9.11 Set-off; Sharing of Payments.

(a) Right of Setoff. Each of the Agent, each Lender and each Affiliate (including each branch office thereof) of any of them is hereby authorized, without notice or demand (each of which is hereby waived by each Credit Party), at any time and from time to time during the continuance of any Event of Default and to the fullest extent permitted by applicable Requirements of Law, to set off and apply any and all deposits (whether general or special, time or demand, provisional or final but excluding deposits in any withholding tax or fiduciary account referred to in Section 4.11) at any time held and other Indebtedness, claims or other obligations at any time owing by the Agent, such Lender or any of their respective Affiliates to or for the credit or the account of the Borrowers or any other Credit Party against any Obligation of any Credit Party now or hereafter existing, whether or not any demand was made under any Loan Document with respect to such Obligation and even though such Obligation may be unmatured. No Lender shall exercise any such right of set off without the prior consent of Agent or Required Lenders. Each of the Agent and each Lender agrees promptly to notify the Borrower Representative and the Agent after any such setoff and application made by such Lender or its Affiliates; provided, however, that the failure to give such notice shall not affect the validity of such setoff and application. The rights under this Section 9.11 are in addition to any other rights and remedies (including other rights of setoff) that the Agent, the Lenders, their Affiliates and the other Secured Parties, may have.

(b) Sharing of Payments, Etc. If any Lender, directly or through an Affiliate or branch office thereof, obtains any payment of any Obligation of any Credit Party (whether voluntary, involuntary or through the exercise of any right of setoff or the receipt of any Collateral or "proceeds" (as defined under the applicable UCC) of Collateral) other than pursuant to Article X or customary set off rights set forth in deposit account control agreements with a Lender and such payment exceeds the amount such Lender would have been entitled to receive if all payments had gone to, and been distributed by, the Agent in accordance with the provisions of the Loan Documents, such Lender shall purchase for cash from other Lenders such participations in their Obligations as necessary for such Lender to share such excess payment with such Lenders to ensure such payment is applied as though it had been received by the Agent and applied in accordance with this Agreement (or, if such application would then be at the discretion of the Borrowers, applied to repay the Obligations in accordance herewith); provided, however, that (a) if such payment is rescinded or otherwise recovered from such Lender in whole or in part, such purchase shall be rescinded and the purchase price therefor shall be returned to such Lender without interest and (b) such Lender shall, to the fullest extent permitted by applicable Requirements of Law, be able to exercise all its rights of payment (including the right of setoff) with respect to such participation as fully as if such Lender were the direct creditor of the applicable Credit Party in the amount of such participation. If a Non-Funding Lender or Impacted Lender receives any such payment as described in the previous sentence, such Lender shall turn over such payments to Agent in an amount that would satisfy the cash collateral requirements set forth in subsection 1.11(b).

9.12 Counterparts. This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. 9.13 Severability; Facsimile Signature. The illegality or unenforceability of any provision of this Agreement or any instrument or agreement required hereunder shall not in any way affect or impair the legality or enforceability of the remaining provisions of this Agreement or any instrument or agreement required hereunder. Any Loan Document, or other agreement, document or instrument, delivered by facsimile transmission or, subject to the provisions hereof, Electronic Transmission, shall have the same force and effect as if the original thereof had been delivered.

In the event the Required Lenders obtain a Replacement Lender within forty-five (45) days following notice of their intention to do so, the Affected Lender (or defaulting or non-consenting Lender, as the case may be) shall sell and assign its Loans and Commitments to such Replacement Lender, at par, provided that the Borrowers have reimbursed such Affected Lender for (i) its increased costs for which it is entitled to reimbursement under this Agreement through the date of such sale and assignment and (ii) any amounts owing pursuant to Section 10.4 as a result of such assignment. In the event that a replaced Lender does not execute an Assignment pursuant to Section 9.9 within five (5) Business Days after receipt by such replaced Lender of notice of replacement pursuant to this Section 9.22 and presentation to such replaced Lender of an Assignment evidencing an assignment pursuant to this Section 9.22, the Required Lenders shall be entitled (but not obligated) to execute such an Assignment on behalf of such replaced Lender, and any such Assignment so executed by the Required Lenders, the Replacement Lender and the Agent, shall be effective for purposes of this Section 9.22 and Section 9.9. Notwithstanding the foregoing, with respect to a Lender that is a Non-Funding Lender or an Impacted Lender, the Borrowers or Agent at direction of Required Lenders may obtain a Replacement Lender and execute an Assignment on behalf of such Non-Funding Lender or Impacted Lender at any time and without prior notice to such Non-Funding Lender or Impacted Lender and cause its Loans and Commitments to be sold and assigned at par. Upon any such assignment and payment and compliance with the other provisions of Section 9.9, such replaced Lender shall no longer constitute a "Lender" for purposes hereof; provided, any rights of such replaced Lender to indemnification hereunder shall survive as to such replaced Lender.

9.23 Joint and Several. The obligations of the Credit Parties hereunder and under the other Loan Documents are joint and several. Without limiting the generality of the foregoing, reference is hereby made to Article II of the Guaranty and Security Agreement, to which the obligations of Borrower and the other Credit Parties are subject.

10.1 Taxes.

(a) Except as otherwise provided in this Section 10.1 or by a Requirement of Law, each payment by any Credit Party under any Loan Document shall be made free and clear of all present or future taxes, levies, imposts, deductions, charges or withholdings and all interest, penalties or similar liabilities with respect thereto (and without deduction for any of them) (collectively, but excluding the taxes set forth in clauses (i), (ii) and (iii) below, the "Taxes") other than for (i) taxes measured by net income (including branch profits taxes) and franchise taxes imposed in lieu of net income taxes, in each case imposed on any Secured Party as a result of (x) a present or former connection between such Person and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than such connection arising solely from any Secured Party having executed, delivered or performed its obligations or received a payment under, or enforced, any Loan Document) or (y)

such Secured Party being organized under the laws of, or having its principal office, or in the case of any Lender, its applicable lending office located in the jurisdiction imposing the tax (or any political subdivision thereof); (ii) taxes that are attributable to the failure by Agent or any Lender to comply with clause (f) below; or (iii) any withholding tax that is imposed under Sections 1471 through 1474 of the Code as of the date of this Agreement (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), including any current or future United States Treasury Regulations promulgated thereunder, any official interpretation or other guidance issued in connection therewith, any agreement entered into under Section 1471(b)(1) of the Code, and any applicable intergovernmental agreements or any non-U.S. implementing legislation with respect thereto ("FATCA").

(b) If any Taxes shall be required by a Requirement of Law to be deducted from or in respect of any amount payable under any Loan Document by a Credit Party to any Secured Party (i) such amount shall be increased as necessary to ensure that, after all required deductions for Taxes are made (including deductions applicable to any increases to any amount under this Section 10.1), such Secured Party receives the amount it would have received had no such deductions been made, (ii) the relevant Credit Party shall be entitled to make such deductions, (iii) the relevant Credit Party shall timely pay the full amount deducted to the relevant taxing authority or other authority in accordance with applicable Requirements of Law and (iv) within 30 days after such payment is made, the relevant Credit Party, if the applicable withholding agent, shall deliver to the Agent an original or certified copy of a receipt evidencing such payment; provided, however, that no such increase shall be made with respect to, and no Credit Party shall be required to indemnify any Secured Party pursuant to clause (d) below for, Taxes to the extent that the obligation to pay or withhold such Taxes existed on the date that such Person became a "Secured Party" under this Agreement or arose due to a change in circumstances of such Secured Party after the Closing Date (including, but not limited to, a Lender changing its lending office, but other than a change in any statute, treaty, regulation or other applicable law with respect to taxes), except in each case to the extent (other than with respect to a change in any statute, treaty, regulation or other applicable law with respect to taxes) (x) such Person is a direct or indirect assignee (other than pursuant to Section 9.22) of any other Secured Party that was entitled, at the time the assignment to such Person became effective, to receive additional amounts under this clause (b), or (y) such Lender was entitled, at the time it changed its lending office, to receive additional amounts under this clause (b) in such amounts.

(c) In addition, the Borrowers agree to pay, and authorize the Agent to pay in their name, any stamp, documentary, excise or property tax, charges or similar levies imposed by any applicable Requirement of Law or Governmental Authority and all interest, penalties or similar liabilities with respect thereto (including by reason of any delay in payment thereof), in each case arising from the execution, delivery or registration of, or otherwise with respect to, any Loan Document or any transaction contemplated therein (collectively, "Other Taxes"). Within 30 days after the date of any payment of Taxes or Other Taxes by any Credit Party, the Borrowers shall furnish to the Agent, at its address referred to in Section 9.2, the original or a certified copy of a receipt evidencing payment thereof.

(d) The Borrowers shall reimburse and indemnify, within 30 days after receipt of demand therefor (with copy to the Agent), each Secured Party for all Taxes and Other Taxes (including any Taxes and Other Taxes imposed by any jurisdiction on amounts payable under this Section 10.1) paid by such Secured Party, whether or not such Taxes or Other Taxes were correctly or legally asserted. A certificate of the Secured Party (or of the Agent on behalf of such Secured Party) claiming any compensation under this clause (d), setting forth the amounts to be paid thereunder together with an original or certified copy of a receipt, if any, evidencing payment of

Taxes or other Taxes for which the compensation is claimed and delivered to the Borrower Representative with copy to the Agent, shall be conclusive, binding and final for all purposes, absent manifest error.

(e) Any Lender claiming any additional amounts payable pursuant to this Section 10.1 shall use its reasonable efforts (consistent with its internal policies and Requirements of Law) to change the jurisdiction of its lending office if such a change would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the sole determination of such Lender, be otherwise disadvantageous to such Lender.

(f)

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrowers and the Agent, at the time or times reasonably requested by the Borrowers or the Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Agent as will enable the Borrower or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 10.1(f)(ii)(A) or (B), (iii), (iv) and (v) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Each Non-U.S. Lender Party shall (w) on or prior to the date such Non-U.S. Lender Party becomes a "Non-U.S. Lender Party" hereunder, (x) on or prior to the date on which any such form or certification expires or becomes obsolete, (y) after the occurrence of any event requiring a change in the most recent form or certification previously delivered by it pursuant to this clause (i) and (z) from time to time if requested by the Borrower Representative or the Agent (or, in the case of a participant or SPV, the relevant Lender), provide the Agent and the Borrower Representative (or, in the case of a participant or SPV, the relevant Lender) with two completed originals of each of the following, as applicable: (A) Forms W-8ECI (claiming exemption from U.S. withholding tax because the income is effectively connected with a U.S. trade or business), W-8BEN or W-8BEN-E (claiming exemption from, or a reduction of, U.S. withholding tax under an income tax treaty, if any) and/or W-8IMY (accompanied by Forms W-8BEN or W-8BEN-E, Form W-8ECI, Form W-9 or other certification documents from each beneficial owner, as applicable) or any successor forms, (B) in the case of a Non-U.S. Lender Party claiming exemption under Sections 871(h) or 881(c) of the Code, Form W-8BEN or W-8BEN-E (claiming exemption from U.S. withholding tax under the portfolio interest exemption) or any successor form and a certificate in form and substance acceptable to the Agent that such Non-U.S. Lender Party is not (1) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of the Borrowers within the meaning of Section 881(c)(3)(B) of the Code or (3) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code or (C) any other applicable document prescribed by the IRS or applicable law certifying as to the entitlement of such Non-U.S. Lender Party to such

exemption from United States withholding tax or reduced rate with respect to all payments to be made to such Non-U.S. Lender Party under the Loan Documents, or otherwise as prescribed by applicable law as a basis for claiming exemption from or a reduction in United States withholding tax, in each case, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Agent to determine the withholding or deduction required to be made. Unless the Borrower Representative and the Agent have received forms or other documents satisfactory to them indicating that payments under any Loan Document to or for a Non-U.S. Lender Party are not subject to United States withholding tax or are subject to such tax at a rate reduced by an applicable tax treaty, the Credit Parties and the Agent shall be entitled to withhold amounts required to be withheld by applicable Requirements of Law from such payments at the applicable statutory rate.

(iii) Each U.S. Lender Party shall (A) on or prior to the date such U.S. Lender Party becomes a "U.S. Lender Party" hereunder, (B) on or prior to the date on which any such form or certification expires or becomes obsolete, (C) after the occurrence of any event requiring a change in the most recent form or certification previously delivered by it pursuant to this clause (f) and (D) from time to time if requested by the Borrower Representative or the Agent (or, in the case of a participant or SPV, the relevant Lender), provide the Agent and the Borrower Representative (or, in the case of a participant or SPV, the relevant Lender) with two completed originals of Form W-9 (certifying that such U.S. Lender Party is not subject to U.S. backup withholding tax) or any successor form.

(iv) Each Non-U.S. Lender Party shall deliver to the Borrower Representative and the Agent (or, in the case of a participant or SPV, the relevant Lender), on or prior to the date on which such Non-U.S. Lender Party becomes a Lender hereunder (or a participant or SPV hereunder), and from time to time thereafter upon the reasonable request of the Borrower Representative or the Agent, in such number of copies as shall be requested by the Borrower Representative or the Agent, any documentation that is required under FATCA, and such additional documentation reasonably requested by the Borrower Representative or the Agent, to enable the Borrower Representative and the Agent to determine and execute their obligations, duties and liabilities with respect to FATCA, including but not limited to any Taxes they may be required to withhold in respect of FATCA. Solely for purposes of this Section 10.1(f)(iii), "FATCA" shall include any amendments made to Sections 1471 through 1474 of the Code after the date of this Agreement.

(v) Each Lender having sold a participation in any of its Obligations or identified an SPV as such to the Agent shall collect from such participant or SPV the documents described in this clause (f) and provide them to the Agent.

(vi) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower Representative and the Agent in writing of its legal inability to do so.

(g) If the Borrowers pay any amounts pursuant to the provisions of this Section 10.1, and if thereafter any Secured Party becomes aware that it has received or been granted a credit against, a refund of, or other relief for Taxes payable by such Secured Party in respect of the amounts so paid by the Borrowers (including by the payment of additional amounts pursuant to Section 10.1(b)), such Secured Party shall to the extent that it can do so without prejudice to the

retention of the amount of such credit or other relief and provided no Event of Default then exists, pay to the Borrowers within thirty (30) days after the date on which such Secured Party became aware that it effectively obtained the benefit of such credit or other relief an amount equal to such credit, refund, or other relief less any sum which it is required by law to deduct therefrom and less any fees and out-of-pocket expenses (including Taxes) incurred by such Secured Party in connection therewith. Such Secured Party may, in its reasonable discretion, determine the order of utilization of all charges, deductions, credits and expenses which reduce taxes imposed on its net income. Nothing in this Section 10.1(g) shall be construed as requiring any Secured Party to (A) conduct its business or to arrange or alter in any respect its tax or financial affairs so that it is entitled to receive such refund, credit or other relief, other than performing any ministerial acts necessary to be entitled to receive such credit or other relief or (B) disclose any tax return or any other information that it deems confidential.

10.2 Illegality. If after the date hereof any Lender shall determine that the introduction of any Requirement of Law, or any change in any Requirement of Law or in the interpretation or administration thereof, has made it unlawful, or that any central bank or other Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to make LIBOR Rate Loans, then, on notice thereof by such Lender to the Borrowers through the Agent, the obligation of that Lender to make LIBOR Rate Loans shall be suspended until such Lender shall have notified the Agent and the Borrower Representative that the circumstances giving rise to such determination no longer exists.

(a) Subject to clause (c) below, if any Lender shall determine that it is unlawful to maintain any LIBOR Rate Loan, the Borrowers shall prepay in full all LIBOR Rate Loans of such Lender then outstanding, together with interest accrued thereon, either on the last day of the Interest Period thereof if such Lender may lawfully continue to maintain such LIBOR Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBOR Rate Loans, together with any amounts required to be paid in connection therewith pursuant to Section 10.4.

(b) If the obligation of any Lender to make or maintain LIBOR Rate Loans has been terminated, the Borrower Representative may elect, by giving notice to such Lender through the Agent that all Loans which would otherwise be made by any such Lender as LIBOR Rate Loans shall be instead Base Rate Loans.

(c) Before giving any notice to the Agent pursuant to this Section 10.2, the affected Lender shall designate a different Lending Office with respect to its LIBOR Rate Loans if such designation will avoid the need for giving such notice or making such demand and will not, in the judgment of the Lender, be illegal or otherwise disadvantageous to the Lender.

10.3 Increased Costs and Reduction of Return.

(a) If any Lender shall determine that, due to either (i) the introduction of, or any change in, or in the interpretation of, any law or regulation or (ii) the compliance with any guideline or request from any central bank or other Governmental Authority (whether or not having the force of law), in the case of either clause (i) or (ii) subsequent to the Closing Date, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any LIBOR Rate Loans, then the Borrowers shall be liable for, and shall from time to time, within thirty (30) days of demand therefor by such Lender (with a copy of such demand to the Agent), pay to the Agent for the account of such Lender, additional amounts as are sufficient to compensate such Lender for such increased costs; provided, that the Borrowers shall not be required to

compensate any Lender pursuant to this Section for any increased costs incurred more than 180 days prior to the date that such Lender notifies the Borrower Representative, in writing of the increased costs and of such Lender's intention to claim compensation thereof; provided, further, that if the circumstance giving rise to such increased costs is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof; provided, further, that notwithstanding anything to the contrary in this Section 10.3, it shall be a condition to a Lender's exercise of its rights, if any, under this Section 10.3 that such Lender shall generally be exercising similar rights with respect to borrowers under similar agreements where available.

(b) If any Lender shall have determined that:

(i) the introduction of any Capital Adequacy Regulation;

(ii) any change in any Capital Adequacy Regulation;

(iii) any change in the interpretation or administration of any Capital Adequacy Regulation by any central bank or other Governmental Authority charged with the interpretation or administration thereof; or

(iv) compliance by such Lender (or its Lending Office) or any entity controlling the Lender, with any Capital Adequacy Regulation;

(c) This Section 10.3 shall not apply to increased costs with respect to any Taxes (which for purposes of this Section 10.3 shall include the items set forth in clauses (i), (ii) and (iii) of Section 10.1(a)), levels, imposts, deductions, charges or withholdings and liabilities with respect thereto, which shall be governed solely by Section 10.1, other than financial transaction Taxes, core capital Taxes or similar Taxes.

10.4 Funding Losses. The Borrowers agree to reimburse each Lender and to hold each Lender harmless from any loss or expense which such Lender may sustain or incur as a consequence of:

(a) the failure of the Borrowers to make any payment or mandatory prepayment of principal of any LIBOR Rate Loan (including payments made after any acceleration thereof);

(b) the failure of the Borrowers to borrow, continue or convert a Loan after the Borrower Representative has given (or is deemed to have given) a Notice of Borrowing or a Notice of Conversion/Continuation;

(c) the failure of the Borrowers to make any prepayment after the Borrowers have given a notice in accordance with Section 1.7;

including any such loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain its LIBOR Rate Loans hereunder or from fees payable to terminate the deposits from which such funds were obtained (but excluding loss of anticipated profits); provided that, with respect to the expenses described in clauses (d) and (e) above, such Lender shall have notified Agent of any such expense within two (2) Business Days of the date on which such expense was incurred. Solely for purposes of calculating amounts payable by the Borrowers to the Lenders under this Section 10.4 and under subsection 10.3(a): each LIBOR Rate Loan made by a Lender (and each related reserve, special deposit or similar requirement) shall be conclusively deemed to have been funded at the LIBOR used in determining the interest rate for such LIBOR Rate Loan by a matching deposit or other borrowing in the interbank eurodollar market for a comparable amount and for a comparable period, whether or not such LIBOR Rate Loan is in fact so funded.

10.5 Inability to Determine Rates. If the Agent shall have determined in good faith that for any reason adequate and reasonable means do not exist for ascertaining the LIBOR for any requested Interest Period with respect to a proposed LIBOR Rate Loan or that the LIBOR applicable pursuant to subsection 1.3(a) for any requested Interest Period with respect to a proposed LIBOR Rate Loan does not adequately and fairly reflect the cost to the Lenders of funding such Loan, the Agent will forthwith give notice of such determination to the Borrower Representative and each Lender. Thereafter, the obligation of the Lenders to make or maintain LIBOR Rate Loans hereunder shall be suspended until the Agent revokes such notice in writing. Upon receipt of such notice, the Borrower Representative may revoke any Notice of Borrowing or Notice of Conversion/Continuation then submitted by it. If the Borrower Representative does not revoke such notice, the Lenders shall make, convert or continue the Loans, as proposed by the Borrower Representative, in the amount specified in the applicable notice submitted by the Borrower Representative, but such Loans shall be made, converted or continued as Base Rate Loans.

10.6 Reserves on LIBOR Rate Loans. The Borrowers shall pay to each Lender, as long as such Lender shall be required under regulations of the Federal Reserve Board to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional costs on the unpaid principal amount of each LIBOR Rate Loan equal to actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent demonstrable error), payable on each date on which interest is payable on such Loan provided the Borrower Representative shall have received at least fifteen (15) days' prior written notice (with a copy to the Agent) of such additional interest from the Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest shall be payable fifteen (15) days from receipt of such notice.

10.7 Certificates of Lenders. Any Lender claiming reimbursement or compensation pursuant to this Article X shall deliver to the Borrower Representative (with a copy to the Agent) a certificate setting forth in reasonable detail the amount payable to such Lender hereunder and such certificate shall be conclusive and binding on the Borrowers in the absence of manifest error.

BASED UPON THE RECORD ESTABLISHED AT THE INTERIM HEARING AND FINAL HEARING, THE COURT MAKES THE FOLLOWING FINDINGS OF FACT AND CONCLUSIONS OF LAW:[3]

[3] The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. [4] Prior to the Petition Date, on June 21, 2019, the Debtors executed a restructuring support agreement (the "**Restructuring Support Agreement**") with certain of its Prepetition Lenders (as defined below) who hold approximately 86% of the outstanding principal amount of the Prepetition First Lien Obligations and 100% of the outstanding principal amount of the Prepetition Second Lien Obligations (each as defined below). Pursuant to the milestones agreed to by the parties in the Restructuring Support Agreement, the Debtors were required to commence the Chapter 11 Cases on or before June 23, 2019, however, by agreement of the parties, such deadline was extended to June 24, 2019. Since the Interim Hearing, each of the Prepetition First Lien Lenders that did not initially execute the Restructuring Support Agreement have now done so. As such, all Prepetition Lenders are now parties to the Restructuring Support Agreement and will participate in the DIP Facility (including the Roll-Up DIP Facility) on a pro rata basis based on the principal amount of the Prepetition First Lien Obligations.

and the Local Rules, and no other or further notice of the DIP Motion with respect to the relief requested at the Final Hearing or the entry of this Final Order shall be required.

F. **Debtors' Stipulations**. After consultation with their attorneys and financial advisors, and subject and without prejudice to, the rights of parties-in-interest, including any Creditors Committee (as defined below) or any other statutory committee that may be appointed in the Chapter 11 Cases, as set forth in paragraph 42 herein, the Debtors, on their own behalf and on behalf of their estates, admit, stipulate, acknowledge, and agree as follows (paragraphs F(i)-(vi) and G below are referred to herein, collectively, as the "**Debtors' Stipulations**"):

(i) *Prepetition First Lien Facility*. (ii) *Prepetition Second Lien Facility.* Pursuant to that certain Second Lien Note Purchase Agreement, dated as of March 15, 2017 (as amended, restated, supplemented, or otherwise modified from time to time, the "**Prepetition Second Lien Agreement**"; the Prepetition Second Lien Agreement and the Prepetition First Lien Agreement shall collectively be referred to as the "**Prepetition Agreements**") and collectively with any other agreements and documents executed or delivered in connection therewith, each as may be amended, restated, supplemented, or otherwise modified from time to time, the "**Prepetition Second Lien Documents**," and together with the Prepetition First Lien Documents, the "**Prepetition Documents**") among (a) JHO, Joerns LLC, Healthcare, RecoverCare and RCJH Merger Sub I, LLC, as issuers (the "**Issuers**"), (b) the other persons party thereto from time to time that are designated as "note parties", (c) U.S. Bank National Association, as agent (the "**Prepetition Second Lien Agent**", together with the Prepetition First Lien Agent, the "**Prepetition Agents**") and (d) the purchasers from time to time party thereto (the "**Prepetition Second Lien Note Purchasers**," and collectively with the Prepetition Second Lien Agent, and the other Secured Parties (as defined in the Prepetition Second Lien Agreement), the "**Prepetition Second Lien Parties**"; the Prepetition Second Lien Note Purchases, and together with the Prepetition First Lien Lenders, the "**Prepetition Lenders**") (the Prepetition First Lien Parties and Prepetition Second Lien Parties, collectively with the Prepetition Agents, the "**Prepetition Secured Parties**"), the Prepetition Second Lien Note Purchasers purchased second lien notes from the Issuers (the "**Prepetition Second Lien Facility**," and together with the Prepetition First Lien Facility, the "**Prepetition Secured Facilities**").

(iii) *Prepetition Secured Obligations*. Under the Prepetition First Lien Facility, the Prepetition First Lien Lenders provided to the Debtors party thereto commitments in respect of term loans in the aggregate principal amount of up to $265,000,000 and commitments in respect

of revolving loans in the aggregate principal amount of up to $30,000,000. Under the Prepetition Second Lien Facility, the Prepetition Second Lien Note Purchasers extended credit to the Debtors party thereto in an initial aggregate principal amount of $45,000,000 ($15,000,000 in respect of tranche A notes and $30,000,000 in respect of tranche B notes) as a result of the purchase of the secured notes from the Issuers.[5] Immediately prior to the Petition Date, the aggregate principal amount outstanding under the Prepetition First Lien Facility on account of term loans was not less than $272,012,500 (the "**Prepetition First Lien Term Loans**"), the face amount of all issued and outstanding undrawn letters of credit was not less than $3,200,000 (the "**Prepetition LCs**"), and there were no revolving loan amounts outstanding (such amounts on account of the Prepetition First Lien Term Loans and Prepetition LCs, together with any accrued and unpaid interest, fees, expenses and disbursements (including, without limitation, any accrued and unpaid attorneys' fees, and financial advisors' fees, and related expenses and disbursements), indemnification obligations, and other charges, amounts and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Debtors' (as defined therein) obligations under the Prepetition First Lien Documents, including all "Obligations" as defined in the Prepetition First Lien Agreement, the "**Prepetition First Lien Obligations**"). Immediately prior to the Petition Date, the aggregate principal amount outstanding under the Prepetition Second Lien Agreement was not less than $80,426,866 in respect of tranche A notes and not less than $45,616,146 in respect of tranche B notes (such amounts, together with any accrued and unpaid interest, fees, expenses and disbursements (including, without limitation, any accrued and unpaid attorneys' fees, and financial advisors' fees, and related expenses and

[5] Pursuant to the Limited Waiver and First Amendment to Second Lien Note Purchase Agreement, dated as of June 8, 2017, incremental notes were issued in an aggregate principal amount of $40,000,000 ($25,604,007.58 in respect of tranche A notes and $14,395,992.42 in respect of tranche B notes).

disbursements), indemnification obligations, and other charges, amounts and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Debtors' obligations under the Prepetition Second Lien Documents, including all "Obligations" as defined in the Prepetition Second Lien Agreement, the "**Prepetition Second Lien Obligations**," and together with the Prepetition First Lien Obligations, the "**Prepetition Secured Obligations**").

(iv) *Prepetition Liens and Prepetition Collateral*. The Debtors represent that, as more fully set forth in the Prepetition Documents, prior to the Petition Date:

(a) pursuant to that certain Guaranty and Security Agreement, dated as of August 6, 2010, as amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, each Borrower and each Prepetition First Lien Guarantor (collectively, the "**Prepetition Credit Parties**") jointly and severally guaranteed all of the Prepetition First Lien Obligations (except, each Borrower only guaranteed the obligations of each other Borrower), and granted to the Prepetition First Lien Agent, for the benefit of itself and the other Prepetition First Lien Parties, a lien on and security in all of its right, title and interest in (the "**Prepetition Senior Liens**") substantially all of its assets (the "**Prepetition First Lien Collateral**"); and

(b) pursuant to that certain Guaranty and Security Agreement, dated as of March 15, 2017, as amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, each Issuer and each Prepetition Second Lien Guarantor jointly and severally guaranteed all of the Prepetition First Lien Obligations (except, each Issuer only guaranteed the obligations of each other Issuer), and granted to the Prepetition Second Lien Agent, for the benefit of itself and the other Prepetition Second Lien Parties, a lien on and security in all of its right, title and interest in (the "**Prepetition Junior Liens**") substantially all of its assets (the "**Prepetition**

Second Lien Collateral," and together with the Prepetition First Lien Collateral, the "**Prepetition Collateral**"), subject to the relative priorities among the Prepetition Secured Parties set forth in the Prepetition Documents, including that certain Intercreditor Agreement (as defined herein).

(v) *Priority of Prepetition Liens; Intercreditor Agreements*. The Prepetition First Lien Agent, the Prepetition Second Lien Agent, and others entered into that certain Intercreditor Agreement, dated as of March 15, 2017 (as amended, restated, supplemented, or otherwise modified from time to time prior to the date hereof, the "**Intercreditor Agreement**") to govern the respective rights, interests, obligations, priority, and positions of the Prepetition Secured Obligations with respect to the Prepetition Collateral. Each of the Debtors under the Prepetition Documents acknowledged and agreed to the Intercreditor Agreement.

(vi) *Validity, Perfection and Priority of Prepetition Liens and Prepetition Secured Obligations*. As of the Petition Date: (a) the Prepetition Liens were senior in priority over any and all other liens on the Prepetition Collateral, subject only to certain liens otherwise permitted by the Prepetition Documents and any other lien arising as a matter of law (in each case, to the extent that such existing liens were valid, properly perfected, non-avoidable and senior in priority to the Prepetition Senior Liens as of the Petition Date or were valid non-avoidable senior liens that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, the "**Permitted Prior Liens**");[6] (b) the Prepetition Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable and properly perfected and were granted to, or for the benefit of, the Prepetition Secured Parties for fair consideration and

[6] Nothing herein shall constitute a finding or ruling by this Court that any such Permitted Prior Lien is valid, senior, enforceable, prior, perfected or non-avoidable. Moreover, nothing shall prejudice the rights of any party-in-interest, including, but not limited to the Debtors, the DIP Agent, the Prepetition Secured Parties, or a Creditors' Committee (if appointed), to challenge the validity, priority, enforceability, seniority, avoidability, perfection or extent of any alleged Permitted Prior Lien and/or security interests.

reasonably equivalent value; (c) the Prepetition Secured Obligations constitute legal, valid, binding, and non- avoidable obligations of the Prepetition Credit Parties enforceable in accordance with the terms of the respective Prepetition Secured Documents; (d) no offsets, challenges, objections, defenses, claims or counterclaims of any kind or nature to any of the Prepetition Liens or Prepetition Secured Obligations exist, and no portion of the Prepetition Liens or Prepetition Secured Obligations is subject to any challenge or defense including, without limitation, avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including without limitation, avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against any of the Prepetition Secured Parties, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors and employees arising out of, based upon or related to the Prepetition Secured Facilities; (f) the Debtors have waived, discharged and released any right to challenge any of the Prepetition Secured Obligations, the priority of the Debtors' obligations thereunder, and the validity, extent and priority of the liens securing the Prepetition Secured Obligations (for the avoidance of doubt, subject and without prejudice to, the rights of parties-in-interest, including any Creditors Committee or any other statutory committee that may be appointed in the Chapter 11 Cases, as set forth in paragraph 42 herein) and (g) the Prepetition Secured Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code.

G. **Cash Collateral**. All of the Prepetition Credit Parties' cash, including any cash in deposit accounts (other than any Excluded Account), wherever located, constitutes Cash Collateral of the Prepetition Secured Parties.

H. **Findings Regarding Postpetition Financing**

(i) *Request for Postpetition Financing*. The Debtors seek authority to (a) enter into the DIP Facility on the terms described herein and in the DIP Documents, and (b) use Cash Collateral on the terms described herein, to administer their Chapter 11 Cases and fund their operations.

(ii) *Priming of the Prepetition Liens*. The priming of the Prepetition Liens of the Prepetition Secured Parties on the Prepetition Collateral under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Facility, and authorized by the Interim Order and this Final Order, and as further described below, will enable the Debtors to continue borrowing under the DIP Facility and to continue to operate their businesses to the benefit of their estates and creditors. The Prepetition Secured Parties are each entitled to receive adequate protection as set forth in the Interim Order and this Final Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, solely to the extent of any aggregate diminution in value resulting from the Debtors' use, sale or lease of Cash Collateral and other Prepetition Collateral and the imposition of the automatic stay ("**Diminution in Value**") of each of their respective interests in the Prepetition Collateral (including Cash Collateral).

(iii) *Need for Postpetition Financing and Use of Cash Collateral*. The Debtors need to use Cash Collateral and to obtain credit pursuant to the DIP Facility in order to, among other things, enable the orderly continuation of their operations, to administer these Chapter 11 Cases, and to consummate the restructuring transactions contemplated by the Restructuring

Support Agreement that will maximize recoveries to stakeholders. The ability of the Debtors to maintain business relationships with their vendors, suppliers and customers, to pay their employees and otherwise finance their operations requires the availability of working capital from the DIP Facility and the use of Cash Collateral, the absence of either of which would harm the Debtors, their estates, and parties-in-interest. The Debtors do not have sufficient available sources of working capital and financing to operate their businesses or maintain their properties in the ordinary course of business without the DIP Facility and authorized use of Cash Collateral.

(iv) *No Credit Available on More Favorable Terms*. The DIP Facility is the best source of debtor in possession financing available to the Debtors. Given their current financial condition, financing arrangements, and capital structure, the Debtors have been and continue to be unable to obtain financing from sources other than the DIP Lenders on terms more favorable than the DIP Facility. The Debtors are unable to obtain unsecured credit allowable under Bankruptcy Code section 503(b)(1) as an administrative expense. The Debtors have also been unable to obtain (a) unsecured credit having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a) and 507(b) of the Bankruptcy Code, (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien, or (c) credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. Financing on a postpetition basis is not otherwise available without granting the DIP Agent, for the benefit of itself and the DIP Lenders (1) perfected security interests in and liens on (each as provided herein) all of the Debtors' existing and after-acquired assets with the priorities set forth in paragraph 6 hereof, (2) superpriority claims and liens, and (3) the other protections set forth in this Final Order.

(v) *Use of Proceeds of the DIP Facility*. As a condition to the Debtors' entry into the DIP Documents, the extension of credit under the DIP Facility and the authorization to use Prepetition Collateral, including Cash Collateral, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties required, and the Debtors agreed, that proceeds of the DIP Facility shall be used, in each case in a manner consistent with the terms and conditions of this Final Order and the DIP Documents and in accordance with the budget[7] (as the same may be modified from time to time consistent with the terms of the DIP Documents and subject to such variances as permitted in the DIP Credit Agreement, the "**Budget**") and as otherwise provided in this Final Order and the DIP Documents, for: (a) working capital; (b) other general corporate purposes of the Debtors; (c) permitted payments of the costs of administration of the Chapter 11 Cases (including professional fees and expenses of the Debtors' professionals and professionals retained by a Committee (if appointed)), and the consummation of the Debtors' Chapter 11 Plan; (d) payment of such prepetition expenses as consented to by the DIP Agent (acting at the direction of the DIP Lenders holding in excess of fifty percent (50%) of the outstanding loans and commitments under the DIP Facility, the "**Required DIP Lenders**")), and as approved by the Court; (e) payment of interest, fees and expenses (including without limitation, legal and other professionals' fees and expenses of the DIP Agent and the DIP Lenders owed under the DIP Documents); (f) payment of certain adequate protection amounts to the Prepetition First Lien Parties, as set forth in paragraph 16 hereof; (g) cash collateralization of the Prepetition LCs in an aggregate amount not to exceed $3.36 million; and (h) payment of the Carve Out (which shall be in accordance with paragraph 39 of this Final Order).

[7] A copy of the initial budget was attached to the Interim Order as Exhibit B.

(vi) *Application of Proceeds of Collateral*. As a condition to entry into the DIP Credit Agreement, the extension of credit under the DIP Facility and authorization to use Cash Collateral, the Debtors, the DIP Agent, the DIP Lenders, and the Prepetition Agents and the Prepetition Lenders have agreed that, as of and commencing on the date of the Interim Hearing, the Debtors shall apply the proceeds of DIP Collateral in accordance with this Final Order, the DIP Loan Documents, and the Intercreditor Agreement.

I. **Adequate Protection**. The Prepetition Agents, for the benefit of themselves and the Prepetition Secured Parties, are each entitled to receive adequate protection to the extent of any aggregate Diminution in Value of their respective interests in the Prepetition Collateral. Pursuant to sections 361, 363 and 507(b) of the Bankruptcy Code, as adequate protection, subject in all respects to the Carve Out (as defined below): (i) the Prepetition First Lien Parties received pursuant to the Interim Order, and will continue to receive (a) solely to the extent of any aggregate Diminution in Value of their interests in the Prepetition Collateral, adequate protection liens and superpriority claims, as more fully set forth in paragraphs 12-14 herein, and (b) current payment of expenses (including without limitation, legal and other professionals' fees and expenses of the Prepetition First Lien Agent and the Consenting First Lien Lenders (solely in their capacity as Prepetition First Lien Lenders) party to the Restructuring Support Agreement as of the Petition Date (the "**First Lien Steering Committee**") represented by King & Spalding LLP ("**King & Spalding**"), as legal counsel, and FTI Consulting, Inc. ("**FTI**"), as financial advisor, whether arising before or after the Petition Date); and (ii) Prepetition Second Lien Parties received pursuant to the Interim Order, and will continue to receive, solely to the extent of any aggregate Diminution

in Value of their interests in the Prepetition Collateral, adequate protection liens and superpriority claims, as more fully set forth in paragraphs 12-14 herein.

J. **Sections 506(c) and 552(b)**. In light of (i) the DIP Agent's and DIP Lenders' agreement that their liens and superpriority claims shall be subject to the Carve Out; and (ii) the Prepetition Agents and Prepetition Lenders' agreement that their respective liens and claims, including any adequate protection liens and claims, shall be subject to the Carve Out and subordinate to the DIP Liens, (a) the Prepetition Secured Parties are entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code, and (b) the DIP Agent, DIP Lenders, and Prepetition Secured Parties are each entitled to a waiver of the provisions of section 506(c) of the Bankruptcy Code.

K. **Good Faith of the DIP Agent and DIP Lenders**.

(i) *Willingness to Provide Financing*. The DIP Lenders have indicated a willingness to continue providing the DIP Facility to the Debtors subject to: (a) entry of this Final Order; (b) approval of the terms and conditions of the DIP Facility and the DIP Documents; (c) satisfaction of the closing conditions set forth in the DIP Documents; and (d) findings by this Court that the DIP Financing is essential to the Debtors' estates, that the DIP Agent and DIP Lenders are extending credit to the Debtors pursuant to the DIP Documents in good faith, and that the DIP Agent's and DIP Lenders' DIP Superpriority Claims and DIP Liens, and other protections granted pursuant to this Final Order and the DIP Documents will have the protections provided by section 364(e) of the Bankruptcy Code.

(ii) *Business Judgment and Good Faith Pursuant to Section 364(e)*. The terms and conditions of the DIP Facility and the DIP Documents, and the fees paid and to be paid thereunder, are fair, reasonable, and the best available to the Debtors under the circumstances,

reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration. The terms and conditions of the DIP Facility and the use of Cash Collateral were negotiated in good faith and at arms' length among the Debtors, DIP Agent, DIP Lenders, the Prepetition First Lien Parties and the Prepetition Second Lien Parties, with the assistance and counsel of their respective advisors. Use of Cash Collateral and credit to be extended under the DIP Facility shall be deemed to have been allowed, advanced, made, or extended in good faith by the DIP Agent, DIP Lenders, the Prepetition First Lien Parties, and the Prepetition Second Lien Parties within the meaning of section 364(e) of the Bankruptcy Code.

(iii) *Consent to DIP Financing and Use of Cash Collateral*. Absent an order of this Court and the provision of adequate protection, consent of the Prepetition Secured Parties is required for the Debtors' use of Cash Collateral and the other Prepetition Collateral. The Prepetition Secured Parties have consented, or are deemed pursuant to the Prepetition Documents, to have consented or have not objected to the Debtors' use of Cash Collateral and the other Prepetition Collateral, and the Debtors' entry into the DIP Documents in accordance with and subject to the terms and conditions in this Final Order and the DIP Documents.

L. **Final Hearing**. Notice of the Final Hearing and the relief requested in the DIP Motion has been provided by the Debtors, whether by facsimile, electronic mail, overnight courier or hand delivery, to certain parties-in-interest, including, among others: (i) the U.S. Trustee; (ii) counsel to the First Lien Steering Committee; (iii) counsel to the Prepetition First Lien Agent; (iv) counsel to the Prepetition Second Lien Agent; (v) holders of the 30 largest unsecured claims against the Debtors on a consolidated basis; (vi) any such other party entitled to notice under the Bankruptcy Rules and Local Rules. The Debtors have made reasonable efforts to afford the best

notice possible under the circumstances and no other notice is required in connection with the relief set forth in this Final Order.

Based upon the foregoing findings and conclusions, the DIP Motion and the record before the Court with respect to the DIP Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. Final Financing Approved. The DIP Motion is granted as set forth herein, and the DIP Facility is authorized and approved, and the use of Cash Collateral is authorized, in each case on a final basis and subject to the terms and conditions set forth in the DIP Documents and this Final Order. All objections to this Final Order to the extent not withdrawn, waived, settled or resolved are hereby denied and overruled. This Final Order shall become effective immediately upon its entry. Unless specifically amended, supplemented, or otherwise modified by this Final Order, all provisions of the Interim order, including, but not limited to, findings of fact, conclusions of law, and authorizations made by this Court, remain in full force and effect and are hereby ratified by this Final order and incorporated herein by reference as though set forth fully below.

DIP Facility Authorization

2. Authorization of the DIP Financing. The DIP Facility is hereby approved on a final basis. The Debtors are expressly and immediately authorized and empowered to execute and deliver (to the extent not previously executed or delivered) any DIP Documents, to continue borrowing under the DIP Facility, and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Final Order and the DIP Documents, and to deliver all instruments, certificates, agreements, and documents which may be required or necessary for the performance by the Debtors under the DIP Facility and the creation and perfection of the DIP Liens

(as defined herein) described in and provided for by this Final Order and the DIP Documents. The Debtors are hereby authorized to pay, in accordance with this Final Order, any principal, interest, fees, expenses, and other amounts described in the DIP Documents, the Interim Order, and this Final Order, as such amounts become due and owing, without need to obtain further Court approval (except as otherwise provided herein or in the DIP Documents (including any related fee letters)), subject to and in accordance with the terms hereof and thereof, including, without limitation, any closing fees, commitment fees, backstop fees, and administrative agent's fees, as well as any reasonable and documented fees and disbursements of the DIP Agent's and the DIP Lenders' professionals, as set forth herein and in the DIP Credit Agreement, whether or not such professional fees and disbursements arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated), to implement all applicable reserves and to take any other actions that may be necessary or appropriate, all to the extent provided in this Final Order and the DIP Documents. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations or otherwise, will be deposited and applied as required by this Final Order and the DIP Documents. The DIP Documents represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms.

3. Authorization to Borrow. The Debtors are hereby authorized to (x) request extensions of credit (in the form of New Money DIP Loans) and (y) to incur a like amount of Roll-Up DIP Loans, in each case in accordance with paragraph 10 herein.

4. DIP Obligations. The DIP Documents and this Final Order shall constitute and evidence the validity and binding effect of the Debtors' DIP Obligations, which DIP Obligations shall be enforceable against the Debtors, their estates and any successors thereto,

including without limitation, any trustee appointed in the Chapter 11 Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the "**Successor Cases**"). Upon entry of this Final Order, the DIP Obligations will include all loans and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the Debtors to the DIP Agent or any of the DIP Lenders, under the DIP Documents or this Final Order, including, without limitation, all principal, accrued and unpaid interest, costs, fees, expenses, and other amounts under the DIP Documents. The DIP Parties shall be jointly and severally liable for the DIP Obligations. The DIP Obligations shall be due and payable, without notice or demand, and the use of Cash Collateral shall automatically cease on the DIP Termination Date (as defined herein), except as provided in paragraphs 30 and 33 herein, and subject to the Carve Out requirements in paragraph 39 herein. No obligation, payment, transfer, or grant of collateral security hereunder or under the DIP Documents (including any DIP Obligation or DIP Liens (as defined herein), and including in connection with any adequate protection provided to the Prepetition Secured Parties hereunder, subject to paragraph 42 herein) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

5. DIP Liens. In order to secure the DIP Obligations, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP Agent, for the benefit of itself and the DIP Lenders, were granted, on an interim basis, immediately upon entry of the Interim Order, and are hereby granted on a final basis, continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in and liens (collectively, the "**DIP Liens**"), with the priorities set forth in paragraph 6 herein, on all real and personal property, whether now existing or hereafter arising and wherever located, tangible and intangible, of, with respect to the DIP Obligations, each of the DIP Parties (the "**DIP Collateral**"), including without limitation: (a) all cash, cash equivalents, deposit accounts, securities accounts, accounts, other receivables (including credit card receivables), chattel paper, contract rights, inventory (wherever located), instruments, documents, securities (whether or not marketable) and investment property (including, without limitation, all of the issued and outstanding capital stock of each of its subsidiaries), furniture, fixtures, equipment, goods, franchise rights, trade names, trademarks, servicemarks, copyrights, patents, intellectual property, general intangibles, rights to the payment of money (including, without limitation, tax refunds and any other extraordinary payments), supporting obligations, guarantees, letter of credit rights, commercial tort claims, causes of action and all substitutions, books and records related to the foregoing, and proceeds of the foregoing, wherever located, including insurance or other proceeds, (b) all owned real property interests and all proceeds of leased real property, (c) proceeds of any avoidance actions brought pursuant to Chapter 5 of the Bankruptcy Code ("**Avoidance Actions**"), and (d) all other property of the DIP Parties that was not otherwise subject to valid, perfected, enforceable and nonavoidable liens on the Petition Date, including, without limitation, for the avoidance of doubt, any unpledged stock (or equivalent equity interest) of a foreign subsidiary of a Debtor (other than any entity in

the process of being dissolved or wound up). Notwithstanding the foregoing, the DIP Collateral shall not include (and the DIP Liens shall not extend to) (i) any assets held by the Debtors in trust, and any "Excluded Collateral" (as defined in the DIP Credit Agreement) or (ii) Avoidance Actions; provided that, the DIP Collateral shall include proceeds of Avoidance Actions. For the avoidance of doubt, the DIP Collateral shall be limited to the property of the Debtors as set forth in the DIP Documents, and shall not include any assets of (i) any affiliate of a Debtor or (ii) any subsidiary of a Debtor (in each case, that is not otherwise a Debtor).

6. DIP Lien Priority. The DIP Liens securing the DIP Obligations are valid, automatically perfected, non-avoidable, senior in priority and superior to any security, mortgage, collateral interest, lien or claim to any of the DIP Collateral, except that the DIP Liens shall be subject to the Carve Out and shall otherwise be junior only to Permitted Prior Liens. Other than as set forth in this Final Order or in the DIP Documents, the DIP Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Chapter 11 Cases or any Successor Cases, and shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases or any Successor Cases, upon the conversion of any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code (or in any other Successor Case), and/or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. The DIP Liens shall not be subject to section 510, 549 or 550 of the Bankruptcy Code, other than in respect of any Prepetition First Lien Obligations that have been satisfied and replaced by Roll-Up DIP Loans (subject only to the Challenge Deadline and related provisions set forth in paragraph 42). No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the DIP Liens.

7. Superpriority Claims. The DIP Agent and DIP Lenders were granted, on an interim basis upon entry of the Interim Order and are hereby granted on a final basis, pursuant to Section 364(c)(1) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Chapter 11 Cases and any Successor Cases (a "**DIP Superpriority Claim**") for all DIP Obligations: (a) except as set forth herein, with priority over any and all administrative expense claims and unsecured claims against the Debtors or their estates in any of the Chapter 11 Cases and any Successor Cases, at any time existing or arising, of any kind or nature whatsoever; and (b) which shall at all times be senior to the rights of the Debtors and their estates, and any successor trustee or other estate representative to the extent permitted by law. Notwithstanding anything to the contrary in this Final Order, the Interim Order, or the DIP Documents, the DIP Superpriority Claim shall be subject in all respects to the Carve Out.

8. No Obligation to Extend Credit. Except as required to fund the Carve Out as set forth in paragraph 39, the DIP Lenders shall have no obligation to make any loan under the DIP Documents, unless all of the conditions precedent to the making of such extension of credit under the DIP Documents and this Final Order have been satisfied in full or waived by the DIP Agent (acting at the direction of the Required DIP Lenders, as applicable, and in accordance with the terms of the DIP Credit Agreement).

9. Use of Proceeds of DIP Facility. From and after the Petition Date, the Debtors shall use advances of credit under the DIP Facility, in accordance with the Budget (subject to Permitted Variances, and except as otherwise provided in this Final Order and the DIP Documents with respect to the Debtors' Professionals' fees), only for the purposes specifically set forth in this Final Order and the DIP Documents, and in compliance with the terms and conditions in this Final Order and the DIP Documents.

10. Roll-Up DIP Loans. Pursuant to the Interim Order, upon the funding of the initial New Money DIP Loans thereunder, without any further action required by the Debtors or any other party, Prepetition First Lien Term Loans held by the DIP Lenders in an amount equal to the aggregate principal amount of the New Money DIP Loans that were funded, were converted on a dollar-for-dollar basis into Roll-Up DIP Loans and constitute DIP Obligations pursuant to, and consistent with, the terms of the DIP Documents, the Interim Order and this Final Order, which conversion (or "roll-up") shall be in full satisfaction and discharge of such Prepetition First Lien Term Loans. Upon the funding of any additional New Money DIP Loans on or after the date hereof in accordance with this Final Order and the DIP Documents, without any further action by the Debtors or any other party, an amount of Prepetition First Lien Term Loans held by the DIP Lenders equal to the aggregate principal amount of the New Money DIP Loans funded shall be converted, on a dollar-for-dollar basis, into Roll-Up DIP Loans and shall constitute DIP Obligations pursuant to, and consistent with, the terms of the DIP Documents and this Final Order, which conversion (or "roll-up") was in full satisfaction and discharge of such Prepetition First Lien Term Loans. The conversion (or "roll-up") shall be authorized as compensation for, in consideration for, and solely on account of, the agreement of certain Prepetition First Lien Lenders (or their affiliates) to fund the New Money DIP Loans and not as adequate protection for any Prepetition First Lien Obligations. Subject to the terms and conditions of the Restructuring Support Agreement, this Final Order, the DIP Credit Agreement and the Intercreditor Agreement, all rights of the Prepetition First Lien Parties shall be fully preserved. The Prepetition Secured Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens to the DIP Liens, and the DIP Lenders would not be willing to provide the New Money DIP Loans or extend credit to the Debtors thereunder without the inclusion of the Roll-Up DIP Loans in the DIP

Obligations. The Roll-Up DIP Loans shall be subject to the reservation of rights in paragraph 42 below, and therefore will not prejudice the rights of any party in interest.

Authorization to Use Cash Collateral

11. Authorization to Use Cash Collateral. Subject to the terms and conditions of this Final Order (including, without limitation, paragraphs 33 and 39 hereof), the DIP Facility and the DIP Documents, and in accordance with the Budget (including Permitted Variances, and except as otherwise provided under this Final Order or the DIP Documents with respect to professional fees), the Debtors are authorized to use Cash Collateral until the DIP Termination Date. Nothing in this Final Order shall authorize the disposition of any assets of the Debtors or their estates outside the ordinary course of business, or any Debtor's use of any Cash Collateral or other proceeds resulting therefrom, except as permitted in this Final Order, the DIP Facility, the DIP Documents, and in accordance with the Budget (including Permitted Variances, and except as otherwise provided under this Final Order and the DIP Documents with respect to professional fees).

12. Adequate Protection Liens.

(i) *Prepetition Adequate Protection Liens*. Pursuant to Sections 361, 363(e) and 364(d) of the Bankruptcy Code, as adequate protection of the interests of the Prepetition Secured Parties in the Prepetition Collateral, solely to the extent of any aggregate Diminution in Value of such interests in the Prepetition Collateral, the Prepetition Credit Parties hereby grant (as of the date of entry of the Interim Order) to (x) the Prepetition First Lien Agent, on behalf of itself and the Prepetition First Lien Parties and (y) the Prepetition Second Lien Agent, on behalf of itself and the Prepetition Second Lien Parties, continuing valid, binding, enforceable and perfected

postpetition security interests in and liens on the DIP Collateral (the "**Adequate Protection Liens**").

13. Priority of Adequate Protection Liens.

(i) The Adequate Protection Liens shall be subject to the Carve Out and shall otherwise be junior only to: (1) Permitted Prior Liens; (2) the DIP Liens; and (3) in the case of any Adequate Protection Liens granted to the Prepetition Second Lien Parties, the Adequate Protection Liens and the Prepetition Liens of the Prepetition First Lien Parties. The Adequate Protection Liens shall be senior to all other security interests in, liens on, or claims against any of the DIP Parties' assets. For the avoidance of doubt, as among the Prepetition First Lien Parties and the Prepetition Second Lien Parties, the Adequate Protection Liens shall be subject to the Intercreditor Agreement.

(ii) Except as provided herein, including, without limitation, with respect to the Carve Out, the Adequate Protection Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Chapter 11 Cases or any Successor Cases and shall be valid and enforceable against any trustee appointed in any of the Chapter 11 Cases or any Successor Cases, or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. Subject to the Challenge Deadline and related provisions of paragraph 42, the Adequate Protection Liens shall not be subject to sections 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the Prepetition Liens or the Adequate Protection Liens.

14. Adequate Protection Superpriority Claims.

(i) *Prepetition Superpriority Claim*. As further adequate protection of the interests of the Prepetition Secured Parties in the Prepetition Collateral, solely to the extent of any aggregate Diminution in Value (if any) of their respective interests in the Prepetition Collateral, and subject in all respects to the Carve Out, (x) the Prepetition First Lien Agent, on behalf of itself and the Prepetition First Lien Parties and (y) the Prepetition Second Lien Agent, on behalf of itself and the Prepetition Second Lien Parties, are each hereby granted (as of the date of entry of the Interim Order) as and to the extent provided by section 507(b) or the Bankruptcy Code allowed superpriority administrative expense claims in each of the Chapter 11 Cases and any Successor Cases (the "**Adequate Protection Superpriority Claims**").

15. Priority of the Adequate Protection Superpriority Claims. Except as set forth herein, the Adequate Protection Superpriority Claims shall have priority over all administrative expense claims and unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever; *provided*, *however*, that the Adequate Protection Superpriority Claims shall be subject to the Carve Out and the Intercreditor Agreement, and shall be junior to the DIP Superpriority Claim.

16. Adequate Protection Payments and Protections for Prepetition First Lien Parties. As further adequate protection (the "**Adequate Protection Payments**"), the Debtors were authorized pursuant to the Interim Order, and continue to be authorized pursuant to this Final Order, to pay in cash, without the need for the filing of formal fee applications: (i) immediately upon entry of the Interim Order, all reasonable and documented (in summary form) accrued and unpaid out-of-pocket fees, costs, disbursements and expenses, of (x) the Prepetition First Lien Agent (limited, in the case of counsel, to all reasonable and documented out-of-pocket fees, costs,

disbursements and expenses of Shearman & Sterling LLP ("**Shearman**")) and any successor counsel, and, to the extent necessary, one firm of local counsel, and (y) the First Lien Steering Committee, including all reasonable and documented accrued and unpaid out-of-pocket fees, costs, disbursements and expenses of King & Spalding, FTI, and, to the extent necessary, one firm of local counsel (which payment may be made from proceeds of the DIP Facility), in each case to the extent invoices for any such accrued and unpaid amounts were provided to the Debtors no later than two (2) Business Days prior to the Closing Date, and (ii) thereafter, all reasonable and documented (in summary form) accrued and unpaid out-of-pocket fees, costs, disbursements and expenses, of (x) the Prepetition First Lien Agent (limited, in the case of counsel, to all reasonable and documented out-of-pocket fees, costs, disbursements and expenses of Shearman) and any successor counsel, and, to the extent necessary, one firm of local counsel, and (y) the First Lien Steering Committee, including all accrued and unpaid reasonable and documented out-of-pocket fees, costs, disbursements and expenses of King & Spalding, FTI, and, to the extent necessary, one firm of local counsel, which payments shall be made within ten (10) business days (which time period may be extended by the applicable professional) following receipt by the Debtors, the Committee, if any, and the U.S. Trustee (the "**Review Period**") of an invoice therefor (the "**Invoiced Fees**") and without the necessity of filing formal fee applications, including as to any amounts arising before or after the Petition Date. The invoices for such Invoiced Fees shall include the number of hours billed (except for financial advisors compensated on other than an hourly basis) and a summary description of services provided and the aggregate expenses incurred by the applicable professional firm; *provided*, *however*, that any such invoice (i) may be limited and/or redacted to protect privileged, confidential, or proprietary information and (ii) shall not be required to contain individual time detail (*provided* that such invoice shall contain (except for financial

advisors compensated on other than an hourly basis) summary data regarding hours worked by each timekeeper for the applicable professional and such timekeepers' hourly rates). The Debtors, the Committee (if appointed), and the U.S. Trustee may object to any portion of the Invoiced Fees (the "**Disputed Invoiced Fees**") within the Review Period by filing with the Court a motion or other pleading, on at least ten (10) business days' prior written notice (but no more than fifteen (15) business days' notice) of any hearing on such motion or other pleading, setting forth the specific objections to the Disputed Invoiced Fees in reasonable narrative detail and the basis for such objections; *provided* that payment of any undisputed portion of Invoiced Fees shall not be delayed based on any objections thereto.

17. Adequate Protection Reservation. Nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided to the Prepetition Secured Parties hereunder is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral during the Chapter 11 Cases or any Successor Cases. The receipt by the Prepetition Secured Parties of the adequate protection provided herein shall not be deemed an admission that the interests of the Prepetition Secured Parties are adequately protected in the event of a termination of the Restructuring Support Agreement. Further, this Final Order shall not prejudice or limit the rights of the Prepetition Secured Parties to seek additional relief with respect to the use of Cash Collateral or for additional adequate protection, subject, in all respects, to the terms and conditions of the Intercreditor Agreement.

Provisions Common to DIP Financing and Use of Cash Collateral

18. Amendment of the DIP Documents. The DIP Documents may from time to time be amended, modified or supplemented by the parties thereto without further order of the Court if: (a) the amendment, modification, or supplement (i) is in accordance with the DIP Documents, and (ii) does not prejudice the rights of the Debtors or their estates in any material respect; (b) a copy (which may be provided through electronic mail or facsimile) of the amendment, modification or supplement is provided to counsel to the Creditors' Committee (if appointed) or any other statutory committee appointed in the Chapter 11 Cases, and the U.S. Trustee (collectively, the "**Notice Parties**"); and (c) notice of the amendment, modification or supplement is filed with the Court; *provided*, that neither consent of the Notice Parties nor approval of the Court will be necessary to effectuate any such amendment, modification or supplement, and *provided further* that such amendment, modification or supplement shall be without prejudice to the right of any party in interest to be heard regarding such proposed amendment.

19. Budget Maintenance and Compliance. The use of borrowings under the DIP Facility shall be in accordance with the Budget (subject to the Permitted Variances, and except as otherwise provided under this Final Order and the DIP Documents with respect to Debtors' Professionals' fees) and the terms and conditions set forth in the DIP Documents and this Final Order; *provided*, that, in the case of fees, costs and expenses of the DIP Agent, the Prepetition First Lien Agent, the First Lien Steering Committee, and the Debtors' Professionals, the Debtors shall pay such fees, costs and expenses in accordance with the DIP Documents, the Interim Order, and this Final Order without being limited by the Budget. The Budget and any modification to, or amendment or update of, the Budget shall be subject to the approval of, and in form and substance acceptable to, the DIP Agent (acting at the direction of the Required DIP Lenders).

20. [Reserved.]

21. Modification of Automatic Stay. The automatic stay imposed under section 362(a)(2) of the Bankruptcy Code is hereby modified as necessary to effectuate all of the terms and provisions of this Final Order, including, without limitation, to: (a) permit the Debtors to grant the DIP Liens, Adequate Protection Liens, DIP Superpriority Claim, and Adequate Protection Superpriority Claims; (b) permit the Debtors to perform such acts as the DIP Agent, DIP Lenders, or the Prepetition Agents each may reasonably request to assure the perfection and priority of the liens granted herein; (c) permit the Debtors to incur all liabilities and obligations to the DIP Agent, DIP Lenders, and Prepetition Secured Parties under the DIP Documents, the DIP Facility and this Final Order; and (d) authorize the Debtors to make, and the DIP Agent, the DIP Lenders and the Prepetition Secured Parties to retain and apply, payments made in accordance with the terms of this Final Order, the DIP Documents and the Prepetition Documents, as applicable.

22. Perfection of DIP Liens and Adequate Protection Liens. This Final Order shall be sufficient and conclusive evidence of the creation, validity, perfection, and priority of all liens granted herein, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording any financing statement, mortgage, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect (in accordance with applicable non- bankruptcy law) the DIP Liens and the Adequate Protection Liens, or to entitle the DIP Agent, the DIP Lenders, the DIP Obligations, the Prepetition Secured Parties, and the Prepetition Secured Obligations to the priorities granted herein. Notwithstanding the foregoing, the DIP Agent and the Prepetition Agents each are authorized, but not required, to file, subject to the terms and priorities of this Final Order

and the Intercreditor Agreement, as they in their respective sole discretion deem necessary or advisable, such financing statements, security agreements, mortgages, notices of liens, and other similar documents to perfect in accordance with applicable non-bankruptcy law or to otherwise evidence the DIP Liens and the Adequate Protection Liens; *provided*, *however*, that no such filing or recordation shall be necessary or required in order to create or perfect the DIP Liens, or the Adequate Protection Liens. The Debtors, without further consent of any party, are authorized on a final basis to execute and deliver, upon request of the DIP Agent and/or the Prepetition Agents, all such financing statements, mortgages, notices, and other documents as the DIP Agent or the Prepetition Agents may reasonably request. The DIP Agent and the Prepetition Agents, each in its discretion, may file a photocopy of this Final Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien or similar instrument. To the extent that any Prepetition First Lien Agent or Prepetition Second Lien Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agent shall also be deemed to be the secured party or mortgagee, as applicable, under such documents or to be the loss payee or additional insured, as applicable. The Prepetition First Lien Agent or the Prepetition Second Lien Agent, as applicable, shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's liens on all DIP Collateral that, without giving effect to the Bankruptcy Code, the Interim Order, and this Final Order, is of a type such that perfection of a lien therein may be accomplished only by possession or control by a secured party.

23. Application of Proceeds of Collateral. As a condition to the entry of the DIP Documents, the extension of credit under the DIP Facility and the authorization to use Cash Collateral, the Debtors agreed that as of and commencing on the date of the Interim Order, except as otherwise expressly contemplated by the Restructuring Support Agreement, including pursuant to the Chapter 11 Plan, the Debtors shall apply all net proceeds of DIP Collateral in accordance with the DIP Credit Agreement until the DIP Obligations have been indefeasibly paid in full, in cash, and thereafter to the Prepetition Secured Obligations in accordance with the Prepetition Documents, including the Intercreditor Agreement. The reduction of any Prepetition Secured Obligations is subject to the preservation of rights provided in paragraph 42 herein.

24. Protections of Rights of DIP Agent, DIP Lenders and Prepetition Secured Parties.

(i) Unless the DIP Agent (acting at the direction of the Required DIP Lenders) and the Prepetition First Lien Agent (acting at the direction of the "Required Lenders" (as such term is defined in the Prepetition First Lien Agreement, the "**Required Lenders**")) shall have provided their prior written consent or all DIP Obligations have been paid in full in cash and all commitments thereunder are terminated, there shall not be entered in any of these Chapter 11 Cases or any Successor Cases any order (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following: (A) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other Lien on all or any portion of the DIP Collateral or Prepetition Collateral and/or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claim, the Prepetition Liens, the Prepetition Adequate Protection Liens, and/or the Adequate Protection Superpriority Claims; (B) the use of Cash Collateral for any purpose other

than as permitted in the DIP Documents and this Final Order, or (C) any modification of any of the DIP Agent's, DIP Lenders', or the Prepetition Secured Parties' rights under this Final Order, the DIP Documents or the Prepetition Documents with respect any DIP Obligations or Prepetition Secured Obligations (except as expressly contemplated by the Restructuring Support Agreement, including pursuant to the Chapter 11 Plan); provided, that any modification to the rights of the Prepetition Second Lien Parties hereunder shall also require the consent of such Prepetition Second Lien Parties to the extent such consent is required under the Intercreditor Agreement. For the avoidance of doubt, if any order (including any order confirming any plan of reorganization or liquidation) authorizing the actions specified in clause (A) through (C) above is entered in these Chapter 11 Cases, or any Successor Cases, without the prior written consent of the Prepetition First Lien Agent (acting at the direction of the Required Lenders) at any time prior to the indefeasible repayment in full of the Prepetition Secured Obligations, Prepetition Secured Parties' rights to object to the Debtors' use of Cash Collateral and to assert a lack of adequate protection shall be fully preserved.

(ii) The Debtors (and/or their legal and financial advisors in the case of clauses (B) through (D) below) will, until the DIP Termination Date, (A) maintain books, records, and accounts to the extent and as required by the DIP Documents, (B) reasonably cooperate with, consult with, and provide to the DIP Agent and the DIP Lenders all such information and documents that any or all of the Debtors are obligated (including upon the request by the DIP Agent (acting at the direction of the Required DIP Lenders)) to provide under the DIP Documents or the provisions of this Final Order, (C) upon reasonable advance notice, permit consultants, advisors, and other representatives of each of the DIP Agent (acting at the direction of the Required DIP Lenders), the DIP Lenders, the Prepetition First Lien Agent (acting at the direction of the

Required Lenders), and the First Lien Steering Committee to visit and inspect any of the Debtors' respective properties, to examine and make abstracts or copies from any of their respective books and records, to tour the Debtors' business premises and other properties, and to discuss, and provide advice with respect to, their respective affairs, finances, properties, business operations, and accounts with their respective officers, employees, independent public accountants, and other professional advisors (other than legal counsel) as and to the extent required by the DIP Documents and/or the Prepetition First Lien Documents, (D) permit the DIP Agent (acting at the direction of the Required DIP Lenders), the DIP Lenders, the Prepetition First Lien Agent (acting at the direction of the Required Lenders), and the First Lien Steering Committee (without duplication), and their respective consultants, advisors and other representatives to consult with the Debtors' management and advisors on matters concerning the Debtors' businesses, financial condition, operations and assets, and (E) upon reasonable advance notice, permit the DIP Agent (acting at the direction of the Required DIP Lenders), the DIP Lenders, the Prepetition First Lien Agent (acting at the direction of the Required Lenders), and the First Lien Steering Committee (without duplication) to conduct, at their reasonable discretion and at the Debtors' cost and expense, field audits, collateral examinations, liquidation valuations and inventory appraisals at reasonable times in respect of any or all of the DIP Collateral and Prepetition Collateral.

(iii) The DIP Agent (acting at the direction of the Required DIP Lenders) shall have the right to credit bid up to the full amount of the outstanding DIP Obligations including any accrued interest and expenses, in any sale of DIP Collateral, as provided for in section 363(k) of the Bankruptcy Code, whether such sale is effectuated through Section 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise. The Prepetition First Lien Agent (acting at the direction of the Required Lenders) shall have the

right to credit bid up to the full amount of any remaining Prepetition First Lien Obligations in any sale of Prepetition Collateral, as provided for in section 363(k) of the Bankruptcy Code, whether such sale is effectuated through Section 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under Section 725 of the Bankruptcy Code, or otherwise, subject, in each case, to the rights and duties of the parties under the Intercreditor Agreement and to the satisfaction of the DIP Obligations, or as otherwise consented to by the DIP Agent (at the direction of the Required DIP Lenders).

25. Proceeds of Subsequent Financing. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Chapter 11 Cases or any Successor Cases, shall obtain credit or incur debt pursuant to Bankruptcy Code sections 364(b), 364(c) or 364(d) in violation of the DIP Documents at any time prior to the indefeasible repayment in full of all DIP Obligations, and the termination of the DIP Agent's and DIP Lenders' obligation to extend credit under the DIP Facility, and such facilities are secured by any DIP Collateral, then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied in accordance with this Final Order and the DIP Documents and the Intercreditor Agreement. For the avoidance of doubt, if the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in the Chapter 11 Cases, or any Successor Cases, shall obtain credit or incur debt pursuant to Bankruptcy Code 364(d) at any time prior to the indefeasible repayment in full of the Prepetition Secured Obligations, the Prepetition Secured Parties' rights to object to the Debtors' use of Cash Collateral and assert a lack of adequate protection shall be fully preserved.

26. Cash Collection. The Debtors shall maintain cash management consistent with prepetition practices and in accordance with the DIP Credit Agreement, including, without

limitation, Section 4.11 thereof. Except as otherwise permitted under the DIP Credit Agreement or otherwise agreed to in writing by the DIP Agent (acting at the direction of the Required DIP Lenders) and the Prepetition First Lien Agent (acting at the direction of Required Lenders), the Debtors shall maintain no accounts except those identified in the final order entered by the Court authorizing the Debtors' continued use of their existing cash management system (the "**Cash Management Order**"). The Debtors and the financial institutions where the Debtors maintain deposit accounts (as identified in any Cash Management Order), are authorized and directed to remit, without offset or deduction, funds in such deposit accounts upon receipt of any direction to that effect from the DIP Agent (acting at the direction of the Required DIP Lenders). On the Closing Date the Debtors shall enter into one or more deposit account control agreements with respect to all accounts identified in the Cash Management Order (other than Excluded Accounts) in favor of the DIP Agent for the benefit of the DIP Lenders.

27. Maintenance of DIP Collateral. Until (x) the indefeasible payment in full of all DIP Obligations and the termination of the DIP Agent and the DIP Lenders' obligation to extend credit under the DIP Facility, or (y) consummation of the Chapter 11 Plan as contemplated under the Restructuring Support Agreement, the Debtors shall: (a) insure the DIP Collateral as required under the DIP Facility or the Prepetition Documents, as applicable; and (b) maintain the cash management system in effect as of the Petition Date, as modified by any order that may be entered by the Court which has first been agreed to by the DIP Agent (acting at the direction of the Required DIP Lenders), including the Cash Management Order, or as otherwise required by the DIP Documents. For the avoidance of doubt, at any time prior to the indefeasible repayment in full of the Prepetition Secured Obligations, Prepetition Secured Parties' rights to object to the Debtors' use of Cash Collateral and to assert a lack of adequate protection as a result of the Debtors'

failure to (a) insure the DIP Collateral as required under the Prepetition Documents or (b) maintain the cash management system in effect as of the Petition Date shall be fully preserved.

28. Disposition of DIP Collateral. The Debtors shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Collateral or Prepetition Collateral other than in the ordinary course of business without the prior written consent of the DIP Agent (acting at the direction of the Required Term DIP Lenders) and the Prepetition First Lien Agent (acting at the direction of the Required Lenders) (and no such consent shall be implied, from any other action, inaction or acquiescence by the DIP Agent, DIP Lenders, or Prepetition First Lien Parties), except as otherwise provided for in the DIP Documents, and subject to the Intercreditor Agreement.

29. Letters of Credit. All Prepetition LCs shall (a) continue in place, (b) be secured by the Prepetition Senior Liens and the Adequate Protection Liens, and (c) be cash collateralized with proceeds of the New Money DIP Facility in an amount equal to 105% of the face amount thereof, and such Cash Collateral shall not be subject to or subordinate to the Carve Out and shall be held in an account at the issuer of the Prepetition LCs, Capital One, National Association ("**CONA**"), for the ratable benefit of CONA, KeyBank National Association, and SunTrust Bank, as Revolving Lenders under (and as defined in) the Prepetition First Lien Agreement. Any release or return of such Cash Collateral to the Debtors' shall immediately be remitted to the DIP Agent for application to the DIP Obligations in accordance with the terms hereof.

30. DIP Termination Date. On the DIP Termination Date, except as provided in paragraph 33 and subject to the Carve Out, (a) all DIP Obligations shall be immediately due and payable, all commitments to extend credit under the applicable DIP Facility will terminate, other than as required in paragraph 39 with respect to the Carve Out, and (b) all authority to use Cash

Collateral shall cease. For the purposes of this Final Order, "DIP Termination Date" shall have the meaning provided in the DIP Credit Agreement.

31. Events of Default. The occurrence of any of the following events, unless waived by the DIP Agent (acting at the direction of the Required DIP Lenders) in writing and in accordance with the terms of the DIP Credit Agreement, shall constitute an event of default (collectively, the "**Events of Default**"): (a) the failure of the Debtors to perform, in any respect, any of the terms, provisions, conditions, covenants, or obligations under this Final Order (except where such failure would not adversely affect the DIP Agent and the DIP Lenders), or (b) the occurrence of any other "Event of Default" under, and as defined in, the DIP Credit Agreement.

32. Reserved.

33. Rights and Remedies Upon Event of Default. (a) The automatic stay provisions of section 362 of the Bankruptcy Code are hereby modified to the extent necessary to permit the DIP Agent (acting at the direction of the Required DIP Lenders) to enforce all of their rights under this Final Order and the DIP Documents and, immediately upon the occurrence and during the continuation of an Event of Default and the giving by the DIP Agent (acting at the direction of the Required DIP Lenders) of five (5) business days' prior written notice (the "**Termination Notice**"; and such notice period, the "**Remedies Notice Period**," provided that such period may be extended by written agreement between the Debtors and the DIP Agent (acting at the direction of the Required DIP Lenders), in their respective discretion), delivered to counsel to the Debtors, with copies to the U.S. Trustee and counsel to the Committee (if appointed), subject in all respects to the terms of this Final Order, including clause (b) below, (1) the DIP Agent (acting at the direction of the Required DIP Lenders) may declare (any such declaration shall be referred to herein as a "**Termination Declaration**") (w) all DIP Obligations owing under the respective

DIP Documents to be immediately due and payable, (x) the termination, reduction or restriction of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the respective DIP Facility, and (y) termination of the DIP Credit Agreement and the DIP Documents as to any future liability or obligation of the DIP Agent and the DIP Lenders, but without affecting any of the DIP Liens or the DIP Obligations; and (2) the DIP Agent (acting at the direction of the Required DIP Lenders) may declare a termination, reduction or restriction on the ability of the Debtors to use Cash Collateral (the date which is the earliest to occur of any such date a Termination Declaration is delivered and the DIP Termination Date shall be referred to herein as the "**Termination Date**"). The Termination Declaration shall be given by electronic mail (or other electronic means) to counsel to the Debtors, counsel to the Prepetition Agents, counsel to a Creditors' Committee (if appointed), and the U.S. Trustee. Upon termination of the Remedies Notice Period, unless the Court orders otherwise during such period, and subject to clause (b) below: (A) the DIP Agent and the DIP Lenders shall be entitled to exercise their rights and remedies in accordance with the respective DIP Documents and this Final Order and shall be permitted to satisfy the relevant DIP Obligations, DIP Superpriority Claim and DIP Liens, subject to the Carve Out, (B) the applicable Prepetition Secured Parties shall be entitled to exercise their rights and remedies to satisfy the relevant Prepetition Secured Obligations, Adequate Prepetition Superpriority Claims and Prepetition Adequate Protection Liens, subject to and consistent with (i) the Carve Out, (ii) this Final Order, and (iii) the Intercreditor Agreement. During the Remedies Notice Period, the only basis on which the Debtors and/or a Creditors' Committee (if any) shall be entitled to seek an emergency hearing within the Remedies Notice Period with the Court shall be to contest whether an Event of Default has occurred and/or is continuing and, upon and after delivery of the Termination Notice, the Debtors and the DIP Agent (at the direction of the Required

DIP Lenders consent to such emergency hearing on an expedited basis to consider whether the automatic stay may be lifted so that the DIP Agent and DIP Lenders may exercise all of their respective rights and remedies in respect of the DIP Collateral in accordance with this Final Order and the DIP Documents, or to consider any other appropriate relief (including the Debtors' use of cash collateral on a nonconsensual basis); and the Debtors shall not be entitled to seek relief under Section 105 of the Bankruptcy Code or otherwise in contravention of any express rights or remedies granted to the DIP Agent, the DIP Lenders or the Prepetition Secured Parties under this Final Order or the DIP Documents. Unless the Court orders otherwise, the automatic stay, as to all of the DIP Agent, DIP Lenders, and Prepetition Secured Parties, shall automatically be terminated at the end of the Remedies Notice Period without further notice or order. Upon expiration of the Remedies Notice Period, subject to the Carve Out in all respects, including the requirements of paragraph 39 hereof, the DIP Agent, DIP Lenders, and the Prepetition Secured Parties shall be permitted to exercise all remedies set forth herein, in the DIP Documents, the Prepetition Documents, and as otherwise available at law without further order of or application or motion to the Court, consistent with the Intercreditor Agreement.

(b) Notwithstanding anything to the contrary in this Final Order, the Interim Order, or the DIP Documents, during the Remedies Notice Period, the Debtors shall be permitted to use proceeds of the DIP Facility and cash on hand, including Cash Collateral, to (1) fund the Carve Out Reserves and pay any amounts in accordance with the Carve Out, and (2) pay (x) accrued wages and any other critical employee-related expenses and (y) subject to the consent of the DIP Agent (at the direction of the Requisite DIP Lenders) any other critical business-related expenses, necessary to operate the Debtors' business or preserve the DIP Collateral as determined by the Debtors in their reasonable discretion and in good faith.

34. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Final Order. The DIP Agent, DIP Lenders, and the Prepetition Secured Parties have acted in good faith in connection with this Final Order and are entitled to rely upon the protections granted herein and by section 364(e) of the Bankruptcy Code. Based on the findings set forth in this Final Order and the record made during the Interim Hearing and the Final Hearing, and in accordance with section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Final Order are hereafter modified, amended or vacated by a subsequent order of this Court or any other court, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties are entitled to the protections provided in section 364(e) of the Bankruptcy Code. Any such modification, amendment or vacatur shall not affect the validity and enforceability of any advances previously made hereunder, or any lien, claim or priority authorized or created hereby.

35. DIP and Other Expenses. The Debtors are authorized, on a final basis, to pay all reasonable and documented prepetition and postpetition fees and expenses of the DIP Agent and DIP Lenders in connection with the DIP Facility, as provided in the DIP Documents, whether or not the transactions contemplated hereby are consummated, including attorneys' fees, financial advisory fees, fees and expenses of other consultants, and indemnification and reimbursement of fees and expenses, in each case to the extent provided for in this Final Order and the DIP Documents. Payment of all such fees and expenses shall not be subject to allowance by the Court. Professionals for the DIP Agent, the DIP Lenders, the Prepetition First Lien Agent and the First Lien Steering Committee shall not be required to comply with the U.S. Trustee fee guidelines, however any time that such professionals seek payment of fees and expenses from the Debtors, each professional shall provide copies of its fee and expense statements or invoices in summary form (which may be redacted or modified to the extent necessary to delete any information subject

to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine) to the U.S. Trustee and counsel for a Creditors' Committee (if appointed) contemporaneously with the delivery of such fee and expense statements to the Debtors. No attorney or advisor to the DIP Agent, DIP Lenders, the Prepetition First Lien Agent or the First Lien Steering Committee shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to (x) the DIP Agent or DIP Lenders in connection with or with respect to the DIP Facility, or (y) the Prepetition First Lien Parties in connection with or with respect to the Prepetition First Lien Facility, are, in each case, hereby approved in full.

36. Indemnification. The Debtors shall indemnify and hold harmless the DIP Agent and the DIP Lenders in accordance with the terms and conditions of the DIP Credit Agreement.

37. Proofs of Claim. The DIP Agent, the DIP Lenders, and the Prepetition Secured Parties will not be required to file proofs of claim in any of the Chapter 11 Cases or Successor Cases for any claim allowed herein. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Chapter 11 Cases or any Successor Cases to the contrary, the Prepetition Agents, in each case, on behalf of themselves and the applicable Prepetition Secured Parties, are hereby authorized and entitled, in their respective sole discretion, but not required, to file (and amend and/or supplement, as they see fit) a single, consolidated, master proof of claim and/or aggregate proofs of claim on behalf of the applicable Prepetition Secured Parties, and may file such master claims in the lead Chapter 11 Case [Case No. 19-11401],

or any Successor Cases, for any claim allowed herein, and such claim shall be deemed filed in every case jointly administered with such case. Any proofs of claim filed by any Prepetition Agent or any Prepetition Lender shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by such Prepetition Agent or any Prepetition Lender. Any order entered by the Court in relation to the establishment of a bar date in any of the Chapter 11 Cases or Successor Cases shall not apply to any claim of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties.

38. Reserved.

39. Carve Out.

(a) Carve Out. As used in this Final Order, the "**Carve Out**" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in clause (iii) below); (ii) all reasonable fees and expenses up to $25,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in clause (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise (and, solely in the case of the Committee Professionals (as defined herein), if any, subject to the Budget, including any Permitted Variance thereto), all accrued and unpaid fees, disbursements, costs and expenses (the "**Allowed Professional Fees**") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "**Debtor Professionals**") and the Creditors' Committee (if any, subject to the Budget) pursuant to section 328 or 1103 of the Bankruptcy Code (the "**Committee Professionals**" and, together with the Debtor Professionals, the "**Professional Persons**") at any time before or on the first business day following delivery by the DIP Agent (at

the direction of the Required DIP Lenders) of a Carve Out Trigger Notice (as defined herein), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed $1,250,000 incurred after the first business day following delivery by the DIP Agent (at the direction of the Required DIP Lenders) of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the "**Post-Carve Out Trigger Notice Cap**"). For purposes of the foregoing, "**Carve Out Trigger Notice**" shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (at the direction of the Required DIP Lenders to the Debtors), their lead restructuring counsel, the U.S. Trustee, and counsel to the Creditors' Committee (if any), which notice may be delivered following the occurrence and during the continuation of an Event of Default under the DIP Facility, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Carve Out Reserves. On the day on which a Carve Out Trigger Notice is given by the DIP Agent to the Debtors with a copy to counsel to the Creditors' Committee (if any) (the "**Carve Out Trigger Notice Date**"), the Carve Out Trigger Notice shall be deemed a draw request and notice of borrowing by the Debtors for New Money DIP Loans under the DIP Facility in an amount equal to the unpaid amounts of the Allowed Professional Fees (any such amounts actually advanced to the Debtors under the DIP Facility to fund the Pre-Carve Out Trigger Notice Reserve (as defined herein) shall constitute New Money DIP Loans), and shall also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor (including any Cash Collateral) to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees (which cash amounts shall reduce, on a

dollar-for-dollar basis, the draw request for New Money DIP Loans with respect thereto). The Debtors shall deposit and hold such amounts in a segregated account in trust exclusively to pay such unpaid Allowed Professional Fees (the "**Pre-Carve Out Trigger Notice Reserve**") prior to any and all other claims. On the Carve Out Trigger Notice Date, the Carve Out Trigger Notice shall also be deemed a request by the Debtors for New Money DIP Loans in an amount equal to any unfunded portion of the Post-Carve Out Trigger Notice Cap (any such amounts actually advanced to the Debtors under the DIP Facility to fund the Post-Carve Out Trigger Notice Reserve (as defined herein) shall constitute New Money DIP Loans) and shall also constitute a demand to the Debtors to utilize all cash on hand as of such date and an available cash thereafter held by any Debtor (including Cash Collateral) to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap (which cash amounts shall reduce, on a dollar-for-dollar basis, the draw request for New Money DIP Loans with respect thereto). The Debtors shall deposit and hold such amounts in a segregated account in trust exclusively to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (the "**Post-Carve Out Trigger Notice Reserve**" and, together with the Pre-Carve Out Trigger Notice Reserve, the "**Carve Out Reserves**") prior to any and all other claims. Promptly following the Carve Out Trigger Notice Date and the deemed requests for the making of DIP Loans as provided in this paragraph (b), notwithstanding anything in the DIP Credit Agreement to the contrary, including with respect to (1) the existence of a Default or Event of Default, (2) the failure of the Debtors to satisfy any or all of the conditions precedent for the making of any DIP Loans under the DIP Credit Agreement, (3) any termination of the Commitments (following an Event of Default), or (4) the occurrence of the DIP Termination Date, each DIP Lender with an outstanding Commitment shall make available to the DIP Agent such DIP Lender's pro rata share of such DIP Loans; *provided*, *however*, that nothing herein shall

require the DIP Lenders to make New Money DIP Loans in excess of $40 million in the aggregate. For the avoidance of doubt, the Carve Out Reserves shall constitute the primary source for payment of Allowed Professional Fees entitled to benefit from the Carve Out, and any lien priorities or superpriority claims granted pursuant to this Final Order to secure payment of the Carve Out shall be limited to any shortfall in funding as provided below.

(c) Application of Carve Out Reserves. (i) All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in subparagraphs (a)(i) through (a)(iii) of the definition of Carve Out set forth above (the "**Pre-Carve Out Amounts**"), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap until paid in full. If the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (iii), below, any remaining funds after payment of all Allowed Professional Fees constituting Pre-Carve Out Amounts (whenever allowed), plus payment of any shortfall under the Post-Carve Out Trigger Notice Reserve with respect to payment of Allowed Professional Fees constituting Post-Carve Out Amounts (whenever allowed), shall then be distributed *first* to the DIP Agent on account of the DIP Obligations until indefeasibly paid in full, in cash, and all Commitments have been terminated, and *thereafter* to the Prepetition Secured Parties in accordance with their rights and priorities as of the Petition Date in accordance with this Final Order and the Intercreditor Agreement.

(ii) All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the "**Post-Carve Out Amounts**"). If the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (iii), below, any remaining funds after payment of all Allowed Professional Fees constituting Post-Carve Out Amounts (whenever allowed), plus payment of any shortfall under the Pre-Carve Out Trigger Notice Reserve with respect to payment of Allowed

Professional Fees constituting Pre-Carve Out Amounts (whenever allowed), shall then be distributed *first* to the DIP Agent on account of the DIP Obligations until indefeasibly paid in full, in cash, and all Commitments have been terminated, and *thereafter* to the Prepetition Secured Parties in accordance with their rights and priorities as of the Petition Date in accordance with this Final Order and the Intercreditor Agreement.

(iii) Notwithstanding anything to the contrary in the DIP Documents or this Final Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph (b), then, any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve to the extent of any shortfall in funding prior to making any payments to the DIP Agent or the Prepetition Secured Parties, as applicable.

(iv) Notwithstanding anything to the contrary in the DIP Documents, the Interim Order, or this Final Order, following delivery of a Carve Out Trigger Notice, if the DIP Agent (at the direction of the Required DIP Lenders) sweeps or forecloses on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors, the DIP Agent shall promptly deposit any cash swept or foreclosed upon after delivery of the Carve Out Trigger Notice (including cash received as a result of the sale or other disposition of assets) into the Carve Out Reserves, until both Carve Out Reserves have been fully funded.

(v) Notwithstanding anything to the contrary in this Final Order or the Interim Order, (i) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out and (ii) in no way shall the Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors. For the

avoidance of doubt and notwithstanding anything to the contrary herein or in the DIP Documents, or in any Prepetition Secured Facilities, the Carve Out shall be senior to all liens and claims securing the DIP Facility, the Adequate Protection Liens, and the Adequate Protection Superpriority Claims, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition Secured Obligations.

(d) No Direct Obligation to Pay Allowed Professional Fees. The DIP Agent and the DIP Lenders shall not be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Agent or the DIP Lenders, in any way, to directly pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(e) Payment of Allowed Professional Fees Prior to the Carve Out Trigger Notice Date. Prior to the Carve Out Trigger Notice Date, the Debtors shall be permitted to pay compensation and reimbursement of all Allowed Professional Fees of Estate Professionals, as the same may be due and payable, and such payments shall not reduce the Carve Out. Upon the receipt of the Carve Out Trigger Notice, the right of the Debtors to pay professional fees outside the Carve Out shall terminate and the Debtors shall provide immediate notice to all Professional Persons informing them that such notice was delivered and further advising them that the Debtors' ability to pay such Professional Persons is subject to and limited by the Carve Out. Any payment or reimbursement made prior to the occurrence of the Carve Out Trigger Notice Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(f) Payment of Carve Out on or After the Carve Out Trigger Notice Date. Any payment or reimbursement made on or after the occurrence of the Carve Out Trigger Notice Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out from draws or deemed draws under the DIP Facility shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Final Order, the DIP Documents, the Bankruptcy Code, and applicable law.

40. Limitations on Use of DIP Proceeds, Cash Collateral and Carve Out. The DIP Facility, the DIP Collateral, the Prepetition Collateral, the Cash Collateral and the Carve Out may not be used in connection with: (a) preventing, hindering, or delaying any of the DIP Agent's, the DIP Lenders', or the Prepetition Secured Parties' enforcement or realization upon any of the DIP Collateral or Prepetition Collateral in accordance with the Final Order and the DIP Documents, subject to the Intercreditor Agreement; (b) using or seeking to use Cash Collateral or selling or otherwise disposing of DIP Collateral without the consent of the DIP Agent (acting at the direction of the Required DIP Lenders) other than as permitted in the DIP Documents and this Final Order; (c) outside the ordinary course of business, using or seeking to use any insurance proceeds constituting DIP Collateral without the consent of the DIP Agent (acting at the direction of the Required DIP Lenders); (d) incurring Indebtedness without the prior consent of the DIP Agent (acting at the direction of the Required DIP Lenders), except to the extent permitted under the DIP Credit Agreement; (e) seeking to amend or modify any of the rights granted to the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties under the Interim Order or under this Final Order, the DIP Documents, or the Prepetition Documents; (f) objecting to or challenging in any way the DIP Liens, DIP Obligations, Prepetition Liens, Prepetition Secured Obligations, DIP

Collateral (including Cash Collateral) or, as the case may be, Prepetition Collateral, or any other claims or liens, held by or on behalf of any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties, respectively; (g) asserting, commencing or prosecuting any claims or causes of action whatsoever, including, without limitation, any actions under Chapter 5 of the Bankruptcy Code or applicable state law equivalents, any so-called "lender liability" claims and causes of action, or actions to recover or disgorge payments, against any of the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors and employees, solely in their capacities as such; (h) litigating, objecting to, challenging, or contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of the DIP Obligations, the DIP Liens, the Prepetition Liens, or the Prepetition Secured Obligations, or any rights or interests of any of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties granted under the Interim Order, this Final Order, or the DIP Documents; or (i) seeking to subordinate, recharacterize, disallow or avoid the DIP Obligations or the Prepetition Secured Obligations; *provided*, *however*, that the Carve Out and such collateral proceeds and loans under the DIP Documents may be used for allowed fees and expenses, in an amount not to exceed $50,000 in the aggregate, incurred solely by a Creditors' Committee (if appointed), in investigating (but not prosecuting or challenging) the validity, enforceability, perfection, priority or extent of the Prepetition Liens or Prepetition Secured Obligations (the "**Investigation Budget**").

41. Payment of Compensation. Nothing herein shall be construed as a consent to the allowance of any professional fees or expenses of any Professional Person or shall affect the right of the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to object to the allowance and payment of such fees and expenses. So long as an unwaived Event of Default has

not occurred, the Debtors shall be permitted to pay fees and expenses allowed and payable by final order (that has not been vacated or stayed, unless the stay has been vacated) under sections 328, 330, 331, and 363 of the Bankruptcy Code, as the same may be due and payable, in accordance with this Final Order and the DIP Documents.

