**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY, AND DISCLAIMER REGARDING DEBTORS'
SCHEDULES AND STATEMENTS**

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the “Schedules and Statements”) filed by Tarragon Corporation, *et al.* (collectively, the “Debtors”),¹ debtors and debtors-in-possession in the above-captioned Chapter 11 cases, are unaudited and were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure in conjunction with the Debtors’ management. The Debtors’ management has made reasonable efforts to file complete and accurate Schedules and Statements based upon information available at the time of preparation. Due to, among other things, the complexity of the Debtors’ business operations, however, the Schedules and Statements remain subject to further revision and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements. The Debtors reserve the right to amend their Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors’ Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprises an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements have been signed by Kathryn Mansfield, General Counsel of the Debtors. In reviewing and signing the Schedules and Statements, Ms. Mansfield necessarily relied upon the efforts, statements and representations of the accounting and non-accounting personnel of the Debtors. Ms. Mansfield has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

1. Description of the Case and “As Of” Information Date. On January 12, 2009, January 13, 2009 and February 5, 2009 (collectively, the “Filing Date”), the

¹ The Debtors include: Tarragon Corporation, Tarragon Development Corporation, Tarragon South Development Corp., Tarragon Development Company LLC, Tarragon Management, Inc., Bermuda Island Tarragon LLC, Orion Towers Tarragon, LLP, Orlando Central Park Tarragon LLC, Fenwick Plantation Tarragon LLC, One Las Olas, Ltd., The Park Development West LLC, 800 Madison Street Urban Renewal, LLC, 900 Monroe Development LLC, Block 88 Development, LLC, Central Square Tarragon LLC, Charleston Tarragon Manager, LLC, Tarragon Edgewater Associates LLC, Omni Equities Corporation, The Park Development East, LLC, Vista Lakes Tarragon LLC, Tarragon Stonecrest, LLC, Murfreesboro Gateway Properties, LLC, Tarragon Stratford, Inc., MSCP, Inc. and TDC Hanover Holdings LLC.

Debtors each filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101 *et seq.* (the “Bankruptcy Code”). The Debtors are currently operating their businesses and possessing their property as debtors-in-possession under Sections 1107 and 1108 of the Bankruptcy Code. Except as otherwise noted, all asset and liability information is as available as of the Debtors’ respective Filing Date.

2. Basis of Presentation. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles, nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtors.

3. Summary of Significant Reporting Policies. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

(a) Fair Market Value; Book Value. Unless otherwise noted, the Schedules and Statements reflect the carrying value of the liabilities as listed in the Debtors’ books and records. Where the current market value of assets is unknown, the Debtors have based their valuation as best as possible on book values, including the use of appraisals where available; provided, however, the Debtors believe the actual value of certain items may be substantially lower. Where unknown, historical cost less accumulated depreciation of assets has been used.

(b) Real Property and Personal Property – Leased. In the ordinary course of their business, the Debtors lease real property and various articles of personal property, including furniture, fixtures and equipment, from certain third-party lessors. Every attempt has been made to set forth all such leases in the Schedules and Statements. The property subject to leases may not be reflected in the Schedules and Statements as either owned property or assets of the Debtors or property or assets of third-parties within the control of the Debtors. The lease obligations under such leases have been included on Schedule D (secured debt) to the extent the lessor filed a UCC-1 financing statement. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including the assumption or rejection of such lease or whether it is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to all such issues.

(c) Causes of Action. The Debtors reserve all of their rights with respect to any causes of action they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

(d) Schedule D. The Debtors reserve the right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all of their rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s claim. The descriptions provided

on Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

(e) Claims Listed on Schedules D, E, and F. The Debtors have sought to allocate liabilities between the pre-petition and post-petition periods based on the information and research that was conducted in connection with the preparation of Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between pre-petition and post-petition periods may change. The Debtors also reserve the right to change the allocation of liability to extent additional information becomes available. Additionally, pursuant to Bankruptcy Court orders, the Debtors have been granted authority to pay certain priority pre-petition obligations. Accordingly, these liabilities have been or will be satisfied and may or may not be listed in the Schedules and Statements.

