Re: *In re Tehum Care Services, Inc.* - Case No. 23-90086 (CML)

Counsel:

In accordance with the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Docket No. 357] (the “Fee Procedures Order”), enclosed is an **amended** summary fee statement (the “Fourth Monthly Fee Statement”) and the corresponding invoices showing the services rendered and expenses incurred for the period from August 1, 2023 through August 31, 2023 (the “Fee Period”).¹

Pursuant to the Fee Procedures Order, and if no objection(s) are received within 14 days of receipt of Gray Reed’s Fourth Monthly Fee Statement, the Debtor will be authorized to pay the following amounts: (a) **\$255,854.40**, which represents 80% of the total compensation sought (**\$319,818.00**) for the reasonable and necessary legal services rendered to the Debtor during the Fee Period; and (b) **\$189.24**, which represents 100% of the actual and necessary expenses incurred during the Fee Period for a total compensation amount of **\$256,043.64**.

¹ In the original Fourth Monthly Fee Statement, Gray Reed inadvertently failed to include \$4,018.50 in fees incurred in the Litigation matter during the Fee Period. These fees were reflected in the invoices attached to the original Fourth Monthly Fee Statement but were not included in the accompanying cover sheet and calculations. Gray Reed hereby amends its Fourth Monthly Fee Statement to include this amount.

November 2, 2023

Page 2

A breakdown of the total compensation sought for the Fee Period is as follows:

Period Covered	Fees	Fees @80%	Expenses	Total Fees (80%) + Expenses
Aug. 1 – Aug. 31, 2023	\$319,818.00	\$255,854.40	\$189.24	\$256,043.64
