 - a. authorize the Debtors to take all actions necessary to enter into, implement, and consummate the contracts, instruments, releases, leases, indentures, and other agreements or documents created in connection with the Plan;
 - b. be in form and substantive acceptable to the Required DIP Term Lenders;
 - c. authorize the assumption, assumption and assignment, and/or rejection of the Executory Contracts and Unexpired Leases by the Debtors as contemplated in the Plan and the Plan Supplement;

8. Each document or agreement necessary to effectuate the Plan, including all Definitive Documents, must have been executed and/or effectuated, must be in form and substance acceptable to the Required Consenting Term Lenders and Company Parties, and must be

consistent with the Transaction Support Agreement or the DIP & Exit ABL Commitment Letter, as applicable, including the consent rights provided therein, and any conditions precedent related thereto or contained therein must have been satisfied prior to or contemporaneously with the occurrence of the Effective Date or otherwise waived in accordance with the terms of the applicable Definitive Documents.

9. The Debtors must have obtained all authorizations, consents, regulatory approvals, rulings, or documents that are necessary to implement and effectuate the Restructuring Transactions, and all applicable regulatory or government imposed waiting periods must have expired or been terminated.
10. All governmental and third-party approvals and consents that may be necessary in connection with the Restructuring Transactions must have been obtained, not be subject to unfulfilled conditions, and be in full force and effect, and all applicable waiting periods must have expired without any action being taken or threatened by any competent authority that would restrain, prevent, or otherwise impose materially adverse conditions on the Restructuring Transactions.
11. No court of competent jurisdiction or other competent governmental or regulatory authority must have issued any order making illegal or otherwise restricting, limiting, preventing, or prohibiting the consummation of any of the Restructuring Transactions.
12. The Debtors must have paid in full all professional fees and expenses of the Retained Professionals that require the Bankruptcy Court's approval, or amounts sufficient to pay such fees and expenses after the Effective Date must have been placed in the Professional Fee Escrow Account pending the Bankruptcy Court's approval of such fees and expenses.
13. The Restructuring Fees and Expenses must have been paid in full in Cash (subject to any order of the Bankruptcy Court).
14. The restructuring to be implemented on the Effective Date must be consistent with the Plan, the Transaction Support Agreement, and the DIP & Exit ABL Commitment Letter.
15. There must not have been instituted or threatened or be pending any material action, proceeding, application, claim, counterclaim, or investigation (whether formal or informal) (or there must not have been any material adverse development to any action, application, claim, counterclaim, or proceeding currently instituted, threatened, or pending) before or by any court, governmental, regulatory or administrative agency or instrumentality, domestic or foreign, or by any other person, domestic or foreign, in connection with the Restructuring Transactions that, in the reasonable judgment of the Debtors and the Required Consenting Term Lenders would prohibit, prevent, or restrict consummation of the Restructuring Transactions in a materially adverse manner.

Following the satisfaction or waiver of the foregoing, concurrently with or immediately following effectiveness of the Plan on the Effective Date:

1. The Existing Equity Interests must have been canceled and the New Equity Interests must have been issued by Reorganized Parent and distributed in accordance with the terms of the Plan.
2. The New Equity Interests to be issued and/or delivered on the Effective Date (as set forth in the Plan) must have been validly issued by Reorganized Parent, must be fully paid and

non-assessable, and must be free and clear of all taxes, Liens and other encumbrances, preemptive rights, rights of first refusal, subscription rights and similar rights, except for any restrictions on transfer as may be imposed by (i) applicable securities laws and (ii) the New Organizational Documents of Reorganized Parent.

3. All conditions precedent to the effectiveness of the Exit Facilities and all other financing agreements and arrangements contemplated hereunder, as applicable, must be or have been, as applicable, funded and closed and be in full force and effect.
4. The Releases set forth in the Plan must be in full force and effect.
5. The Debtors must have paid in full to the relevant Persons all payments and fees provided for in the Transaction Support Agreement, the Transaction Term Sheet, and applicable Definitive Documents that are payable on, before, or in connection with the occurrence of the Effective Date.

Immediately following effectiveness of the Plan, the Reorganized Debtors will complete the termination of registration of all Securities under sections 13 and 15(d) of the Securities Exchange Act of 1934 (the “*Exchange Act*”) such that the Reorganized Debtors will be a private company as soon as reasonably practicable after the Effective Date.

Article VIII.B (“*Waiver of Conditions*”) provides that, subject to section 1127 of the Bankruptcy Code, the conditions to Confirmation and consummation of the Plan set forth in Article VIII of the Plan may be waived by the Debtors, with the consent of the Consenting Lenders, without notice, leave, or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan. The failure of the Debtors or Reorganized Debtors to exercise any of the foregoing rights will not be deemed a waiver of any other rights, and each right will be deemed an ongoing right that may be asserted at any time.

Article VIII.C (“*Effect of Non-Occurrence of Conditions to the Effective Date*”) addresses the effect of non-occurrence of the Effective Date. It provides that if the Confirmation of the Plan or the Effective Date does not occur with respect to one or more of the Debtors on or before the termination of the Transaction Support Agreement, then the Plan will, with respect to such applicable Debtor or Debtors, be null and void in all respects and nothing contained in the Plan or the Disclosure Statement will: (1) constitute a waiver or release of any claims by or Claims against or Interests in the Debtors; (2) prejudice in any manner the rights of the Debtors, any Holders, or any other Person or Entity; (3) constitute an allowance of any Claim or Interest; or (4) constitute an admission, acknowledgment, offer, or undertaking by the Debtors, any Holders, or any other Person or Entity in any respect.

Article VIII.D (“*Substantial Consummation*”) provides that “Substantial consummation” of the Plan, as defined in section 1102(2) of the Bankruptcy Code, will be deemed to occur on the Effective Date.

2. Releases, Exculpation and Injunction

a. Releases by the Debtors (IX.B)

To the fullest extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in this Plan or the Combined Order, pursuant to section 1123(b) of the Bankruptcy Code, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, is and is deemed to be, forever and unconditionally released, and absolved by each

Debtor, Reorganized Debtor, and the Estates from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of this Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to this Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under this Plan or any other related agreement, or (10) any other act or omission, transaction, agreement, event, or other occurrence related to any of the foregoing and taking place on or before the Effective Date; provided, that the Debtors do not release Claims or Causes of Action (1) that are of a commercial nature and arising in the ordinary course of business, such as accounts receivable and accounts payable on account of goods and services being performed or (2) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct). Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under this Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan, or any agreement, Claim, or obligation arising or assumed under this Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by each of the Released Parties, including the Released Parties' substantial contributions to facilitating the Restructuring Transactions and implementing this Plan; (2) a good-faith settlement and compromise of the Claims released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors,

or the Debtors' Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release.

b. Releases by Holders of Claims or Interests (IX.C)

To the extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in this Plan or the Combined Order, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Releasing Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, has and is deemed to have, forever and unconditionally, released, and absolved each Released Party from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any Security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of this Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to this Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under this Plan or any other related agreement, or (10) any other act, or omission, transaction, agreement, event, or other occurrence relating to any of the foregoing and taking place on or before the Effective Date; *provided*, that the Releasing Parties do not release Claims or Causes of Action (1) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud, gross negligence, or willful misconduct) or (2) against a Released Party arising from any obligations owed to the Releasing Party that are wholly unrelated to the Debtors or the Reorganized Debtors. Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under this Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan, or any agreement, claim, or obligation arising or assumed under this Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in this Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) consensual; (2) given and made after due notice and opportunity for hearing; and (3) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

c. Exculpation (IX.D)

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any Claims or Causes of Action for any act taken or omitted to be taken between the Petition Date and the Effective Date in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or consummation (as applicable) of this Plan, the Transaction Support Agreement, and the Disclosure Statement including any disbursements made by a Distribution Agent in connection with this Plan, the Disclosure Statement, the Definitive Documents, the Plan Supplement, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with this Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the approval of the Disclosure Statement or Confirmation or consummation of this Plan; provided, that the foregoing provisions of this exculpation shall not operate to waive or release: (1) any Claims or Causes of Action arising from willful misconduct, actual fraud (but not, for the avoidance of doubt, fraudulent transfers), or gross negligence of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (2) the rights of any Person or Entity to enforce this Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with this Plan or assumed pursuant to this Plan or Final Order of the Bankruptcy Court; provided, further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions, or inactions.

The Exculpated Parties have, and upon consummation of this Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to this Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of this Plan or such distributions made pursuant to this Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. For the avoidance of doubt and notwithstanding anything else herein, the foregoing exculpation shall be limited to Persons that served as Estate fiduciaries during the Chapter 11 Cases.

d. Permanent Injunction (IX.E)

Except as otherwise expressly provided in the Transaction Support Agreement, this Plan or the Combined Order, from and after the Effective Date, all Persons and Entities are, to the fullest extent provided under Section 524 and other applicable provisions of the Bankruptcy Code, permanently

enjoined from (1) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (2) enforcing, attaching, collecting, or recovering in any manner or means any judgment, award, decree, or order; (3) creating, perfecting, or enforcing any Lien or encumbrance; (4) asserting a right of setoff or subrogation of any kind; or (5) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Interest, or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Combined Order against any Person or Entity so released, discharged, or exculpated (or the property or estate of any Person or Entity so released, discharged, or exculpated). All injunctions or stays provided for in the Chapter 11 Cases under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

No Person or Entity may commence or pursue a Claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action, as applicable, subject to Article IX of the Plan, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action, as applicable, represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such Claim or Cause of Action represents a colorable Claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such Claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such Claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Claims or Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court reserves jurisdiction to adjudicate any such claims to the maximum extent provided by the law.

VI.

CAPITAL STRUCTURE AND CORPORATE GOVERNANCE OF REORGANIZED DEBTORS

A. Summary of Capital Structure of Reorganized Debtors

1. Post-Emergence Capital Structure

The following table summarizes the capital structure of the Reorganized Debtors, including the post-Effective Date financing arrangements the Reorganized Debtors expect to enter into to fund their obligations under the Plan and provide for, among other things, their post-Effective Date working capital needs. This summary of the Reorganized Debtors' capital structure is qualified in its entirety by reference to the Plan and the relevant Definitive Documents.

Instrument	Amount	Description
------------	--------	-------------

Exit ABL Loans	\$140 million	Loans under the senior secured asset-based revolving credit facility under the Exit ABL Credit Agreement.
Exit Term Loans	\$115 million	Term loans under the Exit Prepetition Term Loan Credit Agreement in an aggregate principal amount of \$115 (inclusive of fees payable in kind) (plus accrued interest) comprising converted DIP Term Loans in an aggregate principal amount of approximately \$40 million (plus premiums owed to the DIP Backstop Parties and approximately \$75 million of Prepetition Term Loan Obligations to be “rolled-up” into the DIP-to-Exit Term Loan Facility).

2. Exit Facilities and Exit Facilities Documents

Article IV.G (“*Exit Facilities and Exit Facilities Documents*”) provides that, to the extent required and subject to the occurrence of the Effective Date, Confirmation of the Plan will be deemed to constitute approval by the Bankruptcy Court of the Exit Facilities Documents (including all transactions contemplated thereby, such as any supplementation or syndication of the Exit Term Loans, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the incurrence of Liens securing the Exit Facilities and the payment of all fees, payments, indemnities, and expenses associated therewith) and, subject to the occurrence of the Effective Date, authorization for the applicable Reorganized Debtors to enter into and perform their obligations under the Exit Facilities Documents and such other documents as may be reasonably required or appropriate, subject to any consent or approval rights under the Definitive Documents. On or around the Effective Date, the Reorganized Debtors will execute and deliver the Exit Prepetition ABL Credit Agreement, the Exit Prepetition Term Loan Credit Agreement, the Exit Intercreditor Agreement, and any other Exit Facilities Document, and will execute, deliver, file, record, and issue any other related notes, guarantees, security documents, instruments, or agreements in connection therewith, in each case, without (a) further notice to the Bankruptcy Court, or (b) further act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. On the Effective Date, the Exit Facilities will be governed by the Exit Intercreditor Agreement.

On the Effective Date, the Exit Facilities Documents will constitute legal, valid, binding, and authorized obligations of the Reorganized Debtors, enforceable in accordance with their terms. The financial accommodations to be extended pursuant to the Exit Facilities Documents are being extended, and will be deemed to have been extended, and all related payments made in connection therewith will have been made, in each case, in good faith, for legitimate business purposes, for reasonably equivalent value, as an inducement to the applicable lenders to extend credit under the applicable Exit Facilities, are reasonable, will not be subject to avoidance, recovery, turnover, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and will not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. On the Effective Date, all of the Liens and security interests to be granted, carried forward, continued, amended, extended, and/or reaffirmed (including in connection with any Prepetition ABL Claims that are refinanced by the Exit ABL Credit Agreement) under the Exit Facilities Documents will: (1) be continuing, legal, binding, and enforceable Liens on, and security interests in, the collateral granted in accordance with the terms of the applicable Exit Facilities Documents; (2) be granted, carried forward, continued, amended, extended, reaffirmed, and deemed automatically perfected on the Effective Date, subject only to such Liens and security interests as may be permitted thereunder; and (3) not be subject to avoidance, recovery, turnover, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and will not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any applicable non bankruptcy law. The Reorganized

Debtors and the Entities granted such Liens and security interests are authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, provincial, federal, or other law (whether domestic or foreign) that would be applicable in the absence of the Plan and the Combined Order (it being understood that perfection will occur automatically by virtue of the entry of the Combined Order, and any such filings, recordings, approvals, and consents will not be required), and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

3. Issuance of New Equity Interests and Deregistration

Article IV.H (“*Issuance of New Equity Interests and Deregistration*”) provides that, on the Effective Date, Reorganized Parent will issue or reserve for issuance and deliver all of the New Equity Interests in accordance with the terms of the Plan and the New Organizational Documents. The issuance and delivery of the New Equity Interests is authorized without the need for further corporate or other action or any consent or approval of any national securities exchange upon which the New Equity Interests may be listed on or immediately following the Effective Date. All of the New Equity Interests issuable under the Plan and the Combined Order will, when so issued, be duly authorized, validly issued, fully paid, and non-assessable.

The issuance and delivery of the New Equity Interests in accordance with the Plan are authorized without the need for any further limited liability company or corporate action and without any further action by any Holder of a Claim or Interest.

Any Holder of an Allowed Prepetition Term Loan Claim or any DIP Term Lender entitled to the DIP Equity Premium may designate that all or a portion of such Holder’s share of the New Equity Interests to be distributed as part of the treatment of such Allowed Prepetition Term Loan Claim or on account of the DIP Equity Premium, be registered in the name of, and delivered to, its designee by delivering notice thereof to counsel to the Debtors and to the Notice and Claims Agent at least five (5) Business Days prior to the Effective Date. Any such designee must be an “accredited investor” as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act.

Reorganized Parent intends to exist and operate as a private company after the Effective Date. As promptly as reasonably practicable following the Effective Date, Reorganized Parent expects to take all necessary steps to terminate the registration of all Securities under the Exchange Act and Securities Act, including to de-register its Existing Equity Interests, and to terminate its reporting obligations under sections 12, 13, and 15(d) of the Exchange Act, including by (1) filing, or causing any applicable national securities exchange to file, a Form 25 with the SEC under the Exchange Act, and (2) filing a Form 15 with the SEC under the Exchange Act.

a. Absence of Listing / Transfer of New Equity Interests (IV.H.1)

On the Effective Date, the Reorganized Parent will issue the New Equity Interests pursuant to the Plan and the New Organizational Documents. Reorganized Parent will not be obligated to effect or maintain any listing of the New Equity Interests for trading on any national securities exchange (within the meaning of the Exchange Act) and it has no current intention of maintaining or obtaining such listing. Distributions of the New Equity Interests are expected to be delivered via book-entry transfer by the Distribution Agent in accordance with the Plan and the New Organizational Documents, rather than through the facilities of DTC; however, in the event the New Equity Interests are DTC eligible on the Effective Date, distributions will be made via DTC. Upon the Effective Date, after giving effect to the Restructuring Transactions, the New

Equity Interests will be the number of shares or membership interests designated in the New Organizational Documents.

On and after the Effective Date, transfers of New Equity Interests will be made in accordance with applicable United States law, United States securities laws (as applicable), and the New Organizational Documents.

4. Exemption from Registration Requirements

Article IV.I (“*Exemption from Registration Requirements*”) provides that no registration statement will be filed under the Securities Act, or pursuant to any state securities laws, with respect to the offer, issuance and distribution of the New Equity Interests under the Plan. The offering, sale, issuance, and distribution of the New Equity Interests in exchange for Claims pursuant to Article II and Article III of the Plan and pursuant to the Combined Order will be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable United States, state, or local law requiring registration for the offer or sale of a security pursuant to section 1145 of the Bankruptcy Code. Any and all such New Equity Interests may be resold without registration under the Securities Act by the recipients thereof pursuant to the exemption provided by Section 4(a)(1) of the Securities Act, subject to: (1) the provisions of section 1145(b)(1) of the Bankruptcy Code, which limits resale by Persons who are “underwriters” as that term is defined in such section; (2) restrictions under the Securities Act applicable to recipients who are an “affiliate” of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (3) compliance with any applicable state or foreign securities laws, if any, and any rules and regulations of the SEC, if any, applicable at the time of any future transfer of such Securities; (4) the restrictions, if any, on the transferability of such Securities in the Organizational Documents of the issuer of, or in agreements or instruments applicable to holders of, such Securities; and (5) any other applicable regulatory approval.

The Reorganized Debtors need not provide any further evidence other than the Plan and the Combined Order with respect to the treatment of the New Equity Interests under applicable securities laws.

Notwithstanding anything to the contrary in the Plan, no Person or Entity (including, for the avoidance of doubt, DTC) will be entitled to require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Equity Interests are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. All such Persons and Entities including DTC will be required to accept and conclusively rely upon the Plan or the Combined Order in lieu of a legal opinion regarding whether the New Equity Interests are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding any policies, practices, or procedures of DTC, DTC and any participants and intermediaries will fully cooperate and take all actions to facilitate any and all transactions necessary or appropriate for implementation of the Plan or other contemplated thereby, including without limitation any and all distributions pursuant to the Plan.

B. Corporate Governance and Management of the Reorganized Debtors

1. Debtors’ Organizational Matters

Article IV.C (“*Corporate Existence*”) provides that, except as otherwise provided in the Plan, or as otherwise may be agreed between the Debtors and the Required Consenting Lenders, each Debtor, as a Reorganized Debtor, will continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in

the jurisdiction in which each Debtor is incorporated or formed and pursuant to the respective memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) in effect before the Effective Date, except to the extent such memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) are amended by the Plan, by the Debtors, or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law), without prejudice to any right to alter or terminate such existence (whether by merger or otherwise) in accordance with such applicable law.

The Plan further provides that, on or after the Effective Date, without prejudice to the rights of any party to a contract or other agreement with any Reorganized Debtor, each Reorganized Debtor may, without the need for approval of the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, take such action as permitted by applicable law, and such Reorganized Debtor's Organizational Documents, as such Reorganized Debtor may determine is reasonable and appropriate, including, without limitation, causing: (a) a Reorganized Debtor to be merged into another Reorganized Debtor or an Affiliate of a Reorganized Debtor; (b) a Reorganized Debtor to be dissolved; (c) the conversion of a Reorganized Debtor from one entity type to another entity type; (d) the legal name of a Reorganized Debtor to be changed; (e) the closure of a Reorganized Debtor's Chapter 11 Case on the Effective Date or any time thereafter; or (f) the reincorporation of a Reorganized Debtor under the law of jurisdictions other than the law under which the applicable Debtor currently is incorporated.

Article V.H ("**Indemnification Provisions and Reimbursement Obligations**") provides that, on and as of the Effective Date, and except as prohibited by applicable law and subject to the limitations set forth in the Plan, the Indemnification Provisions will be assumed and irrevocable and will survive the effectiveness of the Plan, and the New Organizational Documents will provide to the fullest extent provided by law for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members', and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted. Notwithstanding anything in the Plan to the contrary, none of the Reorganized Debtors will amend and/or restate the New Organizational Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

Article IV.J of the Plan ("**New Organizational Documents**") provides that, subject to Article IV.E of the Plan, the Reorganized Debtors and Reorganized Parent will enter into such agreements and amend their corporate governance documents to the extent necessary to implement the terms and provisions of the Plan. Without limiting the generality of the foregoing, as of the Effective Date, each of the Reorganized Debtors will be governed by the New Organizational Documents applicable to it. From and after the Effective Date, the Organizational Documents of each of the Reorganized Debtors will be deemed to be modified to prohibit the issuance of non-voting Securities, solely to the extent required under section 1123(a)(6) of the Bankruptcy Code. On or immediately before the Effective Date, each Reorganized Debtor and Reorganized Parent will file its New Organizational Documents, if any, with the applicable Secretary of State and/or other applicable authorities in its jurisdiction of incorporation or formation in accordance with applicable laws of its jurisdiction of incorporation or formation, to the extent required for such New Organizational Documents to become effective. The New Organizational Documents for the Reorganized Debtors and Reorganized Parent will be in form and substance (including customary minority protections) acceptable to the Required Consenting Lenders.

The Plan further provides, that, as a condition to receiving the New Equity Interests, Holders of Allowed Prepetition Term Loan Claim or Holders entitled to receive New Equity Interests on account of the DIP Equity Premium and/or any of their respective designees for receipt of New Equity Interests will be required to execute and deliver the New Organizational Documents for Reorganized Parent. For the avoidance of doubt, any Entity's or Person's receipt of New Equity Interests under, or as contemplated by, the Plan (including on account of the DIP Equity Premium) will be deemed to be its agreement to the terms of the New Organizational Documents for Reorganized Parent, and such Entities and Persons will be deemed signatories to the New Organizational Documents for Reorganized Parent without further action required on their part. The New Organizational Documents for Reorganized Parent will be effective as of the Effective Date and, as of such date, will be deemed to be valid, binding, and enforceable in accordance with its terms, and each Holder of New Equity Interests will be bound thereby in all respects even if such Holder has not actually executed and delivered a counterpart thereof.

Article IV.O ("*Corporate Action*") provides that each of the Debtors and the Reorganized Debtors may take any and all actions to execute, deliver, File or record such contracts, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the provisions of the Plan, and without further notice to or order of the Bankruptcy Court, any act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by the security holders, officers, or directors of the Debtors or the Reorganized Debtors or by any other Person (except for those expressly required pursuant hereto or by the Definitive Documents).

Upon the Effective Date, all actions contemplated by the Plan will be deemed authorized, approved, and, to the extent taken before the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, or officers of the Debtors, the Reorganized Debtors, or any other Entity, including: (1) assumption and rejection (as applicable) of Executory Contracts and Unexpired Leases; (2) selection of the directors, managers, and officers for the Reorganized Debtors and Reorganized Parent; (3) the execution of the New Organizational Documents and the Exit Facilities Documents; (4) the issuance and delivery of the New Equity Interests and the issuance of the Exit Facilities; (5) implementation of the Restructuring Transactions, and (6) all other acts or actions contemplated, or reasonably necessary or appropriate to promptly consummate the transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the company structure of the Debtors, and any company action required by the Debtors in connection therewith, will be deemed to have occurred on, and will be in effect as of, the Effective Date, without any requirement of further action by the security holders, directors, managers, authorized persons, or officers of the Debtors, the Reorganized Debtors, or Reorganized Parent or otherwise.

Before, on, and after the Effective Date, the appropriate officers, directors, managers, or authorized persons of the Debtors, the Reorganized Parent, or any direct or indirect subsidiaries of the Reorganized Parent (including any president, vice-president, chief executive officer, treasurer, general counsel, secretary, or chief financial officer thereof) will be authorized and directed to issue, execute, and deliver the agreements, documents, securities, memoranda and articles of association, certificates of incorporation, certificates of formation, bylaws, operating agreements, other organization documents, and instruments contemplated by the Plan (or necessary or desirable to effect the transactions contemplated by the Plan) in the name of and on behalf of the applicable Debtors or applicable Reorganized Debtors, including the (1) New Organizational Documents, (2) Exit Facilities Documents, and (3) any and all other agreements, documents, securities, and instruments relating to or contemplated by the foregoing. Before or on the Effective Date, each of the Debtors is authorized, in its sole discretion, to change its name or corporate form and to take such other action as required to effectuate a change of name or corporate form in the jurisdiction of incorporation of the applicable Debtor or Reorganized Debtor. To the extent the Debtors change their

names or corporate form before the closing of the Chapter 11 Cases, the Debtors will change the case captions accordingly.

The authorizations, approvals and directives contemplated by Article IV.O of the Plan will be effective notwithstanding any requirements under non-bankruptcy law.

2. Directors and Officers of the Reorganized Debtors

Article IV.M.1 (“*Reorganized Board*”) provides that, the members of the Reorganized Board will consist of a number of members determined by the Required Consenting Lenders in their sole discretion, which will consist of members appointed in a manner determined by the Required Consenting Lenders in their sole discretion and set forth in the New Organizational Documents for Reorganized Parent. Except to the extent that a member of the board of directors or board of managers, or the sole manager, as applicable, of a Debtor is designated in the Plan Supplement to serve as a director, manager, or sole manager of such Reorganized Debtor on the Effective Date, the members of the board of directors or board of managers, or the sole manager, as applicable, of each Debtor prior to the Effective Date, in their capacities as such, will have no continuing obligations to the Reorganized Debtors on or after the Effective Date, and each such director, manager, or sole manager will be deemed to have resigned or will otherwise cease to be a director, manager, or sole manager of the applicable Debtor on the Effective Date. Each of the directors, managers, sole managers and officers of each of the Reorganized Debtors and Reorganized Parent will serve pursuant to the terms of the applicable New Organizational Documents of such Reorganized Debtor or Reorganized Parent, as applicable, and may be designated, replaced, or removed in accordance with such New Organizational Documents.

3. Senior Management

Article IV.M.2 (“*Senior Management*”) provides that the existing officers of the Debtors as of the Effective Date will remain in their current capacities as officers of the Reorganized Debtors, subject to their right to resign and the ordinary rights and powers of the Reorganized Board to remove or replace them in accordance with the New Organizational Documents and any applicable employment agreements that are assumed pursuant to the Plan.

4. Management Incentive Plan

Article IV.M.3 (“*Management Incentive Plan*”) provides that, after the Effective Date, the Reorganized Board will adopt the Management Incentive Plan in accordance with the Transaction Term Sheet. The form of the awards (i.e., options, restricted stock or units, appreciation rights, etc.), the participants in the Management Incentive Plan, the allocations of the awards to such participants (including the amount of allocations and the timing of the grant of the awards), and the terms and conditions of the awards (including vesting, exercise prices, base values, hurdles, forfeiture, repurchase rights and transferability) will be determined by the Reorganized Board in its sole discretion.

5. Directors and Officers Insurance Policies

Article V.F (“*Directors and Officers Insurance Policies*”) provides that, on the Effective Date the Reorganized Debtors will be deemed to have assumed all of the Debtors’ D&O Insurance Policies (including any “tail coverage” and all agreements, documents, or instruments related thereto, including, without limitation, the six years of runoff or “tail” coverage for the D&O Insurance Policies which covers the period from March 11, 2023 to June 11, 2024 and for which all premiums and related obligations were paid in full prior to the date hereof) in effect before the Effective Date pursuant to sections 105 and 365(a) of the Bankruptcy Code, without the need for any further notice to or action, order, or approval of the

Bankruptcy Court. Confirmation of the Plan will not discharge, impair, or otherwise modify any indemnity obligations assumed by the foregoing assumption of the D&O Insurance Policies, and each such indemnity obligation will be deemed and treated as an Executory Contract that has been assumed by the Debtors under the Plan as to which no Proof of Claim need be Filed. The Debtors and, after the Effective Date, the Reorganized Debtors will retain the ability to supplement such D&O Insurance Policies as the Debtors or Reorganized Debtors, as applicable, may deem necessary. For the avoidance of doubt, entry of the Combined Order will constitute the Bankruptcy Court’s approval of the Reorganized Debtors’ foregoing assumption of each of the unexpired D&O Insurance Policies.

In addition, on or after the Effective Date, none of the Reorganized Debtors will terminate or otherwise reduce the coverage under any D&O Insurance Policies (including any “tail coverage” and all agreements, documents, or instruments related thereto) in effect on or before the Effective Date, with respect to conduct occurring prior thereto, and all current and former directors, officers, and managers of the Debtors who served in such capacity at any time before the Effective Date will be entitled to the full benefits of any such policies for the full term of such policies regardless of whether such current and former directors, officers, and managers remain in such positions after the Effective Date, all in accordance with and subject in all respects to the terms and conditions of the D&O Insurance Policies, which will not be altered.

VII.
CONFIRMATION OF THE PLAN

The Bankruptcy Court will confirm the Plan only if all of the requirements of section 1129 of the Bankruptcy Code are met. Among the requirements for confirmation are that a plan is (A) accepted by all impaired classes of claims and interests entitled to vote or, if rejected or deemed rejected by an impaired class, that the plan “does not discriminate unfairly” and is “fair and equitable” as to such class; (B) in the “best interests” of the holders of claims and interests impaired under the plan; and (C) feasible.

A. Combined Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a confirmation hearing upon appropriate notice to all required parties. The Combined Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of the continuation date made at the Combined Hearing, at any subsequent continued Combined Hearing or confirmation hearing, or pursuant to a notice filed on the docket for the Chapter 11 Cases.

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to the confirmation of a plan. Any objection to confirmation of the Plan must be in writing, must conform to the Bankruptcy Rules and the Bankruptcy Local Rules, must set forth the name of the objector, the nature and amount of Claims or Interests held or asserted by the objector against the Debtors’ Estates or properties, the basis for the objection and the specific grounds therefore, and must be filed with the Bankruptcy Court, together with proof of service thereof, and served upon all of the below parties.

B. Confirmation

At the Combined Hearing, the Bankruptcy Court will determine whether the requirements of section 1129 of the Bankruptcy Code have been satisfied with respect to the Plan.

1. Confirmation Requirements

Confirmation of a chapter 11 plan under section 1129(a) of the Bankruptcy Code requires, among other things, that:

- the plan complies with the applicable provisions of the Bankruptcy Code;
- the proponent of the plan has complied with the applicable provisions of the Bankruptcy Code;
- the plan has been proposed in good faith and not by any means forbidden by law;
- any plan payment made or to be made by the proponent under the plan for services or for costs and expenses in, or in connection with, the chapter 11 case, or in connection with the plan and incident to the case, has been approved by, or is subject to the approval of, the bankruptcy court as reasonable;
- the proponent has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the plan, as a director, officer, or voting trustee of the debtor, an affiliate of the debtor participating in the plan with the debtor, or a successor to the debtor under the plan. The appointment to, or continuance in, such office by such individual must be consistent with the interests of creditors and equity security holders and with public policy and the proponent must have disclosed the identity of any insider that the reorganized debtor will employ or retain, and the nature of any compensation for such insider;
- with respect to each impaired class of claims or interests, either each holder of a claim or interest of such class has accepted the plan, or will receive or retain under the plan, on account of such claim or interest, property of a value, as of the effective date of the plan, that is not less than the amount that such holder would receive or retain if the debtor were liquidated on such date under chapter 7 of the Bankruptcy Code;
- subject to the “cramdown” provisions of section 1129(b) of the Bankruptcy Code, each class of claims or interests has either accepted the plan or is not impaired under the plan;
- except to the extent that the holder of a particular claim has agreed to a different treatment of such claim, the plan provides that allowed administrative expenses and priority claims will be paid in full on the effective date (except that holders of priority tax claims may receive deferred Cash payments of a value, as of the effective date of the plan, equal to the allowed amounts of such claims and that holders of priority tax claims may receive on account of such claims deferred Cash payments, over a period not exceeding five (5) years after the date of assessment of such claims, of a value, as of the effective date, equal to the allowed amount of such claims);

- if a class of claims is impaired, at least one (1) impaired class of claims has accepted the plan, determined without including any acceptance of the plan by any insider holding a claim in such class; and
- confirmation of the plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the debtor or any successor to the debtor under the plan, unless such liquidation or reorganization is proposed in the plan.

The Debtors believe that:

- the Plan satisfies all of the statutory requirements of chapter 11 of the Bankruptcy Code;
- the Debtors, as the proponents of the Plan, have complied or will have complied with all of the requirements of chapter 11 of the Bankruptcy Code; and
- the Plan has been proposed in good faith.

Set forth below is a summary of certain relevant statutory confirmation requirements.

a. Acceptance

Claims in Class 3 are Impaired under the Plan, and Holders thereof are entitled to vote to accept or reject the Plan; Claims in Classes 1, 2, and 4 are Unimpaired, and therefore Holders thereof are conclusively presumed to accept the Plan; Claims and Interests in Classes 5 and 8, respectively, are Impaired and will receive no distribution under the Plan, and therefore Holders thereof are conclusively deemed to reject the Plan; and Claims and Interests in Classes 6 and 7, respectively, will either be Unimpaired or Impaired, and Holders thereof will receive no distributions and will be conclusively deemed to accept or deemed to reject the Plan, as applicable.

With respect to any Class of Claims or Interests that rejects (or is deemed to reject) the Plan, the Debtors will be required to demonstrate that the Plan satisfies the requirements for nonconsensual confirmation under section 1129(b) of the Bankruptcy Code (which are discussed immediately below). While the Debtors believe the Plan satisfies such requirements with respect to all Classes of Claims and Interests that may reject the Plan, there can be no assurance that the Bankruptcy Court will determine that the Plan meets such requirements. The Debtors also will seek confirmation of the Plan over the objection of any individual holders of Claims who are members of an accepting Class.

b. Unfair Discrimination and Fair and Equitable Test

To obtain nonconsensual confirmation of a chapter 11 plan, it must be demonstrated to the Bankruptcy Court that the plan “does not discriminate unfairly” and is “fair and equitable” with respect to each impaired, non-accepting class. The Bankruptcy Code provides a non-exclusive definition of the phrase “fair and equitable” for, respectively, secured creditors, unsecured creditors and holders of equity interests. In general, section 1129(b) of the Bankruptcy Code permits confirmation notwithstanding non-acceptance by an impaired class if that class and all junior classes are treated in accordance with the “absolute priority” rule, which requires that the dissenting class be paid in full before a junior class may receive anything under the plan.

A chapter 11 plan does not “discriminate unfairly” with respect to a non-accepting class if the value of the Cash and/or securities to be distributed to the non-accepting class is equal to, or otherwise fair when compared to, the value of the distributions to other classes whose legal rights are similar to those of the

non-accepting class. The Debtors believe the Plan will not discriminate unfairly against any non-accepting Class.

c. Feasibility; Financial Projections

The Bankruptcy Code permits a plan to be confirmed only if confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the debtor or any successor to the debtor, unless such liquidation or reorganization is proposed in the plan. For purposes of determining whether the Plan meets this requirement, the Debtors have analyzed the ability of the Reorganized Debtors to meet their obligations under the Plan and retain sufficient liquidity and capital resources to conduct their business. Under the terms of the Plan, the Allowed Claims potentially being paid in whole or in part in Cash are the Other Secured Claims and General Unsecured Claims.

In connection with developing the Plan, the Debtors have prepared detailed financial projections (the “*Financial Projections*”) set forth in Exhibit C hereto, which demonstrate, among other things, the financial feasibility of the Plan. The Financial Projections indicate, on a *pro forma* basis, that the projected level of Cash flow is sufficient to satisfy all of the Reorganized Debtors’ future debt and debt-related interest costs, capital expenditure, and other obligations during this period. Accordingly, the Debtors believe that confirmation of the Plan is not likely to be followed by the liquidation or further reorganization of the Reorganized Debtors.

THE FINANCIAL PROJECTIONS, INCLUDING THE UNDERLYING ASSUMPTIONS, SHOULD BE CAREFULLY REVIEWED IN EVALUATING THE PLAN. WHILE MANAGEMENT BELIEVES THE ASSUMPTIONS UNDERLYING THE FINANCIAL PROJECTIONS, WHEN CONSIDERED ON AN OVERALL BASIS, WERE REASONABLE WHEN PREPARED IN LIGHT OF CURRENT CIRCUMSTANCES AND EXPECTATIONS, NO ASSURANCE CAN BE GIVEN THAT THE FINANCIAL PROJECTIONS WILL BE REALIZED. THE DEBTORS MAKE NO REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF THE FINANCIAL PROJECTIONS. THE PROJECTIONS ARE SUBJECT TO A NUMBER OF RISKS, UNCERTAINTIES AND ASSUMPTIONS, INCLUDING THOSE DESCRIBED BELOW UNDER SECTION IX. IN LIGHT OF THESE RISKS AND UNCERTAINTIES, ACTUAL RESULTS COULD DIFFER MATERIALLY FROM THOSE ANTICIPATED IN THE FINANCIAL PROJECTIONS.

The Debtors prepared the Financial Projections based upon certain assumptions that they believe to be reasonable under the circumstances. The Financial Projections have not been examined or compiled by independent accountants. Moreover, such information has not been prepared in accordance with accounting principles generally accepted in the United States (“*GAAP*”). The Debtors make no representation as to the accuracy of the Financial Projections or their ability to achieve the projected results. Many of the assumptions on which the Financial Projections are based are inherently subject to significant economic and competitive uncertainties and contingencies beyond the control of the Debtors and their management. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the actual financial results. Therefore, the actual results achieved may vary from the projected results, and the variations may be material. All Holders of Claims that are entitled to vote to accept or reject the Plan are urged to examine carefully all of the assumptions on which the Financial Projections are based in connection with their evaluation of the Plan.

2. Best Interests Test

The “best interests” test requires that the Bankruptcy Court find either:

- that all members of each impaired class have accepted the plan; or
- that each holder of an allowed claim or interest in each impaired class of claims or interests will receive or retain under the plan on account of such claim or interest, property of a value, as of the effective date of the plan, that is not less than the amount such holder would receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code on such date.

To determine what the holders of Claims and Interests in each impaired Class would receive if the Debtors were liquidated under chapter 7 on the Effective Date, the Bankruptcy Court must determine the dollar amount that would have been generated from the liquidation of the Debtors' assets and properties in a liquidation under chapter 7 of the Bankruptcy Code.

To determine if the Plan is in the best interests of each impaired Class, the present value of the distributions from the proceeds of a liquidation of the Debtors' assets and properties, after subtracting the amounts due to secured and priority creditors, must be compared with the value of the property offered to each such Class of Claims under the Plan.

After considering the effects that a chapter 7 liquidation would have on the ultimate proceeds available for distribution to creditors, the Debtors have determined that confirmation of the Plan will provide each Holder of an Allowed Claim with a recovery that is not less than such Holder would have received pursuant to the liquidation of the Debtors under chapter 7.

Moreover, the Debtors believe that the value of distributions to each Class of Allowed Claims in a chapter 7 case would be materially less than the value of distributions under the Plan, and any distribution in a chapter 7 case would not occur as expeditiously as contemplated by the Plan.

The Debtors, with the assistance of their financial advisor, FTI Consulting, Inc., and legal counsel, have prepared a liquidation analysis that summarizes the Debtors' best estimate of recoveries by Holders of Claims and Interests in the event of liquidation commencing on or around January 31, 2025 (the "*Liquidation Analysis*"), which is set forth in Exhibit D hereto. The Liquidation Analysis provides: (a) a summary of the liquidation values of the Debtors' assets, assuming a chapter 7 liquidation in which a trustee appointed by the Bankruptcy Court would liquidate the assets of the Debtors' estates; and (b) the expected recoveries of Holders of Claims and Interests under the Plan.

The Liquidation Analysis contains a number of estimates and assumptions that, although developed and considered reasonable by the Debtors' management, are inherently subject to significant economic and competitive uncertainties and contingencies beyond the control of the Debtors and their management. The Liquidation Analysis also is based on assumptions with regard to liquidation decisions that are subject to change and significant economic and competitive uncertainties and contingencies beyond the control of the Debtors and their management. Accordingly, the values reflected might not be realized. All Holders of Claims that are entitled to vote to accept or reject the Plan are urged to examine carefully all of the assumptions on which the Liquidation Analysis is based in connection with their evaluation of the Plan.

C. Classification of Claims and Interests

The Debtors believe that the Plan complies with the classification requirements of the Bankruptcy Code, which require that a chapter 11 plan place each claim and interest into a class with other claims or interests that are "substantially similar."

D. Consummation

The Plan will be consummated on the Effective Date. The Effective Date will occur on the first Business Day on which the conditions precedent to the effectiveness of the Plan (*see Section V.G* hereof and Article VIII of the Plan) have been satisfied or waived pursuant to the Plan. The Plan is to be implemented pursuant to its terms, consistent with the provisions of the Bankruptcy Code.

E. Exemption from Certain Taxes and Fees

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfer (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under the Plan (including the Restructuring Transactions) pursuant to (1) the issuance, distribution, transfer, or exchange of any debt, securities, or other interest in the Debtors or the Reorganized Debtors, (2) the creation, modification, consolidation, termination, refinancing, or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means, (3) the making, assignment, or recording of any lease or sublease, (4) the grant of collateral security for any or all of the Exit Facilities or other indebtedness, or (5) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan (including the Restructuring Transactions), will not be subject to any document recording tax, stamp tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and the appropriate state or local governmental officials, agents, or filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, must comply with the requirements of section 1146(a) of the Bankruptcy Code, will forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee or governmental assessment.

F. Modification of Plan

Subject to the terms of the Transaction Support Agreement and the limitations contained in the Plan, the Debtors or Reorganized Debtors reserve the right to, in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Transaction Support Agreement: (1) amend or modify the Plan before the entry of the Combined Order, including amendments or modifications to satisfy section 1129(b) of the Bankruptcy Code; (2) amend or modify the Plan after the entry of the Combined Order in accordance with section 1127(b) of the Bankruptcy Code and the Transaction Support Agreement upon order of the Bankruptcy Court; and (3) remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan upon order of the Bankruptcy Court.

G. Effect of Confirmation on Modifications

Entry of the Combined Order will mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

H. Revocation of Plan; Reservation of Rights If Effective Date Does Not Occur

Subject to the conditions to the Effective Date, the Debtors reserve the right, subject to the terms of the Transaction Support Agreement, to revoke or withdraw the Plan before the entry of the Combined Order

and to File subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan, or if entry of the Combined Order or the Effective Date does not occur, or if the Transaction Support Agreement terminates in accordance with its terms before the Effective Date, then (1) the Plan will be null and void in all respects, (2) any settlement or compromise embodied in the Plan, assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant hereto will be deemed null and void, and (3) nothing contained in the Plan will: (a) constitute a waiver or release of any Claims by or against, or any Interests in, such Debtor or any other Entity; (b) prejudice in any manner the rights of the Debtors or any other Entity; or (c) constitute an admission of any sort by the Debtors or any other Entity; *provided*, that any Restructuring Fees and Expenses that have been paid as of the date of revocation or withdrawal of the Plan will remain paid and will not be subject to disgorgement or repayment without further order of the Bankruptcy Court.

I. Post-Confirmation Jurisdiction of the Bankruptcy Court

Notwithstanding the entry of the Combined Order and the occurrence of the Effective Date, except to the extent set forth in the Plan or under applicable federal law, the Bankruptcy Court will retain exclusive jurisdiction over all matters arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, including jurisdiction to:

- i. allow, disallow, determine, liquidate, classify, estimate, or establish the priority, secured or unsecured status, or amount of any Claim or Interest, including the resolution of any request for payment of any Administrative Claim and the resolution of any and all objections to the secured or unsecured status, priority, amount, or allowance of Claims or Interests;
- ii. decide and resolve all matters related to the granting and denying, in whole or in part, any applications for allowance of compensation or reimbursement of expenses to Retained Professionals authorized pursuant to the Bankruptcy Code or the Plan;
- iii. resolve any matters related to: (a) the assumption, assumption and assignment, or rejection of any Executory Contract or Unexpired Lease to which a Debtor is party with respect to which a Debtor may be liable and to hear, determine, and, if necessary, liquidate, any Cure Costs arising therefrom, including Cure Costs pursuant to section 365 of the Bankruptcy Code; (b) any potential contractual obligation under any Executory Contract or Unexpired Lease that is assumed; and (c) any dispute regarding whether a contract or lease is or was executory or expired;
- iv. ensure that distributions to Holders of Allowed Claims are accomplished pursuant to the provisions of the Plan and the Combined Order;
- v. adjudicate, decide, or resolve any motions, adversary proceedings, contested, or litigated matters, and any other matters, and grant or deny any applications involving a Debtor that may be pending on the Effective Date;
- vi. adjudicate, decide, or resolve any and all matters related to Causes of Action;
- vii. adjudicate, decide, or resolve any and all matters related to section 1141 of the Bankruptcy Code;
- viii. resolve any cases, controversies, suits, or disputes that may arise in connection with any Claims, including claim objections, allowance, disallowance, estimation, and distribution;

- ix. enter and implement such orders as may be necessary or appropriate to execute, implement, or consummate the provisions of the Plan, the Combined Order, and all contracts, instruments, releases, and other agreements or documents created in connection with the Plan, the Combined Order, or the Disclosure Statement, including the Transaction Support Agreement;
- x. enter and enforce any order for the sale of property pursuant to sections 363, 1123, or 1146(a) of the Bankruptcy Code;
- xi. resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with the interpretation or enforcement of the Plan, the Combined Order, or any contract, instrument, release or other agreement or document that is entered into or delivered pursuant to the Plan or the Combined Order, or any Entity's rights arising from or obligations incurred in connection with the Plan or the Combined Order;
- xii. issue injunctions, enter and implement other orders or take such other actions as may be necessary or appropriate to restrain interference by any Entity with enforcement of the Plan or the Combined Order;
- xiii. resolve any cases, controversies, suits, disputes, or Causes of Action with respect to the releases, injunctions, and other provisions contained in the Plan and enter such orders as may be necessary or appropriate to implement such releases, injunctions, and other provisions;
- xiv. resolve any cases, controversies, suits, disputes, or Causes of Action with respect to the repayment or return of distributions and the recovery of additional amounts owed by the Holder of a Claim or Interest for amounts not timely repaid;
- xv. enter and implement such orders as are necessary or appropriate if the Combined Order is for any reason modified, stayed, reversed, revoked, or vacated;
- xvi. determine any other matters that may arise in connection with or relate to the Plan, the Disclosure Statement, the Combined Order, or any contract, instrument, release, indenture, or other agreement or document created in connection with the Plan, the Combined Order, or the Disclosure Statement;
- xvii. enter an order or final decree concluding or closing the Chapter 11 Cases;
- xviii. adjudicate any and all disputes arising from or relating to distributions to Holder of Claims and Interests under the Plan;
- xix. consider any modification of the Plan, to cure any defect or omission, or to reconcile any inconsistency in any Bankruptcy Court order, including the Combined Order;
- xx. determine requests for payment of Claims and Interests entitled to priority pursuant to section 507 of the Bankruptcy Code;
- xxi. hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of the Plan, or the Combined Order, including disputes arising under agreements, documents, or instruments executed in connection with the Plan;

- xxii. hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code;
- xxiii. hear and determine all disputes involving the existence, nature, or scope of the Debtors' discharge, including without limitation any dispute relating to any liability arising out of the termination of employment or the termination of any employee or retiree benefit program, regardless of whether such termination occurred before or after the Effective Date;
- xxiv. hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of the releases, injunctions, and exculpations provided under Article IX of the Plan;
- xxv. resolve any disputes concerning whether a Person had sufficient notice of the Chapter 11 Cases, the Disclosure Statement, and any solicitation conducted in connection with the Chapter 11 Cases, in each case, for the purpose of determining whether a Claim or Interest is discharged pursuant to the Plan or for any other purpose;
- xxvi. enforce all orders previously entered by the Bankruptcy Court; and
- xxvii. hear any other matter not inconsistent with the Bankruptcy Code, the Plan, or the Combined Order.

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under, or related to the Chapter 11 Cases, including the matters set forth in Article X of the Plan, the provisions of Article X will have no effect on and will not control, limit, or prohibit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

Notwithstanding anything to the contrary in the Plan: (1) the Bankruptcy Court's jurisdiction to hear and determine disputes concerning Claims against or Interests in the Debtors that arose before the Effective Date, including, without limitation, any Claims based in whole or in part on any conduct of the Debtors occurring on or before the Effective Date, will be non-exclusive; (2) any dispute arising under or in connection with the Exit Facility Documents, New Governance Documents, and New Stockholders Agreement will be dealt with in accordance with the provisions of the applicable document; and (3) as of the Effective Date, the Exit Facility Amendment will be governed by the jurisdictional provisions therein.

VIII.

ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF THE PLAN

The Debtors have determined that the Plan is the best alternative available for their successful emergence from chapter 11. If the Plan is not confirmed and consummated, the alternatives to the Plan are: (A) continuation of the Chapter 11 Cases, which could lead to the filing of an alternative plan of reorganization and/or a sale of substantially all of the Debtors' assets; (B) a liquidation under chapter 7 of the Bankruptcy Code; or (C) dismissal of the Chapter 11 Cases, leaving Holders of Claims and Interests to pursue available non-bankruptcy remedies. These alternatives to the Plan are not likely to benefit Holders of Claims and Interests.

A. Continuation of Chapter 11 Cases

If the Plan is not confirmed, the Debtors (or, if the Debtors' exclusive period in which to file a plan of reorganization has expired, any other party in interest) could attempt to formulate a different plan or to sell all or substantially all of the Debtors' assets outside of a plan. Such a scenario might entail a reorganization and continuation of the Debtors' business or an orderly liquidation of their assets; in either case, the Debtors expect that recoveries to their stakeholders would be diminished relative to the recoveries available under the Plan.

B. Liquidation under Chapter 7

If no plan can be confirmed, then the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code in which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution to their creditors in accordance with the priorities established by the Bankruptcy Code. The effect a chapter 7 liquidation would have on the recovery of holders of Allowed Claims and Interests is set forth in the Liquidation Analysis set forth in Exhibit D hereto.

As demonstrated in the Liquidation Analysis, the Debtors believe that liquidation under chapter 7 would result in smaller distributions to creditors than those provided for in the Plan because of, among other things, the delay resulting from the conversion of the Chapter 11 Cases to cases under chapter 7, the additional administrative expenses associated with the appointment of a trustee and the trustee's retention of professionals, and the loss in value attributable to an expeditious liquidation of the Debtors' assets as required by chapter 7.

C. Dismissal of Chapter 11 Cases.

If the Chapter 11 Cases are dismissed, Holders of Claims or Interests would be free to pursue non-bankruptcy remedies in their attempts to satisfy Claims against or Interests in the Debtors. However, in that event, each Holder of Claims or Interests would be faced with the costs and difficulties of attempting to recover on an individual basis. Accordingly, the Debtors believe that the Plan will enable all creditors to realize the greatest possible recovery on their respective Claims with the least delay.

IX.

RISK FACTORS TO CONSIDER BEFORE VOTING

BEFORE VOTING TO ACCEPT OR REJECT THE PLAN, HOLDERS OF CLAIMS ENTITLED TO VOTE SHOULD READ AND CAREFULLY CONSIDER THE RISK FACTORS SET FORTH BELOW, IN ADDITION TO THE INFORMATION SET FORTH IN THIS DISCLOSURE STATEMENT, TOGETHER WITH ANY ATTACHMENTS, EXHIBITS, OR DOCUMENTS INCORPORATED BY REFERENCE HERETO. THE FACTORS BELOW SHOULD NOT BE REGARDED AS THE ONLY RISKS ASSOCIATED WITH THE PLAN OR ITS IMPLEMENTATION.

A. Certain Bankruptcy Law Considerations

1. General

While the Debtors believe that the Chapter 11 Cases will be of short duration and will not be materially disruptive to their businesses, the Debtors cannot be certain that this will be the case. Although the Plan is designed to minimize the duration of the Chapter 11 Cases, it is impossible to predict with certainty the amount of time that one or more of the Debtors may spend in bankruptcy or to assure parties in interest that

the Plan will be confirmed. Even if confirmed on a timely basis, bankruptcy proceedings to confirm the Plan could have an adverse effect on the Debtors' businesses. Among other things, it is possible that bankruptcy proceedings could adversely affect the Debtors' relationships with their key customers, vendors, suppliers and employees. The process will also involve additional expense and will divert some of the attention of the Debtors' management away from business operations.

2. Risk of Non-Approval of the Disclosure Statement As Containing Adequate Information

Because the Chapter 11 Cases have not yet been commenced, this Disclosure Statement has not, as of the date hereof, been approved by the Bankruptcy Court as containing "adequate information" within the meaning of section 1125(a) of the Bankruptcy Code. Upon filing, the Debtors will promptly seek entry of an order by the Bankruptcy Court approving this Disclosure Statement. While the Debtors believe that this Disclosure Statement provides "adequate information" within the meaning of section 1125(a), there can be no assurance that the Bankruptcy Court will reach the same conclusion.

3. Risk of Non-Confirmation of Plan

Although the Debtors believe that the Plan will satisfy all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion or that modification to the Plan will not be required for confirmation or that such modifications would not necessitate re-solicitation of votes. Moreover, the Debtors can make no assurances that they will receive the requisite acceptances to confirm the Plan, and even if the Voting Class voted in favor of the Plan or the requirements for "cramdown" are met with respect to any Class that rejects (or is deemed to reject) the Plan, the Bankruptcy Court, which may exercise substantial discretion as a court of equity, may choose not to confirm the Plan. If the Plan is not confirmed, it is unclear what distributions Holders of Claims and Interests ultimately would receive with respect to their Claims and Interests in a subsequent plan of reorganization or otherwise.

4. Non-Consensual Confirmation

If any impaired class of claims or interests does not accept or is deemed not to accept a plan of reorganization, a bankruptcy court may nevertheless confirm such plan at the proponent's request if at least one impaired class has accepted the plan (with such acceptance being determined without including the vote of any "insider" in such class), and as to each impaired class that has accepted the plan, the bankruptcy court determines that the plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting impaired classes. Should any Class vote to reject the Plan, then these requirements must be satisfied with respect to such rejecting Classes. The Debtors believe that the Plan satisfies these requirements, but there can be no assurance that the Bankruptcy Court will reach the same conclusion and confirm the Plan on a non-consensual basis.

5. Financial Projections

The Debtors have prepared financial projections on a consolidated basis with respect to the Reorganized Debtors based on certain assumptions as set forth in Exhibit C hereto. The projections have not been compiled, audited, or examined by independent accountants, and neither the Debtors nor their advisors make any representations or warranties regarding the accuracy of the projections or the ability to achieve forecasted results.

Many of the assumptions underlying the projections are subject to significant uncertainties that are beyond the control of the Debtors or Reorganized Debtors, including the timing, confirmation, and consummation

of the Plan, consumer demands for the Reorganized Debtors' products, macroeconomic, political and other events that may affect the Reorganized Debtors' ability to maintain adequate amounts and array of inventory, inflation, and other unanticipated market and economic conditions. Some assumptions may not materialize, and unanticipated events and circumstances may affect the actual results. Projections are inherently subject to substantial and numerous uncertainties and to a wide variety of significant business, economic, and competitive risks, and the assumptions underlying the projections may be inaccurate in material respects.

6. Risks Related to Parties in Interest Objecting to the Debtors' Classification of Claims and Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an interest in a particular class only if such claim or interest is substantially similar to the other claims or interests in such class. The Debtors believe that the classification of Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code. However, there can be no assurance that a party in interest will not object or that the Bankruptcy Court will approve the classifications.

To the extent that the Bankruptcy Court finds that a different classification is required for the Plan to be confirmed, the Debtors would seek (a) to modify the Plan to provide for whatever classification might be required for Confirmation and (b) to use the acceptances received from any Holder of Claims pursuant to this solicitation for the purpose of obtaining the approval of the Class or Classes of which such Holder ultimately is deemed to be a member. Any such reclassification of Claims, although subject to the notice and hearing requirements of the Bankruptcy Code, could adversely affect the Class in which such Holder was initially a member, or any other Class under the Plan, by changing the composition of such Class and the vote required for approval of the Plan. There can be no assurance that the Bankruptcy Court, after finding that a classification was inappropriate and requiring a reclassification, would approve the Plan based upon such reclassification. Except to the extent that modification of classification in the Plan requires resolicitation, the Debtors will, in accordance with the Bankruptcy Code and the Bankruptcy Rules, seek a determination by the Bankruptcy Court that acceptance of the Plan by any Holder of Claims pursuant to this solicitation will constitute a consent to the Plan's treatment of such Holder, regardless of the Class as to which such Holder is ultimately deemed to be a member.

7. Risks Related to Possible Objections to the Plan

There is a risk that certain parties could oppose and object to either the entirety of the Plan or specific provisions of the Plan. Although the Debtors believe that the Plan complies with all relevant Bankruptcy Code provisions, there can be no guarantee that a party in interest will not file an objection to the Plan or that the Bankruptcy Court will not sustain such an objection.

8. Releases, Injunctions, and Exculpation Provisions May Not Be Approved

Article IX of the Plan provides for certain releases, injunctions, and exculpations for claims and Causes of Action that may otherwise be asserted against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable. The releases, injunctions, and exculpations provided in the Plan are subject to objection by parties in interest and may not be approved. If the releases and exculpations are not approved, certain parties may not be considered Releasing Parties, Released Parties, or Exculpated Parties, and certain Released Parties or Exculpated Parties may withdraw their support for the Plan.

9. Risk of Non-Occurrence of Effective Date

Although the Debtors believe that the Effective Date will occur on the timeline envisaged by the Transaction Support Agreement, there can be no assurance as to the timing of the Effective Date. If the conditions precedent to the Effective Date set forth in the Plan have not occurred or have not been waived as set forth in Article VIII of the Plan, then the Combined Order may be vacated, in which event no distributions would be made under the Plan, the Debtors and all Holders of Claims or Interests would be restored to the status quo as of the day immediately preceding the Confirmation Date, and the Debtors' obligations with respect to Claims and Interests would remain unchanged.

10. Risks of Termination of the Transaction Support Agreement

The Transaction Support Agreement contains certain provisions that give the parties thereto the ability to terminate such agreement upon the occurrence or non-occurrence of certain events, including failure to achieve certain milestones in these Chapter 11 Cases. Termination of the Transaction Support Agreement could result in protracted Chapter 11 Cases, which could significantly and detrimentally impact the Debtors' relationships with vendors, suppliers, employees, and customers.

11. Conversion into Chapter 7 Cases

If no plan of reorganization can be confirmed, or if the Bankruptcy Court otherwise finds that it would be in the best interest of Holders of Claims and Interests, the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed to liquidate the Debtors' assets for distribution in accordance with the priorities established by the Bankruptcy Code.

12. Risks of Non-Dischargeability of Claims

Certain creditors may have taken or may take the position their claims are non-dischargeable. Such creditors may make such allegations at any time, notwithstanding the existence of deadlines established by the Bankruptcy Rules or applicable Bankruptcy Court order, entry of the Combined Order, or the occurrence of the Effective Date. Such assertions of non-dischargeability could result in denial of Confirmation, changes to the Plan, or, if asserted after occurrence of the Effective Date, the Reorganized Debtors being required to honor such claims.

13. Amendment of Plan Prior to Confirmation by Debtors

The Debtors, subject to the terms and conditions of the Plan and the terms of the Transaction Support Agreement, reserve the right to modify the terms and conditions of the Plan or waive any conditions thereto if and to the extent necessary or desirable for Confirmation. The potential impact of any such amendment or waiver on Holders of Claims and Interests cannot presently be foreseen but may include a change in the economic impact of the Plan on some or all of the proposed Classes or a change in the relative rights of such Classes.

14. Pending and Future Litigation

The Debtors are involved in various litigation, claims, and other proceedings, including proceedings relating to the conduct of our business and employee relations, which so long as they remain unresolved represent a legal issue and potential Claims for monetary damages. Additionally, there is a risk of future litigation. Pending litigation or future litigation could result in a material judgment against the Debtors or the Reorganized Debtors. Such litigation, and any judgment in connection therewith, could have a material negative effect on the Debtors or the Reorganized Debtors.

B. Risks Relating to the Capital Structure of the Reorganized Debtors

1. Variances from Financial Projections

The Financial Projections set forth in Exhibit C hereto reflect numerous assumptions, which involve significant levels of judgment and estimation concerning the anticipated future performance of the Reorganized Debtors, as well as assumptions with respect to the prevailing market, economic, political and competitive conditions, which are beyond the control of the Reorganized Debtors, and which may not materialize. Any significant differences in actual future results versus estimates used to prepare the Financial Projections, such as lower sales, lower pricing, increased promotional activity, increases in merchandise costs, supply chain and/or distribution network disruptions, increases in fuel prices affecting shipping costs, changes in prevailing tariff rates, failure to manage inventory at appropriate levels, asset impairments, technological changes, litigation, workforce disruptions, negative publicity or competition could result in significant differences from the Financial Projections. The Debtors believe that the assumptions underlying the Financial Projections are reasonable. However, unanticipated events and circumstances occurring subsequent to the preparation of the Financial Projections may affect the Debtors' and the Reorganized Debtors' ability to initiate the endeavors, execute on the strategic initiatives and meet the financial benchmarks contemplated by the Plan. Therefore, the actual results achieved throughout the period covered by the Financial Projections necessarily will vary from the projected results, and these variations may be material and adverse.

In addition, if the Debtors emerge from chapter 11, the amounts reported in subsequent consolidated financial statements may materially change relative to historical consolidated financial statements, including as a result of revisions to the Debtors' operating plans pursuant to a plan of reorganization. The Debtors also may be required to adopt "fresh start" accounting in accordance with Accounting Standards Codification 852 ("Reorganizations"), in which case their assets and liabilities will be recorded at fair value as of the fresh start reporting date, which may differ materially from the recorded values of assets and liabilities on the Debtors' consolidated balance sheets. The Debtors' financial results after the application of fresh start accounting also may be different from historical trends. The Financial Projections contained in Exhibit C hereto do not currently reflect the impact of fresh start accounting, which may have a material impact on the Financial Projections.

2. Leverage

Although the Reorganized Debtors will have less indebtedness than the Debtors, the Reorganized Debtors will still have a significant amount of secured indebtedness. On the Effective Date, after giving effect to the transactions contemplated by the Plan, the Reorganized Debtors will have approximately \$198 million in secured funded indebtedness.

The degree to which the Reorganized Debtors will be leveraged could have important consequences, placing the Reorganized Debtors at a competitive disadvantage to other, less leveraged competitors, because, among other things: it could affect the Reorganized Debtors' ability to satisfy their obligations under their indebtedness following the Effective Date; a portion of the Reorganized Debtors' cash flow from operations will be used for debt service under the Plan and therefore will be unavailable to support operations or for working capital, capital expenditures, expansion, acquisitions or general corporate or other purposes; the Reorganized Debtors' ability to refinance their then-existing debt, obtain additional debt financing or equity financing, or pursue mergers, acquisitions and asset sales, on terms acceptable to them or at all, may be limited and their costs of borrowing may be increased; as a result of their significant indebtedness, the Reorganized Debtors may be more vulnerable to economic downturns and their ability to withstand competitive pressures may be limited; and the Reorganized Debtors' operational flexibility in planning for, or reacting to, changes, opportunities and challenges in their businesses, including changes in

the market sector in which they compete, changes in their business and strategic opportunities, and adverse developments in their operations, may be severely limited.

3. Ability to Service Debt

Although the Reorganized Debtors will have less indebtedness than the Debtors, the Reorganized Debtors will still have significant interest expense and principal repayment obligations. The Reorganized Debtors' ability to make payments on and to refinance their debt will depend on their future financial and operating performance and their ability to generate cash in the future. This, to a certain extent, is subject to general economic, business, financial, competitive, legislative, regulatory and other factors that are beyond the control of the Reorganized Debtors.

