equal to the sum of all post-petition unpaid interest accruing on all outstanding

principal, interest, fees, and other amounts owing under the applicable Prepetition Secured Debt (as of the Petition Date), in each case at the applicable default rate (the payments in this subparagraph (c), the "**Adequate Protection Payments**").

(d) Prepetition Secured Parties Fees and Expenses. The Loan Parties shall make current cash payments of the reasonable and documented prepetition and post-petition fees and expenses incurred by the Prepetition Agent in connection with the Chapter 11 Cases in any manner (limited, in the case of the advisors to the Prepetition Secured Parties, to Huron Consulting Group Inc., Hunton Andrews Kurth LLP, and Connolly Gallagher LLP, and including the allocated costs (with no profit margin) of the Prepetition Lenders' internal counsel in connection with the Chapter 11 Cases) promptly upon receipt of invoices therefor, which payments shall be made in accordance with the procedures set forth in paragraph 12 hereof with respect to payment of the fees and expenses of the DIP Agent.

(e) All Adequate Protection Liens and 507(b) Claims granted by the Interim Order are subject to any appropriate remedy ordered by the Court, if and to the extent that the underlying Prepetition Liens or Prepetition Claims of the Prepetition Secured Parties are successfully challenged pursuant to paragraph 20 of the Interim Order.

17. *Reservation of Rights of Prepetition Secured Parties.* Under the circumstances and given that the above-described adequate protection is consistent with the Bankruptcy Code, including section 506(b) thereof, the Court finds that the adequate protection provided in the Interim Order and herein is reasonable and sufficient to protect the interests of the Prepetition Secured Parties; *provided* that any of the Prepetition Secured Parties may request further or different adequate protection, and the Debtors or any other party may contest any such request.

18. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) The DIP Agent, the DIP Lenders and the Prepetition Secured Parties are hereby authorized, but not required, to file or record (and to execute in the name of the Loan Parties, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over cash or securities, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Agent, on behalf of the DIP Secured Parties, or the Prepetition Secured Parties shall, in their sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over any cash or securities, or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute, or subordination as of May 17, 2019. Upon the request of the DIP Agent, each of the Prepetition Secured Parties and the Loan Parties, without any further consent of any party, is authorized (in the case of the Loan Parties) and directed (in the case of the Prepetition Secured Parties) to take, execute, deliver and file such instruments (in each case, without representation or warranty of any kind) to enable the DIP Agent to further validate, perfect, preserve, and enforce the DIP Liens. All such documents shall be deemed to have been recorded and filed as of the Petition Date.

(b) The Interim Order and this Final Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of all liens granted in such orders,

including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording financing statements, intellectual property filings, mortgages, notices of lien or similar instruments in any jurisdiction, taking possession of or control over cash, deposit accounts, securities, or other assets, or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement, customs broker agreement or freight forwarding agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens and the Adequate Protection Liens, or to entitle the DIP Secured Parties to the priorities granted herein. Notwithstanding the foregoing, certified copies of the Interim Order and this Final Order may, in the discretion of the DIP Agent, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copies of the Interim Order and this Final Order for filing and/or recording, as applicable. The automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to permit the DIP Agent and Prepetition Secured Parties to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

19. *Preservation of Rights Granted Under the Interim Order and this Final Order.*

(a) Other than the Carve-Out, Permitted Prior Liens and other claims and liens expressly granted by the Interim Order and this Final Order, no claim or lien having a priority superior to or that is *pari passu* with those granted by the Interim Order or this Final Order to the DIP Secured Parties or the Prepetition Secured Parties, respectively, shall be permitted while any of the DIP Obligations or the Adequate Protection

Obligations remain outstanding, and, except as otherwise expressly provided in the Interim Order or this Final Order, the DIP Liens and the Adequate Protection Liens shall not be (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Loan Parties' estates under section 551 of the Bankruptcy Code, (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise, (iii) subordinated to or made *pari passu* with any liens arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal, or other domestic or foreign governmental unit (including any regulatory body), commission, board, or court for any liability of the Loan Parties, or (iv) subject or junior to any intercompany or affiliate liens or security interests of the Loan Parties.

(b) Notwithstanding any order that may be entered converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code or dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or that otherwise is at any time entered, (i) the DIP Superpriority Claims, the 507(b) Claims, the DIP Liens, and the Adequate Protection Liens shall continue in full force and effect and shall maintain their priorities as provided in the Interim Order or this Final Order until all DIP Obligations and Adequate Protection Obligations shall have been indefeasibly paid in full in cash (and such DIP Superpriority Claims, 507(b) Claims, DIP Liens, and Adequate Protection Liens shall, notwithstanding such dismissal or conversion, remain binding on all parties in interest), (ii) the other rights granted by the Interim Order or this Final Order shall not be affected, and (iii) the Court shall retain jurisdiction, for the purposes of

enforcing the claims, liens and security interests referred to in this paragraph 19 and otherwise in the Interim Order or this Final Order.

(c) If any or all of the provisions of the Interim Order (except such provisions of the Interim Order as have been modified by this Final Order) or this Final Order are hereafter reversed, modified, vacated, or stayed, such reversal, modification, vacatur, or stay shall not affect (i) the validity, priority or enforceability of any DIP Obligations or Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the effective date of such reversal, modification, vacatur, or stay or (ii) the validity, priority, or enforceability of the DIP Liens or the Adequate Protection Liens. Notwithstanding any such reversal, modification, vacatur, or stay of any use of Cash Collateral, any DIP Obligations or any Adequate Protection Obligations incurred by the Loan Parties to the DIP Secured Parties or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agent, as applicable, of the effective date of such reversal, modification, vacatur, or stay shall be governed in all respects by the original provisions of the Interim Order or this Final Order, and the DIP Secured Parties and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges and benefits granted in section 364(e) of the Bankruptcy Code, the Interim Order, this Final Order and the DIP Documents.

(d) Except as expressly provided in the Interim Order, this Final Order or in the DIP Documents, the DIP Obligations, the DIP Liens, the DIP Superpriority Claims, the 507(b) Claims, the Adequate Protection Liens, and the Adequate Protection Obligations and all other rights and remedies of the DIP Agent, the DIP Lenders and the

Prepetition Secured Parties granted by the provisions of the Interim Order, this Final Order and the DIP Documents shall survive, and shall not be modified, impaired, or discharged by the entry of an order (i) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, dismissing any of the Chapter 11 Cases, terminating the joint administration of the Chapter 11 Cases or by any other act or omission, (ii) approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents), or (iii) confirming a chapter 11 plan in any of the Chapter 11 Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Loan Parties have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of the Interim Order, this Final Order and the DIP Documents shall continue in the Chapter 11 Cases, in any successor cases if the Chapter 11 Cases cease to be jointly administered and in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Obligations, the DIP Liens, the DIP Superpriority Claims, the 507(b) Claims, the Adequate Protection Liens, and the Adequate Protection Obligations and all other rights and remedies of the DIP Secured Parties and the Prepetition Secured Parties granted by the provisions of the Interim Order, this Final Order and the DIP Documents shall continue in full force and effect until the DIP Obligations are indefeasibly paid in full in cash, as set forth herein and in the DIP Documents, and the Commitments have been terminated.

20. *Effect of Stipulations on Third Parties.*

(a) The Debtors' stipulations, admissions, agreements and releases contained in the Interim Order (other than releases with respect to the DIP Secured Party Releasees,

which releases are binding upon all parties upon entry of the Interim Order) and this Final Order shall be binding upon (i) the Debtors and their estates, in all circumstances and for all purposes and (ii) all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases (including the Committee) and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances and for all purposes unless (A) such committee or any other party in interest (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so), in each case, with standing granted by the Court, has timely filed an adversary proceeding (subject to the limitations contained herein, including, *inter alia*, in this paragraph 20) (1) objecting to or challenging the amount, validity, perfection, enforceability, priority, or extent of the Prepetition Secured Debt or the Prepetition Liens or (2) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests, or defenses (collectively, a "**Challenge**") against the Prepetition Secured Parties or their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals and their respective successors and assigns thereof, in each case in their respective capacity as such (each, a "**Representative**" and, collectively, the "**Representatives**") in connection with matters related to any claims of the Debtors against the Prepetition Secured Parties, the Prepetition Loan Documents, the Prepetition Secured Debt, the Prepetition Liens, the

Prepetition Collateral, or otherwise, *provided* that all pleadings filed in connection with a Challenge shall set forth the basis for such challenge or claim, (B) such Challenge has been filed prior to the latest of (1) (Y) with respect to parties in interest (other than the Committee), July 31, 2019 and (Z) with respect to the Committee, August 14, 2019, (2) any such later date as has been agreed to, in writing, by the Prepetition Agent, and (3) any such later date as has been ordered by the Court for cause upon a motion filed and served within any applicable time period set forth in this paragraph 20 (the time period established by the foregoing clauses (1) through (3), the "**Challenge Period**"), provided, however, that if any of the Debtors' cases convert to a Chapter 7, or if a Chapter 11 trustee is appointed, *prior to* the expiration of the Challenge Period, the Challenge Period shall be extended for the Chapter 7 or Chapter 11 trustee to 40 days after their appointment; and (C) there is a final non-appealable order sustaining such Challenge in favor of the plaintiff in such timely filed adversary proceeding or contested matter. Any Challenge not so specified and filed prior to the expiration of the Challenge Period shall be deemed forever, waived, released, and barred.

(b) If no such Challenge is filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such proceeding, then (i) the Debtors' stipulations, admissions, agreements, and releases contained in the Interim Order and this Final Order shall be binding on all parties in interest, including, without limitation, the Committee, (ii) the obligations of the Loan Parties under the Prepetition Loan Documents, including the Prepetition Secured Debt, shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, offset, or avoidance, for all purposes in the Chapter 11 Cases, and any subsequent chapter 7 case(s), (iii) the

Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance, or other defense, (iv) the Prepetition Secured Debt and the Prepetition Liens shall not be subject to any other or further claim or challenge by the Committee, any non-statutory committees appointed or formed in the Chapter 11 Cases, any trustee or examiner with enlarged powers appointed or elected in any of the Chapter 11 Cases or any subsequent chapter 7 case of the Debtors or any other party in interest acting or seeking to act on behalf of the Debtors' estates, and (v) any defenses, claims, causes of action, counterclaims, and offsets by the Committee, any non-statutory committees appointed or formed in the Chapter 11 Cases, or any other party acting or seeking to act on behalf of the Debtors' estates, whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives arising out of or relating to the any claims of the Debtors against the Prepetition Secured Parties, the Prepetition Loan Documents or otherwise shall be deemed forever waived, released, and barred. If any such Challenge is filed during the Challenge Period, the stipulations, admissions, agreements, and releases contained in the Interim Order and this Final Order shall nonetheless remain binding and preclusive (as provided in this subparagraph (b)) on the Committee, and on any other person or entity, except to the extent that such stipulations, admissions, agreements, and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of the Court or any other court of competent jurisdiction. Nothing in the Interim Order or this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including the Committee, or any non-statutory committees appointed

or formed in the Chapter 11 Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Prepetition Loan Documents, the Prepetition Secured Debt or the Prepetition Liens, or claims, counterclaims or causes of action of the Debtors against any Prepetition Secured Party.

(c) With respect to the Committee only, the filing by the Committee of a standing motion or other application (collectively, a "**Standing Motion**") for authority and/or standing to commence a Challenge accompanied with a copy of the proposed complaint (the "**Proposed Complaint**") which details the alleged Challenge which the Committee seeks to pursue shall automatically extend the Challenge Period for the Committee only (provided such Standing Motion and Proposed Complaint are filed on or before expiration of the Challenge Period for the Committee), solely with respect to the Challenges subject to such Standing Motion and Proposed Complaint. The timely filing by the Committee of a Standing Motion before expiration of the Challenge Period for the Committee shall automatically extend the Challenge Period for the Committee solely for the matters raised in the Proposed Complaint until the date that is the third business day after the Court issues a ruling on such Standing Motion. The Committee agrees that any hearing on the Standing Motion shall be held within fourteen (14) days of filing of the Standing Motion unless otherwise agreed in writing by the Debtors and the DIP Agent. The Committee shall not use the pendency of its Challenge Period or any Standing Motion as a basis for objecting to the Milestones with respect to the sale process set forth in the DIP Credit Agreement.

21. *Limitation on Use of DIP Financing Proceeds and Collateral.* Notwithstanding anything herein, in the Interim Order or in any other order entered by the Court to the contrary, no proceeds of the DIP Facility, DIP Collateral, Prepetition Collateral (including Cash Collateral), or the Carve-Out may be used (a) for Professional Fees incurred for (i) any litigation or threatened litigation (whether by contested matter, adversary proceeding, or otherwise, including any investigation in connection with litigation or threatened litigation) against any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties or for the purpose of objecting to or challenging the validity, perfection, enforceability, extent, amount or priority of any claim, lien, or security interest held or asserted by any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties or (ii) asserting any defense, claim, cause of action, counterclaim, or offset with respect to the DIP Obligations, the Prepetition Secured Debt (including, without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise), the DIP Liens, or the Prepetition Liens or against any of the Prepetition Secured Parties or their respective Representatives, (b) to prevent, hinder, or otherwise delay any of the DIP Agent's or the Prepetition Secured Parties' assertion, enforcement, or realization on the Prepetition Collateral or the DIP Collateral in accordance with the DIP Documents, the Prepetition Loan Documents, the Interim Order or this Final Order other than to seek a determination that an Event of Default has not occurred or is not continuing, or in connection with a remedies hearing, (c) to seek to modify any of the rights granted to the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties under the Interim Order, this Final Order or under the DIP Documents or the Prepetition Loan Documents, in each of the foregoing cases without such parties' prior written consent, which may be given or withheld by such party in the exercise of its respective sole discretion, or (d) to

pay any amount on account of any claims arising prior to the Petition Date unless such payments are approved by an order of the Court (including, without limitation, hereunder); *provided* that notwithstanding anything to the contrary in the Interim Order or this Final Order, the Committee, may use the proceeds of the DIP Collateral (including Cash Collateral), and/or the Carve-Out to investigate (but not prosecute or initiate the prosecution of, including the preparation of any complaint or motion on account of) prior to (but not after) the delivery of a Carve-Out Trigger Notice, (y) the claims and liens of the Prepetition Secured Parties, and (z) potential claims, counterclaims, causes of action, or defenses against the Prepetition Secured Parties; *provided further* that no more than an aggregate of $300,000 of the proceeds of the DIP Collateral (including Cash Collateral) and/or the Carve-Out may be used by the Committee, in respect of the investigations set forth in the preceding proviso (the "**Investigation Budget**").

22. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of the Interim Order and this Final Order, including all findings therein and herein, shall be binding upon all parties in interest in the Chapter 11 Cases, including, without limitation, the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, the Committee, any non-statutory committees appointed or formed in the Chapter 11 Cases, the Debtors, and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, the Debtors, and their respective successors and assigns; *provided* that the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall have no obligation to permit the use of the DIP Collateral or

Prepetition Collateral (including Cash Collateral) or to extend any financing to any chapter 7 trustee, chapter 11 trustee, or similar responsible person appointed for the estates of the Debtors.

23. *Limitation of Liability.* In determining to make any loan or other extension of credit under the DIP Credit Agreement, to permit the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to the Interim Order, this Final Order or the DIP Documents, the DIP Agent and the DIP Lenders (and the Prepetition Secured Parties in respect of the use of Cash Collateral) shall not (a) be deemed to be in "control" of the operations of the Debtors, (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders, or estates, or (c) be deemed to be acting as a "Responsible Person," "Owner," or "Operator" with respect to the operation or management of the Debtors, so long as the DIP Agent's and the DIP Lenders' actions do not constitute, within the meaning of 42 U.S.C. § 9601(20)(F), actual participation in the management or operational affairs of a vessel or facility owned or operated by a Debtor, or otherwise cause liability to arise to the federal or state government or the status of "responsible person" or "managing agent" to exist under applicable law (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute).

24. *Inapplicability of Bar Date; Master Proof of Claim.* Any order entered by the Court establishing a bar date for any claims (including, without limitation, administrative claims) in any of the Chapter 11 Cases or any subsequent chapter 7 case of any of the Debtors shall not apply to any DIP Secured Party or any Prepetition Secured Party. The DIP Secured Parties and the Prepetition Secured Parties shall not be required to file proofs of claim or requests for allowance and payment of administrative expenses authorized by the Interim Order or this Final

Order in any of the Chapter 11 Cases or any subsequent chapter 7 case of any of the Debtors. The provisions of the Interim Order or this Final Order relating to the amount and/or priority of the DIP Loans, the Prepetition Secured Debt, the Adequate Protection Claims, the Adequate Protection Liens, any Adequate Protection Obligations pursuant to the Interim Order or this Final Order, the Prepetition Liens, the DIP Liens, the DIP Superpriority Claims and the Adequate Protection Liens shall constitute a sufficient and timely filed proof of claim and/or administrative expense request in respect of such obligations and such secured status. However, in order to facilitate the processing of claims, to ease the burden upon the Court, and to reduce an unnecessary expense to the Debtors' estates, the Prepetition Agent is authorized to, but not required to, file in the Debtors' lead Chapter 11 Case *In re EdgeMarc Energy Holdings, LLC, et al.,* Case No. 19-11104 (BLS), a single, master proof of claim on behalf of the Prepetition Secured Parties, on account of any and all of their respective claims arising under the applicable Prepetition Loan Documents and hereunder (each, a "**Master Proof of Claim**") applicable against each of the Debtors. Upon the filing of a Master Proof of Claim, the Prepetition Agent and the Prepetition Secured Parties, and each of their respective successors and assigns, shall be deemed to have filed a proof of claim in the amount set forth opposite its name therein in respect of its claims against each of the Debtors of any type or nature whatsoever with respect to the applicable Prepetition Loan Documents, and the claim of each Prepetition Secured Party (and each of its respective successors and assigns), named in a Master Proof of Claim shall be treated as if such entity had filed a separate proof of claim in each of the Chapter 11 Cases. The Master Proofs of Claim shall not be required to identify whether any Prepetition Secured Party acquired its claim from another party and the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among such holders of the

claims asserted therein resulting from the transfer of all or any portion of such claims. Nothing in the Interim Order or this Final Order shall waive the right of any DIP Secured Party or any Prepetition Secured Party to file its own proof of claim against any of the Debtors. The provisions of this paragraph 24 and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in the Chapter 11 Cases. The Master Proofs of Claim shall not be required to attach any instruments, agreements, or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements, or other documents will be provided upon reasonable written request to counsel to the Prepetition Agent.

25. *Insurance*. To the extent that the Prepetition Agent or any Prepetition Lender is listed as loss payee or additional insured under any of the Borrower's or Guarantors' insurance policies, the DIP Agent is also deemed to be the loss payee or additional insured, as applicable, under such insurance policies and shall act in that capacity and distribute any proceeds recovered or received in respect of any such insurance policies, *first*, to the payment in full of the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted), and *second*, to the payment of the applicable Prepetition Secured Debt.

26. *Approved Budget Reservation of Rights*. The Court may change the allocation of the fees and expenses of the Debtors' professionals, the Committee's professionals and the DIP Lenders' professionals provided for in the Approved Budget (and as stated on the record at the Final Hearing), either sua sponte or at the request of the Debtors and/or the Committee, and the rights of the DIP Agent, Debtors and Committee with respect to any change or any requested change to such allocation of fees and expenses are reserved.

27. *Effectiveness*. This Final Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rule 4001(a)(3), 6004(h), 7062, or 9014, any Local Rule or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

28. *Headings*. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Final Order.

29. *Payments Held in Trust for the DIP Agent and DIP Lenders*. Except as expressly permitted in the Interim Order, this Final Order or the DIP Documents, in the event that any person or entity receives any payment on account of a security interest in DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral, or receives any other payment with respect thereto from any other source prior to indefeasible payment in full in cash of all DIP Obligations under the DIP Documents, and termination of the Commitments in accordance with the DIP Documents, such person, or entity shall be deemed to have received, and shall hold, such payment or proceeds of DIP Collateral in trust for the benefit of the DIP Agent and the DIP Lenders and shall immediately turn over such proceeds to the DIP Agent, or as otherwise instructed by the Court, for application in accordance with the DIP Documents and this Final Order.

30. *Disposition of DIP Collateral.* Unless the DIP Obligations and the Prepetition Secured Debt are indefeasibly paid in full, in cash, upon the closing of a sale or other disposition of the DIP Collateral or Prepetition Collateral, the Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral or any Prepetition Collateral

(or enter into any binding agreement to do so) (other than (x) the sale of crude oil, natural gas, or other hydrocarbons in the ordinary course of business, (y) other transactions permitted under the DIP Documents or (z) transactions for an aggregate consideration of less than $500,000) without the prior written consent of the DIP Agent and, solely with respect to the Prepetition Collateral, the Prepetition Agent, in each case such consent not to be unreasonably withheld (and no such consent shall be implied from any other action, inaction, or acquiescence by any DIP Secured Party or Prepetition Secured Party or any order of this Court), except as permitted in the DIP Documents and/or the Prepetition Loan Documents, as applicable, and/or the Interim Order. Except to the extent otherwise expressly provided in the DIP Documents or the Interim Order and subject to the Carve-Out, all proceeds from the sale, transfer, lease, encumbrance, or other disposition of any DIP Collateral (other than the sale of crude oil, natural gas, or other hydrocarbons in the ordinary course of business) shall be remitted to the DIP Agent for application to the DIP Obligations and then to the Prepetition Secured Debt, in each case, in accordance with the terms of the Interim Order and the DIP Documents or the Prepetition Loan Documents, as the case may be.

31. *Credit Bidding.* The DIP Secured Parties shall have the right to credit bid, in accordance with the DIP Documents and subject to the Carve-Out, up to the full amount of the DIP Obligations in any sale of the Prepetition Collateral, in each case pursuant to section 363(k) of the Bankruptcy Code and subject to any successful Challenge regarding the DIP Roll-Up Loans, without the need for further Court order authorizing the same and whether any such sale is effectuated through section 363(k) or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code or otherwise. Subject to paragraph 20 hereof and section 363(k) of the Bankruptcy Code, each of the Prepetition Secured Parties shall have the

right to credit bid up to the full amount of the applicable Prepetition Secured Debt. The Debtors shall pay the fees and expenses of the DIP Secured Parties and Prepetition Secured Parties in connection with any such credit bid, subject to the procedures set forth in paragraph 12 hereof.

32. *No Marshalling.* In no event shall the DIP Secured Parties or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral or Prepetition Collateral, *provided* that the DIP Secured Parties shall first satisfy the DIP Obligations from the Proceeds of DIP Collateral other than Avoidance Proceeds and the proceeds of estate claims (including, but not limited to claims against ETC Northeast Pipeline LLC and its affiliates) (the "**Potential Estate Claims**") before satisfying the DIP Obligations from Avoidance Proceeds and the proceeds of Potential Estate Claims, *provided further* the foregoing limited marshalling in this sentence shall not apply to the Potential Estate Claims if such Potential Estate Claims are determined to be Prepetition Collateral . For the avoidance of doubt, whether or not a Potential Estate Claim constitutes Prepetition Collateral is not an issue subject to the Challenge provisions contained in this Final Order. The DIP Secured Parties and the Prepetition Secured Parties are entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and the "equities of the case" exception shall not apply.

33. *Reporting.* The Committee shall be entitled to receive copies of any financial or other reports required to be prepared by the Debtors pursuant to the DIP Credit Agreement within one (1) business day of delivery by the Debtors of such reports to the DIP Agent.

34. *Reservation of rights for Anchor Drilling Fluids USA, LLC and B&L Pipeco Services, Inc., and Phoenix Technology Services USA, Inc.* Nothing in this Final Order is intended to change or otherwise modify the prepetition priority of the statutory liens and all other rights and/or claims of Anchor Drilling Fluids USA, LLC ("**Anchor**"), B&L Pipeco Services,

Inc. ("**B&L Pipeco**") or Phoenix Technology Services USA, Inc. ("**Phoenix**"), all of which rights are hereby expressly preserved. To the extent Anchor, B&L Pipeco or Phoenix has a valid, enforceable, nonavoidable and perfected, including as permitted by section 546(b) of the Bankruptcy Code, prepetition Lien on any DIP Collateral and such Lien is junior in priority to the Prepetition Liens, Anchor, B&L Pipeco and Phoenix reserve their rights and nothing in this Final Order limits their rights, to request adequate protection equal to the diminution in value (if any) of Anchor, B&L Pipeco or Phoenix's interest in such collateral and without prejudice to the right of the Debtors or any other party in interest to contest such request; *provided, however*, that in connection with any such request and any determination of whether adequate protection should be awarded, Anchor, B&L Pipeco and Phoenix shall not be prejudiced by anything in this Final Order nor shall this Final Order prevent or otherwise prejudice Anchor, B&L Pipeco or Phoenix's rights to seek the equitable remedy of "marshalling" or any similar remedy or doctrine with respect to the DIP Collateral or the Prepetition Collateral, with the Debtors, DIP Agent and any other party in interest reserving their rights regarding same. For the avoidance of doubt, any lien of Anchor, B&L Pipeco or Phoenix that is not a Permitted Prior Lien is being primed pursuant to this Final Order.

SECTION 2.
AMOUNT AND TERMS OF CREDIT.

2.1 Commitments.

(a) Subject to the terms and conditions set forth herein and in the DIP Orders, each Lender severally, not jointly, agrees to make to the Borrower, on and after the Closing Date (and in each case, subject to the conditions set forth in Article 7), New-Money Loans in an aggregate amount not to exceed such Lender's Commitment Percentage of the New-Money Commitment and the sum of all outstanding New-Money Loans not to exceed the New-Money Commitment.

(b) The Administrative Agent, the Lenders and the Credit Parties each acknowledges and agrees that the Roll-Up Loans shall be deemed fully funded and the Existing Letters of Credit shall be deemed reissued hereunder concurrently with the entry of the Final DIP Order (without any notice of request by the Borrower) in accordance with the terms of the DIP Orders, and the Roll-Up Loan

Commitment of each Existing Lender shall expire upon the deemed funding of the Roll-Up Loans and the reissuance of the Existing Letters of Credit hereunder on such date.

(c) Each Lender's New-Money Commitment shall be automatically reduced by such Lender's Commitment Percentage of the funded amount of each Borrowing and shall expire and automatically terminate on the Termination Date (if not earlier terminated), and all Loans and all other Obligations owed under the Credit Documents or with respect to the Loans shall be paid in full not later than the Termination Date. Amounts borrowed under this Section 2.1(a) and repaid or prepaid may not be reborrowed.

2.2 Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing requested after the Initial New-Money Loan shall be in a minimum amount of at least the Minimum Borrowing Amount for such Loans and in a multiple of $100,000 in excess thereof.

2.3 Notice of Borrowing. Whenever the Borrower desires to incur New-Money Loans, the Borrower shall give the Administrative Agent at the Administrative Agent's Office, prior to 5:00 p.m. on the Business Day prior to the requested date of each such Borrowing (a "Notice of Borrowing") which shall specify (i) the aggregate principal amount of the New-Money Loans to be made, (ii) the date of the Borrowing (which shall be a Business Day), and (iii) the current aggregate Total Exposures (without regard to the requested Borrowing) of all Lenders and the *pro forma* aggregate Total Exposures (giving effect to the requested Borrowing) of all Lenders. The Administrative Agent shall promptly give each Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing of New-Money Loans, of such Lender's Commitment Percentage thereof and of the other matters covered by the related Notice of Borrowing. Notwithstanding anything to the contrary hereunder, with respect to the New-Money Commitment, (x) the Borrower may make Borrowings from the Lenders prior to the Availability Period up to the Initial New-Money Loan upon entry of the Interim DIP Order; provided, each Borrowing shall be in an amount or amounts equal to the budgeted amounts set forth in the Approved Budget and (x) up to one (1) Borrowing per calendar week from the Lenders from time to time during the Availability Period in the aggregate amount up to the Additional New-Money Loans.

2.4 Disbursement of Funds.

(a) No later than 2:00 p.m. on the date specified in each Notice of Borrowing, each Lender will make available its Commitment Percentage of each Borrowing requested to be made on such date in the manner provided below.

(b) Each Lender shall make available all amounts it is to fund to the Borrower under any Borrowing in immediately available funds to the Administrative Agent at the Administrative Agent's Office in Dollars, and the Administrative Agent will make available to the Borrower, by depositing to a Cash Collateral Account the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the 2:00 p.m. on the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available such amount to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor the Administrative Agent shall promptly notify the Borrower and the Borrower shall pay such corresponding amount to the

Administrative Agent in Dollars with one (1) Business Day of such demand. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if paid by such Lender, the Overnight Rate or (ii) if paid by the Borrower, the then-applicable rate of interest or fees, calculated in accordance with Section 2.8, for the respective Loans.

(c) Nothing in this Section 2.4 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder).

2.5 Repayment of Loans; Evidence of Debt.

(a) The Borrower promises and agrees to repay to the Administrative Agent, for the benefit of the applicable Lenders, on the Maturity Date, all Loans outstanding on such date together with all other amounts due under this Agreement or the other Credit Documents, including the Exit Fee.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office from time to time, including the amounts of principal and interest payable and paid to such lending office from time to time under this Agreement.

(c) The Administrative Agent, on behalf of the Borrower, shall maintain the Register pursuant to Section 13.5(b), and a subaccount for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(d) The entries made in the Register and accounts and subaccounts maintained pursuant to clauses (b) and (c) of this Section 2.5 shall, to the extent permitted by applicable Requirements of Law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain such account, such Register or such subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note substantially in the form of Exhibit E. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its permitted assigns). Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 13.6(c)) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if applicable, to such payee and its permitted assigns).

2.6 Intentionally Reserved.

2.7 Pro Rata Borrowings. Each Borrowing of Loans under this Agreement shall be made by each Lender on the basis of its Commitment Percentage of the New-Money Commitment. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender severally but not jointly shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder and (b) failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligation under any Credit Document.

2.8 Interest.

(a) The unpaid principal amount of each Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate *per annum* that shall at all times be the Applicable Margin plus the ABR, in each case, in effect from time to time; provided that if the interest rate so determined from time to time is less than (x) eleven percent (11%) prior to the Availability Period, the interest rate shall be deemed to be eleven percent (11%), and (y) ten and one-half percent (10.5%) during the Availability Period, the interest rate shall be deemed to be ten and one-half percent (10.5%).

(b) If all or a portion of (i) the principal amount of any Loan or (ii) any amounts (including interest) payable hereunder with respect thereto shall not be paid when due (whether at stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate *per annum* that is (the "Default Rate") to the extent permitted by applicable Requirements of Law, the rate described in Section 2.8(a) plus (x) three percent (3%) prior to the Availability Period, and (y) two and one-half percent (2.5%) during the Availability Period, in each case, from the date of such non-payment to the date on which such amount is paid in full (after as well as before judgment).

(c) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable in Dollars; provided that any Loan that is repaid on the same date on which it is made shall bear interest for one day. Except as provided below, interest shall be payable in respect of each Loan, (i) monthly in arrears on the last Business Day of each calendar month, and (ii) (A) on any prepayment (on the amount prepaid), (B) at maturity (whether by acceleration or otherwise) and (C) after such maturity, on demand.

(d) All computations of interest hereunder shall be made in accordance with Section 5.5.

2.9 Intentionally Reserved.

2.10 Increased Costs, Illegality, Etc.

(a) Intentionally Reserved.

(b) Intentionally Reserved.

(c) If, after the Closing Date, any Change in Law relating to capital adequacy or liquidity of any Lender or compliance by any Lender or its parent with any Change in Law relating to capital adequacy or liquidity occurring after the Closing Date, has or would have the effect of reducing the rate of return on such Lender's or its parent's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent could have achieved but for such Change in Law (taking into consideration such Lender's or its parent's policies with

respect to capital adequacy or liquidity), then from time to time, promptly (but in any event no later than fifteen days) after written demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or its parent for such reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any applicable Requirement of Law as in effect on the Closing Date (except as otherwise set forth in the definition of Change in Law). Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower, which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) upon receipt of such notice.

(d) Notwithstanding the foregoing, it is understood that this Section 2.10 shall not apply to (i) Taxes indemnifiable under Section 5.4, (ii) net income, franchise, branch profits and excise Taxes (imposed in lieu of net income Taxes) imposed on the Administrative Agent or Lender as a result of a present or former connection between the Administrative Agent or Lender and the jurisdiction imposing such Tax, and (iii) Taxes included under clauses (b), (c) or (d) of the definition of Excluded Taxes.

2.11 Intentionally Reserved.

2.12 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10(c), or Section 5.4 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Section 2.10.

2.13 Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Section 2.10 or Section 5.4 is given by any Lender more than 180 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, tax or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Section 2.10 or Section 5.4, as the case may be, for any such amounts incurred or accruing prior to the 181st day prior to the giving of such notice to the Borrower; provided that if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

2.14 Intentionally Reserved.

2.15 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Unused Fees shall cease to accrue on the unfunded portion of the New-Money Commitment of such Defaulting Lender pursuant to Section 4.1(b); and

(b) the Commitment and Total Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action

hereunder (including any consent to any amendment or waiver pursuant to Section 13.1); provided that any waiver, amendment or modification requiring the consent of all Lenders pursuant to Section 13.1 (other than Section 13.1(b)(vii)) or requiring the consent of each affected Lender pursuant to Section 13.1(a)(i), shall require the consent of such Defaulting Lender (which for the avoidance of doubt would include any change to the Maturity Date applicable to such Defaulting Lender, decreasing or forgiving any principal or interest due to such Defaulting Lender, any decrease of any interest rate applicable to Loans made by such Defaulting Lender (other than the waiving of the Default Rate) and any increase in such Defaulting Lender's Commitment).

2.16 Priority and Liens. The Credit Parties hereby covenant, represent and warrant, upon entry of the DIP Order, the Obligations of the Credit Parties hereunder and under the other Credit Documents and under the Secured Hedge Agreements and the Secured Cash Management Agreements shall have the priority and Liens set forth in the DIP Order, in each case, subject to the Carve-Out and as further described in the DIP Order.

2.17 Payment of Obligations. Subject to the DIP Orders, upon the occurrence of the Termination Date (whether at maturity, by acceleration or otherwise), the Lenders shall be entitled to immediate payment of the Obligations without further application to or order of the Bankruptcy Court.

2.18 No Discharge; Survival of Claims. Each Credit Party agrees that (a) any Chapter 11 Plan or any related Confirmation Order entered in the Cases shall not discharge or otherwise affect in any way any of the Obligations of the Credit Parties to the Secured Parties under this Agreement and the related Credit Documents, other than after the payment in full in cash to the Secured Parties of all of the Obligations under this Agreement, the Related Credit Documents, and the Existing Credit Documents (and the Cash Collateralization of all outstanding Letters of Credit in the amount required hereunder and subject to documentation reasonably satisfactory to the Letter of Credit Issuer and the related Credit Documents on or before the effective date of a Chapter 11 Plan and termination of the Commitments and (B) to the extent its Obligations under this Agreement, the other Credit Documents, and the Existing Credit documents are not satisfied in full, unless otherwise agreed to the Administrative Agent and the Existing Administrative Agent, (i) its Obligations arising under this Agreement, the related Credit Documents, and the Existing Credit Documents shall not be discharged by the entry of such Confirmation Order (and each Credit Party pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) and (ii) the Superpriority Claim granted to the Administrative Agent, the Lenders, the Letter of Credit Issuer, the Hedge Bank, and the Cash Management Bank pursuant to the DIP Orders and the Liens granted to the Administrative Agent pursuant to the DIP Orders shall not be affected in any manner by the entry of such confirmation order.

All Unpaid Drawings occurring after entry of the Interim DIP Order and prior to entry of the Final DIP Order approving the Roll-Up Loans shall automatically and irrevocably be deemed converted into Roll-Up Loans upon the entry of the Final Order. (b) In no event shall the Borrower be permitted to request an increase in the Stated Amount, or a renewal or extension, of any Letter of Credit pursuant to this Section 3.2 except pursuant to the automatic renewal provisions of any such Letter of Credit.

(c) For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the Stated Amount thereof shall be deemed to be the maximum Stated Amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum Stated Amount is in effect at the time of determination; provided, however, that this provision does not constitute Letter of Credit Issuer's acceptance of such automatic increases.

