Chapter 11

Case No. 15-02741-TOM11

Jointly Administered

**NOTICE OF DEBTORS' MOTION FOR AN ORDER EXTENDING TIME TO ASSUME
OR REJECT UNEXPIRED LEASES OF NONRESIDENTIAL REAL PROPERTY**

PLEASE TAKE NOTICE that on October 7, 2015, Walter Energy, Inc. and its affiliated debtors and debtors-in-possession in the above-captioned cases (each a “Debtor,” and collectively, the “Debtors”), filed in the United States Bankruptcy Court for the Northern District of Alabama (the “Bankruptcy Court”) the *Debtors’ Motion for an Order Extending Time to Assume or Reject Unexpired Leases of Nonresidential Real Property* (the “Motion”). The Motion seeks approval of, among other things, an extension of the deadline under section 365(d)(4) of title 11 of the United States Code (the “Bankruptcy Code”) for the assumption or rejection of the Debtors’ nonresidential real property leases through and including February 10, 2016, or such later date as may be agreed in writing between any Debtor(s) and the applicable lessor(s) without the need for further order of the Court (the “Extended 365 Lease Deadline”). Furthermore, the Motion seeks an order clarifying that the Debtors will meet any deadline for assuming or rejecting nonresidential real property leases by filing a motion or proposing a plan of reorganization that provides for assumption or rejection of the leases before the applicable deadline.

PLEASE TAKE FURTHER NOTICE that you are receiving this Notice because the Debtors have identified you as a potential lessor or other party interested in the Debtors’ unexpired nonresidential real property leases (each a “Lease” and collectively, the “Leases”), including the Leases identified on the Debtors’ filed schedules (as amended, the “Schedules”). The Schedules are available for viewing, downloading or printing at www.kccllc.net/walterenergy.

¹ The Debtors in these cases, along with the last four digits of each Debtor’s federal tax identification number, are: Walter Energy, Inc. (9953); Atlantic Development and Capital, LLC (8121); Atlantic Leaseco, LLC (5308); Blue Creek Coal Sales, Inc. (6986); Blue Creek Energy, Inc. (0986); J.W. Walter, Inc. (0648); Jefferson Warrior Railroad Company, Inc. (3200); Jim Walter Homes, LLC (4589); Jim Walter Resources, Inc. (9714); and Walter Natural Gas, LLC (1198).

PLEASE TAKE FURTHER NOTICE that the inclusion of any Lease in the Schedules, or the receipt of this notice or any other notice, shall not constitute or be deemed to be a determination or admission by the Debtors that any document is, in fact, an executory contract or unexpired lease of real property within the meaning of section 365 of the Bankruptcy Code (all rights with respect thereto being expressly reserved). Furthermore, the omission of any particular Lease from the Schedules should not be read to preclude the applicability of the Motion and Extended 365 Lease Deadline with respect to such Lease.

PLEASE TAKE FURTHER NOTICE that any party objecting to the Motion and the Extended 365 Lease Deadline, shall be required to file and serve an objection, in writing, setting forth with specificity any and all objections to the Motion. Any objections must be filed with the Clerk of the United States Bankruptcy Court for the Northern District of Alabama, Robert S. Vance Federal Building, 1800 Fifth Avenue North, Birmingham, Alabama 35203-2111, and served upon each of the following notice parties so that the objection is received no later than October 21, 2015 at 4:00 p.m. prevailing Central Time:

A. PROOFS OF CLAIM AND MANNER OF FILING

Any person or entity that has or seeks to assert a Claim which arose, or is deemed to have arisen, prior to the Petition Date, including, without limitation, a Claim under section 503(b)(9) of the Bankruptcy Code, **MUST FILE A PROOF OF CLAIM ON OR BEFORE THE APPLICABLE BAR DATE** in order to potentially share in the Debtors' estates. Under the Bar Date Order, the filing of an original, written Proof of Claim Form, or the electronic submission of a Proof of Claim Form shall be deemed to satisfy the procedural requirements for the assertion of administrative priority Claims under section 503(b)(9) of the Bankruptcy Code. All other administrative Claims under section 503(b) of the Bankruptcy Code must be made by separate requests for payment in accordance with section 503(a) of the Bankruptcy Code and shall not be deemed proper if made by Proof of Claim. No deadline has yet been established for the filing of administrative Claims other than Claims under section 503(b)(9) of the Bankruptcy Code. **Claims under section 503(b)(9) of the Bankruptcy Code must be filed by the General Bar Date.** Acts or omissions of the Debtors that occurred or arose before the Petition Date may give rise to Claims that must be filed by the applicable Bar Date, notwithstanding that such Claims may not have matured, are contingent or have not become fixed or liquidated prior to or as of the Petition Date.