Although the Debtors believe the Plan is feasible, there can be no assurance that the Reorganized Debtors will be able to generate sufficient cash flow from operations or that sufficient future borrowings will be available to pay off the Reorganized Debtors' debt obligations. The Reorganized Debtors may need to refinance all or a portion of their debt on or before maturity; however, there can be no assurance that the Reorganized Debtors will be able to refinance any of their debt on commercially reasonable terms or at all.

If the Reorganized Debtors' cash flows and capital resources are insufficient to fund their debt service obligations and other cash requirements, the Reorganized Debtors could face substantial liquidity problems and could be forced to reduce or delay investments and capital expenditures or to sell assets or operations, seek additional capital or restructure or refinance their indebtedness and settlement obligations. The Reorganized Debtors may not be able to effect any such alternative measures, if necessary, on commercially reasonable terms or at all and, even if successful, such alternative actions may not allow the Reorganized Debtors to meet their scheduled debt service obligations and settlement obligations. The agreements governing the Reorganized Debtors' indebtedness at emergence are expected to (a) have terms and conditions that restrict their ability to dispose of assets and the use of proceeds from any such dispositions and (b) restrict their ability to raise debt capital.

The Reorganized Debtors' inability to generate sufficient cash flows to satisfy their debt obligations, or to refinance their indebtedness on commercially reasonable terms or at all, would materially and adversely affect their financial position and results of operations.

If the Reorganized Debtors cannot make scheduled payments on their debt, an event of default may result. An event of default may allow the creditors to accelerate the related debt as well as any other debt to which a cross-acceleration or cross-default provision applies. If the Reorganized Debtors are unable to repay amounts outstanding under their financing agreements when due, the lenders thereunder could, subject to the terms of the financing agreements, seek to foreclose on the collateral that is pledged to secure the indebtedness outstanding under such facility.

4. Obligations Under Exit Facilities Documents

The Reorganized Debtors' obligations under the Exit Facilities Documents are expected to be secured by liens on substantially all of the assets of the Reorganized Debtors (subject to certain exclusions set forth therein). If the Reorganized Debtors become insolvent or are liquidated, or if there is a default under certain financing agreements, including, but not limited to, the Exit Facilities Documents, and payment on any obligation thereunder is accelerated, the lenders under and holders of the Exit Facilities would be entitled, subject to the applicable intercreditor agreements and other applicable credit documents, to exercise the remedies available to a secured lender under applicable law, including foreclosure on the collateral that is pledged to secure the indebtedness thereunder, and they would have a claim on the assets securing the

obligations under the applicable facility that would be superior to any claim of the holders of unsecured debt.

5. Restrictive Covenants

The financing agreements governing the Reorganized Debtors' indebtedness are expected to contain various covenants that may limit the discretion of the Reorganized Debtors' management by restricting the Reorganized Debtors' ability to, among other things, incur additional indebtedness, incur liens, pay dividends or make certain restricted payments, make investments, consummate certain asset sales, enter into certain transactions with affiliates, merge, consolidate and sell or dispose of all or substantially all of their assets. As a result of these covenants, the Reorganized Debtors will be limited in the manner in which they conduct their business and may be unable to engage in favorable business activities or finance future operations or capital needs.

Any failure to comply with the restrictions of the financing agreements may result in an event of default. An event of default may allow the creditors to accelerate the related debt as well as any other debt to which a cross-acceleration or cross-default provision applies. If the Reorganized Debtors are unable to repay amounts outstanding under their financing agreements when due, the lenders thereunder could, subject to the terms of the financing agreements, seek to foreclose on the collateral that is pledged to secure the indebtedness outstanding under such facility.

As a result of these restrictions, the Reorganized Debtors may be limited in how they conduct their business, unable to raise additional debt or equity financing to operate during general economic or business downturns, unable to respond to changing circumstances or to pursue business strategies and unable to compete effectively, execute their growth strategy or take advantage of new business opportunities.

6. Additional Financing

The Reorganized Debtors may be able to incur substantial additional indebtedness in the future. Although agreements governing the Reorganized Debtors' indebtedness are expected to restrict the incurrence of additional indebtedness, these restrictions are and will be subject to a number of qualifications and exceptions and the additional indebtedness incurred in compliance with these restrictions could be substantial. If new debt is added to the Reorganized Debtors' current debt levels, the related risks that the Debtors now face could intensify.

Moreover, the Reorganized Debtors may need to seek additional financing for general corporate purposes. For example, they may need funds to make acquisitions or for capital expenditures needed to remain competitive in their market sector. The Reorganized Debtors may be unable to obtain any desired additional financing on terms that are favorable or acceptable to them, including as a result of their debt levels or if there is a decline in the demand for their products or in the solvency of their customers, vendors or suppliers or other significantly unfavorable changes in economic conditions occur. Depending on market conditions, adequate funds may not be available to the Reorganized Debtors on acceptable terms or at all, and they may be unable to fund expansion, successfully develop or enhance products, or respond to competitive pressures, any of which could have a material adverse effect on the Reorganized Debtors' competitive position, business, financial condition, results of operations, and cash flows.

7. Potential Dilution

The ownership percentage represented by the New Equity Interests distributed under the Plan as of the Effective Date will be subject to dilution from the equity issued in connection with the Management Incentive Plan. In the future, similar to all companies, additional equity financings or other equity issuances

by Reorganized Debtors could adversely affect the value of the New Equity Interests. The amount and dilutive effect of any of the foregoing could be material.

8. Interests Subordinated to the Reorganized Debtors' Indebtedness

In any subsequent liquidation, dissolution, or winding up of Reorganized Debtors, the New Equity Interests would rank below all debt claims against Reorganized Debtors. As a result, holders of the New Equity Interests will not be entitled to receive any payment or other distribution of assets upon the liquidation, dissolution, or winding up of Reorganized Debtors until after all applicable holders of debt have been paid in full.

9. Estimated Valuations of the Debtors and the New Equity Interests Are Not Intended to Represent Potential Market Values

The Debtors' estimated recoveries set forth in this Disclosure Statement are not intended to represent the market value of the Debtors' securities. The estimated recoveries are based on numerous assumptions (the realization of many of which will be beyond the control of the Debtors), including, among others: (a) the successful reorganization of the Debtors; (b) an assumed date for the occurrence of the Effective Date; (c) the Debtors' ability to achieve the operating and financial results included in the Financial Projections; (d) the Debtors' ability to maintain adequate liquidity to fund operations; (e) the assumption that capital and equity markets remain consistent with current conditions; and (f) the Debtors' ability to maintain critical existing customer relationships.

10. Dividends

The Reorganized Debtors may not pay any dividends on the New Equity Interests. In such circumstances, the success of an investment in the New Equity Interests will depend entirely upon any future appreciation in the value of the New Equity Interests. There is, however, no guarantee that the New Equity Interests will appreciate in value or even maintain its initial value.

11. Restrictions on Ability to Resell New Equity Interests

Holders of securities issued pursuant to the exemption from registration under section 1145 of the Bankruptcy Code who are deemed to be "underwriters" under section 1145(b) of the Bankruptcy Code ("**Section 1145 Underwriters**") will be subject to resale restrictions. Even if a trading market develops for the New Equity Interests, Section 1145 Underwriters should be aware that they may be required to bear the financial risk of an investment in the New Equity Interests for an indefinite period of time. For further discussion, see Section X ("Securities Law Matters") of this Disclosure Statement.

12. The New Equity Interests of Reorganized Parent Will Not Be Listed on a Securities Exchange and the Debtors Do Not Expect It to Be Quoted on the OTC Market at the Effective Date.

The Reorganized Parent will not seek to have the New Equity Interests listed on a national securities exchange following the Effective Date. The Debtors also expect that the New Equity Interests will not be quoted on the OTC market at the Effective Date. There also will be transfer restrictions applicable to the New Equity Interests under the New Stockholders Agreement for holders that are a party thereto. The New Equity Interests are expected to be issued through a transfer agent and are not expected to be eligible for settlement through DTC, and, as a result, the New Equity Interests would not be able to be held in street name and would only be held in certificated or registered form, and trading in the New Equity Interests may require additional administrative steps. As a result, the Debtors expect that there will not be an active

trading market for the Reorganized Parent's New Equity Interests and there may be limited liquidity for them, which could have a negative impact on their market price. Holders of the New Equity Interests may have difficulty selling or transferring any New Equity Interests that may be owned at the Effective Date or may be purchased later. In addition, the number of investors willing to hold or acquire the New Equity Interests may be reduced, to the extent there is a market for the New Equity Interests, the trading price of the New Equity Interests may be depressed, Reorganized Parent may receive decreased news and analyst coverage, and Reorganized Parent may be limited in its ability to issue additional securities or obtain additional equity financing in the future on terms acceptable to it, or at all.

Even if an active trading market develops for the New Equity Interests, the market price for shares of the New Equity Interests may be highly volatile and could be subject to wide fluctuations. In addition, the trading volume of the New Equity Interests may fluctuate and cause significant price variations to occur. Volatility in the market price or trading volume of the New Equity Interests may prevent investors from being able to sell it at or above the price they paid to acquire shares of the New Equity Interests, or at all.

13. The Terms of the New Stockholders Agreement May Include Provisions That Are Unfavorable to Minority Shareholders.

The New Stockholders Agreement will be included in the Plan Supplement. Although the general terms of the New Stockholders Agreement are described herein, the form of New Stockholders Agreement has not been negotiated, and may include provisions that are unfavorable to minority shareholders.

14. A Majority of the Holders of the Prepetition Term Loan Claims Prefer That Reorganized Parent Not Be Subject to Exchange Act Reporting Obligations. If Reorganized Parent Ceases to be Subject to Exchange Act Reporting Obligations, Holders of Reorganized Parent's Securities Would Be Subject to the Risks of an Investment in a Private Company (Within the Meaning of U.S. Practice) Rather Than a U.S. Public Reporting Company.

There is currently no public market for the New Equity Interests and there can be no assurance as to the development or liquidity of any market for such securities. The Reorganized Parent does not plan to list the New Equity Interests on any securities exchange. Therefore, there can be no assurance that the securities will be tradable or liquid at any time after the Effective Date. If a trading market does not develop or is not maintained, holders of the securities may experience difficulty in reselling such securities or may be unable to sell them at all. Even if such a market were to exist, such securities could trade at prices higher or lower than the estimated value set forth in this Disclosure Statement depending upon many factors, including prevailing interest rates, markets for similar securities, industry conditions, and the performance of, and investor expectations for, the Reorganized Debtors. Accordingly, holders of the securities may bear certain risks associated with holding securities for an indefinite period of time.

The Debtors currently expect that, as of the Effective Date, Reorganized Parent initially will remain subject to Exchange Act reporting obligations. However, Holders of a majority of the Prepetition Term Loan Claims have informed the Company that they desire for Reorganized Parent to not be subject to ongoing reporting obligations under the Exchange Act. To suspend reporting obligations under the Exchange Act, among other requirements, Reorganized Parent would need to deregister its Common Stock under Section 12(g) and Section 15(d) of the Exchange Act, following a determination in accordance with SEC rules that such equity is held by less than 300 stockholders of record. Any decision of whether to deregister the Common Stock under the Exchange Act and suspend filing Exchange Act reports, and the manner and timing of doing so, would be made by the Reorganized Board, and would be subject to their fiduciary duties and applicable law, including U.S. securities laws. There can be no assurance as to whether or when the Reorganized Board may make such a decision or how it would be implemented. If the Reorganized Parent

suspends filing reports under the Exchange Act, public information regarding the Reorganized Parent may not be readily available. Accordingly, the liquidity, market for and trading value of the New Equity Interests and other securities of Reorganized Parent may be negatively impacted.

In the event the Common Stock is deregistered and Reorganized Parent suspends filing reports under the Exchange Act, holders of Reorganized Parent's securities would be subject to the risks of an investment in a private company (within the meaning of U.S. practice) rather than a U.S. public reporting company. Upon any deregistration of the Common Stock, Reorganized Parent's duty to file periodic reports with the SEC would be suspended, which would result in a substantial decrease in required public disclosure by Reorganized Parent about its operations and prospects for so long as Reorganized Parent is not filing such reports. Reorganized Parent would also be relieved of the obligation to comply with the requirements of the proxy rules under Section 14 of the Exchange Act. The suspension of Reorganized Parent's reporting obligations under the Exchange Act would likely further reduce any limited trading market and liquidity for the New Equity Interests and may negatively impact the value of, and ability to sell, such shares. In addition, shareholders may not be able to rely on Rule 144 under the Securities Act to sell their shares of New Equity Interests in the absence of current public information about the Reorganized Parent, which would limit the trading in the New Equity Interests. Shareholders also could be adversely affected by a reduction in Reorganized Parent's "public float" (*i.e.*, the number of shares owned by outside shareholders and available for trading in the securities markets). In addition, Reorganized Parent might also have substantially less access to capital markets and be severely limited in its ability to use equity to effect acquisitions as a non-reporting company.

C. Risks Relating to the Debtors' Business Operations and Financial Conditions

THE FOLLOWING PROVIDES A SUMMARY OF CERTAIN OF THE RISKS ASSOCIATED WITH THE DEBTORS' BUSINESSES. HOWEVER, THIS SECTION IS NOT INTENDED TO BE EXHAUSTIVE. ADDITIONAL RISK FACTORS CONCERNING THE DEBTORS' BUSINESSES ARE CONTAINED IN THE DEBTORS' PREVIOUSLY-FILED ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED MARCH 30, 2024 AND SUBSEQUENT QUARTERLY REPORTS ON FORM 10-Q.

1. The Debtors' Chapter 11 Cases May Negatively Impact Future Operations.

While the Debtors believe that they will be able to emerge from chapter 11 relatively expeditiously, there can be no assurance as to timing for approval of the Plan or the Debtors' emergence from chapter 11. Additionally, notwithstanding the support of the signatories to the Transaction Support Agreement, certain such parties may have limited experience in dealing with chapter 11 debtors, which could affect the Debtors' relationships with such parties, and, in particular, the Chapter 11 Cases may adversely affect the Debtors' ability to maintain relationships with existing customers and suppliers and attract new customers.

2. Macroeconomic Conditions Could Affect Supply and Demand.

The Debtors' business operations have historically been, and the Reorganized Debtors' business operations may in the future be, materially affected by adverse conditions in the financial markets and depressed economic conditions generally, both in the United States and elsewhere around the world.

Moreover, the Debtors' suppliers rely on access to credit to adequately fund their own operations, and the Debtors' customers' buying habits vary according to the market conditions and access to discretionary income. Disruptions in financial markets and economic slowdown may adversely impact both (a) the ability of the Reorganized Debtors' suppliers to finance their operations, which could increase the Reorganized Debtors' merchandise costs and reduce their ability to accurately forecast future demand

trends, and (b) the ability of the Reorganized Debtors' customers' to purchase goods from the Reorganized Debtors, which could decrease market elasticity. Particularly in combination, these conditions could result in decreased relative and absolute margins for the Reorganized Debtors.

3. Supply Chain Issues Could Adversely Affect Operations.

Foreign Imports and Trade Regulations. Political or financial instability, trade restrictions, tariffs, currency exchange rates, labor conditions, congestion and labor issues at major ports, transport capacity and costs, systems issues, problems in third party distribution and warehousing and other interruptions of the supply chain, compliance with U.S. and foreign laws and regulations, and other factors relating to international trade and imported merchandise beyond the Company's control could affect the availability and the price of inventory. Given that the Company sources the majority of its merchandise from outside the United States, these risks and other factors relating to foreign trade could subject the Company to liability or hinder its ability to access suitable merchandise on acceptable terms, which could adversely impact results of operations. Similarly, rising costs, changes in applicable federal, state, or local regulations and laws, and other disruptions to the domestic labor and/or shipping industries (either specific to the Company or at an industry-wide level) could adversely affect the Company's ability to source merchandise from domestic vendors and transport and ship merchandise and orders around the United States. In addition, developments in tax policy, such as the disallowance of tax deductions for imported merchandise, or the imposition of tariffs on imported merchandise, could have a material adverse effect on the Company's results of operations and liquidity.

Dependence on Third-Party Transportation Providers. The Debtors rely on independent third-party transportation providers for product shipments, including shipments to and from stores. This reliance subjects the Debtors to risks such as increased shipping costs, employee strikes, inclement weather, and health epidemics or pandemics, which may affect the ability of shipping companies to meet delivery needs. Any change in shipping companies could result in logistical difficulties, adversely affecting deliveries and incurring additional costs.

Risks Associated with Foreign Manufacturing. The Debtors' dependence on foreign imports makes them vulnerable to risks associated with products manufactured abroad, including damage, destruction, or confiscation of products in transit, additional import duties, and geopolitical unrest. Compliance lapses by manufacturers could lead to investigations and potential penalties, negatively affecting the Debtors' business and operating results.

Vulnerability to Natural Disasters and Unexpected Events. The Debtors' facilities and systems, as well as those of vendors, are vulnerable to natural disasters and other unexpected events. Such events could result in damage, interruptions in business, and potential loss of customers and revenues. Material disruptions at manufacturing facilities could negatively impact production, customer deliveries, and financial results.

Product Recalls and Liability. The Debtors are subject to regulations by various authorities, including the Consumer Product Safety Commission. Non-compliance with product safety requirements or consumer protection laws by vendors could damage the Debtors' reputation and lead to increased litigation. Product recalls could result in substantial costs and a decrease in merchandise offerings, adversely affecting sales.

Distribution Risks. The Debtors' business depends on the successful operation of manufacturing facilities and distribution centers to fulfill orders and deliver merchandise. Any significant interruption in operations due to unforeseen causes could delay or impair the ability to distribute merchandise, resulting in lower sales, loss of brand loyalty, and excess inventory, materially affecting the Debtors' business, financial condition, and results of operations.

4. Difficulties with Vendors May Negatively Impact Future Operations.

Vendor Relationships and Merchandise Acquisition. The Debtors' ability to obtain merchandise on a timely basis at competitive prices could suffer due to any deterioration or change in vendor relationships or events adversely affecting vendors or their ability to secure financing. The Debtors generally transact business on an order-by-order basis without contractual assurances of continued supply, pricing, or access to new products. Any vendor could discontinue supplying desired products in sufficient quantities for various reasons. If the Debtors are unable to acquire suitable merchandise in sufficient quantities, at acceptable prices, and with adequate delivery times due to the loss or deterioration of key vendor relationships, it may adversely affect their business and results of operations.

Impact of External Factors on Vendor Relationships. The benefits the Debtors currently experience from vendor relationships could be adversely affected if vendors discontinue selling merchandise, enter into exclusivity arrangements with competitors, or sell similar merchandise to competitors at similar or better pricing. Additionally, changes in payment terms, such as requiring payment on delivery or upfront, could impact the Debtors' liquidity. The Debtors have historically established relationships with small- to mid-size vendors, which may be more vulnerable to adverse market and economic events, potentially impairing the ability to obtain merchandise in sufficient quantities.

The Reorganized Debtors' potential inability to acquire suitable products in the future or failure to replace any one or more vendors may have a material adverse effect on their business, results of operations, and financial condition. In addition, any significant change in the payment terms that the Reorganized Debtors have with their suppliers could adversely affect their liquidity.

5. Landlord Relationships and Future Lease Negotiations May Adversely Affect the Debtors' Business.

All of the Debtors' brick-and-mortar stores are located in leased premises. Accordingly, the Debtors' business may be adversely affected in the event that the Debtors' relationships with landlords deteriorates as a result of the Chapter 11 Cases or as a result of universal rising rents. If future lease negotiations lead to terms that are unduly costly or otherwise change significantly in a manner that increases the Reorganized Debtors' responsibilities under their leases, the Reorganized Debtors' liquidity may be adversely affected and the Reorganized Debtors' ability to maintain all of their stores may be limited.

6. The Loss of One or More of Reorganized Debtors' Key Personnel Could Disrupt Operations and Adversely Affect Financial Results.

The Debtors are, and the Reorganized Debtors will be, highly dependent upon the availability and performance of their executive officers and other core employees. Accordingly, the loss of services of any of the Debtors' executive officers or other core employees could materially and adversely affect the Reorganized Debtors' business, financial condition and operating results.

7. Regulatory and Other Consumer Data Protection Measures Could Adversely Affect the Debtors' Business.

Efficient and uninterrupted operation of the Debtors' order-taking and fulfillment operations are critical to the successful operation of their online business and marketing programs, as well as the Debtors' ability to provide a positive shopping experience at their brick-and-mortar stores. In furtherance of these operations and to improve the shopping experience, the Debtors collect, maintain, and use data provided to through online activities and customer interactions. The Debtors' ability to store and use this data is subject to certain contractual restrictions in third-party contracts as well as evolving international, federal, and state

privacy, data protection, and data security laws and enforcement trends. The Debtors are also subject to the Payment Card Industry Data Security Standards (“*PCI-DSS*”), as mandated by credit card brands used by their customers. Failure to meet the PCI-DSS requirements could result in the Debtors’ inability to accept credit cards as a method of payment, which may adversely affect the Debtors’ reputation and/or brand value and ability to sell products to consumers. While Debtors strive to be in constant compliance with applicable law, they are not able to predict all changes in these laws and enforcement practices. Maintaining such compliance could at any time become costly or time consuming for their management, which in turn could adversely affect business performance. Further, any inadvertent failure to comply with applicable law could result in proceedings by governmental entities or others, subsequent fines or defense costs, and reputational harm, all which may negatively impact the Debtors’ business operations.

8. Cybersecurity Attacks and Disruptions to Information Systems Could Adversely Affect the Debtors’ Business.

In the ordinary course of business, the Debtors have relied, and the Reorganized Debtors will continue to rely, upon information systems, some of which are managed by third parties, to process, transmit and store digital information, and to manage or support a variety of business processes and activities, including supply chain, manufacturing, distribution, invoicing, and collection of payments from customers. The secure operation of such systems and the processing and maintenance of this information is critical to business operations and strategy. Despite actions to mitigate or eliminate risk, the Reorganized Debtors’ information systems may be vulnerable to damage, disruptions or shutdowns due to the activity of hackers, employee error or malfeasance, or other disruptions, including power outages, telecommunication or utility failures, natural disasters, or other catastrophic events. The occurrence of any of these events could compromise the Reorganized Debtors’ information systems, and the information stored there (including customer information) could be accessed, publicly disclosed, lost, or stolen. Any such access, disclosure or other loss of information could result in legal claims or proceedings, liability or regulatory penalties under laws protecting the privacy of personal information, disruption of operations, and damage to the Reorganized Debtors’ reputation, all of which could adversely affect their business, financial condition and results of operations.

9. The Debtors’ Businesses May Face Risks Related to Indemnifications Under Certain Executory Contracts.

The Plan provides for the assumption of Indemnification Provisions, with which the Reorganized Debtors may be required to comply after the Effective Date, at cost to the Debtors’ business.

10. Certain Tax Consequences of Restructuring

The potential U.S. federal income tax consequences of the Restructuring to the Debtors and Holders of Claims and Interests (including the ownership and disposition of consideration to be received pursuant to the Restructuring) are complex and, in certain instances, subject to uncertainty. Such Holders should carefully review the materials in “Certain U.S. Income Tax Consequences of the Plan” and independently consult with their tax advisors regarding the Restructuring.

D. Additional Factors

1. The Debtors Could Withdraw the Plan.

Subject to, and without prejudice to, the rights of any party in interest, the Plan may be revoked or withdrawn by the Debtors before the Confirmation Date.

2. The Debtors Have No Duty to Update.

The statements contained in this Disclosure Statement are made by the Debtors as of the date hereof, unless otherwise specified herein, and the delivery of this Disclosure Statement after that date does not imply that there has been no change in the information set forth herein since that date. Additionally, the Debtors have no duty to update this Disclosure Statement unless otherwise ordered to do so by the Bankruptcy Court.

3. No Representations Outside This Disclosure Statement Are Authorized.

No representations concerning or related to the Debtors, the Chapter 11 Cases, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Plan that are other than those contained in, or included with, this Disclosure Statement should not be relied upon in making the decision to accept or reject the Plan.

4. No Legal or Tax Advice Is Provided by This Disclosure Statement.

The contents of this Disclosure Statement should not be construed as legal, business, or tax advice. Each holder of a Claim or Interest should consult its own legal counsel and accountant as to legal, tax, and other matters concerning its Claim or Interest.

This Disclosure Statement is not legal advice to you. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Plan or object to confirmation of the Plan.

5. No Admission Made

Nothing contained herein or in the Plan will constitute an admission of, or will be deemed evidence of, the tax or other legal effects of the Plan on the Debtors or holders of Claims or Interests.

X.

SECURITIES LAW MATTERS

The Debtors believe that any offers of New Equity Interests that may be deemed to be made before the Petition Date, including in connection with the solicitation of votes on the Plan, will be exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2), Regulation D, and/or Regulation S promulgated thereunder. Section 4(a)(2) of the Securities Act provides that the issuance of securities by an issuer in transactions not involving a public offering are exempt from registration under Section 5 of the Securities Act. Regulation D and Regulation S are non-exclusive safe harbors from registration promulgated by the SEC under the Securities Act.

A. Issuance of 1145 Securities

The Plan provides for the offer, issuance, sale or distribution of shares of New Equity Interests to the Holders of Allowed DIP Claims and Prepetition Term Loan Claims. The Debtors believe that the offer, issuance, sale or distribution by Reorganized Parent of New Equity Interests, as distributions, among others, on the Allowed DIP Claims and Prepetition Term Loan Claims (the “*1145 Securities*”) will be exempt from registration under section 5 of the Securities Act and under any state or local laws requiring registration for offer or sale of a security pursuant to section 1145(a) of the Bankruptcy Code, except with respect to an entity that is an underwriter as defined in section 1145(b) of the Bankruptcy Code (see below).

Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under a plan of reorganization from registration under section 5 of the Securities Act and state or local securities laws if three principal requirements are satisfied: (a) the securities must be offered and sold under a plan of reorganization and must be securities issued by the debtor, an affiliate participating in a joint plan with the debtor, or a successor to the debtor under the plan; (b) the securities must be in exchange for a claim against, an interest in, or a claim for an administrative expense in the case concerning, the debtor or such affiliate; and (c) the securities must be issued entirely in exchange for such a claim or interest, or “principally” in exchange for such claim or interest and “partly” for cash or property.

The issuance of the New Equity Interests under the Plan on account of Allowed DIP Claims and Prepetition Term Loan Claims satisfies the requirements of section 1145(a)(1) of the Bankruptcy Code.

The exemptions of section 1145(a)(1) do not apply to an entity that is deemed an “underwriter” as such term is defined in section 1145(b) of the Bankruptcy Code.

Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” as one who, except with respect to “ordinary trading transactions” of an entity that is not an “issuer”: (a) purchases a claim against, an interest in, or a claim for an administrative expense against the debtor with a view to distributing any security received in exchange for such claim or interest (“accumulators”); (b) offers to sell securities offered or sold under a plan for the holders of such securities (“distributors”); (c) offers to buy securities offered or sold under a plan from the holders of such securities, if the offer to buy is (i) with a view to distributing such securities and (ii) under an agreement made in connection with the plan, the consummation of the plan, or with the offer or sale of securities under the plan; and (d) is an “issuer” (as defined in section 2(a)(11) of the Securities Act) with respect to the securities.

The definition of an “issuer” for purposes of whether a person is an underwriter under section 1145(b)(1)(D) of the Bankruptcy Code includes Persons directly or indirectly controlling, controlled by or under direct or indirect common control with the issuer. “Control,” as defined in Rule 405 of the Securities Act, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract or otherwise. Such Persons are referred to as “affiliates” of the issuer. Accordingly, an officer or director of a reorganized debtor or its successor under a plan of reorganization may be deemed to be an issuer for these purposes and therefore an underwriter. In addition, the legislative history of section 1145 of the Bankruptcy Code suggests that a creditor who receives ten percent or more of a class of securities of a reorganized debtor may be presumed to be in a relationship of “control” with the reorganized debtor and, therefore, an underwriter, although the staff of the SEC has not taken a position on this view.

B. Subsequent Transfers of 1145 Securities

Section 1145(c) of the Bankruptcy Code provides that securities issued pursuant to section 1145(a) are deemed to have been issued in a public offering. In general, therefore, resales of and subsequent transactions in the 1145 Securities will be exempt from registration under the Securities Act pursuant to section 4(a)(1) of the Securities Act, unless the holder thereof is deemed to be an “issuer,” an “underwriter,” or a “dealer” with respect to such securities. A “dealer,” as defined in section 2(a)(12) of the Securities Act, is any person who engages either for all or part of his or her time, directly or indirectly, as agent, broker or principal, in the business of offering, buying, selling or otherwise dealing or trading in securities issued by another person.

Notwithstanding the provisions of section 1145(b) regarding accumulators and distributors referred to above, the staff of the SEC has taken the position that resales of securities distributed under a plan of reorganization by accumulators and distributors of securities who are not affiliates of the issuer of such

securities are exempt from registration under the Securities Act if effected in “ordinary trading transactions.” The staff of the SEC has indicated in this context that a transaction by such non-affiliates may be considered an “ordinary trading transaction” if it is made on a national securities exchange or in the over-the-counter market and does not involve any of the following factors:

- (a) (i) concerted action by the recipients of securities issued under a plan in connection with the sale of such securities or (ii) concerted action by distributors on behalf of one or more such recipients in connection with such sales;
- (b) the use of informational documents concerning the offering of the securities prepared or used to assist in the resale of such securities, other than a Bankruptcy Court-approved disclosure statement and supplements thereto, and documents filed with the SEC pursuant to the Exchange Act; or
- (c) the payment of special compensation to brokers and dealers in connection with the sale of such securities designed as a special incentive to the resale of such securities (other than the compensation that would be paid pursuant to arm’s-length negotiations between a seller and a broker or dealer, each acting unilaterally, not greater than the compensation that would be paid for a routine similar-sized sale of similar securities of a similar issuer).

The staff of the SEC has not provided any guidance for privately arranged trades. The views of the staff of the SEC on these matters have not been sought by the Debtors and, therefore, no assurance can be given regarding the proper application of the “ordinary trading transaction” exemption described above. Any persons intending to rely on such exemption is urged to consult their counsel as to the applicability thereof to their circumstances.

To the extent that Persons who receive 1145 Securities pursuant to the Plan are deemed to be underwriters (and who do not qualify for the treatment of “ordinary trading transactions” described above), resales by such Persons of 1145 Securities would not be exempted from registration under the Securities Act or other applicable laws by reason of section 1145 of the Bankruptcy Code and section 4(a)(1) of the Securities Act. However, Persons deemed to be underwriters may be permitted to resell such 1145 Securities without registration pursuant to the limited safe harbor resale provisions of Rule 144 promulgated under the Securities Act or another available exemption under the Securities Act.

Generally, Rule 144 of the Securities Act permits the public sale of securities if certain conditions are met, including a required holding period, certain current public information regarding the issuer being available, and compliance with applicable volume, manner of sale and notice requirements. If the issuer is not subject to the reporting requirements of section 13 or 15(d) of the Exchange Act, adequate current public information as specified under Rule 144 is available if certain company information is made publicly available, as specified in section (c)(2) of Rule 144. As promptly as reasonably practicable following the Effective Date, Reorganized Parent expects to terminate the registration of all Securities under sections 13 and 15(d) of the Exchange Act and continue as a private company, and therefore there can be no assurance that current public information as specified in Rule 144 will be available. The staff of the SEC has taken the position that Persons who are deemed to be underwriters solely because they are affiliates of a reorganized debtor are not subject to the holding period requirements of Rule 144. Accordingly, affiliates of Reorganized Parent that receive 1145 Securities under the Plan may resell those securities following the Effective Date in reliance on Rule 144, subject to certain current public information regarding the issuer being available, and compliance with the applicable volume, manner of sale and notice requirements.

Whether or not any particular Person would be deemed to be an “underwriter” with respect to the 1145 Securities or any other security to be issued pursuant to the Plan depends upon various facts and

circumstances applicable to that Person. Accordingly, the Debtors express no view as to whether any particular Person receiving 1145 Securities or any other securities under the Plan would be considered an “underwriter” under section 1145(b) of the Bankruptcy Code with respect to such securities, or whether such Person may freely resell such securities or the circumstances under which they may resell such securities.

The Reorganized Debtors do not intend to cause the New Equity Interests to be eligible for book-entry treatment under the facilities of the Depository Trust Company (“*DTC*”). Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, *DTC*) will be entitled to require a legal opinion regarding the validity of any transaction contemplated by the Plan under applicable securities laws, including, for the avoidance of doubt, whether the New Equity Interests are exempt from registration and/or eligible for *DTC* book-entry delivery, settlement, and depository services.

XI.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

The following discussion is a summary of certain material U.S. federal income tax consequences of the implementation of the Plan to the Debtors and to certain holders of Claims. The following summary does not address the U.S. federal income tax consequences to holders of Claims who are unimpaired, deemed to accept or reject the Plan, or otherwise entitled to payment in full in Cash under the Plan. In addition, except in limited circumstances with respect to the Participation Right (as defined below), including the DIP Equity Premium, DIP Facilities, and the First-Out Exit Term Loans and the Second-Out Exit Term Loans, this discussion does not address any consideration that is received on account of a person’s capacity other than as a holder of such Claims, that is not described in Article III.B of the Plan. Accordingly, this discussion does not include the tax considerations relating to the receipt of the DIP Put Option Premium and the Commitment Premium.

The discussion of U.S. federal income tax consequences below is based on the Internal Revenue Code of 1986, as amended (the “*Tax Code*”), regulations promulgated by the United States Department of the Treasury under the Tax Code (the “*Treasury Regulations*”), judicial authorities, published positions of the Internal Revenue Service (“*IRS*”), and other applicable authorities, all as in effect on the date of this Disclosure Statement, and all of which are subject to change or differing interpretations (possibly with retroactive effect). The U.S. federal income tax consequences of the contemplated transactions are complex and subject to significant uncertainties. The Debtors have not requested an opinion of counsel or a ruling from the IRS or any other taxing authority with respect to any of the tax aspects of the contemplated transactions, and the discussion below is not binding upon the IRS or any court. Accordingly, there can be no assurance that the IRS would not assert, or that a court would not sustain, a contrary position as to the U.S. federal income tax consequences described herein.

This summary does not address non-U.S., state, local, gift, or estate tax consequences of the Plan, nor does it purport to address all aspects of U.S. federal income taxation that may be relevant to a holder in light of its individual circumstances, including the impact of the Medicare contribution tax on net investment income and any alternative minimum tax, or to a holder that may be subject to special tax rules (such as persons who are related to any Debtor within the meaning of one of various provisions of the Tax Code; broker-dealers; banks; mutual funds; insurance companies; financial institutions; small business investment companies; real estate investment trusts; regulated investment companies; tax-exempt organizations; trusts; governmental authorities or agencies; dealers and traders in securities; retirement plans; individual retirement and other tax-deferred accounts; holders that are, or hold Claims through, S corporations, partnerships or other pass-through entities for U.S. federal income tax purposes; persons whose functional currency is not the U.S. dollar; dealers in foreign currency; holders who hold Claims as part of a straddle, hedge, conversion transaction or other integrated investment; holders using a mark-to-market method of

accounting; holders of Claims who are themselves in bankruptcy; and holders who are accrual method taxpayers that report income on an “applicable financial statement”). In addition, this discussion does not address U.S. federal taxes other than income taxes.

Furthermore, this discussion assumes that the various debt and other arrangements to which the Debtors are a party will be respected for U.S. federal income tax purposes in accordance with their form and that, except where otherwise indicated, the Claims are held as “capital assets” (generally, property held for investment) within the meaning of section 1221 of the Tax Code.

The Debtors currently contemplate, and the following discussion also assumes, that the receipt by a Holder of New Equity Interests will be treated for U.S. federal income tax purposes as though the Holder received Equity Interests in Parent and then immediately exchanged such Equity Interests for the New Equity Interests.

THE FOLLOWING SUMMARY OF CERTAIN MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON A HOLDER’S INDIVIDUAL CIRCUMSTANCES. EACH HOLDER OF A CLAIM IS URGED TO CONSULT ITS TAX ADVISOR FOR THE U.S. FEDERAL, STATE, LOCAL, NON-U.S., AND OTHER TAX CONSEQUENCES APPLICABLE UNDER THE PLAN.

A. Consequences to Debtors

For U.S. federal income tax purposes, Parent is the common parent of an affiliated group of corporations that files a consolidated U.S. federal income tax return (the “*TCS Group*”). Parent owns all of the stock of Debtor TCS, the borrower on the Term Loans. Debtor TCS owns, directly and indirectly, U.S. and foreign subsidiaries. As of the tax year ending March 30, 2024, the Debtors have carryforwards of federal disallowed business interest expense of approximately \$17 million (“*Suspended Interest Carryforwards*”) and certain other tax attributes and expect to generate net operating losses (“*NOLs*”) and other tax attributes in the current tax year ending March 29, 2025 (collectively, the “*Tax Attributes*”). The amount of such Tax Attributes remains subject to further analysis of the Debtors and potentially audit and adjustment by the IRS.

1. Cancellation of Debt

In general, absent an exception, a debtor will realize and recognize cancellation of debt (“*COD*”) income upon satisfaction of its outstanding indebtedness for total consideration less than the amount of such indebtedness. The amount of COD income, in general, is the excess of (a) the adjusted issue price of the indebtedness satisfied over (b) the sum of (i) the amount of cash paid, (ii) the “issue price” of any debt issued, and (iii) the fair market value of any other consideration (including equity of a debtor or a party related to such debtor) given in satisfaction, or as part of the discharge, of such indebtedness at the time of the exchange. However, COD income should not arise to the extent that payment of the indebtedness would have given rise to a deduction. The Plan provides that holders of Term Loan Claims will receive New Equity Interests in exchange for their Claims, so the amount of COD income for the TCS Group will depend, in part, on the fair market value of the New Equity Interests. In addition, as discussed below in “*Ownership and Disposition of Exit Term Loans—Issue Price*,” the issue price of the investment unit (consisting of the New Equity Interests (including those comprising the DIP Equity Premium), the First-Out Loans and the Second-Out Loans) to be issued in satisfaction of the Term Loan Claims is uncertain at this time. Accordingly, the estimated amount of COD income is uncertain at this time.

Under section 108 of the Tax Code, a taxpayer is not required to include COD in gross income (i) if the debtor is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that proceeding or (ii) to the extent that the taxpayer is insolvent immediately before the discharge. As a consequence of such an exclusion, a debtor generally must reduce its tax attributes by the amount of COD income that it excluded from gross income. In general, such tax attributes are reduced in the following order: (a) NOLs; (b) general business credit carryovers; (c) minimum tax credit carryovers; (d) capital loss carryovers; (e) tax basis in assets (but not below the amount of liabilities to which the taxpayer remains subject immediately after the cancellation of indebtedness); (f) passive activity loss and credit carryovers; and (g) foreign tax credit carryovers. Alternatively, a taxpayer with excluded COD may elect first to reduce the basis of its depreciable assets (a “**Section 108(b)(5) Election**”), in which case the limitation described in (e) does not apply to the reduction in basis of depreciable property and, following such reduction, any remaining COD income that is excluded from gross income reduces any remaining tax attributes in the order specified in the prior sentence. The reduction of the taxpayer’s tax attributes occurs at the end of the tax year for which the excluded COD income is realized, but only after the taxpayer’s net income or loss for the taxable year of the debt discharge has been determined; in this way, the attribute reduction is generally effective as of the start of the taxable year following the discharge. If the amount of excluded COD income exceeds available tax attributes, the excess generally is not subject to U.S. federal income tax. Where a taxpayer joins in the filing of a consolidated U.S. federal income tax return, applicable Treasury Regulations require, in certain circumstances, that certain tax attributes of other members of the group also be reduced.

In connection with the implementation of the Plan, the Debtors expect to realize a substantial amount of excluded COD income for U.S. federal income tax purposes. The Debtors have not yet determined whether to make a Section 108(b)(5) Election and expect that, if no Section 108(b)(5) Election is made, all or substantially all of their U.S. federal NOLs would be reduced as well as a portion of their asset tax basis (including basis in the stock of certain subsidiaries) as a result of the COD attribute reduction arising in connection with the Plan.

2. Limitation on NOLs and Other Tax Attributes

Following the Effective Date, any NOLs, carryforwards of disallowed business interest expense and certain other Tax Attributes, if any, allocable to tax periods or portions thereof ending on or prior to the Effective Date (collectively, “**Pre-Change Losses**”) or built-in losses may be subject to certain limitations under sections 382 and 383 of the Tax Code. Any such limitations apply in addition to, and not in lieu of, the attribute reduction that results from the exclusion of COD income arising in connection with the Plan.

If a corporation or consolidated group undergoes an “ownership change” as defined under section 382 of the Tax Code, the amount of its “pre-change losses” that may be utilized to offset future taxable income generally is subject to an annual limitation. In general, an “ownership change” occurs if the percentage of the value of the loss corporation’s stock owned by one or more direct or indirect “5-percent shareholders” increases by more than fifty percentage points over the lowest percentage of value owned by the 5-percent shareholders at any time during the applicable testing period. The testing period generally is the shorter of (a) the three-year period preceding the testing date and (b) the period of time since the most recent ownership change of the corporation. The Debtors anticipate that the distribution of the New Equity Interests pursuant to the Plan will result in an ownership change of the Reorganized Debtors for these purposes, and that the Reorganized Debtors’ use of their Pre-Change Losses will be subject to limitation unless an exception to the general rules of sections 382 and 383 of the Tax Code applies.

a. General Annual Limitation

In general, the amount of the annual limitation to which a corporation or consolidated group that undergoes an ownership change would be subject is equal to the product of (a) the fair market value of the stock of the corporation (or parent of the consolidated group) immediately before the ownership change (with certain adjustments) and (b) the “long-term tax-exempt rate” (which is the highest of the adjusted federal long-term rates in effect for any month in the three-calendar-month period ending with the calendar month in which the ownership change occurs, *e.g.*, 3.43% for ownership changes occurring in January 2025). For a corporation or consolidated group in bankruptcy that undergoes an ownership change pursuant to a confirmed bankruptcy plan, unless the special exception described below applies, the annual limitation is generally determined by reference to the fair market value of the stock of the corporation (or the parent of the consolidated group) immediately after (rather than before) the ownership change and after giving effect to the discharge of creditors’ claims, subject to certain adjustments; in no event, however, can the stock value for this purpose exceed the pre-change gross value of the assets of the corporation. Any portion of the annual limitation that is not used in a given year may be carried forward, thereby adding to the annual limitation for the subsequent taxable year.

Under certain circumstances, the annual limitation otherwise computed may be increased if the corporation or consolidated group has an overall built-in gain in its assets at the time of the ownership change. If a loss corporation (as defined in section 382(k)(1) of the Tax Code) or consolidated group has such “net unrealized built-in gain” at the time of an ownership change (taking into account most assets and items of “built-in” income, gain, loss, and deduction), any built-in gains recognized (or, according to a currently effective IRS notice, treated as recognized) during the following sixty-month period (up to the amount of the original net unrealized built-in gain) generally will increase the annual limitation in the year of such recognition, such that the loss corporation or consolidated group would be permitted to use its pre-change losses against such built-in gain income in addition to its otherwise applicable annual limitation. Alternatively, if a loss corporation or consolidated group has a “net unrealized built-in loss” at the time of an ownership change, then any built-in losses existing at such time that are recognized (including, but not limited to, amortization or depreciation deductions attributable to such built-in losses) during the sixty-month period following the ownership change (up to the amount of the original net unrealized built-in loss) will be treated as pre-change losses, the deductibility of which will be subject to the annual limitation. In general, the net unrealized built-in gain or loss will be deemed to be zero unless it is greater than the lesser of (a) \$10 million or (b) 15% of the fair market value of the corporation’s or consolidated group’s assets (with certain adjustments) before the ownership change. The Debtors currently expect that the TCS Group will have a net unrealized built-in loss as of the Effective Date.

If the corporation or consolidated group does not continue its historic business or use a significant portion of its historic assets in a new business for at least two years after the ownership change, the annual limitation resulting from the ownership change is reduced to zero, thereby precluding any utilization of the corporation’s pre-change losses (absent any increases due to recognized built-in gains). Currently, the Debtors anticipate that all or substantially all of their NOLs generated in the current tax year will be eliminated as a result of the COD attribute reduction arising in connection with the consummation of the Plan. In addition, Section 382 of the Tax Code is expected to materially restrict the subsequent utilization of other Tax Attributes after the Effective Date, including Suspended Interest Carryforwards and recognized built-in losses.

b. Special Bankruptcy Exception

Under section 382(l)(5) of the Tax Code, an exception to the foregoing annual limitation rules generally applies when, among other requirements, so-called “qualified creditors” and shareholders of a debtor corporation in chapter 11 receive, in respect of their claims or equity interests, respectively, at least fifty

percent of the vote and value of the stock of the reorganized debtor (or a controlling corporation if also in chapter 11) pursuant to a confirmed chapter 11 plan. Instead, the debtor's Pre-Change Losses are reduced by the amount of any interest deductions with respect to debt converted into stock in the bankruptcy reorganization that were allowed in the three full taxable years preceding the taxable year in which the ownership change occurs and in the part of the taxable year prior to and including the date of the ownership change attributable to the bankruptcy reorganization (the "**Plan Ownership Change**"). However, if any pre-change Tax Attributes and built-in losses of the debtor already are subject to an annual usage limitation under Section 382 of the Tax Code at the time of an ownership change subject to Section 382(l)(5) of the Tax Code, those pre-change Tax Attributes and built-in losses generally will continue to be subject to such limitation.

A qualified creditor is any creditor who has held the debt of the debtor for at least eighteen months prior to the petition date or who has held "ordinary course indebtedness" that has been owned at all times by such creditor. A creditor who does not become a direct or indirect five percent shareholder of the reorganized debtor generally may be treated by the debtor as having always held any debt owned immediately before the ownership change, unless the creditor's participation in formulating the plan of reorganization makes evident to the debtor that the creditor has not owned the debt for the requisite period.

A debtor may elect not to apply Section 382(l)(5) of the Tax Code to an ownership change that otherwise satisfies its requirements. This election must be made on the debtor's federal income tax return for the taxable year in which the ownership change occurs. If Section 382(l)(5) of the Tax Code applies to an ownership change (and the debtor does not elect out), any subsequent ownership change of the debtor within the two-year period following the date of the Plan Ownership Change will result in the debtor being unable to use any pre-change losses in any taxable year ending after such subsequent ownership change to offset future taxable income.

If an ownership change pursuant to a bankruptcy plan does not satisfy the requirements of Section 382(l)(5) of the Tax Code, or if a debtor elects not to apply Section 382(l)(5) of the Tax Code, the debtor would be subject to the rules discussed above under "*—General Annual Limitation.*" The Debtors have not determined whether they qualify for, or whether they will elect not to apply, the exception under section 382(l)(5) of the Tax Code in connection with the Plan.

B. Consequences to Holders of Claims

Except as otherwise discussed herein, the summary below generally assumes that holders of the applicable Claims will, each as a class, vote to accept the Plan. As used herein, the term "U.S. Holder" means a beneficial owner of Term Loan Claims, Exit Term Loans, New Equity Interests, or the Participation Right that is for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust, if a court within the United States is able to exercise primary jurisdiction over its administration and one or more United States persons have authority to control all of its substantial decisions, or if the trust has a valid election in effect under applicable

Treasury Regulations to be treated as a United States person.

A “Non-U.S. Holder” is a beneficial owner of Term Loan Claims, Exit Term Loans, New Equity Interests, or the Participation Right that is neither a U.S. Holder nor an entity classified as a partnership for U.S. federal income tax purposes.

If a partnership or other entity or arrangement classified as a partnership for U.S. federal income tax purposes holds such Term Loan Claims, Exit Term Loans, New Equity Interests, or the Participation Right, the tax treatment of a partner in such partnership generally will depend upon the status of the partner, the activities of the partnership and certain determinations made at the partner-level. Each U.S. Holder that is a partnership or a partner in a partnership holding any of such instruments should consult its tax advisor.

1. Integrated Transaction Treatment

In accordance with the Transaction Support Agreement and in connection with the implementation of the Plan, each holder of a Term Loan Claim was provided the right to provide its allocable share of funding for the First-Out DIP Term Loans, and then, among other things, receive the Second-Out DIP Term Loans and ultimately receive the Exit Term Loans and DIP Equity Premium (such right, the “*Participation Right*”). The DIP Term Loans will automatically convert, respectively, into the Exit Term Loans pursuant to the Plan. While not free from doubt, the Debtors currently intend to take the position, and the remainder of this summary assumes (unless otherwise indicated), that the automatic conversion of the First-Out DIP Term Loans to the First-Out Exit Term Loans, on the one hand, and the automatic conversion of the Second-Out DIP Term Loans to the Second-Out Exit Term Loans, on the other hand, do not result in a sale or exchange of property for U.S. federal income tax purposes. Accordingly, the First-Out DIP Term Loans and First-Out Exit Term Loans (collectively, the “*First-Out Loans*”), and the Second-Out DIP Loans and Second-Out Exit Term Loans (collectively, the “*Second-Out Loans*”), shall each be treated as a single instrument for U.S. federal income tax purposes. Any value attributable to the Second-Out Loans and New Equity Interests received upon the exercise of the Participation Right or, alternatively, the receipt of the Participation Right itself, may be considered for tax purposes as value received by such holders of Term Loan Claims as a partial recovery on such Claims under the Plan. While the Debtors have not yet determined whether any such treatment is appropriate, the remainder of this summary assumes (unless otherwise indicated) that the receipt and exercise of the Participation Right is treated for U.S. federal income tax purposes as part of an integrated transaction pursuant to which (A) investment units composed of (i) New Equity Interests (including those comprising the DIP Equity Premium), and (ii) DIP Term Loans/Exit Term Loans (as defined below) are acquired directly in exchange for (B) (i) satisfaction of holders’ Term Loan Claims and (ii) the amount of cash used to fund the First-Out DIP Term Loans that are converted into the First-Out Exit Term Loans pursuant to the Plan. Other characterizations are possible, including that the receipt and exercise of the Participation Right may be treated as the receipt and exercise of an option to acquire the New Equity Interests comprising the DIP Equity Premium. **The Debtors intend to make publicly available IRS Form 8937 that will provide the holders of Term Loan Claims with additional information with respect to the Debtors intended tax reporting as to the foregoing transactions. Each holder of Term Loan Claims is strongly urged to consult its own tax advisers regarding the treatment of the Participation Right and the related transactions.**

2. U.S. Holders of Term Loan Claims

a. Recognition of Gain or Loss

In accordance with the integrated transaction approach discussed above, a holder of Allowed Term Loan Claims will be deemed to receive (i) New Equity Interests or (ii) DIP Term Loans/Exit Term Loans and

New Equity Interests (including those comprising the DIP Equity Premium), in satisfaction of its Claims. Under applicable Treasury Regulations, the modification of the terms of a debt instrument (including pursuant to an exchange of a new debt instrument for the existing debt instrument) generally is a significant modification if, based on all of the facts and circumstances and taking into account all modifications of the debt instrument, the legal rights or obligations that are altered and the degree to which they are altered is “economically significant.” A modification that changes the timing of payments due under a debt instrument is a significant modification if it results in a material deferral of scheduled payments. However, a deferral of one or more scheduled payments is not a material deferral if it is within a safe-harbor period beginning on the original due date of the first scheduled payment that is deferred and extending for a period equal to the lesser of five years and fifty percent of the original term of the instrument. A change in the yield of a debt instrument is a significant modification if the yield of the modified instrument (as computed under the applicable Treasury Regulations) varies from the annual yield of the unmodified instrument (determined as of the date of the modification) by more than the greater of (i) 0.25% or (ii) 5% of the annual yield of the unmodified instrument.

The Debtors currently expect that the Restructuring Transaction Steps Memorandum (which will be filed with the Plan Supplement) will provide that Reorganized Parent will contribute the New Equity Interests (including those comprising the DIP Equity Premium) to Debtor TCS and, immediately thereafter, Debtor TCS will distribute the New Equity Interests pursuant to the Plan (or Debtor TCS may further contribute the New Equity Interests to a newly-formed wholly-owned limited liability company that will initially be disregarded for U.S. federal income tax purposes, and equity interests in such limited liability company would be distributed pursuant to the Plan). Based on applicable Treasury Regulations, the Debtors expect, and the remainder of this discussion assumes, that such a transaction should be viewed, for U.S. federal income tax purposes, as an exchange of (i) such Claims for (ii) the DIP Term Loans/Exit Term Loans and New Equity Interests (including those comprising the DIP Equity Premium).

Each U.S. Holder of Term Loan Claims should generally realize gain or loss in an amount equal to the difference, if any, between (i) the sum of the (A) issue price of the DIP Term Loans/Exit Term Loans and fair market values of the New Equity Interests, including those comprising the DIP Equity Premium (for those holders of Term Loan Claims that do exercise the Participation Right) or (B) fair market value of the New Equity Interests (for those holders of Term Loan Claims that do not exercise the Participation Right) and (ii) the sum of the U.S. Holder’s adjusted tax basis in the Claims and, for those Term Loan Claims holders that exercise the Participation Right, the amount of cash used to fund the First-Out Loans exchanged therefor. Whether a U.S. Holder of Allowed Term Loan Claims will recognize any such realized gain or loss will depend on whether the receipt of (A) the DIP Term Loans/Exit Term Loans and New Equity Interests, including those comprising the DIP Equity Premium, (in the case of a Holder that exercises the Participation Right) or (B) the New Equity Interests (in the case of a Holder that does not exercise the Participation Right) in exchange for such Claims constitutes a taxable exchange or a tax-deferred (or partially tax-deferred) exchange for such Holder, which will, in part, depend on whether the Claims surrendered in the exchange, and the DIP Term Loans/Exit Term Loans received therefor, constitute “securities” for U.S. federal income tax purposes.

The term “security” is not defined in the Tax Code or in the Treasury Regulations issued thereunder and has not been clearly defined by judicial decisions. The determination of whether a particular debt obligation constitutes a “security” depends on an overall evaluation of the nature of the debt, including whether the holder of such debt obligation is subject to a material level of entrepreneurial risk and whether a continuing proprietary interest is intended or not. One of the most significant factors considered in determining whether a particular debt obligation is a security is its original term. In general, debt obligations issued with a weighted average maturity at issuance of less than five (5) years do not constitute securities, whereas debt obligations with a weighted average maturity at issuance of ten (10) years or more constitute securities. Based on the foregoing, and although not free from doubt, the DIP Term Loans/Exit Term Loans are not

expected to constitute securities. Each holder of a Term Loan Claims is urged to consult its tax advisor regarding the appropriate status for U.S. federal income tax purposes of such Claims. The remainder of this discussion assumes that holders of Term Loans Claims will exchange such claims in a taxable exchange.

If the exchange of Allowed Term Loan Claims constitutes a taxable transaction to a U.S. Holder, such U.S. Holder should recognize all realized gain or loss, will have a tax basis in the DIP Term Loans/Exit Term Loans equal to the issue price (determined as described below) of such instruments for U.S. federal income tax purposes and will have a tax basis in the New Equity Interests equal to their fair market value, and the holding period in the DIP Term Loans/Exit Term Loans and New Equity Interests will commence on the day following the Effective Date.

For a discussion as to the possible recognition of accrued interest income and original issue discount (“*OID*”) in connection with an exchange of Allowed Term Loan Claims and related tax basis and holding period considerations, see “— *Distributions with Respect to Accrued but Unpaid Interest or OID*” below.

b. Treatment of the Participation Right

Because the Participation Right was made available to each holder of Term Loan Claims in accordance with the Transaction Support Agreement and in connection with the implementation of the Plan, the Debtors and the DIP Term Lenders have agreed, pursuant to the Transaction Support Agreement, to treat, for U.S. federal income tax purposes, any value attributable to the receipt of the New Equity Interests deemed received upon the exercise of the Participation Right, or the Participation Right itself, as a recovery on such Claims under the Plan.

c. Ownership and Disposition of Exit Term Loans

i. Issue Price

Where U.S. Holders receive debt instruments and also receive other property in an exchange (such as an exchange of an old debt instrument for a new debt instrument and stock), the “investment unit” rules may apply to the determination of the issue price for any such debt instrument. U.S. Holders of Term Loan Claims will be deemed to receive, in satisfaction of their Claims, either property (New Equity Interests) or debt instruments (the DIP Term Loans/Exit Term Loans) as well as other property (New Equity Interests, including those comprising the DIP Equity Premium) pursuant to the Plan. Accordingly, the investment unit rules are expected to apply to determine the issue price of the DIP Term Loans/Exit Term Loans. The issue price of such Loans will depend, in part, on the issue price of the investment unit and the respective fair market values of the elements of consideration that compose the investment unit. The issue price of an investment unit is generally determined in the same manner as the issue price of a debt instrument and depends, in part, on whether the Term Loan Claims are “publicly traded.”

For this purpose, instruments will generally be considered to be publicly traded if, at any time during the thirty-one (31)-day period ending fifteen (15) days after the relevant issue date, the applicable instruments are traded on an “established market.” Instruments are generally considered to trade on an established market if: (i) there is a price for an executed purchase or sale of the applicable instruments that is reasonably available within a reasonable period of time after the sale, (ii) there is at least one price quote for the applicable instruments from at least one reasonably identifiable broker, dealer or pricing service, which price quote is substantially the same as the price for which the person receiving the quoted price could purchase or sell the applicable instruments (a “firm quote”), or (iii) there is at least one (1) price quote for the applicable instruments, other than a firm quote, available from at least one (1) such broker, dealer, or pricing service. The Debtors expect, and the reminder of this summary assumes, that the investment units will not qualify as “publicly traded.”

If the investment unit is not treated as publicly traded, but the Term Loan Claims are treated as publicly traded, then the issue price of the investment unit will be determined based on the fair value of the Term Loan Claims and the amount of cash used to fund the First-Out Loans. While not entirely clear, if neither the investment units nor the Term Loan Claims are treated as publicly traded, the issue price of the DIP Term Loans/Exit Term Loans will generally be the principal amount of such Loans. Such issue price determined for the investment unit under the above rules is allocated among the elements of consideration comprising the investment unit (i.e., the DIP Term Loans/Exit Term Loans and New Equity Interests) based on their relative fair market values, with such allocation determining the issue price of the First-Out Loans and the Second-Out Loans. There is significant uncertainty as to the application of the investment unit rules and the determination of the issue price of the DIP Term Loans/Exit Term Loans, including, among other things, whether the First-Out Loans could be treated as issued for an amount of cash equal to their principal amount and whether Equity Interests, other than those comprising the DIP Equity Premium, issued to a holder of Term Loan Claims that exercises its Participation Right should also be accounted for in such determination.

The Debtors anticipate publicly disclosing issue price information with respect to the DIP Term Loans/Exit Term Loans on IRS Form 8937 following the Effective Date. An issuer's allocation of the issue price of an investment unit is binding on all Holders of the investment unit unless a U.S. Holder explicitly discloses a different allocation on a timely filed income tax return for the taxable year that includes the acquisition date of the investment unit.

ii. Contingent Payment Debt Instruments

With respect to the DIP Term Loans/Exit Term Loans, Debtor TCS will have the right for a period of time, the length of which will depend on whether an EBITDA-based threshold is met (with respect to the First-Out Loans) or the option (with respect to the Second-Out Loans) to pay some or all interest in-kind (the "*PIK Toggle*"). The PIK Toggle implicates the provisions of the Treasury Regulations applicable to such instruments (the "*CPDI Regulations*").

If the DIP Term Loans/Exit Term Loans have an issue price that does not equal their principal amount, such Loans could be treated as contingent payment debt instruments ("*CPDIs*") subject to the CPDI Regulations. If the DIP Term Loans/Exit Term Loans are treated as CPDIs, the application of the CPDI Regulations depends in part on whether such DIP Term Loans/Exit Term Loans are treated as received in exchange for (i) publicly traded property or (ii) non-publicly traded property (as discussed above in—"*Issue Price*"), such that for (i), the "noncontingent bond method" would apply, and for (ii), the DIP Term Loans/Exit Term Loans would be divided into two separate components, one consisting of contingent payments and the other consisting of noncontingent payments.

iii. Noncontingent Bond Method

If any DIP Term Loans/Exit Term Loan is treated as a CPDI and subject to the noncontingent bond method, a U.S. Holder must accrue an amount of ordinary interest income on the applicable DIP Term Loan/Exit Term Loan, as OID for U.S. federal income tax purposes, for each accrual period prior to and including the maturity date of the DIP Term Loan/Exit Term Loan, regardless of whether the U.S. Holder uses the cash or accrual method of tax accounting. Accordingly, U.S. Holders may be required to include interest in taxable income in each year in excess of any interest payments actually received in that year. The amount required to be accrued equals the sum of the daily portions of OID with respect to the applicable DIP Term Loans/Exit Term Loan for each day during the taxable year or portion of a taxable year on which the U.S. Holder holds the DIP Term Loan/Exit Term Loan, adjusted if necessary, as described below. In general, the daily portion of OID on an DIP Term Loan/Exit Term Loan would be (1) the product of (i) the "adjusted issue price" (as defined below) of the DIP Term Loan/Exit Term Loan as of the beginning of the accrual

period, and (ii) the comparable yield (as defined below) of the DIP Term Loans/Exit Term Loans, adjusted for the length of the accrual period, divided by (2) the number of days in the accrual period.

The “*adjusted issue price*” of an DIP Term Loan/Exit Term Loan is its issue price (as described above) increased by any interest income previously accrued in accordance with the CPDI Regulations, determined without regard to any adjustments to interest accruals described below, and decreased by the projected amount of any payments (in accordance with the projected payment schedule described below) previously made with respect to the DIP Term Loans/Exit Term Loans. The term “*comparable yield*” means the annual yield that Debtor TCS would pay, as of the issue date, on a fixed rate nonconvertible debt security with no contingent payments, but with terms and conditions otherwise comparable to those of the DIP Term Loans/Exit Term Loans. The manner in which Debtor TCS should determine the comparable yield is not entirely clear under the CPDI Regulations.

If the DIP Term Loans/Exit Term Loans are treated as CPDIs, the CPDI Regulations require that Debtor TCS provide to Holders of the DIP Term Loans/Exit Term Loans, solely for U.S. federal income tax purposes, a schedule of the projected amounts of payments (the “*projected payment schedule*”). These payments as scheduled must produce a total return on the DIP Term Loans/Exit Term Loans that is equal to the comparable yield. The projected payment schedule would include each noncontingent payment and an amount potentially for each contingent payment as determined under the CPDI Regulations. U.S. Holders generally must use the comparable yield and projected payment schedule in determining their interest accruals, and the adjustments thereto described below, in respect of the DIP Term Loans/Exit Term Loans.

If, during any taxable year, a U.S. Holder receives actual contingent payments with respect to the DIP Term Loans/Exit Term Loans that in aggregate exceed the total amount of projected contingent payments for that taxable year, then, under the CPDI Regulations, the U.S. Holder will have a “*net positive adjustment*” equal to the amount of such excess. The U.S. Holder will treat the net positive adjustment as additional interest income.

If a U.S. Holder receives in a taxable year actual contingent payment with respect to the DIP Term Loans/Exit Term Loans that in the aggregate are less than the amount of projected contingent payments for that taxable year, then, under the CPDI Regulations, the U.S. Holder will have a “*net negative adjustment*” equal to the amount of such deficit. This adjustment will (a) reduce the U.S. Holder’s interest income on the DIP Term Loans/Exit Term Loans for that taxable year, and (b) to the extent of any remaining amount after the application of clause (a), give rise to an ordinary loss to the extent of the U.S. Holder’s interest income on the DIP Term Loans/Exit Term Loans during prior taxable years, reduced to the extent that such interest income was offset by prior net negative adjustments. Any negative adjustment in excess of the amount described in clauses (a) and (b) will be carried forward, as a negative adjustment, to offset future interest income in respect of the DIP Term Loans/Exit Term Loans or to reduce the amount realized on a sale, exchange, retirement, redemption or other taxable disposition of the DIP Term Loans/Exit Term Loans.