3.3 Intentionally Reserved.

3.4 Agreement to Repay Letter of Credit Drawings.

(a) The Borrower hereby agrees to reimburse the Letter of Credit Issuer, by making payment in Dollars to the Administrative Agent in immediately available funds, for any payment or disbursement made by the Letter of Credit Issuer under any Letter of Credit (each such amount so paid until reimbursed, an "Unpaid Drawing"), within one Business Day after the date on which such payment or disbursement is made, if the Letter of Credit Issuer provides notice to the Borrower of such payment or disbursement prior to 11:00 a.m. on the next succeeding Business Day of such payment or disbursement (such date for reimbursement, the "Reimbursement Date"), with interest on the amount so paid or disbursed by the Letter of Credit Issuer, to the extent not reimbursed prior to 5:00 p.m. on the Reimbursement Date, from the Reimbursement Date to the date the Letter of Credit Issuer is reimbursed therefor at a rate *per annum* that shall at all times be the Default Rate plus the ABR as in effect from time to time; provided that, notwithstanding anything contained in this Agreement to the contrary, unless the Borrower shall have notified the Administrative Agent and the relevant Letter of Credit Issuer prior to 10:00 a.m. on the Reimbursement Date that the Borrower intends to reimburse the relevant Letter of

Credit Issuer for the amount of such drawing with funds other than the proceeds of Loans, the Borrower shall be deemed to have given a Notice of Borrowing requesting that, with respect to Letters of Credit, the Lenders make Loans (which shall be Roll-Up Loans) on the Reimbursement Date in the amount of such drawing. Such Loans shall be made without regard to the Minimum Borrowing Amount. The Administrative Agent shall use the proceeds of such Loans solely for purpose of reimbursing the Letter of Credit Issuer for the related Unpaid Drawing. In the event that the Borrower fails to Cash Collateralize any Letter of Credit that is outstanding on the Maturity Date, the full amount of the Letters of Credit Outstanding in respect of such Letter of Credit shall be deemed to be an Unpaid Drawing subject to the provisions of this Section 3.4 except that the Letter of Credit Issuer shall hold the proceeds received from the Lenders as contemplated above as cash collateral for such Letter of Credit to reimburse any Drawing under such Letter of Credit and shall use such proceeds first, to reimburse itself for any Drawings made in respect of such Letter of Credit following the L/C Maturity Date, second, to the extent such Letter of Credit expires or is returned undrawn while any such cash collateral remains, to the repayment of obligations in respect of any Loans that have not paid at such time and third, to the Borrower or as otherwise directed by a court of competent jurisdiction. Nothing in this Section 3.4(a) shall affect the Borrower's obligation to repay all outstanding Loans when due in accordance with the terms of this Agreement.

(b) The obligations of the Borrower under this Section 3.4 to reimburse the Letter of Credit Issuer with respect to Unpaid Drawings (including, in each case, interest thereon) shall be absolute and unconditional under any and all circumstances and irrespective of any set-off, counterclaim or defense to payment that the Borrower or any other Person may have or have had against the Letter of Credit Issuer, the Administrative Agent or any Lender, including, without limitation, the following:

(i) any defense based upon the failure of any drawing under a Letter of Credit (each a "Drawing") to conform to the terms of the Letter of Credit or any non-application or misapplication by the beneficiary of the proceeds of such Drawing;

(ii) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Credit Document;

(iii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the Letter of Credit Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iv) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(v) waiver by the Letter of Credit Issuer of any requirement that exists for the Letter of Credit Issuer's protection and not the protection of the Borrower or any waiver by the Letter of Credit Issuer which does not in fact materially prejudice the Borrower;

(vi) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(vii) any payment made by the Letter of Credit Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;

(viii) any payment by the Letter of Credit Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the Letter of Credit Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any debtor relief law; or

(ix) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any Subsidiary.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will immediately notify the Letter of Credit Issuer. The Borrower shall be conclusively deemed to have waived any such claim against the Letter of Credit Issuer and its correspondents unless such notice is given as aforesaid.

3.5 Intentionally Reserved.

3.6 Intentionally Reserved.

3.7 Role of Letter of Credit Issuer. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the Letter of Credit Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Affiliates nor any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable to any Lender for (a) any action taken or omitted in connection herewith at the request or with the approval of the Required Lenders, (b) any action taken or omitted in the absence of gross negligence or willful misconduct or (c) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Affiliates nor any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable or responsible for any of the matters described in this Section 3; provided that anything in such Section to the contrary notwithstanding, the Borrower may have a claim against the Letter of Credit Issuer, and the Letter of Credit Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by the Letter of Credit Issuer's willful misconduct or gross negligence or the Letter of Credit Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the Letter of Credit Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation,

regardless of any notice or information to the contrary, and the Letter of Credit Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

3.8 Cash Collateral.

(a) Upon the request of the Required Lenders if, as of the L/C Maturity Date, there are any Letters of Credit Outstanding, the Borrower shall immediately Cash Collateralize the then Letters of Credit Outstanding. Concurrently with the closing of the Sale Transaction, the Credit Parties shall pay to the Administrative Agent cash in an amount equal to (i) one hundred five percent (105%) of any Letters of Credit Outstanding and (ii) the total amount of all Hedging Obligations, and the cash so paid to the Administrative Agent shall be used either to reimburse (x) the Letter of Credit Issuer for any Drawing on the Letters of Credit Outstanding or (y) the Hedge Banks on the Hedging Obligations, and any amounts in excess of the amounts reimbursed to the Letter of Credit Issuer and/or Hedge Banks shall be returned to the Credit Parties after there are no longer any Letters of Credit Outstanding or Hedging Obligations outstanding.

(b) Intentionally Reserved.

(c) For purposes of this Agreement, "Cash Collateralize" shall mean to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the Letter of Credit Issuer and the Lenders, as collateral for the L/C Obligations, cash or deposit account balances in an amount equal to the amount of the Letters of Credit Outstanding required to be Cash Collateralized pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the Letter of Credit Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the Letter of Credit Issuer, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Such cash Collateral shall be maintained in blocked, interest bearing deposit accounts established by and in the name of the Borrower, but under the "control" (as defined in Section 9-104 of the UCC) of the Administrative Agent.

3.9 Applicability of ISP and UCP. Unless otherwise expressly agreed by the Letter of Credit Issuer and the Borrower when a Letter of Credit is issued, (a) the rules of the ISP shall apply to each standby Letter of Credit and (b) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance, shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, the Letter of Credit Issuer shall not be responsible to the Borrower for, and the Letter of Credit Issuer's rights and remedies against the Borrower shall not be impaired by, any action or inaction of the Letter of Credit Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including any Requirement of Law or any order of a jurisdiction where the Letter of Credit Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

3.10 Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

3.11 Letters of Credit Issued for Guarantors. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Guarantor, the Borrower shall be obligated to reimburse the Letter of Credit Issuer hereunder for any and all Drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Guarantors inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Guarantors.

SECTION 4.
FEES; COMMITMENTS.

4.1 Fees.

(a) Intentionally Reserved.

(b) The Borrower shall pay to the Administrative Agent for the account of each Lender in accordance with its Commitment Percentage, a commitment fee (the "Unused Fee") for each day from the Closing Date until the Termination Date. Each Unused Fee shall be payable by the Borrower (i) quarterly in arrears on the last Business Day of each March, June, September and December (for the three-month period (or portion thereof) ended on such day for which no payment has been received) and (ii) on the Termination Date (for the period ended on such date for which no payment has been received pursuant to clause (i) above), and shall be computed for each day during such period at a rate per annum equal to (x) 3.0% prior to the Availability Period, and (y) 2.5% during the Availability Period, in each case, on the New-Money Commitments.

(c) The Borrower agrees to pay to each Letter of Credit Issuer a fee in respect of each Letter of Credit issued by it (the "Fronting Fee"), for the period from the date of issuance of such Letter of Credit to the termination or expiration date of such Letter of Credit, computed at the rate for each day equal to 0.125% *per annum* on the daily Stated Amount of such Letter of Credit (or at such other rate *per annum* as agreed in writing between the Borrower and the Letter of Credit Issuer). Such Fronting Fees shall be due and payable by the Borrower (i) quarterly in arrears on the last Business Day of each March, June, September and December and (ii) on the Termination Date (for the period for which no payment has been received pursuant to clause (i) above).

(d) The Borrower agrees to pay directly to the Letter of Credit Issuer upon each issuance of, drawing under, and/or amendment of, a Letter of Credit issued by it such amount as the Letters of Credit Issuer and the Borrower shall have agreed upon for issuances of, drawings under or amendments of, letters of credit issued by it.

(e) The Borrower shall pay to the Administrative Agent for the account of each Lender in accordance with its Commitment Percentage an upfront fee (the "Upfront Fee") equal to 3.0% of the aggregate principal amount of the New-Money Commitments provided hereunder (such may take the form of original issue discount at the election of the Required Lenders), which such Upfront Fee shall be earned, due and payable on the Closing Date. Notwithstanding the foregoing, no applicable original issue discount shall reduce the amount of Obligations.

(f) The Borrower shall pay to the Administrative Agent for the account of each Lender in accordance with its Commitment Percentage an exit fee (the "Exit Fee") in an amount equal to (x) 3.0 % prior to the Availability Period, and (y) 2.5% during the Availability Period, in each case, of (i) the amount of the reduction in New-Money Commitments (other than by reason of a Borrowing, but including any reduction resulting from a termination of the New-Money Commitment as contemplated in the definition of "Termination Date") and (ii) the principal amount of the New-Money Commitments

prepaid or repaid, including, for the avoidance of doubt, any repayment following the Maturity Date or following any acceleration thereof. The Exit Fee shall be payable on the date of each such reduction of New-Money Commitments and/or payment or prepayment of New-Money Commitments, as applicable.

4.2 Voluntary Reduction of Commitments.

(a) Upon at least two Business Days' prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent at the Administrative Agent's Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, without premium or penalty, on any day, permanently to terminate or reduce the Commitments, as determined by the Borrower, in whole or in part; provided that (i) any such termination or reduction shall apply proportionately and permanently to reduce the Commitments of each of the Lenders, (ii) any partial reduction pursuant to this Section 4.2 shall be in the amount of at least $500,000 and in multiples of $100,000 in excess thereof, and (iii) after giving effect to such termination or reduction and to any prepayments of the Loans made on the date thereof in accordance with this Agreement (including pursuant to Section 5.2(a)), the aggregate amount of all Lenders' Total Exposures shall not exceed the Total Commitment.

(b) The Borrower may at any time terminate the Total Commitment upon (i) the payment in full of all outstanding Loans, together with accrued and unpaid interest thereon, (ii) the payment in full of the accrued and unpaid fees, and (iii) the payment in full of all reimbursable expenses and other Obligations (other than Hedge Obligations under Secured Hedge Agreements, Cash Management Obligations under Secured Cash Management Agreements and contingent indemnification obligations not then due and payable) together with accrued and unpaid interest thereon, as applicable.

4.3 Mandatory Termination of Commitments. The Total Commitment shall terminate at 5:00 p.m. on the Termination Date.

SECTION 5.
PAYMENTS

5.1 Voluntary Prepayments. The Borrower shall have the right to prepay Loans, without premium or penalty (other than, for the avoidance of doubt, the Exit Fee, if applicable), in whole or in part from time to time on the following terms and conditions:

(a) the Borrower shall give the Administrative Agent at the Administrative Agent's Office at least three (3) Business Days' written notice (or telephonic notice promptly confirmed in writing) of its intent to make such prepayment, the amount of such prepayment and the specific Borrowing(s) being prepaid, which notice shall be given by the Borrower no later than 1:00 p.m. on the date of such prepayment and shall promptly be transmitted by the Administrative Agent to each of the Lenders; and

(b) each partial prepayment shall be in a minimum amount of $500,000 and in multiples of $100,000 in excess thereof.

Each such notice shall specify the date and amount of such prepayment. At the Borrower's election in connection with any prepayment pursuant to this Section 5.1, such prepayment shall not be applied to any Loans of a Defaulting Lender.

5.2 Mandatory Prepayments.

(a) Repayment Following Optional Reduction of Commitments. If, after giving effect to any termination or reduction of the Commitments pursuant to Section 4.2(a), the aggregate Total Exposures of all Lenders exceeds the Total Commitment (as reduced), then the Borrower shall on the same Business Day (i) prepay the Loans on the date of such termination or reduction in an aggregate principal amount equal to such excess and (ii) if any excess remains after prepaying all of the Loans as a result of any Letter of Credit Exposure, pay to the Administrative Agent on behalf of the Letter of Credit Issuer an amount in cash equal to such excess to be held as Cash Collateral as provided in Section 3.8.

(b) Dispositions; Net Cash Proceeds and Extraordinary Proceeds. Subject to the Carve-Out, and the funding in full of the Carve-Out Reserve in accordance with the DIP Orders, unless waived by the Administrative Agent in its sole discretion (i) immediately upon any Disposition (other than a Disposition permitted by Section 10.4(a)) by the Credit Parties of any property, the Borrower shall immediately prepay the outstanding Loans in accordance with Section 5.2(c) in an amount equal to 100% of the net cash proceeds received by such Person in connection with such Disposition; provided, the Borrower shall only be required to prepay the outstanding Loans for net cash proceeds received in excess of $100,000 individually and $200,000 in the aggregate; provided, further, nothing contained in this Section 5.2(b) shall permit a Credit Party to sell or otherwise Dispose of any property other than in accordance with this Agreement, and (ii) immediately upon the receipt by a Credit Party of any Extraordinary Proceeds in any one or series of related events, the Borrower shall immediately prepay the outstanding Loans in accordance with Section 5.2(c) in an amount equal to 100% of such Extraordinary Proceeds, net of any reasonable expenses incurred in collecting such Extraordinary Proceeds; provided, the Borrower shall only be required to prepay the outstanding Loans for Extraordinary Proceeds received in excess of $100,000 individually and $200,000 in the aggregate.

(c) Application to Loans. With respect to each prepayment of Loans elected under Section 5.1 or required by Section 5.2, the Borrower may designate the Loans to be prepaid; provided that (A) each prepayment of any Loans made pursuant to a Borrowing shall be first applied *pro rata* among the New-Money Loans, and second to the Roll-Up Loans and (B) notwithstanding the provisions of the preceding clause (A), no prepayment of Loans shall be applied to the Loans of any Defaulting Lender unless otherwise agreed in writing by the Borrower. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion.

(d) Application of Proceeds. The application of proceeds pursuant to this Section 5.2 shall reduce the aggregate amount of Lenders' New-Money Commitments hereunder and amounts prepaid may not be reborrowed. Each prepayment under this Section 5.2 shall include a portion of the Exit Fee payable to each Lender in accordance with such Lender's Commitment Percentage of the New-Money Commitments.

5.3 Method and Place of Payment.

(a) All payments under this Agreement shall be made by the Borrower without condition, set-off, counterclaim, recoupment or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto not later than 2:00 p.m., in each case, on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by notice to the Borrower; it being understood that written or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower's account at the Administrative Agent's Office shall constitute the making of such payment to the extent of such funds held in such account. All repayments or prepayments of any Loans (whether of principal, interest or otherwise) hereunder and all other payments under each Credit Document shall be made in Dollars. The Administrative Agent will thereafter cause to

be distributed on the same day (if payment was actually received by the Administrative Agent prior to 2:00 p.m. or, otherwise, on the next Business Day in the sole discretion of the Administrative Agent) like funds relating to the payment of principal or interest or fees ratably to the Lenders entitled thereto.

(b) For purposes of computing interest or fees, any payments under this Agreement that are made later than 2:00 p.m. shall be deemed to have been made on the next succeeding Business Day in the sole discretion of the Administrative Agent. Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

(c) Unless the Administrative Agent shall have received notice from the Borrower by 2:00 p.m. on the day prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this subsection (c) shall be conclusive, absent manifest error.

5.4 Net Payments.

(a) Any and all payments made by or on behalf of any Credit Party shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; provided that if any withholding agent shall be required by applicable Requirements of Law to deduct or withhold any Taxes from such payments, then (i) if the amounts so withheld are Indemnified Taxes, the sum payable by the applicable Credit Party shall be increased as necessary so that after making all required deductions and withholdings (including deductions or withholdings applicable to additional sums payable under this Section 5.4) the Administrative Agent or any Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the withholding agent shall make such deductions or withholdings and (iii) the withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with applicable Requirements of Law. Whenever any Indemnified Taxes are payable by any Credit Party, as promptly as possible thereafter, such Credit Party shall send to the Administrative Agent for its own account or for the account of the Letter of Credit Issuer or Lender, as the case may be, a certified copy of an original official receipt (or other evidence acceptable to such Lender, acting reasonably) received by such Credit Party showing payment thereof.

(b) The Credit Parties shall jointly and severally timely pay and shall indemnify and hold harmless the Administrative Agent and each Lender (whether or not such Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority) with regard to any Other Taxes.

(c) The Credit Parties shall indemnify and hold harmless the Administrative Agent and each Lender within 15 Business Days after written demand therefor, for the full amount of any Indemnified Taxes imposed on the Administrative Agent or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of any Credit Party (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.4) and any

reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth reasonable detail as to the amount of such payment or liability delivered to the Borrower by a Lender or the Administrative Agent on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) Any Lender that is entitled to an exemption from or reduction of any applicable withholding Tax with respect to payments under this Agreement or any other Credit Document shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(e) Without limiting the generality of the foregoing, each Non-U.S. Lender with respect to any Loan made to the Borrower shall, to the extent it is legally entitled to do so:

(i) deliver to the Borrower and the Administrative Agent, prior to the date on which the first payment to the Non-U.S. Lender is due hereunder, two copies of (A) in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding Tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", United States Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any applicable successor form) (together with a certificate representing that such Non-U.S. Lender is not a bank for purposes of Section 881(c)(3)(A) of the Code, is not a 10% shareholder (within the meaning of Section 881(c)(3)(B) of the Code) of the Borrower, is not a controlled foreign corporation related to the Borrower (within the meaning of Section 881(c)(3)(C) of the Code) and the interest payments in question are not effectively connected with the United States trade or business conducted by such Lender (a "U.S. Tax Compliance Certificate") substantially in the form of Exhibit K-1), (B) Internal Revenue Service Form W-8BEN, Form W-8BEN-E or Form W-8ECI (or any applicable successor form), as applicable, in each case properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or reduced rate of, U.S. Federal withholding Tax on payments by the Borrower under this Agreement, (C) to the extent a non-U.S. Lender is not the beneficial owner, Internal Revenue Service Form W-8IMY (or any applicable successor form), a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-2 or Exhibit K-3 (provided that if the non-U.S. Lender is a partnership and one or more direct or indirect partners of such non-U.S. Lender are claiming the portfolio interest exemption, such non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-4 on behalf of each direct and indirect partner) and all necessary attachments (including the forms described in clauses (A) and (B) above, as required) or (D) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made; and

(ii) deliver to the Borrower and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower;

(f) unless in any such case any Change in Law has occurred prior to the date on which any such delivery would otherwise be required that renders any such form inapplicable or would prevent such Non-U.S. Lender from duly completing and delivering any such form with respect to it and such Non-U.S. Lender promptly so advises the Borrower and the Administrative Agent. Each Person that shall become a Participant pursuant to Section 13.6 or a Lender pursuant to Section 13.6 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to Section 5.4; provided that in the case of a Participant such Participant shall furnish all such required forms and statements to the Lender from which the related participation shall have been purchased. If any Lender or the Administrative Agent determines, in its sole discretion, exercised in good faith, that it has received a refund of an Indemnified Tax (including an Other Tax) for which a payment has been made by a Credit Party pursuant to this Agreement, then the Lender or the Administrative Agent shall reimburse such Credit Party for such amount (net of all out-of-pocket expenses of such Lender or the Administrative Agent, and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund. Such Credit Party, upon the request of the Lender or the Administrative Agent, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Lender or the Administrative Agent in the event the Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Neither the Lenders nor the Administrative Agent shall be obliged to disclose any information regarding its tax returns or tax affairs to any Credit Party in connection with this clause (f) or any other provision of this Section 5.4.

(g) Each Lender and Agent with respect to the Loan and any other Loan made to the Borrower that is a United States person under Section 7701(a)(30) of the Code (each, a "U.S. Lender") shall deliver to the Borrower and the Administrative Agent two United States Internal Revenue Service Forms W-9 (or substitute or successor form), properly completed and duly executed, certifying that such Lender or Agent is exempt from United States backup withholding (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before the date that such form expires or becomes obsolete, (iii) after the occurrence of a change in the Agent's or Lender's circumstances requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

(h) If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (h), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(i) The agreements in this Section 5.4 shall survive the termination of this Agreement, the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, and the payment, satisfaction, or discharge of the Loans and all other amounts payable hereunder.

5.5 Computations of Interest and Fees. Except as provided in the next succeeding sentence, Interest on the outstanding principal amount of Loans shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on ABR Loans in respect of which the rate of interest is calculated on the basis of the Administrative Agent's prime rate and interest on overdue interest shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

5.6 Limit on Rate of Interest.

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obligated to pay any interest or other amounts under or in connection with this Agreement or otherwise in respect to any of the Obligations in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment that it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules and regulations.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate any Credit Party to make any payment of interest or other amount payable to the Administrative Agent or any Lender in an amount or calculated at a rate that would be prohibited by any applicable Requirement of Law, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable Requirements of Law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8.

(d) Rebate of Excess Interest. Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if the Administrative Agent or any Lender shall have received from any Credit Party an amount in excess of the maximum permitted by any applicable Requirement of Law, then such Credit Party shall be entitled, by notice in writing to the Administrative Agent to obtain reimbursement from the Administrative Agent, such Lender, as the case may be, in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by the Administrative Agent or such Lender to the Borrower.

SECTION 6.
CONDITIONS PRECEDENT TO INITIAL CREDIT EVENT.

The effectiveness of this Agreement, and the obligations of the Lenders to make the Initial New-Money Loan, is subject to the satisfaction of the following conditions precedent, except as otherwise agreed or waived pursuant to Section 13.1.

6.1 Approved Budget. The Lenders shall have received the certified Approved Budget, which shall be in form and substance satisfactory to the Lenders.

6.2 DIP Orders. The Administrative Agent (with copy to the Lenders) shall have received a certified copy of the Interim DIP Order, which Interim DIP Order (i) shall have been entered on the docket of the Bankruptcy Court on or before the Closing Date and within the time period set forth in clause (a) of the definition of "Milestone", and (ii) shall be in full force and effect and shall not have been reversed, modified, amended, stayed or vacated (in the case of a modification or amendment, in a manner that is adverse to the interests of the Administrative Agent or the Lenders in any respect). Additionally, (a) the Interim DIP Order shall include provisions that create Liens upon the Collateral in favor of the Administrative Agent and the Lenders securing all of the Obligations, which shall be deemed valid and perfected as of the Petition Date by entry of the Interim DIP Order with respect to each Credit Party and which shall constitute continuing Liens on the Collateral in favor of the Administrative Agent. The Administrative Agent and the Lenders shall not be required to file or record (but shall have the option and each of the Credit Parties hereby grants the Administrative Agent the authority to file or record) any financing statements, mortgages, notices of Lien or similar instruments, in any jurisdiction or filing office or to take any other action in order to validate, perfect or establish the priority of the Liens and security interest granted by or pursuant to this Agreement, the DIP Orders or any other Credit Document.

The Superpriority Claims shall be entitled to the full protection of Section 364(e) of the Bankruptcy Code in the event that the Interim DIP Order or any provision thereof is vacated, reversed or modified, on appeal or otherwise. SECTION 8.
REPRESENTATIONS, WARRANTIES AND AGREEMENTS.

In order to induce the Lenders to enter into this Agreement, to make the Loans and issue or participate in Letters of Credit as provided for herein, the Borrower makes (on the Closing Date and on each other date as required or otherwise set forth in this Agreement) the following representations and warranties to, and agreements with, the Lenders, all of which shall survive the execution and delivery of this Agreement and the making of the Loans and the issuance of the Letters of Credit:

8.1 Corporate Status. Each Credit Party (a) is a duly organized and validly existing corporation or other entity in good standing under the laws of the jurisdiction of its organization and has the corporate or other organizational power and authority to own its property and assets and to transact the business in which it is engaged and (b) has duly qualified and is authorized to do business and is in good standing (if applicable) in all jurisdictions where it is required to be so qualified, except where the failure to have such power and authority or to be so qualified would not reasonably be expected to result in a Material Adverse Effect.

8.2 Corporate Power and Authority; Enforceability. Each Credit Party has the corporate or other organizational power and authority to execute, deliver and carry out the terms and provisions of the Credit Documents to which it is a party and has taken all necessary corporate or other organizational action to authorize the execution, delivery and performance of the Credit Documents to which it is a party. Each Credit Party has duly executed and delivered each Credit Document to which it is a party and each such Credit Document constitutes the legal, valid and binding obligation of such Credit Party enforceable in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors' rights generally and general principles of equity whether considered in a proceeding in equity or law).

8.3 No Violation. None of the execution, delivery or performance by any Credit Party of the Credit Documents to which it is a party, the compliance with the terms and provisions thereof or the consummation of the transactions contemplated hereby or thereby will (a) contravene any applicable provision of any material Requirement of Law, (b) result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien upon any of the property or assets of such Credit Party (other than DIP Liens created under the Credit Documents) pursuant to the terms of any material indenture, loan agreement, lease agreement, mortgage, deed of trust, agreement or other material instrument to which such Credit Party is a party or by which it or any of its property or assets is bound (any such term, covenant, condition or provision, a "Contractual Requirement") except to the extent such contravention breach, default or Lien that would not reasonably be expected to result in a Material Adverse Effect or (c) violate any provision of the certificate of incorporation, by-laws or other organizational documents of such Credit Party.

8.4 Litigation. Except as set forth on Schedule 8.4, there are no actions, suits or proceedings (including Environmental Claims) pending or, to the knowledge of the Borrower, threatened with respect to the Credit Parties that would reasonably be expected to result in a Material Adverse Effect.

8.5 Margin Regulations. Neither the making of any Loan hereunder nor the use of the proceeds thereof will violate the provisions of Regulation T, Regulation U or Regulation X of the Board. No part of the proceeds of any Borrowing will be used for purchasing or carrying directly or indirectly "margin stock" (as such term is defined or used, directly or indirectly, in Regulation U of the Board).

8.6 Approvals. The execution, delivery and performance of each Credit Document do not require any consent or approval of, registration or filing with, or other action by, any Governmental Authority or any other Person, except for (a) such as have been obtained or made and are in full force and effect, (b) filings and recordings in respect of the Liens created pursuant to the Security Documents and (c) such licenses, approvals, authorizations or consents the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect.

8.7 Investment Company Act. No Credit Party is an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

8.8 True and Complete Disclosure.

(a) None of the written factual information and written data (taken as a whole) furnished by or on behalf of the Borrower, any of the Subsidiaries or any of their respective authorized representatives to the Administrative Agent and/or any Lender heretofore or hereafter (including all such information and data contained in the Credit Documents) for purposes of or in connection with this Agreement or any transaction contemplated herein contained any untrue statement of any material fact or omitted to state any material fact necessary to make such information and data (taken as a whole) not materially misleading at such time (after giving effect to all supplements so furnished prior to such time) in light of the circumstances under which such information or data was furnished; it being understood and agreed that for purposes of this Section 8.8(a), except for the Approved Budget, such factual information and data shall not include *pro forma* financial information, projections or estimates (including financial estimates, forecasts and other forward-looking information) and information of a general economic or general industry nature (collectively, "Pro Forma Projections").

(b) The projections (including financial estimates, forecasts and other forward-looking information) contained in the information and data referred to in Section 8.8(a) were based on good faith estimates and assumptions believed by the Borrower to be reasonable at the time made; it

being recognized by the Administrative Agent and the Lenders that such projections are as to future events and are not to be viewed as facts, the projections are subject to significant uncertainties and contingencies, many of which are beyond the control of the Borrower and the Subsidiaries, that no assurance can be given that any particular projections will be realized and that actual results during the period or periods covered by any such projections may differ from the projected results and such differences may be material.

(a) The Historical Financial Statements present fairly in all material respects the consolidated financial position of the Borrower and its consolidated Subsidiaries at the date of such information and for the period covered thereby and have been prepared in accordance with GAAP consistently applied except to the extent provided in the notes thereto, if any. The Borrower has heretofore furnished to the Lenders a *pro forma* unaudited consolidated balance sheet of the Borrower and its consolidated Subsidiaries as of the Closing Date, after giving effect to the making of the initial extensions of credit hereunder, the application of the proceeds thereof and to the Transactions contemplated to occur on the Closing Date, certified by an Authorized Officer of the Borrower. The *pro forma* financial statement described above presents fairly, in all material respects, the financial position of the Borrower and its consolidated Subsidiaries as of the Closing Date. After the Closing Date, there has been no Material Adverse Effect.

(b) As of the Closing Date, neither the Borrower nor any Guarantor has any material Indebtedness (including Disqualified Stock) or any material contingent liabilities, off balance sheet liabilities or partnerships, liabilities for Taxes or unusual forward or long-term commitments that, in each such case, are not reflected or provided for in the Historical Financial Statements.

8.10 Tax Matters. Except where the failure of which would not be reasonably expected to have a Material Adverse Effect, (a) each of the Borrower and the Subsidiaries has filed all federal income Tax returns and all other Tax returns, domestic and foreign, required to be filed by it and has paid all material Taxes payable by it that have become due, other than those (i) not yet delinquent or (ii) contested in good faith as to which adequate reserves have been provided to the extent required by law and in accordance with GAAP and (b) the Borrower and each of the Subsidiaries have paid, or have provided adequate reserves in accordance with GAAP for the payment of, all federal, state, provincial and foreign Taxes applicable for the current fiscal year.

Except as would not result, individually or in the aggregate, in a Material Adverse Effect, no ERISA Event has occurred or is reasonably likely to occur. 8.15 Properties.

(a) Except as set forth on Schedule 8.15, the Borrower and each Guarantor has good and defensible title to the Oil and Gas Properties evaluated in the most recently delivered Reserve Report (other than those (i) disposed of in compliance with Section 10.4 since delivery of such Reserve Report, (ii) leases that have expired in accordance with their terms and (iii) with title defects disclosed in writing to the Administrative Agent), and good title to all its material personal properties, in each case, free and clear of all Liens other than Liens permitted by Section 10.2. maintenance, development and operations of each such property in an amount in excess of the working interest of each property set forth in the most recently delivered Reserve Report that is not offset by a corresponding proportionate increase in the Borrower's or such Guarantor's net revenue interest in such property.

(b) All material leases and agreements necessary for the conduct of the business of the Borrower and the Guarantors are valid and subsisting, in full force and effect, except to the extent that any such failure to be valid or subsisting would not reasonably be expected to have a Material Adverse Effect.

(c) The rights and properties presently owned, leased or licensed by the Borrower and the Guarantors including all easements and rights of way, include all rights and properties necessary to permit such Credit Parties to conduct their respective businesses as currently conducted, except to the extent any failure to have any such rights or properties would not reasonably be expected to have a Material Adverse Effect.

(d) All of the properties of the Borrower and the Guarantors that are reasonably necessary for the operation of their businesses are in good working condition and are maintained in accordance with prudent business standards, except to the extent any failure to satisfy the foregoing would reasonably be expected to have a Material Adverse Effect.

(p) The violation by any Credit Party of any of the provisions of the DIP Orders.

(q) The bringing of a motion by any Credit Party, or the entry of an order or ruling: (i) to obtain additional financing under Sections 364(c) or (d) of the Bankruptcy Code not otherwise permitted pursuant to this Agreement that is senior or pari passu with the Obligations hereunder or in the

DIP Orders, (ii) to grant any Lien other than Permitted Liens and the Carve-Out upon or affecting any Collateral without the prior written consent of the Administrative Agent and the Lenders; (iii) except as provided in the DIP Orders, to use the Cash Collateral of the Existing Secured Parties under Section 363(c) of the Bankruptcy Code without the prior written consent of the Administrative Agent and the Lenders, or (iv) any other action or actions adverse to the Administrative Agent or the Lenders, or their rights and remedies hereunder of the interests in the Collateral.

(r) As of any date during the terms of this Agreement, the absence of an Approved Budget agreed between the Lenders and the Borrower that covers at least four full weeks immediately following such date.

(s) Any change or alteration that is adverse in any material respect to the Lenders to (i) the cash management system of the Credit Parties, as such system existed on the Petition Date, or (ii) any order entered by the Bankruptcy Court in the Cases approving such management system.

(t) (i) The Bankruptcy Court shall grant relief that is inconsistent with the Sale Transaction or the Acceptable Bid Procedures and that is adverse to the Administrative Agent's or the Secured Parties' interests or inconsistent with the Credit Documents and (ii) any of the Credit Parties or any Affiliate thereof controlled by the Credit Parties shall file any motion or pleading with the Bankruptcy Court that is inconsistent in any material respect with the Sale Transaction or the Acceptable Bid Procedures and such motion or pleading has not been withdrawn prior to the earlier of (A) three (3) Business Days of the Borrower receiving notice from the Administrative Agent and (B) entry of an order of the Bankruptcy Court approving such motion or pleading.

(u) The entry of an order requiring the inclusion in the Carve-Out of any Professional Fees for any professionals for any official or ad hoc committee other than the Committee.

(v) The entry of an order without the prior written consent of the Administrative Agent, amended or supplementing or otherwise modifying (each in the sole judgment of the Administrative Agent) either the Interim DIP Order or Final DIP Order.

(w) The entry of an order seeking to reduce, set-off or subordinate the Adequate Protection Liens, the Obligations or related DIP Liens.

(x) There is a reversal, vacation or stay of the effectiveness of either the Interim DIP Order or Final DIP Order.

(y) A Change of Control.

(z) Any Credit Party shall make any Prepetition Payment or Capital Expenditure, as the case may be, other than (a) in connection with the assumption of executory contracts and unexpired leases in connection with the Sale Transaction approved by the Bankruptcy Court; (b) in respect of accrued payroll and related expenses and employee benefits as of the Petition Date approved by the Bankruptcy Court and provided for in the Approved Budget; (c) as otherwise set forth in the Approved Budget and expressly agreed to in writing by the Administrative Agent before such Prepetition Payment or Capital Expenditure is made or (d) as otherwise ordered by the Bankruptcy Court and agreed to in writing by the Administrative Agent before such Prepetition Payment or Capital Expenditure is made.

(aa) The entry of an order granting relief from the automatic stay to allow a third party to proceed against assets of any Credit Party.

11.2 Remedies. (a) Then, and in any such event, and at any time thereafter, if any Event of Default shall then be continuing, the Administrative Agent shall, upon the written request of the Required Lenders, by written notice to the Borrower, take any or all of the following actions, without prejudice to the rights of the Administrative Agent or any Lender to enforce its claims against the Borrower or any other Credit Party, except as otherwise specifically provided for in this Agreement: (a) declare the Total Commitment terminated, whereupon the Commitments of each Lender shall forthwith terminate immediately and any fees theretofore accrued shall forthwith become due and payable without any other notice of any kind; (b) declare the principal of and any accrued interest and fees in respect of any or all Loans and any or all Obligations owing hereunder and thereunder to be, whereupon the same shall become, forthwith due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; (c) terminate any Letter of Credit that may be terminated in accordance with its terms; (d) direct the Borrower to pay to the Administrative Agent at the Administrative Agent's Office such additional amounts of cash, to be held as security for the Borrower's respective reimbursement obligations for Drawings that may subsequently occur thereunder, equal to the aggregate Stated Amount of all Letters of Credit issued and then outstanding, (e) exercise the right (after providing five (5) Business Days' notice to the Credit Parties, the United States Trustee, and the Committee and any other official committee (but this shall not serve as a consent to the use of Cash Collateral or the Loans hereunder to pay Professional Fees incurred by any other such official committee)) to realize on all Collateral without necessity of obtaining any further relief or order from the Bankruptcy Court, subject to the right of the Credit Parties to seek relief from the Bankruptcy Court during such five (5) Business Days' period (such period referred to in this Section 11.2 as the "DIP Default Notice Period") solely on the basis that no Event of Default has occurred; and (f) pursue its rights and remedies under the Credit Documents, the DIP Orders and/or applicable law. Except as otherwise provided in the DIP Orders, the foregoing remedies may be exercised without demand and without further application to or order of the Bankruptcy Court. In any hearing regarding any exercise of remedies under this Section 11.2 (which hearing must take place within the DIP Default Notice Period), the only issue that may be raised by any party in opposition thereto shall be whether, in face, an Event of Default has occurred and is continuing, and the Credit Parties, the Committee and all other parties in interest shall not be entitled to seek relief, including, without limitation, under Section 105 of the Bankruptcy Code, to the extent such relief would in any way impair or restrict the rights and remedies of the Administrative Agent or the Lenders set forth in the DIP Orders, this Agreement or the Credit Documents, as applicable. If no such order is entered during the DIP Default Notice Period, all use of the Collateral (including Cash Collateral) shall cease immediately and automatically and the Administrative Agent and the Lenders shall be entitled to enforce the remedies hereunder. In addition, after the occurrence and during the continuance of an Event of Default, the Administrative Agent and the Lenders will have all other rights and remedies available at law and equity.

(b) Each Credit Party recognizes that the Administrative Agent may be unable to effect a public sale of any or all of the Collateral that constitutes securities to be sold by reason of certain prohibitions contained in the laws of any jurisdiction outside the United States or in applicable federal or state securities laws but may be compelled to resort to one or more private sales thereof to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such Collateral to be sold for their own account for investment and not with a view to the distribution or resale thereof. Each Credit Party acknowledges and agrees that any such private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall, to the extent permitted by law, be deemed to have been made in a commercially reasonable manner. Unless required by a Requirement of Law, the Administrative Agent shall not be under any obligation to delay a sale of any of such Collateral to be sold for the period of time necessary to permit the issuer of such securities to register such securities under the laws of any jurisdiction outside the United States or under any applicable federal or state securities laws, even if such issuer would agree to do so. Each Credit Party further agrees to do or cause to be done, to the extent that

such Credit Party may do so under a Requirement of Law, all such other acts and things as may be necessary to make such sales or resales of any portion or all of such Collateral or other property to be sold valid and binding and in compliance with any and all requirements of law at the Credit Parties' expense. Each Credit Party further agrees that a breach of any of the covenants contained in this Section 11.2(b) will cause irreparable injury to the Administrative Agent and the other Secured Parties for which there is no adequate remedy at law and, as a consequence, agrees that each covenant contained in this Section 11.2(b) shall be specifically enforceable against such Credit Party, and each Credit Party hereby waives and agrees, to the fullest extent permitted by law, not to assert as a defense against an action for specific performance of such covenants that (i) such Credit Party's failure to perform such covenants will not cause irreparable injury to the Administrative Agent and the Secured Parties or (ii) the Administrative Agent or the Secured Parties have an adequate remedy at law in respect of such breach. Each Credit Party further acknowledges the impossibility of ascertaining the amount of damages which would be suffered by the Administrative Agent and the Secured Parties by reason of a breach of any of the covenants contained in this Section 11.2(b) and, consequently, agrees that, if such Credit Party shall breach any of such covenants and the Administrative Agent or the Secured Parties shall sue for damages for such breach, such Credit Party shall pay to the Administrative Agent, for the benefit of the Administrative Agent and the Secured Parties, as liquidated damages and not as a penalty, an aggregate amount equal to the lesser of (x) the value of the Collateral or other property to be sold on the date the Administrative Agent shall demand compliance with this Section 11.2(b) and (y) the aggregate amount of Obligations outstanding at such time.

