the Procedures for Complex Cases in the Southern District of Texas (the “***Complex Case Procedures***”).

### **BACKGROUND**

6. On the date hereof (the “***Petition Date***”), the Debtors filed voluntary petitions in the Court commencing cases for relief under chapter 11 of the Bankruptcy Code (the “***Chapter 11 Cases***”). The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested and no committee has been appointed in the Chapter 11 Cases.

7. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of the Chapter 11 Cases, is set forth in detail in the First Day Declaration, filed contemporaneously herewith, which is fully incorporated herein by reference.

8. Contemporaneously with the filing of the Motion, the Debtors filed a motion with this Court pursuant to Bankruptcy Rule 1015(b) requesting joint administration of the Chapter 11 Cases for procedural purposes only.

9. The Chapter 11 Cases are “prepackaged” cases commenced for the purpose of implementing agreed restructuring and recapitalization transactions among the Debtors and their key stakeholders. Prior to the Petition Date, the Debtors entered into that certain Transaction Support Agreement, dated as of December 21, 2024 (as may be amended, modified or supplemented, the “***Transaction Support Agreement***”) with lenders that collectively hold over 90% of the outstanding principal amount of term loans under the Debtors’ Prepetition First Lien Facility (the “***Consenting First Lien Lenders***”), including those certain members of an ad hoc term lender group represented by Paul Hastings LLP (the “***Ad Hoc Group***”). The holders of the

outstanding principal amount of asset-backed loans under the Debtors' Prepetition ABL Facility (the "***Prepetition ABL Lenders***") are not parties to the Transaction Support Agreement.

10. Contemporaneously herewith, the Debtors will file a prepackaged chapter 11 plan of reorganization reflecting the terms of the Transaction Support Agreement (as may be amended, modified or supplemented, the "***Plan***"), along with (a) a corresponding disclosure statement (as may be amended, modified or supplemented, the "***Disclosure Statement***") and (b) a motion seeking, among other things, (i) conditional approval of the Disclosure Statement, (ii) approval of the solicitation and notice procedures, and (iii) to schedule a combined hearing to consider approval of the Disclosure Statement on a final basis and confirmation of the Plan.

11. The Plan contemplates that all Allowed General Unsecured Claims (as defined in the Plan) will be paid in full or will otherwise be unimpaired and "ride through" the Chapter 11 Cases, and brings in at least approximately \$60 million of new liquidity for the Debtors to fund go forward operations. The Debtors are seeking confirmation of the Plan as quickly as the Court's schedule and requisite notice periods will permit to implement the proposed restructuring and recapitalization transactions under the Transaction Support Agreement and Plan.

### **PRELIMINARY STATEMENT**

12. The DIP Facilities are critical to the consensual restructuring under the Transaction Support Agreement and Plan and are integral to the Debtors' ability to operate during the Chapter 11 Cases. To achieve their chapter 11 objectives, the Debtors require the consensual use of Cash Collateral, new money financing, a replacement ABL facility, and related financial accommodations provided under the DIP Facilities and DIP Orders. The DIP Facilities will ensure that the Debtors are able to stabilize their business, which in turn, will allow the Debtors to pursue the Plan for the benefit of all stakeholders. The DIP Facilities also send a crucial message to the Debtors' employees, suppliers, vendors, and customers that the Debtors intend to and will have

the means to maintain ordinary course operations and meet and honor their financial commitments throughout the course of the Chapter 11 Cases. In addition, the ABL Refinancing is a critical component of the proposed DIP Facilities and transactions contemplated under the Transaction Support Agreement given the difficulty to either (a) seek to maintain the Prepetition ABL Facility only to refinance or pay it off upon emergence or (b) refinance the Prepetition ABL Facility incrementally upon entry of the Interim Order and then Final Order, which would require the Debtors to negotiate with two secured revolving lenders at the same time.

13. Absent the DIP Facilities, the Debtors' Prepetition First Lien Lenders (as defined below) would be unwilling to agree to the Debtors' use of their Cash Collateral, and the Prepetition First Lien Lenders would not agree to the priming of their prepetition liens that would otherwise be necessary to obtain postpetition financing. Without access to Cash Collateral or the incremental liquidity provided by the DIP Facilities, the Debtors would face severe, immediate, and irreparable harm, likely resulting in the significant loss of the Debtors' over 3,800 strong workforce, the destruction of key vendor relationships, and materially risk important customer relationships.

14. In addition, through the DIP Facilities, the DIP Lenders have committed to fund the Debtors' exit facilities by converting their DIP Loans into exit financing facilities ensuring that the Debtors have sufficient liquidity to fund ongoing business operations upon emergence from chapter 11. As a result, the DIP Facilities lock in long-term exit financing for the Debtors' continued operations at the outset of the Chapter 11 Cases and provide the reorganized Debtors with runway to operate post-emergence.

15. The Debtors do not believe that any parties in interest are prejudiced by the proposed ABL Refinancing, Interim Second Out Roll Up, or Final Second Out Roll Up because of the prepackaged nature of the Chapter 11 Cases and the fact that allowed general unsecured

claims are being paid in full or otherwise left unimpaired. Nevertheless, the DIP Orders expressly preserve investigation and challenge rights with respect to the ABL Refinancing, as well as the Interim Second Out Roll Up and Final Second Out Roll Up.

16. As described in greater detail in the Dunayer Declaration, prior to the Petition Date, the Debtors engaged in good-faith, arm's-length negotiations with the Ad Hoc Group and the Prepetition ABL Lenders, and ran a robust third-party marketing process in an effort to obtain sufficient postpetition financing and consensual use of Cash Collateral to fund operations and administer the Chapter 11 Cases. These negotiations resulted in the proposed DIP Facilities and agreement on consensual use of Cash Collateral, which will allow the Debtors to pursue the restructuring transaction contemplated by the Plan and ultimately inure to the benefit of all stakeholders.

17. The terms of the DIP Facilities, including the Approved DIP Budget (subject to permitted variances), interest rate, and fees, were heavily negotiated through an iterative, arm's-length process. Taken as a whole, the terms of the DIP Facilities are reasonable and fair under the circumstances of the Chapter 11 Cases. Further, as described in the Dunayer Declaration, the Debtors do not believe that more favorable or comparable financing was or is available in light of (a) their thorough evaluation of potential alternatives, (b) their liquidity position, (c) the lack of unencumbered assets to serve as a third-party lender's collateral, and (d) the Prepetition Secured Parties' refusal to permit third-party priming of their debt, and in the case of the Prepetition ABL Facility, absent the ABL Refinancing (and the benefits of avoiding the cost and uncertainty of a priming fight). As described in the Dunayer Declaration, no third party was willing to provide financing on a junior or unsecured basis.

18. The DIP Facilities are the best financing package available to the Debtors, and are a key component of the overall restructuring under the Transaction Support Agreement and the Plan. For these reasons and others stated herein, the Debtors respectfully submit that the relief requested in the Motion should be granted.

<b>Purpose</b>  <i>Fed. R. Bankr. P. 4001(c)(1)(B)</i>	<p>The Debtors have an immediate and critical need to use Cash Collateral and to obtain postpetition financing pursuant to the DIP Facilities, in each case, on an interim basis, in order to, among other things, permit the orderly continuation and operation of their businesses, maintain business relationships with customers, vendors and suppliers, make payroll, pay the costs of administering the Chapter 11 Cases, effectuate the ABL Refinancing, and satisfy other working capital and operational needs of the Debtors, in the case of each of the foregoing, in accordance with and subject to the terms and conditions of the Interim Order and the DIP Loan Documents, including the Approved DIP Budget (subject to Permitted Variances). The Debtors' access to sufficient working capital and liquidity through the incurrence of loans and other financial accommodations under the DIP Facilities and the use of Cash Collateral is necessary and vital to, among other things, preserve and maintain the going concern values of the Debtors. The Debtors and their estates will be immediately and irreparably harmed if the financing under the DIP Facilities are not obtained pursuant to the terms of the Interim Order and, as applicable, the DIP Loan Documents, or if the Debtors are unable to use Cash Collateral. Entry of the Interim Order is necessary and appropriate to avoid such harm to the Debtors, their estates, and other parties in interest.</p> <p><i>See Interim Order ¶ H(b).</i></p>

### **THE DEBTORS’ PREPETITION SECURED INDEBTEDNESS**

21. As of the Petition Date, the Debtors had approximately \$243 million of funded debt (inclusive of accrued and unpaid interest), consisting of (a) an asset-based revolving lending facility and (b) a secured term loan facility. The Debtors’ prepetition funded debt obligations are summarized in the below table:

Facility	Governing Document	Borrower	Maturity	Outstanding Principal
Prepetition ABL Facility	Prepetition ABL Credit Agreement	The Container Store, Inc.	November/October 2025	\$80,000,000 <sup>7</sup>
Prepetition First Lien Facility	Prepetition Term Loan Credit Agreement	The Container Store, Inc.	January 2026	\$163,125,321.74 <sup>8</sup>
<b>Total Secured Debt</b>				<b>\$243,125,321.74</b>

**A. The Prepetition ABL Facility.**

22. On April 6, 2012, Debtor The Container Store, Inc. (“**Debtor TCS**”), as borrower, Debtor The Container Store Group, Inc. (“**TCSG**”), Debtor TCS Gift Card Services, LLC (“**TCS Gift**”), and TCS Installation Services, LLC, in their capacities as guarantors thereunder, JPMorgan Chase Bank, N.A., as administrative agent and collateral agent (in such capacity, the “**Prepetition ABL Agent**”), and the other lenders and issuers party thereto (the “**Prepetition ABL Lenders**” and together with the Prepetition ABL Agent, the “**Prepetition ABL Secured Parties**”) entered into that certain Credit Agreement (as amended by that certain Amendment No. 1 on April 8, 2013, that certain Amendment No. 2 on October 8, 2015, that certain Amendment No. 3, dated as of May 20, 2016, that certain Amendment No. 4, dated as of August 18, 2017, that certain Amendment No. 5, dated as of November 25, 2020, and that certain Amendment No. 6, dated as of May 22, 2023, the “**Prepetition ABL Credit Agreement**”), pursuant to which the Prepetition ABL Lenders provided an asset-based revolving credit facility (the “**Prepetition ABL Facility**”) in a current aggregate principal amount of up to \$100 million. In addition, the Prepetition ABL Facility includes an uncommitted incremental revolving facility in the amount of \$50 million, which is subject to satisfaction of specified conditions. The Prepetition ABL Facility

<sup>7</sup> This amount excludes letters of credit issued under the Prepetition ABL Facility.

<sup>8</sup> This amount excludes accrued prepetition interest that has been accelerated and capitalized into the principal balance of the Prepetition First Lien Secured Obligations as of the Petition Date.

matures on (a) November 25, 2025 or (b) October 31, 2025 if any portion of the Prepetition Term Loan Obligations (as defined below) remains outstanding on such date and the maturity date of the Prepetition First Lien Facility is not extended. As of the Petition Date, there was approximately \$80 million in principal outstanding under the Prepetition ABL Facility (excluding letters of credit issued and outstanding thereunder).

23. The obligations arising under the Prepetition ABL Facility (collectively, the “***Prepetition ABL Secured Obligations***”) are guaranteed by TCSG, TCS Gift, Debtor C Studio Manufacturing Inc., and Debtor C Studio Manufacturing LLC and, as outlined in that certain ABL Facility Security Agreement dated as of April 6, 2012 (as amended by that certain Amendment No. 1 to Security Agreement and Pledge Agreement, dated as of October 28, 2024), are secured by security interests in, and liens upon, substantially all assets of Debtor TCS and such other guarantors, including first priority security interests in, and liens upon, the following assets of the Debtors (other than certain assets and proceeds thereof which constitute collateral of the Prepetition First Lien Lenders): (a) all accounts; (b) all chattel paper; (c) all deposit accounts, securities accounts, and (for each, excluding accounts referenced in clause (c) of the definition of “Prepetition Term Loan Priority Collateral” found in paragraph 25 below); (d) all inventory; and (e) documents, general intangibles, instruments, and commercial tort claims, supporting obligations, letter-of-credit rights, books and records, and collateral security and guarantees evidencing, governing, or relating to any of the items referred to in the preceding clauses (a) through (d) (collectively, the “***Prepetition ABL Priority Collateral***”). Pursuant to the Prepetition Intercreditor Agreement, the Prepetition ABL Lenders hold second priority security interests in and liens upon the Prepetition Term Loan Priority Collateral (as defined herein).

**B. The Prepetition First Lien Facility.**

24. On April 6, 2012, Debtor TCS, as borrower, TCSG, TCS Gift, and TCS Installation Services, LLC, in their capacities as guarantor thereunder, JPMorgan Chase Bank, N.A., as administrative agent and collateral agent (in such capacity, the “*Prepetition First Lien Agent*” and together with the Prepetition ABL Agent, the “*Prepetition Agents*”), and the other lenders party thereto (the “*Prepetition First Lien Lenders*,” and together with the Prepetition First Lien Agent, the “*Prepetition First Lien Secured Parties*,” and together with Prepetition ABL Secured Parties, the “*Prepetition Secured Parties*”) entered into that certain Credit Agreement (as amended by that certain Amendment No. 1 on April 8, 2013, that certain Amendment No. 2 on November 27, 2013, that certain Amendment No. 3 on May 20, 2016, that certain Amendment No. 4 on August 18, 2017, that certain Amendment No. 5 on September 14, 2018, that certain Amendment No. 6 on October 8, 2018, that certain Amendment No. 7 on November 25, 2020, that certain Amendment No. 8 on June 14, 2023, and that certain Amendment No. 9 on October 8, 2024, the “*Prepetition First Lien Credit Agreement*”), pursuant to which the Prepetition First Lien Lenders provided a senior secured term loan facility in an initial principal amount of \$275 million (the “*Prepetition First Lien Facility*”). The Prepetition First Lien Facility matures on January 31, 2026. As of the Petition Date, there was approximately \$163.1 million (plus accrued prepetition interest accelerated and paid in kind) in principal outstanding under the Prepetition First Lien Facility.

25. The obligations arising under the Prepetition First Lien Facility (the “*Prepetition First Lien Secured Obligations*” and together with the Prepetition ABL Secured Obligations, the “*Prepetition Secured Obligations*”) are secured by security interests in, and liens upon, substantially all assets of the Debtors, including first priority security interests in, and liens upon, the following assets of the Debtors: (a) all equipment, fixtures, real property, intellectual property

and investment property (other than any investment property described as Prepetition ABL Priority Collateral); (b) all instruments, documents, and general intangibles (other than any instruments, documents, and general intangibles described as Prepetition ABL Priority Collateral); (c) all “Term Loan Priority Accounts” (as defined in the Prepetition Intercreditor Agreement); (d) all other collateral other than Prepetition ABL Priority Collateral; and (e) all collateral security and guarantees with respect to the foregoing and all cash, money, insurance proceeds, instruments, securities, financial assets, and deposit accounts received as proceeds of the foregoing, other than the Prepetition ABL Priority Collateral (collectively, the “***Prepetition Term Loan Priority Collateral***”).<sup>9</sup> Additionally, the Prepetition Term Loan Obligations are secured by second priority security interests in, and liens upon, the Prepetition ABL Priority Collateral.

**C. Prepetition Intercreditor Agreement.**

26. The rights of the Prepetition ABL Lenders and the Prepetition First Lien Lenders with respect to their shared collateral are governed by that certain Intercreditor Agreement, dated as of April 6, 2012, by and between the Prepetition ABL Agent and the Prepetition First Lien Agent (as amended by that certain Amendment No. 1 on April 8, 2013, the “***Prepetition Intercreditor Agreement***”). The Prepetition Intercreditor Agreement governs, among other things, the division of collateral into Prepetition ABL Priority Collateral and Prepetition Term Loan Priority Collateral and the priority of claims with respect thereto, as well as the respective rights of the Prepetition ABL Lenders and the Prepetition First Lien Lenders in connection with certain bankruptcy matters, such as the provision of postpetition financing.

---

<sup>9</sup> The Prepetition Term Loan Priority Collateral also includes the equity pledge of Elfa, which was increased from 65.0% to 100.0% pursuant to that certain Amendment No. 1 to Security Agreement and Pledge Agreement, dated as of October 28, 2024.

**LIQUIDITY NEEDS AND FINANCING EFFORTS**

**I. THE DEBTORS HAVE AN IMMEDIATE NEED TO ACCESS THE DIP FACILITIES AND USE CASH COLLATERAL**

27. As set forth in the First Day Declaration and the Dunayer Declaration, the Debtors require immediate access to the proposed DIP Facilities to fund ongoing business operations, near-term working capital needs, and the costs of administering the Chapter 11 Cases. The Debtors had approximately \$11.8 million in funds on hand as of the Petition Date. Without immediate access to the proceeds of the proposed DIP Facilities, the Debtors will lack sufficient liquidity to maintain their business operations during the pendency of these cases. Indeed, the Debtors anticipate having negative cash flow during the Chapter 11 Cases, and the liquidity provided by the DIP Facilities is needed in order for the Debtors to meet their operating and non-operating needs and administer these Chapter 11 Cases. Thus, the Debtors do not believe it would be prudent, or even possible, to administer the Chapter 11 Cases solely on a “cash collateral basis.”

28. The disbursements shown in the Approved DIP Budget include, among other critical payments, payroll and benefits, merchandise, rent, shipping/freight, customs, and payments contemplated by the Debtors’ proposed “first day” orders. The Debtors believe that these disbursements are necessary to prevent irreparable harm to the Debtors and their estates and to maximize enterprise value. Any disruption in the Debtors’ ability to pay employees and vendors will result in the loss of the Debtors’ workforce and the destruction of key vendor relationships, which will put at risk important customer relationships to the detriment of all parties in interest.

29. In addition, the Debtors, in consultation with their advisors, believe it is imperative for the Debtors to demonstrate to the market, customers, employees, and vendors that they are well-capitalized and have substantial liquidity to fund the Chapter 11 Cases, meet their financial obligations, and continue to operate in the ordinary course during the pendency of these Chapter

11 Cases. Access to the DIP Facilities will enable the Debtors to consummate a swift and successful restructuring transaction while avoiding the negative impacts to the business, vendors and customers that would otherwise result in connection with the filing of these cases.

30. Furthermore, the ABL DIP Loan Facility allows for the full refinancing of the Prepetition ABL Facility through consummating the ABL Refinancing upon entry of the Interim Order, which is a requirement under the ABL DIP Loan Facility. The Debtors require access to a revolving financing facility to operate their businesses, and the ability to effectuate the ABL Refinancing with the proceeds from the ABL DIP Loan Facility is the most efficient manner under the circumstances to secure such facility both during the pendency of the Chapter 11 Cases and upon emergence from Chapter 11.

## **II. THE PROPOSED DIP FACILITIES ARE THE BEST POSTPETITION FINANCING OPTION CURRENTLY AVAILABLE**

31. As described in the Dunayer Declaration, given the Debtors' prepetition capital structure and the facts and circumstances of the Chapter 11 Cases, the DIP Facilities are the best available postpetition financing option to the Debtors.

32. As described in the Dunayer Declaration, Houlihan Lokey, Inc. ("*Houlihan*") ran a robust process seeking to obtain third-party ABL financing. As part of that process, Houlihan reached out to 17 parties, including the Prepetition ABL Lenders to gauge interest in providing a debtor-in-possession revolving credit facility. Of these 17 parties, 15 executed NDAs, received access to a virtual data room, and conducted due diligence. The Debtors received nine non-binding indications of interests and engaged in negotiations with two of those parties, as well as the Prepetition ABL Agent, on the terms of binding proposals for postpetition financing. Each of these three parties (including the Prepetition ABL Agent) submitted proposals in the form of term sheets outlining the material terms of proposed financings. Ultimately, the Debtors engaged in numerous

rounds of arm's-length negotiation and selected the proposed ABL DIP Loan Facility as the best available option, because, among other things, the proposed ABL DIP Loan Facility enables the Debtors to effectuate the ABL Refinancing, is expected to provide the Debtors with meaningful added borrowing capacity relative to the Prepetition ABL Facility, and locks in an exit ABL facility at the outset of the Chapter 11 Cases.

33. With respect to the DIP Term Loan Facility, as described in the Dunayer Declaration, (a) given the current state of the debt markets, the Debtors' liquidity needs, and the Debtors' discussions with the First Lien Lenders and their advisors, the Debtors believe that the Prepetition First Lien Lenders would not agree to being primed, and (b) alternative, third-party sources of financing are not readily available to the Debtors (whether unsecured or secured) on better or comparable terms than the proposed DIP Term Loan Facility provided by the DIP Term Lenders. In particular, with few, if any, unencumbered assets, no third party was likely to be willing to provide financing on a junior or unsecured basis or provide senior financing that would potentially require a priming fight with the Prepetition First Lien Lenders. As detailed in the Dunayer Declaration, the Debtors understood that the Prepetition First Lien Lenders did not consent to any senior financing by any other party that would result in priming liens on the Prepetition Collateral.

34. Accordingly, the Debtors focused on negotiating with the Ad Hoc Group, and over a period of months through September and into December 2024, the Debtors engaged with the Ad Hoc Group and its advisors on the terms of an overall consensual restructuring transaction, including the terms of Ad Hoc Group provided debtor-in-possession and exit financings. These discussions were highly iterative, hard fought, and proceeded in good faith, with each party agreeing to certain concessions in order to facilitate a restructuring and recapitalization of the

Debtors' balance sheet that maximizes value for all stakeholders, including the preservation of jobs across the debtors' existing workforce.

35. Based on the foregoing efforts, the Debtors, in consultation with their advisors, believe that the DIP Facilities, which provide \$255 million in aggregate for the Debtors' estates, access to necessary Cash Collateral, avoid a costly priming fight, and are, on the whole, the best postpetition financing option currently available to the Debtors. The proposed DIP Facilities will allow the Debtors to expeditiously consummate the restructuring set forth in the Transaction Support Agreement and Plan, which will pay in full, or otherwise leave unimpaired, all Allowed General Unsecured Claims. Accordingly, the DIP Facilities are in the best interests of the Debtors' estates and should be approved.

### **BASIS FOR RELIEF REQUESTED**

#### **I. THE DEBTORS SHOULD BE AUTHORIZED TO ACCESS THE DIP FACILITIES**

36. Section 364(c) of the Bankruptcy Code requires a finding, made after notice and a hearing, that a debtor seeking postpetition financing on a secured basis cannot "obtain unsecured credit allowable under section 503(b)(1) of [the Bankruptcy Code] as an administrative expense." 11 U.S.C. § 364(c).

37. In addition, under section 364(d)(1) of the Bankruptcy Code, courts may, after notice and a hearing, authorize a debtor to obtain postpetition credit secured by a "priming" lien from affected secured parties if (a) the debtor obtains the consent of such parties or (b) the debtor cannot obtain credit elsewhere and the interests of existing lienholders are adequately protected. 11 U.S.C. § 364(d)(1). Specifically, section 364(d)(1) provides, in relevant part, that a court may, after notice and a hearing:

authorize the obtaining of credit or the incurring of debt secured by a senior or equal lien on property of the estate that is subject to a lien only if-

(A) the [debtor] is unable to obtain credit otherwise; and

(B) there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.

11 U.S.C. § 364(d)(1).

38. For the reasons discussed herein, including the terms of the DIP Facilities, as well as the inferior alternative sources of financing, the Debtors satisfy the standards required to access postpetition financing on a superpriority claim and priming lien basis under sections 364(c) and 364(d) of the Bankruptcy Code.

**A. Entry into the DIP Loan Documents Reflects the Debtors' Reasonable Business Judgment**

39. Courts grant considerable deference to a debtor's business judgment in obtaining postpetition secured credit, so long as the agreement to obtain such credit does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code. *See, e.g., In re Estrada*, No. 16-80003-G3-11, 2016 WL 745536, at \*3 (Bankr. S.D. Tex. Feb. 24, 2016) ("In determining whether to approve a motion to obtain credit, courts generally permit debtors in possession to exercise their basic business judgment consistent with their fiduciary duties."); *In re L.A. Dodgers LLC*, 457 B.R. 308, 313 (Bankr. D. Del. 2011) ("Courts will almost always defer to the business judgment of a debtor in the selection of the lender."); *In re Ames Dep't Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) ("Cases consistently reflect that the court's discretion under section 364 is to be utilized on grounds that permit reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest.").

40. Further, in considering whether the terms of postpetition financing are fair and reasonable, courts consider the terms in light of the relative circumstances of both the debtor and

the potential lender. *See In re Farmland Indus., Inc.*, 294 B.R. 855, 886 (Bankr. W.D. Mo. 2003); *see also Unsecured Creditors' Comm. Mobil Oil Corp. v. First Nat'l Bank & Trust Co. (In re Elingsen McLean Oil Co., Inc.)*, 65 B.R. 358, 365 n.7 (W.D. Mich. 1986) (recognizing a debtor may have to enter into “hard bargains” to acquire funds for its reorganization).

41. For the reasons set forth above, entry into the DIP Facilities is a reasonable exercise of the Debtors’ business judgment. The Debtors’ determination (in consultation with their advisors) was made following a careful and thorough evaluation of all restructuring and financing alternatives. The terms and conditions of the DIP Facilities are favorable to the Debtors and in the best interests of their estates. Specifically:

- i. the DIP Term Loan Facility is being funded by a group of the Debtors’ Prepetition First Lien Lenders who have a vested interest in the success of the Chapter 11 Cases;
- ii. the ABL DIP Loan Facility effectuates the ABL Refinancing on terms most favorable to the Debtors;
- iii. the DIP Term Lenders will roll the DIP Term Loans into an exit facility, which provides the Debtors with a clear path to emergence, sets the stage for a successful restructuring, minimizes costs associated with potential business disruption due to a lack of (or significant delay in obtaining) exit financing, and allows the reorganized Debtors with runway to flexibly operate post-emergence;
- iv. the ABL Lenders will roll the ABL DIP Loans into an exit facility (the “**ABL Exit Facility**”), which will similarly provide the Debtors’ with liquidity post-emergence; and
- v. the DIP Facilities avoid additional costs that would be incurred on account of an exit financing marketing process that would otherwise be due if the Debtors separately sought exit financing at a later date.

42. The DIP Facilities will provide the Debtors with sufficient liquidity necessary to maintain their business operations, and the terms of the DIP Facilities, which are the result of good faith, arm’s length negotiations, are the best available to the Debtors.

**B. The ABL Refinancing, Interim Second Out Roll Up, and Final Second Out Roll Up Reflect the Debtors' Reasonable Business Judgement and Are Appropriate Under the Circumstances**

43. Section 363(b) of the Bankruptcy Code permits a debtor to use, sell, or lease property, other than in the ordinary course of business, with court approval. Courts in the Fifth Circuit have recognized that it is appropriate to authorize the payment of prepetition obligations where doing so maximizes going-concern value. *See, e.g., In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002) (authorizing payment of certain prepetition claims pursuant to “doctrine of necessity”); *In re Equalnet Commc’ns Corp.*, 258 B.R. 368, 369–70 (Bankr. S.D. Tex. 2000) (business transactions critical to the survival of the business of the debtor are exceptions to the general rule of nonpayment of prepetition claims prior to plan confirmation).

44. Here, the refinancing of the Prepetition ABL Facility through the ABL Refinancing with the proceeds from the ABL DIP Loan Facility upon entry of the Interim Order is also an exercise of the Debtors’ reasonable business judgment due to the specific facts and circumstances of these Chapter 11 Cases. The Debtors were unable to find postpetition financing on similar terms that did not provide for the ABL Refinancing upon entry of the Interim Order (not emergence). Further, the ABL Refinancing is a requirement of the ABL DIP Loan Facility and the Transaction Support Agreement and will allow the Debtors to avoid negotiating with the Prepetition ABL Lenders regarding further forms of adequate protection and stipulations regarding usage of the Cash Collateral. The ABL Refinancing also locks in an ABL exit facility that will support the Debtors go-forward business operations and allow for a successful emergence from bankruptcy upon confirmation of the Plan. Moreover, notwithstanding that it is unlikely that a committee of unsecured creditors will be appointed given that allowed general unsecured claims are being paid in full or otherwise left unimpaired, the DIP Orders contain typical challenge rights with respect to the repayment of the Prepetition ABL Secured Obligations.

45. Further, the roll up of the Prepetition First Lien Secured Obligations is similarly an exercise of the Debtors' reasonable business judgment due to the specific facts and circumstances of these Chapter 11 Cases. The Interim Second Out Roll Up and Final Second Out Roll Up are strict requirements of the DIP Term Lenders to provide the DIP Term Loan Facility. Because the Chapter 11 Cases are prepackaged, unsecured creditors will not be prejudiced by the Interim Second Out Roll Up or Final Second Out Roll Up. Moreover, investigation and challenge rights with respect to the Interim Second Out Roll Up and Final Second Out Roll Up are expressly preserved under the proposed DIP Orders, so parties in interest are not prejudiced by the proposed roll up.

46. The ABL Refinancing, Interim Second Out Roll Up, and Final Second Out Roll Up are critical components of the DIP Facilities and the result of arm's-length, good faith negotiations between the Debtors and the DIP Lenders. Accordingly, the Court should authorize the ABL Refinancing, Interim Second Out Roll Up, and Final Second Out Roll Up as reasonable exercises of the Debtors' business judgment.

**C. The Debtors Should Be Authorized to Grant Liens and Superpriority Claims to the DIP Lenders**

47. The Debtors propose to obtain financing under the DIP Facilities, in part, by granting superpriority claims and liens pursuant to sections 364(c) and 364(d) of the Bankruptcy Code. Significantly, the Debtors propose to provide first priority liens on substantially all of the Debtors' assets, including liens on previously unencumbered property and "priming" liens on other property (subject to the terms of the DIP Orders).

48. Section 364(c) provides that, if a debtor is unable to obtain unsecured credit allowable as an administrative expense under section 503(b)(1) of the Bankruptcy Code, a court:

May authorize the obtaining of credit or the incurring of debt  
(1) with priority over any or all administrative expenses of the kind

specified in section 503(b) or 507(b) of [the Bankruptcy Code]; (2) secured by a lien on property of the estate that is not otherwise subject to a lien; or (3) secured by a junior lien on property of the estate that is subject to a lien.

11 U.S.C. § 364(c); *see also In re Crouse Group, Inc.*, 71 B.R. 544, 549 (Bankr. E.D. Pa. 1987) (secured credit under section 364(c) of the Bankruptcy Code is authorized, after notice and hearing, upon showing that unsecured credit cannot be obtained); *In re Snowshoe Co., Inc.*, 789 F.2d 1085, 1088 (4th Cir. 1986) (debtor need only demonstrate “by a good faith effort that credit was not available without” the protections of sections 364(c)).

49. Further, section 364(d) provides that a debtor may obtain credit secured by a senior or equal lien on property of the estate already subject to a lien where the debtor is “unable to obtain such credit otherwise” and “there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.” 11 U.S.C. § 364(d)(1). Accordingly, the Debtors may “prime” the liens of the Prepetition Secured Parties if the Debtors are unable to obtain unsecured or junior secured credit and either (a) the Prepetition Secured Parties have consented or (b) the Prepetition Secured Parties’ interests in collateral are adequately protected.

50. As set forth above and in the Dunayer Declaration, the Debtors are unable to obtain unsecured or junior secured credit. The Debtors submit that the proposed DIP Facilities are the best available financing option available under the circumstances. Additionally, the DIP Lenders were not willing to provide postpetition financing on an unsecured or junior basis, nor has any third party presented such a proposal. Following extended negotiations with the Prepetition Secured Parties, the Debtors were able to negotiate the proposed DIP Facilities and obtain concessions that materially improved the terms of the proposed financing. Thus, as a result of

these negotiations and the DIP marketing process, the Debtors determined that the DIP Facilities are the best actionable alternative available to fund these cases under the circumstances.

51. Furthermore, the parties to the Transaction Support Agreement have consented to their prepetition liens and claims being primed on the terms set forth in the DIP Orders as part of the comprehensive restructuring. The negotiated adequate protection package includes: (a) replacement liens on the DIP Collateral in accordance with the priorities set forth in the Interim Order, (b) allowed, superpriority administrative expense claims in accordance with the priorities set out in the Interim Order, and (c) the reasonable and documented fees and expenses of counsel and other professionals, as set forth in the Interim Order. Additionally, the DIP Facilities are necessary for the Debtors to continue operating in the ordinary course and to administer the Chapter 11 Cases, including the comprehensive reorganization set forth in the Transaction Support Agreement. The Debtors understand that their prepetition secured lenders are unwilling to consent to priming liens on their collateral outside of the DIP Facilities. Absent such consent, the Debtors risk a potentially costly and difficult nonconsensual priming dispute at a time when the Debtors' liquidity is severely limited. Any such dispute would erode the value of the Debtors' estates to the detriment of all stakeholders.

