Re: Tehum Care Services, Inc.
Debtor
Case No. 23-90086
Chapter 11

Your Honor,

Clarification is necessitated in regards to the above case matter as follows:

1. I am an unsecured creditor (plaintiff) involved in a civil litigation against the former health care provider Cocizon, Inc.
2. My claim (in duplicate) and possible error were filed through Kurtzman Carson Consultants, claim No. 257-711 in the amount of \$200,000.00, and such is dated May 26th, 2023.

3. The second and probable '(duplicative)' claim was filed, stamped also by Kurtzman Carson Consultants, Claim No. 173 ^{file}, in the amount of \$200,000⁰⁰, May 17, 2023.
4. According to the proposed Global Settlement Plan, I am a Class 5 claimant.
5. "Problem," I am an incarcerated litigant with zero internet access to PACER, nor <https://www.txs.uscourts.gov/>. As such, there is no possible manner in which I may access nor obtain transcripts of dozens of hearings relative to said case matters, thus resulting in a complete lack of information needed.
6. Complicating or compounding the confusion is this Court's error, to which forwards hundreds of pages of information involving Benefytt Technologies, Inc., et al., U.S. Bankruptcy Court, Case No. 23-90566. I am not knowingly

a party (claimant/litigant). Despite notifying the Court Clerk Nathan Ochsner, and Benefytt's Offices, I receive Benefytt Technologies, Inc. et al court documents instead of In re. Tehum Care Services, Inc. Case No. 23-90086 Court documents.

Your Honor

Assistance towards clarity and error corrections is requested. I have no informations as to 'when' the Tehum Care Services, Inc. Bankruptcy Stay is lifted?, or 'when' litigation may proceed?, nor 'when' settlement agreements may become negotiated,

THANK YOU
