III. PROCEDURAL BACKGROUND

5. On December 22, 2024 (the “Petition Date”), each of the Debtors filed in the Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code commencing these chapter 11 cases (the “Chapter 11 Cases”). The factual background regarding the Reorganized Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of the Chapter 11 Cases, is set forth in detail in the *Declaration of Chad E. Coben, Chief Restructuring Officer, in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 6] (the “First Day Declaration”).²

6. On January 24, 2025, the Court entered the *Order (I) Approving Debtors’ Disclosure Statement and (II) Confirming First Amended Prepackaged Joint Plan of Reorganization of The Container Store Group, Inc. and its Debtor Affiliates under Chapter 11 of the Bankruptcy Code* [Docket No. 181] (the “Confirmation Order”) confirming the *First Amended Prepackaged Joint Plan of Reorganization of The Container Store Group, Inc. and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* [Docket No. 165], dated January 23, 2025 (as amended, modified, or supplemented, the “Plan”).

² Capitalized terms used but not otherwise defined herein shall have the meanings given to such terms in the First Day Declaration.

IV. LATHAM'S EMPLOYMENT AND COMPENSATION

8. On January 3, 2025, the Debtors filed the *Debtors' Application for Entry of an Order (I) Authorizing the Employment and Retention of Latham & Watkins LLP as Bankruptcy Counsel and (II) Granting Related Relief* [Docket No. 107] (the “**Retention Application**”), which included the *Declaration of Ted A. Dillman and Disclosure Statement of Latham & Watkins LLP* [Docket No. 107-1] and the engagement letter between the Debtors and Latham, dated as of November 26, 2024 [Docket No. 107-3] (the “**Engagement Letter**”).

9. On January 28, 2025, the Court entered the *Order Authorizing the Employment and Retention of Latham & Watkins LLP as Bankruptcy Counsel* [Docket No. 195] (the “**Retention Order**”).

10. The terms and conditions of Latham's employment and compensation are set forth in the Retention Application and in the Engagement Letter, as modified by the Retention Order. Latham has no agreement of any kind, express or implied, to divide with any other person or entity any portion of the compensation sought or to be received by it in the Chapter 11 Cases.

11. As disclosed in the Retention Application, prior to the Petition Date, Latham received payments and advances for services performed and expenses incurred, and to be performed and incurred, including in preparation for the commencement of the Chapter 11 Cases. As of the date hereof, Latham had a remaining credit balance in the amount of \$593,075.10 (the “**Fee Advance**”).³

³ In accordance with the Retention Order, Latham applied (and will apply) the Fee Advance to any outstanding amounts relating to the period prior to the Petition Date that were not processed through Latham's system as of the Petition Date.

12. Latham has not previously filed any applications for payment of fees and expenses and has not received any payments from the Debtors or the Reorganized Debtors for fees and expenses for the Application Period.

13. Latham is submitting this Application for allowance on a final basis of compensation for services rendered in the total amount of \$2,175,042.50 and reimbursement of actual and necessary expenses in the total amount of \$13,159.45, for a total of \$2,188,201.95, for the Application Period.

V. CASE STATUS SUMMARY

14. During the Application Period, Latham assisted the Debtors with the Chapter 11 Cases and worked with all parties in interest in preparation for a combined hearing to consider approval of the Disclosure Statement and confirmation of the Plan. Through the efforts of the Debtors and their advisors, the Debtors were able to confirm a plan of reorganization and emerge from bankruptcy in approximately five weeks and avoid the expense of protracted bankruptcy cases.

15. Along with obtaining an expeditious confirmation of the Plan, Latham assisted and advised the Debtors in resolving a number of other issues during the Chapter 11 Cases, including (i) obtaining various forms of first day relief including, among other things, relief with respect to employee wages, taxes, cash management, and insurance, (ii) obtaining Court approval of the solicitation procedures and schedule for confirmation and related dates and deadlines; (iii) obtaining Court approval of the Debtors' term loan and revolving debtor-in-possession financing facilities, (iv) obtaining lease expense savings by negotiating with various landlords, (v) negotiating with certain constituencies regarding the Plan and Confirmation Order to ensure a consensual confirmation process; and (vi) responding to numerous inquiries from creditors and other parties in interest regarding the Chapter 11 Cases. Additional information relating to more

specific work performed during the Application Period is provided in this Application and is set forth in the narratives in Latham's detailed billing statements, attached as Exhibit E.

VII. REIMBURSEMENT REQUEST FOR EXPENSES INCURRED

17. Latham requests reimbursement of actual and necessary out-of-pocket expenses in the aggregate amount of \$13,159.45 incurred during the Application Period. A summary of all expenses is attached as Exhibit C, and the detail supporting each expense category is included in Latham's billing statements attached as Exhibit E.

VIII. COMPENSATION REQUESTED FOR SERVICES RENDERED

18. Latham requests allowance of compensation for professionals' fees in the total amount of \$2,175,042.50 for 1,468.20 hours of professional services during the Application Period.

