**Introduction:** On February 28, 2024 (the “Petition Date”), Thrasio Holdings, Inc. and its affiliated debtors and debtors in possession (collectively the “Debtors”) filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”) with the United States Bankruptcy Court for the District of New Jersey (the “Bankruptcy Court”), thereby commencing these cases jointly administered as *In re Thrasio Holdings, Inc., et al.*, No. 24-11840 (CMG) (“Chapter 11 Cases”). The Debtors are authorized to continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code.

On March 1, 2024, the Bankruptcy Court entered an order [Docket No. 64] authorizing the joint administration of these Chapter 11 Cases pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure. On March 12, 2024, the Office of

the United States Trustee for the District of New Jersey (the “U.S. Trustee”) appointed an official committee pursuant to section 1102(a)(1) of the Bankruptcy Code [Docket No. 163].

Additional information about these Chapter 11 Cases, court filings, and claims information is available at the Debtors’ restructuring website: <https://www.kccellc.net/thrasio>.

**Accounting Principles:** This Monthly Operating Report (“MOR”) is unaudited and has been prepared solely for the purpose of complying with the Debtors’ obligations to provide monthly operating reports during these Chapter 11 Cases. This MOR is not prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and does not include all information and disclosures required by U.S. GAAP. The MOR is not intended to reconcile to any financial statement otherwise prepared or distributed by the Debtors. The Debtors have prepared this MOR using the best information presently available to them at this time, which has been collected, maintained, and prepared in accordance with their historical accounting practices. This MOR is, thus, true and accurate to the best of the Debtors’ knowledge, information and belief based on current available data. The MOR should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future.

**General Methodology:** The Debtors prepared this MOR relying primarily upon the information set forth in their books and records and may exclude information regarding non-Debtor affiliates. Additionally, the information furnished in this report includes primarily normal recurring adjustments, but does not include all the adjustments necessary to ensure that the quarterly and/or annual consolidated financial statements are in accordance with U.S. GAAP, including income tax accruals that would typically be made. Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that the Debtors apply in the preparation of their quarterly and annual consolidated financial information in accordance with U.S. GAAP. Because the Debtors’ accounting systems, policies, and practices were developed to produce financial statements at a consolidated level, rather than financial statements by legal entity, it is possible that not all assets, liabilities, income or expenses have been recorded on the correct entity. Accordingly, upon the application of such procedures, the Debtors believe that the financial information may be subject to change, and these changes could be material.

**Reporting Period:** This is the third MOR filed since the Petition Date and includes cash activity in MOR-1 from May 1, 2024 through May 31, 2024, and a Statement of Operations and Balance Sheet for the month ending May 31, 2024 in MOR-2 and MOR-3, respectively. In future periods, any changes to prior period balances will be reflected in the current month’s MOR. Nevertheless, in preparing this MOR, the Debtors made best efforts to supplement the information set forth in their books and records with additional information concerning transactions that may not have been identified therein.

**Accuracy:** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors and their advisors are not liable for and undertake no responsibility to indicate variations from security laws herein or for any evaluations of the Debtors based on this financial information or any other information.

**Carrying Value of Assets:** Unless otherwise noted, this MOR reflects the carrying values of the assets as recorded on the Debtors’ books and records as of the end of the month and is not based upon an estimate of their current market value. The Debtors reserve their right to amend or adjust the value of each asset set forth herein.

**Prepetition Liabilities Subject to Compromise:** As a result of the Chapter 11 Cases, the payment of certain prepetition indebtedness may be subject to compromise or other treatment under a plan of reorganization. Generally, actions to enforce or otherwise effect payment of pre-Chapter 11 liabilities are stayed. However, the Bankruptcy Court has authorized the Debtors to pay certain prepetition claims subject to certain terms and conditions.

**Past Performance:** The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations, financial position and cash flows of the Debtors in the future. Intercompany transactions have not been eliminated in the financial statements. For the reasons discussed above, the Debtors caution readers not to place undue reliance upon information contained in this MOR.

In re: Thrasio Holdings, Inc., et al.

Case No. (Jointly Administered): 24-11840 (CMG)

Reporting Period: May 1, 2024 – May 31, 2024

**Reservation of Rights:** The Debtors hereby reserve all of their rights to dispute the validity, status, enforceability, or executory nature of any claim amount, representation or other statement in this MOR and reserve the right to amend or supplement this MOR, if necessary. Nothing contained in this MOR shall constitute a waiver of any of the Debtors' rights or an admission with respect to their Chapter 11 Cases. In future periods, any changes to prior period balances will be reflected in the current month's MOR.