(c) Any amount received by the Administrative Agent from any Credit Party (or from proceeds of any Collateral) following any acceleration of the Obligations under this Agreement or any Event of Default with respect to the Credit Parties shall be applied:

(i) first, to payment or reimbursement of that portion of the Obligations constituting fees, expenses and indemnities payable to the Administrative Agent its capacity as such, or to the Lenders;

(ii) second, to the Secured Parties, an amount equal to all Obligations due and owing to them on the date of distribution and, if such moneys shall be insufficient to pay such amounts in full, then ratably (without priority of any one over any other) to such Secured Parties in proportion to the unpaid amount thereof; provided that such monies will first be applied to the interest and principal relating to the New-Money Loans until paid in full, and then be applied to the interest and principal relating to Roll-Up Loans;

(iii) third, *pro rata* to any other Obligations then due and owing; and

(iv) fourth, any surplus then remaining, after all of the Obligations then due shall have been indefeasibly paid in full in cash, shall be paid to the Borrower or its successors or assigns or to whomever may be lawfully entitled to receive the same or as a court of competent jurisdiction may award.

Notwithstanding the foregoing, no amounts received from any Credit Party shall be applied to any Excluded Swap Obligation of such Credit Party.

SECTION 12.
THE ADMINISTRATIVE AGENT.

12.1 Appointment.

(a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Credit Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Section 12.9 with respect to the Borrower) are solely for the benefit of the Administrative Agent and the Lenders, and the Borrower shall not have rights as third party beneficiary of any such provision. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Administrative Agent.

(b) Each Lender and the Letter of Credit Issuer hereby irrevocably designate and appoint the Administrative Agent as the agent with respect to the Collateral, and each Lender and the Letter of Credit Issuer irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any of the Lenders or the Letter of Credit Issuers, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Administrative Agent.

12.2 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Credit Documents by or through agents, sub-agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents, sub-agents or attorneys-in-fact selected by it in the absence of gross negligence or willful misconduct (as determined in the final judgment of a court of competent jurisdiction).

12.3 Exculpatory Provisions. Neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by any of them under or in connection with this Agreement or any other Credit Document (except for its or such Person's own gross negligence or willful misconduct, as determined in the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein) or (b) responsible in any manner to any of the Lenders or any participant for any recitals, statements, representations or warranties made by any of the Borrower, any other Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Credit Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Security Documents, or for any failure of the Borrower or any other Credit Party to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party or any Affiliate thereof. The Administrative Agent shall not be under any obligation to any Lender or Letter of Credit Issuer to ascertain or to inquire as to the observance or performance of any of the

agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party.

12.4 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex, electronic mail message or teletype message, statement, order or other document or instruction believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans; provided that the Administrative Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Credit Document or applicable Requirements of Law. For purposes of determining compliance with the conditions specified in Section 6 and Section 7.2 on the Closing Date, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

12.5 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent has received written or electronic notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

12.6 Non-Reliance on Administrative Agent and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Borrower or any other Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent to any Lender or Letter of Credit Issuer. Each Lender and Letter of Credit Issuer represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Borrower and each other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent or any other Lender, and

based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower and any other Credit Party. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of the Borrower or any other Credit Party that may come into the possession of the Administrative Agent any of its respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

12.7 Indemnification. The Lenders agree to indemnify the Administrative Agent, in its capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective Commitment Percentage of Loans, as applicable, outstanding in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective Commitment Percentage of the Total Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against the Administrative Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent under or in connection with any of the foregoing in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Administrative Agent; provided that no Lender shall be liable to the Administrative Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Administrative Agent's gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction; provided, further, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans), this Section 12.7 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower; provided that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto. If any indemnity furnished to the Administrative Agent for any purpose shall, in the opinion of the Administrative Agent, be insufficient or become impaired, the Administrative Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify the Administrative Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's *pro rata* portion thereof; and provided further, this sentence shall not be deemed to require any Lender to indemnify the Administrative

Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from the Administrative Agent's gross negligence or willful misconduct. The agreements in this Section 12.7 shall survive the payment of the Loans and all other amounts payable hereunder.

12.8 The Administrative Agent in Its Individual Capacity. The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower and any other Credit Party as though the Administrative Agent was not the Administrative Agent hereunder and under the other Credit Documents. With respect to the Loans made by it, the Administrative Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

12.9 Successor Administrative Agent. The Administrative Agent may at any time give notice of its resignation to the Lenders, the Letter of Credit Issuer and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the consent of the Borrower (not to be unreasonably withheld or delayed) so long as no Event of Default is continuing, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the Letter of Credit Issuer, appoint a successor Agent meeting the qualifications set forth above. Upon the acceptance of a successor's appointment as the Administrative Agent, hereunder, and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower (following the effectiveness of such appointment) to the Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 (including Section 12.7) and Section 13.5 shall continue in effect for the benefit of such retiring Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as an Agent.

Any resignation of any Person as Administrative Agent pursuant to this Section shall also constitute its resignation as Letter of Credit Issuer. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Letter of Credit Issuer, (b) the retiring Letter of Credit Issuer shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (c) the successor Letter of Credit Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Letter of Credit Issuer to effectively assume the obligations of the retiring Letter of Credit Issuer with respect to such Letters of Credit.

12.10 Withholding Tax. To the extent required by any applicable Requirements of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not

properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective, or for any other reason) or if the Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding Tax from such payment, such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrower and without limiting the obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. A certificate as to the amount of any such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due to the Administrative Agent under this Section 12.10. The agreements in Section 12.10 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Agreement and the repayment, satisfaction or discharge of all the Loans. For the avoidance of doubt, for purposes of this Section 12.10, the term Lender includes the Letter of Credit Issuer. Each Lender and Letter of Credit Issuer hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender or Letter of Credit Issuer, as applicable, under this Agreement or any other Credit Document against any amounts due to the Administrative Agent under this Section 12.10.

12.11 Security Documents and Administrative Agent under Security Documents and Guarantee. Each Secured Party hereby further authorizes the Administrative Agent, on behalf of and for the benefit of Secured Parties, to be the agent for and representative of the Secured Parties with respect to Security Documents and the Guarantee. Subject to Section 13.1, without further written consent or authorization from any Secured Party, the Administrative Agent, may (a) execute any documents or instruments necessary in connection with a Disposition of assets permitted by this Agreement, (b) release any Lien encumbering any item of Collateral that is the subject of such Disposition of assets or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 13.1) have otherwise consented or (c) release any Guarantor from the Guarantee or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 13.1) have otherwise consented.

12.12 Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Credit Documents to the contrary notwithstanding, the Borrower, the Administrative Agent and each other Secured Party hereby agree that (a) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee; it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Administrative Agent, and (b) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Administrative Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent at such sale or other disposition.

12.13 Administrative Agent May File Proofs of Claim. In connection with the cases or the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement,

adjustment, composition or other judicial proceeding involving any of the Credit Parties, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in the Cases or any such other proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Indebtedness that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel, to the extent due under Section 13.5) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, to the extent due under Section 13.5.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Indebtedness or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

12.14 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of 29 CFR §2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more prohibited transaction class exemptions ("PTEs"), such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfy the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

13.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Requirements of Law.

13.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

13.5 Payment of Expenses; Indemnification.

(a) The Borrower agrees (i) to pay or reimburse the Administrative Agent and the Lenders for all reasonable and documented out of pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement, and the other Credit Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, or otherwise incurred with respect to the Cases in any manner or for any reason, including all reasonable and documented fees, expenses and disbursements of legal counsel (which amount shall include the allocated cost of the Administrative Agent's internal legal counsel incurred with respect to the Cases in any manner or for any reason), which shall be limited to Hunton Andrews Kurth LLP and one local counsel as reasonably necessary in any relevant jurisdiction material to the interests of the Lenders taken as a whole (and solely in the case of a conflict of interest, one additional counsel and (if reasonably necessary) one local counsel in each relevant jurisdiction to the affected Indemnitees similarly situated) and financial advisors and (ii) to pay or reimburse the Administrative Agent for all reasonable and documented out of pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Credit Documents (including all such costs and expenses incurred during any legal proceeding, including any bankruptcy or insolvency proceeding, and including all respective all reasonable and documented fees, expenses and disbursements of legal counsel (which amount shall include the allocated cost of the Administrative Agent's internal legal counsel), which shall be limited to one counsel to the Administrative Agent and the Lenders, taken as a whole and one local counsel as reasonably necessary in any relevant jurisdiction material to the interests of the Lenders taken as a whole and solely in the case of a conflict of interest, one additional counsel and (if reasonably necessary) one local counsel in each relevant jurisdiction to the affected Indemnitees similarly situated). If any Credit Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Credit Document, such amount may be paid on behalf of such Credit Party by the Administrative Agent in its discretion.

(b) THE BORROWER SHALL INDEMNIFY AND HOLD HARMLESS THE ADMINISTRATIVE AGENT, THE LENDER, RELATED PERSON AND THEIR AFFILIATES, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, PARTNERS, AGENTS, ADVISORS AND OTHER REPRESENTATIVES OF THE FOREGOING (COLLECTIVELY THE "INDEMNITEES") FROM AND AGAINST ANY AND ALL LIABILITIES, LOSSES, DAMAGES, CLAIMS, OR OUT-OF-POCKET EXPENSES (INCLUDING ALL REASONABLE AND DOCUMENTED FEES, EXPENSES AND DISBURSEMENTS OF LEGAL COUNSEL (WHICH AMOUNT SHALL INCLUDE THE ALLOCATED COST OF THE ADMINISTRATIVE AGENT'S INTERNAL LEGAL COUNSEL) BUT LIMITED IN THE CASE OF LEGAL FEES AND EXPENSES TO THE REASONABLE AND DOCUMENTED OUT-OF-POCKET FEES, DISBURSEMENTS AND OTHER CHARGES OF ONE COUNSEL TO ALL INDEMNITEES TAKEN AS A WHOLE AND, IF REASONABLY NECESSARY, ONE LOCAL COUNSEL FOR ALL INDEMNITEES TAKEN AS A WHOLE IN EACH RELEVANT JURISDICTION, AND SOLELY IN THE CASE OF A CONFLICT OF INTEREST, ONE ADDITIONAL COUNSEL AND (IF REASONABLY NECESSARY) ONE LOCAL COUNSEL IN EACH RELEVANT JURISDICTION TO THE AFFECTED INDEMNITEES SIMILARLY SITUATED) OF ANY KIND OR NATURE WHATSOEVER WHICH MAY AT ANY TIME BE IMPOSED ON, INCURRED BY OR ASSERTED AGAINST ANY SUCH INDEMNITEE IN ANY WAY RELATING TO OR ARISING OUT OF OR IN CONNECTION WITH (I) THE EXECUTION, DELIVERY, ENFORCEMENT, PERFORMANCE OR ADMINISTRATION OF ANY CREDIT DOCUMENT OR ANY OTHER AGREEMENT, LETTER OR INSTRUMENT DELIVERED IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED THEREBY OR THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED THEREBY, (II) ANY COMMITMENT OR LOAN OR THE USE OR PROPOSED USE OF THE PROCEEDS THEREFROM, (III) ANY ACTUAL OR ALLEGED ENVIRONMENTAL CLAIM REGARDING, OR LIABILITY OR OBLIGATION UNDER ENVIRONMENTAL LAW OF, THE CREDIT PARTIES OR ANY SUBSIDIARY OR (IV) ANY ACTUAL OR PROSPECTIVE CLAIM, LITIGATION, INVESTIGATION OR PROCEEDING RELATING TO ANY OF THE FOREGOING, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY (INCLUDING ANY INVESTIGATION OF, PREPARATION FOR, OR DEFENSE OF ANY PENDING OR THREATENED CLAIM, INVESTIGATION, LITIGATION OR PROCEEDING) (A "PROCEEDING") AND REGARDLESS OF WHETHER ANY INDEMNITEE IS A PARTY THERETO OR WHETHER OR NOT SUCH PROCEEDING IS BROUGHT BY THE BORROWER OR ANY OTHER PERSON AND, IN EACH CASE, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE NEGLIGENCE OF THE INDEMNITEE (ALL OF THE FOREGOING, COLLECTIVELY, THE "INDEMNIFIED LIABILITIES"); PROVIDED THAT SUCH INDEMNITY SHALL NOT, AS TO ANY INDEMNITEE, BE AVAILABLE TO THE EXTENT THAT SUCH LIABILITIES, LOSSES, DAMAGES, CLAIMS OR OUT-OF-POCKET EXPENSES RESULTED FROM (X) THE GROSS NEGLIGENCE, BAD FAITH OR WILLFUL MISCONDUCT OF SUCH INDEMNITEE OR OF ANY OF ITS RELATED PARTIES, AS DETERMINED BY A FINAL NON-APPEALABLE JUDGMENT OF A COURT OF COMPETENT JURISDICTION, (Y) A MATERIAL BREACH OF ANY OBLIGATIONS UNDER ANY CREDIT DOCUMENT BY SUCH INDEMNITEE OR OF ANY OF ITS RELATED PARTIES, AS DETERMINED BY A FINAL NON-APPEALABLE JUDGMENT OF A COURT OF COMPETENT JURISDICTION OR (Z) ANY DISPUTE SOLELY AMONG INDEMNITEES OTHER THAN ANY CLAIMS AGAINST AN INDEMNITEE IN ITS CAPACITY OR IN FULFILLING ITS ROLE AS AN ADMINISTRATIVE AGENT OR ANY SIMILAR ROLE UNDER THIS AGREEMENT AND OTHER THAN ANY CLAIMS ARISING OUT OF ANY ACT OR OMISSION OF THE BORROWER OR ANY OF ITS AFFILIATES. NO INDEMNITEE SHALL BE LIABLE FOR ANY DAMAGES ARISING FROM THE USE BY OTHERS OF ANY INFORMATION OR OTHER MATERIALS OBTAINED THROUGH INTRALINKS OR OTHER SIMILAR INFORMATION TRANSMISSION SYSTEMS IN CONNECTION WITH THIS AGREEMENT (EXCEPT FOR DIRECT (AS OPPOSED TO INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL) DAMAGES RESULTING FROM THE GROSS NEGLIGENCE, BAD FAITH OR WILLFUL MISCONDUCT, AS DETERMINED BY A COURT OF COMPETENT JURISDICTION IN A

FINAL AND NON-APPEALABLE JUDGMENT, OF SUCH INDEMNITEE), NOR SHALL ANY INDEMNITEE, RELATED PARTIES, CREDIT PARTY OR ANY SUBSIDIARY HAVE ANY LIABILITY FOR ANY SPECIAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR ARISING OUT OF ITS ACTIVITIES IN CONNECTION HEREWITH OR THEREWITH (WHETHER BEFORE OR AFTER THE CLOSING DATE) (OTHER THAN, IN THE CASE OF ANY CREDIT PARTY, IN RESPECT OF ANY SUCH DAMAGES INCURRED OR PAID BY AN INDEMNITEE TO A THIRD PARTY, OR WHICH ARE INCLUDED IN A THIRD-PARTY CLAIM). IN THE CASE OF AN INVESTIGATION, LITIGATION OR OTHER PROCEEDING TO WHICH THE INDEMNITY IN THIS SECTION 13.5 APPLIES, SUCH INDEMNITY SHALL BE EFFECTIVE WHETHER OR NOT SUCH INVESTIGATION, LITIGATION OR PROCEEDING IS BROUGHT BY ANY CREDIT PARTY, ANY SUBSIDIARY OF ANY CREDIT PARTY, ITS DIRECTORS, STOCKHOLDERS OR CREDITORS OR AN INDEMNITEE OR ANY OTHER PERSON, WHETHER OR NOT ANY INDEMNITEE IS OTHERWISE A PARTY THERETO AND WHETHER OR NOT ANY OF THE TRANSACTIONS CONTEMPLATED HEREUNDER OR UNDER ANY OF THE OTHER CREDIT DOCUMENTS ARE CONSUMMATED. ALL AMOUNTS DUE UNDER THIS SECTION 13.5 SHALL BE PAID WITHIN THIRTY (30) DAYS AFTER WRITTEN DEMAND THEREFOR (TOGETHER WITH BACKUP DOCUMENTATION SUPPORTING SUCH REIMBURSEMENT REQUEST); PROVIDED, HOWEVER, THAT SUCH INDEMNITEE SHALL PROMPTLY REFUND SUCH AMOUNT TO THE EXTENT THAT THERE IS A FINAL JUDICIAL OR ARBITRAL DETERMINATION THAT SUCH INDEMNITEE WAS NOT ENTITLED TO INDEMNIFICATION RIGHTS WITH RESPECT TO SUCH PAYMENT PURSUANT TO THE EXPRESS TERMS OF THIS SECTION 13.5. THE AGREEMENTS IN THIS SECTION 13.5 SHALL SURVIVE THE RESIGNATION OF THE ADMINISTRATIVE AGENT, THE REPLACEMENT OF ANY LENDER AND THE REPAYMENT, SATISFACTION OR DISCHARGE OF ALL THE OTHER OBLIGATIONS. FOR THE AVOIDANCE OF DOUBT, THIS SECTION 13.5(B) SHALL NOT APPLY TO TAXES, EXCEPT ANY TAXES THAT REPRESENT LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, CLAIMS, DEMANDS, ACTIONS, PREPAYMENTS, SUITS, COSTS, EXPENSES AND DISBURSEMENTS ARISING FROM ANY NON-TAX CLAIMS.

13.6 Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Letter of Credit Issuer that issues any Letter of Credit), except that (i) except as expressly permitted by Section 10.3, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Letter of Credit Issuer that issues any Letter of Credit), Participants (to the extent provided in this Section 13.6(b)(v)) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Letter of Credit Issuer and the Lenders and each other Person entitled to indemnification under Section 13.5) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in Section 13.6(b)(ii) below, any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans (including participations in L/C Obligations) at the time owing to it) with the prior written consent of the Administrative Agent or the applicable Letter of Credit Issuer.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $250,000 and increments of $50,000 in excess thereof, or, each Letter of Credit Issuer and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed); provided, that contemporaneous assignments to a single assignee made by Affiliates of Lenders and related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee in the amount of $3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(iii) Subject to acceptance and recording thereof pursuant to Section 13.6(b)(iv), from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.10, Section 5.4 and Section 13.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 13.6(c).

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and L/C Obligations and any payment made by the Letter of Credit Issuer under any Letter of Credit owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). Further, the Register shall contain the name and address of the Administrative Agent and the lending office through which each such Person acts under this Agreement. The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent, the Letter of Credit Issuer and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Letter of Credit Issuer and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative

Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this Section 13.6(b) (unless waived) and any written consent to such assignment required by this Section 13.6(b), the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register.

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or any Letter of Credit Issuer, sell participations to one or more banks or other entities other than to a natural person, the Borrower or any Affiliate of the Borrower (other than Goldman Sachs, provided that if such participant is Goldman Sachs it shall not be entitled to vote on any matter), any Defaulting Lender, or any Disqualified Institution (to the extent that the list of Disqualified Institutions has been made available to all Lenders, it being agreed that as of the date hereof, the Administrative Agent has made the list of Disqualified Institutions available to all Lenders), (each, a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Letter of Credit Issuer and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 13.6(b), Section 13.1(b)(ii) or Section 13.1(b)(v) that affects such Participant. Subject to Section 13.6(b)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of (and the limitations of) Section 2.10 and Section 5.4 to the same extent as if it were a Lender; provided that such Participant agrees to be subject to the requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to Section 13.6(b). To the extent permitted by Requirements of Law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant agrees to be subject to Section 13.8(a) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10 or Section 5.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent; provided that the Participant shall be subject to the provisions in Section 2.12 as if it were an assignee under Section 13.6(a) and Section 13.6(b).

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank having jurisdiction over such Lender, and this Section 13.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment or for any other reason, the Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made its initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a promissory note, substantially in the form of Exhibit E, evidencing the Loans owing to such Lender.

(e) Subject to Section 13.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or permitted assignee (each, a "Transferee") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(f) The words "execute," "execution," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Acceptances, amendments or other modifications, Notice of Borrowing, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (a "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior Indebtedness of any SPV, it shall not institute against, or join any other person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 13.6, any SPV

may (A) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefore, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (B) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. This Section 13.6(g) may not be amended without the written consent of the SPV. Notwithstanding anything to the contrary in this Agreement, (I) no SPV shall be entitled to any greater rights under Section 2.10 and Section 5.4 than its Granting Lender would have been entitled to absent the use of such SPV and (II) each SPV agrees to be subject to the requirements of Section 2.10 and Section 5.4 as though it were a Lender and has acquired its interest by assignment pursuant to Section 13.6(b).

13.7 Replacements of Lenders under Certain Circumstances.

(a) In the event that any Lender (i) requests reimbursement for amounts owing pursuant to Section 2.10 or Section 5.4, or (ii) becomes a Defaulting Lender, the Borrower shall be entitled to replace such Lender with a bank, lending institution or other financial institution or terminate the Commitment of such Lender; provided that (x) in the case of a replacement, (A) such replacement does not conflict with any Requirement of Law, (B) the replacement bank or institution shall purchase, at par, all Loans and the Borrower shall pay all other amounts (other than any disputed amounts), pursuant to Section 2.10 or Section 5.4, as the case may be) owing to such replaced Lender prior to the date of replacement, (C) the replacement bank or institution, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (D) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.6(b) (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein) and (E) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender and (y) in the case of a termination, repay all Obligations (including amounts (other than any disputed amounts), owing pursuant to Section 2.10 or Section 5.4, as the case may be) owing to such Lender as of such termination date (and in the case of a Letter of Credit Issuer, Cash Collateralize, cancel or backstop on terms satisfactorily to such Letter of Credit Issuer any Letters of Credit issued by it).

(b) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination that, pursuant to the terms of Section 13.1, requires the consent of all of the Lenders affected or the Required Lenders and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent; provided that: (i) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced (other than principal and interest) shall be paid in full to such Non-Consenting Lender concurrently with such assignment, and (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. In connection with any such assignment, the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.6.

13.8 Adjustments; Set-off.

(a) If any Lender (a "Benefited Lender") shall at any time receive any payment in respect of any principal of or interest on all or part of the Loans made by it, or the participations in Letter

of Credit Obligations held by it, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such Benefited Lender shall (i) notify the Administrative Agent of such fact, and (ii) purchase for cash at face value from the other Lenders a participating interest in such portion of each such other Lender's Loans, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably in accordance with the aggregate principal of and accrued interest on their respective Loans and other amounts owing them; provided, however, that, (A) if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest and (B) the provisions of this paragraph shall not be construed to apply to (1) any payment made by the Borrower or any other Credit Party pursuant to and in accordance with the express terms of this Agreement and the other Credit Documents, (2) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, Commitments or participations in Drawings to any assignee or participant or (3) any disproportionate payment obtained by a Lender as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Commitments or any increase in the Applicable Margin in respect of Loans or Commitments of Lenders that have consented to any such extension. Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Credit Party rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by Requirements of Law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable Requirements of Law, upon any amount becoming due and payable by the Borrower hereunder or under any Credit Document (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, Indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower (and the Credit Parties, if applicable) and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

13.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission, *i.e.* a "pdf" or a "tif"), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

13.10 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.11 Integration. This Agreement and the other Credit Documents represent the agreement of the Borrower, the Guarantors, the Administrative Agent and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Borrower, the Guarantors, the Administrative Agent nor any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents. This Agreement and the other Credit Documents may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

13.12 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

13.13 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(b) consents that any such action or proceeding shall be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on Schedule 13.2 at such other address of which the Administrative Agent shall have been notified pursuant to Section 13.2;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by Requirements of Law or shall limit the right to sue in any other jurisdiction;

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 13.13 any special, exemplary, punitive or consequential damages; and

(f) agrees that a final judgment in any action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

13.14 Acknowledgments. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents;

(b) (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document) are an arm's-length commercial transaction between the Borrower and the other Credit Parties, on the one hand, and the Administrative Agent and the Lenders on the other hand, and the Borrower and the other Credit Parties are capable of evaluating and

understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each of the Administrative Agent and the Lenders, is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary for any of the Borrower, any other Credit Parties or any of their respective Affiliates, equity holders, creditors or employees or any other Person; (iii) neither the Administrative Agent, any other Agent nor any Lender has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower or any other Credit Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Credit Document (irrespective of whether the Administrative Agent or any other Agent or any Lender has advised or is currently advising any of the Borrower, the other Credit Parties or their respective Affiliates on other matters) and none of the Administrative Agent or any Lender has any obligation to any of the Borrower, the other Credit Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents; (iv) the Administrative Agent and its Affiliates, each other Agent and each of its Affiliates and each Lender and its Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its respective Affiliates, and none of the Administrative Agent, any other Agent or any Lender has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) none of the Administrative Agent or any Lender has provided and none will provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Credit Document) and the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. The Borrower hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Administrative Agent and each Agent with respect to any breach or alleged breach of agency or fiduciary duty; and

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower, on the one hand, and any Lender, on the other hand.

13.15 WAIVERS OF JURY TRIAL. THE BORROWER, THE ADMINISTRATIVE AGENT, EACH LETTER OF CREDIT ISSUER AND EACH LENDER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

13.16 Confidentiality. The Administrative Agent, each other Agent, any Letter of Credit Issuer and each Lender shall hold all non-public information furnished by or on behalf of the Credit Parties in connection with such Lender's evaluation of whether to become a Lender hereunder or obtained by such Lender, the Administrative Agent, any Letter of Credit Issuer or such other Agent pursuant to the requirements of this Agreement ("Confidential Information"), confidential in accordance with its customary procedure for handling confidential information of this nature and in any event may make disclosure (a) as required or requested by any Governmental Authority, self-regulatory agency or representative thereof or pursuant to legal process or applicable Requirements of Law, (b) to such Lender's or the Administrative Agent's, any Letter of Credit Issuer's or such other Agent's attorneys, professional advisors, independent auditors, trustees or Affiliates, in each case who need to know such information in connection with the administration of the Credit Documents and are informed of the confidential nature of such information (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (c) to an investor or prospective investor in a securitization that agrees its

access to information regarding the Credit Parties, the Loans and the Credit Documents is solely for purposes of evaluating an investment in a securitization and who agrees to treat such information as confidential, (d) to a trustee, collateral manager, servicer, backup servicer, noteholder or secured party in connection with the administration, servicing and reporting on the assets serving as collateral for a securitization and who agrees to treat such information as confidential, (e) to a nationally recognized ratings agency that requires access to information regarding the Credit Parties, the Loans and Credit Documents in connection with ratings issued with respect to a securitization, (f) to any other party hereto, (g) in connection with the exercise of any remedy hereunder or under any other Credit Document or any action or proceeding related to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, or (h) with the consent of the Borrower; provided that unless specifically prohibited by applicable Requirements of Law, each Lender, the Administrative Agent, any Letter of Credit Issuer and each other Agent shall endeavor to notify the Borrower (without any liability for a failure to so notify the Borrower) of any request made to such Lender, the Administrative Agent, any Letter of Credit Issuer or such other Agent, as applicable, by any governmental, regulatory or self-regulatory agency or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information; provided further that in no event shall any Lender, the Administrative Agent, any Letter of Credit Issuer or any other Agent be obligated or required to return any materials furnished by the Borrower or any Subsidiary. In addition, each Lender, the Administrative Agent and each other Agent may provide Confidential Information to prospective Transferees (for the avoidance of doubt, other than any Disqualified Institution) or to any pledgee referred to in Section 13.6 or to prospective direct or indirect contractual counterparties in Hedge Agreements to be entered into in connection with Loans made hereunder solely for purposes of evaluating whether to become a Lender hereunder and as long as such Person is advised of and agrees to be bound by the provisions of this Section 13.16 or confidentiality provisions at least as restrictive as those set forth in this Section 13.17.

13.17 Release of Collateral and Guarantee Obligations.

(a) The Lenders hereby irrevocably agree that the DIP Liens granted to the Administrative Agent by the Credit Parties on any Collateral shall be automatically released (i) in full, as set forth in Section 13.17(b) below, (ii) upon the Disposition of such Collateral (including as part of or in connection with any other Disposition permitted hereunder) to any Person other than another Credit Party, to the extent such Disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee (in accordance with the second succeeding sentence and Section 5.14(b) of the Guarantee), (vi) as required by the Administrative Agent to affect any Disposition of Collateral in connection with any exercise of remedies of the Administrative Agent pursuant to the Security Documents, and (vii) upon such Collateral no longer constituting Collateral pursuant to the terms of the Credit Documents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any DIP Liens (other than those being released) upon (or obligations (other than those being released) of the Credit Parties in respect of) all interests retained by the Credit Parties, including the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Credit Documents. The Lenders hereby authorize the Administrative Agent to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral

pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender. Any representation, warranty or covenant contained in any Credit Document relating to any such Collateral or Guarantor shall no longer be deemed to be repeated.

(b) Notwithstanding anything to the contrary contained herein or any other Credit Document, upon the Termination Date, and at the request of the Borrower, the Administrative Agent shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Credit Document, whether or not on the date of such release there may be any (i) Hedging Obligations in respect of any Secured Hedge Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements and (iii) any contingent or indemnification obligations not then due. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of a Credit Party, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, a Credit Party or any substantial part of its property, or otherwise, all as though such payment had not been made.

13.18 USA PATRIOT Act. The Administrative Agent and each Lender hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001) the "Patriot Act"), it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow the Administrative Agent and such Lender to identify each Credit Party in accordance with the Patriot Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act.

13.19 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate *per annum* equal to the applicable Overnight Rate from time to time in effect.

13.20 Reinstatement. This Agreement shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any other Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any substantial part of its property, or otherwise, all as though such payments had not been made.

13.21 Disposition of Proceeds. The Security Documents contain an assignment by the Borrower and/or the Guarantors unto and in favor of the Administrative Agent for the benefit of the Lenders of all of the Borrower's or each Guarantor's interest in and to their as-extracted collateral in the form of production and all proceeds attributable thereto which may be produced from or allocated to the Mortgaged Property. The Security Documents further provide in general for the application of such proceeds to the satisfaction of the Obligations described therein and secured thereby. Notwithstanding the assignment contained in such Security Documents, until the occurrence of an Event of Default, (a) the Administrative Agent and the Lenders agree that they will neither notify the purchaser or purchasers of such production nor take any other action to cause such proceeds to be remitted to the Administrative Agent or the Lenders, but the Lenders will instead permit such proceeds to be paid to the Borrower and its Subsidiaries and (b) the Lenders hereby authorize the Administrative Agent to take such actions as may be necessary to cause such proceeds to be paid to the Borrower and/or such Subsidiaries.

13.22 Collateral Matters; Hedge Agreements. The benefit of the Security Documents and of the provisions of this Agreement relating to any Collateral securing the Obligations shall also extend to and be available on a *pro rata* basis to any Person (a) under any Secured Hedge Agreement, in each case, after giving effect to all netting arrangements relating to such Hedge Agreements or (b) under any Secured Cash Management Agreement. No Person shall have any voting rights under any Credit Document as a result of the existence of obligations owed to it under any such Secured Hedge Agreement or Secured Cash Management Agreement.

13.23 Limitation of Recourse. There shall be full recourse to the Credit Parties and to all of their assets for the liabilities of the Credit Parties under this Agreement and the other Credit Documents and their other Obligations, but in no event shall the Permitted Investors, or any officer, director or holder of any Stock in the Borrower, be personally liable or obligated for such liabilities and Obligations of the Credit Parties, except as expressly provided in the Security Documents or in any other Credit Document to which such Person is a party. Nothing contained herein shall (a) limit or be construed to limit the obligations and liabilities of the Permitted Investors in any Credit Document creating such liabilities or (b) affect or diminish any rights of any Secured Party against such Permitted Investor for such Permitted Investor's fraud, willful misrepresentation, gross negligence, willful misconduct or misappropriation of funds.

13.24 Interest Rate Limitation. It is the intention of the parties hereto that each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby would be usurious as to any Lender under laws applicable to it (including the laws of the United States of America, the State of Texas or any other jurisdiction whose laws may be mandatorily applicable to such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in any of the Credit Documents or any agreement entered into in connection with or as security for the Loans, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Lender that is contracted for, taken, reserved, charged or received by such Lender under any of the Credit Documents or agreements or otherwise in connection with the Loans shall under no circumstances exceed the maximum amount allowed by such applicable law, and any excess shall be canceled automatically and if theretofore paid shall be credited by such Lender on the principal amount of the Loans (or, to the extent that the principal amount of the Loans shall have been or would thereby be paid in full, refunded by such Lender to the Borrower); and (ii) in the event that the maturity of the Loans is accelerated by reason of an election of the holder thereof resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Lender as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Lender on the

principal amount of the Loans (or, to the extent that the principal amount of the Loans shall have been or would thereby be paid in full, refunded by such Lender to the Borrower). All sums paid or agreed to be paid to any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Lender, be amortized, prorated, allocated and spread throughout the stated term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (i) the amount of interest payable to any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Lender pursuant to this Section 13.24 and (ii) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Lender would be less than the amount of interest payable to such Lender computed at the Highest Lawful Rate applicable to such Lender, then the amount of interest payable to such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Lender until the total amount of interest payable to such Lender shall equal the total amount of interest which would have been payable to such Lender if the total amount of interest had been computed without giving effect to this Section 13.24.

13.25 Incorporation of DIP Orders by Reference. Each of the Credit Parties, the Administrative Agent, and the Lenders agrees that any reference contained herein to (a) the Interim DIP Order shall include all terms, conditions, and provisions of such Interim DIP Order and that the Interim DIP Order is incorporated herein for all purposes, and (b) the Final DIP Order shall include all terms, conditions, and provisions of such Final DIP Order and that the Final DIP Order is incorporated herein for all purposes. To the extent there is any inconsistency between the terms of this Agreement and the terms of either the Interim DIP Order or the Final DIP Order, the terms of the Interim DIP Order and the Final DIP Order, as applicable, shall govern.

13.26 Flood Insurance Provisions. Notwithstanding anything in this Agreement or any other Credit Document to the contrary, in no event is any "Building" (as defined in the applicable Flood Insurance Laws) or "Manufactured (Mobile) Home" (as defined in the applicable Flood Insurance Laws) included in the definition of "Mortgaged Property" (as defined in any Credit Document) and no "Building" or "Manufactured (Mobile) Home" is hereby encumbered by this Agreement or any other Credit Document.

13.27 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder that may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other

instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

[4] Where appropriate in this Final Order, findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact pursuant to Bankruptcy Rule 7052.

A. *Petition Date*. On May 10, 2019 (the "***Petition Date***"), the Debtors filed voluntary petitions under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (the "***Court***"), commencing these chapter 11 cases.

B. *Debtors in Possession*. The Debtors are continuing in the management and operation of their businesses and properties as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in these chapter 11 cases.

C. *Joint Administration*. These chapter 11 cases are being jointly administered pursuant to Bankruptcy Rule 1015(b) and the *Order (I) Directing Joint Administration of the Debtors' Chapter 11 Cases and (II) Waiving the Requirements of Bankruptcy Code Section 342(c)(1) and Bankruptcy Rules 1005 and 2002(b)* [Docket No. 89], entered by the Court on May 14, 2019 in each of these chapter 11 cases.

D. *Interim Order*. On May 15, 2019, the Court entered the Interim Order.

E. *Jurisdiction and Venue*. This Court has jurisdiction over the persons and property affected hereby pursuant to 28 U.S.C. §§ 157(b) and 1334. Consideration of the Motion constitutes a core proceeding under 28 U.S.C. § 157(b)(2). Venue of these chapter 11 cases and proceedings on the Motion is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

F. *Committee Formation*. The Office of the United States Trustee for the District of Delaware (the "***U.S. Trustee***") appointed an official committee of unsecured creditors (the "***Committee***") in these chapter 11 cases pursuant to section 1102 of the Bankruptcy Code on May 22, 2019.

G. *Findings Regarding Postpetition Financing and the Use of Cash Collateral*.

(i) Request for Postpetition Financing. The Debtors seek final authority to enter into the DIP Facility on the terms described herein and in the DIP Facility Documents to administer their chapter 11 cases and fund their operations.