19. A description of the time spent and services rendered by each professional in each of the major areas of the Chapter 11 Cases is detailed in this Application. To aid the Court's evaluation of the reasonableness of the fees, a summary schedule setting forth the number of hours devoted by Latham's professionals, the applicable billing rates, respective year of licensing, and fees sought is attached as Exhibit A. Additionally, a summary of fees sought for each project category is included on Exhibit B.

20. Latham worked to restrict the number of lawyers involved in the Chapter 11 Cases to (i) maximize familiarity with the subject matter and avoid waste or duplicate efforts; (ii) employ special expertise in a given field of law when necessary to do the best job possible with the least amount of effort; and (iii) assign the performance of all tasks to the least-senior attorney or paraprofessional capable of performing it consistent with sound legal representation and supervision.

21. Latham also took care to avoid duplication of effort with its co-counsel, Hunton Andrews Kurth LLP, by dividing services when possible so that each firm handled different tasks that arose during the course of the Chapter 11 Cases.

22. Latham also took measures to utilize professionals with requisite expertise to perform the services. Due to the nature of the Chapter 11 Cases and the complex legal issues involved, coupled with the speed in which these issues needed to be addressed, a sizeable portion of senior attorney time was expended to efficiently and effectively represent the Debtors. It was also at times necessary or appropriate for more than one attorney to participate in a given task or project to adequately and completely represent the Debtors. Dual participation does not equate to duplication of effort, but rather promotes efficiency and prevents unnecessary duplication of effort in the future. Conferences, emails, and the preparation of memoranda were used as necessary to promote efficiency. Meetings and telephone conferences at times involved multiple separate subject matters and issues, which were being handled by different attorneys.

IX. BASIS FOR RELIEF REQUESTED

23. Section 330 of the Bankruptcy Code authorizes the Court to award Latham “reasonable compensation for actual, necessary services rendered” and “reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1).

24. To assess the reasonableness of attorneys’ fees and expenses under section 330(a)(1) of the Bankruptcy Code, courts apply the standards set forth in Bankruptcy Rule 2016 and the twelve factors from *Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714 (5th Cir. 1974). *See In re First Colonial Corp. of Am.*, 544 F.2d 1291, 1298–99 (5th Cir. 1977), *cert. denied*, 431 U.S. 904 (1977) (quoting and applying the *Johnson* factors). The *Johnson* opinion recognized that factors other than number of hours spent and the hourly rate normally charged may be considered

in fixing the amount of reasonable attorneys' fees to be awarded in a bankruptcy proceeding. *See Johnson*, 488 F.2d at 717–20. Specifically, the *Johnson* factors are: (1) time and labor required; (2) novelty and difficulty of the questions; (3) skill requisite to perform the legal service properly; (4) preclusion of other employment by the attorney due to acceptance of the case; (5) customary fee; (6) whether the fee is fixed or contingent; (7) time limitations imposed by the client or other circumstances; (8) amount involved and the results obtained; (9) experience, reputation, and ability of the attorneys; (10) “undesirability” of the case; (11) nature and length of the professional relationship with the client; and (12) awards in similar cases. *Johnson*, 488 F.2d at 717–19.

25. Rejecting the “hindsight” or “material benefit” standard that was originally set forth in *In re Pro-Snax Distributors, Inc.*, 157 F.3d 414 (5th Cir. 1998), the Fifth Circuit adopted a prospective standard based on whether the services of counsel were reasonably likely to benefit the estate at the time which they were rendered. *See Barron & Newburger, P.C. v. Tex. Skyline, Ltd. (In re Woerner)*, 783 F.3d 266, 276 (5th Cir. 2015). All services rendered by Latham satisfy the *Woerner* standard because they were reasonably likely to benefit the Debtors' estates at the time rendered. With these standards in mind, each of the *Johnson* factors are discussed in turn.

(i) Time and Labor Required

26. Latham provided 1,468.20 hours of professional services during the Application Period, and Latham's detailed billing statements, included in Exhibit E, list in detail all of the work performed for which compensation is sought. Specifically, the date the services were rendered, the individual performing such services, a description of the services, and the time expended, are all detailed. Latham believes that such detail establishes that its request for compensation is reasonable. All of the services specified were actual and necessary for the Debtors to perform their statutory duties.

(ii) Novelty and Difficulty

27. The Chapter 11 Cases involved a number of challenging operational and legal issues, including the debtor-in-possession financing commitment mechanics, which had to be completed within the timeline set forth in the Restructuring Support Agreement.

(iii) Skill Required to Perform the Legal Service Properly

28. Bankruptcy is a specialized area of federal practice, requiring knowledge of the Bankruptcy Code and other related state and federal statutes and precedent. It also requires a working knowledge of a number of other areas of law regularly confronting the Debtors. Likewise, dealing with complicated issues, many of which were on an expedited basis, required a substantial amount of coordination and skill.

(iv) Preclusion of Other Employment

29. While Latham's representation of the Debtors in the Chapter 11 Cases did not preclude it from accepting other employment undertaken by Latham, it did limit certain attorneys working on the Chapter 11 Cases from working on other client matters.