THE FACT THAT YOU HAVE RECEIVED THIS NOTICE DOES NOT MEAN THAT YOU HAVE A CLAIM OR THAT THE DEBTORS BELIEVE THAT YOU HAVE A CLAIM. A CLAIMANT SHOULD CONSULT AN ATTORNEY IF THE CLAIMANT HAS ANY QUESTIONS, INCLUDING WHETHER SUCH CLAIMANT SHOULD FILE A PROOF OF CLAIM.

i. Claims for Which No Proof of Claim Is Required to be Filed

Notwithstanding the above, holders of the following Claims are not required to file a Proof of Claim on or before the applicable Bar Date solely with respect to such Claim:

- a. any person or entity that has already filed a properly supported and executed Proof of Claim against the applicable Debtor(s) with either KCC or the Clerk of the Court for the United States Bankruptcy Court for the Northern District of Alabama;
- b. any person or entity (i) whose Claim is listed in the Debtors' Schedules or any amendments thereto, and (ii) whose Claim is not described therein as "disputed," "contingent," or "unliquidated," and (iii) who does not dispute the amount or characterization of its Claim (including that the Claim is an

obligation of the specific Debtor against which the Claim is scheduled) as set forth in the Debtors' Schedules;

- c. professionals retained by the Debtors, the UCC, the Section 1114 Committee or any other committee appointed in these Chapter 11 Cases pursuant to orders of this Court who assert administrative Claims for fees and expenses subject to the Court's approval pursuant to sections 330, 331 and 503(b) of the Bankruptcy Code;
- d. any person or entity that holds or asserts a Claim pursuant to sections 503(b) and 507(a)(2) of the Bankruptcy Code as an administrative expense other than 503(b)(9) Claims;
- e. current officers, directors, and employees of the Debtors who may hold contingent and unliquidated Claims for indemnification, contribution, or reimbursement arising as a result of such officers', directors', or employees' prepetition or postpetition services to the Debtors; provided, that any officer, director or employee covered by this provision who wishes to assert Claims, other than contingent and unliquidated Claims for indemnification, contribution or reimbursement, must file Proofs of Claim on account of such Claims on or before the General Bar Date unless another exception in this paragraph applies;
- f. a current employee of a Debtor whose Claim the Court has authorized the Debtors to honor in the ordinary course of business as a wage, commission or benefit; provided however, that a current employee must submit a Proof of Claim by the General Bar Date for any other claim arising before the Petition Date, including claims, if any, related to wrongful termination, discrimination, harassment, a hostile work environment or retaliation;
- g. the Administrative Agent² nor any of the First Lien Lenders with respect to any of the Credit Agreement Obligations arising under the First Lien Credit Documents, the Claims for which, in the absence of the filing of any Proof of Claim, shall be governed by the First Lien Credit Documents and the Interim Cash Collateral Order and related final order;

² Capitalized terms used in this paragraph, but not otherwise defined in the Motion, shall have the meanings ascribed to them in the *Interim Order (A) Authorizing Postpetition Use of Cash Collateral, (B) Granting Adequate Protection to Prepetition Secured Parties, (C) Scheduling a Final Hearing Pursuant to Bankruptcy Rule 4001(b) and (D) Granting Related Relief* (the "Interim Cash Collateral Order") [Docket No. 59]. The Administrative Agent shall have the right, if it chooses, to file a single Proof of Claim on behalf of all Claims of the Administrative Agent and First Lien Lenders.

- h. the First Lien Trustee³ nor any of the First Lien Noteholders with respect to any of the First Lien Indenture Obligations arising under the First Lien Indenture, the Claims for which, in the absence of the filing of any Proof of Claim, shall be governed by the First Lien Indenture and the Interim Cash Collateral Order and related final order;
- i. any person or entity that holds or asserts a claim that is limited exclusively to the repayment of principal, interest and/or other applicable fees and charges (a “Debt Claim”) owed under any bond or note issued by the Debtors pursuant to an indenture (a “Debt Instrument”);⁴ provided, however, that: (i) other than as set forth in subparagraph (h), hereof, an indenture trustee under a Debt Instrument (each, an “Indenture Trustee”) shall file one Proof of Claim, on or before the General Bar Date, with respect to all of the amounts owed under each of the Debt Instruments and such Proof of Claim shall be deemed to be asserted by the indenture trustee against every Debtor that is liable for the Debt Claim so long as the Proof of Claim sets forth in reasonable detail the basis and amount of the claim asserted against each Debtor, and (ii) any holder of a Debt Claim wishing to assert a claim, other than a Debt Claim, arising out of or relating to a Debt Instrument must file a Proof of Claim on or before the General Bar Date, unless another exception in this paragraph applies;