**D. The Debtors Should Be Authorized to Pay the Fees and Payments Required by the DIP Agents and the DIP Lenders Under the DIP Loan Documents**

52. In addition to the various Adequate Protection Payments and other reimbursement obligations, in each case, specified under the DIP Loan Documents and the DIP Orders, the Debtors have agreed, subject to Court approval, to pay certain fees and other payments to the DIP Agents and the DIP Lenders. In particular, under the DIP Term Loan Documents, the Debtors have agreed to pay:

- i. an interest rate of (i) Term SOFR (subject to a 2.0% floor) + 6.50% per annum to be paid in cash for the First-Out DIP Term Loans; *provided*, that interest payable

on First-Out DIP Term Loans up to 5.50% per annum may be paid in kind, in the form of additional First-Out DIP Term Loans and (ii) Term SOFR (subject to a 2.0% floor) + 5.00% per annum, payable semi-annually in cash for the Second-Out DIP Term Loans; *provided*, that interest payable on Second-Out DIP Term Loans up to 4.00% per annum may be paid in kind, in the form of additional Second-Out DIP Term Loans;

- ii. the Put Option Premium, whereby each DIP Backstop Party shall receive its pro rata share of a put option premium comprising 5.00% of the aggregate amount of the commitments to fund the First Out DIP Term Loans under the DIP Term Loan Facility; which shall be fully earned upon entry of the Interim Order and due and payable in kind upon the initial funding of the First Out DIP Term Loans;
- iii. the Commitment Premium, whereby each First Out DIP Term Lender shall receive a commitment premium equal to 2.00% of First Out DIP Term Loans; which shall be fully earned upon entry of the Interim Order and due and payable in kind upon the initial funding of the First Out DIP Term Loans; and
- iv. the Equity Premium, whereby in connection with the Final Second Out Roll Up, each DIP Term Lender shall receive its pro rata share of 64% of the New Equity Interests, subject to dilution by the MIP. The Equity Premium shall be earned on the entry of the Final Order and due and payable upon the Plan Effective Date, solely to the extent the Debtors exercise the Roll Option and subject to the terms and conditions of the Plan (collectively, the “***DIP Term Loan Fees***”).

53. Under the ABL DIP Loan Documents, the Debtors have agreed to pay:

- i. an interest rate of Term SOFR + 4.25% per annum, payable monthly;
- ii. the Closing Fee, whereby each ABL DIP Lender shall receive a closing fee of \$1,750,000, which shall be earned at the closing of the ABL DIP Loan Facility and payable upon the initial funding of the ABL DIP Loan Facility;
- iii. the Unused Line Fee, whereby the ABL DIP Lender shall receive 0.50% of the daily unused portion of the ABL DIP Loan Facility, payable monthly;
- iv. the Collateral Monitoring Fee, whereby the ABL DIP Lender shall receive a collateral monitoring fee of \$10,000 for each month during the term of the ABL DIP Loan Facility, payable monthly; and
- v. the Termination Fee, whereby the ABL DIP Lender shall receive a termination fee equal to 1.75% of the ABL DIP Loan Facility in the event the commitments under the ABL DIP Loan Facility are permanently reduced or terminated, however, upon emergence, such fee will be waived in the event the ABL DIP Loan Facility is rolled into an the ABL Exit Facility as contemplated under the Plan, so long as such ABL Exit Facility includes (i) commitments of at least \$140.0 million and (ii) a closing fee of at least 0.25% of the ABL Exit Facility

(collectively, the “**ABL DIP Fees**”, and together with the DIP Term Loan Fees, the “**DIP Fees**”).

54. It is understood and agreed by all parties, including the Debtors, that the DIP Term Loan Fees are an integral component of the overall terms of the DIP Term Loan Facility and were required by the DIP Term Loan Agent and DIP Term Lenders as consideration for the extension of postpetition financing after arm’s-length, good faith negotiations, and substantial negotiations through which the Debtors successfully obtained meaningful concessions. Moreover, as set forth in the Dunayer Declaration, the interest rates and fees when, taken as a whole with the economics of the DIP Term Loan Facility, are reasonable, appropriate, and necessary under the circumstances.

55. The DIP Term Loan Fees do not prejudice any stakeholder or party in interest. *First*, the DIP Term Loans were broadly offered to all members of the Ad Hoc Group and, following entry of the Interim Order, will be offered to all holders of Term Loan claims through the syndication process that are not or were not previously members of the Ad Hoc Group, who opt to participate in the DIP Term Loan Facility, thereby minimizing any prejudice. *Second*, the DIP Term Loan Fees do not prejudice unsecured parties as the DIP Term Loan Facility will be used to pay Allowed General Unsecured Claims in full and in the ordinary course of business pursuant to the Plan. *Third*, the fees payable in equity of the reorganized entity (if the Plan is confirmed) preserve liquidity that provides additional runway for the Debtors to consummate the Plan.

56. Similarly, the ABL DIP Fees do not prejudice any parties in interests. *First*, the Debtors and their advisors ran a comprehensive third-party marketing process as described above, and as described in the Dunayer Declaration, the ABL DIP Fees are reasonable, appropriate, and a critical component of the overall terms of the ABL DIP Loan Facility. *Second*, the ABL DIP Loan Facility is being used to consummate the ABL Refinancing, which benefits the Debtors and

their estates, for among other reasons, it secures financing for the Debtors to ensure that the Debtors are able to pay creditors in full and in the ordinary course of business pursuant to the Plan and the relief sought in the Debtors’ “first day” motions. The benefits to the Debtors and their estates provided by the ABL DIP Loan Facility significantly outweigh the fees incurred by the Debtors thereunder.

57. In light of the marketing and negotiation process described herein and in the Dunayer Declaration, the proposed DIP Facilities package is the Debtors’ best currently available postpetition financing option. As a result, the Debtors determined that, in their business judgment, incurring the DIP Fees to secure the DIP Facilities, which will guarantee a smooth transition into Chapter 11 and lock-in exit financing, was in the best interests of the Debtors, their estates, and all of their stakeholders. Accordingly, the Court should authorize the Debtors to pay the DIP Fees.

## **II. APPROVAL OF USE OF CASH COLLATERAL IS APPROPRIATE**

58. Section 363(c)(2) of the Bankruptcy Code provides that a debtor may not use, sell, or lease cash collateral unless “(a) each entity that has an interest in such cash collateral consents; or (b) the court, after notice and hearing, authorizes such use, sale, or lease in accordance with the provisions of this section.”

59. In general, what constitutes adequate protection is decided on a case-by-case basis. While section 361 of the Bankruptcy Code provides examples of forms of adequate protection, such as granting replacement liens and administrative claims, courts decide what constitutes sufficient adequate protection in each case. *See In re Timbers of Inwood Forest Assocs., Ltd.*, 793 F.2d 1380, 1393 (5th Cir. 1986) (citing legislative history for proposition that the form of adequate protection is determined on a case-by-case basis); *see also In re Las Torres Dev., L.L.C.*, 413 B.R. 687, 696-97 (Bankr. S.D. Tex. 2009) (noting that the Bankruptcy Code “contains no specific, definitive definition of adequate protection”). Adequate protection is designed to shield a secured

creditor from diminution in value of its interest in collateral during the period of a debtor's use of the collateral. *See Timbers*, 793 F.2d at 1412 (citing to Adequate Protection Under the Bankruptcy Reform Act, in W. Norton, 1978 Annual Survey of Bankruptcy Law 171, 173 ("Section 361 is designed to prevent loss or diminution of assets.")).

60. Substantially all of the Debtors' cash constitutes the Cash Collateral under section 363(a) of the Bankruptcy Code. The Debtors have an urgent need for the immediate use of the Prepetition Collateral, including the Cash Collateral, and seek to use all Cash Collateral existing on or after the Petition Date pursuant to the terms of the DIP Loan Documents. The Debtors need the Cash Collateral to fund their businesses and operations, as well as to fund the Chapter 11 Cases so they can pursue a value-maximizing restructuring under the terms of the Transaction Support Agreement and the Plan. Indeed, absent such relief, the Debtors' businesses will likely be brought to an immediate halt, with damaging consequences for the Debtors and their estates and creditors.

61. The Debtors believe that the terms and conditions of their use of the Cash Collateral (including the provision of adequate protection described above) are appropriate and reasonable and that such adequate protection is sufficient to secure any adequate protection obligations under the circumstances. Furthermore, the Prepetition First Lien Lenders have consented to the Debtors' use of the Cash Collateral, subject to the terms and conditions of the DIP Loan Documents and the DIP Orders. The Debtors do not need the consent of the Prepetition ABL Lenders as a result of the ABL Refinancing. Therefore, the Debtors submit that they should be authorized to use the Cash Collateral on the terms set forth in the DIP Loan Documents.

### **III. THE DIP LENDERS SHOULD BE DEEMED GOOD-FAITH LENDERS**

62. Section 364(e) of the Bankruptcy Code protects a good-faith lender's right to collect on loans extended to a debtor, and its right in any lien securing those loans, even if the

authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. Section 364(e) of the Bankruptcy Code provides that:

The reversal or modification on appeal of an authorization under this section [364 of the Bankruptcy Code] to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

63. As explained herein and in the Dunayer Declaration, the DIP Loan Documents are the result of: (a) the Debtors' reasonable business judgment that the DIP Lenders provided the best postpetition financing option available under the circumstances; and (b) extended arm's-length, good-faith negotiations between the Debtors and the DIP Lenders (through the Ad Hoc Group). The Debtors submit that the terms and conditions of the DIP Loan Documents are reasonable under the circumstances, and the proceeds of the DIP Facilities will be used only for purposes that are permissible under the Bankruptcy Code. Accordingly, the Court should find that the DIP Lenders are "good faith" lenders within the meaning of section 364(e) of the Bankruptcy Code and are entitled to all of the protections afforded by that section.

#### **IV. MODIFICATION OF AUTOMATIC STAY**

64. The Interim Order provides that the automatic stay under section 362 of the Bankruptcy Code is modified to permit the DIP Agents (at the direction of the Required DIP Lenders) to exercise, upon the occurrence and during the continuation of any Event of Default under the applicable DIP Loan Documents, all rights and remedies provided in the DIP Loan Documents and the DIP Credit Documents without further order of or application to the Court. However, the DIP Agents must provide the Debtors and various other parties with five business days' notice before exercising such enforcement rights or remedies in respect of their collateral.

During such period, the Debtors and other parties in interest may seek an emergency hearing to contest whether an Event of Default has occurred and is continuing.

65. Stay modification provisions of this sort are common features of postpetition financing facilities and, in the Debtors' business judgment, are reasonable under the circumstances. Accordingly, the Debtors request that the Court modify the automatic stay solely to the extent contemplated by the DIP Loan Documents and the DIP Orders.

## **V. APPROVAL OF INTERIM RELIEF**

66. Bankruptcy Rules 4001(b)(2) and 4001(c)(2) provide that a final hearing on a motion to use cash collateral or obtain credit, respectively, may not be commenced earlier than 14 days after the service of such motion. Upon request, however, the court may conduct a preliminary expedited hearing on the motion and authorize the use of cash collateral and the obtaining of credit on an interim basis "to the extent necessary to avoid immediate and irreparable harm to the estate pending a final hearing." Fed. R. Bankr. P. 4001(b)(2); (c)(2). Section 363(c)(3) of the Bankruptcy Code authorizes the court to conduct a preliminary hearing and to authorize the use of cash collateral "if there is a reasonable likelihood that the [debtor] will prevail at the final hearing under [section 363(e) of the Bankruptcy Code]." 11 U.S.C. § 363(c)(3). Furthermore, the Complex Case Procedures provide that on motion by a debtor, a hearing will "routinely be conducted as a first-day hearing to consider either cash collateral use and/or interim debtor-in-possession financing." Complex Case Procedures, ¶ 5.

67. As described above, the Debtors have an urgent and immediate need for cash in order to maintain business relationships with their vendors, suppliers, customers, and other parties, to make capital expenditures, and to satisfy other working capital and operational needs and otherwise finance their operations and the Chapter 11 Cases. Given the immediate and irreparable harm to be suffered by the Debtors, their estates and their creditors absent interim relief, the

Debtors request that, pending the Final Hearing, the Court schedule an interim hearing within one day of the Petition Date or as soon thereafter as practicable to consider the interim relief requested in this Motion.

## **VI. REQUEST FOR A FINAL HEARING**

68. The terms of the DIP Facilities set forth in the Transaction Support Agreement require that a Final Order approving this Motion be entered within 34 days after the Petition Date. As such, pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), the Debtors request that the Court set a date for the Final Hearing that is as soon as practicable, but in no event later than 34 days following the Petition Date, and fix the time and date before the Final Hearing for parties to file objections to this Motion.

### **EMERGENCY CONSIDERATION**

69. The Debtors respectfully request emergency consideration of this Motion pursuant to Bankruptcy Local Rule 9013-1(i), the Complex Case Procedures, and Bankruptcy Rule 6003, which authorizes a court to grant relief within the first 21 days after the commencement of a chapter 11 case “to the extent that relief is necessary to avoid immediate and irreparable harm.” The Debtors believe that an immediate and orderly transition into chapter 11 is critical to the viability of their operations and the success of the Chapter 11 Cases. As discussed in detail above and in the Dunayer Declaration, immediate and irreparable harm would result if the relief requested herein is not granted. Accordingly, the Debtors submit that they have satisfied the “immediate and irreparable harm” standard of Bankruptcy Rule 6003, and the Debtors believe that emergency consideration is necessary and respectfully request that this Motion be heard on an emergency basis.

**WAIVER OF BANKRUPTCY RULE 6004(a) AND (h)**

70. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not otherwise satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate, as the exigent nature of the relief sought herein justifies immediate unstayed relief.

**RESERVATION OF RIGHTS**

71. Nothing in this Motion shall be deemed: (a) an implication or admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a concession by the Debtors that any lien (contractual, common, statutory or otherwise) satisfied pursuant to the Motion is valid (and all rights to contest the extent, validity, or perfection or seek avoidance of all such liens are expressly reserved); (f) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (g) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (h) a waiver of the obligation of any party in interest to file a proof of claim; or (i) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the

Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

72. Nothing in the Proposed Order or this Motion shall be construed to (a) create or perfect, in favor of any person or entity, any interest in cash of any Debtor that did not exist as of the Petition Date or (b) alter or impair any security interest or perfection thereof, in favor of any person or entity, that existed as of the Petition Date.

73. Nothing in the Proposed Order or this Motion shall create, nor is intended to create, any rights in favor of or enhance the status of any claim held by any party.

#### **NOTICE**

74. Notice of the Motion will be given to: (a) the Office of the United States Trustee for the Southern District of Texas; (b) counsel to the DIP Term Agents; (c) counsel to the ABL DIP Agent; (d) counsel to the Ad Hoc Group and DIP Lenders; (e) counsel to the Prepetition First Lien Agent; (f) counsel to the Prepetition ABL Agent; (g) the creditors listed on the Debtors' consolidated list of thirty (30) creditors holding the largest unsecured claims; (h) any party known after a reasonable inquiry to have asserted a lien against the Debtors' assets; (i) the United States Attorney for the Southern District of Texas; (j) the Internal Revenue Service; (k) the Securities and Exchange Commission; (l) the state attorneys general for states in which the Debtors conduct business; and (m) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, under the circumstances, no other or further notice is required.

75. A copy of the Motion is available on (a) the Court's website, at [www.txs.uscourts.gov](http://www.txs.uscourts.gov), and (b) the website maintained by the Debtors' proposed claims and noticing agent, Kurtzman Carson Consultants, LLC d/b/a Verita Global, at <https://www.veritaglobal.net/thecontainerstore>.

**WHEREFORE**, the Debtors respectfully request that the Court enter the proposed DIP Orders granting the relief requested in the Motion and such other and further relief as may be just and proper.

<sup>6</sup> Nothing contained herein shall constitute a finding or ruling by this Court that any alleged Permitted Prior Lien is valid, senior, enforceable, prior, perfected or non-avoidable. Moreover, nothing contained herein shall prejudice the rights of any party in interest, including, but not limited to the Debtors, the DIP Secured Parties, the Prepetition Secured Parties, or any Official Committee, in each case, to the extent such party has standing to challenge the validity, priority, enforceability, seniority, avoidability, perfection or extent of any alleged Permitted Prior Lien (subject to the terms of this Interim Order). For the purposes hereof, any alleged claim arising or asserted as a right of reclamation or return (whether asserted under section 546(c) of the Bankruptcy Code or otherwise) is not a Permitted Prior Lien.

nature or description, whether arising under the Bankruptcy Code, applicable non-bankruptcy law, any other domestic or foreign statute, law, rule or regulation or otherwise, in each case, that may be asserted by the Debtors, their respective estates or any other person or entity; and (iv) the Prepetition Secured Obligations constitute allowed secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code against each of the Prepetition Loan Parties and their respective estates.

(d) *Enforceability of the Prepetition Intercreditor Agreement.*

(i) The Prepetition ABL Agent and the Prepetition First Lien Agent are party to that certain *Intercreditor Agreement*, dated as of April 6, 2012 (as amended, amended and restated, supplemented or otherwise modified from time to time prior to the Petition Date in accordance with the terms thereof, the “***Prepetition Intercreditor Agreement***”), which sets forth the relative payment and lien priorities and other rights and remedies of the Prepetition ABL Secured Parties, on the one hand, and the Prepetition First Lien Secured Parties, on the other hand, with respect to “Shared Collateral” (as defined in the Prepetition Intercreditor Agreement). Pursuant to the Prepetition Intercreditor Agreement, the parties thereto agreed, among other things: (a) that the Prepetition ABL Liens on the ABL Priority Collateral are senior to the Prepetition First Lien Liens on such collateral, and (b) that the Prepetition First Lien Liens on the Term Loan Priority Collateral are senior to the Prepetition ABL Liens on such collateral.

(ii) Pursuant to section 510(a) of the Bankruptcy Code, the Prepetition Intercreditor Agreement, and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Loan Documents, (A) shall remain in full force and effect, (B) continue to govern the relative obligations, priorities, rights, and remedies of the Prepetition Secured Parties with respect to any shared or common Prepetition Collateral, and (C) shall not be deemed to be amended, altered, or modified by the terms of this Interim Order except to the extent expressly set forth herein.

(e) *No Claims, Defenses, or Causes of Action.* As of the date hereof, there exist no claims, defenses or any other Cause of Action of any nature or description whatsoever that may be asserted by the Debtors, their respective estates, predecessors, successors and assigns, against any of the Prepetition Secured Parties or any of their respective Representatives, in each case, arising from, in connection with, or related to this Interim Order, the Prepetition Liens, the Prepetition Secured Obligations, the Prepetition Loan Documents or the Prepetition Collateral.

(f) *Releases.* Effective as of the date of entry of this Interim Order, the Debtors, on behalf of themselves and their respective estates, to the maximum extent permitted by applicable law, hereby absolutely, unconditionally and irrevocably release and forever discharge and acquit the Prepetition First Lien Secured Parties, the Prepetition ABL Secured Parties, and each of their respective Representatives (in their capacities as such) of and from any and all Causes of Action that the Debtors, their estates, predecessors, successors and assigns at any time had, now have or that their successors and assigns may have against any of the DIP Secured Parties, the Prepetition Secured Parties and their respective Representatives (in their capacities as such) for or by reason of any act, omission, matter,

cause or thing whatsoever arising at any time prior to the date of this Interim Order, in each case, arising under, in connection with or related to this Interim Order, the ABL Refinancing, the Prepetition Liens, the Prepetition Collateral, the Prepetition Secured Obligations or the Prepetition Loan Documents, the Adequate Protection Liens (as defined below), the Adequate Protection Claims (as defined below), the Adequate Protection Obligations (as defined below), the Prepetition Loan Documents, or the transactions contemplated thereunder or hereunder, including, without limitation, (i) any Avoidance Actions, (ii) any so-called “lender liability” or equitable subordination claims or defenses, (iii) any claims or Causes of Action arising under the Bankruptcy Code, (iv) any claims or Causes of Action seeking reduction, setoff, offset, recoupment, recharacterization, subordination (whether equitable, contractual or otherwise), reclassification, disgorgement, disallowance, impairment, marshalling, surcharge, recovery or any other challenge arising under the Bankruptcy Code or applicable non-bankruptcy law with respect to the Prepetition Liens, the Prepetition Collateral, the Prepetition Secured Obligations or the Prepetition Loan Documents, or (v) any claim or Cause of Action with respect to the validity, enforceability, extent, amount, perfection or priority of the ABL Refinancing, the Prepetition Liens, the Prepetition Secured Obligations, the Prepetition Collateral or the Prepetition Loan Documents.

(g) *Cash Collateral.* Any and all of the DIP Loan Parties’ cash, whether existing on the Petition Date or thereafter, wherever located (including, without limitation, all cash, cash equivalents and other amounts on deposit or maintained by the DIP Loan Parties in any accounts with any depositary institution), whether as original Prepetition Collateral, arising from the sale or other disposition of Prepetition Collateral, or proceeds of other Prepetition Collateral, or cash, rents, income, offspring, products, proceeds or profits generated from the Prepetition Collateral, constitutes “cash collateral” of the Prepetition Secured Parties within the meaning of section 363(a) of the Bankruptcy Code (the “*Cash Collateral*”); provided that “Cash Collateral” shall not include any cash constituting Letter of Credit Cash Collateral; *provided, further*, that the Borrower’s reversionary interest pursuant to the terms of any cash collateral agreements with each Issuing Bank in any Letter of Credit Cash Collateral, or any proceeds therefrom, shall constitute DIP Collateral in accordance with the terms of this Interim Order.

**G. Findings Regarding Corporate Authority.**

(a) Each of the DIP Loan Parties has all requisite power and authority to execute and deliver the DIP Loan Documents to which it is a party and to perform its obligations thereunder.

**H. Findings Regarding DIP Facilities and Use of Cash Collateral.**

(a) *Good Cause.* Good and sufficient cause has been shown for the entry of this Interim Order.

(b) *Need for Postpetition Financing and Use of Cash Collateral.* The Debtors have an immediate and critical need to use Cash Collateral and to obtain postpetition financing pursuant to the DIP Facilities, in each case, on an interim basis, in order to, among other things, permit the orderly continuation and operation of their businesses, maintain business relationships with customers, vendors and suppliers, make payroll, pay the costs of administering the Chapter 11 Cases, effectuate the ABL Refinancing, and satisfy other working capital and operational needs of the Debtors, in the case of each of the foregoing, in accordance with and subject to the terms and conditions of this Interim Order and the DIP Loan Documents, including the Approved DIP Budget (subject to Permitted Variances). The Debtors' access to sufficient working capital and liquidity through the incurrence of loans and other financial accommodations under the DIP Facilities and the use of Cash Collateral is necessary and vital to, among other things, preserve and maintain the going concern values of the Debtors. The Debtors and their estates will be immediately and irreparably harmed if the financing under the DIP Facilities is not obtained pursuant to the terms of this Interim Order and, as applicable, the DIP Loan Documents, or if the Debtors are unable to use Cash Collateral. Entry of this Interim Order is necessary and appropriate to avoid such harm to the Debtors, their estates, and other parties in interest.

(c) *Prepetition ABL Secured Parties Consent to DIP Facilities.* In consideration for the protections afforded to the Prepetition ABL Secured Parties under this Interim Order, the Prepetition ABL Agent (on behalf of the other Prepetition ABL Secured Parties) has consented to (i) the ABL Refinancing, (ii) the Debtors entry into the DIP Facilities and use of Cash Collateral, and (iii) all rights and remedies of the DIP Lenders under the DIP Documents and this Interim Order.

(d) *No Credit Available on More Favorable Terms.* The Debtors are unable to obtain financing or other financial accommodations from sources other than the DIP Lenders on terms more favorable than those provided under the DIP Facilities, the DIP Loan Documents and this Interim Order. The Debtors are unable to obtain adequate unsecured credit allowable as an administrative expense under section 503(b)(1) of the Bankruptcy Code. The Debtors are also unable to obtain adequate secured credit for money borrowed under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the DIP Loan Parties granting (a) the DIP Liens on all DIP Collateral, (b) the DIP Superpriority Claims, (c) the rights, benefits and protections to the DIP Secured Parties, and (d) the Adequate Protection Liens, Adequate Protection Claims and other Adequate Protection Obligations to the Prepetition Secured Parties, in the case of each of the foregoing, upon the terms and conditions set forth in this Interim Order and in the DIP Loan Documents. After considering all available alternatives, the Debtors have properly concluded, in the exercise of their sound business judgment, that the DIP Facilities represent the best source of debtor-in-possession financing available to them at this time and is in the best interests of all of their stakeholders.

(e) *Use of Proceeds of DIP Facilities and Cash Collateral.* As a condition to providing the DIP Facilities and their consent to the use of Cash Collateral, each of the DIP Secured Parties, the Prepetition ABL Secured Parties, and the Prepetition First Lien Secured Parties (as applicable) requires, and the Debtors have agreed, that all proceeds of the DIP Loans and all Cash Collateral shall be used and/or applied solely for the purposes expressly permitted in the Approved DIP Budget (subject to Permitted Variances), including, without limitation, (i) to pay the costs of administration of the Chapter 11 Cases, (ii) for general corporate and working capital purposes, (iii) to pay adequate protection payments to the extent set forth herein, (iv) to consummate the

ABL Refinancing in accordance with the Prepetition ABL Payoff Letter and (v) to pay professional fees and expenses in accordance with this Interim Order, in the case of each of the foregoing, in accordance with and subject to the terms and conditions of this Interim Order, the Prepetition ABL Payoff Letter, and the DIP Loan Documents, including the Approved DIP Budget (subject to Permitted Variances). Notwithstanding anything to the contrary contained herein, the Debtors shall be authorized and directed to deposit all proceeds of the DIP Term Loans into a segregated account at JPMorgan Chase Bank, N.A., in account number ending 9842 (the “DIP Proceeds Account”), which DIP Proceeds Account shall hold all proceeds of the DIP Term Loans until withdrawn by the Debtors for use in accordance with the terms of this Interim Order.

(f) *Adequate Protection.* Pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code, the Prepetition Secured Parties are entitled to adequate protection of the Prepetition Secured Parties’ respective liens and interests in the Prepetition Collateral (including Cash Collateral) for the aggregate diminution in the value of their respective liens and interests in the Prepetition Collateral (including Cash Collateral) from and after the Petition Date for any reason provided for under the Bankruptcy Code including, without limitation, (i) the use, sale or lease by the Debtors of such collateral, (ii) the market value decline of such collateral, (iii) the use of Cash Collateral by each of the Debtors, (iv) the imposition of the automatic stay, (v) the subordination of the Prepetition Liens and Prepetition Secured Obligations to the Carve Out, the DIP Liens and the DIP Obligations, in each case, as set forth in this Interim Order, and (vi) any other act or omission which causes diminution in the value of their respective liens or interests in the Prepetition Collateral (collectively, the “*Diminution in Value*”), as set forth in this Interim Order and the DIP Loan Documents; provided, however, that nothing in this Interim Order shall (x) be construed as the affirmative consent by any of the Prepetition ABL Secured Parties or the

Prepetition First Lien Secured Parties for the use of Cash Collateral or other Prepetition Collateral other than on the terms expressly set forth in this Interim Order (including the Approved DIP Budget), (y) be construed as a consent by any party to the terms of any other financing or any other lien encumbering the DIP Collateral or the Prepetition Collateral (whether senior, *pari passu* or junior) other than on the terms expressly set forth in this Interim Order, or (z) prejudice, limit or otherwise impair the rights of any of the Prepetition Secured Parties (subject to the Intercreditor Agreements) to seek new, different or additional adequate protection after the date hereof or assert the interests of any of the Prepetition Secured Parties. Based on the Motion, the DIP Declarations and the other evidence filed in support of the Motion, and the record presented to the Court in connection with the Interim Hearing, the terms of the adequate protection arrangements and the use of Prepetition Collateral (including Cash Collateral) set forth herein are fair and reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the use of Prepetition Collateral (including Cash Collateral); *provided, further*, that the right to adequate protection shall immediately and automatically cease and any adequate protection granted under this Interim Order shall be deemed immediately and automatically terminated and released (i) in regard to Prepetition ABL Secured Parties, upon the repayment of the "Payoff Amount" (as defined in the Prepetition ABL Payoff Letter) in accordance with the terms of the Prepetition ABL Payoff Letter (the "***ABL Refinancing Effective Date***") (unless such repayment is subsequently required to be disgorged or otherwise avoided), and (ii) in regard to the Prepetition First Lien Secured Obligations, as and when the Prepetition First Lien Secured Obligations are indefeasibly repaid and/or deemed Paid in Full.

(g) *Consent.* The Prepetition Secured Parties have consented to the Debtors' use of Prepetition Collateral (including Cash Collateral) solely to the extent expressly permitted

under the Approved DIP Budget (subject to Permitted Variances), the DIP Loan Parties' entry into the DIP Facilities, the incurrence of the DIP Liens, the DIP Obligations, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Claims and the other Adequate Protection Obligations, in each case, in accordance with and subject to the terms and conditions set forth in this Interim Order and the DIP Loan Documents; provided, however, the consent of the Prepetition ABL Agent to the use of Cash Collateral constituting proceeds of the ABL Priority Collateral (as defined in the Prepetition Intercreditor Agreement) shall terminate in the event that the ABL Refinancing Effective Date has not occurred on the date that is two (2) business days after the date of entry of this Interim Order.

(h) *Limitation on Charging Expenses against Collateral; Section 552(b) Waiver.* As a material inducement to the DIP Lenders' agreement to provide the DIP Facilities, and in exchange for (i) the DIP Secured Parties' agreement to subordinate their DIP Liens to the Carve Out and Permitted Prior Liens, (ii) the Prepetition Secured Parties' agreement to subordinate their Prepetition Liens and Adequate Protection Liens to the DIP Liens and the Carve Out to the extent set forth herein, and (iii) certain of the Prepetition Secured Parties' consent to the use of Prepetition Collateral (including Cash Collateral), (a) subject to entry of the Final Order granting such relief, the DIP Loan Parties have waived their right to surcharge any costs or expenses incurred in connection with the preservation, protection or enhancement of, or realization by the DIP Secured Parties, the Prepetition First Lien Secured Parties, or the Prepetition ABL Secured Parties upon, the DIP Collateral, the Prepetition ABL Collateral, or the Prepetition First Lien Collateral (as applicable), whether pursuant to section 506(c) of the Bankruptcy Code or otherwise, (b) subject to entry of the Final Order granting such relief, the DIP Secured Parties, Prepetition First Lien Secured Parties, and the Prepetition ABL Secured Parties shall not be subject to the

equitable doctrine of “marshaling” or any similar doctrine with respect to the DIP Collateral, Prepetition ABL Collateral, or the Prepetition First Lien Collateral (as applicable), and (c) subject to entry of the Final Order granting such relief, each of the Prepetition First Lien Secured Parties and the Prepetition ABL Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and in no event shall the “equities of the case” exception in section 552(b) of the Bankruptcy Code apply to the Prepetition First Lien Secured Parties. the Prepetition ABL Secured Parties, Prepetition ABL Collateral, or the Prepetition First Lien Collateral, in the case of each of the foregoing, to the extent set forth herein.

(i) *Proper Exercise of Business Judgment.* Based on the Motion, the DIP Declarations, and the record presented to the Court at the Interim Hearing, (a) the terms of the DIP Facilities, (b) the terms of adequate protection granted to the Prepetition Secured Parties hereunder, and (c) the terms on which the Debtors may continue to use Prepetition Collateral (including Cash Collateral) pursuant to this Interim Order, (i) were negotiated in good faith and at arm’s length among the Debtors, the DIP Secured Parties and the Prepetition Secured Parties, (ii) are fair, reasonable, and the best available to the Debtors under the circumstances, (iii) reflect the Debtors’ exercise of prudent business judgment consistent with their fiduciary duties, and (iv) are supported by reasonably equivalent value and fair consideration. Absent access to the DIP Facilities and the ability to continue to use Cash Collateral upon the terms set forth in this Interim Order, the DIP Loan Documents, including the Approved DIP Budget (subject to Permitted Variances), the Debtors, their estates, their creditors and other parties-in-interest will be seriously, immediately and irreparably harmed.

(j) *Good Faith.* The DIP Facilities and the terms of the DIP Loan Documents, the terms on which the Prepetition First Lien Secured Parties and the Prepetition ABL Secured

Parties have consented to the Debtors' use of Cash Collateral, and this Interim Order have been negotiated in good faith and at arm's length among the Debtors, the DIP Secured Parties, the Prepetition Secured Parties and each of their respective Representatives, and all of the Debtors' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Facilities, the DIP Loan Documents and this Interim Order, including, without limitation, all loans, advances, extensions of credit and other financial accommodations made to and guarantees issued by the Debtors pursuant to the DIP Loan Documents, shall each be deemed to have been extended by the DIP Secured Parties, the Prepetition Secured Parties (as applicable) and each of their respective affiliates, in good faith, as that term is used in section 364(e) of the Bankruptcy Code, and in express reliance upon the protections offered by sections 364(e) and/or 363(m) of the Bankruptcy Code, and each of the claims, liens and security interests, rights, remedies, benefits and protections granted to the DIP Secured Parties and the Prepetition Secured Parties (and each of their successors and assigns thereof) pursuant to this Interim Order and the DIP Loan Documents (including, without limitation, all DIP Obligations, DIP Liens, DIP Superpriority Claims, Adequate Protection Liens, Adequate Protection Claims, Adequate Protection Obligations, and adequate protection payments provided under this Interim Order), shall be entitled to the full protection of sections 364(e) and/or 363(m) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed, or modified, on appeal.