## Notes to Supporting Documentation

### Notes to MOR-1

Cash is received and disbursed by the Debtors as described in the *Debtors' Motion for Entry of Interim and Final Orders Authorizing the Debtors to (I) Continue to Operate Their Cash Management System, (II) Honor Certain Prepetition Obligations Related Thereto, (III) Maintain Existing Business Forms; and (IV) Perform Intercompany Transactions* [Docket No. 4] and is consistent with the Debtors' historical cash management practices. Debtor Thrasio, LLC remits payments on behalf of other Debtor entities for certain expenses. The Debtors have made reasonable efforts to appropriate these expenses to their respective Debtors for purposes of MOR-1 and Form MOR-11 Part 1.

Cash activity related to intercompany transfers (for example, cash concentration sweeps to Thrasio, LLC pursuant to the *Fifth Interim Order Authorizing the Debtors to (I) Continue to Operate their Cash Management System, (II) Honor Certain Prepetition Obligations Related Thereto, (III) Maintain Existing Business Forms, and (IV) Perform Intercompany Transactions* [Docket No. 1117]) among the Debtors are excluded from cash receipts and disbursements.

Figures include cash as reported in the Debtors' bank statements. Reconciliation differences exist between bank statement balances and balance sheet cash balances due to ordinary course timing differences between payment execution in the Debtors' financial system and disbursement of funds from Debtor bank accounts, as well as outstanding checks and deposits in transit. The Debtors' standard practice is to ensure that bank reconciliations are completed before closing the books each reporting period.

### Notes to MOR-2 and MOR-3:

This MOR has been prepared on a consolidating basis for the Debtors. The financial information contained herein is unaudited, limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements for Chapter 11 debtors as required by the Bankruptcy Court and is in a format acceptable to the U.S. Trustee.

As previously noted, this MOR was not prepared in accordance with U.S. GAAP and does not include all the information and disclosures required by U.S. GAAP. Therefore, there can be no assurance that the financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR.

Values in the Balance Sheet attached hereto represent rounded numbers. Accordingly, subtotals may not agree to the summation of the rounded numbers presented.

### Notes to UST Form 11-MOR, Part 1 Cash Receipts and Disbursements:

Consistent with the guidance received from the U.S. Trustee in connection with the completion of UST Form 11-MOR Part 1, Cash Receipts and Disbursements, reported cash receipts and disbursements should exclude intercompany, debtor-to-debtor, transactions. As a result, for those Debtors with net intercompany cash outflows or inflows during the reporting period, the ending cash balances reported on Form 11-MOR Part 1 will not agree with the ending cash balances per the Debtors' bank statements or the Debtors' books and records. For additional information on ending cash balances per the Debtors' books and records, see the attached Summary of Cash Receipts and Disbursements.

**Notes to UST Form 11-MOR, Part 2 Asset and Liability Status & Part 4 Income Statement (Statement of Operations):**

The MORs have not been subject to certain quarterly or annual adjustment procedures, including income tax provision procedures. The information presented herein may materially differ if such procedures were applied.

Because the Debtors' existing recording systems were not designed to distinguish between other prepetition and postpetition liabilities, the Debtors have commenced a process to distinguish between postpetition and prepetition liabilities, the results of which are reflected in the MORs. As the Debtors continue to process and additional information becomes available, the allocation of liabilities between prepetition and postpetition periods may change.

The Debtors have completed parts 2 and 4 based on the instructions provided by the U.S. Trustee's office to these forms using the Debtors' financial records. The attached financial statement exhibits have been prepared to conform to the Debtors' internal reporting format. Accordingly, the categories used in parts 2 and 4 of the MOR may differ from the financial statement exhibits.

**Notes to UST Form 11-MOR, Part 7 Questionnaire, item (a):**

Following the Petition Date, the Bankruptcy Court entered various orders authorizing the Debtors to, among other things, pay certain prepetition: (i) services, fees, and charges assessed by the Debtors' bank; (ii) customer programs obligations; (iii) employee wages, salaries, and related items (including, but not limited to, employee benefit programs and supplemental workforce obligations); (iv) taxes and assessments; and (v) critical vendor, 503(b)(9), lien, and foreign vendor obligations (collectively, the "First Day Orders"). To the extent any payments made during the reporting period on account of prepetition claims pursuant to authority granted to the Debtors by the Bankruptcy Court by the First Day Orders, such payments have been included in this MOR (subject to the notes and limitations provided herein).