A U.S. Holder will generally recognize gain or loss upon the sale, exchange, retirement, redemption or other taxable disposition of a DIP Term Loan/Exit Term Loan equal to the difference, if any, between the amount realized on such a taxable disposition (reduced by any negative adjustments carried forward) and the adjusted tax basis in the DIP Term Loan/Exit Term Loan. A U.S. Holder’s adjusted tax basis in a DIP Term Loan/Exit Term Loan will generally be increased by any interest previously included in gross income with respect to the DIP Term Loan/Exit Term Loan (determined without regard to any adjustment to interest accruals described above) and decreased by the amount of any noncontingent payment and the projected amount of any contingent payment previously made on the Loan to the U.S. Holder. Gain recognized upon a sale, exchange, retirement, redemption or other taxable disposition of a DIP Term Loan/Exit Term Loan generally will be treated as ordinary interest income, and any loss generally will be treated as ordinary loss

to the extent of interest on the DIP Term Loan/Exit Term Loan previously included in income (reduced by the total amount of any net negative adjustments previously taken into account as ordinary losses) and thereafter as capital loss (which will be long-term if the DIP Term Loan/Exit Term Loan has been held for more than one year). The deductibility of capital losses is subject to limitations.

Special rules will apply if there are no remaining contingent payments to be made on the DIP Term Loan/Exit Term Loans, if the amount of a contingent payment on an DIP Term Loan/Exit Term Loan becomes fixed more than six months prior to the due date of the payment, or if, at any time, all remaining contingencies with respect to payments on the DIP Term Loan/Exit Term Loans have a remote likelihood of occurring or not occurring or are incidental in amount.

iv. Division into Contingent and Noncontingent Components

If the applicable DIP Term Loan/Exit Term Loans are not treated as “publicly traded” and treated as issued in exchange for nonpublicly traded property, the CPDI Regulations may require that each DIP Term Loan/Exit Term Loan be separated into its contingent component (the “*Contingent Component*”) and its non-contingent component (the “*Noncontingent Component*”). The Noncontingent Component will be subject to the OID rules for noncontingent debt instruments described below, while payments on the Contingent Component will be accounted for when made, with a portion of each such payment treated as principal and the remainder treated as interest.

U.S. Holders of such DIP Term Loan/Exit Term Loans will initially have an adjusted basis in the Noncontingent Component equal to its issue price, and an adjusted basis in the Contingent Component equal to the fair market value of the Contingent Component. The issue price of the Noncontingent Component of a debt instrument is generally the lesser of (i) the noncontingent principal payments and (ii) the sum of the present values of the noncontingent payments contained in the Noncontingent Component due under the instrument.

The Noncontingent Component of the DIP Term Loan/Exit Term Loans should be treated as being issued with OID in an amount equal to the difference between (i) the sum of all payments under the Noncontingent Component of the DIP Term Loan/Exit Term Loans and (ii) the issue price of the Noncontingent Component of the DIP Term Loan/Exit Term Loans (as discussed above). U.S. Holders of the DIP Term Loan/Exit Term Loans must include OID in their gross income as ordinary income calculated on a constant-yield method before the receipt of cash attributable to the income regardless of their method of accounting. The amount of OID includible in income by a U.S. Holder is the sum of the daily portions of OID with respect to the Noncontingent Component of the DIP Term Loan/Exit Term Loan for each day during the taxable year or portion of the taxable year on which the U.S. Holder holds the DIP Term Loan/Exit Term Loan. The daily portion is determined by allocating to each day in any “accrual period” a pro rata portion of the OID allocable to that accrual period. The amount of OID allocable to an accrual period will generally equal the product of the Noncontingent Component of a DIP Term Loan/Exit Term Loan’s adjusted issue price at the beginning of the accrual period and the Noncontingent Component of a DIP Term Loan/Exit Term Loan’s yield to maturity. The “adjusted issue price” of the Noncontingent Component of the DIP Term Loans/Exit Term Loans at the beginning of any accrual period will generally be the issue price of the Noncontingent Component of a DIP Term Loan/Exit Term Loan increased by (x) the amount of accrued OID for each prior accrual period and decreased by (y) the amount of any payments previously made on the Noncontingent Component of a DIP Term Loan/Exit Term Loan (other than any interest paid in kind).

Under the CPDI Regulations, subject to special rules that apply in the case of interest payments that become fixed more than six months before the payment is due, a portion of the interest paid under the Contingent Component (the “*Contingent Interest*”) of a DIP Term Loan/Exit Term Loan generally will be treated as a payment of principal in an amount equal to the present value of the payment determined by discounting the

payment from the date it was made to the Effective Date at the applicable federal rate for the DIP Term Loan/Exit Term Loan that would apply to a debt instrument issued on the Effective Date and maturing on the date the contingent payment is made. The amount of the contingent payment in excess of the portion determined to be principal is treated as a payment of interest and is includible in gross income by the holder in the taxable year in which the payment is made.

A U.S. Holder will reduce its adjusted basis in the Contingent Component of a DIP Term Loan/Exit Term Loan by the amount of the Contingent Interest payment that is treated as principal. If the U.S. Holder's adjusted basis in the Contingent Component is reduced to zero, any additional principal payments on the Contingent Component are treated as gain from the sale or exchange of the DIP Term Loans/Exit Term Loans as described below. Any basis remaining on the date the final contingent payment is received increases a holder's basis in the Noncontingent Component (or, if there are no remaining payments on the Noncontingent Component, is treated as a loss from the sale or exchange of a debt instrument).

At the time the EBITDA threshold is satisfied such that the PIK Toggle is not available with respect to the Exit Term Loans, a U.S. Holder's right to contingent payment under the DIP Term Loans/Exit Term Loans should become fixed. The applicable CPDI regulations provide that once the contingent payment becomes fixed more than six months before the payment is due, the issuer and holder are treated as if the issuer had issued a separate debt instrument on the date such payment becomes fixed, which matures on the date the payment becomes due (an "*Interest Note*"). Each such Interest Note will have a principal amount equal to the amount that becomes fixed and an issue price equal to the present value of the portion of the contingent interest due on the specified interest payment date discounted at the applicable federal rate for such debt instrument. U.S. Holders would be treated as receiving an amount equal to the issue price of each Interest Note on the date such payment becomes fixed and maturing on the interest payment date. U.S. Holders will be treated as receiving an amount equal to the issue price of each Interest Note on the date such payment becomes fixed, which will be treated as interest or principal under the rules described above.

A U.S. Holder must allocate the amount realized from the sale, exchange or disposition of a DIP Term Loan/Exit Term Loan first, to the Noncontingent Component in an amount up to the adjusted issue price of the Noncontingent Component and the remaining amount received, if any, to the Contingent Component. A U.S. Holder will generally recognize gain or loss on the sale, exchange or other disposition of a Noncontingent Component equal to the difference between (i) the portion of the amount realized allocated to the Noncontingent Component and (ii) the U.S. Holder's adjusted tax basis in the Noncontingent Component, as applicable. Any such recognized gain or loss generally will be capital gain or loss. The deductibility of capital losses is subject to limitations. The amount allocated to a Contingent Component is treated as a contingent payment that is made on the date of the sale, exchange or other disposition and is characterized as interest and principal as described above.

THE CPDI REGULATIONS ARE COMPLEX, AND HOLDERS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS ABOUT THE POTENTIAL TAX CONSEQUENCES IF ANY DIP TERM LOANS/EXIT TERM LOANS ARE DETERMINED TO BE CPDIs.

d. Ownership and Disposition of New Equity Interests

As noted above, it is intended that the receipt by a Holder of New Equity Interests on the Effective Date pursuant to the Plan will be treated for U.S. federal income tax purposes as though the Holder received Equity Interests in Parent, and then immediately exchanged such Equity Interests for the New Equity Interests. Assuming that treatment is respected, the exchange by a U.S. Holder of Equity Interests in Parent for the New Equity Interests will generally be treated a tax-free exchange pursuant to section 721 of the Tax Code (in a transaction described in Situation 2 of IRS Revenue Ruling 99-5, 1999-1 C.B. 434) and should result in a U.S. Holder having a tax basis in, and holding period with respect to, the New Equity

Interests equal to the U.S. Holder's basis in, and holding period with respect to, the Equity Interests in Parent exchanged therefore.

Because the New Equity Interests will be Equity Interests of Reorganized Parent, an entity that, absent an affirmative election otherwise, will be treated for U.S. federal income tax purposes as a partnership, a U.S. Holder receiving New Equity Interests will be treated as a partner in that partnership. Accordingly, as a partnership, Reorganized Parent itself will not be subject to U.S. federal income tax. Instead, each U.S. Holder will be required to report on its U.S. federal income tax return its distributive share (whether or not distributed) of Reorganized Parent's income, gains, losses, deductions, and credits. Each U.S. Holder of New Equity Interests will be required to include in income its allocable share of Reorganized Parent's income, gains, losses and deductions for Reorganized Parent's taxable year ending with or within such U.S. Holder's taxable year even if Reorganized Parent does not make a concurrent distribution to such U.S. Holder. However, because it is expected that Reorganized Parent's sole asset will be its Equity Interests in Parent, an entity classified as a corporation for U.S. federal income tax purposes, absent an actual distribution from Parent that is treated as a "dividend" for purposes of the Tax Code or a sale (or other taxable disposition) by Reorganized Parent of any of its Equity Interests in Parent, any partner in Reorganized Parent should not generally have any current allocations of taxable income or loss.

In general, a U.S. Holder of New Equity Interests will not recognize taxable income as a consequence of receiving a distribution (whether in cash or in kind) from Reorganized Parent, except to the extent that any cash distributed exceeds such U.S. Holder's adjusted tax basis in its New Equity Interests. Any such excess will be treated as gain from the sale of such U.S. Holder's New Equity Interests and will be treated as capital gain. A U.S. Holder generally will not recognize a loss for U.S. federal income tax purposes as a consequence of receiving a distribution from Reorganized Parent, except that if a U.S. Holder receives a distribution solely of cash in complete liquidation of its interest in Reorganized Parent, the U.S. Holder will recognize a capital loss equal to the excess, if any, of its adjusted tax basis in its New Equity Interests over the amount of such cash. The deductibility of capital losses is subject to limitations.

Gain or loss recognized by a U.S. Holder on the disposition of all or any portion of its New Equity Interests will generally, subject to the application of certain recharacterization rules (i.e., related to a sale of "hot assets" like unrealized receivables or inventory of the partnership under section 751 of the Tax Code) be capital gain or loss. If a U.S. Holder transfers less than all of its New Equity Interests, the U.S. Holder will take into account the percentage of its adjusted tax basis in its New Equity Interests that is transferred, determined by comparing the relative fair market values of the portion of the New Equity Interests that is transferred and the portion of the New Equity Interests that is retained.

Reorganized Parent intends to furnish to each Holder of New Equity Interests, after the close of each calendar year, specific tax information, including a Schedule K-1, which describes such Holder's allocable share of Reorganized Parent's income, gain, loss and deductions for Reorganized Parent's preceding taxable year. In preparing this information, Reorganized Parent will take various accounting and reporting positions to determine each Holder's allocable share of such income, gain, loss and deductions. However, Reorganized Parent cannot provide assurances that those positions will yield a result that conforms to the requirements of the Tax Code, applicable Treasury Regulations or administrative interpretations of the IRS. Furthermore, Reorganized Parent cannot provide assurances that the IRS will not successfully contend in court that those positions are impermissible.

Pursuant to the Bipartisan Budget Act of 2015, for U.S. federal income tax purposes, any audit adjustment to Reorganized Parent's tax items (or any partner's distributive share of such item) may result in the imposition of tax (including any applicable penalties and interest) at the Reorganized Parent level. Generally, Reorganized Parent will have the ability to elect to have the partners take such audit adjustment into account in accordance with their interests in Reorganized Parent during the taxable year under audit, but there can be no assurance that Reorganized Parent will choose to make such election or that such election will be effective in all circumstances. If Reorganized Parent is unable to have the partners take

into account such audit adjustment in accordance with their interests in Reorganized Parent during the taxable year under audit, or Reorganized Parent chooses not to do so, the partners in the year of such audit adjustment may bear some or all of the tax liability resulting from such audit adjustment, without regard to each such partner's ownership interest in Reorganized Parent (if any) during the taxable year under audit. In addition, Reorganized Parent may be able to reduce the amount owed by Reorganized Parent in certain cases based on the status of the partners or if certain partners file amended returns to take into account such adjustments, but there is no assurance Reorganized Parent will be able to obtain any such reduction. If, as a result of any such audit adjustment, Reorganized Parent is required to make payments of taxes, penalties, and/or interest, it is expected that Reorganized Parent's operating agreement will provide that each partner's share of such amounts shall be treated as an advance against amounts otherwise distributable to such partner or as a loan to such partner. Future Treasury Regulations, other administrative guidance or judicial decisions may affect the application of these rules to Reorganized Parent and the Holders of New Equity Interests and, as a result, the application of these rules to Reorganized Parent and the Holders of New Equity Interests is uncertain.

U.S. Holders generally will recognize gain or loss upon the sale or taxable disposition of the New Equity Interests in an amount equal to the difference, if any, between (i) the U.S. Holder's adjusted tax basis in the New Equity Interests exchanged and (ii) the sum of the cash and the fair market value of any property received in such disposition. Any such gain or loss generally should be long-term capital gain or loss if the U.S. Holder's holding period for its New Equity Interests exceeds one year at the time of the sale or exchange (a U.S. Holder may have a split holding period in the New Equity Interests if it contributes property to Reorganized Parent or otherwise acquires New Equity Interests on multiples dates), subject to the application of certain recharacterization rules discussed above. A reduced tax rate on long-term capital gain may apply to non-corporate U.S. Holders. The deductibility of capital loss is subject to limitations.

In general, any gain recognized by a U.S. Holder upon a disposition of the New Equity Interests received in exchange for a Term Loan Claim will be treated as ordinary income for U.S. federal income tax purposes to the extent of (i) any ordinary loss deductions previously claimed as a result of the write-down of the Claim, decreased by any income (other than interest income) recognized by the U.S. Holder upon exchange of the Claim, and (ii) with respect to a cash-basis holder and in addition to clause (i) above, any amounts which would have been included in its gross income if the U.S. Holder's Claim had been satisfied in full but which was not included by reason of the cash method of accounting.

e. Character of Gain or Loss

Where gain or loss is recognized by a U.S. Holder in an exchange of Allowed Claims pursuant to the Plan, the character of such gain or loss as long-term or short-term capital gain or loss or as ordinary income or loss will be determined by a number of factors, including the tax status of such U.S. Holder, whether the Claims constitute capital assets in the hands of such U.S. Holder and how long they have been held, whether the Claims were acquired at a market discount, and whether and to what extent the holder previously claimed a worthlessness deduction with respect to the Claims. In general, any gain or loss generally should be long-term capital gain or loss if the U.S. Holder held the Claims as capital assets and such U.S. Holder's holding period in the Claims is more than one year at the time of the relevant exchange. A reduced tax rate on long-term capital gain may apply to non-corporate U.S. Holders. The deductibility of capital losses is subject to limitations.

A U.S. Holder that purchased its Claims from a prior holder at a "market discount" (relative to the principal amount of the Claims at the time of acquisition) may be subject to the market discount rules of the Tax Code. In general, a debt instrument is considered to have been acquired with market discount if the holder's adjusted tax basis in the debt instrument is less than (i) its "stated redemption price at maturity" (which generally would be equal to the stated principal amount if all stated interest was required to be paid in cash

or property at least annually) or (ii) in the case of a debt instrument issued with OID, its adjusted issue price, in each case, by more than a de minimis amount. Under these rules, any gain recognized on the exchange of Claims (which, as discussed below, does not include amounts received in respect of accrued but unpaid interest or OID, if any) generally will be treated as ordinary income to the extent of the market discount accrued (on a straight line basis or, at the election of the U.S. Holder, on a constant yield basis) during the U.S. Holder's period of ownership, unless such U.S. Holder elected to include the market discount in income as it accrued. If a U.S. Holder of Claims did not elect to include market discount in income as it accrued and, thus, under the market discount rules, was required to defer all or a portion of any deductions for interest on debt incurred or maintained to purchase or carry its Claims, such deferred amounts would become deductible at the time of the exchange. To the extent that Claims acquired with a market discount are exchanged in a tax-deferred transaction for other property, any market discount that accrued on such Claims but was not recognized by the U.S. Holder generally is carried over to the property received therefor, and any gain recognized on the subsequent sale or other disposition of the property generally is treated as ordinary income to the extent of the accrued, but not recognized, market discount with respect to such Claims. U.S. Holders who acquired their Claims other than at original issuance should consult their tax advisors regarding the possible application of the market discount rules.

f. Distributions with Respect to Accrued but Unpaid Interest or OID

In general, to the extent that any consideration received pursuant to the Plan by a U.S. Holder of Allowed Claims is received in satisfaction of interest accrued or OID accrued, in each case during such U.S. Holder's holding period, such amount will be taxable to the U.S. Holder as ordinary interest income (if not previously included in the U.S. Holder's gross income under such U.S. Holder's normal method of accounting). Conversely, a U.S. Holder may be entitled to recognize a loss to the extent any accrued interest or amortized OID was previously included in its gross income and is not paid in full. It is unclear whether a U.S. Holder would be required to recognize a capital loss, rather than an ordinary loss, with respect to previously included OID that is not paid in full. In addition, a U.S. Holder's tax basis in the consideration received by a U.S. Holder pursuant to the Plan in satisfaction of interest accrued or OID accrued generally will be equal to the fair market value of such consideration, and such U.S. Holder's holding period in such consideration should commence on the day following the Effective Date.

Article VI.E of the Plan provides that distributions to U.S. Holders with respect to any Allowed Claim will, except as otherwise required by applicable law (as reasonably determined by the Reorganized Debtors), be allocated first to the principal amount of such Allowed Claims, with any excess allocated to the remaining portion of such Allowed Claim. There is no assurance that the IRS will respect such allocation for U.S. federal income tax purposes.

Holders of Claims should consult their tax advisors regarding the proper allocation of the consideration received by them under the Plan, as well as the deductibility of accrued but unpaid interest (including OID) and the character of any loss claimed with respect to accrued but unpaid interest (including OID) previously included in income for U.S. federal income tax purposes.

3. Non-U.S. Holders of Term Loan Claims

The following discussion includes only certain U.S. federal income tax consequences of the Plan to Non-U.S. Holders. The discussion does not include any non-U.S. tax considerations. The rules governing the U.S. federal income tax consequences to Non-U.S. Holders are complex. Non-U.S. Holders are urged to consult their tax advisors regarding the U.S. federal, state, and local and non-U.S. tax consequences of the consummation of the Plan to such Non-U.S. Holders and the ownership and disposition of any consideration received pursuant to or in connection with the Plan.

a. Recognition of Gain or Loss

Whether a Non-U.S. Holder of Term Loan Claims recognizes gain or loss on the exchange of Claims pursuant to the Plan or upon a subsequent disposition of the consideration received under the Plan, the amount of such gain or loss, as well as the characterization of the receipt and exercise of the Participation Right, is determined in the same manner as set forth above in connection with U.S. Holders of the applicable Claims. See “*U.S. Holders of Term Loan Claims—Recognition of Gain or Loss*” and “*U.S. Holders of Term Loan Claims —Treatment of the Participation Right*” above. Any gain recognized (which, as discussed above, does not include amounts received in respect of accrued but unpaid interest or OID, if any) by a Non-U.S. Holder on the exchange of its Claim generally will not be subject to U.S. federal income taxation unless (i) the Non-U.S. Holder is an individual who was present in the United States for 183 days or more during the taxable year in which the gain is realized and certain other conditions are met, (ii) such gain is effectively connected with the conduct by such Non-U.S. Holder of a trade or business in the United States (and, if required by an income tax treaty, such gain is attributable to a permanent establishment or a fixed base maintained by such Non-U.S. Holder in the United States), or (iii) solely with respect to the sale, exchange or other disposition of the New Equity Interests, such New Equity Interests constitutes a U.S. real property interest (“*USRPI*”) by reason of Parent’s status as a “United States real property holding corporation” (“*USRPHC*”) for U.S. federal income tax purposes at any time within the shorter of the five-year period preceding such disposition or the period in which the Non-U.S. Holder held the New Equity Interests.

If the exception in clause (i) above applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30% (or such lower rate under an applicable income tax treaty) on the amount by which such Non-U.S. Holder’s capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year. If the exception in clause (ii) above applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax in the same manner as a U.S. Holder with respect to such gain. In addition, if such a Non-U.S. Holder is a corporation for U.S. federal income tax purposes, it may be subject to a branch profits tax equal to 30% (or such lower rate provided by an applicable income tax treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

If the exception in clause (iii) above applied and certain other requirements were met, a Non-U.S. Holder generally would be subject to U.S. federal income tax on any gain recognized on the sale or disposition of New Equity Interests. In general, a partnership interest is not treated as a USRPI for purposes of section 1445 of the Tax Code unless 50% or more of the value of the partnership’s gross assets consists of USRPIs, and 90% or more of the value of its gross assets consists of USRPIs, cash, and cash equivalents (“**50/90 Partnership**”). An interest in a 50/90 Partnership is treated as a USRPI in its entirety. An interest in a USRPHC is a USRPI for purposes of section 1445 of the Tax Code. The Debtors do not believe that New Equity Interests will initially be USRPIs. Because the determination of whether the New Equity Interests will be USRPIs depends on whether or not Parent is a USRPHC and such status depends on the fair market value of Parent’s USRPIs relative to the fair market value of Parent’s non-U.S. real property interests and its other business assets, there can be no assurance Parent will not become a USRPHC in the future.

b. Ownership and Disposition of Exit Term Loans

Generally, payments to a Non-U.S. Holder that are attributable to interest on applicable DIP Term Loans/Exit Term Loans (including, for purposes of this discussion of Non-U.S. Holders, any OID) that is not effectively connected with the Non-U.S. Holder’s conduct of a trade or business within the United States for U.S. federal income tax purposes generally will not be subject to U.S. federal income or withholding tax, provided that:

- the Non-U.S. Holder does not actually or constructively own 10% or more of the total capital or profits interest of Reorganized Parent;
- the Non-U.S. Holder is not a “controlled foreign corporation” that is a “related person” (each, within the meaning of the Tax Code) with respect to Reorganized Parent; and
- either (1) the Non-U.S. Holder certifies in a statement provided to the applicable withholding agent under penalties of perjury that it is not a United States person and provides its name and address; (2) a securities clearing organization, bank or other financial institution that holds customers’ securities in the ordinary course of its trade or business and holds the applicable DIP Term Loans/Exit Term Loans on behalf of the Non-U.S. Holder certifies to the applicable withholding agent under penalties of perjury that it, or the financial institution between it and the Non-U.S. Holder, has received from the Non-U.S. Holder a statement under penalties of perjury that such holder is not a United States person and provides a copy of such statement to the applicable withholding agent; or (3) the Non-U.S. Holder holds the applicable DIP Term Loans/Exit Term Loans directly through a “qualified intermediary” (within the meaning of applicable Treasury Regulations) and certain conditions are satisfied.

A Non-U.S. Holder that does not qualify for the above exemption with respect to interest that is not effectively connected income generally will be subject to withholding of U.S. federal income tax on such interest at a 30% rate, unless such Non-U.S. Holder is entitled to a reduction in or exemption from withholding on such interest as a result of an applicable income tax treaty. To claim such entitlement, the Non-U.S. Holder generally must provide the applicable withholding agent with a properly executed IRS Form W-8BEN or W-8BEN-E (or other applicable documentation) claiming a reduction in or exemption from withholding tax on such payments of interest under the benefit of an income tax treaty between the United States and the country in which the Non-U.S. Holder resides or is established. For purposes of providing a properly executed IRS Form W-8BEN or W-8BEN-E, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers’ securities in the ordinary course of their trade or business.

If interest paid to a Non-U.S. Holder is effectively connected with the conduct by such Non-U.S. Holder of a trade or business within the United States for U.S. federal income tax purposes (and if required by an applicable income tax treaty, such interest is attributable to a permanent establishment or fixed base maintained by such Non-U.S. Holder in the United States), the Non-U.S. Holder generally will not be subject to U.S. federal withholding tax but will be subject to U.S. federal income tax with respect to such interest in the same manner as a U.S. Holder under rules similar to those discussed above with respect to gain that is effectively connected with the conduct of a trade or business in the United States. See “—*Non-U.S. Holders of Term Loan Claims—Recognition of Gain or Loss*” above. To claim the exemption, the Non-U.S. Holder must furnish to the applicable withholding agent a valid IRS Form W-8ECI, certifying that interest paid on the applicable DIP Term Loans/Exit Term Loans is not subject to withholding tax because it is effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the United States.

c. Ownership and Disposition of New Equity Interests

If a non-U.S. person holds an interest in a partnership that is (directly or indirectly through one or more entities that are treated as partnerships or are disregarded for U.S. federal income tax purposes) engaged in a trade or business within the United States, such non-U.S. person is considered to be engaged in a trade or business within the United States. Because Reorganized Parent’s only asset will be its Equity Interests in

Parent and Reorganized Parent will not otherwise be engaged in any other activities, it is not expected that Reorganized Parent will be treated as being engaged in a trade or business within the United States.

As a result, the U.S. federal income tax liability of a Non-U.S. Holder of New Equity Interests generally will be limited to withholding tax on certain gross income from U.S. sources generated by Reorganized Parent, as long as the Non-U.S. Holder undertakes no activities in the United States (determined without regard to its interest in Reorganized Parent) that would cause that Non-U.S. Holder to be treated as engaged in the conduct of a trade or business within the United States for U.S. federal income tax purposes. Further, if Reorganized Parent withholds and remits the proper amounts to the U.S. government, Non-U.S. Holders generally will not be required to file U.S. federal income tax returns or pay additional U.S. federal income taxes solely as a result of their interests in Reorganized Parent.

Gain recognized upon a disposition by a non-U.S. person of an interest in a partnership generally will be treated as “effectively connected income” (“*ECI*”) to the extent such gain is attributable to assets of the partnership that generate ECI. Because the only asset of Reorganized Parent will be the Equity Interests in Parent, it is not anticipated that gain on the disposition by a Non-U.S. Holder of New Equity Interests would be ECI.

Dividend income attributable to distributions from Parent to Reorganized Parent that are allocable to a Non-U.S. Holder of New Equity Interests will generally be subject to withholding of U.S. federal income tax at a 30% rate or such lower rate as may be specified by an applicable income tax treaty. A Non-U.S. Holder of New Equity Interests who wishes to claim the benefit of an applicable income tax treaty and avoid backup withholding, as discussed below, for dividends, will be required (a) to complete the applicable IRS Form W-8BEN or Form W-8BEN-E (or other applicable documentation) and certify under penalty of perjury that such holder is not a “United States person” (as defined in section 7701(a)(30) of the Tax Code) and is eligible for treaty benefits or (b) if such equity is held through certain intermediaries, to satisfy the relevant certification requirements of applicable Treasury Regulations. A Non-U.S. Holder resident in a jurisdiction with which the United States has a tax treaty may not be entitled to the benefits of that treaty with respect to that Non-U.S. Holder’s distributive share of Reorganized Parent’s income and gains unless, under the law of that non-U.S. jurisdiction, Reorganized Parent is treated as tax-transparent and certain other conditions are met. In addition, in order to claim the benefits of a tax treaty to reduce U.S. federal income tax withholding on U.S.-source income (other than interest and dividends paid on securities that are actively traded), a Non-U.S. Holder – and any direct or indirect equity owner of a Non-U.S. Holder seeking treaty benefits for itself because the Non-U.S. Holder is considered fiscally transparent in that equity owner’s jurisdiction – generally will be required to provide to Reorganized Parent either a non-U.S. tax identifying number issued by its country of residence or a U.S. taxpayer identification number that it has obtained from the IRS, along with certain other documentation. A Non-U.S. Holder of New Equity Interests eligible for a reduced rate of U.S. withholding tax pursuant to an income tax treaty may obtain a refund of any excess amounts withheld by timely filing an appropriate claim for refund with the IRS.

For a discussion of the rules applicable to the recognition of gain or loss in connection with sales, exchanges or other dispositions of New Equity Interests by Non-U.S. Holders, see “—*Non-U.S. Holders of Term Loan Claims—Recognition of Gain or Loss*” above.

4. Information Reporting and Backup Withholding

All distributions to holders of Allowed Claims under the Plan are subject to any applicable tax withholding and information reporting requirements. Under U.S. federal income tax law, interest, dividends and other reportable payments may, under certain circumstances, be subject to “backup withholding” (currently at a rate of 24%) if a recipient of those payments fails to furnish to the payor certain identifying information, fails properly to report interest or dividends, and, under certain circumstances, fails to provide a certification

that the recipient is not subject to backup withholding. Backup withholding is not an additional tax. Any amounts deducted and withheld generally should be allowed as a credit against that recipient's U.S. federal income tax, provided that appropriate proof is timely provided under rules established by the IRS. Furthermore, certain penalties may be imposed by the IRS on a recipient of payments who is required to supply information but who does not do so in the proper manner. Backup withholding generally should not apply with respect to payments made to certain exempt recipients, such as certain corporations and financial institutions. Information may also be required to be provided to the IRS concerning payments, unless an exemption applies. Holders of Claims are urged to consult their tax advisors regarding their qualification for exemption from backup withholding and information reporting and the procedures for obtaining such an exemption.

Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of certain thresholds. Holders of Claims are urged to consult their tax advisors regarding these regulations and whether the contemplated transactions under the Plan would be subject to these regulations and require disclosure on their tax returns.

5. Additional Withholding Tax on Payments Made to Foreign Accounts

Withholding taxes may be imposed under sections 1471 to 1474 of the Tax Code (such sections, commonly referred to as the Foreign Account Tax Compliance Act ("*FATCA*")) on certain types of payments made to non-U.S. financial institutions and certain other non-U.S. entities. Specifically, a 30% withholding tax may be imposed on dividends or interest or (subject to the proposed Treasury Regulations discussed below) gross proceeds from the sale or other disposition of stock or debt instruments, in each case paid to a "foreign financial institution" or a "non-financial foreign entity" (each as defined in the Tax Code), unless (a) the foreign financial institution undertakes certain diligence and reporting obligations, (b) the non-financial foreign entity either certifies it does not have any "substantial United States owners" (as defined in the Tax Code) or furnishes identifying information regarding each substantial United States owner, or (c) the foreign financial institution or non-financial foreign entity otherwise qualifies for an exemption from these rules. If the payee is a foreign financial institution and is subject to the diligence and reporting requirements in clause (a) above, it must enter into an agreement with the United States Department of the Treasury requiring, among other things, that it undertake to identify accounts held by certain "specified United States persons" or "United States owned foreign entities" (each as defined in the Tax Code), annually report certain information about such accounts, and withhold 30% on certain payments to non-compliant foreign financial institutions and certain other account holders. Foreign financial institutions located in jurisdictions that have an intergovernmental agreement with the United States governing FATCA may be subject to different rules.

Under the applicable Treasury Regulations and administrative guidance, withholding under FATCA generally applies to payments of dividends on New Equity Interests or interest on DIP Term Loans/Exit Term Loans. While withholding under FATCA would have applied also to payments of gross proceeds from the sale or other disposition of such instruments on or after January 1, 2019, proposed Treasury Regulations eliminate FATCA withholding on payments of gross proceeds entirely. Taxpayers generally may rely on these proposed Treasury Regulations until final Treasury Regulations are issued. Holders should consult their tax advisors regarding the potential application of withholding under FATCA.

THE FOREGOING SUMMARY HAS BEEN PROVIDED FOR INFORMATIONAL PURPOSES ONLY AND DOES NOT DISCUSS ALL ASPECTS OF U.S. FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO A PARTICULAR HOLDER OF A CLAIM. ALL HOLDERS OF CLAIMS ARE URGED TO CONSULT THEIR TAX ADVISORS CONCERNING THE FEDERAL,

STATE, LOCAL, NON-U.S., AND OTHER TAX CONSEQUENCES APPLICABLE UNDER THE PLAN.

SOLICITATION VERSION

Overview to Financial Projections

As a condition to Confirmation, the Bankruptcy Code requires, among other things, the Bankruptcy Court to find that entry of a Confirmation Order is not likely to be followed by either a liquidation or the need to further reorganize the Debtors or any successor to the Debtors. In accordance with this condition and in order to assist each holder of a Claim in determining whether to vote to accept or reject the *Prepackaged Joint Plan of Reorganization of The Container Store Group, Inc. and Its Debtor Affiliates under Chapter 11 of the Bankruptcy Code* (the “*Plan*”), the Debtors’ management team (“*Management*”), with the assistance of the Debtors’ restructuring advisors, developed financial projections (the “*Financial Projections*”) to support the feasibility of the Plan, which were prepared as of December 22, 2024.

The Financial Projections are based on a number of assumptions made by Management, within the bounds of their knowledge of the Debtors’ and their non-Debtor affiliates’ business and operations, with respect to the future performance of the Debtors’ operations. In addition, the Financial Projections contain statements which constitute “forward looking statements” within the meaning of the Securities Act and the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995. Forward-looking statements in these projections include the intent, belief, or current expectations of the Debtors and members of their Management with respect to the timing of, completion of, and scope of the current restructuring, the Plan, the Debtors’ strategic business plan, bank financing, debt and equity market conditions, and future liquidity, as well as the assumptions upon which such statements are based. Although Management prepared the Financial Projections in good faith and believes the assumptions to be reasonable, it is important to note that the Debtors can provide no assurance that such assumptions will be realized. Because future events and circumstances may well differ from those assumed and unanticipated events or circumstances may occur, the Debtors expect that the actual and projected results will differ and the actual results may be materially greater or less than those contained in the Financial Projections and from those contemplated by such forward-looking statements. No representations can be made as to the accuracy of the Financial Projections or the Debtors’ ability to achieve the projected results. Therefore, the Financial Projections may not be relied upon as a guarantee or as any other form of assurance as to the actual results that will occur. The inclusion of the Financial Projections herein should not be regarded as an indication that the Debtors considered or consider the Financial Projections to reliably predict future performance. Accordingly, in deciding whether to vote to accept or reject the Plan, creditors should review the Financial Projections in conjunction with a review of the risk factors set forth in the Disclosure Statement and the assumptions and risks described herein, including all relevant qualifications and footnotes.

AS ILLUSTRATED BY THE FINANCIAL PROJECTIONS, THE DEBTORS BELIEVE THEY WILL HAVE SUFFICIENT LIQUIDITY TO PAY AND SERVICE THEIR DEBT OBLIGATIONS AND TO OPERATE THEIR BUSINESSES. THE DEBTORS BELIEVE THAT CONFIRMATION AND CONSUMMATION ARE NOT LIKELY TO BE FOLLOWED BY THE LIQUIDATION OR FURTHER REORGANIZATION OF THE DEBTORS. ACCORDINGLY, THE DEBTORS BELIEVE THAT THE PLAN SATISFIES THE FEASIBILITY REQUIREMENT OF SECTION 1129(a)(11) OF THE BANKRUPTCY CODE.

The Financial Projections were not prepared with a view toward compliance with published rules of the Securities and Exchange Commission or the American Institute of Certified Public Accountants regarding projections. The Debtors’ independent auditor has not examined, compiled, or performed any procedures with respect to the prospective financial information contained in this exhibit and, accordingly, they do not express an opinion or any other form of assurance on such information or its achievability. The Debtors’ independent auditor assumes no responsibility for and denies any association with the prospective financial information.

Accordingly, neither the Debtors nor the Reorganized Debtors intend to and disclaim any obligation to: (1) furnish updated Financial Projections to holders of Claims prior to the Effective Date or to any other party after the Effective Date, except as required by the Plan; (2) include any such updated information in any documents that may be required to be filed with the Securities and Exchange Commission; or (3) otherwise make such updated information publicly available. The Debtors do not intend to update or otherwise revise the Financial Projections to reflect circumstances that may occur after their preparation, or to reflect the occurrence of unanticipated events, even in the event that any or all of the underlying assumptions are shown to be in error.

Additional information relating to the principal assumptions used in preparing the Financial Projections is set forth below.

THE FINANCIAL PROJECTIONS ARE BASED UPON A NUMBER OF SIGNIFICANT ASSUMPTIONS. ACTUAL OPERATING RESULTS AND VALUES MAY VARY SIGNIFICANTLY FROM THESE FINANCIAL PROJECTIONS.

Select Assumptions of the Financial Projections

The Financial Projections are based on, but not limited to, factors such as industry performance and general business, economic, competitive, regulatory, market, and financial conditions, as well as the assumptions detailed below. Many of these factors and assumptions are beyond the control of the Debtors and do not take into account the uncertainty and disruptions of business that may accompany an in-court restructuring. Accordingly, the assumptions should be reviewed in conjunction with a review of the risk factors set forth in the Disclosure Statement.

- **Methodology:** The Financial Projections were developed by Management with the assistance of the Debtors’ restructuring advisors and are presented solely for purposes set forth herein and in the Disclosure Statement to which the Financial Projections are attached as Exhibit D. No representation or warranty, express or implied, is provided

SOLICITATION VERSION

in relation to the fairness, accuracy, correctness, completeness, or reliability of the information, opinions, or conclusions expressed herein.

- **Plan and Effective Date:** The Financial Projections assume that the Plan will be consummated in accordance with its terms and that all transactions contemplated by the Plan will be consummated by January 31, 2025 (the “**Effective Date**”). Any significant delay in the Effective Date may have a significant negative effect on the operations and financial performance of the Debtors, including an increased risk or inability to meet sales forecasts, increased risk of supply chain disruption, and the incurrence of higher reorganization expenses. Although the Financial Projections represent the Debtors’ best estimates and good faith judgment of the results of future operations, financial position, and cash flows of the Company, they are only estimates and actual results may vary considerably from such Financial Projections. Consequently, the inclusion of the Financial Projections herein should not be regarded as a representation by the Debtors, the Debtors’ advisors, or any other person that the projected results of operations, financial position, and cash flows of the Company will be achieved.
- **Projection Period:** The Debtors prepared the Financial Projections based on, among other things, the anticipated future financial condition and results of operations of the Debtors using their business plan. Management developed and refined the business plan and prepared consolidated Financial Projections of the Company for the fiscal years ending March 2025 (fiscal year (“**FY**”) 2024) through March 2029 (FY 2028) (the “**Projection Period**”).
- **Scope of Projections:** The Debtors prepared the Financial Projections on a consolidated basis. As such, the Financial Projections reflect the projected financial activity of both the Debtors and their non-Debtor affiliates.
- **Operating Impacts:** The Financial Projections incorporate multiple operating considerations including, but not limited to:
 - Current and projected market conditions in which the Debtors operate;
 - No material changes to existing operations;
 - The Financial Projections do not consider any potential impact of the application of “fresh start” accounting under Accounting Standards Codification 852, “Reorganizations” (“**ASC 852**”) that may potentially apply upon the Effective Date. If the Debtors determine the need to fully implement fresh start accounting, differences from the depiction presented are anticipated and those differences may be material. If required to apply the provisions of ASC 852, upon emergence, the Debtors will be required to determine the amount by which their reorganization value as of the Effective Date exceeds, or is less than, the fair value at the time, which may be based on any event, such valuation, and the determination of the fair value of the Debtors’ assets and liabilities, will be made as of the Effective Date.
 - The differences between the amounts of any or all of the foregoing items as assumed in the Financial Projections and the actual amounts thereof as of the Effective Date may be material.

THE INDEPENDENT AUDITOR FOR THE DEBTORS HAS NOT EXAMINED, COMPILED OR OTHERWISE PERFORMED ANY PROCEDURES ON THE FOLLOWING PROSPECTIVE FINANCIAL INFORMATION, AND CONSEQUENTLY, DOES NOT EXPRESS AN OPINION OR ANY OTHER FORM OF ASSURANCE WITH RESPECT TO THE PROSPECTIVE FINANCIAL INFORMATION.

NOTES TO FINANCIAL PROJECTIONS**Notes to the Projected Consolidated Statements of Operations****Note 1 – Revenue**

Revenue primarily reflects the Company's in-store, online, and B2B revenue for General Merchandise, Custom Spaces, Shipping and Delivery, and Installation. Consolidated revenue is projected to be approximately \$816 million during FY 2025, with year-over-year growth of 7%, 6%, and 10% in FY 2026, FY 2027, and FY 2028, respectively. This growth is forecasted to be driven primarily by increases in Custom Spaces sales as well as 4 new store openings in FY 2027 and 5 new store openings in FY 2028.

During FY 2024, approximately 33% of the Company's total revenue is projected from Custom Spaces, which is expected to grow during the Projection Period due to increased brand awareness, additional design experts, continued expansion of Preston (including Project Simple), and growth of Garage+ and Décor+. The Company anticipates this upward trend in Custom Spaces to continue, reaching approximately 37% of total revenue by FY 2028.

Modest growth of approximately 1% in General Merchandise from FY 2024 to FY 2025 is driven by improved inventory in-stocks, newness that aligns with the core, and increased attachment with Custom Spaces sales. General Merchandise sales are expected to increase through FY 2028 due to slightly higher average ticket size and improved customer engagement driving higher traffic conversion.

Note 2 – Cost of Goods Sold / Gross Margin

Cost of Goods Sold primarily includes the cost of merchandise purchased and inbound freight. Cost of Goods Sold also includes costs associated with installation services and shipping and delivery to customers.

Consolidated gross margin as a percentage of net sales is projected at approximately 57% during FY 2024. This is forecast to improve modestly to 58% during FY 2025, as higher margin Custom Spaces sales increase as a percent of revenue. Further improvements are forecasted, with gross margin improving to 59% by FY 2028, driven by continued improvements in Custom Spaces penetration, improved pricing discipline and in-stock and other merchandising initiatives.

Note 3 – Selling, General, & Administrative

Selling, General, & Administrative (“SG&A”) costs include all employee-related expenses for all store, distribution center and employees at the Company's corporate headquarters. SG&A costs also include marketing, rent and other occupancy costs for the Company's stores, distribution centers, and head office, information technology costs, ordinary course professionals, supplies and store visuals for the Company's stores, contract hauling, credit card fees, and all other administrative overhead.

As a percent of revenue, SG&A costs are projected to decrease from 54% during FY 2024 to 50% during FY 2028 driven largely by leverage of fixed costs in addition to cost savings initiatives (e.g., store labor optimization and operating expense cost management).

Note 4 – Depreciation & Amortization

Depreciation & Amortization represents depreciation of property, plant and equipment and amortization of intangible assets.

Note 5 – Interest Expense

Interest Expense over the Projection Period is based upon the Company's current (FY 2024) and anticipated (FY 2024 – FY 2028) capital structure immediately before and following the consummation of the Plan. This is made up of cash interest and fees on long-term debt.

Note 6 – Income Tax Expense / (Benefit), Net

For FY 2024, the Company is projecting approximately \$19 million in Income Tax Benefit. The Company forecasts Income Tax Expenses from FY 2025 onwards, as taxable income is generated. The projections do not account for any tax obligations as a result of consummating the Plan. These amounts could vary significantly pending final tax analysis of the transactions under the Plan.

Note 7 – Restructuring Expenses

Restructuring Expenses projected in FY 2024 are based on estimated restructuring professional costs and other bankruptcy or closing fees related to consummation of the Plan. No further restructuring costs are expected beyond this.

Note 8 – Other Expense / (Income), Net

Other Expense / (Income), net primarily includes non-recurring items, Stock-Based Compensation Expenses, pre-opening costs and miscellaneous corporate costs.

The interest rate is SOFR+4.25% per annum, subject to a 2.00% SOFR floor. For illustrative purposes, it is assumed to be refinanced at the same rate through the end of FY 2028.

The Debtors’ previous ABL balance of approximately \$80 million is assumed to be paid in full using the proceeds of the New ABL facility shortly after the Petition Date in accordance with the Interim DIP Order.

Note 18 – Debt – New Money Facility

The New Money Facility represents the Debtors’ exit financing term loan, a \$40 million Term Loan maturing January 31, 2029. The interest rate is SOFR+6.50% per annum, subject to a 2.00% SOFR floor. Exhibit D

Liquidation Analysis

LIQUIDATION ANALYSIS

I. INTRODUCTION

Section 1129(a)(7) of the Bankruptcy Code, often called the “best interests test,” requires that a bankruptcy court find, as a condition of confirmation, that the chapter 11 plan provides, with respect to each class, that each holder of an allowed claim either (i) has accepted the plan of reorganization, or (ii) will receive or retain under the plan property of a value, as of the plan’s assumed effective date, that is not less than the value such non-accepting holders would receive or retain if the debtors were to be liquidated under chapter 7 of the Bankruptcy Code.

Accordingly, to demonstrate that the proposed Plan satisfies the “best interest” of creditors test, the Debtors, with assistance from their restructuring advisors, have prepared the following hypothetical liquidation analysis (“*Liquidation Analysis*”), in connection with the Plan and the Disclosure Statement.¹

The Liquidation Analysis indicates the estimated recoveries that may be obtained by Classes of Claims or Interests assuming a hypothetical liquidation under chapter 7 of the Bankruptcy Code upon disposition of the Debtors’ assets as an alternative to the Plan. Accordingly, the values discussed in the Liquidation Analysis may be different from amounts referred to in the Plan. The Liquidation Analysis is based on certain assumptions in the Disclosure Statement and in the accompanying notes to the Liquidation Analysis.

II. STATEMENT OF LIMITATIONS

The determination of the costs of, and proceeds from, the hypothetical liquidation of the Debtors’ assets in a chapter 7 case is an uncertain process involving the extensive use of significant estimates and assumptions that, although considered reasonable by the Debtors based upon their business judgment and input from certain of their advisors, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors, their management and their advisors. Inevitably, some assumptions in the Liquidation Analysis would not materialize in an actual chapter 7 liquidation, and unanticipated events and circumstances could materially affect the ultimate results in an actual chapter 7 liquidation. The Liquidation Analysis was prepared for the sole purpose of generating a reasonable good faith estimate of the proceeds that would be generated if the Debtors’ assets were liquidated in accordance with chapter 7 of the Bankruptcy Code. The Liquidation Analysis is not intended and should not be used for any other purpose. The underlying financial information in the Liquidation Analysis was not compiled or examined by independent accountants in accordance with standards promulgated by the American Institute of Certified Public Accountants.

NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS WOULD OR WOULD NOT APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED IN THE LIQUIDATION ANALYSIS. ACTUAL RESULTS COULD VARY MATERIALLY. NOTHING CONTAINED IN THIS LIQUIDATION ANALYSIS IS INTENDED TO BE, OR CONSTITUTES, A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM BY THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH AND USED IN THIS LIQUIDATION ANALYSIS. THE DEBTORS RESERVE ALL RIGHTS TO SUPPLEMENT, MODIFY, OR AMEND THE ANALYSIS SET FORTH HEREIN.

III. OVERVIEW AND GENERAL ASSUMPTIONS

Hypothetical chapter 7 recoveries set forth in this Liquidation Analysis were determined through multiple steps, as set forth below. The basis of the Liquidation Analysis is the Debtors’ projected cash balance and assets as of December 22, 2024 (the “*Conversion Date*”) and the net costs to execute the administration of the wind down of the Estates. The Liquidation Analysis assumes that the Debtors would commence a chapter 7 liquidation on or about the Conversion Date under the supervision of a single court-appointed chapter 7 trustee. The selection of a separate chapter 7 trustee for one or more of the Estates likely would result in substantially higher administrative expenses associated with the chapter 7 cases from a large duplication of effort by each trustee and his or her professionals. In addition, the selection of separate chapter 7 trustees likely would give rise to complicated, expensive, and time-consuming disputes regarding certain inter-Debtor issues. The Liquidation Analysis reflects the wind down and liquidation of

¹ Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the *Disclosure Statement for the Prepackaged Joint Plan of Reorganization of The Container Store Group, Inc. and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code*.

substantially all the Debtors' remaining assets and the distribution of available proceeds to Holders of Allowed Claims during the period after the Conversion Date.

Summary Notes to Liquidation Analysis

1. **Dependence on Assumptions.** The Liquidation Analysis depends on a number of estimates and assumptions. Although developed and considered reasonable by the management and the restructuring advisors of the Debtors, the assumptions are inherently subject to significant economic, business, regulatory and competitive uncertainties, and contingencies beyond the control of the Debtors or their management. The Liquidation Analysis is also based on the Debtors' best judgment of how numerous decisions in the liquidation process would be resolved. Accordingly, there can be no assurance that the values reflected in the Liquidation Analysis would be realized if the Debtors were, in fact, to undergo such a liquidation and actual results could vary materially and adversely from those contained herein.
2. **Dependence on a Forecast Balance Sheet.** This Liquidation Analysis contains numerous estimates that are still under review and it remains subject to further legal and accounting analysis.
3. **No DIP Facility Assumed.** The Liquidation Analysis assumes no DIP Facilities. The chapter 7 case is assumed to be funded by cash on hand and liquidation of assets.
4. **Chapter 7 Liquidation Process.** The liquidation of the Debtors' assets is assumed to be completed over a period of approximately six (6) months, inside of a chapter 7 case managed by the chapter 7 trustee. The chapter 7 trustee would manage the bankrupt Estates to maximize recovery to creditors as expeditiously as possible and would appoint professionals (attorneys, investment bankers, financial advisors, liquidators, accountants, consultants, appraisers, experts, etc.) to assist in the liquidation and wind down of the Estates. The chapter 7 trustee would oversee the Debtors' inventory liquidation and collection of outstanding accounts receivable in addition to attempting to sell or otherwise monetize other assets owned by the Debtors to one or multiple buyers. During the first four (4) months, the Debtors would complete going-out-of-business sales for all remaining store inventory, furniture, fixtures, and equipment. At the end of this four (4)-month period, the Debtors would reject all corporate, store and distribution center leases immediately and return the spaces to the landlords in broom-swept condition. During the remaining two (2) month-period, the Debtors would primarily focus on monetizing other assets such as intellectual property and other remaining personal property and equipment, as well as administrative activities such as claims reconciliation, distributions to Holders of various Claims, and other activities necessary to wind down the Estates.
5. **Claims Estimates.** In preparing this Liquidation Analysis, the Debtors have preliminarily estimated an amount of Allowed Claims for each Class based upon a review of the Debtors' estimated balance sheet. Administrative Claims were estimated based on the Debtors' financial projections as of the Conversion Date. Additional Claims were estimated to include certain chapter 7 administrative obligations incurred after the Conversion Date. The estimate of all Allowed Claims in this Liquidation Analysis is based on the estimated book value of those Claims, where applicable. No order or finding has been entered or made by the Bankruptcy Court estimating or otherwise fixing the amount of Claims at the estimated amounts of Allowed Claims set forth in this Liquidation Analysis. The estimate of the amount of Allowed Claims set forth in this Liquidation Analysis should not be relied upon for any other purpose, including, without limitation, any determination of the value of any distribution to be made on account of Allowed Claims under the Plan. The actual amount of Allowed Claims could be materially different from the amount of Claims estimated in this Liquidation Analysis.

IV. CONCLUSION

THE DEBTORS HAVE DETERMINED, AS SUMMARIZED IN THE FOLLOWING ANALYSIS, THAT CONFIRMATION OF THE PLAN WILL PROVIDE CREDITORS WITH A RECOVERY THAT IS NOT LESS THAN WHAT THEY WOULD OTHERWISE RECEIVE IN CONNECTION WITH A LIQUIDATION OF THE DEBTORS UNDER CHAPTER 7 OF THE BANKRUPTCY CODE.

V. LIQUIDATION ANALYSIS RESULTS

Presented below is a summary of asset recoveries and distributions to various classes of claims resulting from the hypothetical Liquidation Analysis.²

² The estimated claim amounts reflected above may differ from the estimated claims included elsewhere in the Disclosure Statement because of differing assumptions between the Plan and this hypothetical chapter 7 liquidation.

VI. NOTES FOR PROCEEDS AVAILABLE FOR DISTRIBUTION

Note [1] – Cash and Cash Equivalents

The Liquidation Analysis assumes 100% recovery for all projected cash and cash equivalents at the Conversion Date.

Note [2] – Accounts Receivable

Accounts receivable consist of credit card receivables, Intercompany receivables, and other receivables on the Debtors' balance sheet. The Liquidation Analysis assumes 100% of credit card receivables are collectable in the High Case and 90% are collectable in the Low Case, consistent with the advance rate on credit card receivables per the borrowing base of the Prepetition ABL Facility. The Liquidation Analysis assumes 75% of other receivables are collectable in the High Case and 25% are in the Low Case. The Prepetition ABL Facility does not include any availability on account of other receivables. Intercompany receivables are not considered due to Intercompany payables in excess of the Intercompany receivable balance.

Note [3] – Inventory

The Liquidation Analysis assumes inventory of approximately \$147.0 million as of the Conversion Date. Inventory is assumed to be sold through orderly going-out-of-business sales using all existing stores. Recovery estimates and timelines are based on a third-party appraisal. Estimated recovery is based on the net recovery on cost of inventory, which accounts for costs related to selling through the inventory such as occupancy, payroll, liquidation fees, freight, and other general selling expenses. The Liquidation Analysis assumes that only 75% of the net recovery on cost of inventory is achieved in the High Case, to account for additional

risk associated with Chapter 7, forced nature of the liquidation, and unfavorable seasonality associated with the proposed liquidation timing. The Liquidation Analysis also assumes that the net recovery on cost of inventory in the Low Case is 20% lower than the third-party appraisal estimate used in the High Case, to account for potential changes in market conditions since the appraisal and incremental risk associated with the forced liquidation. The blended range of recoveries on inventory is between 50.1% and 70.1% of book value.

Note [4] – Prepaid Expenses

Prepaid expenses consist of prepayments for advertising, insurance, rent and other expenses. The Liquidation Analysis assumes 50% of prepaid insurance is recoverable in the High Case and no prepaid expenses are recoverable in the Low Case.

Note [5] – Income Tax Receivable

The Income Tax Receivable represents federal or state tax refunds that the Debtors are entitled to for prior period tax overpayments, subject to the finalization of audits and subsequent payment by relevant tax authorities. The Liquidation Analysis assumes 100% of the estimated refunds are collectable in the High Case but 0% are collectable in the Low Case, due to the risk of audit or position from tax authorities that refunds should be offset against future tax liabilities

Note [6] – Plant, Property and Equipment

PP&E assets primarily consist of Machinery and Equipment, Furniture and Fixtures, Computer Hardware, Leasehold Improvements, and Software.

Machinery and Equipment, Furniture and Fixtures, and Computer Hardware are held across the Debtors' stores, distribution centers, and corporate support center. Recoveries are estimated between 2.5% and 5.0%.

Leasehold Improvements are capitalized improvements to leasehold stores, and Construction in Progress are ongoing improvements and IT projects that have not yet been put into service and started being depreciated. No recoveries are expected for either of these.

Software relates to purchased software, much of which has specific applications to the Debtors' business. No recoveries are expected.

The blended recovery range for PP&E is 2.4% to 4.8% of estimated book value.

Note [7] –Intangibles

Intangibles are comprised wholly of The Container Store Tradenames. The Liquidation Analysis assumes 7% recovery on the fair market value of Intangibles in the High Case and no recovery in the Low Case, as the liquidation value of the Intangibles would be materially lower than fair market value.

Note [8] – Other Assets

Other Long-Term Assets is primarily representative of lease right-of-use assets which are assumed to have zero recovery value. Other Long-Term Assets also includes deposits, investments in subsidiaries, non-qualified retirement plan assets, and other immaterial assets. The blended recovery range for Other Assets is 0.0% to 0.6%.

Note [9] – Equity in Non-Debtor Subsidiaries

Equity in Non-Debtor Subsidiaries represents the estimated value of the Debtors' interest in the Elfa Non-Debtor subsidiaries in a liquidation scenario. The recovery value in the Low Case is assumed to be zero as the Elfa Non-Debtor subsidiary is significantly dependent on the Debtors as a customer to achieve profitability and a sustainable level of cash flow generation. If the Debtors were to liquidate, it is unclear if any party would attribute value to the equity of the Non-Debtor subsidiaries and/or be willing to take on the liabilities of the Non-Debtor subsidiaries. The recovery value in the High Case is assumed to be approximately \$11.5 million. A revenue multiple for manufacturing companies, discounted by 50% for the highly distressed nature of the sale, and further reduced by the funded debt outstanding, was used for the High Case estimate.

II. WIND DOWN COSTS

Note [10] – Chapter 7 – Legal & Advisor Fees

Chapter 7 professional fees include costs for restructuring counsel, local counsel, financial advisor, and other professionals. These fees are allocated pro-rata to the estimated recoveries on ABL and Term Loan priority assets.

Note [11] – Chapter 7 – Trustee Fees

Consistent with statutory guidelines, the chapter 7 trustee fee is estimated at 3% of total distributions to interested parties. These fees are allocated pro-rata to the estimated recoveries on ABL and Term Loan priority assets.

Note [12] – Liquidation Fees & Expenses

Liquidation fees and expenses for realization on Accounts Receivable, PP&E, and Equity in Non-Debtor Subsidiaries are assumed to be 4% of gross recoveries. The Liquidation Analysis assumes the Trustee will retain brokers, auctioneers, and relevant professionals to assist in the marketing and liquidation of these assets. The fees for Accounts Receivable and PP&E liquidation are allocated to ABL recoveries and the fees for Equity in Non-Debtor Subsidiaries liquidation are allocated to Term Loan recoveries.

Note [13] – Accrued Payroll & Payroll Taxes

Accrued payroll and associated taxes are estimates as of the Conversion Date and are assumed to be paid in the normal course as part of the wind down process, as failure to pay these expenses would likely have a destabilizing effect on the orderly wind down of the Debtors' Estates. These costs are allocated pro-rata to the estimated recoveries on ABL and Term Loan priority assets.

Note [14] – Accrued Sales Taxes

Accrued sales taxes are estimates as of the Conversion Date and are assumed to be paid in the normal course as part of the wind down process, as failure to pay these expenses would likely have a destabilizing effect on the orderly wind down of the Debtors' Estates. These costs are allocated to the estimated recoveries on ABL priority assets.

Note [15] – Other Wind Down Costs

Other wind down costs include other corporate overhead required to facilitate the liquidation process, including six (6) months of technology cost required to execute transition of data to Chapter 7 Trustee and professionals, 25% of corporate payroll required to transition of knowledge and support the Chapter 7 Trustee and professionals, sales tax incurred in association with the liquidation of assets during the Chapter 7 period, and other indirect G&A costs associated with the liquidation. The Debtors' would need to incur such costs in order to achieve the estimated recoveries on assets. With the exception of sales tax incurred on liquidation of assets, these costs are allocated pro-rata to the estimated recoveries on ABL and Term Loan priority assets.

Note [16] – Gift Card Realization

Gift cards are assumed to be accepted during the first 30 days of the going-out-of-business sale period to drive traffic to the stores and online channels. It is assumed that 20% to 40% of gross outstanding gift card balances will be redeemed. The gift card realization is allocated to the estimated recoveries on ABL priority assets.

III. SECURED CLAIMS

Note [17] – ABL Claims

The ABL Claims are estimated to be \$88.3 million, based on \$80.0 million of current outstanding borrowings under the Prepetition ABL Facility, \$7.5 million of committed letters of credit, and \$0.8 million of accrued and unpaid interest and fees. All net recoveries from cash, inventory, accounts receivable, and related assets are used to satisfy these claims in full. The Liquidation Analysis estimates 41.4% to 95.2% on the ABL Claims.

Note [18] - Term Loan Claims

The Term Loan Claims are estimated to be \$166.9 million, including \$3.7 million of accrued and unpaid interest and fees. All net recoveries from Equity in Non-Debtor Subsidiaries are used to satisfy these claims in full. Additionally, the Liquidation Analysis

assumes these claims would be paid from any excess proceeds after payment of the ABL Claims in full. The Liquidation Analysis estimates 0% to 4.4% on the Term Loan Claims.

IV. ADMINISTRATIVE AND PRIORITY CLAIMS

Note [19] – Administrative and Priority Claims

Administrative and priority Claims estimates include, but are not limited to, 503(b)(9) Claims, Priority Tax Claims, and accrued expenses and other Administrative Claims as of the Conversion Date. The Liquidation Analysis estimates no recoveries on account of these Claims.

V. UNSECURED CLAIMS

Note [20] – General Unsecured Claims

General Unsecured Claims include estimated trade payables and other accrued expenses, lease rejection damage claims, and various other general unsecured claims. The Liquidation Analysis estimates no recovery to Holders of General Unsecured Claims.

- **Accounts Payable, Accrued Expenses and Other Current Liabilities** represent estimates as of the Conversion Date.
- **Lease rejection damage claims** were calculated as the greater of (a) one year's rent or (b) 15% of the remaining lease term, not to exceed three (3) years' rent.

An internal investigation is underway performed to consider the value of any Affirmative Claims. As of the date hereof, while the Investigation is ongoing, the Debtors have not identified any Affirmative Claims that either exist, are expected to have a material value, or are expected to have immaterial value that would exceed the costs of pursuing such claims. As such, no Affirmative Claims are included.

IT SHOULD BE NOTED THAT NO ORDER OR FINDING HAS BEEN ENTERED OR MADE BY THE BANKRUPTCY COURT ESTIMATING OR OTHERWISE FIXING THE AMOUNT OF CLAIMS AT THE ESTIMATED AMOUNTS OF ALLOWED CLAIMS SET FORTH IN THE LIQUIDATION ANALYSIS. THE ESTIMATE OF THE AMOUNT OF ALLOWED CLAIMS SET FORTH IN THIS LIQUIDATION ANALYSIS SHOULD NOT BE RELIED UPON FOR ANY OTHER PURPOSE, INCLUDING, WITHOUT LIMITATION, ANY DETERMINATION OF THE VALUE OF ANY DISTRIBUTION TO BE MADE ON ACCOUNT OF ALLOWED CLAIMS UNDER THE PLAN. THE ACTUAL AMOUNT OF ALLOWED CLAIMS COULD BE MATERIALLY DIFFERENT FROM THE AMOUNT OF CLAIMS ESTIMATED IN THIS LIQUIDATION ANALYSIS.

EXHIBIT E

Valuation Analysis

THE VALUATION INFORMATION CONTAINED HEREIN IS NOT A PREDICTION OR GUARANTEE OF THE ACTUAL MARKET VALUE THAT MAY BE REALIZED THROUGH THE SALE OF ANY SECURITIES TO BE ISSUED PURSUANT TO THE PLAN. THIS VALUATION IS PRESENTED SOLELY FOR THE PURPOSE OF PROVIDING ADEQUATE INFORMATION AS REQUIRED BY SECTION 1125 OF THE BANKRUPTCY CODE TO ENABLE THE HOLDERS OF CLAIMS ENTITLED TO VOTE TO ACCEPT OR REJECT THE PLAN TO MAKE AN INFORMED JUDGMENT ABOUT THE PLAN AND SHOULD NOT BE USED OR RELIED UPON FOR ANY OTHER PURPOSE, INCLUDING THE PURCHASE OR SALE OF CLAIMS AGAINST THE DEBTORS OR ANY OF THEIR AFFILIATES.

Solely for purposes of the Plan and the Disclosure Statement,¹ Houlihan Lokey Capital, Inc. (“*Houlihan Lokey*”), as investment banker and financial advisor to the Debtors, has estimated a potential range of total enterprise value (“*Total Enterprise Value*”) and implied equity value (“*Equity Value*”) of the Reorganized Debtors on a going-concern basis and pro forma for the transactions contemplated by the Plan.