42. Effect of Stipulations on Third Parties.

(i) *Generally*. The admissions, stipulations, agreements, releases, and waivers set forth in the Interim Order and/or this Final Order are and shall be binding on the Debtors, any subsequent trustee, responsible person, examiner with expanded powers, any other estate representative, and all creditors and parties in interest and all of their successors in interest and assigns, including, without limitation, any official committee that may be appointed in these cases, unless, and solely to the extent that, (i) a Creditors' Committee (if any) or any other party in interest with standing and requisite authority (other than the Debtors, as to which any Challenge (as defined herein) shall be waived) has timely filed the appropriate pleadings, and timely commenced the appropriate proceeding required under the Bankruptcy Code and Bankruptcy Rules, including, without limitation, as required pursuant to Part VII of the Bankruptcy Rules challenging the Debtors' Stipulations (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "**Challenge**") before the earlier of: (A) the date on which objections to confirmation of the Chapter 11 Plan are due, and (B) no later than (1) for a Committee (to the extent one is appointed), sixty (60) calendar days from the date of the Committee's appointment, or (2) seventy-five (75) calendar days from the entry of the Interim DIP Order for any other party in interest with requisite standing (the "**Challenge Deadline**"), as such applicable date may be extended in writing from time to time by the Prepetition First Lien Agent (acting at the direction of the Required Lenders (with respect to the Prepetition First Lien Documents), or by

this Court for good cause shown pursuant to an application filed by a party in interest prior to the expiration of the Challenge Deadline, and (ii) this Court enters judgment in favor of the plaintiff or movant in any such timely and properly commenced Challenge proceeding and any such judgment has become a final judgment that is not subject to any further review or appeal. For the avoidance of doubt, any trustee appointed or elected in these Chapter 11 Cases shall, until the expiration of the period provided herein for asserting Challenges, and thereafter for the duration of any adversary proceeding or contested matter timely commenced prior to the Challenge Deadline pursuant to this paragraph (whether commenced by such trustee or commenced by any other party in interest with the requisite standing on behalf of the Debtors' estates), be deemed to be a party other than the Debtors and shall not, for purposes of such adversary proceeding or contested matter, be bound by the acknowledgments, admissions, confirmations and stipulations of the Debtors in the Interim Order or this Final Order.

(ii) *Binding Effect*. To the extent no Challenge is timely and properly commenced by the Challenge Deadline, then, without further notice, motion, or application to, order of, or hearing before, this Court and without the need or requirement to file any proof of claim, the Debtors' Stipulations shall, pursuant to this Final Order, become binding, conclusive, and final on any person, entity, or party in interest in the Chapter 11 Cases, and their successors and assigns, and in any Successor Case for all purposes and shall not be subject to challenge or objection by any party in interest, including, without limitation, a trustee, responsible individual, examiner with expanded powers, or other representative of the Debtors' estates. Notwithstanding anything to the contrary herein, if any such proceeding is properly and timely commenced, the Debtors' Stipulations shall nonetheless remain binding on all other parties in interest and preclusive as provided in subparagraph (a) above, except to the extent that any of such Debtors'

Stipulations is expressly the subject of a timely and properly filed Challenge, which Challenge is successful as set forth in a final judgment, and only as to plaintiffs or movants that have complied with the terms hereof. To the extent any such Challenge proceeding is timely and properly commenced, the Prepetition First Lien Agent, the First Lien Steering Committee, and any other Prepetition First Lien Lender to the extent approved by the Debtors and the Prepetition First Lien Agent (acting at the direction of the Required Lenders) in their respective reasonable discretion, shall be entitled to payment of the related costs and expenses, including, but not limited to, reasonable attorneys' fees, incurred under the Prepetition First Lien Documents in defending themselves and the other Prepetition First Lien Lenders in any such proceeding as adequate protection.

43. No Third Party Rights. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, or incidental beneficiary.

44. Section 506(c) Claims. No costs or expenses of administration which have been or may be incurred in the Chapter 11 Cases at any time shall be charged against the DIP Agent, DIP Lenders, or the Prepetition Secured Parties, or any of their respective claims, the DIP Collateral, or the Prepetition Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent, as applicable, of the DIP Agent (acting at the direction of the Required DIP Lenders), the Prepetition First Lien Agent (acting at the direction of the Required Lenders) or the Prepetition Second Lien Agent (acting at the direction of the requisite lenders), as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence by any such agents or lenders.

45. No Marshaling/Applications of Proceeds. The DIP Agent, DIP Lenders, and Prepetition Secured Parties shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral, as the case may be, and proceeds shall be received and applied pursuant to this Final Order and the DIP Documents notwithstanding any other agreement or provision to the contrary.

46. Section 552(b). The Prepetition Secured Parties shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties, with respect to proceeds, product, offspring or profits of any of the Prepetition Collateral.

47. Access to DIP Collateral. Without limiting any other rights or remedies of the DIP Agent, exercisable on behalf of the DIP Lenders, contained in this Final Order, the DIP Documents, or otherwise available at law or in equity, and subject to the terms of the DIP Documents, upon written notice to the landlord of any leased premises that an Event of Default or the Termination Date has occurred and is continuing, the DIP Agent (acting at the direction of the Required DIP Lenders) may, subject to the applicable notice provisions, if any, in this Final Order and any separate applicable agreement by and between such landlord and the DIP Agent, enter upon any leased premises of the Debtors or any other party for the purpose of exercising any remedy with respect to DIP Collateral located thereon and shall be entitled to all of the Debtors' rights and privileges as lessee under such lease without interference from the landlords thereunder, *provided* that the DIP Agent shall be obligated only to pay rent of the Debtors that first accrues after the written notice referenced above and that is payable during the period of such occupancy by the DIP Agent, calculated on a daily per diem basis. Nothing herein shall require the DIP Agent to assume any lease as a condition to the rights afforded in this paragraph. For the avoidance of

doubt, subject to (and without waiver of) the rights of the DIP Agent and/or DIP Lenders under applicable nonbankruptcy law, the DIP Agent and/or DIP Lenders can only enter upon a leased premises after an Event of Default or the Termination Date in accordance with (i) a separate agreement with the landlord at the applicable leased premises, (ii) consent of the landlord, or (iii) upon entry of an order of this Court obtained by motion of the DIP Agent and/or DIP Lenders, on such notice to the landlord as shall be required by this Court or applicable law.

48. Limits on Lender Liability. Nothing in the Interim Order, this Final Order, any of the DIP Documents or Prepetition Documents, or any other documents related thereto shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders or the Prepetition Secured Parties of any liability for any claims arising from any activities by the Debtors in the operation of their businesses or in connection with the restructuring efforts and the administration of these Chapter 11 Cases. The DIP Agent, the DIP Lenders and the Prepetition Secured Parties shall not be deemed in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in the Interim Order, this Final Order, the DIP Documents, or the Prepetition Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, or any of the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors.

49. Insurance Proceeds and Policies. To the fullest extent provided by applicable law, the DIP Agent (on behalf of the DIP Lenders), and the Prepetition First Lien Agent

(on behalf of the Prepetition First Lien Lenders), shall be, and shall be deemed to be on a final basis, without any further action or notice, named as additional insured and loss payee on each insurance policy maintained by the Debtors that constitutes DIP Collateral.

50. Joint and Several Liability. Nothing in the Interim Order or this Final Order shall be construed to constitute a substantive consolidation of any of the Debtors' estates, it being understood, however, that the Borrower Representative and the other Credit Parties shall be jointly and severally liable for the obligations hereunder and all DIP Obligations in accordance with the terms hereof and of the DIP Facility and the DIP Documents.

51. Rights Preserved. Except as provided in this Final Order and the DIP Documents, and subject to the obligations and agreements of such parties under the Restructuring Support Agreement, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly: (a) the DIP Agent's, DIP Lenders', and Prepetition Secured Parties' right to seek any other or supplemental relief in respect of the Debtors; (b) any of the rights of any of the DIP Agent, DIP Lenders, or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including, without limitation, the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Chapter 11 Cases or Successor Cases, conversion of any of the Chapter 11 Cases to cases under Chapter 7, or appointment of a Chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a Chapter 11 plan or plans; or (c) subject to the Intercreditor Agreement, any other rights, claims or privileges (whether legal, equitable or otherwise) of any of the DIP Agent, DIP Lenders, or Prepetition Secured Parties. Notwithstanding anything herein to the contrary, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the Debtors', a

Creditors' Committee's (if appointed) or any party in interest's right to oppose any of the relief requested in accordance with the immediately preceding sentence except as expressly set forth in this Final Order.

52. No Waiver by Failure to Seek Relief. The failure of the DIP Agent, DIP Lenders, or Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Final Order, the DIP Documents, the Prepetition Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of the DIP Agent, DIP Lenders, or Prepetition Secured Parties.

53. Binding Effect of Final Order. Immediately upon the entry of the Final Order by this Court, the terms and provisions of this Final Order shall become valid and binding upon and inure to the benefit of the Debtors, DIP Agent, DIP Lenders, Prepetition Secured Parties, all other creditors of any of the Debtors, any Creditors' Committee (or any other court appointed committee) appointed in the Chapter 11 Cases, and all other parties-in-interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in any of the Chapter 11 Cases, any Successor Cases, or upon dismissal of any Chapter 11 Case or Successor Case.

54. No Modification of Final Order. Until and unless the DIP Obligations and the Prepetition Secured Obligations have been indefeasibly paid in full in cash (such payment being without prejudice to any terms or provisions contained in the DIP Facility which survive such discharge by their terms), and all Prepetition LCs shall have been cancelled, backed, or cash collateralized in accordance with the terms of the Prepetition First Lien Agreement, and all commitments to extend credit under the DIP Facility have been terminated, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly: (a) without the prior

written consent of the DIP Agent or the Prepetition First Lien Agent acting at the direction of the Required DIP Lenders or Required Lenders (or, in each case, the requisite lenders otherwise required to effectuate any such waiver, consent or amendment under Section 9.1 of the DIP Credit Agreement or Section 9.1 of the Prepetition First Lien Agreement, as applicable), respectively, (i) any modification, stay, vacatur or amendment to this Final Order; or (ii) a priority claim for any administrative expense or unsecured claim against the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including, without limitation any administrative expense of the kind specified in sections 503(b), 506(c), 507(a) or 507(b) of the Bankruptcy Code) in any of the Chapter 11 Cases or Successor Cases, equal or superior in priority to the DIP Superpriority Claim or Adequate Protection Superpriority Claims, other than the Carve Out; (b) without the prior written consent of the DIP Agent (acting at the direction of the Required DIP Lenders), any lien on any of the DIP Collateral with priority equal or superior to the DIP Liens, except as specifically provided in the DIP Documents; (c) without the prior written consent of the Prepetition First Lien Agent (acting at the direction of the Required Lenders), any lien on any of the Prepetition Collateral with priority equal or superior to the Prepetition Liens or Adequate Protection Liens (other than the DIP Liens); (d) to the extent such consent is required under the Intercreditor Agreement, without the prior written consent of the Prepetition Second Lien Agent (acting at the direction of the "Required Lenders" (as such term is defined in the Prepetition Second Lien Agreement)), any modification, stay, vacatur or amendment to this Final Order that materially and adversely affects the rights of the Prepetition Second Lien Parties hereunder, or (e) without the prior written consent of the DIP Agent or Prepetition First Lien Agent, as applicable, any modification, stay, vacatur or amendment to this Final Order affecting the rights, duties or obligations of the DIP Agent or Prepetition First Lien Agent, as applicable. The Debtors

irrevocably waive any right to seek any amendment, modification or extension of this Final Order without the prior written consent, as provided in the foregoing, of the DIP Agent or the Prepetition First Lien Agent acting at the direction of the Required DIP Lenders or Required Lenders, respectively, and no such consent shall be implied by any other action, inaction or acquiescence of the DIP Agent or the Prepetition First Lien Agent.

55. Continuing Effect of the Intercreditor Agreement. The Intercreditor Agreement and any other intercreditor agreement or subordination agreement between and/or among any Prepetition Secured Party, and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Documents (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights and remedies of the Prepetition Secured Parties (including, by agreement of the Prepetition First Lien Agent and the Prepetition Second Lien Agent (in each case, at the direction of the requisite respective Prepetition Secured Parties) the relative priorities, rights and remedies of such parties with respect to the replacement liens and administrative expense claims and superpriority administrative expense claims granted, or amounts payable, by the Debtors under this Final Order or otherwise and the modification of the automatic stay), and (iii) shall not be deemed to be amended, altered or modified by the terms of this Final Order or the DIP Documents, unless expressly set forth herein. The Debtors, the DIP Agent, DIP Lenders, and Prepetition Secured Parties have each agreed that they shall be bound by, and in all respects the DIP Facility and DIP Collateral shall be governed by, and be subject to, all the terms, provisions and restrictions of the Intercreditor Agreement, except as may be expressly modified by this Final Order. The DIP Facility is a First Lien Loan Agreement as that term is used in the Intercreditor Agreement, and any repayment of the Prepetition First Lien Obligations

pursuant to this Final Order shall not be deemed to constitute a "discharge" of Prepetition First Lien Obligations for purposes of the Intercreditor Agreement.

56. Final Order Controls. In the event of any inconsistency between the terms and conditions of the DIP Documents, the Interim Order, and this Final Order, the provisions of this Final Order shall govern and control.

57. Discharge. Except as contemplated by the Restructuring Support Agreement and pursuant to the Chapter 11 Plan, the DIP Obligations and the obligations of the Debtors with respect to the adequate protection provided herein shall not be discharged by the entry of an order confirming any plan of reorganization in any of the Chapter 11 Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been indefeasibly paid in full in cash, on or before the effective date of such confirmed plan of reorganization.

58. Survival. The provisions of this Final Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in any of the Chapter 11 Cases; (b) converting any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code; (c) dismissing any of the Chapter 11 Cases or any Successor Cases; or (d) pursuant to which this Court abstains from hearing any of the Chapter 11 Cases or Successor Cases. The terms and provisions of this Final Order, including the claims, liens, security interests, and other protections granted to the DIP Agent, DIP Lenders, and Prepetition Secured Parties granted pursuant to the Interim Order, this Final Order and/or the DIP Documents, shall continue in the Chapter 11 Cases, in any Successor Cases, or following dismissal of the Chapter 11 Cases or any Successor Cases, and shall maintain their priority as provided by this Final Order until: (i) in respect of the DIP Facility, all the DIP Obligations, pursuant to the

DIP Documents and this Final Order, have been indefeasibly paid in full in cash; and (ii) in respect of the Prepetition First Lien Agreement, all of the Prepetition First Lien Obligations pursuant to the Prepetition First Lien Documents and this Final Order have been indefeasibly paid in full in cash. The terms and provisions concerning the indemnification of the DIP Agent and DIP Lenders shall continue in the Chapter 11 Cases, in any Successor Cases, following dismissal of the Chapter 11 Cases or any Successor Cases, following termination of the DIP Documents and/or the indefeasible repayment of the DIP Obligations.

59. Satisfaction of DIP Claims. In connection with any allocation of the Debtors' property for purposes of determining the value the Prepetition Secured Parties' interests in the Prepetition Collateral after the Debtors have accounted for, and satisfied the DIP Claims (in connection with confirmation of a plan of reorganization or otherwise), the DIP Claims shall be satisfied from all present and after acquired property of the Debtors (including the proceeds, product, offspring, profits or value thereof), wherever located, not subject to a lien or security interest on the Petition Date prior to the use of the Prepetition Collateral to satisfy such DIP Claims.

60. Texas Tax Liens. Notwithstanding any other provisions included in the Interim Order or this Final Order, or any agreements approved hereby, any statutory liens (collectively, the "**Tax Liens**"), including business personal property liens, of Bell County Tax Appraisal District, Texas, The City of Waco, Texas, and Runnels County, Texas (collectively, the "**Texas Taxing Jurisdictions**") shall not be primed by nor made subordinate to any liens granted to any party hereby to the extent such Tax Liens are, as of the Petition Date, valid, senior, perfected, unavoidable, and enforceable, and all parties' rights to object to the priority, validity, amount, and extent of the claims and liens asserted by the Texas Taxing Jurisdictions are fully preserved.

61. Nunc Pro Tunc Effect of this Final Order. This Final Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 and shall take effect and be enforceable nunc pro tunc to the Petition Date immediately upon execution thereof.

62. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

63. No later than two (2) business days after the date of this Final Order, the Debtors shall serve a copy of the Final Order on the Notice Parties and shall file a certificate of service no later than 24 hours after service.

64. Retention of Jurisdiction. The Court has, and will retain, jurisdiction to enforce the terms of any and all matters arising from or related to the DIP Facility and/or this Final Order.

[2] Capitalized terms used but not defined in this section shall have the meanings ascribed to such terms further below, in the First Day Declaration (as defined herein), this motion, the DIP Loan Agreement, or in the Interim Order, as applicable.

[3] The facts and circumstances supporting this motion are set forth in the *Declaration of Jesse M. Parrish, Chief Financial Officer of Blackhawk Mining LLC, in Support of Chapter 11 Petitions and First Day Pleadings* (the "First Day Declaration"), filed contemporaneously with this motion and incorporated by reference herein.

Introduction

1. The Debtors are in urgent need of additional liquidity. As described in the First Day Declaration, the Debtors have only approximately $500,000 in cash on hand as of the Petition Date. First Day Decl. ¶ 48. To execute the value-maximizing restructuring contemplated by the Debtors' restructuring support agreement ("RSA") and to fund these chapter 11 cases, the Debtors require debtor-in-possession ("DIP") financing in the form of continued access to an asset-based lending ("ABL") facility and additional new money financing in the form of a term DIP facility. Moreover, access to the proposed DIP Facilities (as defined below) will send a clear signal to the market that the Debtors' operations can and will continue on a business-as-usual basis. Indeed, the coupling of the DIP Facilities with the Debtors' RSA sends a strong message that the Debtors will have the liquidity necessary to emerge a stronger, well-capitalized company.

2. Accordingly, the Debtors seek approval of the proposed $240 million DIP Facilities. The proposed DIP Facilities consist of (a) a $90.0 million DIP ABL facility, which will primarily refinance the Debtors' prepetition ABL credit facility and provide $5.0 million of incremental liquidity (the "DIP ABL Facility"), and (b) a $150.0 million Term DIP Loan, including $50.0 million in new-money financing and the roll up of $100.0 million of the Debtors' prepetition first lien term loans (the "Term DIP Facility," and together with the DIP ABL Facility, the "DIP Facilities").

3. The DIP Facilities will provide the Debtors with ample liquidity to fund the Debtors' business operations and administrative expenses during the contemplated time period of these chapter 11 cases. If approved, the Debtors will use the proceeds of the DIP Facilities to, among other things, honor employee wages and benefits, procure goods and services, fund general and corporate operating needs and the administration of these chapter 11 cases, in each case in

accordance with a budget agreed to by the Debtors and the DIP Lenders (the "Budget") attached hereto as **Schedule 1** to **Exhibit A**.

4. As set forth in the First Day Declaration, the Debtors and their estates would suffer immediate and irreparable harm if the Debtors were denied the financing needed to sustain on-going business operations during the critical first weeks of these cases. The DIP Facilities ensure that the Debtors (a) have sufficient funding to consummate the chapter 11 plan contemplated by the RSA, and (b) can continue to operate uninterrupted in these chapter 11 cases. Further, as set forth in the Puntus Declaration, the terms of the DIP Facilities are reasonable under the circumstances, and were the product of good faith, arm's length negotiations.

5. Thus, for the reasons set forth herein, in the Puntus Declaration, and in the First Day Declaration, the Debtors believe that approval of the DIP Facilities will maximize the value of the Debtors' estates for the benefit of all of the Debtors' stakeholders and is an exercise of the Debtors' sound business judgment. Accordingly, the Debtors respectfully request that the Court approve the relief requested herein, and enter an interim order substantially in the form attached hereto as **Exhibit A** (the "Interim Order") and a final order (the "Final Order," and together with the Interim Order, the "DIP Orders").

Jurisdiction and Venue

6. The United States Bankruptcy Court for the District of Delaware (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012. The Debtors confirm their consent, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent

of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

7. The bases for the relief requested herein are sections 105, 361, 362, 363, 364, 503, and 507 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code"), Bankruptcy Rules 2002, 4001, 6003, 6004, and 9014, and Rules 2002-1(b), 4001-2, and 9013-1(f) of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the "Local Rules").

I. Secured Debt.

A. ABL Credit Facility.

12. On September 6, 2017, the Debtors entered into the Prepetition ABL Credit Agreement (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the "ABL Credit Agreement"), which governs an asset-based revolving credit facility among the Debtors, as borrowers and/or guarantors, MidCap as agent and lender, and additional lenders from time to time party thereto. The Prepetition ABL Credit Facility matures on September 6, 2022. Availability of funds under the Prepetition ABL Facility is capped by the

lesser of (a) a borrowing base calculated as the sum of certain percentages of value of the Debtors' eligible inventory and eligible accounts receivable and (b) a commitment equal to $85 million.[7] The obligations arising under the Prepetition ABL Credit Agreement are secured by (a) senior, first priority security interests in, and liens upon, substantially all of the Debtors' receivables, inventory, as-extracted collateral, deposit securities, and commodities accounts, items related to each of the foregoing, and the proceeds thereof (collectively, the "ABL Priority Collateral"); and (b) senior, second priority security interests in, and liens upon, the First Lien Priority Collateral (as defined below) (collectively, the "ABL Collateral"). As of the Petition Date, there is approximately $82 million in aggregate principal amount outstanding under the Prepetition ABL Credit Facility.

B. Prepetition First Lien Term Loan Credit Facility.

13. On February 17, 2017, Blackhawk entered into the Prepetition First Lien Term Loan Credit Agreement, (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the "First Lien Term Loan Agreement"), which governs the $660 million prepetition first lien term loan credit facility (the lenders thereunder, the "First Lien Lenders"). Blackhawk's obligations under the Prepetition First Lien Term Loan Credit Agreement are guaranteed by the other Debtors. On December 15, 2017, Blackhawk entered into an amendment to the Prepetition First Lien Term Loan Credit Agreement to, among other things, (a) defer the requirement for Blackhawk to make scheduled term loan repayments to certain Prepetition First Lien Term Loan Lenders (the "Initial First Lien B-1 Lenders," and the loans in respect thereof, the "Initial First Lien B-1 Loans"), (b) increase the applicable margin with respect

[7] The Prepetition ABL Credit Agreement originally contemplated a maximum loan amount of $50 million, which was ultimately increased to $85 million pursuant to an amendment dated October 10, 2018.

to the Initial First Lien B-1 Loans, and (c) provide for the payment of interest-in-kind to the Initial First Lien B-1 Lenders via the deemed borrowing of $35.5 million from the Initial First Lien B-1 Lenders (resulting in additional principal of $35.5 million due at maturity). The Prepetition First Lien Term Loan Credit Facility matures on February 17, 2022. The obligations arising under the Prepetition First Lien Term Loan Agreement are secured by (i) senior, first priority security interests in, and liens upon, a substantial portion of the Debtors' equipment, real property, equity interests, intellectual property, intercompany indebtedness, and all other assets and property other than the ABL Priority Collateral (collectively, the "First Lien Priority Collateral") and (ii) senior, second priority security interests in, and liens upon, the ABL Priority Collateral. As of the Petition Date, there is approximately $639 million outstanding under the Prepetition First Lien Term Loan Credit Facility.

C. Prepetition Second Lien Term Loan Credit Facility.

14. On October 28, 2015, Blackhawk entered into the Prepetition Second Lien Term Loan Credit Agreement (as amended restated, amended and restated, supplemented, or otherwise modified from time to time, the "Second Lien Term Loan Agreement"), which governs the $229.2 million Prepetition Second Lien Term Loan Credit Facility (the lenders thereunder, the "Second Lien Lenders" and together with the First Lien Lenders, the "Prepetition Term Loan Lenders"). Blackhawk's obligations under the Prepetition Second Lien Term Loan Credit Agreement are guaranteed by the other Debtors. On December 15, 2017, Blackhawk entered into the Fourth Amendment to the Prepetition Second Lien Term Loan Credit Agreement to, among other things, permit Blackhawk to capitalize, compound, and otherwise add to the unpaid principal amount of certain loans under the Prepetition Second Lien Term Loan Credit Agreement, held by certain Prepetition Second Lien Term Loan Lenders, the interest that otherwise would be payable in cash thereon. The Prepetition Second Lien Term Loan Credit Facility matures on April 27, 2021. The

obligations arising under the Prepetition Second Lien Term Loan Credit Agreement are secured by senior, third priority security interests in, and liens upon (a) the First Lien Priority Collateral, subject to the rights of the Prepetition ABL Credit Facility, and (b) the ABL Priority Collateral. As of the Petition Date, there is approximately $318 million outstanding under the Prepetition Second Lien Term Loan Credit Facility.

D. Other Secured Debt.

15. Certain of the Debtors entered into equipment financing agreements with Caterpillar Financial Services Corporation, 1st Trust Bank, Inc., NEFPASS LLC, Komatsu Financial Limited Partnership, and Mitsubishi UFJ Lease & Finance (U.S.A.) Inc. Certain of the Debtors are required to make payments monthly at varying rates described in the equipment financing agreements. The equipment financing obligations are payable at interest rates between 3.9% and 11.4% with maturity dates ranging from October 2019 through November 2022. As of the Petition Date, there is approximately $28 million outstanding under the equipment financing agreements.

II. Unsecured Note.

16. On October 28, 2015, Blackhawk issued the Patriot Unsecured Note to PCC Liquidating Trust. The Patriot Unsecured Note matures on October 28, 2021, and has an aggregate principal amount of approximately $15 million. Interest on the Patriot Unsecured Note accrues at a rate of 2.00% per year, which is capitalized and added to the principal amount outstanding on the last business day of March, June, September, and December of each year, and is payable in cash upon maturity. As of the Petition Date, there is approximately $16 million outstanding under the Patriot Unsecured Note. Blackhawk the only Debtor entity obligated under the Patriot Unsecured Note. The Debtors and PCC Liquidating Trust have reached a settlement of the Patriot Unsecured Note, which is discussed further in the First Day Declaration.

III. Unencumbered Assets.

17. Due to certain restrictions in certain of the Debtors' mineral leases, as much as approximately 26% of their mineral reserve assets are unencumbered.

The DIP Facilities

I. The Debtors' Need for Access to Financing and Use of Cash Collateral.

18. As described in the First Day Declaration, the Debtors require immediate access to liquidity to ensure that they are able to continue operating during these chapter 11 cases and preserve the value of their estates for the benefit of all parties in interest. As of the Petition Date, the Debtors' total cash balance was approximately $500,000, which is insufficient to operate their enterprise and continue paying their obligations as they come due. *See* First Day Decl. ¶ 48. Without immediate postpetition financing and access to Cash Collateral, the Debtors will be unable to pay wages to their employees, pay vendors for equipment and services, meet working capital and business operating needs, preserve and maximize the value of their estates, and administer these chapter 11 cases, causing immediate and irreparable harm to the value of the Debtors' estates to the detriment of all stakeholders. *See* First Day Decl. ¶ 11. Moreover, sufficient post-petition financing is necessary to send a strong market signal that these chapter 11 cases are well-funded. Otherwise customers may seek alternative products and services, and vendors and suppliers may refuse to do business with the Debtors.

19. The Debtors undertook an analysis of how much postpetition financing would be required to operate the Debtors' business and pay administrative costs during the chapter 11 process. This analysis included, among other things, assessing the potential acceleration of demands on available liquidity following the commencement of these chapter 11 cases including potential working capital contraction. Based on this analysis, the Debtors determined that they would require incremental liquidity of approximately $55 million and continued access to an asset-

based revolving loan facility to operate smoothly postpetition, and satisfy all administrative costs and expenses. Therefore, the Debtors believe the DIP Facilities are essential to preserve and maximize the value of their estates, and responsibly administer these chapter 11 cases.

A. Alternative Sources of Financing Are Not Available on Better Terms.

20. The Debtors, with the assistance of their advisors, solicited interest for a $90 million DIP asset-based revolver to primarily refinance the $82 million Prepetition ABL Credit Facility; and a $50 million new money term loan to fund incremental liquidity needs.

21. In April 2019, Centerview solicited interest from seven third-party financial institutions to determine the extent to which third-parties would be willing to provide postpetition financing to the Debtors. *See* Puntus Decl. ¶ 7. The potential third-party lenders contacted by the Debtors included various institutions that routinely provide asset-based debtor-in-possession financing, including both well-known commercial banks and specialty lenders. *See* Puntus Decl. ¶ 7. Of these lenders, six executed confidentiality agreements and received access to non-public information. None of these lenders indicated a willingness to provide the Debtors with DIP financing on an unsecured, junior-lien, or *pari passu* basis. *See* Puntus Decl. ¶ 7. The Debtors received no third-party new money term loan proposals. Regarding a DIP ABL Facility, two third-party lenders submitted proposals with indicative terms, both of which were subject to material due diligence. *See* Puntus Decl. ¶ 7.

22. In addition to third-party lenders, Centerview solicited a DIP asset-based revolver proposal from MidCap, and a new money term loan proposal backstopped by funds managed or advised by Knighthead Capital Management, LLC, Solus Alternative Asset Management LP, and Redwood Capital Management, LLC (collectively, the "Crossover Group"), the primary parties with which the Debtors were negotiating a global restructuring transaction. *See* Puntus Decl. ¶ 8. Over the course of multiple weeks, the Debtors and their advisors engaged in various conversations

and extensive negotiations with MidCap, the Crossover Group, and a group of lenders representing approximately 39% of the Debtors' first lien term loan debt (the "First Lien Group") to achieve the best possible terms for the DIP ABL Facility and Term DIP Facility. *See* Puntus Decl. ¶ 9. Following these arm's-length negotiations, the Debtors were able to secure the proposed $240 million DIP Facilities. The negotiations resulted in material concessions being made by MidCap and the Crossover Group, including with respect to interest rates, fees, and other material terms. Significantly, the DIP Facilities were the Debtors' only viable source of postpetition funding and no other, better alternative was reasonably attainable. *See* Puntus Decl. ¶ 9.

B. The DIP ABL Facility Proposal.

23. MidCap worked constructively with the Debtors through the prepetition process, indicating that it would be willing to provide the DIP ABL Facility under economic terms more favorable than the Prepetition ABL Credit Facility. The Debtors and their advisors negotiated over a number of weeks regarding the structure and economic costs of a proposed DIP ABL Facility. *See* Puntus Decl. ¶ 10. Ultimately, the Debtors' and MidCap agreed to a set of terms that provided the Debtors with necessary access to liquidity during the pendency of these chapter 11 cases on economic terms superior to the terms proposed by competing financing providers. *See* Puntus Decl. ¶ 10. Additionally, by not replacing the Debtors' incumbent lender group and agent with a completely new facility, the Debtors are able to continue to use their existing cash management system (to the extent approved by the Court), rather than having to transition to a completely different commercial banking platform. The Debtors could also leverage the existing Credit Documents to reduce negotiating time and costs.

24. Pending entry of the Final Order, obligations under the Prepetition ABL Credit Facility will roll-up on a "creeping basis." Upon entry of the Final Order, any obligations remaining under the Prepetition ABL Credit Facility will be refinanced by and rolled up into the

DIP ABL Facility. The roll-up of the Prepetition ABL Credit Facility is required by MidCap as a condition to provide postpetition financing. *See* Puntus Decl. ¶ 10. Refinancing these obligations into the DIP ABL Facility will allow the Debtors to continue to make critical investments in their business at an interest rate that is lower that the Prepetition ABL Credit Facility interest rate. *See* Puntus Decl. ¶ 11. Importantly, MidCap reduced fees owed under the Prepetition ABL Credit Facility and DIP ABL Facility (including the Prepetition ABL Credit Facility delayed origination fee) to an amount well below the fees proposed by potential third-party lenders. *See* Puntus Decl. ¶ 11. Therefore, based on the DIP ABL Facility terms and related benefits, the Debtors believe that entry into the DIP ABL Facility with MidCap is in the best interests of the Debtors and their estates.

C. The Term DIP Facility Proposal.

25. Simultaneously with the DIP ABL Facility negotiations, the Debtors and the Crossover Group engaged in arm's-length negotiations regarding a chapter 11 plan of reorganization and a DIP term loan to fund the plan process. In March 2019, the Crossover Group proposed a $50 million DIP term loan credit facility to be provided by Prepetition First Lien Term Loan Lenders and backstopped by the Crossover Group in connection with a restructuring transaction that would leave the reorganized company with significantly more leverage than would the restructuring ultimately agreed to pursuant to the RSA. *See* Puntus Decl. ¶ 13. Following continued negotiations, the Debtors, the Crossover Group, and the First Lien Group were only willing to move forward with a more comprehensive restructuring that would include the equitization of a significant portion of the Prepetition First Lien Term Loan. *See* Puntus Decl. ¶ 13. As part of the more comprehensive restructuring, the Crossover Group and the First Lien Group were only willing to provide the $50 million New Money Term DIP Loans if the DIP Term Loan also included the roll up of $100 million of Prepetition First Lien Term Loan claims.

See Puntus Decl. ¶ 10. Notably, the Debtors' Prepetition First Lien Term Loan Lenders agreed that upon confirmation of the Debtors' proposed prepackaged Plan, the Term DIP Loans will convert into exit term loans, ensuring that the Debtors will not need to solicit additional sources of capital to fund the Debtors' emergence. *See* Puntus Decl. ¶ 13. Importantly, the New Money Term DIP Loan is an integral part of the Debtors' RSA and all of the proposed Term DIP Lenders also signed the RSA documenting their support for the Debtors' proposed plan and solidifying support for a prepackaged, value-maximizing restructuring.

26. The Term DIP Loans are critical to the Debtors' ability to pay the administrative costs of these chapter 11 cases, and provides the Debtors with sufficient liquidity to operate their business without creating a value-destructive "priming" or valuation dispute at the outset of these chapter 11 cases. In tandem with the RSA and the DIP ABL Facility, the Term DIP Facility provides a path to emergence that is important to reassure customers and vendors, protect operations, and maximize value for creditors.

Basis for Relief

I. The Debtors Should Be Authorized to Obtain Postpetition Financing Through the DIP Documents.

A. Entry into the DIP Documents Is an Exercise of the Debtors' Sound Business Judgment.

27. The Court should authorize the Debtors, as an exercise of their sound business judgment, to enter into the DIP Documents, obtain access to the DIP Facilities, and continue using Cash Collateral. Section 364 of the Bankruptcy Code authorizes a debtor to obtain secured or superpriority financing under certain circumstances discussed in detail below. Courts grant a debtor-in-possession considerable deference in acting in accordance with its business judgment in obtaining postpetition secured credit, so long as the agreement to obtain such credit does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code. *See, e.g.*, *In re Trans*

World Airlines, Inc., 163 B.R. 964, 974 (Bankr. D. Del. 1994) (approving a postpetition loan and receivables facility because such facility "reflect[ed] sound and prudent business judgment"); *In re L.A. Dodgers LLC*, 457 B.R. 308, 313 (Bankr. D. Del. 2011) ("[C]ourts will almost always defer to the business judgment of a debtor in the selection of the lender."); *In re Ames Dep't Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) ("[C]ases consistently reflect that the court's discretion under section 364 is to be utilized on grounds that permit reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party in interest.").

28. Specifically, to determine whether the business judgment standard is met, a court need only "examine whether a reasonable business person would make a similar decision under similar circumstances." *In re Exide Techs.*, 340 B.R. 222, 239 (Bankr. D. Del. 2006); *see also In re Curlew Valley Assocs.*, 14 B.R. 506, 513–14 (Bankr. D. Utah 1981) (noting that courts should not second guess a debtor's business decision when that decision involves "a business judgment made in good faith, upon a reasonable basis, and within the scope of the debtor's authority under the [Bankruptcy] Code").

29. Furthermore, in considering whether the terms of postpetition financing are fair and reasonable, courts consider the terms in light of the relative circumstances of both the debtor and the potential lender. *See In re Farmland Indus., Inc.*, 294 B.R. 855, 886 (Bankr. W.D. Mo. 2003) (while many of the terms favored the DIP lenders, "taken in context, and considering the relative circumstances of the parties," the court found them to be reasonable); *see also Unsecured Creditors' Comm. Mobil Oil Corp. v. First Nat'l Bank & Trust Co. (In re Elingsen McLean Oil Co., Inc.)*, 65 B.R. 358, 365 n.7 (W.D. Mich. 1986) (recognizing a debtor may have to enter into

"hard bargains" to acquire funds for its reorganization). The Court may also appropriately take into consideration non-economic benefits to the Debtors offered by a proposed postpetition facility. For example, in *In re ION Media Networks, Inc.*, the bankruptcy court for the Southern District of New York held that:

> Although all parties, including the Debtors and the Committee, are naturally motivated to obtain financing on the best possible terms, a business decision to obtain credit from a particular lender is almost never based purely on economic terms. ***Relevant features of the financing must be evaluated, including non economic elements such as the timing and certainty of closing, the impact on creditor constituencies and the likelihood of a successful reorganization.*** This is particularly true in a bankruptcy setting where cooperation and establishing alliances with creditor groups can be a vital part of building support for a restructuring that ultimately may lead to a confirmable reorganization plan. That which helps foster consensus may be preferable to a notionally better transaction that carries the risk of promoting unwanted conflict.

No. 09-13125, 2009 WL 2902568, at *4 (Bankr. S.D.N.Y. July 6, 2009) (emphasis added).

30. The Debtors' determination to move forward with the DIP Facilities is an exercise of their sound business judgment following an arm's length process and careful evaluation of available alternatives. Specifically, the Debtors and their advisors determined that the Debtors would require significant postpetition financing to support their operational and chapter 11 activities. The DIP Facilities will allow the Debtors to: (a) fund capital expenditures that are essential to the Debtors' continuation as a going concern; (b) provide the liquidity necessary to continue favorable trade terms with vendors and to reassure other stakeholders; (c) fund payroll obligations; (d) fund the administrative cost of these chapter 11 cases; and (e) provide a path to emergence by allowing the Debtors to implement the restructuring contemplated by the RSA and the Plan. The Debtors negotiated the DIP Facilities and other DIP Documents with the DIP Lenders in good faith, at arm's length, and with the assistance of their respective advisors, and the Debtors believe that they have obtained the best financing available under the circumstances.

Accordingly, the Court should authorize the Debtors' entry into the DIP Credit Agreement, as it is a reasonable exercise of the Debtors' business judgment.

B. The Debtors Should Be Authorized to Grant Liens and Superpriority Claims.

31. The Debtors propose to obtain financing under the DIP Facilities by providing security interests and liens as set forth in the DIP Documents pursuant to section 364(c) of the Bankruptcy Code. Specifically, the Debtors propose to provide to the DIP Lenders postpetition security interest in and liens on the DIP Collateral (as defined in the Interim Order) and Prepetition Collateral that are valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination immediately upon entry of the Interim Order.

32. The above-described liens on encumbered and unencumbered assets are common features of postpetition financing facilities, and as set forth in greater detail in the Puntus Declaration, were a necessary feature here to provide security for the proposed financings. Indeed, postpetition financing facilities approved in this Circuit and elsewhere routinely are secured by the proceeds of a debtor's unencumbered assets such as leaseholds that are subject to leases that prohibit the impositions of liens thereon. *See, e.g.*, *In re Z Gallerie, LLC*, No. 19-10488 (LSS) (Bankr. D. Del. Apr. 9, 2019) (approving DIP liens on collateral including any leasehold interests or the proceeds thereof as permitted by applicable law); *In re ATD Corporation*, No. 18-12221 (KJC) (Bankr. D. Del. Oct. 26, 2018) (same); *In re Am. Apparel, LLC*, No. 16-12551 (Bankr. D. Del. Dec. 12, 2016) (same); *In re Vestis Retail Grp., LLC*, No. 16-10971 (Bankr. D. Del. Jun. 1, 2016) (same); *In re Quicksilver, Inc.*, No. 15-11880 (Bankr. D. Del. Oct. 28, 2015) (same).

33. The statutory requirement for obtaining postpetition credit under section 364(c) is a finding, made after notice and hearing, that a debtor is "unable to obtain unsecured credit allowable under Section 503(b)(1) of [the Bankruptcy Code]." 11 U.S.C. § 364(c). *See In re Crouse Grp., Inc.*, 71 B.R. 544, 549 (Bankr. E.D. Pa. 1987) (secured credit under section 364(c)

of the Bankruptcy Code is authorized, after notice and hearing, upon showing that unsecured credit cannot be obtained). Courts have articulated a three-part test to determine whether a debtor is entitled to financing under section 364(c) of the Bankruptcy Code. Specifically, courts look to whether:

a. the debtor is unable to obtain unsecured credit under section 364(b) of the Bankruptcy Code, *i.e.*, by allowing a lender only an administrative claim;

b. the credit transaction is necessary to preserve the assets of the estate; and

c. the terms of the transaction are fair, reasonable, and adequate, given the circumstances of the debtor-borrower and proposed lenders.

See In re Los Angeles Dodgers LLC, 457 B.R. 308 (Bankr. D. Del. 2011); *See In re Ames Dep't Stores*, 115 B.R. 34, 37–40 (Bankr. S.D.N.Y. 1990); *see also In re St. Mary Hosp.*, 86 B.R. 393, 401–02 (Bankr. E.D. Pa. 1988); *Crouse Grp.*, 71 B.R. at 549.

34. As described above and as set forth in the Puntus Declaration, due to the high amount of the Debtors' existing secured debt obligations, each third-party lender indicated it would be unwilling to provide postpetition DIP financing on an unsecured, *pari passu*, or junior-lien basis to the Prepetition Secured Parties. *See* Puntus Decl. ¶ 7. Therefore, the Debtors, in consultation with their advisors, concluded that any workable financing likely would require the support of, or be provided by, the Debtors' existing lenders. The Debtors, however, also negotiated with their creditors and surveyed certain potential lending sources for actionable alternative proposals—but determined that the DIP Facilities provided the best collective opportunity available to the Debtors under the circumstances to fund these chapter 11 cases. *See* Puntus Decl. ¶ 9.

35. Absent the DIP Facilities, which will provide assurances that the Debtors will have sufficient liquidity to administer these chapter 11 cases, the value of the Debtors' estates would be significantly impaired to the detriment of all stakeholders. *See* First Day Decl. ¶¶ 48–49. Without postpetition financing, the Debtors lack sufficient funds to operate their enterprise, continue paying

their debts as they come due, and cover the projected costs of these chapter 11 cases. *See* First Day Decl. ¶¶ 48–49. Given the Debtors' circumstances, the Debtors believe that the terms of the DIP Facilities, as set forth in the DIP Documents, are reasonable as more fully set forth above and in the Puntus Declaration. For all these reasons, the Debtors submit that they have met the standard for obtaining postpetition financing.

36. In the event that a debtor is unable to obtain unsecured credit allowable as an administrative expense under section 503(b)(1) of the Bankruptcy Code, section 364(c) of the Bankruptcy Code provides that a court "may authorize the obtaining of credit or the incurring of debt (a) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of [the Bankruptcy Code]; (b) secured by a lien on property of the estate that is not otherwise subject to a lien; or (c) secured by a junior lien on property of the estate that is subject to a lien." As described above, the Debtors are unable to obtain unsecured credit. Therefore, approving a superpriority claim in favor of the DIP Lenders is reasonable and appropriate.

37. Further, section 364(d) of the Bankruptcy Code provides that a debtor may obtain credit secured by a senior or equal lien on property of the estate already subject to a lien, after notice and a hearing, where the debtor is "unable to obtain such credit otherwise" and "there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted." 11 U.S.C. § 364(d)(1). The Debtors may incur "priming" liens under the DIP Facilities if either (a) the Prepetition Lenders have consented or (b) Prepetition Lenders' interest in collateral are adequately protected. *See Anchor Savs. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 122 (N.D. Ga. 1989) ("[B]y tacitly consenting to the superpriority lien, those [undersecured] creditors relieved the debtor of having to demonstrate that they were adequately protected."). Accordingly, the Debtors may incur "priming" liens under the

DIP Facilities if either (a) their Prepetition Lenders have consented or (b) Prepetition Lenders' interests in collateral are adequately protected.

38. Here, MidCap and the substantial majority of the Prepetition Term Loan Lenders have affirmatively consented to the DIP Facilities and actively participated in facilitating the proposed DIP Facilities, and the Second Lien Lenders are deemed to have consented pursuant to the Prepetition Intercreditor Agreements. Moreover, as set forth more fully in the Interim Order, the Debtors propose to provide a variety of adequate protection to protect the interests of the Prepetition Secured Parties. Therefore, the relief requested pursuant to section 364(d)(1) of the Bankruptcy Code is appropriate.

C. No Comparable Alternative to the DIP Facilities Are Reasonably Available on More Favorable Overall Terms.

39. A debtor need only demonstrate "by a good faith effort that credit was not available without" the protections afforded to potential lenders by sections 364(c) of the Bankruptcy Code. *In re Snowshoe Co., Inc.*, 789 F.2d 1085, 1088 (4th Cir. 1986); *see also In re Plabell Rubber Prods., Inc.*, 137 B.R. 897, 900 (Bankr. N.D. Ohio 1992). Moreover, in circumstances where only a few lenders likely can or will extend the necessary credit to a debtor, "it would be unrealistic and unnecessary to require [the debtor] to conduct such an exhaustive search for financing." *In re Sky Valley, Inc.*, 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988), *aff'd sub nom. Anchor Sav. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 120 n.4 (N.D. Ga. 1989); *see also In re Snowshoe Co.*, 789 F.2d 1085, 1088 (4th Cir. 1986) (demonstrating that credit was unavailable absent the senior lien by establishment of unsuccessful contact with other financial institutions in the geographic area); *In re Stanley Hotel, Inc.*, 15 B.R. 660, 663 (D. Colo. 1981) (bankruptcy court's finding that two national banks refused to grant unsecured loans was sufficient to support conclusion that

section 364 requirement was met); *In re Ames Dep't Stores*, 115 B.R. at 37–39 (debtor must show that it made reasonable efforts to seek other sources of financing under section 364(a) and (b)).

40. As noted above, the Debtors do not believe that a more favorable alternative DIP financing is reasonably available given the realities imposed by the Debtors' existing capital structure and the Debtors' solicitation of alternative financing proposals. Additionally, the Debtors' overall restructuring is closely tied to the successful transaction described in the RSA. Thus, the Debtors have determined that the DIP Facilities provide the most favorable terms whereby the DIP ABL Facility provided by MidCap offers the most efficient transaction costs while reducing execution risks, and the Term DIP Loan provided by the Term DIP Lenders is an integral piece of the debt reduction included in the RSA and is provided on reasonable terms under the circumstances. Simply put, the DIP Facilities provide the Debtors with the liquidity they need at the lowest cost available while simultaneously placing the Debtors on an optimal path for a successful restructuring. Therefore, the Debtors submit that the requirement of section 364 of the Bankruptcy Code that alternative credit on more favorable terms be unavailable to the Debtors is satisfied.

D. The Repayment Features of the DIP Facilities Are Appropriate.

41. Section 363(b) of the Bankruptcy Code permits a debtor to use, sell, or lease property, other than in the ordinary course of business, with court approval. It is well settled in the Third Circuit that such transactions should be approved when they are supported by a sound business purpose. *See In re Abbots Dairies, Inc.*, 788 F.2d 143 (3d Cir. 1986) (holding that in the Third Circuit, a debtor's use of assets outside the ordinary course of business under section 363(b) of the Bankruptcy Code should be approved if the debtor can demonstrate a sound business justification for the proposed transaction). The business judgment rule shields a debtor's management from judicial second-guessing. *In re Johns-Manville Corp.*, 60 B.R. 612, 615–16

(Bankr. S.D.N.Y. 1986) ("[T]he [Bankruptcy] Code favors the continued operation of a business by a debtor and a presumption of reasonableness attaches to a debtor's management decisions.").

42. Repayment of prepetition debt (often referred to as a "roll-up") is a common feature in debtor in possession financing arrangements. Courts in this jurisdiction have approved similar DIP features, including on the first day of the case. *See, e.g.*, *In re ATD Corporation*, No. 18-12221 (KJC) (Bankr. D. Del. Oct. 26, 2018) (authorizing an approximately $1,230 million DIP, including a full roll-up of the prepetition ABL outstanding principal of $639 million and an additional $250 million in additional liquidity, pursuant to interim order); *In re Remington Outdoor Co., Inc.*, No. 18-10684 (BLS) (Bankr. D. Del. Mar. 28, 2018) (authorizing approximately $338 million DIP and a roll-up of approximately $150 million, including a full ABL roll-up of $114 million, pursuant to interim order); *In re Bon-Ton Stores, Inc.*, No. 18-10248 (MFW) (Bankr. D. Del. Feb. 6, 2018) (authorizing full roll-up of all $489 million outstanding prepetition revolving obligations pursuant to interim order); *In re Real Indus. Inc.*, No. 17-12464 (KJC) (Bankr. D. Del. Nov. 20, 2017) (authorizing approximately $365 million DIP that included a creeping roll-up pursuant to interim order and a full roll-up pursuant to final order of approximately $266 million prepetition debt); *In re Charming Charlie, LLC*, No. 17-12906 (CSS) (Bankr. D. Del. Dec. 12, 2017) (authorizing approximately $90 million DIP that included a full ABL roll-up of approximately $22 million prepetition debt pursuant to interim order).[8]

43. The DIP ABL Facility will roll up the full amount outstanding under the Prepetition ABL Credit Agreement in addition to providing the Debtors with additional liquidity. In addition,

[8] Because of the voluminous nature of the orders cited herein, such orders have not been attached to this motion. Copies of these orders are available upon request of the Debtors' proposed counsel.

the Term DIP Facility will roll up $100 million of the Debtors' Prepetition First Lien Term Loans in addition to providing $50 million in new money financing.

44. The roll up of funds is a sound exercise of the Debtors' business judgment, is a material component of the DIP Facilities, and is required by the DIP ABL Lenders and the Term DIP Lenders as a condition to their commitments to provide postpetition financing. *See* Puntus Decl. ¶ 11, 13. The Debtors were unable to obtain DIP financing on similar terms that did not provide for the repayment of prepetition amounts. *See* Puntus Decl. ¶ 11, 13.

45. In addition, refinancing the DIP ABL Obligations into the DIP ABL Facility will allow the Debtors to continue to make critical investments in their business at an interest rate that is lower than the prepetition interest rate including default interest. Moreover, MidCap reduced the fees owed under the Prepetition ABL Credit Facility and the DIP ABL Facility (including the Prepetition ABL Credit Facility's delayed origination fee) to amounts well below the fees proposed by potential third-party providers. *See* Puntus Decl. ¶ 11. Therefore, it is favorable to the Debtors and to all stakeholders that the Debtors enter into the DIP ABL Credit Agreement as soon as possible.

46. Likewise, the Term DIP Lenders were only willing to provide the $50 million New Money Term DIP Loan if it included the $100 million Term DIP Roll-Up Loan. The Term DIP Loans are a critical part of a comprehensive restructuring that includes each Term DIP Lender's signature to the Debtors' RSA. *See* Puntus Decl. ¶ 14. The Term DIP Loans are also critical to the Debtors' ability to pay the administrative costs of the chapter 11 cases. *See* Puntus Decl. ¶ 14.

47. The roll up of the prepetition amounts owed under the Prepetition ABL Facility merely accelerates the satisfaction of the obligations owed under the Prepetition ABL Credit Facility without affecting recovery to other creditors because the Debtors believe that these

obligations are fully secured by perfected, first priority liens with respect to, among other things, inventory and receivables, with a value in excess of outstanding borrowings.

48. Absent support from MidCap and the Crossover Group, the Debtors' chapter 11 cases would likely devolve into a costly priming fight. The roll up of the Prepetition ABL Loans merely affects the timing, not the amount or certainty, of MidCap's recovery—the secured claims arising on account of the Prepetition ABL Loans are required by section 1129 of the Bankruptcy Code to be satisfied in full before recoveries to junior creditors may be provided, absent consent of such secured parties (which consent the Debtors do not have here). Given these circumstances, repayment of the Prepetition ABL Loans is reasonable, and a sound exercise of the Debtors' business judgment.

II. The Debtors Should Be Authorized to Use the Cash Collateral.

49. Section 363 of the Bankruptcy Code generally governs the use of estate property. Section 363(c)(2)(A) of the Bankruptcy Code permits a debtor in possession to use Cash Collateral with the consent of the secured party. Here, the DIP Lenders and the Prepetition Lenders consent or are deemed to consent to the Debtors' use of the Cash Collateral, subject to the terms and limitations set forth in the Interim Order.

50. Section 363(e) of the Bankruptcy Code provides for adequate protection of interests in property when a debtor uses Cash Collateral. Further, section 362(d)(1) of the Bankruptcy Code provides for adequate protection of interests in property due to the imposition of the automatic stay. *See In re Cont'l Airlines*, 91 F.3d 553, 556 (3d Cir. 1996) (en banc). While section 361 of the Bankruptcy Code provides examples of forms of adequate protection, such as granting replacement liens and administrative claims, courts decide what constitutes sufficient adequate protection on a case-by-case basis. *See, e.g.*, *In re Swedeland Dev. Grp., Inc.*, 16 F.3d 552, 564 (3d Cir. 1994) (explaining that the "determination of whether there is adequate protection is made

on a case by case basis"); *In re Satcon Tech. Corp.*, No. 12-12869 (KG), 2012 WL 6091160, at *6 (Bankr. D. Del. Dec. 7, 2012) (same); *In re N.J. Affordable Homes Corp.*, No. 05-60442 (DHS), 2006 WL 2128624, at *14 (Bankr. D.N.J. June 29, 2006) ("the circumstances of the case will dictate the necessary relief to be given"); *In re Columbia Gas Sys., Inc.*, Nos. 91-803, 91-804, 1992 WL 79323, at *2 (Bankr. D. Del. Feb. 18, 1992) ("what interest is entitled to adequate protection and what constitutes adequate protection must be decided on a case-by-case basis"); *see also In re Dynaco Corp.*, 162 B.R. 389, 394 (Bankr. D.N.H. 1993) (citing 2 Collier on Bankruptcy ¶ 361.01[1] at 361–66 (15th ed. 1993) (explaining that adequate protection can take many forms and "must be determined based upon equitable considerations arising from the particular facts of each proceeding")).

A. Adequate Protection Provided to the Prepetition ABL Lender.

51. As set forth in the Interim Order, the Debtors propose to provide the Prepetition Secured Parties with a variety of adequate protection to protect against the postpetition diminution in value of the Cash Collateral resulting from the use, sale, or lease of the Cash Collateral by the Debtors and the imposition of the automatic stay (collectively, the "ABL Adequate Protection Obligations"), including:

a. the reasonable professional fees and expenses of the Prepetition ABL Agent and Prepetition ABL Lenders;

b. the roll-up of the Prepetition ABL Obligations into DIP ABl Obligations in accordance with the DIP ABL Credit Agreement and DIP Orders;

c. payment of post-petition interest at the non-default rate under the Prepetition ABL Credit Agreement;

d. valid and perfected replacement security interests in and liens on the Collateral (subject to the Carve Out and the priorities set out In the Interim Order);

e. allowed, superpriority administrative claims under sections 503(b) and 507(b) of the Bankruptcy Code (subject to the Carve Out and the priorities set out in the Interim Order); and

f. financial reporting and other reports and notices delivered by the Company under the DIP ABL Facility.

B. Adequate Protection Provided to the Prepetition First Lien Term Loan Lenders.

52. As described more fully below, and as set forth in the Interim Order, the Debtors propose to provide the Prepetition Term Loan Lenders with a variety of adequate protection to protect against the postpetition diminution in value of the Cash Collateral resulting from the use, sale, or lease of the Cash Collateral by the Debtors and the imposition of the automatic stay (collectively, the "First Lien Adequate Protection Obligations"):

a. the reasonable professional fees and expenses of certain of the Prepetition First Lien Secured Parties;

b. valid and perfected replacement security interests in and liens on the Collateral (subject to the Carve Out and the liens priorities set forth in the Interim Order);

c. allowed, superpriority administrative claims under section 507(b) of the Bankruptcy Code (subject to the Carve Out and the priorities set out in the Interim Order); and

d. financial reporting and other reports and notices delivered by the Company under the Term DIP Facility.

C. Adequate Protection Provided to the Prepetition Second Lien Term Loan Lenders.

53. As described more fully below, and as set forth in the Interim Order, the Debtors propose to provide the Prepetition Second Lien Term Loan Lenders with adequate protection to protect against the postpetition diminution in value of relevant collateral resulting from the use, sale, or lease of the Cash Collateral by the Debtors and the imposition of the automatic stay (collectively, the "Second Lien Adequate Protection Obligations" and together with the ABL

Adequate Protection Obligations and the First Lien Adequate Protection Obligations, the "Adequate Protection Obligations"):

a. the reasonable professional fees and expenses of certain of the Prepetition Second Lien Term Loan Lenders;

b. allowed, superpriority administrative claims under section 507(b) of the Bankruptcy Code (subject to the Carve Out and the priorities set out in the Interim Order);

c. valid and perfected replacement security interests in and liens on the Collateral (subject to the Carve Out and the priorities set out in the Interim Order); and

d. financial reporting and other reports and notices delivered by the Company under the Term DIP Facility.

54. The Debtors submit that the proposed Adequate Protection Obligations are sufficient to protect the Prepetition Secured Parties from any potential diminution in value to the Cash Collateral. In light of the foregoing, the Debtors further submit, and the Prepetition Secured Parties agree, that the proposed Adequate Protection Obligations to be provided for the benefit of the Prepetition Secured Parties are appropriate. Thus, the Debtors' provision of the Adequate Protection Obligations is not only necessary to protect against any diminution in value but is fair and appropriate under the circumstances of these chapter 11 cases to ensure the Debtors are able to continue using the Cash Collateral, subject to the terms and limitations set forth in the Interim Order, for the benefit of all parties in interest and their estates.

III. The Debtors Should Be Authorized to Pay the Fees Required by the DIP Lenders Under the DIP Documents.

55. Under the DIP Documents, the Debtors have agreed, subject to Court approval, to pay certain fees to the DIP Agents and the DIP Lenders. In particular, as noted above, the Debtors have agreed to pay the following fees:

a. to the DIP ABL Agent for the benefit of the DIP ABL Lenders:

(i). an unused line fee of 0.50% of the average daily balance of the unused portion of the DIP Revolving Loan Commitment (as defined in the DIP ABL Credit Agreement), payable monthly in arrears; and

(ii). an exit fee of 1.50% of the DIP Revolving Loan Commitment Amount (as defined in the DIP ABL Credit Agreement).

b. to the Term DIP Lenders:

(i). an up-front fee of 1.00% of the aggregate principal amount of the New Money Term DIP Loans;

(ii). an unused line fee of 1.00% per annum on the actual daily amount of the unused delayed draw New Money Term DIP Loans; and

(iii). an exit fee of 1.00% of the aggregate principal amount of the New Money Term DIP Loans.

56. Courts in this district and others have approved similar aggregates in fees in large chapter 11 cases. *See In re ATD Corporation*, No. 18-12221 (KJC) (Bankr. D. Del. Oct. 26, 2018) (approving a cash fee approximately 2.0 percent of the overall DIP facility); *In re PES Holdings LLC*, No. 18-10122 (KG) (Bankr. D. Del. Jan. 22, 2018) (same); *In re Toys "R" US, Inc.*, No. 17-34665 (KLP) (Bankr. E.D.Va. Sept. 19, 2017) (approving aggregate fees that were just less than 3.0 percent of the overall DIP facility).

57. It is understood and agreed by all parties, that these fees are an integral component of the overall terms of the DIP Facilities, and were required by the DIP Lenders as consideration for the extension of postpetition financing. *See* Puntus Decl. ¶ 18. Accordingly, the Court should authorize the Debtors to pay the fees provided under the DIP Documents in connection with entering into those agreements.

IV. The DIP Lenders Should Be Deemed Good-Faith Lenders Under Section 364(e).

58. Section 364(e) of the Bankruptcy Code protects a good-faith lender's right to collect on loans extended to a debtor, and its right in any lien securing those loans, even if the

authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. Section 364(e) of the Bankruptcy Code provides that:

> The reversal or modification on appeal of an authorization under this section [364 of the Bankruptcy Code] to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

59. As explained herein, in the Puntus Declaration, and in the First Day Declaration, the DIP Documents are the result of: (a) the Debtors' reasonable and informed determination that the DIP Lenders provided the best postpetition financing alternative available under the circumstances and (b) extended arm's length, good-faith negotiations between the Debtors and the DIP Lenders. The Debtors submit that the terms and conditions of the DIP Documents are reasonable under the circumstances, and the proceeds of the DIP Facilities will be used only for purposes that are permissible under the Bankruptcy Code. Further, no consideration is being provided to any party to the DIP Documents other than as described herein. Accordingly, the Court should find that the DIP Lenders are "good faith" lenders within the meaning of section 364(e) of the Bankruptcy Code and are entitled to all of the protections afforded by that section.

V. The Automatic Stay Should Be Modified on a Limited Basis.

60. The proposed Interim Order provides that the automatic stay provisions of section 362 of the Bankruptcy Code will be modified to allow the DIP Lenders to file any financing statements, security agreements, notices of liens, and other similar instruments and documents in order to validate and perfect the liens and security interests granted to them under the Interim Order. The proposed Interim Order further provides that the automatic stay is modified as

necessary to permit the Debtors to grant liens to the DIP Lenders and to incur all liabilities and obligations set forth in the Interim Order. Finally, the proposed Interim Order provides that, following the occurrence of a DIP Event of Default or Event of Default (as defined in the DIP Credit Agreements) and an appropriate opportunity for the Debtors to obtain appropriate relief from the Court, the automatic stay shall be vacated and modified to the extent necessary to permit the DIP Agents to exercise all rights and remedies in accordance with the DIP Documents, or applicable law.

61. Stay modifications of this kind are ordinary and standard features of debtor in possession financing arrangements and, in the Debtors' business judgment, are reasonable and fair under the circumstances of these chapter 11 cases. *See, e.g.*, *In re Z Gallerie, LLC*, No. 19-10488 (LSS) (Bankr. D. Del. Apr. 9, 2019) (modifying automatic stay as necessary to effectuate the terms of the order); *ATD Corporation*, No. 18-12221 (KJC) (Bankr. D. Del. Oct. 26, 2018) (same); *In re In re Charming Charlie, LLC*, No. 17-12906 (CSS) (Bankr. D. Del. Dec. 12, 2017) (same); *In re Magnum Hunter Res. Corp.*, No. 15-12533 (KG) (Bankr. D. Del. Dec. 15, 2015) (terminating automatic stay after event of default); *In re Peak Broad., LLC*, No. 12-10183 (PJW) (Bankr. D. Del. Feb. 2, 2012) (terminating automatic stay after occurrence of termination event).

VI. Failure to Obtain Immediate Interim Access to the DIP Facilities and Cash Collateral Would Cause Immediate and Irreparable Harm.

62. Bankruptcy Rules 4001(b) and 4001(c) provide that a final hearing on a motion to obtain credit pursuant to section 364 of the Bankruptcy Code or to use Cash Collateral pursuant to section 363 of the Bankruptcy Code may not be commenced earlier than 14 days after the service of such motion. Upon request, however, the Court may conduct a preliminary, expedited hearing on the motion and authorize the obtaining of credit and use of cash collateral to the extent necessary to avoid immediate and irreparable harm to a debtor's estate.

63. For the reasons noted above, the Debtors have an immediate postpetition need to use Cash Collateral, and access the liquidity provided by the DIP Facilities. The Debtors cannot maintain the value of their estates during the pendency of these chapter 11 cases without access to cash. The Debtors will use cash, among other things, to fund the operation of their business, including to ensure that vendors continue to manufacture and ship inventory, and to fund the administration of these chapter 11 cases. Substantially all of the Debtors' available cash constitutes the Cash Collateral of the Prepetition ABL Lenders and the Prepetition First Lien Term Loan Lenders and Prepetition Second Lien Term Loan Lenders. The Debtors will therefore be unable to operate their business or otherwise fund these chapter 11 cases without access to Cash Collateral, and will suffer immediate and irreparable harm to the detriment of all creditors and other parties in interest. *See* First Day Declaration ¶¶ 48–49. In short, the Debtors' ability to administer these chapter 11 cases through the use of Cash Collateral is vital to preserve and maximize the value of the Debtors' estates.

64. The Debtors request that the Court hold and conduct a hearing to consider entry of the Interim Order authorizing the Debtors, from and after entry of the Interim Order until the Final Hearing, to receive initial funding under the DIP Facilities. The Debtors require the initial funding under the DIP Facilities prior to the Final Hearing and entry of the Final Order to continue operating, pay their administrative expenses, and to implement the relief requested in the Debtors' other "first day" motions. This relief will enable the Debtors to preserve and maximize value and, therefore, avoid immediate and irreparable harm and prejudice to their estates and all parties in interest, pending the Final Hearing.

Request for Final Hearing

65. Pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), the Debtors request that the Court set a date for the Final Hearing that is as soon as practicable, and in no event after 25 days

after the Petition Date, and fix the time and date prior to the Final Hearing for parties to file objections to this motion.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

66. To implement the foregoing successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the 14-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h).

Notice

67. The Debtors have provided notice of this motion to the following parties or their respective counsel: (a) the office of the U.S. Trustee for the District of Delaware; (b) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the administrative agent under the Debtors' prepetition asset-based revolving credit facility; (d) the administrative agent under the Debtors' Prepetition First Lien Term Loan Credit Facility; (e) the administrative agent under the Debtors' prepetition second lien term loan facility; (f) counsel to the Crossover Group; (g) counsel to the First Lien Group; (h) the administrative agent under the Debtors' proposed debtor in possession term loan financing facility; (i) the administrative agent under the Debtors' proposed debtor in possession asset-based revolving financing facility; (j) the Environmental Protection Agency and similar state environmental agencies for states in which the Debtors operate; (k) the office of the attorneys general for the states in which the Debtors operate; (l) the United States Attorney's Office for the District of Delaware; (m) the Internal Revenue Service; (n) the Term DIP Lenders; and (o) any party that has requested notice pursuant to Bankruptcy Rule 2002. As this motion is seeking "first day" relief, within two business days of the hearing on this motion, the Debtors will serve copies of this motion and any order entered in respect to this motion as required by Local Rule 9013-1(m). The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

68. No prior request for the relief sought in this motion has been made to this or any other court.

[*Remainder of page intentionally blank*]

WHEREFORE, the Debtors respectfully request that the Court enter the Interim Order substantially in the form attached hereto as **Exhibit A**, granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

All proceeds of the Prepetition Collateral (including cash on deposit at the Depository Institutions as of the Petition Date, securities or other property, whether subject to control agreements or otherwise, in each case that constitutes Prepetition Collateral) are "cash collateral" of the Prepetition Secured Parties within the meaning of section 363(a) of the Bankruptcy Code (the "**Cash Collateral**"), subject to the priorities set forth in the Prepetition Intercreditor Agreements.

7. *Findings Regarding the DIP Financing and Use of Cash Collateral.*

(a) Good and sufficient cause has been shown for the entry of this Interim Order and authorization for the DIP Loan Parties to obtain financing pursuant to the DIP Facilities.

(b) The DIP Loan Parties have an immediate need to obtain the DIP Financing and continue to use the Prepetition Collateral (including Cash Collateral) in order to, among other things, (i) permit the orderly continuation of the operation of their businesses, (ii) maintain business relationships with customers, vendors and suppliers, (iii) pay for the necessary services and materials to maintain compliance with permitting and environmental regulatory requirements, (iv) pay for use of the mining equipment leased from third parties, (v) make payroll, (vi) satisfy other working capital and operational needs, (vii) repay a portion of the Prepetition First Lien Term Loan Debt pursuant to the Term Loan Roll-Up (as defined below),

(viii) repay the Prepetition ABL Debt pursuant to the Interim ABL Roll-Up (as defined below) and, subject to entry of the Final Order, Repay in Full any remaining Prepetition ABL Debt. The access by the DIP Loan Parties to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, incurrence of new indebtedness under the DIP Documents and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern values of the DIP Loan Parties and to a successful reorganization of the DIP Loan Parties. The terms of the proposed financing are fair and reasonable, reflect the DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration. The adequate protection provided in this Interim Order and other benefits and privileges contained herein are consistent with and authorized by the Bankruptcy Code.

(c) The Prepetition ABL Secured Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens (to the extent set forth on **Exhibit A** hereto), and the DIP ABL Agent and the DIP ABL Lenders would not be willing to provide the DIP ABL Facility or extend credit to the Debtors thereunder without the inclusion of the ABL Roll-Up. Moreover, the conversion and roll-up of all outstanding Prepetition ABL Obligations into the DIP ABL Obligations will create availability under the DIP ABL Facility.

(d) The Prepetition First Lien Term Loan Secured Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens (to the extent set forth on **Exhibit A** hereto), and the Term DIP Lenders would not be willing to provide the Term DIP Facility or extend credit to the Debtors thereunder without the inclusion of the Term Loan Roll-Up.

(e) The DIP Loan Parties are unable to obtain financing on more favorable terms from sources other than the DIP Lenders[14] under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The DIP Loan Parties are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the DIP Loan Parties granting to the DIP Secured Parties, subject to the Carve-Out, the DIP Liens and the DIP Superpriority Claims (as defined below) and, subject to the Carve-Out, incurring the Adequate Protection Obligations (as defined below), in each case, under the terms and conditions set forth in this Interim Order and in the DIP Documents.

(f) Based on the Motion, the Puntus Declaration, the First Day Declaration and the record presented to the Court at the Interim Hearing, (i) the terms of the DIP Financing, (ii) the terms of the adequate protection granted to the Prepetition Secured Parties as provided in paragraphs 20 and 21 of this Interim Order (the "**Adequate Protection**") and (iii) the terms on which the DIP Loan Parties may continue to use the Prepetition Collateral (including Cash Collateral), in each case pursuant to this Interim Order and the DIP Documents, are in each case fair and reasonable, reflect the DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties, constitute reasonably equivalent value and fair consideration, and represent the best financing presently available.

(g) To the extent such consent is required, the Prepetition Secured Parties have consented or are deemed under the Prepetition Intercreditor Agreements to have consented to the DIP Loan Parties' use of Cash Collateral and the other Prepetition Collateral, and the DIP

[14] **"DIP Lenders"** means, collectively, the DIP ABL Lenders and the Term DIP Lenders.

Loan Parties' entry into the DIP Documents, in accordance with and subject to the terms and conditions set forth in this Interim Order and the DIP Documents.

(h) The DIP Financing, the Adequate Protection and the use of the Prepetition Collateral (including Cash Collateral) have been negotiated in good faith and at arm's length among the DIP Loan Parties, the DIP Agents and the DIP Lenders, and all of the DIP Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing and the DIP Documents, including, without limitation: (i) all loans made to and guarantees issued by the DIP Loan Parties pursuant to the DIP Documents (the "**DIP Loans"**) and any "**Obligations**" and "**DIP ABL Obligations**" (as defined in the DIP Credit Agreements) shall be deemed to have been extended by the DIP Agents and the DIP Lenders and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Agents and the DIP Lenders (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise. The Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the DIP Loan Parties' continued use of the Prepetition Collateral (including Cash Collateral) to fund the administration of the DIP Loan Parties' estates and continued operation of their businesses (including the incurrence and payment of the Adequate Protection Obligations and the granting of the Adequate Protection Liens (as defined below)), in accordance with the terms hereof, and the Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 363(m) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(i) The Prepetition Secured Parties are entitled to the Adequate Protection provided in this Interim Order as and to the extent set forth herein pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code. Based on the Motion, the Puntus Declaration, the First Day Declaration and the record presented to the Court, the terms of the proposed Adequate Protection arrangements and of the use of the Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the DIP Loan Parties' prudent exercise of business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral (including Cash Collateral); *provided* that nothing in this Interim Order or the DIP Documents shall (x) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of Cash Collateral other than on the terms set forth in this Interim Order and in the context of the DIP Financing authorized by this Interim Order, (y) be construed as a consent by any party to the terms of any other financing or any other lien encumbering the Prepetition Collateral (whether senior or junior) or (z) prejudice, limit or otherwise impair the rights of any of the Prepetition Secured Parties, subject to any applicable provisions of the Prepetition Intercreditor Agreements, to seek new, different or additional adequate protection or assert the interests of any of the Prepetition Secured Parties.

(j) Payment of the Prepetition ABL Debt and a portion of the Prepetition First Lien Term Loan Debt pursuant to the ABL Roll-Up and Term Loan Roll-Up, respectively, reflect the DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties.

(k) The Debtors have prepared and delivered to DIP Agents and the DIP Lenders an initial budget (the "**Initial Budget**"), a copy of which is attached to the Motion as **Schedule 1** to **Exhibit A**. The Initial Budget reflects the Debtors' anticipated cash receipts

and anticipated disbursements for each calendar week during the period from the Petition Date through and including the end of the thirteenth (13th) calendar week following the Petition Date (the Initial Budget and each subsequent budget approved pursuant to the DIP Documents (an "**Approved Budget**")). The Debtors believe that the Initial Budget is reasonable under the facts and circumstances. The DIP Agents and the DIP Lenders are relying, in part, upon the Debtors' covenants in the DIP Credit Agreements with respect to the Approved Budget, the other DIP Documents, and this Interim Order in determining to enter into the postpetition financing arrangements provided for in this Interim Order.

(l) The Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the Local Bankruptcy Rules and good cause has been shown for the immediate entry of this Interim Order. For the reasons set forth in the Motion, the Puntus Declaration and the First Day Declaration, absent granting the relief set forth in this Interim Order, the DIP Loan Parties' estates would face significant business disruption resulting in immediate and irreparable harm. Consummation of the DIP Financing and the use of Prepetition Collateral (including Cash Collateral), in accordance with this Interim Order and the DIP Documents are therefore in the best interests of the DIP Loan Parties, their estates and their creditors. The terms of this Interim Order and the DIP Facilities are fair and reasonable under the circumstances, reflect the DIP Loan Parties' exercise of their prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration.

8. *Authorization of the DIP Financing and the DIP Documents.*

(a) The DIP Loan Parties are hereby authorized to execute, enter into and perform all obligations under the DIP Documents. The DIP ABL Borrowers are hereby

authorized to forthwith borrow money pursuant to the DIP ABL Credit Agreement, and the DIP ABL Guarantors are hereby authorized to guaranty DIP ABL Obligations, in each case up to an aggregate principal or face amount equal to $90 million under the DIP ABL Facility, together with applicable interest, protective advances, expenses, fees and other charges payable in connection with the DIP ABL Facility, subject in each case to any limitations on borrowing under the DIP ABL Financing Documents, which shall be used for all purposes permitted under the DIP Documents, including, without limitation, to roll-up and refinance the Prepetition ABL Debt as provided herein, to provide working capital for the DIP Loan Parties and to pay interest, fees and expenses in accordance with this Interim Order and the DIP Documents (including any indemnification obligations). The DIP Loan Parties are hereby authorized to forthwith borrow money pursuant to the Term DIP Credit Agreement, and the Term DIP Guarantors are hereby authorized to guaranty the DIP Loan Parties' Term DIP Obligations with respect to such borrowings, in each case up to an aggregate principal amount equal to $35 million of New Money Term DIP Loans and $70 million of Term DIP Roll-Up Loans on an interim basis, together with applicable interest, protective advances, expenses, fees and other charges payable in connection with the Term DIP Facility and, subject to entry of the Final Order, an additional $15 million of New Money Term DIP Loans and $30 million of Term DIP Roll-Up Loans, together with applicable interest, protective advances, expenses, fees and other charges payable in connection with the Term DIP Facility, subject to any limitations on borrowing under the Term DIP Documents, which shall be used for purposes permitted under the DIP Documents, including, without limitation, to roll-up and refinance a portion of the Prepetition First Lien Term Loan Debt as provided herein and to pay interest, fees and expenses in accordance with this Interim Order and the DIP Documents (including any indemnification obligations).

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor is authorized to perform all acts, to make, execute and deliver all instruments and documents (including, without limitation, the execution or recordation of security agreements, mortgages, deeds of trust and financing statements), and to pay all fees that may be reasonably required or necessary for the DIP Loan Parties to implement the terms of, performance of their obligations under or effectuate the purposes of and transactions contemplated by this Interim Order or the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents or other modifications to and under the DIP Documents, in each case, in such form as the DIP Loan Parties, the DIP Agents, the Required DIP ABL Lenders (as defined in the DIP ABL Credit Agreement, the "**Required DIP ABL Lenders**") and the Required Lenders (as defined in the Term DIP Credit Agreement, the "**Required Term DIP Lenders**," and together with the Required DIP ABL Lenders, the "**Required DIP Lenders**"), as applicable, may agree, it being understood that no further approval of the Court shall be required for authorizations, amendments, waivers, consents or other modifications to and under the DIP Documents (and any fees and other expenses (including any attorneys', accountants', appraisers' and financial advisors' fees), amounts, charges, costs, indemnities and other obligations paid in connection therewith) that do not shorten the maturity of the extensions of credit thereunder or increase the aggregate commitments or the rate of interest payable thereunder;

(iii) the non-refundable payment to the DIP Agents and/or the DIP Lenders, as the case may be, of all fees, including, without limitation, any closing fee, backstop

fee, unused line commitment fee, structuring fee, upfront fee, exit fee, prepayment fee or agency fee (which fees, in each case, shall be, and shall be deemed to have been, approved upon entry of this Interim Order, and which fees shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of the indemnification obligations, in each case referred to in the DIP Credit Agreements (and in any separate letter agreements between any or all DIP Loan Parties, on the one hand, and any of the DIP Agents and/or DIP Lenders, on the other, in connection with the DIP Financing) and the costs and expenses as may be due from time to time, including, without limitation, fees and expenses of the professionals retained by any of the DIP Agents or DIP Lenders, including, without limitation, the reasonable and documented fees and expenses of (i) Hogan Lovells US LLP as primary counsel to the DIP ABL Agent, Morris, Nichols, Arsht & Tunnell LLP as bankruptcy and Delaware counsel to the DIP ABL Agent, and a single local counsel to the DIP ABL Agent in each other applicable jurisdiction, (ii) Herrick Feinstein LLP as primary counsel to the Term DIP Agent and Prepetition First Lien Term Loan Agent and a single local counsel to the Term DIP Agent and Prepetition First Lien Term Loan Agent in each applicable jurisdiction, (iii) Stroock & Stroock & Lavan LLP as primary counsel to the Prepetition Second Lien Term Loan Agent and a single local counsel to the Prepetition Second Lien Term Loan Agent in each applicable jurisdiction, (iv) Davis Polk & Wardwell LLP as primary counsel to an ad hoc group of Term DIP Lenders, Prepetition First Lien Term Loan Lenders and Prepetition Second Lien Term Loan Lenders (the "**Crossover Group**"), a single local counsel to the Crossover Group in each applicable jurisdiction, and (v) Shearman &

Sterling LLP as primary counsel to certain of the Prepetition First Lien Term Loan Lenders (the "**First Lien Group**"), and a single local counsel to the First Lien Group, in each case, as provided for in the DIP Documents, without the need to file retention motions or fee applications or to provide notice to any party, but subject to the provisions of this Interim Order regarding the submission of fee statements and the related objection period; and

(iv) the performance of all other acts required under or in connection with the DIP Documents, including the granting of the DIP Liens and DIP Superpriority Claims and perfection of the DIP Liens and DIP Superpriority Claims as permitted herein and therein.

(c) Upon execution and delivery of the DIP Documents, each of the DIP Documents shall constitute valid, binding and non-avoidable obligations of the DIP Loan Parties, fully enforceable against each DIP Loan Party in accordance with the terms of the DIP Documents and this Interim Order. No obligation, payment, transfer or grant of security under the DIP Documents or this Interim Order to the DIP Agents (including their Representatives) and/or the DIP Lenders (including their Representatives) shall be stayed, restrained, voidable or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, 548 or 549 of the Bankruptcy Code, any applicable Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or other similar state statute or common law), or subject to any defense, reduction, setoff, recoupment, recharacterization, subordination, disallowance, impairment, cross-claim, claim or counterclaim.

(d) No DIP Lender or DIP Agent shall have any obligation or responsibility to monitor any DIP Loan Party's use of the DIP Financing, and each DIP Lender or DIP Agent may rely upon each DIP Loan Party's representations that the amount of DIP Financing requested at

any time and the use thereof, are in accordance with the requirements of this Interim Order, the DIP Documents, and Bankruptcy Rule 4001(c)(2).

(e) The Debtors and the financial institutions where the Debtors' Cash Collection Accounts (as defined below) are maintained (including those accounts identified in any Cash Management Order), are authorized and directed to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP ABL Agent. For the avoidance of doubt, except to the extent expressly set forth in the DIP ABL Financing Documents, all prepetition practices and procedures for the payment and collection of proceeds of the Prepetition ABL Priority Collateral, the turnover of cash, the delivery of property to the Prepetition ABL Agent and the Prepetition ABL Lenders, including any control agreements and any other similar lockbox or blocked depository bank account arrangements, are hereby approved and shall continue without interruption and shall apply to the DIP ABL Facility. Without limiting the general applicability of the immediately preceding sentence, and notwithstanding anything contrary in this Interim Order, from and after the date of the entry of this Interim Order, all collections and proceeds of any Prepetition ABL Priority Collateral and other DIP ABL Priority Collateral and all Cash Collateral (other than identifiable net proceeds of DIP Term Loan Priority Collateral and except as otherwise set forth in the DIP ABL Credit Agreement) that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall be promptly deposited in the same lock-box and/or deposit accounts into which the collections and proceeds of the Prepetition ABL Priority Collateral were deposited under the Prepetition ABL Financing Documents (or in such other accounts as are designated by the DIP ABL Agent from time to time) (collectively, the "**Cash Collection Accounts**") for application in accordance with this

Interim Order, which accounts (except as otherwise set forth in the DIP ABL Credit Agreement) shall be subject to the sole dominion and control of the DIP ABL Agent until the discharge of the DIP ABL Facility. Unless otherwise agreed to in writing by the DIP ABL Agents and the Prepetition ABL Agents, or otherwise provided for herein, the Debtors shall maintain no accounts except those identified in this Interim Order or in any cash management order entered by the Court (a "**Cash Management Order**").

9. *DIP Intercreditor Agreement*. The DIP Loan Parties are hereby authorized and directed to execute, enter into and perform under the intercreditor agreement among the DIP Loan Parties, the DIP ABL Agent and the Term DIP Agent, substantially in the form attached to the DIP Credit Agreements (the "**DIP ICA**"). For the avoidance of doubt the DIP ICA shall be deemed a DIP Document hereunder.

10. *Payment of the Prepetition ABL Debt*. The DIP Loan Parties are hereby authorized to (x) perform the transactions and undertakings contemplated hereby, which are hereby approved in all respects, (y) to remit the Debtors' prepetition and postpetition accounts receivable and all other proceeds of the DIP ABL Priority Collateral for application to the outstanding principal balance of the Prepetition ABL Debt (the "**Interim ABL Roll-Up**"), thereby creating a dollar-for-dollar increase in the DIP Revolving Loan Availability (as defined in the DIP ABL Credit Agreement), and, upon entry of the Final Order, to use the proceeds of the DIP ABL Financing to roll-up and refinance the remainder of the Prepetition ABL Debt, including interest and fees through the date of repayment (at the non-default contract rate) (the "**Final ABL Roll-Up**," and together with the Interim ABL Roll-Up, the "**ABL Roll-Up**"), and the amounts so rolled-up and refinanced, the "**ABL Roll-Up Loans**"), which roll-up and refinancing shall be indefeasible upon the occurrence of the ABL Discharge and shall be entitled

to all the priorities, privileges, rights, and other benefits afforded to the other DIP Obligations under this Interim Order, the Final Order and the DIP Loan Documents, and (z) use the proceeds of the DIP ABL Financing to pay any fees, charges or expenses incurred by the Prepetition ABL Agent prior to the Petition Date, but which are posted after the payoff of the Prepetition ABL Debt. The foregoing transactions in respect of the Prepetition ABL Debt shall be indefeasible upon the ABL Discharge. Subject to the terms and conditions contained in this Interim Order (including, without limitation, the DIP Liens (as defined below) granted hereunder and the Carve-Out (as defined below)), any and all prepetition or postpetition liens and security interests (including, without limitation, any adequate protection replacement liens at any time granted to the Prepetition ABL Secured Parties by this Court) that the Prepetition ABL Secured Parties have or may have in the Collateral shall (a) continue to secure the unpaid portion of any Prepetition ABL Debt (including, without limitation, any Prepetition ABL Debt subsequently reinstated after the repayment thereof) and (b) be junior and subordinate in all respects to the Carve-Out and otherwise have the priorities set forth on **Exhibit A** attached hereto (such liens and security interests of the Prepetition ABL Secured Parties are hereinafter referred to as the "**ABL Indemnification Liens,**" and any such unpaid or reinstated Prepetition ABL Debt described in clause (a) of this sentence is hereinafter referred to as the "**Prepetition ABL Indemnification Obligations**"). Any surviving obligations as set forth in any DIP Document, Prepetition Documents, any payoff letter related to the Prepetition ABL Debt and/or any documents related to the foregoing, including, without limitation, any indemnification of the Prepetition ABL Secured Parties and the ABL Indemnification Liens, shall continue and survive the ABL Discharge and the other transactions described in this paragraph and shall not be

discharged pursuant to a chapter 11 plan or any discharge under section 1141 of the Bankruptcy Code.

11. *Payment of the Prepetition First Lien Term Loan Debt.* On the date of each borrowing of New Money Term DIP Loans under the Term DIP Credit Agreement, the Prepetition First Lien Term Loan Debt held by the Term DIP Lenders (or if a Term DIP Lender is a designee of a Prepetition First Lien Term Loan Lender, the Prepetition First Lien Term Loan Debt held by such designating Prepetition First Lien Term Loan Lender) shall immediately, automatically and irrevocably be deemed to have been converted into Term DIP Roll-Up Loans in an amount equal to $2.00 for each $1.00 of the New Money Term DIP Loans funded on such date (the "**Term Loan Roll-Up**"), which Term DIP Roll-Up Loans shall be entitled to all the priorities, privileges, rights, and other benefits afforded to the other DIP Obligations under this Interim Order, the Final Order and the DIP Loan Documents, in each case subject to the terms and conditions set forth in this Interim Order, the Final Order, the DIP Documents and the reservation of rights of parties in interest in paragraph 30 below.

12. *Carve-Out*

(a) As used in this Interim Order, the "Carve Out" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the "Allowed Professional Fees") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the

Bankruptcy Code (the "Debtor Professionals") and the official committee of unsecured creditors (the "Creditors' Committee") (if appointed) pursuant to section 328 or 1103 of the Bankruptcy Code (the "Committee Professionals" and, together with the Debtor Professionals, the "Professional Persons") at any time before or on the first business day following delivery by the Term DIP Agent or the DIP ABL Agent of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed $2,000,000 incurred after the first business day following delivery by the Term DIP Agent or the DIP ABL Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the "Post-Carve Out Trigger Notice Cap"). For purposes of the foregoing, "Carve Out Trigger Notice" shall mean a written notice delivered by email (or other electronic means) by the Term DIP Agent or the DIP ABL Agent to the Debtors, their lead restructuring counsel, the U.S. Trustee, and counsel to the Creditors' Committee (if appointed) with a copy to the Prepetition First Lien Term Loan Agent (which shall post the same to the Prepetition First Lien Term Loan Lenders), the Prepetition ABL Agent (which shall post the same to the Prepetition ABL Lenders), and the DIP Agent not delivering such notice, which notice may be delivered following the occurrence and during the continuation of an Event of Default (as defined in this Interim Order) and acceleration of the DIP ABL Obligations or the Term DIP Obligations under the DIP ABL Facility or the Term DIP Facility, as applicable, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Fee Estimates. Not later than 7:00 p.m. New York time on the third business day of each week starting with the first full calendar week following the Closing Date,

each Professional Person shall deliver to the Debtors a statement setting forth a good-faith estimate of the amount of fees and expenses (collectively, "Estimated Fees and Expenses") incurred during the preceding week by such Professional Person (through Saturday of such week, the "Calculation Date"), along with a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred through the applicable Calculation Date and a statement of the amount of such fees and expenses that have been paid to date by the Debtors (each such statement, a "Weekly Statement"); *provided*, *that* within one business day of the occurrence of the Termination Declaration Date (as defined below), each Professional Person shall deliver one additional statement (the "Final Statement") setting forth a good-faith estimate of the amount of fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation Date for which a Weekly Statement has been delivered and concluding on the Termination Declaration Date. If any Professional Person fails to deliver a Weekly Statement within three calendar days after such Weekly Statement is due, such Professional Person's entitlement (if any) to any funds in the Carve Out Reserves (as defined below) with respect to the aggregate unpaid amount of Allowed Professional Fees for the applicable period(s) for which such Professional Person failed to deliver a Weekly Statement covering such period shall be limited to the aggregate unpaid amount of Allowed Professional Fees included in the Approved Budget for such period for such Professional Person; *provided*, *that* such Professional Person shall be entitled to be paid any unpaid amount of Allowed Professional Fees in excess of Allowed Professional Fees included in the Approved Budget for such period for such Professional Person from a reserve to be funded by the Debtors from all cash on hand as of such date and any available cash thereafter held by any Debtor pursuant to paragraph 12(c) below. Solely as it relates to the DIP ABL Agent, the Term DIP Agent, the DIP

ABL Lenders, the Term DIP Lenders, the Prepetition ABL Agent, and the Prepetition Secured Parties, any deemed draw and borrowing pursuant to paragraph 12(c)(i)(x) for amounts under paragraph 12(a)(iii) above shall be limited to the greater of (x) the sum of (I) the aggregate unpaid amount of Estimated Fees and Expenses included in such Weekly Statements timely received by the Debtors prior to the Termination Declaration Date *plus*, without duplication, (II) the lesser of (1) the aggregate unpaid amount of Estimated Fees and Expenses included in the Final Statements timely received by the Debtors pertaining to the period through and including the Termination Declaration Date and (2) the Budgeted Cushion Amount (as defined below), and (y) the aggregate unpaid amount of Allowed Professional Fees included in the Approved Budget for the period prior to the Termination Declaration Date (such amount, the "DIP Professional Fee Carve Out Cap"). For the avoidance of doubt, at all times, the DIP ABL Agent and the Term DIP Agent shall be entitled to maintain reserves (the "Carve-Out Reserve"), including, without limitation, a reserve in an amount (the "Carve-Out Reserve Amount")[15] equal to the sum of (i) the greater of (x) the aggregate unpaid amount of Estimated Fees and Expenses included in all Weekly Statements timely received by the Debtors, and (y) the aggregate amount of Allowed Professional Fees contemplated to be unpaid in the Approved Budget at the applicable time, *plus* (ii) the Post-Carve Out Trigger Notice Cap, *plus* (iii) the amounts contemplated under paragraph 12(a)(i) and 12(a)(ii) above, *plus* (iv) an amount equal to the amount of Allowed Professional Fees set forth in the Approved Budget for the then current week occurring after the most recent Calculation Date and the two weeks succeeding such current week (such amount set forth in (iv), regardless of whether such reserve is maintained, the "Budgeted Cushion Amount"). Not later than 7:00 p.m. New York time on the fourth business day of each week starting with the first full

[15] For the avoidance of doubt, the Carve-Out Reserve and the Carve-Out Reserve Amount shall in no way limit the "Reserves" as defined in the DIP ABL Credit Agreement.

calendar week following the Closing Date, the Debtors shall deliver to the DIP ABL Agent and the Term DIP Agent a report setting forth the Carve-Out Reserve Amount as of such time, and, in setting the Carve-Out Reserve, the DIP ABL Agent and the Term DIP Agent shall be entitled to rely upon such reports in accordance with the DIP ABL Credit Agreement and section 8.16 the Term DIP Credit Agreement, respectively. Prior to the delivery of the first report setting forth the Carve-Out Reserve Amount, the DIP ABL Agent and the Term DIP Agent shall calculate the Carve-Out Reserve Amount by reference to the Approved Budget for subsection (i) of the Carve-Out Reserve Amount and for the portion of the Carve-Out Reserve Amount attributable to section 12(a)(i).