(ii) Priming of the Prepetition Liens. The priming of liens to the extent provided herein under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Facility and as further described below, will enable the Debtors to obtain the DIP Loans under the DIP Facility and to continue to operate their businesses for the benefit of their estates and creditors. The Notes Secured Parties (as defined below) have consented to such priming of liens and the Debtors' use of Cash Collateral subject to the terms and conditions of this Final Order.

(iii) Need for Postpetition Financing. The Debtors have a need to obtain postpetition financing pursuant to the DIP Facility and to use the Secured Notes Collateral (including cash collateral within the meaning of section 363(a) of the Bankruptcy Code (the "***Cash Collateral***")) in order to, among other things, permit the orderly continuation of the operation of their businesses, to maintain business relationships, to make capital expenditures, to satisfy other working capital and operational needs, and to conduct an orderly and value-maximizing process for the sale of the Debtors' assets as a going concern for the benefit of the Debtors' stakeholders. The ability of the Debtors to maintain business relationships with their vendors, suppliers, and customers requires the availability of working capital from the DIP Facility and the use of Cash Collateral. The Debtors do not have sufficient available sources of working capital and financing to preserve the value of their businesses without the ability to borrow under the DIP Facility and access the Cash Collateral.

(iv) No Credit Available on More Favorable Terms. As set forth in the Motion, the First Day Declaration and the Puntus Declaration in support thereof, and the Supplement, and the record presented to the Court at the Interim Hearing and the Final Hearing, the DIP Facility is the best source of debtor-in-possession financing available to the Debtors. Given their current financial condition, financing arrangements, and capital structure, the Debtors have been and continue to be unable to obtain financing from sources other than the DIP Lenders on terms more favorable than the terms of the DIP Facility. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain: (a) unsecured credit having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a) and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. Financing on a postpetition basis is not otherwise available without granting the DIP Agent, for the benefit of itself and the DIP Lenders: (a) perfected security interests in and DIP Liens on (each as provided herein) the Debtors' existing and after-acquired assets with the priorities (but subject to the exclusions) as set forth herein, (b) superpriority claims with the priorities set forth herein, (c) the refinancing of a portion of the Secured Notes Debt with the DIP Roll-Up Loans, and (d) the other protections set forth in this Final Order.

(v) Use of Proceeds of the DIP Facility and Use of Cash Collateral. As a condition to the Debtors' entry into the DIP Facility Documents and the extension of credit under the DIP Facility, the DIP Secured Parties require, and the Debtors have agreed, that proceeds of the DIP Facility shall be used solely in a manner consistent with the terms and conditions of this Final Order and the DIP Facility Documents. As a condition to their consent to the use of Cash Collateral,

the Prepetition Secured Noteholders also require, and the Debtors herein agree, that the Cash Collateral shall be used solely in a manner consistent with the terms and conditions of this Final Order.

(vi) Use of the DIP Roll-Up Loans. Use of the DIP Roll-Up Loans to refinance and discharge the DIP Lenders' Secured Notes (in an amount equal to 80% the DIP Term Loans provided by such DIP Lenders under the DIP Facility) reflects the DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties.

(vii) Notes Secured Parties' Entitlement to Adequate Protection. The Notes Secured Parties are entitled to the adequate protection provided in the Interim Order and this Final Order as and to the extent set forth herein pursuant to sections 361, 362, 363, and 364 of the Bankruptcy Code. Based on the Motion, the First Day Declaration and the Puntus Declaration in support thereof, and the Supplement, and on the record presented to the Court at the Interim Hearing and the Final Hearing, the terms of the proposed adequate protection arrangements and of the use of the Secured Notes Collateral are fair and reasonable, reflect the Debtors' prudent exercise of business judgment, and constitute reasonably equivalent value and fair consideration for the use of the Secured Notes Collateral; *provided* that nothing in the Interim Order, this Final Order or the DIP Facility Documents shall (i) be construed as the affirmative consent by any of the Notes Secured Parties for the use of Cash Collateral other than on the terms set forth in this Final Order and in the context of the DIP Facility authorized by this Final Order, or (ii) be construed as a consent by any party to the terms of any other financing or any other lien encumbering the Secured Notes Collateral (whether senior or junior thereto), or (iii) prejudice, limit, or otherwise impair the rights of any of the Notes Secured Parties to seek new, different, or additional adequate protection for any diminution in value from and after the Petition Date of their interests in any Secured Notes Collateral (*provided,*

however, that any such additional adequate protection granted, if any, shall be junior to the Carve-Out, the DIP Liens, the DIP Superpriority Claim, the lien on the Securitization Facility Collateral (as defined below), and the Securitization Superpriority Claim (as defined below), as applicable), or assert the interests of any of the Notes Secured Parties to the extent not inconsistent with that certain *Amended and Restated Sale and Plan Support Agreement* dated as of May 9, 2019 (the "***Support Agreement***") among Cloud Peak Energy Inc., Cloud Peak Energy Resources LLC, Cloud Peak Energy Finance Corp., and the other direct and indirect subsidiaries of Cloud Peak Energy Inc. that are or become a party thereto, together with the Prepetition Secured Noteholders that are party thereto and each holder of 2024 Notes Claims (as defined in the Support Agreement) that are or become a party thereto, to the extent the same is still in effect, and the rights of any other party in interest (including, without limitation, the Debtors) to object to such relief are hereby preserved.

H. *Section 506(c)*. In light of the DIP Secured Parties' agreement to extend credit to the Debtors on the terms described herein and the Notes Secured Parties' consent to the Debtors' use of the Secured Notes Collateral, including Cash Collateral, upon entry of the Final Order, each of the DIP Secured Parties and the Notes Secured Parties is entitled to a waiver of the provisions of section 506(c) of the Bankruptcy Code, subject to the Carve-Out.

I. *Good Faith*.

(i) Willingness to Provide Financing. The DIP Lenders have indicated a willingness to provide financing to the Debtors subject to: (a) for the Initial Borrowing, entry of the Interim Order and, for the subsequent borrowing of DIP Loans, this Final Order; (b) Court approval of the terms and conditions of the DIP Facility and the DIP Facility Documents; (c) satisfaction or waiver of the closing conditions set forth in the DIP Facility Documents; and (d) findings by this Court that the DIP Facility is essential to the Debtors' estates, that the DIP Secured Parties are

extending credit to the Debtors pursuant to the DIP Facility Documents in good faith, and that the DIP Secured Parties' claims, superpriority claims, security interests and liens and other protections granted pursuant to the Interim Order, this Final Order and the DIP Facility Documents will have the protections provided by section 364(e) of the Bankruptcy Code.

(ii) Business Judgment and Good Faith Pursuant to Section 364(e). The terms and conditions of the DIP Facility, the DIP Facility Documents, and the fees paid and to be paid thereunder to the DIP Secured Parties, are fair, reasonable, and the best available to the Debtors under the circumstances, are ordinary and appropriate for secured postpetition financing to debtors in possession, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration. Entry of this Final Order is in the best interests of the Debtors and their estates, creditors, and equity holders. The terms and conditions of the DIP Facility were negotiated in good faith and at arms' length among the Debtors and the DIP Secured Parties, with the assistance and counsel of their respective advisors. Credit to be extended under the DIP Facility shall be deemed to have been allowed, advanced, made, or extended in good faith by the DIP Secured Parties, within the meaning of section 364(e) of the Bankruptcy Code and will not be affected by any subsequent reversal, modification, vacatur, amendment, reargument or reconsideration of this Final Order or any other order.

J. *Debtors' Stipulations*. After consultation with their attorneys and financial advisors, and without prejudice to the rights of a Committee or any other party in interest (subject to the limitations thereon contained in Paragraphs 29 and 31 below), the Debtors acknowledge, admit, stipulate and agree that:

22. DIP Termination Events. Each of the following occurrences or events, unless waived by the DIP Agent in writing and in accordance with the terms of the DIP Credit Agreement, shall constitute a termination event under this Final Order (each, a "***DIP Termination Event***", and the date upon which such DIP Termination Event occurs, the "***DIP Termination Date***"), notice of which will promptly be provided to counsel to the Debtors, the Ad Hoc Group, counsel to the Secured Notes Trustee, the Committee, and the U.S. Trustee: (i) the occurrence of the DIP Facility becoming due on February 15, 2020; (ii) the date of the conversion of any of these chapter 11 cases to a case under chapter 7 of the Bankruptcy Code without the consent of the Required Lenders (as defined in

the DIP Credit Agreement), (iii) the date of dismissal of any of these chapter 11 cases without the consent of the Required Lenders, (iv) the appointment in any of these chapter 11 cases of a trustee, (v) the appointment of an examiner with expanded powers, (vi) the consummation of a sale of all or substantially all of the Debtors' assets, whether under section 363 of the Bankruptcy Code or otherwise without the consent of the Required Lenders, (vii) the effective date of any chapter 11 plan, or (viii) the occurrence of an "Event of Default" as defined in and under the DIP Credit Agreement.

23. Rights and Remedies Upon a DIP Termination Event. Subject to the limitations set forth herein, immediately upon the occurrence and during the continuation of a DIP Termination Event, notwithstanding the provisions of section 362 of the Bankruptcy Code, without any application, motion or notice to, hearing before, or order from the Court, but subject to the terms of this Final Order and the Support Agreement, the DIP Agent may declare (any such declaration shall be referred to herein as a "***Termination Declaration***"): (1) all DIP Obligations owing under the respective DIP Facility Documents to be immediately due and payable, (2) the termination, reduction or restriction of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the DIP Facility, (3) termination of the DIP Facility and the respective DIP Facility Documents as to any future liability or obligation of the DIP Secured Parties, but without affecting any of the DIP Liens or the DIP Obligations. The Termination Declaration shall be given by electronic mail (or other electronic means) to counsel to the Debtors, counsel to the Committee, counsel to the Secured Notes Trustee, and the U.S. Trustee. The automatic stay in the chapter 11 cases otherwise applicable to the DIP Agent and the DIP Lenders is hereby modified so that five (5) business days after the date a Termination Declaration is delivered (such period, the "***Remedies Notice Period***"): the DIP Secured Parties shall be entitled to exercise their rights and

remedies, in accordance with the respective DIP Facility Documents and this Final Order (subject to the funding in full of the Carve-Out Reserve), including without limitation, exercising rights of setoff or foreclosing on all or a portion of the DIP Collateral, occupying the Debtors' premises, or a sale or disposition of the DIP Collateral, and shall be permitted to satisfy the relevant DIP Obligations, DIP Superpriority Claim, and DIP Liens. During the Remedies Notice Period, the only basis on which the Debtors and/or the Committee shall be entitled to seek an emergency hearing within the Remedies Notice Period with the Court shall be to contest whether a DIP Termination Event has occurred and/or is continuing and the DIP Secured Parties shall consent to such emergency hearing. Unless during the Remedies Notice Period, the Court determines that a DIP Termination Event has not occurred, or the Debtors cure the DIP Termination Event (to the extent curable under the DIP Facility Documents) that was the basis for the delivery of a Termination Declaration in accordance with the terms and conditions of the DIP Facility Documents, automatic stay imposed under section 105 or 362(a) of the Bankruptcy Code or otherwise, as to the DIP Secured Parties, shall automatically be terminated at the end of the Remedies Notice Period without further notice or order. Upon expiration of the Remedies Notice Period, the DIP Secured Parties shall be permitted to exercise all remedies set forth herein, in the DIP Facility Documents, and as otherwise available at law without further order of or application or motion to the Court. The Debtors shall reasonably cooperate with the DIP Agent in its exercise of rights and remedies against the DIP Collateral. Notwithstanding the foregoing or anything contained in any DIP Facility Document, no party (including, without limitation, the DIP Agent, any DIP Lender, the Secured Notes Trustee, and any Prepetition Secured Noteholder, but excluding, however, the Administrator or any Purchaser) shall exercise any rights or remedies (or take any enforcement action with respect to) the Securitization SPV Equity Collateral, until such time as the obligations under the Securitization Facility have been

indefeasibly paid in full in cash. For the avoidance of doubt, the remedies set forth in this Paragraph 23 shall be cumulative and non-exclusive.

24. Cash Collateral Termination Events. Unless otherwise ordered by the Court or waived or otherwise agreed to in writing by the holders of a majority in principal amount of Secured Notes Debt, the Debtors' authority to use Cash Collateral shall terminate without further order of the Court upon the occurrence of the "***Cash Collateral Termination Date***", which shall also constitute a DIP Termination Event (notice of which shall automatically constitute a Termination Declaration, and shall promptly be provided to the Debtors, counsel to the Debtors, counsel to the DIP Agent, the U.S. Trustee, and the Committee), which Cash Collateral Termination Date shall occur five (5) business days following written notice (including via email) from the Required Consenting Noteholders to the Debtors and the Secured Notes Trustee of the occurrence of any of the following events, *provided* that the Cash Collateral Termination Date shall occur immediately upon the occurrence of any event set forth in subsections 24(a), 24(i), 24(j), 24(k), 24(m), or 24(n) below, and notice of termination of the Support Agreement in accordance with the terms thereof shall be sufficient notice of the occurrence of the event set forth in subsection 24(b) hereof (collectively, the "***Cash Collateral Termination Events***"):

(a) the occurrence of any DIP Termination Event, unless waived in accordance with the DIP Facility Documents;

(b) the Support Agreement (as may be hereafter modified or amended in accordance with the terms thereof) shall have terminated as to all parties thereto in accordance with its terms;

(c) the failure of the Debtors to distribute the Net Sale Proceeds (as defined in the Support Agreement) of any asset sale to the Secured Notes Trustee in accordance with the Support Agreement, irrespective of whether such Support Agreement has been assumed by the Debtors or has been terminated;

(d) any Debtor files or publicly announces that it will file (or fails to timely object to) or joins in or supports any plan (or disclosure statement related thereto) in these chapter 11 cases that is inconsistent with the Support Agreement;

(e) any Debtor seeks approval or publicly announces that it will seek approval of any sale in these chapter 11 cases that is inconsistent with the Support Agreement;

(f) any Debtor shall grant, create, incur or suffer to exist any post-petition liens or security interests other than (i) those granted pursuant to the Interim Order or this Final Order, (ii) carriers' mechanics', operator's, warehousemen's, repairmen's or other similar liens arising in the ordinary course of business, (iii) pledges or deposits in connection with workers' compensation, unemployment insurance and other social security legislation arising in the ordinary course of business, and (iv) deposits to secure the performance of any post-petition statutory obligations and other obligations of a like nature incurred in the ordinary course of business, *provided* that the Debtors shall have 10 business days from receipt of notice thereof to cure any of the foregoing which were involuntarily imposed or created;

(g) any Debtor shall create, incur, or suffer to exist any other claim that is *pari passu* with or senior to the Adequate Protection Superpriority Claims, except as provided in the Interim Order or this Final Order;

(h) the failure of the Debtors to make any payment provided for under this Final Order to the Prepetition Secured Noteholders within five (5) business days after the date such payment is due;

(i) this Final Order ceases, for any reason (other than with the express written agreement of the Required Consenting Noteholders in their sole discretion), to be in full force and effect in any material respect, or any Debtor so asserts in writing, or the Adequate Protection Liens or Adequate Protection Superpriority Claims created by this Final Order cease in any material respect to be enforceable and of the same effect and priority purported to be created hereby or any Debtor so asserts in writing;

(j) the Court shall have entered an order amending, supplementing, or otherwise modifying this Final Order that materially and adversely affects the adequate protection provided to the Notes Secured Parties or is otherwise materially and directly adverse to the Notes Secured Parties, without the consent of the holders of a majority in principal amount of Secured Notes Debt;

(k) any Debtor supports or takes any steps in furtherance of any Challenge (as defined below) or any other action commenced by any other person against any of the Notes Secured Parties, with respect to any of the Secured Notes Documents or the Court shall have ruled in favor of the plaintiff or moving party in any such Challenge or other action; *provided* that compliance with discovery requests by the Debtors brought by third parties in connection with any of the foregoing shall not constitute a Cash Collateral Termination Event under this Paragraph 24;

(l) the Court shall have entered an order disallowing or subordinating any claim, lien, or interest held by any Notes Secured Party;

(m) the Court shall have entered an order appointing a chapter 11 trustee, responsible officer or any examiner with enlarged powers relating to the operation of the businesses in these chapter 11 cases; and

(n) an order shall have been entered dismissing any of these chapter 11 cases or converting any of these chapter 11 cases to a case under chapter 7 of the Bankruptcy Code.

25. Rights and Remedies Upon a Cash Collateral Termination Event. Upon the occurrence of the Cash Collateral Termination Date, (a) consensual use of Cash Collateral shall terminate immediately; (b) Adequate Protection Superpriority Claims, if any, shall become due and payable; and (c) following the funding in full of the Carve-Out Reserve and subsequently the repayment in full and in cash of the DIP Obligations, the Secured Notes Trustee may, upon five (5) business days' written notice to counsel to the Debtors, the U.S. Trustee and the Committee, (i) set off amounts in any account of the Debtors with respect to which the Secured Notes Trustee exercises control pursuant to a deposit account control agreement to the extent necessary for payment of the Adequate Protection Obligations due to the Notes Secured Parties, and/or (ii) exercise any other rights and remedies available under the Secured Notes Documents, this Final Order or applicable law. The remedies set forth in this Paragraph 25 shall be cumulative and non-exclusive. The automatic stay of section 362 of the Bankruptcy Code is hereby modified and vacated to the extent necessary to permit such actions upon the occurrence of the Cash Collateral Termination Date and pursuant to the terms set forth herein. Notwithstanding anything to the contrary herein or the occurrence of the Cash Collateral Termination Date, all of the rights, remedies, benefits and protections provided to the Secured Notes Trustee and/or the Notes Secured Parties under this Final Order shall survive the occurrence of the Cash Collateral Termination Date. The Debtors and all parties in interest shall be entitled to seek an emergency hearing before this Court to contest whether

the Cash Collateral Termination Date has occurred under Paragraph 24 of this Final Order and at which hearing the Debtors shall reserve the right to seek Court approval of a new order approving the use of Cash Collateral, *provided* that pending such hearing, the Debtors may only use Cash Collateral to make necessary ordinary course operating expenditures.

26. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Final Order. The DIP Secured Parties have acted in good faith in connection with this Final Order and are entitled to rely upon the protections granted herein and by section 364(e) of the Bankruptcy Code. Based on the findings set forth in this Final Order and the record made during the Interim Hearing, and in accordance with section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Final Order are hereafter modified, amended or vacated by a subsequent order of this Court or any other court, the DIP Secured Parties are entitled to the protections provided in section 364(e) of the Bankruptcy Code. Any such modification, amendment or vacatur shall not affect the validity and enforceability of any advances previously made or made hereunder, or lien, claim or priority authorized or created hereby.

27. DIP and Other Expenses. The Debtors are authorized and directed to pay all reasonable and documented prepetition and postpetition fees, costs, disbursements and expenses of the DIP Secured Parties in connection with the DIP Facility and the chapter 11 cases, as provided in the DIP Facility Documents, whether or not the transactions contemplated hereby are consummated, as set forth herein, in each case, including, without limitation, the DIP Professional Fees, and all reasonable and documented prepetition and postpetition fees and expenses incurred by the Notes Secured Parties in connection with the chapter 11 cases (the "***Notes Secured Parties' Fees***") (without duplication of the DIP Professional fees and limited, in the case of the advisors to the Prepetition Secured Noteholders, to Houlihan Lokey, Inc., Davis Polk, and one local counsel in each

material jurisdiction, and limited, in the case of the advisors to the Secured Notes Trustee, to Nixon Peabody LLP and Cross & Simon, LLC, as local counsel). Payment of the DIP Professional Fees and the Notes Secured Parties' Fees shall not be subject to the Budget and shall not be subject to allowance by the Court. Professionals for the DIP Secured Parties and the Notes Secured Parties shall not be required to comply with the U.S. Trustee fee guidelines and no attorney or advisor to the DIP Agent, the DIP Lenders, or the Notes Secured Parties shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Notwithstanding the foregoing, the professionals for the DIP Secured Parties and the Notes Secured Parties shall deliver reasonably detailed statements (redacted if necessary for privileged, confidential, or otherwise sensitive information, as to those statements provided to any party other than the U.S. Trustee) for fees and expenses incurred after entry of the Interim Order to the U.S. Trustee, the Committee, and the Debtors and their respective counsel (the "***Fee Notice Parties***"), *provided* that any such invoice shall not be required to contain time entry detail. If no objection is raised by any of the Fee Notice Parties with respect to such summaries within ten (10) days of the receipt thereof (the "***Professional Fee Objection Period***") then, without further order of, or application to, the Court or notice to any other party, such fees and expenses shall be promptly paid by the Debtors. If an objection (solely as to reasonableness) is made by any of the Fee Notice Parties within the Professional Fee Objection Period to payment of the requested fees and expenses, then only the disputed portion of such fees and expenses shall not be paid until the objection is resolved by the applicable parties in good faith or by order of the Court, and the undisputed portion shall be promptly paid by the Debtors. Any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to the DIP Agent, the DIP Lenders, or the Notes Secured Parties in connection with or with respect to the DIP Facility or the chapter 11 cases, as applicable, are hereby approved in full.

Notwithstanding the foregoing, the Debtors are authorized and directed to pay upon the Initial Borrowing, all reasonable and documented fees, costs, and out-of-pocket expenses of the DIP Secured Parties incurred on or prior to such date to the extent payable in accordance with the terms of the DIP Facility Documents.

28. Indemnification. The Debtors shall indemnify and hold harmless the DIP Secured Parties in accordance with the terms and conditions of the DIP Credit Agreement.

29. Limitations on Use of DIP Proceeds, Secured Notes Collateral, and Carve-Out. No DIP Collateral, DIP Loans, Secured Notes Collateral (including, for the avoidance of doubt in all instances, Cash Collateral) or the proceeds of the foregoing or any portion of the Carve-Out may be used directly or indirectly by any of the Debtors, the Committee, or any trustee or other estate representative appointed in the chapter 11 cases or any Successor Cases or any other person or entity (or to pay any professional fees, disbursements, costs or expenses incurred in connection therewith) in connection with: (a) preventing, hindering, or delaying (i) the DIP Agent's or the DIP Lenders' enforcement or realization upon any of the DIP Collateral, or (ii) the Secured Notes Trustee's enforcement upon the Secured Notes Collateral; (b) using or selling or otherwise disposing of (i) the DIP Collateral without the consent of the DIP Agent (other than pursuant to an Acceptable 363 Sale (as defined in the DIP Credit Agreement)), or (ii) the Secured Notes Collateral without the consent of the Secured Notes Trustee (other than pursuant to the Debtors' sale process as presented to the Court); (c) using or seeking to use any insurance proceeds (i) constituting DIP Collateral without the consent of the DIP Agent and the DIP Lenders except to the extent permitted under the DIP Credit Agreement, or (ii) constituting Secured Notes Collateral except to the extent permitted under the Secured Notes Indenture and consistent with the Support Agreement; (d) incurring indebtedness without the prior consent of the DIP Agent, the DIP Lenders, and the holders of a

majority in principal amount of Secured Notes Debt, except to the extent permitted under the DIP Credit Agreement; (e) seeking authorization to obtain liens or security interests that are senior to, or on a parity with, the Carve-Out, the DIP Liens, the DIP Superpriority Claim, the Secured Notes Liens, the Adequate Protection Liens, or the Adequate Protection Superpriority Claims (except as otherwise provided herein); (f) seeking to amend or modify any of the rights granted to (i) the DIP Agent or the DIP Lenders, including seeking to use DIP Collateral on a contested basis, or (ii) the Secured Notes Trustee or the Prepetition Secured Noteholders or seeking to use the Secured Notes Collateral on a contested basis; (g) objecting to or challenging in any way (i) the DIP Liens, the DIP Obligations, and/or the DIP Collateral, or any other claims or liens, held by or on behalf of any of the DIP Agent or the DIP Lenders, or (ii) the Secured Notes Liens, Adequate Protection Obligations, and/or Secured Notes Collateral or any other claims or liens, held by or on behalf of any of the Secured Notes Trustee or the Prepetition Secured Noteholders; (h) asserting, commencing or prosecuting any claims or causes of action whatsoever, including, without limitation, any actions under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions to recover or disgorge payments, against the DIP Agent, the DIP Lenders, the Secured Notes Trustee, or the Prepetition Secured Noteholders, with respect to any of the foregoing, any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors and employees; (i) litigating, objecting to, challenging, investigating (including by way of examination or discovery), contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of (i) the DIP Obligations, DIP Liens, or any other rights or interests of the DIP Agent, or the DIP Lenders or (ii) the Secured Notes, Secured Notes Debt, Adequate Protection Obligations, or any other rights and interests of the Secured Notes Trustee or the Prepetition Secured Noteholders; (j) seeking to subordinate, recharacterize, disallow or avoid (i) the DIP Liens or the

DIP Obligations or (ii) the Secured Notes Liens or Adequate Protection Obligations; or (k) to pay any amount on account of any claims arising prior to the Petition Date unless such payments are approved by an order of the Court (including, without limitation, hereunder); *provided* that notwithstanding anything to the contrary herein, the Committee may use the proceeds of the DIP Facility and Cash Collateral, to investigate (but not prosecute or initiate the prosecution of, including the preparation of any complaint, objection, or motion on account of), (y) the claims and liens of the Notes Secured Parties, and (z) potential claims, counterclaims, causes of action, or defenses against the Notes Secured Parties; *provided further*, that no more than an aggregate of $150,000 of the proceeds of the DIP Facility and Cash Collateral may be used by the Committee in respect of the investigations set forth in the preceding proviso (the "***Investigation Budget***"); *provided further*, that to the extent the Committee incurs fees and expenses in an amount in excess of the Investigation Budget, the Debtors, the Notes Secured Parties and the DIP Lenders agree that the Committee may seek payment of such fees as an administrative expense as part of its professionals' fee applications.

30. Carve-Out.

(a) As used in this Final Order, and notwithstanding anything to the contrary contained in this Final Order, the Interim Order, the DIP Facility Documents, the Secured Notes Indenture, or any other documents or instruments evidencing indebtedness of or claims against the Debtors, the "***Carve-Out***" shall mean a carve-out from the DIP Liens, the DIP Superpriority Claim, the Adequate Protection Liens, all administrative expense claims granted under this Final Order including the DIP Superpriority Claim, the Adequate Protection Superpriority Claim, any and all other forms of adequate protection granted hereunder, the applicable Debtors' obligations under the Securitization Facility, and any other obligations of the Debtors, including any postpetition intercompany claims among the Debtors, in an amount equal to the sum of: (i) all fees required to

be paid to the Clerk of the Court and all statutory fees payable to the U.S. Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses in an aggregate amount not to exceed $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, final order, or otherwise, all unpaid fees, costs, and expenses (the "***Allowed Professional Fees***") of persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "***Debtor Professionals***") and the Committee (the "***Committee Professionals***" and, together with the Debtor Professionals, the "***Professional Persons***") appointed in the chapter 11 cases pursuant to section 1103 of the Bankruptcy Code incurred at any time on or before the first business day following delivery by the DIP Agent (or, following the repayment in full of the DIP Obligations, the Required Consenting Noteholders) of a Carve-Out Trigger Notice (as defined below), whether allowed by the Court prior to or after such date (the amounts set forth in clauses (i)-(iii) being the "***Pre-Carve-Out Trigger Notice Cap***"); and (iv) Allowed Professional Fees of the Debtor Professionals (including all success, incentive, or similar fees or bonuses not earned prior to the Carve-Out Trigger Date (as defined below)) and Committee Professionals in an aggregate amount not to exceed $1,000,000 incurred after the first business day following delivery by the DIP Agent of a Carve-Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, final order, or otherwise (the amounts set forth in this clause (iv) being the "***Post-Carve-Out Trigger Notice Cap***").

(b) For purposes of the foregoing, "***Carve-Out Trigger Notice***" means a written notice delivered by email (or other electronic means) by the DIP Agent (or, following the repayment in full and in cash of the DIP Obligations, the Required Consenting Noteholders) to the Debtors,

Vinson & Elkins LLP as lead restructuring counsel to the Debtors, counsel to the Committee, the Secured Notes Trustee, and the U.S. Trustee, which notice may be delivered following the occurrence and during the continuation of a Termination Event under the Final Order or the DIP Credit Agreement, stating that the Post-Carve-Out Trigger Notice Cap has been invoked. Notwithstanding the foregoing, so long as a Carve-Out Trigger Notice has not been delivered, the Debtors shall be permitted to pay and/or reimburse, as applicable, Allowed Professional Fees that are allowed by the Court and payable under sections 328, 330, and 331 of the Bankruptcy Code and compensation procedures approved by the Court, and the payment and/or reimbursement of same shall not reduce the Carve-Out.

(c) On the date of delivery by the DIP Agent of a Carve-Out Trigger Notice in accordance with the terms of this Final Order (the "***Carve-Out Trigger Date***"), the Carve-Out Trigger Notice shall constitute a demand to the Debtors as of such date to fund, in accordance with the other terms hereof, a reserve from all cash on hand (including Cash Collateral and cash in the Segregated Account) as of such date and any available cash thereafter held by any Debtors in an amount equal to the sum of: (i) the Pre-Carve-Out Trigger Notice Cap (including all then-unpaid Allowed Professional Fees incurred through the first business day following the Carve-Out Trigger Date, whether allowed by the Court prior to or after the Carve-Out Trigger Date), and (ii) the Post-Carve-Out Trigger Notice Cap. The Carve-Out Reserve (as defined below) shall be funded (i) first, from cash on hand as of the Carve-Out Trigger Date other than cash in the Segregated Account; and (ii) second, proceeds of DIP Collateral other than cash in the Segregated Account; and (iii) only to the extent such other cash is insufficient to fund the Carve-Out Reserve in full, from cash in the Segregated Account until the Carve-Out Reserve is fully funded in the amount set forth herein. The

Debtors shall deposit and hold all such amounts in a segregated account in trust to pay the amounts set forth in the preceding sentence (the "***Carve-Out Reserve***").

(d) The Debtors shall deposit the amounts in the Carve-Out Reserve in full prior to the payment of any DIP Collateral to the DIP Secured Parties, the disbursement of any proceeds held in the Segregated Account, or the payment of any amount to any DIP Secured Party or any Notes Secured Party, and no DIP Secured Party or Notes Secured Party shall sweep or foreclose on cash or Cash Collateral (including (i) cash received as a result of the disposition of any assets or property of the estate or the DIP Collateral, and (ii) cash held in the Segregated Account) of the Debtors' estates until the Carve-Out Reserve has been fully funded.

(e) The Carve-Out Reserve shall be held for the benefit of the U.S. Trustee, the Chapter 7 Trustee (if any), and the Professional Persons to pay the Allowed Professional Fees benefiting from the Carve-Out Reserve, and shall be available only to satisfy such obligations until paid in full. The failure of the Carve-Out Reserve to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve-Out, and none of the Carve-Out, the Post-Carve-Out Trigger Notice Cap, the Carve-Out Reserve, the Budget, nor any of the foregoing shall be construed as a cap or limitation on the amount of the Professional Fees due and payable by the Debtors.

31. Effect of Stipulations on Third Parties.

(a) The Debtors' stipulations, admissions, agreements and releases contained in this Final Order shall be binding upon (i) the Debtors and their estates, in all circumstances and for all purposes and (ii) all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in the chapter 11 cases (including the Committee) and any other person or entity acting or seeking to act on behalf of the Debtors' estates including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances

and for all purposes unless (1) such committee or any other party in interest (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so), in each case, with standing granted by the Court, has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, *inter alia*, in this Paragraph 31 and Paragraph 29) (x) objecting to or challenging the amount, validity, perfection, enforceability, priority, or extent of the Secured Notes Debt or the Secured Notes Liens or (y otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests, or defenses (collectively, a "***Challenge***") against the Notes Secured Parties or their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals and their respective successors and assigns thereof, in each case in their respective capacity as such (each, a "***Representative***" and, collectively, the "***Representatives***") in connection with matters related to any claims of the Debtors against the Notes Secured Parties, the Secured Notes Documents, the Secured Notes Debt, the Secured Notes Collateral, or otherwise, provided that all pleadings filed in connection with a Challenge shall set forth the basis for such challenge or claim, (2) such Challenge has been filed prior to the latest of (a) (Y) with respect to parties in interest with standing (other than the Committee), Monday, July 29, 2019 and (Z) with respect to the Committee, the date that is the earlier of (i) the effective date of a chapter 11 plan that is consistent with the Support Agreement or (ii) fourteen (14) days following termination of the Support Agreement in accordance with its terms, (b) any such later date as has been agreed to in writing by the holders of a majority in principal amount of Secured Notes Debt, and (c) any such later date as has been ordered by the Court for cause upon a motion filed and served within any applicable time period set forth in this Paragraph 31 (the

time period established by the foregoing clauses (1) through (2), the " ***Initial Challenge Period***"), and (3) there is a final non-appealable order sustaining such Challenge in favor of the plaintiff in such timely filed adversary proceeding or contested matter; *provided* that nothing in this Paragraph 31 shall limit (or be deemed to limit) any of the Debtors' or any other party in interest's rights to seek recharacterization of adequate protection as being applied to principal, as applicable. If during the Initial Challenge Period, the Committee or other third party files a motion for standing with a draft complaint identifying and describing all Challenges such party seeks leave to assert, the Initial Challenge Period will be tolled for the Committee or other third party solely with respect to the matter(s) asserted in the draft complaint until three (3) business days from the entry of an order granting the motion for standing to prosecute such Challenges described in the draft complaint and permitted by the Court (the "***Extended Challenge Period***", together with the Initial Challenge Period, the "***Challenge Period***"). If standing is denied by the Court, the Challenge Period shall be deemed to have expired. Any Challenge that is not timely commenced prior to the expiration of the Challenge Period shall be deemed forever, waived, released, and barred. For the avoidance of doubt, any trustee appointed or elected in these chapter 11 cases shall, until the expiration of the period provided herein for asserting a Challenge, and thereafter for the duration of any adversary proceeding or contested matter commenced pursuant to this Paragraph 31 (whether commenced by such trustee or commenced by any other party in interest on behalf of the Debtors' estates), be deemed to be a party other than the Debtors and shall not, for purposes of such adversary proceeding or contested matter, be bound by the acknowledgments, admissions, confirmations and stipulations of the Debtors in this Final Order. For the avoidance of any doubt, the Committee shall not be permitted to bring a Challenge with respect to the Parent-Issuer Liens except solely with respect to the Reserved Challenge Assets.

(b) Notwithstanding anything herein to the contrary, following entry of an order authorizing the Debtors to assume the Support Agreement and approving the settlement contained in Section 9 thereof pursuant to Bankruptcy Rule 9019, no Challenge may be brought by any party, including, without limitation the Committee, that would contravene or if successful have the effect of undoing such settlement in whole or in part.

32. If no such Challenge is filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such proceeding, then (i) the Debtors' stipulations, admissions, agreements, and releases contained in this Final Order shall be binding on all parties in interest, including, without limitation, the Committee, (ii) the obligations of the Secured Notes Loan Parties under the Secured Notes Documents, including the Secured Notes Debt, shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, offset, or avoidance, for all purposes in the chapter 11 cases, and any subsequent chapter 7 case(s), (iii) the Secured Notes Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance, or other defense, (iv) the Secured Notes Debt and the Secured Notes Liens shall not be subject to any other or further claim or challenge by the Committee, any non-statutory committees appointed or formed in the chapter 11 cases or any other party in interest acting or seeking to act on behalf of the Debtors' estates including any successor thereto (including, without limitation, any chapter 7 or 11 trustee appointed or elected for any of the Debtors) and (v) any defenses, claims, causes of action, counterclaims, and offsets by the Committee, any non-statutory committees appointed or formed in the chapter 11 cases, or any other party acting or seeking to act on behalf of the Debtors' estates, whether arising under the Bankruptcy Code or otherwise, against any of the Notes Secured Parties and their Representatives arising out of or relating to the any claims of the Debtors against the Notes

Secured Parties, the Secured Notes Documents or otherwise shall be deemed forever waived, released, and barred. If any such Challenge is filed during the Challenge Period, the stipulations, admissions, agreements, and releases contained in this Final Order shall nonetheless remain binding and preclusive (as provided in this Paragraph 32 on the Committee and on any other person or entity, except to the extent that such stipulations, admissions, agreements, and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including the Committee or any non-statutory committees appointed or formed in the chapter 11 cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Secured Notes Documents, the Secured Notes Debt or the Secured Notes Liens, or claims, counterclaims or causes of action of the Debtors against any Notes Secured Parties.

33. Payment of Professional Fees. Nothing contained herein shall be construed as a consent to the allowance of any professional fees or expenses of any Professional Persons or shall affect the rights of the DIP Secured Parties or the Notes Secured Parties to object to the allowance and payment of such fees and expenses. Neither the DIP Secured Parties nor the Notes Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Persons incurred in connection with the chapter 11 cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Secured Parties or the Notes Secured Parties in any way to pay compensation to or to reimburse expenses of any Professional Persons or to guarantee that the Debtors have sufficient funds to pay compensation or to so reimburse.