In preparing the estimates set forth below, Houlihan Lokey has relied upon the accuracy, completeness, and fairness of financial and other information furnished by the Debtors. Houlihan Lokey did not attempt to independently audit or verify such information, nor did it perform an independent appraisal of the assets or liabilities of the Reorganized Debtors. Houlihan Lokey did not conduct an independent investigation into any of the legal or accounting matters affecting the Reorganized Debtors, and therefore makes no representation as to their potential impact on the Total Enterprise Value.

The valuation information set forth in this section represents a valuation of the Reorganized Debtors based on the application of standard valuation techniques. The estimated values set forth in this section:

- do not purport to constitute an appraisal of the assets of the Reorganized Debtors;
- do not constitute an opinion on the terms and provisions or fairness from a financial point of view to any person of the consideration to be received by such person under the Plan;
- do not constitute a recommendation to any holder of Allowed Claims or Interests as to how such person should vote or otherwise act with respect to the Plan; and
- do not necessarily reflect the actual market value that might be realized through a sale or liquidation of the Reorganized Debtors.

In conducting its analysis, Houlihan Lokey, among other things: (a) reviewed certain publicly available business and financial information relating to the Debtors and the specialty retail industry that Houlihan Lokey deemed relevant; (b) reviewed certain internal information relating to the business, earnings, cash flow, capital expenditures, assets, liabilities, and prospects of the Reorganized Debtors, including the Financial Projections, furnished to Houlihan Lokey by the Debtors; (c) conducted discussions with members of senior management and representatives of the Debtors concerning the matters described in clauses (a) and (b) of this paragraph, as well as their views concerning the Debtors’ and Reorganized Debtors’ business and prospects before and after giving effect to the Plan; (d) reviewed publicly available financial and stock market data for certain other companies in lines of business that Houlihan Lokey deemed relevant; (e) reviewed the financial terms of certain transactions that Houlihan Lokey deemed relevant;

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Disclosure Statement to which this Valuation Analysis is attached.

(f) reviewed drafts of the Plan and related transactional documents; and (g) conducted such other financial studies and analyses and took into account such other information as Houlihan Lokey deemed appropriate.

The estimated values set forth herein assume that the Reorganized Debtors will achieve their Financial Projections in all material respects. Houlihan Lokey has relied on the Debtors' representation that the Financial Projections:

- have been prepared in good faith;
- are based on fully disclosed assumptions, which, in light of the circumstances under which they were made, are reasonable;
- reflect the Debtors' best currently available estimates; and
- reflect the good faith judgments of the Debtors.

Houlihan Lokey does not offer an opinion as to the attainability of the Financial Projections. As disclosed in the Disclosure Statement, the future results of the Reorganized Debtors are dependent upon various factors, many of which are beyond the control or knowledge of the Debtors and Houlihan Lokey, and consequently are inherently difficult to project. This analysis contemplates facts and conditions known and existing as of December 22, 2024, the date of the Disclosure Statement. Events and conditions subsequent to this date, including updated Financial Projections, as well as other factors, could have a substantial effect upon the Total Enterprise Value. Among other things, failure to consummate the Plan in a timely manner may have a materially negative effect on the Total Enterprise Value. For purposes of this valuation, Houlihan Lokey has assumed that no material changes that would affect value will occur between December 22, 2024 and the assumed Effective Date projected for purposes of this valuation of January 31, 2025.

In preparing its valuation, Houlihan Lokey performed a variety of financial analyses and considered a variety of factors. The following is a brief summary of the material financial analyses considered by Houlihan Lokey, which consisted of (a) a comparable public company analysis, (b) a precedent transactions analysis, and (c) a discounted cash flow analysis.

This summary does not purport to be a complete description of the analyses performed and factors considered by Houlihan Lokey. The preparation of a valuation analysis is a complex analytical process involving various judgmental determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to particular facts and circumstances, and such analyses and judgments are not readily susceptible to summary description. The following valuation analysis must be considered as a whole and selecting just one methodology or portions of the analysis could create misleading or incomplete conclusions as to enterprise value.

Valuation Methodology

The Total Enterprise Value of the Reorganized Debtors was estimated by primarily relying upon three generally accepted valuation techniques: (i) Comparable Company Analysis, and (ii) Precedent Transactions Analysis, and (iii) Discounted Cash Flow ("**DCF**") analysis.

a. Comparable Company Analysis

The comparable company analysis estimates the value of a company based on a relative comparison with other publicly traded companies with similar operating and financial characteristics. A group of publicly traded companies was selected based on similar business and financial characteristics to the Reorganized Debtors. Such characteristics include, but are not limited to, similarity in business and business risks, growth prospects, distribution channels, target demographics, market presence, size, and scale of operations. The selection of appropriate comparable companies is often difficult and relies on certain qualitative judgements, as is the case here. The enterprise value for each selected public company is determined by examining the trading

prices for the equity securities of such company in the public markets and adding the outstanding net debt for such company. Such enterprise values are typically expressed as multiples of various measures of financial and operating statistics, most commonly EBITDA, including projected levels of EBITDA. Multiples and representative EBITDA levels for projected calendar year 2024 and calendar year 2025 were used. The Total Enterprise Value of the Reorganized Debtors is calculated by applying these relevant selected multiples to the Reorganized Debtors' historical financials and Financial Projections.

b. Precedent Transactions Analysis

The precedent transactions analysis involves identifying and examining public merger and acquisition transactions that involved companies whose business and operating characteristics are generally similar to the Reorganized Debtors, although no selected company is either identical or directly comparable to the Reorganized Debtors. From a review of this group, Houlihan Lokey then developed a range of valuation multiples to apply to the Financial Projections to derive a range of implied enterprise values for the Reorganized Debtors' operations.

c. Discounted Cash Flow Analysis

The discounted cash flow analysis is a forward-looking enterprise valuation methodology that estimates the value of an asset or business by calculating the present value of expected future cash flows to be generated by that asset or business. Houlihan Lokey's discounted cash flow analysis used the Financial Projections and their implied after-tax cash flows through March 31, 2029. These cash flows were then discounted at a range of estimated weighted average costs of capital, which was determined by reference to, among other things, the capital structure of selected companies that are similar to the Debtors in certain respects and the estimated cost of equity of selected publicly traded companies that are similar to the Debtors in certain respects. Houlihan Lokey's discounted cash flow analysis also included an estimate of the value of the Reorganized Debtors for the period beyond March 31, 2029, known as the terminal value. The terminal value was calculated using the Gordon Growth Method, applying a perpetual growth rate to the free cash flow in the final year of the projection period. This value was then discounted back to the assumed Effective Date. The growth rate was informed by the long-term growth prospects of the Reorganized Debtors, as well as industry trends and economic conditions. The discounted cash flow analysis involves complex considerations and judgments concerning appropriate terminal values and discount rates.

Estimated Total Enterprise Value and Implied Equity Value

As a result of the analysis described herein, Houlihan Lokey estimated the Total Enterprise Value of the Reorganized Debtors as of the assumed Effective Date of January 31, 2025 to be between approximately \$184 million and \$216 million, with a midpoint of \$200 million. Based on the estimated Total Enterprise Value and assumed net debt of approximately \$176 million as of the Effective Date, the implied Equity Value of the Reorganized Debtors is between approximately \$8 million and \$41 million, with a midpoint of \$24 million.

The estimate of the Total Enterprise Value set forth herein is not necessarily indicative of actual outcomes, which may be significantly more or less favorable than those set forth herein depending on the results of the Debtors' operations or changes in the financial markets. Additionally, these estimates of value represent hypothetical enterprise and equity values of the Reorganized Debtors as the continuing operator of their businesses and assets, and do not purport to reflect or constitute appraisals, liquidation values or estimates of the actual market value that may be realized through the sale of any securities to be issued pursuant to the Plan, which may be significantly different than the amounts set forth herein. Such estimates were developed solely for purposes of formulation and negotiation of the Plan and analysis of implied

relative recoveries to creditors thereunder. The value of an operating business such as the Debtors' business is subject to uncertainties and contingencies that are difficult to predict and will fluctuate with changes in factors affecting the financial condition and prospects of such businesses.

Houlihan Lokey's estimated valuation range of the Reorganized Debtors does not constitute a recommendation to any Holder of Allowed Claims or Interests as to how such person should vote or otherwise act with respect to the Plan. The estimated value of the Reorganized Debtors set forth herein does not constitute an opinion as to the fairness from a financial point of view to any person of the consideration to be received by such person under the Plan or of the terms and provisions of the Plan. Because valuation estimates are inherently subject to uncertainties, none of the Debtors, the Reorganized Debtors, Houlihan Lokey, nor any other person assumes responsibility for their accuracy or any differences between the estimated valuation ranges herein and any actual outcome.

OTHER PRIORITY CLAIMS, AND UNITED STATES TRUSTEE STATUTORY FEES**

In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, DIP Claims, Priority Tax Claims, and Other Priority Claims have not been classified and thus are excluded from the Classes of Claims and Interests set forth in Article III.

A Claim or Interest is placed in a particular Class only to the extent that such Claim or Interest falls within the description of that Class and is classified in other Classes to the extent that any portion of the Claim or Interest falls within the description of such other Classes. To the extent applicable, a Claim or Interest is placed in a particular Class for all purposes, including voting, Confirmation and distribution under this Plan and under sections 1122 and 1123(a)(1) of the Bankruptcy Code. However, a Claim or Interest is placed in a particular Class for the purpose of receiving distributions (if any) under this Plan only

to the extent that such Claim or Interest is an Allowed Claim or Allowed Interest and has not been paid, released or otherwise settled prior to the Effective Date.

A. *Administrative Claims*

1. General Administrative Claims

Subject to the terms of the Transaction Support Agreement, the Combined Order, and the provisions of sections 328, 330(a), and 331 of the Bankruptcy Code, except to the extent that a Holder of an Allowed General Administrative Claim and the applicable Debtor(s) or Reorganized Debtor(s), as applicable, agree to less favorable treatment with respect to such Allowed General Administrative Claim, each Holder of an Allowed General Administrative Claim shall receive, in full and final satisfaction of its General Administrative Claim, an amount in Cash equal to the unpaid amount of such Allowed General Administrative Claim in accordance with the following: (a) if such General Administrative Claim is Allowed on or before the Effective Date, on the Effective Date or as soon as reasonably practicable thereafter or, if not then due, when such Allowed General Administrative Claim is due or as soon as reasonably practicable thereafter; (b) if such General Administrative Claim is Allowed after the Effective Date, on the date such General Administrative Claim is Allowed or as soon as reasonably practicable thereafter or, if not then due, when such Allowed General Administrative Claim is due or as soon as reasonably practicable thereafter; (c) at such time and upon such terms as may be agreed upon by such Holder and the Debtors or the Reorganized Debtors, as the case may be; or (d) at such time and upon such terms as set forth in an order of the Bankruptcy Court; *provided*, that Allowed General Administrative Claims that arise in the ordinary course of the Debtors' businesses during the Chapter 11 Cases shall be paid by such applicable Debtor or Reorganized Debtor in full in Cash in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice without further notice to or order of the Bankruptcy Court. Nothing in the foregoing or otherwise in this Plan shall prejudice the Debtors' or the Reorganized Debtors' rights and defenses regarding any asserted General Administrative Claim.

2. Professional Fee Claims

a. *Professional Fee Applications*

All final requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred before the Effective Date must be Filed no later than thirty (30) days after the Effective Date. The Bankruptcy Court shall determine the Allowed amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Code, the Bankruptcy Rules, and prior Bankruptcy Court orders. Subject to any applicable agreements by the Retained Professionals with respect to Professional Fee Claims, the Reorganized Debtors shall pay Professional Fee Claims owing to the Retained Professionals in Cash in the amount the Bankruptcy Court Allows from funds held in the Professional Fee Escrow Account, as soon as reasonably practicable after such Professional Fee Claims are Allowed by entry of an order of the Bankruptcy Court; *provided*, that the Debtors' and the Reorganized Debtors' obligations to pay Allowed Professional Fee Claims shall not be limited or deemed limited to funds held in the Professional Fee Escrow Account. To the extent that funds held in the Professional Fee Escrow Account are insufficient to satisfy the Allowed amount of Professional Fee Claims owing to the Retained Professionals, the Reorganized Debtors shall pay such amounts within ten (10) Business Days of entry of the order approving such Professional Fee Claims.

b. *Professional Fee Escrow Account*

No later than the anticipated Effective Date, the Debtors or the Reorganized Debtors, as applicable, shall fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Escrow Amount.

The Professional Fee Escrow Account shall be maintained in trust solely for the Retained Professionals and for no other Entities until all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full in Cash pursuant to one or more Final Orders of the Bankruptcy Court. No Liens, Claims, or Interests shall encumber the Professional Fee Escrow Account or Cash held in the Professional Fee Escrow Account in any way. No funds held in the Professional Fee Escrow Account shall be property of the Estates of the Debtors or the Reorganized Debtors. When all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full in Cash pursuant to one or more Final Orders of the Bankruptcy Court, any remaining funds held in the Professional Fee Escrow Account shall be remitted to the Reorganized Debtors without any further notice to or action, order, or approval of the Bankruptcy Court or any other Entity being required.

c. *Professional Fee Escrow Amount*

No later than five (5) days before the anticipated Effective Date, each Retained Professional shall deliver to the Debtors a reasonable and good-faith estimate of their unpaid fees and expenses incurred in rendering services to the Debtors before and as of the Effective Date projected to be outstanding as of the anticipated Effective Date. For the avoidance of doubt, no such estimate shall be considered or deemed an admission or limitation with respect to the amount of the fees and expenses that are the subject of a Retained Professional's final request for payment of Professional Fee Claims Filed with the Bankruptcy Court, and such Retained Professionals are not bound to any extent by the estimates. If a Retained Professional does not provide an estimate, the Debtors may estimate the unpaid and unbilled fees and expenses of such Retained Professional. The total aggregate amount so estimated to be outstanding as of the anticipated Effective Date shall be utilized by the Debtors to determine the amount to be funded to the Professional Fee Escrow Account; *provided*, that the Reorganized Debtors shall use Cash on hand to increase the amount of the Professional Fee Escrow Account to the extent fee applications are Filed after the Effective Date in excess of the amount held in the Professional Fee Escrow Account based on such estimates.

For the avoidance of doubt, the terms of this Article II.A.2.c shall not apply to the parties entitled to receive the Restructuring Fees and Expenses, which are authorized to be paid in accordance with the Combined Order, this Plan, engagement and/or fee letters with the Debtors, the Transaction Support Agreement, the DIP Facilities Documents, and the DIP & Exit ABL Commitment Letter (as applicable).

B. *DIP Claims*

All Holders of DIP Term Loan Claims have consented to their treatment under this Plan pursuant to the terms of the Transaction Support Agreement and the applicable DIP Facilities Documents.

Except to the extent that a Holder of an Allowed DIP ABL Loan Claim and the Debtors have agreed in writing to a less favorable treatment, in exchange for full and final satisfaction, settlement, release, and the discharge of each DIP ABL Loan Claim, each Holder of a DIP ABL Loan Claim (a) shall receive on the Effective Date and on account of such DIP ABL Loan Claim, its Pro Rata Share of the Exit ABL Loans or (b) shall receive, in full and final satisfaction, settlement, release and discharge of, and in exchange for such DIP ABL Loan Claims, payment in full in Cash as part of a refinancing in full on terms acceptable to the Company Parties and the Required Consenting Term Lenders. All Holders of DIP ABL Loan Claims

have consented to their treatment under this Plan pursuant to the terms of the Transaction Support Agreement and the applicable DIP Facilities Documents.

C. *Priority Tax Claims*

Except to the extent that a Holder of an Allowed Priority Tax Claim and the Debtor(s) against which such Allowed Priority Tax Claim is asserted (i) agree to a less favorable treatment, or (ii) has already been paid during the Chapter 11 Cases on account of such Priority Tax Claim, in exchange for full and final satisfaction, settlement, release, and discharge of and in exchange for each Allowed Priority Tax Claim, each Holder of such Allowed Priority Tax Claim shall be treated in accordance with the terms set forth in section 1129(a)(9)(C) of the Bankruptcy Code. Nothing in the foregoing or otherwise in this Plan shall prejudice the Debtors' or the Reorganized Debtors' rights and defenses regarding any asserted Priority Tax Claim.

D. *Other Priority Claims*

Except to the extent that a Holder of an Allowed Other Priority Claim and the Debtor(s) against which such Allowed Other Priority Claim is asserted agree to a less favorable treatment, in exchange for full and final satisfaction, settlement, release, and the discharge of each Allowed Other Priority Claim, each Holder of an Allowed Other Priority Claim due and payable on or before the Effective Date shall receive, as soon as reasonably practicable after the Effective Date, on account of such Claim: (1) Cash in an amount equal to the amount of such Allowed Other Priority Claim; (2) Reinstatement or such other treatment rendering its Allowed Other Priority Claim Unimpaired in accordance with section 1124 of the Bankruptcy Code; or (3) Cash in an amount agreed to by the applicable Debtor or Reorganized Debtor, as applicable, and such Holder. To the extent any Allowed Other Priority Claim is not due and owing on or before the Effective Date, such Claim shall be paid in full in Cash in accordance with the terms of any agreement between the Debtors (or the Reorganized Debtors, as applicable) and such Holder, or as may be due and payable under applicable non-bankruptcy law or in the ordinary course of business. Nothing in the foregoing or otherwise in this Plan shall prejudice the Debtors' or the Reorganized Debtors' rights and defenses regarding any asserted Other Priority Claim.

E. *United States Trustee Statutory Fees*

The Debtors and the Reorganized Debtors, as applicable, shall pay all United States Trustee Statutory Fees, for each quarter (including any fraction thereof) until the Chapter 11 Cases are converted, dismissed, or closed, whichever occurs first.

F. *Restructuring Fees and Expenses*

The Restructuring Fees and Expenses incurred, or estimated to be incurred, up to and including the Effective Date (or, with respect to necessary post-Effective Date activities, after the Effective Date), shall be paid in full in Cash on the Effective Date in accordance with, and subject to, the terms of the Transaction Support Agreement or the DIP/Cash Collateral Orders, as applicable (unless otherwise provided in any other order of the Bankruptcy Court), without any requirement to file a fee application with the Bankruptcy Court or without any requirement for Bankruptcy Court or United States Trustee review or approval (unless otherwise provided in any other order of the Bankruptcy Court), or without notice and a hearing pursuant to section 1129(a)(4) of the Bankruptcy Code or otherwise. All Restructuring Fees and Expenses to be paid on the Effective Date shall be estimated before and as of the Effective Date and such estimates shall be delivered to the Debtors at least three (3) days before the anticipated Effective Date; *provided, however*, that such estimates shall not be considered an admission or limitation with respect to such Restructuring Fees and Expenses. On the Effective Date, or as soon as practicable thereafter, final invoices for all Restructuring Fees and Expenses incurred before and as of the Effective Date shall be submitted to the

Debtors. In addition, the Debtors and the Reorganized Debtors, as applicable, shall continue to pay, when due and payable in the ordinary course, pre-Effective Date Restructuring Fees and Expenses related to this Plan and the implementation, consummation, and defense of this Plan and the Restructuring Transactions, incurred before the Effective Date, in accordance with any engagement and/or fee letters with the Debtors, the Transaction Support Agreement, the DIP Facilities Documents, and the DIP & Exit ABL Commitment Letter (as applicable).

G. *Post-Effective Date Fees and Expenses*

Except as otherwise specifically provided in the Plan, from and after the Effective Date, the Reorganized Debtors may, in the ordinary course of business and without any further notice to or action, order or approval of the Bankruptcy Court, pay in Cash the reasonable and documented legal, professional, or other fees and expenses related to the implementation and consummation of the Plan incurred by the Reorganized Debtors following the Effective Date that are agreed to be paid by the Reorganized Debtors. Without in any way limiting the foregoing, the Reorganized Debtors will pay in Cash all reasonable and documented fees and expenses of the Ad Hoc Group Advisors in accordance with the terms of the Transaction Support Agreement. Upon the Effective Date, any requirement that Retained Professionals comply with sections 327 through 331 and 1103 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date shall terminate, and the Reorganized Debtors may employ and pay any professional for services rendered or expenses incurred after the Effective Date in the ordinary course of business without any further notice to or action, order or approval of the Bankruptcy Court.

Article III.

CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS

A. *Classification of Claims*

This Plan constitutes a separate chapter 11 Plan of reorganization for each Debtor. The provisions of this Article III govern Claims against and Interests in the Debtors. Except for the Claims addressed in Article II (or as otherwise set forth herein), all Claims and Interests are placed in Classes for each of the applicable Debtors. For all purposes under this Plan, each Class shall exist for each of the Debtors; *provided*, that any Class that is vacant as to a particular Debtor shall be treated in accordance with Article III.G. In accordance with section 1123(a)(1) of the Bankruptcy Code, the Debtors have not classified Administrative Claims, DIP Claims, Priority Tax Claims, and Other Priority Claims as described in Article II.

The categories of Claims and Interests listed below classify Claims and Interests for all purposes, including voting, Confirmation, and distribution pursuant hereto and pursuant to sections 1122 and 1123(a)(1) of the Bankruptcy Code. This Plan deems a Claim or Interest to be classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and shall be deemed classified in a different Class to the extent that any remainder of such Claim or Interest qualifies within the description of such different Class. A Claim or an Interest is in a particular Class only to the extent that any such Claim or Interest is Allowed in that Class and has not been paid or otherwise settled before the Effective Date.

For purposes of determining acceptance and rejection of this Plan, votes shall be tabulated on a Debtor-by-Debtor basis.

Pursuant to section 1126(c) of the Bankruptcy Code, an Impaired Class of Claims shall have accepted this Plan if (a) the Holders, including Holders acting through a voting Representative, of at least two-thirds (2/3) in amount of Claims actually voting in such Class have voted to accept this Plan and (b) the Holders, including Holders acting through a voting Representative, of more than one-half (1/2) in number of Claims actually voting in such Class have voted to accept this Plan. The Debtors shall seek Confirmation pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. The Debtors reserve the right to modify this Plan in accordance with Article XI to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and Bankruptcy Rules.

E. *Subordinated Claims*

The allowance, classification, and treatment of all Allowed Claims and Interests, and the respective distributions and treatments under this Plan, shall take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, sections 509 or 510 of the Bankruptcy Code, or otherwise; *provided*, that, notwithstanding the foregoing, such Allowed Claims or Interests and their respective treatments set forth herein shall not be subject to setoff, demand, recharacterization, turnover, disgorgement, avoidance, or other similar rights of recovery asserted by any Person. Pursuant to section 510 of the Bankruptcy Code, except where otherwise provided herein, the Reorganized Debtors reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination rights relating thereto. The Debtors or Reorganized Debtors, as applicable, reserve the right to seek a ruling from the Bankruptcy Court determining whether any Claim should be subordinated pursuant to section 510(b) of the Bankruptcy Code and treated under the Plan as a Class 5 Subordinated Claim.

F. *Special Provision Governing Unimpaired Claims*

Except as otherwise provided herein, nothing under this Plan shall affect or limit the Debtors' or the Reorganized Debtors' rights and defenses (whether legal or equitable) in respect of any Unimpaired Claims, including, without limitation, all rights in respect of legal and equitable defenses to, or setoffs or recoupments against, any such Unimpaired Claims.

G. *Vacant and Abstaining Classes*

Any Class of Claims or Interests that is not occupied as of the commencement of the Combined Hearing by an Allowed Claim or Allowed Interest or a Claim or Interest temporarily Allowed under Bankruptcy Rule 3018 shall be deemed eliminated from this Plan for purposes of voting to accept or reject this Plan and for purposes of determining acceptance or rejection of this Plan by such Class pursuant to

section 1129(a)(8) of the Bankruptcy Code. Moreover, any Class of Claims that is occupied as of the commencement of the Combined Hearing by an Allowed Claim or a Claim temporarily Allowed under Bankruptcy Rule 3018, but as to which no vote is cast, shall be deemed to accept this Plan pursuant to section 1129(a)(8) of the Bankruptcy Code.

H. *Controversy Concerning Impairment*

If a controversy arises as to whether any Claim or Interest (or any Class of Claims or Interests) are Impaired under this Plan, the Bankruptcy Court shall, after notice and a hearing, determine such controversy on or before the Confirmation Date, absent consensual resolution of such controversy consistent with the Transaction Support Agreement among the Debtors and the complaining Entity or Entities.

I. *Intercompany Interests and Intercompany Claims*

To the extent Intercompany Interests and Intercompany Claims are Reinstated under this Plan, distributions on account of such Intercompany Interests and Intercompany Claims are not being received by Holders of such Intercompany Interests or Intercompany Interests on account of their Intercompany Interests or Intercompany Claims, but for the purposes of administrative convenience and to maintain the Debtors' (and their Affiliates') corporate structure, for the ultimate benefit of the Holders of New Equity Interests, to preserve ordinary course intercompany operations, and in exchange for the Debtors' and Reorganized Debtors' agreement under this Plan to make certain distributions to the Holders of Allowed Claims.

J. *Disputed Claims Process*

Notwithstanding section 502(a) of the Bankruptcy Code, and in light of the Unimpaired status of all Allowed General Unsecured Claims under this Plan, Holders of Claims (other than Holders of Rejection Damages Claims) need not File Proofs of Claim. The Reorganized Debtors and the Holders of Claims shall determine, adjudicate, and resolve any disputes over the validity and amounts of such Claims in the ordinary course of business as if the Chapter 11 Cases had not been commenced except that (unless expressly waived pursuant to this Plan) the Allowed amount of such Claims shall be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable. All Proofs of Claim Filed in these Chapter 11 Cases (other than Rejection Damages Claims) shall be considered objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim Filed against the Debtors (other than Rejection Damages Claims), regardless of the time of filing, and including Proofs of Claim Filed after the Effective Date, shall be deemed withdrawn and expunged, other than as provided below. Notwithstanding anything in this Plan to the contrary, disputes regarding the amount of any Cure Cost pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court.

Notwithstanding the foregoing, the Debtors and the Reorganized Debtors, as applicable, reserve the right to object to any Claim that is entitled, or deemed to be entitled, to a distribution under this Plan or is rendered Unimpaired under this Plan in the Bankruptcy Court. Any disputes regarding the Allowance of a Rejection Damages Claim shall be determined by the Bankruptcy Court.

For the avoidance of doubt, there is no requirement to File a Proof of Claim (or move the Bankruptcy Court for Allowance) to be an Allowed Claim under this Plan. Notwithstanding the foregoing, Entities must File Cure Cost objections as set forth in this Plan to the extent such Entity disputes the amount of the Cure Cost proposed to be paid by the Debtors or the Reorganized Debtors to a counterparty, and Entities that are counterparties to a rejected Executory Contract or Unexpired Lease must file a Rejection Damages Claim as set forth in the Plan.

Article IV.
MEANS FOR IMPLEMENTATION OF THIS PLAN

A. *General Settlement of Claims and Interests*

In consideration for the classification, distributions, releases, and other benefits provided under this Plan, on the Effective Date, the provisions of this Plan shall constitute a set of integrated, good-faith compromises and settlements of all Claims, Interests, Causes of Action, and controversies resolved pursuant to this Plan and this Plan shall be deemed a motion to approve the good-faith compromises and settlements of all Claims, Interests, Causes of Action, and controversies pursuant to Bankruptcy Rule 9019. Entry of the Combined Order shall constitute the Bankruptcy Court's approval of such compromises and settlements under Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such integrated compromises or settlements are in the best interests of the Debtors, the Estates, and Holders of Claims and Interests, and are fair, equitable, and reasonable. Subject to Article VI, distributions made to Holders of Allowed Claims in any Class are intended to be and shall be final and indefeasible and shall not be subject to avoidance, turnover, or recovery by any other Person. Notwithstanding the foregoing or similar provisions of this Plan with respect to settlements, such settlements are approved as among the parties to such settlement or similar agreements thereto, and the treatment of all Claims and Interests is approved pursuant to Confirmation by satisfying the requirement of section 1129 of the Bankruptcy Code.

B. *Restructuring Transactions*

Without limiting any rights and remedies of the Debtors or Reorganized Debtors under this Plan or applicable law, but in all cases subject to the terms and conditions of the Transaction Support Agreement, the Transaction Term Sheet, and Definitive Documents and any consents or approvals required thereunder, the entry of the Combined Order shall constitute authorization for the Debtors and Reorganized Debtors, as applicable, to take, or to cause to be taken, all actions necessary or appropriate to consummate and implement the provisions of this Plan before, on, and after the Effective Date, including such actions as may be necessary or appropriate to effectuate a corporate restructuring of their respective businesses and to otherwise simplify the overall corporate structure of the Reorganized Debtors. Such restructuring may include (1) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, disposition, liquidation, or dissolution containing terms that are consistent with the terms of this Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and that satisfy the applicable requirements of applicable state law and such other terms to which the applicable Entities may agree; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, duty, or obligation on terms consistent with the terms of this Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and having such other terms to which the applicable Entities may agree; (3) the execution, delivery, and filing, if applicable, of the New Organizational Documents and the Exit Facilities Documents; (4) the filing of appropriate certificates or articles of conversion, formation, incorporation, merger, consolidation, or dissolution with the appropriate governmental authorities pursuant to applicable state law; and (5) all other actions that the Debtors, the Reorganized Debtors and/or the applicable Entities reasonably determine to be necessary or appropriate, including making filings or recordings that may be required by applicable state law or foreign law in connection with such transactions, but in all cases subject to the terms and conditions of this Plan, the Transaction Support Agreement, the Transaction Term Sheet, and the other Definitive Documents and any consents or approvals required thereunder.

The Combined Order shall and shall be deemed to, pursuant to both section 1123 and section 363 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the

Restructuring Transactions (including any other transaction described in, approved by, contemplated by, or necessary to effectuate this Plan).

C. *Corporate Existence*

Except as otherwise provided in this Plan, or as otherwise may be agreed between the Debtors and the Required Consenting Lenders, each Debtor, as a Reorganized Debtor, shall continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each Debtor is incorporated or formed and pursuant to the respective memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) in effect before the Effective Date, except to the extent such memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) are amended by this Plan, by the Debtors, or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to this Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law), without prejudice to any right to alter or terminate such existence (whether by merger or otherwise) in accordance with such applicable law.

On or after the Effective Date, without prejudice to the rights of any party to a contract or other agreement with any Reorganized Debtor, each Reorganized Debtor may, without the need for approval of the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, take such action as permitted by applicable law, and such Reorganized Debtor's Organizational Documents, as such Reorganized Debtor may determine is reasonable and appropriate, including, without limitation, causing: (a) a Reorganized Debtor to be merged into another Reorganized Debtor or an Affiliate of a Reorganized Debtor; (b) a Reorganized Debtor to be dissolved; (c) the conversion of a Reorganized Debtor from one entity type to another entity type; (d) the legal name of a Reorganized Debtor to be changed; (e) the closure of a Reorganized Debtor's Chapter 11 Case on the Effective Date or any time thereafter; or (f) the reincorporation of a Reorganized Debtor under the law of jurisdictions other than the law under which the applicable Debtor currently is incorporated.

D. *Vesting of Assets in the Reorganized Debtors Free and Clear of Liens and Claims*

Except as otherwise expressly provided in this Plan or any agreement, instrument, or other document incorporated herein pursuant to sections 1123(a)(5), 1123(b)(3), 1141(b) and (c), and other applicable provisions of the Bankruptcy Code, on and after the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to this Plan shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, other encumbrances or interests, except for those Liens, Claims, charges, or other encumbrances arising from or related to the Exit Facility Documents. On and after the Effective Date, the Reorganized Debtors may (1) operate their respective businesses, (2) use, acquire, and dispose of their respective property, and (3) prosecute, compromise or settle any Claims, Interests, or Causes of Action, in each case without notice to, supervision of, or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, including for the avoidance of doubt any restrictions on the use, acquisition, sale, lease, or disposal of property under section 363 of the Bankruptcy Code. Anything in this Plan to the contrary notwithstanding, the Unimpaired Claims against a Debtor shall remain the obligations solely of such Debtor or such Reorganized Debtor and shall not become obligations of any other Debtor or Reorganized Debtor by virtue of this Plan, the Chapter 11 Cases, or otherwise.

E. *Cancellation of Existing Agreements and Existing Equity Interests.*

On the Effective Date, except with respect to the Exit Facilities Documents, or to the extent otherwise provided in this Plan, the Combined Order, or any other Definitive Document, all notes, bonds, indentures, certificates, securities, purchase rights, options, warrants, calls, puts, awards, commitments, registration rights, preemptive rights, rights of first refusal, rights of first offer, co-sale rights, investor rights, collateral agreements, subordination agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any existing indebtedness or obligations of or ownership interest in the Debtors or giving rise to any rights or obligations relating to Claims against or Interests in the Debtors shall be deemed canceled and surrendered, and the obligations of the Debtors or the Reorganized Debtors, as applicable, and any Non-Debtor Affiliates thereunder or in any way related thereto shall be deemed satisfied in full, released, and discharged and the obligations of the Debtors pursuant, relating, or pertaining to any agreements, notes, bonds, indentures, certificates, securities, purchase rights, options, warrants, calls, puts, awards, commitments, registration rights, preemptive rights, rights of first refusal, rights of first offer, co-sale rights, investor rights, collateral agreements, subordination agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any existing indebtedness or obligations of or ownership interest in the Debtors or giving rise to any rights or obligations relating to Claims against or Interests in the Debtors (except such agreements, certificates, notes, or other instruments evidencing indebtedness or obligations of the Debtors that are specifically Reinstated or assumed pursuant to this Plan, if any) shall be released and discharged; *provided*, that, notwithstanding such cancellation, satisfaction, release, and discharge, anything to the contrary contained in this Plan or the Combined Order, Confirmation, or the occurrence of the Effective Date, any such document or instrument that governs the rights, claims, or remedies of the Holder of a Claim or Interest shall continue in effect solely for purposes of: (1) enabling the Holder of such Claim or Interest to receive distributions on account of such Claim or Interest under this Plan as provided herein; (2) allowing and preserving the rights of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to make distributions as specified under this Plan on account of Allowed Claims, as applicable, including allowing the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to submit invoices for any amount and enforce any obligation owed to them under this Plan to the extent authorized or allowed by the applicable documents; (3) permitting the Reorganized Debtors and any other Distribution Agent, as applicable, to make distributions on account of applicable Claims and Interests, as applicable; (4) preserving the Prepetition Agents', DIP Agents', and Exit Facility Agents', as applicable, rights, if any, to compensation and indemnification as against any money or property distributable to the Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims, as applicable, including permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to maintain, enforce, and exercise any priority of payment or charging liens against such distributions each pursuant and subject to the terms of the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable, as in effect on or immediately before the Effective Date, (5) preserving all rights, remedies, indemnities, powers, and protections, including rights of enforcement, of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, against any person other than a Released Party (which Released Parties include the Debtors, Reorganized Debtors, and Non-Debtor Affiliates), and any exculpations of the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable; *provided*, that the Prepetition Agents, DIP Agents, and Exit Facility Agents, shall remain entitled to indemnification or contribution from the Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims, each pursuant and subject to the terms of the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable, as in effect on the Effective Date, (6) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, as applicable, to enforce any obligation (if any) owed to them under this Plan, (7) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents to appear in the Chapter 11 Cases or in any proceeding in the Bankruptcy Court or any other court, and (8) permitting the Prepetition Agents, DIP Agents, and Exit Facility Agents, to perform any functions that are necessary to effectuate the foregoing; *provided, however*, that nothing in this Article

IV shall affect the discharge of Claims or Interests pursuant to the Bankruptcy Code, the Combined Order, or this Plan, or (except as set forth in (5) above) the releases of the Released Parties pursuant to Article IX, or result in any expense or liability to the Debtors or Reorganized Debtors, as applicable, except as expressly provided for in this Plan. For the avoidance of doubt, nothing in this Article IV shall cause the Reorganized Debtors' obligations under the Exit Facilities Documents to be deemed satisfied in full, released, or discharged; *provided*, that notwithstanding this sentence, the Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims shall be deemed satisfied in full, released, and discharged on the Effective Date. In furtherance of the foregoing, as of the Effective Date, Holders of Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims shall be deemed to have released any such Claims against the Reorganized Debtors under the Prepetition ABL Facility Documents, Prepetition Term Loan Documents, and DIP Facilities Documents and are enjoined from pursuing any such claims against any of the Reorganized Debtors in respect of such Prepetition ABL Claims, Prepetition Term Loan Claims, and DIP Claims.

On the Effective Date, the Prepetition Agents, the DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors shall be automatically and fully released and discharged from any further responsibility under the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement, as applicable. The Prepetition Agents, DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors shall be discharged and shall have no further obligation or liability except as provided in this Plan and the Combined Order, and after the performance by the Prepetition Agents, DIP Agents, and their Representatives and professionals of any obligations and duties required under or related to this Plan or the Combined Order, the Prepetition Agents, DIP Agents, and each of their respective directors, officers, employees, agents, Affiliates, controlling persons, and legal and financial advisors shall be relieved of and released from any obligations and duties arising thereunder. The fees, expenses, and costs of the Prepetition Agents and the DIP Agents, including fees, expenses, and costs of each of their respective professionals incurred after the Effective Date in connection with the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, or DIP Credit Agreement, as applicable, and reasonable and documented fees, costs, and expenses associated with effectuating distributions pursuant to this Plan, including the fees and expenses of counsel, if any, shall be paid in accordance with the terms of this Plan and the applicable Definitive Documents.

F. *Sources for Plan Distributions and Transfers of Funds Among Debtors*

The Debtors shall fund Cash distributions under this Plan with Cash on hand, including Cash from operations, and the proceeds of the DIP Facilities and Exit Facilities. The Debtors shall make non-Cash distributions as required under the Plan in the form of Exit Term Loans, Exit ABL Loans and New Equity Interests. Cash payments to be made pursuant to this Plan shall be made by the Reorganized Debtors in accordance with Article VI. Subject to any applicable limitations set forth in any post-Effective Date agreement (including the New Organizational Documents), the Reorganized Debtors shall be entitled to transfer funds between and among themselves as they determine to be necessary or appropriate to enable the Reorganized Debtors to satisfy their obligations under this Plan. Except as set forth herein, any changes in intercompany account balances resulting from such transfers shall be accounted for and settled in accordance with the Debtors' historical intercompany account settlement practices and shall not violate the terms of this Plan.

From and after the Effective Date, the Reorganized Debtors, subject to any applicable limitations set forth in any post-Effective Date agreement (including the New Organizational Documents and the Exit Facilities Documents), shall have the right and authority without further order of the Bankruptcy Court to raise additional capital and obtain additional financing in accordance with, and subject to, applicable law.

G. *Exit Facilities and Exit Facilities Documents*

To the extent required and subject to the occurrence of the Effective Date, Confirmation of this Plan shall be deemed to constitute approval by the Bankruptcy Court of the Exit Facilities Documents (including all transactions contemplated thereby, such as any supplementation or syndication of the Exit Term Loans, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the incurrence of Liens securing the Exit Facilities and the payment of all fees, payments, indemnities, and expenses associated therewith) and, subject to the occurrence of the Effective Date, authorization for the applicable Reorganized Debtors to enter into and perform their obligations under the Exit Facilities Documents and such other documents as may be reasonably required or appropriate, subject to any consent or approval rights under the Definitive Documents. On or around the Effective Date, the Reorganized Debtors shall execute and deliver the Exit ABL Credit Agreement, the Exit Term Loan Credit Agreement, the Exit Intercreditor Agreement, and any other Exit Facilities Document, and shall execute, deliver, file, record, and issue any other related notes, guarantees, security documents, instruments, or agreements in connection therewith, in each case, without (a) further notice to the Bankruptcy Court, or (b) further act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. On the Effective Date, the Exit Facilities shall be governed by the Exit Intercreditor Agreement.

On the Effective Date, the Exit Facilities Documents shall constitute legal, valid, binding, and authorized obligations of the Reorganized Debtors, enforceable in accordance with their terms. The financial accommodations to be extended pursuant to the Exit Facilities Documents are being extended, and shall be deemed to have been extended, and all related payments made in connection therewith shall have been made, in each case, in good faith, for legitimate business purposes, for reasonably equivalent value, as an inducement to the applicable lenders to extend credit under the applicable Exit Facilities, are reasonable, shall not be subject to avoidance, recovery, turnover, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. On the Effective Date, all of the Liens and security interests to be granted, carried forward, continued, amended, extended, and/or reaffirmed (including in connection with any Prepetition ABL Claims that are refinanced by the Exit ABL Credit Agreement) under the Exit Facilities Documents shall: (1) be continuing, legal, binding, and enforceable Liens on, and security interests in, the collateral granted in accordance with the terms of the applicable Exit Facilities Documents; (2) be granted, carried forward, continued, amended, extended, reaffirmed, and deemed automatically perfected on the Effective Date, subject only to such Liens and security interests as may be permitted thereunder; and (3) not be subject to avoidance, recovery, turnover, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Entities granted such Liens and security interests are authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, provincial, federal, or other law (whether domestic or foreign) that would be applicable in the absence of this Plan and the Combined Order (it being understood that perfection shall occur automatically by virtue of the entry of the Combined Order, and any such filings, recordings, approvals, and consents shall not be required), and shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

H. *Issuance of New Equity Interests and Deregistration*

On the Effective Date, Reorganized Parent shall issue or reserve for issuance and deliver all of the New Equity Interests in accordance with the terms of this Plan and the New Organizational Documents. The issuance and delivery of the New Equity Interests is authorized without the need for further corporate

or other action or any consent or approval of any national securities exchange upon which the New Equity Interests may be listed on or immediately following the Effective Date. All of the New Equity Interests issuable under this Plan and the Combined Order shall, when so issued be duly authorized, validly issued, fully paid, and non-assessable. The issuance and delivery of the New Equity Interests in accordance with this Plan are authorized without the need for any further limited liability company or corporate action and without any further action by any Holder of a Claim or Interest.

Any Holder of an Allowed Prepetition Term Loan Claim or any DIP Term Lender entitled to the DIP Equity Premium may designate that all or a portion of such Holder's share of the New Equity Interests to be distributed as part of the treatment of such Allowed Prepetition Term Loan Claim or on account of the DIP Equity Premium, be registered in the name of, and delivered to, its designee by delivering notice thereof to counsel to the Debtors and to the Notice and Claims Agent at least five (5) Business Days prior to the Effective Date. Any such designee must be an "accredited investor" as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act.

Reorganized Parent intends to exist and operate as a private company after the Effective Date. As promptly as reasonably practicable following the Effective Date, Reorganized Parent expects to take all necessary steps to terminate the registration of all Securities under the Exchange Act and Securities Act, including to de-register its Existing Equity Interests, and to terminate its reporting obligations under sections 12, 13, and 15(d) of the Exchange Act, including by (1) filing, or causing any applicable national securities exchange to file, a Form 25 with the SEC under the Exchange Act, and (2) filing a Form 15 with the SEC under the Exchange Act.

1. Absence of Listing / Transfer of New Equity Interests

On the Effective Date, the Reorganized Parent shall issue the New Equity Interests pursuant to this Plan and the New Organizational Documents. Reorganized Parent shall not be obligated to effect or maintain any listing of the New Equity Interests for trading on any national securities exchange (within the meaning of the Exchange Act) and it has no current intention of maintaining or obtaining such listing. Distributions of the New Equity Interests are expected to be delivered via book-entry transfer by the Distribution Agent in accordance with this Plan and the New Organizational Documents, rather than through the facilities of DTC; however, in the event the New Equity Interests are DTC eligible on the Effective Date, distributions shall be made via DTC. Upon the Effective Date, after giving effect to the Restructuring Transactions, the New Equity Interests shall be that number of shares or membership interests as may be designated in the New Organizational Documents.

On and after the Effective Date, transfers of New Equity Interests shall be made in accordance with applicable United States law, United States securities laws (as applicable), and the New Organizational Documents.

I. *Exemption from Registration Requirements*

No registration statement shall be filed under the Securities Act, or pursuant to any state securities laws, with respect to the offer, issuance and distribution of the New Equity Interests under this Plan. The offering, sale, issuance, and distribution of the New Equity Interests in exchange for Claims pursuant to Article II and Article III and pursuant to the Combined Order shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable United States, state, or local law requiring registration for the offer or sale of a security pursuant to section 1145 of the Bankruptcy Code. Any and all such New Equity Interests may be resold without registration under the Securities Act by the recipients thereof pursuant to the exemption provided by Section 4(a)(1) of the Securities Act, subject to: (1) the provisions of section 1145(b)(1) of the Bankruptcy Code, which limits resale by Persons who are "underwriters" as that term is defined in such section; (2) restrictions under the

Securities Act applicable to recipients who are an “affiliate” of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (3) compliance with any applicable state or foreign securities laws, if any, and any rules and regulations of the SEC, if any, applicable at the time of any future transfer of such Securities; (4) the restrictions, if any, on the transferability of such Securities in the Organizational Documents of the issuer of, or in agreements or instruments applicable to holders of, such Securities; and (5) any other applicable regulatory approval.

The Reorganized Debtors need not provide any further evidence other than this Plan and the Combined Order with respect to the treatment of the New Equity Interests under applicable securities laws.

Notwithstanding anything to the contrary in this Plan, no Person or Entity (including, for the avoidance of doubt, DTC) shall be entitled to require a legal opinion regarding the validity of any transaction contemplated by this Plan, including, for the avoidance of doubt, whether the New Equity Interests are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. All such Persons and Entities including DTC shall be required to accept and conclusively rely upon this Plan or the Combined Order in lieu of a legal opinion regarding whether the New Equity Interests are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding any policies, practices, or procedures of DTC, DTC and any participants and intermediaries shall fully cooperate and take all actions to facilitate any and all transactions necessary or appropriate for implementation of this Plan or other contemplated thereby, including without limitation any and all distributions pursuant to this Plan.

J. *New Organizational Documents*

Subject to Article IV.E, the Reorganized Debtors and Reorganized Parent shall enter into such agreements and amend their corporate governance documents to the extent necessary to implement the terms and provisions of this Plan. Without limiting the generality of the foregoing, as of the Effective Date, each of the Reorganized Debtors shall be governed by the New Organizational Documents applicable to it. From and after the Effective Date, the Organizational Documents of each of the Reorganized Debtors will be deemed to be modified to prohibit the issuance of non-voting equity Securities, solely to the extent required under section 1123(a)(6) of the Bankruptcy Code. On or immediately before the Effective Date, each Reorganized Debtor and Reorganized Parent shall file its New Organizational Documents, if any, with the applicable Secretary of State and/or other applicable authorities in its jurisdiction of incorporation or formation in accordance with applicable laws of its jurisdiction of incorporation or formation, to the extent required for such New Organizational Documents to become effective. The New Organizational Documents for the Reorganized Debtors and Reorganized Parent shall be in form and substance (including customary minority protections) acceptable to the Required Consenting Lenders.

As a condition to receiving the New Equity Interests, Holders of Allowed Prepetition Term Loan Claim or Holders entitled to receive New Equity Interests on account of the DIP Equity Premium and/or any of their respective designees for receipt of New Equity Interests will be required to execute and deliver the New Organizational Documents for Reorganized Parent. For the avoidance of doubt, any Entity’s or Person’s receipt of New Equity Interests under, or as contemplated by, the Plan (including on account of the DIP Equity Premium) shall be deemed to be its agreement to the terms of the New Organizational Documents for Reorganized Parent, and such Entities and Persons shall be deemed signatories to the New Organizational Documents for Reorganized Parent without further action required on their part. The New Organizational Documents for Reorganized Parent will be effective as of the Effective Date and, as of such date, will be deemed to be valid, binding, and enforceable in accordance with its terms, and each Holder of New Equity Interests will be bound thereby in all respects even if such Holder has not actually executed and delivered a counterpart thereof.

K. *Release of Liens and Claims*

To the fullest extent provided under section 1141(c) and other applicable provisions of the Bankruptcy Code, except as otherwise provided in the Exit ABL Credit Agreement (including with respect to the Prepetition ABL Facility and the Prepetition ABL Loans), this Plan, the Combined Order, or in any contract, instrument, release, or other agreement or document entered into or delivered in connection with this Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to Article VI, all Liens, Claims, mortgages, deeds of trust, or other security interests against the assets or property of the Debtors or the Estates shall be fully released, canceled, terminated, extinguished, and discharged, in each case without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity; *provided*, that (1) the Liens granted to the Prepetition Agents and the DIP Agents pursuant to the Prepetition ABL Credit Agreement, Prepetition Term Loan Credit Agreement, and DIP Credit Agreement and (2) any and all Liens or security securing the Debtor's obligations under the Insurance Contracts, which, for avoidance of doubt, includes grants of security interests in, without limitation, escrow accounts, deposit accounts, Cash Collateral, and letters of credit issued for the benefit of Insurers, shall remain in full force and effect solely to the extent provided for in this Plan. The filing of the Combined Order with any federal, state, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens, Claims, and other interests to the extent provided in the immediately preceding sentence. Any Person or Entity holding such Liens, Claims, or interests shall, pursuant to section 1142 of the Bankruptcy Code, promptly execute and deliver to the Reorganized Debtors such instruments of termination, release, satisfaction, and/or assignment (in recordable form) as may be reasonably requested by the Reorganized Debtors.

L. *Exemption from Certain Taxes and Fees*

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfer (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under, pursuant to, in contemplation of, or in connection with this Plan (including the Restructuring Transactions) pursuant to (1) the issuance, distribution, transfer, or exchange of any debt, securities, or other interest in the Debtors or the Reorganized Debtors, (2) the creation, modification, consolidation, termination, refinancing, or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means, (3) the making, assignment, or recording of any lease or sublease, (4) the grant of collateral security for any or all of the Exit Facilities or other indebtedness, or (5) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, this Plan, including, without limitation, any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to this Plan (including the Restructuring Transactions), shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and the appropriate U.S. federal, state or local governmental officials, agents, or filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(a) of the Bankruptcy Code, and shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee or governmental assessment.

M. *Directors and Officers of the Reorganized Debtors*

1. Reorganized Board

The members of the Reorganized Board shall consist of a number of members determined by the Required Consenting Lenders in their sole discretion, which shall consist of members appointed in a manner determined by the Required Consenting Lenders in their sole discretion and set forth in the New Organizational Documents for Reorganized Parent. Except to the extent that a member of the board of directors or board of managers, or the sole manager, as applicable, of a Debtor is designated in the Plan Supplement to serve as a director, manager, or sole manager of such Reorganized Debtor on the Effective Date, the members of the board of directors or board of managers, or the sole manager, as applicable, of each Debtor prior to the Effective Date, in their capacities as such, shall have no continuing obligations to the Reorganized Debtors on or after the Effective Date, and each such director, manager, or sole manager shall be deemed to have resigned or shall otherwise cease to be a director, manager, or sole manager of the applicable Debtor on the Effective Date. Each of the directors, managers, sole managers and officers of each of the Reorganized Debtors and Reorganized Parent shall serve pursuant to the terms of the applicable New Organizational Documents of such Reorganized Debtor or Reorganized Parent, as applicable, and may be designated, replaced, or removed in accordance with such New Organizational Documents.

2. Senior Management

The existing officers of the Debtors as of the Effective Date shall remain in their current capacities as officers of the Reorganized Debtors, subject to their right to resign and the ordinary rights and powers of the Reorganized Board to remove or replace them in accordance with the New Organizational Documents and any applicable employment agreements that are assumed pursuant to this Plan.

3. Management Incentive Plan

After the Effective Date, the Reorganized Board shall adopt the Management Incentive Plan in accordance with the Transaction Term Sheet. The form of the awards (i.e., options, restricted stock or units, appreciation rights, etc.), the participants in the Management Incentive Plan, the allocations of the awards to such participants (including the amount of allocations and the timing of the grant of the awards), and the terms and conditions of the awards (including vesting, exercise prices, base values, hurdles, forfeiture, repurchase rights and transferability) shall be determined by the Reorganized Board in its sole discretion.

N. *Preservation of Causes of Action*

In accordance with section 1123(b) of the Bankruptcy Code, but subject to the releases and exculpation set forth in this section and in Article IX below, all Causes of Action that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor on the Effective Date, including each Cause of Action set forth in the schedule of retained Causes of Action included in the Plan Supplement. Thereafter, the Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, whether arising before or after the Petition Date, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. **No Entity may rely on the absence of a specific reference in this Plan, the Plan Supplement, or the Disclosure Statement to any specific Cause of Action as any indication that the Debtors or the Reorganized Debtors shall not pursue any and all available Causes of Action. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in this Plan,** and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise) or laches, shall apply to any Cause

of Action upon, after, or as a consequence of the Confirmation or the occurrence of the Effective Date. In addition, the Debtors and the Reorganized Debtors expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which any of the Debtors are a plaintiff, defendant, or an interested party, against any Person or Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits. For the avoidance of doubt, in no instance shall any Cause of Action preserved pursuant to this Article IV.N include any Claim or Cause of Action released or exculpated under this Plan (including, without limitation, by the Debtors).

O. *Corporate Action*

Each of the Debtors and the Reorganized Debtors may take any and all actions to execute, deliver, file or record such contracts, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the provisions of this Plan, and without further notice to or order of the Bankruptcy Court, any act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by the security holders, officers, or directors of the Debtors or the Reorganized Debtors or by any other Person (except for those expressly required pursuant hereto or by the Definitive Documents).

Upon the Effective Date, all actions contemplated by this Plan shall be deemed authorized, approved, and, to the extent taken before the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, or officers of the Debtors, the Reorganized Debtors, or any other Entity, including: (1) assumption and rejection (as applicable) of Executory Contracts and Unexpired Leases; (2) selection of the directors, managers, and officers for each of the Reorganized Debtors and Reorganized Parent; (3) the execution of the New Organizational Documents and the Exit Facilities Documents; (4) the issuance and delivery of the New Equity Interests and incurrence of the Exit Facilities; (5) implementation of the Restructuring Transactions; and (6) all other acts or actions contemplated, or reasonably necessary or appropriate to promptly consummate the transactions contemplated by this Plan (whether to occur before, on, or after the Effective Date). All matters provided for in this Plan involving the company structure of the Debtors, and any company action required by the Debtors in connection therewith, shall be deemed to have occurred on, and shall be in effect as of, the Effective Date, without any requirement of further action by the security holders, directors, managers, authorized persons, or officers of the Debtors, the Reorganized Debtors, or Reorganized Parent or otherwise.

Before, on, and after the Effective Date, the appropriate officers, directors, managers, or authorized persons of the Debtors, the Reorganized Parent, or any direct or indirect subsidiaries of the Reorganized Parent (including any president, vice-president, chief executive officer, treasurer, general counsel, secretary, or chief financial officer thereof) shall be authorized and directed to issue, execute, and deliver the agreements, documents, securities, memoranda and articles of association, certificates of incorporation, certificates of formation, bylaws, operating agreements, other organization documents, and instruments contemplated by this Plan (or necessary or desirable to effect the transactions contemplated by this Plan) in the name of and on behalf of the applicable Debtors or applicable Reorganized Debtors, including the (1) New Organizational Documents, (2) Exit Facilities Documents, and (3) any and all other agreements, documents, securities, and instruments relating to or contemplated by the foregoing. Before or on the Effective Date, each of the Debtors is authorized, in its sole discretion, to change its name or corporate form and to take such other action as required to effectuate a change of name or corporate form in the jurisdiction of incorporation of the applicable Debtor or Reorganized Debtor. To the extent the Debtors change their names or corporate form before the closing of the Chapter 11 Cases, the Debtors shall change the case captions accordingly.

The authorizations, approvals and directives contemplated by this Article IV.O shall be effective notwithstanding any requirements under non-bankruptcy Law.

P. *Prepetition Intercreditor Agreement*

Notwithstanding anything to the contrary in this Plan, the treatment of, and distributions (including rights to adequate protection and participation in the DIP Term Loan Facility) made to Holders of Prepetition Term Loan Claims shall not be subject to the Prepetition Intercreditor Agreement or the terms thereof (including any turnover and disgorgement provisions), and the Prepetition Intercreditor Agreement shall be deemed so amended to the extent necessary to effectuate same.

Q. *Effectuating Documents; Further Transactions*

Before, on, and after the Effective Date, the Debtors and the Reorganized Debtors and the directors, managers, officers, authorized persons, and members of the boards of directors or managers and directors or managers thereof, are authorized to and may issue, execute, deliver, file, or record such contracts, securities, notes, instruments, certificates, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and provisions of this Plan, the New Organizational Documents, the Exit Facilities Documents, and any Securities issued pursuant to this Plan in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorizations, actions, or consents except for those expressly required pursuant to this Plan or the Transaction Support Agreement.

R. *Authority of the Debtors*

Effective on the Confirmation Date, the Debtors shall be empowered and authorized to take or cause to be taken, before the Effective Date, all actions necessary or appropriate to achieve the Effective Date and enable the Reorganized Debtors to implement effectively the provisions of this Plan, the Combined Order, the Definitive Documents, and the Restructuring Transactions.

S. *No Substantive Consolidation*

This Plan is being proposed as a joint chapter 11 plan of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan for each Debtor. This Plan is not premised upon the substantive consolidation of the Debtors with respect to the Classes of Claims or Interests set forth in this Plan.

T. *Continuing Effectiveness of Final Orders*

Payment authorization granted to the Debtors under any prior Final Order entered by the Bankruptcy Court shall continue in effect after the Effective Date. Accordingly, the Debtors or the Reorganized Debtors may pay or otherwise satisfy any Claim to the extent permitted by, and subject to, the applicable Final Order without regard to the treatment that would otherwise be applicable to such Claim under this Plan.

U. *Modifications to Executory Contracts and Unexpired Leases*

The Debtors, with the consent of the Required Consenting Term Lenders, are authorized to enter into, and perform under, amendments or modifications of any Executory Contracts or Unexpired Leases with the counterparty to such Executory Contract or Unexpired Lease and pay any amounts due as a result of such amendment or modification.

Article V.
TREATMENT OF EXECUTORY CONTRACTS
AND UNEXPIRED LEASES; EMPLOYEE BENEFITS; AND INSURANCE POLICIES

A. *Assumption of Executory Contracts and Unexpired Leases*

On the Effective Date, except as otherwise provided in this Plan, each of the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned pursuant to an order of the Bankruptcy Court shall be deemed assumed and amended (as necessary to implement the terms of the Restructuring Transactions), as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code *except* any Executory Contract or Unexpired Lease (1) identified on the Rejected Executory Contract/Unexpired Lease List (which shall initially be filed with the Bankruptcy Court on the Plan Supplement Filing Date) as an Executory Contract or Unexpired Lease to be rejected (if any), (2) that is the subject of a separate motion or notice to reject pending as of the Effective Date, or (3) that previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code).

Entry of the Combined Order by the Bankruptcy Court shall constitute an order approving the assumption of the Transaction Support Agreement pursuant to sections 365 and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. The Transaction Support Agreement shall be binding and enforceable against the applicable parties thereto in accordance with its terms. For the avoidance of doubt, the assumption of the Transaction Support Agreement shall not otherwise modify, alter, amend, or supersede any of the terms or conditions thereof including, without limitation, any termination events or provisions thereunder.

Entry of the Combined Order by the Bankruptcy Court shall constitute an order approving the assumption of the Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code, effective on the occurrence of the Effective Date. Each Executory Contract and Unexpired Lease assumed pursuant to this Plan or by Bankruptcy Court order, and not assigned to a third party on or before the Effective Date, shall re-vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court.

To the maximum extent permitted by law, unless otherwise provided herein, the transactions contemplated by this Plan shall not constitute a “change of control” or “assignment” (or terms with similar effect) under any Executory Contract or Unexpired Lease assumed pursuant to this Plan, or any other transaction, event, or matter that would (1) result in a violation, breach, or default under such Executory Contract or Unexpired Lease, (2) increase, accelerate, or otherwise alter any obligations, rights, or liabilities of the Debtors or the Reorganized Debtors under such Executory Contract or Unexpired Lease, or (3) result in the creation or imposition of a Lien upon any property or asset of the Debtors or the Reorganized Debtors pursuant to the applicable Executory Contract or Unexpired Lease. Any consent or advance notice required under such Executory Contract or Unexpired Lease in connection with assumption thereof (pursuant to the other provisions of this Article V.A) shall be deemed satisfied by Confirmation.

Notwithstanding anything to the contrary in this Plan, but subject to the *Consent Rights* in Article I.C, the Debtors reserve the right to amend or supplement the Rejected Executory Contract/Unexpired Lease List in their discretion before the Effective Date and, after the Effective Date, the Reorganized Debtors, shall have the right to amend Rejected Executory Contract/Unexpired Lease List; *provided*, that such right to amend shall not apply to any Unexpired Lease for nonresidential property; *provided, further* that the Debtors shall give prompt notice of any such amendment or supplement to any affected counterparty and such counterparty shall have no less than seven (7) days to object thereto on any grounds.

The Rejected Executory Contract/Unexpired Lease List shall be filed with the Plan Supplement, *provided* that the Debtors may amend such list (including by adding or removing contracts and leases therefrom) at any time prior to the Effective Date. Notwithstanding anything herein to the contrary, with respect to any Unexpired Lease of nonresidential real property that is listed on the Rejected Executory Contract/Unexpired Lease List, the effective date of the rejection of any such Unexpired Lease shall be the later of (1) the Effective Date and (2) the date upon which the Debtors notify the landlord in writing (email being sufficient) that they have surrendered the premises to the landlord and returned the keys, key codes, or security codes, as applicable. Any property remaining on the premises subject to a rejected Unexpired Lease shall be deemed abandoned by the Debtors or the Reorganized Debtors, as applicable, as of the effective date of rejection, and the counterparty to such Unexpired Lease shall be authorized to use or dispose of any property left on the premises in its sole and absolute discretion without notice or liability to the Debtors or the Reorganized Debtors, as applicable, or any third party.

B. Payments on Assumed Executory Contracts and Unexpired Leases

Any monetary default under an Executory Contract or Unexpired Lease to be assumed pursuant to this Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash in the ordinary course of business, subject to the limitation described below, or on such other terms as the parties to such Executory Contract or Unexpired Lease may otherwise agree.

Parties to Executory Contracts and Unexpired Leases assumed by the Debtors pursuant to the Plan shall not be required to File a Proof of Claim or objection to assert or preserve any Cure Cost. Notwithstanding anything to the contrary in the Plan, all Cure Cost shall be Unimpaired by the Plan and all Cure Cost outstanding as of the Effective Date shall remain continuing obligations of the Reorganized Debtors following the Effective Date subject to all parties' rights and defenses with respect thereto.

Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Combined Order, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

In the event of a dispute regarding (1) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365(b) of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (2) any other matter pertaining to assumption, the Bankruptcy Court shall hear such dispute before the assumption becoming effective; *provided*, that the Debtors, with the consent of the Required Consenting Lenders may settle any such dispute and shall pay any agreed upon Cure Cost without any further notice to any party or any action, order, or approval. The cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order(s) resolving the dispute and approving the assumption and shall not prevent or delay implementation of this Plan or the occurrence of the Effective Date.

C. Claims Based on Rejection of Executory Contracts and Unexpired Leases

Unless otherwise provided by a Bankruptcy Court order, any Proofs of Claim asserting Rejection Damages Claims pursuant to this Plan or otherwise must be filed with the Notice and Claims Agent within thirty (30) days of the later of (1) the effective date of the rejection of the applicable Executory Contract or Unexpired Lease (which shall be the Confirmation Date unless otherwise provided in an order of the Bankruptcy Court providing for the rejection of an Executory Contract or Unexpired Lease); (2) the Confirmation Date; or (3) the date of the order authorizing the rejection of the applicable Executory Contract or Unexpired Lease. **Any Rejection Damages Claims that are not timely filed shall be automatically disallowed without further order of the Bankruptcy Court.** All Allowed Rejection

Damages Claims shall constitute General Unsecured Claims and shall be treated in accordance with Article III.B.