(c) Carve Out Reserves

(i) On the day on which a Carve Out Trigger Notice is given by the DIP ABL Agent or the Term DIP Agent to the Debtors with a copy to counsel to the Creditors' Committee (if appointed) (the "Termination Declaration Date"), the Carve Out Trigger Notice shall (x) be deemed a draw request and notice of borrowing by the Debtors for DIP Loans under the DIP ABL Credit Agreement or the Term DIP Credit Agreement, as applicable (on a pro rata basis based on the then outstanding DIP Commitments), in an amount equal to the sum of (1) the amounts set forth in paragraphs 12(a)(i) and 12(a)(ii) above, and (2) the lesser of (a) the then unpaid amounts of the Allowed Professional Fees (b) the DIP Professional Fee Carve Out Cap (any such amounts actually advanced shall constitute DIP ABL Loans or Term DIP Loans, as applicable) and (y) also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the sum of the amounts set forth in paragraphs 12(a)(i)–(iii) above. The Debtors shall deposit and hold such amounts in trust in a segregated third-party bank account (in respect of amounts

funded by the DIP ABL Lenders or from the DIP ABL Priority Collateral) and the Term DIP Agent in trust (in respect of proceeds of the Term Loan Priority Collateral or the proceeds of the Term DIP Loans) exclusively to pay such then unpaid Allowed Professional Fees (the "Pre-Carve Out Trigger Notice Reserve") prior to any and all other claims.

(ii) On the Termination Declaration Date, the Carve Out Trigger Notice shall also (x) be deemed a request by the Debtors for DIP ABL Loans under the DIP ABL Credit Agreement or Term DIP Loans under the Term DIP Credit Agreement, as applicable (on a pro rata basis based on the then outstanding DIP Commitments), in an amount equal to the Post-Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute DIP ABL Loans or Term DIP Loans, as applicable) and (y) constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap. The Debtors shall deposit and hold such amounts in trust in a segregated third-party account with the DIP ABL Agent or the Term DIP Agent (as applicable) to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (the "Post-Carve Out Trigger Notice Reserve" and, together with the Pre-Carve Out Trigger Notice Reserve, the "Carve Out Reserves") prior to any and all other claims.

(iii) On the first business day after the Term DIP Agent or the DIP ABL Agent gives such notice to such DIP ABL Lenders (as defined in the DIP ABL Credit Agreement), notwithstanding anything in the DIP ABL Credit Agreement to the contrary, including with respect to the existence of a Default (as defined in the DIP ABL Credit Agreement) or Event of Default, the failure of the Debtors to satisfy any or all of the conditions precedent for DIP ABL Loans under the DIP ABL Facility, any termination of the DIP

Commitments following an Event of Default, or the occurrence of the Maturity Date, each DIP ABL Lender with an outstanding DIP Revolving Loan Commitment (on a pro rata basis based on the then outstanding DIP Revolving Loan Commitments) shall make available to the DIP ABL Agent such DIP ABL Lender's pro rata share with respect to such borrowing in accordance with the DIP ABL Facility; *provided* that in no event shall the DIP ABL Agent or the DIP ABL Lenders be required to extend DIP ABL Loans pursuant to a deemed draw and borrowing pursuant to paragraphs 12(c)(i)(x) and 12(c)(ii)(x) in an aggregate amount exceeding the Carve-Out Reserve Amount.

(iv) All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve Out set forth above (the "Pre-Carve Out Amounts"), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full. If the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (vi), below, all remaining funds in (x) the account funded by the DIP ABL Lenders shall be distributed *first* to the DIP ABL Agent on account of the DIP ABL Obligations until indefeasibly Paid in Full, and *thereafter* for application to the Prepetition ABL Obligations in accordance with the Prepetition ABL Credit Agreement and (y) all remaining funds in the account funded by the Term DIP Lenders shall be distributed to the Term DIP Agent which shall apply such funds to the Term DIP Obligations in accordance with the Term DIP Credit Agreement until indefeasibly Paid in Full.

(v) All funds in the Post Carve Out Trigger Notice Reserve, to the extent they exceed the DIP Professional Fee Carve Out Cap, shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the "Post-Carve Out Amounts"). If, after such application, the Post Carve Out Trigger Notice Reserve has not

been reduced to zero, subject to clause (vi) below, all remaining funds (x) in respect of the account funded by the DIP ABL Lenders, shall be distributed *first* to the DIP ABL Agent on account of the DIP ABL Obligations until indefeasibly Paid in Full, and *thereafter* for application to the Prepetition ABL Obligations in accordance with the Prepetition ABL Credit Agreement and (y) all remaining funds in the account funded by the Term DIP Lenders shall be distributed to the Term DIP Agent, which shall apply such funds to the Term DIP Obligations in accordance with the Term DIP Credit Agreement until indefeasibly Paid in Full.

(vi) Notwithstanding anything to the contrary in the DIP ABL Documents, the Term DIP Documents, or this Interim Order, (x) if either of the Carve Out Reserves required to be funded by the DIP ABL Lenders is not funded in full in the amounts set forth in this paragraph, then any excess funds in one of the Carve Out Reserves held in any account funded by the DIP ABL Lenders following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts (subject to the limits contained in the DIP Professional Fee Carve Out Cap and the Post-Carve Out Trigger Notice Cap, respectively) shall be used to fund the other Carve Out Reserve to the extent of any shortfall in funding by the DIP ABL Lenders prior to making any payments to the DIP ABL Agent or the Prepetition ABL Secured Parties, as applicable, and (y) if either of the Carve Out Reserves required to be funded with the proceeds of Prepetition Term Loan Priority Collateral is not funded in full in the amounts set forth in this paragraph, then any excess funds in one of the Carve Out Reserves held in any account funded by such cash on hand following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts (subject to the Post-Carve Out Trigger Notice Cap), respectively, shall be used to fund the other Carve Out Reserve to the extent of any shortfall in funding by the cash on hand prior to making any payments to the Term DIP Agent or the Prepetition Secured Parties, as applicable.

(vii) Notwithstanding anything to the contrary in the DIP ABL Documents, the Term DIP Documents or this Interim Order, following delivery of a Carve Out Trigger Notice, the DIP ABL Agent and the Prepetition ABL Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves required to be funded by the DIP ABL Lenders have been fully funded, but the DIP ABL Agent and the Prepetition ABL Agent have a security interest in any residual interest in the Carve Out Reserves held in accounts by the DIP ABL Agent, with any excess paid as provided in paragraphs (iv) and (v) above; and (y) the Term DIP Agent and the Prepetition First Lien Term Loan Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid as provided in paragraphs (iv) and (v) above. The security interests of the DIP ABL Agent and the Term DIP Agent on any residual interest in the Carve Out Reserves shall be shared pro rata based on the amount of funds in the Carve Out Reserves funded by (x) the proceeds of Term DIP Priority Collateral and (y) the DIP ABL Lenders or the DIP ABL Collateral. Further, notwithstanding anything to the contrary in this Interim Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not constitute DIP Loans or increase or reduce the Term DIP Obligations or the DIP ABL Obligations, (ii) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (iii) in no way shall the Initial Budget, Approved Budget, Carve Out, Post- Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this

Interim Order, the Term DIP Facility, the DIP ABL Facility, or in any Prepetition Credit Agreement, the Carve Out shall be senior to all liens and claims securing the Term DIP Facility, the DIP ABL Facility, the Adequate Protection Liens, and the 507(b) Claim, and any and all other forms of adequate protection, liens, or claims securing the Term DIP Obligations, the DIP ABL Obligations, or the Prepetition Secured Obligations.

(d) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(e) No Direct Obligation To Pay Allowed Professional Fees. None of the Term DIP Agent, DIP ABL Agent, DIP ABL Lenders, Term DIP Lenders, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate the Term DIP Agent, DIP ABL Agent, the Term DIP Lenders, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(f) Payment of Carve Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out by the Term DIP Lenders shall be added to, and made a part of, the Term DIP Obligations secured by the DIP Collateral and shall be otherwise

entitled to the protections granted under this Interim Order, the DIP Documents, the Bankruptcy Code, and applicable law. Any funding of the Carve Out by the DIP ABL Lenders shall be added to, and made a part of, the DIP ABL Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Interim Order, the DIP Documents, the Bankruptcy Code, and applicable law.

13. *DIP Superpriority Claims.* Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the DIP Loan Parties on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the DIP Loan Parties, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 364, 365, 503(a), 503(b), 506(c) (subject to entry of the Final Order), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other section of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims (the "**DIP Superpriority Claims**") shall, for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all pre- and postpetition property of the DIP Loan Parties and all proceeds thereof in accordance with the DIP Credit Agreements and this Interim Order, subject only to the liens on such property and the Carve-Out. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed

or modified, on appeal or otherwise. The DIP Superpriority Claims in respect of the DIP ABL Obligations and the Term DIP Obligations shall, without otherwise impairing the lien priorities as set forth herein, be *pari passu* in right of payment with one another and senior to the Adequate Protection Claims; *provided* that the DIP Superpriority Claims in respect of the Term DIP Roll-Up Loans shall be subject and subordinate to the DIP Superpriority Claims in respect of the New Money Term DIP Loans.

14. *DIP Liens.*

(a) *DIP ABL Liens.* As security for the DIP ABL Obligations, effective and perfected upon the date of this Interim Order and without the necessity of the execution, recordation or filing by the DIP ABL Loan Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, any notation of certificates of title for a titled good or the possession or control by the DIP ABL Agent of, or over, any DIP Collateral (including for the avoidance of doubt any DIP ABL Collateral as defined in the DIP ABL Credit Agreement), the following security interests and liens are hereby granted to the DIP ABL Agent for its own benefit and the benefit of the DIP ABL Secured Parties (all property identified in clauses (i)-(iii) below being collectively referred to as the "**DIP ABL Collateral**"), subject only to the payment of the Carve-Out and in each case in accordance with the priorities set forth in **Exhibit A** hereto (all such liens and security interests granted to the DIP ABL Agent, for its benefit and for the benefit of the DIP ABL Lenders, pursuant to this Interim Order and the DIP ABL Financing Documents, the "**DIP ABL Liens**"):[16]

Notwithstanding anything

herein to the contrary, but subject to the relative priorities set forth in paragraph 14(c) herein, the DIP ABL Priming Liens shall be (A) subject and junior to the Carve-Out in all respects, (B) junior to (1) valid, perfected and non-avoidable liens, if any, to which the Prepetition ABL Liens are subject to, and (2) valid and non-avoidable liens to which the Prepetition ABL Liens are subject to and that are perfected after the Petition Date to the extent provided by section 546(b) of the Bankruptcy Code, in each case unless such liens are themselves Prepetition ABL Liens, and (C) not subordinate to any lien, security interest or mortgage that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code; and

(b) *Term DIP Liens.* As security for the Term DIP Obligations, effective and perfected upon the date of this Interim Order and without the necessity of the execution, recordation or filing by the Term DIP Loan Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the

(i) Liens on Unencumbered Property. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected (A) first priority senior security interest in and lien upon all tangible and intangible pre- and postpetition property (including mineral rights) of the Term DIP Loan Parties, whether existing on the Petition Date or thereafter acquired, of the same nature, scope and type as the Prepetition Term Loan Priority Collateral, and the proceeds, products, rents and profits thereof, which, subject to and upon entry of the Final Order, shall include any Avoidance Proceeds related to the forgoing ("**DIP Term Loan Priority Collateral**," which for the avoidance of doubt shall include Prepetition Term Loan Priority Collateral) and (B) junior security interest in and lien upon all tangible and intangible pre- and postpetition property of the Term DIP Loan Parties, whether existing on the Petition Date or thereafter acquired, of the same nature, scope and type as the Prepetition ABL Priority Collateral, and the proceeds, products, rents and profits thereof, in each case that, on or as of the Petition Date are not subject to either (x) a valid, perfected and non-avoidable lien, or (y) a valid and non-avoidable lien in existence as of the Petition Date that is perfected subsequent

to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, and in each case, other than the Avoidance Actions (but including Avoidance Proceeds subject to entry of the Final Order), but in each case subject to the Carve-Out, provided that, with respect to the Term DIP Roll-Up Loans, the security interests and liens granted pursuant to this clause (i) shall not include liens on the Specified Excluded Unencumbered Property;

(ii) Liens Priming Certain Prepetition Secured Parties' Liens. Pursuant to section 364(d)(1) of the Bankruptcy Code: (A) a valid, binding, continuing, enforceable, fully-perfected first priority priming security interest in and lien upon all pre- and postpetition property (including mineral rights) of the DIP Loan Parties that are subject to (1) valid, perfected and nonavoidable liens as of the Petition Date or (2) valid and non-avoidable liens as of the Petition Date and that are perfected after the Petition Date to the extent provided by section 546(b) of the Bankruptcy Code, of the same nature, scope and type as the Prepetition Term Loan Priority Collateral, regardless of where located, regardless of whether or not any liens on such assets are voided, avoided, invalidated, lapsed or unperfected, which security interest and lien shall prime the Prepetition ABL Liens and the Prepetition Term Liens (the "**Term DIP Term Loan Priority Collateral Priming Liens**"), and (B) a valid, binding, continuing, enforceable, fully-perfected priming security interest in and lien upon (with priority as set forth on **Exhibit A** hereto) all pre- and postpetition property of the DIP Loan Parties that are subject to (1) valid, perfected and nonavoidable liens as of the Petition Date or (2) valid and non-avoidable liens as of the Petition Date and that are perfected after the Petition Date to the extent provided by section 546(b) of the Bankruptcy Code, of the same nature, scope and type as the Prepetition ABL Priority Collateral, regardless of where located, regardless of whether or not any liens on such assets are voided, avoided, invalidated, lapsed or unperfected, which security interest and lien shall prime the

Prepetition First Lien Term Liens and Prepetition Second Lien Term Liens (the "**Term DIP ABL Priority Collateral Priming Liens**", and together with the Term DIP Term Loan Priority Collateral Priming Liens, the "**Term DIP Priming Liens**"). Notwithstanding anything herein to the contrary, but subject to the relative priorities set forth in paragraph 14(c) herein, the Term DIP Priming Liens shall be (A) subject and junior to the Carve-Out in all respects, (B) junior to (1) valid, perfected and non-avoidable liens, if any, to which the Prepetition Term Liens are subject to and (2) valid and non-avoidable liens to which the Prepetition Term Liens are subject to and that are perfected after the Petition Date to the extent provided by section 546(b) of the Bankruptcy Code, in each case unless such liens are themselves Prepetition Term Liens, and (C) not subordinate to any lien, security interest or mortgage that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code; and

(iii) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected junior security interest in and lien upon (A) all pre- and postpetition property of the DIP ABL Loan Parties of the same nature, scope and type as the Prepetition ABL Priority Collateral and (B) all pre- and postpetition property of the Term DIP Loan Parties of the same nature, scope and type as the Prepetition Term Loan Priority Collateral that, on or as of the Petition Date, is subject to valid, perfected and non-avoidable senior liens or valid and non-avoidable senior permitted liens in existence immediately prior to the Petition Date or that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, in each case other than the Prepetition Term Liens;

(c) *Relative Priority of Liens*. Notwithstanding anything to the contrary herein, (i) in respect of the Term DIP Collateral, the DIP Liens in respect of the Term DIP Roll-

Up Loans (the "**Term DIP Roll-Up Liens**") shall be subject and subordinate to the DIP Liens in respect of the New Money Term DIP Loans (the "**New Money Term DIP Liens**"), and (ii) in respect of the Specified Excluded Unencumbered Property, the DIP Liens in respect of the new money portion of the DIP ABL Facility (the "**New Money DIP ABL Liens**") shall be subject to and subordinate to the New Money Term DIP Liens. Notwithstanding anything to the contrary in, the preceding sentence, this Interim Order or in the DIP Documents, the relative priority of each DIP Lien granted in this paragraph 14 shall be as set forth in **Exhibit A** attached hereto and the relative priority of the Prepetition ABL Liens, the ABL Indemnification Liens, the Prepetition ABL Adequate Protection Liens, Prepetition Term Liens and the Prepetition Term Loan Adequate Protection Liens shall be as set forth in **Exhibit A** attached hereto; *provided* that, for the avoidance of doubt, each such lien shall be subject and subordinate to the Carve-Out.

(d) *Automatic Effectiveness of Liens.* The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby vacated and modified to permit the DIP Loan Parties to grant the liens and security interests to the DIP Agents, the other DIP Secured Parties and the Prepetition Secured Parties, in any such case, contemplated by this Interim Order and the other DIP Documents, and such liens and security interests are hereby automatically granted, attached and perfected.

15. *Protection of DIP Lenders' Rights.*

(a) So long as (1) there are any Term DIP Obligations outstanding or the Term DIP Lenders have any outstanding "Commitments" (as defined, and used, in the Term DIP Credit Agreement) (the "**Term DIP Commitments**") under the Term DIP Credit Agreement, or (2) there is any Prepetition First Lien Term Loan Debt outstanding under the Prepetition First Lien Term Loan Credit Agreement, the Prepetition ABL Secured Parties shall: (i) with respect

to the DIP Term Loan Priority Collateral and Prepetition Term Loan Priority Collateral, have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted pursuant to the Prepetition Documents or this Interim Order, or otherwise seek to exercise or enforce any rights or remedies against such DIP Term Loan Priority Collateral and Prepetition Term Loan Priority Collateral, including in connection with the ABL Indemnification Liens, the Prepetition ABL Liens or the Prepetition ABL Adequate Protection Liens; (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, such DIP Term Loan Priority Collateral and Prepetition Term Loan Priority Collateral (but not any proceeds of such transfer, disposition or sale to the extent remaining after payment in cash in full of the Term DIP Obligations and termination of the Term DIP Commitments and payment in cash in full of the Prepetition First Lien Term Loan Debt), to the extent such transfer, disposition, sale or release is authorized under the DIP Documents; (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in such DIP Term Loan Priority Collateral and Prepetition Term Loan Priority Collateral unless, solely as to this clause (iii), the DIP Agents or the DIP Lenders file financing statements or other documents to perfect the liens granted pursuant to this Interim Order, or as may be required by applicable state law to continue the perfection of valid and non-avoidable liens or security interests as of the Petition Date and (iv) at the request of the Term DIP Agent, deliver or cause to be delivered, at the Term DIP Loan Parties' cost and expense, any termination statements, releases and/or assignments in favor of the Term DIP Agents or the Term DIP Lenders or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of such DIP Term Loan Priority Collateral subject to any sale or disposition

permitted by the DIP Documents and this Interim Order or in connection with the ABL Discharge.

(b) So long as (1) there are any DIP ABL Obligations outstanding or the DIP ABL Lenders have any outstanding "DIP Revolving Loan Commitment" (as defined, and used, in the DIP ABL Credit Agreement) (the "**DIP ABL Commitments**," and together with the Term DIP Commitments, the "**DIP Commitments**") under the DIP ABL Credit Agreement or (2) there is any Prepetition ABL Debt outstanding (including any Prepetition ABL Indemnification Obligations) under the Prepetition ABL Credit Agreement, the Prepetition Term Loan Secured Parties shall: (i) with respect to the Prepetition ABL Priority Collateral and DIP ABL Priority Collateral, have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted pursuant to the Prepetition Documents or this Interim Order, or otherwise seek to exercise or enforce any rights or remedies against such Prepetition ABL Priority Collateral and DIP ABL Priority Collateral, including in connection with the Prepetition Term Liens or the Prepetition Term Loan Adequate Protection Liens; (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, such Prepetition ABL Priority Collateral or DIP ABL Priority Collateral (but not any proceeds of such transfer, disposition or sale to the extent remaining after payment in cash in full of the DIP ABL Obligations and Prepetition ABL Debt and termination of the DIP ABL Commitments and "Commitments" as defined under the Prepetition ABL Credit Agreement), to the extent such transfer, disposition, sale or release is authorized under the DIP Documents; (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in such Prepetition ABL Priority Collateral or DIP ABL Priority Collateral unless, solely as to this clause (b), the DIP Agents or

the DIP Lenders file financing statements or other documents to perfect the liens granted pursuant to this Interim Order, or as may be required by applicable state law to continue the perfection of valid and non-avoidable liens or security interests as of the Petition Date and (iv) at the request of the DIP ABL Agent or Prepetition ABL Agent, deliver or cause to be delivered, at the DIP ABL Loan Parties' or Prepetition ABL Loan Parties' cost and expense, any termination statements, releases and/or assignments in favor of the DIP ABL Agents or Prepetition ABL Agents or the DIP ABL Lenders or Prepetition ABL Lenders or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of such Prepetition ABL Priority Collateral or DIP ABL Priority Collateral subject to any sale or disposition permitted by the DIP Documents and this Interim Order or in connection with the ABL Discharge.

(c) To the extent any Prepetition ABL Secured Party has possession of any Prepetition ABL Priority Collateral or DIP ABL Priority Collateral or has control with respect to any Prepetition ABL Priority Collateral or DIP ABL Priority Collateral, or has been noted as a secured party on any certificate of title for a titled good constituting Prepetition ABL Priority Collateral or DIP ABL Priority Collateral, then such Prepetition ABL Secured Party shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Agents and the DIP Lenders (subject to the priorities set forth in **Exhibit A** hereto), and it shall comply with the instructions of the DIP ABL Agent with respect to the exercise of such control.

(d) To the extent any Prepetition Term Loan Secured Party has possession of any Prepetition Term Loan Priority Collateral or DIP Term Loan Priority Collateral or has control with respect to any Prepetition Term Loan Priority Collateral or DIP Term Loan Priority

Collateral, or has been noted as a secured party on any certificate of title for a titled good constituting Prepetition Term Loan Priority Collateral or DIP Term Loan Priority Collateral, then such Prepetition Term Loan Secured Party shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Agents and the DIP Lenders (subject to the priorities set forth in **Exhibit A** hereto), and it shall comply with the instructions of the Term DIP Agent with respect to the exercise of such control.

(e) Any proceeds of Prepetition Collateral received by any Prepetition Secured Party in connection with the exercise of any right or remedy (including setoff) relating to the Prepetition Collateral or otherwise received by any Prepetition Secured Party shall be segregated and held in trust for the benefit of and forthwith paid over to the applicable DIP Agents for the benefit of the applicable DIP Secured Parties (subject to the priorities set forth in **Exhibit A** hereto) in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The DIP Agents are hereby authorized to make any such endorsements as agent for any such Prepetition Secured Party. This authorization is coupled with an interest and is irrevocable.

(f) The automatic stay provisions of section 362 of the Bankruptcy Code are hereby vacated and modified to the extent necessary to permit the DIP Secured Parties in respect of any DIP Facility to enforce all of their rights under the applicable DIP Documents and take any or all of the following actions, at the same or different time, in each case without further order or application of the Court: (i) immediately upon the occurrence of an Event of Default, declare (A) the termination, reduction or restriction of any further DIP Commitment to the extent any such DIP Commitment remains, (B) all DIP Obligations to be immediately due, owing and

payable, without presentment, demand, protest, or other notice of any kind, all of which are expressly waived by the DIP Loan Parties; notwithstanding anything herein or in any DIP Document to the contrary, (ii) the termination of the applicable DIP Documents as to any future liability or obligation of the applicable DIP Agent and the applicable DIP Lenders (but, for the avoidance of doubt, without affecting any of the DIP Liens or the DIP Obligations), (iii) whether or not the maturity of any of the DIP Obligations shall have been accelerated, proceed to protect, enforce and exercise all rights and remedies of the DIP Secured Parties under the DIP Documents for such DIP Facility or applicable law, including, but not limited to, by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in any such DIP Document or any instrument pursuant to which such DIP Obligations are evidenced, and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of any of such DIP Secured Parties, and (iv) unless this Court orders otherwise during the Remedies Notice Period (as defined below) after a hearing, upon the occurrence of an Event of Default and the giving of five business days' prior written notice (which shall run concurrently with any notice required to be provided under the DIP Documents) (the "**Remedies Notice Period**") via email to counsel to the Debtors and the office of the United States Trustee for the District of Delaware (the "**U.S. Trustee**") to (A) withdraw consent to the DIP Loan Parties' continued use of Cash Collateral and (B) exercise all other rights and remedies provided for in the DIP Documents and under applicable law with respect to the DIP Collateral; *provided*, that no such notice shall be required for any exercise of rights or remedies (A) to block or limit withdrawals from any bank accounts that are a part of the Collateral (including, without limitation, by sending any control activation notices to depositary banks pursuant to any control

agreement) or (B) in the event of DIP Obligations that have not been Paid in Full (other than contingent indemnification obligations as to which no claim has been asserted) on the applicable termination of the respective DIP Document.

(g) During the Remedies Notice Period, the DIP Loan Parties shall be permitted to use Cash Collateral solely to (A) pay payroll and other critical administrative expenses to keep the business of the DIP Loan Parties operating, strictly in accordance with the Approved Budget and (B) fund the Carve-Out. During the Remedies Notice Period, the Debtors, the Committee (if appointed) and/or any party in interest shall be entitled to seek an emergency hearing with the Court within the Remedies Notice Period for the purpose of contesting whether, in fact, an Event of Default has occurred and is continuing. Except as set forth in this Interim Order, the Debtors have irrevocably waived their right to seek relief under the Bankruptcy Code, including, without limitation, under section 105 of the Bankruptcy Code, to the extent that such relief would in any way impair or restrict the rights or remedies of the DIP Secured Parties set forth in this Interim Order or the DIP Documents.

(h) In no event shall the DIP Agents, the DIP Lenders or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral. Further, subject to entry of the Final Order, in no event shall the "equities of the case" exception in section 552(b) of the Bankruptcy Code apply to the secured claims of the Prepetition Secured Parties.

(i) No rights, protections or remedies of the DIP Agents or the DIP Lenders granted by the provisions of this Interim Order or the DIP Documents shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent of any party to the DIP Loan Parties' authority to continue to use Cash Collateral; (ii) any actual or purported

termination of the DIP Loan Parties' authority to continue to use Cash Collateral; or (iii) the terms of any other order or stipulation related to the DIP Loan Parties' continued use of Cash Collateral or the provision of adequate protection to any party.

(j) Except to the extent the DIP Lenders are required to fund the Carve Out as set forth in this Interim Order, the DIP Agents and DIP Lenders shall have no obligation to make any loan or advance under the DIP Documents, unless all of the conditions precedent to the making of such extension of credit under the DIP Documents and this Interim Order have been satisfied in full or waived in writing by the applicable DIP Agent and in accordance with the terms of the applicable DIP Documents.

16. *Proceeds of Subsequent Financing*. Without limiting the provisions and protections of Paragraph 14 above, but subject in all respects to the Carve-Out, if at any time prior to the Repayment in Full in accordance with the DIP Documents of all the DIP Obligations (including subsequent to the confirmation of any chapter 11 plan or plans with respect to any of the Debtors), the Debtors' estates, any trustee, any examiner with enlarged powers, or any responsible officer subsequently appointed shall obtain credit or incur debt pursuant to sections 364(b), 364(c), 364(d), or any other provision of the Bankruptcy Code in violation of this Interim Order or the DIP Documents, then all of the cash proceeds derived from such credit or debt and all Cash Collateral shall immediately be turned over to the DIP Agents for application to the DIP Obligations, in accordance with the priorities set forth herein, until such DIP Obligations are Paid in Full.

17. *Limitation on Charging Expenses Against Collateral*. Subject to entry of the Final Order, and subject to the Carve-Out, no costs or expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy

or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Collateral (including Cash Collateral) pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior express written consent of each of the DIP Agents, the Prepetition Agents (in the case of the Prepetition ABL Agent, prior to the ABL Discharge) and the Prepetition Lenders, as the case may be, that holds a lien on the relevant asset, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Agents, the DIP Lenders, the Prepetition Agents or the Prepetition Lenders, and nothing contained in this Interim Order shall be deemed to be a consent by the DIP Agents, the DIP Lenders or the Prepetition Secured Parties to any charge, lien, assessment or claim against the Collateral under section 506(c) of the Bankruptcy Code or otherwise.

18. *Payments Free and Clear*. Any and all payments or proceeds remitted to the DIP Agents by, through or on behalf of the DIP Lenders pursuant to the provisions of the Interim Order, the Final Order, the DIP Documents or any subsequent order of the Court shall be irrevocable, received free and clear of any claim, charge, assessment or other liability, including without limitation, any such claim or charge arising out of or based on, directly or indirectly, sections 506(c) or 552(b) of the Bankruptcy Code (subject to entry of the Final Order approving the waiver of the Debtors' rights under sections 506(c) and 552(b) of the Bankruptcy Code), whether asserted or assessed by through or on behalf of the Debtors.

19. *Use of Cash Collateral*. The DIP Loan Parties are hereby authorized, subject to the terms and conditions of this Interim Order, to use Cash Collateral; *provided* that (a) the Prepetition Secured Parties are granted the Adequate Protection as hereinafter set forth and (b) except on the terms and conditions of this Interim Order, the DIP Loan Parties shall be

enjoined and prohibited from at any time using the Cash Collateral absent further order of the Court.

20. *ABL Indemnification Liens and Adequate Protection of Prepetition ABL Secured Parties*. The Prepetition ABL Secured Parties are entitled to (a) the ABL Indemnification Liens and (b) pursuant to sections 361, 362, 363(e), 364(d)(1) and 507 of the Bankruptcy Code, adequate protection of their interests in all Prepetition Collateral, including Cash Collateral, in an amount equal to the aggregate diminution in the value of the Prepetition ABL Secured Parties' interests in the Prepetition Collateral (including Cash Collateral) from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, without limitation, any such diminution resulting from the depreciation, sale, lease or use by the DIP Loan Parties (or other decline in value) of the Prepetition Collateral, the priming of the Prepetition ABL Liens by the DIP Liens pursuant to the DIP Documents and this Interim Order and/or the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code (the "**Prepetition ABL Adequate Protection Claim**"). In consideration of the foregoing, the Prepetition ABL Secured Parties are hereby granted the following, in each case, subject to the Carve-Out (collectively, the "**Prepetition ABL Secured Parties Adequate Protection Obligations**"):

(a) ABL Indemnification Liens and Prepetition ABL Adequate Protection Liens. The Prepetition ABL Agent (for itself and for the benefit of the Prepetition ABL Lenders) is hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements), (i) to secure payment of any and all Prepetition ABL Indemnification Claims and the ABL Indemnification Liens and (ii) to secure payment of any and all of the Prepetition ABL Adequate Protection Claims, a valid, perfected replacement

security interest in and lien (the "**Prepetition ABL Adequate Protection Liens**") (subject to the limitations set forth above) upon the Collateral, except for the Specified Excluded Unencumbered Property, in accordance with the priorities shown in **Exhibit A** and in each case subject to the Carve-Out.

(b) Prepetition ABL Section 507(b) Claim. The Prepetition ABL Secured Parties are hereby granted against each of the DIP Loan Parties on a joint and several basis an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of the Prepetition ABL Adequate Protection Claim with, except as set forth in this Interim Order, priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (the "**Prepetition ABL 507(b) Claim**"). The Prepetition ABL 507(b) Claim shall be subject and subordinate only to the Carve-Out and the DIP Superpriority Claims granted in respect of the DIP Obligations and shall be *pari passu* with the Prepetition First Lien Term Loan 507(b) Claim (as defined below) and senior in all respects to the Prepetition Second Lien Term Loan 507(b) Claim (as defined below). Except to the extent expressly set forth in this Interim Order or the DIP Credit Agreements, the Prepetition ABL Secured Parties shall not receive or retain any payments, property or other amounts in respect of the Prepetition ABL 507(b) Claim unless and until the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and any claims having a priority superior to or *pari passu* with the DIP Superpriority Claims have indefeasibly been Paid in Full and the DIP Commitments have been terminated. For purposes of this Interim Order, the terms "Paid in Full," "Repaid in Full," "Repay in Full," and "Payment in Full" shall mean, with respect to any referenced DIP Obligations and/or Prepetition Debt, (i) the indefeasible payment in full in cash of such

obligations, (ii) the termination or cash collateralization, in accordance with the DIP Documents and/or Prepetition Documents, as applicable, of all undrawn letters of credit and Banking Services Obligations outstanding thereunder, and (iii) the termination of all commitments under the DIP Documents and/or the Prepetition Debt Documents, as applicable.

(c) Prepetition ABL Agent Fees and Expenses. The Prepetition ABL Agent shall receive from the DIP Loan Parties, for the benefit of the Prepetition ABL Lenders, current cash payments of the reasonable and documented prepetition and postpetition fees and expenses with respect to Prepetition ABL Debt under the Prepetition ABL Financing Documents, including, but not limited to, the reasonable and documented fees and expenses of counsel for the Prepetition ABL Agent (including Hogan Lovells US LLP as primary counsel to the Prepetition ABL Agent, Morris, Nichols, Arsht & Tunnell LLP as bankruptcy and Delaware counsel to the Prepetition ABL Agent, one local counsel to the Prepetition ABL Agent in each other applicable jurisdiction) promptly upon receipt of invoices therefor. The DIP Loan Parties are authorized to pay the prepetition reasonable and documented fees and expenses described in this subsection (c) immediately upon entry of this Interim Order. Postpetition, the Prepetition ABL Agent shall provide summary form fee and expense statements (i.e., without any detail) to the DIP Loan Parties, the U.S. Trustee, and any Committee, which may be redacted for privileged information. If no written objection is received by 12:00 p.m., prevailing Eastern Time, on the date that is ten (10) business days after delivery of such invoice to the Debtors, the U.S. Trustee, and any Committee, the DIP Loan Parties shall promptly pay such invoices. If an objection to a professional's invoice is timely received, the DIP Loan Parties shall promptly pay the undisputed amount of the invoice and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. The Prepetition ABL

Agent (and each of its professionals) shall not be required to comply with U.S. Trustee fee guidelines or file applications or motions with, or obtain approval of, the Court for the payment of any of their out-of-pocket costs, fees, expenses, disbursements and other charges. Payments of any amounts set forth in this paragraph are not subject to recharacterization, avoidance, subordination or disgorgement.

(d) Prepetition ABL Secured Parties' Cash Payments. Subject to reallocation or recharacterization as payment of principal under sections 506(a) and (b) of the Bankruptcy Code, the Prepetition ABL Secured Parties shall receive current cash payments in the amount of interest on the outstanding principal at the non-default rate under the Prepetition ABL Credit Agreement prior to the ABL Discharge.

(e) Information Rights. Until the occurrence of the ABL Discharge, the Debtors shall promptly provide the Prepetition ABL Agent, on behalf of itself and the Prepetition ABL Lenders, with all required written financial reporting and other periodic reporting that is delivered by any of the DIP Loan Parties under the DIP Documents. In addition, the Debtors shall upon reasonable advance notice, permit the Prepetition ABL Agent, on behalf of itself and the Prepetition ABL Lenders, to conduct field audits, collateral examinations, liquidation valuations, and inventory appraisals at reasonable times in respect of any or all of the Collateral in accordance with the terms and conditions set forth in the Prepetition ABL Financing Documents.

21. *Adequate Protection of Prepetition Term Loan Secured Parties.* The Prepetition Term Loan Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1) and 507 of the Bankruptcy Code, to adequate protection of their interests in all Prepetition Collateral, for and equal in amount to the aggregate diminution in the value of the Prepetition Term Loan

Secured Parties' interests in the Prepetition Collateral from and after the Petition Date, if any, including, without limitation, any such diminution resulting from the depreciation, sale, lease or use by the DIP Loan Parties (or other decline in value) of the Prepetition Collateral, the priming of the Prepetition Term Liens by the DIP Liens pursuant to the DIP Documents and this Interim Order and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code, (the "**Prepetition Term Loan Parties Adequate Protection Claim**" and, together with the Prepetition ABL Adequate Protection Claim, the "**Adequate Protection Claims**"); *provided*, that the avoidance of any Prepetition Term Loan Secured Parties' interests in Prepetition Collateral shall not constitute diminution in the value of such Prepetition Term Loan Secured Party's interests in Prepetition Collateral. As adequate protection of the Prepetition Term Loan Parties Adequate Protection Claim, the Prepetition Term Loan Secured Parties are hereby granted the following, in each case subject to the Carve-Out (collectively, the "**Prepetition Term Loan Adequate Protection Obligations**" and, together with the Prepetition ABL Secured Parties Adequate Protection Obligations, the "**Adequate Protection Obligations**"):

(a) Prepetition Term Loan Adequate Protection Liens. The Prepetition First Lien Term Loan Agent, on behalf of the Prepetition First Lien Term Loan Secured Parties, and the Prepetition Second Lien Term Loan Agent, on behalf of the Prepetition Second Lien Term Loan Secured Parties, are each hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements), in the amount of the applicable Prepetition Term Loan Parties Adequate Protection Claim held by such Prepetition Term Loan Secured Parties, a replacement security interest in and lien (the "**Prepetition Term Loan Adequate Protection Liens**" and, together with the Prepetition ABL Adequate Protection Liens,

the "**Adequate Protection Liens**") (subject to the limitations set forth above) upon the Collateral, except for the Specified Excluded Unencumbered Property, in accordance with the priorities shown in **Exhibit A** and in each case subject to the Carve-Out.

(b) Prepetition Term Loan Secured Parties Section 507(b) Claim. The Prepetition First Lien Term Loan Secured Parties are hereby granted, subject to the Carve-Out, allowed superpriority claims as provided for in section 507(b) of the Bankruptcy Code, junior to the DIP Superpriority Claims (the "**Prepetition First Lien Term Loan 507(b) Claim**"). The Prepetition Second Lien Term Loan Secured Parties are hereby granted, subject to the Carve-Out, allowed superpriority claims as provided for in section 507(b) of the Bankruptcy Code, junior to the DIP Superpriority Claims, the Prepetition ABL 507(b) Claim and the Prepetition First Lien Term Loan 507(b) Claim (the "**Prepetition Second Lien Term Loan 507(b) Claim**" and, together with the Prepetition First Lien Term Loan 507(b) Claim, the "**Prepetition Term Loan 507(b) Claims**," and the Prepetition Term Loan 507(b) Claims together with the Prepetition ABL 507(b) Claim, the "**507(b) Claims**"). If the Prepetition First Lien Term Loan Secured Parties holding 66.67% of the Prepetition First Lien Term Loan Debt waive the requirement that their Prepetition Term Loan 507(b) Claims be paid in full in cash, then the Prepetition Second Lien Term Loan Secured Parties will also be deemed to waive such requirement. The Prepetition First Lien Term Loan 507(b) Claim shall be subject and subordinate to only the Carve-Out and the DIP Superpriority Claims granted in respect of the DIP Obligations and shall be *pari passu* with the Prepetition ABL 507(b) Claim. The Prepetition Second Lien Term Loan 507(b) Claim shall be subject and subordinate to only the Carve-Out, the Prepetition First Lien Term Loan 507(b) Claim, the Prepetition ABL 507(b) Claim and the DIP Superpriority Claims granted in respect of the DIP Obligations. Except to the extent

expressly set forth in this Interim Order or the DIP Credit Agreements, the Prepetition Term Loan Secured Parties shall not receive or retain any payments, property or other amounts in respect of the Prepetition Term Loan 507(b) Claim unless and until the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and any claims having a priority superior to or *pari passu* with the DIP Superpriority Claims have indefeasibly been Paid in Full and the DIP Commitments have been terminated.

(c) Prepetition Term Loan Secured Parties' Fees and Expenses. The Prepetition Term Loan Agents shall receive from the DIP Loan Parties, for the benefit of the Prepetition Term Loan Lenders, current cash payments of the reasonable and documented prepetition and postpetition fees and expenses of the Prepetition Term Loan Agents under the Prepetition Term Loan Documents, including, but not limited to, the reasonable and documented fees and disbursements of one counsel and one local counsel in each applicable jurisdiction for each of the Prepetition Term Loan Agents. The DIP Loan Parties shall also pay all reasonable and documented prepetition and postpetition fees and expenses of: (i) the Crossover Group, to the extent not already paid, including the reasonable and documented fees and expenses of Davis Polk & Wardwell LLP, as counsel to the Crossover Group, Simpson Thacher & Bartlett LLP, as counsel to Solus Alternative Asset Management LP (a member of the Crossover Group), one local counsel to the Crossover Group in each applicable jurisdiction, if retained; and (ii) the First Lien Group, to the extent not already paid, including the reasonable and documented fees and expenses of Shearman & Sterling LLP, as counsel, one local counsel to the First Lien Group in each applicable jurisdiction, if retained. The DIP Loan Parties are authorized to pay the reasonable and documented prepetition fees and expenses described in this subsection (c) immediately upon entry of this Interim Order. Postpetition, the Prepetition Term Loan Agents,

the Crossover Group, and the First Lien Group shall provide summary form fee and expense statements (i.e., without any detail) to the DIP Loan Parties, the U.S. Trustee, and any Committee, which may be redacted for privileged information. If no written objection is received by 12:00 p.m., prevailing Eastern Time, on the date that is ten (10) business days after delivery of such invoice to the Debtors, the U.S. Trustee, and any Committee, the DIP Loan Parties shall promptly pay such invoices. If an objection to a professional's invoice is timely received, the DIP Loan Parties shall promptly pay the undisputed amount of the invoice and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. The Prepetition Term Loan Agents, the Crossover Group, and the First Lien Group (and each of their professionals) shall not be required to comply with U.S. Trustee fee guidelines or file applications or motions with, or obtain approval of, the Court for the payment of any of their out-of-pocket costs, fees, expenses, disbursements and other charges. Payments of any amounts set forth in this paragraph are not subject to recharacterization, avoidance, subordination or disgorgement.

(e) Information Rights. The Debtors shall promptly provide the Prepetition Term Loan Agents, on behalf of itself and the Prepetition Term Loan Lenders, with all required written financial reporting and other periodic reporting that is delivered by any of the DIP Loan Parties under the DIP Documents, including the Approved Budget and any related variance reporting. In addition, the Debtors shall provide the Prepetition Term Loan Agents, on behalf of itself and the Prepetition Term Loan Lenders, with reasonable access to the Debtors' officers, management, books and records, premises and properties in accordance with the terms and conditions set forth in the Prepetition Term Loan Financing Documents.

22. *Adequate Protection Liens and Prepetition Intercreditor Agreements.* Notwithstanding anything to the contrary herein, the Adequate Protection Liens shall retain the same priority between and among the Prepetition Secured Parties as the liens such parties held prior to the Petition Date pursuant to and as governed by the Prepetition Intercreditor Agreements, and the Prepetition Intercreditor Agreements shall continue in full force and effect and nothing herein shall be construed as modifying, amending, waiving or in any way impacting the effectiveness and enforceability thereof. The Prepetition ABL Lenders and the Prepetition First Lien Term Loan Lenders each consent to the priming of their respective Prepetition Liens by the DIP Liens and the Adequate Protection Liens, and the Prepetition Second Lien Term Loan Lenders are deemed to consent to the priming of their Prepetition Second Lien Term Liens by the DIP Liens and the Adequate Protection Liens pursuant to the terms of the Prepetition Intercreditor Agreements, in each case where and to the extent set forth on **Exhibit A** hereto.

23. *Reservation of Rights of Prepetition Secured Parties*. Under the circumstances and given that the above-described adequate protection is consistent with the Bankruptcy Code, including, subject to the entry of the Final Order, section 506(c) of the Bankruptcy Code, the Court finds that the adequate protection provided herein is reasonable and sufficient to protect the interests of the Prepetition Secured Parties; *provided* that, subject to the terms of the Prepetition Intercreditor Agreements, any of the Prepetition Secured Parties may request further or different adequate protection.

24. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) The DIP Agents, the DIP Lenders and the Prepetition Secured Parties are hereby authorized, but not required, to file or record (and to execute in the name of the DIP Loan Parties, as their true and lawful attorneys, with full power of substitution, to the maximum extent

permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over cash or securities or other property, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Agents (on behalf of the DIP Lenders) or the Prepetition Secured Parties shall, in their sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over any cash or securities or other property, or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination (subject to the priorities set forth in this Interim Order), at the time and on the date of entry of this Interim Order or thereafter. Upon the request of a DIP Agent, each of the Prepetition Secured Parties and the DIP Loan Parties, without any further consent of any party, is authorized to take, execute, deliver and file such instruments (in each case, without representation or warranty of any kind) to enable the applicable DIP Agent to further validate, perfect, preserve and enforce the DIP Liens. All such documents will be deemed to have been recorded and filed as of the Petition Date.

(b) A certified copy of this Interim Order may, in the discretion of the DIP Agents, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Interim Order for filing and/or recording, as applicable. The automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to permit the DIP Agents to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

(c) To the extent that any Prepetition Secured Party is the secured party under any account control agreements, real property mortgages or as-extracted collateral filings, listed as loss payee or additional insured under any of the DIP Loan Parties' insurance policies or is the secured party under any other agreement, each of (i) the DIP ABL Agent, on behalf of the DIP ABL Secured Parties, and (ii) the Term DIP Agent, on behalf of the Term DIP Secured Parties, are also deemed to be the secured party under such account control agreements, real property mortgages or as-extracted collateral filings, loss payee or additional insured under the Prepetition Secured Parties' insurance policies and the secured party under each such agreement (in any such case with the same priority of liens and claims thereunder relative to the priority of (x) the Prepetition Liens and Adequate Protection Liens and (y) the DIP Liens, as set forth herein), and shall have all rights and powers in each case attendant to that position (including, without limitation, rights of enforcement, but subject in all respects to the terms of this Interim Order), and shall, subject to the terms of this Interim Order, act in that capacity and distribute any proceeds recovered or received in respect of any of the foregoing pursuant to the priorities set forth in **Exhibit A** hereto. In accordance with the terms of this Interim Order and the other DIP Documents, the Prepetition First Lien Term Loan Agent, the Prepetition Second Lien Term Loan Agent, or the Prepetition ABL Agent, as applicable, shall serve as agent for the applicable DIP Agent for purposes of perfecting such DIP Agent's security interests in and liens on all Collateral that is of a type such that perfection of a security interest therein may be accomplished only by possession or control by a secured party.

25. *Preservation of Rights Granted Under This Interim Order.*

(a) The relative priority of the liens expressly granted by this Interim Order shall be as set forth in **Exhibit A**.

(b) Other than the Carve-Out and other claims and liens expressly granted by this Interim Order, no claim or lien having a priority superior to or *pari passu* with those granted by this Interim Order to the DIP Agents and the DIP Lenders or the Prepetition Secured Parties shall be permitted while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding, and, except as otherwise expressly provided in paragraph 12 of this Interim Order, the DIP Liens and the Adequate Protection Liens shall not be: (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the DIP Loan Parties' estates under section 551 of the Bankruptcy Code; (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise; (iii) subordinated to or made *pari passu* with any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the DIP Loan Parties; or (iv) subject or junior to any intercompany or affiliate liens or security interests of the DIP Loan Parties.

(c) It shall constitute an Event of Default (as defined below) (giving each DIP Agent the right to terminate the DIP Loan Parties' use of Cash Collateral, the right to terminate the applicable DIP Commitments and/or the right to accelerate the applicable DIP Obligations) if any of the DIP Loan Parties, without the prior written consent of the Required DIP Lenders, as applicable, seeks, proposes or supports (whether by way of motion or other pleadings filed with the Court or any other writing executed by any DIP Loan Party or by oral argument), or if there is entered or confirmed (in each case, as applicable), or if there occurs:

(i) a failure of the Debtors to make any payment under this Interim Order to any of the Prepetition Secured Parties when due;

(ii) a failure of the Debtors to (x) observe or perform any of the material terms or provisions contained in this Interim Order or (y)

comply with any covenant or agreement in this Interim Order in any material respect;

(iii) a failure of the Debtors to observe or perform any of the material terms or provisions contained in the RSA (as defined in the Term DIP Credit Agreement), subject to any applicable cure period set forth therein;

(iv) any modifications, amendments, or reversal of this Interim Order, and no such consent shall be implied by any other action, inaction or acquiescence by any party;

or

(v) any "Event of Default" or "DIP Event of Default" as defined in the DIP Credit Agreements.

Except as otherwise provided in this Interim Order, any material violation of any of the terms of this Interim Order or any occurrence of an "Event of Default" or "DIP Event of Default" under and as defined in the DIP Credit Agreements shall constitute an event of default under this Interim Order (each an "**Event of Default**") and upon any such Event of Default, interest, including, where applicable, default interest, shall accrue and be paid as set forth in the DIP Credit Agreements. Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or otherwise is at any time entered: (A) the DIP Superpriority Claims, the 507(b) Claims, the DIP Liens, and the Adequate Protection Liens, and any claims related to the foregoing, shall continue in full force and effect and shall maintain their priorities as provided in this Interim Order until all DIP Obligations and Adequate Protection Claims shall have been Paid in Full (and that such DIP Superpriority Claims, 507(b) Claims, DIP Liens and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest); (B) the other rights granted by this Interim Order shall not be affected; and (C) this Court shall retain jurisdiction, notwithstanding such

dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph and otherwise in this Interim Order.

(d) If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacation or stay shall not affect: (i) the validity, priority or enforceability of any DIP Obligations or Adequate Protection Claims incurred prior to the actual receipt of written notice by the DIP Agents or the Prepetition Agents, as applicable, of the effective date of such reversal, modification, vacation or stay; or (ii) the validity, priority or enforceability of the DIP Liens, the Adequate Protection Liens, the ABL Indemnification Liens, the Prepetition ABL Indemnification Obligations, the Prepetition Liens or the Prepetition Debt. Notwithstanding any such reversal, modification, vacation or stay of any use of Cash Collateral or Collateral, any DIP Obligations, DIP Liens, Adequate Protection or Adequate Protection Liens incurred by the DIP Loan Parties to the DIP Agents, the DIP Lenders or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agents or the Prepetition Agents, as applicable, of the effective date of such reversal, modification, vacation or stay shall be governed in all respects by the original provisions of this Interim Order, and the DIP Agents, the DIP Lenders and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges and benefits granted in section 364(e) of the Bankruptcy Code (including, without limitation, in respect of any payments received in connection with the discharge of the Prepetition ABL Debt), this Interim Order and the DIP Documents with respect to all uses of Cash Collateral, the DIP Obligations and Adequate Protection.

(e) Except as expressly provided in this Interim Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the

ABL Indemnification Liens, the Prepetition ABL Indemnification Obligations, the Prepetition Liens, the Prepetition Debt, Adequate Protection Claims and the Adequate Protection and all other rights and remedies of the DIP Agents, the DIP Lenders and the Prepetition Secured Parties granted by the provisions of this Interim Order and the DIP Documents shall survive, and shall not be modified, impaired or discharged by: (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7, dismissing any of the Chapter 11 Cases, substantively consolidating any of the cases with another case, terminating the joint administration of these Chapter 11 Cases or by any other act or omission; (ii) the entry of an order approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Documents); or (iii) the entry of an order confirming a chapter 11 plan in any of the Chapter 11 Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the DIP Loan Parties have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations and with respect to the Prepetition Debt and the Prepetition ABL Indemnification Obligations (to the extent the ABL Discharge has not occurred). The terms and provisions of this Interim Order and the DIP Documents shall continue in these Chapter 11 Cases, in any successor cases if these Chapter 11 Cases cease to be jointly administered and in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Prepetition ABL Indemnification Claims, the ABL Indemnification Liens, the Prepetition Debt, the Prepetition Liens and the Adequate Protection Claims and all other rights and remedies of the DIP Agents, the DIP Lenders and the Prepetition Secured Parties granted by the provisions of this Interim Order and the DIP Documents shall continue in full force and effect until the DIP Obligations are

Paid in Full, as set forth herein and in the DIP Documents, and the DIP Commitments have been terminated.

26. *Limitation on Use of DIP Financing Proceeds and Collateral*. Notwithstanding any other provision of this Interim Order or any other order entered by the Court, no DIP Loans, DIP Collateral, Cash Collateral, Prepetition Collateral or any portion of the Carve-Out, or any proceeds of the foregoing, may be used directly or indirectly by any Debtor, any Guarantor, any official committee appointed in the Chapter 11 Cases, or any trustee appointed in the Chapter 11 Cases or any successor case, including any chapter 7 case, or any other person, party or entity (i) in connection with the investigation, initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation (a) against any of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties, or their respective predecessors-in-interest, agents, affiliates, representatives, attorneys, or advisors, or any action purporting to do the foregoing in respect of the Prepetition Debt, liens on the Prepetition Collateral, DIP Obligations, DIP Liens, DIP Superpriority Claims and/or the adequate protection, adequate protection liens and superpriority claims granted to the Prepetition Secured Parties under the Interim Order or the Final Order, as applicable, or (b) challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset with respect to, the Prepetition Debt, the DIP Obligations and/or the liens, claims, rights, or security interests granted under this Interim Order, the Final Order, the DIP Documents or the Prepetition Credit Agreements including, in each case, without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise; (ii) to prevent, hinder, or otherwise delay the Prepetition Secured Parties', the DIP Agent's or the DIP Lenders', as applicable, enforcement or realization on the Prepetition Debt, Prepetition Collateral, DIP

Obligations, DIP Collateral, and the liens, claims and rights granted to such parties under this Interim Order or the Final Order, each in accordance with the DIP Documents, the Prepetition Credit Agreements or this Interim Order; (iii) to seek to modify any of the rights and remedies granted to the Prepetition Secured Parties, the DIP Agents or the DIP Lenders under this Interim Order, the Prepetition Credit Agreements or the DIP Documents, as applicable; (iv) to apply to the Court for authority to approve superpriority claims or grant liens (other than the liens permitted pursuant to the DIP Documents) or security interests in the DIP Collateral or any portion thereof that are senior to, or on parity with, the DIP Liens, DIP Superpriority Claims, adequate protection liens and superpriority claims and liens granted to the Prepetition Secured Parties, unless all DIP Obligations, Prepetition Debt, adequate protection, and claims granted to the DIP Agents, DIP Lenders or Prepetition Secured Parties under this Interim Order, have been refinanced or Paid in Full or otherwise agreed to in writing by the DIP Lenders; or (v) to seek to pay any amount on account of any claims arising prior to the Petition Date unless such payments are agreed to in writing by the DIP Lenders in or are otherwise included in the "**Approved Budget**".

27. *Real Property Leases*. As a requirement and precondition to the DIP Lenders' willingness to lend and in furtherance of the DIP Superpriority Claims provided for in this Interim Order and pursuant to the DIP Documents, which are payable from and have recourse to all of the Debtors' pre- and post-petition property including, among other things, each Mining Lease, Real Property Lease or other Contractual Obligation (each as defined in the DIP Credit Agreements) to which a Debtor is a counterparty (each, a "**Real Property Lease**"), the DIP Lenders shall have the following protections with respect to the Debtors' Real Property Leases, regardless of whether any particular Real Property Lease or group of Real Property Leases

constitutes Collateral, which protections shall be enforced by the DIP Agents or DIP Lenders as authorized, approved, and granted pursuant to the provisions of this Interim Order and in accordance with the terms of the DIP Credit Agreements (and, after the indefeasible payment in full of the DIP Obligations, (i) the rights of the DIP Agents and the DIP Lenders shall automatically transfer and be available to the Prepetition Agents and the Prepetition Secured Parties, subject to the terms of the Prepetition Intercreditor Agreements, (ii) defined terms used in this Paragraph 27 relating to the DIP Facilities shall be deemed to be references to corresponding defined terms relating to the Prepetition Credit Facilities, (iii) any notice herein required to be delivered pursuant to this Paragraph 27 to the DIP Agents shall instead be required to be delivered to each of the Prepetition Agents, and (iv) the automatic stay provisions pursuant to section 362 of the Bankruptcy Code are vacated and modified to the extent necessary so as to permit the Prepetition Agents and the Prepetition Secured Parties to exercise any of their rights with respect to Real Property Leases under this Paragraph 27):

(a) Remedies Upon an Event of Default. If an Event of Default shall have occurred and be continuing, the Term DIP Agent for the benefit of the Term DIP Lenders shall, with respect to any Real Property Lease or group of Real Property Leases to which any of the Debtors are party that constitute DIP Term Loan Priority Collateral, and the DIP ABL Agent for the benefit of the DIP ABL Lenders shall, with respect to any Real Property Lease or group of Real Property Leases to which any of the Debtors are party that constitute DIP ABL Priority Collateral, be permitted, and are hereby authorized, approved, and granted the following rights and remedies:

(i) to exercise the Debtors' rights pursuant to section 365(f) of the Bankruptcy Code with respect to any such Real Property Lease(s) and, subject to this Court's approval after notice and hearing, assign any such Real Property Lease(s) in accordance with section 365 of the Bankruptcy

Code notwithstanding any language to the contrary in any of the applicable lease documents or executory contracts;

(ii) to require any Debtor to complete promptly, pursuant to section 363 of the Bankruptcy Code, subject to the rights of the applicable DIP Agent, applicable DIP Lenders or applicable Prepetition Secured Parties (if applicable) to credit bid, an Asset Sale[19] of any such Real Property Lease(s) in one or more parcels at public or private sales, at the applicable DIP Agent's offices or elsewhere, for cash, at such time or times and at such price or prices and upon such other terms as the applicable DIP Agent or applicable DIP Lenders may deem commercially reasonable;

(iii) to access the leasehold interests of the Debtors or debtors in possession in any such Real Property Lease(s) for the purpose of (A) marketing such property or properties for sale and (B) removing any Collateral thereon or arranging for the Asset Sale of any such Collateral except to the extent prohibited by the terms of the Real Property Lease (unless the applicable provision is rendered ineffective by applicable non-bankruptcy law or the Bankruptcy Code); provided that the foregoing shall not preclude any counterparty to a Real Property Lease from an opportunity to be heard in this Court on notice with respect to the foregoing, and provided, further, that, regardless of whether any such Real Property Lease or proceeds thereof constitute DIP ABL Priority Collateral, DIP ABL Agent for the benefit of the DIP ABL Lenders shall be entitled to enter or otherwise access the leasehold interests of the Debtors or debtors in possession in any such Real Property Lease(s), for the purpose of removing any Collateral that constitutes DIP ABL Priority Collateral, or arranging such Collateral for disposition, or to take possession of the Debtors' books and records or obtain access to the Debtors' data processing equipment, computer hardware and software relating to the DIP ABL Priority Collateral;

(iv) (A) to find an acceptable (in the applicable DIP Agent's or applicable Required DIP Lenders' good faith and reasonable discretion) replacement lessee, which may include the applicable DIP Agent, applicable DIP Lenders or any of their affiliates, to whom such Real Property Lease(s) may be assigned, (B) to hold, and manage all aspects of, an auction or other bidding process to find such acceptable replacement lessee, (C) in connection with any such auction, agree, on behalf of the Debtors, to reimburse reasonable fees and expenses of any stalking horse bidder, if

[19] "**Asset Sale**" shall mean (a) the sale, lease, transfer, assignment, conveyance or other disposition (including any sale and lease back transaction) of any assets or rights by the Company or any of its Restricted Subsidiaries (as defined in the DIP Credit Agreements); or (b) the issuance or sale of equity interests by any Restricted Subsidiary or the sale by the Company or any of its Restricted Subsidiaries of equity interests in any Restricted Subsidiary.

necessary, and/or (D) to notify the Debtors of the selection of any replacement lessee pursuant to this Paragraph 27, upon receipt of which the Debtors shall promptly (1) file a motion seeking, on an expedited basis, approval of the Debtors' assumption and assignment of such Real Property Lease(s) to such proposed assignee, and (2) cure any defaults, if any, that have occurred and are continuing under such Real Property Lease(s) to the extent required by the Court (subject to the applicable DIP Lenders' right to cure defaults as set forth in Paragraph 27(e) of this Interim Order); or

(v) to direct the Debtors to (A) assign any such Real Property Lease(s) to the applicable DIP Agent or applicable DIP Lenders as Collateral securing the applicable DIP Obligations, subject to clause (B), if applicable, (B) seek this Court's approval of the assumption of any such Real Property Lease(s) to the extent that this Court determines pursuant to a final order that an assumption is required in order to assign such lease or leases as Collateral, and (C) promptly cure any default that has occurred and is continuing under such Real Property Lease(s) to the extent required by the Court; provided that any assignment of any such Real Property Lease(s) as Collateral securing the applicable DIP Obligations shall not impair the Debtors' ability to subsequently assume (if not already assumed) and assign such Real Property Lease(s) pursuant to section 365 of the Bankruptcy Code or to enjoy the protections of section 365(f) of the Bankruptcy Code with respect to any such assignment.

(b) Right to Credit Bid. Prior to any assignment of any Real Property Lease or group of Real Property Leases, the Debtors shall first provide at least five (5) business days' prior written notice (the "**Initial Notice Period**") to the Term DIP Agent and Term DIP Lenders, with respect to DIP Term Loan Priority Collateral, and the DIP ABL Agent and DIP ABL Lenders, with respect to DIP ABL Priority Collateral, unless such notice provision is waived by the applicable DIP Agent and applicable Required DIP Lenders, which Initial Notice Period may be extended up to a further twenty-five (25) days by the applicable DIP Agent or applicable Required DIP Lenders in each of their sole discretion by delivering written notice of such extension to the Debtors prior to expiration of the Initial Notice Period, and by any further period as is mutually agreeable between the applicable DIP Agent or applicable Required DIP Lenders and the Company (such notice period being the "**Aggregate Notice Period**"). During such

notice period, the applicable DIP Agent shall be permitted to credit bid forgiveness of some or all of the outstanding applicable DIP Obligations (in an amount equal to at least the consideration offered by any other party in respect of such assignment) outstanding under the applicable DIP Facility as consideration in exchange for any such Real Property Lease(s) provided that to the extent the Company is entitled to retain a portion of the total consideration paid in respect of such assignment in accordance with the DIP Credit Agreements, the applicable portion of the consideration to be retained by Company shall be paid in cash (provided that such proceeds shall constitute DIP Collateral and Cash Collateral). In addition, in connection with the exercise of any of the applicable DIP Agent's or applicable Required DIP Lenders' rights pursuant to the applicable DIP Credit Agreement or this Interim Order to direct or compel a sale or other Asset Sale of any Real Property Lease(s), the applicable DIP Agent, on behalf of the applicable DIP Lenders, shall be permitted to credit bid forgiveness of some or all of the outstanding applicable DIP Obligations (in an amount equal to at least the consideration offered by any other party in respect of such sale or other Asset Sale) as consideration in exchange for such Real Property Lease(s). Pursuant to section 364(e) of the Bankruptcy Code, absent a stay pending appeal, the applicable DIP Lenders' right to credit bid shall not be affected by the reversal or modification on appeal of the Debtors' authorization pursuant to this Interim Order to obtain credit and incur debt as and in accordance with the terms set forth herein.

(c) Right of First Refusal with Respect to Proposed Assignments and Rejections of Real Property Leases. Unless all DIP Obligations shall have indefeasibly been satisfied pursuant to the DIP Credit Agreements, the Debtors shall not seek, and it shall constitute, an Event of Default and terminate the right of the Debtors under the DIP Credit Agreements and this Interim Order if any of the Debtors seeks, the sale or other Asset Sale of, or the rejection or other

termination of, or if there is entered an order pursuant to section 365 of the Bankruptcy Code assigning or rejecting, any Real Property Lease or group of Real Property Leases, or if any Real Property Lease or group of Real Property Leases is deemed rejected due to the expiration of the assumption period provided for in section 365(d)(4) (the "**Statutory Rejection Date**"), without the Debtors' first providing thirty (30) days' prior written notice to the DIP Agents and DIP Lenders, or if such notice is given more than thirty (30) days in advance of the Statutory Rejection Date, prior written notice at least equal to the Aggregate Notice Period; provided, however, that the right of first refusal of the DIP Agents as set forth in this Paragraph 27(c) shall not apply to (x) any assignment or sale of a Real Property Lease or group of Real Property Leases to a winning bidder at an auction authorized by this Court, and (y) so long as no Event of Default has occurred and is ongoing, or to the extent such action would result in an Event of Default, any assignment or sale of a Real Property Lease or group of Real Property Leases that are not Material Leases generating cash proceeds (net of reasonable costs, expenses, and any applicable taxes) up to $2,500,000 in the aggregate value for all such sales or assignments. During such notice period, the Term DIP Agent, with respect to DIP Term Loan Priority Collateral, and the DIP ABL Agent, with respect to DIP ABL Priority Collateral, shall be permitted to:

(i) (A) notify the Debtors that it elects to take action pursuant to this Paragraph, upon receipt of which the Debtors shall promptly withdraw any previously filed rejection motion, (B) find an acceptable (in the applicable DIP Agents' or applicable Required DIP Lenders' good faith and reasonable discretion) replacement lessee, which may include the applicable DIP Agent, applicable DIP Lenders or any of their affiliates, to whom any such any Real Property Lease or group of Real Property Leases may be assigned (subject to Court approval), (C) hold, and manage all aspects of, an auction or other bidding process to find such acceptable replacement lessee, (D) in connection with any such auction, agree, on behalf of the Debtors (and subject to Court approval) to reimburse the reasonable fees and expenses of any stalking horse bidder, if necessary,

and (E) notify the Debtors of the selection of any replacement lessee pursuant to this Paragraph, upon receipt of which the Debtors shall (1) not seek to reject any such Real Property Lease(s), (2) promptly withdraw any pending motion to reject any such Real Property Lease(s), (3) promptly file a motion seeking, on an expedited basis, approval of the Debtors' assumption and assignment of such Real Property Lease(s) to the applicable DIP Agent or applicable Required DIP Lenders' proposed assignee, and (4) promptly cure any defaults that have occurred and are continuing under such Real Property Lease(s) to the extent authorized by the Court; or

(ii) direct the Debtors to (A) assign any Real Property Lease or group of Real Property Leases as Collateral securing the applicable DIP Obligations (subject to Court approval), (B) seek the Court's approval of the assumption of any such Real Property Lease(s) if it is determined pursuant to a final order of this Court that an assumption is required in order to assign such lease(s) as Collateral, and (C) promptly cure any defaults that have occurred and are continuing under such Real Property Lease(s) (subject to the applicable DIP Lenders' right to cure defaults as set forth in Paragraph 27(e) of this Interim Order) to the extent authorized by the Court; provided that any assignment of any Real Property Lease(s) as Collateral securing the applicable DIP Obligations shall not impair the Debtors' ability to subsequently assume (if not already assumed) and assign any such Real Property Lease(s) pursuant to section 365 of the Bankruptcy Code or to enjoy the protections of section 365(f) of the Bankruptcy Code with respect to any such assignment.

(iii) Notwithstanding anything to the contrary herein, the foregoing rights of the DIP Agents set forth in this Paragraph shall not apply to Real Property Leases that are rejected, terminated, sold, or assigned on the effective date of any plan of reorganization in any of the Chapter 11 Cases that, among other things, indefeasibly repays the DIP Obligations in full on the effective date thereof. For the avoidance of doubt, on or prior to the thirtieth (30) day prior to the Statutory Rejection Date (as provided in section 365(d)(4) of the Bankruptcy Code), the Debtors shall have delivered written notice to the DIP Agents of each outstanding Real Property Lease that they intend to reject (including, without limitation, through statutory rejection on the Statutory Rejection Date) from and after the date of such notice (or, if applicable, notice that the Debtors have obtained the applicable landlord's consent to extension of the Statutory Rejection Date); provided that if the Debtors fail to deliver any such notice to the DIP Agents prior to such date with respect to any such Real Property Lease(s) (or a notice indicating that no such Real Property Lease(s) shall be rejected), the Debtors shall be deemed, for all purposes hereunder, to have delivered notice to the DIP Agents as of such date that they intend to reject all outstanding Real Property Leases.

(d) Assumption Orders. Any order of this Court approving the assumption of any Real Property Lease shall specifically provide that the applicable Debtor shall be authorized to assign such Real Property Lease pursuant to, and to enjoy the protections of, section 365(f) of the Bankruptcy Code subsequent to the date of such assumption. To the extent that such provision is for any reason not included in any order of the Court approving the assumption of any Real Property Lease, then such Real Property Lease may not be assumed by the applicable Debtor unless the order approving the assumption provides for the assignment of such Real Property Lease, on the date of such order, to an acceptable (in the applicable DIP Agents' or applicable Required DIP Lenders' good faith and reasonable discretion) replacement lessee (which may include the applicable DIP Agents, applicable DIP Lenders, or their respective affiliates).

(e) DIP Lenders' Right to Cure Defaults. If any of the Debtors are required to cure any monetary defaults under any Real Property Lease pursuant to any order of this Court or otherwise in connection with any assumption or assumption and assignment of any such Real Property Lease pursuant to section 365(f) of the Bankruptcy Code, and such monetary default is not, within five (5) business days of the receipt by such Debtor of notice from the applicable DIP Agent pursuant to the applicable provision(s) of the applicable DIP Credit Agreement or any other notice from the applicable DIP Agent requesting the cure of such monetary default, cured in accordance with the provisions of such applicable court order as arranged by the applicable DIP Agent, the applicable DIP Agent may cure any such monetary defaults on behalf of the applicable Debtor(s).

(f) Priorities. For the avoidance of doubt, nothing set forth in this Paragraph 27 shall affect the relative priorities of liens and claims set forth herein and on **Exhibit A** hereto.

Unless and until Payment in Full of the (A) DIP ABL Obligations and the Prepetition ABL Obligations, nothing set forth in this Paragraph 27 shall permit the Term DIP Agent or the Term DIP Lenders, or any of their designees or agents, to exercise any rights or remedies with respect to DIP ABL Priority Collateral or Prepetition ABL Priority Collateral and (B) DIP Term Loan Obligations and the Prepetition Term Loan Debt, nothing set forth in this Paragraph 27 shall permit the DIP ABL Agent or the DIP ABL Lenders, or any of their designees or agents, to exercise any rights or remedies with respect to DIP Term Loan Priority Collateral or Prepetition Term Loan Priority Collateral.

28. *Approved Budget*. The Approved Budget is approved on an interim basis. Proceeds of the DIP Facilities and Cash Collateral under this Interim Order shall only be used by the Loan Parties in accordance with the DIP Credit Agreements, this Interim Order, and the Approved Budget or as otherwise agreed by the DIP Agents. None of the DIP Secured Parties' consent (if any) to, or acknowledgment of, the Approved Budget shall be construed as consent to use of the proceeds of the DIP Facilities or Cash Collateral beyond the respective maturity dates set forth in the DIP Credit Agreements, regardless of whether the aggregate funds shown on the Approved Budget have been expended.

29. *Limits to Lender Liability*. Subject to entry of the Final Order, nothing in this Interim Order, the DIP Documents, or any other documents related to these transactions shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agents or any DIP Lender of any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their business, or in connection with their restructuring efforts. The DIP Agents and the DIP Lenders shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral, (ii) any loss or damage thereto

occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person and all risk of loss, damage or destruction of the Collateral shall be borne by the DIP Loan Parties.

30. *Effect of Stipulations on Third Parties*. The Debtors' stipulations, admissions, agreements and releases contained in this Interim Order, including, without limitation, in paragraph 6 of this Interim Order, shall be binding upon the Debtors and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors) in all circumstances and for all purposes. The Debtors' stipulations, admissions, agreements and releases contained in this Interim Order, including, without limitation, in paragraph 6 of this Interim Order, shall be binding upon all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, if any (a "**Committee**") and any other person or entity acting or seeking to act on behalf of the Debtors' estates unless: (a) such Committee, or any other party in interest, in each case with requisite standing (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so), has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, *inter alia*, in this paragraph) by no later than (i) the earlier of (x) five (5) Business Days prior to the commencement of the hearing to confirm a chapter 11 plan, (y) 75 calendar days after entry of this Interim Order and (z) 60 calendar days after the appointment of any Committee or (ii) any such later date as has been agreed to, in writing, by the Prepetition Agents (with the consent of the DIP Lenders) as applicable (the time period established by the foregoing clauses (i) and (ii), the "**Challenge Period**"), (A) objecting to or challenging the amount, validity, perfection,

enforceability, priority or extent of the Prepetition Debt or the Prepetition Liens, or (B) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the "**Challenges**") against the Prepetition Secured Parties or their respective affiliates and each of their respective former, current or future officers, partners, directors, managers, members, principals, employees, agents, related funds, investors, financing sources, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case in their respective capacity as such (each a "**Representative**" and, collectively, the "**Representatives**") in connection with matters related to the Prepetition Credit Agreements, the Prepetition Debt, the Prepetition Liens and the Prepetition Collateral; and (b) there is a final non-appealable order in favor of the plaintiff sustaining any such Challenge in any such timely filed adversary proceeding or contested matter; provided, however, that any pleadings filed in connection with any Challenge shall set forth with specificity the basis for such challenge or claim and any challenges or claims not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released and barred. If no such Challenge is timely and properly filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such proceeding then: (a) the Debtors' stipulations, admissions, agreements and releases contained in this Interim Order, including, without limitation, those contained in paragraph 6 of this Interim Order, shall be binding on all parties in interest; (b) the obligations of the DIP Loan Parties under the Prepetition Credit Agreements, including the Prepetition Debt, shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, offset or avoidance, for all purposes in the Chapter 11 Cases, and any subsequent chapter 7

case(s); (c) the Prepetition Liens on the Prepetition Collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance or other defense; and (d) the Prepetition Debt and the Prepetition Liens on the Prepetition Collateral shall not be subject to any other or further claim or challenge by any Committee, or any other party in interest acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors) and any defenses, claims, causes of action, counterclaims and offsets by any Committee, if any, or any other party acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors), whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives arising out of or relating to any of the Prepetition Credit Agreements shall be deemed forever waived, released and barred. If any such Challenge is timely filed during the Challenge Period, the stipulations, admissions, agreements and releases contained in this Interim Order, including, without limitation, those contained in paragraph 6 of this Interim Order, shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on any Committee, if any, and on any other person or entity, except to the extent that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in this Interim Order vests or confers on any Person (as defined in the Bankruptcy Code), including any Committee, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation,

Challenges with respect to the Prepetition Credit Agreements, the Prepetition Debt or the Prepetition Liens. For the avoidance of doubt, none of the foregoing challenge provisions set forth in this paragraph shall apply to any DIP Secured Party, in their capacities as such, and in no event shall the DIP Facilities, DIP Obligations or DIP Liens be subject to challenge pursuant to this paragraph on avoidance or any other grounds by any party.

31. *Postpetition Release*. In addition, subject to the entry of the Final Order, notwithstanding anything to the contrary set forth herein, upon the repayment of all DIP Obligations (as defined in the DIP Credit Agreements) owed to the DIP Agents and the DIP Lenders by Debtors and termination of the rights and obligations arising under the DIP Documents (which payment and termination shall be on terms and conditions acceptable to DIP Agents), DIP Agents and the DIP Lenders shall be released from any and all obligations, liabilities, actions, duties, responsibilities and causes of action arising or occurring, on or prior to the date of such repayment and termination, in connection with or related to the DIP Documents, or the Interim Order (including without limitation any obligation or responsibility (whether direct or indirect, absolute or contingent, due or not due, primary or secondary, liquidated or unliquidated) to pay or otherwise fund the Carve-Out on terms and conditions acceptable to the DIP Agents).

32. *Landlord Agreements; Access.* (a) All collateral access agreements to which the Prepetition ABL Agent or any of the Prepetition Agents is a party shall hereby continue to be deemed to be amended to include the relevant DIP Agent as a beneficiary thereunder, and such agreements shall thereafter be additionally enforceable by the relevant DIP Agent against, and binding upon, each landlord party thereto. Subject to the entry of the Final Order, any title, landlord's lien, right of distraint or levy, security interest or other interest that any landlord or

mortgagee may have in any DIP Collateral or Prepetition Collateral of the Debtors located on such leased premises, to the extent the same is not avoidable under sections 544, 545, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise, is hereby expressly subordinated to the liens of the DIP Lenders and the Prepetition Lenders.

(b) Without limiting any other rights or remedies of the DIP Agents or the other DIP Secured Parties set forth in this Interim Order, the DIP Documents, or otherwise available at law or in equity, and subject to the terms of the DIP Documents, upon three (3) business days' written notice to counsel to the Debtors and any landlord, lienholder, licensor, or other third party owner of any leased or licensed premises or intellectual property, after the expiration of the Remedies Notice Period, that an Event of Default has occurred and is continuing, the DIP Agents, (i) may, unless otherwise expressly provided in any separate agreement by and between the applicable landlord or licensor and the DIP Agents, enter upon any leased or licensed premises of the Debtors for the purpose of exercising any remedy with respect to DIP Collateral located thereon, and (ii) shall be entitled to all of the Debtors' rights and privileges as lessee or licensee under the applicable license and to use any and all trademarks, trade names, copyrights, licenses, patents, or any other similar assets of the Debtors, which are owned by or subject to a lien of any third party and which are used by Debtors in their businesses, without unreasonable interference from landlords, lienholders, or licensors thereunder; provided, however, that the DIP Agents (on behalf of the applicable DIP Lenders) shall pay only rent and additional rent, fees, royalties, or other monetary obligations of the Debtors that first arise after the written notice referenced above from the DIP Agents and that accrue during the period of such occupancy or use by DIP Agents calculated on a per diem basis. For the avoidance of doubt, (A) all of the Debtors' obligations under any applicable lease or license shall not be affected, limited, or

otherwise modified by the rights granted to the DIP Agents pursuant to this paragraph and (B) any affected landlords, lienholders, and/or licensors shall retain all remedies available under applicable non-bankruptcy law. Nothing herein shall require the Debtors, the DIP Agents or the other DIP Secured Parties, to assume any lease or license under Bankruptcy Code section 365(a) as a precondition to the rights afforded to the DIP Agents and the other DIP Secured Parties herein.

33. *Interim Order Governs*. In the event of any inconsistency between the provisions of this Interim Order, the DIP Documents or any other order entered by this Court (other than the Final Order), the provisions of this Interim Order shall govern. Notwithstanding anything to the contrary in any other order entered by this Court, any payment made pursuant to, or authorization contained in, any other order entered by this Court shall be consistent with and subject to the requirements set forth in this Interim Order and the DIP Documents, including, without limitation, the Approved Budget.

34. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of this Interim Order, including all findings herein, shall be binding upon all parties in interest in these Chapter 11 Cases, including, without limitation, the DIP Agents, the DIP Lenders, the Prepetition Secured Parties, any Committee, and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agents, the DIP Lenders, the Prepetition Secured Parties and the Debtors and their respective successors and assigns; *provided* that the DIP Agents, the DIP Lenders and the

Prepetition Secured Parties shall have no obligation to permit the use of the Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

35. *Exculpation*. Nothing in this Interim Order, the DIP Documents, the existing agreements or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon any DIP Secured Party or any Prepetition Secured Party any liability for any claims arising from the prepetition or postpetition activities of the Credit Parties or Loan Parties (as defined in the respective DIP Credit Agreements) in the operation of their businesses, or in connection with their restructuring efforts. In addition, (a) the DIP Secured Parties and the Prepetition Secured Parties shall not, in any way or manner, be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by the DIP Loan Parties.

36. *Limitation of Liability*. In determining to make any loan or other extension of credit under the DIP Credit Agreements, to permit the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Documents, none of the DIP Agents, the DIP Lenders or the Prepetition Secured Parties shall (i) be deemed to be in "control" of the operations or participating in the management of the Debtors; (ii) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates; or (iii) be deemed to be acting as a "Responsible Person" or "Owner" or "Operator" with respect to the operation or management of the Debtors (as such terms or similar terms are used in the United

States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, et seq., as amended, or any similar federal or state statute).

37. *Master Proof of Claim.* The Prepetition Agents shall not be required to file proofs of claim in the Chapter 11 Cases or any successor case in order to assert claims on behalf of itself and the Prepetition Secured Parties for payment of the Prepetition Debt arising under the Prepetition Documents, nor shall any other Prepetition Secured Party be required to file any proofs of claim in the Chapter 11 Cases or any successor case in order to assert claims on behalf of itself for payment of the Prepetition Debt arising under the Prepetition Credit Agreements. The statements of claim in respect of the Prepetition Debt set forth in this Interim Order, together with any evidence accompanying the Motion and presented at the Interim Hearing, are deemed sufficient to and do constitute proofs of claim in respect of such debt and such secured status. However, in order to facilitate the processing of claims, to ease the burden upon the Court and to reduce an unnecessary expense to the Debtors' estates, each Prepetition Agent and/or other Prepetition Secured Party is authorized to file in the Debtors' lead chapter 11 case *In re Blackhawk Mining LLC, et. al.*, Case No. 19-_____, a single, master proof of claim on behalf of the relevant Prepetition Secured Parties on account of any and all of their respective claims arising under the applicable Prepetition Documents and hereunder (each, a "**Master Proof of Claim**") against each of the Debtors. Upon the filing of a Master Proof of Claim against each of the Debtors, the Prepetition Agents and the Prepetition Secured Parties, and each of their respective successors and assigns, shall be deemed to have filed a proof of claim in the amount set forth opposite its name therein in respect of its claims against each of the Debtors of any type or nature whatsoever with respect to the applicable Prepetition Credit Agreements, and the claim of each Prepetition Secured Party (and each of its respective successors and assigns), named in a

Master Proof of Claim shall be treated as if such entity had filed a separate proof of claim in each of these Chapter 11 Cases. The Master Proofs of Claim shall not be required to identify whether any Prepetition Secured Party acquired its claim from another party and the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among such holders of the claims asserted therein resulting from the transfer of all or any portion of such claims. The provisions of this paragraph 37 and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in these Chapter 11 Cases. The Master Proofs of Claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the applicable Prepetition Agent.

38. *Effectiveness*. This Interim Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, or 9014 of the Bankruptcy Rules, or any Local Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim Order.

39. *Modification of DIP Documents and Approved Budget*. The DIP Loan Parties are hereby authorized, without further order of this Court, to enter into agreements with the DIP Secured Parties providing for any consensual non-material modifications to the Approved

Budget or the DIP Documents, or of any other modifications to the DIP Documents necessary to conform the terms of the DIP Documents to this Interim Order, in each case consistent with the amendment provisions of the DIP Document. Notwithstanding the foregoing, updates and supplements to the Approved Budget required to be delivered by the DIP Loan Parties under the DIP Documents shall not be considered material amendments or modifications to the Approved Budget or the DIP Documents.

40. *Headings*. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Interim Order.

41. *Payments Held in Trust*. Except as expressly permitted in this Interim Order or the DIP Documents, in the event that any person or entity receives any payment on account of a security interest in DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral or receives any other payment with respect thereto from any other source prior to Payment in Full of all DIP Obligations under the DIP Documents and termination of the Commitments in accordance with the DIP Documents, such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of Collateral in trust for the benefit of the DIP Agents and the DIP Lenders (as applicable based on the specific asset at issue) and shall immediately turn over such proceeds to the applicable DIP Agent, or as otherwise instructed by this Court, for application in accordance with the DIP Documents and this Interim Order.

42. *Credit Bidding*. (a) Each of the DIP Agents shall have the right to credit bid, in accordance with the DIP Documents, up to the full amount of the applicable DIP Obligations in any sale of the DIP Collateral, subject in all respects to the DIP ICA and the relative lien priorities set forth in **Exhibit A**; and (b) the Prepetition Secured Parties shall have the right to credit bid up to the full amount of their Prepetition Debt in any sale of the Prepetition Collateral,

subject in all respects to the Prepetition Intercreditor Agreements, as applicable, and the relative lien priorities set forth in **Exhibit A**, in each case of (a) and (b), as provided for in section 363(k) of the Bankruptcy Code, without the need for further Court order authorizing the same and whether any such sale is effectuated through section 363(k) or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise.

43. *No Third Party Rights*. Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect or incidental beneficiary.

44. *Bankruptcy Rules*. The requirements of Bankruptcy Rules 4001, 6003 and 6004, in each case to the extent applicable, are satisfied by the contents of the Motion.

45. *Necessary Action*. The Debtors are authorized to take any and all such actions as are necessary or appropriate to implement the terms of this Interim Order.

46. *Retention of Jurisdiction*. The Court shall retain jurisdiction to implement, interpret and enforce the provisions of this Interim Order, and this retention of jurisdiction shall survive the confirmation and consummation of any chapter 11 plan for any one or more of the Debtors notwithstanding the terms or provisions of any such chapter 11 plan or any order confirming any such chapter 11 plan.

47. *Final Hearing*. The Final Hearing is scheduled for _____, 2019 at ____:____ __ prevailing Eastern Time before this Court.

48. *Objections*. Any party in interest objecting to the relief sought at the Final Hearing shall file and serve written objections, which objections shall be served upon:

Any term defined herein may be used in the singular or plural. "Include", "includes" and "including" shall be deemed to be followed by "without limitation". Except as otherwise specified or limited herein, references to any Person include the successors and assigns of such Person. References "from" or "through" any date mean, unless otherwise specified, "from and including" or "through and including", respectively. Unless otherwise specified herein, the settlement of all payments and fundings hereunder between or among the parties hereto shall be made in lawful money of the United States and in immediately available funds. References to any statute or act shall include all related current regulations and all amendments and any successor statutes, acts and regulations. All amounts used for purposes of financial calculations required to be made herein shall be without duplication. References to any statute or act, without additional reference, shall be deemed to refer to federal statutes and acts of the United States. References to any agreement, instrument or document shall include all schedules, exhibits, annexes and other attachments thereto. As used in this Agreement, the meaning of the term "material" or the phrase "in all material respects" is intended to refer to an act, omission, violation or condition which reflects or could reasonably be expected to result in a Material Adverse Effect. References to capitalized terms that are not defined herein, but are defined in the UCC, shall have the meanings given them in the UCC. All references herein to times of day shall be references to daylight or standard time, as applicable.

Section 1.4 Time is of the Essence. Time is of the essence in Borrower's and each other Credit Party's performance under this Agreement and all other DIP ABL Financing Documents.

Section 1.5 LLC Division. For all purposes under the DIP ABL Financing Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws, as applicable): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

Section 1.6 Covenants. For purposes of any calculation under Sections 5.1 and 5.4, if the Borrower Representative elects to give pro forma effect in such calculation to the entire committed amount of any proposed Indebtedness, whether or not then drawn, such committed amount may thereafter be borrowed and reborrowed, in whole or in part, from time to time, without further compliance with Section 5.1 or 5.4, but for so long as such commitment or Indebtedness is outstanding or in effect, the entire committed amount of such Indebtedness then in effect shall be deemed drawn and outstanding for all purposes hereunder.

ARTICLE 2 - LOANS

Section 2.1 Loans.

(a) [Reserved].

(b) DIP Revolving Loans.

(i) DIP Revolving Loans and Borrowings. On the terms and subject to the conditions set forth herein, the Interim DIP Order, the Final DIP Order and the Approved Budget, as applicable, each DIP ABL Lender severally agrees to make loans to Borrowers from time to time as set forth herein (each a "**DIP Revolving Loan**", and collectively, "**DIP Revolving Loans**") equal to such DIP ABL Lender's DIP Revolving Loan Commitment Percentage of DIP Revolving Loans requested by Borrowers hereunder, *provided*, *however*, that (i) after giving effect thereto, the DIP Revolving Loan Outstandings shall not exceed the DIP Revolving Loan Limit and (ii) Borrowers shall not have available cash, including Cash Collateral, in excess of $10,000,000 on either of (A) the date on which any Notice of Borrowing is delivered and/or (B) the date of the proposed borrowing. Borrowers shall deliver to DIP ABL Agent a Notice of Borrowing with respect to each proposed DIP Revolving Loan Borrowing, such Notice of Borrowing to be delivered before 11:00 a.m. (Eastern time) on the date of such proposed borrowing. Each Borrower and each Revolving DIP ABL Lender hereby authorizes DIP ABL Agent to make DIP Revolving Loans on behalf of Revolving DIP ABL Lenders, at any time in its sole discretion, to pay principal owing in respect of the Loans and interest, fees, expenses and other charges payable by any Credit Party from time to time arising under this Agreement or any other DIP ABL Financing Document. The Borrowing Base shall be determined by DIP ABL Agent based on (A) the most recent Borrowing Base Certificate and such other information as is delivered to DIP ABL Agent pursuant to Section 4.1(c) or otherwise provided to DIP ABL Agent in accordance with this Agreement and (B) in connection with any Dilution Reserves, Royalty Reserves, Rent Reserves or other Reserves, such other applicable information as may be available to DIP ABL Agent.

(ii) Mandatory DIP Revolving Loan Repayments and Prepayments.

(A) The DIP Revolving Loan Commitment shall terminate on the DIP ABL Termination Date. On such DIP ABL Termination Date, there shall become due, and Borrowers shall pay, the entire outstanding principal amount of each DIP Revolving Loan, together with accrued and unpaid DIP ABL Obligations pertaining thereto incurred to, but excluding the DIP ABL Termination Date; *provided, however*, that such payment is made not later than 12:00 Noon (Eastern time) on the DIP ABL Termination Date.

(B) If at any time the DIP Revolving Loan Outstandings exceed the DIP Revolving Loan Limit, then, on the next succeeding Business Day, Borrowers shall repay the DIP Revolving Loans in an aggregate amount equal to such excess.

(C) Principal payable on account of DIP Revolving Loans shall be payable by Borrowers to DIP ABL Agent (I) immediately upon the receipt by any Borrower or DIP ABL Agent of any payments on or proceeds from any of the Accounts, to the extent of such payments or proceeds, as further described in Section 2.11 below, and (II) in full on the DIP ABL Termination Date.

(iii) Optional Prepayments. Borrowers may from time to time prepay the DIP Revolving Loans in whole or in part; *provided*, *however*, that any such partial prepayment shall be in an amount equal to $100,000 or a higher integral multiple of

$25,000. For the avoidance of doubt, nothing in this clause shall permit termination of the DIP Revolving Loan Commitment by Borrower other than in accordance with Section 2.12.

(iv) LIBOR Rate.

(A) Except as provided in Section 2.14 or 2.15, DIP Revolving Loans shall accrue interest at the LIBOR Rate *plus* the Applicable Margin.

(B) Anything to the contrary contained herein notwithstanding, neither DIP ABL Agent nor any DIP ABL Lender is required actually to acquire eurodollar deposits to fund or otherwise match fund any DIP ABL Obligation as to which interest accrues based on the LIBOR Rate.

(v) Confirmation, Conversion or Dismissal. No confirmation, conversion or dismissal order entered in the Chapter 11 Cases shall discharge or otherwise affect in any way any of the DIP ABL Obligations of any Borrower to DIP ABL Agent and DIP ABL Lenders hereunder or under any other DIP ABL Financing Document, other than (A) after indefeasible payment in full in cash to DIP ABL Lenders and DIP ABL Agent of all DIP ABL Obligations on or before Chapter 11 Plan Effective Date or entry of any conversion or dismissal order and (B) the termination of the DIP Revolving Loan Commitment.

Section 2.2 Interest, Interest Calculations and Certain Fees.

(a) Interest. From and following the Closing Date, except as expressly set forth in this Agreement, Loans and the other DIP ABL Obligations shall bear interest at the sum of the LIBOR Rate *plus* the Applicable Margin. Interest on the Loans shall be paid in arrears on the first (1st) day of each month and on the maturity of such Loans, whether by acceleration or otherwise. Interest on all other DIP ABL Obligations shall be payable upon demand.

(b) Unused Line Fee. From and following the Closing Date, Borrowers shall pay DIP ABL Agent, for the benefit of all DIP ABL Lenders committed to make DIP Revolving Loans (other than any DIP ABL Lender that is a Defaulted DIP ABL Lender), in accordance with their respective Pro Rata Shares, a fee in an amount equal to (i) (A) the DIP Revolving Loan Commitment *minus* (B) the average daily balance of the sum of the DIP Revolving Loan Outstandings during the preceding month, *multiplied by* (ii) one half of one percent (0.5%) per annum. Such fee is to be paid monthly in arrears on the first day of each month.

(c) [Reserved].

(d) Exit Fee. The Borrowers agree to pay to DIP ABL Agent for the ratable account of DIP ABL Lenders under this Agreement, payable upon the occurrence of any DIP ABL Termination Date, a fully earned, non-refundable exit fee in an amount equal to one and one half percent (1.5%) of the DIP Revolving Loan Commitment Amount *plus* all or any portion of the Revised Prepetition Deferred Revolving Loan Origination Fee that was not paid upon termination or roll up, as the case may be, of the obligations under the Prepetition ABL Credit Agreement and the other Prepetition ABL Financing Documents.