34. Financial Information and Reporting Requests.

(a) In addition to the provisions of the DIP Facility Documents, and the Secured Notes Documents, the Debtors shall allow the DIP Agent, the Ad Hoc Group, the Committee, and the Secured Notes Trustee, respectively, to visit and inspect any of the properties of Debtors and their subsidiaries to, at the Debtors' expense, (i) conduct field examinations of any or all of the DIP Collateral, (ii) conduct evaluations, environmental assessments, environmental audits and ongoing maintenance and monitoring of the assets and properties of the Borrowers and the Subsidiaries, and (iii) inspect, copy and take extracts from its and their respective financial and accounting records; *provided*, *however*, that, so long as no DIP Termination Event or Cash Collateral Termination Date has occurred and is continuing, not more than two each of any such examinations, evaluations, assessments and audits may be conducted at the Debtors' expense in each fiscal year. The Debtors shall furnish to the DIP Agent, the Ad Hoc Group, the Secured Notes Trustee and the Committee, respectively, such financial and other information as the DIP Agent, the Ad Hoc Group, and the Secured Notes Trustee and the Committee, respectively, shall reasonably request.

(b) The Debtors, as and when required under the DIP Facility Documents, shall furnish to the DIP Agent, the Ad Hoc Group, the Committee, and the Secured Notes Trustee, respectively, each of the financial reports provided for under the DIP Facility Documents; *provided* that such reporting to the Ad Hoc Group, the Secured Notes Trustee, and the Committee shall continue after repayment in full and in cash of the DIP Obligations.

35. Disposition of DIP Collateral; Rights of Notes Secured Parties. Unless otherwise authorized by the Court, the Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral other than in the ordinary course of business without the prior written consent of the DIP Agent and the holders of a majority in principal amount of Secured Notes Debt (and no such consent shall be implied, from any other action, inaction or acquiescence by the

DIP Agent, DIP Lenders, or the holders of a majority in principal amount of Secured Notes Debt), except as otherwise provided for in the DIP Facility Documents or this Final Order. Nothing provided herein shall limit the rights of the DIP Agent, the DIP Lenders, the Secured Notes Trustee, or the Prepetition Secured Noteholders to object to any proposed disposition of DIP Collateral, including, without limitation, pursuant to a sale under section 363 of the Bankruptcy Code, subject, however, in the case of the Consenting 2021 Notes Holders (as defined in the Support Agreement), to the terms of the Support Agreement.

36. Release. Subject to Paragraph 31 hereof, and as further set forth in the Support Agreement, the Debtors, on behalf of themselves and their estates (including any successor trustee or other estate representative in these chapter 11 cases or any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the chapter 11 cases) and any party acting by, through, or under any of the Debtors or any of their estates, hereby stipulate and agree that they forever and irrevocably (a) release, discharge, waive, and acquit the Notes Secured Parties, and each of their respective participants and each of their respective affiliates, and each of their respective former, current, or future officers, employees, directors, agents, representatives, owners, members, partners, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, successors, assigns and predecessors in interest (collectively, "***Released Parties***"), from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened, including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description,

arising out of, in connection with, or relating to the Secured Notes Documents, or the transactions and relationships contemplated hereunder or thereunder, including, without limitation, (i) any so-called "lender liability" or equitable subordination claims or defenses, (ii) any and all claims and causes of action arising under the Bankruptcy Code (including, without limitation, claims and causes of action arising under chapter 5 of the Bankruptcy Code), and (iii) any and all claims and causes of action regarding the validity, priority, perfection, or avoidability of the liens or secured claims of the Notes Secured Parties; and (b) waive any and all defenses (including, without limitation, offsets and counterclaims of any nature or kind) as to the validity, perfection, priority, enforceability, and nonavoidability of the Secured Notes Debt, the Secured Notes Liens, the Adequate Protection Superpriority Claims, the Adequate Protection Liens, and any adequate protection payment obligations pursuant to this Final Order. For the avoidance of doubt, the foregoing release shall not constitute a release of any rights or obligations arising under the Secured Notes Documents or any rights or obligations of the Released Parties under the Support Agreement, the DIP Facility Documents, the Interim Order, or this Final Order. Notwithstanding the releases and covenants contained above in this Paragraph 36, such releases and covenants in favor of the Released Parties shall be deemed acknowledged and reaffirmed by the Debtors each time there is a use of Cash Collateral under this Final Order.

37. No Third Party Rights. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder, or any direct, indirect, or incidental beneficiary.

38. Section 506(c) Claims. Save and except for the Carve-Out, no costs or expenses of administration which have been or may be incurred in the chapter 11 cases at any time shall be charged against the DIP Secured Parties or the Notes Secured Parties, or the DIP Collateral or the

Secured Notes Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of each of the DIP Secured Parties and the holders of a majority in principal amount of Secured Notes Debt, and no such consent shall be implied from any other action, inaction, or acquiescence by any such agent, trustee, or lenders.

39. No Marshaling/Applications of Proceeds. Neither the DIP Secured Parties nor the Notes Secured Parties shall be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Secured Notes Collateral.

40. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly (but subject in all respects to the Support Agreement with respect to the Consenting 2021 Notes Holders): (a) the DIP Secured Parties' or the Notes Secured Parties' rights to seek any other or supplemental relief in respect of the Debtors; (b) any of the rights of the DIP Secured Parties or the Notes Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including, without limitation, the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of the chapter 11 cases or any Successor Case, conversion of the chapter 11 cases to cases under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a chapter 11 plan or plans. Other than as expressly set forth in this Final Order, and, with respect to the Consenting 2021 Notes Holders, as provided in the Support Agreement, any other rights, claims or privileges (whether legal, equitable or otherwise) of the DIP Secured Parties and the Notes Secured Parties are preserved.

41. No Waiver by Failure to Seek Relief. The failure of the DIP Secured Parties or the Notes Secured Parties to seek relief or otherwise exercise their rights and remedies under this Final

Order, the DIP Facility Documents, the Secured Notes Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of such parties.

42. Binding Effect of Final Order. Immediately upon entry by this Court (notwithstanding any applicable law or rule to the contrary), the terms and provisions of this Final Order shall become valid and binding upon and inure to the benefit of the Debtors, the DIP Secured Parties, the Notes Secured Parties, all other creditors of the Debtors, the Committee or any other court appointed committee appointed in the chapter 11 cases, and all other parties in interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in the chapter 11 cases, any Successor Case, or upon dismissal of the chapter 11 cases or any Successor Case.

43. No Modification of Final Order. Except as otherwise ordered by the Court, until and unless the DIP Obligations have been indefeasibly paid in full in cash in accordance with the terms thereof (such payment being without prejudice to any terms or provisions contained in the DIP Facility which survive such discharge by their terms), and all commitments to extend credit under the DIP Facility have been terminated, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly: (a) without the prior written consent of the DIP Secured Parties (and to the extent that it directly, materially, and adversely affects the adequate protection provided herein to the Notes Secured Parties or is otherwise directly and materially adverse to the Notes Secured Parties, the prior written consent of the holders of a majority in principal amount of Secured Notes Debt): (i) any modification, stay, vacatur or amendment to this Final Order; or (ii) save and except for the Carve-Out, a priority claim for any administrative expense or unsecured claim against the Debtors (now existing or hereafter arising of any kind or nature whatsoever,

including, without limitation any administrative expense of the kind specified in sections 503(b), 507(a) or 507(b) of the Bankruptcy Code) in the chapter 11 cases or any Successor Case, equal or superior to the DIP Superpriority Claim or the Adequate Protection Superpriority Claims; or (b) without the prior written consent of the DIP Agent or the Secured Notes Trustee, save and except for the Carve-Out, any lien on any of the DIP Collateral with priority equal or superior to the DIP Liens or the Adequate Protection Liens. Unless otherwise ordered by the Court, the Debtors irrevocably waive any right to seek any material amendment, modification, or extension of this Final Order without the prior written consent, as provided in the foregoing, of the DIP Agent (and to the extent that it directly, materially, and adversely affects the adequate protection provided herein to the Notes Secured Parties or is otherwise directly and materially adverse to the Notes Secured Parties, the prior written consent of the holders of a majority in principal amount of Secured Notes Debt) and no such consent shall be implied by any other action, inaction or acquiescence of the DIP Agent, the Secured Notes Trustee, or any other party.

44. Access to Secured Notes Collateral and DIP Collateral. Notwithstanding anything contained herein to the contrary and without limiting any other rights or remedies of the DIP Agent, exercisable on behalf of the DIP Lenders contained in this Final Order, the DIP Facility Documents, or otherwise available at law or in equity, subject to the Remedies Notice Period, upon written notice to the landlord of any leased premises that a DIP Termination Event or the DIP Termination Date has occurred and is continuing, the DIP Agent may, subject to the applicable notice provisions, if any, in this Final Order and any separate applicable agreement by and between such landlord and the DIP Agent, enter upon any leased premises of the Debtors or any other party for the purpose of exercising any remedy with respect to DIP Collateral located thereon and shall be entitled to all of the Debtors' rights and privileges as lessee under such lease without interference from the landlords

thereunder, *provided* that the DIP Agent shall be obligated only to pay rent of the Debtors that first accrues after the written notice referenced above and that is payable during the period of such occupancy by the DIP Agent calculated on a daily per diem basis. Nothing herein shall require the DIP Agent to assume any lease as a condition to the rights afforded in this Paragraph 44. For the avoidance of doubt, subject to (and without waiver of) the rights of the DIP Secured Parties under applicable nonbankruptcy law, the DIP Secured Parties can only enter upon a leased premises after a DIP Termination Event or the DIP Termination Date, and in any case subject to the Remedies Notice Period, in accordance with (i) a separate agreement with the landlord at the applicable leased premises, or (ii) upon entry of an order of this Court obtained by motion of any of the DIP Secured Parties on such notice to the landlord as shall be required by this Court. Upon repayment in full and in cash of all DIP Obligations, the Secured Notes Trustee shall replace the DIP Agent with respect to the rights described above in this Paragraph 44.

45. Limits on Lender Liability. Nothing in this Final Order or in any of the DIP Facility Documents, the Secured Notes Documents, or any other documents related thereto shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, the Secured Notes Trustee, or the Prepetition Secured Noteholders of any liability for any claims arising from any activities by the Debtors in the operation of their businesses or in connection with the administration of these chapter 11 cases. The DIP Agent, the DIP Lenders, and the Notes Secured Parties shall not be deemed in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in this Final Order or the DIP Facility Documents

or in the Secured Notes Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, the Secured Notes Trustee, or the Prepetition Secured Noteholders of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors.

46. Insurance Proceeds and Policies. Upon entry of this Final Order and to the fullest extent provided by applicable law, the DIP Agent (on behalf of the DIP Lenders) shall be, and shall be deemed to be, without any further action or notice, named as additional insured on each liability insurance policy and loss payee on each property coverage insurance policy maintained by the Debtors that in any way relates to the DIP Collateral.

47. Joint and Several Liability. Nothing in this Final Order shall be construed to constitute a substantive consolidation of any of the Debtors' estates or a substantive consolidation with any non-Debtor guarantor, it being understood, however, that the DIP Loan Parties shall be jointly and severally liable for the obligations hereunder and all DIP Obligations in accordance with the terms hereof and of the DIP Facility and the DIP Facility Documents.

48. Non-Debtor Subsidiaries. Any direct or indirect subsidiary of the Debtors that hereafter becomes a debtor in a case under chapter 11 of the Bankruptcy Code in the Court and is or is required to be a Borrower (as defined in the DIP Credit Agreement) under the DIP Credit Agreement automatically and immediately, upon the filing of a petition for relief for such subsidiary, shall be deemed to be one of the "Debtors" hereunder in all respects, and all the terms and provisions of this Final Order and the Final Order, including, those provisions granting security interests in, and liens on, the DIP Collateral, DIP Superpriority Claim, the Secured Notes Collateral, and the Adequate Protection Superpriority Claim in each of the chapter 11 cases, shall, to the extent not already, immediately be applicable in all respects to such subsidiary and its chapter 11 estate, subject

to the terms and conditions of this Final Order. Within two (2) Business Days of the filing of a petition for relief for any such Subsidiary, the Debtors shall file a notice with the Court indicating that the subsidiary is a Borrower under the DIP Credit Agreement.

49. Waiver of Requirement to File Proofs of Claim. Neither the DIP Secured Parties nor the Notes Secured Parties will be required to file proofs of claim in any of the chapter 11 cases or Successor Cases for any claim allowed herein. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the chapter 11 cases or Successor Cases to the contrary, the DIP Agent on behalf of itself and the DIP Lenders, and the Secured Notes Trustee, on behalf of itself and the Prepetition Secured Noteholders, is hereby authorized and entitled, in its sole discretion, but not required, to file (and amend and/or supplement, as it sees fit) a proof of claim and/or aggregate proofs of claim in each of the chapter 11 cases or Successor Cases for any claim allowed herein. Any proof of claim filed by the DIP Agent or the Secured Notes Trustee shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by any of the DIP Lenders or the Prepetition Secured Noteholders, respectively. Any order entered by the Court in relation to the establishment of a bar date in any of the chapter 11 cases or Successor Cases shall not apply to any claim of the DIP Agent, the DIP Lenders, the Secured Notes Trustee, or the Prepetition Secured Noteholders.

50. Credit Bidding. Subject to Section 4 of the Support Agreement, and the Carve-Out, and the Committee's right to seek entry of an order for cause pursuant to section 363(k) of the Bankruptcy Code, the DIP Secured Parties and the Notes Secured Parties shall have the right to credit bid for the assets and property of the Debtors up to the full amount of the DIP Obligations (including for the avoidance of doubt the DIP Roll-Up Loans (excluding, prior to the incurrence of the Third Borrowing, any Contingent Roll-Up Loans)) and the outstanding Secured Notes Debt,

respectively, as provided for in section 363(k) of the Bankruptcy Code, without the need for further Court order authorizing the same and whether any such sale is effectuated through section 363(k) or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise.

51. Authorization for Phillips 66 Deposit. Notwithstanding anything in this Final Order to the contrary, including, without limitation, anything in Paragraph 24 hereof, the Debtors are authorized to provide a postpetition reserve deposit to Phillips 66, consistent with the practices between the Debtors and Phillips 66 prior to the Petition Date.

52. Surety Collateral. Notwithstanding any provision herein to the contrary, nothing in this Final Order or in any amendment thereto shall affect the rights of the sureties in any cash, letter of credit, letter of credit rights, or other collateral delivered to, in possession of, or controlled by any surety as of the Petition Date or the proceeds thereof (collectively, "***Surety Collateral***"), and nothing herein shall be deemed to alter, limit, modify or impair any rights of any surety in any Surety Collateral, and the definition of "DIP Collateral" shall not include any Surety Collateral. To the extent any Surety Collateral is deemed to be subject to the Motion, such Surety Collateral shall be deemed to be included in the DIP Permitted Prior Liens.

53. Zurich Credit Support. For the avoidance of doubt (i) the DIP Secured Parties shall not have a security interest or lien on (x) that certain trust account with Wilmington Trust, National Association for the benefit of Zurich American Insurance Company (together with its affiliates and successors, "***Zurich***") and (y) that certain letter of credit number 18128983-00-000 in the amount of $125,000.00 issued by PNC Bank, National Association (together, and with any proceeds thereof, the "***Zurich Credit Support***"), (ii) the Debtors may not grant liens and/or security interests in the

Zurich Credit Support to any party other than Zurich, and (iii) this Final Order does not grant the Debtors any right to use the Zurich Credit Support.

54. Environmental and Related Matters.

(a) Notwithstanding anything to the contrary in the Interim Order, this Final Order or the DIP Facility Documents, nothing in the Interim Order, this Final Order, or the DIP Facility Documents shall limit, expand, or otherwise modify any of the Debtors' obligations under 28 U.S.C. § 959(b).

(b) Notwithstanding anything to the contrary in the Interim Order, this Final Order or the DIP Facility Documents, nothing in the Interim Order, this Final Order or the DIP Facility Documents shall, as to the United States of America or any state, or any of the foregoing's respective agencies, departments or agents, impair, adversely affect or expand any valid right, claim, or defense of setoff or recoupment that any such entity may have.

(c) Paragraphs H(vi) and 45 of the Interim Order, and Paragraphs K(vi) and 45 of this Final Order, shall apply to environmental liabilities to governmental units only so long as (i) the actions of the DIP Agent, the DIP Lenders, the Secured Notes Trustee, or the Prepetition Secured Noteholders have not constituted and do not constitute, within the meaning of 42 U.S.C. § 601(20)(F), actual participation in the management or operational affairs of a vessel or facility owned or operated by the Debtors, and (ii) the DIP Agent, the DIP Lenders, the Secured Notes Trustee or the Prepetition Secured Noteholders are not otherwise liable under applicable law as a "controlling person," "responsible person," or "owner" or "operator" with respect to a facility owned or operated by the Debtors.

(d) Notwithstanding anything to the contrary in the Interim Order, this Final Order, or the DIP Documents, nothing in the Interim Order, this Final Order, or the DIP Facility

Documents shall: (i) impair, adversely affect or expand any right under applicable law of any governmental unit with respect to any financial assurance, letter of credit, trust, surety bond, or insurance proceeds; (ii) waive, impair, adversely affect or expand the United States' rights (if any), states' rights (if any), or the rights of an Indian tribe (if any), under applicable law, to refuse to provide its consent to the proposed assumption and/or assignment of any lease or executory contract to which it is a party; or (iii) limit any governmental unit in the exercise of its police powers in accordance with 11 U.S.C. § 362(b)(4).

55. Final Order Controls. In the event of any inconsistency between the terms and conditions of the Interim Order, the DIP Facility Documents and/or this Final Order, the provisions of this Final Order shall govern and control.

56. Discharge. Subject to the terms of the Support Agreement, unless paid in full and in cash, the DIP Obligations shall not be discharged by the entry of an order confirming any plan of reorganization or approving a sale of substantially all of the Debtors' assets pursuant to section 363 of the Bankruptcy Code in any of the chapter 11 cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless (i) such obligations have been indefeasibly paid in full in cash, on or before the effective date of such confirmed plan of reorganization or the closing of any sale of substantially all of the Debtors' assets pursuant to section 363 of the Bankruptcy Code, or (ii) each of the DIP Secured Parties has otherwise agreed in writing. Subject to the terms of the Support Agreement, none of the Debtors shall propose or support any plan of reorganization or sale of all or substantially all of the Debtors' assets, or order confirming such plan or approving such sale, that is not conditioned upon the indefeasible payment of the obligations on account of the DIP Term Loans or, without the written consent of Required Lenders, any other DIP Obligation, in full in cash within a commercially reasonable period of time (and in no event later than the effective date

of such plan of reorganization or sale) or is otherwise reasonably acceptable to the DIP Lenders (a "***Prohibited Plan or Sale***"), without the written consent of the Supermajority Lenders (as defined in the DIP Credit Agreement). For the avoidance of doubt, the Debtors' proposal or support of a Prohibited Plan or Sale, or the entry of an order with respect thereto, shall constitute a DIP Termination Event hereunder and under the DIP Facility Documents.

57. Big Horn County. Notwithstanding any other provisions included in the Interim Order or this Final Order, or any agreement of any Debtor expressly approved hereby, any statutory liens of Big Horn County with respect to unpaid ad valorem taxes or gross proceeds (such liens, collectively, the "***Tax Liens***") shall not be primed nor made subordinate to any liens granted to any party hereby to the extent such Tax Liens are Permitted Prior Liens; provided that all parties in interests' rights to object to and contest the priority, validity, amount and extent of the claims and liens asserted by any of Big Horn County are fully preserved.

58. Survival. The provisions of this Final Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization or liquidation in the chapter 11 cases; (b) converting the chapter 11 cases to cases under chapter 7 of the Bankruptcy Code; (c) dismissing the chapter 11 cases or any Successor Case; or (d) pursuant to which this Court abstains from hearing the chapter 11 cases or any Successor Case, provided however that the various superpriority claims or other administrative expenses shall survive only to the extent permitted by applicable law. The terms and provisions of this Final Order, including the claims, liens, security interests and other protections granted to the DIP Secured Parties pursuant to this Final Order or the DIP Facility Documents, notwithstanding the entry of any such order, shall continue in the chapter 11 cases, in any Successor Case, or following dismissal of the chapter 11

cases or any Successor Case, and shall maintain their priority as provided by this Final Order until all DIP Obligations have been paid in full.

59. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Final Order in accordance with the Motion.

60. Bankruptcy Rule 6003(b) has been satisfied.

61. The requirements of Bankruptcy Rule 6004(a) are waived.

62. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order shall be immediately effective and enforceable upon entry of this Final Order.

63. The Court retains jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Final Order.

SECTION 2.06. Incremental Loans.

(a) The Borrower may on one or more occasions, by written notice to the Administrative Agent, request the making of Incremental Loans; provided that (i) the making of any Incremental Loans shall require the prior written consent of the Required Lenders and (ii) the aggregate amount of all Incremental Loans after the Effective Date shall not exceed $10,000,000. Each such notice shall specify (A) the date on which the Borrower proposes the Incremental Loans to be made, which shall be a date not less than 10 Business Days (or such shorter period as may be agreed to by the Administrative Agent and the Required Lenders) after the date on which such notice is delivered to the Administrative Agent, and (B) the amount of the Incremental Loans being requested (it being agreed that (x) any Lender approached to provide any Incremental Loan may elect or decline, in its sole discretion, to provide such Incremental Loan and (y) any Person that the Borrower proposes to become an Incremental Lender, if such Person is not then a Lender, must be reasonably acceptable to the Administrative Agent and the Required Lenders).

(b) The terms and conditions of any Incremental Loans shall be, except as otherwise set forth herein or in the applicable Incremental Amendment, identical to those of the New Money Loans that are then outstanding, provided that the only conditions to funding of such Incremental Loans contained in the applicable Incremental Amendment shall be the conditions set forth in Section 4.02 (provided that for the purposes of determining whether or not any Borrowing Base Deficiency exists or would result from the making of any Incremental Loans, such Incremental Amendment shall amend the definition of Advance Rate to increase the percentage as necessary to permit such Incremental Loans), to the extent applicable at such time to such Incremental Loans.

(c) Any Incremental Loans shall be effected pursuant to one or more Incremental Amendments executed and delivered by the Borrower, each Incremental Lender providing such Incremental Loans and the Administrative Agent. Each Incremental Amendment

may, with the consent of the Required Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Required Lenders, to give effect to the provisions of this Section.

(d) Upon the making of an Incremental Loan by any Incremental Lender, such Incremental Lender shall be deemed to be a "Lender" hereunder, and henceforth shall be entitled to all the rights of, and benefits accruing to, Lenders hereunder and shall be bound by all agreements, acknowledgements and other obligations of Lenders hereunder and under the other Loan Documents. Upon the making of any Incremental Loans, such Incremental Loans shall be deemed to be and treated as New Money Loans for all purposes of this Agreement.

(e) Incremental Roll-Up Loans shall be deemed made pursuant to such terms as provided in the Final DIP Order or any applicable order entered into by the Bankruptcy Court. After such deemed making, the terms and conditions of any Incremental Roll-Up Loans shall be identical to those of the Roll-Up Loans that are then outstanding.

SECTION 2.07. Evidence of Debt.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder and the Type thereof, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) any amount received by such Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(c) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(d) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to such Lender or its registered assigns and in a form approved by the Required Lenders. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more Notes.

SECTION 2.08. Repayment of Loans.

(a) Each Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender all outstanding Obligations (whether of principal, interest, fees or otherwise, and including with respect to Roll-Up Loans and Incremental Loans) on the Maturity Date.

(b) Prior to any repayment of any Borrowing hereunder, other than upon the Maturity Date, the Borrowers shall select the Borrowing or Borrowings to be repaid and shall notify the Administrative Agent by telephone (confirmed by telecopy) of such selection not later than noon Local Time, (i) in the case of an ABR Borrowing, one Business Day before the scheduled date of such repayment and (ii) in the case of a Eurocurrency Borrowing, three (3) Business Days before the scheduled date of such repayment. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. All repayments of Borrowings shall be accompanied by all accrued and unpaid interest with respect to the amount so repaid. Amounts so repaid may not be reborrowed.

SECTION 2.09. Optional and Mandatory Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty (but subject to Section 2.10(d) and Section 2.14), in an aggregate principal amount of at least $1,000,000 and integral multiples of $1,000,000 in excess of that amount (or, if less, the aggregate amount then outstanding), subject to prior notice in accordance with Section 2.08(b).

(b) Within three (3) Business Days of receipt by any Borrower or any Subsidiary of the Net Cash Proceeds of any Asset Disposition or any Casualty and Condemnation Award, in each case, that exceed $250,000 per transaction or series of transactions, the Borrowers shall apply an amount equal to 100% of the Net Cash Proceeds of such Asset Disposition or Casualty and Condemnation Award to prepay the Loans; provided that, in connection with an Asset Disposition that constitutes a sale of all or substantially all of the assets of the Borrowers pursuant to 363 of the Bankruptcy Code, the requirement to make any prepayments with the Net Cash Proceeds of any such Asset Disposition shall be subject to Section 4(c) of the SAPSA.

(c) Within three (3) Business Days of receipt by any Borrower or any Subsidiary of the Net Cash Proceeds from the issuance of Indebtedness (which Indebtedness is not expressly permitted to be incurred under Section 6.02) at any time, the Borrowers shall apply an amount equal to 100% of such Net Cash Proceeds to prepay the Loans.

(d) Within three (3) Business Days of receipt by any Borrower or any Subsidiary of any Extraordinary Receipts that exceed $250,000 in the aggregate (other than any tax refund received by any Borrower Party in respect of federal income taxes for calendar year 2018, but solely in the event that all proceeds thereof are deposited in an operating account of a Borrower that is subject to a Control Agreement), the Borrowers shall apply an amount equal to 100% of such Extraordinary Receipts to prepay the Loans.

(e) In the event that at any time any Borrowing Base Deficiency shall exist, within three (3) Business Days, the Borrowers shall prepay the Loans so that the Borrowing Base Deficiency is promptly cured.

SECTION 2.10. Fees.

(a) On the date of the Initial Borrowing, the Borrowers shall pay to the Administrative Agent, for the account of the Administrative Agent, an agency fee (the

"Administrative Agent Fee") as separately agreed among the Borrowers and the Administrative Agent in the Administrative Agent Fee Letter.

(b) On the date of the Initial Borrowing, the Borrowers shall pay to the Administrative Agent a backstop commitment fee (the "Backstop Commitment Fee") in an amount separately agreed by the Borrowers, which Backstop Commitment Fee shall be fully earned on the Effective Date. The Backstop Commitment Fee shall be paid in kind by adding the amount of such Backstop Commitment Fee to the outstanding principal balance of the Loans of each Lender on the Effective Date. The payment in kind of the Backstop Commitment Fee shall not utilize any Commitments hereunder and shall not be deemed to be part of the Initial Borrowing. The amount of the Backstop Commitment Fee allocated to each Lender is set forth on Schedule 1.01(A) hereto.

(c) On the date of the Initial Borrowing, the Borrowers shall pay to the Administrative Agent, for the account of and for allocation ratably to each Lender, an upfront fee (the "Initial Upfront Fee") in an aggregate amount equal to $100,000, which Upfront Fee shall be fully earned on the Effective Date. The Initial Upfront Fee shall be paid in kind by adding the amount of such Initial Upfront Fee to the outstanding principal balance of the Loans. The payment in kind of the Initial Upfront Fee shall not utilize any Commitments hereunder and shall not be deemed to be part of the Initial Borrowing. The amount of the Initial Upfront Fee allocated to each Lender is set forth on Schedule 1.01(A) hereto.

(d) On the date of the Second Borrowing, the Borrowers shall pay to the Administrative Agent, for the account of and for allocation ratably to each Lender (after giving effect to each Master and Assignment executed and delivered in connection with the Specified Tender Offer), an upfront fee (the "Final Upfront Fee") in an aggregate amount equal to $250,000, which Final Upfront Fee shall be fully earned on the Effective Date. The Final Upfront Fee shall be paid in kind by adding the amount of such Final Upfront Fee to the outstanding principal balance of the Loans. The payment in kind of the Final Upfront Fee shall not utilize any Commitments hereunder and shall not be deemed to be part of the Second Borrowing.

(e) On the Maturity Date, or on the date of a prepayment or repayment of any Loans in part or in full, voluntarily, mandatorily, or upon acceleration of the Loans for any reason, or on any date on which the Loans become due and payable for any reason, the Borrowers shall pay to the Administrative Agent, for the ratable benefit of the Lenders, an exit fee equal to 1.00% of the amount of the New Money Loans outstanding on the Maturity Date or that are so prepaid, repaid or accelerated or which become due and payable for any reason (the "Exit Fee").

(f) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders. Once paid, none of the Fees shall be refundable under any circumstances.

SECTION 2.11. Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrowers hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest in cash, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other overdue amount, 2.00% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided that, should the occurrence of any particular Event of Default be subsequently waived, the rate established by this paragraph (c) shall apply only to that period prior to such waiver.

(d) Accrued interest on each Loan shall be payable in kind (with the interest accrued as of the applicable date being added to the outstanding principal balance of the Loans) in arrears (i) on each Interest Payment Date for such Loan and (ii) on the Maturity Date; provided that (A) interest accrued pursuant to paragraph (c) of this Section shall be payable in cash on demand (and, if no such demand is made, then such interest shall be payable in accordance with clauses (i) and (ii) above), (B) in the event of any repayment or prepayment of any Loan, all accrued interest (which is not reflected in the principal amount being repaid or prepaid at such time) on the principal amount repaid or prepaid shall be payable in cash on the date of such repayment or prepayment and (C) in the event of any conversion of any Eurocurrency Loan, accrued interest on such Loan shall be payable in-kind on the effective date of such conversion. Any additional principal amounts of any Loan resulting from any in-kind payment of interest thereon shall be treated as principal for all purposes hereunder and shall bear interest after such in-kind payment.

(e) All interest hereunder shall be computed on the basis of a year of 360 days. The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.12. Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrowers and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing and (ii) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing or, if requested by the Borrowers, shall be made as a Borrowing bearing interest at such rate as the Required Lenders shall agree adequately reflects the costs to the Lenders of making the Loans comprising such Borrowing.

SECTION 2.13. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender;

(ii) subject any Lender to any Tax of any kind whatsoever with respect to any Loan Document, or any Loan made or to be made by such Lender, or the performance by such Lender of its obligations under any Loan Document (except for Indemnified Taxes covered by Section 2.15 and any Tax on net income or profits or overall gross receipts, including but not limited to any Excluded Tax payable by such Lender); or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurocurrency Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, continuing, converting to or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender, then from time to time the Borrowers shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section shall be delivered to the Administrative Borrower and shall be conclusive

absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.13, such Lender shall notify the Administrative Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation.

(e) Notwithstanding any other provision of this Section, no Lender shall demand compensation for any increased cost or reduction pursuant to this Section if it shall not at the time be the general policy and practice of such Lender to demand such compensation in similar circumstances under comparable provisions of other credit agreements.

SECTION 2.14. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Administrative Borrower pursuant to Section 2.17, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Administrative Borrower and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

SECTION 2.15. Taxes.

(a) Any and all payments by or on account of any obligation of any Borrower under any Loan Document shall be made free and clear of and without deduction for any Taxes; provided that, if a Borrower, the Administrative Agent or other applicable withholding agent shall be required to deduct any Tax from any such payment, then (i) if such Tax is an Indemnified Tax, the sum payable by the applicable Borrower shall be increased as necessary so that after all required deductions have been made (including deductions applicable to additional sums payable under this Section 2.15) any Agent or Lender, as applicable, receives an amount

equal to the sum it would have received had no such deductions for Indemnified Taxes been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Borrowers shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Borrower shall, jointly and severally, indemnify the Agents and each Lender within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes payable or paid by such Agent or Lender, as applicable, or required to be withheld or deducted with respect to any payment by or on account of any obligation of any Borrower under any Loan Document (including any Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Administrative Borrower by a Lender, or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by a Borrower to a Governmental Authority, the Administrative Borrower shall, on behalf of such Borrower, deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall, at such times as are reasonably requested by the Administrative Borrower or the Administrative Agent (or other applicable withholding agent), provide the Administrative Borrower and the Administrative Agent (or other applicable withholding agent) with any documentation prescribed by applicable law or reasonably requested by the Administrative Borrower or the Administrative Agent (or other applicable withholding agent) certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Taxes with respect to any payments to be made to such Lender under any Loan Document. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 2.15(e)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent (or other applicable withholding agent) updated or other appropriate documentation (including any new documentation reasonably requested by the Administrative Borrower or the Administrative Agent (or other applicable withholding agent) certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Taxes with respect to any payments to be made to such Lender under any Loan Document) or promptly notify the Administrative Borrower and the Administrative Agent (or other applicable withholding agent) in writing of its legal ineligibility to do so. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clauses (i), (ii) and (iii) below) shall not be required if in the Lender's reasonable judgment such completion,

execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

Without limiting the foregoing:

(i) Each U.S. Lender shall deliver to the Administrative Borrower and the Administrative Agent (or other applicable withholding agent) on or before the date on which it becomes a party to this Agreement two properly completed and duly signed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(ii) Each Foreign Lender shall deliver to the Administrative Borrower and the Administrative Agent (or other applicable withholding agent) on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Administrative Borrower or the Administrative Agent (or other applicable withholding agent) whichever of the following is applicable:

(A) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(B) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Foreign Lender that is not a bank described in Section 881(c)(3)(A) of the Code and that is entitled to claim the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit F-1, Exhibit F-2, Exhibit F-3 or Exhibit F-4, as applicable, (any such certificate, a "United States Tax Compliance Certificate") and (B) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms), and/or

(D) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by an Internal Revenue Service Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, Internal Revenue Service Form W-9, Internal Revenue Service Form W-8IMY or any other required information (or any successor forms) from each direct or indirect beneficial owner that would be required under this Section 2.15(e) if such beneficial owner were a Lender, as applicable (provided that, if the Foreign Lender is a partnership (and not a participating Lender) and one or more of its direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such direct or indirect partners).

(iii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable requirements of those Code Sections (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Administrative Borrower and the Administrative Agent (or other applicable withholding agent) at the time or times prescribed by applicable law and at such time or times reasonably requested by the applicable withholding agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Administrative Borrower or the Administrative Agent (or other applicable withholding agent) as may be necessary (as determined by the applicable withholding agent) (A) for the applicable withholding agent to comply with its obligations under FATCA and (B) to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and, if necessary, to determine the amount to deduct and withhold from such payment.

(iv) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Administrative Borrower and the Administrative Agent (or other applicable withholding agent) on or before the date on which it becomes a party to this Agreement, two properly completed and duly signed copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

Notwithstanding any other provision of this Section 2.15(e), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(f) If an Agent or a Lender determines, in good faith and in its sole discretion, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by a Borrower or with respect to which such Borrower has paid additional amounts pursuant to this Section 2.15, it shall pay over such refund to such Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower under this Section 2.15 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses of such Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by such Agent or Lender in good faith and in its sole discretion, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Borrower, upon the request of such Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Agent or such Lender in the event such Agent or such Lender is required to repay such refund to such Governmental Authority. This Section shall not be construed to require any Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Borrowers or any other person. Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or any Lender be required to pay amounts to any Borrower pursuant to this paragraph (f) to the extent such payment would place the Administrative Agent or such Lender in a less favorable net after-Tax

position than the Administrative Agent or such Lender would have been in if the Indemnified Taxes or Other Taxes giving rise to such refund had never been imposed.

(g) Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

SECTION 2.16. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Unless otherwise specified, the Borrowers shall make each payment required to be made by it hereunder (whether of principal, interest, fees or of amounts payable under Sections 2.13, 2.15 or 2.16, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Required Lenders, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Administrative Borrower by the Administrative Agent, except payments pursuant to Sections 2.13, 2.15, 2.16 and 10.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient immediately following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be the immediately preceding Business Day. All payments hereunder of (i) principal or interest in respect of any Loan, or (ii) any other amount due hereunder or under another Loan Document shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if such Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by such Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrowers to pay fully all amounts of principal, interest and fees then due from the Borrowers hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are

purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrowers or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph (c) shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Administrative Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Sections 2.04(b) or 2.16(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

SECTION 2.17. Mitigation Obligations.

(a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.13 or 2.15, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. Each Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.13, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another

Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Required Lenders, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it under the Loan Documents, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.13 or payments required to be made pursuant to Section 2.15, such assignment will result in a reduction in such compensation or payments.

SECTION 2.18. Illegality. If any Lender reasonably determines that any change in law has made it unlawful, or that any Governmental Authority has asserted after the Effective Date that it is unlawful, for any Lender or its applicable lending office to make or maintain any Eurocurrency Loans, then, on notice thereof by such Lender to the Administrative Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Administrative Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall upon demand from such Lender (with a copy to the Administrative Agent), convert all Eurocurrency Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.19. Priority and Liens. Each of the Borrowers hereby covenants and agrees that upon the entry of an Interim DIP Order (and when applicable, the Final DIP Order), and at all times thereafter:

(a) Pursuant to Section 364(c)(1) of the Bankruptcy Code, all of its Obligations shall at all times constitute an allowed Superpriority Claim in the Cases: (a) except as set forth in the Interim DIP Order (and when applicable, the Final DIP Order), with priority over any and all administrative expense claims and unsecured claims against the Borrowers or their estates in any of the Cases (but junior only to the Carve-Out, and *pari passu* with the A/R Securitization Facility Superpriority Claim), at any time existing or arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to Bankruptcy Code Sections 105, 326, 328, 330, 331, 364, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 726, 1113 and 1114, and any other provision of the Bankruptcy Code, as provided under Section 364(c)(1) of the Bankruptcy Code; and (b) which shall at all times be senior to the rights of the Borrowers and their estates, and any successor trustee or other estate representative to the extent permitted by law.