B. WHEN AND WHERE TO FILE PROOFS OF CLAIM

All Claimants must submit (by overnight mail, courier service, hand delivery, regular mail or in person) an original, written Proof of Claim that substantially conforms to the Proof of Claim Form so as to be **actually received** by Kurtzman Carson Consultants LLC (“KCC”), the Debtors’ Claims and notice agent, by no later than 4:00 p.m. (Prevailing Central Time) on or before the applicable Bar Date at the following address:

Walter Energy Claims Processing
c/o KCC
2335 Alaska Avenue
El Segundo, CA 90245

Alternatively, Claimants may submit a Proof of Claim electronically through the electronic Claims filing system available at <https://epoc.kccllc.net/WalterEnergy>. Proofs of Claim will be deemed timely filed only if actually received by KCC on or before the applicable Bar Date. Proofs of Claim may not be delivered by facsimile, telecopy, or electronic mail transmission. Any facsimile, telecopy, or electronic mail submissions will not be accepted and will not be deemed filed until a Proof of Claim is submitted to KCC by overnight mail, courier service, hand delivery, regular mail or in person or through the electronic filing system described above. Claimants wishing to receive acknowledgment that their original, written Proofs of Claim were received by KCC must submit (i) a copy of the Proof of Claim and (ii) a self-addressed, stamped envelope (in addition to the original Proof of Claim sent to KCC).

C. CONTENTS OF A PROOF OF CLAIM

As noted above, the Debtors are enclosing a Proof of Claim Form for use in these Chapter 11 Cases, or you may use another Proof of Claim form that substantially conforms to Official Bankruptcy Form No. B10. The Proof of Claim Form is available free of charge on KCC’s website at <http://www.kccllc.net/walterenergy>.

To be valid, your Proof of Claim **MUST**: (a) be signed by the Claimant (which may be satisfied by electronic signature through the electronic Claims filing system described above); (b) be written in the English language; (c) be denominated in lawful currency of the United States; (d) conform substantially to the Proof of Claim Form or Official Form B10; (e) specify the Debtor against which the Proof of Claim is filed as well as the bankruptcy case number corresponding to such Debtor; (f) set forth with specificity the legal and factual basis for the alleged Claim; and (g) include supporting documentation or an explanation as to why such documentation is not available. **You should redact any sensitive information from your supporting documentation prior to filing your Proof of Claim.**

All Claimants asserting Claims against more than one Debtor must file a separate Proof of Claim with respect to each such Debtor and identify on each Proof of Claim the particular Debtor against which their Claim is asserted. If more than one Debtor is listed on a Proof of Claim, then the Debtors shall treat such Claim as filed only against the first listed Debtor. Any Proof of Claim filed under the joint administration case number (Walter Energy, Inc., Case No. 15-02741-TOM11) or without otherwise identifying a Debtor shall be deemed as filed only against Walter Energy, Inc. However, notwithstanding anything in this paragraph to the contrary, any Indenture Trustee may file one Proof of Claim under the joint administration case number (Walter Energy, Inc., Case No. 15-02741-TOM11) with respect to all of the amounts owed under each of the Debt Instruments, and such Proof of Claim shall be deemed to be asserted by the Indenture Trustee against every Debtor that is liable for the Debt Claim so long as the Proof of Claim sets forth in reasonable detail the basis and amount of the claim asserted against each Debtor; provided further, however, notwithstanding anything in this paragraph to the contrary, any union (including but not limited to the United Mine Workers of America) may file one (or more) Proof(s) of Claim with respect to amounts owed, including but limited to in connection with (i) the 1974 Pension Plan, (ii) Coal Act claims on behalf of retirees, (iii) other active and retiree benefit obligations (and related obligations, including but not limited to retiree health care benefits), (iv) disability and workers' compensation benefits, and (v) rejection damage claims and/or other contract claims arising under collective bargaining agreements, and such Proof(s) of Claim shall be deemed to be asserted against every Debtor that is liable for the Claim so long as the Proof(s) of Claim (or any addenda or attachments to the Proof(s) of Claim) sets forth in reasonable detail the basis and amount of the claim asserted against each Debtor.