(k) *Refinancing of Prepetition ABL Obligations.* The full and immediate payoff of the Prepetition ABL Secured Obligations, and the cash collateralization of any issued and outstanding letters of credit under, and in accordance with the terms of, the Prepetition ABL Facility with the proceeds of borrowings under the ABL DIP Loan Facility in accordance with this Interim Order (but subject to the provisions of paragraph 24 of this Interim Order) and the

Prepetition ABL Payoff Letter are necessary as the Prepetition ABL Secured Parties have not otherwise consented to the extension of credit to fund the Debtors' critical working capital needs in the form of the ABL DIP Loan Facility. Moreover, as set forth in the DIP Declarations, in light of the aggregate net availability to the Debtors under the ABL DIP Loan Facility for the period of the duration of the Approved Budget, the availability of the ABL DIP Loan Facility confers a material benefit to the Debtors.

(l) *Initial Budget.* The Debtors have prepared and delivered to the DIP Secured Parties the initial itemized cash flow forecast set forth on **Exhibit 4** attached hereto (the “*Initial Budget*”), reflecting, on a line item, cumulative and aggregate basis, (i) the Debtors' projected cash receipts expected to be collected, and necessary disbursements and expenditures (including debt service costs) expected to be incurred or made, by the Debtors, in each case, for each calendar week during the period from the calendar week ending on the Saturday of the calendar week in which the Petition Date occurs through and including the end of the sixth (6<sup>th</sup>) calendar week thereafter, (ii) the sum of weekly unused availability under the DIP Facilities, plus unrestricted cash on hand, (iii) the weekly outstanding principal balance of amounts outstanding under the DIP Facilities, and (iv) a professional fee accrual budget with respect to the anticipated professional fees and expenses to be incurred by each applicable professional advisor during such period. The Initial Budget is an integral part of this Interim Order, and the DIP Secured Parties and the Prepetition Secured Parties (as applicable) are relying, in part, upon the Debtors' agreement to comply (subject to Permitted Variances) with the Approved DIP Budget, in determining to enter into the DIP Facilities and to allow the Debtors' use of proceeds of the DIP Facilities and Cash Collateral in accordance with the terms of this Interim Order and the DIP Loan Documents.

Notwithstanding anything to the contrary herein, nothing shall prohibit the Debtors from paying the fees and expenses of the Prepetition ABL Agent in accordance with the ABL Payoff Letter.

(m) *Notice.* Notice of the Motion and the Interim Hearing constitutes due, sufficient and appropriate notice and complies with section 102(1) of the Bankruptcy Code, Bankruptcy Rules 2002, 4001(b) and (c), and 9014, and the Bankruptcy Local Rules, and no other or further notice of the Motion with respect to the relief requested at the Interim Hearing or the entry of this Interim Order shall be required.

(n) *Immediate Entry.* The Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2), 4001(c)(2), and 6003 and the Bankruptcy Local Rules. Unless the relief set forth in this Interim Order is granted, the Debtors' estates will be immediately and irreparably harmed. Consummation of the DIP Facilities and the use of Prepetition Collateral (including Cash Collateral) upon the terms set forth in this Interim Order and the DIP Loan Documents are in the best interests of the Debtors' estates and consistent with the Debtors' exercise of their fiduciary duties. Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(b)(2) and (c)(2) and the Bankruptcy Local Rules. The Motion and this Interim Order comply with the requirements of Bankruptcy Local Rule 4001-1(b).

**NOW THEREFORE**, based upon the foregoing findings and conclusions, the Motion, the DIP Declarations, the evidence adduced at the Interim Hearing and the record before the Court, and after due consideration, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. *Motion Granted.* The Motion is hereby granted, on an interim basis, upon the terms and conditions set forth in this Interim Order and the DIP Loan Documents. Any objections or

other statements with respect to any of the relief set forth in this Interim Order that have not been withdrawn, waived, or settled, and all reservations of rights inconsistent with this Interim Order, are hereby denied and overruled. This Interim Order shall become effective and enforceable immediately upon its entry.

2. *Authorization of DIP Facilities and DIP Loan Documents.*

(a) *Authorization of DIP Loan Documents.* The DIP Facilities are hereby approved on an interim basis. The DIP Loan Parties are hereby authorized to (i) execute, deliver and perform all of their obligations under the DIP Loan Documents and this Interim Order; and (ii) execute, deliver and perform under any and all other instruments, certificates, agreements and other documents (including, without limitation, the execution and/or recordation of collateral, pledge and security documents, mortgages and deeds of trust (if applicable) and financing statements), and perform all such other and further acts that, may be necessary, required or desirable for the Debtors to perform their obligations under the DIP Facilities, the DIP Loan Documents and this Interim Order and to implement the transactions contemplated thereunder and hereunder.

(b) *Authorization to Borrow; Use of Cash Collateral.* The Borrowers are hereby authorized to borrow, and the Guarantors are hereby authorized to guarantee, on a joint and several basis, (x) up to the principal amount of \$115,000,000, of which \$20,000,000 in First Out DIP Term Loans shall be available on the Effective Date (plus applicable interest, premiums (including, without limitation, the Backstop Premium and the Commitment Premium), fees (including professional fees and expenses), costs, expenses, charges and other amounts payable hereunder and under the DIP Term Loan Documents), subject to the terms and conditions (including any availability limitations and conditions precedent to such DIP Term Borrowing) set

forth in the DIP Term Loan Documents and this Interim Order, and (y) up to the principal amount of \$140 million (plus applicable interest, premiums, fees (including professional fees and expenses), costs, expenses, charges and other amounts payable hereunder and under the ABL DIP Loan Documents), subject to the terms and conditions (including any borrowing base and availability limitations and conditions precedent to such ABL DIP Borrowing) set forth in the ABL DIP Loan Documents and this Interim Order. closing of a sale of any of the DIP Collateral, to immediately pay all proceeds of any such sale to the applicable DIP Agent, for the benefit of itself and the applicable DIP Secured Parties, to satisfy the DIP Obligations in accordance with this Interim Order and the DIP Loan Documents, in each case, subject to the DIP Intercreditor Agreement, until the DIP Obligations are Paid in Full,<sup>7</sup> and any order approving the sale of such DIP Collateral shall provide that the sale is conditioned upon such payment of DIP Obligations (except to the extent otherwise agreed in writing by the applicable DIP Agent).

each Professional Fees Variance Report, be tested together on a cumulative basis and not on a cumulative basis with all other disbursements under the Disbursements Variance.

10. *Adequate Protection.* The Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e) and 507 of the Bankruptcy Code, to adequate protection of their respective Prepetition Liens in Prepetition Collateral (including Cash Collateral), as follows (the liens, security interests, payments and other obligations set forth in this paragraph 10, are collectively referred to herein as the “***Adequate Protection Obligations***”):

(a) *Adequate Protection for Prepetition ABL Secured Parties.* Prior to and until the ABL Refinancing Effective Date, the Prepetition ABL Secured Parties are hereby granted the following adequate protection of their Prepetition ABL Liens in the Prepetition ABL Collateral (including Cash Collateral):

Notwithstanding the foregoing, if the ABL Refinancing is reversed, disgorged, or does not occur, the ABL Fees and Expenses shall not be limited by the ABL Payoff Letter.

(iv) *Interest.* From and after entry of this Interim Order, until the repayment in full of the Prepetition ABL Obligations pursuant to the ABL Refinancing or otherwise, the Prepetition ABL Agent, on behalf of itself and the Prepetition ABL Lenders, shall receive current cash payment during the Chapter 11 Cases of all accrued interest on the Prepetition ABL Obligations under the Prepetition ABL Credit Agreement as such interest becomes due and payable and as set forth in the following sentence, at the applicable contractual non-default rate thereunder and in the amounts specified in the Prepetition ABL Credit Agreement. Interest shall be payable on the first business day of every calendar month.

(v) *Reporting.* Until the repayment in full of the Prepetition ABL Obligations pursuant to the ABL Refinancing or otherwise, the Debtors shall provide the Prepetition ABL Agent and its advisors with all reports, documents and other information required to be delivered to the DIP Secured Parties and the Prepetition ABL Secured Parties under the DIP Loan Documents and the Prepetition ABL Loan Documents, respectively, and this Interim Order contemporaneously with the delivery of such information to the DIP Secured Parties to the Prepetition ABL Secured Parties, as applicable.

(i) *First Lien Adequate Protection Claims.* The Prepetition First Lien Agent, for the benefit of itself and the Prepetition First Lien Lenders, is hereby granted, to the extent and in the amount of any Diminution in Value of the Prepetition First Lien Liens in the Prepetition First Lien Collateral (including Cash Collateral), superpriority administrative expense claims contemplated by section 507(b) of the Bankruptcy Code against each of the DIP Loan Parties in each of their respective Chapter 11 Cases and any Successor Cases (the “***First Lien Adequate Protection Claims***”), which shall be payable by each of the DIP Loan Parties, on a joint and several basis, and shall have recourse to all DIP Collateral. The First Lien Adequate Protection Claims shall be (a) subject and subordinate to the Carve Out and the DIP Superpriority Claims, (b) subject to the DIP Intercreditor Agreement and the relative priorities set forth in **Exhibit 5** attached hereto, and (c) senior to any and all other administrative expense claims and all other claims against the DIP Loan Parties and their estates, now existing or hereafter arising, of any kind or nature.

(ii) *First Lien Adequate Protection Liens.* The Prepetition First Lien Agent, for the benefit of itself and the Prepetition First Lien Lenders, is hereby granted, effective and automatically perfected as of the Petition Date, and without the necessity of the execution, recordation or filing of any pledge, collateral or security documents, mortgages, deeds of trust, financing statements, notations of certificates of title for titled goods, or any other document or instrument, or the taking of any other action (including, without limitation, entering into any lockbox or deposit account control agreement or other action to take possession or control of any DIP Collateral), to the extent and in the amount of any Diminution in Value of the Prepetition First Lien Liens in the Prepetition First Lien Collateral, valid, binding, enforceable and perfected post-petition liens on and security interests in all DIP Collateral (the “***First Lien Adequate Protection Liens***”, and together with the ABL Adequate Protection Liens, the “***Adequate Protection Liens***”). The First Lien Adequate Protection Liens shall be (a) subject to the Carve Out, the DIP Liens, and Permitted Prior Liens, and with respect to ABL Priority Collateral, the ABL DIP Liens, ABL Adequate Protection Liens and the Prepetition ABL Liens, (b) subject to the relative priorities set forth in **Exhibit 5** attached hereto, and (c) senior to any and all other liens and security interests in the DIP Collateral.

(c) *Additional Adequate Protection for Prepetition First Lien Secured Parties.*

As additional adequate protection of the Prepetition First Lien Liens in the Prepetition First Lien Collateral (including Cash Collateral), the Debtors are hereby authorized to provide, and the Prepetition First Lien Secured Parties are hereby granted, additional adequate protection in the form of the following:

(i) *Fees and Expenses.* The Debtors are authorized and directed to pay, without the necessity of filing formal fee applications or compliance with the U.S. Trustee’s fee guidelines, whether arising prior to or after the Petition Date, (A) the reasonable and documented out-of-pocket fees, costs and expenses of the Prepetition First

Lien Agent, including, without limitation, the reasonable and documented fees and expenses of (x) Simpson Thacher & Bartlett LLP, as counsel to the Prepetition First Lien Agent, and (y) a single firm as local counsel to the Prepetition First Lien Agent which shall be the same local counsel retained by the Prepetition ABL Agent (collectively, the “**First Lien Agent Fees and Expenses**”), and (B) the reasonable and documented out-of-pocket fees and expenses of the members of the Ad Hoc Lender Group, including, without limitation, the fees and expenses of the Lender Advisors (collectively, the “**Ad Hoc Lender Group Fees and Expenses**”, and together with the First Lien Agent Fees and Expenses, the “**First Lien Fees and Expenses**”), in each case, as follows: (1) promptly following the entry of this Interim Order, the Debtors shall pay in full in cash all First Lien Fees and Expenses arising on or prior to the Petition Date, (2) upon the Effective Date, the Debtors shall pay in full in cash all First Lien Fees and Expenses arising through the Effective Date, and (3) thereafter, subject in the case of professional fees to the procedures set forth in paragraph 11 of this Interim Order, the Debtors shall pay in full in cash all First Lien Fees and Expenses that arise following the Effective Date.

(ii) *Reporting.* The Debtors shall provide the Prepetition First Lien Agent and the Lender Advisors with all reports, documents and other information required to be delivered to the DIP Secured Parties and the Prepetition ABL Secured Parties under the DIP Loan Documents and the Prepetition ABL Loan Documents, respectively, and this Interim Order contemporaneously with the delivery of such information to the DIP Secured Parties to the Prepetition ABL Secured Parties, as applicable.

11. *Adequate Protection Fees and Expenses.* The invoices with respect to the professional fees and expenses payable under paragraphs 2(f), 10(b)(ii)(3) and 10(d)(ii)(3) of this Interim Order shall not be required to comply with the U.S. Trustee guidelines, nor shall the applicable professionals be required to file fee applications with the Court with respect to any fees or expenses payable hereunder, and all invoices therefor may be in summary form only (and shall not be required to contain individual time entries, and may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine), and shall, by email, be provided to counsel to lead restructuring counsel for the Debtors, counsel to any Official Committee, and the U.S. Trustee (the “**Fee Notice Parties**”); provided, however, if no objection to payment of the requested fees

and expenses is made in writing by any of the Fee Notice Parties within 10 calendar days after delivery of such invoices (the “***Fee Objection Period***”), then, upon the expiration of the Fee Objection Period, without further order of, or application to, the Court or notice to any other party, such fees and expenses shall be promptly paid by the Debtors and, in any event, no later than three (3) Business Days after expiration of the Fee Objection Period; provided, further, however, if an objection is made by any of the Fee Notice Parties within the Fee Objection Period to payment of the requested fees and expenses, the undisputed portion shall promptly be paid by the Debtors, and in any event, no later than three (3) Business Days after expiration of the Fee Objection Period, and the disputed portion shall only be paid upon resolution of such objection by the applicable parties or by order of the Court. Any hearing on an objection to the payment of any fees, costs or expenses set forth in a professional fee invoice shall be limited to reasonableness of the fees, costs and expenses that are the subject of such objection. Subject to this paragraph 11, none of the adequate protection payments required to be made pursuant to this Interim Order shall be subject to claim, counterclaim, challenge, setoff, subordination, recharacterization, defense, avoidance or disgorgement in the Chapter 11 Cases or any Successor Cases.

12. *Adequate Protection Reservation of Rights of Prepetition Secured Parties.* Notwithstanding any other provision hereof, the grant of adequate protection to the Prepetition Secured Parties pursuant to this Interim Order shall not be deemed an admission that the interests of such Prepetition Secured Parties are indeed adequately protected, and is without prejudice to the right of the Prepetition Secured Parties (subject to the Prepetition Intercreditor Agreement) to seek additional relief with respect to the use of Prepetition Collateral (including Cash Collateral), or to seek modification of the grant of adequate protection provided hereby so as to provide different or additional adequate protection, and without prejudice to the right of the Debtors or any

other party in interest to contest any such modification. Nothing herein shall be deemed to waive, modify or otherwise impair the respective rights of the Prepetition Secured Parties under the Prepetition Loan Documents, the Prepetition Intercreditor Agreement, or under applicable law, and the Prepetition Secured Parties expressly reserve all of their respective rights and remedies whether now existing or hereafter arising under the Prepetition Loan Documents and applicable law. Without limiting the foregoing, nothing contained in this Interim Order shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided hereunder is insufficient to compensate the Prepetition Secured Parties for any Diminution in Value during the Chapter 11 Cases.

13. *Reservation of Rights.* Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly: (a) the rights of the DIP Secured Parties or the Prepetition Secured Parties (subject to the Prepetition Intercreditor Agreement and this Interim Order) to seek any other or supplemental relief in respect of the Debtors; (b) subject to the Prepetition Intercreditor Agreement, the rights of the DIP Secured Parties or the Prepetition Secured Parties under the DIP Loan Documents or the Prepetition Loan Documents (including the Prepetition Intercreditor Agreement), the Bankruptcy Code or applicable non-bankruptcy law, including, without limitation, the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code; (ii) request dismissal of any of the Chapter 11 Cases, conversion of any or all of the Chapter 11 Cases to a case under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers; or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a chapter 11 plan or plans; or (c) any other rights, claims, or privileges (whether legal, equitable or otherwise) of the DIP Secured Parties or the Prepetition Secured Parties (in each case, subject to the Prepetition

Intercreditor Agreement). Notwithstanding anything contained herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the Debtors' or any party in interest's right to oppose (on an emergency basis if need be) any of the relief requested in accordance with the immediately preceding sentence, except as expressly set forth in this Interim Order and subject to the Prepetition Intercreditor Agreement.

14. *Amendments.* Without the need for further notice to or approval of this Court, the Debtors are authorized to execute, deliver and perform under, one or more amendments, waivers, consents, or other modifications (including, for the avoidance of doubt, the payment of any amendment fee, consent fee, waiver fee or similar fee paid or payable in connection therewith) to and under the DIP Loan Documents, in each case, in accordance with the provisions of the applicable DIP Credit Agreement governing amendments thereto (and otherwise in form and substance acceptable to the Required DIP Lenders); provided, however, that any amendment that (a) shortens the maturity of the extensions of credit thereunder; (b) increases the aggregate commitments thereunder; or (c) increases the rate of interest or any fee (other than any amendment fee, consent fee, waiver fee or similar fee paid or payable in connection with such amendment) payable thereunder (each, a “**Material DIP Amendment**”) shall be provided (which may be by electronic mail) to counsel for any Official Committee, the U.S. Trustee and to any other party that has filed a request for notice in the Chapter 11 Cases and filed with the Court no later than three (3) Business Days prior to the anticipated date of effectiveness of any such Material DIP Amendment (or such shorter period if authorized by the Court following the filing of a motion to shorten notice), and if no formal objection to the Material DIP Amendment is made by the U.S. Trustee, any Official Committee, or any other party-in-interest within such five (5) Business Day period, then, without further notice or order of the Court, such Material DIP Amendment shall

automatically be deemed approved and effective; provided, however, if a formal objection is made by the U.S. Trustee, any Official Committee, or any party-in-interest within such five (5) Business Day period, then such Material DIP Amendment shall be subject to approval of the Court.

15. *Modification of Automatic Stay.* The automatic stay imposed by section 362(a) of the Bankruptcy Code is hereby vacated and modified, without further notice to or order of this Court, to permit (in each case, subject to the Prepetition Intercreditor Agreement to the extent applicable): (a) the DIP Loan Parties to grant the DIP Liens and the DIP Superpriority Claims, and to perform such acts as the DIP Secured Parties may request to assure the perfection and priority of the DIP Liens; (b) the DIP Loan Parties to incur all liabilities and obligations, including all of the DIP Obligations, to the DIP Secured Parties as contemplated under this Interim Order and the DIP Loan Documents; (c) the DIP Loan Parties to grant the Adequate Protection Liens and the Adequate Protection Claims, and to perform such acts as the Prepetition Agents may request to assure the perfection and priority of the Adequate Protection Liens; (d) the DIP Loan Parties to incur all liabilities and obligations, including all Adequate Protection Obligations, to the Prepetition Secured Parties as contemplated under this Interim Order and the Prepetition Loan Documents; (e) the DIP Loan Parties to pay all amounts required hereunder and under the DIP Loan Documents; (f) the DIP Secured Parties and the Prepetition Secured Parties to retain and apply payments made in accordance with the terms of this Interim Order, the Prepetition Intercreditor Agreement, the Prepetition ABL Loan Documents, and the DIP Loan Documents; (g) subject to paragraph 21, the DIP Secured Parties and the Prepetition Secured Parties to exercise, upon the occurrence and during the continuance of any DIP Termination Event (as defined below), all rights and remedies provided for in this Interim Order, the DIP Loan Documents or applicable law; (h) to perform under this Interim Order and the DIP Loan

Documents, and to take any and all other actions that may be required, necessary, or desirable for the performance by the Debtors under this Interim Order and the DIP Loan Documents and the implementation of the transactions contemplated hereunder and thereunder; and (i) the implementation of all of the terms, rights, benefits, privileges, remedies, and provisions of this Interim Order and the DIP Loan Documents.

16. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) This Interim Order shall be sufficient and conclusive evidence of the attachment, validity, perfection, and priority of all liens and security interests granted hereunder and under the DIP Loan Documents, including, without limitation, the DIP Liens and the Adequate Protection Liens, without the necessity of the execution, recordation or filing of any pledge, collateral or security agreements, mortgages, deeds of trust, lockbox or control agreements, financing statements, notations of certificates of title for titled goods, or any other document or instrument, or the taking of any other action (including, without limitation, entering into any deposit account control agreement or other act to take possession or control of any DIP Collateral), to attach, validate, perfect or prioritize such liens and security interests, or to entitle the DIP Secured Parties and the Prepetition Secured Parties to the priorities granted herein (each, a “***Perfection Act***”) (other than, to the extent applicable, any such filings required under applicable non-U.S. law to attach, validate, perfect or prioritize such liens).

(b) Without in any way limiting the automatically effective perfection of the liens granted hereunder and the DIP Loan Documents (including, without limitation, the DIP Liens and the Adequate Protection Liens), the DIP Agents, at the direction of the applicable Required DIP Lenders, and the Prepetition Agents (acting at the direction of the requisite Prepetition Secured Parties under the applicable Prepetition Loan Documents, as applicable), respectively, are hereby

authorized, but not required, in the case of the DIP Agents, at the direction of the applicable Required DIP Lenders, and in the case of the Prepetition Agents, (acting at the direction of the requisite Prepetition Secured Parties under the applicable Prepetition Loan Documents, as applicable) as they may determine for any reason, to execute, file and record (and to execute in the name of the DIP Loan Parties, as their true and lawful attorneys, with full power of submission, to the maximum extent permitted under applicable law) or otherwise effectuate any Perfection Act or to take any other action in order to attach, validate, perfect, preserve and enforce the liens and security interests granted to them hereunder or under the DIP Loan Documents to otherwise evidence such liens and security interests in all DIP Collateral; provided, however, that, whether or not the DIP Agents, at the direction of the Required DIP Lenders, or the Prepetition Agents determine (acting at the direction of the requisite Prepetition Secured Parties under the applicable Prepetition Loan Documents, as applicable), to execute, file, record or otherwise effectuate any Perfection Act with respect to any liens or security interests granted hereunder, such liens and security interests shall nonetheless be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to objection, challenge, dispute, avoidance, recharacterization or subordination as of the entry of this Interim Order. Upon the request of the applicable DIP Agent, at the direction of the applicable Required DIP Lenders, without any further consent of any party, the applicable DIP Agent and the Debtors are authorized and directed to take, execute, deliver and file such instruments (in each case, without representation or warranty of any kind) to enable the applicable DIP Agent, each for the benefit of itself and the applicable DIP Lenders, to further validate, perfect, preserve and enforce the applicable DIP Liens. All such documents will be deemed to have been recorded and filed as of the entry of this Interim Order.

(c) A certified copy of this Interim Order may, as to the applicable DIP Agent, at the direction of the Required DIP Lenders, or as to the Prepetition Agents (acting at the direction of the requisite Prepetition Secured Parties under the applicable Prepetition Loan Documents, as applicable), be (but need not be) filed with or recorded in filing or recording offices in addition to or in lieu of any security documents, and all filing offices are hereby authorized and directed to accept such certified copy of this Interim Order for filing and/or recording, as applicable. The automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to permit the DIP Agents, at the direction of the Required DIP Lenders, or the Prepetition Agents to take all actions, as applicable, referenced in this paragraph.

17. *Protection of DIP Lenders' Rights.*

(a) Until the DIP Obligations are Paid in Full, the Prepetition Secured Parties, subject to the terms of the Intercreditor Agreements and the terms hereof, shall: (i) have no right to and shall take no action to foreclose upon, or recover in connection with, the liens or security interests granted to the Prepetition Secured Parties pursuant to the Prepetition Loan Documents or this Interim Order or otherwise seek to exercise or enforce any rights or remedies against any DIP Collateral, Prepetition Collateral or Prepetition Loan Party (as applicable), including, without limitation, any exercise of setoff or recoupment; (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens or claims on, such DIP Collateral or and the proceeds thereof, to the extent such transfer, disposition, sale, or release is authorized hereunder or under the applicable DIP Loan Documents; (iii) not file any further financing statements, patent filings, trademark filings, copyright filings, mortgages, notices of lien, or similar instruments, or otherwise take any action to perfect their security interests in the DIP Collateral unless, solely as to this clause (iii), any of the applicable DIP Secured Parties have filed financing statements or other

documents in respect of the liens granted pursuant to this Interim Order or as may be required by applicable state law to continue the perfection of valid and unavoidable liens or securities interests as of the Petition Date; and (iv) deliver or cause to be delivered, at the Debtors' cost and expense (for which the Prepetition Agents shall be reimbursed upon submission to the Debtors of invoices or billing statements), any termination statements, releases and/or assignments in favor of the DIP Agents and the DIP Secured Parties or other documents necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of DIP Collateral subject to any sale or disposition authorized hereunder or under the DIP Loan Documents and as contemplated under the Prepetition ABL Payoff Letter in connection with the ABL Refinancing. No Prepetition Secured Party may, directly or indirectly, (A) contest, or support any other Person in contesting, in any proceeding, the extent, validity, attachment, priority, or enforceability of any DIP Lien held by or on behalf of any of the DIP Secured Parties in the DIP Collateral (or the extent, validity, allowability, or enforceability of any DIP Obligations secured thereby or purported to be secured thereby) or the provisions of the DIP Loan Documents or this Interim Order, (B) take any action that would restrain, hinder, limit, delay or otherwise interfere with the exercise of any rights or remedies by any of the DIP Secured Parties, or (C) contest, object to or support any other Person in contesting or objecting to the manner in which any DIP Secured Party seeks to enforce or collect the DIP Obligations, the DIP Superpriority Claims or the DIP Liens or any amendment, waiver or modification of any DIP Loan Document (including **Exhibit 5** attached hereto).

(b) Except with respect to Prepetition ABL Secured Parties and the Prepetition Intercreditor Agreement solely as provided herein, to the extent any Prepetition Secured Party has been noted as a secured party on any security document or otherwise has possession of or control with respect to any Prepetition Collateral, then such Prepetition Secured Party shall be deemed to

maintain such possession or notation or exercise such control as a gratuitous bailee and/or gratuitous agent for perfection for the benefit of the DIP Agents, each for the benefit of itself and the other DIP Secured Parties, and the DIP Lenders, and such Prepetition Secured Party shall comply with the instructions of the DIP Agents, at the direction of the ABL DIP Required Lenders or the Term DIP Required Lenders, as applicable, with respect to the exercise of such possession or control, subject to the priorities set forth on Exhibit 5.

(c) In the event that any person or entity that holds a lien on or security interest in DIP Collateral that is junior or otherwise subordinate to the DIP Liens receives any DIP Collateral or proceeds of DIP Collateral, or receives any payment on account of such lien or security interest in the DIP Collateral (whether in connection with the exercise of any right or remedy (including setoff), payment or distribution from the Debtors, mistake, or otherwise), prior to the Payment in Full of all DIP Obligations, such person or entity shall be deemed to have received, and shall hold, any such payment or proceeds of DIP Collateral in trust for the benefit of the DIP Secured Parties, and shall immediately turn over all such proceeds to the applicable DIP Agent, for the benefit of itself and the applicable DIP Secured Parties, in the same form as received, with any necessary endorsements, for application in accordance with the DIP Loan Documents, this Interim Order, and the DIP Intercreditor Agreement. The applicable DIP Agent, at the direction of the applicable Required DIP Lenders, are hereby authorized to make any such endorsement as agent for each of the Prepetition Agents or any Prepetition Secured Party. This authorization is coupled with an interest and is irrevocable.

(d) Except as expressly provided herein or in the DIP Loan Documents, no claim or lien having a priority senior to or *pari passu* with those granted to any of the DIP Secured Parties or Prepetition Secured Parties by this Interim Order shall be granted or permitted while any

of the DIP Obligations, Adequate Protection Obligations or the Prepetition Secured Obligations, respectively, remain outstanding. Except as expressly provided in this Interim Order or the DIP Loan Documents, each of the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens and the Adequate Protection Claims: (A) shall not be made junior or subordinated to or *pari passu* with (i) any lien, security interest or claim heretofore or hereinafter granted in any of the Chapter 11 Cases or any Successor Cases, whether under section 364(d) of the Bankruptcy Code or otherwise, (ii) any lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or otherwise, (iii) any lien arising after the Petition Date including, without limitation, any lien or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the Debtors, or (iv) any intercompany or affiliate lien or claim; and (B) shall not be subject to sections 506(c) (subject to entry of the Final Order granting such relief), 510, 549, 550 or 551 of the Bankruptcy Code.

18. *Maintenance of DIP Collateral.* Until such time as all DIP Obligations are Paid in Full (or as otherwise agreed in writing by the Required DIP Lenders, as applicable, in respect of the applicable obligations owed to them), the Debtors shall continue to maintain all property, operational, and other insurance as required and as specified in the DIP Loan Documents and, prior to the ABL Refinancing Effective Date, the Prepetition ABL Loan Documents and the DIP Loan Documents. Upon the entry of this Interim Order, the ABL DIP Agent and the DIP Term Agents, each for the benefit of itself and the applicable DIP Secured Parties, shall automatically be deemed to be named as additional insured and lender loss payee under each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral (including all property damage and business interruption insurance policies of the Debtors, whether expired, currently in place, or to

be put in place in the future), and shall act in that capacity and distribute any proceeds recovered or received in respect of any such insurance policies, *first*, to the Payment in Full of all DIP Obligations (subject to the DIP Intercreditor Agreement and paragraph 37 hereof), and, *second*, to the payment of the Prepetition Secured Obligations (subject to the Prepetition Intercreditor Agreements). Notwithstanding the foregoing, (i) prior to the ABL Refinancing Effective Date, insurance proceeds constituting ABL Priority Collateral shall be segregated by the Debtors and held in reserve until such time as the earlier of: (x) the ABL Refinancing Effective Date, or (y) the Prepetition ABL Agent, the Debtors and the Term DIP Required Lenders otherwise agree in writing, and (ii) the Debtors and/or the Prepetition Agents shall take any actions reasonably requested by any DIP Agent to have the ABL DIP Agent and the DIP Term Agents, each on behalf of itself and the applicable DIP Secured Parties, added as an additional insured and lenders loss payee on each such insurance policy.

19. *Cash Management.* Until such time as all DIP Obligations and Prepetition Secured Obligations are Paid in Full, the Debtors shall maintain the cash management system in effect as of the Petition Date, as modified by this Interim Order and any order of the Court authorizing the continued use of the cash management system that is reasonably acceptable to the Required DIP Lenders and the DIP Agents. The Debtors shall not open any new deposit or securities account that is not subject to the liens and security interests of each of the DIP Secured Parties, the Prepetition First Lien Secured Parties, and prior to the ABL Refinancing, the Prepetition ABL Secured Parties (in which case they shall be subject to the lien priorities and other provisions set forth in this Interim Order).

20. *Reporting; Access to Records.* The Debtors shall provide the DIP Lenders and Lender Advisors with all reporting, management calls, access to books and records and other

information reasonably required to be provided to any of the DIP Secured Parties under the DIP Loan Documents. Without limiting the requirements contained herein or in the DIP Loan Documents, the Debtors shall (a) provide the DIP Agents (and their advisors), the Required DIP Lenders, the Ad Hoc Lender Group and any Official Committee (and each of their respective advisors) with (i) all reports, documents, and information required to be delivered under the DIP Loan Documents (contemporaneously when the same is required to be delivered thereunder), and (ii) reasonable access, upon reasonable notice and during regular business hours, to the Debtors' books and records, assets and properties, for purposes of monitoring the Debtors' businesses and operations and the value of the DIP Collateral, and (b) provide information reasonably requested by, and reasonably cooperate and consult with the DIP Agents (with any information request to be made at the direction of the Required DIP Lenders), Required DIP Lenders, the Ad Hoc Lender Group and any Official Committee (and their respective advisors) concerning the Debtors' businesses, financial condition, properties, business operations and assets.