(b) Such Superpriority Claim shall, for purposes of Section 1129(a)(9)(A) of the Bankruptcy Code, be subject and subordinate to the Carve-Out and shall be considered an administrative expense allowed under Section 503(b) of the Bankruptcy Code, shall be against each Borrower on a joint and several basis, and shall be payable from and have recourse to all property of the Debtors' estates (including, without limitation, all claims and causes of action

arising under chapter 5 of the Bankruptcy Code and any the proceeds thereof). Notwithstanding anything to the contrary, such Superpriority Claim shall be *pari passu* with any A/R Securitization Facility Superpriority Claim**.**

(c) The Liens granted to the Collateral Agent (for the benefit of the Secured Parties) securing the Obligations are continuing, valid, binding, enforceable, non-avoidable and perfected liens on all Collateral, and shall constitute, subject to clause (d) below:

(i) pursuant to Section 364(d)(1) of the Bankruptcy Code, a valid perfected first priority priming lien on, other than the Receivables Equity, all of the existing and after-acquired personal and real property, leasehold interests in real property, and tangible and intangible personal property of the Borrowers, including, without limitation, all cash and cash equivalents, all surface land, accounts receivable and other receivables (other than, in each case, the A/R Securitization Facility Collateral), inventory, equipment, machinery, parts, supplies, rolling stock, fixtures, patents, trade names, trademarks, copyrights, other general intangibles and membership interests, capital stock and Equity Interests owned by the Borrowers, in each case, together with the proceeds thereof and all books and records relating thereto; provided, that, such priority priming lien shall be subject to the Prior Permitted Liens and any account holding adequate assurance deposits for the benefit of the Borrowers' utility providers during the pendency of the Cases;

(ii) pursuant to Section 364(c)(3) of the Bankruptcy Code, subject to the Carve-Out, a valid perfected second priority lien on (A) the Receivables Equity and (B) any collateral subject to a Prior Permitted Lien (other than the A/R Securitization Facility Collateral); and

(iii) pursuant to Section 364(c)(2) of the Bankruptcy Code, subject to the Carve-Out, upon entry of the Final DIP Order and to the extent approved by the Bankruptcy Court, a valid perfected first priority lien on any property or proceeds recovered from any Avoidance Actions;

provided, that, there shall be no Lien on amounts held in trust by a Specified Borrower for the A/R Securitization Seller or the secured parties under the A/R Securitization Facility.

(d) The Liens granted to the Collateral Agent (for the benefit of the Secured Parties) and such Superpriority Claim, subject to the Carve-Out: (i) shall not be subject to Sections 506, 510, 549, 550, or 551 of the Bankruptcy Code or the "equities of the case" exception of Section 552 of the Bankruptcy Code, (i) shall not be subordinate to, or *pari passu* with, (w) any lien, security interest or claim heretofore or hereinafter granted in any of the Cases or any Successor Cases (other than the A/R Securitization Facility Superpriority Claim and the liens on the Receivables Equity), (y) any lien that is avoided and preserved for the benefit of the Borrowers and their estates under Section 551 of the Bankruptcy Code or otherwise or (y) any intercompany or affiliate liens or claims of the Debtors, and (iii) shall be valid and enforceable against any trustee or any other estate representative appointed or elected in the Cases, upon the

conversion of any of the Cases to a case under chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing, and/or upon the dismissal of any of the Cases.

(e) All of the Liens described in this Section 2.19 that have been granted to the Collateral Agent (for the benefit of the Secured Parties) shall be effective and perfected upon entry of the Interim DIP Order, without the necessity of the execution, recordation of filings by the Debtors of mortgages, intellectual property security agreements, security agreements, control agreements, pledge agreements, financing statements or other similar documents, lien notation on any certificates of title, or the possession or control by any Agent or any Secured Party of, or over, any Collateral, as set forth in the Interim DIP Order.

SECTION 2.20. No Discharge; Survival of Claims. Each of the Borrowers agrees that (i) unless satisfied in full, its Obligations shall not be discharged by the entry of a Final Order confirming a Chapter 11 Plan unless such Chapter 11 Plan provides for the termination of the Commitments and the payment in full in cash of the Obligations under the Loan Documents (other than contingent indemnification obligations as to which no claim has been asserted) on the Consummation Date of such Chapter 11 Plan (and each of the Borrowers, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) and (ii) the Superpriority Claim granted to the Agents and the Lenders pursuant to the DIP Orders and the Liens granted to the Agents and the Lenders pursuant to the DIP Orders shall not be affected in any manner by the entry of a Final Order confirming a Chapter 11 Plan.

SECTION 2.21. Payment of Obligations. Subject to the last paragraph of Section 8.01, upon the maturity (whether by acceleration or otherwise) of any of the Obligations of the Borrowers under this Agreement or any of the other Loan Documents, the Administrative Agent and the Lenders shall be entitled to immediate payment of such Obligations without further application to or order of the Bankruptcy Court.

SECTION 2.22. Joint and Several Liability. All Loans, upon funding, shall be deemed to be jointly funded to and received by the Borrowers. Each Borrower is jointly and severally liable under this Agreement for all Obligations, regardless of the manner or amount in which proceeds of Loans are used, allocated, shared or disbursed by or among the Borrowers themselves, or the manner in which an Agent and/or any Lender accounts for such Loans on its books and records. Each Borrower shall be liable for all amounts due to the Administrative Agent and/or any Lender from the Borrowers under this Agreement, regardless of which Borrower actually receives Loans hereunder or the amount of such Loans received or the manner in which such Agent and/or such Lender accounts for such Loans on its books and records. Each Borrower's Obligations with respect to Loans made to it, and such Borrower's Obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to the other Borrowers hereunder shall be separate and distinct obligations, but all such Obligations shall be primary obligations of such Borrower. The Borrowers acknowledge and expressly agree with the Agents and each Lender that the joint and several liability of each Borrower is required solely as a condition to, and is given solely as inducement for and in consideration of, credit or accommodations extended or to be extended under the Loan Documents to any or all of the other Borrowers and is not required or given as a condition of Loans to such Borrower. Each Borrower's Obligations under this Agreement shall, to the fullest extent permitted by law, be unconditional irrespective of (i) the release of any other Borrower or

the validity or enforceability, avoidance, or subordination of the Obligations of any other Borrower or of any promissory note or other document evidencing all or any part of the Obligations of any other Borrower, (ii) the absence of any attempt to collect the Obligations from any other Borrower, or any other security therefor, or the absence of any other action to enforce the same, (iii) the waiver, consent, extension, forbearance, or granting of any indulgence by an Agent and/or any Lender with respect to any provision of any instrument evidencing the Obligations of any other Borrower, or any part thereof, or any other agreement now or hereafter executed by any other Borrower and delivered to an Agent and/or any Lender, (iv) the failure by an Agent and/or any Lender to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for the Obligations of any other Borrower, (v) an Agent's and/or any Lender's election, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code, (vi) any borrowing or grant of a security interest by any other Borrower, as debtor-in-possession under Section 364 of the Bankruptcy Code, (vii) the disallowance of all or any portion of an Agent's and/or any Lender's claim(s) for the repayment of the Obligations of any other Borrower under Section 502 of the Bankruptcy Code, or (viii) any other circumstances which might constitute a legal or equitable discharge or defense of a guarantor or of any other Borrower. With respect to any Borrower's Obligations arising as a result of the joint and several liability of the Borrowers hereunder with respect to Loans made to any of the other Borrowers hereunder, such Borrower waives, until the Obligations shall have been paid in full and this Agreement shall have been terminated, any right to enforce any right of subrogation or any remedy which an Agent and/or any Lender now has or may hereafter have against any other Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to an Agent and/or any Lender to secure payment of the Obligations or any other liability of any Borrower to an Agent and/or any Lender. Upon any Event of Default, the Agents may proceed directly and at once, without notice, against any Borrower to collect and recover the full amount, or any portion of the Obligations, without first proceeding against any other Borrower or any other Person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that the Agents shall be under no obligation to marshal any assets in favor of any Borrower or against or in payment of any or all of the Obligations.

ARTICLE III.

Each Borrower represents and warrants to each of the Lenders that:

power and authority to execute, deliver and perform its obligations under each of the Loan Documents and each other agreement or instrument directly related thereto to which it is a party, and consummate the Transactions contemplated thereby, including, in the case of each Borrower, to borrow and otherwise obtain credit hereunder.

SECTION 3.02. Authorization. Subject, in the case of each Borrower that is a Debtor, to the entry of the DIP Orders and subject to the terms thereof, the execution, delivery and performance by each Borrower and each of the Subsidiaries of each of the Loan Documents to which it is a party and the borrowings hereunder (a) have been duly authorized by all corporate, stockholder, limited liability company or partnership or other organizational action required to be obtained by such Borrower and such Subsidiaries and (b) (i) do not violate (A) any provision of law, statute, rule or regulation (including, without limitation, any Mining Law), or contravene the terms of any Organizational Document of any Borrower or any Subsidiary, (B) any applicable order of any court or any rule, regulation or order of any Governmental Authority (including, without limitation, any Mining Permit) or (C) any indenture, lease (including, without limitation, any Mining Lease), agreement or other instrument to which any such Borrower or any such Subsidiary is a party or by which any of them or any of their respective assets are or may be bound, except in respect of the Existing Indenture Documents, (ii) are not in conflict with, and do not result in a breach of or constitute (alone or with notice or lapse of time or both) a default under, give rise to a right of or result in any cancellation or acceleration of any right or obligation (including any payment) or to a loss of a material benefit under, any indenture, lease (including, without limitation, any Mining Lease), or other similar agreement or instrument, except in respect of the Existing Indenture Documents, or (iii) conflict with or result in any breach or contravention of, or the creation or imposition of any Lien (except for any Liens that arise under the Loan Documents) upon or with respect to any assets now owned or hereafter acquired by any Borrower or any such Subsidiary, or require any payment to be made under (A) any contractual obligation to which such Borrower or such Subsidiary is a party or affecting such Borrower or such Subsidiary or the properties of such Borrower, such Subsidiary or any of its or their Subsidiaries, except in respect of the Existing Indenture Documents or (B) any order, injunction, writ or decree of any governmental authority or any arbitral award to which such Borrower or such Subsidiary or its or their property is subject, in each case of this clause (b) where any such violation, conflict, breach, contravention, imposition of Lien, default, cancellation, acceleration or loss, would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 3.03. Enforceability. Subject, in the case of each Borrower that is a Debtor, to the entry of the DIP Orders and subject to the terms thereof, this Agreement has been duly executed and delivered by each Borrower and constitutes, and each other Loan Document when executed and delivered by each Borrower that is party thereto will constitute, a legal, valid and binding obligation of such Borrower enforceable against each such Borrower in accordance with its terms, subject to (i) except in the case of each Borrower that is not a Debtor, the effects of bankruptcy, insolvency, moratorium, reorganization, fraudulent conveyance or other similar laws affecting creditors' rights generally, (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and (iii) implied covenants of good faith and fair dealing.

SECTION 3.04. Governmental Approvals. Subject to the entry of the DIP Orders and subject to the terms thereof, no action, consent or approval of, registration or filing with or any other action by any Governmental Authority is or will be required in connection with the Transactions except for (a) such consents, authorizations, filings or other actions that (i) have been made or obtained and are in full force and effect, (ii) notices required under the Mining Permits and Environmental Permits regarding a change in control solely to the extent required for the exercise of remedies in respect of the Liens created hereunder, which will be given to the applicable Governmental Authority on or prior to the date by which such notices are due or (iii) are listed on Schedule 3.04 hereto, (b) the filing of UCC financing statements, (c) filings with the United States Patent and Trademark Office and the United States Copyright Office and (d) such actions, consents and approvals the failure to be obtained or made which would not reasonably be expected to have a Material Adverse Effect.

SECTION 3.05. Financial Statements. There has heretofore been furnished to the Lenders the consolidated balance sheets as of December 31, 2017 and 2018 (the "Closing Date Financial Statements"), and related consolidated statements of operations, stockholders' equity and comprehensive income and cash flows of CPE and its consolidated subsidiaries for such fiscal years, audited by and accompanied by an opinion of PricewaterhouseCoopers LLP, independent public accountants, which financial statements (A) have been prepared in accordance with GAAP and (B) present fairly and accurately the consolidated financial condition and results of operations and cash flows of CPE and its consolidated subsidiaries as of the dates and for the periods to which they relate.

SECTION 3.06. No Material Adverse Effect. Since December 31, 2018, there has been no event or occurrence which has resulted in or would reasonably be expected to result in, individually or in the aggregate, any Material Adverse Effect.

SECTION 3.07. Title to Properties; Possession Under Leases.

(a) Each of the Borrowers and the Subsidiaries has good and marketable title to, or valid and subsisting leasehold interests in, or easements or other limited property interests in all of its property, including, without limitation, all personal property, all Real Property, and all Equity Interests, subject solely to Permitted Real Estate Encumbrances and except where the failure to have such title or interest would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Borrowers and the Subsidiaries have maintained or caused to be maintained, in all respects and in accordance with normal mining industry or prudent oilfield practice, all of the machinery, equipment, vehicles, preparation plants or other Coal processing facilities, loadout and other transportation facilities and other tangible personal property now owned or leased by the Borrowers and the Subsidiaries that is necessary to conduct their business as it is now conducted at such properties, except where the failure to maintain would not reasonably be expected to have a Material Adverse Effect. As of the Effective Date, Part 1 of Schedule 3.07(a) hereto sets forth a true, complete, accurate and correct list of all Material Leased Real Property and Part 2 of Schedule 3.07(a) hereto sets forth a true, complete, accurate and correct list of all Material Owned Real Property. There has been no occurrence of any fire, explosion, implosion, collapse, flooding, accident, drought, storm, hail, earthquake, embargo, act of God or of the public enemy or other casualty (whether or not covered by insurance) that, in each case affecting any Borrower or any of its Subsidiaries, that either

individually or in the aggregate, directly or indirectly resulted in or could reasonably be expected to result in, a Material Adverse Effect.

(b) Other than as a result of the filing of the Cases, each of the Borrowers and the Subsidiaries has complied with all obligations under all leases (including, without limitation, Mining Leases and Real Property Leases) to which it is a party, except where the failure to comply would not have a Material Adverse Effect, and all such leases are in full force and effect, except (i) leases in respect of which the failure to be in full force and effect would not reasonably be expected to have a Material Adverse Effect and (ii) that are less than fully marketable because the consent of the lessor to a future assignment has not been obtained. Each of the Borrowers and the Subsidiaries enjoys peaceful and undisturbed possession under all such leases, in each case other than leases in respect of which the failure to enjoy peaceful and undisturbed possession would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(c) As of the Effective Date, except as set forth on Schedule 3.07(c) to this Agreement, none of the Borrowers or any of the Subsidiaries has received written or, to the knowledge of any Borrower and/or any Subsidiary, other notice of claims that any Borrower or any Subsidiary has mined any Coal that it did not have the right to mine or mined any Coal or produced any oil, natural gas or other hydrocarbons in such a manner as to give rise to any claims for loss, waste or trespass, and, to the knowledge of the Borrowers and the Subsidiaries, no facts exist upon which such a claim could be based, in each case, other than claims that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. To the knowledge of the Borrowers, all Material Real Property that is being mined or operated is in a physical condition that would permit mining or oil and natural gas production operations as presently conducted in all material respects.

(d) (i) Each of the Borrowers and the Subsidiaries owns or possesses the valid right to use all Intellectual Property that is used or held for use in or is otherwise necessary for the present conduct of its business, without any known conflict with the rights of others, except where such conflicts would not reasonably be expected to have a Material Adverse Effect, individually or in the aggregate, or except as set forth on Schedule 3.07(d)(i) to this Agreement, (ii) neither any Borrower nor any of its or their Subsidiaries, nor any of their respective businesses, is to their best knowledge interfering with, infringing upon, misappropriating or otherwise violating, in each case in any material respect, Intellectual Property of any Person, (iii) no claim or litigation regarding any such interference, infringement, misappropriation or violation, or challenging the ownership, validity, enforceability or use of any Intellectual Property of any of the Borrowers or their Subsidiaries, is pending or, to the best knowledge of the Borrowers and the Subsidiaries, threatened, and (iv) to the best knowledge of the Borrowers and the Subsidiaries, no Person is interfering with, infringing upon, misappropriating or otherwise violating, in each case in any material respect, Intellectual Property owned or possessed by any of the Borrowers or their Subsidiaries.

(e) None of any Borrower or any of its or their Subsidiaries has received any written or, to the knowledge of any Borrower, other notice of any pending or contemplated condemnation proceeding affecting any of its Real Property or any sale or disposition thereof in lieu of condemnation that remains unresolved, except where such condemnation proceeding

would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, except as set forth on Schedule 3.07(e) to this Agreement or the Cases.

(f) None of the Borrowers and their Subsidiaries is obligated under any right of first refusal, preferential right to purchase, option or other contractual right to sell, assign or otherwise dispose of any Real Property or any interest therein, other than customary buy-back provisions following the termination of mining operations, satisfaction of reclamation obligations and release of applicable Mining Permits with respect to Real Property, except where such right of first refusal, preferential right to purchase, option or other contractual right would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or except as set forth on Schedule 3.07(f) to this Agreement.

(g) Schedule 3.07(g) to this Agreement sets forth the true, complete, accurate and correct name and jurisdiction of incorporation, formation or organization of each Borrower and each Subsidiary and the percentage of each class of Equity Interests owned by any Borrower or by any such Subsidiary, indicating the ownership thereof. Other than as set forth in Schedule 3.07(g), CPE does not have any direct or indirect Subsidiaries.

(h) There are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments (other than stock options and other rights to receive Equity Interests of a Borrower granted to employees or directors and directors' qualifying shares) of any nature relating to any Equity Interests of any Borrower or any of the Subsidiaries, except where such subscriptions, options, warrants, calls, rights or other agreements or commitments would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or except as set forth on Schedule 3.07(h) to this Agreement.

(i) All of the outstanding Equity Interests in each Borrower and each Subsidiary have been validly issued, are fully paid and nonassessable, and (other than the Equity Interests in CPE) are owned free and clear of all Liens (except those Liens permitted under Section 6.03).

(j) With respect to each Real Property, there are no rights or claims of parties in possession not shown by the public records, encroachments, overlaps, boundary line disputes or other matters which would be disclosed by an accurate survey or inspection of the premises except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 3.08. Litigation; Compliance with Laws.

(a) The Borrowers and the Subsidiaries are in compliance in all material respects with applicable Environmental Laws, Environmental Permits (as defined below) and Mining Permits. Except as set forth on Schedule 3.08(a) to this Agreement, (x) except for the Cases, there are no actions, suits, investigations or proceedings, including any claims under Environmental Law, at law or in equity or by or on behalf of any Governmental Authority or any other Person or in arbitration now pending against, or, to the knowledge of any Borrower, threatened in writing against or affecting, any Borrower or any of the other Subsidiaries or any business, property (including any Real Property) or rights of any such person (i) that involve or

purport to affect or pertain to any Loan Document or the Transactions; (ii) which would reasonably be expected, individually or in the aggregate, to materially adversely affect the Transactions; or (iii) as to which there is a reasonable likelihood of adverse determinations that would reasonably be expected to result in a Material Adverse Effect; (y) none of the Borrowers or any Subsidiary has been notified in writing, or, to the knowledge of any Borrower and the Subsidiaries, otherwise notified, by the Federal Office of Surface Mining or the agency of any state administering the Surface Mining Control and Reclamation Act of 1977, as amended, or any comparable state statute that it is: (i) ineligible to receive additional surface mining permits or (ii) under investigation to determine whether their eligibility to receive any Mining Permit should be revoked, i.e., "permit blocked", in each case of this clause (y), except as would not reasonably be expected to have a Material Adverse Effect; and (z) to the knowledge of any Borrower, no facts exist that presently or upon the giving of notice or the lapse of time or otherwise would render any Borrower or any Subsidiary ineligible to receive surface mining permits or maintain or comply in all material respects with any Mining Permit.

(b) Except as set forth in Schedule 3.08(b) to this Agreement, none of the Borrowers, the Subsidiaries or their respective assets is in violation of (nor will the continued operation of their material assets as currently conducted violate) any currently applicable law, rule or regulation (including any zoning, building, Environmental Law, ordinance, code or approval, Mining Law, Mining Permit, Mining Lease or any building permit) or any restriction of record or agreement affecting any Real Property, or is in default with respect to any order, judgment, writ, injunction or decree of any Governmental Authority, where such violation or default would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(c) The Borrowers and the Subsidiaries have, in the amounts and forms in compliance in all material respects with applicable Environmental Laws and orders, Mining Laws, Mining Permits or Mining Leases, obtained all performance bonds and surety bonds, or otherwise provided any financial assurance for the Borrowers' mining and reclamation obligations or otherwise in the ordinary conduct of their business and operations. Schedule 3.08(c) sets forth a true, complete, accurate and correct list of all such bonds.

SECTION 3.09. Federal Reserve Regulations.

(a) None of the Borrowers or the Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose, whether immediate, incidental or ultimate, of purchasing or carrying Margin Stock.

(b) No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the Regulations of the Board, including Regulation U or Regulation X.

SECTION 3.10. Investment Company Act. None of the Borrowers or any Subsidiary is an "investment company" as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

SECTION 3.11. Use of Proceeds. The Borrowers will use the proceeds from Borrowings of Loans only for the following purposes in each case, in accordance with the Approved Budget (as adjusted for any variance not constituting an Unpermitted Variance): (i) general corporate and working capital purposes; (ii) costs of the administration of the Cases, (iii) payment of all reasonable and documented accrued and unpaid transaction costs, fees and expenses with respect to the Facility, including fees and expenses of professional advisors to the Lenders and the Agents and (iv) in the case of Roll-Up Loans, to refinance and discharge Secured Notes Debt (as defined in the Interim DIP Order and, when entered, the Final DIP Order) as set forth in paragraph 6 of the Interim DIP Order (or any corresponding paragraph of the Final DIP Order); provided, that, with the prior written consent of the Required Lenders (which consent shall not be unreasonably withheld), proceeds of the Loans may be used to satisfy the Borrowers' obligations in accordance with, and to the extent and in such amounts required under, the A/R Securitization Facility to the extent incurred in the ordinary course of business and for a valid business purpose.

SECTION 3.12. Tax Returns. Except as set forth on Schedule 3.12 to this Agreement:

(a) Each Borrower and each of its or their Subsidiaries (i) has timely filed or caused to be timely filed all U.S. federal and other material state, local and non-U.S. Tax returns required to have been filed by it and each such Tax return is true and correct in all material respects, (ii) has timely paid or caused to be timely paid all material Taxes due and owing by it (whether or not shown on any Tax return), (except (x) Taxes or assessments that are being contested in good faith by appropriate proceedings in accordance with Section 5.03 and for which any Borrower or any of its or their Subsidiaries (as the case may be) has set aside on its books adequate reserves in accordance with GAAP and (y) Taxes that need not be paid pursuant to an order of the Bankruptcy Court or pursuant to the Bankruptcy Code) and (iii) has materially complied with all of its obligations in its capacity as withholding agent under applicable law;

(b) Each Borrower and each of its or their Subsidiaries has paid in full or made adequate provision (in accordance with GAAP) for the payment of all Taxes not yet due, which Taxes, if not paid or adequately provided for, would, individually or in the aggregate, reasonably be expected to be material; and

(c) With respect to each Borrower and each of its or their Subsidiaries, (i) there are no claims being asserted in writing with respect to any material Taxes, (ii) no presently effective waivers or extensions of statutes of limitation with respect to Taxes have been given or requested and (iii) no Tax returns are being examined by, and no written notification of intention to examine has been received from, the Internal Revenue Service or any other taxing authority that is reasonably expected to result in a material Tax liability.

SECTION 3.13. No Material Misstatements.

(a) All written information (other than the Projections, estimates and information of a general economic nature) (the "Information") concerning any Borrower, any Subsidiary, the Transactions and any other transactions contemplated hereby or by any other Loan Document prepared by or on behalf of the foregoing or their representatives (excluding any

reserve reports) and made available to any Lenders or the Administrative Agent in connection with the Transactions or the other transactions contemplated hereby or by any other Loan Document, when taken as a whole, were true and correct in all material respects, as of the date such Information was furnished to the Lenders and as of the Effective Date, after giving effect to any supplements to such Information through the Effective Date, did not contain any untrue statement of a material fact as of any such date or omit to state a material fact necessary in order to make the statements contained therein, when taken as a whole, not materially misleading in light of the circumstances under which such statements were made.

ARTICLE IX.

THE AGENTS

SECTION 9.01. Appointment.

(a) In order to facilitate the transactions contemplated by this Agreement, Ankura Trust Company, LLC is hereby appointed to act as Administrative Agent and Collateral Agent under this Agreement and the other Loan Documents. Each of the Lenders and each assignee of any such Lender hereby irrevocably authorizes the Administrative Agent to take such actions on behalf of such Lender or assignee and to exercise such powers as are specifically delegated to the Administrative Agent by the terms and provisions hereof and of the other Loan Documents, together with such actions and powers as are reasonably incidental thereto. The Administrative Agent is hereby expressly authorized by the Lenders, without hereby limiting any implied authority, (a) to receive on behalf of the Lenders all payments of principal of and interest on the Loans and all other amounts due to the Lenders hereunder, and promptly to distribute to each Lender its proper share of each payment so received; (b) to give notice on behalf of each of the Lenders, at the direction of the Required Lenders, of any Event of Default specified in this Agreement of which the Administrative Agent has actual knowledge acquired in connection with the performance of its duties as Administrative Agent hereunder; and (c) to distribute to each Lender copies of all notices, financial statements and other materials delivered by any Borrower or any of its Subsidiaries pursuant to this Agreement as received by the Administrative Agent. Without limiting the generality of the foregoing, the Collateral Agent is hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents, and all such rights and remedies in respect of such Collateral shall be implemented by the Collateral Agent.

(b) Neither the Agents nor any of their respective directors, officers, employees or agents shall be liable as such for any action taken or omitted by any of them except for its or his own gross negligence or willful misconduct as determined by a final, nonappealable order of a court of competent jurisdiction, or be responsible for any statement, warranty or representation herein or the contents of any document delivered in connection herewith, or be required to ascertain or to make any inquiry concerning the performance or observance by any Borrower of any of the terms, conditions, covenants or agreements contained in any Loan Document. The Agents shall not be responsible to the Lenders for the due execution, genuineness, validity, enforceability or effectiveness of this Agreement or any other Loan Documents or other instruments or agreements. The Agents shall in all cases be fully protected in acting, or refraining from acting, in accordance with written instructions signed by the Required Lenders and, except as otherwise specifically provided herein, such instructions and any action or inaction pursuant thereto shall be binding on all the Lenders if permitted to be taken or not taken with Required Lender direction. Each Agent shall, in the absence of knowledge to the contrary, be entitled to rely on any instrument or document believed by it in good faith to be genuine and correct and to have been signed or sent by the proper person or

persons. Neither the Agents nor any of their respective directors, officers, employees or agents shall have any responsibility to any Borrower or any other party hereto or to any Loan Document on account of the failure, delay in performance or breach by, or as a result of information provided by, any Lender of any of its obligations hereunder or to any Lender on account of the failure of or delay in performance or breach by any other Lender or any Borrower of any of their respective obligations hereunder or under any other Loan Document or in connection herewith or therewith. Each Agent may execute any and all duties hereunder by or through agents, employees or any sub-agent appointed by it and shall be entitled to rely upon the advice of legal counsel selected by it or Borrowers' counsel with respect to all matters arising hereunder and shall not be liable for any action taken or suffered in good faith by it in accordance with the advice of such counsel.

SECTION 9.02. Nature of Duties. The Lenders hereby acknowledge that no Agent shall be under any duty to take any discretionary action permitted to be taken by it pursuant to the provisions of this Agreement unless it shall be requested in writing to do so by the Required Lenders. The Lenders further acknowledge and agree that so long as an Agent shall make any determination to be made by it hereunder or under any other Loan Document in good faith, such Agent shall have no liability in respect of such determination to any person. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into the Loan Documents or otherwise exist against the Administrative Agent.

SECTION 9.03. Resignation by the Agents. Any Agent may, by written notice to the Administrative Borrower and the Lenders, resign at any time. Upon any such resignation, the Required Lenders shall have the right to appoint a successor with the consent of the Administrative Borrower (not to be unreasonably withheld or delayed); provided, that approval of the Administrative Borrower shall not be required during the continuation of a Default or Event of Default. If no successor shall have been so appointed by the Required Lenders and approved by the Administrative Borrower (to the extent such approval is required) and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the applicable Lenders with the consent of the Administrative Borrower (not to be unreasonably withheld or delayed), appoint a successor Agent which shall be a bank with an office in New York, New York (or a bank having an Affiliate with such an office) having a combined capital and surplus that is not less than $500 million or an Affiliate of any such bank. Upon the acceptance of any appointment as Agent hereunder by a successor bank, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. After the Agent's resignation hereunder, the provisions of this Article IX and Section 10.05 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Agent. If no successor agent has accepted appointment as Agent by the date which is thirty (30) days following the retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective and such Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents, and Required

Lenders shall perform all of the duties of the Agent hereunder until such time, if any, as a successor Agent has been appointed as provided for above.

SECTION 9.04. Each Agent in Its Individual Capacity. With respect to the Loans made by it hereunder, each Agent in its individual capacity and not as Agent shall have the same rights and powers as any other Lender and may exercise the same as though it were not an Agent, and the Agents and their Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrowers or any of their Subsidiaries or other Affiliates thereof as if it were not an Agent.

SECTION 9.05. Indemnification. Each Lender agrees (a) to reimburse the Agents, on demand, in the amount of its pro rata share (based on its Commitments hereunder, or if such Commitments shall have expired or been terminated, in accordance with the respective principal amounts of its applicable outstanding Loans) of any reasonable expenses incurred by the Agents, including reasonable counsel fees and compensation of agents and employees paid for services rendered, which shall not have been reimbursed by the Borrowers and (b) to indemnify and hold harmless each Agent and any of its directors, officers, employees or agents, on demand, in the amount of such pro rata share, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against it in its capacity as Agent, or any of them in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted by it or any of them under this Agreement or any other Loan Document, to the extent the same shall not have been reimbursed by the Borrowers; provided that no Lender shall be liable to an Agent for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements determined by a final and non-appealable order of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Agent. The agreements in this Section 9.05 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, and the repayment, satisfaction or discharge of any Loans and all other amounts payable hereunder.

SECTION 9.06. Lack of Reliance on Agents. Each Lender acknowledges that it has, independently and without reliance upon the Agents and any Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder. Without limiting the foregoing, no Agent shall be deemed responsible for the verification of the satisfaction of the conditions or requirements for a Weekly Draw pursuant to Section 6.23 or otherwise, it being understood that the sole responsibility of the Administrative Agent with respect to any Weekly Draw Request is to make the same available to the Lenders and countersign such Weekly Draw Request in the absence of an objection by the Required Lenders, in each case pursuant to Section 2.04(b).

SECTION 9.07. Withholding Taxes. To the extent required by any applicable laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.15, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.07. The agreements in this Section 9.07 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, and the repayment, satisfaction or discharge of any Loans and all other amounts payable hereunder.

SECTION 9.08. Credit Bidding. The Borrowers and the Lenders hereby irrevocably authorize each Agent, based upon the written instruction of the Required Lenders, to (a) consent to, credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including, without limitation, under Section 363 of the Bankruptcy Code or in connection with a Chapter 11 Plan, (b) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale, transfer or other disposition thereof conducted under the provisions of the UCC, including pursuant to Sections 9-610 or 9-620 of the UCC, or (c) credit bid or purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any other sale or foreclosure conducted by any Agent (whether by judicial action or otherwise) in accordance with applicable law. In connection with any such credit bid or purchase, (i) the Obligations owed to the Lenders shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not unduly delay the ability of any Agent to credit bid or purchase at such disposition of the Collateral and, if such claims cannot be estimated without unduly delaying the ability of the applicable Agent to credit bid, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the asset or assets purchased by means of such credit bid) and the Lenders whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the asset or assets so purchased (or in the Equity Interests of the acquisition vehicle or vehicles that are used to consummate such purchase), and (ii) each Agent, based upon the written instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by such acquisition vehicle or vehicles, and in connection therewith the Administrative Agent may reduce the Obligations owed to the Lenders

(ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

SECTION 10.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Borrowers herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.13, 2.15, 9.05 and 10.05) shall survive the payment in full of the principal and interest hereunder and the termination of the Commitments or this Agreement.

SECTION 10.03. Binding Effect, Effectiveness. This Agreement shall become binding (subject, however, to the satisfaction of the other conditions set forth in Section 4.01) when this Agreement shall have been executed by the Borrowers and the Agents and when the Administrative Agent shall have received copies thereof which, when taken together, bear the signature of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the Borrowers, the Agents and each Lender and their respective permitted successors and assigns; provided, however, this Agreement shall not become binding upon the Borrowers unless and to the extent approved by the Bankruptcy Court.

SECTION 10.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and registered assigns permitted hereby, except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance

with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, including any Participants, to the extent provided in paragraph (c) of this Section, and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Lenders and, to the extent expressly contemplated hereby, the other Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Administrative Borrower (which consent shall be deemed given unless the Administrative Borrower shall have objected thereto by written notice to the Administrative Agent within five (5) Business Days after delivery of a written request for such consent), provided that no consent of the Administrative Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender or if an Event of Default has occurred and is continuing; and

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of to a Lender, an Affiliate of a Lender or Approved Fund immediately prior to giving effect to such assignment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment, the amount of the commitment of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000, unless the Administrative Agent otherwise consents;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of $3,500; provided that no such recordation fee shall be due in connection with an assignment to an existing Lender or Affiliate of a Lender or an Approved Fund of such Lender or an assignment by the Administrative Agent;

(D) any Roll-Up Loan may only be assigned subject to the concurrent assignment to the same assignee of Corresponding New Money Loans actually funded in a principal amount of 125.0% (for purposes of this provision not

counting any in-kind fees paid on such New Money Loans or any interest paid or accrued on such fees) of the Roll-Up Loan so assigned;

(E) any New Money Loan may only be assigned subject to the concurrent assignment to the same assignee of Roll-Up Loans (in a principal amount of 80.0% (for purposes of this provision not counting any in-kind fees paid on such New Money Loans or any interest paid or accrued on such fees) of such New Money Loan) for which such assigned New Money Loan is a Corresponding New Money Loan;

(F) any Contingent Roll-Up Loan may only be assigned subject to the concurrent assignment to the same assignee of a Commitment to make New Money Loans in an amount equal to 125.0% of such Contingent Roll-Up Loan; and

(G) at any time while any Contingent Roll-Up Loan is outstanding, a Commitment to make New Money Loans may only be assigned subject to the concurrent assignment to the same assignee of Contingent Roll-Up Loans in an amount equal to 80.0% of such Commitment.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Acceptance the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender hereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.13, 2.15, 2.16 and 10.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrowers, the Agents and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as the Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Subject to Section 10.04(e), upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) No such assignment shall be made (A) to any Borrower or any of any Borrower's Affiliates or Subsidiaries or (B) to a natural person.

(c) (i) Any Lender may, without the consent of any Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument (oral or written) pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided that (x) such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 10.04(a)(i) or clauses (i), (ii), (iii), (iv), (v) or (vi) of the first proviso to Section 10.08(b) that affects such Participant and (y) no other agreement (oral or written) with respect to such Participant may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.13, 2.14 and 2.15 to the same extent, and subject to the same documentary requirements, as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section (subject to the requirements and limitations of such sections as if it were a Lender). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.06 as though it were a Lender; provided that such Participant shall be subject to Section 2.16(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.13 or 2.15 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to a greater payment results from a Change in Law after the sale of the participation takes place.

(iii) Each Lender shall, acting for this purpose as a non-fiduciary agent of the Borrowers, maintain at one of its offices a register for the recordation of the names and addresses of its Participants, and the amount and terms of its participations, including specifying any such Participant's entitlement to payments of principal and interest, and any payments made, with respect to each such participation (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such

Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) (i) Notwithstanding anything herein to the contrary herein, the Administrative Agent is hereby irrevocably authorized by each Lender to, in lieu of processing individual assignments to be effectuated by Master Assignments and Acceptances submitted in connection with the Specified Tender Offer, attach an amended and restated Schedule 1.01(A) to this Agreement in accordance with clause (ii) below. Such amended and restated Schedule 1.01(A) will reflect the percentages of the Loans and Commitments held by the Lenders as if such Master Assignments and Acceptances had been processed in accordance with the Specified Tender Offer Documents.

(ii) When determining the applicable percentages of the Loans and Commitments, the Administrative Agent shall act in consultation with the Borrowers and their advisors and may conclusively rely on the advice of its advisors and the advisors to the Borrowers. Prior to the date of the Second Borrowing, the Administrative Agent may provide to each Lender (and each Person that is contemplated to become a Lender pursuant to the Master Assignments and Acceptances) with the respective amounts of each such Lender's (or other Person's, as applicable) Loans and Commitments that are proposed to be included on such amended and restated Schedule 1.01(a). Each such Lender (or other Person, as applicable) will be deemed to have accepted and consented to such calculation of the amount of its Loans and Commitments unless it has objected in writing to the Administrative Agent within two (2) Business Days following the receipt of such amounts and has specifically stated the basis for such objection. Upon such deemed approval by all applicable Lenders (or other Persons, as applicable), such Master Assignments and Acceptances and such amended and restated Schedule 1.01(A) shall each be deemed effective for all purposes as of the date of the Second Borrowing and such amended and restated Schedule 1.01(A) attached to this Agreement pursuant to this Section 10.04(e) shall be conclusive absent manifest error.