If you are filing a Claim under section 503(b)(9) of the Bankruptcy Code, you must indicate in Box 6 of the Proof of Claim Form the amount of the Claim that arises under section 503(b)(9) of the Bankruptcy Code. For each Claim under section 503(b)(9) of the Bankruptcy Code, you must attach all documents supporting such Claim to the Proof of Claim Form and include a statement setting forth with specificity: (a) the date of shipment of the goods you contend the Debtors received in the twenty days before the Petition Date; (b) the date, place, and method (including carrier name) of delivery of the goods you contend the Debtors received in the twenty days before the Petition Date; (c) the value of the goods you contend the Debtors received in the twenty days before the Petition Date; and (d) whether you timely made a demand to reclaim such goods under section 546(c) of the Bankruptcy Code, and, if so, include any documentation identifying such demand.

D. CONSEQUENCES FOR FAILURE TO FILE A PROOF OF CLAIM

Any Claimant that is required to file a Proof of Claim in these Chapter 11 Cases pursuant to the Bankruptcy Code, the Bankruptcy Rules or the Bar Date Order with respect to a particular Claim, but that fails to do so properly by the applicable Bar Date, shall be forever barred, estopped, and enjoined from: (a) asserting such Claim against the Debtors and their estates (or filing a Proof of Claim with respect thereto), and the Debtors and their properties and estates shall be forever discharged from any and all indebtedness or liability with respect to such Claim and (b) voting upon, or receiving distributions under, any plan of reorganization in these Chapter 11 Cases or otherwise in respect of or on account of such Claim, and such person or entity shall not be treated as a creditor with respect to such Claim for any purpose in these Chapter 11 Cases.

E. CONTINGENT CLAIMS

Acts or omissions of or by the Debtors that occurred, or that are deemed to have occurred, prior to the Petition Date, including, without limitation, acts or omissions related to any indemnity agreement, guarantee, services provided to or rendered by the Debtors, or goods provided to or by the Debtors, may give rise to Claims against the Debtors and their estates notwithstanding the fact that such Claims (or any injuries on which they may be based) may be contingent or may not have matured or become fixed or liquidated prior to the Petition Date. Therefore, any person or entity that holds a Claim or potential Claim against the Debtors and their estates, no matter how remote, contingent, or unliquidated, **MUST** file a Proof of Claim on or before the applicable Bar Date.

F. THE DEBTORS' SCHEDULES

You may be listed as the holder of a Claim in the Debtors' Schedules. The schedules are available free of charge on KCC's website at <http://www.kccllc.net/walterenergy>. If you rely on the schedules, it is your responsibility to determine that your Claim is accurately listed in the schedules. As described above, if (a) you agree with the nature, amount and status of your Claim as listed in the schedules and (b) your Claim is NOT described as "disputed," "contingent," or "unliquidated," then you are not required to file a Proof of Claim in these Chapter 11 Cases with respect to such Claim. Otherwise, or if you decide to file a Proof of Claim, you must do so before the applicable Bar Date in accordance with the procedures set forth in this Notice and the Bar Date Order.

G. RESERVATION OF RIGHTS

Nothing contained in this Notice or the Bar Date Order is intended or should be construed as a waiver of any of the Debtors' rights, including without limitation, their rights to: (a) dispute, or assert offsets or defenses against, any filed Claim or any Claim listed or reflected in the Schedules as to the nature, amount, liability or classification thereof; (b) subsequently designate any scheduled Claim as disputed, contingent or unliquidated; or (c) otherwise amend or supplement the Schedules. In addition, nothing contained herein is intended or should be construed as an admission of the validity of any Claim or an approval, assumption or rejection of any agreement, contract or lease under section 365 of the Bankruptcy Code. All such rights and remedies are reserved.

H. ADDITIONAL INFORMATION

The Proof of Claim Form, the Bar Date Order, and all other pleadings filed in the Chapter 11 Cases are available free of charge on KCC's website at <http://www.kccllc.net/walterenergy>. INSTRUCTIONS FOR PROOF OF CLAIM FORM

The instructions and definitions below are general explanations of the law. In certain circumstances, such as bankruptcy cases not filed voluntarily by the debtor, exceptions to these general rules may apply.

Items to be completed in Proof of Claim form

Court, Name of Debtor, and Case Number:

Fill in the federal judicial district in which the bankruptcy case was filed (for example, Central District of California), the debtor's full name, and the case number. If the creditor received a notice of the case from the bankruptcy court, all of this information is at the top of the notice.

Creditor's Name and Address:

Fill in the name of the person or entity asserting a claim and the name and address of the person who should receive notices issued during the bankruptcy case. A separate space is provided for the payment address if it differs from the notice address. The creditor has a continuing obligation to keep the court informed of its current address. See Federal Rule of Bankruptcy Procedure (FRBP) 2002(g).

