CLAIMANT'S PETITION FOR A WRIT OF HABEAS CORPUS AD TESTIFICANDUM
TO PARTICIPATE DURING TELEPHONE OR VIDEO CONFERENCE(S)

Pursuant to 28 U.S.C.S § 2241(c)(5), the Claimant Iatonda Phupatrik Taylor requests that this Court issue a writ of habeas corpus ad testificandum requiring Warden Jeff Howard to bring the Claimant before the court for a telephone and/or video conference(s) on _____ 2024, or whenever this Court deems necessary, and state in support:

1. On April 11, 2024 Hon. Lopez issued an order denying the Official Committee's motion for structural dismissal. ("RE: Docket No 1260")
2. However, the Debtor has never acted in good faith towards this Claimant but has for other (better represented) parties. Also, the Debtor's

contracts-holder the Michigan Dep't of Corrections and Kinross Corr. Facility Mailroom(s) are also not acting in good faith due to its policy that allows themselves to supercede Federal Court Rules and constitutional procedural due process rights.

3. Being so, this matter and the Claimant's case depends in large part on his own testimony. Since the credibility of the Debtor will be an issue in this matter, Hon. Lopez should be allowed to hear Claimant testify personally.

4. The Claimant is proceeding pro se in this matter and should therefore be produced to manage the presentation of the matters.

Claimant requests that the Debtor's bear costs of the implementation of the terms of this writ.

For the constitutional reasons, the Claimant PRAYS that Honorable Christopher Lopez conduct a necessary hearing and GRANT Claimant permission by writ to participate, or, conduct any action(s) or measures He deem necessary, by ORDER(S).