21. *DIP Termination Events; Exercise of Remedies.*

(a) *DIP Termination Events.* The occurrence of any of the following shall constitute a "DIP Termination Event" under this Interim Order (each a "***DIP Termination Event***", and the date upon which such DIP Termination Event occurs, the "***DIP Termination Date***"), unless waived in writing by the ABL DIP Required Lenders and/or the Term DIP Required Lenders, as applicable: (i) the occurrence of an "Event of Default" under, and as defined in, the ABL DIP Credit Agreement or the DIP Term Credit Agreement, unless waived in writing by the ABL DIP Required Lenders and/or the Term DIP Required Lenders, as applicable, (ii) the occurrence of the "Maturity Date" (under, and as defined in, the ABL DIP Credit Agreement or the DIP Term Credit Agreement), (iii) March 31, 2025, (iv) the effective date of a chapter 11 plan

of any of the Debtors, (v) any of the Debtors seeks authorization from the Court for (or the Court enters an order authorizing or approving) any amendment, modification, extension of this Interim Order or the DIP Loan Documents without the prior written consent of the Required DIP Lenders (and no such consent shall be implied by any other action, inaction, or acquiescence of any of the DIP Secured Parties), (vi) the failure of the Debtors to make any payment required under this Interim Order or the DIP Loan Documents to any of the DIP Secured Parties or the Prepetition First Lien Secured Parties as and when due and payable hereunder or thereunder; or (vii) the failure by any of the Debtors to timely perform or comply with any of the other terms, provisions, conditions or other obligations under this Interim Order.

(b) *Remedies Upon DIP Termination Event.* Upon the occurrence and during the continuation of a DIP Termination Event that has not been waived by ABL DIP Required Lenders and/or the Term DIP Required Lenders, as applicable, and following delivery by either or both of the DIP Agents (in each case at the direction of the ABL DIP Required Lenders and/or the Term DIP Required Lenders, as applicable) of written notice (a “**Remedies Notice**”)<sup>8</sup> (including by e-mail), on not less than five (5) business days’ notice (such five (5) business day period, the “**Remedies Notice Period**”) to (w) if either but not both of the DIP Agents should deliver the Remedies Notice, the other DIP Agent, (x) lead restructuring counsel for the Debtors, (y) counsel for any Official Committee, and (z) the U.S. Trustee, (the “**Remedies Notice Parties**”), the automatic stay provisions of Section 362 of the Bankruptcy Code shall be vacated and modified, without further notice to, hearing of, or order from this Court, to the extent necessary to permit the ABL DIP Agent, acting at the request of the ABL DIP Required Lenders and the DIP Term Agents,

---

<sup>8</sup> For the avoidance of doubt, the Remedies Notice, or any other notice contemplated under this paragraph may be included in the Carve Out Trigger Notice (as defined below).

acting at the request of the Term DIP Required Lenders, subject to the Intercreditor Agreements (if applicable), to (i) deliver to the applicable Borrower a notice declaring the occurrence of a DIP Termination Event, (ii) declare the termination, reduction or restriction of the commitments under the applicable DIP Facility (to the extent any such commitment remains), (iii) declare the Term DIP Obligations or the ABL DIP Obligations, as applicable, then outstanding to be due and payable, (iv) declare the termination of the applicable DIP Facility and the applicable DIP Loan Documents as to any further liability or obligation thereunder, but without affecting the DIP Liens or the DIP Obligations, (v) declare the reduction or restriction on the applicable DIP Facility or the applicable DIP Loan Documents, (vi) declare the termination, restriction or revocation of the ability of the Debtors to use Cash Collateral, and (vii) charge interest at the default rate under the DIP Facilities. As soon as reasonably practicable following receipt of a Remedies Notice, the Debtors shall file a copy of same on the docket. Prior to the expiration of the Remedies Notice Period, the Debtors and/or any Official Committee shall be entitled to request an emergency hearing (solely to the extent such hearing is requested on an expedited basis) with the Court. If a request for such hearing is made prior to the end of the Remedies Notice Period, then the Remedies Notice Period shall be continued until the Court hears and rules with respect thereto. During the Remedies Notice Period, the Debtors are permitted to use Cash Collateral solely to fund expenses critically necessary to preserve the value of the Debtors' businesses, and the Carve Out Reserves.

(c) During the continuation of an Event of Default and following the delivery of the Remedies Notice, but prior to exercising the remedies set forth in this sentence below or any other remedies (other than those set forth in paragraph 21(b)), the ABL DIP Agent and the Term DIP Agent, as applicable, shall be required to file a motion with the Court seeking emergency relief (the “***Stay Relief Motion***”) on not less than five (5) business days' notice to the Remedies

Notice Parties (which may run concurrently with the Remedies Notice Period) for a further order of the Court modifying the automatic stay in the Chapter 11 Cases to permit the ABL DIP Agent and the Term DIP Agent, as applicable, to, subject to the Carve Out and related provisions and the Intercreditor Agreements (if applicable): (i) freeze all monies or balances in any deposit accounts of the Debtors, (ii) immediately exercise any and all rights of set-off, (iii) exercise any right or remedy against the DIP Collateral, including, without limitation, the disposition of DIP Collateral for application towards the DIP Obligations (in accordance with the DIP Loan Documents), or (iv) take any other action or exercise any other right or remedy permitted under the DIP Loan Documents, this Interim Order, or applicable law; *provided* that the Debtors' rights to contest any such relief are reserved.

(d) Subject to funding the Carve Out Reserve, following the expiration of the Remedies Notice Period, and following the Payment in Full of all DIP Obligations (unless the Required DIP Lenders otherwise agree in writing), unless otherwise ordered by the Court during the Remedies Notice Period, the automatic stay of section 362 of the Bankruptcy Code shall be vacated and modified to the extent necessary to permit the Prepetition First Lien Agent (acting at the direction of the requisite Prepetition First Lien Secured Parties under the Prepetition First Lien Loan Documents), to exercise all rights and remedies available under the Prepetition First Lien Loan Documents or applicable law with respect to Prepetition Collateral consistent with this Interim Order. If at any time the ABL DIP Facility is not outstanding but the Prepetition ABL Facility is outstanding, then subject to the Prepetition Intercreditor Agreement, the Prepetition ABL Agent shall control remedies with respect to the ABL Priority Collateral to the same extent set forth herein with respect to the ABL DIP Agent.

22. *No Waiver by Failure to Seek Relief.* The rights and remedies of the DIP Secured Parties and the Prepetition Secured Parties specified herein, are cumulative and not exclusive of any rights or remedies that the DIP Secured Parties or the Prepetition Secured Parties may have under the DIP Loan Documents, the Prepetition Loan Documents, applicable law or otherwise. The failure or delay on the part of any of the DIP Secured Parties or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Interim Order, the DIP Loan Documents, the Prepetition Loan Documents or applicable law, as the case may be, shall not constitute a waiver of any of their respective rights hereunder, thereunder or otherwise. No delay on the part of any party in the exercise of any right or remedy under this Interim Order, the DIP Loan Documents or the Prepetition Loan Documents shall preclude any other or further exercise of any such right or remedy or the exercise of any other right or remedy. Except as otherwise set forth in the DIP Intercreditor Agreement, none of the rights or remedies of any party under this Interim Order, the DIP Loan Documents and the Prepetition Loan Documents shall be deemed to have been amended, modified, suspended, or waived unless such amendment, modification, suspension, or waiver is express, in writing and signed by the requisite parties under the DIP Loan Documents and the requisite parties under the Prepetition Loan Documents, as applicable. No consents required hereunder by any of the DIP Secured Parties or the Prepetition Secured Parties shall be implied by any inaction or acquiescence by any of the DIP Secured Parties or the Prepetition Secured Parties (as applicable).

23. *Carve Out.*

(a) *Carve Out.* As used in this Interim Order, the term “***Carve Out***” means an amount equal to the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus

interest at the statutory rate pursuant to 31 U.S.C. § 3717 (without regard to the notice set forth in clause (iii) below), (ii) all reasonable fees and expenses up to \$50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in clause (iii) below), (iii) to the extent allowed by this Court at any time, whether by interim order, procedural order, or otherwise, all accrued and unpaid fees and expenses (in each case, including any restructuring, sale, success, or other transaction fee required to be paid to Houlihan Lokey Capital, Inc. (“*Houlihan*”), solely, when and if earned, on account of any restructuring, sale, success or other transaction fee, as applicable, under and as defined in that certain engagement letter between, *inter alia*, Houlihan and the Debtors, dated as of November 18, 2024 upon the approval by this Court in these Chapter 11 Cases) incurred by persons or firms retained by the Debtors (collectively, the “*Allowed Professional Fees*”) pursuant to section 327, 328, or 363 of the Bankruptcy Code (collectively, the “*Debtor Professionals*”) and the Official Committee (if appointed) pursuant to section 328 or 1103 of the Bankruptcy Code (the “*Committee Professionals*”, and together with the Debtor Professionals, the “*Professional Persons*”) at any time before or on the first day following the date of delivery by the applicable DIP Agent, at the direction of the ABL DIP Required Lenders or the Term DIP Required Lenders, of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice (and in the case of the Committee Professionals, if any, not to exceed the aggregate amounts set forth for the Committee Professionals in the Approved DIP Budget) (the amounts set forth in clauses (i) through (iii), the “*Pre-Carve Out Trigger Notice Cap*”), and (iv) Allowed Professional Fees of Debtor Professionals in an aggregate amount not to exceed \$750,000 incurred after the first day following the date of delivery by any DIP Agent, at the direction of applicable the Required DIP Lenders, of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim

order, procedural order, or otherwise (the amounts set forth in clause (iv), the “*Post-Carve Out Trigger Notice Cap*”); provided, however, that nothing herein shall be construed to impair the ability of any party in interest to object to the fees, expenses, reimbursement, or compensation described in clauses (i) through (iv) of this paragraph 23(a) on any grounds; provided, further, that, without duplication of any amounts payable under clause (iii), all amounts required to be paid to Houlihan on account of fees earned under the terms of Houlihan’s engagement letter after receipt of a Carve-Out Trigger Notice, shall be paid solely out of any transaction (or liquidation) proceeds. The “*Carve Out Trigger Notice*” shall mean a written notice delivered by email (or other electronic means) by any DIP Agent (at the direction of the ABL DIP Required Lenders or the Term DIP Required Lenders), in each case, to counsel to the other DIP Agent, Debtors, the U.S. Trustee and counsel to the Official Committee (if any), which notice may be delivered following the occurrence and during the continuation of a DIP Termination Event (in the case of a Carve Out Trigger Notice delivered by any DIP Agent), stating that the Post-Carve Out Trigger Notice Cap has been invoked. For the avoidance of doubt, the Carve-Out Trigger Notice may be sent during the Remedies Notice Period.

(b) *Carve Out Reserves*. From and after the Petition Date, the Debtors shall utilize cash on hand, the proceeds from the DIP Facilities, amounts held in the DIP Proceeds Account, and/or any available cash thereafter held by any Debtor to fund, on a weekly basis, the Pre-Carve Out Trigger Notice Reserve (as defined below) in an amount equal to the greater of (A) the aggregate unpaid amount of Estimated Fees and Expenses included in all Weekly Statements (each as defined below) timely received by the Debtors in respect of the preceding week and (B) the aggregate amount of Allowed Professional Fees provided for in the Approved DIP Budget at the applicable time. On a Termination Declaration Date (as defined below), the Carve Out Trigger

Notice shall be deemed, notwithstanding the occurrence and continuation of an Event of Default, a demand to fund an amount equal to the Pre-Carve Out Trigger Notice Cap from cash on hand, amounts in the DIP Proceeds Account and, to the extent necessary, a borrowing under the ABL DIP Loan Facility (subject only to the availability limitations contained in Section 2.01(a)(i) of the DIP ABL Credit Agreement). The Debtors shall deposit and hold such amounts in a segregated account designated by the Debtors (the “***Carve-Out Reserve Account***”), which may be held by Kurtzman Carson Consultants, LLC d/b/a Verita Global, and not subject to control or any liens in favor of the DIP Secured Parties or the Prepetition Secured Parties, to pay such then unpaid Allowed Professional Fees (the “***Pre-Carve Out Trigger Notice Reserve***”) prior to any and all other claims.

(c) On the day on which a Carve Out Trigger Notice is delivered in accordance with this paragraph 23(c) of this Interim Order (the “***Termination Declaration Date***”), the Carve Out Trigger Notice shall constitute a demand to the Debtors as of such date to utilize all cash (including Cash Collateral) on hand as of such date, the proceeds from the DIP Facilities, amounts held in the DIP Proceeds Account to fund, and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund to the Carve-Out Reserve Account an amount equal to the Post-Carve Out Trigger Notice Cap (the “***Post-Carve Out Trigger Notice Reserve***” and, together with the Pre-Carve Out Trigger Notice Reserve, the “***Carve Out Reserves***”). On a Termination Declaration Date (as defined below), the Carve Out Trigger Notice shall be deemed, notwithstanding the occurrence and continuation of an Event of Default, a demand to fund an amount equal to the Post-Carve Out Trigger Notice Cap from cash on hand, amounts in the DIP Proceeds Account and, a borrowing under the ABL DIP Loan Facility (subject

only to the availability limitations contained in Section 2.01(a)(i) of the DIP ABL Credit Agreement).

(d) The Carve Out Reserves shall be deposited into the Carve-Out Reserve Account, to be held in trust, and used solely to satisfy Allowed Professional Fees benefitting from the Carve Out in accordance with the terms hereof until such Allowed Professional Fees are paid in full. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of paragraph 23(a) (the “*Pre-Carve Out Amounts*”), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay the Term DIP Agent, for the benefit of themselves and the DIP Term Secured Parties, for application to the Term DIP Obligations in accordance with the DIP Term Credit Agreement, unless and until the Term DIP Obligations are Paid in Full, in which case, any remaining excess shall be paid to the Prepetition Secured Parties (subject to the terms of the Prepetition Intercreditor Agreement) in accordance with their rights and priorities set forth in the DIP Intercreditor Agreement, as of the Petition Date (unless the applicable DIP Agent, at the direction of the applicable Required DIP Lenders, and the requisite Prepetition Secured Parties, respectively, have otherwise agreed in writing in respect of the applicable obligations owed to each of them); provided, that if the ABL Refinancing shall have occurred and not been disgorged or otherwise reversed in whole or in part, then any remaining excess shall be paid to the DIP ABL Secured Parties in lieu of the Prepetition ABL Secured Parties. All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of paragraph 23(a) (the “*Post-Carve Out Amounts*”), and then, to the extent the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay the Term DIP Agent, for itself and for the benefit of

the other DIP Term Secured Parties, for application to the Term DIP Obligations in accordance with the DIP Term Credit Agreement, unless and until the Term DIP Obligations are Paid in Full (unless the Term DIP Required Lenders have otherwise agreed in writing), in which case, any remaining excess shall be paid to the Prepetition Agents for the benefit of the Prepetition Secured Parties (subject to the terms of the DIP Intercreditor Agreement) in accordance with their rights and priorities set forth in the DIP Intercreditor Agreement (unless the Required DIP Lenders and the requisite Prepetition Secured Parties, respectively, have otherwise agreed in writing in respect of the applicable obligations owed to each of them); *provided*, that if the ABL Refinancing shall have occurred and not been disgorged or otherwise reversed in whole or in part, then any remaining excess shall be paid to the DIP ABL Secured Parties in lieu of the Prepetition ABL Secured Parties. Notwithstanding anything to the contrary in the DIP Loan Documents, the Prepetition Loan Documents or this Interim Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph 23, then, any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in this paragraph 23, prior to making any payments to the DIP Agents, for themselves and for the benefit of the other DIP Secured Parties, the Prepetition Agents or any of the Debtors' creditors, as applicable. Notwithstanding the foregoing, to the extent draws under the ABL DIP Loan Facility were used to fund the Carve Out Reserves, the DIP ABL Secured Parties shall be entitled to a refund of any remaining amounts from the Carve Out Reserves and on a ratable basis with the DIP Term Secured Parties, to the extent that draws from the DIP Proceeds Account were used to fund the Carve Out Reserves, up to the amount of the DIP ABL Secured Parties' funding of the Carve Out Reserves, after satisfaction of all Allowed Professional Fees benefitting from the Carve Out.

Notwithstanding anything to the contrary in the DIP Loan Documents, the Prepetition Loan Documents or this Interim Order, following delivery of a Carve Out Trigger Notice, the DIP Secured Parties and the Prepetition Secured Parties shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but the DIP Liens and the Adequate Protection Liens shall automatically attach to any residual interest in the Carve Out Reserves (which liens shall be deemed automatically perfected senior liens), with any excess paid to the DIP Agents, for themselves and for the benefit of the other DIP Secured Parties, unless and until the DIP Obligations are Paid in Full, in which case, any remaining excess shall be paid to the Prepetition Agents for the benefit of the Prepetition Secured Parties (subject to the terms of the DIP Intercreditor Agreement) in accordance with their rights and priorities set forth in the DIP Intercreditor Agreement (unless the Required DIP Lenders and the requisite Prepetition Secured Parties, respectively, have otherwise agreed in respect of the applicable obligations owed to each of them). Notwithstanding anything to the contrary in this Interim Order, (x) disbursements by the Debtors from the Carve Out Reserves shall not constitute loans or indebtedness under the DIP Loan Documents or the Prepetition Loan Documents or otherwise increase or reduce the DIP Obligations or the Prepetition Secured Obligations, (y) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (z) nothing contained herein shall constitute a cap or limitation on the ability of the Professional Persons to assert a claim on account of Allowed Professional Fees that are due and payable by the Debtors.

(e) Not later than 7:00 p.m. New York time on Wednesday of each week starting with the first full calendar week following the Petition Date, each Debtor Professional

shall deliver to FTI Consulting, Inc. (“*FTF*”), in its capacity as the Debtors’ proposed financial advisor, a statement (each such statement, a “*Weekly Statement*”) setting forth a good-faith estimate of the amount of fees and expenses (collectively, the “*Estimated Fees and Expenses*”) incurred during the preceding week by such Debtor Professional (through Friday of such week, the “*Calculation Date*”); provided that, within one business day of the occurrence of a Termination Declaration Date, each Debtor Person shall deliver one additional statement (the “*Final Statement*”) setting forth a good-faith estimate of the amount of fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation Date for which a Weekly Statement has been delivered and concluding on the Termination Declaration Date (and the Debtors shall cause such Weekly Statement and Final Statement to be delivered on the same day received to the DIP Agents, the Prepetition First Lien Agent).

(f) *No Direct Obligation to Pay Allowed Professional Fees.* None of the DIP Secured Parties or the Prepetition Secured Parties shall be responsible for the direct payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate the DIP Secured Parties or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(g) *Priority of Carve Out.* For the avoidance of doubt, notwithstanding anything to the contrary in this Interim Order, the Carve Out shall be senior to all liens, security interests, and superpriority claims granted hereunder, under the DIP Loan Documents, and/or the Prepetition Loan Documents.

24. *Effect of the Debtors' Stipulations on Third Parties.*

(a) The Debtors' Stipulations contained in paragraph F of this Interim Order shall be binding upon the Debtors and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors in the Chapter 11 Cases or any Successor Cases) in all circumstances and for all purposes immediately upon entry of this Interim Order. The Debtors' Stipulations shall be binding upon any Official Committee, all other creditors, and all parties-in-interest and each of their respective successors and assigns, in all circumstances and for all purposes, unless (i) the Official Committee or such party-in-interest (subject in all respects to any agreement or applicable law which may limit or affect such entity's right or ability to do so) obtains requisite standing pursuant to an order of the Court entered prior to the Challenge Deadline (as defined below) and has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein) (each, a "***Challenge Proceeding***") by no later than the Challenge Deadline, (A) objecting to or challenging the amount, validity, perfection, enforceability, priority or extent of the Prepetition Loan Documents, the Prepetition Secured Obligations, the Prepetition Liens or the Prepetition Collateral, or otherwise objecting to or challenging any of the admissions, stipulations, findings or releases included in the Debtors' Stipulations, (B) asserting or prosecuting any so-called "lender liability" claims, Avoidance Actions or any contest, attack, objection, challenge, defense, claim, counterclaim or Cause of Action seeking reduction, setoff, offset, recoupment, avoidance, recharacterization, subordination (whether equitable, contractual or otherwise), reclassification, disgorgement, disallowance, impairment, marshalling, surcharge or recovery with respect to the Prepetition Liens, the Prepetition Secured Obligations or the Prepetition Loan Documents, and (C) asserting or prosecuting any other claim or Cause of Action of any nature or description

whatsoever, whether arising under the Bankruptcy Code, applicable law or otherwise, against any of the Prepetition Secured Parties or their Representatives (clauses (A)-(C), collectively, the “**Challenges**”, and each, a “**Challenge**”), and (ii) there is entered a final non-appealable order by a court of competent jurisdiction in favor of the plaintiff sustaining any such timely Challenge in any duly-filed Challenge Proceeding; provided, however, that as to the Debtors, any and all such Challenges are hereby irrevocably waived and relinquished as of the Petition Date; provided, further, however, that any pleadings filed in connection with any Challenge Proceeding, including any motion filed with the Court seeking requisite standing and authority to pursue a Challenge, shall include a draft complaint attached thereto and shall set otherwise forth with specificity the basis for each such Challenge, and any Challenge not so specified in a Challenge Proceeding timely and properly filed prior to the Challenge Deadline shall be deemed forever, waived, released and barred. Notwithstanding anything to the contrary herein, Challenges may be brought against the Second Out DIP Term Loans and the ABL Refinancing, and the Court may order appropriate relief in the event of any successful Challenge to the Second Out DIP Term Loans or the ABL Refinancing.

(b) If no such Challenge Proceeding is timely and properly filed by the Challenge Deadline, or if the Court does not rule in favor of the plaintiff in any such Challenge Proceeding, then, without further notice or order of the Court, (i) each of the admissions, stipulations, findings and releases contained in the Debtors’ Stipulations shall be binding on all parties-in-interest, including, without limitation, any Official Committee, any non-statutory committees appointed or formed in the Chapter 11 Cases, or any other party-in-interest (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors in the Chapter 11 Cases or any Successor Cases), (ii) the Prepetition Secured

Obligations shall constitute allowed claims against each of the Debtors party to the Prepetition Loan Documents in the Chapter 11 Cases and any Successor Cases, and the Prepetition Liens shall be deemed to be legal, valid, non-avoidable, binding, continuing, perfected and enforceable, as of the Petition Date, against each of the Debtors party to the Prepetition Loan Documents in the Chapter 11 Cases and any Successor Cases, (iii) the Prepetition Secured Obligations, the Prepetition Liens and the Prepetition Loan Documents shall not be subject to any other or further Challenge, contest, attack, objection, challenge, defense, claim, counterclaim, reduction, setoff, offset, recoupment, avoidance, recharacterization, subordination (whether equitable, contractual or otherwise), reclassification, disgorgement, disallowance, impairment, marshalling, surcharge or recovery, whether under the Bankruptcy Code, applicable non-bankruptcy law or otherwise, by any Official Committee, any non-statutory committees appointed or formed in the Chapter 11 Cases, or any other party-in-interest (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors in the Chapter 11 Cases or any Successor Cases), and (iv) all Challenges against any of the Prepetition Secured Parties or any of their Representatives (in their capacities as such) shall be deemed forever waived, released and barred.

(c) If any such Challenge Proceeding is timely filed by the Challenge Deadline, the Debtors' Stipulations shall nonetheless remain binding and preclusive on any Official Committee, any non-statutory committees appointed or formed in the Chapter 11 Cases, or any other party-in-interest (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors in the Chapter 11 Cases or any Successor Cases), except to the extent that any of the admissions, stipulations, findings or releases contained in the Stipulations were expressly challenged in such Challenge Proceeding (and solely as to the

plaintiff party that timely filed such Challenge Proceeding and not, for the avoidance of doubt, any other party-interest).

(d) The “***Challenge Deadline***” means the date that is the earlier of (i) confirmation of any chapter 11 plan of reorganization in these bankruptcy cases, (ii) as to any Official Committee only, sixty (60) calendar days after the appointment of such Official Committee, as to all other parties in interest, seventy-five (75) calendar days after the entry of this Interim Order, (iii) as to each of the Prepetition Loan Documents, such later date as has been agreed to, in writing, by the requisite Prepetition Secured Parties, as applicable, under the applicable Prepetition Loan Documents solely respect to the Challenges pertaining to such Prepetition Loan Document, and (iv) any such later date as has been ordered by the Court, for cause shown, upon a motion filed and served within the time period set forth in clause (i) of this paragraph 24(d).

(e) For the avoidance of doubt, the Debtors’ stipulations, waivers, agreements and releases contained in paragraph E of this Interim Order shall not be subject to Challenge, and shall be binding upon the Debtors and their estates, and any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or selected in any of the Chapter 11 Cases or any Successor Cases), any Official Committee, all other creditors and all parties-in-interest and each of their respective successors and assigns, in all circumstances and for all purposes, immediately upon entry of this Interim Order.

(f) Nothing in this Interim Order vests or confers on any person or entity, including any Official Committee, standing or authority to pursue any Challenge belonging to the Debtors or their estates, and all rights to object to any request for such standing are expressly reserved.

25. *Limitations on Use of DIP Collateral, Cash Collateral, Carve Out or Other Funds:*

33. *Preservation of Rights Granted Under Interim Order.*

(a) *Good Faith Under Section 364(e) of the Bankruptcy Code.* The DIP Secured Parties and the Prepetition Secured Parties have acted in good faith in connection with this Interim Order, the DIP Facilities and the DIP Loan Documents, and their reliance on this Interim Order is in good faith. Based on the findings set forth in this Interim Order and upon the record made at the Interim Hearing and during these Chapter 11 Cases, the DIP Secured Parties and the Prepetition

Secured Parties are entitled to the protections provided in section 364(e) of the Bankruptcy Code. If any or all of the provisions of this Interim Order or the DIP Loan Documents are hereafter reversed or modified on appeal by any order of this Court or any other court, any such reversal or modification shall not affect (i) the ABL Refinancing, (ii) the validity of any DIP Obligations incurred hereunder, (iii) the priority of the DIP Liens granted hereunder, or (iv) the validity of the DIP Liens granted hereunder to the DIP Lenders or DIP Agents, whether or not the Prepetition ABL Secured Parties, DIP Lenders or DIP Agents know of such appeal, unless the authorization to consummate the ABL Refinancing or to incur the DIP Obligations or the grant of the DIP Liens hereunder is stayed pending appeal. Notwithstanding any such reversal or modification, any such claim, lien, or security interest, right, privilege, remedy or benefit shall be governed in all respects by the original provisions of this Interim Order, the DIP Intercreditor Agreement and the DIP Loan Documents.

(b) *Survival.* Notwithstanding anything contained herein or in the DIP Loan Documents to the contrary, the terms and provisions of this Interim Order and the DIP Loan Documents (including, without limitation, all of the claims, liens and security interests, rights, priorities, privileges, remedies, benefits, and protections granted to the DIP Secured Parties and the Prepetition Secured Parties under this Interim Order and the DIP Loan Documents), and any actions taken pursuant hereto or thereto, shall survive, shall continue in full force and effect, shall remain binding on all parties-in-interest, and shall be governed by the original provisions of this Interim Order and maintain their priorities as set forth in this Interim Order, and shall not be modified, impaired, or discharged by, entry of any order that may be entered (i) confirming any chapter 11 plan in any of the Chapter 11 Cases, (ii) converting any or all of the Chapter 11 Cases to a case (or cases) under chapter 7 of the Bankruptcy Code, (iii) dismissing any or all of the

Chapter 11 Cases, (iv) pursuant to which the Court abstains from hearing any of the Chapter 11 Cases, or (v) approving the sale or disposition of any DIP Collateral (except as expressly permitted in the DIP Loan Documents), in each case, until all of the DIP Obligations, the Adequate Protection Obligations and the Prepetition Secured Obligations have been Paid in Full (unless the Required DIP Lenders and/or the requisite Prepetition Secured Parties have otherwise agreed in writing in respect of the applicable obligations owed to each of them).

(c) *Dismissal/Conversion.* If any order dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code otherwise is at any time entered, such order shall provide (in accordance with sections 105 and 349 of the Bankruptcy Code), that (i) all of the claims, liens and security interests, rights, priorities, privileges, remedies, benefits and protections granted to the DIP Secured Parties and the Prepetition Secured Parties hereunder and under the DIP Loan Documents shall continue in full force and effect and shall maintain their priorities as provided in this Interim Order and the DIP Intercreditor Agreement until all DIP Obligations, Adequate Protection Obligations and Prepetition Secured Obligations have been Paid in Full (and that all such claims, liens and security interests, rights, priorities, privileges, remedies, benefits and protections, notwithstanding such dismissal or conversion, remain binding on all parties in interest), and (ii) this Court shall retain jurisdiction, notwithstanding such dismissal or conversion, for the purposes of enforcing this Interim Order, the DIP Loan Documents, the DIP Intercreditor Agreement and all of the claims, liens and security interests, rights, priorities, privileges, remedies, benefits and protections granted to the DIP Secured Parties and the Prepetition Secured Parties hereunder or thereunder.

34. *Loss or Damage to Collateral.* So long as the DIP Agents and the DIP Lenders comply with their obligations under the DIP Loan Documents, (a) the DIP Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person, and (b) all risk of loss, damage, or destruction of the DIP Collateral shall be borne solely by the Debtors.

35. *Proofs of Claim.* The DIP Secured Parties and the Prepetition Secured Parties shall not be required to file proofs of claim or request for payment of administrative expenses in any of the Chapter 11 Cases or any of the Successor Cases in order to assert claims for payment in respect of the DIP Obligations, the Adequate Protection Obligations or the Prepetition Secured Obligations. The Debtors' Stipulations, acknowledgments and provisions of this Interim Order are deemed sufficient to and do constitute timely filed proofs of claim or request for payment of administrative expenses in respect of such claims arising under the DIP Obligations, the Adequate Protection Obligations and the Prepetition Secured Obligations against each of the applicable Debtors. Any order entered by the Court establishing a bar date in any of the Chapter 11 Cases or any Successor Chapter 11 Cases shall not apply to the DIP Secured Parties, the Prepetition Secured Parties, the DIP Obligations or the Prepetition Secured Obligations; provided, however, that, notwithstanding any order entered by the Court establishing a bar date in any of the Chapter 11 Cases or any Successor Cases to the contrary, any DIP Agent (on behalf of itself or any of the DIP Lenders), at the direction of the ABL DIP Required Lenders or the Term DIP Required Lenders, as applicable, or any of the Prepetition Agents (on behalf of themselves and the applicable Prepetition Secured Parties (as applicable)), in their discretion, may (but are not required to) file

(and amend and/or supplement) a proof of claim and/or aggregate proofs of claim in each of the Chapter 11 Cases or any Successor Cases, and any such proof of claim may (but is not required to be) filed as one consolidated master proof of claim in the Debtors' lead Chapter 11 Case against all of the DIP Loan Parties, which shall be deemed to have been filed against each and every Debtor. Such consolidated or master proofs of claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable party, which instruments, agreements or other documents will be provided upon reasonable written request to the DIP Agents (which, with respect to the DIP Term Agents, shall be through delivery to the financial or legal advisors to the DIP Term Agents and the DIP Term Lenders) or the applicable Prepetition Agents, as the case may be. Any proof of claim filed by or on behalf of any of the DIP Secured Parties or the Prepetition Secured Parties shall be deemed to be in addition to (and not in lieu of) any other proof of claim that may be filed by any such persons. The provisions set forth in this paragraph are intended solely for the purpose of administrative convenience and shall not affect the substantive rights of any party-in-interest or their respective successors-in-interest.

36. *Limitation of Liability.* Nothing in this Interim Order, the DIP Loan Documents or any documents related thereto shall in any way be construed or interpreted to impose or allow the imposition upon any of the DIP Secured Parties or the Prepetition Secured Parties of any liability for any claim arising from, in connection with or related to the prepetition or postpetition activities of the Debtors and their respective affiliates in the operation of their businesses, their restructuring efforts or in connection with the administration of these Chapter 11 Cases. In determining to make any loan or extension of credit, or permit the use of Cash Collateral, or in exercising any rights or remedies hereunder, under the DIP Loan Documents or the Prepetition Loan Documents, neither

the DIP Secured Parties nor the Prepetition Secured Parties shall (a) be deemed to be in control of the operations of the Debtors, (b) owe any fiduciary duty to the Debtors or their creditors, shareholders or estates, or (c) be deemed to be acting as a “Responsible Person” or “Owner” or “Operator” with respect to the operation or management of the Debtors (as such terms or any similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42, U.S. §§ 9601 et seq., as amended, or any similar federal or state statute).