Any Rejection Damages Claims for Executory Contracts or Unexpired Leases that the Debtors, with the consent of the Required Consenting Term Lenders, elect to reject shall be paid in full on the Effective Date, subject to the applicable provisions of the Bankruptcy Code, including sections 502(b)(6) and 510(b); *provided*, that such Claim is not a Subordinated Claim, in which case such Claim shall be treated as a Subordinated Claim pursuant to the terms of this Plan.

D. *Contracts and Leases Entered into After the Petition Date*

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by any Debtor, shall be performed by such Debtor or Reorganized Debtor, as applicable, liable thereunder in the ordinary course of business. Accordingly, such contracts and leases (including any Executory Contracts and Unexpired Leases assumed or assumed and assigned pursuant to section 365 of the Bankruptcy Code) that have not been rejected as of the Confirmation Date shall survive and remain unaffected by entry of the Combined Order.

E. *Reservation of Rights*

Nothing contained in this Plan shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors or Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease. If there is a dispute regarding a Debtor's or Reorganized Debtor's liability under an assumed Executory Contract or Unexpired Lease, the Reorganized Debtors shall be authorized to move to have such dispute heard by the Bankruptcy Court pursuant to Article X.

F. *Directors and Officers Insurance Policies*

On the Effective Date the Reorganized Debtors shall be deemed to have assumed all of the Debtors' D&O Insurance Policies (including any "tail coverage" and all agreements, documents, or instruments related thereto) in effect before the Effective Date pursuant to sections 105 and 365(a) of the Bankruptcy Code, without the need for any further notice to or action, order, or approval of the Bankruptcy Court. Confirmation of this Plan shall not discharge, impair, or otherwise modify any indemnity obligations assumed by the foregoing assumption of the D&O Insurance Policies, and each such indemnity obligation shall be deemed and treated as an Executory Contract that has been assumed by the Debtors under this Plan as to which no Proof of Claim need be Filed. The Debtors and, after the Effective Date, the Reorganized Debtors shall retain the ability to supplement such D&O Insurance Policies as the Debtors or Reorganized Debtors, as applicable, may deem necessary. For the avoidance of doubt, entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Reorganized Debtors' foregoing assumption of each of the unexpired D&O Insurance Policies.

In addition, on or after the Effective Date, none of the Reorganized Debtors shall terminate or otherwise reduce the coverage under any D&O Insurance Policies (including any "tail policy" and all agreements, documents, or instruments related thereto) in effect on or before the Effective Date, with respect to conduct occurring prior thereto, and all current and former directors, officers, and managers of the Debtors who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any such policies for the full term of such policies regardless of whether such current and former directors, officers, and managers remain in such positions after the Effective Date, all in accordance with

and subject in all respects to the terms and conditions of the D&O Insurance Policies, which shall not be altered.

G. *Other Insurance Contracts*

On the Effective Date, each of the Debtors' Insurance Contracts in existence as of the Effective Date shall be Reinstated and continued in accordance with their terms and, to the extent applicable, shall be deemed assumed by the applicable Reorganized Debtor pursuant to section 365 of the Bankruptcy Code and Article V. Nothing in this Plan shall affect, impair, or prejudice the rights of the insurance carriers, the insureds, or the Reorganized Debtors under the Insurance Contracts in any manner, and such insurance carriers, the insureds, and Reorganized Debtors shall retain all rights and defenses under such Insurance Contracts. The Insurance Contracts shall apply to and be enforceable by and against the insureds and the Reorganized Debtors in the same manner and according to the same terms and practices applicable to the Debtors, as existed before the Effective Date.

H. *Indemnification Provisions and Reimbursement Obligations*

On and as of the Effective Date, and except as prohibited by applicable law and subject to the limitations set forth herein, the Indemnification Provisions shall be assumed and irrevocable and shall survive the effectiveness of this Plan, and the New Organizational Documents shall provide to the fullest extent provided by law for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members', and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted. Notwithstanding anything in this Plan to the contrary, none of the Reorganized Debtors shall amend and/or restate the New Organizational Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

I. *Employee Compensation and Benefits*

1. Compensation and Benefits Programs

Subject to the provisions of this Plan, all Compensation and Benefits Programs (other than awards of stock options, restricted stock, restricted stock units, and other equity awards) shall be treated as Executory Contracts under this Plan and deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code. All Proofs of Claim Filed for amounts due under any Compensation and Benefits Program shall be considered satisfied by the applicable agreement and/or program and agreement to assume and cure in the ordinary course as provided in this Plan. All collective bargaining agreements to which any Debtor is a party, and all Compensation and Benefits Programs which are maintained pursuant to such collective bargaining agreements or to which contributions are made or benefits provided pursuant to a current or past collective bargaining agreement, shall be deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code and the Reorganized Debtors reserve all of their rights under such agreements. For the avoidance of doubt, the Debtors and Reorganized Debtors, as applicable, shall honor all their obligations under section 1114 of the Bankruptcy Code.

None of the Restructuring Transactions, or any assumption of Compensation and Benefits Programs pursuant to the terms herein shall be deemed to trigger any applicable change of control, vesting, termination, acceleration, or similar provisions therein; *provided*, that the Assumed Employee Agreements

shall be assumed and governed by the terms thereof. Subject to the preceding sentence, no counterparty shall have rights under a Compensation and Benefits Program assumed pursuant to this Plan other than those applicable immediately before such assumption.

2. Workers' Compensation Programs

As of the Effective Date, except as set forth in the Plan Supplement, the Debtors and the Reorganized Debtors shall continue to honor their obligations under: (a) all applicable state workers' compensation laws; and (b) the Workers' Compensation Contracts. All Proofs of Claims filed by the Debtors' current or former employees on account of workers' compensation shall be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court based upon the treatment provided for herein; *provided*, that nothing in this Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to the Workers' Compensation Contracts; *provided, further*, that nothing herein shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable non-bankruptcy law and/or the Workers' Compensation Contracts.

Article VI.
PROVISIONS GOVERNING DISTRIBUTIONS

A. *Timing and Calculation of Amounts to Be Distributed*

Unless otherwise provided in this Plan, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive the full amount of the distributions that this Plan provides for Allowed Claims in the applicable Class; *provided*, that any Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business during the Chapter 11 Cases or assumed by the Debtors before the Effective Date shall be paid or performed in the ordinary course of business.

In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VII. Except as otherwise provided herein, Holders of Claims shall not be entitled to postpetition interest, dividends, or accruals on the distributions provided for herein, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. *Special Rules for Distributions to Holders of Disputed Claims*

Except as otherwise agreed by the relevant parties: (1) no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order; and (2) any Entity that holds both an Allowed Claim and a Disputed Claim shall not receive any distribution on the Allowed Claim unless and

until all objections to the Disputed Claim have been resolved by settlement or Final Order or such Claims or Interests have been Allowed or expunged.

C. *Rights and Powers of Distribution Agent*

1. Powers of the Distribution Agent

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under this Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to this Plan, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred on or After the Effective Date and Indemnification

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date (including taxes in connection with this Plan, but excluding any income, franchise, or similar taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Distribution Agent shall be paid in Cash by the Reorganized Debtors.

D. *Delivery of Distributions*

1. Record Date for Distributions

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date. The Distribution Record Date shall not apply to distributions in respect of Securities deposited with DTC, the Holders of which shall receive distributions, if any, in accordance with the customary exchange procedures of DTC or this Plan. For the avoidance of doubt, in connection with a distribution through the facilities of DTC (if any), DTC shall be considered a single Holder for purposes of distributions.

2. Delivery of Distributions in General

Except as otherwise provided herein, the Distribution Agent shall make distributions to Holders of Allowed Claims as of the Distribution Record Date, or, if applicable, to such Holder's designee, as appropriate: (a) at the address for each such Holder as indicated on the Debtors' records as of the Distribution Record Date; (b) to the signatory set forth on any Proof of Claim Filed by such Holder or other Representative identified therein (or at the last known addresses of such Holder if no Proof of Claim is Filed or if the Debtors have not been notified in writing of a change of address); (c) at the addresses set forth in any written notices of address changes delivered to the Reorganized Debtors or the applicable Distribution Agent, as appropriate, after the date of any related Proof of Claim; or (d) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf; *provided*, that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

All distributions to Holders of DIP Claims shall be made to the DIP Agents or the Exit Term Loan Agent, as applicable, and the DIP Agents or the Exit Term Loan Agent shall be, and shall act as, the Distribution Agent with respect to the DIP Claims in accordance with the terms and conditions of this Plan and the applicable debt documents.

All distributions to Holders of Prepetition Term Loan Claims shall be made to the Prepetition Term Loan Agent, and the Prepetition Term Loan Agent shall be, and shall act as, the Distribution Agent with respect to the Prepetition Term Loan Claims in accordance with the terms and conditions of this Plan and the applicable debt documents.

3. Minimum Distributions

Notwithstanding any provision in this Plan to the contrary, no Distribution Agent shall be required to make distributions or payments of less than \$100 (whether in Cash or otherwise) with respect to Impaired Claims. No fractional shares of New Equity Interests shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to this Plan on account of an Allowed Claim would otherwise result in the issuance of a number of shares of New Equity Interests that is not a whole number, the actual distribution of shares of New Equity Interests shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment therefore. The total number of authorized shares of New Equity Interests to be distributed under this Plan shall be adjusted as necessary to account for the foregoing rounding. For distribution purposes (including rounding), DTC shall be treated as a single Holder.

4. Undeliverable Distributions

In the event that any distribution to any Holder of Allowed Claims is returned as undeliverable, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided*, that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one (1) year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder of Claims to such property or interest in property shall be discharged and forever barred.

E. *Compliance with Tax Requirements; Allocations*

In connection with this Plan and all distributions hereunder, the Reorganized Debtors and any other applicable Distribution Agent (including for purposes of this Article VI, the Debtors) shall comply with all applicable withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions hereunder and under all related agreements shall be subject to any such withholding and reporting requirements. Notwithstanding any provision in this Plan to the contrary, the Reorganized Debtors and any other applicable Distribution Agent shall have the right, but not the obligation, to take any and all actions that may be necessary or appropriate to comply with such applicable withholding and reporting requirements, including (a) withholding distributions and amounts therefrom pending receipt of information necessary to facilitate such distributions, including properly executed withholding certification forms, and (b) in the case of a non-Cash distribution that is subject to withholding, withholding an appropriate portion of such property and either liquidating such withheld property to generate sufficient funds to pay applicable withholding taxes (or reimburse the distributing party for any advance payment of the withholding tax) or pay the withholding tax using its own funds and retain such withheld property. Notwithstanding any provision in this Plan to the contrary, each Holder of an Allowed Claim shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit, including income, withholding, and other tax obligations, on account of such distribution. Any amounts withheld or reallocated pursuant to this Article VI shall be treated as if distributed to the Holder of the Allowed Claim.

Any Person or Entity entitled to receive any property as an issuance or distribution under this Plan shall, upon request of the Reorganized Debtors or any other applicable Distribution Agent, deliver to the applicable Reorganized Debtor or any other applicable Distribution Agent, or such other Person designated by the Reorganized Debtors or the Distribution Agent, an IRS Form W-9 or, if the payee is a foreign Person or Entity, an applicable IRS Form W-8 (together with all attachments), or any other forms or documents reasonably requested by a Reorganized Debtor or Distribution Agent to reduce or eliminate any withholding required by any Governmental Unit.

The Reorganized Debtors reserve the right to allocate all distributions made under this Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, Liens, and encumbrances.

F. *Applicability of Insurance Contracts*

Notwithstanding anything to the contrary in this Plan, the Plan Supplement, the Disclosure Statement, or the Combined Order (including, without limitation, any provision that purports to be preemptory or supervening, confers Bankruptcy Court jurisdiction, or requires a party to opt out of any releases):

1. on and after the Effective Date, all Insurance Contracts (a) are found to be and shall be treated as, Executory Contracts under this Plan and shall be assumed pursuant to sections 105 and 365 of the Bankruptcy Code by the applicable Debtor, and/or (b) shall vest in the Reorganized Debtors and ride through and continue in full force and effect in accordance with their respective terms in either case such that the Reorganized Debtors shall become and remain jointly and severally liable in full for, and shall satisfy, any premiums, deductibles, self-insured retentions, and/or any other amounts or obligations arising in any way out of the receipt of payment from an Insurer in respect of the Insurance Contracts and as to which no Proof of Claim, Administrative Claim, or Cure Cost claim need be filed; and

2. solely with respect to Insurance Contracts, which, for avoidance of doubt, includes any and all collateral or security securing the Debtor's obligations under the insurance policies, including, without limitation, escrow accounts, deposit accounts, Cash Collateral, and letters of credit, the automatic stay of section 362(a) of the Bankruptcy Code and the injunctions set forth in this Plan, if and to the extent applicable, shall be deemed lifted without further order of this Bankruptcy Court, solely to permit (a) claimants with valid workers' compensation claims or direct action claims against Insurers under applicable non-bankruptcy law to proceed with their claims; (b) Insurers to administer, handle, defend, settle, and/or pay, in the ordinary course of business and without further order of this Bankruptcy Court, (i) workers' compensation claims, (ii) claims where a claimant asserts a direct claim against an Insurer under applicable non-bankruptcy law, or an order has been entered by this Bankruptcy Court granting a claimant relief from the automatic stay or the injunctions set forth in this Plan to proceed with its claim, and (iii) all costs in relation to each of the foregoing; and (c) the Insurers to collect from any or all of the collateral or security provided by or on behalf of the Debtors (or the Reorganized Debtors) at any time and to hold the proceeds thereof as security for the obligations of the Debtors (or the Reorganized Debtors) and/or apply such proceeds to the obligations of the Debtors (or the Reorganized Debtors) under the applicable Insurance Contracts, in such order as the applicable Insurer may determine.

Nothing contained in this Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including Insurers under any Insurance Contracts, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any rights or defenses, including coverage defenses, held by such Insurers under the Insurance Contracts and/or applicable non-bankruptcy law.

G. *Allocation of Distributions Between Principal and Interest*

Except as otherwise required by law (as reasonably determined by the Reorganized Debtors), distributions with respect to an Allowed Claim shall be allocated for United States federal (and applicable state and local) income tax purposes first to the principal portion of such Allowed Claim and, thereafter, to the remaining portion of such Allowed Claim, if any.

H. *No Postpetition Interest on Claims*

Unless otherwise specifically provided for in this Plan, any other Definitive Document, the Combined Order, the DIP/Cash Collateral Orders, or any other Final Order of the Bankruptcy Court, or required by applicable bankruptcy law (including, without limitation, as required pursuant to section 506(b) or section 511 of the Bankruptcy Code), postpetition interest shall not accrue or be paid on any Claims and no Holder of a Claim or Interest shall be entitled to interest accruing on or after the Petition Date on any Claim.

I. *Means of Cash Payment*

Payments of Cash made pursuant to this Plan shall be in United States dollars and shall be made, at the option of the Debtors or the Reorganized Debtors (as applicable), by checks drawn on, or wire transfer from, a domestic bank selected by the Debtors or the Reorganized Debtors. Cash payments to foreign creditors may be made, at the option of the Debtors or the Reorganized Debtors, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

J. *Setoffs and Recoupment*

Except as otherwise provided herein, each Reorganized Debtor pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable bankruptcy or non-bankruptcy law, or as may be agreed to by the Holder of an Allowed Claim, may set off or recoup against any Allowed Claim and the distributions to be made pursuant to this Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or assigned on or before the Effective Date (whether pursuant to this Plan, a Final Order or otherwise); *provided*, that neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to this Plan shall constitute a waiver or release by such Reorganized Debtor of any such Claims, rights, and Causes of Action.

Notwithstanding anything to the contrary herein, nothing in this Plan or the Combined Order shall modify the rights, if any, of any counterparty to a rejected Executory Contract or Unexpired Lease to assert any right of setoff or recoupment that such party may have under applicable bankruptcy law or non-bankruptcy law, including, but not limited to, the (1) ability, if any, of such parties to setoff or recoup a security deposit held pursuant to the terms of their rejected Unexpired Lease(s) with the Debtors, or any successors to the Debtors, under this Plan, (2) assertion of rights of setoff or recoupment, if any, in connection with Claims reconciliation, or (3) assertion of setoff or recoupment as a defense, if any, to any Claim or action by the Debtors, the Reorganized Debtors, or any successors of the Debtors.

K. *Claims Paid or Payable by Third Parties*

1. Claims Paid by Third Parties

A Claim shall be correspondingly reduced, and the applicable portion of such Claim shall be disallowed without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives a payment

on account of such Claim from a party that is not a Debtor or Reorganized Debtor. To the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Holder shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the Reorganized Debtors to the extent the Holder's total recovery on account of such Claim from the third party and under this Plan exceeds the amount of such Claim as of the date of any such distribution under this Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the Reorganized Debtors annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is repaid.

2. Claims Payable by Insurers

No distributions under this Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' Insurance Contracts until the Holder of such Allowed Claim has exhausted all remedies with respect to such Insurance Contract. To the extent that one or more of the Insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such Insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Insurance Contracts

Except as otherwise provided in this Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable Insurance Contract. Notwithstanding anything to the contrary herein, nothing contained in this Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any other Entity may hold against any other Entity, including Insurers, under any Insurance Contracts or applicable indemnity, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any defenses, including coverage defenses, held by such Insurers.

**Article VII.
PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED, AND DISPUTED CLAIMS**

A. *No Filings of Proofs of Claim*

Except as otherwise provided in this Plan, Holders of Claims shall not be required to File a Proof of Claim, and except as provided in this Plan, no parties should File a Proof of Claim. The Debtors do not intend to object in the Bankruptcy Court to the allowance of Claims Filed; *provided*, that the Debtors and the Reorganized Debtors, as applicable, reserve the right to object to any Claim that is entitled, or deemed to be entitled, to a distribution under this Plan or is rendered Unimpaired under this Plan. Instead, the Debtors intend to make distributions, as required by this Plan, in accordance with the books and records of the Debtors. Unless disputed by a Holder of a Claim, the amount set forth in the books and records of the Debtors shall constitute the amount of the Allowed Claim of such Holder except that (unless expressly waived pursuant to this Plan) the Allowed amount of such Claim shall be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable. If any such Holder of a Claim disagrees with the Debtors' books and records with respect to the Allowed amount of such Holder's Claim, such Holder must so advise the Debtors in writing within thirty (30) days of receipt of any distribution on account of such Holder's Claim, in which event the Claim shall become a Disputed Claim. The Debtors intend to attempt to resolve any such disputes consensually or through judicial means outside the Bankruptcy Court. Nevertheless, the Debtors may, in their discretion, File with the Bankruptcy Court (or any other court of competent jurisdiction) an objection

to the allowance of any Claim or any other appropriate motion or adversary proceeding with respect thereto. All such objections shall be litigated to Final Order; *provided*, that the Debtors may compromise, settle, withdraw, or resolve by any other method approved by the Bankruptcy Court any objections to Claims.

All Proofs of Claim, other than Rejection Damages Claims, Filed in the Chapter 11 Cases shall be considered objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim, other than Rejection Damages Claims, Filed against the Debtors, regardless of the time of filing, and including Proofs of Claim, other than Rejection Damages Claims, Filed after the Effective Date, shall be deemed withdrawn and expunged, other than as provided below. Notwithstanding anything in this Plan to the contrary, disputes regarding the amount of any Cure Cost pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court. **Except as otherwise provided herein, all Proofs of Claim, other than Rejection Damages Claims, Filed after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.**

B. *Allowance and Disallowance of Claims*

After the Effective Date, and except as otherwise provided in this Plan, the Reorganized Debtors shall have and shall retain any and all available rights and defenses that the Debtors had with respect to any Claim immediately before the Effective Date, including, without limitation, the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code. The Debtors and the Reorganized Debtors may, but are not required to, contest the amount and validity of any Disputed Claim or contingent or unliquidated Claim in the ordinary course of business in the manner and venue in which such Claim would have been determined, resolved or adjudicated if the Chapter 11 Cases had not been commenced.

All Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code shall be disallowed if: (1) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (2) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

C. *Claims Administration Responsibilities*

Except as otherwise specifically provided in this Plan, after the Effective Date, the Reorganized Debtors shall have the sole authority: (1) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (2) to settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor shall have and retain any and all rights and defenses such Debtor had immediately before the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to this Plan.

Any objections to Claims and Interests other than General Unsecured Claims must be served and Filed on or before the 120th day after the Effective Date or by such later date as ordered by the Bankruptcy Court. All Claims and Interests other than General Unsecured Claims not objected to

by the end of such 120-day period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

Any objections to Rejection Damages Claims must be served and Filed on or before the 120th day after the Effective Date or by such later date as ordered by the Bankruptcy Court. All Rejection Damages Claims not objected to by the end of such 120-day period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

Notwithstanding the foregoing, the Debtors and Reorganized Debtors shall be entitled to dispute and/or otherwise object to any General Unsecured Claim in accordance with applicable non-bankruptcy law. If the Debtors or Reorganized Debtors dispute any General Unsecured Claim, such dispute shall be determined, resolved, or adjudicated, as the case may be, in the manner as if the Chapter 11 Cases had not been commenced; *provided*, that any disputes regarding the Allowance of a Rejection Damages Claim shall be determined by the Bankruptcy Court. In any action or proceeding to determine the existence, validity, or amount of any General Unsecured Claim, any and all claims or defenses that could have been asserted by the applicable Debtor(s) or the Entity holding such General Unsecured Claim are preserved as if the Chapter 11 Cases had not been commenced.

D. *Adjustment to Claims or Interests without Objection*

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Reorganized Debtors without the Reorganized Debtors having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

E. *Distributions After Allowance*

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of this Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under this Plan as of the Effective Date, without any postpetition interest to be paid on account of such Claim.

Following the satisfaction or waiver of the foregoing, concurrently with or immediately following effectiveness of this Plan on the Effective Date:

1. The Existing Equity Interests shall have been canceled and the New Equity Interests shall have been issued by Reorganized Parent and distributed in accordance with the terms of this Plan.

B. Waiver of Conditions

Subject to section 1127 of the Bankruptcy Code, the conditions to Confirmation and consummation of this Plan set forth in this Article VIII may be waived by the Debtors, with the consent of the Required Consenting Lenders, without notice, leave, or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate this Plan. The failure of the Debtors or Reorganized Debtors to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each right shall be deemed an ongoing right that may be asserted at any time.

C. Effect of Non-Occurrence of Conditions to the Effective Date

If the Confirmation of this Plan or the Effective Date does not occur with respect to one or more of the Debtors on or before the termination of the Transaction Support Agreement, then this Plan shall, with respect to such applicable Debtor or Debtors, be null and void in all respects and nothing contained in this Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any claims by or Claims against or Interests in the Debtors; (2) prejudice in any manner the rights of the Debtors, any Holders, or any other Person or Entity; (3) constitute an allowance of any Claim or Interest; or (4) constitute an admission, acknowledgment, offer, or undertaking by the Debtors, any Holders, or any other Person or Entity in any respect.

D. Substantial Consummation

“Substantial consummation” of this Plan, as defined in section 1102(2) of the Bankruptcy Code, shall be deemed to occur on the Effective Date.

Article IX.

DISCHARGE, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Discharge of Claims and Termination of Interests

Pursuant to and to the fullest extent permitted by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in this Plan, the Combined Order, the Definitive Documents, or in any contract, instrument, or other agreement or document created or entered into, the distributions, rights, and treatment that are provided in this Plan shall be in full and final satisfaction, settlement, release, and discharge, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, demands against, Liens on, obligations of, rights against, and Interests in, the Debtors, the Reorganized Debtors, the Estates, or any of their assets or properties,

regardless of whether any property shall have been distributed or retained pursuant to this Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted this Plan. The Combined Order shall be a judicial determination of the discharge of all Claims and Interests subject to the occurrence of the Effective Date.

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to this Plan, the provisions of this Plan shall constitute a good-faith compromise of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Combined Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, the Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. In accordance with the provisions of this Plan, pursuant to Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against the Debtors and the Estates and Causes of Action against other Entities.

B. *Releases by the Debtors*

To the fullest extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in this Plan or the Combined Order, pursuant to section 1123(b) of the Bankruptcy Code, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, is and is deemed to be, forever and unconditionally released, and absolved by each Debtor, Reorganized Debtor, and the Estates from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction,

(8) any contract, instrument, release, or other agreement or document created or entered into in connection with this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of this Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to this Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under this Plan or any other related agreement, or (10) any other act or omission, transaction, agreement, event, or other occurrence related to any of the foregoing and taking place on or before the Effective Date; *provided*, that the Debtors do not release Claims or Causes of Action (1) that are of a commercial nature and arising in the ordinary course of business, such as accounts receivable and accounts payable on account of goods and services being performed or (2) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct). Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under this Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan, or any agreement, Claim, or obligation arising or assumed under this Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by each of the Released Parties, including the Released Parties' substantial contributions to facilitating the Restructuring Transactions and implementing this Plan; (2) a good-faith settlement and compromise of the Claims released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors' Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release.

C. *Releases by Holders of Claims and Interests*

To the extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in this Plan or the Combined Order, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Releasing Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, has and is deemed to have, forever and unconditionally, released, and absolved each Released Party from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the

Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any Security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with this Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of this Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to this Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under this Plan or any other related agreement, or (10) any other act, or omission, transaction, agreement, event, or other occurrence relating to any of the foregoing and taking place on or before the Effective Date; *provided*, that the Releasing Parties do not release Claims or Causes of Action (1) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud, gross negligence, or willful misconduct) or (2) against a Released Party arising from any obligations owed to the Releasing Party that are wholly unrelated to the Debtors or the Reorganized Debtors. Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under this Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan, or any agreement, claim, or obligation arising or assumed under this Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in this Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) consensual; (2) given and made after due notice and opportunity for hearing; and (3) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

D. *Exculpation*

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any Claims or Causes of Action for any act taken or omitted to be taken between the Petition Date and the Effective Date in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or consummation (as applicable) of this Plan, the Transaction Support Agreement, and the Disclosure Statement including any disbursements made by a Distribution Agent in connection with this Plan, the Disclosure Statement,

the Definitive Documents, the Plan Supplement, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with this Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the approval of the Disclosure Statement or Confirmation or consummation of this Plan; *provided*, that the foregoing provisions of this exculpation shall not operate to waive or release: (1) any Claims or Causes of Action arising from willful misconduct, actual fraud (but not, for the avoidance of doubt, fraudulent transfers), or gross negligence of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (2) the rights of any Person or Entity to enforce this Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with this Plan or assumed pursuant to this Plan or Final Order of the Bankruptcy Court; *provided*, further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions, or inactions.

The Exculpated Parties have, and upon consummation of this Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to this Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of this Plan or such distributions made pursuant to this Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. For the avoidance of doubt and notwithstanding anything else herein, the foregoing exculpation shall be limited to Persons that served as Estate fiduciaries during the Chapter 11 Cases.

E. *Permanent Injunction*

Except as otherwise expressly provided in the Transaction Support Agreement, this Plan or the Combined Order, from and after the Effective Date, all Persons and Entities are, to the fullest extent provided under Section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from (1) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (2) enforcing, attaching, collecting, or recovering in any manner or means any judgment, award, decree, or order; (3) creating, perfecting, or enforcing any Lien or encumbrance; (4) asserting a right of setoff or subrogation of any kind; or (5) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Interest, or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to this Plan or the Combined Order against any Person or Entity so released, discharged, or exculpated (or the property or estate of any Person or Entity so released, discharged, or exculpated). All injunctions or stays provided for in the Chapter 11 Cases under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

No Person or Entity may commence or pursue a Claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action, as applicable, subject to

Article IX hereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action, as applicable, represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such Claim or Cause of Action represents a colorable Claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such Claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such Claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Claims or Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court reserves jurisdiction to adjudicate any such claims to the maximum extent provided by the law.

F. *SEC Reservation of Rights*

Notwithstanding any language to the contrary in the Disclosure Statement, Plan and/or Combined Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers or (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, Causes of Action, proceedings or investigations against any non-Debtor Person or non-Debtor Entity in any forum.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF PLAN

A. *Modification of Plan*

All injunctions or stays contained in this Plan or the Combined Order shall remain in full force and effect in accordance with their terms.

I. *Entire Agreement*

On the Effective Date, this Plan and the Plan Supplement supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into this Plan.

J. *Governing Law*

Unless a rule of law or procedure is supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules) or unless otherwise specifically stated, the laws of the State of New York, without giving effect to the principles of conflict of laws, shall govern the rights, obligations, construction, and implementation of this Plan, the Plan Supplement, and any agreements, documents, instruments, or contracts executed or entered into in connection with this Plan (except as otherwise set forth in those agreements, in which case the governing law of such agreement shall control), and corporate governance matters; *provided*, that corporate governance matters relating to Debtors or Reorganized Debtors, as applicable, not incorporated in New York shall be governed by the laws of the jurisdiction of incorporation of the applicable Debtor or Reorganized Debtor, as applicable.

unless otherwise ordered by the Bankruptcy Court, the non-exhibit or non-document portion of this Plan shall control.

L. *Nonseverability of Plan Provisions upon Confirmation*

If, before Confirmation, any term or provision of this Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted; *provided*, that any such alteration or interpretation shall be acceptable to the Debtors and the Required Consenting Term Lenders. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of this Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Combined Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to this Plan and may not be deleted or modified without the consent of the Debtors; and (3) nonseverable and mutually dependent.

M. *Closing of Chapter 11 Cases*

The Reorganized Debtors shall, promptly after the full administration of the Chapter 11 Cases, File with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases.

N. *Conflicts*

To the extent that any provision of the Transaction Support Agreement, the Disclosure Statement, or any order entered before Confirmation (for avoidance of doubt, not including the Combined Order) referenced in this Plan (or any exhibits, appendices, supplements, or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of this Plan, this Plan shall govern and control; *provided, however*, that the parties to the Transaction Support Agreement shall use commercially reasonable efforts to eliminate any such inconsistency by agreement prior to the provisions of this section becoming applicable and enforceable; *provided, further*, that the foregoing shall not abrogate any party's consent rights. To the extent that any provision of this Plan conflicts with or is in any way inconsistent with any provision of the Combined Order, the Combined Order shall govern and control.

O. *No Strict Construction*

This Plan is the product of extensive discussions and negotiations between and among, *inter alia*, the Debtors, the Consenting Stakeholders, and their respective professionals. Each of the foregoing was represented by counsel of its choice who either participated in the formulation and documentation of, or was afforded the opportunity to review and provide comments on, this Plan and the Disclosure Statement, the exhibits and schedules thereto, and the other agreements and documents ancillary or related thereto. Accordingly, unless explicitly indicated otherwise, the general rule of contract construction known as "contra proferentem" or other rule of strict construction shall not apply to the construction or interpretation of any provision of this Plan and the Disclosure Statement, the exhibits and schedules thereto, and the other agreements and documents ancillary or related thereto.

6. 9. The Debtors are authorized, but not directed, to provide the Nominees with sufficient copies of the Combined Notice and Non-Voting Status Notice to forward to the beneficial Holders of Interests. Nominees are required to forward the Combined Notice and Non-Voting Status Notice or copies thereof to the beneficial Holders of Interests within seven (7) days of the receipt by such Nominee of the Combined Notice. To the extent the Nominees incur out-of-pocket expenses in connection with distribution of the Combined Notice or Non-Voting Status Notice, the Debtors are authorized, but not directed, to reimburse such entities for their reasonable and customary expenses incurred in this regard. To the extent that the Debtors serve beneficial Holders directly, in accordance with the customary requirements of a Nominee, the Debtors are authorized to send the Combined Notice and Non-Voting Status Notice to beneficial Holders of Interests in Class 8 in paper format via first class mail or via electronic transmission in accordance with the customary requirements of each Nominee.

10. The Solicitation Package used to solicit votes to accept or reject the Plan as set forth in the Motion is approved.

11. The Combined Notice, substantially in the form attached hereto as Exhibit 1, is approved.

17. The time within which the Debtors shall file the Schedules and Statements and 2015.3 Reports is extended through and including the SOAL/SOFA Deadline without prejudice to the Debtors' right to seek further extensions of the time within which to file the Schedules and Statements and 2015.3 Reports or to seek additional relief from the Court regarding the filing of, or waiver of the requirement to file, the Schedules and Statements and 2015.3 Reports.

18. The requirement to convene a Section 341 Meeting shall be deferred, provided confirmation occurs on or before the SOAL/SOFA Deadline, without prejudice to the Debtors' right to request further extensions thereof.

19. The U.S. Trustee shall not be required (but may after consulting with the Debtors) to schedule a Section 341 Meeting, unless the Plan is not confirmed in the Chapter 11 Cases on or before the SOAL/SOFA Deadline, without prejudice to the Debtors' right to request further extensions thereof.

Information Regarding Plan

The Debtors commenced solicitation of votes to accept the Plan from Holders of Class 3 (Term Loan Claims) of record as of December 18, 2024. Only Holders of Claims in Class 3 are entitled to vote to accept or reject the Plan. All other Classes of Claims and Interests are either presumed to accept or deemed to reject the Plan and, therefore, Holders of such Claims and Interests are not entitled to vote to accept or reject the Plan. **The deadline for the submission of votes to accept or reject the Plan is January 21, 2025 at 4:00 p.m. (prevailing Central Time).**

The Debtors are proposing a restructuring that, pursuant to the Plan, will provide substantial benefits to the Debtors and all of their stakeholders. Upon its full implementation, the Plan will reduce the Debtors' total funded debt from approximately \$243.1 million to approximately \$190 million. **Importantly, the Plan will not impair the Debtors' non-financial creditors, including general unsecured creditors such as vendors and suppliers—in other words, under the Plan, vendors and suppliers will be paid or otherwise satisfied in full in the ordinary course and on customary terms.** The restructuring will allow the Debtors' management team to focus on operational performance and value creation, execute on growth initiatives, and continue to serve as a leading national retailer of organizational solutions.

The Plan provides for certain releases, injunctions, and exculpations as set forth in Appendix A.

The Court has scheduled a combined hearing to consider final approval of the Disclosure Statement and any objections thereto and to consider confirmation of the Plan and any objections thereto to be held before the Court, Courtroom [], 4th floor, 515 Rusk Street, Houston, Texas 77002, **on January 24, 2025 at a time to be identified on the agenda for such hearing and the Solicitation Agent's website set forth below** (the "***Combined Hearing***"). The time and location of the Combined Hearing may also be obtained by contacting the undersigned proposed counsel to the Debtors. The Combined Hearing may be adjourned from time to time without further notice other than by filing a notice on the Court's docket indicating such adjournment and/or announcement of the adjournment date or dates at the Combined Hearing. The adjourned dates will be available on the electronic case filing docket and the Solicitation Agent's website at www.veritaglobal.net/thecontainerstore.

The Court has set the deadline for filing objections to the final approval of the Disclosure Statement and/or confirmation of the Plan as **January 21, at 4:00 p.m. (prevailing Central Time)** (the "***Objection Deadline***"). Any objections to the Disclosure Statement and/or the Plan must be: (a) in writing, (b) filed with the Clerk of the Court together with proof of service thereof, (c) set forth the name of the objecting party, and the nature and amount of any Claim or Interest asserted by the objecting party against the Debtors' estates or property of the Debtors, (d) state the legal and factual basis for such objection, and (e) conform to the applicable Federal Rules of Bankruptcy Procedure (the "***Bankruptcy Rules***") and the Bankruptcy Local Rules for the United States Bankruptcy Court for the Southern District of Texas (the "***Bankruptcy Local Rules***").

In addition to being filed with the Clerk of the Court, any such objections should be served upon the following parties in accordance with the Bankruptcy Local Rules:

Notice of Assumption of Executory Contracts and Unexpired Leases of Debtors and Related Procedures

Please take notice that, in accordance with Article V.A of the Plan and sections 365 and 1123 of the Bankruptcy Code, except as otherwise provided in the Plan, each Executory Contract and Unexpired Lease will be deemed assumed (the “*Assumed Contracts and Leases*”) unless it: (a) is identified on the Rejected Executory Contract/Unexpired Lease List (which, if any, will initially be filed with the Court as part of the Plan Supplement on or before January 14, 2025) as an Executory Contract or Unexpired Lease to be rejected, (b) is the subject of a separate motion or notice to reject pending as of the Effective Date, or (c) previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code). The Debtors are serving this Combined Notice on all parties to Executory Contracts and Unexpired Leases, reflecting the Debtors’ intention to assume the Executory Contracts and Unexpired Leases in connection with the Plan and indicating that the Debtors or the Reorganized Debtors, as applicable, will cure any defaults under the Executory Contracts and Unexpired Leases.

As provided in Article V.B of the Plan, any monetary default under the Assumed Contracts and Leases will be cured by payment in Cash on the Effective Date or as soon as reasonably practicable thereafter. If there is a dispute with respect to assumption of an Executory Contract or Unexpired Lease under the Plan then the Court will hear such dispute before assumption becoming effective, subject to the limitations set forth in the Plan.

If a dispute arises regarding the amount of any payment needed to cure outstanding defaults under any Executory Contract or Unexpired Lease, the payment required by section 365(b)(1) of the Bankruptcy Code will be made following the entry of a Final Order(s) resolving the dispute and approving the assumption and will not prevent or delay implementation of the Plan or the occurrence of the Effective Date.

Summary of the Plan

Solicitation of votes on the Plan commenced before the Petition Date. The following chart summarizes the treatment provided by the Plan to each Class of Claims and Interests:

Class	Claim / Interest	Status	Voting Rights	Approx. Percentage Recovery³
1	Other Secured Claims	Unimpaired	Presumed to Accept	Estimated Percentage Recovery: 100%

³ For purposes of the projected recoveries under the Plan set forth herein, the Debtors’ investment banker conducted a valuation analysis, and the total enterprise value as of the assumed Effective Date of January 31, 2025 is estimated to be between approximately \$184 million and \$216 million, with a midpoint of \$200 million.

Class	Claim / Interest	Status	Voting Rights	Approx. Percentage Recovery ³
2	ABL Claims	Unimpaired	Presumed to Accept	Estimated Percentage Recovery: 100%
3	<i>Term Loan Claims</i>	<i>Impaired</i>	<i>Entitled to Vote</i>	<i>Estimated Percentage Recovery: 4.5% to 17.6%.</i>
4	General Unsecured Claims	Unimpaired	Presumed to Accept	Estimated Percentage Recovery: 100%
5	Subordinated Claims	Impaired	Deemed to Reject	Estimated Percentage Recovery: 0%
6	Intercompany Claims	Unimpaired or Impaired	Presumed to Accept or Deemed to Reject	Estimated Percentage Recovery: N/A
7	Intercompany Interests	Unimpaired or Impaired	Presumed to Accept or Deemed to Reject	Estimated Percentage Recovery: N/A
8	Existing Equity Interests	Impaired	Deemed to Reject	Estimated Percentage Recovery: 0%

Non-Voting Status of Holders of Certain Claims and Interests

As set forth above, certain holders of Claims and Interests are **not** entitled to vote on the Plan. As a result, such parties did not receive any ballots and other related solicitation materials to vote on the Plan. Claims in Classes 1, 2, and 4 are Unimpaired under the Plan and, pursuant to section 1126(f) of the Bankruptcy Code, are conclusively presumed to accept the Plan. Claims and Interests in Classes 6 and 7 are either Unimpaired or Impaired under the Plan and are conclusively presumed to accept or deemed to reject the Plan, as applicable. Claims and Interests in Classes 5 and 8 (collectively with Classes 1, 2, 4, 6, and 7, the “**Non-Voting Classes**”) are Impaired under the Plan with no recovery and, pursuant to section 1126(g) of the Bankruptcy Code, are deemed to reject the Plan. In light of their presumed acceptance or rejection of the Plan, none of the Holders of Claims and Interests in the Non-Voting Classes were solicited to vote on the Plan. Instead, the Holders of Claims and Interests in the Non-Voting Classes (other than Holders of Intercompany Claims and Intercompany Interests) will receive a Non-Voting Status Notice. Because the Intercompany Claims and Intercompany Interests are all held by the Debtors or affiliates of the Debtors, the Debtors did not provide the Holders in Class 6 (Intercompany Claims) or Class 7 (Intercompany Interests) with a Non-Voting Status Notice (or a Solicitation Package). Further, Holders of Claims or Interests in the Non-Voting Classes can access the Disclosure Statement and the Plan at no cost on the website maintained by the Solicitation Agent: www.veritaglobal.net/thecontainerstore.

Section 341(a) Meeting

The Debtors intend to request that the Court defer a meeting of creditors pursuant to section 341(a) of the Bankruptcy Code (the “*Section 341(a) Meeting*”) and **that the Section 341(a) Meeting not be convened if the Plan is confirmed by February 23, 2025**. If the Section 341(a) Meeting will be convened, the Debtors will file and serve on the parties on whom they served this notice and any other parties entitled to notice pursuant to the Bankruptcy Rules, and post on the website at www.veritaglobal.net/thecontainerstore not less than twenty-one (21) days before the date scheduled for such meeting, a notice of, among other things, the date, time, and place of the Section 341(a) Meeting. The meeting may be adjourned or continued from time to time by notice at the meeting, without further notice to creditors.

¹ Capitalized terms used but not defined in this Appendix A have the meanings given to them in the Plan.

Article IX.

DISCHARGE, RELEASE, INJUNCTION, AND RELATED PROVISIONS

B. Releases by the Debtors

To the fullest extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in the Plan or the Combined Order, pursuant to section 1123(b) of the Bankruptcy Code, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, is and is deemed to be, forever and unconditionally released, and absolved by each Debtor, Reorganized Debtor, and the Estates from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of the Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with the Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of the Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to the Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under the Plan or any other related agreement, or (10) any other act or omission, transaction, agreement, event, or other occurrence related to any of the foregoing and taking place on or before the Effective Date; provided, that the Debtors do not release Claims or Causes of Action (1) that are of a commercial nature and arising in the ordinary course of business, such as accounts receivable and accounts payable on account of goods and services being performed or (2) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have

constituted actual fraud, gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct). Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under the Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any agreement, Claim, or obligation arising or assumed under the Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by each of the Released Parties, including the Released Parties' substantial contributions to facilitating the Restructuring Transactions and implementing the Plan; (2) a good-faith settlement and compromise of the Claims released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors' Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release.

C. Releases by Holders of Claims and Interests

To the extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in the Plan or the Combined Order, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Releasing Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, has and is deemed to have, forever and unconditionally, released, and absolved each Released Party from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any Security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of the Plan,

the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with the Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of the Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to the Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under the Plan or any other related agreement, or (10) any other act, or omission, transaction, agreement, event, or other occurrence relating to any of the foregoing and taking place on or before the Effective Date; provided, that the Releasing Parties do not release Claims or Causes of Action (1) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud, gross negligence, or willful misconduct) or (2) against a Released Party arising from any obligations owed to the Releasing Party that are wholly unrelated to the Debtors or the Reorganized Debtors. Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under the Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any agreement, claim, or obligation arising or assumed under the Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in the Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) consensual; (2) given and made after due notice and opportunity for hearing; and (3) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

D. Exculpation

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any Claims or Causes of Action for any act taken or omitted to be taken between the Petition Date and the Effective Date in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or consummation (as applicable) of the Plan, the Transaction Support Agreement, and the Disclosure Statement including any disbursements made by a Distribution Agent in connection with the Plan, the Disclosure Statement, the Definitive

Documents, the Plan Supplement, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the approval of the Disclosure Statement or Confirmation or consummation of the Plan; provided, that the foregoing provisions of this exculpation shall not operate to waive or release: (1) any Claims or Causes of Action arising from willful misconduct, actual fraud (but not, for the avoidance of doubt, fraudulent transfers), or gross negligence of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (2) the rights of any Person or Entity to enforce the Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with the Plan or assumed pursuant to the Plan or Final Order of the Bankruptcy Court; provided, further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions, or inactions.

The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. For the avoidance of doubt and notwithstanding anything else herein, the foregoing exculpation shall be limited to Persons that served as Estate fiduciaries during the Chapter 11 Cases.

E. Permanent Injunction

Except as otherwise expressly provided in the Transaction Support Agreement, the Plan or the Combined Order, from and after the Effective Date, all Persons and Entities are, to the fullest extent provided under Section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from (1) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (2) enforcing, attaching, collecting, or recovering in any manner or means any judgment, award, decree, or order; (3) creating, perfecting, or enforcing any Lien or encumbrance; (4) asserting a right of setoff or subrogation of any kind; or (5) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Interest, or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Combined Order against any Person or Entity so released, discharged, or exculpated (or the property or estate of any Person or Entity so released, discharged, or exculpated). All injunctions or stays provided for in the Chapter 11

Cases under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

No Person or Entity may commence or pursue a Claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action, as applicable, subject to Article IX thereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action, as applicable, represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such Claim or Cause of Action represents a colorable Claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such Claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such Claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Claims or Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court reserves jurisdiction to adjudicate any such claims to the maximum extent provided by the law.

F. SEC Reservation of Rights

Notwithstanding any language to the contrary in the Disclosure Statement, Plan and/or Combined Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers or (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, Causes of Action, proceedings or investigations against any non-Debtor Person or non-Debtor Entity in any forum.

8. Unless otherwise directed by the Court, all questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawals of Ballots will be determined by the Solicitation Agent and/or the Debtors, which determination will be final and binding. The Debtors reserve the right to reject any and all Ballots submitted by any of their respective creditors not in proper form, the acceptance of which would, in the opinion of the Debtors or their counsel, as applicable, be unlawful. The Debtors further reserve their respective rights to waive any defects or irregularities or conditions of delivery as to any particular Ballot by any of their creditors. The interpretation (including the Ballot and the respective instructions thereto) by the applicable Debtor, unless otherwise directed by the Court, will be final and binding on all parties. Unless waived, any defects or irregularities in connection with deliveries of Ballots must be cured within such time as the Debtors (or the Court) determines. Neither the Debtors nor any other Person will be under any duty to provide notification of defects or irregularities with respect to deliveries of Ballots nor will any of them incur any liabilities for failure to provide such notification. Unless otherwise directed by the Court, delivery of such Ballots will not be deemed to have been made until such irregularities have been cured or waived. Ballots previously furnished (and as to which any irregularities have not theretofore been cured or waived) will be invalidated.
9. The Ballot should not be sent to the Debtors, the Court, or the Debtors' financial or legal advisors.
10. This Ballot shall automatically be null and void and deemed withdrawn without any requirement of affirmative action by or notice to you in the event that (a) the Debtors revoke or withdraw the Plan, or (b) the Combined Order is not entered or consummation of the Plan does not occur.
11. There may be changes made to the Plan that do not have material adverse effects on an accepting Class. If such non-material changes are made to the Plan, the Debtors will not resolicit votes for acceptance or rejection of the Plan

12. If multiple Ballots are received from the same Holder of a Claim with respect to the same Claim before the Voting Deadline, the last, timely received, and valid Ballot, regardless of the manner of submission, will supersede and revoke any earlier-received Ballot.
13. The method of delivery of a Ballot to the Solicitation Agent is at the election and risk of each Holder of a Claim. Except as otherwise provided herein, such delivery will be deemed made, regardless of the manner of delivery, only when the Solicitation Agent **actually receives** the properly completed Ballot. In all cases, Holders should allow sufficient time to assure timely delivery of their Ballots.
14. NO PERSON HAS BEEN AUTHORIZED TO GIVE ANY INFORMATION OR ADVICE, OR TO MAKE ANY REPRESENTATION, OTHER THAN WHAT IS CONTAINED IN THE MATERIALS MAILED WITH THIS BALLOT, ANY SUPPLEMENTAL INFORMATION PROVIDED BY THE DEBTORS, OR OTHER MATERIALS AUTHORIZED BY THE COURT.

DISCHARGE, RELEASE, INJUNCTION, AND RELATED PROVISIONS

B. Releases by the Debtors

To the fullest extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in the Plan or the Combined Order, pursuant to section 1123(b) of the Bankruptcy Code, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, is and is deemed to be, forever and unconditionally released, and absolved by each Debtor, Reorganized Debtor, and the Estates from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of the Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with the Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of the Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to the Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under the Plan or any other related agreement, or (10) any other act or omission, transaction, agreement, event, or other occurrence related to any of the foregoing and taking place on or before the Effective Date; provided, that the Debtors do not release Claims or Causes of Action (1) that are of a commercial nature and arising in the ordinary course of business, such as accounts receivable and accounts payable on account of goods and services being performed or (2) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have

constituted actual fraud, gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct). Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under the Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any agreement, Claim, or obligation arising or assumed under the Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by each of the Released Parties, including the Released Parties' substantial contributions to facilitating the Restructuring Transactions and implementing the Plan; (2) a good-faith settlement and compromise of the Claims released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors' Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release.

C. Releases by Holders of Claims and Interests

To the extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in the Plan or the Combined Order, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Releasing Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, has and is deemed to have, forever and unconditionally, released, and absolved each Released Party from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any Security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of the Plan,

the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with the Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of the Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to the Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under the Plan or any other related agreement, or (10) any other act, or omission, transaction, agreement, event, or other occurrence relating to any of the foregoing and taking place on or before the Effective Date; provided, that the Releasing Parties do not release Claims or Causes of Action (1) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud, gross negligence, or willful misconduct) or (2) against a Released Party arising from any obligations owed to the Releasing Party that are wholly unrelated to the Debtors or the Reorganized Debtors. Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under the Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any agreement, claim, or obligation arising or assumed under the Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in the Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) consensual; (2) given and made after due notice and opportunity for hearing; and (3) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

D. Exculpation

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any Claims or Causes of Action for any act taken or omitted to be taken between the Petition Date and the Effective Date in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or consummation (as applicable) of the Plan, the Transaction Support Agreement, and the Disclosure Statement including any disbursements made by a Distribution Agent in connection with the Plan, the Disclosure Statement, the Definitive

Documents, the Plan Supplement, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the approval of the Disclosure Statement or Confirmation or consummation of the Plan; provided, that the foregoing provisions of this exculpation shall not operate to waive or release: (1) any Claims or Causes of Action arising from willful misconduct, actual fraud (but not, for the avoidance of doubt, fraudulent transfers), or gross negligence of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (2) the rights of any Person or Entity to enforce the Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with the Plan or assumed pursuant to the Plan or Final Order of the Bankruptcy Court; provided, further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions, or inactions.

The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. For the avoidance of doubt and notwithstanding anything else herein, the foregoing exculpation shall be limited to Persons that served as Estate fiduciaries during the Chapter 11 Cases.

E. Permanent Injunction

Except as otherwise expressly provided in the Transaction Support Agreement, the Plan or the Combined Order, from and after the Effective Date, all Persons and Entities are, to the fullest extent provided under Section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from (1) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (2) enforcing, attaching, collecting, or recovering in any manner or means any judgment, award, decree, or order; (3) creating, perfecting, or enforcing any Lien or encumbrance; (4) asserting a right of setoff or subrogation of any kind; or (5) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Interest, or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Combined Order against any Person or Entity so released, discharged, or exculpated (or the property or estate of any Person or Entity so released, discharged, or exculpated). All injunctions or stays provided for in the Chapter 11

Cases under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

No Person or Entity may commence or pursue a Claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action, as applicable, subject to Article IX thereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action, as applicable, represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such Claim or Cause of Action represents a colorable Claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such Claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such Claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Claims or Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court reserves jurisdiction to adjudicate any such claims to the maximum extent provided by the law.

F. SEC Reservation of Rights

Notwithstanding any language to the contrary in the Disclosure Statement, Plan and/or Combined Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers or (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, Causes of Action, proceedings or investigations against any non-Debtor Person or non-Debtor Entity in any forum.

the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with the Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of the Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to the Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under the Plan or any other related agreement, or (10) any other act, or omission, transaction, agreement, event, or other occurrence relating to any of the foregoing and taking place on or before the Effective Date; provided, that the Releasing Parties do not release Claims or Causes of Action (1) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud, gross negligence, or willful misconduct) or (2) against a Released Party arising from any obligations owed to the Releasing Party that are wholly unrelated to the Debtors or the Reorganized Debtors. Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under the Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any agreement, claim, or obligation arising or assumed under the Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in the Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) consensual; (2) given and made after due notice and opportunity for hearing; and (3) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

D. Exculpation

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any Claims or Causes of Action for any act taken or omitted to be taken between the Petition Date and the Effective Date in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or consummation (as applicable) of the Plan, the Transaction Support Agreement, and the Disclosure Statement including any disbursements made by a Distribution Agent in connection with the Plan, the Disclosure Statement, the Definitive

Documents, the Plan Supplement, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the approval of the Disclosure Statement or Confirmation or consummation of the Plan; provided, that the foregoing provisions of this exculpation shall not operate to waive or release: (1) any Claims or Causes of Action arising from willful misconduct, actual fraud (but not, for the avoidance of doubt, fraudulent transfers), or gross negligence of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (2) the rights of any Person or Entity to enforce the Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with the Plan or assumed pursuant to the Plan or Final Order of the Bankruptcy Court; provided, further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions, or inactions.

The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. For the avoidance of doubt and notwithstanding anything else herein, the foregoing exculpation shall be limited to Persons that served as Estate fiduciaries during the Chapter 11 Cases.

E. Permanent Injunction

Except as otherwise expressly provided in the Transaction Support Agreement, the Plan or the Combined Order, from and after the Effective Date, all Persons and Entities are, to the fullest extent provided under Section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from (1) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (2) enforcing, attaching, collecting, or recovering in any manner or means any judgment, award, decree, or order; (3) creating, perfecting, or enforcing any Lien or encumbrance; (4) asserting a right of setoff or subrogation of any kind; or (5) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Interest, or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Combined Order against any Person or Entity so released, discharged, or exculpated (or the property or estate of any Person or Entity so released, discharged, or exculpated). All injunctions or stays provided for in the Chapter 11

Cases under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

No Person or Entity may commence or pursue a Claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action, as applicable, subject to Article IX thereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action, as applicable, represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such Claim or Cause of Action represents a colorable Claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such Claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such Claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Claims or Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court reserves jurisdiction to adjudicate any such claims to the maximum extent provided by the law.

F. SEC Reservation of Rights

Notwithstanding any language to the contrary in the Disclosure Statement, Plan and/or Combined Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers or (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, Causes of Action, proceedings or investigations against any non-Debtor Person or non-Debtor Entity in any forum.

To the extent permitted by applicable law and approved by the Bankruptcy Court, and except as otherwise expressly set forth in the Plan or the Combined Order, as of the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Releasing Party, in each case on behalf of itself and its respective successors, assigns, and Representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, has and is deemed to have, forever and unconditionally, released, and absolved each Released Party from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of the Debtors, the Estates, or the Reorganized Debtors that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, (1) the management, ownership, or operation of the Debtors or the Non-Debtor Affiliates, (2) the purchase, sale, or rescission of any Security of the Debtors or the Non-Debtor Affiliates, (3) the subject matter of, or the transactions, events, circumstances, acts or omissions giving rise to, any Claim or Interest that is treated in the Restructuring Transactions, including the negotiation, formulation, or preparation of the Restructuring Transactions, (4) the business or contractual arrangements between any Debtor or Non-Debtor Affiliate and any other Entity, (5) the Debtors' and Non-Debtor Affiliates' in- or out-of-court restructuring efforts, (6) intercompany transactions, (7) the formulation, preparation, dissemination, negotiation, filing, or consummation of the Plan,

the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, or any Restructuring Transaction, (8) any contract, instrument, release, or other agreement or document created or entered into in connection with the Plan, the Disclosure Statement, the Transaction Support Agreement, the Definitive Documents, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), the Chapter 11 Cases, the pursuit of Confirmation of the Plan, the administration and implementation of the Plan, or the Restructuring Transactions, including the issuance or distribution of Securities pursuant to the Plan, (9) the distribution, including any disbursements made by a Distribution Agent, of property under the Plan or any other related agreement, or (10) any other act, or omission, transaction, agreement, event, or other occurrence relating to any of the foregoing and taking place on or before the Effective Date; provided, that the Releasing Parties do not release Claims or Causes of Action (1) arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud, gross negligence, or willful misconduct) or (2) against a Released Party arising from any obligations owed to the Releasing Party that are wholly unrelated to the Debtors or the Reorganized Debtors. Notwithstanding anything to the contrary in the foregoing, the Releases set forth above do not release (1) any obligations of any Person or Entity under the Plan, the Combined Order, any other Definitive Document, any Restructuring Transaction, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any agreement, claim, or obligation arising or assumed under the Plan or (2) any Causes of Action specifically retained by the Debtors pursuant to the Schedule of Retained Causes of Action.

Entry of the Combined Order shall constitute the Bankruptcy Court's approval of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in the Plan, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) consensual; (2) given and made after due notice and opportunity for hearing; and (3) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

D. Exculpation

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any Claims or Causes of Action for any act taken or omitted to be taken between the Petition Date and the Effective Date in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or consummation (as applicable) of the Plan, the Transaction Support Agreement, and the Disclosure Statement including any disbursements made by a Distribution Agent in connection with the Plan, the Disclosure Statement, the Definitive

Documents, the Plan Supplement, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the approval of the Disclosure Statement or Confirmation or consummation of the Plan; provided, that the foregoing provisions of this exculpation shall not operate to waive or release: (1) any Claims or Causes of Action arising from willful misconduct, actual fraud (but not, for the avoidance of doubt, fraudulent transfers), or gross negligence of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (2) the rights of any Person or Entity to enforce the Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with the Plan or assumed pursuant to the Plan or Final Order of the Bankruptcy Court; provided, further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions, or inactions.

The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. For the avoidance of doubt and notwithstanding anything else herein, the foregoing exculpation shall be limited to Persons that served as Estate fiduciaries during the Chapter 11 Cases.

E. Permanent Injunction

Except as otherwise expressly provided in the Transaction Support Agreement, the Plan or the Combined Order, from and after the Effective Date, all Persons and Entities are, to the fullest extent provided under Section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from (1) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (2) enforcing, attaching, collecting, or recovering in any manner or means any judgment, award, decree, or order; (3) creating, perfecting, or enforcing any Lien or encumbrance; (4) asserting a right of setoff or subrogation of any kind; or (5) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Interest, or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Combined Order against any Person or Entity so released, discharged, or exculpated (or the property or estate of any Person or Entity so released, discharged, or exculpated). All injunctions or stays provided for in the Chapter 11

Cases under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

No Person or Entity may commence or pursue a Claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action, as applicable, subject to Article IX thereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action, as applicable, represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such Claim or Cause of Action represents a colorable Claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such Claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such Claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Claims or Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court reserves jurisdiction to adjudicate any such claims to the maximum extent provided by the law.

F. SEC Reservation of Rights

Notwithstanding any language to the contrary in the Disclosure Statement, Plan and/or Combined Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers or (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, Causes of Action, proceedings or investigations against any non-Debtor Person or non-Debtor Entity in any forum.

constituted actual fraud, gross negligence, or willful misconduct (it being agreed that any Released Parties' consideration, approval, or receipt of any distribution did not arise from or relate to actual fraud (but not, for the avoidance of doubt, fraudulent transfers), gross negligence, or willful misconduct). Documents, the Plan Supplement, the Prepetition ABL Facility Documents, the Prepetition Term Loan Documents, the DIP Facilities Documents, the Exit Facilities Documents (and any financing permitted thereunder), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the approval of the Disclosure Statement or Confirmation or consummation of the Plan; provided, that the foregoing provisions of this exculpation shall not operate to waive or release: (1) any Claims or Causes of Action arising from willful misconduct, actual fraud (but not, for the avoidance of doubt, fraudulent transfers), or gross negligence of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (2) the rights of any Person or Entity to enforce the Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with the Plan or assumed pursuant to the Plan or Final Order of the Bankruptcy Court; provided, further, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions, or inactions.

The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act, or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any Person or Entity. For the avoidance of doubt and notwithstanding anything else herein, the foregoing exculpation shall be limited to Persons that served as Estate fiduciaries during the Chapter 11 Cases.

E. Permanent Injunction

Except as otherwise expressly provided in the Transaction Support Agreement, the Plan or the Combined Order, from and after the Effective Date, all Persons and Entities are, to the fullest extent provided under Section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from (1) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (2) enforcing, attaching, collecting, or recovering in any manner or means any judgment, award, decree, or order; (3) creating, perfecting, or enforcing any Lien or encumbrance; (4) asserting a right of setoff or subrogation of any kind; or (5) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Interest, or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Combined Order against any Person or Entity so released, discharged, or exculpated (or the property or estate of any Person or Entity so released, discharged, or exculpated). All injunctions or stays provided for in the Chapter 11

Cases under Sections 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

No Person or Entity may commence or pursue a Claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action, as applicable, subject to Article IX thereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action, as applicable, represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such Claim or Cause of Action represents a colorable Claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such Claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such Claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Claims or Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court reserves jurisdiction to adjudicate any such claims to the maximum extent provided by the law.

F. SEC Reservation of Rights

Notwithstanding any language to the contrary in the Disclosure Statement, Plan and/or Combined Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers or (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, Causes of Action, proceedings or investigations against any non-Debtor Person or non-Debtor Entity in any forum.

Restructuring Steps Memorandum

Restructuring Transactions Steps Memorandum

This restructuring transactions steps memorandum (this “Restructuring Transaction Steps Memorandum”) sets forth a description of certain of the Restructuring Transactions to be effectuated prior to or on the Effective Date in connection with the *Prepackaged Joint Plan of Reorganization of The Container Store Group, Inc. and its Debtor Affiliates under Chapter 11 of the Bankruptcy Code* [Docket No. 19] (as may be amended, modified, or supplemented from time to time in accordance with its terms, the “Plan”).¹ Until the Effective Date, this Restructuring Transaction Steps Memorandum is subject to modification in accordance with the terms of the Plan.² To the extent there is any inconsistency between this Restructuring Transactions Steps Memorandum and the Plan (without reference to this Restructuring Transaction Steps Memorandum), the Plan shall govern (except as set forth in the last sentence of Step 4 below). This is the Restructuring Transaction Steps Memorandum under, as defined in, and for all purposes of, the Plan.

Unless otherwise specified, the following Restructuring Transactions shall occur at, or within the ranges of, the times and in the order set forth below:

1. No less than one (1) Business Day immediately preceding the Effective Date, The Container Store, Inc., a Texas corporation (“TCS”), forms a new Delaware limited liability company and a wholly-owned subsidiary of TCS (“New TopCo”). New TopCo authorizes and issues to TCS the New Equity Interests required to consummate the Plan. The transactions described in this Step 1 are referred to as the “Step 1 Transactions”. Upon consummation of the Step 1 Transactions, TCS owns all of the issued and outstanding New Equity Interests. New TopCo shall constitute Reorganized Parent under, as defined in, and for all purposes of, the Plan.
2. On the Effective Date, (a) Parent contributes newly issued shares of its common stock, \$0.01 par value per share (“New Parent Shares”), to TCS as a contribution to the capital of TCS and in exchange for no additional shares of capital stock of TCS, and (b) immediately following TCS’s receipt of the New Parent Shares, TCS contributes the New Parent Shares to New TopCo as a contribution to the capital of New TopCo. The transactions described in this Step 2 are referred to as the “Step 2 Transactions”.
3. On the Effective Date, but immediately following the consummation of the Step 2 Transactions, TCS distributes (a) to the Holders of Allowed DIP Term Loan Claims (or, where applicable, their respective designees under the Plan) (i) the Exit Term Loans and (ii) 64% of the New Equity Interests, in full and final satisfaction, settlement, release, and discharge of, and in exchange for, such Allowed DIP Term Loan Claims and (b) to the Holders of Allowed Prepetition Term Loan Claims (or, where applicable, their respective designees under the Plan) 36% of the New Equity Interests, in full and final satisfaction, settlement, release, and discharge of, and in exchange for, such Allowed Prepetition Term Loan Claims, in each case of the foregoing, on the terms and

¹ Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan.