1. Amount of Claim as of Date Case Filed:

State the total amount owed to the creditor on the date of the bankruptcy filing. Follow the instructions concerning whether to complete items 4 and 5. Check the box if interest or other charges are included in the claim.

2. Basis for Claim:

State the type of debt or how it was incurred. Examples include goods sold, money loaned, services performed, personal injury/wrongful death, car loan, mortgage note, and credit card. If the claim is based on delivering health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information. You may be required to provide additional disclosure if an interested party objects to the claim.

3. Last Four Digits of Any Number by Which Creditor Identifies Debtor:

State only the last four digits of the debtor's account or other number used by the creditor to identify the debtor.

3a. Debtor May Have Scheduled Account As:

Report a change in the creditor's name, a transferred claim, or any other information that clarifies a difference between this proof of claim and the claim as scheduled by the debtor.

3b. Uniform Claim Identifier:

If you use a uniform claim identifier, you may report it here. A uniform claim identifier is an optional 24-character identifier that certain large creditors use to facilitate electronic payment in chapter 13 cases.

4. Secured Claim:

Check whether the claim is fully or partially secured. Skip this section if the claim is entirely unsecured. (See Definitions.) If the claim is secured, check the box for the nature and value of property that secures the claim, attach copies of lien documentation, and state, as of the date of the bankruptcy filing, the annual interest rate (and whether it is fixed or variable), and the amount past due on the claim.

5. Amount of Claim Entitled to Priority Under 11 U.S.C. §507(a).

If any portion of the claim falls into any category shown, check the appropriate box(es) and state the amount entitled to priority. (See Definitions.) A claim may be partly priority and partly non-priority. For example, in some of the categories, the law limits the amount entitled to priority.

6. Claim Pursuant to 11 U.S.C. §503(b)(9):

Check this box if you have a claim arising from the value of any goods received by the Debtor within 20 days before the date of commencement of the above case, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Attach documentation supporting such claim. (See Definitions.) Parties asserting claims under 11 U.S.C. §503(b)(9) must include a statement setting forth with specificity: (a) the date of the shipment of goods you contend the Debtor received in the 20 days before July 15, 2015; (b) the date, place, and method (including carrier name) of delivery of the goods you contend the Debtor received in the 20 days before July 15, 2015; (c) the value of the goods you contend the debtor received in the 20 days before July 15, 2015; and (d) whether you timely made a demand to reclaim such goods under 11 U.S.C. § 546(c), including any documentation identifying such demand.

7. Credits:

An authorized signature on this proof of claim serves as an acknowledgment that when calculating the amount of the claim, the creditor gave the debtor credit for any payments received toward the debt.

8. Documents:

Attach redacted copies of any documents that show the debt exists and a lien secures the debt. You must also attach copies of documents that evidence perfection of any security interest and documents required by FRBP 3001(c) for claims based on an open-end or revolving consumer credit agreement or secured by a security interest in the debtor's principal residence. You may also attach a summary in addition to the documents themselves. FRBP 3001(c) and (d). DEFINITIONS

Debtor

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

Creditor

A creditor is a person, corporation, or other entity to whom debtor owes a debt that was incurred before the date of the bankruptcy filing. See 11 U.S.C. §101 (10).

Claim

A claim is the creditor's right to receive payment for a debt owed by the debtor on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Proof of Claim

A proof of claim is a form used by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. The creditor must file the form with the clerk of the same bankruptcy court in which the bankruptcy case was filed.

Secured Claim Under 11 U.S.C. §506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

Unsecured Claim

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

Claim Entitled to Priority Under 11 U.S.C. §507(a)

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

Claim Pursuant to 11 U.S.C. §503(b)(9):

Any claim entitled to treatment in accordance with Section 503(b)(9) of the Bankruptcy Code. Specifically, Section 503(b)(9) claims are those claims for the "value of any goods received by the debtor, within 20 days before the date of commencement of a case under this title in which the goods have been sold to the debtor in the ordinary course of such debtor's business." 11 U.S.C. § 503(b)(9)

Redacted

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor must show only the last four digits of any social-security, individual's tax-identification, or financial-account number, only the initials of a minor's name, and only the year of any person's date of birth. If the claim is based on the delivery of health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information.

Evidence of Perfection

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

Acknowledgment of Filing of Claim

To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim or you may view a list of filed claims in this case by visiting the Claims and Noticing Agent's website at <http://www.kccllc.net/WalterEnergy>.

Offers to Purchase a Claim

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.