37. *Intercreditor Agreements.* Solely from and after (x) the entry of this Interim Order and (y) the occurrence of the ABL Refinancing Effective Date, pursuant to section 510 of the Bankruptcy Code, the DIP Intercreditor Agreement (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties (including, for the avoidance of doubt, with respect to the Adequate Protection Liens) and DIP Secured Parties (as if the DIP Term Agents were party thereto each as a “Term Agent” (as defined in the Prepetition Intercreditor Agreement), in the case of the Prepetition Intercreditor Agreement), and (iii) shall not be deemed amended, altered or modified by the terms of this Interim Order, except to the extent expressly set forth herein. From and after the execution and effectiveness of the DIP Intercreditor Agreement, the Debtors, the DIP Agents, the DIP Secured Parties, the Prepetition First Lien Agent and the Prepetition First Lien Secured Parties each shall be bound by and party to, and in all respects the DIP Facilities and Prepetition First Lien Secured Obligations shall be governed by, the DIP Intercreditor Agreement; provided that the DIP Intercreditor Agreement shall not be further amended or modified without the prior written consent of the Required DIP Lenders; provided, further, that neither the ABL DIP Agent nor any ABL DIP Secured Party shall have any liability of and from any and all Causes of Action that the Prepetition

First Lien Secured Parties, the Debtors, their estates, predecessors, successors and assigns at any time had, now have or that their successors and assigns may have against any of the ABL DIP Secured Parties and their respective Representatives for or by reason of any act, omission, matter, cause or thing whatsoever arising at any time under or with respect to the Prepetition Intercreditor Agreement prior to the ABL Refinancing Effective Date; provided, further, that neither the Prepetition ABL Agent nor any Prepetition ABL Secured Party shall have any liability of and from any and all Causes of Action that the Prepetition First Lien Secured Parties, the Debtors, their estates, predecessors, successors and assigns may have, or that their successors and assigns may have, against any of the Prepetition ABL Secured Parties and their respective Representatives for or by reason of any act, omission, matter, cause or thing whatsoever arising under or with respect to the Prepetition Intercreditor Agreement occurring after the ABL Refinancing Effective Date.

38. *Payments Free and Clear.* Subject to the Carve Out, any and all payments or proceeds remitted to the DIP Secured Parties or the Prepetition Secured Parties pursuant to the DIP Loan Documents, the DIP Intercreditor Agreement, this Interim Order, the Final Order (if and when entered) or any subsequent order of this Court shall be irrevocable (subject, solely in the case of certain professional fees, the fee review procedures set forth in paragraph 11 of this Interim Order), received free and clear of any claim, charge, assessment or other liability, including without limitation, any claim or charge arising out of or based on, directly or indirectly, section 506(c) of the Bankruptcy Code (whether asserted or assessed by, through or on behalf of the Debtors) (subject to paragraph 26 hereof), section 552(b) of the Bankruptcy Code (subject to paragraph 27 hereof) or otherwise.

39. *Joint and Several Liability.* Nothing in this Interim Order shall be construed to constitute or authorize a substantive consolidation of any of the Debtors' estates, it being

understood, however, that the Debtors shall be jointly and severally liable for all obligations (including all DIP Obligations and all Adequate Protection Obligations) under this Interim Order and the DIP Loan Documents.

40. *Third Party Beneficiary.* Except as expressly set forth herein, no rights are created hereunder for the benefit of any third party, any creditor or any direct, indirect or incidental beneficiary.

41. *Interim Order Controls.* In the event of any conflict or inconsistency between or among the terms or provisions of this Interim Order and any of the DIP Loan Documents, unless such term or provision in this Interim Order is phrased in terms of “defined in” or “as set forth in” the DIP Credit Agreements or DIP Loan Documents, the terms and provisions of this Interim Order shall govern and control. Notwithstanding anything contained in any other order entered by this Court to the contrary, any payment made pursuant to, or authorization contained in, any other order entered by this Court shall be consistent with and subject to the requirements set forth in this Interim Order and the DIP Loan Documents, including, without limitation, the Approved DIP Budget (subject to Permitted Variances).

If the Base Rate is being used as an alternate rate of interest pursuant to Section 3.03 (for the avoidance of doubt, only until a successor rate to the Term SOFR Reference Rate has been determined pursuant to Section 3.03(b)), then the Base Rate shall be the greater of clauses (a), (b) and (d) above and shall be determined without reference to clause (c) above. Any change in the Base Rate due to a change in the Prime Rate, the NYFRB Rate or the Term SOFR Rate shall be effective from and including the effective date of such change in the Prime Rate, the NYFRB Rate or the Term SOFR Rate, respectively.

“Base Rate Loan” means a Loan that bears interest based on the Base Rate.

“Benchmark Replacement” means, for any Available Tenor, the first alternative set forth in the order below that can be determined by the Required Lenders for the applicable Benchmark Replacement Date:

(a) [reserved;] or

(b) the sum of: (a) the alternate benchmark rate that has been selected by the Required Lenders and the Borrower as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current Benchmark for dollar-denominated syndicated credit facilities at such time in the United States and (b) the related Benchmark Replacement Adjustment.

If the Benchmark Replacement for any applicable Available Tenor as determined pursuant to clause (a) or (b) above would be less than the Floor, the Benchmark Replacement for such Available Tenor will be deemed to be the Floor for the purposes of this Agreement and the other Loan Documents.

“Benchmark Replacement Adjustment” means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable Interest Period and Available Tenor for any setting of such Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Required Lenders and the Borrower for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date and/or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for dollar-denominated syndicated credit facilities at such time.

“Benchmark Replacement Date” means, with respect to any Benchmark, the earliest to occur of the following events with respect to such then-current Benchmark:

(a) in the case of clause (a) or (b) of the definition of “Benchmark Transition Event,” the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of such Benchmark (or the published component used in the calculation

thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or

(b) in the case of clause (c) of the definition of “Benchmark Transition Event,” the first date on which all Available Tenors of such Benchmark (or such component thereof) have been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be no longer representative; provided, that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (3) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, (i) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event” means, with respect to any Benchmark, the occurrence of one or more of the following events with respect to such then-current Benchmark:

(a) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(b) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the NYFRB, the CME Term SOFR Administrator, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), in each case, which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(c) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are no longer, or as of a specified future date will no longer be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Unavailability Period” means, with respect to any Benchmark, the period (if any) (x) beginning at the time that a Benchmark Replacement Date pursuant to clauses (a) or (b) of that definition has occurred if, at such time, no Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 3.03 and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 3.03.

“Benefit Plan” means any of (a) an “employee benefit plan” (as defined in Section 3(3) of ERISA) that is subject to Title I of ERISA, (b) a “plan” as defined in and subject to Section 4975 of the Code to which Section 4975 of the Code applies, or (c) any Person whose assets include (for purposes of the Plan Asset Regulations or otherwise for purposes of Title I of ERISA or Section 4975 of the Code) the assets of any such “employee benefit plan” or “plan”.

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Borrower” has the meaning specified in the introductory paragraph hereto.

“Capital Lease Obligations” means, with respect to any Person, the obligation of such Person to pay rent or other amounts under any lease of (or other arrangement conveying the right to use) real or personal property, or a combination thereof, which obligations are required to be classified and accounted for as capital leases on a balance sheet of such Person under GAAP as in effect on the Closing Date, and the amount of such obligations shall be the capitalized amount thereof determined in accordance with GAAP as in effect on the Closing Date.

Each notice of prepayment shall specify the prepayment date, the Type of each Loan being prepaid and the principal amount of each Loan (or portion thereof) to be prepaid.

(c) The prepayments of the Loans pursuant to Section 2.03(b)(i), (ii) or (iv), to the extent the Net Cash Proceeds giving rise to the requirement to make a prepayment pursuant to one of such clauses are generated by a Foreign Subsidiary, shall be subject to (x) permissibility under local law relating to financial assistance, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of such Foreign Subsidiary and (y) restrictions in its material organizational documents and in agreements governing Indebtedness of such Foreign Subsidiary (including as a result of minority ownership) (each restriction referred to in clauses (i) and (ii), a "Restriction"). Further, there will be no requirement to make any such prepayment where a Responsible Officer of the Borrower delivers a certificate to the Administrative Agent stating that it would incur a material tax liability by doing so. The non-application and nonpayment of any prepayment amounts pursuant to Sections 2.03(b)(i), (ii) or (iv) as a consequence of this Section 2.03(c) will not, for the avoidance of doubt, constitute a Default or an Event of Default, and such prepayment amounts shall be available for working capital purposes of Borrower and its Subsidiaries as long as not required to be prepaid in accordance with the following provisions. Borrower and its Subsidiaries will use and shall procure that any of their Subsidiaries will use commercially reasonable efforts to overcome or eliminate any Restrictions and/or minimize any such costs of prepayment and/or use the other cash resources of Borrower and its Subsidiaries (subject to the considerations above) to make the relevant prepayment. If at any time within one year of a prepayment being forgiven due to a Restriction, such Restriction is removed, any relevant proceeds will at the end of the then current Interest Period (or, if Base Rate Loans are then outstanding, immediately) be applied in accordance with the applicable prepayment provision above (net of any reasonable costs, expenses or taxes incurred by Borrower and its Subsidiaries and arising exclusively as a result of compliance with the preceding sentence).

#### 2.04 Termination or Reduction of Commitments.

(a) Each Lender's New Money Term Loan Commitments shall be (A) permanently reduced on a dollar-for-dollar basis by the aggregate principal amount of any New Money Term Loans made by such Lender in accordance with Section 2.01(a) in respect of such applicable New Money Term Loan Commitments, (B) terminated in full on the Maturity Date, and (C) terminated in full to the extent done so pursuant to Article VIII.

(b) The Roll-Up Term Loan Commitments shall be reduced on a dollar-for-dollar basis by the aggregate principal amount of Roll-Up Term Loans deemed made by such Lender in accordance with Section 2.01(b) in respect of such Roll-Up Term Loan Commitments, and shall be reduced to zero upon the entry of the Final DIP/Cash Collateral Order after giving effect to the Roll-Up Term Loans deemed made on or around such date in accordance with Section 2.01(b).

## 2.05 Repayment of Loans.

(a) Subject to Section 2.05(b), the Borrower shall repay to the Administrative Agent for the ratable account of each Lender on the Maturity Date, the entire outstanding principal amount of, and all accrued but unpaid interest on, the Loans and all other Obligations then due and payable (if any).

(b) Notwithstanding anything to the contrary herein, so long as the Transaction Support Agreement remains in effect (and there shall not have occurred and be continuing any event, act, or omission that, but for the expiration of time, would permit the Required Consenting Term Lenders (as defined in the Transaction Support Agreement) to terminate the Transaction Support Agreement, unless such act or occurrence was waived, cured or extended in accordance with the terms of the Transaction Support Agreement), the Borrower may elect (the “Roll Option”) to repay the New Money Term Loans and Roll-Up Term Loans, in each case including any accrued and unpaid interest, on the Plan Effective Date (as defined in the Transaction Support Agreement) by (x) converting the New Money Term Loans into “First-Out Exit Term Loans” (as such term is defined in the Exit Term Loan Term Sheet attached to the Transaction Support Agreement) and (y) the Roll-Up Term Loans into “Second-Out Exit Term Loans” (as such term is defined in the Exit Term Loan Term Sheet attached to the Transaction Support Agreement), in each case, in accordance with the terms set forth in the Transaction Support Agreement. The Roll Option must be exercised with respect to the Loans in whole (or not at all).

## 2.06 Interest.

(a) Subject to the provisions of Section 2.06(d), (i) each Loan which is a Term Benchmark Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Term SOFR Rate for such Interest Period plus the Applicable Margin and (ii) each Loan which is a Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin.

(b) With respect to the New Money Term Loans, the amount equal to interest accrued at the New Money Term Loan PIK Margin shall be paid “in kind” on each New Money Term Loan Interest Payment Date (other than the Maturity Date) applicable thereto by capitalizing and adding such amount to (and thereby increasing) the principal amount of the New Money Term Loans outstanding on such New Money Term Loan Interest Payment Date (it being understood that such interest paid “in kind” shall be capitalized on such New Money Term Loan Interest Payment Date and when so capitalized shall constitute principal of the New Money Term Loans for all purposes hereunder, including accruing interest and other payments on New Money Term Loans) and the remaining interest payable on such New Money Term Loan Interest Payment Date shall be paid in cash. Notwithstanding the foregoing, the Borrower may elect to pay all or a portion of the amount equal to interest accrued at the New Money Term Loan PIK Margin to be paid “in kind” on any New Money Term Loan Interest Payment Date in cash by delivering a written notice to the Administrative Agent in substantially the form of Exhibit E hereto (a “Cash Pay Notice”), no later than five (5) Business Days prior to such New Money Term Loan Interest Payment Date. Each Cash Pay Notice shall specify the amount of the interest accrued on the applicable New Money Term Loan Interest Payment Date which was to be paid “in kind” that the Borrower is electing to pay in cash. Any Cash Pay Notice provided to the Administrative Agent shall apply only to the New Money Term Loan Interest Payment Date specified therein, and not to any subsequent New Money Term Loan Interest Payment Date, unless a Cash Pay Notice is delivered in accordance herewith for such subsequent New Money Term Loan Interest Payment Date.

(c) With respect to the Roll-Up Term Loans, the amount equal to interest accrued at the Roll-Up Term Loan PIK Margin shall be paid “in kind” on each Roll-Up Term Loan Interest Payment Date (other than the Maturity Date) applicable thereto by capitalizing and adding such amount to (and

thereby increasing) the principal amount of the Roll-Up Term Loans outstanding on such Roll-Up Term Loan Interest Payment Date (it being understood that such interest paid “in kind” shall be capitalized on such Roll-Up Term Loan Interest Payment Date and when so capitalized shall constitute principal of the Roll-Up Term Loans for all purposes hereunder, including accruing interest and other payments on Roll-Up Term Loans) and the remaining interest payable on such Roll-Up Term Loan Interest Payment Date shall be paid in cash. Notwithstanding the foregoing, the Borrower may elect to pay all or a portion of the amount equal to interest accrued at the Roll-Up Term Loan PIK Margin to be paid “in kind” on any Roll-Up Term Loan Interest Payment Date in cash by delivering a written notice to the Administrative Agent in substantially the form of Exhibit E hereto (a “Cash Pay Notice”), no later than five (5) Business Days prior to such Roll-Up Term Loan Interest Payment Date. Each Cash Pay Notice shall specify the amount of the interest accrued on the applicable Roll-Up Term Loan Interest Payment Date which was to be paid “in kind” that the Borrower is electing to pay in cash. Any Cash Pay Notice provided to the Administrative Agent shall apply only to the Roll-Up Term Loan Interest Payment Date specified therein, and not to any subsequent Roll-Up Term Loan Interest Payment Date, unless a Cash Pay Notice is delivered in accordance herewith for such subsequent Roll-Up Term Loan Interest Payment Date.

(d) If any amount owed under this Agreement is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(e) Interest on each Loan shall be due and payable in arrears on each New Money Term Loan Interest Payment Date or Roll-Up Term Loan Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

## 2.07 Payments.

(a) Agent Payments. The Borrower shall pay to the Administrative Agent for their own respective account fees in the amounts and at the times specified in the Administrative Agent Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(b) Lender Payments. Subject, in each case, to the DIP Orders:

(i) the Borrower agrees to pay for the ratable account of each of the Lenders providing New Money Term Loan Commitments, as compensation for the funding of such Lender’s New Money Term Loans, a commitment premium (the “Commitment Premium”) in an amount equal to 2.0% of such Lender’s New Money Term Loan Commitments on the Closing Date. The Commitment Premium will be in all respects fully earned on the date of entry of the Interim DIP/Cash Collateral Order. The Commitment Premium shall be payable “in kind” on the Closing Date by adding the aggregate amount thereof to the outstanding principal balance of the New Money Term Loans on such date, and shall be subject to the Syndication. For the avoidance of doubt, the Lenders agree to the treatment of the Commitment Premium as set forth in Section 2.05(b).

(ii) in the event the Borrower exercises the Roll Option, the Borrower agrees to pay for the ratable account of the Lenders holding New Money Term Loans, an equity premium (the “Equity Premium”) in an amount equal to 64% of the New Equity Interests, subject to dilution by the MIP (as defined in the Transaction Support Agreement). The

Equity Premium will be in all respects fully earned upon entry of the Final DIP/Cash Collateral Order and due and payable on the Plan Effective Date (as defined in the Transaction Support Agreement) and non-refundable thereafter. For the avoidance of doubt, the Lenders agree to the treatment of the Equity Premium as set forth in Section 2.05(b).

(iii) the Borrower agrees to pay to the Fronting Lender, for the ratable account of each DIP Backstop Party on the date of entry of the Interim DIP/Cash Collateral Order, a non-refundable put option premium (the "Put Option Premium") in an amount equal to 5.00% of such Lender's New Money Term Loan Commitments on such date. The Put Option Premium will be in all respects fully earned on the date of entry of the Interim DIP/Cash Collateral Order. The Put Option Premium shall be payable "in kind" on the Closing Date by adding the aggregate amount thereof to the outstanding principal balance of the New Money Term Loans on such date, and shall be subject to the Syndication. For the avoidance of doubt, the Lenders agree to the treatment of the Put Option Premium as set forth in Section 2.05(b).

(c) Fronting Payment. The Borrower agrees to pay to the Fronting Lender for the sole account of the Fronting Lender, the fronting fee set forth in the Fronting Fee Letter (the "Fronting Fee"). The Fronting Fee will be in all respects fully earned, due and payable pursuant to the terms and conditions of the Fronting Fee Letter.

(d) Notwithstanding the foregoing, and subject to Section 2.12, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 2.07.

2.08 Computation of Interest and Fees. All computations of interest for Base Rate Loans when the Base Rate is determined by the Administrative Agent's "prime rate" shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.10(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

2.09 Evidence of Debt. The Loans made by each Lender shall be evidenced by one or more accounts or records maintained by the Administrative Agent in the ordinary course of business. In addition, each Lender may record in such Lender's internal records an appropriate notation evidencing the date and amount of each Loan from such Lender, each payment and prepayment of principal of any such Loan, and each payment of interest, fees and other amounts due in connection with the Obligations due to such Lender. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive, absent manifest error, of the amount of the Loans made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

2.10 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 1:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Lender its share of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 1:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Loans that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation plus any administrative processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the time at which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the NYFRB Rate.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof or thereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to make its payment under Section 11.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees in respect of the New Money Term Loans then due hereunder, ratably among the parties entitled thereto, (ii) second, toward payment of principal in respect of the New Money Term Loans then due hereunder, ratably among the parties entitled thereto, (iii) third, toward payment of interest and fees in respect of the Roll-Up Term Loans then due hereunder, ratably among the parties entitled thereto, and (iv) fourth, toward payment of principal in respect of the Roll-Up Term Loans then due hereunder, ratably among the parties entitled thereto.

2.11 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of (a) Obligations due and payable to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender at such time to (ii) the aggregate amount of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time or (b) Obligations owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations owing (but not due and payable) to such Lender at such time to (ii) the aggregate amount of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Parties at such time) of payment on account of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all of the Lenders at such time, then the Lender receiving such greater proportion shall (x) notify the Administrative Agent of such fact, and (y) purchase (for cash at face value) participations in the Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of Obligations then due and payable to the Lenders or owing (but not due and payable) to the Lenders, as the case may be, provided that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or

subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section 2.11 shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant in accordance with this Agreement.

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

2.12 Syndication. Following the Closing Date, the Borrower shall use commercially reasonable efforts to assist the Fronting Lender in connection with a syndication process (the “Syndication”) for the assignment of a proportionate share of New Money Term Loans and New Money Term Loan Commitments in each case in accordance with syndication procedures set forth in Exhibit D (the “Syndication Procedures”), which shall be acceptable to each of the Administrative Agent (acting in consultation with the Required Lenders), the Fronting Lender and the Borrower (each in their reasonable discretion). Upon completion of the Syndication, a supplemental Schedule 2.01, which shall be prepared by the Lender Professionals and reasonably satisfactory to the Required Lenders, shall be delivered to the Administrative Agent and the Borrower, which shall set forth the aggregate New Money Term Loans and New Money Term Loan Commitment held by each Lender upon closing of the Syndication (broken out by New Money Term Loans, New Money Term Loan Commitments, Roll-Up Term Loans and Roll-Up Term Loan Commitments). The Administrative Agent (i) shall be entitled to conclusively rely on the supplemental Schedule 2.01 prepared by the Lender Professionals without investigation, (ii) shall incur no liability for acting in reliance upon such supplemental Schedule 2.01 delivered to it by the Lender Professionals, and (iii) is hereby directed by the Borrower and the Lenders to update the Register pursuant to Section 11.06(c) to reflect the Lender allocations set forth in such supplemental Schedule 2.01.

### ARTICLE III TAXES, YIELD PROTECTION AND ILLEGALITY

#### 3.01 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Tax unless required by applicable Law, provided that if any Loan Party or any other withholding agent shall be required by applicable Law to deduct any Taxes from such payments, then (i) if such Tax is an Indemnified Tax, the sum payable by the Loan Party shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the Administrative Agent or any Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law. For purposes of this Section 3.01, any payments by the Administrative Agent to a Lender of any amounts received by the Administrative Agent from any Loan Party on behalf of such Lender shall be treated as a payment from the Loan Party to such Lender.

(b) Payment of Other Taxes by the Loan Parties. Without limiting the provisions of subsection (a) above, the Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Indemnification by the Loan Parties. The Loan Parties shall, jointly and severally, indemnify the Administrative Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) paid by the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the applicable Loan Party to a Governmental Authority, the applicable Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Foreign Lenders. To the extent it is legally entitled to do so, any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the applicable Loan Party is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall deliver to the Loan Parties (with a copy to the Administrative Agent), at the time or times prescribed by applicable Law or reasonably requested by the Loan Parties or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Loan Parties or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Loan Parties or the Administrative Agent as will enable the Loan Parties or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(e) or Section 3.01(f)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent that it is legally unable to do so.

Without limiting the generality of the foregoing, any Foreign Lender, to the extent it is legally entitled to do so, shall deliver to the Loan Parties and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Loan Parties or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

- (i) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable, claiming eligibility for benefits of an income tax treaty to which the United States is a party,
- (ii) duly completed copies of Internal Revenue Service Form W-8ECI,

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (A) a certificate substantially in the form of Exhibit C-1, Exhibit C-2, Exhibit C-3 and Exhibit C-4 (each such certificate, a “U.S. Tax Certificate”) and (B) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable,

(iv) to the extent a Foreign Lender is not the beneficial owner of any obligations of the Loan Parties hereunder (for example, where the Foreign Lender is a partnership or participating Lender granting a typical participation), duly completed copies of Internal Revenue Service Form W-8IMY, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E, U.S. Tax Compliance Certificate, Form W-9 or Form W-8IMY from each beneficial owner, as applicable, or

(v) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

(f) Status of Non-Foreign Lenders. Any Lender that is not a Foreign Lender shall deliver to the Loan Parties and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Loan Parties or the Administrative Agent), executed originals of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax.

(g) FATCA. If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Loan Parties and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Loan Parties or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Loan Parties or the Administrative Agent as may be necessary for the Loan Parties and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (g), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

(h) Treatment of Certain Refunds. If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the applicable Loan Party or with respect to which the applicable Loan Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the Loan Parties an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Loan Parties under this Section 3.01 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the applicable Loan Party, upon the request of the Administrative Agent or such Lender, agree to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender if the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to

require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Loan Parties or any other Person.

(i) Tax Treatment. For U.S. federal and state income tax purposes, the New Money Term Loans and the Roll-Up Term Loans will each be treated as an integrated debt instrument with the applicable term loans issued in exchange therefor, respectively, upon the Chapter 11 Debtors' emergence from the Chapter 11 Cases (such loans, the "Exit Loans"). The Borrower and the Lenders agree to file all income tax returns consistently with the foregoing and not take any inconsistent position with respect thereto, except to the extent otherwise required by a "determination" as defined in Section 1313(a) of the Code (or any comparable provision of state or local Law).

3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Term Benchmark Loans, or to determine or charge interest rates based upon the Term SOFR Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the applicable offshore interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue Term Benchmark Loans or to convert Base Rate Loans to Term Benchmark Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Term Benchmark Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term Benchmark Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Term Benchmark Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

### 3.03 Inability to Determine Rates.

(a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 3.03, if:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Term SOFR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders as provided in Section 11.02 as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Conversion/Continuation Notice in accordance with the terms of Section 2.02 or a new Committed Loan Notice in accordance with the terms of Section 2.02, any Conversion/Continuation Notice that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Committed Loan Notice that requests a Term Benchmark Borrowing shall instead be deemed to be a Conversion/Continuation Notice or

a Committed Loan Notice, as applicable, for a Borrowing of Base Rate Loans; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 3.03(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Conversion/Continuation Notice in accordance with the terms of Section 2.02 or a new Committed Loan Notice in accordance with the terms of Section 2.02, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan on such day.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (e) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.03, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.03.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor

for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request for a Term Benchmark Borrowing into a request for a Borrowing of or conversion to a Borrowing of Base Rate Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.03, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan on such day.

### 3.04 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Lender to any Taxes (other than (A) Indemnified Taxes covered in Section 3.01, or (B) Excluded Taxes) with respect to this Agreement or any Loan made by it; or

(iii) impose on any Lender or the applicable offshore interbank market any other condition, cost or expense affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Term Benchmark Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender’s holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender, to a level below that which such Lender

or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section 3.04, in reasonable detail sufficient to allow the Borrower to verify such calculation, and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.04 for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a Term Benchmark Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 11.13;

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained, but excluding loss of anticipated profits. The Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Term Benchmark Loan made by it at the Term SOFR Rate for such Loan by a matching deposit or other borrowing in the applicable offshore interbank market for a comparable amount and for a comparable period, whether or not such Term Benchmark Loan was in fact so funded.

### 3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any additional amount to any Lender or any

Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender is a Defaulting Lender, the Borrower may replace such Lender in accordance with Section 11.13.

3.07 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

(o) The Closing Date shall have occurred on or before the date that is two (2) Business Day after the entry of the Interim DIP/Cash Collateral Order unless the Required Lenders consent to a later date.

#### 4.02 Conditions of Final Borrowing.

The Agents shall not be liable for any action taken or not taken by them (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agents shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 8.02) or (ii) in the absence of their own gross negligence or willful misconduct. The Agents shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower or a Lender.

The Agents shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Agents.

9.04 Reliance by Agents. The Agents shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by them to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agents also may rely upon any statement made to them orally or by telephone and believed by them to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Agents may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by them, and shall not be liable for any action taken or not taken by them in accordance with the advice of any such counsel, accountants or experts. The Agents shall be fully justified in failing or refusing to take any action under any Loan Documents unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate. The Agents shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action take or failure to act pursuant thereto shall be binding upon all the Lenders.

9.05 Delegation of Duties. The Agents may perform in any and all of their duties and exercise their rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent or the Collateral Agent, as applicable. The Agents and any such sub-agent may perform any and all of their duties and exercise their rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article IX shall apply to any such sub-agent and to the Related Parties of the Agents and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facility provided for herein as well as activities as Administrative Agent or Collateral Agent. The Agents shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Agents acted with gross negligence or willful misconduct in the selection of such sub-agents.

9.06 Resignation of Agents. The Agents may at any time give notice of its resignation to the Lenders and the Borrower, including the effective date of such resignation which may be not less than 30 days from the date of such notice. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower at all times other than during the existence of an Event of Default (which consent shall not be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agents give notice of their resignation, then the retiring Agents may on behalf of the Lenders, appoint a successor Administrative Agent and Collateral Agent meeting the qualifications set forth above; provided that if the Agents shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Agents shall be discharged from their duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent and Collateral Agent hereunder, such successor shall succeed to and become vested

with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent and Collateral Agent, and the retiring Administrative Agent and Collateral Agent shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's or Collateral Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article IX and Section 11.04 shall continue in effect for the benefit of such retiring Administrative Agent and Collateral Agent, their respective sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent and Collateral Agent was acting as Administrative Agent and Collateral Agent.

9.07 Non-Reliance on Agents and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder. The Agents shall not have any duty or responsibility to provide any Lender with any other credit or other information concerning the affairs, financial condition or business of any Loan Party that may come into the possession of the Agents.

9.08 Intercreditor Agreement. The parties hereto acknowledge and agree that: (a) in accordance with the Interim DIP/Cash Collateral Order and any other order of the Bankruptcy Court, each Agent shall be subject to the terms of the Intercreditor Agreement as if the Agents were party thereto as a "Term Agent" (as defined in the Intercreditor Agreement) and (b) each Agent, acting in the capacity as a Term Agent, is authorized to perform and take or refrain from taking any actions, and providing any consents or directions, in connection with the Intercreditor Agreement.

9.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.07 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the

Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

9.10 Collateral and Guaranty Matters. The Lenders irrevocably authorize the Agents, at their option and in their discretion,

(a) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (i) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations for which no claim has then been asserted), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document to a Person that is not a Loan Party, or (iii) if approved, authorized or ratified in writing in accordance with Section 11.01; and

(b) to release any Guarantor from its obligations hereunder if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder.

Upon request by the Agents at any time, the Required Lenders will confirm in writing the Agents' authority to release or subordinate their interest in particular types or items of property, or to release any Guarantor from its obligations hereunder pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent or the Collateral Agent, as applicable, will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations hereunder, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

9.11 Notice of Transfer. The Agents may deem and treat a Lender party to this Agreement as the owner of such Lender's portion of the Obligations for all purposes, unless and until, and except to the extent, an Assignment and Assumption shall have become effective as set forth in Section 11.06.

9.12 Agency for Perfection. Each Lender hereby appoints each other Lender as agent for the purpose of perfecting Liens for the benefit of the Agents and the Lenders, in assets which, in accordance with Article 9 of the UCC or any other applicable Law can be perfected only by possession. Should any Lender (other than the Agents) obtain possession of any such Collateral, such Lender shall notify the Agents thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

9.13 Indemnification of Agents. The Lenders agree to indemnify the Agents (to the extent not reimbursed by the Loan Parties and without limiting the obligations of Loan Parties hereunder), ratably according to their respective principal amount of Loans held (or, if the Loans have been repaid, according to their respective principal amount of Loans held immediately prior to such repayment), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or

asserted against any Agent in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted to be taken by any Agent in connection therewith; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final and nonappealable judgment of a court of competent jurisdiction; provided further that no action taken in accordance with the directions of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.13. The undertaking in this Section 9.13 shall survive termination of the New Money Term Loan Commitments, the payment of all other Obligations, the resignation or removal of the Agents, and the exercise of Write-Down and Conversion Powers by an EEA Resolution Authority with respect to any Lender that is an EEA Financial Institution.

9.14 Withholding Tax. To the extent required by any applicable law, the Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agent (to the extent that the Agent has not already been reimbursed by the Borrower and without limiting the obligation of the Borrower to do so) for all amounts paid, directly or indirectly, by the Agent as Tax or otherwise, including any interest, additions to Tax or penalties thereto, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error.

9.15 Relation Among Lenders. The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Agents) authorized to act for, any other Lender.

9.16 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations or otherwise) of one or more Benefit Plans in connection with the Loans, the letters of credit or the Commitments,

(ii) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is

applicable so as to exempt from the prohibitions of ERISA Section 406 and Code Section 4975 such Lender's entrance into, participation in, administration of and performance of the Loans, the letters of credit, the Commitments and this Agreement, and the conditions for exemptive relief thereunder are and will continue to be satisfied in connection therewith,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the letters of credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the letters of credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the letters of credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent or any of its Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

## ARTICLE X CONTINUING GUARANTY

10.01 Guaranty. Each Guarantor hereby absolutely and unconditionally guarantees, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of any and all of the Obligations, whether for principal, interest, premiums, fees, indemnities, damages, costs, expenses or otherwise, of the Borrower to the Secured Parties, arising hereunder and under the other Loan Documents (including all renewals, extensions, amendments, refinancings and other modifications thereof and all costs, attorneys' fees and expenses incurred by the Secured Parties in connection with the collection or enforcement thereof). The Administrative Agent's books and records showing the amount of the Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon each Guarantor, and conclusive for the purpose of establishing the amount of the Obligations. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Obligations or any instrument or agreement evidencing any Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Obligations which might otherwise constitute a defense to the obligations of any Guarantor under this Guaranty, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

10.02 Rights of Lenders. Each Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Obligations; (c) apply such security and direct the order or manner of sale thereof as the Administrative Agent and the Lenders in their sole discretion may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of such Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of such Guarantor.

10.03 Certain Waivers. Each Guarantor waives (a) any defense arising by reason of any disability or other defense of the Borrower or any other Guarantor, or the cessation from any cause whatsoever (including any act or omission of any Secured Party) of the liability of the Borrower; (b) any defense based on any claim that such Guarantor's obligations exceed or are more burdensome than those of the Borrower; (c) the benefit of any statute of limitations affecting such Guarantor's liability hereunder; (d) any right to proceed against the Borrower, proceed against or exhaust any security for the Obligations, or pursue any other remedy in the power of any Secured Party whatsoever; (e) any benefit of and any right to participate in any security now or hereafter held by any Secured Party; and (f) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties. Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Obligations. As provided below, this Guaranty shall be governed by, and construed in accordance with, the laws of the State of New York.

10.04 Obligations Independent. The obligations of each Guarantor hereunder re those of primary obligor, and not merely as surety, and are independent of the Obligations and the obligations of any other guarantor, and a separate action may be brought against each Guarantor to enforce this Guaranty whether or not the Borrower or any other person or entity is joined as a party.

10.05 Subrogation. No Guarantor shall exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Obligations (other than any indemnity obligations for unasserted claims that by its terms survives the termination of this Agreement) and any amounts payable under this Guaranty have been paid and performed in full and the Commitments and the facility are terminated. If any amounts are paid to any Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Secured Parties to reduce the amount of the Obligations, whether matured or unmatured.