(e) [Reserved].

(f) [Reserved].

(g) [Reserved].

(h) [Reserved].

(i) [Reserved].

(j) Audit Fees. Subject to the limitations set forth in Section 4.2, Borrowers shall pay to DIP ABL Agent, for its own account and not for the benefit of any other DIP ABL Lenders, all reasonable fees and expenses in connection with audits and inspections of Borrowers' books and records, audits, valuations or appraisals of the DIP ABL Collateral, audits of Borrowers' compliance with applicable laws and such other matters as DIP ABL Agent shall deem appropriate, which shall be due and payable within seven (7) days after the date of issuance by DIP ABL Agent of a written request for payment thereof to Borrowers.

(k) Wire Fees. Borrowers shall pay to DIP ABL Agent, for its own account and not for the account of any other DIP ABL Lenders, on written demand, fees for incoming and outgoing wires made for the account of Borrowers; *provided* that such fees shall not in any event exceed $10 per wire.

(l) Late Charges. If payments of principal (other than a final installment of principal upon the DIP ABL Termination Date), interest due on the DIP ABL Obligations, or any other amounts due hereunder or under the other DIP ABL Financing Documents are not timely made or remain overdue for a period of five (5) days, Borrowers, without notice or demand by DIP ABL Agent, shall pay to DIP ABL Agent, for its own account and not for the benefit of any other DIP ABL Lenders, as additional compensation to DIP ABL Agent in administering the DIP ABL Obligations, an amount equal to two percent of each delinquent payment. Any amount paid under this Section 2.2(l) shall be offset by any default interest required to be paid under Section 10.5.

(m) Computation of Interest and Related Fees. All interest and fees under each DIP ABL Financing Document shall be calculated on the basis of a 360-day year for the actual number of days elapsed. The date of funding of a Loan shall be included in the calculation of interest. The date of payment of a Loan shall be excluded from the calculation of interest. If a Loan is repaid on the same day that it is made, one (1) day's interest shall be charged. Collections of cash pursuant to Section 2.11 shall be credited to the Prepetition ABL Obligations or the DIP ABL Obligations, as applicable, on a daily basis, subject in all cases to one (1) Business Day clearance and all interest accruing on such funds during such clearance period shall accrue for the benefit of DIP ABL Agent (and not for the benefit of DIP ABL Lenders).

Section 2.3 Notes. The portion of the Loans made by each DIP ABL Lender shall be evidenced, if so requested by such DIP ABL Lender, by one or more promissory notes executed by Borrowers on a joint and several basis (each, a "**Note**") in an original principal amount equal to such DIP ABL Lender's DIP Revolving Loan Commitment Amount.

Section 2.4 [Reserved].

Section 2.5 [Reserved].

Section 2.6 General Provisions Regarding Payment; Loan Account.

(a) All payments to be made by each Borrower under any DIP ABL Financing Document, including payments of principal and interest made hereunder and pursuant to any other DIP ABL Financing Document, and all fees, expenses, indemnities and reimbursements, shall be made without set-off, recoupment or counterclaim. If any payment hereunder becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension (it being understood and agreed that, solely for purposes of calculating financial covenants and computations contained herein and determining compliance therewith, if payment is made, in full, on any such extended due date, such payment shall be deemed to have been paid on the original due date without giving effect to any extension thereto). Any payments received in the Payment Account before 12:00 Noon (Eastern time) on any date shall be deemed received by DIP ABL Agent on such date, and any payments received in the Payment Account at or after 12:00 Noon (Eastern time) on any date shall be deemed received by DIP ABL Agent on the next succeeding Business Day.

(b) DIP ABL Agent shall maintain a loan account (the "**Loan Account**") on its books to record Loans and other extensions of credit made by DIP ABL Lenders hereunder or under any other DIP ABL Financing Document, and all payments thereon made by each Borrower. All entries in the Loan Account shall be made in accordance with DIP ABL Agent's customary accounting practices as in effect from time to time. The balance in the Loan Account, as recorded in DIP ABL Agent's books and records at any time shall be conclusive and binding evidence of the amounts due and owing to DIP ABL Agent by each Borrower absent manifest error; *provided*, *however*, that any failure to so record or any error in so recording shall not limit or otherwise affect any Borrower's duty to pay all amounts owing hereunder or under any other DIP ABL Financing Document. DIP ABL Agent shall endeavor to provide Borrowers with a monthly statement regarding the Loan Account (but neither DIP ABL Agent nor any DIP ABL Lender shall have any liability if DIP ABL Agent shall fail to provide any such statement). Unless any Borrower notifies DIP ABL Agent of any objection to any such statement (specifically describing the basis for such objection) within thirty (30) days after the date of receipt thereof, it shall be deemed final, binding and conclusive upon Borrowers in all respects as to all matters reflected therein.

Section 2.7 Maximum Interest. In no event shall the interest charged with respect to the Loans or any other DIP ABL Obligations of any Borrower under any DIP ABL Financing Document exceed the maximum amount permitted under the laws of the State of New York or of any other applicable jurisdiction. Notwithstanding anything to the contrary herein or elsewhere, if at any time the rate of interest payable hereunder or under any Note or other DIP ABL Financing Document (the "**Stated Rate**") would exceed the highest rate of interest permitted under any applicable law to be charged (the "**Maximum Lawful Rate**"), then for so long as the Maximum Lawful Rate would be so exceeded, the rate of interest payable shall be equal to the Maximum Lawful Rate; *provided*, *however*, that if at any time thereafter the Stated Rate is less than the Maximum Lawful Rate, each Borrower shall, to the extent permitted by law, continue to pay interest at the Maximum Lawful Rate until such time as the total interest received is equal to the total interest which would have been received had the Stated Rate been (but for the operation of this provision) the interest rate payable. Thereafter, the interest rate payable shall be the Stated Rate unless and until the Stated Rate again would exceed the Maximum Lawful Rate, in which event this provision shall again apply. In no event shall the total interest received by any DIP ABL Lender exceed the amount which it could lawfully have received had the interest been calculated for the full term hereof at the Maximum Lawful Rate. If, notwithstanding the prior sentence, any DIP ABL Lender has received interest hereunder in excess of the Maximum Lawful Rate, such excess amount shall be applied to the reduction of the principal balance of the Loans or to other amounts (other than interest) payable hereunder, and if no such principal or other amounts are then outstanding, such excess or part thereof remaining shall be paid to Borrowers. In computing interest payable with reference to the

Maximum Lawful Rate applicable to any DIP ABL Lender, such interest shall be calculated at a daily rate equal to the Maximum Lawful Rate *divided by* the number of days in the year in which such calculation is made.

Section 2.8 Taxes.

(a) All payments by or on account of the Borrowers of principal and interest on the Loans and all other amounts payable hereunder by or on account of the Borrowers shall be made free and clear of and without deduction for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law, and if any such Tax is an Indemnified Tax, then the Borrowers shall pay such additional amount or amounts as is necessary to ensure that the amount received by DIP ABL Agent and/or any applicable DIP ABL Lender, as applicable, will equal the full amount DIP ABL Agent and/or such DIP ABL Lender would have received had no such withholding or deduction been required (including, without limitation, such withholdings and deductions applicable to additional sums payable under this Section 2.8). After payment of any Tax by a Borrower to a Governmental Authority pursuant to this Section 2.8, such Borrower shall promptly forward to DIP ABL Agent the original or a certified copy of an official receipt, a copy of the return reporting such payment, or other documentation reasonably satisfactory to DIP ABL Agent evidencing such payment to such authority. Borrowers shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of DIP ABL Agent timely reimburse it for the payment of, any Other Taxes.

(b) The Borrowers shall indemnify DIP ABL Agent and DIP ABL Lenders, within ten (10) days after demand thereof, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.8) payable or paid by DIP ABL Agent or any DIP ABL Lender or required to be withheld or deducted from a payment to DIP ABL Agent or any DIP ABL Lender and all expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate in reasonable detail as to the amount of such payment or liability delivered to Borrowers by a DIP ABL Lender (with a copy to DIP ABL Agent), or by DIP ABL Agent on its own behalf or on behalf of a DIP ABL Lender, shall be conclusive absent manifest error.

(c) Any DIP ABL Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments made under any DIP ABL Financing Document shall deliver to Borrower Representative and DIP ABL Agent, at the time or times prescribed by applicable law or reasonably requested by Borrower Representative or DIP ABL Agent, such properly completed and executed documentation reasonably requested by Borrower Representative or DIP ABL Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any DIP ABL Lender, if reasonably requested by Borrower Representative or DIP ABL Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrowers or DIP ABL Agent as will enable Borrowers or DIP ABL Agent to determine whether or not such DIP ABL Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.8(c)(i), 2.8(c)(ii) and 2.8(e) below) shall not be required if in such DIP ABL Lender's reasonable judgment such completion, execution or submission would subject such DIP ABL Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such DIP ABL Lender.

(i) Each DIP ABL Lender that is not a "United States person" (as such term is defined in Section 7701(a)(30) of the Code) for U.S. federal income tax purposes and is a party hereto on the Closing Date or purports to become a DIP ABL Lender after the Closing Date (each such DIP ABL Lender a "**Foreign DIP ABL Lender**") shall, to the extent permitted by applicable law, execute and deliver to Borrower Representative and DIP ABL Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign DIP ABL Lender becomes a DIP ABL Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or DIP ABL Agent) whichever of the following is applicable: (A) in the case of a Foreign DIP ABL Lender claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any DIP ABL Financing Document, two (2) properly completed and executed copies of United States Internal Revenue Service ("**IRS**") Forms W-8BEN or W-8BEN-E (or successor form) establishing an exemption from, or reduction of, U.S. federal withholding tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any DIP ABL Financing Documents, two (2) properly completed and executed copies of IRS Forms W-8BEN or W-8BEN-E (or successor form) establishing an exemption from, or reduction of, U.S. federal withholding tax pursuant to the "business profits" or "other income" article of such tax treaty; (B) two (2) properly completed and executed copies of Form W-8ECI (or successor form); (C) in the case of a Foreign DIP ABL Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign DIP ABL Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**") and (y) two (2) properly completed and executed copies of IRS Forms W-8BEN or W-8BEN-E (or successor form); (D) to the extent a Foreign DIP ABL Lender is not the beneficial owner, two (2) properly completed and executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E (or successor form), a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9 (or successor form), and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign DIP ABL Lender is a partnership and one or more direct or indirect partners of such Foreign DIP ABL Lender are claiming the portfolio interest exemption, such Foreign DIP ABL Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner; or (E) other applicable forms, certificates or documents prescribed by the IRS. Each DIP ABL Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower Representative and DIP ABL Agent in writing of its legal inability to do so. In addition, to the extent permitted by applicable law, such forms shall be delivered by each Foreign DIP ABL Lender upon the obsolescence or invalidity of any form previously delivered by such Foreign DIP ABL Lender. Each Foreign DIP ABL Lender shall promptly notify Borrower Representative at any time it determines that it is no longer in a position to provide any previously delivered certificate to Borrower Representative (or any other form of certification adopted by the U.S. taxing authorities for such purpose).

(ii) Each DIP ABL Lender that is a "United States person" (as such term is defined in Section 7701(a)(30) of the Code) for U.S. federal income tax purposes and is a party hereto on the Closing Date or purports to become a DIP ABL Lender after the Closing Date shall, to the extent permitted by law, provide to Borrower Representative and DIP ABL Agent on or prior to the date on which such DIP ABL Lender becomes a DIP ABL Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower

Representative or DIP ABL Agent), a properly completed and executed IRS Form W-9 or any successor form certifying as to such DIP ABL Lender's entitlement to an exemption from U.S. backup withholding and other applicable forms, certificates or documents prescribed by the IRS or reasonably requested by Borrower Representative or DIP ABL Agent. Each DIP ABL Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower Representative and DIP ABL Agent in writing of its legal inability to do so.

(iii) Any Foreign DIP ABL Lender shall, to the extent it is legally entitled to do so, deliver to Borrower Representative and DIP ABL Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign DIP ABL Lender becomes a DIP ABL Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or DIP ABL Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrowers or DIP ABL Agent to determine the withholding or deduction required to be made.

(d) If any DIP ABL Lender or DIP ABL Agent determines, in its sole discretion exercised in good faith, that it has received a refund in respect of any Taxes as to which it has been indemnified by any Borrower pursuant to this Section 2.8 (including by the payment of additional amounts pursuant to this Section 2.8), then it shall promptly pay an amount equal to such refund to Borrowers, net of all reasonable out-of-pocket expenses of such DIP ABL Lender or of DIP ABL Agent with respect thereto, including any Taxes; *provided*, *however*, that Borrowers, upon the written request of such DIP ABL Lender or DIP ABL Agent, agree to repay any amount paid over to Borrowers to such DIP ABL Lender or to DIP ABL Agent (plus any related penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such DIP ABL Lender or DIP ABL Agent is required, for any reason, to disgorge or otherwise repay such refund. Notwithstanding anything to the contrary in this Section 2.8, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.8(d) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.8 shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(e) If a payment made to a DIP ABL Lender under any DIP ABL Financing Document would be subject to U.S. federal withholding tax imposed by FATCA if such DIP ABL Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such DIP ABL Lender shall deliver to Borrower Representative and DIP ABL Agent at the time or times prescribed by any Requirements of Law and at such time or times reasonably requested by Borrower Representative or DIP ABL Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower Representative or DIP ABL Agent as may be necessary for Borrowers and DIP ABL Agent to comply with their obligations under FATCA and to determine that such DIP ABL Lender has complied with such DIP ABL Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. For purposes of this Section 2.8, the term "applicable law" includes FATCA.

(f) Each DIP ABL Lender shall severally indemnify DIP ABL Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such DIP ABL Lender (but only to the extent that any Credit Party has not already indemnified DIP ABL Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such DIP ABL Lender's failure to comply with the provisions of Section 11.17(b) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such DIP ABL Lender, in each case, that are payable or paid by DIP ABL Agent in connection with any DIP ABL Financing Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any DIP ABL Lender by DIP ABL Agent shall be conclusive absent manifest error. Each DIP ABL Lender hereby authorizes DIP ABL Agent to set off and apply any and all amounts at any time owing to such DIP ABL Lender under any DIP ABL Financing Document or otherwise payable by DIP ABL Agent to such DIP ABL Lender from any other source against any amount due to DIP ABL Agent under this paragraph (f).

(g) On or before the date DIP ABL Agent becomes a party to the Agreement, DIP ABL Agent shall provide to the Borrower Representative two duly executed copies of either (i) IRS Form W-9 (or any subsequent versions thereof or successor thereto) or (ii) IRS Form W-8ECI and a U.S. branch withholding certificate on IRS Form W-8IMY (in each case, or any subsequent versions thereof or successor thereto) evidencing its agreement with the Borrower Representative to be treated as a U.S. person, as applicable; ***provided*** that no DIP ABL Agent shall be required to provide any documentation pursuant to this Section 2.8(g) that DIP ABL Agent is unable to deliver as a result of a Change in Law after such DIP ABL Agent becomes DIP ABL Agent under this Agreement.

(h) Each party's obligations under Section 2.8(a) through (g) shall survive the resignation or replacement of DIP ABL Agent or any assignment of rights by, or the replacement of, a DIP ABL Lender, and the repayment, satisfaction or discharge of all DIP ABL Obligations hereunder.

Section 2.9 Appointment of Borrower Representative.

(a) Each Borrower hereby irrevocably appoints and constitutes Borrower Representative as its agent and attorney-in-fact to request and receive Loans in the name or on behalf of such Borrower and any other Borrowers, deliver Notices of Borrowing and Borrowing Base Certificates, give instructions with respect to the disbursement of the proceeds of the Loans, giving and receiving all other notices and consents hereunder or under any of the other DIP ABL Financing Documents and taking all other actions (including in respect of compliance with covenants) in the name or on behalf of any Borrower or Borrowers pursuant to this Agreement and the other DIP ABL Financing Documents. DIP ABL Agent and DIP ABL Lenders may disburse the Loans to such bank account of Borrower Representative or a Borrower or otherwise make such Loans to a Borrower, in each case as Borrower Representative may designate or direct, without notice to any other Borrower. Notwithstanding anything to the contrary contained herein, DIP ABL Agent may at any time and from time to time require that Loans to or for the account of any Borrower be disbursed directly to an operating account of such Borrower.

(b) Borrower Representative hereby accepts the appointment by Borrowers to act as the agent and attorney-in-fact of Borrowers pursuant to this Section 2.9. Borrower Representative shall ensure that the disbursement of any Loans that are at any time requested by or to be remitted to or for the account of a Borrower, shall be remitted or issued to or for the account of such Borrower.

(c) Each Borrower hereby irrevocably appoints and constitutes Borrower Representative as its agent to receive statements on account and all other notices from DIP ABL Agent,

DIP ABL Lenders with respect to the DIP ABL Obligations or otherwise under or in connection with this Agreement and the other DIP ABL Financing Documents.

(d) Any notice, election, representation, warranty, agreement or undertaking made or delivered by or on behalf of any Borrower by Borrower Representative shall be deemed for all purposes to have been made or delivered by such Borrower, as the case may be, and shall be binding upon and enforceable against such Borrower to the same extent as if made or delivered directly by such Borrower.

(e) No resignation by or termination of the appointment of Borrower Representative as agent and attorney-in-fact as aforesaid shall be effective, except after ten (10) Business Days' prior written notice to DIP ABL Agent. If the Borrower Representative resigns under this Agreement, Borrowers shall be entitled to appoint a successor Borrower Representative (which shall be a Borrower and shall be reasonably acceptable to DIP ABL Agent as such successor). Upon the acceptance of its appointment as successor Borrower Representative hereunder, such successor Borrower Representative shall succeed to all the rights, powers and duties of the retiring Borrower Representative and the term "Borrower Representative" means such successor Borrower Representative for all purposes of this Agreement and the other DIP ABL Financing Documents, and the retiring or terminated Borrower Representative's appointment, powers and duties as Borrower Representative shall be thereupon terminated.

Section 2.10 Joint and Several Liability; Rights of Contribution; Subordination and Subrogation.

(a) Borrowers are defined collectively to include all Persons named as one of the Borrowers herein; *provided*, *however*, that any references herein to "any Borrower", "each Borrower" or similar references, shall be construed as a reference to each individual Person named as one of the Borrowers herein. Each Person so named shall be jointly and severally liable for all of the obligations of Borrowers under this Agreement. Each Borrower, individually, expressly understands, agrees and acknowledges, that the credit facilities would not be made available on the terms herein in the absence of the collective credit of all of the Persons named as the Borrowers herein, the joint and several liability of all such Persons, and the cross-collateralization of the collateral of all such Persons. Accordingly, each Borrower individually acknowledges that the benefit to each of the Persons named as one of the Borrowers as a whole constitutes reasonably equivalent value, regardless of the amount of the credit facilities actually borrowed by, advanced to, or the amount of collateral provided by, any individual Borrower. In addition, each entity named as one of the Borrowers herein hereby acknowledges and agrees that all of the representations, warranties, covenants, obligations, conditions, agreements and other terms contained in this Agreement shall be applicable to and shall be binding upon and measured and enforceable individually against each Person named as one of the Borrowers herein as well as all such Persons when taken together. By way of illustration, but without limiting the generality of the foregoing, the terms of Section 10.1 of this Agreement are to be applied to each individual Person named as one of the Borrowers herein (as well as to all such Persons taken as a whole), such that the occurrence of any of the events described in Section 10.1 of this Agreement as to any Person named as one of the Borrowers herein shall constitute a DIP Event of Default even if such event has not occurred as to any other Persons named as the Borrowers or as to all such Persons taken as a whole.

(b) Notwithstanding any provisions of this Agreement to the contrary, it is intended that the joint and several nature of the liability of each Borrower for the DIP ABL Obligations and the Liens granted by Borrowers to secure the DIP ABL Obligations, not constitute a Fraudulent Conveyance (as defined below). Consequently, DIP ABL Agent, DIP ABL Lenders and each Borrower agree that if the liability of a Borrower for the DIP ABL Obligations, or any Liens granted by such Borrower securing the DIP ABL Obligations would, but for the application of this sentence, constitute a Fraudulent

Conveyance, the liability of such Borrower and the Liens securing such liability shall be valid and enforceable only to the maximum extent that would not cause such liability or such Lien to constitute a Fraudulent Conveyance, and the liability of such Borrower and this Agreement shall automatically be deemed to have been amended accordingly. For purposes hereof, the term "Fraudulent Conveyance" means a fraudulent conveyance under Section 548 of the Bankruptcy Code or a fraudulent conveyance or fraudulent transfer under the applicable provisions of any fraudulent conveyance or fraudulent transfer law or similar law of any state, nation or other governmental unit, as in effect from time to time.

(c) DIP ABL Agent is hereby authorized, without notice or demand (except as otherwise specifically required under this Agreement) and without affecting the liability of any Borrower hereunder, at any time and from time to time, to (i) renew, extend or otherwise increase the time for payment of the DIP ABL Obligations; (ii) with the written agreement of any Borrower, and Bankruptcy Court approval obtained by the Borrowers if required, change the terms relating to the DIP ABL Obligations or otherwise modify, amend or change the terms of any Note or other agreement, document or instrument now or hereafter executed by any Borrower and delivered to DIP ABL Agent for any DIP ABL Lender; (iii) accept partial payments of the DIP ABL Obligations; (iv) take and hold any DIP ABL Collateral for the payment of the DIP ABL Obligations or for the payment of any guaranties of the DIP ABL Obligations and exchange, enforce, waive and release any such DIP ABL Collateral; (v) apply any such DIP ABL Collateral, as permitted under the Bankruptcy Code, and direct the order or manner of sale thereof as DIP ABL Agent, in its sole discretion, may determine; and (vi) settle, release, compromise, collect or otherwise liquidate the DIP ABL Obligations and any DIP ABL Collateral therefor, as permitted under the Bankruptcy Code, in any manner, all guarantor and surety defenses being hereby waived by each Borrower. Without limitations of the foregoing, with respect to the DIP ABL Obligations, each Borrower hereby makes and adopts each of the agreements and waivers set forth in each Guarantee, the same being incorporated hereby by reference. Except as specifically provided in this Agreement or any of the other DIP ABL Financing Documents, DIP ABL Agent shall have the exclusive right to determine the time and manner of application of any payments or credits, whether received from any Borrower or any other source, and such determination shall be binding on all Borrowers. All such payments and credits may be applied, reversed and reapplied, in whole or in part, to any of the DIP ABL Obligations that DIP ABL Agent shall determine, in its sole discretion, without affecting the validity or enforceability of the DIP ABL Obligations of the other Borrower.

(d) Each Borrower hereby agrees that, except as hereinafter provided, its obligations hereunder shall be unconditional, irrespective of (i) the absence of any attempt to collect the DIP ABL Obligations from any obligor or other action to enforce the same; (ii) the waiver or consent by DIP ABL Agent with respect to any provision of any instrument evidencing the DIP ABL Obligations, or any part thereof, or any other agreement heretofore, now or hereafter executed by a Borrower and delivered to DIP ABL Agent; (iii) failure by DIP ABL Agent to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for the DIP ABL Obligations; (iv) the institution of any proceeding (or conversion of one proceeding to another) under the Bankruptcy Code or DIP ABL Agent's election in any such proceeding of the application of Section 1111(b)(2) of the Bankruptcy Code; (v) any additional borrowing or grant of a security interest by a Borrower as debtor in possession, under Section 364 of the Bankruptcy Code; (vi) the disallowance, under Section 502 of the Bankruptcy Code, of all or any portion of DIP ABL Agent's claim(s) for repayment of any of the DIP ABL Obligations; or (vii) any other circumstance other than indefeasible payment in full of the DIP ABL Obligations which might otherwise constitute a legal or equitable discharge or defense of a guarantor or surety.

(e) The Borrowers hereby agree, as between themselves, that to the extent that DIP ABL Agent, on behalf of DIP ABL Lenders, shall have received from any Borrower any Recovery Amount (as defined below), then the paying Borrower shall have a right of contribution against each other Borrower in an amount equal to such other Borrower's contributive share of such Recovery Amount;

provided, *however*, that in the event any Borrower suffers a Deficiency Amount (as defined below), then the Borrower suffering the Deficiency Amount shall be entitled to seek and receive contribution from and against the other Borrowers in an amount equal to the Deficiency Amount; and *provided*, *further*, that in no event shall the aggregate amounts so reimbursed by reason of the contribution of any Borrower equal or exceed an amount that would, if paid, constitute or result in Fraudulent Conveyance. Until all DIP ABL Obligations have been paid and satisfied in full, no payment made by or for the account of a Borrower including, without limitation, (i) a payment made by such Borrower on behalf of the liabilities of any other Borrower, or (ii) a payment made by any other Guarantor under any Guarantee, shall entitle such Borrower, by subrogation or otherwise, to any payment from such other Borrower or from or out of such other Borrower's property. The right of each Borrower to receive any contribution under this Section 2.10(e) or by subrogation or otherwise from any other Borrower shall be subordinate in right of payment to the DIP ABL Obligations and such Borrower shall not exercise any right or remedy against such other Borrower or any property of such other Borrower by reason of any performance of such Borrower of its joint and several obligations hereunder, until the DIP ABL Obligations have been indefeasibly paid and satisfied in full, and no Borrower shall exercise any right or remedy with respect to this Section 2.10(e) until the DIP ABL Obligations have been indefeasibly paid and satisfied in full. As used in this Section 2.10(e), the term "Recovery Amount" means the amount of proceeds received by or credited to DIP ABL Agent from the exercise of any remedy of DIP ABL Lenders under this Agreement or the other DIP ABL Financing Documents, including, without limitation, the sale of any DIP ABL Collateral. As used in this Section 2.10(e), the term "Deficiency Amount" means any amount that is less than the entire amount a Borrower is entitled to receive by way of contribution or subrogation from, but that has not been paid by, the other Borrowers in respect of any Recovery Amount attributable to the Borrower entitled to contribution, until the Deficiency Amount has been reduced to $0 through contributions and reimbursements made under the terms of this Section 2.10(e) or otherwise.

Section 2.11 Collections and Lockbox Account.

(a) Borrowers shall maintain a lockbox or lockboxes (the "**Lockbox**") with a United States depository institution or institutions designated from time to time by DIP ABL Agent (the "**Lockbox Bank**"), subject to the provisions of this Agreement, and shall execute with the Lockbox Bank a Deposit Account Control Agreement and such other agreements related to such Lockbox as DIP ABL Agent may reasonably require, it being understood and agreed that the cash management provisions set forth in Section 2.11 of the Prepetition ABL Credit Agreement shall satisfy the foregoing requirements of this Section 2.11(a). Borrowers shall ensure that all collections of Accounts that are owed by a customer Account Debtor or that otherwise constitute Eligible Accounts are paid directly from such Account Debtors (i) into the Lockbox for deposit into the Lockbox Account and/or (ii) directly into the Lockbox Account; *provided, however*, unless DIP ABL Agent shall otherwise direct by written notice to Borrowers, Borrowers shall be permitted to cause Account Debtors who are individuals to pay Accounts directly to Borrowers, which Borrowers shall then administer and apply in the manner required below. All funds deposited into a Lockbox Account shall be transferred into the Payment Account by the close of each Business Day.

(b) [Reserved].

(c) Notwithstanding anything in any lockbox agreement or Deposit Account Control Agreement to the contrary, Borrowers agree that they shall be liable for any fees and charges in effect from time to time and charged by the Lockbox Bank in connection with the Lockbox, the Lockbox Account, and that DIP ABL Agent shall have no liability therefor, except to the extent such fees and charges arise from DIP ABL Agent's gross negligence or willful misconduct. Subject to the limitations set forth in Section 12.14, Borrowers hereby indemnify and agree to hold DIP ABL Agent harmless from any and all liabilities, claims, losses and demands whatsoever, including reasonable attorneys' fees and

expenses, arising from or relating to actions of DIP ABL Agent or the Lockbox Bank pursuant to this Section or any lockbox agreement or Deposit Account Control Agreement or similar agreement, except to the extent of such losses arising solely from DIP ABL Agent's gross negligence or willful misconduct.

(d) DIP ABL Agent shall apply, on a daily basis, all funds transferred into the Payment Account pursuant to this Section 2.11:

(i) from the Closing Date until the earlier to occur of (A) the Final DIP Order Entry Date (at which time, for the avoidance of doubt, all of the Prepetition ABL Obligations shall have been "rolled-up" and converted into the DIP ABL Obligations) and (B) satisfaction in full of the Prepetition ABL Obligations, to reduce the Prepetition ABL Obligations in accordance with Section 10.7(b) of the Prepetition ABL Credit Agreement; and

(ii) thereafter, to reduce the outstanding DIP Revolving Loans in such order of application as DIP ABL Agent shall elect.

If as the result of collections of Accounts pursuant to the terms and conditions of this Section 2.11, a credit balance exists with respect to the Loan Account, DIP ABL Agent shall, so long as (i) DIP Revolving Loan Outstandings, after giving effect to the application of funds pursuant to the first sentence of this Section 2.11(d), are zero, (ii) all other DIP ABL Obligations then due and owing have been paid in full, and (iii) no Default or DIP Event of Default exists under Section 10.1(a), transfer such funds representing a credit balance that have been received by DIP ABL Agent by 12:00 p.m. (Eastern time) on any Business Day into an account designated by Borrower Representative on the next Business Day thereafter; *provided* that in no event shall any such credit balance accrue interest in favor of Borrowers.

(e) To the extent that any collections of Accounts that are owed by a customer Account Debtor or that otherwise constitute Eligible Accounts or proceeds of Inventory are not sent directly to the Lockbox or Lockbox Account but are received by any Borrower, such collections shall be held in trust for the benefit of DIP ABL Agent pursuant to an express trust created hereby and immediately remitted, in the form received, to the applicable Lockbox or Lockbox Account. No such funds received by any Borrower shall be commingled with other funds of the Borrowers unless remitted to a Borrower pursuant to Section 2.11. If any funds received by any Borrower are commingled with other funds of the Borrowers, or are required to be deposited to a Lockbox or Lockbox Account and are not so deposited within two (2) Business Days, then Borrowers shall pay to DIP ABL Agent, for its own account and not for the account of any other DIP ABL Lenders, a compliance fee equal to $500 for each day that any such conditions exist.

(f) Borrowers acknowledge and agree that compliance with the terms of this Section 2.11 is essential, and that DIP ABL Agent and DIP ABL Lenders will suffer immediate and irreparable injury and have no adequate remedy at law, if any Borrower, through acts or omissions, causes or permits customer or other third-party Account Debtors to send payments other than to the Lockbox or Lockbox Accounts or if any Borrower fails to promptly deposit collections of such Accounts or proceeds of Inventory in the Lockbox Account as herein required. Accordingly, in addition to all other rights and remedies of DIP ABL Agent and DIP ABL Lenders hereunder, DIP ABL Agent shall have the right, during the continuation of a DIP Event of Default, to seek specific performance of the Borrowers' obligations under this Section 2.11, and any other equitable relief as DIP ABL Agent may deem necessary or appropriate, and Borrowers waive any requirement for the posting of a bond in connection with such equitable relief.

(g) Borrowers shall not, and Borrowers shall not suffer or permit any Credit Party to, (i) withdraw any amounts from any Lockbox Account, (ii) without the consent of DIP ABL Agent (such consent not to be unreasonably withheld, conditioned or delayed), change the procedures or sweep instructions under the agreements governing any Lockbox Accounts, or (iii) send to or deposit in any Lockbox Account any funds other than payments made with respect to and proceeds of DIP ABL Priority Collateral. Borrowers shall, and shall cause each Credit Party to, cooperate with DIP ABL Agent in the reasonable identification and reconciliation on a month-end basis of all material amounts received in or required to be deposited into the Lockbox Accounts. If any such amount cannot be identified or reconciled to the reasonable satisfaction of DIP ABL Agent, DIP ABL Agent may utilize its own staff or, if it deems necessary, engage an outside auditor at Borrowers' expense, to make such examination and report as may be necessary to identify and reconcile such amount.

Section 2.12 Termination; Restriction on Termination.

(a) Termination by DIP ABL Lenders. In addition to the rights set forth in Section 10.2, DIP ABL Agent may, and at the direction of Required DIP ABL Lenders shall, terminate this Agreement without notice during a continuing DIP Event of Default.

(b) Termination by Borrowers. Upon at least five (5) Business Days' prior written notice to DIP ABL Agent and DIP ABL Lenders, Borrowers may, at its option, terminate this Agreement; *provided, however,* that no such termination shall be effective until Borrowers have paid or collateralized to DIP ABL Agent's satisfaction all of the DIP ABL Obligations in immediately available funds. Any notice of termination given by Borrowers shall be irrevocable unless all DIP ABL Lenders otherwise agree in writing; *provided* that, the Borrowers' notice may state that such notice is conditioned upon (i) a transaction in connection with the refinancing in full of the Loans, or (ii) a transaction resulting in a Change of Control, to the extent such transaction is not consummated, in which case such notice may be revoked by the Borrowers (by notice to DIP ABL Agent on or prior to the specified effective date) if such condition is not satisfied. Borrowers may elect to terminate this Agreement in its entirety only. No section of this Agreement or type of Loan available hereunder may be terminated singly.

(c) Effectiveness of Termination. All of the DIP ABL Obligations shall be immediately due and payable upon the DIP ABL Termination Date. All undertakings, agreements, covenants, warranties and representations of Borrowers contained in the DIP ABL Financing Documents shall survive any such termination and DIP ABL Agent shall retain its Liens in the DIP ABL Collateral and DIP ABL Agent and each DIP ABL Lender shall retain all of its rights and remedies under the DIP ABL Financing Documents notwithstanding such termination until all DIP ABL Obligations have been discharged or paid, in full, in immediately available funds, including, without limitation, the requirements of each fee letter. Notwithstanding the foregoing or the payment in full of the DIP ABL Obligations, DIP ABL Agent shall not be required to terminate its Liens in the DIP ABL Collateral unless, with respect to any loss or damage DIP ABL Agent may incur as a result of dishonored checks or other items of payment received by DIP ABL Agent from Borrower or any Account Debtor and applied to the DIP ABL Obligations, DIP ABL Agent shall, upon its request, have received cash collateral from Borrower in a minimum amount of $50,000 to protect DIP ABL Agent and each DIP ABL Lender from any such loss or damage for period of at least 90 days after the payment in full of the DIP ABL Obligations.

Section 2.13 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account

of, or credit extended or participated in by, any DIP ABL Lender (except any reserve requirement reflected in the LIBOR Rate);

(ii) subject any Recipient to any additional Taxes (other than Indemnified Taxes and any Excluded Taxes) on its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any DIP ABL Lender any other condition, cost or expense (other than with respect to Taxes) affecting this Agreement or DIP Revolving Loans made by such DIP ABL Lender;

and the result of any of the foregoing shall be to increase the cost to such DIP ABL Lender of making, converting to, continuing or maintaining any DIP Revolving Loan, or of maintaining its obligation to make any such DIP Revolving Loan, or to reduce the amount of any sum received or receivable by such DIP ABL Lender hereunder (whether of principal, interest or any other amount), then, upon request of such DIP ABL Lender, the Borrowers will pay to such DIP ABL Lender such additional amount or amounts as will compensate such DIP ABL Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any DIP ABL Lender determines that any Change in Law affecting such DIP ABL Lender or any lending office of such DIP ABL Lender or such DIP ABL Lender's parent company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such DIP ABL Lender's capital or on the capital of such DIP ABL Lender's parent company, if any, as a consequence of this Agreement, the DIP Revolving Loan Commitments of such DIP ABL Lender or the DIP Revolving Loans made by such DIP ABL Lender to a level below that which such DIP ABL Lender or such DIP ABL Lender's parent company could have achieved but for such Change in Law (taking into consideration such DIP ABL Lender's policies and the policies of such DIP ABL Lender's parent company with respect to capital adequacy), then from time to time the Borrowers will pay to such DIP ABL Lender such additional amount or amounts as will compensate such DIP ABL Lender or such DIP ABL Lender's parent company for any such reduction suffered.

(c) Certificates for Reimbursement. Any DIP ABL Lender requesting compensation under this Section 2.13 shall deliver to the Borrowers a certificate setting forth, in reasonable detail, the amount or amounts necessary to compensate such DIP ABL Lender or its parent company, as the case may be, as specified in subsection (a) or (b) of this Section 2.13 and the basis for calculating such amounts, which certificate shall be conclusive absent manifest error. The Borrowers shall pay such DIP ABL Lender the amount shown as due on any such certificate promptly after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any DIP ABL Lender to demand compensation pursuant to the foregoing provisions of this Section 2.13 shall not constitute a waiver of such DIP ABL Lender's right to demand such compensation, *provided* that the Borrowers shall not be required to compensate a DIP ABL Lender pursuant to the foregoing provisions of this Section 2.13 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such DIP ABL Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such DIP ABL Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

Section 2.14 Illegality. If any DIP ABL Lender determines that any Requirement of Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any DIP

ABL Lender or its applicable lending office to perform any of its obligations hereunder or make, maintain or fund, continue or charge interest with respect to any Loan or to determine or charge interest rates based upon the LIBOR Rate, or any Governmental Authority has imposed material restrictions on the authority of such DIP ABL Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such DIP ABL Lender to the Borrowers through DIP ABL Agent, any obligation of such DIP ABL Lender to issue, make, maintain, fund, continue or charge interest with respect to any such Loan shall be suspended until such DIP ABL Lender notifies DIP ABL Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall, upon demand from such DIP ABL Lender (with a copy to DIP ABL Agent), (a) prepay all Loans based on the LIBOR Rate of such DIP ABL Lender immediately or (b) (x) all Loans based on the LIBOR Rate of such DIP ABL Lender, the date specified in such DIP ABL Lender's notice shall be deemed to be the last day of the Interest Period of such Loans, and interest upon such DIP ABL Lender's Loans thereafter shall accrue interest at Base Rate plus the Applicable Margin, and (y) all such Loans shall continue to accrue interest at Base Rate plus the Applicable Margin until such DIP ABL Lender determines that it would no longer be unlawful or impractical to maintain such Loans at the LIBOR Rate. Upon any such prepayment as set forth in clause (a) above, the Borrowers shall also pay accrued interest on the amount so prepaid.

Section 2.15 Inability to Determine Rates. If in connection with any request for a Loan based on the LIBOR Rate or continuation thereof, (a) DIP ABL Agent determines (which determination shall be deemed conclusive absent manifest error) that (i) Dollar deposits are not being offered to banks in the London interbank market for the applicable amount and Interest Period of such Loan based on the LIBOR Rate, or (ii) adequate and reasonable means do not exist for determining the LIBOR Rate for the Interest Period with respect to a proposed Loan based on the LIBOR Rate, or (b) DIP ABL Agent or the Required DIP ABL Lenders determine (which determination shall be deemed conclusive absent manifest error) that for any reason the LIBOR Rate for the Interest Period with respect to a proposed Loan based on the LIBOR Rate does not adequately and fairly reflect the cost to such DIP ABL Lenders of funding such Loan, DIP ABL Agent will as promptly as practicable so notify the Borrower Representative and each DIP ABL Lender, and until DIP ABL Agent provides notice to the Borrower Representative and DIP ABL Lenders that the circumstances giving rise to such notice no longer exist, (x) any pending request for a continuation of Loans based on the LIBOR Rate shall be ineffective and (y) any requested borrowing of Loans based on the LIBOR Rate shall instead be made as a Loan based on the Base Rate, and shall accrue interest at the Base Rate plus the Applicable Margin.

Section 2.16 No Discharge. Each of the Credit Parties agrees that to the extent that its DIP ABL Obligations have not been satisfied in full in cash (or as otherwise agreed by the Credit Parties, the DIP ABL Agent, and the DIP ABL Lenders), (i) its obligations under the DIP ABL Financing Documents shall not be discharged by any chapter 11 plan or any order confirming a chapter 11 plan (and each of the Credit Parties, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) as to the DIP ABL Obligations and (ii) the Superpriority Claim granted to the DIP ABL Agent and the DIP ABL Lenders pursuant to the DIP Orders and the Liens granted to them pursuant to the DIP Orders shall not be affected in any manner by any such plan or order.

ARTICLE 3 - REPRESENTATIONS AND WARRANTIES

To induce DIP ABL Agent and DIP ABL Lenders to enter into this Agreement and to make the Loans and other credit accommodations contemplated hereby, each Borrower hereby represents and warrants to DIP ABL Agent and each DIP ABL Lender that:

Section 3.1 Company Status. Each of the Borrowers and each of their Restricted Subsidiaries (a) is a duly organized and validly existing Company in good standing under the laws of the

jurisdiction of its organization, (b) has the Company power and authority, and all necessary material authorizations and consents, to own its property and assets and to transact the business in which it is engaged and presently proposes to engage and (c) is duly qualified and is authorized to do business and is in good standing in each jurisdiction where the ownership, leasing or operation of its property or the conduct of its business requires such qualifications except for failures to (x) be so qualified or authorized, (y) be in good standing or (z) obtain authorizations and consents which, either individually or in the aggregate for clauses (x) through (z), could not reasonably be expected to have a Material Adverse Effect.

Section 3.2 Power and Authority; Enforceability. Subject to entry of the Interim DIP Order or the Final DIP Order, as applicable, (a) each Credit Party has the Company power and authority to execute, deliver and perform the terms and provisions of each of the DIP ABL Financing Documents to which it is party and to consummate the other Transactions and has taken all necessary Company action to authorize the execution, delivery and performance by it of each of such DIP ABL Financing Documents and consummation of the other Transactions, and (b) each Credit Party has duly executed and delivered each of the DIP ABL Financing Documents to which it is party, and each of such DIP ABL Financing Documents constitutes its legal, valid and binding obligation enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law).

Section 3.3 No Violation; No Default. (a) Giving effect to the applicable DIP Orders, neither the execution, delivery or performance by any Credit Party of the DIP ABL Financing Documents to which it is a party, nor compliance by it with the terms and provisions thereof,

(i) will materially contravene any provision of any law, statute, rule or regulation or any order, writ, injunction or decree of any court or Governmental Authority (including, without limitation, any Mining Law), other than violations arising as a result of the commencement of the Chapter 11 Cases and except as otherwise excused by the Bankruptcy Court,

(ii) will conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents) upon any of the property or assets of any Credit Party or any of its Restricted Subsidiaries pursuant to the terms of any Contractual Obligation (including, without limitation, any Mining Lease), to which any Credit Party or any of its Restricted Subsidiaries is a party or by which it or any its property or assets is bound or to which it may be subject, except for any such conflict, breach or default which, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect, other than violations arising as a result of the commencement of the Chapter 11 Cases and except as otherwise excused by the Bankruptcy Court, or

(iii) will violate any provision of any Organizational Document of any Credit Party or any of its Restricted Subsidiaries.

(b) Other than violations arising as a result of the commencement of the Chapter 11 Cases and except as otherwise excused by the Bankruptcy Court, no Borrower or any of its Restricted Subsidiaries is in default in any manner under any provision of any Contractual Obligation, where such default could reasonably be expected to result in a Material Adverse Effect, and no condition exists which, with the giving of notice or the lapse of time or both, would constitute such a default.

(c) No Default or DIP Event of Default has occurred and is continuing.

Section 3.4 Approvals. Subject to the Interim DIP Order and the Final DIP Order, no order, consent, approval, license, authorization or validation of, or filing, recording or registration with (except for those that have otherwise been obtained or made on or prior to the Closing Date), or exemption by, any Governmental Authority is required to be obtained or made by, or on behalf of, any Credit Party to authorize, or is required to be obtained or made by, or on behalf of, any Credit Party in connection with, (a) the execution, delivery and performance of any DIP ABL Financing Document, or (b) the legality, validity, binding effect or enforceability of any such DIP ABL Financing Document.

Section 3.5 Financial Statements; Financial Condition; Undisclosed Liabilities; Projections.

(a) The audited consolidated balance sheets of Blackhawk Parent at December 31, 2016 and 2017 and the related consolidated statements of income and cash flows and changes in shareholders' equity of Blackhawk Parent for the years ended on such dates, in each case furnished to DIP ABL Lenders prior to the Closing Date, present fairly in all material respects the consolidated financial position of the Borrowers at the date of said financial statements and the results for the respective periods covered thereby and the unaudited consolidated balance sheet of Blackhawk Parent at March 31, 2019, and the related consolidated statements of income and cash flows and changes in shareholders' equity of Blackhawk Parent for the three months ended on such date, furnished to DIP ABL Lenders prior to the Closing Date, present fairly in all material respects the consolidated financial condition of the Borrowers at the date of said financial statements and the results for the period covered thereby, subject to normal year-end adjustments. All such financial statements have been prepared in accordance with GAAP consistently applied except to the extent provided in the notes to said financial statements and subject, in the case of the unaudited financial statements, to normal year-end audit adjustments and the absence of footnotes.

(b) All projections, including the Budget, delivered to DIP ABL Agent and DIP ABL Lenders on or prior to the Closing Date have been prepared in good faith and are based on reasonable assumptions, and there are no statements or conclusions in such projections which are based upon or include information known to Borrowers to be misleading in any material respect or which fail to take into account material information known to Borrowers regarding the matters reported therein.

(c) Since December 31, 2018, nothing has occurred that has had, or could reasonably be expected to have, a Material Adverse Effect.

(d) The calculation by the Borrowers of the Borrowing Base as set forth in each Borrowing Base Certificate and the valuation thereunder is complete and accurate in all material respects

Section 3.6 Litigation. Other than the Chapter 11 Cases, there are no actions, suits or proceedings pending or, to the knowledge of Borrowers, threatened (i) with respect to any DIP ABL Financing Document, Prepetition ABL Financing Document, DIP Term Loan Document, Prepetition First Lien Term Loan Document, or Prepetition Second Lien Term Loan Document, or (ii) that have had, or could reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

Section 3.7 True and Complete Disclosure. All factual information (taken as a whole) furnished by or on behalf of any Borrower or any of its Subsidiaries in writing to DIP ABL Agent or any DIP ABL Lender for purposes of or in connection with this Agreement, the other DIP ABL Financing Documents or any transaction contemplated herein or therein is, and all other such factual information (taken as a whole) hereafter furnished by or on behalf of any Borrower or any of its Subsidiaries in

writing to DIP ABL Agent or any DIP ABL Lender will be, true and accurate in all material respects on the date as of which such information is dated or certified and not incomplete by omitting to state any fact necessary to make such information (taken as a whole) not misleading in any material respect at such time in light of the circumstances under which such information was provided, it being understood and agreed that for purposes of this Section 3.7, such factual information shall not include any projections or any pro forma financial information or information of a general economic or industry specific nature.

Section 3.8 Margin Regulations. No part of any borrowing of the Loans (or the proceeds thereof) will be used to purchase or carry any Margin Stock or to extend credit for the purpose of purchasing or carrying any Margin Stock. Neither the making of any DIP Revolving Loan nor the use of the proceeds thereof nor the occurrence of any other borrowing under this Agreement will violate or be inconsistent with the provisions of Regulation T, U or X of the Board of Governors of the Federal Reserve System. Not more than 25% of the value of the assets of the Borrowers and their Restricted Subsidiaries taken as a whole is represented by Margin Stock.

Section 3.9 Tax Returns and Payments. Each Borrower and each of its Restricted Subsidiaries (a) has timely filed or caused to be timely filed with the appropriate taxing authority all returns, statements, forms and reports for Taxes (the "**Returns**") required to be filed by them, including with respect to the income, properties or operations of, each Borrower and/or any of its Restricted Subsidiaries and (b) has timely paid all Taxes payable by it which have become due, other than those that are being contested in good faith and provided for on the financial statements of each Borrower and its Restricted Subsidiaries to the extent required in accordance with GAAP, except, in the case of clauses (a) and (b), (x) for where the failure to file any such Returns or pay such Taxes would not reasonably be expected to have a Material Adverse Effect, or (y) to the extent otherwise excused or prohibited by the Bankruptcy Code and for which payment has not otherwise been required by the Bankruptcy Court.

Section 3.10 Compliance with ERISA.

(a) Each Employee Benefit Plan is in compliance in form and operation with its terms and with ERISA and the Code (including without limitation the Code provisions compliance with which is necessary for any intended favorable tax treatment) and all other applicable laws and regulations, except where any failure to comply would not reasonably be expected to have a Material Adverse Effect. Except as would not have a Material Adverse Effect: each Employee Benefit Plan (and each related trust, if any) which is intended to be qualified under Section 401(a) of the Code has received a favorable determination letter from the IRS to the effect that it meets the requirements of Sections 401(a) and 501(a) of the Code covering all applicable tax law changes or is comprised of a master or prototype plan that has received a favorable opinion letter from the IRS, and to the knowledge of any Borrower or any of their Restricted Subsidiaries, nothing has occurred since the date of such determination that would reasonably be expected to adversely affect such determination (or, in the case of an Employee Benefit Plan with no determination, to the knowledge of any Borrower or any of their Restricted Subsidiaries, nothing has occurred that would reasonably be expected to materially adversely affect the issuance of a favorable determination letter or otherwise materially adversely affect such qualification). No ERISA Event has occurred or is reasonably expected to occur other than as would not, individually or in the aggregate, have a Material Adverse Effect.

(b) There exists no Unfunded Pension Liability with respect to any Benefit Plan that would have a Material Adverse Effect.

(c) None of the Borrowers or any of their Restricted Subsidiaries or any ERISA Affiliate has incurred a complete or partial withdrawal from any Multiemployer Plan, and, if one or more of the Borrowers, their Restricted Subsidiaries or their ERISA Affiliates were to withdraw in a complete

withdrawal as of the date this assurance is given or deemed given, the aggregate withdrawal liability that would be incurred would not reasonably be expected to result in a Material Adverse Effect.

(d) There are no actions, suits or claims pending against or involving an Employee Benefit Plan (other than routine claims for benefits) or, to the knowledge of any Borrower or any of its Restricted Subsidiaries, threatened, which would reasonably be expected to be asserted successfully against any Employee Benefit Plan and, if so asserted successfully, would reasonably be expected either singly or in the aggregate to have a Material Adverse Effect.

(e) Each Borrower, its Restricted Subsidiaries and any ERISA Affiliate have made all material contributions to or under each Benefit Plan and Multiemployer Plan required by law within the applicable time limits prescribed thereby, the terms of such Benefit Plan or Multiemployer Plan, respectively, or any contract or agreement requiring contributions to a Benefit Plan or Multiemployer Plan save where any failure to comply, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

(f) Except as would not, individually or in the aggregate, have a Material Adverse Effect, (i) each Borrower, its Restricted Subsidiaries and each ERISA Affiliate have not ceased operations at a facility so as to become subject to the provisions of Section 4062(e) of ERISA, withdrawn as a substantial employer so as to become subject to the provisions of Section 4063 of ERISA or ceased making contributions to any Benefit Plan subject to Section 4064 of ERISA to which it made contributions, (ii) no lien imposed under the Code or ERISA on the assets of any Borrower, its Restricted Subsidiaries or any ERISA Affiliate exists or is likely to arise on account of any Benefit Plan and (iii) none of the Borrowers, their Restricted Subsidiaries or any ERISA Affiliate has any liability under Section 4069 or 4212(c) of ERISA.

(g) Except as would not individually or in the aggregate, have a Material Adverse Effect, (i) each Foreign Pension Plan has been maintained in compliance with its terms and with the requirements of any and all applicable laws, statutes, rules, regulations and orders and has been maintained, where required, in good standing with applicable regulatory authorities, (ii) all contributions required to be made with respect to a Foreign Pension Plan have been timely made, (iii) no Borrower or any of their Restricted Subsidiaries has incurred any obligation in connection with the termination of, or withdrawal from, any Foreign Pension Plan and (iv) the present value of the accrued benefit liabilities (whether or not vested) under each Foreign Pension Plan, determined as of the end of each Borrower's most recently ended Fiscal Year on the basis of actuarial assumptions, each of which is reasonable, did not exceed the current value of the assets of such Foreign Pension Plan allocable to such benefit liabilities.

Section 3.11 Security Documents.

(a) Subject to, and upon the entry of the DIP Orders, the DIP Orders and the Security Agreement are effective to create in favor of DIP ABL Agent for the benefit of the Secured Creditors a legal, valid and enforceable security interest in all right, title and interest of the Credit Parties in the Security Agreement Collateral. Subject to, and upon the entry of the DIP Orders, the DIP Orders, DIP ABL Agent, for the benefit of the Secured Creditors, has a fully perfected security interest in all right, title and interest in all of the Security Agreement Collateral and the other assets of the Borrowers described in the Interim DIP Order and, upon entry, the Final DIP Order, subject to no other Liens other than Permitted Liens.

(b) Subject to, and upon the entry of the DIP Orders, the DIP Orders are sufficient to create, as security for the obligations purported to be secured thereby, a valid and enforceable perfected

security interest in the Real Property constituting DIP ABL Collateral in favor of DIP ABL Agent (or such other trustee as may be required or desired under local law) for the benefit of the Secured Creditors, superior and prior to the rights of all third Persons (except that the security interest created on such Real Property may be subject to the Permitted Encumbrances related thereto) and subject to no other Liens (other than Permitted Encumbrances related thereto).

(c) Irrespective of anything to the contrary in any Security Document, the Liens securing the DIP ABL Obligations shall be effective and perfected automatically and without further action by DIP ABL Agent, DIP ABL Lenders or any Borrower pursuant to and upon entry of the Interim DIP Order (prior to the Final DIP Order Entry Date) and the Final DIP Order (on and after the Final DIP Order Entry Date). No filing or registration of any kind shall be required in order to perfect the Liens granted herein or in any other Security Document. Nevertheless, DIP ABL Agent or the Required DIP ABL Lenders may elect in their sole discretion, and Borrower hereby authorizes DIP ABL Agent, to file or record financing statements, mortgages, deeds of trust, deeds to secure debt, pledge agreements, affidavits, security agreements (including intellectual property security agreements), fixture filings, assignments, memoranda or other documents, instruments or evidences of perfection with respect to the DIP ABL Collateral as DIP ABL Agent or the Required DIP ABL Lenders may deem appropriate. Such financing statements may be filed without the signature of such Borrower and may list DIP ABL Agent as the "secured party" and such Borrower as the "debtor" and may describe and indicate the collateral covered thereby as all or any part of the DIP ABL Collateral under the DIP ABL Financing Documents (including an indication of the collateral covered by any such financing statement as "all assets" of such Borrower now owned or hereafter acquired), in such jurisdictions as DIP ABL Agent from time to time determines are appropriate, and to file without the signature of such Borrower any continuations of or corrective amendments to any such financing statements, in any such case in order for DIP ABL Agent to perfect, preserve or protect the Liens, rights and remedies of DIP ABL Agent with respect to the DIP ABL Collateral. Each Borrower also ratifies its authorization for DIP ABL Agent to have filed in any jurisdiction any initial financing statements or amendments thereto if filed prior to the date hereof. Any financing statement may include a notice that any disposition of the DIP ABL Collateral in contravention of this Agreement, by either Borrower or any other Person, shall be deemed to violate the rights of DIP ABL Agent and DIP ABL Lenders under the Bankruptcy Code. The Credit Parties acknowledge and agree that no such filing or recording, or lack thereof, shall in any manner alter, diminish or otherwise limit the automatic perfection of all Liens granted to DIP ABL Agent and DIP ABL Lenders under the DIP Orders.

Each Borrower and each of its Restricted Subsidiaries has a valid leasehold interest in the material properties leased by it free and clear of all Liens other than Permitted Liens. (b) All leases (including, without limitation, Mining Leases) to which any Borrower or any of its Restricted Subsidiaries is a party are in full force and effect, except leases in respect of which the failure to be in full force and effect would not reasonably be expected to have a Material Adverse Effect. Each of Blackhawk Parent and the Restricted Subsidiaries enjoys peaceful and undisturbed possession under all such leases, in each case other than leases in respect of which the failure to enjoy peaceful and undisturbed possession would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(c) As of the Closing Date, except as set forth on Schedule 3.12(c), no Borrower nor any of the Restricted Subsidiaries has received written or, to the knowledge of Blackhawk Parent and the Restricted Subsidiaries, other notice of claims that any Borrower or any Restricted Subsidiary has mined any Coal that it did not have the right to mine on any Mortgaged Property or mined any Coal in such a manner as to give rise to any claims for loss, waste or trespass on any Mortgaged Property, and, to the knowledge of Blackhawk Parent and the Restricted Subsidiaries, no facts exist upon which such a claim could be based other than claims that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(f) With respect to each Mortgaged Property on which significant surface improvements are located, including, without limitation, surface Mines, refuse areas and haulroads, there are no rights or claims of parties in possession not shown by the public records, encroachments, overlaps, boundary line disputes or other matters which would be disclosed by an accurate survey or inspection of the premises except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Schedule 6(a) to the Perfection Certificate sets forth, as of the Closing Date, the percentage ownership (direct and indirect) of Blackhawk Parent in each class of Capital Stock or other Equity Interests of each of its Subsidiaries and also identifies the direct owner thereof. All outstanding shares of Equity Interests of each Borrower and each Restricted Subsidiary have been duly and validly issued, are fully paid and non-assessable and have been issued free of preemptive rights. (e) there are no existing facts, circumstances, conditions or occurrences with respect to the business, operations, properties or facilities of any Borrower or any of its Restricted Subsidiaries, or, to the knowledge of any Borrower, any of their respective predecessors, that could reasonably be expected to give rise to any Environmental Claim; and

(f) there are no current, or reasonably anticipated future, requirements under Environmental Law (including without limitation, permit requirements, operational restrictions, clean-up or reclamation costs) that would result in expenditures other than expenditures for which there is a current financial reserve or other appropriate allocation in any Borrower's or its Restricted Subsidiaries' operating or capital expenditure budgets.

Section 3.18 Employment and Labor Relations. No Borrower or any of their Restricted Subsidiaries is engaged in any unfair labor practice that would reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect. There is

The conduct of each Borrower's and each of its Restricted Subsidiaries' respective businesses does not infringe, violate or other conflict with, in any material respect, the proprietary rights of any third party. No Borrower nor any Restricted Subsidiaries has received any notice, or is otherwise aware, of any infringement or violation of or conflict with the proprietary rights of any third party, which infringement, violation or conflict, if the subject of an unfavorable decision, would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or materially interfere with the operation of their respective businesses by any Borrower or its Restricted Subsidiaries.

Notwithstanding the foregoing, this Section 8.1(b) shall not apply to Real Property Leases that are rejected on the effective date of an Acceptable Chapter 11 Plan.

In connection with the exercise of any of the DIP ABL Agent's rights under Sections 8.1(b) and 8.1(c) to direct or compel a sale or assignment of any Real Property Lease, the DIP ABL Agent, on behalf of the DIP ABL Agent and the DIP ABL Lenders, shall be permitted to credit bid forgiveness of a portion of the Indebtedness (in an amount equal to at least the consideration offered by any other party in respect of such sale or assignment) outstanding under the DIP Revolving Loans in exchange for such Real Property Lease.

If any Credit Party is required to cure any monetary default under any Real Property Lease under this Section 8.1, or otherwise in connection with any assumption of such Real Property Lease pursuant to section 365 of the Bankruptcy Code, and such monetary default is not cured within five (5) Business Days of the receipt by such Credit Party of notice from the DIP ABL Agent under Section 8.1(a), (b) or (c) or any other notice from the DIP ABL Agent requesting the cure of such monetary default, then the DIP ABL Agent may, but shall not be obligated to, cure any such monetary default on behalf of such Credit Party and any such payments shall, at the election of the DIP ABL Agent, be deemed a borrowing of DIP Revolving Loans hereunder.

(xii) if any Credit Party or any of its Subsidiaries is enjoined, restrained, or in any way prevented by court order from continuing to conduct all or any part of the business affairs of the Credit Parties and their Subsidiaries, taken as a whole, which could reasonably be expected to have a Material Adverse Effect; *provided*, that the Credit Parties shall have ten (10) Business Days after the entry of such an order to obtain a court order vacating, staying or otherwise obtaining relief from the Bankruptcy Court or another court to address any such court order;

(xiii) any Credit Party shall make any payment (whether by way of adequate protection or otherwise) of principal or interest or otherwise on account of any prepetition Indebtedness or payables other than as otherwise not prohibited under this Agreement and to the extent authorized by one or more First Day Orders, the Interim DIP Order or the Final DIP Order and consistent with the Approved Budget;

All cure periods provided for in this Section 10.1 shall run concurrently with any cure period provided for in Section 10.2 or any applicable DIP ABL Financing Documents under which the default occurred.

Section 10.2 Acceleration and Suspension or Termination of DIP Revolving Loan Commitment.

(a) Upon the occurrence and during the continuance of a DIP Event of Default, DIP ABL Agent may, and shall if requested by Required DIP ABL Lenders, (a) by notice to Borrower Representative suspend or terminate the DIP Revolving Loan Commitment and the obligations of DIP ABL Agent and DIP ABL Lenders with respect thereto, in whole or in part (and, if in part, each DIP ABL Lender's DIP Revolving Loan Commitment shall be reduced in accordance with its Pro Rata Share), and/or (b) by notice to Borrower Representative declare all or any portion of the DIP ABL Obligations to be, and the DIP ABL Obligations shall thereupon become, immediately due and payable, with accrued interest thereon, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by each Borrower and Borrowers will pay the same; *provided*, *however*, that in the case of any of the DIP Events of Default specified in Section 10.1(e) above, without any notice to any Borrower or any other act by DIP ABL Agent or the DIP ABL Lenders, the DIP Revolving Loan Commitment and the obligations of DIP ABL Agent and the DIP ABL Lenders with respect thereto shall thereupon immediately and automatically terminate and all of the DIP ABL Obligations shall become immediately and automatically due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by each Borrower and Borrowers will pay the same.

(b) Following the occurrence of a DIP Event of Default, DIP ABL Agent and DIP ABL Lenders may enforce any or all of their rights and remedies set forth in the DIP Orders, this Agreement and the other DIP ABL Financing Documents in accordance with the DIP Orders.

Section 10.3 UCC Remedies.

(a) Upon the occurrence of and during the continuance of a DIP Event of Default under this Agreement or the other DIP ABL Financing Documents, DIP ABL Agent, in addition to all other rights, options, and remedies granted to DIP ABL Agent under this Agreement or at law or in

equity, may exercise, either directly or through one or more assignees or designees, all rights and remedies granted to it under all DIP ABL Financing Documents, the DIP Orders, the UCC in effect in the applicable jurisdiction(s) and any other applicable law; including, without limitation:

(i) the right to take possession of, send notices regarding, and collect directly the DIP ABL Collateral, with or without judicial process;

(ii) the right to (by its own means or with judicial assistance) enter any of Borrowers' premises and take possession of the DIP ABL Collateral, or render it unusable, or to render it usable or saleable, or dispose of the DIP ABL Collateral on such premises in compliance with subsection (iii) below and to take possession of Borrowers' original books and records, to obtain access to Borrowers' data processing equipment, computer hardware and software relating to the DIP ABL Collateral and to use all of the foregoing and the information contained therein in any manner DIP ABL Agent deems appropriate, without any liability for rent, storage, utilities, or other sums, and Borrowers shall not resist or interfere with such action (if Borrowers' books and records are prepared or maintained by an accounting service, contractor or other third party agent, Borrowers hereby irrevocably authorize such service, contractor or other agent, upon notice by DIP ABL Agent to such Person that a DIP Event of Default has occurred and is continuing, to deliver to DIP ABL Agent or its designees such books and records, and to follow DIP ABL Agent's instructions with respect to further services to be rendered);

(iii) the right to require Borrowers at Borrowers' expense to assemble all or any part of the DIP ABL Collateral and make it available to DIP ABL Agent at any place designated by DIP ABL Lender;

(iv) the right to notify postal authorities to change the address for delivery of Borrowers' mail to an address designated by DIP ABL Agent and to receive, open and dispose of all mail addressed to any Borrower; and/or

(v) the right to enforce Borrowers' rights against Account Debtors and other obligors, including, without limitation, (i) the right to collect Accounts directly in DIP ABL Agent's own name (as agent for DIP ABL Lenders) and to charge the collection costs and expenses, including attorneys' fees, to Borrowers, and (ii) the right, in the name of DIP ABL Agent or any designee of DIP ABL Agent or Borrowers, to verify the validity, amount or any other matter relating to any Accounts by mail, telephone, telegraph or otherwise, including, without limitation, verification of Borrowers' compliance with applicable Requirements of Law. Borrowers shall cooperate fully with DIP ABL Agent in an effort to facilitate and promptly conclude such verification process. Such verification may include contacts between DIP ABL Agent and applicable federal, state and local regulatory authorities having jurisdiction over the Borrowers' affairs, all of which contacts Borrowers hereby irrevocably authorize.

(b) Each Borrower agrees that a notice received by it at least ten (10) days before the time of any intended public sale, or the time after which any private sale or other disposition of the DIP ABL Collateral is to be made, shall be deemed to be reasonable notice of such sale or other disposition. If permitted by applicable law, any perishable DIP ABL Collateral which threatens to speedily decline in value or which is sold on a recognized market may be sold immediately by DIP ABL Agent without prior notice to Borrowers. At any sale or disposition of DIP ABL Collateral, DIP ABL Agent may (to the extent permitted by applicable law) purchase all or any part of the DIP ABL Collateral, free from any right of redemption by Borrowers, which right is hereby waived and released. Each Borrower covenants

and agrees not to interfere with or impose any obstacle to DIP ABL Agent's exercise of its rights and remedies with respect to the DIP ABL Collateral. DIP ABL Agent shall have no obligation to clean-up or otherwise prepare the DIP ABL Collateral for sale. DIP ABL Agent may comply with any applicable state or federal law requirements in connection with a disposition of the DIP ABL Collateral and compliance will not be considered to adversely affect the commercial reasonableness of any sale of the DIP ABL Collateral. DIP ABL Agent may sell the DIP ABL Collateral without giving any warranties as to the DIP ABL Collateral. DIP ABL Agent may specifically disclaim any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the DIP ABL Collateral. If DIP ABL Agent sells any of the DIP ABL Collateral upon credit, Borrowers will be credited only with payments actually made by the purchaser, received by DIP ABL Agent and applied to the indebtedness of the purchaser. In the event the purchaser fails to pay for the DIP ABL Collateral, DIP ABL Agent may resell the DIP ABL Collateral and Borrowers shall be credited with the proceeds of the sale. Borrowers shall remain liable for any deficiency if the proceeds of any sale or disposition of the DIP ABL Collateral are insufficient to pay all DIP ABL Obligations.

(c) Without restricting the generality of the foregoing and for the purposes aforesaid, each Borrower hereby appoints and constitutes DIP ABL Agent its lawful attorney-in-fact with full power of substitution in the DIP ABL Collateral, upon the occurrence and during the continuance of a DIP Event of Default, to (i) use unadvanced funds remaining under this Agreement or which may be reserved, escrowed or set aside for any purposes hereunder at any time, or to advance funds in excess of the face amount of the Notes, (ii) pay, settle or compromise all existing bills and claims, which may be Liens or security interests, or to avoid such bills and claims becoming Liens against the DIP ABL Collateral, (iii) execute all applications and certificates in the name of such Borrower and to prosecute and defend all actions or proceedings in connection with the DIP ABL Collateral, and (iv) do any and every act required under the terms of the DIP ABL Financing Documents which such Borrower might do in its own behalf; it being understood and agreed that this power of attorney in this subsection (c) shall be a power coupled with an interest and cannot be revoked.

(d) DIP ABL Agent and each DIP ABL Lender are each hereby granted a non-exclusive, royalty-free license or other right to use, without charge, Borrowers' labels, mask works, rights of use of any name, any other Intellectual Property and advertising matter, and any similar property as it pertains to the DIP ABL Collateral, in completing production of, advertising for sale, and selling any DIP ABL Collateral and, in connection with DIP ABL Agent's exercise of its rights under this Article, Borrowers' rights under all licenses (whether as licensor or licensee) and all franchise agreements inure to DIP ABL Agent's and each DIP ABL Lender's benefit.

Section 10.4 Credit Bid.

Borrowers and DIP ABL Lenders hereby irrevocably authorize DIP ABL Agent, upon the direction of the Required DIP ABL Lenders, to (a) credit bid and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the DIP ABL Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including under section 363 of the Bankruptcy Code or any similar laws in any other jurisdictions to which Borrower is subject, or (b) credit bid and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the DIP ABL Collateral at any other sale or foreclosure conducted by DIP ABL Agent (whether by judicial action or otherwise) in accordance with applicable Requirements of Law. In connection with any such credit bid and purchase, the DIP ABL Obligations owed to DIP ABL Lenders shall be entitled to be, and shall be, credit bid on a ratable basis (with DIP ABL Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not unduly delay the ability of DIP ABL Agent to credit bid and purchase at such sale or other disposition of the DIP ABL Collateral and, if such claims cannot be estimated without unduly delaying

the ability of DIP ABL Agent to credit bid, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the asset or assets purchased by means of such credit bid) and DIP ABL Lenders whose DIP ABL Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their DIP ABL Obligations credit bid in relation to the aggregate amount of DIP ABL Obligations so credit bid) in the asset or assets so purchased (or in the Capital Stock of the acquisition vehicle or vehicles that are used to consummate such purchase).

Section 10.5 Default Rate of Interest. At the election of DIP ABL Agent or Required DIP ABL Lenders, after the occurrence of a DIP Event of Default and for so long as it continues, the Loans and other DIP ABL Obligations shall bear interest at rates that are two percent (2.0%) per annum in excess of the rates otherwise payable under this Agreement; *provided, however*, that in the case of any DIP Event of Default specified in Section 10.1(e) above, such default rates shall apply immediately and automatically without the need for any election or action of any kind on the part of DIP ABL Agent or any DIP ABL Lender.

Section 10.6 Setoff Rights. During the continuance of any DIP Event of Default, each DIP ABL Lender is hereby authorized by each Borrower at any time or from time to time, with reasonably prompt subsequent notice to such Borrower to set off and to appropriate and to apply any and all (a) balances held by such DIP ABL Lender or any of such DIP ABL Lender's Affiliates at any of its offices for the account of such Borrower or any of its Subsidiaries (regardless of whether such balances are then due to such Borrower or its Subsidiaries), and (b) other property at any time held or owing by such DIP ABL Lender to or for the credit or for the account of such Borrower or any of its Subsidiaries, against and on account of any of the DIP ABL Obligations; except that no DIP ABL Lender shall exercise any such right without the prior written consent of DIP ABL Agent. Any DIP ABL Lender exercising a right to set off shall purchase for cash (and the other DIP ABL Lenders shall sell) interests in each of such other DIP ABL Lender's Pro Rata Share of the DIP ABL Obligations as would be necessary to cause all DIP ABL Lenders to share the amount so set off with each other DIP ABL Lender in accordance with their respective Pro Rata Share of the DIP ABL Obligations. Each Borrower agrees, to the fullest extent permitted by law, that any DIP ABL Lender and any of such DIP ABL Lender's Affiliates may exercise its right to set off with respect to the DIP ABL Obligations as provided in this Section 10.6.

Section 10.7 Application of Proceeds.

(a) Notwithstanding anything to the contrary contained in this Agreement, upon the occurrence and during the continuance of a DIP Event of Default, each Borrower irrevocably waives the right to direct the application of any and all payments at any time or times thereafter received by DIP ABL Agent from or on behalf of such Borrower or any Guarantor of all or any part of the DIP ABL Obligations, and, as between Borrowers on the one hand and DIP ABL Agent and DIP ABL Lenders on the other, DIP ABL Agent shall have the continuing and exclusive right to apply and to reapply any and all payments received against the DIP ABL Obligations in such manner as DIP ABL Agent may deem advisable notwithstanding any previous application by DIP ABL Agent.

(b) Notwithstanding anything to the contrary contained in this Agreement,

(i) Prior to the Final DIP Order Entry Date, and so long as no DIP Event of Default has occurred and is continuing, DIP ABL Agent shall apply any and all payments received by DIP ABL Agent in respect of the DIP ABL Obligations, and any and all proceeds of DIP ABL Collateral received by DIP ABL Agent, in the following order: *first*, to the outstanding Prepetition ABL Obligations; *second*, to all fees, costs, indemnities, liabilities, obligations and expenses incurred by or owing to DIP ABL Agent with respect to this Agreement, the other DIP ABL Financing Documents or the DIP

ABL Collateral; *third,* to all fees, costs, indemnities, liabilities, obligations and expenses incurred by or owing to any DIP ABL Lender with respect to this Agreement, the other DIP ABL Financing Documents or the DIP ABL Collateral; *fourth*, to accrued and unpaid interest on the DIP ABL Obligations (including any interest which, but for the provisions of the Bankruptcy Code, would have accrued on such amounts); *fifth,* to any other indebtedness or obligations of Borrowers owing to DIP ABL Agent or any DIP ABL Lender under the DIP ABL Financing Documents. Any balance remaining shall be delivered to the Borrowers or to whomever may be lawfully entitled to receive such balance or as a court of competent jurisdiction may direct. In carrying out the foregoing, (y) amounts received shall be applied in the numerical order provided until exhausted prior to the application to the next succeeding category, and (z) each of the Persons entitled to receive a payment in any particular category shall receive an amount equal to its Pro Rata Share of amounts available to be applied pursuant thereto for such category.

(ii) Upon and after the Final DIP Order Entry Date or any occurrence and continuance of a DIP Event of Default, but absent the occurrence and continuance of an Acceleration Event, DIP ABL Agent shall apply any and all payments received by DIP ABL Agent in respect of the DIP ABL Obligations, and any and all proceeds of DIP ABL Collateral received by DIP ABL Agent, in such order as DIP ABL Agent may from time to time elect.

(iii) Upon and after the occurrence of an Acceleration Event, and so long as it continues, DIP ABL Agent shall apply any and all payments received by DIP ABL Agent in respect of the DIP ABL Obligations, and any and all proceeds of DIP ABL Collateral received by DIP ABL Agent, in the following order: *first*, to all fees, costs, indemnities, liabilities, obligations and expenses incurred by or owing to DIP ABL Agent with respect to this Agreement, the other DIP ABL Financing Documents or the DIP ABL Collateral; *second*, to all fees, costs, indemnities, liabilities, obligations and expenses incurred by or owing to any DIP ABL Lender with respect to this Agreement, the other DIP ABL Financing Documents or the DIP ABL Collateral; *third*, to accrued and unpaid interest on the DIP ABL Obligations (including any interest which, but for the provisions of the Bankruptcy Code, would have accrued on such amounts); *fourth* to any other indebtedness or obligations of Borrowers owing to DIP ABL Agent or any DIP ABL Lender under the DIP ABL Financing Documents; *fifth* to the outstanding Prepetition ABL Obligations and Prepetition Term Loan Obligations in a manner consistent with the priorities agreed under the Prepetition Intercreditor Agreements. Any balance remaining shall be delivered to the Borrowers or to whomever may be lawfully entitled to receive such balance or as a court of competent jurisdiction may direct. In carrying out the foregoing, (y) amounts received shall be applied in the numerical order provided until exhausted prior to the application to the next succeeding category, and (z) each of the Persons entitled to receive a payment in any particular category shall receive an amount equal to its Pro Rata Share of amounts available to be applied pursuant thereto for such category.

Section 10.8 Waivers.

(a) Except as otherwise provided for in this Agreement and to the fullest extent permitted by applicable law, each Borrower waives: (i) presentment, demand and protest, and notice of presentment, dishonor, intent to accelerate, acceleration, protest, default, nonpayment, maturity, release, compromise, settlement, extension or renewal of any or all DIP ABL Financing Documents, the Notes or any other notes, commercial paper, accounts, contracts, documents, Instruments, Chattel Paper and

Guarantees at any time owed to DIP ABL Lenders on which any Borrower may in any way be liable; (ii) all rights to notice and a hearing prior to DIP ABL Agent's or any DIP ABL Lender's taking possession or control of, or to DIP ABL Agent's or any DIP ABL Lender's replevy, attachment or levy upon, any DIP ABL Collateral or any bond or security which might be required by any court prior to allowing DIP ABL Agent or any DIP ABL Lender to exercise any of its remedies; and (iii) the benefit of all valuation, appraisal and exemption laws. Each Borrower acknowledges that it has been advised by counsel of its choices and decisions with respect to this Agreement, the other DIP ABL Financing Documents and the transactions evidenced hereby and thereby.

(b) Each Borrower for itself and all its successors and assigns, (i) agrees that its liability shall not be in any manner affected by any indulgence, extension of time, renewal, waiver, or modification granted or consented to by DIP ABL Lender; (ii) consents to any indulgences and all extensions of time, renewals, waivers, or modifications that may be granted by DIP ABL Agent or any DIP ABL Lender with respect to the payment or other provisions of the DIP ABL Financing Documents, and to any substitution, exchange or release of the DIP ABL Collateral, or any part thereof, with or without substitution, and agrees to the addition or release of any Borrower, endorsers, guarantors, or sureties, or whether primarily or secondarily liable, without notice to any other Borrower and without affecting its liability hereunder; (iii) agrees that its liability shall be unconditional and without regard to the liability of any other Borrower, DIP ABL Agent or any DIP ABL Lender for any tax on the indebtedness; and (iv) to the fullest extent permitted by law, expressly waives the benefit of any statute or rule of law or equity now provided, or which may hereafter be provided, which would produce a result contrary to or in conflict with the foregoing.

(c) To the extent that DIP ABL Agent or any DIP ABL Lender may have acquiesced in any noncompliance with any requirements or conditions precedent to the closing of the Loans or to any subsequent disbursement of Loan proceeds, such acquiescence shall not be deemed to constitute a waiver by DIP ABL Agent or any DIP ABL Lender of such requirements with respect to any future disbursements of Loan proceeds and DIP ABL Agent may at any time after such acquiescence require Borrowers to comply with all such requirements. Any forbearance by DIP ABL Agent or DIP ABL Lender in exercising any right or remedy under any of the DIP ABL Financing Documents, or otherwise afforded by applicable law, including any failure to accelerate the maturity date of the Loans, shall not be a waiver of or preclude the exercise of any right or remedy nor shall it serve as a novation of the Notes or as a reinstatement of the Loans or a waiver of such right of acceleration or the right to insist upon strict compliance of the terms of the DIP ABL Financing Documents. DIP ABL Agent's or any DIP ABL Lender's acceptance of payment of any sum secured by any of the DIP ABL Financing Documents after the due date of such payment shall not be a waiver of DIP ABL Agent's and such DIP ABL Lender's right to either require prompt payment when due of all other sums so secured or to declare a default for failure to make prompt payment. The procurement of insurance or the payment of taxes or other Liens or charges by DIP ABL Agent as the result of a DIP Event of Default shall not be a waiver of DIP ABL Agent's right to accelerate the maturity of the Loans, nor shall DIP ABL Agent's receipt of any condemnation awards, insurance proceeds, or damages under this Agreement operate to cure or waive any Credit Party's default in payment of sums secured by any of the DIP ABL Financing Documents.

(d) Without limiting the generality of anything contained in this Agreement or the other DIP ABL Financing Documents, to the fullest extent permitted by applicable law, each Borrower agrees that if a DIP Event of Default is continuing (i) DIP ABL Agent and DIP ABL Lenders shall not be subject to any "one action" or "election of remedies" law or rule, and (ii) all Liens and other rights, remedies or privileges provided to DIP ABL Agent or DIP ABL Lenders shall remain in full force and effect until DIP ABL Agent or DIP ABL Lenders have exhausted all remedies against the DIP ABL Collateral and any other properties owned by Borrowers and the DIP ABL Financing Documents and

other security instruments or agreements securing the Loans have been foreclosed, sold and/or otherwise realized upon in satisfaction of Borrowers' obligations under the DIP ABL Financing Documents.

(e) Nothing contained herein or in any other DIP ABL Financing Document shall be construed as requiring DIP ABL Agent or any DIP ABL Lender to resort to any part of the DIP ABL Collateral for the satisfaction of any of Borrowers' obligations under the DIP ABL Financing Documents in preference or priority to any other DIP ABL Collateral, and DIP ABL Agent may seek satisfaction out of all of the DIP ABL Collateral or any part thereof, in its absolute discretion in respect of Borrowers' obligations under the DIP ABL Financing Documents. In addition, DIP ABL Agent shall have the right from time to time to partially foreclose upon any DIP ABL Collateral in any manner and for any amounts secured by the DIP ABL Financing Documents then due and payable as determined by DIP ABL Agent in its sole discretion, including, without limitation, the following circumstances: (i) in the event any Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and/or interest, DIP ABL Agent may foreclose upon all or any part of the DIP ABL Collateral to recover such delinquent payments, or (ii) in the event DIP ABL Agent elects to accelerate less than the entire outstanding principal balance of the Loans, DIP ABL Agent may foreclose all or any part of the DIP ABL Collateral to recover so much of the principal balance of the Loans as DIP ABL Lender may accelerate and such other sums secured by one or more of the DIP ABL Financing Documents as DIP ABL Agent may elect. Notwithstanding one or more partial foreclosures, any unforeclosed DIP ABL Collateral shall remain subject to the DIP ABL Financing Documents to secure payment of sums secured by the DIP ABL Financing Documents and not previously recovered.

(f) To the fullest extent permitted by law, each Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the DIP ABL Collateral any equitable right otherwise available to any Credit Party which would require the separate sale of any of the DIP ABL Collateral or require DIP ABL Agent or DIP ABL Lenders to exhaust their remedies against any part of the DIP ABL Collateral before proceeding against any other part of the DIP ABL Collateral; and further in the event of such foreclosure each Borrower does hereby expressly consent to and authorize, at the option of DIP ABL Agent, the foreclosure and sale either separately or together of each part of the DIP ABL Collateral.

Section 10.9 Injunctive Relief. The parties acknowledge and agree that, in the event of a breach or threatened breach of any Credit Party's obligations under any DIP ABL Financing Documents, DIP ABL Agent and DIP ABL Lenders may have no adequate remedy in money damages and, accordingly, shall be entitled to an injunction (including, without limitation, a temporary restraining order, preliminary injunction, writ of attachment, or order compelling an audit) against such breach or threatened breach, including, without limitation, maintaining any cash management and collection procedure described herein. However, no specification in this Agreement of a specific legal or equitable remedy shall be construed as a waiver or prohibition against any other legal or equitable remedies in the event of a breach or threatened breach of any provision of this Agreement. Each Credit Party waives, to the fullest extent permitted by law, the requirement of the posting of any bond in connection with such injunctive relief. By joining in the DIP ABL Financing Documents as a Credit Party, each Credit Party specifically joins in this Section as if this Section were a part of each DIP ABL Financing Document executed by such Credit Party.

Section 10.10 Marshalling; Payments Set Aside. Neither DIP ABL Agent nor any DIP ABL Lender shall be under any obligation to marshal any assets in payment of any or all of the DIP ABL Obligations. To the extent that Borrower makes any payment or DIP ABL Agent enforces its Liens or DIP ABL Agent or any DIP ABL Lender exercises its right of set-off, and such payment or the proceeds of such enforcement or set-off is subsequently invalidated, declared to be fraudulent or preferential, set aside, or required to be repaid by anyone, then to the extent of such recovery, the DIP ABL Obligations or

part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor, shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or set-off had not occurred.

ARTICLE 11 - AGENT

Section 11.1 Appointment and Authorization. Each DIP ABL Lender hereby irrevocably appoints and authorizes DIP ABL Agent to enter into each of the DIP ABL Financing Documents to which it is a party (other than this Agreement) on its behalf and to take such actions as DIP ABL Agent on its behalf and to exercise such powers under the DIP ABL Financing Documents as are delegated to DIP ABL Agent by the terms thereof, together with all such powers as are reasonably incidental thereto. Subject to the terms of Section 11.16 and to the terms of the other DIP ABL Financing Documents, DIP ABL Agent is authorized and empowered to amend, modify, or waive any provisions of this Agreement or the other DIP ABL Financing Documents on behalf of DIP ABL Lenders. The provisions of this Article 11 are solely for the benefit of DIP ABL Agent and DIP ABL Lenders and neither any Borrower nor any other Credit Party shall have any rights as a third party beneficiary of any of the provisions hereof (other than as expressly provided herein). In performing its functions and duties under this Agreement, DIP ABL Agent shall act solely as agent of DIP ABL Lenders and does not assume and shall not be deemed to have assumed any obligation toward or relationship of agency or trust with or for any Borrower or any other Credit Party. DIP ABL Agent may perform any of its duties hereunder, or under the DIP ABL Financing Documents, by or through its agents, servicers, trustees, investment managers or employees.

Section 11.2 DIP ABL Agent and Affiliates. DIP ABL Agent shall have the same rights and powers under the DIP ABL Financing Documents as any other DIP ABL Lender and may exercise or refrain from exercising the same as though it were not DIP ABL Agent, and DIP ABL Agent and its Affiliates may lend money to, invest in and generally engage in any kind of business with each Credit Party or Affiliate of any Credit Party as if it were not DIP ABL Agent hereunder.

Section 11.3 Action by DIP ABL Agent. The duties of DIP ABL Agent shall be mechanical and administrative in nature. DIP ABL Agent shall not have by reason of this Agreement a fiduciary relationship in respect of any DIP ABL Lender. Nothing in this Agreement or any of the DIP ABL Financing Documents is intended to or shall be construed to impose upon DIP ABL Agent any obligations in respect of this Agreement or any of the DIP ABL Financing Documents except as expressly set forth herein or therein.

Section 11.4 Consultation with Experts. DIP ABL Agent may consult with legal counsel, independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts.

Section 11.5 Liability of DIP ABL Agent. Neither DIP ABL Agent nor any of its directors, officers, agents, trustees, investment managers, servicers or employees shall be liable to any DIP ABL Lender for any action taken or not taken by it in connection with the DIP ABL Financing Documents, except that DIP ABL Agent shall be liable with respect to its specific duties set forth hereunder but only to the extent of its own gross negligence or willful misconduct in the discharge thereof as determined by a final non-appealable judgment of a court of competent jurisdiction. Neither DIP ABL Agent nor any of its directors, officers, agents, trustees, investment managers, servicers or employees shall be responsible for or have any duty to ascertain, inquire into or verify (a) any statement, warranty or representation made in connection with any DIP ABL Financing Document or any borrowing hereunder; (b) the performance or observance of any of the covenants or agreements specified in any DIP ABL Financing Document;

(c) the satisfaction of any condition specified in any DIP ABL Financing Document; (d) the validity, effectiveness, sufficiency or genuineness of any DIP ABL Financing Document, any Lien purported to be created or perfected thereby or any other instrument or writing furnished in connection therewith; (e) the existence or non-existence of any Default or DIP Event of Default; or (f) the financial condition of any Credit Party. DIP ABL Agent shall not incur any liability by acting in reliance upon any notice, consent, certificate, statement, or other writing (which may be a bank wire, facsimile or electronic transmission or similar writing) believed by it to be genuine or to be signed by the proper party or parties. DIP ABL Agent shall not be liable for any apportionment or distribution of payments made by it in good faith and if any such apportionment or distribution is subsequently determined to have been made in error the sole recourse of any DIP ABL Lender to whom payment was due but not made, shall be to recover from other DIP ABL Lenders any payment in excess of the amount to which they are determined to be entitled (and such other DIP ABL Lenders hereby agree to return to such DIP ABL Lender any such erroneous payments received by them). Notwithstanding anything to the contrary contained herein or otherwise, it is hereby acknowledged and agreed by each of the parties hereto that DIP ABL Agent shall not (i) be deemed to be a party to any Prepetition ABL Financing Documents or Prepetition Term Loan Documents or have any duties, responsibilities or obligations thereunder or in respect thereof and (ii) shall not be deemed to be an agent or other fiduciary for any Prepetition ABL Lender, Prepetition Term Loan Lender or other Person in respect of the Prepetition ABL Financing Documents or Prepetition Term Loan Documents or the Indebtedness and other obligations owing thereunder.

Section 11.6 Indemnification. Each DIP ABL Lender shall, in accordance with its Pro Rata Share, indemnify DIP ABL Agent (to the extent not reimbursed by Borrowers) upon demand against any cost, expense (including counsel fees and disbursements), claim, demand, action, loss or liability (except such as result from DIP ABL Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction) that DIP ABL Agent may suffer or incur in connection with the DIP ABL Financing Documents or any action taken or omitted by DIP ABL Agent hereunder or thereunder. If any indemnity furnished to DIP ABL Agent for any purpose shall, in the opinion of DIP ABL Agent, be insufficient or become impaired, DIP ABL Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against even if so directed by Required DIP ABL Lenders until such additional indemnity is furnished.

Section 11.7 Right to Request and Act on Instructions. DIP ABL Agent may at any time request instructions from DIP ABL Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the DIP ABL Financing Documents DIP ABL Agent is permitted or desires to take or to grant, and if such instructions are promptly requested, DIP ABL Agent shall be absolutely entitled to refrain from taking any action or to withhold any approval and shall not be under any liability whatsoever to any Person for refraining from any action or withholding any approval under any of the DIP ABL Financing Documents until it shall have received such instructions from Required DIP ABL Lenders or all or such other portion of DIP ABL Lenders as shall be prescribed by this Agreement. Without limiting the foregoing, no DIP ABL Lender shall have any right of action whatsoever against DIP ABL Agent as a result of DIP ABL Agent acting or refraining from acting under this Agreement or any of the other DIP ABL Financing Documents in accordance with the instructions of Required DIP ABL Lenders (or all or such other portion of DIP ABL Lenders as shall be prescribed by this Agreement) and, notwithstanding the instructions of Required DIP ABL Lenders (or such other applicable portion of DIP ABL Lenders), DIP ABL Agent shall have no obligation to take any action if it believes, in good faith, that such action would violate applicable law or exposes DIP ABL Agent to any liability for which it has not received satisfactory indemnification in accordance with the provisions of Section 11.6.

Section 11.8 Credit Decision. Each DIP ABL Lender acknowledges that it has, independently and without reliance upon DIP ABL Agent or any other DIP ABL Lender, and based on

such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each DIP ABL Lender also acknowledges that it will, independently and without reliance upon DIP ABL Agent or any other DIP ABL Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking any action under the DIP ABL Financing Documents.

Section 11.9 DIP ABL Collateral Matters. DIP ABL Lenders irrevocably authorize DIP ABL Agent, at its option and in its discretion, to (a) release any Lien granted to or held by DIP ABL Agent under any Security Document (i) upon termination of the DIP Revolving Loan Commitment and indefeasible payment in full of all DIP ABL Obligations, and, to the extent required by DIP ABL Agent in its sole discretion, the expiration, termination or cash collateralization (to the satisfaction of DIP ABL Agent) of all Swap Contracts secured, in whole or in part, by any DIP ABL Collateral; or (ii) constituting property sold or disposed of as part of or in connection with any disposition permitted under any DIP ABL Financing Document (it being understood and agreed that DIP ABL Agent may conclusively rely without further inquiry on a certificate of a Responsible Officer as to the sale or other disposition of property being made in full compliance with the provisions of the DIP ABL Financing Documents); and (b) subordinate any Lien granted to or held by DIP ABL Agent under any Security Document to a Permitted Lien that is allowed to have priority over the Liens granted to or held by DIP ABL Agent pursuant to the definition of "Permitted Liens". Upon request by DIP ABL Agent at any time, DIP ABL Lenders will confirm DIP ABL Agent's authority to release and/or subordinate particular types or items of DIP ABL Collateral pursuant to this Section 11.9.

Section 11.10 Agency for Perfection. DIP ABL Agent and each DIP ABL Lender hereby appoint each other DIP ABL Lender as agent for the purpose of perfecting DIP ABL Agent's security interest in assets which, in accordance with the Uniform Commercial Code in any applicable jurisdiction, can be perfected by possession or control. Should any DIP ABL Lender (other than DIP ABL Agent) obtain possession or control of any such assets, such DIP ABL Lender shall notify DIP ABL Agent thereof, and, promptly upon DIP ABL Agent's request therefor, shall deliver such assets to DIP ABL Agent or in accordance with DIP ABL Agent's instructions or transfer control to DIP ABL Agent in accordance with DIP ABL Agent's instructions. Each DIP ABL Lender agrees that it will not have any right individually to enforce or seek to enforce any Security Document or to realize upon any DIP ABL Collateral for the Loan unless instructed to do so by DIP ABL Agent (or consented to by DIP ABL Agent), it being understood and agreed that such rights and remedies may be exercised only by DIP ABL Agent.