(iii) After giving effect to the assignments of Loans and Commitments effectuated by the Master Assignments and Acceptances and by such amended and restated Schedule 1.01(A), as applicable, the Administrative Agent is hereby irrevocably

authorized to direct the disposition of funds among the Lenders (including any assignees under the Master Assignments and Acceptances) and the Borrower and to make such other adjustments to the Register as may be necessary so that each Lender holds its ratable share (i) of all New Money Loans made as part of the Initial Borrowing and the Second Borrowing, (ii) of all Initial Roll-Up Loans and all Final Roll-Up Loans (Second Borrowing) and (iii) all then remaining outstanding Commitments.

SECTION 10.05. Expenses; Indemnity.

(a) Each Borrower jointly and severally with the other Borrowers agrees to pay all reasonable costs and expenses (including Other Taxes) incurred by the Agents, the Required Lenders and the Lenders in connection with the preparation of this Agreement and the other Loan Documents, or by the Agents, the Required Lenders and the Lenders in connection with the administration of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination, reasonable fees, disbursements and the charges for counsel (including in each jurisdiction where Collateral is located), and search, filing and recording fees associated therewith and in connection the Cases) or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the Transactions hereby contemplated shall be consummated) or incurred by the Agents, the Required Lenders or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made hereunder, in each case, including, without limitation, the reasonable fees, charges and disbursements of Davis Polk & Wardwell LLP (counsel for the Required Lenders), Morris, Nichols, Arsht & Tunnell LLP (Delaware counsel for the Required Lenders) and any other professional advisors retained by any Agent, the Required Lenders, any Lender or any of the foregoing law firms, and, in connection with any such enforcement or protection, the reasonable fees, charges and disbursements of any other counsel, including the reasonable fees, charges and disbursements of counsel for the Agents, the Required Lenders and each Lender. Notwithstanding anything to the contrary, all such costs, fees, expenses, charges and disbursements under this clause (a) shall be due and payable by the Borrowers on: (i) the date of entry of the Interim DIP Order; (ii) the date of entry of the Final DIP Order; (iii) the date of payment in full in cash of the Obligations under the Loan Documents (other than contingent indemnification obligations as to which no claim has been asserted); (iv) the date of Consummation of a Chapter 11 Plan; and (v) otherwise, within seven (7) Business Days after delivery of an invoice therefor to the Administrative Borrower.

(b) Each Borrower agrees to indemnify the Agents, the Required Lenders, each Lender and each of their Related Parties (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, settlement payments, damages, liabilities, litigation, obligations, actions or causes of action, investigations or proceedings and related costs and expenses, including reasonable counsel fees, charges and disbursements, incurred by or asserted or brought against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby or by any other Loan Document, (ii) any actual or proposed use of the proceeds of the Loans, (iii) the

Cases, or (iv) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and whether or not brought by a Borrower or any of its Subsidiaries or any other Person, except in each case to the extent resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final non-appealable order of a court of competent jurisdiction. Subject to and without limiting the generality of the foregoing sentence, each Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities, litigation, investigations or proceedings and related expenses, including reasonable counsel or consultant fees, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (A) any Environmental Claim related in any way to any Borrower or any of its Subsidiaries, (B) any violation or alleged violation of any Environmental Law or Environmental Permit by or related in any way to any Borrower or any of its Subsidiaries, or (C) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on or from any property or facility owned, leased or operated by any Borrower or any of its Subsidiaries, or by any predecessor of any Borrower or any of its Subsidiaries, except in each case to the extent resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final non-appealable order of a court of competent jurisdiction. The provisions of this Section 10.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of any Agent, the Required Lenders or any Lender. All amounts due under this Section 10.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested. Each Borrower agrees that in the event that any actions or proceedings are in effect or are threatened by, or any Agent or any Lender reasonably believes any actions or proceedings may be brought by, the Creditors' Committee or any other party in interest attacking the legality, validity, enforceability of the obligations under the Loan Documents or the Liens arising under the Loan Documents at the time of the consummation of any sale of the assets of the Borrowers or at the time that Borrowers propose to pay and satisfy the Obligations in full, the Collateral Agent may (and shall at the direction of the Required Lenders) hold a reserve following the date of payment in full of the Obligations as cash collateral for the expenses or claims expected to be incurred in connection with such actions or proceedings until the earlier of (x) the Collateral Agent's receipt of a general release satisfactory in form and substance to the Collateral Agent and the Required Lenders, and (y) the entry of a final non-appealable order determining the outcome of such litigation.

(c) Except as expressly provided in Section 10.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.15, this Section 10.05 shall not apply to Taxes, except any Taxes that represent losses, claims, damages or liabilities arising from any non-Tax claim.

(d) No Borrower shall assert, and each Borrower hereby waives, any claim against any Indemnitee by any Borrower or its or their Affiliates, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof.

(e) No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

SECTION 10.06. Right of Set-off. Subject to the DIP Orders and the final proviso of Section 8.01, if an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of any Borrower or any Subsidiary against any of and all the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured. The rights of each Lender under this Section 10.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

SECTION 10.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE.

SECTION 10.08. Waivers; Amendment.

(a) No failure or delay of the Agents, the Required Lenders or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Agents, the Required Lenders and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any Borrower in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Administrative Borrower and the Required Lenders, and (y) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Collateral Agent and consented to by the Required Lenders; provided, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan, without the prior written consent of each Lender directly affected thereby; provided that clauses (b) through (i) of the definition of "Maturity Date" may be amended or modified with the prior written consent of the Supermajority Lenders;

(ii) increase or extend the Commitment of any Lender or decrease the fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender and that the date set forth in Section 2.01(f)(iii) may be extended with the prior written consent of the Supermajority Lenders);

(iii) extend any date on which payment of interest on any Loan or any Fees is due, without the prior written consent of each Lender adversely affected thereby;

(iv) amend or modify the provisions of Section 2.16(b) or (c) in a manner that would alter the pro rata sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby;

(v) amend or modify the provisions of this Section or the definition of the term "Required Lenders", "Supermajority Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders or "Supermajority Lenders" on substantially the same basis as the Loans and Commitments are included on Effective Date);

(vi) release all or substantially all the Collateral or all or substantially all of the value of the Guarantees without the prior written consent of each Lender (except in connection with an Acceptable 363 Sale or pursuant to an Acceptable Chapter 11 Plan);

(vii) amend or modify the Superpriority Claim status of the Lenders under the DIP Orders or under any other Loan Documents without the consent of each Lender;

(viii) amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent without the prior written consent of the Administrative Agent or the Collateral Agent, respectively, acting as such, at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 10.08 and any consent by any Lender pursuant to this Section 10.08 shall bind any assignee of such Lender;

(ix) waive, amend or modify any condition set forth in Section 4.01 or 4.02 without the prior written consent of the Supermajority Lenders; or

(x) waive, amend or modify any of the definitions of "Acceptable 363 Sale", "Acceptable Chapter 11 Plan", "Advance Rate" (other than in connection with an Incremental Amendment as set forth in Section 2.06), "Borrowing Base", "Confirmation Order", "Final DIP Order", "Interim DIP Order", "Prohibited Plan or Sale" or "Remedies Provision" without the prior written consent of the Supermajority Lenders;

(c) Without the consent of any Lender, the Borrowers and the Administrative Agent and/or Collateral Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

SECTION 10.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate, provided that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation.

SECTION 10.10. Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents. To the extent that any provision herein is inconsistent with any term of the DIP Orders, the DIP Order shall control.

SECTION 10.11. WAIVER OF JURY TRIAL. **EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT**

AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.11.

SECTION 10.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 10.13. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 10.03. Delivery of an executed counterpart to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed original.

SECTION 10.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 10.15. Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, any federal court of the United States of America sitting in New York County, and any appellate court from any thereof, and, if such federal courts do not have (or abstain from jurisdiction), any New York State court, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents (other than under any Security Document governed by a law other than the laws of the State of New York or with respect to any Collateral subject thereto), or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined and shall be brought exclusively in such federal or, to the extent applicable, New York State court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Lender or Agent may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against any Borrower or their properties in the courts of any jurisdiction.

(b) Each Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the

parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 10.16. Confidentiality. Each of the Lenders and each of the Agents agrees that it shall maintain in confidence any information relating to the Borrowers furnished to it by or on behalf of the Borrowers (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender or such Agent without violating this Section 10.16 or (c) was available to such Lender or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to any Borrower) and shall not reveal the same other than to its directors, trustees, officers, employees, advisors, agents and auditors with a need to know or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 10.16), except (A) to the extent necessary to comply with law or any legal or regulatory process (including any self-regulatory authority) or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to Governmental Authorities or the National Association of Insurance Commissioners, (C) to its parent companies, Affiliates, auditors and its, and its Affiliates', respective partners, directors, officers, employees, agents, advisors and other representatives (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 10.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 10.16 or as shall be required to keep the same confidential pursuant to any letter or agreement with confidentiality provisions at least as restrictive as this Section 10.16), (F) to any direct or indirect contractual counterparty in any Swap Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 10.16 or as shall be required to keep the same confidential pursuant to any letter or agreement with confidentiality provisions at least as restrictive as this Section 10.16), (G) with the consent of the Administrative Borrower, (H) to any nationally recognized rating agency in connection with ratings issued with respect to such Lender and (I) to other parties to this Agreement.

SECTION 10.17. Website Communications.

(a) Delivery. (i) Each Borrower hereby agrees that it will use all reasonable efforts to provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to this Agreement and any other Loan Document, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (B) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (C) provides notice of any Default or Event of Default under this Agreement or (D) is required to be delivered to satisfy any condition precedent to the

effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non-excluded communications collectively, the "Communications"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent to the address set forth in Section 10.01(a). Nothing in this Section 10.17 shall prejudice the right of the Agents, any Lender or any Borrower to give any notice or other communication pursuant to this Agreement or any other Loan Document in any other manner specified in this Agreement or any other Loan Document.

(ii) The Administrative Agent agrees that receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

(b) Posting. Each Borrower further agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "Platform").

(c) The Platform is provided "as is" and "as available." The Agent Parties do not warrant the accuracy or completeness of the Communications, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its affiliates or any of their respective officers, directors, employees, agents advisors or representatives (collectively, "Agent Parties") have any liability to the Borrowers, any Lender or any other person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Borrower's or the Administrative Agent's transmission of communications through the internet, except to the extent the liability of any Agent Party is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted primarily from such Agent Party's gross negligence or willful misconduct.

(d) Notwithstanding anything to the contrary herein, upon receipt of any information, documents and other materials that any Borrower is obligated to furnish to any Agent pursuant to this Agreement and/or any other Loan Document, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, such Agent agrees that it shall promptly furnish such information, documents and other materials to each Lender (whether through the Platform or otherwise).

SECTION 10.18. U.S. PATRIOT Act. Each Lender hereby notifies each Borrower that pursuant to the requirements of the Executive Order No. 13224 on Terrorist Financing, effective September 23, 2001, and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Public Law 107-56 (signed into law on October 26, 2001) (the "U.S. PATRIOT Act"), it is required to obtain, verify and record information that identifies Borrowers, which information includes the name and address of each Borrower and other information that will allow the Lenders to identify such Borrower in accordance with the U.S. PATRIOT Act.

SECTION 10.19. No Fiduciary Duty. Each Agent, the Required Lenders, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Borrowers, their stockholders and/or their affiliates. Each Borrower agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Borrower, its stockholders or its affiliates, on the other. The Borrowers acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Borrowers, on the other and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Borrower, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Borrower, its stockholders or its Affiliates on other matters) or any other obligation to any Borrower except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Borrower, its management, stockholders, creditors or any other Person. Each Borrower acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Borrower, in connection with such transaction or the process leading thereto.

ARTICLE I - THE CREDITS

1.1 Amounts and Terms of Commitments.

(a) The Term DIP Loans. Subject to the terms and conditions of this Agreement and in reliance upon the representations and warranties of the Credit Parties contained herein, (i) each Lender with a Term DIP Commitment (defined below) severally and not jointly agrees to lend to the Borrowers (A) on the Closing Date, upon satisfaction of the conditions set forth in Section 2.1, a term loan in a principal amount not to exceed its pro rata share of up to $20,000,000 (the "Initial DIP Borrowing") and (B) after the date of the entry of the Final Order (the "Subsequent Draw Date"), following satisfaction of the conditions to Borrowing set forth in Section 2.2 (the Closing Date and Subsequent Draw Date, collectively, the "Borrowing Dates" and each, a "Borrowing Date"), to make a term loan to the Borrowers in a principal amount not to exceed its pro rata share of $40,000,000 less the Initial DIP Borrowing (such Borrowing, the "Subsequent DIP Borrowing"; together with the Initial DIP Borrowing, the "New Money DIP Loans"; the Commitment to make the New Money DIP Loans hereunder, such Lender's "Term DIP Commitment" (which, as of the Closing Date, shall be in the amount set forth adjacent such Lender's name under a heading of the same title on Schedule 1.1(a))) and (ii) each Lender (or, with respect to all or any portion of such Lender's rights under this clause (ii), one or more Affiliates thereof designated to Agent prior to the Closing Date, each of which shall execute this Agreement as a Lender on the Closing Date) identified on Schedule 1.1(a) as having a "Roll-Up DIP Share" (defined below) shall, concurrently with the Initial DIP Borrowing and the Subsequent DIP Borrowing, on a dollar-for dollar basis for every dollar of New Money DIP Loans disbursed by such Lender, be deemed to have converted a portion of such Lender's (or, in the amount of any portion so designated in the manner set forth above, any such designated Affiliate's) "Term Loan" under the Prepetition First Lien Credit Agreement into a portion of the outstanding principal amount of the Term DIP Loans without constituting a novation and such amounts shall be deemed borrowed hereunder on such applicable Borrowing Date (collectively, the "Roll-up DIP Loans"). Amounts borrowed or deemed borrowed under this subsection 1.1(a) are also referred to as the "Term DIP Loans." Amounts borrowed as a Term DIP Loan which are repaid or prepaid may not be reborrowed. Each Borrower hereby (x) represents, warrants, agrees, covenants and reaffirms that it has no defense, right of set off, claim or counterclaim against the Agent and the Lenders with regard to its Obligations in respect of the Term DIP Loans and (y) reaffirms its obligation to repay the Term DIP Loans in accordance with the terms and provisions of this Agreement and the other Loan Documents. Upon the borrowing of any New Money DIP Loan under the Term DIP

Commitment, such Commitment shall be deemed permanently reduced by an amount equal to such New Money DIP Loan. Unless previously terminated, the Commitments shall automatically terminate after the Subsequent Draw Date.

(b) Controlled Account. Pending use in accordance with the DIP Budget and subject to Section 5.30, all proceeds of the New Money DIP Loans (including any intra-company transfers of such proceeds) shall be deposited into a Controlled Account and invested at all times in cash and Cash Equivalents. On or prior to any Borrowing Date, the Agent (at the direction of the Required Lenders) and the Borrower Representative may agree to the direct application of all or any part of the proceeds of the New Money DIP Loans being extended on that Borrowing Date pursuant to a funds flow agreement (in form and substance consistent with the DIP Budget and acceptable to the Required Lenders) in which case the Agent shall disburse such proceeds as provided in such funds flow agreement (without deposit into a Controlled Account).

(c) Participation Right. All Prepetition First Lien Lenders (either directly or through one or more affiliated funds or financing vehicles) shall have an opportunity to fund their pro rata share of the Term DIP Commitments and participate in the Roll-Up DIP Facility on a pro rata basis based on the outstanding principal amount of Loans, excluding any accrued interest and fees, under the Prepetition First Lien Credit Agreement held by such Prepetition First Lien Lenders as of the Support Date; provided that such Prepetition First Lien Lender (or its Affiliates, as applicable) (each a "Joining First Lien Lender") shall have (A) become a party to (i) the RSA on or before the "Support Date" (as such term is defined in the RSA) and (ii) the DIP Commitment Letter (as defined in the RSA) within one (1) day of the Support Date, or (B) shall have executed (a)(1) a Joinder Agreement (pursuant to Section 8(a) of the RSA) on or prior to the date that is ten (10) days after entry of the Interim Order (the "RSA Joinder Deadline"), and (2) an Assignment of any New Money DIP Loans funded prior to the date thereof, any Roll-Up DIP Loans outstanding as of the date thereof (the consideration for such assignment of Roll-Up DIP Loans to be a corresponding assignment of an equivalent amount of Prepetition First Lien Obligations), and the unfunded portion of the Term DIP Commitments as of the RSA Joinder Deadline, in each case pursuant to an omnibus assignment agreement, in form and substance acceptable to the Agent; and provided further that to effectuate the foregoing, on the third(3 rd) Business Day after the RSA Joinder Deadline, any New Money DIP Loans funded prior to the date of the RSA Joinder Deadline, the Roll-Up DIP Loans outstanding as of the date of the RSA Joinder Deadline, the unfunded portion of the Term DIP Commitments as of the date of the RSA Joinder Deadline (together with any corresponding right to be deemed to have made and hold Roll-Up DIP Loans in connection with any funding thereunder), shall be allocated or reallocated, as applicable, such that the amounts and commitments held by the Prepetition First Lien Lenders joining the RSA after the Support Date are held on a pro rata basis determined based on the principal amount of Loans, excluding any accrued interest and fees, under the Prepetition First Lien Credit Agreement held by such Prepetition First Lien Lenders (or their Affiliates) party hereto as of the Support Date, with the appropriate adjustments being deemed made to Schedule 1.1(a). The Agent shall maintain Schedule 1.1(a) hereto and, upon request, share the information therein with the Borrower Representative, K&S, FTI and, solely with respect to information regarding the holdings or amounts assigned of such Lender, any Lender. Each Lender agrees that the Agent shall execute the aforementioned omnibus assignment agreement on its behalf in order to effectuate the participation in the Term DIP Commitments described above.

1.2 Notes.

The Term DIP Loan made by each Lender shall be evidenced by this Agreement and, if requested by such Lender, a DIP Term Note payable to such Lender in an amount equal to such Lender's Term DIP Loan.

1.3 Interest.

(a) Subject to subsections 1.3(c) and 1.3(d), each Loan shall bear interest on the outstanding principal amount thereof from the date when made at a rate per annum equal to the LIBOR or the Base Rate, as the case may be, plus the Applicable Margin. All computations of fees and interest (other than as provided in the next succeeding sentence) payable under this Agreement shall be made on the basis of a 360-day year and actual days elapsed. All computations of interest accruing on Base Rate Loans payable under this Agreement shall be made on the basis of a 365/366-day year and actual days elapsed. Interest and fees shall accrue during each period during which interest or such fees are computed from the first day thereof to the last day thereof.

(b) Interest on each Loan shall be paid in arrears on each InterestPayment Date. Interest shall also be paid on the date of any payment or prepayment of Loans in full and the DIP Termination Date.

(c) Automatically while any Event of Default exists, the Borrowers shall pay interest (after as well as before entry of judgment thereon to the extent permitted by law) on the Obligations under the Loan Documents from and after the date of occurrence of such Event of Default, at a rate per annum which is determined by adding two percent (2.0%) per annum to the Applicable Margin (plus the LIBOR or Base Rate, as the case may be) and, in the case of Obligations under the Loan Documents not subject to an Applicable Margin (other than the fees described in subsection 1.9(c)), at a rate per annum equal to the rate per annum applicable to Loans which are Base Rate Loans (including the Applicable Margin with respect thereto) plus two percent (2.0%). All such interest shall be payable on demand of the Agent or the Required Lenders.

(d) Anything herein to the contrary notwithstanding, the obligations of the Borrowers hereunder shall be subject to the limitation that payments of interest shall not be required for any period for which interest is computed hereunder, to the extent (but only to the extent) that contracting for or receiving such payment by the respective Lender would be contrary to the provisions of any law applicable to such Lender limiting the highest rate of interest which may be lawfully contracted for, charged or received by such Lender, and in such event the Borrowers shall pay such Lender interest at the highest rate permitted by applicable law ("Maximum Lawful Rate"); provided, however, that if at any time thereafter the rate of interest payable hereunder is less than the Maximum Lawful Rate, Borrowers shall continue to pay interest hereunder at the Maximum Lawful Rate until such time as the total interest received by Agent, on behalf of Lenders, is equal to the total interest that would have been received had the interest payable hereunder been (but for the operation of this paragraph) the interest rate payable since the Closing Date as otherwise provided in this Agreement.

1.4 Loan Accounts.

(a) The Agent, on behalf of the Lenders, shall record on its books and records the amount of each Loan made, the interest rate applicable, all payments of principal and interest thereon and the principal balance thereof from time to time outstanding. The Agent shall deliver to the Borrower Representative on a monthly basis a loan statement setting forth such record for the immediately preceding month. Such record shall, absent manifest error, be conclusive evidence of the amount of the Loans made by the Lenders to the Borrowers and the interest and payments

thereon. Any failure to so record or any error in doing so, or any failure to deliver such loan statement shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder (and under any Note) to pay any amount owing with respect to the Loans or provide the basis for any claim against the Agent.

(b) The Agent, acting as agent of the Borrowers solely for tax purposes and solely with respect to the actions described in this subsection 1.4(b), shall establish and maintain at its address referred to in Section 9.2 (or at such other address as the Agent may notify the Borrower Representative) (A) a record of ownership (the "Register") in which the Agent agrees to register by book entry the interests (including any rights to receive payment hereunder) of the Agent and each Lender in the Term DIP Loans, each of their obligations under this Agreement to participate in each Loan, and any assignment of any such interest, obligation or right and (B) accounts in the Register in accordance with its usual practice in which it shall record (1) the names and addresses of the Lenders (and each change thereto pursuant to Sections 9.9 and 9.22), (2) the Commitments of each Lender, (3) the amount of each Loan and each funding of any participation described in clause (A) above, for LIBOR Rate Loans, the Interest Period applicable thereto, (4) the amount of any principal or interest due and payable or paid, and (5) any other payment received by the Agent from a Borrower and its application to the Obligations.

(c) Notwithstanding anything to the contrary contained in this Agreement, the Loans (including any Notes evidencing such Loans) are registered obligations, the right, title and interest of the Lenders and their assignees in and to such Loans, shall be transferable only upon notation of such transfer in the Register and no assignment thereof shall be effective until recorded therein. This Section 1.4 and Section 9.9 shall be construed so that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(d) The Credit Parties, the Agent and the Lenders shall treat each Person whose name is recorded in the Register as a Lender for all purposes of this Agreement. Information contained in the Register with respect to any Lender shall be available for access by the Borrowers, the Borrower Representative, the Agent or such Lender at any reasonable time and from time to time upon reasonable prior notice. No Lender shall, in such capacity, have access to or be otherwise permitted to review any information in the Register other than information with respect to such Lender unless otherwise agreed by the Agent.

(e) Each Lender that grants a participation shall maintain a register on which it records by book entry the name and address of each participant and the principal amount and interest of each participant's interest in the Loans granted by it (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent manifest error. Information contained in the Participant Register with respect to any Lender shall be available for access by the Borrowers, the Borrower Representative and the Agent at any reasonable time and from time to time upon reasonable prior notice.

1.5 Procedure for Borrowing.

(a) Each Borrowing shall be made upon the Borrower Representative's irrevocable (subject to Section 10.5 hereof) written notice delivered to the Agent in the form of a Notice of Borrowing, which notice must be received by the Agent prior to 10:00 a.m. (New York time) on the date which is one (1) Business Day prior to (i) the Closing Date with respect to the Initial DIP Borrowing and (ii) the Subsequent Draw Date with respect to the Subsequent DIP Borrowing. Such Notice of Borrowing shall be copied to ankura.agency@db.com and specify:

(i) whether the request is for the Initial DIP Borrowing or the Subsequent DIP Borrowing (including the applicable amount thereof);

(ii) the requested Borrowing Date, which shall be a Business Day;

(iii) whether the Borrowing is to be comprised of LIBOR Rate Loans or Base Rate Loans; and

(iv) if the Borrowing is to be LIBOR Rate Loans, the Interest Period applicable to such Loans.

(b) Upon receipt of a Notice of Borrowing, the Agent will promptly notify each Lender of such Notice of Borrowing and of the amount of such Lender's Commitment Percentage of the Borrowing. Each Lender shall make each Loan to be made by it hereunder on the proposed Borrowing Date by wire transfer of immediately available funds by 12:00 noon, New York time to the account of the Agent most recently designated by it for such purpose by notice to the Lenders, in each case, subject to the provisions hereof, including Section 2.2.

(c) The Agent will make such Loans available to the Borrowers by promptly wiring the amounts so received, in like funds, to the Controlled Account pursuant to the wire transfer instructions specified on the signature page hereto (or as otherwise provided in Section 1.1(b)), and, concurrently therewith, a Roll-Up DIP Loan in a like amount shall be deemed to have been made in accordance with Section 1.1(a) of this Agreement; for avoidance of doubt, (x) the Roll-Up DIP Loans shall initially be deemed to be Base Rate Loans if the applicable Borrowing is of Base Rate Loans and (y) the Roll-Up DIP Loans shall initially be deemed to be LIBOR Rate Loans if the applicable Borrowing is of LIBOR Rate Loans, with the same Interest Period as such Loans. Notwithstanding anything to the contrary herein, any Lender may make any of its Loans to be made by it hereunder by wire transfer of immediately available funds directly to the Controlled Account. Nothing in this Agreement or the other Loan Documents shall be deemed to require Agent to advance funds on behalf of any Lender or to relieve any Lender from its obligation to fulfill its Commitments hereunder or to prejudice any rights that Agent or Borrowers may have against any Lender as a result of any default by such Lender hereunder.

1.6 Conversion and Continuation Elections.

(a) Borrowers shall have the option to (i) request that any Loan be made as a LIBOR Rate Loan, (ii) convert at any time all or any part of outstanding Loans from Base Rate Loans to LIBOR Rate Loans, (iii) convert any LIBOR Rate Loan to a Base Rate Loan, subject to Section 10.4 if such conversion is made prior to the expiration of the Interest Period applicable thereto, or (iv) continue all or any portion of any Loan as a LIBOR Rate Loan upon the expiration of the applicable Interest Period. Any Loan or group of Loans having the same proposed Interest Period to be made or continued as, or converted into, a LIBOR Rate Loan must be in a minimum amount of $1,000,000 and integral multiples of $100,000 in excess of such amount. Any such election must be made by Borrower Representative by noon (New York time) on the 3rd Business Day prior to (1) the date of any proposed Loan which is to bear interest at LIBOR, (2) the end of each Interest Period with respect to any LIBOR Rate Loans to be continued as such, or (3) the date on which Borrowers wish to convert any Base Rate Loan to a LIBOR Rate Loan for an Interest Period designated by Borrower Representative in such election. If no election is received with respect to a LIBOR Rate Loan by noon (New York time) on the 3rd Business Day prior to the end of the Interest Period with respect thereto, that LIBOR Rate Loan shall be converted to a Base Rate Loan at the end of its Interest Period. Borrower Representative must make such election by notice

to Agent in writing, by fax, overnight courier, or by Electronic Transmission. In the case of any conversion or continuation, such election must be made pursuant to a written notice (a "Notice of Conversion/Continuation") in the form of Exhibit 1.6. No Loan shall be made, converted into or continued as a LIBOR Rate Loan, if an Event of Default has occurred and is continuing and Required Lenders have determined not to make or continue any Loan as a LIBOR Rate Loan as a result thereof.

(b) Upon receipt of a Notice of Conversion/Continuation, the Agent will promptly notify each Lender thereof. In addition, the Agent will, with reasonable promptness, notify the Borrower Representative and the Lenders of each determination of LIBOR; provided that any failure to do so shall not relieve any Borrower of any liability hereunder or provide the basis for any claim against the Agent. All conversions and continuations shall be made pro rata according to the respective outstanding principal amounts of the Loans held by each Lender with respect to which the notice was given.

(c) Notwithstanding any other provision contained in this Agreement, after giving effect to any Borrowing, or to any continuation or conversion of any Loans, there shall not be more than seven (7) different Interest Periods in effect.

1.7 Optional Prepayments.

Optional partial prepayments of Term DIP Loans shall be applied pro rata to the outstanding Term DIP Loans and, in the absence of such direction, in the manner set forth in subsection 1.8(f). Optional partial prepayments of Term DIP Loans in amounts less than $250,000 (or, if less, the then outstanding principal amount of the Term DIP Loans) shall not be permitted.

(b) The notice of any prepayment shall not thereafter be revocable by the Borrowers or Borrower Representative and the Agent will promptly notify each Lender thereof and of such Lender's Commitment Percentage of such prepayment. The payment amount specified in such notice shall be due and payable on the date specified therein. Together with each prepayment under this Section 1.7, the Borrowers shall pay any amounts required pursuant to Sections 1.9 and 10.4.

(c) [Reserved.]

1.8 Mandatory Prepayments of Loans and Commitment Reductions.

(a) Scheduled Term DIP Loan Payments. The entire remaining principal amount of the Term DIP Loan shall be paid on the DIP Termination Date.

(b) [Reserved.]

(c) Dispositions; Events of Loss. If a Borrower or any Subsidiary of a Borrower shall at any time or from time to time:

(i) make a Disposition; or

(ii) suffer an Event of Loss;

and the aggregate amount of the Net Proceeds received by the Borrowers and their Subsidiaries in connection with such Disposition or Event of Loss and all other Dispositions and Events of Loss occurring during the fiscal year exceeds $100,000, then (A) the Borrower Representative shall promptly notify the Agent of such Disposition or Event of Loss (including the amount of the estimated Net Proceeds to be received by a Borrower and/or such Subsidiary in respect thereof) and (B) (x) within two (2) Business Days of receipt by a Borrower and/or such Subsidiary of the Net Proceeds of such Disposition or (y) within five (5) Business Days of receipt by a Borrower and/or such Subsidiary of the Net Proceeds of such Event of Loss, in each case, the Borrowers shall deliver, or cause to be delivered, such excess Net Proceeds to the Agent for distribution to the Lenders as a prepayment of the Loans, which prepayment shall be applied in accordance with subsection 1.8(f) hereof.

(d) Issuance of Securities. Within five (5) Business Days of the receipt by any Credit Party or any Subsidiary of any Credit Party of the Net Issuance Proceeds of the issuance of debt securities (other than Net Issuance Proceeds from the issuance of debt securities and/or incurrence of any other Indebtedness, in each instance, in respect of Indebtedness permitted hereunder), the Borrowers shall deliver, or cause to be delivered, to the Agent an amount equal to such Net Issuance Proceeds for application to the Loans in accordance with subsection 1.8(f).

(e) [Reserved.]

(f) Application of Prepayments. Subject to subsection 1.10(c), any prepayments pursuant to subsection 1.8(c) or 1.8(d) shall be applied pro rata to the outstanding Term DIP Loans. To the extent permitted by the foregoing sentence, amounts prepaid shall be applied first to any Base Rate Loans then outstanding and then to outstanding LIBOR Rate Loans with the shortest Interest Periods remaining. Together with each prepayment under this Section 1.8, the Borrowers shall pay any amounts required pursuant to Sections 1.9 and 10.4 hereof.

(g) No Implied Consent. Provisions contained in this Section 1.8 for the application of proceeds of certain transactions shall not be deemed to constitute consent of the Lenders to transactions that are not otherwise permitted by the terms hereof.

1.9 Fees.

The Borrowers shall pay to the Agent, (i) for the Agent's own account, fees in the amounts and at the times set forth in a letter agreement among Borrowers and Agent dated as of June 21, 2019 (as amended from time to time, the "Agent Fee Letter") and (ii) for the account of certain Lenders, as applicable, fees in the amounts and at the times set forth in a letter agreement among Borrowers, Agent and the Backstop Lenders dated as of June 21, 2019 (as amended from time to time, the "DIP Fee Letter"; together with the Agent Fee Letter, the "Fee Letters" and each, a "Fee Letter").

1.10 Payments by the Borrowers.

(a) All payments (including prepayments) to be made by each Credit Party on account of principal, interest, fees and other amounts required hereunder shall be made without set-off, recoupment, counterclaim or deduction of any kind, shall, except as otherwise expressly provided herein, be made to the Agent (for the ratable account of the Persons entitled thereto) at the address for payment specified in Schedule 9.2 in relation to the Agent (or such other address as

the Agent may from time to time specify in accordance with Section 9.2), and shall be made in Dollars and by wire transfer in immediately available funds (which shall be the exclusive means of payment hereunder), no later than 1:00 p.m. (New York time) on the date due. Any payment which is received by the Agent later than 1:00 p.m. (New York time) shall be deemed to have been received on the immediately succeeding Business Day and any applicable interest or fees shall continue to accrue.

(b) Subject to the provisions set forth in the definition of "Interest Period" herein, if any payment hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or fees, as the case may be.

(c) During the continuance of an Event of Default, the Agent may, and shall upon the direction of Required Lenders, subject to the terms of the Orders, apply any and all payments in respect of any Obligation in accordance with clauses first through sixth below. Notwithstanding any provision herein to the contrary, all amounts collected or received by the Agent after any or all of the Obligations have been accelerated (so long as such acceleration has not been rescinded) and all proceeds received by the Agent as a result of the exercise of its remedies under the Collateral Documents after the occurrence and during the continuance of an Event of Default shall be applied as follows:

first, to payment of costs and expenses, including Attorney Costs, of the Agent payable or reimbursable by the Credit Parties under the Loan Documents;

second, to payment of costs and expenses, including Attorney Costs, of Lenders payable or reimbursable by the Borrowers under this Agreement;

third, to payment of all accrued unpaid interest on the Obligations and fees owed to the Agent and Lenders;

fourth, to payment of principal of the Obligations;

fifth, to payment of any other amounts owing constituting Obligations; and

sixth, any remainder shall be for the account of and paid to whoever may be lawfully entitled thereto.

In carrying out the foregoing, (i) amounts received shall be applied in the numerical order provided until exhausted prior to the application to the next succeeding category and (ii) each of the Lenders or other Persons entitled to payment shall receive an amount equal to its pro rata share of amounts available to be applied pursuant to clauses third, fourth and fifth above.

1.11 Payments by the Lenders to the Agent; Settlement.

(a) [Reserved].

(b) After each Borrowing Date, or sooner at Agent's election (each,a "Settlement Date"), Agent shall advise each Lender by telephone or in writing of the amount of such Lender's Commitment Percentage of principal, interest and Fees paid for the benefit of Lenders with respect to each applicable Loan. Provided that each Lender has funded all payments required to be made by it and funded all purchases of participations required to be funded by it

under this Agreement and the other Loan Documents as of such Settlement Date, Agent shall pay to each Lender such Lender's Commitment Percentage of principal, interest and fees paid by the Borrowers since the previous Settlement Date for the benefit of such Lender on the Loans held by it; provided, however, that in the case of any payment of principal received by Agent from Borrowers in respect of any Term DIP Loan prior to noon (New York time) on any Business Day, Agent shall pay to each applicable Lender such Lender's Commitment Percentage of such payment on such Business Day, and, in the case of any payment of principal received by Agent from Borrowers in respect of any Term DIP Loan later than noon (New York time) on any Business Day, Agent shall pay to each applicable Lender such Lender's Commitment Percentage of such payment on the next Business Day. Except as provided in the preceding proviso with respect to Term DIP Loan payments, such payments shall be made by wire transfer to such Lender not later than 1:00 p.m. (New York time) on the next Business Day following each Settlement Date. Agent shall be entitled to set off any funding shortfall against any Non-Funding Lender's Commitment Percentage of all payments received from the Borrowers and hold, in a non-interest bearing account, all payments received by Agent for the benefit of any Non-Funding Lender pursuant to this Agreement as cash collateral for any unfunded reimbursement obligations of such Non-Funding Lender until the Obligations are paid in full in cash and all Commitments have been terminated, and upon such unfunded obligations owing by a Non-Funding Lender becoming due and payable, Agent shall be authorized to use such cash collateral to make such payment on behalf of such Non-Funding Lender. Any amounts owing by a Non-Funding Lender to Agent which are not paid when due shall accrue interest at the interest rate applicable during such period to Loans that are Base Rate Loans.

(c) Availability of Lender's Commitment Percentage. Agent may assume that each Lender will make its Commitment Percentage of each Loan available to Agent prior to each Borrowing. If any Lender fails to pay the amount of its Commitment Percentage forthwith upon Agent's demand, Agent shall promptly notify the Borrower Representative. Nothing in this subsection 1.11(c) or elsewhere in this Agreement or the other Loan Documents shall be deemed to require Agent to advance funds on behalf of any Lender or to relieve any Lender from its obligation to fulfill its Commitments hereunder or to prejudice any rights that the Borrowers may have against any Lender as a result of any default by such Lender hereunder.

(d) Return of Payments.

(i) If Agent pays an amount to a Lender under this Agreement in the belief or expectation that a related payment has been or will be received by Agent from the Borrowers and such related payment is not received by Agent, then Agent will be entitled to recover such amount from such Lender on demand without setoff, counterclaim or deduction of any kind.