10.06 Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Obligations now or hereafter existing and shall remain in full force and effect until all Obligations and any other amounts payable under this Guaranty are paid in full in cash (other than any indemnity obligations for unasserted claims that by its terms survives the termination of this Agreement) and the Commitments and the facility with respect to the Obligations are terminated. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if payment by or on behalf of the Borrower or any Guarantor is made, or any of the Secured Parties exercises its right of setoff, in respect of the Obligations and such payment or the proceeds of such setoff or any part

thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any of the Secured Parties in their discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Secured Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of each Guarantor under this paragraph shall survive termination of this Guaranty.

10.07 Subordination. Each Guarantor hereby subordinates the payment of all obligations and indebtedness of the Borrower owing to such Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of the Borrower to any Guarantor as subrogee of the Secured Parties or resulting from such Guarantor's performance under this Guaranty, to the indefeasible payment in full in cash of all Obligations (other than any indemnity obligations for unasserted claims that by its terms survives the termination of this Agreement). If the Secured Parties so request, any such obligation or indebtedness of the Borrower to any Guarantor shall be enforced and performance received by such Guarantor as trustee for the Secured Parties and the proceeds thereof shall be paid over to the Secured Parties on account of the Obligations, but without reducing or affecting in any manner the liability of such Guarantor under this Guaranty.

10.08 Stay of Acceleration. If acceleration of the time for payment of any of the Obligations is stayed, in connection with any case commenced by or against any Guarantor or the Borrower under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by such Guarantor immediately upon demand by the Secured Parties.

10.09 Condition of Borrower. Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Borrower and any other guarantor such information concerning the financial condition, business and operations of the Borrower and any such other Guarantor as such Guarantor requires, and that none of the Secured Parties has any duty, and such Guarantor is not relying on the Secured Parties at any time to disclose to such Guarantor any information relating to the business, operations or financial condition of the Borrower or any other Guarantor (such Guarantor waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

## ARTICLE XI MISCELLANEOUS

11.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) except in connection with the exercise of the Roll Option, extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written consent of such Lender (it being understood that the waiver of any mandatory prepayment shall not constitute an extension or increase of any Commitment of any Lender);

(b) except in connection with the exercise of the Roll Option, postpone any date fixed by this Agreement, any other Loan Document for any payment of principal, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under any of the other Loan Documents without the written

consent of each Lender entitled to such payment (it being understood that the waiver of or amendment to the terms of any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest);

(c) except in connection with the exercise of the Roll Option, reduce the principal of, or the rate of interest specified herein on, any Loan, or any fees or other amounts payable hereunder or under any other Loan Document, without the written consent of each Lender entitled to such amount; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change Section 8.03 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender;

(e) change any provision of this Section 11.01 or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender;

(f) except as expressly permitted hereunder, release all or substantially all of the Guarantors from their obligations under the Loan Documents without the written consent of each Lender;

(g) except for releases of Collateral in accordance with the provisions of Section 9.10 hereof (in which case, such release may be made by the Administrative Agent acting alone), release all or substantially all of the Collateral from the Liens of the Collateral Documents in any transaction or series of related transactions, without the written consent of each Lender; or

(h) subordinate (x) the Liens securing any of the Obligations on all or substantially all of the Collateral (“Existing Liens”) to the Liens securing any other Indebtedness or other obligations or (y) any Obligations in contractual right of payment to any other Indebtedness or other obligations (any such other Indebtedness or other obligations, to which such Liens securing any of the Obligations or such Obligations, as applicable, are subordinated, “Senior Indebtedness”), in either the case of subclause (x) or (y), unless each adversely affected Lender has been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the amount of Obligations that are adversely affected thereby held by each Lender) of the Senior Indebtedness on the same terms (other than bona fide backstop fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, “Ancillary Fees”) as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness pursuant to a written offer made to each such adversely affected Lender describing the material terms of the arrangements pursuant to which the Senior Indebtedness is to be provided, which offer shall remain open to each adversely affected Lender for a period of not less than five Business Days; provided however that (1) an amendment to permit an increase in the maximum permitted amount of Obligations under the ABL DIP Facility shall not be restricted by subclause (x) above and (2) any subordination expressly permitted by the Intercreditor Agreement or in connection with the exercise of the Roll Option shall not be restricted by subclauses (x) and (y) above.

and provided further, that no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent or the Collateral Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent or the Collateral Agent, as applicable, under this Agreement or any other Loan Document. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any

right to approve or disapprove any amendment, waiver or consent hereunder, except an amendment under clause (a), (b) or (c) above that directly affects the rights and obligations of such Lender.

If any Lender does not consent to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the consent of each Lender, and that has been approved by the Required Lenders, the Borrower may replace such non-consenting Lender in accordance with Section 11.13; provided that such amendment, waiver, consent or release can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Borrower to be made pursuant to this paragraph).

Notwithstanding anything to the contrary contained in this Section 11.01, if the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of any Loan Document, then the Administrative Agent and/or the Collateral Agent (acting in their sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document.

#### 11.02 Notices; Effectiveness; Electronic Communications.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to Holdings, the Borrower, any Loan Party, the Administrative Agent or the Collateral Agent to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 11.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to Holdings or any of its Subsidiaries, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to Holdings or any of its Subsidiaries, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of Holdings, the Borrower, any other Loan Party, and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(e) Reliance by Administrative Agent, the Collateral Agent and Lenders. The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Conversion/Continuation Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall

indemnify the Administrative Agent, the Collateral Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

11.03 No Waiver; Cumulative Remedies. No failure by any Lender, the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

11.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Loan Parties agrees to pay or reimburse (i) all reasonable and documented in reasonable detail out-of-pocket expenses incurred by the Agents and their respective Affiliates, in connection with this Agreement and the other Loan Documents, including without limitation (A) the reasonable and documented in reasonable detail fees, charges and disbursements of (1) a single counsel for the Agents, and, if reasonably necessary, for one local counsel in each relevant jurisdiction material to the interest of the Lenders, in each case, selected by the Administrative Agent, absent a conflict of interest between any of such Persons where the affected Persons inform the Borrower of such conflict, in which case the affected Persons may engage and be reimbursed for one additional counsel, (2) outside consultants for the Agents and (3) appraisers, and (B) in connection with (A) the Syndication, (B) the preparation, negotiation, administration, management, execution and delivery of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (C) the enforcement or protection of their rights in connection with this Agreement or the Loan Documents or efforts to preserve, protect, collect, or enforce the Collateral, or (D) any workout, restructuring or negotiations in respect of any Obligations and (ii) all reasonable and documented in reasonable detail out-of-pocket expenses incurred by the Secured Parties who are not the Agents or any Affiliate of any of them (limited in the case of counsel and financial advisors to the Lender Professionals).

(b) Indemnification by the Loan Parties. The Loan Parties shall indemnify the Administrative Agent (and any sub-agent thereof), the Collateral Agent, each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable and documented in reasonable detail fees, charges and disbursements of one counsel to all Indemnities taken as a whole and, if reasonably necessary, a single local counsel for all Indemnities taken as a whole in each relevant jurisdiction material to the interests of the Lenders, in each case, selected by the Administrative Agent and solely in the case of an actual conflict of interest between Indemnities where the Indemnities affected by such conflict inform the Borrower of such conflict, one additional counsel in each relevant jurisdiction material to the interest of the Lenders to each group of affected Indemnities taken as a whole) incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the preparation, execution, delivery or administration of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby or any amendment or waiver with respect hereto or thereto, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, or, in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this

Agreement and the other Loan Documents, (ii) any Loan or letter of credit or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or Release or threat of Release of Hazardous Materials, at, under, on or from any property or facility currently or formerly owned, leased or operated by Holdings or any of its Subsidiaries, or any Environmental Liability related in any way to Holdings or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee (y) result from a claim brought by the Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrower or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction, or (z) result from the presence, Release or threat of Release of Hazardous Materials or violations of Environmental Laws first occurring or first existing after completion of the foreclosure upon the Collateral, granting of a deed-in-lieu of foreclosure with respect to the Collateral or similar transfer of title or possession of the Collateral, unless such presence, release or violation is actually caused by any Loan Party or any Subsidiary thereof. This Section 11.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fails to pay any amount required under subsection (a) or (b) of this Section 11.04 to be paid by it to the Agents (or any sub-agent thereof), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent, or such Related Party, as the case may be, such Lender's share (based on the amount of Loans held by each Lender at the time that the applicable unreimbursed expense or indemnity payment is sought or if the Loans have been repaid in full, based on the amount of Loans held by such Lender immediately prior to such repayment) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or the Collateral Agent, in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or the Collateral Agent in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.10(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the Loan Parties shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(e) Payments. All amounts due under this Section 11.04 shall be payable not later than ten Business Days after receipt of an invoice or demand therefor.

(f) Survival. The agreements in this Section 11.04 shall survive the resignation of the Agents, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

11.05 Payments Set Aside. To the extent that any payment by or on behalf of any of the Loan Parties is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Effective Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement. Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 11.06(b), (ii) by way of participation in accordance with the provisions of Section 11.06(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 11.06(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section 11.06 and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section 11.06, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption,

as of the Trade Date, shall not be less than \$500,000, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned; provided that (a) the Fronting Lender may not assign New Money Term Loans separate from any New Money Term Loan Commitments held by it at the time of such assignment and (b) any assigning Lender seeking to assign New Money Term Loans or New Money Term Loan Commitments must also assign a proportionate amount of New Money Term Loan Commitments (in the case of an assignment of New Money Term Loans) or New Money Term Loans (in the case of an assignment of New Money Term Loan Commitments) held by such assigning Lender;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section 11.06 and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that the Borrower shall be deemed to have consented to any assignment if it does not respond to a written request for consent within 5 Business Days; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (i) any Commitment if such assignment is to a Person that is not a Lender with a Commitment, an Affiliate of Lender or an Approved Fund with respect to such Lender or (ii) any Loan to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund;

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any Tax forms required by Section 3.01(e) or (f);

(v) No Assignments to Certain Persons. No such assignment shall be made to Holdings, the Borrower or any of its Affiliates; and

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person.

(vii) No Assignments to Non-Party(ies) to Transaction Support Agreement. No such assignment shall be made to any Person who is not a party to the Transaction Support

Agreement or who does not, concurrently with the closing of such assignment, become a party to the Transaction Support Agreement; provided however that in no event shall any Agent be responsible or liable for monitoring or confirming whether any assignee or proposed assignee is a party, or will subsequently become a party, to the Transaction Support Agreement.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section 11.06, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, the Borrower (at its expense) shall execute and deliver a note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 11.06(d).

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, including, for avoidance of doubt, any indemnification obligation with respect to the participated interest, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (a), (b), (c), (f) and (g) in the first proviso to Section 11.01 that affects such Participant. Subject to subsection (e) of this Section 11.06, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.06(b), provided such Participant agrees to be subject to Section 3.01 as though it were a Lender. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as

though it were a Lender, provided such Participant agrees to be subject to Section 2.11 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal and interest amount of each Participant's interest in the Loans held by it (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that any such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant except to the extent that such entitlement to any greater payment results from any Change in Law after the Participant becomes a Participant or the sale of the participation to such Participant is made with the Borrower's prior written consent.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a FRB or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 11.06, whether or not such assignment or transfer is reflected in the Register, shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

11.07 Treatment of Certain Information; Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 11.07, to (i) any assignee of or

Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, or (iii) any funding or financing source of any Lender, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 11.07 or (ii) becomes available to the Administrative Agent, any Lender, or any of their respective Affiliates on a non-confidential basis from a source other than the Borrower. For purposes of this Section 11.07, “Information” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, operations, assets and related matters, other than any such information that is available to the Administrative Agent, any Lender on a non-confidential basis prior to disclosure by any Loan Party or any Subsidiary thereof, provided that, in the case of information received from a Loan Party or any such Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 11.07 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning Holdings or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including Federal and state securities Laws.

11.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Secured Party and each of its respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Secured Party or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Secured Party, irrespective of whether or not such Secured Party shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Secured Party different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Secured Party and their respective Affiliates under this Section 11.08 are in addition to other rights and remedies (including other rights of setoff) that such Secured Party or their respective Affiliates may have. Each Secured Party agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder. Counterparts; Integration; Effectiveness. (a) This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan

Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” and words of like import in this Agreement, any other Loan Document and/or any document, amendment, approval, consent, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 11.02), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”), shall be deemed to include Electronic Signatures. Such signatures or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be; to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it. Without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, each party hereto shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of any other party hereto without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of any party hereto, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, each party hereto hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the parties hereto, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) each party hereto may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any party hereto, and any Related Party of any of the foregoing Persons for any liabilities arising solely from any such party’s reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any liabilities arising as a result of the failure of any party hereto to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

**11.11 Survival of Representations and Warranties.** All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of

any Default at the time of any Loan, and shall continue in full force and effect as long as any Loan or other Obligation (other than any indemnity obligation for unasserted claims that by its terms survives the termination of this Agreement) shall remain unpaid or unsatisfied.Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.Replacement of Lenders. (A) If any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or (B) if any Lender is a Defaulting Lender, or (C) if in connection with a proposed amendment, modification, waiver, or consent with respect to any of the provisions hereof as contemplated by Section 11.01, the consent of the Required Lenders shall have been obtained but the consent of one or more of such other Lenders whose consent is required shall not have been obtained, or (D) if any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that: the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) such assignment does not conflict with applicable Laws.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

#### 11.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, AND, AS MAY BE APPLICABLE, THE BANKRUPTCY CODE, REGARDLESS OF LAWS THAT MIGHT OTHERWISE GOVERN UNDER APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS THEREOF.

(b) SUBMISSION TO JURISDICTION. EACH OF THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT AND, SOLELY TO THE EXTENT THAT THE BANKRUPTCY COURT DOES NOT HAVE (OR ABSTAINS FROM EXERCISING) JURISDICTION OVER ANY MATTER, THE COURTS OF THE STATE OF

NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH BANKRUPTCY COURT AND, SOLELY TO THE EXTENT THAT THE BANKRUPTCY COURT DOES NOT HAVE (OR ABSTAINS FROM EXERCISING) JURISDICTION, SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY SECURED PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH OF THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

11.15 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and Holdings each acknowledge and agree, and acknowledge their respective Affiliates' understanding, that: (i) the arranging and other services regarding this Agreement provided by the Administrative Agent and the Lenders are arm's-length commercial transactions between the Borrower,

Holdings and their respective Affiliates, on the one hand, and the Administrative Agent and the Lenders, on the other hand, (ii) each of the Borrower and Holdings and each other Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Borrower and Holdings and each other Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (iv) the Administrative Agent and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (v) neither the Administrative Agent nor Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (vi) the Administrative Agent and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and neither the Administrative Agent nor the Lenders have any obligation to disclose any of such interests to the Borrower, Holdings and their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Administrative Agent and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby. USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. No part of the proceeds of the Loans will be used by the Loan Parties, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended. No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement. Attachments. The exhibits, schedules and annexes attached to this Agreement are incorporated herein and shall be considered a part of this Agreement for the purposes stated herein, except that in the event of any conflict between any of the provisions of such exhibits and the provisions of this Agreement, the provisions of this Agreement shall prevail. Order of Control. To the extent that any specific provision hereof is inconsistent with any of the DIP Orders, the Interim DIP/Cash Collateral Order or Final DIP/Cash Collateral Order (as applicable) shall control. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by: the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
  - (i) a reduction in full or in part or cancellation of any such liability;
  - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge

institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

11.22 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the date first above written.

**Syndication Procedures**

**EXHIBIT D****Syndication Procedures**

1. This is a notification of the syndication procedures (the “***Syndication Procedures***”) with respect to participation as a lender of the Term Loans under this Agreement. In connection with the Chapter 11 Cases, the Chapter 11 Debtors entered into the Transaction Support Agreement. All capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Agreement.
2. Pursuant to the Agreement and the Transaction Support Agreement, each holder of Prepetition Term Loan Obligations as of the Record Date (as defined below) (each such holder, an “***Eligible Lender***”) will have the opportunity to purchase from the Fronting Lender a *pro rata* share of the New Money Term Loans and New Money Term Loan Commitments (the “***Syndication***”). The amount of New Money Term Loans and New Money Term Loan Commitments available for purchase by an Eligible Lender shall be determined by the ratio of the aggregate principal amount of Prepetition Term Loan Obligations held by such Eligible Lender as of the Record Date to the aggregate principal amount of Prepetition Term Loan Obligations outstanding as of the Record Date, in each case, subject in all respects to the terms and conditions of the Interim DIP/Cash Collateral Order, the Transaction Support Agreement, the Loan Documents, these Syndication Procedures and the applicable Execution Documents (as defined below); provided that each DIP Backstop Party shall have been deemed to have elected to purchase its respective *pro rata* shares of the New Money Term Loans and New Money Term Loan Commitments in accordance with the Transaction Support Agreement.
3. The record date for purposes of the Syndication shall be December 18, 2024 (the “***Record Date***”).
4. In order to participate in the Syndication, prior to 5:00 p.m. (Eastern Time), on January 6, 2025 (the “***Election Deadline***”), Eligible Lenders must deliver (email being sufficient) to the notice parties set forth on **Annex 1** attached hereto (collectively, the “***Notice Parties***”), each of the following so that all the items set forth below are *actually received* by the Notice Parties prior to the Election Deadline (collectively, the “***Execution Documents***”):
  - (i) a completed and duly executed copy of the election form (such form, the “***DIP Election Form***”), attached hereto as **Exhibit A**;
  - (ii) a completed and duly executed copy of the Joinder to the Transaction Support Agreement, attached hereto as **Exhibit B**;
  - (iii) a duly executed signature page to the applicable Assignment and Assumption Agreement for each Electing Lender (as defined below); and
  - (iv) a completed administrative questionnaire and applicable tax form for each Electing Lender (as defined below) or, if noted in the DIP Election Form that an Eligible Lender is designating an Approved Fund to take its allocated portion of

the New Money Term Loans and New Money Term Loan Commitments, a completed administrative questionnaire and applicable tax form for such Approved Fund.

5. The DIP Election Form provides each Eligible Lender with the opportunity to purchase from the Fronting Lender its ratable share of New Money Term Loans and New Money Term Loan Commitments (such Eligible Lender's "***DIP Election Amount***"). An Eligible Lender shall be entitled to elect to purchase from the Fronting Lender its DIP Election Amount as set forth in its DIP Election Form in accordance with the terms thereof (any Eligible Lender that makes such an election, an "***Electing Lender***"). Any such DIP Election Amount shall be binding and irrevocable.
6. As soon as practicable after the Election Deadline, but in any event no later than January 9, 2025 (the "***Syndication Date***"), the Lender Professionals, in consultation with the Borrower and the Debtor Professionals, will provide written notice to each Electing Lender of its confirmed DIP Election Amount (including applicable fees and premiums to which such Eligible Holder is entitled to under the Loan Documents), based on a review of confirmed holdings of Prepetition Term Loan Obligations as of the Record Date and confirmed holdings of the New Money Term Loans as of the Election Deadline.
7. On or before January 10, 2025 (or such later date as agreed between the Fronting Lender and the Electing Lender) (the "***Funding Date***"), the Fronting Lender and the Electing Lender shall enter into a trade and execute the applicable Assignment & Assumption Agreement, which may be in the form of a master Assignment and Assumption Agreement, pursuant to which the Electing Lender shall purchase from the Fronting Lender the New Money Term Loans and New Money Term Loan Commitments in aggregate amount equal to such Electing Lender's DIP Election Amount. For the avoidance of doubt, the Fronting Lender shall also assign to such Electing Lender its proportionate share of the Commitment Premium that has been paid in the form of New Money Term Loans for no additional consideration.

Bank, N.A.'s base rates (not necessarily the lowest of such rates) and serves as the basis upon which effective rates of interest are calculated for those loans making reference thereto and is evidenced by the recording thereof after its announcement in such internal publications as Wells Fargo Bank, N.A. may designate (or, if such rate ceases to be so published, as quoted from such other generally available and recognizable source as Agent may select in its reasonable discretion). If the Base Rate is being used as an alternate rate of interest pursuant to Section 3.02 (for the avoidance of doubt, only until the Benchmark Replacement has been determined pursuant to Section 3.02(b)), then the Base Rate shall be the greater of clauses (a) and (b) above and shall be determined without reference to clause (c) above. **"Benchmark Replacement"** means, for any Available Tenor, the first alternative set forth in the order below that can be determined by the Administrative Agent for the applicable Benchmark Replacement Date:

(a) Daily Simple SOFR; or

(b) the sum of: (i) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to (A) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (B) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current Benchmark for dollar-denominated syndicated credit facilities at such time in the United States and (ii) the related Benchmark Replacement Adjustment.

If the Benchmark Replacement as determined pursuant to clause (a) or (b) above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Loan Documents.

**"Benchmark Replacement Adjustment"** means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable interest period and Available Tenor for any setting of such Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date and/or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread

adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for dollar-denominated syndicated credit facilities at such time.

**“Benchmark Replacement Conforming Changes”** means, with respect to any Benchmark Replacement and/or any Term Benchmark Loan, any technical, administrative or operational changes (including changes to the definition of “Base Rate”, the definition of “Business Day”, the definition of “U.S. Government Securities Business Day”, the definition of “Interest Period” (or similar concept), timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Administrative Agent decides may be appropriate to reflect the adoption and implementation of such Benchmark and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent determines that no market practice for the administration of such Benchmark exists, in such other manner of administration as the Administrative Agent decides is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents).

**“Benchmark Replacement Date”** means, with respect to any Benchmark, the earliest to occur of the following events with respect to such then-current Benchmark:

(a) in the case of clause (a) or (b) of the definition of “Benchmark Transition Event”, the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or

(b) in the case of clause (c) of the definition of “Benchmark Transition Event”, the first date on which all Available Tenors of such Benchmark (or such component thereof) have been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be no longer representative; provided, that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (c) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, (i) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

**“Benchmark Transition Event”** means, with respect to any Benchmark, the occurrence of one or more of the following events with respect to such then-current Benchmark:

(a) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of

such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(b) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the FRB, the NYFRB, the CME Term SOFR Administrator, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), in each case, which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(c) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are no longer, or as of a specified future date will no longer be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“**Benchmark Unavailability Period**” means, with respect to any Benchmark, the period (if any) (x) beginning at the time that a Benchmark Replacement Date pursuant to clauses (a) or (b) of that definition has occurred if, at such time, no Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 3.02 and (y) ending at the time that a Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 3.02.

2.01 Committed Loans; Reserves.

(a) Subject to the terms and conditions set forth herein, each Lender severally agrees to make loans (each such loan, a “**Committed Loan**”) to the Borrower from time to time, on any Business Day during the Availability Period, subject in each case to the following limitations:

(i) after giving effect to any Borrowing (including, for the avoidance of doubt, a Carve Out Borrowing), the Total Outstandings shall not exceed the lesser of (A) the Aggregate Commitments, or (B) the Borrowing Base;

(ii) after giving effect to any Borrowing, the aggregate Outstanding Amount of the Committed Loans of any Lender, plus such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations, plus such Lender's Applicable Percentage of the Outstanding Amount of all Swing Line Loans shall not exceed the lesser of (x) such Lender's Commitment, or (y) such Lender's Applicable Percentage of the Borrowing Base; and

(iii) the Outstanding Amount of all L/C Obligations shall not at any time exceed the Letter of Credit Sublimit.

Within the limits of each Lender's Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01, prepay under Section 2.05, and reborrow under this Section 2.01. Committed Loans may be Base Rate Loans or Term Benchmark Loans, as further provided herein.

## 2.02 Borrowings of Committed Loans.

(a) Committed Loans and Swing Line Loans shall be Term Benchmark Loans, except as set forth in Section 3.02.

(b) Each Borrowing of Committed Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may be given by telephone; provided, that a Carve Out Borrowing shall be made upon receipt of a Carve Out Trigger Notice in accordance with the Financing Orders. Each such notice must be received by the Administrative Agent not later than 10:00 a.m. on the requested date of any Borrowing. Each telephonic notice by the Borrower pursuant to this Section 2.02(b) must be confirmed promptly by delivery to the Administrative Agent of a Notice of Borrowing, either in writing or by an Approved Electronic Communication, appropriately completed and signed by a Responsible Officer of the Borrower. Each Borrowing (other than a Carve Out Borrowing) shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof. Each Notice of Borrowing (whether telephonic, written or by Approved Electronic Communication) shall specify (A) the requested date of the Borrowing (which shall be a Business Day), and (B) the principal amount of Committed Loans to be borrowed, except for a Carve Out Trigger Notice in respect of a Carve Out Borrowing, which shall set forth the information required therefor by the Financing Orders.

(c) [Reserved].

(d) Following receipt of a Notice of Borrowing, the Administrative Agent shall promptly notify each Lender of the amount of its Applicable Percentage of the applicable Committed Loans. In the case of a Borrowing of Committed Loans, each Lender shall make the amount of its Committed Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 1:00 p.m. on the Business Day specified in the applicable Notice of Borrowing. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall use reasonable efforts to make all funds so received available to the Borrower in like funds by no later than 4:00 p.m. on the day of receipt by the Administrative Agent either by (i) crediting the account of the Borrower on the books of Eclipse with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; provided, however,

that if, on the date the Notice of Borrowing with respect to such Borrowing is given by the Borrower, there are Letter of Credit Disbursements outstanding, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such Letter of Credit Disbursements, and second, shall be made available to the Borrower as provided above.

(e) Each Borrowing of Committed Loans shall be made by the Lenders pro rata in accordance with their respective Applicable Percentage with respect to the applicable Class. The failure of any Lender to make any Loan shall neither relieve any other Lender of its obligation to fund its Loan in accordance with the provisions of this Agreement nor increase the obligation of any such other Lender.

(f) The Administrative Agent, without the request of the Borrower, may advance any interest, fee, service charge, Credit Party Expenses, or other payment to which any Credit Party is entitled from the Loan Parties pursuant hereto or any other Loan Document and may charge the same to the Loan Account notwithstanding that an Overadvance may result thereby. The Administrative Agent shall deliver to the Borrower a statement of any such advance or charge promptly after the making thereof (or in the case of Credit Party Expenses, at the time that the five (5) Business Days' notice is furnished) in reasonable detail sufficient to allow the Borrower to verify such interest, fee, service charge, Credit Party Expenses, or other payment. Such action on the part of the Administrative Agent shall not constitute a waiver of the Administrative Agent's rights and the Borrower's obligations under Section 2.05. Any amount which is added to the principal balance of the Loan Account as provided in this Section 2.02(f) shall bear interest at the interest rate then and thereafter applicable to Base Rate Loans.

(g) [Reserved].

(h) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any interest period for Term Benchmark Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Prime Rate used in determining the Base Rate promptly following the public announcement of such change.

(i) [Reserved].

(j) The Administrative Agent, the Lenders and the Swing Line Lender shall have no obligation to make any Loan or to provide any Letter of Credit if an Overadvance would result. The Administrative Agent may, in its discretion, make Permitted Overadvances without the consent of the Lenders, the Swing Line Lender and each Lender shall be bound thereby. Any Permitted Overadvance may constitute a Swing Line Loan. A Permitted Overadvance is for the account of the Borrower and shall constitute a Loan and an Obligation. The making of any such Permitted Overadvance on any one occasion shall not obligate the Administrative Agent or any Lender to make or permit any Permitted Overadvance on any other occasion or to permit such Permitted Overadvances to remain outstanding. The making by the Administrative Agent of a Permitted Overadvance shall not modify or abrogate any of the provisions of Section 2.03 regarding the Lenders' obligations to purchase participations with respect to Letter of Credits. The Administrative Agent shall have no liability for, and no Loan Party or Credit Party shall have the right to, or shall, bring any claim of any kind whatsoever against the Administrative Agent with respect to "inadvertent Overadvances" (i.e., where an Overadvance results from changed circumstances beyond the control of the Administrative Agent (such as a reduction in the collateral value)) regardless of the amount of any such Overadvance(s).

(k) For the avoidance of doubt, as of the Closing Date, the Types of Borrowings available to the Borrower shall be comprised of either Base Rate Loans or Term Benchmark Loans.

2.03 Letters of Credit.

(a) General. Subject to the terms and conditions of this Agreement, upon the request of the Borrower made in accordance herewith, and prior to the Maturity Date, the Administrative Agent agrees to arrange for one or more L/C Issuers to issue standby Letters of Credit for any lawful purpose of any Loan Party. Pursuant to the foregoing, and subject to the terms and conditions contained herein, the Administrative Agent shall make standby Letters of Credit available to the Loan Parties by causing one or more L/C Issuers to issue such standby Letters of Credit. By submitting a request to the Administrative Agent for the issuance of a Letter of Credit, the Borrower shall be deemed to have requested that the Administrative Agent cause the issuance of the requested Letter of Credit by the applicable L/C Issuer. Each request for the issuance of a Letter of Credit, or the amendment, renewal, or extension of any outstanding Letter of Credit, shall be (i) irrevocable and made in writing by a Responsible Officer of the Borrower, (ii) delivered to the Administrative Agent via Approved Electronic Communications and reasonably in advance of the requested date of issuance, amendment, renewal, or extension, and (iii) subject to the Administrative Agent's and, as applicable, the applicable L/C Issuer's, authentication procedures with results satisfactory to such Persons. Each such request shall be in form and substance reasonably satisfactory to the Administrative Agent and the applicable L/C Issuer and (i) shall specify (A) the amount of such Letter of Credit, (B) the date of issuance, amendment, renewal, or extension of such Letter of Credit, (C) the proposed expiration date of such Letter of Credit, (D) the name and address of the beneficiary of the Letter of Credit, and (E) such other information (including, the conditions to drawing, and, in the case of an amendment, renewal, or extension, identification of the Letter of Credit to be so amended, renewed, or extended) as shall be necessary to prepare, amend, renew, or extend such Letter of Credit, and (ii) shall be accompanied by such Issuer Documents as the Administrative Agent or such L/C Issuer may request or require, to the extent that such requests or requirements are consistent with the Issuer Documents that such L/C Issuer generally requests for Letters of Credit in similar circumstances. The Administrative Agent's records of the content of any such request will be conclusive.

(b) The Administrative Agent shall have no obligation to cause the issuance, amendment, renewal or extension of a Letter of Credit if any of the following would result after giving effect to the requested issuance, amendment, renewal or extension:

(i) the Outstanding Amount of L/C Obligations would exceed the Letter of Credit Sublimit;

(ii) the Total Revolving Credit Exposure would exceed the lesser of (i) the Borrowing Base and (ii) the Aggregate Commitments;

(iii) the Outstanding Amount of L/C Obligations would exceed the result of (x) the Borrowing Base at such time less (y) the outstanding principal balance of the Committed Loans (inclusive of Swing Line Loans) at such time; or

(iv) the Letter of Credit would expire after the Letter of Credit Expiration Date.

(c) [Reserved].

(d) Each Letter of Credit shall be in form and substance reasonably acceptable to the applicable L/C Issuer and the Administrative Agent, including the requirement that the amounts payable thereunder must be payable in Dollars. If an L/C Issuer or the Administrative Agent makes a payment under, or pursuant to, a Letter of Credit, the Borrower shall pay to the Administrative Agent an amount equal to the applicable Letter of Credit Disbursement on the Business Day such Letter of Credit

Disbursement is made. In the absence of such payment, the amount of the Letter of Credit Disbursement immediately and automatically shall be deemed to be a Committed Loan hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 4.02) and, initially, shall bear interest at the rate then applicable to Base Rate Loans. If a Letter of Credit Disbursement is deemed to be a Committed Loan hereunder, the Borrower's obligation to pay the amount of such Letter of Credit Disbursement to the applicable L/C Issuer shall be automatically converted into an obligation to pay the resulting Committed Loan. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this Section 2.03(d) the Administrative Agent shall distribute such payment to such L/C Issuer or, to the extent that Lenders have made payments pursuant to Section 2.03(e) to reimburse such L/C Issuer, then to such Lenders and such L/C Issuer as their interests may appear.

(e) Promptly following receipt of a notice of a Letter of Credit Disbursement in respect of a Letter of Credit pursuant to Section 2.03(d), each Lender agrees to fund its Applicable Percentage of any Committed Loan deemed made pursuant to Section 2.03(d) on the same terms and conditions as if the Borrower had requested the amount thereof as a Committed Loan and the Administrative Agent shall promptly pay to the Administrative Agent the amounts so received by it from the Lenders. By the issuance of a Letter of Credit (or an amendment, renewal, or extension of any such Letter of Credit) and without any further action on the part of the Administrative Agent or the Lenders, the Administrative Agent shall be deemed to have granted to each Lender, and each Lender shall be deemed to have purchased, a participation in each such Letter of Credit caused by the Administrative Agent to be issued, in an amount equal to its Applicable Percentage of such Letter of Credit, and each such Lender agrees to pay to the Administrative Agent such Lender's Applicable Percentage of any Letter of Credit Disbursement made by an L/C Issuer under the applicable Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent such Lender's Applicable Percentage of each Letter of Credit Disbursement in respect of a Letter of Credit made by an L/C Issuer and not reimbursed by the Borrower on the date due as provided in Section 2.03(d), or of any reimbursement payment that is required to be refunded (or that the Administrative Agent elects, based upon the advice of counsel, to refund) to the Borrower for any reason. Each Lender acknowledges and agrees that its obligation to deliver to the Administrative Agent an amount equal to its respective Applicable Percentage of each Letter of Credit Disbursement in respect of a Letter of Credit pursuant to this Section 2.03(e) shall be absolute and unconditional and such remittance shall be made notwithstanding the occurrence or continuation of an Event of Default or Default or the failure to satisfy any condition set forth in Section 4.02. If any such Lender fails to make available to the Administrative Agent the amount of such Lender's Applicable Percentage of a Letter of Credit Disbursement in respect of a Letter of Credit as provided in this Section 2.03 (an "Unreimbursed Amount"), such Lender shall be deemed to be a Defaulting Lender and the Administrative Agent (for the account of the L/C Issuers) shall be entitled to recover such amount on demand from such Lender together with interest thereon at the Defaulting Lender Rate until paid in full.