Section 11.11 Notice of Default. DIP ABL Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or DIP Event of Default except with respect to defaults in the payment of principal, interest and fees required to be paid to DIP ABL Agent for the account of DIP ABL Lenders, unless DIP ABL Agent shall have received written notice from a DIP ABL Lender or a Borrower referring to this Agreement, describing such Default or DIP Event of Default and stating that such notice is a "notice of default". DIP ABL Agent will notify each DIP ABL Lender of its receipt of any such notice. DIP ABL Agent shall take such action with respect to such Default or DIP Event of Default as may be requested by Required DIP ABL Lenders (or all or such other portion of DIP ABL Lenders as shall be prescribed by this Agreement) in accordance with the terms hereof. Unless and until DIP ABL Agent has received any such request, DIP ABL Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or DIP Event of Default as it shall deem advisable or in the best interests of DIP ABL Lenders.

Section 11.12 Assignment by DIP ABL Agent; Resignation of DIP ABL Agent; Successor DIP ABL Agent.

(a) DIP ABL Agent may, upon ten (10) days' written notice to DIP ABL Lenders and Borrowers (or, in the case of an assignment to an Affiliate, contemporaneous notice), at any time assign its rights, powers, privileges and duties hereunder to (i) another DIP ABL Lender, or (ii) any Person to whom DIP ABL Agent, in its capacity as a DIP ABL Lender, has assigned (or will assign, in conjunction with such assignment of agency rights hereunder) 50% or more of its Loan, in each case without the consent of DIP ABL Lenders or Borrowers. An assignment by DIP ABL Agent pursuant to this subsection (a) shall not be deemed a resignation by DIP ABL Agent for purposes of subsection (b) below.

(b) Without limiting the rights of DIP ABL Agent to designate an assignee pursuant to subsection (a) above, DIP ABL Agent may at any time give notice of its resignation to DIP ABL Lenders and Borrowers. Upon receipt of any such notice of resignation, Required DIP ABL Lenders shall have the right to appoint a successor DIP ABL Agent. If no such successor shall have been so appointed by Required DIP ABL Lenders and shall have accepted such appointment within ten (10) Business Days after the retiring DIP ABL Agent gives notice of its resignation, then the retiring DIP ABL Agent may on behalf of DIP ABL Lenders, appoint a successor DIP ABL Agent; *provided, however,* that if DIP ABL Agent shall notify Borrowers and DIP ABL Lenders that no Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice from DIP ABL Agent that no Person has accepted such appointment and, from and following delivery of such notice, (i) the retiring DIP ABL Agent shall be discharged from its duties and obligations hereunder and under the other DIP ABL Financing Documents, and (ii) all payments, communications and determinations provided to be made by, to or through DIP ABL Agent shall instead be made by or to each DIP ABL Lender directly, until such time as Required DIP ABL Lenders appoint a successor DIP ABL Agent as provided for above in this paragraph.

(c) Upon (i) an assignment permitted by subsection (a) above, or (ii) the acceptance of a successor's appointment as DIP ABL Agent pursuant to subsection (b) above, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) DIP ABL Agent, and the retiring DIP ABL Agent shall be discharged from all of its duties and obligations hereunder and under the other DIP ABL Financing Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by Borrowers to a successor DIP ABL Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrowers and such successor. After the retiring DIP ABL Agent's resignation hereunder and under the other DIP ABL Financing Documents, the provisions of this Article 11 and this Section 11.12 shall continue in effect for the benefit of such retiring DIP ABL Agent and its sub-agents in respect of any actions taken or omitted to be taken by any of them while the retiring DIP ABL Agent was acting or was continuing to act as DIP ABL Agent.

Section 11.13 Payment and Sharing of Payment.

(a) DIP Revolving Loan Advances, Payments and Settlements; Interest and Fee Payments.

(i) DIP ABL Agent shall have the right, on behalf of Revolving DIP ABL Lenders to disburse funds to Borrowers for all DIP Revolving Loans requested or deemed requested by Borrowers pursuant to the terms of this Agreement. DIP ABL Agent shall be conclusively entitled to assume, for purposes of the preceding sentence, that each Revolving DIP ABL Lender will fund its Pro Rata Share of all DIP Revolving Loans requested by Borrowers. Each Revolving DIP ABL Lender shall reimburse DIP ABL Agent on demand, in accordance with the provisions of the immediately following paragraph, for all funds disbursed on its behalf by DIP ABL Agent pursuant to the first

sentence of this clause (i), or if DIP ABL Agent so requests, each Revolving DIP ABL Lender will remit to DIP ABL Agent its Pro Rata Share of any DIP Revolving Loan before DIP ABL Agent disburses the same to a Borrower. If DIP ABL Agent elects to require that each Revolving DIP ABL Lender make funds available to DIP ABL Agent, prior to a disbursement by DIP ABL Agent to a Borrower, DIP ABL Agent shall advise each Revolving DIP ABL Lender by telephone, facsimile or e-mail of the amount of such Revolving DIP ABL Lender's Pro Rata Share of the DIP Revolving Loan requested by such Borrower no later than noon (Eastern time) on the date of funding of such DIP Revolving Loan, and each such Revolving DIP ABL Lender shall pay DIP ABL Agent on such date such Revolving DIP ABL Lender's Pro Rata Share of such requested DIP Revolving Loan, in same day funds, by wire transfer to the Payment Account, or such other account as may be identified by DIP ABL Agent to Revolving DIP ABL Lenders from time to time. If any DIP ABL Lender fails to pay the amount of its Pro Rata Share of any funds advanced by DIP ABL Agent pursuant to the first sentence of this clause (i) within one (1) Business Day after DIP ABL Agent's demand, DIP ABL Agent shall promptly notify Borrower Representative, and Borrowers shall immediately repay such amount to DIP ABL Agent. Any repayment required by Borrowers pursuant to this Section 11.13 shall be accompanied by accrued interest thereon from and including the date such amount is made available to a Borrower to but excluding the date of payment at the rate of interest then applicable to DIP Revolving Loans. Nothing in this Section 11.13 or elsewhere in this Agreement or the other DIP ABL Financing Documents shall be deemed to require DIP ABL Agent to advance funds on behalf of any DIP ABL Lender or to relieve any DIP ABL Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that DIP ABL Agent or any Borrower may have against any DIP ABL Lender as a result of any default by such DIP ABL Lender hereunder.

(ii) On a Business Day of each week as selected from time to time by DIP ABL Agent, or more frequently (including daily), if DIP ABL Agent so elects (each such day being a "**Settlement Date**"), DIP ABL Agent will advise each Revolving DIP ABL Lender by telephone, facsimile or e-mail of the amount of each such Revolving DIP ABL Lender's percentage interest of the DIP Revolving Loan balance as of the close of business of the Business Day immediately preceding the Settlement Date. In the event that payments are necessary to adjust the amount of such Revolving DIP ABL Lender's actual percentage interest of the DIP Revolving Loans to such DIP ABL Lender's required percentage interest of the DIP Revolving Loan balance as of any Settlement Date, the Revolving DIP ABL Lender from which such payment is due shall pay DIP ABL Agent, without setoff or discount, to the Payment Account before 1:00 p.m. (Eastern time) on the Business Day following the Settlement Date the full amount necessary to make such adjustment. Any obligation arising pursuant to the immediately preceding sentence shall be absolute and unconditional and shall not be affected by any circumstance whatsoever. In the event settlement shall not have occurred by the date and time specified in the second preceding sentence, interest shall accrue on the unsettled amount at the rate of interest then applicable to DIP Revolving Loans.

(iii) On each Settlement Date, DIP ABL Agent shall advise each Revolving DIP ABL Lender by telephone, facsimile or e-mail of the amount of such Revolving DIP ABL Lender's percentage interest of principal, interest and fees paid for the benefit of Revolving DIP ABL Lenders with respect to each applicable DIP Revolving Loan, to the extent of such Revolving DIP ABL Lender's DIP Revolving Loan Exposure with respect thereto, and shall make payment to such Revolving DIP ABL Lender before 1:00 p.m.

(Eastern time) on the Business Day following the Settlement Date of such amounts in accordance with wire instructions delivered by such Revolving DIP ABL Lender to DIP ABL Agent, as the same may be modified from time to time by written notice to DIP ABL Agent; *provided, however,* that, in the case such Revolving DIP ABL Lender is a Defaulted DIP ABL Lender, DIP ABL Agent shall be entitled to set off the funding short-fall against that Defaulted DIP ABL Lender's respective share of all payments received from any Borrower.

(iv) On the Closing Date, DIP ABL Agent, on behalf of DIP ABL Lenders, may elect to advance to Borrowers the full amount of the initial Loans to be made on the Closing Date prior to receiving funds from DIP ABL Lenders, in reliance upon each DIP ABL Lender's commitment to make its Pro Rata Share of such Loans to Borrowers in a timely manner on such date. If DIP ABL Agent elects to advance the initial Loans to Borrower in such manner, DIP ABL Agent shall be entitled to receive all interest that accrues on the Closing Date on each DIP ABL Lender's Pro Rata Share of such Loans unless DIP ABL Agent receives such DIP ABL Lender's Pro Rata Share of such Loans before 3:00 p.m. (Eastern time) on the Closing Date.

(v) It is understood that for purposes of advances to Borrowers made pursuant to this Section 11.13, DIP ABL Agent will be using the funds of DIP ABL Agent, and pending settlement, (A) all funds transferred from the Payment Account to the outstanding DIP Revolving Loans shall be applied first to advances made by DIP ABL Agent to Borrowers pursuant to this Section 11.13, and (B) all interest accruing on such advances shall be payable to DIP ABL Agent.

(vi) The provisions of this Section 11.13(a) shall be deemed to be binding upon DIP ABL Agent and DIP ABL Lenders notwithstanding the occurrence of any Default or DIP Event of Default, or any insolvency or bankruptcy proceeding pertaining to any Borrower or any other Credit Party.

(b) [Reserved].

(c) Return of Payments.

(i) If DIP ABL Agent pays an amount to a DIP ABL Lender under this Agreement in the belief or expectation that a related payment has been or will be received by DIP ABL Agent from a Borrower and such related payment is not received by DIP ABL Agent, then DIP ABL Agent will be entitled to recover such amount from such DIP ABL Lender on demand without setoff, counterclaim or deduction of any kind, together with interest accruing on a daily basis at the Federal Funds Rate.

(ii) If DIP ABL Agent determines at any time that any amount received by DIP ABL Agent under this Agreement must be returned to any Borrower or paid to any other Person pursuant to any insolvency law or otherwise, then, notwithstanding any other term or condition of this Agreement or any other DIP ABL Financing Document, DIP ABL Agent will not be required to distribute any portion thereof to any DIP ABL Lender. In addition, each DIP ABL Lender will repay to DIP ABL Agent on demand any portion of such amount that DIP ABL Agent has distributed to such DIP ABL Lender, together with interest at such rate, if any, as DIP ABL Agent is required to pay to any Borrower or such other Person, without setoff, counterclaim or deduction of any kind.

(d) Defaulted DIP ABL Lenders. The failure of any Defaulted DIP ABL Lender to make any payment required by it hereunder shall not relieve any other DIP ABL Lender of its obligations to make payment, but neither any other DIP ABL Lender nor DIP ABL Agent shall be responsible for the failure of any Defaulted DIP ABL Lender to make any payment required hereunder. Notwithstanding anything set forth herein to the contrary, a Defaulted DIP ABL Lender shall not have any voting or consent rights under or with respect to any DIP ABL Financing Document or constitute a "DIP ABL Lender" (or be included in the calculation of "Required DIP ABL Lenders" hereunder) for any voting or consent rights under or with respect to any DIP ABL Financing Document.

(e) Sharing of Payments. If any DIP ABL Lender shall obtain any payment or other recovery (whether voluntary, involuntary, by application of setoff or otherwise) on account of any Loan (other than pursuant to the terms of Section 2.8(d)) in excess of its Pro Rata Share of payments entitled pursuant to the other provisions of this Section 11.13, such DIP ABL Lender shall purchase from the other DIP ABL Lenders such participations in extensions of credit made by such other DIP ABL Lenders (without recourse, representation or warranty) as shall be necessary to cause such purchasing DIP ABL Lender to share the excess payment or other recovery ratably with each of them; *provided, however,* that if all or any portion of the excess payment or other recovery is thereafter required to be returned or otherwise recovered from such purchasing DIP ABL Lender, such portion of such purchase shall be rescinded and each DIP ABL Lender which has sold a participation to the purchasing DIP ABL Lender shall repay to the purchasing DIP ABL Lender the purchase price to the ratable extent of such return or recovery, without interest. Each Borrower agrees that any DIP ABL Lender so purchasing a participation from another DIP ABL Lender pursuant to this clause (e) may, to the fullest extent permitted by law, exercise all its rights of payment (including pursuant to Section 10.6) with respect to such participation as fully as if such DIP ABL Lender were the direct creditor of Borrowers in the amount of such participation). If under any applicable bankruptcy, insolvency or other similar law, any DIP ABL Lender receives a secured claim in lieu of a setoff to which this clause (e) applies, such DIP ABL Lender shall, to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights of DIP ABL Lenders entitled under this clause (e) to share in the benefits of any recovery on such secured claim.

Section 11.14 Right to Perform, Preserve and Protect. If any Credit Party fails to perform any obligation hereunder or under any other DIP ABL Financing Document, DIP ABL Agent itself may, during the continuance of a DIP Event of Default, but shall not be obligated to, cause such obligation to be performed at Borrowers' expense subject to limitations set forth in Section 12.14. During the continuance of a DIP Event of Default, DIP ABL Agent is further authorized by Borrowers and DIP ABL Lenders to make expenditures from time to time which DIP ABL Agent, in its reasonable business judgment, deems necessary or desirable to (a) preserve or protect the business conducted by Borrowers, the DIP ABL Collateral, or any portion thereof, and/or (b) enhance the likelihood of, or maximize the amount of, repayment of the Loan and other DIP ABL Obligations. Subject to the limitations set forth in Section 12.14, each Borrower hereby agrees to reimburse DIP ABL Agent on demand for any and all costs, liabilities and obligations incurred by DIP ABL Agent pursuant to this Section 11.14. Each DIP ABL Lender hereby agrees to indemnify DIP ABL Agent upon demand for any and all costs, liabilities and obligations incurred by DIP ABL Agent pursuant to this Section 11.14, in accordance with the provisions of Section 11.6.

Section 11.15 Additional Titled DIP ABL Agents. Except for rights and powers, if any, expressly reserved under this Agreement to any bookrunner, arranger or to any titled agent named on the cover page of this Agreement, other than DIP ABL Agent (collectively, the "Additional Titled DIP ABL Agents"), and except for obligations, liabilities, duties and responsibilities, if any, expressly assumed under this Agreement by any Additional Titled DIP ABL Agent, no Additional Titled DIP ABL Agent, in such capacity, has any rights, powers, liabilities, duties or responsibilities hereunder or under any of the

other DIP ABL Financing Documents. Without limiting the foregoing, no Additional Titled DIP ABL Agent shall have nor be deemed to have a fiduciary relationship with any DIP ABL Lender. At any time that any DIP ABL Lender serving as an Additional Titled DIP ABL Agent shall have transferred to any other Person (other than any Affiliates) all of its interests in the Loan, such DIP ABL Lender shall be deemed to have concurrently resigned as such Additional Titled DIP ABL Agent.

Section 11.16 Amendments and Waivers.

(a) No provision of this Agreement or any other DIP ABL Financing Document may be materially amended, waived or otherwise modified unless such amendment, waiver or other modification is in writing and is signed or otherwise approved by Borrowers, the Required DIP ABL Lenders and any other DIP ABL Lender to the extent required under Section 11.16(b); *provided*, *however*, that (i) DIP ABL Agent shall be entitled, in its sole and absolute discretion, to provide its written consent to a proposed Swap Contract, in each case without the consent of any other DIP ABL Lender and (ii) any Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto.

(b) In addition to the required signatures under Section 11.16(a), no provision of this Agreement or any other DIP ABL Financing Document may be amended, waived or otherwise modified unless such amendment, waiver or other modification is in writing and is signed or otherwise approved by the following Persons:

(i) if any amendment, waiver or other modification would increase a DIP ABL Lender's funding obligations in respect of any Loan, by such DIP ABL Lender; and/or

(ii) if the rights or duties of DIP ABL Agent are affected thereby, by DIP ABL Agent;

provided, however, that, in each of (i) and (ii) above, no such amendment, waiver or other modification shall, unless signed or otherwise approved in writing by all DIP ABL Lenders directly affected thereby, (A) reduce the principal of, rate of interest on or any fees with respect to any Loan or forgive any principal, interest (other than default interest) or fees (other than late charges) with respect to any Loan; (B) postpone the date fixed for, or waive, any payment (other than any mandatory prepayment pursuant to Section 2.1(b)(ii)) of principal of any Loan, or of interest on any Loan (other than default interest) or any fees provided for hereunder (other than late charges) or postpone the date of termination of any commitment of any DIP ABL Lender hereunder; (C) change the definition of the term Required DIP ABL Lenders or the percentage of DIP ABL Lenders which shall be required for DIP ABL Lenders to take any action hereunder; (D) release all or substantially all of the DIP ABL Collateral, authorize any Borrower to sell or otherwise dispose of all or substantially all of the DIP ABL Collateral or release any Guarantor of all or any portion of the DIP ABL Obligations or its Guarantee obligations with respect thereto, except, in each case with respect to this clause (D), as otherwise may be provided in this Agreement or the other DIP ABL Financing Documents (including in connection with any disposition permitted hereunder); (E) amend, waive or otherwise modify this Section 11.16(b) or the definitions of the terms used in this Section 11.16(b) insofar as the definitions affect the substance of this Section 11.16(b); (F) consent to the assignment, delegation or other transfer by any Credit Party of any of its rights and obligations under any DIP ABL Financing Document or release any Borrower of its payment obligations under any DIP ABL Financing Document, except, in each case with respect to this clause (F), pursuant to a merger or consolidation permitted pursuant to this Agreement; or (G) amend any of the provisions of Section 10.7 or amend any of the definitions Pro Rata Share, DIP Revolving Loan Commitment, DIP Revolving Loan Commitment Amount, DIP Revolving Loan Commitment Percentage, or that provide for DIP ABL

Lenders to receive their Pro Rata Shares of any fees, payments, setoffs, increased costs or proceeds of DIP ABL Collateral hereunder. It is hereby understood and agreed that all DIP ABL Lenders shall be deemed directly affected by an amendment, waiver or other modification of the type described in the preceding clauses (C), (D), (E), (F) and (G) of the preceding sentence.

Section 11.17 Assignments and Participations.

(a) Assignments.

(i) Any DIP ABL Lender may at any time assign to one or more Eligible Assignees all or any portion of such DIP ABL Lender's Loan together with all related obligations of such DIP ABL Lender hereunder. Except as DIP ABL Agent may otherwise agree, the amount of any such assignment (determined as of the date of the applicable Assignment Agreement or, if a "**Trade Date**" is specified in such Assignment Agreement, as of such Trade Date) shall be in a minimum aggregate amount equal to $1,000,000 or, if less, the assignor's entire interests in the outstanding Loan; *provided, however,* that, in connection with simultaneous assignments to two or more related Approved Funds, such Approved Funds shall be treated as one assignee for purposes of determining compliance with the minimum assignment size referred to above. Borrowers and DIP ABL Agent shall be entitled to continue to deal solely and directly with such DIP ABL Lender in connection with the interests so assigned to an Eligible Assignee until DIP ABL Agent shall have received and accepted an effective Assignment Agreement executed, delivered and fully completed by the applicable parties thereto and a processing fee of $3,500 to be paid by the assigning DIP ABL Lender; *provided, however,* that only one processing fee shall be payable in connection with simultaneous assignments to two or more related Approved Funds. Substantially concurrent with any assignment, DIP ABL Agent shall provide notice of such assignment to the Borrower Representative. Without limiting the foregoing, on or prior to the date on which any assignee becomes a DIP ABL Lender under this Agreement, such assignee shall have provided all documentation to Borrower Representative as is required to be delivered by it pursuant to Section 2.8(c) and/or 2.8(e).

(ii) From and after the date on which the conditions described above have been met, (A) such Eligible Assignee shall be deemed automatically to have become a party hereto and, to the extent of the interests assigned to such Eligible Assignee pursuant to such Assignment Agreement, shall have the rights and obligations of a DIP ABL Lender hereunder, and (B) the assigning DIP ABL Lender, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment Agreement, shall be released from its rights and obligations hereunder (other than those that survive termination pursuant to Section 12.1). Upon the request of the Eligible Assignee (and, as applicable, the assigning DIP ABL Lender) pursuant to an effective Assignment Agreement, each Borrower shall execute and deliver to DIP ABL Agent for delivery to the Eligible Assignee (and, as applicable, the assigning DIP ABL Lender) Notes in the aggregate principal amount of the Eligible Assignee's Loan (and, as applicable, Notes in the principal amount of that portion of the principal amount of the Loan retained by the assigning DIP ABL Lender). Upon receipt by the assigning DIP ABL Lender of such Note, the assigning DIP ABL Lender shall return to Borrower Representative any prior Note held by it.

(iii) DIP ABL Agent, acting solely for this purpose as an agent of Borrower, shall maintain at the office of its servicer located in Bethesda, Maryland a copy of each

Assignment Agreement delivered to it and a register for the recordation of the names and addresses of each DIP ABL Lender, and the commitments of, and principal amount (and stated interest) of the Loan owing to, such DIP ABL Lender pursuant to the terms hereof from time to time. The entries in such register shall be conclusive, and Borrower, DIP ABL Agent and DIP ABL Lenders may treat each Person whose name is recorded therein pursuant to the terms hereof as a DIP ABL Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. Such register shall be available for inspection by Borrower and any DIP ABL Lender, at any reasonable time upon reasonable prior notice to DIP ABL Agent. No assignment of a Loan or commitment will be effective unless and until it is recorded in such register.

(iv) Notwithstanding the foregoing provisions of this Section 11.17(a) or any other provision of this Agreement, any DIP ABL Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such DIP ABL Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided, however,* that no such pledge or assignment shall release such DIP ABL Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such DIP ABL Lender as a party hereto.

(v) Notwithstanding the foregoing provisions of this Section 11.17(a) or any other provision of this Agreement, DIP ABL Agent has the right, but not the obligation, to effectuate assignments of Loan via an electronic settlement system acceptable to DIP ABL Agent as designated in writing from time to time to DIP ABL Lenders by DIP ABL Agent (the "**Settlement Service**"). At any time when DIP ABL Agent elects, in its sole discretion, to implement such Settlement Service, each such assignment shall be effected by the assigning DIP ABL Lender and proposed assignee pursuant to the procedures then in effect under the Settlement Service, which procedures shall be consistent with the other provisions of this Section 11.17(a), including the registration requirement of Section 11.17(a)(iv). Each assigning DIP ABL Lender and proposed Eligible Assignee shall comply with the requirements of the Settlement Service in connection with effecting any assignment of Loan pursuant to the Settlement Service. With the prior written approval of DIP ABL Agent, DIP ABL Agent's approval of such Eligible Assignee shall be deemed to have been automatically granted with respect to any transfer effected through the Settlement Service. Assignments and assumptions of the Loan shall be effected by the provisions otherwise set forth herein until DIP ABL Agent notifies DIP ABL Lenders of the Settlement Service as set forth herein.

(b) Participations.

(i) Any DIP ABL Lender may at any time, without the consent of, or notice to, any Borrower or DIP ABL Agent, sell to one or more Persons (other than any Borrower or any Borrower's Affiliates) participating interests in its Loan, commitments or other interests hereunder (any such Person, a "**Participant**"). In the event of a sale by a DIP ABL Lender of a participating interest to a Participant, (i) such DIP ABL Lender's obligations hereunder shall remain unchanged for all purposes, (ii) Borrowers and DIP ABL Agent shall continue to deal solely and directly with such DIP ABL Lender in connection with such DIP ABL Lender's rights and obligations hereunder, and (iii) all amounts payable by each Borrower shall be determined as if such DIP ABL Lender had not sold such participation and shall be paid directly to such DIP ABL Lender. Each Borrower agrees that if amounts outstanding under this Agreement are due and payable (as a result of acceleration or otherwise), each Participant shall be deemed to have the

right of set-off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a DIP ABL Lender under this Agreement; *provided, however*, that such right of set-off shall be subject to the obligation of each Participant to share with DIP ABL Lenders, and DIP ABL Lenders agree to share with each Participant, as provided in Section 11.13.

(ii) Any agreement or instrument pursuant to which a DIP ABL Lender sells a participation shall provide that such DIP ABL Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such DIP ABL Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the proviso to Section 11.16(b) that affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.8 and 2.13 (it being understood that the documentation required under Section 2.8(c) or 2.8(e) shall be delivered to the participating DIP ABL Lender) to the same extent as if it were a DIP ABL Lender and had acquired its interest by assignment pursuant to Section 11.17(a); *provided* that such Participant (A) agrees to be subject to the provisions of Section 11.17(c) as if it were an assignee under Section 11.17(a), subject to the requirements and limitations therein; and (B) shall not be entitled to receive any greater payment under Sections 2.8 and 2.13 with respect to any participation than its participating DIP ABL Lender would have been entitled to receive. Each DIP ABL Lender that sells participation agrees, at the Borrowers' request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 11.17(c) with respect to any Participant. Each DIP ABL Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the DIP ABL Financing Documents (the "**Participant Register**"); provided that no DIP ABL Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, or its other obligations under any DIP ABL Financing Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such DIP ABL Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt DIP ABL Agent (in its capacity as DIP ABL Agent) shall have no responsibility for maintaining a Participant Register.

(c) Replacement of DIP ABL Lenders. Within thirty (30) days after: (i) receipt by DIP ABL Agent of notice and demand from any DIP ABL Lender for payment of additional costs as provided in Sections 2.8 and 2.13, which demand shall not have been revoked, (ii) any Borrower is required to pay any additional amount to any DIP ABL Lender or any Governmental Authority for the account of any DIP ABL Lender pursuant to Section 2.8(a) through (g), (iii) any DIP ABL Lender is a Defaulted DIP ABL Lender, and the circumstances causing such status shall not have been cured or waived; or (iv) any failure by any DIP ABL Lender to consent to a requested amendment, waiver or modification to any DIP ABL Financing Document in which Required DIP ABL Lenders have already consented to such amendment, waiver or modification but the consent of each DIP ABL Lender, or each

DIP ABL Lender affected thereby, is required with respect thereto (each relevant DIP ABL Lender in the foregoing clauses (i) through (iv) being an "**Affected DIP ABL Lender**") each of Borrower Representative and DIP ABL Agent may, at its option, notify such Affected DIP ABL Lender and, in the case of Borrowers' election, DIP ABL Agent, of such Person's intention to obtain, at Borrowers' expense, a replacement DIP ABL Lender ("**Replacement DIP ABL Lender**") for such DIP ABL Lender, which Replacement DIP ABL Lender shall be an Eligible Assignee and, in the event the Replacement DIP ABL Lender is to replace an Affected DIP ABL Lender described in the preceding clause (iv), such Replacement DIP ABL Lender consents to the requested amendment, waiver or modification making the replaced DIP ABL Lender an Affected DIP ABL Lender. In the event Borrowers or DIP ABL Agent, as applicable, obtains a Replacement DIP ABL Lender within ninety (90) days following notice of its intention to do so, the Affected DIP ABL Lender shall sell, at par, and assign all of its Loan and funding commitments hereunder to such Replacement DIP ABL Lender in accordance with the procedures set forth in Section 11.17(a); *provided, however,* that (A) Borrowers shall have reimbursed such DIP ABL Lender for its increased costs and additional payments for which it is entitled to reimbursement under Sections 2.8 and 2.13, as applicable, of this Agreement through the date of such sale and assignment, and (B) Borrowers or, at the Borrowers' option, Replacement DIP ABL Lender shall pay to DIP ABL Agent the $3,500 processing fee in respect of such assignment. In the event that a replaced DIP ABL Lender does not execute an Assignment Agreement pursuant to Section 11.17(a) within three (3) Business Days after receipt by such replaced DIP ABL Lender of notice of replacement pursuant to this Section 11.17(c) and presentation to such replaced DIP ABL Lender of an Assignment Agreement evidencing an assignment pursuant to this Section 11.17(c), such replaced DIP ABL Lender shall be deemed to have consented to the terms of such Assignment Agreement, and any such Assignment Agreement executed by DIP ABL Agent, the Replacement DIP ABL Lender and, to the extent required pursuant to Section 11.17(a), Borrowers, shall be effective for purposes of this Section 11.17(c) and Section 11.17(a). Upon any such assignment and payment, such replaced DIP ABL Lender shall no longer constitute a "DIP ABL Lender" for purposes hereof, other than with respect to such rights and obligations that survive termination as set forth in Section 12.1.

(d) Credit Party Assignments. No Credit Party may assign, delegate or otherwise transfer any of its rights or other obligations hereunder or under any other DIP ABL Financing Document without the prior written consent of DIP ABL Agent and each DIP ABL Lender.

Section 11.18 Buy-Out Upon Refinancing. MFT shall have the right to purchase from the other DIP ABL Lenders all of their respective interests in the Loan at par in connection with any refinancing of the Loan upon one or more new economic terms, but which refinancing is structured as an amendment and restatement of the Loan rather than a payoff of the Loan.

ARTICLE 12 - MISCELLANEOUS

Section 12.1 Survival. All agreements, representations and warranties made herein and in every other DIP ABL Financing Document shall survive the execution and delivery of this Agreement and the other DIP ABL Financing Documents. The provisions of Section 2.8, Section 2.9, Section 2.13, Article 11 (other than Sections 11.14 (other than the last sentence thereof) and Sections 11.16 through 11.18), and Section 12.8, Section 12.14 and Section 12.16 (and any other provision herein expressly stated to survive termination) shall survive the payment of the DIP ABL Obligations (both with respect to any DIP ABL Lender and all DIP ABL Lenders collectively) and any termination of this Agreement and any judgment with respect to any DIP ABL Obligations, including any final foreclosure judgment with respect to any Security Document, and no unpaid or unperformed, current or future, DIP ABL Obligations will merge into any such judgment.

Section 12.2 No Waivers. No failure or delay by DIP ABL Agent or any DIP ABL Lender in exercising any right, power or privilege under any DIP ABL Financing Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein and therein provided shall be cumulative and not exclusive of any rights or remedies provided by law. Any reference in any DIP ABL Financing Document to the "continuing" nature of any DIP Event of Default shall not be construed as establishing or otherwise indicating that any Borrower or any other Credit Party has the independent right to cure any such DIP Event of Default, but is rather presented merely for convenience should such DIP Event of Default be waived in accordance with the terms of the applicable DIP ABL Financing Documents.

Section 12.3 Notices.

(a) All notices, requests and other communications to any party hereunder shall be in writing (including prepaid overnight courier, facsimile transmission or similar writing) and shall be given to such party at its address, facsimile number or e-mail address set forth on the signature pages hereof (or, in the case of any such DIP ABL Lender who becomes a DIP ABL Lender after the date hereof, in an assignment agreement or in a notice delivered to Borrower Representative and DIP ABL Agent by the assignee DIP ABL Lender forthwith upon such assignment) or at such other address, facsimile number or e-mail address as such party may hereafter specify for the purpose by notice to DIP ABL Agent and Borrower Representative; provided, however, that notices, requests or other communications shall be permitted by electronic means only in accordance with the provisions of Section 12.3(b) and (c). Each such notice, request or other communication shall be effective (i) if given by facsimile, when such notice is transmitted to the facsimile number specified by this Section 12.3 and the sender receives a confirmation of transmission from the sending facsimile machine, or (ii) if given by mail, prepaid overnight courier or any other means, when received or when receipt is refused at the applicable address specified by this Section 12.3(a).

(b) Notices and other communications to the parties hereto may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved from time to time by DIP ABL Agent, provided, however, that the foregoing shall not apply to notices sent directly to any DIP ABL Lender if such DIP ABL Lender has notified DIP ABL Agent that it is incapable of receiving notices by electronic communication. DIP ABL Agent or Borrower Representative may, in their discretion, agree to accept notices and other communications to them hereunder by electronic communications pursuant to procedures approved by it, *provided*, *however*, that approval of such procedures may be limited to particular notices or communications.

(c) Unless DIP ABL Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor, provided, however, that if any such notice or other communication is not sent or posted during normal business hours, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day.

Section 12.4 Severability. In case any provision of or obligation under this Agreement or any other DIP ABL Financing Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

Section 12.5 Headings. Headings and captions used in the DIP ABL Financing Documents (including the Exhibits, Schedules and Annexes hereto and thereto) are included for convenience of reference only and shall not be given any substantive effect.

Section 12.6 Confidentiality.

(a) Each Credit Party agrees (i) not to transmit or disclose provisions of any DIP ABL Financing Document to any Person (other than to each Credit Party's current and prospective direct and indirect financing sources, acquirors and holders of Indebtedness of Credit Parties and the Credit Parties' direct and indirect equityholders, and its and their respective attorneys, advisors, directors, managers and officers on a need-to-know basis or as otherwise may be required by law, subpoena, judicial order or similar order or in connection with any litigation) without DIP ABL Agent's prior written consent, and (ii) to inform all Persons of the confidential nature of the DIP ABL Financing Documents and to direct them not to disclose the same to any other Person and to require each of them to be bound by these provisions, in each case within the foregoing clauses (i) and (ii), without limiting the Credit Parties' and their direct and indirect equityholders' right to incorporate any terms of the DIP ABL Financing Documents into their financial statements and other financial materials.

(b) DIP ABL Agent and each DIP ABL Lender shall hold all non-public information regarding the Credit Parties and their respective businesses obtained by DIP ABL Agent or any DIP ABL Lender in connection with the DIP ABL Financing Documents in accordance with how such Person customarily requires a third-party to handle its non-public information, except that disclosure of such information may be made (i) to their respective agents, employees, Subsidiaries, Affiliates, attorneys, auditors, professional consultants, rating agencies, insurance industry associations and portfolio management services (in each case, on a need-to-know basis), (ii) to prospective transferees or purchasers of any interest in the Loans, DIP ABL Agent or a DIP ABL Lender, and to prospective contractual counterparties (or the professional advisors thereto) in Swap Contracts permitted hereby, *provided*, *however*, that any such Persons are bound by customary obligations of confidentiality, (iii) as required by Requirements of Law, subpoena, judicial order or similar order and in connection with any litigation, (iv) as may be required in connection with the examination, audit or similar investigation of such Person, and (v) to a Person that is a trustee, investment advisor or investment manager, collateral manager, servicer, noteholder or secured party in a Securitization (as hereinafter defined) in connection with the administration, servicing and reporting on the assets serving as collateral for such Securitization. For the purposes of this Section, "**Securitization**" means (A) the pledge of the Loans as collateral security for loans to a DIP ABL Lender, or (B) a public or private offering by a DIP ABL Lender or any of its Affiliates or their respective successors and assigns, of securities which represent an interest in, or which are collateralized, in whole or in part, by the Loans; *provided*, that such person are bound by customary obligations of confidentiality. Confidential information shall not include information that: (x) has been identified in writing as public by the Borrower Representative, (y) is in the public domain, or becomes part of the public domain after disclosure to such Person through no fault of such Person or such Person's agents, employees, Subsidiaries, Affiliates, attorneys, auditors, professional consultants, rating agencies, insurance industry associations and portfolio management services or (z) is disclosed to such Person by a Person other than a Credit Party, *provided*, *however*, DIP ABL Agent does not have actual knowledge that such Person is prohibited from disclosing such information. The obligations of DIP ABL Agent and DIP ABL Lenders under this Section 12.6 shall supersede and replace the obligations of DIP ABL Agent and DIP ABL Lenders under any confidentiality agreement in respect of this financing executed and delivered by DIP ABL Agent or any DIP ABL Lender prior to the date hereof. Notwithstanding the foregoing, DIP ABL Agent or the respective DIP ABL Lender shall use commercially reasonable efforts to ensure any Person that is controlled by or acts at the direction of such DIP ABL Agent or DIP ABL Lender maintains the confidentiality of information provided to such Person by DIP ABL Agent or DIP ABL Lender, as applicable.

Section 12.7 Other Damages. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other DIP ABL Financing Documents or the transactions contemplated hereby or thereby, except to the extent the liability of such Indemnitee results from such Indemnitee's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable judgment).

Section 12.8 GOVERNING LAW; SUBMISSION TO JURISDICTION.

(a) THIS AGREEMENT, EACH NOTE AND EACH OTHER DIP ABL FINANCING DOCUMENT, AND ALL DISPUTES AND OTHER MATTERS RELATING HERETO OR THERETO OR ARISING THEREFROM (WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE), SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) EACH PARTY CONSENTS AND AGREES THAT THE BANKRUPTCY COURT SHALL HAVE EXCLUSIVE JURISDICTION (OR IF THE BANKRUPTCY COURT DOES NOT HAVE OR DOES NOT EXERCISE JURISDICTION, ANY FEDERAL OR STATE COURT OF COMPETENT JURISDICTION LOCATED IN THE STATE OF NEW YORK, IN EACH CASE WHICH ARE LOCATED IN THE COUNTY OF NEW YORK) TO HEAR AND DETERMINE ANY SUCH CLAIMS OR DISPUTES; PROVIDED THAT EACH PARTY ACKNOWLEDGES THAT ANY APPEALS FROM THE BANKRUPTCY COURT MAY HAVE TO BE HEARD BY A COURT OTHER THAN THE BANKRUPTCY COURT. EACH BORROWER EXPRESSLY SUBMITS AND CONSENTS TO THE JURISDICTION OF THE AFORESAID COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENS. EACH BORROWER HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH BORROWER BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH BORROWER AT THE ADDRESS SET FORTH IN THIS AGREEMENT AND SERVICE SO MADE SHALL BE COMPLETE TEN (10) DAYS AFTER THE SAME HAS BEEN POSTED.

Section 12.9 WAIVER OF JURY TRIAL. EACH BORROWER, DIP ABL AGENT AND DIP ABL LENDERS HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THE DIP ABL FINANCING DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED THEREBY AND AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH BORROWER, DIP ABL AGENT AND EACH DIP ABL LENDER ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS RELIED ON THE WAIVER IN ENTERING INTO THIS AGREEMENT AND THE OTHER DIP ABL FINANCING DOCUMENTS, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN THEIR RELATED FUTURE DEALINGS. EACH BORROWER, DIP ABL AGENT AND EACH DIP ABL LENDER WARRANTS AND REPRESENTS THAT IT HAS HAD THE OPPORTUNITY OF REVIEWING THIS JURY WAIVER WITH LEGAL COUNSEL, AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS.

Section 12.10 Publication; Advertisement.

(a) Publication. No Credit Party will directly or indirectly publish, disclose or otherwise use in any public disclosure, advertising material, promotional material, press release or

interview, any reference to the name, logo or any trademark of MFT or any of its Affiliates or any reference to this Agreement or the financing evidenced hereby, in any case except (i) as required by Requirements of Law, subpoena or judicial or similar order, in which case the applicable Credit Party shall, to the extent permitted, give DIP ABL Agent prior written notice of such publication or other disclosure, (ii) in the ordinary course of business when describing the capital structure of the Credit Parties, (iii) in connection with debt or equity financing by the Credit Parties (including any marketing or other efforts to obtain such financing) or (iv) with MFT's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed).

(b) Advertisement. Each DIP ABL Lender and each Credit Party hereby authorizes MFT to publish, at MFT's sole expense, the name of such DIP ABL Lender and Credit Party, the existence of the financing arrangements referenced under this Agreement, the primary purpose and/or structure of those arrangements, the amount of credit extended under each facility, the title and role of each party to this Agreement, and the total amount of the financing evidenced hereby in any "tombstone", comparable advertisement or press release which MFT elects to submit for publication. In addition, each DIP ABL Lender and each Credit Party agrees that, at MFT's sole expense, MFT may provide lending industry trade organizations with information necessary and customary for inclusion in league table measurements after the Closing Date. With respect to any of the foregoing, MFT shall provide Borrowers with an opportunity to review and confer with MFT regarding the contents of any such tombstone, advertisement or information, as applicable, prior to its submission for publication and, following such review period, MFT may, from time to time, publish, at MFT's sole expense, such information in any media form desired by MFT, until such time that Borrowers shall have requested MFT cease any such further publication.

Section 12.11 Counterparts; Integration. This Agreement and the other DIP ABL Financing Documents may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Signatures by facsimile or by electronic mail delivery of an electronic version of any executed signature page shall bind the parties hereto. This Agreement and the other DIP ABL Financing Documents constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof.

Section 12.12 No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement. To the extent that there is a conflict between this Agreement and the Interim DIP Order or the Final DIP Order, as applicable, then the Interim DIP Order or the Final DIP Order, as applicable, shall control.

Section 12.13 DIP ABL Lender Approvals. Unless expressly provided herein to the contrary, any approval, consent, waiver or satisfaction of DIP ABL Agent or DIP ABL Lenders with respect to any matter that is the subject of this Agreement, the DIP Orders, or the other DIP ABL Financing Documents may be granted or withheld by DIP ABL Agent and DIP ABL Lenders in their good faith discretion and credit judgment.

Section 12.14 Expenses; Indemnity; Waiver of Consequential Damages, etc.

(a) Borrowers hereby agree to promptly pay (i) all reasonable and documented costs and expenses of DIP ABL Agent (including, without limitation, the reasonable and documented fees, costs and expenses of counsel to, and independent appraisers and consultants retained by DIP ABL Agent

(which shall exclude any fees, costs or expenses of in-house counsel and shall be limited to one firm of counsel, and, if necessary, one firm of local counsel in each appropriate jurisdiction, and one specialist counsel for each appropriate specialty, and which include initially as of the Closing Date, Hogan Lovells US LLP, as counsel, and Morris, Nichols, Arsht & Tunnell LLO as bankruptcy counsel and Delaware local counsel) in connection with the examination, review, due diligence investigation, documentation, negotiation, closing and syndication of the transactions contemplated by the DIP ABL Financing Documents), in connection with the performance by DIP ABL Agent of its rights and remedies under the DIP ABL Financing Documents and in connection with the continued administration of the DIP ABL Financing Documents including (A) any amendments, modifications, consents and waivers to and/or under any and all DIP ABL Financing Documents, and (B) any reasonable periodic public record searches conducted by or at the request of DIP ABL Agent (including, without limitation, title investigations, UCC searches, fixture filing searches, judgment, pending litigation and tax lien searches and searches of applicable corporate, limited liability, partnership and related records concerning the continued existence, organization and good standing of certain Persons); (ii) without limitation of the preceding clause (i), all reasonable and documented costs and expenses of DIP ABL Agent in connection with the creation, perfection and maintenance of Liens pursuant to the DIP ABL Financing Documents; (iii) without limitation of the preceding clause (i), all costs and expenses of DIP ABL Agent in connection with (A) protecting, storing, insuring, handling, maintaining or selling any DIP ABL Collateral, (B) any litigation, dispute, suit or proceeding relating to any DIP ABL Financing Document, and (C) any workout, collection, bankruptcy, insolvency and other enforcement proceedings under any and all of the DIP ABL Financing Documents; (iv) without limitation of the preceding clause (i), all reasonable and documented costs and expenses of DIP ABL Agent in connection with DIP ABL Agent's reservation of funds in anticipation of the funding of the initial Loans to be made hereunder; and (v) all costs and expenses incurred by DIP ABL Lenders in connection with any litigation, dispute, suit or proceeding relating to any DIP ABL Financing Document and in connection with any workout, collection, bankruptcy, insolvency and other enforcement proceedings under any and all DIP ABL Financing Documents, whether or not DIP ABL Agent or DIP ABL Lenders are a party thereto and, in each case, excluding any costs and expenses (x) arising from the gross negligence, bad faith or willful misconduct of DIP ABL Agent, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) arising out of, or in connection with, any proceeding or other matter that does not involve an act or omission by the Credit Parties or any of their affiliates and that is brought by DIP ABL Agent, in its capacity not as DIP ABL Agent or (z) arising from a material breach of the obligations of DIP ABL Agent or any of its affiliates under any DIP ABL Financing Document (as determined by a court of competent jurisdiction in a final and non-appealable decision).

(b) Each Borrower hereby agrees to indemnify, pay and hold harmless DIP ABL Agent and DIP ABL Lenders and the officers, directors, employees, trustees, agents, investment advisors and investment managers, collateral managers, servicers, and counsel of DIP ABL Agent and DIP ABL Lenders (collectively called the "**Indemnitees**") from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (excluding any costs of in house counsel and including the reasonable fees and disbursements of counsel for such Indemnitee, which shall be limited to one firm of counsel for all similarly situated Indemnitees and if necessary, one firm of local counsel in each appropriate jurisdiction, one specialist counsel for each appropriate specialty and, in the case of an actual conflict of interest, one additional firm of counsel for such affected Indemnitees and one firm of local counsel in each appropriate jurisdiction) in connection with any investigative, response, remedial, administrative or judicial matter or proceeding, whether or not such Indemnitee shall be designated a party thereto and including any such proceeding initiated by or on behalf of a Credit Party, and the reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel retained by DIP ABL Agent or DIP ABL Lenders and any commission, fee or compensation claimed by Cantor in connection with arranging this financing facility, which may be imposed on, incurred by or asserted against such Indemnitee as a

result of or in connection with the transactions contemplated hereby or by the other DIP ABL Financing Documents (including (i)(A) as a direct or indirect result of the presence on or under, or escape, seepage, leakage, spillage, discharge, emission or release from, any property now or previously owned, leased or operated by Borrower, any Subsidiary or any other Person of any Hazardous Materials, (B) arising out of or relating to the offsite disposal of any materials generated or present on any such property, or (C) arising out of or resulting from the environmental condition of any such property or the applicability of any governmental requirements relating to Hazardous Materials, whether or not occasioned wholly or in part by any condition, accident or event caused by any act or omission of Borrower or any Subsidiary, and (ii) proposed and actual extensions of credit under this Agreement) and the use or intended use of the proceeds of the Loans, except that Borrower shall have no obligation hereunder to an Indemnitee with respect to any liability (x) resulting from the gross negligence, bad faith or willful misconduct of such Indemnitee, as determined by a final non-appealable judgment of a court of competent jurisdiction or (y) arising out of, or in connection with, any proceeding or other matter that does not involve an act or omission by the Credit Parties or any of their affiliates and that is brought by an Indemnitee against any other Indemnitee (other than in its capacity as DIP ABL Agent) or (z) arising from a material breach of the obligations of such Indemnitees or any of its affiliates under this Agreement or any DIP ABL Financing Document (as determined by a court of competent jurisdiction in a final non-appealable decision). To the extent that the undertaking set forth in the immediately preceding sentence may be unenforceable, each Borrower shall contribute the maximum portion which it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all such indemnified liabilities incurred by the Indemnitees or any of them. This Section 12.14 shall not apply with respect to Taxes other than any Taxes that represent losses, damages, etc. arising from any non-Tax claim.

(c) Notwithstanding any contrary provision in this Agreement, the obligations of Borrowers under this Section 12.14 shall survive the payment in full of the DIP ABL Obligations and the termination of this Agreement. Subject to the terms and conditions set forth herein and in the Orders, each Lender agrees, severally and not jointly, (a) following entry of the Interim Order and satisfaction of the conditions to Borrowing set forth in **Section 5.01**, to make a term loan to the Borrower in a single Borrowing on the Closing Date (the "***Initial Loan***") in a principal amount not to exceed such Lender's Initial Commitment amounts and (b) following satisfaction of the conditions to Borrowing set forth in **Section 5.02**, to make a term loan to the Borrower in a single Borrowing on the Delayed Draw Borrowing Date (the "***Delayed Draw Loan***" and, together with the Initial Loan, the "***New Money Loans***") in a principal amount not to exceed such Lenders' Delayed Draw Commitment. Once funded each Initial Loan and each Delayed Draw Loan shall be a "***Loan***" and a "***Term Loan***" for all purposes under this Agreement and the other Credit Documents.

(b) **Roll-Up Loans**. Subject to the terms and conditions set forth herein, (i) subject to entry of the Interim Order, on the Closing Date, Pre-Petition First Lien Term Loans held by Pre-

Petition First Lien Term Lenders who are also Lenders or Affiliates of Lenders hereunder, shall be automatically substituted and exchanged for (and prepaid by) loans hereunder (the "***Initial Roll-Up Loans***"), on a pro rata basis (based on the Initial Loans that such Pre-Petition First Lien Term Lender or its Affiliate funded to the Borrower on the Closing Date pursuant to **Section 2.01(a)**), in a principal amount equal to $2.00 of Pre-Petition First Lien Term Loans of such Lender or such Affiliate of such Lender for each $1.00 of the Initial Loans funded hereunder on the Closing Date by such Lender and (ii) subject to entry of the Final Order, on the Delayed Draw Borrowing Date, Pre-Petition First Lien Term Loans held by Pre-Petition First Lien Term Lenders who are also Lenders or Affiliates of Lenders hereunder, shall be automatically substituted and exchanged for (and prepaid by) loans hereunder (the "***Additional Roll-Up Loans***" and, together with the Initial Roll-Up Loans, the "***Roll-Up Loans***"), on a pro rata basis (based on the Delayed Draw Loans that such Pre-Petition First Lien Term Lender or its Affiliate funded to the Borrower on the Delayed Draw Borrowing Date pursuant to **Section 2.01(a)**) in a principal amount equal to $2.00 of Pre-Petition First Lien Term Loans of such Lender or Affiliate of such Lender for each $1.00 of Delayed Draw Loans funded hereunder by such Lender on the Delayed Draw Borrowing Date (the Initial Roll-Up Loans shall be deemed funded on the Closing Date and the Additional Roll-Up Loans shall be deemed funded on the Delayed Draw Borrowing Date and each shall constitute and be deemed to be a "***Loan***" and a "***Term Loan***" hereunder) (the foregoing substitution and exchange of Pre-Petition First Lien Term Loans into Roll-Up Loans shall be defined herein, generally, as the "***Roll-Up***").

(c) Amounts borrowed (or deemed borrowed) under **Section 2.01** and paid or prepaid in respect of the Term Loans may not be reborrowed.

(d) For the avoidance of doubt, solely with respect to the applicable calculations in determining the Lenders constituting "Required Lenders" hereunder, the New Money Loans and the Roll-Up Loans shall constitute a single class of Loans.

Section 2.02 Notice of Borrowing.

(a) When the Borrower desires to incur Term Loans hereunder, the Borrower shall give the Administrative Agent at the Notice Office at least one Business Day's prior notice of each Term Loan to be incurred hereunder, ***provided*** that (in each case) any such notice shall be deemed to have been given on a certain day only if given before 11:00 A.M. (New York City time) (or such later time as may be agreed by the Administrative Agent in its sole discretion) on such day. Each such notice (each, a "***Notice of Borrowing***") shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing, in the form of **Exhibit A-1**, appropriately completed to specify: (i) the aggregate principal amount of the Term Loans to be incurred pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day) and (iii) whether the Term Loans being incurred pursuant to such Borrowing are to be initially maintained as Base Rate Loans or LIBO Rate Loans and, if LIBO Rate Loans, the initial Interest Period to be applicable thereto. The Administrative Agent shall promptly give each Lender which is required to make Term Loans notice of such proposed Borrowing, of such Lender's proportionate share thereof and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

(b) Without in any way limiting the obligation of the Borrower to confirm in writing any telephonic notice of any Borrowing or prepayment of Term Loans, the Administrative Agent may act without liability upon the basis of telephonic notice of such Borrowing or prepayment, as the case may be, believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower, prior to receipt of written confirmation. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of such telephonic notice of such Borrowing or prepayment of Term Loans, as the case may be, absent manifest error.

Section 2.03 Disbursement of Funds.

No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender will make available its pro rata portion (determined in accordance with **Section 2.05**) of each such Borrowing requested to be made on such date. All such amounts will be made available in Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrower at the Payment Office, or to such other account as the Borrower may specify in writing prior to a Borrowing Date, the aggregate of the amounts so made available by the Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the date of Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender on such Borrowing Date. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the overnight Federal Funds Rate for the first three days and at the interest rate otherwise applicable to such Term Loans for each day thereafter and (ii) if recovered from the Borrower, the rate of interest applicable to the respective Borrowing, as determined pursuant to **Section 2.06**. Nothing in this **Section 2.03** shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Borrower may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

Section 2.04 Repayment of Loans; Notes.

(a) The Borrower hereby unconditionally promises to (i) subject to clause (e) below, repay in full in cash the outstanding Loans to the Administrative Agent for the account of each Lender on the Termination Date, together with accrued and unpaid interest on the principal

amount to be paid to but excluding the date of such payment and (ii) to pay all fees under and in accordance with **Section 3.01**.

(b) The Borrower's obligation to pay the principal of, and interest on, the Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to **Section 11.15** and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrower substantially in the form of **Exhibit B**, with blanks appropriately completed in conformity herewith (each, a "***Note***" and, collectively, the "***Notes***").

(c) Each Lender will note on its internal records the amount of each Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrower's obligations in respect of such Loans.

(d) Notwithstanding anything to the contrary contained above in this **Section 2.04** or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain, maintain or produce a Note evidencing its Loans to the Borrower shall affect or in any manner impair the obligations of the Borrower to pay the Loans (and all related Obligations) incurred by the Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to any Credit Document. Any Lender which does not have a Note evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in the preceding **clause (c)**. At any time when any Lender requests the delivery of a Note to evidence any of its Loans, the Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loans.

(e) The Loans shall mature, and shall be due and payable without any further notice, on the Termination Date; provided that if the Termination Date occurs due to the occurrence of the Plan Effective Date, notwithstanding anything contained herein or any other Credit Document, the principal amount of Loans shall not be repaid by the Borrower in cash but shall be repaid by means of conversion of such principal amount of Loans on a dollar for dollar basis into exit term loans in accordance with the Acceptable Plan of Reorganization and the RSA and otherwise upon terms satisfactory to the Required Lenders, and the principal amount of the Loans and other Obligations (other than interest and Obligations which, by the terms of any Credit Document, expressly survive the repayment in full of the Loans) shall be deemed fully satisfied by such conversion.

Section 2.05 Pro Rata Borrowings.

All Borrowings shall be incurred from the Lenders pro rata on the basis of their applicable Commitments. It is understood that no Lender shall be responsible for any default by any other Lender of its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder.

Section 2.06 Interest.

(a) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Base Rate Loan from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Loan to a LIBOR Loan pursuant to **Section 2.13** or **2.14**, as applicable, at a rate per annum which shall be equal to the sum of the Applicable Margin for Base Rate Loans plus the Base Rate, each as in effect from time to time.

(b) The Borrower agrees to pay interest in respect of the unpaid principal amount of each LIBOR Loan from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such LIBOR Loan to a Base Rate Loan pursuant to **Section 2.07**, **2.13** or **2.14**, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin for LIBOR Loans as in effect from time to time during such Interest Period plus the LIBO Rate for such Interest Period.

(c) Overdue principal and, to the extent permitted by law, overdue interest in respect of each Loan shall, in each case, bear interest at a rate per annum equal to the rate which is 2.00% in excess of the rate then borne by such Loans, and all other overdue amounts payable hereunder and under any other Credit Document shall bear interest at a rate per annum equal to the rate which is 2.00% in excess of the rate applicable to Loans. Interest that accrues under this **Section 2.06(c)** shall be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be payable (i) in respect of each Base Rate Loan, (x) quarterly in arrears on each Quarterly Payment Date, (y) on the date of any repayment or prepayment (on the amount repaid or prepaid) of such Base Rate Loan, and (z) at maturity (whether by acceleration or otherwise) and, after such maturity, on demand and (ii) in respect of each LIBOR Loan, (x) on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three month intervals after the first day of such Interest Period, (y) on the date of any repayment or prepayment (on the amount repaid or prepaid) of such LIBOR Loan and (z) at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the LIBO Rate for each Interest Period applicable to the respective LIBOR Loans and shall promptly notify the Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

Section 2.07 Increased Costs.

(a) **Increased Costs Generally**. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the LIBO Rate);

(ii) subject any Recipient to any additional Taxes (other than (A) Indemnified Taxes, (B) Taxes described in **clauses (b)** through **(d)** of the definition of Excluded Taxes and (C) Other Connection Taxes that are imposed on or measured by net income (however denominated) or that are franchise Taxes or branch profits Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender any other condition, cost or expense (other than with respect to Taxes) affecting this Agreement or Term Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Term Loan, or of maintaining its obligation to make any such Term Loan, or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) **Capital Requirements**. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's parent company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's parent company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Term Loans made by such Lender to a level below that which such Lender or such Lender's parent company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's parent company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's parent company for any such reduction suffered.

(c) **Certificates for Reimbursement**. Any Lender requesting compensation under this **Section 2.07** shall deliver to the Borrower a certificate setting forth, in reasonable detail, the amount or amounts necessary to compensate such Lender or its parent company, as the case may be, as specified in **subsection (a)** or **(b)** of this **Section 2.07** and the basis for calculating such amounts, which certificate shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate promptly after receipt thereof.

(d) **Delay in Requests**. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this **Section 2.07** shall not constitute a waiver of such Lender's right to demand such compensation, ***provided*** that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this **Section 2.07** for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

Section 2.08 [Reserved].

Section 2.09 Designation of a Different Lending Office.

If any Lender requests compensation under **Section 2.07**, or if any Lender gives a notice pursuant to **Section 2.16** or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to **Section 4.04**, then at the request of the Borrower such Lender shall, as applicable, use reasonable efforts to designate a different lending office for funding or booking its Term Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to **Section 2.07** or **4.04**, as the case may be, in the future, or eliminate the need for the notice pursuant to **Section 2.16**, as applicable and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

Section 2.10 Replacement of Lenders.

(a) (x) Upon the occurrence of any event giving rise to the operation of **Section 2.07** with respect to any Lender which results in such Lender charging to the Borrower increased costs in excess of those being generally charged by the other Lenders, or of **Section 4.04** with respect to any Lender which results in the Borrower paying any Indemnified Taxes or additional amounts to such Lender or any Governmental Authority for the account of such Lender, or (y) in the case of a refusal by a Lender to consent to a proposed change, waiver, discharge or termination with respect to this Agreement which has been approved by the Required Lenders as (and to the extent) provided in **Section 11.12(b)**, the Borrower shall have the right, in accordance with **Section 11.04(b)**, if no Default or Event of Default then exists or would exist after giving effect to such replacement, to replace such Lender (the "***Replaced Lender***") with one or more other Eligible Transferees (collectively, the "***Replacement Lender***") and each of which shall be reasonably acceptable to the Administrative Agent; ***provided*** that:

(i) at the time of any replacement pursuant to this **Section 2.10**, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to **Section 11.04(b)** (and with all fees payable pursuant to said **Section 11.04(b)** to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among the Borrower, the Replacement Lender and the Replaced Lender)) pursuant to which the Replacement Lender shall acquire all of the Term Loan Commitments and outstanding Term Loans of the Replaced Lender and, in connection therewith, shall pay to the Replaced Lender in respect thereof an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender and (B) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to **Section 3.01**; and

(ii) all obligations of the Borrower then owing to the Replaced Lender (other than those specifically described in **clause (i)** above in respect of which the assignment

purchase price has been, or is concurrently being, paid but including all amounts, if any, owing under **Section 2.15**) shall be paid in full to such Replaced Lender concurrently with such replacement.

(b) Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this **Section 2.10**, the Administrative Agent shall be entitled (but not obligated) and is authorized (which authorization is coupled with an interest) to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this **Section 2.10** and **Section 11.04**. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in **clauses (i)** and **(ii)** of the proviso in **Section 2.10(a)**, recordation of the assignment on the Register by the Administrative Agent pursuant to **Section 11.15**, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, **Sections 2.07**, **4.04**, **10.06**, **11.01** and **11.06**), which shall survive as to such Replaced Lender. To the extent requested by any Replacement Lender, a Note will be promptly issued, at the Borrower's expense, to such Replacement Lender in conformity with the requirements of **Section 2.04**.

Section 2.11 [Reserved].

Section 2.12 [Reserved].

Section 2.13 Conversions. The Borrower shall have the option to convert, on any Business Day, all or a portion equal to at least $5,000,000 of the outstanding principal amount of Loans made pursuant to one or more Borrowings of one or more Types of Loans into a Borrowing of another Type of Loan; ***provided*** that,

(a) except as otherwise provided in **Sections 2.15** or **2.16**, LIBOR Loans may be converted into Base Rate Loans only on the last day of an Interest Period applicable to the Loans being converted and no such partial conversion of LIBOR Loans shall reduce the outstanding principal amount of such LIBOR Loans made pursuant to a single Borrowing to less than $5,000,000,

(b) unless the Required Lenders otherwise agree, Base Rate Loans may only be converted into LIBOR Loans if no Default or Event of Default is in existence on the date of the conversion, and

(c) no conversion pursuant to this **Section 2.13** shall result in a greater number of Borrowings of LIBOR Loans than is permitted under **Section 2.16**.

Each such conversion shall be effected by the Borrower by giving the Administrative Agent at the Notice Office prior to 11:00 A.M. (New York City time) at least (x) in the case of conversions of Base Rate Loans into LIBOR Loans, three Business Days' prior notice and (y) in the case of conversions of LIBOR Loans into Base Rate Loans, one Business Day's prior notice (each, a "***Notice of Conversion/Continuation***"), in each case in the form of **Exhibit A-2**, appropriately completed to specify the Loans to be so converted, the Borrowing or Borrowings

pursuant to which such Loans were incurred and, if to be converted into LIBOR Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Loans.

Section 2.14 Interest Periods.

At the time the Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBOR Loan (in the case of the initial Interest Period applicable thereto) or prior to 11:00 A.M. (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBOR Loan (in the case of any subsequent Interest Period), the Borrower shall have the right to elect the interest period (each, an "***Interest Period***") applicable to such LIBOR Loan, which Interest Period shall, at the option of the Borrower, be (x) a one, two, three or six month period or, if approved by each Lender that holds such Loans (or commitments with respect thereto), a twelve month period or (y) if agreed by the Administrative Agent and each Lender that holds such Loans (or commitments with respect thereto) in its sole discretion, such other period; ***provided*** that (in each case):

(a) all LIBOR Loans comprising a Borrowing shall at all times have the same Interest Period;

(b) the initial Interest Period for any LIBOR Loan shall commence on the date of Borrowing of such LIBOR Loan (including the date of any conversion thereto from a Base Rate Loan) and each Interest Period occurring thereafter in respect of such LIBOR Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(c) if any Interest Period for a LIBOR Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(d) if any Interest Period for a LIBOR Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; ***provided***, ***however***, that if any Interest Period for a LIBOR Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(e) unless the Required Lenders otherwise agree, no Interest Period may be selected at any time when a Default or an Event of Default is then in existence (and, upon the expiration of any Interest Period then in effect, such LIBOR Loan shall be converted to a Base Rate Loan); and

(f) no Interest Period in respect of any Borrowing shall be selected which extends beyond the Maturity Date.

If by 11:00 A.M. (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBOR Loans, the Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBOR Loans as provided above, the Borrower shall be deemed to have elected to convert such LIBOR Loans into LIBOR

Loans with an Interest Period of one month effective as of the expiration date of such current Interest Period unless a Default or an Event of Default is then in existence, in which case, such expiring LIBOR Loans shall be converted in to Base Rate Loans.

Section 2.15 Compensation.

Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any LIBOR Loan on a day other than the last day of the Interest Period for such LIBOR Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any LIBOR Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a LIBOR Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to **Section 2.10**;

including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such LIBOR Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrower to the Lenders under this **Section 2.15**, each Lender shall be deemed to have funded each LIBOR Loan made by it at the LIBO Base Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such LIBOR Loan was in fact so funded.

Section 2.16 Illegality.

If any Lender determines that any Requirement of Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to perform any of its obligations hereunder or make, maintain or fund or charge interest with respect to any Loan or to determine or charge interest rates based upon the LIBO Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (a) any obligation of such Lender to issue, make, maintain, fund or charge interest with respect to any such Loan or continue LIBOR Loans or to convert Base Rate Loans to LIBOR Loans shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the LIBO Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBO Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent

and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all LIBOR Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBO Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBOR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBOR Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the LIBO Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the LIBO Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 2.17 Inability to Determine Rates.

If in connection with any request for a LIBOR Loan or a conversion to or continuation thereof, (a) the Administrative Agent determines that (i) Dollar deposits are not being offered to banks in the London interbank market for the applicable amount and Interest Period of such LIBOR Loan, or (ii) adequate and reasonable means do not exist for determining the LIBO Rate for any requested Interest Period with respect to a proposed LIBOR Loan or in connection with an existing or proposed Base Rate Loan (in each case with respect to **clause (a)(i)** above, "***Impacted Loans***"), or (b) the Administrative Agent or the Required Lenders determine that for any reason the LIBO Rate for any requested Interest Period with respect to a proposed LIBOR Loan does not adequately and fairly reflect the cost to such Lenders of funding such LIBOR Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBOR Loans shall be suspended (to the extent of the affected LIBOR Loans or Interest Periods) and (y) in the event of a determination described in the preceding sentence with respect to the LIBO Rate component of the Base Rate, the utilization of the LIBO Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent upon the instruction of the Required Lenders revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of LIBOR Loans (to the extent of the affected LIBOR Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

Notwithstanding the foregoing, if the Administrative Agent has made the determination described in **clause (a)(i)** of the preceding paragraph, the Administrative Agent, in consultation with the Borrower and the affected Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under **clause (a)** of the first sentence of this section, (2) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding

the Impacted Loans, or (3) any Lender determines that any Requirement of Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

Section 2.18 Minimum Amount of Each Borrowing.

The aggregate principal amount of each Borrowing of Loans of a specific Type shall not be less than the Minimum Borrowing Amount applicable thereto. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than four Borrowings of LIBOR Loans in the aggregate for all Loans (or such greater number of Borrowings of LIBOR Loans as may be agreed to from time to time by the Administrative Agent and the Required Lenders).

Section 2.19 No Discharge.

Each of the Credit Parties agrees that to the extent that its obligations under the Credit Documents have not been satisfied in full in cash or otherwise satisfied as set forth in **Section 2.04(e)**, (i) its obligations under the Credit Documents shall not be discharged by any Reorganization Plan or any order confirming a Reorganization Plan (and each of the Credit Parties, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such discharge) as to the Obligations and (ii) the Superpriority Claim granted to the Agents and the Lenders pursuant to the Orders and the Liens granted to the Agents and the Lenders pursuant to the Orders shall not be affected in any manner by any Reorganization Plan or any order confirming a Reorganization Plan.

(b) All payments made by the Borrower hereunder and under any Note will be made without setoff, counterclaim or other defense.

Section 4.04 Taxes.

(a) **Payments Free of Taxes**. Any and all payments by or on account of any obligation of any Credit Party under any Credit Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment, then the applicable withholding agent shall make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, to the extent such deduction or withholding is on account of an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this **Section 4.04**) the applicable Lender (or, in the case of any amount received by the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) **Payment of Other Taxes by the Borrower**. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law or, at the option of the Administrative Agent, reimburse it for the payment of, any Other Taxes.

(c) **Indemnification by the Borrower**. The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this **Section 4.04**) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and all expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) **Evidence of Payments**. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this **Section 4.04**, such Credit Party

shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) **Status of Lenders**.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in paragraph (e)(ii)(A), (ii)(B)(1) - (4) and (ii)(C)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documents required below in this **Section 4.04(e)**) expired, obsolete or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its inability to do so.

(ii) Without limiting the generality of the foregoing:

(A) each Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two duly executed copies of IRS Form W-9 (or any subsequent versions thereof or successor thereto) certifying that such Lender is exempt from U.S. federal backup withholding;

(B) each Foreign Lender shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) duly executed, properly completed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, (or any subsequent versions thereof or successor thereto) claiming eligibility for benefits of an income tax treaty to which the United States is a party;

(2) duly executed, properly completed copies of IRS Form W-8ECI (or any subsequent versions thereof or successor thereto);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of **Exhibit C-1** to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "Controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "***U.S. Tax Compliance Certificate***") and (y) duly executed, properly completed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable (or any subsequent versions thereof or successor thereto);

(4) to the extent a Foreign Lender is not the beneficial owner, duly executed, properly completed copies of IRS Form W-8IMY of the Foreign Lender, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E (or applicable successor form), a U.S. Tax Compliance Certificate substantially in the form of **Exhibit C-2** or **Exhibit C-3**, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; ***provided*** that if the Foreign Lender is a partnership and one or more partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of **Exhibit C-4** on behalf of each such direct or indirect partner; or

(5) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(C) if a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this **Section 4.04(e)(ii)(C)**, "***FATCA***" shall include any amendment made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this **Section 4.04(e)**, a Lender shall not be required to deliver any form that such Lender is not legally entitled to deliver.

(iii) Each Lender hereby authorizes the Administrative Agent to deliver to the Credit Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this **Section 4.04(e)**.

(f) **Treatment of Certain Refunds**. If a Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Credit Party or with respect to which a Credit Party has paid additional amounts pursuant to this **Section 4.04**, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by a Credit Party under this **Section 4.04** with respect to the Indemnified Taxes or Other Taxes giving rise to such refund) net of all out-of-pocket expenses (including any Taxes) of such Recipient and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), ***provided*** that the Borrower, upon the request of the Recipient, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Recipient to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

(g) **Status of Administrative Agent**. On or before the date the Administrative Agent becomes a party to the Agreement, the Administrative Agent shall provide to the Borrower two duly executed copies of either (i) IRS Form W-9 (or any subsequent versions thereof or successor thereto) or (ii) IRS Form W-8ECI and a U.S. branch withholding certificate on IRS Form W-8IMY (in each case, or any subsequent versions thereof or successor thereto) evidencing its agreement with the Borrower to be treated as a U.S. person, as applicable; ***provided*** that the Administrative Agent shall not be required to provide any documentation pursuant to this **Section 4.04(g)** that the Administrative Agent is unable to deliver as a result of a Change in Law after such Administrative Agent becomes the Administrative Agent under this Agreement.

(h) **Applicable Law**. For the avoidance of doubt, for purposes of this **Section 4.04**, the "applicable law" includes FATCA.

(i) **Survival**. Each party's obligations under this **Section 4.04** shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

Section 6.02 Power and Authority; Enforceability.

Subject to the entry of the Orders and the terms thereof, each Credit Party has the Company power and authority to execute, deliver and perform the terms and provisions of each of the Credit Documents to which it is party and to consummate the other Transactions and has taken all necessary Company action to authorize the execution, delivery and performance by it of each of such Credit Documents and consummation of the other Transactions. Subject to the entry of the Orders and the terms thereof, each Credit Party has duly executed and delivered each of the Credit Documents to which it is party, and each of such Credit Documents constitutes its legal, valid and binding obligation enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors' rights (in each case, other than with respect to the Debtors) and by equitable principles (regardless of whether enforcement is sought in equity or at law).

Section 6.03 No Violation; No Default.

(iii) will violate any provision of any Organizational Document of any Credit Party or any of its Restricted Subsidiaries.

(b) Other than violations arising as a result of the commencement of the Cases and except as otherwise excused by the Bankruptcy Court, neither the Borrower nor any of its Restricted Subsidiaries is in default in any manner under any provision of any Contractual Obligation, where such default could reasonably be expected to result in a Material Adverse Effect, and no condition exists which, with the giving of notice or the lapse of time or both, would constitute such a default.

(c) No Default or Event of Default has occurred and is continuing.

Section 6.04 Approvals.

No ERISA Event has occurred or is reasonably expected to occur other than as would not, individually or in the aggregate, have a Material Adverse Effect.

(b) There exists no Unfunded Pension Liability with respect to any Benefit Plan that would have a Material Adverse Effect.

(c) None of the Borrower or any of its Restricted Subsidiaries or any ERISA Affiliate has incurred a complete or partial withdrawal from any Multiemployer Plan, and, if each of the Borrower, any of its Restricted Subsidiaries and each ERISA Affiliate were to withdraw in a complete withdrawal as of the date this assurance is given or deemed given, the aggregate withdrawal liability that would be incurred would not reasonably be expected to result in a Material Adverse Effect.

(d) There are no actions, suits or claims pending against or involving an Employee Benefit Plan (other than routine claims for benefits) or, to the knowledge of the Borrower or any of its Restricted Subsidiaries, threatened, which would reasonably be expected to be asserted successfully against any Employee Benefit Plan and, if so asserted successfully, would reasonably be expected either singly or in the aggregate to have a Material Adverse Effect.

(g) Except as would not individually or in the aggregate, have a Material Adverse Effect, (i) each Foreign Pension Plan has been maintained in compliance with its terms and with the requirements of any and all applicable laws, statutes, rules, regulations and orders and has been maintained, where required, in good standing with applicable regulatory authorities, (ii) all contributions required to be made with respect to a Foreign Pension Plan have been timely made, (iii) neither the Borrower nor any of its Restricted Subsidiaries has incurred any obligation in connection with the termination of, or withdrawal from, any Foreign Pension Plan and (iv) the present value of the accrued benefit liabilities (whether or not vested) under each Foreign Pension Plan, determined as of the end of the Borrower's most recently ended fiscal year on the basis of actuarial assumptions, each of which is reasonable, did not exceed the current value of the assets of such Foreign Pension Plan allocable to such benefit liabilities.

Section 6.11 Security Documents.

(a) Subject to, and upon the entry of the Orders, the Orders and the Security Documents are effective to create in favor of the Collateral Agent for the benefit of the Secured Creditors a legal, valid and enforceable security interest in all right, title and interest of the Credit Parties in the Collateral described therein, and:

security interest in all right, title and interest in all of the Security Agreement Collateral described therein, subject to no other Liens other than Permitted Liens.

Each of the Borrower and each of its Restricted Subsidiaries has a valid leasehold interest in the material properties leased by it free and clear of all Liens other than Permitted Liens. The Borrower and the Restricted Subsidiaries have maintained or caused to be maintained, in all respects and in accordance with normal mining industry practice, all of the machinery, equipment, vehicles, preparation plants or other Coal processing facilities, loadout and other transportation facilities and other tangible personal property now owned or leased by the Borrower and the Restricted Subsidiaries that is necessary to conduct their business as it is now conducted at such properties, except where the failure to maintain would not reasonably be expected to have a Material Adverse Effect.

(b) All leases (including, without limitation, Mining Leases) to which the Borrower or any of its Restricted Subsidiaries is a party are in full force and effect, except leases in respect of which the failure to be in full force and effect would not reasonably be expected to have a Material Adverse Effect. (e) None of the Borrower and its Restricted Subsidiaries is obligated on the Closing Date under any right of first refusal, option or other contractual right to sell, assign or otherwise dispose of any Mortgaged Property or any interest therein, other than customary buy-back provisions following the termination of mining operations, satisfaction of reclamation obligations and release of applicable Mining Permits with respect to a Mortgaged Property, except where such right of first refusal, option or other contractual right would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

No Restricted Subsidiary of the Borrower has outstanding any securities convertible into or exchangeable for its Equity Interests or outstanding any right to subscribe for or to purchase, or any options or warrants for the purchase of, or any agreement providing for the issuance (contingent or otherwise) of or any calls, commitments or claims of any character relating to, its Equity Interests or any stock appreciation or similar rights. (iii) any condition or occurrence on any Real Property owned, leased or operated by the Borrower or any of its Restricted Subsidiaries that could reasonably be expected to cause such Real Property to be subject to any restrictions on the ownership, lease, occupancy, use or transferability by the Borrower or any of its Restricted Subsidiaries of such Real Property under any Environmental Law;

(d) If the Borrower or any of its Restricted Subsidiaries shall fail to maintain insurance in accordance with this **Section 7.03**, or if the Borrower or any of its Restricted Subsidiaries shall fail to so endorse and deposit all policies or certificates with respect thereto, the Administrative Agent shall have the right (but shall be under no obligation) to procure such insurance and the Borrower agrees to reimburse the Administrative Agent for all costs and expenses of procuring such insurance.

Section 7.06 Compliance with Environmental Laws.

(a) Subject to any required approval by the Bankruptcy Court, the Borrower will comply, and will cause each of its Restricted Subsidiaries to comply, with all Environmental Laws and permits applicable to or required in respect of the conduct of its business or operations or by the ownership, lease or use of any Real Property now or hereafter owned, leased or operated by the Borrower or any of its Restricted Subsidiaries, except for such noncompliance as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and will promptly pay or cause to be paid all costs and expenses incurred in connection with such compliance, and will keep or cause to be kept all such Real Property free and clear of any Liens imposed pursuant to Environmental Laws.

(b) (i) After the receipt by the Administrative Agent or any Lender of any notice of the type described in **Section 7.01(h)**, (ii) at any time that the Borrower or any of its Restricted Subsidiaries is not in compliance with **Section 7.06(a)** or (iii) in the event that the Administrative Agent or the Lenders have exercised any of the remedies pursuant to the last paragraph of **Article IX**, the Borrower will (in each case) provide, at the sole expense of the Borrower and at the request of the Administrative Agent, an environmental report concerning any relevant Real Property owned, leased or operated by the Borrower or any of its Restricted Subsidiaries, prepared by an environmental consulting firm reasonably approved by the Administrative Agent, evaluating the identified noncompliance or potential liability and indicating, if relevant, the presence or absence of Hazardous Materials and the estimated cost of any removal or remedial action in connection with such Hazardous Materials on such Real Property. If the Borrower fails to take diligent efforts to commence preparation of such report or fails to provide the same within a reasonable time (not to exceed 60 days, unless a longer time is required to complete the required investigations or assessments) after such request was made, the Administrative Agent may after written notice to Borrower, retain an environmental consulting firm to prepare such report, the cost of which shall be borne by the Borrower, and the Borrower shall and hereby does grant to the Administrative Agent and the Lenders and their respective agents access to such Real Property, and specifically grants the Administrative Agent and the Lenders an irrevocable non-exclusive license, subject to the rights of tenants, to undertake such an assessment at any reasonable time upon reasonable notice to the Borrower, all at the sole expense of the Borrower; ***provided***, ***however***, that such environmental assessment shall not include the taking of soil, groundwater, surface water, air, or building material samples or other invasive testing unless the Borrower has provided its prior written consent, which shall not be unreasonably withheld, conditioned or delayed.

Section 7.07 ERISA.

The Borrower shall supply to the Administrative Agent (in sufficient copies for all Lenders, if the Administrative Agent so requests):

(a) promptly and in any event within 15 days after receiving a request from the Administrative Agent a copy of IRS Form 5500 (including the Schedule S) with respect to a Plan;

(b) promptly and in any event within 30 days after the Borrower, any Restricted Subsidiary of the Borrower or any ERISA Affiliate knows or has reason to know that any ERISA Event has occurred that would reasonably be expected to result in a Material Adverse Effect, a certificate of an Authorized Officer of the Borrower describing such ERISA Event and the action, if any, proposed to be taken with respect to such ERISA Event and a copy of any notice filed with the PBGC or the IRS pertaining to such ERISA Event and any notices received by the Borrower, any Restricted Subsidiary of the Borrower or any ERISA Affiliate from the PBGC or any other Governmental Authority with respect thereto; ***provided*** that, in the case of ERISA Events under **paragraph (d)** of the definition thereof, the 30-day period set forth above shall be a 10-day period, and, in the case of ERISA Events under **paragraph (b)** of the definition thereof, in no event shall notice be given later than 10 days after the occurrence of the ERISA Event; and

(c) to the extent it is reasonably expected to result in a Material Adverse Effect, promptly, and in any event within 30 days, after becoming aware that there has been:

(i) an increase in Unfunded Pension Liabilities (taking into account only Benefit Plans with positive Unfunded Pension Liabilities),

(ii) an increase since the date the representations hereunder are given or deemed given, or from any prior notice, as applicable, in potential withdrawal liability under Section 4201 of ERISA, if the Borrower, any Restricted Subsidiary or any ERISA Affiliate were to withdraw completely from any and all Multiemployer Plans, or

(iii) the adoption of any amendment to a Benefit Plan which results in an increase in contribution obligations of the Borrower or Restricted Subsidiary, a detailed written description thereof from an Authorized Officer of the Borrower.

Section 7.08 End of Fiscal Years; Fiscal Quarters.

The Borrower will cause (i) its fiscal year to end on December 31 of each calendar year and (ii) its fiscal quarters to end on the last day of each period described in the definition of "Fiscal Quarter".

Section 7.09 Performance of Obligations.

The Borrower will, and will cause each of its Restricted Subsidiaries to, perform all of its obligations under the terms of each mortgage, indenture, security agreement, loan agreement or credit agreement and each other Contractual Obligation by which it is bound (including all Mining Leases), except such non-performances as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 7.10 Payment of Taxes.

In accordance with the Bankruptcy Code and subject to any required approval by the Bankruptcy Court (it being understood that no Debtor shall be obligated to make any payments hereunder that may, in its reasonable judgment, result in a violation of any applicable law, including the Bankruptcy Code, without an order of the Bankruptcy Court authorizing such payments), the Borrower will pay and discharge, and will cause each of its Restricted Subsidiaries to pay and discharge, all Taxes required to be paid by them, prior to the date on which penalties attach thereto, and all lawful claims which, if unpaid, might become a Lien or charge upon any properties of the Borrower or any of its Restricted Subsidiaries not otherwise permitted under **Section 8.01(g)**; ***provided*** that neither the Borrower nor any of its Restricted Subsidiaries shall be required to pay any such Tax (i) which is being contested in good faith and by proper proceedings if it has maintained adequate reserves with respect thereto in accordance with GAAP, (ii) the nonpayment of which could not reasonably be expected to cause a Material Adverse Effect, or (iii) to the extent otherwise excused or prohibited by the Bankruptcy Code and for which payment has not otherwise been required by the Bankruptcy Court.

Section 7.11 Use of Proceeds.

The Borrower will use the proceeds of the Term Loans only as provided in **Section 6.08**.

Section 7.12 Additional Guarantees and Security; Further Assurances; etc.

(a) If the Borrower or any of its Restricted Subsidiaries acquires or creates another Subsidiary (other than an Excluded Subsidiary) after the Closing Date (which acquisition or creation may occur only with the consent of the Required Lenders) or if a Subsidiary ceases to be an Excluded Subsidiary, then the Borrower shall cause:

(i) the capital stock or other Equity Interests of such Subsidiary to be pledged pursuant to, and to the extent required by, this Agreement and the Security Agreement and the certificates, if any, representing such stock or other Equity Interests, together with stock or other appropriate powers duly executed in blank, to be delivered to the Collateral Agent within 30 days (or such later date as determined by the Administrative Agent in its sole discretion) of the date on which such Subsidiary was acquired or created,

(ii) each such Subsidiary to become a Debtor and to execute a counterpart of the Subsidiary Guaranty and the Security Agreement within 30 days (or such later date as determined by the Administrative Agent in its sole discretion) of the date on which such Subsidiary was acquired or created and upon such execution such Subsidiary shall automatically become a Guarantor and each such Subsidiary's assets shall automatically be subject to the Liens created by the Orders and **Section 7.18**, and

(iii) each such Subsidiary, to the extent reasonably requested by the Administrative Agent or the Required Lenders, to take all actions required pursuant to the other provisions of this **Section 7.12** within the time periods set forth in such other provisions of this **Section 7.12**.

In addition, each such Subsidiary that is required to execute any Credit Document shall, if requested by the Administrative Agent, execute and deliver, or cause to be executed and delivered, all other relevant documentation (including opinions of counsel) of the type described in **Article V** as such Subsidiary would have had to deliver if such Subsidiary were a Credit Party on the Closing Date.

(b) The Borrower will, and will cause each other Credit Party to, grant to the Collateral Agent for the benefit of the Secured Creditors security interests in any after-acquired assets (other than (i) Real Property, which is addressed in **subsection (c)** below, and (ii) Excluded Assets) of the Borrower and such other Credit Party that are not covered by the Security Documents then in effect or that cease to be Excluded Assets (or as otherwise required at such time pursuant to the DIP ABL Intercreditor Agreement or the Orders), in each case, within 60 days (or such later date as determined by the Collateral Agent in its sole discretion) after the close of the fiscal quarter of Borrower in which the relevant acquisition occurred or the relevant asset ceased to be an Excluded Asset. All such security interests shall be granted pursuant to documentation (collectively, the "***Additional Security Documents***") in substantially the same form as the original Security Documents and shall constitute valid and enforceable perfected security interests and hypothecations superior to and, subject to the DIP ABL Intercreditor Agreement and the Orders, prior to the rights of all third Persons and enforceable against third parties and subject to no other Liens except for Permitted Liens and subject to the Orders. Within 30 days after the grant of any such security interest (or such later date as determined by the Collateral Agent in its sole discretion), the Additional Security Documents or instruments related thereto shall be duly recorded or filed in such manner and in such places as are required by law to establish, perfect, preserve and protect the Liens in favor of the Collateral Agent required to be granted pursuant to the Additional Security Documents and all taxes, fees and other charges payable in connection therewith shall be paid in full.

(c) Within 60 days (or such later date as determined by the Collateral Agent in its sole discretion) after (x) the close of the fiscal quarter of Borrower in which any Material Real Property (other than Excluded Assets) is acquired or ceases to be an Excluded Asset (collectively, "***After-Acquired Real Property***") and (y) the reasonable request of the Required Lenders with respect to any Material Real Property existing on the Closing Date (together with the After-Acquired Real Property, collectively, the "***Applicable Real Property***"), in each case if reasonably requested by the Required Lenders, the Collateral Agent shall have received:

(i) fully executed counterparts of Mortgages and corresponding UCC fixture filings and As-Extracted Collateral Filings, in substantially the same form as the applicable security documents under the Pre-Petition First Lien Term Loan Credit Agreement, which Mortgages, UCC fixture filings and As-Extracted Collateral Filings, shall cover each Applicable Real Property, together with evidence that counterparts of such Mortgages, UCC fixture filings and As-Extracted Collateral Filings have been delivered to the Collateral Agent or its designee for recording;

(ii) a Mortgage Policy relating to each Applicable Real Property that consists of surface tracts with improvements valued in excess of $10,000,000 ("***Material Surface Property***"), issued by a title insurer reasonably satisfactory to the Collateral Agent, in an insured amount satisfactory to the Collateral Agent (but in each case not to exceed 100%

of the Fair Market Value of such Material Surface Property) and insuring the Collateral Agent that the Mortgage on each such Material Surface Property is a valid and enforceable first priority mortgage lien on such Material Surface Property, free and clear of all defects and encumbrances except Permitted Encumbrances, with each such Mortgage Policy (1) to be in form and substance reasonably satisfactory to the Collateral Agent, (2) to include, to the extent available in the applicable jurisdiction, the same or comparable supplemental endorsements as those included in the mortgage policies delivered pursuant to the Pre-Petition First Lien Term Loan Credit Agreement, (3) to not include the "standard" title exceptions and (4) to provide for affirmative insurance and such reinsurance or coinsurance as the Collateral Agent in its discretion may reasonably request;

(iii) to induce the title company to issue the mortgage policies referred to in the Pre-Petition First Lien Term Loan Credit Agreement and as deemed prudent by the Collateral Agent with respect to confirming each applicable Credit Parties' title to the Applicable Real Property, such affidavits, certificates, information and instruments of indemnification (including, without limitation, a so-called "gap" indemnification) as shall be required by the title company, together with payment by the Borrower of all Mortgage Policy premiums, search and examination charges, mortgage recording taxes, fees, charges, costs and expenses required for the recording of such Mortgages and issuance of such Mortgage Policies;

(iv) subject to **subsection (d)** below, such material consents and approvals as shall be reasonably deemed necessary by the Collateral Agent in order for the owner or holder of the fee or leasehold interest constituting such Applicable Real Property to grant the Lien contemplated by the Mortgage with respect to the Applicable Real Property;

(v) to the extent requested by the Administrative Agent, copies of all leases in which the Borrower or any of its Subsidiaries holds the lessor's interest or other agreements relating to possessory interests, if any; ***provided*** that, to the extent any of the foregoing affect such Applicable Real Property, to the extent requested by the Administrative Agent, such agreements shall be subordinate to the Lien of the Mortgage to be recorded against such Applicable Real Property, either expressly by its terms or pursuant to a subordination, non-disturbance and attornment agreement (with any such agreement being reasonably acceptable to the Administrative Agent);

(vi) with respect to each After-Acquired Real Property improved by a "building" or "mobile home" (each as defined in Regulation H as promulgated by the Federal Reserve Board under the Flood Insurance Laws), to the extent such building or mobile home is required to be included in the Collateral, Flood Documentation reasonably satisfactory in form and substance to the Administrative Agent; and

(vii) from local counsel in each state in which Applicable Real Property is located, an opinion in form and substance reasonably satisfactory to the Administrative Agent and the Required Lenders.

(d) The Borrower will, and will cause each other Credit Party to, use commercially reasonable efforts to obtain the consent or waiver of any Person necessary to permit the Borrower and other Credit Parties to grant to the Collateral Agent, for the benefit of the Secured Creditors, security interests and/or Mortgages in such assets and Real Property (whether owned or leased on the date hereof or subsequently acquired by the Borrower or the other Credit Parties) as would otherwise constitute Excluded Assets under this Agreement; ***provided*** that the obligation of the Borrower and other Credit Parties to use commercially reasonable efforts shall not require the Borrower or any other Credit Party to request any consent or waiver with respect to a restriction on assignment in any agreement which is imposed by any legal requirement or which the Borrower or such other Credit Party reasonably determines would have a material adverse effect on such agreement or on the Borrower's or other Credit Party's relationship with the other party or parties to such agreement; ***provided***, ***further***, that the use of commercially reasonable efforts shall not require any payment or other consideration from the Borrower or other Credit Parties; ***provided***, ***further***, that any such use of commercially reasonable efforts with respect to any such assets may be terminated by the Borrower sixty (60) days after the commencement of such commercially reasonable efforts. When negotiating the terms of any lease or other agreement entered into after the date of this Agreement, the Borrower will, and will cause each other Credit Party to, use commercially reasonable efforts (as described above) to eliminate any restriction on the assignment and/or granting of a Lien in such lease or other agreement.

(e) Subject to the terms of the Security Documents and the Orders, the Borrower will, and will cause each other Credit Party to, execute any and all further documents, financing statements, agreements, and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust, and other documents) that may be required under any applicable law, or that the Administrative Agent, the Collateral Agent or the Required Lenders may reasonably request, in order to grant, preserve, protect, and perfect the validity and priority of the security interests created or intended to be created by the applicable Security Documents, all at the expense of the Borrower and the Restricted Subsidiaries.

Section 7.13 Certain Long-Term Liabilities and Environmental Reserves.

To the extent required by GAAP, the Borrower will, and will cause each of its Restricted Subsidiaries to, maintain adequate reserves for (a) future costs associated with any lung disease claim alleging pneumoconiosis or silicosis or arising out of exposure or alleged exposure to coal dust or the coal mining environment, (b) future costs associated with retiree and healthcare benefits, (c) future costs associated with reclamation of disturbed acreage, removal of facilities and other closing costs in connection with its mining operations and (d) future costs associated with other potential environmental liabilities.

Section 7.14 Post-Closing Actions.

Notwithstanding anything to the contrary contained in this Agreement or the other Credit Documents, the parties hereto acknowledge and agree that the Borrower and its Restricted Subsidiaries shall be required to take the actions specified in **Schedule 7.14** as promptly as practicable, and in any event within the time periods set forth in **Schedule 7.14**. The provisions

of **Schedule 7.14** shall be deemed incorporated by reference herein as fully as if set forth herein in its entirety.

Section 7.15 Designation of Subsidiaries.