² This Restructuring Transactions Memorandum is subject to modification to maximize tax efficiency.

subject to the conditions set forth in the Plan. The transactions described in this Step 3 are referred to as the “Step 3 Transactions”.

Upon the consummation of the Step 3 Transactions, (A) the Holders of Allowed Prepetition Term Loan Claims (and/or their respective designees under the Plan) and Allowed DIP Term Loan Claims (and/or their respective designees under the Plan), collectively own all of the issued and outstanding New Equity Interests, (B) TCS does not own any New Equity Interests and shall be deemed to have withdrawn from, and shall cease to be a member of, New TopCo for all purposes, including for all purposes of the Delaware Limited Liability Company Act and the limited liability company agreement of New TopCo, and (C) New TopCo shall have become a partnership for U.S. federal income tax purposes in accordance with IRS Rev. Rul. 99-5, 1999-1 C.B. 434. In addition, concurrently with the consummation of the Step 3 Transactions, without any further action on the part of (or notice provided to) New TopCo, the Debtors, the Reorganized Debtors, any recipient of New Equity Interests or any other Person, (x) the initial limited liability company agreement of New TopCo (the “Initial LLC Agreement”) will be deemed amended and restated, and replaced in its entirety, by the Amended and Restated Limited Liability Agreement of [●] (the “A&R LLC Agreement”), (y) the A&R LLC Agreement will be deemed effective, valid, binding, and enforceable in accordance with its terms, and (z) all recipients of New Equity Interests pursuant to the Step 3 Transactions shall be deemed signatories to the A&R LLC Agreement and bound thereby in all respects even if any such recipient has not actually executed and delivered a counterpart thereof.

For U.S. federal income tax purposes, each recipient of New Equity Interests pursuant to the Step 3 Transactions shall be deemed to receive its *pro rata* share of the New Parent Shares and to immediately contribute such New Parent Shares to New TopCo in exchange for New Equity Interests, consistent with IRS Rev. Rul. 99-5, 1999-1 C.B. 434.

4. On the Effective Date, but immediately following the consummation of the Step 3 Transactions, all Existing Equity Interests in Parent are cancelled, released, and extinguished, and will be of no further force or effect, all for no consideration or distributions. Anything in the Plan (without reference to this Restructuring Transaction Steps Memorandum) to the contrary notwithstanding, the New Parent Shares shall not constitute Existing Equity Interests and will not receive the treatment accorded to Existing Equity Interests set forth in the Plan.

It is the intention of the Debtors, Reorganized Debtors, and Holders of Claims and Interests that the order of the steps contained in this Restructuring Transaction Steps Memorandum be treated for U.S. federal and all applicable state and local tax purposes as occurring independently and in the order and timing set forth above. The Debtors, Reorganized Debtors, and Holders of Claims and Interests agree, and shall be deemed to have agreed, to file all tax returns consistently with, and take no position that is inconsistent with, such order, unless otherwise required by a “determination” within the meaning of Section 1313(a) of the Internal Revenue Code of 1986, as amended.

This Restructuring Transaction Steps Memorandum is subject to ongoing review, revision, and modification and this Restructuring Transaction Steps Memorandum may be amended, modified, or revised as permitted by the Plan or any order of the Bankruptcy Court.

Such record of stockholders shall be available for inspection by any stockholder entitled to vote at the meeting beginning ten (10) days before the meeting and continuing through the day before the meeting, subject to the requirements of the DGCL, either on a reasonably accessible electronic network, provided, that the information required to gain access to such network is provided with the notice of the meeting, or during ordinary business hours at the principal place of business of the Corporation.

6. **Organization.** Any director selected by the Board of Directors or, in the absence of such selection, the Chief Executive Officer (or, in the Chief Executive Officer's absence, any Vice President), shall call meetings of stockholders to order and act as chairperson of such meetings. In the absence of said officers, any stockholder entitled to vote at the meeting, or any proxy of any such stockholder, may call the meeting to order and a chairperson shall be elected by the affirmative vote of holders of a majority of the voting power of the shares of Common Stock present in person or represented by proxy and entitled to vote at such meeting. The Secretary or any Assistant Secretary of the Corporation or any person appointed by the chairperson may act as secretary of such meetings.

7. **Agenda and Procedure.** The Board of Directors shall have the responsibility of establishing an agenda for each meeting of stockholders, subject to the rights of stockholders to raise matters for consideration which may otherwise properly be brought before an annual meeting although not included within the agenda. The chairperson shall be charged with the orderly conduct of all meetings of stockholders.

8. **Quorum.** Unless otherwise provided in the Certificate of Incorporation, these Bylaws, the DGCL or other applicable law, at any annual or special meeting of stockholders, the holders of shares of stock representing a majority of the voting power of the then issued and outstanding shares of stock entitled to vote on a matter at the meeting, either present in person or represented by proxy, shall constitute a quorum with respect to action on such matter, and action may be taken with respect to any matter presented at the meeting only if a quorum exists with respect to such matter.

9. **Adjournment.** When a meeting is for any reason adjourned to another time or place, notice need not be given of the adjourned meeting if the time, place, if any, and the means of remote communications, if any, thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, any business may be transacted which might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. If after the adjournment a new record date for stockholders entitled to vote is fixed for the adjourned meeting, the Board of Directors shall fix a new record date for notice of such adjourned meeting and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

10. **Voting.**

a. Except as otherwise required by law or otherwise provided in the Certificate of Incorporation, and subject to the rights of holders of any series of preferred stock of the Corporation (if any), (i) at every meeting of stockholders (or with respect to corporate action which may be taken without a meeting), every holder of record of stock of the Corporation entitled to vote on any matter at such meeting shall be entitled, with respect to such matter, to one (1) vote for each share of such stock held of record by such stockholder on the record date designated therefor pursuant to Section 3 of Article IX of these Bylaws (or the record date established pursuant to statute in the absence of such designation), (ii) whenever directors are to be elected by vote of stockholders, they shall be elected in accordance with the provisions

of Section 1 of Article III of these Bylaws, and (iii) whenever any corporate action, other than the election of directors, is to be taken by vote of stockholders, such corporate action shall be authorized by the affirmative vote of holders of a majority of the voting power of the shares of stock present in person or represented by proxy at the meeting and entitled to vote with respect to such corporate action.

b. At any meeting of stockholders, a stockholder may vote such stockholder's shares either in person or by proxy. A stockholder may appoint a proxy in person or through an attorney-in-fact and such appointment may be transmitted by any written statement of appointment permitted by the DGCL. The appointment of a proxy shall be effective for the period expressly specified in the appointment form.

c. The voting rights of fiduciaries, beneficiaries, pledgors, pledgees and joint, common and other multiple owners of shares of stock shall be as provided from time to time by the DGCL and any other applicable law.

d. Shares of stock of the Corporation held of record by another corporation or entity that are entitled to vote may be voted by such officer, agent or proxy as the bylaws or other organizational documents of such other corporation or entity may prescribe, or, in the absence of any applicable provision, as the board of directors or similar governing body of such other corporation or entity may determine.

11. **Inspectors.** The chairperson of any meeting of stockholders may at any time appoint one (1) or more inspectors to serve at such meeting. Such inspectors shall decide upon the qualifications of voters, including the validity of proxies, accept and count the votes for and against the questions presented, report the results of such votes, and subscribe and deliver to the secretary of the meeting a certificate stating the number of shares of stock issued and outstanding and entitled to vote thereon and the number of shares of stock voted for and against the questions presented. The voting inspectors need not be stockholders of the Corporation, and any director or officer of the Corporation may be an inspector on any question other than a vote for or against such director's or officer's election to any position with the Corporation or on any other question in which such officer or director may be directly interested.

ARTICLE III

Board of Directors

1. **Election; Term.** Except as may otherwise be provided in the Certificate of Incorporation or the DGCL, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. On the effective date of these Bylaws (the "Effective Date"), the number of directors constituting the whole Board of Directors shall be two (2). After the Effective Date, the number of directors constituting the whole Board of Directors shall be determined by the stockholders from time to time, but in no event shall the number of directors constituting the whole Board of Directors be less than one. Each director shall be elected by vote of holders of a plurality of the votes of the shares of Common Stock present in person or represented by proxy at any meeting at which a quorum is present called for the purpose of electing directors. Each director shall be elected to serve and to hold office until the

next succeeding annual meeting and until such director's successor shall be elected and shall qualify, or until such director's earlier death, resignation or removal.

2. **Qualification.** Each director must be a natural person at least eighteen (18) years of age on the date of election but need not be a stockholder.

3. **Annual Meetings.** On the same day as, and immediately following, each annual stockholders' meeting, the Board of Directors shall meet for the purpose of organization, election of officers and the transaction of any other business.

4. **Regular Meetings.** Regular meetings of the Board of Directors shall be held at such time or times as may be determined by the Board of Directors and specified in the notice of such meetings.

5. **Special Meetings.** Special meetings of the Board of Directors may be called by any of the directors.

6. **Place of Meetings.** Any meeting of the Board of Directors may be held at such place or places as shall from time to time be determined by the Board of Directors or, in the case of a special meeting of the Board of Directors, by the director(s) calling such meeting, and as shall be designated in the notice of the meeting. If no other place is designated in the notice of the meeting, such meeting shall be held at the Corporation's principal executive offices.

7. **Quorum.** A quorum for meetings of the Board of Directors will require the attendance of at least a majority of the total number of directors. The vote of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless the express provisions of the DGCL, the Certificate of Incorporation or these Bylaws requires a different vote, in which case such express provisions shall govern and control.

8. **Notice of Meetings.** Notice of each meeting of the Board of Directors, whether annual, regular or special, shall be given to each director (unless such notice is waived by such director as provided in Article IV of these Bylaws). Unless a longer period is required by the DGCL, if such notice is given either (i) by personally delivering written notice to a director, (ii) by personally telephoning such director or (iii) by email transmission at the email address of such director on the books and records of the Corporation, it shall be so given at least 24 hours prior to the meeting. Unless a longer period is required by the DGCL, if such notice is given by depositing a written notice by overnight courier service, postage prepaid, directed to such director at that person's residence or place of business, it shall be so given at least two (2) days prior to the meeting. The notice shall state the date and time of the meeting, but need not, unless otherwise required by the DGCL, state the purposes of the meeting.

9. **Meetings by Telecommunication.** One (1) or more members of the Board of Directors or any committee designated by the Board of Directors may participate in a meeting of the Board of Directors or such committee by any means of communication, including teleconference or similar remote communications, by which all persons participating in such meeting can hear each other at substantially the same time or by any other means permitted by

the DGCL. Any director or committee member participating in a meeting by any such means of communication is deemed to be present in person at such meeting.

10. **Organization, Agenda and Procedure.** The directors shall choose a director to act as chairperson to preside over the meetings of the Board of Directors. The Secretary, any Assistant Secretary, or any other person appointed by any such chairperson shall act as secretary of each meeting of the Board of Directors. The procedure for such meetings shall be as determined by such chairperson. All proposed agenda topics to be reviewed at the annual meetings and the regular meetings shall be delivered to each director prior to, or at the time that, notice of such meeting is provided to such director.

11. **Resignation.** Any director of the Corporation may resign at any time by giving written notice of such director's resignation to the Board of Directors, the Chief Executive Officer, any Vice President or the Secretary of the Corporation. Such resignation shall take effect at the date of receipt of such notice or at any later time specified therein and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

12. **Vacancies.** Vacancies on the Board of Directors shall be filled by the stockholders of the Corporation.

13. **Committees.** The Board of Directors may from time to time designate from among its members any committee deemed appropriate or necessary by the Board of Directors (each such committee to consist of one (1) or more directors). The Board of Directors may designate a chairperson of each such committee from among its members. Each such committee, to the extent provided in the resolution establishing such committee and except as otherwise prescribed by the DGCL, shall have and may exercise all of the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation; provided, however, that no such committee shall have the power or authority to (i) approve or adopt, or recommend to the stockholders, any action or matter (other than the election or removal of directors) expressly required by the DGCL to be submitted to stockholders for approval, or (ii) adopt, amend, or repeal these Bylaws. Any or all members of any such committee may be removed, with or without cause, by resolution of the Board of Directors. Rules governing the procedures for meetings of each committee shall be as established by the Board of Directors.

ARTICLE IV

Waiver of Notice by Stockholders and Directors; Action of Stockholders and Directors by Consent

1. **Waiver of Notice.** A stockholder or director may waive any notice required by the DGCL, the Certificate of Incorporation, or these Bylaws, whether before or after the date or time stated in the notice as the date or time when any action will occur or has occurred. Any such waiver shall be in writing, be signed by the stockholder or director entitled to the notice, and be delivered to the Secretary of the Corporation for inclusion in the minutes or filing with the corporate records, but such delivery and filing shall not be conditions of the effectiveness of the waiver. Attendance of a stockholder (in person or by duly authorized proxy) at a meeting of

stockholders, or attendance by a director at a meeting of the Board of Directors, (i) shall be deemed a waiver of objection to lack of required notice or defective notice of the meeting, unless the stockholder or the director attends the meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting was not lawfully called or convened because of lack of notice or defective notice, and does not thereafter vote for or assent to action taken at the meeting, and (ii) shall be deemed a waiver of objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, or of a matter without special notice required by the DGCL, the Certificate of Incorporation, or these Bylaws, unless the stockholder or director expressly objects to considering the matter when it is presented and does not thereafter vote for or assent to action taken at the meeting with respect to such matter.

2. **Action By Written Consent Without a Meeting.**

a. Unless the Certificate of Incorporation or the DGCL expressly requires that such action be taken solely at a stockholders' meeting, any action required or permitted to be taken at an annual or special meeting of the stockholders of the Corporation may be taken without a meeting and without a vote if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding shares of stock having not less than the minimum voting power that would be necessary to authorize or take such action at a meeting at which all shares of stock entitled to vote thereon were present and voted and shall be delivered to the Corporation by delivery to its registered office in Delaware or its principal place of business, or to an officer or agent of the Corporation having custody of the books in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. Such action shall be effective as of the time the last writing necessary to effect the action is received by the Corporation, unless all writings necessary to effect the action specify a later time, in which case the later time shall be the time of the action; provided, however, such action shall not be effective if the last writing necessary to effect the action is delivered to the Corporation later than sixty (60) days after the date the first such written consent was delivered to the Corporation. Prompt notice of the taking of corporate action without a meeting by less than unanimous written consent shall be given to those stockholders as of the record date for the action by consent who have not consented and who would have been entitled to notice of the meeting if the action had been taken at a meeting and the record date for the notice of the meeting were the record date for the action by consent.

b. Unless otherwise required by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors, or any committee thereof, may be taken without a meeting if all members of the Board of Directors or such committee, as the case may be, consent thereto in writing, or by electronic transmission. Such action shall be effective as of the time the last director signs a writing, or transmits an electronic transmission, describing the action taken unless before such time the Secretary has received a written revocation of the consent of any other director, and any action so taken shall be effective at the time taken unless the directors specify a different effective time.

ARTICLE V

Officers

1. **Election, Authority and Tenure.** The officers of the Corporation shall consist of such officers as designated by the Board of Directors from time to time, including, without limitation, a Chief Executive Officer (who shall also be the President), a Chief Financial Officer, a Secretary and a Treasurer, each of whom shall be appointed by the Board of Directors. The Board of Directors may expressly delegate to any such officer the power to appoint or remove subordinate officers, agents or employees. Any two or more offices may be held by the same person. Each officer so appointed shall continue in office until a successor shall be appointed and shall qualify, or until the officer's earlier death, resignation or removal. Each officer shall be a natural person who is eighteen (18) years of age or older.

2. **Resignation, Removal and Vacancies.** Any officer may resign at any time by giving written notice of resignation to the Corporation to the attention of the Board of Directors, the Chief Executive Officer or the Secretary. Such resignation shall take effect when the notice is received by the Corporation unless the notice specifies a later date, and acceptance of the resignation shall not be necessary to render such resignation effective unless such resignation so states. The Board of Directors may at any time terminate, remove or modify the authority of any officer, with or without cause. If any office becomes vacant for any reason, the vacancy may be filled by the Board of Directors. An officer appointed to fill a vacancy shall be appointed for the unexpired term of such officer's predecessor in office and shall continue in office until a successor shall be elected or appointed and shall qualify, or until such officer's earlier death, resignation or removal. The appointment of an officer shall not itself create contract rights in favor of the officer, and the removal of an officer shall not affect the officer's contract rights, if any, with the Corporation, and the resignation of an officer does not affect the Corporation's contract rights, if any, with the officer.

3. **Compensation.** Officers of the Corporation shall be entitled to such salaries, emoluments, compensation or reimbursement as shall be fixed or allowed from time to time by the Board of Directors or in such manner as the Board of Directors shall provide.

4. **Chief Executive Officer.** The Chief Executive Officer, if any, shall (i) have general and active management of the business of the Corporation, and preside over the day-to-day business operations of the Corporation; (ii) see that all orders and resolutions of the Board of Directors are carried into effect; and (iii) perform all duties as may from time to time be assigned by the Board of Directors. The Chief Executive Officer shall also be the President of the Corporation.

5. **Chief Financial Officer.** The Chief Financial Officer, if any, shall perform such duties and shall have such powers as may from time to time be assigned by the Board of Directors or the Chief Executive Officer, if any, and shall perform such duties and have such powers and responsibilities as are incident to the office of Chief Financial Officer. In addition, the Chief Financial Officer shall have, along with the Chief Executive Officer, if any, responsibility for the day-to-day business operations of the Corporation.

6. **Vice Presidents.** The Vice Presidents, if any, shall perform such duties and possess such powers as from time to time may be assigned to them by the Board of Directors or the Chief Executive Officer, if any. In the absence of the Chief Executive Officer or in the event of the inability or refusal of the Chief Executive Officer to act, the Vice President (or in the event there be more than one Vice President, the Vice Presidents in the order designated by the Board of Directors, or in the absence of any designation, then in the order of the election or appointment of the Vice Presidents) shall perform the duties of the Chief Executive Officer and when so performing shall have all the powers of and be subject to all the restrictions upon the Chief Executive Officer.

7. **Secretary.** The Secretary, if any, shall perform such duties and shall have such powers as may from time to time be assigned by the Board of Directors or the Chief Executive Officer, if any. In addition, the Secretary shall perform such duties and have such powers as are incident to the office of Secretary, including, without limitation, the duty and power to give notice of all meetings of stockholders and the Board of Directors, the preparation and maintenance of minutes of the directors' and stockholders' meetings and other records and information required to be kept by the Corporation under these Bylaws and for authenticating records of the Corporation, and to be custodian of the corporate seal and to affix and attest to the same on documents, the execution of which on behalf of the Corporation is authorized by these Bylaws or by the action of the Board of Directors.

8. **Treasurer.** The Treasurer, if any, shall perform such duties and shall have such powers as may from time to time be assigned by the Board of Directors or the Chief Executive Officer, if any. In addition, the Treasurer shall perform such duties and have such powers as are incident to the office of Treasurer, including, without limitation, the duty and power to keep and be responsible for all funds and securities of the Corporation, to deposit funds of the Corporation in depositories selected in accordance with these Bylaws, to disburse such funds as ordered by the Board of Directors, making proper accounts thereof, and to render as required by the Board of Directors statements of all such transactions as Treasurer and of the financial condition of the Corporation.

9. **Assistant Secretaries and Assistant Treasurers.** The Assistant Secretaries and Assistant Treasurers, if any, shall perform such duties as shall be assigned to them by the Secretary or the Treasurer, respectively, or by the Chief Executive Officer, if any, or the Board of Directors. In the absence, inability or refusal of the Secretary or the Treasurer to act, the Assistant Secretaries or Assistant Treasurers, respectively, in the order designated by the Board of Directors, or in the absence of any designation, then in the order of their election or appointment, shall perform the duties and exercise the powers of the Secretary or Treasurer, as the case may be.

ARTICLE VI

Execution of Instruments; Borrowing; Checks and Endorsements; Deposits; Proxies

1. **Execution of Instruments.** The Chief Executive Officer, the Chief Financial Officer or any Vice President shall have the power to execute and deliver on behalf of and in the

name of the Corporation any instrument requiring the signature of an officer of the Corporation, except as otherwise provided in these Bylaws or when the execution and delivery of the instrument shall be expressly delegated by the Board of Directors to some other officer or agent of the Corporation. Unless authorized to do so by these Bylaws or by the Board of Directors or incident to the powers of the office of any particular officer, no officer, agent or employee shall have any power or authority to bind the Corporation in any way, to pledge its credit or to render it liable pecuniarily for any purpose or in any amount.

2. **Borrowing.** No loan shall be contracted on behalf of the Corporation, and no evidence of indebtedness shall be issued, endorsed or accepted in its name, unless authorized by the Board of Directors or a committee designated by the Board of Directors so to act. Such authority may be general or confined to specific instances. When so authorized, an officer may (i) effect loans at any time for the Corporation from any bank or other entity and for such loans may execute and deliver promissory notes or other evidences of indebtedness of the Corporation; and (ii) mortgage, pledge or otherwise encumber any real or personal property, or any interest therein, owned or held by the Corporation as security for the payment of any loans or obligations of the Corporation, and to that end may execute and deliver for the Corporation such instruments as may be necessary or proper in connection with such transaction.

3. **Checks and Endorsements.** All checks, drafts or other orders for the payment of money, obligations, notes or other evidences of indebtedness, bills of lading, warehouse receipts, trade acceptances and other such instruments shall be signed or endorsed for the Corporation by such officers or agents of the Corporation as shall from time to time be determined by resolution of the Board of Directors, which resolution may provide for the use of electronic signatures.

4. **Deposits.** All funds of the Corporation not otherwise employed shall be deposited from time to time to the Corporation's credit in such banks or other depositories as shall from time to time be determined by resolution of the Board of Directors, which resolution may specify the officers or agents of the Corporation who shall have the power, and the manner in which such power shall be exercised, to make such deposits and to endorse, assign and deliver for collection and deposit checks, drafts and other orders for the payment of money payable to the Corporation or its order.

5. **Proxies.** The Board of Directors may (i) from time to time appoint one (1) or more agents of the Corporation, in the name and on behalf of the Corporation, (a) to cast the votes which the Corporation may be entitled to cast as the holder of stock or other securities in any other corporation, association or other entity whose stock or other securities may be held by the Corporation, at meetings of the holders of the stock or other securities of such other corporation, association or other entity, or (b) to consent in writing to any action by such other corporation, association or other entity; and (ii) instruct the person so appointed (a) as to the manner of casting such votes or giving such consent, and (b) to execute or cause to be executed in the name and on behalf of the Corporation and under its corporate seal, or otherwise, all such written proxies or other instruments as may be deemed necessary or proper.

ARTICLE VII

Shares of Stock

1. **Certificates of Stock.** The shares of stock of the Corporation may, but need not, be represented by certificates. Unless the DGCL or another law expressly provides otherwise, the fact that the shares of stock are not represented by certificates shall have no effect on the rights and obligations of stockholders. If the shares of stock are represented by certificates, such certificates shall be signed by any two (2) authorized officers of the Corporation, and may, but need not, be sealed with the corporate seal of the Corporation. Any or all of the signatures on the certificate may be by facsimile or electronic signature. In case any officer of the Corporation who shall have signed, or whose facsimile or electronic signature shall have been placed on, any certificate shall cease for any reason to be such officer before such certificate shall have been issued or delivered by the Corporation, such certificate may nevertheless be issued and delivered by the Corporation as though the person who signed such certificate, or whose facsimile or electronic signature shall have been placed thereon, had not ceased to be such officer of the Corporation. Every certificate representing shares of stock (if any) issued by the Corporation shall state the number of shares of stock owned by the holder in the Corporation, shall designate the class of stock to which such shares belong, and shall otherwise be in such form as is required by law and as the Board of Directors shall prescribe.

2. **Shares Without Certificates.** The Board of Directors may authorize the issuance of any class or series of shares of stock of the Corporation without certificates. Such authorization shall not affect shares of stock already represented by certificates until they are surrendered to the Corporation or its transfer agent. Within a reasonable time following the issue or transfer of shares of stock without certificates, the Corporation shall send, or direct its transfer agent to send, the stockholder a complete written statement of the information required on certificates by the DGCL.

3. **Record.** A record shall be kept of the name of each person or entity holding the shares of stock represented by each certificate for shares of stock of the Corporation issued, the number and class of shares of stock represented by each such certificate, the date thereof and, in the case of cancellation, the date of cancellation. The person or other entity in whose name shares of stock stand on the books of the Corporation shall be deemed the owner thereof, and thus a holder of record of such shares of stock, for all purposes as regards the Corporation.

4. **Transfer of Stock.** Transfers of shares of stock of the Corporation shall be made only on the books of the Corporation by the registered holder thereof, or by such registered holder's attorney thereunto authorized, and on the surrender of the certificate or certificates (if any) for such shares of stock properly endorsed. The stock record book and other transfer records shall be in the possession of the Secretary or of a transfer agent for the Corporation.

5. **Transfer Agents and Registrars; Regulations.** The Corporation, by resolution of the Board of Directors, may from time to time appoint a transfer agent and a registrar, under such arrangements and upon such terms and conditions as the Board of Directors deems advisable, but until and unless the Board of Directors appoints some other person, firm or corporation as its transfer agent (and upon the revocation of any such appointment, thereafter

until a new appointment is similarly made) the Secretary of the Corporation shall be the transfer agent of the Corporation without the necessity of any formal action of the Board of Directors, and the Secretary, or any person designated by the Secretary, shall perform all of the duties of such transfer agent. The Board of Directors may make such rules and regulations as it may deem expedient and as are not inconsistent with the Certificate of Incorporation and these Bylaws concerning the issue, transfer and registration of shares of stock of the Corporation.

6. **Lost, Destroyed or Mutilated Certificates.** In case of the alleged loss, destruction or mutilation of a certificate representing stock of the Corporation, a new certificate may be issued in place thereof, in such manner and upon such terms and conditions as the Board of Directors may prescribe, and shall be issued in such situations as required by the DGCL.

ARTICLE VIII

Fiscal Year

The fiscal year of the Corporation shall be established by the Board of Directors.

ARTICLE IX

Corporate Books and Records

1. **Books and Records.** The books and records of the Corporation may be kept at such place or places as may be from time to time designated by the Board of Directors. The Corporation shall keep correct and complete books and records of account, including the amount of its assets and liabilities, minutes of the proceedings of its stockholders and the Board of Directors (and any committee of the Board of Directors), and the names and places of residence of its officers.

2. **Addresses of Stockholders.** Each stockholder shall furnish to the Secretary of the Corporation or the Corporation's transfer agent an address or e-mail address to which notices from the Corporation, including notices of meetings, may be directed, and if any stockholder shall fail so to designate such an address or e-mail address, it shall be sufficient for any such notice to be directed to such stockholder at such stockholder's address or e-mail address last known to the Secretary or the Corporation's transfer agent.

3. **Fixing Record Date.**

a. In order that the Corporation may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, the Board of Directors may fix, in advance, a record date for notice, which shall not be more than sixty (60) days nor less than ten (10) days before the date of such meeting. If the Board of Directors so fixes a record date, such record date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the record date for making such determination.

b. In order that the Corporation may determine the stockholders entitled to express consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors.

c. In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) days prior to such action.

If no record date is fixed: (i) the record date for determining stockholders entitled to notice of and to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held; (ii) the record date for determining stockholders entitled to express consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is necessary, shall be the day on which the first written consent is delivered to the Corporation in accordance with applicable law; (iii) the record date for determining stockholders entitled to express consent to corporate action in writing without a meeting, when prior action by the Board of Directors is required, shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action; and (iv) the record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for determination of stockholders entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of stockholders entitled to vote in accordance with the provisions of this Section 3 at the adjourned meeting.

4. **Audits of Books and Accounts.** The Corporation's books and accounts shall be audited at such times and by such auditors as shall be specified and designated by the Board of Directors.

ARTICLE X

Amendments

The Board of Directors is expressly authorized and empowered to adopt, amend or repeal any or all of these Bylaws, or to adopt new bylaws; provided, however, that any or all of these Bylaws may also be amended or repealed, or new bylaws may also be made, in any such case by the stockholders.

(b) Subject to the provisions of this Agreement (including Section 9.6 hereof), the Board may, from time to time in its sole discretion (and without the requirement of any consent or approval of any Member), admit additional Persons as Members and issue to such Persons Units on such terms and conditions (including the Capital Contributions required, the series and class of Units to be issued, the number of Units to be issued and,

if applicable, the vesting schedule of such Units and any forfeiture provisions applicable thereto) as the Board shall determine in its sole discretion. The admission of an additional Member to the Company, and the issuance to such Person by the Company of Units in connection with such admission as a Member, shall be subject to the satisfaction of the following conditions: (i) such additional Member shall have become a party to this Agreement by executing and delivering to the Company a Joinder Agreement (duly completed) and such other written documentation as the Board may require in connection with such admission and issuance (including an AI Questionnaire and an IRS Form W-9 or appropriate IRS Form W-8, as applicable), (ii) such issuance of Units shall not require the Company to register any Units under the Exchange Act (as a result of the number of holders of Units or otherwise), unless, at the time of such issuance, the Company is already subject to the reporting obligations under Section 13 or Section 15(d) of the Exchange Act, (iii) the compliance with all applicable laws and regulations (including securities laws) relating to such admission and issuance, (iv) such issuance of Units shall not cause the Company to be treated as an association taxable as a corporation or as a “publicly traded partnership” for U.S. federal income tax purposes, (v) such issuance of Units shall not cause the Company to be required to register as an “investment company” under the Investment Company Act, (vi) such issuance of Units shall not cause the underlying assets of the Company to be deemed “plan assets” as defined under and pursuant to the Plan Asset Regulation or constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, and (vii) such additional Member shall not be a Competitor or a Sanctioned Person. Upon the admission of a new Member, the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members to reflect the addition of such new Member. Any duly admitted new Member shall be considered a “Member” for all purposes of this Agreement and the Act. Notwithstanding the requirement that additional Members execute a Joinder Agreement, this Agreement shall bind all holders of Units, regardless of whether any such holder executes this Agreement or a Joinder Agreement, and by acceptance of Units each holder agrees to be so bound.

4.3 Member Meetings.

(a) *Meetings.* Meetings of the Members may be called for any purpose at any time by the Board or by Members who collectively own or hold at least twenty percent (20.0%) of the issued and outstanding Class A Units (determined as of the time that such meeting is called). Anything in this Agreement to the contrary notwithstanding, no regular, special or other meetings of the Members are required to be held.

(b) *Place of Meetings.* Member meetings may be held (i) at any place within or outside the State of Delaware designated by the Board or the Members calling any such meeting, and/or (ii) if the Board or the Members calling any such meeting so determine, by means of remote communication in accordance with Section 4.3(k). In the absence of any other designation by the Board or the Members calling any such meeting, Member meetings shall be held at the Principal Office.

(c) *Notice of Meetings.* Not less than five (5) Business Days prior to any Member meeting, notice of the place, if any, the purpose and the date and time of such meeting shall be delivered by the Secretary to each Member entitled to vote at such meeting in accordance with Section 19.5. Presence of a Member (in person or by duly authorized proxy) at a meeting shall constitute waiver of notice by such Member, except where a Member (in person or by duly authorized proxy) participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened and does not at such meeting vote for or assent to action taken at such meeting.

(d) *Quorum.* The holders of more than fifty percent (50.0%) of the aggregate voting power of the then-issued and outstanding Units entitled to vote on a matter to be presented at a Member meeting, either present in person or represented by proxy, shall constitute a quorum with respect to action on such matter, and action may be taken with respect to any matter presented at the meeting only if a quorum exists with respect to such matter.

(e) *Voting.* Every Member entitled to vote its Units on any matter to be presented at a Member meeting shall be entitled, with respect to such matter, to one (1) vote for each such Unit held of record by such Member on the record date designated for such meeting. Whenever any action is to be taken with respect to any matter by vote of the Members, such action shall be authorized by the affirmative vote of holders of a majority of the aggregate voting power of the then-issued and outstanding Units entitled to vote on such matter, unless the express provisions of this Agreement require a different vote (including any provision of this Agreement that requires any matter to be approved by the Majority Members, the Specified Members or the Super-Majority Members), in which case such express provisions shall govern and control.

(f) *Adjournment.* Notwithstanding any other provision of this Agreement, if a quorum is not present at any Member meeting, such meeting may be adjourned by announcement of the chairperson of the meeting or by affirmative vote of the holders of a majority of the aggregate voting power of the Units that are present in person or represented by proxy at such meeting and are entitled to vote on one or more matters to be presented at such meeting. Notice of an adjournment need not be given to the Members if the time and place of the adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, any business may be transacted which might have been transacted at the original meeting. However, if the adjournment is for more than thirty (30) days from the date of the original meeting, or if after the adjournment a new record date is fixed for the adjourned meeting, a new notice of the adjourned meeting shall be given in accordance with Section 4.3(c) to each Member of record entitled to vote at such adjourned meeting.

(g) *Record Date.* Unless otherwise determined by the Board, the date on which notice of a Member meeting is first sent shall be the record date for the determination of Members entitled to notice of or to vote at such meeting (including any adjournment thereof). The record date for determining Members entitled to express consent to action in writing without a meeting shall be the first date on which a signed

written consent setting forth the action taken or proposed to be taken is delivered to the Company.

(h) *Proxies.* Each Member may authorize another Person or Persons to act for him, her or it by proxy by an instrument executed in writing and delivered to the Company in accordance with Section 19.5 before or at the time of the meeting or execution of a written consent, as the case may be. Should a proxy designate two or more Persons to act as proxies, unless that instrument shall provide to the contrary, a majority of such Persons present at any meeting at which their powers thereunder are to be exercised shall have and may exercise all the powers of voting or giving consents thereby conferred, or if only one such Person is present, then such powers may be exercised by that Person; or if an even number of such Persons attend and a majority do not agree on any particular issue, the Company shall not be required to recognize such proxy with respect to such issue if such proxy does not specify how the Units that are the subject of such proxy are to be voted with respect to such issue. The appointment of a proxy shall be effective for eleven (11) months from the date of such appointment unless a different period is expressly specified in the appointment form. A proxy may only be voted or acted upon by its holder in accordance with written instructions of the Member granting such proxy. Except as otherwise limited therein, proxies shall entitle the individuals authorized to vote at a meeting thereby to vote at any adjournment or postponement of such meeting. A proxy purporting to be executed by or on behalf of a Member shall be deemed valid unless challenged at or prior to its exercise and the burden of proving invalidity shall rest on the challenger. Subject to the above, any proxy may be revoked if an instrument revoking it or a proxy bearing a later date is delivered to the Company in accordance with Section 19.5.

(i) *Conduct of Member Meetings.* The Chairperson or, in the Chairperson's absence, the Chief Executive Officer (or, in the Chief Executive Officer's absence, any Vice President) shall call meetings of the Members to order and act as chairperson of such meetings. In the absence of said officers, any Member entitled to vote at the meeting, or any proxy of any such Member, may call the meeting to order and a chairperson shall be elected by the affirmative vote of holders of a majority of the voting power of the Units present in person or represented by proxy and entitled to vote on any matter to be presented at such meeting. The Secretary or any Assistant Secretary or any person appointed as secretary of a meeting of the Members by the chairperson at any meeting of the Members may act as secretary of such meeting. The chairperson of any Member meeting shall determine the order of business and the procedure at such meeting, including such regulation of the manner of voting and the conduct of discussion.

(j) *Action by Written Consent.* Notwithstanding anything contained in this Agreement to the contrary, any action required or permitted by applicable law to be taken at any Member meeting may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the Members that own or hold Units representing not less than the minimum voting power that would be necessary to authorize or take such action at a meeting at which all the Members entitled to vote thereon were present and voted and shall be delivered to the Company in accordance with Section 19.5. An action by written consent

of the Members shall become effective as of the time the last written consent necessary to effect the contemplated action is received by the Company, unless all consents necessary to effect the contemplated action specify a later time, in which case the later time shall be the effective time of such action. Prompt notice (and in any event within ten (10) Business Days after receipt of the written consent by the Company) of the taking of Member action without a meeting by less than unanimous written consent shall be given by the Company to those Members who have not consented in writing and were entitled to vote on the matters that were the subject of such action. Without limiting the foregoing, any provision of this Agreement that requires any matter to be approved by, or permits any action to be taken by, any of the Majority Members, the Specified Members or the Super-Majority Members may be approved or taken by such applicable Members by written consent.

(k) *Meetings by Remote Communication.* One or more, or all, Members may participate in any meeting of the Members through the use of any means of remote communication by which all Persons participating can hear each other at the same time. Any Member participating in a meeting by any such means of remote communication is deemed to be present in person at such meeting, except as set forth in Section 4.3(c).

4.4 Authority of the Members.

(a) Notwithstanding Section 18-402 of the Act, except as expressly authorized in writing by the Board or this Agreement (including Article 7 hereof), no Member, nor any officer, employee or agent of any Member, as such, shall have the authority or power to manage the Company or to act for the Company for any purpose, or to engage in any transaction, make any commitment, enter into any contract or incur any obligation or responsibility (whether as principal, surety or agent) on behalf of, or in the name of, the Company, or bind the Company, or hold itself out to any third party as acting for or on behalf of the Company, all such powers being vested in the Board. To the fullest extent permitted by applicable law, any attempted action in contravention of this Section 4.4 shall be null and void *ab initio* and not binding upon the Company. The Company shall not be responsible or liable for any indebtedness or obligation (including any legal and other professional fees or disbursements) of any Member incurred or arising either before or after the Effective Date, except as provided in Article 8.

(b) Except (i) for the Company Representative acting, subject to the terms hereof, in its capacity as such, (ii) pursuant to a duly authorized proxy in accordance with Section 4.3(h), and (iii) as set forth in Section 9.3, no Member shall have any authority to bind, to act for, to execute any document or instrument on behalf of or to assume any obligation or responsibility on behalf of, any other Member. No Member shall, by virtue of being a Member, be responsible or liable for any indebtedness or obligation of any other Member incurred or arising either before, on or after the Effective Date.

4.5 Limitation on Liability. Except as otherwise provided by applicable law, the debts, obligations and liabilities of the Company, whether arising under contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Covered Person shall be obligated personally for any such debt, obligation or liability of the Company

solely by reason of being a Covered Person. The immediately preceding sentence shall constitute a compromise to which all the Members have consented within the meaning of the Act. Notwithstanding anything contained herein to the contrary, the failure of the Company to observe any formalities or requirements relating to the exercise of its powers or management of its business and affairs under this Agreement or the Act shall not be grounds for imposing personal liability on a Covered Person.

4.6 AI Questionnaire. If any Member that is an Accredited Investor on the date on which such Member became a party to this Agreement shall thereafter cease to be an Accredited Investor, then such Member shall promptly (but in any event no later than ten (10) Business Days after the date on which such Member ceased to be an Accredited Investor) inform the Company in writing of such fact. In addition, the Company shall have the right, at any time and from time to time, to request that any Member complete, execute and deliver to the Company an AI Questionnaire. The Company shall make any such request in writing delivered to the applicable Member in accordance with Section 19.5. If any Member receives any such request, then such Member shall promptly (but in any event no later than ten (10) Business Days after the date on which such Member receives such written request) complete, execute and deliver to the Company an AI Questionnaire. Nothing in this Section 4.6 shall amend, alter or otherwise modify the restriction against Transferring Units to any Person that is not an Accredited Investor pursuant to Section 9.1(a)(vii).

4.7 Beneficial Ownership Reporting. The Members agree to cooperate in a commercially reasonable manner in connection with the compliance by the Company or any of its Subsidiaries with all applicable BOI Laws, including making any adjustments and/or amendments to this Section 4.7 that may be reasonably necessary or appropriate in consideration of additional guidance issued by FinCEN or any other Governmental Authority in respect of the implementation of BOI Laws. Without limitation of the preceding sentence.

(a) The Board shall make or cause to be made any beneficial ownership or related filings or reports (“BOI Reports”) required pursuant to any BOI Laws for the Company or any of its Subsidiaries. The Board shall be entitled to rely on the Member Beneficial Ownership Information provided by the Member(s) pursuant to clause (b) (if any). Each Member shall be entitled to review the portion of the BOI Report (or a summary thereof) of the Company or any of its Subsidiaries that relates to such Member upon reasonable request made at least fifteen (15) days before such BOI Report is due; provided, that a Member’s entitlement to review the portion of the BOI Report relating to such Member will be limited if such review would result in a delay in the filing of the BOI Report beyond its due date. For the avoidance of doubt, the Board shall make the final determination regarding the reporting requirements applicable to the Company and its Subsidiaries under BOI Laws, including the applicability of reporting under the BOI Laws to the Company and its Subsidiaries, the application of an exemption from such reporting for the Company or any of its Subsidiaries, the timing for filing a BOI Report, the contents of a BOI Report, and the need to update any BOI Report.

(b) Each Member shall be responsible for (i) initially determining whether there are any reportable “beneficial owners” under any applicable BOI Laws in respect of the Company or any of its Subsidiaries as a result of such Member’s direct or indirect

ownership and/or control of the Company or any such Subsidiary, (ii) providing “FinCEN identifiers” and such other identifying information as shall be required to comply with any applicable BOI Laws (the “Member Beneficial Ownership Information”) in respect of any such beneficial owners to the Company and the Board as is needed to enable the Company or any of its Subsidiaries to timely comply with its disclosure obligations under any applicable BOI Laws, and (iii) promptly responding to any information and other requests by the Company or the Board in connection with the Company’s or any of its Subsidiaries’ compliance with all applicable BOI Laws, including the Board’s independent assessment to identify reportable beneficial owners under applicable BOI Laws. Each Member further represents, warrants and agrees that (x) within a reasonable time after a request by the Company, but no later than five (5) Business Days after the Company makes such request, it will provide the Company and the Board with all of such Member’s applicable Member Beneficial Ownership Information; provided, that if the Company requires a response within five (5) Business Days of such request, then the Company will provide notice to such Member in such request and such Member will use commercially reasonable efforts to provide the requested Member Beneficial Ownership Information within the timeframe set forth in such request, (y) it will notify the Company and the Board promptly of any updates to or changes to any of its Member Beneficial Ownership Information that would reasonably be expected to require an updated BOI Report in respect of the Company or any of its Subsidiaries under any applicable BOI Laws, and (z) it will use reasonable efforts to ensure that any filings or profiles associated with any Member Beneficial Ownership Information that it has provided in connection with the application for a “FinCEN identifier” will be kept current as and to the extent required by any applicable BOI Laws. Each Member authorizes the disclosure by the Company or any of its Subsidiaries of its Member Beneficial Ownership Information provided pursuant to this clause (b) to the extent necessary to comply with any applicable BOI Laws.

(c) To the extent legally permissible and reasonably practicable, the Members shall keep the Company promptly informed of each notice or other communication received from FinCEN or any other Governmental Authority concerning any BOI Reports relating to the Company and/or any of its Subsidiaries, and shall consult in a reasonable manner with the Company prior to communicating with FinCEN or any other Governmental Authority concerning any BOI Reports or compliance with any applicable BOI Laws by the Company and/or any of its Subsidiaries.

(d) Each Member agrees, severally and not jointly, to indemnify and hold harmless the Company, its Subsidiaries, the Board and the other Members from and against any and all liability, damage, cost or expense (including reasonable attorneys’ fees) incurred by them that directly results from any default by such Member in its representations, warranties and agreements under this Section 4.7.

ARTICLE 5 CAPITAL STRUCTURE

5.1 Units. All of the Interests shall be issued in unit increments (each, a “Unit” and, collectively, the “Units”). The Units shall initially be divided into the following classes:

(a) Class A Voting Common Units (the “Class A Units”) and (b) Class B Limited-Voting Common Units (the “Class B Units”). The rights and privileges associated with the Units are as set forth in this Agreement and, in the case of the Class B Units, in any applicable Management Incentive Plan and Award Agreement. References herein to any class or series of Units shall apply to limited liability company interests or other Equity Interests of the Company issued to Members in respect of, in exchange for, or in substitution of, such class or series of Units by reason of any reorganization, recapitalization, reclassification, merger, consolidation, spin-off, partial or complete liquidation, split-up, sale of assets, distribution to unitholders or combination of such class or series of Units or any other change in the Company’s capital structure (including shares or interests of a surviving corporation or other Entity or successor into which units or interests of the Company are exchanged).

5.2 Issuance of Units.

(a) Effective as of the Effective Date, each of the “Common Units” (as defined in the Initial LLC Agreement) that were transferred and delivered by the Initial Member to the recipients thereof as set forth in the Plan of Reorganization, are hereby reclassified as one (1) Class A Unit (the “Unit Reclassification”) such that, effective as of the Effective Date immediately following the Unit Reclassification, there are [●] Class A Units issued and outstanding, all of which are duly authorized and validly issued, fully paid and non-assessable, and free and clear of any Liens, other than Permitted Liens and Liens created by the applicable Member. Except for the [●] Class A Units referred to in the immediately preceding sentence, no other Units or Interests, or options, warrants or other securities that are convertible into, or exchangeable or exercisable for, Units or Interests shall be issued or outstanding on, or immediately after, the Effective Date after giving effect to the consummation of the Restructuring Transactions to occur on or as of the Effective Date and the consummation of the Unit Reclassification.

(b) Subject to compliance with its obligations under Section 9.6 hereof (to the extent applicable), the Board may from time to time cause the Company to authorize, create and/or issue additional Units (of existing or new classes or series) or other equity or equity-based securities of the Company (including creating additional classes or series thereof having such ranking, powers, designations, preferences, rights and obligations as may be determined by the Board in its sole discretion, including ranking, powers, preferences, rights and obligations different from, senior or junior to or more or less favorable than existing classes or series of Units or other equity or equity-based securities of the Company). Such Units or other equity or equity-based securities may be issued for any amount and form of consideration as the Board may determine, including cash or other property, tangible or intangible, received or to be received by the Company or any of its Subsidiaries, or services rendered or to be rendered to the Company or any of its Subsidiaries. In connection with the foregoing, the Board shall have the power to make such amendments or modifications to this Agreement (including any amendment and restatement of this Agreement) in order to provide for such additional Units or equity or equity-based securities (including any Class B Units), and such ranking, powers, designations, preferences, rights and obligations as the Board in its discretion deems necessary or appropriate to give effect to such authorization, creation and/or issuance (including amending this Agreement to incorporate the terms of such class or series of

Units or other equity or equity-based securities of the Company, including economic and governance rights which may be different from, senior or junior to or more or less favorable than the other existing classes or series of Units or other equity or equity-based securities of the Company), all without further vote or action of the Members; provided, however, that if any such amendments or modifications would otherwise require any vote or consent pursuant to any of clauses (i)-(x) of Section 16.1(a) (other than immaterial amendments or modifications), then such vote or consent shall be obtained as a condition to any such amendment or modification.

(c) The Class B Units may be issued from time to time by the Company pursuant to grants to Management Holders under the terms of any Management Incentive Plan; provided, that no Units other than Class B Units can be designated as incentives under any Management Incentive Plan. In addition to the terms and conditions set forth in this Agreement that are applicable to the Class B Units, the Class B Units shall be subject to all of the terms and conditions set forth in any applicable Management Incentive Plan and/or Award Agreement, including any terms relating to vesting and forfeiture, repurchase or redemption rights of the Company and restrictions on Transfer. The Members and the Company agree that in the event of any conflict or inconsistency between the terms of any Management Incentive Plan or any Award Agreement and this Agreement, the terms of this Agreement shall control; provided, however, that any Management Incentive Plan or any Award Agreement may impose greater restrictions on, and/or grant lesser rights to, the Class B Units and the holders thereof than the restrictions and rights set forth in this Agreement. Class B Units may be treated as “profits interests” provided (i) such Class B Units have a Hurdle Amount which shall not be less than the amount that would be distributed to the Members pursuant to Section 15.2(b) in a hypothetical liquidation of the Company if the Company were to sell all of its assets for their Fair Market Value on the date of grant and distribute all of the proceeds from such sale in accordance with Section 15.2, and (ii) such Class B Units are issued to employees and service providers of the Company or any of its Subsidiaries.

(d) Each Member hereby acknowledges that (i) certain of the Class B Units may be issued in the form of profits interests granted in connection with services rendered or to be rendered by the recipients thereof, (ii) the holder of any such Class B Units shall file an election under Code Section 83(b) with respect to such profits interests and provide a copy of such election to the Company, (iii) the Company may be required to adjust the Capital Account of Members and/or make special allocations of Profits and Losses (and related tax items) to appropriately account for the issuance of such profits interests, and (iv) the Company may be required to make special forfeiture allocations of gross items of deduction or loss (including, as may be permitted by or under Treasury Regulations to be adopted, notional items of income, gain, deduction or loss) in accordance with the Treasury Regulations to be adopted under Code Sections 704(b) and 83 or as determined by the Board to account for forfeitures, repurchases or redemptions of Class B Units that have not vested. The Company is authorized and directed to elect the liquidation valuation safe harbor as may be permitted pursuant to or in accordance with any finally promulgated successor rules to proposed Treasury Regulations Section 1.83-3(l) (and any successor provision) and IRS Notice 2005-43, and the Company and each of the Members (including any person to whom an interest in the Company is

transferred in connection with the performance of services) agree to comply with all requirements of such safe harbor with respect to all Units in the Company transferred in connection with the performance of services while such election remains effective.

(e) Upon the issuance of any Class B Units issued in the form of profits interests, the Board shall specify the Hurdle Amount applicable to such Units. Upon the issuance of any Class B Units issued in the form of profits interests, the Company and the Members will (i) treat such Class B Units as outstanding for tax purposes, (ii) treat each holder of such Class B Units as a partner of the Company for tax purposes with respect to such Class B Units, (iii) file all tax returns and reports consistently with the foregoing, and neither the Company nor any of the Members will deduct any amount (as wages, compensation or otherwise) for the fair market value of such Class B Units for U.S. federal income tax purposes, and (iv) treat such Class B Units as “profits interests” under Revenue Procedure 93-27, I.R.B. 1993-24 (June 9, 1993) and Revenue Procedure 2001-43, I.R.B. 2001-34 (August 2, 2001), and the provisions of this Agreement shall be interpreted and applied consistently therewith. The initial Capital Account of each Member in respect of Class B Units owned or held by such Member that are intended to be “profits interests” shall be equal to zero. Each Member that owns or holds Class B Units agrees to take into account its distributive share of all items of income, gain, loss, deduction and credit associated with such Class B Units in computing its U.S. federal income tax liability for the entire period during which it holds the Class B Units as if such Class B Units were fully vested.

5.3 Certificated Units. If the Board so elects, the Units shall be certificated in such form as the Board may from time to time determine. Such certificates shall be signed by any two (2) authorized officers of the Company, and may, but need not, be sealed with the seal of the Company. Any or all of the signatures on the certificate may be by facsimile or electronic signature. In case any officer of the Company who shall have signed, or whose facsimile or electronic signature shall have been placed on, any certificate evidencing Units shall cease for any reason to be such officer before such certificate shall have been issued or delivered by the Company, such certificate may nevertheless be issued and delivered by the Company as though the person who signed such certificate, or whose facsimile or electronic signature shall have been placed thereon, had not ceased to be such officer of the Company.

5.4 Voting Rights.

(a) Except as otherwise provided by non-waivable provisions of applicable law or this Agreement, the holders of Class A Units (in their capacity as such) shall have full voting rights and powers to vote on all matters submitted to the Members for vote, consent or approval (including the matters listed on Schedule A attached hereto), and each holder of Class A Units shall be entitled to one (1) vote for each Class A Unit held of record by such holder on any matter submitted to the Members for approval.

(b) Except as provided in Section 15.1(a), or as otherwise provided by non-waivable provisions of applicable law, the holders of Class B Units (in their capacity as such) shall have no right to vote on any matter submitted to the Members for vote, consent or approval, and the Class B Units shall not be included in determining the

number of Units voting or entitled to vote on such matters (including for purposes of determining whether a quorum is present at any meeting of the Members or whether the requisite number of Member consents have been received for purposes of determining whether an action has been properly authorized by written consent of the Members).

(c) Except as this Agreement expressly provides otherwise or as otherwise expressly provided by non-waivable provisions of applicable law, no holders of Units shall be entitled to any voting rights, and any action which would otherwise be subject to the vote or consent of Members under the Act may be taken by the Company by approval of the Board.

5.5 Record. The Company shall keep and maintain, or cause to be kept and maintained, a record of the name of each Person holding Units, the class or series and number of Units held by each such Person, any Transfer thereof and, in case any Unit is represented by a certificate and such certificate is cancelled, the date of cancellation thereof. Unless otherwise determined by the Board, the Register of Members shall serve as such record. The Person in whose name Units are registered on the Register of Members or such other record as determined by the Board shall be deemed the owner thereof, and thus a holder of record of such Units, for all purposes as regards the Company.

5.6 No Appraisal Rights. The Members agree that no appraisal rights, dissenter's rights or other similar rights shall be available with respect to the Units, and waive all such rights in connection with any amendment of this Agreement or the Certificate of Formation, any merger or consolidation in which the Company is a constituent party, any conversion of the Company to another business form, any division of the Company into two or more other Entities, any transfer to or domestication in any jurisdiction by the Company, the sale of all or substantially all of the Company's assets or otherwise.

5.7 Lost, Destroyed or Mutilated Certificates. Upon receipt of evidence reasonably satisfactory to the Company (an affidavit of the registered holder in customary form will be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing Units, and in the case of any such loss, theft or destruction upon receipt of indemnity reasonably satisfactory to the Company, or, in the case of any such mutilation upon surrender of such certificate, the Company will (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of Units represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

5.8 Creditor Relationships. Anything in this Agreement to the contrary notwithstanding (including Section 6.18), the Company and each of the Members hereby agree and acknowledge that certain Members and/or their Affiliates are also holders of indebtedness and debt securities of, and guarantees thereof by, the Company and its Subsidiaries (collectively, "Indebtedness"), and in such capacity may have interests that are divergent from the Company, its Subsidiaries and/or the other Members, and that under no circumstances will any such Member or any such Affiliate be prohibited from taking any action or enforcing any right entitled to it under the terms of the documentation relating to or governing the Indebtedness held by such Member or such Affiliate or to which it is entitled under law. To the fullest extent

permitted by law, no holder of Indebtedness shall be liable to the Company, any of its Subsidiaries or the other Members for breach of this Agreement or any fiduciary duty by reason of any such activities of such holder, including exercising any rights of such holder under documentation relating to or governing such Indebtedness or to which such holder may be entitled under law, and the Company and each Member hereby irrevocably waive any and all rights to claim any such actions are a breach of this Agreement or the fiduciary duties (if any) of such holder. In addition, any holder of Indebtedness, in exercising its rights as a lender or creditor of the Company or any of its Subsidiaries, including making its decision on whether to foreclose on any collateral security, will have no duty to consider (a) its status or the status of any of its Affiliates as a Member, (b) the interests of the Company, any of its Subsidiaries or any of the Members, or (c) any duty it may have to any other Member, except as may be required under the applicable financing documents relating to such Indebtedness.

ARTICLE 6 MANAGEMENT; OPERATION OF THE COMPANY BUSINESS

6.1 Management of the Company.

(a) Subject to the terms and conditions of this Agreement, the business and affairs of the Company shall be managed by the board of managers of the Company (the “Board”), which shall direct, manage and control the business of the Company. Except where the approval of the Members (including the Majority Members, the Specified Members or the Super-Majority Members) is expressly required by this Agreement or by non-waivable provisions of applicable law, the Board shall have full and complete authority, power and discretion to manage and control the business, affairs and properties of the Company, to make all decisions regarding those matters and to perform any and all other acts or activities customary or incident to the management of the Company’s business. The enumeration of powers in this Agreement shall not limit the general or implied powers of the Board or any additional powers provided by applicable law. Each Manager shall possess and may enjoy and exercise all of the rights and powers of a “manager” as provided in the Act, and each Manager shall be a “manager” as provided in the Act; provided, however, that (i) no individual Manager shall have the authority to act for or bind the Company without the requisite consent of the Board and (ii) each Manager will be subject only to the obligations, limitations and duties expressly set forth in this Agreement. Except (x) for the Company Representative acting, subject to the terms hereof, in its capacity as such (if the Company Representative is a Member), or (y) pursuant to a duly authorized delegation of authority by the Board, no Member shall have any right, power or authority to act (as agent or otherwise) for, or to bind, the Company in any manner.

(b) Except as expressly provided for in this Agreement or expressly required by non-waivable provisions of applicable law, the Members shall not have voting rights with respect to the management of the Company and shall not be entitled to vote on or consent to or approve or disapprove actions or decisions regarding the Company.

6.2 Board.

(a) The Board shall consist of five (5) Managers. Managers must be natural persons at least eighteen (18) years of age but need not be Members, residents of the State of Delaware or citizens of the United States.

(b) The Board shall be comprised of the following individuals:

(i) (A) for so long as the Golub Members collectively own or hold a number of Class A Units that is equal to or greater than fifty percent (50.0%) of the number of Class A Units owned or held by the Golub Members on or as of the Effective Date (immediately after giving effect to the consummation of the Restructuring Transactions to occur on or as of the Effective Date, including all payments and distributions to be made on or as of the Effective Date) (subject to adjustment for splits, combinations, subdivisions, reclassifications and other events having a similar effect on the Class A Units), two (2) Managers designated by the Golub Members, and (B) for so long as the Golub Members collectively own or hold a number of Class A Units that is equal to or greater than thirty percent (30.0%) of the number of Class A Units owned or held by the Golub Members on or as of the Effective Date (immediately after giving effect to the consummation of the Restructuring Transactions to occur on or as of the Effective Date, including all payments and distributions to be made on or as of the Effective Date) (subject to adjustment for splits, combinations, subdivisions, reclassifications and other events having a similar effect on the Class A Units), but less than fifty percent (50.0%) of the number of Class A Units owned or held by the Golub Members on or as of the Effective Date (immediately after giving effect to the consummation of the Restructuring Transactions to occur on or as of the Effective Date, including all payments and distributions to be made on or as of the Effective Date) (subject to adjustment for splits, combinations, subdivisions, reclassifications and other events having a similar effect on the Class A Units), one (1) Manager designated by the Golub Members;

(ii) for so long as the LCM Members collectively own or hold a number of Class A Units that is equal to or greater than fifty percent (50.0%) of the number of Class A Units owned or held by the LCM Members on or as of the Effective Date (immediately after giving effect to the consummation of the Restructuring Transactions to occur on or as of the Effective Date, including all payments and distributions to be made on or as of the Effective Date) (subject to adjustment for splits, combinations, subdivisions, reclassifications and other events having a similar effect on the Class A Units), one (1) Manager designated by the LCM Members;

(iii) one (1) Independent Manager designated by the Specified Members (the "Independent Designee"); and

(iv) one (1) Manager who shall be the individual serving as the Chief Executive Officer of the Company (the "CEO Manager").

(c) If at any time the Designation Right of any Designating Group terminates or is reduced (including any termination or reduction caused by the Persons included within the definition of such Designating Group ceasing to own or hold a number of Class A Units that is equal to or greater than any applicable percentage of (x) the number of Class A Units owned or held by such Designating Group on or as of the Effective Date as set forth in Section 6.2(b)(i) or Section 6.2(b)(ii), as applicable, or (y) the number of Class A Units issued and outstanding as set forth in Section 6.2(e), as applicable), then the applicable number of Holder Managers previously designated by such Designating Group pursuant to such Designation Right (if any) shall be automatically removed from the Board at the request of the Majority Members delivered to the Company in accordance with Section 19.5, without a need for any other action on the part of or notice to any Member or other Person, and the vacancy on the Board created by such removal shall be filled by vote of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of filling any such vacancy (or by the Majority Members acting by written consent). The termination or reduction of any Designating Group's Designation Right shall not adversely affect the Designation Right of any other Designating Group. Any reduction or termination of any Designating Group's Designation Right shall be permanent upon the occurrence of any such reduction or termination and shall not be reversed if the Persons included within the definition of such Designating Group shall thereafter own or hold Class A Units that are equal to or greater than any applicable percentage of (A) the number of Class A Units owned or held by such Designating Group on or as of the Effective Date as set forth in Section 6.2(b)(i) or Section 6.2(b)(ii), as applicable, or (B) the number of Class A Units issued and outstanding as set forth in Section 6.2(e), as applicable. Anything herein to the contrary notwithstanding, if Additional Securities are issued or sold pursuant to Section 9.6(d), then the determination as to whether a Designating Group's Designation Right is reduced or terminated shall not be made until after the consummation of the issuance or sale of Additional Securities to Other Preemptive Members pursuant to Section 9.6(d), if any. The right of the Specified Members set forth in Section 6.2(b)(iii) shall not be subject to termination or reduction.

For purposes of this Section 6.2(c), if at any time the Designation Right of a Designating Group is reduced to one (1) Holder Manager and two (2) Holder Managers designated by such Designating Group sit on the Board at the time of such reduction, and if the Majority Members request that one (1) such Holder Manager be removed from the Board as a result of such reduction, then the Holder Manager that should be removed from the Board pursuant to this Section 6.2(c) shall be the applicable Holder Manager specified by such Designating Group in writing to the Company or, if such Designating Group shall not so specify at or prior to the time of such request from the Majority Members, the applicable Holder Manager whose last name appears first in alphabetical sequence between both such applicable Holder Managers.

(d) With respect to (i) any designation of a Manager by a Designating Group pursuant to the Designation Right of such Designating Group (including any such designation made following the removal of a Manager made by such Designating Group pursuant to Section 6.12), (ii) any identification by a Designating Group of a Holder Manager to be removed pursuant to Section 6.2(c) (as contemplated by the second

paragraph of Section 6.2(c)) or (iii) any removal of a Manager from the Board that was previously designated by a Designating Group pursuant to the Designation Right of such Designating Group which removal is made by such Designating Group pursuant to Section 6.12, the applicable Designating Group shall execute and deliver to the Company a written notice (a “Designation Notice”) and such Designation Notice shall (A)(1) identify the individual that such Designating Group is designating or (2) specify the identity of the Manager to be removed from the Board, (B) certify to the Company that the Person(s) executing and delivering such Designation Notice own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within such Designating Group, and (C) include such additional information such that the Company can reasonably conclude that the certification in clause (B) is accurate (including the names of each Member included in such Designating Group and the number of Class A Units owned or held by each such Member). The Company shall confirm, based on the information set forth in the Register of Members that the Person(s) executing and delivering such Designation Notice own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within the applicable Designating Group. If the Company confirms that a Designation Notice has been executed and delivered by the Person(s) that own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within the applicable Designating Group, then the designation and/or removal specified in such Designation Notice shall be automatically effective, without a need for any action on the part of or notice to any Member or other Person, and the Company shall deliver notice thereof to the Members. If the Company confirms that a Designation Notice has not been executed and delivered by the Person(s) that own(s) or hold(s) a majority of the Class A Units owned or held by all of the Persons included within the applicable Designating Group, then such Designation Notice shall be deemed void and invalid.