(f) Schedule E. The Bankruptcy Court entered an order granting authority to the Debtors to pay pre-petition employee wage and other obligations in the ordinary course (the “Employee Wages Order”). Pursuant to the Employee Wages Order, the Debtors believe that, other than claims of certain former and current employees for vacation, personal and/or severance pay in excess of the permitted priority amount, any employee claims for pre-petition amounts have been or will be satisfied, and such satisfied amounts may or may not be listed on Schedule E. The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under 11 U.S.C. § 507. The Debtors reserve their right to dispute the priority status of any claim on any basis. Moreover, the listing of any tax claim on Schedule E is not an admission or designation by the Debtors that such claim is a pre-petition tax claim. The Debtors reserve their right to treat any of these claims as post-petition claims.

(g) Schedule F. Schedule F reflects the pre-petition amounts owing to, among other things, counterparties to executory contracts and unexpired leases. Such pre-petition amounts, however, may be paid in connection with the assumption and assignment of executory contract or unexpired lease. In addition, Schedule F does not include rejection damage claims of the counterparties to executory contracts and unexpired leases that have been or may be rejected. Schedule F reflects pre-petition amounts owed to utility companies as of the Filing Date according to the Debtors’ books and records. Pursuant to Section 366(c)(4) of the Bankruptcy Code, certain utilities, however, may have set off pre-petition deposits against pre-petition amounts owed. Accordingly, the exact amounts owed to utility companies as of the Filing Date may differ from the amounts reflected in the Debtors’ books and records.

(h) Schedule G. The Debtors have not set forth executory contracts as assets in their Schedules and Statements. The Debtors’ executory contracts have been set forth in Schedule G. While every effort has been made to ensure the accuracy of the Schedule of Executory Contracts, inadvertent errors or omissions may exist or have

occurred. The Debtors reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature, if any, have been scheduled to the best of the Debtors' knowledge. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, are not set forth on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on these Schedules and Statements, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument.

(i) Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or status.

(j) Guaranties and Other Secondary Liability Claims. The Debtors have used their best efforts to locate and identify guaranties and other secondary liability claims (the "Guaranties") in their executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. Where such Guaranties have been identified, they have been included in the relevant Schedule for the Debtors including, but not limited to, Schedules D, F, and H. To the extent the Debtors inadvertently omitted one of the Guaranties, the Debtors reserve their rights to amend the Schedules to the extent that additional Guaranties are identified. Additionally, the Debtors reserve the right to amend the Schedules and Statements to recharacterize or reclassify any such contract or claim.

(k) Insiders. In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, the Debtors have attempted to include therein each of the Debtors': (a) "directors" (or persons in similar positions) and (b) employees that may be, or may have been during the relevant period, "officers" (or persons in control). The Debtors have attempted to exclude in such

applicable Schedules and Statements information relating to certain of their employees who, despite the title of their position with the Debtors (including without limitation certain employees with the title of “officer”) are not “officers” of the Debtors as such term is used in the Bankruptcy Code because, among other things, such employees (i) serve or served in a purely administrative and/or ministerial capacity, (ii) were not appointed by the Debtors’ board of directors, and/or (iii) do not have or ever had any material inside information as a result of their employment with the Debtors. The listing of a party as an insider is not intended to be, nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be “insiders” in terms of control of the Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

(l) Undetermined Claim Amounts. Claim amounts that could not be fairly quantified by the Debtors are scheduled as “unknown”, and with a C, U and/or D notation, whichever are appropriate given the individual circumstances.

(m) Statement #13 (Setoffs). As stated above, the Debtors believe that pursuant to Section 366(c)(4) of the Bankruptcy Code, certain utility providers may have applied pre-petition deposits to pre-petition obligations. At this time, the Debtors do not have a list of all utility providers that setoff pre-petition deposits.

(n) Statement #19d – (Books, Records and Financial Statements). Tarragon Corporation is a public company registered with the United States Securities and Exchange Commission and, as such, in the ordinary course of conducting its business may have provided financial information, including financial statements to, among others, numerous parties including banks, customers, vendors and landlords.

Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