(ii) If Agent determines at any time that any amount received by Agent under this Agreement must be returned to any Credit Party or paid to any other Person pursuant to any insolvency law or otherwise, then, notwithstanding any other term or condition of this Agreement or any other Loan Document, Agent will not be required to distribute any portion thereof to any Lender. In addition, each Lender will repay to Agent on demand any portion of such amount that Agent has distributed to such Lender, together with interest at such rate, if any, as Agent is required to pay to any Borrower or such other Person, without setoff, counterclaim or deduction of any kind.

(e) Non-Funding Lenders. The failure of any Non-Funding Lender to make any Loan or any other payment required by it hereunder, or to fund any purchase of any participation required to be made or funded by it on the date specified therefor shall not relieve any

other Lender (each such other Lender, an "Other Lender") of its obligations to make such loan or fund the purchase of any such participation on such date, but neither Agent nor, other than as expressly set forth herein, any Other Lender shall be responsible for the failure of any Non-Funding Lender to make a loan, fund the purchase of a participation or make any other payment required hereunder. Notwithstanding anything set forth herein to the contrary, a Non-Funding Lender shall not have any voting or consent rights under or with respect to any Loan Document or constitute a "Lender" (or be, or have its Loans and Commitments, included in the determination of "Required Lenders" or "Lenders directly affected" pursuant to Section 9.1) for any voting or consent rights under or with respect to any Loan Document. Moreover, for the purposes of determining Required Lenders, the Loans and Commitments held by Non-Funding Lenders shall be excluded from the total Loans and Commitments outstanding.

(f) Procedures. Agent is hereby authorized by each Credit Party and each other Secured Party to establish procedures (and to amend such procedures from time to time) to facilitate administration and servicing of the Loans and other matters incidental thereto. Without limiting the generality of the foregoing, Agent is hereby authorized to establish procedures to make available or deliver, or to accept, notices, documents and similar items on, by posting to or submitting and/or completion, on E-Systems. The posting, completion and/or submissions by any Credit Party of any notice, certificate, demand, request, direction or other communication (each, a "Communication") shall constitute a representation and warranty by the Credit Parties that any representation, warranty, certificate or other similar statement requirement by the Loan Documents to be provided, given or made by a Credit Party in connection with any such Communication is true, correct and complete except as expressly noted in such Communication or E-System.

1.12 Borrower Representative. Each Borrower hereby designates and appoints JHO as its representative and agent on its behalf (the "Borrower Representative") for the purposes of issuing Notices of Borrowings, Notices of Conversion/Continuation, delivering certificates and Compliance Certificates, giving instructions with respect to the disbursement of the proceeds of the Loans, selecting interest rate options, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or Borrowers under the Loan Documents. Borrower Representative hereby accepts such appointment. Agent and each Lender may regard any notice or other communication pursuant to any Loan Document from Borrower Representative as a notice or communication from all Borrowers. Each warranty, covenant, agreement and undertaking made on behalf of a Borrower by Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

1.13 Super Priority Nature of Obligations and Lenders' DIP Liens.

(a) The priority of the Secured Parties' DIP Liens on the Collateral owned by the Debtors shall be set forth in the Orders.

(b) Except as set forth herein or in the Orders, the Debtors shall not seek approval of any other claim having a priority superior or *pari passu* to that granted to Agent and Lenders by the Orders while any Obligations remain outstanding. Except for the Carve-Out, and subject to and effective only upon entry of the Final Order, no costs or expenses of administration shall be imposed against Agent, Lenders, or any of the DIP Collateral or Prepetition First Lien Agent, the Prepetition First Lien Lenders or the Prepetition First Lien Collateral under section 506(c) of the Bankruptcy Code, or otherwise, and each of the Credit Parties hereby waives for itself and on behalf of its estate in bankruptcy, any and all rights under section 506(c), to assert or impose

or seek to assert or impose, any such costs or expenses of administration against any of the Collateral.

1.14 No Discharge; Survival of Claims. Except as otherwise contemplated by Section 9.27 or provided in the Orders, until payment in full of the Loans and all other Obligations, each of the Borrowers and the other Credit Parties agree that (a) the Obligations hereunder shall not be discharged by the entry of an order confirming a plan of reorganization or liquidation in any Chapter 11 Case (and each of the Borrowers and the other Credit Parties, pursuant to section 1141(d)(4) of the Bankruptcy Code, hereby waive any such discharge) and (b) the Superpriority DIP Claim and the DIP Liens granted to the Agent pursuant to the Orders and described in this Agreement and the Orders shall not be affected in any manner by the entry of an order confirming a plan of reorganization or liquidation in any Chapter 11 Case.

1.15 Waiver of Certain Rights.

(a) On and after the Closing Date, and on behalf of themselves and their estates, and for so long as any Obligations shall be outstanding, the Borrowers and the other Credit Parties hereby irrevocably waive any right, pursuant to sections 364(c) or 364(d) of the Bankruptcy Code or otherwise, to grant any Lien of equal or greater priority than the DIP Liens securing the Obligations, or to approve a claim of equal or greater priority than the Obligations.

(b) The Final Order shall provide that in no event shall Agent, theLenders, the Prepetition First Lien Agent or the Secured Parties under the Prepetition First Lien Credit Agreement (the "Prepetition Secured Parties") be subject to the equitable doctrine of "marshalling" or any similar doctrine with respect to the DIP Collateral or the Prepetition First Lien Collateral, as applicable, and all proceeds shall be received and applied pursuant to the Final Order and the Loan Documents notwithstanding any other agreement or provision to the contrary.

(c) Subject to the Carve-Out, and only upon entry of the Final Order, the Debtors (on behalf of themselves and their estates) shall irrevocably waive, and shall be prohibited from asserting in the Chapter 11 Cases or any successor cases, (i) any surcharge claim under sections 506(c) of the Bankruptcy Code for any costs and expenses incurred in connection with the preservation, protection or enhancement of, or realization by Agent, the Lenders, or the Prepetition Secured Parties upon the DIP Collateral or the Prepetition First Lien Collateral, and (ii) Agent, the Lenders, and the Prepetition Secured Parties shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to Agent, the Lenders, and the Prepetition Secured Parties with respect to proceeds, product, offspring or profits of any of the Prepetition First Lien Collateral or DIP Collateral.

Each notice under subsection 4.3(a) shall describe with particularity any and all clauses or provisions of this Agreement or other Loan Document that have been breached or violated.

4.4 Preservation of Corporate Existence, Etc. Each Credit Party shall, and shall cause each of its Subsidiaries to:

(a) preserve and maintain in full force and effect its organizational existence and good standing under the laws of its jurisdiction of incorporation, organization or formation, as applicable, except as permitted by Section 5.3;

(b) preserve and maintain in full force and effect all rights, privileges, qualifications, permits, licenses and franchises necessary in the normal conduct of its business except in connection with transactions permitted by Section 5.3 and sales of assets permitted by Section 5.2 and except as would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect; and

(c) preserve or renew all of its registered trademarks, trade names and service marks, the non-preservation of which would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

4.5 Maintenance of Property. Each Credit Party shall maintain, andshall cause each of its Subsidiaries to maintain, and preserve all its Property which is used or useful in its business in good working order and condition, ordinary wear and tear excepted and shall make all necessary repairs thereto and renewals and replacements thereof except where the failure to do so would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

4.6 Insurance.

(a) Each Credit Party shall, and shall cause each of its Subsidiaries to, (i) maintain or cause to be maintained in full force and effect all policies of insurance of any kind with respect to the property and businesses of the Credit Parties and such Subsidiaries (including policies of life, fire, theft, product liability, public liability, Flood Insurance, property damage, other casualty, employee fidelity, workers' compensation, business interruption and employee health and welfare insurance) with financially sound and reputable insurance companies or associations (in each case that are not Affiliates of Borrowers) of a nature and providing such coverage as is sufficient and as is customarily carried by businesses of the size and character of the business of the Credit Parties and (ii) use commercially reasonable efforts post-closing to cause all such insurance relating to any property or business of any Credit Party to name Agent as additional insured or loss payee, as appropriate. All policies of insurance on real and personal property of the Credit Parties will contain an endorsement, in form and substance acceptable to Agent, showing loss payable to Agent and extra expense and business interruption endorsements. Such endorsement, or an independent instrument furnished to Agent, will provide that the insurance companies will give Agent at least thirty (30) days' prior written notice before any such policy or policies of insurance shall be altered or canceled and that no act or default of Borrowers or any other Person shall affect the right of Agent to recover under such policy or policies of insurance in case of loss or damage. Each Credit Party shall direct all present and future insurers under its "All Risk" policies of property insurance to pay all proceeds payable thereunder directly to Agent, subject to such Credit Party's right to reinvest pursuant to subsection 1.8(c). If any insurance proceeds are paid by check, draft or other instrument payable to any Credit Party and Agent jointly, Agent may endorse such Credit Party's name thereon and do such other things as Agent may deem advisable to reduce the same to cash. Agent reserves the right at any time, upon review of each Credit Party's risk profile, to reasonably require additional forms and limits of insurance. Notwithstanding the requirement in subsection (i) above, Federal Flood Insurance shall not be required for (x) real property owned, leased, subleased or otherwise operated or occupied by any Credit Party or any Subsidiary of any Credit Party not located in a Special Flood Hazard Area, or (y) such real property located in a Special Flood Hazard Area in a community that does not participate in the National Flood Insurance Program (but Flood Insurance may be required if applicable). Notwithstanding anything herein to the contrary, if any improved real property is at any time subject to a mortgage, Borrower will maintain Flood Insurance and/or Federal Flood Insurance with respect to such property in compliance with all requirements of applicable laws and regulations.

(b) Unless the Borrowers provide the Agent with evidence of the insurance coverage required by this Agreement, the Agent may, upon five (5) Business Days written notice to Borrower Representative, purchase such insurance at the Credit Parties' expense to protect the Agent's and Lenders' interests in the Credit Parties' and their Subsidiaries' properties. This

insurance may, but need not, protect the Credit Parties' and their Subsidiaries' interests. The coverage that the Agent purchases may not pay any claim that any Credit Party or any Subsidiary of any Credit Party makes or any claim that is made against such Credit Party or any Subsidiary in connection with said Property. The Borrowers may later cancel any insurance purchased by the Agent, but only after providing the Agent with evidence that there has been obtained insurance as required by this Agreement. If the Agent purchases insurance, the Credit Parties will be responsible for the costs of that insurance, including interest and any other charges the Agent may impose in connection with the placement of insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance shall be added to the Obligations. The costs of the insurance may be more than the cost of insurance the Borrowers may be able to obtain on their own.

4.7 Payment of Obligations. Such Credit Party shall, and shall cause each of its Subsidiaries to, pay, discharge and perform, in each case subject to and in accordance with the DIP Budget, as the same shall become due and payable or required to be performed, all their respective obligations and liabilities set forth below, except as prohibited by the Bankruptcy Code:

(a) all federal, state and local tax liabilities, assessments and governmental charges or levies upon it or its properties or assets in excess of $1,000,000 in the aggregate, unless the same are being contested in good faith by appropriate proceedings diligently prosecuted for which adequate reserves in accordance with GAAP are being maintained by such Person;

(b) all lawful claims which, if unpaid, would by law become a Lien (other than a Permitted Lien) upon its Property unless the same are being contested in good faith by appropriate proceedings diligently prosecuted which stay the imposition or enforcement of the Lien and for which adequate reserves in accordance with GAAP are being maintained by such Person;

(c) the performance of all obligations under any Contractual Obligation to which such Credit Party or any of its Subsidiaries is bound (other than obligations with respect to Indebtedness), or to which it or any of its properties is subject, except where the failure to perform would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect; and

(d) payments to the extent necessary to avoid the imposition of a Lien with respect to, or the involuntary termination of any underfunded Benefit Plan.

4.8 Compliance with Laws.

(a) Each Credit Party shall, and shall cause each of its Subsidiaries to, comply with all Requirements of Law of any Governmental Authority having jurisdiction over it or its business, except where the failure to comply would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

(b) Without limiting the generality of the foregoing, each Credit Party shall, and shall cause each of its Subsidiaries to, comply with, and maintain its real property, whether owned, leased, subleased or otherwise operated or occupied, in compliance with, all applicable Environmental Laws (including by implementing any Remedial Action necessary to achieve such compliance or that is required by orders and directives of any Governmental Authority) except for failures to comply that would not, reasonably be expected to have, in the aggregate, a Material Adverse Effect. Without limiting the foregoing, if an Event of Default is continuing or if Agent, at the direction of Required Lenders, at any time has a reasonable basis to believe that there exist

violations of Environmental Laws by any Credit Party or any Subsidiary of any Credit Party or that there exist any Environmental Liabilities, in each case, that would reasonably be expected to have, in the aggregate, a Material Adverse Effect, then each Credit Party shall, promptly upon receipt of request from Agent, cause the performance of, and allow Agent and its Related Persons access to such real property for the purpose of conducting, such environmental audits and assessments, including subsurface sampling of soil and groundwater, and cause the preparation of such reports, in each case as Agent may from time to time reasonably request. Such audits, assessments and reports, to the extent not conducted by Agent or any of its Related Persons, shall be conducted and prepared by reputable environmental consulting firms reasonably acceptable to Agent and shall be in form and substance reasonably acceptable to Agent.

4.9 Inspection of Property and Books and Records. Each Credit Party shall maintain and shall cause each of its Subsidiaries to maintain proper books of record and account, in which, in all material respects, full, true and correct entries in conformity with GAAP consistently applied shall be made of all financial transactions and matters involving the assets and business of such Person. Each Credit Party shall, and shall cause each of its Subsidiaries to, with respect to each owned, leased, or controlled property, during normal business hours and upon reasonable advance notice: (a) provide access to such property to Agent and any of its Related Persons, as frequently as Agent determines to be appropriate; (b) permit Agent and any of its Related Persons to inspect, audit and make extracts and copies from all of such Credit Party's books and records; and (c) permit Agent to inspect, review, evaluate and make physical verifications and appraisals of the inventory and other Collateral in any manner and through any medium that Agent considers advisable, in each instance, at the Credit Parties' expense provided the Credit Parties shall not be responsible for costs and expenses more than one time per year unless an Event of Default has occurred and is continuing. Any Lender may accompany Agent in connection with any inspection at such Lender's expense.

4.10 Use of Proceeds. The proceeds of the New Money DIP Loans shallbe used to provide working capital, for general corporate purposes and to fund the Chapter 11 Cases, subject to the DIP Budget (including Permitted Variances) and the terms and conditions of this Agreement and the Orders, including, without limitation, to (i) provide working capital and for other general corporate purposes of the Debtors, (ii) fund the costs of the administration of the Chapter 11 Cases (including professional fees and expenses) and the consummation of the Debtors' Bankruptcy Plan; (iii) as cash collateral for certain Letters of Credit (as defined in the Prepetition First Lien Credit Agreement); and (iv) fund interest, fees, and other payments contemplated in respect of the Term DIP Facility. employees, agents, attorneys, affiliates, assigns, or successors of each of the foregoing, with respect to any transaction, occurrence, omission, action or other matter (including formal discovery proceedings in anticipation thereof), including, without limitation, (i) any claims or causes of action arising under chapter 5 of the Bankruptcy Code; (ii) any so-called "lender liability" claims and causes of action; (iii) any action with respect to the validity, enforceability, priority and extent of, or asserting any defense, counterclaim, or offset to, the Obligations, the Superpriority DIP Claims, the DIP Liens, the Loan Documents, the Prepetition Senior Liens, the Prepetition First Lien Loan Documents, the Prepetition First Lien Obligations, the Prepetition Second Lien Note Documents, the Prepetition Junior Liens, or the Prepetition Second Lien Obligations; (iv) any action seeking to invalidate, modify, set aside, avoid or subordinate, in whole or in part, the Obligations, the Prepetition First Lien Obligations, or the Prepetition Second Lien Obligations; (v) any action seeking to modify any of the rights, remedies, priorities, privileges, protections and benefits granted to either (A) the Agent or the Lenders hereunder or under any of the Loan Documents, (B) the Prepetition Secured Parties under any of the Prepetition First Lien Loan Documents (in each case, including, without limitation, claims, proceedings or actions that might prevent, hinder or delay any of the Agent's or the Lenders' assertions, enforcements, realizations or remedies on or against the DIP Collateral in accordance with the applicable Loan Documents and the Orders) or (C) the Prepetition Second Lien Agent or the Prepetition Second Lien Purchasers under any of the Prepetition Second Lien Note Documents (in each case, including, without limitation, claims, proceedings or actions that might prevent, hinder or delay any of the Agent's or the Lenders' assertions, enforcements, realizations or remedies on or against the DIP Collateral in accordance with the applicable Loan Documents and the Orders); or (vi) objecting to, contesting, or interfering with, in any way, the Agent's and the Lenders' enforcement or realization upon any of the DIP Collateral once an Event of Default (as defined herein) has occurred; provided, however, that no more than $50,000 in the aggregate of the DIP Collateral, DIP Proceeds, or the Carve-Out, may be used by the Committee, if any, to investigate claims and/or liens of (x) the Prepetition First Lien Agent and Prepetition First Lien Lenders under the Prepetition First Lien Credit Agreement or (y) the Prepetition Second Lien Agent and Prepetition Second Lien Purchasers under the Prepetition Second Lien Note Documents.

and, for each of the items set forth in clauses (i) through (iv) above, each Lender and each Borrower hereby waives and agrees not to assert (and each Borrower shall cause each other Credit Party to waive and agree not to assert) any right, claim or cause of action it might have against the Agent based thereon.

8.6 Agent Individually. The Agent and its Affiliates may make loans and other extensions of credit to, acquire Stock and Stock Equivalents of, engage in any kind of business with, any Credit Party or Affiliate thereof as though it were not acting as Agent and may receive separate fees and other payments therefor. To the extent the Agent or any of its Affiliates makes any Loan or otherwise becomes a Lender hereunder, it shall have and may exercise the same rights and powers hereunder and shall be subject to the same obligations and liabilities as any other Lender and the terms "Lender", "Required Lender", and any similar terms shall, except where otherwise expressly provided in any Loan Document, include, without limitation, the Agent or such Affiliate, as the case may be, in its individual capacity as Lender or as one of the Required Lenders, respectively.

8.7 Lender Credit Decision.

(a) Each Lender acknowledges that it shall, independently and without reliance upon the Agent, any Lender or any of their Related Persons or upon any document (including any offering and disclosure materials in connection with the syndication of the Loans) solely or in part because such document was transmitted by the Agent or any of its Related Persons, conduct its own independent investigation of the financial condition and affairs of each Credit Party and make and continue to make its own credit decisions in connection with entering into, and taking or not taking any action under, any Loan Document or with respect to any transaction contemplated in any Loan Document, in each case based on such documents and information as it shall deem appropriate. Except for documents expressly required by any Loan Document to be transmitted by the Agent to the Lenders, the Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Credit Party or any Affiliate of any Credit Party that may come in to the possession of the Agent or any of its Related Persons.

(b) If any Lender has elected to abstain from receiving material non-public information ("MNPI") concerning the Credit Parties or their Affiliates, such Lender acknowledges that, notwithstanding such election, Agent and/or the Credit Parties will, from time to time, make available syndicate-information (which may contain MNPI) as required by the terms of, or in the course of administering the Loans to the credit contact(s) identified for receipt of such information on the Lender's administrative questionnaire who are able to receive and use all syndicate-level information (which may contain MNPI) in accordance with such Lender's compliance policies and contractual obligations and applicable law, including federal and state securities laws; provided, that if such contact is not so identified in such questionnaire, the relevant Lender hereby agrees to promptly (and in any event within one (1) Business Day) provide such a contact to Agent and the Credit Parties upon request therefor by Agent or the Credit Parties. Notwithstanding such Lender's election to abstain from receiving MNPI, such Lender acknowledges that if such Lender chooses to communicate with Agent, it assumes the risk of receiving MNPI concerning the Credit Parties or their Affiliates.

8.8 Expenses; Indemnities.

(a) Each Lender agrees to reimburse the Agent and each of its Related Persons (to the extent not reimbursed by any Credit Party promptly after demand therefor) promptly upon demand, severally and ratably, of any out-of-pocket costs and expenses (including fees, charges and disbursements of financial, legal and other advisors and Other Taxes paid in the name of, or on behalf of, any Credit Party) that may be incurred by the Agent or any of its Related Persons in connection with the preparation, syndication, execution, delivery, administration, modification, consent, waiver or enforcement (whether through negotiations, through any work-out, bankruptcy,

restructuring or other legal or other proceeding or otherwise) of, or legal advice in respect of its rights or responsibilities under, any Loan Document.

(b) Each Lender further agrees to indemnify the Agent and each of its Related Persons (to the extent not reimbursed by any Credit Party promptly after demand therefor), severally and ratably, from and against Liabilities (including taxes, interests and penalties imposed for not properly withholding or backup withholding on payments made to on or for the account of any Lender) that may be imposed on, incurred by or asserted against the Agent or any of its Related Persons in any matter relating to or arising out of, in connection with or as a result of any Loan Document or any other act, event or transaction related, contemplated in or attendant to any such document, or, in each case, any action taken or omitted to be taken by the Agent or any of its Related Persons under or with respect to any of the foregoing; provided, however, that no Lender shall be liable to the Agent or any of its Related Persons to the extent such liability has resulted primarily from the gross negligence or willful misconduct of the Agent or, as the case may be, such Related Person, as determined by a court of competent jurisdiction in a final non-appealable judgment or order.

(c) To the extent required by any applicable law, Agent may withhold from any payment to any Lender under a Loan Document an amount equal to any applicable withholding tax. If the Internal Revenue Service or any other Governmental Authority asserts a claim that Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate certification form was not delivered, was not properly executed, or fails to establish an exemption from, or reduction of, withholding tax with respect to a particular type of payment, or because such Lender failed to notify Agent or any other Person of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), or Agent reasonably determines that it was required to withhold taxes from a prior payment but failed to do so, such Lender shall promptly indemnify Agent fully for all amounts paid, directly or indirectly, by Agent as tax or otherwise, including penalties and interest, and together with all expenses incurred by Agent, including legal expenses, allocated internal costs and out-of-pocket expenses. Agent may offset against any payment to any Lender under a Loan Document, any applicable withholding tax that was required to be withheld from any prior payment to such Lender but which was not so withheld, as well as any other amounts for which Agent is entitled to indemnification from such Lender under this Section 8.8(c).

8.9 Resignation of Agent.

(a) (i) The Agent may resign at any time by delivering notice of such resignation to the Lenders and the Borrower Representative, effective on the date set forth in such notice or, if no such date is set forth therein, upon the date such notice shall be effective. If the Agent delivers any such notice or if the Agent is removed pursuant to clause (ii) below, the Required Lenders shall have the right to appoint a successor Agent. If, within 30 days after the retiring Agent having given notice of resignation, no successor Agent has been appointed by the Required Lenders that has accepted such appointment, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent from among the Lenders. Each appointment under this clause (a) shall be subject to the prior consent of the Borrowers, which may not be unreasonably withheld but shall not be required during the continuance of an Event of Default. (ii) At any time when the Person acting as Agent is also a Non-Funding Lender of the type described in clause (a) of the definition thereof, Required Lenders may remove Agent in its capacity as such upon thirty (30) days' prior written notice to Agent and Borrower Representative, unless such Person ceases to be such a Non-Funding Lender on or prior to the expiration of such thirty (30) day period. (iii) The Required Lenders may, to the extent permitted by applicable law, by notice in writing to the

Borrower Representative and the Agent, remove Agent in its capacity as such and, as provided in the manner above, appoint a successor Agent.

(b) Effective immediately upon its resignation or removal, (i) the retiring Agent or removed Agent shall be discharged from its duties and obligations under the Loan Documents, (ii) the Lenders shall assume and perform all of the duties of the Agent until a successor Agent shall have accepted a valid appointment hereunder, (iii) the retiring Agent or removed Agent and its Related Persons shall no longer have the benefit of any provision of any Loan Document other than with respect to any actions taken or omitted to be taken while such retiring Agent or removed Agent was, or because such Agent had been, validly acting as Agent under the Loan Documents and (iv) subject to its rights under Section 8.3, the retiring Agent or removed Agent shall take such action as may be reasonably necessary to assign to the successor Agent its rights as Agent under the Loan Documents; provided that (i) the retiring Agent or removed Agent shall not be required to take any acts or execute any documents. Effective immediately upon its acceptance of a valid appointment as Agent, a successor Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Agent or removed Agent under the Loan Documents.

8.10 Release of Collateral. Each Lender hereby consents to the release and hereby directs the Agent to release (or, in the case of clause (b)(ii) below, release or subordinate) the following:

(a) [Reserved]; and

(b) any Lien held by the Agent for the benefit of the Secured Parties against (i) any Collateral that is sold, transferred, conveyed or otherwise disposed of by a Credit Party in a transaction permitted by the Loan Documents (including pursuant to a valid waiver or consent), to the extent all Liens required to be granted in such Collateral pursuant to Section 4.13 after giving effect to such transaction have been granted, (ii) any property subject to a Lien permitted hereunder in reliance upon subsection 5.1(h) or (i) and (iii) all of the Collateral and all Credit Parties, upon (A) payment and satisfaction in full of all Loans, and all other Obligations under the Loan Documents (other than contingent indemnification obligations in respect of which no claim has been made), that the Agent has theretofore been notified in writing by the holder of such Obligation are then due and payable, (B) deposit of cash collateral with respect to all contingent Obligations in amounts and on terms and conditions and with parties satisfactory to the Agent and each Indemnitee that is, or may be, owed such Obligations and (C) to the extent requested by the Agent, receipt by Agent and the Secured Parties of liability releases from the Credit Parties each in form and substance acceptable to the Agent.

Furthermore, each of each Borrower and each other Credit Party executing this Agreement waives and agrees not to assert against any Indemnitee, and shall cause each other Credit Party to waive and not assert against any Indemnitee, any right of contribution with respect to any Liabilities that may be imposed on, incurred by or asserted against any Related Person. 9.7 Marshaling; Payments Set Aside. No Secured Party shall be under any obligation to marshal any property in favor of any Credit Party or any other Person or against or in payment of any Obligation. To the extent that any Secured Party receives a payment from a Borrower, from any other Credit Party, from the proceeds of the Collateral, from the exercise of its rights of setoff, any enforcement action or otherwise, and such payment is subsequently, in whole or in part, invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor, shall be revived and continued in full force and effect as if such payment had not occurred.

9.8 Successors and Assigns. The provisions of this Agreement shallbe binding upon and inure to the benefit of the parties hereto and their respective successors and

assigns; provided that any assignment by any Lender shall be subject to the provisions of Section 9.9 hereof, and provided further that no Credit Party may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the Agent and each Lender.

No Credit Party may assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties hereunder or under any of the other Loan Documents without the prior express written consent of the Lenders. Any such purported assignment, transfer, hypothecation or other conveyance by any Credit Party without the prior express written consent of the Lenders shall be void. The terms and provisions of this Agreement are for the purpose of defining the relative rights and obligations of each Credit Party, the Agent and the Lenders with respect to the transactions contemplated hereby and no Person shall be a third party beneficiary of any of the terms and provisions of this Agreement or any of the other Loan Documents. Notwithstanding the foregoing provisions of this Section 9.9(a), nothing in this Section 9.9 is intended to or should be construed to limit the Borrower's right to prepay the Obligations as provided hereunder.

(b) Each Lender may sell, transfer, negotiate or assign (a "Sale") all or a portion of its rights and obligations hereunder (including all or a portion of its Commitments and its rights and obligations with respect to Loans and Letters of Credit) to (i) any existing Lender (other than a Non-Funding Lender or Impacted Lender), (ii) any Affiliate or Approved Fund of any existing Lender (other than a Non-Funding Lender or Impacted Lender), (iii) to any Prepetition First Lien Lender to effectuate the allocation or reallocation set forth in Section 1.1(c) or (iv) any other Person acceptable (which acceptance shall not be unreasonably withheld or delayed) to the Required Lenders and, so long as no Event of Default is continuing, the Borrower Representative (which acceptance shall not be unreasonably withheld, delayed or conditioned) (each an "Eligible Assignee"), in each case, subject to the restrictions in the RSA; provided, however, that (x) any such Eligible Assignee shall support the RSA, (y) for each Loan, the aggregate outstanding principal amount (determined as of the effective date of the applicable Assignment) of the Loan or Commitments subject to any such Sale shall be in a minimum amount of $1,000,000, unless such Sale is made to an existing Lender or an Affiliate or Approved Fund of any existing Lender, in connection with the assignment described in Section 1.1(c), is of the assignor's (together with its Affiliates and Approved Funds) entire interest in such facility or is made with the prior consent of the Borrower Representative and the Agent and (z) such Sales by Non-Funding Lenders shall be subject to Required Lenders' prior written consent in all instances; provided further, after giving effect to the applicable assignment and together with participations held by Qualified Persons pursuant to subsection (f) below, in no event shall Qualified Persons hold, in the aggregate, more

than twenty percent (20%) of the sum of the then aggregate outstanding Term DIP Loans; provided that a Sale to a Credit Party shall in all cases be deemed unacceptable to the Required Lenders.

(c) The parties to each Sale made in reliance on clause (b) above (other than those described in clause (e) or (f) below) shall execute and deliver to the Agent an Assignment via an electronic settlement system designated by the Agent (or, if previously agreed with the Agent, via a manual execution and delivery of the Assignment) evidencing such Sale, together with any existing Note subject to such Sale (or any affidavit of loss therefor acceptable to the Agent), any tax forms required to be delivered pursuant to Section 10.1, a joinder to the RSA and payment of an assignment fee in the amount of $3,500; provided that (1) if a Sale by a Lender is made to an Affiliate or an Approved Fund of such assigning Lender, then no assignment fee shall be due in connection with such Sale, (2) if a Sale by a Lender is made to an assignee that is not an Affiliate or Approved Fund of such assignor Lender, and concurrently to one or more Affiliates or Approved Funds of such assignee, then only one assignment fee of $3,500 shall be due in connection with such Sale, and (3) no assignment fee shall be due in connection with the assignment described in Section 1.1(c). Upon receipt of all the foregoing, and conditioned upon such receipt and, if such Assignment is made in accordance with Section 9.9(b)(iii), upon the Required Lenders (and the Borrower, if applicable) consenting to such Assignment (if required), from and after the effective date specified in such Assignment, the Agent shall record or cause to be recorded in the Register the information contained in such Assignment.

(d) Subject to the recording of an Assignment by the Agent in the Register pursuant to Section 1.4(b), (i) the assignee thereunder shall become a party hereto and, to the extent that rights and obligations under the Loan Documents have been assigned to such assignee pursuant to such Assignment, shall have the rights and obligations of a Lender, (ii) any applicable Note shall be transferred to such assignee through such entry and (iii) the assignor thereunder shall, to the extent that rights and obligations under this Agreement have been assigned by it pursuant to such Assignment, relinquish its rights (except for those surviving the termination of the Commitments and the payment in full of the Obligations) and be released from its obligations under the Loan Documents, other than those relating to events or circumstances occurring prior to such assignment (and, in the case of an Assignment covering all or the remaining portion of an assigning Lender's rights and obligations under the Loan Documents, such Lender shall cease to be a party hereto).

(e) In addition to the other rights provided in this Section 9.9, each Lender may grant a security interest in, or otherwise assign as collateral, any of its rights under this Agreement, whether now owned or hereafter acquired (including rights to payments of principal or interest on the Loans), to (A) any federal reserve bank (pursuant to Regulation A of the Federal Reserve Board), by notice to the Agent or (B) any holder of, or trustee for the benefit of the holders of, such Lender's Indebtedness or equity securities, without notice to the Agent; provided, however, that no such holder or trustee, whether because of such grant or assignment or any foreclosure thereon (unless such foreclosure is made through an assignment in accordance with clause (b) above), shall be entitled to any rights of such Lender hereunder and no such Lender shall be relieved of any of its obligations hereunder.

(f) In addition to the other rights provided in this Section 9.9, each Lender may, (x) with notice to the Agent, grant to an SPV the option to make all or any part of any Loan that such Lender would otherwise be required to make hereunder (and the exercise of such option by such SPV and the making of Loans pursuant thereto shall satisfy the obligation of such Lender to make such Loans hereunder) and such SPV may assign to such Lender the right to receive payment with respect to any Obligation and (y) without notice to or consent from the Agent or the Borrowers, sell participations to one or more Persons in or to all or a portion of its rights and

obligations under the Loan Documents; provided, however, that, whether as a result of any term of any Loan Document or of such grant or participation, (i) no such SPV or participant shall have a commitment, or be deemed to have made an offer to commit, to make Loans hereunder, and, except as provided in the applicable option agreement, none shall be liable for any obligation of such Lender hereunder, (ii) such Lender's rights and obligations, and the rights and obligations of the Credit Parties and the Secured Parties towards such Lender, under any Loan Document shall remain unchanged and each other party hereto shall continue to deal solely with such Lender, which shall remain the holder of the Obligations in the Register, except that (A) each such participant and SPV shall be entitled to the benefit of Article X, but, with respect to Section 10.1, only to the extent such participant or SPV delivers the tax forms such Lender is required to collect pursuant to subsection 10.1(f) and then only to the extent of any amount to which such Lender would be entitled in the absence of any such grant or participation and (B) each such SPV may receive other payments that would otherwise be made to such Lender with respect to Loans funded by such SPV to the extent provided in the applicable option agreement and set forth in a notice provided to the Agent by such SPV and such Lender, provided, however, that in no case (including pursuant to clause (A) or (B) above) shall an SPV or participant have the right to enforce any of the terms of any Loan Document, and (iii) the consent of such SPV or participant shall not be required (either directly, as a restraint on such Lender's ability to consent hereunder or otherwise) for any amendments, waivers or consents with respect to any Loan Document or to exercise or refrain from exercising any powers or rights such Lender may have under or in respect of the Loan Documents (including the right to enforce or direct enforcement of the Obligations), except for those described in clauses (ii) and (iii) of subsection 9.1(a) with respect to amounts, or dates fixed for payment of amounts, to which such participant or SPV would otherwise be entitled and, in the case of participants, except for those described in clause (vi) of subsection 9.1(a). Each Lender that grants an option to a SPV or sells a participation, acting solely for this purpose as an agent of the Borrower, shall maintain a register on which it enters the name and address of each SPV and participant and the principal amounts (and stated interest) of each SPV and participant's interest in the Loans or other obligations under the Loan Documents (the "SPV/Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the SPV/Participant Register (including the identity of any SPV or participant or any information relating to any SPV or participant's interest in any Loans or other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) or Section 1.871-14(c) of the United States Treasury Regulations. The entries in the SPV/Participant Register shall be conclusive absent manifest error, and the parties hereto shall treat each Person whose name is recorded in the SPV/Participant Register as the owner of such portion of the Loan or participation for all purposes of this Agreement notwithstanding any notice to the contrary. No party hereto shall institute (and each Borrower shall cause each other Credit Party not to institute) against any SPV grantee of an option pursuant to this clause (f) any bankruptcy, reorganization, insolvency, liquidation or similar proceeding, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper of such SPV; provided, however, that each Lender having designated an SPV as such agrees to indemnify each Indemnitee against any Liability that may be incurred by, or asserted against, such Indemnitee as a result of failing to institute such proceeding (including a failure to get reimbursed by such SPV for any such Liability). The agreement in the preceding sentence shall survive the termination of the Commitments and the payment in full of the Obligations. Notwithstanding anything to the contrary contained herein or in any other Loan Document, Qualified Persons shall not be permitted to acquire participations pursuant to this subsection (f) if the aggregate amount of participations held by Qualified Persons (together with Loans and Commitments held by Qualified Persons) would exceed twenty percent (20%) of the sum of the then aggregate outstanding Loans and Commitments.

9.10 Confidentiality. (a) Each Lender and the Agent agrees to use all reasonable efforts to maintain, in accordance with its customary practices, the confidentiality of information obtained by it pursuant to any Loan Document and designated in writing by any Credit Party as confidential for a period of two (2) years following the date on which this Agreement terminates in accordance with the terms hereof, except that such information may be disclosed (i) with the Borrower Representative's consent, (ii) to Related Persons of such Lender or the Agent, as the case may be, that are advised of the confidential nature of such information and are instructed to keep such information confidential, (iii) to the extent such information presently is or hereafter becomes available to such Lender or the Agent, as the case may be, on a non-confidential basis from a source other than any Credit Party, (iv) to the extent disclosure is required by applicable Requirements of Law or other legal process or requested or demanded by any Governmental Authority, (v) to the extent necessary or customary for inclusion in league table measurements or in any tombstone or other advertising materials (and the Credit Parties consent to the publication of such tombstone or other advertising materials by the Agent, any Lender or any of their Related Persons), (vi) (A) to the National Association of Insurance Commissioners or any similar organization, any examiner or any nationally recognized rating agency or (B) otherwise to the extent consisting of general portfolio information that does not identify borrowers, (vii) to current or prospective assignees, a Lender's current or prospective investors and funding source, SPVs (including the investors therein) or participants, in each case to the extent such assignees, investors, participants, counterparties or Related Persons agree to be bound by provisions substantially similar to the provisions of this Section 9.10 and (viii) in connection with the exercise of any remedy under any Loan Document. In the event of any conflict between the terms of this Section 9.10 and those of any other Contractual Obligation entered into with any Credit Party (whether or not a Loan Document), the terms of this Section 9.10 shall govern.