(e) The Designation Right of a Designating Group shall not be assignable, except for an assignment of such Designation Right to any Person or group of Persons that are Affiliates of one another that (i) acquires at least fifty percent (50.0%) of such Designating Group’s then-owned or held Class A Units in connection with such assignment of such Designation Right and (ii) owns or holds, individually or together with its Affiliates, immediately after giving effect to such acquisition of Class A Units, at least ten percent (10.0%) of the issued and outstanding Class A Units as of such time. A Designating Group that is assigned a Designation Right pursuant to this Section 6.2(e) shall continue to have such Designation Right (unless otherwise assigned as set forth in this Section 6.2(e)) for so long as such Designating Group owns or holds at least ten percent (10.0%) of the issued and outstanding Class A Units from time to time. For purposes of this Section 6.2(e), the Designation Right of the Golub Members shall include the rights of the Golub Members under Section 6.2(f) and the proviso in the first sentence of Section 6.8, and, if such rights are assigned to any permitted Person or group of Persons (as hereinabove provided), then the terms and provisions of Section 6.2(f), the proviso in the first sentence of Section 6.8, Section 16.1(a)(v) (as Section 16.1(a)(v)) applies to the proviso in the first sentence of Section 6.8) and this sentence shall thereafter be applied by substituting the name of such Person or group of Persons in lieu of the Golub Members.

(f) The Chairperson, if any, shall be one of the Managers, as determined by the Golub Members; provided, however, that if the Golub Members are not permitted to designate two (2) Managers pursuant to their Designation Right, then the Chairperson shall be appointed, removed and/or replaced from time to time by the Board.

(g) None of the Members, and no officer, director, manager, stockholder, partner, member, employee or agent of any Member, makes any representation or warranty as to the fitness or competence of the designee of any party hereunder to serve as a member on the Board (or any committee thereof) or any Subsidiary Governing Body by virtue of being a party to this Agreement.

(h) Each Manager shall execute and deliver a confidentiality agreement that is acceptable to the Board (which may be in the form of an acknowledgment by a Manager that he or she is bound by and subject to the obligations of confidentiality and disclosure set forth in Article 20 of this Agreement as if such obligations applied to such Manager).

6.3 Regular Meetings. Regular meetings of the Board shall be held at such time or times as may be determined by the Board and specified in the notice of such meetings.

6.4 Special Meetings. Special meetings of the Board may be called from time to time by (a) the Chairperson or (b) any two (2) Managers.

6.5 Place of Meetings. Any meeting of the Board may be held at such place or places as shall from time to time be determined by the Board and as shall be designated in the notice of the meeting. If no other place is designated in the notice of the meeting, such meeting shall be held at the Principal Office.

6.6 Notice of Meetings. Notwithstanding Section 19.5, notice of each meeting of the Board, whether regular or special, shall be given to each Manager (unless such notice is waived by such Manager as provided in Section 6.10) (a) if such notice is sent by overnight delivery, at least two (2) Business Days prior to such meeting or, (b) if such notice is sent by electronic mail, at least one (1) day prior to such meeting; provided, however, if a special meeting of the Board is being called due to exigent circumstances, as reasonably determined by the Chairperson or the Managers calling such meeting, then notice of such meeting may be provided to each Manager (unless such notice is waived by such Manager as provided in Section 6.10) by electronic mail at least twelve (12) hours prior to such meeting. Any such notice shall be sent to each Manager at such Manager's usual or last known business or residence address or electronic mail address, as applicable. The notice shall state the date, time and location (if such location is not the Principal Office) of the meeting, but need not state the purposes of such meeting.

6.7 Meetings by Remote Communication. One or more, or all, members of the Board or any committee designated by the Board may participate in a meeting of the Board or such committee through the use of any means of remote communication by which all persons participating can hear each other at the same time or by any other means permitted by the Act. Any Manager or committee member participating in a meeting by any such means of remote communication or by any such other means permitted by the Act is deemed to be present in person at such meeting, except as set forth in Section 6.10.

6.8 Quorum; Acts of Managers. A quorum for any meeting of the Board will require the attendance of Managers with a majority of the votes of all Managers then in office; provided, however, that for so long as the Golub Members have the right to designate two (2) Managers pursuant to their Designation Right, a quorum for any meeting of the Board will require the attendance of at least one (1) Manager designated by the Golub Members pursuant to their Designation Right. The vote of a majority of the votes of all of the Managers present and entitled to vote at a meeting of the Board at which a quorum is present shall be the act of the Board, unless the express provisions of this Agreement (including Sections 6.18 and 6.19) or applicable non-waivable law require a different vote, in which case such express provisions shall govern and control. In the absence of a quorum at any meeting of the Board, a majority of the votes of the Managers present and entitled to vote may adjourn the meeting from time to time without further notice, other than announcement at the meeting, until a quorum shall be present. Each Manager shall have one (1) vote on all matters submitted to the Board for the vote, consent or approval of the Board (other than matters for which such Manager is not entitled to vote, as expressly set forth in this Agreement). Decisions of the Board shall be decisions of the “manager” for all purposes of the Act.

6.9 Organization, Agenda and Procedures. The Chairperson, if any, shall preside over the meetings of the Board; provided, however, if there shall not be a Chairperson or if the Chairperson shall not be present at a meeting of the Board or shall refuse to preside over a meeting of the Board, then the Managers with a majority of the votes of all Managers that are present at such meeting shall choose a chairperson to preside over such meeting. The Secretary, any Assistant Secretary, or any other person appointed as secretary of a meeting of the Board by the Chairperson or any such other chairperson of such meeting shall act as secretary of each meeting of the Board. The agenda of and procedure for such meetings shall be as determined by the Board.

6.10 Waiver of Notice. A Manager may waive any notice of a meeting of the Board, whether before or after the date or time stated in the notice as the date or time when any action will occur or has occurred. Any such waiver shall be in writing, be signed by the Manager entitled to the notice, and be delivered to the Company in accordance with Section 19.5, but such delivery shall not be a condition of the effectiveness of the waiver. Attendance or participation by a Manager at a meeting of the Board, (a) shall be deemed a waiver of objection to lack of required notice or defective notice of the meeting, unless the Manager, at the beginning of the meeting or promptly upon his or her later arrival, expressly objects to holding the meeting or transacting business at the meeting because of lack of notice or defective notice, and does not thereafter vote for or assent to action taken at the meeting, and (b) shall be deemed a waiver of objection to consideration of a particular matter at the meeting, unless the Manager expressly objects to considering the matter when it is presented and does not thereafter vote for or assent to action taken at the meeting with respect to such matter.

6.11 Managers’ Action By Written Consent. Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting, without prior notice and without a vote if the lesser of the following consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board: (a) four (4) members of the Board and (b) all members then-serving on the Board; provided, that Required Manager Approval may be provided by written consent in accordance with the definition of “Required Manager Approval”.

Unless the Managers specify a different effective time in such written consent, a written consent of the Board, with respect to an action of the Board, shall become effective when the written consent to such action has been signed (and not revoked) by all requisite Managers and delivered to the Company in accordance with Section 19.5, unless before such time the Company has received a written revocation of the consent of any requisite Manager.

6.12 Removal. Except for the removal of a Holder Manager at the request of the Majority Members on account of the reduction or termination of a Designation Right (which removal shall be automatic at the time request is delivered by the Majority Members to the Company in accordance with Section 19.5 and governed by Section 6.2(c)), the Designating Group holding a Designation Right shall have the exclusive right to remove, whether with or without cause, any Holder Manager designated by such Designating Group pursuant to such Designation Right (but not any other Manager). The Specified Members shall have the exclusive right to remove, whether with or without cause, the Independent Designee (but not any other Manager). Any Manager that is not designated pursuant to a Designation Right (other than the CEO Manager and the Independent Designee) may be removed, with or without cause, by the Majority Members at the time of such removal. If for any reason the individual serving as the Chief Executive Officer of the Company shall cease to serve as the Chief Executive Officer of the Company, then such individual shall be automatically removed as the CEO Manager.

6.13 Resignation. Any Manager may resign at any time by giving written notice of such Manager's resignation to the Company in accordance with Section 19.5. Such resignation shall take effect on the date of delivery of such notice or at any later time specified therein and, unless otherwise specified therein, the acceptance of such resignation by the Company shall not be necessary to make it effective.

6.14 Vacancies. Any vacancy on the Board resulting from the resignation or removal of a Holder Manager (excluding a resignation or removal of a Holder Manager on account of the reduction or termination of a Designation Right), or resulting from a Holder Manager becoming unable to serve as a result of death, disability or otherwise, shall be filled by the Designating Group that holds the Designation Right pursuant to which such Holder Manager was designated to be a Manager. Any vacancy on the Board resulting from the resignation or removal of the Independent Designee, or resulting from the Independent Designee becoming unable to serve as a result of death, disability or otherwise, shall be filled by the Specified Members. Any vacancy on the Board resulting from the resignation or removal of any Manager that is not designated pursuant to a Designation Right (other than the CEO Manager and the Independent Designee), or resulting from any such Manager becoming unable to serve as a result of death, disability or otherwise, shall be filled by vote of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of filling such vacancy (or by the Majority Members acting by written consent). Any vacancy on the Board resulting from the resignation or removal of a Holder Manager on account of the reduction or termination of a Designation Right shall be filled by vote of Members holding a plurality of the votes of the Class A Units present in person or represented by proxy at a meeting of Members held for purposes of filling such vacancy (or by the Majority Members acting by written consent). Any vacancy on the Board resulting from the individual serving as the Chief Executive Officer ceasing to serve as the Chief Executive Officer shall be automatically filled

with the individual that is the successor Chief Executive Officer when such individual becomes the Chief Executive Officer.

6.15 Committees. The Board, by resolution or written consent, may from time to time designate from among the Managers one or more committees to exercise the powers of the Board. The Board may (and if the Board does not, a majority of the votes of the committee members may) designate a chairperson of each such committee from among its members. Each such committee, to the extent provided in such resolution or written consent, shall have and may exercise all of the authority of the Board in the management of the Company, subject to the limitations set forth in the Act and in this Agreement. Subject to the penultimate sentence of this Section 6.15, any or all members of any such committee may be removed, with or without cause, by a duly adopted resolution or written consent of the Board. Rules governing the procedures for meetings of each committee designated by the Board shall be as established by the Board from time to time (or, if the Board does not establish such procedures, as established by a majority of the votes of the committee members). Each Holder Manager and the Independent Designee shall have the right (but shall not be obligated) to serve on any committee of the Board (other than any committee that is established to evaluate, consider, approve, negotiate or otherwise deal with any contract, transaction or other matter with respect to which such Holder Manager, the Independent Designee or the Members that designated such Holder Manager or the Independent Designee (which, in the case of the Independent Designee, shall only include Specified Members that own or hold (together with their respective Affiliates) as of the time of determination at least fifteen percent (15.0%) of the issued and outstanding Class A Units owned or held by all Specified Members as of such time) has/have a conflict of interest) with at least the same proportional voting rights as such Manager has on the Board. For the avoidance of doubt, no committee of the Board shall be authorized to take any action that the Board could not take itself.

6.16 Compensation of Managers. Each Independent Manager shall be paid compensation from the Company, in such form (which may be in the form of cash fees and/or equity incentives granted under any Management Incentive Plan) and amount as approved by the Majority Members, for the performance of such Independent Manager's duties as a Manager or a member of any committee of the Board. Managers who are not Independent Managers shall not receive compensation from the Company for the performance of such Manager's duties as a Manager or a member of any committee of the Board. Each Manager and committee member shall be reimbursed for the reasonable and documented out-of-pocket costs and expenses incurred by such Manager or committee member in connection with the performance of such Manager's or committee member's duties as a Manager or a member of any committee of the Board (including expenses incurred in attending meetings of the Board or any committee thereof). Nothing herein contained shall be construed to preclude any Manager or committee member from serving the Company or any of its Subsidiaries in any other capacity and receiving proper compensation therefor.

6.17 Subsidiary Governing Bodies. Each Subsidiary Governing Body of any wholly-owned Subsidiary of the Company (other than any such Subsidiary which is (a) a limited liability company that is managed by its member(s), (b) a limited partnership that is managed by its general partner or (c) required by Law or contract to have a different composition) shall be comprised of one or more executive employees of the Company or any of its Subsidiaries or other individuals selected by the Board that are not employees of any of the Members or any of

their respective Affiliates (other than the Company or any of its Subsidiaries). The Company agrees to take all necessary and desirable actions to ensure that any such Subsidiary Governing Body does not adopt any resolutions, execute any consents, grant any approvals or take any other action, or otherwise cause or permit any such Subsidiary to do anything, that would be inconsistent with, or contrary to, any resolution, consent, approval or other action adopted, executed, granted or taken by the Board, or that would be in subversion of the rights of the Members under this Agreement or that would otherwise be a breach of this Agreement if the Company did the same.

6.18 Affiliate Transactions. Other than any Excepted Transaction, any transaction or series of related transactions between the Company or any of its Subsidiaries, on the one hand, and any Member who, together with its Affiliates, owns or holds five percent (5.0%) or more of the issued and outstanding Class A Units, or any Affiliate of any such Member, on the other hand (an "Affiliate Transaction"), involving aggregate payments, fundings or other consideration in excess of \$20,000,000.00 per annum shall require the approval of a majority of the votes of the Managers then in office that are disinterested with respect to such Affiliate Transaction.

6.19 Required Manager Approval and Approval of Board and Majority Members for Certain Actions. The Company shall not, and the Company shall not cause or permit any of its Subsidiaries to, take (whether by amendment, merger, consolidation, division, recapitalization or otherwise) any of the actions listed on Schedule A attached hereto without prior Required Manager Approval and the prior approval or consent of the Board and the Majority Members.

6.20 Observers.

(a) Each Member that is a Major Member (each, an "Observer Member") shall have the right to appoint one individual to attend each meeting of the Board and each meeting of each committee of the Board (each such meeting, a "Meeting") as an observer in a non-voting capacity (each, an "Observer") for so long as such Observer Member is a Major Member; provided, that an Observer Member shall not be entitled to appoint an Observer at any time when any of the Managers is an employee of such Observer Member or any of its Affiliates (other than the Company or any of its Subsidiaries). For so long as an Observer Member has the right to appoint an Observer, such Observer Member may from time to time, in its sole discretion and by providing the Company with prior written notice thereof, remove the individual serving as such Observer Member's Observer and appoint a new individual to serve as such Observer Member's Observer following such removal. If an Observer Member ceases to have the right to appoint an Observer (including under the circumstances described in the proviso of the first sentence of this Section 6.20(a)), then the individual then serving as such Observer Member's Observer will not be entitled to continue serving as an Observer immediately upon the occurrence of such cessation; provided, that if an Observer Member ceases to have the right to appoint an Observer under the circumstances described in the proviso of the first sentence of this Section 6.20(a), then the individual that was serving as such Observer Member's Observer (or any replacement individual) may resume serving as such Observer Member's Observer when such circumstances no longer exist so long as such Observer Member is a Major Member. For the avoidance of doubt, an Observer Member shall cease to have the right to appoint an Observer at such

time as such Observer Member is no longer a Major Member. Each Observer Member that is an Affiliate of any other Observer Member shall be treated as one (1) Observer Member for purposes of this Section 6.20.

(b) The Company shall give each Observer advance notice of all Meetings and all final drafts of materials (including minutes of Meetings and written consents in lieu of Meetings) and other information given to Managers or committee members, as applicable, to be discussed at any Meeting. Notwithstanding the foregoing, an Observer shall not be entitled to observe any portion of a Meeting (or any portion of a notice of a Meeting) or to receive any materials or other information that the Board or the applicable committee, as the case may be, determines (i) would jeopardize or impair the ability of the Company or any of its Subsidiaries to take advantage of the attorney-client, work product or similar privilege if such portion of such Meeting were observed or if such portion of such notice, such materials or such other information was received by such Observer, (ii) is necessary or advisable (in the judgment of the Board or the applicable committee, as the case may be) to comply with the terms and conditions of confidentiality agreements with third parties or applicable law, or (iii) such Observer or any of the Members that appointed such Observer or any Affiliate of any of such Members has/have a conflict of interest with respect to the subject matter of such portion of the Meeting (or such portion of such notice of a Meeting) or such materials or other information. The failure of any Observer to attend any Meeting (or to receive any portion of a notice of a Meeting) or to receive any materials or other information shall not prevent any such Meeting from proceeding or otherwise affect the validity of such Meeting (or any written consent in lieu of a Meeting) or any actions taken at such Meeting (or any written consent in lieu of such Meeting). An Observer shall not be entitled to vote on any matters submitted to a vote at any Meeting. No Observer shall be entitled to any fees or other compensation for acting as an Observer. Each Observer shall be reimbursed for the reasonable and documented out-of-pocket costs and expenses incurred by such Observer in connection with attending any Meeting.

(c) The rights of each Observer Member to appoint an Observer, and to remove and replace the individual serving as such Observer Member's Observer with a new individual appointed by such Observer Member, shall be subject to the execution and delivery by such Observer of a confidentiality agreement that is acceptable to the Board. The rights of each Observer Member under this Section 6.20 shall not be assignable or transferable to any Person. The termination of any Observer Member's right to appoint an Observer shall not affect the right of any other Observer Member to appoint an Observer.

(d) Any Observer shall be entitled to participate in any Meeting through the use of any means of remote communication by which all persons attending can hear each other at the same time.

ARTICLE 7 OFFICERS; POWERS OF OFFICERS

7.1 Election and Tenure. The officers of the Company may (but shall not be required to) consist of the Chairperson, the Chief Executive Officer, the Chief Financial Officer, a Secretary, a Treasurer, a Controller, and such other officers and assistant officers as the Board may deem necessary or advisable, each of whom shall be appointed by the Board. The persons holding officer positions with the Company as of the Effective Date are listed on Schedule B attached hereto. The Board may expressly delegate to any such officer the power to appoint or remove subordinate officers, agents or employees. Any two or more offices may be held by the same person. Each officer so appointed shall continue in office until a successor shall be appointed and shall qualify, or until the officer's earlier death, resignation or removal. Each officer shall be a natural person who is eighteen (18) years of age or older.

7.2 Resignation, Removal and Vacancies. Any officer may resign at any time by giving written notice of resignation to the Company, to the attention of the Board or the Chief Executive Officer. Such resignation shall take effect when the notice is delivered in accordance with Section 19.5 unless the notice specifies a later date, and acceptance of the resignation shall not be necessary to render such resignation effective unless such resignation so states. Any officer may at any time be removed by the Board. If any office becomes vacant for any reason, the vacancy may be filled by the Board. An officer appointed to fill a vacancy shall be appointed for the unexpired term of such officer's predecessor in office (if any) and shall continue in office until a successor shall be elected or appointed and shall qualify, or until such officer's earlier death, resignation or removal. The appointment of an officer shall not itself create contract rights in favor of the officer, and the removal or resignation of an officer shall not affect the officer's contract rights, if any, with the Company or the Company's contract rights, if any, with the officer.

7.3 Chairperson. The Chairperson shall preside over the meetings of the Members and the Board and have such powers and responsibilities as are incident thereto. However, the Chairperson shall not have responsibility for the day-to-day business operations of the Company. The Chairperson shall be a Manager.

7.4 Chief Executive Officer. The chief executive officer of the Company (the "Chief Executive Officer"), if any, shall (a) have general and active management of the business of the Company, and preside over the day-to-day business operations of the Company, (b) see that all orders and resolutions of the Board are carried into effect, and (c) perform all duties as may from time to time be assigned to him or her by the Board or as may be expressly set forth in this Agreement. The Chief Executive Officer shall also be the President of the Company.

7.5 Chief Financial Officer. The chief financial officer of the Company (the "Chief Financial Officer"), if any, shall perform such duties and shall have such powers as may from time to time be assigned to him or her by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement, and shall perform such duties and have such powers and responsibilities as are incident to the office of Chief Financial Officer. In addition, the Chief Financial Officer shall have, along with the Chief Executive Officer, responsibility for the day-to-day business operations of the Company.

7.6 Controller. The controller of the Company (the "Controller"), if any, shall perform such duties and shall have such powers as may from time to time be assigned to him or

her by the Board, the Chief Executive Officer or the Chief Financial Officer or as may be expressly set forth in this Agreement, and shall perform such duties and have such powers and responsibilities as are incident to the office of Controller.

7.7 Vice Presidents. The vice presidents of the Company (the “Vice Presidents”), if any, shall perform such duties and possess such powers as may from time to time be assigned to them by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement. In the absence of the Chief Executive Officer or in the event of the inability or refusal of the Chief Executive Officer to act, the Vice President (or in the event there be more than one Vice President, the Vice Presidents in the order designated by the Board, or in the absence of any designation, then in the order of the election or appointment of the Vice Presidents) shall perform the duties of the Chief Executive Officer and when so performing shall have all the powers of and be subject to all the restrictions upon the Chief Executive Officer.

7.8 Secretary. The secretary of the Company (the “Secretary”), if any, shall perform such duties and shall have such powers as may from time to time be assigned to him or her by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement. In addition, the Secretary shall perform such duties and have such powers as are incident to the office of Secretary, including the duty and power to give notice of all meetings of Members (if any), the Board and any committee of the Board, to prepare and maintain minutes of any such meetings, to maintain other records and information of the Company, to authenticate records of the Company, to be custodian of the Company seal and to affix and attest to the Company seal on documents.

7.9 Treasurer. The treasurer of the Company (the “Treasurer”), if any, shall perform such duties and shall have such powers as may from time to time be assigned to him or her by the Board or the Chief Executive Officer or as may be expressly set forth in this Agreement. In addition, the Treasurer shall perform such duties and have such powers as are incident to the office of Treasurer, including the duty and power to keep and be responsible for all funds and securities of the Company, to deposit funds of the Company in depositories selected in accordance with this Agreement, to disburse such funds as ordered by the Board, making proper accounts thereof, and to render as required by the Board statements of all such transactions and of the financial condition of the Company.

7.10 Assistant Secretaries and Assistant Treasurers. ARTICLE 8 EXCULPATION AND INDEMNIFICATION

8.1 Exculpation.

(a) Notwithstanding any other provisions of this Agreement (whether express or implied) or obligation or duty at law or in equity, to the fullest extent permitted by applicable law, no Covered Person shall be liable to any Member, the Company or any other Person (including any creditor or claimant of the Company or any of its Subsidiaries) for any losses, claims, expenses, damages or liabilities arising from any judgment, decision or action made, taken or performed, or omitted to be made, taken or

performed, by a Covered Person in connection with the Company or any of its Subsidiaries, nor shall any Covered Person be liable to any Member, the Company or any other Person for any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, by any employee or other agent of the Company or any of its Subsidiaries, except to the extent that any such losses, expenses, claims, damages or liabilities, (i) in any such case, are attributable to such Covered Person's material breach of this Agreement, and (ii) in the case of any current or former Manager (other than any current or former Manager that is not a current or former employee of the Company or any of its Subsidiaries), or any current or former officer of the Company (other than any current or former officer that is not a current or former employee of the Company or any of its Subsidiaries), (A) are attributable to such Manager's or officer's acts or omissions not in good faith, (B) are attributable to such Manager's or officer's breach of the duty of loyalty to the Members, the Company or any of its Subsidiaries, (C) arise from a transaction in which such Manager or officer derived an improper personal benefit or (D) are attributable to acts or omissions of such Manager or officer that constitute a knowing violation of law. No amendment to or repeal of this Section 8.1 shall apply to or have any effect on the liability or alleged liability of the Covered Persons for or with respect to their acts or omissions occurring prior to such amendment or repeal.

(b) In accordance with the Act and the laws of the State of Delaware, a member of a limited liability company may, under certain circumstances, be required to return amounts previously distributed to such member. It is the intent of the Members that no distribution to any Member pursuant to Article 13 or Article 15 shall be deemed a return of money or other property paid or distributed in violation of the Act or other applicable law. The return of such money or distribution of any such property to a Member shall be deemed to be a compromise within the meaning of the Act, and the Member receiving any such money or property shall not be required to return to any Person any such money or property. However, if any court of competent jurisdiction holds that, notwithstanding the provisions of this Agreement, any Member is obligated to return such money or property, such obligation shall be the obligation of such Member and not of any other Member.

8.2 Indemnification.

(a) The Company shall, to the fullest extent permitted by applicable law (as now or hereafter in effect), indemnify, defend and hold harmless each Covered Person who was or is a party or is threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding ("Proceeding"), whether civil, criminal, administrative or investigative, or any appeal in such a Proceeding or any inquiry or investigation that could lead to such a Proceeding, (i) in connection with any matter arising out of or in connection with the Company's or any of its Subsidiaries' business or affairs, (ii) by reason of the fact that such Covered Person is serving or has served in one or more of the capacities set forth in the definition of "Covered Person", or (iii) by reason of the fact that such Covered Person, or a Person of whom such Covered Person is the legal representative, is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any other corporation, company, partnership, joint venture, trust, employee benefit plan or other

Entity (an “Other Entity”), from and against any losses, claims, expenses, damages and liabilities (collectively, “Damages”) suffered or incurred by, imposed on, or to which such Covered Person may become subject in connection with such Proceeding; provided, that no right of indemnification shall be available to a Covered Person under this Article 8 (A) to the extent that it shall have been determined by a final, non-appealable decision by a court of competent jurisdiction that any such Damages are attributable to such Covered Person’s material breach of this Agreement, and, (B) in the case of any current or former Manager (other than any current or former Manager that is not a current or former employee of the Company or any of its Subsidiaries), or any current or former officer of the Company (other than any current or former officer that is not a current or former employee of the Company or any of its Subsidiaries), to the extent that any such Damages (1) are attributable to such Managers’ or officer’s acts or omissions not in good faith, (2) are attributable to such Managers’ or officer’s breach of the duty of loyalty to the Members, the Company or any of its Subsidiaries, (3) arise from a transaction in which such Manager or officer derived an improper personal benefit, (4) are attributable to acts or omissions of such Manager or officer that constitute a knowing violation of law, (5) are attributable to any Proceeding (except an action to enforce the indemnification rights set forth in this Section 8.2(a) or to enforce the rights to advancement of expenses set forth in Section 8.2(b)) initiated by such Covered Person unless if such Proceeding was authorized in the specific case by the Board, or (6) are attributable to any Proceeding by or in the right of the Company or any of its Subsidiaries unless if the Board authorizes the indemnification of any such Damages (except that, to the extent any such Covered Person has been successful on the merits or otherwise in the defense of any such Proceeding by or in the right of the Company or any of its Subsidiaries or in defense of any claim, issue or matter therein, then such Covered Person shall be indemnified against expenses actually and reasonably incurred by such Covered Person in connection therewith). If for any reason the foregoing indemnification is unavailable to a Covered Person, or is insufficient to hold it harmless, then the Company shall contribute to the amount paid or payable by such Covered Person as a result of the applicable Damages in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Covered Person on the other hand or, if such allocation is not permitted by applicable law, to reflect not only the relative benefits referred to above but also any other relevant equitable considerations.

(b) If a Covered Person is or was made, or threatened to be made, a party to or is involved in any threatened, pending or completed Proceeding, whether civil, criminal, administrative or investigative, or any appeal in such a Proceeding or any inquiry or investigation that could lead to such a Proceeding, (i) in connection with any matter arising out of or in connection with the Company’s or any of its Subsidiaries’ business or affairs, (ii) by reason of the fact that such Covered Person is serving or has served in one or more of the capacities set forth in the definition of “Covered Person” or (iii) by reason of the fact that such Covered Person, or a Person of whom such Covered Person is the legal representative, is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any Other Entity, the Company shall pay, within a reasonable period of time following the Company’s receipt of reasonably detailed supporting documentation, to such Covered Person such Covered Person’s reasonable and documented out-of-pocket legal and other expenses (including

legal and other professional fees and disbursements, and the cost of any investigation and preparation) incurred in connection therewith in advance of the final disposition of such Proceeding; provided, that such Covered Person shall promptly repay to the Company the amount of any such expenses paid to it if it shall be determined that such Covered Person is not entitled to be indemnified by the Company in connection with such Proceeding as provided in the proviso contained in Section 8.2(a); provided, further that, with respect to a Covered Person described in clause (B) of Section 8.2(a), the Company shall not be required to pay in advance or otherwise any such expenses incurred by any such Covered Person in connection with (A) any Proceeding initiated by such Covered Person unless if such Proceeding was authorized in the specific case by the Board or (B) any Proceeding by or in the right of the Company or any of its Subsidiaries unless if the Board authorizes the payment of any such expenses.

(c) The rights to indemnification, reimbursement and advancement of expenses, and contribution provided by, or granted pursuant to, this Section 8.2 shall not be deemed exclusive of any other rights to which a Covered Person seeking indemnification, reimbursement or advancement of expenses, or contribution may have or hereafter be entitled under any statute, this Agreement, any other agreement (including any policy of insurance purchased or provided by the Company under which any Covered Person is covered), any vote of the Members or Managers, or otherwise. The rights conferred upon any Covered Person in Section 8.1 and Section 8.2 shall be contract rights that vest upon the occurrence or alleged occurrence of any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, or any other fact, circumstance or matter, giving rise to any losses, claims, expenses, damages or liabilities (whether or not arising out of a Proceeding) that are covered by Section 8.1 and/or Section 8.2, and such rights shall apply to a Person that was a Covered Person even after such Person ceases to be a Covered Person, but only with respect to any such losses, claims, expenses, damages or liabilities arising from any judgment, decision or action made, taken or performed, or omitted to be made, taken or performed, or any other fact, circumstance or matter that occurred, during the period in which such Person was a Covered Person.

(d) The rights to indemnification, reimbursement and advancement of expenses, and contribution provided by, or granted pursuant to, this Section 8.2 shall inure to the benefit of the successors, heirs, executors and administrators of a Covered Person.

(e) The Company shall have the power to purchase and maintain insurance on behalf of any Covered Person to protect such Covered Person against any Damages, whether or not the Company would have the power to indemnify such Covered Person against any such Damages under the provisions of this Section 8.2 or under any provision of law.

(f) No amendment or repeal of any part of this Section 8.2 shall apply to or have any effect on any right to indemnification, reimbursement and advancement of expenses, and contribution provided hereunder with respect to any acts or omissions occurring prior to such amendment or repeal.

8.3 No Member Liability. Any indemnification, reimbursement and advancement of expenses, or contribution provided under this Article 8 shall be satisfied solely out of assets of the Company, as an expense of the Company. No Member shall be subject to personal liability by reason of the indemnification, reimbursement and advancement of expenses, or contribution provisions set forth in this Article 8.

8.4 Settlements. The Company shall not be liable for any settlement by a Covered Person of any Proceeding effected without its written consent, but if settled with such written consent, or if there is a final judgment against such Covered Person in any such Proceeding, the Company agrees to indemnify and hold harmless such Covered Person to the extent provided above from and against any Damages by reason of such settlement or judgment.

8.5 Business Opportunities; Fiduciary Duties.

(a) The Company and each Member acknowledge that (i) each Member (other than any Member who is an employee of the Company or any of its Subsidiaries, any Member that is a Family Member of any employee of the Company or any of its Subsidiaries, or any Member that is controlled by any employee of the Company or any of its Subsidiaries or controlled by any such employee's Family Members), (ii) each Manager (other than a Manager who is an employee of the Company or any of its Subsidiaries, including the CEO Manager, or is a Family Member of any employee of the Company or any of its Subsidiaries) (whether such Manager is serving as a member of the Board, a member of a committee of the Board or a member of any Subsidiary Governing Body), and (iii) each Affiliate, manager, director, principal, officer, employee and other representative of any Member described in clause (i) or any Manager described in clause (ii) (other than any such Person that is an employee of the Company or any of its Subsidiaries, a Family Member of any employee of the Company or any of its Subsidiaries, or controlled by any employee of the Company or any of its Subsidiaries or controlled by any such employee's Family Members) (the foregoing Persons being referred to, collectively, as "Identified Persons" and, each individually, as an "Identified Person") may now engage, may continue to engage, and/or may, in the future, decide to engage, in the same or similar activities or lines of business as those in which the Company or any of its Subsidiaries, directly or indirectly, now engage or may engage and/or other business activities that overlap with, are complementary to, or compete with those in which the Company or any of its Subsidiaries, directly or indirectly, now engage or may engage (any such activity or line of business, an "Opportunity"). No Identified Person shall have any duty to refrain, directly or indirectly, from (x) engaging in any Opportunity, (y) offering or directing any Opportunity to another Person (including any Affiliate of such Identified Person) or (z) otherwise competing with the Company or any of its Subsidiaries. No Identified Person shall have any duty or obligation to refer or offer to the Company or any of its Subsidiaries any Opportunity, and the Company hereby renounces, on behalf of itself and each of its Subsidiaries, any interest or expectancy of the Company or any of its Subsidiaries in, or in being offered, an opportunity to participate in any Opportunity engaged in by any Identified Person which may be a corporate (or analogous) or business opportunity for the Company or any of its Subsidiaries.

(b) In the event that any Identified Person acquires knowledge of an Opportunity which may be a corporate (or analogous) or business opportunity for the Company or any of its Subsidiaries, such Identified Person shall have no duty to communicate, offer or otherwise make available such Opportunity to the Company or any of its Subsidiaries and shall not be liable to the Company, any of its Subsidiaries or any of the Members for breach of any purported fiduciary duty by reason of the fact that such Identified Person pursues or acquires such Opportunity for itself, or offers or directs such Opportunity to another Person (including any Affiliate of such Identified Person).

(c) The Company, on behalf of itself and each of its Subsidiaries, and each Member (i) acknowledge that the Identified Persons may now own, may continue to own, and from time to time may acquire and own, investments in one or more other Entities (each such Entity, a “Related Company” and all such Entities, collectively, “Related Companies”), including Entities that are competitors of, or that otherwise may have interests that do or could conflict with those of, the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates, and (ii) agree that (A) the enjoyment, exercise and enforcement of the rights, interests, privileges, powers and benefits granted or available to the Identified Persons under this Agreement shall not be in any manner reduced, diminished, affected or impaired, and the obligations of the Identified Persons under this Agreement (if any) shall not be in any manner augmented or increased, by reason of any act, circumstance, occurrence or event arising from or in any respect relating to (x) the ownership by an Identified Person of any interest in any Related Company, (y) the affiliation of any Related Company with an Identified Person or (z) any action taken or omitted by any Related Company or an Identified Person in respect of any Related Company, (B) no Identified Person shall, by reason of such ownership, affiliation, action or omission, become subject to any fiduciary duty to the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates, (C) nothing in this Agreement and none of the duties imposed on an Identified Person, whether by contract or law, if any, do or shall limit or impair the right of any Identified Person to, directly or indirectly, purchase or sell the securities or indebtedness of any other Entity or to compete with the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates as if the Identified Persons were not a party to this Agreement and (D) the Identified Persons are not and shall not be obligated to disclose to the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates any information related to their respective businesses or opportunities, including acquisition opportunities, or to refrain from or in any respect to be restricted in competing against the Company, any of its Subsidiaries, any of the Members or any of their respective Affiliates in any such business or as to any such opportunities.

(d) To the fullest extent permitted by law, this Agreement is not intended to, and does not, create or impose any fiduciary or other duty on any Identified Person, other than those non-fiduciary duties that are expressly set forth in this Agreement and a duty to act in accordance with the implied contractual covenant of good faith and fair dealing to the extent required by Delaware law. Further, to the fullest extent permitted by law, the Company and each Member hereby irrevocably waives any and all fiduciary duties owed to the Company or such Member by any Identified Person (including those

fiduciary duties that, absent such waiver, may be implied by law), and in doing so, the Company and each Member recognizes, acknowledges and agrees that the duties and obligations of the Identified Persons to the Company, each other Member and each other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement are only as expressly set forth in this Agreement. To the fullest extent permitted by law, no Identified Person shall owe any duty (including any fiduciary duty) to the Company or to any Member or to any other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement other than those non-fiduciary duties that are expressly set forth in this Agreement and a duty to act in accordance with the implied contractual covenant of good faith and fair dealing to the extent required by Delaware law. The parties acknowledge and agree that any Identified Person acting in accordance with this Agreement shall (i) be deemed to be acting in compliance with such implied contractual covenant, and (ii) not be liable to the Company, to any Member or to any other Person that is a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement for its reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict or eliminate the duties and liabilities of an Identified Person otherwise existing at law or in equity in respect of the Company, any of the Members or any other Person that is or becomes a party to or is otherwise bound by (or is or becomes a beneficiary of) this Agreement, are agreed (and shall be deemed to have been agreed) by the Company, the Members or all such other Persons to replace fully and completely such other duties and liabilities.

(e) Each Manager that is an employee of the Company or any of its Subsidiaries (including the CEO Manager), in its capacity as such, shall have the same fiduciary duties as those of a member of a board of directors of a corporation organized under the laws of the State of Delaware. Each employee and officer of the Company (other than any officer of the Company that is not an employee of the Company or any of its Subsidiaries), in its capacity as such, shall have the same fiduciary duties as an employee or officer (as applicable) of a corporation organized under the laws of the State of Delaware.

(f) Nothing in this Section 8.5 shall be deemed to limit any Member's obligations under Section 20.1.

8.6 Subrogation. In the event that any Covered Person who is or was a partner, shareholder, member, officer, director, manager, fund adviser, investment adviser, investment manager, controlling person, employee, consultant, counsel, representative or agent of a Member or any of its Affiliates is entitled to indemnification under Section 8.2 for which such Covered Person is also entitled to indemnification from such Member or any of its Affiliates (other than the Company or any of its Subsidiaries), the Company hereby agrees that its duties to indemnify such Covered Person, whether pursuant to this Agreement or otherwise, shall be primary to those of such Member or such Affiliate, and to the extent that such Member or such Affiliate actually indemnifies any such Covered Person, such Member or such Affiliate shall be subrogated to the rights of such Covered Person against the Company for indemnification hereunder. The Company hereby acknowledges the subrogation rights of each Member and its Affiliates under such circumstances and agrees to execute and deliver such further documents and/or instruments

as such Member or its Affiliate may reasonably request in order to evidence any such subrogation rights, whether before or after such Member or its Affiliate makes any such indemnification payment. The Company shall pay any amounts due under this Section 8.6, in cash, promptly, and in any event within fifteen (15) days, upon written demand therefor (accompanied by reasonably detailed supporting documentation) from a Member. The Company hereby waives any right against each of the Members and their respective Affiliates to indemnification, subrogation, or contribution. Furthermore, the Company and the Members expressly agree that each Covered Person is an intended third party beneficiary as to the indemnification provisions of this Agreement and shall be entitled to bring suit against the Company to enforce said provisions. The provisions of this Section 8.6, shall equally apply to a Covered Person's rights to reimbursement and advancement of expenses and contribution under Section 8.2.

8.7 Insurance. The Company shall purchase and maintain, at the Company's expense, insurance (the "Specified Insurance") on behalf of all managers (including Managers), directors and officers of the Company and its Subsidiaries to protect any such Person against any expense, liability or loss suffered or incurred by, imposed on, or to which such Person may become subject (a) in connection with any matter arising out of or in connection with the Company's or any of its Subsidiaries' business or affairs, (b) by reason of the fact that such Person is serving or has served as an officer, manager or director of the Company or any of its Subsidiaries or (c) by reason of the fact that such Person is or was serving as a manager, officer, member, employee or agent or in any other capacity, at the request of the Company, for any Other Entity, in any such case based on acts, omissions, facts, circumstances or matters occurring or arising on or after the Effective Date; provided, however, that the Specified Insurance shall be subject to (i) exclusions and exceptions that are customary for such insurance, and (ii) retentions and limitations as the Board determines to be reasonable in light of the premiums to be paid for the Specified Insurance. Any Specified Insurance shall be satisfactory to the Board.

8.8 Amendments. Notwithstanding anything herein to the contrary, no amendment, repeal or modification of this Article 8 shall affect any rights or obligations with respect to any state of facts then or theretofore existing or any Proceeding theretofore or thereafter brought or threatened based in whole or in part upon any such state of facts.

which the Transfer is proposed to take place, (G) the percentage of the Transferor's total number of Units of the same class and/or series to be Transferred, (H) a Joinder Agreement, duly completed and executed by the Transferee to the extent such Transferee has not already signed a counterpart of this Agreement or executed a Joinder Agreement, (I) an AI Questionnaire, duly completed and executed by the Transferee, (J) an IRS Form W-9 or appropriate IRS Form W-8, as applicable, duly completed and executed by the Transferee to the extent such Transferee has not already delivered to the Company such a duly completed and executed tax form that is not obsolete, inaccurate or expired, and (K) a request that the Company instruct the Transfer Agent to register the Transfer in the Register of Members. So long as the other provisions of this Section 9.1 are satisfied and complied with, the Company shall, within five (5) Business Days after a Transfer Notice is delivered to the Company (but in no event earlier than the proposed date of Transfer specified in the Transfer Notice), instruct and use commercially reasonable efforts to cause the Transfer Agent to register the Transfer in the Register of Members unless, (I) prior to the expiration of such five (5) Business Day period, the Company requests information demonstrating that the Transfer complies with this Section 9.1 (including information demonstrating that the Transferee is not a Competitor or a Sanctioned Person) or (II) the Transferor by written notice to the Company withdraws the related Transfer Notice prior to registration of the Transfer. If any such request for information is made, the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to register the Transfer in the Register of Members no later than five (5) Business Days after the Company receives such information (but in no event earlier than the proposed date of Transfer specified in the Transfer Notice), unless the Company determines during any such five (5)-Business Day period that the Transfer is not permitted pursuant to the terms of this Section 9.1, in which case the Company shall promptly inform the Transferor of such determination. Upon the closing of each Transfer that is permitted by this Agreement and the Transferee becoming a party to this Agreement, (x) such Transferee shall be admitted as, and deemed to be, a Member for purposes of this Agreement, (y) such Transferee shall be entitled to the rights (excluding any rights of a Member that are not assignable or otherwise transferable pursuant to the terms of this Agreement), and subject to the obligations, of a Member with respect to the Transferred Units and (z) the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members to reflect such Transfer.

(d) *Prohibited Transfers Void.* The Company shall not instruct or cause the Transfer Agent to register the Transfer of any Units in the Register of Members except for Transfers that are consummated in accordance with the terms and provisions of this Agreement and, in the case of any Class B Units, the terms and provisions of any applicable Management Incentive Plan and/or Award Agreement. Any purported Transfer of Units in violation of such terms and provisions shall be void *ab initio* and shall not be recognized by the Company.

(e) *Legends.*

(i) All certificates (if any) or statements related to book-entry accounts (if any) representing or otherwise evidencing any Units that were issued

under the Plan of Reorganization shall conspicuously bear, or shall be deemed to conspicuously bear (even if such certificate or statement does not actually bear such legend), the following legend (subject to Section 9.1(e)(iv) below):

“THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] WERE ORIGINALLY ISSUED IN RELIANCE UPON AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF SECTION 5 OF THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), PROVIDED BY SECTION 1145 OF THE BANKRUPTCY CODE, 11 U.S.C. § 1145. THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] HAVE NOT BEEN REGISTERED UNDER THE ACT OR ANY STATE SECURITIES LAWS, AND TO THE EXTENT THE HOLDER OF SUCH LIMITED LIABILITY COMPANY INTERESTS IS AN “UNDERWRITER,” AS DEFINED IN SECTION 1145(B)(1) OF THE BANKRUPTCY CODE, MAY NOT BE SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE ACT OR AN EXEMPTION THEREFROM AND, IN EACH CASE, IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS.”

(ii) All certificates (if any) or statements related to book-entry accounts (if any) representing or otherwise evidencing any Units (excluding Units that were issued under the Plan of Reorganization) shall conspicuously bear, or shall be deemed to conspicuously bear (even if such certificate or statement does not actually bear such legend), the following legend (subject to Section 9.1(e)(iv) below):

“THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), OR ANY STATE SECURITIES LAWS AND MAY NOT BE SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE ACT OR AN EXEMPTION THEREFROM AND, IN EACH CASE, IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS.”

(iii) All certificates (if any) or statements related to book-entry accounts (if any) representing or otherwise evidencing any Units shall conspicuously bear, or shall be deemed to conspicuously bear (even if such certificate or statement does not actually bear such legend), the following legend subject to Section 9.1(e)(iv) below):

“THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] ARE SUBJECT TO VARIOUS TERMS, PROVISIONS AND CONDITIONS, INCLUDING CERTAIN RESTRICTIONS ON SALE, DISPOSITION OR TRANSFER, AS SET FORTH IN THE AMENDED AND RESTATED LIMITED LIABILITY COMPANY

AGREEMENT OF [●] (THE “COMPANY”) DATED AS OF [●], 2025 (AS AMENDED, SUPPLEMENTED, AMENDED AND RESTATED OR OTHERWISE MODIFIED FROM TIME TO TIME, THE “LLC AGREEMENT”) BY AND AMONG THE COMPANY AND THE MEMBERS OF THE COMPANY. NO REGISTRATION OR TRANSFER OF THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] WILL BE MADE ON THE BOOKS OF THE COMPANY OR ITS TRANSFER AGENT UNLESS AND UNTIL SUCH RESTRICTIONS SHALL HAVE BEEN COMPLIED WITH. THE COMPANY OR ITS TRANSFER AGENT WILL FURNISH, WITHOUT CHARGE, TO EACH HOLDER OF RECORD OF THE LIMITED LIABILITY COMPANY INTERESTS REPRESENTED OR OTHERWISE EVIDENCED BY THIS [CERTIFICATE] [STATEMENT] A COPY OF THE LLC AGREEMENT, CONTAINING THE ABOVE-REFERENCED TERMS, PROVISIONS AND CONDITIONS, INCLUDING RESTRICTIONS ON SALE, DISPOSITION OR TRANSFER OF LIMITED LIABILITY COMPANY INTERESTS, UPON WRITTEN REQUEST TO THE COMPANY AT ITS PRINCIPAL PLACE OF BUSINESS.”

(iv) In the event that any Units shall be registered for Transfer under the Securities Act, the Company shall, upon the written request of the holder of such Units, issue to such holder a new certificate or statement of book-entry position, as applicable, representing or otherwise evidencing such Units without the legend required by Section 9.1(e)(i) or Section 9.1(e)(ii). In the event that any Units shall cease to be subject to the restrictions on Transfer set forth in this Section 9.1, the Company shall, upon the written request of the holder of such Units, issue to such holder a new certificate or statement of book-entry position, as applicable, representing or otherwise evidencing such Units without the legend required by Section 9.1(e)(iii).

(v) In the case of uncertificated Units, the Company shall provide notice to the Members of the applicable legends required by Sections 9.1(e)(i), 9.1(e)(ii) and 9.1(e)(iii) in accordance with applicable law.

(vi) Each Member shall be deemed to have actual knowledge of the terms, provisions, restrictions and conditions set forth in this Agreement (including the restrictions on Transfer set forth in this Section 9.1) for all purposes of this Agreement and applicable law (including the Act and the Uniform Commercial Code as adopted and in effect in any applicable jurisdiction), whether or not any certificate or statement of book-entry position, as applicable, representing or otherwise evidencing any Units owned or held by such Member bears the applicable legends set forth in Sections 9.1(e)(i), 9.1(e)(ii) and 9.1(e)(iii) and whether or not any such Member received a separate notice of such terms, provisions, restrictions and conditions.

(f) *Transfers of Class B Units.* Anything in this Agreement to the contrary notwithstanding, Class B Units shall not be Transferred by any Member unless such Transfer also complies with any restrictions on Transfer set forth in the applicable Management Incentive Plan and/or any applicable Award Agreement (which restrictions

may be in addition to, and/or more restrictive than, the restrictions on Transfer of Units set forth in this Agreement).

(g) *Certain Members.* If any Member is an Entity that has no substantial assets other than Units and/or indebtedness of, or securities in, the Company or any of its Subsidiaries, then such Member agrees that no Equity Interests in such Member may be sold, transferred or otherwise disposed to any Person other than in accordance with the terms and provisions of this Section 9.1 as if such Equity Interests were Units; provided, that a sale, transfer or other disposition of Equity Interests in such Member to any Affiliate of such Member (other than to any Affiliate of such Member that is a portfolio company of such Member or any of its other Affiliates) shall not be subject to this Section 9.1(g).

(h) *No Requirement to List.* The Company shall have no obligation under this Agreement to list any of the Units or other Interests on any securities exchange, automated quotation system or over-the-counter marketplace.

(i) *Transfers to the Company.* A Transfer of Units to the Company shall not be subject to the requirements of this Section 9.1.

(j) *Additional Restrictions.* If the Board makes a reasonable determination that additional restrictions are necessary to prevent (i) the Company from being treated as a “publicly traded partnership” under Code Section 7704 or (ii) jeopardizing the availability to The Container Store Group, Inc. or any of its subsidiaries of their net operating loss or net capital loss carryforwards or certain other tax benefits under Code Section 382, the Board may impose such additional restrictions on Transfers as the Board has reasonably determined to be so necessary.

(k) *Reimbursement of Company Expenses.* The Transferor and the Transferee shall be jointly and severally obligated to reimburse the Company for all reasonable out-of-pocket third party costs and expenses (including legal fees) incurred by the Company in connection with any Transfer or proposed Transfer of such Transferor’s Units (excluding any Transfer or proposed Transfer pursuant to Section 9.3 or otherwise pursuant to a Sale Transaction).

(l) *Modifications to Procedural Provisions.* Notwithstanding anything herein to the contrary, the Company may, in its sole discretion, waive or modify the application of any term or provision of a procedural nature set forth herein to any Transfer so long as such waiver or modification (i) is for administrative convenience purposes to facilitate the consummation of such Transfer, (ii) does not adversely affect the rights of any of the Members, (iii) does not subject any of the Members to any additional obligations or liabilities, and (iv) is approved by the Transferor and the ultimate Transferee of such Transfer (which approval may be provided by e-mail to the Company in accordance with Section 19.5). The right of the Company to make any such waiver or modification need not be uniform among Transfers and may be made by it selectively among any Transfers (whether or not such Transfers are similar in nature).

Any such waiver or modification shall not require any consents or approvals of the Members under Section 16.1.

9.2 Transfer Agents; Regulations. The Company, by resolution or written consent of the Board, may from time to time appoint a Transfer Agent under such arrangements and upon such terms and conditions as the Board deems advisable. Unless the Board has appointed some other Person as its Transfer Agent (and upon the revocation of any such appointment, thereafter until a new appointment is similarly made) the Secretary, or any Person designated by the Secretary, shall be the Transfer Agent without the necessity of any formal action of the Board, and the Secretary, or any Person designated by the Secretary, shall perform all of the duties of the Transfer Agent. The Board may make such rules and regulations as it may deem expedient and as are not inconsistent with this Agreement, concerning the issue, registration and Transfer of certificates for Units.

9.3 Drag-Along Transactions.

(a) In the event that the Majority Members at the time of the delivery of a Drag Notice (for purposes of this Section 9.3, each, a “Selling Member” and, collectively, the “Selling Members”) determine to effect, approve or otherwise take any action that would cause the occurrence of, or desire to consummate, a Sale Transaction (whether or not a Member vote is required) to or with any Person or “group” (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision) other than the Selling Members or any Affiliates thereof (a “Third Party Purchaser”) (any such Sale Transaction, a “Drag-Along Transaction”), the Company or the Selling Members (or a designated representative acting on behalf of the Selling Members) will have the right (but not the obligation) to deliver written notice thereof (a “Drag Notice”) to all other Members (each, a “Dragged Member” and, collectively, the “Dragged Members”), including any holders of Class B Units. Such written notice shall be delivered to the Dragged Members in accordance with Section 19.5 and shall contain a general description of the material terms and conditions of the Drag-Along Transaction, including the amount and form of consideration to be paid by the Third Party Purchaser, copies of any Drag-Along Transaction Documents or Investment Documents that the Dragged Members will be required to execute and deliver in connection with such Drag-Along Transaction (to the extent such documents exist and are in substantially final form at the time such Drag Notice is delivered to the Dragged Members) and the proposed date (which may be an estimated date or range of dates) for the closing of the Drag-Along Transaction; provided, that the Selling Members may elect to omit from the Drag Notice any such terms and conditions of, or information relating to, the Drag-Along Transaction if the Selling Members determine that the disclosure thereof to the Dragged Members would have an adverse effect on the Drag-Along Transaction or the consummation thereof, but the omission of any such terms, conditions or information shall not have any effect on the validity of the Drag Notice.

(b) If a Drag Notice is delivered by the Company or by or on behalf of the Selling Members to the Dragged Members, each of the Dragged Members shall:

(i) if such Drag-Along Transaction is structured as a Transfer of Units (including any Transfer of Units by way of a merger of the Company with any other Person), be obligated to Transfer to the Third Party Purchaser (subject to the other terms of this Section 9.3(b)), at the closing of such Drag-Along Transaction, all Units held by such Dragged Member (or the applicable portion of such Dragged Member's Units that are required to be Transferred in connection with such Drag-Along Transaction, as determined in accordance with Section 9.3(c)) on purchase terms and conditions that are substantially the same as those purchase terms and conditions applicable to the Units of the Selling Members of the same class or series (excluding any investment or reinvestment opportunity given to management of the Company or any of its Subsidiaries), free and clear of any Liens (other than Permitted Liens); provided, that (A) each Dragged Member will receive, in respect of such Dragged Member's Units that are Transferred in such Drag-Along Transaction, no less than the same portion of the aggregate net consideration paid in such Drag-Along Transaction that such Dragged Member would have received if such aggregate net consideration had been distributed by the Company pursuant to Section 13.1(a) (and such aggregate net consideration shall be treated as if it was distributed by the Company pursuant to Section 13.1(a)), unless otherwise approved by such Dragged Member, and (B) if the Selling Members are given an option as to the form of consideration to be received in exchange for their Units of any class or series, then each of the Dragged Members shall be given the same option with respect to their Units of the same class or series;

(ii) if such Drag-Along Transaction is structured as a sale or transfer of assets (including by or through the sale, issuance or other disposition of the Equity Interests of, or reorganization, merger, unit or share exchange, consolidation or other business combination involving, any direct and/or indirect Subsidiary or Subsidiaries of the Company), approve any subsequent dissolution and liquidation of the Company or any of its Subsidiaries in connection therewith and execute and/or deliver any applicable documents, instruments or agreements related thereto;

(iii) (A) be required to vote (including by written consent) such Dragged Member's Units (to the extent of any voting rights), whether by proxy, voting agreement or otherwise, in favor of such Drag-Along Transaction, and (B) not raise any objection against such Drag-Along Transaction (including objections relating to the consideration being paid in connection therewith) or the process pursuant to which it was arranged, negotiated or consummated;

(iv) execute and deliver any applicable purchase agreement, merger agreement, indemnity agreement, escrow agreement, letter of transmittal, release or other agreements or documents governing or relating to such Drag-Along Transaction (on terms substantially the same as those terms applicable to the Selling Members) that the Company, the Selling Members or the Third Party Purchaser may request and which are executed and delivered by the Selling Members (the "Drag-Along Transaction Documents"), and (A) agree to or

provide the same covenants, obligations, indemnities and agreements as agreed to or provided by the Selling Members set forth therein and (B) make the same representations and warranties as the Selling Members, on a several and not joint basis, regarding organization, existence and good standing of such Dragged Member, the power and authority of such Dragged Member to enter into the Drag-Along Transaction, due authorization, execution and delivery by such Dragged Member of the Drag-Along Transaction Documents and the Investment Documents, enforceability against such Dragged Member of the Drag-Along Transaction Documents and the Investment Documents, good and marketable title (free and clear of all Liens) of the Units of such Dragged Member, the consents and notices required to be obtained or made by such Dragged Member in connection with such Drag-Along Transaction, no conflicts with organizational documents, contracts or law applicable to such Dragged Member, no legal proceedings against such Dragged Member, no brokers' fees owed by such Dragged Member in connection with such Drag-Along Transaction, and other matters reasonably requested by the Third Party Purchaser with respect to such Dragged Member and related to such Drag-Along Transaction; provided, however, that (x) no Dragged Member shall be required to provide any indemnity relating to such Drag-Along Transaction that is in excess of the amount of gross proceeds payable to such Dragged Member in connection with such Drag-Along Transaction (other than on account of such Dragged Member's own fraud), (y) any escrow arrangement or indemnity shall be allocated among each Selling Member and Dragged Member *pro rata* based upon the allocation among each such Member of the consideration payable in respect of Units in the Drag-Along Transaction; provided, that any indemnities on account of a Dragged Member's representations and warranties described in clause (B) above or a Dragged Member's own fraud or breach of covenants shall be solely the responsibility of such Dragged Member, and (z) no Dragged Member shall be required to provide any non-competition, non-solicitation or similar covenant other than customary confidentiality covenants;

(v) if the Members will receive any Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in the continuing, acquiring, resulting or surviving entity in the Drag-Along Transaction, or any Affiliate thereof (the "Surviving Entity"), execute and deliver any applicable limited liability company agreement, stockholders agreement, partnership agreement, investor rights agreement, voting agreement or similar agreement which relates to the internal governance of the Surviving Entity and/or the rights or obligations of the owners of the Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in the Surviving Entity that the Company, the Selling Members or the Third Party Purchaser may request and which are executed and delivered by the Selling Members (the "Investment Documents"), and agree to or provide the same covenants, obligations and agreements as agreed to or provided by the Selling Members set forth therein;

(vi) use commercially reasonable efforts to obtain or make any consents or filings necessary to be obtained or made by such Dragged Member to effectuate such Drag-Along Transaction;

(vii) without limiting the provisions of Section 5.6, waive and refrain from exercising any appraisal, dissenters or similar rights with respect to such Drag-Along Transaction;

(viii) not (A) take any action that would reasonably be expected to impede or be prejudicial to such Drag-Along Transaction, (B) assert, at any time, any claim against the Company, any member of the Board (or any committee thereof), any member of any Subsidiary Governing Body or any other Member or any of its Affiliates (including any Selling Member and any of its Affiliates) in connection with such Drag-Along Transaction, or (C) except as permitted under and pursuant to Article 20, disclose to any Person any information related to such Drag-Along Transaction (including the identity of the Third Party Purchaser, the fact that discussions or negotiations are taking place concerning such Drag-Along Transaction, or any of the terms, conditions or other information with respect to such Drag-Along Transaction); and

(ix) take all necessary or desirable actions reasonably requested by the Selling Members, the Third Party Purchaser and/or the Company in connection with the consummation of such Drag-Along Transaction, including voting such Dragged Member's Units (to the extent of any voting rights), whether by proxy, voting agreement or otherwise, in favor of such Drag-Along Transaction and, if applicable, in favor of a Corporate Conversion in connection with such Drag-Along Transaction.

(c) In the case of a Drag-Along Transaction pursuant to which the Selling Members are collectively Transferring less than one hundred percent (100%) of all of the Units owned or held by the Selling Members in the aggregate, each Dragged Member shall be required to Transfer a percentage of the Units owned or held by such Dragged Member equal to the quotient obtained by dividing (i) the total number of Units owned or held by the Selling Members that are proposed to be Transferred in such Drag-Along Transaction by (ii) the total number of Units owned or held by the Selling Members in the aggregate.

(d) At the closing of any Drag-Along Transaction that is structured as a sale or other Transfer of Units in which the Selling Members have exercised their rights under this Section 9.3, each Dragged Member shall deliver at such closing, against payment of the purchase price therefor in accordance with the terms of the Drag-Along Transaction Documents, certificates or other documentation (or other evidence thereof reasonably acceptable to the Third Party Purchaser) representing such Dragged Member's Units to be sold, duly endorsed for transfer or accompanied by duly endorsed instruments of transfer, and such other documents as are deemed reasonably necessary by any one or more of the Selling Members, the Third Party Purchaser and/or the Company for the

proper transfer of such Units on the books of the Company or the Transfer Agent, free and clear of any Liens (other than Permitted Liens).

(e) Each Selling Member and each Dragged Member will bear its *pro rata* share (based upon the allocation among each such Member of the consideration payable in respect of Units in the Drag-Along Transaction) of the costs and expenses of any Drag-Along Transaction to the extent such costs and expenses are incurred for the benefit of all Members or the Company and are not otherwise paid by the Company or the Third Party Purchaser. Costs and expenses incurred by any Member on its own behalf will not be considered costs and expenses of the Drag-Along Transaction and will be borne solely by such Member.

(f) The Company shall, and shall use its commercially reasonable efforts to cause its officers, employees, agents, contractors and others under its control to, cooperate and assist in any proposed Drag-Along Transaction and not take any action which would reasonably be expected to impede or be prejudicial to any such Drag-Along Transaction. Pending the completion of any proposed Drag-Along Transaction, the Company shall use commercially reasonable efforts to operate the Company and its Subsidiaries in the ordinary course of business and to maintain all existing business relationships in good standing (unless otherwise required by the Drag-Along Transaction Documents) and otherwise comply with the terms of the Drag-Along Transaction Documents to which it is a party.

(g) The Company shall cooperate with the Selling Members to enter into a Drag-Along Transaction and to take any and all such further action in connection therewith as the Selling Members may deem reasonably necessary or reasonably appropriate in order to consummate (or, if directed by the Selling Members, abandon) any such Drag-Along Transaction. Neither the Company, any of its Subsidiaries nor any of the Selling Members shall have any liability if any Drag-Along Transaction is not consummated for any reason (including if the Selling Members elect to abandon such Drag-Along Transaction for any reason or for no reason). Subject to the provisions of this Section 9.3, the Selling Members, in exercising their rights under this Section 9.3, shall have complete discretion over the terms and conditions of any Drag-Along Transaction effected hereby, including price, payment terms, conditions to closing, timing of closing, representations, warranties, affirmative covenants, negative covenants, indemnification, releases, holdbacks and escrows. At the request of the Selling Members, the Board shall authorize and direct the Company and/or any now or hereafter created Subsidiary of the Company to execute such agreements, documents, applications, authorizations, registration statements and instruments as they may deem reasonably necessary or reasonably appropriate in connection with any Drag-Along Transaction.

(h) IN ORDER TO SECURE THE OBLIGATIONS OF EACH DRAGGED MEMBER TO VOTE SUCH DRAGGED MEMBER'S UNITS IN FAVOR OF A DRAG-ALONG TRANSACTION AND (WITHOUT LIMITING THE PROVISIONS OF SECTION 5.6) TO WAIVE ANY APPRAISAL, DISSENTERS OR SIMILAR RIGHTS THAT SUCH DRAGGED MEMBER HAS (OR MAY HAVE) WITH RESPECT TO ANY DRAG-ALONG TRANSACTION, IN EACH CASE AS SET

FORTH IN SECTION 9.3(b), EACH DRAGGED MEMBER HEREBY IRREVOCABLY APPOINTS THE SELLING MEMBERS (AND EACH OF THEM) AS SUCH DRAGGED MEMBER'S TRUE AND LAWFUL PROXY AND ATTORNEY, WITH FULL POWER OF SUBSTITUTION, TO VOTE ALL UNITS OWNED OR HELD BY SUCH DRAGGED MEMBER OR OVER WHICH SUCH DRAGGED MEMBER HAS VOTING CONTROL TO EFFECTUATE SUCH VOTES AND WAIVERS FOR THE DURATION OF THE EXISTENCE OF THE COMPANY. IN ADDITION, IN ORDER TO SECURE THE OBLIGATIONS OF EACH DRAGGED MEMBER TO EXECUTE AND DELIVER THE DRAG-ALONG TRANSACTION DOCUMENTS AND, IF APPLICABLE, THE INVESTMENT DOCUMENTS, AND TO TAKE ACTIONS IN CONNECTION WITH THE CONSUMMATION OF A DRAG-ALONG TRANSACTION, IN EACH CASE AS SET FORTH IN SECTION 9.3(b), EACH DRAGGED MEMBER HEREBY IRREVOCABLY GRANTS TO THE SELLING MEMBERS (AND EACH OF THEM) A POWER-OF-ATTORNEY TO SIGN ANY AND ALL SUCH DRAG-ALONG TRANSACTION DOCUMENTS AND, IF APPLICABLE, INVESTMENT DOCUMENTS, AND TO TAKE ANY AND ALL SUCH ACTIONS, IN THE NAME AND ON BEHALF OF SUCH DRAGGED MEMBER. THE PROXIES AND POWERS OF ATTORNEY GRANTED BY EACH DRAGGED MEMBER PURSUANT TO THIS SECTION 9.3(h) ARE COUPLED WITH AN INTEREST, ARE IRREVOCABLE, AND SHALL NOT BE AFFECTED BY AND SHALL SURVIVE THE DEATH, INCOMPETENCY, INCAPACITY, DISABILITY, MERGER, CONSOLIDATION, BANKRUPTCY, INSOLVENCY, LIQUIDATION OR DISSOLUTION OF ANY DRAGGED MEMBER.