(f) [Reserved].

(g) The liability of the Administrative Agent under, in connection with or arising out of any Letter of Credit (or pre-advice), regardless of the form or legal grounds of the action or proceeding, shall be limited to direct damages suffered by the Borrower or other applicable Loan Party that are caused directly by such Person's bad faith, gross negligence or willful misconduct in (i) honoring a presentation under a Letter of Credit that on its face does not at least substantially comply with the terms and conditions of such Letter of Credit, (ii) failing to honor a presentation under a Letter of Credit that strictly complies with the terms and conditions of such Letter of Credit, or (iii) retaining Drawing Documents presented under a Letter of Credit. The Borrower's or other applicable Loan Party's aggregate remedies against the Administrative Agent for wrongfully honoring a presentation under any Letter of Credit or wrongfully retaining honored Drawing Documents shall in no event exceed the aggregate amount paid by the Borrower

to the Administrative Agent in respect of the honored presentation in connection with such Letter of Credit under Section 2.03(d), plus interest at the rate then applicable to Base Rate Loans hereunder. The Borrower or other applicable Loan Party shall use commercially reasonable efforts to avoid and mitigate the amount of any damages claimed against the Administrative Agent, including by enforcing its rights against the beneficiaries of the Letters of Credit. Any claim by the Borrower or other applicable Loan Party under or in connection with any Letter of Credit shall be reduced by an amount equal to the sum of (x) the amount (if any) saved by the Borrower or other applicable Loan Party as a result of the breach or alleged wrongful conduct complained of, and (y) the amount (if any) of the loss that would have been avoided had the Borrower or other applicable Loan Party used commercially reasonable efforts to mitigate any loss, and in case of a claim of wrongful dishonor, by specifically and timely authorizing the Administrative Agent and the applicable L/C Issuer to effect a cure.

(h) The Borrower is responsible for the final text of the Letter of Credit as issued by any L/C Issuer, irrespective of any assistance the Administrative Agent or such L/C Issuer may provide such as drafting or recommending text or by such L/C Issuer's use or refusal to use text submitted by the Borrower. The Borrower understands that the final form of any Letter of Credit may be subject to such revisions and changes as are deemed necessary or appropriate by the applicable L/C Issuer, and the Borrower hereby consents to such revisions and changes not materially different from the application executed in connection therewith. The Borrower is solely responsible for the suitability of the Letter of Credit for the Borrower's or other applicable Loan Party's purposes. If the Borrower requests the Administrative Agent to cause the issuance of a Letter of Credit for an affiliated or unaffiliated third party (an "**Account Party**"), (i) such Account Party shall have no rights against the Administrative Agent; (ii) the Borrower shall be responsible for the application and obligations under this Agreement; and (iii) communications (including notices) related to the respective Letter of Credit shall be among the Administrative Agent and/or the applicable L/C Issuer and the Borrower. The Borrower will examine the copy of the Letter of Credit and any other documents sent by the Administrative Agent on behalf of the applicable L/C Issuer in connection therewith and shall promptly notify the Administrative Agent (not later than three (3) Business Days following the Borrower's receipt of documents from the Administrative Agent) of any non-compliance with the Borrower's instructions and of any discrepancy in any document under any presentment or other irregularity. The Borrower understands and agrees that neither the Administrative Agent nor any L/C Issuer is required to extend the expiration date of any Letter of Credit for any reason. With respect to any Letter of Credit containing an "automatic amendment" to extend the expiration date of such Letter of Credit, the applicable L/C Issuer, in its sole and absolute discretion, may give notice of nonrenewal of such Letter of Credit and, if the Borrower does not at any time want the then current expiration date of such Letter of Credit to be extended, the Borrower will so notify such L/C Issuer (with a copy to the Administrative Agent) at least thirty (30) calendar days before such L/C Issuer is required to notify the beneficiary of such Letter of Credit or any advising bank of such non-extension pursuant to the terms of such Letter of Credit.

(i) The Borrower's reimbursement and payment obligations under this Section 2.03 are absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever, including:

- (i) any lack of validity, enforceability or legal effect of any Letter of Credit, any Issuer Document, this Agreement, or any Loan Document, or any term or provision therein or herein;
- (ii) payment against presentation of any draft, demand or claim for payment under any Drawing Document that does not comply in whole or in part with the terms of the applicable Letter of Credit or which proves to be fraudulent, forged or invalid in any

respect or any statement therein being untrue or inaccurate in any respect, or which is signed, issued or presented by a Person or a transferee of such Person purporting to be a successor or transferee of the beneficiary of such Letter of Credit;

(iii) the Administrative Agent, any L/C Issuer or any of its respective branches or Affiliates being the beneficiary of any Letter of Credit;

(iv) any L/C Issuer or any correspondent honoring a drawing against a Drawing Document up to the amount available under any Letter of Credit even if such Drawing Document claims an amount in excess of the amount available under the Letter of Credit;

(v) the existence of any claim, set-off, defense or other right that any Loan Party or its Subsidiaries may have at any time against any beneficiary or transferee beneficiary, any assignee of proceeds, the Administrative Agent, any L/C Issuer or any other Person;

(vi) any L/C Issuer or any correspondent honoring a drawing upon receipt of an electronic presentation under a Letter of Credit requiring the same, regardless of whether the original Drawing Documents arrive at such L/C Issuer's counters or are different from the electronic presentation;

(vii) any other event, circumstance or conduct whatsoever, whether or not similar to any of the foregoing that might, but for this Section 2.03(i), constitute a legal or equitable defense to or discharge of, or provide a right of set-off against, any Loan Party or any of its Subsidiaries' reimbursement and other payment obligations and liabilities, arising under, or in connection with, any Letter of Credit, whether against any L/C Issuer, the Administrative Agent, the beneficiary or any other Person; or

(viii) the fact that any Default or Event of Default shall have occurred and be continuing;

provided, that subject to Section 2.03(i)(vii), the foregoing shall not release the Administrative Agent or any L/C Issuer from such liability to the Borrower as may be finally determined in a final, non-appealable judgment of a court of competent jurisdiction against the Administrative Agent or such L/C Issuer, as applicable, following reimbursement or payment of the obligations and liabilities, including reimbursement and other payment obligations, of the Borrower to the Administrative Agent and such L/C Issuer arising under, or in connection with, this Section 2.05 or any Letter of Credit.

(j) Without limiting any other provision of this Agreement, the Administrative Agent shall not be responsible to the Borrower for, and the Administrative Agent's rights and remedies against the Borrower and the obligation of the Borrower to reimburse the Administrative Agent for each drawing under each Letter of Credit shall not be impaired by:

(i) honor of a presentation under any Letter of Credit that on its face substantially complies with the terms and conditions of such Letter of Credit, even if the Letter of Credit requires strict compliance by the beneficiary;

(ii) honor of a presentation of any Drawing Document that appears on its face to have been signed, presented or issued (A) by any purported successor or transferee of

any beneficiary or other Person required to sign, present or issue such Drawing Document or (B) under a new name of the beneficiary;

(iii) acceptance as a draft of any written or electronic demand or request for payment under a Letter of Credit, even if nonnegotiable or not in the form of a draft or notwithstanding any requirement that such draft, demand or request bear any or adequate reference to the Letter of Credit;

(iv) the identity or authority of any presenter or signer of any Drawing Document or the form, accuracy, genuineness or legal effect of any Drawing Document (other than an L/C Issuer's determination that such Drawing Document appears on its face substantially to comply with the terms and conditions of the Letter of Credit);

(v) acting upon any instruction or request relative to a Letter of Credit or requested Letter of Credit that an L/C Issuer in good faith believes to have been given by a Person authorized to give such instruction or request;

(vi) any errors, omissions, interruptions or delays in transmission or delivery of any message, advice or document (regardless of how sent or transmitted) or for errors in interpretation of technical terms or in translation or any delay in giving or failing to give notice to the Borrower;

(vii) any acts, omissions or fraud by, or the insolvency of, any beneficiary, any nominated person or entity or any other Person or any breach of contract between any beneficiary and the Borrower or any of the parties to the underlying transaction to which the Letter of Credit relates;

(viii) assertion or waiver of any provision of the ISP or UCP that primarily benefits an issuer of a letter of credit, including any requirement that any Drawing Document be presented to it at a particular hour or place;

(ix) payment to any presenting bank (designated or permitted by the terms of the applicable Letter of Credit) claiming that it rightfully honored or is entitled to reimbursement or indemnity under Standard Letter of Credit Practice applicable to it;

(x) acting or failing to act as required or permitted under Standard Letter of Credit Practice applicable to where the applicable L/C Issuer has issued, confirmed, advised or negotiated such Letter of Credit, as the case may be;

(xi) honor of a presentation after the expiration date of any Letter of Credit notwithstanding that a presentation was made prior to such expiration date and dishonored by an L/C Issuer if subsequently such L/C Issuer or any court or other finder of fact determines such presentation should have been honored;

(xii) dishonor of any presentation that does not strictly comply or that is fraudulent, forged or otherwise not entitled to honor; or

(xiii) honor of a presentation that is subsequently determined by an L/C Issuer to have been made in violation of international, federal, state or local restrictions on the transaction of business with certain prohibited Persons.

(k) The Borrower shall pay immediately upon demand to the Administrative Agent for the account of the applicable L/C Issuer as non-refundable fees, commissions, and charges (it being acknowledged and agreed that any charging of such fees, commissions, and charges to the Register pursuant to the terms of this Agreement shall be deemed to constitute a demand for payment thereof for the purposes of this Section 2.03(k)) any and all customary commissions, fees and charges then in effect imposed by, and any and all documented expenses incurred by the Administrative Agent relating to Letters of Credit, at the time of issuance of any Letter of Credit and upon the occurrence of any other activity with respect to any Letter of Credit (including transfers, assignments of proceeds, amendments, drawings, renewals or cancellations).

(l) [Reserved].

(m) Each Letter of Credit shall expire not later than the date that is 12 months after the date of the issuance of such Letter of Credit; provided that any Letter of Credit may provide for the automatic extension thereof for any number of additional periods each of up to one year in duration; provided, further, that with respect to any Letter of Credit which extends beyond the Maturity Date, Cash Collateralization shall be provided therefor on or before the Letter of Credit Expiration Date.

(n) If (i) any Event of Default occurs and is continuing or (ii) Excess Availability is less than zero, then on the Business Day following the date on which the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Obligations has been accelerated, Lenders with Letter of Credit Exposure representing greater than 50% of the total Letter of Credit Exposure) demanding Cash Collateralization pursuant to this Section 2.03(n), the Borrower shall provide Cash Collateralization with respect to the then existing L/C Obligations; provided that, in each case, upon the occurrence of any Event of Default described in Section 8.01(g) or 8.01(h), the obligation to provide Cash Collateralization will become effective immediately, and any deposit of cash collateral required pursuant to the terms set forth in the Cash Collateralization definition will become immediately due and payable, without demand or other notice of any kind. If the Borrower fail to provide Cash Collateralization as required by this Section 2.05(n), the Lenders may (and, upon direction of the Administrative Agent, shall) advance, as Committed Loans the amount of the cash collateral required pursuant to the terms of the Cash Collateralization definition so that the then existing L/C Obligations is cash collateralized in accordance with the terms of the Cash Collateralization definition (whether or not the Revolving Commitments have terminated, an Overadvance exists or the conditions in Section 4.02 are satisfied).

(o) Unless otherwise expressly agreed by the Administrative Agent, the applicable L/C Issuer and the Borrower, when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to any commercial Letter of Credit (if applicable).

(p) The Administrative Agent and the L/C Issuers shall each be deemed to have acted with due diligence and reasonable care if such Person's conduct is in accordance with Standard Letter of Credit Practice or in accordance with this Agreement.

(q) In the event of a direct conflict between the provisions of this Section 2.03 and any provision contained in any Issuer Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.03 shall control and govern.

(r) The provisions of this Section 2.03 shall survive the termination of this Agreement and the repayment in full of the Obligations with respect to any Letters of Credit that remain outstanding.

(s) For avoidance of doubt, the Borrower hereby acknowledges and agrees that none of the Existing Letters of Credit shall constitute Letters of Credit under this Agreement, nor constitute a part of the Obligations.

#### 2.04 Swing Line Loans.

(a) The Swing Line. Subject to the terms and conditions set forth herein, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, the Swing Line Lender (I) to the extent the Outstanding Amount of the Swing Line Loans shall not exceed \$10,000,000, agrees to and (II) to the extent the Outstanding Amount of the Swing Line Loans shall exceed \$10,000,000, may elect, but shall have no obligation, to make loans (each such loan, a “Swing Line Loan”) to the Borrower from time to time on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Committed Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender’s Commitment; provided, however, that after giving effect to any Swing Line Loan, (i) the Total Outstandings shall not exceed the lesser of (A) the Aggregate Commitments, or (B) the Borrowing Base, and (ii) the aggregate Outstanding Amount of the Committed Loans of any Lender at such time, plus such Lender’s Applicable Percentage of the Outstanding Amount of all L/C Obligations at such time, plus such Lender’s Applicable Percentage of the Outstanding Amount of all Swing Line Loans at such time shall not exceed such Lender’s Commitment, and provided, further, that the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Immediately upon the making of a Swing Line Loan, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender’s Applicable Percentage times the amount of such Swing Line Loan.

(b) Borrowing Procedures. Each Borrowing of Swing Line Loans shall be made upon the Borrower’s irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 10:00 a.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Notice of Borrowing, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Notice of Borrowing, the Swing Line Lender will confirm with the Administrative Agent (by telephone, in writing or by Approved Electronic Communication) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone, in writing or by Approved Electronic Communication) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone, in writing or by Approved Electronic Communication) from the Administrative Agent at the request of the Required Lenders prior to 11:00 a.m. on the date of the proposed Borrowing of Swing Line Loans (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Article IV is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m. on the borrowing date specified in such Notice of Borrowing, make the amount of its Swing Line Loan available to the Borrower at its office by crediting the account of the Borrower on the books of the Swing Line Lender in immediately available funds.

#### (c) Refinancing of Swing Line Loans.

(i) The Swing Line Lender at any time in its sole and absolute discretion may request (but, in any event shall weekly, as provided in Section 2.14(a)), on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Lender make a Base Rate Committed Loan in an amount equal to such Lender's Applicable Percentage for the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Notice of Borrowing for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Aggregate Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Notice of Borrowing promptly after delivering such notice to the Administrative Agent. Each Lender shall make an amount equal to its Applicable Percentage of the amount specified in such Notice of Borrowing available to the Administrative Agent in immediately available funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Notice of Borrowing, whereupon, subject to Section 2.04(c)(ii), each Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Committed Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Lenders fund its risk participation in the relevant Swing Line Loan and each Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by the Swing Line Lender in accordance with banking industry rules on interbank compensation plus any administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Committed Loan included in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Lender's obligation to make Committed Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make Committed Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Applicable Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Lender shall pay to the Swing Line Lender its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Effective Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Applicable Percentage of any Swing Line Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

2.05 Prepayments.

(a) The Borrower may, upon notice to the Administrative Agent (which notice, if furnished in connection with a refinancing of the Obligations, may be conditional upon the consummation of such refinancing), at any time or from time to time voluntarily prepay Committed Loans in whole or in part without premium or penalty; provided that (i) such notice must be received by the Administrative Agent not later than 2:00 p.m. (A) three Business Days prior to any date of prepayment of Term Benchmark Loans, (B) on the date of prepayment of Base Rate Loans and (C) [reserved]; (ii) any prepayment of Term Benchmark Loans shall be in a principal amount of \$2.0 million or a whole multiple of \$1.0 million in excess thereof, in each case, if less, the entire principal amount thereof then outstanding and (iii) any prepayment of Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment, and the Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Term Benchmark Loan shall be accompanied by all accrued interest on the amount prepaid. Each such prepayment shall be applied to the Committed Loans of the Lenders in accordance with their respective Applicable Percentages.

(b) The Borrower may, upon irrevocable notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in

whole or in part without premium or penalty; provided that (i) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (ii) any such prepayment shall be in a minimum principal amount of \$100,000. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(c) If for any reason the Total Outstandings at any time exceed the lesser of the Aggregate Commitments or the Borrowing Base, each as then in effect, the Borrower shall immediately prepay Loans, Swing Line Loans and Letter of Credit Disbursements and/or Cash Collateralize the L/C Obligations (other than Letter of Credit Disbursements) in an aggregate amount equal to such excess; provided, however, that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(c) unless after the prepayment in full of the Loans the Total Outstandings exceed the lesser of the Aggregate Commitments or the Borrowing Base, each as then in effect.

(d) Any Net Cash Proceeds from any Disposition by the Borrower or any of its Subsidiaries (other than, (i) with respect only to the Term Priority Collateral, such portion of the Net Cash Proceeds that are then required to be paid to the lenders under the DIP Term Facility and (ii) any Disposition of any property permitted by Section 7.05(a), (b), (c), (d), (e), (g), (i) or (j)) shall be paid over to the Administrative Agent on receipt by the Loan Parties and shall be utilized to prepay the Loans in the order of priority set forth in Section 2.05(e). The application of such Net Cash Proceeds to the Loans shall not reduce the Commitments. If all Obligations then due are paid, any excess Net Cash Proceeds shall be remitted to the operating account of the Borrower.

(e) Prepayments made pursuant to Section 2.05, first, shall be applied ratably to the Letter of Credit Disbursements and the Swing Line Loans, second, shall be applied ratably to the outstanding Loans, and third, shall be used to Cash Collateralize the remaining L/C Obligations; and the amount remaining, if any, after the repayment in full of all Letter of Credit Disbursements, Swing Line Loans and Committed Loans outstanding at such time and the Cash Collateralization of the remaining L/C Obligations in full may be retained by the Borrower for use in the ordinary course of its business. Upon the drawing of any Letter of Credit that has been Cash Collateralized, the funds held as Cash Collateral shall be applied (without any further action by or notice to or from the Borrower or any other Loan Party) to reimburse the L/C Issuers or the Lenders, as applicable.

## 2.06 Termination of Commitments.

(a) The Borrower may terminate the Aggregate Commitments in whole (but not in part); provided that (i) any such notice shall be received by the Administrative Agent not later than 2:00 p.m. three (3) Business Days prior to the date of termination, (ii) any such notice shall be irrevocable (except if such termination notice is being furnished in connection with a refinancing of the Obligations, such notice may be conditional upon the consummation of such refinancing, and (iii) the Borrower shall not terminate the Aggregate Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Outstandings would exceed the Aggregate Commitments.

(b) [Reserved].

(c) The Administrative Agent will promptly notify the Lenders of any termination of the Aggregate Commitments under this Section 2.06. All fees accrued until the effective date of any such termination shall be paid on the effective date of such termination.

## 2.07 Term of Agreement; Repayment of Loans.

(a) This Agreement and the other Loan Documents shall become effective as of the Closing Date and shall continue in full force and effect for a term ending on the earliest of (a) the date twenty-four (24) months from the Closing Date (the “**Scheduled Maturity Date**”) (b) 45 days after the Petition Date (or such later date as the Administrative Agent may approve in writing in its sole discretion) if the Final Financing Order has not been entered prior to the expiration of such period, (c) the substantial consummation (as defined in Section 1101 of the Bankruptcy Code and which for purposes hereof shall be no later than the “effective date” thereof) of a plan of reorganization filed in the Chapter 11 Cases that is confirmed pursuant to an order entered by the Bankruptcy Court, (d) the consummation of a sale of all or substantially all of the assets of the Chapter 11 Debtors under section 363 of the Bankruptcy Code, and (e) the acceleration of the Loans and the termination of the Commitments in accordance with this Agreement (the earliest of such dates, the “**Maturity Date**”). In addition, the Borrower may terminate this Agreement in accordance with Section 2.06 above. Upon the Maturity Date or any other effective date of termination of the Loan Documents, the Borrower shall pay to the Administrative Agent all outstanding and unpaid Obligations (except for contingent indemnification obligations for which no claim has been asserted) including by exchange of the Obligations into loans under the Exit ABL Facility in accordance with an Acceptable Plan of Reorganization, and shall Cash Collateralize outstanding L/C Obligations (other than Letter of Credit Disbursements).

(b) The Borrower shall repay each Swing Line Loan on the Maturity Date and in accordance with Section 2.04(c).

(c) Notwithstanding anything to the contrary herein, pursuant to the Commitment Letter, subject to the solely to the satisfaction (or waiver) of the conditions precedent set forth therein, the Loans, including all accrued and unpaid interest thereon and all other Obligations hereunder shall be converted into loans under the Exit Revolving Facility (as defined in the Commitment Letter), and the Aggregate Commitments hereunder shall terminate and be replaced by commitments under the Exit Revolving Facility, in each case, upon the effectiveness of the Plan of Reorganization (as defined in the Commitment Letter).

## 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b) below, (i) each Loan which is a Term Benchmark Loan shall bear interest on the outstanding principal amount thereof at a rate per annum equal to the Term SOFR Rate plus the Applicable Margin; (ii) each Loan which is a Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin; and (iv) [reserved].

(b) After the occurrence and during the continuance of an Event of Default, all Loans and other monetary Obligations may, at the option of the Administrative Agent or the discretion of the Required Lenders, bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due

and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees. In addition to certain fees described in Section 2.03:

(a) Commitment Fee. The Borrower shall pay to the Administrative Agent, for the account of each Lender in accordance with its Applicable Percentage, a commitment fee (the “Commitment Fee”) equal to a 0.50% per annum (the “Commitment Fee Rate”), times the actual daily amount by which the then Aggregate Commitments exceed the sum of (i) the principal amount of Loans (including Swing Line Loans), then outstanding, and (ii) the then L/C Credit Extensions. The Commitment Fee shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable monthly in arrears on the first Business Day after the end of each calendar month, commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period.

(b) Letter of Credit Fee. The Borrower agrees to pay Agent, for the ratable benefit of the Lenders, a Letter of Credit fee (the “Letter of Credit Fee”) (which fee shall be in addition to the fronting fees and commissions, other fees, charges and expenses set forth in Section 2.03) that shall accrue at a per annum rate equal to 4.25%, times the average amount of the Letter of Credit Usage during the immediately preceding calendar month (or portion thereof).

(c) Other Fees. The Borrower shall pay to the Arranger and the Administrative Agent for their own respective accounts fees in the amounts and at the times specified in any Fee Letter. Such fees shall be payable in Dollars, fully earned when paid and shall not be refundable for any reason whatsoever.

(d) Defaulting Lender Fees. Subject to Section 2.03, the Borrower shall not be obligated to pay the Administrative Agent any Defaulting Lender's ratable share of the fees described in Section 2.03 and Section 2.09(a) for the period commencing on the day such Defaulting Lender becomes a Defaulting Lender and continuing for so long as such Lender continues to be a Defaulting Lender.

2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans when the Base Rate is determined by the Prime Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest hereunder shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as of the applicable date of determination. Each determination by the Administrative Agent of the applicable Base Rate or the Term SOFR Rate shall be conclusive and binding for all purposes, absent manifest error.

2.11 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by the Administrative Agent (the “Loan Account”) in the ordinary course of business. In addition, each Lender may record in such Lender's internal records, an appropriate notation evidencing the date and amount of each Loan from such Lender, each payment and prepayment of principal of any such Loan, and each payment of interest, fees and other amounts due in connection with the Obligations due to such Lender. The accounts or records maintained by the Administrative Agent and each

Lender shall be conclusive, absent manifest error, of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's Loans (in addition to such Lender's accounts or records). Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto. Upon receipt of an affidavit of a Lender as to the loss, theft, destruction or mutilation of such Lender's Note and upon cancellation of such Note, the Borrower will issue, in lieu thereof, a replacement Note in favor of such Lender, in the same principal amount thereof and otherwise of like tenor.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

## 2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Term Benchmark Loans (or in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the

Administrative Agent in accordance with banking industry rules on interbank compensation plus any administrative processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Committed Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the time at which any payment is due to the Administrative Agent for the account of the Lenders or the L/C Issuers hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuers, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the applicable L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the NYFRB Rate.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Committed Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Committed Loan, to fund any such participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Committed Loan, to purchase its participation or to make its payment under Section 11.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.13 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Committed Loans made by it, or the participations in L/C Obligations or in Swing Line Loans held by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Committed Loans or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then

the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Committed Loans and subparticipations in L/C Obligations and Swing Line Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Committed Loans and other amounts owing them, provided that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Committed Loans or subparticipations in L/C Obligations or Swing Line Loans to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this Section shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

#### 2.14 Settlement Amongst Lenders.

(a) The amount of each Lender's Applicable Percentage of outstanding Loans (including outstanding Swing Line Loans, except that settlements of Swing Line Loans during the months of November and December of each year shall be required to be made by the Swing Line Lender only with respect to those Swing Line Loans in excess of \$2.0 million in the aggregate only (the "**Excess Swing Line Loans**")) shall be computed weekly (or more frequently in the Administrative Agent's discretion) and shall be adjusted upward or downward based on all Loans (including Swing Line Loans other than Excess Swing Line Loans) and repayments of Loans (including Swing Line Loans other than Excess Swing Line Loans) received by the Administrative Agent as of 3:00 p.m. on the first Business Day (such date, the "**Settlement Date**") following the end of the period specified by the Administrative Agent.

(b) The Administrative Agent shall deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Committed Loans for the period and the amount of repayments fees received for the period. As reflected on the summary statement, (i) the Administrative Agent shall transfer to each Lender its Applicable Percentage of repayments, and (ii) each Lender shall transfer to the Administrative Agent (as provided below) or the Administrative Agent shall transfer to each Lender, such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of Committed Loans made by each Lender with respect to Committed Loans to the Borrower shall be equal to such Lender's Applicable Percentage of Committed Loans outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Administrative Agent by the Lenders and is received prior to 12:00 Noon on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if received after 12:00 Noon, then no later than 3:00 p.m. on the next Business Day. The obligation of each Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent. If and to the extent any Lender shall not have so made its transfer to the Administrative Agent, such Lender agrees to

pay to the Administrative Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, equal to the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

(c) The Administrative Agent shall deliver to the applicable Lenders promptly after the Administrative Agent's receipt thereof, all payments of interest, fees and Credit Party Expenses to which each such Lender is entitled.

(d) If any Lender shall fail to make any payment required to be made by it hereunder, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations hereunder until all such unsatisfied obligations are fully paid. If at any time prior to the acceleration or maturity of the Loans, the Administrative Agent shall receive any payment in respect of principal of a Loan or a reimbursement of a L/C Extension while one or more Defaulting Lenders shall be party to this Agreement, the Administrative Agent shall apply such payment first to the Borrowing(s) for which such Defaulting Lender(s) shall have failed to fund its pro rata share until such time as such Borrowing(s) are paid in full or each Lender (including each Defaulting Lender) is owed its Applicable Percentage of all Loans then outstanding. After acceleration or maturity of the Loans, all principal will be paid ratably as provided in Section 8.03.

### **ARTICLE III TAXES, YIELD PROTECTION AND ILLEGALITY**

#### **3.01 Taxes.**

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Tax unless required by applicable Law, provided that if any Loan Party, the Administrative Agent or any other withholding agent shall be required by applicable Law to deduct any Indemnified Taxes (including any Other Taxes) from such payments, then (i) the sum payable by the Loan Party shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the Administrative Agent or any Lender (with the term "Lender" in this Section 3.01 being deemed to include an L/C Issuer), as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Law. For purposes of this Section 3.01, any payments by the Administrative Agent to a Lender of any amounts received by the Administrative Agent from any Loan Party on behalf of such Lender shall be treated as a payment from the Loan Party to such Lender.

(b) Payment of Other Taxes by the Loan Parties. Without limiting the provisions of subsection (a) above, the Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Law.

(c) Reimbursement by the Lenders. To the extent that the Borrower for any reason fails to pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof), the Swing Line Lender, the L/C Issuers or any Related Party of any of the foregoing, each Lender (other than the Swing Line Lender in its capacity as such) severally agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent, the Swing Line Lender, the L/C Issuers or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Collateral Agent, the Swing Line Lender or L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or the Collateral Agent in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12(d).

(d) Indemnification by the Loan Parties. The Loan Parties shall, jointly and severally, indemnify the Administrative Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) paid by the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the applicable Loan Party to a Governmental Authority, the applicable Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Fee Recipients. Each Fee Recipient hereby represents that it is a Permitted Investor and agrees to update Internal Revenue Service Form W-9 (or its successor form) or applicable Internal Revenue Service Form W-8 (or its successor form) upon any change in such Person's circumstances or if such form expires or becomes inaccurate or obsolete, and to promptly notify the Borrower and the Administrative Agent if such Person becomes legally ineligible to provide such form.

(g) Status of Foreign Lenders. To the extent it is legally entitled to do so, any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the applicable Loan Party is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall deliver to the Loan Parties (with a copy to the Administrative Agent), at the time or times prescribed by applicable Law or reasonably requested by the Loan Parties or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Loan Parties or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Loan Parties or the Administrative Agent as will enable the Loan Parties or the

Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in this Section 3.01(g)(iv), Section 3.01(h) and Section 3.01(i) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(g), Section 3.01(h) or Section 3.01(i)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent that it is legally unable to do so.

Without limiting the generality of the foregoing, any Foreign Lender, to the extent it is legally entitled to do so, shall deliver to the Loan Parties and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Loan Parties or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

- (i) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (as applicable) claiming eligibility for benefits of an income tax treaty to which the United States is a party,
- (ii) duly completed copies of Internal Revenue Service Form W-8ECI,
- (iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit M-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**") and (y) executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (as applicable),
- (iv) to the extent a Foreign Lender is not the beneficial owner, executed copies of Internal Revenue Service Form W-8IMY, accompanied by Internal Revenue Service Form W-8ECI, Internal Revenue Service Form W-8BEN or W-8BEN-E (as applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit M-3 or Exhibit M-4, Internal Revenue Service Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit M-2 on behalf of each such direct and indirect partner, or
- (v) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

(h) Status of Non-Foreign Lenders. Any Lender that is not a Foreign Lender shall deliver to the Loan Parties and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Loan Parties or the Administrative Agent), executed originals of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax.

(i) FATCA. If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Loan Parties and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Loan Parties or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Loan Parties or the Administrative Agent as may be necessary for the Loan Parties and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (i), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(j) Treatment of Certain Refunds. If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the applicable Loan Party or with respect to which the applicable Loan Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the Loan Parties an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Loan Parties under this Section 3.01 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the applicable Loan Party, upon the request of the Administrative Agent or such Lender, agree to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender if the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (j), in no event will the Administrative Agent or any Lender be required to pay any amount to a Loan Party pursuant to this paragraph (j) the payment of which would place the Administrative Agent or the Lender in a less favorable net after-Tax position than the Administrative Agent or the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Loan Parties or any other Person.

### 3.02 Alternate Rate of Interest; Illegality.

(a) Subject to clauses (b), (c), (d), (e), and (f) of this Section 3.02, if:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) prior to the commencement of any interest period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining

the Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis), for such interest period; or

(ii) the Administrative Agent is advised by the Required Lenders that prior to the commencement of any interest Period for a Term Benchmark Borrowing, the Term SOFR Rate for such interest period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such interest period;

then the Administrative Agent or such Lenders (or Lender) shall promptly notify the Borrower (and the Administrative Agent, if applicable) thereof and, so long as such circumstances shall continue, (i) the Administrative Agent and/or such Lenders (or Lender) shall be under no obligation to make any Term Benchmark Loans, (ii) on the last day of the then-current calendar month (if such circumstances are continuing as of such date), each Term Benchmark Loan shall, unless then paid in full, automatically convert to a Base Rate Loan and (iii) when such circumstances are no longer continuing the Administrative Agent or the affected Lender (or Lenders) as applicable, shall promptly notify the Borrower (and the Administrative Agent, if applicable) thereof and on the last day of the then-current calendar month, any Loan that was converted to a Base Rate Loan pursuant to clause (ii) above shall, unless then paid in full, automatically convert to a Term Benchmark Loan.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document (and any Swap Contract shall be deemed not to be a “Loan Document” for purposes of this Section 3.02), if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (e) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.02, including any determination with respect to a tenor, rate or adjustment or of the occurrence

or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.02.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Interest Period” (or related concept) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” (or related concept) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Borrowing of Term Benchmark Loans to be made during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted (1) any such request for a Term Benchmark Borrowing into a request for a Borrowing of Base Rate Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.02, any Term Benchmark Loan shall on the last day of the interest period applicable to such Loan be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan on such day.

