**ORDERED, ADJUDGED AND DECREED THAT:**

1. The Debtors are authorized, but not directed, to (a) remit and pay (or use tax credits to offset) to the Taxing Authorities all amounts owed on account of the Taxes and Fees for the period prior to the Petition Date, and (b) remit and pay (or use tax credits to offset) to the Taxing Authorities all amounts owed on account of the Taxes and Fees that arise or accrue in the ordinary course of business on a postpetition basis, in each case, solely to the extent that such Taxes and Fees become payable in accordance with applicable law.

2. The Debtors are authorized, but not directed, to pay any and all Administrator Fees.

3. The Debtors are authorized, but not directed, with notice to the Ad Hoc Group, the U.S. Trustee and any statutory committee in these cases, to add or remove any Taxing Authorities listed on **Exhibit A** attached hereto, to the extent that the Debtors subsequently identify any additional governmental or quasi-governmental entities to which the Debtors owe Taxes and Fees. To the extent that the Debtors have overpaid any Taxes and Fees, the Debtors are authorized to seek a refund or credit.

4. Nothing in this Order authorizes the Debtors to accelerate payments for any Taxes and Fees not otherwise due.

5. Nothing in this Order shall be construed as authorizing the Debtors to pay any amounts on account of Past-Due Taxes.

6. The Debtors' banks and financial institutions are authorized to receive, process, honor, and pay all checks, drafts, electronic fund transfers, or other forms of payment drawn or issued on the Debtors' bank accounts before the Petition Date for the Taxes and Fees that have not

been honored and paid as of the Petition Date (or to reissue checks, drafts, electronic fund transfers, or other forms of payment drawn or issued on the Debtors' bank accounts, as may be necessary), and are authorized to rely on the Debtors' directions or representations as to which checks, drafts, transfers, or other forms of payment drawn or issued on the Debtors' bank accounts are subject to this Order; *provided* that sufficient funds are on deposit in the applicable bank accounts to cover such payments, and any such banks and financial institutions shall not have any liability to any party for relying on such directions or representations by the Debtors as provided in this Order.

7. The Debtors will ensure that the payments made pursuant to this Order are reflected on their books and records such that they are identifiable as payments made on account of prepetition claims.

8. The Debtors shall maintain a matrix/schedule of payments made pursuant to this Order, including the following information: (a) the names of the payee; (b) the nature of the payment; (c) the amount of the payment; (d) the category or type of payment; (e) the Debtor or Debtors that made the payment; (f) the payment date; and (g) the purpose of such payment. The Debtors shall provide a copy of such matrix/schedule to the U.S. Trustee and any statutory committee appointed in these chapter 11 cases every 40 days beginning upon entry of this Order and ending upon entry of an order confirming a plan or dismissing or converting these chapter 11 cases.

9. Nothing in the Motion or this Order, or the relief granted herein (including any actions taken or payments made by the Debtors), is to be construed as: (a) an implication or admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular

claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a concession by the Debtors that any lien (contractual, common, statutory or otherwise) satisfied pursuant to the Motion is valid (and all rights to contest the extent, validity or perfection or seek avoidance of all such liens are expressly reserved); (f) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (g) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (h) a waiver of the obligation of any party in interest to file a proof of claim; or (i) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. Nothing contained in this Order shall be deemed to increase, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

10. Nothing in this Order shall be construed to (a) create or perfect, in favor of any person or entity, any interest in cash of a Debtor that did not exist as of the Petition Date or (b) alter or impair any security interest or perfection thereof, in favor of any person or entity, that existed as of the Petition Date.

11. Nothing in this Order, nor as a result of any payment made pursuant to this Order, shall be deemed or construed as a waiver of the right of Debtors, or shall impair the ability of Debtors, to contest the validity and amount of any payment made pursuant to this Order.

12. Nothing in this Order shall create, nor is intended to create, any rights in favor of or enhance the status of any claim held by any party.

13. Notwithstanding anything to the contrary contained herein, any payment to be made hereunder, and any authorization contained herein, shall be subject to any interim and final orders, as applicable, approving the use of such cash collateral and/or the Debtors' entry into any

postpetition financing facilities or credit agreements, and any budgets in connection therewith governing any such postpetition financing and/or use of cash collateral (each such order, a “**DIP Order**”). To the extent there is any inconsistency between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control.

14. Nothing in the Motion or this Order waives or modifies the requirements of the Transaction Support Agreement, including, without limitation, the consent and consultation rights contained therein.

15. The requirements set forth in Bankruptcy Rule 6004(a), to the extent applicable, are hereby waived.

16. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable, this Order shall be effective and enforceable immediately upon entry hereof.

17. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied because the relief set forth in this Order is necessary to avoid immediate and irreparable harm.

18. The Debtors are authorized to take all actions necessary or appropriate to implement the relief granted in this Order.

19. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation or enforcement of this Order.