(a) The Board of Directors of the Borrower may, with the consent of the Required Lenders, designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default or Event of Default (and so long as no Default or Event of Default is then continuing); ***provided*** that (i) in no event will the Borrower or any Subsidiary of the Borrower that is a Restricted Subsidiary (or similar term as defined in the Pre-Petition Credit Agreements and/or the DIP ABL Credit Agreement) be designated as an Unrestricted Subsidiary and (ii) the requirements set forth in the definition of "Unrestricted Subsidiary" shall be satisfied. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Borrower and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will utilize the amount available under **clause (l)(ii)** of the definition of "***Permitted Investments***"; ***provided*** that the redesignation of any such Unrestricted Subsidiary as a Restricted Subsidiary shall increase the amount of Investments permitted pursuant to **clause (l)(ii)** of the definition of "Permitted Investments" by the Fair Market Value of outstanding Investments in such Subsidiary on the date of such redesignation up to an aggregate amount of such original Investment. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. As of the Closing Date, there are no Unrestricted Subsidiaries.

(b) Any designation of a Subsidiary of the Borrower as an Unrestricted Subsidiary will be evidenced to the Administrative Agent by an officer's certificate of an Authorized Officer of the Borrower certifying that such designation complied with the preceding conditions and was permitted by **Section 8.11**. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Agreement and any Indebtedness, Liens or Investments of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of the Borrower as of such date and, if such Indebtedness, Liens or Investments is not permitted to be incurred as of such date under the terms of this Agreement, the Borrower will be in default of such covenant.

(c) The Borrower may at any time, with the consent of the Required Lenders, designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Borrower; ***provided*** that such designation will be deemed to be an incurrence of Indebtedness, Liens and Investments by a Restricted Subsidiary of the Borrower of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (x) such Indebtedness, Liens and Investments are permitted under the terms of this Agreement, calculated on a pro forma basis as if such designation had occurred at the beginning of the most recent four consecutive fiscal quarters of the Borrower then last ended for which financial statements have been delivered or were required to have been delivered pursuant to Section 7.01(b) or 7.01(c); and (y) no Default or Event of Default would be in existence following such designation.

Section 7.16 Milestones.

The Credit Parties shall ensure the satisfaction of the following milestones (collectively, the "***Milestones***", and each, a "***Milestone***"), unless waived or extended with the consent of the Required Lenders or the Administrative Agent (with the consent of the Required Lenders):

(a) No later than one day after the Petition Date, filing of a motion, in form and substance satisfactory to the Required Lenders, seeking approval of the DIP Term Facility;

(b) No later than five days after the Petition Date, entry of the Interim Order and filing of an Acceptable Disclosure Statement and an Acceptable Plan of Reorganization;

(c) No later than 45 days after the Petition Date, entry of the Final Order;

(d) No later than 75 days after the Petition Date, approval of an Acceptable Disclosure Statement and approval of the Acceptable Plan of Reorganization (the "***Confirmation Date***"); and

(e) No later than 14 days after the Confirmation Date, effectiveness of the Acceptable Plan of Reorganization.

The Milestones may be amended, modified or extended, in each case, only by (i) order of the Bankruptcy Court or (ii) the prior written consent of the Required Lenders.

Section 7.17 Bankruptcy-Related Matters.

The Borrower will and will cause each of the Guarantors and Restricted Subsidiaries to:

(a) comply in all material respects with the Orders; and

(b) comply in all material respects with each chapter 11 order in connection with the Cases (other than the Orders).

Section 7.18 Priority of Liens.

of competent jurisdiction in a final non-appealable judgment. The Administrative Agent shall not be deemed to have knowledge of any Default or the event or events that give or may give rise to any Default unless and until notice describing such Default, identified as a "notice of default", and such event or events is given to the Administrative Agent by the Credit Parties or any Lender.

(c) The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness of genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document or the perfection or priority of any Lien or security interest created or purported to be created by the Credit Documents or (v) the satisfaction of any condition set forth in Article V or elsewhere herein, other than (but subject to the foregoing clause (ii)) to confirm receipt of items expressly required to be delivered to the Administrative Agent. (d) Nothing in this Agreement or any other Credit Document shall require the Administrative Agent to carry out any "know your customer" or other checks in relation to any person on behalf of any Lender and each Lender confirms to the Administrative Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Administrative Agent.

Section 10.03 Lack of Reliance on the Administrative Agent.

(a) Each Lender confirms to the Administrative Agent, each other Lender and each of their respective related parties that it (i) possesses such knowledge and experience in financial and business matters that it is capable, without reliance on the Administrative Agent, any other Lender or any of their respective related parties, of evaluating the merits and risks (including tax, legal, regulatory, accounting and other financial matters) of entering into this Agreement, making advances and other extensions of credit hereunder and under the other Credit Documents and in taking or not taking actions hereunder and thereunder, (ii) is financially able to bear such risk and (iii) has determined that entering into this Agreement and making advances and other extensions of credit hereunder and under the other Credit Documents is suitable and appropriate for it.

(b) Each Lender acknowledges that it is solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the other Credit Documents and that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their respective related parties and based on such documents and information, as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will,

independently and without reliance upon the Administrative Agent or any other Lender or any of their related parties and based on such documents and information as it shall from time to time deem appropriate, continue to be solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the other Credit Agreements, including but not limited to:

(i) The financial condition, status and capitalization of the Borrower and each other Credit Party;

(ii) The legality, validity, effectiveness, adequacy or enforceability of this Agreement and each other Credit Document and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Credit Document;

(iii) Determining compliance or non-compliance with any condition hereunder to the making of advances or the issuance of Letters of Credit; and

(iv) The adequacy, accuracy and/or completeness of any of the information delivered by the Administrative Agent, any other Lender or by any other Person under or in connection with this Agreement and the other Credit Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Credit Document.

Section 10.04 Certain Rights of the Administrative Agent.

If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Credit Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders; and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders.

Section 10.05 Reliance.

The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document, note, resolution, telex, teletype or telecopier message, cablegram, radiogram, order, or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of any advances, or the issuance of a letter of credit, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the

Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such advances or the issuance of such letter of credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower or any other Credit Party), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. No Lender shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders or refraining from acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders other than with respect to the Administrative Agent's gross negligence or willful misconduct.

Section 10.06 Indemnification

(a) To the extent the Administrative Agent (or any Affiliate thereof in such capacity) is not promptly reimbursed and indemnified by the Borrower, each Lender severally agrees to indemnify the Administrative Agent (and any Affiliate thereof in such capacity) from and against such Lender's ratable share (determined provided below) of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out if the Credit Documents (collectively, the "***Indemnified Costs***"); ***provided, however***, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence or willful misconduct as found in a final, non-appealable judgment by a court of competent jurisdiction; ***provided, further***, that, no action taken or refrained from in accordance with the directions or consent of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this **Section 11.08**. Without limitation of the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for its ratable share of any costs and expenses (including, without limitation, fees and expenses of counsel) payable by the Borrower under **Section 11.01**, to the extent that the Administrative Agent is not promptly reimbursed for such costs and expenses by the Borrower. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this **Section 11.08** applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person and whether or not the Administrative Agent is a party to such investigation, litigation or proceeding.

(b) For purposes of this **Section 10.06**, each Lender's ratable share of any amount shall be determined, at any time, according to the sum of (i) the aggregate principal amount of the advances outstanding at such time and owing to such Lender, (ii) such Lender's pro rata share of the aggregate available amount of all letters of credit outstanding at such time, and (iii) the aggregate unused portions of such Lender's term commitments at such time. The failure of any Lender to promptly reimburse the Administrative Agent upon demand for its ratable share of any amount required to be paid by the Lender parties to the Administrative Agent, as provided herein, shall not relieve any other Lender of its obligation hereunder to reimburse the Administrative Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse the Administrative Agent for such other Lender's ratable share of such amount. Without prejudice to the survival of any other agreement of any

Lender hereunder, the agreement and obligations of each Lender contained in this **Section 10.06** shall survive the payment in full of principal, interest and all other amounts hereunder and under the other Credit Documents.

Section 10.07 The Administrative Agent in Its Individual Capacity.

(a) With respect to its obligation to make Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a "***Lender***" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term "***Lender***", "***Required Lenders***", or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Credit Party or any Affiliate of any Credit Party (or any Person engaged in a similar business with any Credit Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Credit Party or any Affiliate of any Credit Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

(b) Each Lender acknowledges that Cantor Fitzgerald Securities and its respective Affiliates are engaged in wide range of financial services and businesses (including investment management, financing, securities, trading, corporate and investment banking and research) (such services and business are collectively referred to in this **Section 10.07** as "***Activities***") and may engage in the Activities with or on behalf of one or more of the Credit Parties or their respective Affiliates. Furthermore, Cantor Fitzgerald Securities and its respective Affiliates may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for their own account or on behalf of others (including the Credit Parties and their Affiliates and including holding, for their own account or on behalf of others, equity and similar positions in the Borrower, another Credit Party or their respective Affiliates), including trading in or holding long, short or derivative positions in securities, loans or other financial products of one or more of the Credit Parties or their Affiliates. Each Lender understands and agrees that in engaging in the Activities, Cantor Fitzgerald Securities and its respective Affiliates may receive or otherwise obtain information concerning the Credit Parties or their Affiliates (including information concerning the ability of the Credit Parties to perform their respective obligations hereunder and under the other Financing Agreements), which information may not be available to any of the Lender parties that are not Affiliates of Cantor Fitzgerald Securities and its respective Affiliates. Except for documents expressly required by any Financing Agreement to be transmitted by the Administrative Agent to the Lender parties, neither the Administrative Agent nor any of its respective Affiliates shall have any duty or responsibility to provide, and shall not be liable for the failure to provide, any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Credit Party or any Affiliate of any Credit Party that may come into the possession of any Administrative Age or any Affiliate thereof or any employee of Administrative Agent thereof.

Section 10.08 Holders.

The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

Section 10.09 Resignation by the Agents.

(a) Either Agent may resign from the performance of all its respective functions and duties hereunder and/or under the other Credit Documents at any time by giving 10 Business Days' prior written notice to the Lenders and, unless a Default or an Event of Default under **Section 9.05** then exists, the Borrower; ***provided*** that such resignation shall only take effect upon the appointment of a successor Agent pursuant to **clauses (b)** and **(c)** below or as otherwise provided below. In addition, the Required Lenders shall have the right, at any time, with or without cause, to remove the Administrative Agent.

(b) Upon receipt of any such notice of resignation by either Agent, the Required Lenders shall have the right to appoint a successor Agent hereunder or thereunder who shall be reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld, conditioned or delayed (***provided*** that the Borrower's approval shall not be required if an Event of Default under **Section 9.01** then exists).

(c) If a successor Agent shall not have been so appointed within such 10 Business Day period, the applicable Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld, conditioned or delayed, provided that the Borrower's consent shall not be required if an Event of Default under **Section 9.01** or **9.05** then exists), may (but shall not be obligated to) then appoint a successor Agent who shall serve as Administrative Agent or Collateral Agent, as applicable, hereunder and/or thereunder until such time, if any, as the Required Lenders appoint a successor Agent as provided above.

(d) If no successor Agent has been appointed pursuant to **clause (b)** or **(c)** above by the 20th Business Day after the date such notice of resignation was given by the applicable Agent, such Agent's resignation shall become effective (unless a later effective time is agreed to by the resigning Agent) and the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents; ***provided*** that, in the case of collateral security or other Liens (if any) held by the retiring Agent on behalf of the Lenders under any of the Credit Documents, the retiring Agent shall continue to hold such collateral security or other Liens until such time as a successor Agent is appointed. After the effectiveness of any such resignation and until such time, if any, as the Required Lenders appoint a successor Agent as provided above, (i) all payments and communications to be made by, to or through such resigning Agent shall instead be made by or to each applicable Lender directly and (ii) the Required Lenders shall perform all the duties of the resigning Agent, as applicable, hereunder and/or under any other Credit Document.

(e) Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this paragraph). Upon a resignation of either Agent pursuant to this **Section 10.09**, such Agent shall remain indemnified to the extent provided in this Agreement and the other Credit Documents and the provisions of this **Article X** (and the analogous provisions of the other Credit Documents) and **Section 11.01** of this Agreement shall continue in effect for the benefit of such Agent, its sub agents and their respective related parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Administrative Agent under this Agreement.

Section 10.10 Collateral Matters.

(a) Each Lender authorizes and directs the Collateral Agent to enter into the Security Documents for the benefit of the Lenders and the other Secured Creditors. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein or in the applicable Intercreditor Agreement, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Security Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents. The Lenders also hereby authorize the Administrative Agent and Collateral Agent to enter into the DIP ABL Intercreditor Agreement and any other intercreditor agreement contemplated by **Section 8.01** on behalf of the Lenders and to comply with the terms thereof.

(b) The Lenders hereby authorize and direct the Collateral Agent to release any Lien granted to or held by the Collateral Agent upon any Collateral:

(i) upon termination of the Commitments and payment and satisfaction of all of the Obligations (other than inchoate indemnification obligations) at the time arising under or in respect of this Agreement or the Credit Documents or the transactions contemplated hereby or thereby,

(ii) constituting property being sold or otherwise disposed of (to Persons other than a Credit Party) upon the sale or other disposition thereof in compliance with **Section 8.02**,

(iii) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by **Section 11.12**),

(iv) to the extent constituting Excluded Assets,

(v) to the extent provided in the DIP ABL Intercreditor Agreement, or

(vi) as otherwise may be expressly provided in the relevant Security Documents or the last sentence of **Section 8.01**.

Upon request by the Administrative Agent at any time, subject to the DIP ABL Intercreditor Agreement and the Orders, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this **Section 10.10**.

(c) The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Credit Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this **Section 10.10** or in any of the Security Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable decision).

Section 10.11 Delivery of Information.

The Administrative Agent shall not be required to deliver to any Lender originals or copies of any documents, instruments, notices, communications or other information received by the Administrative Agent from any Credit Party, any Subsidiary, the Required Lenders, any Lender or any other Person under or in connection with this Agreement or any other Credit Document except (i) as specifically provided in this Agreement or any other Credit Document and (ii) as specifically requested from time to time in writing by any Lender with respect to a specific document, instrument, notice or other written communication received by and in the possession of the Administrative Agent at the time of receipt of such request and then only in accordance with such specific request.

Section 10.12 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Documents by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective related parties. Each such sub agent and the related parties of the Administrative Agent and each such sub agent shall be entitled to the benefits of all provisions of this Article X and Article XI (as though such sub-agents were the "Agent" under the Credit Documents) as if set forth in full herein with respect thereto; ***provided*** that the Administrative Agent shall not be responsible for the gross negligence or misconduct of any sub agents.

Section 10.13 Withholding.

To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any withholding tax applicable to such payment. Without limiting or expanding the provisions of **Section 4.04**, each Lender shall severally indemnify and hold harmless the Administrative Agent, within 10 days after demand therefor, for any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction in the rate of, withholding Tax ineffective, or because of a Lender's failure to comply with the provisions of **Section 11.04** relating to the maintenance of a Participant Register). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this **Section 10.12**. The agreements in this **Section 10.12** shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

ARTICLE XI.
MISCELLANEOUS.

Section 11.01 Payment of Expenses, etc.

(a) The Borrower hereby agrees to:

(i) whether or not the transactions herein contemplated are consummated, pay all reasonable out-of-pocket costs and expenses of the Administrative Agent (including, without limitation, the reasonable fees and disbursements of the Administrative Agent's advisors and the Lenders' advisors, but, prior to an Event of Default, limited, in the case of outside legal counsel, to reasonable fees and disbursements of each of (u) Davis Polk & Wardwell LLP as primary counsel to the Ad Hoc Crossholder Lender Group, (v) Herrick, Feinstein LLP as primary counsel to the Administrative Agent and to the Collateral Agent, (w) Simpson Thacher & Bartlett LLP as primary counsel to Solus Alternative Asset Management LP, (x) Shearman & Sterling LLP as primary counsel to the Ad Hoc First Lien Lender Group, (y) one additional local counsel in each applicable jurisdiction and (z) one specialist counsel for each applicable specialty) in connection with the preparation, execution, delivery and administration of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and any amendment, waiver or consent relating hereto or thereto, of the Administrative Agent and its Affiliates in connection with its or their syndication efforts with respect to

this Agreement and of the Administrative Agent and, after the occurrence of an Event of Default, each of the Lenders in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings (including, in each case without limitation, the reasonable fees and disbursements of (v) Davis Polk & Wardwell LLP as primary counsel to the the Ad Hoc Crossholder Lender Group, (w) Simpson Thacher & Bartlett LLP as primary counsel to Solus Alternative Asset Management LP, (x) Shearman & Sterling LLP as primary counsel to the Ad Hoc First Lien Lender Group, (y) counsel and consultants for the Administrative Agent and, (z) after the occurrence of an Event of Default, counsel for each of the Lenders); and

(ii) indemnify the Administrative Agent, the Collateral Agent and each Lender, and each of their respective affiliates and the respective officers, directors, employees, representatives, agents, affiliates, trustees and investment advisors of the foregoing (each, an "***Indemnified Person***") from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable advisors' fees and disbursements, but limited, in the case of outside legal counsel, to the reasonable fees and disbursements of one counsel for all similarly situated Indemnified Persons, plus, in each case for all similarly situated Indemnified Persons, one additional local counsel in each applicable jurisdiction, one specialist counsel for each applicable specialty and one additional conflict counsel in the event of any actual or perceived conflict of interest between Indemnified Persons) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of,

(A) any investigation, litigation or other proceeding (whether or not the Administrative Agent, the Collateral Agent or any Lender is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document or the proceeds of any Term Loans hereunder or the consummation of the Transactions or any other transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or

(B) any Environmental Claim or any liability arising under Environmental Law in connection with the Borrower, any of its Subsidiaries or any of their respective current or former properties (but excluding any losses, liabilities, claims, damages or expenses to the extent incurred by reason of the gross negligence or willful misconduct of the Indemnified Person (as determined by a court of competent jurisdiction in a final and non-appealable decision)); or

(C) the execution or delivery of this Agreement, any other Credit Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or

thereunder or the consummation of the transactions contemplated hereby or thereby; or

(D) any Loan or the use or proposed use of the proceeds therefrom.

To the extent that the undertaking to indemnify, pay or hold harmless the Administrative Agent, the Collateral Agent or any Lender set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law. This **Section 11.01(a)** shall not apply with respect to Taxes other than any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements arising from any non-Tax claim.

(b) To the full extent permitted by applicable law, each party hereto agrees not to assert, and hereby waives, any claim against any other party hereto and any Indemnified Person, on any theory of liability, for special, indirect, consequential or incidental damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Term Loan or the use of the proceeds thereof; ***provided*** that the foregoing shall not limit the Borrower's indemnification and other obligations pursuant to **Section 11.01(a)** above. No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent the liability of such Indemnified Person results from such Indemnified Person's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 11.02 Right of Setoff.

In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, the Collateral Agent and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived to the extent permitted by the Orders, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by the Administrative Agent, the Collateral Agent or such Lender (including, without limitation, by branches and agencies of the Administrative Agent, the Collateral Agent or such Lender wherever located) to or for the credit or the account of the Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent, the Collateral Agent or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to **Section 11.04(b)**, and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of

whether or not the Administrative Agent, the Collateral Agent or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. To the extent permitted by law, each Participant also shall be entitled to the benefits of this **Section 11.02** as though it were a Lender; ***provided*** that such Participant agrees to be subject to **Section 11.06(b)** as though it were a Lender.

Section 11.03 Notices.

(a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telecopier or cable communication) and mailed, telegraphed, telecopied, cabled or delivered: if to any Credit Party, at the address specified opposite its signature below or in the other relevant Credit Documents; if to any Lender, at its address on file with the Administrative Agent; and if to the Administrative Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Borrower and the Administrative Agent. All such notices and communications shall, when mailed, telegraphed, telecopied, or cabled or sent by overnight courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telecopier, except that notices and communications to the Administrative Agent and the Borrower shall not be effective until received by the Administrative Agent or the Borrower, as the case may be.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; ***provided*** that the foregoing shall not apply to notices pursuant to **Article II** unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent and the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; ***provided*** that approval of such procedures may be limited to particular notices or communications.

Section 11.04 Benefit of Agreement; Assignments; Participations.

(a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; ***provided***, ***however***, the Borrower may not assign or transfer any of its rights, obligations or interests hereunder without the prior written consent of the Lenders and, ***provided***, ***further***, that, although any Lender may grant participations to any Person (other than any natural person, the Borrower or any of its Subsidiaries or Affiliates) (each, a "***Participant***") in its rights hereunder, such Lender shall remain a "Lender" for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments or Loans hereunder except as provided in **Sections 2.10** and **11.04(b)**) and the Participant shall not constitute a "Lender" hereunder and, ***provided***, ***further***, that any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and any other Credit Document and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; ***provided***, ***further***, that such agreement or instrument may provide

that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver to the extent such amendment, modification or waiver would:

(i) extend the final scheduled maturity of any Loan or Note in which such Participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the total Commitments or a mandatory prepayment of the Loans shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Loan shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof),

(ii) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement or

(iii) release all or substantially all of the Collateral under all of the Security Documents (except as expressly provided in the Credit Documents) supporting the Loans and Commitments hereunder in which such Participant is participating.

In the case of any such participation, except as otherwise set forth in **Section 11.04(e)**, the Participant shall not have any rights under this Agreement or any of the other Credit Documents (the Participant's rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the Participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined as if such Lender had not sold such participation.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related outstanding Obligations (or, if the Commitments have terminated, outstanding Obligations) hereunder to any Lender, an Affiliate of any Lender or an Approved Fund; or (y) assign all, or if less than all, a portion equal to at least $1,000,000 (or such lesser amount as the Administrative Agent and, so long as no Event of Default then exists and is continuing, the Borrower may otherwise agree) in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations (or, if the Commitments have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single assignor or Eligible Transferee (as applicable) (if any)), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement, ***provided*** that:

(i) at such time, **Schedule 2.01** shall be deemed modified to reflect the Commitments and/or outstanding Loans, as the case may be, of such new Lender and of the existing Lenders,

(ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender's indemnifying the Borrower for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrower's expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of **Section 2.04** (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Loans, as the case may be,

(iii) the consent of the Administrative Agent shall be required in connection with any such assignment pursuant to **clause (y)** above (such consent, in any case, not to be unreasonably withheld, delayed or conditioned),

(iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption Agreement via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent) and

(v) no such transfer or assignment will be effective until recorded by the Administrative Agent on the Register pursuant to **Section 11.15**.

To the extent of any assignment pursuant to this **Section 11.04(b)**, the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Loans. To the extent that an assignment of all or any portion of a Lender's Commitments and related outstanding Obligations pursuant to **Section 2.10** or this **Section 11.04(b)** would, at the time of such assignment, result in increased costs under **Section 2.07** from those being charged by the respective assigning Lender prior to such assignment, then the Borrower shall not be obligated to pay such increased costs (although the Borrower, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

(c) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank or other central bank in support of borrowings made by such Lender from such Federal Reserve Bank or other central bank, any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this **clause (c)** shall release the transferor Lender from any of its obligations hereunder.

(d) Any Lender which assigns all of its Commitments and/or Loans hereunder in accordance with **Section 11.04(b)** shall cease to constitute a "Lender" for all purposes hereunder; ***provided*** that the indemnification provisions under this Agreement (including, without limitation, **Sections 2.07**, **4.04**, **10.06**, **10.12**, **11.01** and **11.06**) shall survive as to such Lender solely with respect to the period of time that such Person constituted a Lender.

(e) The Borrower agrees that each Participant shall be entitled to the benefits of **Sections 2.07** and **4.04** (subject to the requirements and limitations therein (it being understood that the documentation required under **Section 4.04(e)** shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment; ***provided*** that such Participant (A) agrees to be subject to the provisions of **Section 2.10** as if it were an assignee under **paragraph (b)** of this Section; and (B) shall not be entitled to receive any greater payment under **Sections 2.07** or **4.04**, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Term Loans or other obligations under the Credit Documents (the "***Participant Register***"); ***provided*** that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

Section 11.05 No Waiver; Remedies Cumulative.

No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

Section 11.06 Payments Pro Rata.

(a) Except as otherwise provided in this Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its pro rata

share of any such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise), which is applicable to the payment of the principal of, or interest on, the Loans, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; ***provided*** that (i) if all or any portion of such excess amount is thereafter recovered from such Lenders, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant.

Section 11.07 Computations.

All computations of interest and other Fees hereunder shall be made on the basis of a year of 360 days (except for interest calculated by reference to the Prime Lending Rate, which shall be based on a year of 365 days or 366 days, as applicable) for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or Fees are payable.

Section 11.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL.

(a) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL, EXCEPT AS OTHERWISE PROVIDED IN ANY MORTGAGE, BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK (WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES) AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT MAY BE BROUGHT IN THE BANKRUPTCY COURT AND, IF THE BANKRUPTCY COURT DOES NOT HAVE, OR ABSTAINS FROM, JURISDICTION, THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, IN EACH CASE WHICH ARE LOCATED IN THE COUNTY OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT, THE BORROWER HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE EXCLUSIVE JURISDICTION OF THE

AFORESAID COURTS. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT, ANY LENDER OR THE HOLDER OF ANY NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE BORROWER IN ANY OTHER JURISDICTION.

(b) THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN **CLAUSE (a)** ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER CREDIT DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

(d) For the avoidance of doubt, each of the parties to this Agreement hereby agrees and acknowledges that (i) it is the intention of the parties hereto that the execution and performance of this Agreement is intended to be governed by the laws of the State of New York, (ii) the choice of New York law was bona fide and there was no collusion or fraud in respect of such choice of law, and (iii) significant negotiations with respect to this Agreement and the other Credit Documents have taken place in the State of New York.

Section 11.09 Counterparts.

This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Administrative Agent. Delivery of an executed signature page to this Agreement by facsimile transmission or in electronic (e.g., "pdf" or "tif") format shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 11.10 [Reserved].

Section 11.11 Headings Descriptive.

The headings of the several sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

Section 11.12 Amendment or Waiver; etc.

(a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the respective Credit Parties party hereto or thereto and the Required Lenders (with a copy to the Administrative Agent if not a party thereto) (or the Administrative Agent with the consent of and at the direction of such Required Lenders) (although additional parties may be added to (and annexes may be modified to reflect such additions), and Subsidiaries of the Borrower may be released from, the Subsidiary Guaranty and the Security Documents in accordance with the provisions thereof without the consent of the other Credit Parties party thereto or the Required Lenders), ***provided*** that no such change, waiver, discharge or termination shall, without the consent of each Lender (with Obligations being directly affected in the case of following **clauses (i)(y)**, **(vii)** and **(ix)** or whose Obligations are being extended in the case of following **clause (i)(x)**) (or the Administrative Agent with the consent of and at the direction of such Lender):

(i) (x) extend the final scheduled maturity of any Loan or Note or (y) reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with the waiver of applicability of any post-default increase in interest rates), or reduce (or forgive) the principal amount thereof;

(ii) release all or substantially all of the Collateral (except as expressly provided in the Credit Documents) under all the Security Documents;

(iii) release all or substantially all of the value of the Subsidiary Guaranty (except to the extent the release of any Subsidiary from its Guaranteed Obligations is expressly permitted hereunder);

(iv) amend, modify or waive any provision of this **Section 11.12(a)** or any other provision of this Agreement expressly requiring consent of all Lenders;

(v) reduce the "majority" voting threshold specified in, or otherwise amend or modify, the definition of "Required Lenders";

(vi) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement;

(vii) increase the Commitment of such Lender;

(viii) amend, modify or waive any provision of **Section 4.01(a)** (with respect to pro rata payments), **Section 4.02(g)** (with respect to pro rata payments) or **11.06** or any other pro rata sharing provision;

(ix) amend, modify or waive any provision of **Section 9.1(a)** of the Security Agreement in a manner that would alter the order of payments specified therein; or

(x) amend, modify or waive any provision of **Section 11.04(b)** in any manner that adversely affects a Lender's ability to assign its Loans or Commitments;

provided, ***further***, that no such change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the total Commitments or a mandatory repayment of the Loans shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender), (2) without the consent of the Administrative Agent, amend, modify or waive any provision of **Article X** or any other provision of this Agreement or any other Credit Document as same relates to the rights or obligations of the Administrative Agent, (3) without the consent of the Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent, (4) except as provided by operation of any Requirement of Law or in the DIP ABL Intercreditor Agreement, subordinate the Liens granted hereunder or under the other Credit Documents to any other Lien, in each case without the prior written consent of each Lender, (5) except as provided by operation of law or otherwise permitted hereunder, amend or modify the Superpriority Claims status of the Obligations under the Orders or under any Credit Document; or extend the effective date of any Acceptable Plan of Reorganization set forth in **Section 7.16**, without the consent of the Required Lenders.

(b) Notwithstanding anything to the contrary contained in this **Section 11.12**, (x) Security Documents (including any Additional Security Documents) and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be amended, supplemented and waived with the consent of the Administrative Agent, the Collateral Agent and the Borrower without the need to obtain the consent of any other Person if such amendment, supplement or waiver is delivered in order (i) to cure ambiguities, omissions, mistakes or defects or (ii) to cause such Security Document or other document to be consistent with this Agreement and the other Credit Documents and (y) if following the Closing Date, the Administrative Agent and any Credit Party

shall have jointly identified an ambiguity, inconsistency, obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents (other than the Security Documents), then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if, solely in the case of **clause (y)**, the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

Section 11.13 Survival.

All indemnities (other than those provided under **Section 4.04**) set forth herein including, without limitation, in **Sections 2.07**, **10.06** and **11.01**, shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations. For the avoidance of doubt, the indemnity set forth in **Section 4.04** shall survive as described in **Section 4.04(i)**.

Section 11.14 Domicile of Loans.

Each Lender may transfer and carry its Loans or Commitments at, to or for the account of any office, Subsidiary or Affiliate of such Lender.

Section 11.15 Register.

The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain a register (the "***Register***") on which it will record the Commitments from time to time of each of the Lenders, the Loans made by each of the Lenders, the stated interest, and each repayment in respect of the principal amount of the Loans of each Lender. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Loans. With respect to any Lender, the transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Loans shall be recorded by the Administrative Agent on the Register upon and only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to **Section 11.04(b)**. The entries in the Register shall be conclusive absent manifest error, and the Borrower and the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable times and from time to time upon reasonable prior notice. Upon such acceptance and recordation, the assignee specified therein shall be treated as a Lender for all purposes of this Agreement. Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Loan, and thereupon one or more new Notes in the same

aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The Borrower agrees to indemnify the Administrative Agent from and against any and all losses, claims, damages and liabilities of whatsoever nature which may be imposed on, asserted against or incurred by the Administrative Agent in performing its duties under this **Section 11.15**, unless caused by the Administrative Agent's gross negligence or willful misconduct (in each case as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 11.16 Confidentiality.

(a) Subject to the provisions of **clause (b)** of this **Section 11.16**, each of the Administrative Agent, the Collateral Agent and each Lender (solely for purposes of this **Section 11.16**, the Administrative Agent, the Collateral Agent and each Lender are collectively referred to as the "***Lenders***") agrees that it will not disclose without the prior consent of the Borrower (other than to its employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender's holding or parent company in its sole discretion determines that any such party should have access to such information, provided that such Persons shall be subject to the provisions of this **Section 11.16** to the same extent as such Lender) any information with respect to the Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender (including, in the case of Agents, their counsel) may disclose any such information:

(i) as has become generally available to the public other than by virtue of a breach of this **Section 11.16(a)** by the respective Lender,

(ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors,

(iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation (***provided*** that, unless specifically prohibited by applicable law, such Lender shall make reasonable efforts to notify the Borrower promptly of any such request or requirement),

(iv) in order to comply with any law, order, regulation or ruling applicable to such Lender (***provided*** that, unless specifically prohibited by applicable law, such Lender shall make reasonable efforts to notify the Borrower promptly of any such request or requirement),

(v) to the Administrative Agent or the Collateral Agent, and

(vi) to any prospective or actual transferee or participant in connection with any contemplated transfer or participation of any of the Notes, Loans or Commitments or any interest therein by such Lender, ***provided*** that such prospective transferee agrees to be bound by the confidentiality provisions contained in this **Section 11.16**.

(b) The Borrower hereby acknowledges and agrees that each Lender may share with any of its affiliates and agents, and such affiliates and agents may share with such Lender, any information related to the Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of the Borrower and its Subsidiaries), provided that such Persons shall be subject to the provisions of this **Section 11.16** to the same extent as such Lender.

Section 11.17 PATRIOT Act; Beneficial Ownership Certification.

Each Lender subject to the USA PATRIOT Act hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower and the other Credit Parties and other information that will allow such Lender to identify the Borrower and the other Credit Parties in accordance with the USA PATRIOT Act and, to the extent the Borrower qualifies as a "legal entity customer" under the Beneficial Ownership Regulation, a Beneficial Ownership Certification in relation to the Borrower, including, for the avoidance of doubt, a duly executed IRS Form W-9.

Section 11.18 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Credit Document, the interest paid or agreed to be paid under the Credit Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "***Maximum Rate***"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 11.19 DIP ABL Intercreditor Agreement.

Reference is made to the DIP ABL Intercreditor Agreement. Each Lender hereby agrees that it will be bound by and will take no actions contrary to the provisions of the DIP ABL Intercreditor Agreement and authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the DIP ABL Intercreditor Agreement on behalf of such Lender. The foregoing provisions are intended as an inducement to the Lenders under this Agreement to extend credit and such Lender are intended as third party beneficiaries of such provisions and the DIP ABL Intercreditor Agreement. Each Credit Party understands that the DIP ABL Intercreditor Agreement will be for the sole benefit of the ABL Claimholders or similar term (as defined in the DIP ABL Intercreditor Agreement) and the Term Loan Claimholders or similar term (as defined in the DIP ABL Intercreditor Agreement) and their respective successors and assigns, and that such Credit Party is not an intended beneficiary or third party beneficiary thereof (except as expressly provided therein).

Section 11.20 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 11.21 Certain ERISA Matters

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more ERISA Plans in connection with the Loans or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable, and the conditions of such exemption have been satisfied, with respect to

such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, and (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (a) through (g) of Part I of PTE 84-14.

(b) In addition, unless **sub-clause (i)** in the immediately preceding **clause (a)** is true with respect to a Lender, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that none of the Administrative Agent or any of its Affiliates is a fiduciary with respect to the assets of such Lender involved in the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related to hereto or thereto).

The Administrative Agent hereby informs the Lenders that it is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans or the Commitments for an amount less than the amount being paid for an interest in the Loans or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Credit Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term-out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

For purposes of this **Section 11.21**, "ERISA Plan" shall mean any of (a) an "employee benefit plan" (as defined in ERISA) that is subject to Title I of ERISA, (b) a "plan" as defined in Section 4975 of the Code that is subject to Section 4975 of the Code or (c) any Person whose assets include (for purposes of ERISA Section 3(42) or otherwise for purposes of Title I of ERISA or Section 4975 of the Code) the assets of any such "employee benefit plan" or "plan".

ARTICLE XII.
Real Property Leases

Section 12.01 Special Rights with Respect to Real Property Leases.

(a) No Credit Party shall, nor shall it permit any of its Subsidiaries to, pursuant to Section 365 of the Bankruptcy Code, reject or otherwise terminate (including, without limitation, as a result of the expiration of the assumption period provided for in Section 365(d)(4) of the Bankruptcy Code to the extent applicable) (x) a Material Lease or (y) during the continuance of an Event of Default, a Real Property Lease, in each case, without first providing 30 days' prior written notice to the Administrative Agent (unless such notice provision is waived by the Administrative Agent (with the consent of the Required Lenders) during which time the Administrative Agent shall be permitted to find an acceptable (in the Administrative Agent's good faith and reasonable discretion (with the consent of the Required Lenders)) replacement lessee (which may include the Administrative Agent, any Lender or their respective Affiliates) to whom such lease may be assigned. If a prospective assignee is not found within such 30-day notice period, the Credit Party may proceed to reject such lease If such a prospective assignee is timely found, the Credit Parties shall (i) not seek to reject such lease, (ii) promptly withdraw any previously filed rejection motion, (iii) promptly file a motion seeking expedited relief and a hearing on the earliest court date available for purposes of assuming such lease and assigning it to such prospective assignee and (iv) cure any defaults that have occurred and are continuing under such lease unless the Borrower and the Administrative Agent (with the consent of the Required Lenders) agree that any such cure obligation is overly burdensome on the cash position of the Debtors with such agreement not to be unreasonably withheld; *provided* that this Section 12.01(a) shall not apply to Real Property Leases that are rejected on the effective date of an Acceptable Plan of Reorganization. For the avoidance of doubt, it is understood and agreed that on or prior to the 30th day prior to the Automatic Rejection Date, the Credit Parties shall have delivered (and hereby agree to deliver) written notice to the Administrative Agent of each outstanding Real Property Lease that they intend to reject (including, without limitation, through automatic rejection on the Automatic Rejection Date, to the extent applicable) from and after the date of such notice (or, if applicable, notice that the Credit Parties will seek to extend the Automatic Rejection Date as provided in Section 365(d)(4) of the Bankruptcy Code); *provided* that if the Credit Parties fail to deliver any such notice to the Administrative Agent prior to such date with respect to any such Real Property Lease (or a notice indicating that no such Real Property Leases shall be rejected), the Credit Parties shall be deemed, for all purposes hereunder, to have delivered notice to the Administrative Agent as of such date that it intends to reject all outstanding Real Property Leases.

(b) If an Event of Default shall have occurred and be continuing, the Administrative Agent may exercise any Debtor's rights pursuant to section 365(f) of the Bankruptcy Code with respect to any Real Property Lease or group of Real Property Leases and, subject to the Bankruptcy Court's approval after notice and hearing, assign any such Real Property Lease in accordance with section 365 of the Bankruptcy Code notwithstanding any language to the contrary in any of the applicable lease documents or executory contracts. In connection with the exercise of such rights, the Administrative Agent may (w) access the leasehold interests of the Credit Parties in any such Real Property Lease(s) for the purposes of marketing such property or properties for sale, (x) find an acceptable (in the Administrative Agent's good faith and reasonable discretion (with the consent of the Required Lenders)) replacement lessee (which may include the Adminis-

trative Agent or its designee, any Lender or their respective Affiliates) to whom a Real Property Lease may be assigned, (y) hold, and manage all aspects of, an auction or other bidding process to find such reasonably acceptable replacement lessee, and (z) in connection with any such auction, agree, on behalf of the Credit Parties and subject to Bankruptcy Court approval, to a break-up fee or to reimburse fees and expenses of any stalking horse bidder up to an amount not to exceed 3.00% of the purchase price of such Real Property Lease and may make any such payments on behalf of such Credit Party and any amount used by the Administrative Agent to make such payments shall, at the election of the Administrative Agent, at the written direction of the Required Lenders in their reasonable discretion and subject to satisfaction of the conditions in Section 7.03, be deemed a borrowing of Term Loans hereunder. Upon receipt of notice that the Administrative Agent elects to exercise its rights under this Section 12.01(b), the Credit Parties shall promptly file a motion seeking expedited relief and a hearing on the earliest court date available for purposes of assuming such Real Property Lease and assigning it to such assignee and cure any defaults that have occurred and are continuing under such Real Property Lease. Notwithstanding the foregoing, this Section 12.01(b) shall not apply to Real Property Leases that are rejected on the effective date of an Acceptable Reorganization Plan. Notwithstanding anything to the contrary in this Section 11.01(b), or any consent or direction of the Required Lenders, in no event shall any Real Property Lease be assigned to the Administrative Agent without the express written consent of the Administrative Agent in its sole discretion.

(c) If an Event of Default shall have occurred and be continuing, the Administrative Agent shall have the right, at the written direction of the Required Lenders, to direct any Debtor that is a lessee under a Real Property Lease to assign such Real Property Lease to the Administrative Agent or its designee, on behalf of the Administrative Agent and the Lenders, as collateral for the Obligations and to direct such Debtor lessee to assume such Real Property Lease to the extent assumption is required under the Bankruptcy Code as a prerequisite to such assignment. Upon receipt of notice that the Administrative Agent elects to exercise its rights under this **Section 12.01(c)**, the Credit Parties shall (i) promptly file a motion seeking expedited relief and a hearing on the earliest court date available for purposes of, if necessary, assuming such Real Property Lease and assigning it to the Administrative Agent and (ii) cure any defaults that have occurred and are continuing under such Real Property Lease. Notwithstanding the foregoing, this Section 12.01(c) shall not apply to Real Property Leases that are rejected on the effective date of an Acceptable Reorganization Plan. Notwithstanding anything to the contrary in this Section 11.01(c), or any consent or direction of the Required Lenders, in no event shall any Real Property Lease be assigned to the Administrative Agent without the express written consent of the Administrative Agent in its sole discretion.

(d) Any order of the Bankruptcy Court approving the assumption (but not the assignment) of any Real Property Lease shall specifically provide that the applicable Debtor shall be authorized to assign such Real Property Lease pursuant to section 365(f) of the Bankruptcy Code subsequent to the date of such assumption designated by the Administrative Agent.

(e) No Credit Party shall, nor shall it permit any of its Subsidiaries to, pursuant to section 365 of the Bankruptcy Code, sell or assign a Real Property Lease without first providing fifteen (15) days' prior written notice to the Administrative Agent (unless such notice provision is waived by the Administrative Agent (with the consent of the Required Lenders)) of any hearing in the Bankruptcy Court seeking approval of a sale or assignment, and the Administrative

Agent, on behalf of the Administrative Agent and the Lenders, shall be permitted to credit bid forgiveness of some or all of the outstanding Obligations in respect of the DIP Term Facility (in an amount equal to at least the consideration offered by any other party in respect of such assignment) as consideration in exchange for any such Real Property Lease. In connection with the exercise of any of the Administrative Agent's rights under Sections 12.01(b) and 12.01(c) to direct or compel a sale or assignment of any Real Property Lease, the Administrative Agent, on behalf of the Administrative Agent and the Lenders, shall be permitted to credit bid forgiveness of a portion of the Indebtedness (in an amount equal to at least the consideration offered by any other party in respect of such sale or assignment) outstanding under the Term Loans in exchange for such Real Property Lease.

If any Credit Party is required to cure any monetary default under any Real Property Lease under this Section 11.01, or otherwise in connection with any assumption of such Real Property Lease pursuant to section 365 of the Bankruptcy Code, and such monetary default is not cured within five (5) Business Days of the receipt by such Credit Party of notice from the Administrative Agent under Section 12.01(a), (b) or (c) or any other notice from the Administrative Agent requesting the cure of such monetary default, then the Administrative Agent (with the consent of the Required Lenders) may, but shall not be obligated to, cure any such monetary default on behalf of such Credit Party and any such payments shall, at the election of the Administrative Agent, at the written direction of the Required Lenders in their reasonable discretion and subject to satisfaction of the conditions in Section 5.02, be deemed a borrowing of Term Loans hereunder.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized officers to execute and deliver this Agreement as of the date first above written.

Re: Blackhawk Mining LLC Agency Fee Letter

Ladies and Gentlemen:

Reference is made to the Senior Secured Debtor-In-Possession Term Loan Credit Agreement, dated as of the date hereof (as amended, supplemented, restated and otherwise modified from time to time, the "DIP Credit Agreement"), by and among Blackhawk Mining LLC, as borrower ("you" or the "Borrower"), the Lenders from time to time parties thereto, and Cantor Fitzgerald Securities ("us" or "CFS"), as the Administrative Agent. In connection with the DIP Credit Agreement, CFS is pleased to announce that it shall act as the sole administrative agent (in such capacity, the "Administrative Agent") and the sole collateral agent (in such capacity, the "Collateral Agent" and together with the Administrative Agent, the "Agent") under the Credit Documents. Capitalized terms not otherwise defined in this fee letter (the "Fee Letter") shall have the same meanings as specified therefor in the DIP Credit Agreement, unless otherwise specified.

In connection with, and in consideration of the agreements contained in, this Fee Letter and the DIP Credit Agreement and the other Credit Documents, you agree as follows:

(e) the aggregate value of the Prepetition ABL Priority Collateral exceeds the aggregate amount of the Prepetition ABL Debt;

(f) as of the Petition Date, other than as expressly permitted under the Prepetition Documents, there were no liens on or security interests in the Prepetition Collateral other than the Prepetition Liens;

(h) no claims, counterclaims, objections, defenses, set-off rights, challenges or causes of action exist against, or with respect to, the Prepetition Secured Parties or any of their respective affiliates, agents, subsidiaries, partners, controlling persons, agents, attorneys, advisors, professionals, officers, directors and employees, whether arising under applicable state or federal law (including, without limitation, any recharacterization, or other equitable relief that might otherwise impair the aforementioned parties or their interest in the Prepetition Collateral, subordination, avoidance or other claims, including any claims or causes of action arising under or pursuant to sections 105, 502(d), 510, 542 through 553(b) or 724(a) of the Bankruptcy Code), in connection with or arising under any Prepetition Documents or the transactions contemplated thereunder or the Prepetition Debt or Prepetition Liens, including without limitation, any right to assert any disgorgement or recovery; and the Debtors and their estates hereby release and discharge any and all such claims, counterclaims, objections, defenses, set-off rights, challenges and causes of actions;

(i) the Debtors hereby absolutely and unconditionally release and forever discharge and acquit the Prepetition Secured Parties and their respective Representatives (as defined below) each solely in their capacity as such (collectively, the "**Released Parties**") from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, debts, accounts, contracts, liabilities, actions and

causes of action arising prior to the Petition Date (collectively, the "**Released Claims**") of any kind, nature or description, whether known or unknown, foreseen or unforeseen or liquidated or unliquidated, arising in law or equity or upon contract or tort or under any state or federal law or otherwise, arising out of or related to (as applicable) the Prepetition Documents, the obligations owing and the financial obligations made thereunder, the negotiation thereof and of the transactions reflected thereby, and the obligations and financial obligations made thereunder, in each case that the Debtors at any time had, now have or may have, or that their successors or assigns hereafter can or may have against any of the Released Parties for or by reason of any act, omission, matter, cause or thing whatsoever arising at any time on or prior to the date of this Final Order, whether such Released Claims are matured, contingent, liquidated, unliquidated, unmatured, known, unknown or otherwise;

(k) all cash, securities or other property of the DIP Loan Parties (and the proceeds therefrom), in each case, constituting Prepetition Collateral, as of the Petition Date, including, without limitation, all cash, securities or other property (and the proceeds therefrom) and other amounts on deposit or maintained by the DIP Loan Parties in any account or accounts (collectively, the "**Depository Institutions**"), in each case, constituting Prepetition Collateral

were subject to rights of set-off under the Prepetition Documents and applicable law, for the benefit of the Prepetition Secured Parties, subject to the priorities set forth in the Prepetition Intercreditor Agreements. All proceeds of the Prepetition Collateral (including cash on deposit at the Depository Institutions as of the Petition Date, securities or other property, whether subject to control agreements or otherwise, in each case that constitutes Prepetition Collateral) are "cash collateral" of the Prepetition Secured Parties within the meaning of section 363(a) of the Bankruptcy Code (the "**Cash Collateral**"), subject to the priorities set forth in the Prepetition Intercreditor Agreements.

7. *Findings Regarding the DIP Financing and Use of Cash Collateral.*

(a) Good and sufficient cause has been shown for the entry of this Final Order and authorization for the DIP Loan Parties to obtain financing pursuant to the DIP Facilities.

(b) The DIP Loan Parties need to obtain the DIP Financing and continue to use the Prepetition Collateral (including Cash Collateral) in order to, among other things, (i) permit the orderly continuation of the operation of their businesses, (ii) maintain business relationships with customers, vendors and suppliers, (iii) pay for the necessary services and materials to maintain compliance with permitting and environmental regulatory requirements, (iv) pay for use of the mining equipment leased from third parties, (v) make payroll, (vi) satisfy other working capital and operational needs, (vii) repay a portion of the Prepetition First Lien Term Loan Debt pursuant to the Term Loan Roll-Up (as defined below), (viii) Repay in Full (as defined below) any remaining Prepetition ABL Debt pursuant to the ABL Roll-Up (as defined below). The access by the DIP Loan Parties to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, incurrence of new indebtedness under the DIP Documents and other financial accommodations provided under the DIP Documents are

necessary and vital to the preservation and maintenance of the going concern values of the DIP Loan Parties and to a successful reorganization of the DIP Loan Parties. The terms of the proposed financing are fair and reasonable, reflect the DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration. The adequate protection provided in this Final Order and other benefits and privileges contained herein are consistent with and authorized by the Bankruptcy Code.

(c) The Prepetition ABL Secured Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens (to the extent set forth on **Exhibit A** hereto), and the DIP ABL Agent and the DIP ABL Lenders would not be willing to provide the DIP ABL Facility or extend credit to the Debtors thereunder without the inclusion of the ABL Roll-Up. Moreover, the conversion and roll-up of all outstanding Prepetition ABL Obligations into the DIP ABL Obligations will create availability under the DIP ABL Facility.

(d) The Prepetition First Lien Term Loan Secured Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens (to the extent set forth on **Exhibit A** hereto), and the Term DIP Lenders would not be willing to provide the Term DIP Facility or extend credit to the Debtors thereunder without the inclusion of the Term Loan Roll-Up.

(e) The DIP Loan Parties are unable to obtain financing on more favorable terms from sources other than the DIP Lenders[14] under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The DIP Loan Parties are also unable to obtain secured credit

[14] **"DIP Lenders"** means, collectively, the DIP ABL Lenders and the Term DIP Lenders.

allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the DIP Loan Parties granting to the DIP Secured Parties, subject to the Carve-Out, the DIP Liens and the DIP Superpriority Claims (as defined below) and, subject to the Carve-Out, incurring the Adequate Protection Obligations (as defined below), in each case, under the terms and conditions set forth in this Final Order and in the DIP Documents.

(f) Based on the Motion, the Puntus Declaration, the First Day Declaration and the record presented to the Court at the Interim Hearing and the Final Hearing, (i) the terms of the DIP Financing, (ii) the terms of the adequate protection granted to the Prepetition Secured Parties as provided in paragraphs 20 and 21 of this Final Order (the "**Adequate Protection**") and (iii) the terms on which the DIP Loan Parties may continue to use the Prepetition Collateral (including Cash Collateral), in each case pursuant to this Final Order and the DIP Documents, are in each case fair and reasonable, reflect the DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties, constitute reasonably equivalent value and fair consideration, and represent the best financing presently available.

(g) To the extent such consent is required, the Prepetition Secured Parties have consented or are deemed under the Prepetition Intercreditor Agreements to have consented to the DIP Loan Parties' use of Cash Collateral and the other Prepetition Collateral, and the DIP Loan Parties' entry into the DIP Documents, in accordance with and subject to the terms and conditions set forth in this Final Order and the DIP Documents.

(h) The DIP Financing, the Adequate Protection and the use of the Prepetition Collateral (including Cash Collateral) have been negotiated in good faith and at arm's length among the DIP Loan Parties, the DIP Agents and the DIP Lenders, and all of the DIP Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP

Financing and the DIP Documents, including, without limitation: (i) all loans made to and guarantees issued by the DIP Loan Parties pursuant to the DIP Documents (the "**DIP Loans"**) and any "**Obligations**" and "**DIP ABL Obligations**" (as defined in the DIP Credit Agreements) shall be deemed to have been extended by the DIP Agents and the DIP Lenders and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Agents and the DIP Lenders (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Final Order or any provision hereof is reversed or modified on appeal. The Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the DIP Loan Parties' continued use of the Prepetition Collateral (including Cash Collateral) to fund the administration of the DIP Loan Parties' estates and continued operation of their businesses (including the incurrence and payment of the Adequate Protection Obligations and the granting of the Adequate Protection Liens (as defined below)), in accordance with the terms hereof, and the Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 363(m) of the Bankruptcy Code in the event that this Final Order or any provision hereof is reversed or modified on appeal.

(i) The Prepetition Secured Parties are entitled to the Adequate Protection provided in this Final Order as and to the extent set forth herein pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code. Based on the Motion, the Puntus Declaration, the First Day Declaration and the record presented to the Court, the terms of the proposed Adequate Protection arrangements and of the use of the Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the DIP Loan Parties' prudent exercise of business judgment

consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral (including Cash Collateral); *provided* that nothing in this Final Order or the DIP Documents shall (x) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of Cash Collateral other than on the terms set forth in this Final Order and in the context of the DIP Financing authorized by this Final Order, (y) be construed as a consent by any party to the terms of any other financing or any other lien encumbering the Prepetition Collateral (whether senior or junior) or (z) prejudice, limit or otherwise impair the rights of any of the Prepetition Secured Parties, subject to any applicable provisions of the Prepetition Intercreditor Agreements, to seek new, different or additional adequate protection or assert the interests of any of the Prepetition Secured Parties.

(j) Payment of the Prepetition ABL Debt and a portion of the Prepetition First Lien Term Loan Debt pursuant to the ABL Roll-Up and Term Loan Roll-Up, respectively, reflect the DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties.

(k) The Debtors have prepared and delivered to DIP Agents and the DIP Lenders an initial budget (the "**Initial Budget**"), a copy of which is attached to the Motion as **Schedule 1** to **Exhibit A**. The Initial Budget reflects the Debtors' anticipated cash receipts and anticipated disbursements for each calendar week during the period from the Petition Date through and including the end of the thirteenth (13th) calendar week following the Petition Date (the Initial Budget and each subsequent budget approved pursuant to the DIP Documents (an "**Approved Budget**")). The Debtors believe that the Initial Budget is reasonable under the facts and circumstances. The DIP Agents and the DIP Lenders are relying, in part, upon the Debtors' covenants in the DIP Credit Agreements with respect to the Approved Budget, the other DIP

Documents and this Final Order in determining to enter into the postpetition financing arrangements provided for in this Final Order.

(l) For the reasons set forth in the Motion, the Puntus Declaration and the First Day Declaration, absent granting the relief set forth in this Final Order, the DIP Loan Parties' estates would face significant business disruption resulting in irreparable harm. Consummation of the DIP Financing and the use of Prepetition Collateral (including Cash Collateral), in accordance with this Final Order and the DIP Documents are therefore in the best interests of the DIP Loan Parties, their estates and their creditors. The terms of this Final Order and the DIP Facilities are fair and reasonable under the circumstances, reflect the DIP Loan Parties' exercise of their prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration.

8. *Authorization of the DIP Financing and the DIP Documents.*

(a) In addition to the authority granted in the Interim Order, the DIP Loan Parties are authorized to execute, enter into and perform all obligations under the DIP Documents. The DIP ABL Borrowers are authorized to forthwith borrow money pursuant to the DIP ABL Credit Agreement, and the DIP ABL Guarantors are authorized to guaranty DIP ABL Obligations, in each case up to an aggregate principal or face amount equal to $90 million under the DIP ABL Facility, together with applicable interest, protective advances, expenses, fees and other charges payable in connection with the DIP ABL Facility, subject in each case to any limitations on borrowing under the DIP ABL Financing Documents, which shall be used for all purposes permitted under the DIP Documents, including, without limitation, to roll-up and refinance the Prepetition ABL Debt as provided herein, to provide working capital for the DIP Loan Parties and to pay interest, fees and expenses in accordance with this Final Order and the

DIP Documents (including any indemnification obligations). The DIP Loan Parties are authorized to forthwith borrow money pursuant to the Term DIP Credit Agreement, and the Term DIP Guarantors are hereby authorized to guaranty the DIP Loan Parties' Term DIP Obligations with respect to such borrowings, in each case up to an aggregate principal amount equal to $50 million of New Money Term DIP Loans and $100 million of Term DIP Roll-Up Loans, together with applicable interest, protective advances, expenses, fees and other charges payable in connection with the Term DIP Facility, subject to any limitations on borrowing under the Term DIP Documents, which shall be used for purposes permitted under the DIP Documents, including, without limitation, to roll-up and refinance a portion of the Prepetition First Lien Term Loan Debt as provided herein and to pay interest, fees and expenses in accordance with this Final Order and the DIP Documents (including any indemnification obligations).

(b) In furtherance of the foregoing and without further approval of this Court and in addition to the authority granted in the Interim Order, each Debtor is authorized to perform all acts, to make, execute and deliver all instruments and documents (including, without limitation, the execution or recordation of security agreements, mortgages, deeds of trust and financing statements), and to pay all fees that may be reasonably required or necessary for the DIP Loan Parties to implement the terms of, performance of their obligations under or effectuate the purposes of and transactions contemplated by this Final Order or the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents or other modifications to and under the DIP Documents, in each

case, in such form as the DIP Loan Parties, the DIP Agents, the Required DIP ABL Lenders (as defined in the DIP ABL Credit Agreement, the "**Required DIP ABL Lenders**") and the Required Lenders (as defined in the Term DIP Credit Agreement, the "**Required Term DIP Lenders**," and together with the Required DIP ABL Lenders, the "**Required DIP Lenders**"), as applicable, may agree, it being understood that no further approval of the Court shall be required for authorizations, amendments, waivers, consents or other modifications to and under the DIP Documents (and any fees and other expenses (including any attorneys', accountants', appraisers' and financial advisors' fees), amounts, charges, costs, indemnities and other obligations paid in connection therewith) that do not shorten the maturity of the extensions of credit thereunder, increase the aggregate commitments or the rate of interest payable thereunder, or effect any other material amendments;

(iii) the non-refundable payment to the DIP Agents and/or the DIP Lenders, as the case may be, of all fees (which fees, in each case, were, and were deemed to have been approved upon entry of the Interim Order, and which fees shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of the indemnification obligations, in each case referred to in the DIP Credit Agreements (and in any separate letter agreements between any or all DIP Loan Parties, on the one hand, and any of the DIP Agents and/or DIP Lenders, on the other, in connection with the DIP Financing) and the costs and expenses as may be due from time to time, including, without limitation, fees and expenses of the professionals retained by any of the DIP Agents or DIP Lenders, including, without limitation, the reasonable and documented

fees and expenses of (i) Hogan Lovells US LLP as primary counsel to the DIP ABL Agent, Morris, Nichols, Arsht & Tunnell LLP as bankruptcy and Delaware counsel to the DIP ABL Agent, and a single local counsel to the DIP ABL Agent in each other applicable jurisdiction, (ii) Herrick Feinstein LLP as primary counsel to the Term DIP Agent and Prepetition First Lien Term Loan Agent and a single local counsel to the Term DIP Agent and Prepetition First Lien Term Loan Agent in each applicable jurisdiction, (iii) Stroock & Stroock & Lavan LLP as primary counsel to the Prepetition Second Lien Term Loan Agent and a single local counsel to the Prepetition Second Lien Term Loan Agent in each applicable jurisdiction, (iv) Davis Polk & Wardwell LLP as primary counsel to an ad hoc group of Term DIP Lenders, Prepetition First Lien Term Loan Lenders and Prepetition Second Lien Term Loan Lenders (the "**Crossover Group**"), a single local counsel to the Crossover Group in each applicable jurisdiction, and (v) Shearman & Sterling LLP as primary counsel to certain of the Prepetition First Lien Term Loan Lenders (the "**First Lien Group**"), and a single local counsel to the First Lien Group, in each case, as provided for in the DIP Documents, without the need to file retention motions or fee applications or to provide notice to any party, but subject to paragraphs 20(c) and 21(c) of this Final Order; and

(iv) the performance of all other acts required under or in connection with the DIP Documents, including the granting of the DIP Liens and DIP Superpriority Claims and perfection of the DIP Liens and DIP Superpriority Claims as permitted herein and therein.

(c) Upon execution and delivery of the DIP Documents, each of the DIP Documents shall constitute valid, binding and non-avoidable obligations of the DIP Loan Parties, fully enforceable against each DIP Loan Party in accordance with the terms of the DIP Documents and this Final Order. No obligation, payment, transfer or grant of security under the

DIP Documents or this Final Order to the DIP Agents (including their Representatives) and/or the DIP Lenders (including their Representatives) shall be stayed, restrained, voidable or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, 548 or 549 of the Bankruptcy Code, any applicable Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or other similar state statute or common law), or subject to any defense, reduction, setoff, recoupment, recharacterization, subordination, disallowance, impairment, cross-claim, claim or counterclaim.

(d) No DIP Lender or DIP Agent shall have any obligation or responsibility to monitor any DIP Loan Party's use of the DIP Financing, and each DIP Lender or DIP Agent may rely upon each DIP Loan Party's representations that the amount of DIP Financing requested at any time and the use thereof, are in accordance with the requirements of this Final Order, the DIP Documents, and Bankruptcy Rule 4001(c)(2).

(e) The Debtors and the financial institutions where the Debtors' Cash Collection Accounts (as defined below) are maintained (including those accounts identified in any Cash Management Order), are authorized and directed to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP ABL Agent. For the avoidance of doubt, except to the extent expressly set forth in the DIP ABL Financing Documents, all prepetition practices and procedures for the payment and collection of proceeds of the Prepetition ABL Priority Collateral, the turnover of cash, the delivery of property to the Prepetition ABL Agent and the Prepetition ABL Lenders, including any control agreements and any other similar lockbox or blocked depository bank account arrangements, are hereby approved and shall continue without interruption and shall apply to the DIP ABL Facility. Without limiting the general applicability of the immediately preceding sentence, and

notwithstanding anything contrary in this Final Order, from and after the date of the entry of the Interim Order, all collections and proceeds of any Prepetition ABL Priority Collateral and other DIP ABL Priority Collateral and all Cash Collateral (other than identifiable net proceeds of DIP Term Loan Priority Collateral and except as otherwise set forth in the DIP ABL Credit Agreement) that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall be promptly deposited in the same lock-box and/or deposit accounts into which the collections and proceeds of the Prepetition ABL Priority Collateral were deposited under the Prepetition ABL Financing Documents (or in such other accounts as are designated by the DIP ABL Agent from time to time) (collectively, the "**Cash Collection Accounts**") for application in accordance with this Final Order, which accounts (except as otherwise set forth in the DIP ABL Credit Agreement) shall be subject to the sole dominion and control of the DIP ABL Agent until the discharge of the DIP ABL Facility. Unless otherwise agreed to in writing by the DIP ABL Agents and the Prepetition ABL Agents, or otherwise provided for herein, the Debtors shall maintain no accounts except those identified in this Final Order or in any cash management order entered by the Court (a "**Cash Management Order**").

9. *DIP Intercreditor Agreement*. The DIP Loan Parties are hereby authorized and directed to execute, enter into and perform under the intercreditor agreement among the DIP Loan Parties, the DIP ABL Agent and the Term DIP Agent, substantially in the form attached to the DIP Credit Agreements (the "**DIP ICA**"). For the avoidance of doubt the DIP ICA shall be deemed a DIP Document hereunder.

10. *Payment of the Prepetition ABL Debt*. The DIP Loan Parties are hereby authorized to (x) perform the transactions and undertakings contemplated hereby and in the

Interim DIP Order, which are hereby approved in all respects, (y) to use the proceeds of the DIP ABL Financing to roll-up and refinance the remainder of the Prepetition ABL Debt, including interest and fees through the date of repayment (at the non-default contract rate) (the "**Final ABL Roll-Up**," and together with the Interim ABL Roll-Up (as defined in the Interim DIP Order), the "**ABL Roll-Up**"), and the amounts so rolled-up and refinanced, the "**ABL Roll-Up Loans**"), which roll-up and refinancing shall be indefeasible upon the occurrence of the ABL Discharge and shall be entitled to all the priorities, privileges, rights, and other benefits afforded to the other DIP Obligations under this Final Order and the DIP Loan Documents, and (z) use the proceeds of the DIP ABL Financing to pay any fees, charges or expenses incurred by the Prepetition ABL Agent prior to the Petition Date, but which are posted after the payoff of the Prepetition ABL Debt. The foregoing transactions in respect of the Prepetition ABL Debt shall be indefeasible upon the ABL Discharge. Subject to the terms and conditions contained in this Final Order (including, without limitation, the DIP Liens (as defined below) granted hereunder and the Carve-Out (as defined below)), any and all prepetition or postpetition liens and security interests (including, without limitation, any adequate protection replacement liens at any time granted to the Prepetition ABL Secured Parties by this Court) that the Prepetition ABL Secured Parties have or may have in the Collateral shall (a) continue to secure the unpaid portion of any Prepetition ABL Debt (including, without limitation, any Prepetition ABL Debt subsequently reinstated after the repayment thereof) and (b) be junior and subordinate in all respects to the Carve-Out and otherwise have the priorities set forth on **Exhibit A** attached hereto (such liens and security interests of the Prepetition ABL Secured Parties are hereinafter referred to as the "**ABL Indemnification Liens,**" and any such unpaid or reinstated Prepetition ABL Debt described in clause (a) of this sentence is hereinafter referred to as the "**Prepetition ABL**

Indemnification Obligations"). Any surviving obligations as set forth in any DIP Document, Prepetition Documents, any payoff letter related to the Prepetition ABL Debt and/or any documents related to the foregoing, including, without limitation, any indemnification of the Prepetition ABL Secured Parties and the ABL Indemnification Liens, shall continue and survive the ABL Discharge and the other transactions described in this paragraph and shall not be discharged pursuant to a chapter 11 plan or any discharge under section 1141 of the Bankruptcy Code.

11. *Payment of the Prepetition First Lien Term Loan Debt*. On the date of each borrowing of New Money Term DIP Loans under the Term DIP Credit Agreement, the Prepetition First Lien Term Loan Debt held by the Term DIP Lenders (or if a Term DIP Lender is a designee of a Prepetition First Lien Term Loan Lender, the Prepetition First Lien Term Loan Debt held by such designating Prepetition First Lien Term Loan Lender) shall, subject to paragraph 31 hereof, immediately, automatically and irrevocably be deemed to have been converted into Term DIP Roll-Up Loans in an amount equal to $2.00 for each $1.00 of the New Money Term DIP Loans funded on such date (the "**Term Loan Roll-Up**"), which Term DIP Roll-Up Loans shall be entitled to all the priorities, privileges, rights, and other benefits afforded to the other DIP Obligations under this Final Order and the DIP Loan Documents, in each case subject to the terms and conditions set forth in this Final Order, the DIP Documents and the reservation of rights of parties in interest in paragraph 31 below.

12. *Carve-Out*

(a) As used in this Final Order, the "**Carve Out**" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without

regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the "**Allowed Professional Fees**") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "**Debtor Professionals**") and the official committee of unsecured creditors (the "**Creditors' Committee**") (if appointed) pursuant to section 328 or 1103 of the Bankruptcy Code (the "**Committee Professionals**" and, together with the Debtor Professionals, the "**Professional Persons**") at any time before or on the first business day following delivery by the Term DIP Agent or the DIP ABL Agent of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed $2,000,000 incurred after the first business day following delivery by the Term DIP Agent or the DIP ABL Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the "**Post-Carve Out Trigger Notice Cap**"). For purposes of the foregoing, "**Carve Out Trigger Notice**" shall mean a written notice delivered by email (or other electronic means) by the Term DIP Agent or the DIP ABL Agent to the Debtors, their lead restructuring counsel, the U.S. Trustee, and counsel to the Creditors' Committee (if appointed) with a copy to the Prepetition First Lien Term Loan Agent (which shall post the same to the Prepetition First Lien Term Loan Lenders), the Prepetition ABL Agent (which shall post the same to the Prepetition ABL Lenders), and the DIP Agent not delivering such notice, which notice may be delivered following the occurrence and during the continuation of an Event of Default (as defined in this

Final Order) and acceleration of the DIP ABL Obligations or the Term DIP Obligations under the DIP ABL Facility or the Term DIP Facility, as applicable, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Fee Estimates. Not later than 7:00 p.m. New York time on the third business day of each week starting with the first full calendar week following the Closing Date, each Professional Person shall deliver to the Debtors a statement setting forth a good-faith estimate of the amount of fees and expenses (collectively, "**Estimated Fees and Expenses**") incurred during the preceding week by such Professional Person (through Saturday of such week, the "**Calculation Date**"), along with a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred through the applicable Calculation Date and a statement of the amount of such fees and expenses that have been paid to date by the Debtors (each such statement, a "**Weekly Statement**"); *provided, that* within one business day of the occurrence of the Termination Declaration Date (as defined below), each Professional Person shall deliver one additional statement (the "**Final Statement**") setting forth a good-faith estimate of the amount of fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation Date for which a Weekly Statement has been delivered and concluding on the Termination Declaration Date. If any Professional Person fails to deliver a Weekly Statement within three calendar days after such Weekly Statement is due, such Professional Person's entitlement (if any) to any funds in the Carve Out Reserves (as defined below) with respect to the aggregate unpaid amount of Allowed Professional Fees for the applicable period(s) for which such Professional Person failed to deliver a Weekly Statement covering such period shall be limited to the aggregate unpaid amount of Allowed Professional Fees included in the Approved Budget for such period for such Professional Person; *provided,*

that such Professional Person shall be entitled to be paid any unpaid amount of Allowed Professional Fees in excess of Allowed Professional Fees included in the Approved Budget for such period for such Professional Person from a reserve to be funded by the Debtors from all cash on hand as of such date and any available cash thereafter held by any Debtor pursuant to paragraph 12(c) below. Solely as it relates to the DIP ABL Agent, the Term DIP Agent, the DIP ABL Lenders, the Term DIP Lenders, the Prepetition ABL Agent, and the Prepetition Secured Parties, any deemed draw and borrowing pursuant to paragraph 12(c)(i)(x) for amounts under paragraph 12(a)(iii) above shall be limited to the greater of (x) the sum of (I) the aggregate unpaid amount of Estimated Fees and Expenses included in such Weekly Statements timely received by the Debtors prior to the Termination Declaration Date *plus*, without duplication, (II) the lesser of (1) the aggregate unpaid amount of Estimated Fees and Expenses included in the Final Statements timely received by the Debtors pertaining to the period through and including the Termination Declaration Date and (2) the Budgeted Cushion Amount (as defined below), and (y) the aggregate unpaid amount of Allowed Professional Fees included in the Approved Budget for the period prior to the Termination Declaration Date (such amount, the "**DIP Professional Fee Carve Out Cap**"). For the avoidance of doubt, at all times, the DIP ABL Agent and the Term DIP Agent shall be entitled to maintain reserves (the "**Carve-Out Reserve**"), including, without limitation, a reserve in an amount (the "**Carve-Out Reserve Amount**")[15] equal to the sum of (i) the greater of (x) the aggregate unpaid amount of Estimated Fees and Expenses included in *all* Weekly Statements timely received by the Debtors, and (y) the aggregate amount of Allowed Professional Fees contemplated to be unpaid in the Approved Budget at the

applicable time, *plus* (ii) the Post-Carve Out Trigger Notice Cap, *plus* (iii) the amounts contemplated under paragraph 12(a)(i) and 12(a)(ii) above, *plus* (iv) an amount equal to the amount of Allowed Professional Fees set forth in the Approved Budget for the then current week occurring after the most recent Calculation Date and the two weeks succeeding such current week (such amount set forth in (iv), regardless of whether such reserve is maintained, the "**Budgeted Cushion Amount**"). Not later than 7:00 p.m. New York time on the fourth business day of each week starting with the first full calendar week following the Closing Date, the Debtors shall deliver to the DIP ABL Agent and the Term DIP Agent a report setting forth the Carve-Out Reserve Amount as of such time, and, in setting the Carve-Out Reserve, the DIP ABL Agent and the Term DIP Agent shall be entitled to rely upon such reports in accordance with the DIP ABL Credit Agreement and section 8.16 the Term DIP Credit Agreement, respectively. Prior to the delivery of the first report setting forth the Carve-Out Reserve Amount, the DIP ABL Agent and the Term DIP Agent shall calculate the Carve-Out Reserve Amount by reference to the Approved Budget for subsection (i) of the Carve-Out Reserve Amount and for the portion of the Carve-Out Reserve Amount attributable to section 12(a)(i).

(c) Carve Out Reserves

(i) On the day on which a Carve Out Trigger Notice is given by the DIP ABL Agent or the Term DIP Agent to the Debtors with a copy to counsel to the Creditors' Committee (if appointed) (the "**Termination Declaration Date**"), the Carve Out Trigger Notice shall (x) be deemed a draw request and notice of borrowing by the Debtors for DIP Loans under the DIP ABL Credit Agreement or the Term DIP Credit Agreement, as applicable (on a pro rata basis based on the then outstanding DIP Commitments), in an amount equal to the sum of (1) the amounts set forth in paragraphs 12(a)(i) and 12(a)(ii) above, and (2) the lesser of (a) the then

unpaid amounts of the Allowed Professional Fees (b) the DIP Professional Fee Carve Out Cap (any such amounts actually advanced shall constitute DIP ABL Loans or Term DIP Loans, as applicable) and (y) also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the sum of the amounts set forth in paragraphs 12(a)(i)–(iii) above. The Debtors shall deposit and hold such amounts in trust in a segregated third-party bank account (in respect of amounts funded by the DIP ABL Lenders or from the DIP ABL Priority Collateral) and the Term DIP Agent in trust (in respect of proceeds of the Term Loan Priority Collateral or the proceeds of the Term DIP Loans) exclusively to pay such then unpaid Allowed Professional Fees (the "**Pre-Carve Out Trigger Notice Reserve**") prior to any and all other claims.

(ii) On the Termination Declaration Date, the Carve Out Trigger Notice shall also (x) be deemed a request by the Debtors for DIP ABL Loans under the DIP ABL Credit Agreement or Term DIP Loans under the Term DIP Credit Agreement, as applicable (on a pro rata basis based on the then outstanding DIP Commitments), in an amount equal to the Post-Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute DIP ABL Loans or Term DIP Loans, as applicable) and (y) constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap. The Debtors shall deposit and hold such amounts in trust in a segregated third-party account with the DIP ABL Agent or the Term DIP Agent (as applicable) to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (the "**Post-Carve Out Trigger Notice Reserve**" and, together with the Pre-Carve Out Trigger Notice Reserve, the "**Carve Out Reserves**") prior to any and all other claims.

(iii) On the first business day after the Term DIP Agent or the DIP ABL Agent gives such notice to such DIP ABL Lenders (as defined in the DIP ABL Credit Agreement), notwithstanding anything in the DIP ABL Credit Agreement to the contrary, including with respect to the existence of a Default (as defined in the DIP ABL Credit Agreement) or Event of Default, the failure of the Debtors to satisfy any or all of the conditions precedent for DIP ABL Loans under the DIP ABL Facility, any termination of the DIP Commitments following an Event of Default, or the occurrence of the Maturity Date, each DIP ABL Lender with an outstanding DIP Revolving Loan Commitment (on a pro rata basis based on the then outstanding DIP Revolving Loan Commitments) shall make available to the DIP ABL Agent such DIP ABL Lender's pro rata share with respect to such borrowing in accordance with the DIP ABL Facility; *provided* that in no event shall the DIP ABL Agent or the DIP ABL Lenders be required to extend DIP ABL Loans pursuant to a deemed draw and borrowing pursuant to paragraphs 12(c)(i)(x) and 12(c)(ii)(x) in an aggregate amount exceeding the Carve-Out Reserve Amount.

(iv) All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve Out set forth above (the "**Pre-Carve Out Amounts**"), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full. If the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (vi), below, all remaining funds in (x) the account funded by the DIP ABL Lenders shall be distributed *first* to the DIP ABL Agent on account of the DIP ABL Obligations until indefeasibly Paid in Full, and *thereafter* for application to the Prepetition ABL Obligations in accordance with the Prepetition ABL Credit Agreement and (y) all remaining funds in the account funded by the Term DIP Lenders shall be distributed to the

Term DIP Agent which shall apply such funds to the Term DIP Obligations in accordance with the Term DIP Credit Agreement until indefeasibly Paid in Full.

(v) All funds in the Post-Carve Out Trigger Notice Reserve, to the extent they exceed the DIP Professional Fee Carve Out Cap, shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the "**Post-Carve Out Amounts**"). If, after such application, the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (vi) below, all remaining funds (x) in respect of the account funded by the DIP ABL Lenders, shall be distributed *first* to the DIP ABL Agent on account of the DIP ABL Obligations until indefeasibly Paid in Full, and *thereafter* for application to the Prepetition ABL Obligations in accordance with the Prepetition ABL Credit Agreement and (y) all remaining funds in the account funded by the Term DIP Lenders shall be distributed to the Term DIP Agent, which shall apply such funds to the Term DIP Obligations in accordance with the Term DIP Credit Agreement until indefeasibly Paid in Full.

(vi) Notwithstanding anything to the contrary in the DIP ABL Documents, the Term DIP Documents or this Final Order, (x) if either of the Carve Out Reserves required to be funded by the DIP ABL Lenders is not funded in full in the amounts set forth in this paragraph, then any excess funds in one of the Carve Out Reserves held in any account funded by the DIP ABL Lenders following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts (subject to the limits contained in the DIP Professional Fee Carve Out Cap and the Post-Carve Out Trigger Notice Cap, respectively) shall be used to fund the other Carve Out Reserve to the extent of any shortfall in funding by the DIP ABL Lenders prior to making any payments to the DIP ABL Agent or the Prepetition ABL Secured Parties, as applicable, and (y) if either of the Carve Out Reserves required to be funded with the proceeds of Prepetition

Term Loan Priority Collateral is not funded in full in the amounts set forth in this paragraph, then any excess funds in one of the Carve Out Reserves held in any account funded by such cash on hand following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts (subject to the Post-Carve Out Trigger Notice Cap), respectively, shall be used to fund the other Carve Out Reserve to the extent of any shortfall in funding by the cash on hand prior to making any payments to the Term DIP Agent or the Prepetition Secured Parties, as applicable.

(vii) Notwithstanding anything to the contrary in the DIP ABL Documents, the Term DIP Documents or this Final Order, following delivery of a Carve Out Trigger Notice, the DIP ABL Agent and the Prepetition ABL Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves required to be funded by the DIP ABL Lenders have been fully funded, but the DIP ABL Agent and the Prepetition ABL Agent have a security interest in any residual interest in the Carve Out Reserves held in accounts by the DIP ABL Agent, with any excess paid as provided in paragraphs (iv) and (v) above; and (y) the Term DIP Agent and the Prepetition First Lien Term Loan Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid as provided in paragraphs (iv) and (v) above. The security interests of the DIP ABL Agent and the Term DIP Agent on any residual interest in the Carve Out Reserves shall be shared pro rata based on the amount of funds in the Carve Out Reserves funded by (x) the proceeds of Term DIP Priority Collateral and (y) the DIP ABL Lenders or the DIP ABL Collateral. Further, notwithstanding anything to the contrary in this Final Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not constitute

DIP Loans or increase or reduce the Term DIP Obligations or the DIP ABL Obligations, (ii) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (iii) in no way shall the Initial Budget, Approved Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this Final Order, the Term DIP Facility, the DIP ABL Facility, or in any Prepetition Credit Agreement, the Carve Out shall be senior to all liens and claims securing the Term DIP Facility, the DIP ABL Facility, the Adequate Protection Liens, and the 507(b) Claim, and any and all other forms of adequate protection, liens, or claims securing the Term DIP Obligations, the DIP ABL Obligations, or the Prepetition Secured Obligations.

(d) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(e) No Direct Obligation To Pay Allowed Professional Fees. None of the Term DIP Agent, DIP ABL Agent, DIP ABL Lenders, Term DIP Lenders, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the Term DIP Agent, DIP ABL Agent, the Term DIP Lenders, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse

expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(f) Payment of Carve Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out by the Term DIP Lenders shall be added to, and made a part of, the Term DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Final Order, the DIP Documents, the Bankruptcy Code, and applicable law. Any funding of the Carve Out by the DIP ABL Lenders shall be added to, and made a part of, the DIP ABL Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Final Order, the DIP Documents, the Bankruptcy Code, and applicable law.

13. *DIP Superpriority Claims.* Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the DIP Loan Parties on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the DIP Loan Parties, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 364, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other section of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims (the "**DIP Superpriority Claims**") shall, for purposes of

section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which DIP Superpriority Claims shall be payable from and have recourse to all pre- and postpetition property of the DIP Loan Parties and all proceeds thereof in accordance with the DIP Credit Agreements and this Final Order, subject only to the liens on such property and the Carve-Out. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Final Order or any provision hereof is reversed or modified on appeal. The DIP Superpriority Claims in respect of the DIP ABL Obligations and the Term DIP Obligations shall, without otherwise impairing the lien priorities as set forth herein, be *pari passu* in right of payment with one another and senior to the Adequate Protection Claims; *provided* that the DIP Superpriority Claims in respect of the Term DIP Roll-Up Loans shall be subject and subordinate to the DIP Superpriority Claims in respect of the New Money Term DIP Loans.

14. *DIP Liens.*

(a) *DIP ABL Liens.* As security for the DIP ABL Obligations, effective and perfected as of the date of the Interim Order and without the necessity of the execution, recordation or filing by the DIP ABL Loan Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, any notation of certificates of title for a titled good or the possession or control by the DIP ABL Agent of, or over, any DIP Collateral (including for the avoidance of doubt any DIP ABL Collateral as defined in the DIP ABL Credit Agreement), the following security interests and liens are hereby granted to the DIP ABL Agent for its own benefit and the benefit of the DIP ABL Secured Parties (all property identified in clauses (i)-(iii) below being collectively referred to as the "**DIP ABL Collateral**"), subject only to the payment of the Carve-Out and in each case in accordance

with the priorities set forth in **Exhibit A** hereto (all such liens and security interests granted to the DIP ABL Agent, for its benefit and for the benefit of the DIP ABL Lenders, pursuant to the Interim Order, this Final Order and the DIP ABL Financing Documents, the "**DIP ABL Liens**"):[16]

(i) Liens on Unencumbered Property. Subject to paragraph 14(a)(iv) and pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected (A) first priority senior security interest in and lien upon all tangible and intangible pre- and postpetition property (including mineral rights) of the DIP ABL Loan Parties, whether existing on the Petition Date or thereafter acquired, of the same nature, scope and type as the Prepetition ABL Priority Collateral and the proceeds, products, rents and profits thereof, which shall include any Avoidance Proceeds related to the forgoing ("**DIP ABL Priority Collateral**," which for the avoidance of doubt shall include Prepetition ABL Priority Collateral), and (B) junior security interest in (to the extent set forth on **Exhibit A** hereto) and lien upon all tangible and intangible pre- and postpetition property of the DIP ABL Loan Parties, whether existing on the Petition Date or thereafter acquired, of the same nature, scope and type as the Prepetition Term Loan Priority Collateral, and the proceeds, products, rents and profits thereof, in each case that, on or as of the Petition Date are not subject to either (x) a valid, perfected and non-avoidable lien, or (y) a valid and non-avoidable lien in existence as of the Petition Date that is perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, and in each case other than the Avoidance Actions[17] (but including Avoidance

[16] For the avoidance of doubt, DIP ABL Liens include the New Money DIP ABL Liens and all security interests and liens in respect of the ABL Roll-Up Loans.

[17] "**Avoidance Actions**" means, collectively, claims and causes of action under sections 502(d), 544, 545, 547, 548 and 550 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code.

Proceeds[18]), but in each case subject to the Carve-Out, provided that, solely with respect to the ABL Roll-Up Loans, the security interests and liens granted pursuant to this clause (i) shall not include liens on any real property lease that, as of the Petition Date, was not subject to a valid and perfected lien securing the Prepetition First Lien Term Loans in accordance with the Prepetition First Lien Term Loan Credit Agreement because the consent of the applicable lessor to the creation of a security interest in favor of the Prepetition First Lien Term Lenders was required pursuant to the terms of the applicable real property lease and such consent was not obtained (the "**Specified Excluded Unencumbered Property**");

(ii) Liens Priming Certain Prepetition Secured Parties' Liens. Pursuant to section 364(d)(1) of the Bankruptcy Code: (A) a valid, binding, continuing, enforceable, fully-perfected first priority priming security interest in and lien upon all pre- and postpetition property (including mineral rights) of the DIP Loan Parties of the same nature, scope and type as the Prepetition ABL Priority Collateral, regardless of where located, that are subject to (1) valid, perfected and non-avoidable liens as of the Petition Date or (2) valid and non-avoidable liens as of the Petition Date and that are perfected after the Petition Date to the extent provided by section 546(b) of the Bankruptcy Code, regardless of whether or not any liens on such assets are voided, avoided, invalidated, lapsed or unperfected, which security interest and lien shall prime the Prepetition ABL Liens and the Prepetition Term Liens (the "**DIP ABL Priority Collateral Priming Liens**"), and (B) a valid, binding, continuing, enforceable, fully-perfected priming security interest in and lien upon (with priority as set forth on **Exhibit A** hereto) all pre- and

postpetition property of the DIP Loan Parties that are subject to (1) valid, perfected and non-avoidable liens as of the Petition Date or (2) valid and non-avoidable liens as of the Petition Date and that are perfected after the Petition Date to the extent provided by section 546(b) of the Bankruptcy Code, of the same nature, scope and type as the Prepetition Term Loan Priority Collateral (as defined below), regardless of where located, regardless of whether or not any liens on such assets are voided, avoided, invalidated, lapsed or unperfected, which security interest and lien shall prime the Prepetition ABL Liens and Prepetition Second Lien Term Liens (the "**DIP ABL Term Loan Priority Collateral Priming Liens**," and together with the DIP ABL Priority Collateral Priming Liens, the "**DIP ABL Priming Liens**"). Notwithstanding anything herein to the contrary, but subject to the relative priorities set forth in paragraph 14(c) herein, the DIP ABL Priming Liens shall be (A) subject and junior to the Carve-Out in all respects, (B) junior to (1) valid, perfected and non-avoidable liens, if any, to which the Prepetition ABL Liens are subject, and (2) valid and non-avoidable liens to which the Prepetition ABL Liens are subject and that are perfected after the Petition Date to the extent provided by section 546(b) of the Bankruptcy Code, in each case unless such liens are themselves Prepetition ABL Liens, and (C) not subordinate to any lien, security interest or mortgage that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code; and

(iii) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, and subject to the Carve-Out, a valid, binding, continuing, enforceable, fully-perfected junior security interest (to the extent set forth on **Exhibit A** hereto) in and lien upon (A) all pre- and postpetition property of the Term DIP Loan Parties of the same nature, scope and type as the Prepetition Term Loan Priority Collateral and (B) all pre- and postpetition property of the ABL DIP Loan Parties of the same nature, scope and type as the Prepetition ABL Priority

Collateral that, on or as of the Petition Date, is subject to valid, perfected and non-avoidable senior liens or valid and non-avoidable senior permitted liens in existence immediately prior to the Petition Date or that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, in each case other than the Prepetition ABL Liens.

(iv) Specified Excluded Unencumbered Property. Notwithstanding anything to the contrary in the Motion, the DIP Documents, the Interim Order or this Final Order, in no event shall the Collateral or DIP Collateral include or the DIP Liens attach to any Specified Excluded Unencumbered Property, or any of such relevant Debtor's rights or interests thereunder, if and for so long as the grant of such security interest would constitute or result in: (a) the abandonment, invalidation, unenforceability, or other impairment of any right, title, or interest of any Debtor therein, or (b) in a breach or termination pursuant to the terms of, or a default under, any such lease, license, contract, agreement, or other property right pursuant to any provision thereof, unless, in the case of each of clauses (a) and (b), the applicable provision is rendered ineffective, unenforceable, and/or invalid by applicable non-bankruptcy law or the Bankruptcy Code; *provided that*, the DIP Secured Parties shall not (i) enforce their rights under the applicable DIP Documents purportedly arising from the DIP Liens attached to a Specified Excluded Unencumbered Property absent a subsequent order by this Court or another court with appropriate jurisdiction, after sufficient notice to the applicable counterparty or counterparties to Specified Excluded Unencumbered Property, finding that with respect to whether applicable non-bankruptcy law or the Bankruptcy Code renders such applicable provision ineffective, unenforceable, and/or invalid, or (ii) absent a subsequent order by this Court or another court with appropriate jurisdiction, after sufficient notice to the applicable counterparty or counterparties to Specified Excluded Unencumbered Property, make any of the filings permitted

under paragraph 24 herein in the event such filings relate solely to the DIP Liens attached to Specified Excluded Unencumbered Property. Notwithstanding the foregoing, the DIP Liens shall in all events attach, effective and perfected as of the date of the Interim Order, to all proceeds, products, offspring, or profits from all sales, transfers, dispositions, or monetization of any and all Specified Excluded Unencumbered Property, which for the avoidance of doubt includes all As-Extracted Collateral (as defined in the Security Agreement) from real property subject to a lease that constitutes Specified Excluded Unencumbered Property.

(v) For the avoidance of doubt, notwithstanding anything to the contrary in the Motion, the DIP Documents, the Interim Order or this Final Order, in no event shall the Collateral or the DIP Collateral include or the DIP Liens or Adequate Protection Liens attach to the applicable Counterparty's (as defined below) underlying interest in (i) real property in respect of which any Debtor has a leasehold interest or (ii) coal/minerals in or under such real property, which in each case shall neither be impaired nor encumbered by the terms of the DIP Financing and Adequate Protection granted under the Interim Order and this Final Order.

(b) *Term DIP Liens.* As security for the Term DIP Obligations, effective and perfected as of the date of the Interim Order and without the necessity of the execution, recordation or filing by the Term DIP Loan Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the Term DIP Agent of, or over, any DIP Collateral, the following security interests and liens are hereby granted to the Term DIP Agent for its own benefit and the benefit of the Term DIP Lenders (all property identified in clauses (i)-(iii) below being collectively referred to as the "**Term DIP Collateral**" and, collectively with DIP ABL

Collateral, the "**DIP Collateral**"[19]), subject only to the payment of the Carve-Out and in each case in accordance with the priorities set forth in **Exhibit A** hereto (all such liens and security interests granted to the Term DIP Agent, for its benefit and for the benefit of the Term DIP Lenders, pursuant to the Interim Order, this Final Order and the Term DIP Documents, the "**Term DIP Liens**" and together with the DIP ABL Liens, the "**DIP Liens**"):

(i) Liens on Unencumbered Property. as of the Petition Date are not subject to either (x) a valid, perfected and non-avoidable lien, or (y) a valid and non-avoidable lien in existence as of the Petition Date that is perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, and in each case, other than the Avoidance Actions (but including Avoidance Proceeds), but in each case subject to the Carve-Out, provided that, with respect to the Term DIP Roll-Up Loans, the security interests and liens granted pursuant to this clause (i) shall not include liens on the Specified Excluded Unencumbered Property;

(ii) Liens Priming Certain Prepetition Secured Parties' Liens. Pursuant to section 364(d)(1) of the Bankruptcy Code: (A) a valid, binding, continuing, enforceable, fully-perfected first priority priming security interest in and lien upon all pre- and postpetition property (including mineral rights) of the DIP Loan Parties that are subject to (1) valid, perfected and nonavoidable liens as of the Petition Date or (2) valid and non-avoidable liens as of the Petition Date and that are perfected after the Petition Date to the extent provided by section 546(b) of the Bankruptcy Code, of the same nature, scope and type as the Prepetition Term Loan Priority Collateral, regardless of where located, regardless of whether or not any liens on such assets are voided, avoided, invalidated, lapsed or unperfected, which security interest and lien shall prime the Prepetition ABL Liens and the Prepetition Term Liens (the "**Term DIP Term Loan Priority Collateral Priming Liens**"), and (B) a valid, binding, continuing, enforceable, fully-perfected priming security interest in and lien upon (with priority as set forth on **Exhibit A** hereto) all pre- and postpetition property of the DIP Loan Parties that are subject to (1) valid, perfected and nonavoidable liens as of the Petition Date or (2) valid and non-avoidable liens as of the Petition Date and that are perfected after the Petition Date to the extent provided by section 546(b) of the Bankruptcy Code, of the same nature, scope and type as the Prepetition ABL Priority Collateral,

regardless of where located, regardless of whether or not any liens on such assets are voided, avoided, invalidated, lapsed or unperfected, which security interest and lien shall prime the Prepetition First Lien Term Liens and Prepetition Second Lien Term Liens (the "**Term DIP ABL Priority Collateral Priming Liens**", and together with the Term DIP Term Loan Priority Collateral Priming Liens, the "**Term DIP Priming Liens**"). Notwithstanding anything herein to the contrary, but subject to the relative priorities set forth in paragraph 14(c) herein, the Term DIP Priming Liens shall be (A) subject and junior to the Carve-Out in all respects, (B) junior to (1) valid, perfected and non-avoidable liens, if any, to which the Prepetition Term Liens are subject and (2) valid and non-avoidable liens to which the Prepetition Term Liens are subject and that are perfected after the Petition Date to the extent provided by section 546(b) of the Bankruptcy Code, in each case unless such liens are themselves Prepetition Term Liens, and (C) not subordinate to any lien, security interest or mortgage that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code; and

(iii) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected junior security interest in and lien upon (A) all pre- and postpetition property of the DIP ABL Loan Parties of the same nature, scope and type as the Prepetition ABL Priority Collateral and (B) all pre- and postpetition property of the Term DIP Loan Parties of the same nature, scope and type as the Prepetition Term Loan Priority Collateral that, on or as of the Petition Date, is subject to valid, perfected and non-avoidable senior liens or valid and non-avoidable senior permitted liens in existence immediately prior to the Petition Date or that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, in each case other than the Prepetition Term Liens.