(i) Any Class B Units Transferred in a Drag-Along Transaction by a Selling Member or a Dragged Member shall immediately and automatically convert into Class A Units upon the consummation of such Drag-Along Transaction, as determined by the Board.

(j) A Transfer of Units in a Drag-Along Transaction by a Selling Member or a Dragged Member pursuant to this Section 9.3 shall not be subject to the requirements of (i) Section 9.1 (other than Section 9.1(a)(i)) or (ii) Section 9.7.

(k) For the avoidance of doubt, the obligations of the Company and the Dragged Members pursuant to this Section 9.3 shall apply irrespective of the amount of consideration (if any) to be paid to each Dragged Member pursuant to the Drag-Along Transaction.

9.4 Tag-Along Transactions.

(a) In the event that one or more Members (acting alone or with other Members) who own or hold Class A Units (each, an "Initiating Holder" and, collectively, the "Initiating Holders") desire to effect a Tag-Along Transaction, the Initiating Holders (or a designated representative acting on their behalf) shall deliver written notice (a "Sale Notice") to all other Members that own or hold Class A Units (each, a "Tag-Along Seller" and, collectively, the "Tag-Along Sellers") and the Company, in accordance with Section 19.5, at least ten (10) Business Days prior to the consummation of such Tag-

Along Transaction, offering the Tag-Along Sellers the opportunity to participate in such Tag-Along Transaction on the terms and conditions set forth in the Sale Notice (which terms and conditions shall be the same as those terms and conditions (including at the same price) applicable to the Initiating Holders (except that if the Initiating Holders are given an option as to the form of consideration to be received in exchange for their Class A Units, each of the Tag-Along Sellers shall only need to be given the same option with respect to their Class A Units)); provided, however, that if the consideration to be paid in such Tag-Along Transaction consists, in whole or in part, of securities or any other non-cash consideration, then any Member that is not an Accredited Investor or any Member who does not, promptly following the request of the Initiating Holders or the Transferee in such Tag-Along Transaction (but in any event within three (3) Business Days after receipt of any such request), certify to the Initiating Holders and the Transferee in such Tag-Along Transaction that such Member is an Accredited Investor shall not be offered the opportunity to participate in such Tag-Along Transaction and shall not be deemed a Tag-Along Seller for purposes of such Tag-Along Transaction. The Sale Notice shall contain a general description of the material terms and conditions of the Tag-Along Transaction, including the total number of Class A Units proposed to be Transferred, the proposed amount and form of consideration for the Class A Units proposed to be Transferred, and copies of any Tag-Along Transaction Documents that the Tag-Along Sellers will be required to execute and deliver in connection with such Tag-Along Transaction (to the extent such documents exist and are in substantially final form at the time such Sale Notice is delivered to the Tag-Along Sellers).

(b) Each Tag-Along Seller may, by written notice (each, an “Acceptance Notice”) delivered to the Initiating Holders (or their designated representative) within five (5) Business Days after delivery of the Sale Notice to such Tag-Along Seller, elect to Transfer Class A Units in such Tag-Along Transaction, on the terms and conditions set forth in the Sale Notice; provided, however, that if the proposed Transferee in the Tag-Along Transaction desires to purchase a number of Class A Units that is less than the aggregate number of Class A Units proposed to be Transferred by the Initiating Holders and all Tag-Along Sellers electing to Transfer Class A Units in the Tag-Along Transaction, then the Initiating Holders may elect to either (i) terminate such Tag-Along Transaction with respect to the Initiating Holders and each Tag-Along Seller or (ii) consummate such Tag-Along Transaction on the basis of such lesser number of Class A Units and, upon such election to consummate the Tag-Along Transaction, each Initiating Holder and each electing Tag-Along Seller shall be permitted to Transfer to such Transferee up to that number of Class A Units owned or held by such Initiating Holder or such Tag-Along Seller, as the case may be, equal to the product of (x) the total number of Class A Units to be acquired by the Transferee in the proposed Tag-Along Transaction and (y) such Initiating Holder’s or such Tag-Along Seller’s (as applicable) proportionate percentage of the issued and outstanding Class A Units collectively owned or held by the Initiating Holders and all electing Tag-Along Sellers; provided, further, that if at any time after delivery of a Sale Notice there is a change in the price or other material change in the terms or conditions of the proposed Tag-Along Transaction described in such Sale Notice, then the Initiating Holders shall deliver a revised Sale Notice to all Tag-Along Sellers indicating such revised price and/or other material change, and each Tag-Along Seller shall have an additional five (5) Business Days after

delivery of the revised Sale Notice to indicate whether or not it elects to Transfer Class A Units in such Tag-Along Transaction, on the terms and conditions set forth in the revised Sale Notice (it being understood and agreed that if a Tag-Along Seller elected to Transfer Class A Units in such Tag-Along Transaction prior to the commencement of such additional five-Business Day period, then such election will remain in effect unless such Tag-Along Seller revokes, amends or otherwise modifies such election in writing prior to the expiration of such additional five-Business Day period).

(c) In connection with any Tag-Along Transaction in which any Tag-Along Seller elects to participate pursuant to this Section 9.4, each such Tag-Along Seller shall take all necessary or desirable actions reasonably requested by the Initiating Holders and/or the Transferee in such Tag-Along Transaction in connection with the consummation of such Tag-Along Transaction, including (A) executing and delivering the applicable purchase agreement, merger agreement, indemnity agreement, escrow agreement, letter of transmittal, release or other agreements or documents governing or relating to such Tag-Along Transaction that the Initiating Holders or the Transferee in such Tag-Along Transaction may request (the “Tag-Along Transaction Documents”), and (B) if the Initiating Holders and the Tag-Along Sellers will receive any Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in the Transferee or any other Person in connection with such Tag-Along Transaction, executing and delivering any applicable limited liability company agreement, stockholders agreement, partnership agreement, investor rights agreement, voting agreement or similar agreement which relates to the internal governance of such Transferee or such other Person and/or the rights or obligations of the owners of the Equity Interests (and/or any options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests) in such Transferee or such other Person that Initiating Holders or the Transferee may request and which are executed and delivered by the Initiating Holders. In connection with any Tag-Along Transaction that complies with this Section 9.4, no Member (whether or not a Tag-Along Seller) shall (i) take any action that would reasonably be expected to impede or be prejudicial to such Tag-Along Transaction, (ii) assert, at any time, any claim against the Company, any member of the Board (or any committee thereof), any member of any Subsidiary Governing Body or any other Member or any of its Affiliates (including any Initiating Holder and any of its Affiliates) in connection with such Tag-Along Transaction, or (iii) except as permitted under and pursuant to Article 20, disclose to any Person any information related to such Tag-Along Transaction (including the identity of the Transferee, the fact that discussions or negotiations are taking place concerning such Tag-Along Transaction, or any of the terms, conditions or other information with respect to such Tag-Along Transaction).

(d) At the closing of any Tag-Along Transaction in which any Tag-Along Seller has elected to participate under this Section 9.4, such Tag-Along Seller shall deliver at such closing, against payment of the consideration therefor in accordance with the terms of the Tag-Along Transaction Documents, certificates or other documentation (or other evidence thereof reasonably acceptable to the Transferee in such Tag-Along Transaction) representing its Class A Units to be Transferred, duly endorsed for transfer or accompanied by duly endorsed instruments of transfer, and such other documents as

are deemed reasonably necessary by the Initiating Holders, the Transferee in such Tag-Along Transaction and/or the Company for the proper Transfer of such Class A Units on the books of the Company or the Transfer Agent, free and clear of any Liens (other than Permitted Liens).

(e) Each Initiating Holder and each Tag-Along Seller electing to participate in a Tag-Along Transaction under this Section 9.4 will bear its *pro rata* share (based upon the allocation among each such Member of the consideration payable in respect of Class A Units in the Tag-Along Transaction) of the costs and expenses of any such Tag-Along Transaction to the extent such costs and expenses are incurred for the benefit of all such Members and are not otherwise paid by the Company or the Transferee. Costs and expenses incurred by any such Member on its own behalf will not be considered costs of the Tag-Along Transaction and will be borne solely by such Member.

(f) Subject to the provisions of this Section 9.4, the Initiating Holders shall have complete discretion over the terms and conditions of any Tag-Along Transaction, including price, payment terms, conditions to closing, timing of closing, representations, warranties, affirmative covenants, negative covenants, indemnification, releases, holdbacks and escrows. Neither the Company, any of its Subsidiaries nor any of the Initiating Holders shall have any liability if any Tag-Along Transaction is not consummated for any reason (including if the Initiating Holders elect to abandon such Tag-Along Transaction for any reason or for no reason).

(g) The Company shall, and shall use its commercially reasonable efforts to cause its officers, employees, agents, contractors and others under its control to, cooperate and assist in any proposed Tag-Along Transaction and not take any action which would reasonably be expected to impede or be prejudicial to any such Tag-Along Transaction. Pending the completion of any proposed Tag-Along Transaction, the Company shall use commercially reasonable efforts to operate the Company and its Subsidiaries in the ordinary course of business and to maintain all existing business relationships in good standing (unless otherwise required by the Tag-Along Transaction Documents) and otherwise comply with the terms of the Tag-Along Transaction Documents to which it is a party.

(h) If any Tag-Along Seller electing to participate in a Tag-Along Transaction materially breaches any of its obligations under this Section 9.4 in respect of such Tag-Along Transaction or any of its representations or obligations under any of the Tag-Along Transaction Documents, then, (i) at the option of the Initiating Holders, such Tag-Along Seller will not be permitted to participate in such Tag-Along Transaction and the Initiating Holders can proceed to close such Tag-Along Transaction excluding the sale of such Tag-Along Seller's Class A Units therefrom and, (ii) at the option of the Initiating Holders, the number of Class A Units to be Transferred by the Initiating Holders and the Tag-Along Sellers (excluding the breaching Tag-Along Seller) shall be recalculated pursuant to clause (ii) of Section 9.4(b) excluding the breaching Tag-Along Seller from such calculation.

(i) The Initiating Holders shall have the right for a period of ninety (90) days after the expiration of the latest five (5) Business Day period referred to in Section 9.4(b) to consummate the Tag-Along Transaction. In the event that the Initiating Holders have not consummated the Tag-Along Transaction within such ninety-day period, the Initiating Holders shall not thereafter consummate such Tag-Along Transaction unless the Initiating Holders again comply with the terms of this Section 9.4; provided, however, that if such Tag-Along Transaction is unable to be consummated within such ninety-day period as a result of antitrust or other regulatory delay, then such ninety-day period shall be extended on account of such delay as necessary to permit the Initiating Holders to effect such Tag-Along Transaction.

(j) The exercise or non-exercise of the rights of any of the Members under this Section 9.4 to participate in one or more Tag-Along Transactions shall not adversely affect their rights to participate in subsequent Tag-Along Transactions subject to this Section 9.4.

9.5 Appointment of Purchaser Representative. If the Selling Members enter into any negotiation or transaction for which Rule 506 of Regulation D (or any similar rule then in effect) promulgated by the SEC may be available with respect to such negotiation or transaction (including a merger, consolidation or other reorganization), each Draggged Member who is not an Accredited Investor shall, at the request of the Company or the Selling Members, appoint a “purchaser representative” (as such term is defined in Rule 501 of Regulation D) reasonably acceptable to the Company and the Selling Members in connection with such negotiation or transaction.

9.6 Preemptive Rights.

(a) After the Effective Date, the Company shall not, and the Company shall not permit any of its Subsidiaries to, sell or issue to any Person (including any then-current Member) any (i) Equity Interests of the Company or any of its Subsidiaries, or (ii) options, warrants or other securities that are convertible into, or exchangeable or exercisable for, any Equity Interests of the Company or any of its Subsidiaries (any such Equity Interests, options, warrants or securities, collectively, the “Additional Securities”) (other than pursuant to an Excluded Issuance), unless the Company or its applicable Subsidiary first submits written notice (a “Preemptive Rights Notice”) to each Significant Member identifying the material terms of the Additional Securities (including the price, number or amount and type of Additional Securities, and all other material terms thereof) and offers to each Significant Member that also demonstrates to the Company’s reasonable satisfaction that such Significant Member is an Accredited Investor (any such Significant Member, a “Preemptive Member” and, collectively, the “Preemptive Members”) the opportunity to purchase up to a portion of the Additional Securities (a “Pro Rata Portion”) on such terms and conditions set forth in the Preemptive Rights Notice. A Preemptive Member’s Pro Rata Portion shall be equal to the product of (1) the total number or amount of Additional Securities subject to the sale or issuance and (2) a fraction, (A) the numerator of which is the number of Class A Units then owned or held by such Preemptive Member, and (B) the denominator of which is the total number of Class A Units then owned or held by all Preemptive Members collectively.

(b) The Company's or its applicable Subsidiary's offer to each Preemptive Member shall remain open for a period of thirty (30) days after the Preemptive Rights Notice is delivered to such Preemptive Member in accordance with Section 19.5. A Preemptive Member may accept such offer by delivering written notice of such acceptance to the Company prior to the expiration of such thirty (30) day period, which notice shall set forth the number or amount of such Additional Securities to be purchased by such Preemptive Member (which, in any event, shall not exceed the number or amount equal to such Preemptive Member's Pro Rata Portion). If not all Preemptive Members subscribe for their full respective Pro Rata Portions, then the Company shall notify in writing the fully-subscribing Preemptive Members of such fact and shall offer, or cause its applicable Subsidiary to offer, such fully-subscribing Preemptive Members the right to acquire such unsubscribed Additional Securities on the terms set forth in the Preemptive Rights Notice. Each fully-subscribing Preemptive Member shall have the right to elect to purchase up to its pro rata share of such unsubscribed Additional Securities (in proportion to the Pro Rata Portions of all fully-subscribing Preemptive Members), by delivering written notice to the Company within two (2) Business Days from the date such offer from the Company or its applicable Subsidiary is delivered to such Preemptive Member. To the extent the procedure described in the preceding sentence does not result in the subscription of all unsubscribed Additional Securities, such procedure shall be repeated until there are no unsubscribed Additional Securities or until no Preemptive Member has elected to purchase additional unsubscribed Additional Securities.

(c) In the event that any Additional Securities are not subscribed for by the Preemptive Members in accordance with this Section 9.6, the Company or its applicable Subsidiary will have ninety (90) days after the expiration of the last period in which Preemptive Members are entitled to subscribe for Additional Securities to issue or sell the unsubscribed Additional Securities, at a price and upon other terms no more favorable to a purchaser of Additional Securities, in the aggregate, than those specified in the Preemptive Rights Notice delivered to the Preemptive Members pursuant to Section 9.6(a). Following the earlier to occur of (i) the date the Company or its applicable Subsidiary issues or sells all such unsubscribed Additional Securities and (ii) the date of the expiration of the ninety (90) day period referred to in the immediately preceding sentence, the Company or its applicable Subsidiary will not issue or sell any Additional Securities (other than pursuant to an Excluded Issuance) without first offering such Additional Securities to each of the Preemptive Members in the manner provided in this Section 9.6.

(d) Notwithstanding anything to the contrary set forth herein, the Company may comply with its obligations under this Section 9.6 by first selling or issuing to (or causing its applicable Subsidiary to sell or issue to) one or more Preemptive Members and/or any of their respective Affiliates (each, a "Specified Preemptive Member" and, collectively, the "Specified Preemptive Members") all or any portion of the Additional Securities contemplated to be issued or sold, and, promptly thereafter, offering to issue or sell to the Preemptive Members (other than the Specified Preemptive Members) (each, an "Other Preemptive Member" and, collectively, the "Other Preemptive Members") the number or amount of such Additional Securities the Other Preemptive Members would have been entitled to purchase pursuant to this Section 9.6 by applying Sections 9.6(a)

and 9.6(b) as if the Company or its applicable Subsidiary had not first issued or sold all or the applicable portion of the Additional Securities to the Specified Preemptive Members but rather had offered to issue or sell all of the Additional Securities to all Preemptive Members at the same time in accordance with the terms of those Sections; provided, however, that the Company or its applicable Subsidiary shall be permitted to pay the Specified Preemptive Members a reasonable fee or premium (which may be non-refundable) in connection with the sale of such Additional Securities to such Specified Preemptive Members, and it shall not be required that such fee or premium be shared with the Other Preemptive Members or taken into account in connection with the price to be paid by the Other Preemptive Members for such Additional Securities. In the event that any Other Preemptive Member purchases Additional Securities pursuant to any such offer referred to in the immediately preceding sentence and, as a result thereof, the Specified Preemptive Members would not have been permitted to purchase all of the Additional Securities they had purchased if all of the Additional Securities contemplated to be issued or sold had instead been offered to all Preemptive Members at the same time in accordance with Sections 9.6(a) and 9.6(b), then the Specified Preemptive Members shall sell or transfer to the Company or its applicable Subsidiary, for a price equal to the original cost thereof (plus any accrued and unpaid yield or interest thereon, if applicable, but without reducing such cost by any fee or premium received by the Specified Preemptive Members in connection therewith), the excess number or amount of Additional Securities that had been acquired by the Specified Preemptive Members.

(e) If the Company and/or any of its Subsidiaries desires to sell or issue (other than in an Excluded Issuance) (i) any Additional Securities and (ii) any indebtedness or debt securities of the Company or any of its Subsidiaries that do not otherwise constitute Additional Securities, and the items described in clauses (i) and (ii) are to be sold or issued together in unit increments (or in any other stapled or attached form), then such unit increments shall be deemed Additional Securities for purposes of this Section 9.6 and the provisions of this Section 9.6 shall apply to such unit increments.

9.7 Right of First Offer.

(a) If at any time a Member (such Member, the “Offering Member”) wishes to effect a ROFO Transaction, such Offering Member shall first deliver written notice (a “ROFO Notice”) to the Company and to each Major Member (each, a “ROFO Member”), in accordance with Section 19.5, of its desire to effect a ROFO Transaction. The ROFO Notice shall (i) contain a description of the material terms and conditions of the ROFO Transaction, including the number of Units proposed to be transferred (the “Offered Units”) and the purchase price (which purchase price must be exclusively in cash) (such material terms and conditions, collectively, the “Proposed Terms”), and (ii) offer the ROFO Members the right to acquire the Offered Units on the Proposed Terms in accordance with the terms of this Section 9.7.

(b) For a period of ten (10) Business Days after delivery of the ROFO Notice to the ROFO Members (the “ROFO Period”), each ROFO Member shall have the right (the “Right of First Offer”) to elect by delivering written notice (a “Purchase Notice”) to the Offering Member to purchase, on the Proposed Terms, up to its ROFO Portion of the

Offered Units; provided, however, that if any ROFO Member is a Counterparty and elects to provide Counterparty Excluded Information to the Offering Member pursuant to Section 9.8 prior to the expiration of such 10-Business Day period, then the ROFO Period shall instead be deemed to commence on such date that, following the receipt by the Offering Member of such Counterparty Excluded Information, either (i) the Offering Member has reaffirmed to the ROFO Members in writing its intention to Transfer the Offered Units or (ii) if the Offering Member has not made such reaffirmation, is three (3) Business Days after the Offering Member's receipt of such Counterparty Excluded Information; provided, further, that if the Offering Member receives Counterparty Excluded Information from a Counterparty and the Offering Member intends to proceed with the Transfer of the Offered Units, then, within three (3) Business Days after the Offering Member's receipt of such Counterparty Excluded Information, the Offering Member may offer to provide such Counterparty Excluded Information to any ROFO Member that does not have possession of such Counterparty Excluded Information, in which case (A) if such ROFO Member agrees to be provided with such Counterparty Excluded Information and the Offering Member provides such Counterparty Excluded Information to such ROFO Member, then the ROFO Period shall instead be deemed to commence on such date that such ROFO Member receives such Counterparty Excluded Information, or (B) if such ROFO Member refuses to receive such Counterparty Excluded Information, then such ROFO Member shall be excluded from the definition of "ROFO Member" solely with respect to the Transfer of the Offered Units (it being understood and agreed that if such ROFO Member does not agree to receive the Counterparty Excluded Information within two (2) Business Days following such ROFO Member's receipt of the offer from the Offering Member to be provided such Counterparty Excluded Information, then such ROFO Member shall be deemed to have refused to receive such Counterparty Excluded Information). Any Counterparty Excluded Information provided to an Offering Member or a ROFO Member pursuant to this Section 9.7(b) shall be subject to the terms of Article 20. During the ROFO Period (but not after the end of the ROFO Period), any offer to purchase by the ROFO Members and the offer to sell by the Offering Member shall, in each case, be revocable.

(c) A ROFO Member's "ROFO Portion" shall be equal to the product of (i) the total number of Offered Units and (ii) a fraction, (A) the numerator of which is the number of Class A Units then owned or held by such ROFO Member, and (B) the denominator of which is the total number of Class A Units then owned or held by all ROFO Members collectively. If not all ROFO Members subscribe for their full respective ROFO Portions by the expiration of the ROFO Period, then the Offering Member shall notify in writing the fully-subscribing ROFO Members and the Company of such fact and offer such fully-subscribing ROFO Members the right to acquire such unsubscribed Offered Units on the Proposed Terms. Each fully-subscribing ROFO Member shall have the right to elect to purchase its *pro rata* share of such unsubscribed Offered Units (in proportion to the ROFO Portions of all fully-subscribing ROFO Members), by delivering written notice to the Offering Member and the Company, within two (2) Business Days from the date the notice from the Offering Member is delivered to such ROFO Members. To the extent the procedure described in the preceding sentence does not result in the subscription of all unsubscribed Offered Units, such procedure shall be repeated until either (x) there are no unsubscribed Offered Units or (y) no ROFO

Member elects to purchase any unsubscribed Offered Units (as set forth in this Section 9.7(c)).

(d) If one or more ROFO Members elect to purchase all of the Offered Units, the closing for such purchase and sale shall take place within fifteen (15) Business Days after the expiration of the ROFO Period or, if applicable, the expiration of the last period in which ROFO Members could elect to purchase Offered Units pursuant to Section 9.7(c). Anything herein to the contrary notwithstanding, if the ROFO Members do not elect to exercise the Right of First Offer with respect to all Offered Units, then Offering Member shall not have an obligation to sell any Offered Units to any of the ROFO Members.

(e) At the closing of any purchase and sale of Offered Units under this Section 9.7, (i) the Offering Member shall deliver, against payment of the purchase price therefor, in accordance with the Proposed Terms, certificates or other documentation (or other evidence thereof reasonably acceptable to the Company and/or the ROFO Members) representing such Offered Units, duly endorsed for transfer or accompanied by duly endorsed instruments of transfer, and such other documents as are deemed reasonably necessary by the Company and/or the ROFO Members for the proper transfer of such Offered Units on the books of the Company or the Transfer Agent, free and clear of any Liens (other than Permitted Liens), and (ii) the ROFO Members that have elected to purchase Offered Units shall deliver to the Offering Member the purchase price for such Offered Units in accordance with the Proposed Terms.

(f) In the event that the ROFO Members do not elect to exercise their Right of First Offer purchase rights under this Section 9.7 with respect to all of the Offered Units, then the Offering Member will have ninety (90) days after the expiration of the ROFO Period or, if applicable, the expiration of the last period in which ROFO Members could elect to purchase Offered Units pursuant to Section 9.7(c) to sell or Transfer all (but not less than all) of the Offered Units not sold to the ROFO Members to a third party (subject to compliance with the terms set forth in this Agreement, including Section 9.4, if applicable), at a purchase price in cash that is no lower than the purchase price specified in the ROFO Notice and upon other terms that are, in the aggregate, no more favorable to the third party than the Proposed Terms specified in the ROFO Notice. In the event the Offering Member has not sold all of such Offered Units within such ninety-day period, the Offering Member shall not thereafter sell or Transfer such Offered Units (other than in an Excluded ROFO Transfer) without first offering such Offered Units to the ROFO Members in the manner provided in this Section 9.7; provided, however, that if the ROFO Transaction with a third party is unable to be consummated within such ninety-day period as a result of antitrust or other regulatory delay, then such ninety-day period shall be extended on account of such delay as necessary to permit the Offering Member to effect such ROFO Transaction.

(g) Any Class B Unit that is Transferred to a ROFO Member pursuant to the exercise of the Right of First Offer pursuant to this Section 9.7 will automatically convert into a Class A Unit simultaneously with the consummation of such Transfer.

(h) Upon the delivery of any ROFO Notice, if requested by any ROFO Member, the Company shall inform such ROFO Member if the Company believes such ROFO Member possesses material non-public information regarding the Company.

9.8 Transfers Among Members. Each Member acknowledges and agrees, with respect to any Transfer by, with, to or from any Designating Member or any Observer Member (any such Member, a “Counterparty”) that (a) no Counterparty has made any representation or warranty, express or implied, regarding the Company or any of its Subsidiaries or the Units, and any such purported representations or warranties are expressly disclaimed and waived and such Member has not relied upon and expressly disclaims reliance upon any such purported representations or warranties; and (b) a Counterparty may have, or may come into possession of, information with respect to the Units, the Company or its Subsidiaries that may constitute material non-public information or information that is not known to other Members and that may be material to a decision to the purchase or sale of Units by, with, to or from such Counterparty (“Counterparty Excluded Information”). In connection with any such purchase or sale of Units by, with, to or from a Counterparty, such Counterparty may, in its sole discretion, disclose any or all Counterparty Excluded Information in such Counterparty’s possession to the applicable Member purchasing or selling Units, including any Offering Member or Tag-Along Seller, which Counterparty Excluded Information shall be subject to the terms of Article 20. Within three (3) Business Days of receiving such Counterparty Excluded Information, the applicable Member, including any applicable Offering Member, ROFO Member, Initiating Holder or Tag-Along Seller, may revoke its purchase or sale, including its ROFO Notice, Purchase Notice, Sale Notice or Acceptance Notice, as applicable. Each Member irrevocably and unconditionally waives and releases the Company, the Counterparty and their respective Affiliates from any and all claims (whether for Damages, rescission or any other relief) that it might have against the Company, any member of the Board (or any committee thereof), any member of any Subsidiary Governing Body, the Counterparty or any of their respective Affiliates, whether under applicable securities laws or otherwise, with respect to any Counterparty Excluded Information in connection with such purchase or sale, and each Member agrees not to solicit or encourage, directly or indirectly, any other Person to assert any such claim. Each Member further confirms that it understands the significance of the foregoing waiver.

ARTICLE 10 FISCAL YEAR; BOOKS OF ACCOUNT; REPORTS

10.1 Fiscal Year. The fiscal year of the Company (the “Fiscal Year”) shall be established by the Board.

10.2 Books and Records. The books and records of the Company may be kept at such place or places as may be from time to time designated by the Board. The Company shall keep correct and complete books and records of account, including the amount of its assets and liabilities, minutes of its proceedings of its Members and the Board (and any committee of the Board) and the names and places of residence of its officers.

10.3 Tax Information. The Company shall, as a Company expense, as soon as reasonably practicable after the end of each Fiscal Year, furnish the Members with all necessary tax reporting information required by the Members for the preparation of their respective federal,

state and local income tax returns, including each Member's Schedule K-1 or analogous schedule. The Company shall use reasonable efforts to cause all federal, state and local income and other tax returns to be timely filed by the Company, and shall supervise the Company's accountant in the preparation of the Company's tax returns, which returns shall be signed by an authorized Member or representative on behalf of the Company and co-signed by the Company's accountant as preparer.

10.4 Tax Elections and Accounting. Except as otherwise provided in this Agreement, all decisions as to accounting principles, whether for the Company's books or for income tax purposes (and such decisions may be different for each such purpose), all elections available to the Company under applicable tax law and the treatment of all transactions on the Company's tax returns, shall be made by the Board, in consultation with the Company's tax advisors. The Company will not undertake any activity or fail to take any action that will cause the Company to earn or to be allocated income other than qualifying income as defined in Code Section 7704(d), except to the extent permitted under Code Section 7704(c)(2). The Company will use commercially reasonable efforts to conduct its affairs in a manner so as not to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes and will use commercially reasonable efforts not to take any action that would result in the Members being allocated income that is treated as "effectively connected with the conduct of a trade or business within the United States" as defined in Code Section 864(c) (including income described in Code Section 897), "unrelated business taxable income" as defined in Code Sections 512 and 514 or "commercial activity income" as defined in Code Section 892. The Board may, at the time and in the manner provided in Treasury Regulations Section 1.754-1(b), cause the Company to elect pursuant to Code Section 754 to adjust the tax bases of the assets of the Company in the manner provided in Code Sections 734 and 743, and may make comparable elections under comparable provisions of state, local, or foreign tax law.

10.5 Company Representative.

(a) Unless otherwise agreed by the Board, and subject to the terms of this Agreement, an officer of the Company or a Manager designated by the Board shall have full power and authority to act for the Company and the Members as the "partnership representative" (the "Company Representative") under Code Section 6223 (as modified by the Bipartisan Budget Act of 2015, as amended (and any comparable provisions of state or local tax law), the "BB Act"), with all the rights and responsibilities of that position described in Code Sections 6222-32 and to act in any similar capacity under applicable state or local law. The Company Representative shall keep the Members reasonably informed of the progress of any tax audits or examinations. The Company shall reimburse the Company Representative for all third party costs and expenses, and any other costs and expenses, incurred by it in the exercise of the rights and/or the performance of the responsibilities referred to in this Section 10.5. The Company Representative shall, to the extent permissible, make the election contemplated by Code Section 6226 (as modified by the BB Act). The Company Representative shall take no material action with respect to any significant tax controversy matter without the authorization of the Board, other than such action as may be required by law and will take such actions as the Board may authorize and direct. Each Member shall provide to the Company Representative all information reasonably necessary to allow the Company

Representative to make an election under Code Section 6226 (as modified by the BB Act). Each Member agrees that, upon request of the Company Representative, such Member shall take such reasonable actions as may be necessary or desirable (as reasonably determined by the Company Representative) to allow the Company to comply with the provisions of Code Section 6226 so that any “partnership adjustments” are taken into account by the Members rather than the Company. Notwithstanding the foregoing, and subject to other limitations expressly set forth in this Agreement, each Member agrees, upon request of the Company Representative, that such Member shall provide such information, pay such amounts, and take into account such adjustments as are required to utilize the alternative “pull-in” procedure, in accordance with Code Section 6225(c)(2)(B) relating thereto to modify an imputed underpayment.

(b) In the event the Company incurs any liability for taxes, interest or penalties pursuant to the BB Act:

(i) then any “imputed underpayment” (as determined in accordance with Code Section 6225) or “partnership adjustment” that does not give rise to an “imputed underpayment” shall be apportioned among the Members for the taxable year in which the adjustment is finalized in such manner as may be necessary (as determined by the Board) so that, to the maximum extent possible, the tax and economic consequences of the partnership adjustment and any associated interest and penalties are borne by the Members based upon their interests in the Company for the “reviewed year”;

(ii) the Company Representative shall request the Members (including any former Member) to whom such liability relates, as determined by the Board in its reasonable discretion, to pay, and each such Member hereby agrees to pay, such amount to the Company and such amount shall not be treated as a Capital Contribution for purposes of any provision herein that affects Distributions to the Members;

(iii) without reduction in any Member’s (or former Member’s) obligation under the foregoing clause (ii), any amount paid by the Company that is attributable to a Member (or former Member), as determined by the Company Representative in its reasonable discretion, and that is not paid by such Member pursuant to clause (ii) shall be treated for purposes of Article 13 as a Distribution to such Member (or former Member); and

(iv) the obligations of each Member (or former Member) under this Section 10.5 shall survive the Transfer by such Member of its Units and the dissolution of the Company.

10.6 Required Records. To the fullest extent permitted under applicable law, each Member hereby waives its rights under Section 18-305(a) of the Act to obtain the information specified therein; provided, however, that to the extent that, notwithstanding such waiver, any such Member is entitled to receive such information, the receipt thereof shall be subject to all of the limitations set forth in Section 18-305 of the Act (including the right of the Managers to keep

certain information confidential from the Members pursuant to Section 18-305(c) of the Act), and shall be limited to review of the Company's general ledger and those financial statements derived from it; provided, further, that the review of such information shall be at the sole cost and expense of such Member, during regular business hours of the Company, upon reasonable advance notice, in a manner as would not be unreasonably disruptive to the business or operations of the Company or any of its Subsidiaries, and subject to such other standards as may be established by the Board from time to time. Except as expressly required by non-waivable provisions of applicable law and except as expressly set forth in, and subject to the conditions and limitations of, Section 10.3 and Section 17.1, the Members shall have no rights to obtain, examine or inspect, or make copies or extracts of, any documents, materials or information relating to the Company or any of its Subsidiaries or any of their respective businesses, assets, operations, properties, financial and other conditions, prospects, or members, partners or shareholders.

10.7 Audits of Books and Accounts. The Company's books and accounts shall be audited at such times and by such auditors as shall be specified and designated by vote or written consent of the Board.

ARTICLE 11 CAPITAL

11.1 Capital Contributions. The Capital Contributions of the Members made, or deemed to have been made, prior to or on the Effective Date are set forth in the Register of Members. To the extent that any Member shall make any additional Capital Contributions to the Company, the Company shall instruct and use commercially reasonable efforts to cause the Transfer Agent to amend and update the Register of Members to reflect such additional Capital Contributions.

11.2 No Right to Return of Contribution. No Member shall have the right to the withdrawal or to the return of such Member's Capital Contributions, except upon the dissolution and liquidation of the Company pursuant to, and subject to the terms and conditions of, Article 15.

11.3 Additional Capital Contributions. After the Effective Date, no Member will be obligated to make any further Capital Contributions to the Company.

11.4 Loans to the Company; No Interest on Capital. The Members may, but are not obligated to, make loans or provide other extensions of credit to the Company from time to time (including by the purchase of debt securities issued by the Company), as authorized by the Board and to the extent permitted under applicable law. Any such loans or extensions of credit shall not be treated as Capital Contributions to the Company for any purpose under this Agreement nor entitle such Member to any increase in its share of the Profits and Losses and Distributions, but the Company shall be obligated to such Member for the amount of any such loans or extensions of credit pursuant to the terms thereof, as the same are determined by the Board and such Member. Interest with respect to the outstanding amount of any loans or other extensions of credit made or provided by a Member to the Company shall accrue and be payable at such

times and at such rates as is determined by the Board and such Member. No interest shall be paid on any Capital Contribution to the Company or on any balance in any Capital Account.

11.5 Creditor's Interest in the Company. No creditor who makes a loan or otherwise extends credit to the Company shall have or acquire at any time as a result of making the loan or providing the extension of credit any direct or indirect interest in the profits, capital or property of the Company, other than such interest as may be accorded to a secured creditor. Notwithstanding the foregoing, and subject to other limitations expressly set forth in this Agreement, this provision shall not prohibit in any manner whatsoever a secured creditor from participating in the profits of operation or gross or net sales of the Company or in the gain on sale or refinancing of the Company, all as may be provided in its loan or security agreements.

11.6 Capital Accounts.

(a) The Company shall establish and maintain a separate Capital Account for each Member in accordance with the following provisions:

(i) To each Member's Capital Account there shall be credited such Member's Capital Contributions, such Member's allocable share of Profits, and any items in the nature of income or gain that are specially allocated to such Member under this Agreement, and the amount of any Company liabilities that are assumed by such Member in accordance with the terms hereof (other than liabilities that are secured by any Company property distributed to such Member that such Member is considered to assume or take subject to under Code Section 752).

(ii) To each Member's Capital Account there shall be debited the amount of cash and the Gross Asset Value of any Company property distributed to such Member pursuant to any provision of this Agreement (net of liabilities secured by such distributed property that such Member is considered to assume or take subject to under Code Section 752), such Member's allocable share of Losses, and any items in the nature of expenses or losses that are specially allocated to such Member under this Agreement, and the amount of any liabilities of such Member that are assumed by the Company (other than liabilities that are secured by any property contributed by such Member to the Company that the Company is considered to assume or take subject to under Code Section 752).

(iii) In the event any Unit is Transferred in accordance with the terms of this Agreement, the Transferee shall succeed to the Capital Account of the Transferor to the extent it relates to the Transferred Unit. In the case of a sale or exchange of a Unit at a time when an election under Code Section 754 is in effect, the Capital Account of the Transferee Member shall not be adjusted to reflect the adjustments to the adjusted tax bases of Company property required under Code Sections 754 and 743, except as otherwise permitted by Treasury Regulations Section 1.704-1(b)(2)(iv)(m).

(iv) In determining the amount of any liability for purposes of paragraphs (i) and (ii) above, there shall be taken into account Code Section 752(c) and the Treasury Regulations promulgated thereunder, and any other applicable provisions of the Code and Regulations.

(b) This Section 11.6 and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Sections 1.704-1(b) and 1.704-2, and shall be interpreted and applied in a manner consistent with such Regulations. The Board's determination of Capital Accounts shall be binding upon all Members, except as otherwise required by law.

11.7 Return of Capital. No Member shall be liable for the return of the Capital Contributions (or any portion thereof) of any other Member, it being expressly understood that any such return shall be made solely from Company assets. No Member shall be required to pay to the Company or to any other Member any deficit in its Capital Account upon dissolution of the Company or otherwise, and no Member shall be entitled to withdraw any part of its Capital Contributions or Capital Account, to receive interest on its Capital Contributions or Capital Account or to receive any Distributions from the Company, except as expressly provided for in this Agreement or under applicable law.

ARTICLE 12 ALLOCATION OF PROFITS AND LOSSES

12.1 Profits and Losses. Except as otherwise stated in this Article 12, Profits and Losses for each Allocation Year shall be allocated among the Members in such a manner that, as of the end of such Allocation Year, the sum of (a) the Capital Account of each Member, (b) such Member's share of Company Minimum Gain (as determined according to Treasury Regulations Section 1.704-2(g)), and (c) such Member's Member Nonrecourse Debt Minimum Gain shall be equal to the respective net amounts, positive or negative, which would be distributed to them, determined as if the Company were to (x) liquidate the assets of the Company for an amount equal to their Gross Asset Value, and (y) distribute the proceeds of liquidation pursuant to Section 15.2.

12.2 Special Allocations.

(a) *Minimum Gain Chargeback*. Notwithstanding any other provision of this Article 12, if there is a net decrease in Company Minimum Gain during any Allocation Year, the Members shall be specially allocated items of Company income and gain for such Allocation Year (and, if necessary, subsequent Allocation Years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g)(2). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items so allocated shall be determined in accordance with Treasury Regulations Section 1.704-2(f). This Section 12.2(a) is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(f) of the Treasury Regulations and shall be interpreted consistently therewith.

(b) *Member Nonrecourse Debt Minimum Gain Chargeback.* Notwithstanding any other provision of this Article 12, except Section 12.2(a), if there is a net decrease in Member Nonrecourse Debt Minimum Gain attributable to a Member Nonrecourse Debt during any Allocation Year, each Member who has a share of the Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Treasury Regulations Section 1.704-2(i)(5), shall be specially allocated items of Company income and gain for such Allocation Year (and, if necessary, subsequent Allocation Years) in an amount equal to such Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Treasury Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2). This Section 12.2(b) is intended to comply with the minimum gain chargeback requirement in Treasury Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(c) *Qualified Income Offset.* In the event any Member unexpectedly receives any adjustments, allocations, or distributions described in paragraphs (4), (5) and (6) of Treasury Regulations Section 1.704-1(b)(2)(ii)(d), items of Company income and gain shall be specially allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by such Regulations, the Adjusted Capital Account deficit of such Member as quickly as possible, provided, that an allocation pursuant to this Section 12.2(c) shall be made only if and to the extent that such Member would have an Adjusted Capital Account deficit after all other allocations provided for in this Article 12 have been tentatively made as if this Section 12.2(c) were not in this Agreement.

(d) *Gross Income Allocation.* In the event any Member has a deficit Capital Account at the end of any Allocation Year that is in excess of the sum of (i) the amount such Member is obligated to restore pursuant to any provision of this Agreement and (ii) the amount such Member is obligated to restore pursuant to the penultimate sentence of each of Treasury Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), each such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided, that an allocation pursuant to this Section 12.2(d) shall be made only if and to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Article 12 have been made as if Section 12.2(c) and this Section 12.2(d) were not in this Agreement.

(e) *Nonrecourse Deductions.* Nonrecourse Deductions shall be allocated to holders of Class A Units in proportion to the number of Class A Units held by each such holder immediately prior to such allocation.

(f) *Member Nonrecourse Deductions.* Any Member Nonrecourse Deductions for any Allocation Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such

Member Nonrecourse Deductions are attributable in accordance with Treasury Regulations Section 1.704-2(i)(1).

(g) *Section 754 Adjustments.* To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Regulations.

12.3 Curative Allocations. The allocations contained in each of Section 12.2 and Section 12.4 (the “Regulatory Allocations”) are intended to comply with certain requirements of the Code and Regulations. The Members intend that, to the extent possible, all Regulatory Allocations shall be offset either by other Regulatory Allocations or with special allocations of other items of Company income, gain, loss or deduction pursuant to this Section 12.3. Therefore, notwithstanding any other provisions of this Article 12 (other than the Regulatory Allocations), the Board shall make such offsetting special allocations of Company income, gain, loss or deduction in whatever manner it reasonably determines to be appropriate so that, after such offsetting allocations are made, each Member’s Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of this Agreement.

12.4 Limitation on Allocation of Losses. In no event shall Losses be allocated to a Member to the extent such allocation would result in such Member having an Adjusted Capital Account deficit at the end of any Allocation Year. All such Losses shall be allocated to the other Members in accordance with the positive balances in such Members’ Capital Accounts.

12.5 Other Allocation Rules.

(a) Profits, Losses, and any other items of income, gain, loss, or deduction shall be allocated to the Members pursuant to this Article 12 as of the last day of each Fiscal Year, provided, that Profits, Losses, and such other items shall also be allocated at such times as the Gross Asset Values of Company assets are adjusted pursuant to paragraph (b) of the definition of “Gross Asset Value”.

(b) For purposes of determining the Profits, Losses, or any other items allocable to any period, Profits, Losses, and any such other items shall be determined on a daily, monthly or other basis, as reasonably determined by the Board, using any permissible method under Code Section 706 and the Regulations thereunder.

(c) Except as otherwise provided in this Agreement, all items of Company income, gain, loss, deduction, and any other allocations not otherwise provided for shall be divided among the Members for tax purposes in the same proportions as they share Profits or Losses, as the case may be, for the applicable Allocation Year.

(d) For purposes of Code Section 752 and the Regulations thereunder, “excess nonrecourse liabilities” of the Company within the meaning of Treasury Regulations Section 1.752-3(a)(3), shall be allocated among the holders of Class A Units in proportion to the number of Class A Units held by each such holder immediately prior to such allocation.

12.6 Tax Allocations: Code Section 704(c).

(a) Subject to Section 12.6(b), items of income, gain, loss and deduction of the Company for U.S. federal income tax purposes shall be allocated among the Members in the same manner that such items are allocated to the Members’ Capital Accounts.

(b) In accordance with Code Section 704(c) and the applicable Treasury Regulations thereunder, income, gain, loss, deduction and tax depreciation with respect to any property which has a Gross Asset Value different than its adjusted tax basis, will, solely for U.S. federal income tax purposes, be allocated among the Members in accordance with Code Section 704(c) and the Treasury Regulations thereunder to take into account such difference, using any method selected in the reasonable determination of the Board.

(c) Allocations pursuant to this Section 12.6 are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Member’s Capital Account or share of Profits, Losses, other items, or distributions pursuant to any provision of this Agreement.

**ARTICLE 13
DISTRIBUTIONS**

13.1 Distributions.

(a) Subject to (i) the terms of Section 6.19, (ii) the terms of Section 13.2, and (iii) the then existing agreements of the Company or its Subsidiaries relating to indebtedness or debt securities of the Company or any of its Subsidiaries, the Board may (but shall not be obligated to) cause the Company to make Distributions to the Members, at such times and in such amounts as the Board may determine in its sole discretion, and each Distribution shall be made to the Members that own or hold Class A Units and to the Members that own or hold Class B Units to the extent such Members owning or holding Class B Units are entitled to Distributions in respect of such Class B Units in accordance with this Agreement, the applicable Management Incentive Plan and/or any applicable Award Agreement (ratably among such Members based on their respective ownership, immediately prior to such Distribution, of the total number of issued and outstanding Class A Units and Class B Units entitled to Distributions in accordance with this Agreement, the applicable Management Incentive Plan and/or any applicable Award Agreement).

(b) Anything in Sections 13.1(a) and 15.2 to the contrary notwithstanding, unless the Board otherwise approves, if any Member that owns or holds Class A Units shall not have (i) actually executed and delivered to the Company (A) a counterpart of

this Agreement or a Joinder Agreement or (B) a completed AI Questionnaire as required pursuant to this Agreement, or (ii) provided the Company with such Member's Member Beneficial Ownership Information as required pursuant to this Agreement, in any such case at or prior to the time of any payment by the Company of any Distribution on account of Class A Units, then (x) such Member shall not receive, or be entitled to receive, any such Distribution on account of such Member's Class A Units until such Member executes and delivers or provides to the Company the applicable document(s) referred to in clause (i) or clause (ii) above, subject to the additional terms and provisions of this Section 13.1(b), and (y) the Company shall hold back any Distributions that, except for this Section 13.1(b), would otherwise have been paid or distributed to such Member in respect of such Member's Class A Units. The Company shall not be required to pay any interest in respect of any cash, assets, property, securities or other amounts held back pursuant to the immediately preceding sentence. The Company shall be free to use all such cash, assets, property, securities and other amounts as it sees fit and the Company shall not be under any obligation to pay such cash, assets, property, securities or other amounts into an escrow account (or any similar arrangement). In the event that (I) any Member that owns or holds Class A Units is not paid or distributed a Distribution on account of such Member's Class A Units as a result of this Section 13.1(b), and (II) such Member executes and delivers or provides the applicable document(s) referred to in clause (i) or clause (ii) above subsequent to the payment or distribution by the Company of such Distribution on account of other Class A Units, then, promptly following such execution and delivery or provision by such Member, the Company shall pay or distribute such Distribution to such Member that would have otherwise been payable or distributable pursuant to Section 13.1(a) or Section 15.2 on account of such Member's Class A Units as of the record date for such Distribution, but held back pursuant to this Section 13.1(b); provided, however, that the obligation of the Company to pay or distribute any such Distribution to such Member shall (X) terminate upon the consummation of a Sale Transaction, (Y) be subject to any limitations or restrictions under the Act or other applicable law, and (Z) be subject to any limitations or restrictions under the then existing agreements of the Company or its Subsidiaries relating to indebtedness or debt securities of the Company or any of its Subsidiaries.

(c) Unless a different record date is established by the Board, any Distribution pursuant to or in accordance with this Section 13.1 shall be made to the Persons shown on the Register of Members as holders of Units entitled to such Distribution as of the date of such Distribution.

13.2 Limitations on Distributions. Notwithstanding any provision to the contrary in this Article 13, no Distribution shall be made if such Distribution would violate the Act or any other applicable law.

13.3 No Other Distributions. Except as set forth in this Article 13 or upon the dissolution and liquidation of the Company pursuant to, and subject to the terms and conditions of, Article 15, no Member shall have the right to demand or receive any Distribution or other return on capital in respect of its Units or Capital Contributions.

13.4 Withholding Tax. The Company will at all times be entitled to make payments with respect to each Member in amounts required to discharge any obligation of the Company to withhold or make payments to any federal, state, local or foreign taxing authority (a “Taxing Authority”) with respect to such Member’s interest in the Company (including U.S. federal, state or local, withholding taxes and including any withholding taxes imposed on amounts paid to the Company). Any amounts deducted, withheld or paid by reason of this Section 13.4 shall be deemed distributed or allocated to the Member in question for all purposes under this Agreement and, to the extent such withholding has not offset a Distribution, shall reduce future Distributions to which such Member is otherwise entitled pursuant to this Agreement. If the Company makes any payment to a Taxing Authority in respect of a Member or former Member hereunder that is not withheld from actual Distributions to such Member (including in connection with a Distribution in kind), then such Member or former Member shall reimburse the Company for the amount of such payment (together with interest as set forth below), on demand or as otherwise provided hereunder. In addition, if a Member has not satisfied its reimbursement obligation under this Section 13.4 by the time of any Transfer of any of such Member’s Units (including any Transfer in connection with a Sale Transaction), then the Company is authorized by the Members (including such Member) to take such steps and other actions to cause or require an amount of proceeds that would otherwise be paid or distributed to such Member (or its Affiliates) in connection with such Transfer to be paid to the Company to satisfy such reimbursement obligation in full (or to satisfy such reimbursement obligation to the maximum extent possible). The amount of a Member’s reimbursement obligation under this Section 13.4 shall bear interest on such amount at a rate equal to [9.50%] per annum, compounded quarterly, commencing from the date the Company makes the applicable payment to a Taxing Authority until such amount (together with such interest) is repaid to the Company (or deducted from a Distribution to such Member). Each Member’s reimbursement obligation under this Section 13.4 shall remain a personal liability of such Member and shall continue after such Member Transfers its Units or after a withdrawal by such Member from the Company and shall survive the termination, dissolution, liquidation, and winding up of the Company and the Company shall be treated as continuing in interest for purposes of this Section 13.4. Each Member agrees to furnish the Company with any representations, forms, certificates or other information as shall be reasonably requested by the Company to assist the Company in determining the extent of, or in fulfilling or complying with, any withholding, reporting or compliance obligations the Company may have. Each Member agrees to indemnify and hold harmless the Company, each officer, each Manager, the other Members, and any other Person who is or is deemed to be the responsible withholding agent for federal, state, local or foreign income tax purposes, from and against any liability with respect to taxes, interest and penalties which may be asserted by reason of the failure to deduct and withhold tax on amounts distributable to such Member.

ARTICLE 14 WITHDRAWALS; ACTION FOR PARTITION

14.1 Waiver of Partition. No Member shall, either directly or indirectly, take any action to require partition, file a bill for Company accounting or appraisal of the Company or of any of its assets or properties or, subject to the terms of Section 9.3, cause the sale of any Company property; and, notwithstanding any provisions of applicable law to the contrary, each Member (and each of such Member’s legal representatives, successors, or assigns) hereby

irrevocably waives any and all rights it may have to maintain any action for partition or to compel any sale with respect to such Member's Units, or with respect to any assets or properties of the Company, except as expressly provided in this Agreement.

14.2 Covenant Not to Withdraw or Dissolve. Notwithstanding any provision of the Act, but except as otherwise provided in this Agreement, each Member hereby covenants and agrees that such Member has entered into this Agreement based on its mutual expectation that all Members will continue as Members and carry out the duties and obligations undertaken by them hereunder and that, except as otherwise expressly required or permitted hereby, each Member hereby covenants and agrees not to (a) withdraw or attempt to withdraw from the Company (other than upon the permitted Transfer of all of its Units, so long as such withdrawal does not result in a dissolution of the Company), (b) exercise any power under the Act to dissolve the Company, (c) petition for judicial dissolution of the Company, or (d) demand a return of such Member's contributions to capital of the Company (or a bond or other security for the return of such contributions). Anything herein to the contrary notwithstanding, no Member shall be entitled to abandon or surrender such Member's Units or other Interests.

ARTICLE 15 DISSOLUTION AND LIQUIDATION

15.1 Events Causing Dissolution. The Company shall be dissolved only upon the occurrence of any of the following events:

- (a) notwithstanding anything in Section 18-801(a)(3) of the Act to the contrary, the affirmative vote or written consent of the Board and the Majority Members;
- (b) the entry of a final decree of judicial dissolution of the Company under Section 18-802 of the Act; or
- (c) at any time there are no Members of the Company, unless the Company is continued in accordance with the Act.

Except as otherwise set forth in this Section 15.1, the Company is intended to have perpetual existence. To the fullest extent permitted by law, any death, retirement, resignation, expulsion, bankruptcy or dissolution of a Member (or the occurrence of any other event that terminates the continued membership of a Member in the Company) shall not, in and of itself, cause a dissolution of the Company and the Company shall continue in existence subject to the terms and conditions of this Agreement.

15.2 Liquidation and Winding Up. If the Company is dissolved pursuant to Section 15.1, the Company shall be liquidated and the Managers (or other Person or Persons designated by the Board or by a decree of court) shall wind up the affairs of the Company. The Managers or other Persons winding up the affairs of the Company shall promptly proceed to the liquidation of the Company and, in settling the accounts of the Company, the assets and the property of the Company shall be distributed in the following order of priority:

(a) First, to the payment of (or establishing reserves to pay) all debts and liabilities of the Company (including any debts or liabilities owed to any Member) in the order of priority as provided by law; and

(b) The balance, if any, to the Members in accordance with Section 13.1(a).

Any non-cash asset will first be written up or down to its gross Fair Market Value, thus creating Profit or Loss (if any), which shall be allocated in accordance with the provisions of Article 12.

15.3 No Deficit Restoration Obligation. If any Member has a deficit balance in its Capital Account (after giving effect to all Capital Contributions, distributions and allocations for all fiscal periods including the fiscal period during which the liquidation occurs), such Member shall have no obligation to make any contribution to the capital of the Company with respect to such deficit, and such deficit shall not be considered a debt owed to the Company or to any other Person for any purpose whatsoever.

ARTICLE 16 AMENDMENTS

16.1 Amendments.

(a) Any term, condition or provision of this Agreement may be amended, modified or waived from time to time if, and only if, such amendment, modification or waiver is in writing and signed, (x) in the case of an amendment or modification, by the Company and the Majority Members at the time of such amendment or modification, or (y) in the case of a waiver, by the party against whom the waiver is to be effective. Notwithstanding the foregoing sentence, in addition to the affirmative vote or written consent of the Company and the Majority Members, no amendment or modification of any term, condition or provision of this Agreement shall be made (whether by merger, consolidation or reorganization of the Company, except in connection with a Sale Transaction) relating to:

(i) Sections 6.18, 6.19, 9.1, 9.3, 9.4, 9.5, 9.6 or 9.7, clause (c) of Section 19.12, Article 17, Schedule A attached hereto or the definition of “Super-Majority Members” (including any of the defined terms used in any such Section, clause, Article, Schedule or definition, solely to the extent such defined terms are used therein), in any such case, without the affirmative vote or written consent of the Super-Majority Members;

(ii) Sections 6.1, 6.2(a), 6.2(b), 6.2(c), 6.2(d), 6.2(e), 6.2(f), 6.12 or 6.14, the penultimate sentence of Section 6.15 or the definition of “Specified Members” (including any of the defined terms used in any such Section, sentence or definition, solely to the extent such defined terms are used therein), in any such case, without the affirmative vote or written consent of (A) each Designating Group and (B) the Specified Members;

(iii) Section 8.5, clause (a) of Section 19.12 or the definitions of “Designating Group”, “Designating Members”, “Designation Right” or “Holder

Managers” (including any of the defined terms used in any such Section, clause or definition, solely to the extent such defined terms are used therein), in any such case, without the affirmative vote or written consent of each Designating Group;

(iv) Section 6.20, clause (d) of Section 19.12 or the definitions of “Observer Member” or “Major Member” (including any of the defined terms used in any such Section, clause or definition, solely to the extent such defined terms are used therein), in any such case, without the affirmative vote or written consent of each Major Member;

(v) the proviso in the first sentence of Section 6.8 or the definition of “Golub Members” (including any of the defined terms used in such proviso or definition, solely to the extent such defined terms are used therein), in either such case, without the affirmative vote or written consent of the Golub Members;

(vi) the definition of “LCM Members” (including any of the defined terms used in such definition, solely to the extent such defined terms are used therein) without the affirmative vote or written consent of the LCM Members;

(vii) the definitions of “Majority Specified Members” or “Specified Members” (including any of the defined terms used in any such definition, solely to the extent such defined terms are used therein), in either such case, without the affirmative vote or written consent of the Specified Members;

(viii) Section 16.1(b)(i) (including any of the defined terms used in any such Section, solely to the extent such defined terms are used therein) without the affirmative vote or written consent of each Member that owns or holds Class A Units;

(ix) Section 6.19 or Schedule A attached hereto (including any of the defined terms used in any such Section or Schedule, solely to the extent such defined terms are used therein), in any such case, without Required Manager Approval; or

(x) any of clauses (i)-(ix) of this Section 16.1(a) without the prior written consent of the specific Member or Members, and/or the Member or Members that own or hold the requisite percentage of the Units, as applicable, that would be required to amend the underlying provision or definition of this Agreement to which such amendment or modification relates; provided, however, that no amendment or modification of this Section 16.1(a)(x) shall be made without the affirmative vote or written consent of each Member that owns or holds Class A Units.

(b) Anything in this Agreement to the contrary notwithstanding, (i) subject to clause (ii) of this Section 16.1(b), no amendment, modification or waiver of any provision of this Agreement (whether by merger, consolidation or reorganization of the Company, except in connection with a Sale Transaction) that would materially and adversely affect the rights or materially increase the obligations of any Member that owns

or holds Units of any particular series or class (in its capacity as an owner or holder of Units of such series or class) set forth in this Agreement in a manner that is disproportionate in any material respect to the comparable rights and obligations of the Members that own or hold a majority of the issued and outstanding Units of such series or class (in their capacity as owners or holders of Units of such series or class) (without regard to any effect resulting from (A) the individual circumstances of any such Member, or (B) the differences in the respective percentages of ownership of Units of the Members) shall be made without the affirmative vote or written consent of such affected Member; provided, however, that, for the avoidance of doubt, neither the authorization or creation of a new class or series of Units or other equity or equity-based securities of the Company, nor the issuance of any additional Units or any other equity or equity-based securities of the Company, in each case in accordance with Section 9.6, shall be deemed to adversely affect the rights or obligations of any Member, and, (ii) the Board is hereby authorized and empowered, acting alone and without further vote or action of any of the Members or any other Person, to amend or modify this Agreement (A) as provided in Section 5.2(b) hereof and (B) as may be required to give effect to the terms of a Management Incentive Plan or any Award Agreement, and each Member shall be deemed to have executed any such amendment to, or amendment and restatement of, this Agreement; provided, however, that if any such amendment or modification would otherwise require any vote or consent pursuant to any of clauses (i)-(x) of Section 16.1(a) (other than immaterial amendments or modifications), then such vote or consent shall be obtained as a condition to any such amendment or modification.

(c) Anything in this Section 16.1 or elsewhere in this Agreement to the contrary notwithstanding, the holders of Class B Units (in their capacity as such) shall have no right to vote on, or right to consent to, any amendment, modification or waiver of or to this Agreement.

ARTICLE 17 INFORMATION RIGHTS

17.1 Information Rights. Subject to the obligations of the Members under Article 20, the Company shall make available to each Member (other than Members that are Competitors or that own or hold Class B Units) the following information:

(a) within [\bullet (\bullet)]¹ after the end of each Fiscal Year of the Company, copies of the audited consolidated financial statements of the Company and its Subsidiaries for such Fiscal Year, including a consolidated balance sheet and consolidated statements of income or operations, members' equity and cash flows for such Fiscal Year, prepared in accordance with GAAP, together with the auditors' report on such audited consolidated financial statements; and

(b) within [\bullet (\bullet)]² after the end of each Fiscal Quarter in each of the Company's first three (3) Fiscal Quarters in each Fiscal Year of the Company, copies of

¹ **Note to Draft:** To be consistent with delivery times under the credit documents.

² **Note to Draft:** To be consistent with delivery times under the credit documents.

the unaudited consolidated financial statements of the Company and its Subsidiaries for such Fiscal Quarter, including a consolidated balance sheet and consolidated statements of income or operations and cash flows for such Fiscal Quarter, prepared in accordance with GAAP, subject to the absence of footnotes and to year-end adjustments;

provided, however, that if the Company does not produce consolidated financial statements required by this Section 17.1 at the Company level, but consolidated financial statements are produced at the level of one of its Subsidiaries that cover substantially the same information that would have been covered by consolidated financial statements of the Company and its Subsidiaries, then, in lieu of making available such consolidated financial statements of the Company and its Subsidiaries, the Company shall make available to each Member that owns or holds Units (other than Members that are Competitors or that own or hold Class B Units) the consolidated financial statements of its applicable Subsidiary, on the terms set forth in this Section 17.1.

17.2 Delivery of Information. The Company shall make available the information described in Section 17.1, within the specified time periods, on a password-protected website that is only available to the Members (other than Members that are Competitors or that own or hold Class B Units) and any actual or prospective Transferees of Units (other than actual or prospective Transferees of Class B Units). The Company shall provide any password or other login information to the Members (other than Members that are Competitors or that own or hold Class B Units) and, upon request of any Member, any actual or prospective Transferees of Units (other than actual or prospective Transferees of Class B Units) so that any such Person shall be able to access such website.

As a condition to gaining access to the information posted on such website, each Person may be required to (a) “click through” certain confidentiality provisions or take other affirmative action pursuant to which such Person shall acknowledge its confidentiality obligations in respect of such information, and (b) in the case of any Person that is a Member, (i) confirm and ratify that it is a party to, and bound by all of the terms and provisions of, this Agreement, and (ii) certify its status as a Member that holds Class A Units.

17.3 Termination of Information Rights. The requirements of this Article 17 shall cease to apply at such time as the Company becomes obligated to file reports under Section 13 or Section 15(d) of the Exchange Act or as a voluntary filer pursuant to contractual obligations (so long as the Company makes such filings). Nothing in this Agreement shall require, or shall be deemed or construed to require, the Company to file reports under Section 13 or Section 15(d) of the Exchange Act.

ARTICLE 18 REPRESENTATIONS AND WARRANTIES OF THE MEMBERS

18.1 Representations and Warranties of the Members. Each Member (including each Person, if any, admitted as a Member after the Effective Date) hereby represents, warrants and acknowledges to the Company and to each other Member on the Effective Date (or the date on which such Member executes and delivers a Joinder Agreement) as follows:

(a) Such Member (if such Member is an Entity) is duly organized or formed, validly existing and in good standing under the laws of the jurisdiction of its organization or formation and has all requisite power and authority to conduct its business as it is now being conducted and as proposed to be conducted.

(b) Such Member has the full power, authority and legal right to execute, deliver and perform this Agreement, and, if such Member is an Entity, the execution, delivery and performance by such Member of this Agreement have been duly authorized by all necessary action of such Member. This Agreement constitutes such Member's legal, valid and binding obligation, enforceable against it in accordance with its terms (except as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other laws relating to or affecting creditors' rights generally and the effect and application of general principles of equity and the availability of equitable remedies).

(c) Such Member is not subject to, or obligated under, any provision of (i) its organizational documents (if such Member is an Entity), (ii) any agreement, contract, arrangement or understanding, (iii) any license, franchise or permit, or (iv) any law, regulation, order, judgment or decree, in any such case that would be breached or violated, or in respect of which a right of termination or acceleration or any Lien on any of such Member's assets (including its Units) would be created, by such Member's execution, delivery and/or performance of this Agreement or the consummation of the transactions contemplated hereby.

(d) No authorization, consent or approval of, waiver or exemption by, or filing or registration with, any Governmental Authority or any other Person is necessary on such Member's part for such Member's execution, delivery and/or performance of this Agreement or the consummation of the transactions contemplated hereby, in any such case that has not previously been obtained by such Member.