### 3.03 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Lender to any Taxes (other than (A) Indemnified Taxes covered in Section 3.01, (B) taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Loan made by it, or on its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the applicable offshore interbank market any other condition, cost or expense affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Term Benchmark Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, Letters of Credit issued by, or participations in Letters of Credit held by, such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company as specified in subsection (a) or (b) of this Section 3.03, in reasonable detail sufficient to allow the Borrower to verify such calculation, and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.03 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.03 for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.04 [Reserved].

3.05 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.03, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.03, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each

case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.03, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender is a Defaulting Lender, the Borrower may replace such Lender in accordance with Section 11.13.

3.06 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

4.02 **Conditions to All Credit Extensions.** The obligation of each Lender to honor any Request for Credit Extension (including on the Closing Date), other than with respect to a Carve Out Borrowing, is subject to the following conditions precedent:

(a) The representations and warranties of the Borrower and each other Loan Party contained in this Agreement and the other Loan Documents shall be true and correct in all material respects on and as of the date of such Credit Extension, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct as of such earlier date; provided that, in each case, any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on and as of the date of such Credit Extension or on such earlier date, as the case may be.

provided, further that, other than in connection with the Chapter 11 Cases, upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Loan Parties to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have

automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), or after the commencement of any Liquidation, subject to the terms of the Intercreditor Agreement and the Financing Orders, any amounts received on account of the Obligations shall be applied (by the Administrative Agent as hereby instructed so to apply) in the following order:

First, to payment in full of that portion of the Obligations constituting fees, indemnities, Credit Party Expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent and the Collateral Agent and amounts payable under Article III) payable to the Administrative Agent and the Collateral Agent, each in its capacity as such;

Eighth, [reserved];

Ninth, to payment in full of all other Obligations, ratably among the Credit Parties in proportion to the respective amounts described in this clause Ninth held by them; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the applicable Loan Parties or as otherwise required by Law.

Subject to Section 2.03, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Seventh above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Notwithstanding the foregoing, amounts received from the Borrower or any Guarantor that is not an "eligible contract participant" under the Commodity Exchange Act and the regulations promulgated

thereunder shall not be applied to the Obligations that are Excluded Swap Obligations (it being understood, that in the event that any amount is applied to Obligations other than Excluded Swap Obligations as a result of this sentence, the Administrative Agent shall, to the extent permitted by law, make such adjustments as it determines are appropriate to distributions pursuant to clause Ninth above from amounts received from “eligible contract participants” under the Commodity Exchange Act and the regulations promulgated thereunder to ensure, as nearly as possible, that the proportional aggregate recoveries with respect to Obligations described in clause Ninth above by the holders of any Excluded Swap Obligations are the same as the proportional aggregate recoveries with respect to other Obligations pursuant to clause Ninth above).

9.02 Rights as a Lender. The Person serving as the Administrative Agent and Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent or the Collateral Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent and Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent or the Collateral Agent hereunder and without any duty to account therefor to the Lenders.

9.03 Exculpatory Provisions. The Agents shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Agents:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or Collateral Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent to liability or that is contrary to any Loan Document or applicable Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or the Collateral Agent or any of its Affiliates in any capacity.

The Agents shall not be liable for any action taken or not taken by them (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agents shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 8.02) or (ii) in the absence of their own gross negligence or willful misconduct. The Agents shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender or any L/C Issuer.

The Agents shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Agents.

9.04 Reliance by Agents. The Agents shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by them to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agents also may rely upon any statement made to them orally or by telephone and believed by them to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the L/C Issuers, the Administrative Agent may presume that such condition is satisfactory to such Lender or such L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or such L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Agents may consult

with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by them, and shall not be liable for any action taken or not taken by them in accordance with the advice of any such counsel, accountants or experts.

9.05 Delegation of Duties. The Agents may perform in any and all of their duties and exercise their rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent or the Collateral Agent, as applicable. The Agents and any such sub-agent may perform any and all of their duties and exercise their rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Agents and any such sub-agent, and shall apply to their respective activities as Administrative Agent or Collateral Agent.

9.06 Resignation of Agents. The Agents may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Borrower, including the effective date of such resignation which may be not less than 30 days from the date of such notice. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower at all times other than during the existence of an Event of Default (which consent shall not be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agents give notice of their resignation, then the retiring Agents may on behalf of the Lenders and the L/C Issuers, appoint a successor Administrative Agent and Collateral Agent meeting the qualifications set forth above; provided that if the Agents shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Agents shall be discharged from their duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders or the L/C Issuers under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each L/C Issuer directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.06. Upon the acceptance of a successor's appointment as Administrative Agent and Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent and Collateral Agent, and the retiring Administrative Agent and Collateral Agent shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.06). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's or Collateral Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article IX and Section 11.04 shall continue in effect for the benefit of such retiring Administrative Agent and Collateral Agent, their respective sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent and Collateral Agent was acting as Administrative Agent and Collateral Agent.

9.07 Non-Reliance on Agents and Other Lenders. Each Lender and each L/C Issuer acknowledges that it has, independently and without reliance upon the Agents, the Arranger or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each L/C Issuer also acknowledges that it will, independently and without reliance upon the Agents, the Arranger or any other Lender or any of their Related Parties and based on such documents and information as it shall

from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder. Except as provided in Section 9.12, the Agents and the Arranger shall not have any duty or responsibility to provide any Lender with any other credit or other information concerning the affairs, financial condition or business of any Loan Party that may come into the possession of the Agents and the Arranger.

9.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, no Arranger listed on the cover page hereof shall (i) have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent, a Lender or any L/C Issuer hereunder or (ii) any fiduciary relationship with the Lenders, the Borrower or any other Person pursuant to the Loan Documents.

9.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers and the Administrative Agent under Sections 2.07, and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each L/C Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or any L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or any L/C Issuer in any such proceeding.

9.10 Collateral and Guaranty Matters. The Lenders and the L/C Issuers irrevocably authorize the Agents, at their option and in their discretion,

(a) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than contingent indemnification obligations for which no claim has then been asserted)

and the expiration or termination of all Letters of Credit, (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document to a Person that is not a Loan Party, or (iii) if approved, authorized or ratified in writing in accordance with Section 11.01;

(b) to release any Guarantor from its obligations hereunder if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i).

Upon request by the Agents at any time, the Required Lenders will confirm in writing the Agents' authority to release or subordinate their interest in particular types or items of property, or to release any Guarantor from its obligations hereunder pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent or the Collateral Agent, as applicable, will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations hereunder, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

9.11 Notice of Transfer. The Agents may deem and treat a Lender party to this Agreement as the owner of such Lender's portion of the Obligations for all purposes, unless and until, and except to the extent, an Assignment and Assumption shall have become effective as set forth in Section 11.06.

9.12 Reports and Financial Statements. By signing this Agreement, each Lender:

(a) [reserved];

(b) is deemed to have requested that the Administrative Agent furnish such Lender, promptly after they become available, copies of all Borrowing Base Calculations, financial statements required to be delivered by the Borrower hereunder and all collateral field examinations and appraisals of the Collateral received by the Agents (collectively, the "**Reports**"), and the Administrative Agent further agrees to deliver other information delivered pursuant to Section 6.02 upon the reasonable request of such Lender;

(c) expressly agrees and acknowledges that the Agents (i) make no representation or warranty as to the accuracy of the Reports, and (ii) shall not be liable for any information contained in any Report;

(d) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Agents or any other party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel;

(e) agrees to keep all Reports confidential in accordance with the provisions of Section 11.07, or use any Report in any other manner; and

(f) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Agents and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw

from any Report in connection with any Credit Extensions that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans of the Borrower; and (ii) to pay and protect, and indemnify, defend, and hold the Agents and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including attorney costs) incurred by the Agents and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

9.13 Agency for Perfection. Each Lender hereby appoints each other Lender as agent for the purpose of perfecting Liens for the benefit of the Agents and the Lenders, in assets which, in accordance with Article 9 of the UCC or any other applicable Law can be perfected only by possession. Should any Lender (other than the Agents) obtain possession of any such Collateral, such Lender shall notify the Agents thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

9.14 Indemnification of Agents. The Lenders agree to indemnify the Agents (to the extent not reimbursed by the Loan Parties and without limiting the obligations of Loan Parties hereunder), ratably according to their respective Applicable Percentages, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against any Agent in any way relating to or arising out of this Agreement or any other Loan Document or any action taken or omitted to be taken by any Agent in connection therewith; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final and nonappealable judgment of a court of competent jurisdiction.

9.15 Withholding Tax. To the extent required by any applicable law, the Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agent (to the extent that the Agent has not already been reimbursed by the Borrower and without limiting the obligation of the Borrower to do so) for all amounts paid, directly or indirectly, by the Agent as Tax or otherwise, including any interest, additions to Tax or penalties thereto, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error.

9.16 Relation Among Lenders. The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Agents) authorized to act for, any other Lender.

9.17 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such

Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of the Plan Asset Regulations or otherwise) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable so as to exempt from the prohibitions of ERISA Section 406 and Code Section 4975 such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement and the conditions for exemptive relief thereunder are and will continue to be satisfied in connection therewith,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent or its Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Loan

Documents, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

#### 9.18 Erroneous Payments.

(a) Each Lender and L/C Issuer hereby agrees that (x) if the Administrative Agent notifies such Lender or L/C Issuer that the Administrative Agent has determined in its sole discretion that any funds received by such Lender or L/C Issuer from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "**Payment**") were erroneously transmitted to such Lender or L/C Issuer (whether or not known to such Lender or L/C Issuer), and demands the return of such Payment (or a portion thereof), such Lender or L/C Issuer shall promptly, but in no event later than one (1) Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or L/C Issuer to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender or L/C Issuer shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender or L/C Issuer under this Section 9.18(a) shall be conclusive, absent manifest error.

(b) Each Lender and L/C Issuer hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "**Payment Notice**") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and L/C Issuer agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or L/C Issuer shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one (1) Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or L/C Issuer to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender or L/C Issuer that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender or L/C Issuer with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan

Party, except, in each case, to the extent such erroneous Payment (or any portion thereof) is, and solely with respect to the amount of such erroneous Payment that is comprised of funds of a Loan Party. Notwithstanding anything to the contrary herein or in any other Loan Document, the provisions of this Section 9.18 relating to Payments (including the preceding two paragraphs and this paragraph) shall not constitute, create or otherwise alter the Obligations on the part of the Loan Parties under the Loan Documents or otherwise.

(d) Each party's obligations under this Section 9.18 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender or L/C Issuer, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

9.19 Intercreditor Agreement. The parties hereto acknowledge and agree that: (a) in accordance with the Interim Financing Order and any other order of the Bankruptcy Court, the each Agent shall be subject to the terms of the Intercreditor Agreement as if each Agent was a party thereto as an "ABL Agent" (as defined in the Intercreditor Agreement) and (b) each Agent, acting in the capacity as an ABL Agent, is authorized to perform and take or refrain from taking any actions, and providing any consents or directions, in connection with the Intercreditor Agreement.

## ARTICLE X CONTINUING GUARANTY

10.01 Guaranty. Each Guarantor hereby absolutely and unconditionally guarantees, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of any and all of the Obligations, whether for principal, interest, premiums, fees, indemnities, damages, costs, expenses or otherwise, of the Borrower to the Credit Parties, arising hereunder and under the other Loan Documents (including all renewals, extensions, amendments, refinancings and other modifications thereof and all costs, attorneys' fees and expenses incurred by the Credit Parties in connection with the collection or enforcement thereof). The Administrative Agent's books and records showing the amount of the Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon each Guarantor, and conclusive for the purpose of establishing the amount of the Obligations. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Obligations or any instrument or agreement evidencing any Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Obligations which might otherwise constitute a defense to the obligations of any Guarantor under this Guaranty, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

Each Qualified ECP Guarantor (including the Borrower) hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of each such Loan Party's obligations (a) in respect of Swap Contracts to which it is a party and (b) under this Guaranty in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 10.01 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 10.01, or otherwise under this Guaranty, as it relates to such other Loan Party, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until the termination of this Guaranty in accordance with Section 10.06 hereof. Each Qualified ECP Guarantor intends that this Section 10.01 constitute, and this Section 10.01 shall be deemed to constitute, a

“keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

10.02 Rights of Lenders. Each Guarantor consents and agrees that the Credit Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Obligations; (c) apply such security and direct the order or manner of sale thereof as the Administrative Agent and the Lenders in their sole discretion may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of such Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of such Guarantor.

10.03 Certain Waivers. Each Guarantor waives (a) any defense arising by reason of any disability or other defense of the Borrower or any other Guarantor, or the cessation from any cause whatsoever (including any act or omission of any Credit Party) of the liability of the Borrower; (b) any defense based on any claim that such Guarantor’s obligations exceed or are more burdensome than those of the Borrower; (c) the benefit of any statute of limitations affecting such Guarantor’s liability hereunder; (d) any right to proceed against the Borrower, proceed against or exhaust any security for the Obligations, or pursue any other remedy in the power of any Credit Party whatsoever; (e) any benefit of and any right to participate in any security now or hereafter held by any Credit Party; and (f) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties. Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Obligations. As provided below, this Guaranty shall be governed by, and construed in accordance with, the laws of the State of New York.

10.04 Obligations Independent. The obligations of each Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Obligations and the obligations of any other guarantor, and a separate action may be brought against each Guarantor to enforce this Guaranty whether or not the Borrower or any other person or entity is joined as a party.

10.05 Subrogation. No Guarantor shall exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Obligations (other than any indemnity obligations for unasserted claims that by its terms survives the termination of this Agreement) and any amounts payable under this Guaranty have been paid and performed in full and the Commitments and the Facility are terminated. If any amounts are paid to any Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Credit Parties and shall forthwith be paid to the Credit Parties to reduce the amount of the Obligations, whether matured or unmatured.

10.06 Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Obligations now or hereafter existing and shall remain in full force and effect until all Obligations and any other amounts payable under this Guaranty are paid in full in cash (other than any indemnity obligations for unasserted claims that by its terms survives the termination of this Agreement) and the Commitments and the Facility with respect to the Obligations are terminated. Notwithstanding the foregoing, this

Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of the Borrower or any Guarantor is made, or any of the Credit Parties exercises its right of setoff, in respect of the Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any of the Credit Parties in their discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Credit Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of each Guarantor under this paragraph shall survive termination of this Guaranty.

10.07 Subordination. Each Guarantor hereby subordinates the payment of all obligations and indebtedness of the Borrower owing to such Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of the Borrower to any Guarantor as subrogee of the Credit Parties or resulting from such Guarantor's performance under this Guaranty, to the indefeasible payment in full in cash of all Obligations (other than any indemnity obligations for unasserted claims that by its terms survives the termination of this Agreement). If the Credit Parties so request, any such obligation or indebtedness of the Borrower to any Guarantor shall be enforced and performance received by such Guarantor as trustee for the Credit Parties and the proceeds thereof shall be paid over to the Credit Parties on account of the Obligations, but without reducing or affecting in any manner the liability of such Guarantor under this Guaranty.

10.08 Stay of Acceleration. If acceleration of the time for payment of any of the Obligations is stayed, in connection with any case commenced by or against any Guarantor or the Borrower under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by such Guarantor immediately upon demand by the Credit Parties.

10.09 Condition of Borrower. Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Borrower and any other guarantor such information concerning the financial condition, business and operations of the Borrower and any such other Guarantor as such Guarantor requires, and that none of the Credit Parties has any duty, and such Guarantor is not relying on the Credit Parties at any time to disclose to such Guarantor any information relating to the business, operations or financial condition of the Borrower or any other Guarantor (such Guarantor waiving any duty on the part of the Credit Parties to disclose such information and any defense relating to the failure to provide the same).

## ARTICLE XI MISCELLANEOUS

11.01 Amendments, Etc. Subject to Section 3.02, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written consent of such Lender (it being understood that the waiver of any mandatory prepayment shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date fixed by this Agreement or any other Loan Document for (i) any payment of principal, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under any of the other Loan Documents without the written consent of each Lender entitled to such payment (it being understood that the waiver of or amendment to the terms of any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest, or (ii) any scheduled or mandatory reduction of the Aggregate Commitments hereunder or under any other Loan Document without the written consent of each Lender;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or Letter of Credit Disbursements, or (subject to clause (iv) of the second proviso to this Section 11.01) any fees or other amounts payable hereunder or under any other Loan Document, without the written consent of each Lender entitled to such amount; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay interest or Letter of Credit Fees at the Default Rate; provided further, however, changes to interest rates arising from changes to the definition of Borrowing Base shall be governed by clause (i) below;

(d) change Section 2.13 or Section 8.03 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender;

(e) change any provision of this Section 11.01 or the definition of “Required Lenders” or “Supermajority Lenders” or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender (other than any Defaulting Lender);

(f) except as expressly permitted hereunder, release, or limit the liability of, any Loan Party without the written consent of each Lender (other than any Defaulting Lender);

(g) except for releases of Collateral in accordance with the provisions of Section 9.10 hereof (in which case, such release may be made by the Administrative Agent acting alone), release all or substantially all of the Collateral from the Liens of the Collateral Documents in any transaction or series of related transactions, without the written consent of each Lender (other than any Defaulting Lender);

(h) increase the Aggregate Commitments without the written consent of each Lender (other than any Defaulting Lender);

(i) change the definition of the term “Borrowing Base” or any component definition thereof if as a result thereof the amounts available to be borrowed by the Borrower would be increased, without the written consent of the Supermajority Lenders, provided that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Reserves without the consent of any Lender;

(j) modify the definition of Permitted Overadvance so as to increase the amount thereof or, except as provided in such definition, the time period for a Permitted Overadvance without the written consent of the Supermajority Lenders;

(k) except as provided in Section 9.10(c), subordinate the Obligations hereunder or the Liens granted hereunder or under the other Loan Documents, to any other Indebtedness or Lien, as the case may be without the written consent of each Lender (other than any Defaulting Lender);

(l) modify this Section 11.01 or Section 8.03 without the written consent of each Lender (other than any Defaulting Lender);

and provided further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the L/C Issuers in addition to the Lenders required above, affect the rights or duties of the L/C Issuers under this Agreement or any Issuer Document relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document; (iv) no amendment, waiver or consent shall, unless in writing and signed by the Collateral Agent in addition to the Lenders required above, affect the rights or duties of the Collateral Agent under this Agreement or any other Loan Document; and (v) each Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto.

If any Lender does not consent to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the consent of each Lender or Supermajority Lenders and that has been approved by the Required Lenders, the Borrower may replace such non-consenting Lender in accordance with Section 11.13; provided that such amendment, waiver, consent or release can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Borrower to be made pursuant to this paragraph).

Notwithstanding anything to the contrary contained in this Section 11.01, if the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of any Loan Document, then the Administrative Agent and/or the Collateral Agent (acting in their sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document.

#### 11.02 Notices; Effectiveness; Electronic Communications.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to Holdings, the Borrower, any Loan Party, the Administrative Agent, the Collateral Agent, the L/C Issuers or the Swing Line Lender to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 11.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through

electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. The Administrative Agent and each of its Affiliates is authorized to transmit, post or otherwise make or communicate, in its sole discretion (but shall not be required to do so), by Approved Electronic Communications in connection with this Agreement or any other Loan Document and the transactions contemplated therein. The Administrative Agent is hereby authorized to establish procedures to provide access to and to make available or deliver, or to accept, notices, documents and similar items by posting to ABLSoft. All uses of ABLSoft and other Approved Electronic Communications shall be governed by and subject to, in addition to the terms of this Agreement, the separate terms, conditions and privacy policy posted or referenced in such system (or such terms, conditions and privacy policy as may be updated from time to time, including on such system) and any related contractual obligations executed by the Administrative Agent and Loan Parties in connection with the use of such system. Each of the Loan Parties, the Lenders and the Administrative Agent hereby acknowledges and agrees that the use of ABLSoft and other Approved Electronic Communications is not necessarily secure and that there are risks associated with such use, including risks of interception, disclosure and abuse and each indicates it assumes and accepts such risks by hereby authorizing the Administrative Agent and each of its Affiliates to transmit Approved Electronic Communications. ABLSoft and all Approved Electronic Communications shall be provided “as is” and “as available”. None of the Administrative Agent or any of its Affiliates or related persons warrants the accuracy, adequacy or completeness of ABLSoft or any other electronic platform or electronic transmission and disclaims all liability for errors or omissions therein. No warranty of any kind is made by the Administrative Agent or any of its Affiliates or related persons in connection with ABLSoft or any other electronic platform or electronic transmission, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects. The Borrower and each other Loan Party executing this Agreement agrees that the Administrative Agent has no responsibility for maintaining or providing any equipment, software, services or any testing required in connection with ABLSoft, any Approved Electronic Communication or otherwise required for ABLSoft or any Approved Electronic Communication. Prior to the Closing Date, the Borrower shall deliver to the Administrative Agent a complete and executed client user form regarding the Borrower’s use of ABLSoft. No Approved Electronic Communications shall be denied legal effect merely because it is made electronically. Approved Electronic Communications that are not readily capable of bearing either a signature or a reproduction of a signature may be signed, and shall be deemed signed, by attaching to, or logically associating with such Approved Electronic Communication, an E-Signature, upon which the Administrative Agent and the Loan Parties may rely and assume the authenticity thereof. Each Approved Electronic Communication containing a signature, a reproduction of a signature or an E-Signature shall, for all intents and purposes, have the same effect and weight as a signed paper original. Each E-Signature shall be deemed sufficient to satisfy any requirement for a “signature” and each Approved Electronic Communication shall be deemed sufficient to satisfy any requirement for a “writing”, in each case including pursuant to this Agreement, any other Loan Document, the UCC, the Federal Uniform Electronic Transactions Act, the Electronic Signatures in Global and National Commerce Act and any substantive or procedural law governing such subject matter. Each party or beneficiary hereto agrees not to contest the validity or enforceability of an Approved Electronic Communication or E-Signature under the provisions of any applicable law requiring certain documents to be in writing or signed; provided, that nothing herein shall limit such party's or beneficiary's right to contest whether an Approved Electronic Communication or E-Signature has been altered after transmission.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgement from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other

written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Holdings or any of its Subsidiaries, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to Holdings or any of its Subsidiaries, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrower, any other Loan Party, and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, the L/C Issuers and the Swing Line Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(e) Reliance by Administrative Agent and Lenders. The Administrative Agent, the Collateral Agent, the L/C Issuers, the Swing Line Lender and the Lenders shall be entitled to rely and act upon any notices (including telephonic Notice of Borrowings) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the Collateral Agent, the L/C Issuers, the Swing Line Lender, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person

on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

11.03 No Waiver; Cumulative Remedies. No failure by any Lender, any L/C Issuer, the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

11.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Loan Parties shall pay all Credit Party Expenses within ten (10) Business Days after receipt of an invoice therefor.

(b) Indemnification by the Loan Parties. The Loan Parties shall indemnify the Administrative Agent (and any sub-agent thereof), the Collateral Agent, the Arranger, the joint bookrunning managers, each Lender, each L/C Issuer and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnatee**”) against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable and documented in reasonable detail fees, charges and disbursements of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction material to the interests of the Lenders, in each case, selected by the Administrative Agent and solely in the case of an actual conflict of interest between Indemnitees where the Indemnitees affected by such conflict inform the Borrower of such conflict, one additional counsel in each relevant jurisdiction material to the interest of the Lenders to each group of affected Indemnitees taken as a whole) incurred by any Indemnatee or asserted against any Indemnatee by any third party or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the preparation, execution, delivery or administration of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby or any amendment or waiver with respect hereto or thereto, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, or, in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release or threat of Release of Hazardous Materials, at, under, on or from any property or facility currently or formerly owned, leased or operated by Holdings or any of its Subsidiaries, or any Environmental Liability related in any way to Holdings or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnatee is a party thereto; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnatee (y) result from a claim brought by the Borrower or any other Loan Party against an Indemnatee for breach in bad faith of such Indemnatee’s obligations hereunder or under any other Loan Document, if the Borrower or such Loan Party

has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction, or (z) result from the presence, Release or threat of Release of Hazardous Materials or violations of Environmental Laws first occurring or first existing after completion of the foreclosure upon the Collateral, granting of a deed-in-lieu of foreclosure with respect to the Collateral or similar transfer of title or possession of the Collateral, unless such presence, release or violation is actually caused by any Loan Party or any Subsidiary thereof. This Section 11.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fails to pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Agents (or any sub-agent thereof), the Swing Line Lender, the L/C Issuers or any Related Party of any of the foregoing, each Lender (other than the Swing Line Lender in its capacity as such) severally agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent, the Swing Line Lender, the L/C Issuers or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Collateral Agent, the Swing Line Lender or L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or the Collateral Agent in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the Loan Parties shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(e) Payments. All amounts due under this Section shall be payable not later than ten Business Days after receipt of an invoice or demand therefor.

(f) Survival. The agreements in this Section shall survive the resignation of the Agents, the Swing Line Lender and the L/C Issuers, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

11.05 Payments Set Aside. To the extent that any payment by or on behalf of any of the Loan Parties is made to the Administrative Agent, any L/C Issuer or any Lender, or the Administrative Agent, any L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, such L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as

if such payment had not been made or such setoff had not occurred, and (b) each Lender and each L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Effective Rate from time to time in effect. The obligations of the Lenders and the L/C Issuers under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

#### 11.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 11.06(b), (ii) by way of participation in accordance with the provisions of Section 11.06(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 11.06(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the L/C Issuers and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans (including for purposes of this Section 11.06(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

##### (i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$1.0 million (and in integral multiples of \$1.0 million in excess thereof) and after giving effect thereto, the assigning Lender shall hold a Commitment of at least \$1.0 million, unless, in each case, each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible

Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that (A) this clause (ii) shall not apply to the Swing Line Lenders' rights and obligations in respect of Swing Line Loans and (B) this clause (ii) shall not limit the right of a Lender to assign all or any portion of its Commitment;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (1) any Commitment if such assignment is to a Person that is not a Lender with a Commitment, an Affiliate of Lender or an Approved Fund with respect to such Lender or (2) any Loan to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund;

(C) the consent of the L/C Issuers (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Letters of Credit (whether or not then outstanding); and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Swing Line Loans (whether or not then outstanding).

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any Tax forms required by Section 3.01(g), Section 3.01(h) or Section 3.01(i);

(v) No Assignment to Borrower. No such assignment shall be made to the Borrower or any of the Borrower's Affiliates or Subsidiaries; and

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.03, and 11.04 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 11.06(d).

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans (and whether such Loan is a Committed Loan or a Swing Line Loan, as applicable) owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, including, for avoidance of doubt, any indemnification obligation with respect to the participated interest, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (a), (b), (c), (f) and (g) in the first proviso to Section 11.01 that affects such Participant. Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Section 3.01 and Section 3.03 (provided such Participant agrees to be subject to the limitations and requirements therein as though it were a Lender (it being understood that the documentation required under Section 3.01(g), Section 3.01(h) and Section 3.01(i) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 11.06(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.11 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a

register on which it enters the name and address of each Participant and the principal and interest amount of each Participant's interest in the Loans held by it (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under the Loan Documents) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement notwithstanding any notice to the contrary.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant except to the extent that such entitlement to any greater payment results from any Change in Law after the Participant becomes a Participant, or the sale of the participation to such Participant is made with the Borrower's prior written consent.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a FRB or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Resignation as L/C Issuer or Swing Line Lender After Assignment. Notwithstanding anything to the contrary contained herein, if at any time Eclipse (together with its affiliates) assigns all of its Commitment and Loans pursuant to subsection (b) above, Eclipse may, (i) upon 30 days' notice to the Borrower and the Lenders, resign as L/C Issuer and/or (ii) upon 30 days' notice to the Borrower, resign as Swing Line Lender. In the event of any such resignation as L/C Issuer or Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swing Line Lender hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of Eclipse as L/C Issuer or Swing Line Lender, as the case may be. If Eclipse resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuers hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Committed Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03). If Eclipse resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Committed Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the

case may be, and (B) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Eclipse to effectively assume the obligations of Eclipse with respect to such Letters of Credit.

**11.07 Treatment of Certain Information; Confidentiality.** Each of the Administrative Agent, the Lenders and the L/C Issuers agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 11.07, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, or (iii) any funding or financing source of any Lender, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 11.07 or (ii) becomes available to the Administrative Agent, any Lender, any L/C Issuer or any of their respective Affiliates on a non-confidential basis from a source other than the Borrower.

For purposes of this Section, "**Information**" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, operations, assets and related matters, other than any such information that is available to the Administrative Agent, any Lender or any L/C Issuer on a non-confidential basis prior to disclosure by any Loan Party or any Subsidiary thereof, provided that, in the case of information received from a Loan Party or any such Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent, the Lenders and the L/C Issuers acknowledges that (A) the Information may include material non-public information concerning Holdings or a Subsidiary, as the case may be, (B) it has developed compliance procedures regarding the use of material non-public information and (C) it will handle such material non-public information in accordance with applicable Law, including Federal and state securities Laws.

**11.08 Right of Setoff.** Subject to the Financing Orders and the Intercreditor Agreement, if an Event of Default shall have occurred and be continuing, each Credit Party and each of its respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Credit Party or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Credit Party, irrespective of whether or not such Credit Party shall have made any demand under this Agreement or any other Loan Document and

although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Credit Party different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Credit Party and their respective Affiliates under this Section 11.08 are in addition to other rights and remedies (including other rights of setoff) that such Credit Party or their respective Affiliates may have. Each Credit Party agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.09 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

11.10 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 11.02), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by facsimile, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by facsimile, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative

Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each Loan Party hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Borrower and the Loan Parties, Electronic Signatures transmitted by facsimile, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (B) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (C) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (D) waives any claim against the Administrative Agent, any Lender, any L/C Issuer and any Related Party of any of the foregoing Persons for any losses, claims, damages, liabilities and related expenses arising solely from the Administrative Agent's and/or any Lender's reliance on or use of Electronic Signatures and/or transmissions by facsimile, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any losses, claims, damages, liabilities and related expenses arising as a result of the failure of the Borrower and/or any Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

11.11 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Obligation (other than any indemnity obligation for unasserted claims that by its terms survives the termination of this Agreement) shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

11.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.13 Replacement of Lenders. (a) If any Lender requests compensation under Section 3.03, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or (b) if any Lender is a Defaulting Lender, or (c) if in

connection with a proposed amendment, modification, waiver, or consent with respect to any of the provisions hereof as contemplated by Section 11.01, the consent of the Required Lenders shall have been obtained but the consent of one or more of such other Lenders whose consent is required shall not have been obtained, or (d) if any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and Letter of Credit Exposure, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.03 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) such assignment does not conflict with applicable Laws.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

#### 11.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE, REGARDLESS OF LAWS THAT MIGHT OTHERWISE GOVERN UNDER APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS THEREOF.

(b) SUBMISSION TO JURISDICTION. EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT AND, SOLELY TO THE EXTENT THAT THE BANKRUPTCY COURT DOES NOT HAVE, OR ABSTAINS FROM, JURISDICTION OVER ANY MATTER, ANY U.S. FEDERAL OR NEW YORK STATE COURT SITTING IN BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK (OR ANY APPELLATE COURT THEREFROM) IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN THE BANKRUPTCY COURT OR SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE

JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY CREDIT PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH OF THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

11.15 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and Holdings each acknowledge and agree, and acknowledge their respective Affiliates' understanding, that: (a) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arranger and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agent, the Arranger and the Lenders, on the other hand, (b) each of the Borrower and Holdings and each other Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (c) the Borrower and Holdings and each other Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (d) the Administrative Agent, each Arranger and each Lender each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (e) neither the Administrative Agent nor the Arranger or any Lender has any obligation to the Borrower, Holdings or any

of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (f) the Administrative Agent, the Arranger and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and neither the Administrative Agent nor the Arranger or the Lenders have any obligation to disclose any of such interests to the Borrower, Holdings and their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Administrative Agent, the Arranger and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

11.17 USA PATRIOT Act Notice. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. No part of the proceeds of the Loans will be used by the Loan Parties, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended.

11.18 No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.

11.19 Attachments. The exhibits, schedules and annexes attached to this Agreement are incorporated herein and shall be considered a part of this Agreement for the purposes stated herein, except that in the event of any conflict between any of the provisions of such exhibits and the provisions of this Agreement, the provisions of this Agreement shall prevail.

11.20 Intercreditor Agreement; Financing Orders. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement or the other Loan Documents and the exercise of any right or remedy by the Collateral Agent hereunder or under the other Loan Documents are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control. To the extent that any specific provision of this Agreement or any of the other Loan Documents is inconsistent with any of the Financing Orders, the terms of the Financing Orders shall govern and control.

11.21 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

11.22 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support “**QFC Credit Support**” and each such QFC a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