(iv) Specified Excluded Unencumbered Property. Notwithstanding anything to the contrary in the Motion, the DIP Documents, the Interim Order or this Final Order, in no event shall the Collateral or DIP Collateral include or the DIP Liens attach to any Specified Excluded Unencumbered Property, or any of such relevant Debtor's rights or interests thereunder, if and for so long as the grant of such security interest would constitute or result in: (a) the abandonment, invalidation, unenforceability, or other impairment of any right, title, or interest of any Debtor therein, or (b) in a breach or termination pursuant to the terms of, or a default under, any such lease, license, contract, agreement, or other property right pursuant to any provision thereof, unless, in the case of each of clauses (a) and (b), the applicable provision is rendered ineffective, unenforceable, and/or invalid by applicable non-bankruptcy law or the Bankruptcy Code; *provided that*, the DIP Secured Parties shall not (i) enforce their rights under the applicable DIP Documents purportedly arising from the DIP Liens attached to a Specified Excluded Unencumbered Property absent a subsequent order by this Court or another court with appropriate jurisdiction, after sufficient notice to the applicable counterparty or counterparties to Specified Excluded Unencumbered Property, finding that with respect to whether applicable non-bankruptcy law or the Bankruptcy Code renders such applicable provision ineffective, unenforceable, and/or invalid, or (ii) absent a subsequent order by this Court or another court with appropriate jurisdiction, after sufficient notice to the applicable counterparty or counterparties to Specified Excluded Unencumbered Property, make any of the filings permitted under paragraph 24 herein in the event such filings relate solely to the DIP Liens attached to Specified Excluded Unencumbered Property. Notwithstanding the foregoing, the DIP Liens shall in all events attach, effective and perfected as of the date of the Interim Order, to all proceeds, products, offspring, or profits from all sales, transfers, dispositions, or monetization of

any and all Specified Excluded Unencumbered Property, which for the avoidance of doubt includes all As-Extracted Collateral (as defined in the Security Agreement) from real property subject to a lease that constitutes Specified Excluded Unencumbered Property.

(v) For the avoidance of doubt, notwithstanding anything to the contrary in the Motion, the DIP Documents, the Interim Order or this Final Order, in no event shall the Collateral or the DIP Collateral include or the DIP Liens or Adequate Protection Liens attach to the applicable Counterparty's underlying interest in (i) real property in respect of which any Debtor has a leasehold interest or (ii) coal/minerals in or under such real property, which in each case shall neither be impaired nor encumbered by the terms of the DIP Financing and Adequate Protection granted under the Interim Order and this Final Order.

(c) *Relative Priority of Liens*. Notwithstanding anything to the contrary herein, (i) in respect of the Term DIP Collateral, the DIP Liens in respect of the Term DIP Roll-Up Loans (the "**Term DIP Roll-Up Liens**") shall be subject and subordinate to the DIP Liens in respect of the New Money Term DIP Loans (the "**New Money Term DIP Liens**"), and (ii) in respect of the Specified Excluded Unencumbered Property, the DIP Liens in respect of the new money portion of the DIP ABL Facility (the "**New Money DIP ABL Liens**") shall be subject to and subordinate to the New Money Term DIP Liens. Notwithstanding anything to the contrary in the preceding sentence, this Final Order or in the DIP Documents, the relative priority of each DIP Lien granted in this paragraph 14 shall be as set forth in **Exhibit A** attached hereto and the relative priority of the Prepetition ABL Liens, the ABL Indemnification Liens, the Prepetition ABL Adequate Protection Liens, Prepetition Term Liens and the Prepetition Term Loan Adequate Protection Liens shall be as set forth in **Exhibit A** attached hereto; *provided* that, for the avoidance of doubt, each such lien shall be subject and subordinate to the Carve-Out.

(d) *Automatic Effectiveness of Liens.* The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby vacated and modified to permit the DIP Loan Parties to grant the liens and security interests to the DIP Agents, the other DIP Secured Parties and the Prepetition Secured Parties, in any such case, contemplated by this Final Order and the other DIP Documents, and such liens and security interests are hereby automatically granted, attached and perfected.

15. *Protection of DIP Lenders' Rights.*

(a) So long as (1) there are any Term DIP Obligations outstanding or the Term DIP Lenders have any outstanding "Commitments" (as defined, and used, in the Term DIP Credit Agreement) (the "**Term DIP Commitments**") under the Term DIP Credit Agreement, or (2) there is any Prepetition First Lien Term Loan Debt outstanding under the Prepetition First Lien Term Loan Credit Agreement, the Prepetition ABL Secured Parties shall: (i) with respect to the DIP Term Loan Priority Collateral and Prepetition Term Loan Priority Collateral, have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted pursuant to the Prepetition Documents, the Interim Order or this Final Order, or otherwise seek to exercise or enforce any rights or remedies against such DIP Term Loan Priority Collateral and Prepetition Term Loan Priority Collateral, including in connection with the ABL Indemnification Liens, the Prepetition ABL Liens or the Prepetition ABL Adequate Protection Liens; (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, such DIP Term Loan Priority Collateral and Prepetition Term Loan Priority Collateral (but not any proceeds of such transfer, disposition or sale to the extent remaining after payment in cash in full of the Term DIP Obligations and termination of the Term DIP Commitments and payment in cash in full of the Prepetition First Lien Term Loan Debt), to the

extent such transfer, disposition, sale or release is authorized under the DIP Documents; (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in such DIP Term Loan Priority Collateral and Prepetition Term Loan Priority Collateral unless, solely as to this clause (iii), the DIP Agents or the DIP Lenders file financing statements or other documents to perfect the liens granted pursuant to the Interim Order or this Final Order, or as may be required by applicable state law to continue the perfection of valid and non-avoidable liens or security interests as of the Petition Date and (iv) at the request of the Term DIP Agent, deliver or cause to be delivered, at the Term DIP Loan Parties' cost and expense, any termination statements, releases and/or assignments in favor of the Term DIP Agents or the Term DIP Lenders or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of such DIP Term Loan Priority Collateral subject to any sale or disposition permitted by the DIP Documents and this Final Order or in connection with the ABL Discharge.

(b) So long as (1) there are any DIP ABL Obligations outstanding or the DIP ABL Lenders have any outstanding "DIP Revolving Loan Commitment" (as defined, and used, in the DIP ABL Credit Agreement) (the "**DIP ABL Commitments**," and together with the Term DIP Commitments, the "**DIP Commitments**") under the DIP ABL Credit Agreement or (2) there is any Prepetition ABL Debt outstanding (including any Prepetition ABL Indemnification Obligations) under the Prepetition ABL Credit Agreement, the Prepetition Term Loan Secured Parties shall: (i) with respect to the Prepetition ABL Priority Collateral and DIP ABL Priority Collateral, have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted pursuant to the Prepetition Documents, the Interim Order or this Final

Order, or otherwise seek to exercise or enforce any rights or remedies against such Prepetition ABL Priority Collateral and DIP ABL Priority Collateral, including in connection with the Prepetition Term Liens or the Prepetition Term Loan Adequate Protection Liens; (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, such Prepetition ABL Priority Collateral or DIP ABL Priority Collateral (but not any proceeds of such transfer, disposition or sale to the extent remaining after payment in cash in full of the DIP ABL Obligations and Prepetition ABL Debt and termination of the DIP ABL Commitments and "Commitments" as defined under the Prepetition ABL Credit Agreement), to the extent such transfer, disposition, sale or release is authorized under the DIP Documents; (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in such Prepetition ABL Priority Collateral or DIP ABL Priority Collateral unless, solely as to this clause (b), the DIP Agents or the DIP Lenders file financing statements or other documents to perfect the liens granted pursuant to the Interim Order or this Final Order, or as may be required by applicable state law to continue the perfection of valid and non-avoidable liens or security interests as of the Petition Date and (iv) at the request of the DIP ABL Agent or Prepetition ABL Agent, deliver or cause to be delivered, at the DIP ABL Loan Parties' or Prepetition ABL Loan Parties' cost and expense, any termination statements, releases and/or assignments in favor of the DIP ABL Agents or Prepetition ABL Agents or the DIP ABL Lenders or Prepetition ABL Lenders or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of such Prepetition ABL Priority Collateral or DIP ABL Priority Collateral subject to any sale or disposition permitted by the DIP Documents, the Interim Order and this Final Order or in connection with the ABL Discharge.

(c) To the extent any Prepetition ABL Secured Party has possession of any Prepetition ABL Priority Collateral or DIP ABL Priority Collateral or has control with respect to any Prepetition ABL Priority Collateral or DIP ABL Priority Collateral, or has been noted as a secured party on any certificate of title for a titled good constituting Prepetition ABL Priority Collateral or DIP ABL Priority Collateral, then such Prepetition ABL Secured Party shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Agents and the DIP Lenders (subject to the priorities set forth in **Exhibit A** hereto), and it shall comply with the instructions of the DIP ABL Agent with respect to the exercise of such control.

(d) To the extent any Prepetition Term Loan Secured Party has possession of any Prepetition Term Loan Priority Collateral or DIP Term Loan Priority Collateral or has control with respect to any Prepetition Term Loan Priority Collateral or DIP Term Loan Priority Collateral, or has been noted as a secured party on any certificate of title for a titled good constituting Prepetition Term Loan Priority Collateral or DIP Term Loan Priority Collateral, then such Prepetition Term Loan Secured Party shall be deemed to maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Agents and the DIP Lenders (subject to the priorities set forth in **Exhibit A** hereto), and it shall comply with the instructions of the Term DIP Agent with respect to the exercise of such control.

(e) Any proceeds of Prepetition Collateral received by any Prepetition Secured Party in connection with the exercise of any right or remedy (including setoff) relating to the Prepetition Collateral or otherwise received by any Prepetition Secured Party shall be segregated and held in trust for the benefit of and forthwith paid over to the applicable DIP

Agents for the benefit of the applicable DIP Secured Parties (subject to the priorities set forth in **Exhibit A** hereto) in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The DIP Agents are hereby authorized to make any such endorsements as agent for any such Prepetition Secured Party. This authorization is coupled with an interest and is irrevocable.

(f) The automatic stay provisions of section 362 of the Bankruptcy Code are hereby vacated and modified to the extent necessary to permit the DIP Secured Parties in respect of any DIP Facility to enforce all of their rights under the applicable DIP Documents and take any or all of the following actions, at the same or different time, in each case without further order or application of the Court: (i) immediately upon the occurrence of an Event of Default, declare (A) the termination, reduction or restriction of any further DIP Commitment to the extent any such DIP Commitment remains, (B) all DIP Obligations to be immediately due, owing and payable, without presentment, demand, protest, or other notice of any kind, all of which are expressly waived by the DIP Loan Parties; notwithstanding anything herein or in any DIP Document to the contrary, (ii) the termination of the applicable DIP Documents as to any future liability or obligation of the applicable DIP Agent and the applicable DIP Lenders (but, for the avoidance of doubt, without affecting any of the DIP Liens or the DIP Obligations), (iii) subject to the Remedies Notice Period (as defined below), whether or not the maturity of any of the DIP Obligations shall have been accelerated, proceed to protect, enforce and exercise all rights and remedies of the DIP Secured Parties under the DIP Documents for such DIP Facility or applicable law, including, but not limited to, by suit in equity, action at law or other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in any such DIP Document or any instrument pursuant to which such DIP Obligations are evidenced,

and, if such amount shall have become due, by declaration or otherwise, proceed to enforce the payment thereof or any other legal or equitable right of any of such DIP Secured Parties, and (iv) unless this Court orders otherwise during the Remedies Notice Period after a hearing, upon the occurrence of an Event of Default and the giving of five business days' prior written notice (which shall run concurrently with any notice required to be provided under the DIP Documents) (the "**Remedies Notice Period**") via email to counsel to the Debtors and the office of the United States Trustee for the District of Delaware (the "**U.S. Trustee**") to (A) withdraw consent to the DIP Loan Parties' continued use of Cash Collateral and (B) exercise all other rights and remedies provided for in the DIP Documents and under applicable law with respect to the DIP Collateral; *provided*, that no such notice shall be required for any exercise of rights or remedies (A) to block or limit withdrawals from any bank accounts that are a part of the Collateral (including, without limitation, by sending any control activation notices to depositary banks pursuant to any control agreement) or (B) in the event of DIP Obligations that have not been Paid in Full (other than contingent indemnification obligations as to which no claim has been asserted) on the applicable termination of the respective DIP Document.

(g) During the Remedies Notice Period, the DIP Loan Parties shall be permitted to use Cash Collateral solely to (A) pay payroll and other critical administrative expenses to keep the business of the DIP Loan Parties operating, strictly in accordance with the Approved Budget and (B) fund the Carve-Out. During the Remedies Notice Period, the Debtors, the Committee (if appointed) and/or any party in interest shall be entitled to seek an emergency hearing with the Court within the Remedies Notice Period. The Debtors have irrevocably waived their right to seek relief under the Bankruptcy Code, including, without limitation, under section 105 of the Bankruptcy Code, to the extent that such relief would in any way impair or

restrict the rights or remedies of the DIP Secured Parties set forth in this Final Order or the DIP Documents.

(h) In no event shall the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral. Further, in no event shall the "equities of the case" exception in section 552(b) of the Bankruptcy Code apply to the secured claims of the Prepetition Secured Parties.

(i) No rights, protections or remedies of the DIP Agents or the DIP Lenders granted by the provisions of this Final Order or the DIP Documents shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent of any party to the DIP Loan Parties' authority to continue to use Cash Collateral; (ii) any actual or purported termination of the DIP Loan Parties' authority to continue to use Cash Collateral; or (iii) the terms of any other order or stipulation related to the DIP Loan Parties' continued use of Cash Collateral or the provision of adequate protection to any party.

(j) Except to the extent the DIP Lenders are required to fund the Carve Out as set forth in this Final Order, the DIP Agents and DIP Lenders shall have no obligation to make any loan or advance under the DIP Documents, unless all of the conditions precedent to the making of such extension of credit under the DIP Documents and this Final Order have been satisfied in full or waived in writing by the applicable DIP Agent and in accordance with the terms of the applicable DIP Documents.

16. *Proceeds of Subsequent Financing*. Without limiting the provisions and protections of Paragraph 14 above, but subject in all respects to the Carve-Out, if at any time prior to the Repayment in Full in accordance with the DIP Documents of all the DIP Obligations

(through and including the effective date of any chapter 11 plan or plans with respect to any of the Debtors), the Debtors' estates, any trustee, any examiner with enlarged powers, or any responsible officer subsequently appointed shall obtain credit or incur debt pursuant to sections 364(b), 364(c), 364(d), or any other provision of the Bankruptcy Code in violation of this Final Order or the DIP Documents, then all of the cash proceeds derived from such credit or debt and all Cash Collateral shall immediately be turned over to the DIP Agents for application to the DIP Obligations, in accordance with the priorities set forth herein, until such DIP Obligations are Paid in Full.

17. *Limitation on Charging Expenses Against Collateral*. Subject to the Carve-Out, no costs or expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Collateral (including Cash Collateral) pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior express written consent of each of the DIP Agents, the Prepetition Agents (in the case of the Prepetition ABL Agent, prior to the ABL Discharge) and the Prepetition Lenders, as the case may be, that holds a lien on the relevant asset, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Agents, the DIP Lenders, the Prepetition Agents or the Prepetition Lenders, and nothing contained in this Final Order shall be deemed to be a consent by the DIP Agents, the DIP Lenders or the Prepetition Secured Parties to any charge, lien, assessment or claim against the Collateral under section 506(c) of the Bankruptcy Code or otherwise.

18. *Payments Free and Clear*. Any and all payments or proceeds remitted to the DIP Agents by, through or on behalf of the DIP Lenders pursuant to the provisions of the Interim

Order, this Final Order, the DIP Documents or any subsequent order of the Court shall be irrevocable, received free and clear of any claim, charge, assessment or other liability, including without limitation, any such claim or charge arising out of or based on, directly or indirectly, sections 506(c) or 552(b) of the Bankruptcy Code, whether asserted or assessed by, through, or on behalf of the Debtors.

19. *Use of Cash Collateral*. The DIP Loan Parties are hereby authorized, subject to the terms and conditions of this Final Order, to use Cash Collateral; *provided* that (a) the Prepetition Secured Parties are granted the Adequate Protection as hereinafter set forth and (b) except on the terms and conditions of this Final Order, the DIP Loan Parties shall be prohibited from at any time using the Cash Collateral absent further order of the Court.

20. *ABL Indemnification Liens and Adequate Protection of Prepetition ABL Secured Parties*. The Prepetition ABL Secured Parties are entitled to (a) the ABL Indemnification Liens and (b) pursuant to sections 361, 362, 363(e), 364(d)(1) and 507 of the Bankruptcy Code, adequate protection of their interests in all Prepetition Collateral, including Cash Collateral, in an amount equal to the aggregate diminution in the value of the Prepetition ABL Secured Parties' interests in the Prepetition Collateral (including Cash Collateral) from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, without limitation, any such diminution resulting from the depreciation, sale, lease or use by the DIP Loan Parties (or other decline in value) of the Prepetition Collateral, the priming of the Prepetition ABL Liens by the DIP Liens pursuant to the DIP Documents and this Final Order and/or the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code (the "**Prepetition ABL Adequate Protection Claim**"). In consideration of the foregoing, the Prepetition ABL Secured

Parties are hereby granted the following, in each case, subject to the Carve-Out (collectively, the "**Prepetition ABL Secured Parties Adequate Protection Obligations**"):

(a) ABL Indemnification Liens and Prepetition ABL Adequate Protection Liens. The Prepetition ABL Agent (for itself and for the benefit of the Prepetition ABL Lenders) is hereby granted (effective and perfected as of the date of the Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements), (i) to secure payment of any and all Prepetition ABL Indemnification Claims and the ABL Indemnification Liens and (ii) to secure payment of any and all of the Prepetition ABL Adequate Protection Claims, a valid, perfected replacement security interest in and lien (the "**Prepetition ABL Adequate Protection Liens**") (subject to the limitations set forth above) upon the Collateral, except for the Specified Excluded Unencumbered Property, in accordance with the priorities shown in **Exhibit A** and in each case subject to the Carve-Out.

(b) Prepetition ABL Section 507(b) Claim. The Prepetition ABL Secured Parties are granted against each of the DIP Loan Parties on a joint and several basis an allowed superpriority administrative expense claim as provided for in section 507(b) of the Bankruptcy Code in the amount of the Prepetition ABL Adequate Protection Claim with, except as set forth in this Final Order, priority in payment over any and all administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code (the "**Prepetition ABL 507(b) Claim**"). The Prepetition ABL 507(b) Claim shall be subject and subordinate only to the Carve-Out and the DIP Superpriority Claims granted in respect of the DIP Obligations and shall be *pari passu* with the Prepetition First Lien Term Loan 507(b) Claim (as defined below) and senior in all respects to the Prepetition Second Lien Term Loan 507(b) Claim (as defined below).

Except to the extent expressly set forth in this Final Order or the DIP Credit Agreements, the Prepetition ABL Secured Parties shall not receive or retain any payments, property or other amounts in respect of the Prepetition ABL 507(b) Claim unless and until the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and any claims having a priority superior to or *pari passu* with the DIP Superpriority Claims have indefeasibly been Paid in Full and the DIP Commitments have been terminated. For purposes of this Final Order, the terms "Paid in Full," "Repaid in Full," "Repay in Full," and "Payment in Full" shall mean, with respect to any referenced DIP Obligations and/or Prepetition Debt, (i) the indefeasible payment in full in cash of such obligations, (ii) the termination or cash collateralization, in accordance with the DIP Documents and/or Prepetition Documents, as applicable, of all undrawn letters of credit and Banking Services Obligations outstanding thereunder, and (iii) the termination of all commitments under the DIP Documents and/or the Prepetition Debt Documents, as applicable.

(c) Prepetition ABL Agent Fees and Expenses. The Prepetition ABL Agent shall receive from the DIP Loan Parties, for the benefit of the Prepetition ABL Lenders, current cash payments of the reasonable and documented prepetition and postpetition fees and expenses with respect to Prepetition ABL Debt under the Prepetition ABL Financing Documents, including, but not limited to, the reasonable and documented fees and expenses of counsel for the Prepetition ABL Agent (including Hogan Lovells US LLP as primary counsel to the Prepetition ABL Agent, Morris, Nichols, Arsht & Tunnell LLP as bankruptcy and Delaware counsel to the Prepetition ABL Agent, one local counsel to the Prepetition ABL Agent in each other applicable jurisdiction) promptly upon receipt of invoices therefor. The Prepetition ABL Agent shall provide summary form fee and expense statements (i.e., without any detail) to the DIP Loan

Parties, the U.S. Trustee, and any Committee, which may be redacted for privileged information. If no written objection is received by 12:00 p.m., prevailing Eastern Time, on the date that is ten (10) business days after delivery of such invoice to the Debtors, the U.S. Trustee, and any Committee, the DIP Loan Parties shall promptly pay such invoices. If an objection to a professional's invoice is timely received, the DIP Loan Parties shall promptly pay the undisputed amount of the invoice and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. The Prepetition ABL Agent (and each of its professionals) shall not be required to comply with U.S. Trustee fee guidelines or file applications or motions with, or obtain approval of, the Court for the payment of any of their out-of-pocket costs, fees, expenses, disbursements and other charges. Payments of any amounts set forth in this paragraph are not subject to recharacterization, avoidance, subordination or disgorgement.

(d) Prepetition ABL Secured Parties' Cash Payments. Subject to reallocation or recharacterization as payment of principal under sections 506(a) and (b) of the Bankruptcy Code, the Prepetition ABL Secured Parties shall receive current cash payments in the amount of interest on the outstanding principal at the non-default rate under the Prepetition ABL Credit Agreement prior to the ABL Discharge.

(e) Information Rights. Until the occurrence of the ABL Discharge, the Debtors shall promptly provide the Prepetition ABL Agent, on behalf of itself and the Prepetition ABL Lenders, with all required written financial reporting and other periodic reporting that is delivered by any of the DIP Loan Parties under the DIP Documents. In addition, the Debtors shall upon reasonable advance notice, permit the Prepetition ABL Agent, on behalf of itself and the Prepetition ABL Lenders, to conduct field audits, collateral examinations, liquidation

valuations, and inventory appraisals at reasonable times in respect of any or all of the Collateral in accordance with the terms and conditions set forth in the Prepetition ABL Financing Documents.

21. *Adequate Protection of Prepetition Term Loan Secured Parties.* The Prepetition Term Loan Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1) and 507 of the Bankruptcy Code, to adequate protection of their interests in all Prepetition Collateral, for and equal in amount to the aggregate diminution in the value of the Prepetition Term Loan Secured Parties' interests in the Prepetition Collateral from and after the Petition Date, if any, including, without limitation, any such diminution resulting from the depreciation, sale, lease or use by the DIP Loan Parties (or other decline in value) of the Prepetition Collateral, the priming of the Prepetition Term Liens by the DIP Liens pursuant to the DIP Documents, the Interim Order and this Final Order and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code, (the "**Prepetition Term Loan Parties Adequate Protection Claim**" and, together with the Prepetition ABL Adequate Protection Claim, the "**Adequate Protection Claims**"); *provided*, that the avoidance of any Prepetition Term Loan Secured Parties' interests in Prepetition Collateral shall not constitute diminution in the value of such Prepetition Term Loan Secured Party's interests in Prepetition Collateral. As adequate protection of the Prepetition Term Loan Parties Adequate Protection Claim, the Prepetition Term Loan Secured Parties are hereby granted the following, in each case subject to the Carve-Out (collectively, the "**Prepetition Term Loan Adequate Protection Obligations**" and, together with the Prepetition ABL Secured Parties Adequate Protection Obligations, the "**Adequate Protection Obligations**"):

(a) Prepetition Term Loan Adequate Protection Liens. The Prepetition First Lien Term Loan Agent, on behalf of the Prepetition First Lien Term Loan Secured Parties, and the Prepetition Second Lien Term Loan Agent, on behalf of the Prepetition Second Lien Term Loan Secured Parties, are each hereby granted (effective and perfected as of the date of the Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements), in the amount of the applicable Prepetition Term Loan Parties Adequate Protection Claim held by such Prepetition Term Loan Secured Parties, a replacement security interest in and lien (the "**Prepetition Term Loan Adequate Protection Liens**" and, together with the Prepetition ABL Adequate Protection Liens, the "**Adequate Protection Liens**") (subject to the limitations set forth above) upon the Collateral, except for the Specified Excluded Unencumbered Property, in accordance with the priorities shown in **Exhibit A** and in each case subject to the Carve-Out.

(b) Prepetition Term Loan Secured Parties Section 507(b) Claim. The Prepetition First Lien Term Loan Secured Parties are granted, subject to the Carve-Out, allowed superpriority claims as provided for in section 507(b) of the Bankruptcy Code, junior to the DIP Superpriority Claims (the "**Prepetition First Lien Term Loan 507(b) Claim**"). The Prepetition Second Lien Term Loan Secured Parties are granted, subject to the Carve-Out, allowed superpriority claims as provided for in section 507(b) of the Bankruptcy Code, junior to the DIP Superpriority Claims, the Prepetition ABL 507(b) Claim and the Prepetition First Lien Term Loan 507(b) Claim (the "**Prepetition Second Lien Term Loan 507(b) Claim**" and, together with the Prepetition First Lien Term Loan 507(b) Claim, the "**Prepetition Term Loan 507(b) Claims**," and the Prepetition Term Loan 507(b) Claims together with the Prepetition ABL 507(b) Claim, the "**507(b) Claims**"). If the Prepetition First Lien Term Loan Secured Parties

holding 66.67% of the Prepetition First Lien Term Loan Debt waive the requirement that their Prepetition Term Loan 507(b) Claims be paid in full in cash, then the Prepetition Second Lien Term Loan Secured Parties will also be deemed to waive such requirement. The Prepetition First Lien Term Loan 507(b) Claim shall be subject and subordinate to only the Carve-Out and the DIP Superpriority Claims granted in respect of the DIP Obligations and shall be *pari passu* with the Prepetition ABL 507(b) Claim. The Prepetition Second Lien Term Loan 507(b) Claim shall be subject and subordinate to only the Carve-Out, the Prepetition First Lien Term Loan 507(b) Claim, the Prepetition ABL 507(b) Claim and the DIP Superpriority Claims granted in respect of the DIP Obligations. Except to the extent expressly set forth in this Final Order or the DIP Credit Agreements, the Prepetition Term Loan Secured Parties shall not receive or retain any payments, property or other amounts in respect of the Prepetition Term Loan 507(b) Claim unless and until the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and any claims having a priority superior to or *pari passu* with the DIP Superpriority Claims have indefeasibly been Paid in Full and the DIP Commitments have been terminated.

(c) Prepetition Term Loan Secured Parties' Fees and Expenses. The Prepetition Term Loan Agents shall receive from the DIP Loan Parties, for the benefit of the Prepetition Term Loan Lenders, current cash payments of the reasonable and documented prepetition and postpetition fees and expenses of the Prepetition Term Loan Agents under the Prepetition Term Loan Documents, including, but not limited to, the reasonable and documented fees and disbursements of one counsel and one local counsel in each applicable jurisdiction for each of the Prepetition Term Loan Agents. The DIP Loan Parties shall also pay all reasonable and documented prepetition and postpetition fees and expenses of: (i) the Crossover Group, to

the extent not already paid, including the reasonable and documented fees and expenses of Davis Polk & Wardwell LLP, as counsel to the Crossover Group, Simpson Thacher & Bartlett LLP, as counsel to Solus Alternative Asset Management LP (a member of the Crossover Group), one local counsel to the Crossover Group in each applicable jurisdiction, if retained; and (ii) the First Lien Group, to the extent not already paid, including the reasonable and documented fees and expenses of Shearman & Sterling LLP, as counsel, one local counsel to the First Lien Group in each applicable jurisdiction, if retained. The Prepetition Term Loan Agents, the Crossover Group, and the First Lien Group shall provide summary form fee and expense statements (i.e., without any detail) to the DIP Loan Parties, the U.S. Trustee, and any Committee, which may be redacted for privileged information. If no written objection is received by 12:00 p.m., prevailing Eastern Time, on the date that is ten (10) business days after delivery of such invoice to the Debtors, the U.S. Trustee, and any Committee, the DIP Loan Parties shall promptly pay such invoices. If an objection to a professional's invoice is timely received, the DIP Loan Parties shall promptly pay the undisputed amount of the invoice and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. The Prepetition Term Loan Agents, the Crossover Group, and the First Lien Group (and each of their professionals) shall not be required to comply with U.S. Trustee fee guidelines or file applications or motions with, or obtain approval of, the Court for the payment of any of their out-of-pocket costs, fees, expenses, disbursements and other charges. Payments of any amounts set forth in this paragraph are not subject to recharacterization, avoidance, subordination or disgorgement.

(e) Information Rights. The Debtors shall promptly provide the Prepetition Term Loan Agents, on behalf of itself and the Prepetition Term Loan Lenders, with all required written

financial reporting and other periodic reporting that is delivered by any of the DIP Loan Parties under the DIP Documents, including the Approved Budget and any related variance reporting. In addition, the Debtors shall provide the Prepetition Term Loan Agents, on behalf of itself and the Prepetition Term Loan Lenders, with reasonable access to the Debtors' officers, management, books and records, premises and properties in accordance with the terms and conditions set forth in the Prepetition Term Loan Financing Documents.

22. *Adequate Protection Liens and Prepetition Intercreditor Agreements.* Notwithstanding anything to the contrary herein, the Adequate Protection Liens shall retain the same priority between and among the Prepetition Secured Parties as the liens such parties held prior to the Petition Date pursuant to and as governed by the Prepetition Intercreditor Agreements, and the Prepetition Intercreditor Agreements shall continue in full force and effect and nothing herein shall be construed as modifying, amending, waiving or in any way impacting the effectiveness and enforceability thereof. The Prepetition ABL Lenders and the Prepetition First Lien Term Loan Lenders each consent to the priming of their respective Prepetition Liens by the DIP Liens and the Adequate Protection Liens, and the Prepetition Second Lien Term Loan Lenders are deemed to consent to the priming of their Prepetition Second Lien Term Liens by the DIP Liens and the Adequate Protection Liens pursuant to the terms of the Prepetition Intercreditor Agreements, in each case where and to the extent set forth on **Exhibit A** hereto.

23. *Reservation of Rights of Prepetition Secured Parties*. Subject to the terms of the Prepetition Intercreditor Agreements, all rights of the Prepetition Secured Parties to request further or different adequate protection other than what is provided in this Final Order are fully reserved.

24. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) In addition to the authority granted in the Interim Order, the DIP Agents, the DIP Lenders and the Prepetition Secured Parties are authorized, but not required, to file or record (and to execute in the name of the DIP Loan Parties, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over cash or securities or other property, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Agents (on behalf of the DIP Lenders) or the Prepetition Secured Parties shall, in their sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over any cash or securities or other property, or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination (subject to the priorities set forth in this Final Order), at the time and on the date of entry of the Interim Order or thereafter. Upon the request of a DIP Agent, each of the Prepetition Secured Parties and the DIP Loan Parties, without any further consent of any party, is authorized to take, execute, deliver and file such instruments (in each case, without representation or warranty of any kind) to enable the applicable DIP Agent to further validate, perfect, preserve and enforce the DIP Liens. All such documents will be deemed to have been recorded and filed as of the Petition Date.

(b) A certified copy of this Final Order may, in the discretion of the DIP Agents, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are

hereby authorized to accept such certified copy of this Final Order for filing and/or recording, as applicable. The automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to permit the DIP Agents to take all actions, as applicable, referenced in this subparagraph (b) and the immediately preceding subparagraph (a).

(c) To the extent that any Prepetition Secured Party is the secured party under any account control agreements, real property mortgages or as-extracted collateral filings, listed as loss payee or additional insured under any of the DIP Loan Parties' insurance policies or is the secured party under any other agreement, each of (i) the DIP ABL Agent, on behalf of the DIP ABL Secured Parties, and (ii) the Term DIP Agent, on behalf of the Term DIP Secured Parties, are also deemed to be the secured party under such account control agreements, real property mortgages or as-extracted collateral filings, loss payee or additional insured under the Prepetition Secured Parties' insurance policies and the secured party under each such agreement (in any such case with the same priority of liens and claims thereunder relative to the priority of (x) the Prepetition Liens and Adequate Protection Liens and (y) the DIP Liens, as set forth herein), and shall have all rights and powers in each case attendant to that position (including, without limitation, rights of enforcement, but subject in all respects to the terms of this Final Order), and shall, subject to the terms of this Final Order, act in that capacity and distribute any proceeds recovered or received in respect of any of the foregoing pursuant to the priorities set forth in **Exhibit A** hereto. In accordance with the terms of this Final Order and the other DIP Documents, the Prepetition First Lien Term Loan Agent, the Prepetition Second Lien Term Loan Agent, or the Prepetition ABL Agent, as applicable, shall serve as agent for the applicable DIP Agent for purposes of perfecting such DIP Agent's security interests in and liens on all Collateral

that is of a type such that perfection of a security interest therein may be accomplished only by possession or control by a secured party.

25. *Preservation of Rights Granted Under This Final Order.*

(a) The relative priority of the liens expressly granted by this Final Order shall be as set forth in **Exhibit A**.

(b) Other than the Carve-Out and other claims and liens expressly granted by this Final Order, no claim or lien having a priority superior to or *pari passu* with those granted by this Final Order to the DIP Agents and the DIP Lenders or the Prepetition Secured Parties shall be permitted while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding, and, except as otherwise expressly provided in this Final Order, the DIP Liens and the Adequate Protection Liens shall not be: (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the DIP Loan Parties' estates under section 551 of the Bankruptcy Code; (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise; (iii) subordinated to or made *pari passu* with any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the DIP Loan Parties; or (iv) subject or junior to any intercompany or affiliate liens or security interests of the DIP Loan Parties.

(c) It shall constitute an Event of Default (as defined below) (giving each DIP Agent the right to terminate the DIP Loan Parties' use of Cash Collateral, the right to terminate the applicable DIP Commitments and/or the right to accelerate the applicable DIP Obligations) if any of the DIP Loan Parties, without the prior written consent of the Required DIP Lenders, as

applicable, seeks, proposes or supports (whether by way of motion or other pleadings filed with the Court or any other writing executed by any DIP Loan Party or by oral argument), or if there is entered or confirmed (in each case, as applicable), or if there occurs:

(i) a failure of the Debtors to make any payment under the Interim Order or this Final Order to any of the Prepetition Secured Parties when due;

or

(v) any "Event of Default" or "DIP Event of Default" as defined in the DIP Credit Agreements.

Except as otherwise provided in this Final Order, any material violation of any of the terms of this Final Order or any occurrence of an "Event of Default" or "DIP Event of Default" under and as defined in the DIP Credit Agreements shall constitute an event of default under this Final Order (each an "**Event of Default**") and upon any such Event of Default, interest, including, where applicable, default interest, shall accrue and be paid as set forth in the DIP Credit Agreements. Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or otherwise is at any time entered: (A) the DIP Superpriority Claims, the 507(b) Claims, the DIP Liens, and the Adequate Protection Liens, and any claims related to the foregoing, shall continue in full force and effect and shall maintain

their priorities as provided in this Final Order until all DIP Obligations and Adequate Protection Claims shall have been Paid in Full (and that such DIP Superpriority Claims, 507(b) Claims, DIP Liens and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest); (B) the other rights granted by this Final Order shall not be affected; and (C) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph and otherwise in the Interim Order or this Final Order.

(d) This Final Order is entered pursuant to section 364 of the Bankruptcy Code, and Bankruptcy Rules 4001(b) and (c), granting the DIP Secured Parties all protections and benefits afforded by section 364(e) of the Bankruptcy Code.

(e) Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the ABL Indemnification Liens, the Prepetition ABL Indemnification Obligations, the Prepetition Liens, the Prepetition Debt, Adequate Protection Claims and the Adequate Protection and all other rights and remedies of the DIP Agents, the DIP Lenders and the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents shall survive, and shall not be modified, impaired or discharged by: (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7, dismissing any of the Chapter 11 Cases, substantively consolidating any of the cases with another case, terminating the joint administration of these Chapter 11 Cases or by any other act or omission; or (ii) the entry of an order confirming a chapter 11 plan in any of the Chapter 11 Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the DIP Loan Parties have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations and with respect to the Prepetition Debt and the

Prepetition ABL Indemnification Obligations (to the extent the ABL Discharge has not occurred). The terms and provisions of this Final Order and the DIP Documents shall continue in these Chapter 11 Cases, in any successor cases if these Chapter 11 Cases cease to be jointly administered and in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Prepetition ABL Indemnification Claims, the ABL Indemnification Liens, the Prepetition Debt, the Prepetition Liens and the Adequate Protection Claims and all other rights and remedies of the DIP Agents, the DIP Lenders and the Prepetition Secured Parties granted by the provisions of this Final Order and the DIP Documents shall continue in full force and effect until the DIP Obligations are Paid in Full, as set forth herein and in the DIP Documents, and the DIP Commitments have been terminated.

26. *Limitation on Use of DIP Financing Proceeds and Collateral*. account of any claims arising prior to the Petition Date unless such payments are agreed to in writing by the DIP Lenders in or are otherwise included in the "**Approved Budget**".

(i) (A) notify the Debtors that it elects to take action pursuant to this Paragraph, upon receipt of which the Debtors shall promptly withdraw any previously filed rejection motion, (B) find an acceptable (in the applicable DIP Agents' or applicable Required DIP Lenders' good faith and reasonable discretion) replacement lessee, which may include the applicable DIP Agent, applicable DIP Lenders or any of their affiliates, to whom any such any Real Property Lease or group of Real Property Leases may be assigned (subject to Court approval), (C) hold, and manage all aspects of, an auction or other bidding process to find such acceptable replacement lessee, (D) in connection with any such auction, agree, on behalf of the Debtors (and subject to Court approval) to reimburse the reasonable fees and expenses of any stalking horse bidder, if necessary, and (E) notify the Debtors of the selection of any replacement lessee pursuant to this Paragraph, upon receipt of which the Debtors shall (1) not seek to reject any such Real Property Lease(s), (2) promptly withdraw any pending motion to reject any such Real Property Lease(s), (3) promptly file a motion seeking, on an expedited basis, approval of the Debtors' assumption and assignment of such Real Property Lease(s) to the applicable DIP Agent or applicable Required DIP Lenders' proposed assignee, and (4) promptly cure any defaults that have occurred and are continuing under such Real Property Lease(s) to the extent authorized by the Court; provided all such actions shall be subject to the requirements of section 365 of the Bankruptcy Code; or

(ii) direct the Debtors to (A) assign any Real Property Lease or group of Real Property Leases as Collateral securing the applicable DIP Obligations (subject to Court approval), (B) seek the Court's approval of the assumption of any such Real Property Lease(s) if it is determined pursuant to a final order of this Court that an assumption is required in order to assign such lease(s) as Collateral, and (C) promptly cure any defaults that have occurred and are continuing under such Real Property Lease(s) (subject to the applicable DIP Lenders' right to cure defaults as set forth in Paragraph 27(e) of this Final Order) to the extent authorized by the Court;

provided that any assignment of any Real Property Lease(s) as Collateral securing the applicable DIP Obligations shall not impair the Debtors' ability to subsequently assume (if not already assumed) and assign any such Real Property Lease(s) pursuant to section 365 of the Bankruptcy Code or to enjoy the protections of section 365(f) of the Bankruptcy Code with respect to any such assignment.

(iii) Notwithstanding anything to the contrary herein, the foregoing rights of the DIP Agents set forth in this Paragraph shall not apply to Real Property Leases that are rejected, terminated, sold, or assigned on the effective date of any plan of reorganization in any of the Chapter 11 Cases that, among other things, indefeasibly repays the DIP Obligations in full on the effective date thereof. For the avoidance of doubt, on or prior to the thirtieth (30) day prior to the Statutory Rejection Date (as provided in section 365(d)(4) of the Bankruptcy Code), the Debtors shall have delivered written notice to the DIP Agents of each outstanding Real Property Lease that they intend to reject (including, without limitation, through statutory rejection on the Statutory Rejection Date) from and after the date of such notice (or, if applicable, notice that the Debtors have obtained the applicable landlord's consent to extension of the Statutory Rejection Date); *provided* that if the Debtors fail to deliver any such notice to the DIP Agents prior to such date with respect to any such Real Property Lease(s) (or a notice indicating that no such Real Property Lease(s) shall be rejected), the Debtors shall be deemed, for all purposes hereunder, to have delivered notice to the DIP Agents as of such date that they intend to reject all outstanding Real Property Leases.

(d) Assumption Orders. Any order of this Court approving the assumption of any Real Property Lease shall specifically provide that the applicable Debtor shall be authorized to assign such Real Property Lease pursuant to, and to enjoy the protections of, section 365(f) of the Bankruptcy Code. To the extent that such provision is for any reason not included in any order of the Court approving the assumption of any Real Property Lease, then such Real Property Lease may not be assumed by the applicable Debtor unless the order approving the assumption provides for the assignment of such Real Property Lease, on the date of such order, to an acceptable (in the applicable DIP Agents' or applicable Required DIP Lenders' good faith and reasonable discretion) replacement lessee (which may include the applicable DIP Agents, applicable DIP Lenders, or their respective affiliates) provided the requirements of section 365 are satisfied.

(e) DIP Lenders' Right to Cure Defaults. If any of the Debtors are required to cure any monetary defaults under any Real Property Lease pursuant to any order of this Court or otherwise in connection with any assumption or assumption and assignment of any such Real Property Lease pursuant to section 365(f) of the Bankruptcy Code, and such monetary default is not, within five (5) business days of the receipt by such Debtor of notice from the applicable DIP Agent pursuant to the applicable provision(s) of the applicable DIP Credit Agreement or any other notice from the applicable DIP Agent requesting the cure of such monetary default, cured in accordance with the provisions of such applicable court order as arranged by the applicable DIP Agent, the applicable DIP Agent may cure any such monetary defaults on behalf of the applicable Debtor(s).

(f) Priorities. For the avoidance of doubt, nothing set forth in this Paragraph 27 shall affect the relative priorities of liens and claims set forth herein and on **Exhibit A** hereto. Unless and until Payment in Full of the (A) DIP ABL Obligations and the Prepetition ABL Obligations, nothing set forth in this Paragraph 27 shall permit the Term DIP Agent or the Term DIP Lenders, or any of their designees or agents, to exercise any rights or remedies with respect to DIP ABL Priority Collateral or Prepetition ABL Priority Collateral and (B) DIP Term Loan Obligations and the Prepetition Term Loan Debt, nothing set forth in this Paragraph 27 shall permit the DIP ABL Agent or the DIP ABL Lenders, or any of their designees or agents, to exercise any rights or remedies with respect to DIP Term Loan Priority Collateral or Prepetition Term Loan Priority Collateral.

28. *Insurer Reservation of Rights*. For the avoidance of doubt, nothing in this Final Order, the DIP Credit Agreements or any document related thereto imposes any duty upon any insurer to effectuate endorsements or otherwise expands any obligations or duties of such insurer

under any insurance policies or related agreements issued to or for the benefit of any of the Debtors.

29. *Approved Budget*. The Approved Budget is approved on a final basis. Proceeds of the DIP Facilities and Cash Collateral under this Final Order shall only be used by the Loan Parties in accordance with the DIP Credit Agreements, this Final Order, and the Approved Budget or as otherwise agreed by the DIP Agents. None of the DIP Secured Parties' consent (if any) to, or acknowledgment of, the Approved Budget shall be construed as consent to use of the proceeds of the DIP Facilities or Cash Collateral beyond the respective maturity dates set forth in the DIP Credit Agreements, regardless of whether the aggregate funds shown on the Approved Budget have been expended.

30. *Limits to Lender Liability*. Nothing in this Final Order, the DIP Documents, or any other documents related to these transactions shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agents or any DIP Lender of any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their business, or in connection with their restructuring efforts. The DIP Agents and the DIP Lenders shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person and all risk of loss, damage or destruction of the Collateral shall be borne by the DIP Loan Parties. Provided, however, if, for any reason (*see*, for example, paragraph 33 (b) below), the DIP Agents and/or DIP Lenders operate under the Debtors' Real Property Leases, nothing in this Final Order shall absolve the

DIP Agents and/or DIP Lenders from any responsibility to the Counterparties for any obligations due under the Real Property Leases.

31. *Effect of Stipulations on Third Parties.* The Debtors' stipulations, admissions, agreements and releases contained in this Final Order, including, without limitation, in paragraph 6 of this Final Order, shall be binding upon the Debtors and, subject to the Challenge Period (as defined below), any successor thereto in all circumstances and for all purposes. The Debtors' stipulations, admissions, agreements and releases contained in this Final Order, including, without limitation, in paragraph 6 of this Final Order, shall be binding upon all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, if any (a "**Committee**") and any other person or entity acting or seeking to act on behalf of the Debtors' estates (including, without limitation, any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors) unless: (a) such Committee, or any other party in interest, in each case with requisite standing (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so), has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, *inter alia*, in this paragraph) by no later than (i) the earlier of (x) the date of entry of an order confirming a chapter 11 plan, (y) October 7, 2019, and (z) 60 calendar days after the appointment of any Committee or (ii) any such later date as has been agreed to, in writing, by the Prepetition Agents (with the consent of the DIP Lenders) as applicable (the time period established by the foregoing clauses (i) and (ii), the "**Challenge Period**"), (A) objecting to or challenging the amount, validity, perfection, enforceability, priority or extent of the Prepetition Debt or the Prepetition Liens, or (B) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims or any other

claims, counterclaims or causes of action, objections, contests or defenses (collectively, the "**Challenges**") against the Prepetition Secured Parties or their respective affiliates and each of their respective former, current or future officers, partners, directors, managers, members, principals, employees, agents, related funds, investors, financing sources, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case in their respective capacity as such (each a "**Representative**" and, collectively, the "**Representatives**") in connection with matters related to the Prepetition Credit Agreements, the Prepetition Debt, the Prepetition Liens and the Prepetition Collateral; and (b) there is a final non-appealable order in favor of the plaintiff sustaining any such Challenge in any such timely filed adversary proceeding or contested matter; *provided*, *however*, that any pleadings filed in connection with any Challenge shall set forth with specificity the basis for such challenge or claim and any challenges or claims not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released and barred. If no such Challenge is timely filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such proceeding then: (a) the Debtors' stipulations, admissions, agreements and releases contained in this Final Order, including, without limitation, those contained in paragraph 6 of this Final Order, shall be binding on all parties in interest; (b) the obligations of the DIP Loan Parties under the Prepetition Credit Agreements, including the Prepetition Debt, shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, offset or avoidance, for all purposes in the Chapter 11 Cases, and any subsequent chapter 7 case(s); (c) the Prepetition Liens on the Prepetition Collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination,

avoidance or other defense; and (d) the Prepetition Debt and the Prepetition Liens on the Prepetition Collateral shall not be subject to any other or further claim or challenge by any Committee, or any other party in interest acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors) and any defenses, claims, causes of action, counterclaims and offsets by any Committee, if any, or any other party acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors), whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives arising out of or relating to any of the Prepetition Credit Agreements shall be deemed forever waived, released and barred. If any such Challenge is timely filed during the Challenge Period, the stipulations, admissions, agreements and releases contained in this Final Order, including, without limitation, those contained in paragraph 6 of this Final Order, shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on any Committee, if any, and on any other person or entity, except to the extent that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including any Committee, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Prepetition Credit Agreements, the Prepetition Debt or the Prepetition Liens. For the avoidance of doubt, none of the foregoing challenge provisions set forth in this paragraph shall apply to any

DIP Secured Party, in their capacities as such, and in no event shall the DIP Facilities, DIP Obligations or DIP Liens be subject to challenge pursuant to this paragraph on avoidance or any other grounds by any party.

32. *Postpetition Release*. Notwithstanding anything to the contrary set forth herein, upon the repayment of all DIP Obligations (as defined in the DIP Credit Agreements) owed to the DIP Agents and the DIP Lenders by Debtors and termination of the rights and obligations arising under the DIP Documents (which payment and termination shall be on terms and conditions acceptable to DIP Agents), DIP Agents and the DIP Lenders shall be released from any and all obligations, liabilities, actions, duties, responsibilities and causes of action arising or occurring, on or prior to the date of such repayment and termination, in connection with or related to the DIP Documents or this Final Order (including without limitation any obligation or responsibility (whether direct or indirect, absolute or contingent, due or not due, primary or secondary, liquidated or unliquidated) to pay or otherwise fund the Carve-Out on terms and conditions acceptable to the DIP Agents).

33. *Landlord Agreements; Access.*

(a) All collateral access agreements to which the Prepetition ABL Agent or any of the Prepetition Agents is a party shall hereby continue to be deemed to be amended to include the relevant DIP Agent as a beneficiary thereunder, and such agreements shall thereafter be additionally enforceable by the relevant DIP Agent against, and binding upon, each landlord party thereto. Any title, landlord's lien, right of distraint or levy, security interest or other interest that any landlord or mortgagee may have in any DIP Collateral or Prepetition Collateral of the Debtors located on such leased premises, to the extent the same is not avoidable under sections 544, 545,

547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise, is hereby expressly subordinated to the liens of the DIP Lenders and the Prepetition Lenders.

(b) Notwithstanding anything contained herein to the contrary and without limiting any other rights or remedies of the DIP Agents, for the benefit of the DIP Lenders, contained in this Final Order or the DIP Documents, or otherwise available at law or in equity, and subject to the terms of the DIP Documents, the Interim Order and this Final Order, upon written notice to the landlord of any leased premises that an Event of Default has occurred and is continuing under the DIP Documents, the DIP Agents may, to the extent permitted by (i) existing rights under applicable non-bankruptcy law or an existing agreement with the applicable landlord; (ii) a separate agreement by and between such landlord and the DIP Agents (a "**Separate Agreement**"); or (iii) pursuant to further order of this Court on motion and notice to the landlords appropriate under the circumstances, enter upon any leased premises of the Debtors for the purpose of exercising any remedy with respect to DIP Collateral located thereon and, subject to entering into a Separate Agreement, shall be entitled to all of the Debtors' rights and privileges as lessee under such lease without interference from such landlord; *provided, however, that*, subject to entering into such Separate Agreement, the DIP Agents shall pay all obligations, to the extent required by applicable law, of the Debtors due to the Counterparties under the terms of their respective Real Property Leases, including royalties, rent, and tax obligations as such obligations first accrue after the written notice referenced above and that is payable during the period of such occupancy by the Agent calculated on a per diem basis; *provided further, that* subject to any Separate Agreement, the DIP Agents shall timely perform all of the obligations arising under the leases going forward as required by section 365(d)(3) of the Bankruptcy Code and shall access, use or occupy leased premises only in compliance with any and all applicable federal, state or local

laws, rules, regulations or ordinances. Nothing herein shall require the DIP Agents to assume any lease as a condition to the rights afforded to the DIP Agents in this paragraph.

34. Subject to paragraphs 14(a) and 14(b) herein, but otherwise notwithstanding any provision of this Final Order, the Motion, the Interim Order or the DIP Documents, nothing in this Final Order, the Motion, Interim Order or any DIP Documents shall be deemed or construed to impact, impair, affect, determine, release, waive, modify, limit or expand: (a) the terms and conditions of any Real Property Lease; or (b) any of the claims, rights, remedies, and defenses of any lessors under or in respect of any Real Property Lease and all such claims, rights, remedies and defenses are expressly reserved and preserved.

35. *Final Order Governs*. In the event of any inconsistency between the provisions of this Final Order, the Interim Order, the DIP Documents or any other order entered by this Court, the provisions of this Final Order shall govern. Any payment made pursuant to any other order entered by this Court may be subject to avoidance or disgorgement under section 549 or otherwise of the Bankruptcy Code to the extent such payment is made in violation of this Final Order and the DIP Documents, including the Approved Budget. Except as specifically amended, supplemented or otherwise modified hereby, all of the provisions of the Interim Order shall remain in effect and are hereby ratified by this Final Order.

36. *Binding Effect; Successors and Assigns*. The DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in these Chapter 11 Cases, including, without limitation, the DIP Agents, the DIP Lenders, the Prepetition Secured Parties, any Committee, and the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy

Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Agents, the DIP Lenders, the Prepetition Secured Parties and the Debtors and their respective successors and assigns; *provided* that the DIP Agents, the DIP Lenders and the Prepetition Secured Parties shall have no obligation to permit the use of the Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

37. *Exculpation*. Nothing in this Final Order, the DIP Documents, the existing agreements or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon any DIP Secured Party or any Prepetition Secured Party any liability for any claims arising from the prepetition or postpetition activities of the Credit Parties or Loan Parties (as defined in the respective DIP Credit Agreements) in the operation of their businesses, or in connection with their restructuring efforts. In addition, (a) the DIP Secured Parties and the Prepetition Secured Parties shall not, in any way or manner, be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by the DIP Loan Parties.

38. *Limitation of Liability*. In determining to make any loan or other extension of credit under the DIP Credit Agreements, or to permit the use of Cash Collateral, none of the DIP Agents, the DIP Lenders or the Prepetition Secured Parties shall (i) be deemed to be in "control" of the operations or participating in the management of the Debtors; (ii) owe any fiduciary duty

to the Debtors, their respective creditors, shareholders or estates; or (iii) be deemed to be acting as a "Responsible Person" or "Owner" or "Operator" with respect to the operation or management of the Debtors (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, et seq., as amended, or any similar federal or state statute).

39. *Master Proof of Claim.* The Prepetition Agents shall not be required to file proofs of claim in the Chapter 11 Cases or any successor case in order to assert claims on behalf of itself and the Prepetition Secured Parties for payment of the Prepetition Debt arising under the Prepetition Documents, nor shall any other Prepetition Secured Party be required to file any proofs of claim in the Chapter 11 Cases or any successor case in order to assert claims on behalf of itself for payment of the Prepetition Debt arising under the Prepetition Credit Agreements. However, in order to facilitate the processing of claims, to ease the burden upon the Court and to reduce an unnecessary expense to the Debtors' estates, each Prepetition Agent and/or other Prepetition Secured Party is authorized to file in the Debtors' lead chapter 11 case *In re Blackhawk Mining LLC, et. al.*, Case No. 19-11595 (LSS), a single, master proof of claim on behalf of the relevant Prepetition Secured Parties on account of any and all of their respective claims arising under the applicable Prepetition Documents and hereunder (each, a "**Master Proof of Claim**") against each of the Debtors. Upon the filing of a Master Proof of Claim against each of the Debtors, the Prepetition Agents and the Prepetition Secured Parties, and each of their respective successors and assigns, shall be deemed to have filed a proof of claim in the amount set forth opposite its name therein in respect of its claims against each of the Debtors of any type or nature whatsoever with respect to the applicable Prepetition Credit Agreements, and the claim of each Prepetition Secured Party (and each of its respective successors and assigns),

named in a Master Proof of Claim shall be treated as if such entity had filed a separate proof of claim in each of these Chapter 11 Cases. The Master Proofs of Claim shall not be required to identify whether any Prepetition Secured Party acquired its claim from another party and the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among such holders of the claims asserted therein resulting from the transfer of all or any portion of such claims. The provisions of this paragraph 37 and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in these Chapter 11 Cases. The Master Proofs of Claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the applicable Prepetition Agent.

40. *Effectiveness*. This Final Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 7062, or 9014 of the Bankruptcy Rules, or any Local Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry.

41. *Modification of DIP Documents and Approved Budget.* The DIP Loan Parties are hereby authorized, without further order of this Court, to enter into agreements with the DIP Secured Parties providing for any consensual non-material modifications to the Approved Budget or the DIP Documents, or of any other modifications to the DIP Documents necessary to

conform the terms of the DIP Documents to this Final Order, in each case consistent with the amendment provisions of the DIP Document. Notwithstanding the foregoing, updates and supplements to the Approved Budget required to be delivered by the DIP Loan Parties under the DIP Documents shall not be considered material amendments or modifications to the Approved Budget or the DIP Documents.

42. *Headings*. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Final Order.

43. *Payments Held in Trust*. Except as expressly permitted in this Final Order or the DIP Documents, in the event that any person or entity (with respect to any person or entity that is not a DIP Secured Party or a party to the RSA, knowingly) receives any payment on account of a security interest in DIP Collateral, receives any DIP Collateral or any proceeds of DIP Collateral or receives any other payment with respect thereto from any other source prior to Payment in Full of all DIP Obligations under the DIP Documents and termination of the Commitments in accordance with the DIP Documents, such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of Collateral in trust for the benefit of the DIP Agents and the DIP Lenders (as applicable based on the specific asset at issue) and shall immediately turn over such proceeds to the applicable DIP Agent, or as otherwise instructed by this Court, for application in accordance with the DIP Documents and this Final Order. For the avoidance of doubt, once payments that come due in the ordinary course of business and consistent with the DIP Documents (including the Approved Budget), are tendered to lease counterparties, such funds are no longer property of the estate, and, accordingly, the liens described herein shall no longer attach to such assets. Prior to such payments being tendered to the lease counterparties, such amounts are subject to the DIP Liens and Superpriority Claims described herein.

44. *Credit Bidding*. Subject to the rights reserved in paragraph 31, (a) each of the DIP Agents shall have the right to credit bid, in accordance with the DIP Documents, up to the full amount of the applicable DIP Obligations in any sale of the DIP Collateral, subject in all respects to the DIP ICA and the relative lien priorities set forth in **Exhibit A**; and (b) the Prepetition Secured Parties shall have the right to credit bid up to the full amount of their Prepetition Debt in any sale of the Prepetition Collateral, subject in all respects to the Prepetition Intercreditor Agreements, as applicable, and the relative lien priorities set forth in **Exhibit A**, in each case of (a) and (b), as provided for in section 363(k) of the Bankruptcy Code, without the need for further Court order authorizing the same and whether any such sale is effectuated through section 363(k) or 1129(b) of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise.

45. *No Third Party Rights*. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect or incidental beneficiary.

46. *Bankruptcy Rules*. The requirements of Bankruptcy Rules 4001 and 6004, in each case to the extent applicable, are satisfied by the contents of the Motion.

47. *Necessary Action*. The Debtors are authorized to take any and all such actions as are necessary or appropriate to implement the terms of this Final Order.

48. *Retention of Jurisdiction.* The Court shall retain jurisdiction to implement, interpret and enforce the provisions of this Final Order, and this retention of jurisdiction shall survive the confirmation and consummation of any chapter 11 plan for any one or more of the Debtors notwithstanding the terms or provisions of any such chapter 11 plan or any order confirming any such chapter 11 plan.

harm; and the Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon the record made by the Debtors in the Motion, the Nystrom Declaration, the Puntus Declaration, the Additional Financing Documents, and in the evidence submitted and arguments made by the Debtors at the Interim Hearing, and after due deliberation and sufficient cause appearing therefor;

IT IS FOUND, DETERMINED, ORDERED AND ADJUDGED, that:

1. *Disposition.* The relief requested in the Motion is GRANTED ON AN INTERIM BASIS in accordance with the terms of this Interim Additional Financing Order. The Additional Financing is authorized and approved in an aggregate principal amount of up to $25 million on an interim basis and, subject to entry of the Final Additional Financing Order, $35 million on a final basis, subject to the terms and conditions set forth in the Additional Financing Documents, this Interim Additional Financing Order and the Final DIP Order (as modified by this Interim Additional Financing Order). Any and all objections to the Motion with respect to the entry of this Interim Additional Financing Order that have not been withdrawn, waived, settled, or resolved and all reservations of rights included therein, are hereby denied and overruled on the merits. This Interim Additional Financing Order shall become effective immediately upon its entry.

2. *Jurisdiction and Venue.* This Court has core jurisdiction over the Chapter 11 Cases, the Motion and the parties and property affected hereby pursuant to 28 U.S.C. §§ 157(b) and 1334 and the Amended Standing Order of Reference from the United States District Court for the District of Delaware, dated February 29, 2012. Venue for the Chapter 11 Cases and proceedings on the Motion is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

3. *Notice.* Appropriate notice of the Motion has, under the circumstances, been provided in accordance with the Bankruptcy Code, the Bankruptcy Rules and the Local Bankruptcy Rules. No other or further notice of the Motion or the entry of this Interim Additional Financing Order shall be required. The relief granted herein is necessary to avoid immediate and irreparable harm to the Debtors and their estates.

4. *Authorization of the Additional Financing and the Amendment.*

(a) The Company is authorized to borrow money pursuant to the Additional Financing Documents and the Guarantors (as defined in the Term DIP Credit Agreement) are authorized to guaranty the obligations (the "Additional Obligations") of the Company with respect to such borrowings, in each case up to an aggregate principal amount equal to $25,000,000 on an interim basis and, subject to entry of the Final Additional Financing Order, $35,000,000 on a final basis, subject to any limitations on borrowing under the Amendment or the Term DIP Documents, which shall be used for all purposes permitted under the Amendment and the Term DIP Documents, including, without limitation, to pay certain costs, fees and expenses related to the Chapter 11 Cases, to pay the Adequate Protection Obligations, to fund the working capital needs, capital improvements and expenditures of the Debtors and for general corporate purposes during the Chapter 11 Cases, in each case in accordance with this Interim Additional Financing Order, the Final DIP Order (as modified by this Interim Additional Financing Order), the Additional Financing Documents and the Term DIP Documents.

(b) In furtherance of the foregoing and without further approval of this Court, the Company is authorized to enter into the Amendment, and each Debtor is authorized to make, execute and deliver all instruments and documents and to pay all fees in connection with or that may be reasonably required, necessary or desirable for such Debtor's performance of its

obligations under or related to the Additional Financing and the Additional Financing Documents.

5. *Findings Regarding the Additional Financing.*

(a) Good and sufficient cause has been shown for the entry of this Interim Additional Financing Order.

(b) The Term DIP Loan Parties have an immediate need to obtain the Additional Loans in order to permit, among other things, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers, customers, and employees, to satisfy other working capital and operational needs, to pay administrative costs, and to bridge to emergence from the Chapter 11 Cases. The access of the Term DIP Loan Parties to sufficient working capital and liquidity through the incurrence of new indebtedness and other financial accommodations is necessary and vital to the preservation and maintenance of the going concern values of the Term DIP Loan Parties and to a successful reorganization of the Term DIP Loan Parties.

(c) The Additional Financing is the best and only available financing option for the Term DIP Loan Parties under the circumstances. The Term DIP Loan Parties are unable to obtain financing on more favorable terms from sources other than the Term DIP Lenders under the Amendment, and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Term DIP Loan Parties are also unable to obtain secured credit on more favorable terms than the Additional Loans through secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the Term DIP Loan Parties granting to the Term DIP Secured Parties, subject to the Carve-Out, the Term DIP Liens and the DIP Superpriority Claims under the terms

and conditions set forth in this Interim Additional Financing Order and in the Additional Financing Documents.

(d) For the avoidance of doubt, the effectiveness of the Amendment and the amendments set forth herein are subject to the consent thereto of the applicable requisite parties under the Term DIP Credit Agreement.

(e) The terms of the Additional Financing are fair and reasonable, reflect the Term DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(f) The terms of the Additional Financing have been negotiated in good faith and at arm's length among the Term DIP Loan Parties and the Term DIP Secured Parties, and all of the Term DIP Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with the Additional Financing Documents, including, without limitation, all Additional Loans made to the Term DIP Loan Parties pursuant to the Additional Financing Documents, shall be deemed to have been extended by the Term DIP Agent and the Term DIP Lenders in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the Term DIP Agent and the Term DIP Lenders (and the successors and assigns thereof, solely in their capacity as such) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Additional Financing Order or any provision hereof is vacated, reversed, or modified, on appeal or otherwise.

6. *Privileges and Protections.*

(a) All liens, security interests, priorities and other rights, remedies, benefits, privileges and protections provided to the lenders providing New Money Term DIP Loans and

the Term DIP Agent in the Final DIP Order and the Term DIP Documents with respect to or relating to the Term DIP Financing, as modified by the Additional Financing Modifications, shall apply with equal force and effect with respect to the Additional Financing, the Additional Financing Documents and all obligations in connection therewith or related thereto. The Additional Loans will rank *pari passu* in right of payment and security with the New Money Term DIP Loans, except that (i) the New Money Term DIP Liens shall be subject and subordinate to the liens in respect of the Additional Loans on the Specified Owned Assets and (ii) the Additional Financing Modifications regarding payment priorities between the Additional Loans and the New Money Term DIP Loans shall apply. In furtherance of the foregoing, except as modified by this Interim Additional Financing Order and the Additional Financing Modifications, for all purposes under the Final DIP Order the defined terms (a) "New Money Term DIP Loans" shall include the Additional Loans, (b) "Term DIP Facility" shall include the Additional Facility, (c) "Term DIP Financing" shall include the Additional Financing, (d) "Term DIP Obligations" shall include the Additional Obligations, (e) "Term DIP Documents" shall include the Amendment, and (f) "Term DIP Lenders" shall include each Lender providing an Additional New Money DIP Term Loan Commitment. The Additional Obligations shall constitute DIP Superpriority Claims under the Final DIP Order, subject to the payment priorities set forth in the Additional Financing Modifications.

(b) The Additional Loans made pursuant to the Additional Facility shall be subject to the DIP ICA.

7. *The Final DIP Order.* The terms of the Final DIP Order are incorporated herein and made part of this Interim Additional Financing Order. Except as expressly modified by this Interim Additional Financing Order, the Final DIP Order shall remain unchanged and in full

force and effect. All factual and other findings and conclusions of law contained in the Final DIP Order shall remain fully applicable, including with respect to the Additional Financing, except to the extent specifically modified herein. In the event of any inconsistency among the provisions of this Interim Additional Financing Order, the Final DIP Order and the definitive documents related to the Additional Financing, the provisions of the Final DIP Order shall govern, except as expressly modified by this Interim Additional Financing Order.

Rights of DIP ABL Secured Parties Unaffected. For the avoidance of doubt, nothing in this Interim Additional Financing Order or the Amendment is intended to nor shall alter, impair, or otherwise affect the claims, liens and security interests, or the priority thereof, or the other rights and interests of the DIP ABL Secured Parties under the Final DIP Order, the DIP ICA, and the DIP ABL Financing Documents, or the Prepetition ABL Secured Parties under the Final DIP Order, the Prepetition Intercreditor Agreements, and the Prepetition ABL Financing Documents.

8. *Binding Effect; Successors and Assigns.* The provisions of this Interim Additional Financing Order, including all findings herein, shall be binding upon all parties in interest in the Chapter 11 Cases, including, without limitation, the DIP Agents, the DIP Lenders, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the Term DIP Agent, the Term DIP Lenders and the Debtors and their respective successors and assigns; *provided* that the DIP Agent and the DIP Lenders shall have

no obligation to extend any financing to any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

9. *Liens*. All liens and priority granted to the Term DIP Lenders and the Term DIP Agent pursuant to this Interim Additional Financing Order, including the Additional Financing Liens, shall be deemed effective and perfected upon the date of this Interim Additional Financing Order and without the necessity of the execution, recordation or filing by the Term DIP Loan Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the Term DIP Agent of, or over, any Term DIP Collateral.

10. *Headings*. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Interim Additional Financing Order.

11. *Effectiveness*. This Interim Additional Financing Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062 or 9014, or any Local Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Additional Financing Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim Additional Financing Order.

12. *Retention of Jurisdiction*. The Court shall retain jurisdiction to implement, interpret and enforce the provisions of this Interim Additional Financing Order, and this retention of jurisdiction shall survive the confirmation and consummation of any chapter 11 plan for any one or more of the Debtors notwithstanding the terms or provisions of any such chapter 11 plan or any order confirming any such chapter 11 plan.

13. *Final Hearing*. The Final Hearing is scheduled for October 25, 2019 at 2:00pm prevailing Eastern Time before this Court.

14. *Objections*. Any party in interest objecting to the relief sought at the Final Hearing shall file and serve written objections, which objections shall be served upon:

BLACKHAWK MINING LLC
ADDITIONAL DIP TERM FACILITY TERM SHEET

This term sheet (the "**Additional DIP Term Facility Term Sheet**") sets forth the principal terms of a new debtor-in-possession facility (the "**Additional DIP Term Facility**") which may be established as a new tranche under the Secured Debtor-In-Possession Credit Agreement among the Borrower, the DIP Term Agent and the other financial institutions party thereto, dated as of July 23, 2019 (as amended, supplemented or otherwise modified from time to time prior to the Additional Facility Closing Date (as defined below), the "**Existing DIP Term Loan Credit Agreement**"; the loans thereunder existing prior to the Additional Facility Closing Date, the "**Existing DIP Term Loans**"; the holders of the Existing DIP Term Loans, the "**Existing DIP Term Lenders**"; and the Existing DIP Term Loans that are New Money Loans, the "**Existing New Money DIP Term Loans**") pursuant to an amendment thereto (the "**DIP Term Amendment**") or, at the election of either Knighthead or the Required Additional DIP Term Lenders, as a separate credit facility[1] (the "**Additional DIP Term Loan Credit Agreement**; the definitive documentation for the Additional DIP Term Facility, whether in the form of the DIP Term Amendment or the Additional DIP Term Loan Credit Agreement, the "**Additional DIP Facility Documentation**"). Capitalized terms used and not otherwise defined herein shall have the meaning assigned to them in the Existing DIP Term Loan Credit Agreement or the Restructuring Support Agreement dated as of July 15, 2019 (as amended, restated, supplemented or otherwise modified from time to time, the "**Restructuring Support Agreement**"), as applicable.

SUMMARY OF PRINCIPAL TERMS	
Borrower	Blackhawk Mining LLC, as a debtor and debtor-in-possession (the "**Borrower**" or the "**Company**").
Guarantors	Same as in the Existing DIP Term Loan Credit Agreement.
DIP Term Agent	Cantor Fitzgerald Securities, as administrative agent and collateral agent (in such capacities, the "**DIP Term Agent**").
Additional DIP Term Lenders	Funds managed or advised by Knighthead Capital Management, LLC (such applicable funds, "**Knighthead**") and the other Existing New Money DIP Term Lenders (as defined below) or their designated affiliates that choose to participate in the Additional DIP Term Facility (collectively, the "**Additional DIP Term Lenders**"). The aggregate amount of the Additional New Money DIP Term Loan Commitments (as defined below) will be offered for participation to each holder of the Existing New Money DIP Term Loans under the Existing DIP Term Loan Credit Agreement (each, an "**Existing New Money DIP Term Lender**"), in each case up to such Existing New Money DIP Term Lender's pro rata share of the Existing New Money DIP Term Loans. Knighthead has agreed to provide the full amount of the Additional New Money DIP Term Loan Commitments. To the extent any other Existing New Money DIP Term Lender (other than Knighthead) desires to provide Additional New Money DIP Term Loan Commitments, such Existing New Money DIP Term Lender may, prior to the entry of the Additional DIP Interim Order (as defined below), elect to provide Additional New Money DIP Term Loan Commitments up to its pro

	rata share of the Existing New Money DIP Term Loans by either (i) submitting a signature page to the Fourth Amendment To Restructuring Support Agreement indicating that it agrees to be added to Exhibit C thereto or (ii) entering into a written agreement evidencing its Additional New Money DIP Term Loan Commitment (a "**Participating Existing New Money DIP Term Lender**"), in which case the Additional New Money DIP Term Loan Commitments of Knighthead at the time of such election shall be reduced on a pro rata basis by the aggregate amount of the Additional New Money DIP Term Loan Commitments of such Participating Existing New Money DIP Term Lender.
Amount & Type	A senior secured debtor-in-possession U.S. dollar term loan facility (which may be established as a new tranche under the Existing DIP Term Loan Credit Agreement or as a separate credit facility) in an aggregate principal amount not to exceed $35 million (the commitments under the Additional DIP Term Facility, the "**Additional New Money DIP Term Loan Commitments**"; the loans under the Additional DIP Term Facility, the "**Additional New Money DIP Term Loans**"), subject to the terms and conditions set forth in this Additional DIP Term Facility Term Sheet and as otherwise agreed between the Additional DIP Term Lenders and the Borrower. The borrowing of Additional New Money DIP Term Loans shall permanently decrease the Additional New Money DIP Term Loan Commitments, and any Additional New Money DIP Term Loans repaid may not be reborrowed. For the avoidance of doubt, the Additional New Money DIP Term Loans shall constitute a separate class from the Existing DIP Term Loans. The Additional DIP Term Lenders shall make the Additional New Money DIP Term Loans available to the Borrower in up to two draws in the following manner (in each case upon the satisfaction of the conditions precedent described below), with each such draw to be made no later than November 30, 2019: (a) A first draw of Additional New Money DIP Term Loans in an aggregate principal amount of up to $25 million. (b) A second draw of Additional New Money DIP Term Loans in an aggregate principal amount of up to $10 million.
Termination Date	Same as for Existing DIP Term Loans.
Exit Financing	Upon confirmation of the Acceptable Plan of Reorganization and the Company's emergence from bankruptcy, the Additional New Money DIP Term Loans will be converted into exit term loans in accordance with such Acceptable Plan of Reorganization and the Restructuring Support Agreement.
Interest Rate	LIBOR + 9.50% per annum, with a LIBOR floor of 0.50%.
Default Interest	Same as for the Existing DIP Term Loans.
Amortization	None. Same as for the Existing DIP Term Loans.

	the Company's specified, owned coal reserves in northern West Virginia (the "**Specified Owned Assets**")[2]), such proceeds shall be applied, first, to repayment of the Additional New Money DIP Term Loans until repaid in full and second, to repayment of the Existing DIP Term Loans; *provided* that, with respect to the net proceeds of any sale of the Specified Owned Assets (the "**Specified Sale Proceeds**"), the Company shall, subject to a pro forma minimum liquidity test to be agreed that gives effect to the portion of the Specified Sale Proceeds retained by the Company, promptly (and in any event within a time period to be agreed) following receipt thereof, apply the Specified Sale Proceeds to prepay the Additional New Money DIP Term Loans in an amount up to 75% of the aggregate principal amount of the Additional New Money DIP Term Loans (with the balance to be retained by the Company); *provided, further*, that if the sale of the Specified Owned Assets is consummated at a time when there exist any unused Additional New Money DIP Term Loan Commitments, all of the Specified Sale Proceeds shall be deposited into an escrow account on terms reasonably satisfactory to the Required Additional DIP Term Lenders (as defined below) until an agreement in writing is entered into by the Required Additional DIP Term Lenders and the Company as to the application of the Specified Sale Proceeds.
Voluntary Prepayments	Same as for Existing DIP Term Loans, except that any voluntary prepayment shall be applied, first, to repayment of the Additional New Money DIP Term Loans until repaid in full and second, to repayment of the Existing DIP Term Loans.
Additional DIP Interim Order	The order approving the Additional DIP Term Facility, which shall be in form and substance acceptable to the Required Additional DIP Term Lenders and the required lenders under the Existing DIP Term Loan Credit Agreement (the "**Additional DIP Interim Order**") and shall, among other things, authorize and approve (i) the borrowing and making of the Additional New Money DIP Term Loans in an aggregate amount up to $25 million, (ii) the terms and conditions set forth in this Additional DIP Term Facility Term Sheet, (iii) the payment of all reasonable and documented fees and expenses (including the fees and expenses of outside counsel) required to be paid to the DIP Term Agent, the Existing DIP Term Lenders and the Additional DIP Term Lenders as described in Section 11.01(a)(i) of the Existing DIP Term Loan Credit Agreement by the Debtors and (iv) the payment of the fees described under the heading "Fees" below, which payment shall not be subject to reduction, setoff or recoupment.
Additional DIP Final Order	The final order approving the Additional DIP Term Facility, which shall be substantially in the same form as the Additional DIP Interim Order (with such modifications as are necessary to convert the Additional DIP Interim Order into a final order) and in form and substance acceptable to the Required Additional DIP Term Lenders and the required lenders under the Existing DIP Term Loan Credit Agreement (the "**Additional DIP Final Order**" and, together with the Additional DIP Interim Order, the "**Additional DIP Orders**"), shall, among other things, authorize and approve the Borrower to draw the full amount of the Additional New Money DIP Term Loan Commitments.

[2] For the avoidance of doubt, no DIP ABL Priority Collateral (as defined in that certain Debtor-in-Possession ABL Intercreditor Agreement, dated as of July 23, 2019) shall be considered "Specified Owned Assets", including, without limitation, any inventory or as-extracted collateral.

DIP Collateral	Same as for the Existing New Money DIP Term Loans.

Solely in the case of the DIP Term Amendment, in the event that any affected Existing DIP Term Lender does not consent to the DIP Term Amendment (any such Existing DIP Term Lender, a "**Non-Consenting Existing DIP Term Lender**"; and the consenting Existing DIP Term Lenders, the "**Consenting Existing DIP Term Lenders**"), (i) the liens on the Specified Owned Assets securing the Additional New Money DIP Term Loans will be *pari passu* with the liens thereon securing the Existing New Money DIP Term Loans of the Non-Consenting Existing DIP Term Lenders, but, for the avoidance of doubt, will be senior in priority to the liens thereon securing the Existing New Money DIP Term Loans of the Consenting Existing DIP Term Lenders and (ii) the Additional New Money DIP Term Loans shall be *pari passu* with the Existing New Money DIP Term Loans of the Non-Consenting Existing DIP Term Lenders in the default waterfall provisions, but, for the avoidance of doubt, will be placed head of the Existing New Money DIP Term Loans of the Consenting Existing DIP Term Lenders in the default waterfall provisions. Solely in the case of the Additional DIP Term Loan Credit Agreement, the liens on the Specified Owned Assets securing the Additional New Money DIP Term Loans will be *pari passu* with the liens thereon securing the Existing New Money DIP Term Loans of the Non-Consenting Existing DIP Term Lenders, but, for the avoidance of doubt, will be senior in priority to the liens thereon securing the Existing New Money DIP Term Loans of the Consenting Existing DIP Term Lenders.

IT IS FOUND, DETERMINED, ORDERED AND ADJUDGED, that:

1. *Disposition.* The relief requested in the Motion is GRANTED in accordance with the terms of this Final Additional Financing Order. The Additional Financing is authorized and approved, subject to the terms and conditions set forth in the Additional Financing Documents, this Final Additional Financing Order and the Final DIP Order (as modified by this Final Additional Financing Order). Any and all objections to the Motion with respect to the entry of this Final Additional Financing Order that have not been withdrawn, waived, settled, or resolved and all reservations of rights included therein, are hereby denied and overruled on the merits. This Final Additional Financing Order shall become effective immediately upon its entry.

2. *Jurisdiction and Venue.* This Court has core jurisdiction over the Chapter 11 Cases, the Motion and the parties and property affected hereby pursuant to 28 U.S.C. §§ 157(b) and 1334 and the Amended Standing Order of Reference from the United States District Court

for the District of Delaware, dated February 29, 2012. Venue for the Chapter 11 Cases and proceedings on the Motion is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

3. *Notice*. Appropriate notice of the Motion has been provided in accordance with the Bankruptcy Code, the Bankruptcy Rules and the Local Bankruptcy Rules. No other or further notice of the Motion or the entry of this Final Additional Financing Order shall be required. The relief granted herein is necessary to avoid irreparable harm to the Debtors and their estates.

4. *Authorization of the Additional Financing and the Amendment.*

(a) The Company is authorized to borrow money pursuant to the Additional Financing Documents and the Guarantors (as defined in the Term DIP Credit Agreement) are authorized to guaranty the obligations (the "Additional Obligations") of the Company with respect to such borrowings, in each case up to an aggregate principal amount equal to $35,000,000, subject to any limitations on borrowing under the Amendment or the Term DIP Documents, which shall be used for all purposes permitted under the Amendment and the Term DIP Documents, including, without limitation, to pay certain costs, fees and expenses related to the Chapter 11 Cases, to pay the Adequate Protection Obligations, to fund the working capital needs, capital improvements and expenditures of the Debtors and for general corporate purposes during the Chapter 11 Cases, in each case in accordance with this Final Additional Financing Order, the Final DIP Order (as modified by this Final Additional Financing Order), the Additional Financing Documents and the Term DIP Documents.

(b) In furtherance of the foregoing and without further approval of this Court, the Company is authorized to enter into the Amendment, and each Debtor is authorized to make, execute and deliver all instruments and documents and to pay all fees in connection with or that

may be reasonably required, necessary or desirable for such Debtor's performance of its obligations under or related to the Additional Financing and the Additional Financing Documents.

5. *Findings Regarding the Additional Financing*.

(a) Good and sufficient cause has been shown for the entry of this Final Additional Financing Order.

(b) The Term DIP Loan Parties need to obtain the Additional Loans in order to permit, among other things, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers, customers, and employees, to satisfy other working capital and operational needs, to pay administrative costs, and to bridge to emergence from the Chapter 11 Cases. The access of the Term DIP Loan Parties to sufficient working capital and liquidity through the incurrence of new indebtedness and other financial accommodations is necessary and vital to the preservation and maintenance of the going concern values of the Term DIP Loan Parties and to a successful reorganization of the Term DIP Loan Parties.

(c) The Additional Financing is the best and only available financing option for the Term DIP Loan Parties under the circumstances. The Term DIP Loan Parties are unable to obtain financing on more favorable terms from sources other than the Term DIP Lenders under the Amendment, and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Term DIP Loan Parties are also unable to obtain secured credit on more favorable terms than the Additional Loans through secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the Term DIP Loan Parties granting to the Term DIP Secured Parties,

subject to the Carve-Out, the Term DIP Liens and the DIP Superpriority Claims under the terms and conditions set forth in this Final Additional Financing Order and in the Additional Financing Documents.

(d) For the avoidance of doubt, the effectiveness of the Amendment and the amendments set forth herein are subject to the consent thereto of the applicable requisite parties under the Term DIP Credit Agreement.

(e) The terms of the Additional Financing are fair and reasonable, reflect the Term DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(f) The terms of the Additional Financing have been negotiated in good faith and at arm's length among the Term DIP Loan Parties and the Term DIP Secured Parties, and all of the Term DIP Loan Parties' obligations and indebtedness arising under, in respect of, or in connection with the Additional Financing Documents, including, without limitation, all Additional Loans made to the Term DIP Loan Parties pursuant to the Additional Financing Documents, shall be deemed to have been extended by the Term DIP Agent and the Term DIP Lenders in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the Term DIP Agent and the Term DIP Lenders (and the successors and assigns thereof, solely in their capacity as such) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Final Additional Financing Order or any provision hereof is vacated, reversed, or modified, on appeal or otherwise.

6. *Privileges and Protections*.

(a) All liens, security interests, priorities and other rights, remedies, benefits, privileges and protections provided to the lenders providing New Money Term DIP Loans and the Term DIP Agent in the Final DIP Order and the Term DIP Documents with respect to or relating to the Term DIP Financing, as modified by the Additional Financing Modifications, shall apply with equal force and effect with respect to the Additional Financing, the Additional Financing Documents and all obligations in connection therewith or related thereto. The Additional Loans will rank *pari passu* in right of payment and security with the New Money Term DIP Loans, except that (i) the New Money Term DIP Liens shall be subject and subordinate to the liens in respect of the Additional Loans on the Specified Owned Assets and (ii) the Additional Financing Modifications regarding payment priorities between the Additional Loans and the New Money Term DIP Loans shall apply. In furtherance of the foregoing, except as modified by this Final Additional Financing Order and the Additional Financing Modifications, for all purposes under the Final DIP Order the defined terms (a) "New Money Term DIP Loans" shall include the Additional Loans, (b) "Term DIP Facility" shall include the Additional Facility, (c) "Term DIP Financing" shall include the Additional Financing, (d) "Term DIP Obligations" shall include the Additional Obligations, (e) "Term DIP Documents" shall include the Amendment, and (f) "Term DIP Lenders" shall include each Lender providing an Additional New Money DIP Term Loan Commitment. The Additional Obligations shall constitute DIP Superpriority Claims under the Final DIP Order, subject to the payment priorities set forth in the Additional Financing Modifications.

(b) The Additional Loans made pursuant to the Additional Facility shall be subject to the DIP ICA.

7. *The Final DIP Order*. The terms of the Final DIP Order are incorporated herein and made part of this Final Additional Financing Order. Except as expressly modified by this Final Additional Financing Order, the Final DIP Order shall remain unchanged and in full force and effect. All factual and other findings and conclusions of law contained in the Final DIP Order shall remain fully applicable, including with respect to the Additional Financing, except to the extent specifically modified herein. In the event of any inconsistency among the provisions of this Final Additional Financing Order, the Final DIP Order and the definitive documents related to the Additional Financing, the provisions of the Final DIP Order shall govern, except as expressly modified by this Final Additional Financing Order.

Rights of DIP ABL Secured Parties Unaffected. For the avoidance of doubt, nothing in this Final Additional Financing Order or the Amendment is intended to nor shall alter, impair, or otherwise affect the claims, liens and security interests, or the priority thereof, or the other rights and interests of the DIP ABL Secured Parties under the Final DIP Order, the DIP ICA, and the DIP ABL Financing Documents, or the Prepetition ABL Secured Parties under the Final DIP Order, the Prepetition Intercreditor Agreements, and the Prepetition ABL Financing Documents.

8. *Binding Effect; Successors and Assigns*. The provisions of this Final Additional Financing Order, including all findings herein, shall be binding upon all parties in interest in the Chapter 11 Cases, including, without limitation, the DIP Agents, the DIP Lenders, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall

inure to the benefit of the Term DIP Agent, the Term DIP Lenders and the Debtors and their respective successors and assigns; *provided* that the DIP Agent and the DIP Lenders shall have no obligation to extend any financing to any chapter 7 trustee, chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

9. *Liens*. All liens and priority granted to the Term DIP Lenders and the Term DIP Agent pursuant to this Final Additional Financing Order, including the Additional Financing Liens, shall be deemed effective and perfected upon the date of this Final Additional Financing Order and without the necessity of the execution, recordation or filing by the Term DIP Loan Parties of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the Term DIP Agent of, or over, any Term DIP Collateral.

10. *Headings*. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Final Additional Financing Order.

11. *Effectiveness*. This Final Additional Financing Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062 or 9014, or any Local Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Additional Financing Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Additional Financing Order.

12. *Retention of Jurisdiction*. The Court shall retain jurisdiction to implement, interpret and enforce the provisions of this Final Additional Financing Order, and this retention of jurisdiction shall survive the confirmation and consummation of any chapter 11 plan for any

one or more of the Debtors notwithstanding the terms or provisions of any such chapter 11 plan or any order confirming any such chapter 11 plan.

(e) As of the Petition Date,

(i) the Prepetition Liens were and continue to be valid, binding, enforceable, and perfected first-priority Liens, subject only to any Permitted Prior Liens, and are not subject to avoidance, recharacterization, or subordination pursuant to the Bankruptcy Code or applicable non-bankruptcy law,

(g) Cash Collateral. As of the Petition Date, the Prepetition Secured Parties had and continue to have a continuing security interest in and Lien on all or substantially all of the Debtors' "cash collateral" as defined in section 363(a) of the Bankruptcy Code (the "***Cash Collateral***"), including, without limitation, any and all of the Debtors' cash, including cash and other amounts on deposit or maintained in any account or accounts by the Debtors, any and all cash released as a result of the termination and/or cancellation of any letters of credit issued for the benefit of Debtors that have been or may be cash collateralized prior to or after the Petition Date, any amounts generated by the collection of accounts receivable all amounts located in the Debtors' stores and on deposit in the Debtors' banking, checking, or other deposit accounts and all proceeds of the Prepetition Collateral (but excluding any payroll, withholding tax and other fiduciary accounts and certain accounts with de minimis balances (but solely to the extent provided in the Prepetition Financing Documents), to secure the Prepetition Secured Obligations, and the proceeds and products of each of the foregoing; provided, however, that any Liens, interests, or rights of the Prepetition Secured Parties with respect to Cash Collateral or other property on account of the Consignment Facility (the "***DIP Priority Collateral***") are junior to the Liens, interests, and rights of the DIP Parties.

(h) Adequate Protection. The Prepetition Secured Parties are entitled, pursuant to sections 361 and 363(e) of the Bankruptcy Code, to adequate protection of their respective interests in the Prepetition Collateral, including, without limitation, the Cash Collateral, as set forth in the Interim Orders and this Final Order.

(i) None of the DIP Agent, the DIP Lenders or the Prepetition Secured Parties controls the Debtors or their properties or operations, has authority to determine the manner in which any of the Debtors' operations are managed or conducted, or is a control person or insider of the Debtors or any of their affiliates by virtue of any of the actions taken with respect to, in connection with, related to, or arising from the Interim Orders, this Final Order, the DIP Facility, the DIP Financing Agreements, the Prepetition Secured Obligations and/or the Prepetition Financing Documents.

7. Based upon the record before the Court, including the Interim Orders and this Final Order, the terms of the DIP Facility, the Interim Orders, and this Final Order have been negotiated at arms' length

8. Pursuant to the terms and conditions of the Interim Orders, the Final Order, and the DIP Financing Agreements, and in accordance with and as may be limited by the Approved Budget (subject to any variances thereto permitted under the terms and conditions of the DIP Financing Agreements, the Interim Orders, and/or this Final Order), the Debtors are authorized to use the advances under the DIP Facility until notice is provided by the DIP Agent that a DIP Event of Default (defined below) and/or the DIP Maturity Date (defined below), as applicable, has occurred; provided, that the Debtors shall not be authorized to use any cash that constitutes DIP Collateral to cash collateralize (a) any prepetition Letter of Credit issued under the Prepetition Credit Agreement or (b) any amounts due or to become due under the PCard Agreement (including, without limitation, any applicable fees and customary charges accrued and accruing thereunder); provided further, that in no event shall the Debtors be authorized to incur obligations under the PCard Agreement (inclusive of applicable fees and customary charges) in an amount greater than $200,000, including any usual and customary fees, costs, and expenses under the PCard Agreement.

9. The DIP Parties and the Debtors have agreed that the budget, the short form of which was filed with the Court on August 15, 2019 [Docket No. 129] (as the same may be modified, supplemented, or updated from time to time in the sole discretion and mutual consent of the Debtors and DIP Agent, the "***Approved Budget***") is adequate considering all the available assets, to pay the administrative expenses as and when such administrative expenses become due. The Approved Budget has been prepared and is predicated on the requirement that the Debtors shall (a) remain "in-formula" and otherwise adhere to the "Borrowing Base" (as defined in the DIP Credit Agreement but calculated as if the Additional Liquidity Amount (as defined in the DIP Credit Agreement) were included therein) formula (including for the avoidance of doubt, the "Term Loan Borrowing Base" and without giving effect to any Reserves (each, as defined in the Prepetition Credit Agreement)) and after giving effect to the Liquidity Credit (as defined in

the DIP Credit Agreement), and (b) at all times during the period covered by the Approved Budget maintain Excess Availability (as defined in the DIP Credit Agreement) of not less than ten percent (10%) of the Borrowing Base (as defined in the DIP Credit Agreement) at such time (the "***Minimum Excess Availability Amount***").