(v) Customary Fee

30. The hourly rates for each Latham professional are summarized in Exhibit A filed in support of this Application. These rates are commensurate with rates charged by attorneys with similar qualifications and experience at comparable law firms, and with rates charged to other Latham clients. The hourly rates of Latham compare favorably with average costs for similar legal services being provided by a national law firm, and also compare favorably with the rates of other professionals in the Chapter 11 Cases. Latham submits that the fees sought herein are substantially similar to what would have been charged in a non-bankruptcy matter of similar size and complexity.

(vi) Whether the Fee is Fixed or Contingent

31. Latham's fee is neither fixed nor contingent other than the contingency of Court approval and availability of assets to pay professionals. It is based upon the actual total number of hours worked plus the actual costs incurred.

(vii) Time Limitations Imposed by the Client or Other Circumstances

32. As noted previously, the relatively short timeline for confirmation of the Plan in the Chapter 11 Cases—as contemplated by the Restructuring Support Agreement—required Latham to provide services on complicated issues on an expedited basis. Under such time limitations, Latham provided services competently, efficiently, and without duplication of effort thereby avoiding the expenses of delay and a protracted bankruptcy for the benefit of all stakeholders.

(viii) Amount Involved and Results Obtained

33. Latham's actions in the Chapter 11 Cases assisted the Debtors and provided value to the process. The detailed billing statements in Exhibit E and the summary of work performed by task code in this Application detail Latham's work during the Application Period. The detailed billing statements include the dates such services were rendered, the individual performing such services, a description of the services, and the time expended. Latham believes that such information, as well as the information provided in this Application, establishes that the requested compensation is reasonable.

34. As a result of Latham's efforts during the Application Period, the Debtors achieved a number of objectives vital to the Chapter 11 Cases, including preserving jobs, keeping their business intact, rightsizing their balance sheet, and obtaining confirmation of the Plan in just 5 weeks from the Petition Date.

(ix) Experience, Reputation, and Ability of the Attorneys

35. Over many years, Latham's attorneys have regularly appeared in significant representations, including bankruptcy cases throughout Texas and the United States. The attorneys are well-regarded in the legal community.

(x) "Undesirability" of Case

36. The Chapter 11 Cases were not undesirable. As in all bankruptcy cases, there is a risk that fees and expenses will not get paid when a firm agrees to represent a debtor. Due to these uncertainties, firms frequently elect not to represent a debtor.

(xi) Nature and Length of the Professional Relationship with the Client

37. Latham's engagement as counsel began before the Petition Date. As noted in the Retention Application, since 2007, Latham and the Debtors have worked closely together in connection with certain corporate, finance, tax, and litigation matters that customarily arise in representation of companies similar to the Debtors. In November 2024, Latham and the Debtors amended their engagement and entered into the Engagement Letter to respond to the Debtors' financial circumstances, and Latham represented the Debtors as co-counsel in connection with all phases of the Debtors' restructuring efforts including, without limitation, preparation for the commencement of the Chapter 11 Cases.

(xii) Awards in Similar Cases

38. Based on Latham's experience, Latham's fees are in line with fees allowed in proceedings of similar scope for the services rendered and results obtained.

X. STATEMENT PURSUANT TO THE U.S. TRUSTEE GUIDELINES

39. Pursuant to paragraph C.5 of Appendix B to the U.S. Trustee Guidelines, Latham states as follows:

- a) **Question:** Did Latham agree to any variations from, or alternatives to, its standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the Application Period?

Answer: No. The rate structure provided by Latham is appropriate and comparable to (i) the rates that Latham charges for non-bankruptcy representations or (ii) the rates of other comparably skilled professionals.

- b) **Question:** If the fees sought in this Application as compared to the fees budgeted for the time period covered by this Application are higher by 10% or more, did Latham discuss the reasons for the variation with the client?

Answer: The fees sought in this Application are not higher by 10% or more as compared to the estimate of fees Latham provided to the Debtors.

- c) **Question:** Have any of the professionals included in this Application varied their hourly rate based on the geographic location of the bankruptcy case?

Answer: No.

- d) **Question:** Does the Application include time or fees relating to reviewing or revising time records or preparing, reviewing, or revising invoices?

Answer: This Application does not include such time or fees other than in connection with the preparation of this Application.

- e) **Question:** Does the Application include time or fees for reviewing time records to redact any privileged or other confidential information?

Answer: Yes. The total time expended for such matters during the Application Period was approximately 5.9 hours.

XI. CONCLUSION

40. Latham provided necessary services which were reasonably likely to benefit the estates at the time rendered. Taking into account all relevant factors, Latham requests that the Court determine that the nature, extent, and value of these services were appropriate under the circumstances at the time the services were rendered.

41. Accordingly, Latham respectfully requests entry of an order, substantially in the form attached hereto, (i) allowing Latham compensation and reimbursement of expenses in the total amount of \$2,188,201.95, (ii) approving the allowed compensation and reimbursement of expenses on a final basis, (iii) authorizing the Debtors to disburse any unpaid amounts allowed, and (iv) granting such other and further relief as the Court deems just and proper.