10. All collections of cash shall be deposited by the Debtors with Wells Fargo in accordance with the Debtors' existing consolidated cash management system, the maintenance of which has been approved under separate order of the Court. Upon receipt of cash , such funds shall automatically be swept to the Debtors' operating and disbursement accounts, subject to the terms of this Final Order. In furtherance of the foregoing, not later than noon (prevailing Eastern Time) on Friday of each week, the Debtors shall be required to deliver an updated Borrowing Base Certificate (as defined in the Prepetition Credit Agreement) based on best available estimates to the DIP Parties, which Borrowing Base Certificate shall include a reserve for the amount necessary to fund the Carve-Out Reserve (defined below) (to the extent not funded).

11. Adequate Protection for Prepetition Indemnity Obligations. As adequate protection, up to and including the Indemnity Termination Date, the Prepetition Secured Parties shall continue to receive the following (collectively, "***Adequate Protection***"):

(a) **Adequate Protection Liens**. Pursuant to sections 361 and 363(e) of the Bankruptcy Code, solely to the extent of the Diminution in Value[6] of the interests of the Prepetition Secured Parties in the Prepetition Collateral (including Cash Collateral) and solely to secure the Prepetition Indemnity Obligations (defined below), the Prepetition Secured Parties shall continue to have, subject to the terms and conditions set forth below, valid, perfected, and enforceable additional and replacement security interests and Liens in the DIP Collateral (defined below) (the "***Adequate Protection Liens***") which shall be junior and subordinated in priority only to the Carve Out (defined below), the Permitted Prior Liens, and the DIP Liens.

(b) **Adequate Protection Superpriority Claim**. Solely to the extent of the Diminution in Value of the interests of the Prepetition Secured Parties in the Prepetition Collateral and solely for payment of any Prepetition Indemnity Obligations, each of the Prepetition Secured Parties shall continue to have an allowed superpriority administrative expense claim (each a

[6] "***Diminution in Value***" means any diminution in value of the Prepetition Secured Parties' interest in the Prepetition Collateral as a result of (a) the incurrence of the DIP Obligations, (b) the use of Cash Collateral, (c) the subordination of the Prepetition Secured Debt to the Carve Out and the DIP Liens and DIP Superpriority Claims, (d) any other diminution in value of the Prepetition Collateral (or the proceeds thereof), and (e) the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code.

"***Adequate Protection Superpriority Claim***"; and collectively the "***Adequate Protection Superpriority Claims***") which shall continue to have priority in the Chapter 11 Cases under sections 503(b) and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors and their estates, now existing or hereafter arising, of any kind or nature whatsoever including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 726, 1113 and 1114 of the Bankruptcy Code, and sections 506(c) and 552 of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy, or attachment, but which shall be junior and subordinated in payment right to the Carve Out, the DIP Obligations[7] (including the Enhancement Fee and the Exit Fee) and the DIP Superpriority Claim (defined below), and other than the Carve Out, the DIP Obligations (including the Enhancement Fee and the Exit Fee) and the DIP Superpriority Claim (defined below), no costs or expenses of administration, including, without limitation, professional fees allowed and payable under sections 328, 330 and 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in the Chapter 11 Cases, or in any Successor Case, will be senior to, prior to, or on parity with the Adequate Protection Superpriority Claims.

12. Reimbursement on a Current Basis of Fees Until Challenge Period Termination Date. Following the Prepetition Payoff (defined below), and thereafter up to and including the Challenge Period Termination Date, the Prepetition Agents and the other Prepetition Secured Parties shall be reimbursed, on a current basis and pursuant to the provisions of Paragraph 75, for all reasonable and documented out-of-pocket fees, costs, and expenses incurred by (x) the professionals (including attorneys) engaged by such parties solely in connection with any investigation conducted by the Committee pursuant to the Interim Orders and/or this Final Order and (y) the attorneys engaged by such parties solely in connection with such parties' rights under the Interim Orders and/or this Final Order, and/or any cash management order; *provided*, *however*, that any such reimbursement on a current basis pursuant to this Paragraph 12 (a) shall be subject to a cap of $100,000 and to the terms and conditions of the Prepetition Financing Documents, and (b) such cap shall increase by $100,000 for each 30-day period the Court extends the Challenge Period Termination Date beyond September 4, 2019, not to exceed $250,000 in the aggregate (*i.e.*, no more than $350,000 after giving effect to subparts (a) and (b) of this proviso, without regard to the funds held in the Prepetition Indemnity Account).

[7] For purposes of this Final Order, "***DIP Obligations***" shall have the same meaning ascribed to the term "***Obligations***" under the DIP Credit Agreement.

13. Subordination of Claims and Liens of Prepetition Secured Parties to DIP Obligations and DIP Liens. Notwithstanding anything in the Interim Orders or this Final Order to the contrary, upon the Prepetition Payoff, and thereafter, until such time as the DIP Obligations (including the Enhancement Fee and the Exit Fee) are indefeasibly repaid in full, any and all claims of the Prepetition Secured Parties against the Debtors (other than current reimbursement of fees, costs and expenses pursuant to Paragraph 12 and Prepetition Indemnity Obligations to the extent paid from the Prepetition Indemnity Account) shall be subordinated in right of payment to the Carve Out and the DIP Obligations (including the Enhancement Fee and the Exit Fee), and any and all liens of the Prepetition Secured Parties securing Prepetition Secured Obligations (other than the Prepetition Indemnity Account Lien) shall be subordinated to the Carve Out and the DIP Liens. In addition, the Prepetition Secured Parties: (a) shall not be entitled to receive any payment from the Debtors, unless such payment is made from the Prepetition Indemnity Account on account of the Prepetition Indemnity Obligations that are then due and payable or as otherwise expressly authorized in Paragraph 12 hereof; (b) shall hold in trust for the benefit of the DIP Parties, and promptly turnover to the DIP Agent, any payment received on account of their Prepetition Indemnity Obligations that are then due and payable or any Prepetition Secured Obligations, in each case, that is not otherwise authorized under subclause (a); (c) shall be prohibited from exercising any remedies against any DIP Collateral, provided, that for the avoidance of doubt, the Prepetition Secured Parties shall not be precluded from seeking an order from the Court to compel payment by the Debtors of any amounts authorized under Paragraph 12 hereof; (d) shall not object to or otherwise take any action to prevent the Debtors from taking any action or obtaining any relief to which the DIP Parties have consented (including, without limitation, a sale of any property securing all or any part of any DIP Obligations), unless such action or relief would extinguish or materially prejudice the rights granted to the Prepetition Secured Parties under the Interim Orders and/or this Final Order; (e) shall not object to or otherwise take any action to prevent the DIP Parties from taking any action or obtaining any relief sought by the DIP Agent or DIP Lenders (including, without limitation, the enforcement of the DIP Obligations (including the Enhancement Fee and the Exit Fee), the sale of any property securing all or any part of any DIP Obligations, or any request for adequate protection, use of cash

collateral, relief from the automatic stay, or payment of fees and/or expenses), unless such action or relief would extinguish or materially prejudice the rights granted to the Prepetition Secured Parties under the Interim Orders and/or this Final Order; (f) shall not provide or seek to provide financing, either directly or indirectly, to the Debtors in the Chapter 11 Cases without the prior written consent of the DIP Parties; (g) shall not, without the prior written consent of the DIP Parties, propose a plan of reorganization, arrangement or proposal, or file any motion, pleading or material, that would have the effect of impairing or reducing the amount of or the interest rate, fees or other amounts on, or delaying the time of payment of, any DIP Obligations (including the Enhancement Fee and the Exit Fee), or otherwise materially impair the rights of the DIP Agent or any of the DIP Parties, or that would be in conflict with the terms of the Interim Orders or this Final Order; and (h) shall no longer have any consent rights under the Interim Orders, except as otherwise provided in this Final Order.

14. Subrogation. In addition to and not in lieu of any DIP Liens and other rights and protections granted to the DIP Lenders under the DIP Financing Agreements, the Interim Orders, or this Final Order, with respect to any proceeds of the DIP Credit Agreement that any of the DIP Parties has paid or will pay to any of the Prepetition Secured Parties in satisfaction of any Prepetition Secured Obligations, the DIP Secured Parties shall be subrogated to the Prepetition Liens of such Prepetition Secured Parties (which, for purposes of this Paragraph 14, shall survive for the benefit of the DIP Parties) with respect to such satisfied Prepetition Secured Obligations until the payment in full in cash of all DIP Obligations (including the Enhancement Fee and the Exit Fee); provided, however, that notwithstanding anything to the contrary herein, no such subrogation shall either (a) impose, create or otherwise result in any liability or claim against (i) the Debtors in relation to any Prepetition Secured Obligation, or (ii) the DIP Lenders in relation to any Prepetition Secured Obligation that may otherwise exist against the Prepetition Secured Parties prior to the Indemnity Termination Date, or (b) impair the rights granted to the Committee under the Interim Orders or this Final Order to investigate and prosecute claims against the Prepetition Secured Parties and the Prepetition Liens pursuant to Paragraphs 46 to 52 hereof. For the avoidance of doubt, the payoff of the Prepetition Secured Obligations and the related rights of subrogation pursuant to the Interim Orders and

this Final Order shall not reduce any of the DIP Obligations nor impair or prejudice any rights and protections granted to the DIP Parties hereunder.

15. Repayment of Prepetition Secured Obligations (Other Than the Prepetition Indemnity Obligations). On August 15, 2019, the Debtors repaid the amount of the Prepetition Secured Obligations (other than the Prepetition Indemnity Obligations, if any), including interest and fees (including any prepayment and/or early termination fees) through such date of repayment (at the default contract rate) in the amount set forth in the Payoff Letter.

16. Enhancement Fee. The net proceeds ("***Sale Proceeds***") of any disposition of DIP Collateral or sale of the Reorganized Debtors' equity interest (under a chapter 11 plan) (each such disposition, a "***Sale***") (other than with respect to the sale of inventory or other sales in the ordinary course of business (which, for the avoidance of doubt, shall exclude any sale of inventory in accordance with a store closure or other form of liquidation)), after the payment in full of (1) all DIP Obligations (other than the Enhancement Fee), and (2) all other administrative and priority claims (including, for the avoidance of doubt, the Carve Out), shall be promptly paid and shared at closing on such Sale(s) (including if such Sale constitutes a DIP Maturity Event) in the following sequence and percentages: (a) the first $8 million in Sale Proceeds shall be deposited into an escrow account to be used solely for payment of allowed general unsecured claims; and (b) any remaining Sale Proceeds shall be paid, (x) 25% to the Tranche A DIP Lenders and (y) 75% to the Debtors (the amount of such Sale Proceeds payable to the DIP Lenders pursuant to the foregoing, the "***Enhancement Fee***," the payment of which shall constitute a DIP Obligation pursuant to this Final Order), with the Debtors' 75% share subject to the liens and security interests granted in favor of the Prepetition Secured Parties, including the Adequate Protection Liens and the Prepetition Indemnity Account Lien. The Debtors shall keep the DIP Agent and the Committee fully informed of the Debtors' efforts to consummate any Sale(s) and any other sales of equity interests and/or assets of the Debtors after the Petition Date, and without limiting the generality of the foregoing, the Debtors shall: (xx) promptly provide to the DIP Agent and the Committee copies of all offers for the purchase of any asset(s) and/or equity interests of any of the Debtors and copies of all bids from any liquidator(s); (yy) provide, promptly

upon written (including by e-mail) request of the DIP Agent and the Committee, and in any event no less frequently than weekly, status updates on the Debtors' efforts to consummate any Sale(s) and/or any other dispositions or capital/equity raises; and (z) promptly advise the DIP Agent and the Committee of any expressions of interest in any or all of the Debtors' assets and/or equity interests.

17. Credit Bid. In connection with any Sale(s) or other dispositions of any assets of the Debtors (outside of the ordinary course of business), the DIP Agent and DIP Lenders, respectively, may credit bid, in accordance with the DIP Financing Agreements, some or all of the DIP Obligations for the DIP Collateral, (each a "***Credit Bid***"), pursuant to section 363 of the Bankruptcy Code, whether such sale is effectuated through section 363 or 1129 of the Bankruptcy Code, by a chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise; *provided, however*, that notwithstanding anything to the contrary in the Interim Orders, this Final Order, or any prior order entered by this Court (including that certain *Order (I) Approving the Bidding Procedures, (II) Scheduling the Bid Deadlines and the Auction, (III) Approving the Form and Manner of Notice Thereof, and (IV) Granting Related Relief* [Docket No. 156]), neither the DIP Parties nor any other assignee, transferee, or party in interest shall be entitled to credit bid the Enhancement Fee. In all such instances, each of the DIP Agent and DIP Lenders, respectively, shall be considered a "Qualified Bidder" with respect to its right to acquire all or any of the assets by Credit Bid. For the avoidance of doubt, the DIP Agent and DIP Lenders, in accordance with any order entered by the Court authorizing bidding procedures with respect to a sale of all or substantially all of the Debtors' assets, shall be permitted to combine their respective allocations of the DIP Obligations (excluding any Enhancement Fee) into a single Credit Bid and submit joint Bids as provided therein. The Bidding Procedures shall further provide that: (a) any Bid for Assets that constitute DIP Collateral or Reorganized Debtors' equity interest (under a chapter 11 plan) must (x) provide for indefeasible payment in cash and in full of the DIP Obligations, other than any Enhancement Fee, or (y) have the consent of the DIP Parties; and (b) so long as the DIP Parties submit a Bid that does not exceed the amount of the DIP Obligations (excluding any Enhancement Fee), the DIP Parties shall remain a Consultation Party under the Bidding Procedures.

18. Access to Records; Reporting. In addition to, and without limiting, whatever rights to access the DIP Parties have under the DIP Financing Agreements, as applicable, upon reasonable notice, at reasonable times during normal business hours, the Debtors shall permit representatives, agents, and employees of the DIP Parties and the Committee, respectively: (a) to have access to and inspect the Debtors' properties; (b) to examine the Debtors' books and records; (c) to discuss the Debtors' affairs, finances, and condition with the Debtors' officers and financial advisors; and (d) otherwise to have the full cooperation of the Debtors; provided, however, that the Prepetition Secured Parties and their professionals shall be granted access to information to the extent necessary to respond to a Challenge Proceeding. In connection with the foregoing, during the Chapter 11 Cases, and until such time as the DIP Obligations shall have been paid in full, the Debtors shall cooperate fully with a financial advisor engaged by the DIP Agent and the Committee, respectively. Notwithstanding anything to the contrary herein, none of the Loan Parties will be required to disclose information or provide access to the DIP Agent or the Committee (or any agent or representative thereof) where such disclosure or access is prohibited by applicable law or is subject to attorney-client or similar privilege, constitutes attorney work product, or implicates conflicts matters.

19. Pleadings to Be Filed in the Chapter 11 Cases. Promptly, and at least two (2) calendar days prior to filing, the Debtors shall provide (i) to the DIP Parties copies of all material pleadings (including, without limitation, any proposed orders, motions and applications) and any other pleadings wherein such parties' rights are impacted to be filed or entered in the Chapter 11 Cases and/or in any related proceedings, which pleadings shall be in form and substance reasonably acceptable to the DIP Parties, and (ii) up to and including the Indemnity Termination Date, to the Prepetition Secured Parties copies of all material pleadings (including, without limitation, any proposed orders, motions and applications) wherein such parties' rights and protections granted under the Interim Orders and/or this Final Order may be materially prejudiced to be filed or entered in the Chapter 11 Cases and/or in any related proceedings; provided that any amendments or modifications to this Final Order and the Interim Orders, in each case, shall be, with respect to any rights and protections granted to the Prepetition Secured Parties under the Interim Orders and/or this Final Order, in form and substance acceptable to the Prepetition Secured Parties.

20. Final Satisfaction of Prepetition Secured Obligations. The Debtors, upon entry of the Second Interim Order, were authorized and directed to (x) execute the Payoff Letter and shall continue to perform the transactions and undertakings set forth therein, which are hereby approved in all respects, and, (y) within one business day of the entry of the Second Interim Order and contemporaneous with the second interim funding of the DIP Loans, but in no event later than 2:00 p.m. (New York time) on August 15, 2019, were obligated to irrevocably pay in cash the amount of the Prepetition Secured Obligations (other than the Prepetition Indemnity Obligations, if any), including interest and fees (including any prepayment and/or early termination fees) through the date of repayment (at the default contract rate) in the amount of approximately up to $142 million as set forth in the Payoff Letter (the "**Prepetition Payoff**"), which repayment shall be indefeasible upon the occurrence of the Indemnity Termination Date; provided that the Prepetition Secured Parties' rights to assert the Prepetition Indemnity Obligations, if any, shall continue up to and including the Indemnity Termination Date. Effective immediately upon the Prepetition Payoff:

(a) the Prepetition Financing Documents and any other "Loan Documents" as defined in the Prepetition Credit Agreement, in each case, other than the Prepetition Indemnity Obligations and any other provisions and obligations whose survival is contemplated by the Prepetition Financing Documents or under the Interim Orders or this Final Order (including those that, pursuant to the Interim Orders and this Final Order, survive for the benefit of the DIP Lenders and the prepetition mortgages granted in favor of the Prepetition ABL Agent), were deemed cancelled, terminated, and of no further force and effect (other than the Prepetition Indemnity Obligations, cash management and letter of credit arrangements, and/or any other provisions whose survival is contemplated under the Interim Orders and/or this Final Order), and all rights, and obligations (other than any Prepetition Indemnity Obligations that by their terms survive termination, cash management and letter of credit obligations, and any other provisions and obligations whose survival is contemplated by the Prepetition Financing Documents or under the Interim Orders or this Final Order) under the Prepetition Financing Documents, including the Prepetition Secured Obligations, were released, cancelled, and of no further force or effect; provided, that the Prepetition Liens shall remain in effect solely up to and including the occurrence of the Indemnity Termination Date and solely to secure payment of the Prepetition Indemnity Obligations, other amounts due to the Prepetition Secured Parties pursuant to the Prepetition Financing Documents, the Interim Orders, and/or this Final Order, the cash management and letter of credit arrangements, and any other obligations whose survival is contemplated by the Prepetition Financing Documents or under the Interim Orders or this Final Order. Upon the occurrence of the Indemnity Termination Date, the Prepetition Liens and Prepetition Indemnity Obligations shall be fully and irrevocably deemed released, cancelled, and of no further force or effect, except to the extent they survive under the Interim Orders and this Final Order for the benefit of the DIP Lenders; provided

further that any and all Prepetition Liens that survive until the Indemnity Termination Date shall be subordinate in all respects to the Carve Out, the Permitted Prior Liens, and the DIP Liens, and shall be enforceable only to the extent that any Prepetition Indemnity Obligations and any other obligations whose survival is contemplated by the Prepetition Financing Documents, the Interim Orders, or this Final Order, are not capable of being satisfied from the application of funds on deposit in the Prepetition Indemnity Account; and

(b) the Prepetition Agents will cooperate fully with the DIP Agent to transfer to the DIP Agent any possessory DIP Collateral (other than, for the avoidance of doubt, the Prepetition Indemnity Account (defined below)) that is in the possession of the Prepetition Agents.

21. Prepetition Indemnity Account. Upon entry of the Second Interim Order, the Debtors were authorized and directed to pay or deliver to the Prepetition ABL Agent (for the benefit of the Prepetition Secured Parties) the sum of (x) $500,000 by no later than 2:00 p.m. (New York time) on August 15, 2019 and (y) $250,000 by no later than 2:00 p.m. (New York time) on September 13, 2019, in each case of (x) and (y), to be segregated and held under the control of the Prepetition ABL Agent (for the benefit of the Prepetition Secured Parties) (the "***Prepetition Indemnity Account***") as security for any amounts owing but not paid to the Prepetition Secured Parties and any reimbursement, indemnification, or similar continuing obligations of the Debtors in favor of the Prepetition Agents and the other Prepetition Secured Parties, including, without limitation, in respect of any avoided payments, that expressly by their terms survive termination of the Prepetition Financing Documents, including without limitation, the provisions of Sections 11.3 and 11.4 of the Prepetition Credit Agreement (the "***Prepetition Indemnity Obligations***").

(a) Without limiting the generality of the foregoing, the funds in the Prepetition Indemnity Account shall secure all costs, expenses, and other amounts (including reasonable and documented attorneys' fees) incurred by the Prepetition Agents and the other Prepetition Secured Parties in connection with or responding to (i) formal or informal inquiries and/or discovery requests, any adversary proceeding, cause of action, objection, claim, defense, or other challenge as contemplated in Paragraphs 46-52 hereof, or (ii) any Challenge Proceeding against any one or more of the Prepetition Agent(s) and/or the other Prepetition Secured Parties related to the Prepetition Financing Documents, the Prepetition Liens, or the Prepetition Secured Obligations, whether in the Chapter 11 Cases or independently in another forum, court, or venue; provided, that the relative interests of the Prepetition Agents and other Prepetition Secured Parties in the funds deposited in the Prepetition Indemnity Account on account of any Prepetition Indemnity Obligations shall be subject in all respects to the priority provisions set forth in the Prepetition Financing Documents.

(b) The Prepetition Indemnity Obligations are and shall continue to be secured by a first-priority lien (the "***Prepetition Indemnity Account Lien***") in favor of the Prepetition ABL Agent (on behalf of itself and the other Prepetition Secured Parties) on the Prepetition Indemnity Account and the funds therein and by a Lien in favor of the Prepetition ABL Agent (on behalf of itself and the other Prepetition Secured Parties) on the DIP Collateral (subject and subordinate to the Carve Out, Permitted Prior Liens and the DIP Liens). For the avoidance of doubt, notwithstanding anything to the contrary contained herein, (i) up to and including the Indemnity Termination Date, the Prepetition Indemnity Account and the funds therein shall not constitute DIP Collateral or be subject to the Carve Out, the DIP Liens, the DIP Superpriority Claim or any other Lien or claim granted to any person or entity other than the Prepetition Secured Parties, and (ii) any Prepetition Indemnity Obligations, other than those payable under Paragraph 12 hereof or from the Prepetition Indemnity Account (or any Prepetition Indemnity Account Lien), shall be subject and subordinate to the Carve Out, Permitted Prior Liens, the DIP Obligations, and the DIP Liens.

(c) The Prepetition Agents and other Prepetition Secured Parties may apply amounts in the Prepetition Indemnity Account against the Prepetition Indemnity Obligations as and when they arise, without further consent from the Debtors, the Committee, any other statutory committee, or any other parties in interest and without further order of this Court.

(d) In addition to the establishment and maintenance of the Prepetition Indemnity Account, up to and including the Indemnity Termination Date, the Prepetition Agents (for themselves and on behalf of the other Prepetition Secured Parties), shall retain and maintain the Prepetition Liens (subject and subordinate to the Carve Out, Permitted Prior Liens and the DIP Liens) as security for the amount of any Prepetition Indemnity Obligations not capable of being satisfied from application of the funds on deposit in the Prepetition Indemnity Account; provided, that any such indemnification claim(s) shall (i) be subject to the terms of the Prepetition Financing Documents, (ii) the rights of parties in interest with requisite standing to object to any such indemnification claim(s) are hereby reserved in accordance with Paragraphs 46-52 hereof, and (iii) the Court shall reserve jurisdiction to hear and determine any such disputed indemnification claim(s).

(e) Promptly upon, but in no event later than five Business Days after, the occurrence of the Indemnity Termination Date, the Prepetition ABL Agent shall return to the Debtors the remaining amount, if any, net of any unpaid fees and expenses of the Prepetition Secured Parties and the Prepetition Indemnity Obligations then liquidated and due, in the Prepetition Indemnity Account. Upon such return, such funds shall constitute DIP Collateral.

(f) For the avoidance of doubt, nothing contained in this Paragraph 21 shall relieve the Debtors of their obligation to timely reimburse the fees, costs and expenses of the Prepetition Agents and the other Prepetition Secured Parties pursuant to Paragraph 12 and subject to Paragraph 75 hereof.

22. Treatment of Disgorged Amounts. In the event that the Prepetition Agents or any of the other Prepetition Secured Parties is ordered by this Court to disgorge, refund or in any manner repay to any

of the Debtors or their estates any amounts ("***Disgorged Amounts***"), the Disgorged Amounts, unless otherwise ordered by the Court, shall be placed in a segregated interest bearing account in the control of the Prepetition ABL Agent, pending a further final, non-appealable order of a court of competent jurisdiction (for the avoidance of doubt the Court is a court of competent jurisdiction) regarding the distribution of such Disgorged Amounts (either returning the Disgorged Amounts to the Prepetition Agents and the other Prepetition Secured Parties, distributing such amounts to the Debtors or the DIP Parties, or otherwise).

23. Section 507(b). Nothing herein or the DIP Financing Agreements shall prejudice, limit or otherwise impair or modify the Prepetition Secured Parties' respective rights under section 507(b) of the Bankruptcy Code in the event that the Adequate Protection provided to the Prepetition Secured Parties hereunder is insufficient to compensate for the diminution in value of their interests in the Prepetition Collateral during the Chapter 11 Cases or any Successor Case(s); provided, however, that: (a) nothing herein shall impair the right of the Debtors, the DIP Parties, or any other party in interest to contest any request for additional or different adequate protection; and (b) any section 507(b) claim granted in the Chapter 11 Cases to any Prepetition Secured Party(ies) shall be subject and subordinate to the Carve Out and DIP Obligations.

24. Subject to section 364(e) of the Bankruptcy Code and Paragraph 74 of this Final Order, nothing included herein shall prejudice, impair or otherwise affect Prepetition Secured Parties' rights to seek any other or supplemental relief from the Court in respect of the Debtors.

III. Authorization for the DIP Facility

A. Findings Regarding the DIP Financing.

25. Good Cause. Good cause has been shown for immediate entry of this Final Order.

26. Need for Post-Petition Financing. An immediate need exists for the Debtors to obtain funds from the DIP Facility in order to continue operations and to administer and preserve the value of their estates for the benefit of their various stakeholders. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors' assets, and to maximize a return for all creditors requires

the availability of working capital from the DIP Facility (in each case in the manner and in the amounts provided herein and in the Approved Budget (including any permitted variances), in the DIP Credit Agreement, the Interim Orders, and this Final Order), the absence of which would immediately and irreparably harm the Debtors, their estates and their stakeholders.

27. No Credit Available on More Favorable Terms. As set forth in the DIP Motions, the Debtors have been unable to obtain any of the following:

(a) unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense;

(b) credit for money borrowed with priority over any or all administrative expenses of the kind specified in sections 503(b) or 507(b) of the Bankruptcy Code;

(c) credit for money borrowed secured solely by a Lien on property of the estate that is not otherwise subject to a Lien; or

(d) credit for money borrowed secured by a junior Lien on property of the estate which is subject to a Lien;

in each case, on more favorable terms and conditions than those provided in the DIP Credit Agreement, the Interim Orders, and/or this Final Order. The Debtors are unable to obtain credit from the DIP Lenders without granting to the DIP Agent and the DIP Lenders the DIP Protections (defined below).

28. Business Judgment; Good Faith Pursuant to Section 364(e) of the Bankruptcy Code. The extension of credit under the DIP Facility, the DIP Credit Agreement, and the other DIP Financing Agreements, and the fees paid and to be paid thereunder and the repayment of the Prepetition Secured Debt herein: (a) are fair, reasonable, and the best available under the circumstances; (b) reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties; and (c) are supported by reasonably equivalent value and consideration. The DIP Facility was negotiated in good faith and at arms' length between the Debtors, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties, and the proceeds to be extended under the DIP Facility will be so extended in good faith and used for valid business purposes and uses, as a consequence of which the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties are each entitled to the protections and benefits of sections 363(m) and 364(e) of the Bankruptcy Code.

29. Sections 506(c). As a further condition of the DIP Facility and any obligation of the DIP Lenders to make credit extensions pursuant to the DIP Credit Agreement, the Debtors (and any successors thereto or any representatives thereof, including any trustees appointed in the Chapter 11 Cases or any Successor Case) shall be deemed to have waived any rights or benefits of section 506(c) of the Bankruptcy Code with respect to the DIP Agent, the DIP Lenders, the DIP Collateral, the Prepetition Agents, the Prepetition Secured Parties, and the Prepetition Collateral.

30. Relief Essential; Best Interest. The relief requested in the DIP Motions (and as provided in the Interim Orders and this Final Order) is necessary, essential, and appropriate for the continued operation of the Debtors' business, the management and preservation of the Debtors' assets during the Interim Period, and to avoid immediate and irreparable harm. It is in the best interest of the Debtors' estates that the Debtors be allowed to establish the DIP Facility contemplated by the DIP Credit Agreement and the other DIP Financing Agreements. The Debtors have demonstrated good and sufficient cause for the relief granted herein.

B. Approval of Entry into the DIP Financing Agreements

31. The Debtors are expressly and immediately authorized and empowered to execute and deliver the DIP Financing Agreements (including the Second Amended and Restated Debtor in Possession Secured Term Promissory Note) and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of the Interim Orders, this Final Order, and the DIP Financing Agreements, and to execute and deliver all instruments, certificates, agreements, and documents that may be required or necessary for the performance by the Debtors under the DIP Facility and the creation and perfection of the DIP Liens described in and provided for by the Interim Orders, this Final Order, and the DIP Financing Agreements. In furtherance of the foregoing, the Debtors are hereby authorized to do and perform all acts, pay the principal, interest, fees, expenses, and other amounts described in the DIP Credit Agreement and all other DIP Financing Agreements as such become due, including, without limitation, the "Original Exit Fee," the "Additional Facility Fee," and the "Additional Exit Fee" (as defined in the DIP Financing Agreements), and, subject to the provisions of Paragraph 75 hereof, the DIP Agent's and DIP Lenders'

reasonable attorneys', financial advisors', consultants', and accountants' fees and disbursements as provided for in the DIP Credit Agreement, which amounts shall not otherwise be subject to approval of this Court.

32. In order to enable them to continue to operate their businesses, and subject to the terms and conditions of the Interim Orders, this Final Order, the DIP Credit Agreement, the other DIP Financing Agreements, including the Approved Budget (subject to any variances thereto permitted under the terms and conditions of the DIP Financing Agreements, the Interim Orders, and this Final Order), the Debtors are hereby authorized under the DIP Facility to borrow an amount up to $217 million in accordance with the terms and conditions of the DIP Credit Agreement, all of which was advanced pursuant to the Interim Orders.

33. The advances under the DIP Facility shall be used in each case in a manner consistent with the terms and conditions of the DIP Financing Agreements, the Interim Orders, and the Final Order, and in accordance with and as may be limited by the Approved Budget (subject to any variances thereto permitted under the terms and conditions of the DIP Financing Agreements, the Interim Orders, and the Final Order), solely as follows:

(a) to pay fees, costs, and expenses as provided in the DIP Financing Agreements, including amounts incurred in connection with the preparation, negotiation, execution, and delivery of the DIP Credit Agreement and the other DIP Financing Agreements;

(b) for general operating and working capital purposes, for the payment of transaction expenses, for the payment of fees, expenses, and costs incurred in connection with the Chapter 11 Cases, and other proper corporate purposes of the Debtors not otherwise prohibited by the terms hereof for working capital, and other lawful corporate purposes of the Debtors;

(c) for making payments in respect of Adequate Protection and other payments, all subject to and as provided in the Interim Orders and this Final Order;

(d) to repay the Prepetition Secured Obligations as provided in the Interim Orders and/or this Final Order;

(e) to fund the Prepetition Indemnity Account, as provided in the Interim Orders and/or this Final Order; and

(f) to fund the Carve Out.

34. DIP Obligations. The DIP Financing Agreements, the Interim Orders, and this Final Order shall constitute and evidence the validity and binding effect of the Debtors' DIP Obligations, which shall be enforceable against the Debtors, their estates, and any successors thereto, including without limitation, any trustee appointed in these Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of these Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the "***Successor Cases***"). The DIP Obligations include all loans, and any other indebtedness or obligations, contingent or absolute, including, for the avoidance of doubt, the Enhancement Fee, which may now or from time to time be owing by any of the Debtors to the DIP Agent or any of the DIP Lenders, under the DIP Financing Agreements, the Interim Orders, and the Final Order, including, without limitation, all principal, accrued interest, costs, fees, expenses and other amounts owing under the DIP Financing Agreements. The Debtors shall be jointly and severally liable for the DIP Obligations. The DIP Obligations shall be due and payable, without notice or demand except as provided herein. No obligation, payment, transfer, or grant of collateral security hereunder or under the DIP Financing Agreements (including any DIP Obligation or DIP Liens (as defined herein)) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

35. Pursuant to sections 361, 362, 364(c)(2), 364(c)(3) and 364(d)(1) of the Bankruptcy Code, and subject to the limitations set forth below, effective immediately upon the entry of the Interim Orders as applicable, the DIP Agent was granted the Liens (the "***DIP Liens***") (which DIP Liens are subject and subordinate to the Carve Out) for the ratable benefit of itself and the DIP Lenders, which DIP Liens constituted continuing, valid, binding, enforceable, non-avoidable, and automatically perfected post-

petition security interests and liens, and except as otherwise expressly provided in the Interim Orders and this Final Order, upon and to all of the following (collectively, the "***DIP Collateral***"): Liens with the priorities set forth in 11 U.S.C. § 364(c)(2), (c)(3) , and (d)(1) on all "property of the estate" as defined in section 541 of the Bankruptcy Code (including tangible and intangible assets and equity interests of the Borrowers (and any guarantors), including all assets constituting Prepetition Collateral), subject only to any Permitted Prior Liens and the Carve Out. The DIP Collateral shall exclude (a) leases not subject to a mortgage in favor of the Prepetition ABL Agent as of the Petition Date (the "***Unencumbered Leases***"), but the DIP Collateral shall include any proceeds of Unencumbered Leases, (b) payroll, withholding tax and other fiduciary accounts and all amounts on deposit therein (in each case limited as provided in the Prepetition Financing Documents), (c) claims under chapter 5 of the Bankruptcy Code ("***Avoidance Actions***") or any proceeds of Avoidance Actions, and (d) prior to and including the Indemnity Termination Date, the Prepetition Indemnity Account and any funds therein (including the $750,000, a portion of which was funded pursuant to the Second Interim Order).

36. From and after the Petition Date, the Debtors shall use the proceeds of the extensions of credit under the DIP Facility only for the purposes specifically set forth in the DIP Financing Agreements, the Interim Orders, and/or this Final Order, in compliance with and as limited by the Approved Budget (subject to any variances thereto permitted under the terms and conditions of the DIP Financing Agreements, the Interim Orders, and the Final Order). The Approved Budget, and any modification to, or amendment or update thereof, shall be approved by, and in form and substance satisfactory to, the Debtors and the DIP Agent, each in their sole discretion. The Approved Budget shall be updated, modified, or supplemented by the Debtors from time to time in accordance with the DIP Credit Agreement (provided that any update, modification or supplement shall be approved in writing by, and shall be in form and substance satisfactory to the DIP Agent in its sole discretion), and no such updated, modified or supplemented budget shall be effective until so approved and once approved shall be deemed the "Approved Budget." Each budget delivered to the DIP Agent shall be accompanied by such supporting documentation as reasonably requested by the DIP Agent and shall be prepared in good faith based upon assumptions the

Debtors believe to be reasonable. A copy of any Approved Budget shall be delivered to counsel for the Committee and the U.S. Trustee after (or if) it has been approved by the DIP Agent.

37. Subject and subordinate to the Carve Out, all DIP Obligations shall be an allowed superpriority administrative expense claim (the "***DIP Superpriority Claim***" and, together with the DIP Liens, collectively, the "***DIP Protections***") with priority in the Chapter 11 Cases and any Successor Case(s) under sections 364(c)(1), 503(b), and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors and their estates, now existing or hereafter arising, of any kind or nature whatsoever including, without limitation, administrative expenses of the kinds specified in, arising, or ordered pursuant to sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 726, 1113, and 1114 of the Bankruptcy Code, and, sections 506(c) and 552(b) of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy, or attachment. Notwithstanding anything to the contrary herein, the DIP Superpriority Claim shall not be payable from Avoidance Actions brought under 11 U.S.C. Sections 547 or 548 or the proceeds thereof as to any of the Debtors' landlords, vendors (whether supplier of goods or services), or employees (in each case, who are non-insiders of the Debtors), provided, however, the DIP Superpriority Claim may be paid on account of any Avoidance Action arising out of 11 U.S.C. Section 548, if such payment or transfer was not on account of (i) the supply of goods or services, (ii) amounts relating to rent or other amounts due under a lease or contract related to such lease, or (iii) amounts paid for wages, salaries, benefits, contributions required under a collective bargaining agreement, reimbursement of expenses or other amounts related to any of the Debtors' union or non-insider employee's employment or other agreement, plan or requirement that is required to be paid under the Debtors' employment policies, collective bargaining agreements, or otherwise required to be paid under law to or on behalf of any such non-insider employees or union organization.

38. Other than the Carve Out, no costs or expenses of administration, including, without limitation, professional fees allowed and payable under sections 328, 330, and 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in the Chapter 11 Cases, or in any Successor Case, and no priority claims are, or will be, senior to, prior to, or on a parity with the DIP Protections or the DIP Obligations or with any other claims of the DIP Agent and/or DIP Lenders arising hereunder.

39. The Interim Orders and this Final Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens, Adequate Protection Liens, and Prepetition Indemnity Account Lien without the necessity of filing or recording any financing statement, deed of trust, mortgage, security agreement, notice of Lien or other instrument or document that may otherwise be required under the law of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement or securities account control agreement) to validate or perfect such DIP Liens, Adequate Protection Liens, or Prepetition Indemnity Account Lien, or to entitle the DIP Liens, Adequate Protection Liens, or Prepetition Indemnity Account Lien to the priorities granted herein.

40. Notwithstanding the foregoing, the DIP Parties and/or the Prepetition Secured Parties, as applicable, may, in their respective discretion, file such financing statements, deeds of trust, mortgages, security agreements, notices of Liens, and other similar instruments and documents to evidence, confirm, validate, or perfect, or to ensure the contemplated priority of, the DIP Liens, the Adequate Protection Liens and/or the Prepetition Indemnity Account Lien, and are hereby granted relief from the automatic stay of section 362 of the Bankruptcy Code in order to do so, and all such financing statements, deeds of trust, mortgages, security agreements, notices of Liens, and other similar instruments and documents shall be deemed to have been filed or recorded at the time and on the date of the commencement of the Chapter 11 Cases.

41. The Debtors shall execute and deliver to the DIP Agent and each Prepetition Secured Party, as applicable, all such financing statements, deeds of trust, mortgages, security agreements, notices of Liens, and other similar instruments and documents as the DIP Agent and/or the applicable Prepetition Secured Party may reasonably request to evidence, confirm, validate, or perfect, or to ensure the

contemplated priority of, the DIP Liens, the Adequate Protection Liens and/or the Prepetition Indemnity Account Lien.

42. The DIP Parties and the Prepetition Secured Parties, in their respective discretion, may file a photocopy of the entered, docketed version of the Interim Orders and this Final Order as a financing statement with any recording office designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any of the Debtors has real or personal property, and in such event, the subject filing or recording office shall be authorized to file or record such copy of the Interim Orders and this Final Order. Subject to the priorities set forth in the Interim Orders and this Final Order, the prepetition mortgages granted in favor of the Prepetition ABL Agent shall remain in full force and effect in accordance with its/their terms as if the same were executed and delivered under the Interim Orders and the Final Order and thereafter recorded with any registry of deeds or similar office in any jurisdiction in which any of the Debtors has real or personal property, and each such mortgage (or any mortgage granted to the DIP Agent in respect of the DIP Facility, regardless of whether the same is recorded with any applicable registry of deeds or similar office in any jurisdiction in which any of the Debtors has real or personal property) shall serve as evidence of validity, perfection and contemplated priority of the DIP Liens, the Adequate Protection Liens and/or the Prepetition Indemnity Account Lien.

43. Subject to the terms of the Interim Orders and this Final Order (including the subordination provisions therein and hereof), the DIP Agent shall, in addition to the rights granted to it under the DIP Financing Agreements, succeed to the rights of the Prepetition Agents with respect to all third-party notifications in connection with the Prepetition Financing Documents, all prepetition collateral access agreements, and all other agreements with third parties (including any agreement with a customs broker, freight forwarder, or credit card processor) relating to, or waiving claims against, any Prepetition Collateral, including, without limitation, each collateral access agreement duly executed and delivered by any landlord of any Debtor and including, for the avoidance of doubt, all deposit account control agreements, securities account control agreements, and credit card agreements, provided, that nothing herein shall impair any such rights of the Prepetition Agents that may continue to exist, subject to Paragraph 14 of this Final Order.

44. The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby modified as necessary to:

(a) permit the Debtors to grant the DIP Liens, the Adequate Protection Liens, and Prepetition Indemnity Account Lien, and to incur all liabilities and obligations to the DIP Agent and DIP Lenders under the DIP Financing Agreements, the DIP Facility, the Interim Orders, and this Final Order; and

(b) authorize the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties to retain and apply payments hereunder as provided by the DIP Financing Agreements, the Interim Orders, and this Final Order.

45. The DIP Lenders are authorized to provide the Consignment Facility to the Debtors pursuant to the terms contained in the DIP Financing Agreements.

C. Reservation of Certain Third-Party Rights and Bar of Challenges and Claims

46. Nothing in the Interim Orders, this Final Order, the Prepetition Financing Documents, the DIP Credit Agreement, or the other DIP Financing Agreements shall prejudice whatever rights the Committee or any other party-in-interest (other than the Debtors) with requisite standing that has been sought and granted by this Court, as applicable, may have to bring an adversary proceeding, cause of action, objection, claim, defense, or other challenge against any one or more of the Prepetition Secured Parties, the Prepetition Secured Debt and/or the Prepetition Liens (collectively, a "***Challenge Proceeding"***), including, but not limited to, any of the following:

(a) in the case of the Prepetition Secured Parties, an objection to or challenge of the Debtors' Stipulations set forth in Paragraphs II.6(a) through II.6(i), including (i) the validity, extent, perfection, or priority of the security interests and Prepetition Liens of the Prepetition Agents in and to the Prepetition Collateral, or (ii) the validity, allowability, priority, status, or amount of the Prepetition Secured Debt; or

(b) a suit against any one or more of the Prepetition Secured Parties in connection with or related to the Prepetition Secured Debt and/or the Prepetition Liens, or the actions or inactions of the such Prepetition Secured Party(ies) arising out of or related to such Prepetition Secured Debt and/or Prepetition Liens;

provided, however, that the Committee or any other party-in-interest with requisite standing that has been sought and granted by this Court, as applicable, must commence a Challenge Proceeding asserting such objection or challenge, including, without limitation, any claim against any one or more of the Prepetition Agents and/or other Prepetition Secured Parties, as applicable, in the nature of a claim, cause of action,

setoff, counterclaim, or defense in respect of the Prepetition Secured Debt and/or the Prepetition Liens (including, but not limited to, those under sections 506, 544, 547, 548, 549, 550, and/or 552 of the Bankruptcy Code), by 5:00 p.m. (prevailing Eastern Time) on September 4, 2019 (the "***Challenge Period Termination Date***"). The failure of the Committee or other third party who desires to investigate either (i) the validity, extent, perfection, or priority of the security interests and Prepetition Liens in and to the Prepetition Collateral, or (ii) the validity, allowability, priority, status, or amount of the Prepetition Secured Debt, to make a formal written request to the affected Prepetition Secured Parties for information validating such Prepetition Secured Debt and/or Prepetition Liens on or before the date that is ten (10) calendar days prior to the Challenge Period Termination Date shall operate as a bar to any motion, application or other request by such party(ies) for an extension of the Challenge Period Termination Date.

47. Not less than five (5) business days prior to filing a motion seeking standing (a "***Challenge Standing Motion***") to commence a Challenge Proceeding, the Committee or other third party, as the context makes applicable, shall inform the affected Prepetition Agent(s) and/or other Prepetition Secured Party(ies), in writing, of its intent to file such standing motion (such writing shall contain a reasonably detailed statement of the claims proposed to be asserted in such Challenge Proceeding and the legal/other bases supporting such claim(s) in the event standing were to be granted by the Court ("***Challenge Statement***")). The parties shall thereafter meet and confer for purposes of attempting to resolve any issues/claims asserted in the Challenge Statement. In the event the Committee or other third party thereafter files a Challenge Standing Motion seeking standing to commence a Challenge Proceeding in accordance with the terms of this Final Order, any such Challenge Standing Motion shall, at a minimum, include a copy of any proposed objection or adversary complaint containing a detailed description of the claims and causes of action such party proposes to pursue. The Challenge Period Termination Date shall be tolled for a period not to exceed thirty (30) days upon the filing of a Challenge Standing Motion (the "***Tolling Period***") by an interested party (other than the Committee) seeking standing to commence a Challenge Proceeding in accordance with the terms of this Final Order); provided, that any such tolling shall be applicable solely to the party that files the subject Challenge Standing Motion and solely as to the Challenge Proceedings for which

standing is sought (as set forth in such Challenge Standing Motion); and provided, further, that, unless otherwise ordered by the Court, the granting of any Challenge Standing Motion shall not extend the Challenge Period Termination Date beyond expiration of the Tolling Period. The Challenge Period Termination Date may occur as to some, but not all, of the Prepetition Agents and/or other Prepetition Secured Parties if a Challenge Proceeding is brought against one or more but not all of the Prepetition Agents and/or other Prepetition Secured Parties.

48. For the avoidance of doubt, in the event any one or more of the Chapter 11 Cases is converted to a case under Chapter 7, or if a Chapter 11 trustee is appointed prior to the Challenge Period Termination Date, then in either such event and solely as applies to any such trustee, the Challenge Period Termination Date shall be sixty (60) days after such trustee's appointment. In the event that the Committee or any other party in interest with requisite standing, as applicable, has commenced a Challenge Proceeding prior to the conversion to Chapter 7 or appointment of a Chapter 11 trustee, the trustee shall be entitled to assume the prosecution of any pending Challenge Proceeding. In the event that the Committee or any other party in interest with requisite standing, as applicable, has commenced a Challenge Proceeding prior to the conversion to Chapter 7 or appointment of a Chapter 11 trustee, the trustee shall be entitled to assume the prosecution of any pending Challenge Proceeding. Until the later of the Challenge Period Termination Date without commencement of a Challenge Proceeding or the entry of a final, non-appealable order or judgment on account of any Challenge Proceeding properly commenced before the Challenge Period Termination Date, such trustee shall not be bound by the Debtors' Stipulations in the Interim Orders and this Final Order.

49. Upon the Challenge Period Termination Date with respect to one or more or all of the Prepetition Secured Parties, any and all such challenges, claims, and/or objections by any party (including, without limitation, the Committee, any chapter 11 or chapter 7 trustee appointed herein or in any Successor Case, and any other party-in-interest) ***shall be deemed to be forever waived and barred*** with respect to the Prepetition Agents and other Prepetition Secured Parties, as applicable, and the Prepetition Secured Obligations and Prepetition Liens as to one or more or all of the Prepetition Agents and/or other Prepetition

Secured Parties, as the case may be, as of the Petition Date, shall be deemed to be an allowed fully secured claim within the meaning of section 506 of the Bankruptcy Code for all purposes in connection with the Chapter 11 Cases and the Debtors' Stipulations as to one or more or all of the Prepetition Agents and/or other Prepetition Secured Parties, as the case may be, shall be binding on all creditors, interest holders, and parties-in-interest, including the Committee.

50. To the extent any such Challenge Proceeding is commenced, or any claim is asserted against any one or more of the Prepetition Agents and/or other Prepetition Secured Parties, the affected Prepetition Secured Parties, or any of them, as the case may be, shall be entitled to include the costs and expenses, including, but not limited to, reasonable and documented attorneys' fees and disbursements, incurred in responding to any inquiry, producing documents, and/or witnesses in response to formal or informal discovery requests, or otherwise defending the objection or complaint, as part of the prepetition claims and Liens of such Prepetition Secured Party(ies) to the extent permitted pursuant to the applicable Prepetition Financing Documents, and subject to the provisions herein, including with respect to the priority of such claims and Liens. To the extent any such inquiry or discovery is undertaken or any such objection or complaint is filed (or as part of any agreed upon resolution thereof), the affected Prepetition Secured Party(ies), or any of them, as the case may be, shall be entitled to include such costs and expenses, including, but not limited to, reasonable and documented attorneys' fees incurred in responding to the inquiry or discovery or in defending the objection or complaint, as part of such party's prepetition claim which shall be reimbursed by the Debtors, (x) subject, and subordinate as provided herein, to the Carve Out and the indefeasible payment in full in cash of the DIP Obligations, or (y) where applicable, out of the Prepetition Indemnity Account or as provided under Paragraph 12 hereof for fees and expenses incurred prior to the Challenge Period Termination Date, and as part of the Adequate Protection Superpriority Claims. In addition to any other provisions in this Final Order, the Prepetition Indemnity Account shall be maintained until the final resolution of all such objections or claims that would, if successful, be payable as Prepetition Indemnity Obligations, against the affected Prepetition Secured Party(ies). Subject in all respects to the Carve Out and prior payment in full in cash of the DIP Obligations, the Debtors shall remain liable to the

Prepetition Secured Parties, or any of them, as the case may be, for all unpaid Prepetition Indemnity Obligations to the extent that the funds in the Prepetition Indemnity Account are insufficient to satisfy the Prepetition Indemnity Obligations in full.

51. Notwithstanding anything to the contrary contained in the Interim Orders and/or this Final Order, (a) the Committee has completed its investigation and, based upon that investigation as well as the terms and conditions of this Final Order, the Committee has determined and agreed that it will not commence a Challenge Proceeding or file a Challenge Standing Motion, and (b) the Challenge Period Termination Date is deemed to have occurred as to the Committee.

52. Notwithstanding anything contained in the Interim Orders, this Final Order, or any of the DIP Financing Agreements, the Challenge Period Termination Date shall not be modified, amended or extended without the prior written consent of the Prepetition Secured Parties, in their sole discretion, and the DIP Parties, with such consent of the DIP Parties not to be unreasonably withheld or delayed.

D. Carve Out and Payment of Professionals

53. Carve Out. As used in this Final Order, the "Carve Out" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (exclusive of any fee which becomes due and payable upon consummation of a transaction) (the "Allowed Professional Fees")[8] incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "Debtor Professionals") at any time before or on the first business day following delivery by the DIP Agent of a Carve Out Trigger Notice (defined below), whether

[8] Any fee that is or will become due and payable upon the consummation of a transaction shall be payable solely from the proceeds received by the Debtors resulting from such transaction, free and clear of the liens of the DIP Agent and the DIP Lenders.

allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; (iv) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all Allowed Professional Fees incurred by persons or firms retained by the Committee (the "Committee Professionals" and, together with the Debtor Professionals, the "Professional Persons") and all allowed expenses, pursuant to section 503(b)(3)(F) of the Bankruptcy Code, of the members of the Committee at any time before or on the first business day following delivery by the DIP Agent of a Carve Out Trigger Notice (defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice, and (v) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed $500,000 incurred after the first business day following delivery by the DIP Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (v) being the "Post-Carve Out Trigger Notice Cap"). For purposes of the foregoing, "Carve Out Trigger Notice" shall mean a written notice delivered by email (or other electronic means) to the Debtors, their lead restructuring counsel, the U.S. Trustee, and counsel to the Committee by the DIP Agent, which notice may be delivered following the occurrence and during the continuation of an Event of Default and acceleration of the DIP Obligations under the DIP Facility, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

54. Fee Estimates. Not later than 7:00 p.m. New York time on the third business day of each week starting with the first full calendar week following the entry of the First Interim Order, each Professional Person shall deliver to the Debtors a statement setting forth a good-faith estimate of the amount of fees and expenses (collectively, "Estimated Fees and Expenses") incurred during the preceding week by such Professional Person (through Saturday of such week, the "Calculation Date"), along with a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred through the applicable Calculation Date and a statement of the amount of such fees and expenses that have been paid to date by the Debtors (each such statement, a "Weekly Statement"); provided, that within one business day of the occurrence of the Termination Declaration Date (defined below), each Professional Person shall deliver one additional statement (the "Final Statement") setting forth a good-faith estimate of the amount of fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation

Date for which a Weekly Statement has been delivered and concluding on the Termination Declaration Date. If any Professional Person fails to deliver a Weekly Statement within three calendar days after such Weekly Statement is due, such Professional Person's entitlement (if any) to any funds in the Carve Out Reserves (defined below) with respect to the aggregate unpaid amount of Allowed Professional Fees for the applicable period(s) for which such Professional Person failed to deliver a Weekly Statement covering such period shall be limited to the aggregate unpaid amount of Allowed Professional Fees included in the Approved Budget for such period for such Professional Person; provided, that such Professional Person shall be entitled to be paid any unpaid amount of Allowed Professional Fees in excess of Allowed Professional Fees included in the Approved Budget for such period for such Professional Person from a reserve to be funded by the Debtors from all cash on hand as of such date and any available cash thereafter held by any Debtor. The Debtors shall fund and maintain in a segregated account (the "Funded Reserve Account") (a) at all times, in trust for the benefit of Professional Persons in an amount (the "Funded Reserve Amount") equal to the sum of (i) the greater of (x) the aggregate unpaid amount of Estimated Fees and Expenses included in all Weekly Statements timely received by the Debtors, and (y) the aggregate amount of Allowed Professional Fees contemplated to be unpaid in the Approved Budget at the applicable time, *plus* (ii) the Post-Carve Out Trigger Notice Cap, *plus* (iii) the amounts contemplated under paragraph 53(i) and (ii) above, and (b) subject to available liquidity (iv) an amount equal to the amount of Allowed Professional Fees set forth in the Approved Budget for the then current week occurring after the most recent Calculation Date and the two weeks succeeding such current week. Any and all amounts in the Funded Reserve Account shall not be subject to any cash sweep and/or foreclosure provisions in the DIP Financing Agreements and the DIP Lenders shall not be entitled to sweep or foreclose on such amounts notwithstanding any provision to the contrary in the DIP Financing Agreements. Not later than 7:00 p.m. New York time on the fourth business day of each week starting with the first full calendar week following the entry of the First Interim Order, the Debtors shall deliver to the DIP Parties and the Committee a report setting forth the Funded Reserve Amount as of such time. Prior to the delivery of the first report setting forth the Carve-Out Reserve Amount, the Debtors shall calculate the Funded Reserve Amount by reference

to the Approved Budget for subsection (i) of the Funded Reserve Amount. The information supplied by Professional Persons pursuant to this paragraph shall be used to determine whether there is compliance with Section 16(T) of the DIP Credit Agreement. Once the Funded Reserve Amount is funded into the Funded Reserve Account, the DIP Lenders shall not have any further obligations with respect to the payments to Professional Persons relating to such amounts, and Professional Persons may only be paid from the Funded Reserve Account. For the avoidance of doubt, the Prepetition Secured Parties shall have no obligations with respect to any payments to Professional Persons, or to fund the Funded Reserve Amount or any other amounts related to the Carve Out.

55. Carve Out Reserves. On the day on which a Carve Out Trigger Notice is given by the DIP Agent to the Debtors with a copy to counsel to the Committee (the "Termination Declaration Date"), the Carve Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand (including any amounts held in the Funded Reserve Account) as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees. The Debtors shall deposit and hold such amounts in a segregated account with the DIP Agent in trust to pay such then unpaid Allowed Professional Fees (the "Pre-Carve Out Trigger Notice Reserve") prior to any and all other claims. On the Termination Declaration Date, after funding the Pre-Carve Out Trigger Notice Reserve, the Debtors shall utilize all remaining cash on hand (including any amounts held in the Funded Reserve Account) as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap (the "Post-Carve Out Trigger Notice Reserve" and, together with the Pre-Carve Out Trigger Notice Reserve, the "Carve Out Reserves") prior to any and all other claims. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve Out set forth above (the "Pre-Carve Out Amounts"), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay the Prepetition Secured Parties in accordance with their rights and priorities as of the Petition Date until such obligations have been indefeasibly paid in full, in cash, in which case any such excess shall be

paid to the DIP Agent for the benefit of the DIP Lenders. All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (v) of the definition of Carve Out set forth above (the "Post-Carve Out Amounts"), and then, to the extent the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay to the DIP Agent for the benefit of the DIP Lenders in accordance with their rights and priorities set forth in this Final Order, until the DIP Obligations have been indefeasibly paid in full, in cash, and all Commitments have been terminated, in which case any such excess shall be paid to the Prepetition Secured Parties in accordance with their rights and priorities as of the Petition Date, until the Prepetition Secured Obligations, if any, have been indefeasibly paid in full in cash. Notwithstanding anything to the contrary in this Final Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this Paragraph 55, then, any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in this Paragraph 55, prior to making any payments to the DIP Agent or the Prepetition Secured Parties, as applicable. Notwithstanding anything to the contrary in this Final Order, following delivery of a Carve Out Trigger Notice, the DIP Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid to the DIP Agent for application in accordance with the DIP Financing Agreements until the DIP Obligations have been indefeasibly paid in full, in cash, and all DIP Commitments have been terminated, and thereafter to the Prepetition Secured Parties until the Prepetition Secured Obligations, if any, have been indefeasibly paid in full. Further, notwithstanding anything to the contrary in this Final Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not constitute Term Loans (as defined in the DIP Credit Agreement) or increase or reduce the DIP Obligations, (ii) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees of the Debtor Professionals shall not affect the priority of the Carve Out with respect to the Debtor Professionals, and (iii) in no way shall the Approved Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be

construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in the Interim Orders, this Final Order, the DIP Financing Agreements, or in any Prepetition Financing Agreement(s), the Carve Out with respect to the Debtor Professionals shall be senior to all liens and claims securing the DIP Facility, the Adequate Protection Liens, the Prepetition Indemnity Obligations (other than the Prepetition Indemnity Account Lien and/or any claims of Prepetition Secured Parties to the Prepetition Indemnity Account and/or funds therein), and the Prepetition Secured Parties' and DIP Lenders' respective superpriority claims, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations and/or Prepetition Secured Obligations (other than the Prepetition Indemnity Account Lien and/or any claims of Prepetition Secured Parties to the Prepetition Indemnity Account and/or funds therein). The Carve Out with respect to all other Professional Persons, other than Debtor Professionals, shall be limited to the Carve Out Reserve.

56. Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

57. No Direct Obligation To Pay Allowed Professional Fees. None of the DIP Agent, DIP Lenders, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

58. Payment of Carve Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out shall be added to, and made a part of, the DIP Obligations secured by the DIP

Collateral and shall be otherwise entitled to the protections granted under the Interim Orders, this Final Order, the DIP Financing Agreements, the Bankruptcy Code, and applicable law.

59. Restriction on Use of Funds. Notwithstanding anything herein to the contrary, no proceeds of the DIP Facility, DIP Collateral or the Prepetition Indemnity Account (including funds therein) may be used by the Debtors, the Committee, or any other person or entity without the consent of the DIP Agent and/or the Prepetition Secured Parties in connection with any of the following: (a) the investigation (including by way of examinations or discovery proceedings), initiation, assertion, joining, commencement, support or prosecution of any claims, causes of action, adversary proceedings, or other litigation against any of the DIP Agent, the DIP Lenders, or Prepetition Secured Parties, or any of their respective officers, directors, employees, agents, attorneys, consultants, financial advisors, affiliates, assigns, or successors, with respect to any transaction, occurrence, omission, action or other matter in any way related to the DIP Financing Agreements or the Prepetition Loan Documents (including formal discovery proceedings in anticipation thereof), including, without limitation, (i) investigating or challenging the amount, validity, extent, perfection, priority, or enforceability of, or asserting any defense, counterclaim, or offset to the DIP Obligations, DIP Superpriority Claims or the DIP Liens; (ii) investigating or challenging the amount, validity, extent, perfection, priority, or enforceability of, or asserting any defense, counterclaim, or offset to the Prepetition Secured Obligations, the Prepetition Indemnity Obligations, Prepetition Liens, Adequate Protection Superpriority Claims, Adequate Protection Liens, or the Prepetition Indemnity Account Lien; (iii) investigating or asserting any claims or causes of action arising under chapter 5 of the Bankruptcy Code or under similar laws of any jurisdiction against any of the Prepetition Secured Parties or the DIP Parties; (iv) investigating or asserting any so-called "lender liability" claims and causes of action against any of the Prepetition Secured Parties or the DIP Parties; and (v) any action seeking to invalidate, set aside, avoid or subordinate, in whole or in part, the Prepetition Secured Obligations, the Prepetition Indemnity Obligations, the Prepetition Liens, the Adequate Protection Superpriority Claim, the Adequate Protection Liens, the Prepetition Indemnity Account Lien, the DIP Obligations, the DIP Superpriority Claim, and the DIP Liens; (b) asserting any claims or causes of action against the DIP Parties or the Prepetition Secured Parties in

such capacity, including, without limitation, claims or actions to object to or contest in any manner the DIP Parties' or the Prepetition Secured Parties' assertion or enforcement of any lien, claim, right or security interest or realization upon any DIP Collateral or the Prepetition Indemnity Account (including any funds therein) in accordance with the terms and conditions of the DIP Financing Agreements, the Prepetition Loan Documents, the Interim Orders, or this Final Order; (c) seeking to modify any of the rights, remedies, priorities, privileges, protections and benefits granted to the DIP Parties or the Prepetition Secured Parties hereunder or under the DIP Financing Agreements or Prepetition Loan Documents (as applicable), in each of the foregoing cases without such applicable parties' prior written consent; provided, however, that the proceeds of the DIP Facility and DIP Collateral shall be available for payment of any fees or expenses incurred by the Committee to investigate, but not prosecute, any of the foregoing in an amount not to exceed $50,000.

68. Nothing included herein shall prejudice, impair or otherwise affect either the DIP Agent's rights to seek any other or supplemental relief from the Court in respect of the Debtors, nor the DIP Lenders' rights, as provided herein and in the DIP Financing Agreements, to suspend or terminate the making of loans and granting financial accommodations under the DIP Credit Agreement.

69. The delay in or the failure of the DIP Agent and/or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies shall not constitute a waiver of any of the DIP Agent's, DIP Lenders' and/or Prepetition Secured Parties' rights and remedies. Notwithstanding anything herein, the entry of the Interim Orders or this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly or otherwise impair the rights and remedies of the DIP Agent, DIP Lenders, or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including, without limitation, the rights of the DIP Agent, DIP Lenders, Prepetition Agents, and/or the Prepetition Secured Parties to: (i) request conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, dismissal of the Chapter 11 Cases, or the appointment of a trustee in the Chapter 11 Cases; (ii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a Plan; or (iii) subject to section 362 of the Bankruptcy Code exercise any of the rights, claims, or privileges (whether legal, equitable, or otherwise) the DIP Agent, DIP Lenders, and/or Prepetition Secured Parties may have.

Nothing contained in the Interim Orders and/or this Final Order shall be deemed a consent by the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties to any charge, Lien, assessment, or claim against the DIP Collateral, the DIP Liens, the Prepetition Collateral, the Adequate Protection Liens, Prepetition Indemnity Account (and the funds therein), or the Prepetition Indemnity Account Lien under section 506(c) of the Bankruptcy Code or otherwise, including for any amounts set forth in the Approved Budget.

71. As a further condition of the DIP Facility and any obligation of the DIP Lenders to make credit extensions pursuant to the DIP Credit Agreement, the Debtors (and any successors thereto or any representatives thereof, including any trustees appointed in the Chapter 11 Cases or any Successor Case) shall be deemed to have waived any rights or benefits of section 506(c) of the Bankruptcy Code with respect to the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, the DIP Collateral, the Prepetition Collateral, and the Prepetition Indemnity Account (and the funds therein).

B. Proceeds of Subsequent Financing

72. C. No Priming of DIP Facility

73. In entering into the DIP Financing Agreements, each of the Debtors hereby agrees that until such time as all DIP Obligations and all Prepetition Secured Obligations have been irrevocably paid in full in cash (or other arrangements for payment of thereof satisfactory to the DIP Lenders and Prepetition Secured Parties, as applicable, in their sole and exclusive discretion, have been made) and the DIP Credit Agreement has been terminated in accordance with the terms thereof, the Debtors shall not (unless otherwise agreed to in writing by the DIP Agent and the DIP Lenders, each in their sole respective discretion) in any way prime or seek to prime the security interests and DIP Liens provided to the DIP Agent by offering a subsequent lender or a party-in-interest a superior or *pari passu* Lien or claim pursuant to section 364(d) of the Bankruptcy Code or otherwise. For the avoidance of doubt, nothing contained herein shall prejudice the rights of any of the Prepetition Secured Parties to contest the adequacy of any adequate protection offered, or to seek any other form of adequate protection, in connection with any such priming postpetition financing.

V. Other Rights and Obligations

A. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Final Order

74. Notwithstanding any modification, amendment, or vacation of any or all of the provisions of this Final Order, any claim or protection granted to the DIP Agent, DIP Lenders and/or the Prepetition Secured Parties hereunder arising prior to the effective date of such modification, amendment, or vacation of any such claim or protection granted to the DIP Agent, the DIP Lenders, or Prepetition Secured Parties shall be governed in all respects by the original provisions of the Interim Orders and this Final Order, and the DIP Agent, the DIP Lenders, and Prepetition Secured Parties shall be entitled to all of the rights, remedies, privileges, and benefits, including the DIP Protections and Adequate Protection granted herein, with respect to any such claim, including those found under section 364(e) of the Bankruptcy Code.

B. Prepetition Secured Parties', DIP Agent's, and DIP Lenders' Expenses

75. All reasonable out-of-pocket costs and expenses of the Prepetition Secured Parties, the DIP Agent, and the DIP Lenders, including, without limitation, reasonable legal, accounting, collateral examination, monitoring and appraisal fees and disbursements, financial advisory fees, fees and expenses of other consultants, indemnification and reimbursement obligations with respect to fees and expenses, and other out of pocket expenses (whether incurred prior to, on or after the Petition Date), whether or not contained in the Approved Budget and without limitation with respect to the dollar estimates contained in the Approved Budget (provided, however, that such overages shall not weigh against the Debtors in any testing related to compliance with the Approved Budget), shall promptly be paid by the Debtors. Payment of such fees shall not be subject to allowance by this Court; provided, however, the Debtors, the U.S. Trustee, or counsel for the Committee may seek a determination by this Court whether such fees and expenses are reasonable in the manner set forth below. Under no circumstances shall professionals for the DIP Agent, the DIP Lenders, and/or the other Prepetition Secured Parties be required to comply with the Court's and/or U.S. Trustee's fee guidelines or file applications or motions with, or obtain approval of, the Court for the payment of any of their out-of-pocket costs, fees, expenses, disbursements and other charges; provided, however, the DIP Agent, the DIP Lenders, and/or the Prepetition Secured Parties shall provide the Debtors, the U.S. Trustee, and the Committee with a copy of the invoice summary, for professional fees and expenses incurred during the pendency of the Chapter 11 Cases. Each such invoice summary shall not be required to contain time entries, but shall include a general, brief description of the nature of the matters for which services were performed, and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine. If the Debtors, U.S. Trustee or the Committee object to the reasonableness of the invoice summary submitted by the DIP Agent, the DIP Lenders, and/or the Prepetition Secured Parties, and the parties cannot resolve such objection within ten (10) days of receipt of such invoice summary, the Debtors, U.S. Trustee or the Committee, as the case

may be, shall file with the Court and serve on the applicable DIP Agent, DIP Lender, or Prepetition Secured Party an objection (a "***Fee Objection***") limited to the issue of reasonableness of such fees and expenses. The Debtors shall promptly pay the amounts set forth in any submitted invoice summary after the expiration of the ten (10) day notice period if no Fee Objection is received in such ten (10) day period. If a Fee Objection is timely received, the Debtors shall promptly pay the undisputed amount only of any invoice summary that is the subject of such Fee Objection, and the Court shall have jurisdiction to determine the disputed portion of such invoice summary if the parties are unable to resolve the Fee Objection. Payments of any amounts set forth in this paragraph are not subject to recharacterization, avoidance, subordination or disgorgement. Notwithstanding anything to the contrary contained herein, the aggregate amount of reasonable and documented fees and expenses paid to or for the benefit of the Prepetition Secured Parties pursuant to Paragraphs 12 and 21 hereof shall not exceed $1.1 million (inclusive of the amounts held in the Prepetition Indemnity Account), irrespective of whether there is a Challenge Proceeding.

C. Binding Effect

76. The provisions of the Interim Orders and this Final Order shall be binding upon and inure to the benefit of the DIP Agent, the DIP Lenders, the Prepetition Secured Parties, the Debtors, and their respective successors and assigns (including any trustee or other fiduciary hereinafter appointed as a legal representative of the Debtors or with respect to the property of the estates of the Debtors), the Committee, and any other statutory committee (subject to the provisions of Paragraphs 46-52 hereof), whether in the Chapter 11 Cases, in any Successor Case, or upon dismissal of any such chapter 11 or chapter 7 case.

D. No Third Party Rights

77. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder, or any direct, indirect or incidental beneficiary, other than the Debtors, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties.

E. No Marshaling

78. The DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP

Collateral or Prepetition Collateral, as applicable; provided, that the Prepetition Secured Parties hereby waive any such "marshaling" or rights under any other similar doctrine with respect to any of the DIP Collateral unless and until the DIP Obligations are indefeasibly paid in full.

F. Section 552(b) of the Bankruptcy Code

79. The Prepetition Secured Parties (and, to the extent applicable, the DIP Parties) shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the Debtors and/or any successors thereto shall not assert that the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall apply to the Prepetition Secured Parties (and, to the extent applicable, the DIP Parties) with respect to proceeds, product, offspring, or profits of any of the Prepetition Collateral or the DIP Collateral.

G. Amendments

80. The Debtors and the DIP Agent may amend, modify, supplement, or waive any provision of the DIP Financing Agreements without further approval of this Court; provided, however, that notice of any "material" amendment, modification, supplement, or waiver shall be filed with this Court, and the Committee, the Prepetition Secured Parties, and the U.S. Trustee, each shall have five (5) business days from the date of such filing within which to object in writing to such proposed amendment, modification, supplement, or waiver; provided, further, that if the Committee, the U.S. Trustee, or any Prepetition Secured Party timely objects to any material amendment, modification, supplement, or waiver, then such amendment, modification, supplement, or waiver shall only be permitted pursuant to an order of this Court after notice and a hearing. For purposes of this Paragraph 80, a "material" amendment means: any amendment, modification, supplement, or waiver that (i) increases the interest rate (other than as a result of the imposition of the Default Rate), (ii) increases the committed amounts under the DIP Credit Agreement, (iii) changes the maturity date of the DIP Facility to a date sooner than that which is provided under the DIP Credit Agreement and this Final Order as of the date hereof, (iv) amends any Event of Default under the DIP Credit Agreement to make same more restrictive than exists as of the date hereof, (v) revises any Milestone set forth in the DIP Credit Agreement in a manner that reduces or shortens the time periods

All amendments, modifications, supplements, or waivers of any of the provisions hereof shall not be effective unless set forth in writing, signed by on behalf of the Debtors, the DIP Agent and, if required, approved by this Court. Notwithstanding anything in this Paragraph 80 to the contrary, the Debtors and the DIP Agent shall not amend, modify, supplement, or waive any provision of the DIP Financing Agreements that provides for repayment in full of the Prepetition Secured Debt on or before August 15, 2019 at 2:00 pm (New York time).

H. Limits on Lender Liability

81. Nothing in the Interim Orders, this Final Order, any of the DIP Financing Agreements, or any other documents related thereto shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, or the Prepetition Secured Parties of any liability for any claims arising from any activities by the Debtors in the operation of their businesses, whether before or after the Petition Date, or in connection with the administration of these Chapter 11 Cases. The DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall not, solely by reason of having made, or consented to the making of, loans under the DIP Facility, be deemed in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 et seq., as amended, or any similar federal or state statute). Nothing in the Interim Orders, this Final Order, and/or the DIP Financing Agreements, shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, or any of the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of the Debtors.

84. Up to the entry of this Final Order, in the event of any inconsistency between the Interim Orders (as applicable), on the one hand, and the terms and conditions of the DIP Credit Agreement, the DIP Financing Agreements, or the other DIP Financing Agreements, on the other hand, the provisions of the Interim Orders (as applicable) shall govern and control. Interest at the Default Rate shall accrue from the date of such Event of Default until such Event of Default is cured or waived and shall be payable upon demand.

(h) It is the intention of the parties hereto that the Agent and each DIP Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby or by any other DIP Document would be usurious as to the Agent or any DIP Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to the Agent or such DIP Lender notwithstanding the other provisions of this Note), then, in that event, notwithstanding anything to the contrary in this Note or any other DIP Document or any agreement entered into in connection with or as security for the Obligations, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to the Agent or any DIP Lender that is contracted for, taken, reserved, charged or received by the Agent or such DIP Lender under this Note or any other DIP Document or agreements or otherwise in connection with the Obligations shall under no circumstances exceed the maximum amount allowed by such applicable law, any excess shall be canceled automatically and if theretofore paid shall be credited by the Agent or such DIP Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by the Agent or such DIP Lender, as applicable, to the Borrower). If at any time and from time to time (x) the amount of interest payable to the Agent or any DIP Lender on any date shall be computed at the highest lawful rate applicable to the Agent or such DIP Lender pursuant to this Section 4(h) and (y) in respect of any subsequent interest computation period the amount of interest otherwise payable to the Agent or such DIP Lender would be less than the amount of interest payable to the Agent or such DIP Lender computed at the highest lawful rate applicable to the Agent or such DIP Lender, then the amount of interest payable to the Agent or such DIP Lender in respect of such subsequent interest computation period shall continue to be computed at the highest lawful rate applicable to the Agent or such DIP Lender until the total amount of interest payable to the Agent or such DIP Lender shall equal the total amount of interest which would have been payable to the Agent or such DIP Lender if the total amount of interest had been computed without giving effect to this Section4(h).

(i) The LIBOR Rate may be adjusted by the DIP Lenders on a prospective basis to take into account any additional or increased costs to the DIP Lenders of maintaining or obtaining any eurodollar deposits or increased costs, in each case, due to changes in applicable law (other than change with respect to tax law, which are addressed in Section 10 hereof) occurring subsequent to the commencement of the then applicable Interest Period, including changes in the reserve requirements imposed by the Board of Governors of the Federal Reserve System (or any successor), which additional or increased costs would increase the cost of funding loans bearing interest at the LIBOR Rate. In any such event, the DIP Lenders shall give the Borrower notice of such a determination and adjustment and, upon its receipt of the notice from such DIP Lender, the Borrower may, by notice to such DIP Lender (1) request the DIP Lender to furnish to the Borrower a statement setting forth the basis for adjusting such LIBOR Rate and the method for determining the amount of such adjustment or (2) repay the LIBOR Rate Loans with respect to which such adjustment is made.

(j) Anything to the contrary contained herein notwithstanding, the DIP Lenders are not required actually to acquire eurodollar deposits to fund or otherwise match fund any Obligation as to which interest accrues at the LIBOR Rate. The provisions of Sections 4(i) through (k) shall apply as if the DIP Lenders had match funded any Obligation as to which interest is accruing at the LIBOR Rate by acquiring eurodollar deposits for each Interest Period in the amount of the LIBOR Rate Loans.

(k) If, after the date hereof, the DIP Lenders determine that (1) the adoption of or change in any law, rule, regulation or guideline regarding capital requirements for banks or bank holding companies, or any change in the interpretation or application thereof by any governmental authority charged with the administration thereof, or (2) compliance by any of the DIP Lenders or its parent bank holding company with any guideline, request, or directive of any such entity regarding capital adequacy (whether or not having the force of law), has the effect of reducing the return on the DIP Lender's or such holding company's capital as a consequence of the DIP Lender's Term Loans hereunder to a level below that which the DIP Lender or such holding company could have achieved but for such adoption, change, or compliance (taking into consideration the DIP Lender's or such holding company's then existing policies with respect to capital adequacy and assuming the full utilization of such entity's capital) by any amount reasonably deemed by the DIP Lender to be material, then the DIP Lender may notify the Borrower thereof. Following receipt of such notice, the Borrower agrees to pay the DIP Lender on demand the amount of such reduction of return of capital as and when such reduction is determined, payable promptly after presentation by the DIP Lender to the Borrower of a statement in the amount and setting forth in reasonable detail the DIP Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, the DIP Lender may use any reasonable averaging and attribution methods.

(l) The Borrower may elect the Interest Period in effect for the Term Loans (or any portion thereof); provided, that (1) In no event will the Borrower have more than 6 Interest Periods outstanding at any time and (2) if the Agent reasonably determines that the LIBOR Rate is unavailable, then the Term Loans that would otherwise bear interest at the LIBOR rate shall bear interest, at a rate per annum equal to the Base Rate plus, (x) in the case of the Tranche A Term Loans, 11.00%, (y) in the case of the Tranche B-1 Term Loans (and, to the extent

applicable, Tranche C Term Loans), 1.25%, and (z) in the case of the Tranche B-2 Term Loans, 6.00%, in each case on the principal amount thereof from the date that the LIBOR Rate became unavailable until such time the Agent or such DIP Lender determines that the LIBOR Rate is available.

5. Payments. All payments of principal and interest in respect of this Note shall be made in lawful money of the United States of America in same day funds to the Agent at the following account:

or to such other account as shall be designated in a written notice delivered by the Agent to the Borrower. Any payments of Term Loans shall be applied as follows: first, to the payment of all fees (excluding the Exit Fee, the Additional Facility Fee and the Enhancement Fee), and all expenses, to the full extent thereof; second, to the payment of any accrued interest at the Default Rate, if any; third, to the payment of any accrued interest (other than Default Rate interest); fourth, to repay (x) to the extent such proceeds constitute amounts released from being held as cash collateral with the proceeds of Tranche C Term Loans with respect to LCs (other than to repay such reimbursement obligations), the Tranche C Term Loans, and (y) otherwise, pro rata to the Tranche B-1 Term Loans and Tranche C Term Loans (except to the extent that LCs that were cash collateralized by such Tranche C Term Loans remain outstanding and undrawn) to the full extent thereof; fifth, to repay the Tranche B-2 Term Loans to the full extent thereof; sixth, to repay the Tranche A Term Loans and the Original Exit Fee; seventh, to pay, pro rata, all other Obligations in full (excluding the Additional Facility Fee, the Additional Exit Fee and the Enhancement Fee); eighth, to pay, pro rata, the Additional Facility Fee and/or the Additional Exit Fee (to the extent the Additional Facility Fee and/or Additional Exit Fee are then due and payable); ninth, to pay the Enhancement Fee (to the extent any Enhancement Fee is then due and payable); and tenth, upon satisfaction in full of all Obligations, to the Borrower or as otherwise required by law. During the continuance of an Event of Default, the Agent shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Obligations (but without changing the priority as among the holders of the Term Loans of each tranche).

6. Optional Prepayments. Subject to the terms and conditions of the Financing Orders and the application of payments in Section 5 hereof, the Borrower shall have the right at any time and from time to time to prepay any Term Loans under this Note in whole or in part (without premium or penalty) upon two (2) Business Days' notice to the Agent; provided that each such prepayment shall be in a minimum amount of $100,000. Notice of prepayment having been

given as aforesaid, the principal amount specified in such notice shall become due and payable on the prepayment date specified therein in the aggregate principal amount specified therein unless such repayment is conditioned on the receipt of any third party funds which are not received. Any prepayment or repayment hereunder shall be accompanied by interest on the principal amount of the Note being prepaid or repaid to the date of prepayment or repayment.

7. Mandatory Prepayments. In each case, subject to the terms and conditions of the Financing Orders and the application of payments in Section 5 hereof and reduced (with respect to clauses (b), (c), (d) and (e) of this paragraph 7), on a dollar for dollar basis, for any Exit Fee payable in connection with such repayment:

(a) If at any time the aggregate outstanding principal amount of the Term Loans exceed the Maximum Amount, the Borrower shall immediately repay the aggregate outstanding Term Loans to the extent required to eliminate such excess.

(b) Immediately upon receipt by any Loan Party of cash proceeds of any asset disposition, unless the Agent agrees otherwise, such Loan Party shall contribute such proceeds to the Borrower and the Borrower shall prepay the Term Loans in an amount equal to all such proceeds, net of (1) commissions and other reasonable and customary transaction costs, fees and expenses properly attributable to such transaction and payable by the Borrower or any Loan Party in connection therewith (in each case, paid to non-affiliates), (2) transfer, sales, or similar taxes actually paid or payable by a Loan Party in connection with such disposition, and (3) amounts required to be applied to the repayment of debt secured by such assets sold and secured by a Lien that is senior to the Liens securing the Obligations under this Note. Notwithstanding anything in this Note to the contrary, (i) the following shall not be subject to mandatory prepayment under this clause (b): proceeds of sales of Inventory or other sales in the ordinary course of business or in accordance with the Budget, the Store Closure Motion, or the Financing Orders, and (ii) if the Borrower or any Loan Party and the Consignor enter into a Consignment Facility, the proceeds of sales of Consigned Inventory shall be paid to Consignor as follows:

(1) Upon the sale of an item of Consigned Inventory by or on behalf of the Borrower or any Loan Party, the Borrower or such Loan Party shall pay the Consignor the applicable invoice price plus the applicable Consignment Fee.

(c) If any Loan Party issues any debt securities not permitted under this Note, no later than the Business Day following the date of receipt of the cash proceeds thereof, the Borrower shall prepay the Term Loans in an amount equal to all such proceeds, net of underwriting discounts and commissions and other reasonable costs or fees paid to non-affiliates in connection therewith.

(d) Upon the receipt by any Loan Party or any of their Subsidiaries of any Extraordinary Receipts, the Borrower shall prepay the outstanding principal of the Term Loans in an amount equal to all such Extraordinary Receipts, net of any expenses incurred in collecting such Extraordinary Receipts.

(e) Upon release of any amounts being held as cash collateral with respect to LCs (other than to repay reimbursement and other obligations with respect to such LCs under the

Prepetition Credit Agreement), the Borrower shall immediately prepay the outstanding principal amount of the Tranche C Term Loans in an amount equal to such released amounts.

(f) No Implied Consent. Nothing in this Section 7 shall be construed to constitute the Agent's or any DIP Lender's consent to any transaction that is not permitted by other provisions of this Note or the other DIP Documents.

8. Fees. Borrower shall pay to the Agent for the account of the DIP Lenders the following fees:

(a) Facility Fee. On the Closing Date, the Borrower paid in cash to the Agent (under the Original Note) the Facility Fee (as defined in the Original Note) equal to 5% of the principal amount of the Tranche A Term Loans (the "Original Facility Fee"), which was fully earned upon the entry of the Interim Order and non-refundable when paid; it being acknowledged and agreed that the Facility Fee (as defined in the Original Note) has been paid. In addition, the Borrower shall pay to the Agent in cash, for the benefit of the Lenders holding Tranche A Term Loans, an additional facility fee (the "Additional Facility Fee" and, together with the Original Facility Fee, the "Facility Fee") equal to 3% of the principal amount of the Tranche A Term Loans funded on the Closing Date, which Additional Facility Fee shall be fully earned upon the entry of the Final Order and non-refundable when paid and shall be due and payable on the Maturity Date; *provided* that the Additional Facility Fee shall not be payable prior to October 24, 2019 and shall be payable from the net sale or liquidation proceeds of the Collateral (other than with respect to the sale of inventory or other sales in the ordinary course of business (which, for the avoidance of doubt, shall exclude any sale of inventory in accordance with a store closure or other form of liquidation)) or the sale of the reorganized Debtors' equity interests (under a chapter 11 plan) remaining after repayment of all Obligations (including the Original Exit Fee, but excluding the Enhancement Fee and the Additional Exit Fee), but prior to the payment of administrative expenses and priority claims as more particularly described in the Financing Orders and in the manner set forth in the Financing Orders.

(b) Weekly Fee. On the Effective Date and on each weekly anniversary of the Effective Date thereafter on which any Tranche B Term Loans or Tranche C Term Loans shall remain outstanding, the Borrower shall pay to the Agent for the benefit of the Lenders holding Tranche B Term Loans and Tranche C Loans, a non-refundable fee of $100,000 (to be shared ratably among such Lenders based on the aggregate outstanding amount of Tranche B Term Loans and Tranche C Term Loans) to be paid in cash, which fee shall be fully earned on the Effective Date and on each weekly anniversary thereafter.

(c) Exit Fee. The Borrower shall pay to the Agent, for the benefit of the Lenders holding Tranche A Term Loans, a non-refundable exit fee (the "Original Exit Fee") equal to 5% of the amount of Tranche A Term Loans on the Closing Date, which was fully earned on the Closing Date, and when paid, shall be paid in cash on the earlier of (a) the Maturity Date and (b) the date of any repayment, satisfaction, distribution, reduction or other discharge of any such Tranche A Term Loans (in each case, based on the aggregate amount of the affected Tranche A Term Loans). In addition, the Borrower shall pay to the Agent in cash, for the benefit of the Lenders holding Tranche A Term Loans, a non-refundable additional exit fee (the "Additional Exit Fee" and, together with the Original Exit Fee, the "Exit Fee") equal to 3% of the amount of Tranche

A Term Loans funded on the Closing Date, which Additional Exit Fee shall be fully earned on the Second Effective Date, and shall be due and payable on the earlier of (i) the Maturity Date and (ii) the date of any repayment, satisfaction, distribution, reduction or other discharge of any such Tranche A Term Loans (in each case, based on the aggregate amount of the affected Tranche A Term Loans); *provided* that the Additional Exit Fee shall not be payable prior to October 24, 2019 and shall be payable from the net sale or liquidation proceeds of the Collateral (other than with respect to the sale of inventory or other sales in the ordinary course of business (which, for the avoidance of doubt, shall exclude any sale of inventory in accordance with a store closure or other form of liquidation)) or the sale of the reorganized Debtors' equity interests (under a chapter 11 plan) remaining after repayment of all Obligations (including the Original Exit Fee, but excluding the Enhancement Fee and the Additional Facility Fee), but prior to the payment of administrative expenses and priority claims as more particularly described in the Financing Orders and in the manner set forth in the Financing Orders.

(d) Enhancement Fee. The Borrower shall pay to the Agent, for the benefit of the Lenders holding Tranche A Term Loans, upon the disposition of the Collateral (other than with respect to the sale of inventory or other sales in the ordinary course of business (which, for the avoidance of doubt, shall exclude any sale of inventory in accordance with a store closure or other form of liquidation)) or the sale of the reorganized Debtors' equity interests (under a chapter 11 plan), 25.0% (the "Enhancement Fee") of any proceeds remaining after (i) repayment of all Obligations (including the Exit Fee and the Additional Facility Fee), (ii) payment of administrative expenses and priority claims and (iii) payment or set aside (including, if applicable, escrow) of $8 million for the benefit of general unsecured creditors, all as more particularly described in the Financing Orders and in the manner set forth in the Financing Orders.

9. Indemnity.

(a) The Borrower shall indemnify and hold harmless the Agent and each DIP Lender and each of their respective affiliates, and each such Person's respective officers, directors, employees, attorneys, agents and representatives (each, an "Indemnified Person"), from and against any and all suits, actions, proceedings, claims, damages, losses, liabilities and expenses (including reasonable attorneys' fees and disbursements and other costs of investigation or defense, including those incurred upon any appeal but limited in each case to one firm of outside counsel for all similarly situated Indemnified Parties) that may be instituted or asserted against or incurred by any such Indemnified Person as the result of credit having been extended, suspended or terminated under this Note and the other DIP Documents and the administration of such credit, and in connection with or arising out of the transactions contemplated hereunder and thereunder and any actions or failures to act in connection therewith, and legal costs and expenses arising out of or incurred in connection with disputes between the parties to any of the DIP Documents on the one hand and any Loan Party on the other hand; provided, that (i) the Borrower shall not be liable for any indemnification to an Indemnified Person to the extent that any such suit, action, proceeding, claim, damage, loss, liability or expense results solely from that Indemnified Person's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction and (ii) this Section 9 shall not apply with respect to taxes other than any taxes that represent losses, claims, damages, etc. arising from any non-tax claim. **NO INDEMNIFIED PERSON SHALL BE RESPONSIBLE OR LIABLE TO ANY OTHER PARTY TO ANY DIP DOCUMENT, ANY SUCCESSOR, ASSIGNEE OR THIRD PARTY BENEFICIARY OF**

SUCH PERSON OR ANY OTHER PERSON ASSERTING CLAIMS DERIVATIVELY THROUGH SUCH PARTY, FOR INDIRECT, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES THAT MAY BE ALLEGED AS A RESULT OF CREDIT HAVING BEEN EXTENDED, SUSPENDED OR TERMINATED UNDER ANY DIP DOCUMENT OR AS A RESULT OF ANY OTHER TRANSACTION CONTEMPLATED HEREUNDER OR THEREUNDER.

10. Adjustments for Withholding, Capital Adequacy Etc. All payments to the Agent by any Loan Party under this Note shall be made free and clear of and without deduction or withholding for any and all taxes, duties, levies, imposts, deductions, charges or withholdings and all related liabilities, including any interest, additions to tax or penalties applicable thereto (all such taxes, duties, levies, imposts, deductions, charges, withholdings and liabilities being referred to as "Taxes") imposed by the United States of America or any other nation or jurisdiction (or any political subdivision or taxing authority of either thereof), unless such Taxes are required by applicable law to be deducted or withheld. If any applicable withholding agent shall be required by applicable law to deduct or withhold any such Taxes from or in respect of any amount payable under this Note other than taxes imposed on the Agent or any DIP Lender's overall net income, then (A) if such Tax is an Indemnified Tax, the amount payable by the applicable Loan Party shall be increased as may be necessary so that after making all required deductions or withholdings, (including deductions or withholdings applicable to any additional amounts paid under this Note) the Agent receives an amount equal to the amount it would have received if no such deduction or withholding had been made, (B) the applicable withholding agent shall be entitled to make such deductions or withholdings, and (C) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant governmental entity in accordance with applicable law.

If the effect of the adoption, effectiveness, phase-in or applicability after the date hereof of any law, rule or regulation (including without limitation any tax, duty, charge or withholding on or from payments due from any Loan Party (but excluding Indemnified Taxes, Excluded Taxes, and taxation on the overall net income of the DIP Lenders)), or any change therein or in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, is to reduce the rate of return on the capital of the Agent with respect to this Note or to increase the cost to the Agent of making or maintaining amounts available under this Note, the Borrower (on behalf of itself and the other Loan Parties) agrees to pay to the Agent such additional amount or amounts as will compensate the Agent on an after-tax basis for such reduction or increase.

The Borrower (on behalf of itself and the other Loan Parties) agrees to timely pay any present or future stamp or documentary taxes or any other excise or property taxes, charges, financial institutions duties, debits taxes or similar levies (all such taxes, charges, duties and levies being referred to as "Other Taxes") which arise from any payment made by any Loan Party under this Note or from the execution, delivery or registration of, or otherwise with respect to, this Note.

The Loan Parties shall indemnify the Agent and each of the DIP Lenders, within 10 days after demand therefor, for the full amount of Indemnified Taxes (including, without limitation, any Indemnified Taxes imposed by any jurisdiction on amounts payable by the Borrower hereunder) paid or payable by the Agent or any DIP Lender and any liability (including

penalties, interest and expenses) arising from or with respect to such Indemnified Taxes, whether or not they were correctly or legally asserted, excluding taxes imposed on the Agent or any DIP Lender's overall net income. Payment under this indemnification shall be made upon demand. A certificate as to the amount of such Indemnified Taxes submitted to the Borrower by the Agent shall be conclusive evidence, absent manifest error, of the amount due from the Loan Parties to the DIP Lenders.

The Borrower shall furnish to the DIP Lenders the original or a certified copy of a receipt evidencing any payment of Taxes made by a Loan Party pursuant to this Section 10 within thirty (30) days after the date of any such payment. If any Recipient becomes aware (in its sole discretion exercised in good faith) that it has received a refund of any Taxes with respect to which any Loan Party has paid any amount pursuant to this Section 10, such Recipient shall pay the amount of such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such Recipient and without interest (other than any interest received from the relevant governmental authority with respect thereto), to the Borrower promptly after receipt thereof. This paragraph shall not be construed to require any Recipient to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to Borrower or any other Person.
